

LOOK OF SPRING COATS. First left, Bonnie Cashin's cheif's collar coat in beige fleece lined with matching silk.

Weather May Belie Fact, But It's Spring Coat Time

NEW YORK—Since the risks in the constantly changing fashion business make the stock market seem a sure thing, by comparison, its practitioners are prey to an occupational debility: they often lack the courage of their own convictions.

Here I've been bragging how many have sacrificed their more lucrative suit collections in favor of wool all-weather clothes that people can live in for six solid, consecutive months.

And what happens? Even before everyone East of the Rockies can dig out from under the mantle of ice and snow, they break out their nice, thin Spring coats. Drrrr. By thus playing both ends against the middle, they of course hope that you and your dollars won't be deflected away from them.

They aim to get you coming and going, and they're not to blame. For how many years did you flock, obediently, to August fur sales in mid-July before most stores were even air-conditioned? Your own memory will afford solid instances.

And the heck of it is that you'd better heed their call, for that simple reason that if you wait until Spring coat weather you'll have slim pickings. The coat you'll want is likely to be bought within a few weeks—by you or by someone else.

And there is plenty to get lyrical about in this season's coats. They are made of airy, feather-weight, thin-as-a-dress fabrics, including hopsacking and richly textured cottons that will be perfect to take along on an August vacation.

St. Thomas's Church Is Scene Of Local Prayer Observance

The local observance of the World Day of Prayer will be held on Friday, Feb. 25 in St. Thomas's Church, Mamaroneck, Mrs. James B. Hunter, general chairman for the event, announced today. The services, held in 128 countries around the world on the same day, are sponsored in this community by the United Church Women of Larchmont and Mamaroneck.

Everyone is welcome at the services, Mrs. Hunter stressed, whether or not their church is a cooperating member of the group. The service will start at 11 A.M. and, in addition to the corporate service, the Rev. Arnold A. Fenton of St. Thomas's will give a short talk on Prayer.

Themes for the 1953 observance is "Abide in Me" and the service was prepared by Miss Joregolina Koskela of Duquesne, Argentina, a minister of the Disciples of Christ.

New an international event, the World Day of Prayer dates back to 1887 when a nationwide day of prayer for home missions was inaugurated. In 1929 Canada joined the United States in the observance of the day and in 1927, at the request of Christian leaders in other lands, it became a world-wide service.

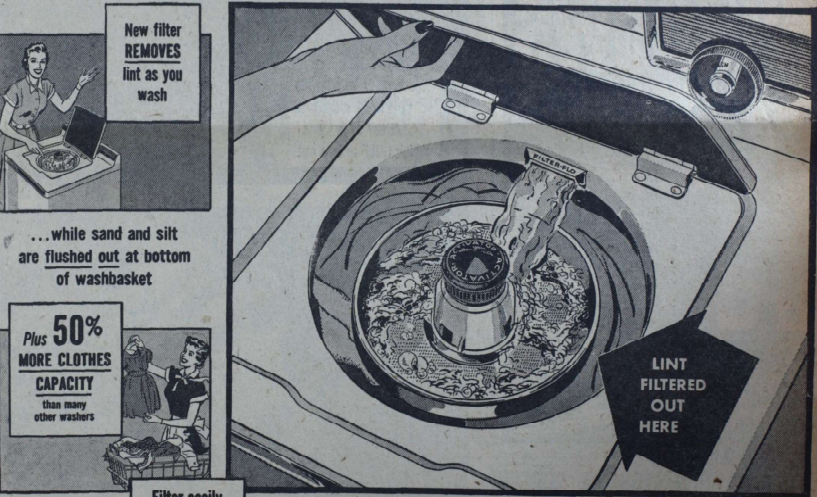

The days services begin on Tonga Islands, west of the date line, where Queen Salote leads her subjects in prayer; and they continue around the globe until darkness settles over Alaska 24 hours later with the final service being held on St. Lawrence Island, Alaska.

Purpose of Day
The purpose of the World Day is to unite all Christians in a bond of prayer and to make an offering for Christian missions at home and abroad.

MHS, Minus Lapolla, Loses Tilt Off Boards

With Nick Lapolla missing most of yesterday's game due to a tooth abscess, Mamaroneck hit proved unable to match White Plains' rebounding prowess...

After closing the score to 13-12 early in the second quarter, the Tigers rated out of contention, never being able to bounce back into the affair...

Bob Johnson and Joe Materic were the big scorers for White Plains, collecting 23 and 19 points, while Mamaroneck's Paul Cunningham earned four field goals and seven charity tips for 15 markers.

A set shot by Steve Clow and three buckets by Johnson enabled the Finians to surge to an 8-0 lead early in the initial stanza.

Tigers Battle Back Don Rigano's layup placed MHS in the scoring lead with Graham Best paving the way. The Tigers narrowed the score to 13-12 at the end of the quarter.

A three-point play by Rigano cut White Plains' margin to 12-12 but Johnson's jump shot and two connections by Hal Fitzpatrick...

Materic netted three foul shots before Best scored for Mamaroneck to make the score 22-21. The half ended with the Finians holding a 29-21 advantage.

With MHS facing a 49-29 period deficit, Cunningham found the hoop with regularity, sparking a Tiger rally which narrowed the margin to 31-40. Time and Ron Davis' rebounding proved instrumental in preventing the transformation of the surge into a definite threat...

It also marked the first time since the opening game that Lapolla slipped out of double figures.

Malz-Gracers Top Florists, Tie For Lead

The Malz-Grace bowling team defeated the Florists at the ABC alleys last night, 2-1, moving into a first-place tie with the ABC Florists in the Friendly Village League.

Dinesup used the league-leading Keglers, 2-1, as none of the ABC six wingers were able to register even close to the below average 400 mark.

Ray Hendrickson's 437 led Carl Kray's 421 in a 2-1 victory over the Maurenses. Midge Castaldi's 435 was high for the losers.

Rickie's 463 total and 118 game enabled the Paramounts to edge the Keglers, 2-1. The effort garnered loop laurels.

Many Saunders posted a 422 total as the Dittman halted the Romans to complete activity, 3-0.

Section 1 Court Tourney To Start March 7; Loucks Names Aids

Westchester's basketball tournament of champions—the annual Section One executive committee is composed of Dudley Hale, superintendent of Orling School; Jack Jarvis, athletic director at Eastchester High; and Tom Manning, superintendent of Millbrook High. Fred Cousins of Orling is secretary.

Qualifying round robin play is scheduled March 7 at points in Westchester and Putnam Counties.

Finals will continue through the week, with semi-finals at the County Center, White Plains, March 11, and the finals at the County Center on March 12.

Four Classes Back Friday night's meeting will deal mainly with school classification, breaking down the participants by class on either total or boy enrollment.

Roosevelt High of Yonkers, which went through the entire season unbeaten last year, was the only winner last year. Erye topped the B crown and Pine Plains the C. There was no D class last year.

It's a little early to forecast the probably journey lineup, but it is safe to assume that the following schools will be invited: the probably journey lineup, but it is safe to assume that the following schools will be invited.

White Plains men captured three of the four quarter-final matches in the Westchester singles handball tournament at the YMCA last night, with defending champ Larry Kotal of Yonkers the only survivor outside.

Kotal rallied twice to defeat Dominick Carpenito of White Plains, 2-0, 21-15.

A change in strategy spotted in victory for Nick Iannotta of White Plains, as he defeated last year's runner-up Jim Maloney of White Plains, 17-21, 21-10, 21-10.

In the semi-finals today Paul Marcell will face Tambola at 5:00 P. M. and Marcell will meet Kotal at 8:30.

Roosevelt and New Rochelle kept abreast in front of the WIAA pack, each standing 5-1. Roosevelt's defenders did it with their set against 57-47 over Yonkers in a game of many errors and many Indian substitutions. Seth Waver in a 71-51 struggle from Gordon, dropped another 10 points led by Roy Loucky of Travis in their battle for league scoring honors. Although all three lost by 53-47 to Port Chester, Lundy poured in 30 points, has totaled 208 in 10 WIAA scrags and—though playing one more league game—leads Hicks by 40. Bob Johnson's 22 22 pace challenged White Plains' 65-49 step over league.

Mount Kisco strengthened its Putnam-Westchester position, 61-51 over Carmel, as 60 of the points were made by Bruce Anderson, 125 and John Yozzo (12). Lakeland and Brewster both lost to slide two and one-half games off the pace. Sam Sunday's 27 led Halford, 66-57, against the Lakes Hornets. Ossining and Alexander Hamilton also produced new individual record scores. Tim Cousins bettered his own Ossining mark by 18, 87-52. It was the Indians' 15th win in 14. Art Weiss tallied 36 for a new Elmford High in a 66-45 upending of Tuckahoe.

Elsewhere, Pelham's mark reached 9-3 against Edison, 57-39. Doug Johnson netting 30, Brunswick stayed undefeated in

Olson Big Favorite To Beat Jones Tonight

CHICAGO (AP)—Ralph "Big Boy" Jones, upsetter of Sugar Ray Robinson's month ago, is finally making a comeback in a midweek fight against Ezzio Olson in a non-title 10 rounder tonight at Chicago Stadium.

The confident Yonkers, N. Y., boxer has been installed a favorite underdog against the five-fight veteran Olson in the ring.

The fight will be televised nationally (CBS) starting at 10 P. M. and is expected to attract 7,500 fans. Illinois uses the point system of scoring, with a maximum of 10 points a round.

It should be an interesting affair with Jones, once the third ranked middleweight contender, trying to swam over Olson for a victory—or at least an exceptional showing—that could earn him a shot at Bobo's crown later.

Olson lost five straight before boxing his ego against Sugar Ray. But he never has been knocked off his feet in five years as a pro and has won the best in the 160-pound division without picking his spots.

Jones record: 33-12-3. He outboxed Johnny Dratton, kayped Buddy Eyles, and hockey Casellani on the floor and lost one-point decisions to Kid Gav.

Rye-Harrison Clash In Big Game Friday

Rye and Harrison quintet put the focus on their Friday night clash at Harrison by romping to Southern Westchester Interscholastic Athletic Conference triumph during yesterday's county schoolboy game program.

Blasting Pleasantville, 57-42, with a strong second half, the Rye Garnets kept their SWIAC pace with a 9-1 record (112 overall), with Mike Kostycki marshaling 24 points. The Huskies, sparked again by Frank Coltrichman, who hit 21, avenged an earlier loss, 37-39, while winning their eighth straight, 11th in overall, and hold an 8-2 circuit mark.

Hastings Five Nets 27 Foul Shots, Rips Bellows In SWIAC, 71-53

4 PANTHERS HIT DOUBLE FIGURES

Scoring with 27 of 30 free throws, Hastings High School also found time to match the 22 field goals of Bellows and a 71-53 SWIAC decision yesterday at the HHS gym.

Despite placing four players in double figures, the Panthers were unable to cope with their opponents, who established permanent residence on the foul line.

The result was the 12th setback in 13 starts for the Bellows cagers, who will attempt to move out of the SWIAC cellar when they entertain Edison Tech of Mount Vernon Friday.

Also remaining on the Panther schedule are Blessed Sacrament, Washington Irving and Holy Cross.

Hastings Gains Lead

Hitting with good accuracy against a 2-2 zone employed by Bellows, the Yellow Jackets jumped to a 18-11 first-quarter advantage. Norm Brady, Lin Bradt, Walt Schmidbauer and R. C. H. E. Mullen kept the Panthers in the contest during the remaining quarters, but never were able to make up the early lead Hastings had gained.

The fourmen garnered 44 of the team's 51 markers, with Nat Hutchenbaur, Kent Woodward and Frank Quintan completing the scoring.

Bill Rife of Hastings copped scoring laurels with four field goals and nine charity flips for 17 points.

Coach Jack Hasley was handicapped by the loss of Charlie Decker and John Placini who missed the game due to illness.

The loss of Decker, team's top scorer, and Placini, who has developed into one of the club's most potent point producers, hindered the scoring potential of the Hastingsmen.

Ed MacDonnell's lead guard, with one minute remaining in the nightcap provided Bellows with a lead and the margin of victory. Tom Landry's two fouls for the Hastings junior varsity narrowed the score to six and completed the scoring. MacDonnell finished as the game's top cager with 10 markers.

Bridgeport, Iona Play Tonight In Bridgeport

By BOB DOYLE

Fresh from a great 85-52 upset overtime victory over Amherst Saturday night in Amherst, Coach Jim McDermott's Iona College basketball team will try to win its third game of 1955 and second in a row, when it meets the University of Bridgeport tonight in Bridgeport, Conn., at 8:30.

The Gaels are in high spirits after the Amherst triumph and should be in a position to give Bridgeport, which has an 8-10 record, a stiff argument. Wally McCarrill is a star, having led off against Amherst with 19 points.

Team Has Minor Ills

Late yesterday afternoon, Jack Padano was suffering from a knee bruise; McCarrill was absent from school with virus; Tim Sullivan reported a sore ankle; and Andy Rasoli stayed home because his father was ill. None of these inconveniences is considered serious and all players are expected to be ready to go tonight.

McDermott said yesterday that Iona, with nine wins in 16 starts, will use LeRoy Scott and Dick Barry at the forwards; McCarrill at center, with Jack Padano and Ed Lehoucq at the guards; if McCarrill is unable to play, he will be missing his first varsity game ever. His position will be taken at center by LeRoy Scott with John Buckley moving into the starting lineup at forward.

Nose Healed, Rocky Waits Cockell Jabs

GRENSINGER (AP) — England's pugilist Don Cockell will get the first chance to put heavyweight champion Rocky Marciano's battered and vulnerable nose to supreme test in a title fight in May. The site probably will be San Francisco's Keeney Stadium.

After watching his heavily protected meal ticket box three rounds with apraxia, manager Jim Simmons yesterday, manager Al Weil said he was satisfied with the conditions of the champ's schnozzola. No blood was shed. Al immediately pronounced Rocky fit for duty and surprised no one by announcing that Cockell, the twenty-six-year-old British Empire king, would be the opponent.

Although he mentioned London as a possibility for the site of Rocky's fifth title fight, the round manager has favored San Francisco all along. He said he had been assured that the fight could draw \$1 million in the Golden Gate area.

Rocky, undefeated in 47 pro bouts, received the nose injury in his eight-round knockout of Ezzard Charles last September.

Big Entry From Westchester In Westminster Dog Show

NEW YORK — Westchester-owned dogs — representing their biggest entry in the show in its 70th Westminster Kennel Club dog show, ended a two-day stand at Madison Square Garden.

The major award, best in show, went to a dog owned by Dr. John A. Saylor of Long Beach, Calif. Kippax was the non-sporting winner in advancing to the final.

Irvington Dog Wins

Westchester's major winner was the Saluki Hound, Ch. El Retiro's Harm Al Rashid, owned by Anna Marie Palermo of Irvington, who repeated as a breed winner.

Two Greatwich Cunn. dogs also repeated as breed champions. They were Ch. Empress's Lady DTS, a non-sporting Doberman terrier, owned by Mrs. Fred H. Lucas of Greenwich, and the sporting Welsh Corgi Pembroke, Kaydon's Happy Talk, owned by the estate of Mrs. J. Donald Duncan.

The hosts are expected to use Larry Baich and Stan Silverberg at forward, Jim Daviss or Jack Liggins at center, and Ernie Amarel and Bill Duggan at the guards. They are coached by Herb Glines, now in his 10th year.

After tonight's game, Iona rests tomorrow before leaving Friday morning for a game against Catholic Saturday night in Buffalo Auditorium.

"I was planning to buy a 'A' when my neighbor let me drive his new Plymouth. That smooth ride changed my mind. I changed to Plymouth, a 'B'." — Claude L. Council, Washington, D. C.

"That sleek new styling made me switch to Plymouth this year. It looks like a dream on wheels, and that's the way it rides!" — Claude L. Council, Washington, D. C.

"I shopped around carefully and switched from car 'B' because Plymouth was way ahead in size, riding comfort and in appearance." — Clarence Knudt, Chicago, Ill.

"My wife likes Plymouth's styling. I like its power. And with our six grandchildren, Plymouth's extra safety features are all important." — John A. Barn, Pittsburgh, Pa.

"I looked at all 3 low-price cars carefully, in styling, in comfort, and in roominess. I found the new Plymouth won a mile!" — Joseph H. Nelson, Newbury, Ohio.

"I used to drive car 'A' but I'm glad I changed to Plymouth this year. It's so much bigger it's hard to believe it's a low-price car!" — Kermit C. Lee, Minneapolis, Minn.

"I compared Plymouth and the other two low-price cars carefully. Plymouth got my vote for three reasons: styling, size and comfort!" — C. Dale Warren, Portland, Ore.

Detroit Leads NHL After Visiting 'Cousins'

By The Associated Press

The Detroit Red Wings were back in first place in the National Hockey League yesterday, winning that five more clubs in the circuit were named the Chicago Blackhawks.

When the defending champion Red Wings need a victory all that seems necessary is for them to play the Hawks and presto—two more points for Detroit.

New Haven To Ease Crowding; Thruway Stalls Parking Study

By ELISABETH DAVIS
NEW YORK—Nothing can alleviate inadequate parking at New Haven railroad stations in Westchester until the new New Haven Thruway is complete, Patrick B. McClinton, railroad president, said today at a news conference. The railroad, he said, is working to ease the overcrowding of trains and is contemplating replacement of 46 antiquated stations.

The conference was called following returns of about 10,000 questionnaires from commuters regarding complaints or suggestions on railroad service. Twenty-five thousand of the blanks had been sent to Westchester and Fairfield County, Conn., commuters.

Overcrowding of trains was the chief complaint of the riders, Mr. McClinton said. Much overcrowding is caused by the required arrival of 30 trains at Grand Central between 8:30 and 9 A. M. over both the New York Central and New Haven Railroad, he said. The trains discharge 1,000 persons a minute, he pointed out.

As possible solutions to overcrowding, he said, he is planning a reverse signaling system to take effect possibly in a year and a new signaling system with New York Central to end local stops by the Central in New York during the 200-foot run. The reverse system would allow inbound trains to New York to use certain ground tracks during rush hours. Ending local stops would leave another track free, he said.

One of the first dial phones to be installed in Larchmont in preparation for the change-over this Summer to dial service took place last week at the home of Mrs. Frank J. Foley of 14 Beverly Place, Larchmont, Mrs. Foley is shown above as J. W. Virus, telephone installer, brought the new equipment to her home. The dial installation will require a change in exchange designation as Larchmont 2 will become Tennyson 4, company officials had stated—Staff Photo by John Marcone

Record On Records
A sound recorder, an electrical recording device, was used for the first time last night at a Town of Mamaroneck Council meeting. Albert E. Fosahy of the Sound-Scoring Dictating Equipment Co. of White Plains handled the recording during the two-hour session.

Crying Need
There's a crying need in several families for baby cribs and carriages. It was announced today by Mamaroneck Health Center authorities.

Health Center nurses uncovered the need in making their normal rounds to assist new parents. The nurses have volunteered to act as go-betweens between parents who might have cribs and carriages which are no longer in use and families where they are badly needed.

Prospective donors should not deliver the equipment to the Health Center, since no storage space is available, but the equipment may be made to the Center, MA 9-8888, and arrangements will quickly be made to take the cribs and carriages to homes where they are badly needed.

POSA To Celebrate
Mamaroneck Camp 53, Patriotic Order of Sons of America, will mark its 50th anniversary with a dinner at 7:30 P. M. in Masonic Hall, Mamaroneck, on Feb. 17.

Robert Filmore is chairman of the committee in charge of the event and is assisted by George Harns, Ernest and Edward Boston, Walter Cornell and John Landefeld.

The dinner will precede a meeting at which Ross Archibald will preside.

Burke Reappointed
The Town Council last night reappointed Marvin Burke Jr. to membership on the Town Zoning Board of Appeals. Mr. Burke, of 4 Locust Ridge Road, is also a member of the Town Planning Board.

A 15-year resident of the Town, Mr. Burke is a graduate of Manhattan College and the Fordham University Law School. He is a member of the John Jay Paul's Club, Larchmont, former president of the Larchmont Men's Club, a member of the Board of Directors for the Red Cross, and a member of the Larchmont University Club and the Larchmont Yacht Club.

He is married and has two daughters, Sandra, sixteen, and Susan, fourteen, both students at the Rose Country Day School.

MAMARONECK, N. Y., THURSDAY, FEBRUARY 17, 1955 SERVING MAMARONECK AND LARCHMONT SINCE 1925 SEVEN CENTS

Democrats To Run Heffer And de Shaw; Larchmont Race

Both Parties Agree On Fusion Slate For March Election
Despite rumors to the contrary, Larchmont Village chairman of both the Democratic and Republican Parties today stated that opposition to a fusion slate is not expected to develop at caucus next week.

Both parties agreed to support the fusion slate of Edward E. White and Vincent J. Monte-Sano and Edward P. Meehan, chairman of the Village Democratic Committee, said that an accord had been reached between the two parties on the following fusion slate:

For Mayor—G. Crawford Edie For trustees for two years—Vincent J. Monte-Sano and Edward E. White. For trustee for one year—Hebert Davidson. For police justice—John Callahan. The fusion slate would contain the names of several years of giving the minority party representation of the Village Party through the reelection of Mr. White.

Republicans will caucus at 8 P. M. Monday in the Municipal Building and the Democrats will hold their caucus at 9:30 P. M. at the same place. Mr. Edie was named mayor in the 1952 election and is expected to become Westchester district attorney. If elected, he will serve the one-year unexpired term.

Both Mr. White and Mr. Monte-Sano were elected themselves for two-year terms as trustees under the fusion slate. The one-year trustee term for which Mr. Davidson was elected, is the result of his appointment to the Board when Trustee Edie was named mayor.

PLEA BY REVILLE DENIED BY BOARD
Larchmont Zoning Board of Appeals last night denied a plea to permit occupancy as a one-family dwelling of a two-story garage building, reserved for use as a garage, on a plot to replace a residence with a new structure, and granted unopposed applications to erect a business building, to divide equally a 20,000-square-foot plot on Beach Avenue, and to erect a new funeral home structure at 80 Larchmont Avenue.

RED CROSS DRIVE ACTIVITIES SET
Every Family In District To Be Contacted In March Campaign
The importance of a well-knit organization of workers and supervisors for each district in the 1955 Larchmont Red Cross Drive in March was stressed at a meeting of district chairmen, held at Red Cross headquarters, 121 Larchmont Avenue, Sunday afternoon, Feb. 13.

Mr. Meighan pointed out that the entire land parcel contains 43,000 square feet on which are two structures, the main house and the garage structure which has always been used as a dwelling. He contended that it is not a garage as an adjunct to a house but a substantial structure with six rooms and bath on the second floor and garage, hobby shop and sunroom on the first floor. He stated that the structure of the present structure would not be permitted if a new structure were to be erected, but submitted letters and discept of telephone calls from neighbors.

Nominees Pledge Drive 'To Wake Up People Of Mamaroneck'

The largest Village of Mamaroneck Democratic caucus in recent years last night unanimously nominated Jerome Heffer, 541 Clavin Avenue for the mayoralty and Elton R. de Shaw of 226 Knolls Avenue for the seat of retiring Trustee Ralph H. Mann. There was no contest.

Mr. Heffer pledged a vigorous campaign to "wake up the people of Mamaroneck to what has been going on in our town's forward-looking administration."

Mr. de Shaw stressed the need for technical knowledge on the Village Board.

Both choices of the Mamaroneck Democratic Committee, Mr. Heffer, a lawyer characterized as a protector of zoning, will run against incumbent Mayor Edwin B. Dooley, and Mr. de Shaw, an architect specializing in school construction, will oppose Alfred H. Schaffer, if the Republican caucus tonight follows its committee's recommendations.

More than 100 persons filled Carpenters Hall during the half-hour business session, chaired by Francis McGonough.

Mr. Heffer was nominated by Robert M. Jensen, treasurer of the village committee, who pointed out that his candidate is a very vigorous defender of the village's zoning laws, having resisted all efforts to encroach on AAA zoning on Orietta Point. Mr. Heffer has been a Democrat all his life and has worked many years for the village's active in civic affairs, having served on school committees and in the Orietta Point Association. We can be proud of him as mayor."

Seeded by Mrs. O'Connell, the caucus was presided over by Village Trustee Joseph O'Connell, who said, "The mayor of Mamaroneck must like his community." Mr. Heffer has served his community constantly.

Tentative Plans Laid For Next Season By Association
Tentative plans were made and committees named for the 1955-56 season at a meeting last night of the Larchmont-Mamaroneck Community Association in the Mamaroneck Woman's Club.

Mr. Ciraco is president of the Mamaroneck Amateur Club. He will be master of ceremonies.

'Average Better' Blistered Jury Rips Gambling 'Softness', Urges New Court, Strict Laws

By JACOB MORTIMER
The jury voted indictments which resulted in subsequently reversed gambling conspiracy convictions of Milton A. Gibbons, Tuckahoe Mayor, and Harry Hayes of Yonkers. A former charge against a similar charge against Gibbons, Eastchester Democratic leader Joseph Venturi was dismissed when the convictions were reversed.

The jury particularly looked into gambling in Mount Vernon. Its report said it found book-making "widespread" in "our community"—presumably Mount Vernon—but that arrests and convictions were also numerous in the local court.

It said it found no evidence to warrant further indictments. In its recommendation for the new court, the jury said the county should be divided into at least five sections, with a new judge to be elected at large to rotate within the sections.

Presently, the jury said, there are three local courts with jurisdiction. (Turn to Page 2, please)

Van Law NAMED CHIEF PRESIDENT Staff Elected At Annual Meeting of Larchmont Directors

Jesse M. Van Law, Larchmont Community Chest board member since 1952, and chairman of the Chest campaign in 1951, was elected Chief President at the annual meeting of the board of directors last night in the library at the Larchmont Avenue Church House.

Other officers elected were: President, Mrs. Henry P. Trussell, second vice president, Mrs. Zoe Leitz, secretary, and Harold A. Loewenblum, treasurer.

Louis J. Sanary, a director of the Rotary Club of Larchmont, was elected a new member of the board at the annual meeting, which preceded the board meeting.

Mr. Van Law was born in Mexico, the son of a mining engineer. He graduated from the University, he has resided in Larchmont since 1939. Iona Cagers Swamp Bridgeport, 78-58 For Tenth Triumph

BRIDGEPORT, Conn.—Wally McCarville scored 20 points and teammate Dick Barry 18 as the Iona College basketball team won its 10th game in 17 starts from the University of Bridgeport here last night in the newly renovated State Armory.

Approximately 1,000 fans saw McCarville play one of the finest games of his career, rather in-

13 first half rebounds, score taken from the bucket on jump shots and taps, and converted four out of five foul shots. Still, Iona was ahead by only two points very late in the first half.

Cunningham, Kearney Top MBL Scorers

Bill Cunningham of the last place Century Five and Tom Kearney of the league leading Knicks continue to pace the individual scorers in the Mamaroneck Senior Basketball League, according to figures released today.

Cunningham has fired 136 points through the hoops in nine games for a 15.3 average while Kearney has totaled 126 markers in eight frays for a 15.7 mark.

Top average man for the league, however, is Clarence of the Knicks who has played in only three games but has racked up 51 markers which figures out to an even 17 points per game.

The Monday night schedule for the title leader at Mamaroneck High School includes Crusaders vs. K.O.A.C., Century vs. Gaels, and Knights vs. Knicks.

TEZZI KEGLERS RAP CIM BY 3-0 MARGIN

The Tezzi boys haven't had a much luck lately in their weekly CIM's but when they do come up with an occasional win they do it in no uncertain fashion.

Last night at the New Rochelle Ice Alley, for instance, the Tezzis really went to town stomping the CIM's by a 3-0 score in a match that was just as one-sided as the result indicates.

Despite their win the Tezzis, however, had to yield individual honors to Vito Palazzolo of the CIM who, Palazzolo had a 121 game high in that department and a 300 total for top series for the night.

Rye-Harrison Game Tops Basketball Card

One title is on the line as six Westchester schoolboy leagues are involved in full basketball schedules tomorrow. A Rye victory at Harrison will clinch a repeat SWAC crown, but the Huskies duplicate their prior success over the defenders the two are likely to finish the campaign.

TIGERS, PANTHERS VITAL GAMES

Mamaroneck's Tigers, going nowhere in particular in the WIAA court, get a chance tomorrow night on the Mamaroneck Junior High School floor to put some life in the championship hopes of the Roosevelt Indians.

The Yonkers outfit, last year's WIAA title, is currently on the league lead with New Rochelle and is gunning for its second straight league crown.

Coach Bob Sampson's Tiger squad has won four league games and dropped five to tie for first place with New Rochelle.

Meanwhile, up at Bellows Jock Hasley's squad will be doing its mightiest to make a move to get into the SWAC crown. The team, suffering through the worst season in Hasley's long regime since the East End school will meet Edison Tech, an outfit which has won only two games all season.

At 8:45 A. M.—Knights vs. Trojans. 10:15 A. M.—Seminoles vs. Buccaneers. 11 A. M.—Crusaders vs. Spartans.

Marquette '5' Beats Bradley For 20th Win

This was supposed to be a long, hard winter for Marquette in college basketball, but Spring has mustered out all over for the Warriors.

They weren't expected to have much this season and Coach John Nagle was pessimistic despite 10 returning lettermen. He assured they wouldn't be able to improve much on their 11-15 record of last season. That prospect changed its opinion when Marquette dropped its opener to Michigan State 87-72.

Which Pats Big Return At That Point, though, Nagle in his second year with the Warriors, changed his style and gave his boys their head on the court. He's had a three by the end of the first quarter.

Marquette ripped through its 20 consecutive victory since last season's opener by beating Bradley 93-53 last night. That gave the Warriors, No. 6 in this week's Associated Press poll, an 86-point average in three games.

The second longest streak was upheld to 18 by San Francisco. No. 1 team in the nation, as the Huskies whipped St. Mary's (Calif.) 63-37, Big Bill Russell, San Francisco's All-American candidate, scored 24 points.

Elsewhere, dirt-raked LaSalle, the NCAA champion, ho-hummed on coast trail, will be honored today on "Your Program" broadcast over WJAS at 5 and 6:30 P. M., and will be presented with a medal and certificate.

Lundy, son of Mr. and Mrs. Nathan Lundy of 53 West 3d Street, Mount Vernon, was specially cited for having scored 32 points against Roosevelt High, the defender, and 21 against New Rochelle, the two teams currently tied for the league lead.

The selection was submitted by Marty Weitzer, sports editor of the Mount Vernon Daily Argus. The selection was approved by panel members Len Buckton of Peekskill, Dave Buchanan of Scarsdale and Paul Kennedy of New York School for Deaf.

Purim Festival To Be Show At Temple

How to celebrate the forthcoming festival of Purim was demonstrated at a Purim Workshop and Open House on Wednesday, sponsored by the Larchmont Temple and the School for the Larchmont Temple Religious School. Open to all members of the congregation and sisterhood, the Workshop will be held at 8:30 P. M. in the Temple auditorium. Mrs. Robert P. Baumgart is chairman.

Assisting her are Mrs. Herbert S. Herman, Mrs. Horace B. Burnside, Mrs. Harry Shapiro, Mrs. Alfred W. Hiko, Mrs. Seymour Levy, Mrs. Milton Rosenberg, Mrs. Irving Peterfreund, Mrs. Michael Weiss, Mrs. Norman Sherman, Mrs. William Kahn and Sol Levin. The musical program has been arranged by Mrs. Eugene Parter and Mrs. Irving Shick.

Traditional refreshments will be served at the open house following the program, with hospitality in charge of Mrs. M. Green. The program has been planned with the assistance of Mrs. John Purth, Sisterhood religious activities chairman.

Reading Panel Stresses Need Of Home Help

"Reading is part of a child's total behavior, not a separate function," according to Dr. William A. Schofield, leader of last evening's panel discussion at the February meeting of the Barry Avenue P. T. A. "It takes more than a good teacher to get a child to read; there must be a good home situation and right parental attitudes," he continued.

Mrs. Elizabeth Gravel, school librarian, stated that children should know what they like to read—classics and modern fiction. "Even big children like to be read to by parents," she said. Parent panel members Mrs. Clayton Rawson and Harvey Clarkson agreed with Mrs. Schofield that crime comics and crime TV programs should not be allowed in the home. Crime comics show children, already interested, how to go "hot," said Dr. Schofield.

A brief business meeting preceded the panel at which nominations for next year's officers were accepted. A plan demonstrating the use of community resources, "World of the School Room" was shown. Mrs. Herbert Livsey spoke about Founders' Day. Refreshments were served by third grade mothers under the chairmanship of Mrs. William Hageman and Mrs. Warren Mallock.

Aladdin and His Lamp For Early Bird Show

"Aladdin and His Lamp," a feature, plus cartoon Cavalcade, will be shown at the "Early Bird" matinee at 10 A. Students Conduct All Classes At Bellows Annual Senior Day

That teaching might prove a rewarding profession was the conclusion reached yesterday at the annual Bellows High School, after members of the senior class had taken over the faculty duties and conducted all classes. This annual event is held for each senior class so that students may become more familiar with the role of the teacher.

Seniors began the day by signing the teacher's check in the office, and were addressed by Mr. and Miss by the underclassmen. Active conductive, Thomas Wilkinson opened the day with a public address system greeting. Seniors were in charge of home room duties and when the morning for the first year, they conducted classes for the entire morning, having prepared assignments in advance. Seniors were also in charge of the administration of the office, library, gym, nurse's office, and evidence office and study hall.

Following the morning classes, the senior luncheon was held, with seniors sharing faculty tables. Luncheon was prepared by Mrs. PATRICK Hurley, Mrs. Norman Buchanan, Mrs. W. I. Walker, Mrs. Eric Irving and Mrs. Thomas Noon.

Refreshments, volunteers from the Junior class, were Anne Phillips, Sue Speale, Linda Livsey, Ellen Kline, Frances Burke, Miriam Pitts, Katherine Puleo and Carol Wellman.

Following luncheon, short talks on the purpose of senior day were given by Dr. ALVIN MICKS, Miss Helen Williams, Mrs. W. I. Walker and Fred Crisp, acting coprin-

Music Night Will Benefit Youth Activity

How the youth activities program at the Westchester Jewish Center will benefit from the "Night of Music" concert was discussed last night at a meeting of the concert committee, with Edward Puritz, youth director, as the speaker.

The concert, to be held March 13 at the center, will feature Robert Merrill, Metropolitan Opera baritone, and the Philharmonic Symphony of Westchester, Simon Asch, conductor. Mrs. Henry Ziskin is chairman.

Mrs. Puritz reported on the organization of the youth program, noting that the different age level groups were in need of youth leaders, an arts and crafts activity room, gymnasium facilities, a reading and music library and a camera department. He also said that added personnel for leading the rapidly growing youth groups would be needed, and expressed his appreciation for the "Night of Music" benefit.

Others at the meeting were Mrs. Ziskin, Mrs. Irving Koolover, non-director, Mrs. Abraham Guterman, Mrs. Henry Herman, Mrs. Milton Drexler and Mrs. Alex Frank of the publicity committee; Murray Aizenstein and Mrs. Harry Kurland of the secretarial staff, and Mrs. Jack Novack of the ticket distribution committee.

Pvt. Robert K. Judd, above, son of Mr. and Mrs. Edward N. Judd of 3501 Inland Ave., Mamaroneck, has been assigned to Co. D, 35th Infantry Regt., of the 69th Infantry Division at Fort Dix, N. J., for eight weeks basic training.

A June, 1933, graduate of P. E. Bellows High School, where he was active for three years in basketball and track. Pvt. Judd attended Texas A. and M., College Station, Texas, and was employed by the Texas Company before entering the service.

Cop's Car Vandalized

"Vandalism might take place anywhere. Even to a cop's car parked in the Elm Street municipal garage at Mamaroneck police headquarters."

Pt. John Pendergast Jr. learned that yesterday when he tried to start his auto which had been parked from 4 P. M. to midnight yesterday.

The gas tank had been laced with sugar and the sweet spot through the gas line, the gas pump, and the rest of the mechanism before P. J. Pendergast discovered why his 1949 Plymouth wouldn't start.

The vandalism means a major repair job on the car and police are pushing an investigation to discover the perpetrator of the "prank."

Keel Thievery

Some larcenous individual made off with the keel of a General Clark yacht from McMichael's Boat Yard, 700 Rushmore Avenue, Mamaroneck, it was reported yesterday by the police.

The keel, according to Douglas Soper, foreman at the yard, was stored under a boat and its absence noticed only yesterday. The light and keel were in winter storage at McMichael's.

The thief must have used a truck to cart the iron keel away because it weighs in the neighborhood of 250 pounds, it is valued at approximately \$300.

School Board Reluctantly Points To Omission In State Law

The Mamaroneck School Board last night reluctantly denied the request of the Mamaroneck Police Benevolent Association for the use of the Junior High School auditorium for a benefit.

The Board action, taken on a 5-1 vote with Robert Duncan, board president, voting in favor of the request, was based on a "conflict" in New York State School Law applying to the use of school buildings.

The law permits use of buildings by organizations of veterans and organizations of volunteer firemen, but makes no mention of police.

Following its action the Board, on motion of Trustee Robert White voted to request the New York School Board to amend the law to permit the use of the buildings by police.

Salary Scale

In a lengthy executive session the Board discussed a proposed new salary scale which will be presented to the Mamaroneck Teachers Association this afternoon.

The teachers were represented at the session by John Sullivan, Superintendent of Schools, and Senior High School dean of boys and six other teachers.

The Board also resolved to congratulate Superintendent T. James Ahern on receiving the B'nai B'rith Brotherhood Award Tuesday night at the Westchester Jewish Center. It was also decided to thank B'nai B'rith for letting Mr. Ahern for the award this year.

Weather Outlook

Fair this afternoon, high temperature 35 to 40. Mostly fair tonight, low 25 to 30 and 20 to 25 in excellent weather. Considerable cloudiness tomorrow, high 35 to 40. Moderate westerly winds becoming gentle to moderate northeast tonight, a nod gentle to moderate east to south east tomorrow.

Extended Outlook: Partly cloudy, continued cold Saturday with chance of some rain or snow Saturday night. Clearing and cold Sunday.

CHANGING PREPARES FOR EVACUATION OF COASTAL ISLE

All Civilians Are Withdrawn From Red-Threatened Nanchishan

TAIPEI, Formosa (AP)—Nationalist China said today all civilians had been withdrawn from tiny Nanchishan, a Red-threatened island outpost, 150 miles south of Formosa.

The withdrawal seemed an almost certain prelude to a military evacuation. The island is reported garrisoned by some 5,000 regulars and guerrillas.

The expected military evacuation would be carried out in cooperation with only Quemoy and the Matsu islands under the U.S.-protected Formosa defense zone, which embraces Formosa itself and the nearby Pescadore Islands.

2,000 Civilians Removed

Some 2,000 civilians, three square-mile island 23 miles off the Red mainland, had been evacuated from Nanchishan, a Red-threatened island outpost, 150 miles south of Formosa.

The action follows by less than three weeks the Nationalist evacuation of the Tachen Islands, 200 miles north of Formosa.

Army commanders had been pressing for a final fight at Nanchishan, but the General Staff overruled them because there was no possible hope of U. S. support.

The island is outside the Formosa Strait and, in the U. S. view, not essential to the defense of Formosa and the Pescadores, which are promised to guard.

Air, Naval Blows Reported

Earlier today, official sources denied Nanchishan was being evacuated. They said six and a half naval blows against the Reds had lessened for the time being, the communists threat there.

The latest reported strikes against the Reds were delivered last night by three waves of planes based on Formosa.

Air Force headquarters claimed one Communist craft—type and size unspecified—sunk, and heavy damage inflicted on military installations on the small Red-held islands of Chihotshan and Pellingshan. Both are north of Nanchishan.

Press reports said Nationalist warplanes delivered further attacks today against Red craft in the vicinity of Nanchishan. There was no official confirmation.

Clergy Forms Baptist Doctrine

This is one of a series of informative, not argumentative, articles designed to assist readers toward a more accurate understanding of and respect for the principles and doctrines of great religious bodies which, with others similarly dedicated, infuse an inspired morality into the American democratic way of life.

The articles will be presented in alphabetical order. Not all the many religious bodies in the country are treated in this series, solely because there are

too many to make such comprehensive treatment possible. By WILLIAM LIPPHARD, Editor of Missions Magazine, Official Baptist Publication.

Do Baptists accept the doctrine of the Virgin Birth of Christ? A large majority undoubtedly do. Since Baptists have no authoritative creed to determine church membership or fellowship, each clergyman has full liberty to interpret this doctrine as himself. I know of no Baptist

church that requires acceptance of this doctrine as a condition of baptism.

Yes, this is a basic doctrine of Christianity. The trinitarian formula, "in the name of the Father, and of the Son, and of the Holy Ghost," is used at every baptism.

The sublime mystery of the Trinity, of the eternal and infinite essence of God manifested in three persons, the Baptist

Thousands of Problems Ahead

Tennessee Gas All Dressed Up For Date, Hunts For Place To Go

By OSCAR FOVALL

WHITE PLAINS—With everything based only on a "lick and a promise," the Tennessee Gas Transmission Co. is pushing forward plans to complete the proposed cross-Westchester natural gas pipeline by next Fall with construction starting May.

Should the commission approve, the matter would be referred to the Board of Acquisition and Contract and then to the Board of Supervisors for a final decision. Mr. Hopkins said, when the application is filed, it will be referred to the Park Commission, as the easement concerns only park and parkways land.

Tennessee's step-by-step march, culminating in the filing of formal plans with the Public Service Commission, is based only on "negotiations" with the Transcontinental Gas Pipe Line Co. for a permit to make studies of the pipeline route.

And Tennessee, should plans be approved by the PSC, would still face the thousands-and-thousands of securing permission of hundreds of owners to cross private property, taking over Transcontinental's \$85,000 easement contract over County-owned land, and winning the right to burrow under the major north-south railroads, parkways and the Thruway and to cross ponds, streams and other natural obstructions.

No formal application has been filed with the County by Tennessee. Mr. Briggs appeared as the result of a Council resolution requesting that the Authority make every effort to get the stretch between Chatsworth Avenue, Larchmont, and Mamaroneck and North Barry Avenue, Mamaroneck, under way as soon as possible in order to avoid a serious traffic situation on the narrow street of the Towns of Mamaroneck and Larchmont village.

The contract plans for that stretch are considered 98 to 99 per cent complete, Mr. Briggs said, and every effort is being made to get them to Albany for processing at the earliest possible date.

He decried efforts of individual units and groups to put pressure on his office and the Authority, but was assured by Supervisor Owen A. Mandeville that no such pressure had come from the Town Board. Mr. Briggs assured Mr. Mandeville that he had not had the Town Board in mind when he made that statement.

Original store window decorations by members of the Mamaroneck Artists Guild will help mark the 1955 Mamaroneck Red Cross campaign.

The drive will be a one-day blitz campaign on March 6 when every home in the village will be decorated with the Red Cross display committee.

Among artists working on the project are Mrs. Vivian Steinberg, painter and designer, and a graduate of Cooper Union, who has planned a series of displays featuring Red Cross services in the community. The series emphasizes water safety, home nursing and work with children.

Other local artists who will contribute are Mr. and Mrs. Tom Throckmorton and Robert Clarke. Drawings and advertising illustrations by M. J. Galt have recently been on display at the Mamaroneck Free Library.

Close Margin Forecast For Tax Cut Vote

Democrats Confident House Will Pass \$20 Slash

WASHINGTON (AP)—Democratic leaders predicted the House would pass a \$20-a-person income tax cut in a close vote down late today. President Eisenhower's lieutenant sought to line up a solid "no" vote from Republicans.

Representative Halleck R. Lind, said "I think we'll succeed" in killing the tax cut move. Other key Republicans said privately the odds were against them. Both sides conceded the vote was close, since on a hand-tall vote.

Democratic bill would provide for tax cut, starting next Jan. 1, for each taxpayer and each dependent. It would reduce revenues about \$183 million for the fiscal year starting next July 1, and about \$2.2 billion over a full year of operation.

Few Oppose Extensions Democrats wrapped this reduction in tax package with Mr. Eisenhower's request to continue corporation income and excise tax cuts for two years. These reductions are now scheduled to drop by almost \$3 billion annually on April 1, and almost \$2 billion on the position to the extensions.

Republicans pinned their chief hope on blocking the tax cut, even if passed in the House. Mr. Halleck, deputy House GOP leader, said "I thought House GOP members would stand 'very solid' for a motion to knock out the tax cut, even if beaten in the House."

And Senator Bridges, R., N.H., announced he is asking Senate Republicans to make a party matter out of the proposed reduction. He called together the Senate GOP Policy Committee, which he heads to discuss the action in closed session this afternoon.

Predicts Support for the Senator Knowland of California, the GOP floor leader, predicted earlier in the day "generally" will support the President. Mr. Bridges said he thinks the Senate GOP will get a solid GOP front against what he termed a "clear-cut political challenge" by Democrats.

There was an outside chance the showdown voting would be decided by a Senate vote by parliamentary maneuvers.

Neither of the other board members, Mamaroneck Town Supervisor Owen A. Mandeville and Mamaroneck Village Mayor Edwin B. Loomis, commented.

Mr. Sulla did not say whether he had been in contact with County officials on the matter since his return.

Mr. Sulla said Mr. Sulla had consulted earlier in the day with Waterworks Attorney John Falz, but Mr. Sulla did not comment on the conference.

The reservoir controversy is complicated by the fact the board, since 1949, has never put the issue to a vote.

Mr. Sulla thanked Mr. Mack for his remarks, and commented simply that he was "conscious of the motives which activate criticism," and that the men who initiated the original contract with Nurple Fire, contractor, were his honorable men.

Mamaroneck Snacks Harrison; Panthers Dumped By Sacramento

Orange Cops, 57-50, Rigano Meshes 20

With Don Rigano and Graham Best leading the way Mamaroneck snacked Harrison yesterday on a light 57-50 win over an inspired Harrison Huskie quiet in a game on the Harrison court.

The Tigers, although headed for only a few minutes in the first quarter, had a rough time taking the game as it was tied up four times in the first period, once in the second, and twice in the third before Bob Sampson's boys pulled away for the win.

Don Rigano was the big gun for the Orange clad outfit as he poured 20 points through the hoop and was the top man on the floor throughout the game, not only with his scoring but also on rebounds.

He was backed up by Best who tallied 12 markers while Nick Lopolla, top Tiger scorer through the season, was held to eight points, six of them from the charity stripe. Lopolla got into trouble in the first quarter when three fouls were called on him and sat out the entire second period. He came back in the third canno but had to be cautious for fear of inadvertent fouls.

The game was nip and tuck from the start as Harrison's "F" A. K. Goldschmidt period on making things tough for the Tigers. Goldschmidt got 16 points and constantly was pestiferous for the Huskies.

The Tigers went into a 4-0 lead before Harrison scored on the first quarter still closed in 15 seconds and the game was deadlocked until the second period ended. It was Goldschmidt who was doing most of the damage to the Mamaroneck cause as he racked up five straight points to pull the Huskies from a 5-2 deficit into a 7-5 lead.

Rigano then tied the game at seven points with a jump ball and Walt Pallanti of the Huskies took over and piled in six points, unsupervised by buckets scored by Best and Rigano, to give the home team a two-point lead.

Other matches, all settled by 2-1 margins, were taken by Drivers over the Bootery, the Underakers over the Cuppus, and the Limousines over the Outposts.

Top keepers in a night of desultory bowling were Sal Cesario who had high game with a 176 and Doris Siller whose 496 average led the pack.

LIN BRADY of Mamaroneck's F. E. Bellows jumps to score in the first period of last night's Bellows-Blessed Sacramento game.

TIGER BOWLERS SCORE EASY WIN

Mamaroneck High School keepers went to top yesterday afternoon as they defeated New Rochelle arc-throwers by 1559 to 1416 in a match on the New Rochelle drive.

Don Moeller led the Tiger slayers with a 36 series for his two games and also swished up high game for the match with a 196 in his first effort.

Mat Officials To Organize WHITE PLAINS

A preliminary meeting was held last night at the County Office Building for the formation of a Wrestling Officials' Association for the county. Officials will be elected at an organizational meeting in March.

St. Lou Hands Braves 13th Defeat In Row

You've got to give an award to coach Furdty Anderson for reading the writing on the white.

Fordy shifted from Bradley to Michigan State just three days after leading the Braves to a surprise second place finish in the NCAA tournament last March.

Anderson was faced with graduation losses at Bradley. At Michigan State all he had to do was improve on a 9-13 record.

Thus far, Fordy has done just what MSC is in it, while his successor with the Braves, Bob Van, now has straight divisional wins—the longest ever for Bradley.

St. Louis made it a miserable 18 season date for the Braves with an 82-74 victory last night.

San Francisco, headed for the NCAA shindig, and Lafayette, trying to get a season invitation, stretched their winning streaks to 19 games. San Francisco, once-beaten and No. 1 in the poll, took it easy while defeating Fordham 64-49.

Lafayette, beaten twice, had a tougher time. It took a pair of free throws by sub Stuart Murray in the last 21 seconds to win 48-48.

NCAA champion LaSalle No. 2 in the poll, took it easy while defeating Fordham 64-49.

MIAMI BEACH, Fla.—Hector Constance, 49, of Trinidad, out-pooled Kid Gavilan, 154%, of Havana, 10.

SPokane, Wash.—Jimmy Martinez, 157%, of Phoenix, out-pooled Bobby Jones, 155%, of Oakland, Calif., 10.

3rd Period Collapse Loses Battle, 57-48

Blessed Sacramento made F. E. Bellows High of Mamaroneck's first straight victory, 57-48 last night in the Iona College Gym.

Once again, Sal Cesario led the Panthers, even though he was closely guarded by two men throughout the contest. He tallied 22 points, while teammate Marty Grady had 12. Charley Decker notched 15 to pace the losers.

The Panthers, even though he was closely guarded by two men throughout the contest. He tallied 22 points, while teammate Marty Grady had 12. Charley Decker notched 15 to pace the losers.

The first quarter was close as Gene Augustine, Cesario, Grady and Terry really ran round the rings but were matched by the shots of Dick Mullen, Ken Woodward and Decker. A foul by Cesario knotted the score at the quarter, 13-13.

The battle stayed close during the second stanza, with the Cardinals getting a slight edge. They had a 26-22 advantage at the half. The debacle came in the third period. A 22 point onslaught by Blessed Sacramento was too much for the small Bellows quieted that had trouble with its shooting eye. The Panthers are primarily an outside shooting club and they just couldn't find the range with their set in the third quarter.

Blessed Sacramento's Marty Grady, who had a 22 point effort, and Denny Sullivan, who contributed to the cause, vaulted into a comfortable 48-30 cushion at the end of three stanzas.

They'll be gunning for three teams Saturday in the Mamaroneck and Ryne Neck divisions of the midweek and junior basketball leagues.

The trio are the Nats in the Mamaroneck midweek division, the Knicks and Notre Dame among the juniors.

The squads are the only undefeated outfits in the four-city area with the season working up to a climax every opponent is particularly fired up to meet.

This Saturday they all meet at the Mamaroneck High School gymnasium with the second place Tigers, the Knicks meet the Bears and Notre Dame opposes Dartmouth.

In the fourth game involving a first-place squad the Spartans of the Ryne Neck Midweek League collide with the Lids, and that fray will produce a first place tie in the loop—the Lids win.

The schedule for the Saturday games in the leagues follows:

Cunningham Tops Scorers In MSB Loop

The Century outfit of the Mamaroneck Senior Basketball League can't win a game but it's led by Bill Cunningham, still keeps pouring the points through the nets.

According to figures released today Cunningham is not only the league's high scorer in total points but for the first time in several weeks is also high average man among the regulars in the league circuit.

He passed Kearney of the Knicks in the averages this last week and now is hitting for 15.8 points per game on a total of 107 markers for 10 days. Kearney, who has played nine games has 107 points for a 12.4 average.

Glancio of the Knicks has a higher average, 17 points per game, but Glancio has played in only three games and shouldn't be considered with the two front runners.

The league gets back into action Monday night when the tri-angler schedule sends 12 teams against the Century, Knicks vs. KOAC, and the Crusaders against the Aces.

The individual averages follow:

Prayer for Today

Aware that the power of personal prayer can perform miracles, and firmly believing that proper prayers always are answered, I pray this day, dear Father of us all, for the widest possible observance of World Day of Prayer, which is intended to unite peoples of the world in a spiritual fellowship.

Prosecution Of Criminals Can't Stop For Law Reforms

WESTCHESTER'S growth has generated a problem in the prosecution of misdemeanor cases in the County's lower courts, a problem of concern to the District Attorney, to officials of various municipalities and, we might add, to the right-thinking people of the County.

Briefly, the problem is this: Seven assistant district attorneys cannot hope to cover, adequately, the 44 village, town and city courts of Westchester.

District Attorney Joseph F. Gagliardi has one solution to offer. He suggests that local communities take a more active role in the prosecution of misdemeanors, other than gambling, and assign town and village attorneys and corporations counsel to the task.

Some members of the Westchester Village Officials Association have protested that the law says "it shall be the duty of every district attorney to conduct all prosecutions for crimes and offenses cognizable by the courts of the county for which he shall have been elected or appointed."

Mr. Gagliardi has replied that the statute cannot be construed literally, that it was not so intended by the Legislature. If it were, he claims, his office would be required to try every defendant charged with disorderly conduct or with a violation of a local zoning ordinance or a local building code.

"To follow a strict interpretation," he says, "would mean chaos and confusion of all proceedings in the courts of the county and would result in a complete paralysis in the conduct and management of my office."

Mr. Gagliardi contends that the duty imposed upon his office by law is not an exclusive one. It does not mean that the district attorney alone must prosecute misdemeanor cases in the local courts—it may be exercised and has been exercised by such others as the Attorney General, the village and town attorneys and corporations counsel.

What It Does To A Dot On The Map

Ray Tucker's Report

Economic Planners Bedevil Ike

WASHINGTON — The most unpublicized conflict at Washington today concerns the attempt of the so-called "economic planners" of New Deal stamp to halt the expansion of a maximum degree under a "partnership" of local, private and Federal interests.

His emicomic demand continued government production of power, although Uncle Sam and local political units now generate about 20 per cent of the nation's electricity.

"The planners' vast Washington aid in obtaining contracts for a guaranteed annual wage, they demand higher minimum wage levels, to be policed and enforced by NLRB and the Labor Department. They insist upon greater control of Treasury and the Federal Reserve System.

They urge a vast public works budget blueprint after the pattern of Roosevelt-Edwards-Hopkins programs in the depression. They shout for far larger foreign aid funds, with the United States creating its banker's influence to force adoption of similar economic reforms abroad.

STOPPED BY GOP—Although recognizing that fulfillment of their dreams and ambitions under Republican rule is impossible, the liberals' main aim is to keep alive agitation for their schemes. When they recapture the White House and Congress, they hope to transform them into reality. Meanwhile, they must defeat Mr. Eisenhower's milder compromises.

LABOR LEADERS ENLISTEN — The "economic planners" command more support and power than is generally realized. In the labor field, they number such allies as Walter Reuther, George Meany and David Dubinsky, the Americans for Democratic Action, they embrace Governor Averell Harriman of New York, Governor G. Mennen Williams of Michigan, the Roosevelt family, and several liberals on and off Capitol Hill.

They have infiltrated the Democratic National Committee under the Stevenson-Bulwer-Fricker leadership, and they control the party machinery at the 1956 convention, kidnaping it into the hands of liberals, the "Fidians" and the "economic planners."

CONTRACT BRIDGE

By Joseph Culbertson

PART-SCORE CONTRACTS AT DUPLICATE

ONE of the most difficult transitions for rubber bridge players who take up duplicate is in acquiring proper respect for part-score contracts. Indeed, it can be generally said that a contract of one or two odd to opt to require greater skill—in both offense and defense—than is needed in sound main contracts.

Counselor Answers Questions

'Fly Flag' Committee Needed Through Area

LOSS OF REVERENCE
Question: What has happened to our respect for our first President and Father of our Country?
Answer: Perhaps as a nation we are becoming too sophisticated to show our feelings by raising a flag in honor of George Washington. Even schools and other public buildings find it too much trouble to raise the symbol of our free nation. One sign in the central spathy is the court house in White Plains, if you missed that, Old Glory waved aloft as usual on the 22d.

OLD RECORD CLUBS
Question: I am interested in finding out if there are collectors of old phonograph records. If there are any such fan clubs, please let me know.
Answer: There may be the best source of information about them would be the shops that sell rare records. We have no record collector clubs on file here, but both local and New York firms should be able to give you names of some.

OLD COINS
Question: I have quite a few very old coins that I know are worth money, where could I send them to learn the real value on them?
Answer: If you know how to describe your coins so that collectors can recognize them, write to the Librarian, Westchester Coin Club, YMCA, New Rochelle. Be sure to enclose a self-addressed stamped envelope or you will not receive an answer. The Chase National Bank on Broad Street, New York City, appraises and buys coins. So do some of the department stores and many coin collectors which advertise widely. The Librarian has copies of the Standard Catalogue of U.S. coins, as well as those of other nations. Why don't you take them to a coin dealer for an appraisal?

HOWLING DOG
Question: I have a five-year-old dachshund dog who barks and howls when he is left alone. I now live in an apartment and the situation has become so serious that I will have to have him put away unless I can find a way to break him of this habit. We have tried the usual suggestions found in dog books to no avail. We are desperate for a solution to this problem.

Answer: If you are employed and the dog is left alone every day, your only solution is to give the dog away to someone who wants a dachshund. Five-year-old dogs are not very saleable, but you needn't destroy him. You cannot break the habit of protesting at being left alone at his age. Dogs that insist on human companionship will howl and bark when deprived of it. Ask the advice of your veterinarian, and write to the National Dog Welfare Guild, 114 East 12d Street, New York, for suggestions on quieting the dog for short periods; if you leave him at times only.

Mary Margaret McBride Says Vernacular Of Sports, Stocks And Styles Proves Puzzling
I don't understand so many things people write about sports, stocks and styles. "Adios Harry" son of Adios, came out of the East today to take pacine's biggest prize, the ninth annual \$50,332 Little Brown Jug.
I don't understand most of the things people write about finance: "Blank & Co. are reoffering the mat prices to yield from 0.70 per cent for the due Feb. 1, 1956, to 2 per cent for the 1974 maturity."
And though it's supposed to be woman's concern, I also don't understand the things like that people write about fashion: "Trim fitted suits are banded with a pretend-belt at the hem of the jacket," "minimally neutral with a slim dress that has three waistlines—one at the waist, one on the hips and one under the bustline."
The three sets of quotations were lifted from the same publication a while back and as I copied them I reflected that judging from his writing, Mark Twain, whose birthplace and mine were separated by only seven miles, must have felt much the same sort of puzzlement.

Rye Neck Student Aid Membership Plans Laid

Planning plans for a membership drive in May were made Monday night at a meeting of the Board of Directors of the Rye Neck Student Aid Fund at the home of John A. David, president.
Arrangements were also made to publicize the availability of the fund to the members of the Beltona High School Junior and senior classes. The fund grants scholarship aid for advanced study to students on the basis of scholarship need and character. The loans are without interest and repayable after the students have completed their education and obtained employment.
Members attending the Board meeting were W. Stephens Dietz, Mrs. Leo Kleiner, Miss Rhoda Southall, Miss Helen Snow and Mrs. Edgar Burchell Jr.

MOWER MISSING

Alfonso Kirby of Old White Plains Road, Mamaroneck, was fined for going 40 mph through a school zone.
Anthony De Pajo, Bronx, and George Martin, New York, were fined \$5 each for failure to drive in the right hand lane, and bonds of the same amount for the same offense were left by Edward McGee, North Andover, Mass., and Raymond Rioux, Worcester, Conn.
John Hadlock, 3 Guion Lane, Larchmont, was fined \$5 for making a U-turn, and three parking violators paid \$5.
George Harriott, of 415 Tappan Avenue, Mamaroneck, paid \$1 for permitting his dog to roam.
During Monday's Court session Michael Tallarini of New Rochelle topped the list with a \$40 fine for traveling 50 mph, his second speeding offense. Ward Fenner of New York City, who ignored a summons and was brought in on a warrant, was fined \$30 for traveling 45 mph.
Other speeders fined were Patrick Shannon, New York, and Modesto Barone, New Rochelle, \$20 each for 50 mph; Harold Archambault, 97 North Chastworth Avenue, Larchmont, and Frederick Tregart, Long Island City, \$15 each for 45 mph; and Madeline Wolinsky, 129 Carleton Avenue, Larchmont, and Phoebe Brookin, White Plains, \$10 each for 40 mph.
James Campbell, Norwich, Conn., left a \$10 bond for passing a red light.
Arthur Watkins, Bushong, was fined \$5 for failing to drive in the right-hand lane, and bonds of \$5 each for the same offense were forfeited by Norman Giugliano, Eastamont, N. J.; Sahag Pahagian, Lowell, Mass.; Albert Haines, Fairfield, Conn.; Mitchell Moyal, Chelsea, Mass.; Carl Achorn, Thomaston, Me.; Paul Grover, Brattleboro, Vt.; Leroy Phillips, Easton, Md.; Guglielmo Ucci, Providence, R. I.; and Alfonso DeNapoli, Glanville, Ind.
Rector Alauweyer, Perkasie, Pa., was fined \$5 for passing a full stop sign. James McDermott Jr., Larchmont Acres, was fined \$2 for improper plates. Six parking violators paid \$5.
