

Our Men In Service

Two-Time Veteran

George M. MacLagan, 4 Dan Place, Larchmont, received three months with the Army in the Volunteer Officers Candidate's School of the Armed Forces at Fort Knox, Ky., was discharged with the cessation of the school, and now with his enlistment in the Navy as a second class petty officer, motor machinist, has the distinction of being one of the few men from the service to be a two-time veteran of World War I. MacLagan made MacLagan is now on deep water duty in the North Atlantic theater after completing basic training at the Great Lakes Naval Training Center.

Becomes Army Officer

Second Lt. Lawrence A. Quinn of Shore Acres, MacLagan, has graduated from the Officers Candidate School at Fort Hill, Oia, and has received his commission in the Field Artillery. The son of Mr. and Mrs. Lawrence A. Quinn of 227 Shore Acres Drive, he is a member of Cornell University student. He has been assigned to a battalion at Camp Hood, Tex.

Weather O.K.; Girls Not

The weather down in Georgia is really beautiful. Pvt. Arthur La Brucciano says in a letter to The Daily Times, and then adds an anti-climatic, "but I can't say the same for the girls."

Stationed at Camp Stewart with an anti-aircraft artillery unit, he writes, "The Army life, I don't think anyone else has done for, but we're here for a cause, and the job has to be done. The sooner it's over with, the sooner we'll all be home again with our loved ones."

Continuing on the subject of the not-so-beautiful Georgia, La Brucciano says, "But the other boys think different, so who am I to argue with them? I don't have time to write you, but I've met some of the home town boys here who will be stationed at the camp for some time: Guido Ruggero, Larry Frazer, Charlie Phillips and Thomas de Rosa. It really was a treat for some eyes when I met them all."

Vitro Promoted

Sgt. Dominic W. Vitro has been promoted to his present rank from a corporal, according to official word received from the United States Air Force Bomber Station in England where he is stationed.

The son of Mrs. Rose Vitro of 27 Madison Street, Mamaroneck, Sgt. Vitro was an officer in the 37th Infantry Division before he entered the Air Corps.

Seaman On Leave

S. Ernest Grube, son of Mr. and Mrs. Richard Grube of Thompson Place, Larchmont, is stationed at the Naval Training School at Annapolis, Md., and is on leave in the radio division, except the weekend at home.

Army Graduate

Pvt. John J. Pisanich, of 367 Mrs. Katherine Pisanich, of 367 Palmer Avenue, Mamaroneck, has completed an electronics course and has graduated from the Air Force Training Command School at Chanute Field, Ill.

'Pretty Severe,' Wilkinson Says

SENATOR CARL CURTIS, court-vested by Army general court-martial on specifications alleging statutory rape, three other moral offenses, bigamy and larceny, Capt. Maurice J. Wilkinson, Jr., today had this to say to newsmen of his sentence to 20 years' imprisonment at hard labor.

"Pretty severe, I think, for a slight indiscretion," Wilkinson also was ordered discharged from the service. He was acquitted on four other moral charges by the court panel of 10 superior officers, which reached its verdict last night after deliberating an hour and 35 minutes.

PRAYER SERVICE TONIGHT

The Rev. Anthony G. E. Stronberg, pastor, will direct prayer service and hymn singing this evening between 8:15 and 8:45 o'clock at the Mamaroneck Methodist Church.

GERMANS WAGING FIERCE BATTLE AGAINST OPPOSITE ENDS OF BEACHHEADS; 2,250 PLANES RIP NAZI TARGETS

France, Germany, Yugoslavia and Hungary Raided

SUPREME HEADQUARTERS ALLIED EXPEDITIONARY FORCE, (AP)—Fifteen hundred U. S. heavy bombers—the greatest single striking force in air history—allied with French and German today in concert with up to 750 American heavies which struck Hungary and Yugoslavia from Italy.

The American force aggregating upwards of 3,000 bombers and fighters, attacked among other targets the Los Rioses Air Base in Britain, Germany, while the Mediterranean force attacked a dozen oil refineries in Hungary and Yugoslavia—including the Shell Koolas, five miles south of Budapest, the largest in Hungary.

The American force, headed across the English Channel by the Allied command in France, was Amey's highest ranking military men. They are (l. to r.): Gen. Henry H. Arnold, commander of the U. S. Army Air Forces; Chief of Staff Gen. George C. Marshall (looking through glasses); and Gen. Dwight D. Eisenhower, Supreme Allied Commander for the invasion. This is a U. S. Army Signal Corps photo.

Gay Nineties Revue To Spur Larchmont War Bond Drive; Famed Artists To Appear

Added attraction Friday night at the Gay Nineties Revue, sponsored by the Women's Division of the Larchmont War Finance Committee at Mamaroneck Junior High School, will be the "Ging City Quartet," a vocal group consisting of four young women, complete with handkerchiefs, matches, red stipped suits and plink plink.

Accompanied by ARTHUR CHARLES TROSCHEL, the group includes Harriet Brown, Larchmont actress, Claude Rose, formerly of Ridge Road, Phil Day, of Knottwood Drive, and Dick Byron of Gettysburg Place.

Following Friday night will be Saturday night, featuring Miss Jeanne Haver, who has several leading roles, and even will appear in the "Ging City Quartet." The "maids" will be seen throughout the remainder of the season.

Produced by Lucille V. Accompa of Mamaroneck, who also has several leading roles, the review will include features by well-known entertainers from the community, including Jay Dover Henderson, soprano; James Mantel, baritone; and Loren London, Joseph Quadri and Leona White will give accordion solos, and an elaborate staged production, including George Miller, Howard French and Charles Donald of Harrison and William Nicholson of Port Chester, will be seen throughout the evening in various roles.

With Frank M. Totton as master of ceremonies, the show will differ in several aspects from the one produced by Mrs. Accompa for the Mamaroneck Kiwanis, offering additional acts and changes in staging.

Other members of the cast will be Elizabeth Everett, Jack Denney and Robert Rogers of Mamaroneck; Camille Pagan and John Mowbray of Port Chester; and Alfred Sullivan, Jr., of Harrison. The chorus will include Evelyn Beres, Vilma Pickett, Ann Lawrence, Thelma Tills, Zora Hall and Florence Smith of Larchmont; and Irene Lerer, Lola Healy, Jane Vastredes, Shirley Fry, Bobby Van Leusen, Ann Mandricha and Lucille De Taroni of Mamaroneck.

Tickets are still on sale at Larchmont banks, railroad station, stores or reading merchants and at Mamaroneck Junior High School.

Jakeman Plays Role In War Bond Drive

Playing a prominent role in the Fifth War Loan drive now under way in Brocks' Park, of 51 Hazy Grove Drive, Larchmont, Manager of the Sherry-Burke Restaurant, which has a main office in Chicago, Mr. Jakeman is a member of the Dairy Products Division organized to help fight the war bond drive.

Mr. Jakeman is also a member of the Committee for Dairy Equipment and Supplies, a subsidiary of the Dairy Products Division Committee which is raising a substantial part of the war bond quota assigned to industries in the Metropolitan area.

Montebourg and Troarn Scene Of Heavy Fighting

HEAVY fighting is raging in and around Montebourg and Troarn, two of the ends of the Normandy beachhead, with both sides being in and out of the two towns in the past 25 hours, the Allied Command announced tonight.

Armored battalions are being waged with increasing intensity between Troarn and Montebourg, and around Caumont, headquarters.

The Germans were using increasing armor strength, and it was announced that four Panz divisions were being used in the Caumont area.

The tanks of the British Royal Tank and Ramillies were supporting the operations around Troarn.

Many To March In Parade Tonight Preceding Annual Elks Flag Day Ceremonies

As the result of a request from the Parent-Teacher Association of the Central School, plans were made last night by the Board of Education to provide the building with a flag staff and American flags.

Heretofore, the tall pole on the grounds adjoining the Mamaroneck Junior and Senior High and Central Schools has served all three buildings.

The request was referred to the Buildings and Grounds Committee by President Philip O. Moynihan for decision as to whether an iron pole from another building be erected on the school grounds or a short pole attached to the building.

Permission was granted by the Board of Education to provide the building with a flag staff and American flags.

The Sports Spotter

By THE SPORTS EDITOR

Another sports year is about to close in an end last Friday when Mamaroneck's Tigers hung a 7-3 lacing on Isaac Young and finished their season with a record of eight victories and eight losses. Charles "Chuck" Gibson was the outstanding player of the game as he pitched and batted the Hill-toppers to nine hits in Plunkerton the story wasn't quite as good this season as the East End diamond aggregation was only three as against nine losses and turned in some lackadaisical baseball.

But this item wasn't intended to cover the baseball year. We've been looking over some records and recalling a lot of things that have happened in football, basketball, track and softball. As we glanced over the records of Mamaroneck High the name Gibson turned up in almost every score. In the pigskin game he was a standby all through the season, Coach Al Eiter of the basketball squad once remarked to me that he wished he had five such Gibbons in track there's no better high jumper in the county, and in baseball, well, the brief speaks for itself.

Just a record again that at diamond record Gibson pitched, he caught, he played first, second and shortstop, and in one game he turned up in right field. No weakling with the willow, Chuck closed his Hilltop career by pitching the Tigers to a 7-3 win and lapping two home runs in the bargain—both of them amended to far corners of the field. Even Vump Val Costello had plenty to say about those two round-trippers, mentioning that he's rarely seen harder hit balls in high school baseball.

As far as pitching goes, when the young man winds up it almost appears as though he's throwing spikes in the batter's face, and we will remember the one-shoulder he tossed at Bellerose.

It really no surprise to us that several catches, including Coach Matthews, have nominated the lad for all-weather pitcher. As a competitor, with first-class ability and a good sportsmanlike attitude, there could be a better choice. Gibson hung up his spikes with a fine performance in his last game and in our book he's the best athlete developed this year in our 5th War Loan — Buy Bonds Now!

Vanderbilt Proposes New Yacht Rules

Commodore Harold R. Vanderbilt, three-time defender of the America's Cup, spoke last night at the Larchmont Yacht Club on proposed changes in the yacht racing rules. Vanderbilt, who supported the new rules last October, maintaining that the present regulations governing yacht racing should be simplified.

In his introduction Vanderbilt said that his proposed rules were suggested to further the best interests of yacht racing and that "yacht racing has existed not because of but in spite of existing rules." He then entered into a technical discussion of the present rules, comparing them with the simplified regulations which he has proposed.

The Vanderbilt rules have been tried out by several yacht clubs in the past two years. This year they are in the process of trial by the Lake George Yacht Club. The Lake George Yacht Club Races have been governed by his regulations through the last two years and have adopted them again for their regatta this season.

Vanderbilt was introduced to the racing members of Larchmont Yacht Club who were present by Commodore Clarence M. Crane of the North American Yacht Racing Association. Not only identified with yachting, he also the originator of the "Vanderbilt" convention in contrast bridge.

Kiwians Win By 11-5 Count

Mamaroneck's Kiwanis Club softball outfit took a 11-5 decision from the Rye Kiwanis Club in a game played at Bellerose Park in Rye on Monday night. With Harold Kasper doing the twirling and turning back the Rye Kiwanis with commendable regularity, the Mamaroneck team had little difficulty in winning the game as it took an early lead and added to it as the game went along.

The Mamaroneck outfit had John Whitworth in a hit, pitched at third, Joe LaRocco at short, Peter in the short field, Muddy Kasper and Wright in the outfield, and Al Fetsinger on first base.

A'S SPARKPLUG

Joyce Heads East Enders With Willow

By DON LAUFERTER

The Bellerose High School hitting averages for the season just completed were released today and showed why the Panthers only won three of twelve games this season. Their leading batter was Bob Joyce who batted a meager .201.

The entire Panther squad batted punch at the plate. Only four men on the squad batted over .200 and two of those were not regulars. Two of the starters were under .100 while the remaining average were somewhere between .100 and .200.

After Joyce came pitcher Jay Cobb who played only nine of the twelve games and batted .201. O'Neill was the third highest batted with an average of .214 and positions than any other man on the team clipped the apple at .205 pace.

During the playing of the season only two twips were hit by O'Neill. The other two were by Red and White Recker, who played under Jack Pearson and broke his leg in the Rye game, cracked the other leg.

The Panthers were also stumped by the records show they made a total of 56 errors for twelve games. Although they won but three games against nine losses, the team cannot be called a complete failure because the youngsters learned something about the game under Jack Pearson and are hoping for better things next year.

U.S. Track Fans Perplex 'Prexy'

IOWA CITY, IOWA—Englishman Earl Whitworth is a bit perplexed. The president (English for captain) of the Cambridge University Track team two years ago, Whitworth is training with the University of Iowa tracksters for his first competition in America, and says it seems to him American are more interested in watching a sport than in participating in it.

"We English aren't as keen on watching a match as you Americans are," he explains. "We would rather be right in the contest. Most people here seem content to watch instead of play."

However, Whitworth predicts that after the war more Americans will participate in sports as an adjunct of the emphasis placed on sports by the armed services. Whitworth came to this country a year and a half ago to study medicine on a Rockefeller Foundation scholarship and plans to return to England after being graduated next Fall. He is 23 years old.

Meanwhile he is anxious to stretch his legs again and declared that a recent practice run "felt good to be running with the 'chaps again.'"

Joy's coach, George Brennan, expects Whitworth to be a valuable asset to the Hawkeyes' permanent track squad. He will compete in the high and low hurdles and the broad jump the same as he does here.

Emeralds Play Here Friday

The Cottage Grill Emeralds of Stamford, the only team that is commonly played with all Stamford players, will appear in Mamaroneck Friday night according to an announcement made yesterday by Charlie Lanza, who is sponsoring a single and a double record in the industrial league in Stamford. After having won the winner's ladder title without losing a single defeat, the outfit has also taken its first four out of five games, scoring two shutouts in the process.

Donning up in an independent Stamford circuit, the team has taken five straight wins for twelve games in which he has started White Leps, in credited with two no-hitters and a couple of games in which he has started.

Lanza will announce a starting lineup for the Mamaroneck outfit tomorrow and will probably call on many of the members of the Stamford Industrial League's leading team for his team and will add several out of town softballers in an effort to give the Stamford outfit its first defeat.

Salary Boosts Probable For County Staffs

WHITE PLAINS—The County's Personnel Reclassification Board meeting yesterday approved to report tomorrow to the Supervisors' budget committee, a list of a number of County employees may be changed, preparatory to a general adjustment upward of salaries, it was indicated today.

The Reclassification Board consists of County officials, representatives of the employees, and County Personnel Officers Edward J. Donovan. The present County proposals which can be paid in certain positions by minima and maximums. Changes in titles may allow revisions of such pay.

The budget committee, headed by Supervisor Edward P. Barrett of Bedford, is expected to report on Monday, July 3, recommending certain salary adjustments and increased work bonus pay. The work bonus probably will be payable for the remainder of 1944 but the new salaries are not expected to become effective before the first of the year.

Union Behind Drive
Mamaroneck, the private drive of the new CIO Local Union 327, State, County and Municipal Workers of America, continues to bring letters to the Supervisors urging the extra pay. One letter today from Milton Hainisch declares that "a large proportion" of County employees have "like-home" pay of only \$20 a week and asks, "What sort of loyal service can we expect from employees paid as little as this at a time when it costs so much more to live?"

Another communication urging higher pay is from Henry J. DeB. Larchmont, while the Mount Vernon Fur Dressers and Dyers Union Local 145 asks for immediate work bonus payments of \$225 for employees earning \$100 or less. In addition to the bonuses already being paid, ranging from \$120 to \$180.

The Mount Vernon local said it was on record as disapproving the recommendation of County Executive Herbert C. Gerkath that the County "freeze" \$200,000 in budgetary surplus as a nucleus for a postwar public improvement fund.

Allies Push On To Seize Key Italy Junction

ROME (AP)—Fifth Army elements have swung around heavily defended strategic points of Orbetello, 71 miles northwest of Rome, and captured the important junction of Highways No. 1 and 74, some four and a half miles beyond the town, Allied Headquarters announced today.

Reconnaissance elements pushed still further north.

To the East, the Eighth Army advanced 60 miles north of Rome. Cases also were made both east and west of Lake Bolsena and Allied troops were closing in on Narni, seven and a half miles beyond Terni and 48 miles due north of Rome.

The town of Latera, four miles southwest of Volturno, was glibly entered by the Fifth Army units and the advance moved on toward Irsiano, less than two miles farther northeast.

Other Fifth Army forces were closing in on Bolsena, on the eastern shore of the lake. Meanwhile, the Eighth Army continued to march up the Tiber Valley on a broad front and armored units extracted several miles north of Magliano.

Dewey Aide Busts Big Albany Racket

ALBANY (AP)—Special Prosecutor George P. Monahan, heading the Governor Dewey-ordered investigation of crime in Albany County, estimates the annual "take" of what he termed the "clearing house and policy racket" in Albany is over \$300,000.

Monahan made the assertion following a late night by members of his staff and State Police on two establishments described by the prosecutor as "racket headquarters."

RED CROSS ACTIVITIES

Thursday—10:5. Collection depot in Playhouse Building for Camp and Hospital Committee open. 11:4—Dewey room, Methodist Church House, Mrs. John M. Dewey's charge.

Friday—10:5. Collection depot in Playhouse Building for Camp and Hospital Committee open. 11:4—Dewey room, Methodist Church House, Mrs. John M. Dewey's charge.

DESSERT BRIDGE FRIDAY!
Home front defense workers are urged to attend the dessert bridge to be given by the war activities committee of Central School parents at the Orienta Beach Club at 1:30 P. M. Friday for the benefit of the camp and hospital service in this area.

The service, operating so quietly that its work is comparatively unknown to the public, furnishes a multitude of comforts to wounded and ill men and women in such large and essential numbers at Stewart Field, West Point, Camp Shanks in the U. S. Disciplinary Barracks at Pawling, the WAC Training Center and Military Police Camp at Eastview.

While the Army and Navy supply necessities for the men and women at such institutions, the service is the only organization officially authorized by the American Red Cross to provide them with the other things that they need during convalescence at hospitals or during long, perhaps drab days of waiting in camps.

The service has met requests for lounge chairs, lamps, bedside radios, bathing towels, athletic equipment, reading matter, games, electric fans, musical instruments and numerous other articles. The requests of commanding officers are transmitted by Red Cross field directors to the service.

The bridge is given by the Central School War Activities Committee, because the parent organization does not solicit funds for this work, which deserves the sympathy and support of everyone interested in the welfare of the armed forces.

Mrs. Harold O. Thomson is chairman of the committee, assisted by Mrs. F. R. Heubergers, Mrs. Beverly Nelson, Mrs. Luman Hubbard and Mrs. Richard O. Harris. Reservations may be made with Mrs. Heubergers, Larchmont 24888.

TIME TO QUIT
HARTFORD, CONN. (AP)—Observing that "women are still women," Corollia A. Moplin, unemployment compensation commissioner, has reversed the decision of an examiner who refused to award compensation to a 19-year-old girl who quit working who quit not because a man working near her had kissed her, "prone and indecent language." Moplin said the girl had "good cause indeed to quit."

On The Home Front—MAMARONECK

TO FRIENDS OF RED CROSS
The following appeal for blood bank volunteers has been sent out by Dr. H. E. Machin, chairman of the information committee.

"As you read this letter, the invasion of Europe is in progress. 'American boys—Mamaroneck boys' are in action. Blood bank units, sent to our suffering battle and bring them back to their families.

A mobile Red Cross Blood Donor unit will be at the Daniel Warren School on Thursday, June 17, from 1:45 to 8:30.

"Here is an opportunity for every able-bodied man and woman between 21 and 60 years of age to save some boy's life. 'No healthy person needs medicine or to be afraid to give one pint of blood. It is easy to do and leaves the donor with a real feeling of satisfaction.

Telephone MAMARONECK 1067 for appointment. "We need 250 volunteers to assure our quota of 150 units of plasma."

"Donations may be made in honor of a service man or service woman."

BRITISH LEADERS VIST FRENCH BEACHHEAD

THEir first visit to the beachhead since 1940, Prime Minister Winston Churchill set foot on the soil of France when he visited the Allied beachhead in Normandy. He is shown at ground force headquarters after traveling across the channel on H. M. S. Kelvin. Pictured are (l. to r.): Sir Alan Brooke, chief of the Imperial General Staff; Churchill; Gen. Sir Bernard L. Montgomery, Allied Ground Forces Commander; and Field Marshal John Smuts, Prime Minister for the Union of South Africa. This is a U. S. Signal Corps Radiophone photo.

Polio Camp Will Provide 500 Rest Days

WHITE PLAINS—The camp program of the Westchester Chapter for Infants Paralysis is now under way and will provide between 400 and 500 days at camp for crippled children of the County. It was announced today by Peter W. Quinn of Scarsdale, chapter chairman. The chapter reports its activities for the eight-month period prior to June 1 since it has passed its fiscal year.

"The shortage of medical and nursing personnel has made the continuance of proper clinics a vital problem," reports Mr. Quinn. "With the cooperation of various interested agencies, plans are nearly completed and only to meet the problem but to supply even more adequate facilities than those now available. There is the ever-present threat of an outbreak of the disease in epidemic form. This phase of the work has been given careful attention and every possible contingency has been given consideration."

The report shows that an additional respirator or "iron lung," is being placed in Peekskill Hospital and emergency supplies of necessary materials are placed around the County as to be available in any case in 15 minutes. A constant check is also made of availability of Kenny-trained nurses, trained at the expense of the chapter and holding themselves ready for emergency call.

Included in the statistics report are the following: 341 under-16 treatments, 532 days hospital care provided, 12 orthopedic appliances purchased, 28 pairs of orthopedic shoes provided, 25 trips to clinics, 20 physical therapy treatments, one "iron lung" purchased for Yonkers communicable disease hospital, with much educational literature distributed to nurses, as well as donations. Rehabilitation and recreation programs were also arranged and financial aid given in many other cases.

SHAEF Blames Gen. de Gaulle For Impairing Aid In Invasion

By JOHN M. HIGHTOWER
Associated Press Staff

WASHINGTON—In the final hours before the start of the invasion of France, General Charles de Gaulle is reported here to have suddenly cancelled the orders of several hundred French officers scheduled to land with the first waves of Allied troops.

Reports from General Dwight D. Eisenhower's headquarters to the highest military officials have disclosed today that as a result, cooperation between the French police and Allied armies has been impaired in the occupied Normandy areas.

DeGaulle's action with respect to the officers is said to be probably the most important new factor entering into the background of a broadened meeting between President Roosevelt and the leader of the French National Committee here since late this month or early in July.

Officers disappointed.

The insistence of Allied commands on having some representation for dealing with the French people finally forced deGaulle to relent to the extent of allowing 20 officers to make the trip. Officials here say Eisenhower's reports reported that the officers who were forbidden to go were extremely disappointed.

These actions of deGaulle were understood to have strengthened the White House and State Department decision against recognizing the Liberation Committee as France's provisional government.

It was to obtain such recognition that deGaulle sent word he would like to see the President. However, it was now reported that Mr. Roosevelt agreed to receive him primarily because he hopes that he may persuade the French leader to work more closely with the Allied High Command for victory in Europe.

The fact that deGaulle had sent word he would like to see the President, it was reported, was not the primary reason for his decision to receive him. It was believed that deGaulle had sent word he would like to see the President because he had "good cause indeed to quit."

Reds Nearing Viipuri; Entire Front Ablaze

LONDON (AP)—Red Army troops have advanced to within 20 miles of the important port of Viipuri, crushing Finnish troops resisting from strongly fortified positions. Moscow announced today and enemy reports said Russia's whole northern front from the Arctic to the White Sea and Gulf of Finland was ablaze with action.

Finnish and German radio broadcasts declared the Russians were attacking in the Leno sector between the Arctic ports of Murmansk and Petsamo, and Berlin asserted Soviet forces also were attacking southwest of Narva in Estonia.

The Moscow communication was restricted to the Kivoliina, both sides fighting, saying Soviet troops captured several Finnish strongpoints during yesterday's battling.

Wounded Vet To Speak At Bond Rally

A 32-year old veteran of World War II, recovering from wounds received from machine gun fire at the Anzio Beachhead, will speak at the War Bond rally to be held on the laws of the Erie Club following the Flag Day parade, Gabriel Wendel, chairman of the Mamaroneck War Finance Committee, announced this morning.

The veteran is Pvt. Nicky Nicolette, Co. C, 10th Infantry, 8th Division, now on furlough and visiting his parents in Yonkers. Nicolette has three other brothers in the service, two in India and one in New Guinea.

He took an active part in the battle at Cassino and Mt. Lungo where machine gun snags in his arm and left side put him temporarily on the side lines. He returned to the States on May 24 and wears the Purple Heart and is in possession of a citation for the Chain of Merit awarded him by the Government, single handedly capturing, entering the service, Nicolette was an actor in the "Lena's State Theater" in White Plains. His plans for post war are not definite. The immediate job he seeks, it is to get back into the scrap.

The Board sale total for individuals was increased yesterday by \$13,206.25. This amount is made up as follows: Union Savings Bank, 25 individuals, \$7,056.25; County Trust Company, 27 individuals, \$2,127.00; Playhouse, 17 individuals, \$1,142.75; Mamaroneck Federal Savings and Loan Association, 4 individuals, 190.00; Post Office, 17 individuals, \$488.75.

In addition to the above, a credit was received this morning, Mr. Wendel said, from the Federal Reserve Bank of \$1,000, representing Mamaroneck's share of bond purchases.

literature distributed to nurses, as well as donations. Rehabilitation and recreation programs were also arranged and financial aid given in many other cases.

Chatsworth Principal Gets Year's Leave

(Continued from Page One)
written and edited widely read publications in the field of education.

Thomas P. Girard, teacher of Science at Bellows High School, was appointed last night to teach in the Mamaroneck Junior High School to fill the vacancy caused by the entrance of Lieut. Albert Bert into the Navy.

To fill the post of Mrs. Leticia Novilla who is on leave of absence, the Board appointed Miss Wanda H. Mitchell to teach "third year" English and speech. Miss Mitchell is a native of St. Mary's, Va., received her B. A. at the University of West Virginia, her M. A. at Northwestern and has been teaching since 1942 at Nott Terrace High School in Rhode Island.

Another appointment made last night upon recommendation of the superintendent was that Miss Gertrude A. Bailey of New York City teach second grade at the Chatsworth Avenue school in place of Mrs. Marie A. Allen. She received her B. A. at Hunter College and her M. A. at Teachers College and has taught for five years at the Somers, N. Y. Central School.

Our Men In Service

Training To Fly

Pot. Gastano Marsella, above, son of Mr. and Mrs. Dominick Marsella, of 111 Grand Street, Mamaroneck, is receiving training with the United States Army Air Corps at Amarillo Field, Tex.

He is a graduate of Mamaroneck High School and was employed by the Mackintosh Company and the Clinton Beach Club before entering the service Feb. 11, 1944. He has also received training at Sheppard Field, Tex.

Pvt. Marsella's brother, John, was killed in action recently in the Italian campaign. Another brother, Pvt. Anthony Marsella, is serving with the United States Army in Italy.

Lt. Holden Promoted

Lt. Henry D. Holden, son of Henry D. Holden of 141 Post Road, Mamaroneck, has been promoted to his present rank from second lieutenant in the United States Army Air Corps.

He has been in the service since October, 1941, and is currently assigned to the 48th Army Air Corps at Tuskegee Army Airfield, Okla. He is expected home soon on leave.

Ski Trooper On Visit

Mr. David Sills, son of Mr. and Mrs. B. Malcolm Sills, formerly of Larchmont, now of Goldboro, N. C., member of the 87th Mountain Regiment Ski Troop, is the guest of his aunt, Mrs. Russell Gould of Myrtle Boulevard, Larchmont, while on furlough.

Mr. Sills, who has served in Alaska, will also visit his parents before returning for further duty.

Among 'Hottest Plane'

Among the enlisted men contributing importantly to the success of the 35th of Lt. Col. John H. Henry's Mustang Fighter Group in the air is Sgt. James W. Lancia of Mamaroneck.

As a technically trained crew chief, Sergeant Lancia is "somewhere in England," a part of the highest grade air machine in the world. He likes his job. "I know I'm on the ball when my ship flies," he writes his friends in the States, "and I'm flying pretty these days."

Sgt. Lancia obtained his training in airplane mechanics at Camp Wright, St. Louis, Mo., where he specialized on dive bombers. "I may have crawling what he believes is 'the hottest plane in the world.'"

The sergeant is the son of Dominic Lancia, 105 Hillside Avenue, Mamaroneck. He attended public school here and before his induction in November, 1942, at Camp Upton was employed as an auto mechanic.

Completes Course

Joseph Henry Huber, 19-year-old son of Mr. and Mrs. Joseph Huber of 423 Monroe Avenue, Mamaroneck, has completed a course of training at the machine's school at the Mamaroneck, Tenn., Naval Air Technical Training Center and is rated as a seaman first class.

A graduate of Mamaroneck High School, he enlisted in the service Oct. 23 and received his recruit training at Newport, R. I.

Crowd Sees Elks Flag Ceremonies

Gelb Calls For Strong Democracy; Wounded Vet Backs Bond Drive

HUNDREDS IN PARADE

An appeal to all Americans to make democracy strong and see that it continues to grow at home while our men fight it abroad was our main theme for Chief Assistant District Attorney Joel Gelb who addressed a large audience at the Elks' club grounds following the annual Flag Day parade in which several hundred representatives of the high school and civic organizations participated.

Introduced to the audience by Mayor B. J. Santoro, chairman of the exercises, Mr. Gelb said that the ceremony was organized and its ideals, the flag should be "lofted," protected and cherished.

He referred to the "glorious heritage" which has come down to us through the years of American history and added, "We must be proud of the fact that we have not squandered our great legacy of freedom and democracy. We must protect our country by protecting her institutions."

Mr. Gelb warned against the destruction of the American way of life, reminding the audience that it is done, "not often physically but in subtle ways." Every great Fascist or Communist belief begins on a platform during that time of meeting.

The address followed the Elks' Flag Day ceremony conducted by Mayor Santoro when the history of the development of the Flag was read as representatives of the Civil Service, Boy Scouts and Glee Club marched forward with their banners as it was described. The ceremony was concluded with the unveiling of the local liberty bell.

When the paraders reached the Elks' Club after marching from the intersection of the Plaza and High Street, Avenue, High Grace, exalted ruler of the Elks was in charge of the program and introduced Mayor Santoro. The Elks' Training Command graduation exercises at the Elks' Club, 1156 of the Valerians of Foreign Wars and the band of the Mamaroneck Junior and Senior High Schools and Belmont High School provided music during the parade and played by the fine ceremony.

To lead off the parade was conducted by Gabriel Wendt, chairman of the War Finance Committee, Pfc. Nicky Nicolotti of Valhalla, 19-year-old veteran of three major battles in the Italian campaign, was introduced by Mayor Santoro and urged everyone to buy as many War Bonds as they could during the Fifth War Loan drive.

"All I can say is, I am glad to be back home in Westchester County," he said, "and I hope you will buy bonds and keep buying bonds to give the boys over there what they need so that they can come home, too."

The young soldier has the Purple Heart for wounds received in action and still carries his arm in a sling as the result of injuries he suffered on the Anzio Beachhead.

"When you look at this boy who has sacrificed so much," Mr. Wendt said, "just remember that all we are asking you to give is dollars."

Savings-Loan Assets Reach Record High

The assets of the Mamaroneck Federal Savings and Loan Association are \$87,000, the highest in the 53-year history of the institution, was reported at a recent meeting of the Board of Directors.

The Board declared a dividend at the rate of two percent per annum for the period ending June 30, the 10th consecutive dividend declared since the association was organized.

With many new mortgage loans approved at the meeting, more than 200 loans were in process having a total unpaid principal balance of over \$400,000, the highest in the association's history.

Upon receipt of the resignation of Mr. J. C. Johnson as director for 25 years, the Board moved a special vote of thanks for his long and faithful services which considerably aided in the progress of the association and in bringing it up to its present high position in the community.

Supreme Headquarters Allied Expeditionary Force

THE GERMANS LAUNCHED VERY heavy counterattacks in the Villyer-Bocage area last evening but were repulsed with heavy losses, Gen. Eisenhower's headquarters announced today.

Other heavy fighting took place in the Pont l'Abbe area and around Quineville where Americans gained some ground.

Gains also were made west of Baupré, which headquarters announced today.

Supreme Headquarters Allied Expeditionary Force (AP) - The Allies were fighting today their fiercest battles since the landings in France and the German High Command, which had thrown four armored divisions into furious counterattacks, described the fighting as "an approaching climax."

Near Last Communication Line - American infantry and reconnaissance units, supported by tanks smashing across the Cherbourg neck, drove within seven miles of cutting the last communication line and at the submarine base in the vicinity of the peninsula.

This was virtually the only Allied gain in the 24 hours.

The Germans drove the British hand-to-hand fighting scored between Cherbourg and troops of the U. S. Fourth Division in the streets of Montebourg, 14 miles southeast of Cherbourg.

American artillery was shelling the road from Montebourg to Valognes to the northwest, and the doughboys controlled the road from Quineville, on the coast, to Montebourg, but the town itself changed hands from hour to hour.

American airborne troops appeared the fighting around Cherbourg and besides pushing to the west above the German back more than a mile south of the town.

McBrien Lends Aid To War Bond Drive

Playing a prominent part in the Fifth War Loan drive now under way is James R. McBrien of 425 Wood Street, Mamaroneck. Mr. McBrien, district manager of the Dairy Corporation, New York, is a member of the War Reliefs Division organized to help finance the war bonds to corporations and their executives.

Mr. McBrien is a member of the Committee for Dairy Equipment and Supplies, a subdivision of the Dairy Products Division which is raising a substantial part of the war bond quota assigned to industries in the Metropolitan area.

Mr. McBrien is a member of the Board of Directors of the Metropolitan area.

S. SUPER-FORTRESSES RIP AT HOME; SECOND TIME; NAZI COUNTER-BLOWS FAIL

Army Reveals No Details Of New Aerial Assault

BULLETIN—WASHINGTON (AP)—The Army announced today that B-29 Super-Fortresses of the Army Air Forces bombed Japan today.

No further information was divulged, and there was no indication of which part of Japan was struck nor where the new planes, in combat for the first time, were based.

The text of the brief communication read:

"The B-29 Super-Fortresses of the United States Army Air Forces 20th Bomber Command bombed Japan today."

Gen. George C. Marshall, chief of staff, in a statement on the attack made public by the War Department, said that the super-Fortress introduced a new type of offensive against the enemy and "also creates a new problem in the application of military force."

Because of the enormous range and heavy bomb load of this new aircraft, the War Department said that the super-Fortress could be used to strike enemy air bases at a single objective.

"These bombers therefore, and being the super-Fortress, are being used to strike enemy air bases at a single objective."

"This type of flexible, centralized command recognizes that very long range bombardment is not for the air forces alone. Under the joint command of the super-Fortress will have a voice in its employment, ensuring that maximum effectiveness will be obtained through missions which will contribute directly to the overall strategy for the defeat of the enemy."

It was the second American raid on the Japanese homeland on April 18, 1942, when American military forces "were at their lowest, the nation was electrified by word that Tokyo and other Japanese cities had been attacked from the air."

The first announcement that came from the Japanese and it was not until weeks later that it was known that a force of 29 B-29 Mitchell Bombers under James H. Doolittle, then only a lieutenant-colonel, had broken through the Japanese air defenses and landed in the United States.

Mr. Church, who was 25 years old and had been a member of the Seabees for about two years, was hospitalized at Gulfport, Miss., and New Orleans, La., for about seven and a half months before he received more than 100 blood transfusions in a vain effort to save his life. The transfusions were in the form of plasma and whole blood from fellow members of the Seabees, but since the blood donor service of the Mamaroneck Red Cross, but since it has no treasury, it was forwarded to the blood donor service of the Westchester County Chapter.

Mr. Church was a graduate of White Plains High School and was employed by the Warren Electric Co. White Plains.

Mr. Church was a member of the Seabees for about two years, was hospitalized at Gulfport, Miss., and New Orleans, La., for about seven and a half months before he received more than 100 blood transfusions in a vain effort to save his life.

HALF CENTURY AGO—The Rev. Francis J. H. Coffin, rector, looks at the 50-year-old cornerstone of St. John's Episcopal Church, Larchmont, which will celebrate its anniversary on Sunday, June 25. The trowel used at the cornerstone ceremonies in 1894 will be on display at the observance.

Trowel Used 50 Years Ago For St. John's Cornerstone On Display At Anniversary

The trowel and mallet used 50 years ago to lay the cornerstone of St. John's Episcopal Church, Larchmont, will be on display Sunday, June 25, at 11 A. M. when the Rev. William T. Manning, bishop of the Diocese of New York, addresses the congregation at the anniversary service.

Representatives of other churches, members of the Town and Village Boards, the Police and Fire Departments and delegations from 25 Larchmont civic organizations will attend the service. An informal reception will follow.

In the "Larchmont Supplement" of the Paragraph, a paper, "Devoted to the interests of the Westchester Shore," published on July 7, 1894, the service at the laying of the cornerstone was reported as follows:

The cornerstone of St. John's new Episcopal Church was laid on Tuesday afternoon, June 19 at 4 o'clock, with appropriate services. The ceremony was presided over by the Rev. Henry C. Potter, bishop of the Diocese of New York, assisted by the venerable Archdeacon Frederick B. Van Kleeck of Grace Church, White Plains, and eight clergymen from neighboring towns. The singing was by the choir of St. John's, 1843, consisting of the following: St. Thomas Church, Mamaroneck. The attendance was large and the service was a most beautiful and impressive one.

The office for the laying of the cornerstone was read by the Rev. W. Montgomery Dunlop, suffragan minister of St. John's, 1843, consisting of the following: St. Thomas Church, Mamaroneck.

The service upon the cornerstone, mentioned in the service, is the Cross and the date 1894. Deposited within it was a copy of the Holy Bible, the Book of Common Prayer, the revised Hymnal, and a journal of the last convention of the diocese, a history of St. John's Church, a copy of Whitaker's Church Almanac, the New York Herald and the New York Times.

Klinger Wins Award For Heroic Action

Fredrick Lindsay Klinger, 20-year-old great-nephew of Miss Emily B. Lindsey of 25 Ostraworth Avenue, Larchmont, radioman third class, U.S.N.R., has been awarded the Bronze Star medal in recognition of heroic and meritorious service in combat against the enemy, in the Southwest Pacific area.

The citation accompanying the award, made by U.S. Admiral Thomas C. Kinkaid, V.N.C., read in part as follows:

"This craft was required to make numerous trips between transports and the beach. He courageously and successfully transported from ship to shore the landing force personnel and equipment despite bitter enemy cross fire. In each operation he carried out his duties in a highly efficient manner by expeditiously loading his craft on schedule at the proper beach. His professional skill, courage and endurance added materially to the success of each operation and were in keeping with the highest traditions of the Navy of the United States."

The son of Mr. Dorothy Haviland Klinger, formerly of California, now of Brooklyn, and Bert Matt Klinger, Radioman 3/C Klinger, enlisted in the Navy three years ago and has been active in many peace and war relief projects.

His brother, Sgt. Allen Klinger, M.P., is also serving overseas.

Mr. Klinger is a member of the Board of Directors of the Metropolitan area.

Sortie Over Rumania Marks 50th Combat Mission For Pilot Of Flying Fortress

1st ARMY AIR FORCE—Lt. Alfred Graham MacKenzie, 55-year-old pilot on an AAF B-17 Flying Fortress, whose home is at 213 North Barry Avenue, Mamaroneck, is completing his 50th combat mission on May 5, 1944, with a sortie over Ploesti, Rumania.

MacKenzie, now stationed in Italy, entered the armed forces as an enlisted man on April 4, 1942. He began his cadet training on August 25, 1942, receiving his wings on May 20, 1943 at Douglas, Arizona, and began his foreign service Oct. 7, 1943.

He is a graduate of Syracuse University, and attended the University of Virginia. Before entering the armed forces he was engaged in the advertising business.

MacKenzie has been awarded the Air Medal with nine Oak Leaf Clusters for meritorious achievement while participating in aerial flight.

His paper is so great, the chief of staff continued, that very long range bombardment is not for the air forces alone. Under the joint command of the super-Fortress will have a voice in its employment, ensuring that maximum effectiveness will be obtained through missions which will contribute directly to the overall strategy for the defeat of the enemy."

\$75 Donation To Blood Bank Honors Seabee

In memory of Donald Wilson Church, electrician's mate, 1st class, of the Seabees, who died May 25 of a rare blood disease, the sum of \$75 has been contributed to the blood donor service of the Westchester County Chapter of the Red Cross by two friends in Mamaroneck who prefer to remain anonymous.

Mr. Church, who was 25 years old and had been a member of the Seabees for about two years, was hospitalized at Gulfport, Miss., and New Orleans, La., for about seven and a half months before he received more than 100 blood transfusions in a vain effort to save his life.

Coming The Town

A Graduate Bombardier

Flight Officer Robert M. Price, above, son of Mr. and Mrs. Benjamin Price of 1103 Park Avenue, Manhattan, has been graduated from the Denning Army Air Field, an Air Force Bombardier School at Denning, N. M.

A former student at the University of Alabama, he has been appointed flight officer and awarded silver bombardier wings after completing the 13-week course in high altitude precision bombing and navigation. He had previously received training in aerial gunnery.

Dozens Training Planes

Capt. Wayne N. Bolefski, 24-year-old AAF member, recently awarded the Distinguished Flying Cross and the Air Medal with three Oak Leaf Clusters, is credited with destroying two enemy air craft in the air and damaging another, according to word received from an Eighth Fighter Group pilot in England, where Capt. Bolefski flew a Mustang fighter-bomber. He is the son of Mr. and Mrs. G. W. Bolefski of Great Plains, Mich.

Navy Trainee On Leave

Richard Andrews, son of Mr. and Mrs. Rufus A. Andrews of 1902 Sterling Avenue, Manhattan, who has completed his first year at Yale University as a Navy V-12 trainee, left today for a visit to his home. He will return to New Haven for further training. He is a graduate of Wallace High School.

Applications Ready

Through the cooperation of the Larchmont Honor Society, application blanks for the planning of a parade on the Larchmont Avenue or Roll are available at the Palmer Avenue Office of the American Legion Civic Committee, under the chairmanship of Mrs. F. Warren Green. The offices will be open between 2 and 4 P. M. on Monday, Wednesday and Friday.

Ottman Receives Honor

Pvt. Richard Ottman, son of Mr. and Mrs. Louis Ottman of 105 Carroll Avenue, Manhattan, has been selected chaplain's assistant at the 4th Field Hospital, Camp Ellis, Ill., where he is stationed. Recommended by officers as well as enlisted men, Pvt. Ottman has shown "outstanding ability" in his work according to Chaplain J. Panton Messinger, of Camp Ellis. Pvt. Ottman is a graduate of Bellows High School, where he was active in athletics. At Camp Ellis, he continues to be active in the field of sports.

Pvt. Borrelli Promoted

Pvt. Charles Borrelli has recently been promoted to the rank of sergeant. He is the son of Mr. and Mrs. Mary Frances Borrelli, 25 Fremont Street, Manhattan, and is serving in the infantry in Italy, Overseas since June 1943. He received his wings training at Camp Overton, Ga.

FAY, (AP)—Lt. Col. Charles Fay, Allied Military Liaison Officer, announced today that the group will announce a list of conditions for the German government to be purged for Fascist activities.

The Sports Spotter

By THE SPORTS EDITOR

CONGRATS
We've had good high school sport news this past school year and it's been entirely due to a number of high school students who've been keeping us informed of athletic activity at Babylon and Mamaroneck High Schools. Both of them, Dick Carpenter up at Babylon and Ed Norton down at Mamaroneck, will receive their diplomas this week. Norton expects to study journalism at Syracuse and Carpenter is awaiting a call into the air force, so in both cases they've been efficient members of the Daily Times sport staff.

STORY
The best story of the week, in our book, came out of the middle west where we read that the most prominent umpire in a certain baseball league was classified 4-F by his draft board—because of bad eyes.

CLOSE GAMES
The Twilight Softball League is turning out some corkers. Last week's games left little to be desired as two of the four scheduled games went right to the limit. As a matter of fact one of 'em, the game between the Reds and the Tigers went two extra frames before either team scored. Tonight's play is becoming the fashion in the league with resultant close games. Anything can still happen in the top with the fourth place Bears still in a position where they can leap for the first half title. Only the Institute and Yee Neck outfits have been eliminated from tonight's half title chances. This week's games ought to be good with the regular last place outfit playing better ball and a definite danger to any team they meet.

"A BUSY BOYS IS A HAPPY BOY"
And when you can add healthful exercise; growth of self-confidence, tact, and personality; an increasing bank account; a sense of responsibility; and business training—you have a sound basic program for your boy's development. This happy combination is available with just the right amount of "busy-ness" in a newspaper route near your home. It's important work, too, even though the boy is in business for himself. He is not an employee of the newspaper. For information, telephone the Circulation Department, Mamaroneck 2100, The Daily Times.

Susan And Bumble Bee On Top In Week-End Yacht Races

Kandahar Is S Boat Winner; Sea Fox Leads Handicaps

Conspicuously threatened by rain, but favored by good breezes, the Long Island Sound Yacht Racing Association held its two regular regattas Saturday and yesterday with Saturday's non-championship affair sponsored by the Horseback Harbor Yacht Club and yesterday's regatta sponsored by the Long Island Yacht Club but run by the Long Island Yacht Club.

W. H. Stanley's sleek International Class yacht Bumble took Saturday's race by a comfortable margin over Sheldrake, won by Mrs. Helen Stridom. Bumble, skippered by Arthur Knapp at the tiller had almost two minutes the better of it on the first mile run. Down in third place was R. A. Mosbacher's Susan.

The Atlantic Class had put on a tight race all the way and came to the line in a blanket finish with the first three sloops crossing within a minute of one another. Van Hook's Loomis, under training for the Long Island Yacht Club, was the first to catch Walter and Kirk's Blue Bird.

Saturday's racing also saw S. E. Kay's Valkyrie take the handicap division in a close race with the Bumble Bee. The race was the last of the first summer series for International Class yachts in the Sound, the winner of the initial series was Jim Sheldon's Borealis. Sheldon did not sail yesterday because of a flat keel.

Thirteen Atlantic were among the 62 cuts which raced in that class with the victory going to L. M. Rakestraw's Nereid. Again Alan Elshah's Whim was near the top finishing sixth while W. O. R. Higgins and W. H. Manny, Jr. and Cornelius Shields; J. M. O'Brien, D. Courtney Taylor; B. Hendry; D. Miller; R. Arnes; John Mackenzie; J. Freya; John Stark; Walter; J. Dawson; P. Davis; H. Franklin; Cullen; J. Five; W. H. Miller.

DURABLE ROY

ROY CULLENBINE, STEADY DEFENSABLE CLEVER INDIAN.

Heavy Hitting Predicted At All Star Game
PITTSBURGH—Forbes Field, where the 1934 All-Star game is to be played July 11, is generally recognized as one of baseball's most beautiful parks. In the eyes of batters, it is "a hitter's paradise."

When a batter steps to the plate, he faces in the distance beyond centerfield fence a glimpse of landscape worthy of a painter's brush. A great hill, grass-covered and tree-dotted, forms the angle line background with Carnegie Institute, Pitt's storied school-house, the cathedral of learning, and other buildings of culture, tradition, and science all in the picture. No baseball park ever stood in a more exclusive section of a city.

The park itself has a unique beauty in that no advertising sign of any description except for patriotic reasons, has ever been permitted on its fences. That is why the late Barney Dreyfus intended it to be when the park was dedicated in 1909.

In contrast to var-colored advertisements at many other parks, Forbes Field has but two signs, one large and the other a 2-foot figure of a U. S. Marine, banking enthusiasts in that branch of the armed forces.

The background is restful and helpful to a batter, enabling him to keep a clear eye, to know the ball closely as it leaves the pitcher's hand, and gauge his swing to split-second perfection.

Eight hurlers Have Chance For 20 Wins

By THE ASSOCIATED PRESS
It looks like there may be at least eight 20-game winning pitchers in the major leagues this year. It is even possible that one, Bucky Walters of the Cleveland Indians, may become the first pitcher in 20 years to win 20 victories in one season.

According to the ratio of the games won and the number of games played by their respective teams, Walters should just hit the 20 mark and George Mungler of the St. Louis Cardinals, Bill Voisard of the Detroit Tigers and Bill Dierker of the Chicago White Sox should gain one or two.

Walters gained his 12th triumph yesterday as the Reds won the Detroit Tigers and Bill Dierker of the Chicago White Sox should gain one or two.

Munger won his 10th game against only one defeat as the Cards won the opener from the Pirates, 2-1. Sewell failed to win his 10th, however, to his veteran pitcher's honor by Spud Davis in the sixth game of the Cubs blanked the Reds in the nightcap, 5-0.

STILL IN THE GROOVE
WICHITA, KAN. (AP)—Walter Johnson, baseball's "big train," still can top 'em over the 56-year-old former pitching star of the Washington Senators, who recently was voted the 10th pitcher of all time in a poll by major league writers, assisted at a War Bond rally yesterday by pitching two innings of semipro baseball. He pitched two and walked one. The only run scored off him was unearned.

After losing the first game 5-4, the Red Sox with Tex Hughson winning his 10th triumph against three defeats in the American League yesterday, 4-0, in the nightcap, Hughson pitched only three hits.

Lt. Schaefer Dies D-Day In Invasion

Larchmont Man Is First Casualty Reported Here By War Department OVERSEAS 14 MONTHS

Lt. James G. Schaefer, 27-year-old son of Mr. and Mrs. George J. Schaefer, of 13 Oak Street Avenue, Larchmont, was killed in action on D-Day, in France, the first casualty reported in Larchmont in the invasion of France. Reconnaissance officer attached to the 82nd Airborne Division which landed in Normandy June 6, Lt. Schaefer had been overseas since April, 1944, having entered the Army in January, 1942.

Enlisting in the Navy in August, 1943, he received boot camp training at Newport, R. I., and later attended the Gunner School at Norfolk, Va. A former student at Manaroneck High School, he was employed by the Richards Plumbing and Heating Company prior to his enlistment. His sister, Mrs. Nathalie Ricci, is stationed with the WAC at Fort Monmouth, N. J.

Taking Boat Training

Robert Testa, formerly of Forest Avenue, Larchmont, is receiving "boat training" at the United States Naval Training Center at Great Lakes, Ill. in Company 1250, 10th Battalion. His wife, Florence K. Testa, is now residing in Bridgeport, Conn.

Berling In Training

Stuart M. Berling, son of Mr. and Mrs. A. F. Berling of Penners Road, Manaroneck, formerly of Larchmont, is receiving his initial naval indoctrination at the U. S. Naval Training Center, Great Lakes, Ill.

On Transport Duty

Lt. Herbert W. Scott, son of Mr. and Mrs. Herbert W. Scott of 34 Glen Road, Larchmont, on transport duty in Africa, on the Italian front, has been promoted to captain.

A member of the National Guard of the old seventh Regiment, Capt. Scott, whose home base is in Wilmington, Del., joined the Army in February, 1941, received training at Camp Stuart, Okla. Following the completion of advanced training at Hicks Field, Va. and Randolph Field, Tex., he was graduated from Brooks Field, San Antonio, Tex.

Knows Invasion Coast

Pvt. John Hudig of Manaroneck was graduated Saturday in Non-Commissioned Officers' Class Number 17 at the Quartersman School, Camp Lee, Va. His wife, Mrs. Emil Hudig, resides at Orient Point.

A Hollander who knows the Normandy invasion coast from sailing boats there as a youth, Pvt. Hudig was report manager for a New York steamship company prior to his induction last October. According to word from Camp Lee, he is "proud of obtaining the approximate spot of the Allied invasion." His status of dates was "sometime between May 12 and June 12." His father is chairman of the Netherlands Shipping and Trading Companies, Ltd., with headquarters in London.

GERMANS OPEN FIRE

FOLKESTONE, England, (AP)—The German line runs across the Channel in France opened up today, firing six shells shortly after 9 A. M.

Churches Plan United Service For Next Fall

A united church rally for Sunday, November 12, was planned yesterday by representatives of Manaroneck churches who met at the County Trust Company under the chairmanship of William McDonald. The meeting was to open the annual United Church of Christ campaign which will take place between November 12 and December 3.

The rally will be held at the Manaroneck Playhouse at 11:30 A. M. and arrangements are underway to secure a prominent layman to address the meeting. Judge William T. O'Connell addresses over 1,000 at last year's rally. Those present at yesterday's meeting included Elder Nelson Brooks of the Straight Gate Church, L. Gray, representing the First Baptist Church, the Rev. P. D. Clifford of St. Thomas's Church, Rev. Irving Kinsler of the Methodist Church, the Rev. T. O. O'Connell, the Rev. R. J. Singleton, Rev. J. W. Butler, Harold C. Barber, Mrs. Frank Robinson, Mrs. (Continued on Page Three)

Dewey Ready To Leave For Chicago Today

CHICAGO, (AP)—The Republican platform committee here today a foreign policy plank retaining the pledge, articulated by Wendell Willkie last night on a public radio broadcast, to endorse future world security by an international organization embracing "peace forces."

ALBANY, (AP)—Gov. Thomas E. Dewey may entrain tonight for Chicago where, if nominated for president, he will give his acceptance speech to the Republican National Convention tomorrow night.

This development cropped up today when the Governor's office declined to return or deny that the stage was set for a train dash to the convention, which is to be held at the Waldorf-Astoria Hotel in New York City.

It was not until late tonight that Dewey's nomination was assured by the approval of the Board of the County Transportation Commission to accept the vice-presidential nomination if it is offered to him.

At a public hearing preceding last night's meeting of the Town Board of the Village of Manaroneck, permission was granted to the County Transportation Commission to accept the vice-presidential nomination if it is offered to him.

Among those appearing in favor of granting the extension were Mayor William E. Lyons, who expressed himself as being "vitaly interested" in the project, and Ivan Anderson, representing Shore Acres residents. No one appeared in opposition.

Following a discussion of the public service for another year, the board voted unanimously to grant the extension for one year, to June 30, 1945.

Keim Receives Army Award Of Air Medal

Word that Lieutenant William O. Keim, son of Mr. and Mrs. W. O. Keim, of 100 West 10th Street, Larchmont, had received the Air Medal for his service in the European theater, was announced today by the War Department.

Keim, son of Mrs. Alice Keim of Manaroneck, and the late Otto Keim, is on active duty as a bombardier-navigator with an A-20 bomber group stationed in England.

Previous to D-Day, Lt. Keim had a surprise meeting with his sister-in-law, Helen McCall of Larchmont, who is a captain of an American Red Cross Club in England.

On July 10, 1942, Lt. Keim received his commission and wings as a bombardier at Kirkland Field, Albuquerque, New Mexico, and then went to Carlisle, N. M., for his student officer training in navigation.

Harbor Water Safe, Examination Shows

Harbor Island Beach bathing water was found to be safe for bathing, according to a report following the examination of the water supply.

On June 23, 1944, the water was found to be of "satisfactory bacterial quality for bathing" and the report from the Sanitary Laboratory, Albany, N. Y., was as follows:

No excess chlorine was reported, and the "most probable number of coliform organisms present was 23, with a plate count of 74."

Handbag With \$8,640 Located Behind Curtain

The disappearance of \$8,640 while Mrs. Hannah Poulos, of 439 Park Avenue, N. Y., was putting on her hat yesterday afternoon, was traced to a handbag containing \$8,640 in cash and \$100 in War Bonds.

She called her chauffeur, Edward W. 21, of Manaroneck, who told her to notify police and asked them to stop the truck. The truck was taken to her New York home and she was told to remember where she had last seen her handbag containing \$8,640 in cash and \$100 in War Bonds.

When Corp. Harry Westfall, 21, of 100 West 10th Street, Larchmont, was called by Mrs. Poulos to stop the truck, he found the handbag behind a curtain in the trunk of the truck.

When nothing was found on the men or in the truck, Sgt. Burke brought the truck and Mrs. Poulos to the headquarters of the Police Department, where she was searched for the handbag.

When nothing was found on the men or in the truck, Sgt. Burke brought the truck and Mrs. Poulos to the headquarters of the Police Department, where she was searched for the handbag.

Recreation Planned For Rye Neck

Summer Program Gets Under Way Wednesday At Barry Ave. School

KIWANIS GIVES AID

As the result of an organization meeting held last night of the Rye Neck Recreation Association, the summer recreation program will be inaugurated Wednesday at the Barry Avenue School playground. Partially financed by payment from the parents, the program will be further supported by a \$200 appropriation from the Mamaroneck Kiwanis Club, according to a resolution voted by the organization Wednesday night.

Parents and representatives of the Kiwanis Club and the Rotary Club who attended last night's meeting at the home of Mrs. and Mr. Alfred M. MacKenzie at 313 No. Barry Avenue, elected Milton K. Wiggins, secretary and treasurer, and Police Chief Arthur W. Martensen, chairman of the Board of Directors.

He had the assistance of James Jackson, president of the Board of Education; Chief Martensen said that permission to use the building and grounds would be forthcoming.

The program will begin at 9 A. M. Wednesday and the weekly schedule will be as follows: Monday, Tuesday and Friday, 9 A. M. to 2 P. M.; Wednesday, Thursday, 9 A. M. until noon.

Activities include physical education teacher at the Hutchinson School in Pelham will be the charge of the program. Mr. E. H. A. Lundy will be in charge of the program.

Miss Roberts is a licensed New York City playground teacher and has taught physical education at the Northfield Seminary in Northfield, N. H. for 12 years.

Mr. E. H. A. Lundy is a trained nurse and kindergarten teacher who has been in charge of the program for several years.

The program each morning will begin with daily distribution of equipment and group organization. The schedule will include group singing, games, apparatus and play, puppet making, story telling, painting, handicraft, folk dancing and amateur work for the younger children. The director plans to publish a weekly newspaper, written and edited by the children describing the activities at the playground.

A questionnaire was sent to all Rye Neck residents this morning to determine the need for a recreation program and the ages of the children who wished to attend. The survey revealed that 73 per cent were willing to pay 10 cents weekly per child for the program and that most of the children interested were between the ages of four and twelve.

Among those who attended the meeting were: Mrs. E. H. A. Lundy, president of the Ladies Aid; Chief Martensen, representing the Kiwanis; Mr. and Mrs. MacKenzie; Mr. Tucker; Mrs. Henry Kisseloff and Mrs. Clayton Rawson.

Resident Held In Bail For Whiskey Theft

WHITE PLAINS—Bail was set at \$1,000 each for two men arrested on charges of grand larceny based upon the alleged theft of 14 cases of 750 whiskey from a Croton tavern on Monday.

The defendants, Ernesto Deliberto of Croton, and John Geary of Mamaroneck, were arraigned yesterday afternoon before County Judge Frederick G. Schmidt, following a preliminary hearing at which they were arrested by officers on their arrest by deputy sheriff on a Deliberto information said to have been furnished by the Westchester Alcohol Beverage Control Board.

Assistant District Attorney Frederick E. Weeks, Jr., said the whiskey which was valued at \$754, was stolen from the tavern of Emilio Deliberto, brother of one of the defendants, and allegedly sold to Geary, who operates a tavern in Mamaroneck. A search warrant was obtained and the liquor is said to have been found in Geary's home. Judge Schmidt set next Wednesday for a further hearing in the case. Both were released from custody when the required bail was posted for them.

BRITISH CLOSING TRAP ON CAEN; NAZIS FLEE AS REDS BEAR DOWN; U. S. BREAKS TIES WITH FINLAND

Russians Cross River Barrier To City's Gateway

MOSCOW, (AP)—Red Army units in force plunged today into the Brezina River northeast of Minsk, while engineers of two Soviet armies hurried pontons into place for mass crossings of the last natural obstacle before the White Russian capital.

Field dispatches said the first units met stiff fire from strong German forces on the west bank and from artillery positions west of the river, but there were no indications that the retreating Nazis would be able to make a stand here.

Although the fighting was sharp, the gateway to Minsk appeared open.

Great swarms of Stormoviks, Yaks and medium bombers kept up a steady check-attack offensive against the withdrawing Wehrmacht.

The Russians said 71 Nazi planes were downed in 24 hours.

The biggest crossings were headed off by units of Gen. Ivan Chernikov's Third White Russian Army and Gen. Ivan Bagramian's First Baltic Army, all veterans of quick crossings under fire.

Southwest of Minsk the First White Russian Army of the newly named Marshal A. G. Rokossovsky, a tall scholarly veteran of the last war, was moving rapidly up the valley of the Pechora River, cranking an important outer defense line of the city.

The Red Army's two-toed outfit of the most bonds at the Murrays Avenue School with 94 buyers on record.

The bank has offered a prize of \$20 in War Bonds to each of the winners in the double contest. So far, 492 bonds have been sold by the contestants for a total of \$32,427.71.

Following the American Victory Congress in the dollar sale; St. Augustine's Church daughters of the American Revolution; St. John's Church, Larchmont Avenue; Garden Club, Woman's Club, Murray Avenue; Le Club, Murray Avenue; Le Club, Murray Avenue; Le Club, Murray Avenue.

Features of the tournament will be a moto phase race, ladder racing of war and possibly foot races. The winner of the two previous years has been the Truck Company. The tournament will start promptly at 10 A. M. at Myrtle Boulevard and Madison Street, Larchmont.

Firemen Vie In Tournament On Holiday

The four companies of the Western Fire Department will compete Fourth of July in their third annual tournament. Deputy Chief Charles Conroy will referee, the starter will be Deputy Chief John M. Bernard, Le Club, Murray Avenue; Le Club, Murray Avenue; Le Club, Murray Avenue.

First Judging Of V-Gardens Under Way

The first inspection of Mamaroneck's Victory Gardens is under way this week as the committee of four judges has covered more than 75 plots in the Village.

The second inspection will take place after Labor Day and the points made by the gardeners added to their present score.

The winner in each class, large house garden, small home garden and community plot garden, will receive a War Bond. The bonds have been donated by the Garden Club of Mamaroneck, Mrs. Theodore C. Wood, and an anonymous giver.

The gardens this year are "not so good" as last year, according to Mr. Stuart, chairman of the judges' committee. Not many plots were "in the garden" did not have "been garden" 600 and 700 yards listed by month-end of the "resident of the Village, but only 75 gardeners have entered the contest. The remaining 200 gardens in the remaining 200 yards of the Village will be completed shortly for a final report to the National Victory Gardens committee.

CHINESE TAKE MERCHANTS' COUNCILING
CHUNGKING, (AP)—Chinese troops on the Salween front have captured Metching, thereby narrowing to 64 miles the gap between the Chinese and the Japanese. The Japanese are now being driven back by the Chinese. The Japanese are now being driven back by the Chinese.

AT A ROADSIDE KITCHEN DUGOUT on the Cherbourg front in France is Pvt. John Morrissey of Mamaroneck, shown at left above, preparing a ration meal to be cooked on a small portable stove. His buddy, Sgt. Albert Hathaway of Portsmouth, N. H., is utilizing a stove which he and Pvt. Morrissey dug in a roadside bank to conceal the glow of the stove from the German snipers. A graduate of Mamaroneck High School, Pvt. Morrissey was one of the first volunteers to leave Mamaroneck after the attack on Pearl Harbor. After receiving infantry training at Fort Bragg, S. C., he was overseas in October, 1942, and participated in the African campaign. He has a brother, Seaman Thomas J. Morrissey, serving with the United States Navy in the Pacific. Mrs. Margaret Morrissey, mother of the boys, resides at 225 Mamaroneck Avenue.

Playhouse Offers Tickets For Big Bond Rally To Spur Lagging War Loan Drive

With the 5th War Loan Drive about to enter its final week, the Mamaroneck Playhouse has completed plans for a bond rally to be held at the Mamaroneck Playhouse July 7 when a variety of articles will be auctioned to the highest bidder among the bond buyers.

Cooperating with the committee in a serious effort to put the drive over the top that night, Charles A. Gan, manager of the Playhouse, will issue a free ticket to the performance to each purchaser who purchases a \$20 bond. Purchases may be made Wednesday, Thursday or Friday of next week, and when the ticket is issued, the purchaser will also receive a credit slip for the bond which will be turned toward his bidding at the auction.

All bonds purchased or pledged that night will be cleared the following day in time to be credited to the local drive before the closing hours of the campaign.

The money in the bond sales was partially attributed by Mr. Taylor this morning to the fact that people may be feeling "over-optimistic" about the success of our armies in Europe. "This is no time to slow up," he said, "they need equipment and materials over there just now as much as they need them here."

PRISONER KILLS SELF
BALTIMORE, (AP)—A 21-year-old prisoner, trapped in a stone tower at the Maryland Penitentiary while attempting to escape, shot and killed himself today with the shot gun he used to hold the door at bay for half an hour, guards today reported.

English Within Only 11 Miles Of Encircling City

BULLETIN
S. Y. P. M. HEADQUARTERS ALLIED EXPEDITIONARY FORCE, (AP)—

—The British have driven out a considerable salient in the Odon and Ognon rivers. The Supreme Headquarters announced tonight.

"Rommel is using fresh reserves previously not in contact in the Odon," the Supreme Command said. "The Germans are suffering very heavy casualties in contact."

The situation was described as "altogether satisfactory."

By WES GALLAGHER Associated Press Staff

SUPREME HEADQUARTERS ALLIED EXPEDITIONARY FORCE, (AP)—

Advance elements of two British divisions driving toward Caen in opposite directions were within 11 miles of completely encircling the inland French port today as the Germans threw large armored forces against the Odon River bridgehead in unsuccessful flank attacks.

From newly captured Marcelet, Gen. Sir Bernard L. Montgomery's British armor drove east toward Caen in a thrust that menaced one of the city's main airfields. At last reports, Allied troops were only half a mile from the town.

Thus far the Allies have taken one important airfield in the Odon sector, southwest of Caen. The British have also taken one important airfield in the Odon sector, southwest of Caen.

In the American sector to the west, Lt. Gen. Omar N. Bradley's First Army, southwest of Caen, is making a series of small attacks southward toward the important road junction of St. Lo. An AFCEC unit, southwest of Caen, is making a series of small attacks southward toward the important road junction of St. Lo.

The Navy announced that the British assault around Caen, on the still-undiscovered bridgehead across the Odon, has been some five miles from the city. The British assault around Caen, on the still-undiscovered bridgehead across the Odon, has been some five miles from the city.

Marshal Erwin Rommel, who is now recovering from his wounds, is reported to be in the Odon sector, southwest of Caen. The British assault around Caen, on the still-undiscovered bridgehead across the Odon, has been some five miles from the city.

Guest Pastor To Take Over Local Pulpit

During the absence of the Rev. Arthur G. E. Bromberg for the month of July, the Rev. Claude Welch of New Haven, Conn., will occupy the pulpit at the Mamaroneck Methodist Church.

A native of Green City, Wis., he graduated from Upper Iowa University in 1912, receiving his A.B. degree, summa cum laude, from the same institution in 1915.

He served as pastor of the Methodist Church at Port Dickinson, Iowa.

He has been pastor of the Methodist Church at Port Dickinson, Iowa.
