IMPASSE IN YONKERS

YONKERS — This city has reached an impasse on the naming of a third member of the board of review to hear grievances under the Condon-Wadlin law. Two members have been selected by the unions and the City Manager, but Mayor Edith Wiley refuses to submit the name of Thomas J. Cooney as the third member and the unions won't make a change in their selection.

YULE TRADITION SEEN IN CAROLS

By VIVIAN BROWN
AP Newsfeatures Writer

Ever since the first angels sang their joyous Christmas carol—"Glory to God in the highest. . ." melodic themes have been part of our Yuletide tradition.

Now everything is in readiness—music boxes and church organs are being tuned, carolers are getting set to resume their familiar role, gay little bells are getting ready to tinkle, even on Christmas cards.

Many of this year's Christmas carols have some musical. Some of them carry words and four-part harmonies of famous Christmas carols, just as they might appear in a hymn book, to answer popular demand.

Strolling minstrels sang Christmas carols even back in the 15th Century. Although public performance of Christmas carols was forbidden by the Puritans in the 17th Century England, carols managed to survive.

Most of today's famous carols have been written since then. Some were set to music by famous composers such as Bach, Handel and Mendelssohn. Others, like "Silent Night", are the creation of inspired but otherwise unknown composers.

"Adeste Fideles," ("O Come, All Ye Faithful,") probably the most popular of Christmas carols, originally was written in Latin but now is sung in 76 different languages, though in translation the words do not rhyme. Some historians credit the words to Bishop Bonaventura of Albano, prominent teacher and writer of the 13th Century, to others the origin of both words and tune is obscure.

"Silent Night" was written because some mice happened to nibble at the bellows of a church organ at Oberndorf, near Salzburg in Austria, a few days before Christmas. The young parish priest, Joseph Mohr, returning from some priestly duties, sat down that night in 1818 and composed the verses. Franz Gruber, the school master and organist composed the music the next day and that evening midnight Mass was blessed with a new song which was sung by Father Mohr with Franz Gruber accompanying him on a guitar.

"Hark, the Herald Angels Sing" was the most popular of the 6,000 poems composed by Charles Wesley, younger brother of John Wesley, who founded the methodist denomination. Charles got the idea for the hymn from the pealing of bells as he walked to church on Christmas morning in 1730. The melody is from a cantata written by Mendelssohn in 1840 to commemorate the invention of printing. The famous composer observed that the music had a "soldier-like and buxom motion" and would "never do to sacred words." Other popular Christmas carols are:

"The First Noel" . . . A medieval shepherd's tune, probably of French origin although first printed in English.

"Joy to the World" . . . Written by an Englishman named Isaac Watts in 1719, based on the 97th Psalm. Tune is from Handel's "Messiah."

"Deck The Halls" . . . An old Welsh tune of obscure origin Mozart once used it for a piano-violin duet.

"Away In A Manger." . . Some say that Martin Luther wrote this for his own children, who formed a domestic choir. Others say that it was written by an unknown composer.

"Good King Wenceslaus" . . . Originally a springtime song of happiness. In Bohemia, where Wenceslaus ruled in the Tenth Century, street singers used to make their appearance in warm weather and sing about the legendary king's extreme generosity.

"Cantique De Noel" "O Holy Night." . . Written by Adolphe Adam, French composer who only is remembered for this beautiful hymn though he wrote 50 operas.

"We Three Kings of Orient Are." . . The first all-American Christmas carol composed in 1857 by John Henry Hopkins, an Episcopal clergyman who created both the words and music. It is believed that it originally was intended for a church pageant.

"O Little Town of Bethlehem," one of the most popular of Christmas hymns, was written by Bishop Phillips Brooks while rector of the Church of the Holy Trinity in Philadelphia in 1866, shortly after he visited the Holy Land. It was first sung by his Sunday school class that Christmas to music composed by Lewis H. Redner, the church organist.

$75,000 Fire Damages Hudson Garment Plant

HUDSON, (AP)—A $75,000 fire last night damaged a clothing factory in the center of this city.

Fire Chief William A. Moore, who estimated the loss, said the blaze started in the cellar of the two-story brick building occupied by the Hudson Garment Co. The cellar and part of the first floor were damaged.

Forget Friendship Red Leaders Told

LONDON, (AP)—Entirely too many Communists leaders are covering up for friends who make mistakes at work, the Soviet newspaper Pravda said today.

An editorial broadcast by Moscow radio told Communist leaders they must put the party, the Soviet state and the Soviet people above everything—even above friendly relations.

THE FREEDOM TRAIN

(Editor's Note: The following letters of appreciation have been received by The Daily Times on the occasion of its sponsorship of the recent visit of the Freedom Train and distribution of Document Books to the schools of Mamaroneck and Larchmont. Several of the letters were written before the arrival of the Train in Mamaroneck The Daily Times is grateful for these expressions of appreciation.)

Editor, The Daily Times,
Dear Sir:—

I wish to acknowledge your recent letter of transmittal in presenting to us the official document of the New York State Freedom Train. The book will be a valuable asset to the school and can be used widely especially in the social studies area for the various grades.

I wish to take this opportunity to let you know that I consider your sponsorship of the Freedom Train as the outstanding project of the year in our community. The work of you and your staff will make this a patriotic and educational event of lasting value.

—Alvin W. Hicks,
Superintendent.
Rye Neck Public Schools

Editor, The Daily Times,
Dear Sir:

In behalf of the pupils of St. Augustine's Parochial School and of the Dominican Day School, it is fitting that we send to The Daily Times this expression of appreciation and gratitude for the opportunity recently provided by The Daily Times to visit the New York State Freedom Train. Your enterprising spirit made it possible for more than 700 of our boys and girls to inspect, at first hand, records and documents of vast importance in the fashioning of the fundamental freedoms which are the glory of our country. We are deeply grateful.

Rt. Rev. Msgr. Thomas J. Deegan,
St. Augustine's Church.

Editor, The Daily Times,
Dear Sir:

Before many more days go by the teachers of this school and I want to thank you and The Daily Times for making it possible for the school children and us to see the Freedom Train. Many lessons were taught.

The Daily Times is to be commanded for this contribution to ward civic enlightenment.

Sincerely,
Charles W. Warren,
Principal.
Mamaroneck Avenue School.

Editor, The Daily Times,
Dear Sir:

Thank you very much indeed for the complimentary copy of the official Document *Book of the New York State Freedom Train.*

This book will certainly aid us in preparing our children for the visit of the train to Mamaroneck.

S. M. Plotnick,
Headmaster,
Westchester Day School.

Editor, The Daily Times,
Dear Sir:

The official Document Book of the Freedom Train has been received and we are starting today to circulate it among the various schools.

We wish to thank you very much for this copy.

James Ahern,
Superintendent of Schools,
Union Free School District No. 1.

Editor, The Daily Times,
Dear Sir:

I should like to take this opportunity to express my appreciation of your kindness in sending me the official Document Book of the New York State Freedom Train. I am sure that it will prove most helpful.

John B. Chapman,
Principal,
Chatsworth Avenue School

Editor, The Daily Times.
Dear Sir:

I thank you in behalf of Central School for the Official Document Book of the New York State Freedom Train which you so kindly gave us.

This book will be placed in our school library, and will be available for use by both the children and the teachers in preparation for their visits to the Freedom Train.

I am sure that the visit of the Freedom Train to Mamaroneck will be a most successful undertaking, and I congratulate you and your paper on making this visit possible for Mamaroneck.

George W. Brown,
Acting Principal,
Central School.

Editor, The Daily Times,
Dear Sir:

I wish to express the thanks of the students and teachers of the **Frederick E. Bellows High School** for the attractive and informative Document Book on the New York State Freedom Train.

The Social Studies teachers are making use of this book in their classes.

William C. McAloon,
Principal, Bellows High School.

Editor, The Daily Times,
Dear Sir:

We have received notice of the arrival of the New York State Freedom Train with its priceless documents.

On consecutive Sundays I personally announced this information to the children of our Sunday School, as well as to the children of our weekday school. Rabbi Irving Koslowe also announced this information to the members of his congregation at the regular services.

I sincerely hope that the event of the arrival of the Freedom Train under your sponsorship will be a huge success.

Moe Krieger,
Educational Director,
Westchester Jewish Center.

NEW FISH-GAME SETUP URGED FOR N. Y. STATE

BINGHAMTON, (AP)—A proposal to replace the State Conservation Department's fish and game division with an independent seven-member commission was in the wind today.

A committee of the New York State Conservation Council submitted the proposal last night to 150 sportsmen attending the 16th annual council convention.

The convention accepted the committee's report for submission to the council's 200,000 members. Clarence Betts, who headed a two-year study, said the committee had not determined when a bill would be introduced in the state Legislature, should the proposal be favored by the council members.

"We are not particularly dissatisfied at present," he said.

The aim reportedly is to reduce the possibility of political influence in the sportsmen's world.

The commission head would be appointed by the Governor. Other members would be chosen by the council, which comprises federations throughout the state. The commission would not be under control of the Conservation Commissioner.

The council membership also will consider a suggestion that four or five trout streams in the state be zoned for fly fishing.

Ward, Staff to Quit Mukden on Wednesday

WASHINGTON (AP) — Consul General Angus Ward reported today that he has arranged to leave Mukden in Communist China with his entire staff by next Wednesday.

The State Department said Ward also reported that he, the staff members and all dependents would travel by train to Tientsin, a seaport.

Three American ships, the department said, are due there between Dec. 6 and 17.

Water in reservoirs and in wells is dangerously low. We must conserve or a serious emergency will result. To flush toilet consumes an average of seven gallons. Don't flush the toilet just to wash down cigaret ashes. Help save water. We must conserve or face drastic regulations and rationing.

Confusion Is Held Result Of Gift Practice

By EMILY POST

A letter tells me: I am puzzled to hear that it is customary in my future niece's locality for the guests to bring their wedding presents to the reception. Naturally I don't want to arrive empty handed, but how do I sit in church with a package in my arm?"

Your question merely adds another angle to the objection of turning a wedding reception into shower. Where this very strange custom exists I do not know, but several letters lately have described the confusion of opening all presents at the reception. It is not only incorrect, but the most impractical idea ever presented to me. My advice is to follow correct etiquette, which is to send the wedding present to the bride at least several days before the wedding.

Question: The secretary to a very distinguished gentleman who receives many professional invitations, formally engraved. My predecessor typed her formal third person replies to these. Shouldn't they be handwritten?

Answer: It would be quite proper to typewrite business replies. But replies to social invitations must be written by hand.

Question: We're going to send little fill-in birth announcements when the times comes. I'm going to fill in everything possible beforehand and my husband the rest. As the line for the parents' names will be in my handwriting, should it be Mary and Robert Gay or the reverse?

Answer: In your handwriting it should be Robert and Mary Gay. In his handwriting it would be Mary and Robert Gay.

Eli Sextet Blanks St. Nick's; Shay Nets 3; NRHS Tripped

A near-capacity crowd turned up at Playland last night and after Yale's hockey squad had skated rings around St. Nick's for a 9-0 season opening triumph, couldn't quite establish whether the Eli sextet has greatly improved in a year or whether the Nicksmen's attack is just non-existent.

Spearheaded by a soph sensation named Ted Shay, who netted three goals in the slaughter, the New Haven collegians tallied two dikes in the first canto, caged five in the second and added insult to injury with another pair in the final stanza for a clean-cut win. Although St. Nick's was supposed to be the home team, the stands were filled with Yale undergraduates and alumni who simply digested the whole spectacle with glee.

In the schoolboy fray which served as the preliminary game, Greenwich just nipped New Rochelle, 3-2, with a goal in the third period. It was the curtain raiser for the Westchester Scholastic Loop.

Shay, leading scorer on last year's nineteen Eli frosh scored two times in the big second session to complete his "hat trick" while Mike Brown, another Yale '52 man, batted in a pair. Pat Howe, Tom McNamara, Watson Bray and Vern Armour did the stick work on the defense.

Jim Burns and a chap by the name of Nordy Knox collaborated on the goal tending masterpiece while Chris Rodgers, St. Nick's goal tender, watched eight sizzling shots by before he retired to the sidelines so that Bob Burke could allow the final one.

The schoolboy fray was by far the more interesting of the two although the fans roared the loudest when the "feature" scrap was going on.

Greenwich had a one goal lead on Pete Jenkins unassisted dash at exactly 11 seconds of the first period but Mac Rochelle's Bill Bruce pulled the same trick at the 25 second mark to knot things up. That could be some kind of a record.

The Nutmeggers got back the lead before the first session was completed when Tom Montgomery handled a play all by himself at 5:32. But, for the second time, the Huguenot skaters drew even, when Fife Dollar flicked one into the cords on another flash goal 32 seconds of the third period was the timing.

The clincher came suddenly at 3:52 of the third heat when Montgomery charged around the net, rifled a pass to Mike Bratley who unloaded the puck into the twine. Fred Marr played good defensive hockey for the winners.

Oddly enough, St. Nick's was aggressive at the outset but could not get a good shot at Burns. When Yale found an opening, they went in front as Captain Al Clapp relayed to Armour on a two-man break. That was at 8:45 of the first session and two minutes later it was 2-0 when Shay followed up Dick Hart's shot and swatted the rebound in. Shay got his second tally at 4:38 of the second on a nifty bit of puck handling. Two minutes later Bray had netted the disc and after that it turned into a rout.

Next Thursday Yale returns to meet the more formidable NYAC team while Mamaroneck and North Tarrytown clash in the prelim.

RUMOR HARVARD OUT OF GRID'S 'BIG TIME'

CAMBRIDGE, Mass., (AP) — Harvard's reported withdrawal from "big time" football, after the 1950 season, and the casting of its future lot with Ivy League rivals, resulted today in widespread repercussions.

"We have reached two milestones in our football history," Athletic Director William J. Bingham said. "International games are out. We are going to stick to Ivy League members with the exception of Pennsylvania. We can't compete against their state scholarships."

The other Ivy League members are Yale, Princeton, Columbia, Dartmouth, Cornell and Brown.

Bingham also said that the burden of financing Harvard's extensive athletic program would be taken off football's shoulders and shared by the university itself. Harvard's Athletic Association has suffered a $326,000 deficit during the past three years, Bingham explained.

"If athletics are good, they are good for everybody," Bingham added.

In Philadelphia a University of Pennsylvania spokesman explained its state scholarship setup.

"They have been in existence more years than I can remember," he said.

A Bingham quote: "The Big Three Harvard-Yale-Princeton no longer exists and the Ivy League is a better setup," surprised Laurence H. Tighe, Yale's acting athletic director.

"I can't imagine the reason for such a statement," Tighe said. "Yale has not eliminated the 'Big Three.' It's a pleasant tradition."

College Cage Season Starts With 2 Upsets

NEW YORK, (AP) — The college basketball season officially opened last night and right off the bat two major upsets went into the books.

The U. of San Francisco, National Invitational Tournament champions took a 43-38 jolt from San Jose (Calif.) State while Vanderbilt, a 13-point underdog, whipped New York U., 65-59, in overtime at Madison Square Garden.

Several other major quintets saw action tonight and Northwestern, of the Big Ten, beat Colorado College, 76-54, and Western Michigan, 54-43, respectively. It was Iowa's 41st straight non-conference win on its home floor.

LRT'S NOTCH 2D COMMUNITY SLOT

Chief interest in Larchmont Community League bowling matches centered around the two-way battle for second place last night, which saw the LRT's take undisputed possession with a 2-1 margin over their tormentors, the Plumbers. The Taximen, riding on a four length crest, maintained that spread with a split decision over the Hook and Ladder keglers. The Clippers belted out the jolly Five 3-0 for the most one-sided encounter and the Grocers came from behind to club the Patrol 2-1.

Highest of the ten games which pushed into the "select circle" was Jerry Lisanti's 246 opener and Mike Melillo was good for runner-up position with his 223 single pinfall.

In the series tabulation, Carl Tortarella of the Plumbers led the way with 583, closely followed by Tom Francella with 574 and Billy Sampson who chalked up 560.

The other keglers who split the double century figure were Jim Stevens, Lou Sganga, Len Grosso, Dom Ianello, Chick Conte and Tony Miranda.

The LRT's had a monopoly on the gathering of team honors as they swept from a 917 unit single to a 2618 triple.

MAJOR RACE TRACKS VETO NIGHT RACING

NEW YORK, (AP) — The nation's major race tracks are opposed to night racing and they are going to see that the country knows why.

One of the first moves of the projected national policy committee of the Thoroughbred Racing Associations is to emphasize the TRA's opposition to arc-light programs.

The TRA, composed of 35 major race tracks, closed its annual meeting last night after going on record as opposed to night racing.

It was recommended that a national policy committee be set up to act as a group of trained spokesman for horse racing.

On night racing, the committee would make an analysis of attendance and betting in states having both thoroughbred and harness racing and submit the findings to state authorities throughout the country.

The committee would be composed of not more than three persons, each representing a TRA track.

TRA members would then refer questions of national policy to this committee rather than have a mixed chorus.

Vice President Allen W. Dark-ley addressed the race track officials last night at the annual dinner at the Hotel Plaza.

Met Women Golfers Reelect Top Officers

NEW YORK, (AP)—Mrs. William Hockenjos Jr., of Short Hills, N. J., was reelected president of the Metropolitan Women's Golf Association yesterday.

Mrs. Caryl H. Sayre of Locust Valley, was reelected vice president and named tournament chairman.

Other officers elected at the annual convention are Mrs. E. M. Alexander of Bronxville, second vice president; Mrs. Joseph Nesbit of Rye, secretary and Mrs. David P. Kelly of West Orange, N. J., treasurer.

TD AWARD TO ZUPPKE

NEW YORK, (AP)—Bob Zuppke, who retired in 1941 after 29 years as University of Illinois football coach, received the Touchdown Club award as men who has made permanent contribution to football.

Frank Tubridy, City College of New York's head football coach, is the first Beaver gridder to become head mentor for his alma mater.

LEADING FIGURES in the satisfying gridiron performances Bellows High School's team turned in during the past season are shown above after the announcement of All-County selections this week. Coach Jack Fearon (right) heartily congratulated Don Anderson on the latter flankman's nomination to the first team while Ed Feldt, BHS quarterback, looks on. Feldt went through eight frays without having one of his passes intercepted, throwing ten of the eleven that Anderson hauled in touchdowns. The QB received honorable mention in the countywide poll.

YAFFA WAS TOP COUNTY SCORER

Richard (Dick) Yaffa, New Rochelle High's All-County halfback and this season's Most Valuable Player Award winner, was Westchester's 1949 grid scoring champion, according to final statistics compiled today.

Yaffa, who scored in seven of the Huguenots' eight games, tallied 14 touchdowns and one extra point for 85 points.

Trailing the New Rochelle speedster was Art Troilo, Harrison's versatile back, who registered 13 touchdowns for 78 points.

Don Anderson, Bellows High's pass-snaring end, scored 11 times and added a point after for 67, while Fran Galgano of North Tarrytown followed with 11 TDs for 66 points.

Rounding out the top five was George Fengler of Mamaroneck with 10 TDs and one conversion for 61 points.

Best of the county area scorers was Don Ciliotta of Mount St. Michael who had 10 touchdowns and two extra points for 62 markers.

Among other high point makers were Detroith Tyson of Tuckahoe, 55; Dom Festa of Elmsford, 54; Carl Ferraro of Roosevelt, 54; Al Staley of Scarsdale, 50; Floyd Gilham of Gorton, Boo Mosher of White Plains and Bernie Rizzo of Mount Saint Michael, 48. Reuben Hill of Ossining and Eddie Mathews of NYSD, 46, and John Avery of Ossining, 45.

Nat'l Match Bowling Title Event to Start

CHICAGO, (AP) — Strikes and spares will be the goal of 216 ten-pin stars tomorrow as 168 men and 48 women open the all-star national individual match bowling championships.

It will be the ninth straight year that male sharpshooters from all parts of the nation will take aim at the titles offered by the Chicago Tribune Charities Inc. and the Bowling Proprietors' Association of America. However, for the ladies it will be the first all-star tournament.

The twin tourneys will continue for nine days in the Northwest Armory, running through the men's final on Sunday night Dec. 11. The women's first national match game champions will be crowned next Thursday night.

The high 14 bowlers will join defending champion Connie Schwoegler of Madison, Wis., and Andy Vasilapas, the New York veteran who won the title in 1946 and 1947, for the match game finals.

POTTSVILLE, Pa. (AP)—The St. Louis Cardinals signed eighteen-year-old Jack Helper, who pitched 24 games without defeat and hit .569 in last two years in high school.

IONA COLLEGE FIVE IN ACTION TOMORROW

The highly-touted Iona College Gaels officially open their 1949-50 basketball season on its New Rochelle court tomorrow night against the insurrers at 8 o'clock.

Coach Jim McDermott's classy cagers, who walloped the Alumni, 76-30, in their season's preview last Friday, will line-up with five veterans.

Frank O'Shea and Mike Lawless will start at forward, Joe DeStanislai at center and Capt. John O'Hagen and Brian Murphy at guard. Coach McDermott intimated, however, that Al Tedesco may get the call at one of the guard slots in place of Murphy.

The Gaels have two games listed next week. On Wednesday they play host to Puerto Rico on the campus court, and on Friday they journey to Port Monmouth, Durning December they also meet Davis Elkins, Mount St. Mary, Adelphi and New Mexico.

Coach Andrew Wilkin's Iona College Freshmen who have booked an ambitious 27-game schedule, will perform in the preliminary tussles.

COUNTY MEN AT ALFRED

ALFRED — Five Westchesterites are candidates for the Alfred University freshman basketball team which opens a 13-game schedule against the U. of Buffalo Saturday. The five are Ralph Dimieco of Mount Kisco, Edward Stahl of Chappaqua, Frank Virtuoso from St. Mary's High of Yonkah. and Ernest Basso and John Castiglia of Harrison.

Local Gridders In PG Contests

Mamaroneck and Bellows High's will send football groups to the Polo Grounds Sunday to compete in some novel grid events at the home of the New York professional Giants. Relay races are on the program and also kicking and passing contests.

Coach Jack Fearon will enter Don Anderson, Panky Vitella, Bob Keegan and Ken Dellner in the 400 yard relay which requires each player to run the length of the gridiron once in full equipment. MHS mentor Harry Harrison plans to send George Fengler, Mike Bruno, Vic Piacente and Charlie Albert out after the honors in the same event.

Ed Feldt of Bellows will be entered in the kicking and passing contest and George Cheung of Mamaroneck will make a stab at the passing accuracy tests.

Most high schools in the metropolitan area will be represented in the events and all participants will watch the Giants' trade punts, passes and leg work with the NFL crown wearing Philadelphia Eagles.

Grid Sport Hard On Fans

BY HOWARD W. BLAKESLEE
Associated Press Science Editor

NEW YORK, (AP) — This years' major college football season was hardest on spectators than on players.

The score—20 spectators died of heart attacks. Player deaths 0.

And possibly the most important sign of all—two of three spectators dropped dead while looking on television. All the others either died at games or shortly after.

This is something for you to think about—if, and it's a big if, you are one of those persons with certain known heart weaknesses.

The facts about hearts and competition are taken from the New York Heart Association.

Some Statistics

First, statistics. About 450,000 Americans die annually of heart diseases. This Fall's heart deaths were among 20 million spectators. The spectators spent roughly one day of their lives at football games.

In that time, among 20 million the normal number of heart deaths would be about 170. But these spectators were a good cross-section of the American people.

They are not that kind of crosssection. They are mostly young. They are in a class where there are no fatal disease death statistics, but they don't die nearly so often.

Were the heart deaths at football mostly among older persons? The available reports do not fully answer this question, but indicate that older men were mostly the victims.

There is no possibility of finding out the percentage of older spectators and so statistics cannot tell you at what age to stop watching football.

Some Good Tips

But medical science has some good tips. First, what a football game does to your body. It does the same thing as getting angry, putting over a tough selling proposition, arguing fiercely or fighting or watching a fight or any stiff competition.

The effect is on your circulation, the flow of your blood. Your peripheral arteries contract a bit. These are the smallest of the arteries, the last ones to distribute blood before it goes into the veins *for its return to the heart.*

Drinking and eating and yelling along with games is an added hazard for bad hearts. And a special one is a blonde.

What can you do about it? This answer you are going to like.

Remember that you have a weak heart. Just think pretty often about relaxing and enjoying the spectating instead of quarterbacking it yourself.

Four X's, Luckies Cop Wins at St. Thomas's

The Four X's mangled the Gams and the Luckies rallied to trip the Derbyettes in American Club ladies bowling at St. Thomas's Alleys last night. The X's now hold a wide margin in the team race for seasonal supremacy.

Charlotte Schmidt and Esther Addleman both waited until their final games to roll 178 pins *and tie for the night's leading single.* The former was out in front in three game tallies with 472 toppled maples.

Spotlight On Sports

BY DICK CARPENTER

Generally speaking, we would say that the Sixth Annual Westchester Publishers All—County football poll's results were highly favorable and representative. Players from 40 of Westchester's 44 schools fielding 11-man grid teams received nominations and first different schools placed men on the first eleven. A. B. Davis was the only school to nab two of the dream team slots while Bellows, Harrison, Hastings, Pleasantville, White Plains, Scarsdale, Chappaqua and Ossining had one man each.

From the local angle: The land slide of Don Anderson as a first teamer, set a precedent as the initial Bellows boy to stand beside the cream of the county's crop. . . Eleven first team votes were cast for MHS's George Fengler and he just missed out on the second team with 85 total points. George might have made the top grade if the Tigers had at least scored against New Rochelle. . . . Dom Ianello, the Hilltop's sparkplug guard, drew the fifth highest number of first team ballots for guards. His choice to the third team was a pleasant surprise and a glowing tribute in his spirited play. . . There were seven localites who gathered up enough votes to make the Honorable Mention list, Mike Bruno, captain of MHS had 49 votes as an end, Ed Kaynes, muscular Bellows lineman who also played tailback on occasion, had 19 markers, Bruce Randall and Tony Datino of the Hilltop got 18 and 17 total votes, respectively, for their tackle efforts, Ed Feldt of the East End garnered 49 as 17 different voters mentioned him. Vic Piacente, Bengal plunger accounted for 25, and Lou Ianello, senior quarterback earned 15 points. Lou was on the 1948 honorable mention list, but as a center.

There were other Panthers and Tigers whom scribes and coaches thought enough of to submit their names but did not accumulate more than 10 points. They were George Cheung, end, Dick Koch, takcle, Bonnie Pauls, center, Lou DiNuzza, tackle, all of Mamaroneck High, with Ken Dellner, end, Julius Trimarchi, center, and Bob Keegan, ball carrier, representing the Bellows trio.

We would like to hereby single out two of the boys who we consider to be on a par with any Westchester gridder you can name, They are Feldt and Rigano.

Rigano was undoubtedly the outstanding defensive player that Coach Harry Harrison had to work with this year. Converted from a center into a quarterback because of the scarcity of same at the Hilltop, Lou left nothing to be desired as far as his line backing was concerned. We personally think that he had no peer as a tackler this season. However, his passing and ball handling were ragged and the MHS coach was often forced to replace him on offense. It was this lack of experience at his position that probably kept him off the first three All-County elevens. We often bench-jokeyed Lou from behind the typewriter but never for a moment did we fail to respect his ability.

A complete summation of Feldt's attributes is unnecessary but it is interesting to note that the panthers field general did not have even one of his 1949 passes intercepted. His punting average was above the 40 yards—per mark.

Both of these signal callers have played their final scholastic games and it goes without saying that they will be sorely missed when the pigskins are brought out next year.

GAEL'S CAMPAIGN STARTS TONIGHT

The Mamaroneck Gaels ring in the local independent basketball campaign tonight at Mamaroneck Avenue School and White Plains Townsaints will try to make things unbearable for the quintet which won the Recreation League championship here last season. The center jump will get things under way at 8:15 o'clock sharp.

The Gaels will open with a tall, smooth functioning five of Playing-Captain Gil Allen and Tinker Lord at the forwards, Albie Mitchelle at center, with Al Pullian and Horace Brittain at the guard slots. All except Brittain are veteran members of the Gael AC. Allen and Lord figure to be the big scorers.

In reserve the Mamaroneck team has Rochester "Pint" Murray, Cleve Montaro, Dimbo Olewart, Percy Potter and Wes Keeler. All of these athletes are deem in court savvy.

Tony Walker, well known local athlete has been engaged to do the whistle tootin' (refereeing) for the Gaels home tilts this year. . . The Gaels' new Purple and Gold uniform will start their initial test tonight. . . Sunday evening the locals travel to Yonkers engaging the Brown Bombers at CYO Hall on South Broadway. That one starts at 8:30 P. M. . . . Next Friday's opponent at M.A.S. court will be Harrison's Orioles.

Tonight's probable lineups:

GAELS		WHITE PLAINS

PRAYER FOR TODAY—Grant me, dear God, the assurance and reassurance that You are near me. In this confident faith, may I ever love mercy, do justly and walk humbly with You. I lift my heart and mind in prayer—for self, for family, for community, for state and nation, and for a world which so very much needs Your celestial ministration for fellowship and peace.

HOW TIMES HAVE CHANGED

TIME was, remember, when the Democrats had to stand on street corners with tin cups and pencils to sell, in order to raise their campaign funds. But now it's different. Now it's the Republicans who, in tatters and rags, knock timidly on the kitchen door and ask, please, mum, for a handout.

Take, for example, last night. More than 3,500 more or less deserving Democrats gathered at the world's most famed hostelry, the Waldorf Astoria in New York City, to listen to pearls of wisdom dropped from the lips of the nation's most publicized Benedict, the Honorable Alben William Barkley of Kentucky.

Price of tickets was $100 each. And we are gratified to note that more than a score of Westchester's leaders of the Democratic Farty were able to meet the admission charge.

By contrast, what about the Republicans?

They plan for Lincoln Day next year—of all things—a box supper. The price of admission—$1. That's right, just one measly buck!

My, oh my, how times have changed in this grand and glorious nation!

WESTCHESTER'S CLIMATE

IT WAS on Dec. 26, 1947, the day after Christmas, that an official 26 inches of snow descended upon Westchester. In many parts of the County the precipitation was heavier and drifts built up corner windows of several times that depth.

Or, we can go back in the official records to Feb. 9, 1934, when the temperature fell to 14 below zero.

Now, with Winter just ahead, we recall these extremes and some of the more elderly of us look ahead with dread. Just as next Summer we will look back with apprehension as to repetition to the 1949 Summer of heat and aridity.

No, Westchester cannot, honestly, compete with Southern California or Florida. But it's our climate and for what it is, we like it. After all, who would like to know exactly what each day will bring forth?

Whether it's drought or snow, heat or sleet, we must just grin and bear it. But, we hope that during the next few months it won't be a frozen grin.

A GOOD FIRST MONTH

REPORTS from Westchester County Airport are that the first full month's operation into and out of that field by American Airlines on its upstate flights have been completely satisfactory.

Almost 300 passengers were carried during the month. Excluding weekends when the flights do not run and one or two cancellations, this averages around 16 passengers daily, well worth the stop from a standpoint of economy and service. Also, it is pleasing to note an increased amount of cargo being carried to and from Westchester points.

Significant, we think, is the large number of requests made to the airport as to when American Airlines will put the Westchester stop on its Boston-Washington run. When Westchester was placed on the New York City-Buffalo flight, there was a tentative understanding that if this paid off AA would apply to the Civil Aeronautic Authority for permission to make a Westchester stop also on the Boston-Washington run.

It is our surmise that even larger revenues would accrue from the latter service. And we trust it may not be long before this, too has been added to the airline's schedule and to Westchester's travel facilities.

St. Francis' Relic Arm To be Seen at Maryknoll

OSSINING — One of the most venerated relics of the Roman Catholic Church, the arm of St. Francis Xavier, will be brought to Ossining today for display and services at Maryknoll Seminary.

St. Francis Xavier was credited with converting half a million heathens in the Far East during the 16th Century.

The relic, usually kept in Spain where the St. Francis was born, was taken to Japan last year to celebrate the anniversary of his arrival in that country.

After the services at Maryknoll, it will be taken to the Jesuit House of Study in Poughkeepsie, and thence returned to Spain.

CONWAY REELECTED

ALBANY, (AP) — J. Edward Conway of Kingston has been re-elected to the presidency of the State Civil Service Commission for a second six-year term.

Pelham Man Accused In New York Accident

NEW YORK—Arthur Seymour, 37, of 120 Highbrook Avenue, Pelham, has been named in an information filed in Special Sessions Court here by District Attorney Frank S. Hogan. Charged with driving while intoxicated and leaving the scene of an accident, he will be arraigned for pleading Monday.

Seymour's car and another collided at 23rd Street and Fourth Avenue, Manhattan, at 5:15 A. M. Oct. 6, according to police. The Pelham man allegedly failed to stop to report the accident.

ASSESSOR AIDE NAMED

ALBANY, (AP) — Edmund B. McGranagnan of Olean today was appointed principal local assessment examiner for the State Board of Equalization and Assessment. He will confer with local officials throughout the state on the board's real estate appraisal work.

The Counselor

PARKWAY GUARDIANS

Question: Would you give me any information about the Westchester Parkway Police? I would like to know the qualifications and when the tests are given.

S. S.

Answer: Notices of the dates for these tests appear in the newspapers and are also posted in public buildings. To qualify for this service you must be between the ages of twenty-one to twenty-nine inclusive. You must be a high school graduate or the "acceptable equivalent in training and experience."

HALL OF FAME

Question: When will new selections be made for the Hall of Fame on the campus of New York University? Who choses the new names? Will you list the members who have been inscribed in this Hall?

A Student

Answer: New names for the Hall of Fame will be chosen in October, 1950. Selections are made every five years by 100 American men and women representing each state of the union and several professions. This committee is known as the College of Electors. There are present 77 men and women who have received this honor. Obviously they are too numerous to mention, so if you desire a list, send a stamped, self-addressed envelope.

BEFORE EXAM

Question: How long does an accountant work as an assistant in New York before he can take an examination for his CPA? Also I would like to know if the parents of the bride pay for the wedding pictures? We have had a discussion about this and want to know who is right.

P. C.

Answer: To become a certified public accountant in this state, it is necessary to have had a four-year course at a school of accounting or a degree from a college accredited by the state for CPA preparation. You must then work for three years in accounting and related fields. After this training period, you may apply for the state examination in accounting.

The parents of the bride pay for the wedding pictures.

LIBRARY ASSOCIATION

Question: is there any place in the county where one can find out what libraries have a certain book?

H. B. S.

Answer: The Westchester Library Association, Room 906, County Office Building, White Plains, supplies information as to the location of books in libraries throughout the county. Write or call them for this information.

More Student Nurses Enrolled, State Says

ALBANY, (AP) — The State Mental Hygiene Department reports a record enrollment of 500 students, including 154 men, this Fall at its 18 schools of nursing.

The total represents a boost of 208 over the number enrolled in 1946 for the first post-war classes. Of the 152 students in 1946, less than a third were men.

Miss Lillian V. Salsman, director of nursing services of the Mental Hygiene Department, said she believed that experiences in theaters of war were responsible for the "present widespread recognition of nursing as a career for men."

Eighty-three of the men and two of the women registered this year are veterans.

MAY NAME SENATOR

HARTFORD, Conn., (AP) — Governor Chester Bowles has called a news conference for Monday morning. Capitol observers expect him to announce then his choice for the U. S. Senate seat being vacated this month by Republican Ramond E. Baldwin. Reports have circulated in recent weeks that Bowles intends to give the appointment to his former advertising partner, William Benton of Southport.

Col. Joe Bush Says:

We've read all the ads and we are still confused. Just exactly what is the difference between "Afternoon Stubble" and "Television Beard" and "Five O'Clock Shadow?" Near as we can tell each of 'em is 'somethin' you get if you use any other kind of razor.

Another thing bothers us, too. We can't make up our mind whether we've got "Cigaret Hangover" or "Sandpaper Throat" or just plain "Buzz-saw Cough." We smoke all brands—whatever kind is offered us—just like we can drink any given amount.

Seems like the only thing these days that's all it's cracked up to be is the atom bomb!

When the boss gets a raise, he passes out cigars: and when his secretary gets a raise, she passes out the chocolates; but when the janitor gets a raise, he just passes out.

Remember away back in August when we wanted rain? And when it come yesterday, everybody who was goin' shoppin' complained about it. You just can't please 'em all. If it snowed dollar bills, somebody would frown because they cluttered up his lawn.

Beverage

***Hamburger and Mushroom Scramble**

2 tablespoons fat
1 medium-sized onion finely diced
1 pound chuck beef (ground)
1 teaspoon tarragon vinegar
2 tablespoons flour
1 three-ounce can broiled whole mushrooms
milk
1 1-2 teaspoons salt (about)
freshly ground pepper (to taste)

Melt the fat in a 10-inch (approximately) skillet; add the onion and cook over low heat for about five minutes, stirring frequently. Add the beef and crumble with a mixing fork or spoon over moderate heat until no redness remains. Sprinkle with vinegar and flour, and remove from heat. Drain liquid from mushrooms into a measuring cup and add enough milk to make one cup; add to skillet along with mushrooms. Cook over moderate heat stirring constantly, until sauce thickens and bubbles; add salt and pepper to taste and allow to bubble for a few minutes. Makes four servings.

BARCLAY ON BRIDGE

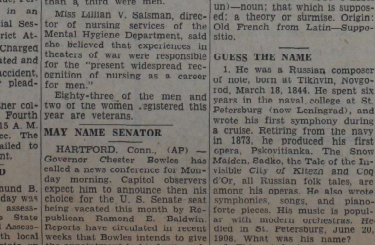
"The Authority on Authorities"

DEFENSE CAN ADD TOO

MOST players know enough to add up the tricks available in the several suits when planning play of their own No Trump contracts. But many of these do not apply the same principle to their work on the defense. Figuring out just what tricks may be available here and there can be the key to their problem.



(Dealer: South. North-South vulnerable.)

South	West	North	East
1 NT	Dbl		

East made a business pass of that double in the hope of slaughtering his vulnerable opponent.

West made his natural lead, the heart 6, which the Q won. South put forth the diamond K to the A and the spade 7 was returned. South played low and the Q won. West scored the heart K and A, then led the 3 to the 10. Three diamond tricks were followed by the spade K to the A. Declarer now had five tricks and his other needed two were sure with the spade J and club A, no matter what East did.

The chief culprit here was West, who was too lasy to count and add. *When his spade Q won,* he should have reckoned that South already had one heart trick, was sure to get three in diamonds, certainly could take one in spades and was bound to have the club A. Totaling those would make six, and if West played so as to build another heart trick the declarer would have seven for his contract.

Reckoning that way would have shown West that the only hope lay in the club suit. If he had returned a club then, the contract would have been set two, with two in spades, three in clubs, two in hearts and one in diamonds *for a better score than the notvulnerable 4-Spades* which one pair made.

* * *

Your Week-End Question

If you have the 10-8-3 of a suit in dummy, opposite the K-Q-2, and enough dummy entries to lead it twice, what card should be led first in an effort to get two tricks? Why?

9 Camp Fire Girls Decorate Library Room

Christmas decorations, the work of the Wi-ta-wen-tin Camp Fire Girls of Larchmont, abound in the Children's Room of the Larchmont Public Library where a Christmas tree, gift of the Garden Club of Larchmont, has been trimmed entirely with articles made by the group of ten year olds.

"Peace on Earth" is portrayed on the window shelf, with a scene featuring a small tree surrounded by United Nation gifts. Santa's sleigh filled with additional gifts, and miniature Camp Fire Girls and their Winter camp.

Crepe paper icicles have been used against a green background throughout the room, with Santa Claus masks, polar bears, a penguin and an elephant as decorative accessories.

Other Christmas tree decorations fashioned by the group are strings of paper dolls in Camp Fire Girls blue skirts and red ties, cornucopias, painted pine cones, decorated flash bulbs and tin can covers, pop-corn strings, lanterns, fancy dolls and cotton Santa Claus figures.

Members of the Wi-ta-wen-tin Camp Fire Girls group responsible for the library decorations are Susie Allman, Judy Andersen, Judy Brewer, Catherine Guglielmo, Judy Horkheimer, Nancy Irwin, Eva Razdowitz, Marilyn Smith and Cynthia Wright.

DECORATING the Christmas tree in the Children's Room of the Larchmont Public Library are three members of the Wi-ta-wen-tin Camp Fire Girls, left to right, Judy Horkheimer, Eva Razdowitz and Cynthia Wright. The group of nine ten-year-olds have trimmed the tree and decorated the room in readiness for the holiday season. —Staff Photo

Parents Assist At Open House In Junior High

The third in the series of Friday evening open house parties held under the sponsorship of the Parent-Teacher Association, was given last night at Mamaroneck Junior High School.

Mrs. James Broderick and Mrs. William C. Johnson planned the evening's program of entertainment, and supervised the activities assisted by a group of student committee members.

Joseph De Marco, substitute chairman, was assisted by a committee composed of David Pierce, Salvatore Porcito, Nino Maccrone, George Hampton, Joey Datino, Gail Seidel, Helen Kametta, Bill Perley, Eugene Ruzza and John Anderson.

Parents assisting included Mr. and Mrs. George Hampton, who staffed the coke bar; Mrs. Harold Klein and Mrs. Thomas Jaleski, game room; Randolph Rose, gymnasium activities, and Mrs. James F. Hayes, Mrs. Arthur Robinson and Mrs. Leonard Elion, who directed dancing in the Music Room.

Albert Earl, faculty member was in charge of supervising ping pong in the main hall of the building.

The next open house is scheduled for Dec. 16.

TRI DELTAS of the Westchester Alliance are pictured at their Christmas party yesterday at the home of Mrs. W. B. McConnell, 70 Hickory Grove Drive, Larchmont. There were 23 members present, exchanging holiday gifts and singing Christmas carols. Assisting the hostess were Larchmont members shown above, left to right, Mrs. R. P. Denig, Mrs. McConnell and Mrs. James L. Atherton. Seated at the tea table is Mrs. George E. Petley, president of the Westchester Alliance of Delta Delta Delta, also of Larchmont. Farmers Move Next Week To Florida Home

Mr. and Mrs. Thomas Farmer of 9 Cedar Avenue, Larchmont, formerly residents for seven years of Larchmont Acres, will leave next week to make their home in Deerfield Beach, Fla.

Mr. and Mrs. Farmer came to Mamaroneck 22 years ago, when they built the first house on Edgewater Point after D. W. Griffith's movie producer, sold the property.

During their residence here, Mr. Farmer was a candidate for mayor and supervisor of the Town of Mamaroneck, and with his wife was active for 18 years in the Fenimore Players, Inc. Mrs. Farmer served as the first president of the League of Women Voters of Mamaroneck, and is a past president of the Garden Club of Mamaroneck.

They were guests Thursday evening at a farewell dinner party given by Mr. and Mrs. S. Charles Hanna and their son, Robert Hanna, at the Washington Arms, Mamaroneck.

En route to Florida, Mr. and Mrs. Farmer will be overnight guests of Mr. and Mrs. William Von Bernuth of Washington, D. C., formerly of Rushmore Avenue, Mamaroneck.

Water Problem Is Federation's Next Project

BRONXVILLE — Elimination of water pollution in this county was unanimously decided upon yesterday by the Westchester Federation of Women's Clubs as their project for the coming year.

During the all-day meeting held at the Hotel Gramatan, Mrs. Sander Marcus of Ossining, health and welfare chairman, reported on the pollution problem. The Federation plans to get a film about pollution to the clubs and also will obtain speakers for them.

Mrs. Margaret Gerath Davis of New Rochelle, second vice president in charge of programs, reported on the Jan. 27 conference which will feature club institutes, and an international roundtable at which Chester A. Williams, U. S. representative to the United Nations will speak, and round tables on publications and education. Mrs. J. Blair Moore will speak in the afternoon session on "Understanding is the Road to Peace." Chinese baritone Yi Kwei-sze, will sing.

Mrs. Edward F. Elwood, president, conducted the meeting.

Audience-Jurors Give Verdict At Thespians' Courtroom Trial

The Mamaroneck High School Thespian Troupe 534 turned its efforts last night to suspense melodrama, with Ayn Rand's murder trial play, based on the famed Ivar Kreuger myth, "Night of January 16th". The Thespians emerged victorious, another success to their credit.

Within the brief rehearsal space of four weeks, director John Corfield, his cast and production crews, achieved a remarkably polished performance, marked by a sustained tempo and smooth delivery of lines.

The panel of 12 jurors, drawn from the audience, returned a verdict of not guilty for Karen Andre, on trial for her life as the murderess of her ruthless financier-employer, the same verdict overwhelmingly returned by audience-jurors during the play's long Broadway run of some years ago.

The cast of Thespian members and non-members alike was uniformly good, and the entire production, staged under the auspices of the Speech Arts Department, conformed to the workmanlike standards of the school.

Michael Zeller as the earnest defense attorney made a fine foil for his opponent, the eloquent district attorney, played with a theatrical flair by Michael Severin. Versatile Gina Guttmann, who appeared in last month's all-school comedy as weird Aunt Harriett in "The Man Who Came to Dinner," gave a restrained portrayal of proud Karen Andre, the accused murderess, exhibiting a perceptible change in physical appearance and demeanor between the end of Act Two and the begining of Act Three, following her shocked discovery of the actual death of Bjorn Faulkner.

The role of dignified Judge William Heath, presiding in Superior Court of New York, was played by Malcolm Hepworth, as sober a judge as ever charged a jury, comfortably at home in the courtroom setting designed by Miss Frances Rentchler, and remaining in character throughout.

The light comic touch was provided through the testimony of Magda Svenson, voluble Swedish housekeeper, stolidly played by Jane Anne Hughes with a superb accent; of dapper Larry Reagan, the gangster, played with casual aplomb by Ed Borschow; convincingly Irish Mrs. Michael O'Grady, cheerfully portrayed by Betsy Allen; and Roberta Van Rensselaer, nee Ruby O'Toole, portrayed by Carol Posner who did a good job as a brazen showgirl.

Another excellent characterization was that of Peter Grimm in the role of the hysterical Sigurd Jungquist, who also exhibited a genuine Scandinavian accent.

Jean Durling made a beautiful blonde young widow, appealing and lovely to look at in her quietly emotional role. Her important and doting father, the great John Graham Whitfield, was competently played by Merrill Compton.

Realistic testimony and portrayals were given by Ann Merritt as a Police Department handwriting expert, Andrew Kazdin, an insouciant investigator, Curtis Nelson as Dr. Kirkland and Steve Gibbons, a policeman.

Michael Tienken appeared as clerk of the court, Ted Riegel as the bailiff, Ellen Roach, prison matron, Adair Warren and Connie Brew as the secretaries for the two lawyers, and Judy Clark, court stenographer. Richard Hilbert, Thomas Moorhead and David Meadow lent an authentic air to the grim courtroom proceedings as policemen.

The construction of "Night of January 16th" built up through testimony so that the evidence of the defendant's guilt or innocence is evenly balanced, makes it an exciting theater experience, and the Thespians did well by it.

The Broadway theater production technique was faithfully followed, with witnesses seated in the audience before being called to testify, and the third act spotlight flashback sequence well handled during the jury's time out.

The production staff for the Speech Arts Department is composed of Miss Maud Devereux and Miss Rentchler, stage design; Miss Edith Sirles, properties; Mrs. Edith Annis and William Howell, business; Miss Dorothy Bachelier, costumes; Miss Marjorie Wheaton, make up; Mrs. Frances Linden, ushers; Miss Jean Erdoss and Robert Hanna, director; Mr. Corfield, Thespian sponsor, and Michael Trippico, electrician and technician. Miss Thelma Englander was student director.

Committees numbering more than 40 students assisted with details of production.

Several hundred students attended a juke box dance in the school cafeteria following the performance, sponsored by the Forum Club in honor of the cast.

Woman's Club Hears Speakers At Programs Of 3 Departments

Life among the peoples of Arabia was the subject of a talk entitled "The Arabs As I Know Them" given yesterday by Mrs. Noran G. Twitchell of Byram River, Conn., for the international Relations Department of the Woman's Club of Larchmont during the December Department Day program at the Larchmont Avenue Church house.

Mrs. Twitchell, introduced by Mrs. Henry P. Truesdell, chairman, noted the great lack of sufficient medical care in Arabia in her discussion of methods of bathing, dining, dressing and sanitation. She described her visit to the wife of the Prince, who was especially interested in the dresses and hats worn by Western women.

Relating her first visit to Arabia, Mrs. Twitchell noted that at dinners, she was served first, contrary to the usual custom of the country where women are trained to "stay in the background."

The speaker displayed many articles of Arabian clothing including a gown presented by King Ibn Saud and a belt and dagger similar to those worn by the soldier escort assigned by the King to accompany her during her stay in Arabia.

Feature of the American Home Department's presentation, under the chairmanship of Mrs. Henry M. Shields, was a cooking school. Miss Alice Harris of the Consumer's Service Department of the General Baking Company discussed "Well-Bred Menus", demonstrating ways to use bread in conjunction with the holiday season. Members attending received miniature loaves of bread as souvenirs.

The value of volunteer services to the 371 health, welfare and recreation agencies in Westchester County, and the many services available to residents were emphasized in a talk for the Civics Department by Miss Lillian A. Quinn, executive secretary, Westchester County Council of Social Agencies.

Miss Quinn, introduced by Mrs. Arno R. Kassander, department chairman, spoke of the privately and tax supported agencies, which, she said, without overlapping have grown up in answer to the needs of the people.

The speaker pointed out that social work as it is known today, began in the churches, such as the Dutch Reformed Church in the United States. She said that many children's homes and hospitals were originally founded by churches.

Miss Quinn traced the history of the prevention of child delinquency from 1716 to the establishment in 1924 of the Children's Court, through the efforts of Westchester women. She told members that the court was the pattern for a present mandatory statute of the State of New York requiring a Children's Court.

She pointed out that the Community Chest collects money for the voluntary agency, with public agencies supported by taxes, and called attention to the Jennie Clarkson Home and other privately supported institutions.

Miss Quinn spoke of the County Department of Family and Child Welfare, which is tax-supported, and told members that early in the history of Westchester, there was a supervisor of the poor in charge of an institution for care of the county's poor.

The department has charge of Grasslands with its many departments, the County Home for the Aged, and the Penitentiary, which are "well developed and specialized." Miss Quinn said, adding that, beginning in January, family and child welfare will be "completely centralized on the county level."

The "excellent resources" of Grasslands Hospital were outlined by the speaker, who said that the hospital is the only resource for persons with certain types of illness, which no private hospital will care for.

Miss Quinn mentioned the "good care and excellent staff at Grasslands," where, she said, patients pay what they can, up to the total cost of their care. She cited the Grasslands TB pavilion and psychiatric division as the only places in the County where such patients can be cared for.

The speaker placed emphasis on the "tremendous value of the work of volunteers" in the various departments of the hospital, stating that a staff member is in charge of the volunteer program because of its vast scope.

The Visiting Nurse Association of Larchmont is one of 16 such local agencies, which supplement hospital service, she said, adding that "it is desirable that each of these coordinate with the County Health Department."

Miss Quinn listed the health education organizations, including the TB and Cancer Associations, Infantile Paralysis and Cerebral Palsy Committee. The County Department of Health works with these private agencies, she told members, and includes in its field, nursing and sanitation services, and mental health clinics, a recent pioneering program.

Included in the field work of the Department of Family and Child Welfare, she pointed out, is the care of the aged in homes, which are "perhaps denominational." She stated that even the County Home is receiving requests for placement of elderly persons, who are able and willing to pay the cost rate, and in other cases, old age assistance is paid individuals in boarding homes.

In conclusion, Miss Quinn told members that the Westchester County Council of Social Agencies was formed about 25 years ago, when the many agencies in the County felt the need for cooperation and the advantages of pooling information.

She pointed out that through this pooling of information and experience, two services such as the Cerebral Palsy Clinic and Mobility, Inc., for the care restraint

MHS Students Appear In All-State Concert

Nineteen Mamaroneck High School students will participate in the All-State concert to be held Dec. 10 at the County Center, White Plains. Appearing with the chorus of 325 voices in the choir are Peggy Anderson, Fredericka Auchincloss, Sandra Croll, Mary Jane Fritzinger, Gina Guttmann, Arlita Holt, Jane Ann Hughes, Richard Land, Eleanor Le Vine, Judy McAvity, Anne Mayrose, Gordon Nichols, Vincent Reid, Sandra Rubin, Jerry Schiller, Michael Severin and Phyllis Yeomans.

Students participating in the band performance are Sara Jane Fehr, Ronald Marino and Kemp Kolb. The concert is under the auspices of the New York State School Music Association.

Sixth Graders Visit Port Chester Bakery

Miss Josephine Migliaccio's sixth grade class at the Mamaroneck Avenue School visited the Arnold Bakery in Port Chester yesterday, accompanied by Mrs. Rocco Migliaccio and Mrs. Bruce Johnson of the Parent-Teacher Association. Following a guided tour, and explanation of the various processes of bread making, pupils were given samples of the finished product.

ON STUDENT COUNCIL

Miss Denise Velon, daughter of Mr. and Mrs. Henri Velon of 912 Orienta Avenue, Mamaroneck is a student council member at the Packard School, New York City, where she is a member of the Eating and Art Clubs and the newspaper staff. An alumna of Pelham Memorial High School, Miss Velon is enrolled in the secretarial course at Packard.

TOY TEA MONDAY

The annual "Toy Tea" which benefits the New Rochelle Thrift Shop will be held Monday at the meeting of the New Rochelle League for Service at 2:30 P. M. in the solarium. The Professional group will have its tea Monday night, and the Provisionals, Tuesday in the solarium.

Mrs. Lashley New Secretary Of Ladies Guild

Mrs. James Lashley was appointed secretary of the Ladies Guild of Holy Trinity last night by Mrs. Francis P. McGeough, who conducted a business meeting in the auditorium of Holy Trinity School.

Mrs. Lashley will fill the unexpired term of Mrs. Alice Brownrigg, who has moved to Florida.

Plans were discussed for a card party to be held in January, with final arrangements to be announced at the January meeting. No social meeting will be held this month.

Refreshments were served under the direction of Mrs. Louis Testa with Christmas decorations featured at the tea table. Mrs. George Milliott and Mrs. Frederick Krause played piano selections, with members participating in group singing.

Combing The Town

No Name-Calling

The 50 spectators who watched Phi Delta trim the football stalwarts of Phi Zeta 25-0 in a football game at Flint Park, Larchmont, Saturday, couldn't insult the losers by impugning their masculinity as fans sometimes do after gridiron tussles. For the two elevens which battled for more than an hour were, quite proud of the fact that they played like a bunch of girls, which, in fact, they were.

It was the annual gridiron meeting of two sororities, composed of students who attend Mamaroneck Senior High School.

The winners' touchdowns were scored by Sharon Kelly, Sue Van Noppen, Carol Lightfoot and Jane Mauer. Referee was Fred Lightfoot.

Dinner Canceled

Mamaroneck's business community seems to be so busy with Christmas trade this year that the Chamber of Commerce has announced the cancellation of the annual Christmas dinner party scheduled for tomorrow evening.

Arthur Dunn Jr., executive secretary of the Chamber, said this morning that so few merchants have indicated that they would be present, that it was decided to cancel the party and possibly hold an affair early in the year.

The membership has been notified of the change and checks to those who made reservations have already been returned. A definite announcement will be made of future plans following the next meeting of the Board of Directors.

At Principals' Parley

Joseph C. McLain, principal of Mamaroneck High School, left yesterday for Syracuse to attend the 65th annual convention of the New York State Association of Secondary School Principals. Mr. McLain is a past president of the association.

Guest speaker tonight at the annual banquet at the Hotel Onondaga will be Governor Luther Youngdahl of Minnesota. Theme of the convention is "Education for Home and Family Living."

Mr. McLain expects to return in time for tomorrow night's annual MHS sports dinner.

Officials Return

Mayor B. J. Santoro and Trustee John Withers returned Saturday from Cleveland, where they attended the three-day annual conference of the American Municipal Association.

Purpose and main business of the conference, attended by nearly 500 mayors and other municipal officials, was to decide national policy concerning critical problems U. S. Municipalities face in common. These range from financing streets to controlling syndicated crime.

Kept Awake

Flag-waving may be all right by day, one Chatsworth Gardens resident told the town office Saturday morning, but at night when the flags are down a guy should be able to get a little sleep.

He was kept awake all night, he said, by the slap-slapping of the cables against the flag-pole near in the park between Murray Avenue and Myrtle Boulevard.

Fall Injures Resident

While taking out the garbage at his home Saturday afternoon Saunders Smith, forty-three, of 423 Center Avenue, Mamaroneck, tripped and tumbled down a flight of stairs, severely cutting his face as he landed on broken glass in the garbage.

Taken to United Hospital by Mamaroneck police, he received 30 stitches to close the wounds. The hospital reported this morning that Mr. Smith is being examined for a possible fracture of the knee.

Built To Fly-- Flies Too High

A model airplane that really flies is an achievement, but you don't want to make one that flies too well or maybe you won't have it any more.

At least that's what happened to a rubber-band model turned out by a young resident of Oakhurst Road, Mamaroneck, yesterday.

The rubber band was wound up tight, the craft held aloft, the prop released, and then with a slight shove, the ship headed for the blue — and kept on going.

It went about 50 feet into the air, banked around the side of the house, banked around the front, flew down the street and finally crash landed in a hedge two houses away.

A witness to the crash waited for the "pilot" to appear, but saw no one, since the pilot still didn't know where his airplane had landed. So the witness salvaged the plane, found it still in good flying order, wound it up and headed it back where it had seemed to come from.

The ship soared for the blue again, but this time ran afoul of an aerial on a passing automobile, stalled, went into a spin and smacked into the street.

A puppy was passing by. He took one good pounce, a wrench and a jerk.

The heartbroken owner arrived on the scene just in time to see his airplane reduced to a few shreds of paper and bamboo.

INFLATION PERIL STIRS WARNINGS IN U. S. CAPITAL

Economic Signs, However, Seen As Discounting Immediate Danger

By STERLING F. Green
Associated Press Staff

WASHINGTON — Warnings of inflation are fluttering again in the Capital, but most of the economic lookouts discount any immediate peril. They see fairly steady, prosperous sailing throughout 1950.

President Truman is not expected to revive his demands of a year ago for drastic "stand by" anti-inflation powers. This is despite the rise in credit to new peaks, the firming of prices, and the Fall improvement in business and employment.

Government economists and some private experts report the revival of an "inflationary potential." They base the report mainly on heavy in-the-red spending by the government and on the new round of wage and pension increases.

Few Expect Big Price Rises

Yet few of them expect a major price whirl in the next 12 months. The "disinflation" is not over for some important industries. Many economists believe the long-range hazard is deflation.

A consensus of the forecasts might boil down to this:

That 1950 will be another year of high income and high production, on a level of prosperity not too unlike 1949 and not far below record-smashing 1948.

Inflation warnings have been uttered by two bank presidents

NATIONALS FLEE CHENGTU CAPITAL

Officials Assemble at 2 A. M. For Flight As Reds Approach

HONG KONG, (AP) — Evacuation of the new Chinese Nationalist capital at Chengtu, 170 miles northwest of Red occupied Chungking, apparently began today.

A special dispatch to the newspaper Sing Tao Man Po said government officials assembled at the Chengtu Airport at 2 A. M. for air transport to Formosa, Island fortress 100 miles off the South Central China coast.

Planes belonging to retired U. S. Maj. Gen. Claire Chennault have been chartered by the Nationalist government for the air lift, the report said.

Communist troops of Gen. Liu Po-cheng rolled on toward Chengtu after taking Chungking, the provisional capital only last Wednesday. Chengtu became the Nationalist capital then.

Reports to Sing Tao Man Po said the Reds were making good progress toward Chengtu, which lies in a basin a few miles from the Sikang Province border.

Nationalist Gen. Hu Tsung-nan hurriedly had brought up troops for the defense of Chengtu. Defense lines were established 30 and 90 miles outside of the provisional capital.

This rapid development in the Chinese Civil war came only a few hours after Generalissimo Chiang Kai-shek, Nationalist leader, said the government would fight on against the Communists despite defeat on all sides.

At about the time Cilang granted an exclusive interview to Spencer Moosa, Associated Press correspondent in Chengtu, acting Nationalist President Li Tsung-jen left Hong Kong by plane for the United States. Li had been in a

Paper's Three Photographers Win Awards In AP Contest

Three photographers employed by The Daily Times and The Standard-Star in New Rochelle have won prizes in the 1949 New York State Associated Press newspaper photo contests, it was announced today at Albany when the list of awards was made public.

John Marrone received two second prizes and Dante Raffaeli captured a third prize. Warren Inglese was awarded an honorable mention.

Marrone was awarded second prize in the small paper classification for his feature photo, "Cat-Nip" and second prize in the sports section for his picture, "Miss Personality." Dante J. Raffaeli, also of the Standard-Star, won a third prize for his photo, "Still Goal to Go."

Mr. Inglese was given mention for "A Pair of Deuces."

Charles Hoff of the New York Daily News won "Best of Show" for his boxing picture, "Ouch!" The same picture was judged best in the sports competition among large newspapers, earning $100 for Mr. Hoff.

The contest, involving 360 photos, was preliminary to the annual meeting today of the New York State Associated Press Association composed of about 80 AP member newspapers in the state. More than 75 newspaper executives attended the one-daysession.

Judges of the photo contest were Professor Wesley Clark of the Syracuse University School of Journalism, Dr. I. M. Richter, Albany amateur photographer, and J. Winton Lemen of the Eastman Kodak Co. Second place winners in each classification received $25.

STEEL INDUSTRY SEES PRICE RISE

Increases Are Due Soon, Spokesman Says—Materials, Labor Go Up

PITTSBURGH, (AP) — Some steel prices almost certainly will increase soon, says an industry spokesman.

The spokesman, who asked that his name not be used, declared increasing labor and material costs are rising. He added all steel companies are surveying the situation with an eye to price adjustments.

"It may not be a general increase but it is almost certain in my mind that some adjustments will be necessary on some lines," the spokesman declared.

His remarks came on the heels of a statement from the head of the nation's fourth largest steel producer which left little doubt consumers ultimately will pay more for steel.

He declared that production costs are rising. Adm. Ben Moreell, chairman of the board and president of Jones and Laughlin Steel Corp. declared:

"It becomes crystal clear that the increased costs for raw materials, for services and for labor which are now being imposed on us, must be balanced by corresponding increases in prices."

Then, Moreell added: "We in

HIT-RUN DRIVER PAYS $25 FINE

Connolly Skids Into Parked Auto In Greenwich, Apprehended Here

James A. Connolly, eighteen, of 17 Forest Park Avenue, Larchmont, was booked for leaving the scene of an accident yesterday at 12:40 P. M. after he lost control of his car on Prospect Street, Greenwich, and rammed a parked car owned by Mary Howell of Stamford. The car suffered minor damages.

Connolly left the scene of the crash, police charge, and was later picked up at his home and taken to headquarters. He pleaded Guilty in Greenwich Town Court this morning and was fined $50 by Judge Richard T. Davis. $25 of the fine was remitted.

Connolly declared that while driving south on Prospect Street his car skidded on the ice, resulting from a broken water main, and continued to skid as it hit dry pavement, plunging into the Howell car. He continued four feet and damaged a fence on the property of Mrs. Elizabeth Kiernan of 27 Prospect Street, Greenwich.

FLAG DISPLAY URGED DURING LEGION WEEK

Mayor B. J. Santoro has set aside this week as American Legion Week and urges all residents to display American flags.

His proclamation, released in connection with the membership campaign of Mamaroneck Post 90, states: "Recognizing the service to our Village by the Legion and its members, veterans of World Wars I and II, and desiring to lend assistance to the present membership drive, I, as Mayor of the Village of Mamaroneck, hereby proclaim the week of Dec. 5 to 10 as American Legion Week and request our residents and merchants to display American flags throughout the week.

"I further urge the veterans of our friendly Village of Mamaroneck to avail themselves of the opportunity to join hands with their fellow veterans in the most democratic organization in our nation."

HOPKINS IS CALLED 'A' SECRET AIDER BY ARMY OFFICER

Jordon Story on Plane Shipments Stirs Capital Comments, New Inquiries

WASHINGTON, (AP)—Official Capital researchers have joined the hue and cry set off by a former Army captain's statement that American lend-lease planes carried atomic materials and State Department secrets to Russia during the war.

Ex-Racey Jordan, the ex-officer said in a radio interview Friday night that big loads of what a Russian colonel called uraniums and "bomb powder" were flown to Russia in 1944 under hurry instructions telephoned Jordan by the late Harry Hopkins, Hopkins was a right hand man to President Roosevelt.

Suitcases Held Secrets

Suitcases full of secret government documents, some dealing with the then unrevealed atomic bomb project, also were loaded aboard Russian-bound planes at Great Falls, Mont., where he was stationed as a liaison officer between U. S. and Russian officers, Jordan said.

He added that he had reported these activities to the then Air Inspector General. This official, Maj. Gen. Junius W. Jones, now on duty near Sacramento, Calif., said he knows nothing about such a report, does not recall Jordan, and has "no knowledge of the incident or anything like it."

The Air Force began digging through its records for the report Jordan said he made. As yet it has found none, it said, adding that no formal investigation is being made, just a check for any report received from Jordan.

CZECH CATHOLICS SEE NEW DEFIANCE

Prague Government Warned Law Control May Bring New Religious Strife

PRAGUE, (AP) — Czechoslovakia's Roman Catholic bishops have expressed new defiance of the Communist government's church control laws. They warned a religious fight may result if the government does not modify its stand.

The bishops announced yesterday they could not submit to laws which they asserted violate the laws of God and destroy religious freedom.

In a 2,200 word letter to the government, dated Nov. 17 and made public yesterday, the bishops asked the Communist regime to reconsider the new church control law of Nov. 1 and decrees issued under it and to revise them so as to be in agreement with the constitution of the church.

The bishops said the government would be responsible for any "religious fight" that might arise.

FORMER Air Force officer Maj. George Racey Jordan (above) charged in a Washington radio interview that Russia obtained hundreds of pounds of uranium and atom bomb secrets through orders of the late Harry Hopkins. Jordan declared that he saw armed Soviet guards place "suitcase loads" of secret American documents aboard Russian-bound lend-lease planes in 1943 and 1944.

5 IN CAR THEFTS LINKED TO EXPORT

Men Seized In Local Man's Auto Loss Seen Handling 300 to 400 Cars

NEW YORK, (AP)—Five men, described by police as members of a huge international auto theft ring, were held today on charges they stole new cars for shipment to South America and Europe.

Lieut. Grover Brown, head of the automobile squad, estimated that between 300 and 400 cars valued at $500,000 had been stolen by the alleged ring.

The leader of the ring, he said, is now outside the United States but the FBI has him under surveillance.

Samuel Browarnick, forty, was arrested Saturday, the fifth man to be seized in the police roundup. He was charged with grand larceny.

Brown said Browarnick told him the ring took the stolen cars to a "friendly garage" where their registration numbers were erased. Then, after the cars were reregistered under fictitious names, they were shipped to foreign countries.

The four previously arrested were Robert Turak, twenty-one, of Passaic, N. J., George Burkhardt, twenty-eight, a discharged special railway policemen of Yonkers; James Crowley, thirty-five, of the Bronx, and John Mitchell, thirty-two, also of the Bronx.

The first "break" in the case came Nov. 22 when Yonkers detectives arrested Burkhardt and recovered a new car stolen from Charles H. Griffin, general man-

St. Vito's to Hear Talk On Communism in Italy

Communism in Italy will be the subject at 8:30 o'clock tonight of a talk by the Rev. John Celoris, pastor of Our Lady of the Rosary Church, Port Chester, to the membership of St. Vito's Holy Name Society at the Church Hall, Madison Street.

Father Celoria, a member of the Salesian order, has been pastor of the Port Chester Church since Jan. 1. Intimate with Italian affairs, he was in Italy during the war, prior and following the German occupation.

He will discuss the battle between the church and communism and also the effects of American aid upon the Italian people.

BURGLARS LOOT LARCHMONT HOME OF COSTLY FURS

Sables and Two Mink Coats Taken From Sandground Home on Griffen Ave.

Furs and jewelry valued in the neighborhood of $10,000 were stolen from the Henry W. Sandground residence at 244 Griffen Avenue, Larchmont, yesterday afternoon as thieves ransacked the house during the owners' absence making off with a sable fur piece, a marten fur cape, silver blue mink stole, a new mink coat, a gold compact with diamonds, and an expensive wraparound costume jewelry bracelet.

The house was unoccupied from about 12:15 P. M. until 9:15 P. M. while Mrs. Sandground was out and the maid, Olga Stetnic, was at a football game in New York, Mrs. Sandground told town police last night.

The furs were taken from a cedar chest in the attic, which the thief pried open. The master bedroom, library, and linen closet on the second floor were rifled, and a cabinet in the basement searched.

A statue on a window sill in the basement was knocked from its perch, shattering a large vase, Mrs. Sandground reported, but nothing apparently had been taken from the basement.

Police determined that the thief entered the house by smashing a pane of glass in the rear door to the kitchen to reach in and turn the key and slip the chain bolt.

Approximate value of $10,000 of the stolen goods was confirmed this morning by Jerome Miller of the Jerome Miller Insurance Company, New York City.

SANSONE TRACES VILLAGE TAX LAW

Addresses Elks on Problem Leading to Adoption of In Rem Foreclosure

Delinquent taxes and their legal background were discussed Friday night by Mamaroneck Corporation Counsel Anthony Sansone at a meeting of Mamaroneck Lodge 1457, B. P. O. Elks at the clubrooms, Boston Post Road.

Tracing the background of the tax problem throughout the county, Mr. Sansone, a member of the Lodge, recalled that during the last depression approximately 15 per cent of the tax roll remained delinquent. This resulted, he pointed out, in the necessity of adding to the succeeding year's budget additional items to cover uncollected taxes.

As the amount of money involved began to mount, villages throughout the county initiated action to recover losses and place properties back on the tax roll. Owing to the laws that existed at the time, however, this proved to be an expensive proposition, he said, adding that through the cooperation of all municipal officials, a law was presented and passed by the State Legislature which permitted simpler proceedings.

Instead of serving foreclosure notice on individual owners of each piece of property, the new procedure, known as "In Rem," made it legal for the village to foreclose on many parcels at one time after notice and publication of the list. The sale of the property netted the village $500,000 and returned more than 1,000 parcels to the tax rolls.

200 Million Gallons Water Must Be Saved Daily By N.Y.C.

NEW YORK, (AP)—New York City's 8 million people, threatened by serious depletion of its reservoirs in Westchester and upstate, face years of a "waste not, want not" water policy.

The reservoirs are down to less than 40 percent of capacity because of the lengthy lack of rain and outgrown facilities. Supplies continue to dwindle.

Water Commissioner Stephen J. Carney says New Yorkers must save 200 million gallons a day, cutting the normal consumption of 1.2 billion gallons a day down to a billion. If they don't, he warns, pressure will be cut not later than Jan. 1.

A reservoir drop to 25 per cent of capacity would create an acute crises, with insufficient pressure.

Carney says that unless consumption is cut, torrential rain or water rationing are the only things that could stave off a cut in pressure.

The city will get additional water supplies in 1953 and in 1956 when more units of the Delaware River project are completed. Until then, Carney said, the City will have to scrimp.

Many other places across the nation are feeling the pinch of water shortages.

One of the worst hit was the little community of Roosevelt, N. J., with a population of 850. The drought emergency ended there yesterday when the first water in a week flowed through

PRAYER FOR TODAY—Protect me, dear Father, from all ingrained prejudices, from loyalties to unworthy causes, from selfishness apparent or camouflaged, from resentments cherished or otherwise. Let none of these stand in the way of my mental or spiritual unfoldment. May my spirit rather be so enlarged as to hurdle these petiiier peccadilloes and to grow to stature commensurate with character and with service above self.

87 PER CENT VOTED

ELIGIBLE to vote in the elections in Westchester on last November 8 were 280,674 who had registered. Of this number a total of 242,991 went to the polls at the time of the election. That represents about 87 per cent of the eligibles who voted, which is not a bad record when compared to national averages. Also, it is to be considered, under our archaic type of registration, there is some "deadwood" carried over in registration books in non-personal districts, where annual registration is not required.

Another angle which might be considered is whether we might eliminate this "deadwood" in registration while at the time actually pulling in more voters at the polls if we adopted in this State the permanent registration of voters system. Under this system, once a voter is registered to vote, he remains registered until he moves his residence, when a routine notice will correct his records and continue his eligibility.

In this connection the League of Women Voters, which advocates this permanent registration system, made a survey after the recent elections and estimates that throughout this State there are at least 265,000 persons on registration books in non-personal districts who are actually no longer within the districts. Here in Westchester the League found errors—that is, voters carried over who were not still eligible—ranging from five to 15 per cent.

However, to get back to our main point. Of the 280,674 eligible to vote in Westchester at the last election, 242,991 went to the polls. However, of these who went to the polls, 22,257 did not cast ballots for the important office of Associate Judge of the Court of Appeals. And in the contest which had excited the greatest public interest, that for United States Senator, 1,496 who went to the polls did not vote.

We have an idea that part of this delinquency can be laid to voter ignorance. Every election shows by such disparities that there are still uninformed voters who go into the voting machines, pull down the levers over the favored candidates—and then push the levers back up again before they pull back the curtain rod. Naturally, pushing the levers back up invalidates the vote, as most of us know. But we adhere to the opinion that there are still several thousand each year who make this unfortunate mistake.

It is equally unfortunate, we believe, that many voters do not remain in the polling booths long enough to cast ballots for all candidates. In the last election, for example, 14,464 of the number going to the polls failed to cast ballots for any candidate for District Attorney and 17,860 failed to vote for any candidate for Sheriff. The number who stayed behind the curtain long enough to vote on the amendments and propositions was even much smaller.

If it is worth while voting, it is worth while voting for all positions to be filled and upon all questions asked.

Apparently, there is still need for further education of voters, even in highly enlightened Westchester.

Col. Joe Bush Says:

Prexy Truman went to church yesterday down in Florida and said he enjoyed a "wonderful" sermon. We would've felt the same way about ours, Harry, if we could have looked forward to an afternoon swim like you did.

The serm n that the President liken was on "Faith," which is the kind of thing Republicans hold on to after five straight lickin's. In fact, that's about all they've got left, and it begins to look like their grip is slippin' on that.

What Prexy Truman has got to pull out of the hat this time, in order to stop the deficits and balance the budget, is some new kids of taxes that won't cost him any votes. Now, let's see—just what kind of taxes can we add to the list that won't hurt nobody but reactionary Republicans and Dixiecrats?

Begins to look like one of these days we might really find out how the Russians got hold of the atom bomb secrets so quick. If the Fair New Deal is ever tossed out of Washington and have to turn over the keys, what a bunch of skeletons are goin' to come tumblin' out of the closets!

It snows up-county and it rains down-county but none of it seems to do much good to our Westchester reservoirs. Lots of times there's clouds which drift over but most of 'em are just empties comin' back from California. And the only ones who get any fun out of the whole thing are the kids who are let off their mornin' bath. Next week maybe they'll get off brushin' their teeth.

Try And Stop Me

By BENNETT CERF

The late Jimmy Walker used to tell of a church father who was inveigled into a round of golf and enjoyed it so thoroughly that he became a fanatic on the subject. Finally the archbishop had to send for him. "My son," said the archbishop, "I have always encouraged healthful exercise and I consider golf both an excellent diversion and a means of communing with mother nature. But if one plays golf too much, one is apt to neglect his real duties."

The father was crushed. "May I ask why you seem to think I am overdoing it?" he asked humbly.

"I noticed," said the archbishop gently, "that when you left your study this morning you were holding your psalm book with an interlocking grip."

On the wall of Will Hall's office there hangs a plaque which reads "Wue Hermoso es no Hacer Nada y Luego Descansar." ("How beautiful it is to have nothing to do—and then to rest afterwards.") (Copyright 1949 by Bennett Cerf)

State Sheriff's to Ask New Anti Sex Crime Laws

SYRACUSE, (AP) — The New York Sheriffs' Association plans to press for state legislation aimed at reducing the number of sex crimes.

The association's crime prevention committee announced Saturday it would ask the Legislature to require that prison wardens notify the Sheriff of a sex offender's home county when such a prisoner is released.

Clifford F. Barnes, Cortland County Sheriff and committee chairman, explained that the Sheriffs' efforts would be "concentrated on repeaters."

U. S. Give-Away Mania Should End—Rukeyser

NEW YORK—The current U S. budgetary deficit belies the assumption that this country is the rich uncle of all the world, with unlimited resources.

This view was expressed yesterday by Merryle Stanley Rukeyser, of 150 West Pinebrook Drive, New Rochelle, N. Y., in a talk over a television network under the auspices of the Overseas Press Club.

"The budgetary deficit," Mr. Rukeyser said, "should constitute a warning at home and abroad of the need of tapering off on the 'give-away' mania. Unless this is made clear to the nations of Western Europe before the expiration date on the Marshall Plan in 1952, a great disservice will be done to nations whose friendship is desirable. It is now clear that no surplus tax receipts are available for foreign economic aid, and that the largess is being financed by borrowing."

WHAT KIND OF GIRLS DO MEN LIKE?

A bunch of fellows were talking about girls. One man preferred blondes—another liked plump ones—still another liked a nice complexion. Finally one said, "Those things aren't important—I look at only skin deep. Give me a girl that's true blue—one you can rely on." Well, I think that's why so many people like Hotel Bar Butter. You can rely on it. It's true blue from the color of its package to its character inside. Try a pound and see for yourself. A.L.—the Butter Man

1200 Attend Hospital Benefit Show Of League For Service

By MARY LOU YOUNG
Staff Writer

About 1,200 filled the auditorium of New Rochelle High School Saturday night to see and hear the diversified program offered by Vaughn Monroe, his orchestra and entertainers, presented by the New Rochelle League for Service as its Winter Benefit for the New Rochelle Hospital. Mrs. Murray B. Parks, the League's first vice president, reported today a rough estimate of $6,000 realized from the event.

Mrs. Cyril B. Hartman, League president, welcomed the audience in which fur coats, evening gowns and tuxedos were well in evidence. The annual show is one of the highlights of New Rochelle's social season. Joseph Rovensky, first vice president of the Board of Governors of the New Rochelle Hospital Association Inc. of which Charles H. Griffin is president, introduced Mr. Monroe, a fellow native of Jeanette, Pa. Mr. Monroe donated his own services.

The program, while it started late due to the orchestra's radio broadcast from New York, was marked by good taste, in costuming, manner and material, smooth pacing, variety and humor and met with a warm reception.

Mr. Monroe opened the evening by singing the famed "Mule Train" followed by the orchestra's rendition of Khachaturian's "Saber Dance."

Dick Haymen, harmonica virtuoso, included in his selections "Overture from Martha" and gave a novel and zany interpretation of "I Want A Girl," emulating Spike Jones by shooting cap guns, exploding balloons and throwing confetti at the audience. He finished with the remark, "Thank you, music lovers," which evoked a tremendous round of laughter from the crowd. The performer then showed his versatility by playing the accordion with much gesticulation, and concluded with an amusing harmonica duet with Vaughn Monroe, of "Night and Day."

Cece Blake, twenty-year-old soloist with the band, gowned in a dramatic striped taffeta cocktail-length dress, sang "You Told A Lie" accompanied by the Moonmaids and Moonmen, and followed with the ballad, "I Can Dream, Can't I?" She ended with the quick-tempoed "Toot Toot, Tootsie, Goodbye."

Young, attractive comedian Gay Lawrence poured forth a variety of jokes and a vast repertoire of effective impersonations, including those of Ronald Colman as a taxi-driver, Cary Grant as a bus commuter, Humphrey Bogart, a baby-sitter, Sidney Greenstreet, Gary Cooper, President Truman. A bit of hilarious stage "nonsense" followed with Monroe, the drummer and orchestra members participating.

Mr. Monroe sang "You're Breaking My Heart," and his famous arrangements of "Dance, Ballerina, Dance" and "Ghost Riders in the Sky."

"Hora Staccato" and the "Valse Bluette" were the selections played by Earle Hummel, violin virtuoso, featured member of the orchestra's string section, who has also appeared on the concert stage.

Novelty singer Ziggy Talent offered "Maharajah of Mahtador," "The Telephone No Ring," "Rosco Boskiosco" and a cowboy song.

Mr. Monroe, wearing a green cowboy outfit with a white tengallon hat and "totin," a couple of "six shooters" appeared as "Mope-a-long" Monroe with the Moonmaids and Moonmen also dressed in outfits of the "Purple Sage" in a finale skit in which he sang a cowboy novelty ditty and "shot" all his crew. The performance concluded the entertainment with "Cool Waters" and Mr. Monroe's theme, "Racing With the Moon."

The stage was set with simulated snow-covered Christmas trees providing a Winter background. On either side of the stage was a tall Christmas tree decorated with multi-colored lights.

AMONG THE FIRST ARRIVALS Saturday night for the League's Winter Benefit were left to right, Mrs. William R. Kuntz of Larchmont, Mrs. Robert Whitney of Mount Vernon, flower chairman; Mrs. John G. Walsh Jr., Mrs. John Bourke of Yonkers, and Mrs. Robert Fanelli of New Rochelle, chairman of stage properties. A supper dance for League members and guests followed in the Siwanoy Country Club, Mount Vernon. —Staff Photo

Art Supervisor Has Exhibit Of Water Colors

An exhibition of 25 water colors representing the most recent work of Miss Florence R. Brown, art teacher and supervisor of art at Murray Avenue School, is now on display in the library of Murray, where it will remain until Saturday.

Miss Brown has exhibited locally at the Larchmont and Mamaroneck Playhouses, and has been represented in shows of the Art Student League, and in a show which toured American colleges and universities.

The artist has studied with George Pearse Ennis, John Starkweather, George Elmer Brown, John Stewart Curry, Hans Hofman and John Chetcuti, and received her Master's Degree at Columbia University. She is continuing her studies with Harry de Maine in Larchmont.

The exhibit has been arranged by the library decorating committee of the school's Parent—Teacher Association, under the chairmanship of Mrs. Robert Kuwahara. Other committee members are Mrs. E. Quentin Gulliver, Mrs. H. Jerome Wharton, Mrs. John M. Elliott, Mrs. Sidney Blue and Mrs. Emil Kortchmar.

Delta Kappa Gamma Society Hears U. N. Aide

Westchester chapter of Delta Kappa Gamma Society held its second meeting of the year at the White Plains Woman's Club Saturday, with Miss Doris G. Burton of Mount Vernon, presiding at a morning business session followed by a luncheon program.

Saints Drop Opener; NYC Quintet Coasts

The Larchmont Saints were given a rude jolt as they opened their 1949-50 season at St. Augustine's gymnasium yesterday. The Vinegar Hill Big Five of NYC invaded and completely swept the Saints off their feet, building up a wide margin in the first half of play and then coasting in for a 75-60 triumph. It was the Larchmonter's first opening-day defeat in four years of competition against the best independent court combinations in this area.

Looking back into the record books, one observes that this was only the 15th defeat in 76 engagements over three campaigns for the Saints but it was the first fray in which they have been outclassed. The visitors led from the opening whistle, combining a smooth passing attack with some sensational shooting. When their outside shots finally started missing, the Vinegar Hill cagers fell back on their faunted fast break and again they forged well out in front.

The locals were ragged through the first half but came out of the haze after the intermission and put up a determined bid to get back in the running. Their passing and shooting started to click but they found that 14 point bulge the invaders were holding was insurmountable.

There was a tie for high scoring honors as each quintet entered a man for the award. Joe Hill, flashy forward of Vinegar Hill, and Larry Hennessey of the Saints threw in seven field goals and five fouls apiece to deadlock with 19 markers. Gene Doherty, veteran Saints guard, man, tired 13 points through the hoop.

However, it was the controlling of the backboards by Mike Healy and George Wenz which boosted the visitors toward their goal and the Rooney twins of Fordham sewed up the victory with their artful work on the sudden breaks.

Joe Connelly, veteran member of the Larchmont quintet, was his usually steady self on both offense and defense. Billy Cunningham, former Mamaroneck High star, showed enough in his first start to merit attention in the future. Cunningham and Hennessey are being counted on by playing-coach Tony Loscano for extensive service during the long campaign.

All eight of the players the visitors used got into the scoring column while only George McGowan of the locals failed to dent the nets. The Saints were severely under in reference to field goals getting only 18 as compared to Vinegar Hill's 30 accomplishments from the floor. However the Saints were deadly from the foul line, converting 24 charity tosses while the NYC invaders were meshing just 15.

It was a contest through the first quarter as the Saints, led by Hennessey, connected just often enough to keep within firing range. They were in a seven point deficit at the end of the first quarter and, after sinking 14 behind in the next period, never came that close again.

Al Bavillari and Dave DeSantis officiated the contest.

Next week the Saints play host to the Dennison (Y) men's club of the Bronx. The Bronxites will stream into Larchmont with Jerry Smith, ex-Fordham U. high scorer, leading the way.

Spotlight On Sports

By DICK CARPENTER

The County Center, already the scene of many outstanding sports events this year, will welcome the celebrated Harlem Globetrotters back for another game (or exhibition you might say) next Sunday night. The Trotters, boasting the greatest array of players and snowmen in their brilliant history, are set to dazzle the fans when they take on Dutch Dehnert's New York Celtics in the headliner of a doubleheader program. The Philadelphia Spas trade in against the Indiana Clark Twins in the prelim at 8 P. M.

It's the 23rd season of troupering for the wonder Negro quintet and they'll move into the County Center with a perfect record in more than 30 tests this year. Before their current stand, the Harlemites had walked off with 3,184 wins and dropped the unheard of low number of 23. They played before a million spectators last year. The most important triumph was over George Mikan and his Minneapolis Lakers. Veteran stars Goose Tatum, Sweetwater Clifton, and Reha Pressley will be aided by some fresh talent from the collegiate ranks.

Before the Globemen move in though, there is boxing tomorrow night and wrestling makes another stand on Thursday. These shows are all top-notch. In fact, we'll go as far as to flatly state that they don't match'em any closer in any metropolitan arena. **Last Fling**

Before the after effects of last week's Larchmont Softball League meeting drift away, we'd like to give retiring LSL secretary Chick Conte a pat on the back for his efforts during last Summer. Conte had a difficult — no impossible — job from the start but he still gave it his all. It was a credit to Chick that the 1949 schedule was even completed what with half of the teams overladen with out-of-towners who were sent the scorers of four or five different teams in every corner of the county.

He, just as his predecessor, was at Van Cortlandt Park each night a game was to be played. He umpired, raked the field and served in just about every imaginable capacity to some fresh talent from the collegiate ranks.

It's a thankless job and one would be willing to undertake, that not too many Larchmonters though, there is boxing tomorrow night and wrestling makes another stand on Thursday. These shows are all top-notch. In fact, we'll go as far as to flatly state that they don't match'em any closer in any metropolitan arena. **Last Fling**

Ike Williams Defends Title Tonight at Philly

PHILADELPHIA, (AP) — Ike Williams, with everything to lose and very little to gain, defends his lightweight boxing championship tonight in a 15 rounder with Chicago's Freddy Dawson.

Williams is risking his crown against a guy he already has licked twice in non-title engagements.

In previous matches between the two, Williams knocked out Dawson in four and won a disputed 10 round decision. Dawson earned a draw in an earlier 10 rounder.

YONKERS EDGES GAELS ON COURT

A foul shooting weakness cost the Mamaroneck Gaels their initial loss of the season last night as the Yonkers Brown Bombers nipped the locals 49-46 at the CYO CYO gym in Yonkers. The Gaels dropped only four out of 25 free throws and there lies the story of the contest as the Bombers had only an edge of two in the field goal department.

The burden of the Mamaroneck quintet's attack fell to Al Pulliam, Gil Allen and Albie Mitchell, who netted all but two of the Gaels' markers between them. Pulliam led the attack with 17 points, Allen following with one less.

The winners' point making was led by Jeff Woolen and Wes Fields hitting the 10 mark for 10 each.

It was nip and tuck throughout the entire affair with the Gaels actually edging in front by 28-27 at the end of three quarters of play. However, the Bombers came on with a rush and the Gaels lagged last, wilting under the pressure of the drive.

In the last four minutes Woolen and Fields were lost to the Yonkers via the five personal fouls route. In operating on a rough and tumble variety of play, the Bombers were found guilty of 28 personals, enough for the opposition to turn the tide but the Gaels just weren't connecting from the charity line.

The Gaels return to their home court at Mamaroneck Avenue School Friday night to play host to the Harrison Orioles. The locals have now split in two tests.

SWIAC LOOP SLATES 30 CAGE ENCOUNTERS

A 30-game basketball schedule, opening January 6 and ending March 3, has been arranged for the Southern Westchester Interscholastic Athletic Conference for the 1949-50 season, according to an announcement by Eastchester's Jack Jarvis, president of the SWIAC.

Four of the six schools which are members of the circuit will get into action on the Jan 6 openers with Rye playing at Mt. Vernon against the defending champion Edison Technmen and Pelhamtville battling Bellows on the BHS hardwood. On January 13, a quintette will be on duty, with Rye at Bellows, Harrison visiting Pleasantville and Edison Tech making a tour of Eastchester.

The annual SWIAC All-Star game will be played at Rye High School Friday, March 10 with the league champion meeting the chosen stars from the other five teams. All games are listed as night encounters except the Jan. 11 clash between Eastchester and Harrison which will be played in the afternoon.

HOT STOVE LOOP MAY TALK TRADE

BALTIMORE, (AP) — Not a single big league trade may be announced at this 48th annual minor league baseball convention that opens here today but that does not mean that none will be consummated.

It is almost a certainty that at least two, perhaps three, player deals of "sizeable proportions" will be ready to be announced at major league sessions in New York next week.

One concerns the world champion New York Yankees and the American League cellar-ridden Washington Senators. The Yankees, since the close of the 1949 season, have been trying to wrangle pitcher Rae Scarborough and first baseman Eddie Robinson away from the nats.

They might as well stop wasting time on Scarborough. He cannot be had. But Robinson is another matter. It would not be at all surprising if the big slugger wore a Yankee uniform next season.

The New York Giants have made a cash offer to the Boston Braves for veteran second baseman Eddie Stanky.

The third deal that may jell involves the St. Louis Browns and Detroit Tigers with Brownie second baseman Gerry Priddy as the key figure.

The news that minor league head George Trautman was too ill to preside at the convention was a shock to the some 2,000 delegates from the 59 minor leagues.

The most important order of business following the two-day draft will be wrangle over the bonus rule. An amendment that would have to have special attention.

The East Enders have two tilts in front of them before finishing the season opener on Friday, December 16th on the home court against Croton—Harmon and a week later at New Canaan, Connecticut. Both of those schools annually put out strong court aggregations and, although there are six lettermen sprinkled on the first ten, or regulars, Hasley sees strenuous drills every day this week and probably most of next.

East End Cage Squad Cut to 20 by Halsey

When his Bellows varsity basketeers failed to round into shape as fast as was expected, Coach Hasley chopped the squad down to 20 men late last week so that they would have more time to work with individuals. Five players were let go, all of whom were either young freshmen who have several years ahead of them or juniors and seniors who did not show up as certain varsity material.

Hasley said that only George Fischer and Danny Evangelista, the Panther rebound experts, had shown anything to date and that the rest of the men who had been appointed to varsity berths

Iona Quintet Cops Opener

The Iona College Gaels opened their ambitious 24-game basketball schedule in impressive fashion Saturday night by overhauling the Equitable Life Varsity, 69-66, on the Iona campus court in New Rochelle.

A final spurt in the waning minute, spearheaded by Johnny O'Hagen, enabled Coach Jim McDermott's Gaels to come from behind and cop a thrilling verdict.

Trailing, 66-65, with 22 seconds remaining, O'Hagen popped in the game tying foul, and then put the Irish out in front with a neat side shot. J. T. Kelly's foul toss just before the final whistle produced the 69-66 victory.

The see-saw struggle was tied no less than 10 times over the route, with the Equitables in command of a 39-34 edge at the intermission.

Frank O'Shea led the Gael scorers with 15 points, while Joe De Stanislau netted 14, O'Hagen 13 and Kelly 11. Game scoring honors, however, went to the insiders Tom Henry with 25 points.

The Iona Freshmen, led by Manny Kennedy's 14 points, trimped the CCNY Frosh, 52-45, in the preliminary.

Wednesday Iona plays host to the Puerto Rico College cagers.

All-County Men Dine Thursday

The sixth annual Westchester County Publishers' All-County Football banquet will be held at the Florence Hotel in Tarrytown next Thursday, at 6 P. M.

The gala function was inaugurated in 1944 as a tribute to the county's outstanding gridders selected to the first, second, and third All-County 11s. Some 68 players, coaches and sports writers are expected to attend.

Two guest speakers, prominent in football coaching circles have also been invited.

At the dinner, the publishers will present trophies to the 34 players named. The Most Valuable Player Trophy will be presented this year to Dick Yaffa of New Rochele, and the Coach of the year plaque will go to Coach Ronald Lindemann of Hastings High School. The MVP award is presented yearly by Joseph Colarusso of Mount Vernon.

The All-County selections are made by a county-wide poll of coaches, officials and sportswriters. This year a record of 88 ballots figured in the voting.

LEAHY TABS '49 IRISH 'GREATEST'

DALLAS, (AP)—Notre Dame's gridiron champions are on the way home boasting the greatest four-year record in Fighting Irish history—but take it from Coach Frank Leahy, they accomplished it in the nick of time.

Next year, laments that rugged individualist among pessimists, his team can't hope to be half as strong as the 1949 outfit which he called "the greatest team I ever coached."

Happy that they were able to finish four seasons without defeat while winning 36 games and tying two, the Irish still are talking about the thunderous game they had here Saturday when it required every ounce of drive and fight to turn back Southern Methodist 27-20.

From this year's team—voted No. 1 in the nation—Leahy loses nine and one-half starters. And from the remainder of his first string squad 10 more depart.

That one-half starter comes about in this manner: Bob Lally and Fred Wallner divided time at one guard position. Lally is through but Wallner has another year.

Notre Dame is swept clean of All-Americans. End Leon Hart, tackle Jim Martin, and fullback Emlik (six-yard) Sitko, all are due to graduate.

Others lost from the starting team are end Bill Wightkin, tackle Ralph McGehee, guard Frank Johnson, Center Walt Ghobaus and backs Frank Spaniel and Larry Coutre.

Bob Williams, brilliant quarterback who outpassed the Southwest's pass-happy boys in the Southern SMU game, will come back to keep Wallner company.

Twelve players with varsity experience will. But Leahy says he doesn't expect much help from this season's freshmen. He and Ed Krause, Notre Dame athletic director, say "there are no outstanding prospects," among this season's yearlings.

"We will lose five games next year," Leahy laments.

Rams Muff Title Clinching; Browns, Frisco In AAC Final

NEW YORK, (AP)—Cleveland and San Francisco meet next Sunday for the All-America football Conference title while the National League's regular season ends with the Chicago Bears trying to overtake the Los Angeles Rams for Western Division honors.

In yesterday's AAC semi-final playoffs, Cleveland's Browns eliminated the Buffalo Bills, 31-21, with 17,270 fans on hand at Cleveland. At San Francisco, the 49ers outplayed the New York Yankees, 17-7, before 41,393 spectators.

In Sunday's final at Cleveland, the Browns will seek to keep the title they've held since the conference's inception in 1946.

Rams Muffed Chance

The Rams blew their chance yesterday to wrap up the Western Division crown in the NFL, a 31-27 decision to the Chicago Cardinals at home to the chagrin of more than 74,000 rooters.

Their setback, coupled with a 20-21 victory for the second-place Bears over the Pittsburgh Steelers at Chicago, kept the Western race alive.

The rams, who have won seven games, lost two and tied two, still figure to wind up as the team that will meet the Philadelphia Eagles, Eastern Division winners, in the league playoff for the title Dec. 18.

Touch Tussle for Bears

Their next Sunday opponents will be the Washington Redskins, no ball of fire, while the Bears, who have an 8-3-0 record, must tackle the tough Cardinals. Only a Rams defeat and a Bears triumph can put the Chicagoans on top.

The Eagles who had cemented first place in the Eastern circuit a week before, had a mere workout in crushing New York's second-place Giants, 24-3, at the Polo Grounds.

In other NFL games, Detroit edged the New York Bulldogs at home, 28-27, and at Washington, the Redskins routed Green Bay 36-0.

The Browns-Bills playoff was a battle of aerials, with 45 passes setting a new league record. Cleveland's Otto Graham, ace of the AAC, connected with 22 of 43 pitches, two for touchdowns, and had a total of 326 yards. Buffalo's George Ratterman competed 21 of 39 attempts, three of them for touchdowns, and totaled 293 yards.

Higgins' Speech To Feature MHS Grid Banquet Tomorr

Bob Higgins, first string end on Walter Camp's 1919 All-American team and associated with Penn State University for the last 20 years as head football coach and then athletic director, will relate some of his experiences and tips to members of Mamaroneck High School's '49 football forces tomorrow night at the annual MHS football banquet. The event is to be held in the Junior High School Cafeteria and will start at 7:15 P. M. Tickets may be obtained either at the Senior High offices or at the door tomorrow night.

Higgins is to be introduced by Eddie Dooley, former backfield star at Dartmouth and ex-trustee of the village and a nationally renowned figure in the editing of football annuals and sportscasting. Dooley also was mentioned on several 1926 All-American elevens.

In 1938 Higgins was said to have had a notable athletic career. He has almost doubled his personal glory since then, reaching the goal of his efforts, just one year ago when his Penn State varsity was chosen to participate in the annual Cotton Bowl game at Dallas. Among the all-time greats whom Higgins has coached to stardom with his coaching ability is Harry S. Harrison, current head grid mentor at the Hilltop. Harrison was captain of the 1936 Penn State team, playing quarterback and doubling as the team's climax runner.

In the last 35 years, Higgins has been away from Penn State for only nine grid seasons. He entered the university in 1914 as an undergraduate and immediately made the varsity as an end.

Staying on the pigskin first string during 1915 and 16, Higgins was picked by Walter Camp to a second team berth on his 1916 All-American. Bob was elected captain for the following season but had entered the army before the fall of the year came. During his army service, Higgins was commissioned second lieutenant, then first lieutenant, served with distinction in Fr and, while overseas, played the championship 89th Div team. He was selected as en Grantland Rice's "All-A. E eleven.

LOCALS COMPETE IN TESTS AT PRO FRAY

The Philadelphia Eagles—New York Giants pro football clash at the Polo Grounds yesterday was enjoyed by several members of the Bellows and Mamaroneck High grid forces who watched from the sidelines. During the halftime intermission, the local gridders participated in scholastic contests of kicking, passing and relay races. The relays were won with full equipment on.

Ed Feldt and Luke DiKuzza entered in the passing events, throwing twice each at the 2 foot hole in the target which was set up at 15 yards from the passers. With very little time to warm-up, Feldt and Lou Rigano of Mamaroneck High competed in the punting for distance and the former placed second with a boot of 55 yards, about a foot behind the winner. Each man received two tries in this contest also. About 15 schoolboys competed in the punting and passing tests.

The Bellows contingent of Ken Dellner, Panky Vitetta, Don Anderson and Bob Keegan ran second by a whisker in the relay race. There was no exact distance announced. Due to the limited amount of time before the game's second half of play, these meetings were curtailed somewhat. They had been scheduled for November 26 but the sudden snowstorm forced officials to call them off for a week.

In the pro battle, the Eastern Division NFL champion Eagles were stopped by the Giants in the first half but came on to smother the New Yorkers 24-3 before almost 26,000 spectators.

PRAYER FOR TODAY—Help me to walk in the light of truth, dear Lord. Make me strong enough and willing enough to do what is good. Help me to dedicate myself to the glory of a noble life. Whatever may be the pressures to swerve me from the path of right, may I have the courage to pursue honor and duty, with stout thrusts that cannot be undermined.

OPPORTUNITY KNOCKS

COMPLAINT has been made by the County Affairs Committee of the Democratic Party here in Westchester that the annual County budget is presented in such manner that only accountants or members of the Budget Committee can understand it.

The complaint is well founded. Nearly all budgets are open to the same criticism. Has the County Affairs Committee ever tried to analyze a budget of the State of New York, or one of the United States of America?

We wish there were some easy way to make all budgets entirely clear and understandable to the average man-in-the-street. One of the most nearly simple is put out each year by the Village of Bronxville, but then as the units of government grow larger it seems the opportunity for making their budgets plain and easily intelligible disappears.

Certainly, the criticism of the County Budget by the Democratic committee is justified. And since it is always a good thing to put the responsibility on the party who wants a change made, why not let the Democratic members of the Budget Committee of the Westchester Board of Supervisors accept the challenge?

Those members are experienced, well informed individuals. We recommend, then, that for preparation of the next County budget, the task of making it easy of understanding by the man-in-the-street be delegated to such persons.

RED INK AT WASHINGTON

WITH the almost certain knowledge that Uncle Sam will end this fiscal year next June with a deficit approximating $6 billion, it is quite likely the coming session of the 81st Congress will be greatly concerned with the question of Federal spending, and with the associated problem of balancing the national budget. That ever-present factor, Old *Man Politics*, will also be in the picture since all of our Representatives and one-third of our Senators will be before the voters in the 1950 elections.

The fact to bear in mind is that with the exception of two years, Uncle Sam has been in the red for the last 20 years. Despite higher tax receipts than at any other time in our history, despite a prosperity of which the administration likes to boast, our deficits continue and our debts grow. Interest alone on the debt is almost $6 billion each year.

The *real problem, then, is where to effect economies* in our Federal government. Obviously we cannot eliminate our fixed commitments, such as interest and amortization of the debt. Certainly it would not be moral to welsh on our promises to our World War veterans. And it is equally certain we are not going to back out on our pledges of aid to potential World War III allies in Europe.

Where, then, can we cut?

One place might be in the extravagant welfare programs which have mushroomed under the Fair New Deal, provided, of course, the administration has that much courage, which is doubtful. Then, too, there has been shown clearly through the Hoover Report the possibility of savings through fewer personnel, provided here, too, the administration is willing to lose the votes which such patronage annually furnishes.

Detailed knowledge of where cuts may be made without any substantial loss of efficiency rests mainly with the administrative agencies of the government. To pass resolutions calling for an arbitrary cut of five or 10 per cent, as was suggested earlier this year in Congress, is obviously not the intelligent method.

What this all boils down to, then, is the willingness of bureaucratic heads in Washington to adopt a policy of economy, the type which is upon occasion forced upon practically every family in America. Only when that necessity for economy can be implanted in the minds of these departmental chiefs can we except real relief from high taxes.

How, then, are we to make these generous spenders of other peoples' money grasp the idea?

Answer: Write to the State Board of Education in Albany for such a listing.

Easy Fit Held Good Rule For Child Dress

By ANGELO PATRI

A child's clothes should look as if they belonged to him but they ought to fit easily. If anything loosely, so that air can circulate about his body and there is no checking of the circulation of the blood, no restriction on the lungs.

Mothers, with an eye to the ever-present pressure of the budget, have to pass clothes from one child to another sometimes and when that is done care must be taken to see that the clothes belong to the child's body and do not in any way make him uncomfortable. "Well, it is a little tight across the chest for you but you can make it do for a while,' is not good economy because it robs the child of some degree of vitality and for that there is no recompense either to the child or the budget.

It is especially important that no garment is too short in the crotch. This is a common fault with pants and shorts and a special nuisance to little boys. Their shorts are washed and they shrink a bit. The boy grows and they seem to shrink more until before his mother notices this he is going about pulling at his trousers. He is uncomfortable.

This discomfort, felt in a delicate part of his body, is likely to bring on unfortunate habits and should be guarded against from the beginning. We must make sure that pants and shorts are loose enough to allow free movement of the body and free circulation of air. Perspiration in the region of the genitals is likely to irritate the skin and that way trouble lies.

When clothes are too tight across the chest the child cannot use his arms freely. When hands and arms are bound, even slightly, the mind is irritated, temper rises and anger is born. Ill-fitting garments of this sort are accountable for many a tantrum that puzzles good mothers.

Be sure then careful of the shoes children wear. They must fit without pinching, and without riding up and down in any place. Children, always delighted to get a pair of new shoes, will eagerly say that they fit, that they don't hurt, that they are pleased, the shoe adjusted, and all possible care taken to make certain of the fit. Feet must carry their possessors for a lifetime and they are worthy of all care. There need be no corns, no ingrowing nails, no bent toes. All that is necessary to prevent such miseries is careful selection of shoes. An ill-fitting shoe can cause great misery, affecting vision, posture, and poise, robbing a child of health and happiness.

Try And Stop Me

By BENNETT CERF

David C. Mearns, of the Library of Congress, recalls that when President and Mrs. Coolidge left Washington for one of their summer vacations, the White House was renovated from top to bottom. A wire from Vermont revealed the fact that they were coming back the next day—a full week ahead of schedule—and a hurried caretaker beseeched Mr. Mearns for help.

"The President's books are scattered all over the floor," he said. "Please come over and arrange them properly on the shelves before he returns."

The next day was a sweltering one, but Mr. Mearns toiled manfully. His temper was not improved when the President's big white dog, very friendly but very clumsy, padded into the room about sundown, and began knocking over piles of books. Mr. Mearns couldn't get rid of him, so he did the next best thing. He knocked off work for a while and went for a few cooling potions.

When he returned two hours later, the library appeared empty but just as he settled down to complete his tasks, the white dog bounded out from behind the window curtain, and made for him, barking joyfully. "Damn!", muttered Mr. Mearns, and shied a book at the dog. It missed. The horrified Mr Mearns next heard a distant cry of "Ouch," and President Coolidge stepped out from behind the curtain rubbing the back of his head, the two men stared at each other for a moment, and then Mr. Coolidge broke the silence.

"Warm, isn't it?" he said.

DOCTORS FACING 'DUES' TO FIGHT AMA BATTLE

WASHINGTON, (AP) — Most of the nation's doctors today faced the prospect of a regular "dues" payment—just like a union or fraternal organization—to fight what the American Medical Association terms "nationalized medicine."

The House of Delegates, policy-making body of the AMA, arranged hearings on a proposal for the "mechanics" of such a system. Under it, some 130,000 of the country's doctors would, be regularly billed for payments to the organization's treasury. The House of Delegates is having a meeting here this week.

Up to now, AMA officials say, the organization's funds have been limited. Its revenue came from subscriptions to its various publications, from advertising therein, and from payments of a $25 assessment levelled on the membership to back an "educational" program among the American people against federalized compulsory sickness insurance.

Home Builders Elect Tufaro as President

Frank P. Tufaro of Hartsdale was elected president of the Westchester Association of Home Builders last night. He was also reelected national director.

Other officers elected at a meeting in White Plains were: Robert Beckley of Hartsdale, vice president; Joseph Balta of New Rochelle, treasurer, and James E. Cook of White Plains, secretary.

Directors are: August Ackerman and Frederick Rellstab of Scarsdale; Fabian Crystal, Max Halpern and Irving Lipsig of New Rochelle; Henry Minskoff and Leo Skolkin of White Plains and Henry Grant of Eastchester.

The officers will be installed at the Jan. 9 meeting.

Rayburn's Tex. Talk Reflected Truman Ire At Attacks—Tucker

By RAY TUCKER

WASHINGTON—Even popular Sam Rayburn discovered that the Speaker of the House of Representatives is a political prophet without honor in his own country when deep in the heart of Texas, he recently delivered a full-dress defense and eulogy of the Truman administration's domestic and foreign program.

Although he had been billed as the "No. 1 Texas Democrat" by the state politicians, and a crowd of 15,000 had been promised for the huge Coliseum, only 2,000 appeared, and these consisted mostly of office-holders and members of the Texas Association of Democratic Chairmen.

Mr. Rayburn was so disappointed at the meager turnout that he cut his address on "Thomas Jefferson" in half, and fumbled through it as hurriedly that, in describing Hoover depression days, he referred to "48-cents-a-bushel oil."

SIGNIFICANT — The chilly reception was considered all the more significant by both Truman and anti-Truman Democrats because it was the Speaker's first speech in Houston, and the first major party policy address by the House leader in many months.

He was obviously giving the White House reply to both Republican and conservative Democrats' criticism of the administration's policies at home and abroad.

"DESERTERS" — Reflecting the President's known views, he had scathing words for such influential but restless Democratic bigwigs as former Secretary of State James F. Byrnes and Bernard M. Baruch, the party's "angel" for so many years.

Although he did not mention them by name, there was no doubt of his target. He linked them with out-and-out "Dixiecrats" as "deserters." He likened them to soldiers who run away from the firing line in time of battle.

Although he spoke in "the city that Jesse Jones built," he did not otherwise mention the distinguished Texan, or refer to his reported opposition to Wallace Franklin D. Roosevelt, with former Secretary Byrnes as his principal and personal enemy.

Indeed, it is understood that characteristically, Mr. Truman has written a bitter retort to the South Carolinian, as he did to Mr. Baruch last Fall. The President has not answered them because the New York financier gave generously to reelect Democratic cronies in the Senate, but refused to contribute to the Truman reelection campaign when money was tight.

ACCIDENT — In view of the honors which the party has heaped upon both men, the President feels, to use his own words, that they are "downright unfrateful." Only one man in public life has dug deeper under his skin, and that is Senator Robert A. Taft of Ohio.

Mr. Truman has extremely personal reasons for his animosity toward Messrs. Byrnes and Baruch, according to his friends. Noting that they went along with similar policies when they were proposed by Franklin D. Roosevelt, he attributes their present, belated *defection* to their private belief that he is only a passing, party phenomenon, and a "lucky accident."

RIVAL—He frequently blames Mr. Byrne's attitude on the Southerner's failure to become a key figure in the administration, and on the fact that he, rather than the former Cabinet member, now sits in the White House because of the late "B" Hanegan's maneuvering on the vice-presidential nomination at Chicago in 1944. Mr. Byrnes was a rival candidate.

The fact is that opposition from two such distinguished party figures has stirred the "inferiority complex" which Mr. Truman suffered from when he was told that FDR had died, and that he must head the nation.

PREVIEW—As is natural in a man like Mr. Truman, who has become a more cocky and aggressive individual since he was elected in his own right, the enmity of these conservatives spokesmen has driven him even further to the left and to sterner advocacy of a "welfare state." Although not in top form at Hoiston because of his shabby welcome, Mr. Rayburn gave a preview of the Truman-Rayburn program at the January session of Congress.

Here are a few revealing excerpts from his speech:

"They always call progressive leaders 'socialists.'"

"We haven't spent the nation into bankruptcy, but on the highest peak of prosperity and world leadership."

"We are world leaders, and we must act like world leaders. We are destined to lead the world for a thousand years to come. But today there are international brigands abroad, and we must keep plenty of powder, and keep it dry."

"WE aren't worrying about the future of the Democratic Party. We're worrying about the Republicans. We don't want them to disintegrate. We need the two-party system."

Business Girl Advised To Pay For Own Lunch

By EMILY POST

Obviously this question comes from a young business woman: "When I happen to meet one of the men from our office in a restaurant at noon, and he invites me to join him at his table, before he himself has ordered his lunch, how can embarrassment be avoided about paying the check?"

Possibly the best way is to ask the waitress for a separate check. But in any event you will know the price of your lunch and should put the amount down as a matter of course, and leave your own tip. It is as simple as that.

Question: I'm an Englishwoman married to an American and living here. My family has a coat of arms, which was inherited from earlier ancestors. May I, living here in America, hang a replica of my family's coat of arms in our house? If so, where in the house would be most suitable?

Answer: Certainly! The front hall, the library or the dining room in this order of suitability—are the usual places. But you may hang it wherever you think it looks best.

Question: When the name of a friend is given as a personal reference, is it necessary to ask permission first? Sometimes it's in a hurry.

Answer: The definite rule is to ask first, unless a person is so very near to you that permission can be taken for granted. Even in this case, it would be expected of you to tell the person that you have given his (or her) name.

Question: What is the proper way to cut a birthday cake, which is brought in with candles spaced around the top? Should these be blown out first and then the cake removed and cut?

Answer: The birthday child blows out the candles and enough candles are then removed to allow a sufficient number of pieces of cake to be cut.

Reading Group To Hear Round Table Monday

Plans for a round table discussion Monday on "How Your Child Learns to Read" for mothers of pre-school and lower grade children were announced by Mrs. Kenilworth H. Mathias, chairman of education chairman, yesterday at a board meeting of the Murray Avenue School Parent - Teacher Association at the school.

The round table will feature a meeting of the reading curriculum study group at 3:15 P. M. in the sewing room, where Miss Margaret Rowlett of the Greenacres School, Scarsdale, will speak on writing and illustrating children's books.

Members of the Murray faculty participating in the discussion will be Miss Loretta Hirschneck, principal; Miss Mary Richardson, Miss Doris Zvirin, Miss Nellie Harrison, teachers, and Mrs. Frank Holland, remedial reading teacher. Young children will be supervised in the lunch room.

Mrs. Jesse M. Van Law, ways and means co-chairman with Mrs. George L. Cummings, reported on the concert held last month, with proceeds exceeding the budget for the year. Mrs. Robert Garlock, PTA president, reported on the father's night program Friday, with upper grade students invited to attend.

A total of $908.90 collected from the savings bonds and stamp sales during the past two months at the school was announced by Mrs. Frank E. Beede, chairman.

Mrs. MacDonald Dunbar, Camp Fire representative, announced that Camp Fire Girls are making Christmas gifts for children in hospitals, and that members of the Butterfly Blue Birds, sponsored by Murray, are corresponding with a German girl in the British zone. Stockings filled with gifts, as well as letters and cards, have been sent the German girl's family for Christmas.

Christening for Infant Followed by Reception

Lorna Dyer Kent, infant daughter of Mr. and Mrs. Dennis Edwin Kent of Rye, and granddaughter of Mr. and Mrs. C. Edward Paxson, Mamaroneck, was christened Saturday at St. Thomas's Church by the Very Rev. Frank Dean Gifford, dean of the Philadelphia Divinity School and former rector of St. Thomas's. Godparents were Mrs. Henry P. Hoffstot Jr., of Pittsburgh and James H. Comley of Mamaroneck.

Mr. and Mrs. Paxson entertained at a reception for about 40 guests at their home, Edgewater Park, following the ceremony. Guests included Mr. and Mrs. W. A. G. LeBoutillier and William G. Le Boutillier of Larchmont and Mr. and Mrs. Comley, Mr. and Mrs. John R. Sheppard Jr., Mr. and Mrs. Rene Bernheim, Mr. and Mrs. Theodore H. Joseph, Mr. and Mrs. Theodore O. Poselt Jr., and Mr. and Mrs. Thomas J. Hickey Jr., of Mamaroneck.

LARCHMONT HOME BUREAU

The Larchmont Home Bureau will meet tomorrow morning at the Weaver Street Fire House to make Christmas gifts. Project instructors will be Mrs. Randolph Rose Jr., and Mrs. Robert Kuwahara.

Voters Service Quiz Presented As Mamaroneck LWV Meets

"Politics Is Everybody's Business" was the theme of the meeting of the League of Women Voters of Mamaroneck held yesterday at the home of Mrs. Robert Donaldson of 343 South Harry Avenue, Mamaroneck, where a voters service quiz, "What's the U. S. to You?" issued by the National LWV, was featured.

Mrs. Clement G. Cook, president, discussed the theme and stressed the importance of being well informed, "particularly on the ABC's of election procedure," she stated that without the proper information, "we cannot use our votes intelligently and be effective citizens."

Quiz questions, testing knowledge of political procedure, were presented League members, and those answered were referred to a panel headed by Mrs. Einar C. Anderson, voters service chairman for the New York State LWV, and a member of the Mamaroneck League. Other panel members were Mrs. John Muehlke, Mrs. Roger Crane and Mrs. Milton Enzer.

Mrs. Anderson summed up the discussion, stating that the current League emphasis on enrolling in a party and voting is not new, since the League, a non-partisan group, was founded for the purpose of "informing new voters and increasing citizen participation in government."

Mrs. Cook announced that the economic study group, headed by Mrs. Anderson, will meet Friday at 1:30 P. M. at the home of Mrs. Thomas Mayers, 922 Stuart Avenue, Mamaroneck. The group is currently studying the federal budget.

The Monday morning discussion group will meet next Monday at the home of Mrs. Leonard Levine, 25 Rye Road, Greenhaven, and the afternoon group will meet Monday at the home of Mrs. Edward Wollner, 78 Hewlett Street, Milton Point, Rye. A meeting of the Thursday evening group will be held Jan. 5 at the home of Mrs. Howard Podell of 1309 Stonybrook Avenue, Mamaroneck.

Young children were supervised during the meeting by Mary Mayers, Nancy Savage, Gail Donaldson, Muriel Sarles, Dorothy Primrose and Patty Clark of the Horizon Group of the Mamaroneck Camp Fire Girls, with Sally Falk as leader.

Iona Auxiliary Luncheon Set At Shore Club

March 14 was selected as the date for the Spring luncheon, fashion show and bridge at the meeting yesterday of the Iona Mothers' Auxiliary in the school. The affair will be held in the Larchmont Shore Club. Mrs. Donald G. Mauson of New Rochelle is chairman and Mrs. Dominick Calderazzo of Mamaroneck, co-chairman.

Mrs. Charles Gerabach of Larchmont was reception chairman. Mrs. Edward Ladin of Larchmont was in charge of hospitality assisted by Mrs. Edward Byrne of White Plains, Mrs. T. Edward Ryan of Larchmont, Mrs. William F. Cushman of White Plains and Mrs. George Howley of Pelham, poured.

Federation Chairmen Will Attend Luncheon

Local community leaders of the current building fund campaign of the Federation of Jewish Philanthropies, Westchester Chapter, will attend a County-wide fund raising luncheon tomorrow at Pleasantville Cottage School at noon.

Campaign chairmen, serving with Mrs. Erwin Schwarz of Scarsdale, chairman of the Westchester Chapter, include Mrs. Samuel J. Schur of Larchmont, Mrs. Robert S. Loeb and Mrs. H. Levy Werner are co-chairmen for Larchmont with Mrs. Edwin D. Cole and Mrs. Milton Meaman as Mamaroneck co-chairmen and Mrs. Clarence P. Greer chairman for Rye.

Three Students Give Talks To AAUW Group

Present day conditions in Germany, Greece and France were described yesterday for the International Relations Group of the American Association of University Women, Westchester Branch, by three foreign students at Barnard and Columbia at the December meeting at the home of Mrs. John Solleveld, 81 Rockland Place, New Rochelle.

Assistant hostesses were Mrs. Wesley B. Case of Larchmont, and Mrs. Barbara White, with Mrs. Harry M. Matvin of Larchmont, chairman, conducting the meeting and the discussion period following the lectures. About 35 members attended.

Miss Karin Mattenklott of Germany said her country is divided into three parts, pro-Nazi, disinterested, and a small group of anti-Nazis. Nationalism is a menace, she said, as the people are receptive to any new philosophy. The ruins in Greece from the civil war was described by Miss Vassiliki Politou, senior pre-medical student at Barnard, and Miss Yvonne Manod of France emphasized the pessimism of the tired and weakened French.

Americans are "giving too much freedom to the Germans before they are able to take care of themselves," Miss Mattenklott stated, adding her belief that the United Nations needs a strong police force in Europe to keep peace.

Philanthropies Are Listed At League's Tea

Nurses in New Rochelle Hospital presented a program of Christmas carols yesterday afternoon at the annual toy tea and December meeting of the New Rochelle League for Service in the hospital solarium. Philanthropic work was announced.

The A Capella choir, which included in its songs, "O Come All Ye Faithful" and "Silent Night" was directed by William Sheehan of Larchmont. His daughter, Miss Jane Sheehan, health nurse at the hospital, is choir chairman. The group also performed last night at the meeting of League Professionals, and will present the program again today for the Provisional Section.

Mrs. Robert C. Colwell announced that the associate tea held in November was successful and another will be held soon. Mrs. Sydney P. Allen of Larchmont, Provisional chairman, reported that the Provisionals will work in the Thrift Shop this month and that in January they will meet at Mrs. Frederick McLellan's home to learn the workings of the "Bulletin," League publication.

Mrs. William D. Merrill of Pelham, reported that 150 hours were completed in the Hospitality Shop in November. Mrs. Francis B. Murray of Pelham reported on the Hospitality Gift Shop. Mrs. Henry Coakley of Larchmont reported that five members contributed 96 hours in the Red Cross work in November. Mrs. Charles Ackerman, Pelham, reported 19 hours work in the library. Mrs. William B. Ensinger of Pelham, announced a total of 58 hours in the Thrift Shop for last month and that the League received $150 from the shop for November.

Hostesses were the Misses Doris Macnelah, Barbara Blocker, Mary Alice Von Schonhoven, and Jane Spencer, all of Larchmont.

Youth Service Work Told At Laughlin Home

The work of the Youth Consultation Service of Westchester was described yesterday for St. Cecelia's Chapter of St. Thomas's Church at a meeting at the home of Mrs. Francis B. Laughlin of Shore Acres Drive, Mamaroneck.

Guest speaker was Mrs. E. M. Gould, who heads the White Plains office of the Service. Also a guest at the meeting was Mrs. Richard W. Wilson, executive chairman of the organization, introduced by Mrs. James Comley.

Mrs. Joseph C. Heyworth and Mrs. J. Willem de Haas were cohostesses at the meeting. Announcement was made of a buffet style luncheon and dance to be held Jan 17 at the parish house under the auspices of the Women's auxiliary and a dessert bridge Jan. 20 at 8 P. M. at the home of Mrs. R. B. Fortuin, 727 Bleecker Avenue, Mamaroneck, with husbands invited, in place of the January meeting. The Rev. Arnold Fenton congratulated the chapter on its contribution to the success of the recent Christmas fair.

Mrs. Heyworth, vice president, presided in the absence of Mrs. William A. Lohman, due to illness. Mrs. Alfred Weeks and Mrs. Thomas Heatley poured at tea during the social hour. There were 24 members and guests present.

Dr. Olga Lurie Leader Of Discussion Tonight

Dr. Olga Lurie of Mamaroneck will lead a discussion tonight on the emotional development of the pre-school and early school child at 8:15 in Room 23 of Bellows High School. The lecture is one in a series jointly sponsored by the parent education committees of the Barry Avenue and Daniel Warren Schools' Parent-Teacher Associations.

MHS Sextet To Open Season Thursday Night Against NT

The Mamaroneck High School 1949-50 hockey edition held its last pre-season workout at Playland last night and was pronounced ready for "game service" by Faculty Adviser Miss Edith Sirica. Miss Sirica is handling the team this year with the assistance of Bud Steiner and Jack McConnell, two experienced hockeyists who got in their scholastic licks at the Hilltop.

The prospects are fairly bright at MHS as far as hockey is concerned although eight of last year's varsity squad were lost through graduation. Gone are Jolly Woodbridge, Ted Herlyn, Goalie Buddy Carmer, Sal Fallace and Bruce Breckenhoff of the regular sextet. In addition, Coy Stewart and Bob Wood of the reserves were graduated and Danny Burke was lost when his family moved.

This there is just Goalie Ed Tillman and wing Johnny Staropoli left from the club which tied Greenwich for second place in the scholastic loop last year.

This is not the only change in the Westchester Interscholastic Hockey League. This campaign there will be just four teams entered; Mamaroneck, North Tarrytown, New Rochelle and Greenwich. Another inovation occured when officials announced that games would be played as preliminaries to the collegiate basketeer at Playland each Thursday night.

Miss Sirica and her aides have a willing bunch to work with in their first stab at this sort of task. Out of a large, enthusiastic bunch which turned out for the first drills, they have almost definitely decided that Tillman will open in the nets, Staropoli and newcomer Bob Murphy will play at the wings, Gus Berlanger, a Canadian, will operate at center with vet Ted Lyons and Herb Guthrie at defensive posts.

The other squad members who still are in the thick of battle for reserve slots include: Rich Chimaglia, Bob Gironda, Dave Schreyer, Jack Crosby, another goalie prospect, Vollmer, Harold O'Callachan, Bob Kuntz, Lou Rigano, Frank Trifiletti and Bill Hoffing.

Last week the entire squad met and elected Ted Lyons and Johnny Staropoli as co-captains for the approaching season. Staropoli was the 1948-49 Tigers' top scorer while Lyons played a role.

Playing second fiddle to Roosevelt last year didn't agree too well with the Bengal skaters and they plan to make a determined effort to snare the county crown and thus return it to Mamaroneck after a lapse of a year.

The starting array will be sent out onto Playland ice at 6:45 P. M. this Thursday night to battle North Tarrytown. The opposition's strength is unknown since this will be their first tour of the county park circuit. New Rochelle dropped a 2-2 decision to Greenwich in the season opener last week. The NYAC meets Yale in the second fray on Thursday.

BRAVES WATCHED FOR FIRST MOVE

BALTIMORE, (AP)—The spotlight was thrust squarely upon the Boston Braves today as the rest of the trade-minded National League clubs waited to see what Manager Billy Southworth would do before making a move of their own.

The general feeling at this 48th minor league convention is that Southworth must dispose of at least three of his alleged "insurrectionists" before he resumes active control of the club on the field.

5 Braves on Block

Those supposed to be in the know insist that second baseman Eddie Stanky and pitchers Johnny Sain and Bobby Hogue are certain to be traded. They would not be too surprised if Billy were to trade either southpaw ace Warren Spahn or righthander Vernon Bickford, both of whom are said to have voiced their displeasure against Southworth.

Southworth, due here today, left the Braves in mid-season because of illness following season-long reports of dissention on the club. Two of the alleged dissatisfied players—Jeff Heath and Phil Masi—are Braves now.

Knowing that something must snap to break the trade jam, Brooklyn, St. Louis, Cincinnati, Pittsburgh and the New York area patiently biding their time. They want to see where the strength lies when the smoke clears following the Boston explosion.

John Quinn, general manager of the Braves hinted at a "package deal" with the Giants involving several players.

Perini Called off Deal

It was learned that the Braves had all but completed a deal that would have sent shortstop Alvin Dark, Sain and Stanky to the Giants for outfielder Willard Marshall, shortstop Buddy Kerr, a top flight pitcher and a bundle of cash. At the last moment, president Lou Perini stepped in and called the deal off because he did not want to let Dark go.

In the meantime, the American League clubs were lining up their sights, eager to bring home some new players for Christmas. Managers Casey Stengel of the New York Yankees and Bucky Harris of the Washington Senators huddled for 90 minutes.

The Yankees are said to be after Senator pitcher Rae Scarborough and-or first baseman Eddie Robinson. They are prepared to give up second baseman George Stirnweiss, outfielder Johnny Lindell and first baseman Dick Kryhoski for the slugging Robinson. The Nats would want much more for Scarborough.

Ike Retains World Crown

PHILADELPHIA (AP) — Ike Williams still rules the lightweights but he intimated once excitement in his dressing room than he did outpointing Chicago's Freddie Dawson in Convention Hall's ring.

The champion, in an unusual pre-fight press conference last night, called reporters to his dressing room and told them he feared a "fix."

Williams related that he received a telephone call that afternoon in which the caller said if the bout went the full 15 rounds the championship would change hands.

Gives Story to Writers

Frank (Blinky) Palermo, who signed a contract to manage the Trenton, N. J. fighter for another three years, refused to give credence in the report. But at Williams' insistence called the sports writers from upstairs.

Ike refused to elaborate on his statement or give the name of the person who called him.

But after taking a unanimous but close decision from Dawson that displeased many in the house of 10,389, Williams said his fears apparently resulted from a "bum steer."

The odds, however, on the champion dropped during the day from 12 to 3 to 7-5 to 9 as plenty of money showed for the Chicagoan. In three previous non-title bouts they fought a 10-round draw, Williams won by a knockout in another and took the third by a close decision.

Acting Chairman George Jones of the State Athletic Commission said he had no knowledge of any reported fix.

Championships Extended by Foe

It looked for several rounds, especially in the closing sessions, that Dawson might lift the crown which Williams won by knocking out Bob Montgomery in 1947.

The bobbing, weaving, in-fighting Dawson was a real puzzle for Ike, who likes to stand up and punch. Not once did Williams land his pay-off punch. He did get in probably the hardest blow of the fight—and that isn't saying much —in the 13th. It was a solid left to the head.

Dawson made his best showing in the 12th and final heats but his blows from the inside were not hard enough to make the champion give ground.

PANTHERS SHOW CAGE PROGRESS

Things are starting to look up at the East End as Bellows' cagers show first signs of forming into a strong quintet and thereby put in a bid for honors in the SWIAC loop this year.

Jack Hasley has held two scrimmage sessions for his Panthers in the last four days, meeting Iona Prep last Friday and then a workout with an alumni quintet last night at the Bellows High gymnasium. The results of both tests were somewhat heartening to the Panthers widely-touted opposition although anything would have been encouraging after the way half of the unit operated last week. The East Enders had the best of the score in both frays although they were held on a strictly practice basis. Providing the opposition last night was BHS graduates, Red Talley, Harvey Harriott, Tom Walsh, Steve Evangelista, George Vladenider plus Don Anderson. Anderson is still in school but is ineligible for basketball.

The Panthers' coach seems to have his varsity unit set at ten men and it is almost certain that the other candidates will be assigned to Jayvee action this year. The players who have all but clinched regular berths are Danny Evangelista, George Fischer, Ed Feldt, Al Petrie, Bill Cummings, Steve Johnston, Panky Vitetta, Ken Dellner, Ed Kayner and Joe Benedict. Six of these will be lettermen and eight are seniors. So it looks as if the East Enders will be out to make the most of their advantage while it lasts.

The squad numbers 20 at this writing and that's the way it will stay, in all probability. Hasley made what he said would be the last "cut" a week ago today and that takes the burden off the younger hopefuls who weren't quite certain whether they would be around long.

The biggest improvement in the last six days has been the change in playing style of the cagers who played football just before they reported for court drills. Some of them forgot to leave their blocks and tackles on the Daniel Warren gridiron and were quite free with their bodies for a while, which was only natural. After a few days to get acclimated, they settled down and showed no after-effects whatsoever in the scrimmage sessions.

Hasley also had tryouts for the Bellows Junior High team which will be entered in the new SWIAC Junior High League. As was expected, a slew of lads signed up for tryouts and that almost clinches a smooth flow of material in the future.

Carnera Tops Mat Program

Primo Carnera, who has nearly reached the same status in the wrestling world as he formerly occupied as heavyweight boxing champion, will make his second appearance at the County Center Thursday night when he meets husky Ivan Kamoroff of New Haven.

Carnera recently returned from a successful tour of the Mid-West to find Antonino Rocca wreckking havoc on Eastern mats. The 275-pound Carnera promptly arranged a match with Rocca and battled the Argentinian to a draw in New York. In his last appearance at the White Plains arena, "Big Preem" grappled to a draw with Gene "Mr. America" Stanlee.

Irish Mike Clancy will meet Paro Rinaldi of Italy in the semi-final.

The special attraction send George Macracostis, the Golden Greek, against Hardy Kruscamp of Hollywood, Calif.

In the remaining bouts, flashy Tony Cosenza of Long Island meets rough George Bruckman of Washington, and Irish Jack Reilly of Boston faces Pedro Ortega, Cuban importation.

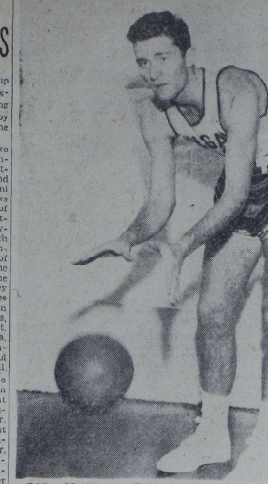
Tiger Gridmen Feted Tonight for Service

The varsity, Jayvee and Junior High football players of Mamaroneck High School will be feted tonight at the annual MHS pigskin banquet which is again being held in the Junior High cafeteria, starting time is 7:15 P. M.

Penn State's nationally famous physical education director, a varsity grid mentor at that school for 18 years, is to be the featured speaker, attending at the request of Hilltop coach Harry Harrison, who played under Higgins when he was in college. Other prominent persons who will attend include Eddie Dooley, ex-Dartmouth All-American who will serve as master of ceremonies, Lou Amonson, coach of New Rochelle's county champions, George Roster, head mentor at Groton High of Yonkers, Don Hemaley, one of Pittsburgh's greater gridiron performers, and Jerry Donnelly, head of health and physical education for New Rochelle schools.

After Mr. Higgins talk to the scholastic gridders, movies of Mamaroneck HS games during the last three years will be shown and also films of some Penn State contests in recent years.

Tickets will be available at the door this evening.



BOB JOYCE, ex-Bellows three letter athlete, and currently a member of the Colgate basketball squad, gets set to fake-and-go. The 6-foot, 2-inch guard, brother of Yale's captain, Dick, is an aggressive rebound artist and great defensive player. A soph Joyce is a reserve guard on the Red Raiders' varsity and may see extensive service in Madison Square Garden Dec. 13 when Colgate's speedy quintet faces NYU. Bob was on the 1943-44 East End quintet which brought the SWIAC title to Bellows for the first and only time.

Harold Kopp, Eli Line Coach, All-County Dinner Speaker

BY GUIDO CRIBARI

Harold Kopp, line coach and assistant to Herman Hickman at Yale, will be guest speaker at the annual All-County Football banquet of the Westchester County Publishers Inc. Thursday evening at the Florence Hotel in Tarrytown.

Kopp, recognized as one of the finest line tutors in the country, was an outstanding athlete at Western Maryland, where he played both in the backfield and on the line under Dick Harlow. He was a star performer in baseball and basketball as well. He later caught for the Chattanooga Baseball Club of the Southern Association before deciding on a coaching career.

His first coaching assignment was at North Eastern, and prior to World War II he assisted Skip Staley at Brown University. During the war he served with distinction as a major in the First Infantry Division and participated in the original landings in France.

Aide to Harlow at Harvard

After leaving the service, he assisted Harlow as line coach at Harvard during the 46 and '47 seasons. Later he was named headman at Connecticut U. He joined Hickman's staff at Yale in the Summer of '48.

Recently, the versatile Eli mentor, was named line coach of the North team for the annual North-South clash at Miami on Dec. 26. Last year he tutored the Eastern College All-Star line which upset the New York Professional Football Giants.

Kopp is bringing with him movies of the Yale-Harvard game as well as pictures of the 1948 Cotton and Sugar Bowls classics. He is also expected to be joined by a star member of the 1949 Yale varsity.

Appearing with Kopp as a guest speaker will be the sports columnist, Jimmy Powers, a resident of Tarrytown.

Hugh Robertson, vice president of Westchester County Publishers, will serve as toastmaster.

Honors for All 3 Teams

A gathering of some 90 is expected to attend, composed of the 34 Westchester scholastic gridmen named to the first, second and third All-County teams, their coaches, and sportswriters and sportscasters. Trophies will be awarded all 34 players by the Publishers group, as well as the "Coach of the Year" plaque which will be awarded this year to Coach Ronald Lindeman of the undefeated Hastings High 11.

The Most Valuable Player Trophy awarded annually by Joseph Colarusso of Mount Vernon to the player who receives the highest vote in the All-County poll, will be presented to star halfback Dick Yaffa of New Rochelle. Yaffa drew the biggest vote in six years of All-County, countywide balloting.

The gala affair, a fitting climax to every schoolboy grid season, will start promptly at 5:30 P. M.

BOSSIO, TORRES MEET IN BOXING FEATURE

Bill Bossio, flashy young featherweight from Pittsburgh, and aggressive Jose Aponte Torres of the Bronx clash tonight in the feature eight-rounder at the County Center in White Plains.

Bossio, former Navy bantamweight titlist and 1948 Olympic team member, is considered one of the best feather prospects to come up in some time. Since turning pro, the Pittsburgh punisher has won 10 of 15 starts, including six via the kayo route. He is managed by Chris Dundee.

Torres is regarded as a spoiler and should provide Bossio a severe test. Two weeks ago the Bronx Puerto Rican clicked with Center fans by staging a corking draw with Art Llance.

Phil Morizio, Brooklyn lightweight, meets Al Smith of Oconomowoc, Park in the semi-final six rounder. Another six brings together Mo Osario, Puerto Rican featherweight, and George Sanchez of Cuba.

Three four-rounders complete the card. In one Chuck Calabrese of White Plains makes his pro debut against Roman Barchuk of New York. In the two other fours Joe Perriello of the Bronx faces George Huloman of Bayonne, and Manuel Sanchez tangles with Terry O'Shea of the Bronx.

Rec Cagers Set For First Tilts

The opening frays of the Mamaroneck Recreation Basketball League will be played tomorrow night at Mamaroneck Avenue School, according to an announcement by Bill Celestino, director of the circuit. The Warriors and Tarheels are slated to have the honor of taking the first dribbled and firing the first shots as they get the season under way in a tilt at 7:15 P. M. One hour later the Ravens taken on the Wildcats in the second half of the evening's cage double header.

The other six teams in the ten-team circuit get in their initial action next Monday. At that time there will be a triple header. The Mules will trade basketsits with the Basketeers then the Red Riders tackle the Cyclones and, to wind up the night, the Knicks clash with the Renegades.

The outfit which holds the best record Thursday clinches the Rec League crown during the 1949-50 tests will be sent to White Plains to represent this area in the county amateur championships at the County Center.

A total of 18 action-packed weeks are ahead of the youngsters, all under 16 years of age. Their regular season will end on February 6th when a double-bill winds up the schedule. However, a lot of leather will fly through the MAS hoops in the meantime.

Grade 6C Nabs Soccer Championship at MAS

Miss Clayton's Grade 6C racked up its second intramural athletic championship of Mamaroneck Avenue School by blanking Grade 5M in a soccer tilt yesterday. The Claytonites had captured the football title previously and added the soccer award with their 3-0 victory on the school's athletic field.

Members of the winning class include: Isaac Coleman, Robert Fleming, George Frioli, Ken Krezel, Carmen Rainaldi, Gabriel Stingone, Jerome James, Albert Noletti, Ted Rhindfleisch, Donald Albert, John Persampen, Clarence Sanford and Dan Wright.

The basketball and kick-ball seasons are next for students of Mamaroneck Avenue School.

Al Kircher, Michigan State's new head basketball coach, was a football, basketball and baseball standout for the Spartans as an undergraduate.

YALE-NYAC TEST DRAWS INTEREST

Only two collegiate hockey games have been contested on Playland's ice this young season and already the hockey set is buzzing about the coming battle between the NYAC sextet and Yale. St. Nick's has been the door mat in a pair of experiments thus far, to see just what the comparative strengths of these two teams was and many observers still aren't convinced that's away. The Yalemen stormed all over St. Nick's last Thursday, copping an easy 9-0 triumph after the Winged Footers had whipped the same club 10-3 and Thursday before.

Two Bays hence the two triumphant outfits come together in what can easily be termed the most closely matched battle of the infant season. The Elis are young, fast on their skates and have a good, tight defense. They also have seven sophs on the squad, athletes who paced last season's Yale frosh unit to an unbeaten record. One of these second year men, Ted Shay by name, creased the St. Nick's nets thrice last week and another, Mike Brown, netted the disc twice. Watts Gray, top scorer on the Yale quintet which came to Westchester twice last year and won both times, had to be content with one goal and an assist in the New Haven collegians' curtain raiser. Shay is the son of a former Canadian pro hockey star and every indication points to his following in dad's footsteps. He stated that he would stick to his regular net minder Terry VanIngen, ex Yale goalie, although Ed Beauden had returned to the team. Beardsen was the Larchmont Eagles' goal guardian in the title run and could unseat Terry as Elis in shape.

The old Larchmont line of Center Billy Briell, and wings Doug Morrison and Ken Braun are assigned to start with Jim McFarlane of Hanson and Pete Taylor, the other attacking combos. Lanny Holmes and Church Safarik form one defensive unit with Stan Williamson and Bob Burke as the others.

Another possible addition to the NYACers is Warren Cerney of Bronxville Cerney, who was a WHL record last year when he hit the red light five times and counted six assists in a Bronxville victory, is a flashy skater and puck handler and would be immediately assigned to one of the four groups. Game time Thursday will be about 8 P. M., immediately following the scholastic engagement.

NYAC officials state emphatically that more data on the additions to the squad would be known later today.

GLOBETROTTERS MOVE INTO CENTER SUNDAY

Mike Bloom, former Temple University basketball star, will lead the formidable Philadelphia Sphas against the Clark Twins of Indiana in the opening game of the double-header Sunday at the County Center. The Harlem Globetrotters make their first appearance of the season on the White Plains court against Dutch Dehnert's New York Celtics in the feature.

In addition to Bloom, the 6-6 center, the Sphas boast Joe Greenberg, Lasalle College captain last year; high-scoring Len Wilen, Villanova star, and Bob O'Brien from Pepperdine College of Los Angeles. All but Klotz tower over the six-foot mark. The Sphas have won three Eastern League championships and seven American League titles in their 21-year history.

The Globetrotters may be in for a surprise from the reorganized Celtics whose coach, Dutch Dehnert, is credited with originating the pivot play that revolutionized the sport while playing with the Original Celtics. One of Dehnert's proteges on the Original Celtics was Joe Lapchick of Yonkers, now the coach of the New York Knickerbockers.

He has gathered together a tall squad which included his son, Bob who formerly played for Columbia. Others who figure to see plenty of action against the Globetrotters on Dec. 11 are Ray Wilson, Bill Allen, Jim Cascia, Norm Baker, Bob Karstens and Doyle Cofer.

The center twin-bill will be augmented by some outstanding vaudeville acts between the halves, including Ray (Hoop-La) Wilbert.

Favorites On Top In Major; Bert's Boys Sock 1010 Pins

All the favorites bowled their ways to victories in Major League kegling at the Larchmont Rec Center last night, the 12th week of activity for the Majors this season.

After having their victory skein halted at 11 last week, the Depot Ways smothered the Bo-Pets to bounce right back on the win trail. Bert's Boys edged the Sportsmen although their run of snutouts were clipped, the insulators came from behind to belt the Electrec 2-1 and the Flinns also made an about-face to unload the Expressmen by a similar tally.

The defending champ Bert's Boys unleashed a terrific assault on the maples in their initial game, establishing a new season-all mark for team singles with 1010 pins. In that spree Adams rolled a 922 single, which turned out to be high for the evening.

The number four man in Bert's attack swept up family honors by continuing along for a 571 pinfall.

There were only six games over the double century barrier and the Dertmen accounted for four of them, three in the record setting single. McDonald, Nolan and Testerman ripped off the others while Manny Salasin of the Sportsmen, Burns of the Expressmen and Paul Jones of the Flinns got into the act too. Needless to say, Bert's lads compiled the best unit pinfall. Salasin was just two maples off the top individual one-game score.

Other team leaders were; Johnny Smirze of the Depots, Tom Hogan of the Insulators, Tom Frangella of the Electrics, and Bill Cottle of the Bo-Pets.

STEPINAC FETES VARSITY ELEVEN

By BILL ROACH

WHITE PLAINS — Archbishop Stepinac High School's first varsity squad was feted by the Stepinac Fathers Club in the school auditorium last night. More than 1300, including a dozen sport celebrities attended the first club's father and son affair.

Among the speakers were Ed Danowski of Mount Vernon, Fordham U. football coach; Chick Meehan, former Syracuse and NYU grid mentor; Tommy Loughran, ex-light heavyweight champion; Jimmy Powers of Tarrytown, sports columnist, and Ralph Branca, Brooklyn Dodgers pitcher who hails from Mount Vernon.

Other guests who were also introduced were Frank Brisante of White Plains, termed by Meehan as one of his greatest players at NYU; Ray Impellitiere, former heavyweight boxer; Tommy Tiso, golf pro at Vernon Hills Country Club; Glenn Loucks, White Plains High School grid, basketball and track mentor; Steve Hamas, former All-American grideer and boxer, as well as Athletic Moderator Rev. Joseph McGann, Athletic Director Nat Volpe, Head Coach Richard (Rus) Weeder, and assistant coach Joe Sullivan. Bill Krywicki, Cardinal Hayes H. S. coach, and Howie Smith, coach of Mount St. Michael's.

Dick Meehan, former baseball and basketball official, turned in consumate and successful job as master of ceremonies. John Feeney, noted Irish tenor, preceded the speakers with three Irish selections.

Autograph Ball for Principal

Joe Buderwitz of Tuckahoe, quarterback and captain of the 11 presented a football autographed by last season's undefeated Notre Dame team to Stepinac principal Rev. Joseph Krug, who also paid homage to the team. The grid team spokesman also presented tokens of the team's esteem to the members of the athletic department.

26 Get Letters

Major football letters were awarded to the following men:

Al O'Neill of Larchmont; Al Barry and Pete Claydon of New Rochelle; Andy Senatore and Joe Galimi of Mamaroneck, and 21 others.

Minor letters went to Joe Mascia of Mamaroneck, Don McLaughlin of scarsdale; Larry Travers of New Rochelle, and 23 others.

SWIAC JUNIOR HIGH CAGE LEAGUE FORMED

RYE—Formation of a new junior high school basketball league among Conference members highlighted the annual meeting of Southern Westchester Interscholastic Athletic Conference officials at Rye High School last night.

Jack Jarvis of Eastchester, president of the SWIAC loop, announced that the new set-up will encompass boys in the 7th, 8th and 9th grades, under sixteen, and who have had no previous jayvee or varsity basketball experience.

The league will play on five successive Saturday mornings, beginning Jan. 28, with five of the six member schools participating. They are Eastchester, Bellows, Harrison, Pleasantville and Rye. The sixth member, Edison Tech., has no junior high.

During the meeting, SWIAC league trophies were presented to the cochampions of football, Pleasantville and Harrison, with respective coaches Pete Kuracheck and Angelo Cuccaro accepting on behalf of their schools. Oscars were also presented to members of the 1949 SWIAC All-Star grid eleven.

The league also approved a list of football officials for 1950, and it was announced that four officials started of three will work all SWIAC games from now on.

The Conference also awarded the site of the 1950 track and field championships to Rye High School. The date is May 24, and a committee composed of Carl Sorensen of Eastchester, chairman, Fred Wuertzbacher of Bellows and Al Nagell of Edison Tech. was placed in charge.

Combing The Town

Up in the Air

Taking issue with Monday's Daily Times which extolled a model airplane that really flies, the Junior Air Busters Model Club today proudly pooh poohed the feat. They perform it, they say, with regularity.

It seems the junior airmen, small-fry component of a senior unit with 30 members, build models that not only fly, but fly where the youngsters want them to. Powered by gasoline motors and guided by lines, the planes created by members of the club are flown every Sunday, usually at Playland.

Last Sunday, for instance, a nine-year-old, Robert Beer of 519 Hill Street, Mamaroneck, successfully test-flew his first model. But officials of the club were quick to point out that he is only one of the more than a dozen youthful enthusiasts who have done the same thing.

Car Goes for a Spin

A car owned by Taylor Peques of 484 North Avenue, New Rochelle, went on a rampage all by itself around 11 o'clock last night when it slipped its brakes after Mr. Peques had left it parked in front of 5 Harmony Drive, Larchmont.

The car gathered momentum as it rolled down the hill, jumped the shoulder of the road and ran onto the property of Arthur Sterling at 1 Harmony Drive, tearing down about eight feet of picket fence and uprooting shrubbery.

There was no damage to the car, and Mr. Peques has offered to pay the damages of approximately $60, Mrs. Arthur said this morning.

Mayor to Speak

Mayor B. J. Santoro will speak Friday following the American Legion oratorical contest at 8 P. M. at the Mamaroneck Post 90 clubhouse, Prospect Avenue.

The contest, in which five Belows High School students are participating, will revolve around aspects of the subject, "The Constitution of the United States." Members of the Pro-Neck School Board, teachers and the general public have been invited.

A similar contest at Mamaroneck High School under the auspices of Larchmont 347 will be held at a school assembly at 10:20 A. M. Friday.

Intruder is Choosy

One Larchmont Christmas shopper could be thankful that the sneak-thief operating on Edgewood Avenue yesterday was feeling rather choosy.

The resident returned home late yesterday evening to find that several parcel post packages left on the doorstep during her absence had been rifled. An inspection of the contents revealed that nothing had been taken, however, the thief apparently not being in need of a red necktie with green palm trees or a pair of orange socks with vertical blue stripes.

Smith Honored

Hoyt D. Smith, principal of Mamaroneck Junior High School, was honored at a banquet during the conference of the State Secondary School Principals Association at Syracuse this week as the organizing chairman and first president of the New York State Association of Elementary School Principals.

Mr. Smith, who also participated in presenting a 200-page report, made the trip to Syracuse in his private plane and returned to Mamaroneck yesterday.

No Sympathy

When a pedestrian slips and falls on the street, it's usually an occasion for sympathy from passersby, but a pedestrian who went overboard at the corner of Chatsworth Avenue and the Post Road, Larchmont, got little sympathy this morning.

Youngsters passing on their way to school only howled with glee at the catastrophe when the cop at the corner slipped on a slick spot and ended up sitting red-faced on the curb surrounded by the delighted audience.

Honor Colleague

One of the two scrolls presented Miss Helen McLoughlin, retired principal of Mamaroneck Avenue School, Monday at a testimonial dinner at the Washington Arms was prepared by Miss Grace Shea, art director of the Mamaroneck Avenue Schools. It bore the signatures of the teachers who had served with Miss McLoughlin. They also presented her with a gift.

Last Chance

Speak now or forever hold your peace.

Well, maybe not forever. But if you have anything against the 1949-50 Town of Mamaroneck budget proposed by Supervisor Owen A. Mandeville and approved by the Town Board, you'd better say it at the Weaver Street Fire House tonight at 8:15 when the Council holds a public hearing on the subject.

Pictures in 'Life'

Life Magazine's special Christmas issue ought to be popular among students of the Chatsworth Avenue School this year.

Among the pictures scheduled to appear are several taken yesterday of scenes in two plays presented by the school's Dramatic Hobby Group.

WARNING ISSUED ON CONSERVATION OF COUNTY WATER

Official Notices Go Out Calling For Action To Avert Crisis

An official notice calling for earnest conservation of water in Westchester is going forth today from three officials, and will be distributed among business and apartment house owners, manufacturers, hotels and restaurants; municipal officials, police and fire departments, schools, and building and plumbing inspectors.

The public notice is issued by County Health Commissioner William A. Holla, County Public Works Commissioner James C. Harding, in his capacity also as Zone Coordinator of the Water Works Mutual Aid Plan, and Albert E. Kassay, chairman of the Westchester Water Works Conference.

Water Famine Threatened

Pointing to the threat of a water famine, the three officials request all private citizens, corporations, public bodies and other agencies tailing water from public water supplies in Westchester, regardless of whether a major portion of such supply comes from the New York City system, to make every possible effort toward conservation.

Specific suggestions to householders are made as follow:

Check all plumbing fixtures for leaks; use dishpans for washing dishes; do not wash face and hands under an open tap but draw a small amount in the basin; in tub bathing, do not fill the tub, but limit depth to two inches; in shower bathing turn off the water while soaping and use water only for rinsing; keep drinking water in a container in the refrigerator instead of allowing it to run to cool; do not leave water running while brushing teeth or shaving; do not wash auto more than absolutely necessary

AIR MAP ORDERED OF PARKWAY AREA

$35,000 Appropriated to Survey Proposed Sprain Brook Improvement

An aerial topographic map of the proposed Sprain Brook Parkway through Bronxville, Yonkers, Greenburgh and Mount Pleasant, together with adjacent areas which may be constructed, has been ordered by consultant engineers and will shortly be made.

This was learned today, following revelation yesterday that vital land near Central Park Avenue, Yonkers must be acquired for a clover-leaf connection of the parkway with the avenue, and also following disclosure that the first state park in Westchester, estimated to cost $13 million, may be constructed on Ridge Road Picnic Area in Greenburgh.

The State Council of Parks has appropriated $35,000 for the engineering survey, which will include the map of ground contours made from the air. The aerial map could not be obtained until all leaves were off trees but is now under way.

The consultant engineers retained by the State Council of Parks include three who were formerly with Westchester County and are, therefore, thoroughly familiar with county parkways and geography. They are Gilmore D. Clarke, Leslie G. Holleran, and Charles D. MacDonald was for many years County Engineer.

Plans for the state park, it was admitted, are still nebulous, and it may be several years before construction, county officials said today. However, it is believed the policy has been established that if the state wishes to develop the park at state expense, the county will cooperate. The county is to supply the right-of-way for the parkway, also, with construction at state expense.

Democratic Club Maps Policies for New Year

A nominating committee to suggest candidates for offices next year was appointed last night by Joseph Hunter, president of the Mamaroneck Democratic Club, at a meeting at Carpenters' Hall, Ward Avenue.

Names were Nicholas Leon, Francis P. McGeough, Mrs. David Chisholm, Harry Kurzrok and Mrs. William Hornidge.

A discussion concerning future policies of the club, including improved services to the community, featured the business session. The club plans to increase its membership and interest young voters in the activities of the club as well as the process of their government.

DROP FARE RISE PLEA, ICC URGED

Askwith Charges Appeal For Commuter Boost By-Passes PSC

Herbert Askwith of 3 Concord Avenue, Larchmont, again led the Westchester Commuters Group into the fray against the New York, New Haven and Hartford Railroad, at New York State Public Service Commission headquarters in New York City this morning, as he proposed that the railroad has gone through the court of first resort, the New York State Public Service Commission.

He said that the legal staff of the ICC could not provide him with any precedent for the action being taken by the New Haven in which it seeks to have a federal agency grant an increase over the objection and without the approval of a state regulatory body.

He said that the New Haven, under the section of the law it is invoking must show that the state PSC either has no intention of arriving at a final decision or has been "unduly slow" in arriving at a decision. He charged that the records of the case show that the opposite is true.

"The railroad has been slow," he said, "not the PSC, adding that the railroad has been guilty of a delay of more than a year in presenting its case before the PSC. He declared that

MRS. CHAMBERS FACES CROSS-QUIZZING TODAY

NEW YORK, (AP) — Counsel for Alger Hiss today sought conflicting statements in the testimony of Mrs. Whittaker Chambers, wife of the prosecution's chief witness in the Hiss perjury trial.

When Mrs. Chambers resumed the witness stand for her second day of cross-examination, Claude B. Cross, attorney for Hiss, read from a transcript of testimony she gave in Baltimore last year in a libel suit Hiss brought against Chambers.

Cross told the witness she testified at the present trial that Mrs. Hiss remained overnight at her home in Baltimore during Mrs. Chambers' second pregnancy.

Melting Snow To Make Roads Icy As Temperatures Drop

The light blanket of snow which covered Westchester this morning and then started to melt, is expected to cause icy roads tonight as temperatures drop to about 25 degrees. Tomorrow will be cold also according to the Weather Bureau, which predicts a high of only 38.

The snow, which began to fall about 3 A. M., continued until about 7 o'clock, when it turned to a freezing rain. At that time, two inches of snow had fallen at the Westchester County Airport. The temperature was 29 degrees and the freezing rain made roads slippery.

At 7 A. M. Parkway Police reported that all parkways were slippery, but by 9 o'clock, they said parkways had been sanded and were safe. State police said roads in Northern Westchester were not bad, but they urged caution. Municipal crews sanded street intersections and grades.

If the temperature falls to 25 tonight as predicted, the melting snow and rain of today will freeze, making roads and sidewalks extremely hazardous. Motorists are urged to use caution and proceed slowly.

The snow clouds may have done some good. If the snow which was falling over most of New York State today, piles up the three to six inches predicted by weather men, it may aid the water supply.

But a spokesman for the New York City Department of Water Supply pointed out today that 10 inches of snow is equal to only one inch of rain, so the reservoirs would not be helped much. The snow on the watersheds would have to melt to replenish them, and there is little chance of melting with the first cold wave.

TAFT ASKS LABOR LAW IN GOP PLANK

Wants 'Improved and Perfected' Measure In Platform For 1950 Drive

WASHINGTON, (AP) — Senator Taft called today for a "perfected and improved" Taft-Hartley labor law as one of the planks in a Republican platform for the 1950 elections.

He offered the idea in a report to Ohio voters, released here. Taft also said his party is "opposed to excessive taxation and to government interference with business through price-fixing, wage-fixing, rationing or government competition."

"The Republican Party insists on a sound basis of fiscal security by a balanced budget and a level of taxation which does not deter business expansion as it has done in Great Britain," he said, adding:

"It is completely opposed to Socialism as destructive of liberty and progress."

Taft said the Federal Government should concern itself with preventing the destruction of business freedom through monopoly and unfair competition.

"Furthermore," he said, "it must concern itself with the abolition of all special privilege for employers or employes and the maintenance of equality between business and labor in labor-management relations as it has done through the Taft-Hartley law. That law should be perfected and improved."

Bad Weather May Postpone Paper Drive

If the weather's bad Sunday, the American Legion paper drive, scheduled to start at noon, will be postponed one week, it was decided last night at a meeting of the executive committee of Mamaroneck Post 90.

James V. Keery, a member of the executive committee and chairman of the paper drive, reported trucks for collection have been procured. Legionnaires will use *Donnefrio's*, 513 Waverly Avenue, as a disposal point for paper collected.

The drive Sunday, if favored by the weather, will be the second collection of the seventh year of Legion paper drives. Should weather seem likely to interfere, an announcement will be made in Saturday's Daily Times.

Fifty booklets, entitled "110 Things You Should Know About Communism" will be distributed to doctors and dentists' offices in Mamaroneck and copies will be left at the Mamaroneck Free Library by the Post Americanism Committee headed by Isidore Linehan, it was announced.

Commander Roger Harper named Irving Weiner chairman of the past commanders' dinner committee and Edmund T. Lowery chairman of the annual New Year's party for the second successive year.

PRINCIPAL FIGURES at the annual Fall Sports Banquet of Mamaroneck High School, held last night, are shown above. They are (left to right) Eddie Dooley, All-American at Dartmouth in 1926 who served as toastmaster; MHS Coach Harry Harrison, and Bob Higgins, athletic director at Penn State University. Harrison, who gained All-America mention while captain of the Penn State eleven in 1937, was rated as one of the best climax runners in Penn State history by Higgins, who coached the Nittany Lions from 1930 through 1947. GOVERNMENT OK'D URANIUM TO REDS

Acheson Says Licenses For Shipments Were Approved Twice In 1943

WASHINGTON, (AP) — Secretary of State Dean Acheson said today that the Army's wartime atomic bomb project approved government licenses for the shipment of uranium compounds to Russia in 1943.

In a news conference statement Acheson recalled that two export licenses were granted in March, 1943, and another in April, 1943. In November, 1943, he said, a license was granted by the Board of Economic Warfare for shipment of 1,000 grams of heavy water to the Russians.

"The lend-lease records now held by the department," Acheson said, "show that none of these export licenses was permitted without approval of the Manhattan Engineering District."

The Manhattan Engineering District was the Army's name for the agency that developed the atom bomb.

The Secretary in effect denied charges by former Air Force Maj. George Racey Jordan that secret State Department documents had been illegally transported to Russia.

Light Docket Yields $24 in Traffic Fines

A light docket netted Larchmont Police Court $24 last night as Judge John R. Cahill heard six traffic violation cases.

Louis Eisenberg of New York City was fined $10 for crossing a white line and Daniel Nardozzi of New Rochelle paid $5 for passing a full stop sign. Elsie Freedman paid a $3 fine for a parking offense and got off with a suspended sentence for driving without a license when she produced the document in court.

Parking fines of $2 each were paid by Larchmonters Vitalis L. Chalif of 1 Boulder Road, Evan Friedman of 69 Hickory Grove Drive and Edith M. Mahon of 48 Maple Hill Drive.

Rex Beach, Famous Novelist, Kills Self At Florida Home

SEBRING, Fla., (AP) — Rex Beach, seventy - two, nationally known novelist, was found dead of a pistol wound in the head at his home near here this morning.

His death was pronounced suicide by County Judge J. Howard Livingston and Sheriff Broward Coker.

Beach had been suffering from a throat ailment for three years. His body was found by a nurse who brought him breakfast, Sheriff Coker said.

His nurse, Miss Tania Simonian found the writer in his pajamas on the floor of his second story bedroom. The body lay by the bed in which he had slept through the night.

Beach was in the midst of a psychological novel, "Woman in Ambush," on which he had completed 27 chapters. He had not worked on it for several months.

This Summer, Beach's life was despaired of for a while at Miami where he had gone for treatment for his throat.

Medical authorities in Miami said the noted novelist suffered from cancer of the throat. No mention of his ailment was made previously because Beach wanted it that way.

He is survived by a brother, Elmer Beach of Raleigh, N. C., and a brother-in-law, veteran actor Fred Stone of Los Angeles. Stone spent last Winter with Beach.

The author came to Sebring in 1927 and started development of a farm at Avon Park. Earlier he had lived at Ardsley, N. Y., and one of his novels was made into a movie at a Yonkers studio.

GEN. GROVES SAYS ATOMIC MATERIAL WENT TO RUSSIA

Bomb Project Chief Tells Of Red Espionage During World War

WASHINGTON, (AP)—Lt. Gen. Leslie R. Groves testified today that Russia got some atomic material from this country during the war, but he doesn't know how many shipments "because we don't know how many leaked through."

Groves told the House Un-American Activities Committee that within a month after he took charge of the atomic bomb project in 1942 he knew personally that the "Russians were engaged in espionage on that project."

The committee is trying to find out about wartime atomic deals with the Russians and whether they were influenced by former Vice President Henry A. Wallace and the late Harry Hopkins, close friend and advisor to President Roosevelt.

On the point of Soviet espionage, Groves said the approach always was made "through my subordinates."

Groves said the spying efforts he knew about were here in Washington and not at Oak Ridge, Tenn., one of the main centers of the big atomic project.

Wallace has denied he aided the Russians in getting any atomic materials. Friends of Hopkins also have declared they feel certain he did not.

The hearing got underway nearly 45 minutes late with only two committeemen present, Representatives Walter, D., Pa., and Harrison, D., Va.

Groves, now retired from the Army, told at the outset of taking charge of the Manhattan Project in September, 1942 and running it until Jan. 1, 1947, when it was

U. S. To Meet Demands To Free Yanks

WASHINGTON, (AP) — The United States today announced it will comply with terms broadcast by the North Korea Communists *for the release of two Americans* held captive since September.

Secretary of State Dean Acheson made the announcement at a news conference which *did not*, however, bring any word as to whether U. S. Consul General Angus Ward actually has begun his long trip to freedom from Manchuria.

The two men being held in North Korea are Economic Cooperation Administration officials.

A North Korean broadcast yesterday said the pair will be released if the United States sends someone to get them.

Department Monitored Broadcast

Acheson said the State Department had monitored the broadcast. But he made plain the department has no way of knowing whether the release proposal was authentic.

Nevertheless he said an American diplomatic official will be sent from Seoul, the South Korea capital, to the border with North Korea to receive the two.

William Wells Arouses Family in Dense Smoke at 2 A.M.

A 16-year old Larchmont Eagle Scout rescued his mother and sister from their smoke filled rooms at 2 o'clock this morning and then leaped to safety from a second floor window as Town firemen battled a stubborn blaze in the living room of the house.

William Wells, Jr. of 180 Weaver Street awoke to find his room full of thick smoke. Remembering his Scout training in fire procedure, he leaped from his bed and called the Weaver Street Fire Department. Then he threw himself to the floor and crawled under the swirling smoke to his mother's bedroom, awakened her, and told her to get out as fast as she could. He then fought his way back through the smoke to the room of his twenty-year old sister, Priscilla, and saw her follow her mother down the smoke filled stairway to safety.

William then crawled from room to room on the second floor, shutting all the doors to minimize the draught. When the last door was closed, exit by the stairs was impossible due to the heavy smoke, so William leaped 10 feet to the ground from the bathroom window, escaping with a minor cut on his heel.

When the Fire Department arrived, the intense heat from the burning furniture had started a second blaze inside the wall that had spread into the second story flooring and threatened to burst through and into the roof in a matter of minutes.

The firemen chopped into the wall and were almost overwhelmed as a geyser of flame shot into the living room with the

Property and Funds on Hand Go to Parent YMCA In New York

Closing date of the Fort Slocum Air Force YMCA is Dec. 15, it was announced at the final meeting of the YMCA's Board of Managers last night, since that is the date by which all casual airmen will have left the post although a small standby staff will remain on the base until Feb. 15.

The disbursements of closing dates were made at a dinner meeting of the board in Locust Arms Restaurant by Lieut. Col. Philip R. Deubler, commanding officer of Fort Slocum, and Raymond L. Dickinson, vice president of the YMCA of the City of New York.

All properties and funds remaining at the close of the Slocum Y will revert to the Board of Directors of the YMCA of New York for disposition, since that board as sponsor has jurisdiction.

Kostov Treason Trial Starts in Bulgaria

SOFIA, (AP) — Former Vice Premier Traicho Kostov, once Bulgaria's No. 2 Communist, went on trial before a special court today charged with plotting to overthrow the present regime and turn his country over to Premier Marshal Tito of Yugoslavia.

Standing trial with Kostov and 10 others—former top government officials and leading figures in the nation's Communist-run economic setup. All appeared in good health as they walked into the improvised courtroom.

The trial opened in the Army's central home while nationwide demonstrations organized in cities and villages condemned the "traitorous actions" of the accused.

PRAYER FOR TODAY—Dear God, to whom the future belongs: Use me as a pioneer of a better world. Make me more worthy not only for the benefit of myself but for that of all people. In these unusual times, when the fate of peoples and of nations appears to be gravely at stake, make me strong enough and willing enough to be entrusted with a personal stewardship, so that I may effectively give of myself for the common good.

ONE REASON: LESS RAINFALL

WHILE, as previously published, there was almost as much rain last Summer as in 1948, despite a general public impression to the contrary, nevertheless the truth is that here in Westchester we have had four consecutive years of reduced Summer-month precipitation.

The County maintains seven rain gauges. These are at Woodlands Lake in Ardsley, Pleasantville, the County Airport in Harrison, White Plains, Maplemoor Golf Course in White Plains, Larchmont and Easthester.

The records of these seven gauges show, for the typical Summer month of July, that while we had an average of 3.44 inches this year, and 4.09 inches in the same month last year, along with 4.05 in July of 1947 and 4.77 in July of 1946, we had in the same month in 1945 a total of 7.14 inches. That is far more nearly normal.

Nor need we restrict the comparisons to July. Let's take the five months of June, July, August, September and October. The cumulative rainfall for these five months this year was above 12 inches, in 1948 it was more than 15 inches, in 1947 more than 16 inches, in 1946 almost 21 inches, and in 1945 more than 22 inches.

Thus, the figures show a steadily decreasing precipitation in Summer months in Westchester during the last five years, that is one reason why we now face a shortage. If, on the other hand, we had one light year and one heavy year, in rainfalls, we might not be so worried. But the history of the last five years shows the rainfall may decrease over successive years. Who knows, for instance, what we may expect in 1950?

We may build more reservoirs, we may dig deeper wells, we may conserve in consumption, but one thing we cannot do is induce Nature to give us more rain.

Shakespeare told us many years ago that

"The quality of mercy is not strain'd,
"It dropeth as the gentle rain from Heaven
"Upon the place beneath."

Unfortunately, not enough has dropped in recent years upon Westchester.

CHAMPAGNE OR BEER RELIEF?

PRESIDENT Dwight D. Eisenhower of Columbia University, speaking recently before the St. Andrew's Society in New York City, quite properly warned of the increasing trend of the Truman administration to usher America into a socialist state. He was particularly critical of the "give-away" tactics of the administration, criticism recently emphasized also by former Secretary of State James F. Byrnes and Dr. Vannevar Bush.

The latter, one of our foremost authorities on atomic energy, has gone so far as to declare that this trend toward a Federal-sponsored "soft security" is a greater threat to America than Russian armaments. Russia undoubtedly will conquer us, said Dr. Bush, if we become "a people fawning for handouts on an intriguing bureaucracy."

But to return to President Eisenhower, we are alarmed to read that the "Columbia Daily Spectator," student publication, has vicariously attacked one of the university president, who had said in his St. Andrew's Society address that maybe part of our trouble is that too many people want from the government "champagne and caviar when they should have beer and hot dogs."

To this the university publication replied on Monday:

"Being content with beer and hot dogs has never been part of the American tradition we know. The one we know assures any citizen that he may some day eat champagne and caviar, and in the White House at that."

There, we submit, is an alarming attitude, even if expressed by the scholastic adolescent mind. Granted that our college students of America have never known any type of national government other than the Fair New Deal, nevertheless we feel this frank expression is extremely disturbing.

It is, in effect, the sentiment that the government owes the citizen a living, and that this living is not merely constituted of necessities of life, but rather of the most costly luxuries. Beer and hot dogs are not good enough for the relief recipient, according to the university publication's youthful editor; instead, such recipients deserve the best, champagne and caviar.

This, then, is the educated citizen of tomorrow! This is the college graduate who apparently does not know that every barrel, even the taxpayer, has a bottom beyond which government cannot reach! This is the type of mentality which approves monthly checks from Washington to 25 million citizens!

Is there any wonder that the average adult American taxpayer sometimes wonders if college is the best place for his children?

Try And Stop Me

By BENNETT CERF

Warner Oliver tells a story of the days when a high-pressure mail-order vaguer was hired to boom sales of the Encyclopedia Britannica. The name of an untutored planter deep in the native bush of Australia turned up unaccountably on one of the mailing lists, and in due course he received a series of the mail-order demon's dynamic bulletins.

The last of them warned him sternly that his set in Sydney would be reserved for him only two days more. After that, as far as the Encyclopedia Britannica was concerned, he was strictly a dead duck. The planter, seized with panic, drove forty-eight hours without rest to get his prize before it was too late.

"Where is it?" he demanded hoarsely of the agent in Sydney. When the agent pointed to the set on the table, the planter stared incredulously, and then groaned in dismay. "My God! They're books!"

U. N. SONG

Question: I heard a song sung by an opera star which had something to do with children and the United Nations. I would like to find the name of the song and who wrote it. Mrs. T. B.

Answer: We believe that you heard "The Children's Letter to the United Nations." Three years ago, during United Nations Week, New York City schools were observing the opening of the first General Assembly. A kindergarten teacher was explaining the goal of this organization to her students. She wrote down the comments of the children and sent them to Warren R. Austin. It was this letter that inspired the composing of the song.

MISSING STATUE

Question: Where is the monument that has statues of three Revolutionary War heroes and a vacant spot which was to have been dedicated to Benedict Arnold? W. B.

Answer: You are referring to the Saratoga Monument at Schuylerville, which commemorates the surrender of Gen. Burgoyne on Oct. 17, 1777. There are four niches in the base, three of which contain statutes of Gens. Schuyler and Gates and Col. Daniel Morgan. The vacant fourth niche symbolizes Benedict Arnold's later betrayal of the American cause.

CHRISTMAS DONATION

Question: Each year at Christmas I like to contribute what I can to some worthy cause. It was suggested that I send my contribution this year to St. Faith's Home. Where and what is this home?

Mrs. F. S. F.

Answer: St. Faith's Home, for unmarried mothers and their babies, is at 33 South Broadway, Tarrytown.

SEE A LAWYER

Question: I was married for three years and then one year ago my wife told me to get out. After I left I put a notice in the paper that I was no longer responsible for her debts. Now I have received her last gas and electric bill. What I want to know is do I have to pay it? The court has denied my wife alimony pending trial for a divorce.

K. K. K.

Answer: We would like to help you, but we are not qualified to do so. It would only take a few minutes for an attorney to answer the question for you. If you did not know any lawyer, call the Westchester County Bar Association, White Plains 9-8484, and ask if anyone in that organization can help you.

WRITES SONGS

Question: Some time ago you printed some suggestions for new song writers which I noticed because a son was just beginning to show some interest in it. Now the same son is convalescing from a serious illness and wants to try some song writing, both the lyrics and the music. Can you suggest where I can get some information to help him get started? He is particularly interested in the form that should be used in submitting songs to publishers

Mrs. A. P. D.

Answer: For advice about writing songs, copyrighting, selling etc., write to the Song Mart, 1650 Broadway, New York City. Warn your son, however, that his chances of getting a song published are very slim. It costs about $1,000 to introduce a new song, plus more to plug it. Publishers are wary about investing such a sum in a newcomer.

Lewis Truce Seen Appeasement To Miners, Families For Yule

By RAY TUCKER

WASHINGTON—The embattled John L. Lewis' present strategy in his dispute with the government and the coal operators resembles the tactics of the military commander who met his frantic aides' advice to surrender to superior forces with this calm reply.

"My right wing is broken! My left wing is retreating! Therefore, I shall order the center to attack!"

Nor does Mr. Lewis' grudging order for resumption of a three-day work week represent any basic change in his long range plans.

It is only a truce and is designed solely to appease complaining miners, their wives and children during the holiday season.

WORRIES — The resourceful head of the United Mine Workers has his worries, plenty of them. He had expected to break the solid front of the operators as his rival, Philip Murray, smashed the solidarity of the steel corporations in his deal with Bethlehem. He did not want to call a strike that would, as some of his followers say, "kill Santa Claus" in the coal fields.

He has not won a major victory for his miners while Mr. Murray's gains were being acclaimed inside and outside the labor movement. It is no wonder that some of the Iowa-born Welshman's admirers ask: "Is the old man beginning to slip?"

SWITCHING — John L. however is not frightened by interested and disinterested warnings that his demands for higher pay, shorter hours and welfare funds will price coal out of the market, and thereby destroy him as a labor or political power. He prepared for that possibility long ago.

He knows that householders are switching to oil and gas for heating as never before. He realizes that the government hopes to extend the field of hydroelectric power for industrial purposes. His charts tell him that almost every railroad except the coal-carrying lines are shifting from his fuel to diesels.

Superficially, it would seem that eventually, and largely because of the tribute he exacts, there would be a constantly lessening market for his "black diamonds." The operators' spokesmen, government intervenors and his own people have asked if he had given any thought to this prospect.

SHIFT — The unequivocal answer of the political alchemist is that he has been studying that problem for years. His solution for the question of a dwindling market for coal as energy is the growing need for it as a base for hundreds of plastics and synthetic articles. That, is what he means when he says, in effect, he will order his "center to attack."

Ten years ago, he organized District 50, and placed his brother, Dennis, in charge of the new union. While the older and more picturesque brother has been hogging the headlines, mixing in politics and parading through the U. S. courts, Dennis Lewis has quietly obtained a grip on most of the large and small industries which require coal and its by-products for the manufacture of everything from glass to nylons.

Should Mr. Lewis be defeated in the domain which he has ruled for so long, he will shift his operations into a field which is less susceptible to government or management control because it ramifies through all American industry.

POPULATION—John L.'s ever-present concern is the almost tragic decrease in the mine population during the very years when he was making them one of the highest-paid group of workers in the United States.

Whereas he once commanded an army of almost 600,000 men and their families, the number of soft and bituminous workers has dwindled to approximately 400,000 possibly less, and is growing smaller every day. Two factors lie behind this trend.

The young men are refusing to follow their fathers and grandfathers below ground, a movement which was accentuated by their broadening experiences in World Wars I and II. They are unwilling to live, marry and bring up their children in the mining towns and on the hillsides of the scarred regions. They want a fuller, a brighter, a better life.

DRIFT—No sociologist, John L. has neglected entirely this aspect of the human problem. He has not concerned himself with such living standards as homes, schools, sanitation, health etc., save as he has obtained more money. And that alone is not enough.

To keep his army intact and prevent or slow increasing mechanization, he must continue to obtain higher wages, a shorter work week, medical care and pensions. He cannot stand still, especially as the benefits he has brought them since NRA days and the period of his friendship with Franklin D. Roosevelt have not sufficed to check the drift away from the mines and from him.

Thus, unless he can emerge from his new attack more victoriously than he has in the recent past, there may be no "center" with which to charge.

Lou Rigano Chosen Most Valuable Player On MHS Team; Receives Seixas Award

Plain talkin' Bob Higgins, for 18 years head grid coach of Penn State University's Nittany Lions, related some of his experiences to approximately 100 persons who sauteed at the Mamaroneck Junior High School cafeteria last night for the Hilltop's annual Fall Sports Dinner. Higgins' speech was the feature of an entertaining evening as the MHS football and cross-country teams were honored.

Eddie Dooley of Mamaroneck, an All-American quarterback at Dartmouth in 1926, was toastmaster, introducing Higgins and various other prominent figures in the local and county sports world.

The final act of the evening was the presentation of the "Bud Seixas Trophy" to Lou Rigano, named the Most Valuable Player on the Hilltop varsity unit during the 1949 pigskin campaign. Rigano received the impressive-looking trophy from Bud Seixas, son of the donor, Claude L. Seixas. The recipient of the award last year was Joe Petruzzo who is now at Maryland University on a "Charley Keller" scholarship.

Higgins sprinkled humorous talks into his short address but drove home the point that high school boys should learn through their athletic adventures that advice from their parents, principal or coach should be respected and remembered. Before closing, Higgins, who now holds the post of athletic director at Penn State after retiring from active coaching, singled out Harry Harrison, current MHS grid mentor, as one of his greatest scat-backs. Harrison was captain of the 1937 Penn State edition.

Eddie Dooley M C

Dooley welcomed the faculty, students and guests to the affair after everyone had enjoyed a steak dinner, served by the MHS cheerleaders who were under the supervision of Miss Deverea, the amiable Mamaroneck High teacher who donated her services.

First speaker was Principal Joseph C. McLain who gave his congratulations to the teams, cheerleaders, band and other groups which made the football season such a tremendous success. Mr. McLain also explained the financial setup which makes possible the uniforming of athletic teams throughout the school term.

Superintendent of School T. James Ahern then was introduced and lauded Coach Harrison for his amazing coaching job, stating that he didn't think a winning season was possible when he watched the 1949 practices. Mr. Ahern added an apology to the footballers for their sacrifices in journeying all the way to Manchester Island each day while work was in progress on Manchester Field.

Cross-Country Coach Ed Puritz was next to face the mike and he paid tribute to his harriers, explaining their earnest efforts in a winless season. The hill and dalers turned right around and gave a gift to their mentor in recognition of his unselfish service. Captain Doug Stevens handed the gift over for his mates.

Bill Howell, coach of the Mamaroneck Junior High eleven, stressed the profit gained from a schedule for the Tiger Juniors and his boys then made a gift presentation to him. Co Captains Bob Gulnee and Bob Rex doing the honors.

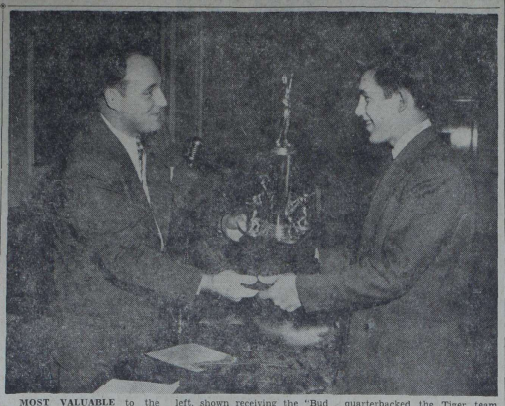
Jayvee Coach John L. Sullivan brought out a good point in his brief talk, claiming that his "little boys had big hearts." His message that Johnny Montanaro handed to Sullivan over a firm handshake came straight from those big hearts.

Lou Amonson, who directed the New Rochelle High School eleven to the WIAA championship and the spoiling of an undefeated campaign for the Hilltop, was sincere in his contention that "New Rochelle teams have, and always will have, great respect for Mamaroneck squads." He labeled the Tigers expertly coached and spirited."

Other notables who were introduced to the gathering were Bellows High School athletic director Jack Hasley and coach Jack Fearon, Police Chiefs Arthur Martensen and Paul Kersey, Assistant Superintendent of Schools A. Z. Tuttle, H Richmond Campbell, managing editor of The Daily Times, and Luther Nelson, member of the board of education.

Coach Harrison and Line Coach Orlando Cinaco were high in their praise of this year's footballers and both were presented gifts of appreciation from the varsity squad by Captain Mike Bruno, one of ten seniors who have played their last games in the Orange and Black uniform. The entire program was handled in a professional manner.

Movies of Mamaroneck High games over the last four years and Penn State films from 1937 on were shown after the formal ceremony.



MOST VALUABLE to the Mamaroneck High School football force during the 1949 campaign, as judged by the players' votes, was Lou Rigano, left, shown receiving the "Bud Seixas Trophy" from Bud himself at last night's Fall Sports Banquet in the spacious Junior High School Cafeteria. Rigano quarterbacked the Tiger team which won six out of seven this year and ended in a tie for second place in the WIAA League. —Staff Photo

Tiger Sextet Guns For NT Hilltop

Hilltop hockey rooters will get the night of puck-handling under way with a face off at 6:45 P. M. Last year the Bengals ended in a second place tie in the county scholastic loop, six teams entered at that time. However, there are just four members this year and this each team will see action at least once every two Thursdays. The other entries are New Rochelle and Greenwich, the latter nabbing a victory last week.

Eight men from last season's Hilltop squad have departed, which leaves only wingman Johnny Staropoli, defensemen Ted Lyons and Herb Guthrie, and goalie Ed Tillman to form the nucleus of the sextet. Miss Edith Sirica will direct the MHS team, the only female hockey mentor in this area. She will be assisted by Jack McConnell and Bud Steiner, former Mamaroneck High standouts.

Tillman, who gained experience as a sub for Buddy Carmer last season, is a certainty to guard the MHS nets, while Staropoli and Senior Bob Murphy will be at the wings. A young Canadian, Gus Berlanger, will be the opening center while Guinzie and Kenny will man the defensive positions. Lyons and Staropoli were elected co-captains earlier this week.

FINK SEEKS REVIEW OF JOCKEY CLUB BAN

NEW YORK, (AP)—An attorney for Jule Fink, Cincinnati horseman, said today he had filed papers in the Appellate Division of the Supreme Court seeking a review of the Jockey Club ruling denying Fink a license to race horses in New York.

The Jockey Club's ruling was approved by the State Racing Commission Nov. 3. Fink is owner of the Marlet Stables with some 18 thoroughbreds in training.

A joint board of the commission and Jockey Club said that because of Fink's "undoubted close business and personal relations with bookmakers" it would be detrimental to the best interests of racing to issue him a license.

Charles H. Tuttle, attorney for Fink, said the appeal will challenge *the authority of the Jockey* Club and review board.

He said the principal point in the papers is that the joint board, consisting of two Jockey Club stewards and three racing commission members, is inimical to the American sense of justice and fair trial.

Fink said, "I'll spend every quarter I have fighting this case."

Englishmen, Architects Roll Shutouts In 'Times' League

The Architects and Jerry Enz-entry got on the move in Daily Times League action by rattling the Larchmont Rec Center wood for 3-0 victories last night while their league lead over the second place Friendly Servicemen as both chalked up 2-1 wins. Thus the advancing was left to the outfits in the lower section of the DT circuit's first division.

The maple mashing for individual honors was even more interesting as eleven games soared into the classy 200 pin sector. High man for the night in one-game pinfalls was Dick Eggers of the Architects with his 235. Although that tally was good in its own right, Sal Mazzarella of the Englishmen and Lou Pekrul of the Taverners staged a real old fashioned dog-fight for the high triple. Mazzarella, rolling two titanic singles of 211 and 215, edged into the lead during the final games and took the evening honor with 625. The league leaders' ace accounted for 611.

Don Treganowen of the Oilers saved some glory for his crew by taking second place in singles action on a 224. Pekrul was third with an even 220. The other 'over 200' performer games were credited to She,ard, Chet Russell, Russ Malz, Nuonan and Kitchings. Eggers just missed slipping over the 600 pin mark, falling two short.

The Architects and Taverners split team laurels, the former compiling 2789 for three and the latter hitting 950 for one.

Lillard, Dallas Clerk, Takes Lead in Bowling

CHICAGO, (AP)—William Lillard, twenty-two-year-old Dallas clerk, today led 46 bowlers into the semi-final round of the National All-Star Tournament. Lillard posted a score of 4,959 in the 24 game preliminaries.

Lillard was followed by Tony Sparando, veteran New Yorker, who shot 4,936, and Joe Norris, Chicago, who turned in 4,934.

HAROLD KOPP, line coach at Yale University and former three-sport star at Western Maryland, and featured speaker at the Westchester County Publishers Inc. All-County football banquet at the Florence Hotel in Tarrytown tomorrow night, is shown directing a Yale workout during the past season. Former assistant at Harvard and Connecticut Universities, Coach Kopp is recognized as one of the outstanding line tutors in the country. He was recently named line coach of the North team in the annual North-South game in Miami later in the month. Thirty-four players selected for the three All-County elite, their coaches and sports writers and sports-casters, will be guests of the publishers at the banquet which will get underway at 5:30 P. M.

TORRES RIDDLED BY BOSSIO IN 8

By GUIDO CRIBARI

WHITE PLAINS — Bill Bossio, a clever, young featherweight from Pittsburgh, treated County Center fans to a tingling exhibition of ring generalship last night as he punched out a machine-like victory over veteran Jose Aponte Torres of the Bronx in the headline eight-rounder.

Displaying talent galore in either hand, the twenty-one-year-old Pennsylvanian poured leather continuously at the perplexed Puerto Rican through eight interesting rounds and registered one of the most decisive decisions seen at the Center in some time.

Torres never had a chance with the educated ex-Navy bantam champ and Olympic team member, who handles himself like a real veteran campaigner. Bossio pecked away at Torres' features both from inside and at long range to score at will. The Pittsburgh lad paced himself expertly, and convinced the small Center crowd that he is a scrapper to be reckoned with in the future. He is handled by the master craftsman Chris Dundee.

Bossio, who at 119 1-4 spotted his opponent some four pounds, was awarded all eight rounds by Judges Steve Acunto and Tommy Nelson. Referee Antonne Micalle saw it 7-1 in favor of the Penn Stater.

The win was the 14th in 16 pro starts for Bossio, who has won six times via kayos. It was the 7th loss in 34 attempts for the veteran Torres, who has gone the distance with two champions, Willie Pep and Phil Terranova.

The fecture was the lone bright spot on probably the dullest card of the season. In fact Bossio packed more ring knowledge in one round than the remaining card combined. In the semi-final Phil Morizio, 132 1-2, of Yorkville took an unpopular decision from Jose Cardenas, 134½, of Mexico City after six slow heats.

Another six saw George Sanchez, 124 3-4, of Cuba flatten Nas Osario, 125, of Puerto Rico in 1:44 of the fifth.

Two of the three opening four-rounders also ended in kayos. In one George Holdman, 154, of Baltimore scored via a technical kayo yonne won via a technical kayo from the debuting Cari Calabrese, 155, of White Plains in 0:29 of the third round. The other was Manuel Sanchez, 128, of Puerto Rico stop Robert Valentin, 133, of Puerto Rico in 1:52 of the third.

The final four, a good scrap between two game youngsters, went to Roman Barcnuk, 143 3-4, of the East Side over Frank Navedo, 145, of Cuba.

Next Tuesday, Joey Atria meets Jimmy Donnelly in the main go.

INDIANS NAB HURLER FROM PORTLAND CLUB

BALTIMORE, (AP) — Bill Veeck, dynamic ex-president of the Cleveland club is gone but the Indians are still stealing the show from the rest of the major league clubs.

While the others were feinting and fencing but apparently accomplishing nothing in their efforts to swing the first big trade at the minor league convention, the Indians came up with one of the finest pitching prizes in the minors.

He is Hal Saltzman, twenty-four-year-old righthander who won 23 and lost 13 for the Portland club of the Pacific Coast League. General Manager Hank Greenberg of the Indians, who announced the purchase last night, said Saltzman cost Cleveland five players besides an undisclosed amount of cash. He estimated the deal represented a $100,000 purchase.

Apparently taking his cue from the Indians, Frank Lane, general manager of the Chicago White Sox announced the purchase of outfielder Bob Wilson from Sacramento of the PCL for three unidentified players and cash. That, too, was a $100,000 investment, *according to Lane.*

PAIR OF BOUTS PACE FRIENDLY VILLAGERS

The Pharmacists and Sal's Gals continued their torrid pace in the Friendly Village ladies bowling league by posting 3-0 shutouts on the Mamaroneck Rec Center alleys last night while the Marketeers were upsetting the Expressettes with a clean-cut 2-1 triumph. The Pharmacists thus maintained their five game spread over Sal's femme keglers and stayed away from double figures in the loss column.

However, the highlight of the evening's rolling was not the team races but an individual effort by M. J. Downer of the second place unit. Miss Downer, after recording an average pinfall in her first two tries, went on s pin-busting rampage and carved out a 221 single, high for the Friendly Villagers this year. Vi Lemon of the Markettes boosted her team to a decision with a 505 triple but Downer bested that with 542, only to have Elise Rhoads of the Pharmacists come along and register a top production of 546. Rhoad's series was featured by two games of 193 maples.

The other team pacers were Claire Giancola, Martha Lemon, and Ethel Heyer. The Pharmacists' quintet marked off an 1813 team pinfall, far and away the top tally of the night.

NYAC-Yale Clash Tomorrow Shapes Up As Crowd Pleaser

The anticipation of a death-lock struggle with Yale at Playland tomorrow night prompted the NY-AC sextet to engage Princeton in a pair of practice tilts in the last three days. Outskating the Tigers at Princeton last night in the final tune-up, the NYACrs, Westchester stars, were pronounced in perfect shape by Coach Orision MacPherson.

Both the Eli and Winged Footers have copped one victory thus far, both handily trimming St. Nick's on the Playland ice in their respective openers. The county group hasn't seen any "regular game" action since batting the Nick's around by 10-3 in the season opener four weeks ago but Yale only last Thursday tore the same sextet apart 9-0. On the basis of comparative scores in their base hops, the New Haven couerglans stand as a slight choice to trip the hard checking NYACers. A scholastic tilt will serve as the prelim with Mamaroneck and North Tarrytown getting their initial tests starting at 6:45.

Although they were already loaded with talent, the Westchester team has added three more men to its roster in the last week. Harry VanDyke, for 20 years a standout in college and amateur puck circles has decided to give it one last fling and Bronxville's Warren Cerney was picked up to supplement the three forward lines. The other addition is Goalie Ed Bearden, standout net minder for the WHL champion Larchmont Eagles last year. Bearden will ride the bench at the outset with Terry VanIngen guarding the NYAC cords.

Yale's county alumni turned out in force last week and was treated to a sterling exhibition, all by their favorites. Soph sensation Ted Shay and Mike Brown were nothing short of terrific in their varsity debuts, the former netting the disc three times and Brown tallying twice. "Watts" Bray, high scorer on the 1948-49 Yale sextet, settled for a goal and one assist as he enjoyed the newcomers' successful entrance. With seven of last year's sophcaton frosh "six" now graduated to the varsity, Yale seems vastly improved. They have lightning speed, both in the shooting and there are three sets of offensive units to keep the burden off any one group. Coach Murry Murdoch of Yale didn't attempt to hid his satisfaction with the blasting of St. Nick's and he firmly believes the Elis will put in a firm bid for the Ivy League hockey crown this campaign.

Meanwhile, NYAC mentor MacPherson has his three regular attacking lines ready. The starting unit will be Bill Briell at center with Ken Braun and Doug Morrison at the wings. Pete Taylor, another ex-Eagle and Harrison's Jim McFarlane center the other lines, Lanny Holmes and Chuck Safarik get the starting defense posts with Stan Williamson and Bob Burke as alternates.

Last week's turnout exceeded the 500 mark with the prospect of a tighter struggle, the Playland Casino should be filled to capacity tomorrow night. Next week St. Nick's takes over as the home team and Princeton will furnish the opposition. Army may fall in line for a tilt this season also.

The Westchester County Parkway Police Choir and Glee club will give a recital between the periods of the feature tussle.

CARNERA AIMING FOR MR. A-ROCCA WINNER

Primo Carnera will be shooting for a match with the winner of the Antonino Rocca-Mr. America *Garden meeting when he faces* Ivan Kamoroff in the feature attraction of tomorrow night's mat show at the County Center, White Plains.

In his last appearance here, the 275-pound Carnera gave the Mr. America quite a going-over before a capacity crowd that booed the draw verdict.

Kamoroff, a husky Russian who now makes his home in New Haven, is well-known to local mat fans as an experienced scientific wrestler.

In the semifinal, Irish Mike Cancy of Boston will tackle Faro Rinaldi of Italy.

Hardy Kruscamp of Hollywood, takes on George Macracostis, the Golden Greek, in a good attraction. In the other bouts, Irish Jack Kelly of Boston meets Pedro Ortega, the Cuban champion, and Tony Cosenza of Long Island faces George Bruckman of Washington, D. C.

TABLE TENNIS LEAGUE

YONKERS — Yonkers Westside Grasslands Hospital 4 to 3 last night. This was the first match Table Tennis Club defeated in the Hudson Valley Table Tennis League since before the war.

"I've found out"

"This I know... Carling's Ale has a character all its own. There's a clear, delicious flavor to Carling's that no other beer or ale can match."

Combing The Town

Quick Explanation

More people—more garbage.

That was Supervisor Owen A. Mandeville's reply last night to the only criticism of the Town of Mamaroneck budget for 1950 voiced at the public hearing at the Weaver Street Fire House.

Mrs. Louise Finney Chisholm commented that the $3,300 deficit in the garbage department, more than 10 per cent of the total 1948 departmental appropriation, "seems rather large."

The Supervisor explained that the inability to estimate the large increase in population was responsible. "You have to pick up the garbage," he declared, adding that more people mean more garbage and a consequent rise in labor and other operational costs. The deficit will be met by 1950 taxes.

Record Improving

Communities served by the Westchester Joint Water Works, the Town and Village of Mamaroneck and Harrison, are apparently turning in a good water conservation record as compared with most of the rest of the metropolitan area.

Last night, Edward Clark, chief engineer of the New York City Department of Water Supply, when told by Superintendent William Thrasher of the drop registered here during the last week, was impressed and suggested he would publicize the figures as an example.

During December local consumers have used an average of 8 per cent less water daily. This, however, is still 8 per cent short of the 15 per cent goal.

A Good Try, Anyway

Mamaroneck dog-owners have a harried life these days as they try to keep the police happy by controlling the dogs, and the dogs happy—by hook or crook.

One owner telephoned police yesterday to tell them that despite the fact he had muzzled his pet on two separate occasions before allowing him to roam, the dog had arrived home later minus his muzzle. His heart was in the right place, he just wanted to let the police know, he said, in case they apprehended his hound.

Winners on Display

If prizes were being given for window dressings around town, the Larchmont Potocenter at 1887 Palmer Avenue should take first honors this week and next.

The photographs on exhibit there are the cream of the village's amateur photography, as selected last night by Max Joseph, famous photographer and instructor at the Larchmont Camera Club's competition in Mamaroneck High School.

Promoted to Corporal

Promoted to the rank of corporal recently was Harold F. Radcliffe of 117 Florence Street, Mamaroneck, who was graduated last April from the USAF clerical school at Ft. Warren, Texas. He is the son of Mr. and Mrs. H. F. Radcliffe.

Corp. Radcliffe received his promotion while stationed at Maxwell Air Base in Montgomery, Ala.

He was graduated from Bellows High School in June, 1947, and enlisted in the air force in October of the following year.

Exhibit at Theater

A one-man exhibit of water colors and charcoal portraits by King Po, Chu of Larchmont Acres, Larchmont, instructor of art in the Mamaroneck Adult Evening school, is now on display in the lobby of the Mamaroneck Playhouse.

The exhibit, which contains 22 Americana, imaginative compositions and portraits, was formerly on display at Mamaroneck Senior High School. Mr. Chu is a commercial artist, and has worked with comics, oils and portraits.

Chimney Survey

A worried Larchmont mother was reassured by her five-year-old son yesterday when she found him after a frantic five-minute search of the Larchmont Public Library, where she had gone to take out a book.

The tot was discovered behind a notice-board in the fireplace, contemplatively gazing up the chimney.

He just wanted to know, apparently, if Santa Claus would fit this one.

5 Above Zero Due Tonight

Westchester is scheduled to get a taste of Winter cold tonight. The Weather Bureau forecast is for temperatures as low as 5 degrees above zero.

Temperatures yesterday went up to the mid-40s, almost clearing the snow away. But last night was dangerous for driving as melted snow froze in patches on roads with the temperature down in the low 20s.

Tomorrow's prediction is for temperatures not above 30. A bright note in the forecast is for clear skies. No more snow is predicted for a while at least.

Police warn county motorists to exercise caution particularly on shaded curves where the sun does not have a chance to dry up the water.

TEACHER'S PET and the class goat are one and the same in grade 1D at the Chatsworth Avenue School in Larchmont. All 23 kids are shown above at feeding time in the classroom. Taking the nourishment is "Penny" the yearling nanny goat belonging to Miss Kathryn Palmer, the teacher, and introduced to the classroom for the first time last week after having been trained for the job since she was able to jump. "Penny" was born on Miss Palmer's farm in upper New York, and is now boarding at the goat-farm of Michael Carbino near the Larchmont railroad station. "Penny" takes an active interest in class-room goings-on and even has developed some taste for literature. One story which a little boy had written about her, the appreciative goat literally gobbled up. The children are collaborating on a book about "Penny," and from time to time will bring their own pets to class to meet her.

RYE TOWN ADOPTS HIGHER BUDGET

No General Tax Levied For Fourth Year Despite $2,622 Increase

PORT CHESTER — For the fourth successive year there will be no general tax in the Town of Rye, under the 1950 budget which was approved without a single word of opposition at a public hearing last night.

Surpluses from the sale of real estate enable the town to carry on its affairs without a general tax, Supervisor Arthur G. Sammarco explained, even though the $275,045 budget is $2,622 higher than last year, and despite 10 per cent pay increase to all but three officials and employes.

The increases, including one of $745 for Supervisor Sammarco to bring his salary to $8,198, total $7,665 for the 33 on the payroll. The only employes who will not receive raises are three newly appointed policemen, not yet eligible for increases.

Sharp Boost Seen In Book Lending Here

A substantial jump in the circulation of books at the Mamaroneck Free Library during November was reported yesterday by Miss Eleanor Merrow, librarian, at the December meeting of the library trustees. A total of 5,627 volumes was checked off last month, an increase of 750 over November, 1948.

A large share of the increase was attributed to a gain of 53 per cent in the juvenile department, which lent 600 more books in November than in the same month in 1948.

The figure for the juvenile department was the highest since November, 1941, the librarian said, as she commended the work of Mrs. Theodore V. Bennett, children's librarian.

Miss Merrow also reported continued popularity of the music collection from which 225 records were lent for home use in addition to 35 hours of library listening by adults and 32 hours by children.

Men's Club to Fete Women With Hawaiian Music, Food

It'll be like a night in Hawaii when the Larchmont Men's Club plays host to the Woman's Club of Larchmont at 8 P. M. Monday in the Murray Avenue School, according to George E. Suddell, program chairman, who today announced a program which runs from Hawaiian dancing girls and orchestra to Hawaiian pineapples and coconuts.

Heading the list of entertainers will be Johnny Kaonohi Pineapple and his famous Hawaiian orchestra playing the soft, enchanting music of the islands.

An additional star will be Kaiulani, beautiful and charming comedienne, who with her native Hula girls, will present a performance of classic Hawaiian dances, modern and comedy hulas.

Climaxing the stage show will be a sound movie, "Highway to Hawaii" in Kodachrome, which has been billed as presenting "all the vivid color, romance and enchantment of the Paradise of the Pacific."

As a social hour following the exotic entertainment program there will be Hawaiian refreshments including pineapples, coconuts with native table decorations and Hawaiian leis which are being flown here especially for this event by a United Air Lines mainliner.

Fate Of Madison Avenue Lies In Prospective Repair Bill; 5th Ave. Extension Weighed

If the expense of extending Fifth Avenue to Chatsworth Avenue in Larchmont promises to be less than the cost of necessary repairs to Madison Avenue, residents favoring the dead-ending of Madison Avenue will probably have their way.

This was the point at which the Mamaroneck Town Council left the controversy last night after it reviewed a study by the County Planning Commission urging the move. The matter had been referred to the Commission following a heated and bitter hearing Sept. 14 when residents of the area aired the pros and cons.

Residents of Madison Avenue and Lafayette Road want the street barricaded to divert all traffic away from Madison Avenue. They asserted at the hearing that heavy traffic, largely commercial and New Rochelle-bound, constitutes a dangerous hazard and depreciates real estate values. Their opponents, mainly residents of Fifth Avenue, claimed the granting of the request would show discrimination in favor of one particular area.

Fifth Avenue, a popular artery for traffic between New Rochelle and Larchmont, forms the stem of a Y with Madison Avenue and Myrtle Boulevard as its arms. The proposal under consideration, if approved, would mean cutting off

2ND BULGAR RED ADMITS TREASON

Nachev Follows Stefanov Action at Sofia Trial — Kostov Repudiates Guilt

SOFIA, (AP) — A second one-time Bulgarian Communist leader today pleaded guilty to charges of treason and spying as a special court resumed its trial of 11 former government and business leaders.

The latest guilty plea was entered by former Deputy Construction Minister Nikola Nachev. Former Finance Minister Ivan Stefanov pleaded guilty yesterday.

The defendants are headed by former Deputy Premier Traicho Kostov who is accused of being Bulgaria's No. 1 Communist traitor.

(Tass, the official Soviet news agency, reported in a Moscow radio broadcast heard in London that Kostov yesterday repudiated confessions of a previous confession of guilt to charges of plotting with Yugoslav Premier Marshal Tito and British intelligence agents against Bulgaria's Communist regime.)

As in the recent Hungarian treason trial, the defendants are accused of plotting to overthrow their country's Red regime and put the nation under the domination of Marshal Tito.

HOLY NAME MEN SET BUFFET FETE

Will Hear Report of Drive For Clothing Tonight At Holy Trinity

The men of the Holy Name Society of Holy Trinity Church, Mamaroneck, will hold a father and son buffet supper tonight at 8:30 in the school cafeteria.

Edwin B. Dooley, chairman of the Cardinal's Thanksgiving Clothes and Soap Collection, will submit a final report of the recent parish drive and movies of the World Series, 1948 Fooball Highlights, and Aqua Sports of 1948, will be shown.

Edward Robinson is chairman of the affair, assisted by William McBride, Charles Crone, James Feeney Jr., Michael Sheahan, Joseph O'Neill, George Goodliffe, John Sheehan, Thomas Neon, John Pearun, James Hogan, James Doyle, James Morris and Thomas Gronberg.

The Rev. Thomas E. Kelly, pastor, is moderator of the society and William F. O'Connor is president.

Auto Damage Suit Started Before Coyne

A suit over an automobile and truck collision on the Boston Post Road, Mamaroneck, on Dec. 27, 1946, is on trial before Supreme Court Justice Frank H. Coyne and a jury in White Plains.

Plaintiff in the action is John W. Aitken Jr., of Stamford, Conn., a former New Rochelle resident, who is seeking $10,000 for injuries and $1,040 for damage to his car, in a suit against the Stockwell Transformer Co., owner of the truck, and its driver, Leonard C. Gathercole, both of New Hampshire.

The truck caught fire and burned after the collision.

Foshay's Shop Entered; Only Scissors Taken

Burglars who last night broke into Harry Foshay's Print Shop at 124 Mamaroneck Avenue, Mamaroneck, ransacked a safe and desk drawers, took only a pair of scissors, Mr. Foshay told police this morning following an examination of the premises.

The thieves entered by smashing a pane in a rear window and unlatching a bolt. The safe, which contained nothing but papers, had been left open. The entry was discovered by police at 12:48 A. M.

A BOMB PROBERS SEEK NEW DATA

Hope to Show Russia Got 500 lbs. Uranium In July, 1944

WASHINGTON, (AP) — House probers are on the trail of more wartime atomic shipments to Russia—shipments No. 4 and 5.

They have reason to believe perhaps 300 pounds of uranium compound reached the Reds around July of 1944. And they think they may be able to spot proof that the Russians got 1,000 grams of heavy water.

The Un-American Activities Committee also is trying to find out just what former lend-lease officials William C. Moore and James P. Hoopes had to do with shipment number two back in the Spring of 1943.

It wants to know why Lt. Gen. Leslie R. Groves, boss of the atom bomb project, was reported to have approved the shipment when Groves said he didn't.

The committee is exploring, too, an idea that the Soviets might have side-stepped the lend-lease administration to get some atomic materials elsewhere.

But except for some checking on items like these by the committee staff, the latest atomic explosion on Capitol Hill apparently has just about subsided until Dec. 19.

Moore, Hoopes and former Vice President Henry A. Wallace may be witnesses then.

Wallace will get a chance to deny under oath what Groves has already denied for him, that Wallace put on pressure and overruled Groves to get atomic materials for the Soviets. Wallace has termed this "sheerest fabrication."

It was a radio commentator, Fulton Lewis Jr., who said Wallace was the source of pressure.

Wallace telegraphed the committee that "I would like to meet my traducers face-to-face before your committee at the earliest possible moment."

Groves, now retired, told the committee yesterday that the late Harry L. Hopkins, White House adviser and lend-lease expediter, didn't apply pressure on him either.

As for Wallace, Groves said that to his knowledge the former Vice President saw only one of the reports on the wartime atomic project written by Groves in 1943.

ASCHNER TO DISCUSS NEW STATE AT FORUM

Dr. Ernest Aschner, formet chief of the Haifa bureau of the Palestine Post, will discuss "The New State of Israel — Extinction of or Vital Spark to the Jews the World Round" following a late Forum Service at the Westchester Jewish Center at 8:30 P. M. Friday.

A member of the Center, Dr. Aschner headed the Haifa bureau from 1937 to 1947 and formerly served as an International News Agency, Reuters and London Daily News correspondent.

After settling in Palestine in 1934, Dr. Aschner traveled widely in the Middle East. He was born in Berlin in 1912 and received his Ph.D. in political economy from Berlin University.

The services will be conducted by Rabbi Irving Koslowe with Cantor Abraham Denburg officiating. The Adult Choral Group, directed by Joseph Drexler, will also participate.

Mrs. L. Howard Katz, Mrs. Arthur Linter, Mrs. Moses Krieger and Mrs. Arnold Klar will lead in prayer.

COUNCIL ADOPTS 1950 BUDGET WITH LOWER TAX RATE

Uneventful Public Hearing Precedes Approval By Board

The Mamaroneck Town Council last night unanimously adopted its 1950 budget after an amiable public hearing before about 20 spectators in the auditorium of the Weaver Street fire house.

The Council established a 1950 tax rate of $14.35 per $1,000 of assessed valuation, a 35-cent drop from this year. The budget calls for a gross appropriation of $736,345.97, lower by $7,749 than the 1949 budget; and a net appropriation of $464,500, or $3,234 more than the net levy last year. The decreased rate is accounted for by an increase of $2,969,037 in the valuation of town property.

Questions leveled at Supervisor Owen A. Mandeville were generally requests for further information.

He reviewed his proposed fiscal program item by item explaining at length differences between the 1949 and 1950 budgets even when they were not questioned. Some persons commented that he apparently adhered to the detailed elucidation to forestall any future criticism that he had "railroaded the budget through" since

Post Offices Prepare For Holiday Rush

The greatest flood of Yuletide mail in local history is expected to keep Mamaroneck and Larchmont postoffice employes on their toes from now until Christmas, postoffice officials announced this morning as the Christmas mailing season went into full swing.

"This year's deluge of Christmas mail will strain every post office facility severely," Postmaster Mrs. F. Warren Green of Larchmont predicted "but we'll get everything delivered by Christmas if the public cooperates wholeheartedly."

Mamaroneck Postmaster Isidore Linehan said that packages for distant states should be on the way by Dec. 5, and that all parcel post should be mailed by the tenth. Cards to friends and relatives in other states should be deposited by Dec. 15, and greetings to local addressees should be clicking through the stamp-cancellation machines at least a week before Christmas, he said.

Both offices described extensive preparations for handling the Christmas rush.

Extra clerks and carriers are being trained, new sorting tables have been set up, reserve mail sacks have been obtained and delivery trucks overhauled. Thousands of new postage stamps have been laid in in both offices.

The offices also issued reminders that the rate for unsealed cards has gone up from one and a half cents to two cents, and encouraged the public to use three-cent, sealed envelopes for the best service, which includes forwarding, or return if addressee is not found.

NEW EAGLE SCOUT Ross Hatch, son of Mr. and Mrs. Aylmer Hatch of 410 Beach Avenue, Mamaroneck, passes his mother's inspection following the award of the advancement rating at last night's Court of Honor at the Daniel Warren School. A member of Troop 2, Hatch also won four merit badges.

12 P.C. Increase Noted In Local Water Economy

Response of Residents 'Gratifying'; Further Cut Necessary

Water consumption figures, have continued to fall during the last two days, with a 12 per cent saving registered yesterday as compared with the average Wednesday consumption of the last eight weeks, officials at the Westchester Joint Water Works revealed this morning.

The response of residents to pleas for thrift measures proved gratifying as yesterday's 12 per cents drop came within four per cent of meeting the New York City Water Department's goal. City officials have estimated that a 16 per cent saving per day must be effected before conservation measures can have much effect upon the area's dwindling reserves.

According to the figures released by the Westchester Joint Water Works, consumption has been reduced day by day. During the four days beginning last Friday, when the Water Board and municipal officials made urgent appeals and detailed police to encourage conservation, residents cut their use of water 8 per cent, Tuesday the drop was slightly more than 10 per cent.

On the basis of an eight-week average, consumers use 3,424,000 gallons each Tuesday, but this week the Water Works pumped only 3,000,600 on Tuesday. Yesterday residents consumed 3,031,000 gallons as compared with an eight-week average of 3,563,000 for Wednesdays.

PLACE OF INDIA IS FORUM TOPIC

Native and American Expert To Discuss Country's Problems Tomorrow

An American expert's view of what the new nation of India can be expected to contribute to world economy and world culture will be presented by Arthur T. Mosher, head of the famous Allahabad Agricultural Institute in India, tomorrow at 8:30 P. M. at the Larchmont Forum for Public Opinion in the Chatsworth Avenue School.

Dr. Mosher will analyse from years of experience with Indian agriculture and rural life the views of his fellow Forum speaker Dr. G. S. Krishnayya, noted Indian educator and educational attache at the Indian embassy in Washington, D. C. Dr. Krishnayya will present the Indian point of view.

Mr. Mosher was appointed to the Allahabad Christian College in 1930 shortly after his graduation from the University of Illinois. At that time he was an assistant in agricultural engineering.

In 1937 he was released to make an intensive two-year study of Indian agriculture, and spent a year with his wife and one-year-old child in a small Indian village, farming a typical Indian farm of eight acres, and mingling with the villagers in their everyday affairs.

The second year the Moshers roved about Northern Indian in a trailer while Mr. Mosher collected from various libraries information about the agricultural development of India. The result was a five-volume source book on Indian agricultural resources, major crops, livestock, foreign trade in crops, social structure and mental traits of the north Indian farmers.

The Mosher study was used to lay the groundwork for an expanded extension service from the Allahabad Agricultural institute

Barnard Alumnae Attend Yule Meeting In Willvonseder Home

A piano concert, carol singing and a Chanukaa grab bag were featured at the December meeting of the Barnard College Club of Westchester held last night at the home of Mrs. Ernst Willvonseder, 588 The Parkway, Shore Acres, Mamaroneck.

Miss Frances Schmidt of Yonkers, Barnard sophomore, played a group of piano selections including Chopin's "Nocturne in E Flat", Mendelssohn's "Hunting Song" and Debussy's "Clair de Lune." She was introduced by Miss Catherine Campbell of Crestwood, program chairman.

Guest of honor at the meeting was Mrs. Charles Kervan of Bronxville, member of the Class of 1899, who received a corsage and gift from Mrs. Alan Dickover of White Plains, club president.

A brief business meeting preceded the program with Mrs. Dickover presiding. Mrs. Berthold Comeau of Scarsdale, ways and means chairman, announced plans for a series of home bridges to be held in the Spring.

Mrs. Ira Hawkins and Mrs. Alfred Waller of Bronxville and Miss Virginia Haggerty of Mamaroneck were elected to serve on the nominating committee.

Refreshments were served at the close of the meeting under the direction of Mrs. Kenneth Polhemus of Tuckahoe. Mrs. Luman G. Hubbell of Mamaroneck presided at the tea table. About 30 Barnard alumnae were present.

Leaders List Holiday Plans Of Girl Scouts

The December luncheon meeting of the Larchmont Girl Scout Leaders Association was held yesterday at the Scout House with Mrs. Robert Thomas presiding as chairman, and 20 members attending.

Christmas projects of Girl Scouts, announced at the meeting, include a collection of toys by Intermediates and Brownies, for distribution by the Woman's Club; sports equipment to be sent to Children's Village. Christmas tree decorations for the Jennie Clarkson Home and tray favors for patients at New Rochelle Hospital.

Senior scouts will assist two Monday afternoons a month and on Saturday mornings at New Rochelle Hospital, and will give a holiday program Dec. 17 from 2 to 4 P. M. at the Home for the Aged. Seventh grade Troop Five members will assist with making corsages for Demonstration Day of the Garden Club of Larchmont, it was announced.

Final plans were completed for the Christmas open house to be held Dec. 11 from 4 to 5 P. M. at the Weaver Street Fire House, with Girl Scouts, Brownies and their families invited. Mrs. Edward Everett, executive director, spoke of the need for a Spring training class for new leaders and announced that 25 leaders and Council members will attend the Mamaroneck Girl Scout meeting Dec. 14 to hear Janet Tobit, author of singing games and song books.

Holiday decorations for the home were made and exhibited by the group. Mrs. Thomas James and Mrs. Perry Cochrane were luncheon hostesses.

Yule Carolers Meet Tuesday In Larchmont

Residents of Larchmont and Mamaroneck interested in singing have been invited to join a caroling group which will organize Tuesday at a meeting at 8 P. M. in the auditorium of St. Augustine's School.

Mimeographed song sheets will be distributed. The group hopes to give a program at Grasslands Hospital, where they will distribute gifts among patients, and to entertain at the McCloskey Home, as well as carol through the village of Larchmont.

The group was started by several members of the Westchester Sailing Club. Among the organizers are Grace Emmons and Nancy Cullen, both of Larchmont; Richard De Cew of Bronxville and Emmett Eaton of New Rochelle.

Troop 9 Girl Scouts Hear Talk on Posture

Miss Gertrude Dale, school nurse-teacher at Bellows High School, was guest speaker yesterday for Troop Nine, Mamaroneck Girl Scouts, at a meeting at the Daniel Warren School. Miss Dale discussed posture, cleanliness and good health. The Troop's Christmas party will be held next Wednesday.

Child Problems Discussed By School Faculty

Problems of the second and third grade child, with suggestions for better understanding of the seven and eight year-old on the part of parents, were discussed yesterday at a parent education meeting at Central School, under the chairmanship of Mrs. Arthur Sanford.

George W. Brown, school principal; Dr. Dorothy Eaton, school psychologist; Mrs. Laura Landis nurse; Miss Grace Marchetta, Miss Mary O'Reilly, Mrs. Marie Straus, second grade teachers, and Miss Denise Haskin, Miss Mademoiselle Baldwin and Mrs. B. G. Adler, third grade teachers, were on hand to answer questions.

Mr. Brown discussed report cards, pointing out that the old method, where emphasis was placed on the mark rather than desire to work in order to learn, was not as satisfactory as the method recently adopted.

In order to ensure the parent's contact with the child's progress, it was suggested that mothers make appointments to visit teachers.

Mrs. Straus outlined the schedule for her second grade class, and Dr. Eaton gave a brief resume of the emotional nature of the seven and eight-year-old, stressing outside interest and active nature of the child. She advised encouraging in social relations, such as, scouts and dancing.

Other subjects discussed included the pros and cons of television for children, with emphasis placed on the possibility of eye strain, and later bed hours. Mrs. Landis explained the tests given to determine defective hearing and sight.

Parents were urged by faculty members to be satisfied with "a little improvement in the child's work each day, and not expect too much of any child."

Mrs. Ordway Tead Talks For Wellesley Alumnae

"A junior college should not be a rewed off version of a senior college" declared Mrs. Ordway Tead yesterday in an address before Wellesley-in-Westchester in White Plains.

Mrs. Tead, president of Briarcliff Junior College, felt that the junior college has a definite place in the educational system as it prepares people for professional or semi-professional training.

Mrs. Tead said that in 1900 there were eight junior colleges in the United States. Last year there were 650.

Local Women Elected Officers In County Girl Scouts Group

Mrs. R. K. Turner and Mrs. Henry Truesdell of Larchmont, and Mrs. Warren K. Friar of Mamaroneck, were elected to office in the Westchester County Girl Scouts organization yesterday at the annual meeting in the Scarsdale Scout House.

The new slate, headed by Mrs. Frederick Hibberd of Rye as president, is composed of Mrs. Ronald McLeod of Bronxville, vice president, Mrs. Turner, secretary and Mrs. Friar, treasurer.

Directors elected for a three-year term are Mrs. Norman Dieter of Pleasantville, Mrs. H. McIntyre Grout Jr., of Irvington and Mrs. Truesdell.

Retiring president is Mrs. Mahlon Beakes of Larchmont.

The afternoon program, following the morning business meeting, featured a talk by Miss Oleda Schrottky, dramatics consultant of the national organization, who described her experiences with Girl Scout groups in the Hawaiian Islands.

Larchmont members attending included Mrs. Olney R. Steffens, commissioner; Mrs. Darrell Nordwall, deputy commissioner, and Mrs. William H. Jefferson. The Mamaroneck group included Mrs. Thomas C. Cluck, commissioner and Mrs. Brooks Jakeman.

Hadassah Has Parley Report, Plans Events

A report on the national Hadassah convention held recently in San Francisco, Calif., was given by Mrs. Otto Kleppner, president of the New Rochelle-Larchmont Chapter of Hadassah, at its meeting yesterday afternoon at the home of Mrs. Louis W. Vyner, 19 Knollwood Drive, Larchmont. Mrs. Kleppner described the great advances in the Israel situation which have come about through improved medical care, and Hadassah-supported technical and vocational schools. More than 100 members were present to hear the report.

Mrs. David Cohen of New Rochelle, chairman of the emergency clothing drive for immigrants now stationed in transit camps in Israel, announced that the drive terminates next Thursday and that there is a great need for new clothing to take care of thousands of men, women and children. The local chapter's quota of 100 clothing kits must be completed and ready to ship Dec. 15, she said.

Mrs. Irwin Miller, American affairs chairman, announced plans for a trip to Lake Success, a guided tour to be taken Feb. 3. Mrs. Lester Tomback, chairman of Youth Aliyah, reported plans for the dinner dance at Fenway Country Club March 25.

Announcement was made in regard to Hadassah Bridge Fridays and co-chairmen Mrs. Ernest Biehl and Mrs. S. H. Gershovitz were introduced. The first bridge of the season will be held tomorrow at the home of Mrs. Judd Bockner of New Rochelle. Next Friday the bridge will be at the home of Mrs. Gershovitz of 140 Palmer Avenue, Larchmont.

Following Mrs. Kleppner's report yesterday, a musical skit entitled "Come, Join Hadassah, Darling" was presented. In the cast were Mrs. Harry Harkavy and Mrs. Stanley Shaw of Larchmont, Mrs. Herman Morris, Mrs. Irwin Miller, Mrs. Laurence Levy, Mrs. Irving Libman, Mrs. Daniel Brock and Mrs. Paul Reiner of New Rochelle.

Mrs. Bernard Freedman presided at the tea table for the dessert tea.

In her address, Mrs. Kleppner quoted President Harry Truman's message which included the statement, "It is reassuring to know that in addition to fulfilling their responsibilities as citizens the members of Hadassah are concerned with formulating ideals of American democracy through institutions which they have built and are supporting."

Legion Auxiliary Unit Makes Hospital Gifts

Christmas packages to be delivered Sunday, Dec. 18 to veterans at Castle Point Hospital, were wrapped last night at a meeting of the American Legion Auxiliary of Mamaroneck, Unit 90, at Post rooms.

Mrs. Rose Warrington, president, heard reports from committee chairmen and plans were made to send toys and dolls for Christmas to youngsters at Sunshine Cottage of Grasslands Hospital. The annual donation was made to the Mamaroneck Health Center, and the Mamaroneck Chapter of Gold Star Mothers was invited to attend the Auxiliary's Christmas party Dec. 21. Refreshments were served at the close of the meeting by Miss Pauline Sansone.

Holiday Decor Demonstrated At Elkan Park

"Christmas Decorations" was the topic of a talk and demonstration yesterday by Mrs. Loren Dodson, a past president of the Garden Club of Larchmont, at the December meeting of the Elkan Park Garden Club at the home of Mrn. John C. Merritt of 38 Elkan Road, Larchmont.

Co-hostesses were Mrs. Charles F. Henderson and Mrs. Andrew Wilson, 3rd. New members introduced were Mrs. Gardiner Angell, Mrs. Edward J. O'Rourke, Jr., Mrs. Robert Smith and Mrs. Alman Taranton.

Mrs. Dodson exhibited several unusual wreaths and home decorations. She demonstrated how to make wreaths and swags of various types of evergreens and leaves for doorways and indoor decorations, garlands for fireplace and mantel display, and table centerpieces featuring candles, gilded pine cones, dried berries and other fruit.

Christmas decorations on the doorways of Elkan Park homes will be judged on the evening of Dec. 19 by members of the Garden Club of Larchmont, it was announced.

Mrs. Harold Sharp, Mrs. Kenneth Stelle, Larchmont club past president and president, respectively, were guests, and Mrs. Dodson were presented holiday corsages by Mrs. William J. Harper, Elkan Park club president at the meeting, which was attended by 20 members. A Christmas gift or a pink double azalea plant was presented Mrs. Sharp, advisor for the club since its organization.

Visual Education Group Meets in Bucklin Home

First meeting of the Parent Education Workshop on Visual Education as an aid to parent education discussion groups was held yesterday under the auspices of the Metropolitan District, New York State Congress of Parents and Teachers, at the home of Mrs. Louis Bucklin, 43 Woodbine Avenue, Larchmont.

Discussion touched on films, maintenance of classroom discipline, methods of developing pupil interest and the broader concepts of teacher and pupil cooperation.

SONGS DEMONSTRATED

Hilltop Quintet Faces 17-Game Schedule As Drills Commence

Complete WIAA Sked On Tap; Ciraco Shaves Squad To 30

Mamaroneck High's athletic department has scheduled 17 basketball tilts for its 1949-50 unit which actually should be labeled only a 1950 club since the season will not open until after the new year is ushered in. For the first time in the county's history, a complete WIAA League slate has been mapped out so that a champion can be determined via percentages, thus doing away with the popular playoff system.

That makes 14 of the Bengals' frays league games and gives the Hilltop quintet at least one WIAA clash each week after the Friday night, January 6th opener against Roosevelt at the Mamaroneck Junior High court. As has been the policy for the last few years, all varsity, jayvee and Junior High School cage battles will be staged on that floor.

The slate calls for home-and-home meetings with Roosevelt, New Rochelle, A. B. Davis, Gorton, Yonkers Central, Port Chester and White Plains of the county circuit. Single, non-league engagements have been arranged against Greenwich, Pelham Memorial and Scarsdale. The Nutmeggers and Red Raiders will be entertaining while Pelham will have to travel to take on the locals.

Orlando Ciraco is at the helm of the Hilltop varsity unit again this season, his third at the post. With high scorers Bill Cunningham and Joe Petruzzo setting the pace, Ciraco's 1948-49 quintet copped six victories and dropped 11, a vast improvement over the previous campaign. However, among others, those two point-pourers have departed which leaves the ranks of the experienced rather slim.

However, the Head Tiger, handling the entire hoop squad by himself, was heartened by the turnout of approximately 75 hopefuls. Unfortunately, he was unable to keep them all, and the roster has now been trimmed to an even 30. In that group there are 12 seniors, seven sophs and 11 athletes who are in their junior year. After yesterday's two-hour drill in which offense was stressed, the former Bellows High and NYU star said that he would definitely make one more cut, possibly dropping as many as ten more before the opening contest.

The roster at the present time lists: Sophomores—John Doolin, Tony Donato, Al Mitlehner, Lou Giancola, Ronnie Schmidt, Ted Neff and Gil Gonzales. Juniors—Larry Collins, Ralph Steurer, Luke DiRuzza, Ed Boyle, Tom Carino, Leroy Carter, Dave Cvaniga, Allan Englander, Don Dockerill and John and Art Garufi. Seniors—Bob Braddock, Mike Bruno, Nick Condiro, Lou Rigano, Roger Schacklinsky, Alex Hausler, George Carl, Bob McCarthy, Ron Pauls, Al Eckhardt, Doug Stevens and George Cheung.

Bruno, Condro and Dockerill are the only returnee lettermen who saw extensive service last year, and Mike even was married to one on occasion. Of the others Schacklinsky, Eckhardt and Collins have seen action in a scholastic varsity encounter. Collins looked good toward the end of the campaign and is an inside threat to crash the first string this year.

The rest of the hoopsters are earnest in their desire to make the grade and there is terrific competition. The thing which strikes the observer first about this group is their unbridled desire to score. Last year Ciraco had difficulty curbing the active arms of his scoring pair while the others were content to pass off and fake a back seat. This year the picture is entirely different. Scorers must be developed and perhaps this is a better outlook. Ciraco's main contention is that five players with a decent amount of equal ability will trim one or two sensational stars about nine out of ten times.

Coach Ciraco also is on the prowl for some practice games with county schools and claims that he will slate as many of them as possible. It was originally believed that the Hilltop front office would schedule one more test, perhaps even a pre-Christmas vacation till but Ciraco is content just the move fell through. He and the boys know they have a long way to go and that a good stiff licking at the outset might prove disastrous.

SOUTHWORTH CLEARS CONVENTION TENSION

BALTIMORE, (AP) — If Billy Southworth is troubled by reports of discontentment among his players, the balding Boston Braves' manager is giving no sign of it.

Making his first appearance at the minor league convention yesterday, Southworth cleared some of the tension by declaring in a press conference:

"I didn't come here to tear the club apart. If any of you fellows think I feel that I'm forced to dispose of some members of the team, you're positively wrong. I'll never lower the dollar value on any of my players.

"There are no differences between me and my players as far as I'm concerned. Some I'd like to make some deals, but only if I think they will strengthen the club."

Reports that Southworth had to make changes in his personnel stemmed from the sad situation in Boston all last season, particularly of a player revolt during Spring training followed by Billy's departure from the club in mid-season and the notorious half-dozen voting incident, all led to the belief that the manager was sure to clean house for 1950.

Bonus Rule Seen Here For at Least 1-Year

BALTIMORE, (AP) — As the minor leagues went into their biggest session of the convention today it appeared virtually certain that the bonus rule would be retained—at least for another year.

While the repeal of the controversial rule, sponsored by the Indianapolis club of the American Association, is supported by the higher minor leagues, a majority of the smaller ones are against it it was learned.

A three-quarter vote is necessary for repeal, and it looks very much like the Indianapolis club and its followers will fall short of their mark. That means it would take the votes of only 15 of the 56 leagues to defeat the proposal. Although the clubs were under strict orders from the executive council not to divulge their stand before the official vote today, it has leaked out that the Big Three of the minors—the Pacific Coast League, International League and American Association —have voted in favor of repeal. So have the Eastern Interstate, Colonial and North Atlantic leagues.

President Bob Carpenter of the Philadelphia Phillies, one of the strongest objectors to the bonus rule, admitted defeat even before the actual vote was taken.

RAVENS, WARRIORS ANNEX REC TILTS

The Ravens looked like the class of the loop last night as they stormed over the Wildcats, 77-16, in the second half of an opening night Rec Basketball League double-bill on Mamaroneck Avenue School's hardwood. In the curtain raiser, the Warriors tripped the Tarheels by 32-27.

Richie Cimaglia of the Ravens garnered high scoring honors for the evening by burning the nets for 24 markers, all tallied on field goals. Pugliatti, another Raven point-getter, threw in seven goals and a pair of free tosses for 16 points while Straccuzzi meshed 12. DiLorio was high for the vanquished with five. The Wildcats erased the rim only seven times from the floor as compared to the winners' 36 goals.

The first fray was decided from the charity line, the Warriors findin gthe range on eight attempts as compared to just three hits for the Tarheels.

Top marker-maker in that tiff was forward Spell who rapped in four field goals and a pair of free flips for an even 10 point production. Bianco of the winners and Hagan of the Tars each accounted for eight points.

On Monday night there will be a Rec League triple header and Bill Celestino, director, announced last night that the first fray would start at 7 P. M. instead of 7:15. The schedule calls for the Mules to clash with the Basketeers in the opener, and tilts bringing together the Red Riders and Cyclones, Knicks and Renegades will follow.

Int'l Tennis May Be Out

LONDON, (AP) — Communist tactics in Eastern Europe may halt worldwide international tennis, the president of the British Lawn Tennis Association declared today.

Viscount Templewood, in a speech prepared for the association's annual meeting, said Western countries can't remain indifferent to the communist players' efforts to spread propaganda while playing in tournaments.

Templewood is a former British Foreign Secretary and Air Minister.

"Sport is, a totalitarian country is regarded solely and only as a government activity for the furtherance of government policy," he said. "The players who represent a totalitarian country in a sporting event are regarded as agents of their government and are expected to carry out in every respect their government's instructions.

"I call the attention of the International Federation of Lawn Tennis to this state of affairs."

Lord Templewood said the trend was noticeable at Wimbledon the past two years but had come out in the open at the Swiss championships in July. He did not elaborate regarding Wimbledon.

It was during the Swiss tournament that the Czech government ordered its two star players, Jaroslav Drobny and Vladimir Cernik, to withdraw. They refused and became political exiles.

He also referred to the conduct of Josef Asboth, Hungary's best known player, at a recent tournament at Bucharest.

"He spent most of his time, no doubt under government orders, in publicly abusing American and British sport and in declaring himself to be a passionate Communist missionary," Lorde Templewood said.

'49 All-County Banquet Tonight

The outstanding personalities of the 1949 Westchester scholastic football season—the 34 All-County gridmen, the Coach of the Year and the Most Valuable Player—will be honored tonight at the Westchester County Publishers Inc. All-County grid banquet to be held at the Florence Hotel in Tarrytown.

The affair, which will get under way at 5:30 P. M., is the sixth in the series inaugurated in 1944 by this and affiliated newspapers.

A portion of tonight's program will be broadcast over WFAS and WFAS-FM from 7:30 to 8 P. M., with Sportscaster Lenny Dillon at the mike.

Featured speaker will be Harold Ryan, line coach and assistant to Herman Hickman at Yale University, who was recently named coach of the North line for the annual North-South clash at Miami Dec. 26.

'DA PREEM' returns to Westchester's County Center tonight to grunt and goan with Ivan Kamoroff in the feature of a five-hour card. The former world's heavyweight boxing champ will be aiming to pin the New Haven grappler and thereby earn the right to a match with the winner of the Mr. America - Antonio Rocca scrap which takes place at Madison Square Garden next Monday.

IONA COLLEGE 5 WALLOPS RICANS

NEW ROCHELLE — The Iona College cagers put on a display of all-around court effectiveness in walloping Puerto Rico, 70-34, last night at the O'Connell Gym.

With a decided height advantage averaging some four inches per man, Iona seized the lead at the outset by taking command of the backboards. Puerto Rico rallied with snappy floor work to tie the score at 9-9.

Coach Jim McDermott did not make a single substitution until the first quarter ended with Iona leading, 11-9. Then he sent in five fresh players and the quick pace they set caught Puerto Rico off guard.

The Gaels piled up a sizable 25-14 lead by halftime, and then coasted home. Iona led, 50-20, by the close of the third period.

Frank O'Shea of the winners and Francisco Golpi of Puerto Rico shared scoring honors with 11 points each. The win was the second straight for the Irish.

The Iona freshmen defeated the Sugar Bowl AC, 51-43, in the preliminary.

SAINTS TO FACE EX-RAM SUNDAY

Jerry Smith, who holds the all-time high scoring record for a Fordham University player, will lead his Bronx Democratic Club quintet against the Larchmont Saints Sunday at St. Augustine's gymnasium. Smith's scoring talents may stall the Saints' attempt to get into the win column after an unsuccessful start last week.

Aiding the ex-Ram sensation, who incidentally is just five feet, 11 inches tall, will be Iona College's Ed Walsh, Ray Brod of Brooklyn Poly Tech, Bob McNulty a Delahanty College standout, and Dan Mitchell and Joe McNulty, who star in Bronx independent cage action.

Coaching the Saints for the second year has had its woes for Tony Loiaconi. Tony ran the club last Sunday without his most consistent scorer, Dave Latimer, tied with eight men who were unaccustomed to one another. However, there is sunshine ahead since Latimer will be available this week. Also, Larry Hennessey, brilliant in defeat, has now proven himself and will fit into the starting array. That may shove Bill Cunningham, ex-MHS pivot man, onto the bench since Joe Cullen, Joe Connelly and Gene Doherty are certain starters. Loiaconi, Bobby Maree and George McCowen also will be sitting at the outset.

Smith, a deadly set shot, tallied well over 1,000 markers in his four years on the Ram court varsity.

Yale-NYAC Meet; Tigers Open Up

The scholastic-college hockey double header at Playland tonight gets underway at 6:45 P. M. when Mamaroneck and North Tarrytown Hights cross sticks in their respective season openers. In the second game, Yale pays its second visit to Westchester in two weeks, engaging the power-laden New York Athletic Club sextet in a fray that will start at about 8 P. M.

Both the NYAC and Eli skaters hold one victory at Playland, scored at the expense of the St. Nick's group. Yale turned the trick by a whitewash, 9-0, last Thursday, and two weeks prior to that skirmish the NYAC came back in the second and third periods to slap the Nickmen under a 10-3 barrage. Tonight's scrap is expected to be nip-and-tuck; pitting the Bulldog's speedy collegians against the more experienced and heavier NYACers.

Mamaroneck, which tied for second in the Westchester scholastic loop last season, was supremely confident of victory when interviewed last night. Their goalie Ed Tillman, defensemen Ted Lyons and Herb Guthrie and wing Johnny Staropoli. North Tarrytown's strengths and weaknesses are unknown and this will be their first turn around the County hockey circuit.

The Westchester Parkway Police Choir and Glee Club, under the direction of Emile Panning of Yonkers, will give a recital between the periods of the second game.

Gaels Seek 2nd Triumph

In an all out attempt to get back in the winning side of the ledger, the Gaels have been primed for their tussle tomorrow night against the Harrison Orioles at Mamaroneck Avenue School. Taking advantage of the opportunity for a warmup and to iron some of the kinks discovered in the loss to Yonkers last Sunday, the Gaels will scrimmage Artie O'Neill's Rye Neck Spartans tonight on Bellows High School gym floor.

In splitting two tests thus far, Playing-Coach Gil Allen has observed that the Gaels have been extremely weak in their foul shooting. Given 40 attempts from the 15-foot charity toss line, the Mamaroneckers have sunk but the cords only 11 times, poor shooting in any circuit. The importance of those fouls was brought out in the three point contest Sunday when Yonkers when the Gaels missed 21 out of 21 free shots. So, Allen has ordered a full-hour of foul shooting for every Gael in tonight's scrimmage session.

Although they obviously have not gotten into top form as yet, Allen's club sports a .500 mark. The brightest spot thus far has been the fine floor work and smooth ball handling of diminutive "Pint" Murray.

Not much is known of the Harrison quintet, except that they succumbed to the Rye Rockets in their lone tilt. Larry Rigano manages the Orioles and has his starters as J. Stein and L. Rigano, forwards, D. Suellan at the pivot, with B. Smith and H. McGowan at the guards. Tap-off time tomorrow is 8:15 P. M.

FIXTURES FORGE 3-0 BOWLETTE ALLEY WIN

The Fixtures forged into the limelight in Bowlette Ladies Leagde kegling at the Larchmont Bowl last night as they bumped the Markettes 3-0. It was the only shutout rolled in the six matches. In the meantime, the Pharmacists, Sparks, Jewels, Pill Pollers and Palmers were gaining a chunk of glory by racking up 2-1 triumphs in the weekly encounters.

Kay Flora found the range late in the evening after getting off to a slow start and played a tune of 209 on the maples. That was by itself in the individual singles but Cramona and Jayne Radcliff battled down to the final frame before the former annexed high honors with a 483 pinfall, one nigher than the Jewels' anchor-man.

Although they had to pigg all the way to earn a split, the Jewels had less difficulty in posting the high unit triple of 1789. They were practically unopposed in the first game after staying ahead with a 646 tally.

Other team leaders were Mary Pfeiffer, Nancy Fortunato, Ginger, Nancy Cramond, Rainaldi, Roche, Margie Hayes, Marion Atroms and Elaine Foster.

Harrison's Osterman Bids for Newark Club

Leo Osterman Jr. of Harrison, who operated the Port Chester Clippers of the Class B Colonial League two seasons ago and owner of the Bristol, Conn., club this year, is one of two bidders seeking to purchase the Newark baseball club of the international loop it was learned today.

Osterman, it is reported, would move the Newark franchise to New Haven, if successful in obtaining it. The Bristol-Yankee-New York Yankees, owners of the Newark club, are reportedly asking $150,000.

Spotlight On Sports

By DICK CARPENTER

Just as every All-American team published has differed from the other, the All-County teams, which were chosen by scribes and coaches last week here in Westchester undoubtedly won't be treated as perfect by everyone. Everybody to his own opinion but there is little argument that this year's selections at least included every player who had done everything worthy of recognition.

Of course there is the inevitable heckler who will point to the selection of Iona's Joe Kryla to the All-Met eleven when the Gaels' back only earned honorable mention on the county scholastic dream team. Kryla suffered the same fate last year and there was considerable rumpus about it. The Westchester voters stuck to their guns, flatly stating that Joe couldn't possibly have broken into the backfield array which included Mamaroneck's all-time great Joe Petruzzo and Harrison's lusky Ernie Fiore. They also pointed to the fact that the All-Met team was a one-man job selected by one sportswriter from the NYAC news-paper. That was the point I was just about to go deeply into before I let it slip. No more need be said.

Incidentally, our friend in the Big City had enough heart to name Bellows Don Anderson to a second team flank post and Don Iaiello, George Pender and Ed Feldt were on the honorable mention. Four Jersey boys slipped into the first string backfield.

Spot Shots

Another voting result has been in the public's eye for two weeks, namely the American League's MVP award. It doesn't look like New York Yankee fans are ever going to forgive the writers who voted the honor to Boston's Ted Williams. We have heard pro and con of the subject but there is simply no plausible way of settling the issue. The boy's got the thing so let 'im keep it. . . . Looks like the trade rumors have died down in the major leagues. Something tells me Yank, Giant and Dodger fans are going to see some family faces come next diamond season. Some of those maps didn't look too good, or maybe it was the rest of their bodies that were at fault. Another dreary year for Giant fans unless something drastic happens. . . . Dom's Four is leading the Larchmont Ladies Bowling League by two games over the Toddlers, last year's second players by a whisker. . . . Charles Riffin has donated a trophy for the champ of the Mamaroneck Community League bowlers. It's a three year trophy and won't be retired for at least one more tour. . . . Christ-

MANZONI WRESTS FRAT 2D PLACE

Setting a blistering pace for the rest of the pack, Mamaro's highly improved Foxes stormed to a 3-0 win at the Mamaroneck Rec Center last night in Fraternal League matches. The victory, matched by the Manzoni Lodge quintet, left intact the three game stranglehold which the Foxes currently maintain over their nearest pursuer.

The Manzoni defending kingpins wrestled second place away from the Odd Fellows "B" contingent with the night's second blanking while the Legion pasted the WYMC in another shutout. *The four and final encounter saw* the IOOF "B" unit overpower their 'A' counterparts 2-1. The IOOF and Manbonis had been knotted up prior to last night's Frat action.

Some of the front running outfits were fortunate in that almost everyone had a bad time of it, comparatively speaking. There were just three games which jumped over the double century mark and Wally Grabarz's leading 220 was the only one which vaulted high into that category. After that start, Wally had his troubles too and the Foxes' Jimmy Hannaban outwalted him for the triple leadership. Mamaro's wood socker troppled 532 into the pits.

The other bowlers who overcame the evening's jinx were Ed Stockman of Mamaro and Grossi of Manzoni.

CYO Girl Swimmers To Compete Saturday

The second annual CYO girls' parish swimming meet will be held Saturday at 2:30 P. M. in the Catholic Youth Center Pool, 107 South Broadway, Yonkers.

A record number of 147 entries have been received from the following parishes: Annunciation of Crestwood, Holy Trinity of Mamaroneck, St. Augustine of Larchmont, Blessed Sacrament, Holy Family, St. Gabriel and St. Joseph all of New Rochelle; St. Catharine of Siena, Resurrection of Rye, Mount Carmel of White Plains, and St. Denis, St. Mary, St. Peter, all of Yonkers.

Members of the Yonkers Aquatic Council will be the officials for the meet.

A trophy will be awarded to the team with the highest number of points and individual awards of gold, silver and bronze medals to those who are the first, second and third place finalists.

mas Hills, a public ski center in the foothills of the Catskill Forest Preserve, is unique in that all of its slopes face the sun and still have the quality of "holding snow" for excellent skiing. . . . Several Huguenot battlers are entered in the Golden Gloves but we haven't heard of any Mamaroneck or Larchmonters signing up.

Combing The Town

Kaplan Honored

H. Eliot Kaplan, formerly of 9 Normandy Road, Larchmont, has been honored by the New York University Law Alumni Association with the title, "honorary vice-president of the association for distinguished service to the public." The announcement was made by Judge Anthony P. Savarese who also revealed that Herbert H. Lehman and Senator James E. Murray of Montana have been similarly honored.

A former member of the faculty at New York University, Mr. Kaplan is consultant to the American Bar Association's Survey of the Legal Profession.

In November, 1948, he was appointed deputy comptroller to administer New York State's Employe Retirement System and now resides in Albany.

Besides holding membership in numerous legal, political and academic bodies, Mr. Kaplan is editor of various law publications.

Mr. and Mrs. Kaplan lived for nine years in Larchmont and their two children, Grace and Gerald, were graduated from Mamaroneck High School.

Watch Your Step

Christmas may be the season of brotherly love, but ironically enough it is also a gyp-artist's heaven, according to a warning issued through local police departments today by the National Better Business Bureau, Inc.

While filled with the Yuletide spirit, you'd better reserve enough cynicism to cope with swindles such as collection of C.O.D. charges from neighbors on gift packages filled with unordered goods on the representation that the addressee is "not at home now."

Beware of high pressure salesmen soliciting funds for Christmas baskets or advertisements for questionable publications. A sale by sidewalk hawkers of gift merchandise, the bureau warns, will probably cost you more than in a retail store. Then Christmas is the favorite season of check passers and phoney fund raisers.

MHS Carolers

Larchmont and Mamaroneck commuters will perhaps recognize the voices and faces of many of the carolers who will sing Dec. 19 from the balcony of Grand Central Station, before they board their trains for home.

The A Cappella Choir of Mamaroneck Senior High School, according to a long-standing custom, will give its annual program of Christmas carols from 4:30 to 5:30 P. M., with 100 students participating. The choir was one of the original groups taking part in the singing.

Following the program, the choir will attend a broadcast of the "Firestone Hour," at the NBC studio, and en route to the station, will sing carols around the lighted Christmas tree at Radio City, and along Fifth Avenue.

Ten-Day Leave

Carl P. Del Duca, seaman apprentice, USN, son of Mr. and Mrs. Peter Del Duca of 6 West Avenue, Larchmont, is home on ten days' leave, following completion of a course at the Fire Control School, Great Lakes Naval Training Center, Great Lakes, Ill.

A former student of Mamaroneck High School, Del Duca will return to his ship the destroyer, U.S.S. Steinaker, now in Norfolk, at the end of his leave. He received his boot training at the Great Lakes bases and served aboard the Steinaker during a Mediterranean cruise last year.

Auxiliary Service

An auxiliary service was provided by Town of Mamaroneck police last night after George Brown of Port Chester was fined $5 and did not have the cash to pay it.

Of course, the cops could have tossed him in the clink, but they resorted to less drastic action. They hung out the three gold balls, accepted a 21-jewel watch as security and allowed Brown to leave in order to get the money with which to retrieve his watch.

Note to Murray Ave.

The Daily Times meant to get just one goat yesterday when it took a picture of the favorite pet of Class 1D at the Murray Avenue School in Larchmont but through an error, we also "got" the collective goat of the entire class.

The caption incorrectly identified the school as Chatsworth Avenue. It should have read Murray Avenue—and to Class 1D and their goat, Penny, we apologize.

WATER SPOUT RESULTS FROM HYDRANT CRASH

Water geysered 20 feet into the air at 8:43 P. M. yesterday when a car driven by Gonzales Danby of 15 Cedar Street, New Rochelle, hooked and broke the fire hydrant at Fifth and Madison Avenues in Larchmont.

Mr. Gonzales told Mamaroneck Town police, who sped to the scene after receiving a telephone call from a witness, that he had swerved to avoid striking a dog and that his right rear fender had taught the fire hydrant.

The car, with a damazed right rear wheel and fender, and smashed fan, was towed to the Myrtle Garage, as water department men rushed to the scene to cut off the flow of water.

NEW BUILDING HERE SOARS TO $77,800 DURING NOVEMBER

Town of Mamaroneck Issues Permits Totaling $30,000 More Than Oct.

Building in the Town of Mamaroneck during November showed a sharp increase as the estimated cost of new construction rose by more than $30,000 above both October of this year and November, 1948, according to the monthly building report of Inspector A. J. Poole.

Permits for five new residences with a total estimated cost of $74,000 were issued during November while new construction totaled only $40,000 for the corresponding month in 1948 and only $43,500 during October, 1949.

The new residences will be built at 7 Hudson Place, 23 Huguenot Drive, Prince Willows Lane, 16 Byron Lane and 14 Burton Road.

Estimated cost of all applications, including those for alterations and additions received during November amounted to $77,800. Six permits, totaling $3,700, were issued for alterations while a permit for a garage with an estimated cost of $100 was also granted.

In addition to the building permits, Mr. Fotoe issued five certifications of occupancy, approved two street openings, and granted permits for five oil burners and two signs. Eight permits for plumbing were also issued.

TWU WARNS DELAY MAY FORCE ACTION

Union Says Spontaneous Move Will Bring Slowdown On Transit Demand

NEW YORK, (AP)—The CIO Transport Workers Union today threatened "spontaneous action" by employes of the city-owned transit system should officials delay an answer to its demand for an immediate public conference over its wage dispute.

"Any delay on the part of the Board of Transportation in answering my letter of yesterday may touch off spontaneous action on the part of the men," Matthew Guinan, president of TWU Local 100, announced today.

Guinan did not explain what he meant by spontaneous action. However, union leaders previously had threatened to call a crippling slowdown unless they get satisfaction. A New York State law prohibits strikes by employes of any division of the government.

The TWU letter, sent by Local 100 President Matthew Guinan denounced the language of a letter in which the Board of Transportation on Wednesday night rejected the union's demands. The union asks a wage increase of 21 cents an hour, and a reduction in the work week from 48 to 40 hours without pay cuts. Average pay on the city owned subway, elevated, bus and trolley lines, which form the bulk of the transit facilities in the metropolis, is $1.44 an hour.

The Board of Transportation letter to which Guinan objected said in part: "We caution you neither to threaten nor to attempt to carry out any threats against our citizens in a cheap, bullying effort to obtain satisfaction for your demands."

Etre Named President Of Photographic Group

Frank Etre was elected president of the Mamaroneck Photographic Association last night at a meeting at Caruso's Studio, 313 Mamaroneck Avenue. He will succeed William Morris.

Other officers named to serve beginning Jan. 1 are Emil Caruso, vice president; Miss Dora Chioda, secretary and Carl Guglielmo, treasurer.

The uses and effects of lighting in taking portraits was discussed following the election. Members will take portraits of each other at the Jan. 4 meeting.

Apawamis Lodge Elects Marquard New Master

Irving J. Marquard of 414 Hunter Street, Mamaroneck, was elected master of Apawamis Lodge 800, F. and A. M., to succeed John B. Brown last night at an annual election of officers in Masonic Hall.

Other officers elected were Charles W. Addleman, senior warden; Richard E. Crowe Jr., junior warden; Fred E. Billin, treasurer; John Schroeder, secretary. Mr. Brown was named a trustee to serve for three years.

Earl W. Quick played for community singing.

AN EMERGENCY SESSION to formulate plans for action in the water shortage was held last night between Larchmont village and Boy Scout officials in the municipal building. Showing going over a residential map of the village is Mayor Walter B. C. Washburn, center; as Water Commissioner Gail Golliday, seated at the Mayor's left, looks on. Left to right at the special session are Richard Pond, Scoutmaster of Troop 8, Mr. Golliday, John M. CLOTHING DRIVE NETTED 5½ TONS

$310 Cash Also Collected By Holy Trinity Thanksgiving Week

Parishioners of Holy Trinity Church, Mamaroneck, contributed 11,000 pounds of clothing and soap and $310.48 in cash during the Thanksgiving clothing and soap drive sponsored by the Diocese, Edwin B. Dooley, chairman of the committee, reported last night at the Father and Son buffet supper of the Holy Name Society attended by more than 200 members and their sons.

Mr. Dooley conveyed the congratulations and appreciation of those who conducted the drive.

Entertainment feature of the meeting was the showing of movies of the World Series, 1948 Football Highlights, and Aqua Sports of 1948.

Edward Robinson was chairman of the affair assisted by William McBride, Charles Crone, James Feeney Jr., Michael Sheahan, Joseph O'Neill, George Goodliffe, John Skehan, Thomas Noon, John Pearon, James Hogan, James Doyle, James Morris and Thomas Gronberg.

RED CROSS QUOTA UPPED IN COUNTY

$286,000 For 1950 Is $26,000 Higher Than Last Year For Westchester

A quota of $286,000 for the 1950 Fund Campaign of the Westchester Chapter of the American Red Cross was announced by Chairman John L. Curtis, following an executive board meeting yesterday at chapter headquarters in White Plains. This represents an increase of $26,000 or 10 per cent above the quota of $260,000 in 1949.

The national quota announced recently is $67 million, an increase of 11 per cent over last year.

The increase in the national budget is due almost entirely to the depletion of reserves accumulated by oversubscription during the war years, Mr. Curtis said.

Aside from its share of the increase in the national quota, the Westchester budget shows an increase only in the departments which will serve disabled veterans in the new V. A. hospital to be opened at Crugers next April.

WADLEIGH IS QUIZZED BY HISS DEFENSE

NEW YORK, (AP) — Henry Julian Wadleigh admitted today as the Alger Hiss perjury trial of might have seen four of the papers which the government says Hiss gave to Whittaker Chambers.

Wadleigh, former State Department economist who has testified he aided a pre-war Communist spy ring, was cross-examined for the second day by Claude B. Cross, Hiss' counsel.

Cross told the jury in his opening statement it was Wadleigh and others not Hiss, who gave government secrets to Chambers for transmission to the Soviet Reds.

New Westchester Association Makes Public Bow In Yonkers

YONKERS — The new Westchester County Association, still in its organizational swaddling clothes as its sponsors freely admitted, made its first public bow and its first appeal for the support of public sentiment here last night.

The association, launched last June, was the subject of a dinner forum at the Yonkers City Club. Meetings of a similar nature are to be held later elsewhere in the county.

An audience of 150 heard Harry G. Wilcox, personnel director of Rehder's Digest magazine and chairman of the association's steering committee, outline its general purposes and explain that it is so distinctly in its formative state that a host of organizational problems are still to be solved and that concrete and definite objectives have not been determined.

In answer to questions, Mr. Wilcox emphasized that the association has no intention of attempting to invade local governmental autonomy or to work toward set-

$250 BOND LOST ON THREE COUNTS

Harrison Man Forfeits Cash When He Fails to Appear In Court

Mario V. Petri, forty seven, of 41 Purdy Street, Harrison, forfeited a total of $250 in bonds when he failed to appear before Judge John R. Cahill in Larchmont Police Court last night in answer to charges of speeding on the Post Road, disorderly conduct and resisting arrest.

According to Larchmont police, Petri offered violent resistance to Officer Joseph Convery about 11:50 P. M. Tuesday when the policeman ordered him to accompany him to headquarters to be booked for speeding. Detective Sgt. Thomas Boyle was then dispatched from headquarters to assist the arresting officer, and between them the two policemen took Petri into the station. Petri spent the night in the police cell and was released the following morning upon posting of $250 bond, $100 each for disorderly conduct and resisting arrest, and $50 for speeding.

The entire amount was forfeited when he failed to appear in court last night.

Additional $41 in fines and forfeits was paid by six traffic violators last night, with Domenick Piscitello of the Bronx and Joseph Alsdorf of Mount Vernon paying $15 each for speeding. James E. Lo Picolo of Long Island City paid a $3 fine for parking in front of a fire hydrant and an additional $2 for improper parking. Fines of $2 each, also on parking counts were paid by Blanche I. Kaufman of 16 Colonial Avenue, Larchmont, and Jeanette R. Sheppard of 527 Prospect Avenue, Mamaroneck.

VET EMPLOYMENT IS ROTARY TOPIC

Mamaroneck Club Hears Talk On Training Available To Handicapped Men

Vocational training of veterans and the handicapped was the subject yesterday of a talk by T. H. Wessels of Peekskill, a representative of the Division of Placement and Unemployment Insurance, New York State Department of Labor, before the membership of the Mamaroneck Rotary Club at the Greenhaven Inn.

Mr. Wessels analyzed the problem of the handicapped person and the services the state organization provides. He said disabilities incurred by civilians far outnumber those received by military personnel, even during the war.

Guests included A. E. Tuttle, Dr. Alan Van Sciver, Dr. Edgar Ernst, Hugh Owen, John Odabashian and A. Norman Klein, all of the Larchmont Rotary Club, and Jed McCarthy of the Yonkers Rotary Club. Two students of Harrison, Bellows and Mamaroneck High Schools also attended. President Frank C. Cuce presided.

BOARD OF GOVERNORS of the Westchester Day School held a smorgasbord supper and social evening last night for more than 100 members of the board and their guests at the school, Oriental Point, Mamaroneck. Shown above, left to right, are Jacob Solomon of New Rochelle, membership chairman; Charles Pindyck of Mamaroneck, who received a silver cup for his work as chairman of the Summer extension school committee; Louis M. Brown of New Rochelle, who also received a gift for fostering ideals of the school, and Julius Stulman of Larchmont chairman of the board. Story on Page 8.

Larchmont's Scouts Mobilized In Drive To Curb Water Use

High Fare Hits County Most, Kirkman Says

NEW YORK, (AP)—The Public Service Commission offered testimony yesterday before the Interstate Commerce Commission on purporting to prove that the New York, New Haven and Hartford Railroad should have shown a profit of $48,566 for transportation of New York State commuters during April 1949 instead of the loss of $37,098 claimed by the road.

The testimony was given as the ICC continued a hearing on the railroad's application for an additional increase for New York intrastate commuters. The ICC, in 1947, granted a 20 per cent commuter rate increase for intrastate traffic but the PSC this year granted a 10 per cent increase affecting New York commuters.

The company, in seeking an increase for the New York State commuters, had offered a chart of expenditures and income which showed the loss of slightly more than $37,000 in New York intrastate commuter operations over a stated period early in 1948.

Through the testimony of George G. Goldthwaite, a PSC consulting engineer, criticism was made of methods of computing the costs. The PSC introduced a train-by-train allocation of costs which, according to Samuel R. Madison, PSC attorney, allocated the costs of carrying New York state commuters per train.

Madison said that the New Haven, in showing the loss, had used as a basis a certain number of trains as a group, averaging the costs of the commuters in the New York state area.

Goldthwaite also took into account in preparing his figures, wage increases granted since the 1948 hearing which cost the railroad more than $8,000, chargeable to New York State commuters. He told reporters later these increased costs were not reflected

THOMAS JAILED, FINED $10,000

Congressman Sentenced For 'Padding' Office Payroll

WASHINGTON, (AP) — Representative J. Parnell Thomas, formerly of Mount Vernon, N. Y., got six to 18 months in jail and a $10,000 fine today for cheating the government by "padding" his office pay roll.

Immediately after the sentence was pronounced, Thomas' wife announced:

"I intend to seek the Congressional seat about to be vacated by my husband."

Mrs. Thomas told reporters her husband's resignation is in the mails.

Thomas is fifty-four. His wife is a little younger.

Federal Judge Alexander Holtzoff gave an ear-burning lecture to Thomas along with the jail and the fine.

Good World War I Record

He told the little man who seven times was elected to the House as a Republican from New Jersey that he knew he had a good record in the first world war and had done "much good work" in Congress as chairman of the House Un-American Activities Committee.

But, the judge said sternly:

"These can't properly be considered mitigating circumstances."

In fact, he said as chairman of a Congressional committee, Thomas "had a duty to set an example of upright living."

Committed Until Fine Is Paid

Holtzoff concluded: "J. Parnell Thomas, it is the judgment of this court that you be imprisoned in an institution to be determined by the Attorney General for a term of not less than six months and not more than 18 months, that you be fined $10,000 and that you stand committed until the fine is paid."

Thomas' lawyer, William M. Collins, had pleaded with the judge not to punish the Congressman by jail and fine. Collins described Thomas as "broken in body and spirit."

'U' LEAK PROBERS TURN TO CANADA

2 Investigators Reported In Neighbor Nation; Angle 'Reactivated'

WASHINGTON, (AP) — House spy probers tracing reported uranium leaks to Russia turned their eyes toward Canada today amid indications that their inquiry may become a hot 1950 political issue.

Two investigators for the Un-American Activities Committee were reported in Canada, where an official confirmed yesterday that 1,000 pounds of uranium compounds were shipped to Russia via Great Falls, Mont., in 1943.

Committee sources insisted that these two developments were not related, but reports persisted that the committee may renew its once-abandoned effort to obtain records of a court action in New York by the Canadian government in connection with uranium sales.

Louis J. Russell, senior committee investigator, has said the probe of the Canadian angle has been "reactivated."

Russell is one of two agents committee sources said left for Canada Wednesday after the committee had questioned Lt. Gen. Leslie R. Groves, retired, wartime head of the United States' atomic bomb project.

The investigators are due to return before the committee's next scheduled hearing on Dec. 19, when two former minor officials

JUDGE COLLECTS $47 ON TRAFFIC DOCKET

Fines and forfeits of $47 were paid in Town of Mamaroneck Police Court last night as Judge Munn Brewer wrote 19 traffic violation cases off the docket.

James A. Vivano of Clifton, N. J. was fined $10 for crossing a double white line and Curtis Nelson of 400 Warren Avenue, Mamaroneck, was fined the same amount for speeding.

The following paid $2 each for parking offenses: Mildred M. Dermes, Maria L. Olivella, Albert Seavedra, Samuel Yalewitz, and Walter Prince, all of New Rochelle; Robert E. Allen, Mrs. Julia Strahan; Mrs. Sally Warren, Joseph R. Scharah and W. C. Reynolds, all of Larchmont Acres; Nicholas Gabella of the Bronx, Paul De Luca of Glenbrook, Conn., and Alice B. Amy of 10 Linden Avenue, Larchmont.

John Vincent Kiely of 70 Willowe Avenue, Larchmont, paid $1 for a similar offense and suspended sentences for parking violations were granted to Larchmonters Charles Horstman of 30 Rockland Avenue, Natal Girardi of 12 Harrison Drive and George J. Lischke of 32 Elkan Road.

100 Boys to Distribute Warning to All Local Homes

An emergency detail of Larchmont Boy Scouts was commissioned last night to aid the village in its water conservation program as Scout officials met in the municipal building with Mayor Walter B. C. Washburn and Water Commissioner Gail Golliday.

Scout Commissioner John Forrest and scoutmasters of Larchmont Troops three, six, seven and eight, pledged to mobilize a total contingent of 75 to 100 Scouts in front of the Fire House at 9 A. M. tomorrow to receive conservation circulars for distribution to all houses and apartment buildings throughout the village.

Each household will receive an envelope containing four cards captioned "Save Water" in bold print across the top and bottom, and with four different messages in smaller type. The cards, which are designed to be slipped over faucets in kitchen, bathroom, washroom and laundry, warn householders to "Repair drips and leaks in all plumbing"; "Take short showers instead of baths"; "Don't leave water running while you shave, wash dishes or prepare vegetables"; and "Conserve in laundering".

On the envelope containing the cards is the message, "Please cooperate to save water, as the Boy Scouts of Larchmont have by delivering this."

The drafting of the emergency Scout detail followed prolonged discussion of the water crisis by the Mayor and Board of Trustees in executive session early this week.

It was pointed out by the water commissioner at that time that Larchmont has been drawing all of its water from the New Rochelle system for the last five weeks, that New Rochelle takes its water from the New York City water supply, which is now threatened with a serious shortage, and that only 15 days supply remains in Larchmont's Sheldrake reservoir, which has not been used since the village switched to the New Rochelle mains.

A suggestion that the pressure in the mains be reduced was rejected on the grounds that a serious fire hazard would result from the 15-minute delay required to build enough pressure for the fire department hoses in event of a major fire.

Mention was made of the favorable results achieved by the circulation of water shortage notices to village householders in late November, and it was decided to invite the Scout officials to cooperate in a similar campaign. Previously, the notices were handdelivered by employes of the Street and Water Departments.

Cold To Stay, Maybe Snow

Westchester felt the first really cold nip of Winter in the early morning hours today as temperatures dropped to a reported low of 10 degrees—just what the weather Bureau predicted at Mount Kisco Police Headquarters, at 6 A. M. They may be some snow tomorrow.

Reports from other place stations: Pleasantville, 17 at midnight; Chappaqua, 16 at 2:30; Hawthorne, 16 at 2; Armonk, 16 at 3, and the Westchester County Airport 16 at 2:15

Temperatures in the county were up to 20 to 25 by 6 o'clock this morning.

The Weather Bureau forecast yesterday that the temperature would drop during the night to 10 degrees in Northern Westchester and 20 in the districts close to New York City.

Today's forecast was for mostly sunny and cold with temperatures in the mid-30s. Tonight will be fair with little change in temperature with the low between 15 and 20, the bureau said. For tomorrow cloudy with rain or snow is forecast.

Traditional Musical Program Is Scheduled Dec. 14 At MHS

"December, a Joyous Month For All," a choral production arranged by Clifford Ormsby, is the title of the annual holiday program to be given Wednesday at 8:15 P. M. in the auditorium of Mamaroneck Senior High School.

More than 200 high school students will participate in the production, with F. Colwell Conklin directing the A Cappella Choir and Miss Evelyn M. Wells directing the Girls Glee Club.

Members of the Speech Arts Group, under the direction of Miss Jean L. Erdoss will appear in the opening pageant. The cast includes Donald Wheatley, Sarah Jayne Fehr, William Burgin, Sallye Silver, Patty Tripicco, Steven Gibbons, Gloria Warren, Donald Chatfield, Peter Wendell, Dean Grider, Charles Trefzger and Ward Mohrfield.

The stage crew is composed of Michael Tripicco, Joan Gaillardet, Herbert Klein, Herbert Lewin, John Goodkind and Robert Garlock.

"The Glow of Many Candles" opens with the "Festival of Lights" tableau, featuring traditional Hebrew melodies in observance of the Hanukkah celebration, followed by the story of Christmas, with a program of Christmas carols and religious music.

Soloists will include Anna Stamegna in "O Holy Night," assisted by the A Cappella Choir, and Helen Hanke in "Silent Night," with the audience joining. The "Hallelujah Chorus" from Handel's "Messiah" will conclude the program.

Members of the Parent-Teacher Association of the school and friends of students are invited to attend, together with any other interested residents.

Junior League Unit To Aid Kruger Home

Plans for presentation of a Christmas cheer basket to the residents of the Kruger Convalescent Home were completed by the Professional Group of the Eastern Westchester Unit of the New York Junior League at a meeting last night held in the Club Room, 2 East Avenue, Larchmont.

The basket will include gifts for each resident of the Home, and will be presented by the committee which includes the Misses Mary Louise Whelan, Nancy Yeager and Mary Eleanor Strastsma of New Rochelle, the Misses Betty Cobbs and Adarienne Metz of Larchmont, and Miss Suzanne O'Neill of Scarsdale.

It was also decided that the professional group will participate in the microfilming of the records of New Rochelle Hospital, which was started by the Eastern Westchester Unit in September.

The meeting concluded with a rehearsal for the Christmas play to be presented to the Unit Tuesday at the Larchmont Yacht Club.

Bellows G. O. "Adopts" 30 Greek Pupils

Bellows High School students have made arrangements to "adopt" a group of 30 school children in Greece, through the Save the Children Federation, under the sponsorship of the Bellows General Organization.

A drive will start immediately in order to provide Christmas gifts in time for the holidays. At a cost of $72 a year, the Bellows students will furnish 180 pounds of warm, wearable clothing, 30 pairs of shoes, necessary extra soles, school supplies including paper, pencils and compositions, and a gift for the teacher.

The Save the Children Federation, with New York City offices at 1 Madison Avenue, gives aid to needy children in rural areas of the United States and in seven European countries, Austria, Greece, Finland, Holland, France, Italy and Germany.

Home room representatives will be in charge of the drive.

New Cub Den Organizes At Center Meeting

The first regular meeting of the newly organized interdenominational cub scout Den Number One of Pack Eight was held yesterday at the Westchester Jewish Center, Mamaroneck.

Everett Houghton, cub scout district commissioner; Reno Zucaro, Bill Glaser and Moe Krieger discussed future plans with den mothers and an organizational meeting of cub fathers was planned for Thursday evening at the Center.

Members of the new group are Fleley Rosman, Peter Enechler, Gordon Jacobson, Robert Sunray, Judah Apsell and Michael Apsell. The next den meeting will be held Friday, Dec. 16, at the home of Mrs. Myron Buechler, 1058 Cove Road, Mamaroneck. Boys will meet at the Center at 3:15 P. M. with transportation provided by Mrs. Sam Sunray.

Parents interested in registering their eight to ten year old sons are asked to notify the Center office.

OPEN EVENINGS

Original Play To Be Given At Sunday School

"Prelude to Christmas" is the theme of a program to be presented Sunday by the Intermediate Department of the Mamaroneck Methodist Church Sunday School. The Junior Choir, under the direction of Mrs. Lewis Donaldson, will assist.

The program, scheduled to start at 4 P. M. with the ringing of the church bells, will be given in the upper church parlors.

Main feature of the service will be a Christmas play written especially for the occasion by Peter K. Dufault, and directed by Mrs. Dufault.

Intermediates appearing in the cast are Carol Park, Martha Phelps, Chickie Shaw, Jimmy Rohrig and Alfred Heath. Assisting with costumes and properties are Carolyn Olsen, Harriet Winfield, David Addleman and Charlie Warren.

Marsha Yerdon, member of the Intermediate Department, will open the service with a reading of "I Heard the Bells on Christmas Day" as the call to worship.

Congregational singing of Christmas carols will follow, with the choir singing a group of Christmas selections at the close of the play. The Rev. Sidney D. E. Stromberg will give the benediction at the conclusion of the service, to which Intermediates, their parents and friends have been invited.

Refreshments will be served by a committee of Intermediate boys who will spend tomorrow afternoon baking cookies in the kitchen of Mrs. Gerald P. Winfield, superintendent of the Intermediate Department. The committee, headed by Oliver Clowe as chairman, is composed of Jackie Goodliffe, Ross Abell, Jimmy Rabe, Bruce Stevens, Jan Duncan, David Kachrie and Vaughan Abbott.

Bridge Club Arranges For Holiday Luncheon

"Luncheon Is Served" is the theme of Tuesday's Christmas party to be held at 1 P. M. in the auditorium of St. Augustine's School by the St. Augustine's Ladies Bridge Club. A display of Aiello Christmas candles will be featured preceding bridge.

Mrs. Louis Del Guercio, chairman, is assisted by Mrs. Arthur Mannix, Mrs. Stephen P. Glennon, Mrs. A. A. Heinzer, Mrs. Nelson McKernan and Mrs. Leroy Amy.

Junior Republican Club Has Program of Music

The Larchmont - Mamaroneck Junior Republican Club held a Christmas party last night at the home of Ann Merritt, 664 Forest Avenue, Larchmont, with a musical program as the entertainment feature. Marion Stephens and Joan Hillsley played the piano and John Lew and Mary Jane Fritzinger sang.

Betty Stow, president, conducted a brief business meeting preceding the program, and the constitution was approved following its presentation by Danny Thompson. Refreshments were served by the hostess and plans were made for a joint meeting in January with the New Rochelle Junior Republican Club.

PROGRAM SOLOIST

Miss Ada Dodrill of Larchmont will be one of the soloists for the annual Christmas carol program of the Glee Club of Mary Washington College of the University of Virginia, Fredericksburg, Va., where she is a member of the freshman class, majoring in dramatic arts. The program will be given Sunday in George Washington auditorium.

CONFIRMATION SERVICE

A Bar Mitzvah service will be held Saturday at 9 A. M. at the Westchester Hebrew Center in honor of the confirmation of Lawrence Krutcek, son of Mr. and Mrs. Alan B. Krutcek of Richbell Road, Mamaroneck. Rabbi Irving Koslowe will conduct the service and Cantor Abraham Denburg will officiate. Junior congregation services will be held at 10 A. M.

MRS. DONALD BLANCHARD

MRS. JOHN J. DAHNE

Mrs. Blanchard, Mrs. Dahne, Named To Barnard Committee

Mrs. Donald Blanchard of Woods of Larchmont and Mrs John J. Dahne of 9 Overlook Terrace, Larchmont, have been named to the central committe to organize the Westchester County fund campaign for the Barnard College Development Plan, Miss Frances Marlatt of Mount Vernon, announced today. Mrs. Blanchard will serve as local chairman for New Rochelle and Mrs. Dahne for Larchmont and Mamaroneck.

Members of the central committee were guests at tea yesterday at the home of Mrs. Alfred E. Waller, 6 The Byway, Dronaville, where they discussed plans for the drive which will start early in January. Thirteen Barnard alumnae representing all sections of the county are serving on the central committee and will recruit local workers for their own areas.

The Westchester campaign is part of a national drive to raise $10,000,000 for Barnard, the women's undergraduate college of Columbia University. The funds will be used to increase scholarships for students, to raise faculty salaries, to enrich the curriculum, and to provide additional physical facilities to augment the present college buildings.

Mrs. Blanchard is a charter member of the women's auxiliary of the Westchester Power Squadron, and gives educational courses in seamanship and water safety to high school students. She has also been active in the Larchmont Girl Scouts.

Mrs. Dahne is secretary of the Triangle Circle of St. Christopher's School, Dobbs Ferry, and is a member of the committee for the Jefferson Park Parish Day Nursery in New York City.

Soloists Offer Program For Central Pupils

An intermediate assembly program was given yesterday at Central School, with Louis Lopresto as announcer and Thomas Bonacci as conductor. Anthony Macri, Stanley Messinger and John Laguardia formed a flag bearer color guard.

Soloists were John Kraft, trumpet solo, "Santa Claus Is Coming to Town"; Robert Rubin, clarinet, "White Christmas"; Anthony Garofolo, harmonica, "Oh Susanna" and "Deck the Halls," and Thomas Bonacci, guitar, "Silent Night."

Selections by the instrumental groups included "All Stars March," "Celestial Chorale" and "Jolly Old St. Nicholas." Members participating were Susan Mayrose, Lex Scott, Robert Rubin, John Kraft, Jack Rosenthal, Daniel Rosenthal, Robert Peterson, Marty McNeil and Richard Pinson.

Virginia Ogden PBK Member At Radcliffe

Miss Virginia Ogden, daughter of Mr. and Mrs. Owen M. Ogden of 20 Glenn Road, Larchmont, is one of six Radcliffe College seniors elected to Phi Beta Kappa, Iota Chapter of Massachusetts, according to an announcement by Miss Mary Lee, president of the Iota Chapter. Miss Ogden is majoring in English and with the five other new members will be initiated at a ceremony today.

A meeting and tea will follow the initiation in Agassiz House at Radcliffe at which Miss Katharine S. Muller, a Radcliffe graduate and member of the faculty of Shady Hill School, will speak on "Young People in Germany."

The speaker spent last Summer in Germany as assistant to the Institute for Education and Child Care of the Unitarian Service Committee.

Christmas Decorations On Display in Library

Mrs William E. Goyne's prize winning shadow box depicting "The Night Before Christmas" has been on exhibit for the past week in the main room of the Mamaroneck Free Library, according to Miss Eleanor L. Merrow, librarian. The box, which shows two peasant children bringing home the Yule log, will be moved to the children's room for further exhibition. Desk arrangements for the current week are a combination of mullein leaves and other greens, the work of Mrs. Frank Rathbone, while Mrs. Robert C. Duncan will be responsible for decorations the week of Dec. 13. Christmas decorations in the main library are under the chairmanship of Mrs. Francis B. Laughlin and will be installed on Monday, Dec. 19. Members of the Campfire Girls will meet in the children's room the afternoon of Dec. 15 to decorate the Christmas tree in time for the Christmas story hour the following day.

SON TO QUADRINIS

Mr. and Mrs. Bernardino Quadrini of 173 Madison Street, Mamaroneck, are the parents of a son, Michael Carl, born Dec. 4 at the New Rochelle Hospital. Mrs. Quadrini is the former Vincenza Verona, daughter of Mrs. Josephine Verona of 42 Warren Street, New Rochelle.

HOLIDAY TEA DANCE

The Coveleigh Club's holiday tea dance for young adults will be held Monday, Dec. 26, from 4 to 8 P. M., with music by Peter Vigiano's orchestra. The party has been arranged by the committee on special events.

Chapter Names Mrs. Hegeman New President

Mrs. William Hegeman, vice-president of St. Margaret's Chapter of St. Thomas' Church, will take over as president to fill the unexpired term of Mrs. Frank Rollins, who resigned last night at a meeting at the home of Mrs. Frank McGrane of 128 Richbell Road, Mamaroneck.

Mrs. Rollins resigned to assist with the organization of St. Catherine's Chapter, a new women's group recently formed at the church. A new vice-president will be elected at the next meeting.

Final plans were completed for the men's communion breakfast to be served Sunday by the chapter. Mrs. Rollins read letters of thanks from Bishop Nakamura of Japan and Bishop Pilez of St. Steven's Mission at Fort Yukon, Alaska, for boxes of clothing sent by the chapter.

Announcement of a luncheon to be sponsored Jan. 17 by the Borden Company, under the direction of the Woman's Auxiliary, was made by Mrs. Rollins. Chapter members who will serve on the luncheon committee are Mrs. McGrane, Mrs. J. Stanley Hare, Mrs. Theodore Schwob and Mrs. Richard Cunningham.

The Rev. Arnold A. Fenton was a guest at the meeting, which was followed by refreshments served by the hostess. The next meeting will be held Jan. 31 at the home of Mrs. Schwob, 1110 Jensen Avenue, Mamaroneck.

Club Changes Its Programs; Lists Speaker

Starting January, social and program meetings will be held alternate months, it was announced at the board meeting of the Catholic Woman's Club in New Rochelle. The social meeting will consist of a short business session to be followed by a bridge and the program meeting will include a guest speaker. Miss Catherine Kelly of Larchmont was appointed chairman of ways and means.

Guest speaker at the meeting Monday at 2 P. M. in the clubhouse in New Rochelle is the Rev. Theodore L. Roeser, professor of philosophy at St. Joseph's Seminary, Dunwoodie, Yonkers. Son of Mr. and Mrs. Theodore Roeser of New Rochelle, Father Roeser was educated in New Rochelle, including Holy Family School and Iona Preparatory School. He continued his studies at Fordham University, St. Joseph's and the Institute of Medieval Studies, University of Toronto.

Members are asked to bring discarded neckties, playing cards or domino sets and other items suitable for gifts for the residents of the Old People's Home at Grasslands. The club will hold a Christmas party on Dec. 18. Mrs. George Fanelli is chairman.

Project is Completed By Brownie Troop 21

Mamaroneck Brownie Troop 24 completed its Christmas project of filling and decorating cigar boxes to be sent Girl Guides in Holland yesterday at a meeting at Daniel Warren School. First prize for the best cigar box was won by Susan Vollenweider, with honorable mention won by Ann Morton, Jenifer Robbins, Suzanne Wright, Elizabeth Miller, Barbara Miller, Nina Fay, Veronica Fleming, Marie Lanza and Gay Salmon also completed the project.

Carol Lyon was received into her Brownie pin from Mrs. Frank Rock, leader, assisted by Mrs. Theodore Schwob. Betty Sullivan was appointed chairman of the group's Christmas party.

50 Parents See Film On Teaching Methods

The training film, "Broader Concepts of Method," was presented last night to a group of 50 parents and teachers in the library of the Mamaroneck Avenue School. The film, which depicts methods of developing pupil interests and teacher-pupil cooperative planning and working, was followed by a discussion led by Principal Charles Warren.

Mrs. Ralph W. Robins Jr., chairman of the audio-visual education program, outlined committee plans for showing additional training films during the school year.

MEETING POSTPONED

The meeting of the Parent-Teacher group of the Larchmont Temple for fifth through tenth grade parents of Sunday School pupils which was scheduled for Monday at the Temple has been indefinitely postponed.

P-T COUNCIL TO MEET

The Mamaroneck - Larchmont Parent-Teacher Council will hold a regular meeting Tuesday at 1:15 P.M. in the library of the Mamaroneck Avenue School.

Flag On Display

For a while last night it looked as though the sovereignty of India had suddenly been extended to include the Chatsworth Avenue School auditorium as the Indian flag was pinned up on the curtain as the rear of the platform.

The conquest was a peaceful one, however, having been achieved by Benedict Ginsberg, chairman of the program committee of the Larchmont Forum for Public Opinion, where "India, the New Power in the East" was discussed. The flag, official emblem of the new country, consists of three horizontal bands of color—orange at the top, white in the center, and green at the bottom, with a blue "wheel or fortune" in the center of the white stripe.

Jungle Lac

A pack of Larchmont Cub Scouts got some first-hand indoctrination in jungle law yesterday when they went to Flint Park to conduct a treasure hunt.

They had a case of "coke" along to brighten up the affair and they had gotten well afield when they were spotted by a group of about 15 older boys, who immediately left their game of football and gave chase.

They swooped down on the lesser fry, "beat them up," took away the coke, and enjoyed the refreshments themselves as the battered treasure-hunters quit the field, much the worse for their expedition.

That's Traveling!

Everyone seemed agreed that John C. O'Toole, a Stamford, Conn., bartender, was making his car pretty fast along the Boston Post Road this morning, but he really set a record if the conflicting reports of Rye and Mamaroneck Police are both true.

Toole was picked up at the Mamaroneck Village line by Rye police for speeding at 63 miles per hour at 3:50 A. M., Rye says.

Mamaroneck Police, according to the next report, nabbed him for reckless driving at 3:45 A.M., which would indicate that Mr. Toole streaked through the two miles between Rye and Mamaroneck in five minutes before he left Rye.

At Scott Air Base

Pfc. Rudolph Nelson, Jr., of Larchmont is stationed at Scott Air Force Base, Belleville, Ill., where he has taken training as a radio technician.

Pfc. Nelson, who joined the Air Force Dec. 3, 1948, received his basic training at Lackland Air Force Base, San Antonio, Tex. He was transferred to Scott Air Force Base in March. A former Mamaroneck High School student, he is the son of Mr. and Mrs. Rudolph Nelson of 5 Bayard Street, Larchmont.

Completes Course

Recruit Anthony C. Crose, son of P. V. Crose of 652 West Boston Post Road, Mamaroneck, has completed a 14 week's course in basic military training with the 60th Infantry Regiment, a unit of the battle-famed 9th Infantry Division, Fort Dix, N. J.

Prior to entering the service on Sept. 9, 1949, Recruit Crose attended Mamaroneck Senior High School and was employed by the Jeryco Plastics Company, Mamaroneck.

Ends Year's Service

Joseph Di Rollo, son of Mr. and Mrs. Peter Di Rollo of 948 Halstead Avenue, Mamaroneck, has been discharged after serving one year in the U. S. Army. He hopes to enter the New York State School of Applied Arts and Sciences, White Plains, next term.

A graduate of Bellows High School, Di Rollo enlisted in the army in October, 1948, and received his basic training at Fort Dix, N. J.

More Coal Contracts Sought By UMW Union

WASHINGTON, (AP)—John L. Lewis' United Mine Workers Union said today union negotiators are busy seeking more coal contracts and probably will have some more to announce next week.

Lewis said last night that operators of mines producing a total of 9,162,900 tons a year have now signed on the union's terms.

U. S. ANNIHILATION THREAT IS SEEN BY GEN. GROVES

Tells Business Leaders That People Aren't Really Worried About It

NEW YORK, (AP)—Gen. Leslie R. Groves says that the nation today is threatened with the possibility of "complete annihilation," but that the people aren't really worried about it.

The wartime head of the atom bomb project told American business leaders yesterday that the public has not awakened to the danger posed by Russia's possession of the A bomb.

"Never before in history," Groves said, "have we been threatened with complete annihilation."

But, he said, the American people "are not convinced in their hearts there is anything to worry about."

The retired Army general told a closing session of the National Association of Manufacturers that the nation's security is "as sound as I would like to have it."

He said that the mere threat that an atomic bomb might be used against this country means that a decision will have to be made on the question of decentralizing the nation's industrial plants.

This can not be accomplished as painlessly as "irresponsible planners" suggest, he said. He added that it would mean total disruption of the industrial economy and a lowered standard of living for the American people.

The alternatives, he said, were either to keep industry intact and incur the risk of multiple destruction, or to decentralize it partially by better placement of new plants.

He advocated the latter course.

Husband Dies Phoning News Of Wife's Death

Mr. and Mrs. Gustav Abrahamsen of Locust Valley, Long Island, former residents of Larchmont, at 29 Pryor Lane, for 25 years, died within three days of each other in Locust Valley.

Mrs. Abrahamsen died Wednesday following a long illness at the age of sixty, and her husband, who was fifty-eight, died suddenly yesterday while telephoning the news of his wife's death to his nephew, L. George Johnson of 340 Washington Avenue, New Rochelle.

Both Mr. and Mrs. Abrahamsen were born in Norway and were married after coming to this country. Mr. Abrahamsen, a chauffeur, was a former member of Larchmont Post 347, American Legion, and of the Larchmont Masons. They moved to Locust Valley 15 years ago.

They leave a number of brothers and sisters living in Norway.

A joint funeral service will be conducted at 2:30 P. M. Monday at the Dodge Funeral Service chapel, Glen Cove, Long Island. Interment will be in Locust Valley Cemetery.

Can India Overcome Obstacles In Her March To World Power? Forum Speakers Scan Problem

"When boundless optimism meets a hopeless obstacle, what happens?"

That in effect was the subject under discussion last night at the Larchmont Forum for Public Opinion in the Chatsworth Avenue School as Dr. G. S. Krishnayya, noted Indian educator, shared the rostrum with Dr. Arthur T. Mosher, principal of the Allahabad Arricultural Institute in India. The subject was "India, the New Power in the East."

Dr. Krishnayya led off for the forces of optimism with a picture of India "like an awakening giant, shaking off the tranels of her medieval feudalism and entering a new phase of her history among the nations of the world."

There are four factors contributing to the rising power that is India's, Dr. Kirshnayya declared: first, her geographic position.

India is a link in the communications between several continents, the educator pointed out, and is in a strategic position in the event of any dispute that may arise in the world. It has long been a route to Russia and is unique for being a part of Asia that has become familiar with Western ways and still retained its intrinsic eastern-ness.

Second, Dr. Krisnayya mentioned India's vast manpower, with a population of 337,000,000 people, or more than twice the population of the United States.

He spoke next of the mineral resources of the vast subcontinent and of the potential electrical energy in the numerous rivers that rise in the Himalayas and course to the sea.

With this electrical energy, Dr. Krishnayya said, Indian can produce more machinery, and irrigate vast tracts of land now too arid for farming.

Finally he spoke in glowing terms of India's political power.

"India," he said, "is free at last. It is the only Asian country that can boast a unity of purpose and unity among its many peoples. It has a stable government, one that has withstood the shock of par-

The Crow Is A Fickle Bird, Part-Time Master Reveals

Remember that crow? The one who flapped into the Penimore Cooper Service Station on the Post Road in Mamaroneck last week and from there into a two-column story in The Daily Times? Well, his name is James, and he doesn't live at the gas station. He lives—but thereby hangs quite a tale, and we'll let Robert R. Kearfott of 624 Hall Street, Mamaroneck, tell the story as he wrote it to The Daily Times this morning.

Mr. Kearfott writes from Martinsville, Va.:

"A few days ago I received a clipping from The Daily Times in a letter from Mrs. Kearfott. The clipping was headed 'Funeral Resident in Black Makes Home at Gas Station.' I am writing to put The Daily Times abreast of the facts. Actually this gas station is only one of this individual's homes. That he has been leading a double or triple life has been well known to my family for a long time. It must be confessed that the gentleman in black has been a member of my family since his childhood. On our side of the Post Road he has been known as 'Kearfott's Crow' since he was a pup.

"He began breaking home ties several months back and makes regular calls at all the service stations along the Post Road, and anywhere else he can get a handout. Three or four spots claim him as their own. Upon inquiry it may be learned that our home is his home.

"His story goes as follows:

"Early last Summer, when he was but a fledgling and on his first flight from the parental nest, a gang of bluejays had him grounded in our backyard and were give bombing him from all angles. My son, Robert, rescued

Fitts Joins Garrity In Broad Attack On New County Budget

Paper Pick-Up Slated By Legion Tomorrow

Legionnaires of Mamaroneck Post 90 will stage their second drive of the seventh year of Legion paper campaigns tomorrow at noon when trucks will begin a village-wide canvass to collect newspapers, magazines and corrugated paper.

Workers will use Domenico's at 513 Waverly Avenue as headquarters and all paper will be deposited there instead of at the freight depot as in former years.

The Auxiliary of the Post will serve refreshments to the Legionnaires at the Clubhouse.

The Legion has requested that residents leave their paper, securely bundled, at curbside by noon. As in the case of the Oct. 16 drive, the bundles should contain nothing but newspapers, magazines and corrugated paper. The Legion accepts nothing else.

Chairman of the drive will be James V. Kerry.

4 A. M. Chase Nets Driver 2nd Arrest

Fresh from receiving a speeding ticket from Rye police, a twenty-one-year-old Stamford, Conn., bartender was apprehended early this morning by Mamaroneck Patrolman Alvin Pulliam, for reckless driving after he had been clocked at 75 miles per hour during a wild chase that started at Fenimore and Boston Post Roads, Mamaroneck, finally zig-zagged into a dead end street in Larchmont.

John C. Toole, who was held at police headquarters pending the setting of bail, passed Pulliam at an excessive rate of speed near Fenimore Road at 3:45 A.M., it is alleged. The patrolman, who immediately gave chase, stopped Toole at the town line, but when Pulliam got out of the patrol car, Toole took off, weaving from the left side of the road to the right, police claim, toward Larchmont. He was caught when he turned into Winans Street, Larchmont, a dead end street.

Booked at headquarters, Toole admitted to having been apprehended for speeding at 63 miles per hour by Rye Police prior to his brush with the Mamaroneck force.

He will appear in Mamaroneck Police Court Monday and Rye Police Court Dec. 19 to answer charges.

Pray For Rain, Cardinal Asks

Congregations of local Catholic churches tomorrow and next Sunday will be warned of the critical shortage and the "absolute need to avoid any waste of water" by direction of Francis Cardinal Spellman, Archbishop of New York.

In a letter sent out today by the Right Rev. Monsignor Walter P. Kellenberg, chancellor of the archdiocese, it was explained that the action of the archdiocesan authorities follows an urgent request by Stephen J. Carley, Commissioner of Water Supply of New York City.

In addition the Cardinal has requested the use of prayers for rain in masses throughout the archdiocese for the next three months.

The Cardinal also has asked the teaching brothers and sisters to urge the 151,200 children in parochial schools of the archdiocese to be very careful in their uses of water and also to pray for rain.

CARL SNAVELY

MEN'S BREAKFAST TO HEAR SNAVELY

Well Known Football Coach To Speak Tomorrow at St. Thomas'

Men and boys of St. Thomas's Episcopal Church will hear Carl Snavely, coach of North Carolina's Sugar Bowl-bound Tarheels, tomorrow at an annual breakfast in the Community House following a service of Holy Communion at 8 A.M.

Coach Snavely, the weekend guest of Rev. Arnold A. Fenton, pastor of St. Thomaas's, and a punting expert, is one of the nation's leading exponents of the single wing. A former mentor of Cornell and Bucknell University teams, Mr. Snavely's North Carolina elevens have won three bowl bids in the last four years.

A graduate of Lebanon Valley College where he starred in three sports, Mr. Snavely coached several Pennsylvania preparatory school teams before accepting an offer at Bucknell University, his major college assignment. He left Bucknell in 1934 for North Carolina where he remained one year, accepting a bid to coach at Cornell University. Mr. Snavely stayed ten years at Cornell, resigning in 1945 to return to North Carolina.

Seamen Found Guilty Of Laundryman's Death

NEW YORK, (AP)—In an almost deserted courtroom, two seamen last night were found guilty of first-degree murder—a verdict which carries a mandatory death sentence.

A Bronx County jury convicted the pair, Gunnar Jansson, and Sven Hallberg, of the robbery slaying last Jan. 5 of Lee Hong, a Chinese laundryman.

The pair were accused of taking $300 from Hong after beating him to death.

Judge Samuel Joseph set Dec. 15 for sentencing.

Faucets Fixed, Bathing Cut By Residents To Save Water

This is the 199th in a Saturday series of short interviews with residents on issues of the day—local and national. This week's question: "What methods are you employing in your household to conserve water in the present crisis?"

Mrs. G. A. Read, 630 Hillside Avenue, Mamaroneck: "We looked for leaky faucets, found two, and put new washers in them. We take no more drinking water at meals than we need so that we don't have to throw any away."

Mrs. John Abbink, 11 Althea Lane, Larchmont: "We're not washing as much, doing dishes twice a day instead of three times."

Mrs. Thomas A. Quinn, 329 Prank Avenue, Mamaroneck: "I wash our three children in the same bath tub, and instead of wasting water by letting it run from the tap to become cold for drinking, we keep a bottle of water in the refrigerator."

Mrs. George B. Everton, 15 Alden Road, Larchmont: "I'm very careful about the babies' baths, only bathing them twice a week, and I don't rinse anything under the faucet, only a soapless dish or pail."

Barnet Prakin, 319 Stanley Avenue, Mamaroneck: "By taking showers instead of baths, I read last week that the average shower takes only seven gallons of water while a bath takes 25. Also we don't let the water run for the dishes anymore. We use basins for rinsing instead."

Mrs. Walter G. S. Fehr, 2 Maple Hill Drive, Larchmont: "I feel guilty every time I wash my face. However, we're doing our best."

Mrs. Gerson Mordo, 305 Delancey Avenue, Mamaroneck: "By not letting the water run down the

Democrats Ask Halt In 'Unbridled Spending' By Officials

A broadside frontal attack upon the $24 million record-breaking gross budget for Westchester in 1950 by Democratic County Chairman Harold T. Garrity of Yonkers featured the public hearing before the Supervisors last evening, with sideline snipers sniping at various smaller items in which either as individuals or as organization representatives they had special interests.

The gross budget now is $24,169,193 and the net after expected revenues would be $13,090,592 on which the tax levy would be based. If the later figure is finally adopted by the Board of Supervisors after the report by its Committee on Budget and Appropriations following last night's hearing, the county tax rate would be $8.12 for 1950, compared with $8.07 this year.

The hearing, presided over by Supervisor Chairman Arthur G. Sammarco of Port Chester, was held in the surrogate's courtroom at the County Courthouse in White Plains. More than 150 attended, and of these about one-third were county employes. Members of the Supervisors' Budget Committee sat in the courtroom hirp hirp, while department heads flanked the rostrum. The hearing consumed exactly one hour and 56 minutes, with 16 persons addressing the assemblage.

Mr. Garrity was not so critical of the size of the 1950 budget as he was emphatic in denunciation of what he termed "deliberate" misrepresentation. The budget itself he characterized as "a master document of frustration" in the inability of the man-in-the-street to understand.

Garrity Sees New Taxes

Unless "unbridled spending" be halted, he warned, it will be necessary for Westchester's towns and cities, which must collect the county tax levy, to resort soon to sales, amusements and business taxes. He also charged County Executive Herbert C. Gerlach of Os-

VILLAGE BUILDING OFF IN NOVEMBER

New Construction Permits Match 1948, However; 5 Houses Planned

Though building declined more than $10,000 in the Village of Mamaroneck during November as compared with October, the figure for new construction, $58,300, was almost the same as in November, 1948, according to the monthly report of Building Inspector George D. Perschke.

Last year applications for 10 new structures with a total estimated cost of $58,100 were received during November. Of this year, eight permits for new buildings, including five residences, a gasoline stalon, a private garage and a shed, were issued.

The new houses will be built on Shore Acres Drive, Grand Street, and Wagner Avenue with two on Florence Street. The gasoline station is being erected at Delaney Avenue and the Boston Post Road.

New construction figures reflected a sharp drop from the level reached in October of this year when permits for 16 houses with a total estimated cost of $70,000 were issued.

The November report also included two alterations, costing $1,300 and bringing the building total for the month to $59,300.

In addition to building permits, Mr. Perschke authorized two demolitions, issued 6 certificates of occupancy and approved 13 applications for plumbing, four for signs and five for oil burners.

Pro Grid Peace Pact Forms 13-Team Loop

NEW YORK, (AP)—With the four-year professional football war over—a conflict that took its toll in dollars and teams—the 13 surviving organizations today looked to solving the problems of a new league.

The combination of the venerable National Football League and the upstart All-America Conference came with startling suddenness in Philadelphia yesterday after a 48-hour conference.

The New Setup

The two loops merged into the National-American Football League. Here is how the new setup will look:

Philadelphia
Cleveland (combined with Buffalo)
Los Angeles (Los Angeles Dons and Los Angeles Rams combined)
New York Giants
New York Bulldogs (six New York Yankee players go to the Giants, remainder to the Bulldogs)
Baltimore
San Francisco
Pittsburgh
Chicago Bears
Chicago Cardinals
(Chicago Hornets eliminated)
Green Bay
Detroit
Washington

The merger is more or less a victory for the NFL, which for several years has refused flatly to recognize the younger circuit. All members of the NFL are in the new league. Only three teams of the AAC — San Francisco, Cleveland and Baltimore — survived.

Two Divisions Formed

The 13 teams will be formed into American and National divisions, and by next year football will have what it lacked for the past four seasons—a real world's champion. The winners of the two divisions will meet for the title.

Bert Bell, the NFL commissioner, takes over that job in the new circuit with the AAC's chief executive, O. O. Kessing, bowing out of the picture. Emil R. Fischer of the Green Bay Packers becomes president of the National Division and Daniel Sherby of the Cleveland Browns head of the American Division.

The immediate problems dealt with these questions: What should be done with the players on the three teams liquidated by the move? What about the college players already chosen in the draft for next season?

No sooner was the announcement made that there would be 13 teams, than rumors began circulating that Houston, Texas, would obtain a franchise before long.

Pool of Surplus Players

As for the surplus players, both college and pro, they all will be thrown into a giant pool. This will include the collegians already drafted by the two loops.

Draft meetings of the two leagues have been called off. The new circuit will hold a draft session probably in January, to pluck the surplus players from a giant pool.

Bell, signed to a 10-year contract as majordomo of the NAFL, said that it would require approval of 11 of the 13 teams to have a player transferred to a new club. This could lead to fireworks among the owners.

It cost Ted Collins, owner of the Bulldogs, who bought out the Yankees, $1 million, by his own admission. He had a losing team this year, and attendance sometimes dipped below 5,000.

HARMON TRAILS IN MIAMI OPEN

MIAMI, Fla., (AP)—Bob Hamilton, poker-faced professional of Baltimore, Md., fired a two stroke lead today as Miami's $10,000 open golf tournament went into the third round.

Hamilton, with an ever-present cigaret between his lips, sank a curving 33-foot putt on the 18th green for a birdie three to give him a five under par 65 and a 36-hole total of 129.

The former PGA champion, who is all business on the golf course, was 11 strokes under par at the halfway mark of the 72-hole tournament which launches the Winter play-for-pay circuit. He had tallied a sizzling six under par 64 for low score up the opening round.

Ace for Haas

The most spectacular shot of the second round was a hole in one by Fred Haas Jr of New Orleans. Haas used a five iron to ace the 150-yard par three fourth hole.

Two strokes behind Hamilton was a newcomer to the tourney circuit ranks, twenty-six-year-old Tommy Bolt of Houston, Texas. Bolt, playing his first tourney since 1946, totaled nine under par 131 with his 2-32—65 couple with 67 on the initial round.

Haas was a stroke behind Bolt with 132.

A pair of veteran pros, Claude Harmon of Mamaroneck N. Y. and Henry Ransom of St. Angelo, Ill., were tied for fourth with 133s.

Sam Snead of White Sulphur Springs, W. Va., leading money winner of 1949, was alone at fifth with 134 and Doug Ford of Harrison, N. Y., was sixth with 135.

At 137 was Gene Dahlhender of Mamaroneck, N. Y.

The field of 143 was trimmed to the 60 best scoring pros and 10 best amateurs, with ties included. The tournament ends tomorrow.

LONG SKEIN SNAPPED IN LADIES' BOWLING

The up-and-down Toddlers were sizzling at the Larchmont Rec Center last night, coming from way back to trip Dom's Four and thereby inflict the first defeat on the latter team in six weeks of Larchmont Ladies League kegling. At the same time the Towners were chalking up their second straight shutout at the expense of the Mechanics, the Towners just edged the Embassy and the Expressettes nabbed the first and third title of an engagement with the Dit Dots.

Closest match on the program found the Towners besting the Embassy by the slimest margins one pin, in their third and deciding pin battle.

Betty Blume, anchor lady for the Toddlers, scored the series honor with a 523 pinfall but Mary Morgan of the all-victorious Towners stole the high single laurels with a 202 finale.

Other team leaders were Midge Castaldo, Elsie Stein, Tess Simige, Claire Giancola, who was two pins shy of a 500 triple, Margie Hayes, and Millie Leone.

The Toddlers compiled the top unit total of 1868 but the Towners post a 678 single which no other team was able to match.

Gaels Down Harrison, 70–46, For 2nd Victory In 3 Starts

Harrison's Orioles took a sound 70-46 thumping from the local Gaels at Mamaroneck Avenue School gym last night before an enthusiastic crowd. It was the second win in three starts for the home quintet while the Orioles record is winless in two starts.

After somewhat of a letdown last Sunday at Yonkers, the Gaels showed results of overtime practice sessions when they completely befuddled the Harrisons with smooth ball handling and some of their old razzle-dazzle shooting. They first employed the fast break effectively, one of their greatest offensive weapons, and then dropped back to let the pivot men work plays.

The contest was close throughout the first half and when the teams left the floor for the intermission, Mamaroneck's five was in front by only 26-21. However, the Orioles were soon flapping in vain as the Gaels hit with their heaves from all angles. Twelve markers separated the contenders at the end of three quarters but the winners doubled their spread in the final session.

Gil Allen and Albie Mitchell paced the victors in scoring with 16 points apiece but Harvey Harriott, ex-Bellows High ace, meshed 19 for Harrison to snare the top point-maker's role. Both Harriott and Allen connected on eight field goals but the former Panther succeeded with three charity flips.

Following the leaders were Al Pullian, Gael center with 12, and Horace Brittain who tallied 11. Suella rapped in 10 for the losers.

The miserable foul shooting which cost the Gaels a ball game last Sunday had no effect on last night's contest but nevertheless there was noticeable improvement. Of the nine free throws they received, the defending Rec League champs split the cards with six for almost a 67 per cent average. The Orioles made seven out of 16 which was about their percentage from the field, also.

Harriott made the ball game fairly tight for a half with his set shots and driving layups but once the Gaels found the range there was no question as to the outcome.

Next Wednesday the Gaels take on the Columbia Hose Company quintet on the Bellows High School hardwood with 8:15 as the starting time. It will be the curtain raiser for the newly organized firemen's "five" and the smoke-eaters will probably enter the tiff on the short end of the odds.

Last night's lineups:

Orioles (46)	G	F	P	Gaels (70)	G	F	P

TROTTERS HERE FOR ANNUAL APPEARANCE

The Harlem Globetrotters make their annual one night stand at the County Center in White Plains tomorrow night, meeting the New York Celtics in the feature of a basketball doubleheader.

Seeking their 45th consecutive victory of the season without a setback, the Harlemites have compiled an amazing total of 3,- 184 wins against but 235 defeats in 22 seasons. Last year they won 114 in a row before being stopped by the Philadelphia Sphas.

The Celtics, coached by Henry (Dutch) Dehnert, himself a member of the original Celtic quint, have been rapidly gaining experience. Dehnert has assembled a big, fast unit led by Ray Elleson, six-foot, nine-inch center, and his son, Bob, Jim Cascia, Norm Baker, Bob Karstens, Jack Jennings and Doyle Cofer.

The first game of the twinbill starting at 8 P. M. pits the Sphas against the Indiana Clark Twins. The Sphas have won various championships in the Eastern and American Leagues, while the Clarks are several sets of twin brothers from Huntington, Ind., three-time winners of the national family title.

Ray Wilbert, vaudeville headliner, heads the added attractions listed on the program.

CAPTAIN of the Harlem Globetrotters is Louis "Babe" Pressley, standout guard, who is to lead the famous basketball team against the New York Celtics in feature half of a doubleheader tomorrow night at the County Center in White Plains. The Globe circus is to get under way at 8 P. M. with the Clark Twins of Indiana engaging the Philadelphia Sphas in the opener.

Iona Rallies For Third Win

FORT MONMOUTH — Trailing throughout the fray, Iona's basketball team rallied in the final two minutes here elast night to defeat the Fort Monmouth quintet, 53-51, for their third straight triumph of the season.

Trailing, 51-50, with 2:40 remaining on the colock, Mike Lawless hit with a lay-up and added a foul to send Iona ahead for the first time, 53-51. Erin Rosovsky dropped in the final two-pointer to give ctehe Gaels a four point edge. Joe DiStasiuslau sank the basket that tied the score at 50-all.

Coach Jim McDeermoott's hoopsters were on the short end of a 32-23 count at halftime, and were behind, 45-41, as they shifted into the final peeriod. The Gaels' great defense, howeveere, limited th Soldiers to but one basket during the final quarter.

Johnny O'Hagen and Rosovsky paced the Iona scorers with nine apiece, while Lawless and Lyons attributed celeght each to the triumph. Bill Schuster led the pointmakers with a 13 point effort for Monmouth, which had won but one of five previous starts.

Tuesday, Iona resumes its campaign against Davis Elkins College on the New Rochelle campus court.

Rising Welters Get Main Bout

Two up and coming welterweight boxers, with fine records, clash in the feature spot of the *County Center* card in White Plains, Tuesday night when Jimmy Donnelly of Astoria meets Joey Atria of the Bronx over eight rounds.

Donnelly, a student at Fordham and a product of the CYO, has won 17 of 19 pro starts, while Atria has dropped but one of his 27 pro ring outings.

The twenty-one-year-old Donnelly has beaten Charley Donovan, Bruno Lisi, Jimmy Watkins, Jimmy Tarangelo and Johnny Marino on his march up the welter ladder. Atria, a hard hitter, beat Al Pennino in his most recent scrap.

The semifinal pits Carl Taulman, New Jersey welter, against Joe Mullins of Brooklyn, and another six-rounder pairs middleweights Al Rosasco and Al Fisher of the Bronx.

In the three opening four-rounders Jimmy Monahan of the Bronx meets Ernie Koutnik of Paterson; George Rolando of Bayonne faces Rubin Miller of Brooklyn; and Hank Risk of Toledo tackles Jack McGlynn of Scranton.

Jerry Smith and Bronx Dems Block Saints' Path Tomorrow

Faithful followers of the Larchmont Saints can't quite be convinced that the *St. Augustine's* quintet isn't going to be a big win prooducer this season to make it four campaigns in a row that this area has had the county's top independent cage agregation. The camparative ease with which the dead-eyed Vinegar Hill five belted the Saints last Sunday in the local's opener just hasn't been seen here in so long that the rooters have gotten out of the practice of allaying for defeats.

Tomorrow the Saints play host to the Bronx Democratic Club's outfit and everyone connected with the Larchmonters anticipates a complete reversal of form, thus evening up the season record. This is the beginning of the fourth Saints' year in existence and it isn't difficult to imagine why the fans are casual winners since their charges have only been taken 15 times in 90 tilts.

The Saints almost definitely will have to keep the nets hot for the Bronx Dems have Jerry Smith, the 5-11 set shooter who has a wide renutation in the East as a point-pourer. Stacked alongside Jerry's accomplishments is te all-time point record for a Fordham University hoopster. Smith was a Ram varsity member for four years and, since graduating he has divided his court interest between the NYAC and Dems.

In addition, the invaders will carry Iona College's Ed Walsh, Ray Bree of Brooklyn Poly Tech, Delahanty College's star Bob McNulty, with Dan Mitchell and Joe McNulty, New York City independent performers.

The Saints's player-coach Tony Loiaconi has offered many reasons for the defeat last Sunday. Among them are the absence of the team's high scorer, Dave Latimer, and the fact that Larry Hennessey, former Blessed Sacrament High School pivot man, hadn't even drilled with the other Saints prior to the tilt. Hennessey joined the Larchmont quintet the day before the curtain raiser and, since he was in shape, took his regular turn. He practically earned a a starting job with 19 markers on offense earned a satisfactory defensive job.

With Larry at a forward, Gene Doherty will stay in the pivot, Loiaconi claims, and Latimer, who is certain to be ready tomorrow, will handle the other forward slot. Joe Connolly, undoubtedly the steadiest operative on the squad, and Joe Cullen, the jumin' jack in sneakers, originally from Larchmont but now at Manhattan, have been assigned to the guard posts.

Billy Cunningham, ex-Mamaroneck High Star, Bobby Mayer of Pelham and George McOwen of Larchmont will be available but Loiaconi plans to hold them on the bench at the outset.

Incidentially, Smith's tallying mark at Rose Hill is a figure well over 1.00 points. He has a wide repertoire of shots.

Last week's turnout was "satisfactory," according to officials. The tab-off tomorrow has been set for the usual 3 o'clock hour.

Tonight NewYork
Radio City's Music Hall's fan-famed Christmas stage and screen program, for seventeen years an outstanding highnight on the theatrical calendar, now being presented in three parts, with world premiere of "On the Town," Metro-Goldwyn-Mayer's Technicolor musical, based on the recent Broadway hit, and starring Gene Kelly, Frank Sinatra, Betty Garret and Ann Miller, with Jules Munshin and Vera-Ellen.
The Music Hall's Christmas stage program will comprise the celebrated pageant, "The Nativity" and "Good Cheer," a spectacular new Christmas extravaganza produced by Leonidoff.
The deeply moving "Nativity" pageant tells the beautiful story of the first Christmas. The magnificent pageant with its impressive settings and scores of performers, employs both the great stage and the vast choral stairways on each side of the theater to form one mighty stage 280 feet in width.
For the new holiday spectacle, "Good Cheer," the great Music Hall company and guest artists in seven lavish scenes, with settings by Bruno Maine, will bring to the world's largest stage all the gayety, sparkle and melody of festive Yuletides.
