

COMBING THE TOWN

Fire Damages Plant

Fire damaged a small, frame building at 101 Westway Avenue, Volga, occupied by the American Corporation, chemical company, at noon today.

Harold Smith, supervising chemist at the plant, said that a fire started in the building when chemicals had apparently become overheated while he was in the other building in the rear of the plant.

Mr. Smith estimated the loss of the chemicals and supplies to be approximately \$25,000. The fire was extinguished by firemen, and extensive repairs to the plant were started.

The entire plant was shut out of power for several hours, and the workers, with the result that the plant was operating right times.

PBA Plans Bake

The Police Benevolent Association of the Village of Mamaroneck, Inc., will hold its annual banquet at the Hotel Mamaroneck on Sunday, July 14, at 8 P. M.

President James Hughes has been elected chairman of the entertainment committee, assisted by Michael O'Brien and William F. O'Brien. At members of the committee will assist in the planning of the event, which will be the largest yet of the association.

Overcoat Vanishes

For many weeks, a dark overcoat, which was lost by a man, has been missing. The man, who is a member of the Police Benevolent Association, has been searching for it.

The overcoat was lost by a man who was walking down the street. It was a dark overcoat, and it was missing for many weeks.

Auto Catches Fire

An automobile parked on a road on the corner of the intersection of the road and the road, caught fire.

The automobile was parked on the corner of the intersection of the road and the road. It caught fire, and the fire spread quickly.

From Head G-Man

A man, who is a member of the Police Benevolent Association, has been elected chairman of the association.

The man, who is a member of the Police Benevolent Association, has been elected chairman of the association. He is a man of many talents.

Wins Scholarship

A man, who is a member of the Police Benevolent Association, has won a scholarship.

The man, who is a member of the Police Benevolent Association, has won a scholarship. He is a man of many talents.

Firemen Abating Go

Firemen, who are members of the Police Benevolent Association, are abating the go.

The firemen, who are members of the Police Benevolent Association, are abating the go. They are doing a great job.

CROWD OF 5,000 EXPECTED TO SEE RACE TOMORROW

Largest Attendance Ever Expected To Witness Third Speed Chase

Estimates vary as to the number of people who will witness the third annual running of The Daily Times Soap Box Derby tomorrow. But the general consensus is that more than 5,000 are expected to join the throng which will line the racing strip from Grand Avenue to North Barry Avenue.

1. Most persons know about the race.
2. Competitors, among which are the 1939 winners, are expected to appear.
3. The race is expected to be a close one.
4. The race is expected to be a close one.
5. The race is expected to be a close one.

17 Properties Sold, Valued At \$231,450

Thomas B. Sullivan, president of The B. Sullivan Corp., today reported the sale of the following properties in the city of Mamaroneck, N. Y., during the month of July, 1940:

The following properties were sold at public auction by the Sullivan Corp. during the month of July, 1940:

Suffrage Appears Likely For Capital

WASHINGTON, July 26.—In the wake of a Democratic display which is expected today to carry the House to a majority on the question of suffrage for the District of Columbia, every body today predicts that when the House Judiciary Committee will take up next Tuesday a non-controversial amendment authorizing the extension of suffrage to citizens of the District of Columbia, the measure will pass.

Chilean Nobleman Becomes Citizen

TOPEKA, Kan., July 26.—The Chilean nobleman, Mariano Garmezin, today announced that he has become an American citizen.

THE SCENE OF THE RACE—Mamaroneck, N. Y., in the city where the annual Soap Box Derby race is held.

70 LOCAL MEN CONTRIBUTE MUCH TIME AND LABOR TO ASSURE SUCCESSFUL DERBY

Exactly 70 men, some donating more than one hour, are expected to assist in the annual Soap Box Derby race tomorrow. The men are the members of the Mamaroneck Local Derby Club, which was organized for the purpose of sponsoring the race.

100 Newspapers Sponsor Derbies

More than 100 newspapers are expected to sponsor the annual Soap Box Derby race tomorrow. The newspapers are the members of the National Newspaper Derby Club, which was organized for the purpose of sponsoring the race.

The annual Soap Box Derby race is held in Mamaroneck, N. Y., on the third day of the annual Soap Box Derby race. The race is held on a track that is 1/4 mile long. The race is held on a track that is 1/4 mile long. The race is held on a track that is 1/4 mile long.

The UNION SAVINGS BANK of Westchester County MAMARONECK, N. Y.

MANY CHANGES MADE IN RULES FOR 1940 RACE

Mechanical Construction And
Age Limitations Affected By
Latest Revisions

Numerous rule changes appeared in the book of instructions issued to entrants in the 1940 Daily Times Soap-Box Derby. Perhaps the most striking was the elimination of 10-year-old youths from participation. This year only boys 11-15 years, inclusive, may enter the classic.

A rule forbidding a former winner of an officially sponsored Soap-Box Derby, his car, or any parts of his car to compete in any subsequent Derby was accepted since the 1939 race. It was also decided that no boy or car might enter or take part in more than one officially sponsored race. Eligibility of entrants in any local race was left squarely up to the committee in charge.

Some rule changes applying to mechanical construction of racers were made. This year it is permissible to use second-hand automobile spring leaves in the suspension system of the car. The construction of the "wings" must be of sufficient size to permit the driver to get in or out without removing the steering wheel. All contestants must be seen at the top. Another rule change requires that steering cables be fitted with at least one turnbuckle, two if necessary, to permit easy tightening of slack cables. Also, cables must not be soldered. They must be wound on a steering post or cable drum.

Mechanical steering is permissible, but it must be boy-built. Out-of-door automobile assembly will not be permitted this year. Steering shafts must be of metal. They may be taken to machine shops to be cut to size or threaded. Cables and rods must be connected in such fashion that the driver sits in a normal position. Drivers may lean forward in a race, but leaning backward is prohibited. Drag brakes must be set in the center of the car—that is, from side to side. If there are two there must be one on each side of the car. They must be faced with rubber or old tire tread to give proper grip when desired.

This year at the conclusion of the National Finals, each city championship car will be returned to the co-sponsoring newspaper, and will remain in that paper's custody for one year. The ALL-AMERICAN Soap-Box Derby, Inc. reserves the right to purchase any entrant's car for the price of \$100.

A change in cost limit restricts any entrant from spending more than \$6 for four wheels, which, it is understood, includes tires, axles and bearings.

700 SEATS READY FOR SPECTATORS

Bleacher Sections To Provide
Added Comfort For
Huge Throng

Approximately 700 bleacher seats will be erected to accommodate finish line spectators at the 1940 Soap-Box Derby tomorrow. The seats will be divided between the east and west sides of the racing strip opposite the junction of North Broadway and Mamaroneck Avenue. Seats in the bleachers will sell at 40 cents each, the money going towards defraying expenses of the sponsoring association which stage the speed classic.

Last year the bleachers were brought to Mamaroneck Avenue hill from the F. E. Bellows High School and Harbor Island. This year the Harbor Island bleachers will again be used, with a complete monetary check from Mamaroneck High School, 17, courtesy of the Mamaroneck Board of Education. Village employees under Manager William H. Johnson, will transport the bleachers to the race site and set them up. Upon the finish of the afternoon's activities, the same workers will dismantle the seats and return them.

BROTHER DEFEATS BROTHER TO WIN IN WHITE PLAINS

Ian Weber To Represent County
Seat At Final Race
In Akron

Donald Weber has entered five White Plains Soap-Box Derbies. In none of them has the 16-year-old son of Mr. and Mrs. A. Vincent Weber finished in the money. Last week, Donald's 11-year-old brother, Ian, in the classic, for the second year, sped his sleek, black racer to victory, only one-half length ahead of his nearest rival. And the father derided the loser to be no one but Donald, who should, by the law of averages, finally have hit the gold jackpot which goes with capturing a local race.

So Ian, only a double attempt behind him, will represent the County Seat in the All-American finals which are slated in Akron, O., on Aug. 11.

Ian's triumph was scored before one of the largest crowds ever to view a White Plains Derby. He rated down the 1,175-foot course in 23 seconds, or the equivalent of 23.5 miles per hour.

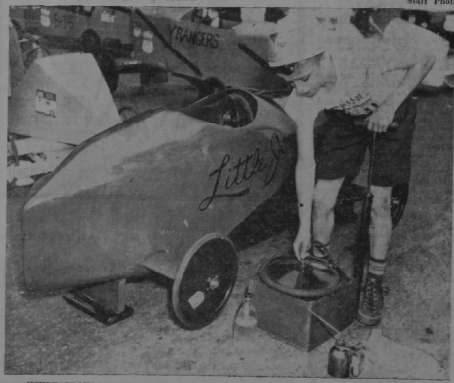

In return, Ian's plea for the Daily Times, enough sponsors contacted Mr. Vincent that he called this newspaper at 11 o'clock the following morning and announced he had one more than he needed.

The American Legion band will provide musical entertainment for patrons of the 1940 Soap-Box Derby, which was announced by Frank T. Wilson, chairman of the music committee.

In 1932 the band of the David Post, Jr., post, played after the Legion musicians had been forced to cancel their engagement.

EIGHT VETERAN ENTRANTS ALSO RACED IN 1938

35 Of This Year's Speeders Also
Sought Honor In Last
Year's Derby

Seventy-three youths registered for competition in the 1940 Daily Times Soap-Box Derby.

Of this number, only eight participated in the first Derby, held in 1938, with 46 starters. They are Joe Foster, Walter Recher, George Loh, William Baisner, Fred Del Duce, Billy German, Gerald Marjone and Anthony Pagano.

However, of this year's starters, 35 entered the 1938 Derby, which drew a total of 81 entries, the largest number recorded in the series. Last year's entrants running again tomorrow are: Edward Funtis, Richard Perez, James Siger, Roy Poley, Walter Recher, George Loh, William Baisner, Fred Del Duce, Billy German, Gerald Marjone, Anthony Pagano, Thomas Parker, James Jackson, James Rodriguez, Thomas Hunt, Maurice Thomas, Frank Nask, Vito Pasca, Carl William Campbell, Francis Mack, Gunther Westfall, Edward O'Brien, Teddy Riemer, Andrew Chiochia, George Verschoor, Vincent Timarachi, Joseph DeStella, Eugene Talgo, Alfred Kraft, Arthur Perchasepe, Albert Mitchell, Edward Manning, Raymond Keller, Louis Santora and Louis Noterangelo.

The rule forbidding ex-champions to take part in succeeding Derbies restricted both Raymond Keller, 1938 champion, and Billy Poley, winner of the first Derby in 1938.

Chairman Thanks
All Derby Workers

The Mamaroneck Lions Club workers for the Daily Times Soap-Box Derby, scheduled here tomorrow, have been publicly thanked.

by Rev. Theodore O. Ponsell, Jr., general chairman of the Derby, and president of the service club.

The organization of everybody has been excellent," he said, "both in the club and by workers outside our organization."

NEW GRANDSTANDS BUILT

New grandstands, accommodating approximately 2000 more spectators, have been erected at Derby Downs, scene of the All-American Soap Box Derby finale. More than 100,000 race fans saw the greatest amateur racing event in the world last year, and with improved accommodations an even larger crowd is expected.

Awards On Display In Local Window

A display of prizes, for which Derby entrants compete, has appeared in the show window of the Walter M. Baisner hardware store at 83 Mamaroneck Avenue for the last five days.

Surrounding the M. E. Coyle Trophy, which goes to the local winner in addition to the Daily Times grand prize—a trip to the All-American Derby at Akron, O.—stand numerous other awards. They will be presented to winners at the Mamaroneck Playhouse on July 29 by Robert L. (Believe-it-or-No!) Rigley.

FIREMEN TO HELP LOCAL POLICE IN PATROLLING RACE

60 Uniformed Volunteers Under
Chief Will Assist 18
Patrolmen

Active Chief of Village Police Maurice Thomas plans to safeguard the race area tomorrow with "18 or 19 men," he told The Daily Times yesterday. Whether Village patrolmen would be augmented by police of the Town Department was not revealed, although no indication that they would have come from the Rev. Theodore G. Posselt, Jr., general trustee.

Chief Thomas will also receive assistance from Chief Reginald Jubb of the Mamaroneck Volunteer Fire Department, who has promised to have 40 uniformed firemen on hand to keep order among the 4,000 expected to view the annual classic. Such firemen will help police the hill has offered his services for the afternoon.

According to most estimates, the forces of law and order will have much to occupy their time during the afternoon. First, there will be the assembly of re-racing automobiles. This will be accomplished by sending them through Travers or Warren Avenue, through Kinderhook or Barry, Jefferson or Hillside Avenue.

Firemen will string up ropes surrounding the race course to which will be stationed a score of men.

Both will keep spectators from trespassing on the course or "crashing" the bleacher section.

Police details will convey the preliminary parade from the St. Thomas Community House to the hill for their initial duty tomorrow. A single policeman was stationed outside the Community House all day Wednesday during the inspection program.

NO CHANGES MADE IN DERBY PLANS

Procedure To Follow Same Pattern Successfully Used
Last Year

So successfully was the 1939 Soap Box Derby handled that the general committee did not have to give much thought to innovation that would improve the efficiency or the speed in running the 1940 classic. Hence, the general pre-race activities and actual operation of the Derby are the same as last year.

"We are better organized," said Rev. Theodore G. Posselt, Jr., 1940 general chairman, "if that is possible. But outside of having provided a sponsor's committee, headed by Fred Wilson, and tickets for each driver and mechanic, which eliminate confusion when it's time to claim soda pop, no innovations have been instituted."

Although it could hardly be called an innovation, it is interesting to note that three school instructors have been added to the Lions Club committee roster this year. They are Fred Parr of Mamaroneck High School and George Ockershausen and Herbert Edmondson of F. E. Bellows. Mr. Parr will help on inspections with Mr. Litchford while Mr. Ockershausen will assist the timers.

SURPRISE!
SCOTTSBURGH, N.Y. (AP)—Two policemen caught six boys raising a cherry orchard, but not without the boys' cooperation. While one officer herded three boys toward the police station, the other got into the boys' car. "Hey, wait for us," shouted a boy running for the car.

The officer did more than that—he even opened the door for three who piled inside before they noticed him at the wheel.

ROPE REPLACES TAIL
EDWARDSVILLE, ILL. (AP)—Last winter the tail of Clifford Bantelson's bull, Ferdinand, was frozen off. Now the animal shows away the flies with a length of frayed rope "grafted" to the stump.

**Congratulations
SOAP BOXERS!**

Your skill and sportsmanship merits the praise of everyone!

May the
Best Boy Win!

COLLEGE SCHOLARSHIP IS AWARDED Presentation of the grand award for victory in the All-American Soap Box Derby finals—a four-year college scholarship—was made to Clifford Hardisty, White Plains, N. Y., at the victory luncheon in Akron, O., after the race. C. F. Finken, Chevrolet Motor Division president, and the award and trophies to young Hardisty, as Myron Scott (left), of Dayton, O., look on.

AKRON PLAYS ROYAL HOST TO DERBY VICTORS AS CITY DECLARES A CIVIC HOLIDAY

Mamaroneck-Larchmont Soap Box Derby champion, however he may be, has in store an experience he will remember vividly as long as he lives. For the All-American Finals in the Derby which The Daily Times is co-sponsoring, in one of the most colorful events in the vast field of sport.

Aug. 11, the day of the All-American finals, held at Akron, O., will be a huge civic holiday. That Ohio metropolis will suspend its business activities for the day to turn out and welcome the Derby champions from all corners of the United States. Bands will be coming each entry at the All-American Derby headquarters, a leading Akron hotel. The hotel is reserved from cellar to roof for the entrants and their official sponsors.

The formal program for the champions opens Saturday morning, Aug. 10, and from then on right through the evening after conclusion of the race their time will be crisscrossed full of action. As in the past, adult group leaders will be assigned to see that every champion's interests are a leading Akron hotel. The hotel is reserved from cellar to roof for the entrants and their official sponsors.

On Saturday afternoon, following the expiration of entries, each boy will have an opportunity to test his car on Derby Downs, where he has been running since 1936. Following the afternoon of test runs, the champions will be entertained in a group by a special program arranged for their benefit. The main program will begin early in the afternoon.

Even after the last race has finished across the finish line there will still be a big evening in store for Chevrolet's guests. The entire group of champs from all cities will be the featured guests at the annual Soap Box Derby banquet in Akron's huge armory, where, at the conclusion of the dinner and its accompanying entertainment program, presentation of the numerous prizes will take place. And prizes are not restricted to those who carry off top honors. Every city champion will bring home a reminder that he competed in the world's foremost amateur racing event.

NONCHALANCE
NEW YORK (AP)—When two-year-old Thomas O'Donohue fell from a third-floor fire escape into a canvas beach chair in the yard below, six-year-old Patrick McKenna, sitting nearby, calmly called out:

"Mama, the baby fell." Aside from scratches and bruises, the child was unhurt.

DERBY GREATEST AMATEUR EVENT

Youthful Entrants Learn True
Sportsmanship Through
Race Competition

The All-American Soap Box Derby has long been called "the greatest amateur racing event in the world." It is, however, far more than that. In the seven years of its sponsorship by Chevrolet and leading newspapers throughout the country, the Soap Box Derby has become a powerful influence in shaping the character and lives of America's youth.

Thousands upon thousands of boys in desiring and building their cars, in testing them and racing them, in winning and in losing—have gained something of far greater value to them than a mere race victory and the prize awards. That thing is the spirit of fair play.

These thousands upon thousands of boys have learned to play the game . . . to respect the rules. In short, they have learned true sportsmanship . . . than which there is no better foundation for good citizenship.

All Boys Protected By Metal Helmet

Each entrant in The Daily Times Soap Box Derby will be supplied with a regulation driving helmet, constructed of light metal. Use of helmets minimizes danger of any possible head injuries which might result from a crash of races. Helmets are lined with rubber and elastic web in each correct chafing of the head.

The helmets are silver in color, with embossed Derby insignia on their fronts.

SLIGHT ERROR
MARINE, ILL. (AP)—Add hot weather stories. Louis Fruth, hoping to cool his feet, changed shoes after generously sprinkling powder inside.

Later the shoes felt tight and stuck when he attempted to remove them. Investigating, Fruth found he had used adhesive dental powder for holding false teeth, instead of talcum powder.

Gate Crasher?

Let us keep in mind this fact: back of all the fun and the whoopee lies a mighty real opportunity for one young man. For thanks to the Lions Club, The Daily Times and Soundview Chevrolet, each of our boys in the Derby is having his big chance at a four year scholarship.

Here's pulling for the Mamaroneck winner. May he be the lucky lad to crash the college gates, and go on to a lifetime of achievement and prosperity!

COMBING THE TOWN

Band Plays Tonight

With fair weather in prospect, a large crowd was expected tonight at Harbor Island Park to listen to the fifth concert of the Summer to be staged by the Mamaroneck Community Band.

The band will present many popular numbers. Only one more concert, planned next Wednesday night, will be given in the series, which is being sponsored by the Mamaroneck Rotary Club.

New Voter Tests

Literacy tests for first voters, or new residents of this state, will be held tomorrow at the Mamaroneck Senior High School, Palmer Avenue and at P. E. Bellows High School, Carroll Avenue, from 4 until 6 o'clock in the evening.

Subsequent dates have been set for certification on Aug. 10 and 20, at the same places.

Mrs. Elise Williams will be in charge of examinations at P. E. Bellows School and Stuart J. Adams, head of the local office of the Senior High School.

Since 1922 all residents of voting age in New York State have been required to take literacy tests or show sufficient evidence to pass such a test.

Boy Hurt On Beach

James Santos, 10, of 170 Rockland Avenue, Village, injured at Harbor Island Beach yesterday afternoon. The boy was in the confusion of the race while diving from a float, police reported.

Steve Johnson, head life guard, took the boy to shore and he was removed to the police station, where he was treated by Dr. F. H. Hunter and sent to the hospital with his father, Michael Santos.

Avenue Fully Open

Earth excavated on Rushmore Avenue to make way for a sewer being installed there had been removed so that the avenue will now accommodate two lanes of traffic. Manager Johnson said to day the avenue project is costing less, however.

Auto Runs Wild

An automobile left parked on Penmore Road near Muro Avenue, Village, at 8:45 P. M. yesterday by Roy Woodard, 40, of 24 Boulevard Gardens Apartments, Rockland Avenue, and rolled down the Penmore Road high speed, toward the Boston Post Road.

The car jumped the pavement and crashed into the side of a house of Charles Rutling, on the east side of Penmore Road about a block away. The car and house were damaged.

Contracts Awarded

The Mamaroneck Board of Education, meeting last night, awarded contracts for printing, first aid and general supplies, replacement of broken window glass, repainting of backboards and numerous other maintenance and repair items.

The many small contracts totalled approximately \$1,500. The full board was present, with Mayor O. Moynihan, president, presiding.

HEAT OVERCOMES MAN IN HIS CAR

First Prostration Reported Here; Cloudy And Cooler Weather Forecast

The first heat prostration of the season in this vicinity is being reported to police occurred yesterday when Alexander Lee, 46, of 24 Maple Avenue, Village, was overcome on Fifth Avenue in the Town of Mamaroneck.

Lee was in his automobile when he was overcome. Passerby summoned Walter Street police, who took the man to New Rochelle Hospital. After being treated he was returned to his home in Mamaroneck.

While the U. S. Weather Bureau forecast "cloudy and cooler" for tonight and tomorrow, it predicted that warmer weather would return Friday. Lowest temperature tonight was predicted at 70 degrees.

The attendance at Harbor Island Beach soared to 5,000 yesterday as local residents sought relief from the heat. Threshing loads and men mowing for hours just before 4 P. M. Although the showers that fell were light and the stars soon blew away.

CRASH DENTED FENDERS

Fenders were dented on two cars which collided at Leffmans Avenue and the Boston Post Road, Mamaroneck, at 7 P. M. yesterday.

One machine was driven by Elizabeth Adams, 24, of 14 Leffmans Avenue, and the other by Hyman Moffat, 4, of Addison Street, Leffmans.

DEMOCRATS PICK COUNTY SLATE BY UNANIMOUS VOTE

Party Also Pledges Support To Roosevelt For A Third Term

LOCAL MAN PROTESTS

William Gerety Rouses Ire Of Delegates With Speech For Willie

By MICH W. ROBERTSON

Willie Gerety, who had previously adopted pledging their support to Franklin D. Roosevelt for a third term as president, the Westchester Democratic County Committee last evening designated candidates for county and district office, by unanimous vote in each of the districts.

Candidates were chosen for all offices except for representative in Congress, 25th District, which will be settled later in a meeting of the Westchester leaders with those of Rockland County, a part of the district.

The candidates are as follows: Thomas P. J. J. Conner, Port Chester, for district attorney; Valentin O'Hara, Yonkers, for county clerk.

Assembly, First District, I. Henry Katz, New Rochelle; Second District, Ashbrook Bryant, White Plains; Third District, Albert Pullman, Ossining; Fourth District, John O'Donnell, Yonkers; Fifth District, Arthur J. Doran, Yonkers.

State Senate: 25th District, Mayor John P. Doyle, Mount Kisco; 26th District, Joseph A. Novicki, Yonkers.

Congress: 25th District, James M. Fitzpatrick, the Bronx; 26th District, undetermined, but likely to be either Mayor Morris Sheehy, Hastings or John W. Lane, Yonkers.

Harmony and unanimity marked the convention with the Democratic viewpoint about one in toward interest. This came on the reaction of the delegates, it was as unexpected as it was unrelenting.

As county chairman Edward J. Murray, Yonkers, prepared to put the resolution to a vote, these came from the rear a demand for recognition.

I am William J. Gerety of Larchmont, cried a youthful voice. "As a young Democrat I gave my first vote in 1932 to President Roosevelt. And I am with a tremendous majority of the people here, because as a Democrat I do not believe in a third term for any president."

There were cries of "throw him out" and one delegate rose to demand that the speaker be removed from the hall.

RYE CITY VOTED BY 1,206 TO 34

Proposition Approved As Only Half Of Village's Electorate Goes To Polls

Fewer than half of the qualified voters of Rye village went to the polls yesterday to vote on a city charter. The charter proposition was approved 1,206 to 34, and the village will become a city Jan. 1, 1942.

The city charter with a population of 9,800 sent 1,206 out of 3,300 qualified voters to the polls, located at five headquarters.

Rye was victor last week in an action forestalling a countywide referendum on the Rye charter, Port Chester, which is also in the Town of Rye, sought to require a referendum by the entire county on the grounds that the shift to cityhood changed the form and composition of the Board of Supervisors.

The Court of Appeals, in its decision of the 1941, the city will continue to share Town of Rye voters' county with Port Chester.

MAMARONECK SKETCHES BY WILL DANCY

George Rohr, 19, of 730 Stuart Avenue, Village, reported at 11 P. M. yesterday that he had been arrested by a police officer on the grounds that he had been driving a car without a license.

He was taken to the police station and held for a short time before being released. The officer who arrested him was from the 10th precinct.

He was released after a short time. The officer who arrested him was from the 10th precinct.

U. S. BANS GAS EXPORTS FOR A NATION; BRITAIN TO EXTEND BLOCKADE

CONFIDENTIALLY SPEAKING: Joseph A. Novicki of Yonkers (left), Democratic candidate for the State Senate, 26th District, and Valentin O'Hara of Yonkers, Democratic candidate for county clerk, the pair were last night at the Democratic County Convention in White Plains.

Axis To Weaken Before Attempt At Invasion

TROOPS MOVE UP

(By The Associated Press)

The administration today banned exports of aviation gasoline to all nations except those of the Western Hemisphere.

American-owned aviation firms operating outside the hemisphere, however, still will be able to get the fuel.

Stephen Ely, presidential secretary, told reporters that Col. R. L. Maxwell, administrator of export control, had recommended and the President had approved this ban.

In the future non-British shipping companies will have to agree to the export of aviation gasoline to all nations of the Western Hemisphere, except where such gasoline is required for the operations of American-owned companies.

Britain today ordered a blockade extending from the Arctic to Southern Africa, effective at midnight tonight, in order to prevent the Axis from getting the fuel.

COMBING THE TOWN

Off To Plattsburg

Five Mamaroneck men will take part in the U. S. Army maneuvers at Plattsburg, N. Y. It was learned today.

Major Claude A. Latimer and Major W. S. von Bernuth leave today for Plattsburg.

Motocycle Officer John Quinn, who is a staff sergeant in charge of automotive equipment, Battery F, Harry Noy, who is a telephone sergeant, and John F. Quinn, Jr., a private attached to the headquarters section of Battery F, leave tomorrow.

The latter three men will remain for one week at Fort Ethan Allen and then will proceed to Plattsburg for the maneuvers.

Police Exams Nearer

The state civil service commission moved a step nearer today to holding examinations for the position of chief of police for the Mamaroneck Village Police Department when it notified Corporation Counsel Anthony S. Sotomayor that applications to take the examination must be in the hands of the commission by noon, Aug. 24.

The commission set no date for the examination, but merely said that application forms may be obtained from the Examination Division, State Department of Civil Service, Albany, N. Y., and that the forms must be filled out and returned to the same division no later than Aug. 24.

Local residents of Westchester county may compete in the examination.

The calling of an examination has been in the hands of the commission for some months now. The Village is seeking to find a successor to former Police Chief Charles H. Stowell.

Club To Hear Gert

Alfred Gert, Jr., chairman of the race committee at Larchmont, will address the Rotary Club of Larchmont tonight at that organization's next meeting on Friday. Mr. Gert's subject will be "Highlights of Race Week."

Dr. Charles Frederick, of the U. S. Marine Corps, will speak to the Rotarians yesterday. Miss Nash went to the pool with "live" another 50 yards by "live" into a bathing suit. Miss Nash, making their swim to give them proper food.

The meeting was held at the Larchmont State Club.

ON POST ROAD

Passengers Escape Injury As Woman Throws Self In Front Of Bus

Passengers in a New York bus were not injured when a woman threw herself in front of the vehicle today, according to a police report.

The driver, Paul Craven, averted the bus and crashed into a stone wall. None of the 30 passengers was injured although Craven suffered a strained ankle.

When it was found that a woman was in the path of the bus, Craven, who was driving on Post Road, told police he was standing beside the woman, dressed in a night gown and slip and an overcoat, on the Post Road, when she asked him to help her "get a lift."

He referred her to a policeman.

As the bus approached, he told police, she deliberately tried to dive under the bus. Mrs. Werner was visiting her father-in-law, William Werner of Grace Church, Rye. She was not injured, but refused to talk when questioned by police because no charges were preferred against Mrs. Werner by the bus driver, who was released to her relatives.

Youth Organizations Oppose Conscription

A resolution opposing the Barker-Karpis Conscription Bill was passed last night at a meeting of 150 representatives of youth organizations held at the Carpathian-American Casino, Yorkers.

The group, in which the New York League of Bedford Hills, children of the Westchester American Labor Party and leaders of the left wing Youth League, were active, also set up the frame organization.

The resolution was adopted after a speaker, introduced at George Pennington, member of Gen. John Pennington, termed conscription "a step toward fascism."

The Daily Times

MAMARONECK, N. Y., SATURDAY, AUGUST 3, 1940

A MINUTELY ROUNDUP occurred in Mamaroneck yesterday when nine head of cattle, being transported from Malone, N. Y., to Huntington, L. I., were released from their truck while a tenth cow gave birth to a calf. Allen Butts, left, and Fred Evans, agents of the Westchester S. P. C. A., assisted a veterinarian in the maternity case. Police and residents of Mamaroneck for more than three hours vamping up the released cows. Because of the new addition to the truck's cargo, the driver, Edward Tote of Malone, was forced to hire another vehicle to help deliver the cows to their destination. Mother and daughter are shown above two hours after the birth. Staff Photo by Strom

COMBING THE TOWN

Elks Fete Cripples

Thirty-one crippled children of Manamorneck were treated to nine hours of fun aboard the Klondike today on a trip to Rotor Point, Conn. and return, sponsored by the Elks Club of Manamorneck. Jimmy Gunn was in charge of the outing, which started at 9:30 o'clock yesterday morning. The boat returned at 6:30. Aboard were Mrs. Fletcher, the "Lioness" Cowley, of radio renown and who entertained the children. Amusing Mr. Gunn were Walter Maher, Joseph Miller, Ernest T. T. ve, Dr. Herman Rossi, Charles Schlamme, and Mrs. and Albert Harting.

Any Donations?

Although following their usual summer custom—disposing of all business as quickly as possible in order to regain the comforts of cool porches or beach—trustees of the Village of Larchmont still found time for a cup or two during the session last night at the Village Hall.

After the matter of a Village swimming pool was put off for further discussion, which was anticipated, such a project would cost what is said to be about \$100,000. Trustee Arthur Louck said to Trustee Harold Rossi:

"Perhaps you could include a donation in your will."

"Every little bit counts," remarked Mayor Harry E. Goswami.

Postal Men To Dine

Employees of the Manamorneck and Larchmont Postoffices will attend a dinner at Murray's on the Parkway at 8 P. M. tomorrow, sponsored by the Postmasters of Westchester County.

U. S. Senator James M. Mead will be the principal speaker. Postmaster Francis L. Edgar of Larchmont said, Inspector James Doan and Postmaster Albert Callahan of New York City will also be present.

Pot Catches Fire

A pot of grease on a kitchen stove in the Larchmont Shop at Larchmont and Palmer Avenues caught fire at 5:30 P. M. yesterday.

Companies responded to the alarm. The blaze was extinguished with chemicals. Approximately \$25 damage was done, mostly by smoke, the Larchmont Fire Department reported.

Pumper Repaired

Repairs are being made to the pumping apparatus of the Volusia Engine and Motor Company, of the Manamorneck Village Fire Department. A rear axle was broken several days ago.

The firemen were driving the apparatus to Harbor Island to engage in a softball game with the Larchmont team when the accident occurred. The pump was damaged to the extent that it is being repaired. In case an alarm is sounded while they are playing.

While the gears were being shifted by Dominick, the pump rear axle suddenly broke. First Lt. Salvatore Amoruso, who was in charge, reported.

DRAFT EQUIPMENT HELD INADEQUATE

Wheeler Claims Army Lacks Weapons For Training Of 400,000 Men

WASHINGTON (AP).—Sen. Wheeler, D. Maine, a leading opponent of conscription, asserted today that the army would have insufficient equipment to train the 400,000 men when the army estimates the Barlow-Wadsworth bill would draft by October.

There is not even enough equipment, he told reporters, for all the 25,000 National Guardsmen who might be ordered to active service under a bill now being debated by the Senate.

Senator Sheppard, D. Texas, taking prompt issue, said that only 50,000 guardsmen would be called for immediate duty, but he added that the equipment question did not apply.

Sen. Wheeler, he claimed, would be used in training the first contingent of conscripts to be selected from the 120,000 men to be trained through 30 who would have to register under the Barlow-Wadsworth measure.

That measure won approval of the military committee yesterday, but Sen. Johnson, D. Colo., Thayer, R. Idaho, and Landon, F. L. Mink, who opposed it, filed a minority report recommending that voluntary enlistments be tried and charging that conscription was "regimentation of life."

FOOD WASTE PUNISHABLE

LONDON (AP).—The Ministry of Food issued an order today effective Aug. 12, making it a punishable offense to waste food.

The order was issued as a result of a report recommending that voluntary enlistments be tried and charging that conscription was "regimentation of life."

DRAFT BILL OPPOSED

CLEVELAND (AP).—Opposition to the conscription bill was expressed by members of five big national brotherhoods in a communication made public today.

VOL. XV.—NO. 260

MEMBER OF THE AUDIT BUREAU OF CIRCULATION MAMARONECK, N. Y., TUESDAY, AUGUST 6, 1940

TYSON GETS POST AS PRINCIPAL OF HIGHLAND SCHOOL

Former Bellows Educator Takes Post With Raymond Richardson Institution

100 STUDENTS ENROLLED

Former Local Principal Was Involved In School Board Deadlock Here

Harold C. Tyson, former principal of the Frederick E. Bellows High School in New York, has been appointed principal of the Highland School, a private institution at Highland, N. Y.

Confirmation of the appointment by the Daily Times today from Edwin B. Gage, president of the school, Mr. Tyson will assume his new duties before the students assemble for the first time in September.

"It is a school for boys, founded 1913 by Raymond Richardson and Eliza Chambers Richardson, and has 100 students ranging in age from eight years to those ready for college."

Mr. Tyson, who has been associated with the school since 1938, has been made rector of director, and Mr. Tyson will be under his principal.

In his letter announcing Mr. Tyson's appointment, Mr. Gage said that the school is dedicated to the principle of character and ability in boys by teaching them "how to live."

"It is not a vocational school," he said. "It merely teaches by actual practice the factors necessary to good citizenship. Nor is it a school for academically gifted students, but rather a school for general character building which also will save the economic and social problems of today."

Mr. Tyson relinquished his post with the Bellows High School in January of this year.

Arnold R. Manchester, Popular M. H. S. Teacher For 30 Years, Succumbs

Mathematics Instructor Dies In Vermont Hospital Following Relapse

Arnold R. Manchester, one of the most popular members of the Mamaroneck Senior High School faculty, died this morning in the Mary Fletcher Hospital at Burlington, Vt., according to word received here.

Mr. Manchester, who had taught mathematics in the Senior High School for 30 years, had been in poor health for the last four months.

He underwent an operation at United Hospital, Port Chester, last April. On Saturday, he was deemed sufficiently recovered to undertake his annual trip to Vermont, where he has a summer home.

Accompanied by his wife, he went to Vermont by train.

Mr. Manchester, suffered a relapse, however, and was taken to Burlington hospital, where he died this morning.

Funeral services will be held at Vergennes, Vt., at 2 P. M. Thursday, according to word received here.

Mr. Manchester's summer place was at Long Point, on the shores of Lake Champlain.

The mathematics instructor had an intense interest in sports and the fortunes of the Mamaroneck High School teams. He followed their baseball games this Spring, while confined in the hospital, and even when he was feeling badly, wanted to know how "the boys" made out in their games.

He had been director of athletics or coach at the High School since 1910, and had the reputation of being a "walking record book" in that he could recall game logs and won by the Mamaroneck teams over a long period of years.

Mr. Manchester was a member for 16 years of the Westchester Athletic Association, which embraces all the major high schools of the county.

CASH PRIZE AWARD BY WHITE PLAINS ELKS UNDER PROBE

District Attorney's Office Investigates Scheme As Lottery Law Violation

The District Attorney's Office is making an investigation of a \$20,000 prize award scheme of the White Plains Lodge of Elks, one of its lottery law has been violated.

A promotional organization, sponsored by the Elks on July 27 distributed \$20,000 in winning tickets and holders and local charities and announced another "lottery" would be held this month.

A Newark, N. J. young woman, who was a member of the Elks, was given \$20,000 in prize money and smaller amounts to charitable organizations.

SACRIFICE VITAL NOW, HULL SAYS

Secretary of State Calls For 'Hard Personal Sacrifice' To Maintain Peace

WASHINGTON (AP).—Secretary of State Hull called for "hard personal sacrifice" to help keep the nation at peace.

He said that the nation must continue to make sacrifices in order to maintain peace.

He said that the nation must continue to make sacrifices in order to maintain peace.

BOARD CONSIDERS SWIMMING POOL FOR LARCHMONT

\$100,000 Estimated As Cost Of Bathing Facilities For Residents

SEE AS FUTURE NEED

Truck Purchased At Cost Of \$2,446; Water Equipment Also Approved

The question of bathing facilities for those Larchmont residents without access to private clubs and who cannot afford the prices demanded by "public clubs" occupied the attention of the Larchmont Village Board, which met last night in the Village Hall.

Barely a quorum was present to hear Trustee Harold E. Rossi declare that "there is always a solution to the problem in a swimming pool," and that the village should build one.

Mr. Rossi, who was accompanied by Mayor Harry E. Goswami, and Trustee Arthur Louck, only other board members present, ended in the talking of the problem when an advisory ultimate figure of \$100,000 was advanced by Mr. Rossi as the cost of a pool adequate enough to accommodate the number who would use it.

"Some day the village will have such a pool," said Mr. Rossi, "but that time is 10 or 15 years away."

The board was then adjourned until the next meeting.

Mr. Rossi, who was accompanied by Mayor Harry E. 2 WPA Jobs Approved For Mamaroneck Total \$90,000 In U. S. Funds

BAND TO PRESENT FINAL PROGRAM

\$58,553 Allocated For Fenimore Road Project, \$31,446 For Rumor-Sewer

Two Work Projects Administration jobs for the Village of Mamaroneck, totaling more than \$90,000 in federal funds, have been approved by President Roosevelt.

Rep. Ralph A. Gamble, of Larchmont, today informed local officials.

One allocation is in the sum of \$58,553 for the improvement of Fenimore Road, including the construction of a bridge over the stream at the intersection of the road with the railroad tracks.

The second allocation is in the sum of \$31,446 for the Rumor-Sewer project in the village of Mamaroneck.

The project will include the construction of a sewer line from the intersection of the road with the railroad tracks to the intersection of the road with the railroad tracks.

Miss Bundy Moves Into Third Round

The maiden bout of affectionately carried Dorothy Bundy to the Madison championship at East Hampton last week after an indifferent early season continued today in the third round of the Eastern Grass Court Championships at Rye with a 6-3, 6-0 triumph over Virginia Adair.

Miss Bundy's victory placed her at the head of a delegation of four players who had won the title in 1937, 1938, 1939, and 1940.

She was defeated by Helen Wills Moody in the first round of the 1937 tournament.

She was defeated by Helen Wills Moody in the first round of the 1938 tournament.

She was defeated by Helen Wills Moody in the first round of the 1939 tournament.

She was defeated by Helen Wills Moody in the first round of the 1940 tournament.

CHIRILO FAMILY'S REMOVAL DELAYED

State Attorney General's Office Indicates Move To Re-open Case

According to Mr. Davidson, all persons concerned in the case are anxious to have a determination by the Court of Appeals as to the propriety of the removal of the Chirilo family from the country.

Mr. Davidson said that the removal of the Chirilo family from the country is being delayed until the Court of Appeals has made a determination as to the propriety of the removal.

COMBING THE TOWN

False Teeth Found

The owner of a set of false teeth found in Manor Park, Larchmont, was being sought today by Larchmont Village police.

Police found a pair of glasses at the park yesterday and the spectacles were claimed by a man from Bronxville. He knew nothing of the false teeth, however.

The teeth had been left on the ground by someone who apparently walked away without thinking of them, Police Chief Kersey said.

One of the other people in the park was bitten, but Chief Kersey thinks the owner of the set probably will want them back. They're there, at Larchmont police headquarters.

Kiwanis To Meet

A meeting designed to speed up arrangement of the program for the Harbor Fair, which is being held on Saturday afternoon will be held tonight with members of the Kiwanis Club of Larchmont. Sponsors of the meet, and Steven Johnson, swimming director at Harbor Island, attending.

One of the committee's jobs will be to sort the many entry blanks into proper classifications, and discuss the later part of the carnival schedule, balloon and potato races for boys and girls and watermelon eating contest for boys only.

It was announced this morning that the Kiwanis Club is forming a team to demonstrate lifesaving tactics and the proper methods of using a canoe.

It was also revealed today that solicitations for advertisements are being made in the Village of Mamaroneck by Kiwanians for the first section of Westchester to assist in the building of a three-day school, scheduled to go on at the City Center, White Plains, later this month. Local Kiwanians deny any affiliation with the event and announced that they are not supporting any program which will further burden the merchants in this area.

Murder By Radio

Larchmont police last night received an urgent call from a resident of Chestnut Avenue who screamed into the telephone that a robbery was being murdered next door.

A radio car was dispatched to that scene, and the officers found a maid and chauffeur seated in the kitchen, quietly listening to a radio drama. The heroine in the radio drama, however, was shouting, "Oh, save me, please, somebody save me."

The heroine's plea had been heard by the neighbors.

Office Ransacked

Herman Cohen, of 1125 Knickerbocker Avenue, Village, reported to the Village of Mamaroneck, that at 6:15 o'clock this morning that several desks in the office of the Pure Food Factory, 2000 Westchester Avenue, had been opened and the contents of each desk, including the files, had been removed. Officer Charles Hanna and Detective Louis Giancola revealed the details.

Investigators discovered eight keys on the roof of the building. Many keys left open, and a rear door was open, although it had not been forced. The discovery was made by Joseph J. Palmer, an employee, who resides at 65 Grand Street, Village.

Literacy Tests

The third and last literacy test for voters who are required to be certified as literate before they may cast votes in the presidential election in No. 10, will be held tomorrow at the Senior High School, 2000 Westchester Avenue, and at the Frederick E. Ryer High School, 2000 Westchester Avenue, and at the Ryer High School, 2000 Westchester Avenue.

Russell Akse is in charge of the tests. The tests will be supervised by Miss Elsie Williams, who will supervise the tests at the Ryer High School.

Akse reported today that the largest number of applicants in years had applied for tests, and added that additional forms were requested from Albany, to accommodate the unexpected number.

Many of the voters of the Class of 1936 of the local high school, now eligible to cast their first votes, are among those taking the tests.

Court Makes Peace

Ernest Rivera, 40, of 510 Centre Avenue, and Dominick Recchia, 18, of 805 Centre Avenue, both Village, agreed with Judge Patrick J. Hughes in Village Police Court this morning when he advised them that "fighting is no where." Both were fined \$10 for fighting at 12:40 A. M. yesterday at the intersection of Centre Avenue and Centre Avenue.

Rivera and Recchia brought counter charges of assault against each other, according to police. Rivera started the battle with the assistance of his brother, Dominick, who was aided by his brother, Recchia. Recchia charged he was struck with a cane during the fight while Rivera exhibited a tilted finger.

Wins Scholarship

Robert P. Degen, Jr., of 919 North Drive, Town of Mamaroneck, is the recipient of a four-year, \$100 per year scholarship to any college in New York State approved by the State Board of Regents as the result of his attaining an average of 90.57 at Larchmont Preparatory School, New Rochelle. The award was announced by the State Department of Education.

JOINT DEFENSE BOARD LAYS U.S. TARIFFS IN FORTUNES OF WAR

Roosevelt Confers On Naming American Members STUDIES TO BEGIN

WASHINGTON (AP)—Senator Clark (D-Ill.) told the Senate today that the address of Ambassador William C. Bullitt, predicting a German attack on the United States if Great Britain is defeated, was "very, very little short of treason."

WASHINGTON (AP)—The Senate appropriations committee approved today a \$8,000,000 appropriation for providing funds for the beginning of construction on a "two ocean" navy and for equipping an army of 1,200,000 men.

HYDE PARK (AP)—President Roosevelt initiated conversations with State, War and Navy department officials by telephone today to get their suggestions for naming American members to a joint Canadian-American Defense Board, which he hopes will be set up by Thursday.

An agreement to create the board was reached yesterday at a conference at Ogdensburg between the President and Prime Minister W. L. Mackenzie King of Canada.

White House officials said the chief executive hoped the board's first meeting to consider mutual defense problems of the two nations could be held early next week.

The place for a meeting has not yet been decided. But a president aide said that was no important since subsequent meetings would be held both in Canada and the United States.

The decision to set up a permanent board, made up primarily of four or five military experts from each country, was announced yesterday in a joint statement at Ogdensburg.

There, on the international border, the President and the Prime Minister had met to discuss mutual problems of defense and the safety of their nations. There they made an agreement unique in the annals of American foreign policy in effect, it made neutral United States, for purposes of North American defense, an ally of a nation actively at war with Germany and Italy.

If the agreement envisions American involvement should be brought to the conflict to the dominion, it was nothing more than military men had expected. They have long contended that for the United States to be safe, it must see to it that Canada also is safe.

NAZIS CRITICIZE FACT
LONDON (AP)—An Exchange Telegraph Agency dispatch today quoted the German radio station at Bremen as describing the United States-Canadian defense board agreement as "nothing less than a declaration of war on the political system of the United States."

PHILADELPHIA (AP)—U. S. Ambassador to France William G. Bullitt bluntly predicted a German attack on the United States if Great Britain is defeated and urged the nation last night to adopt conscription and send aid to the British.

513 NAZI PLANES DOWNED IN WEEK, BRITISH DECLARE

Zero Hour Near For Smashing Attack By German Air Force

LONDON (AP)—The air ministry announced tonight that British fighter planes during the past seven days had shot down 513 German planes.

With the Germans apparently nearing the zero hour for an attempt to smash Britain into submission by direct invasion, the British launched a thundering attack against the Nazi invasion fleet and claimed that their fighters were patrolling Nazi air blows with an increasingly favorable advantage.

The order to make the isles a defense area-subject at a moment's notice to drastic action by directly cooperating civil and military authorities—was issued as a "precautionary measure" by the Ministry of Home Security.

Until now, only a 20-mile strip of the eastern and southern coasts from the Scottish border to Portland had been a defense area.

Again today, bomber traffic over the English Channel was two-way after a Sunday exchange of raids in which both sides pounded at sources of enemy strength.

Apparently attempting to destroy or immobilize Britain's air force, waves of Nazi planes struck at strategic landing airfields, twice causing Sunday air raid alarms in London.

But, the British declared, the Nazi achieved little success at great cost, losing planes at a rate of more than one to nine of Britain's.

NEW BLOWS PREPARED
BERLIN (AP)—Germany's multi-part indications today that the final pressure is about to be applied in an attempt to make Britain sue for peace, just as France was forced to sue, as falling new blows in aerial war were reported by the high command.

Through Swiss diplomatic channels, Adolf Hitler warned the British to treat his parachute troops according to the international law, applying to other troops or he would visit reprisals upon British aviators held prisoner.

Aside from this implication that Germany may be about to attempt the landing of men to hold vital land objectives in Britain, authorized spokesmen declared "We give you three days of good weather," intimating that the German military is convinced the air war is rapidly achieving its purpose of "softening up" the British and that the crucial week may be at hand.

German troops were reported at French channel ports, waiting for the air force to do its work.

Store Owner Finds Body Of Suicide
County Medical Examiner Amos O. Squibb issued a verdict of "suicide" while temporarily deranged in the death of Spence Myrnat, 36, of 62 Mulford, Carden, Yonkers, who was found at 10:40 A. M. Saturday in the rear room of a Riverside Avenue cigar store with his right wrist slashed with a broken glass bottle.

The body was found by James Luckey, owner of the store, when he opened it in the morning. He found the body of Myrnat slumped over a counter at 6:30 P. M. Friday at the store.

When he closed the store at 7 P. M. that night, Myrnat must have been in a closet in the rear, he said. Doctors said Myrnat was dead six or eight hours before the body was found.

Griffith of New Rochelle. Photo by Robichon

POSTAL EMPLOYEES PREPARE STAGE TO REGISTER ALIENS

Compulsory Registration Begins Here Aug. 27; Postmasters Attend Conference

Registration of aliens in Mamaroneck and Larchmont will begin on Aug. 27 at the Postoffices in the two communities.

A meeting at the New York City central office with Postal Inspectors today was attended by Postmaster Frank L. Egger of Larchmont and Assistant Postmaster Louis Tiano, acting in the absence of Postmaster J. F. Linahan.

Final instructions will be given to the Postmasters of this area for the registration of aliens, including those who have received their first citizenship papers and have petitioned for naturalization.

The possibility of employing additional help to aid in the registration will be discussed at the meeting today. Postmaster Egger said his staff is already limited, he said.

A number of aliens in this vicinity could not be immediately determined, although it was believed that the Mamaroneck postal district had the larger number.

Mr. Egger said that he was "fairly certain" that the registration of aliens in Larchmont has increased since war started in Europe.

The Postoffice employees who will handle the registrations are expected to obtain instructions in fingerprinting from the police department in making false statements in registering. The act prescribes a maximum fine of \$100 and six months imprisonment for violations.

Registration will be required to fill out form, answering 15 questions. The Postoffices here reported today that all the forms to be required have been furnished, but are expected to be on hand after the beginning date, Aug. 26, or they will be liable to prosecution.

Answers to the 15 questions, filled out at leisure by the registrant, will be copied by Postoffice clerks on a second form and the registrant's signature and fingerprints will be attached to it.

Under a verdict of "suicide" while temporarily deranged in the death of Spence Myrnat, 36, of 62 Mulford, Carden, Yonkers, who was found at 10:40 A. M. Saturday in the rear room of a Riverside Avenue cigar store with his right wrist slashed with a broken glass bottle.

RIFLES USED ON BOMBER
LONDON (AP)—The rifle fire of British home guards brought down a German dive bomber which was attacked with machine guns in south London Sunday, the war office said today. "This is the first occasion on which the home guard has been brought into action against a German bomber," the war office said.

Willkie To Make Speech In County Next Month, Party Leaders Assured

Griffiths, Becker, Others Return From Elwood; Governor Stassen Accepts Invitation

Practical assurance has been given Westchester County that Wendell L. Wilkie will speak in White Plains before the Republican State convention the latter part of next month, in the County Center, it was learned today.

Charles H. Griffith, Republican county chairman, returning last evening from Elwood, Ind., where he heard Mr. Wilkie's acceptance speech, said he had definite assurances, from Samuel E. Pryor, Greenwich, Eastern States campaign manager for the GOP candidate, that the White Plains date would be placed on Mr. Wilkie's tentative schedule. The exact date will not be set until the day's convention to which Mr. Wilkie is expected to arrive on Sept. 23 and Oct. 1.

Mr. Pryor assured me that every effort will be made to work the date into Mr. Wilkie's schedule, and he trusts Mr. Wilkie will be able to make it here," Mr. Griffith assured.

Ralph E. Becker of Port Chester, president of the New York State Association of Young Republicans, brought back from Elwood information that Governor Harold E. Stassen of Minnesota, keynote of the Republican National Convention, had accepted a personal invitation extended by Mr. Becker to be the speaker at a dinner which the County Young Republicans will hold on the night prior to the convention, if the date selected for the convention also fits his schedule.

Mr. Griffith and all members of the delegation from this County and other parts of the state who went to Elwood on the New York State special train came back with high praise of the manner in which their candidate dealt with the issues of the forthcoming campaign in his acceptance address.

Opinion was general that he had met the issues squarely and that the beliefs which he had voiced (Continued On Page Three)

THREE CRACK SWIMMERS hear William J. Bragg, president of the Mamaroneck Kiwanis Club, describe details of the Harbor Island swimming carnival, which will be held Saturday. ERIC RISCALD of 425 Centre Ave., Village, was fined \$2 in Village Police Court this morning by Judge Patrick J. Hughes for failing to carry registration.

CHIRILLO GAINS RESPIRE FROM ORDER DEPORTING HIM TO WOOSTER, OHIO
Rosario Chirillo, the Mamaroneck cobbler whose ouster to Wooster, Ohio has been sought for six months by the County Department of Welfare, had another respite today from the deportation order. Under the order, Edward R. Finck of the County of Appeals has signed a show cause order, returnable Sept. 30 in Albany when the constitutionality of Section 71 of the Public Welfare Law will be argued. The order was granted Thursday in New York on the application of Morris Shapiro, attorney for the Workers Defense League.

On July 24, the court upheld the order of Chirillo, but the majority opinion did not rule on the constitutional question involved. Umberto D'Alessandro, deputy Westchester County attorney, said today the cobbler and his family of five would remain status quo until the appearance on Sept. 30. Chirillo came here from Wooster in January, 1939 and applied for relief last fall. It was granted, and because he had not lived in the state a year, the residence relief, the County Welfare Department asked his ouster. This was ordered Jan. 16 by County Judge Frank Coyne and the question has been debated in the courts ever since.

Following stories of his plight, business boomed in the tiny store at 139 Halsewood Avenue and the Chirillo has not been on relief since January.

BRITAIN TO PREPARE BARRICADES AGAINST INVASION THIS WEEK

THE WAR IN BRIEF

Condensed from late Associated Press dispatches today:

BASEL—British night raiders hit Germany's largest aircraft factory near Swiss border.

LONDON—German planes wing over London again; delayed action bombs explode ten hours later in southeast town; British claim 141 German planes downed yesterday, 22 British fighters lost.

BERLIN—Nazis call this invasion week, flights over England; 147 British planes destroyed to 36 German.

CAIRO—British airmen damage motorized columns and infantry to slow Italian drive on Berbera, British Somaliland; heavily bomb air base at Ad Dis Ababa.

ROME—Italians claim British forces are retreating; ships from Berbera under air bombardment after breaking through Italian lines; Milan, Turin again raided.

SHANGHAI—U. S. Marines taking over new defense zones pending further negotiations with Japanese.

HYDE PARK—Canada's first joint U. S. by President Roosevelt, Prime Minister Mackenzie King; joint defense board of military experts to meet soon, study sea, land and air problems including personnel and material.

Sheriff Banishes Pinball Machines

Charging slot machine gambling again in rampant in White Plains, Sheriff George A. Carey and District Attorney Walter A. Ferris today ordered distributors to remove all pinball machines from the city within 48 hours "or have them confiscated."

Deputy Sheriff Frank Caspi, who with city detectives today visited the offices of Archie Goldberg, Morris Goldberg and Ralph Fazzoli, said to be the distributors of 90 percent of the machines, refused to estimate how many machines are in use now.

"But there are just as many as there were before the raids last winter," he said.

Shortly before the raids on Jan. 21 when \$6,000 worth of machines were destroyed and 15 shopkeepers summoned, it was estimated approximately 300 machines were operating here.

Nazi troops massed at French channel ports, described as waiting impatiently for the air force to prepare the way for a cross-channel land invasion, confident of swift victory with the end of the war by September.

The British military's home security, in a communique announced the establishment of a nation-wide defense zone, said that these areas embraced England, Scotland and Wales and that the order "enables any measures to be introduced without delay which might be deemed urgently necessary" in case of an invasion.

Simultaneously the German government notified Britain through the Swiss foreign office that Nazi parachute troops must be treated according to international law—not shot as spies when taken prisoner—or direct reprisals would be taken against English air force captives.

Despite reports that Nazi paratroopers have been seen in the English Channel, the German government has not admitted the action was intended as a show of strength or the benefit of Greece, which faces possible territorial demands from Italy.

Military sources in Cairo said Italy has thrown the pick of her African troops into the battle for British Somaliland and a bigger grip on the Gulf of Aden.

Islands Coordinate Defenses To Block Foe's Landing

NAZI TROOPS MASS

LONDON (AP)—The War Office announced today that the British had withdrawn from Somaliland.

The announcement said the withdrawal was a decision upon as an alternative to reinforcing the British garrison there with reserves who would be of greater use in places more important to the prosecution of the war.

(By the Associated Press)

All of Britain's island kingdom was prescribed as a single, coordinated defense area to combat "enemy landings by air or sea" today as authorized Nazis in Berlin indicated that the crucial week was at hand in the offensive against England.

Spokesmen in the German capital said the Nazi air force—with three days more of good weather—would strike decisive blows in an intensified assault on the blockade of Britain.

Up to late afternoon, however, there was no sign of the heralded new assault.

A German bomber was reported shot down in Southeast England, and a German raider bombed a house in the southeast, trapping two persons in the wreckage. Of massive attacks such as marked the previous week of aerial siege, there were none.

Aviation dispatches said Nazi air scouts were hovering over England, checking the results of their raids and searching for new targets.

The British air ministry announced that RAF fighters "bagged" 53 German planes in the past seven days of combat.

The authoritative British Press Association reported that the RAF had raised havoc in the German army of five divisions—about 100,000 men—on the French beaches. Later, however, the story was withdrawn at the request of the information ministry.

Five German RAF bombers again blasted cities in Northern Italy, attacking the big industrial centers of Milan, Turin and Genoa.

Other RAF squadrons raided western and southern Germany.

German planes, it was reported, had hit British bombers in the land, said British bombers had direct hits on one of Germany's biggest ammunition factories just across the Rhine from the town of Rheinfelden. The great Nazi zeppelin works at Friedrichshafen, the most important bomber-shaping plant, were hit during the night.

Nazi troops massed at French channel ports, described as waiting impatiently for the air force to prepare the way for a cross-channel land invasion, confident of swift victory with the end of the war by September.

The British military's home security, in a communique announced the establishment of a nation-wide defense zone, said that these areas embraced England, Scotland and Wales and that the order "enables any measures to be introduced without delay which might be deemed urgently necessary" in case of an invasion.

PRICE FIVE CENTS

NAVAL AND AIR BASES TRADED FOR OUR OVER-AGE WARSHIPS; RAF SCATTERS NAZI ATTACKS

Waves Of Raiders Turned Back Over London

23 SHOT DOWN

BULLETIN

HONGKONG, (AP)—The Japanese Army was reported today to have demanded immediate submission by French India to demands for the right to move Japanese troops through the French colony and use Haiphong as a military base, "on pain of the consequences."

Neutral sources in Haiphong, capital of Indo-China, said that Governor-General Jean Decoux, newly appointed by the Vichy Government, was trying to delay a showdown on this virtual ultimatum by asking time to seek instructions from Vichy.

Seven persons were injured in automobile accidents in the vicinity over Labor Day weekend, police reported today.

Warren Tomlinson, 10, Jamaica, L. I., location of nose, fracture of right wrist, dislocation of right elbow.

Charles Boyle, Jr., 22, of 2 Willow Avenue, Larchmont, laceration of scalp, eye and right forearm.

Daniel Price Thomas, Jr., 8, of Yorkville, laceration of left eye, contusions and abrasion of the shoulder.

Robert Thompson of New Rochelle, laceration of nose.

Max Jacobowitz, 16, of 216 Penrose Road, Village, contusion of nose, abrasion of scalp and face.

Frank Reilly, 26, of 208 Waverly Avenue, Village, abrasion of face, abrasion of scalp.

A number of automobiles were badly damaged in the series of accidents that they had to be towed to garages.

Max Jacobowitz, 16, of 216 Penrose Road, Village, contusion of nose, abrasion of scalp and face.

Frank Reilly, 26, of 208 Waverly Avenue, Village, abrasion of face, abrasion of scalp.

Roosevelt Notifies Congress Of Exchange

ACTION UPHELD

WASHINGTON, (AP)—Great Britain has given the United States definite assurance of its intentions "never to surrender or sink the British fleet in the event of the British fleet becoming unaffiliated for the moment."

The State Department made this known today by making public a statement of correspondence between Secretary Hull and Lord Lothian, British ambassador.

President Roosevelt notified Congress today of an agreement between the United States and Great Britain which this country will lease naval and air bases in British possessions in the North and South Atlantic and transfer 50 over-age destroyers to Great Britain.

The United States will acquire naval and air bases in Newfoundland and in the islands of Bermuda, the Bahamas, Jamaica, St. Lucia, Trinidad and Antigua, and in British Guiana.

The right to bases in Newfoundland, the United States will acquire naval and air bases in Newfoundland and in the islands of Bermuda, the Bahamas, Jamaica, St. Lucia, Trinidad and Antigua, and in British Guiana.

The President announced an opinion by Attorney General Jackson regarding the exchange of naval bases with Great Britain.
