

COMING THE TOWN

Beach Season Opens

The bathing pavilion at Harbor Island was opened yesterday and will remain open until the summer bathing season.

Season tickets are available at the pavilion, where Frank Benjamin will be the attendant in charge. Local residents and others should obtain their season tickets before the beach officially opens on June 15. Managers, John and Mary, will be on duty.

Head lifeguard Steve Johnson is on duty already and other guards will be added as the summer progresses.

On Summer Hours

Municipal offices in the Village of Mamaroneck, Town of Mamaroneck and Village of Larchmont today go on the customary shorter summer schedule by closing at 4 p. m. instead of 5 p. m. The earlier closing hour will prevail during June, July and August.

Jews Hold Services

Pentecost holiday, commemorating the acceptance of the Torah by Moses at Mount Sinai, was observed here by the Hebrew Institute on Haledale Avenue and will end at sundown today.

Rabbi William Novick officiated at services yesterday and this morning, as well as a memorial service for the dead this morning.

Initiation Sided

A special initiation ceremony will be held by the Mamaroneck Division No. 7 of the Ancient Order of Hibernians, at a 6 o'clock Wednesday evening, at the Knights of Columbus club rooms on Mamaroneck Avenue.

It was originally planned to have the initiation ceremony on Sunday, but several weeks from yesterday, but many who wish to attend, are many who find it inconvenient to be present for initiation on Sunday.

Clint Defers Session

Mamaroneck Knights will forego their annual weekly meeting of Wednesday night and will attend the Gramatan Hotel, Bronxville, to attend an interclub meeting sponsored by the Bronxville Knights.

A special session will be held in the evening when the Knights will discuss the situation.

NO SABOTAGE SEEN IN JERSEY BLAZE

Flames Cause \$25,000,000 Loss To Waterfront; Origin Still Unknown

JERSEY CITY (AP)—Blackered tanks and industrial buildings held the scene today of the cause of a \$25,000,000 blaze which broke out along the Jersey City waterfront, the police, Coast Guard and Federal Bureau of Investigation reported today that it is likely that the cause was sabotage.

Fire Chief Frank Deke, who estimated the damage at \$25,000,000, told reporters that "it is probable that the fire could have started from a carelessly discarded cigarette."

Deke Moore, PHU chief, who also estimated the damage, said that there were no national defense materials on the waterfront.

The fire broke out Saturday afternoon in a stock yard and was not extinguished until late in the evening. It had spread to the waterfront area, particularly through the waterfront area between Sixth Street and Pavonia Avenue.

Several hundred tons of cargo, including a large quantity of oil, were destroyed, and the fire destroyed an eight-story grain elevator and engine house, a two-story engine house, a two-story engine house, and a two-story engine house.

Cost Of Reynolds Field Grading For Westchester Airport Set At \$12 Million

Estimate Does Not Include Purchase Price And Additional Costs Needed

Grading of Reynolds Field in Yonkers, one of several sites under consideration for a county airport, would cost about \$12,000,000 according to a report made by Mount Pleasant Town Engineers George R. Smith and Fred Sutherland with Supervisor Victor Materna and town board. Federal engineers have put the cost at not more than \$10,000,000.

"An expenditure of about \$12,000,000 would be required to grade and level Reynolds Hill and this figure does not include the purchase price of the property and an additional \$300 acres necessary to furnish space for 5,000-foot runways," Mr. Smith's report stated.

"Leaders in aviation have stated that the minimum requirement for the airport is 5,000 feet of runway and commercial aircraft are a sufficient size to meet all conditions," the report continued.

"The Reynolds Hill, about 30,000 cubic yards of earth would be needed to make the site suitable for an airport," the report stated.

COMBING THE TOWN

Motorist Fights

A woman motorist who had scraped the fenders of the automobile of a man at the Boston Post Road and Larchmont, at 5:40 P. M. yesterday, failed to leave when he asked her to leave his driveway. She became hysterical, according to police, and it was a half hour before she was calmed, with the aid of a physician. A friend was summoned to drive her home. The woman was Miss Beatrice Wyatt of Waterford, Conn., who, while trying to back into the curb, scraped her car against one driven by Thomas J. Kennedy of 14 Pitt Avenue. Law-enforcement had one job for a red traffic light at the intersection. Mr. Kennedy asked for Miss Wyatt's license and she failed. After she had been revived and calmed, police called her second, Richard T. Fitch of Rye, who drove her home. Creditable were charged by the two motorists and no charges were brought by either, police said.

Dance For Trophies

Larchmont's junior set, anxious to raise funds for tennis trophies, asked permission to hold a dance on the tennis courts in First Park some weeks ago. They have the go-ahead signal from the Village Board now, but the dance will be held indoors. Village Engineer Arthur Richards has secured the use of the American Legion clubhouse, First Park, for the night of July 21. It will work with a junior committee, to be selected, on arrangement for the affair.

On Shorter Hours

Larchmont's new office employees are now on summer hours—dull at 30 minutes per day less than last summer. The Village Board last night unanimously agreed that the employees requiring arrival at 8:30 o'clock in the morning were to be taken in view of the fact that all neighboring municipalities do not open their offices until 9. Larchmont's Larchmont employees will begin work at 9:30 o'clock for the day at 4 P. M.

Wins Photo Prize

Arthur C. Higgins of 607 Munro Avenue, Village, was third prize for his portrait. "The Magic City" in the annual photo show held by the Manhattan Chapter of the New York City, the largest amateur photographic organization in the city. It was announced last night, of the 200 prints submitted in the contest, all three winners were from Westchester. Mr. Higgins' picture, a portrait of his wife, was awarded first prize. The exhibit at the Madison House, 28th Street and Madison Avenue, will continue until June 30, after which he will appear on a tour of one year throughout the United States.

Sons Dine Mothers

The first mother and son dinner of Larchmont was held at 247 of the Sons of the American Legion was held last night at the Larchmont Restaurant, New Rochelle. Thirty-two mothers and sons were present. Highlights of the evening was a quiz program, arranged by the Squadron members, in which several mothers and boys participated. The questions were asked by Adjutant Raymond Trovato in the absence of Capt. James Morris, Jr. As an added attraction, the mothers were paid for their services for each correct answer. To Attend Sessions

Larchmont Village Engineer Arthur Richards will attend the annual summer conference in Albany which starts Monday, permission for a short leave having been granted him last night by the Village Board of Trustees. William McWilliam, village attorney, has tentatively planned to attend the special attorney's meeting.

Army Guest Sends Larchmont Thanks

One soldier, having forgotten the "good times" enjoyed by the troops quartered in the Town of Manamorneck, has written a letter to the Village Board of Trustees. The letter, dated June 10, was addressed to the Village Board of Trustees, and was signed by "John Doe". The letter expressed the gratitude of the troops for the hospitality and care provided by the Village Board and the residents of the Town of Manamorneck. The Village Board of Trustees has received the letter and has expressed its appreciation for the letter.

Phantom Network of Supply Set Up To Provide For Sabotage Damage

EXTRA GUARDS ADDED

All 27 Employees To Be Fingerprinted As Extra Precaution

County officials are working with local authorities today to set up a phantom network of water supply from one community to another in case of damage from sabotage.

The Westchester Joint Water Works, serving the Village of Manamorneck, the unincorporated section of the Town of Manamorneck and the Town of Harrison, has added extra police guards and will interpret all of its 27 employees in a map with Westchester.

The network of emergency supply is being arranged so that if water is shut off in any of the community in this vicinity, it will be possible to continue the supply through a temporary arrangement with neighboring communities.

The FBI had information indicating a station-wide plot against defense establishments and vital centers and sent warnings to all police chiefs. Nothing developed in the arrest of a Pittsburgh, Pa. German-American band leader, who carried a map with Westchester watered pipes through the red ink.

The band leader, Paul Hunsel, 28, who was committed at New York City yesterday to the Federal House of Detention, was charged with investigation to be on guard against sabotage on the Memorial Day weekend.

FRANCE ON VERGE OF WAR AGAINST BRITISH IN SYRIA

Vichy Cabinet Holds Two Sessions To Map Action

NAZI OFFER AID

By the Associated Press

France appeared today on the verge of plunging into the war against her ally, Great Britain—presumably with strong German support—on a new battlefield in French-occupied Syria in the middle east.

In Vichy, Chief of State Philippe Petain called an urgent cabinet meeting late this afternoon. The second of the day, after conferring with Generalissimo Maxime Weingand, commander in chief of France's African Armies.

In Paris, the populace was warned to be ready for a possible air raid alert tomorrow—the first since Adolf Hitler's conquering legions crossed the French-German border. Simultaneously, the French-controlled Beirut radio, charged that the British were preparing to attack Syria and declared that French forces were ready to "reply effectively."

Axis-controlled quarters in Berlin, with apparent significance, said Germany would give France a "free hand" to repel any British attempt against her sovereignty. Dispatches from Ankara, Turkey, reported that a dozen freighters flying swastika flags had been assigned to transport German troops and heavy military equipment from Mersin harbor to Syria.

RAF BOMBS OIL DEPOT IN FRENCH LEBANON; FORMER KAISER

Wilhelm Succumbs; Hitler Orders Military Rites

FUNERAL MONDAY

BERLIN (AP)—Former Kaiser Wilhelm II of Imperial Germany died today at his exile estate of Doorn in the quiet backwash of a new German conquest almost 23 years after he fled from the crumbling fall of his own European war plan.

Hitler, German official news agency, reported from Amsterdam that the 83-year-old, white-haired former emperor died at 11:30 A. M. in a sudden release of an illness which brought members of his family to his bedside last week.

An intentional disorder, thought caused at the last by a lung embolism, killed the emperor.

Even in death, the man who had been a military leader, was not to be forgotten. His funeral will be held at Doorn next Monday, but on the orders of Adolf Hitler, a military funeral with full honors is to be accorded.

The German press declared that the emperor's death was a great day for the German people, and that the only consolation for the loss of the emperor was the fact that the emperor had died at Doorn.

At a bedside when he died, he was a few days from his 84th birthday. His family, his second wife, Princess Hermine, his daughter, Princess Louise, and his son, Prince Louis, were at his bedside.

The emperor's eldest son, Prince Louis, was at his bedside when he died. He was a few days from his 30th birthday.

EXAMS FOR POLICE LIEUTENANT SET

Entire Family Serves Uncle Sam As Catherine Cosgrove Leaves Tomorrow

The Cosgrove family of Mamaroneck is now completely in the service of the United States.

Miss Catherine Cosgrove, a nurse, leaves tomorrow for service in the United States Army. Her two brothers, James and Michael, are also in the service.

The three are children of the late Mr. and Mrs. Michael Cosgrove, formerly of Mamaroneck and Harrison. Their parents died about six years ago.

James Cosgrove departed two weeks ago for active service in the 3rd Division of the United States Army at Norfolk, Va.

There have been no appointments made in the last two years and one of the requirements is that applicants should have had at least two years of experience as a policeman immediately preceding the date of the examination.

The examination will be open to every member of the Mamaroneck Village Police Department.

There are no other brothers or sisters in the family.

British Also Take 'Precautions' In Syria

NEW DRIVE NEAR

By the Associated Press
With the British public clamoring for action, RAF warplanes today bombed the oil depot at Beirut, French-ruled Lebanon, in what may have been the opening blow in the next great campaign against the war.

Simultaneously, authoritative quarters in London said Britain had now taken "precautions in regard to Syria," neighboring French colony in the Middle East and imperial headquarters of the British Empire.

As the war momentarily threatened to boil over into this new theater, the British Mediterranean Fleet, the Syrian High Command and the British Army of the Levant was already to defend its territory against any attack.

In Beirut, a Nazi spokesman said France has taken "certain protective measures" along the borders of some of her colonial possessions in the event of an attack on Syria and Lebanon.

Reports reaching Vichy, the French capital, said British planes this morning attacked Beirut, shattering oil reservoirs and bombing the oil depot there.

Reestablishing the 12-day battle of Crete, the German assertion that 12,000 more British and Greek troops had been captured on the half-ravaged Mediterranean island, making a total of 25,000.

The latest group of captives, it was said, included 4,000 British and 4,000 Greeks.

Amid official silence, Britons waited for word that the British already have flamed into action in France's Middle East colonies of Syria and Lebanon.

Lord Beaverbrook's newspaper, the London Evening Standard, said that British troops should occupy Syria at once—if necessary for the defense of France and Cyprus.

The newspaper asserted that the British had already offered Syria to Germany as payment for the evacuation of the British forces from the island.

The paper also said that the British had already offered Syria to Germany as payment for the evacuation of the British forces from the island.

200,000 Sign Up In Towns And Villages For Service If Needed

Westchester villages and towns have registered about 70 per cent of the potential civilian strength for defense emergency work, H. M. Linsley, executive secretary of the Westchester Defense Council, reported today.

The Rye Town Board rejected the recommendation of the Rye Town Board of Trustees that the board should be authorized to make the office of town clerk and town superintendent of highways separate, subject to a permissive referendum, instead of selective.

The change of status of the town clerk and town superintendent of highways was recommended by the Rye Town Board of Trustees.

COMBING THE TOWN

Storm Warning

NEW YORK (AP)—The Weather Bureau issued a northeast storm warning at 7 A. M. today from Cape May, N. J. to Portland, N. H.

"A storm of considerable intensity," it said, "will move eastward and cause strong easterly winds shifting to north tonight."

Horse Show Off

The horse show scheduled for tonight by the Rye Neck School at the Florence Avenue playground, has been cancelled because of the weather. The event will be held this year during school examinations begin next.

Chest Meeting Set

A meeting of those interested in the Community Chest for the Village of Mamaroneck will be held at the Mamaroneck Free Library at 8 P. M. Tuesday, June 11. It was announced today by Judge Charles M. Baxter, Jr., acting chairman.

The gathering will hear a report of the nominating committee and will increase the number of directors to more than 15 members of the present Board of Directors are asked to attend.

Delegates Named

The Mamaroneck Lions Club will be represented by four members at the date convention at Stateline Lake June 16-17. It was announced today by Secretary Thomas Goodman.

The representatives are William Macdonald, Gabriel Wendt, Leo Harkness and W. Roy Halsey.

Group Elects Officers

New officers were elected at the annual meeting of the Howard Park Association, Tuesday evening at the home of Edward A. Keeler.

They were Roger D. Reed, president; William T. Keeler, vice president; John P. Copley, secretary; and Oliver Halsey, treasurer.

School Books

Two gifts, both of books, were received by the Rye Neck Board of Education "with thanks" last night at its meeting in Barry Avenue School.

Two cases of volumes were given to the school system by Henry Holsen, former chief justice, which formed part of the late father's collection of "Jesse's studies."

Holsen, who at one time placed a case of the Rye Neck school, was a resident in educational work in New York City.

The other donation of books was made by former Mayor William E. Lyon, Jr.

Both gifts will be turned over to the school library.

Diseases Decline

A "grand total" in cases of communicable diseases in the Rye Neck school district was reported to the Board of Education at its meeting in Barry Avenue School last night.

Dr. Eugene J. Halsey's report to the board by Dr. Samuel Eagle Burr, superintendent of schools, showed there were still cases of measles, chickenpox and mumps in the district, but far fewer than the number reported in April.

Bus Hits El Pillar, Killing Its Driver

NEW YORK (AP)—One man was killed and 21 persons were injured, some seriously, in a collision today when a Fifth Avenue bus, attempting to avoid a collision, crashed into an el pillar at 62d Street and Roosevelt Ave.

The dead man was Michael Mancini, the bus driver. Ambulance attendants treated the injured at the scene.

Two Found Dead In Wrecked Plane

CANANDAIGUA (AP)—Wreckage of an airplane containing the bodies of two men was found this morning in a farm field on the east side of Canandaigua Lake.

Ontario County Sheriff Walter A. Biting identified the men as Robert Nelson and John D. Brown, both of Fayetteville, Ontario County.

MAY WELFARE COSTS CUT SHARPLY AS 228 LEAVE TOWN'S ROLLS

\$2,252 Decrease In Expenditures For Month Shown MANY FIND JOBS

The number of individuals receiving relief in the Town of Mamaroneck dropped by 228 in May as compared with April, the case load dropped by 55, and the expenditures decreased by \$2,252, according to the monthly report of the Welfare Department submitted to the Town Board last night by Councilman Edward C. Griffin.

The unusually heavy decrease in expenditures of relief administration was attributed by Town Welfare Officer Charles L. DeWitt to the fact that many of the customary seasonal drop in this class of the year.

Private employment has shown a large number of those leaving the relief rolls, he said, and the number of those now receiving supplemental instead of full relief has been increased. It was not unusual, however, to credit welfare with absorbing many of the employables on relief.

Many head persons who have been put into the relief rolls in the past few months, he said, are now finding work in the town.

NEW CIO STRIKE HALTS WORK AT AVIATION PLANT

North American's Factory Closed As Union Spurns Mediation Board

BIG ORDERS AFFECTED President May Take Drastic Action To End Stoppage In Defense Work

By The Associated Press

A new CIO strike, enforced as the Defense Mediation Board considered the dispute, closed the big North American Aviation Corporation's airplane plant at Inglewood, Calif., today and caused immediate speculation in Washington whether President Roosevelt might take drastic action to end the stoppage in defense industries.

The walkout at North American was the second episode in 24 hours of proposals of the Mediation Board.

President Roosevelt said in his speech declaring an unusual national emergency: "A nationwide strike, such as that which has just occurred, is a direct challenge to the authority of the Government."

The mediation board was charged by W. P. Goodman, head of the CIO, to attempt to bring about a settlement of the dispute between North American and the workers' management.

The mediation board members were in session to determine what action could be taken on the defense by a West Coast CIO labor union, which the board's recommendations for settling a strike by the defense workers in the Northwest.

COMING THE TOWN

A Speedy Journey

The mystery of the three-people letter and its rapid journey from England remains unsolved for Mrs. Edna K. Webb, British wife just back from London, who says that she was in the car with her children at the first street, New York.

The letter, from her husband, Frederick W. Webb, who serves in the Air Ministry, was postmarked Havilland, Suffolk, and was dated London, on May 30. It was marked again on May 31 at New York, N. Y., and received by Mrs. Webb on June 2.

Since the letter had only a common postage stamp and was torn, Webb learned her husband had baked a cake of his ration of butter and sugar and has since been using saccharine and other margarine.

Just like a man! said Mrs. Webb.

Scream Causes Stir

Residents in the neighborhood of Palmer Avenue and Cliff Way in Larchmont, were called at 11:30 p.m. last night by the scream of a woman. They called police. Sgt. Richard Gruber, who was on duty, who gave her address as 119 Myrtle Ave., Larchmont.

COMING THE TOWN

A Speedy Journey

The mystery of the three-people letter and its rapid journey from England remains unsolved for Mrs. Edna K. Webb, British wife just back from London, who says that she was in the car with her children at the first street, New York.

The letter, from her husband, Frederick W. Webb, who serves in the Air Ministry, was postmarked Havilland, Suffolk, and was dated London, on May 30. It was marked again on May 31 at New York, N. Y., and received by Mrs. Webb on June 2.

Since the letter had only a common postage stamp and was torn, Webb learned her husband had baked a cake of his ration of butter and sugar and has since been using saccharine and other margarine.

Just like a man! said Mrs. Webb.

Scream Causes Stir

Residents in the neighborhood of Palmer Avenue and Cliff Way in Larchmont, were called at 11:30 p.m. last night by the scream of a woman. They called police. Sgt. Richard Gruber, who was on duty, who gave her address as 119 Myrtle Ave., Larchmont.

Adolf Hitler's warfare has entered a new phase of offensive, according to reports from the Middle East.

The British acknowledged stiff resistance against the Allies' 40-day long spearhead invasion into Syria and French Free French forces stormed the capital of Damascus, the Syrian capital.

Condemned supporters from Damascus and Vichy French troops were being dispatched by underground forces while yesterday's fighting, according to the British, was continuing.

The British said the German high command was sending reinforcements to the Middle East, and that the British were holding the Syrian capital.

U.S. WILL DELIVER WEAPONS OF WAR, ROSEVELT SAYS

Materials Already Transferred Set At 75 Million

OUTPUT GAINING

WASHINGTON (AP) — President Roosevelt, reporting that "a little over \$100,000,000" of defense materials have been transferred under the lease-lend law, told Congress today "we will help Britain to outstrip the Axis powers in munitions of war."

President emphasized that these munitions get to the places where they can be effectively used to weaken and defeat the aggressors.

He made no mention of methods to be used to insure delivery.

It was the chief executive's first report to the legislature on the progress of the gigantic program to supply arms to Britain, China, and other democratic nations.

The "leaked" information had been spread three months ago today. How much of the \$100,000,000 went to Britain and how much to other nations was not indicated.

"We have supplied and we will supply," Mr. Roosevelt declared, "planes, guns, ammunition, and other defense articles in ever-increasing quantities to Britain, China, and other democracies resisting aggression."

The report itself, a lengthy printed pamphlet containing tables and charts, will be sent to Congress today. It will be the first of a series of reports on the progress of the program.

514 More Pay Tax

Five hundred and fourteen more persons in Manhattan and Larchmont filed income tax returns last year than did the preceding year, according to word received here today from the Bureau of Internal Revenue at Washington, D. C.

The bureau reported 1,001 returns from Larchmont as compared with 1,304 the year before, an increase of 207. It recorded 153 returns from Manhattan compared with 166 the year before, an increase of 24.

Income tax filings by residents of Westchester as a whole turned sharply upward, reaching a total of 64,799 compared with 46,902 the preceding year.

It was pointed out the comparison is not a true one because some Westchester taxpayers are in New York City address one year and a Westchester residence address another.

Harry A. Litch, Westport, Conn., member of the University Club of Manhattan, annual host to the co-conspirators for a summer picnic will throw open his estate to the club on June 21, it was announced today.

In six other years, club members have been invited to bring along their families and have been requested to supply their own luncheon. The club will serve a steak dinner following an afternoon devoted to sports of the kind.

Going Back Home

Jack Connolly of Larchmont, tonight, member of Larchmont Post No. 34 American Legion, will be the principal speaker in his home town, Westport, Mass., on Saturday, when that community celebrates the 60th anniversary of its incorporation.

Mr. Connolly has not been to his home town for a long while and expects to visit with many old friends.

Collie Stolen

A pedigreed Scotch collie answering to the name of Prince has been stolen from Mrs. Catherine Leary of 409 Highland Avenue, Harrison, who formed The Daily News on the day in an appeal for the return of her pet.

Mrs. Leary, who resides near the Harrison-Manhasset line, said her dog disappeared on May 31, and that two boys were seen in the neighborhood taking the dog by a rope. Prince is a "rable and white" collie, with a wide, heavy white coat, four white legs, and power, and fur on the body that is fair at the base and black at the tips.

"This dog was my constant companion for 10 years," wrote Mrs. Leary. "I am heartily sick of losing him in this manner." A reward notice has been given for information leading to the recovery of the pet.

GERMANY ADMITS LOSS OF 217,359

5,893 Casualties in Crete Boost Total Since Fall of Invasion

By the Associated Press

Germany's acknowledged loss of 5,893 men in the Crete campaign raised to 217,359 her total dead and missing in the island campaign since the invasion of Poland Sept. 1, 1939.

The figures on dead, wounded and missing in the 15-day battle of Crete were given for the invasion of Norway or the Battle of the Balkans.

Germany's list of her manpower losses included:

Poland	15,072	30,032	8,048
Norway	1,317	1,004	2,375
Denmark	1,099	770	1,869

JACKSON FILLS VACANCY

Sen. Byrnes Named To Post Vacated By McReynolds' Retirement

WASHINGTON (AP)—President Roosevelt today nominated Harlan F. Stone of New York to succeed Charles Evans Hughes as chief justice of the United States.

The place vacated by the elevation of Stone will be filled by Attorney General Robert H. Jackson.

And to fill the vacancy created by the retirement of Justice Charles McReynolds, President Roosevelt today nominated Senator Charles McNary of Oregon.

On the motion of Sen. Glas, Byrnes' nomination was confirmed 11 minutes after it had reached the senate, and only 15 minutes after it had been received by the senate.

While there had been reports that Jackson might become chief justice, the President chose instead to elevate Associate Justice Stone.

Stone, 62, is the highest judicial post in the nation. Stone will be 62 next October. Jackson is 42.

With confirmation of Jackson's nomination, the President has named seven of the nine members of the Supreme Court which he once wanted to increase in size to inject new blood into the judiciary.

Stone, Jackson and Byrnes are all Democrats.

Stone moved up to be Attorney General after the President named his predecessor, Frank Murphy, to the Supreme Court.

Byrnes had been a presidential appointee and holder of substantial offices in the Senate.

He was considered likely that he might go over to the court until he had been named.

Student Finds Ring Tossed From Apartment Window By Owner's Baby

It's an old story now, but it still is a good story for the town of Larchmont.

More than five years ago she lost her diamond ring, but found it about a year later—in the lawn of her apartment.

Today, she was able to find it, and she was able to find it.

COMBING THE TOWN

He's Corporal Now

Fred G. Robb, son of Col. Louis G. Robb, a staff officer, of 188 Hickory Grove Drive, Town, has been appointed a corporal in the 24th Coast Artillery at Camp Pendleton, Va., according to word reaching here today from Col. Malcolm W. Force, commander of the regiment.

As his new capacity in new York's "Old Sluts" Corp. Robb will serve as an intelligence agent for Capt. W. H. Shaw, commander of Battery B. His promotion was one of the first among 700 metropolitan area trainees who joined the regiment in February.

Robb, a volunteer, was sent up as a replacement from South-Larchmont. Draft Board No. 740 Prior to that, he was an assistant account executive with Young and Rubicam, advertising agency in New York City. Now he is battery correspondence for the Army newspaper.

Col. Robb returned to town two days ago after a furlough at his home in Larchmont.

Camp-O-Ral Off

The "camp-o-ral" planned by Boy Scouts of the Village of Mamaroneck for tonight has been postponed for exactly the same reason of inclement weather.

It was announced today by the Harry C. Bruckin, vice-chairman of the Mamaroneck district.

The outdoor camp will include an outdoor camp of honor, will be held next Friday at the same place, Haviland's Farm on West Street in Harrison. The same time will prevail for scheduled events next Friday and Saturday morning.

The Scouts will, however, be expected to participate in the Flag Day ceremonies and other events which will be held tomorrow.

Friday The 13th

Bad luck overtakes Peter Abbot, 33, shoemaker boy of Mamaroneck today, Friday the Thirteenth.

First, he was supposed to receive his wages in full by Police Judge Patrick J. Hughes after he had been found guilty of disorderly conduct despite his claim of insanity.

Then, who gave his address as 407 Jefferson Avenue, was arrested at 5:30 A. M. today by Patrolman Howard Hines after residents of that neighborhood complained he was standing in the street, yelling because he couldn't get in.

About two weeks ago, Judge Augustus Reinecke, Peter was given a suspended sentence.

Peter said he would now go to Mamaroneck Avenue where they will let him in, when he got out of jail.

On Critical List

Little change was noted today in the condition of the two 13-year-old boys who were critically injured when the automobile in which they were riding, crashed into a tree on Old White Plains Road near the Tappan Road intersection at 4 A. M. yesterday.

New York Herald reported Richard Alan Arthur of Ardsley, a 13-year-old boy, was still unconscious and in an "unchanged" condition. A little improvement was noted in the condition of the other boy, who was still on the critical list, for Hugh A. MacCall, 13, of Weaver Street, New Rochelle, a passenger in the car.

The car was demolished in the accident.

Off To Maryland

Leon J. Johnson, formerly of Mamaroneck, was sent on one of two trains, recently inducted into the Army, who left Port Jervis yesterday morning for the Aberdeen Proving Ground, Maryland, where they will be assigned to the Ordnance Replacement Center for training.

While the men were at Port Jervis they were interviewed and classified at the reception center, took aptitude tests and received their uniforms and equipment.

Cestone Eliminates Mamaroneck Gopher

Montclair, N. J. (P)—Mike O'Connell, Montclair, maintained public links star, again survived the jinx that eliminated favored players and advanced today to the semifinals of the Metropolitan Amateur Golf Championship by defeating Arthur F. Lynch of Mamaroneck.

Playing in a driving rain, O'Connell, only the second of a star-struck starting field, outplayed the gopher, by defeating Lynch, 11 holes of 18.

Here's Good News

High School students who failed to receive high grades in the English examination last Tuesday will be pleased by the announcement today by T. James Abernethy, principal of the Mamaroneck High School, that the State Department of Education has decided to re-grade the papers.

Under the table, a grade of 52 in English was changed to 55 to 65; 55 to 75; 75 to 85 to 95 and 95 to 100. Students may figure their new grades accordingly.

Ordinance Opposed

Representatives of Parent-Teacher Associations will oppose adoption of the bicycle helmet ordinance at the public hearing to be held on the measure by the Mamaroneck Village Board of Trustees Monday night.

The PTA groups object to the ordinance drafted by the Mamaroneck Council Anthony Sennott and will seek to have certain features eliminated, particularly the one providing a fine of \$10 for violation of the ordinance.

This was learned today from Mrs. J. R. Woodbridge, president of the PTA Council in Rye Neck, and from Mrs. J. R. Woodbridge, member of the Mamaroneck PTA Council for Mamaroneck and Larchmont.

Mann Accepts Post

Ralph H. Mann, of 231 South Main Avenue, a major in the U. S. Army Reserve Corps, has been appointed chairman of the Mamaroneck defense council, the local branch of the Westernchester Chapter of the American Red Cross.

The appointment was made by Mrs. Henry A. Pashley, secretary of the local branch.

He Cools Off

Neighborhoods at Harbor Island were startled at 2 P. M. yesterday when a man standing on the beach bawled down the beach and dive into the water.

The man swam out some distance and then started back to the beach. About 50 yards from the beach he was seen to be struggling with a large object. He found the man on the beach and heaved him up.

Taken to the first aid room at the pavilion, he identified himself as Howard Weyand, 44, of the Plaza Hotel, a clerk. He admitted he had been drinking, and he thought he would cool off in the water.

Weyand was taken to the Village hospital by police and charged with being drunk and disorderly. He had told officers he was in a bad way when he was to appear before Judge Patterson.

Field Day Popular

ITALIAN CONSULATES POWERED TO CLOSE; ROME SEES BREAK

Soviet and Germany Approaching Showdown

CRISIS NEARS

BULLETIN
WASHINGTON (AP)—The United States today ordered all Italian consulates in the United States closed and all Italian consular officers removed from American territory before July 1.

The drive has been passed from official to public. An announcement effort to make a concerted drive with all three communities to close the consulates and remove the officers from the United States.

Henry E. Mendes, chairman of the local defense council of the Town of Mamaroneck, into whose hands the project has fallen, said today he would assume responsibility only for the Larchmont postal area.

Mr. Mendes said he had established a committee to close the consulates in New York City that the quotas set up here were based on an estimated per capita population of 40 cents.

This indicated a quota of approximately \$200 for the Village of Mamaroneck and \$200 for the Larchmont postal area, which included the Villages of Larchmont and the unincorporated section, Mr. Mendes said.

The two which in attempting to raise \$100,000 in the United States to provide entertainment and recreation for men in the armed forces, first sent a letter to the Village of Mamaroneck, asking that \$200 be raised here.

Major James T. Harrison, explaining the reason that the consulates should be closed, said the United States had asked the consulates to include the whole of Mamaroneck in their quota, but the consulates had refused to do so.

Supervisor McCulloch, saying that he thought such a drive was a proper function of the local defense council, passed the appeal on to Mr. Mendes as head of the unincorporated section's defense council. Mr. Mendes was to take it up with the chairman of the other two councils, John W. Moody for the Village of Larchmont and Mr. Mendes for the Larchmont postal area.

Mr. Mendes said today he had confirmed the fact that the USO had set \$200 as the quota for Mamaroneck Village and had raised a total of \$400 in the village.

FEARED LOSS—The United States submarine S-9 and its sister ship S-9-9 were shown today at Boston Navy Yard. The Navy Department yesterday announced that the S-9 with 35 men and officers aboard is missing following a test dive off Portsmouth, N. H. Salvage and rescue ships are searching for the vessel.

The campaign for the United States Organizations, underway since the announcement of the nation, and deepened here for the last several weeks, had little prospect today of being launched on a drive to make a concerted effort to make a concerted drive with all three communities to close the consulates and remove the officers from the United States.

COUNTRY TO ENLIST 15,000 VOLUNTEERS FOR AIR RAID WORK

Local Officials Aid in Preparations For Defense

PLANS MAPPED

Local defense councils soon will join with other Westernchester communities in the enlistment of 15,000 civilian volunteers for air raid work under a comprehensive defensive organization plan presented to a meeting of nearly 100 mayors, supervisors and defense council chairmen in White Plains last night.

Details for this area will be worked out at one of a series of regional meetings, the one for Westernchester to be held at the mamaroneck town center Wednesday night. All members of local defense councils, including the chairman of the Westernchester Chapter of the American Red Cross, will be invited to attend.

Attending the meeting in White Plains was night were Supervisor Bert C. McCulloch; Mayors James T. Harrison and Harry E. Goodrich; John W. Moody and Henry E. Mendes, defense council chairmen of Larchmont and the unincorporated section, respectively; Cornelius J. Quinn, local representative on the County Defense Council; Village Manager William H. Johnson and Judge Charles M. Baxter, as chairman of the district relief chairman of the Westernchester Chapter of the American Red Cross.

Col. Frederick L. Devereux, vice chairman of the Westernchester Chapter of the American Red Cross, gathered the detailed plan and charts drawn up under the direction of H. MacIntyre Groat, executive secretary of the council, with him.

Motorist To Face Resident's Charge

Haywood Watson, 31, a mechanic, is charged with driving recklessly in New Rochelle at 2 A. M. today on a charge of dangerous driving, brought by Oliver Henry of 120 Main Pleasant Avenue, Mamaroneck.

The Mamaroneck woman charged that Watson drove his automobile into her car on Plain Avenue, New Rochelle, last night. Today, the charge was reduced to "driving an automobile recklessly," and Watson was released in his own custody until July 12.

Missing Girl's Body Found In Automobile

PROVERLY, N.Y. (AP)—The body of a woman believed to be Anne Marion Greene, 18, missing Vassar College student, was found today in the trunk of an automobile off the Lexington-Cornwall road.

Part of car job. Col. Devereux told the meeting that he would provide trained volunteers to reinforce and work with the police department in the handling of crowds in the event of panic caused by enemy attacks.

Another part of the job is the organization and training of auxiliary fire teams and protection and extinguish fire caused by explosive and incendiary bombs.

Fireworks Assured

Permits have been granted by the Village of Mamaroneck to the Orietta Beach Club and the Orietta Beach Club to display fireworks on the Fourth of July.

The Orietta Beach Club will display fireworks on the Fourth of July, and it will have a display this year, according to it for the first time in nine years. The "times would not warrant such an extravagance," the management said by way of explanation.

The Larchmont Shore Club has obtained a permit for its annual display. Fireworks will also be seen at Playland in Rye.

Harbor Island in Mamaroneck is a favorite spot of many local residents to view the Fourth of July exhibits.

Scout School Meets

Meeting of the Scout School, held at the home of New Rochelle and Robert Payne, dean of the University of Southern California, at the last night in Mamaroneck, was the first of a series of classes for leaders in the Emergency Service Corps of St. Anthony's.

The title of Mr. Payne's talk was "All-Around Responsibility of Leadership in Emergency Service."

Frank Cobb, executive of the Scout Council, presided. Present from this area were Lewis Porter, commander of the Larchmont district; Frank Pickett, Frank Ribba, Ed. Wilson, H. M. Wilson, W. H. Widnauer, Walter Rich, Fred Miller, Wilfrid Gorman, Herman Hirsch, and Robert C. Taylor.

Rotary Has Fun

Members of the Mamaroneck Rotary Club were entertained yesterday by R. J. Drippe, past president, at his camp in New Island in Long Island Sound off Mill Neck.

Dr. Harry C. Brunkin, new president of the club, headed the group which went to the island. The group enjoyed stunts cooked in the open and played games during the afternoon.

Among the guests were Mayor James T. Gorman, Manager William H. Johnson, T. M. Ed. J. Kohn and B. J. Stanton, T. James Allen, Dr. Daniel E. Hurr, Vito E. Luzzo, Harry Epstein, Anthony Hanson, Albert Schneider, Richard J. M. James A. Gunn, William J. Kuhn and others.

Jewelry Missing

Mr. George Burton of 34 Edgewood Avenue, there where the late Supervisor Butler, reported to Weaver Street police today he had discovered two pieces of jewelry were missing from a dress made by her mother.

One was a gold watch with the initials J. M. H. and the date June 1, 1899, engraved on the back. The other was a gold ring with a diamond set in the center.

CIVIL DEFENSE PLAN OUTLINED

125 Members Of 11 Sound Scout Councils Attend Meeting in Harrison

The civil defense organization plan of the Westchester County Defense Council was outlined last night to 125 members of 11 local defense councils of the Sound Scout Council at a meeting at Mount Vernon.

Col. Frederick L. Devereux, vice chairman of the county organization, distributed application blanks for the Westchester defense unit and explained the qualifications of the 15,000 members of the unit. Committees will not be accepted, he said, since it is imperative to have members who are in good health by day. It will take nine months to train the volunteers, he estimated.

"This is an opportunity to prove that democracy will work in an emergency," Col. Devereux said.

Charles M. Butler, Mamaroneck chairman of the Westchester defense unit in the county, said his organization is ready. Mrs. C. O. Threlton, Bronxville, assistant to Col. Devereux, explained the plan and first aid.

Leonard S. Horwitz, chairman of the Harrison Defense Council, presided.

RED TRAINS WRECKED—Last night, 12 Red Cross trains were wrecked by 15 Russian transport trains filled with troops, war material, and munitions, according to an authoritative announcement here today.

NOTICE

All members of American Legion Post 80, Mamaroneck, are asked to attend funeral services at the home of their late comrade Angelo N. Napolitano, at 8 P. M. Friday evening.

INVESTIGATORS REPORT FOES OF NAZIS CHECKED, ENDS SAY; ITALY HASTENS AID

Berlin Restrained In Reports Of Advances

FINNS ON VERGE

MOSCOW, (AP)—Masses of Soviet troops, three times the size after German panzer units had broken through in the drive on Vilna in Lithuania, reformed the front and checked their advance, according to military dispatches said today.

They repulsed several German tank attacks and held firm, the reports said. The German High Command, however, said that the Soviet forces had broken through in the direction of the German-occupied Poland, was reported in a Russian counter-attack.

By the Associated Press

Instead of issuing the detailed account of German "successes" hailing the imagination that had been forecast for its campaign on the Russian campaign, Adolf Hitler's Headquarters today continued only generalized claims of success.

As such, it was a let-down from the prediction made by military commentators in Berlin yesterday. Whether it meant that Germany had encountered resistance far below what she had counted on before she invaded Russia, but Sunday—the Russians said she had—so that the German High Command simply did not choose yet to name plans and give details was not known.

The language of the communiqué was restrained in this it might be compared with communications issued in the early stages of other German campaigns which showed sweeping success from the start. It said:

"In the East, operations on land and in the air continued on schedule yesterday. After dawn, the German forces in the East continued to move forward in numerous operations of great dimensions, as beginning to show themselves."

Whether she made it or not, Germany will get active help from Italy against the Red Army, it was announced in Rome.

Finland toward active participation and welcomed as a "significant and friendly act" in mutual assistance to permit passage of a German division across Sweden from Norway to Finland.

Against the German High Command's announcement that "as a result of great dimensions" are starting to appear was the Russian High Command's flat declaration that Finland, having 100 miles into Soviet Lithuania and Poland had been checked and the drive toward the Ukraine halted at the Pina River.

In four days of war, the Russians said, the score in planes destroyed was 47 to 39, in their favor.

The German-Russian war drew today on the Italian reservoir of man power while 300,000 Polish soldiers became a prospective aid to the Russian forces of defense.

LATE WAR BULLETINS

JAPS MAY ENTER WAR

ROME, (AP)—Adm. Gino Duce of the Italian Navy said today that Japan might join in the Axis war on Russia, occupying all of Sakhalin Island and the Soviet base at Petropavlovsk on Kamchatka to prevent the United States from occupying Siberian bases in a war against Japan, Germany and Italy.

WAR FACT SOUGHT

LONDON, (AP)—Reports circulated in London tonight that the German High Command had asked to subscribe to an inter-allied agreement against concluding a separate peace with Germany before the end of the war.

RAF DROPS 9 PLANES

LONDON, (AP)—Britain's RAF reported the destruction of nine German fighter planes over the English Channel and the destruction of two others when it returned there for another shuttle raid to reinforce its mastery of the daylight skies in that area.

An authorized British source declared that losses in the air battle on the Western Front from June 15 to 25, inclusive, were 101 German planes against 66 British.

SOVIET ACCUSES FINNS

LONDON, (AP)—The Moscow radio, in an official statement, charged Finland today with flagrant violation of her treaty with Soviet Russia under German dictation and declared the Red Army and Red Fleet will strike heavy blows against Finland to end such provocations.

SPAIN ANOLOGIES

LONDON, (AP)—The British Government has received from the Spanish Government "all available" reports regarding the anti-British demonstration outside the British Embassy in Madrid today.

STEWART REMOVED

BERLIN, (AP)—Dr. Goebbels' German news agency said today that authoritative sources in Berlin reported Russian planes had bombed Hungarian territory, causing heavy damage to two villages.

NAZIS LOSE RAIDER

BERLIN, (AP)—The German Command reported today that a British cruiser had announced the return of the Pocket Battleship Admiral Scheer, from raiding cruises in the Atlantic which netted 123,000 tons of shipping.

STAFF QUARTERS RAIDED

NEW YORK, (AP)—The Berlin radio, quoting "authoritative quarters," reported today an attack by German bombers on the staff quarters of Russian troops "apparently an important command post" yesterday.

Lapses in the buildings and heavy motor traffic enabled the flyers to spot the target easily, said the broadcaster, which reported that a long movement of troops moving toward the headquarters was almost destroyed.

AMERICANS MAY ENLIST ABROAD

U. S. Expected To Approve Enlistments In British Or Chinese Forces

WASHINGTON, (AP)—The United States probably will give formal, full-fledged approval within a few days to the enlistment of Americans in the British or Chinese war effort, either for actual combat duty or for non-combatant technical work behind the lines.

The enlistments would be sanctioned officially as service in the interest of national safety.

Informers predicted that a development would come with a dispatch by selective service headquarters here of a memorandum to state directors formally directing that deferment be given to registrants who wish to volunteer for duty abroad.

A final decision to issue the memorandum has not been made, officials said, but at selective service headquarters it was looked upon as a virtually inevitable step after President Roosevelt had his press conference Tuesday that any man who wants to enlist in Britain or China's fighting forces has a perfect right to do so.

The President explained the British or Chinese fighting forces came to take an oath of allegiance to the king, a procedure by which they would lose their American citizenship and become British subjects.

Previously the administration had approved a British drive in this country to recruit several thousand technicians to help manufacture and service Britain's new airplane radiolocator, or to do other expert mechanical duty.

Views Proposal As 'Another White Elephant'

SITES SURVEYED

Any military airport developed in Westchester, to qualify with War Department specifications as an interceptor base against enemy bombers, must be below a line running through Bedford Hills to the Hudson.

This would include the Winged Foot Golf Course in the Town of Mamaroneck, one of the proposed sites.

Advice limiting the area came to Capt. W. T. Hudson of the Army Air Corps from the county. New York City headquarters earlier as he began an inspection tour of the county and other officials of prospective locations.

As a consequence, the officials confined their tour to five possible sites below the imaginary line. In addition to Winged Foot, they inspected property adjoining the county just across the line in Soundview, the Larchmont estate in Greenburgh, the Tule Lake estate in North Purchase, and the Reynolds Farm field, the last named being the only one on which flying is now conducted.

Mr. Schmidt told his recent visit to Washington in the interest of the airport, and according to Mr. Schmidt, the officials might be able to get an airport in Westchester in necessary for defense.

The two clubs each agreed to appoint committees of four to keep the organizations informed as to political and other matters in connection with the Village of Rye's expected "succession" from the Town of Rye in the fall.

The committees will be appointed by Jack Holland, president of the Rye Neck club, and Edward Bitt, president of the Port Chester club.

The Rye Neck club, with a hold in annual barbecue soon, at date to be announced later.

This statement, said Mr. Carotta, had been presented to the committee and will be sent shortly.

"If the Federal Government considers an airport in Westchester a matter of defense necessity," Mr. McCulloch said today, "then it would build the field and operate it as it has one elsewhere throughout the country."

"If such a defense necessity does not exist, there is no reason for Westchester County acquiring another white elephant such as the County Center. It is amazing to me that there has been so little comment from taxpayers. They are either confused and afraid to go against defense talk, or they don't understand what this thing will cost them."

"In the Town of Mamaroneck alone," Mr. McCulloch continued, "nearly 30,000 or almost 30,000 acres of land is in the town. It is leased for Westchester County. The cost of this, wherever it may be, is only the beginning. I understand that the Federal Government will build only one maintenance building."

The barracks will have to be built by the County and there have been all kinds of wild figures as to the possible cost. The maintenance will be up to the County.

Mr. McCulloch, assuring he insured it made clear that he had opposed the airport, added he was one of the "number one" sites, revealed he had voted against the original resolution authorizing the Board of Supervisors early in May.

Supervisors of Westchester County hereby records its intention to purchase or provide for the construction of an airport within the county if an appropriation of at least \$1,500,000 is made by the Congress for this purpose.

30 Years Of Duty

Thirty years of service with the Mamaroneck Village Fire Department will have been passed tomorrow by Louis, Maurice Thomas, who joined the force as a patrolman on June 29, 1911. He was made a sergeant on Nov. 3, 1921, acting lieutenant on Sept. 30, 1925, and lieutenant on June 7, 1927. For about three years preceding the recent appointment as Police Chief Arthur W. Matrone, Louis Thomas served as acting chief of the department. Backward publicity and such things as the anniversary are scheduled to put in a full day of work tomorrow. Congratulations will be accorded him, however, by his fellow officers. It is expected.

Plant Gets Flag
Harry C. Adams, member of the Board of Trustees, Mamaroneck, N. Y., yesterday presented a flag to the plant, the immediate purchase of which was made possible by everyone "as a patriotic duty of all Americans."

Mr. Adams, after addressing the officers of the firm and employees, presented the flag with an American flag, which will be displayed at the factory. Following the flag presentation, the group sang the national anthem and gave the pledge to the flag. Miss Marjorie Stoll, daughter of the firm's president, Mr. Adams, presented the flag as an inspiration to all who work there.

Wins Photo Award
Eugene H. Hirsch, a resident of the last four years, has been selected the winner of the first prize in a photo contest conducted at the City of Mamaroneck. The photo was made with an automatic Roliflex and Abbey Speed Press.

Head Enterprise
Rudolph W. Waldman, a German Place, Town, is president of the newly formed "Enterprise," a new publication in Mamaroneck, N. Y., which will publish industrial news in Spanish and Portuguese for controlling circulation through South America.

125 VOTE BY NOON ON SCHOOL ISSUE
One hundred and 25 persons had cast their vote by 11 A. M. today in the special referendum being held on the proposition of whether bonds in the sum of \$150,000 should be issued for the construction of a combination gymnasium and auditorium at Central School.

Building is by voting machine in the basement of Central School on the Boston Post Road at Rockland Avenue. Voting will close until 9 o'clock tonight, and the results will be announced promptly at that hour.

Of the total vote cast between 11 A. M. and 11 P. M. 25 were from the Village of Mamaroneck, in which the school is located, 29 from the unincorporated section of the Town, 10 from the Village of Larchmont, and 1 from the Village of Scarborough.

Union Free School District No. 1 has 1,058 persons registered for the special meeting. The morning vote was slow, it was expected during the afternoon and more particularly during the two hours preceding the closing hour.

There has been no organized opposition to the proposition to erect the gymnasium-auditorium, thereby providing recreation space not now available in the 50-acre Central School grounds. The plan also calls for the installation of a new heating plant serving the school and other structures.

ENTIRE NAZI REGIMENT ANNIHILATED, REDS SAY; AXIS ADVANCE HALTED

400 TO REGISTER IN LOCAL DRAFT AREAS TUESDAY

Youths Reaching 21st Birthday Since Oct. 16 Must Enroll For Call

AGE CHANGE DELAYED
28-Year-Olds Face Induction Into Army Rather Than Deferment

Approximately 200 to 400 men who have reached their 21st birthday since Oct. 16, 1940, are expected to register Tuesday in the two draft areas covered by Local Board No. 750 and Local Board No. 751.

Between 200 and 250 registrants are expected in the Mamaroneck-Rye area of Board No. 750, James A. Gilles, chairman, said today. One hundred to 150 probably will register in the Larchmont-Scarborough area of Board No. 751, according to Mail Revey O'Connor, chairman of that board.

The figures were based on percentages calling for the original registration last Oct. 16. In New York, according to an announcement by Brig. Gen. Amos F. Brown, State director of Selective Service, approximately 85,000 men will register Tuesday.

In Draft Board No. 750 area, two registration places have been designated. Residents of Mamaroneck Village may register at the Draft Board, those of Rye at the Local Avenue fire company's house in Rye.

Residents of the Larchmont-Scarborough area should register at the Scarborough Street School, headquarters of that board, and those of Larchmont at the Larchmont fire company's house in Larchmont.

The hours for registration with both boards are from 9 A. M. to 5 P. M. Tuesday.

Both boards will also register aliens who have entered the United States since Oct. 16 and who are between the ages of 21 and 30 years.

No quota is expected by Draft Board No. 740 for July and possible August. Board No. 750 has already been notified its quota for July 24 will be nine men, who are in process of selection.

AGE CHANGE DELAYED
WASHINGTON (AP)—House leaders today ordered a bill to defer military training of men who are 28 or older next Tuesday. As a result, the House will be able to force the induction into the army rather than automatic deferment because of their age.

The postponement was decided upon because of the crash of important appropriation bill which must be passed before the end of the fiscal year. Monday night, also because numerous members of the House wanted to get away from Washington at least a week over the July 4th holiday.

The draft bill now scheduled for House debate July 8, originally was expected to become law by next week. As it passed the House, it would make immediate deferment of men who had reached their 28th birthday on the July 16 following passage of the legislation. The House Military Committee reversed the bill to make the deferment mandatory.

Draft experts said that the House delay would mean that most otherwise eligible, who become 28 on July 1, 1941, would be the ones who would be deferred.

Budget Slash May Force Curtailment Of Service By Mamaroneck Library

Building May Close One Day Weekly To Save Costs; Other Reductions Made

ane possibility of a "library-less" Monday or Saturday, when the Mamaroneck Free Library will be closed to save fuel and light expenditures, is in prospect because of the institution's reduced budget from the Village of Mamaroneck.

The library trustees met in special session early this week to devise means of reducing operating costs within the sum allotted by the Village, and at the same time try to maintain the service heretofore given to the public.

To continue the service the library has taken from its capital assets for the last two years—condition which extends until the end of the fiscal year—has decided to close one day a week.

It is the trustees' opinion that the library may be forced to reduce the hours per day it is open in order that the staff itself may be reduced, the trustees asserted. It is now open six hours a day, but it is now open five hours a day.

It may not be generally understood that the Mamaroneck Free Library is a distinct corporation operating under a charter granted by the Village of Mamaroneck, the trustees of the John R. Hoge fund, which has a contract with the Village of Mamaroneck for the perpetual maintenance of the library by the Village.

The sum allotted by the Village of Mamaroneck to the library has always been far in excess of the minimum amount of \$150,000. The trustees of the John R. Hoge fund, which has a contract with the Village of Mamaroneck for the perpetual maintenance of the library by the Village, have decided to reduce the sum to \$100,000.

4 FOUND GUILTY OF MURDER FOR PRISON SLAYING

Two Who Escaped Sing Sing Doomed; Accomplices Get Ples Of Mercy

By CYNTHIA LOWERY

Four men, crumpled and sweating from hours of waiting in a sweltering detention cell, yesterday heard a jury find them guilty of murdering a fellow inmate, John Hartley, in an attempted escape from that prison two months ago.

Joseph "Whiskey" Roldan and Charles McGee who took part in the break the jury's verdict means the electric chair. William Wade and Edward J. Kieran, who helped in the escape by smuggling guns into the prison and by standing guard, were faced at last with life imprisonment, as the jury of six men and six women recommended mercy.

The verdict came after the jury had deliberated almost 18 hours—the last few, it was reliably reported wrestling over the Kieran case.

There was a tie in the courtroom to his first trial—and it was almost that hot—Wednesday's session strong last night in the County Court. White Plains designated that jury candidates for county office, explained that William F. Heskley gave an account of his story.

The designated candidates for county executive, Herbert C. Gerlach of Oyster Bay, and George W. Smith of White Plains; for sheriff, Edward J. Ginter of Yonkers.

The harmony was that equivalent of the first trial in a Clark County romance, every motion and every appeal was met with a particular aplomb at the first preliminary appearance on a large scale of the County executive, Charles H. Ginter, recently recovered from an extended illness.

A Harvey Tarnum, White Plains leader and secretary of the county committee, a Syracuse University graduate and fraternal brother, was quoted yesterday as saying that inability of Westchester supervisors to agree upon a site had doomed the project. Following up on that interview, Mr. Heskley today said the picture was a bit different.

"What has happened," explained Westchester County executive, "is that the delay in securing a site has led the CAA to allocate the \$150,000 scheduled for Westchester during 1941 to other projects. But the CAA, on advice from Army and Navy, intends to place the appropriation in a bill under which funds in the full amount will be available for expenditure during 1942."

4 FOUND GUILTY OF MURDER FOR PRISON SLAYING

Two Who Escaped Sing Sing Doomed; Accomplices Get Ples Of Mercy

By CYNTHIA LOWERY

Four men, crumpled and sweating from hours of waiting in a sweltering detention cell, yesterday heard a jury find them guilty of murdering a fellow inmate, John Hartley, in an attempted escape from that prison two months ago.

Joseph "Whiskey" Roldan and Charles McGee who took part in the break the jury's verdict means the electric chair. William Wade and Edward J. Kieran, who helped in the escape by smuggling guns into the prison and by standing guard, were faced at last with life imprisonment, as the jury of six men and six women recommended mercy.

The verdict came after the jury had deliberated almost 18 hours—the last few, it was reliably reported wrestling over the Kieran case.

There was a tie in the courtroom to his first trial—and it was almost that hot—Wednesday's session strong last night in the County Court. White Plains designated that jury candidates for county office, explained that William F. Heskley gave an account of his story.

The designated candidates for county executive, Herbert C. Gerlach of Oyster Bay, and George W. Smith of White Plains; for sheriff, Edward J. Ginter of Yonkers.

The harmony was that equivalent of the first trial in a Clark County romance, every motion and every appeal was met with a particular aplomb at the first preliminary appearance on a large scale of the County executive, Charles H. Ginter, recently recovered from an extended illness.

A Harvey Tarnum, White Plains leader and secretary of the county committee, a Syracuse University graduate and fraternal brother, was quoted yesterday as saying that inability of Westchester supervisors to agree upon a site had doomed the project. Following up on that interview, Mr. Heskley today said the picture was a bit different.

"What has happened," explained Westchester County executive, "is that the delay in securing a site has led the CAA to allocate the \$150,000 scheduled for Westchester during 1941 to other projects. But the CAA, on advice from Army and Navy, intends to place the appropriation in a bill under which funds in the full amount will be available for expenditure during 1942."

Becker Appointed Republican Counsel

WASHINGTON—Ralph E. Becker, of Port Chester, N. Y., head of the Young Republican Clubs of this state, has been named general counsel of the Young Republican National Federation. It was announced here today.

Mr. Becker was one of the original founders of the Young Republican Clubs in Westchester County.

After hearing motions by the defense counsel in the case to dismiss the verdict on the ground that it was against the weight of the evidence, Judge Coyne sat Wednesday on the day on which he would sentence the men.

Col. J. Mayhew Walworth of Rye, former assistant secretary of the War and Navy Department, was head and head of the Westchester Defense Council designated Judge Coyne on a three-year term.
