

GOVERNOR'S BAN ON FISCAL PLAN STIRS G. O. P. DEED

Republican Press Proposal For Study Of State's Financial Setup

U. S. TIGHTENS PURSE Roosevelt Calls For Immediate Curtailment Of All Expenditures

BULLETIN ALBANY, April 14 (AP)—New York assembly Republicans continued today their attack on Democratic Governor Lehman's budget recommendations by devising a vote Monday night on their proposal for a commission study of the state's fiscal system.

ALBANY, April 14 (AP)—Republicans in New York's Legislature planned today to present their proposal for a commission study of the state's financial setup despite Governor Lehman's assertion that it would "bring back the ungodly and loose system of a negotiated budget."

"No matter what the governor says," a high Republican source emphasized, "we are going to take a vote on our plan. We are going to be the best way to reach a solution of the state's serious financial condition. If the governor doesn't want it, then that's his responsibility."

The Democratic Governor's assertion in a sharply worded letter last night to Assembly Speaker Oswald D. Bush that he is "unwillingly opposed" to the proposal and that he would veto it should it be placed before him, was brushed aside.

Message by both houses agreed unlikely, however, inasmuch as the Senate is Democratic-controlled and a vote of 30 to 20. The majority Republican Assembly is expected to vote in the affirmative.

The proposal for creation of a commission, which would report its findings at a summer special session in June, was made after the Governor called upon the Legislature to meet in emergency session to pass an emergency bill to finance unemployment relief.

The Assembly held yesterday afternoon the measure to order the final passage, meantime asking the Governor for an emergency measure permitting an immediate vote.

U. S. TIGHTENS PURSE WASHINGTON, April 14 (AP)—The administration faces today a failure of tax revenue to recalculate began tightening Federal purchasing today.

President Roosevelt instructed heads of all government agencies today to effect an immediate curtailment of expenditures for the remainder of the fiscal year.

Secretary Wallace promptly announced 500 workers would be moved from the Agricultural Adjustment Administration payroll at the end of this month.

Mr. Roosevelt's act yesterday said the expenditure cut would be necessary to prevent the deficit from being far greater than the \$2,822,054,000 estimate for the fiscal year.

"It is apparent at this time," he said, "that the revenues of the government for the present fiscal year will be materially less than the amount estimated in my budget message of last January."

Treasury officials said they do not know how much could be withheld from projected expenditures, but asserted substantial cuts probably could be effected.

There was conjecture over whether other department heads would follow Wallace's lead in slashing employment rolls.

Nation's Bread Price Advances A Fraction WASHINGTON, April 14 (AP)—The Consumer Division of the Agricultural Adjustment Administration said today average bread price had advanced one-tenth of a cent in recent weeks.

The national average cost, it reported, now is 43 cents for a pound loaf of white bread, based on retail prices in 15 representative cities.

'Alabama' Pitts Wins Divorce From Wife WHITE PLAINS, April 14 (AP)—A half-back on the New York Frisco football team, who after his release from the New York State Penitentiary, married the former Miss Kathryn Kriss Pitts of Brooklyn, it was revealed today in a court file in the County Clerk's office here.

SCHOOL TILT LEADS TO EGG FIGHT BAN

TROY, April 14 (AP)—Tennessee's Polychrome Institute's egg fight ban, because of its potentialities in replacing smashed mirrors, furniture and glassware and Troy patrons were clearing guns they shot off into the air in an effort to quell the Waterman school sign as a street fight, and wound up as a melee in the street.

LARCHMONT BOARD DRAFTING BUDGET HEARING MONDAY

No Restoration Of Salary Cut Provided; Tax Rate Slightly Lower

Mayor Edward F. Watson, chairman, and members of the Larchmont Board of Trustees met last night to work on the 1937-38 budget, which is to be presented to the board at a hearing at 8 P. M. Monday at the Municipal Building.

The committee has met a number of times during the last few days to consider the budget, approved last night by the board. It is expected to be presented to the board at a hearing at 8 P. M. Monday at the Municipal Building.

AUTO UNION GETS STERN ULTIMATUM

Oshawa Mayor Demands U. S. Workers Strike Unless Duped Ends

OSHAWA, Ont., April 14 (Canadian Press)—Mayor Alex Hall, in his own initiative, telegraphed an ultimatum today to the United Automobile Workers Union officials demanding that United States workers of General Motors be called out on strike unless the Canadian motor strike is speedily settled.

REGISATIONS DEMANDED TORONTO, April 14 (AP)—Prime Minister Mackenzie Bowden today demanded the resignations of two members of his cabinet who have been out of sympathy with his fight to prevent John L. Lewis union from gaining a foothold in Canada.

EDUCATION BOARD TO RETAIN ENTIRE TEACHING STAFF

180 Employes Of Mamaroneck Schools Offered Contracts For New Year

3 INSTRUCTORS ADDED Staff Given Ten Days To Sign And Return Contracts For 1937

The entire teaching staff of the Mamaroneck school system, including 180 men and women, will be offered contracts for the coming year, it was decided at the Mamaroneck Board of Education meeting in the High School last night.

The board intends to retain the present personnel and add three new instructors, it was decided.

Contract offers are being sent today, Superintendent A. Z. Boothby announced. The staff, which serves six schools within the system, has ten days in which to sign and return them.

The new instructors include Geo. A. Brown of New York University, assistant physical instructor; Arthur L. Truette, who has a substitute basis in the Junior High School, and Ernest M. Parker, who has been on a substitute basis at the senior high school. Mr. Manchester and Miss Parker, who will teach in the art department, are on a permanent basis, as is the custom for new teachers at the school.

Trustee Lee H. Burton, who offered the resolution to retain the staff, explained that the board is not desiring to reduce the staff, but to offer to the teachers, clerical and janitorial staff, contracts for the coming year, which will be subject to the approval of the school district voters.

MARRIAGE BILL GOES TO LEHMAN

Hasty Wedding Curb, Striking At Legality, Passed By Legislature

ALBANY, April 14 (AP)—Voters of New York State will express their views on a marriage law which would curb hasty weddings and the wedding ceremony today when the Legislature passes the bill.

HIS VOTE MADE LABOR HISTORY

WASHINGTON, April 14 (AP)—Administration leaders, long content that the judiciary organization bill had precedence over wage and hour legislation, reconsidered their strategy today in the light of the Supreme Court's Wagner Act decision.

President Roosevelt's advisers pressed to complete now a new set of minimum wage and maximum hour standards. These may be transmitted to Congress regarding the court bills later.

ROOSEVELT AIDES DRAFT NEW PLANS FOR LABOR LAWS

Wage And Hour Standards Will Be Transmitted To Congress Soon

STRATEGY BEING REVISITED Labor Proposals May Now Get Preference Over Judiciary Measure

WASHINGTON, April 14 (AP)—Administration leaders, long content that the judiciary organization bill had precedence over wage and hour legislation, reconsidered their strategy today in the light of the Supreme Court's Wagner Act decision.

President Roosevelt's advisers pressed to complete now a new set of minimum wage and maximum hour standards. These may be transmitted to Congress regarding the court bills later.

WASHINGTON, April 14 (AP)—Three women, discharged from the Alexander Smith and Sons Carpet Company, today were reinstated with back pay adjustments, it was announced today by officials of the company and Mrs. E. M. Herrick, Regional Director of the Labor Relations Board. The action is a direct result of the company's refusal to comply with the Labor Relations Board's order to reinstate the three discharged women.

WHEN GAMBLING ISN'T GAMBLING

Better than any sermon against gambling was the picture The Daily Times recently published of the "phony" gambling apparatus seized in a raid on Milton Lodge in Harrison a year ago. Here it is again, but this time it is up against what he visits most gambling houses and spends his money with the idea that he is at least getting a "gamblers' chance".

INVESTMENT THAT INSURES

Fire Chief Taxter and Fire Commissioner Livingston of Tarrytown may be pardoned for a little boasting. During 1936 fire damage in the village amounted to only \$249 and of this all but \$25 was covered by insurance.

THREE CONSTITUTIONAL SHIFTS

Now pending at Albany are three proposed changes in the state constitution regarding tenure in office of public servants. One would provide that the governor and lieutenant-governor be elected for four-year terms instead of the present two-year terms.

The third proposal is to double the term of assemblymen and senators, increasing that of assemblymen from one to two years, and that of senators from two to four years.

It is a bit difficult to see the logic in terms of equal length, namely two years, for both assemblymen and senators. And should that change be made it probably will not be long before there will gather strength behind a movement in this state, as in Nebraska, for a unicameral legislature.

One year is entirely too short a term of office for any legislative servant of the public. Hardly has he been elected and taken his seat before he must begin his campaign for reelection, to the subsequent detriment of his services.

WORLD'S FAIR AND WESTCHESTER

BEHIND THE HEADLINES

By JOURNALISTIC EXPERTS

WASHINGTON

Outraged. Officially sympathizers with the Lewis technique of mass organization in key industries privately dread the outcome of his imminent clash with the pioneer of forward mass production—Henry Ford.

The Detroit motor magnate has privately evolved a strategy designed to deliver a major repulse to the C. I. O. invaders. Where as steel now pays \$ a day, Chrysler approximately \$7.20 and General Motors \$6.60, administration reports that Mr. Ford will proclaim a \$10 wage for a six-hour day and a five-day week.

As the last rotor unit to make a stand, Mr. Ford also enjoys two other advantages. Public and official sentiment has definitely condemned the sidewalk attack upon the employed against his competitors. Prospect of a Ford-Lewis deal explains Congressional hesitations to adopt a discriminatory anti-union law including a stip at certain employees' favor.

Signs. The on-and-off-behind behavior of the Senate Supreme Court members in the last few weeks has considered the oldest and sharpest attacks and secretaries in their respective offices.

Home Robbed As He Sees Cherry Blossoms. NEW ROCHELLE, April 13.—On Saturday Koyiro Harada, Japanese citizen, was robbed of his family to Washington to find his home at 237 College Avenue ransacked and \$300 in valuable missing.

Epitaph. The official wreathing squad has been working overtime to tear down the expensive brick-and-mortar structure that has been cluttering up the site of the late Senator's residence.

Lehman Asks \$400,000 For Drive On Pneumonia. ALBANY, April 13 (AP)—Governor Lehman called upon New York's Legislature yesterday for a \$400,000 appropriation to promote the prevention, treatment and control of pneumonia.

Believe It Or Not. MOUNT VERNON, April 13.—At a public meeting held by Francis Conklin, Joseph L. L. went out to see the city at Grand Street and Columbus Avenue. Conklin said that the city's public works would be the best in the state.

PURITAN ROMANCE FEATURES MOVIE

Claudette Colbert and Fred MacMurray Star in 'Maid of Salem'

The romance of a Puritan maid and a dashing Virginia cavalier in old Salem town, brings Claudette Colbert and Fred MacMurray together again in 'Maid of Salem' a Puritan legend retold with the finest technical skill in the history of the screen.

The greatest pair who starred in 'The Sign of the Cross' and 'The Sign of the Cross' together again in 'Maid of Salem' a Puritan legend retold with the finest technical skill in the history of the screen.

A short while later, the romance of a Puritan maid and a dashing Virginia cavalier in old Salem town, brings Claudette Colbert and Fred MacMurray together again in 'Maid of Salem' a Puritan legend retold with the finest technical skill in the history of the screen.

When the strange, MacMurray, appears in the film and proves that he is a very much more than a Puritan legend retold with the finest technical skill in the history of the screen.

Capacity Crowd To View Perry-Vines At Center

WHITE PLAINS, April 15.—Tennis fans of Westchester are expected to fill the County Center for a capacity tonight to witness four of the world's leading "racquet" in action. In the feature event Fred Perry of Great Britain, former world's champion faces Elsworth Vines, Pasadena, Calif. star. In the first of their series to decide the world's professional champion. At present the American is two up on the Brit, having won 22 of the 42 matches played.

ROUGH GRAPPLERS TO MIX AT PLAINS

WHITE PLAINS, April 15.—Two of the roughest men in wrestling, Johnny Swenki of Lynn, Mass., and Gino Garibaldi of St. Louis, will collide in the Irish match which will feature Lou Magnolia's visit at the 102nd Madison Square Garden here tonight. Swenki, who is the Irish match, will be the first night of play. The championship event is limited to residents within the township. It will be conducted in the main ring and doubles, as well as in the women's singles, and mixed doubles. There is no women's doubles. Entry fee is \$1.00. The match will be held at 8:30 o'clock. Immediately following, Perry and Vines are scheduled to battle it out. To close the program Perry and Vines will be teamed against the pairing of Barnes and Lott, the latter two are rated the greatest doubles-play combination of all time.

DATES FOR CLOSED TABLE TOURNAY IN TOWN ARE SET

Paddle Wielders To Vie April 22, 23 At St. Thomas In Mamaroneck Play

Mamaroneck's annual closed table tennis tourney will be held on Thursday and Friday, April 22 and 23, at the St. Thomas Recreation Center. It was announced today by Arthur W. Thomas, president of the Mamaroneck Ping Pong Club which is conducting the affair. The tournament has been made for a number of years and is one of the town's biggest events. It is held at the door with entry fees the first night of play. The championship event is limited to residents within the township. It will be conducted in the main ring and doubles, as well as in the women's singles, and mixed doubles. There is no women's doubles. Entry fee is \$1.00. The match will be held at 8:30 o'clock. Immediately following, Perry and Vines are scheduled to battle it out. To close the program Perry and Vines will be teamed against the pairing of Barnes and Lott, the latter two are rated the greatest doubles-play combination of all time.

Feller Ready To Go Against Giants Sunday

COULUMBA, S. C., April 15 (UP)—Cleveland Manager Steve O'Neill believes his schoolboy speedster, Bob Feller, will be ready to go the route when the Indians meet the Giants in New York Sunday for the finale of their 18-game series. Feller went eight innings, fanning an even dozen Giants yesterday. The Indians were downed seven-seven, by taking an 8-6 decision. Feller also smacked a triple off Giants rookie Cliff Melton. The two teams meet in their 18th game today. Yesterday Feller pitched on Tuesday. He has a record of 1-0 in 17 innings of mound duty.

F. E. BELLOWS NINE SHAPING UP NICELY, COACH INDICATES

O'Neill Pleased At Clouting Corp.—Tiger Practice Is Curtailed By Rain

Before the rain got at them yesterday, the Indians were indulged in a general workout yesterday at Florence Park Field, and at the end of the session Coach Charles O'Neill announced that the same procedure would hold true today and tomorrow, with maybe a practice game thrown in. The coach feels his charges are rounding nicely into shape for their first club of the season, with Mamaroneck on Tuesday. He believes that Ed Zelinka will tame the Tigers from the mound, and that he also carries in the form of two side of brothers, the Humphrey twins, and the Rangers, not to forget Pat Dunn, who assumes the Orange and Black mound corps in substituted fashion.

RACING OPENS AT JAMAICA TODAY

NEW YORK, April 15 (AP)—H. Louchheim's Pompano, one of the three leading choices for the Kentucky Derby, makes his three-year-old debut today against nine high-class rivals in the \$7,500 Mamaroneck Handicap, feature of New York 1937 seasonal racing now in progress. Although the son of Pungsey already rates high on his 1636 showing, the six furlongs of the Pompano should furnish additional data on the colt's chances in the \$50,000 Derby. The race is expected to develop into a three-horse affair with Earl Field's Thralgal and the Winstley Stud's Scarb, holder of the world record for six and a half furlongs, battling with Pompano.

Underdogs Win In 2-Man Bowling Tourney Aided By Handicap Advantage

Local Champs To Represent Home Town At County Center Saturday

Local boys club champions have been named in the event to compete in the Westchester eliminations at County Center on Saturday. Town Recreation Council has asked for volunteers to transport Mamaroneck entrants to the County Center. Persons interested may communicate with Executive Director Frank C. O'Connell, telephone Mamaroneck 1500.

BOYS CLUB TITLE WINNERS NAMED

Three hard-fought matches in the Two-Man Bowling Tournament at the Larchmont Recreation alleys last night resulted in three victors for the underdogs—those having the handicap advantage. Claude Madala and Charlie Wein took the first game from Johnny Duckanolo and Joe Masto, but lost the second and third strings despite their higher total pinfall. Wein annexed both high single honors with 192 and high three string honors with 508. Masto took a single of 180, while Duckanolo hit 221 for three strings. Wein, Madala and Mike Bawer wrestled two out of three games from Ohio Conte and Art Chapman, both teams having the same total pinfall. Chapman hit 234 for total pinfall, Chapman hit 234 for high single and 522 for high three string, while Conte, on his heels with a triple total of 520, finished with a single of 183 for the victory. Conte was first by his partner for a three string total of 473. This is the highest score recorded in the last match of the evening with Jim Caroy, Bob Miller and Tony Sapetto all totaling 463, while Vank Lewis was two pin better. Lewis and Sapetto took two out of three from Caroy and Miller, the last game by a spin margin. Sapetto's 183 was the high single, while Caroy hit 185.

RYE NECK BOYS CLUB

The following members of the club will represent Rye Neck at the County Center: Source Ball: Frank and Ryan. Carroon: Shales, Earl, Malin, owing, Morpoe. Ping Pong: Ryan, Westcott, C. G. Carroon, Anderson, Stinson, Wharton. Checkers: Anderson, Mudson, Galski, Galski. Free Throw: Guglielmo, Landry, McTride, Cole, Wharton. Tomorrow night at 8:15 a five-reel movie featuring Wallace Berry will be shown on the club screen.

APOSTOLIS TOWNS HIGHT

NEW YORK, April 15 (AP)—The betting bellhop, Fred Appagall, was on the trail of middleweight champion Freddy Stoeck, today. Fresh from stopping stinging Solly Korgee of New York in five rounds at the Hippodrome last night, the San Francisco brawler loomed large as a challenger for Steele in a title match outdoors this summer.

Collegiate Fencers Will Clash Again

YONKERS, April 15.—The Westchester Collegiate Fencing Association of White Plains will return the Yonkers Collegiate fencers in a return match tomorrow afternoon at the Jewish Community Center, here.

Rudolph Eliminated From Cue Tourney

NEW YORK, April 15 (AP)—The "great killer" of the world's pocket-billiard championship, Rudolph, was eliminated from the tournament here today. Rudolph, who has won 10 titles, was defeated by Jim Caray, first with six victories and two defeats, and Ralph Greenleaf and Andrew Potts, the latter a debut for second with one and three victories, in a mighty duel. Tuesday Rudolph beat Greenleaf, losing the New York title in the first round. He was defeated in the second place, and yesterday he trimmed Potts 208 to 77, in 14 innings, a defeat which cost the latter a debut for second place, for later in the evening Caray, the defending champion, dropped a close one to Detroit Larry O. So that leaves a big question mark in at least four positions with the opening game only several days away. To be sure all the box in new positions may come through roly-poly in practice and scrub games, but their worth will get the acid test—for the most part—on Monday.

HOPE FOR THE BEST IN OPENING GAME

With all the last-minute hoop-runs in reorganizing some of the best hope, Coach Martz can only hope for the best. The local face watch with more than passing interest just how the assignments will work out this week. The match will probably lead with his ace, 'Lefty' Murray, on the mound, and thus put his best foot forward in the opening game. But should Murray fail, Will Talgo will be called upon to assume the role in effective fashion? That can be answered only when the occasion arises. Talgo has looked good, twirling them in practice here. So have Ed Muller, first, and Jimmy Lombardi, all the best, but he is tested under variety fire. From last year Martz knows what Talgo can do behind the bat. Martz' Boscher at second, Alvy Greenleaf at short, Jennings in center field, and Murray on the hill. At present, question marks still fill the other spots if that lineup holds.

Talking It Over WITH BOB FORBES

WHAT CAN COACH MARTZ PULL OUT OF THE HAT? Coach Bill Martz has had to do some fast changing on the Tiger high baseball scene in the past few days, and whether his slight-of-hand tricks in an effort to pull a certain name out of the hat will amaze his audience will be borne out in part one Monday afternoon, 8:30 P. M., in Greenwich, Conn. For on that day Martz will be selected to open the 1937 season against Greenwich High, which always puts on a strong front, and guns in particular for early season victories by early season training—something like follows.

BIG QUESTION MARK IN FOUR POSITIONS

First off, Jack Ehret, the ace slapper, is ruled out because of studies. Then that fast veteran outfielder Benny DePietro is listed on the sick docket. Previous to that Harold Pitts went over to the 'noisy' as he transferred to Bellows, where he is now in a prime position to give comfort and aid to Rye Neck High in the vicinity of second base. All of this upsetting tangle causes the Mamaroneck mentor to pull the trest and throw Talgo from behind the batter, and slot him as No. 2 hurler to Johnny Murray; and then pull in the diminutive Ed Muller to act as catcher when Roy is on the mound. On top of that somebody must replace Ryan in the outer gardens. Martz has two worries there, for Harold Jennings is the only sure thing.

Essex Country Club Chosen As Trial Site For National Open

The Metropolitan Golf Association has selected the Essex Country Club at West Orange, N. J., as the site for the Metropolitan Golf Association's national qualifying tourney for the National Open. Smith's Championship. The qualifying test, at 36 holes, will be held Monday, according to an announcement by Max H. Kowalski, chairman of the M. G. A.'s tournament committee.

SAWPITERS BLANK ROTARY BOWLERS

Billy May Rolls High Single Of 242 As Mamaroneck Keglers Bow To Port Kestler

Port Kestler's Rotary Club bowlers trimmed the Mamaroneck rollers this week at the St. Thomas alleys, blanking the local club by 3-0 in a service league match. Billy May of the local force, who shot a 242 in the first, Munson did best for the visitors with a 206. May also compiled high three game tally with a 284, while Munson did best in this respect, for the Sawpit rollers, fashioning a total pin fall the locals accumulated, 254-226. The visitors captured the first game, 81-87, then swamped the Home Town outfit by 62-49 in the second, and edged out the losers by 73-71 in the scores.

8 WIN RING TITLES

BOYS CLUB NOTES

LARCHMONT BOYS TEAM PLACES FOURTH

The Larchmont Boys' Center captured fourth place in team standings at the county recreation commission's Westchester championship Saturday at the County Center, White Plains.

Gene Crowley, competing among a large group of county entrants, captured the foul shooting tourney in the Light Junior group. Dan Moran annexed third place in this event.

Jack McConnell stepped a third in the Midget narrow event, while Joe Cullen got a third in the Midget broad ball. Ed Crowley was the other Larchmont entrant to gain a place, as he grabbed fourth in the Junior foul shooting contest.

Officers entered from Larchmont were Ernest Grube, Larry Connerford, Harold Mills and Irving Bernam.

On the General Committee of directors from Rye Neck were Mike Sullivan, Gustave Eppie, Henry Swenk, and Arthur Cross. Andy Pinesman represented Larchmont.

Anthony Palmer of Mamaroneck had charge of the houses ball tourney, while Sam Hallow of Rye Neck and Lester Favrot of the township held sway over the 30 second test.

MAMARONECK BOYS SCORE

In the Midget boys ball contest at County Center Saturday William Greto became Westchester champ by halting Joe Cullen in the final, 33-27. Frank Gronda placed third.

Tom Delatta, in the Light Junior ping pong, gained third place. Don Greto annexed eighth place in the free throw contest for Light Juniors.

SHELLS TO SPEAK

Local Pinmen Finish At ABC Tourney; Injuries Rule Against Gilroy Grosso

Township bowling teams entered in the American Bowling Congress tourney this week will have their final chance to splurge for honors in the big event.

From the entrance of the Larchmont Lions and Morticians tomorrow to the close of the tournament events for Home Town 20, Thursday, local bowlers will be gunning for a share of the prize money. After that Mamaroneck and Larchmont will send no more entrants to New York.

One pessimistic note crept in on the local scene today with the revelation of injuries to two star pinmen.

An injury to Jack Gilroy, Town police officer, is expected to prevent him from competing as scheduled in the annual championship tournament of the American Bowling Congress at the 22nd Coast Artillery Army in New York City tomorrow and Thursday.

Gilroy suffered a sprained ankle recently. His injury is considered sufficiently serious that Officers Tom Fallace, his partner in the doubles event at 10 A. M. Thursday, has arranged for a light workout after indulging in a racket, Mamaroneck singles champion, to substitute for Jack in what was expected to be a 100 percent police doubles team.

Coach Ed Storey's track charges were set for their first meet of the season today after indulging in a light workout at the Mamaroneck High center paths.

The Tiger trackmen open up tomorrow at 3:30 P. M. against Greenburgh at the Mamaroneck track on Havermyer Field. This will mark the second time in two days that the school has clashed on the diamond squares in night meets.

In time trials last week the Schoolmen displayed strength in the mile, the 400 and the 200 yard hurdles, vaulting, and high jumping. Each has displayed remarkable form to date, and each has won the county title in the past.

RUSSELL WINS 2 IN PIN SINGLES

Whinner Russell was a two-time winner as the tourney to decide the town singles bowling championship night at the St. Thomas alley.

Tommy stopped Bill Rickert, defending champ, by 2-1, and then blunked out Potts. Bill Rickert followed Potts, Potts blunked out Potts, and Fallace stopped Potts. Each has displayed remarkable form to date, and each has won the county title in the past.

Table with 3 columns: Name, Pins, Wins. Lists scores for Potts, Rickert, Fallace, Russell, and Potts.

County Lions Bow To Schenectady; State Play Listed

Crack bowlers representing the Schenectady County Lions blunted a picked Westchester-Putnam team in Poughkeepsie yesterday by 2-0.

At a dinner following the clash District Coach George Ester appointed Hugh Karka of New Rochelle to organize the Schenectady Lions bowling tourney for next fall. To run much in the same manner as the ABC tour.

Bellows Track Team Opens Wednesday In Three-Day Meet Here

Coach Lloyd McGee's track team of Bellows High, primed after several weeks of intensive training, opens up Wednesday in a three-day meet with the Alexander Hamilton High of Elmford, and Greenburgh High.

The meet is scheduled for 3:30 P. M. at Rye Neck High track, off Florence.

The Rye Neck center paths are being groomed and the Bellows men feel confident that he has a strong aggregation to pit against the visitors.

SCARLETT'S WIN

NEW YORK, April 19.—The Mount Vernon skis, playing their second game of an exhibition tour, lost to the Farmers, crack country baseball team, at Long Island, at the Farmers' Oval, 6 to 3 yesterday. Eddie Grasso and Mory captured most of the day for the Westchesterites and allowed 11 hits.

Biltmore HARRISON, N. Y. TEL. 946-1119 TODAY and TOMORROW "WITH FRIENDS OF LONDON"

CLASS B DINGHIES TRIUMPH EASILY IN TEAM RACING

Campbell Leads Victors As Froshbite Season Ends At Larchmont

For the second day in succession the Class B one-design skippers piled up an overwhelming lead over the Class X boats at the Larchmont Yacht Club yesterday, to clinch class honors. In yesterday's session, which completed the froshbite season for dinghy sailing, the Class B craft ran up 120 points to 116, and made a total standing of 331 to 197.

Frank Campbell, in his Felix was the leader, winning three out of four races, as he did Saturday, with his Sheolander. He had 45 points.

The match concluded, the final being arranged for sail boat took three out of five contests. Dick Hill, sailing Henry HAY's Wov, led in Class X with 91 points to 86 for E. C. Turney in Sheolander.

TIGER TRACKMEN OPEN TOMORROW

Salis, Umhey To Lead Mamaroneck Team At Greenwich High Oval

Coach Ed Storey's track charges were set for their first meet of the season today after indulging in a light workout at the Mamaroneck High center paths.

The Tiger trackmen open up tomorrow at 3:30 P. M. against Greenburgh at the Mamaroneck track on Havermyer Field. This will mark the second time in two days that the school has clashed on the diamond squares in night meets.

Talking It Over WITH BOB FORBES

DELIBERATE CONDITIONING IS COACH O'NEILL'S IDEA

Coach Charles O'Neill, in his first year as a diamond mentor of the Bellows club, has been slowly rounding his boys into shape over a longer period than most local high schools. No fanfare has attended the night training course for conditioning and sharpening through which he has paced the diamond men.

Through it all he has gotten a good line on the ability of his candidates, and plugged up the doubtful spots after much consideration. This meant the outfield, mostly. Slowly and deliberately O'Neill seems to be fashioning a good ball club at Florence Park Field.

Just what his worthies will do against the Marcetmen tomorrow will be decided tomorrow. Such veterans as George Humphrey beat Bob Hill, and Ed Lusk, at first, Harold Pitz at second, Joe Humphrey at third, not to mention Eddie Zelinka on the hill, will do the bolstering, if any is needed.

TRAINING METHODS FORM CONTRAST

To date the Rye Neck nine hasn't indulged in any outside practice sprints to speak of, and has kept itself closely within the confines of Florence Park. On the other hand Mamaroneck has had two lively games, with Harrison and Rye, topping each, and today's fray will serve as a further sharpening.

The question is, then, can the Orange and Black, with its shorter and more concentrated training season with outside teams surpass the efforts of a club that has come along slowly, and apparently surely and powerfully, strictly within its own training ground?

Leaving aside the innate abilities of the players themselves, the greater number of candidates from which the Tigers could draw, coaching, and other relevant factors, it will be an interesting experiment tomorrow to compare the nines solely on the effects of their training methods.

THREE SHOT SHOTS

Chief Canamove former Tiger athlete and brother to the present captain of the high school wrestling team, is carrying on at Principia College in St. Louis. A frosh at that institution, "Chack" is developing rapidly there as a wrestler and football player, his father reports after meeting him in Chicago during Spring vacation.

It looks as though a proposed speed table tennis tourney, to be sponsored by The Daily Times within the next several weeks, may go through. If it does, it will be limited to township residents who have never won a title.

A postcard home to brother Roy, from Harry Tago, tells that the local hurling ace is taking light workouts with the Hazelton, Pa., nine these days.

BYRAM LAKE COUNTRY CLUB OPENING SATURDAY, APRIL 24th FULL SEASON TICKETS \$35 to \$90

Zelinka, Murray To Vie On Mound In Big Local Diamond Tilt Tomorrow

Bellows Is Confident In Open Against Mamaroneck High Baseball Team

John Mauger of Larchmont, former Tiger high athlete, struck the junior crew of the University of Pennsylvania which won the annual Pennman Bowl race on the Schuylkill River near Philadelphia, Saturday. Mauger is the varsity strobe, having recently been promoted.

Four Pennsylvania crews started, with the juniors beating the sophomore by half a length. The juniors covered the Henley distance of a mile and five-sixteenths in 8:38.

Hoyt, Endt Sail In Bermuda, Win

Sherman Hoyt and Ducky Endt of Larchmont were the crew for High Cunningham Saturday when he sailed his new American sloop, the meter yacht Lyla to win the King Edward VI Challenge Cup match race at Hamilton, Bermuda.

Mr. Hoyt, who had won the Cup many years ago in international competition, had donated it for the present series. Briggs defeated Edson H. and Kenneth Trimmingham's Sea the Bermuda entry, by 21 seconds, over a nine mile course.

Despite the fact that the Mamaroneck baseballers will have had one game under their belts following today's battle at Greenwich, Coach Charles O'Neill charges went through a light workout today at Florence Park field in a more than confident mood.

On an opening week on the part of both teams it will find a tough schedule. After tomorrow's game Bellows must face Eastchester High at Harbor Island diamond on Thursday afternoon, while the Marcetmen open their WAAA league schedule here Saturday against the powerful New Rochelle nine.

The O'Neillmen are confident because they have been tuning up hard and well of late at Florence Park; their practice sessions started two weeks before those of Mamaroneck. On top of that they face the superior hurling of Joe Santora, Friday, and finally got to be.

One interesting sidelight of tomorrow's tilt will find two pairs of brothers on the Rye Neck nine. The Humphrey twins, and George Humphrey in catching, while Joe is slated to hold down the hot corner. Duado "Hody" Ringiero, reserve pitcher, will be in left field, while brother Claudio is destined for right field.

GIANTS AT WEST POINT

The New York Giants clash with the U. S. Military Academy here today, 2:30 P. M., at West Point, Amsterdam in Eve.

BASEBALL

GREAT YEAR FOR SPORTS

With the Big League season getting under way and a hundred and one other sporting programs shaping up, it takes no prophet to predict that this is going to be a great year for sports...

There can be no question that this is becoming more and more a sporting nation. There is nothing in the category of sports which we have overlooked...

It may seem foolish to some that we are a nation which literally goes baseball crazy in April each year...

It was had enough when New York City grabbed off practically all available waterfront properties in this county...

It was not until the late 1920's that the community affected by the right to tax was more than adding insult to injury...

Earlier this month there was a short-lived attempt by attorneys of Westchester to prepare legislation which would enable the sixth judicial district, including Westchester...

Another factor was the option held by many citizens that relief from congested Supreme Court calendars may be along reform of legal procedure without actual need of imposing additional tax burdens upon the judicial district...

Whatever may have been the cause, the movement to cut down the growing court calendar is certainly postponed for at least one year...

is no occasion for anyone to be referred to as a poorly read person. There are books galore and the best of them can be read for the asking...

ANOTHER "GRAB" BILL

Along about this time of the legislative session in Albany there comes each year a bill which should it become law would deprive Westchester County of substantial tax revenues...

The 1937 bill is introduced by Senator Murray of New York City and would, in the opinion of Assemblyman Gamble of this county, "affect very materially the assessment of New York City aqueduct property in Westchester County."

At this point the aqueducts themselves are exempted from taxes. This new bill would amend the law to define the term "aqueduct" as meaning the following:

"All inlet channels, pressure aqueducts, gate houses, dividing valves, discharge channels, gate chambers, screen chambers, aeration tanks, special aqueducts, pumps and piping houses, air chambers, blowoffs, siphon chambers and all other integral parts of an aqueduct, including the lands occupied by them."

This phrase "all other integral parts of an aqueduct" is particularly susceptible to expansive court interpretation, which might and probably would deprive many towns of this county of revenues now used to cover school expenses and other natural obligations of the town to its inhabitants.

It was had enough when New York City grabbed off practically all available waterfront properties in this county. To deprive the communities affected of the right to tax is worse than adding insult to injury. It is doubling the injury and widening the wound.

FALLING BEHIND

Earlier this month there was a short-lived attempt by attorneys of Westchester to prepare legislation which would enable the sixth judicial district, including Westchester, to have two more Supreme Court Justices. The attempt failed because of various factors.

One such factor was political. There was the rumor that the new bill could be passed at Albany unless there was a gentlemen's agreement that one of the two new judges should be a Republican and the other a Democrat.

Another factor was the option held by many citizens that relief from congested Supreme Court calendars may be along reform of legal procedure without actual need of imposing additional tax burdens upon the judicial district.

Whatever may have been the cause, the movement to cut down the growing court calendar is certainly postponed for at least one year.

"TAILS"

THE COUNSELOR

This column is an informal medium for the exchange of information and advice among members of the community. It is intended to be a place where people can get help and give it.

We have been asked if we could try to get some household equipment for a boy's club. There are 40 boys in the club but they have only one set of tools and they need a lot more.

I would like to see the application for a position of the New York State Police and I would like to know what I should do to get this position.

Recently, many of our readers inquire about questions of the law. We will try to answer them as best we can.

HEPBURN MIDST STYLE CREATIONS

Katherine Hepburn is seen in the center as Phoebe Throssel, the heroine of Sir James M. Barrie's "Quality Street," which comes to the RKO Proctor's tomorrow. Around her are grouped four of the sketches by Walter Plunkett, noted New York stylist, of costume creations which he designed for this elaborately presented production.

MOVIES FAITHFUL TO SHAKESPEARE

Screen's Dialogue Adheres To Original Work, Word For Word

"Romeo and Juliet" is presented on the screen word for word and line by line as Shakespeare wrote it. "It was Irving G. Thalberg's wish that the classic be given to the motion picture audience in its purest form with absolute fidelity to Shakespeare," said Talbot Jennings.

MORTICIANS ROLL INTO PRIZE MONEY OF ABC TOURNEY

Substitutions Fail To Hamper Booster Efforts; Mullin Is Lions' High Pianam

By ART CHAPMAN Injuries, sickness and the necessity for substitutions failed to prevent the Larchmont Morticians from bowing into the ranks of money winners at the American Bowling Congress in New York City last night. Bowing with the Knights of Columbus squad on the 10 P. M. shift at 2020th Coast Artillery Armory, the Morticians rolled up a total pinfall of 2588 for the triple total of 594. Mullin was the high scorer in the opening game and hit 194 in the finale for the triple total of 594.

Bellows '9' Opens At Home Field Tomorrow

Bellows High school baseball team, in its second encounter of the season, opens up on its home diamond, Harbor Island, tomorrow at 3:30 P. M. The Rye Neck nine will take on Eastchester High, which will be the latter club's first game of the season. Coach Charles O'Neill expects considerably less trouble from tomorrow's visitors than that which Mamaroneck gave Bellows yesterday.

De Ruzza Drops Close 8-Round Bout To Venturi

JERSEY CITY, N. J., April 21.—Pete De Ruzza, Mamaroneck, N. Y., lightweight, dropped a close decision to Enrico Venturi, Italian contender, in an eight-round feature, here last night.

Venturi, one of the cleverest fighters in his ring today, was expected throughout the bout by Pete, who put on one of the best fights in his career. Venturi weighed 133 and De Ruzza 136.

The Mamaroneck pugilist had been working out for the past few weeks with Walter Yank, leading White Plains lightweight, at the White Plains Y.M.C.A.

It was Pete's first start in several months. The Home Town fighter told The Daily Times today he emerged from the grueling bout last night "without a scratch." He has been booked to fight at the Bronx Coliseum Tuesday night against Johnny Murray in a six-round semi-final.

De Ruzza is the best recorded by a local team, with only The Daily Times No. 1 outfit, which bows at 9 P. M. this evening, having an opportunity to improve on the record.

The Mamaroneck Lions are now second in the standing of local teams. McDonough scored a second in the last team. All three teams are money winners and it is expected The Daily Times No. 2 team will also receive a prize.

The scores of the night were: Mamaroneck 28 2-3; Greenwiche 18-13; Larchmont 28 2-3; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06.

NEW YORK, April 21.—Yesterday was Little Gene Galliani, an unheralded and unassuming fighter, from Mount Vernon, who supplied the thrills at the American Bowling Congress.

The 35-year-old former barber bowled himself to the top of the heap in the singles when he amassed the grand total of 749, 20 pins ahead of Ernie Sargent of Santa Monica, Calif., who had been leading the pack since April 1.

Galliani, 74 equals the second best score in the history of title contests. He equals the second best score in the history of title contests. He equals the second best score in the history of title contests.

ABC ENTRANTS MEET Bowlers on The Daily Times No. 1 team which rolls tonight at the ABC will meet at 8 o'clock this evening in front of St. Thomas Rectory. Entrance fee, 50c. The team will leave promptly at 6:15.

WHITE PLAINS, April 21.—Marshall Blackstock of the Georgia Blackstock Bowling Club, who is still being used successfully in New Rochelle, this includes details on the use of the supposed \$5 entry fee. He will present the rules for consideration and probable adoption at the manager's party.

STOREY MEN LOSE TO GREENWICH IN TRICK MEET

MAMARONECK TEAM CAPTURES FOUR FIRSTS IN NINE EVENTS TO DROP OPENER

Although they captured four first places in nine events, and scored a clean sweep in the shot put, Mamaroneck High's track and field men were decisively beaten in their first meet of the year yesterday by Greenwich High, at the local track, the Nutmeg thins triumphed by 52 and 13, to 28 and 2-3 points.

Bowling stars, Bob Unbey, captain, and Walter Grabbe, who shot put honors in that order for the Tigers, with Salls, took the iron ball 42 feet 9 1/2 inches.

Don McDonough had things all his way in the mile as he led the pack from start to finish, winning in the good early season time of 4:06.

Mamaroneck's dark horse in the broad jump, Walter Grabbe, surprised to annex the event with a jump of 19 feet, 3 1/2 inches. Miller of the Orange took third.

Carl DeLong won the high jump as he leaped 5 feet 7 1/2 inches, 200 yards dash—Peck (G); Peck (G); Miller (M); time—2:04; 200 yards dash—Peck (G); Peck (G); Miller (M); time—2:04; 200 yards dash—Peck (G); Peck (G); Miller (M); time—2:04.

GREENWICH (18-13) MAMARONECK 28 2-3; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06; Peck 10; Miller 10; time-2-06.

Lombardo Scores Winning Run On Jennings' Single; Murray Chased Off Mound

TIGERS STOP RYE NECK '9' IN 8TH FRAME OF SEE-SAW TILT; ZELINKA FANS 11—HEXTER HURLS—HOFFMAN SLUGS

By BOB FORBES Dusk was settling over Mamaroneck High's diamond last evening as Harold Jennings pulled a single to the outfield, thereby scoring Jimmy "Shine" Lombardo from second, giving the Tigers an 11-10 victory over Bellows High in a ball game replete with see-saw play and miscues. The fracas went-eight innings, one more than regulation.

It was the second victory in two days for the Orange and Back, which saw Coach Charles O'Neill's charges drop their season opener, after they had apparently clinched it in the third inning.

In that frame Johnny Talty Murray, ace Tiger writer, completely lost control of the flinging situation, walked six batters, saw four errors committed, and was rapped for three singles, and hit a batter, before Coach Bill Morris waded him out in favor of Pete Hexter. Eleven men faced Murray in the inning.

From the fourth through the eighth, the slightly-built Hexter, wearing nine, performed competently enough, limiting the visiting nine to four singles, and five hits, one a double by Jimmy Pat Dunn, co-captain and shortstop. He struck out five, and issued three passes.

Edna Zelinka worked well for the leasers but scratch hits, plus weakening in the last two frames whereby the home club delivered losing blows, pertains against him. He went the full route, yielding 12 hits.

In the stricken-out, Zelinka performed best, sending 11 Marty Mann back to the bench before sharp outlays. He yielded but four walks.

Support behind the pitchers was poor as each nine bobbed up with seven official miscues, although none too heady work which provided several batters with credit for hits.

A contest got off to a shaky start in the first as Mamaroneck's (Continued on Page 10)

DODGERS, BLUE SOX VIE FOR HARBOR ISLAND DIAMOND

Park Board, Whitney Issue Application Order For Sunday Schedule

The Dodger A. C. and the Blue Sox, the only two applicants to date for the use of the Harbor Island diamond on Sunday afternoons, need work out a season schedule satisfactory to both, as well as the ruling of the Park Commission. This was what the Park Board, earlier this week, and Village Manager Raymond Whitney yesterday held representatives of the Dodger and Blue Sox. Members of a Dodger committee yesterday went into conference with the Village Manager, and the subject was an application of the Park Board.

"EVERYTHING FOR YOUR CAR"

First inning of the Mamaroneck High-Bellows High opens here Tuesday at the Tiger field. That's Joe Hammer, Bellows third baseman, being thrown out at first, with Willie Wright of the Blue Sox, Mamaroneck catcher, made the throw after one had doubled off Don't Bat, Mamaroneck, with 11-11, in eighth inning tonight.

Edna Jelske did commendably for the O'Neill force, although the official record shows he was touched for 12 hits. But that wasn't much to mention and wasn't anything to brag about as part of his record. Proof of that is in the podium; he struck out 11, and issued his four walks in eight innings of hectic ball.

OWNER FINED \$25 FOR DOG'S ATTACK

Court Lectures Man After Animal's Assault On 11-Year-Old Girl

A fine of \$25 or 25 days in jail was imposed by Police Justice Patrick J. Hughes last night on Joseph...

The little Thomas girl was still confined in United Hospital in Port Chester today, although her condition was reported improved and not serious.

You were fined \$10 in this court five or six months ago when that dog attacked a boy...

Beaton said that the boy in the other case had scratched himself in falling over a fence...

The woman the dog was without a muzzle when the attack on the little Thomas girl occurred.

Justice Hughes said that not only had the owner been warned by the other attacks of some months ago...

Beaton said he had raised the dog now about four years old and that he had signed a release so that the Society for the Prevention of Cruelty to Animals would not be...

Beaton was arrested at the hospital in Port Chester by Detectives Haseman, Glanville and O'Neil.

The girl was attacked in a field adjacent to the Boston house and lingered with another girl, Audrey Purdy...

LINDY, SUSPECT SOUGHT BY JERSEY

CLINTON, N. J., April 24 (UP)—Hunterson County authorities awarded additional information today before attempting to issue a warrant for the arrest of the mysterious "J. J. Faulkner"...

Prosecutor Anthony M. Haack announced that the warrant was issued for the arrest of "Faulkner" with conspiring to kidnap Charles A. Wick.

Haack said the warrant was issued by Justice of the Peace Sumner of Fenwickton, N. J., on a complaint by J. J. McCallister, a private detective living in Jersey City.

Neither police nor Federal agents ever succeeded in locating "Faulkner."

TRANSIT STUDY GAINS SUPPORT

Senator John J. Danegans's proposal for a new commission to study transit facilities in the New York metropolitan area...

Senator James A. Frawley, Democrat, Tonawanda, said there should be a study to see if something cannot be done to coordinate transportation facilities into and out of our country.

BUILDING GAINS TOP PREDICTIONS

Increase Expected To Run Above 50 Percent If Boom Continues

NEW YORK, April 24 (AP)—With a continuation of the recent drastic rise in construction costs, the increase in residential building over the country is exceeding first-of-the-year predictions.

Builders and statisticians had predicted a 25 to 50 percent increase over 1936. If the boom continues, the increase will be well above 50 percent.

Reports to the F. W. Dodge Corporation, which compiles building data for the 37 states east of the Rocky Mountains, show residential construction of \$94,177,000 for March and \$231,570,000 for the first three months of 1937.

The Dodge Corporation totals for the corresponding period in 1936 were \$57,200,000 and \$173,825,000. The estimated totals for the entire nation are \$108,700,000 for March and \$256,300,000 for the first three months of 1937.

Know Your Merchants and Businessmen

Head of one of Mamaroneck's oldest establishments is the subject of today's "Know Your Merchant and Business Men Series."

The firm is R. G. Brewer, Inc., 49 East Boston Post Office, Mamaroneck.

Mr. Brewer is no stranger to Mamaroneck residents, having been born here where he has lived all his life and having been associated with Mamaroneck enterprises all during his business career.

The firm of R. G. Brewer, Inc. is 58 years old. It was founded in the year 1879 by R. G. Brewer, father of its present president.

During all these 58 years the business has occupied the same location and has specialized in serving the community with quality work.

Mr. Brewer has been a successful business man and has successfully weathered so called slumps and depressions. It has been able to do this because of its policy of ever keeping abreast of the times.

When electrical refrigerators became popular, the company installed a line of nationally famous makes including Westinghouse and Frigidaire, which they feature in consistent advertising in the newspapers.

Mr. Brewer has been a life long participant in all things affecting the welfare of Mamaroneck. He is treasurer of the Rye Neck School.

Stepie Jack Kay to Snap Photos From Dizzy Height

Stepie Jack Kay said that when clear weather comes next week, he will go over to the old World Building, which he invented 20 years ago, and hold himself up.

Then, after sporting about with harmonica and camera, he'll pail down the pole, and that, as he said, will be that.

GIRL'S INTRUSION
ROUTS BURGLAR

Thief Misses \$70 As Return Of Intended Victim Frightens Him

PORT CHESTER, April 24.—The unexpectedly early return of one of his intended victims scared a bold daylight burglar here as he was about to make off with \$70 in cash.

Miss Audrey Sammarco, daughter of Rye Town Comptroller Arthur G. Sammarco, a student at the Westchester Commercial School in New Rochelle and usually reaches home about 4 P. M. On Wednesday she came home at 2:30 P. M. and found the house key in the door and heard heavy footsteps upstairs.

When a call elicited no response, except that the footfalls ceased, she ran out to neighbors for help. The burglar had emptied all drawers in Comptroller Sammarco's bedroom except one. That one contained \$70 in cash.

High School Test
Shocks Instructor

NEW YORK, April 24 (AP)—Dr. Irving R. Malbo, of Teachers College, Columbia University, got some pretty rude shocks recently when he tested 4,700 California high school students to find out what they knew of social trends and issues.

His conclusion was that the system of teaching was all wrong. He fastened to add, too, that what he found out in California probably would hold good for the rest of the country.

In a word, the students of graduating classes in 38 high schools averaged only 47 out of a possible 100 on current events questions, which meant to mean that only one-half of them collectively knew what was going on in the world.

Merchant Fined \$10
For Sale Of Rifle

MOUNT VERNON, April 24.—The first conviction in a police drive to prevent the sale of air rifles to minors was obtained when Irving Kennedy, proprietor of a South Columbia Avenue store, was fined \$10 by City Judge Jacob A. Bernstein in Court of Special Sessions.

Chief Inspector Michael L. Silverstein said he would continue the drive to find the city of the rifle trade. He pointed out that a young girl narrowly escaped the loss of an eye recently when a pellet from an air gun struck her in the face.

A VERY DAINTY DISH

Fernand Gravel finds Joan Blomdell is "a very dainty dish" to play before a king in "The King and the Chess Girl," which is playing today and tomorrow at EKO Proctor's. Katherine Hepburn in "Quality Street" is on the same program.

THEY'RE IN HILARIOUS COMEDY

Joe E. Brown and Marian Marsh are starred in "When Your Birthday" the hilarious comedy in which Brown makes a weller of laughter in his starring role as a zealous astrologer, and Miss Marsh as his assistant, coming to the Playhouse. "The Great O'Malley," starring Pat O'Brien with Humphrey Bogart and Ann Sheridan is the associate feature on the same program.

Sullivan Relected
White Council Head

WHITE PLAINS, April 24.—Joseph V. Sullivan of Yonkers was relected yesterday as president of the Westchester County Motion Picture Council at the annual meeting held here at the White Plains High School.

Other officers relected at a meeting marked by the showing of some early motion pictures from the film library of the Museum of Modern Art were William A. Harrison, White Plains, second vice president; Mrs. Greta Ferguson, Elmford, third vice president; William J. Yates, Yonkers, treasurer; Mrs. Eugene White of Tarrytown will continue to act as executive secretary until September.

The pictures, shown yesterday through the courtesy of Mrs. John D. Rockefeller, Jr. included "The Great Train Robbery," made in 1903 by the Edison company; "The Last Card," with William S. Hart; and "The Covered Wagon." Allen Porter of the film library made explanatory remarks.

Three Leagues to Vie In Town Softball

Bill Gunn Grabs Closed Table Tennis Tournament By Stopping C. Edwards

Bill Gunn, seeded No. 1, is Mamaroneck's new tennis champion. The final of the tennis doubles was strictly a fraternal affair with the Gunn brothers, Bill and Bob, pairing to defeat Chuck and Bill Edwards, 2-1, 2-1, 2-1, 2-1, 2-1.

From the sensational viewpoint, the mixed doubles proved superior with Mr. and Mrs. Bill Christen, who won the final in five hard fought games, after dropping the first two.

The Christens overtook Mr. and Mrs. Bill Gunn in the final, 17-21, 18-21, 21-18, 21-18, 21-18. It was Bill Christen's tricky service ace that pulled the match out of the fire. Time and again he would fire at crucial moments. Mrs. Christen won the women's singles title the previous year.

In the semifinals of the mixed doubles the outstanding star of the meet was the fast footed little fellow, Bob Gunn and Winton Gronberg, 2-18, 17-21, 21-14.

Two other titles were decided, and with the Mamaroneck Ping Pong Club, the curtain fell on the local scene table tennis season.

World's First Speed Soup-Cooler Solves Tongue-Scalding Problem

Berlin Inventors Produce Portable, Electric-Powered, Steam-Lined Device Which Works Like An Air-Plane Propeller

WASHINGTON, April 24 (AP)—American inventors came off second best today in competition with Henry Hugo Ruppel and Eduard Probst of Berlin, Germany, producers of the world's first portable, ever-ready, never-fall, electric-powered, steam-lined, high-speed, steam-splash soup-cooler.

While everybody else was obtaining patents on such possible devices as pumps and throttles and planetary reduction gears, the Ruppel-Probst partnership was solving the problem of the tongue-scalded-by-atom-bombing problem.

Their solution is a little device, pocket-size, and good also for a lot of other things. It consists of a metal package, about the size of a small camera, containing electric heaters and machinery. Simply the switch on the side of it and blades on the other side begin to spin like an airplane propeller.

The result? A breeze in instant. Fanfold uses of this device, patented No. 2,077,643, include: 1. Panning favored hovers; 2. Dispersing cigarette ashes from wind-up-splashed davenport; 3. When the breeze falls to provide shadings; and the shadings longer and longer and—oops!—there is an accident, surreptitious work out of the Ruppel-Probst partnership, and out of the ashes are gone and everybody's cooling.

3. Chilling champagne. When the little darling insists on crawling all over uncle and getting her feet lapping on the neck, give it the Ruppel-Probst champagne and away from there it laddies, with hissed finger, tears, and an abiding knowledge that Uncle is no sleaz.

4. Chasing hungry knots. When riding a balloon at a hot Summer day and the little buzzer try to

chill in one hand, the Ruppel-Probst partnership is the only one that can be used without the need of a compressor.

5. Eating hamburger. This cheese is delicious; it's not the taste, but the odor that holds down the number of hamburger eaters. Properly manipulated, the Ruppel-Probst apparatus wafts away the smell and leaves the fat-free.

6. Cooling soup. Here is where the invention from the inner depths really pays dividends. It is especially valuable for soup, clam, onion, and soups of other carterian consumption. The Ruppel-Probst partnership is solving the problem of the tongue-scalded-by-atom-bombing problem.

7. Cooling soup. Here is where the invention from the inner depths really pays dividends. It is especially valuable for soup, clam, onion, and soups of other carterian consumption. The Ruppel-Probst partnership is solving the problem of the tongue-scalded-by-atom-bombing problem.

BELLOWS DOWNS HAMILTON EASILY IN TRACK DEBUT

Wharton, Rathbone Star For Rye Neck High Over Elmford Thimble

The local footracing spotlight beamed on the F. E. Bellows High School track meet yesterday as the Blue and Black pined up an overwhelming margin of one point, led by Alexander Hamilton of Elmford at Daniel Warren Field in the season's opener for both schools. The final score was 50-49.

The 200 yard race was the first in the broad jump, the 440, the 800 and the 1,000. Last year in the final meet of the season, Bellows fell before Elmford by a narrow margin of one point.

The Bellows team gathered six firsts and spread wide in the broad jump, the 440, the 800 and the 1,000. Last year in the final meet of the season, Bellows fell before Elmford by a narrow margin of one point.

Elmford's only consistent point getter and the outstanding star of the meet was the fast footed little fellow, Bob Gunn and Winton Gronberg, 2-18, 17-21, 21-14.

Two other titles were decided, and with the Mamaroneck Ping Pong Club, the curtain fell on the local scene table tennis season.

All Star Practice Set For Tomorrow

From conflicting reports it appears that the Blue Sox and the Mamaroneck All Stars will continue practice sessions tomorrow at Starvo Island, 7:30 P. M., thus leaving the lodgers as the absolute local herald team in the local field.

Frank Wygod has announced that he will take over the active field management of the All Stars, and has issued a call for town candidates to be put up for election by 2:30. The All Stars, with a reported large group of the Blue Sox, plus their first game Sunday, May 2. If the combined All Stars and Blue Sox can work out an agreement with the Dodgers, it appears that the two clubs will play the Fort Chester Dan Boston, Wygod and yesterday.

It was understood that Charley Gronberg and "Chubby" Leachman would issue statements over the radio. It is to just what part, it will, they will play with the All Stars this year. Each has been loathe to commit himself.

Elmford's only consistent point getter and the outstanding star of the meet was the fast footed little fellow, Bob Gunn and Winton Gronberg, 2-18, 17-21, 21-14.

Two other titles were decided, and with the Mamaroneck Ping Pong Club, the curtain fell on the local scene table tennis season.

World's First Speed Soup-Cooler Solves Tongue-Scalding Problem

YONKERS SCHOOLS WIN WIAA STARTS

Roosevelt Stops Davis 9-1; Corton Downs Davis 10-4

Two Yonkers schools inaugurated the 1937 WIAA baseball season with victories yesterday.

Roosevelt scored a 9 to 1 win over Davis of Mount Vernon at the latter's field, and Corton, playing on its home ground, slugged a 10 to 4 victory over Port Chester High.

Nick Cummaro, Roosevelt's pitcher, allowed the Dovesmen but three scratch hits, while his team hit for extra bases. The effort of Ed Leggett to score two runs brought in five more runs in the seventh inning on two hits, two singles and two bases on balls. Leggett, Roosevelt's firstacker, was the hottest pitcher of the day, getting three out of four.

Bob Stucky did the tuning for Corton and limited the Port Chester hitters to seven hits—all singles. While his opposing batters, Sanford and Dager, were more generous, permitting the Corton batters to draw nine hits. The latter scored three runs in the second and five in the second inning. Stucky got the game on three.

Today Yonkers High plays at Mamaroneck in their first WIAA contest.

McCarthy-Verny Duo Wins In Alley Play, Overcoming Handicap

The team of Vin McCarthy and Verry rolling against a 22 point handicap possessed by Mike Santillo and Don LaBrande, managed to capture two out of three games in the Tom Man Handicap Tourney last night at the Larchmont Recreation Center alley.

This was the only match in the corner and nine turnery two others having been postponed.

McCarthy 172 131 129
V. Verry 151 177 139
Handicap 32 32 32

McCarthy 385 340 300
V. Verry 335 181 182
McCarthy 211 168 186
V. Verry 340 349 377

Tiger Football Schedule Is Released

PLAINS '11' ADDED TO MAMARONECK'S WIAA GRID BATTLES

Local Also Face New Rochelle, Port Chester As League Schedule Is Released From 5 To 8

Mamaroneck High's football team will engage in a nine game schedule next Fall, starting within two weeks of each other the powerful White Plains and New Rochelle clubs. The Tigers close against the WIAA champs, Port Chester.

Arnold R. Mamaroneck, of Mamaroneck High, chairman of the WIAA football committee, today released the official schedule which lists nine regular games over next year.

Each club has been assigned an equal share in the WIAA. Mamaroneck will play White Plains, Port Chester, New Rochelle, and Westchester.

The Tigers open their season on September 20 against White Plains, in what is believed to be the first game of the season.

The game will be played at the Mamaroneck stadium, which is to be known as the Tiger Field.

On October 7, the Tigers will play White Plains at the home of the latter club. The game will be played at the home of the latter club.

ALCOHOL EFFECTS BASED ON SUGAR

Tolerance Of Highball Influenced By Insulin, Scientists Find

WASHINGTON, April 27 (AP)—The rate at which a person drinks alcohol is influenced by the amount of sugar in the blood.

The study was conducted by scientists at the University of California.

The results show that people with higher blood sugar levels can tolerate more alcohol.

The study was published in the journal "Science".

The findings have important implications for the treatment of alcoholism.

The study was conducted over a period of six months.

The results were statistically significant.

The study was funded by the National Institutes of Health.

The findings are consistent with previous research.

The study was well-designed and well-executed.

The results are of high scientific value.

The study is a contribution to the field of alcohol research.

LEGAL

SUPREME COURT, COUNTY

The Daily Times

Published Every Morning, Except on Days When Observed Holidays Occur... Telephone 2193-2191

OFFICIALS: A. ROSE MAY, J. H. LIPKOP, WILLIAM L. FARKING... WEDNESDAY, APRIL 28, 1937

MEMBER OF THE ASSOCIATED PRESS... THREE-YEAR DRIVING LICENSES?

THREE-YEAR DRIVING LICENSES?

Automobile drivers in the county, as elsewhere throughout this state, may be delayed in receiving their application blanks for new driving licenses, the automobile bureau in White Plains advises.

The bureau has the envelopes addressed in which to send out the blanks but has as yet not received the blanks from Albany. The reason is that pending legislation, which may or may not alter the picture, requires the State Motor Vehicle Bureau to hold up these blanks until some definite date is reached.

In the past, it will be recalled, licenses for new drivers have been one dollar each, and renewals for drivers have been 50 cents each. One bill now pending proposes to reduce the fees for chauffeurs, which are much higher, and to make up this loss in revenues by a small increase in fees to ordinary drivers.

Under a law passed last year the State Motor Vehicle Commissioner now has the right to issue driving licenses for periods of not less than one year nor more than four years. It has said recently being understood that this year new licenses issued would be for three years, the fee to be \$1.50 for that period.

There would be, under this new arrangement, some saving of inconvenience to the motorist, who would not have to apply again for renewal for three years, along the line followed by Connecticut where license plates for the car are issued for three-year periods, only the renewal of the "tag" being changed annually on the plates.

Further, under the system of writing in traffic violations on driving licenses, a three-year license may make it possible to show a better picture of the driver's conduct than does a one-year license. One thing should be remembered, however, if this three-year license system is adopted, the fees are for three years not for one, and should be spread over three years in revenue. Collection of the fees three years in advance for no reason gives the state the right to lump them into one year's revenue and then in the succeeding two years ask for additional revenues from other sources.

BEFORE THE GOVERNOR

Having successively passed by unanimous vote in each case the Westchester County Board of Supervisors, the state senate and assembly, the county government reform act is now on the desk of Governor Lehman, for his approval or disapproval.

THRILLS? O BOY O BOY!

For real radio comedy, even if unadmitted, the reader is referred to the pending court litigation between one Charles Locke, Cincinnati radio script writer, and one Floyd Gibbons, news commentator who needs little introduction.

Locke, it appears from his suit, provided Gibbons with a radio script describing flood conditions in the mid-west last January. Now he charges Gibbons distorted and dramatized what he had written "for the purpose of making melodramatic situations and falsely indicating that sensational happenings were taking place at the scene of the broadcast."

Specific complaints by Locke are: 1. That Gibbons said he was reading the script by the light of a railroad lantern when really he was reading "by the light of the usual and customary electric light furnished in the studio";

2. That Gibbons told his audience that he could hear the roar of the flood through Cincinnati streets when really "Gibbons produced the notes heard by the audience through sound effects in the studio";

3. That Gibbons said he was talking to a driver located approximately five miles away from New York when really the alleged driver was an actor standing beside Gibbons in the studio talking "through a loud call";

4. That Gibbons said telephone girls were answering "phone calls while asleep in water, when really the girls were in a building a mile from the flood waters.

Oh well, it sounded good, anyhow!

HALF A LOAF, ANYBODY

Assemblyman Gamble of Larchmont has introduced at Albany a bill which is said to enjoy support of Charles A. Barnet, State Commissioner of Motor Vehicle, and which ought to command the serious consideration of all persons interested in safety on the highways of this state.

The bill would amend existing highway traffic laws to provide that "second hand" motor vehicles cannot be registered when transferred unless there accompany the application a certificate of inspection, showing that not less than 10 days before the application the vehicle was fully inspected and found in safe condition.

The inspection would stress the condition of the brakes, lights and signaling devices and transfer of general title to certify that "the motor vehicle was in such condition and state of repair as to entitle it to be operated with safety upon the public highways of the state." Any person making false statements as to such inspection would be guilty of a misdemeanor.

So long as New York is without the compulsory inspection of motor vehicles at regular periods, as has been found so valuable in reduction of accidents in the neighboring state of Connecticut, this half-way inspection, covering "second hand" cars only, would seem to be a step in the right direction.

THAT EXTRA HOUR

Now that daylight saving is actually here the man individual will give some serious consideration as to what he is really going to do with that extra hour each afternoon.

For the youngsters there's little concern. They are going to have one more hour for baseball or swimming or other sports. All it means to them is that supper will be an hour later than heretofore, so the ride on the party will probably be a little earlier.

For the housewife it wouldn't be a bad thing if she can work in an hour's spare before beginning preparations for the evening meal. For the bread man of the home, if he isn't interested in sports, there's nothing better than some practical exercise with a hoe in the vegetable garden or a lawn mower or touching up the back fence with a bit of paint.

On second thought, maybe, all things considered, the best way is to spend that extra hour in just to sit in one's room and wonder for 60 minutes what one really ought to do about it. Or haven't you caught the spring fever yet?

CLEAN-UP TIME

Throughout Westchester during this month various municipalities are cooperating with house-holders and property-owners in the annual clean-up of premises. Residents are asked to go through attics and cellars, in garages and back yards, and pile at the curb bins the debris and refuse and abandoned household articles which somehow accumulate in even the best of families during a year.

The scheme is based on more than a desire for neatness. It is primarily aimed at ridding homes and yards of fire-hazards and therefore, if for no other reason, there should be full public cooperation with the authorities. A clean-up today may prevent a fire tomorrow.

MELODIC THEMES FEATURE MOVIE

'Mystique' Introduces New Opera Adapted From Tchaikovsky Symphony

The Russian composer, Tchaikovsky, long dead, took on new life recently in a studio sound stage, when a spectacular opera, composed by him (although in his lifetime he never dreamed of operatic composition) was unveiled before the spectators.

This was 'Mystique', a dramatic grand opera the music of which was actually taken from Tchaikovsky's Fifth Symphony. Herbert S. Brown, composer and conductor, arranged it and recorded it in an operatic style for Decca.

Mamaroneck High Track Team Rallies To Cut Down Port Chester

Bellows High Grid Schedule For 1937 Finds Bronxville, Greenburgh As New Rivals

Edison, Brooklyn Fresh Off List Released By Coach; Rye High Comes Here November 30

When the Bellows High gridder glances through their football schedule for next Fall they will find two new teams on their list, according to the roster released today by Coach Lloyd McGee.

Bronxville High will take the place of Edison Tech of Mount Vernon, while Greenburgh High has been booked to replace the Brooklyn College Fresh eleven.

The other opponents remain the same: Nassau Eastchester, Mt. Kisco, Alexander Hamilton of Elmsford, Harrison and Rye High.

To date the local monitor has had two open dates on its schedule. According to the official release the opening date will be September 25 in a practice game against a school as yet undetermined. This will be done next week. The final date of the season, Nov. 30 has yet to be filed. The coach is negotiating with several schools.

On October 2 the Rye Neckers embark on its official schedule at Eastchester High. Bronxville will come here on October 16 in place of Edison. The latter team will be eliminated from the schedule at the owner's request so that it might arrange to meet A. B. Davis Greenburgh will show up here on November 3. To date four games have been booked at home and three away.

Bellows' deadly rivals, Rye High will come to the local field on November 30. The latter team was coached by Ed Graber and Ernie Seola are co-captains of next year's Bellows. The 1937 Bellows line roster schedule follows:

September 25, practice; October 2, Eastchester, away; October 8, Mt. Kisco, away; October 16, Bronxville, here; October 23, Hamilton of Elmsford, away; October 30, Rye, here; November 3, Greenburgh here; November 14, Harrison, here; November 20, open.

MORTCHAISEN TO PLAY
The Larchmont Mortchaisen football team will play a New Rochelle team Sunday morning at 10 o'clock in City Park. The Mortchaisen won their first game of the season last Sunday. Against the Hugaburg club Carl Carpio, manager, will twist, while Al Spivack will catch.

Sofball Deadline Set For Tonight; Entries Slow

Entries in the Town Softball League "are very slow," with the deadline set for tonight.

Other fields being sought are the Municipal, acting supervisor of Recreation, said late this morning. Eddie Conway, his assistant, has been trying to open up the tarts entry in the Open League and Industrial League in a last minute drive.

Four teams are being sought for play this season. First Park in Larchmont has been assured. Alexander Hamilton of Elmsford, Harrison and Rye High, are at Central School, Mamaroneck High, and Harbor Island.

SOFTBALL PARLEY HELD IN COUNTY

'Climic' For Game Is Stated For County Center On May 5

WHITE PLAINS, April 30.—Registration executives from various parts of the county met in the offices of the Westchester County Recreation Commission in White Plains this week to discuss the trends in the game of softball, and to listen to a talk given by Henry How, vice-president of the Amateur Softball Association of America and Eastern States Commission for that organization. His talk centered on the recent developments of the game from the national standpoint.

Mr. How, who in addition to his duties as a national official commissioner and a Y. M. C. A. athletic director in Westport, Conn., is coach of the Westport All-Star softball team, New England softball champions, was accompanied by his star pitcher, Tommy Ball, who demonstrated a few of the pitching stances commonly used in softball.

Because of the interest and enthusiasm shown by the recreation group, the athletic department of the County Recreation Commission has decided to hold a "Softball Clinic" at the County Center in White Plains on Wednesday evening, May 5, starting at 8 o'clock. At this forum some of the nation's leading softball players will be present to give talks on the various pitching styles used by top-notch pitchers in the game today.

CHAPMAN FORGES TO HIGH AVERAGE Rod and Gun

By FRED KINSTNER

Takes Top Run From Verry With 187 Medium In Largest Doubles Tourney

Crashing the big pins for singles of 207, 191 and 222, Art Chapman totaled 620 in the handicap doubles tournament at the Larchmont Recreation Center last night to take over the high average in the league from Bill Verry, who had held it since the tourney started. Chapman's triple total was nine short of Verry's high of 629 but nevertheless gave him the high average of 37, while Verry took second place with 185.

Chapman and Chick Conroy were unable to overcome a 46-pin handicap, however, and dropped two out of three games to Mike De Santis and Don La Brande. The latter duo bowled well to win the first and second outings by substantial margins. The Santis was high for the team with singles of 181 and 185 and a total of 326.

Bowling even on handicaps, "Doc" Burton and Roy Berggren won two out of three from Carriero and Tommy Hogan. Burton bowled his average with a single of 208, including a six-timer and a triple total of 573. Hogan was high for the boys with 235 for three strikes.

Despite a higher total pinfall, Don Iselleo and Louis Bufalino took two out of three from De Santis and Don La Brande. The winners had no difficulty in the first round, needed their eighth-pin in the second, and their third game, Iselleo earned match honors with 231 for three strikes. His partner, Buono, hitting the high total of 191, the scores:

Chapman	187	175	164	426
Hogan	185	182	157	524
De Santis	181	185	160	526
La Brande	173	193	133	499
Handicaps	40	40	12	92
Total	387	375	323	1085

De Santis	181	185	160	526
La Brande	173	193	133	499
Handicaps	40	40	12	92
Total	387	375	323	1085

De Santis	181	185	160	526
La Brande	173	193	133	499
Handicaps	40	40	12	92
Total	387	375	323	1085

MAUGER TO STROKE PENN ON HARLEM

Larchmont, 12 Other County Residents To Vie In College Crew Races Tomorrow

By TOM HOCTOR

When the varsity, junior varsity, freshmen and high school crewmen line up for their respective races, Yale, Columbia and Pennsylvania in the competition for the Blackwell Cup on the Harlem tomorrow, 13 residents of Westchester and one from Greenwich, will be seated in the boats of the flotilla.

The Yale crew, an institution which never fostered rowing, will have three men in Columbia tomorrow in the varsity, at the No. 2 crew will be William Cook of Marzani, a sophomore, and at No. 3 will be Robert Martin, Jr., of Haines House. Maugis has his alma mater but who also a Yonkers resident.

In the 150-pound crew will be T. R. Rothwell at No. 4 and a Yonkers High graduate. The Columbia freshman crew will have two county residents pulling at the sweeps. No. 5 will be Charles Froehlich of New Rochelle and at the stroke oar will be John Ed Freund a graduate of Kent School, noted for its crew, and a resident of White Plains.

The Yale crew, the Columbia freshmen will be Robert S. D. Roy, of Irvington, a graduate of Irvington High. He will hold the No. 7 slide in the oar. Acting as alternate for the oar crew will be Alfred De Paase of Tarrytown.

The Yale crew, the Columbia freshmen will be Robert S. D. Roy, of Irvington, a graduate of Irvington High. He will hold the No. 7 slide in the oar. Acting as alternate for the oar crew will be Alfred De Paase of Tarrytown.

Even Rusty Galloway's Pennsylvania eight will have boys from Westchester with John S. Maugis of Larchmont striking the varsity and Louis F. Washburn, Jr., of Ossining, coxswain in the Jayes shell.

ROD AND GUN

A Weekly Column Devoted To The Interests Of Local Fishermen And Hunters

Although the success of the rod and gun fish anglers has been more of an up and down affair, there was one ray of hope for future catches reported to me by Henry B. John of New Rochelle, and a member of the Daniel Gray Fishing Club at Rye Lake, N. Y.

Henry saw a fellow member, Tom Powers, and a guest angler, return from the lake with a four-pound three-ounce rainbow trout and two lakens averaging about seven pounds each.

This is the first real news of any large fish being taken this season and it is a good omen. The lake was made on a trailing line in fairly deep water.

It might not be amiss at this point to remind readers that the Larchmont Fish and Game Association gives valuable prizes each year for the first, second and third largest fish taken. All of the various species are reported on the Yellow Fish and Game Association and one for non-members. One must register with the association.

Modern civilization, with its intensive use of outdoor areas and increase in transportation facilities has opened against the protection of these species, which are part of our natural heritage.

I might add that this is truly a national service to be given our country for its timely foresight.

Just a closing remark on the trials held last week at Bellows High. The trials ran off last Sunday saw a gallery surprised in numbers by several boys. Strange to relate the winner and winner was not of his in the afternoon, were dogs from New Jersey.

DODGERS GATHER AT ISLAND TONIGHT

The final organized practice session for the Dodgers before they face the reputedly powerful Elmhurst Grays here on Sunday will take place tonight at 8:30 at Island.

"Molly" Lanza and Nick Torre will loosen up their wings for the big opener by tossing them in to the batters. The infield men and try chasers will also get a stiff workout.

The session is slated to start at 8 o'clock and will show up as a single, workouts tomorrow, but as yet no organized session has been called.

Explaining the need for this regulation of the Forest Service, state-aid within natural forests, certain woods to be known as "wilderness" areas which are protected by the Forest Service, and even private land, should be known as "wilderness" areas.

Modern civilization, with its intensive use of outdoor areas and increase in transportation facilities has opened against the protection of these species, which are part of our natural heritage.

I might add that this is truly a national service to be given our country for its timely foresight.

TUCKAHEE FAILS TO MEET BELLOWS

Visitors Cancel Track Go; Iona Prep Is Booked For June 2

P. E. Bellows High of Rye Neck has all set to go against Tuckahee High yesterday at the Daniel Gray track when Coach Lloyd McGee received a telephone call telling him the visitors would be unable to show up.

According to Coach McGee the Tuckahee manager pleaded that his club had been practicing for but two days, with rain hindering the training.

The McGee team has booked one final meet, this to be with Iona Prep of New Rochelle, at the latter's field on June 2.

Coach McGee announced yesterday that the team would definitely enter the Westchester Relay at New Rochelle High on May 8. The local team will compete in Class B, putting an 80 yard and a mile relay teams in the field, as well as entering the pole vault and high jump. The junior high may send a relay team.

As a result for their wounded feelings when Tuckahee failed to show up, the McGee team will meet Port Chester High at the Daniel Gray track Tuesday afternoon at 4 o'clock. The meet was scheduled yesterday afternoon at the Mamaroneck track as Coach Perry's team was declared a forfeit on account of the storm.

A "practice" meet scheduled between the Hilltoppers and the Rye Neck squad for the same day was called off in favor of the Swamp visitors, and six seconds of their scheduled 30-minute meet. Fisher weighed 225 to Swank's 218.

At the Hamilton boat race on Long Neck, 221 wrestled George Lonihan, 225, Boston, for the full time before he was given the victory's decision. Jim Cortland of Philadelphia also had a battle of full time before gaining the nod over George McLeod, 210 of Toronto. Vanika Zelenski, 226, Boston, won a body press in five minutes and one second.

LUPO TO RECEIVE ABC MEDAL AWARD

League Season's High Individual Scorer To Get Prize Tomorrow As Headpin Tourney Opens

John Lupo, who knocked out a 268 for high single game during the recently completed tourney of the Daily Times Three Man Bowling League will receive the American Bowling Congress gold medal and job when the Headpin Tourney gets under way tomorrow night at the Larchmont Recreation Center.

The ABC has set the finest trophy in bowling, the "Three Man Bowler" trophy, and it will be presented to the winner of the Len Grossi will have charge of the Headpin Tourney which is the first of its kind ever held at the St. Thomas alley, Mamaroneck High School, on Sunday, May 1.

The final matches in the Town Bowling Singles are expected to be rolled by next week. Grossi, representing the Larchmont Recreation Center, is the defending champion. Lupo is the defending winner, and William Handell.

MURKILL YOLDS OYSTERS
MARSH ISLAND, Me. (AP)—When Charles Poland opened a mussel shell he discovered a beautiful blue stone inside. The stone has not yet been identified.

King Boris of Bulgaria, who proudly pushes a baby carriage through the streets of Sofia, the capital, has decided that only women who have had children will be eligible to vote in forthcoming elections.

BARBER, J. DUSEK BATTLE TO DRAW

Mazurki Suspended By State Solons Prior To Mat Bout At Plains Head

WHITE PLAINS, April 30.—Hank Barber of Cambridge, Mass., and Joe Dusek of Omaha, Neb., grappled to a draw in the feature bout of the 10th annual wrestling exhibition at the 102nd National Armory here last night.

Barber substituted for Mike Mazurki, who was suspended by the State Athletic Commission yesterday for rough tactics in a recent bout. Dusek, youngest member of the strolling troupe, showed much talent as any of his older brothers in all rounds of the weekly game, and several times was close to pinning the Massachusetts man, but Barber's skill in squirming out of holds saved him from defeat.

The bout was held on the account of the State curfew law and was declared a draw. Barber weighed 205 pounds and Dusek 222. In the semifinal round, Ed Fischer, of Brooklyn, outwrestled John Swartzki, tough Bostonian, to win by a body press in 15 minutes and six seconds of their scheduled 30-minute bout. Fisher weighed 225 to Swank's 218.

At the Hamilton boat race on Long Neck, 221 wrestled George Lonihan, 225, Boston, for the full time before he was given the victory's decision. Jim Cortland of Philadelphia also had a battle of full time before gaining the nod over George McLeod, 210 of Toronto. Vanika Zelenski, 226, Boston, won a body press in five minutes and one second.

ORANGE TRIUMPHS, 49-41, AS DELONG, KURZ CLINCH MEET

Later Rips 220; Macley, Ing-ham, Feldt, Umhey Capture Firsts For Stormeyan

By BOB FORBES

Batting Port Chester High in a nip and tuck battle, not to mention a time-cutting wind, Mamaroneck High's trackmen pulled out substantial, in the final event after holding but a one point lead, and defeated the Sawpiters, 49-41 at the Orange field yesterday afternoon.

But it wasn't until the visiting runners had thrown a real scare into the Stormeyan that Carl DeLong and Bill Kure came out onto the high jump to clinch the meet for the Tigers.

A warm wind under grey skies heralded the arrival of the visiting thirteens at the Mamaroneck field, and before the first three events were concluded, Port Chester held a two point lead. But after that it was in again, out again for the Home Towners as they tried to outrun, out-toss and out-thrust the team which had previously lost three meets this season.

DeLong's winning jump was five feet, five inches and one-quarter, followed by Kurz.

But it was the powerfully built and bespectacled Kurz—a master in the Winter season—who staged the greatest individual feat of the afternoon as he won the 220 yard dash benefiting after he bucked a strong wind in the hour stretch. In the time of 23.8 second, Kurz was trailed by Al Feldt, a newcomer, who kept his head bobbing up and down as he pulled mightily in the final few yards to nip Covello of the Port at the tape for second.

To show that he had the start Fox broke further into the ranks of Hilltop track across for the season as he annexed the broad jump (Continued on Page Fifteen)

They had to rig a derrick to hoist Old Erik.

The hardy Norseman never retreated in battle or at banquet board. . . Modern men prefer lighter foods, and when they drink, choose a light whiskey

WHAT a break for Erik to have such faithful thames! They always took good care of him . . . even if it took a derrick to get the over-stuffed warrior out of his seat after a feast. Modern men live differently. Lighter foods appeal to him, and when he drinks, instead of the heavy drinks of the past, he chooses a light, modern whiskey . . . IRISH AMERICAN. For this fine whiskey was especially developed for modern tastes.

Combining the round, robust tang of imported pot still whiskey with a specially distilled American whiskey, IRISH AMERICAN has a distinctive, satisfying flavor. It is delicious as a straight drink, as well as a perfect mixer in highballs and cocktails.

The best way to know why IRISH AMERICAN is so well liked everywhere is to get acquainted with it yourself. You'll find it at most places where good liquors are sold, and its modest price will surprise you!
