FIREMEN CONVALESCED FOR EFFICIENT WORK

High praise of the Mamaroneck Fire Department for its efficient work in handling the recent fire at the Evelyn Court Apartments is contained in a letter from Mrs. A. J. McVie, one of the tenants, which was read at last night's meeting of the Mamaroneck Fire Council, at the Halsted Manor headquarters.

Following is the letter, addressed to Fire Chief William Leonard:

"May I take this opportunity to thank and congratulate you and your men on the splendid job you did Sunday, April 25, at the Evelyn Court Apartments."

"The efficiency and speed with which they moved out, and the care from the danger point, and then covered it with tarpaulins to protect it from possible water damage, no doubt is routine to you, but the care and consideration shown in handling the furniture in my apartment was gratifying and deeply appreciated."

"I am also fully aware that the fire would have been much worse had it not been for the quick and decisive action of the Fire Department."

"Again congratulations and many thanks to you and your men."

A departmental drill will be held May 27, with all companies participating. It was announced.

Chief Leonard reported that surveys of the village, hydrant and fire alarm systems are being conducted.
