Sports ONCE OVER WEEKLY

BY GUIDO CRIBARI

On Youngsters with a Racquet

During the past few days of Westchester youngsters achieved some notable success in racquet sports on various courts in New York City. One in particular, 17-year-old Olive Staff of Bronxville, accomplished a mark that may never be approached again.

Staff, a senior at Bronxville High School, won the Metropolitan Junior squash racquet championship for the first straight year at the Princeton Club. And as they say in the trade, he won in a breeze.

Five years ago he was 12 years old and Staff had won this title. Now age has caught up with him and he will automatically relinquish his crown, which is an achievement more before attained and one that may never be threatened again.

Many squash experts say that Staff is the most promising young player in the nation. He is interesting to watch in future development. The tall, five-time titleholder is a champion of champions, young Olive Staff of Bronxville.

Also being the pick of the two other county tournaments in the form of the Metropolitan Junior and boys title tourney for the city, Carl Newport of Yonkers won the semifinals before being eliminated by the eventual champion Paul Crainis of Irvington. And young Larry Krieger of Monticello, Vermont, won the boys' division doubles crown along with Tony Lieberman of Philadelphia. So another salute to these fine representatives of Westchester youth.

A bit belated, but of interest nevertheless, is the grid item concerning Al Ricci of Port Chester High School. Up until this past season, Al had never had on a football uniform in his young life. He was happy and content as an important member of the P. C. H. football team.

One day before practice, Ricci was caught by coach Ralph Pedersen pulling the piece with consistent accuracy over the crossbar. After a few weeks, Coach Pedersen convinced the amazed youngster that he should come out for the football team to boot extra-points and nothing else. He did just that. He kicked the point that gave Port Chester a 7-6 win over Oyster Bay. Edged two in the game with Mamaroneck and he is now affectionately known as "Al Golden Toe" Ricci, who went from obscure band member on the strength of a talented leg.

Bullfrogs May Get a Tony

Albany County Tony Thurner of Blessed Sacrament High School of the city of Albany, has been named as the "Tony Thurner" of the Albany County Fair. He is a member of the Albany County Fair Association and he is now in New York City for the fair's annual meeting.

Branco a Hit

Ralph Branco a big hit at the Harrison Lake League party Monday night. He was successful on the horse show circuit in pretty fast form in his new dressage horse, a 4-year-old bay mare named "Branco".

Constitutional

Conservation-wise, any stoppage of hunting would do harm to the trout and bass population of our lakes and streams. Cold weather is no deterrent to many fishing spots with pike, perch and suckers.

Getting big plays are Wampus Pool and Roman Lake in North Castle, Massanutten Preserve in Katonah and even the Bronx Castle. Any water not closed to winter-fishing can claim its share of attention.

Bill-fishing with minnows or tiny worms is also an universally accepted method of catching ice-water. Today's fly-fishermen are seeing more and more of the spit-spacer who frequently latches onto the fly or the spinner. The only kind of spin-fishing which is ice fishing on rod guides.

Species like pickerel and perch find less food during cold-weather months, consequently they are inclined to be hungrier and voracious. The sucker whose flesh is tasteless in the summer becomes firm-bodied in winter and makes superb food.

Food that was thrown into the last meeting of the Putnam County Fish and Game Association by officer Don Tompkins who suggested that the Conservation Department consider buying land for the trout hatchery is now going for the anglers. Securing property rights would insure preservation of the sport.

Palmer Defeating Bowler in CFI

Ice Cubes' Sam Palmer scored a 472 score to pace the rollout of the Club Forty League last night at the Recreation Alley in Larchmont.

Whole Palmer was copying pin honors, the Green Hornets averaged a 2-1 decision from the ice cubes in the one-and-a-half-hour game. Mamaroneck High's team of seven players was defeated by the Ice Cubes' team of seven players.

Horses Necked suffered a 2-1 setback from the Racards. Der Puffer, Max Kasper, Dan Kasper, and Mares, 5-0, in the other contest.

With his legs becoming completely healed, Kaufmann led Mamaroneck High Skating Club in a 4-1 victory over the Racards.

Clash With Speedy Yorkers Quintet in WIAA Contest

Mamaroneck High's eagers will receive their initial test of the 1953-54 campaign at the Mamaroneck Junior High School gym tonight, clashing with the LeBoeuf and Sun Amersham quintets in what should develop into an exciting game.

With only two of six top seven players remaining at the six-foot mark, Yorkers has been forced to adopt a "run-and-shoot" style, hoping to thereby make up for deficit in rebounding power.

Mamaroneck, meanwhile, has also been attempting to perfect this style under new coach during the past two weeks.

In a scrimmage against a good St. Ann's quintet, Mamaroneck's youngsters, led by Coach Palmer, were victorious. The youngsters were victorious in the scrimmage.

Coach Palmer will probably start Bruno Glusnick, captain Jim Moore, Ernest Fenneman, Dick Bajdak and Sam Amersham in the Mamaroneck schedule.

MHS Ice Men Have Off Night, Giving Simpkins A Night Out

Higgins Scores 1st Two Goals For Cards; Kenney's 3d-Period Fly Prevents Shutout

The Cardinals dominated play so completely that goalie Bob Simpkins, who had only five saves while blanking North Tarrytown last week, 7-0, was called upon to make only three stops this time.

With Greenwich having a 4-0 edge in the final count, Mamaroneck led 3-0 in the first period.

Greenwich, the reputed power of the Willix, to live up to its reputation.

Kenney's goal moments later had little bearing on the outcome of the contest, lending only a consolation of not being whipped for the first straight, which starts North Tarrytown's completed this in the opening round.

'54 'Recession' Gets Kill Or Cure Billing

By RAY TUCKER

WASHINGTON—The "1954 recession" has been enough advertised to kill it out of existence. It never before had its own history—and this is a national economic departure.

The authorities, public and private, are sharply divided over the effect of its development. One group, consisting largely of industrial and political circles, are that maelstrom concentration on this subject can "wash" or "recessionize" it into bad times.

DIFFER ON RECESSION—The professional economists and statisticians agree that the 1954 recession is a real thing. They differ on the extent of the present or any future "recession".

Home For Elderly

Question: I have been told that you have helped many with selection of homes for the older people. I have a father eighty years of age whom I am very anxious to place in a good home. Would prefer the type where you pay so much and turn over his income rather than a monthly basis. Mr. J.A.O. Answer: Homes that charge weekly or monthly rate for the care of elderly people are usually private homes, often converted from nursing homes, although some are not.

ORANGE KEGLERS CRACK STEPBACK BY 216 TIMBERS

Led by Mac Wilson the Mamaroneck High kegling squad yesterday opened its season on a high note when it took an easy 118-84 win from the Stopoulos keglers. The Tigers gathered a 2,088 total for three games while the County set aggregation came up with a mere 1,202.

The match wasn't close after the first frame but the Tigers jumped off to an early lead which they lost by 11 numbers which they bounced back in the third frame.

The Mamaroneck B team, how- ever, was as fortunate as they dropped a 1,886 to 2,021 match in the Stopoulos B squad. Despite the loss George Higbee of the Orange squad was top man in the match with a 54 score. De- monocly, also of the Tigers had 47, while the Orange had 44.

With a curious quirk if the Mamaroneck A squad had battled Stopoulos B and Mamaroneck B in the scheduled B game, the two matches would have been won by the Orange 40-10 and 42-10 respectively.

IONA COURTMEN TROOP Brooklyn By 73-64

Brooklyn had the answer for Iona College's big 73-64 victory over Iona here last night, putting two men on the big post-maker, but other factors helped. The combined totals of 44 points by the Iona team, and 21 by the Iona team, with Brooklyn leading at the buzzer for 33-21, Iona began to move in the next quarter, however, and pulled quickly away as a height advantage began to show on the smaller team.

Seek 2nd League Win Before Crucial White Plains Contest

Sampson Says, "This Is The One To Win"

Mamaroneck's high school team is off to the start with a 4-0-3 record over Yorkers Friday night. They attempt to gain their second Westernchester Intermediate Athletic Association victory tonight when they clash with Port Chester's Rams.

A triumph against the Rams would enable Mamaroneck to enter next Friday's contest with all 14 WIAA victories and a win with a league coefficient, and might provide enough drive for the Rams to knock off the highly-rated Framingham.

Coach Ben Sampson, realizing the importance of tonight's encounter, stated "This is the one to win." His players, some of whom played in last year's disappointing 2-8 contest, are expected to win WIAA titles in both boys' and girls' basketball.

Port Chester, winners over Greenwich in its opener, 65-44, dropped a 78-54 WIAA title to visiting Rochester Friday.

Kams Not Too Tall
Coach Al Spector's charges range approximately the same height at Mamaroneck, with six-foot Larry Rapoport holding down the pivotal position as well as Ram scoring forward, Ben Sampson.

Rapoport, brother of Jerry—coming player last year in the county—led the boards with 120 points and four points in two games. During early season scrimmages, however, he paced Port Chester's offense with 87 points.

Pete Segal is the other leading point-scorer, having scored 71 points in four games. Other starters in Mamaroneck's backcourt include Lou Spector, Ben Fink and Dick Kessler.

"While the Rams haven't come up with any amazing score, they have developed a well-balanced offense," Coach Sampson commented, "as proved by 19 of their 14 players getting in the scoring column against New Rochelle."

Coach Sampson is expected to start Lou Spector, Ben Fink and Dick Kessler.

Hunting and Fishing Editor

Tupig fishermen received a brief opportunity early this week to pursue their sport. Several county lakes were sufficiently frozen to permit fishing through the ice.

The season's first freeze-up brought out hundreds of anglers who found the fish in a cooperative mood. Perch and pickerel, being like winter favorites, were plentiful but catch accounts were for the bulk of catches. Rock bass and white perch were plentiful but catch accounts were for the bulk of catches.

Lakes which saw little activity were Wampas Pond in Armonk, Muscat in Katonah, Tice in Poughkeepsie, Purrys and Kitchawan in Lewisboro.

For the most part anglers wanted the cover where they were thick. Lakes like West Point and Tice were not completely and frozen over.

Connolly Top Lady Athlete Of The Year

NEW YORK (AP)—For the third straight year, Maureen Connolly—of the world's tennis queen—was chosen "Female Athlete of the Year" for 1953 in the 25th annual Associated Press year-end poll.

Little Miss, who holds all the world's major tennis titles and leads the U. S. Lawn Tennis Association rankings for three consecutive years in 1953, has a heavy margin in a nationwide poll of sportswriters and sports fans.

The nineteen-year-old, brown-eyed blonde from San Diego, Calif., received 73 percent of the 126 ballots cast, and a total of 261 points on a 5-2-1 vote.

She beat out another famous San Diego athlete, swimmer Florence Chadwick, who had 21 first-place votes and 112 points. Third, and the only other woman athlete in the field, was actress Jane Fonda, who had 10 points.

The Babe got 14 firsts and an even 100 points.

Fourth in the 1953 poll was Tenley Albright of Boston, who at seventeen won the world's first women's alpine skiing championship Friday at Betsky Ranch, 1953. U. S. Women's Open golf champion, sixth, Marion Ladewig, champion women snow skier for the fourth straight year, seventh, Pat McCormick, 1952 Olympic diving champion, eighth, Louise Suggs, who earned a record \$318,616 as a professional golfer in 1953, ninth, Mary Kaye Plunk, U. S. amateur golf champion, and tenth, Gail Patrick, the nation's best all-around amateur swimmer.

'Rocket' Pulls 'Hat Trick'

By The Associated Press

Maureen Connolly, the world's tennis queen, pulled off a hat trick tonight when she won her third consecutive U. S. Women's Open golf championship.

Connolly, 23, defeated Betty Stanwick, 20, in the final round of the 1953 U. S. Women's Open at the Club at Pine Valley, N. J.

Connolly's victory was her third in a row, having won the U. S. Women's Open in 1951 and 1952.

Connolly's record of 28 consecutive victories is the longest in the history of the U. S. Women's Open.

Three Alternate Routes for Expressway Being Studied

ALBANY — Three alternate routes for the proposed Cross-Westchester Expressway to connect the New York State and New England Thruways in Westchester County are outlined in a long-awaited report issued today by the State Department of Public Works.

No official decision has been reached on which route will be constructed. Opportunity will be given, said Bertrand D. Talany, State Superintendent of Public Works, for county and local officials to study the alternatives and make recommendations.

However, a combination of portions of two of the three routes is definitely recommended by Charles H. Sells, former Westchester and New York State Public Works head, who was retained by the State as a consulting engineer to prepare the report.

These main routes for the Cross-Westchester Expressway to connect the New York State Thruway on the west and the New England Thruway on the east, are shown on the map.

Ike Bars UMT Law Pending New Study of Reserve System

Major Overhaul of Military Is Seen In Backing Of Report WASHINGTON (AP)—President Eisenhower today ruled out any Administration request for Universal Military Training legislation pending a new study—and perhaps a new overhaul—of the nation's military reserve system.

His decision seemed to eliminate the chance that Congress would get an Administration UMT bill this session, despite last month's recommendation by a Presidential commission that the "broken training" of 100,000 men be started next fall, or earlier.

Mr. Eisenhower disclosed his stand in a letter to Arthur S. Flemming, director of the Office of Defense Mobilization, that he agreed "in general" with recommendations made by Mr. Flemming's commission.

The ODM report was based on a Defense Department committee calling for postponement of UMT general mobilization of the reserves.

Mamaroneck Lodge No. 1457, BPO Elks, will once again sponsor civic activities week for Boy Scouts starting Nov. 9, the lodge decided at a meeting held last night at the clubhouse on the East Post Road. Fred Crisp was appointed to head a special committee by Exalted Ruler Joseph J. Castiglione.

The appeal for sponsorship came from Everett T. Houghton, public relations chairman for the local scout organization. He said that while detail plans for the week are not complete, it is expected that the scouts will work with village officials to learn just how the village operates. In addition, he hopes that the committee will make it possible for the scouts to gain additional experience through two to three times as many participating by working in business organizations, banks, stores, professional

Residents, Two to One, Favor Two-Bit Toll, Quick Thruway

ENTIRE NOTE—This is the third in a series of short interviews with Mamaroneck and Larchmont residents on issues of the day—local and national. This week's question: "WOULD YOU FAVOR A 25-CENT TOLL TO SPEED UP THE IMMEDIATE CONSTRUCTION OF THE NEW ENGLAND THRUWAY?"

Result: Yes, 22; no, 6. LARCHMONT Thomas B. Sutton, 170 Boston Road—"No, I definitely think it's a toll and I think it should be based on the distance traveled. However, I believe that the State is going to find that the revenue won't carry the load and that the taxpayer will have to pay the bulk of the costs. "I think this can be shown by an analysis of the New Jersey Turnpike which is 115 miles long and is considered a truck highway. I have observed that few trucks use this roadway. The New England Thruway is considered a truck route and the toll distance is much shorter than the turnpike. If trucks don't use the longer route why should they pay to use a shorter one? I believe they will continue to use the Boston Post Road.

"In addition, it's just positive that automobiles will use the parkways where no trucks are allowed and where the tolls are only a dime for the same route for which it is proposed that we pay a quarter.

"Yes, Captain, 10 Boston Post Road—"Yes, I would agree to this because it is worth while. So far there has just been a lot of talk about the thruway, and I believe it is worth while.

Garnet Star Sparks Triumph With 22; Oliver Clow Halted; Eagles Cop 3d

Rye's Garnet, rousing high above a scrappy Bellows quintet took advantage of their height, stowed Panther ace Oliver Clow with three points, spring Bill Peay loose for 22 markers, and copped a 60-45 Southern Westchester Intercollegiate Athletic Conference tilt last night before a packed house at the Bellows High School gym.

Peay, the best of three ace Rye athletes, dominated play throughout with outstanding rebounding, shooting and passing. His tremendous height controlled the boards, and in turn, the same.

The Panthers surged to an 8-2 lead with a possession-ball attack. Here, they became careless, taking shots more frequently while missing with greater consistency.

Employing a rousing man-to-man defense which concentrated on stopping the high-scoring Clow, Rye stymied the Panther attack. Its tremendous height controlled the boards, and in turn, the same.

In the final quarter, and hereafter, outscoring the Bellows, the first team became an easy task for over the Rye second stringers.

The victory was the second in four starts for Rye, undefeated.

Mams Break Loose For 20 Tallies In 3d After a Two-Point 2d Stanza

Limited to two charity tips in the second period while falling to a 15-20 deficit, Mamaroneck High School's boopers exploded for 20 points in the third stanza against the host Port Chester club last night to gain a 33-24 thrifteenth tie. The Tigers then closed their way to their second Westchester Intercollegiate Athletic Association triumph, 60-36.

Don Rizano, highly instrumental in Tuesday's 43-19 decision over Yorkers Center, registered another brilliant performance for Mamaroneck and its new coach, Bob Sampson. Rizano clicked with five field goals and five free throws for 15 markers, scoring scoring honors with Port Chester's Larry Haysport.

The victory enabled the Tigers, winless in 14 WIAA outings last year, to move into a four-way tie for lead with White Plains, New Rochelle and Housheer. The latter three found little difficulty in recording their second league conquests last night.

A full-court press, employed by Mamaroneck at the start of the second half, changed the complexion of the contest.

Rams Bewildered
The press seemed to completely bewilder Port Chester, forcing the home team into numerous errors in ball-handling and shooting and on defense.

Rizano, Jim Baret and captain Bert Martin, set the pace as the Tigers surged into a lead which they never relinquished.

Here, the Sampson men, who had played simply most of the evening, regained the second round in the final 10 minutes against Yorkers, desperate to get their Tigers playing as a well-coordinated unit, wisely called the timeout.

Nick Spola and Graham Best, entering into the final minutes, set the pace as Mamaroneck's junior varsity outscored a trailing 38-34 overtime decision from the Little Falls.

Training 23-18 at the third canto, the Mams rallied to gain the necessary 45 points to proceed to win in the overtime. Bert Pabel topped the losers with a score of 21 points.

The Mamaroneck varsity will be idle until next Friday when it pits its representatives against powerful White Plains, also undefeated in WIAA competition. The crucial skirmish is set for Friday, White Plains 67-63, 3:30 P. M.

The box office for Port Chester's 19-12 loss to Mamaroneck was 102 persons, the highest for the series.

Romani On Leave

WASHINGTON (AP) — President Eisenhower today asked Congress to adopt 14 amendments to the Taft-Hartley Labor law, including a provision that workers must see approval of their jobs before they can go into effect.

On the strike proposal the president recommended that before a union could be ordered to offer its jobs the workers be notified of the present restrictions in a secret, government-held election.

Mr. Eisenhower's proposals contained some changes suggested by management and some asked by labor.

Under the presidential proposals was one that would give strikers the right to file suits in federal court. Others would require employers to submit non-Communist affidavits as well as non-leaders, and would remove from Congress members that such funds should have public supervision, similar to insurance received by the Federal Reserve. The president reiterated his conviction that the law is "sound legislation," but he said it is "impractical to enforce in the seven years the law has been in effect, indicates that changes are needed "to reinforce its basic objectives."

Final Tryouts Held For Midget And Junior Court Leagues

22 NEW PLAYERS WIN ASSIGNMENT TO CAGE SQUADS

Twenty-two new players showed up Saturday morning for the final tryouts in both the Midget and Junior basketball leagues and all were assigned to court teams as the squads went through drills preliminary to the start of league play this Saturday.

The Junior loop, comprised of boys seven to 12 years old attracted seven new boys in addition to the 57 already enrolled. They were assigned as follows: Anthony Marzi to the Rams; Louis V. Vincent to the Bulls; William Roche to the Stars; Joseph Vito, Vito Knapik, and William Bullman to the Big Five, and a Duff Jensen to the Frogs.

The Juniors, drilling on the Mamaroneck High School floor, also underwent a slight reshuffling of teams as the boys were lined up and the squads were assigned as far as possible in height.

The youngsters then received some pointers in fundamentals from Bob Sampson, coach of the undefeated Mamaroneck 11-A cage squad and then participated in light team workouts.

SHIELDS SCORES IN 1ST REGATTA OF DINGHY SERIES

Neither snow, nor rain, nor cold could damp the Larchmont Yacht Club Frodoite skippers yesterday as no less than 27 turned out with their crews to open the mid-winter dinghy racing season in Larchmont Harbor.

What's more the weather, including a snowfall, couldn't keep the 27 boats from competing in no less than seven races.

Course skippers, who prior to the competition had been announced as the Fall series champion, kept the program with 160 of a possible 210 points, most Frodoite sailing at any time but almost all in yesterday.

Art Knap, defending season 2-4 holder didn't win a single race but his consistency with Agony was enough to top the number-one slot for the day's sailing with 186 points.

Winners in the five races that Shields' craft didn't win were Jack Easton with Decoy; Freece (an apt name for yesterday's competition), Dan Strohmer in Caprice; John Blumme, second champion Howe Melchior in Orion; Dr. Becker, winner; and Jack Supten piloting Bunch. He won Becker's first win as a frobbier.

Mr. Truman's 'Red Herring'

IF PRESIDENT Eisenhower holds that Communists-in-government will not be a fall campaign issue, as he has said, apparently ex-President Truman believes emphatically that it will. For on his most recent publicity trip to New York City he has altered his former position sharply. Now, instead of being on the defensive, minimizing the danger from Communist infiltration, Mr. Truman tries to reverse the field and run with the spy-catcher ball.

A Glance Backward

A DECADE AGO (From The Daily Times) If 8 months stand a record sky battle over Berlin. Three buildings were damaged, one gutted, in a fire on Old White Plains Road. Superintendent of Schools Alern was spotted following a school bus in his car, and so failed to observe any violations of his stops or over-viewing. Because of the critical coal shortage, officials agreed to enforce local ordinances against use of noisy, smelly, bluish-brown, black, or red-brown stoves. WAC Pic. 1. Elizabeth Larson, formerly of Larchmont, was in England. Induction of fathers was expected to be increased in 1944. The War Department developed a formula for using sea water instead of fresh water and salt in making bread. Sgt. Armando Gimano was a headliner in "Medicine Show of 1943." on the East Indian frontier. And 29 years ago three Weaver Street policemen maybe so, but those boys were dog know how to throw their weight around.

Plainsmen Blast S Cagers From Unbeaten Ranks, 69-51

Bellows Cagers Rip Harrison For First SWIAC Win, 62-45; Click For 13 Of 17 In First Half

WIAA HAS TOUGH CAGE SCHEDULE THROUGH FEB. 27

By BOB BRUBESCH

Daily Times Sports Editor

F. E. Bellows' cagers came into their own last night at Harrison, hitting with 13 of 17 shots in the first half while accumulating a 34-16 advantage against the Harrison Huskies. The Panthers coasted in the final period to register their fourth triumph in seven starts and first Southern Westchester Intermediate Athletic Conference victory in three outings, 62-45.

Clive Chow, Pete Lenelli and Charlie Decker hit double figures for the winners with 14 and 11 points. Neil Crosswell and Frank Calarco, the other starters, netted eight and nine points respectively. Bellows' cagers went to diminish Bill Shuman, who clicked on nine field goals and eight charity flaps for 34 markers—over half the Husky total. Most of Shuman's scoring came in the wild zone to the right. Which found the teams racing up and down the court while exchanging easy layups.

Three-Way Tie Develops
Other SWIAC action found the upstart Basketball, 64-47, leading to develop among the Gales, Eastchester and Pleasantville. The Gales led 17-3 at the end of the first quarter. Lenelli's outside shooting in the second stanza proved the Husky defense to spread, and the visitors, in turn, took advantage by scoring repeatedly from the inside on beautifully executed plays.

The victory enabled the Plainsmen to maintain their half game advantage over powerful Roosevelt of Yonkers and New Rochelle, both of whom also captured an early success. Defeated last night, Roosevelt blasted Yonkers, 55-44, and New Rochelle romped over Gorton, 77-43. A. B. Davis downed Port Chester in the other WIAA title, 64-45.

A trio of Billies—Merrill, Rocco and Brown—proved too much for the smaller Mamaroneck quintet. Merrill contributed for 20 markers, while Rocco and Brown monopolized the backboards, also contributing 14 and 13 points.

Holguin Setting Pace In Crosby Tourney

PEBBLE BEACH, Calif. (AP)—Teanahorn Tony Curtis, who has been known to set a stizzling pace on occasions before, was in front of the field today as the second round of the Bing Crosby Skisole tournament, which is for the championship golf under way.

While bagging the Texas open last year, Holguin also captured a record of 65, besides setting the individual pace with yesterday's 67 in front of the field today as the second round of the Bing Crosby Skisole tournament, which is for the championship golf under way.

Over the last two weeks or so of the season, Coach Jim McDevitt's hoppers face the six greatest teams in the state. In their next three games, they'll meet Fordham, St. Francis, Seton Hall and Villanova.

White Plains registered their third straight triumph against White Plains in dramatic fashion, with Jim Parsons who netted only five points, playing the hero's part.

Holguin, twenty-seven year old, Texas open champion, carded 32 for the 6,200 yard Monterey peninsula course. He had three 100s and one 110, and 10 birdies, missed only one green, and had 12 one putts during the almost unbelievable rounds. The previous competitive course record of 65 was set in 1949 by former national open champion Dr. Cary Middlecoff of Memphis.

The opening round was highlighted by a 16 taken on the par three 10th hole at Cypress Point and by Tony Curtis' Oliver of Wilmington, Del. Oliver put four balls into the ocean and a fifth onto the green from a 100 yard lie, and he saved his first round of 88.

18 Quintets In Action As MBI Campaign Opens

Keen Competition Displayed As 145 Youngsters Turn Out Despite Saturday's Snow Fall

By BOB HUBRESCH
Daily Times Sports Editor

Keen competition marked the auspicious opening of the Mamaroneck Basketball League season Saturday as 145 enthusiastic youngsters made their way through heavy snow to participate in initial league competition. The crowd proved more than sufficient, however, as sparkling new uniforms—189 in all—were distributed to the youngsters as well as a morning filled with the thrills and enjoyment of playing organized basketball.

Wearing their uniforms with as much pride as a wounded soldier carries his purple heart, the youngsters exhibited amazing ability and feats while showcasing their managers, spectators and also themselves. Brilliant hook shots, driving layups, long sets and a numerous assortment of shots had spectators in a continuous roar while watching the diminutive hoopsters imitate the fellows they watch on television.

The even-distribution of talent paid dividends, with competition producing five close Mamaroneck League games—the largest point spread being four points—while two local Junior Basketball teams, the Bulls and the Lions of the JBL, were able to announce decisions of the JBL MBI contest.

The opening mid-division battle pitted the Bulls against the Stars at 7 p. m. and the Pros against the Bulls at 8 p. m. The Bulls and the Pros again tied the JBL MBI contest.

Jerry Krumbert of the Tigers netted seven field goals and two charity flaps while scoring 16 of his team's 28 points and leading his mates to a 23-19 decision over the Cubs. Fred Knapf scored 15 markers in the losing cause, while Benji, cracked for 10 points, sharing high-scoring honors of the day with Krumbert.

After an impressive 33-48 upset of the Mount Vernon Tigers, the Bulls again netted seven field goals and two charity flaps while scoring 16 of his team's 28 points and leading his mates to a 23-19 decision over the Cubs.

The Bulls, breaking away from a 20-24 quarter, took a 15-11 lead over the Cubs. The Bulls' lead, however, was short-lived as the Cubs edged the Bulls in the final minute, but they were unable to tie the Bulls.

Mamaroneck and F. E. Bellows High Schools will continue basketball competition tomorrow when Bob Hamilton's Tigers remain a good Pelham quintet, led by P. M. and Jack Vlesky's Lakers invade Mount Vernon. The Mount, defeated by White Plains Friday, 69-51, after two league victories, will probably not be the reluctant a tough candidate for a 48-38 decision over Yorkers Commerce. They have lost to Eastchester, 61-40. Herb Berrard scored 20 against Hastings, turning his leg in the second half. The Pelham star was sidelined in the earlier two contests and returned to tally 23 markers against the Boston.
