SAVING AT BOTH ENDS

THE primary purpose of issuance of small metal tabs instead of new full-size automobile license plates by the State this year is to save steel for defense purposes.
But this also saves the taxpayers of the State \$350,000. And what that may not seem much in this era of billions, it is a gratifying reminder that economy can still be found in a few places outside the dictionary.

HOW MANY POLICEMEN?

DOES the number of police measure the law-abiding nature of a community?
That is a question which naturally rises in consideration of a report recently issued by the Federal Bureau of Investigation. The report lists numbers of police in cities, towns and villages of the nation, and checks these against population.
Here in Westchester county, the percentage ratio works out in Yonkers at 1.70 police per 1,000 population, in Mount Vernon the ratio is 2.03, in New Rochelle 2.50 and in White Plains 2.60. These are our largest communities and there is not great disparity.
Certainly there is not enough to justify any conclusion that White Plains, requiring more police per 1,000 population, is less law-abiding than Yonkers, requiring considerably less.

There are some other figures for Westchester communities: Port Chester, 1.84; Peekskill, 1.75; Ossining, 1.56; Mamaroneck, 1.93; Scarsdale, 2.75; Yonkers, 1.70; Mount Kisco, 2.04; Tarrytown, 2.15; Hastings, 2.25; Bronxville, 3.42; Larchmont, 3.50; Dobbs Ferry, 2.08; Tuckahoe, 3.17; Mount Kisco, 2.04; Pelham Manor, 4.35; Croton, 1.83; Pleasantville, 3.10.
Could one infer from these figures that the percentage of population that Pelham Manor, with twice the ratio, is twice as criminally minded as Tarrytown?
Why, of course not. And records of crimes and of arrests in the two villages will definitely reveal any such implication.
There are many factors which require study before conclusions are drawn. Many Westchester communities, for example, have larger Summer populations which are not included in year-round population, yet their population is only that of year-round residents exclusive of the Summer influx. Too, different communities may have varying numbers of hours per week, thus requiring more or less police to man the shifts.
Traffic is another factor which measures the police required. About all that can be ascertained from the Westchester figures given is that the ratio of policemen to population should run, roughly two or three for each 1,000 population.
Any wide variation from that proportion would indicate other unusual factors are present or there is something definitely wrong in the set-up.

OUR BEST 1951 CROP

LAST year broke record on births in America. The estimated number is 3,928,000 as against the former record of 3,800,000 in 1947.
Why so many babies in 1951?
Students of vital statistics say there are two principal reasons: High employment and the Korean War, with the draft an element of the latter factor.
With many people at work they feel better able economically to afford children. And when youths face military service, they expedite their romances. It must be borne in mind, too, that Selective Service now permits a deferment if a wife is expectant.
For whatever reasons, the number of babies is the finest thing in the world. And our best possible investment for the future.

MORE INSURANCE THAN ROADS

IN 1950 the State of New York spent on highway construction and maintenance an average of \$35 per vehicle. The figures for 1951 are not yet available.
In the same year the State paid an average per vehicle of \$46 in State gasoline taxes and motor vehicle fees. This is \$11 per vehicle more than the State spent for roads.
Also in 1950 motorists paid \$85 in liability insurance, which is \$20 per vehicle more than the State spent on roads.
Rather ironical, isn't it, that a driver contributes more in highway taxes than he gets back in highways? And even of greater significance that he spends considerably more for protection than his State government gives him through new and modernized roads?
It might be well for Albany, which now seems concerned with the increased rates for liability insurance, to bear in mind in the new budget that money spent on highways reduces accidents and thereby indirectly cuts the cost of liability insurance.

Wife Answered Not to Resent Office Parties

Question: We are three young married women with children and would greatly appreciate your honest opinion on the following. What with the holiday season upon us, our husbands will undoubtedly attend the usual office parties at which they will dine and dance with their women associates, and without their wives present. Do you think this is proper?
K. L. and B.
Answer: The practice of Christmas and New Year's parties in offices and other places of business, has become so firmly entrenched that all your disapproving will not curtail it. It seems to me rather a pleasant custom. For any business organization to fulfill its members successfully, there must be harmonious accord among all its members. Here it logical that the friendliness growing among the members of a business organization should have an expression in some gala event at the year's end?
A wife with indulgent toward naturally will naturally resent her husband's participation in such affairs—as she resents his every move where another woman is concerned. A sensible woman, on the other hand, especially one who has herself been in the business world, will appreciate how innocuous these things are.
Attendance at office parties is very often practically obligatory.

The Counselor

QUESTION: There is a club, called, I believe, the Sixty-Five Plus Club and is composed of former executives. I understand that it is formed to find positions for men with executive training who are out of work. Does the club have New York City headquarters or how can it be contacted? I know a German refugee who is now an American citizen to whom I would like to give the information.
A. K.
Answer: We believe that you are referring to the Forty Plus Club which has offices at 250 West 57th Street, New York City. The requirements for admission are: men of forty or over who are American citizens; men who have earned at least \$3,000 per year in an executive capacity; men with acceptable education and educational backgrounds; men of high moral character; men of high performance and accomplishment; men who are mentally and physically fit. Even though a man may possess all those qualifications, there may be other good reasons why he is not capable of holding a responsible position. Therefore the club reserves the right to turn down the applications of men who are not considered acceptable.
The Forty Plus Club is a non-profit, non-commercial organization. No fees are charged and no salaries are paid.

MHS-Cornell Alumni Are Cited By Dean

Three Mamaroneck High School graduates have been cited for "outstanding scholastic performance" as well as leadership in student activities by S. C. Hollister, dean of the College of Engineering at Cornell University, according to word received by Mr. Joseph C. McLean, principal of Mamaroneck High School.

Tra Hand Jr., formerly of 33 Forest Park Avenue, Joseph E. Jewett Jr., of 87 Rockland Avenue, and Edward F. Watson Jr., of 13 Sound View Drive, all of Larchmont, recent graduates of Cornell, achieved "real distinction" as Cornell undergraduates. Dean Hollister has written Dr. McLean. All three were on the dean's list. Hand, who received the degree of Bachelor of Civil Engineering in 1948, was on the "Varsity" track.

Jewett, who received the degree of Bachelor of Chemical Engineering in 1948, is a member of the Eta Beta Pi, national engineering honor society, won a Le Veve Scholarship, and served on the student council and on the Student Union.

A 1951 graduate, receiving the Bachelor of Civil Engineering degree with distinction, Watson is also a member of Tau Beta Upsilon, the American Institute of Professional Engineers, and the Cornell Club.

Dean Hollister's letter, written as Cornell prepares to accept applications for the 1952 entering class in the College of Engineering, reads in part as follows: "As we embark on this annual procedure to select those who will be admitted to Cornell, we are pleased to report to you on some of your students who have graduated from the College of Engineering in recent years.

"The young men whose names appear on the enclosed list achieved real distinction as Cornell undergraduates in scholastic accomplishment as well as leadership in extracurricular activities. They are graduates of whom we are proud and we hope their number will increase."

Arab Problem Is Discussed For Hadassah

Arab women-voted for the first time in Molemen history in the recent Israeli elections, Irene Broza, assistant to the director general of the Ministry of Israel, told Larchmont Hadassah yesterday at a meeting at the Larchmont Temple.

Miss Broza, star of "My Father's House," first feature film made in Israel, in 1946, was introduced by Mrs. Frederic Daunny, program chairman.

Discussing the solution of the problem of some 60,000 to 80,000 Arab refugees and the agenda of the UN, Miss Broza declared that although Israel does not feel responsible for the large body of Arabs now living along its borders.

"We consider it a moral obligation to assist in the resettlement and rehabilitation of distressed peoples," Miss Broza stated. Israel, she continued, is progressive, democratic, western way of living which would make it difficult for the Arabs to stick up where they live.

"The UN now recognizes as feasible and just the arguments against the resettlement of the Arab refugees," she declared. "Decades Israel is now developing in a progressive, democratic, western way of living which would make it difficult for the Arabs to stick up where they live."

Panthers, Tigers On Home Courts In Hoop Opener Tomorrow Night

Bellows Five Has Harrison As Opponent

In five weeks they consider basketball the "major" sport and tomorrow night in the bandbox arena at the Bellows Gym, Coach T. A. "Jack" Hasley will unveil his 1952 quintet for what is hoped will be the approval of staunch fans. Jayvee's 1951 record prevented the Panthers from starting their campaign at Chappaqua 1.8.5. month ago now the home team and invading Harrison Hokies will both be untested when they get the Southern Westchester League campaign into motion. Jayvee squads are scheduled to battle it out in the prelin at 7:30 P. M.

During the holiday recess Hasley had his coaches keep in condition with several scrimmages against area squads. Postponement of the Hoop game prevented the Panther skipper from giving his squad the usual non-league outing needed to thoroughly evaluate his material and he is not pleased with the necessity to open defense of the SWAC crown without a real game under the team's belt.

Hasley has not been able to get much of a line on the squad his quintet meets tomorrow but he anticipates a battle of some defenses. Harrison's chief threats will undoubtedly be Charlie Stearns and Don Carlin, who have done most of the heavy duty in Hunkle straits. Harrison has a number of the toughest legs for Bellows to handle in the small forward position. The Muskies usually come in and fire from all angles with unexampled accuracy while the Panthers founder all over the tricky hardwood layout.

The regular five of Captain Angelo Kravitz, Frank Pokorny, Tom Pallucci, Cy Benson and Jack Hasley Jr. are the tentative choices to start for the Panthers. Don Hasley, Bob Judd, Larry Blair, Don McNeven, Frank Sheehan and Pete Lemons are slated to be used as replacements. The mentor coach is blamed to use spot Lemons with the Jayvees but was impressed so much by Pete's improvement that he elevated him to the varsity in place of the Bobby Reilly.

Tickets for the game go on sale at Bellows tomorrow between 8 and 8 A. M. and, with limited seating capacity, the usual sellout is assured.

MHS Quintet Tests Strong Davis Squad

Mamaroneck High School's 1952 basketball edition draws its initial test tomorrow night on the Junior High court with A. B. Davis of Mount Vernon as foe and the universal hope in this territory is that the current Tiger hoopmen will be able to end the succession of poor MHS care records. Some indication of what is to come this campaign will begin to develop light after the Junior Varsity contest set through with their preliminary contest, which is booked for 7:30 P. M. start.

Coach Orlando Cirban hasn't as yet been able to make a definite decision on which cagers to nominate for the insurance. However, he has established a 19-man varsity squad from which to draw his five starters. Plans point to frequent shifting of the lineup before the pilot finds the best combination.

Chosen for varsity duty are Don Casopotta, Sam Conroy, Tony DeSano, John Fiumani, Pete Howell, Al Mielinger, Ted Nyer, Fred Rieberg, Ron Schmidt, Bob Stevens, Al Togli, Dave Van Allen and Lloyd Walker. The guess here is that Wallace, Rieberg, Van Allen, Donald and Casopotta will be given the nod to take the floor for the opening jump ball.

If Cirban does pick those five, Van Allen and Rieberg will be counted upon to do most of the rebounding. Neither has played any varsity ball before but that is no drawback on this squad since there is only one returning letterman, Donald, Togli and Schmidt are both very tall lads but neither is polished enough to earn a regular job.

C. B. Davis has scrimmaged several area school quintets and they have been fairly impressive. The Varsity are said to have a tall pivotman and good speed on the west of the club, which is a fine combination. If Mamaroneck does encounter difficulty in retrieving the rebound, the varsity players will get the call and their efficiency could really be the deciding factor in the WIAA clash.

State School Football Code To Be Formed

A CHICAGO (AP)—Officials of State High School Athletic Association today with the main result of a two-day session expected to be formation of the 1953 football code. First session today involved executive officers of state prep groups from 23 states. The officials planned to discuss various high school athletic programs, including the proposed strict enforcement of the high school program, safety provisions in football and insurance of athletes against injury.

The football committee of the National Federation of State High School Athletic Associations will have its meeting tomorrow and Saturday. Representatives from 42 states will attend.

Before authorizing the 1953 high school football code, replies to a football questionnaire sent to 30,000 high school athletic officials will be studied. General federation officials said, replies favor a free substitution rule and a rule permitting either team to recover and advance a fumble.

Various other changes under consideration involve methods of timing, medicine, kicking rules and dealing with rough play.

Bear Mt. Ski Meets Skated

"BEAR MOUNTAIN"—The attention of skiers all jumping on the skis will be focused on Bear Mountain Park this weekend when the state's top skiers gather for a doubleheader jumping program.

Saturday night under lights will mark the opening of the dual-day event and on Sunday afternoon the jumpers will be again.

The event is under the joint sponsorship of the Palisades Interstate Park Commission, the Bear Mountain Sports Association and the Swedish and Norway Ski Clubs of New York.

Jumpers from the Norwicht Club of Harrison will compete in both events. Saturday's jump will start at 8:30 P. M. and Sunday at 2:30 P. M.

If nature doesn't provide the snow for the event, Bear Mountain Ice Skating machines will be put to use to cover the 2,500 foot course.

From left to right, in front row, are Don Casopotta, Sam Conroy, Tony DeSano, John Fiumani, Pete Howell, Al Mielinger, Ted Nyer, Fred Rieberg, Ron Schmidt, Bob Stevens, Al Togli, Dave Van Allen and Lloyd Walker. Back row, Coach Orlando Cirban and Bud Stone, who assists with coaching. Ace of the set, Guy DeLange, is missing due to a holiday visit with his parents in Canada - Dave O'Dwyer, Bob Cochran, and Staff Photo.

Hank Thinks Yanks To Skid Without Joe

CLEVELAND (AP)—Hank Greenberg says that "without Joe DiMaggio the New York Yankees will be having a hard time in the first division next season."

And Cleveland Indians general manager pointed out he was not saying that just because the retired leader was an inspiration around the club house for the world champion Yanks.

"After all, there's no way to measure Joe's value in that regard," said Greenberg, "but you can measure his value as a hitter and as a center fielder, that's why he's the best player in an ordinary ball club without him."

He pointed out the Yankee clipper played in 115 games last season, batted 263, hit 12 homers and drove in 21 runs.

"How many others drove in 71 runs?" he continued, and then answered himself.

"Something like 17 players drove in more than 71 runs, but only two of them played fewer than 115 games."

As usual and tired as he was, he was still one of the best—and he was a great center fielder, too. Don't forget that," Hank added.

L. A. Open Starts Pro Golf Tours

LOS ANGELES (AP)—The 1952 professional golf campaign will be launched here tomorrow when about 600 players set off in the first round of the \$17,500 Los Angeles Open Invitational.

Missing from the lineup will be incomparable Ben Hogan, as well as Sam Snead and several other name pros.

On hand, and favored to score a repeat victory, is Alvaro Merano, who won the event in 1948, placed second in 1949 and topped the field in 1950 and topped the field a year ago.

Main target for the field is the winner's prize of \$4,000, a large sum from the previous \$2,500 when the purse was \$15,000.

Darien Skaters N.S., 1-0; New Rochelle Takes League Lead

Tigers Suffer First Setback; Huguenots Cop 4th Straight

A sudden break-away at the Darien goal in the second period gave Darien of Connecticut the lone goal in a 1-0 upset triumph over Mamaroneck High's set at Playland last night. New Rochelle followed up with its fourth consecutive victory to take undisputed possession of first place in the Westchester Interscholastic Hockey League. The Huguenots were down a subhorn, undermanned North Tarrytown squad, 6-1 in the second contest and in the finale of the triple-header program Greenburgh blanketed Ossining, 3-0.

Mamaroneck's defeat was by no means the flimsiest victory New Rochelle has ever had. The team, which is the true sense of the word, Darien is considered the hardest fighting outfit in the W.I.L.L. and had a great night just when Mamaroneck needed a victory most. The Connecticut lads threw up a defense which just about handcuffed the Tigers and each side played away, hoping for a break. Darien got one such advantage as the puck and then held tight to the button.

New Rochelle and Mamaroneck collide in the second game of the Monday night program and the Orange will have to win that to defend for first place in the league. New Rochelle will be facing Darien and the other three teams within a hour during the second trip around the circuit and a lot of changes could place the way the series will be progressing.

The Darien offense revolved around Bucky Jack Koster, who is a Tiger leader on their diminutive size. Gus Holmgren, the team's dual and Delaney really outplayed his adversary but the Tigers didn't give him much support and the offense proved a one-man show couldn't prevail.

Perfect Pass Pass Off The teams had battled through a rugged first period in which Bud Dietz's Mamaroneck skaters dominated play but couldn't dent the Darien defense. Darien goalie Bill Powers made two saves which were instigated by Jim Murphy didn't have to stop a shot.

Murphy made two picture saves during the second session and Darien drew two penalties. Koster gave the Orange serious chances. The coaches came in either time but came close when Koster sent off on a minor penalty for holding. The Tigers came within a whisker of getting the disk into the net on one thrust and then the 21 center outskirted the goal so that it looked like another score was in the offing.

The fierce checking continued in the final chapter and once again Mamaroneck played the hard defensive role but just couldn't find the formula. In a late intermission there was one minute remaining. The Tigers pulled their goalie off the ice and added another savior. They

Eight Round Bouts To Top Center Card

Two eight-round bouts, one of which features the heavier scrappers, headlined tonight's weekly boxing card at the County Center. Sal Bellone, of the famed Bronx training clan, collides with lightweight Angel Martinez of New Jersey in the main go. The second fight pits Charley Williams of Newark against welterweight Herman McCarry of Philadelphia.

Two six-round bouts pitted Bobby Polivsky of Hartford vs. Sammy Sileghetti of Philadelphia, and Charles Slaughter of Newark vs. William Cesar of Puerto Rico. A four rounder will complete the card. The first in three weeks at the Center because of the Christmas and New Year's holidays.

Once Over Weekly

By GUIDO CRIBARI

In our yearly roundup last week, we overlooked one of the most important pieces of sports work of the year—the terrific job performed by Children's Village, Katonah and its staff. This civic-minded group, from a humble start, has developed into one of the best athletic clubs in the county. From a group of about 100 members, it has grown to over 1,000. "If I have something to say to a manager, I'll call him in and if I'll never talk about his performance in the past, I'll never talk about his performance in the past."

List Of Unbeaten School 5s Now Pared Down To Thirteen

Thirteen scholastic case quintets of the Westchester area sport undefeated records as the second week of 1952 competition gets underway. The 66-team list of schools is headed by New York School for Deaf, showing four straight wins with three other clubs possessing 10 records, including Briarcliff, Hendrick Hudson and Iona Prep. Two victories in a row have been obtained by Roosevelt Grammar and White Plains, while unbeaten are the 11 to 15 ranked, St. Ann's, Eastchester, P. E. Bellows, St. Ann's, Pelham, Roosevelt and Yorktown.

Most victories to date have been achieved by Roosevelt Grammar and White Plains, which has won 10 and lost two. Showing four wins are the 16 to 20 ranked, Sacred Heart, St. Ann's, St. Ann's, Pelham, Roosevelt and Yorktown.

Gaff & Gun

By FRED LUKS Hunting and Fishing Editor

The hunting run in the lower Sound is providing campers at New Rochelle's Hudson Park with some fast activity these days. Not as numerous as the whittling which just left the woods, the frisky winter visitors seem to offer more sport as they are larger in size and can be taken with artificial side devices, but small enough to be carried in a pocket.

Catches vary depending on the time of day or night. On a recent tour some individuals pointed reported come home with as many as 30 fish. The silverfish run is length from 10 to 15 inches.

Rabbit-stocking and stream rehabilitation plans are included in the New Year's resolutions of Yorkers' Hudson Valley Fish and Game Club.

This active group plans to purchase and liberate rabbits in protected areas. Cleanup and stream construction work is also contemplated on Grand Spring Brook, all of which is the problem area.

The club also announces a new season of following its recent annual election. John M. is president. Ray Runback vice president. Jerry M. secretary, and Chester Palmer treasurer.

Burke, Bolt Plans Draw To Ban Bowls, Scholarships

WASHINGTON, (AP)—College sports as they now are conducted would be completely changed under a far-reaching plan proposed by 10 college presidents studying intercollegiate athletics. The presidents came up with a code that would rule out Spring football practice, forbid post-season games and wipe out athletic scholarships.

As expected, it quickly drew criticism. President Hugh C. Wright of the National Collegiate Athletic Association, in Cincinnati, described the proposal as "a little premature." Comment follows elsewhere.

The presidents, members of a special committee set up by the American Council on Education, disclosed their plan at a news conference yesterday. It recommended that:

1. Athletic scholarships should be given to students on the basis of their educational ability and their economic needs, but not on the basis of athletic ability.

2. Each sport should be played and practiced only in its season. Under their plan, football would be practiced and played only from Sept. 1 until the first Saturday in December. Basketball practice and games could not begin until Dec. 15 and would end by March 15. Baseball practice and games would be confined to the period

between March 1 and Spring graduation.

3. Post-season games would be forbidden. In-season tournaments would be limited to those sponsored by the schools themselves and held on their own campuses.

4. A scholarship, to be given primarily on the basis of educational ability, would be limited to actual expenses while at school—tuition, books, board and room.

5. Any school which got out-of-bounds athletically would have to answer to its accrediting association. A flagrant violation would endanger the school's academic standing.

6. No freshman should be allowed on varsity teams. Junior college transfers should wait a full year before being allowed to play. If a transfer is allowed to play, he will be required to complete all data and facts on which they were based.

Combing The Town

At Drapery Show

Max Eshbach of the Westchester Five and Ten, 67 Edgewood Ave., Larchmont, is among 1,300 buyers from twenty states at the 1943-44 Annual New York Drapery Show who are registered at the Thirty-Third Annual New York Drapery Show being held at the Hotel New Yorker this week. More than 200 exhibitors are displaying an estimated 100,000 styles in curtains and drapes through five floors of the hotel.

Newcomer Needs Bed

A newcomer to Larchmont, due to arrive within a few days, needs some place to lay his head. Such items as a crib and a cotriage would be greatly appreciated by the nurses of the Larchmont Health Center whose shift serves supply of these articles has been completely depleted during the last year.

If any kindhearted housekeeper has either a crib or cotriage that she is willing to give, the nurse will arrange transportation to the home of the infant. The Larchmont Health Center is located at 214 Stanley Avenue and is open Monday through Friday from 9 A. M. to 5 P. M. Tel. 463-0300. Box number is MA 9-1043.

Paper Dry Sunday

The 47th paper drive and the first in 1932 will be conducted Sunday by the Larchmont P. O. 1943-44. The drive will begin at 10 A. M. and will be held at the Larchmont High School. The drive will be held at the Larchmont High School. The drive will be held at the Larchmont High School.

Forum Talks Throw Spotlight On General School Problems

Public Reaction was Stunned at Meeting of the Public Citizens Commission for the Public Schools on the Philosophy of Public Education

A lively reaction was aroused last night by the address of Henry Toy Jr., director of the Public Citizens Commission for the Public Schools on the philosophy of public education delivered at the Larchmont Forum for Public Opinion in the Chateaufort School. Question and answer followed and the speaker's challenge to face the question: "Whom are we trying to educate and for what?" and "What do we mean by education?"

Also sparking discussion was the question of the safety of children in the school area near the property. "We are interested in the safety of children no matter how far they are away from the schools," declared Trustee Ralph C. Burchell Jr.

Trustee William C. Pitts Jr. agreed that Trustee Cronin had a point there and added, "If you carry that idea all the way, then the board would oppose any business development anywhere in the district."

"We are concerned with the immediate safety of the children," declared Trustee Garfunkel.

Judge Horvick told the board he would support the plan.

FOR THE PAST SEVERAL MONTHS, the Rye Neck School Board has been

discussing the possibility of a bond issue of \$800,000 for a small basic structure which would require a simple majority vote of the board.

HST Elects McGrath As Boss Of Cleanup

WASHINGTON (AP) — President Truman today placed full responsibility for the government cleanup job on Attorney General J. Howard McGrath. He also announced that Mr. McGrath will continue in his Cabinet post.

The President told his weekly news conference in response to questions, that the Attorney General will carry out the job that is necessary in connection with the investigation of reports of scandals within the government.

The President himself confirmed for the first time in recent weeks that Mr. McGrath is not stepping out of the Cabinet, when he was asked about Mr. McGrath, adding that there will be no change in McGrath's status as long as he is in the Cabinet.

Flying Enterprise

(Continued from Page 1)

scene depicted the last hour of the amphetamine.

For more than 24 hours the vessel had been virtually on its side.

At 3:08 P. M. 10-08-A, M. EST, it became obvious to the U. S. destroyer Keith, standing by, that the Enterprise was about to go down. It and other nearby boats began the long-planned rescue operation at once. The motley assortment of boats which had been scurrying about the freighter for days heaved close in to the listing vessel as the Turnoll's lights flashed the signal "CL-O-S-E."

The funnel of the Enterprise by this time was sloping the surface of the sea. The bow was considerably lower than the stern. A little American flag still fluttered over the rear part of the superstructure.

Rescue Tugs Towed by Winds

The wind was blowing fiercely, pitching the rescue tugs about like chips of wood.

Water poured into the funnel of the dying Enterprise.

The two men leaped overboard, even as the Enterprise gave a heave to port and began slowly to keel over on her side. Part of a cargo worth more than a \$1 million was strewn about in a 31-mile race of the churning water in profusion. Soon other parts of the Enterprise began to crack, and more cargo was pitched into the sea.

At 3:34 P. M. the Enterprise was fully on her side. Capt. Carlsten and Mr. Dancy, clad in life jackets and dripping with water, watched the last moments of the tug.

It was a silent death. The rescue tug sailed it. In the last few minutes the tugs sounded their horns. Only the bow of the Enterprise was visible. At 4:09 P. M. flames on the surface of the water near the ship were lit. A light over the area as the Enterprise took her final plunge. One minute later the Enterprise was below the sea.

Rescued in 4 Minutes

Capt. Carlsten and Mr. Dancy were taken into the cabin of the Turnoll by its skipper, Capt. Dan Parker. The Navy helicopter and men had been in the water only four minutes, so effective was the rescue operation here.

At Palmyra, which would have been the Enterprise's home port, she won the magnificent battle, sent ship-to-ship radio messages told of the gallant deed. The messages went this way:

3:08 P. M.—U. S. destroyer William Keith to Lantz's Enterprise: "Flying Enterprise is going down. Making attempts to rescue them now."

3:09 P. M.—Rescue tug Turnoll to Keith: "We have just reported that the weather is too bad for the helicopter. The Royal Navy had dispatched a helicopter for a rescue but it had to turn back. She can't make it and is returning to base. It is up to us to take them off now."

Vessels Altered

3:10 P. M.—Lantz to Keith: "Until receipt from you that you or others have picked up the survivors we are taking full distress action." (Alerting all vessels and lifeboats in the area.)

3:12 — Keith to Lantz End: "Twenty of ships standing by to take Carlsten and Dancy off."

3:16 — Keith to Lantz End: "Flying Enterprise listing 89 degrees. Still afloat. Capt. Carlsten and Dancy hanging on starboard side of deck."

3:20 — Lantz End to Keith: "Lifeboat in sight." Keith to Lantz End: "No, lifeboat not in sight. Flying Enterprise now taking water down stern."

3:21 — Keith to tug Turnoll: "Do you want Dancy?" Keith to Turnoll when picked up: "Dancy is the Turnoll's first mate."

3:22 — Turnoll to Keith: "We"

Letters On Frayers

Although the board voted to defer a decision on the Regents' suggestion for moving prayers, several letters were read taking sides on the issue.

Trustee Allen suggested that, since the board had decided to postpone the discussion, the letters be copied and circulated by Trustees Barbell, Garfunkel and Pitts said they thought the letters should be read since they had been sent to the board in time for the meeting.

The prayer suggestion was opposed by Dr. Walter Lurie, the Barry Avenue Parent-Teacher executive board, Mrs. Harry Crown and the Westchester Ethical Society. A letter favoring the proposal was received from Fred Davis.

The board granted the application of the 125th Street Alumni to use the Bellevue gymnasium Saturday evenings for basketball games. Judge Herdick, Mrs. Harry Crown and the board that agreed contained a cancellation clause.

Wicks' Remarks

Mr. Wicks' remarks were in support of the proposal. He had not yet seen the Westchester bill, sponsored by Senator Malcolm Wilson, both of Yorkers.

He said the measure was referred to the Finance Committee of which Senator Walter J. Mahoney is chairman and is now in the assembly to the Ways and Means Committee headed by the assemblyman Malcom Wilson, both of Yorkers.

Another Storm Comes Up

Matters worsened from that moment. The elements were against him. The courageous skipper, once again the elements brought a storm to thwart him.

Capt. Carlsten would not give up. He knew his ship was taking water badly, but he huddled with Mr. Dancy behind the funnel of the ship, covering before the wind and spray, and still hoped for the best.

Worries About Family

Capt. Carlsten, strapped in his blanket and perched precariously behind the funnel, tried to get his wife back in Woodbridge, N. J. "I wonder if there's a news item about her," he said. "I've heard from her. I should send her 'Leaving now.'"

He dictated his one: "Longing to hear from you, dear Anne. Love to you and the children. Kurt." He told her he was okay.

Five minutes later: "Forty-three men aboard. Four boats."

And at 4:30 the final dramatic words: "Leaving now."

Meanwhile, seven ships — the closest some 100 miles distant — began churning toward the spot 46 miles northwest of the northern tip of Vancouver Island and 600 miles south of Central Alaska. The weather yesterday and today is among the worst in three years.

3 Education Movies Reviewed for Council

Three educational movies were reviewed by the members of the Council on Human Relations of the Guidance Center of New Rochelle Tuesday in New Rochelle Library. Headed by Dr. Robert G. Calkins, Mary Calkins, professor of psychology at Hunter College, the committee evaluated the films for a master list of movies which can be used by schools and clubs with guided discussion teachers.

The films evaluated were "Breakdown" illustrating the case of a patient in a mental hospital; "Mental Health" illustrating the case of a patient in a mental hospital; "Youth" demonstrating how the community can draw upon various public health services and how guidance agencies can help children.

Panthers Entertain Eastchester, MHS At Gorton In Cage Conflict

Bellows Five Tests Eagles In Loop Tilt

Eastchester's 1952 Eagles, with who straight coaching behind them and still amoketing over shrapnel at the hands of Bellows' recent cage history, will put the 1951 team's SWAC record to a jeopardy tomorrow night on the Bellows court. The Jayvee collision will open hoop festivities at 8:30 P. M.

On Tuesday, while the Panthers were dropping a non-league decision to powerful line Prop, Eastchester's quietest was being out of a 1951 decision over Concordia Prep.

Previously the Eagles had shaded the 33-30 in an overtime squabble but Friday night as Bellows was opening its Southern Western League campaign in the victory column.

Eagle Coach Carl Swenson sees in his offensive pattern the key to Eastchester's success. Coach Carl Swenson sees in his offensive pattern the key to Eastchester's success.

Jack Chertoff and Joe Johnston to do a large portion of the shooting. Chertoff, who plays in the pivot, finished in 37 points in the game.

Denise Iona's well-rounded offense, Bellows pilot Jack Hales, has all included in his team's performance against the Panthers.

Tommy Paulace, Angelo Svedolista, Jack Hales, and Frank Schick are tentatively scheduled to play in the starting five.

Bill Herman, one-time National League pitcher and later manager of the Pittsburgh Pirates, will be a coach with the Panthers.

Strauberry 5, Deacons Gain Hoop Verdict

The Deacons and Strauberry five captured Junior League triumph by wide margins in last night's double-header at Mamaroneck Avenue School Gym.

Gordon of the Flyers tallied 17 points for the Deacons over the Flyers.

Coach Frank Kosky has six returning players on his squad but Bill Hill is the only one that played regularly last year.

Tiger Lineup Switched For Third Jolt

Dramatic shifts in playing personnel—hoping to raise the club's calibre of basketball—are strong possibilities for Mamaroneck High's cage squad which goes to Yonkers tomorrow night for a WIAA Jolt against Gorton.

The Tigers dropped two straight and were definitely unimpressive in both outings so now the distress signal is hung out for three or four scrappy if not talented courtmen.

Baseball Salary Forwards Due

WASHINGTON (AP)—The Wage Stabilization Board, a personified appearance by Stan Musial, baseball's best hitter last year gets work today on a new player salary formula.

Musial flew into town yesterday for a few words with board officials about his salary predicament. He signed a contract with the St. Louis Cardinals last year which would have brought him a reported \$85,000—11 months had allowed it.

But they didn't, despite his 355 average, best in either league. Stan had to be content with his 1950 salary of about \$50,000—highest salary for any Cardinal paid that year.

The board's basic year. The salary board ruled that no player may be raised to a point higher than the highest paid man on the team. The rule was an inflation curb.

Baseball officials said fairly today the new rule now being worked out will be an industry-wide formula. The rule will be effective October 1, 1952.

PRAYER FOR TODAY—For those who fight for their freedom...

SAGA OF THE SEAS... Ordinary mortals around the world, following daily their prosaic tasks...

Who can tell the thoughts which passed in the mind of this heroic man?

Who can visualize the temptations which must have crowded upon him hourly as threats to his life mounted?

All we know is that wherever words of him reached distant shores men and women were uplifted in soul and spirit...

It was not so to be the Flying Enterprise lies fathoms deep of Falmouth, so close and yet so far...

To a brave captain of a gallant ship and to his rescuers we say: "Life is mostly froth and bubble; Two things stand like stone; Kindness in another's trouble; Courage in our own."

THE U.D.F. ANSWER TO APATHY... THERE have been charges that we have been apathetic to the plight of our boys in Korea...

A chance to answer that challenge comes next week. It lies in the campaign to register in Westchester \$200,000 with which to finance the work of the 30 or more national societies...

"It is a measure of our individual concern," say co-chairmen William F. Bledsoe and C. R. Kelly...

Supplementing this explanation, General George C. Marshall says: "You cannot put three or four million men under arms and add other millions to our labor force without creating strains and stresses..."

THE U.D.F. is perhaps not well known as one of its larger component units, the U.S.O. That is the agency which works for the moral and spiritual welfare of our young men and young women in service...

There are, for example, the American Social Hygiene Association, dealing with the health of our boys; the National Jewish Aid Association, the National Catholic Community Service, the National Jewish Welfare Board, the YMCA, the YWCA, the Salvation Army...

There are the United Community Defense Services, bringing to local communities affected by the defense effort the experience of trained staffs in meeting problems of suddenly expanded population...

This is the grand, glorious effort which U.D.F. will make—if we help. It is a clear call to the patriotism of those of us who have not forgotten...

They have the tough job. We can make it easier for them if we share a small portion of our earnings. We urge that each reader remembers that when the collector calls...

HELP FOR HARD-PRESSED STUDENTS... WE'D HEAR so much these troublous days of racial and religious discriminations and prejudices that news to the contrary is especially gratifying...

"Not so long ago the Protestant Christian Knights of New York put up \$400 a year for four years to help a Jewish boy through Roman Catholic Notre Dame..."

But don't get the idea this was something unusual. The Knights Templar have been doing things like this for a century. In that time almost a million dollars have been loaned to about 5,000 students...

Back in 1922 the national organization established this Educational Foundation by contributions of one dollar from each member over nine years...

Any hard-pressed student who is healthy and honest can borrow, regardless of race, color or religion. Interest and service can be repaid up to \$400 per year, graduate students up to \$800, with freshmen and sophomores limited to \$200 per year...

This isn't charity. It's a straight business proposition. And as such should be accepted by students in need. There are, and we are glad to note, funds available for as many as 100 additional loans in this state.

In a year's time, the population of the U. S. Census Bureau estimates show, jumped from 131,132,000 to 155,800,000. We thought things were getting a little crowded around here lately!

We're against the move that Chicago paper to have motorists make their Santa Claus pumper. We'd just as soon have a little winter sports, such as hockey.

Thomas E. Sutton, really broke, in commenting to this grand idea, stated that a municipality has no reason to be in the ice skating business. Maybe someone else's head-ness should be localized to that of collecting taxes and giving in return, nothing for same.

Maybe the thought is a bit old-fashioned. Perhaps there are a few of us left who would like to receive a "fair shake," a little rest of a return for our money.

A six-paned ice skating rink in Central Park is to New York City. Even our Rockefeller Center brooms say "big business" for their little back yard.

And Mr. Sutton, we are certain that the returns were not so much in the dollar and cents variety as in the realm for better and healthier living.

Mr. Sutton's other objection was relative to the depreciation of realty in return, and that to our proposed outdoor rink. Again, his dollar and cents estimate neglects to take into account the value of a better and healthier living.

Let us have the substitution of a skating rink as against the present eye-sore and its accompanying health hazards. This area, at present, is a prime grower of the dreaded hay fever rag weed, and the home of countless water rats.

Let Mr. Sutton weigh the real facts. And even for dollars and cents, let Mr. Patton's well-voiced suggestions be passed to the limit.

MHS Skaters Battle Huguenot '6 Monday

The skaters of Mamaroneck High, who had strived to come to Monday night's game on even terms with New Rochelle, now will be faced with the absolute necessity of victory over the Huguenots. The Tiger skaters will be the first-place deadlock last week when Damien captured a 3-0 decision over them while New Rochelle was taking its fourth straight triumph.

Despite last week's setback, Mamaroneck is still considered the one team that could lock the high-flying Huguenots, the locals have the second best offense and rate as the same place on defense. The Purple Wave has not as yet been able to score as many as 27 goals into the wire. Mamaroneck is the only team in the district to have met and to whom they clash Monday evening. The first half schedule of the Westchester Intercollegiate League comes to a close. Greenwich will play North Tarrytown in the opener, Mamaroneck and New Rochelle have their big fight in the middle center.

The Tigers have scored 15 goals and allowed three in winning three out of four. Dave O'Dwyer is the leading goal-getter with seven. Don Volmer has four, Gus Belanger two, Ralph Pelley and Don Camarda one each.

Belanger is the number one Tiger player with four assists. Asaph O'Dwyer also has had the same number. The latter's assists passed one in the game that Belanger scored his first goal. O'Dwyer was unquestionably the team's most valuable player and will be honored on Sunday by leadership in Monday's big battle.

Doerr Jump Stated Sunday 60 Events Set
SILVER LAKE—The fifth annual Harold E. Doerr memorial ski jump will be staged by the Norwalk Ski Club Sunday at 2:30 P. M. at Bear Mountain with 60 jumpers, including some of the world's best, competing.

The event has been held at Bear Mountain since the 1947 storm wrecked Norwalk's own jump, Silver Lake.

The three-legged trophy, which is in honor of Harold E. Doerr, a member of Norwalk who was killed during World War II, has been won by Forrester, Vail Brooks, Art Tolk, and Monte Barber.

Barber, a member of the Bralobro club of Vermont, will probably be the only winner at the jump though he will receive stipends. Expected for the jump are Art Devlin, member of the Olympic team from Lake Placid; Lawrence Laferla and Joe Chiarand, of the Canadian Olympic squad, and Keith Wagerman of the Olympic team from Colorado.

Sedgman Fund Goes Forward
SENYCA, Australia, (AP)—If the Australians are worried about indirect complaints in the United States that the wedding of Frank Sedgman is a violation of amateur tennis rules, they certainly aren't showing it.

American Davis Cup captain Frank Shields said the other day that he thought the Aussies were violating the spirit of the amateur rules by contributing to the fund for Sedgman, the ace player who led his country to a 2-2 triumph over the United States in the Davis Cup.

Said Sir Norman Brooks, president of the Lawn Tennis Association of Australia:

"The Sedgman fund is a private matter and as far as I can see the fund does not break the rules of the International Lawn Tennis Association. Shields says the fund is legal, so what does he want?"

The fund has reached about \$10,000.

Jesse Amelle Paces Penn Five, Syracuse Bows
Jesse Amelle, former Penn State star, led his Penn State football backfielders by scoring 18 points in a wild game against Syracuse at Otisville, Pa., last night. Penn won the contest 61-57. Officially called a total of 61 foot.

Ed Miller scored a total of five points for Syracuse.

It was Amelle who virtually assured victory for Penn when he dropped a total of eight points in the third period.

POLICE SPONSOR NEW CAGE GROUP

The Village of Mamaroneck Police Benevolent Association announced today it will sponsor the recently organized Keery-O'Reilly Athletic Club basketball team. The AC was named and dedicated in honor of the late William P. Keery and Richard O'Reilly who lost their lives while serving with the U. S. Marine Corps and Army, respectively, on foreign soil.

The cage team will practice on the Mamaroneck Avenue School court and will also play its home games there. The club also is working on the possibility of arranging Sunday afternoon games and the use of another gymnasium is sought for that purpose. There will be no admission charge for any of the contests.

NEW YORK YANKEE infielder Jerry Coleman tries on a uniform of the San Francisco Giants after being recalled for active duty by the U. S. Marine Corps.

WINEC "WICH" Laska is manager of the team which other members of the roster include Billy Pooler, Frank Costa, Tommy Chirco, Bill Shaw, Vic Fiacente, Jim Russo and Tony Dainio, all recently discharged veterans.

The team was formally organized on Tuesday of this week and the Village PBA, of which Patrolman Robert Clark is president, revealed its intention to sponsor and assist the club this morning.

243 Hitter Tells Pitcher What's Wrong
Associated Press Newswriters

CINCINNATI—If Herm Wehmer is a better pitcher in 1952, it's a serious-minded Joe Adcock an assist.

Sitting out an injury last summer, Adcock, an outfielder, no longer had Wehmer's eye on him as he did last year.

It was a hit, too, for Adcock went on to win five games while dropping only one in September.

The big blond from Cincinnati was able, therefore, to go into the year with a record of seven wins against 10 losses.

Gabe Paul, general manager of the Reds, believes Wehmer is the best pitcher he has had since Bob Feller, who was named to the All-Star team by the Associated Press.

Other Wehmer natives who have won awards include Marvin Van Gessel of Secretary, major letter for freshman guard, Beckley Johnson, Jr. of Boardman, varsity soccer; Joseph Flemming of Pelham Manor, manager of varsity soccer; and Bruce Phillips of Scarsdale, varsity cross-country.

Gaels On Road To Fairfield
The Gaels of Iona College take on the second of three road opponents tonight, Fairfield University, Main Street, Bridgeport, Conn., at 8:30 P. M.

A preliminary game will be played between Fairfield Prep and another high school.

Fairfield has scored notable victories over St. Peter's, which was its first seven games, and Brooklyn Polytech, Iona's next opponent at Madison Square Garden.

The Conservation Club of the Tarrytowns, which had notable success with a bass-rearing pond, now plans a supplement to the fisheries program by a stock in shiners and other foods essential to fish growth.

Tom Dunning, president of the enterprising group reports that the planting of shiners will assure a bountiful food supply for fingerling fish which the club raised in local ponds and stocked in local lakes. Previously the club had purchased several thousand crawfish which were deposited in the waters with the bass.

Notable operations and donations from interested conservationists, Dunning hopes, will furnish adequate supplies of the club will comb a wide area seeking ponds where they will be permitted to release the fresh-water fish.

Over the past four years the Tarrytown men have made wide spread acclaim for raising three-inch bass, which they bought, to near-final size, a unique chemical and mineral fertilization of the Tarrytown pond water accomplished a six-inch growth while the year for the average fingerling.

Harold Canale, local law enforcement director of the Conservation Department, will speak at the Valentine Rod and Gun Club's first annual meeting at 20 Fallon Street, Yonkers, next Thursday.

Capt. Laddie Martin of Valley Stream will conduct the installation of 20 winners while the King Pins are also being awarded a pair. In matches that were split, the Redstart, Lower Five, Alley Cats and Screech were involved. Top pitcher of the week was the Lucky Strikes 11-5.

Red Rhodes took weekly honors with a 310 series and 196 high single. Dave Klein's 217 earned the runner-up spot in pinfalls and Roger Schwab posted a 144 for second.

The Wolverines had a record of 11-1, followed by the Strikers at 10-4. The Screechalls are third with a 9-5 mark. The Alley Cats fourth on 8-6 clip and three teams are docked for fifth place. There are ten teams in the circuit.

18 Georgia U. Players Dropped for Low Marks
ATHENS, Ga. (AP)—The University of Georgia has dropped 18 football players from its rolls because of scholastic failures. Eleven of those dropped were freshmen.

Only two varsity Bulldog lettermen were on the list.

It was pointed out that the school dropped 10 players at the same time last year for the same reason.

Registrar Walter N. Danner said 187 students were dropped during and after the Fall quarter, for failing to meet scholastic requirements and explained that the 18 footballers were among these.

Yonkers is scheduled to play at the home of the New York Yankees at 7:30 P. M. The four-game winning streak pulled up by the Pioneers was ruined last Sunday when Our Lady of Grace quieted were down the Ryelets and look an 8-37 verdict in a high game last year when, handed in the extra innings.

Hugo Guidi, New York School for Don's great start of last year, will lead the Ryelets, who also have Edson Teth, junior pitcher Bill LeVine, Frank Delitto and Dan Hoffman.

The Ryelets, who were downed by the Yankees in a 10-0 game last year, will have to turn the tables this year with tremendous speed and accurate shooting.

Concussions Tom Coogan and Ed Rogers Lawrence will be in the starting array, along with Ed Peters and Harvey Herriot of Mamaroneck and Joe DeStefano, Mamaroneck's great center of '49. Tony Collins and Bob Bell, both local boys, are Coach Jim Brody's most capable reserves.

In the preliminary game at 2:45, the Rye Y. Senators go after their eighth win with tremendous speed and accurate shooting.

Pro Gridders Clash In 2nd Bout Contest
LOS ANGELES, (AP)—Burglar season rivalries, and doubtless a few personal feuds as well, will be rekindled tomorrow when the pick of the nation's professional football clubs will clash in the second annual Pro Football Gridders' Contest.

The contest may be seen on television outside of Southern California over the National Broadcasting System. The kickoff at 4:30 P. M. EST is the feature of the National Conference against the best of the American Conference in the National Football League.

There is prestige along with the money in the winners and losers, in making the two teams, prestige, and performance in the playoffs will be a contract taking time comes up.

Feller Signs So Cleveland Seeks Lemon
CLEVELAND, (AP)—With Bob Feller signed for one of the top salaries in the American League, the Cleveland Indians' brass could start concerning themselves today with the No. 2 cash man, Bob Lemon.

In the past, "Feller" always has negotiated himself some pretty good raises by holding out, for example.

But this year we don't look for much argument from him. He was the team's highest paid last year. He would probably be getting 23 or 24 percent this season, so he certainly can't be holding out.

Feller's signing yesterday for an estimated \$55,000 made him the highest paid pitcher in the game. Only the American League's top money man (assuming the absence of Ted Williams, who certainly can't be getting more).

That's a raise of about \$13,000 from the season before, it is estimated.

Anton Posts 597 Pinfall
SID Anton posted high pinfall of 597 in Community League league kicking action at Larchmont Race last night. There were several other high scores in the race for high single.

In match results, no team was able to get through three games unscathed. Winning the verdicts were the Book and Ladino, speakers, Plumbers and Grocers.

Stanton's score topped Linnard's in the playoffs were captured by Anton and Mirandi, both of the Cabinet.

Eastchester Scores, 44-42; Fans In Riot

Whipped into a frenzy by the fan efforts of the owners, spectators from the stands at the conclusion of last night's game in the Bellows gym to stage a brief and mild riot as the ending of a charter contest. Eastchester's visiting Eagles, who knitted a more defense the home Blue Panthers found unimpressive, started to a 44-42 verdict and hereby became the first team to win at Bellows in six years. The setback was Bellows' first in the SWIAC circuit and second in three tries this season, while Eastchester for now boasts of three straight triumphs.

It isn't often that fans and Jayvee cagers can treat the game with variety hoopmen but that's exactly what happened last night. The Panthers Club played much sounder basketball in setting a school record in scoring than they tried in the regular season. In the preliminary and spectators' post-game make a memory of a nightmarish contest. Despite flaring tempers that led to a bit of fist-fighting, the rosters were separated quickly to prevent a mass outbreak.

Throughout the game the jam-packed gym vibrated from almost constant encouragement that the fans shouted at their favorites. The players, appearing to be in a terrific tension, simply could not coordinate their efforts and the result was a sloppy play. Bellows, in making 19 field goals, had an advantage. Eastchester's 12 fouls told the story since the Panthers converted only four of ten. The free-throw performance was a sickly 12 for 28.

Jack Cherichetti, Eastchester center who was stationed away from the basket most of the game, was top scorer with 17 points. Followed by teammate Joe Hanwood and Frank Pokorny. Bellows' both of whom tallied 15. Angelo Evangelista of Bellows' guard in the Panthers streaked to a 13-2 spread at the outset as Pokorny played three goals. Bellows' first three shots, Jack Hasley Jr. swished a net, Tom Fallon earned a formidably accurate hook. However, the starting lineup then faltered, handing the Eagles seven points and Coach Hasley benched the regular, Eastchester cut the deficit to 12-14 by the end of the first quarter and Henwood led a surge that soon put the visitors on top, 25-21. Back into the breach went the Panther variety but, after matching the foe basket for basket the next three minutes, fell into a lax deficit when Henwood made a lay-up and Cherichetti a free throw.

In the third game the Eagles built up a 36-30 lead and Bellows could cut it no closer than 39-36 by the end of the low scoring quarter. Bellows failed to gather a single point in the last two minutes of the third session and went almost seven minutes of the final period before Evansonetta dropped in a lay-up to end the game. By that time it was just about too late but the Panthers managed to get one more basket before the final gun.

Charlie Newbury hooped 18 points in the prelim to spark the East End Jayvees to a 66-57 win. Bill Koch netted 13 and Frank Calaneo scored 10 in playing the roles for the winners and Cowie's 16 points led the losers.

Iona Prep Suffers First Loss As Horace Mann Cops, 51-46

By DAVE SMITH
School Correspondent
Iona Prep's string of victories reached the end of the line last night as the Panthers were spelled by a visiting Horace Mann quintet, 51-46. It was the home opener for the Irish and a packed house, bond and all, was on hand to see the contest. The Panthers cleared the boards while the latter accounted for four tallies.

In the second half the action got wild. The two teams matched each other basket for basket but the dietary Irish finally pulled ahead, 36-34, going into the final frame. Horace Mann began each leg in on the rebounds and in all the excitement of the final minutes they went ahead for keeps.

Bunzlaf shared scoring honors with Bob Doherty, who played an outstanding game on the point. Both netched 13 points. Next in line was Louis Rabinowitz of the visitors with 12.

In another squaker the Little Irish exacted a 29-26 win over the Horace Mann yearlings. O'Leary of Mann was top man with nine points, while Andre Papp of Little Irish led with eight. This was the fourth win in five outings for the young Irish. The scores:

Smirgin, Lanza Pace Bowlers In M. C. Loop

Started by a 611 series from Smirgin and Charlie Lanza's 602 pinfall, the Friends rolled their way into the shut-out-victors circle in Community League bowling at Mamaroneck. Rec last night. The Franklin boys also created quite a disturbance on the timbers with a team total of 2,844 for three games and Jack Clausen Jr. fired the night's top single, a 317.

The Friends, Franklin Five and Landscapers swept their matches while the Stalwarts captured a 2-1 verdict in the other match on the program.

Lanza's 231 single started the Friends rolling to a 97-2 team total in the first game but Clausen pulled that on another alley at the same time. The latter's pinfall for the three games was 596, one more than teammate Marty Pader belted into the pile.

Of the other games that opened over the 200 mark, Sonny Lambert's 220 scores that created a third place deadlock.

Wolves Break Battle Apart In 3rd Period

Critized for being too particular about picking shooting opportunities, the Mamaroneck high cagers tossed from all angles and with varying styles at Vets' last night but the hoop still eluded the Orange-clads and Gorton took a 49-28 WMAA victory. Mamaroneck tried 73 shots from the field and hit with the slim total of seven but was a close game until midway through the third session when the Wolves ran away and hid to ice the win.

Tom Hill, a whirlwind-dervish speed merchant, sparked Gorton to its second success in three starts by scoring 23 points, all of which were earned through dribbling thrusts through the Tigers' defense. He took 31 shots and hit 11 but did not impress with his outside shooting. Three of the snags were the Tigers out of the Mamaroneck basket and taking long free throws. Hill scored 11 points but missed 17 of 31 shots.

Gorton's greater height and fast break were the keys out of the contest in the third period but very little of the shooting went in. He made 14 but missed 17 of 31 shots.

The Wolves held a 13-5 advantage in the first quarter, went to a 19-11 lead at the end of the second and then sped to a 34-15 lead in the third. In the final two periods, the Orange drew closer with five goals and four one-pointers in the last session.

Will articulated four of Gorton's first five baskets and was the lone player to hit twice in the second session. He was comparatively low in three shots from in close in the third period. He scored 11 points in five other points at the same time with just settled.

Frank Kosky's big six-six-center, Frank Kovacs, Gordon Gorton, John Smirgin and Charlie Lanza's 602 pinfall, the Friends rolled their way into the shut-out-victors circle in Community League bowling at Mamaroneck. Rec last night. The Franklin boys also created quite a disturbance on the timbers with a team total of 2,844 for three games and Jack Clausen Jr. fired the night's top single, a 317.

The Friends, Franklin Five and Landscapers swept their matches while the Stalwarts captured a 2-1 verdict in the other match on the program.

Lanza's 231 single started the Friends rolling to a 97-2 team total in the first game but Clausen pulled that on another alley at the same time. The latter's pinfall for the three games was 596, one more than teammate Marty Pader belted into the pile.

Of the other games that opened over the 200 mark, Sonny Lambert's 220 scores that created a third place deadlock.

McDine Stars As Crusaders Take Seventh

Archbishop Stepinac's quintet faltered for a brief spell in the third period but finished with a burst of blinding speed in trouncing Cardinal Hayes, 54-49 last night on the Stepinac court at White Plains. The win gave the Crusaders seven successes on the season and strengthened their bid for honors in the Catholic High School Athletic Association hoop league.

Edick McDine, back in the starting lineup after being benched for a game, paced the Crusaders with an output of 17 points. Jim Longo threw in 15 markers while Jack Rlich, paced Stephen's pivots, was netted 14 eight points.

Rich had an off night on his shooting but McDine and Longo filled up the gap after feeding their lanky center for show, half the picture.

Hayes, which scored an amazing one-point win at Stepinac last year, trailed through the first half but went in front near the end of the third period. Longo tapped in a rebound to give Stepinac a 37-36 edge going into the fourth quarter.

As the tick of the fourth period arrived, Stepinac's spurs pulled away with McDine sprouting three push shots to show Hayes well in front. Stepinac's 17-10 lead was the end of the game.

Nat Vopce's Crusaders had piled up a 24-10 advantage in the second period, but fell to a trailing position around the keyhole. Hayes was able to chop down the lead, which got back in contention but it was only temporary.

Syracuse Sits On Loop Lead In Pro Ranks
By The Associated Press
The top of both divisions of the National Basketball Association took on a fresh complexion today.

In the Western section, it's a new race between Rochester and Minneapolis, while in the Eastern Division, Syracuse took over the No. 1 spot.

Minneapolis polished off the Milwaukee Hawks 95-83, last night and coupled with the Philadelphia Warriors' 58-5 victory over the Chicago Packers, moved into the lead for the season.

Syracuse was idle, but advanced to first place when the Boston Celtics took a 110-79 drubbing from the Indianapolis Olympians.

Minneapolis had to score 29 points in the last period to gain its victory over Milwaukee. Ed George Mikas was high scorer with 18 points.

The Philadelphia triumph over Rochester came in the last four seconds when Nat'yon dropped in a basket.

Pro Bowl On TV Today
LOS ANGELES (AP)—The second annual Pro Bowl football game goes on today with prospects that the talents of all-star of the rival American and National League teams of the National League will battle each other in a rim and mud.

The kickoff is slated for 4:30 P. M. EST.

The weatherman predicted a Governor and the management decline in the anticipated turnout of 50,000 at an spectators in Memorial Coliseum.

The contest will be televised over the National Broadcasting Co. network, Quarterbacks 500 Waterloo of the Nationals and Otto Graham of the Americans will shoulder the major offensive burden.

ST. THOMAS MATCHES IN SPLIT DECISIONS

Split decisions went in favor of the Tigers over the Panthers in St. Thomas' Men's bowling on the night of the opening game of the season. The Panthers' Bob Smith (leaves pulled out their triumph in the final game with the Tigers) started a rally from an opening setback.

A 2-2 tie in the opening game gave St. L. a 3-2 lead in the series. The Panthers' Mike Moran was high scorer with 15 points.

The Philadelphia triumph over Rochester came in the last four seconds when Nat'yon dropped in a basket.

Up close to the lip in Mamaroneck's first five were Fred Cook and Art Welton with identical 23 scores.
