High-Flying Gaels Whip Queens College, 60-45

FOUR GAELS HIT DOUBLE FIGURES

Still riding on the crest of a wave of jubilation following their magnificent upset of Siena, the Gaels of Iona College thumped a potent Queens College crew, 60-45, last night at O'Connell gym. While the elements raged outside, Coach Jim McDermott's eagers disposed of a team which had won nine out of 10 games, losing only to City College of New York.

Four Gaels hit double figures in the scoring column as they racked up their 12th win in 16 starts. Bob Gantini and Harry Chiamulera both posted 15 points, Manny Kennedy and Aaron Rosovsky both registered 10 points. Not far behind was Jumbo Lyons with nine points.

High man for the visitors was Herb Sessler, who managed to get 10 points against a tight Iona defense. When the issue was no longer in doubt, halfway through the second half, Iona experimented with a zone instead of a man-to-man defense, with remarkable results. Either way, the Gaels had the Queensmen's number.

Each side traded baskets before Iona broke a 12-12 tie in its own favor and pulled away never to be caught. Queens seemed to favor a fast break, so the Gaels replied with one of their own and rapidly tired the visitors out. Gantini jammed in 11 points in the first half to give Iona a 23-20 margin.

Continuing a wide-open, speedy attack, Iona shot quickly to a seven-point lead while Queens was practically standing still, widened it to 11 points before Queens could score again, and later opened it up to 16 points as the exhausted visitors grew despondent.

Chiamulera demonstrated his specialty, the drive-in underneath shot, so often that he personally widened the gap to 19 points, and Manny Kennedy made it 20 with a few minutes to play. Then Coach McDermott decided to clear his bench of subs.

Rosovsky played a splendid floor game, as he had against Siena, and connected on several lengthy set shots. Lyons was scoring from close quarters, at the bucket position.

In the preliminary the Iona Freshmen fought off the Queens Frosh, 44-41, with Dick Guerin grabbing the scoring honors. Guerin recorded 24 points, to raise his season's output to 270 for 14 games. The scoring:

Three Splits Plus Forfeit In Frat Loop

Three matches were rolled in the Fraternal League last night at the Mamaroneck Rec and all ended in 2-1 decisions, the two Mamaro entries losing shutouts in the final game and the Washingtonville Young Men staging a comeback to gain their win. The Legion just went through the motions for the sake of individual averages, since they had garnered a 3-0 win by forfeit.

Anchoman Castellano of the WYMC outfit had no difficulty securing laurels for the encounters. He placed himself far in front in single tallies by socking a 233 in the middle game and wound up with a neat 606 pinfall. The Washingtonville leader posted two of the three scores that got into the 200 class and the other just reached the double-century marker.

SENIORS, FROSH COP INTERCLASS CLASHES

The Seniors maintained their front spot in the Bellows Interclass hoop league yesterday by taking the Juniors into camp by a 44-27 count and the Frosh stayed in contention by outclassing the Sophs, 50-27. The fourth-year quintet is still unstopped, holding a decision over the Frosh among their wins.

Wykoff and Beaudrault sparked the Senior to the triumph, which wasn't settled until the final frame. The Juniors smashed to within two points of a deadlock at the end of the third canto but they couldn't keep up the pace and finally had to yield.

For the first-year cagers it was Calarco, Newbury and Hayden who were the potent scorers and the Sophs were never really in the ball game. It was 20-8 at the half but the second year men rallied to only an eight-point deficit. However, the yearlings really tore loose in the final session and raced away with the verdict.

MURRAY TO COACH DUKE

DURHAM, N. C. (AP) — William D. "Bill" Murray, athletic director and football coach at Delaware yesterday was named football coach at Duke. The former Duke star succeeds Wallace Wade, who resigned to become the first commissioner of the Southern Conference.

Softball Pilots, Officials Meet Tomorrow Night

The second 1951 meeting of the Mamaroneck Softball League's officials and team managers will take place tomorrow night at the American Legion, Post 90 clubhouse on Prospect Avenue. Plans for putting the MSL on a sound financial basis before the start of the new campaign, and other organizational matter will be discussed. The group convenes at 7:30 P. M.

Loop head Bill O'Connor and Secretary-Treasurer Lou Pusco have called for the manager, or a representative of each prospective league entry to be present at tomorrow's parley. Seven clubs filed their entrance applications at the first confab.

One of the important things that officials hope to settle is complete details for the dance they will sponsor at the Legion Hall on March 2.

2ND SPORTS SHOW SET FOR CENTER

WHITE PLAINS—

Early preparations for the second annual Southern New York Sports Show which will be held at the County Center, April 3-8, indicate that this year's exposition will be replete with items of interest.

In addition to the exhibits the Massapequa, which consists of Lou Pieri of Providence, R. I., and Julian Olney of Armonk, are rounding up acts which will be presented from the stage and in the huge tank—one of the largest to be erected indoors in the United States.

The show is sponsored by the Southern N. Y. Fish and Game Association. Henry Schlichting of Tuckahoe, heads a committee chosen by the group.

A show feature, begun last year, will be the casting rodeo which in its initial effort brought out more than 70 entrants, among them the East's leading exponents of the fishing art. A special division for Westchester entrants will insure prizes going to the local talent.

OLYMPIC RIDERS TRAIN AT SECOR

WHITE PLAINS—

Five candidates for the pentathlon event of the Pan-American games—a small-scale New World version of the Olympics slated for Buenos Aires, Argentina, from Feb. 25 to March 8—have been training for riding competition at Secor Farms Riding Club for the past six months.

Three of the candidates will be selected for the pentathlon, an event in which each contestant participates in shooting, fencing, swimming, and running in addition to riding. Representatives of 21 nations are expected to vie in the games.

In the riding run-offs held this week at the club, the candidates —who include a civilian and four Army officers — each took five horses over a given course to be judged on performance, time, knockdown, jumps, refusals and spills.

Would-be pentathletes are John Wofford of Fort Riley, Kan., Capt. James W. Howe, an instructor in Spanish at the U. S. Military Academy; Capt. Guy G. Troy, 32d Armored Cavalry, Fort Meade, Md.; Lt. James M. Thompson, Fort Belvoir, Va., and Lt. Gail P. Wilson, 82d Airborne Division, Fort Bragg, N. C.

FAMOUS AIR TIMER FLAGGED BY DEATH

LOS ANGELES, (AP) — The Official Times flagged a checkered flag yesterday at Larry Therkelsen.

Death came to the sixty-eight-year-old aviation figure after a heart attack.

Therkelsen's own checkered flag — he was Official Times of record-seeking flights originating on the West Coast—bore the signatures of hundreds of aviation's great. Best known as the starter for the Bendix air races to Cleveland, Therkelsen scored many of the records set in aviation's record-breaking past 20 years.

Officially, Therkelsen was West Coast representative of Federation Aeronautique Internationale, aviation records organization. He also was West Coast events manager for the National Aeronautic Association.

Orange Quintet Host To P.C.; BHS Treks To Pleasantville

Bellows and Mamaroneck cage combines have fine chances to improve their seasonal and league records tomorrow night as Westchester scholastic hooping picks up once again. The Panthers, who lost absolutely no face in getting shaded by Stepinac on Tuesday evening, will go up country to tackle the Green-clad Panthers of Pleasantville while Mamaroneck, fresh from its initial victory taste, will be trying to slow Port Chester's Rams on the local Junior High School court. The usual Javvee scraps start both programs.

The MHS orange shirts figure to have the toughest time, since they play host to a sawpit quintet that always comes close but thus far has had trouble breaking even on the tight battles. On Tuesday the Rams were nipped by Harrison but they had trimmed the Huskies in a previous meeting. On the basis of that alone they look like an even-so-slight favorite in tomorrow's tiff. Coached by Joe Angello, Port Chester—like Mamaroneck — has not had a WIAA League success as yet. Their main tallying threats are Walt Smalley and Jack Gallagher.

Bellows looks like a good pick over Pleasantville but the Green quintet is always hard to tame on its home floor. The Rye Neck squad is in a tie with Edison Tech and Harrison for first place in the SWIAC and they cannot afford to trip on what might be classed as an easy one. Pleasantville was beaten by Scarsdale yesterday, 59-46, but wins over Rye, Alexander Hamilton and North Tarrytown. In the league Pleasantville is owner of one win in four tries —the fourth he has signed as a coach.

Harder, onetime pitching ace, is credited with helping to develop such present day first line hurlers as Bob Lemon, Early Wynn and Mike Garcia.

Edison Tech will be at Rye and Harrison invades Eastchester, while the WIAA slate has Davis testing New Rochelle in Huguenot town, Gorton at Roosevelt and Yonkers going into White Plains for a battle of the unbeaten.

Gaels Tackle Stamfordites In Hoop Fray

Friday night basketball resumes at Mamaroneck Avenue School Gym while on the local Gaels take to their home hardwood against the powerpacked 8-1 Stamford Yerwoods. There was a layoff in the regular Gael home series last week because the locals had engaged in five tussles and were a bit tuckered out.

Tomorrow's tilt looks like a big road-block for the Gaels, mainly because Stamford holds two impressive victories over the Port Chester Crusaders. The Mamaroneck quintet had trouble with Port Chester twice and salvaged one win. Thus far the Yerwoods have captured 15 and been licked only once.

The Gaels have notched 11 triumphs and slipped four times and they have yet to find a club that can outclass them.

The locals have a four-game home winning skein going and much credit for it goes to Tinker Lord, now number three scorer on the club with 118 markers. Gil Allen and Flint Murray, the forwards, have bagged 149 and 130 respectively. Lord has developed from a strict rebounder and defensive player into a point threat.

Klem, 76, Gets Better; Umpire Ill in Florida

MIAMI BEACH, Fla., (AP)— "Slight improvement" was reported today in the condition of William J. "Bill" Klem, veteran National League baseball umpire.

Klem has been critically ill at his Venetian Island home for several months but his long-time friend and physician, Dr. S. D. W. Licht, said he showed some improvement over the weekend and was "a little better."

Klem, who will be seventy-seven on Feb. 22, served as National League umpire from 1905 to 1941.

Larchmont 5 Among Rye Pioneers Court Tourney Selections

Six more crack quintets were yesterday selected for the 12th annual Rye Pioneer Invitation Tournament, and among the final half-dozen was the Larchmont L'Es. Other Pioneer Athletic Committee choices were the St. Mary's Gaels of Port Chester, Hastings Southsiders, Unioneers of Yonkers, Bedford Hills Legion and the Knefers Sports, another Yonkers cage group.

The first six units chosen for this year's version of the widely followed tourney were: Rye Pioneers, Mount Vernon Scarlets, Stamford St. Martins, Our Lday of Grace of the Bronx, Sheas Shamrocks of Greenwich and the New Rochelle Bonefros.

The Larchmont aggregation has much of the personnel of the former St. Augustine's Saints, and Tony Loiacono, the versatile Saint playing-coach, will be at the helm. Loiacono is certain to have former Fordham forward Gene Doherty and ex-Manhattan speedster Joe Cullen in his lineup. He will pause the other members of his tourney roster in the near future.

Hastings will be going after its third Pioneer crown and Bedford Hills also captured two pre-war tourneys. The Unioneers have practically the same club that represented the Hollows AC last year, finishing second. The Saints have reached the final round twice, but have yet to cop a title at Rye. The Knefers are said to be one of the fastest teams in the county independent hoop pictures and are a real dark horse.

The tournament gets rolling on Sunday afternoon, February 18th and elimination rounds continue on the nights of February 19, 20, 21 and 22. The title tilt and consolation contest will take place Sunday afternoon, February 25. Three big trophies are to be awarded to the top trio.

TUSCON TOURNEY GETS UNDER WAY

TUCSON, Ariz., (AP) — The $10,000 Tucson open golf tournament starts today with a field as wide open as the surrounding desert.

The experts say you'd probably need a dozen guesses to come up with the eventual winner.

This is a tourney in which you have to shoot par golf for four days in a row to win street car money.

Yesterday was a good example. A chill wind blew across the 6,402-yard par 76 El Rio Golf and Country Club course yet 24 pros played under par and they weren't really bearing down.

Chandler Harper of Portsmouth, Va., the current PGA champ, took last year's Tucson event with a 13-under par 267.

Asked who will win if he doesn't, the easy-going Southerner said, "Lloyd Mangrum is my first choice if he is in shape. You also have to reckon with Lew Worsham and Cary Middlecoff."

Mangrum took a shot of pain-killing novocain yesterday and then went around the course in even par. Afterwards he said the pulled muscle in his back that has been such a nuisance to his game didn't bother him.

Worsham, the Oakmont, Pa., pro who took top money in the Phoenix open last week, had a 66 yesterday. Middlecoff, the Memphis, Tenn., dentist was only one stroke behind. Art Wall Jr., of Bronxville, N. Y., posted a 65 score yesterday.

Harder Signs on Again As Cleveland's Coach

CLEVELAND, (AP) — Mel Harder signed his 24th contract with the Cleveland Indians today —the fourth he has signed as a coach.

Harder, onetime pitching ace, is credited with helping to develop such present day first line hurlers as Bob Lemon, Early Wynn and Mike Garcia.

Yonkers, Plainsmen In Unbeaten Battle

With Pelham Memorial High School's 36-game victory string ended on Tuesday, Westchester now lists only two unbeaten quintets—White Plains and Yonkers.

But, by mienight tonight, just one will remain with the lone unblemished slate among the 30-odd county scholastic cage teams.

The undefeated fives collide tonight in a WIAA game at the Tigers' lair. Both post 6-0 records.

Also depleted was the next-ranking group of once - beaten clubs, which lost two members and now lists eight schools. Heading this group is Archbishop Stepinac High of White Plains, with 10 wins, most produced by any of the county schools to date.

Following are New York School for Deaf and Hackley (9-1); Edison, Pelham, New Rochelle and Ossining (all 6-1), and Peekskill Military Academy (5-1).

Ranked from their perches in this ranking were Gorton (toppled by White Plains) and Scarsdale toppled by Pelham.

Another duo of quintets also broke losing streaks to leave but three clubs who have yet to record initial victories. Chalking up first wins were Mamaroneck (after six losses) and Tuckahoe. The latter had lost seven this year and 10 during the preceding campaign, thus ending a 17-game losing streak.

The Westchester - area scene continued to be dominated by Mamaroneck, now showing 11 straight wins against no losses and Horace Mann (9-0) and Barnard (6-0). Iona led the trio of college teams with a 12-4 mark while White Plains State Tech showed 7-3 and Concordia College, 1-8.

NR SEXTET RIPS TARRYTOWN, 5-2

By PHIL KAPLAN

Scoring in every period, New Rochelle High's hockey team dumped North Tarrytown, 5-2, last night at Rye to move into the second round of Westchester Interscholastic Hockey League competition as undisputed leader.

Coach Willis I. Thomson unleasher all four strings in every period as the Huguenots completely dominated the ice, extending their league record to four victories. Spearheading the offense were Babe King and Pyfe Dollar, backed up by the excellent defensive work of Bill Bruce.

Most impressive of all was the display of strength the Huguenots gave through all four strings. Through Dollar led the scoring with two unassisted goals, the three remaining New Rochelle markers were all scored by second liners—Orsan McPherson, Dave Bruce and Ken McKenna.

The first period proved a testing of strength until McPherson at the 7:15 mark broke through to put the Purples ahead. Dollar started the ball rolling in the second period by stretching Tarrytown's net just 30 seconds after face-off. Bruce took a nice assist from McKenna to fire in a third New Rochelle score.

The Tarrytowners began to move when Collier, assisted by Forman, slid one past goalie Bob Aldrich. Forty-seven seconds later Forman put one in, assisted by Collier, and the Huguenot first line came back in to cool things off.

A second goal by Dollar, twenty-eight seconds after the beginning of the third period, put the Huguenots comfortably ahead as the reserves could again take to the ice, McKenna iced the game with the final tally.

GEHRMANN AIMS AT MILE RECORD

BOSTON, (AP) — Don Gehrmann, the seemingly unbeatable thin man among the nation's milers, *not only* is expected to win his 37th consecutive race tomorrow night but some think he might break Gil Dodds' indoor mark of 4:05.3.

And if he should be hustled into better time by a pair of Phi Agents—Fred Wilt and Horace Ashenfelter — the Rev. Gilbert Dodds will be at Boston Garden as a witness.

Dodds, now track coach at Wheaton (Ill.) College, is scheduled to start the Hunter Mile, one of the features of the 62d Boston A. A. meet.

Last week in New York Gehrmann was forced to run the mile in 4:05.7.

Also in the field are last year's winner, John Barry, an American born Irishman from Villanova, and Sweden's Ingvar Bengtsson.

Track experts are virtually unanimous in naming Reggie Pearman of New York as probable winner of the Lapham 1,000-yard run.

Among his adversaries are Roscoe Brown who holds the track record of 2:11.1 which he made Saturday, Phil Thigpen of Seton Hall and Larry Ellis of New York U.

The Rev. Robert Richards, pole vaults as Bob Richards, exceeded 15 feet last week in New York and now is aiming at Connie Warmerdam's indoor mark of 15 feet, eight and a half inches set in Chicago in 1943.

SANTA ANITA PURSE RICHEST IN HISTORY

ARCADIA, Calif. (AP) — Money may not be everything but it will be the most important feature of all when the Santa Anita Maturity is staged tomorrow for a purse of more than $200,000.

Shooting at the golden ring, the richest in the history of horse racing, will be the finest field of four-year-olds which can get up to the post out here.

If 11 parade to the post tomorrow along about 7:35 EST, the gross value of the race will be $205,700, and the winner will net either $144,225 or $134,700.

The mile and one-quarter event carries a purse structure that varies according to several factors, such as special awards to California breeders whose products land in the money.

In any event, the money awards will top the previous high marks in turf annals for a single race —the $146,320 gross value of the 1946 Santa Anita Handicap and he net $108,400 won by Amcar in the inaugural Santa Anita Handicap in 1935.

The Vanderbilt entry of Next Move and Bed O'Roses, figures to be the choice of a crowd expected to number 30,000 or more, with Kings Ranch Bee Bee Bee Max probably the next in public favor.

Larchmont Host For Return Match Of Local Keglers

The Larchmont March of Dimes drive will be staged Sunday when the return match of Larchmont vs Mamaroneck bowlers is staged at the Larchmont Recreation center, starting at 3 P. M. Mamaroneck's star-studded contingent of keglers captured the laurels by a safe margin on their home alleys last Sunday but the return clash is expected to be much closer with Larchmont rolling in its back yard.

Both teams probably will use the same lineups they tossed into competition last time Joe Masto captains the Larchmonkers and Charlie Lanza is Mamaroneck team director.

Tuscon Open Golf Without Big Favorite

TUCSON, Ariz. (AP) — The $10,000 Tucson open golf tourney is still wide open as a cut and dried favorite today as experienced Jim Turnesa of Briarcliff, N. Y., leads a well scrambled field into the second round.

Although 14 men are ahead and another eight are even, Lloyd Mangrum of Chicago, and Cary Middlecoff of Memphis, Tenn., strengthened their positions with the gallery yesterday.

Turnesa could do no wrong with his approach shots. They carried him to a six under par 64. Of course there was nothing the matter with his driving and putting either. "But," he said, "when you get as close to the pin with *your irons as I did, you don't have to worry about putting.*"

As far as Turnesa is concerned the flat, 6,492-yard El Rio Golf and Country Club course, isn't easy. "So far I've never found an easy course," the stocky New Yorker claimed. "But I sure liked those six birdies."

Jack Burke Jr. of Houston, Texas, Bob Watson of White Plains, N. Y., and Ralph Blomquist of Glendale, Calif., are just a stroke behind. Four others have 18-hole totals of 66 and five more have 67's.

BUTTON HAS FIGHT FOR SKATING TITLE

SEATTLE (AP)—World champion Dick Button, trying for his sixth successive national title, and Hayes Alan of the United States Figure Skating Association championships tonight with a slim chance of Colorado blistering the ice at his heels.

Button, twenty - one - year - old Harvard sophomore, made a clean sweep of last year's event, but ran into his toughest competition yesterday in the person of Jimmy Grogan of Colorado Springs, sidelined a year ago with a pair of fractured ankles.

Three of the five judges rated Button best in school figures, but two gave the call to Grogan and the decision will be in doubt until the free-skating competition tonight.

NL Celebrates 75th Birthday With Living Greats On Hand

NEW YORK, (AP)—Baseball's greatest living players, headed by the great Ty Cobb and Rogers Hornsby, took over the town today as the National League celebrated its 75th birthday at the Broadway Central Hotel.

Ceremonies in front of the hotel, where the circuit was born on Feb. 7, 1876, were scheduled for this afternoon. Ford Frick of Bronxville, president of the league, was to act as master of ceremonies and *his initial chore* was the reading of a message of greeting and congratulations from President Truman.

Mayor Vincent Impelliteri was to be on hand to make a dedication speech and unveil a plaque sponsored by the New York State Baseball Association.

Weekend of Festivities

The birthday party will set in motion a whirl of events lasting over the weekend that promises to close the off season in a blaze of action.

Tomorrow the club owners of the National and American League will hold their annual February meeting, separately. On Sunday, some 1,400 guests, including Commissioner Albert B. Chandler will attend the 26th dinner of the New York Chapter of the Baseball Writers Association.

Chandler is scheduled to deliver a speech at the writers festival. It is assumed the commissioner probably will be available at the league meetings. It is doubtful whether there will be a joint session, since the agenda does not call for one.

However the four-man committee, appointed by the two leagues following Chandler's repudiation last December to screen possible successors to Happy, may request a special meeting of the 16 club owners.

Happy Hopes for Fair Play

The commissioner said in Boston last night he hopes for "fair play *in the American tradition*" in his dispute with the clubowners.

All but seven of the 23 living members of the Hall of Fame were scheduled to appear today. Among the first to arrive were Cobb, Hornsby, Fred Clarke, former outfielder and manager of the Pittsburgh Pirates; George Sisler, ex-first baseman and manager of the St. Louis Browns, and Charlie Gehringer, who starred at second base for the Detroit Tigers.

Weather conditions were delaying the arrival of a majority of the players. They are to attend along with Arlie Latham, at ninety-one the oldest living ex-major league player, and eighty-one-year-old John A. Heydler, former National League president.

Others expected include Cy Young, Tris Speaker, Eddie Collins, Hugh Duffy, Carl Hubbell, Kid Nichols, Pie Traynor, Ed Walsh, Mickey Cochrane, Mell Ott and Jimmy Foxx.

LIGHTWEIGHT CHAMPION
Ike Williams, left, misses a left jab but lands a short right chop on the face of Vic Cardell of Hartford, Conn., in the fifth round of their non-title bout at Detroit. Cardell failed to answer the bell for the ninth round.

Petrie (Who Else) Far Ahead In Schoolboy Court Scoring

Despite the fact that he continues to prefer play-making to shooting and rarely takes aim at the basket in the first quarter, Eddie Petrie's scoring stock continued to grow. The dead-pan, dead-eye Bellows basketball demon added 58 points to his season total in the last week an, despite his size, looks like the greatest thing to hit Westchester since the blizzard of '96. The even six-footer has now pumped 85 goals and 48 fouls through various county hoops for 218 markers, a 27-plus average for eight contests.

With Pistol Petrie leading the entire county in scoring efficiency, it is not startling that the local point record should be a bit one sided. However, Tommy Carino more than holds his own in the tallying, having added 30 in the last week to stay ranked second with 103 markers for seven outings. Almost 15 a game.

Standing third is Bellows center Ken Dellner on 55 markers, Dave Cranlea of the Hilltoppers is fourth at 51 and the top five is rounded out by Panther Frank Pokorny, owner of 44 tallies. Pokorny sat out two tilts with a twisted ankle so he has been doing fairly well.

For their eight encounters, the Rye Neck cagers have dropped 167 goals through the rim and meshed an even 100 free flips. Mamaroneck has hit for 118 twopointers and lofted 64 five tosses accurately. BHS is 5-3 on the season, the Tiger 1-6.

GROCERS, PATROL HOOKS GARNER 3

The Grocers and Patrol swept three games and the Hook and Ladder took a forfeit in Community League ten-pin shutouts at the Larchmont Rec Center last night. In the other loop encounter, the Taximen were shaded by the Spanmen, 2-1

Out of the kegling of seven teams, only three games of more than 200 pins resulted and Joe Wilson of the Grocers accounted for two of them. His 241 starter was plenty for high single and he soared to 606 for undisputed possession of high series. Johnny Guad's 220 was the only other pinfielding game in single tallies and no one came within 50 timbers of challenging for high three.

MOTTS EARN SHUTOUT IN ACRES PIN LOOP

The solo shutout in Acres League bowling at the Mamaroneck Rec last night was registered by the Motts while the Bassett and Disbrows were capturing 2-1 verdicts in the weekly program.

Heizmen of Bassett rolled 230 to edge out Schmitt of Disbrow, who had 223 for top single tally. Schmitt recorded a 235 triple but he also was nipped in this department as Greenbaum of Rickbell posted a 538 pinfall.

'Gabby' Street Better Left Ill by Operation

JOPLIN, Mo., (AP)—The condition of Charles "Gabby" Street improved slightly yesterday, but he is still listed as critically ill.

The former major league baseball player and manager entered a hospital last week. He has been in a weakened condition since an operation last Summer.

Street, sixty-eight, was manager of the St. Louis Cardinals in the early 1930s.

PIONEERS CLASH WITH TOP RATED BRONX 5 SUNDAY

The field goals should fly thick and heavy Sunday afternoon when the Rye Pioneers place their untarnished record on the line against the highly rated Our Lady of Grace quintet in a 4 P. M. clash at the Rye YMCA. The Our Lady of Grace cagers hail from the Bronx and are currently well on their way to a successful defense of the New York State CYO championship. In a recent outing they tripped the Don Bosco Big Five by a ten-point margin at Port Chester.

The Pioneers took care of the tough Hastings Southsiders last Sunday, 70-60 and before that licked the Solin Sports AC of Long Island, a batch of ex LIU standouts. They are coached by former Fordham University assistant pilot Jim Brody and are classed as one of the most resourceful quintets in Westchester.

Sunday's scrap could very well hinge on the outcome of a pivot skirmish between six-eight Chet Kingsland of the Pioneers and six-four Tom Coogan of Rye Supporting the lanky center for Our Lady will be six-four Ed Isidore, former Iona College star, six-three Bill Leminick, poperty of the NY Giants, Capt. Bill Cappasso of Manhattan College and Harry Chimulera, one of the current Iona College scoring mainstays.

Opening for the Pioneers will be ex-Larchmont Saint Dave Latiner, Jim Cunningham, six-seven Rye High School 1950 star Jim Donovan, Coogan and speedy Bellows grad Harvey Harriott. Joe Digillo of Fordham U. and Dick Guerin, leading scorer on the Iona Frosh squad, will be held in reserve.

School League Alters Division For Cage Play

WHITE PLAINS—

Officials of the Westchester Private and Parochial Schools Athletic Association voted last night to divide competition in the A. A. U. of U. S. A. association basketball tournament into Classes A, B and C instead of the usual two divisions. The decision was taken at the mid-Winter dinner meeting of the loop at Dick Hayes' Place.

According to the new plan, winners will be established in each Hackley School as site of the association tennis tournament.

The Gabriel of Peekskill Military Academy, president of the PPSAA, conducted the meeting.

Hotshots Steamroller Glober Trotters, 87-41

With four men reaching double figures,the Hotshots poured it on the Globe Trotter, 87-41, yesterday in a Junior League fray at Murray Avenue School.

Top scorer for the winners was Kaufman who had the gamehish of 27 tallies. Carducci meshed 21 and Muench 19 for the victors while N. Peterson paced the Globe Trotters to a good try in the high scoring cage battle.

The box score:

Once Over Weekly

By GUIDO CRIBARI

IT'S ALL IN THE COACHING

It's no mere accident that some schools over the years fare considerably better than others in the field of scholastic athletics. Many things are involved, such as size of enrollment, training, etc. Coaching, we believe, plays the most important part in the success of the schoolboy venture. This is apparent to any and all who follow closely the doings of the schoolboy athlete. As proof we could site such tutors as Les Beck (basketball), Glen Loucks (football) and Art Lynch (track), who year in and year out rate among the elite in the respective sports. There are many others, but to stress a point we singled out those who came immediately to mind.

The aforementioned is nothing more than a roundabout approach to an incident that took place at the Millrose Games in the Garden last Saturday. And that was Pelham High's triumph in the featured one-mile scholastic relay event. Coach Dick Lacey of Pelham is another who ranks up among the best of the coaches. His record over the years proves it.

Lacey took four boys down to the Garden and beat the best around, including many top prep schools in the Met district. Again, this was no accident. It is the result of careful planning, training and coaching. It's gotten so that one expects Lacey and Lynch-coached track teams to prevail consistently. And what's more they seem to.

* * *

And so to Coach Lacey and Pelham runners Jim Harris, Bob Gambera, Doug MacLeod and Eph Klots, a deep bow for a job well done.

Although they showed no semblance of being a sound ball club, Port Chester's Rams held their own for a half against Mamaroneck on the Junior High floor last night, only to walk smack into a zone defense in the second half and get thrashed, 51–41. For the second straight outing, the MHS Tigers passed, sped and shot like a first-class quintet and as a result of their first WHAA success of the season, there is only one occupant in the circuit's cellar today.

The score was knotted eight times during the struggle but the host aggregation never trailed by more than one field goal and only once were they behind by that much. Actually the locals should have disposed of the Ram threats in the first half, but Port Chester hit from the outside often enough to make a battle of it so the zone-type defense had to be dragged out for immediate third quarter use. It instantly clicked and before the Rams knew what had socked them, Mamaroneck was carrying a 42-34 spread.

The invaders must have had some advance notices on Tommy Carino's scoring punch for, intentionally or not, they pretty well bottled up the southpaw drive-in specialist during the first half. Fortunately, however, other Bengals found the range; especially Tony "Jumbo" Donato who, mind you, didn't miss a single shot during the game while hitting on five push shots and three fouls. Those 13 markers were high for the night and the goals were genuine ones, coming via 25-footers from far outside on tosses that Donato had plenty of time to prepare for.

Closely behind the point-paced came Carino and Jack Gallagher of the locers with 12 apiece. Dave Cvanisa and Dick Koch of the Hilltoppers contributed nine each with the latter excelling on rebound grabbing.

Tiger Get Jump, Fade

A set shot by Larry Collins was the first MHS goal but Donato hit the cords twice and Bobby Rex drove in underneath for another pair as the Tigers stormed into a 12–4 advantage. However, they fumbled around for the next three minutes and Port Chester crept to within 14-10 by quartertime.

A layup and lump shot after the second period got under way. Port Chester had evened the count at 14-all. Donato was "the plugger who kept the home quintet alive for the next four minutes, and for the Rams it was Gallagher hitting on long banked push shots off the backboard, one of which clicked—the latter at 20-20. Cvaniga then unleased two goals, the first of which was an amazing backhanded layup on a lead pass downcourt but Ronnie Schellman and long arm Scinto dropped in two two-pointers from outside before little Earl Cook came in to create a 26-all knot. Koch and Schellman traded hook shots just before the intermission buzzer so it was still a stalemate.

Right after the resumption of hostilities, Mamaroneck went on a nine point tear, five of the points coming on free flips and four of those in a row by Carino. Tom's steal and layup made it 37-33 and the Tigers were never headed thereafter. Koch jotted two fouls and a tap-in, Cvaniga a foul and Donato the last of his long bull's-eye floaters to settle the tally at 44-36 going into the insignificant final canto.

The Jayvee perlum was far more exciting than the varsity afterwards but Joe Dalia's hard-luck Tiger reserves were nipped for the third time this campaign, 36-34. Tonight the Tiger JV unit in scoring once again was Joe Capparatta at 16 markers, while Lloyd Mann tallied 10. Lanky Ronnie Anastasio was the most troublesome Ramlet, he with the 14 point total. Mamaroneck's second-stringers missed 13 of 23 fouls and that hurt in the end when Anastasio hooked the deciding basket through the cords.

3 VETS BUNCHED IN TUCSON OPEN

TUCSON, Ariz. (AP) — Three links veterans and a couple of newcomers are bunched within a stroke of each other starting today's third round of the $10,000 Tucson open golf tourney.

Jim Turnesa of Briarcliff, N. Y. shares the lead with Johnny Bulla of Verona, Pa., and Ted Kroll of New Hartford, N. Y., who has never won a meet since joining the big time.

The three men are eight under par with 56 hole total of 132 for the par 70, El Rio Golf and Country Club course.

Breathing hot down their necks are Lloyd Mangrum of Chicago, who has apparently fully recovered from a back injury, and Max Evans of Detroit, Mich., who has crashed the winner's circle since joining the pro circuit.

Bull another lad who has not made many going headlines, is Bob Watson of White Plains, N. Y., who is tied with Ed Furgol of Royal Oak, Mich., with totals of 135.

With 23 pros and a lone amateur all two under par for 36 holes, top prize money is still considered anybody's pickings.

Bulla had to get medical treatment for a locked back a few minutes before he started the tourney yesterday. When he finished the first round with a two-under-par 68 he insisted "I'm going to win this tournament." He hasn't changed his mind as he starts out today.

Turnesa saw two long putts for birdies land on the lip or stop an inch short. But his shot on the 323-yard fifth made up a lot. His drive on the fifth was 40 yards from the flag. A wedge shot hit the pin and dropped home. That steadied him. He was not in serious trouble for the rest of the day.

Evans is playing the Winter circuit for the second time. So far he hasn't won a tourney.

Mangrum has emerged as the big threat. Rounds of 68 and 65 have left him in a strong position.

KEGLERS SLATED FOR RETURN TILT

The elite of local keguing will again be put under one roof tomorrow when Mamaroneck's talented pin-smashers try to make it two straight over Larchmont in another March of Dimes alley battle, this time at the Larchmont Rec Center. The first ball is slated to be thrown at 3 P. M. sharp.

Mamaroneck will be the favorite on the basis of its decisive win at the Mamaroneck Rec last Sunday night but the Larchmonters feel more comfortable in familiar atmosphere and have mapped plans for squaring the score on their inter-town foes. Joe Masto will lead the host keglers with Sid Anton, Len Grosso, Lou Gganga, Stan Whitman and Johnny Guad. Mamaroneck is expected to counter with Walt Webber, Danny Goetze, Bill Rickert, Johnny Smirga and Charley Lanza.

YALE IN POLO MATCH AT SCARSDALE ARENA

SCARSDALE—

Yale University, runnerup last year to the University of Miami for the national intercollegiate polo championship, will furnish the opposition for the Fairfield mallet wielders tomorrow as the Sunday afternoon series at the Boulder Brook arena resumes after a two-week layoff.

Led by Greg Baldwin, of the famed Hawaiian polo-playing family, the Eli triumvirate will be rated at six goals. Jack Searles and Peter Packard, accomplished young players, will team with Baldwin against the strong Fairfield team which will be led by Tommy Glynn. Bill McMath will be at his usual No. 3 post for Fairfield while Gerard Donovan will spell the indisposed Bill Crawford.

In a preliminary affair slated to get underway at 3:15, Hutchinson Farms, led by Teddy Hutchenhoven, will meet the strong Horseshoe Farms team from Long Island. Fleming Gustenhoven will be Harry Huberth and Al Homewood while Vince Rizzo, Ray Koch, and Arch Young will form the high-scoring visiting lineup.

Gertrude Moran Back On Win Side In Calif.

SANTA MONICA, Calif., (AP) A home town appearance saw tennis professional Gertrude Moran get back on the winning side in two matches.

She beat Pauline Betz Addie, 7-5, in singles last night, then Miss Moran and Jack Kramer defeated Mrs. Betz and Pancho Segura, 6-1, in mixed doubles.

Segura turned the tables on Kramer in men's singles, 6-3, 10-8. Kramer, however, leads 45 matches to Segura's 17 on the tour. Mrs. Betz has a 42-11 lead over Miss Moran.

Free To Change

SCHENECTADY, (AP)—Coach Sig Makofski feels free to change his lineup as well as last. His "good luck charm" saw the Mount Pleasant High School basketball team through 41 straight triumphs. Albany High broke the string last night, 42-32.

The coach had worn the suit to every game since March, 1948.

MHS Natators Trim Iona Prepsters, 45-21

Coach Bob Hanna sent his Mamaroneck High natators into the Huguenot YMCA Pool against Iona Prep yesterday and, despite the all-out efforts of an undermanned Irish swimming corps, the MHS crew won with ease, 45-21, to stay in the unbeaten class. It was the third straight triumph for the Orange and Black mermen.

Mamaroneck captured first places in every event except the 150-yard medley relay, although the Tigers had to be satisfied with a share of a dead-heat in the 100 yard backstroke race. Altogether the Bengals dominated the scene with six victories, two seconds, three thirds plus five of the nine points in the event that wound up in a split decision.

Johnny Glover and Jerry Schiller swam one-two in the 50 yard freestyle to give the Orange a good jump. Pete Goldsmith followed with five-points for a win in the 100 yard breast stroke and Charley Trefzger continued his string of triumphs by outdistancing the field in the 200 yard freestyle. In the backstroke century, Leo VanDijk upset Johnny Pentman as the two Tiger swifties staged an inter-team battle right down to the final yard. Jim Savage of Mamaroneck was involved in the tie with Stan Lane of Iona Prep, the latter helping gain undisputed victory with Ward and Bob Lane in the 150 yard medley relay for the Prep's lone success of the day.

Next meet for the MHS squad is on Feb. 14th when they entertain Peekskill High School at the Huguenot Y.

The summaries:

50 yard freestyle—1, Glover (M); 2, Schiller (M); 3, Rice (I). Time—:24.6.

100 yard breaststroke—1, Goldsmith (M); 2, Ward (I); 3, Moorhead (M). Time—1:17.6.

200 yard freestyle—1, Trefzger (M); 2, Lane (I); 3, Hunter (I). Time—2:26.

100 yard backstroke—1, Savage (M) and S. Lane (I) in dead heat; 3, Mopps (M). Time—1:18.3

100 yard freestyle—1, VanDijk (M); 2, Pearman (M); 3, McDermott (I). Time—:59.3.

Diving—1, Maiman (M); 2, Duffy (I); 3, Goldsmith. (M).

150 yard medley relay—Won by Iona Prep (S. Lane, Ward, B. Lane). Time—1:33.

200 yard freestyle relay—Won by Mamaroneck (R. Savage, Moll, Pollack, Kurtz). Time—2:25.5.

Iona College Quintet Faces Tall Cagers Tonight At C.C.

The tallest basketball team Iona College will have to face this season, John Carroll University of Cleveland, Ohio, will make its appearance at the County Center, tonight. The program will start at 8 o'clock, when the Iona freshmen meet a traditional rival, the Manhattan freshmen.

Carroll could easily present a team averaging six foot six if it was inclined to make maximum use of its height. That would be approximately four inches per man over Iona. The Cleveland university boasts such tall timber as George Riley, six foot eight, Vic Rosenberger, Hank Schmidt and Fred Adams, each six foot six, and Joe Rosicka, Joe Stipkala, and Bill Perusek, each six foot five.

Hidden amongst these giants is a famous fullback, five foot nine Carl Taseff, voted Little All-America after the recent football season.

Though not bringing an outstanding record, Carroll has toughened up against such powerhouses as Syracuse, Fordham, San Francisco, Eastern Kentucky, CCNY, and Siena.

Leading the Gael resistance will be the big three scorers, who are within six points of each other. Manny Kennedy has 170 points, Bob Santini 169 and Harry Chiamulera 167. None of the others are close to the high three. Needless to say, Iona would greatly like to repeat last week's upset victory over Siena at the County Center.

REPEAT FIGHT SLATED FOR AMATO AND LEVITT

WHITE PLAINS—

Tony Amato, hard punching young middleweight of Guttenberg, N. J., again will trade haymakers with Sonny Levitt, hitting New Yorker, in the feature bout of eight rounds Tuesday night at the County Center.

Amato and Levitt clashed in the County Center ring three weeks ago and seven knockdowns were scored during their eight-round brawl which Amato won on a close decision.

Sal Rivera young Bronx lightweight, clashes with Eddie Smith of New York City in the semi-final contest scheduled for six rounds.

Another six spot will bring together Ronnie Moore, New York welterweight, and Vinnie LaRegina of the Bronx.

Three four-rounders completing the weekly fistic program will pit Angel Martinez of Newark N. J. vs. Wayne Eckhardt of the Bronx; Sal De Guardia of the Bronx vs. George Darkley of Harlem, and Mickey Zezza of the Bronx vs. Johnny Ward of Mc-Keesport, Pa.

MC PIN PATTERN FOLLOWS SWEEP

No one ever accuse the Mamaroneck Community League keglers of getting into a rut. Last night at the Mamaroneck Rec the pattern for Community matches did a complete about-face from the previous week by finishing in four shutouts. Mamaro's Colts, the Morticians, Rol-Luckies and Friendlies were on the delivery end of the blankings and they enjoyed practically every minute of their "work".

Mamaro anchorman Danny Goetze stole high single in the middle game with a 224 total but Russ Malz of the Rol-Luckies picked up 502 timbers during the night to earn the title of high series roller. Charlie Lanza was three-game runner-up on a 587 pinfall.

LADIES PIN CIRCUIT SHOWS SPLIT COUNTS

No Larchmont Ladies League keegling team was able to get through three games without losing at least once last night as the Friendly Femmes, Brau Four, Townces and Dom's Four split their 12 decisions at the Larchmont Rec.

The evening's individual honors both went to Margie Haves. Townce roller who posted a 190 single to wind up her 529 series. Tess Simpers registered a 190 to trail closely in the one-game tallying and another Townce, Lorenzen, also socked 190 pins in one game.

PANTHERS CLICK ON NEW FORMULA

SWIAC STANDINGS

Team	W	L	Team	W	L
F. E. Bellows	4	1	Eastchester	2	3
Edison Tech	4	1	Pleasantville	1	4
Harrison	3	2	Rye	1	4

Stymied through the first half by a stubborn Pleasantville quintet that refused to submit meekly, Jack Hasley's Bellows cagers worked a new-found formula of point distribution and eventually chilled the Green and White hosts, 34–44 last night at the Pleasantville Gym. The Panthers functioned in greater team-fashion than during any previous test this season and for a change—perhaps even for the better — Ed Petrie wasn't required to handle most of the steam of the attack himself. The win, coupled with Edison's squeeze past Rye and Harrison's failure at Eastchester, left the Rye Neck cage gang even with the Techmen on the loftiest rung of the SWIAC ladder.

Although Petrie was not at his sharpest in the shooting department, the ace of all the Panthers was still the master. He directed the patterns of attack that rapidly wiped out all Pleasantville visions of a major upset and was as magnificent as ever in the pinpoint passing that is one of the Rye Neck Pistol's greatest assets. However, this time it was Frank Pokorny at the helm of the scoring assault. The Iona transfer rang the bell for 18 tallies and joined with Ken Dellner in stamping the Blue and Black colors on both backboards. Dellner contributed 12 points plus his rebounding and Joe Costa settled for an even 10, just nine short of the total number he had netted in eight previous games.

More Of A Team Now

Staunch Bellows rooters hope that last night will be the point of transformation when the Panthers switch from a bunch of suporting players setting up one man, to a solid unit which has more than one outlet to the victory trail.

For a while though, it looked as if Petrie's "off-night" was going to be costly. Pleasantville, paced by Stu Nadle's sets, Charlie Cundari's one-handers and Ken Hall's pivot play, stuck close to the favored Panthers in the first quarter and battle even more earnestly in the second session. Petrie had dunked just three fouls until halftime approached and then he found the hoop for a push shot and then a lump shot. When Jeff Hall duplicated Petrie's last goal, the teams left the flood deadlocked at 19-all.

When Dellner, Costa and Pokorny swished two-pointers at the start of the third canto, Bellows took the wind out of the Green's sails and also relieved the pressure from further shatter Pleasantville hopes. The Hasleymen caught point-fever and jammed 23 straight markers through the hot streak to break away from the fading opposition. Pokorny personally accounted for four of those goals to soar his game total and, even though the host quintet put seven quick points together, Bellows had a 43-34 margin going into the final chapter.

By slashing the Pleasantville cubs, 39-24, Hasley's polished jayvees extended their 1950-51 streak to nine in a row and stretched the school's two-year JV string to 13. The big gun for the unbeaten Panther puppies was Cy Benson, who pouured 13 points out of his total of 16 baskets. Johnny Daniello was slick enough to give the Hasley juniors 10-tallies' worth of trouble.

STAMFORD STOPS GAELS BY 50-47

The Gaels ran into a streak of sage lightning last night in the person of Cooper Belton, who carried the Stamford Golden Bears to a 50-47 victory before a large crowd at Mamaroneck Avenue School Gym. It was only the second home defeat of the term for the Gaels and they weren't licked until the very end.

Belton turned out to be a tall, sharpshooting center who could hit on pivots, drive-ins or just about anything the situation called for. The net result was 27 markers, 17 of which were touched by the netman in the first half. When Belton wasn't deftly flipping his assortment, Al Bowers aimed his side sets and the Stamford forward netted 11 points to keep some of the pressure off his pivot ace.

For the losing locals it was Gil Allen with 15 counters while Bill Scott and Norm McClendon chipped in with nine each.

The contest was nip and tuck all the way. The Golden Bears held a 16-11 lead at the quarter but went off for the rest session with only a 27-23 advantage. In the third stanza the Gaels made their bid, going in front by 39-34, but Belton and the rest of the Bears got their second wind and came back with a spurt that snatched away the win.

Al Pulliam, principal Gael rebounder, was unable to make the contest and his absence left the Gaels at a disadvantage in the height department.

Knapp Shades Shields In Frostbite Regatta Off Larchmont Y.C.

DECOPPET THIRD AFTER 7 RACES

Art Knapp and Corny Shields staged another of their nip-and-tuck sailing battles on Long Island Sound off Larchmont Yacht Club yesterday and Knapp nosed out his longtime rival, 188-197, in capturing one of the best regattas of the frostbite season. It was the third event of the Mid-Winter series and Knapp, skippering his sleek Agony, has now taken two straight to assume leadership in the current series.

The narrow margin of victory resulted when Shields and his Dainty came on strong to cop two of the last three races and place second in the other. He was accompanied yesterday through the seven-race program by Miss Cyn this Hackney, while young Ralph Petley sailed with Knapp.

Defending champion Bobby De Coppet piloted his Zotom into third place, picking up 188 points but slipping behind by a small margin in the tiltechase. DeCoppet, who had miss Peg Hornige aboard, shaded Jack Stubben and wife, Jean, in Rum Dum by just three markers. A surprise fifth place finisher in the fleet of 23 was Ken Schwartz, who sailed Tales Told to 171 counters, with Miss Marilyn Lamb crewing.

Victor Romagno in Jenny IV also won twice, but he fouled out of another race and wound up sixth on 167 points. Geoff Stokes was his crew. Romagna copped the first and third race in a diminishing southerly breeze, and Knapp led to the finish line in the second trip. Then there was a 15-minute wait for the wind to return and, when it did rise, it came up strong from the southwest, at about 12 knots. That made near perfect sailing conditions the last four times around the harbor. Shields securing his two and De Coppet and Stubben one each.

The interlude between the third and fourth races was passed aboard the "Little Scorpion's Club," the raft which serves as temporary committee - boat. Clint Bell and his small corps of officials served hot coffee to the competitors while awaiting a move from the temperamental wind.

Greenwich Results

Jack Keeshan in Chargog and John Geyer in John's Other Wife jointly paced the Indian Harbor yacht Club frostbite fleet with 32 points, although neither finished on top in any race. It was the second win of the entire season for both racers, with Chargog's last success dating back to November. A total of 13 craft turned out for the first start in an even breeze but mid - way through the third race it died and the boats just drifted.

Halstead "Link" Wheeler won the opening test and was just one point off the pace with 31. Roger Gilbert, who wound up seventh, took the middle race and George Thompson captured the nightcap.

Hennessey Scores 354 For Villanova

LARRY Hennessey of New Rochelle has tallied 354 points in 17 basketball games for Villanova College to date, according to the latest summary of statistics. Villanova has lost only one of 17 games.

The New Rochelle sophomore is high on the list of the nation's leading collegiate scores with an average of 20.8 points per game. There are 13 games left, most of them with first-rate opponents, remaining on the Villanova schedule.

MHS-Pelham, BHS Bronxville Cage Clashes Here Tomorrow

Although Mamaroneck has ripped off two straight and Bellows returned to the win column on Friday, both local scholastic court squads have a golden opportunity to pad their confidence tomorrow in afternoon battles at home. The Orange quintet will be entertaining Pelham in a straight shot at revenge over Carl Schilling's once-beaten Pelicans, while the Panthers will try to make a good impression on the Bronx wise Bronxites at the Bellows Gym. Both contests start at 3:30 P.M.

When Mamaroneck met Pelham earlier in the year, the Hilltop pers were floundering at their seasonal low but now the situation has changed. Landy Ciraco's rejuvenated Tigers got on the right side of the ledger for the first time by lashing Rye and then they sank a poor Port Chester quintet. Although neither of their victims can be classified as first-rate, the Bengals have looked vastly improved in beating them. The Pelicans certainly did not establish superiority in the first meeting, 80 MHS chances figure to be very good if the team continues to play aggressively off the backboards. The team-cooperation has also improved 100 per cent and that has been another vital factor in the surge upward.

Don Verger, an aggressive guard who does not shoot often was the chief thorn in the Tigers' side last time, when he netted 21. Bill Orman and Ross LaSalva also will be watched closely by the Bengals, who realize they will have to halt the Pelicans where they excel, off the backboards on rebounds.

Ciraco expects to rely on the same six players that have seen the most duty of late: Tom Carino, Tony Donato, Dave Cvaniza, Dick Koch, Bobby Rex and Larry Collins.

Broncos Have Heavy Tallyer

Bronxville hasn't anywhere near the depth in rebound strength that the last non-league Panther foe (Stepinac) possessed, but the Broncos have a heavy scorer in Joe Valmas, who threw 36 through the hoop in a victory over Hastings, establishing a school record. Bronxville has annexed three wins and dropped five thus far. Valmas has paced them in the tally department every outing and he is one of three genuine veterans the team has. Other steady Bronco operatives who bear watching are Stu Lang, who generally gets into double figures, and Dick Kreutzer, the place-kicking football player, who gives the quintet most of its height. Last week Bronxville was ripped by Hackley, 56-39, and took it on the chin from Scarsdale in a tight 51-49 finish.

Last year Bellows was slated to play the Broncos, but the bus carrying the Bronxville team got out of control on a back road and crashed, injuring several players.

Bonefro Club Wins 20th Game Against Siders, 57-53

NEW ROCHELLE—

The Bonefro Club did it again —won its 20th straight basketball game yesterday by setting back the Hastings South Siders, 57-53, at Feeney Park Boys Club gym, a preliminary contest. St. Gabriel's girls eked out a well-deserved win over a close-pressing Blessed Sacrament girl's team, 30-28.

The undefeated Bunnies were out to avenge their losses to Hastings a year ago, and did it in convincing fashion. They led by 14 points with two and one half minutes remaining. An all-court press by Hastings accounted for four baskets against Bonefro reserves, pulling the scoring up tight.

Actually the tremendous scoring accuracy of Freddy Pericas, Joe Connelly and Johnny Mandarano had sewn up the game, enabling the Bonefro substitutes to enter. Another big factor was the rebounding and backboard aggressiveness of Al Ryder and Turner Strohman.

Both teams fought hard from the outset, turning in sparkling defensive performances. Bonefro led at the quarter, 13-12, and the half, 26-22. The home team then started to pull away, 41-35, in the third quarter. A fast-breaking attack engineered by Connelly with Pericas and Mandarano on the scoring end hit for four quick baskets to clinch the outcome.

In the girls' preliminary, the winning basket was supplied by Kay Ryan. St. Gabriel's captain, who shared high-scoring honors with Mary O'Neil of Blessed Sacrament with 16 points apiece. Millie Mandarano ran second with 10 points for St. Gabriel, and Mary Jane Burigo had nine for Blessed Sacrament.

Norswift Ski Jumpers Place in Nutmeg Meet

SALISBURY, Conn. — Brinee Falk and Karl Bohler of the Norswift Ski Club at Silver Lake, N. Y. captured eighth and ninth places in the Class B competition of the Connecticut State ski jumping championships on the Johan Seitz memorial slide here yesterday.

Arnfinn Bergmann of Trondheim, Norway nosed out Mezzy Barber of the Brattleboro Outing Club for Class A honors while Phil Dunham, Brattleboro dentist, won the Class B title.

Kjerre Tokle led the senior class which found Sal Barrego and John Viscome of the Norswift Club in fourth and fifth places.

Larchmonters Chill Mamaroneck Pinmen

Larchmont gave Mamaroneck a chilly reception yesterday in the return-match of the March of Dimes bowling series, and after three games of unspectacular keg-ling the Larchmonters had registered a revenge total-pin triumph. The winning collection of timbers reached the figure of 2987 while Mamaroneck's pinmen disposed of only 2389 during the three games. The Larchmont Rec. families alleys to the personnel of both teams, was a genial host for the match, despite the fact that its boiler breakdown gave a frigid atmosphere to the encounter.

Neither individual nor unit scores reached anything approaching sensational proportions and the "visitors" ran into a solid stonewall by inheriting 27 splits in the first two games, both of which they lost by more than 100 pins. Only in the last game did Mamaroneck put together enough marks to eke out a consolation, 840-822 win.

Leny Grosso's southpaw slants were not conspicuous through the three games, but when it was all over there was the venerable local kegler standing on top with a 541 series, and in the one-game comparisons, only Sid Anton's 196 on the second try bested Grosso, whose peak single game was 191. Four of the five Larchmonts competitors wound up with more than 520 timbers while Mamaroneck's best was Bill Rickert on a slightly enemic 508. The whole thing was a far-cry from the initial meeting, in which Mamaroneck went pinberserk with a 2971 total, Webber leading the pack with a 256 single and 676 pinfall.

Bob Wilson and Cuchy Cutchlione were the official scorers yesterday and Nick Condro swung two alleys as pinboy.

The scores:

Kennedy Paces Gaels Over Carroll, 55-51, With Brilliant Sprees

WHITE PLAINS—

Two brilliant solo scoring sprees by high-scoring Manny Kennedy bailed out the flounder-ing Iona College cage quint on the County Center floor Saturday night and gave the Gaels a 55-51 win over John Carroll of Cleveland.

More important of the two sprees was the second which came after the spindly forward reentered the contest with only five minutes remaining and his team on the short end of a 51-49 count. Kennedy proceeded to score field goals on a tap-in and a driving layup and added a pair of free throws to send Iona ahead 55-51. A well-executed "freeze" protected the slim margin during the last two minutes.

11th Loss for Visitors

John Carroll entered the fracas with a record of 10 consecutive losses but seemed well on its way to win No. 1 of a disappointing swing through the East as big Fred Adams and Hank Schmidt dominated the rebounds and luminous Vince Doherty score the points. After the nine-minutes of play the Ohioans enjoyed an 18-10 margin and Coach Jim Dermott's fawged Gaels showed little in the way of winning basketball.

Big Walt Jones of the visitors was high scorer with 17 points, while Pericas had 16, Mandarano 11 and Connelly 11. The Bunnies connected it their best performance of the season. The scoring:

2 Regulars Benched

John Carroll lost the game when some inexplicable quirk of perversity prompted the Carroll mentor to draw Doherty, Schmidt and Adams to the bench simultaneously though none appeared tired and none had accumulated more than three fouls.

With the important triumvirate benched, Iona overcame the deficit and actually drew ahead to a 45-37 margin. With the return of this group to the contest, the Ohioans began another surge which pulled them abreast and they forged ahead, 51-49, as Doherty went on a score-happy binge of eight points on two sets and a pair of driving lay-ups.

Personal fouls caused the removal of Schmidt and Adams and with Kennedy back in the contest at a red-hot pitch, the Gaels came through.

In a preliminary srap the Iona frosh blew a substantial seven-point lead in the last three minutes to drop a 69-66 verdict to Manhattan's frosh. Dick Guerin, former Mount St. Michael star, collected 26 points for the young Gaels to send his total for the season to 307. This aggregate breaks the former frosh season high-mark of 305 set last year by Kennedy. Guerin has ten more games in which to boost the record. Jerry Cahill collected 24 points for the winning Jaspers.

Temple Israel Maintains Lead Over Church Basketball Teams

Temple Israel held the lead in the YMCA-KIWANIS Church Basketball League by whipping Larchmont Temple, 33-17, Saturday at the Huguenot YMCA. Nunes again paced the victors with 14 points. Temple Israel has now won nine of 10 games.

First Methodist topped Larchmont Avenue Presbyterian, 26-19, with Bush scoring 10 points.

First Presbyterian rolled over Holy Trinity Lutheran, 49 - 21, spurred by Carino's 22-point outburst.

St. John's Methodist passed Trinity Episcopal, 24-31, as McPherson tallied 12 points for Methodist.

Salem Baptist toppled St. Augustine, 24-23, led by Westervelt's nine points.

North Avenue Presbyterian skipped by St. Luke's Lutheran, 37-31, although Wiseman got 12 points for the losers. The scoring:

Softballers Hold Meeting To Map Plans

SIX of the eight teams already signed up with the Mamaroneck Softball League for 1951 were not represented when the circuit's managers and officials convened at the American Legion Clubhouse Friday night, Secretary Lou Fusco announced that the Holy Name, Hibernians, Sportsmen, Gaels, Heathcotes and Chieftains sent envoys to the parley but that the WYMC and Century Club were absent.

Tickets for the MSL's March 2nd dance were distributed to all representatives, who are to in turn hand them out to all players for selling. February 23d was set as the date for returns to be posted with Fusco at the Legion Hall. The secretary also revealed that he would be available for contact when any member of the league is in need of additional dueates.

MANGRUM TAKES TUCSON GOLF $

TUCSON, Ariz., (AP) — Lloyd Mangrum won the $10,000 Tucson open golf tourney yesterday because, he figures, it was his turn to win.

"I'm a fatalist," he said as he showed the first prize money of $2,000 into his pocket. "If it's your turn, you'll win."

The Chicago pro birdied the 18th hole on the easy 6,402-yard El Rio Golf and Country Club course for a one under par 69 and a 72-hole total of 269. This gave him a two stroke edge on Jim Turnesa of Briarcliff, N. Y., Lew Worsham of Oakmont, Texas, and Jack Burke Jr. of White Plains, N. Y.

John Bulla of Verona, Pa., and Henry Ransom of St. Andrews, Ill., tied for fifth place with 272, eight under par.

While most of the nation shivered, the tourney was played in a blazing sun with 75-degree temperatures making conditions ideal.

Burke, the much-talked about young pro, finished with a five under par 65 to leapfrog from a 12-way tie for 12th place at the start of the final round into one of the runner-up spots which earned him $1,000.66.

Worsham, who had moved from the rock into a ninth place tie at the start of the final day's play, chalked up a 67 yesterday which gave him the same chunk of second place money.

Max Evans of Detroit and Bob Watson of White Plains, comparative newcomers to the circuit, started the final round in a second place tie, both cracked under pressure.

DONOGHUE JEERED AFTER RING BOUT

BROOKLYN—By a weird grossly unpopular decision in which the two judges voted the fight even and the referee called it for Jim Yonkers' battered Roger Donoghue was handed a draw with tough Mario Moreno of Havana, Cuba in an eight-round scrap at Ridgewood Grove Saturday night. It was Donoghue's first draw in 23 fights.

Many of the 3,000 fans thought Roger was fortunate to fare in the official balloting as well as he did. Judges Bill Reck and Joe Hartman saw it as 3-3-2 and 4-4 respectively, with Hartman calling the points even at 4-4 also. Ref Jack Watson gave it to Donoghue 5-3 but under rules of the boxing commission two identical decisions overrule a third different rule.

Bengal Bowlers To Roll Gorton Wednesday Away

Mamaroneck High School's bowling team will open outside competition Wednesday when the Bengal keglers travel to Modern Park Alleys in Yonkers to take on Gorton's current edition.

Representing MHS in the match will be Frank Valle, Jay Pfister, Larry and Les McClendon, Don Burkhardt and Bud Simpson. The Orange and Black pinmen use the Larchmont Rec Center as home alleys and they will engage other area scholastic keglers there during the campaign. A WIAA match is also to be held during 1951.

BLONDIE

CHUMBLE THEATER

SECOND CHAPTER OF BOUT SERIES AT C. C. TONIGHT

Chapter two of the hair-raising Tony Amato-Sonny Levitt story is scheduled to be unfolded tonight when these two middleweights clash in the eight-round feature at the County Center.

In the first episode at the Center three weeks ago, Amato gained the verdict in a brawl which saw no less than seven knockdowns, Amato from Guttenberg, N. J., was the floored gladiator four times, but piled up sufficient points to satisfy the judges but not all the fans.

Levitt, from New York's East Side, has participated in two bouts in the Center ring this year and dropped both by slim margins. In bowing to Tommy Bazzano, Levitt staged a whale of a fight and came through virtually unmarked while the "Bazooka" was a mauled mess with a verdict.

Sal Rivera, promising Bronx lightweight, collides with Emil Smith of New York City in the six-round semi-final while the other six spot pits Johnny Hogan another New Yorker against Vinnie Ladegina, Bronx welterweight.

Angel Martinez of Newark meets Wayne Eckhardt of the Bronx in the opening four rounder, Sal DeGuardia of the Bronx clashes with George Barkley of Harlem and Mickey Xenas of the Bronx mixes with Johnny Ward of Keesport, Pa. in the remaining fours.

Women's Pin Tourney Is Set For Saturday

PORT CHESTER—

Action in the annual tournament of the Westchester Woman's Bowling Association is slated to get underway at 2 P. M. Saturday on the OPG Recreation Alleys according to an announcement today by fourth vice chairman Rita Cantlin of White Plains. Kegling will continue each weekend until Sunday, Feb. 25.

The tourney, biggest of the year in distaff kegling, includes a prize list totaling $1,360 and has attracted 106 five-woman teams, 102 double teams, and 204 single entries.

Defending all-events champion is Anna Marie Smith of White Plains, who tallied *1,599 points in the tourney last year* at the Vernon Heights Alleys in Mount Vernon. *Team champion in 1950* was the Westchester Inc. of Port Chester which was captained by Rose Santoro and which netted a 2,445 total. Mary Sarica of Port Chester was singles champion with 578 while Miss Smith and Kittie B. Harden of White Plains teamed for the doubles crown with 1,122.

Champions in each event are based on net scores and will receive trophies donated by the alley management.

Helen Jansky of Port Chester is chairman of the program committee while Jane Rossi of Yonkers is president of the association.

Team events will occupy the agenda this weekend with sessions scheduled Saturday night and Sunday afternoon and evening. Team bowling is slated for completion the following Saturday with doubles and singles events slated to get underway on Sunday, Feb. 18.

GLENN GIBBONS NAMED RACEWAY ASSISTANT

YONKERS—

Glenn Gibbons today was appointed assistant racing secretary at Yonkers Raceway by President William H. Cane.

He is a nephew of A. E. "Ted" Gibbons, whom he will assist at Yonkers, and the son of Walter Gibbons, racing secretary at Roosevelt Raceway, to whom he has been an aide for the past three years.

Gibbons, twenty-nine, a World War II veteran, will set up headquarters at Yonkers tomorrow when his uncle, Ted, leaves on a tour of various training centers in the South. Glenn Gibbons will continue to serve as assistant racing secretary at Roosevelt, but will make his headquarters at the Yonkers track during the period when they run concurrently, Aug. 15 to Aug. 28. Yonkers will open the Spring meeting April 16.

Hasley Fits 'Figger Filbert' Role With Pet Form Charts

By DICK CARPENTER

T. A. "Jack" Hasley, athletic director and basketball coach of Mamaroneck's P. E. Bellows High School, doesn't claim to have originated the Figger Filbert expression but he certainly can meet all the qualifications.

A quiet, unassuming gent whose love of the care game equals that of the court-happy Bellows rooters, Hasley never fails to put out a winning quintet and he attributes many a victory to his pet form-charts that are used to establish the strong points and weaknesses of his own players as well as the opposition.

After an undefeated season with a Brooklyn high school, genius Jack came to Westchester in 1943 and since then has directed Bellows cage groups to 94 wins in 132 tries, or approximately 72 per cent successes. In 1950 his Panther squad captured 16 games lost just once and swept three straight Section One tournament tilts to become Class C and Open C-D champions. Prior to last season, Jack's pride and joy was his 1943-'44 SWIAC title aggregation which marked off 16 wins and was stopped four times. That was the only Southern Westchester crown for Bellows, although one campaign ago they were co - title - holders with Rye.

In tournament competition, Gentleman Jack's outfits have taken 10 victories and dropped four. He shudders to think of the '45 and '48 campaigns when his Panther editions "only" notched 16 wins. A few county schools would break school records if they could compile a mark in that neighborhood.

Just What Is A Filbert?

Although most sports fans associate the term Figger Filbert with anyone who is a "bug" for statistics, the dictionary testifies it's "a small tree or shrub bearing nuts." At any rate, either Hasley's sideline of charting or his environment can be readily connected to the term.

The round-faced Panther pilot often fills one of his charts scouting a team far in advance of the date his team takes the floor against them. Every shot that is taken during the game—whether missed or made — goes on Hasley's chart, with his managerial corps handling the paper and pencil when the skipper is busy worrying about his charges. Thus far, no player on Jack's chart has been able to outdo Bellows' terrific Ed "Pistol" Petrie, who sometimes goes through an entire half without misfiring on a single shot. Petrie's number 22 was splashed all over the charts for a 27-plus point average as of late last week and his coach mentioned N. Y. Knicks' pro star Carl Braun in his schoolboy days. is about ready to admit that Petrie is the greatest court fireball to ever come under his wing.

Just to complete the picture on our ambitious hoop figure-fanatic, it can be mentioned in passing that he resided on Filbert Street in Brooklyn for several years, but now actually cultivates Filbert trees in the back yard of his Rose Avenue, Harrison, home.

KENTUCKY GAINS SUPPORT IN POLL

NEW YORK, (AP)—Kentucky gained new support today as the country's No. 1 college basketball team and lost a serious challenger when Long Island University dropped completely out of the top 10.

These were the principal developments in the Associated Press' eighth weekly poll of sportswriters and broadcasters.

Of the 168 who cast ballots, 78 named the Wildcats the best in the nation. The No. 2 team, Oklahoma A. and M. received only 15 first place votes.

Last week the Wildcats polled 42 first place votes and the Aggies 31. Kentucky received 1,239 points in the latest poll, which is figured on the basis of 10 for a No. 1 vote, nine for second, etc. The Aggies, who drew heavy support in the second and third brackets, collected 1,100 points.

The main shakeup saw the Utah Blackbirds, who lost four of five games on their recent Western trip, tumble from fourth to 12th.

Villanova, winner of 16 out of 17 games, moved into the first 10, taking over the No. 9 position. The Philadelphians were 11th a week ago. This created the first break in the top 10 in three weeks.

Here's the new roll-call of basketball might: Kentucky, Oklahoma A. and M., Indiana, Kansas State, Bradley, Columbia, St. Johns of Brooklyn, St. Louis, Villanova and North Carolina State.

6-MAN GRID LEAGUE DISCUSSION IS SET

YONKERS—

The proposed six-man football league among the smaller schools in southern Westchester will come off the planning board and into the production stage tomorrow night at an organization meeting. The session, scheduled for 8 P. M. will be held at the home of John "Bud" Lohrfink.

According to Lohrfink, seven schools have been invited. He emphasizes, however, that smaller schools in the lower county area are also invited to be represented.

Groundwork, including scheduling procedures, will be discussed.

Schools with their coaching representatives invited to attend include the following: Kohut, Gerard McGrath; Scarborough, Ray Sneider; Children's Village, Harry Barber; Cedar Knolls, Pat Duggan; Sacred Heart, Bob McNamee; Irving School, Pat Slattery, and Halsted, Lohrfink.

KINGSTON TO DECIDE ON BASEBALL PERMIT

SCHENECTADY, (AP) — A Kingston group must decide by tomorrow whether to accept a franchise in the Class C Canadian-American Baseball League.

The deadline for a decision, originally set for last Saturday, was extended, league president Albert E. Houghton said last night.

The group, headed by Mayor Oscar V. Newkirk, conferred last weekend with George M. Trautman, president of the National Association of Professional Baseball Leagues in New York City.

The franchise was offered to Kingston to fill a vacancy created when Schenectady replaced Utica in the Class A Eastern League.

BERTMEN HEADED FOR ALLEY TITLE

Nipped for the title last season, the Bert's Boys look like they're going to make the Major League crown theirs. Last night at the Larchmont Rec the Bertmen thrashed their nearest challengers, the Unknowns, by a 3-0 count to solidify the first-place advantage. In other encounters the Electros and Marketeers won alternate games to secure 2-1 verdicts.

Ross of the Marketeers had a wide margin of supremacy in the series category, taking the honors with a 591 pinfall. However, two other figures came into the single spotlight as Len Greano and Tony Splendido, both rolling for the Insulators, posted identical 224 games. Pete McDonald of the Bert's racked up a 567 three-who was just one timber behind.

BOWLETTE PIN LOOP SHOWS SPLIT COUNTS

There were no shutouts in Bowlette Ladies League kegling at the Mamaroneck Rec last night, and the three top teams in the standings retained their positions. The split decisions went to the front-running Bowlettes, the Keyboards and Palmers, who are co-holders of second place, and the Pharmacists.

Palmerette ace Flora Lanza scattered 510 pins for high series and she handled a share of the top handle by matching Alberta Lock's 178 game.

A game and a half still keeps the Palmers from first place, with the leading Bowlette owning a 30-15 record. The Palmers have lost the same number but have engaged in three less games. The Keyboards' 27-18 mark actually ranks third in the loop.

YONKERS DOG SHOW IS SET FOR ARMORY

YONKERS—

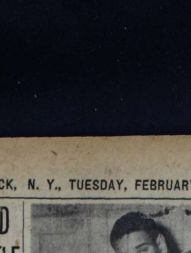
The Yonkers Kennel Club, making plans for its annual all-breed dog show to be held March 31 and April 1, received final O. K. on the use of the State Armory at 127 North Broadway, it was announced by Mrs. Carlos Henriquez, wife of the YKC president.

The judging slate for the local canine show has also been approved by the American Kennel Club. Westchesterites and their groups listed on the judging roster include Mrs. Arnold Brock of Scarsdale (hound group), Miss Deibhine MacIntyre of White Plains (Pedigree and Welsh terriers), and Mrs. Reginald Wainwright, formerly of Yonkers and now of Pittsfield (nonsporting).

A trophy list comprised of approximately 300 trophies has been completed, says Mrs. Henriquez.

HUGUENOT NATATORS WIN NEW ROCHELLE

New Rochelle kicked a lot of water in the face of Edison Tech swimmers at the New Rochelle YMCA last night as the Huguenots won, 52-9. It was the second time this year that New Rochelle beat Edison Tech by a perfect swimming score.



JESSE ARNELLE of New Rochelle High School can't help bulging his biceps when he gets set for a bounce pass. The six-foot-five-inch center is currently averaging 20 points a game, amounting to a total of 200 with the season less than half completed. Last week he set a new school individual scoring record of 37 points in one game. If he maintains this pace he will be leading candidate for county high scoring honors — Staff Photo

Plastic containers which may conceivably come floating into local shores during 1951 could arouse some interesting speculation as to contents.

The international situation might lend sinister aspects to strange objects tossed on the beach. But here is the story on the gadgets in case you hook into one while surfcasting or junior picks one up while wading.

The U. S. Fish and Wildlife Service in an effort to trace complex Gulf currents as well as migrations of commercial fishery stocks *including shrimp,* **is** *making a special survey.*

Thousands of postcards sealed in plastic containers will be dropped by plane into the Gulf of Mexico.

The postcards, called "driftcards" will carry the following wording, written both in English and also in Spanish in case some are recovered in Mexico:

"NOTICE TO FINDER: These cards are being used to study the currents of the Gulf of Mexico. Please remove from plastic and fill in blank spaces. Mail every card you find. No postage needed in United States. In return you will be told the time and place of their release. Thank you."

According to the scientists making the survey, the postcards **are expected to drift about in the Gulf currents and to be cast up eventually on the beaches and then returned to the Gulf States Marine Fisheries Commission at New Orleans, La. From the returns the research men will deduce the paths taken by the driftcards.**

Friends Of The Forest Preserve, the organization which spearheaded the fight against erection of Panther and Higley Dams in the Adirondacks are currently urging support of the Stokes-Morgan Amendment which is currently up before the State Assembly and Senate. The bills, worthy measures, would give to the voter the right to say yes or no to any proposed construction of reservoirs on forest preserves.

The office of the Atlantic States Marine Fisheries Commission is now located in Mt. Vernon. This group, headed by John B. Bindloss, David H. Wallace and Wayne D. Heydecker, the latter a Mt. Vernonite, seeks to promote uniform marine legislation among coastal states and recommend constructive measures to improve marine fisheries.

Subsequently we shall carry a more detailed picture on the program of the commission.

Ice-fishing in northern Westchester and Putnam County is proving very productive, according to all reports. Bob Scales of Yonkers advises Muscoot Reservoir for a short excursion. Pickerel and perch angling are holding up nicely there, he says.

As was predicted some time ago here, the deer take in New York State would be nothing to write home about. Commissioner Perry Duryea reported that 26,544 whitetails were killed during the 1950 deer season. Of this number 6,267 were does or antlerless deer. The total of bucks killed exceeded that of the previous year by a slim margin of 1,200. Compared to the year 1948 the overall kill declined by more than 11,100!

While 20,277 antlered trophies reportedly comprise a new buck record, it is not an encouraging total in the light of the army of hunters afield. There were 50,000 more hunters in 1950 than there were the previous year, according to recent statistics. It is safe to assume that a heavy proportion of this 50,000 were out to get their venison.

In line with our earlier prognostications, Sullivan County racked up the highest deer take with a kill of 1311. Interesting part about this *little item is that Sullivan County had much less lands open* to the public in 1950 than the year previous.

Westchester did a little better than anticipated, we are happy to mention. Sixteen bucks were dropped by the longbow as against three in 1949 and six in 1948. The 1951 score should be immeasurably better, allowing for the growing interest in the fine sport of archery . . . and . . . If . . . Senator Walter Stokes gives his blessing to a doe bill for Westchester.

English Pros Will Enter Pinehurst Golf Tourney

LOS ANGELES, (AP) — Golfdom's international classic, the Ryder Cup matches between the United States and Great Britain, will be played Nov. 2 and 4 at the Pinehurst Country Club in North Carolina.

The leading 10 professionals of England will be shooting for their first victory over America's big 10 since 1933 and their very first win in this country since the cup first started shuttling across the ocean in 1927.

The 6,970-yard Pinehurst layout was named as the 1951 site yesterday by President Joe Novak of the Professional Golfers Association.

Aces Stay Atop Rec League; Gaels Survive, Chiefs Tally

The Larchmont Aces stayed nestled in the Senior Rec cage circuit driver's seat by chalking up a comparatively easy win over the Sportsmen at the Mamaroneck High Gym last night. The Gaels had a terrific time with the Nicks before holding their place in the title-race and in the middle contest of the program, the Chieftains disposed of the lowly Yellow Jackets.

The opener saw the Gaels assume a 27-20 halftime advantage and hold it through hectic third and fourth sessions in which the Nicks rallied in vain, losing by a slim 49-45 margin. Harvey Harriott garnered 18 points in the losing cause while Gil Allen paced the victors with 14. The Nicks clicked on 20 field goals to'19 for the Gaels but it was a different story from the free-flip line, where the Gaels chalked up an 11-5 advantage that brought the triumph over to their side.

The final fray resulted in the unstopped LT's pasting a 45-28 tally on the Sportsmen, who were down by 10 points at the half. Tony Lolaconi tossed sets and drive-ins for 15 of the LT markers while Gene Doherty roamed the pivot for 10. Tom Collins accounted for 13 of the Sportsmen counters.

After being held to only a 16-15 edge in the first half, the Chieftains got going and trimmed the Yellow Jackets, 35-24. The margin of supremacy was made heavier by the foul shooting. Joe Pooley and Cimaglia were the main Chieftain scorers while on the beaten squad, Greenbaum was high man.

RAVENS, ROYALS MUSTANGS SCORE

An easy 39-15 victory over the Lucky Seven enabled the Ravens to, keep their spotless Junior Rec League record intact last night in one tussle of a triple-header program. The Royals handed the *Redskins a 46-33* lacing in the second tilt and the Mustangs nosed out the Forty-Niners, 24-20 in the finale.

Three of the Ravens reached double figures with Pugliatti hitting on five fouls and three goals for the top total of 11 tallies. Pinto and Stracuzzi trailing on 10 apiece.

Top pointmasts for the eveniing was Girard of the Royals who lofted 15 markers through the hoop, trailed closely by Spelman who had the same number of goals but no free tosses. Adamo netted 10 more of the Royal talies while Nolletti paced the losing Redskins with the same number.

Despite the closeness of the final score, the Mustangs established a clear edge both in goals and fouls. The scoring in that fray was pretty well distributed, with four goals by Haviland of the Niners being the peak total.

Guardians Set Birthday Week Of Camp Fire

Plans for the observance of Camp Fire Birthday Week, March 13 to 17, were discussed last night at a meeting of the Mamaroneck Camp Fire Guardians at the home of Mrs. James Wheatley, 319 Union Avenue, Mamaroneck. Mrs. Ralph Phelps presided as chairman.

Members in charge of decorating a window in the twig shop in Mamaroneck include Mrs. John Muehlke, Mrs. Thomas Rinehart, Mrs. Beecher Baldwin and Mrs. Linden Morehouse.

Mrs. James Hogan was appointed chairman of Junior Red Cross; Mrs. William Peyser, community service chairman; Mrs. Baldwin, social chairman; Mrs. Harold Barlow, nature chairman, and Mrs. Ian MacDonald, music chairman.

Refreshments were served after the meeting, with Mrs. Peyser as co-hostess. Announcement was made of the leaders' training course scheduled tomorrow at the Mamaroneck Methodist Church house and an invitation was accepted to attend the program of the Sisterhood of the Westchester Jewish Center Monday night at the Center to mark "Brotherhood Week."

Other members attending were Mrs. Frank Glatzl, Mrs. Merrill Hodsdon, Mrs. Lawrence McAllister, Mrs. William Sullivan, Mrs. Charles Wicker, Mrs. William Black, Mrs. Frederick Landsman and Mrs. Janus Petricione.

Evening Group Slates Series Of Discussions

Mrs. John Batterson and Mrs. Paul W. Stearne were co-hostesses last night at the meeting of the Evening Guild of St. John's Episcopal Church of Larchmont at Mrs. Stearne's home, 29 Locust Avenue, Larchmont.

Announcement was made that the Rev. Ernest Vanderburgh, assistant rector, will conduct religious discussions with the group during the next three Lenten meetings to be held on Mondays instead of Tuesdays. The next meeting will be held Feb. 19 at the home of Mrs. L. S. Thomason, 705 Walton Avenue, Mamaroneck, with Mrs. George Morrow as co-hostess.

Other members attending last night were Mrs. Theodore Dibble, Mrs. Ralph Kline, Mrs. John C. Merritt, Mrs. Albert Anderson, Mrs. Harry Jackson, Mrs. Edmond Morey, Miss Nancy Williams, Miss Eleanor G. Bennett, Mrs. Irvin Pace, Mrs. Lionel Marks, Mrs. George T. Mortimer, Mrs. Erie Roberts and Mrs. Ralph Chilcoat.

Holy Trinity Committees Are Appointed

Mrs. Arnold Lange of Larchmont, president of the Women's Society of Holy Trinity Lutheran Church, New Rochelle, appointed chairmen and their committees for the year yesterday at a combined executive board, ways and means committee meeting and tea in her home, 60 Carlton Road.

Appointed were Mrs. Alfred Karsten, chairman, ways and means, Mrs. William Dunn, Mrs. James Reynolds, Mrs. George Fernschild; Mrs. Frederick Knubel, chairman, program, Mrs. R. H. Service Project Report Made At Camp Fire Leaders Meeting

Community service projects completed by the Camp Fire Girls of Larchmont were announced yesterday by Mrs. A. Stirling Smith, Community Service Chairman, at a meeting of the Leaders Division of the Camp Fire Girls Council of Larchmont held in the Junior League rooms, East Avenue, Larchmont, Mrs. Robert Donaldson, chairman, presiding.

During the Larchmont Community Chest drive, the "Wahanka" group, under the leadership of Mrs. Sidney Q. Cohen, distributed posters to all stores. Four members of the group ushered at the Early Bird Matinees of the Motion Picture Council, and all the members have addressed the monthly bulletins of both the Men's Association of the Larchmont Avenue Church and the Larchmont Temple.

The "Minihega" group, Mrs. Edward P. Helwig, leader, made corsages for the teachers of the Junior High PTA for the Election Day reception; the "Odako" members, Mrs. Edward P. Folley, leader, gave a Halloween party for 20 boys at Rhinelander cottage, made Christmas tray favors for the New Rochelle Hospital patients, rolled bandages at the hospital and have completed eight baby garments for the Needlework Guild.

Members of the "Witawentin" Camp Fire Girls under the guidance of Mrs. Bernard Altman, gave a party, furnishing toys, games and clothing at the Jennie Clarkson Home, with candy boxes made by the "Iawatenya" group, Miss Barbara Burbank, leader. Another party was given at the Jennie Clarkson home by the "Okicipay" girls, Mrs. Frank Maslinowski, leader. The group also planned and executed a display booth at the Larchmont Fair Trades Exhibition and helped with decorations at a bazaar held by the St. John's Church.

Camp Fire Girls of the "Nowetompatimin" group, Mrs. William Kohl, leader, have been rolling bandages at the New Rochelle Hospital once a week, and have cut out aprons and felt articles to be used for diversional therapy at Grasslands Hospital, as has the "Wahanka" group also.

"Cantesuta" members, Mrs. Goldthwait Jackson and Mrs. Rudolph Nelson, leaders, have contributed hand-made dolls and other articles to the Child Care Center of New Rochelle; they also have a continued correspondence with Camp Fire Girls in Scotland and England.

Other work done for the New Rochelle Hospital includes serving one day a week as hospital aides by the Horizon Club of the Camp Fire Girls, rolling of bandages by the "Tawatenya" members, donation of more than 500 disposal bags made by the "Cheery, Merry Beautiful" and "Lucky Blooming" groups, under the leadership of Mrs. Arden B. Crawford, Mrs. Ben Eisenberg, Mrs. Gregory Abbott, and Mrs. Sperry H. Zahm.

Grasslands Hospital has also been served by the "Helpful, Lucky and Friendly" Bluebirds who made Christmas ornaments, tray favors and flower containers, as well as the "Khehalo" Camp Fire Girls, Mrs. Benjamin Moll, leader. The "Tawatenya" Camp Fire Girls have sent clothing and food packages to a girl in Abbeyville, France.

Following Mrs. Smith's report, Mrs. Donaldson expressed her thanks to Mrs. Kohl, program chairman, for the program of the semi-annual Camp Fire Council meeting held recently.

Appointment of the following nominating committee was made by Mrs. Donaldson, Mrs. MacDonald Dunbar, chairman, Mrs. Abbott, Mrs. John T. Moore and Mrs. Edward P. Folley, which will make its report at the April meeting.

Mrs. Donaldson announced that ten of the Horizon Club members, of which she is leader, plan to attend a Horizon Club conference in Reading, Pa., March 2 and 3, accompanied by Mrs. Donaldson and Mrs. John B. Woodbridge, executive director.

Mrs. Woodbridge requested that all Camp Fire leaders take the First Aid course being offered by the local Red Cross.

SKATING PARTY

Twelve members of Intermediate Troop 14, Mamaroneck Girl Scouts, attended a skating party yesterday at Playland. Transportation was provided by their leader, Mrs. Arthur Greenleigh, assisted by Mrs. Austin Byrne and Mrs. Clarence Kindhorn.

Hoover Commission Topic Of Talk For Evening Section

A plea in support of the Hoover Commission recommendations was made last night to members of the Evening Section of the Woman's Club of Mamaroneck by Roger Darby, guest speaker on "A Battle Plan for War on Waste" at the club house.

Mr. Darby urged members to join the Citizens Committee and to write their congressmen seeking passage of the recommendations as they are presented. Noting the "shortcomings" in Civil Service, the "tremendous waste" in government hospitals and the "great cost" of paper work, the guest speaker said that 50 per cent of the recommendations have been put into effect, but that "much remains to be done in the future."

Ever since 1897, each President has sought powers to reorganize the government, Mr. Darby pointed out, giving a background of the formation of the Hoover Commission and the subsequent Citizens Committee report.

Mrs. Donald Rabbott, section chairman, presided, and the guest speaker was introduced by Mrs. Marcella Peterka, program chairman.

New members introduced and presented corsages by Mrs. James Deer in the absence of the membership chairman were Mrs. William Riley and Mrs. John Greges.

Mrs. Paul O. Andersen, tea chairman, and means chairman, announced a dessert bridge to be held the evening of April 26 at the club house. Senior club guests welcomed by Mrs. Rabbott were Mrs. Carrington Beeman and Mrs. Oscar Swanson.

Miss Dorothy Bacheller was appointed chairman of a nominating committee, assisted by Mrs. George Nichols and Mrs. Norman Last, with Miss Bettina Brown and Mrs. Anderson elected by the club.

Refreshments followed the program. Mrs. Albert Tuttle was in charge of hospitality, assisted by Mrs. Howard Kendall. Mrs. Rabbott and Mrs. Greges poured.

Guild Holds Bridge Party For 25 Tables

Twenty-five tables were in play yesterday at the pre-Lenten luncheon and card party sponsored by the Women's Guild of the Church of Sts. John and Paul. The event was held at the American Legion Clubhouse in Flint Park.

Study Grant Recipient To Address AAUW

BRONXVILLE—

Dr. Gisela Howoldt will be the guest speaker at the meeting of the Westchester Branch, American Association of University Women at 1 P. M. Tuesday at the Bronxville Public Library. Dr. Howoldt, who is working toward her doctorate degree in economics at Radcliffe College, is the recipient of the Westchester Branch international study grant. The grant was established last year to commemorate the 40th anniversary of the Branch.

As scientific assistant with the Hamburg Chamber of Commerce, Dr. Howoldt is particularly interested in American economic and social policy because of her work in connection with the revival of international trade in Germany.

Her research is concerned with Hamburg's economic situation and she also does public relations work, including the editing of the fortnightly periodical of the Chamber of Commerce.

Dr. Howoldt received her diploma as national economist from the University of Hamburg in 1944 and the doctorate from the University of Munich in 1946. She will speak on some of the economic aspects of the revival of trade in Germany as well as phases of the work she is doing at Radcliffe.

Preceding the business meeting, dessert will be served by the hostess committee which includes Mrs. R. J. Newberry, Mrs. J. Donald MacKnight and Mrs. Phil J. Rodier of Mount Vernon, Mrs. Eric Fisher of Crestwood, Mrs. Walter B. McFarland and Mrs. Eugene R. Sullivan of Bronxville. The fellowship committee under the chairmanship of Mrs. Vinton H. Clarke of Ardsley is in charge of the program.

On Friday, Feb. 16, at 1 P. M., the arts study group, with Mrs. Carl W. Shaver of Hastings as chairman, will meet in the Fifth Avenue lobby of the Metropolitan Museum of Art, New York, to view the exhibit of American painting currently being shown.

Robert Squeri, director of creative art in the Hastings High School, will act as guide for the group.

'Dental Health Week' Is Observed at Murray

"Children's Dental Health Week", now in progress is being observed at the Murray Avenue School with bulletin boards devoted wholly to posters on the subject. A group of sixth graders dramatized Florence Lowe's "The King's Toothache", with the following pupils participating: Tommy Delbanco, Patti Seiglit, Patty Saunders, John Bunnell, John Hasaman and Bobby Daniels.

Participating in a radio broadcast were Janet Helligman, who spoke on "The Wish of a Toothbrush" and Michael Wellner, "Your Thirty-Two Precious Stones." Today the entire school saw a motion picture entitled "Winkie the Watchman."

Atlantic Union Speaker Home After Tour

Mrs. Hattie May Pavlo of 11 Sound Road, Greenhaven, member of the national board of governors of the Atlantic Union and president-elect of the Westchester Chapter, has returned from a month's trip to the West Coast.

Chairman of the National Speakers Bureau of Atlantic Union, Mrs. Pavlo interviewed key people in the organization during her tour, was guest speaker for numerous groups on the subject of the Atlantic Union, and appeared on radio and television programs on its behalf.

Enroute to Las Vegas, where she was on hand for one of the atomic blasts, Mrs. Pavlo was entertained in Memphis, Tenn., at a dinner given for the executive board by Mr. and Mrs. John W. Apperson. Mr. Apperson is president of the Atlantic Union Committee.

During her speaking tour in San Francisco, where she was interviewed as a visiting celebrity at the "Top of the Mark" program of NBC, Mrs. Pavlo heard M. Henri Spaak speak for the "European Federation." After his speech, she said, he answered questions and said that the European Federation "wanted America to join."

After addressing an open meeting in the San Francisco area under the auspices of the Palo Alto Chapter of Atlantic Union, Mrs. Pavlo was guest speaker at a luncheon meeting at Stanford University, where an active Atlantic Union group meets weekly. She also spoke for the Rotary Club in Redwood City, the Lions Club in East Palo Alto and the East Bay Chapter, comprising Oakland and Berkeley, where she reported to chapter members of the progress made by the national organization.

During her two-day stay in Reno and Carson City, Nev., Mrs. Pavlo was interviewed for the "Sage Brush," college press of the University of Nevada which she formerly attended and later served as drama and music coach. Dr. J. E. Martie of the National Council of Atlantic Union and national vice president of the American Legion, arranged interviews for her with Gov. Russell and Attorney-General Alan Bible. She also had interviews with Dr. Love, president of the University of Nevada; Dr. Higginbottom, head of the School of Journalism and Dr. Hicks, head of the Political Science Department.

Mrs. Pavlo was a guest at the Desert Inn in Las Vegas during the atomic blast which she described as similar to a "violent earthquake."

The Westchester Chapter of Atlantic Union will meet later this month, Mrs. Pavlo said.

Salem Baptist BPW Has Talk

Alexander Dow, colorist associated with a carpet manufacturer, spoke on "Color in Every Day Life" and explained color techniques last night at the meeting of the Business and Professional Women's Group of Salem Baptist Church, New Rochelle, in the church lounge. About 50 attended.

Demonstrating with "black light," he showed that when that light is turned on a red and yellow rug, the rug looks black with a luminous beige overtone.

Mrs. Francis Caster of Larchmont, membership chairman, distributed new membership books which contain complete catalogues of the 91 members. Mrs. Edna Stephens of Mamaroneck, ways and means chairman, announced plans for a Spring bridge, and fashion show.

Hostesses were Miss Helen Maly of Larchmont, chairman; Miss Florence Reinl, Miss Polly Kirchoff, Mrs. Helen Schellenberg, and Mrs. Preston Dise, all of New Rochelle.

Robert Proctor Attends Interfraternity Ball

Robert Proctor, son of Mr. and Mrs. Barton A. Proctor of 42 Hillside Road, Larchmont, who has returned to the University of Maryland, College Park, after spending the mid-semester recess at home, will attend the Interfraternity Ball of the Interfraternity Council of the University of Maryland to be held tomorrow at the Hotel Statler in Washington. His guest at the ball will be Miss Dolores Stelle of Washington, also a student at the University of Maryland.

Bellows Puts Bronxville To Rout; M.H.S. Fails Against Pelham

Panthers Roar To Easy Win As Petrie And Dellner Excel

Bronxville proved to be the most vulnerable opponent Bellows has faced on the hardwood this year and the Panthers worked smoothly in snapping off a 62-44 triumph....Their seventh in 10 outings yesterday at the BHS Gym. The Rye Neck cagers never trailed during the engagement and an explosion of 12 straight markers in the second period cleared the way for the landslide win.

Basically speaking, Bronxville was thoroughly thumped by a two man show as Ken Dellner turned in a masterful patrolling around the basket and Ed "Nick" Petrie was at the helm of the advance assault. The Bronco man-for-man defense, used most of the contest, proved to be ideal for the Panthers' fantastic and Petrie wound up with the top figure of 23 tallies. Dellner pumped an even 20 markers, by far his best one-game output of the campaign.

Statistically the East Enders also excelled, finding the hoop for 27 field goals on 52 shots for the 14-karat percentage of 52 per cent. The winners meshed eight of 14 free throws while the battered Broncos went home sulking after hitting for only 17 of 59 field flings for a sad mark of 29 per cent. On foul throwing, Bronxville was a different team, making 10 out of 17.

It almost goes without saying that Petrie was the pacer as far as individual shooting marks were concerned. Jack Hasley's floor-general dumped nine goals for a 300 rating on the afternoon.

The only Broncos to make any impression at all were Johnny Valmas, who counted on 16 points, and Dick Kreuzer, who ended up with 13. The Valmas was the main threat with his jump shots but he found the range only thrice in the first half and Kreuzer was no better. When they did connect in the third and fourth periods, it was not only too late but the Panthers were still in the midst of their own point-stretch.

It was 16-11 at the end of the first stanza and two minutes later the visiting quintet trailed only 19-15 when Valmas looped a pair of two-pointers through the ring. However, that was the cue for the Blue and Black to take command and they did with six consecutive baskets. Dellner dunked two layups and a set in the spree, with Petrie, Angelo Esposito and Bill Cummings contributing one each. A minute later the Bellions walked off for the rest period with a cool 35-18 margin.

In the third quarter the host cagers added 13 tallies to their total and actually had enough points to win the game, enjoying a 48-32 spread. Petrie had chipped in with two goals and four charity tosses in that canto and he was to splash for one more goal before the one-sided fray was completed. Dellner netted nothing at all in the third chukker but he poured eight-points in the inconsequential final stanza to reach the 20-mark.

Jayvees Lose First

Hasley's Jayvee corps struggled through a dreary tussle in absorbing their initial defeat of the term, a convincing 38-28 verdict to the young Bronco. Jack Thorlin and Del Ennis were the chief culprits for the visitors as they held the upper-hand all the way.

Ray York, 18, Injured In Santa Anita Race

ARCADIA, Calif. (AP) — Jockey Ray York, eighteen, today joined a lengthening list of illustrious figures of the turf who have been sidelined or hurt during the current meeting at Santa Anita Park.

York broke his collarbone in a fall yesterday and is through riding for at least the remainder of the Santa Anita meeting, which ends March 10.

The jockey's mount, On The Spot, stumbled and threw him at the start of the sixth race. The horse was unhurt.

STEPINAC UPSET BY NTHS, 76-60

North Tarrytown last night proved conclusively how unpredictable schoolboy basketball can be when the Headless Horsemen whaled the daylights out of highly-touted Stepinac, 76-60, at the NT Gymnasium.

A total of 64 personal fouls were called during the wild fray but the whistle-blowers didn't draw the line between the pulchtets this time. Instead it was the rebounding of Johnny Scheer that stole the show away from Crusader giant Dick Wise and sent the Horsemen into full gallop.

The point-parade was led by two Tarrytown cagers, Packy Powers meshed the game-high of 21 with an assortment of pop-shots and one-handed from around the key-hole after continually feinting is man out of position and driving through the outer layer of the Stepinac defense. Bob Robinson accounted for 19 NT tallies and was a big help working in the one-two punch with Powers.

The Crusaders, who had lost only to Cardinal Hayes of New York by one-point in a thriller, were outpaced in the marker department by Wise and Dick McDine who tossed 10 apiece. The Stepinac season record is now 10-2. *They defeated the Horsemen* in a close contest on the Archbishop Stepinac court, took care of Bellevue twice in tight tilts and yet Bellows rounded up the Horsemen by 18 points when those two quintets met.

64 STEEDS ELIGIBLE FOR PREAKNESS STAKE

BALTIMORE, (AP) — Sixty-four of the country's top three-year-olds are eligible to enter the $50,000-added Preakness stakes race for May 19 at Pimlico, the Maryland Jockey Club announced today.

At the top of the heap are Battlefield and Big Stretch, impressive sophomores last year. Missing from the list is Uncle Miltie, an early favorite for three-year-old honors this year, but he still can be entered as a supplementary nomination.

Only one filly was nominated for this running. It was Belair Study's Nashua.

Other prominent eligibles include To Market, Lord Putnam, Brownwood, Black Douglas, Mazinga, General Staff, Good Loser, Maneluke, Away Away, and Bubbling.

Supplementary nominations still can be made until April 16.

College Players On AAU Tourney Roster Charged By West Haven Quintet's Skipper

NEW HAVEN, Conn. (AP)—John DeLeone, manager of the Allied Red Devils of West Haven basketball team, charged yesterday that his team was ousted from a tournament in Stamford Monday night after he warned sponsors of college players on their opponents' roster.

DeLeone said that the Tuckahoe Vagabonds had three New York college players in their lineup, including Junius Kellogg, "hero" of the recent cage gambling scandal involving former Manhattan College cocaptains.

The Red Devils' manager said that in college were disqualifying their college eligibility by playing in the tournament, sponsored by the AAU.

A Stamford spokesman said that the tournament—St. Martin's Invitational — was sponsored by the Amateur Athletic Union. He said, however, that the individual colleges involved might rule that the players are ineligible for such competition.

The Stamford official said that other college athletes had performed in the same tournament in past years.

DeLeone said that John Jennerich, another Manhattan player, and John Azary, star center of the undefeated Columbia University team, were on the Tuckahoe Devils had been disqualified for "unsportmanship."

O'Keefe said that the Tuckahoe players, who walked off the floor following DeLeone's charge, are "legitimate amateurs." He said they had every right to compete in the tournament, especially when they were playing under their right names.

4 Westchester Ss in Tourney

The tournament got under way last week and will continue on varying nights until Feb. 16 when the final will be played. The scene is Columbus Hall, in Stamford. St. Martin's club organized the affair — the second such annual event under its sponsorship—with sanction of the AAU.

Engaged in the event are a good many Connecticut and Westchester County clubs including the Stamford Question Marks and the New Rochelle, N. Y., Bonefros, current quarter-finalists.

Other teams include the Norwalk O'Brien Emeralds and the Bridgeport Sylvans as well as the Hartford Endees, Hastings, N. Y., South Siders, and the Yonkers, N. Y., Unionites.

Monday night's only game saw the Port Chester, N. Y. Don Bosco Big Five defeat the Hartford Endees.

PETE LOPUCH, left, of Port Chester and Ted Holliday of New York, right, admire the trophy awarded the Iona College track team along with 28 medals for winning the relay championship of metropolitan small colleges Saturday night at Elizabeth, N. J. Lopuch scored the most number of points for the Gaels and Holliday is the team captain. Iona beat Adelphi, Fairleigh-Dickinson, St. Peter's, Montclair, State Teachers, Jersey City, Junior College and Queens College.

IONA COPS 13TH, DOWNING ARNOLD

MILFORD, Conn.—

Iona College swept to its 14th victory in 18 meetings last night, downing Arnold College, 62-54, on the latter's court.

Bob Santini, Manny Kennedy and J. T. Kelly spearheaded Iona's attack with 16, 15 and 10 points respectively, but all relinquished top scoring honors to Ed Brown of Arnold who garnered 19.

The contest was a close one in the early sessions. After Arnold's Sal Verderame sunk a free throw to knot the count at 12-12, Jack Kelly made good on a long set with five minutes remaining in the half to give Iona a never-to-be relinquished, 19-17 lead.

The advantage was widened to 30-22 at intermission. The Gaels spread the visitors enjoyed was a 59-47 lead late in the tilt.

The Gaels were put on their game by the small court and post officiating. The referees permitted the game to get out of hand, with the result that the Gaels took a physical beating. When Captain John T. Kelly was kicked in the leg and an old ankle injury was aggravated, causing teammate Jumbo Lyons to see red, Lyons tangled briefly with Verderame, a double foul being called by the referees.

It was Verderame's fifth personal foul and he should have been immediately elected, but the incompetent referees allowed him to take the foul shot before Iona protested. The officials stood corrected and a substitute had to take the shot for Verderame. After the game Coach Jim McDermott was complimented by Arnold fans for not losing his head over the poor officiating.

Iona will meet St. Francis of Brooklyn in a Saturday night meet in the County Center in White Plains.

Senior Rec Loop Lists Revisions In Court Slate

Due to the closing of schools on Monday, February 12, the Senior Recreation basketball games originally scheduled for that date have been shifted by Charles Warren, director of the recreation cage leagues.

One contest will be disposed of tonight when the Nicks battle the Chieftains in the third game while the Hibernians—Gaels tussle is to be played as the finale of a triple-header program on March 7. The Gaels have agreed to that arrangement despite the fact that they will have to play twice that evening.

Preceding the Nicks-Chieftains tilt tonight will be the Heathcotes vs. Century at 7:15, and the Hibernians vs Jokers at 8:15.

YVARS SIGNS WITH GIANTS

LOUIS FIGHTS TONIGHT

MIAMI, Fla.. (AP)—Joe Louis is expected to knock out Omelio Agramonte of Cuba in an early round tonight and move a step closer to a return title match with Ezzard Charles.

TIMES LEAGUERS SCORE 3 SWEEPS

Three shutouts were turned off the production line in Daily Times League kegling last night and the torrid teams were the *LTs*, Friendlies and Taverners. The Headliners rallied to nip the Sportsmen in the other alley engagement.

By socking 608 pins during the three-game tour, Lou Sganga of the LTs became high series man with no really close competition in sight. Of 14 games that edged over the 200 mark, leadoff-roller McMillian of the Friendlies had the best one at 223 timbers.

FOUL SHOTS AID PELICANS, 42-38

Pelham basketballers have been puzzling Mamaroneck careers for several years and yesterday afternoon at the Mamaroneck Junior High School Gym, Carl Schilling's charges made it two straight over the Tigers this season by pulling out a 42-38 victory before a large crowd. It was the eighth success in nine starts for the visiting squad while MHS has been licked seven times in nine tries, their defeat yesterday snapping their two-game win skein.

Just as in their previous meeting, Mamaroneck appeared to have the equipment to handle Schilling's lanky crew but never quite found the formula. Yesterday's fray was an erratically played game in which 24 personal fouls were called and the charity tosses certainly settled the issue. Pelham converted 12 out of 23 for a 52 per cent efficiency rating while the host Orange and Black outfit dropped only eight of 18 for another poor performance. They have already lost at least three contests at the 15-foot line but simply will not learn.

Mamaroneck had only the high scorer on its side as Tommy Carino bagged 20 points during the wild encounter, tallying mostly via drive-ins. Harry Work and Don Burke, a pair of Schilling's tallest operatives, were the mainstays of the Pelican attack with 15 and 11 markers, respectively.

Even though Carino accounted for more than half of the Tiger tallies, aggressive Sophomore Bobby Rex was just as important a cog in the MHS machine, in fact, it is significant to note that after Rex fouled out with five minutes remaining, the Orange rapidly slumped behind never to rise again.

Pelham Fouls Vital

Mamaroneck had trailed during the entire first half, although never behind by more than eight points, and it wasn't until just before the end of the third stanza that the home quintet, deadlocked the battle up at 30-all, thereby creating the first tie of the game. Pelham refused to fold, however, as they sprinted to a 33-30 advantage on *Rex's foul* and *Carino's layup* but Mamaroneck refused to fade, with the opposition pressing all over the court, the Pelicans accepted the challenge at the final gun gratefully and netted their next eight markers that way. Only a long set by Carino broke the string of Pelham fouls and, when Work drove in for a layup on the heels of a fast-break the invaders enjoyed a 40-35 spread.

Tom Bulich, bespectacled Pelican forward, was guilty of his fifth personal infraction with two minutes left but Dick Koch's free flip and the last of Carino's thirsts weren't nearly enough to overhaul the Schillingmen.

In the Jayvee tilt, Pelham's JV outfit followed the varsity lead in finishing strong to cop a 24-22 verdict. Joey Capparratta of Mamaroneck's reserves was high scorer with 12 points.

Amato-Levitt Return Scrap Proves A Dud; Tony Repeats

By TOM WHELAN
WHITE PLAINS—

First ring meetings packed with fistic fury and terminated by a close decision usually call for a rematch. But ofttimes an anxiously awaited return bout results in a rather tame and dull affair.

Such was the plight of the middleweight feature at the County Center last night in which Tony Amato, 156, of Guttenberg, N. J., made his previous eight-round verdict over Sonny Levitz of New York City, a half-pound lighter, stand up, but in much less spectacular fashion.

Whereas in their first meeting three weeks ago the featured fireworks included eight knockdowns, last night's action produced but one. Amato went down for a three count just prior to the bell ending the sixth round.

Dull Beginning

The bout began almost at a snail's pace and the tempo didn't pick up much the rest of the evening. Both fighters, probably remembering the bedraggled condition in which they finished their previous match, fought with extreme caution through the first four chapters. Amato did win that little leading there was during these sessions and took a comfortable lead that stood him to good stead when the time for the final decision arrived.

Yonkers referee Jim Farley made a trip to both fighters' corners following the fourth session which had ended in a chorus of hoots from the disappointed house of 1,600, but his pleas for more action seemed to have little effect until the sixth.

Then Levitt, realizing that he had just about lost the fight came out to ruin Amato around the ring and eventually decked Tony with a blast to the mid-section. Sonny won the seventh, as well, from his fast-wilting foe, but Amato, to insure his repeat win, revived and brought a long left jab into play during the final session and took the round.

The victory was unanimous among the officials with Farley tagging it 5-2-1 and both Judges, Tommy Nelson and Steve Acunto, calling it 3-2.

McKenna Scores Again

Promoter Joe McKenna saved the night with another outstanding card of preliminaries topped by two fine sixes. In the semi-final the whippet-fast Gene Robinett, 130, out of Paris, France had simply too much class for game Sal Rivers, 135 of the Bronx. Vinnie La Regina, 147, Bronx, then captured an old-fashioned slugging bee from Ronnie Moore, 146, of New York City.

Four round action found hustling Sal DeGuardia, 131 1-2, Bronx dropping Bobby Barclay, 134 1-2, Harlem, twice and winning the decision. Wayne Eckhardt, 179, New York, bested Angel Martinez, 177 1-2, Newark, and Mickey Zezza, 130, Bronx, edged Johnny Ward, 133, McKeesport, Pa., in the other bouts.

Twin eight-round features will highlight next Tuesday's show when Billy Murphy meets Luis Ramos in a lightweight bracketing and Andy Viserto tangles with the comebacking Roman Alvarez in a welterweight frame.

Hershey Urges Army Service For Athletes

WASHINGTON, (AP) — The nation's draft director said yesterday that professional athletes —and any other man with "two eyes, two arms and two legs"— should go through basic training before being excused from military service.

Maj. Gen. Lewis B. Hershey was testifying before the House Armed Services Committee. He said he favors putting athletes through basic training to decide whether they would be physically qualified for at least "limited service."

Gen. Hershey said yesterday and in previous testimony, that he agrees deferments are running too high. As an example, he pointed to men healthy and intelligent enough to compete in professional athletics but who are considered ineligible for the armed services.

TECH BATTLES AGGIES FOR JUNIOR MET LEAD

WHITE PLAINS—

First place in the Metropolitan Junior College Basketball Conference will be at stake tomorrow night when Coach Gene Keefe takes his second-spot White Plains State Tech quintet to Farmingdale to do battle with the circuit-pacing Long Island Aggies. The powerful Aggies last week *trounced Brooklyn State Tech*, 60-41. Return to the lineup of ace set-shot artist Ed George further bolstered the Aggies who trimmed the Keefemen, 55-44, in a game at the Battle Hill School gym on Jan. 12.

In that game Bob O'Brien racked up 26 points and Phil McGovern, a product of St. Mary's of Katonah, picked up 12 for the Aggies.

Probable starters for the State Techmen will be John Rakotz at center with Bob Gallo and George Suttle at forwards and Bob Hrubesch and Manny Honig at guard.

Another conference tilt is on tap for the Techmen Friday when they entertain Walter Hervey. New Haven Junior College invades the Battle Hill floor on Saturday to wind up the heavy week of basketball activity for the colleians.

Met Junior College Conference standings:

L. I. Aggies	5	1
White Plains Tech	3	1
Brooklyn Tech	4	2
Concordia	0	4
Walter Hervey	0	4

COUNTY TO GET CUT UNDER RACE MEASURE

ALBANY, (AP) — Counties would get half the state tax collected at harness tracks on parimutuel betting totalling more than $200,000 a day, under a bill before the Legislature.

The sponsors said the measure primarily would affect Nassau County. Roosevelt Raceway is the only harness track in the state where daily betting regularly tops the $200,000 mark.

Under present law, the state levies a 3 per cent tax on the first $200,000 collected at harness pari-mutuels. The bill would not affect that tax.

On betting from $200,000 to $550,000, the state collects an extra 1 per cent levy and an additional 2 per cent on betting over $550,000.

Arnelle Hits On 42 Points As N.R. Wins

NEW ROCHELLE—

Jesse Arnelle racked up 42 points here yesterday as he paced the New Rochelle Huguenots to a 71-61 cage triumph over Iona Prep. The total boosted Arnelle's output to 242 for the season and spurred the Purple to its eighth win in nine outings.

The effort established a new record at New Rochelle and marked the highest schoolboy production since last season when Jim DePalo of White Plains collected a like number against Gorton.

East End Quint Host To Rye, Tigers Visit WP In League Frays

Although the mentors of high and mighty quintets are trying to keep it a deep-dark secret, any basketball fan will tell you this is the "unset season" and time for the downtrodden underdogs to have their day. As far as local cage groups are concerned, there is mixed emotion over the arrival of Ol' Debil Upset since Bellows will be a decided favorite to discolor the Rye Garnets at the Bellows Bandbox and Mamaroneck will be invading White Plains on the short end of the odds in after-dark tussles. All the SWIAC and WIAA league members will naturally be in action for this typical Winter Friday night.

Although they did not look good in losing to Pelham Tuesday, it must be admitted that the MHS Tigers have shown decided improvement of late and a win over the once-beaten Plainsmen is not at all out of the question. The Benzels had no one to step into the limelight-including their first league triumph—before flubbing an opportunity to even the score with the Pelicans. Their responding has grown steadier but there is still tremendous room for improvement. No changes in the Mamaroneck lineup are contemplated by Coach Landy Ciraco, although he has intimated that he plans to experiment a bit with the varsity reserve corps if the current regulars don't click.

In the Plainsmen, MHS will encounter a quintet that won six straight, then was shaved by undefeated Yonkers, 47-46 last Friday night. White Plains is coached by Glen Loucks and his son, Dean, is considered the most polished player on the squad. Young Loucks has tallied 41 goals and 24 fouls for 106 points in seven games, a spree more than 15 per outing. In addition, there are Don Furman, scorer of 64, and Ronnie Anderson, whose total is 44. Furman broke loose against Yonkers and netted the game-high of 19. Mamaroneck has been too liberal with fouls lately and White Plains has a reputation for cashing in on the charity one-pointers.

Garnet can Be Tough

Every club in the current SWIAC league is potentially dangerous, Rye included. The Garnets have scoring power in Ted Costas and Bill Storms, both of whom throw jumpers from various angles around the "keyhole." Costas is more often the high tally man for Cliff Clinton's quintet but Storms is generally considered the better all-around player. Clinton has kicked around theders this year and his team is now restless over being downed four times in a row. Last Friday night the Garnets dropped a sensational heart-breaker to Edison Tech in a weird ball game from more than one standpoint. If Rye could have pulled that one out, Bellows would be riding on top of the Southern Westchester heap, instead of being crammed into the number one spot with the Technmen of Mount Vernon.

Despite the seven-and-three season mark, the Rye Neck Panthers are 4-1 in loop competition and, in a sense, are better off than they were at this time last year. During most of the '50 campaign, Hasley's great quintet played in the shadow of an early season freak loss to Rye and it only at the tail end of the term did they gain revenge on the Garnets to deadlock for the title.

Jayvee games at 7:30 P. M. will of course open the programs involving both local race units and Bellows' snappy reserves may have trouble keeping their SWIAC JV record intact against a better than average young Garnet squad.

THAT'S RICH . . .

By RICH CARPENTER

PULL UP A CHAIR guys and gals and we'll take a tour around the sports platter for a comment or two on recent events and sidelines which help make athletics as interesting as they are.

IT'S A SHAME that more parents of Mamaroneck Avenue School children in particular and the community in general didn't attend the sports forum that was presented at MAS last week. It was professionally presented and educational, to say the least. However, apparently the parental interest is so low that people are skeptical of anything that doesn't have a price of admission attached. In the future it will be extremely difficult to persuade talented speakers to volunteer their services for forums of that type.

NYAC HOCKEY at Playland was abruptly halted by the suspension of 41 talented Pond skaters from the Metropolitan AAU. Many people would like to know what the AAU ever did for amateur hockey to earn the right to ban anyone? The only thing the athletes in question were guilty of was playing with more than one team. They received no money for their services but the amateur code frowns on pros fit to penalize men for having too keen an interest in the game. It just isn't right.

BOB RICHELSON, former Daily Times sportswriter, has penned some fine feature articles for several leading magazines in the recent past. Bob, who lives in Larchmont and whose clever style was always enjoyed by Times readers, has another yarn coming out soon in Sport Magazine.

JACK HASLEY, Bellows cage mentor, learns a lot about his players from charts that are mapped during all ball-games by his managerial corps. Every shot, missed or made, is recorded on paper and enables Hasley to not only find out where each boy is most proficient from, but also where the opposition clicks best.

WILL THE GLORIOUS DAY ever arrive when local governments stop sawing over where the Town of Mamaroneck ends and the Village of Mamaroneck starts, and establish one basic governmental status? When Mamaroneck and Bellows Highs stop avoiding each other and get sensible by building a big stadium on Harbor Island property just off the Post Road for night football, baseball and softball? Frankly I have my doubts.

A SHORT PAUSE should be taken by the Mamaroneck sports world in tribute to William "Baldy" O'Neil, a true sportsman and one of the big-hearted guys of our local athletic scene, who passed away last week. Baldy won't be around for the 1951 softball season; but we'll all take a look down that first-base line at Mamaroneck Avenue School once in a while and you just cant miss seeing that hulking figure telling the coach to send the runner down, or orienting the batter on how to get set for that high, hard one that's coming up. Fellows like Baldy are hard to forget and we're sure the examples he set, both as a sports-minded individual and a member of the police force, will linger with us for a long time to come.

DID YOU KNOW—that Coach Dave Latimer is starring for the Seton Hall College quintet and also for the Rye Pioneers? The Pioneers were unlicked until they tried the Our Lady of Grace captain last Sunday, Latimer went his scoring streak and the Our Lady of Grace squad extended its spotless skein to 27. I'm anxious to see what Latimer does when he and his Seton Hall mates play host to New Rochellean Larry Hennessey and the Villanova hoopsters next Wednesday at Orange, N. J. The big court skirmish is to be televised.

NOT TOO WIDELY KNOWN is the fact that Larchmonter Don Scanlon is a clever ball handler and shooter for the University of Pennsylvania quintet. Scanlon, an Iona Prep grad, has also been viewed by the great television audience. He impressed in the Penn-Columbia tilt and scored more plaudits than he gets under the shadow of Penn's posh point specialist, Beck.

I'LL HAVE TO LEAN toward Archbishop Stepinac as the best quintet I've seen in Westchester this season. The Crusaders have a lot of that commodity called height and a couple of aggressive boys who are just good enough to make the lanky lads effective. As for individual players, I haven't seen, nor expect to see, anything better than Slippery Nick Petrie. Every coach or official who has seen the Bellows flash in action will verify.

ODDS AND ENDS—George Fischer, six-six center for Bellows last season, didn't make the Duke U. frosh cage squad but will try the varsity next year . . . George Rapp, a Larchmonter, received a varsity cross-country letter at Middlebury College. . . . Johnny Roy, Larchmont Acres resident, took a grid award from the same school, as did Steve Haviland, another of the locals who have flocked to the Vermont college.

GAELS GO AFTER CAGE TWIN-WINS

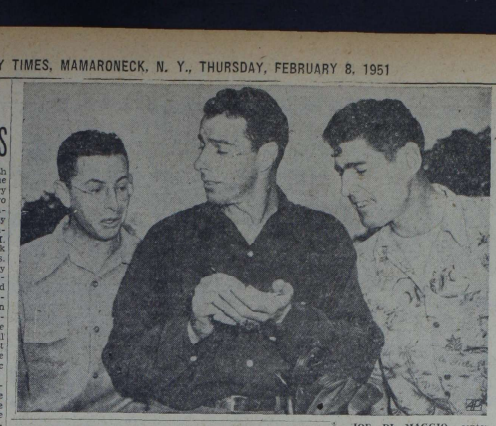
Finding themselves booked with two teams on the same date, the local Gaels have decided to try the ironman stunt of playing two games tomorrow night at Mamaroneck Avenue School Gym. They will tackle the Mount Vernon Ambassadors in the opener at 8 P.M. and then come right back against the Bronx Prospect Stars.

The Ambassadors are led by ex-A. D. Davis High School standouts and Ramsey brothers, and they have height in six-four Charlie White and Roy Tyree. Lat in 46 the Gaels played the Ambassadors and the locals were clipped, 51-43. Mount Vernon still has some of the personnel on that quintet and has added some young blood from the scholastic graduates.

There is no advance information available concerning the Prospects but the Gaels figure the Bronx team will have trouble getting accustomed to the oddities of Mamaroneck Avenue School's court.

Thus far this season the Gaels have won four and lost two on their home hardwood, copped seven of eight Senior Rec games, and dropped two of three on foreign floors. They have poured 811 points through the cords for an average of 47.7 per outing while the opposition has compiled a 40.3 percentage on 686 markers.

Gil Allen, with a 10.4 average and 178 total points, is the leading Gael tally-maker, Pint Murray has accounted for 138 and Tinker Lord 132. Al Pullam has scored 121 but has not played in all games, so his average settles at an even 10 per contest. Lord has a 9.4 mark and Murray 8.1. Norm McClendon and Bill Scott follow.



Louis Slated For One More, Then Charles

MIAMI, Fla. (AP)—Joe Louis, obviously pleased with his 10 round decision over Cuban heavyweight Omelio Agramonte, leaves for San Francisco today to fight Andy Walker on Feb. 23, in what he hopes is the last stepping stone to a title fight.

The thirty-six-year-old Louis, lacking the punch that earned him the world's championship more than a decade ago, failed to stop the elusive Cuban with a knockout blow last night, but finished 10 active three-minute rounds in good physical condition. Louis weighed 209; Agramonte, 187.

Agramonte, figured to hit the canvas in four rounds or less, gave the former champion a surprisingly good fight and managed to hang on as Louis pounded him in the fourth and 10th rounds in knockout attempts.

The first three rounds it was a fairly even match. But in the fourth Louis staggered the Cuban with a left to the head. Agramonte, however, came out in the fifth to strike back hard. The sixth and seventh rounds were a tossup. Louis tried again for the knockout in the eighth. Then Agramonte took up retreating tactics and Louis until separated by the referee.

Louis fully intended to kayo the Cuban in the 10th but was hamstrung by Agramonte's clinch methods.

Kingston to Get Permit, Play in Class C League

SCHENECTADY, (AP)—Kingston will field a team this year in the Class C Canadian-American Baseball League.

League president Albert E. Houghton said last night that backers of the Kingston team had decided to accept an offer and pay $2,500 for a franchise.

A franchise vacancy was created when Schenectady left the six-team circuit to replace Utica in the Eastern League.

NRHS Plays Hockey Tonight, Enters Lake Placid Tourney

New Rochelle High's potent hockey team will take to the ice at Playland Casino, Rye, tonight at 7 P. M. in a surprise game with Greenwich High of the Interscholastic League. The stick-wielding Huguenots are looking for their seventh win in eight outings.

The sudden scheduling of Greenwich, announced only yesterday by Coach Willis Thomson, was made necessary by the proposed trip for the NRHS team to Lake Placid next weekend for the eight-team hockey tournament. Originally the schedule called for New Rochelle to play host Thursday, but the Huguenots are planning to play Friday, Feb. 16, and Saturday, Feb. 17, at Lake Placid.

Currently leading the high school league with four straight victories, New Rochelle demonstrated its explosive power for fair in the most recent game, Tuesday against Darien High.

Trailing 4-2 going into the final period, the Purples went hog-wild for five quick goals to win, 7-5. Bill Bruce and Pete Dollar scored in the first period, and when the fur was flying Greg Dillon rammed home two goals and Babe King slapped in three consecutive shots.

The Huguenots' only loss this season came at the hands of Taft School, Connecticut. Playing on an outdoor rink, they bowed in overtime, 6 5, to a team which had lost to West Point by only one goal.

Coach Thomson also announced another game to be played Saturday at 2:30 P. M., against South Kent Prep School at Kent, Conn.

MEETING SET TO AIR CHANDLER POST ISSUE

CINCINNATI, (AP) — The "pros" and the "antis" will go to the mat again March 12 on the issue of whether A. B. Chandler is to continue as baseball's commissioner or be replaced by some other person.

The terse announcement from the commissioner's office yesterday said Chandler had called a joint major league meeting at the request of Will Harridge and Ford Frick, presidents of the American and National Leagues, respectively.

The meeting will be held in Miami Beach, Fla., and the announcement given out by Walter Mulbry, secretary of baseball, said its purpose was "to name a commissioner of baseball and act on any other business that might come before it."

CYCLONES ROUT FOE, STRAWBERRY 5 COPS

The Redskins were routed by the Cyclones, 42-17, and the Strawberry Five downed the Beavers, 30-18, in Junior Rec basketball contests last night at the Mamaroneck Avenue School gym. The scene of the evening's cage program was Bizzard of the Cyclones who tossed 20 markers through the hoop. His teammate Ball tallied 14 while Calvin of the Strawberries scored 15, exactly half of his team's gamescore.

The box scores:

SCARBOROUGH—

Action in the New York State women's singles and doubles and doubles squash rackets championships got underway this morning at the courts of the Sleepy Hollow Country Club.

Mrs. Pepper Constable of Princeton, N. J., women's national singles champion is top-seeded in the tournament with Mrs John Carrot of Greenwich, runner-up in last year's national tourney, seeded second. Peggy Howe of Princeton, a sister of Mrs. Constable, is also rated highly in the event which is scheduled to be completed at noon Saturday.

Mrs. Maitland Griggs of Ardsley-on - Hudson is tournament chairman.

GOTHAM TROT OCT. 18

YONKERS—

A change of date for the $25,000 Gotham Trot to Thursday, Oct. 18, at Yonkers Raceway, was announced today by William H. Cane, track president. The one-and-one-half-mile feature of the Fall meeting was originally scheduled for Oct. 11. It was moved back a week to permit horse owners to make commitments in the Mid-West during the first half of October.

JOE DI MAGGIO, center, New York Yankee centerfielder who signed his 1951 contract for a reported $100,000, was still dealing in figures on the golf course at San Francisco yesterday. Joe DiMaggio To Play Again For $100,000

NEW YORK, (AP) — Joe DiMaggio, star centerfielder of the New York Yankees, signed his third straight $100,000 contract yesterday.

No terms were announced, as usual, but General Manager George Weiss said DiMaggio would get the same salary he received in 1950 and 1949 when his earnings were an estimated $100,000.

DiMag's current contract is for one year only. He was thirty-six last Nov. 25.

Latimer To Lead Seton Hall Five At MSG Tonight

Captain Dave Latimer of New Rochelle will lead the Seton Hall Pirates against Long Island University's sky-scraping basketball team tonight at Madison Square Garden. A preliminary game between Manhattan College and New York University will start at 7:45 P. M., with television cameras picking up the program at 8:25 P. M. over Channel 11.

Averaging 10 points per game, Dave has spurred his sophomore-studded team to 15 wins in 18 starts. His opponent number is No. 17, Long Island University, until two weeks ago rated as one of the top teams in the nation, has won 16 of 20 games.

Bowling Crown in PSAA Captured by Iona Prep

WHITE PLAINS—

Iona Prep captured the Private and Parochial School Athletic Association bowling championship by upsetting 2,173 pins the Academy lanes here yesterday.

Captained by Bob Fisher the Iona quint defeated Concordia Prep by two pins to take the title Concordia furnished the outstanding individual performer in the tournament in James Collins who captured high single and high triple honors with marks of 194 and 509.

Trailing Iona No. 1 and Concordia in the team standings were Blessed Sacrament, 2,007; Iona No. 2, 1,952; St. Mary's of Katonah, 1,932; and St. Helena's of the Bronx, 1,631.

Ed Brockman of Iona was runner-up to Collins in the high-single competition with 192 while Tom McEvoy of Blessed Sacrament compiled the second best triplet of 501.

St. Gabriel's Defeats Mt. St. Florence, 46-36

NEW ROCHELLE—

St. Gabriel's High School basketball team defeated Mount Saint Florence High, 46-36, yesterday at St. Gabriel's gym. Miss Milla of the visitors was high scorer with 26 points.

The home team took a 20-8 lead in the first quarter and used a total of 12 girls. Eileen Lanzan scored 16 points, June Volpi 12, Maureen Mulligan six, Betty O'Loughlin four, Marion Delaney four, and Kay Ryan four.

AAU Ready To Probe Use Of College Cage Players In Tourney

NEW HAVEN, (AP)—An Amateur Athletic Union official said here yesterday that a Stamford basketball tournament would never have received sanction if AAU officials had been cognizant of reported cash prizes.

The tournament — St. Martin's Invitational — has been rocked by charges of professionalism and the appearance of nationally-known college players contrary to collegiate rules.

Said James E. Coogan, secretary of the Connecticut AAU, "there is no such thing as designated amounts for winning teams in an AAU tournament."

Coogan also said that college basketball players competing outside collegiate circles "put themselves in positions where gamblers can put the finger on them."

John DeLeone on Tuesday charged he was justified in having a professional player on his West Haven allied Red Devils team because "money prizes" were offered to competing teams.

Cash Prizes Listed

DeLeone said invitations had been sent to teams informing them that prizes of $150, $75 and $40 would be awarded to the top three teams.

"They could have paid expenses to teams," said Coogan, "but," he added, "they couldn't have advertised the fact. It seems to me like a bait to draw competing teams."

Coogan said he honed to find out definitely whether money prizes would be awarded to the first three teams.

"If they have violated AAU standards," Coogan said, "sanction will be lifted at once."

In Stamford, Vito DeVito, a tournament official, said the tournament will continue until there is a ruling from AAU officials. He asserted the money would be paid for "expenses only."

Westchester Teams Competing

Seven teams left in the tournament's second time it has been staged, include the Don Boscos of Port Chester, N. Y., defending champions; New Rochelle, N. Y., Bonefors; Yonkers, N. Y., Unionerz; Hastings, N. Y., South Sides; Stamford Question Marks, and Greenwich Sirex Shamrocks.

In Stamford, a tournament official said that an alternate team would be named to round out a field of 10. Sixteen clubs originally entered the tourney which opened last Wednesday. DeLeone's team was ruled out because of "unsportsmanship," tourney officials reported Tuesday.

DeLeone had said that his team, including Chubby Malinconico, an acknowledged professional, was ousted when he protested the use of Manhattan College stars, Junius Kellogg and John Jennerich in the lineup of the Buckaboo, N. Y., Vagabonds team. The game was not even started.

Kellogg captained sports headlines recently when he was the "hero" of an attempt to "fix" a Manhattan College game in Madison Square Garden.

Despite the publicity the charges and counter-charges have received, only about 1,000 saw the Yonkers club break a tournament record Tuesday night by beating the Waterbury Warriors, 97-39.

The tournament is supposed to end Feb. 16.

GOGGIN NAMED MONTCLAIR PRO

WHITE PLAINS—

Willie Goggin of Mount Vernon the veteran pro at Century Country Club for the past 10 years, has been appointed head professional at the upper Montclair Country Club, at Montclair N. J., it was announced today. He will take up his new duties April 1.

Goggin, a native Californian was formerly a pro in his native state before taking the Century post. In more than 20 years as a professional golfer, Willie has won a score of title prizes.

He was runnerup to Gene Sarazen in the 1933 National PGA championship. Sarazen bested him, 5-4, at Wauwatosa, Wis.

Winner of the Metropolitan PGA title in 1945, he tied Mike Turnesa and Claude Harmon, who went on to win the title in the playoffs, in last season's Westchester open championship at Bonnie Briar.

In 1935, the Mount Vernonite was runnerup to Johnny Revolta in the Western open championship at South Bend, Ind. Revolta carded a 290, Goggin a 291.

His other titles include the Wisconsin open, California open, Oakmont, California open, Northern California PGA Championship, and Northern California open in 1929 and several years following. Just recently, he won the Savannah open.

Goggin, who has been a resident of Mount Vernon for the past eight years, says he will continue his tournament play, but will confine himself mainly to the major tournaments. He will, however, return to Westchester during the course season for several of the invitational events.

No replacement has as yet been made for Willie at Century although several Westchester professionals are understood to be lined on the list of applicants.

WISWALL REELECTED AS SARATOGA HEAD

ALBANY, (AP) — Frank L. Wiswall, president of the Saratoga Raceway, will serve another three-year term as a director of the U. S. Trotting Association.

He won unanimous reelection yesterday at the annual meeting of District 9 (New York State). In 1948, however, it took more than 12 hours for Wiswall to gain reelection because of a dispute over proxy votes. Edgar J. "Dick" Baker of Warrensburg also was a candidate then.

Stanley R. Bloom of Newburgh, who counseled forces that tried to unseat Wiswall three years ago, nominated him yesterday.

Wiswall, a resident of suburban Loudonville, was unable to attend the meeting because of illness. He has been one of 39 directors since the association was founded a dozen years ago.

In a move aimed at keeping gaming racing active at county fairs, representatives of 12 mutuel tracks pledged full cooperation toward supplying horses for the fairs.

Penn. Woman Captures Atlantic Squash Title

ATLANTIC CITY, N. J. (AP) — The Atlantic coast women's squash racquets crown went to Anne Dietrich of Cynwyd, Pa., yesterday by a narrow margin as she defeated Mrs. Carroll Carpott of Greenwich, Conn.

With the match tied at the end of four games, Mrs. Carrott took a 9-3 lead in the final game. Then Miss Dietrich came from behind to win, 15-11.

Margaret Howe of New Haven, Conn., the 1950 champion, didn't compete this year.

Clean Sweep For Kiwanis In Frat Loop

Kiwanis blanked the Odd Fellows, the Vigilantes were awarded a forfeit over the Frats and the Legion edged the WYMC 2-1, in Fraternal bowling matches last night at the Mamaroneck Rec Center.

The first series of the night was rolled by Rex Keech of Kiwanis and was a 579 pinfall. Otis Pendetta, Legion sticksman, fired the top single of 222, which was by far the best one-game tallying Channel 11's pin-spotters saw. Keech's even 200 was the only other game in that category.

FAVORITES VANISH IN TEXAS TOURNEY

SAN ANTONIO, Texas, (AP)— There wasn't a top favorite in the whole earload of golf's top touristers fired the first round of the $10,000 Texas Open on two courses.

A field of 270—162 of them professionals — solight the gold and glory of the oldest tournament on the Winter trail with veteran observers predicting a "putting contest."

Short courses, powder dry and fast, mean fellows like Jimmie Demaret of Ojai, Calif., Lew Worsham of Oakmont, Pa., and Jack Burke Jr., of Houston, who are exceedingly proficient around the greens, should be in their best winning form.

Vote Of Censure Is Objective In British Shortage Of Meat

LONDON, (AP) — British Conservatives, seizing on the unpopularity of the nation's almost meatless lauder, today sought a parliamentary censure vote on the Labor government's handling of the present critical meat shortage.

It was the third attack against Prime Minister Attlee's government in a week. Winston Churchill's Conservatives failed by 10 votes last night in an attempt to overthrow the cabinet on the issue of steel nationalization. Last week labor withstood a Tory attack on the current coal shortage.

Conservative strategy apparently is based on a belief that if the government, holding office by only a slim majority, can be unseated and new elections held, the temper of the nation favors a Conservative victory.

Mr. Attlee's Socialists, confident after victory on the steel nationalization ballot, predicted they also would win on the meat issue.

However the national outcry over the fresh meat ration, now sharply cut to eight pence (9 cents) a week per person, is causing admitted concern at Labor Party headquarters.

Dock Crane Scoops Body From River at Tarrytown

TARRYTOWN—

The frozen, mud-covered body of a middle-aged man, probably a river boat seaman, was accidentally lifted from the crumble remains of a Hudson River dock here at 9 A. M. today by a bucket crane.

Stanton Hollan of 90 Grand Street, Croton, crane operator, said his crane was scooping up stone, concrete and rotted timbers at the end of the Cooney Brothers dock off West Main Street when he noticed the body suspended from the jaws of the bucket.

Tarrytown police notified the County Medical Examiner's office which took the body to the morgue for identification.

OLD SCHOOLHOUSE SOLD

WHITE PLAINS—

The old North Broadway School was sold at auction today to Stephen L. Porter, White Plains realtor, who outbid St. Paul's Protestant Church and two other prospective buyers. Bidding started at the upset price of $16,800 and went to $22,501.

Tooth Care Stressed On Radio Hour

Three local residents participated yesterday morning in a 15-minute program over radio station WONR in New Rochelle in observance of Children's Dental Health Week. They were Mrs. Robert Goulding, president of the Mamaroneck Junior High School Parent-Teacher Association; Dr. Morton Heide, arrangements chairman for Dental Health Week in Larchmont and Mamaroneck, and Dr. Edward Storey, director of physical education for the Mamaroneck school district. Mrs. Caroline Hawkes of New Rochelle acted as mistress of ceremonies.

The program emphasized the importance of cooperation among students, parents, teachers and dentists to achieve a balanced dental policy in the schools. Fundamental facts about teeth and their care were also reviewed.

Alice Stewart of Grade 7-B of Bellows Junior High School was announced by Dr. Heide as the winner of the limerick contest held in the Rye Neck School District as a part of dental week. David Cross of Barry Avennue School, John Calka and Nathaniel Hutchinson of Bellows Junior High School won honorable mention.

The winning limerick read:

"There was a young boy named Dean
His teeth were never too clean
He lost all his friends
Now his own socks he mends
And he'll never be seen on the screen."

GROUP JOINS COUNCIL

WHITE PLAINS—

The Youth Group of the Rye Community Synagogue was elected to membership in the County Council of Jewish Youth Groups at the council session last night at Temple Israel Center. The meeting, conducted by Max Morgenstern of Mount Vernon, president, was attended by representatives from White Plains, Mount Vernon, Yonkers, Larchmont and Ossining.

Ex-Czech Minister Seeks Asylum from Commies

VIENNA, Austria, (AP) — The newspaper Neue Wiener Tageszeitung reported today that Czechoslovakia's former Communist Foreign Minister Vlado Clementis arrived last night in Yugoslavia and asked for asylum.

The paper, in a dispatch from its Belgrade correspondent, gave no information as to how Mr. Clementis escaped from Czechoslovakia.

The former Red official has been reported missing from Prague since last Saturday.

Practice In Prayer Urged By Warren, Save-A-Life Leader

By HARRY M. WARREN
President of National Save-a-Life League, an organization to prevent suicide.

My father was awakened by the doorbell at five o'clock in the morning. Sleepily he put on his bathrobe and trudged down to the front door. Outside was a young man breathing hard from exertion.

"Dr. Warren," he blurted, "will you come to the hotel at once? A woman is dying. She is calling for a minister."

My father quickly pulled on his clothes and hurried with the messenger to the hotel. On the way he learned that the young woman had taken poison. The hotel manager, remembering that my father had conducted Sunday services in the hotel lounge, had sent for him. It was too late for a doctor.

Harry M. Warren

Once in the hotel my father was quickly rushed to the woman's room. There he saw a heart-rending sight. The girl who lay on the bed gasping for breath was still in her twenties —a whole lifetime before her. How could she have chosen self-destruction?

When she saw my father and recognized that he was a clergyman, she clutched his hand pathetically. Already the poison had eaten through her system so thoroughly that she had but a few breaths left.

"Please, Sir, pray for me. Tell God that I'm not bad—really."

Father Prays at Her Bedside

My father knelt at her bedside and prayed.

As her life slowly ebbed out, the girl feebly held on to my father's hand. "If only there had been some one to talk to, I wouldn't have done it," she murmured. "I called and called. Promise me you'll always be on call for people like me. . . ."

My father made and kept that promise. He never forgot that night. The wretched loneliness of the girl . . . the plea for forgiveness . . . the hopelessness and futility of it all. As a result of that experience back in 1906, the National Save-A-Life League was born.

How often have you heard the phrase: "I wish I were dead!" Perhaps it was blurted out by a frustrated child, maybe it was carelessly exploded by an irritated adult, then again, it might have been voiced in deep and harsh despair.

The late Dr. Thomas W. Salmon, eminent psychiatrist and once president of the American Psychiatric Association, said: "To practically everyone at some time in his life comes the thought of suicide, in a greater or lesser degree."

His statement is true. You—and you—and you have thought of it (or will). And some 20,000 people a year in the United States commit it—and twice that many attempts are made. Following a war the suicide rate jumps nearly 50 per cent in every country.

Devotes Life to Prevent Suicide

Shortly after witnessing the tragic death of this young woman, my father gave up his church in mid-Manhattan to devote himself entirely to the study and understanding of the whole subject of suicides. To the day of his death he devoted his life to their aid. As a result some 3,000 discouraged men and women annually call upon the National Save-A-Life League for its services. In over 40 years of the League's anti-suicide ministry, less than a dozen of its clients are known to have taken their lives.

Before my college days were over I had decided to join my father in his work with the league. For 22 years both my wife and I have given of our time and efforts to this cause. When my father died I accepted the presidency of the league.

Our activities are conducted in total privacy and secrecy. We charge nothing. Any money or relief we provide is a gift, not a loan. Some people we have helped or saved, help us in turn with our work and contribute in time, work and money. These men include doctors, lawyers, psychiatrists, people in all walks of life. There is no class distinction in sorrow and despair—no age level. We have assisted men and women whose names would startle you with their position and importance . . . as well as those the world calls just bums.

We have three types of cases: (1) Those who have threatened or are known to contemplate suicide. (2) Those who have made

Combing The Town

Red Cross Broadcast

Mamaroneck and Larchmont Red Cross blood donor program have called the attention of local residents to a nationwide broadcast at 9 o'clock tonight over the Columbia Broadcasting System. An appeal will be made for blood to be sent to Korea.

The next local blood bank is scheduled Feb. 23 in New Rochelle and Mamaroneck and Larchmont residents have been asked to contribute 100 pints to-ward the 250-pint quota.

Mrs. Martin Stern is making appointments for Larchmonters, and Mrs. J. Stanley Dane is in charge for the Mamaroneck Branch.

Lodge Hears Metcalf

John Metcalf, master of Harrison Lodge F. and A. M. spoke on "The Negro in Masonry" last night at a meeting of Apawamis Lodge No. 800 in Masonic Hall Prospect Avenue, Mamaroneck. The talk followed a business meeting of the Mamaroneck lodge.

For its next meeting on Washington's Birthday Apawamis Lodge has scheduled R. W. Malcolm Morritt, past district deputy of the former 12th district as speaker.

Speeder Pays $10

Joseph Eager of Queens, N Y turned out to be too eager for a Mamaroneck police officer and as a result paid $10 Today in Mamaroneck Police Court for speeding on the Boston Post Road.

Judge Hornidge also taxed Joseph Walker of Norwalk $5 for driving without a proper registration certificate and slapped a $3 assessment on Felix Skiepko-wich of Shelton, Conn., for parking in front of a fire hydrant.

Connolly Featured

An article about the activities of Jack S. Connolly of 17 Forest Park Avenue, Larchmont, in setting the stage for newsreel coverage of General Eisenhower's recent trip to Europe appeared in yesterday's New York World-Telegram and Sun.

Chief of the newsreel and special events branch of the State Department's International Motion Picture Division, Connolly has crossed the Atlantic Ocean 74 times and has made many other trips to different parts of the world for the government, including Korea and Japan. The article also describes his meetings with George Bernard Shaw, Mussolini and General MacArthur.

Cruising Mediterranean

Seaman Joseph C. Reyes, son of Mrs. Adele Reyes of 159 Elm Street, Mamaroneck, and a former employe of The Daily Times, is touring the Mediterranean on board the light cruiser USS Roanoke.

Reyes, who was first mate of Mamaroneck Sea Scout ship 10 before his enlistment last September, has visited Sicily, Algiers and Gibralter on the tour and writes that it "seems just like a movie."

Reyes received his boot training at the Newport, R. I. Navy base before he was assigned to the Roanoke. He is a graduate of Mamaroneck High School.

BOATMAN THROWN BY STOVE BLAST

Firemen Extinguish Blaze In Craft Back of Brewer's

A kerosene stove explosion yesterday aboard a 73-foot house boat moored off Brewer's Dock in the East Basin of Mamaroneck Harbor, blew the craft's captain about six feet across the galley and caused a fire which extensively damaged both the galley and the boat's saloon.

Mamaroneck firemen battled the blaze for almost an hour after a general alarm was sounded at 1:20 P. M.

Capt. Harding Coed of 510 Stanley Avenue, Mamaroneck, master of the "Show Boat" told firemen that he had a blower type kerosene stove in operation in the galley and was attempting to shut it off when the blast blew him across the room.

Mamaro Engine and Hose Co. was quickly sent to the scene but the fire spread so rapidly that five minutes later Lt. Herman Pauls of the Mamaroneck police by radio ordered a general alarm. All companies responded under the command of Assistant Chief George D. Perschke and Second Assistant Chief Thomas Fallace. The boat is owned by A. M. Tenney of 232 Forest Avenue, Rye.

Recall was sounded at 2:12 P.M. from starting operations, unless

U. S. Orders Slaughter Control To Curb Meat Black Marketing

WASHINGTON, (AP) — The government slapped strict controls on livestock slaughtering today in an effort to forestall black markets in meat.

The Office of Price Stabilization issued an order bringing all livestock slaughter under a system of "slaughter quotas."

The order will have the effect of limiting slaughterers to the same proportionate share of animals they killed in 1950.

New slaughterers are banned from starting operations, unless they can show they are badly needed by the public.

On another food front, OPS Director Michael V. DiSalle and Economic Stabilization Director Eric Johnson were quoted as saying they will not recommend any change in the present parity protection for farmers until after further study.

That word came from Chairman Maybank, D., S. C., after a Senate-House watchdog committee on mobilization met in closed session with the price control chiefs.

SWITCHMEN BACK AT JOBS IN FACE OF ARMY THREAT

10-Day 'Sick' Strike Ends As Full-Scale Return Gets Under Way

WASHINGTON, (AP) — One of the longest and costliest nationwide railroad strikes in many years appeared virtually ended today.

The Army's threat to fire striking switchmen was regarded as the main factor in breaking the 10-day "sick" walkout.

The work stoppage continued in a few spots across the country. But generally there was a full-scale return to work—notably in Chicago, the country's No. 1 rail center.

Indications were that all strikers will be back on the job before the 4 P. M. tomorrow deadline set by the Army in its work-or-get-fired ultimatum.

Thousands didn't wait for the deadline to return to work. The switchmen—who also were promised a pay raise—flocked back to their jobs in large numbers, joining the thousands who had returned to work earlier this week.

The Army's order reportedly irked some 600 Southern railway workers in Knoxville, Tenn. and they did not join in the back-to-work movement last night. About 100 returned to work.

Several of the workers were reported disgruntled because of Mr. Truman's remarks at a press conference in which he accused rail union leaders of running out of an agreement like a bunch of Russians.

The pay raise granted rail workers by the army was 12 1-2 cents an hour for yardmen and yardmasters and 5 cents an hour for employes in road service. The hike was only about half the amount reached in an agreement negotiated in December but later rejected by the rail unions.

Americans Push To Icy Banks Of Han Near Seoul

Red Resistance Seems Shattered in West Korea

TOKYO, (AP) — American forces swept to the banks of the icy Han River near Seoul today Allied shells poured into the burned-out old Korean capital.

Chinese Red resistance in western Korea seemed shattered.

A lean and lanky westerner, Capt. A. W. Myers of Lander, Wyo., sent back word to U. S 3d Division headquarters:

"Task Force Myers is now is wetting its feet in the Han."

An 8th Army spokesman said tonight the task force was maintaining its position on the winding stream's south bank.

It was a dramatic climax to a Red-hunting offensive that began Jan. 25 some 35 air miles south of the former Korean Republic capital.

Taking ground was only a secondary importance. The allies aimed to hurt the Chinese and Korean Reds and they did—more than 61,000 killed, wounded or captured.

Other armored task forces were within two miles of Seoul on the left flank of the 30 Division. One rammed within six miles of Inchon, Yellow Sea port for the capital, and then withdrew to allied lines.

U. S. and Puerto Rican infantrymen moved up behind the tanks.

The U. S. 25th Division's Task Force Dolvin, punching up the main road to Seoul, sent patrols to within one and one-half miles of Yongdongpo, the ancient city's industrial suburb on the southwest banks of the curving Han.

Only on the right end of the western sector and on the central front were the Reds putting up a scrap. Early morning counterattacks in those areas were nuried back.

JAMES HORKHEIMER

Top Carrier Is Collector Of Stamps

James Horkheimer, a business-like fifteen-year-old youth who lives at 215 Larchmont Avenue, is The Daily Times carrier of the month and recipient of the month by $25 U. S. Savings Bond award and $1 in stamps to start him on the way toward a new bond.

Young James, who delivers The Daily Times in the Palmer Avenue business section of Larchmont, was born in Wheeling, W. Va., and also has lived in Seabright, N. J., and in New York City. He is the son of Mrs. Helen Horkheimer and the late Ernest Horkheimer. The family has resided in Larchmont since 1946 and James is now a ninth grade pupil at Mamaroneck Junior High School.

He's interested in mathematics and particularly likes algebra. He "used to" take piano lessons but has given up that study because he likes musicianship. He collection of coins, and collecting stamps.

Then there's his police dog "Duke" who takes up plenty of time, leaving little for piano study or sports which he enjoys as a spectator.

James is a former Boy Scout, too, and his father was a scout leader and was also interested in the Sea Scouts.

He's had the route for three years and has worked it up to 64 customers. His profits on the route are mostly saved, but he does spend a little on coins and stamps.

Young Horkheimer has one sister, eleven - year-old Judith, who is a sixth grade pupil at the Chatsworth Avenue School.

TRUCK OVERTURNS, DRIVER INJURED

New Rochelle Man Suffers Cuts and Bruises In Mishap on Ice

A New Rochelle truck driver was injured yesterday about 2:30 P. M. when his truck skidded on a patch of ice on Fenimore Road Mamaroneck, near the Mamaroneck Town line, turned over and landed in a ditch on the left side of the road.

Ernest Linwood Johnson, thirty-nine, of 13 Morris Street, New Rochelle, told police he was driving north and had just passed a small bridge when the accident occurred. As the truck began to turch over, Johnson braced himself and turned off the ignition, he told Mamaroneck Town police. After that, he said, he rolled the window of the truck cab down and crawled out to the roadway where he was picked up by a passing bus driver.

The bus driver contacted Lt. Herman Pauls of the Mamaroneck Village police who rushed Johnson to a local physician after notifying town police of the accident.

Taken to New Rochelle Hospital accident room by police, John-son then went to a New Rochelle physician for further treatment of lacerations of the forehead and upper lip and a bruised head.

Johnson also lost a tooth in the accident.

The truck, owned by Konienberg *Buick* Inc. of Tuckahoe, was towed from the scene by its owners. The cab, windshield, frame, one headlight and the left front fender of the truck were damaged.

Johnson was charged with driving without an operator's or chauffer's license in his possession and was summoned to appear in Town Court Feb. 15.

ROTARY AID ASKED FOR HEART DRIVE

Mamaroneck Group Hears Report on Dental Health Week

Talks on dental health and on the Heart Fund campaign highlighted yesterday's meeting of the Mamaroneck Rotary Club in Greenhaven Inn, Mamaroneck.

Support of the Heart campaign was urged by Dr. Thomas Jacobs of New Rochelle who commended the work of the Westchester Heart Association. "This association," he said, "has set aside $10,000 for cortisone for treatment of rheumatic fever in children of families who cannot afford the hormone.

"Statistics prove that disease of the heart and blood vessels is the greatest killer and progress of its treatment can come only by generous support of the campaign. Of contributions made 73 per cent remains in Westchester and 25 per cent is turned over to the National Association."

Dr. Morton Hinde of Larchmont pointed out that Children's Dental Health Week has been observed with displays and contests in the schools. He said that dental decay is the most prevalent of all illnesses and a great many man hours are lost in the treatment of decayed teeth.

"Fluoridation of drinking water is a step in the reduction of decay," he claimed, "and no harm can come from its use."

Guests at the meeting were Sally Stowell and Thelma Englander of Mamaroneck High School; Mary Mayers of Bellews High School; and Mrs. William Chester, chairman of the Mamaroneck Heart Fund campaign.

Lt. R. L. Segal Aids Victims of Train Wreck

CAMP KILMER, N. J. (AP) — Robert L. Segal of 21 Dante Street, Larchmont, now on loan to the Army and stationed on the hospital here, worked for more than nine hours Tuesday taking care of casualties of the train wreck in nearby Woodbridge who were brought to the post hospital.

He supervised the taking of blood from soldier-donors and the setting up of a blood bank for storing whole blood until it was needed. In addition, he sent needed medical supplies to the scene and was on duty in the operating room.

New Church Plans $150,000 Building Drive

ARCHITECT'S SKETCH of the new church and school for the Larchmont parish of Saints John and Paul for which a $150-000 building fund campaign was announced today. The structure to be erected at Weaver Street and Heather Lane, will provide a Georgian-Colonial church and eight-classroom school with an auditorium, cafeteria medical room, large kindergarten and meeting rooms.

Plans for a $150,000 Church-School Building Fund campaign for the Church of Saints John and Paul were announced today by Rev. John J. Flynn pastor of the new Larchmont church. A general house-to-house solicitation of the entire parish will get under way on March 5.

Initial campaign organizational and planning meetings have been held during the last two weeks with the appointment by Father Flynn of Cornelius J. Quinn as general campaign chairman. Paul Ryan and John J. O'Connor have been named associate chairmen. The memorial and special gifts committee, which will initiate the active phase of the campaign, early next week, is headed by Walter Brady, chairman and

They will be assisted by a vice chairman and leaders of devotions, sewing and program. Overall chairmen are Mrs. Totton and Mrs. Borton are Mrs. James G. Affleck Jr., devotions; Mrs. A. Roberts MacManis, sewing and Mrs. Ervin Kenmore, program.

The regular program meeting of the Women's Association will continue to be held the first Tuesday of the month at the church house.

Volunteer Aid Is Sought By ARC Branch

Former American Red Cross staff aides who wish to become reactivated, and new volunteers to assist with office work at Larchmont Branch headquarters preceding the annual fund campaign opening Feb. 26 are asked to notify Mrs. Barton A. Proctor of 42 Hillside Road, Larchmont, staff aide chairman for the branch.

"Staff aides are needed for various duties all through the year," stated Mrs. Proctor at branch headquarters yesterday. "We need more and more volunteers to finish this very important work. In this way, the hours can be distributed among many workers, thus lightening the demand on each individual. This is necessary, in these busy times, so that no one will be called on too often."

Mrs. Proctor may be reached by telephone at LArchmont 2-3345. The work includes typing, filing and checking cards and hours are from 9:15 A. M. to 5:15 P. M. daily including Saturdays. The Larchmont Branch headquarters are located at 131 Larchmont Avenue.

The following volunteers whose work is entirely on behalf of the 1951 Red Cross Fund campaign, have been serving at headquarters for the past three weeks: Mrs. Harold M. Sherman, Mrs. George Meckes, Mrs. Harold Bozell, Mrs. Bernard Rosenstadt, Mrs. John Luce, Mrs. F. H. Prem, Mrs. Harold Meyer, Mrs. John Tiebout Jr., Mrs. Barton A. Proctor, Mrs. Barton A. Proctor Jr., Mrs. James Phillips, Mrs. Edward Wilson Mrs. A. H. Rackham, Mrs. E. J. Bowler, Mrs. B. S. Williams, Mrs. Olaf Holst-Knudsen, Mrs. J. M. Brightman, Mrs. William L. Hoefling, Mrs. A. C. L. Newsom, Mrs. Arthur Nilson, Mrs. John Kerr, Mrs. William Raiss and Mrs. George V. Carter.

A course for new staff aides is currently being given at Chapter Headquarters, American Red Cross, in White Plains and another course, the date of which will be announced by Mrs. Proctor, is to be given in the Spring.

MOVE TO OHIO

Mr. and Mrs. Barton A. Proctor Jr., formerly of Chatsworth Gardens, Larchmont, have moved to Euclid, Ohio, where Mr. Proctor has become associated with the Union Carbide and Carbon Company, Linde Air Products Division. Their new address is Garden Estates, 23221 Lake Shore Drive, Euclid.

Leaders Hold Joint Program On Camp Fire

Ceremonials and council fires were discussed yesterday by Miss Harriet Dively, National Regional Field Supervisor of Region Two of the Camp Fire Girls at a Leaders Workshop held at the Mamaroneck Methodist Church by the Larchmont and Mamaroneck Camp Fire Girls.

Miss Dively explained the operation of a ceremonial, dramatizing the use of Indian symbols, and all the leaders present took part in a formal ceremonial which could be used to welcome new members and to give rank, using the Camp Fire watchword, roll call and the count. Miss Dively suggested that for the Bluebirds the ceremonial might be called the "Magic Ring."

Mrs. John Brower discussed outdoors craft, suggesting both Pound Ridge and Saxon Woods for places of nature study and camping. She stressed "conservation; courtesy, respect for people and property, leaving a place a little better than when found," quoting Van Dyke's "God of the Open Air."

Following luncheon, a film of the National Audubon Society was shown, with a commentary by Mrs. John E. Woodbridge, Executive Director of the Larchmont Council.

Mrs. Arthur Richmyer Jr., of Larchmont, who has done extensive work in musical therapy at both local and veterans' hospitals reviewed the problem of presenting music and songs to the Camp Fire Girls of the leaders groups, stating that "the important thing in music is to get a lilt in it, that the light touch helps in all rhythm."

Workshop hospitality committee members were Mrs. Ralph Phelps, chairman of the Mamaroneck Leaders Division, Mrs. Robert Donaldson, chairman of the Larchmont Leaders group, Mrs. Beecher Baldwin, social chairman of the Mamaroneck Council, Mrs. William Kohl, vice chairman of the Larchmont Leaders division, Mrs. James McBrien, secretary of the Mamaroneck Council, and Mrs. Richard C. Staelin, Training Chairman of the Larchmont Council.

Leaders attending from the Larchmont Council were Mrs. Bernard Altman, Mrs. J. T. Moore, Mrs. Lester Hammel, Mrs. Robert E. White, Mrs. James Kaufman, Mrs. B. H. Moll, Mrs. Gregory Abbott, Mrs. Robert Hill, Mrs. Ben Eisenberg, Mrs. Theodore Bates, Mrs. C. E. Herrington, Mrs. Sumner S. Kittelle, Mrs. Lewis Mittman, Mrs. Sperry H. Zahm, Mrs. Goldthwaite Jackson, and the following Board of Directors members and sponsors: Mrs. J. Clarke Babcock, Mrs. William Jorgensen, Mrs. A. Stirling Smith, Mrs. Julian Colyer, Mrs. Bruno Prita, Mrs. Henry Hotchkiss, and a guest, Mrs. John Ohlenbusch.

Demonstration And Talk Held For 40 Garden Club Members

"Design and Color in Flower Arrangement" was the subject of a talk and demonstration given yesterday to about 40 members of the Garden Club of Mamaroneck by Mrs. Milton A. Hescock, third vice president and artistic section chairman. In St. Thomas's Community House.

Mrs. Hescock's talk and demonstration was based on the Judges Course recently held in New York City. Arrangements by club members supplemented her lecture which included a discussion of textures and fabrics and was followed by a question and answer period.

A Hogarth line arrangement by Mrs. William E. Goyne featured Scotch broom, magnolia leaves and Honolulu roses. Mrs. Earl Quick's monochromatic arrangement demonstrated a rhythmic design using house plant material and a triangular arrangement by Mrs. Gordon Proctor featured the use of dried material.

Mrs. Hescock's crescent arrangement used pastel shades with Scotch broom and celosia in a cream-colored container.

Arnelle And Petrie Staging Torrid Cage Scoring Battle

Two fine young cagers—one an even six-footer who is as elusive as a greased mackerel and the other a six-six giant—are currently staging a hot battle for Westchester scholastic basketball scoring honors. By names the lads are identified as Eddie Petrie of Bellows and by Rochelle's 17-year old mountain Jesse Arnelle, with the latter holding the edge right now on an average of 26.9 markers per tussle.

Arnelle tallied a season-high of 42 points against Iona Prep Tuesday and he now has racked up 242 points in nine encounters. Petrie, shorter than his rival by some seven inches but by far the *well-rounded operative* had a subpar night in netting his season-low of nine against Pleasantville but he got back on the beam with 31 against Bronxville. The Panther mainstay has now reached the 250-mark after 10 tilts for a nice round average of 25. Actually, neither Jesse nor Ed cares a hang about his personal scoring as long as their teams keeps winning. Both cagers are keen competitors as well as talented individuals.

A step behind the top-two is New York School for Deaf's Hugo Guidi who has meshed 96 goals and 44 free tosses for 236 counters in 10 frays an average of 23.6 a contest. Stepinac's towering Dick Wise has been ineffective of late and he now has credit for 236 points in 12 outings for a still-healthy figure of 19.6. Wise is fifth, with Rye's Ted Costas one rung ahead on a 21.9 average, compiled via 219 in 10 tilts.

Layne Aims To Rip Brion In N.Y. Fight

By JACK HAND
Associated Press Sports Staff

NEW YORK—Utah's Rex Layne is out to show the world his recent ring upset of Jersey Joe Walcott was no mistake.

If the curly-haired farm boy from Lewiston, Utah, hurdles Cesal Brion of Argentina tonight at Madison Square Garden he will have a sound selling point.

Brion, who went the route in a losing battle with Joe Louis and has dropped only four of 36 pro fights, is a rugged test for twenty-two-year-old Rex.

Their 10-round bout, starting at 10 P. M. gets full radio and television network coverage. A crowd of 8,500 and receipts of $35,000 are expected.

Layne leaped out of nowhere into the No. 4 spot among the heavyweights by his surprising win over old Jersey Joe. But he needs more than one important victory before he can talk about fighting champion Ezzard Charles.

Brion has stopped 17 of 36 foes, just below .500. Rex bombed out 20 of 30 for a fine .667 average. Despite these fine KO records, most experts expect the bout to go the limit. Layne, a 5 to 1 underdog against Walcott Nov. 24, now is a 5 to 8 favorite.

HARVARD TO FIX GRIDIRON STATUS

CAMBRIDGE, Mass., (AP) — Provost Paul H. Buck, one of Harvard University's highest ranking officials, today was revealed as the power behind the Crimson's plans to improve its woeful football conditions.

After announcing the "resignation" of William J. Bingham, director of athletics for the past 25 years, Buck said the former's successor, who will be appointed in the near future, will report directly to him.

Bingham's end as athletic director was made known to the press before he was given official notice that, starting July 1, he would become chairman of a new faculty advisory committee on athletic policy.

Now sixty-one, Bingham, said *to draw a full professor's salary,* will be eligible for retirement and a pension in four years.

"This is the first I knew I was resigning," Bingham said after being informed by an outside source. "I certainly must find out what this is all about."

In outlining the duties Bingham's successor, probably head football coach Lloyd Jordan, will assume, Buck said he would be responsible for all intercollegiate sports as well as Harvard's extensive intramural athletic and physical training programs.

KNOLLWOOD SITE FOR WEATHERVANE

ELMSFORD—

For the second successive year the Knollwood Country Club has been selected as the closing terminus of the 144-hole tournament net $17,000 Weathervane golf tournament, according to an announcement today by Fred Corcoran, tournament director of the Ladies PGA of America.

Sponsored by Alvin Handmacher of Harrison the unique tourney will make weekend stops at Dallas, Texas; Pebble Beach, Calif., and Indianapolis before closing out with a 36-hole stop-over here.

A $3,000 purse is awarded to the low-scorer at each of the four stops with an additional $5,000 award on tap for the player with the low aggregate for the entire grind.

The tournament is the richest purse on the agenda for the touring golfers of the women's PGA. The Dallas phase of the tourney is slated for April 14-15, Pebble Beach will test the distaff swingers on May 5-6 while the Meridian Hills Club at Indianapolis will be the site of the third 36 holes.

Last year the first aggregate purse was won by Babe Didrickson Zaharias, who is already off to a rousing start on the ladies PGA 1951 swing with victories in the Ponte Vedra and Tampa tourneys which had purses of $3,000 and $3,500.

The six lowest-scoring golfers in the Weathervane tournament will make a tour of England and France under the sponsorship of Handmacher. Expected to compete at Knollwood again this year are: Mrs. Zaharias, Louise Suggs, Patty Berg and Betty Jameson.

Larry was awarded the scroll for his outstanding play against Duquesne University last week in Pittsburgh, when he scored 26 points and broke a 65-65 tie in the last minute with a foul shot. Last night the sophomore center helped Villanova to its 18th victory in 19 games, 94-57, over Kings College.

Terrible Ted In Sox' Fold For 125 Gs

BOSTON, (AP) — Broken-elbowed Ted Williams, always tractable about his salary matters with the Boston Red Sox, today appeared to have retained his standing as baseball's only $125,000 performer.

When Joe Cronin, general manager announced Williams' 1951 signing, he said his otherwise temperamental star was "well satisfied" with his contractural terms. Cronin also inferred that Williams would be paid about the same as last year. The exact amount, however, never has been mentioned by Williams or any club official.

But they, along with owner Tom Yawkey, have indicated that Williams draws more than the $100,000 the New York Yankees are reputed to pay Joe DiMaggio.

On the basis of Williams' 1950 performances, most club owners would rate him in line for probably the maximum 25 per cent salary slash, even after considering the fact he injured himself in the midseason all-star game.

He played in only 82 games and wound up with a .317 batting average after totaling 106 hits, including 28 homers, and driving in 97 runs. As the American league's most valuable 1949 player, Williams played in 155 games, belted 194 hits, 43 of them homers for a .343 average and drove in 159 runs.

GREENWICH SIX UPSETS NR, 3-2

RYE—

A gamble on the part of the New Rochelle board of strategy cost the Huguenots their initial *WIHS loss after four victories as* the Greenwich Cardinals downed them 3-2 in hockey action last night at Playland Ice Casino.

With only 43 seconds of playing time left, New Rochelle seemingly gained a 2-2 tie when Jerry Dillon's long, wide shot was deflected into the Cardinals' net by a Greenwich defenseman.

However, nine seconds later and 24 seconds before the end of the match, Cardinal Ivey Lambert sent the puck spinning into an *empty cage as the Huguenots had* pulled out their goal tender following the deadlocking goal.

New Rochelle started the scoring in the first period when Babe King scored unassisted at 5:17, but the Cardinals knotted matters in *the next canto on* Ned Ferris' solo play at 2:16. Whitey O'Brien of the winners scored at 1:35 of the finale on assists by Al Morgan and Bob Mitchell before the last minute goals by Dillon and Lambert.

The Huguenots now own an over-all mark of 6-2 while Greenwich has won four of six outings.

BACK STROKE MARK BROKEN BY MAYERS

By BILL ROACH

Sparked by record-breaking Mickie Mayers in the 100-yard backstroke, and doublewinner Ronnie Rasmussen, New Rochelle High School outraced A. B. Davis High's swimmers, 56-10, at the Mount Vernon YMCA pool yesterday.

Mayers toured the distance in 1:05, breaking by two-tenths of a second off the two-week-old mark of Mamaroneck's John Glover. He had set the mark which Glover broke.

Rasmussen scored his doubles in the 40-yard freestyle and the diving, sprinting to a 21.8-second timing in the former and performing his dives for a high 33-71 points.

Lone Maroon swimmer to break a potential Huguenot clean sweep of first and second places—which would have recorded the third Huguenot perfect dual meet score this season — was captain Neil Sharp, who came home in front with a 2:22.7 timing in the 200-yard freestyle. It was the fourth triumph at this distance in five starts for Sharp, present County champion.

The Huguenots, WIAA team champions, swept the remainder of the first and second places of the meet for the overwhelming score. Other Purple Wave winners were Dick McPhee, in the 100-yard breaststroke; Jack Johnston in the 100-yard freestyle, and both Huguenot relay teams.

40-yard free style—Won by Rasmussen (NR); 2, Landon (NR); 3, Gross (ABD). Time—:21.8.
100-yard breaststroke—Won by McPhee (NR); 2, Kinsky (NR); 3, Bernson (ABD). Time—2:13.
200-yard freestyle—Won by Sharp (ABD); 2, Dinkle (NR); 3, Weiss (NR). Time—2:22.7.
100-yard backstroke—Won by Mayers (NR); 2, Gerberding (NR); 3, Connelly (ABD). Time—1:05.8.
100-yard freestyle—Won by Johnston (NR); 2, Singer (NR); 3, Knox (ABD). Time—1:04.6.
Diving—Won by Rasmussen, (NR); 2, McPhee (NR); 3, Yener (ABD). Points—33.71.
180-yard medley relay—Won by New Rochelle (Weissbard, Abrens, Grossman). Time—2:06.
160-yard freestyle relay—Won by New Rochelle (Davis, Singer, Weiss, Grossman). Time—1:32.5.

SIX-MAN GRID LOOP TO OPERATE IN FALL

YONKERS—

A six-man football league will burst upon the county scene next Fall with at least four schools, Halsted and Sacred Heart of Yonkers, Cedar Knolls of Hawthorne and Kohut School of Harrison have definitely committed themselves for participation in the circuit.

Halsted School's John "Bud" Lohrfink has been designated league director. Further organizational plans will be made at a meeting, March 12 at the Kohut School. Additional schools may enter the league, it was decided.

Representatives voted to start the season during the second week of October. If no other schools enter, the four teams will meet each other twice during the season. Otherwise, they will meet once.

Kohut and Sacred Heart will be starting their first season at the six-man game. Halsted adopted the sport for the first time last year while Cedar Knolls has been participating for some time.

Lohrfink announced that construction will start shortly on a special six-man field shortly ad adjacent to the Halsted School. It is expected that Sacred Heart will use the field for its home games.

KELLER IN SPEED CLASSIC

DAYTONA BEACH, Fla. — Al Keller of *White Plains is one of* a number of top flight drivers who will compete in the two national championship 160-mile stock car races slated for the famous four-mile beach and road course here tomorrow and Sunday. The largest fields in the history of the Daytona Beach speed classics are expected.

Heavy Schedule Sends Gaels Out On Double Duty

The odds against a basketball team pulling twin-triumphs in one night are just as strong as a baseball twirler spinning two wins in the same afternoon; which is exactly why the Mamaroneck Gaels aren't conceded too much chance of whipping both the Mount Vernon Ambassadors and the Bronx Prospect Stars tonight at Mamaroneck Avenue School Gym. The first chapter of the iron-man cage *stunt is scheduled to get under* way at 8 P. M. and Gael fans are expected to turn out in force to encourage their favorites.

The season record for the locals thus far is 12 wins against five setbacks. Their home encounters have netted four victories and two defeats, both losses coming in tight finishes.

On the heels of yesterday's statistics concerning Gael cagers, a communiqué this morning revealed that Pint Murray is the chief foul-offender on the roster with 33 infractions called against him. Gil Allen has been detected *29 times and Norm McClendon* 27. The boys accounting for Villanova to its 18th victory in 19 games, 94-57, over Kings College.

Rye Gun Club Elects Local Men To Posts

Earl G. Truax of Greenhaven and Otto Werner of Mamaroneck were elected to the office of president and secretary respectively *of the Rye Gun Club* at the annual meeting held recently.

Other officers are Joseph A. Sylvia, vice president, Allan G. Martin, treasurer and Arthur Desmond, Executive Officer.

The Club is participating actively *in the current* Westchester League Matches and is expected to finish quite high on the ladder at the termination of the meet.

Many interesting events are planned for the coming outdoor season on the range which the Club uses in conjunction with and by the courtesy of the Rye Police.

The election results were released by T. O. Williams, chairman of the organization's publicity committee.

SKI MEET HIGHLIGHTS DARTMOUTH CARNIVAL

HANOVER, N. H. (AP)—More than 2,000 smiling coeds swarmed into this old college town today for the nation's oldest collegiate *snow festival* — Dartmouth's 41st Winter Carnival.

Grinning undergrad hosts, their midyears behind them, met their dates as they poured in by planes, trains, buses and automobiles for three days of fun.

The sports picture features a four-event ski meet, the 30th sponsored by the Dartmouth Outing Club. The Green team, winner of the Carnival Cup the past two years, will be favored to repeat against teams from Denver University, Massachusetts Institute of Technology, McGill, Middlebury, Syracuse and the Universities of Maine, New Hampshire and Vermont.

ACRES FIVES RECORD ALL MATCH SHUTOUTS

Mott notched its second straight shutout, while Richbell and Dishrow were joining the clean sweep corps in last night's Acres League bowling action at the Mamaroneck Rec Center.

The Richbell bracket-roller, Pinney, annexed high series honors with a neat 567 pinfall with Bell of Dishrow posting the top single of 203. Poillon's 542 pin total ratted runner-up in the night's individual three-game outing.

Yonkers Lone Unbeaten Team In County School Cage Ranks

MOUNT VERNON—

Bill Carlson of Mount Vernon, former Mount St. Michael star athlete, is collecting records at a fast clip as he paces the Fordham University basketball team this season.

Latest accomplishment for the talented, 6-foot-3-inch junior center of the Rams is a new all-time scoring record at the Rose Hill institution. "Big Bill,"

DISPLAYING the form which has made him the leading scorer for Fordham University for the second straight year is Bill Carlson of Mount Vernon. The former Mount St. Michael star, who was voted Fordham's "most valuable player" as a sophomore last year, has scored 304 points in 20 games to date. He recently set an all-time Ram scoring record of 34 points in one game, and—if he continues at his present 15.2 points per game average, will become the first cager in Rose Hill basketball history to score 400 points in one season.

MHS Keglers Rout Lincoln; Pfister High

The bowling team of Mamaroneck High trounced Lincoln Park *yesterday at the latters' alleys* in Yonkers. In sweeping all three games, the MHS alleymen built up a total-pin margin of 145.

Jay Pfister of the local school copped laurels for the match with a 203 single that put the finishing touches on a fine 574 triple. Don Burkhardt opened with a 197 game for Mamaroneck and that *tally held up* until Pfister's finale.

In special events, Les McClendon had high two-game total of 322, Burkhardt socked the peak one-game of 189, and Bud Simpson won the head-pib gold medal for his 99 score. Pfister took the silver medal for his 93 and Burkhardt posted 90.

Remarkable Foul Line Score

Figures compiled by Fordham athletic publicity director Tom Murphy, show that the Mount Vernonite has clicked on 38 per cent of his field goal attempts (287 shots, 109 score) and a remarkable 62 per cent at the foul line (72 charity tosses good in 116 tries).

He has garnered in 292 rebounds and has gained credit for 55 assists in addition to his scoring.

A graduate of Mount St. Michael in 1948, he was named most valuable player on the Fordham quintet last season by his teammates. Although he led the Rose Hill scoring in '49-'50, Bill did not get started until the last third of the season. His great work on the pivot led the Rams through seven victories in the last nine games against outstanding opposition. Highlights last year for Bill were the games between St. John's, City College and Georgetown.

In the Ram upset of St. Johns, Bill hooped 17 points; 20 in the 66-62 defeat of CCNY, and 27 against Ram rival, Georgetown.

14 Victories in 20 Games

Carlson's pivotal work has sparked the Rams to 14 victories in 20 games to date, the latest an overtime triumph over Yale Wednesday night.

The talented MVP is expected to come into his own down the "home stretch" of the schedule, which lists rugged intracity games with Manhattan, City College, NYU and St. John's ahead. The Rose Hill quintet also meets Iona College a week from Saturday at Fordham as well as Siena and Georgetown.

L. C. PIN CIRCUIT SHOWS 3 SWEEPS

Although the real thunder-type kegling associated with the circuit was missing, the Cabmen, Grocers and Spamen turned in shutouts in Community League kegling last night at the Larchmont Rec Center. The Patrol rallied to edge the Fingers, 2-1 in the other alley encounter.

The brightest individual tally of the night was the 224 single that Scott of the Plumbers registered in the middle game. That was by far the best of four games that surpassed the 200 figure while the series pace-maker was Sid Annunziata's disposed of 540 timbers while rolling leadoff for the Cabmen. Frank Conte of the Pinners was just three pins off the series pace with Burns of the Patrol upending 526 and Lenny Grosso 525. Scott wound up with 521.

Dodgers Sign Furillo; 3 Players Still Out

BROOKLYN, (AP) — Only three Brooklyn Dodger regulars are out of the fold today after the signing of outfielder Carl Furillo for a reported $20,000.

Furillo, the Dodgers said yesterday, was his name on the dotted line, and it was reported he got a raise of about $2,000 over 1950. He hit .305 last year, and batted in 106 runs.

Preacher Roe, Billy Cox and Gene Hermanski are still unsigned.

Rye Outclassed By Panthers; Locals Remain In SWIAC Tie

Bellows drained all the Garnet out of Rye last night at the Panther-lair as another big crowd sat through the contest greedily counting up the wide margin of supremacy their cage warriors were grinding out over the traditional rivals. With Edison Tech nudging Eastchester, the Panthers and Techmen remained locked in their bitter battle for the 1951 Southern Westchester League diadem. On the campaign, Jack Hasley's title-contenders have snared eight victories in 11 court excursions.

Just one year ago Cliff Clinton had a Garnet quintet that was posing the SWIAC circuit with an unbeaten status; but time flies—and cagers graduate. Last night the current Clinton edition was decisively trounced — outclassed after putting up stern resistance in the first half. Bellows, which is co-titlist with Rye, thus repeated its previous rout of the Clintonmen and notched league triumph number five, the last four coming in succesion.

Panther Whiz Eddie Petrie racked up 23 markers during the fray to expand his seasonal total to 272 tallies for 11 contests. The young Bellows standout got back on the beam with his set shooting and took his usual quota of assists on clever passes that led directly to easy baskets. Frank Pokorny fell into line behind Petrie with an output of 17 points, patrolling the immediate vicinity of the basket for an assortment of jump shots and layups.

Third Quarter Tells Story

Although Bellows trailed by no more than one point, and slipped behind only early in the tussle, they didn't break the game wide open until the third quarter. It was then that Petrie pumped three fouls and a layup and Pokorny clicked on a pair of jump shots that gave the Panthers nine straight points without a return and stretched the Rye deficit to 36-18.

In the first half Petrie had tallied eight points and Pokorny nine, out of a possible 27. Rye hung close as Ted Costas, their quaint version of the point-happy basketball player, was able to find the netting on four of the innumerable shots he rashly tossed from all angles. It was 13-8 at the quarter and 25-18 *with the clock* ticking off the last fleeting second of the half when Gary Wellman, one of Hasley's reserves, unleashed a seemingly impossible heave from three-quarters of the court. The ball plunked cleanly through the hoop for what undoubtedly is the longest converted shot in a Bellows tilt.

The Rye Neck lads came out flying for the third period and their one-two punch provided the big fireworks for a wide 40-20 gap. Rye being held to one solitary goal in the third chukker. After that, all the Bellions got into the act and turned it into a complete rout.

Still dazed from the snapping of their eight-game winning streak on Tuesday, the Bellows Junior Varsity squad was shaved, 38-27, by Rye's little Garnets in the prelim tilt last night. The JV Panthers flubbed easy layups, committed defensive lapses and finally blew two free tosses in the final 20 seconds to practically jump into the losing pit.

STEPINAC UPSET AGAIN; OSSINING COPS 68-66 WIN

The Crusaders of Archbishop Stepinac ran smack-bang into a red hot duo of Ossining cagers—Reuben Hill and John Vallotti—and went down to a stunning upset defeat yesterday, 68-66 at Ossining. It was the season's third loss and second straight for the Crusaders, who previously had racked up ten triumphs.

Stepinac actually outscored its opponents from the floor, but its penchant for fouling played havoc with its record as Ossining connected on 14 out of 27 charity tosses, while the losers meshed only four of 11 to spell the difference between victory and defeat.

It was mostly a case of three Stepinac scorers being unable to mend the damage done by the pair of Ossining point-makers. Dick McDine and Dick Wise each tallied 18 markers with Bob Filippone netting 14, but all were outdistanced by Hill and Vallotti, who garnered 27 and 20 point, respectively.

Chiefly because of those two, who collaborated for 25 points in the first half, the home forces owned a 40-31 lead at the intermission.

In a wild third stanza, in which wise and mcdine went crazy with 12 and nine markers, the Crusaders racked up 27 big tallies, while Ossining fashioned 15 to take their first margin, 88-55.

From that point on, the lead reversed back and forth with neither quintet able to stay in front by more than a basket. With seconds left in the contest, and Ossining in front, 66-65, the game was put beyond Stepinac's reach as Hill and Hal Wesley made good from the free throw line.

Gaels Split Twin-Win Try; Drop Finale In Close Battle

The Gaels came within a whisker of completing a cage double-header sweep last night, and the order in which they tackled invading teams at Mamaroneck Avenue School probably kept them from turning the trick. In the opener, the local independent quintet walloped the Mount Vernon Ambassadors, 73-39, but in the aftermath they ran out of fuel and were outlasted by the Bronx Prospect Park Stars, 48-42. A fresh effort against the Prospects might have meant victory in that fray, leaving the path wide open for clipping the outclassed Vernonites.

Against the Ambassadors the Gaels couldn't miss as their fast-breaks, driving layups and rebounds wore down the inferior visiting cagers. It was 35-13 at the half and the bewildered Ambassadors sank deeper as time wore on. Pete Murray dumped 21 points for the winners with Bill Scott netting 16. Seven of the eight Gaels scored in the romp.

LOCAL RIFLEMEN SET TEAM MARK

Capturing a league match and setting a new team record during the same evening were the accomplishments of the Mamaroneck Rifle Club marksmen last night. Firing at the MOUNT Vernon Range, the Mamaroneck target-terrors piled up a grand total of 1190 points, handily surpassing their previous mark of 1184. The strong Eureka Rod and Gun Clubbers supplied the opposition for MRC, with the final victory margin being 101 points.

Odo Roth, kingpin of Mamaroneck's classy marksmen, handed in a card of 246 last night to climb into the leader's seat that he has so often occupied before. Rudy Helland and Art Weiler were hot also, posting 242 scores while Beren Proctor contributed a neat 237 and Chas Pappas rounded out the high five with a 228. Harold Newcomb and Harold Steele also vied the match under the MRC colors. Best of the Eureka shooters was Lindsey Smith, who hit the target for 232 markers.

On Monday evening the Mamaroneck crew will be entertained by the Beaver Riflers at City Island.

Yonkers Upset

YONKERS—

The list of unbeaten basketball quintets in Westchester disintegrated into nothing last night when Yonkers Central was upset by Roosevelt, 48-47.

Yonkers had racked up seven straight victories and was pacing the race in the WIAA circuit before the surprise loss.

TWO 8-ROUNDERS ON FISTIC CARD

WHITE PLAINS—

Twin feature bouts of eight rounds each highlight the County Center boxing card Tuesday night. Irish Billy Murphy, hard-socking Brooklyn lightweight, and Luis Ramos of Puerto Rico clash in one while the other sends Romeo Alvarez, veteran East Side lightweight, against Andy Viserto, 147 pound Bronxite.

Murphy, who is handled by Pete Reilly, was impressive in a recent Garden appearance in which he kayoed Joey Scarlotta. Ramos has fought such leading boxers as Sandy Saddler, Willie Pep and Del Flanagan.

Alvarez will be making his first start in 18 months against Viserto, an action fighter who has taken part in two vicious bouts with Joey Atria and Sam Gulliani at the Garden in recent months.

A special six-rounder will bring together Ralph Gonzales, 155-pounder from Mount Carmel, Pa., and Pete Adams of Newark.

The usual three four-rounders will complete the fistic bill. Jim Sullivan of Boston faces Simon Herrera of the Bronx; Vinnie Vingo boxes Johnny Hogan of the West Side, and Eddie Smith of the West Side tangles with Joey Caruso of the Bronx.

TRACK DATE OPEN

CHAPPAQUA—

Mark Whittleton, athletic director at Horace Greeley High School here is anxious to fill an open date in track with some Class C school on May 23. The Quakers will take either a road or a home meet.

SIX-FOOT-TWO and red-headed is cager Bonnie Buell of the All-American Red Heads who will meet the White Plains Romas at the County Center in White Plains on Feb. 22. The Red Headed distaff basketeers make an annual nationwide tour playing men opponents.

HILLTOP QUINTET FUMBLES EIGHTH

After toying with a floundering Mamaroneck five for two periods, White Plains High's once-beaten cagers tore loose and rumbled to a ridiculously easy, 69-39 victory, their seventh of the campaign, last night at the WPHS Gym. To make the loss even more humiliating for the traveling Hilltop squad, every one of 12 courtmen sent into the fray by WP Coach Glen Loucks entered the scoring column. Most of the bombardment came in the second half and it sent Landy Ciraco's battered lads down to their eighth trouncing in 10 tries this term.

Actually, White Plains is not the best team the locals have encountered this season but Mamaroneck certainly had every opportunity to fashion an upset. Though the Plainsmen were having a dreary evening in every department, Mamaroneck was just a bit more ragged and folded completely after a somewhat valiant effort to stick close. The halftime count was 30-29 but the host quintet pulled out into a 45-30 margin through its third-stanza efforts and poured 24 markers through the cords in the final chukker to win in a virtual breeze. The best MHS production was compiled in the first period when they only trailed by 16-15, but they collected only eight in the second session, dipped to seven in the third and somehow managed to bag nine in the final stanza, when most of the bored spectators were well on their way home.

Plainsmen Sets Hurt

The contest's top point-maker was Chuck Young, the All-County gridder, who turned out to be a pretty fair outside set and jump shot artist. The five-six, 155-pounder threw in eight of the first 12 Plains points and his total settled at 12. Dean Loucks, the coach's son who incidentally didn't really show much, tallied 11 and Howie Bratches notched an even 10 by burning the hoop with short sets.

Mamaroneck might have zipped off to a lead at the outset if the Loucsmen hadn't been so cold on their set-shooting. Baskets by Bobby Rex and Dave Cvaniga, and a pair of drives by Jerry Carino pushed the visiting unit on top, 9-6. Then the teams traded goals from there on in, the whistle ending the first session, with Larry Collins lofting a hook shot and Furman a gift set in that order, making it a 16-15 tussle.

Furman, an erratic guard who isn't at all bashful about heaving the leather, flipped three straight two-pointers immediately following the second-quarter tap and a volley of sets by Braches helped the Plainsmen move in front by seven, a spread they held at the rest period.

The varsity outcome made 15 win-defeats for MHS, since the Junior Varsity corps had been drubbed, 43-28, in the prelim.

Larchmont LWV Opens Drive For $600 To Continue Program

The annual finance drive of the League of Women Voters of Larchmont, seeking a goal of $600 to continue its program of education and information, opened yesterday with a briefing and send-off meeting at the home of Mrs. G. Edwin Stewart, finance drive chairman, 2 Highway Way, Larchmont.

Mrs. Stewart welcomed members of teams participating in the drive and introduced Mrs. Elmar Anderson. Voters Service chairman for the New York State League, who has served as Westchester County LWV treasurer and has conducted many finance drives for the Mamaroneck LWV of which she is a member.

Reviewing the history of the League of Women Voters, she noted that membership is open to "all women who are interested in furthering good government." Since the due are kept low, at $3 a year, a finance drive is necessary in order to meet the expenses involved not only in supporting county, state and national leagues, she said, but to permit the local league to continue its practice of preparing and printing timely leaflets and folders informing the public of current legislation measures, including the Voters Guide and Citizens Calendar. Last year's Larchmont LWV project, the "Know Your Town" booklet, was enthusiastically received.

Of primary importance in a finance drive, Mrs. Anderson stressed, are a list of prospects and a team of solicitors. Assisting Mrs. Stewart in the current drive are Mrs. Louis Palzer, secretary, and Mrs. Howard Praeger, Mrs. Budd Lytton, Mrs. Robert S. Goldsmith and Mrs. David P. Hummel, team captains.

Methods of procedure in conducting the drive were discussed last week at a workers' meeting at Mrs. Stewart's home, where kits containing League material were distributed.

Members serving on Mrs. Praeger's team are Mrs. J. E. Barmack, Mrs. Isidor Greenwald, Mrs. John E. Woodbridge, Mrs. H. O. Walton, Mrs. Edward Helwig and Mrs. Harry V. Knowles. Mrs. Lytton's team is composed of Mrs. Martin Buck, Mrs. Lincoln Paige, Mrs. Lionel Robbins, Miss Katherine McCahill, Mrs. Jacob Windheim and Mrs. Bernard Stein.

Mrs. Hummel's team includes Mrs. Charles Strauss, Mrs. Robert E. White, Mrs. Charles F. Mitten, Mrs. John E. Rhodes, Mrs. Thomas Farrell and Mrs. Charles W. Dammann.

Assisting Mrs. Goldsmith on her team are Mrs. Jerome Aron, Mrs. Casper J. Fishback, Mrs. Samuel Gotdieb, Mrs. Adolph La Faro, Jr., Mrs. Harold Sherman and Mrs. Price H. Topping.

Mrs. Curt A. Heuser, chairman of the telephone committee, is assisted by Mrs. C. James Greenleaf, Mrs. Maurice Austin, Mrs. H. Craig Anderson, Mrs. W. B. Ketcham, Miss Eva Martv. Mrs. E. P. Meehan, Mrs. N. Richard Hyman, Mrs. Walden, Mrs. Ernest Ottenberger and Miss Augusta White.

At the close of the meeting, refreshments were served by the hostess. Presiding at the tea table was Mrs. Thomas J. Morrison Jr., president of the Larchmont League.

Pre-War Korea Is Pictured For Club's Current Events Day

"A Pictorial Story of Pre-War Korea" was the title of yesterday's Current Events program given for the Woman's Club of Avenue Church house by James P. Lockard Jr. of Scarsdale, former lieutenant in the U. S. Army who served in the Military Government during the occupation of Korea in 1945 and 1946.

By means of a series of Kodachrome color films, Mr. Lockard brought to the February Current Events program a picture of a "Korea we may never see again" a picturesque, mountainous country peopled, pre-war, with citizens of "beautiful spirit who loved the beautiful" and happy, unusually attractive children.

Mr. Lockard's scenic trip through Korea offered a pictorial representation of the farmers at work tilling the rice paddies and the wheat fields, their gay celebrations following the harvest, traditional Sunday parades in the parks during the Spring season in the cities, Korea's harbours, temples and mountains.

Many of the pictures contrasted Oriental and western buildings as well as the modern and the old types in Seoul. Oriental pageantry was displayed in pictures of a Buddhist funeral, and others showed the police in modern dress. On the streets, Mr. Lockard said, it is considered daring for women to appear in western dress.

Some of Mr. Lockard's most prized pictures showed the floral beauty of Korea, with the wheat bursting into bloom, cherry, pear and peach trees in profusion especially around the religious shrines, and some of the most outstanding were of purple iris and yellow forsythia.

In his commentary, accompanying the films, Mr. Lockard spoke of the devastation of seven and a half months of war. He reviewed the "long and proud history" of Korea which he said was distinct from that of Japan and China, a history of many invasions and of a world peace, economically and politically to China.

The barbarians settled in the North, the guest speaker pointed out, with the more progressive and civilized types settling in the South, which he noted has been usually successful in winning civil wars.

During the last 50 years the Japanese have dominated Korea he went on, giving historical details of the country. Mr. Lockard emphasized that during the present Korean war, Russia indoctrinated the Koreans with communism through propaganda and intelligence.

Mr. Lockard, who was introduced by Mrs. George E. Gymous, program chairman, conducted a question period following his talk and film presentation.

Preceding the program, Mrs. C. Benjamin Brush, Woman's Club representative on the Larchmont Civilian Defense Committee, outlined the plans of Civilian Defense and spoke of the need for volunteers.

Albert S. Otto Will Speak On U.N. Agency

Albert Stuart Otto, lecturer and traveler, will address a meeting of the Women's Society of Christian Service of the Mamaroneck Methodist Church Tuesday at the church house.

He will discuss the functions, accomplishments and problems of the World Health Organization, a specialized agency of the United Nations.

A resident of Santa Monica, Calif., Mr. Otto is at present on an extended national tour, lecturing to colleges, schools, clubs, lodges, forums, town halls and conventions. He is also an author and journalist, and a regular contributor to numerous magazines and newspapers.

An ardent advocate of the United Nations as an ultimate instrument for world peace, Mr. Otto has been active in various civic organizations in California including Red Cross, Boy Scouts, Community Chest and YMCA. He is a past-president of the Santa Monica Bay Optimist Club, a former director of the Junior Chamber of Commerce and of the Santa Monica Symphony Orchestra, of which the celebrated composer, Ferde Grofe, is conductor.

Last year Mr. Otto was named by the Santa Monica Evening Outlook one of ten outstanding alumni of the local high school. Others on the list included screen stars Glenn Ford, Joan Blondell, Gail Russell and Leo Carillo, as well as musical celebrities Ken Darby and Roy Ringwald.

Mrs. Isabella W. Cuckling will be in charge of the meeting.

Greenhouse, Noted Cellist, To Be Soloist

Bernard Greenhouse, noted young American cellist, who will appear as soloist with the New Rochelle Symphony on Saturday night Feb. 17, in New Rochelle High School auditorium, has had the rare good fortune to develop his talent under the guidance of Pablo Casals, world famous cellist.

Prior to studying with Casals, Greenhouse received a fellowship at the Juilliard School of Music. During World War II Greenhouse served with the United States Navy and, among other duties, played 14 concerts with the United States Navy Orchestra.

In 1946, he cabled Casals to inquire if it would be possible for the great Spanish master to give him an audition. At that time, Casals was in retirement in southern France and unaccessible to most artists. However, he did reply to Mr. Greenhouse saying that he would willingly hear him if the artist would donate $50 to Spanish charity. So Casals heard Greenhouse and immediately invited him to study. Upon taking his leave from Casals six months later, the great cellist wrote the following: "Bernard Greenhouse is not only a remarkable cellist but, what I esteem more, a dignified artist."

When Mr. Greenhouse appears with the symphony, he will perform on his priceless Stradivarious. Built in 1684, this instrument is one of the few remaining examples, in perfect repair, by the famous Italian instrument maker. Known as the "Visconti Cello, it was owned by the Italian family of that name and bears their crest. The Gunn family of Boston brought this Stradivarius to America in 1903 and Mr. Greenhouse bought it from them in 1949.

Parents Assist At Junior High 'Open House'

Games and dancing were features of the "open house" held last night at Mamaroneck Junior High School under the auspices of the recreation committee of the Junior High Parent-Teacher Association.

Dancing in the music room was supervised by Mr. and Mrs. R.M. Legette, Mr. and Mrs. Edward J. Dettmer and Mrs. Russ V. McIntire. Adolph *Goodlife directed* basketball games in the boys' gymnasium and Mrs. R. V. Miglaccio and Mrs. Herman Schiller were in charge of badminton games in the girls' gymnasium. Anthony Molfiense served as timekeeper and scorekeeper.

Mrs. C. H. Pierce and Mrs. Joseph Corrigan directed games played in classrooms.

The evening was arranged by Mrs. William C. Johnson, Mrs. James Broderick and Albert Earl of the "open house" committee, assisted by a student committee composed of Joseph Brice, Sal Margaglietta and Anthony Mangone, with Nino Mocerosne and Foey Datino as student co-chairmen.

Also attending were Mrs. Edward P. Helwig, member of the Board of Education; Mrs. Alvin Dreyer, Mrs. Paul W. Stearns, Mrs. Jacob Young and Mrs. Roy Zimmerman. PTA members Dr. Helen Halter Long, school principal and Robert W. Gingrich, dean of boys.

Women's Role Is Analyzed

Women in business should use their feminine understanding, intuition and capacity for love with their fellow workers as the mother does with the child at home, Miss Marion Sheehan, trade publication editor, told the Ursuline School, *New Rochelle*, Alumnae last night in Wykagyl Country Club, New Rochelle. It was the group's annual general meeting.

Miss Sheehan, emphasizing that woman was created to be man's helpmate and "nature's trustee to develop love", said a difficulty among modern women is their psychological copying of men by which they are losing their femininess. Married and single women are alike by ethein "spiritual motherhood", Miss Sheehan continued, and the business women should use her feminine characteristics at work instead of aping man's nature of leadership and aggressiveness. "Woman was created to be the complement of man", the speaker reminded.

Plans were discussed for a Day of Recollection to be held next month at the school.

Siren Test

(Continued from Page 1)

the general public is was criticized by many people who told the Westchester newspapers that they did not hear the horns.

There were reports that if you were in your home with a radio, washing machine or vacuum turned on, you would not hear the sirens. Some people heard the all clear, only when they went outdoors. Others who were out in their cars reported they did not hear the alarms unless they stopped with the car windows open.

Parkway Police Chief William Slater sent a detail of 35 officers to points scattered from the Bronx to the Putnam line. The reports of these men, now in the hands of Mr. Chase, indicated spotty effectiveness of the alarms.

Pleasantville, Bronxville and Tuckahoe were among the few communities that seemed pleased with the results of the test. In Scarsdale the alarm was barely audible, in Hartsdale it was quiet and in parts of Dobbs Ferry it could not be heard. The results were worse upcounty. White Plains and New Rochelle did not participate due to nondelivery of horns, and Rye City held only a partial test because of lack of air pressure.

Mamaroneck joined the remainder of Westchester County with the exception of New Rochelle and White Plains Saturday in the first tests of the civil Defense air raid warning system.

Sirens were sounded for a red alert at 12:21 P. M. when a teletype message was received from the White Plains Air Raid Warning Center. The white signal was received by teletype at 12:44 P. M. and the all clear was soundcd.

Messages from the Town of Mamaroneck on both alerts were recieved at 12:27 and at 12:46 P. M. respectively.

POST ROAD CRASH HURTS 4 PERSONS

Four persons were injured in Larchmont Sunday at 1:13 A. M. as a 1939 sedan driven west on the Boston Post Road by Daniel J. Daley, of 5 Clinton Place, New Rochelle, crashed into the rear of a 1935 sedan operated by Hyman Zazer of the Bronx. Zazer, who said he had stopped for a red traffic light at Beach Avenue, was also headed west.

Anna Rodriquez of the Bronx, a passenger in Zazer's car, suffered an abrasion of the left eye and was treated by a local physician at the scene. Annell Vergas, also of the Bronx and a passenger in the Zazer car, complained of an injured back but did not request medical attention.

Y. R. Gippon of 20 Bonnett Avenue, Larchmont, a passenger in Daley's car, was treated for a cut under the chin and Daley for a cut on the forehead. The rear end of Zazer's sedan was pushed in and the front end of Daley's car was badly damaged. The Daley auto was towed to a nearby garage.

Three-year-old Bridget O'Grady was treated for shock and a bruised right knee at New Rochelle Hospital Sunday after a station wagon driven by her father, Francis X. O'Grady of 70 McDougal Drive, North White Plains, was struck by a 1938 convertible on Palmer Avenue near Chatsworth Avenue, Larchmont, at 3:50 P. M.

Both O'Grady and Mrs. Marie De Ponce of 204 Battle Avenue, White Plains, driver of the convertible, told Larchmont police he attempted to avoid the car in front of O'Grady moved forward on a green light at Chatsworth and then stopped suddenly forcing O'Grady to slam on his brakes to prevent a collision. Mrs. De Ponce's auto crashed into the rear of O'Grady's vehicle. All cars were heading west on Palmer at the time of the accident.

The rear gravel apron of O'Grady's station wagon was damaged and the front grill, right-headlight, both foglights and the right front fender of the De Ponce convertible were damaged.

At 6:30 A. M. a Larchmont Village garbage truck, driven by Frank Serra of 5 Franklin Avenue, New Rochelle, backed into a 1950 sedan parked *by its owner*, H. W. Grossman, in front of his home at 10 Wakeman Place, Larchmont.

Serra told police he was backing out of Wakeman Place, a dead end street near Larchmont Avenue, when he skidded on a patch of ice, striking and damaging the left side of the Grossman car. The right rear fender of the garbage truck was also damaged.

named honorary mayor of Larchmont; James McCauley of Troop 8, police chief; Lincoln Stulik of Troop 7, fire chief; and Joseph Miller of Troop 3, village engineer.

A tour of the village departments was conducted by Village Engineer Arthur Richards, fire commissioner George Gibbs and Police Chief William J. Keresey.

A similar tour was made of the Mamaroneck Town offices as Graham Best assumed the duties of the supervisor; Robert Baumgartner served as police chief; Richard Dannay as Fire Chief; and Allen Togut as engineer.

George A. Milliot Jr., a committeeman of Troop Three, Mamaroneck Boy Scouts, was honored Sunday when he received the Bronze Pelican Award, Catholic recognition for a layman's outstanding work and devotion to scouting.

The award was made at St. Patrick's Cathedral in New York City and was presented in the name of Francis Cardinal Spellman.

At the same time seven representatives of Troop Three which is sponsored by Holy Trinity Church received the Altare Dei Award for excellence in Catholic Scouting and for the fulfillment of certain other requirements demanded by the church.

Larchmont Cub Pack 1 had the best junior window display during Scout Week according to Senator Ernest Hutcheson, Jr., and Leonard Ericson who acted as official judges for this inter-pack competition. The winning Pack is sponsored by the Murray Avenue School Parent-Teacher Association and had its display at the Empire Cleaners on Palmer Avenue, Larchmont.

Separate contests were held among the Cub Packs and Scout Troops to determine the best displays. Scout Troop 4 won in its group as announced at the recent Father and Son Dinner by the same committee of judges.

George Mitchell is chairman of the Cub Pack 1 Committee and F. Michler Bishop is Cub Master. The Den Mothers are Mrs. Jerome Warden and Mrs. Eric Roberts.

2 Eagle Scouts, Silver Palm Top Honors At Annual Dinner

Bailey Livesey and Alvah R. Small, both members of Troop Two, Mamaroneck Boy Scouts, were advanced to Eagle Rank, scouting's highest honor, last night as the Mamaroneck District climaxed the celebration of Boy Scout week with a Father and Son dinner and Court of Honor at St. Thomas's Parish House.

Others signally honored at the Court were Donald Scherwatzky, also of Troop Two, who received an Eagle Silver Palm, and seven scout leaders who were presented veteran scouter awards. These included Everett Houghton and William Glaser, honored for 25 years; service; Carmine Rich, 20 years; Lewis Annis and Perry Andrews, 15 years; and Charles Goliath and Philip Rigano, ten years.

The Court of Honor was won by Troop Four under the leadership of James Vitti, scoutmaster. The Troop Cup for the winning troop was presented by Commissioner William Glaser.

Judge Henry T. Homidge presented prizes to Troops One and Two for the best window displays exhibited during scout week in various village store windows. Troop One won a cash prize for its Indian scene in Gunn Brothers Window and Troop Two won a pen and pencil set for camping scenes in the old Best and Co. building window. The latter prize was offered by Berner's Jewelry.

Philip Wagner, executive of Siwanoy Council, complimented the Mamaroneck District for the increase in boy participation in scouting during the last year during which more than 100 additional boys have been enrolled in the movement. He presented a plaque to Mr. Glaser in recognition of the achievement.

Russell G. Pelton, Mamaroneck Council, vice-president, was master of ceremonies and Alvah R. Small Jr., advancement chairman, presided at the court of honor.

Guests included Mayor Edwin B. Dooley of Mamaroneck, Claude Latimer, village engineer, who represented William H. Johnson, village manager, Charles Juller, and John Saunders.

The dinner preceding the Court of Honor was served by Mamaroneck Girl Scouts under the direction of Mrs. Glaser and Mrs. Howard MacMichael.

Scouts advanced during the Court of Honor were:

Russians

are "vigorous, numerous and ignorant".

"Russia appears to be moving from strength although its foundations are shaky", he declared. "It is the people who must pay for their ignorance if their country plunges them into a war."

There are two aspects of the Russian pattern in addition to the physical, Mr. Dinsmore stated: the moral and mental aspects. Referring to the moral aspect, he stated that Russia has captured the world "Communism" until it is now defined as a person of any nationality who is loyal to the Russian government. That moral phase of the conflict has been so effective in France and Italy as to endorse their forms of government, he added. The mental war he described as spreading confusion among other peoples, principally China.

Pointing out that the war communiques originate in Moscow, Mr. Dinsmore declared that the China of the Peiping government has nothing to gain in Korea and could well be using their resources to build up their own government.

"Could it be," Mr. Dinsmore asked, "that Russia does not want her junior partners in China to be too strong?"

The Chinese he considers dupes of a Soviet foreign policy "that means only ruin for them."

Mr. Dinsmore spoke against the recognition by the United States of the Peiping government, stating that we would be "buying a pig in a poke." To recognize the government which is killing our soldiers in Korea he termed "a step toward dishonor and surrender."

He stressed the fact that Russia has a stake both in Europe and Asia and stated that any war Russia wages will be on two fronts.

If there is hope for the future, he stated, it is in the awakening of the Russian people. "If it could be brought home to them that their government has lost the sympathy of the world, there might be some hope," he concluded, "but the government keeps them in ignorance."

Mr. Dinsmore was introduced by Ivan Flood, a member of the Program Committee. Written by MacDonald Jr., chairman, presented Mayor Edwin B. Dooley. A musical program was presented by Sol Nemkov, violinist, accompanied by Miss Suzanne Dufault. The Forum followed a candlelight supper served by the Woolcraft Service Guild.

Glass Door Hits Model; Sues Bank for $275,000

NEW YORK, (AP)—A pretty model who said she came out second best in an encounter with a glass door has sued the Pennsylvania Exchange Bank for $275,000.

Royal Whitaker, twenty, said yesterday in a suit filed in Supreme Court that the bank's door was so highly polished that she did not see it.

The result, she said, was a broken nose, a pair of black eyes subsequent dizzy spells, and general damage to her career.

ring the gun pointed toward the floor. Miss Sack was about 11 feet away with her back to him when he pulled the trigger, Gundy continued, and some of the powder and wadding struck Miss Sack in the leg.

After the wound was washed and bound the four young people danced for about an hour until George's parents, Mr. and Mrs. Edward Gundy arrived about 1 A. M., and George obtained permission to drive his companions home.

The next day at 1 P. M. Miss Sack reported to a local physician's office for treatment. There were about 250 to 300 shots of black powder imbedded in the calf of her left leg covering an area of three inches by eight inches. Miss Sack was released and advised to return for further treatment.

Young Gundy told police he purchased a .177 caliber air pistol from a Toronto, Canada, friend for $5 during the Christmas holidays. Last Thursday, he stated, he traded it for the old muzzle loader at the Numrich Gun Shop on Halstead Avenue in Mamaroneck.

Three Skippers In Tight Battle For Mid-Winter Dinghy Title

Romagna Cops Holiday Event After DeCoppet Wins Sunday

Breaking the monopoly which Larchmont Yacht Club's "Big Four" of Winter dinghy racing have held since the start of the current campaign, Vic Romagna sailed his sleek Dinghy "Jenny IV" through yesterday's holiday regatta to a winning total of 108 points. Every previous racing program, including the one captured by defending titlist Bobby DeCoppet on Sunday, had gone to one of the major title contenders, who are Art Knapp, Corny Shields, DeCoppet and Jack Suthpen. With Shields, Knapp and DeCoppet bunched in a close battle for honors in the Mid-Winter series, next Sunday's final regatta will determine the championship.

On Sunday DeCoppet gave a masterful skippering performance in piling up 175 out of a possible 180 points to stay in the title-chase. Sailing his Zotom with wife Gladys as crew, Bobby capped three races in succession after finishing third twice to shade Knapp by four points in the final tabulation. Knapp had won the previous two regattas, while the defending series and season champion had not prevailed in any program prior to Sunday's although ranking runner-up twice.

Behind Knapp's Agony in the Sabbath regatta was Corny Shields, who piloted his Dainty to the front of the pack once and wound up with 169 markers. Suthpen, who had his nine-year old son, John, as crew for the final time, picked up 156 points after taking the first race when the breeze was light from the southeast. The fleet of 22 had a short wait before a fresh southerly came which held up for the rest of the afternoon.

Although Romagna forged to the front of yesterday's fleet with a six-point edge, the three ye skippers were just a bit off the pace — DeCoppet nabbing 102, Knapp 101 and Shields an even 100.

Fleet Sidelines

Romagna's victory was a proper celebration of his ascension to fatherhood — Mrs. Romagna having given birth to a daughter on Saturday. . . Vic's crew was young Geoff Stokes, who performed before his mother and dad, race committeeman Bill Stokes, for the first time. The Stokes were aboard the temporary committee-boat "Little Scorpion's Club." . . . Shields captured three of the contests yesterday with young Pal O'Neal aboard. He hit the committee boat at the start of the first race and was obliged to withdraw, thus costing him a chance to end up in second place on the day. . . On Sunday, two guest skippers turned in good performances. Alfie Keeshan piloted J. Burr Jenkins' Jigger, earned fifth position with 155 markers. Jenkins, recently hospitalized, looked on from the clubhouse. The other "visitor" was Commodore Joseph Monetti of Manhasset Bay Y.C., who took the tiller of Robert Heinl's Sea Deuce and placed seventh, five points back of Titanic, captained by another new dad Howie Waldron. . . Mrs. Jean Suthpen sailed with Miss Peg Hornidge in Sam Sutter's Two Below since her son was serving with his father. *The all-girl crew could only tie for* 15th.

The two-days summary:

Temple Israel Maintains Pace In Church Basketball League

Temple Israel maintained its pace in the YMCA-Kiwanis Church Basketball League by beating First Presbyterian, 45-22, Saturday at the Huguenot YMCA. Nunes led Temple with 15 points. It was the 10th victory in 11 games for Temple.

Second-place First Methodist turned back Trinity Episcopal, 41-30, although Proudian of the losers was high scorer with 16 points. First Methodist has lost two of 11 games. Behind the two top teams, four teams are tied for third place.

Larchmont Avenue Presbyterian downed Salem Baptist, 30-24, with O'Brien getting 16 points.

St. Luke's Lutheran defeated Holy Trinity, 41-24, behind a 25-point barrage by Skillen.

North Avenue Presbyterian stopped St. John's Methodist, 38-24, led by Jolley with 13 points.

St. Augustine had no trouble with Larchmont Temple, 39-13, as Murphy tallied 16 points. The scoring:

Local Women Annex Laurels As County Pin Tourney Opens

PORT CHESTER—

Records weren't even shaken over the weekend as 48 teams competed at OPG alleys here in opening phase of the Westchester Woman's Bowling Association's fifth annual championship tournament. Team competition accounted the first two days and will highlight next week's program, with doubles and singles events scheduled for the following weekend.

Mamaroneckites of Mamaroneck captained by Desca Van Hensen, went to the head of the class in the five-woman bowling rolling a 2,373 which grew to 2,907 with addition of a 534-pin handicap. The 2,373, however, was far below the high mark of 2,445 posted last year by the Westchester Rec Five of Port Chester when tourney officials decided to figure titles by gross numbers.

Minus handicaps, the teams lined up with Mamaronettes on top with 2,373, trailed by Bramley's, 2,367; Supremes of New Rochelle, 2,337; Rogers of New Rochelle, 2,287; Hills of Mount Vernon, 2,269, and White's of Bronxville, 2,227.

Doris Robinson of Bramley's captained the individual three-game figuring with 212-183-177—572, and her first game was tops for single-game performances. Rusann's of Port Chester led teams in high single game with 815-195—1,010.

Cyclones Cop Close One In Jr. Rec Slate

In the tightest Junior Rec basketball tussle at Mamaroneck Avenue School last night the contending Cyclones nipped the Royals, 34-33 while the Lucky Seven garnered an 18-14 verdict and the Strawberry Five notched a 30-21 win in the other contests on the triple-header program.

Leading point-getter in the first fray was Carter of the Cyclones who poured in 15, as compared to 12 for Spellman of the Shaded Royals. Bianco, another Royal, tallied 11 and Bisgard hit for 10 of the Cyclones markers.

Calvini of the Strawberry Five became the night's top tally man when he tossed 18 of his team's points through the cords, pitting nine of the 14 goals dunked by the Strawberry quintet.

DEADLOCK FOR FIRST IN BOWLETTE LEAGUE

Bowlette League shutouts were racked up by the Palmers and Feed Bags during last night's alley tilts at the Mamaroneck Rec as the hectic ladies wound through holiday matches. The pair of 2-1 decisions went in favor of the Realettes and Mortleans, the latter missing a shutout in the final game by four pins.

Series glory went to P. Young of the Feed Bags who socked 523 timbers off their moorings, while Dot Glad battered 511. C. Van Heusen 510, Midge Lorenzen 506 and Flora Lanza an even 500. AnneKing chalked marks for the best single game was Herbert of the Realettes who missed a 200 game by exactly one single, and edged out Van Heusen for top honors by the same margin.

As a result of their sweep last night, the Palmers vaulted into a tie for first place with the idle Bowlettes, the loop's first deadlock in months.

Trotters Trip Comets In Local Court Clash

The Globetrotters got off to a fast start and stayed out front all the way in outdusting the Comets, 38-31 late last week at Murray Avenue School Gym. Although the winners established superiority on field goals, the Comets could have won the game at the foul line. They converted only four of 16 while the Trotters mesthed two of four.

Peterson of the Trotters was top pointsman with 10 while DeBarlolo meshed 12 and Phillips chipped in with 11. That trio accounted for all of the Trotter markers while the Comets were paced by Shimkin's 10 and nine from Braddock.

DOUBLE FEATURE IN CENTER RING

WHITE PLAINS—

Irish Billy Murphy, Brooklyn lightweight clashes with Luis Ramos of Puerto Rico and Roman Alvarez, veteran welterweight of New York City trades punches with Andy Viserto of the Bronx, in two feature eight-round bouts tonight at the County Center.

Murphy looked impressive in a recent Garden bout when he knocked out Joey Scarlota. The Brooklyn youngster faces an experienced foe in the rugged Ramos, who has held his own against Sandy Saddler and Willie Pep.

Alvarez, who has been out of ring action for about 18 months, has picked no easy one for his initial comeback start. Viserto is considered one of the best action fighters in the ring today and proved it by two recent Garden brawls against Joey Atria and Sammy Guttlieri.

A special bout of six rounds will bring tosether Johnny Lombardo from Mount Carmel, Pa., and Pete Adams, Newark, N. J. middleweight.

Three four-rounders will pit Jimmy Sullivan of Boston, Mass., vs. Mickey Zezza of the Bronx; Vinnie Vingo of the Bronx vs. Johnny Horan of New York City.

Dunagrees Take Sweep In Junior Pin Action

Blanked a week before when only two of their men were available for a match, the Dunagrees turned on a bowling shutout heat of their own Saturday in sweeping three from the No. 1 Luckies at the Mamaroneck Rec.

High individual single of 162 was posted by Rose of the losing alley unit while Holton of the Dunagrees demolished 436 timbers for top series. Rose was just one pin off that pace with Lemon of the winners ranking third.

CONOVER YACHT IN MIAMI RACE

MIAMI, Fla. (AP)—Seventeen sailing yachts, ranging from the majestic 72-foot Ticonderoga to the trim 32-foot Larry, point their bows into the Atlantic this afternoon for the 184-mile Miami to Nassau, Bahamas, race.

A spanking 15 to 18 mile an hour east to northeast breeze and fair skies have been forecast for the 13th annual deep sea test for vessels and skippers.

Two former winners, Revenge skippered by Harvey Conover of Larchmont, N. Y., and Clelon owned by Alfonso Gomez-Mena of Havana, Cuba, head the fleet of ocean-going yachts.

Ticonderoga, owned by Allen Carlisle of Miami but chartered by Charles Granville of Wilton Conn., is the scratch boat in the handicap test and all time allowances are computed on the 72-foot ketch's speed. The craft holds the elapsed time record of 19 hours, 56 minutes, 30 seconds set in 1940.

Conover won the Miami - Nassau race in 1947 and Gomez-Mena captured the trophy in 1948. For the first time in several seasons, Blitzen, owned by Murray Knapp of Detroit, Mich., will not be among the competitors. Knapp won the test two consecutive years—1949 and 1950.

Craft of 40 to 60 feet in length are Class A; yachts of 40 feet or less are Class B.

MRC Defeats Beaver Squad

Beaver Rifle Club became the latest victim of the undefeated Mamaroneck Rifle Club team when the locals chalked up a decisive 1152-1080 triumph last night at the Harlow Station Range in the Bronx.

Mamaroneck's Almin' Otto Kolb turned in a 244 card to once again spark a MRC victory while Rudy Helland posted a runner-up 241. Beres Proctor took the third spot on a 231 and Art Weller hit the targets for 227 points. Kolb gained the number one spot by hitting perfect scores in the prone and kneeling shots, dropped only one in the sitting position and then banged out 84 of a possible 100 in the difficult off-hand firing. Helland went into the off-hand section tied with Kolb but was able to get 93.

Best of the losing team members was Pat Sarnelli at 236 and the rest of the Beaver high-five ranked between 2-10 and 220.

Mamaroneck meets the Sycamore Club's rifiers next Monday night at the Mount Vernon Range.

Panther Hoop Squad Set To Rip Up Cards; Roosevelt At MHS

While Bellows is getting in the *right frame of mind* to tear up the Blessed Sacrament Cards tonight, Mamaroneck High's battered cage Tigers will be at home looking down the muzzle of the Roosevelt court guns that shelled Yonkers out of the unbeaten class. The sagging MHS forces are expected to take their ninth lathering in 11 tilts this season while *Jack Hasley's Panthers figure* to be a little too polished for Sacrament to handle.

Bellows slammed a 62-37 tally down the throats of the Cards when the teams met last December but, though beaten several times, Sacrament can be tough on occasions. Just two weeks ago New Rochelle lads rose up and surprised Harrison, 47-37, and they have a two-game win skein going at the present time that neither Coach Ralph Priedjen nor his eagers are anxious to have snapped. The last time out Sacrament trimmed weak Salesian, 44-33.

The Panther-Card fray is hooked for the huge Iona College gym and there actually is no reason why the Rye Neck quintet should not repeat. Sacrament has no pronounced height and what they do have didn't look very formidable two months ago. Bill Orman, Jack Murray and Tom McEvoy are the main Sacrament sparks and, under ordinary circumstances, none of them compare with Ed Petrie, Ken Dellner, Frank Pokorny and the rest of the rising Panther pack.

Woe In Tigerland

Mamaroneck is having another of those dreary cage seasons that have become so numerous in Tigertown that they are anticipated In being humbled by a White Plains quintet that was far from good itself, the Orange and Black reached their seasonal low ebb and to date they have been skinned eight times as compared to two wins against extremely weak teams.

In Roosevelt, there is no relief in sight for the Tigers. Roosevelt is improving rapidly as evidenced by the 48-47 thrilling win over Les Beck's Yonkers squad. Coach Joe Seidell's unit has captured seven of 10 tries, losing only to the Plainsmen, New Rochelle, Gorton, all early in the campaign. Their offensive strength comes from Ralph Blaswitz, a driving-type ball player, center Bill Pirsenberg, and forward Jerry Fishman.

Thus, unless Mamaroneck comes up with a brand of ball about 100 per cent better than has been displayed of late, tomorrow's report will probably list a split for the local scholastic hoop scene

Bellows Crushes Cards, 69-34; MHS Blows Big Lead, Bows 72-66

Panthers Rack Up Number 9 As Petrie Pumps 28 Points

Bellows dumped Blessed Sacrament off the deep end last night, pulverizing the Cards, 69-34 before a slim crowd at Iona College Gym to rack up their peak point production of the campaign. It was the ninth success and their easiest — for the Panthers, who now point toward their important league skirmish at Harrison Friday night.

Last night's encounter was one that Bellows coach Jack Hasley wanted sealed up early, although he was ever conscious of Sacrament's upset potential. The Panther skipper started his deluxe eager Eddie "Nick" Petrie despite a very recent case of pinkeye, and had Ken Dellner in the bucket, though he too had just jumped off the sick list. Petrie wasted no time in ruining any *dreams the Cards had of* evening their 63-27 setback at the hands of Bellows last December. When the first period was over the pride of Rye Neck had flipped six goals on seven shots for 12 personal points and the *Bellions were riding the crest of* an 18-8 bulge. The halftime tally was 36-18 and the gap widened still further as the tilt progressed.

When the contest — to use a term loosely — was over, the Panther Pistol had 28 markers to his credit, Frank Pokorny *owned 16* and Dellner, who was rested after doling a good job in the first half, wound up with 10. Petrie's season tally-total is now 301, a bit more than 25 per outing, and he's rapidly bearing down on his 1950 record of 326 points.

Cards In Wrong Gym

Sacrament was outclassed almost from the start, and at no time were they able to keep the ball moving swiftly enough to penetrate the Bellows zone. The Cards found the hoop for only 12 goals out of 48 field shots while Bellows, having a fairly good night, looped 29 on 59 tosses for a 49 per cent average. That's as good as even perfectionist Hasley can expect out of his charges.

A jump shot and drive in gave Petrie two goals after Dellner's foul for a 5-0 Bellows margin before Lou Tedeschi broke the ice for the Cards. Three minutes later Pokorny dropped a jump-shot through the net and Petrie jumped two sets from the side to establish a 12-3 lead. Sacrament only broke in at long intravals with goals and, when Dellner and Petrie poured *jump shots from the* keynote area, the Bellons were riding high, 18-8.

After slashing in for a back-handed layup at the very outset of the second canto, the Rye Neck quintet's ace went into a playmaking mood for a while *until* he hit with a tap-in and short set and Angie Evangelista teamed with Pokorny to handle most of the tallying the rest of the third session, which ended with the Panthers cursing along, 51-32.

Sacrament operated minus the services of its best playmaker, Jack Murray, who is sidelined with an injury . . . Petrie's 13 field goals came after only 24 attempts at the rim . . . Sacrament Coach Ralph Prendergen, burdened with *four major coaching assignments,* stood up under the landslide very well.

Gaff and Gun

By FRED LUKS
Hunting and Fishing Editor

Frigid February is a time suited for "talking musquash," which is north country jargon for converse about fur bearing animals. Peltries are at a profitable high this year and muskrat trappers are reporting good catches despite ice-clogged waters. Some ebony-colored "rats" are being taken which do not resemble woodsmen, is a good omen and a sign of muskrat superabundance.

Furbearers would seem to provide a timely topic of conversation then, but interestingly enough, the mail these days reflects an apathy toward everything but fishing. A correspondent Peg Ferris Lange in White Plains, writes that he is only "a novice," but he thinks "trout-fishing is the greatest sport in the world."

It is evident is his smittyn with the speckled beauties, and time will bring him no surcease from this amour. If he wants proof of this he should look up a gent on the Neversink who has been a trout fisherman for 75 years! He never got over the thrill of catching the first Char.

"Where is a good place to go trout fishing?" asks our White Plains friend. Should we tell him—that wherever as much as a single trout is caught is a good place to go trout fishing? Or does he want us to tell him of a place where he can spend a day and do battle with the browns? *If so—the Saw Mill River should top the list of* short junkets. Would he be interested in a lake that contains nothing but trout? Reservoir, No. 3 is the name of that Shangri-la in New Rochelle. Another is Stillwater Pond on Taconic Parkway.

Does this new inductee to the clan mind spending a day at a lake where the activity is infrequent, but where he might hook into a record-brown or rainbow? Our suggestion is that he try Cross River, Croton Falls Reservoir, or *Rye and Kensico lakes. Gilead* and Gleneida in Putnam County also merit a try.

With these waters to start from, our Ferris Avenue friend should find some productive and pleasant sport. As time goes on, we will list other spots to cast a fly, come opening day in April.

Frank Graves, Al Glossman and Art Benser are also overcome by the torpor of these troutless days. I would gather from reading their poignant dispatches there is no greater thrill than to feel the smash of a rainbow against a slowly retrieved streamer-fly. There is none. Mr. Glossman is in particular sorry about this. He is worried about the size of the fish that the hatcheries will bring down this way in a few weeks. He is also worried about the quantity. It is quite clear. Rye and Kensico have him in a dither, too. Are they or are they not going to restock those lakes?

It is plain to see that the affliction caused by salmo fario or salmo fontinalis can be quite severe. There is nothing in a pharmacopoeia that will allay the pains, either. If there were, Mr. Glossman would find out about it because the members of the Hudson Valley Fish and Game Association tell me he has a long-standing acquaintance with herbs and potions and such.

If I assured fellow-angler Glossman that all his travails were in vain, I am afraid it would do no good.

The only cure will come April 14 when the first rainbow trout goes into the Glossman creel.

Art Benser wants to know—what does one do when "the law is on the trout?" Which is a poetic way of asking how does one while away the hours during the closed season. I might suggest joining a fly-tying group and fortifying the supply of floating patterns with some lethal patterns. If he should run across the "parachute fly," I would like to hear about its construction as it is one that reportedly did good work on the Esopus last year. The pattern is of a British origin, I understand.

Frank Graves relates he plans to go to Columbia County on opening day and wet a line at Bash Bish Brook. On the way back down he will spin the pretty Ten Mile River of Dutchess County fame and have some hours casting. This has been touring the waters of Westchester. They are all high, he reports. Croton outlet near the Hudson is fast and high like the days of old, we are informed.

This week's spot captured angler Graves' imagination, so much so that he spent an afternoon on the icy bluff looking at the silvery glistening stream below. As he stared, the trout seemed to be rising and striking at May flies. He fancied himself casting across the fast ripples and hooking an old rainbow trout . . .

MHS POOL SQUAD RIPS PEEKSKILL BY 54-12 SCORE

Letting only six of a possible 6- points slip away, Mamaroneck High School's thus far unstopped swimming team counted up the Huguenot YMCA Pool water yesterday for a landslide 54-12 victory over a weak Peekskill HI team. The victory was the fourth in succession for the Hilltop natators, who will face their first major test next Monday at Peekskill Military Academy.

Mamaroneck had five winners in six of the individual events and, with the outcome never in doubt, Coach Bob Hanna used the meet to experiment with his material. Charley Tretzger, Leo Van Dijk, Ronnie Hopps, Johnny Glover and Pete Goldsmith waltzed off with the five-point berths while both Orange relay units sped to leisurely triumphs. Peekskill's lone win came in the 50-yard free-style when Ray Ianarelli led the four-man field home. He personally accounted for two-thirds of his squad's tallies.

Jim Savage earned a pair of seconds for the victorious mermen while *Goldsmith*, Bob Deever and Tom Moorhead contributed runner-up points to their team's total. Hopps, Dave Meadow and John Peatman were on the medley relay combine whip Glover, Tretzer, Van Dijk and Kurtz were tried as freestyle foursome. Their time, just as in most other races, was unspectacular and was attributed to the lack of stern competition.

The summary:

50-Yard Freestyle — 1. Ianarelli (P), 2. Savage (M), 3. Peatman (M), Time —27.2.

100-Yard Breast Stroke — 1. Goldsmith (M), 2. Moorhead (M), 3. Dale (P), Time —1:21.

200-Yard Freestyle — Tretzger (M), 2. Deever (M), 3. Harvard (P), Time—2:27.

100-Yard Back Stroke — 1. Hopps (M), 2. Savage (M), 3. Kennedy (P), Time —1:20.

100-Yard Freestyle Relay — Won by Van Dijk, Kurtz, Furts (M). Time—58.2

Individual Medley — 1. Glover (M), 2. Goldsmith (M), 3. Tuttle (P). Time—1:45

100-Yard Medley Relay — Won by Mamaroneck (Hopps, Meadow, Peatman). Time—1:47.

200-Yard Freestyle Relay — Won by Mamaroneck (Glover, Tretzger, Van Dijk, Kurtz) Time — 1:51.

Puerto Ricans Shine In Center Ring Show

By GUIDO CRIBARI
WHITE PLAINS—

A ring show devoid of the spectacular but interesting enough, nevertheless, was viewed by the loyal followers of the cauliflower circuit at the County Center, last night. The card was feathered by a pair of eight-rounders in which a couple of poker-faced Puerto Ricans took the unanimous measure of New York opponents.

In one, the so-called headliner, dead-panned Luis Ramos, 133 3-4 of Puerto Rico outslugged bushy-haired Billy Murphy, 139 1-4, of Brooklyn in a give-and-take scrap. Ramos tossed rights from the inside and right to earn a surprisingly skimpy verdict over Murphy. The latter leveled his attack on Ramos' hardened features and got nowhere, while Luis picked his spots effectively to hack away at Murphy's reddened features at will.

From press row it looked like Ramos' fight going away. But *Referee Jack Appell and Judge* Joe Schecter each called it 4-4 and gave it to Ramos six points to five, while Judge Leo Birnbaum was more in the running with a 6-2 count for Ramos.

Viserto Not at His Best

In the *second eight*, expressionless Roman Alvarez, 139 1-2, jabbed out a unanimous decision over Andy Viserto, 140 1-2, of the Bronx. Viserto, who fought in infrequent spurts, tired noticeably as the bout progressed and was on the receiving end of a good left jab and right uppercut.

In the lone six-rounder, Pete Adams, 152 1-4, of Newark was gifted with a three-round TKO verdict over Jimmy Childs, 158 1-2, of Brooklyn when the latter pulled in at the end of the second round exhausted. Childs was a last minute substitution, having been notified of the fight at 6 P. M. after putting in a full day at work. He managed to outquits, even though his seconds insisted he carry on.

In the three bouts, Joey Klein, 147, of New York, hammered out a good win over Vinnie Vingo, 142 1-4, of the Bronx; Mickey Zerza, 131, despite a free-bleeding head wound, flattened Jimmy Sullivan, 134, of Boston in 0:54 seconds of the second round with a great right smash smack on the button, and Jimmy Monahan, 150 1-2, of the Bronx decisioned Frank Pisher, 147 1-4, of Mount Vernon in a pretty good scrap of prelim battlers.

Gaels Tackle Harlem Quint, Then Yonkers

Coming into town to battle the local Gaels at Mamaroneck Avenue School Gym tomorrow night will be the Harlem Metros, a quintet representing the Metropolitan Baptist Church. After finishing their home season with the Yonkers CYO. Thus, after setting a double-dose in one night and enjoying six days of rest, the locals go right back into the thick of cage warfare with two tilts in as many nights.

The Metros have a fine 10-2 season record and are expected to pose problems for the Gaels, although the Mamaroneck Avenue-based team will hold a height margin. It shapes up as a good match with the host quint sticking its 13-6 record on the line.

When they get to Yonkers on Saturday, the Gaels will be trying to gain a measure of revenge for the two close decisions they lost to the Manhattan Terriers by identical 37-36 scores.

Robinson, who decisioned bodysledging Jake four out of five times when the Bronx Bull was a middleweight contender instead of the champion, rules a favorite for the Chicago Stadium showdown, starting at 10 P. M. EST.

The International Boxing Club card is expected to draw some 12,500 fans and gross $175,000. Ilions of others will see it on television or hear it broadcast.

Robinson's only loss in 123 fights (78 of which he won by knockouts) was to LaMotta in their second meeting. Jake won 79 out of 95 bouts, 28 by kayoes.

Ring followers almost are unanimous. Millions of others will see it on television or hear it broadcast.

The rough-hewn LaMotta who never has been belted off his feet, save Robinson who floored the winner's arm will be hoisted on a decision. Sugar has never suffered a knockout in his career, but he has been sent to the floor four times, twice by Jake.

Robinson has the reach, the boxing skill and probably the more punishing punch than Jake. But the Bull, has the ruggedness and comeback strength that may be the key to the fight.

SUGAR RAY AIMS AT WELTER TITLE

CHICAGO, (AP)—Welter king Sugar Ray Robinson, a symphony of power and skill in the ring, tonight shoots for the middleweight crown of Jake LaMotta, a barbaric executioner by comparison.

CRUSADERS ROMP OVER MSM, 75-54

Stepinac vaulted back onto the win-wagon yesterday by walloping oft-beaten Mount St. Michael's, 75-54 at the Mounties' Bronx Gym. It was the 11th triumph on the season for the Crusaders and their first in the last three tries.

Stepinac controlled the boards from the outset and, with big Wise accounting for 10 in the first period and a total of 18 by the intermission, Nat Volpe's quintet held a 39-24 edge. Wise and Jack Ritch did most of their pouring on rebounds with the six-nine pivot mesting the peak total of 24. Dick McDine, classiest of the Crusaders outside shots, flipped his pet one-hander often enough to garner 17 points, the same number that Bill Priest paced with Mounties with. Five Crusaders handled all of the team's point-racking, with Mike Harrington getting 11.

In the preliminary squabble, the Crusader Juniors were bested 47-29 by the Mount St. Michael Jayvees.

Friday night the Stepinac quintet will be at Washington Irving High in Tarrytown, gunning for a repeat triumph.

TAVERNERS POST DT ALLEY SWEEP

Breaking through for the lone shutout in Daily Times League kegling at the Larchmont Rec last night were the Taverners, while records the victory column on 2-1 verdicts were the Sportsmen, Automotives and LTs.

One solitary pin separated anchorman DeCicco, the series leader, *from Marty Fader as the two* Taverners ran one-two in the tabulation of pinfalls. DeCicco's mark was 578 while Russ Mals, who took the one-game honor on a 226, rated third in triple counts via a 569 total. Mike Biscegliia's 213 was second in the single department, while Len Grosso and Fader weighed in with 213 games.

ABELE SCORES RECORD 38
TUCKAHOE—

Ed Toohey and his Abele set a new Eastchester High scoring record yesterday as he tallied 38 points in leading the Eagles to a 75-45 romp over rival Tuckahoe. His total eclipsed the old mark of 35 set by Art Seguso in 1944.

Fordham Station Will Broadcast Game With Gaels

Fordham University's radio station, WFUV-FM, at 90.7 on the FM dial, will broadcast the basketball game between Iona College and Fordham tonight, direct from the Fordham gym in the Bronx. Glenn Reynolds and O'Reilly will be sportcasters for the game and they will have Brother Richard Power, Iona's director of athletics, and the famous Fordham basketball scout Pat Kenny as guests during the half.

The Rams are red-hot following their upset of CCNY and walloping of Siena. With a record of 16 wins in 22 games, they are strongly favored to beat the Gaels, who have been very impressive in a 75-48 loss to to St. Francis of Brooklyn at the County Center Saturday.

Conover Boat Trails Fleet

MIAMI, Fla., (AP) — Seventeen sleek ocean-going yachts ducked choppy waters in the 184-mile race from Miami to Nassau today, with the majestic 72-foot ketch, the Theonderoga, last reported holding the lead.

Thirty-five miles from the starting point, a Coast Guard plane reported that the Mainty T, owned by Allen Carlisle of Miami and under charter to Charles Granville of Wilton, Conn., was out in front.

Carleton Mitchell's speedy 57-foot yawl, Caribee of Annapolis Md., had dropped back into second place after leading through the early hours of the race. Reynoc, a 45-foot yawl skippered by Harvey Conover of Larchmont, N. Y., was five miles back of Caribee.

Revenoe won the race in 1947. Indications were that the leading craft would reach Nassau later today.

ARNELLE ON SPREE
NEW ROCHELLE—

Jesse Arnelle tallied 38 points here last night as New Rochelle rallied in the last minutes to defeat Yonkers Central by 65-54 in a WIAA basketball contest. The spree hiked Arnelle's season total to 319 in 11 games, an average of 29 per game.

Roosevelt Quintet Prevails After Rex, Carino Foul Out

Of all men to have foul out! That was what Coach Rocky Ciraco and most of the Mamaroneck High cage fans were mumbling yesterday when they trudged out of the Junior High Gym after watching the Tigers take a super nose-dive from a 15-point advantage into a 72-66 deficit that enabled the visiting Roosevelt Indians to stalk off with the verdict.

It was a rather unexpected win for the Indians because they had

TOM CARINO
Nets 25. Fould Out, Mates Fold

been taught quite a few court lessons by the surging Orange and Black during the first half and third period of the encounter. Heavily favored after belting Yonkers Central out of the unbeaten class last Friday, Roosevelt came in a bit too cocky and mid-way through the third session it looked like the host quintet would *not only pull* the upset of the campaign, but do it in more than convincing style.

Then all the bulbs started to pop at the Benzals at once; playmaker Bobby Rex, who had done a brilliant job on defense as well as offense, went off with his fifth personal foul and the Indians began to cut down the spread in great chunks. Then, just after the final chapter started, Tiger Tom Carino, the game's top pointmen with 25 markers, also was waived out on personal infractions. That was the cue for the Tigers to collapse completely. They threw passes uncertainly, often right smack into the hands of eager Injuns, and in the space of three minutes were trailing by 10 points with not nearly enough time to recover.

Besides the loss of those two key men, the Tigers were hurt by their own blundering at the foul line, where they lofted only eight good throws out of 21 granted. Roosevelt, which has now annexed eight wins in 11 outings and is on the move in the WIAA connected for 12 one-pointers of 24 tried. It was Mamaroneck's ninth setback in 11 tilts and marked about the fourth or fifth one they have blown.

Possible Upset, then Bang

The Indians from Yonkers had a height advantage that they did not make full use of until late in the tussle. The big boys, of whom there were four, somistured the entire Roosevelt attack with center Bill Firstenberg dumping 22, *Ricky Kendrick and Jerry Fish*man 17 each, and Ralph Blasewitz 14. Behind Carino, there was Larry Collins, who got hot late in the fray to wind up with his season high of 18, and Johnny Finneran who tallied 11. Carino's total was also his best of the campaign, although he has often entered the 20-plus ranks before.

The count was knotted three times in the first stanza and only once more during the rest of the fussle. Dave Cvaniga, who didn't operate in the third canto due to a wrenched knee, hit on jump shots and fouls and Carino drove through twice to keep the Tigers in the game as Roosevelt led, 13-10 at the quarter. Two push shots by reserve Finneran and a pair of neat sets by Carino gave the Orange a 20-17 lead and the entire corps collaborated to build up a 29-23 halftime bulge, mainly through a tight defense with Rex chasing out front and Carino's ability to hit on sets and drives.

A swift layup thrust and southpaw hook gave MHS two straight baskets at the outset of the third canto and soon afterward the Bengals netted the sphere four times without a return to assume a 43-28 spread. Three minutes before the end of the third period, Rex committed his fifth foul and immediately the Indians moved. Fishman dropped two fouls and a layup, Blasewitz netted a free toss, Kendrick interrupted with a tap-in and then Blasewitz potted a driving layup and jump shot to make it 50-47 going into the final session.

The Ciraco men held tenaciously to their meager lead but, when Carino left the contest with the count 53-52, the tide turned rapidly. It was a steal and easy layup by Fishman that finally sent the Injuns on top and they tore off on a seven-point spree that sealed the coffin shut on the MHS defeat.

In the layvee aftermath, Roosevelt's little Injuns took the nod, 47-44. In overtime skirmish Don Capparratta of Mamaroneck's, tiny Tigers outscored Roosevelt's giant Bob Minnerly in their individual duel. Capparratta had the game-high of 21 points. No more than one point separated the teams at the end of each of the regular periods, but the rangy Indian scrubs got the upper hand in the extra session.

BONEFRO EXTENDS WIN STREAK TO 24

Stretching its winning streak to 24 games, the unbeaten Bonefro Club basketball team advanced to the semi-final of the St. Martin's tournament at Stamford last night by walloping back the New Haven Roesslers, 71-68. The Roesslers, finalists in last year's tournament, and Bonefro put on a spectacular demonstration to racehorse basketball.

At the outset the Roesslers scored quickly, 8-2, but Bonefro made good use of its height advantage plus the shooting of Al Ryder and Joe Connelly to squeeze ahead, 14-10. Back and forth the two teams fought, the Bunnies never able to lead by more than a few points. At halftime the Bonefro lead was 42-39.

CAGE RECORDS SHATTERED
MOUNT VERNON—

Ed Tooley and his Gorton High School cagemates chalked up two new school standards yesterday as the Wolves defeated A. B. Davis, 77-65, in a WIAA clash at the Hilltop court. The 77-point effort set one new standard, and Tooley's 28 points established another. A total of 73 foul shots were taken in the rough-and-ragged tilt.

Barbara Scott Earns Living For Veterans Who Can't Do It

By LEN LeSOURD

Scott

Her father was nearly buried alive on a battlefield!

It was World War I, and young Clyde K. Scott, an eager lad of seventeen, upped his age a few years to join the Canadian Army. In the battle of Ypres a shell tore through him, taking along half his hip.

After the battle, German stretcher bearers stumbled over his inert body. Thinking him dead, they dumped him with other corpses and wheeled him toward the burial grounds.

"Luckily some young soldier heard my father moan," Barbara Ann recalls. Burial was that close!

Young Scott survived almost five years of prison camp. Eventually, he returned to his beloved Canada, married and became Military Secretary to the Canadian Department of National Defense. Three children were born: Bill, Mary, and finally Barbara Ann in 1928.

Life Closely Knit About Church

The Scotts lived in Sandy Hill, just ouside Ottawa. Their community life was closely knit about the church. Barbara's grandfather had been a minister, and the family emphasized religious principles which had given dignity and purpose to generations of Scotts.

Because of war injuries, Colonel Scott couldn't bend down to tie his shoes. This plagued him for years. Finally, he became so irritated at the inconvenience that he devised a special pole with a hook to solve the problem.

"See!" he said triumphantly to his adoring daughter, "You can overcome anything if you keep at it."

"My father had everything—love, courage, faith," Barbara states proudly. "I never knew him to go back on his word. He'd keep going sometimes when he was half dead, yet he always had time to listen to someone else's troubles."

Shortly before Christmas in 1932 Barbara, age six, laboriously penned a note to Santa. "Dear Santa—a pair of one-runner skates fastened to boots, and a horse." Perhaps the last three words blurred before Santa, but he did leave her a pair of skates.

At the age of ten, Barbara climaxed years of practice when she passed her gold medal tests for the Canadian Figure Skating Association. She was youngest to do this on record.

Beaming with success, she faced her trainer, a short Czech, kindly but a strict disciplinarian. "Now we start and learn how to skate," he announced crisply. Barbara knew that he spoke the truth.

This period was one of frequent heartaches for the agile young skater and some perplexity for her parents. There was no driving ambition on their part for Barbara to develop into a great skater. In fact, her eagerness to learn resulted in frequent hardships, especially for Mrs. Scott who spent many cold hours, with numbed feet, watching Barbara practice.

Perfection figure skating demanded time, energy and concentration. Parties and other tempting outside activities had to be passed up. Possibly the greatest sacrifice was a university education for which she had yearned for so many years.

Brother Became Bomber Pilot

Why such discipline? The Scotts had always been a family to give themselves tirelessly to a cause. Her father served Canada all his life, her brother was to become a bomber pilot in World War II. Barbara couldn't perform in any military way, so she developed a passionate ambition to represent her country—as a skater.

Barbara inherited her father's concentration to a cause and his faith in one's ability to overcome obstacles and do the impossible—with God's help. This ability to draw power from a simple faith in God was one of the greatest legacies passed down to her.

In 1941 Col. Scott, who, government officials declared, had been doing the work of five men, took sick and died. This cruel blow fired the young skater with even greater purpose.

Exactly 13 years after Santa had left the skates, Barbara faced the great moment—the 1948 Olympic Winter games held in Switzerland.

Wild panic and stage fright might have undone years of patient training. But there were no tightlipped dramatics. Barbara, concentrating on the job at hand, skated off with the

MORGAN J. BURKE Jr.

Burke Named Drive Leader

Morgan J. Burke Jr. of Larchmont is serving as vice-chairman of the 1951 Red Cross Fund campaign under the chairmanship of Robert S. MacCallum.

A graduate of Manhattan College and of Fordham Law School, Mr. Burke is a partner in the law firm of Dorney, Burke and Keber, 44 Wall Street, New York. He is a native of Waterbury, Conn., and has been a resident of Larchmont for 14 years.

Mr. Burke is chairman of the membership committee of the Church of Sts. John and Paul in Larchmont. He is on the board of directors of the Country Trust Company and serves as a member of the Zonine Board of the Town of Mamaroneck. He is a past president of the Larchmont Men's Club, and a former director of the Larchmont Community Chest. He is a former acting Larchmont village judge.

He is also a member of Boulder Brook Club, the Larchmont Shore Club and the University Club of New York City. He and Mrs. Burke reside at 4 Locust Ridge Road with their two daughters.

School Group Names Rex And Mrs. James

The Committee for the Selection of School Board Nominees of Mamaroneck Union Free School District, No. 1 last night named William B. Rex of 5 Winged Foot Drive, Larchmont, and Mrs. Raworth James of 7 Dawes Place, Larchmont, as candidates for election to the board May 2.

Mr. Rex was nominated to succeed Walter F. Brady who has served two three-year terms and Mrs. James, who is completing her first term, was selected to succeed herself.

The endorsement of Mr. Rex and Mrs. James followed the recommendation of a sub-committee which canvassed the Town of Mamaroneck and Larchmont for prospects. The full committee met last night at the offices of the County Trust Co., Boston Post Road, Larchmont.

Selection of the candidates by the committee, which has no official status, does not assure their election, it was pointed out, since only 30 signatures for any individual qualifies him for nomination.

Mr. Rex was chosen because of his financial background, as a general partner in a firm of investment bankers, and it was felt that the board needed a member with extensive financial experience, a spokesman explained today.

Mr. Rex, who has lived in the

BLOOD BANK NEEDS 32 APPOINTMENTS

Thirty-two blood donor appointments must be filled by Mamaroneck and Larchmont residents if the quota of 100 donors is to be met Feb. 23 when the Red Cross Bloodmobile visits New Rochelle.

Mamaroneck lacks 10 of its 50 volunteers and Larchmont lacks 22, it was announced today by the chairmen.

Volunteer donors are asked to register in Mamaroneck with Mrs. Thorkil Aschehoug of 623 Walton Avenue and in Larchmont with Mrs. Martin Stern of the Alden House. Time is open for Mamaroneck donors every half hour from 2:30 P. M. to 6:30 P. M., and for Larchmont donors every half hour between 2:45 P. M. and 6:45 P. M. Registration may be made by mail or telephone.

The Bloodmobile will be stationed at the YMCA in New Rochelle to collect 250 pints of blood from the Mamaroneck, Larchmont, New Rochelle and Pelham branches.

Anyone in good health between eighteen and fifty-nine years of age and free from a cold is usually acceptable as a donor. Details on eligibility may be obtained from Mrs. Aschehoug or Mrs. Stern.

A BUILDING FUND drive to raise $150,000 toward the construction of a new church and school for the Larchmont parish of Sts. John and Paul got under way yesterday under the direction of the special gifts and memorial committee, of which Walter F. Brady is chairman. Mapping the campaign in the photo above (left to right) are Cornelius J. Quinn, general chairman and Mr. Brady with the Rev. John J. Flynn, pastor, pointing out the district to be covered. The house-to-house solicitation will start March 5.

Six Divisions Asked For Duty In Europe; Red Ring Smashed

Enemy Flees as Allies Reinforce Central Front Anchor

TOKYO, (AP)—An allied relief column smashed through a Chinese Red ring today to reinforce American and French forces holding the Chipyong anchor on the central Korean warfront.

The relief force battled eight hours before breaking through to the Chipyong perimeter at 5:30 P. M. The action began five miles south-southwest of the town.

The hard-hit Chinese finally broke and ran.

Chipyong, 35 air miles eastsoutheast of Seoul, is the left flank anchor of a 20-mile allied defense line stretching over snow-mantled hills and valleys to Wonju, key to the central mountain passes.

The American-French garrison stoutly withstood two days of massed Red infantry assaults to help break the back of the drive aimed at cracking the central front. The Communist push was stopped yesterday.

Red casualties were counted at 10,593 on all fronts yesterday. It brought to nearly 100,000 those killed, wounded or captured since the allied limited push by hunter-killer columns began Jan. 25.

A. P. correspondent John Randolph reported the Chipyong garrison radioed that the Chinese

TRANSPORT PLANS OUTLINED BY CD

Cars, Trucks and Taxis to Be Pooled For Rescue And Medical Work

Henry T. Hotchkiss, Transportation Division chairman for Larchmont Civil Defense, last night outlined plans for the emergency coordination and use of all transportation committee members at the Municipal Building.

Emphasizing the need for well-organized units to be assigned to the medical and rescue divisions, he said they will be composed of passenger vehicles and panel trucks to carry medical and rescue personnel and equipment to the scene of a disaster.

One or more pools of passenger cars, assigned in advance to advantageous locations, will be made up for the transportation of evacuees and Civil Defense personnel. The Motor Service of the American Red Cross under the leadership of its chairman, Mrs. Charles Walton, will be called upon to serve as a unit where its experience and training will be the most effective, Mr. Hotchkiss declared.

All taxicab companies and independent cab drivers will be asked to join the defense organization, he continued.

House Committee Action Seen Barring Truman Plan This Spring

WASHINGTON, (AP) — The prospect of any "quickie" tax increase this Spring has vanished.

Republicans said a decision the House Ways and Means Committee reached late yesterday also doomed President Truman's proposal for a two-package approach to raising the $16.5 billion he asked to meet mounting military costs.

Chairman Doughton, D., N. C., announced after an hour long closed session of the committee that its current tax hearings will cover all revenue raising suggestions made by Secretary of the Treasury Snyder, and any other *proposals that members of the* committee desire to bring up.

Decision Depends on Hearings

Only after those hearings are completed, he said, will the committee decide whether to proceed with a two-package or one-package bill.

Mr. Truman and Mr. Snyder urged Congress to pass as quickly as possible a bill to raise taxes slightly more than $10 billion a year, dating it back to Jan. 1, and then to consider in more leisurely fashion still another. They said the second one should produce enough to balance Mr. Truman's $71.6 billion budget for the year starting July 1—about $6.5 billion.

ENGINE CO. PREPARES FOR APRIL ELECTION

A nominating committee headed by Ex-Capt. Samuel Robins was named last night by Larchmont Engine Co. No. 1 to present a slate of officers at the April meeting. He will be assisted by Fred Carey and John Thompson.

Capt. Philip Taylor named John Ball, Jack Meyers and E. F. Carmody to the auditing committee. The company also accepted the resignation of former Secretary L. J. Lucas II, who asked that he be transferred to the associate group because of pressure of business. Mr. Lucas served as a member of the company committee on the proposed Departmental Benevolent Fund.

The annual "Irish Nite" of the company will be held at the Flint Park Club House of Post 347, American Legion, March 17, Chairman Carmody announced.

The company's next drill is scheduled for Wednesday at 8 P. M.

Marshall Would Triple American Forces Overseas

WASHINGTON, (AP)—Administration plans contemplate that six U. S. Army divisions—triple the American forces now in Europe—will serve with the combined allied armies being organized to defend Western Europe against possible Communist aggression.

Secretary of Defense Marshall gave the figure, which means sending over four additional divisions, to the Senate Foreign Relations and Armed Services Committees today. He said he did it "reluctantly" but in the belief it was better than to have a debate over uncertainties.

Gen. Marshall gave no over-all figure as to numbers of men. But an American Army division consists of about 18,000 men. In addition, support elements — supply and maintenance, communication, transportation and other units—are needed to keep combat forces in a state of readiness.

The United States now has in Europe the 1st Infantry Division and a constabulary force—equivalent to a second division—trained and equipped for field combat, yet the last official indications of

Rye Neck School Trustees Authorize Topographical Survey

The Rye Neck School Board last night authorized the expenditure of $250 for the drawing of a topographical survey and map of one of the sites under consideration for a new school building, Trustee Arthur E. Allen Jr. explained that the map is needed by the Planning Committee in the determination of the site and that Ralph Cronquist would provide the drawing.

Trustee William C. Fitz Jr. asked if the money were available and Clerk Edward Juller replied that there is a budget appropriation for the needs of the Planning Committee.

The board granted Mrs. Gertrude Folin, elementary school nurse, a four-month leave of absence to serve as executive secretary of the Westchester Cerebral Palsy Association while the county office is being organized. She agreed to help find someone satisfactory to the Superintendent to take her place as school nurse and said she would be available for consultation.

Upon recommendation of Superintendent Alvin W. Hicks, Mrs. Mary V. Borreca was named to complete the year as kindergarten

BLINDED BY LIGHTS, DRIVER HITS WALL

Blinded by the headlights of an approaching car on old White Plains Road, Harvey George Knox, thirty-two, of Elmhurst, N. Y., swerved his sedan across the road and crashed into a stone wall about 12:30 A. M. today, he reported to Mamaroneck Town police.

The wall is located on the west side of Old White Plains Road about 75 feet south of the residence of Mrs. Lillian Appleby.

The accident occurred as Knox rounded a turn in the road he told police, and he was unable to describe the other vehicle and failed to note its registration number.

The entire left front end of Knox's sedan was damaged and part of the windshield was smashed. The car was later towed to a service station for repairs.

PRAYER FOR TODAY—How may I demonstrate to my neighbor, dear Father of us all, the rich fellowship that is enjoyed by a true believer? There are so many who doubt, so many who fear, so many who tremble in confusion at today and tomorrow. Show me, dear Lord, how to live and act, how to speak the words of conviction that will catch another's mind and heart to the truth that I hold—yet somehow cannot adequately communicate.

THIS SHOULD GET PRIORITY

THE recent countywide test of air raid sirens brought into the daylight a condition which should be given No. 1 priority by local and county officials, the furnishing of an adequate warning system. For even though the test had been widely publicized in advance there remained throughout the county vast numbers of people who were not aware that the horns had blown.

According to County Civil Defense Director Guthrie Shaw the test was fairly effective in congested areas and people in the immediate vicinity of firehouses heard the horns. But all throughout the county there were reports that if one had a radio, washing machine or vacuum cleaner turned on it was impossible to hear the signal, while in many of the outlying sections it was shown that the sirens were not powerful enough to be heard in any event.

Total war such as has developed in the last quarter century places upon the officials the necessity for total defense.

The destruction of industrial targets and with them the destruction of vast numbers of civilians has become as much a part of the conduct of modern warfare as the destruction of armies.

* * *

Thus it is as much a part of the obligation of officials to provide civilians with protection as it is the obligation of the Nation to provide its armed forces with protective armaments.

Certainly, if a third World War were to eventuate with America as the principal target, it would be a war from the air.

Despite the advances of Naval technique and equipment it seems impossible that a ground force of any size could be landed on American shores.

And if war from the air should come it seems equally certain that New York City and the metropolitan area would be a major center for operations.

With the possibility of war planes sweeping over this area, no matter how remote that may seem, it would be only common prudence to make preparations for that contingency. And the heart of those preparations must be an adequate warning system.

All of the disaster units, first aid squads and other Civil Defense organizations, are virtually useless if the sounding of an alarm remains inadequate for any sizable number of the people. In the matter of minutes the panic which would be sure to follow the lack of warning would make any defense efforts useless.

The heart of the entire Civil Defense setup is a warning system. It should be made adequate as quickly as possible.

Milk Price Hike Blamed On Lack of Efficiencies

ALBANY, (AP) — Substantial across-the-board reductions in the controversial milk price "spread" cannot be achieved simply by cutting distributors' profit margins, an investigating agency said today.

Any "permanent shrinkage" must come from increased efficiencies in processing and delivering milk and by force of public opinion, the temporary State Commission on Agriculture added.

These conclusions were made in the commission's final report on a three-year, $315,000 study of the milk price spread—the difference between the price received by the farmer for his milk and the price paid by the consumer.

BRIDESMAIDS

Question: Can a bride have two teen-age girls as junior bridesmaids plus a maid of honor? Is it proper where there is no older person? I would appreciate it if you would let me know because some people have told me that this isn't done. Mrs. H. M.

Answer: Such an arrangement is all right provided that the maid of honor, as the official witness, is older. She must be mature enough to realize the dignity and seriousness of marriage.

GRANDPARENTS

Question: Please explain what is meant when one refers to paternal and maternal grandparents. Mrs M. S.

Answer: Maternal grandparents are your mother's parents. Paternal grandparents are the parents of your father.

ASSISTANCE

Question: Would you please enlighten me on the following? I am seventy-one years old. The house in which I live is in my wife's name. Am I entitled to receive old age assistance? If so, where can I get more information about it? J. L.

Answer: We cannot say whether you are entitled to this assistance, since so many factors enter into it. Get in touch with the Department of Family and Child Welfare, County Office Building, White Plains, for further information on the subject.

SOME ARE GOOD

A Reader: Our answer about lonely hearts clubs stated that without a doubt some are reputable. However, so many are not, that we do not advise our readers to patronize any without a very careful investigation into the particular club.

Bradley 20-Year Arms Program Discounted By Experts In Congress, Industry Leaders

by RAY TUCKER

WASHINGTON Gen. Omar N. Bradley's lugubrious warnings of a rearming program lasting 20 years and costing untold billions of dollars to Americans are discounted heavily by many prominent economists, industrialists, diplomats and military colleagues who have attended off-the-record briefings at the Pentagon within the last few weeks.

They think that the chairman of the Chief of Staff organization is indulging in a bit of psychological warfare with the Congress and the people, and possibly Moscow, as his targets.

They also believe that Gen. Bradley, although fairly well rounded and balanced for a military careerist, looks out on the United States from his Pentagon window with a rather narrow West Point squint.

OPINION—In the opinion of his esteemed critics, barring the outbreak of actual war with Russia, the rebuilding of our armed forces and industrial potential will make the U. S. and its allies so powerful on land, in the air, on the water, and in the factories and scientific laboratories, that the period of tension and preparation should last only five years at the most.

By that time, and the more optimistic school supplies statistics to support their belief, no nation or combination of them will dare to challenge us on the battlefield.

As a consequence, they believe that nations now fearful of or friendly to Moscow India for instance, and possibly China—will find it advisable to shift to our side, as Tito has done. The Poles and Czechs would like to join our camp now.

This kind of thinking, which has not yet swept through the White House, the State Department or the Pentagon, represents a courageous and constructive attitude wanting at Washington. It helps to explain why certain realistic men on Capitol Hill, both Democrats and Republicans, refuse to be stampeded. As Herbert Hoover suggests, they want to "stop, look and listen."

FORCE—Here is a summary of the reasoning of the anti-Bradley experts:

Assuming that Congress enacts a draft or universal military training that becomes effective next April — the details of the statute are immaterial with respect to the military manpower to be provided — the United States will have an Army in being and training of between three and four million men at the end of the year, with an Air Force and Navy proportionately strong.

Within two years, or after 24 months of training, approximately a million young men ranging from twenty to twenty-eight years old will go into an organized reserve or National Guard, where they will undergo periodical refresher courses.

Thus, by 1956, five years hence we shall have an active military force of three to four million men and three million hardy reservists who understand Army routine and battle. And each year there will be a million more joining their ranks. These will be in addition to many thousands who have returned to civilian life after the expiration of their enlistments.

* * *

IMPREGNABLE — Meanwhile the fleet which the Truman administration virtually scrapped will be unmoth-balled and reinforced with new vessels, especially atom-firing submarines and fast, small aircraft carriers.

The Air Force, which Mr. Truman reduced to only 48 units in defiance of Congress, will have been increased to 100 groups. Guided atomic missiles and a radar fence around both Canada and the United States will make the Western Hemisphere almost impregnable.

Again barring a Russian march in the interim, Britain, Western Europe and our Pacific allies, including Japan and Chiang Kai-shek or his successor, will have been built into forward bastions. They will become both defensive and offensive outposts.

Substantiating an article appearing in this space many weeks ago, Thomas K. Finletter, Secretary of the Air Forces, is now touring Europe, the Mediterranean, the Middle East, and eventually the Far East, to select sites or military airfields that will encircle Russia and her satellite empire.

INDUSTRIAL — Our immediate industrial potential, in the opinion of Mobilization Director Charles E. Wilson, exceeds our military prospects. He believes that we can devote almost 30 per cent of it to rearming ourselves and our allies with only a slight dent in the output for civilian use.

Almost every key industry can and probably will expand by 20 per cent, not within five years, but within two. His figures apply to every commodity essential to the making of war—steel, motor vehicles and railroad rolling stock, aluminum, electronics, oil, rubber, atomic energy for military and civilian use.

To paraphrase the musical comedy ballad, there is not a thing Stalin can make that we cannot make bigger and better.

CONFIDENCE — Thus, this anti-Bradley feeling is not one of defeatism, excessive caution or war weariness. On the contrary, it reflects a spirit of courage and confidence that is more prevalent on Capitol Hill than around official headquarters.

If the optimists are right in their reasoning, it means a big break for the taxpayers. In dollars-and-cents terms, it means that the proposed Presidential budget of $71.0 billion might be cut, within five years, to around $55 billion or $60 billion possibly less.

Valentine Tea Is Featured By Latin Club

The Mamaroneck High School Latin Club, "S.P.Q.R.", held a "Vergil Valentine Tea" yesterday in the school music room, featuring a program of excerpts from Vergil and musical recordings. Joan Bowler, soloist, sang, "None But the Lonely Heart", accompanied at the piano by Wilda Marraffino.

Following a welcome by Edward Vaughan, the program was presented by Ronald Wyn, Janine Vier, Fredrikke Aschehoug, Elsanore Spottke, Rosalind Holman, Maurice Vandervelden and Jerry Schiller, members of the fourth year Latin class of Miss Faith Wallace, sponsor of the club.

Refreshments were served with Mrs. A. A. Schiller and Mrs. F. L. Anderson as tea hostesses. Marcia Wright and James Savage, co-chairmen of the hospitality committee, were assisted by Joan Sasse, Bunny Meadow, Joan Roth, Jay Schabacker, Tony Paddock and Lynne Corby.

The program committee, headed by Wilda Marraffino and Bob Stevens as co-chairmen, included William Tarplin, Edward Vaughan, Marjorie Lynn and Joan Bowler.

Officers of the club are Jerry Schiller, president, Sally Stowell, vice president, Peggy Anderson, secretary and Ann Van Valkenburg, treasurer.

400 Mothers Tea Guests At Murray Ave.

About 400 mothers of Murray Avenue School pupils attended the classroom teas held yesterday at the school. Class mothers were hostesses in the individual classrooms, with Mrs. Arthur Wullschleger, hospitality co-chairman in charge of arrangements.

The mothers were welcomed by Miss Loretta Hirschbeck, principal, who urged participation in community civil defense activities. She stated that first aid classes at the school and home nursing courses will be arranged as soon as sufficient interest is indicated. Information may be contained from the school office.

Opinions of mothers were sought on a suitable ways and means project, Spring Fathers Night program, and suggestions for best utilizing PTA funds. Their suggestions will be considered at future PTA meetings, according to Mrs. John M. Elliott, PTA president.

Wellesley Tea Celebrates 23d Year Of Club

CRESTWOOD—

Combining a career with bringing up a family was discussed yesterday at a tea in celebration of the 23d birthday of Wellesley in Westchester. The tea was given at the Asbury Methodist Church.

Mrs. George V. Burgess, vice president of the Child Study Association of America and a member of the Westchester Mental Hygiene Association, who has written a prize-winning detective novel, spoke of the advantages of having diversified interests.

Mrs. R. S. Gordon of Scarsdale, past vice president of the New York State League of Women Voters, spoke of what she has learned in volunteer political work.

Mrs. Albert Lee Lesser of White Plains spoke on the difficulties of combining a free-lance writing career with bringing up primary age children.

Mrs. Phillip Magdalaine of Scarsdale, author of three books and a daily newspaper column told of the demands of writing and taking care of two sons and a husband.

Mrs. William H. Connor of Dobbs Ferry, president of Wellesley in Westchester, conducted the session and Mrs. Shelby Cullom Davis of Tarrytown, program chairman, introduced the speakers.

Mrs. Walter E. Bolte of Bronxville and Mrs. H. R. Becker of Tuckahoe were cochairman for the celebration. Mrs. Kenneth Stowell of Bronxville was in charge of arrangements. Mrs. Eugene Gafoley of Scarsdale arranged for hospitality, including a birthday cake.

The program was preceded by a board of directors meeting at the home of Mrs. George Wilds in Bronxville.

BARITONE Victor Brescia, above, and a group of Steffi Nossen dancers will be featured tomorrow night at the final concert of the season sponsored by the Ursuline Guild at 8:15 in Childwick Hall, College of New Rochelle.

Local Dancers To Appear In Guild Benefit

Steffi Nossen's new composition "The Emperor Waltz" by Johann Strauss will be repeated tomorrow at a request performance for the benefit of the Ursuline Guild Scholarship Fund, at the College of New Rochelle by the Master Class Concert Group.

Miss Nossen will present both her Master Class Concert Group and her Junior Workshop Concert Group at the performance which will include "Let's Make a Ballet" to be danced by the Master Class Concert Group, consisting of nine nursery rhymes, "Mary Had a Little Lamb," "Sing a Song of Sixpence," "Farmer in the Dell," "Lazy Mary Will You Get Up," "Hickory Dickory Dock," "Three Blind Mice," "Rock-a-bye Baby," "Pop Goes the Weazel" and "London Bridge Is Falling Down."

The Master Class Concert Group includes Patricia Kelly, Mary Male and Judy Saunders of Larchmont, Winnie Broomfield of Rye and Phyllis Steinman of New Rochelle.

"The Emperor's New Clothes," a young people's ballet created by Miss Nossen to the music of Prof. Douglas Moore of Columbia University, will be danced by the Junior Workshop Concert Group. The work is based on the classic tale by Hans Christian Anderson. It will include Lynn Andersen, Judy Brewer, Dorothy Buck, Barbara Dorr, Barbara Furth, Muffin Rowland, Karen Rowland and Rochelle Schaffer of Larchmont, and Gay Salmon of Mamaroneck. Varied Topics Discussed By LWV Groups

Civil defense, welfare, education and the budget were among the discussion topics under consideration yesterday and Tuesday by the League of Women Voters of Larchmont, meeting at members' homes.

Yesterday's discussion group at the home of Mrs. Charles Jacobson Jr., of 22 Shadow Lane, Larchmont, was led by Mrs. Martin Buck. Mrs. Charles Strauss discussed civilian defense needs, and Mrs. Jacobson spoke on welfare. Education was discussed by Mrs. Ernest Nathan and rent control and housing by Mrs. Frederick Seaford Jr., with Mrs. Lincoln Paige outlining miscellaneous League items and an orientation talk given by Mrs. Jerome Hyde.

Mrs. Robert Williams of the Larchmont Branch, American Red Cross, opened Tuesday's meeting at the home of Mrs. Jack Winchheim of 8 Dundee Road, Larchmont, with a plea for volunteers for local civil defense work. She told of the forthcoming Red Cross fund drive and the widespread work of the Red Cross organization, noting the "poor response" to the call for civil defense volunteers.

Mrs. S. V. Hirschman gave a brief orientation talk, for new League members, and short reports were given on Permanent Personal registration and the Williamson-Brook bill, endorsed by the League, now in the Assembly Judiciary Committee. Announcement was made that $260 of the League's current drive for $600 has been contributed to date.

"What Happens in Albany Happens to You", general discussion subject for both groups, was introduced by Mrs. Budd Lytton who gave a resume on the legislature and the passage of a bill. Mrs. Lionel Robbins outlined the New York State budget and noted that Governor Dewey has said that he does not plan to raise taxes, but that revenue will be increased because of larger incomes, with consequent revenues from consumer taxes.

Mrs. Maurice Mermey discussed civil defense and said that the question of "where the money is coming from for the defense of New York City, the probable target, is still unanswered".

In her talk on welfare, Mrs. Ralph Oppenheim spoke of the inclusion of disabled veterans as a new category of persons receiving federal as well as state assistance. Members discussed the proposed basic act of government standards and Mrs. Oppenheim pointed out that needs in city areas differ greatly from those in rural areas, so that the proposed uniformity would lower the present welfare standards of the state.

Mrs. Edward Helwig, member of the Board of Education and active in the League, spoke of the inadequacies of state appropriations for education. She outlined the probable referendum to be submitted to voters next Fall whereby the debt limit of city school districts will be separated from the municipal debt limit, with greater fiscal responsibility for school boards.

The rent control situation was discussed by Mrs. Windheim. Refreshments were served at the close of the discussions.

Use Of Funds Explained In Current Drive

"How far Does Your Money Go in Planned Parenthood?" was discussed this morning over WFAS by Mrs. Abraham Elkon of Purchase and Mrs. L. Ivan Underwood of Rye, in a broadcast in support of the current drive for $7,200 sought in Mamaroneck, Rye, Port Chester, Harrison and Purchase for the work of the Planned Parenthood.

Mrs. Elkon is county public relations chairman for the six centers operating in Westchester, and Mrs. Underwood is board chairman of the Port Chester Center.

There is no organization they said, in which the dollars given go more directly for service to patients. "The cost of running our centers is kept at a minimum by the work of volunteers and doctors giving unselfishly of their time, because they believe Planned Parenthood is of vital importance to our national health, especially as regards preventive medicine," said Mrs. Elkon. "Thirsty per cent of the funds sought go to cover the gap between moderate or negligible patient fees and the cost of service. The ten per cent, small indeed, that is allocated to the National Federation, goes to cover its educational and research programs."

"Planned Parenthood has no other source of funds save the voluntary public donations given in this drive." Mrs. Underwood said. "The medical and counselling services provided by our centers are unduplicated by any other agency. Your dollars will make them available for the thousands of families in our community who needs them so urgently."

The Port Chester Center reports over 2,500 patients in 1950 with an anticipated larger amount indicated in 1951. The $7,200 sought for the local Center is to be raised in Port Chester, Rye, Mamaroneck, Harrison and Purchase.

Heart Week Volunteers Aid At R.R. Station

Members of Mrs. William J. Ierardi's committee assisting her with Larchmont's annual Heart Campaign to raise $2,500 are serving as collection volunteers this week, "American Heart Week," at the Larchmont station. The committee includes Mrs. Fred P. Motz, Mrs. Edward Roth and Mrs. C. James Greenleaf of Larchmont.

Mrs. Ierardi, chairman of the Larchmont Heart Fund, has named the committee which will serve as collection volunteers at the Larchmont Theatre, Sunday through Wednesday. It includes Miss Geraldine Sullivan, chairman, Miss Betty Sullivan, Miss Mary Ann Sullivan, Miss Louise Connolly, Miss Betty Russo, Miss Barbara Smart and Miss Sally Russell, all of Larchmont.

Mrs. Ierardi pointed out that the American Heart Association and its affiliates, have set aside this week to "focus attention on the grim statistics of Heart Disease," stating that 44 per cent of all deaths in the United States are due to Heart Disease." Heart Week is the high spot of the month-long 1951 Heart Fund campaign to bring new hope for the hearts of our loved ones," she said. "To relieve and eliminate the suffering of heart-afflicted children, lighten the load of cardiac housewives, prevent premature deaths among our highly skilled workers, trained business executives and leading statesmen, are some of the aims of the American Heart Association. Your aid can bring that day closer. During the Heart Campaign, the most valuable assistance you can give is financial support to your local heart association."

OBITUARY NEWS

HENRY P. MILLS

Henry P. Mills of 809 Stuart Avenue, Mamaroneck, former resident of New Rochelle for 31 years, died Tuesday at his home at the age of eighty-one. He was the retired owner of the old Henry P. Mills Company that operated tugs, lighters and a general stevedore service in New York Harbor.

Born in New York Jan. 12, 1870, a son of the late Edward and Mary Mills, he had been in the shipping business for more than 50 years. Mr. Mills had lived at 250 Boulevard, Rochelle Heights, before moving to Mamaroneck three years ago.

He was a member of the Business Men's League of New York City, a founder and charter member of the Ave Maria Council, Knights of Columbus, in New York, and was active in the campaign for the election of John P. Hylan for Mayor of New York.

Surviving are his wife, Mrs. Isabel Costello Mills; two daughters, Mrs. Raymond McCabe of 42 Wendt Avenue, and Mrs. Ledwith Brennan of 15 Maple Avenue, both Larchmont; a son, Harry C. Mills of New York City and Rye; a brother, James J. Mills of Brooklyn; and nine grandchildren.

A requiem mass will be offered at 10 A. M. tomorrow in St. Augustine's Church, Larchmont, and interment will be in Gate of Heaven Cemetery. He is reposing at the George T. Davis Memorial, 14 Le Count Place, New Rochelle.

MRS. VINCENT DI NOTA

Requiem Mass will be held at 10:30 A. M. Saturday at St. Vito's Church, Mamaroneck, for Mrs. Vita Di Nota of 121 New Street, who died early yesterday at St. Agnes Hospital, White Plains. She was sixty-seven years old.

Interment will be in St. Mary's Cemetery, Rye. The body is reposing at Pape's Funeral Home, 453 Halstead Avenue, Mamaroneck.

FRANCIS H. ROBINSON

Francis H. Robinson, a former resident of Mamaroneck died yesterday at his home in Southern Pines, N. C.

He was born in Mamaroneck eighty-three years ago and lived here until he married the former Aletha Stiles when he moved to Brooklyn.

His only survivor is a niece, Miss Jennie Halstead of 110 Mount Pleasant Avenue, Mamaroneck.

Services will be conducted Saturday at 3 P. M. by the Rev. Asbury G. H. Stromberg, pastor of the Mamaroneck Methodist Church, at Greenwood Union Cemetery, Rye.

and a well-trained auxiliary force must be ready to step in and take over their local duties.

Supervisor Mandeville complimented the police department on its past efficiency and the excellent work done by the Board of Police Commissioners and described his own experiences as an auxiliary policeman during World War II.

Cecil W. Borton, chairman of the Board of Police Commissioners, outlined auxiliary police duties during an emergency in traffic, evacuation, panic control, prevention of crime, first aid and security regulations.

John B. Forrest, deputy director of Civil Defense for the Larchmont and Mamaroneck Town area, told the auxiliary police that Civil Defense is now a sound working organization. He pointed out that New York City is classified as a target area and that all Westchester police will aid New York police in case of an emergency.

Edward S. Hartley, assistant to Mr. Forrest was introduced by Chief Yerick, as were Sgt. De Veau and Patrolman Mancusi.

LASKY TO ADDRESS FIRST FORUM SESSION

Victor Lasky, ardent fighter against Red Facism, will headline the opening session of the second Mamaroneck Friday night Forum series, which will open tomorrow night in the Holy Trinity School Auditorium under the auspices of the Holy Names Society. Mr. Lasky, the author of "Seeds of Treason", will speak at the roundtable discussion. The public is invited and tickets will be available at the door.

A special guest of the occasion will be John Brunini, the foreman of the Grand Jury which indicted William Remington. The chairman of the meeting is John T. Casey and James M. Hoey, president of the Holy Name Society will preside.

Cub Leaders' Committee Slate Meeting Monday

Cub scout fathers and other men interested in leading a cub scouting program were urged today to attend a meeting of Pack 2 tomorrow at 7:30 P. M. at Chatsworth Avenue School, Larchmont, by Ralph Elias, cub master of the pack. The pack needs additional men to assist in the Spring program and the activities for next year, Mr. Elias said.

Plans for inter-den baseball games, hikes and other activities will be discussed.

Richard Ford, scoutmaster of Troop 7, will supervise a demonstration of senior scouting activities for the cub scouts.

Final plans for the annual Pack 2 father-son dinner will be announced Monday night at the Pack committee meeting.

Olympic Figure Skating crown, symbol of the ultimate in figure skating achievement.

The goal had been reached, the dream come true.

She Finds Need for Prayer

Offers from Hollywood, radio and theaters posed a new set of problems. Was it right to turn professional? There was need for prayer and guidance for the conscientious new ice queen and her mother whose wise counsel was now her main support.

The decision boiled down to this: as an amateur she could make sporadic performances counting up to the 1952 Olympics. As a professional, challenging new fields were open where she would again hear a trainer's words: "Now to start at the beginning. . . ."

What about professional life? Was there danger of corrosion of ideals and principles built up over the years? Or could she make a bigger contribution by turning professional? What would her father have advised?

Ever since her return from Europe, Barbara had constantly been visiting hospitals and disbanded veterans. It brought back fresh memories of her father. She hoped in some small way she could help some of them who might possibly be facing the same problems and future her father faced years ago when he was recovering from effects of a war.

Then suddenly the answer to her problem came. • An answer to prayer. She would skate for these hospitalized persons. Her professional earnings would go to help put them on their feet. It would be, in a way, a memorial to her father.

Her Income Goes to Foundation

The result was The St. Lawrence Foundation established in Ottawa, Canada. The plan is simple and unique among professional performers. All of Barbara's income is turned over to this Foundation. It pays Barbara's and her mother's expenses as they travel, a small percentage goes in a saving account for future insurance, and the balance to hospitals and charities.

"The more I make," says Barbara, "the more I can help others."

Quite an effective answer to the professional cynics and wise guys whose only God is money—who will bet their wad that the power of mammon can tarnish qualities of the spirit.

teacher at the Daniel Warren School. She holds an M.A. degree from New York University and has had eight years' teaching experience. Her last position was as second grade teacher in the Eastchester public school system.

Dr. Hicks told the board that in cooperation with the Civil Defense program, school drills will be held to acquaint pupils with their stations in case of an air attack, also that pupils will be grouped according to their residence areas to provide for their return home under supervision after the all clear in the event of an attack.

The board granted permission for a High School junior to complete the year at Bellows as a resident at the home of an aunt in the district who has agreed to assume parental responsibility. Attorney Henry T. Hornidge was asked to give the board an opinion of the legal grounds upon which a policy on out-of-district attendance could be based and a permanent decision on the request under consideration was postponed until the next meeting.

Dr. Hicks explained that, in line with recommendations of the State Department of Education, the taking of Regents' examinations will be optional in the future. Students will be permitted to take them upon the request of parents but will not be required to do so. Dr. Hicks termed the move "a step in the right direction" and added that the school will now be able to do more for the student who does not plan to go to college. He assured President Edgar B. Burchell Jr. that the new policy means no relaxation of the school program.

The board granted the application of Village Manager William Johnson for the use of the Barry Avenue School building for registration and election March 10 and 20 respectively.

Dr. Hicks was granted permission to attend the annual meeting of the American Association of School Administrators Feb. 17-22 in Atlantic City, N. J.

Trustee George Garfunkel told the board he plans to make an inspection of the schools soon as a member of the Visitation Committee.

Trustee Allen reported that the citizens' advisory group will hold its next meeting early in April. A letter from Malcolm D. Brown outlining the suggestions he made for additions and repairs to the buildings at the last advisory group meeting was referred to the Planning Committee, the architects and the school consultant.

Family Service

RETAILERS' SECURITY OUTLINED BY SAVRIN

The social security law as it affects independent retailers was explained yesterday by Sydney Savrin, manager of the New Rochelle Social Security Office to Larchmont Lions at the Shore Club.

Every retailer has been covered since Jan. 1, Mr. Savrin declared, although actual benefits will not start until June 1952.

Judge Robert J. Meyer of Yonkers was the guest of John H. Edwards, and Fred Smith, former president of the Larchmont Lions Club, was the guest of Gus Klein.

John B. Forrest, deputy commissioner of civil defense for Larchmont, will be the guest speaker next Wednesday.

were "fleeing in all directions" after the relief column rammed through from the south.

However, A. P correspondent William J. Waugh reported more than 1,000 Reds were dug in on high ground north of the town.

On the western front, American doughboys and artillery wiped out 400 Chinese who sneaked across the Han River last night near Seoul.

It was the second consecutive and disastrous Red attempt to cross the icy stream near the burned-out former capital. More than 1,100 Korean Reds were killed there in a foray early yesterday.

The Chinese, creeping across on a railroad bridge, entrenched themselves on a hill two and one-half miles southeast of Seoul. At daybreak, big guns of the U. S. 2d Infantry Division pounded the hill and infantrymen opened up at closer range.

Elsewhere on the frigid front allied forces were making limited counterattacks. A. P correspondent Tom Bradshaw reported American troops, attacking with hand grenades, took high ground northeast of Kyongan, 17 miles southeast of Seoul.

The Senate committees are considering whether Congress should adopt a resolution of some nature concerning the "troops-to-Europe" issue. Gen. Marshall was the first witness at hearings.

In ripping the top-secret label off this much of the government's blueprint for defending Western Europe, Gen. Marshall emphasized that the aim of the forces is to keep the peace.

He said the intention is:

1. "To deter aggression if that be possible, and

2. "To defeat aggression, if in spite of all our efforts, the actions of the Soviet Union or its satellites should precipitate another world war."

to move for some time after a disaster unless it bears a Civil Defense permit, it is all-important to have as many drivers registered with the local Civil Defense office as possible," Mr. Hotchkiss said. "We must be prepared for any eventuality."

In the event of the evacuation of New York City by water, he explained that all types of small boats will be used to remove evacuees from the larger boats to on-shore installations in Larchmont.

Arrangements are also being made by the Civil Defense to assure a continuous supply of fuel for Civil Defense vehicles, Mr. Hotchkiss said, and designated gas stations will be asked to join the Civil Defense organization to service transportation in an emergency.

Members of the Transportation Committee who attended were Mr. Hotchkiss, chairman; James A. Lynch, in charge of fuel and fuel supply; Adrian A. Henigson, in charge of trucks and heavy equipment; and James A. Taylor, in charge of marine transportation. The Deputy Local Director of Civil Defense, John B. Forrest; and Assistant Director, Edward S. Hartley, who has general supervisory control of this division, were also present.

Other committee members are Harry T. Flinn, in charge of passenger vehicles, and Jack Burkhalter, co-ordinator and local assistant to Mr. Hotchkiss.

BRONX MAN INDICTED ON RESIDENT'S CHARGE

NEW YORK—A thirty-year-old Bronx man was indicted by the Grand Jury here today on a forgery charge lodged by Harry E. Rachtman, of 70 Fernwood Road, Larchmont, owner of the Metro Photo Shop, 303 Fourth Avenue, this city.

The defendant, Harry Solomon of 1004 Freeman Street, allegedly forged a $122 check on Jan. 6 and gave it to the Larchmont man in payment for a movie projector. Rachtman told police that the suspect had identified himself as a physician and said he was a member of the Bellevue Hospital psychiatric staff.

Iona College Cagers Nipped By Fordham, 49-44

CONTEST SETTLED ON FREE THROWS

NEW YORK — The stubborn Gaels of Iona College died hard against Fordham, 49-44 last night at the Rams' gym in the Bronx, before a packed house of 3,600. It was the sixth loss in 20 cage appearances for Iona.

Fordham won the game from the foul line, netting 17 free throws to 12 for Iona. Both teams scored 16 field goals.

The Rams have now won 17 of 23 games, including the last five straight. Last night they were leading at half time by only one point, 20-19.

High scorers were Fred Christ of Fordham and Jumbo Lyons of Iona with 13 points each. Fordham mighty scoring center Bill *Carlson was held to eight points.*

So effective was the Gael zone defense, in fact, that Carlson, six foot eight, went scoreless in the first half and fouled out near the end. Responsible for the effectiveness of the zone were Rocky Rosovsky and Jumbo Lyons, but these two also fouled out in the final minutes.

Iona went jumping off to a 9-6 lead in the first six minutes by calmly setting up outside shots and blanketing Carlson. Fordham began fast breaking to get downcourt before Iona could establish the zone, and principally on shots by Christ led by a solitary point at the half.

The second half was a mad scramble of racehorse, roughhouse tactics, making it difficult for the *referees to keep order. Fordham's* little speedsters Tommy Breslin and Joe DiGillo succeeded in keeping the fast break going, and the Rams surged ahead, 39-34. At the same time Iona's failure to set up its scoring ace, Manny Kennedy, had disastrous results.

Jack Walsh closed the gap to 43-41 with four minutes remaining, but Rosovsky and Lyons were benched and Fordham only had to freeze the ball to win.

In the all-important foul shooting, Christ made five out of six, Fordham captain Jerry Moye made four for four and Lyons made five for five.

The freshman game was humdinger although the Little Gaels lost a squeaker, 32-29. Coach Artie Wilkins had provided the Little Gaels with a marvelous zone defense, even better than the varsity's. The scoring:

Fordham	G	F	P
Christ	4	5	13
Breslin	4	1	9
Carlson	2	4	8
Di Gillo	2	0	4

Huskies Block Trail For East End Quint; Tigers Try At NRHS

Harrison's Huskies, a band of cagers who are allergic to afternoon competition but rate with the best at night, draw the assignment of playing host to Bellows tomorrow night in SWIAC League clash that is labeled "crucial" for both quintets. The Huskies, who went on a spree to wallop the Panthers 47-37 on January 12, face virtual elimination from the current title-chase while the Rye Neck cagers are gunning for a revenge victory that would at the very least keep them tied with Edison Tech for the circuit leadership. Jayvee action will open the hoop program at 7:30 P. M.

While the Panthers and Huskies are looked in combat, Edison will try for its sixth loop win at Pleasantville, and Eastchester will battle it out with Rye for the cellar. Only the Garnet have been soft touches in the Southern Westchester loop of late so perhaps Edison will encounter a stumbling block at the home of the Green-Panthers.

Thus far, Harrison has split 12 tilts, owning a 4-2 league record. The odd thing about the Huskies is their inability to click in afternoon frays. Tuesday they lost their fourth daylight tussle in six tries, bowing to Iona Prep for the second time this campaign. Tony Marchione, their best outside set shot, did not play against Iona and it is rumored *that his bad ankle will not yet* enable him to see action. However, Bellows brainstrusts are going under the assumption that Marchione may have been rested for the more important league tilt tomorrow.

In addition to Marchione, the Huskies have rebounder Joe Stritzke, who was a real thorn in the Panther side last time, plus steady ball-handlers Richie Hicks and Vin Carlin. Stratace is the lad with the height and he poses a problem for the locals.

Tigers Terror

While their cross-town counterparts have everything at stake, Mamaroneck can lose just about nothing except another ball game when the fast-fading Hilltoppers go to New Rochelle tomorrow night. Rocky Cirsco's scrappy but erratic youngsters have already disappeared out of the WIAA picture on six lickings but a ball *game is a ball game and they* never stop trying; which is a tribute to their spirit.

New Rochelle, on the other hand, snatched up the WIAA lead last week when Yonkers was stabbed by Roosevelt and the Purple Wave has no intention of falling off the top rung. In Jesse Arnelle the Huguenots have one of the most prolific scorers in the country's cage history. Big Jesse has burned the cords for 319 points in 11 contests, an average of 29 per outing and he has not been held under 25 in the last four times out. When the Tigers opened their season on a 62-45 losing note, Arnelle knocked in 37 points. He and Bill Billups were the chief offensive threats, but now Leroy Scott, a 6-5 ringer like Arnelle, is rapidly forging his way into the limelight. With that tremendous rebound strength the Huguenots have copped 10 out of 11 games to White Plains *early in the season by three-*points.

Mamaroneck, though lacking height, has scoring power and perhaps, Tom Carino and Bobby Rex can lead them to a startling upset win.

Frat Kegling Moves Along Shutout Path

The Vigilantes upset the Mamaro Foxes to the solid tune of a shutout at the Mamaroneck Rec last night and the other Fraternal kegling encounters wound up in clean sweeps too as Kiwanis and the Odd Fellows rolled back the opposition and Mamaro's FWD took a forfeit from the absent Pyats.

Roy Zimmerman, Jr., was able to take series honors on a 518 pinfall as the entire loop ran inconsistent. Topping the circuit in one-game scores were Havlicek and Palagonia, a pair of Odd Fellows, who rapped identical 198 tallies.

The scores:

Legion (0)				Odd Fellows (3)			
Cirsco	158	134	170	Kish	169	144	134
Vitella	135	146	178	Palagonia	198	135	198
Von Mohn	139	166	149	Verdi	134	135	141

Seniors Take Intra-Court Title At BHS

The Seniors wrapped up the Bellows Intramural basketball title *yesterday afternoon* by thrashing the Frosh, 39-29 during the final program of the campaign. Unstopped during the six-week season, the '51 grads displaced the Class of '53 as intramural champs of the Rye Neck school. Many of the cagers on last year's title-taking unit are now members of the Panther varsity and Frosh's setback yesterday was only their second of the term, both of which were administered by the new crown-wearers.

The *contest yesterday* was close during the first three sessions but the Seniors caught their second-wind in the home stretch and poured on the power. The Frosh had led, 21-19 going into the fourth session but a 20-point burst shelled them under.

Top scorer of the game was Don Dahlgren who swished 19 of the winning output while Frank Calarco tallied 12 in a losing cause.

In the other encounter yesterday, the Sophs forged into the winning column for the first time by turning back the Juniors 26-22. Tommy Ohlips of the winners and Hoffman of the third-year cagers tied for scoring honors with 10 tallies each.

EXCHANGING left jabs, Jake LaMotta, left, provokes a grimace on the face of Sugar Ray Robinson and gets one himself in the first round of the middleweight championship bout at Chicago Stadium last night. Robinson won the crown on a technical knockout in the 13th round. —Associated Press Photo

Ray Robinson Pummels Jake, Changes Titles In Same Ring

CHICAGO (AP) — Sugar Ray Robinson today became the first man in ring history to win one championship and lose another all in the same battle.

The rhythmic New Yorker, defeated only once in 124 contests, last night won the world's middleweight championship by hammering durable Jake LaMotta, 160-pound title holder, to defeat on a 13-round technical knockout before 14,802 frenzied spectators in the Chicago Stadium.

As his *right-gloved fist* was raised in victory, Robinson automatically relinquished his welterweight crown. He was forced to surrender it under a ruling of the National Boxing Association and also by decision of Eddie Eagan, chairman of the New York State Athletic Commission, which operates independently of the NBA.

Jake Completely Exhausted

LaMotta was in an unfavorable condition for two hours after he walked from the *ring* under his own power. He was immediately administered oxygen when he reached his dressing room. He was completely exhausted and suffered chills.

Dr. J. M. Houston of the Illinois Athletic Commission and Jake's own personal physician, *Dr. Philip Burnori, New York,* remained in constant attendance until he was able to leave.

The attendance gate was $180,-619 and the net was $138,939. The attendance exceeded expectation despite television and its estimated 30 million viewers. LaMotta's share of the gate was $62,-520 and Robinson received $20,-640. Each fighter also had a TV cut of $1,500.

LaMotta held the middleweight championship two days short of 20 months. He won it from the late Marcel Cerdan of France at Detroit, June 16, 1949. He successfully defended it twice. Robinson had ruled the welterweights since Dec. 20, 1946.

On His Feet at End

The rugged LaMotta, never knocked off his feet in 99 *contests*, retained this dubious honor in losing to Robinson. The bout was stopped at 2:04 of the 13th round.

The "Bronx Bull" was battered into a state of helplessness when prompted referee Frank Sikora to step between the men and order Robinson to his corner.

LaMotta, the only man ever to defeat Robinson, never fought more determinedly than he did last night. For eight rounds he actually forced the battle. He bothered the confident Robinson with resounding body blows and jolting lefts to the head and often forced him into retreat with his two-fisted attack.

The jolting LaMotta had the spirit to triumph, but did not have the stamina for the 15-round championship route. He outweighed Robinson 4 1-2 pounds, scaling 160 at yesterday's weigh-in.

The tide turned in Robinson's favor in the ninth round when Jake began losing his aggressiveness and ability to escape from Robinson's shattering punches. He turned into little less than a target for the welterweight champion.

Jake was virtually helpless all through the 13th as Robinson stung him with every blow he could pitch. The wilting LaMotta sought the refuge of the ropes and was unable to fight back.

The contest, now one-sided, continued into the 13th and although the outcome was obvious the crowd was cheering wildly that LaMotta was still on his feet as Robinson whaled away at him.

CONOVER'S CRAFT TOPS FINISHERS

NASSAU, Bahamas, (AP)—The last of 17 yachts in the Miami-Nassau sailing race pulled into port today, completing the 184-mile deep-water journey.

First to finish was the Ticonderoga, 72-foot ketch owned by Allen Carlisle of Miami and chartered to Charles Granville of Wilton, Conn.

The "Big Ti," scratch boat in the 13th annual event, crossed the finish line at 5:13:23, yesterday followed closely by the Caribee, 57-foot yawl owned by Carleton Mitchell of Annapolis, Md.

The Malabar 13, a 53-foot ketch owned by Kennon Jewett of Miami, was third to finish, followed by the Flying Cloud, 58-foot yawl owned by Fred Temple of Toledo, Ohio, and the Revenoc, 40-foot yawl owned by Harvey Conover of Larchmont, N. Y.

The Revenoc had the best corrected time among early finishers with 26:30:17, followed by Malabar 13 with 27:06:39.

JUNIOR HOOP WINS TO MUSTANGS, RAVENS

In Junior Rec cage frays last night at Mamaroneck Avenue School the Mustangs battered the Redskins, 64-37 and the Ravens stayed unbeaten by trouncing the Forty-Niners, 41-18.

Point-making honors for the night went to Iannarelli of the Mustangs on a 16-markers effort while two Ravens Pinto and Pugliatti, R. Nolletti of the Redskins, and Roche of the Mustangs notched 14 apiece. Rigano, another Mustank, was a step ahead at 15 tallies and Amattino and Mayers of the same quintet also reached double figures, making it a big night for that club.

COOL OFF THE COACHES

Some observers—who incidentally don't claim to be experts—aren't so sure that a few of Westchester's basketball coaches couldn't use a refresher course on rules more than the much-abused officials. It has been brought to our attention that one or two, at the very least, mentors who have brought quintets to local gyms this season have been mercifully spared the lowering of innumerable technical fouls on their beaten brows through the generosity of the whistle-*tooting corps.*

I must admit that I have seen coaches storm onto the floor without going through the proper channels, shout strong language at the arbiters from the bench and in general be more of a menace to the hardwood traffic cops than the most outspoken fan ever was. Perhaps a blast toward the boisterous pilots from the men in striped garb would help tone down the deafening roars and mass confusion that prevail when the spectators break loose in protest on a lead from their team's skipper. This is not a generality with the coaching profession. A vast majority of the county mentors conduct themselves in a manner befitting their station in life and set sterling examples for the lads to follow.

Regardless of your views on how the pilots should be handled, it is generally conceded that the court sport is developing so rapidly in the racehorse, high-scoring direction that no one on the floor can keep up with it. Thetes whistle-blowing is often the official's secret weapon against too rapid a fray and, in our estimation, the calling of infractions for slight "touches" during rebound scrambles is a device that arbiters should use only when the contest appears to be getting out of hand.

* * *

IF YOU CAN REMEMBER

The other night, after watching two schoolboy cage units tally almost 150 points between them, we recalled how, just a decade ago, court contests were considered horrendous if the final score was in the neighborhood of 40-30. The 26-18 and 24-22 counts were more common and eight or 10 markers was usually sufficient to earn high-scoring honors for a cager. The only thing linking 1940-brand basketball with the modern local version is that Bellows was clicking off its usual quota of wins and Mamaroneck not licked three out of every four.

Don't get us wrong, now. We wouldn't want that old defensive game back for the world. The current speed-burning type is A-1 *in the fan's book and our only suggestion is that the guy who sets* up the plays get a bit more credit than he has been drawing. After all, height is a vital factor in every good court team and the big guy can gather up 20 points for himself without any trouble at all while the "midgets" under six feet are battling for the left-overs. Let's herald the play-maker and take a little of the glory away from the beanpole who just dunks the easy layups after pass-offs from the hard-working little-man.

* * *

IT'S TOURNEY TIME

Although the collegiate cage tournaments are still in the future and just mentioned idly at the present time, the Westchester amateur tourney season is upon us. *Center of this county's basketball tourney interest usually is the Rye Pioneer* annual get-together and 1951 will be no exception. Based at the Rye YMCA, the Pioneer athletic organization gives the area amateur court scene a shot-in-the-arm by presenting an elimination affair that not only is straight-forward in its policy toward the customers but *ordinarily offers the very tops in court shows.*

This year the Pioneers have extended invitations to quintets from Port Chester, Larchmont, Rye, Hastings, Bedford, Yonkers, New Rochelle, the Bronx and Mount Vernon. That about makes it representative and, with three undefeated quints involved, the tourney, which gets under way Sunday afternoon, looks like it will certainly lure big crowds.

Local Artists Invited To Enter Club's Annual March Art Show

Plans for the annual fine arts exhibit to be held March 29 and 30 in the gymnasium of the Chatsworth Avenue School under the sponsorship of the Art Department of the Woman's Club of Larchmont, are announced today by Mrs. John Hay, vice-chairman of the Art Department.

All amateur and professional artists in the community are invited to enter their original works in oil, water color and the graphic arts. Invitations have been sent to former exhibitors, and new artists wishing to exhibit are requested to notify Mrs. Thomas P. Lennon of 14 West Drive, Larchmont.

Pictures to be entered are limited in size to 34 by 45 inches, with two exhibits permitted each artist and there will be a small hanging fee for each painting. Teen-agers are not required to pay the hanging fee.

A group of well known artists will judge the show, according to Mrs. Charles Nager, Art Department chairman. The winning painting will be entered in the fifth annual Westchester Federation show to be held in April at the Hotel Gramatan, Bronxville, in competition with prize winning entries from other county club shows.

Ceramics and sculpture will be received for exhibition only, Mrs. Hay said.

Finance Topic Of LWV For Study Groups

"Federal Finance" is the subject for study by the five discussion groups of the League of Women Voters of Mamaroneck during the month of February, with Mrs. Elmar C. Anderson as resource chairman for the study.

The Thursday evening group, of which Mrs. George Kent is leader, met yesterday at the home of Mrs. Bernard Corbett, Hawthorne Gardens, Mamaroneck. Mrs. Bernard Steinzor, group resource chairman, conducted the meeting. Reports were given by Mrs. Howard Podell, Mrs. Paul Hoeber, the Misses Helen and Olive Snow, and Mrs. Steinzor on inflation, the new wage and price control order, a national sales tax, President Truman's proposals for raising 10 billion dollars in new taxes, and highlights from the report of the Committee for Economic Research on Paying for Defense.

Other group meetings are being held during the month at the homes of Mrs. Howard Podell, Mrs. Louis Davis, Mrs. John Hutchens, Mrs. Charles Denny, Mrs. Clement Cook, Mrs. Bertha M. Gordon, Mrs. John Moore, Mrs. Marvin Lee, and Mrs. Erik Von Spaeth.

A study of collective security commitments under the United Nations and the North Atlantic Pact will be the subject of the March meetings.
