Prayer For Today

I utter a prayer of gladness this day, dear Father of liberty, in memory of the brave and noble men who have given us the freedom we enjoy today.

Travis Isn't Political

BOTH Houses of the Legislature passed, overwhelmingly, bills designed to prevent Westchester County to decide whether or not it wants to create an Authority to improve and operate the Westchester parkways.

These bills were drawn after engineering, financial and legal experts had made elaborate studies of the whole problem. The bills were then approved by County Executive James D. Hopkins and were submitted by him to the Board of Supervisors, which also voted to approve.

While the measures were in the legislative process, Mr. Hopkins and other county officials conferred with state officials and with leaders of the Legislature and, seemingly, satisfied everyone concerned that the proposals were sound.

Now, however, Harold T. Garrity, Democratic County Committee Chairman, says he is going to ask Governor Harriman to veto the bills.

And, though the Democratic leadership thus will be setting its private and unofficial judgment up as superior to and more binding on Westchester than the opinions of the elected and responsible officials of the County, it is just possible Mr. Garrity's "kill" request will prevail.

The Garrity position is said to be that the parkways are really interstate throughways and should be improved at the expense of the federal and state governments; that to permit one county to keep toll highways might cause all other counties to want to establish toll highways and result in a traffic-stifling statewide network of toll roads; and, finally, that the "Republicans" of Westchester want to handle the parkway improvement problem as a county project so they may control the spending in order to retain patronage control over policing and maintenance forces.

It is the job of Westchester officials to effectively challenge, if they can, such arguments. It will be up to them to demonstrate, both to the Governor and to the people of the county that Westchester will be better served by handing the parkway traffic problem on a toll basis and through an Authority of our own creation than by surrendering the parkways to the State or Federal government.

It will be up to our officials, too, to try to convince the Governor that Westchester's acting through own elective officials, wants to be free to solve this problem in its own way and asks only the State's legal permission to set up an Authority if we finally decided that will be the wisest course. They may even try to convince the Governor their motivation is not "political" control of spending.

For our part, we are concerned here only with the political implications of the bills. It is our hope that the Governor if he bows to Mr. Garrity's will in this matter.

If for political reasons, the present bills and any similar bills that may be presented during the four years of Mr. Harriman's term are to be vetoed, traffic in this county is going to be in a completely hopeless mess before anything can be done about it—unless, lacking assurance that Washington or Albany will put up the money to do the job for us, the effort only by inadequate tolls, in addition on the backs of Westchester taxpayers.

Just how that prospect can promise either Mr. Garrity or Governor Harriman of the Democratic County Committee popularity with the people of Westchester, we can't see.

Industry-Killers Keep At It

ORD deliver us from the industry-killers, the misguided persons who choose to stand in the way of normal mechanical efficiency in the belief that it is possible to hold back the clock.

National Sugar Refining Co. was a big name in Westchester industry a generation or so ago. Now the name pops into the news from Philadelphia, where the plant has put in an improved device to unload sugar.

Because some longshoremen disapprove of the improvement and its consequent efficiency, an ocean-going freighter docked at the plant has been immobilized and most of the 1,150 employes of National Sugar are idle.

The refinery is geared to handle four million pounds of sugar a day.

A work stoppage developed when the plant installed equipment so that hocks can be lowered from an overhead monorail, to raise slings of up to a dozen bags of sugar from the dock. The process reduced the manpower from 163 men using trucks to 108.

The company—which has a somewhat similar system at its Long Island City plant—explains it made the Quaker City installation "to keep costs of operation down so that we can compete with plants in other areas and give our 1,150 employes steady work."

The I.L.A. union, however, insists that unloading gangs should number 30 men instead of the 24 that are needed. The company counters that I.L.A. "wants us to pay 55 men doing nothing." Accordingly, when a huge ship arrived in port, the longshoremen did not appear for work. Court action failed to get the men back.

How long can organized labor stand in the way of mechanical improvements dictated by competition? John L. Lewis tried it—and drove coal users to other fuels where the heavy hand of John L. could not reach. Featherbedding has been tried in transportation and in many industries, but it often fails miserably—either by fizzling out or causing the employer to go out and buy the equipment.

Industry-killers is a horrible crime. Its comparative uprightness in these days should cause every intelligent worker to sit up and take notice.

Of Proven Help To Nation

OME time ago, when political crises seemed to threaten Europe, American citizens were urged to write of the advantages of democracy to their relatives and friends abroad. It was just an experiment but it was declared to have helped in materially changing the outlook of thousands of Europeans.

The latter writing campaign was reported particularly effective in Italy, whose government the Communists at that time were striving to take over. While it is, of course, impossible to actually pinpoint the effect of the letters from the United States, it is known that the expected victory of the Reds was averted at the polling places.

Plans are now underway for another "Letters from America Week" May 15 to 22, and it is to be hoped that Westchester residents will take full advantage of that opportunity to win true understanding and strong friendship for us abroad.

U.N. Pulls A Pravda On U.S. Oil

WASHINGTON—Secretary John Foster Dulles' petroleum experts are so convinced that the U. N. is pulling a pravda on U.S. oil that they have urged the U. N. to stop its efforts to obtain new sources of oil in the Middle East.

It omitted entirely any reference to the improved statistics of the heavy costs of refining and transporting of oil to market. Nor did it mention the high royalties and taxes which American firms pay to foreign governments.

It said specifically that although the U. S. was extracted on a basis of low native wages and other below-standard costs, the delivery price in Europe and elsewhere was based on the high level of production costs in the United States.

Old, Engraved Watch

Question: Could you tell me if the watch was a General Stark's? I have a watch which has "Gen Stark" engraved inside it. The watch is very old.

Answer: The most famous Stark in American history was Gen. John Stark, who won the battle of Bennington (Vermont) in 1777, during the American Revolution. It is possible that the watch you own has a valuable historical value. Any museum that houses possessions of American patriots would be glad to see it. Write to Mr. J. P. Felt, 14 Haverock Avenue, Port Chester, who is chairman of the Chester Society, or telephone her name, WE25-6652.

Question: I have completed an applique quilt but do not wish to quilt it myself. Do you know of any church group nearby which raise funds by quilting? Mrs. A. H.

Answer: There is an earnest little group of ten grandmothers known as the Cheerful Sewers of the Summerfield Church of Port Chester, who earn their contribution to church funds by quilting. Write to Mrs. J. P. Felt, 14 Haverock Avenue, Port Chester, who is chairman of the Cheerful Sewers, or telephone her name, WE25-6652.

MHS Baseball Squad Preparing For Friday's Debut At Yonkers

With rain having wiped out most of the practices of the Mamaroneck High School baseball team last week, Coach Harry Harrison will have to make the most of any good weather which may prevail this week.

The Tigers are scheduled to open their campaign at Fleaming Field in Yonkers Friday against the Yonkers Bulldogs.

It will probably be Bob Ritchie against Jim Farnio in that all-fair, which should produce some micky line hurling. Last year Mamaroneck's Farnio limited Yonkers to three hits to top a 3-2 decision from Ritchie.

The Yonkers star, who was an ace as the weather was sunny, picked one of his finer games against the Tigers, limiting them to five hits.

Mans Are Strong

While most of Ritchie's teammates from last season are gone, Farnio will be supported by a team consisting of veterans in eight positions.

The only possible newcomer into the Mamaroneck lineup may be Ken Valtz at third base, where there is the possibility of Coach Harrison going with a complete veteran lineup by switching Joe Roma from centerfield to third, and pitcher Zimmerman to Roma's outfield slot.

Last Tuesday was the only day the Tigers were able to practice, and this session was conducted in damp, overcast weather. Only a handful of varsity members attended, since many cross players, similar to the situation at Bellows, were away on vacations.

Coach Harrison still appears to favor the starting lineup which had been playing in early exhibition games for the season.

Farnio, without a doubt, will be Mamaroneck's number-one pitcher, and his potent left hand also may make him MHS's most one-punch hitter.

The big guy, who hits a tremendously long ball, isn't expected to pitch the outfield, but at the moment, he Tiger fans can be assured that Coach Harrison will get his stick into the outfield as frequently as possible.

Expected to support Farnio on the mound are Al Zimmerman and outpaw Dave Klein. Zimmerman, however, will also play first base or in the outfield when not hurling.

Veteran Paul Cunningham will probably be on the receiving end of the slants of these hurlers, and is expected to contribute a far heavier stick than the one which went hitless most of last season.

Baiting Is Problem

The baiting potency of Mamaroneck's offense is Coach Harrison's major problem. The team has top-notch pitching and a good defense. Whether or not Mans can consistently reach the mark, which was below the 200 mark last year, is something else again.

Despite this poor sticking average, they still compiled a 7-5 mark during the 1954 schedule, due mainly to Farnio's excellent pitching which reduced MHS's opponents to an even lower hitting average.

Red Sox Bats Boom; 'Hot' Brooks Win 6th

By JOE REICHLER
Associated Press Staff

Ted Williams was still some 2,000 miles from Fenway Park today, but could it be that the Boston Red Sox have been using the power-laden bats he left behind?

The end of the first week of the latest baseball season finds the Red Sox not only leading the American League with five victories in six games, but also on top with an astonishing 33 team batting average and 11 home runs.

The Red Sox yesterday pounded eight Baltimore pitchers for 39 hits, sweeping a doubleheader from the Orioles 16-5 and 12-9 to leap past Cleveland and New York and grab a full game lead over the field.

Threberberry Gets 4 Hits

For a Threberberry, twenty-three-year-old ex-C, filling in for Williams in left field, has done the most toward turning the big guy's absence. The Memphis, Tenn., sophomore, clubbing at a terrific 400, is tied for the league lead with 12 runs batted in. His 10 hits include four doubles and three home runs. He rapped four hits yesterday including a double and home run, drove in four and scored six times.

Ordinarily, no one would dare use Williams' bats without his permission, but the club ordered a dozen for Ted this year expecting his return.

average than that of his teammate when Al is not pitching. It will be Zimmerman at first base and Jim Farnio at second and John Kenney at short. This duo has shown great promise around the league, and should develop into a sharp double-play combination. Roma and Kenney should also help out in the outfield.

Valz is the leading third-base candidate. Coach Harrison has the choice of using Valz at third, or substituting the rookie with outfielder Roma. It is expected, though, that Valz will see the major portion of the time in the center, especially if he continues to swing his bat like he has during exhibition games.

The outfield will probably consist of veterans Jack Rosenthal, Roma and Al Schor. Schor is definitely the centerfielder, since Coach Harrison wants to use his best ballhawk in the spot most of the time.

Roma will be in centerfield and Rosenthal in left. Conner Moore's speed will probably be capitalized on in crucial situations on the bases.

After Friday's WAAA opener against the Kings Point, the Tigers are slated to clash with Pelham in a non-league encounter six days later at the MHS field on Thursday. It will probably be Al Zimmerman hurling in that contest, with Farnio going against Peter Valz.

With one point awarded for a win victory, and points scaled up numerically for each play, Knapp finished with a 20-point edge on Shields. The latter totaled 45 with Dainly, Supphen and Jim Moore. The latter three were the only other skippers to better a hundred, scoring 20 with Lure.

Card Baseball Squad Getting Into Condition

Getting into condition for their May 8th Westchester Baseball League opener against the White Plains Braves, the Mamaroneck Cardinals went through workouts Saturday and yesterday at Harbor Islands.

Fine weather conditions enabled the Cards to go through a lengthy session Saturday, but a reversal in conditions forced the Mamaroneck team to hold a short practice yesterday.

Joe Petruzzio, Pinky DiRoberto and George West were in command at the plate Saturday against the slants of Ed Feldt, who went 2-0 with a two-hour hurling streak. Joe Benedic pitched at Harbor Islands.

Hugh W. Robertson, vice president of Westchester County Publishers Inc., and sportscaster Russ Hodges of Eastchester will be masters of ceremony. The affair is expected to attract some 400 friends anxious to pay tribute to the Westchester Regional School.

The Cardinals are scheduled to practice again next Saturday and Sunday at Harbor Island.

Knapp Wins Frostbite Regatta Ahead Of Shields And Sutphen

By AL BAMBERGER JR.

The script might have been written in advance for the annual Spring Frostate regatta. Arthur Knapp won his class in his own way Saturday, and so very familiarly.

No one else was even close after two afternoons of dinghy racing over the weekend at Larchmont. Jim Moore managed to grab fourth in the final standings.

Knapp, sailing his Acony and assisted by Tony Colgan, struck out five batters. He also topped the Iona batting order. The latter totaled four of 25 points. He led off with a home run.

Shields Wins 3 Races

Shields dominated the second phase of the regatta yesterday. He won three of six races and had a pair of four-over-mat races. He also topped the Iona batting order.

Knapp won five of Saturday's seven races in the sturdy north-east bow, and was second to Sutphen the other two times around the harbor.

For the first day, Knapp took a 10-point lead, 9 to 13, over Shields, who had three seconds, three thirds and one fourth. Sutphen was third, at 49, suffering by one bad race, in which he crept home in 20th place after getting caught in a jam at the mark.

There were 41 out on yesterday's race, including a half dozen who by-passed opening day.

George Hines, who took the Spring title to Manhasset a year ago in one of the few decisions the BOV ever recorded against Larchmont's interclubs, was one of the three skippers who didn't return for the second day. With Felix, he stood 19th, with 123.

O'Gorman's runner-up performance yesterday began with a string of four four-point races, then followed a ninth and fifth, however, having missed the opening session, he was one of nine skippers not qualifying for two-day standings.

Other Leaders

Only three BOV managed to get into the top 10 of the final standings. Moore was fourth, Glenn Mac Mary with 120, Ed Young of Harrison followed with 113, and Howard Seymour eighth with 107.

MacMary was fifth with 107, followed by 127. Wilcox had 106 for first-day score. Pat O'Gorman, who wasn't out the first day, sailed with his wife Alice and Pamela B. and snared runner-up for the Sunday session with 20. Shields scored 20, Sutphen, snagging another first in route, had 21.

Tom Collins, Joe's brother, served as mate for George and Mrs. Jean Sutphen raced with her husband. The Collins boys filled in for Pete and Joe Kelly, the respective regular crews for the boys' crews.

Human Loss Title

A total of 44 boats participated in the two-day program. The Saturday fleet numbered 38, and the boys' crews 6.

Pease Dimer Set Tonight

A testimonial dinner honoring Charles M. Pease for 25 years of service to the Westchester Recreation Commission is being held this evening at Holiday Inn in Hartsdale.

Bellows-Tech SWIAC Debut Set Tomorrow

Defeated in his non-league appearance by Blessed Sacrament Friday 3-0, F. E. Bellows will try to rebound into the win column when it clashes with Edison Tech at Memorial Field in Mount Vernon tomorrow in the SWIAC debut of the team, 3:45 P.M.

The Panthers were stymied by the tireless hurling of Marty Gray Friday but did show signs of offensive potential by breaking three times during this contest.

Coach Cy Lynch is expected to go with Red Finelli, Bellows ace, while Coach John Francis of Edison Tech has not announced his starting hurler. It is expected, however, that Rich Gliardi, hard-riding right-hander, will work for the Tech.

Bellows is slated to continue competition against Alexander Hamilton at Harbor Island in non-league play Wednesday, and clash again with Blessed Sacrament Friday this time at Harbor Island.

KBL Seeking To Expand As Debut Nears

Seven exhibition games were conducted in the Kramba Baseball League Saturday at Harbor Island, as league officials attempted to evaluate the teams so as to evenly distribute the talent.

Victorious in these affairs were the Warriors, Panthers, Little Giants, Bruins, Wildcats, Jay Bees and Jets. Competition was staged in three divisions—the Hornet, Grasshopper and Cricket Leagues.

It was announced at the conclusion of these games by Bill Brady, Kramba baseball chairman, that two other teams had registered in the KBL. Brandy stated, "That any other teams interested in entering the KBL are welcome and should phone him at MA 9-7716 to obtain roster."

A date for the opening of the KBL was not announced.

The effect, according to Edward Julier, school clerk, was a total raise for the three years of approximately 54 1/2 per cent.

Mr. Julier pointed out that the \$1.18 rate this year is not entirely in the salary bracket but includes mandatory increases in pension payments and increases for goods and services.

Mr. Julier also said that the rise in teachers' salary appropriation was caused in part because of the necessity of employing one additional teacher.

The Business Mirror

Peacetime Economy Booms

By SAM DAWSON

A. Financial Writer

With this year's April, May and June quarter ending every last of June, the Federal Reserve Board is reaching its peak in the making.

Most significant is the fact that the gains are being made in construction. Every day Americans, bettering their standards of living, have made up for the drop in defense spending which had pushed the economy to its record high during and immediately after the Korean War.

The same trend is shown also in the Industrial Production Index of the Federal Reserve Board. It reached its peak in March, 1953. Then it slumped during the business slowdown which ended six months ago.

Now, without much fresh stimulus from defense ordering, industrial production has climbed back almost to last year's level. It could reach or top it this month.

Peacetime economy booms

Federal Outlay Drops

Now federal cash outlay has dropped to around 960 billion a year. Much of that \$14 billion drop is in defense spending.

When the government was pumping big money into the economy in 1953, the gross national product was at its peak of \$373 billion a year.

It is not surprising that the gross national product in the dollar value of the total output of the nation's goods and services.

Now the Council of Economic Advisors is camp chairman of the Larchmont Camp Fire Council.

County Center's 25th Year Celebrated At Music Festival

By RUTH E. NOLAN
WHITE PLAINS—Once again the doors of the County Center opened last night for a music festival presented for the people and by the people of Westchester in celebration of the center's 25th anniversary. This was a fitting commemoration, for music festivals were responsible not only for the erection of the building, but were the major events in its dedication and early history. An audience of 2,000 attended.
Mrs. William L. Lefferts, chairman of the Westchester Recreation Commission, which with the Citizens' Music Advisory Committee sponsored the festival, described the background and organizational development of the present festival.
Orchids were presented to staff members including Mrs. Margaret Trout, Mrs. Helen Turner, Miss Eva Moore, Mrs. Alice String and John J. Brown, manager.

Mrs. Lefferts presented the balloon used in the original music festival to Simon Asen, director of the Philharmonic Symphony of

Funds Sought For Schools In Yonkers

would go toward equipping other Yonkers schools. An allocation of \$2,204 would be made for vocational and industrial arts supplies.
In addition, \$16,000 would be used for a summer high school this year.
Withholding state aid to Yonkers schools has been threatened by Lewis A. Wilson, State Education Commissioner, unless an "adequate" school budget is provided for 1956.
YONKERS—The Board of Education asked the Common Council at a public hearing last night for \$5,543,133 to complete the Southeast Yonkers Junior-Senior High School and to equip other schools.
A four-room section of the high school was built in 1951 with 14 more rooms added in 1953. Present plans call for its expansion to a 63-room school to accommodate 1,800 students.

Rain Prevents Rout As Edison Tops Belows In SWIA, 7-3

PIACENTE PACING WIDDE-DISTANCE FLASHES AT MHS

Among the few middle-distance runners the Mamaroneck High School track team does possess, Ed Piacente has proved himself the standout.

The speedy sophomore has dominated activity in the 440-yd. and 400-yd. dashes with excellent times in early practices. The best of these clockings was a 34-second performance last week.

Behind Piacente are Jim Year, Bob Peterson and Alan Piacente, who are battling for the number one position. It is likely, however, that sprinter George Hauppert will be added to the middle-distance race to provide MHS with greater scoring potency in these events.

The outstanding cinderman for half-mile honors is Bob McTear, who was the third ranking miler in the WIAA meet last year. McTear has switched to the 800-yard distance this year, and has set his sights on breaking the school record of 2:03-which he missed by only one second last season.

Bud Harrell appears to be the number one man in this event in the Smith case behind.

The Tigers are scheduled to open their season against Pelham High School April 27. (This was the sixth in a series of seven articles on the school track team. The final article will be printed in Friday's edition of the Daily Times.)

Hendrickson Records 496 To Pace FVL

Kay Hendrickson clocked with 496 yards in the 100-yard dash at the FVL meet last night at the ABC track. Hendrickson, who also carries honors in the 200 and 400 yards, was the fastest runner in the 100-yard dash with a 1:30.4.

The time effort, however, didn't prevent the Mamaroneck runner from placing second in the 200-yard dash with a 3:10.4.

Detroit Team Takes Lead In ABC Test

PORT WAYNE, Ind. (AP)—After one of the heaviest scoring games in ABC tournament history, the famed Pfeiffer team of Detroit appeared to have a stranglehold for an unprecedented third team championship.

The Detroit Tigers, led by their ace pitcher, Ed Piacente, posted a brilliant 3:19.1 total in their first game, a 3-0 victory over the visiting ABC team.

This was supposed to be a neck-and-neck pennant race in the ABC test, but the Brooks have been snubbing up everything major league money, 4000 for their first swing through the East before the Brooklyn Dodgers get any further on the lines of Philadelphia, New York and Pittsburgh as the National League race.

That saved Don Newcombe's second victory with Zimmer providing the margin on the first major league money, 4000 for two runs in the eighth.

Mistakes held on to second place when Bob Rush walked four men in the eighth, forcing the winning run. The veteran Chicago right-hander came up last four hits and walked only one other batter—leadoff man Bill Brown in the eighth.

St. Louis blew a 5-0 lead and was extended into extra innings by Gus Bell's solo homer in the ninth, but captured on Cincinnati errors to save the game.

Two errors, a punt and Bill Star's error, were the only other mistakes in the game.

Belows Dumps Alexander Hamilton, 5-2, For Season's First Win

FINE LINE WHIFFS 11 YIELDS 1 HIT IN BELIEF CHORE

Superb hitting plus the sudden found ability to bunch singles were combined yesterday to provide the Belongs High School team with its season's first win.

The victory was the Alex Hamiltons' second in a game played on the Harbor Island diamond.

The clumpy pitching was turned in by Red Finelli who came into the game in the second inning in relief of John Laize and went right on to allow only one solitary single over the last six frames. The arm still isn't that serious and Laize should be ready to work very soon.

Trailing by 2-0 the Panthers went to work on Pappalardo, Elmford moundman in the second and lining when they put together two hits plus a couple of singles. They added another tally in the third on a pair of singles and got three safeties in the fourth when they scored their last run. After that they stopped hitting and scoring but they had the game in the bag as they played the rest of their eight hits in the three final frames. The eighth safety, the only one wanted, came in the first inning.

The Belows runs were batted by the Evanson boys, Red and Roy, Matt Realy, Tom and Hutch, and Scott.

Left Scott, Panther tackler, handled Finelli's stunts well during a fine job of pacing the hurler and helping the Blue and Black cause along by testing out two runners who attempted larceny on the base paths.

The East Enders whose record now stands at one win and against two losses, continue their fight in a non-discriminatory tournament against Blessed Sacrament, a team which handed them a 3-0 whitewashing in the season opener. The game will be played at Harbor Island.

St. Peter's Licks Iona 10-6 On Road

HOBOKEN, N. J.—Frank Lanzetta's triple to score two runs in the third and started a five-run fifth inning with a double to give St. Peter's College the victory over Iona, 10-6, Saturday afternoon.

Coach Harry Harrison has had his charges working hard all week in preparation for the opener and, since the first game will be played in the Hilltop stadium, he is not likely to waste any time experimenting but will probably start with all his aces.

That would mean that big Jim Farino, last year's mound stand-

Tiger Squad Ready For Season Opener

A veteran Mamaroneck High school line, strong defensively and sound for the season, will be the Tigers ready to take on the White Plains team in a game to be played at the keystone, John Kenney at short and Ken Valle at third. Valle is the only one of the infield quartet who is not a veteran of last season's campaign.

In the outfield it'll probably be Jack Rosenthal, Joe Roma and Al Schor. All three saw plenty of action last year and Roma's bat was the most potent force in the Tiger attack.

Topline will be awarded to regular season division winners, Shaughnessy finalists, runner-up nine, and to the batting champion. The remainder of the 12-game slate calls for home and home series with Port Chester and Seaaside, a return game against P. H. M., and single games against White Plains, New Rochelle, A. B. Davis and Gordon.

Last year's Mamaroneck record was seven wins against five losses and most of the games were low score affairs since Tom was keeping the opposition well in hand but the Ellingtons could do little with the stick.

Chappaqua '91 Joins County Baseball Loop

President Edward Clark of Armonk and Westchester Baseball Association team managers met last night at O'Hare's Restaurant and voted Chappaqua's American Legion nine into the league.

Chappaqua will be contested with the Mamaroneck Cardinals, Valhalla Holy Name, White Plains Roma and White Plains Braves in one of the loop's two divisions. The other group comprises West Harrison Solids, Bedford Hills, Port Chester and Armonk may join the two divisions. It was decided to have a Shaughnessy play-off in each division.

Zack Wins Con Edison Sports Award

NEW ROCHELLE—Don Zack, twenty-six year pitcher-outfielder on the Tona Croton baseball team, was declared Con Edison Player of the Week Tuesday after his great performance in both a pitching and batting capacity against Kings Point last Saturday as Iona won easily 14-1. He will represent the "Our Program" with his coach, Mr. McDermett, Bob Drick, Sports Editor of the New Rochelle Standard-Star who submitted his name, and sports director Lenny Dillon over WFAPs tonight at 8 and 8:30 P.M.

Zack, whose actual name is "Zaccarino," is the son of Mr. and Mrs. Joseph D. Zaccarino of 211 Washington Avenue, New Rochelle, is now a Sophomore at Iona after transferring from Iona, Va. He is a former New Rochelle Indians and basketball player and pitched for the New Rochelle Indians (now the Derby) South Shore League baseball team last summer. He has a brother, Nicholas, twenty-two years old, a Sophomore at Virginia Polytechnic Institute, using pitcher Steve Martin, Fortunate.

Kiwanis Ball Loops Open Play Saturday

SIXTEEN teams in three leagues will swing into action on Harbor Island diamonds Saturday morning as the Mamaroneck Kiwanis Club baseball program gets underway.

All three fields will burn with the excitement of the sport. The first games in all leagues are slated to start at 9 A. M. Saturday's opening day schedule follows:

Williams Brady, Kiwanis baseball chairman, announced today that a fourth league, the Flyers, will be added to the league which will start play on Saturday.

There is also room for one more team in the Grasshopper League. Mr. Brady said, "This is for boys twelve to fifteen years old."

It was pointed out that boys must form their own teams and submit rosters to Mr. Brady.

Baseball which will be supplied by the Kiwanis Club. The Kiwanis and other adult volunteers will handle the umpiring chores.

Grasshoppers: Bruins vs. Crusaders; Jays vs. Hornets.

Cricket: Silver Stripes vs. Topkats.

Four Shutouts Top Bowlette Pin Tumbling

The Chalets won another shutout and kept rolling right on to the Bowlette play circuit this in the loop's weekly activity last night at Larchmont Bowl.

The Coppa quartet, Berners and Drivers also topped with 2-0 scores but this victory meant little in the juggle chase for the Kiwanis Club. The Kiwanis and other adult volunteers will handle the umpiring chores.

Brooks Face Roberts In Quest Of 10th Win

By the Associated Press

So now the Brooklyns have won themselves nine straight games. And all they have to do to take No. 10—and set a modern major league record for consecutive victories at season's start—is to beat the Yankees today.

The streak has been getting tougher and tougher for Dodgers and Dodger's and this afternoon's game at Ebbets Field may be the toughest yet. Roberts is off to his best start in four years. Robin is 2-0 thus far, beating the worst champion New York Giants twice—by hitting them for eight and one-half innings opening day and handing on for 11 innings Sunday. Bob decisions were by 4-2 counts. Only two of the Giants' runs were earned.

For a time last night it looked like the Brooks season may have any streak for Roberts to challenge. They were shut out on one hit by Steve Ridzik for seven innings. But Gene Wooding, who shared the record of nine straight victories at the start of a season.

Baltimore made the most of their water deeds to break into the win column. Elv Palica and Steve Ridzik, who combined to six-hit the Yankees while Bill Goetz, another former Brook, got one hit and scored to give Wooding, who like Smith went to the Orioles in the deal that sent Bob Turley to the Yankees, a run and a tiebreaker. Have you tried Hunt's Tomato Paste?

What a difference when you cook with Hunt's Tomato Paste! Veal Scaloppine, Chicken Carciotta—all those special dishes take on a sunny, zesty, wonderful flavor. That's because Hunt's is all luscious sunny, vine-ripened tomato. It's always smooth—never separates. So won't you ask for it by name, Hunt's Tomato Paste (Salsa di Pomodoro), when you try that treasured recipe?

VEAL SCALOPPINE

2 lb. veal cutlet, cut w/veal thin 1/2 cup flour
3/4 teaspoon salt 1/2 teaspoon pepper
1/2 cup olive oil or salad oil
1 1/2 cups water 2 teaspoons sugar
1 teaspoon salt 1/2 teaspoon oregano
1/2 teaspoon pepper 1 bay leaf few cloves
1/2 cup marsala, sauterne, or sherry, if desired

Cut veal cutlets into 2-inch pieces. Combine flour, salt, pepper. Roll meat in flour mixture. Soak gently in oil until brown on both sides. Combine Hunt's Tomato Paste, water, sauterne, oregano, salt, pepper, bay leaf, and cloves. Cook over low heat 30 minutes or until tender. Turn meat once during cooking. Add wine. Bring to boil. Serve immediately. Makes 5 to 6 servings.

Deadline Tomorrow

Tomorrow is the deadline for filing petitions for candidates for election to the Mamaroneck and the Rye Neck School Boards.

In Mamaroneck, Mrs. Mary Downing Schell has been nominated to succeed Mrs. Edward P. Helwig for a three-year term, and Robert Uarlock has been nominated for a one-year term to succeed Robert C. Duncan, president, who has resigned.

Russell V. Pelton and Carl Meskinen will be candidates to succeed themselves in the Rye Neck election.

No other candidates from either system have filed petitions.

Elections in both districts will be held May 1.

Registration in Rye Neck will be held Wednesday from 1 to 10 P. M.

Ends M. P. Course

MAN BADLY HURT IN TRUCK MISHAP

A Harrison man was hospitalized yesterday for treatment of a severely lacerated calf of his left leg after he was pinned between a steel plate and a truck struck by a car, Mamaroneck police report.

Anthony Riccardi, twenty-three, of 51 Park Place, Harrison, was riding the plate as a truck guard as it was being transported west on Waverly Avenue on a truck driven by Stephen Giannetti of 73 Nelson Avenue, Harrison, police said. An unidentified man was riding the other side of the plate, also acting as truck guard.

An eastbound car driven by Patrick Le Pore of 334 Mount Pleasant Avenue, Mamaroneck, on Waverly Avenue struck the truck, swinging the plate forward and pinning Mr. Riccardi's leg, police report. He was taken to Dr. Emil Verriello's office and taken from there to United Hospital, Port Chester, by police ambulance.

Mr. Le Pore told police his car was sideswiped by the truck and the plate was protruding eight feet beyond the side of the truck body.

Mr. Giannetti denied this, saying that it did not protrude eight feet from the sides and that it was evenly balanced.

The man on the left side, he stated this morning, tried to ward Mr. Le Pore to one side.

The truck had just left a yard at Waverly and Concord Avenues when the accident occurred, he said.

The left front fender of Mr. Le Pore's car was cut and the headlight smashed, police reported.

Gas Rate

(Continued from Page 1) allow them to take effect pending a hearing.

No Gross Revenue Increase
Company officials explained that the rate changes will not increase gross revenues from gas sales. They are intended to make gas "competitive" with other heating fuels and to bring the firm's charges in line with those of other utilities in neighboring areas.

As the P. & E. schedules provide for boosting the present \$1 minimum charge a month to \$1.10, the effect will be in part to make the smaller consumers bear what the company considers a fair share of the cost of the service he receives and give the larger residential user the benefit. In its most recent rate case before the PSC Con Edison contended the existing minimum charge did not cover the cost of supplying the service.

The change would affect two classifications of service, residential and religious, and general, the latter made up of business customers.

The present schedule for residential classification is: first 250 cubic feet, \$1 (minimum charge); next 1,000, 24¢; next 100, next 1,800, 13¢; next 2,000, 17¢; and excess over 5,100, 15¢ cents per 100. The proposed schedule would set the over 5,100 rate to 13¢ cents per 100. The minimum for the first 250 would be \$2.10.

The existing schedule for the general classification has a similar minimum charge for the first 250 cubic feet. The following schedule of rates per 100 cubic feet: first 2,000, 21¢; next 2,050, 20.8¢; next 5,100, 19.8¢; next 40,700, 17.7¢; next 50,000, 16.7¢; next 118,200, 15.7¢.

In addition to the schedule changes all consumers pay a cost-of-service surcharge. This adjustment is at the rate of slightly more than 1¢ per 100 cubic feet for all gas consumers. The adjustment is computed periodically as the cost of natural gas purchased by the utility rises or falls.

Addresses University Club Send Local Police To FBI School, Gaigliardi Suggests

A plea that the Larchmont 12-week course of intensive police training was made last night by Joseph F. Gaigliardi, Westchester County district attorney and former mayor of Larchmont, at a meeting of the Larchmont University Club at the Larchmont Shore Club, Thursday.

Two sessions are held yearly, Mr. Gaigliardi said, one in March and the other in August. "While it means," he stated, "that the candidate is away from his duties during that period of time, the knowledge he acquires from the intensive training he receives will be of great benefit to the department directly and to you indirectly."

A waiting period of one year will take place, he said, from the time of application. In addition to the officer's pay, the municipality will be required to reimburse the officer about \$300 for living expenses at the academy, he said.

The plea came following praise of the two departments and the fine job of police work they do. Their work, he stated, is as good as if not better than in any other when population, mileage and size of the departments are taken into consideration.

Mr. King said that Tennessee hopes to have entire pipeline operation this Fall. He stressed that the line would operate at a minimum pressure of 800 pounds a square inch, which welded joint will be tested at 500 pounds a square inch.

He said the pipeline is of such strong construction with a half inch wall that it could be operated complying with all safety regulations, with a pressure range of 1,138 pounds a square inch to 1,332 a square inch.

Mr. King said the line will be laid with a minimum cover of 36 inches and to be placed along the route will be impracticable to retain that depth. While the PSC requires that 20 per cent of the wells be radiologically studied, Tennessee is planning to make those studies of 50 per cent of the wells, he said.

Board Elections
Three members will be chosen for the School Board at the May 4 elections.

Nominees in the field for three year terms are Mrs. Mary Downing Schell and Robert White. Robert Garlock has been nominated for a one-year term to fill the unexpired term of Robert C. Duncan, board president, who resigned effective June 30.

No opposition has appeared to date with regard to any of the Board posts but nominating petitions may be filed up to tomorrow.

Any voter in the Town may be a candidate for school trustee provided he files a petition signed by at least 25 voters with Joseph D. Barrett, school clerk, before the deadline.

CARS IN MINOR CRASH
Two cars yesterday sustained front and rear fender and bumper damage in a collision at the East Post Road and Frank Avenue, Mamaroneck police report.

Walter H. Bell of New Rochelle, westbound on the East Post Road, told police an eastbound car driven by John W. Steasos of Erie suddenly turned left into Frank Avenue. Mr. Bell told police he was unable to stop his car in time to avoid striking the rear of Mr. Steasos' car.

WHY PETRO BURNER SERVICE PAID THE WHOLE BILL OF COURSE!
TISE man's talking about Petro's low-cost Comprehensive Burner Service Plan. Here's what happened. His old gas burner had to be replaced. It would have cost him about \$90—but he had Petro protection, so it didn't cost him a cent. Incidentally, the same plan also keeps his burner in tip-top shape all year, gives him emergency service whenever he needs it—all without extra charge. Every homeowner should have this liberal, money-saving plan. You can get all the facts by calling the Petro office below.

INDIAN PREACHER TO SPEAK SUNDAY

The Rev. Vine V. Deloria, assistant secretary in charge of Indian work in the Division of Domestic Missions of the Episcopal Church, will preach Sunday at 11 A. M. at St. Thomas's Episcopal Church.

A Sioux Indian, Dr. Deloria was born in Watnala, S. D. At the age of 17, through the influence of the Episcopal Bishop of Western Nebraska, he entered Kearsney Military Academy in this state. In 1926 he was graduated from St. Stephen's College at Andover, New York.

Before deciding to study for Holy Orders, he was a coach at an Indian school in Oklahoma. In 1936 he entered the General Theological Seminary. Graduated in 1938, he was ordained deacon by Bishop Hugh L. Burdette and the following year advanced to the priesthood.

Following his ordination he served for 20 years as a missionary to his own people in South Dakota. In 1951 he was in charge of the rural area of the Episcopal Diocese of Iowa, and in 1954 became a member of the National Council of the Episcopal Church.

Last year Dr. Deloria received the Indian Achievement Award, given annually by the Indian Council Fire, a national organization dedicated to the interests of the American Indian. He is the third clergyman to receive this award and the first Sioux Indian.

Also last June Bard College conferred upon him the honorary degree of Doctor of Divinity. At St. Thomas's he will speak in conjunction with the United Thank Offering project of the women of the Episcopal Church.

Quality-wise whiskey buyers say Today's Carstairs is the most underpriced fine whiskey you can buy!

All over, men who know fine whiskey are choosing Carstairs as the outstanding value in the market.

Carstairs is made from premium-grained, by expensive methods. Yes, everything about Carstairs is costly except its cost to you! No wonder it's the top whiskey buy — the whiskey you can stay with. Try it — today!

WILLIAM F. FARLOW, Provision Executive, 9 Old Post Rd., Great Neck, N.Y.
"I like a whiskey that has body, yet is smooth and easy to drink. That's why I like Carstairs better than any brand I've ever tasted."

E. WALTER SNYDER, Contractor, 213 W. 82nd St., N.Y.C.
"After years of whiskey drinking, I consider myself quite an expert, and for my money I can truthfully say Carstairs is the finest whiskey I've ever tasted."

Davis To Play For Kiwanis Variety Show

Harry Davis of 719 Rockland Ave. in Mamaroneck, well-known pianist, will present a variety program of classical, Gershwin and popular music at the Kiwanis Club at Mamaroneck Junior High School.

Mr. Davis studied in this country and in Italy under Carl Friedberg and Arthur Schnabel. He started his professional career on radio, performing a Mozart concerto under the direction of Alfred Wallenstein.

He has appeared in Town Hall and Carnegie Hall recitals, and is a soloist with the New Friends of Music, and has toured the country with symphony orchestras, appearing in all larger cities.

He has also been featured in night club engagements in programs of modern music, and has been heard coast to coast on all major networks.

He and his wife have a son, Kenneth, a student at Central School.

Proceeds of the Variety Musicale will be used by the Kiwanis Club to entertain its boys and girls program, including middle league baseball and the annual summer carnival at Harbor Island.

Dodgers Blast Phils, 4-4, Set Record With 10th Straight Win

Roberts Is Clubbed; Brooks Belt 17 Hits

By ED WILKS, Associated Press Sports Writer
Walter Alston, the quiet man, watched passively as his Brooklyn Dodgers set a modern major league record by winning their 10th straight game the start of the season. Then he strolled back to the clubhouse, where he fouled off two questions and smoked a cigarette.

PHILLES ACE ROBIN ROBERTS, left, walks toward the Philadelphia dugout at Ebbets Field, yesterday, after being clubbed by six Dodger hits—including two homers—in his half of touring inning.

PLAYERS SET FOR TRACK DEBUT AGAINST DELHAM

Ship Elford and Bob Colyer, with their sights set on breaking the five-minute mark in the mile event, should prove important cogs in the machinery of the Mamaroneck High School track this year.

With the Tigers slated to open competition on the road next Wednesday against Pelham, Coach Bob Sampson has been attempting to get his charges into top condition despite the unpredictable weather which has proved of hindrance hitherto.

The sophomores Barry Wright and Lee Humphreys have also shown excellent promise, thereby giving Coach Sampson more players to compete in the seven scheduled events.

Also having displayed potential are Jim Cassidy, Kit Kimball and Bob Ray.

This was the seventh and final meet of the prospect of the MHS track team for the coming season.

MHS, Bellows Have Played In Afternoon

Mamaroneck and Bellows High Schools were slated to play basketball last afternoon. The "Tigers" were to clash with Yorkers in their Wildcat game at Fleming Field in Yonkers, 3:45 P. M., while the Panthers were scheduled to meet Blessed Sacrament on the Harbor Island Field at the same time.

The Yonkers-Mamaroneck tilt was to have been the season's opener for the Tigers, while the game at Harbor Island was to have been the fourth for the Panthers this season.

Bellows, on the season, dropped a 4-0 decision to Blessed Sacrament in its debut. They bowed out, 2-0, and rebounded with a 5-0 win over Elmford on Wednesday.

Northwest Amateur Champ Draper, meanwhile, has already, having annexed the Northwest amateur and open championships a few years ago. With Draper added to Harmon's Winged Foot is expected to constitute the Winged Foot pro-amateur team.

3 May Keep Lead In ABC

FORT WAYNE, Ind. (AP)—The American Bowling Congress tournament is four weeks old and has six weeks to go but some observers believe that the current leaders may go all the way.

The top team total of 3,136 held by the Pfeiffer couple of Detroit will take some mighty shooting to surpass. In 31 previous ABC tournaments, only six teams have bettered that figure.

Eddie Gerace of Milwaukee has held the top spot in the singles since March 28 when he posted a commanding 185.

The doubles score of 1,365, held by Harry Zelle and George Paoli of Wilkes-Barre, Pa., also appears a tough one to overcome. It is also considered possible that the Pfeifferers' record of 1,993 total for all events may be good enough to win the title.

Bill Rutherford of White Plains has unbowed faith in the productivity of eye and pencil. His loyalty to the lake proved well founded in the first week, the least action by his catch of six lake trout, largest of which went six pounds.

He caught two hoppers in a single afternoon. Both fish were checked by game warden George Pachonka of Yorkers. Rutherford's fish were taken at the Orange County Beagle Club trials in Millbrook.

Deacon triumphed over 18 other hoppers in his two previous weeks in southern tier at Tanglewood.

YANKKEE shortstop Billy Hunter, trails a base runner with a bag with a head-long slide into second, in second inning yesterday afternoon.

Draper To Join Staff At Winged Foot Club

Ed Draper, highly-rated amateur from Seattle, Wash., is expected to join the staff of the Winged Foot Golf Club at one of the assistants in Claude Harmon's staff.

Draper, who has just out of the Army after two years' service, will succeed Al Menger, who was runner-up for the 1952 U. S. Amateur title, and who appears to be on the money trail for a job under the Winged Foot pro.

Since Harmon took over at Winged Foot in 1945, he has turned out a number of top-flight golfers—including such standouts as Shelly Myerfeldt, Mike Soutar, Jack Burke, Otto Ciener, George Sorenson, and George Barke, Gene Dahlbender and George Schott. It appears that Draper will be a valuable asset to the staff.

Draper, 27, is a member of the Northwest Amateur and open championships a few years ago. With Draper added to Harmon's Winged Foot is expected to constitute the Winged Foot pro-amateur team.

Alston duffed 112 circles. That's another's guess.

The second was a curve that hung high. "It's the spirit! It's better than last year."

Alston announced his uniform shirt. "The spirit's always good when a team is winning."

The third was a fast one. "What's kept you winning?"

"I've got a new pitcher," said Coach Billy Herman. "We ain't even had him yet."

"We still got 144 to play," said Duke Snider.

That's the way it was yesterday after the Brooklyn had become the first team since 1900 to win its first 10 games. 10 out of 10.

It was the only National League game yesterday. New York's Philadelphia was turned out 1-0. Chicago whipped Detroit 3-1. New York plastered Baltimore 14-2.

Peter Kemmerer, twelve, 50 Park Avenue—"I went out in an eight-foot Fiberglas boat with Charles Schwab and another boy and they sat in the stern up the lake to the bow, almost went over and I got good and wet."

Don McNeil, Larchmont Yacht Club—"I was racing my eight-foot Fiberglas boat from New York City toward the finish line when a big surge coming up from New York City allowed course and I clipped him. We had \$150 damages to our brand-new craft."

Spencer Belvedere, 106 Weaver Street—"The time we boated to Europe and by a whale. Then we continually hear looking for icebergs because we were afraid of hitting one. We'd just seen the movie 'Titanic' at the time."

John Mahlsiedt, Larchmont Yacht Club—"We had left New London early for the race to Long Island. As we came into the harbor we found ourselves off course and had to tack back and forth. The tide, which had been against us, changed and it got dark. I took the wheel and West Harbor and passed a white speck. My mate, who was only made it in, but made it first and were the winner of the cup. But the next morning we found that the government had forgotten to put out a white buoy and that the race had been called off. All our work for nothing."

Vincent Monte-Socke, Jr., 4 Concord Avenue—"In 1948 we were in the New York City Regatta at landfall at Bermuda. In the Newport to Bermuda race, for five hours Navigator Richard Baxter of Mamaroneck had attempted to make the landfall but was not successful. After the five hours race, the boat was still on the nose. Nobody was more relieved than the navigator."

Capitan Ted Broke, Larchmont Yacht Club—"In July, 1949, when more than 100 boats were overboard, I was a skipper in a 14-foot yawl. We had to go out and pick up the people who were in the boat. St. James Green, 17 M A North Place—"Getting stuck in Mamaroneck Harbor in fog and will go compass or anything else on board to get us out. I took us seven hours to get in. We couldn't even see the buoy."

Larchmont's New Civic Assn. Meets

(Continued from Page 1)

The newly formed Larchmont Civic Association last night held its first formal meeting at the home of Harry Alpar, 132 Chateaufort Avenue. Officers will be elected at the next meeting at Larchmont Village Hall and all meetings will be held the first Thursday of each month at 8:30 P. M.

The purpose of the new Association is to represent the best interests of the Larchmont postal district who feel that they are not obtaining proper representation from their duly elected officials in the village and town administrations. Mr. Alpar stated, it is dedicated to the betterment of the Larchmont community, he pointed out.

All interested citizens in the postal district are invited to attend the next meeting. Specific information about the Association may be obtained by phoning Mr. Alpar.

In addition to Mr. and Mrs. Alpar, those attending were Mr. and Mrs. Florence Peterson, Mr. and Mrs. George E. Warren, Albert Godwin, Mrs. and Mrs. O. Leung, P. A. Abrahamson, Mr. and Mrs. Edward Francis, Mr. and Mrs. P. Quenan, and Mrs. Louis Sarason and John Fierstein.

The very last line, he added, is the Civilian Defense program and he urged the public to join the program.

"We are all vulnerable," he said, and pointed out that some 1.5 million persons on the periphery of any hydrogen bomb explosion "would be in need of human aid."

Mr. Blaisius also reviewed the First Aid program which they did not have the gymnasium. The stand alone in the main hall was rolling around on that trip.

Henry Sheridan, 700 Rushmore Avenue—"During the July, 1949, storm, Bill Dover and I went out in a boat to help rescue the crews of the 100 Lightnings which had overturned. We picked up about 20 persons, brought them in, and then went out and picked up some more. We also went in the 100 Lightnings that night to help the lightning people look for their boats."

On Robinson, 700 Rushmore Avenue—"Down in Hampton Roads I saw the United States make her shakedown cruise. There is just nothing like seeing this ship go through her paces."

Norman Paul, 210 Sand Street—"During last year during the hurricane of Montauk, that was rough one."

George Rowe, Ward's Boat Yard—"Last year when I went out on a rough day and pulled three kids aged seven to fourteen from 8A buoy out in mid-Sound. I tried to bring using sautois in, but the seas were breaking over the bow and I had to abandon her."

In 1952, the hydrogen bomb explosion at Eniwetok entirely changed hopes for a adequate defense within the United States.

Three Defense Lines three service lines of defense against atomic attack, as Mr. Norton pointed out, are the last which would be needed in any hydrogen war, he said.

McGregor Travel Takes 157 On Bermuda Trip

Residents of 11 Westchester communities arrived in Bermuda last Saturday, part of a group of 157 from the greater New York area, according to David McGregor, McGregor Travel Service, White Plains.

Special planes and entire sections of the Ocean Monarch were assigned to transport this important group.

The Right Worshipful E. R. Williams, Mayor of Hamilton, greeted those arriving by ship, while the Mayor of Hialeah, Fla., Georges welcomed those arriving by air.

Social receptions by Bermuda officials, yachting parties, a visit to St. George's for the annual "Peppercorn" Ceremony, and witnessing the yearly "Pageant of the Bermuda Lily," a spectacular floral parade, will be highlights of the week's visit.

"Packaged" travel arrangements for groups of this nature, as well as employee and sales-award group travel, in a regular service of McGregor Travel Service in their new larger offices, 171 E. Post Road in the Wallach Bldg., White Plains.

Scouts Assist Program For Conservation

Six first class Boy Scouts of Troop 3, Larchmont, looking toward higher ranks, participated in a conservation project Saturday in conjunction with the Conservation Service of the Garden Club of Larchmont.

Charles Bellows, Troop leader, and Mrs. Winton L. Miller Jr. of the Garden Club supervised an intensive cleanup of the Cross Country Parkway area bordering both sides of Weaver Street at Murray Avenue, Larchmont.

The entire area from New Rochelle to the Mamaroneck line was preserved last year in its natural state by the County Government through the efforts of the Garden Club with the cooperation of more than 35 local organizations.

The Scouts participating in the cleanup were Tom Haslock, Martin Lyons, Jay Miller, Ted Bolow, Bud Operer and Dick Moll.

Residents are urged by the Club to respect the privilege of having such an area within the community and to refrain from littering it with rubbish, large quantities of which were removed Saturday.

Party Held By Sheldrake

The annual Shiprock Party of the Sheldrake Yacht Club, Saturday night at the Orienta Beach Club in Mamaroneck, was highlighted by the presence of Johnny Blue, composer of the 12th Street Rag and other popular songs, and bandleader-in-chief of C. M. McDermott Edward Wall.

Mr. Blue was persuaded to play piano with the orchestra after they started to play his 12th Street Rag.

Mr. Blue revealed that some years ago he started the Keith's Boys Band and one of his best trumpeters was J. Jerry Drexler of 883 Vine Road, Larchmont, a member of the yacht club and master of ceremonies.

Gifts were presented to Commodore and Mrs. Wall, Harry Diner. He was assisted by David Goldman, Charles Wilson, Adwin Moody and Mr. Drexler.

Meat Loaf Made from Lean Chuck Comes in Baking Pan, 50c & \$1.29

Meat Loaf is like the Little Girl with the curl right in the middle of her forehead. And it's the very, very good kind of Meat Loaf you find at Seaberg's Freezer Owners Depot in White Plains. The tests proved that in Seaberg's own Testing Kitchen. And so do the reports from Customers. This Frozen Meat Loaf makes with almost no shrink. It is mildly spiced and has delicious flavor because it is mostly ground lean chuck. Come in its own Aluminum Baking Pan. The 1-lb. size is now 50c; the 2-lb. size is \$1.29. Buy only at Seaberg's in White Plains, 200 Westchester Avenue.

"Our beer is Rheingold - the Dry beer!"

say TEX and JINX McCRARY

"What do we talk about when we're not on the air?" asks the pretty half of Tex and Jinx, radio and tv's famous husband-and-wife team. "Right now, we're talking about you—our audience, trying to guess the things you like." "One thing's sure," adds Tex...

"...and that's the beer you like. It's our favorite, too—Rheingold Extra Dry. No other beer can match its distinctive Extra Dryness and clean, clear taste. That's a pretty good reason why Rheingold Extra Dry is more than ever New York's largest-selling beer!"

It's beer as beer should taste!
