Don't let a used car's price tag *Blind* you!

Remember! It's where you buy that counts. Check the price, of course. But check the dealer, too!

An unusually "good deal" on a used car is not necessarily a good value. But we Ford Dealers can put rock bottom price tags on A-1 used cars because we don't depend upon used car profits to stay in business. We sell used cars mainly as a service to our customers who trade them for new cars. Naturally, we must keep these used cars moving to make room for the constant stream of trade-ins we get.

We know it pays to play square with you. We want your good will... your service business. And, some day, we want to sell you a new car or another used car. So our good reputation rides with the used cars we sell. When you can trust the dealer, you can trust the car, too.

# Tom Robbins Upset In Golf Tourney

## LARCHMONT ACE DEFEATED, 3 AND 2

Larchmont's Tom Robbins, medalist and favorite in the American Seniors Golf Association tournament, was upset in St. Augustine, Fla., yesterday by Bob Wingate, former national public links champion from Fayetteville, N. C.

Wingate ousted Robbins from competition, 3-and-2 in the quarter-finals, gaining revenge over the Larchmont ace, who defeated Wingate for the crown last year. Robbins is also this year's medalist.

Wingate started his revenge early, winning the first hole and maintaining the lead throughout. He held an edge of five holes at one point, winning 3-and-2 with a 16-foot birdie putt on the sixteenth.

Robbins was far off his usual game, forcing three successive holes at the start of the second round, before he was able to catch up and proved insurmountable.

With Robbins being eliminated, Fred B. Bly and Greenville, Tenn., moved into the role of favorite, yesterday, and 3 victory over George Hardy of Chicago. The Greenville better, who fired an even par for the fourth straight day, never trailed his opponent.

Edward Randall of Rochester, N. Y., and Lenora B. Bly of Chicago also gained semi-final rounds. Randall, trailing by a 3 stroke, ousted Glen Norwick of Oklahoma City on the eighteenth, and then bundled the twentieth to take the match. Haldean was forced to snitch par golf to halt John Roberts' hot putting.

Wingate was slated to meet Randall and Haldean to oppose Brunley in today's competition, with the winners playing for the title tomorrow.

# Torn Tendons Turn Turf

NEW YORK (AP)—The short but impressive racing career of Turf-Two, the future book favorite for the Kentucky Derby, apparently was ended today, the result of a torn tendon.

The three-year-old Irish colt, winner of the \$200,000 Garden Stakes in October and \$100,000 Flamingo Stakes at Hialeah last last start, was withdrawn from the "Run for the Roses" as soon as owner Harry F. Vaughan learned of the injury yesterday.

A horse tendon is a rupture of the sheath which covers the tendon in the horse's leg. It can be caused by a blow or a strain.

**Sacred Heart Upsets Host 5 At Don Bosco**

A major victory featured the annual Shamrock Basketball tournament last night at the Don Bosco Center, as Sacred Heart of Yonkers defeated the host and defending champion Don Bosco Big Five, 78-65, to move to semifinals of the competition.

In the preliminary game, Shea's Shamrocks of Greenwich defeated Yonkers' All Stars, 69-68. The Shamrocks will meet the Tonkers again tomorrow night.

High scorer for Sacred Heart was George Donnelly with 19. Ed Furchinski had 17 for Don Bosco. In the second tilt, Rick Dobson had 28 for the Shamrocks. Roy Vancey's, Bill Merritt of White Plains High had 26.

**Robbins Ousted In Quarter-Final Of Seniors Golf**

ST. AUGUSTINE, Fla. (AP)—Bob Wingate, a former national public links champion from Fayetteville, N. C., and Fred Bly of Greenville, Tenn., are favorites in the American Seniors Golf Association tournament now that the medalist and defending champion is on the sidelines.

Wingate eliminated 1953 year's winner and this year's medalist, Tom Robbins of Larchmont, N. Y., 3 and 2 in yesterday's quarter-finals. It was vengeance for a Robbins victory over Wingate in a round robin in 1953.

Brunley shot one for the third straight day and defeated George Hardy of Chicago 4 and 3. Brunley has yet to trail an opponent.

**Montreal, Toronto Win In Cup Playoffs**

By The Associated Press

The Montreal Canadiens defeated the Toronto Maple Leafs in the first round of the Stanley Cup playoffs today.

The Canadiens took a 2-0 lead on Boston last night in Montreal's 81st rout of the Bruins. But Red Wings voted to Toronto 3, after winning the first game of their series by a shutout.

—The Brooklyn Dodger had an estimated net gain of \$1 million in 1953, still in doubt the big right-hander from Montreal, N. Y.

Russes yielded three home runs—good for a total of six runs—in five innings yesterday against Cincinnati and the Reds less went on to beat the Detroit Tigers 10-7. While Post, a 24-year-old Dan can prove it. He went back into the Bronxville High school and dug out an old score card for the game of Babe Ruth's "big days at the plate. And there it was, Bavasi. It events in the batting order.

He had a photograph made of the card and presented it to Bavasi, much to the embarrassment of the excited fielder.

But after the jokes, Dan talked seriously about Bavasi's value to training camp. "It's really wonderful the veteran coach said, "You have everything possible here to make a winning ball club.

The business of amateur ownership of the farm clubs is eliminated by having all the clubs here at one. It brings your organization together. They feel like a single unit," Matthaei said.

"I'm certainly enjoying my visit," Matthaei remarked. "It has been an experience I'll never forget. I hate to leave. In fact, I hope the only thing that makes me want to go is that the Bronxville High baseball season is just about to get underway, and after 27 years, I know where I'm supposed to be when Spring comes around."

**All Stars To Practice Again Tomorrow At MJHS Gym**

# MHS TEAM EDGED IN FINALE BY WHITE PLAINS

Maranock High School's keating team closed its season with a great 817 game, but still dropped a 2185-2009 decision to White Plains in the final game of the season.

White Plains, the setback forced the Tigers to end their season with a season victorious and six defeats.

Trailing 1234-1282, Maranock scored by Pat Peller's 290, Matt Wilson's 181 and Mike Gundagnon's 179, closed for a 417-point victory of the season. The Plainsmen stumped off to a 661, which was 124 runs below the Tiger effort, but still won easily.

White Plains' Peller, finished with 454 and 432 totals, while Wilson pitched a 441 score.

John Bennett, one of the league's scholastic ace swimmers in the state, was the lowest of the year for White Plains, finishing at the 470 mark.

The results:

Pat Peller, 290; Matt Wilson, 181; Mike Gundagnon, 179; Pat Peller, 290; Matt Wilson, 181; Mike Gundagnon, 179.

By RIP WATSON

Associated Press sportswriter

The created home-run ball, which added Ralph Branca's name to the list of baseball's "greats" in 1951, still is doing the job right-hander from Montreal, N. Y.

Russell Regalado, Cleveland's rookie sensation, snugged his sixth and seventh home runs of the training season at the Indians camp today.

The twenty-three-year-old phenom also singled twice and has 487 batting average and 17 runs batted in to go with his honorific collection.

**Prizes Aop at Meet**

Pittsburgh took first place — that's right, first place — in the National League Spring standstill by choking of a Philadelphia Athletic rally to snuff out an 8-7 victory. The A's had scored twice and had two men on base when Ed McCree flared out to end the game.

There was some good pitching yesterday, too. Walter became the first New York Yankee pitcher to go 100 innings and Tom Morgan added two more scores tonight as the world champion blanked the Boston Red Sox 2-0. Outfielder Hank Bauer scored the winning run in the third inning.

Stan Musial made three hits and scored both runs in the St. Louis Cardinals 21 victory over Brooklyn. Gerry Staley went scoreless in 4 1/2 innings for the Cards, allowing the only Dodger run.

The Baltimore Orioles set three unearned runs from three New York leavers and defeated the Giants 5-1.

**SWIAC Lists 1954 Baseball Schedules**

# Kiwanis And Little League Merge Into One Program

Meeting Scheduled Tomorrow, 2 P. M.

By BOB MURKIN

Daily Times Sports Editor

After lengthy discussion, the tentative Little League merged with the Kiwanis baseball program yesterday, forming a new league, which will continue under the name, Kiwanis Baseball League.

An important KBL meeting for support and sponsorship will be staged tomorrow at the Legion Hall, 7 P. M.

The League will be operated in much the same fashion as the Kiwanis for the last eight years, adding only the outstanding efforts of Little League in its efforts to improve what has been a good program.

Players, having participated actively in the past, will be allowed to continue playing on the same teams and for the same coaches. However, rosters will be filled by the numerous tryout candidates in a drawing fashion, thus emphasizing equal distribution of talent.

These tryouts should expand that an overall eight-man league to a 12 or 14-team loop.

**Two-Division Idea Kept**

A good point of the KBL program retained was the dividing of the age groups from 8-10 and 11-12. This will begin until overgrown twelve-year-old youngsters from firing a fastball past an eight-year-old. The division will continue under the names of the Kiwanis and Little League County Center last night with two more champions crowned. The Kiwanis Baseball program will have three remaining winners from this year's competition.

Last night's champions were in junior and intermediate divisions. White Plains Plainsmen came back strong in the second division. The Kiwanis division winners were Wildcats, 53-34, for the junior club, while Harold Killip, 10-10, of the intermediate division, won the championship.

Bill Reed, chairman of Kiwanis baseball, was appointed president of the reorganized Kiwanis Baseball League for the same amount of sponsorship in the same amount of money. This means, however, that no committee will be permitted.

# Kiwanis And Little League Merge Into One Program

Meeting Scheduled Tomorrow, 2 P. M.

By BOB MURKIN

Daily Times Sports Editor

After lengthy discussion, the tentative Little League merged with the Kiwanis baseball program yesterday, forming a new league, which will continue under the name, Kiwanis Baseball League.

An important KBL meeting for support and sponsorship will be staged tomorrow at the Legion Hall, 7 P. M.

The League will be operated in much the same fashion as the Kiwanis for the last eight years, adding only the outstanding efforts of Little League in its efforts to improve what has been a good program.

Players, having participated actively in the past, will be allowed to continue playing on the same teams and for the same coaches. However, rosters will be filled by the numerous tryout candidates in a drawing fashion, thus emphasizing equal distribution of talent.

These tryouts should expand that an overall eight-man league to a 12 or 14-team loop.

**Two-Division Idea Kept**

A good point of the KBL program retained was the dividing of the age groups from 8-10 and 11-12. This will begin until overgrown twelve-year-old youngsters from firing a fastball past an eight-year-old. The division will continue under the names of the Kiwanis and Little League County Center last night with two more champions crowned. The Kiwanis Baseball program will have three remaining winners from this year's competition.

Last night's champions were in junior and intermediate divisions. White Plains Plainsmen came back strong in the second division. The Kiwanis division winners were Wildcats, 53-34, for the junior club, while Harold Killip, 10-10, of the intermediate division, won the championship.

Bill Reed, chairman of Kiwanis baseball, was appointed president of the reorganized Kiwanis Baseball League for the same amount of sponsorship in the same amount of money. This means, however, that no committee will be permitted.

**Fellows: 7 Days Left To Sign: 61 Players Needed to Hit Goal**

With the Little League blended with the Kiwanis baseball program to form one powerful loop, the Kiwanis Baseball League will appear in the Daily Times until next Friday, which will be the deadline to sign for the present Baseball League.

All applications total has now reached 130, with 61 more needed. If this number can be exceeded, the KBL will be only too glad to accept any additional players.

# Shields Wins In Frostbite Racing

## NEW RECORD SET AS 31 DINGHIES COMPETE IN RACE

Corry Shields, North American sailing champion, won today's 1954 annual regatta in frostbite racing at the Larchmont Yacht Club, receiving a record number of 31 Interclub dinghies through an eight race regatta.

The veteran sailor accumulated 205 of a possible 220 points in a four country regatta, finishing three points ahead of Jack Sulphur and his Rum Dum.

By triumphing in the first two races, Shields gained a lead which he maintained throughout. Sulphur also won two races, finishing ahead of Arthur Knapp who led the way three times. Knapp's finish and finish position in the first two races, however, proved too much of a deficit to overcome. Knapp and Agony completed 24 races.

Junior Shields fourth in the regatta, while Knapp, who led the way three times, finished second in the first two races, however, proved too much of a deficit to overcome. Knapp and Agony completed 24 races.

The results narrowed the gap between Shields and Knapp in the season's championship, which has been scheduled for the first two races, however, proved too much of a deficit to overcome. Knapp and Agony completed 24 races.

**SAILING DOTS.** Sailing, as reported by Ed Crain and carrying his three-year-old son, Roger, finished and went under after landing with Frank Crawford's Miss in the sixth race. No serious injuries. Invitations have been sent to all Long Island Club members to Winter finals to participate in the annual Spring regatta at the NYC on April 19 and 20.

## SHOW TOP FORM IN FINAL PRACTICE

The Midwest and Junior All-Star quintets of the Manhattan Baseball League went through sharp conditioning practices Saturday at the MJHS gym in preparation for their home-and-home series with Oastling.

The All-Star coaches stressed defensive and offensive patterns after a drilling of fundamentals. When the play developed sufficient teamwork in drills, the scrimmaged against each other.

Bill Leaber, who succeeded Frank Torre as Panther coach, has been working on this problem since practices started, March 15th, but the nursing potential was still a big question at the conclusion of Friday's workout.

# Hard-Hitting Rookie Can't Field For Tribe

## DILEMMAS - Those things that chop years off the life of a major league manager - are holding back coaches yearning Saturday's practice at the MJHS gymnasium. They went through a sharp three-hour session in their final practice before next Saturday's opening of the season.

What to do with a brand new rookie who will be in or less in more runs. He also is supposed to be able to get around at first base. That might provide the answers since first basemen are not paid to be scratchers.

Meanwhile, ancient Vic Raschi is warming the benches of St. Louis Cardinal manager Eddie Stanky. Raschi went five innings against his old New York Yankee mates and gave up five hits yesterday and the cards won the ball game 4-2.

## SHOW TOP FORM IN FINAL PRACTICE

The Midwest and Junior All-Star quintets of the Manhattan Baseball League went through sharp conditioning practices Saturday at the MJHS gym in preparation for their home-and-home series with Oastling.

The All-Star coaches stressed defensive and offensive patterns after a drilling of fundamentals. When the play developed sufficient teamwork in drills, the scrimmaged against each other.

Bill Leaber, who succeeded Frank Torre as Panther coach, has been working on this problem since practices started, March 15th, but the nursing potential was still a big question at the conclusion of Friday's workout.

The season for this is that the few weeks that passed few weeks has prevented pitching from breaking out roundly. Coaches of both quintets seemed to be on the fence, waiting for the home-and-home series with Oastling will begin at the MJHS gym Saturday, 9:30 A. M.

Bringing Up Baby

One of the nicest things about babies is that it really doesn't matter how to raise them. A couple of well-colored balloons, a rattle or a rattle, will do the trick. The baby will grow up to be a well-adjusted citizen.

Grins please... that's usually the case as both the mother and father serve Gerber's Strained Foods. They're wonderful for colic, safety pins, etc. Swirl for sterilizing nipples, too—just punch holes in top and pop into sterilizer upside down.

You've seen those "O-Baby" Gerber's new cereal "Quads" that fit in small size boxes of Rice, Raisins, Oatmeal and Cereal Food. (A mixed cereal) all packed together for easy feeding.

Like Gerber's regular cereals, they provide baby with the variety he wants and needs, the vitamins and smooth consistency he likes. All fortified with iron, calcium and B-vitamins. Once baby samples the "Quads" you can get his favorite in the regular size.

Ex-Area Man Given Mental Test In Theft

STANTON, Va. (AP)—John M. Holzworth, sixty-five-year-old Washington, D. C., attorney, has been committed to Western State Hospital here for mental observation.

The action stemmed from his arrest in Middleburg, Va., March 17 on a charge of auto theft. An Arlington County motor firm had obtained a warrant accusing Holzworth of not returning a car he allegedly took out for trial March 12.

William J. Hassan, Commonwealth's Attorney for Arlington County, requested sanity tests for Holzworth after a basic preliminary hearing on the auto theft charge. Holzworth acted as his own counsel.

Two court-appointed psychiatrists examined Holzworth and a special Arlington County commission ordered him committed to the hospital.

Deceives at the preliminary hearing testified that Holzworth told them he had informed the auto agency he wanted to buy the car but was detained in Middleburg by engine trouble.

Cats grow lovely on Whole fish

A cat's health and beauty depend on diet. Biologists say whole fish is probably the best single food for cats, because it represents nature's own ideal life balance, just as it existed in the living fish.

Puss 'n Boots is made of whole fish—salts, liver and glands, home structure, properly processed with tasty cereals added.

Buy a week's supply, feed regularly, enjoy a prettier, more playful cat!

### School Survey

adequate pool would cost "possibly" \$350,000. With regard to the rifle range, an item not mentioned in the committee report, Secretary said that the rifle team has only two weeks to use the facilities at the New Rochelle Army and that a rifle range would be of major assistance in the development of the intramural program.

William Howell, rifle coach, backed Shimkin with the remark that some sports are carried on beyond school days. "A range," he said, "would find plenty of use not only by students but by adults. My membership, he said, is one of the sports that can be continued into adult years in contrast to such active physical sports as football and basketball."

**Teen Canteen**  
The question of provisions for meeting the needs of young people in a social way was raised by Walter Lefkowitz, president of the Mamaroneck Teachers' Association, who asked whether any thought had been given to the plans to a snack bar and the development of social living.

Dr. Edward J. Moriola, chairman of the citizens' committee, replied that such a project had not been considered and that the Teen Canteen, a new group of teen-agers currently studying at the school, and the community and not a high school project.

An improved cafeteria might be the national problem, he said. "The need, however," he said, "is not a short-term solution. It is a long-term one. It is a problem that has not been solved in the last 20 years."

"Now we are faced with that problem. Whenever any community faces additions to school facilities it is faced with high adventures. The changes to be affected must be planned carefully and wisely because they will be used for many years."

Dr. Moriola introduced Dr. Moriola who stated that the school building has never been adequate but that "we have done a good educational job despite its limitations."

The educational program and student needs must determine the building program, Dr. Moriola said, adding "we are building for a long future."

The student population will be between 850 and 1,000 in five years, he said and the buildings with its present facilities will have to be able to care for that number. Room must be provided, he stated, for laboring the curriculum to the needs of the students and he asked for larger quarters for such courses as business education, home economics, industrial arts and art.

**Cafeteria**  
Following Dr. Moriola, Michael Shimkin pressed the need for a high cafeteria and gym as well as for a new pool and a large range idea, and Hewitt Scheraga claimed that there was a need for new shops, swimming pools, the auditorium, science classrooms, and parking.

With regard to parking, he said that "more students are driving in the years to come and the new state law requiring driver education for all persons under twenty-one years of age will bring more cars into the high school area."

**Proposals**  
Ehrenberg, with the aid of a prepared set of slides, pointed out the recommendations of the committee, including nine classrooms, a new and adequate biology laboratory and classroom, a new cafeteria, new shops, a new gym, improved administrative facilities, larger parking places, and new teachers' rooms for men and women of the faculty.

**New School**  
Paul W. Stearns of Locust Avenue, Larchmont, asked whether it would be advisable to build an entirely new school rather than add to the present building.

Mr. Moriola replied that an extension of the present building would answer the government needs and that a new school, built on an adequate site would cost in the neighborhood of \$4.5 million. In addition, he stated that to find a suitable

site some homes would have to be bought or some recreational facilities, which he termed "Sunday morning facilities for some businessmen," would have to be given up.

Mrs. Maria Buck, president of the Parent-Teacher-Students Association, the instructor, Cocking, asked whether additional funds would not be available on Fulton Road.

Dr. Moriola replied that the question was hypothetical and would depend on a survey by engineers and architects.

The prospect of the need for the acquisition of more land after such a survey was raised by Mr. Eggers who stated:

"If we build on our present property we will eliminate any future expansion."

"Architects," he said, "will probably recommend additional land."

The present acreage of ground including the Senior High School, Manchester Field, Junior High School and Central School is approximately 28 acres, Mr. Moriola stated.

Dr. Moriola stated that the average size of property for new schools throughout the county was about 38 acres plus and that the school on Fulton Road was built on a 300-acre plot.

Dr. Moriola, in a short summary of the project, stated that the need for more school space had been demonstrated by the educational program of the high school, the needs of the students, and the needs of the community and that the project for meeting the need for more school space, serious consideration should be given to the construction of a new school.

Usherettes for the meeting were Susan Scheraga, Karen Heisel, Virginia Reeves and Tom Kennedy.

The property owners, stated that spot zoning is not desirable and regretted that the Village code "has no zone where a super-market will fit to receive word from the city."

Mr. Parker stated that he thought it could be worked out since the area is not desirable for public parking, only for employment parking.

In a letter to the board, read at the beginning of the meeting, Mr. Parker pointed out that the zoning of A & P in the area would be a traffic congestion warrant to pay the community the cost of the service of a police officer in front of the property during the busy hours on Saturdays, and added that he felt the community would be the same in Mamaroneck.

Mr. Delius presented a petition bearing 110 names of Mamaroneck residents requesting that the board "approve the application now before you for zoning variance to permit the construction of a supermarket with ample space for off-street parking on the East Post Road, east of the intersection of Tompkins Avenue."

**Expansion Seen In Adult Education**  
An expanded adult education program will be explored before the opening of the new school year, it was decided at a meeting recently in Bellows High School of the Advisory Committee and the adult education faculty.

Courses under consideration are Music for Fun, Elementary Photography, French, and Gardening.

These are in addition to the regular activities, which include two classes in sewing, one for advanced students; two classes in painting, one for the young; woodworking; elementary Spanish; home repairs; driver speaking; citizenship preparation; club study; discussion groups on whatever age level desired, and handicrafts.

Two new activities, Physical Fitness for Men, and Physical Fitness for Women, will be incorporated into the program, it was announced. They have been added because of numerous requests which have been made to A. Norman Davis, director of the program.

All classes, except citizenship preparation, will require a minimum of 15 registrants.

A tentative registration date was set for Sept. 20 and classes will begin Sept. 27, ending Dec. 14 for the first term. The second term will open Jan. 21 and continue March 2.

Members of the advisory committee attending the planning meeting were Ross Abel, Lewis D. Doolittle, Mrs. Janet East, Milton Neaman, Mrs. Alvan R. Small, Mrs. Henry Toy Jr., and Mrs. Robert L. Wood.

Faculty members present were Mr. Davis, Mrs. Small, Kenneth Devine, Samuel Driscoll, Hugh S. Gumpel, Miss Ellen Kelly and Silvio LaBruciano.

**Cook Attacked, Coeds Escape In Sorority**  
LOS ANGELES (AP)—A Sorority house at UCLA was thrown into an uproar early today when a male intruder attacked a coed.

Mrs. Mary Peterson, fifty, the cook, told police the man entered her room through a bathroom window. Mrs. Peterson said she saw the man, smiling, and she called for help. She said she and her roommates were in the kitchen when the intruder had fled.

**Deadly Atom 'Keeps' Foods, May Eliminate Refrigerator**  
WASHINGTON (AP)—Dr. J. S. Butts, assistant chief biologist of the Atomic Energy Commission, says his "immortal potato" may show the way to eliminate refrigerators.

It looked like an ordinary well-developed, unblemished potato when Dr. Butts demonstrated it yesterday to members of the Senate-Atomic Energy Committee.

But it is two years old—a potato in the calendar of the potato.

Untreated Spud Sprouts  
The ground apple, Dr. Butts said, had been preserved through irradiation. A companion potato, set aside at the same time without treatment, was wilted, full of sprouts and a "completely worthless" as food, he added.

This is one aspect, the biologist explained, of an intensified campaign to develop radiation as a means of preserving food.

The Army, he added, now has two Autos In Crash At Murray And Weaver  
The right rear end of a car driven by George R. Wetton of 10 Dunbar Avenue, Larchmont, was damaged yesterday at 8:40 A.M. Street, Town, when a car operated by Mrs. Josephine B. Gill of 10 Dunbar Avenue, Larchmont, crashed into the rear of the Wetton vehicle after he had come to a full stop at the intersection police report.

Mr. Wetton told police that Mrs. Gill had failed to stop after the accident. She was saying that not only had she stopped and identified herself but that she had also called the police.

Random Thoughts for Today

One often comes upon people for whom everything has become futile. Life no longer makes sense. They have made themselves believe that they are of no consequence and are quite convinced their lives do not count. They arise in the morning with a rebuke of frustration and go to bed at night with that prejudice confirmed. For them the universe is a dead-end street. Life has slipped through their fingers as water filters through the finger tips of a statue in a garden fountain. They have ceased to be a part of humanity and this sense of futility has cast gloom over them.

**Gold Jurors In Deadlock**

WASHINGTON (AP)—Federal Court Jury, which already has deliberated for more than eight and one-half hours, was called back for a new try to resolve the case.

Gold, fifty-five, Russian-born president of the Independent Fur and Leather Workers Union, is charged with being the "lure" in a non-Communist only tied with the National Labor Relations Board on Aug. 20, 1950. The alleged false statements are that he was a member of the Communist Party, not affiliated with the party, and didn't support the policy of the party.

**Larchmont Zone Panel Okays Cleaner's Plea**

No objections were voiced last night by the Larchmont Zoning Board of Appeals to an application from Harry J. Bognart to use the premises at 120 Chateaufort Avenue for housing pressing machines and to use 120-22 Chateaufort Avenue for receiving and dispensing garments.

The machines now are located at 120 Chateaufort Avenue. No increase in existing dry-cleaning equipment was proposed by Mr. Bognart who was represented at the hearing by George Burrell.

dominate, the same careless disregard of truth which it happens not to serve their interests, the same efforts at suppression of the same methods of character assassination, the same attitude of combat rather than cooperation, and the same hostility to the free mind which I hate in the Communists.

According to the reply prepared by Dr. Watson and his attorney, William J. McWilliams of Larchmont, many of the charges made against him concern books which he has written, or on which he has collaborated.

In one of these, said Dr. Watson, 'Action for Unity' published by Harper & Bros. in 1947, the authors of the League pamphlet purport to prove that I am a Jew-baiter, a Communist, and a collaborator. Dr. Naomi Goldstein, 'praised' or 'endorsed' 28 Communist-linked organizations. In actual fact, we did not collaborate with any of the 28 organizations, publications or individuals mentioned in the book. Our effort was only to prove and classify for the American Jewish Congress, the American Jewish Education Society, and the various types of interfaith and inter-racial groups. No organizations were 'praised' or 'recommended' in any general sense.

Charges Inaccuracies
'Moreover,' Dr. Watson stated, 'the authors of the book, "Action for Unity" say on page 10 that I am a Jew-baiter, a Communist, and a collaborator. Reference is made to page 20 of the book contains only 136 pages. More serious is a charge that the book contained an article in the magazine Reader's Scope which was directed against anti-Communists. The fact is that no such article appeared in the magazine. It is a reading of page 14 of "Action for Unity" will show. Equally misleading is the charge that "Action for Unity" sponsored the Citizens Committee of Arts, Sciences and Professions, and recommended it on page 41. There is no reference to this or any such organization on page 41. No such organization appears in the Index of any of my books.'

Comments on FCC
Dr. Watson said one of the major accusations against him concerning his separation from the staff of the Federal Communications Commission in 1943 when Congress stipulated in an appropriations bill that he was to work along with two other employees, not to be paid.

'My supervisors,' he said, 'all the way up to President Roosevelt, were for me. This was the act of Congress referred to in the Legion pamphlet was declared unconstitutional by the Supreme Court. The bill was turned down five times by the Senate and passed only because appropriations were needed for the War.'

'Charge No. 41 of the Legion pamphlet,' Dr. Watson said, 'reads: "A pamphlet, "We Fight For Truths," published by the League of American Writers, contains an article by Goodwin'

OBITUARY NEWS

ROBERT J. ALOR, eighty-nine, of 345 Harsanyi Street, long-time resident of New Rochelle and Larchmont, died at Hudson River State Hospital, Poughkeepsie.

Born in Staunton, Va., son of the late Belle and Vernon Alor. He had lived in this area for more than 60 years and was a member of the Prince Hill Masonic Lodge, of which he was a communicant of St. Simon's Episcopal Church.

Surviving are his wife, the former Mary J. Cunningham, and a foster daughter, Dorothy B. Alor of New Rochelle.

HENRY CYPRUS
Funeral services were held this afternoon for Henry Cyprus, sixty-eight, of 131 Pennington Road, Mamaroneck, who died Saturday in New Rochelle Hospital after a short illness.

Mr. Cyprus was born in New York City Sept. 11, 1891, and had lived at the Pennington Road address for 22 years, moving here from New York.

He was survived by his wife, the former Marguerita Brechler; three sisters, Mrs. Louis Levin of Lawrence, N. Y., Mrs. Lily Klein and Mrs. Herman Klein, both of New York City; and a brother, Edward Cyprus, also of New York City.

Interment was in Perinette Cemetery, Hartsdale.

MISS ANNA M. NOLAN, eighty-nine, of West Hill, former resident of the English Department at Mamaroneck High School, died last Thursday at a nursing home in Richmond Springs. It was learned here today.

Miss Nolan was born in West Hill, May 17, 1872, served at the high school here from 1916 to 1920.

She was a former president of the English Council of Westchester, former president of the Mamaroneck Teachers Association, and also worked with Board of Regents in preparation of examinations as well as with the English Research Department of Westchester.

Watson: This is absolutely true, although it is omitted to see what it is a charge of. The book is titled 'Statements on Anti-Semitism' by 34 leading American writers, students, educators, clergymen and trade unionists, published in 1947.

Claims Distortion
One of the League's 'gross distortions' of fact, according to Dr. Watson, deals with its activities during the Hitler-Stalin Pact of 1939-41. 'The accusation,' he said, 'that I was active in several notorious anti-war Communist fronts' at this time is completely at variance with the facts.

PLANS for the annual benefit for the Town of Mamaroneck were announced scheduled May 28 at St. John and Paul School, Weaver Street.

desire to be of constructive use to the School Board, after the defeat of the present referendum, so that proper plans can be presented more suited to voters of the district.

Centralization Revived
'Although we understand the problem has been under consideration by the present School Board, it is a process which has been going on for several years, the final result of which might have been in January 1952, the board then in office at a well-stated meeting, assured us that a \$2,000,000 project would be developed, but it was never presented to the people to be approved or rejected.

Not a Conformist
'It has never been, and is not, a conformist, either in its actual facts or in its intentions, he said. He concerned organizations which he regarded as Communist fronts and which he intended to work with them although they may perhaps have become so in varying degrees later.

My own father, a classic scholar who had high school in Germany, had a collection, added to his own collection.

My husband and I both were married, that I would have children would be a blessing. We decided, however, that as a matter of general education, we would teach the children and ourselves.

By the time their daughter was four and her son, three, the father was ready to begin his plan of instruction in religious history.

### Spring Gloves Are Easy to Keep Clean

NEW YORK—The most exciting new fabric gloves for Spring are short, white and wonderful. What's more, they're a nip to keep looking spanking white, because dirt remains on the fabric's surface, and rolls right off during washing.

You've no doubt already guessed that they must be made of nylon, and so they are, though you'd never know it to look or touch them. Most revolutionary are the new diacron gloves, for they look exactly like the French double-weave cotton, and are just as opaque. They have none of that slippery feeling of nylon gloves. They still maintain its do-stuff to the touch, because it has just the merest suggestion of a nap.

### 70 Volumes For Children At Library

Almost 70 new books for children, including a large group of picture and "easy books" have been added to the shelves of the Children's Room at the Larchmont Public Library.

Picture titles are "Crystal Correlations," "Beyond the Timeline Trail," "The Secret of the Shining Tower," "Sirens Red," "Bird: The Story of a Cat," "Francis Asstaple" (coming on sixteen), "Stalman Jones," "Tennessee's Cowboys and Indians," "Lucky Blackie," "Practical Science," "The Star Seekers."

Also "Rain in the Woods, the Story of India's 'Dear Wife,' 'Sparkling of the Hornet,' 'A Cap for Mary Ellen,' 'The Borrowers,' 'Circus April 1,' 'The A Mirror,' 'The Super's Daughter,' and 'Boy on Defense.' 'Walt Disney's Treasury' heads the new fiction list which includes "Roaming Can Be Fun," "Teach Me Numbers," "P's and Q's for Boys and Girls," "Three Apples Fell From Heaven," "Which was Witch," "Thordike-Barnhart, Beginning the Story of India's 'Dear Wife,' 'The Earth,' 'How to Improve Your Model Railroad,' 'Raccoon Family Pets,' 'Zoo Animals,' 'Treasure of the World's Coins,' 'The Story of Ballet,' 'The First Book of Chess,' 'Singing to Regretless' Biographies.

"The Coming of the Moon," "The Erie Canal," "The Moon is Shining Bright as Day," "Houston, the Tallest Texan," "David Farragut," "George Washington Carter," "The Field Lion," "Das Is Die Well," "The Moon is Shining Bright as Day," "New Plays for Red Letter Days" and "The Golden Book of Little Verases."

In the picture and easy book group are "How the Brothers Joined the Cal Club," "Who Built the Highway?" "The Taming of Toby," "The Birthday Story," "Danny's Lion," "Another Day" "Who Gave Us Peaches, Apples and Peaches Wheels?"

Also "Orlando the Marmalade Cat," "The Boy and the Dog School," "It Is Night," "Fast Is Not a Ladybug," "The Four Little Foxes," "When Will the World Be Mine?" "Follow the Road," "Little Grey Rabbit and the Little Grey Rabbit," "The Little Grey Rabbit's Birthday."

# Musical Events Highlight Weekend at Iona College

Approximately 600 persons attended two programs of music presented at Iona College, New Rochelle, over the weekend. Last night the Italian Society of the College sponsored a concert at which Ines Palma, well known pianist, was a featured performer, and on Saturday night Iona's Glee Club gave a concert under the direction of Alexander N. Bernas, faculty member, the latter is planned as an annual event.

Among those attending the concert were Barone Carol de Petrucci Salzano, general consul of Italy, who arrived from the Italian Embassy in New York; Dr. Giaccone de Sorbello, the cultural attaché of the Italian Consulate, the Rev. Brother William H. Barnes, president of Iona College, and the Rev. Brother Joseph G. McKenna, dean of the college. Proceeds from the concert will go toward the reconstruction of St. Peter's School in Fondi, Italy.

Miss Palma played selections from Chopin, Stravinsky, Liszt, Bach and Debussy. Guest artists appearing with her included Elvira Spinelli, soprano who sang "Dieu Tenelle Vieille" and "Vo Lo Sapete" (Mascagni) and selections by Puccini and Verdi; Volun Carmin Rossi, tenor, who sang "Oh! Ella Mi Crede"; "Panicella del West" and "E L'Alcova Le Stelle" (Puccini), and numbers by Handel and De Curtis; and Giovanni Vesari, guitarist, who played "Caravala" (Lata) and "Charadas" (Monti).

Miss Spinelli and Mr. Carmin Rossi, the duet "Atto Primo" (Puccini). Dino De Luca, another of the guest artists, was master of ceremonies, and Pasquale Roscigno, opera and concert conductor, provided piano accompaniment for the vocalists.

Michael Laila, Iona alumnus; Miss Barbara Donnell, student of Hunter College, and Miss Rosalind, also an alumna, were guest soloists for the Glee Club concert. Mr. Laila's presentation included "The Last Song" (Britten), "Non Pui Andrai" (Mozart), and

with Miss Donnell, "La Qui Davem La Mano" (Mozart), Miss Donnell sang "Down In The Forest" (Britten), "L'Espresso Song" (Strauss) and "Caro Nome" (Verdi). Selections by Leoncavallo, Hutchinson and Kern were presented by Mr. Rosalind. In addition to compositions by Mozart and Franck, the Glee Club sang "Let There Be Music" (Williams) and "You'll Never Walk Alone" (Rodgers), the Alma Mater and a medley of American folk songs.

Heurich Elevated

Alvin E. Heurich, above, 67 Howell Avenue, Larchmont, has been elected secretary and director of the P. & M. Schaefer Brewing Company of New York. He will also retain his present position as general attorney for the company.

Prior to joining the company in 1920, Mr. Heurich was secretary of the Appellate Division, First Department. He had been in the legal department of Mutual Life Insurance Company, Plimpton and Page, and finally with Radio Corporation of America.

Born in New Kensington, Pa., Mr. Heurich was graduated from Penn State in 1916 and after taking his master's degree entered the University of Pennsylvania Law school from which he was graduated in 1922.

Before moving to Larchmont two and a half years ago, the family lived in Bay Ridge, Brooklyn. He is a member of the Larchmont Yacht Club, the Larchmont-Mamaroneck Republican Club and a regular communicant of St. John's Episcopal Church.

Mr. and Mrs. Heurich have two children, Lynn, eight and Bruce, four and a half.

The babies were again in Larchmont last year. Margaret E. Lard, Larchmont, clerk and registrar of vital statistics, reported again last night to the Village Board.

All of the babies seem to be born in hospital, and Larchmont doesn't have one, she pointed out.

**Village Takes Its Fill**  
A number of Larchmont residents seem to think that the Village is helping the builder of the new store at Larchmont Avenue and Gilder Street "while in reality we are working against him," said Frank Griffin, Village Engineer, while the board discussed last night's meeting.

The matter in regard to building a new building for housing, as we are simply carrying it away," he added.

Trustee G. Crawford Edie commented that Mr. Griffin was smart and he was in keeping a lookout for free fill, and should be commended for it.

**New Mayor Takes Seat**  
Joseph J. Gagliardi, Larchmont's newly elected mayor, was sworn into office last night at a meeting of the Board of Trustees by Judge Leo P. Sweeney of New Rochelle, a former member of the law firm with which Mr. Gagliardi's father, Frank, has been associated for many years. Thirty residents, including members of the new mayor's family, attended the brief ceremony.

"I almost put dispers on him," said Davis and after administering the oath of office, he said he has watched his progress in public life with great interest. Mayor Gagliardi has done plenty for his Village and his County and has shown rich aptitude."

"He knew I was opposed to many of the things he did because the doing of them took it out of him, but the Village needs a little spirit, and he has it," said turning to Mr. Gagliardi, "give everything to us, and we will have the support of the residents of Larchmont. I know you will make a success of it. And when you are through, go back to the practice of law."

Newly elected Trustee John B. Coffey was also sworn in. Following the ceremonies, the board settled down to a large agenda.

**Board Greets Democrat**  
Mrs. Josephine O'Connell, first Democrat elected to the Larchmont Village Board in more than 20 years, was sworn in to sit on the Village governing body, which was officially greeted last night by Mayor Edwin B. Dooley as he attended the first board meeting of the term.

Her place at one end of the board table was decorated with large baskets of flowers sent by the Larchmont Village Democratic Committee, and following coming her to the board Mayor Dooley said:

"It is a pleasure to have such a gracious lady sit with us, and we are sure that you will add much to the effectiveness of our work."

Mrs. O'Connell's first action was to second Trustee James H. Lard's motion for the resignation of Fred H. Bull Jr. as Registrar of Vital Statistics, and her second was to second the motion which resulted in the resignation of William H. Johnson as Village Engineer.

## SCHOOL APPROVAL VITAL TO PROTECT GIFT, BOARD SAYS

Quick Revote Set To Save Land Grant; Opponents To Attend Meeting

Following its announcement yesterday of a public meeting at 2:15 P. M. tomorrow in Bellows High School to discuss the \$2.7 million building program to be voted on for the second time Friday, the Bye Neck Board of Education declared today that quick passage of the proposal is needed if the Palmer land gift is to continue available and its use to acquire real estate, including interest rates.

Meanwhile Walter L. Heitman, chairman of the Bye Neck Taxpayers and Citizens Committee, this morning called on all opponents of the proposal to attend the meeting tomorrow.

The School Board has decided to hold a public meeting at 2:15 P. M. tomorrow at the Bellows High School to discuss the \$2.7 million building program to be voted on for the second time Friday, the Bye Neck Board of Education declared today that quick passage of the proposal is needed if the Palmer land gift is to continue available and its use to acquire real estate, including interest rates.

"I am completely satisfied in my own mind that the hearing will be the highest in the history of the school district," said Mr. Heitman.

"I have more than once expressed hopes that such a visit would be possible. I don't think, however, he would feel he could leave his heavy duties at the present time."

Parliamentary Member Arthur Lewis had asked Mr. Winston to invite the President here to take on worst problems, increase the M bomb, and to help resolve "differences of opinion that might arise between us."

Mr. Sears said he was leaving for a special conference and controversy which followed my retention as counted and of the allegations which have been made most of which are without foundation.

"I do so only because I deem the hearing to be of the highest importance and would not want the credibility of the proceedings to be handicapped from the very outset by any alleged word, deed, or misstatement which might have uttered in the past."

**STUDY LAUNCHED BY WATERWORKS ENGINEERS TO START PLAN FOR DOUBLING SYSTEM'S PUMPING CAPACITY**

The first step in the proposed expansion of the Westchester Water Works pumping plant was taken today afternoon when its Board of Trustees directed George Straub, superintendent, to engage the firm of Hazen and Sawyer, New York City, to study the pumping capacity of the plant.

Meeting at the Haledale Avenue offices, Owen A. Manville, with permission of the Board, presided. B. Dooley of the Village of Mamaroneck, and Alfred Smith, Harrison supervisor, voted \$2,100 as costs for the Westchester engineers who maintain office in New York City. Mr. Straub had recommended the firm primarily because they are experienced in water supply problems.

It is almost beyond me to express in words my sincere appreciation for the great honor you have bestowed upon me in naming the park area just behind the entrance to Orienta Park at the junction of the Post Road to the James A. Gillies Park.

"It will never be tiring in my gratitude while God grants me further life for his great honor which in your authority you have bestowed upon me."

A letter from Police Chief Louis Giancola forwarding a resignation was received by the board.

The board also accepted the \$4,240 bid of the J. A. Amey Co. of Garden City, to repair, repave and reconstruct the work tank at Winged Pool Golf Course, which has not been painted in 10 years, will be in the Spring.

**Weather Outlook**  
Mostly cloudy this afternoon, with a few showers. Some fog and drizzle tonight, low near 50. Partly cloudy tomorrow, chance of some scattered showers and drizzle, high in the 60s.
