News Flashes of Future

- Hollywood—Albert Elbert, only screen actor with a permanent wave, was seen at the Coconut Grove courting Eleanor Thum, Baby Wampus Star of 1939.
- Saratoga—Mary Greene and Doris McGahie, members of the Brain Trust, have left for Washington, D. C. to confer with the President, Jack Follansbee.
- New York City—Anne Wenzel, head dietician at Janet Ebbinghaus' Sanitarium, has recommended a spaghetti dinner for those patients suffering from appendicitis.
- New York City—Helena Rinzivillo is giving a concert at Mecca Temple with an advance sale of \$30,000. On the program Kay Young will render a solo.
- Mamaroneck—Jeanette Farrell, noted aviatrix, and her mechanic, Madeline Greene, have just completed a dangerous flight across the Mamaroneck River.
- Detroit—Henry Bruynes, engineer for the Lake Michigan Bridge, was present at its opening.
- Boston—Connie McMahon has just returned from Paris where she spent several days posing for Camille Cremier, French cartoonist.
- Reno—Beatrice Foss, accompanied by her lawyer, Robert Taylor, arrived at Reno to secure a divorce from her third husband, Bill Kuhn.
- Atlantic City—Anne Reilling, noted diver, won the title of "Diving Venus" at the Atlantic City Swimming Meet.
- Chicago—Marshall Sarles, all-American halfback, has just signed a contract with the Chicago Bears.
- Detroit—Bill Lemon has just been made Vice-President of the Henry Ford Motor Company.
- Scranton—Harry Cottle's book, "The Fundamentals of Calculas", is expected to be ready for publication in a few days.
- Trenton—Marguerite Gerard has been teaching Commercial subjects for two years at Rider College.
- London—Frances Johnson and Edna Hahn have sailed for America to prepare for their defeat of the National Doubles Championship.
- Springfield—Earl Kochersperger is busy revising his edition of Kochersperger's Unabridged Dictionary.
- New York City—Thelma Matthews, noted Latin professor, is sailing for Italy aboard the Rex to make a more thorough study of the history of classical Rome.
- Philadelphia—Anne Burke, the female Floyd Gibbens, will begin a series of broadcasts over William Lynch's radio station.
- Point Pleasant—Carolyn Truex, former dressmaker and designer, has devoted herself entirely to sewing buttons on Perry Truesdell's shirts.
- London—Marguerite VerKruzen defeated Helen Wills Moody in the Long Island matches.
- Albany—Ilcra Ruggerio, private secretary to the Governor of New York State, is now taking shorthand at the rate of 90 words a minute.

Junior Class

Having successfully completed the third part of our journey through this high school, we Juniors pause to look back at the events of the past year.

At the class election, which was held in October, the following officers were chosen: President—Durant Gernon, Vice-President—Doris Robinson, Treasurer—Marshall Sarles, and Secretary—Flora Ehram.

The Juniors did their share of work in the preparations for the Hallowe'en Party. During that evening, one of our number, William Elgert, won the boy's costume prize.

One section of the Junior Class took the first step in student self-government, also, we have contributed our bit to the assembly programs.

In athletics we have been prominent. In both football and basketball we boast letter men. The fair sex, too, has participated in all the girls' sports offered by the school.

In May our big social event took place—a most successful prom in honor of the Seniors.

To Miss Larmon and Mr. Lidstrom we extend our sincere thanks for their cooperation with us throughout the year. To the Seniors we wish all happiness and success.

FLORA EHRSAM

Sophomore Class

The Sophomore class, besides being the largest in the history of the school, has accomplished much to be proud of in the last year.

The two sections of the class furthered the cause of student government by organizing home room clubs. They were established by the students with the assistance of Miss Scutt and Mr. Davis and progressed rapidly. The two clubs were very similar. The main difference was that one group was governed by a president, vice-president, secretary and committeemen, while the other section was governed by a president and a council. The two organizations accomplished many important things, (especially making the rooms such delightful places.)

As a whole, the sophomores took more than their share of honors in both scholastic and athletic activities. In the latter field, many members of the class obtained places on the varsity football, basketball, baseball, track and fencing teams. The intramural girls' and boys' also boasted many able sophomores.

We think that the sophomore class has started a splendid record, that it will carry thru its remaining years of school and out into the world.

SAUL AND ALBERT

Freshman Class

Shortly after the mid-year examinations, the Freshman class organized a Home Room Club under the supervision of Miss McPhee. The officers of the club were: President, Joseph Humphreys; Vice-President, Alexander Young; Secretary-Treasurer, Caroline Schreyer. Once a month the program committee headed by Frank Langham presented an entertainment.

At the beginning of the school year Miss McPhee established a club for the Freshman girls only. The club was named after much detail, "The Freshman Girl's Forum." The officers of this club were as follows:

CHARLOTTE OLSEN	President
FRANCES ORTIZ	Vice-President
CAROLINE SCHREYER	Secretary-Treasurer
HELEN WETSTEIN	Program Chairman

The "Forum" meetings were held on every other Wednesday during the activity period and a program was given.

Varsity Sports

 HE varsity players have enjoyed very successful seasons this year under their new name, F. E. Bellows High School. In every respect the sportsmen have brought home glory for their dear Alma Mater. Due to their successful playing, the spirit of the student body has been revived and their new name has been popularized with real vigor.

Between the goal posts, the teamsters have not been so successful for many years. They had to undertake a very difficult schedule, but, by their clever playing, they managed to win four games and tie two out of seven.

On the floor, the varsity members enjoyed better success than in football. Their schedule was long but they played it with great success winning twelve out of fifteen games. At the end of the season the successful boys participated in class B in the Westchester County Play Off. They were eliminated in the semi-finals by the strong Washington Irving quintet with the score of nineteen to seventeen.

At the time of this writing, the probable varsity members in the field are facing a long schedule. Half of their scheduled games are to be played at home and half are to be played away. With the spirit of success of the two previous seasons and with the support of the student body, they are looking forward to a successful season.

ALBERT H. ELGERT

Track

Track is being introduced into F. E. Bellows High School under the direction of Coach Lloyd A. McGee. Many have turned out for early spring practice with intense interest. The earnest attitude shown by the boys will enable Mr. McGee to form a team that will be suitable for outside competition. Track was Mr. McGee's best sport in college. He is particularly interested in this sport and wishes it to become a major one of our high school.

ALBERT H. ELGERT

Girls' Basketball

S in hockey, intramural games took the place of outside competition this year. Because there were so many girls out for basketball, two leagues were formed. The Junior League was composed of girls from the seventh thru the ninth grades and those in the higher classes formed the Senior League. Cynthia Muir was elected manager of the Junior League while Marguerite VerKruzen acted in that capacity for the Senior League. The Magnets, captained by Nancy Pinto, won the tournament for the older girls and Frances Deutsch's Cardinals came out on top in the Junior League.

To wind up the season, an honor varsity was chosen, consisting of Jeanette Farrell, Edna Hahn, Annette Frascella, Helen Trifiletti, Frances Johnson, Madeline Greene, Nancy Pinto and Marguerite VerKruzen, to play the alumnae. The graduates were again victorious by the very lopsided score of twenty-two to eight. As a preliminary to this game, a second team was chosen to play the Junior League's varsity. The younger team was returned the winner by a margin of one point.

MARGUERITE VER KRUZEN

Girls' Hockey

To take the place of an inter-scholastic hockey schedule, an intra-mural program was mapped out and an honor varsity chosen to play against the alumnae. Mary Greene was elected hockey manager to take charge of the games. The girls were divided into four teams, captained by Helen Wetstein, Nancy Pinto, Marjorie Kroell and Marguerite Ver Kruzen. Three of the teams tied for first place leaving last place to Helen Wetstein's team.

Those on the varsity included Mary Greene, Anne Wenzel, Jessie O'Connor, Charlotte Olsen, Nancy Pinto, Lucy Aloisi, Regina Klokow, Marjorie Kroell, Doris McGahie, Edna Hahn, Ruth Henderson, Frances Johnson and Marguerite Ver Kruzen. Jane Ingraham and Eleanor Thum received honorable mention. The game resulted in a two-to-one victory for the alumnae.

MARGUERITE VER KRUZEN

Spring Sports

 HIS spring a new departure was taken in girls' athletics. A diversified sports program was initiated consisting of twelve play hours. Baseball, archery and and horseshoes were played outdoors with volley ball included during inclement weather. The girls who attended were privileged to take part in any one of these games.

As for basketball, a board of umpires was formed consisting of Nancy Pinto, Agnes Reilly, Emily Anscornb and Marjorie Kroell, who was also baseball manager.

The season ended with tournaments in archery, horseshoes, baseball and tennis.

M. VER KRUZEN

Letters and Class Numerals

A girl must have earned six hundred points to win a letter. However, as this system was not initiated until this year, letters were awarded to seniors having three hundred and fifty points.

Class Numerals are won on the attainment of three hundred points.

M. VER KRUZEN
