FOOTBALL '68

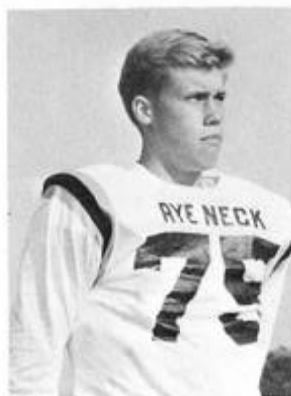

Co-captain Steve Ciraco

The '68 football team was well-disciplined and well-coached even though the Rye Neck Panthers had a disappointing season. A shoulder dislocation to Co-Captain Steve Ciraco forced him to the sidelines for much of the season's action. However, in the remaining weeks, he did a fine job at his quarterback spot. Running-back Larry Albert, sparking the team throughout the season, once again showed great speed and agility in his treks toward the goal line. Defensive players Bob Howard, Carl Acebal and Steve Becker displayed tremendous blocking and tackling ability. Rye Neck admires the Panther Gridders for their courage and persistence. Although the team will be losing nine experienced seniors, hard-working coaches Young and Werner have confidence in next year's team.

The Rye Neck Cross Country Team, coached by Mr. Comeau, ended its season with the commendable record of 5 wins and 5 losses, the best record in five years. Although one of our finest runners, Tersh Walden, will be graduating, seven out of eight of the Panther runners will be back next fall to break through with an even finer record.

SOCCER '68

The '68 soccer teams, ably led by Coaches Zimmerman and Leonetti, were sources of excitement and pride for Rye Neck. The season was climaxed by the choice of Stuart Franklin as All County Soccer Team center-fullback, with Barry Casper receiving honorable mention as wing. The soccer team accomplished the spectacular feat of beating Bronxville twice in the season, and upsetting top-seated Rhinebeck in the sections. Outstanding Panthers—Stu Franklin, Barry Casper, and Frank Maida—received the Coaches Award.

The '69 Basketball Team, despite the youth and inexperience of many of its members, finished the season fairly successfully. Starting Panther Hoopsters were sophomores Ken Soares, Ken Tallevi and George Rainaldi, junior Martin Brekne, and senior Steve Ciraco. Sidelined by a late season knee injury, Steve Ciraco was replaced by Steve Becker. Next year's team will greatly miss the skills and balance of Captain Steve Ciraco and Bob Fallon. We all hope to see the basketball boys back on top of the league in 1970.

Over the past six years the Rye Neck Wrestling Team has won over eight championships and has never been defeated in league competition. It has had the most All-League wrestlers, the most tournament champions, and has received the most Most Outstanding Wrestler Awards. For the past two years, the team has been runner-up in the Shoreline Tournament and has also received All-County recognition. This year's Co-Captain, Barry Casper, has also compiled quite a record: the fastest pin on record, 11 seconds; New York State Sectional Champion; winner of the Con-Ed Award; and nominee for the All-American Wrestling Team. Other seniors who won't be back next year are: Co-Captain Charles Albert, Gordon Albert, Tom Savoca, Louis Tolve, and Tersh Walden.

Despite the efforts of the teams and their coaches, Mr. Berland and Mr. Sniadack, the '68 baseball season was less than successful. The team was composed almost wholly of underclassmen, and we hope the experience gained by our boys gives them a better chance for coming seasons. Ray Baviello, Ricky Rodriguez, and Steve Ciraco did admirably in their positions at 2nd base, 3rd base, and shortstop, while Mike Carpino tackled the pitcher's slot with Gary Gerretsen as catcher.

TRACK '68

Under the enthusiastic direction of Coach Grimaldi, the track team emerged from the '68 season with the gratifying record of four wins and two losses. Larry Albert, an outstanding sprinter, was chosen champion of the Class C League in the hundred-yard dash. Barry Casper displayed remarkable skill in the pole vault. Discus-thrower Bob Fallon and shot-putter Jim Brady helped to carry the team on to victory. Other outstanding Panther trackmen were Fred Krasne, Tom James, Peter Tobey and Art Vogel.

The girls' field hockey team, coached by Miss Stevenson, ended its 5 game season with only one loss. Captain and Left-Wing Jeanne Vogel and Left-Inner Cathy Colety exhibited some fine teamwork as they moved the ball down the field. Halfback Katherine Karlsrud, Fullback Ellen Ross, and Goalie Inez D'Arcangelo made many remarkable plays from their defensive positions. An outstanding Right-Inner, Kathy Aloia, displayed superb stickwork as she made goals for the team. All the girl should be complemented on their performance.

VOLLEYBALL

The four girls' honor volleyball teams had a short, action-packed season winning 25 out of 39 games. The girls quickly mastered new techniques and improved tremendously. The first team displayed excellent sportsmanship and eye-catching teamwork. Rye Neck says "Well Done" to the five graduating members of the team.

TENNIS

The girls' 1968 tennis team coached by Miss Bourland continued to improve in its second season at Rye Neck. Sophomores Pam Brumfield, Donna Magwood, and Marcia Sussman showed great ability and skill. On their potential rests the hopes for a winning season next spring.

The '69 Gymnastic's Team, coached by Miss Gail Stevenson and Miss Virginia Lemmerman, ended its season winning four meets and losing two. A leg injury to Captain Cathy Colety deprived the team of one of its most graceful and outstanding members for two meets. Shelley DaBramo was team leader at the tri-meet with Groton and Rye. She won four first places at the Westchester County Gymnastics Meet, and was chosen Best All-Around Gymnast in Westchester County.
