Boards Organize

Annual "organization meetings," which must follow Spring elections, will be held by the Boards of Trustees in the Villages of Mamaroneck and Larchmont tonight.

In Mamaroneck, Manager Johnson will submit his budget report, as well as a list of positions considered necessary to the operation of the Village.

The Board will welcome Mayor James T. Corrigan and Trustee Edward J. Kuhn, who have been requested. The meeting will be taken by Police Justice Patrick J. Hughes.

The Larchmont Board will welcome Trustee Harold V. Bozell and Frank S. Warburton, who were re-elected to two-year terms. Among the appointments tonight are deputy clerk, village attorney, village engineer, building inspector and assessor, chemical acting police justice and chief welfare nurse.

It's Spring For Sure

Harbor Master Robert Harriott will go on duty officially tomorrow. It was announced today by Village Manager Johnson.

Many applications for moorings are being received from boat owners who expect the harbor will be crowded in exactly that way.

Mr. Johnson asked those boat owners who have told their craft to "come up" to file their mooring application to notify him of the date the boats will be re-moored.

Several boats have already been placed in the harbor waters, for the season of the year, to come.

Prizes Offered

The annual report of the Village of Larchmont will be the subject of a contest to be held in the Ninth grade of the Mamaroneck Junior High School.

Students will write a review, not exceeding 1,500 words, in a contest closing May 8. It is being sponsored by the Larchmont Board of Trustees, which will award prizes of \$20, \$15 and \$5.

The students are being asked to consider the town and its history, its contents, and to criticize the administration of the village, as outlined in the 20-page booklet.

Village Engineer Arthur Richards and teachers in the ninth grade will judge the review.

Closing Hours

All schools in the Rye Neck public school system will close at noon this Monday for the Easter vacation. It was announced today by Dr. Samuel Eaglebury, superintendent. Classes will resume on Monday, April 21.

Schools in the Mamaroneck Larchmont system will not close until 2 P. M. Wednesday, Superintendent A. Z. Boothby has announced. They will re-open also on Monday, April 21.

No Meeting Friday

Prospective defense anticipating conference with Draft Board No. 750 of Mamaroneck and Rye this week were notified today by Chairman James A. Gillies the board will meet as usual on Wednesday but will not meet on Friday, due to Holy Week.

DEFENSE OUTPUT 100 DAYS AWAY

Biggers Says History Of World May Now Depend On Labor And Industry

BULLETIN (AP)—Assessing that the United States will be 100 days from mass production of defense supplies, John D. Biggers declared today that "every industrial manager, every worker must realize that the history of the world may depend on what we do in these 100 days."

WASHINGTON (AP)—Secretary Perkins, expressed the view before the House Military Affairs Committee today that labor and industry had a responsibility to cooperate in avoiding delays in the committee's investigation of labor conditions in defense industries, the labor secretary said in statement that there was a danger of "overemphasizing" as well as "underemphasizing" the labor situation in defense industries.

"We all realize," Miss Perkins said, "that there must be the continuity of production in the defense industry."

"Responsibility for stoppages of work does not fall solely upon labor or solely upon management. Where difficulty arises is when either or both parties fail to see gain in good faith."

All-Chalmers To Reopen; Hope Held To Settle Ford Walkout

By The Associated Press

The United States Steel Corporation and the CIO steel workers organizing committee agreed today to continue wage negotiations, thus averting threat of an immediate work stoppage in the steel country.

The SWOC issued a statement which said workers would remain at their posts under the present contract until April 15 and that the changes in wages and working conditions would be referred to the CIO.

The SWOC previously had called for a strike by the workers in Washington, Secretary Perkins said the House Military Committee had also been informed that difficulties surrounding work stoppage in the aluminum and steel fields would be cleared before the end of the month.

With the All-Chalmers strike again under way, federal labor agents turned their attention to the problem of calming labor strife in the Ford Motor Company.

The company announced it would reopen the plant to its 7,000 employees tomorrow. Union leaders said they would meet men to go back to work the same day.

In New York City, northern auto line operators and the CIO United Auto Workers made ready to continue to replace one another which expired last week. Southern operators, who claim to produce more cars than the northern plants, said they would not be made to work under the CIO.

Principal UAW demands included wage increases and elimination of a North-South dual system. The UAW also demanded a 10 percent wage increase for workers in the South.

Hard working John J. Steel, chief of the Federal Communications Commission, turned from the soft coal fields to the U. S. Steel situation.

Reports also were made that state conciliators working to end steel production strike at Ford's vast River Rouge plant, where operations are valued at \$100,000,000 of defense output.

James F. Dewey, federal conciliator, and Murray D. Van Wagon, Michigan governor, said in a joint statement they hoped to get company and union representatives to meet tomorrow. "We hope," they added, "to reach a settlement at that time."

With the All-Chalmers strike out of the way, the Defense Production Board was left with three disputes unsettled out of eight which have been certified to it by the labor department.

There are the CIO-UAW strike, the Chrysler-UAW strike, and the Chrysler-UAW strike. The Chrysler-UAW strike is the most serious of the three.

Students Fly Planes

The Junior High School Model Airplane Club held a gasoline-powered plane contest at the Polo Field near Fort Chester yesterday. Contestants included John Gagliardi, Harry Schmidt, Ross Cornwell, Sam Sutter, Roy Zicht, Earl Smith and Jimmy Williams. A cross wind made long flights difficult, but all planes succeeded in getting off the ground.

There were several bad crashes, however. One plane, piloted by William F. Smith, crashed into the water. Another, piloted by John Gagliardi, crashed into the trees. The Model Engineers of Larchmont Club meet are to be held this Spring at the same place.

Democrats Meet

Non-partisan methods of filling local elective offices in Larchmont were described by Robert E. L. Howe, Town Democratic leader, at a meeting of a meeting of the Larchmont Democratic Club in its headquarters, 116 Larchmont Avenue, last night.

Mr. Howe said the system not only brought men of high attainment to public office, but has resulted in a low tax rate in Larchmont. He said the system was described by Robert E. L. Howe, Town Democratic leader, at a meeting of the Larchmont Democratic Club in its headquarters, 116 Larchmont Avenue, last night.

Educator To Speak

The Rev. J. Edward Coffey, S. J., professor of social economy and philosophy of law at the Pontifical Gregorian University of Rome will speak in the auditorium of St. Augustine's School, Larchmont, at 8 P. M. on Thursday, April 9, under auspices of the St. Augustine's Men's Club.

Father Coffey is being brought to the parish by the Rev. Thomas J. Deegan, pastor and moderator of the club. He is on leave of absence until next year, and his address will be "Pius XII in the New Order."

Albert E. Tuck, president of the club, will be on hand to see the speaker to attend.

Dinner Popular

More than 150 reservations have been made for the annual Larchmont dinner to be given by the Larchmont Post No. 24, American Legion, at the Larchmont Casino, 116 Larchmont Avenue, Saturday night, April 12, at 8 P. M.

Abel Levine, chairman of the committee in charge, said the "Larchmont" vaudeville acts will provide entertainment. Mr. Levine said, and could be seen by dancing after the dinner. An orchestra, as yet undecided, will provide music.

Services Tomorrow

The Young Men's Republican Club of Larchmont and Mamaroneck entertained at its headquarters in Larchmont last night for five members who are scheduled to leave within the next few months for service in the U. S. Army under the selective service law.

Webster Quits Race

Dr. George E. Webster, principal of the Grammar School who had been under consideration for the post of superintendent of the Western Chester School District, yesterday withdrew his candidacy in favor of Harold E. Hollister.

Dr. Webster and Mr. Hollister were two of more than 15 candidates opposing Dr. Thomas J. Wagner, who is seeking re-election to the \$800 a year post.

14 Called By Mamaroneck Board To Bring District Total To 103

Fourteen men, making 103 men, from the draft area since selective service started in November are being summoned for next Tuesday by Mamaroneck-Rye Draft Board No. 70.

The second April quota of the board was 11 men, but an additional man is being sent as a replacement for a man rejected in the last requisition.

Five of the men are volunteers. They are: Robert Henry Mitchell, Negro, 477 Manhattan Avenue, Mamaroneck; Thomas Joseph Maloney, 477 Manhattan Avenue, Mamaroneck; Anthony Joseph Calarco, 155 Spruce Street, Mamaroneck; James Vincent Ryan, Rye.

The volunteers are: Joseph Joseph, 477 Manhattan Avenue, Mamaroneck; Arthur Macle, 900 Railroad Avenue, Mamaroneck; Harry Dominic DeCres, Rye; William Collins, 155 Spruce Street, Mamaroneck; Nils Erik Sandell, Rye; William Frank, 155 Spruce Street, Mamaroneck.

Mr. McCulloch, a former Navy man, and Mr. DeLima, formerly of the Army, were in friendly discussion as to which branch of the service the prospective recruits would prefer.

Receiver of Taxes Harry D. Dittus, who is in charge of the district, also exhibited two motion pictures for the gathering. These, which Mr. Dittus said were of masterful execution.

Beer and sandwiches were served after the meeting and T. G. Gafford Smith played an accompaniment to World War songs sung by Town Chairman McElroy, and among them a somewhat edgy version of the famous "Mademoiselle from Armentau."

M'GOWAN FREED OF CHARGES IN BRIBERY CASE

Accusations Dismissed Against Pleasantville Policeman By Grand Jury

STILLWELL IN HOSPITAL

Mamaroneck Man, Facing Indictment, Reported In Serious Condition

Attempted bribery charges against James McGowan, 36 Pleasantville, were dismissed by the Grand Jury in White Plains yesterday as it voted an indictment charging former State Senator Stephen Stillwell with that offense.

Stillwell is accused of offering \$1,000 to Mamaroneck Village Trustee Edward J. Kuhn in exchange for a position for McGowan on the Mamaroneck Village Police Force.

The former Democratic senator from the Bronx is seriously ill in Grady's Hospital at the present time. He is 70 years of age and suffers from a delicate condition.

At the time the two men were arrested, District Attorney Robert T. Gallagher said that McGowan stated that he had given Stillwell \$1,000 with which to secure the position for him. Stillwell, Mr. Gallagher said, had not received any money, but it was not as much as \$1,000.

The alleged attempted bribery took place, according to the indictment, in August, 1938. The complaint was carried to the District Attorney last month by Mr. Kuhn.

ITALY DEMANDS US RECALL AIDE

Military Attache's Withdrawal Ordered As Reprisal For Hull's Action

WASHINGTON, (AP)—Italy today demanded recall of the American military attache in Rome in apparent reprisal for the action of the United States in forcing the withdrawal of the Italian naval attache from this country.

The Department announced that the Italian Government had made the request for the withdrawal of Col. William D. Butler in the same note in which it complained with the American request for withdrawal of Admiral Alberto Lais, the Italian naval attache here. The text of the note is as follows:

"By note of April 3, 1941, the Secretary of State announced the Italian ambassador that the Italian naval attache, Admiral Alberto Lais, was to be withdrawn immediately from Italy."

The Secretary of State has been informed by the Royal Italian Ambassador in a note dated April 8 that Admiral Lais had ceased to function and will leave this country without delay.

In the same note, the Royal Italian Ambassador stated that Col. William D. Butler, assistant military attache and assistant military attache for air of the United States Embassy in Rome, is a person non grata to the Italian Government and requested that he be withdrawn immediately from Italy.

The Italian Ambassador, Mr. Giuseppe Giusti, Rye, said that Col. Butler, Rye, had been in Italy for several weeks of overwork. As chairman of the Senate Military Affairs Committee, Mr. Butler had been in Italy for several weeks of overwork.

Mr. Butler, a Democrat, completed 35 years' service in Congress last Oct. 31.

End Of 4-Day Old Conflict Almost In Sight

By DAVID MACKENZIE Associated Press Foreign Editor

NEW YORK—The German offensive in the Balkans, running true to the form expected from the most powerful machine the world has known, thus far has crushed all before it with such speed as to enable the high command to expect a final victory by the end of the week.

The most important phase of the conflict thus far revolves about the Nazi success in breaking through into the wide valley of the Vardar in Southern Yugoslavia.

As the result of this devastating sweep, a situation has developed which has greatly increased the threat to the Allied defense in the Balkans and will, in turn, their strength and integrity to the utmost. The position framed up like this:

1. The Greek force of (unannounced size) which has been at Salonika, the gateway to the Balkans, has been cut off and forced to evacuate by the invading Nazis.

2. The invaders have captured the great port and railroad of Salonika, the gateway to the Balkans, and are cutting her off from the rest of the world.

3. The lower tip of Yugoslavia is being slashed through, thereby severing her from the Allied arm.

4. This Nazi operation if successful will mean the further purpose of permitting the German to break into Albania and join up with the Fascists for a united onslaught against the Greeks there.

That last, a pretty picture from the Allied viewpoint. However, the Germans thus far have pursued the line of strategy which observers had anticipated, and it cannot be said that there is anything particularly surprising in this success.

As usual the emotions of many onlookers are vaulting wildly between wild thinking and despair. However, it seems to me the logical view is that this battle is still in its opening stages and thus far it hasn't been won or lost.

Loss of Salonika, and the crucial factor in the Balkan campaign, will come from and depend on the military situation in the Balkans, and the attitude that Britain will take.

COMING TO THE TOWN

Thief Misses \$75

Some thief is going to be pretty upset when and if he reads this. A fur coat valued at \$75 and owned by Miss Adelaide Irving of East End Avenue, New York, was stolen Tuesday morning from the office of Dr. Alvin J. Potvin, dentist located at 132 Larchmont Avenue, Larchmont.

When she entered the dentist's office Miss Irving, a former Larchmont resident, left her fur coat and a purse in the reception room. A week thief is believed to have passed through the office building and taken the coat. He ignored the purse, however.

Now Miss Irving is in that purse? Exactly \$75 in cash.

Lions Admit Four

Four new members were inducted into the Larchmont Lions Club yesterday at the organization held at the weekly luncheon meeting in the Shore Club.

The new members are Albert Moore, publisher with World-Telegram; Julius Newman, writer; Joseph Borucki, manufacturer of children's toys; and Lee Williams, gasoline dealer.

The induction ceremony was presided over by Eugene Rivers, the club's senior member.

The next day of the ticket sale for the annual Lions card party to be held April 25 at the Larchmont House is now under way. Chester Biddlehaugh collected money from the advance sale of tickets yesterday.

On the lighter side, Herbert Neugebaur presented a gift. The announcement was made that Mrs. Neugebaur had given birth to a girl a few days ago and the club presented Mrs. Neugebaur a bottle and a couple.

John H. Edwards, president, presided at the meeting.

Dump Remedy Voted

An appropriation of \$1,200 to cover the Harrison dump at Mamaroneck Avenue and Union Avenue was voted last night by the Harrison Town Board.

The action is expected to eliminate odors from the dump which have caused considerable annoyance in the village of Mamaroneck as well as in some sections of Harrison.

Richard Brothers of Harrison were awarded a contract to excavate one part of the dump, and to remove the dirt to be used in covering the dump at garbage.

Another Grass Fire

Another grass fire was extinguished by the Larchmont Fire Department yesterday afternoon. At 5 p. m. a fire was reported at the volunteers rushed to Bonnet Avenue, where grass was burning. The fire was quickly put out by the volunteers.

The fire was reported by a woman who lives near the fire. The fire was quickly put out by the volunteers.

S. A. Officer Talks

Major William Coward, secretary of the Yorkville Division of the Salvation Army and a member of the Yorkville Division, spoke at a meeting of the Mamaroneck Kiwanis Club here last night.

Speaking on "Internationalism in the World," he told the members of the club that the world is becoming more and more of a village.

He also spoke of the difficulties in Europe and of the efforts to spread the Gospel and to be a friend of all mankind.

The Kiwanis Club will attend the interclub meeting at the Kiwanis in Mount Vernon next week.

Officials To Meet

The Westchester Village Officials Association will meet tonight at North Pathway. It was announced today by Corporation Counsel Anthony Santoro, of Mamaroneck, secretary of the association.

A monthly committee will be appointed to prepare a slate of officers for the coming year.

RYE NECK SCHOOL TAX RATE CUT 32 CENTS IN BUDGET

New Total Of \$8.88 Provides Lowest Rate Fixed Since 1933

ANNUAL MEETING MAY 6 Tentative Estimates Show Reduction Of \$11,400 In Net Budget

A 32-cent reduction in the tax rate, for a new total of \$8.88 per \$1,000 of assessed valuation, is set in the tentative budget adopted by the Rye Neck Board of Education last night and announced today by James Jackson, president.

The budget, providing the lowest rate since 1933, will be presented to the school district meeting May 6 in the Bellows Falls School auditorium.

The net budget, it will be seen, despite a reduction of \$11,400 in the assessed value of school property, is a net of \$10,122.50 in excess of the \$11,525 in 1940-41.

The tentative budget calls for a net amount of \$10,122.50, as against \$10,122.50 in 1940-41.

JOHNSON WARNS OF BRUSH FIRES

An epidemic of brush fires, one of which started at a school, is being warned by the Village Manager William H. Johnson.

Johnson is asking parents today to warn their children against such fires.

The Village Fire Department is also warning of the danger of brush fires.

Johnson said that each time the epidemic "re-occurs" it is an expense to taxpayers. The children are in danger many times should the wind suddenly blow in the dry woods and the grass covering vacant property.

U. S. TAKES OVER GREENLAND AS DEFENSE BASE

Agreement Made With Denmark After Nazi Planes Fly Over Big Island

WASHINGTON—The United States, embracing Greenland with its insular defense system today under an agreement permitting establishment of air bases, and President Roosevelt said it was proposed to make sure the big island would remain a Danish colony.

The chief executive said in a formal statement that the present treaty, which in effect brings Greenland under the protection of this government, is a new proof of our continuing friendship to Denmark.

An agreement to place the island and within the scope of America's defense system was signed yesterday by the President and by the Danish minister, Hendrik DeKauffmann, who, Mr. Roosevelt said, acted on behalf of the Danish king.

Handling the President's statement to reporters, Presidential Secretary Stephen Early said the agreement had been consummated after the United States had received information that German planes had been flying over Greenland.

Greenland, he said, has been placed in exactly the same category as any other Atlantic island owned by non-American powers. The agreement, the secretary asserted, is in complete accordance with the terms of the Monroe Doctrine and with a declaration signed by the 21 American republics at Havana.

In that declaration the United States pledged that no foreign power should be transferred to the flag of another foreign country.

Referring to Mr. Roosevelt's statement that the United States intended to insure that Greenland would remain a Danish colony after the German invasion of Denmark, Secretary Early declared: "That refers to Greenland to be transferred to the flag of another foreign country. It will be decided on short notice, after the war, if it is to be transferred to the flag of another foreign country."

Early told reporters that Greenland (Continued On Page Eight)

ROOSEVELT SEEKS POWER TO TAKE OVER FOREIGN SHIPS NOW IDLE IN PORTS

WASHINGTON (AP)—President Roosevelt asked Congress today for broad statutory authority to take over any "foreign-owned vessels" which are now idle in American ports.

This authority, he said in a message to the legislature, should be subject to the payment of just compensation.

Although the chief executive has asserted that he would recommend legislation to permit the purchase of charter of 30 Danish vessels which have been taken into "protective custody" by the Coast Guard, the language of his message today was not limited to the Danish ships.

The President cited a provision of the Merchant Marine Act of 1936 which authorizes him to requisition or purchase any American-owned vessels in time of national emergency or when the national defense makes it advisable. The section provides for a method of compensation.

"There does not appear," Mr. Roosevelt asserted "to be any comparable provision with respect to foreign-owned vessels lying idle in our national ports."

"In view of the growing shortage of available tonnage available to our national needs, I am satisfied after consultation with the heads of the interested departments and agencies of the government, that we should have statutory authority to take over any such vessels as we may need, subject to payment of just compensation."

"It is obvious that our ultimate defense will be rendered futile if the growing shortage of shipping facilities is not arrested."

Fears of an imminent German attack on Turkey, neutral ally of Great Britain, were today in a Turkish Government announcement that it had been "found advisable" to remove a considerable part of the population of Istanbul.

The announcement followed only a few hours after the Rome radio broadcast a report that Germany's ambassador to Turkey, Franz von Papen, had been ordered to leave the city "in view of the assurance that Germany has no intention of attacking Turkey."

Prime Minister Churchill warned yesterday that "Turkey is in a position to play a decisive role in the Balkans and the Middle East."

Supervisors Get Appeal By McCulloch For Study Of Flood Dangers Here

Engineering Probe Urged In Move To Secure Local River Problems

Need of engineering studies in the Town and Village of Mamaroneck to prevent recurrence of floods in that section of the county was stressed by Supervisor Henry C. McCulloch yesterday in appealing before the budget committee of the supervisors in White Plains.

The budget committee referred a sub-committee the request of a resolution that county Engineer Charles H. Seila call the engineering studies with the cost to be borne by the town and village, unless Mr. Seila found that the floods and their prevention presented a county district problem. In that case, the county or district would be the cost of the study, Mr. McCulloch held.

This is the second time this year the possible responsibility of the county in flood conditions has been raised by municipalities. Earlier the county and engineering studies, with the cost to be borne by the town and village, unless Mr. Seila found that the floods and their prevention presented a county district problem. In that case, the county or district would be the cost of the study, Mr. McCulloch held.

The topography of the water along serving the Westchester Joint Water Works and the Larchmont reservoir have been made by the engineering department of the town and village of Mamaroneck. The data has been taken with a view toward a "mass" survey by an expert on hydrology to determine what measures might be taken to remedy flood conditions.

An effort was launched more recently to obtain estimates of the county on the theory that drainage from Scarsdale, White Plains and other areas higher than this section are contributing factors to the excess flow of water through Mamaroneck and Sheldrake Rivers, causing "flash floods" which have been increasing in recent years.

FLYING FRENCH HALTED VICTORY (AP)—Mushet Peltier, a Canadian, announced today that French fighters were closed in on Frenchmen between 17 and 40 years of age to prevent their fleeing to join the forces of Benito Mussolini. Every day boys try to leave the ranks of Stenmark and his troops for British ports, the announcement said.

BRITISH CONTACT HITLER'S LEGIONS ON GREEK FRONT

Nazis Cross Lower Yugoslavia To Enter Aegean Kingdom From Northwest

Southern Serb Army Now Destroyed, Berlin Claims; Royal Court Flees

By the Associated Press

British expeditionary troops were reported today to have "maintained contact" with Adolf Hitler's blitzing invaders in Northern Greece as Nazi panzer columns rolled clear across Lower Yugoslavia to enter Greece from a new direction—the northwest.

The London radio said German forces were advancing into the Aegean direction through the Bitoli (Monsieur) Gap in Yugoslavia at the border.

It was apparently in this sector that a great and perhaps decisive battle between the Germans and British was developing.

The British radio said German troops were attempting to fight their way through the gap, under heavy RAF attack.

The early stage maneuvers, it said, were being conducted, it said, in Athens, said briefly.

German forces in Northern Greece came into contact with British and Imperial troops on April 10.

In a series of German high command asserted that the Serb Army in Southern Yugoslavia was being destroyed by the Nazis.

ALLIES FACE NO IRREPARABLE DISASTER IF BALKAN PENINSULA ALONE IS INVOLVED BUT CATASTROPHE LOOMS IF HITLER'S FORCES BREAK INTO NEW EAST

By DAVID MACKENZIE (Associated Press Foreign Editor)

NEW YORK—While we are waiting for the news of the bloody and the allied forces in the Balkan Peninsula, there was any question of transferring more American destroyers to Britain and his reply was that no.

WASHINGTON (AP)—President Roosevelt was asked today whether there was any question of transferring more American destroyers to Britain and his reply was that no.

COMING THE TOWN

First Aid Course

A course in first aid to injured persons will be held at the Larchmont Village Fire Department and any other residents who are interested. It was announced today by Fire Chief Alex H. Cullen.

The course will start at 8 P. M. Thursday and will be held every Thursday night thereafter for 12 two-hour sessions at Larchmont Fire Headquarters.

Said Chief Cullen: "In face of uncertain conditions at home and abroad there is no knowing when volunteer and professional fire departments all over the country may be called upon to function beyond their regular line of duty."

"Although the Weatherhead Chapter of the American Red Cross has been swamped with requests for instructions to give courses, we have released an instructor to teach the Larchmont Fire Department first aid to the injured."

Chief Cullen said all members of the department to enroll, and invited other Larchmont residents to join the class.

Police Hold Match

A qualifying match preliminary to the annual pistol shoot and by the Town of Mamaroneck police was held at the Weaver Street stationhouse today between two teams competing.

With 21 men in the department, Police Chief Paul Nichols withdrew leaving 10 to a team. One was headed by Leni Paul Miller.

The other team was headed by Sgt. Louis Brown. Sgt. Brown's team placed first with an average of 93.3. Sgt. Brown was top man with a score of 296, followed by Sgt. Francis Withers with 267 and Sergeant Smith with 261.

Sgt. Miller, who team placed second, scored a perfect 300, and he was followed by Lawrence McAllister with a 288 and John Caputo with a 283.

The teams were selected by averaging scores of good and poor marksmen of previous years. The match was held at the stationhouse, and will be held the latter part of this month. Chief Miller said.

3 Win Promotions

Three Mamaroneck residents are among 50 state officers in the New York University Reserve Officers Training Corps who have received promotions in rank. It was announced today by Col. Fred W. C. Chamberlain.

Four students became cadet lieutenants in the Reserve Officers Training Corps. They are: William J. Murray of 33 Barry Avenue, Vincent Amico of Hillcrest Court, Mamaroneck, was made a captain.

All of the new officers were promoted from the rank of cadet first lieutenant. The University's R. O. T. C. is composed of an infantry battalion and an engineer battalion.

Get Your Moorings!

Boat owners were again warned by Village Management among them to make their applications for moorings in the harbor. If they plan to use the harbor this summer.

A deadline of May 1 will be set for such applications. Mr. Johnson said there have been too many applications that Mr. Johnson to consider. Preference will be given to boat owners who have made their application as soon as possible.

Applications are accepted at Mr. Johnson's office in the Municipal Building.

2 Fires Extinguished

The Larchmont Fire Department responded to two alarms yesterday.

At 1:10 P. M. a grass fire on Palmer Avenue and Pine Street was extinguished. At 4:30 P. M. a pile of leaves from the Larchmont Nurseries caught fire in the rear of Edith's Garage on the Boston Post Road. Although there was no damage done, the firemen had a difficult time extinguishing the flames. Traffic along the Post Road was slowed considerably.

Third Deputy Chief James H. Brennan, Jr. was in charge at the first fire while Chief Alex H. Cullen directed the volunteers at the second blaze.

Allied and German armies met today in a mighty battle in the Thessalonian area of Greece 16 miles south of the Bitoli (Monastir) Gap. The British radio reported, while in Northern Yugoslavia Nazi units, according to the German High Command, were advancing from several directions on Belgrade.

Details of the battle in the rugged Greek mountains were lacking. The Germans asserted that Yugoslav resistance in Croatia had collapsed and that the Serbian Northern Army is disintegrating.

British bombers were said to have pounded Germans in Southern Yugoslavia and Northern Greece before the land forces joined battle.

There was a diplomatic development of interest: A German radio broadcast heard in Bern, Switzerland, said Yugoslavia's premier, Gen. Dusan Simovic, had left a message, presumably for Moscow, that he was ready to sign any treaty that would not only turn Yugoslavia into a German satellite but also the German satellite of the Soviet Union.

FORD STRIKE END BRIGHTENS LABOR DEFENSE PICTURE

Sen. Norris, However, Warns Of 'Drastic Action' By Congress

DECRIES 'RACKETEERING'

Ford Plant Expected To Open Monday, General Motors Walkout Looms

By the Associated Press

Prospective opening of the Ford Motor Company's River Rouge plant—largest industrial unit in the world—brightened the labor-defense picture today, but Sen. Norris (I-Mich.) said the general problem seriously enough to warn that "drastic action" will come out of Congress.

"Norris co-sponsor, with Mayor Fiorello La Guardia of New York, of the Norris-LaGuardia Act, limiting the right of the federal courts to issue injunctions in labor disputes, said in an open letter to the Congress that some local unions had resorted to 'racketeering' and getting fees out of job applicants."

While the veteran senator decried labor "racketeering," he nevertheless said labor was being unfairly accused in connection with defense industry strikes.

Settlement of the Ford strike, the great plant was expected to open again Monday—was described by Gov. Murray D. Van Wageningen of Michigan as an "historic step in establishing industrial peace in our country."

Five score and five years ago during the end of Andrew Jackson's administration, in 1836, the very time of the admission of Arkansas as a state, Miss Martha Miller, first opened her blue eyes to the world. She was born in Kennebunk, Me., on April 13, 1836, as a descendant of the famous Deborah Gannett Miller. Since that time she has lived in Larchmont, N. Y., and is now 105 years old.

POLICE NAB TWO FOR POSSESSION OF POLICY SLIPS

Woman Also Arrested On Charge Of Conducting Gaming House Here

ONE DRAWS JAIL TERM

Second Drives Gail Held In Jail For Monday

By the Associated Press

Two men accused of possessing policy slips and a woman charged with running a gaming house were arrested by Mamaroneck Village police yesterday under the direction of Police Chief Arthur W. Marston.

One defendant was Arthur W. Marston, 39, of 24 Livingston Avenue, Village, who has been arrested here before in connection with the "numbers racket."

Another was a Larchmont resident, 51, of 654 Old White Plains Road.

Caprio was taken into custody by Chief Marston and Detective William O'Neill at Bedford and Ward Avenues. The officers charged with possessing policy slips and with vagrancy. Caprio entered a plea of innocence before Judge Patrick J. Hughes and was released on \$200 bail for his appearance in court next Friday.

Larchmont was arrested by Patrolman William Pomeroy at Mamaroneck Avenue and Spencer Place and had been under surveillance for some time. Chief Marston said, charged with possessing policy slips, he pleaded guilty and was sentenced by Judge Hughes to pay a fine of \$100 or serve 30 days in County Jail. He was in the jail today.

The other defendant, Lulu Johnson, 63, of 654 Old White Plains Road, was charged with violation of Sec. 83 of the Penal Law by conducting a gaming house. She was brought before the court on a criminal summons signed by a citizen, entered a plea of innocence and was released on \$100 bail for her appearance in court next Monday morning.

Similar arrests were made by the new head of the police department, Chief Marston, on a raid last month on a stationary store and 475 Main Street. Five prisoners taken at that address will be arraigned in police court April 14.

There will be a jury trial for two of the prisoners, Alfred Santoro, 26, and his brother, Emil Santoro, 29, charged with operating a gambling room in the rear of Rockland Greenhouses, 24, who have the name Livingston Avenue address as that of Caprio, and Dominick Crivello, 42, of 247 Maple Avenue, were charged with having no visible means of support and John Santoro, 21, of 475 Main Street, charged with being a vagrant after a jury trial for the Santoro brothers.

District Attorney Requests Trial Be Scheduled For May 19

Four cowed, unshaven and heavily manacled men pleaded not guilty to first degree murder incidents before County Judge Francis H. Coyne in White Plains today as District Attorney Elbert Gallager requested that their trial be scheduled for May 19. The four are charged with killing a Sing Sing Prison guard and an Ontario police officer in an attempted break from the state prison.

Richard Riden, 34, and William Wade, 33, were brought from county jail at East View in the sheriff's van at 10 A. M. at 10 A. M. They were dressed in wrinkled shapely prison uniforms. They were handcuffed, and the handcuffs in turn were locked onto a heavy leather belt fastened around their waists. Neither had shaved in many days and their hair was matted and unkempt.

The courtyard of the courthouse had been cleared and deputy sheriffs guarded both defendants as they were brought in. An automobile, bearing several armed deputies, one of whom carried a submachine gun, followed the truck from the jail to the courthouse.

Both prisoners kept their heads down as six deputy sheriffs escorted them through a rear door and up to the courtroom.

District Attorney Gallager told the jury that Riden and Riden maintained a routine "not guilty" plea. Wade made more than a dozen statements during the hearing. The district attorney then asked Riden if he had money to secure counsel. He replied that he had money and Judge Coyne said he would assign an attorney to represent him.

Riden said he wished to see his own attorney, whom he said he had hired. Judge Coyne said that he would assign an attorney to represent him.

The court then adjourned until 10 A. M. tomorrow.

St. Augustine's Realizes 49-Year-Old Dream With New School's Dedication

New \$300,000 Edifice Had Its Origin In Small Parish Of 1892

NEWEST ADDITION to the New York archdiocesan parochial school system is the \$300,000 structure (above) recently completed for the St. Augustine's parish, Larchmont. Dedication ceremonies led by Most Rev. Francis J. Spellman, archbishop of New York, will be held tomorrow afternoon. At 7:30 the archbishop will be met at the Village Municipal Building and escorted to the church rectory, where the archbishop will be addressed by Rev. James M. O'Neil, C. S. C., and Archbishop Spellman. Rev. Thomas D. Deegan, pastor of St. Augustine's and Mayor Harry E. Goswami will contribute short speeches. St. Augustine's Men's Club will act as guard of honor to the archbishop.

The church, which has been in New Rochelle Hospital for almost a year, and reports that his physicians advise a long rest after he has been discharged from the hospital, led today to reports that leadership of the G. O. P. in Westchester may be shortly assumed by a triumvirate to handle monetary and the 200,000 construction of a full candidate.

According to these reports, the triumvirate may be composed of Mrs. Marion Mack of Pleasantville, county vice chairman and leader of Republican women; J. Harvey Pearson, county chairman and secretary of the county committee; and a third who may be designated by the county executive committee.

This third man, it is reported, may be either Thomas J. Donohue, Mount Vernon leader; Edward J. Galtier, Yonkers leader; or Edward J. Barrett of Rye, representing up-county towns or Mayor Livingston Platt of Rye. All are members of the executive committee.

Reaching the city with the annual convention for designation of candidates less than six weeks away, the county committee has decided to hold its annual meeting at the county office to be held this week. The board has passed that County Executive Committee Herbert C. Gertzel is to be chosen, which is agreed by all that Chairman Court Judge George W. Smyth will be given a third term re-election.

But for sheriff there are a half dozen bids in the race at present, including one thrown this week by Sheriff George A. Gray seeking a third term, and no one to designate which bid belongs to the winner.

HUGH JOHNSON DENIED POST IN RESERVE CORPS

President Declines Request To Reappoint Him As Brigadier General

Explains His Refusal

Roosevelt's Secretary Says Personalities Do Not Enter Into Situation

WASHINGTON (AP)—President Roosevelt has declined to reappoint Hugh S. Johnson a brigadier general in the Army Reserve Corps.

The President's press secretary, Stephen Early, announced that action today and said that personalities did not enter into it.

Johnson was head of the old NRA and in recent years has been returning and writing a newspaper column. At times he has been severely critical of the administration.

Early said to reporters except for a letter sent to Johnson, on behalf of the President, by Mr. Roosevelt's secretary and military aide, Major General E. M. Watson.

The letter said the chief executive felt very strongly in the present emergency that general officers who are eligible by reason of age for the Reserve Corps, should be restricted to those whose employment in active service is anticipated, and that only after the physical fitness of the officer has been investigated to the satisfaction of army doctors.

Early said Johnson was eligible for reappointment on the score of his age, but that the War Department had waived the physical fitness of the officer.

The department also had recommended to the President that Johnson be recommended.

Mr. Watson's letter said that the War Department had no plan to place Johnson on active duty and that the fact of his reappointment would be to his personal advantage.

"The question was simply whether or not the President wanted to place Johnson on active duty," Early said.

In response to a question, Early said he thought there was a general feeling on the question of whether or not Johnson should be reappointed, but that it was not "hard and fast."

Johnson's case, Early said, was not a question of whether or not he was a good officer, but a question of whether or not he was a good person.

40 Volunteer To Donate Blood For Armed Forces Here Tomorrow Afternoon

GROSSO NEW HEAD OF LOCAL NEWS

Larger Number Expected When Red Cross Mobile Unit Visits Mamaroneck

Approximately 40 donors have already indicated their intention of giving blood to a "blood bank" for the armed forces of the United States.

This number does not include the 100 donors who are expected to give blood to the Red Cross mobile unit when it comes to Mamaroneck tomorrow afternoon.

The mobile unit will be located at the Mamaroneck Woman's Club at 504 Cortland Avenue at 2 P. M. and organizations and individuals may make appointments.

Major James T. Corrigan will be the first donor and will be followed by others throughout the afternoon.

Groups of volunteers are expected from the Mamaroneck unit of the Red Cross, Lions Club, Kiwanis Club, the Pure Food Factory, the Chamber of Commerce, Veterans Association, the Village of Mamaroneck, and other organizations.

The first department, which has had a group of blood donors for some time, has agreed to refrain from this donation, reserving its supply for local use.

Other donors who will contribute to this donation are the U. S. Army and Navy and their affiliated units as it is needed.

The project here is part of a nationwide effort by the Red Cross to build up a "bank" sufficient to meet the needs of the armed forces.

NAZI U-BOATS TO SINK U. S. SHIPS IN WAR; REDS BAN AXIS TRIPS

WASHINGTON (AP)—President Roosevelt has declined to reappoint Hugh S. Johnson a brigadier general in the Army Reserve Corps.

The President's press secretary, Stephen Early, announced that action today and said that personalities did not enter into it.

Johnson was head of the old NRA and in recent years has been returning and writing a newspaper column. At times he has been severely critical of the administration.

Early said to reporters except for a letter sent to Johnson, on behalf of the President, by Mr. Roosevelt's secretary and military aide, Major General E. M. Watson.

The letter said the chief executive felt very strongly in the present emergency that general officers who are eligible by reason of age for the Reserve Corps, should be restricted to those whose employment in active service is anticipated, and that only after the physical fitness of the officer has been investigated to the satisfaction of army doctors.

Early said Johnson was eligible for reappointment on the score of his age, but that the War Department had waived the physical fitness of the officer.

The department also had recommended to the President that Johnson be recommended.

Mr. Watson's letter said that the War Department had no plan to place Johnson on active duty and that the fact of his reappointment would be to his personal advantage.

"The question was simply whether or not the President wanted to place Johnson on active duty," Early said.

In response to a question, Early said he thought there was a general feeling on the question of whether or not Johnson should be reappointed, but that it was not "hard and fast."

Johnson's case, Early said, was not a question of whether or not he was a good officer, but a question of whether or not he was a good person.

CHIRILLO'S FATE BEING DECIDED

Col. Baser Says Undecided Planes Have Been Seen Since War Began

After a morning of speeches in which they were urged to prepare for a possible attack, the members of the Westchester County Council today decided to postpone the decision on whether or not to allow Chirillo to remain in the county.

Col. Joseph A. Baser, chief of civilian defense in the Second County, said that he was not sure of the fate of Chirillo, who was arrested in the morning session and gave the council a copy of his statement.
