

COMBING THE TOWN

April Very, Very Dry

April, if you are not just about it, was an unusually dry month.

Take the word of Henry T. Hottel, superintendent of the Larchmont reservoir. The rain gauge indicated only 1.75 inches of rain during the entire month—although what became of the April showers no one seems to know.

Weather bureau records of New York City show there have been only six Aprils since 1871 which were drier than last month. Normal precipitation for April is 3.87 inches.

There were only two days, the fifth and the 21st, which brought April showers, the fifth recording 2.4 of an inch, the latter day recording 2.5 of an inch. There were five other days when the rain-gauges registered less than .13 of an inch.

Mr. Hottel was not making no pretensions for any of the records seemed to indicate that unusually dry Aprils are often followed by dry May.

New Pistol Record

The highest pistol shooting average ever achieved in the history of Mamaroneck Police Department has been reached. Police Chief Paul Yetts announced today.

With an average score of 93.25, the department qualified every man but one as an expert. The one, George Hennis, qualified as a sharpshooter. There were three divisions, experts, marksmen and sharpshooters.

Catch Porcupine

A rattling noise, beneath the house awakened Jimmy Stevens and Fred Larkin, Jr., both of Larchmont, while they were sleeping last weekend at the Larkin farm in Long Eddy, N. Y. It was 2 o'clock in the morning.

They got flashlight and clubs, saw the noise was made by a big porcupine, and prepared to charge him out. Fred was standing at a hole in the railing and Jimmy was to chase the animal. He decided to go another way, however, and was taking out for a walk when Jimmy Blazed away with a small rifle.

Mr. Porcupine fell and hit his left leg. It was a gull, or, as Jimmy said for a souvenir, The animal weighed 20 pounds. Jimmy is a junior, Fred a senior in the Mamaroneck High School and Jimmy is a son of a Larchmont postmaster in Larchmont.

Budget Ready

The proposed budget of Union Free School District No. 1, which is to be submitted at a public hearing next Tuesday, has been completed and copies may be obtained from the office of the superintendent at the Mamaroneck Junior High School on Palmhurst Avenue.

This announcement was made by Philip O. Moynihan, president of the Board of Education, who said there were several reductions by the Board in items contained in the tentative estimates presented recently at a public hearing attended by representatives of civic organizations.

Rotary Celebrates

The fifth anniversary of "what for many" was observed by the Mamaroneck Rotary Club at the Queens Beach Club last night with Larchmont Rotarians, the parent organization, in attendance.

All the past presidents of the Mamaroneck organization, including R. J. D'Orso, Ernest Warming, J. J. Baurer, J. James Arnes and George Ayres, were introduced and the president for this year, Mr. Harry C. Brundin, was also introduced.

Raymond Korderer, past president of the Bronx Rotary Club and nominee for district governor of the 15th District, was the principal speaker. He told of the "Big Brother" movement in the United States.

Entertainment was provided by the "Motodancers" a group of eight high school boys and girls directed by F. Colwell Conklin, of the Mamaroneck High School music department. Mr. Conklin was also introduced to the gathering as being the president of the Larchmont Rotary Club.

LEVIN KIDNAPED 'CONFESSOR' IN POLICE

Left Rockland State Hospital Year Before

ORANBURG—The man who told Salt Lake City police he "was responsible" for the kidnapping and murder of Peter Levine in New Rochelle three years ago was discharged the year before from Rockland State Hospital here, across the Hudson River and 15 miles from New Rochelle.

Records in the office of Dr. Samuel E. Blum, superintendent of the New York State Institute for Mental Diseases, showed that the man, a resident of Brooklyn, N. Y., placed there by his family in September, 1938. He was released in October the same year and readmitted last December.

On April 15, 1938, the man was released on parole from the hospital and was required to report once a month for a year. Then he was fully discharged, 10 months before the 12-year-old Levin boy was seized on the street.

The name of the man who walked into Salt Lake City police headquarters with "something to confess" being withheld at the request of the Salt Lake police chief, Reed E. Vetterli, who was in charge of the New York office of the Federal Bureau of Investigation at the time the Levine kidnapping-murder. Up to mid-afternoon, no other evidence of the man's identity was given.

Land State Hospital to check the man's story and state police headquarters at Hawthorne had not yet been contacted.

An attaché at the hospital said that the man in question was not the type to have committed the Levine crime.

'CONFESSION' CRIME

SALT LAKE CITY—Salt Lake police held last night a man who told them he "was responsible" for the Levine kidnapping.

Peter Levine, 12, was abducted in 1935 from his home on his way to school. His parents and his body later were washed up on the shores of Long Island Sound.

Police Chief Reed E. Vetterli, former federal agent, who questioned the man, suggested he appeared to be a "mental case."

He said the man, roughly described as being about 30 years old and explained he "had something to tell."

His name was not recorded. Vetterli said the man asserted he had been "responsible for the job" but acknowledged that he had spent time in several hospitals for the crime.

ON THE ENGLISH SOUTH-EAST COAST, British heavy cannon renewed the shelling of the Dover area tonight.

By The Associated Press

Great Britain landed more troops in the rich Mediterranean oil kingdom of Iraq today, turned the tide of the war in North Africa and virtually ended the removal of Axis troops from the lost campaign in Greece.

The London radio said the arrival of a second British contingent in Iraq had provided "certain movements on the part of the Iraq Army which might be regarded as a threat to the security of the British base at Haifa."

The Iraq administration is being pushed by the British Government to move these troops as soon as possible so as to avoid the risk of any incident, the radio said.

British has heavy investments in the Iraq oil fields, which might become the target of a Nazi attack to provide fuel for Adolf Hitler's mechanized armies.

The British Admiralty announced that the sea-lanes of the Mediterranean were closed to Axis ships and supplies in the Aegean Sea.

Official Australian reports said British troops had landed in Greece, turning the tide of the war in North Africa and virtually ending the removal of Axis troops from the lost campaign in Greece.

PLAN TO PREPAY TAXES STUDIED

Treasury May Offer Security To Aid In Paying Heavy Burden

WASHINGTON (AP)—Secretary Morgenthau announced today that the Treasury was "working on a plan" to enable citizens to prepay their taxes under the heavy rates being levied.

He said he could not give details, but generally Treasury was looking of writing a special bill of security which could be used by taxpayers to pay their taxes instead of paying cash.

This, a man expecting to pay \$10 income tax could secure himself by buying a \$10 security note.

When tax time came around, he would have the security note, and avoid the necessity of borrowing money or disturbing his personal budget in order to meet his tax bill.

All of the participating organizations have ratified the various bills, and the committee is now working on a final report.

The committee making the various studies will be aided by representatives of the Citizens' Public Expenditure Survey, Inc., of New York City.

A complete government will be made several months hence.

COMBING THE TOWN

Locker Ablaze

Fire damaged the roof of a frame building used as a boat and sail locker at the Larchmont Yacht Club on Quarry Road, Larchmont, at 1 P. M. today.

Those injured were burned by Mrs. Frieda H. Flint, whose property adjoins the Yacht Club, and a window pane set fire to the shingle roof. It was claimed. The damage apparently was confined to the roof.

All Larchmont fire companies responded with Assistant Chief James Brennan in charge.

Boys Destroy Fence

Mr. George Kates, of 82 North Chatham Avenue, Town, reported to town police yesterday that a fenced wire fence he had placed around the rear of his property to prevent trespassing had been torn down during his absence.

Mr. Kates said that in the neighborhood were running flowers and other plants on his property and that he erected the fence in an attempt to keep them out. The wire was severed and stakes pulled out of the ground.

Carpenters To Dine

The Carpenters Local Union No. 143 of Mamaroneck will observe its 41st anniversary with a dinner dance at Lawrence's, Town, on the corner of East Main and West Main streets, at 8 P. M. today.

Beach Season Near

The bathing pavilion at Harbor Island beach will be ready for the 1936 season, weather permitting, Village Manager William H. Johnson announced today.

Head Lifeguard Steve Johnson will assume his duties May 25. Floats have been put in place to accommodate boats in the East and West basins. Persons holding dinghy float permits will be allowed to use them as soon as the boats are ready. Mr. Johnson urged those persons desiring dinghy service to send in their application with checks of \$50, as soon as possible.

Life Guards Wanted

Written applications for positions as life guards at Harbor Island beach are now being received by Village Manager William H. Johnson.

Three guards who were on duty at the beach last year will not return this year, creating vacancies which must be filled. Applicants should state their experience and salary expected for a two, to two and one-half month period.

Tax Installments Voted By Lehman

ALBANY (AP)—Governor Lehman vetoed today on the ground of defective administration a bill which would have permitted payment of personal income taxes in four equal installments.

The measure, sponsored by Republican Assemblyman Maurice Whitney, chairman of the Assembly Taxation Committee, would have been effective with 1944 collections and 1945 installments.

Whitney proposed installment payments of the levy April 15, June 15, Sept. 15 and Dec. 15, making two of the installments beyond July 1—opening of New York's fiscal year.

One-half personal income taxes now payable April 15, one quarter June 15 and the balance Oct. 15.

Auto Deaths Set Record For April

Automobile deaths in Westchester in April were the highest for the month in the eight years newspapers have kept records.

Ten persons died by cars, compared with seven last April and seven in March this year. Four of them were pedestrians.

The county toll at the end of four months is 31 dead, ten more than in the same period last year. The toll last month was the highest since December, and raised the average of April deaths from 63 in seven years and seven in eight years.

\$65,236 FEDERAL GRANT APPROVED FOR EAST BASIN

Approval of a federal appropriation of \$65,236 for the construction of a seawall in the East Basin of Mamaroneck Harbor has been given by President Roosevelt, according to town officials here today.

The application for funds has been forwarded to the New York State Waterways Commission, which is at Albany for final approval.

Construction of the wall is expected to get underway this summer. It will extend on the shore across the East Basin all the way from Barry Avenue bridge to the Shore Arms Yacht Club.

The new wall will connect existing walls at either end and will complete the stone wall which will protect the shore of Mamaroneck Harbor from erosion.

Some of the wall will be guarded by diving apparatus in which divers will be working to place the wall.

Some of the wall will be guarded by diving apparatus in which divers will be working to place the wall.

The application for funds has been forwarded to the New York State Waterways Commission, which is at Albany for final approval.

Construction of the wall is expected to get underway this summer. It will extend on the shore across the East Basin all the way from Barry Avenue bridge to the Shore Arms Yacht Club.

The new wall will connect existing walls at either end and will complete the stone wall which will protect the shore of Mamaroneck Harbor from erosion.

Some of the wall will be guarded by diving apparatus in which divers will be working to place the wall.

LOCAL RESIDENTS

BUY \$10,000 IN DEFENSE BONDS

Big Demand Reported In Initial Three Days Of Sale In This Area

\$600 IN STAMPS SOLD

Postoffice And Banks In Mamaroneck And Larchmont

Reveal Rush

The United States government has received more than \$10,000 from local residents in Defense Savings Bonds in the three days the bonds have been on sale here, it was learned today.

More than \$600 in Defense Savings stamps also had been sold.

The Mamaroneck Postoffice at noon today had sold \$305 in stamps and \$20 in bonds. The Larchmont Postoffice had sold approximately \$200 in stamps and \$100 in bonds.

One individual in Larchmont wanted to purchase \$2,000 in bonds, but the postoffice had only \$1,000 in bonds.

The United Savings Bank of Mamaroneck had an order for \$700 worth of bonds. It had sold only about \$200 worth of bonds.

The Mamaroneck office of the Post Office Savings Bank had sold \$325 in bonds and \$150 in savings stamps.

There are five Defense Savings stamps, ten cents, 25 cents, 50 cents, \$1 and \$5. All stamps are now being sold at the postoffice.

The bonds of several denominations, for example, may be purchased for \$1.75 and it will pay 10 cents more when a sufficient amount is collected, the stamps may be exchanged for Defense Savings Bonds.

The stamps bear no interest, but the bonds are interest bearing. The bonds of several denominations, for example, may be purchased for \$1.75 and it will pay 10 cents more when a sufficient amount is collected, the stamps may be exchanged for Defense Savings Bonds.

Every Man, Woman And Child In Westchester Asked To Register

DRIVE STARTS MAY 19

330,000 IN 16-25 AGE GROUP Asked To Answer Questionnaire

Every man, woman and child in Westchester between the ages of 16 and 65 will be asked to register for home defense service, Col. Frederick L. Devereux, acting chairman of the Westchester Defense Council, announced today.

Registration, he said, will be voluntary. It will start May 19, the day after "I Am An American Day," and continue through May 24.

Questionnaires will be mailed to all residents in 34 cities, towns and villages. All municipalities will maintain registration centers, similar to headmaster offices for selective service, and in some communities homes will be canvassed. Col. Devereux explained.

About 300,000 residents in the 16-65 age group will be asked to answer questions pertaining to their military, mechanical and other experience helpful in an emergency.

"This is the first essential move in the defense program which involves every man, woman and child in the community," Col. Devereux said.

The plan, he said, was to be launched yesterday at a meeting of the Defense Council's executive committee in the County Office Building, White Plains. The program, Col. Devereux said, has been under consideration since December.

COMBING THE TOWN

Dikes To Disappear

A village-owned tractor "bulldozer" is busy today demolishing the dikes surrounding the old garbage dump on Harbor Island which was filled in when the West Basin was dredged a year ago.

The dikes will be leveling off to the height of the seawall in the West Basin, thereby providing a better view of the harbor from the basin from the Harbor Point Road. The soil which they were constructed with will be put to use in the West Basin around up dirt, in the absence of tennis players and others on Harbor Island.

Mr. Johnson has also ordered a quantity of oil dust layer which will be used to cover the road along the tennis courts. Cars going to and from the boat launch in the West Basin stirred up dirt, in the absence of tennis players and others on Harbor Island.

Window Looted

Thieves broke into a window at the Greenhaven Pharmacy at 609 East Boston Post Road, Village, early this morning and made a getaway with merchandise valued at about \$15. Village police report on today.

Garage collectors reported the store window was not broken at 1:30 A. M. The thieves were discovered at 4:15 A. M. The thieves stole two electric razors, two wrist watches and an electric alarm clock from the window.

Chief Makes Appeal

An appeal for Larchmont residents to give fire apparatus the right of way when passing was made today by Fire Chief Albert H. Custer.

Chief Custer cited the State Vehicle and Traffic Law which requires motorists to draw up to the right hand curb to allow fire apparatus to pass.

The law provides that no private-owned vehicle should follow fire apparatus closer than 100 feet.

Scores Hole-In-One

They were, indeed, Custer's first hole-in-one. Custer, who is a member of the Larchmont Country Club, scored a hole-in-one at the club's 18th hole yesterday.

Custer turned in a score of 42 and 32 for an 8-hole out of 74. He had a 9-hole out to achieve his score.

RAINFALL PITTS END TO WEEKEND SERIES OF 14 BRUSH FIRES

First Shower In Two Weeks Also Aids Gardens

MORE FORECAST

Gardeners, householders anxious about their lawns, firemen who have been plagued by grass and brush fires, and others welcomed a gentle downfall of rain this morning over this vicinity.

The first in almost two weeks, intermittent light rains were also forecast for tonight and tomorrow, accompanied by easterly winds at a low of 50 degrees in prospect for tonight.

A day of rain which was ending the growth of grass and plants was part of an unusually dry spell, when the inches of rain fell, according to the gauge at the Weather Bureau. The gauge at noon today had recorded 1.9 of an inch of rain.

The last previous rain was on April 24, when 4.2 of an inch fell. This was but a trace record for the day.

Fire crews moved frequently over the weekend, with Mamaroneck Village answering six alarms yesterday. The town of Mamaroneck department answering three alarms Saturday and four yesterday, and the Larchmont Fire Department answering one alarm.

A general alarm, with all fire companies responding, was sound at 11:00 P. M. yesterday when a faulty chimney caused a fire in the roof of the home of Mrs. M. Wagner at 917 Hall Street. The damage was slight.

Mamaroneck extinguished a grass fire on Green Point at 12:30 P. M. and the Town line at 1 P. M. at 4:45 P. M. residents of the neighborhood reported the fire.

The fire was reported at 11:00 P. M. by a resident of the neighborhood. The fire was reported at 11:00 P. M. by a resident of the neighborhood.

SUSPECT SEIZED IN HOLDUP DEATH OF AD EXECUTIVE

Man Accused Of Slaying Victim As He Sat In Auto With Model

NEW YORK (AP)—A twenty-three-year-old Morris Mandavich, a disheveled, dark-haired man nervously clutching a small gray hat, appeared in the police lineup today charged with the slaying of Advertising Executive Harry V. Maxwell yesterday as Maxwell sat in a parked car with a pretty model.

Police men were having a hard time of it. The prisoner acknowledged having made a statement to the District Attorney's Office, and was not questioned further. As he was taken from the platform, Capt. Edna O'Neil said, "This is a very good arrest."

Police men started a search for a man allegedly named by Mandavich as having aided him in a series of "tailgating" killings in New York's East Side.

The slaying occurred just before dawn yesterday outside the apartment of Mrs. Maxwell, a former White Plains girl, Mary Jane Cassidy, 24, where she and Maxwell, 40, were living. Maxwell, head of the outdoor advertising agency of that name, had parked there for several months. The model, who was sitting in the car, was also killed.

COMBING THE TOWN

Where To Drive

Residents here were advised today by Thomas Skinner, local florist, that now is the best time to take a drive around the community to see flowering shrubs and trees in bloom. They are blooming at least 10 days ahead of the usual time, he said, adding that lilacs and dogwoods, particularly, have bloomed unusually early.

"The dogwood on the Methodist Episcopal Church grounds on East Park Road is, I think, the first in this part," Mr. Skinner said. "It is in full bloom. There are Forsythias, planted about 1950, have in full bloom. There are also Japanese cherries, but as trees (Chrys) and cut have been."

"On St. Thomas's Church grounds there is a fine Parkman's chrysanthemum. At the Harbort Place, Orienta Point, there is a blaze of chrys. Local residents should see the chrysanthemum and other view on the old Robinson place, the house of Orienta Avenue, Orienta Point. The best show of dogwood is on Breckinridge Drive, New Rochelle, and Pennington Road, Mamaroneck."

Tax Sale Slated
Notice of the annual sale of real estate of the Town of Mamaroneck government is published today by The Daily Times, official newspaper of the town of Mamaroneck. The office will be held on the two Wednesdays, preliminary to the annual sale to be held at 10 A. M., May 28.

Tax liens may be redeemed by property owners between now and the time of the sale. The town government is following its policy of publishing the name of the owners as well as the block and parcel numbers.

Prof. Quiz To Speak
"Professor Quiz," of radio fame, will highlight the entertainment program for the annual dinner and dance of the Patriotic Order of Sons of the American Revolution, at the Post Lodge.

Ernest Ruff, chairman of the dance committee, told members of the group at last night's meeting in Armory Hall that plans for the affair are complete. "The dance," he said, "will open the program at 8 P. M. and dinner will be served at 9:30. Dancing will follow."

Plan Memorial Day
A committee of five to assist in making plans for Memorial Day observance in Mamaroneck, has been appointed by Commander Chester C. Henshaw, Mamaroneck Post 99, American Legion.

U. S. FLEET READY TO CONVOY SHIPS, KNOX DECLARES

Navy Better Prepared Than Ever For Task, Department Chief Says

BACKS STIMSON'S PLEA

Navy Taking Over Coast Guard Ships and Their Crews, He Reveals

WASHINGTON, (AP)—Secretary Knox said today that the Navy is "ready to take over the coast guard ships and their crews" to assist in the evacuation of the United States.

The Navy department chief made the statement at a press conference in commenting on a speech made last night by Secretary of War Stimson in which Stimson advocated the use of the United States Navy to assist in the evacuation of the United States.

At the same time, Knox disclosed that the Navy was taking over the "equipment" of the Coast Guard. The process, he said, would be completed by the end of the month.

Knox was asked by reporters for comment on Stimson's plea for naval action "right now" and he said, "I thought it a fortuitous coincidence that the Navy was taking over the Coast Guard ships and their crews."

Shortly before Knox's press conference, Sen. Vandenberg, R., Mich., announced that he would support the Navy's plan to take over the Coast Guard ships and their crews.

Stimson's speech was designed to pave the way for action by the administration toward the object of the evacuation of the United States.

Two School Budgets Win Heavy Approval At Spirited Hearings

Rye Neck Taxpayers Debate Teacher Issue

VOTE UNANIMOUS

The proposed \$237,833 budget of the Union Free School District No. 1, Rye Neck, calling for the sum of \$12,678 to be raised by taxation for 1941-42, was passed after a spirited public hearing in the Frederick E. Bellows High School auditorium last night.

When Trustees Everett H. Smith and Dr. Burr announced the figures, including approximately \$800 saved in teachers' salaries, the meeting quickly turned into a discussion of whether or not the Rye Neck school board was "retrograding" at the expense of a lower level teachers' salary scale.

It soon became apparent that those who feared the Rye Neck system was beginning to show signs of "slipping" would not be satisfied with the present staff and thought it moves during the past year were all for at least \$100,000.

COMING THE TOWN

Where To Stroll

Would you like to take a walk through the park?
One of the prettiest, if not the prettiest park around here is in the opinion of the Park Department, in Columbus Park near the railroad station.
Adding to the suggestions made yesterday in this column by them, as Skinner for local residents who wish to see flowers and shrubs in full spring bloom, Mr. Skinner recommended Columbus Park to strollers.

He's At It Again

Steepjack Roy of Mamaroneck will paint the flagpole in Columbus Park and at Mayday Hill on Friday and Saturday, he announced today.
The pole in Columbus Park was described by the steepjack as "the most dangerous in the East." Mr. Roy or Kohnst, also has a contract to paint a flagpole at the Chrysler, Conn., tomorrow next Monday.

Those Reaching Age Of 21 Since Last Enrollment Will Be Listed

WASHINGTON (AP)—Army and service officials were reported today to have decided on July 1 as the date for registration of approximately 1,000,000 men who have become 21 years old since the first selective service enrollment last October.

The registration will take place at the headquarters of the 4,500 local draft boards now functioning and authorities said it would be a "fairly simple job" compared with last fall when 16,500,000 men were drafted.

The bill for the new registration will be formally fixed in a proclamation by President Roosevelt, authorities are quoted as saying.

The day now tentatively agreed upon was chosen to give the new group of prospective military trainees a chance to learn whether they are fit to be called for service.

It was estimated in London that 200 German bombers flew over Britain during the night.

The role of Americans in the struggle was highlighted, meanwhile, in a report by Robert H. Jackson, chairman of the American Legion Club in London, that 20,000 United States citizens are fighting in the British and Allied forces.

At the same time, Berlin authorities were reported propagating the story that the British and Allied forces were being repelled.

Now that the initial group of trainees have been inducted, provision for a second group of men around which to build up the new army, it was learned that War Department officials are considering shifting the emphasis to younger men.

One plan reported under consideration would be for the War Department to call up men from service headquarters officially that they would be inducted.

Authorities were understood to favor 20 as the top age limit, while others prefer it was lowered to 18.

It was said that it would not be necessary to call up men from the present law of 21.

On the North African front, Premier Mussolini's High Command reported that Axis troops had captured important positions in the non-hostile stage of the British campaign at Tobruk, Libya.

A communication directed to a new State law granting the licensing of bicycles has been received by the Manamorneck Village Board of Trustees from the Danish Veterans Post-Trade Association.

It was referred to Corporation Counsel Anthony Sano for the drafting of a proposed ordinance. The proposed measure will be submitted to the Board's next meeting and a public hearing set up.

Trustee James Jackson, at the meeting Monday night, moved that the Danish Veterans Post-Trade Association be notified that the proposed ordinance will be submitted to the Board's next meeting and a public hearing set up.

Two Girls Injured

Two young girls were injured in an automobile accident at West Street and Rose Avenue, Wednesday afternoon, May 15, at 2 P. M. yesterday.

The girls were riding with Raymond Kayser, also of 20 Harrison Avenue, who told police he was driving the car when it struck a tree and was damaged. Kayser said he would take the girls to a hospital.

He will be sent to the navy ship in Philadelphia sometime in early May for a period of six weeks.

Joins U. S. Marines

Henry Joseph Blaney, Jr., of 60 Main Avenue, Larchmont, enlisted in the U. S. Marines yesterday.

Blaney, better known to his friends as "Rock," is a graduate of the Larchmont High School. He will be sent to the navy ship in Philadelphia sometime in early May for a period of six weeks.

Vets To Hear Poet

What promises to be a heart-rending meeting of Larchmont Post No. 347 of the American Legion will be held Tuesday night at the Post Park clubhouse.

Col. Poet, who will be the guest speaker, will read a poem entitled "The Soldier's Boy." He will be accompanied by a band of musicians.

Club Breakfast

Members of St. Augustine's Men's Club of Larchmont will receive Holy Communion at the A. A. M. Mass in St. Augustine's Church Sunday.

Trolley Track MENACE TO GO

Village Reaches Agreement For Halated Avenue Road Project

Old trolley tracks on Halated Avenue from Manamorneck Avenue to the Harrison Turnpike will be removed this summer under a working agreement between the Village of Manamorneck and the County Transportation Company.

The agreement, whereby the company would furnish the material and the Village the labor, should be reached and the project under way within the next few months.

The Board of Trustees had urged that an attempt be made to have the company agree to convert the whole road bed, much in the manner of the Palmer Avenue conversion, in order to remove the skill barrier for volunteer.

The Village, which will supervise the work, will attempt to arrange the covering for each of the two tracks, removing as much as possible the objectionable "hump," Manager Johnson said.

HESS SECRETS TO KAUFMANN LEADERS 'SWEAT', BRITISH RADIO CLAIMS

Former Hitler Aide Talking And Writing PEACE HELD AIM

LONDON (AP)—Rudolf Hess is talking and writing "words which will make the German High Command sweat," the British Broadcasting Corporation declared today as it hit its stride in a propaganda campaign against Germany to capitalize on the flight of the No. 3 Nazi.

While the government-controlled BBC started on a schedule of 10 broadcasts a day to Germany on May 15, Hess' flight, a meeting between Adolf Hitler and Prime Minister Churchill was projected as a move which Britons hoped would reveal the secret of vital German military secrets.

For the second successive day an authoritative source stated that Adolf Hitler's erstwhile minister without portfolio was writing and reading.

A transcript of what he was preparing in some form or other, a transcript on the reasons for his flight.

Hess' flight also appeared, according to the source, as a move to get the German people and try to persuade them to believe that the British were in a position to win the war.

But on one point these British quarters and German sources agreed that Hess' flight was a move to get the German people and try to persuade them to believe that the British were in a position to win the war.

COMBING THE TOWN

Pastor To Retire

The Rev. E. Foster Piper, pastor of the Mamaronock Methodist Church, 314 East 125th St., has announced his retirement from the ministry. He will be replaced by the Rev. Arthur Stromberg, now of Queens Village, formerly of Stock City, Iowa. The retirement and appointment will become effective when the conference closes tonight.

Delegates to the conference from the local church include a committee made up of Dr. Irving A. Marshall, Harry Hill and E. M. Mearns, Jr.

Registration Set

Registration for defense will be between 7:30 P. M. and 10 P. M. on Thursday and Friday and from 1 P. M. to 6 P. M. on Saturday. It was announced today.

Registration will be in the Village of Mamaronock and possibly at Central School, it was announced.

The defense council, headed by Irving Pratt, chairman, met Saturday at noon in Village Hall.

William H. Johnson, chief lawyer for Pratt, said that the defense will be in the hands of the defense council.

The same hours for registration, all in accordance with the defense council's plan.

Construction of an additional dinghy dock in the West Basin of Mamaronock Harbor, it was announced today, is being accelerated.

The Village has already received \$20,000 for the project. It is expected to be completed by the end of the year.

Dinghy dock moorings are available at \$20 per season. It is expected that the project will be completed by the end of the year.

Service Men Invited

All men in the armed forces of the United States returning home for Memorial Day will be invited to other organizations in the Village of Mamaronock, it was announced today by Dr. L. Howard Clark, pastor.

At various times recently filled out the defense questionnaire to receive cards from the Mamaronock Post 90 of the American Legion, asking them to parade, too.

The parade will start on Memorial Day at 9 A. M. in front of the Public Library on Prospect Avenue.

Rotary Roundtable

The Larchmont Rotary Club will hold only a "roundtable" meeting at the Larchmont Hotel on Friday, the members planning to attend the annual district conference on Saturday.

The club on last Friday held Ray Kenderdine, president of the Bronx club and candidate for nomination as district governor of the 17th district, speak. He talked on the "Big Brother" movement.

Wins Designation

Dr. Lewis Fulton, manager of the Pyramid City Craft Company of Mamaronock, has been nominated by the War Department to deal in military articles of insignia and is now able to replace decorations lost or broken by ex-service men.

Medals awarded World War veterans by federal government can be obtained through Mr. Fulton upon presentation of data on foreign service.

Mr. Fulton, who has had a hobby of collecting information on military decorations, says that the Congressional Medal of Honor was given during the World War for extreme valor on the battlefield. It is the oldest American decoration, having been instituted in 1875.

The distinguished service cross next in rank to the medal of honor or "Purple Heart" is awarded to those who were killed by the enemy or who were killed in action.

Wins Debate Honors

Richard R. Baxter, son of Judge Charles M. Baxter, 125 Cortlandt Avenue, Village, who is a junior at Bronx College, has won the 1941-42 presidency of the Bronx College.

For excellence in the interclass debate, Baxter was awarded 25 points for his debate on the "Hills of the Hills" and 25 points for his debate on the "Hills of the Hills".

Rome's Victory Surrenders After Grueling 40-Day Siege At Amba Alaja

By The Associated Press

Italy's Victory of Ethiopia, the Duke of Amara, surrendered today and the duke's son of a cousin of King Vittorio Emanuele, would surrender at once tomorrow.

British troops, however, said there were 7,000 Italian troops and 20,000 to 30,000 Italians besieged in the 40-day battle for the Ethiopian fortress.

In North Africa, the British declared that two Axis columns which crossed the Egyptian frontier in the zig-zag battle around Salum had been driven back into Libya by British mechanized forces.

Premier Mussolini's High Command said the duke's army, trapped on a 6,000-foot mountain surrounded 20 miles north east of Addis Ababa, capitulated after running out of food and water.

Italian resistance in the African campaign, it was said, is continuing only in sectors of Jimma, in the south, and Gondar, in the north.

The Middle East war theater, Britain's struggle was further complicated when Gen. Henri Dautin, high commissioner of French-ruled Syria and Lebanon, called on the Syrians to resist "criminal aggression" of the British.

Reports from French said citizens of the United States, Britain and France had been advised to evacuate immediately.

Reports from Baghdad, the capital of Iraq, said that the Iraqi army had been ordered to evacuate immediately.

The Italian army, which had been ordered to evacuate immediately, was said to be in a state of confusion.

COMING THE TOWN

Tax Bills Go Out

Tax bills from the Village of Mamaroneck reached property owners today. Village Treasurer Clerk Frederick H. Bull's staff sent out 5,800 bills.

The bills, carrying a rate of \$18.00 per \$1,000 of assessed value, were payable between now and July 1 without penalty.

For the convenience of taxpayers, the first half of the tax may be paid before July 1 without penalty, and the second half may be paid before Jan. 1 without penalty.

A penalty of five per cent will be charged from July 1 to Aug. 1 on the first half and from Jan. 1 to Feb. 1, 1942, on the second half, with an additional one-half of one per cent for each month and fraction thereof until paid.

These rates prevail up until the date of the general sale of tax bills.

Racket Nets \$40

A "rim-dim" racket in which Thomas Broderick, proprietor of the Village Delicatessen Store at 192-A Palmer Avenue, Larchmont, was involved, ended today with a police raid on an unidentified man being sought today by Larchmont police.

The racket, at years old, was in bright, weighing 180 pounds and wearing a brown leather jacket, went into the store at 8:30 P. M. and asked for two dozen cans of fruit salad. Mr. Broderick said he did not have that much, and the man ordered one dozen, plus one dozen cans of fruit cocktail.

He asked if it be delivered to the Plaza Park Apartments, and as Mr. Broderick moved with the man, the man came back with the apartment, calling back over his shoulder that he was going to change. Mr. Broderick assumed that he had changed, but the man did not stop.

After waiting for a while, Mr. Broderick, considerably annoyed, returned to his store. Mr. Broderick then told him the "customer" had returned and told him Mr. Broderick had sent him for change—\$40 worth of change. She had given it to him.

Cucco Promoted

Frank Cucco, 208 Stanley Avenue, who was acting as one of Mamaroneck's most versatile assistants a decade ago, has been promoted in business life. It was learned yesterday.

Mr. Cucco has been advanced to the post of assistant manager in the New Rochelle office of the Metropolitan Life Insurance Company.

A lifelong resident of the village, Cucco was town recreation director and has been married to the former Flora B. Ferrell and is the father of two children, Carlos Louis and Donna Marie.

Sympathy Expressed

The Larchmont Board of Trustees last night passed a resolution expressing its sympathy to the Village Engineer Arthur Richards, whose mother, Mrs. Margaret Richards, succumbed suddenly at her late home in Alliance, O., Saturday.

The resolution, passed by Village Attorney William J. McWilliams, follows:

"Whereas, Village Engineer Arthur Richards has suffered a bereavement in the death of his mother, Margaret Richards, now be it resolved that the Larchmont Board of Trustees do hereby extend sympathy to Mr. Richards and direct the clerk to send him a copy of this resolution."

Four Submit Essays

Only four essays were submitted to the Larchmont Board of Trustees by Junior High School students in Mamaroneck in connection with the board's prize to the best critical analysis of its own report.

Despite the low entry list, all board members have not formed their opinions on the relative merits of the papers as the vote will be taken at the June 3 meeting.

Firemen To Benefit

Fire Chief Alex B. Clemen of Larchmont today called attention to the fact that funds are being solicited from Larchmont residents for the benefit of the Westchester County Volunteer Firemen's Association, of which the Larchmont department is a member.

The association is composed of 110 volunteer fire companies in Westchester County and was organized in 1904. Its purpose in a letter and to Larchmont residents was outlined as being "to secure and guard the rights of volunteer firemen of this county, to protect and advance their interests, to stimulate friendly intercourse and good fellowship among its members and to maintain the interest of all volunteer firemen in Westchester County in the Firemen's Home at Hudson, N. Y., for indigent and aged firemen."

Adam Braub of Hastings is president, Edward S. Carr of Rye is the financial secretary.

Westchester Residents On Way To Africa Reported In German Paper

ALL six Westchester residents aboard the Egyptian Liner Zamzam, sunk by a Nazi surface raider while carrying cargo of automobiles and medical supplies to Africa, are reported safe in an undisputed port occupied by Germany, a missionary and a writer reported today.

Details of the sinking and the transport of the passengers and crew members are lacking and the State Department at Washington is endeavoring to contact the whereabouts of the survivors.

Three American ambulance drivers, a missionary and a writer and photographer for Time-Life Pictures, who accompanied the Zamzam, are reported to have been rescued by the British.

County Airport REASONABLY SURE

Bleakly Back From Capital, Believes \$1,850,000 Fund Will Be Granted

Westchester has "a reasonable prospect" of obtaining the \$1,850,000 federal funds previously allocated for construction of a Westchester County airport, said Joseph H. Bleakly, county executive, today.

The county executive conferred with the county's executive committee considering the appropriation which has already passed the House of Representatives, and will be reported to the Senate.

A fairly strong attacking group in the House-McCain Road has been mopped up, "Churchill will not be, but other parties have been accounted for."

The Germans flew approximately 100 miles from the Greek mainland in great strength to invade the island of Crete, last Greek territory to be held by the Anglo-Greek allies, and one which Churchill had declared will be defended to the last.

It is held by New Zealand, British and Greek troops under the command of the New Zealand Major General B. C. Freyberg.

The Germans presented the invasion with intense aerial bombardment of Rada Bay, the Crete coast, and various positions on the island.

Then, early this morning, the New Zealand troops in new Zealand battle dress, led by glider, parachute and troop plane on the island.

The British evacuated the island, and the Germans moved on, and the British evacuated the island.

Slayers Lose Plea For Separate Trials

County Judge Frank H. Coyne today in White Plains denied motion by four men charged with first degree murder for the killing of a Singaporean on April 14 for separate trials.

The decision of the court, presided over by District Attorney Robert T. Gallagher, stated that the defendant and obtained corroborative evidence, cleared the way for the joint trial of the four men.

They are charged with the murder of a Singaporean on April 14, 1941, in the city of New York.

CHIEF'S EXAMS PROPERLY HELD, SANSONE RULES

Village Acted Legally in Martensen's Transfer, He Says in Opinion

ALBANY RULING WAITED

Sansone Wants Appointment Made Officially To Clear Up All Doubts

HERBERT P. LINTHROTH, above, was awarded double honors at the annual "Ladies Night" meeting and dinner of the Westchester Industrial Arts Club Saturday. He had been installed as president for the coming year. The P. E. Helms, who had been president, was awarded a service certificate in recognition of a decade of service to the club.

The dinner was held at Mayor's Parkway Inn, Katonah.

Similar measures are in progress for the unincorporated town section and the Village of Larchmont.

The Board is still awaiting a ruling from the Civil Service Commission as to the legality of the appointment of Chief Martensen. To safeguard his pension rights, Mr. Sansone did not discuss the question of Martensen's elevation after his transfer from Larchmont to the Village.

The act that was passed was not passed by the Village Board, but by the Board of Trustees last night. He urged that it and when the Civil Service Commission votes for the legality of it, the Board then go on to the appointment of Chief Martensen.

The Board will be in the annual meeting session of appointing a chief who is already serving as chief. In his opinion, Mr. Sansone recalled the objection of William Gagliardi, secretary of the Westchester County Police Board, to the appointment of Chief Martensen. He stated that the examination was not held in accordance with Article 7A of the Village Law.

Mr. Sansone said it was not a promotional examination as provided for under Article 7A, but an examination for the purpose of selecting a person to fill the position of chief. He stated that the examination was held in accordance with the provisions of the Village Law.

Big Nazi Sea Raider Goes Down Off French Coast

BATTLES TO END

By the Associated Press

Germany's new 35,000-ton Battleship Bismarck, trapped by the torpedoes of daring planes and the overwhelming guns of the British Fleet, was sent to the bottom of the North Atlantic after a three-day hunt at 11 A. M. (5 A. M. E. D. T.) today even as her guns still blazed and her radio sent a last message home, "Long live the Fuehrer."

With her ensigns flying to the sea, the Bismarck sea raider fell victim to what the British described as "the whole apparatus of our ocean control" in a pitched battle some 400 miles west of Brest, France.

Thus did Britain's Royal Navy repay the greatest blow to its pride since the war began—the sinking of the 42,000-ton Battleship Hood, the world's greatest fast battleship, with the loss of approximately 1,300 officers and men in a fight with the Bismarck off Greenland.

Overstating the German man-of-war as she sailed in unbroken circles, her raider and her crew, as the British reported, were "the whole apparatus of our ocean control" in a pitched battle some 400 miles west of Brest, France.

Accounts varied whether the ship had been hit by a single torpedo or by a combination of torpedoes and gunfire. The British reported that the ship was hit by a single torpedo.

Mamaroneck Village Lists 2,300; Town Area 1,041 And Larchmont, 533

Nearly 4,000 people have registered for emergency defense work in this section since it was started last Thursday, a survey revealed today.

The Mamaroneck Village Defense Council reported that 2,300 people had registered, the unincorporated Town Section's Defense Council reported 1,041 registered, and the Village of Larchmont reported 533.

All three defense councils announced that registration will continue all this week. Work of tabulating and indexing the cards already filed will get under way in the meanwhile.

Loring Pratt, chairman of the Mamaroneck Village council, said that the cards will be available in the city at the Municipal Building or in evenings at the five firehouses where the houses are.

COMBING THE TOWN

Water Main Breaks

Approximately 15 families in the Hawthorne Hill section were without water today because of an unexpected break in a 15-inch water main at Stanley Avenue and Fenimore Road at A. M. The hope that service could be resumed at sundown, or at the latest by midnight, was expressed by William E. Thrasher, superintendent of the Westchester Joint Water Board, who was in charge of the crew of workmen digging to repair the break.

No warning could be given the residents of the water being shut off, and many had to borrow from neighbors who were not affected.

Workmen had started excavating with a steam shovel to locate the sewer line from Fenimore Road one block west up the center of Stanley Avenue and the sewer struck and broke the 15-inch main, sending a spout of water shooting 75 feet into the air.

Area where the water was cut off included Stanley Avenue between Hawthorne and Deberry, Palmer between Fenimore and Hawthorne, and Fenimore between Stanley and Prospect Avenues.

A much wider area had its pressure reduced for a time this morning, and some reported disconnection of their water supply.

The latter is caused by rust in the main being disturbed by the trenching of the Westchester Joint Water Board, who was in charge of the crew of workmen digging to repair the break.

Picketing Continues

Picketers were continuing their vigil today at the construction job on Mamaroneck Avenue for the County Trust Company and Charles Kautner, organizer for the CIO United Construction Workers, one of the pickets, said picketing will continue.

The union, he said, has no quarrel with the County Trust Company, which the CIO says itself. The CIO says itself, he said, until the A.P.T. carpenters union withdraws pickets from the Kautner House project at Stanley Avenue and Fenimore Road.

The Stanley Avenue project is organized under CIO to build a new building, the construction is organized by the A.P.T. union.

Kautner said a conference is to be held between him and Mon. day which "might bring results."

Band Entertains

The band of the Daniel Warner elementary school, Roy Noe, under the direction of Miss Rosalind Mayne, entertained the Mamaroneck Lions Club at the restaurant of the diner and business meeting yesterday in the Westchester Clubhouse of the Orienta Beach Club.

The band, numbering 15, was active in full dress uniform.

Prior to William E. Thrasher's report on the 1941 Soap Box Derby, the band was to have been reported on the meeting to discuss the 1941 Soap Box Derby.

K. O. C. To Initiate

A first degree will be given tonight by the Mamaroneck Council of the Knights of Columbus at the clubhouse in the Westchester Clubhouse in the Westchester Clubhouse.

Several candidates from Lincoln and Mamaroneck will be initiated. Arthur L. Peterson, of Port Chester, district deputy, will be master of ceremonies, assisted by the grand initiator, Port Chester and Mamaroneck.

ARMS PRODUCTION NEARS FAST PACE

Plans Now Ready To Produce Weapons In Ever-Increasing Numbers

WASHINGTON (AP)—The mass production of munitions is about ready to roll, the office of Production Management reported today in a review of the first year of the nation's intensive defense effort.

The preliminary work of designing plants and tools largely is out of the way, officials said, and the next 100 days should see weapons coming from assembly lines in ever-increasing numbers.

About 100,000 machine guns are being delivered daily to defense industries, officials said. They noted that the production of machine guns had increased from 220,000 in 1939 to 400,000 in 1940 and an estimated 750,000 for this year.

Officials gave this outline of the production situation:

Airplane: Major output expected to be four times that of a year ago, which was under 600 planes. Aircraft production for April was 1,750 military aircraft.

Ship: Preliminary work is nearly started on 325. New construction of new building 325 vessels and 600 ships.

Tank: Light tanks being produced at rate of about 500 a month. Main production of medium tanks expected by late summer.

Scout cars: Well-developed combat vehicles now being produced at rate of about 400 a month.

Seven persons were injured, seriously, in traffic accidents in the Village of Mamaroneck and Larchmont, and the unincorporated Town section late yesterday and last night, police reported today.

The person injured seriously was James Magrino, 17, of 426 Union Avenue, Village, who suffered a concussion of the brain, a possible fracture of the skull, lacerations of the scalp and abrasions of the back when he fell out of a moving car on Stanley Avenue between Maple Avenue and Fenimore Road.

Magrino was taken to Union Hospital, Port Chester, by police patrol car and was confined to his hospital room. Police reported he was riding on the back seat of a 1937 Buick sedan, driven by John Blinn of 207 Jensen Avenue, Village, and was leaning against the door when it flew open. Magrino landed on his head and shoulders.

He was taken to a home in the neighborhood and then removed to the hospital.

The other accidents were of a minor nature, with most of these injured requiring medical attention.

Two children were injured, slightly, in traffic accidents.

Joseph Johnson, four years old, of 211 Myrtle Boulevard, was standing in the doorway of a store at 181 Myrtle Boulevard and saw his mother across the street. He dashed from the sidewalk and was struck by a truck driven by Harry C. Cray of Yonkers which was leaving the driveway of a filling station adjoining the store, police reported.

The boy was treated by a physician for a bruise of the forehead.

Westchester police also reported another child was injured in a collision between two automobiles on Stanley Avenue, near the intersection of the street, police reported.

The child was riding with her mother, Virginia K. Elliott, of York, Pa., who was driving in a Buick sedan. The child was thrown from the car and landed on the sidewalk. She was taken to a home in the neighborhood and then removed to the hospital.

CENTRAL SCHOOL PLAN WINS FAVOR OF CIVIC GROUPS

50 Representatives of Local Organizations Discuss Proposal With Board

FINANCING IS OUTLINED

Five-Year Period Favored Over 15-Year Because Of Saving In Interest

Plans for the proposed improvement of Central School won the general approval of approximately 50 representatives of civic, taxpayers' and other organizations gathered in the auditorium of the school last night with the Mamaroneck Board of Education.

Most of the discussion centered on details of the architecture, site and the proposed method of financing which is expected to be a \$100,000 bond issue. The school district will require for the improvement on June 14 and will vote on the bond issue June 15.

Whether the bond issue should be paid up over a five-year period or whether it should be extended 15 years or longer was one of the major points discussed last night.

The Board of Education favors the shorter period because of the saving in service charges.

The suggestion was made and was approved by the board that when the district votes on the bond issue, it also indicate its preference as to the length of retirement of the bonds.

Under the five-year proposal, Mr. Moynihan said, the district would repay the issue at the rate of \$1,000 a year, which would mean an increase of 31 cents per \$1,000 of assessed value in the tax rate.

The Board, however, recommends retiring the bonds during the next five years while debt payments are on the decrease.

Mr. Moynihan said. The total debt \$6,000 on each of the next three years, \$8,000 the fourth year and \$1,000 the fifth year. These decreases normally would bring the rate reduction of six cents in the tax rate, or 23 cents on \$1,000 of assessed value.

At the present budget, providing a rate of \$10.25, remained constant throughout the period, Mr. Moynihan continued, the actual reduction would be less instead of 23 cents next year, for a total of 42, to \$10.80 and to \$10.25, and finally to \$10.25, less than the present rate.

SGT. QUINN TO GET PAY FROM VILLAGE

Municipality Must Differ in Army Allowance And Police Salary

Under a ruling of the Court of Appeals yesterday, Motorcycle Officer John Quinn of the Mamaroneck Village Police Department, who is on leave of absence serving as a sergeant with the 103rd Field Artillery at Camp Blanding, Fla., is entitled to receive compensation from this municipality during his service in the Army.

The highest State Court ruled that the statute, providing that municipalities must pay the difference between military compensation and police salary, applied to Federal National Guard or Army or Navy members.

Sgt. Quinn received \$140 a month as a policeman, and in the Army receives \$72 as a sergeant. The Village had been meeting the difference but stopped his pay check as of April 1, when the constitutionality of the statute was questioned.

Under the Court of Appeals ruling, the municipality is expected to make up the difference since April 1, and to resume the payments during the five years of the term.

It is in the Village of Mamaroneck, employes are affected.

Under the same ruling, Maj. Edward Marsh, deputy commissioner of the County Department of Health, is entitled to receive \$175 monthly from the County during his service in the Army, according to a word from White Plains today.

Dr. Marsh received \$500 per year, and as a reserve major, \$2,100 must be paid by the County. The Village had been meeting the difference but stopped his pay check as of April 1, when the constitutionality of the statute was questioned.

Judge Knox Grants Request For Dismantling Of Defunct Line

EQUIPMENT TO BE SOLD

Court, However, Offers To Delay Order, If Plan To Re-sum Service Is Presented

NEW YORK (AP)—Judge John C. Knox today granted the request of the New York Westchester & Boston Railroad Company for permission to dismantle the defunct electric line and sell the equipment.

The judge said he would grant the order when it is presented some time next month but that if the Westchester committee can devise any means to reopen the line he will grant actual demolition and sale.

Arthur E. Mount Vernon, corporate counsel, spoke for the Westchester committee, which is to be dissolved. He said the company is to be dissolved.

The Town of Putnam refused to allow the company to use the right-of-way of the White Plains-New York City line branch which is left in wreckage of the abandoned electric line.

White Plains Man Crushed To Death

By the Associated Press

NEW YORK (AP)—A white Plains man was crushed to death tonight when he was struck by a train.

The victim, identified as John J. White, 35, of White Plains, was struck by a train while crossing the tracks.

The train was traveling from New York City to White Plains.

The accident occurred at the intersection of the tracks and the highway.

The police are investigating the cause of the accident.

Mercury Drops

Cooler weather which came to the section of a breeze last night after a second violent storm will continue, the Weather Bureau forecast today. Tomorrow will be a little warmer than today but fair.

The severe local winter storm struck most heavily in Yonkers, reports indicated. White Plains and Scarsdale got a cloudburst Thursday evening. Before the storm a lake was overcome by heat in Yonkers. During the height of the storm a high velocity wind was knocked down when lightning hit a pole and ignited it. A chimney was toppled by strong gusts.

Devereux To Speak

Col. Frederick L. Devereux, mayor of Bronxville and vice-chairman of the Westchester County Defense Council, will speak tomorrow at 11 A. M. at St. Thomas's Church, when a special patriotic service and making of the colors of various organizations will be held.

While his trip has not been announced, Col. Devereux may be expected to include in his address something of the patriotic registration being conducted by the Defense Council in White Plains today. The committee is actively working to get the registration to 100,000.

ASSAILANT FIRES AT KING OF ITALY

Greek Arrested As Monarch And Albanian Premier Escape Assassination

THOMAS (AP)—A Greek, declared "afflicted by poetic madness," emptied a pistol at the motor car in which King Vittorio Emanuele was riding with the Albanian premier during the monarch's visit to Albania May 17, official Italian dispatches from Tirana disclosed today. All shots went wide.

The assailant, whose name was given as Yassal Kadu, Albanian, was arrested, the dispatches said, "and saved from lynching by the police as he was not in the line of the king's motorcade."

In the motorcade the king, Emperor was escorted by the king's bodyguard, which included the Italian, French, and British troops, and the king's personal guard.

De Valera Summons Irish Parliament

DUBLIN (AP)—Premier Eamon de Valera today unexpectedly summoned the Dail Eireann, Irish Parliament, to meet Monday to hear a statement on application of British conscription to the six counties of Ulster, Northern Ireland.

De Valera has opposed conscription in Ulster, which under Bismarck is a part of the United Kingdom, because of the number of pro-British volunteers who would be affected.

It was further believed by observers that de Valera would elaborate his position regarding British defense and develop a economic plan.

At the same time it was reported from Belfast, capital of Northern Ireland, that an emergency meeting had been called to urge a pledge almost unanimously to the resolution at day which would British attempt to force Irish compulsory military service then.

BRITISH BOMBERS CHALLENGE NAZIS IN CRETE BATTLE

Long-Range Warplanes Down 14 Enemy Ships in Single Day's Fight

BULLETIN

BERLIN (AP)—The German High Command broke its silence on the invasion of Crete today, announcing that German paratroopers have been on the island since May 20 and have the western end under control.

CAIRO (P)—British long range fighters have challenged the German air mastery of Crete, combining with bombers from distant bases to destroy at least 14 German planes in the air in the spreading battle at the western end of the island, RAF headquarters announced today.

LONDON (AP)—Britain will fight on against the invasion of Crete at almost any sacrifice, authoritative sources said today as the fastest battle for the Mediterranean continued through its fifth day.

By the Associated Press

British naval forces might have aided the sea power to reach Crete, but expressed doubt if the troops and equipment could be landed against resistance of shore units.

One German convoy has been seen in the Eastern Mediterranean, a three-hour attack during which an Italian destroyer, two frigates, and to small sailing vessels were sunk.

Another convoy attempting to reach the island was reported to have been sunk by British aircraft. The Italians said their naval and air forces had sunk four German ships and three submarines.

The British acknowledged that an Italian ship was "not so good" and a "vicious" stream of parachute troops could be expected to reach the island. Crete is a strategic point, the British said, and they are determined to hold it.

Although the Nazis were getting more and more men to the desert, they were not getting more and more men to the desert, they were not getting more and more men to the desert.

On the Western Front, RAF bombers struck at the City of Cologne, Rhine Valley industrial center, and blasted objectives around Bonn on the Nazi-occupied French coast.

Communists Distribute Handbills Assailing 3-Day Registration Period

Continuing its war on Westchester's voluntary registration, the Communist Party of Westchester tonight distributed hundreds of handbills through the Tarrytown area, proclaiming that only a per cent of the county had registered during the three-day period.

Surprised members of the Tarrytown Rotary Club, their families and friends, found the handbills in their cars when they returned from the club.

The handbills were signed by the Communist Party, and they called for a "mass demonstration" against registration, saying that the registration was a "betrayal" of the people.

Working on the committee along with the Communist Party was Justin Hester, who is chairman of the Legion's American committee, and Frank E. McCall, Michael A. Trovati, William H. Farnsworth, George H. Farnsworth, and others.

Efforts To Sabotage Defense Work To Be Investigated

DATA GATHERED

The Dies Committee investigating anti-American activities may hold hearings in White Plains soon, it was learned today, to inquire into Communist and Fifth Column operations in Westchester, particularly reported efforts to sabotage the voluntary registration of citizens for defense emergency work.

Sheiff George A. Casey and his special investigator, Frank Capelli, were served yesterday with a subpoena to appear at the Dies Committee to turn over "forthwith" to the Dies committee "all data and documents, in your possession, custody or control, in Westchester County of Communism, Nazism and Fascism, individuals, clubs and organizations."

A Dies Committee investigator, who appeared five hours in White Plains yesterday, returned to New York with a bundle of evidence, two feet high from the sheriff's file on Fifth Columnists and a recommendation that the committee hold hearings in White Plains to investigate the activities of the committee.

Westchester, it was learned, would provide the Dies Committee with all facilities for the hearing, including a chamber and supplies.

The Dies Committee, which is headed by Rep. Charles McNary, of Indiana, is a subcommittee of the House of Representatives. It was created in 1938 to investigate the activities of the Communist Party in America.
