

Larchmont Rally Defeats Bronxville In Playland WSHL Clash

Campbell Gets Three Goals As Eagles Notch Fourth Win

The Eagles of Larchmont came out on top for the fourth straight time in Westchester Soccer League play last night at Playland, but they had to do it the hard way this time. In the first of the first period, the Bronxville Hawks, running first in the local for the WSHL, lead, had a three goal margin with the Eagles yet to show. The Eagles, but Larchmont improved steadily in the second and third periods to take a 4-3 victory.

The Eagles notched two goals in the second stanza to move within shooting distance of the Bronxville outfit and then exploded in true Eastie fashion in the final count for four big goals and a triumph.

Whitey Campbell, former Dartmouth ace and present Eastie defenseman, pulled the first lead last night, the first three goal rally by a local player this year. Campbell played a truly brilliant game both on offense and defense and was the only local star to enter the penalty box, a tribute to his aggressive type of play, if nothing else. Whitey's first tally came late in the second period to make the count 2-2 with Bronxville still ahead. He crossed the net just as the Larchmont six ahead and the final one came with five minutes remaining to sew up the victory.

Doug Morrison played a fine game on defense for the Eagles team although he was not checking and was vicious and pre-emptive in the goal.

Larchmont goals were scored by Lanny Holmes, veteran defenseman, Bill Sweeney, and Ken Braun, along with Campbell's tally.

The Rockefeller, Warren Corey, failed twice for his club and John Hughes added the other goal. Hatrick received credit for a brace of assists.

The first period was all Bronxville with Larchmont being completely outplayed. Warren Corey beat Ed Beardon, Eagle net mender with the first goal on passes from Hatrick and Ziesler. These three were the best Rocks to watch at the end of the first period.

Corey came right back at Beardon shortly after and split the cords with a deadly shot from short range to increase the score to 2-0. Hatrick again was the playmaker. He dug in, a wing on the second. Bronxville line, named the third goal of the period into the local's cage just before the first count ended. Cordey wrote his name into the records with a hitting pass.

From the start of the second period until the final bell, the Eagles were a different team. They passed like the 1947 pennant winner and checked with easy accuracy.

Ken Braun gave the winners some hope of coming back by splitting one past Joe Schaefer after a pass from Harry Vandeyke. Vandeyke also got an assist on the second goal which was knocked in by Whitey Campbell. This was the last score of the second stanza but it was evident that the Eagles were coming to life. Both of the second period goals were scored within the first minute of the stanza.

In the first two minutes of the final period, Larchmont had taken the lead. Lanny Holmes knocked the score at three with a kick of his stick after Ken Braun had

passed to him from behind the Rock goal.

Campbell "led" at this point and the same was going to the Eagles. Whitey started the run back in the ring with a retrieved puck and flicked the disk past Schaefer just when it seemed that he would go completely around the net. Schaefer was completely off guard and the Larchmont star had the lead for the first time.

Bill Sweeney made it 3-3 on a pass from Campbell and Rick Strapol, a former Mamaroneck star striker. It was Strapol's first run time venture in a league game. He was substituting for Pete Taylor who was ill last night.

Campbell's third goal came at a moment when the Rocks were desperately trying for a counter blow. It was another solo dash and completed the second "let trick" of the night. The first occurred in the 8th minute between the Harrison Maple Leafs and Rexy Hawks which was won by the Maple Leafs 6-2. Mike Poling was the three goal man in a winning effort.

Three Hunters Fined For Using Flashlights

CARML—It has cost three Mahopac men \$100 apiece to carry five-cell flashlights along with guns and ball cartridges in the woods of Putnam County.

Arrested by a game protector for possession of a beam-light in a land inhabited by deer, the three—John Rother, Henry Morrison and Anthony Bellini—paid the full compromise costs of violation of Conservation Laws without objection. They could have been charged with larceny since a gift from the variety to cost \$500 compromise penalty.

Laugh-Filled 'Hay Fever' Is Fenimore Hit

The Fenimore Players treated themselves to a play Saturday night at the Mamaroneck Junior High School with a launier and more production of Noel Coward's dependable chestnut, "Hay Fever." They played in all scenes from gray to purple and with vocal noises ranging from plaintive to a screaming in places for the balcony) to double fortissimo. The direction was designed for a triumph of acrobats but it can be said to their credit that not a Fenimore backed at handling the piano or banging nose down from the chandelier. Even old papa was called upon to vault like a sylvan of during his lone scene.
