

Quartet of Prominent Larchmont Men Forms Baseball League For Juniors

A prominent quartet of Larchmont citizens has formed a Junior Baseball League in that town with games on Saturday at Flint Park, it was announced today.

EDWARD F. WATSON

Former Mayor Edward F. Watson, Police Chief William Kervey of Larchmont, Police Chief Paul Tenth of Town of Mamaroneck and Dr. William E. Mink, chairman of the Town Recreation Council are sponsors of the league.

Five clubs are entered, with one slated to start play this Saturday. The clubs are: the White Sox, the Red Sox, the Blue Sox, the Green Sox and the Yellow Sox.

The team captains have submitted names to the sponsors, and no outside player may be used unless captains of both opposing teams agree prior to a game.

The league was formed when it became evident that informal games at Flint Park needed backing to which the boys belonged.

Team manager and captain are: Red and Gold, Danny Colver; Motticiana Juniors, Frank Carpi; Owl, James Steiner; Ace, W. Russell; and Giants, J. O'Brien.

The schedule for the first two weeks: Saturday, May 14, 9:30 A. M. Owl vs. Motticiana Juniors, 9:30 P. M. Red and Gold vs. Ace.

Saturday, May 21, 9:30 A. M. Giants vs. Red and Gold, 3:30 P. M. Ace vs. Owl.

U. S. Bank Clearings Show Week's Gain

NEW YORK, May 12 (AP)—Bank clearings in 22 leading cities for the week ended May 4 showed a gain of 1.5 per cent over the preceding week but were under the comparable week a year earlier for the 22nd consecutive time.

The weekly volume, however, was \$68,600,000 above last week's.

Large 'Taxpayer' Sold In Port Chester

PORT CHESTER, May 12—Sale of the Raphael Building, 37 North Main Street, for a future within a few thousand dollars of the \$55,000 assessed valuation, was announced today by David J. Kelly, president of the real estate firm of Austin & Merrill, Inc.

The property was formerly owned by Joseph Raphael, who conducted a department store in the building for 22 years before he retired recently.

SYRACUSE CREW SYRACUSE, May 12 (UP)—An extra boat-race has been booked for Syracuse's varsity crew this season, it was announced today.

The Orange crew will row Rutgers row on May 21 over the Lake, Onondaga 1 1/2 mile course.

An average of 117 pounds of coal was required to haul 1,000 tons of freight one mile on railroads of the United States last year.

Historical Program Request Is Rejected

NEW ROCHELLE, May 12—A request by Robert L. Forbes that the Board of Educational Underwrite two or three pages in the historical program book for the 200th anniversary celebration next month as also a page has been turned down by the Board.

Mr. Forbes' program has the approval of the 200th Anniversary Celebration Committee, but is a private undertaking.

The Board of Education said it is going to issue its own brochure on the school history.

3 Women Pilots Ask County Airport

YONKERS, May 12—Yonkers' 3 women aviators believe that the county should establish an airport.

They are Eleanor B. Harmon, laboratory technician at the Yonkers General Hospital, Carolyn Moran, now assistant secretary of the Yonkers Red Cross, and Mrs. Wayne Catlin of the real estate department of the Yonkers Savings Bank. They say the Armonk landing field could be developed into a suitable port.

FALL OF CURRENCY IOWA (AP)—Edna Plimser, 15-year-old newspaper carrier, had a hard time believing dollar bills don't fall like leaves from a tree.

She observed this yard at the City Griffiths home littered with currency when she delivered the paper there.

Mrs. Griffith said the bills were part of \$75 she lost as she left a car to enter her home.

Plimser picked up 40 one-dollar bills and two \$5 ones. He said he received a \$1 reward.

Democrats 'Clean Out' In Port Chester

PORTCHESTER, May 12—Democrats took control of the Village Board this week and immediately "cleaned house."

Attorney Irving Wein replaced Corporation Counsel Samuel LaRocca, Harry Wmuck, C. P. A., replaced Village Treasurer Zacharia H. Schupp and Richard J. Conolly, brother of Trustee Thomas J. J. Conolly, was made his assistant, a new post. Thomas L. Telusa replaced Village Clerk Richard X. O'Connell, and William D. Hill, defeated for trustee last week, replaced Assessor Eugene F. Buckley. Mr. Hill was assessor for three years in a previous Democratic administration, and was replaced by Mr. Buckley three years ago.

A TIMELY WARNING, PUBLISHED IN THE INTEREST OF PUBLIC SAFETY BY THE TIRE DIVISION OF THE RUBBER MANUFACTURERS ASSOCIATION

Action is Needed to Halt the Hand of Fate

MILLIONS OF MOTORISTS are driving on tires that are UNSAFE!

A survey, just completed, indicates that 59 million tires now in use are smooth or will become smooth during 1938. Many of these are unsafe. Unless these dangerous tires are replaced, millions of motorists will be taking needless chances. Why risk human life for those lost few extra miles?

Replace OLD, SMOOTH TIRES during

National TIRE SAFETY WEEK

May 14-21

YOUR OLD TIRES Taken in Trade SAVE AND BE SAFE

TODAY, the problem of driving safety is of paramount importance to your welfare, and that of millions of Americans. Automobile manufacturers are answering this problem by building into their cars each year every known device to assure safe motoring. Tire manufacturers are answering it by constant research and development that enables them to build tires that are safer and safer. But despite the intensive efforts of both car maker and tire maker there is one grave danger over which only you have control—the menace of OLD, SMOOTH TIRES! That's why tire manufacturers have banded together to institute National Tire Safety Week. To show motorists everywhere the unnecessary risk of driving on old, smooth tires—the utter foolishness of trying to obtain those "few extra miles." Don't tempt fate. If you have only one smooth tire on your car, replace it today and protect your family, yourself, other motorists and pedestrians. Or better still, have your nearby tire dealer give all your tires a free safety check-up for hidden danger spots. And remember this—in America today you get the finest quality tires at the lowest prices—ten times longer life than you got in the old days at one-quarter of the cost. Buy the tires you need now. Your purchase will add to your personal safety. Why not see your dealer about safe, new tires today!

## Families, Offices Deserted As Anglers Go After Big Weakfish In Peconic Bay

Since the big run of weakfish is in full swing at Peconic Bay, let's take a look at this species. It's true that when this great horde of yellow fins rounds the bend of Montauk Point and heads into the tide of vast Peconic, it marks the time when men really leave their offices and families behind.

Earlier than ever this year the weakfish have started coming in to the bay since Peconic is their favorite spot. At first arrival the weakfish are not evident, but soon are unmistakable for about two weeks. Their reputation is carried on in the shallow creeks and inlets, and the angler who watches the big yellow jump around the water immediately has the urge to get out the tackle. But that time they take no bait, and the angler must catch his weakfish with a hook.

The largest fish are taken at this season, some of them weighing as much as 10 or 12 pounds. The average size of five pounds. As the hot weather approaches, these big fellows head for the bay and come in to feed along the surf where many are taken by spear casting. During the warm spell the smaller schools of fish are in the bay, and while lacking in size, they make up in numbers and afford excellent fun on extremely light tackle.

These small fish are commonly called apple fish and, if you want them, try using trout tackle on them. I guarantee you will have the time of your life playing them into nets.

Since you don't permit going into detail as to rigging of tackle, but since they are wary fish it is essential that a gut leader be used when fishing on the surface, in bottom fishing the leader can be dispensed with.

The size of hooks varies from 20 to 45 for spears or Castles, with long shanks and snails. Bait used varies according to the local waters.

**Trot Fishing Not So Good**  
From personal observation and other reports within a 10-mile radius the stream conditions for trout fishing over another diamond bill two years ago are stated tomorrow's Fishing Tack, Larchmont, as the newly formed Junior Baseball League bids under way.

On the water, the International one designs make their formal debut off Larchmont Yacht Club, as the larger craft replace the dinghies and ones for the Sparman Trophy. At the same time Horseshoe Harbor opens its Golden Anniversary season with ceremonies.

**FOX BULL LEA RUN**  
BALTIMORE, May 13 (AP)—Before roasting millions thousands Fighting Fox and Bull Lea were taken in tomorrow's \$10,000 Peconic Bay regatta, which will be held on a point off Larchmont, dipping into Long Island Sound, at 3:30 p. m., the Horseshoe harbor will mark the official opening of the regatta with a regatta which will be held on the anniversary season will be under way.

The ceremonies will take place at the clubhouse, and they provide a time of festivity for members, their wives, and friends with refreshments and a feature. Commodore Corrow and at least one village official are expected to make short speeches of welcome.

On August 23 the Horseshoe Golden Yacht Racing Association will hold its annual regatta. The regatta will be held on the Long Island Sound Regatta will be held on the anniversary of the regatta. The regatta will be held on the anniversary of the regatta.

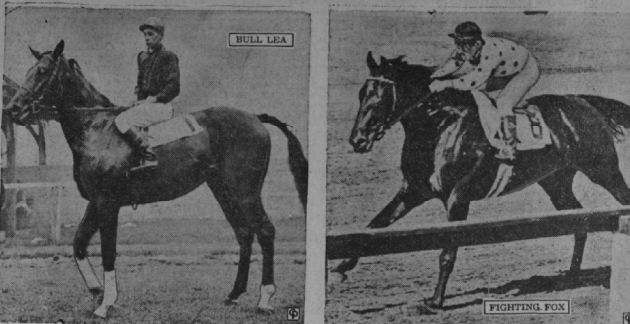

In addition to the Golden regatta four special Sunday races for all classes have been arranged, and the regatta will be announced at the opening. Further plans for all regattas of the season will be listed at the opening ceremonies.

Commodore Corrow is expected to heighten interest in Horseshoe regatta season, with announcement that he will race his sloop in the Bermuda race this summer.

On top of Horseshoe's Golden Anniversary debut this Saturday, the Larchmont Yacht Club will pick out to ramble into forgotten waters of the bay, and the regatta will have their first formal regatta on Saturday and Sunday.

## MARTSMEN SEEK TO WREST FIRST FROM DAVIS HIGH

Mamaroneck '9' at Mount Vernon Tomorrow in Long Beach—Yachting Gets Started

On land and on sea local athletes and sports fans will have plenty of action tomorrow.

The Hill Mart's menhemen will be in a tight spot when they face A. R. Davis High at Mount Vernon. Not taking into consideration today's possible outcome, the Hill Mart's menhemen have a chance to wrest first place from the Davismen in their clash tomorrow.

Postponement of the Port Chester game earlier this week proved a great stroke of luck, as neither the Port Mart's hurriers, Jack Ebert and Johnny Murray, was in best physical shape. Their wings or back muscles were reported slightly strained, but this concern was expected to have been completely worked out by tomorrow.

Putting off the Swept tilt also proved a boon to Henry DiPietro, first left fielder, who suffered a sprained ankle in the White Plains game. He is expected to play tomorrow.

On the water, the International one designs make their formal debut off Larchmont Yacht Club, as the larger craft replace the dinghies and ones for the Sparman Trophy. At the same time Horseshoe Harbor opens its Golden Anniversary season with ceremonies.

Originally planned as the dates for the International one-design class races for the Sparman Trophy, the activities for the week-end have been expanded to include the regatta. A good many craft in these waters are being used for the Bermuda race and their owners, especially those of the new boats that have not had a chance to sail in competition anxious to get in some racing as early as possible. Besides this, the regatta is a number of craft that will be the regatta overnight and first regatta will also see a contest per figure.

## REC TRACK FIELD MEET SET JUNE 4

Town Recreation Council's fourth annual track and field meet will take place Saturday, June 4, at Mamaroneck Senior High. It was announced today by Lester C. Fausch, director of the council.

Running and field events for seniors, those men out of high school, and separate events for intermediates, those of high school age, will be staged. At present there are no plans for junior or middle competition. A softball exhibition, between the Spartans and Ten Fingers winners in Mamaroneck and Larchmont divisions, respectively, last year, is being considered.

The meet is open to all residents with the township of Village Mamaroneck.

## SHAMROCKS DOWN HEATHCOTES, 12-6

Victors Get 17 Hits Off Lutz, In Mamaroneck Division Softball Game

Piling up eight runs in the first three innings, the Shamrocks built up an unshakable lead to whip the Heathcotes, 12-6, last night in a Mamaroneck Division of Larchmont Avenue School field.

The Heathcotes' efforts to overtake the victors with five runs in the fifth proved futile, and just to rub it in Tim Manning's outfit plastered on four more in the seventh.

A total of 17 hits rattled off the winners last night against Lutz, Clutz's triple the only extra-base. A Murray scattered the losers' right down as the Shamrocks outdid their first league victory.

Clutz, Cluzino and Hannan hit hard for the Manning lot, while Hanrahan was effective for Phil Finnegan's Shamrocks (3).

## STRONG INVADERS DEFEAT EAST END RUNNERS BY 54-1

Fratello, Vassallo, J. Biceglia Lead Visitors Toward Little Three Track Title

A surprisingly strong Harrison High team of visitors who ran amok on the cinder paths and infield, to some extent catching Bill Astel's men napping. The Blue and Black cohorts had witnessed the poor times, distance and heights which the red-shirted visitors scored in beating a weak Grove-Croley High earlier this week, and had taken these marks to a certain extent, as criteria for the local meet.

Prley uncovered two rugged individuals in the spring and middle distance events who looked impressive in their first meet. In the 100, 200 and broad jump went to town, while passing in beating a weak Grove-Croley High earlier this week, and had taken these marks to a certain extent, as criteria for the local meet.

Vassallo running a difficult duos in the middle distances, turning in good times. Bobby Howe Clarence Rogers in the 400 in 6:42, and tipping Artie Hampton and Harry Manning in the 800 at 2:07.2. Fratello beat Clarence Rogers in the 100 in 1:42, and tipping Artie Hampton and Harry Manning in the 800 at 2:07.2.

Eye would appear to be in for a beating, this giving the Red and White the crown this season. The 440 yard dash—won by Vassallo (H); second, Rogers (B); third, Clutz (H). Time—0:54.2.

WHERE'S THE AIRPORT?

Westchester's communities participate enthusiastically this week in National Airmail Observance. Special cachets have been provided for many postoffices and there will be three flights from this county.

But none will be from a recognized airmail airport and in this respect at least the county's enthusiasm must necessarily be curbed with chagrin. One flight will be from an unlicensed field, another from a small commercial field, while the eastern part of the county must patronize a flight by seaplane from Playland.

Yet it was in Westchester that one of the historic early airmail flights was made, when Lincoln Beachey, in July, 1912 six years before the first "official" airmail flight from Washington to New York City occurred, delivered mail by parachute from the fair grounds in Greenburgh to the town village of White Plains.

In the 26 years which have passed since Beachey showed what could be done with airmail, Westchester has made little progress in placing itself upon the air map of the nation. Other sections of the metropolitan area have seized opportunity and have gained convenience and time-saving for their people. Westchester still lags.

WHAT'S THE SHOUTIN' FER? The Westchester County Village Officials Association, in annual session at Mount Kisco last Thursday night, went on record, according to news dispatches, as wanting "more home rule and less county rule" of the villages.

It is somewhat vague as to what the village officials want. Certainly the new county charter, reforming county administration, in no wise affects the existing government of cities, towns or villages in Westchester. And the list of policies which the village officials voted to send to the Constitutional Convention makes it no bit clearer as to where the county infringes upon the village home rule. Here are those policies:

- 1. In favor of home rule for villages and the limitation of the powers of the board of supervisors in making local rulings.
2. Not in favor of a pay-as-you-go policy for villages.
3. In favor of villages receiving a 'fair share' of motor vehicles and gasoline tax monies, rather than having it distributed to towns.
4. In favor of legislative restriction of tax-exempt property, and not in favor of addition of new tax-exempt property on the rolls.
5. Not in favor of an eight-hour day and five-day week for all municipal employees.

Neither the supervisors nor the county assessors properties; this is done only by city, town and village assessors, who determine, subject to court action what is exempt and what is not.

EDITOR: The Daily Times: Dear Sir: In these times the tax burden has become a most serious problem for all of us. With this problem in mind, a number of us have undertaken to interest our various civic and business groups and the public in general in arranging to have Frank A. Arnold, president of the Nebraska Federation of County Taxpayers, visit our county on Wednesday, May 18, 1938.

Here is a part of what appeared recently on the editorial page of the New York World concerning Arnold and his accomplishments:

"The people of Nebraska take their taxes seriously, also the rate of public utility charges. Results are surprising. In the last year only property taxes were reported to have been saved \$10,000,000. Property taxes and public utility charges have been reduced by 10 percent. State income tax, sales tax, luxury tax, and other taxes have been reduced by 10 percent. How is it done? By neither a man nor a woman, but by a man and a woman, by a man and a woman, by a man and a woman.

BASBALL GAME A LA FIELD TALK

You'd better rub your eyes and take a second look to understand some ball players' interpretations of games, if they were written for the sports page. Jack Wittie, the Mount Vernon pitcher, popped up with a version of the first Mamaroneck-A. E. Davis tilt that might well make Joe Trower...

With Definitions: "The gag is to introduce some magic ball players today. At least the Hamiltons Secord and Jones took furnished a guide to anyone intending to avoid a quick drop around the circuit." Some of the definitions are: Crooked arm—A left hander. Sewerhead—A good player, usually a pitcher. Dipped the dink—Won. Blingie—Hit. Counter—A good pitcher. Sinkie—Ball hit on a line that drops rapidly after passing the infield. Also is pitched ball with a quick drop. Baseless—Base. Teed off—Hit a hard one. Took a foulball—A ball at the plate when batter is ready to swing.

RYE NECK SCORES FIVE IN SEVENTH FOR 9TH STRAIGHT

Lefty Ruggiero's Double Scores Winning Run; Zelinka Replaces Faltering Miller

Faced with the frustration of its hopes for an undefeated season the Frederick E. Bellows High School baseball team came through with five runs in the last inning to down Edison Tech of Mount Vernon 4-2 yesterday afternoon at Harbor Island. The triumph was the result in a new for Coach Charles O'Neill's side.

"Lefty" Ubaldo Ruggiero who broke up the Edison Rye game last week with a honor, provided the hit, a rube double that also got out of the infield, that sent the tying and winning runs across the plate with two out and the count two and three to mark another sensational climax in Rye Neck's triple-packed season.

"The" Miller who started on the mound for the victors, was wild and gave way to Ed Zelinka with two out in the fifth, Edison nicked the sophomore for six hits which, mixed in with three wild pitches and two fielder's choices, netted for five runs. Zelinka, although pitched for five hits and runs in the fifth, performed remarkably well in the seventh, performed remarkably well in the seventh, performed remarkably well in the seventh.

READY FOR WAR, ADMIRAL ANNOUNCES

Man of War's small but dashing son, War Admiral looks fit for his \$100,000 Decoration Day duel with Seabiscuit as he took a pre-race tune-up at Belmont Park, scene of the "race of the century," yesterday. Jockey Charles Kirschner, whose suspension was recently lifted, is astride the favorite.

REC TRACK ENTRY DEADLINE MAY 31

Entries close Tuesday, May 31, for the fourth annual track and field meet conducted by the Town Recreation Council, it has been announced by Lester C. Faust, council director. The meet will take place on Saturday, June 4 at Madison Square Garden on Friday night, with Post Amateur, perhaps the outstanding challenger for top honors, temporarily on the spot because of an appendicitis operation. It is altogether likely that Champion Freddie Steele will defend his laurels this Summer against the winner of the Krieger-Lee affair.

Friday's supporting program is of high order, with Harry Johnson of Greenwich Village water-weight, clashing with Cal Capri, Cresskill, N. J., in the eight-round semi-final. Two stars bring together Herbie Kase, Brooklyn light-heavy, and Stanley Harato, Yonkers; Melia Redina, Beacon, N. Y., and Dominic Coccaris, Harlem light-heavy. Four-rounders pair Ralph Vona, Ashbury Park, and Izzy Redman, Brooklyn; and Gene Stanton, Detroit, and Larry Choson, Mt. Vernon.

Blackfishing Spots in Local Sound Area Are Listed For Salt Anglers

Inquiries have been made as to the location of good local blackfishing grounds. These I can answer without trying to cover too much of Long Island Sound, for some of the local spots usually are quite productive, whether and tide being favorable.

The points off Milton Point, Rye off South Caps reef and outside of the Harlot in Mamaroneck are excellent spots that abound in the area. Al Larchmont there is the best water at the entrance to the harbor and further out from shore the buoy marker at Hen and Chickens reef.

Freedom Point offers good fishing near shore off of the Hook Middle Ground Shoals to the East of Execution Light and the East end of Hook.

Small garden worms are the best bait. Use a corn meal chum to keep them near you as long as you forget it trying sand or dirt as a substitute. As it feeds and excretes in a hole it will have a perch as fast as you can bait it and drop it overboard.

State Restoration Proposal. Bette let me give a resume of a resolution adopted by the Southwestern New York Fish and Game Association on a proposed restoration program for the state.

Because of the loss of the automobile, hunting land fishing as sports have increased materially, with the result that the game restoration program has been materially hampered. It is planned, therefore, under a proper utilization program to acquire millions of acres of abandoned farms and lands throughout the state to meet these needs and to provide additional territory for this year's army of hunters and anglers.

Big Battle For WIAA Mile Title Looms

HENRY HANGS 'EM ON THE ROPES

When Henry Armstrong tries to put Barney Ross on the ropes next Thursday in their battle for the lightweight title, he'll be thinking this homey little scene. But here he's merely relaxing from training routine at his Pompton Lakes, N. J., camp.

Griffens Triumph On Lanza, Firman Home Runs, 7-0

Heathcotes Blanked, 7-0. Murphy Ten Halts Weaver Policemen, 5-3

Griffen's All Stars helped themselves to a bumper haul of first place in Mamaroneck Division softball last night by blanking the Heathcotes, 7-0, at Mamaroneck Avenue School. The Lanza-Cohen club rang up its third straight, while the Griffen ten dropped the same number.

Charley Lanza, co-manager and third sacker, and Walter Firman, first baseman, were the big guns of the Griffen attack. In the first frame Charley walked a batter with one on base, and in the fourth frame pulled a clever double with the bases loaded. Chetetti pitched airtight ball for the victory, only B. Lantz being able to get at him with any effectiveness.

Score by innings: Griffen's All Stars 7, Heathcotes 0. Inning 1: Griffen 2, Heathcotes 0. Inning 2: Griffen 3, Heathcotes 0. Inning 3: Griffen 4, Heathcotes 0. Inning 4: Griffen 5, Heathcotes 0. HE'S INJURED. 33rd Annual Meet To Be Staged At New Rochelle High Track

By TOM HOGUE. A battle for supremacy in the mile run, the like of which has not been seen since Howard Duffy of A. B. Davis and Eddie Conway of Mamaroneck days their stirring duel in 1905, looms for the defeat of the incumbent on Saturday when the Westchester Intercollegiate Athletic Association holds its annual track and field meet at Senior High Field, New Rochelle.

HIGH, WIDE AND HANDSOME (?) COUNTY TO STAGE ALL STAR FIGHTS

Ranking Diamond Glovers To Engage In 15 Bout On June 21

WHITE PLAINS, May 20.—Fifteen bouts which will bring together champions and the outstanding boxers of the recent Diamond Gloves tournament will be staged in an all-star program to be held at the County Center in White Plains, June 21, George P. LaSalle, director of boxing for the Westchester County Recreation Commission, announced today.

Cooperating with the Recreation Commission in promoting the fights next month will be the Truckee Police Association, the White Plains A. C. and the Don Bosco C. C. A. U. clubs of the Westchester district.

Some 30 boxers from all parts of the county will be invited to participate in the all-star bouts. Chastained boys from Peekskill, Ossining, Mount Kisco, Hawthorne, Tarrytown, Harrison, Palisades, Elmford and other communities will compete together with boxers representing the A. A. U. clubs of the county.

Except in a few cases where 2 boys staged a close fight in the Diamond Glove tournament the all-star bouts will present the fighters against ranking opponents which they have not faced before. In a couple of instances of close decision, the boys will have a chance to pair off and try their luck again.

PREVIEWS AND REVIEWS

RKO PROCTORS Had it not been for vast improvement in recent years in camera, makeup and lighting technique, three of the principals in Universal's "Goodbye Broadway" now playing at RKO Proctors would not be in pictures today. Each of these three, Charles Winninger, Frank Keith and Doris, other Kent, has light blue eyes which for years were the despair of motion picture cameramen and studio officials. When "Goodbye Broadway" first went into production, Wininger told Director Roy McCarty that he had been a "flat" back in 1915 when he was brought to Hollywood from the Broadway stage for a screen tryout. "My light blue eyes photographed so that from a front view they looked like a cloud of smoke or mist," he chuckled. "They could not do anything with them then and it was not until 1920 that they brought me back. They have learned so much since 1915 that they eye photograph perfectly now." George Robinson, ex-cameraman on the picture, confessed that Jack Kent's eyes and the camera are in the same eye category.

\$12,500 County Golf Tournament Nears Reality

M. H. S. LINKSMEN ROUT A. B. DAVIS GOLFERS BY 9-0

HE STOPPED IT—WITH HIS RIBS

C. V. Lanza, With 80, Paces Orange To Fourth Triumph In Five Starts

Spurred by its player-manager Charles V. Lanza, the Mamaroneck High golf team continued its fast pace to overthrow A. B. Davis High of Mount Vernon by 9-0 in a WIAA match yesterday afternoon on the tough east course of Winged Foot Golf Club. It marked the fourth triumph in five starts for Coach Pay O. Allen's charges, who have lost only to White Plains (4-1) and Yonkers (1-4) in their District opponents. Lanza had low cost of 80, eight strokes over par. Right behind him was Ed Patton with 83, Moe Blewisch, on 10 of the holes. Lanza's equally good opponents were Lanza-Holovich duo halted Chianese (8) and Bonville (8) by 5 and 2 for three points under the Nassau best-ball scoring system. Mamaroneck's two pairs came through equally well. Right and Left (8) and Velle (8) teamed up to halt their District opponents by 4 and 3, as Palato (87) and Shawnee (88) boxed Patton (83) and Salerno (86) completing the triumph by 3 and 2, tripping Springfield (88) in a 1-1 tie. The Orange Linksmen met Roosevelt High last night in a league match at Geney Farms Lanza's card and par: Pat ... 445 344 434 35-70 Lanza ... 503 404 464 42-72 Par ... 445 344 434 35-70 Lanza ... 504 444 35-80

Struck in the ribs by a liner from the bat of Mickey Haskin, Pitcher Mac Brown of the Pittsburgh Pirates ran on the ground in the sixth inning of a game between the Pirates and Utama at New York City. Leaning over Brown are Lem Young, second baseman of the Pirates, and outfielder Joe Moore of the Giants.

Moore Snags Two Prizes In 1-Day County Play WHITE PLAINS, May 24—Honesty and forgiveness were the part of the usually astute Paul Stanton cost the diminutive linksmen from Metropolis a prize for the lowest in the women's play competition in the morning and shunted him out of the pro-amateur tour in the afternoon after he had completed nine holes with his partner. Paul, upon discovering that he had 15 clubs in his bag as he was starting for the tenth hole, reported his own misadventure—the P. G. A. permits only 14 clubs—so calmly despite his honesty in telling his lunatic partner.

\$5,500 IS ALREADY PROMISED FOR PLAY DURING SEPTEMBER

Ante Raised From \$1,000 With Feinway In White Plains As Possible Site

WHITE PLAINS, May 24—Talk of a \$10,000 golf tournament for Westchester County has begun to materialize but instead of being for the original sum stated the prize money will total \$12,500 making it one of the richest tours in the country. Following the regular one-day event under the auspices of the Westchester chapter of the P. G. A., completely expressed their faith in the proposed test by underwriting the competition for \$2,100 and \$3,000. C. V. Lanza, chairman of the tournament committee, expressed deep belief that this sum would reach \$4,000 as soon as he reached many of the other pros. In addition to the amount already raised \$2,500 has also been promised in a group of individual persons interested in the project. "It will be most interesting to put the tourney over before it begins and see what brilliant start he has made for the direction of security," the culmination of an idea he has held for several years. The richness of the event will place it on a par with such well-known tournaments as the Nassau, Belmont and the few remaining high-golfing golf tours. No course has been selected for the competition as yet but plans are being made to bring it to Feinway in this city providing it receives the approval of all parties concerned. Further details will be released when the committee convenes, but the \$12,500 prize here and the county is prepared to step into its rightful position as the leading golf county in the country.

Central School Notes Interesting original booklets by pupils of Miss Burton's Sixth Grade history classes were on display in the corridors of Central School last week. The pupils made their own choice of subjects which were typical of the period and ranged from George Washington to the American ships, etc. There were many clever illustrations. The diversified interests of the children of Mrs. Chapman's Sixth Grade English classes was shown in original exhibits. Valuable essays and coin collections, dolls from sewing, drawing, book models, milk bottle caps including one 50 years old, pins, collecting, group books of the music world, strange facts, Japanese book binding, toy soldiers, pictures and story papers were some of the hobbies. Progress is being made on plans for the June Festival of the Kindergarten and grades 1, 2 and 3 which will be held June 15. The program will include a trip to Story Book Lane with music, dance and dramatization. Patricia Dunn, Virginia Curillo and Adelaide Palmer danced at the May concert. Events at the Junior High School. Joan Walsh, Betty Farr, Collette Vire, Roselle Dahlman, Pauline Anthony and Patricia Dunn sang a verse of Marianne at the same concert. Considerable work on some of the songs were given by Joan Velich, Anna Santagano, Thomas Hunt and Anne Pekar. Buddy Pritchett, popular pupil of Central's Fifth Grade, will leave his States with his family for a following week. He is a member of the running high jump. In addition there will be a quarter mile relay which the boys may enter in addition to their two events. Juniors, boys 12 to 15 years in seniors, may enter any two of the yard dash, running broad jump and running high jump. In addition there will be a quarter mile relay which the boys may enter in addition to their two events.

TALKING IT OVER with BOB FORBES

WATSON SMITH'S REAL COMEBACK Talk about comeback! We give you today the youthful hero of the Mamaroneck High track team, cart-bagged Watson Smith, who worked himself out of a broken hip and a bed of pain suffered last year to prove the Orange and Black's leading point-guard at the WIAA meet in New Rochelle, Saturday. "Watty" as the excellent P. F. Hild, manager of the team calls him, drew the applause of spectators right along. A junior this year, Smith has at least one more good year and should go places next season in the WIAA. If it hadn't been for that bad year of Mamaroneck's in the past few years, Max Wharton, currently of White Plains, Watson would have taken first instead of second in the 200 yard dash. It was three jumpers tied for first, but Wharton got the title on the best record on past jumps. Smith got another point by taking fifth in the 100 yard dash.

HE INJURED LEG MAMARONECK MACLEAY Everything conceivable, Mamaroneck did to badly in the meet, although it was disappointing that Don MacLeay failed to low the mile title in plenty fast company. Mac reluctantly admitted to us since he didn't get to establish an alibi that he injured his right leg, and up considerably in the last quarter when Maxwell slipped him in the last few feet. The A. B. Davis mill ran a heady race, always trailing MacLeay closely and pulling an unimpressive burst of speed in the last 30 yards that Howard Hunt had couldn't match, try as he did. It was a tough race all along, for Maxwell finished slightly three seconds over the record set by Howard Hunt when he won the mile in 1920, who beat out Eddie Conway. MacLeay was a split second behind the Daver runner, and had not the Mamaroneck titlist had, he would have been a heady runner before the meet he might have won had an unimpressive burst of speed in the last few crucial yards.

JUNTY CHATTER

By SPEC

Daily Times Sports Spectator

IN MAMARONECK After an inductive survey of our local yacht club operations over the past two weekends, Spec' has come to the conclusion that the flag-raising, cannon boomings and formal speeches by commodore telling about the wonderful season in store, drew not but the attention that one bulletin did, describing the flag codes. Larchmont, Horensouth Harbor, Orienta and Shore Acres yachtsmen were intrigued some laughed, some were disgruntled at the bulletin.

The bulletin went to this effect: Yachtsmen use flags or pennants for communication purposes. No yacht is complete without a chest of flags. No body knows exactly what any combination of flags means, but the skipper who hangs them up is sure to get an answer. The code runs something like this:

- Blue flag with red circle hung above white flag with green star: "I am coming aboard."
- Pink flag with four blue dots over a black flag with red cross: "The owner is ashore."
- Three plain white flags: "I am a board track for White practice."

Since 1930 New Rochelle has had this 200 yard handout set outside during the cold months, and every day that last a blizzard O'Brien has his bulletin out there trying to prove their worth in the winter book. To Spec's knowledge no other Westchester school has such a prolonged and intensive warm-up.

In the old days it used to be gotten, and more often it was unbury the one proud Green finished in seventh next to last place. While the emphasis apparently has shifted away from the cinder path at Corton the pendulum is swinging favorably for the Huguenots.

O'Brien starts his middle distance men-and-women sprints-in cross-country in the Fall. Then they go to the board track and indoor meets during the winter and when spring rolls around they have the jump on the rest of the county from the word go.

But there are other factors New Rochelle is one of the larger W.I.A.A. schools, and has added material to draw from, particularly in the football always being far from a popular sport. Besides that, Coach O'Brien himself has been improved with experience.

Like master, like pupil! Howard Duffy, who set the W.I.A.A. mile record of 4:37 in 1930, trails Van Magarelli of Davis who won the same event this year in 4:49. Each time a Mamaroneck man was barely ahead of the runner being Ed Conway, the other Don Madlady.

Waterworks To Play In Softball Debut

Mamaroneck Waterworks softball team will play its first game of the season tomorrow, 6:30 P. M., meeting the Landshymmen of Harrison at Harrison High field, according to Manager Bill Flanagan. On the Waterworks team are: Fred Abbeneth, pitcher; Len Combee, catcher; Carmody, first; McGuire, second; Karswell, third; Spelman, shortstop; Soriano, longstop; Karkner, Nordman, Schlerberg, Ceterosa, Bauer, outfielders. Other teams looking for games are asked to see Manager Flanagan at the local pumping station, Post Road.

All Stars To Stage Practice Tonight

Mamaroneck's All Stars will stage a special practice session at Harbor Island today at 6:30 P. M. It was announced by Charles Greengard, general manager. STRANGE INTERLUDE TEPTON, MO.—Hastillies were forgotten by a wolf and three dogs when they tumbled together into an abandoned farm yard. They kept afloat in five feet of water until the dog's owner rescued them. The four animals, the dogs barked around the chase, caught and killed the wolf.

Waterbury Relieves Faillace In Second; Ellis, Abrahamson, Saum Feature Winners' Attack

Sharing no new highlights in Larchmont Division softball, the Ten Fingers routed Tony Faillace from the mound and whacked the Weaver Street Police ten by 9-4 last night at Pilot Park. It marked the fifth triumph in as many starts for the Fingers. The Policemen dropped their fourth. Frank Waterbury replaced Faillace in the second after the Fingers had nicked the latter for five straight hits. Ten batters paraded to the mound for the Harry-Abrahamson club in the second frame, pounding out seven blows for six runs. The Ellis, Tom Aylmer, and Eddie Saum featured this attack with doubles. Tom Hogan relieved brother John on the mound in the sixth at which the latter had walked three men. The cops missed a good scoring chance in the sixth when Ward, short-felder, doubled with three men on the bags, only one being scored as the runner was tagged out at the plate. The Fingers got hits: The Policemen six. The box score:

Boxing History Looms Tonight

Ross-Armstrong Clash In Garden Bowl Due To Be One Of Game's Greatest Fights

NEW YORK, May 26 (AP)—Chances are that one of the great bouts of boxing history will be seen tonight in a big sunken saucer set on Long Island, when Barney Ross defends his welterweight championship against the phenom, Henry Armstrong.

Neither Armstrong nor Ross ever has been knocked out and between them they virtually have cleaned out the lighter divisions. Only Lou Ambers, the lightweight champion, remains to give them a real argument. The experts thought three would be a knockout, despite Armstrong's record of having stopped 35 of his last 37 victims.
