

Clippers Eke Out 2-1 Triumph Over Lavenders In Bowl Major Loop

Bach Sparks Lodge To Win As Bowl 5 Raps Langdons

Team Standings:

Clippers	W	L	Pct.
Clippers	16	4	.789
Lavenders	16	8	.667
Bowl Five	16	8	.667
Micas	7	11	.545

Lodgemen	6	15	.438
Langdons	4	20	.167

The Larchmont Bowl Major League developed into a dog fight for second place last night as the end of the evening's logging found the Lavenders, Bowl Five, and Micas all tied up and seemingly hopelessly chasing the leading Clipper quintet.

The matches started out with what promised to be a hectic battle for first place between the Lavenders and Clippers. It was tight for just one game, the first, which was taken by the Lavenders by the slim margin of eight pins. Then, with Bill Verry going to work, the Clippers took the next two and instead of resting in first place the Lavender outfit found itself all knotted up for second.

Verry was the match's leading legler as he toppled the ten-pins for 575, although Walt Faxon of the losers wasn't far behind with a 562 and both the leaders had 215 games.

The Bowl Five and the Micas meanwhile were catching up with the runner-up Lavenders by winning their matches by 2-1. Carrauto was on top as the Bowl quintet trimmed the Lavenders, dropping just the second game, and that by 13 pins. It remained, however, for Gibson, one of the losers, to get high game for the match as he rolled a 222 in his second effort.

The Micas all but pulled into sole possession of second place but just missed out by two pins as they dropped the second game to the Crabtree quintet by that margin. Viro of the losers was top for the match, with a 567 and the high game also went to a member of the defeated outfit as Corwin hit a 212.

It remained for the one match which had no effect on the runner-up spot to turn out the best legler of the night as Marty Bach of the Lodgemen started poorly and then finished up with two smashing games to total a 291. Bach's first effort was a poor 148 but he finally "found" the alley and finished in 221 and 222 for his last two strings. The Woodmen took the first game easily, dropped the second one in a close battle, and just coasted up in the third try.

The Major Returns - By Jack Sords

The Beltons, Patners, ending champions in the S.W. I. A. C. yesterday announced a full 18-game basketball schedule which will open with two pre-holiday warm-up games against Isaac Young and Mamaroneck immediately after the Christmas recess over the East Enders will begin the defense of their title against the Technicians of Edison and with the exception of return games against Mamaroneck and Young and a pair of contests with Fort Chester, will play all league games for the rest of the season.

Coach Hasky's Blue and Black squad has its work cut out for it in trying to bring the S. W. I. A. C. crown to the East End for the second straight year. Only two letters are back and the probability is that Dick Joyce, lanky center, will be out for most if not all of the season. Bob Joyce and Pete Laine will doubtless turn up to be the mainstays of the outfit and Hasky will be able to pick from 40 other court candidates for the rest of the variety. Unfortunately for the East, the greater portion of the 40 have no experience in inter-school basketball.

The Panthers will again play at Mamaroneck, home, with two exceptions, at night. The two are the Tuckholes and Edison contests which will take place at 8:00 in the afternoon. All other court play will be at 7:30 with the exception of the games.

The schedule:

Dec. 15, Isaac Young, home; 16, Mamaroneck, home; 17, Edison, away; 18, Mamaroneck, away; 19, Harrison, home; 20, Tuckholes, away.

Feb. 2, Rye, away; 6, Fort Chester, home; 9, Pleasantville, away; 13, Pleasantville, home; 15, Eastchester, away; 20, Isaac Young, away; 21, Harrison, home; 23, Tuckholes, home.

March 2, Fort Chester, away; 8, Rye, home.

Vassar Four Blanks Hunter; Radcliffe Rolls 531 Series

Mrs. Jaye Radcliffe did just about everything to win the Radcliffe-Wellesley match last night in the Larchmont Ladies League as she shot a 531 to take high series in the loop's competition. De spite her three consistent games the Radcliffe quartet over the Vassarites dropped a 2-1 match to the Wellesley outfit as Mrs. Gerry O'Donnell took the only honors surrendered by Mrs. Radcliffe by rolling a 186 string in her second game.

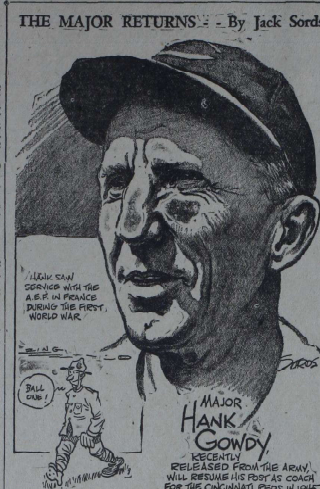

In a second match the Vassar team blanked the Hunter outfit by 3-0, although the winners had difficulty in the first game, taking it by only three mapsles. The other games were won easily as Mrs. Elsie Rigano took top honors for the match.

The third contest went to the Mt. Holyoke quartet over the Briarcliff four, despite the fact that the losers had the higher three game total of the competing teams. The Mt. Holyokes won the first scrap by just ten pins then took the second by the same margin, and proceeded to drop the third by 36 timbers to end up on the short end of the three-game total, but on the long end of the match.

under Pete's right optic in the sixth. He caught a lot of blows with his gloves and forearm, but still showed he could take a punch by absorbing some stout blows without flinching.

The Mamaroneck batter, who stopped Ballestrero Carulla by the first scrap by just ten pins, was down to 152½ pounds, a vast drop of 23½ pounds below the weight he posted before beginning training for the fall season.

He was still off on his timing fluffly at the midriff and his rights lacked their old time sting. He was thoroughly tired at the end, doubtless because the loss of so much weight so quickly had lessened his staying power.

Firs, Pines Take Shutouts As Birchies Trim Maples, 2-1

Ladies circuit was somewhat on the mediocre side last night as the Firs and Pines took shutouts while the Maple quartet was succumbing to the Birchies by 2-1.

High scores were at a premium since none of the leglers could get better than a 470 triple with Mrs. Stroval of the Firs attaining that total on games of 178, 180 and 162. Mrs. E. Malinowski of the losing Elms had second high as she hit 445, with all other scores totaling below the 400 mark.

The Firs could thank their seven pin handicap for the fact that they won a shutout because, after winning the first game handily they just managed to take the second contest by four pins and eked out the third by 11 timbers.

The final match didn't ride on any handicap as the Birchies took the first two with consummate ease and then dropped the third which they would have won even if the Maples didn't have a ten-pin gift to work on.

Name Gallotti Grid Captain

Marty Gallotti, speedy but hard-luck tailback of the Bellows Panthers, was recently elected choosing captain after the season finished the East End squad was able to reward a player who was on the squad for three seasons led the J.V. outfit to an undefeated season last year, and this year suffered a variety of injuries which kept him sidelined through much of the last part of the schedule.

Gallotti was an understudy to Eddie Dolan and to Dick Ostmann on the undefeated '42 team, and then proceeded to get a knee injury in the Tuckholes game and then proceeded to get a head injury which put him in the hospital for 10 days and caused him to miss the Eastchester scrap.

In addition to his gridiron activities Gallotti was captain of last year's track team. He will be on the next March and has his eye on the Submarine Corps as a field of service.

Planned Cigaret Economy?

THE shortage in cigarettes, both for our armed forces abroad and for domestic consumers is admitted. It is only as the causes that explain it.

One explanation is that war nerve tension has caused an increased consumption, probably free to a degree but hardly to a sufficient degree to account for the entire shortage.

Let us look at figures from the Agricultural Adjustment Administration for perhaps a more plausible view of the situation.

In a free and uncontrolled economy, it is pointed out, the greatly increased price which tobacco brings would result almost automatically in increased production. But where the government has taken over a large part of the industry...

Looks like the War Labor Board methodology will lift the Little Steel Formula out of the President's lap, and he's got to do something in spite of inflation because the labor unions are breathing hot on the back of his neck.

The Counselor

QUOTE UNQUOTE: In the recent election we voted for electors instead of for President. Can you give me the real name of Ed Wynn?

I have cannot explain from my victory garden. However, the water in the tops of the jars dried up during the election and the plant turned black. Also, the rest of the contents of each jar turned dark brown. Are these edibles?

New York State has 47 electors who will vote for President. As you said, we voted for these electors on Election Day. Each State Committee of each political party qualified to appear on the ballot had nominated 47 electors—47 Democrats, 47 Republicans, 47 American Liberal Party, etc.

Legally, they can cast their votes for anybody at all; they are not bound by law to vote the people's choice; traditionally, they have done so, however, and it is the consensus they are bound ethically and politically to do.

A Glance Backward

A DECADE AGO (From The Daily Times) A total of over \$30,000 was to be paid out by banks to Christmas Club depositors...

It is the consensus they are bound ethically and politically to do. Each state has as many electors as it has Representatives in Congress. New York and New York, with 45 Representatives and 20 Senators, has thus 47 electoral votes.

New Fuehrer

So we are going to have some kind of military training enacted early in the new Congress. The impelling motive behind this drive, I judge, is fear of what is going to happen to this country after the war.

I gather nearly everyone would be in favor of leaving future leadership in the hands of the men now fighting the war at the front. The military training program being proposed is to be primarily a refresher course for the men who have been in the service.

Advocates Differ The question of a specific program to be carried off by anyone in authority is still a matter to be done, it opposing forces are gathering behind the idea for practically opposite reasons.

County Asked For 300 Dogs For The Army

WHITE PLAINS—Westchester County is being called upon to contribute 300 dogs to the U. S. Army Cavalry Corps.

Dog owners must be very sure they are turning in a dog to the proper authorities. They should be sure the dog is healthy and that they will never see their dog again if the dog will not be turned over to the Army.

Numbers do not make an army, any more than Maginot Lines make a country for peace. It is an invention of the Prussians, just like rocket boosters, which might be simply called a proper training force.

Note to local fight fans: no battles at the County Center tonight. The arena has been taken over for the week by the Antioch Show so there'll be no bouts until next Tuesday.

Ballooning of grid coaches and officials for the purpose of choosing an All-County team is now going on. It's a tough job because the county almost seems split over the middle when it comes to sports. We haven't seen a Hudson River team in these parts this year and they've got some good ones. Washington Irving seems to be the pick of the lot over there, despite its loss in the Bond Bowl game at Ebbets Field. Anyway, a consensus of coaches and officials ought to yield a representative All-County eleven, but it would be a good idea if school makers slanted some of the teams from across the county, at least occasionally.

Yesterday's column on bowlers was written before Sunday night's scores came in so we've got an edited familiar letter to you titled the "500 Club." Mrs. Jay Radcliffe did it for the third time this season and in the process of rolling a 529 smacked what we believe to be the year's highest game at the port of the gate. Mrs. Radcliffe got a 215 in her first effort.

Traveling far afield for a moment, Army-Navy heads the grid card this week. Everybody knows it's going to be some battle and our pick happens to be the Army. Can't help but get that big fat backen't the not even against Navy's reputedly superior line.

To get back home, we understand the All Stars have finished up for the season and are looking forward only to a banquet some time in the near future. Joe Tohn and company are to be commended for their efforts in making Stanley football back, even though it had to be done on a limited scale. Hope they'll be able to do it again next year.

Three Upsets Mark Matches in Acres Bowling Circuit

Motts Nip Disbrows, 2-1; Fenimore, Richbells Win

Team	Won	Lost	Pct.
Disbrows	10	1	.711
Motts	15	10	.559
Stearns	14	13	.519
Tomplins	13	11	.541
Fenimore	13	14	.481
Baskets	16	16	.500
Fenimore	11	18	.407
Richbells	10	17	.370

Last night was a night for the underdogs in the Larchmont Acres Bowling League as the bottom teams of the loop rose up and soundly defeated the higher placed teams in the standings. Three definite upsets marked the play as the Richbells and Fenimore, holding down the last two spots rolled 2-1 victories over the higher placed Stearns and Baskets and as Motts drove up into second place by taking it out on the league leading Disbrows. The fourth place team, Tomplins, also rolled a 2-1 triumph over the Palmers in a match between two squads which started the evening tied for fourth place.

The calls-voiced Richbells pulled the biggest upset of the night as they took on the Stearns and one from the Fort Chester side. The Richbells, led by Steve Motts, rolled a 153-132 victory in the first game. In the second game, the Richbells were soundly trounced in the second frame and then proceeded to wallop the Stearns in the third encounter, even though the handicap had been turned over to the Stearns' squad. Spencer of the Stearns was high man for the match as well as for the evening with a hit a 244 series. Disbrows led.

The front running Disbrows were however checked in the second game as none of the Disbrows quiet was in form and scores of the match were extremely low. Again it was a case of the winners taking all, as the Disbrows rolled a 132-100 victory in the second game. The Fenimore and Richbells were the losers annexed the middle row.

The third upset, this one only a mild one, came when the Fenimore and Tomplins rolled a 2-1 shattering and almost untied a shutout, losing the third encounter by a mere 10 pins. The Fenimore outfit didn't need the handicap which was handed them to take the first two games. As both strings would have been without the margin.

The final set-off between teams for fourth saw the Tomplins overcome a defeat in the first game and go on to take the last two and roll a 2-0 victory over the losers, treasurer of the league, capped high single for all four matches when he rolled a 210 in his first game.

Last night's results scrambled the standings to the extent that they moved the Motts up with the Fenimore and Richbells to a tight group which still finds the Disbrows five games in front and only five games separating second from eighth places.

Large Group of Candidates Reports For Tiger Cage Team

With over forty candidates reporting, four of them lettermen, almost all of last year's Junior varsity squad and the balance prospective future court operators, Coach George W. Mooney held the Orange and Blacks in the Mamaroneck High School Gym, yesterday.

Coach Mooney sent his charges through a light shooting drill as he started preparation for the full schedule of eighteen games and a practice contest, which has been carried for Dec. 8.

With the veteran guards "Footsie" Gronda and sharp-shooting Willie Carter forming a nucleus for this season's quintet, the Tiger coach will also have on hand "Tinner" York, a frequent substitute on last season's first string. However, the Hilltop member will have to find replacements for the posts left vacant by the giant Chuck Gibson, majority of last year's five, and Doc Morris, who have been graduated.

The large group making their debut on the Tiger court included Sid Nordenschild, Bruce Borton, Tom Nowinski, Pete Spoorant, Ken Friedman, Ray Hinman, Dan Brockway, Joe Palmer, Bob Brock, Jim Jenewine, Jim Newman, and Joe Blotta, having played J. V. last year as a freshman appear to showing the way.

Bozzi scored the first touchdown as he went 30 yards around and in the first period. Pooty uncuffed the second score to Downey and then young Pooty went for 25 yards and a third six-point in a few minutes later.

The final two tallies came in the last period as Russo smashed through tackle from the four yard line for one and then proceeded to go 75 yards for the final score. Only one point was added as young Russo plunged for the added marker after the third touchdown.

Tigers Choose All-Opponent Grid Elevens

As a parting gesture to the recent scholastic grid season the Mamaroneck High School Tigers selected an all-opponent team from among the players they have met this season. The first squad lined up with the Orange outfit is heavily laden with Roosevelt, Iona Prep, and New Rochelle players. Four Purple Jerseys appear with three Roosevelt players on the list and two from Iona Prep. The eleven is completed by a single A. B. Davis and one from the Fort Chester team.

The second team picked by Coach George Mooney's charges contains the only Bellows player, Alan Lawrence, salaried Blue and Black guard. The Tigers evidently found Henry, Albert Leonard's last end of last year, not quite so tough and rated him only on the second squad. Other schools represented on the second team are A. B. Davis, New Rochelle, Iona and Fort Chester. Only one of the eight outfits met by the Mamaroneck team, Isaac Young, is not represented on either of the two teams.

The squads are picked by the Hilltoppers follow:
First Team:
LE North A. B. Davis
LT Race Roosevelt
LC La New Rochelle
RC McLaughlin Iona Prep
RC Cloutier New Rochelle
RT Cloutier New Rochelle
RT Stroth New Rochelle
QB Zimphlatz Port Chester
FB Wassner Port Chester

Second Team:
LE Henry Albert Leonard
LT Billip A. B. Davis
LG White Albert Leonard
LC La New Rochelle
RC Lawrence New Rochelle
RT Bowles A. B. Davis
RT Bodde New Rochelle
QB Ramsey A. B. Davis
LB D. Sorrella Port Chester
RHB Smith Port Chester
FB Carideo A. B. Davis

Reports For Tiger Cage Team

With over forty candidates reporting, four of them lettermen, almost all of last year's Junior varsity squad and the balance prospective future court operators, Coach George W. Mooney held the Orange and Blacks in the Mamaroneck High School Gym, yesterday.

Coach Mooney sent his charges through a light shooting drill as he started preparation for the full schedule of eighteen games and a practice contest, which has been carried for Dec. 8.

With the veteran guards "Footsie" Gronda and sharp-shooting Willie Carter forming a nucleus for this season's quintet, the Tiger coach will also have on hand "Tinner" York, a frequent substitute on last season's first string. However, the Hilltop member will have to find replacements for the posts left vacant by the giant Chuck Gibson, majority of last year's five, and Doc Morris, who have been graduated.

The large group making their debut on the Tiger court included Sid Nordenschild, Bruce Borton, Tom Nowinski, Pete Spoorant, Ken Friedman, Ray Hinman, Dan Brockway, Joe Palmer, Bob Brock, Jim Jenewine, Jim Newman, and Joe Blotta, having played J. V. last year as a freshman appear to showing the way.

Bozzi scored the first touchdown as he went 30 yards around and in the first period. Pooty uncuffed the second score to Downey and then young Pooty went for 25 yards and a third six-point in a few minutes later.

The final two tallies came in the last period as Russo smashed through tackle from the four yard line for one and then proceeded to go 75 yards for the final score. Only one point was added as young Russo plunged for the added marker after the third touchdown.

Rye Neck's Schools Hit By Merger

Consolidation Plan Of Rye City Would Cost District \$43,808 Tax

50 PUPILS AFFECTED

A plan to consolidate the schools of the city of Rye which, it is estimated, would take more than \$43,800 out of the Rye Neck School district according to the 1944-45 figures, has been unanimously approved by the city council and will be submitted to the State Legislature as an amendment to the city charter.

A special committee, appointed in February 1943, to investigate the matter, has submitted a voluminous report to the council setting forth, among other things, the manner in which the present obligations for carrying charges on bonds would be paid if the Rye voters gave an affirmative vote on the consolidation plan.

James J. Stoen, president of the Rye Neck Board, estimated yesterday that, of the \$106,000 of assessed valuation in the district, \$108,782 falls within the \$100,000 limit of the State Act. Rye representing a tax collection of \$43,808. The figures are complete for the 1944-45 assessment roll.

If the plan were in effect at the end of the fiscal year, the school would lose only \$54,980 since the Rye section would pay \$9,049 as its share of the carrying charges on the bonded debt. The amount would gradually decrease as the bonds added until 1960 when the Jackson will be liquidated.

An estimate of Rye city students in the Rye Neck schools based on a check made by the Mayor's Office reveals that about 50 of the children would attend from the Greenbush section, including 10 at Bellows High School and 40 at Daniel Wadsworth. The Rye Neck Board has been studying the situation for the last year and a half. "We have had an opportunity to go over this matter several times and have released only a few days ago."

Bishop's Plea Gives Board Knotty Tangle

One of the knottiest problems in the Rye Neck Village Board in connection with the study of assessment reports is one presented by Father S. J. Stoen, archbishop of New York. The son of Mr. and Mrs. James T. Murphy of 522 Carroll Avenue, he graduated from Bellows High School where he belonged to the varsity football and track teams and received two letters in hockey. He also played with the Westchester Vikings.

Pet. Leone Home

Pet. R. J. Leone of 7 Stubb Court, Mamaroneck, is at home on furlough from Geiger Field, Spokane, Wash., where he is stationed with the Army Air Forces.

On Army Furlough

Corp. William La Rosa, son of Mrs. William A. La Rosa of 1520 Halstead Avenue, Mamaroneck, is at home on furlough from Camp Butler, N. C., where he is receiving training with an infantry division of the Field Artillery.

Returns To Kentucky

Pet. Mario A. Pugliese will return tomorrow to Camp Campbell, Ky., where he is stationed as a tank battalion of the 2nd armored division, after spending a furlough with his mother, Mrs. Marie Pugliese of 14 Chatsworth Avenue, Larchmont.

Peace Feelers From Germany?

Port Of Antwerp Finally Open, He Tells Parliament

LONDON (AP)—Prime Minister Churchill warned today that the war against Germany might last longer than he had thought. He said his recent prediction of a possible end by "early Summer" might be revised by dropping the word "early."

Churchill addressed Parliament after King George VI, opening the 40th session of the legislature elected in 1933 said that Britain intended to "reinforce as rapidly as possible the 'Kingdom forces' now fighting Japan."

The prime minister announced for the first time that the port of Antwerp had finally been opened "and is now receiving large convoys of sea-going ships thus making an incomparable sea base available for the nourishment of the northern front of British arms and the various groups of American units also engaged in these operations."

Churchill praised the progress of the Allied armies on the western front in a speech before the House of Commons in London.

Town Group Okays Budget, Elects Alton

During its annual meeting last night at the Ridge Street hotel, the Town of Rye Association unanimously voted approval of the proposed 1945 Town of Rye budget and selected Richard B. Alton, a former president, to head the organization for the coming year. Some 25 persons attended the session.

Other officers elected were Joseph S. Arvithald, vice-president; Pierre F. Verboven, treasurer; and L. Parker Estabrook, secretary. Mr. Alton succeeds Clifford MacCullough as president.

The proposed 1945 town budget amounts to \$145,528.28 and is \$33,087.10 under the current figure, despite the inclusion of a blanket ten per cent increase in salaries including those of officials and employees who have not received a pay raise since 1934. It will be up for discussion at a public hearing tonight at 8 o'clock at the Town Rooms, 125 North Main Street, Port Chester, at 8 o'clock.

During the item-by-item discussion of the proposed budget by members of the Association last night, the only issue raised concerned the proposed salary increase. President-elect Alton contended that while he did not oppose the pay raise, he was of the opinion that they should be included in the budget as a war bonus and not a straight salary increase as was done in making up the county budget.

Theodore C. Henninger took the stand that "the 10 per cent increase is little enough under present conditions and it makes little difference whether it's made as a war bonus or a straight salary increase."

Other members agreed with the proposed budget. Several appointments are still open, between the hours of 12:45 P. M. and 4:30 P. M. Call the Red Cross Headquarters, Mamaroneck 1867, or Mrs. Malcolm Brown, Mamaroneck 616 and sign up.

Enough Light in the Right Places Protects Eyesight

PROTECT those bright, sparkling eyes with proper lighting! Always use enough light to see easily. Avoid deep shadows and glare. Both are annoying and harmful to the eyes.

PLACING LAMPS in correct position on desk or table avoids unnecessary eye strain. Eye-sight-savvy people this would be left, thus keeping writing surface free of irritating shadows.

Eyesight is precious—Proper light is cheap. Take good care of your eyes, but don't waste light.

WESTCHESTER LIGHTING COMPANY

Open Season On Deer Urged In Westchester

WHITE PLAINS—Westchester has become so over-populated with deer, due to elimination for many years of any open season with guns, that there is a distinct menace to motorists in road accidents and farmers in their orchards and crops, the Board of Supervisors today told.

Supervisors Elbert C. Purdy, North Salem, Hugh S. Coyle, Packer's 80 and John C. Downing, Yorktown, reporting as a special committee named last Summer, said they had interviewed many upcountry residents and found the situation "extremely dangerous" if allowed to continue. As a result, they recommended specific legislation to permit an open season on deer in Westchester with guns, but with such limitations as would keep inexperienced hunters out of the woods.

The law which has for three years permitted hunting deer with long bow and arrow has not proven of any value in reducing the deer herd, said the committee, and special permits issued to farmers whose crops are damaged have but little effect on the several thousand deer now estimated to be in the County. The recommendation for an open season with guns was referred to the board's committee on legislation.

"It is not for the sake of the sport but rather to take care of an actual menace that we should have this open season," commented Supervisor William D. Shine of Poundridge, another up-country town. He added that the State "laughs" at attempts by motorists or farmers to collect for damages done by the deer. To offset danger from indiscriminate hunting he recommended that licenses to hunt be limited to bona fide residents of such town.

Mr. Coyle, scouting danger from hunters, said he had been informed that in the last open season with guns in the County, not a single accident had been reported.

DAMAGED CARS IN CRASH

Action Flares Near Leyte

MACARTHUR'S HDQS. PHILIPPINES. (AP)—Action flared on both sides of storm-bogged Leyte as American destroyers bearded the mined inner Philippine Seas to shell Ormoc and the Japanese airforce bombed U. S. warships and transports in Leyte Gulf, headquarters announced today.

(Tokyo Radio said Japanese troops are locked in battle on little Mount Island, 300 miles south of the Philippines, after a surprise counter-landing there Sunday.

(Tokyo also made the unsubstantiated claim that Japanese planes struck for the third straight day Wednesday at the American base on Saipan in the Marianas from which Superfortresses twice have flown to port destruction on Tokyo itself).

In the ground situation on Leyte the Zambales, pressing the enemy along the Ormoc corridor, still were at a heat halt because of torrential rain.

Tokyo Reports Another Raid

TOKYO, (Enemy Radio)—Radio Tokyo said today that American bombers were again over the Japanese capital.

The broadcast said "A minor formation of enemy planes penetrated the Tokyo area a little before 12 o'clock (noon). In intercepting the Japanese are now giving hot reception to the enemy raiders."

Woman Carried Baby 18 Years

PALMDALE, CALIF. (AP)—Dr. H. H. Snook, owner of the Palmdale Hospital in this small desert community, said today that he operated on a 35-year-old woman and removed a calcified or petrified fetus that she had been carrying, without knowing it, for 18 years.

Dr. Snook told the Associated Press that the operation was performed in his hospital last Oct. 23. He said X-ray pictures, taken before the operation, disclosed, in a well-defined manner, the bony structure of the fetus.

Dr. Snook, who is a member of the outpatient staff of the Los Angeles County General Hospital, said he performed "a laparotomy, in a caesarian section, to remove the fetus from the abdomen."

Scores Protest Budget's Failure To Hike Grant For Grasslands

WHITE PLAINS — The most heavily attended protest session on a Westchester County budget in more than ten years took place today when representatives of many outstanding civic and patriotic organizations lined up with the Board of Supervisors committee on budget and appropriations their official and personal disapproval of that portion of the proposed 1945 county budget dealing with Grasslands Hospital.

So large was the turnout of those desiring to be heard against proposed reductions in the hospital appropriations for next year that they could not be accommodated in the committee rooms ordinarily used and committee chairman Edward P. Barrett, Beaufort, moved the hearing to the supervisors' chambers. More than 80 men and women were present at noon, awaiting their turn to be heard, more than in former years have attended the annual public budget hearings.

Today's committee meeting was executive and "off the record," but similar appeals for reinstatement of budgetary items for the hospital operation in 1945 are expected to be made at the public budget hearing on Dec. 11 before the same committee.

10-Day Limit On Hike

Mrs. William J. Kelley of Scarsdale, president of the County League of Women Voters, previously had protested failure of the budget committee to grant a hearing of today's speakers within the ten-day period following the release

of the budget with the supervisors by County Executive Herbert C. Goehel on Nov. 13. It is only within that ten-day period that the budget committee can increase budgetary items, through amendments to the Board of Supervisors of such intent, without holding a public hearing and submitting such action to that scheduled for Dec. 11.

Mrs. Kelley said that she had been informed by Budget Committee Chairman Barrett at the time the request was made that the committee did not intend to commence any 1945 budget increases and was not prepared, therefore, to hold any hearings for citizen petitions until after the ten-day period.

Particularly attacked today was an "economy" cut fixed by speakers at around \$32,000 in the salaries of Grasslands personnel. Those who desire larger appropriations for 1945 point to reduced services already made necessary in the tuberculosis ward of the hospital, through failure to secure nursing and medical staff members to fill vacancies. No \$25.00 Disruptive Fund grants were more attractive, say these, can the Westchester institution continue with New York City armed services for hospital personnel. Large percentages of the graduates of the Grasslands Nurse Training Schools do not remain in the hospital, because the pay is inadequate.

MAMARONECK CHRISTMAS PROJECT

At a meeting of the Camp and Hospital Committee yesterday at the home of Mrs. William Campbell, vice chairman, plans were discussed for assembling, wrapping and shipping gifts to our boys in local camps of the Red Cross.

The Village of Mamaroneck will send 200 Christmas boxes to the S. C. Disruptive Fund. Each package will contain the following articles:

Fruit cake, candy cigarettes, pencils, paper covered notebook, gum, cookies, comb and shaving cream.

The collection of articles is limited because the boys are restricted and disciplined.

The committee has agreed to spend Friday, Dec. 15 at Camp and Hospital Headquarters next to the Playhouse on Mamaroneck Avenue, where all articles will be assembled and wrapped. The deadline for completing the job is Dec. 20.

VOLUNTEER OFFICE AIDS

Along with many other local organizations who have responded to Mrs. Hines' call is the staff of the Volunteer Office.

The collection of rags made on Sunday, Nov. 13, gave us sufficient funds to play Santa Claus.

We anticipate to pack at least 50 boxes at the War Council office and ask that your donations be sent promptly to either Mrs. Charles Howard or Mrs. Ingraham care of the Volunteer Office.

Your personal card will accompany your package.

One of our good friends has donated colored green and white wrapping paper to take care of all 200 packages.

Stop in and see us between the hours of 9 and 1 P. M. daily, or better still, bake us a few cookies at home.

The meeting, open to the public, will take place at 8:15 in Bronxville High School Auditorium.

ARMY REVEALS PAROLEES' NOW AT FORT SLOCUM

NEW ROCHELLE—American Army prisoners who have been convicted of violation of the Articles of War by general court martial have been confined at Fort Slocum since Saturday, it was revealed today. Army officials at the fort verified the report, admitting that "a number of parolees" were moved to the island last week immediately after the mass protest meeting against conversion of the Army post into a prison camp.

Mayor Stanley W. Church, meanwhile in Washington, furthest protesting the action and expressing the city's concern about the disposal of the island after the war. Mayor Church fears that Fort Slocum, now designated as "surplus" by the Army may be converted into a civilian prison for Federal prisoners after the war.

Prisoners to be harbored according to Army and War Department statements, will be only those capable of rehabilitation and will not include violent or hard-core criminals.

None of the parolees will be moved through Westchester communities, it was said. Arrangements have been made to ferry them across Long Island Sound from Fort Totten.

HEARING ON VET'S DEATH CONTINUED

WHITE PLAINS—The Grand Jury investigation into the assassination of Benjamin Sandoz, a World War I, in a cabin at the Rochelle Hotel, North Salem, which opened Tuesday will be continued next Tuesday. District Attorney Robert T. Gallagher said today.

Sandoz is said to have been strangled and then locked into the cabin, in which an oil stove was burning. When attendants returned later he was dead. Three attendants are at liberty in \$1,000 bail each as material witness, and Irving Joseph Held, operator of the institution, has said he plans to close it.

MASS MEETING CALLED TO PLAN TEEN CANTEN

Tentative plans for a mass meeting for the discussion of Mamaroneck's plans for a youth center, now known as the Teen Canteen, were made at last night's meeting of the adult members of the committee at the Elks Club.

The need for such a meeting was pointed out by Earl Quick who declared that the committee "is way ahead of the community and the teen agers are way ahead of the adults on the committee."

To be a success the canteen must be centrally located, Mr. Quick pointed out. The old Town Hall on Prospect Avenue is ideally situated, he said, but failing to get the use of this building, the next best location would be on Mamaroneck Avenue.

"We are not depending on any one location," Mr. Quick added. "I intend to investigate the possibilities of a Mamaroneck Avenue site which, without looking at it, seems entirely possible and even desirable. I hope that as many members of this group who can conveniently do so will go with me tomorrow."

Assurances of support in the form of equipment and money, if needed, continue to pour in, Mr. Quick said this morning. "Expected assistance from a source we had not previously thought of" has been offered, he said, and this support, if details can be worked out, would ease the job of the entire Canteen Committee immeasurably.

The mass meeting should be held within the next two to three weeks, Mr. Quick said, and full details will be made available both as to time and place in the near future.

Others who attended the meeting were William Macdonald, Judge Charles M. Baxter, Jr., William Thrasher, Arthur Dunn, Jr., Joseph C. McLean and Dr. Alvin W. Hines.

Mrs. Sellorf Wins Rank In Blue Brigade

The first member of the Blue Star Brigade to receive her rank and an officer's rank was announced this morning by Mrs. Mary Ingraham in charge of the Brigades.

She is Mrs. Paul Sellorf of Shore Acres who was advanced to first lieutenant.

The Blue Star Brigade is a group of volunteer Treasury representatives who, upon enrolling, agree to sell bonds to as many different individuals as possible during the 6th War Loan drive.

The sale of bonds to 10 individuals earns the rank of second lieutenant, 25 that of first lieutenant and 50 on up the officer scale until the sale of bonds to 100 individuals.

In addition to individual volunteers, Ingraham said, the Rotary and Kiwanis Clubs in the Village have enrolled their entire memberships.

"I wish that all Brigadiers who have made sales would get in touch with me at the Volunteer Office, Mamaroneck 1089," Mrs. Ingraham said, "so that I may bring my records up to date and award Blue Star emblems to those who have earned them."

Buy Bonds First

REPORTS from the War Finance Committee of Westchester, based on figures supplied by the Federal Reserve Bank for this district, show that Westchester lies behind both the State of New York and New York City in the percentages of sales of Sixth War Loan Bonds against allotted quotas.

Why? The committee's executives say their study of the situation shows the principal cause is that people are buying Christmas gifts instead of War Bonds.

Well, we have no quarrel with the spirit of Christmas giving. But shouldn't the War Bonds come first? What about our soldiers in Germany? Of course, they will appreciate the Christmas hoes which they are receiving. But what good are gifts if they are to find themselves deprived through our homespun selfishness of shells and guns and tanks?

It is a high time, we believe, that we face the hard, cold fact, that unless we change our homespun complacency and our erroneous idea that the war in Europe is about over, no war is over so long as soldiers are dying—and they are being killed at a faster rate now than at any preceding period since Pearl Harbor.

Let us shake ourselves free from this dangerous smugness, this comfortable cushion of complacency. Let us face the bitter facts that lie in the casualty lists.

Don't buy that Christmas gift until you have bought something far more precious and far more vital to all your loved ones—a War Bond!

Sports Note

IT SHOULD be significant, it slightly puzzling to the uninitiated, that the unusual football picture as presented in 1944 brings together in the Rose Bowl at Pasadena on New Year's Day—a classic usually considered the contest for the national championship—two teams which are, in the opinion of experienced sports writers, only the sixth and the tenth best, respectively, in the nation.

Similarly, in the Sugar Bowl at New Orleans, which in recent years has grown in prestige at the expense of the California sports pageant, the contestants are ranked as 11th and 16th, while in the Orange Bowl at Miami the opposing teams enjoy rankings of 15th and 23rd.

Perhaps it is just as well that Dame Fortune has so arranged schedules that the national championship will not be decided at Baltimore on Saturday between teams representing the greatest All-American forces of all time. (Admirers of Ohio State and Randolph Field need not take the trouble to write letters of protest.)

So, the various bowl games next New Year's Day may be considered only as dessert and demijohn on a sports menu where the main course already has been enjoyed.

Col. Joe Bush Says

Today's weather ain't fit for either man nor beast—in fact, we'll go down the scale and say it ain't fit for even a New Dealer.

Looks like every time we publish a obituary notice savin' the deceased has gone to a happier home, the widows sue for libel.

Lost, strayed or stolen: One Westchester countryman, last seen heading for Glenbrook, Ohio. Dame Fortune leads it he may return via Baltimore, Md., or about next Saturday afternoon, Eastern Time.

The best way to sell War Bonds is to ask everybody who'll pledge that they'll buy a \$10 bond to send up—and then, right quick, give the hand play the Star Spangled Banner.

Sherrif Eddie Cane is havin' his office in the Courthouse sound-proofed. It's bel'ieve done so he can hear hissing think!

Our prediction is that a lot of towns around the County will have lower tax rates for 1945. It's next year you see, that the supervisors have to run again. That's what is known as cause and effect.

Uncle Charlie Millard of Tarrytown, Westchester's favorite ex-surrogate, will have a birthday tomorrow. We won't say which one it is, but we hope the next 71 years of his life will be just as happy!

MORE FACTS NECESSARY
I am recently discharged from a merchant seaman's hospital. While a patient there, I was having a very interesting time, not only family and serving overseas in the Armed Forces, under our flag, I have been to me. I have been to me. I have been to me.

My injury is a permanent one and I may have to return to the hospital. However, I am allowed to do light work. My question is, if I do go to work will this allotment be stopped? I realize this may take time; also, I want to know whether I shall have to notify them when I do start work.

As you know, a Class B allotment is for a person dependent on a serviceman for a substantial portion of his support. When you go to work will you still be that situation?

A change of status is supposed to be reported on WD AGO Form No. 641, obtainable from the nearest Army recruiting station, the commanding officer of the nearest Army post or the Red Cross, the Office of Dependency Benefits, Newark, N. J.

If you are assuming your brother is in the Army, so we think the best thing you do to do is to take your case to the Army Personnel Affairs, 160 Broadway, New York City. We have very good knowledge how much money you are getting, and you can say you are going to make it up to you.

News Behind The News

By Paul Mallon

BE THANKFUL!—This is the Pilgrim's Thanksgiving Day, (last Thursday in the month) clung to by a few states.

The one we had last week was a Roosevelt hangover, Thanksgiving Day, celebrated by most.

President moved the celebration ahead a week in 1939, 40 and at the suggestion of retail merchants who thought they should provide another week of shopping time before Christmas and three years ago Congress thought it settled the argument by designating the fourth Thursday of the month, which is usually the last but this year was not.

A considerable number of people have been saying Mr. Roosevelt cancelled the religious significance of a great day for a minor consumer and whose bankers and three years ago Congress thought it settled the argument by designating the fourth Thursday of the month, which is usually the last but this year was not.

Kindergartners' Parents Attend Indian Program

The completion of an Indian project was the occasion when the children of the afternoon kindergarten classes of the Chatsworth Avenue School and their teachers, Miss Grace Castello and Mrs. Anne R. H. Johnson, invited parents to visit a school session Wednesday afternoon and witness the results of their study.

These parents were the only ones denied an opportunity to visit class rooms on Election Day, because of the half holiday observed this year.

The kindergarten room was decorated with Indian objects loaned by Holly Pedotti, Lois Ann Pope, Beth Polansky, Betty Masterson, Mrs. Douglas Lyan and Air Cadet Whitney Washburn, as well as with samples of Indian craft made by the children.

The children gave their version of a Hopi Indian dance, with paper bag masks and coral box drums, and sang several Indian songs. The program ended with a film on Navajo Indian children, provided through the Visual Education Committee of the Parent-Teacher Association, under the chairmanship of Mrs. P. H. Swinatt.

Hebrew Institute To Mark Chanukah With Four Events

Chanukah, the feast of lights which takes place between Dec. 10 and 15, will be celebrated at four main events at the Mamaroneck Hebrew Institute.

Musical programs in Chanukah tradition will be given by the choir for the ladies and the children's services, Dec. 1 and 15, at which Rabbi Irving Koslow will officiate.

Sunday evening, Dec. 10, the Men's Group and the Sisterhood will entertain after the Chanukah services with games and refreshments. Refreshments will be served at the Mount Eden Jewish Center which will be the featured speaker.

The Chanukah Tree will be presented Sunday afternoon, Dec. 17, at 2:15, by boys and girls of the senior classes for the religious school. Class B will receive presents and the Primary Group will light the candles.

Chanukah continues the tradition of the Temple by the victorious Maccabees in their struggle against the religious Antiochus, who with the aid of Jews apostates, had attempted to suppress the religion of the Jews. Every evening during the festival, lights are kindled in commemoration of the event.

Mrs. Richtmyer, Jr. To Speak Tuesday On Music Therapy

A talk and demonstration of "Music Therapy" will highlight the next meeting of the Westchester Chapter of the Connecticut College Alumnae Association, to be held Tuesday evening, Dec. 5, at the home of Mrs. Robert Garlock, 6 East Drive, Larchmont. Dessert and coffee will be served at 7:45 P. M.

Mrs. Arthur R. Richtmyer, Jr., the speaker of the evening, is a member of the faculty of the National Foundation of Music Therapy in New York City, with which organization she has been associated for eight years. This last summer, Mrs. Richtmyer, Jr. went to Texas by the Foundation to instruct Musical Therapy in the Army hospitals there, and is chairman of music in hospitals for Westchester.

At the meeting, which will also be an informal review for the classes from 1930 through 1939, the recipients of the Westchester Scholarship will be announced. Plans will be discussed for the scholarship here. It bridges to be given in different communities after the holiday season.

Mrs. David R. Donk and Miss Eleanor Chamberlain will act as hostesses.

Teacher Writes On Problems Of School Librarian

How the librarian solves the problem of providing adequate answers for pupils was told by Mrs. Flora Hege Bewick, English teacher and sponsor of the Chatsworth Avenue School library, in the November issue of "The Clearing House," Journal for modern schools.

She also quoted from four book reviews written by her students, JoAnn Fort, Richard Williams, Kathryn Carmel and Jerry Hartman.

"What is this book about?" "Do you think I would like this story?" and "What does the story take place?" were some of the questions Mrs. Bewick was called upon to answer, she wrote.

Her article describes the library staff meeting where she decided to add to index and catalogue sheet books and paste them into the books. The next day she had the reviews should be concise, advertise the book and the main aspects of the style. Mrs. Bewick stated:

"Make sure your gift gets there on time. Send below Dec. 4,

Speaker Asks For Change In Treatment Of Minorities

That the white race is a minority in a rapidly contracting world was brought out yesterday by Dr. Gene Wolfish, Columbia anthropologist and co-author of "Races of Mankind," who spoke at a regional tea of Women's American ORT at the Commodore Hotel, New York.

The tea, attended by 70 members from Westchester, climaxed an intensive membership drive, an expansion in the program of training refugees.

In his talk on the "Race of Mankind," Dr. Wolfish pointed out that "a revolutionary change in our thinking with relation to minorities and majorities, must take place if we are to attain real world democracy."

While the world minorities, small numbers, he said, his connotation suggests a group of people regarded as inferior. "The 40 million of India are not a minority in relation to the 40 million of England," he declared.

"Neither are the women of the world, who constitute more than half of the population, a numerical minority to the men. As the world's darkest slanted people of the world today constitute a majority, while the white race is a minority in a rapidly contracting world."

"Our minds must accept the idea," the speaker continued, "that people form groups according to their common interests, whether they be button manufacturers, yachtmen, Boy Scouts, or artists. People must feel free to form groups on a basis of common interests and without prejudice."

"On the other hand, those groups which exist or are formed

The prospective bridegroom was graduated from Bellows High School and associated with the Department of Public Works of the Village of Mamaroneck prior to his entry into the Army in 1942. He served in Panama for a year and received an honorable discharge. He was recently discharged from the enlisted reserve.

Miss Lorna London Opens Larchmont Studio Of Ballet

Child dancer at the age of five, professional at 16 and solo ballerina with George Balanchine's American Ballet, Miss Lorna London is now teaching ballet at her own Larchmont studio at 2 East Avenue.

Miss London made her first public appearance in Saybrook, N. Y., and soon afterward joined George Balanchine's Company touring the Western Hemisphere from Canada to Buenos Aires, Argentina, including many points on a coast-to-coast trip in the United States.

High mark of the trip, Miss London relates, was a flight from Rio de Janeiro over the Andes Mountains four years ago.

The United States Treasury Department was represented by William S. Gallner, who acted as analyst and lecturer, who urged unlimited support of the Sixth War Loan drive. "Patriotism," said Mr. Gallner, "is not a matter of geography. It is people. The protagonists of the old line exclusive patriotism are only interrupt the progress of history; they cannot stop it."

"No longer is patriotism an exclusively nationalistic idea. It has become a mutually inclusive concept in which loyalty to one's country is measured by the extent of co-loyalty to common war aims and peace alone."

Mrs. Ludwig Kaplan, president of the Metropolitan Region, introduced Mrs. Maurice Finkelshtam, national president of Women's American ORT, who greeted the 400 guests, 550 of whom were new members. Mrs. Edward H. Cohen, publicity chairman for Westchester Women's ORT, conducted the campaign for the regional tea.

Library Reports \$7,625 In Sales For Bond Drive

A total of \$7,625 in War Bonds and Stamps has been sold by the Mamaroneck Free Library since the beginning of the Sixth War Loan drive. It was reported today by Miss Eleanor Mervow, chief librarian.

The library is competing with others in its population class throughout the state for two prizes: a \$10,000 water color illustration from Virginia Lee Burton's "The Little House," and a letter from Somerset Maugham to Carl Van Doren. The prizes will be awarded to the library credited with the greatest number of bond purchases.

The committee, headed by Mrs. Russell Niles, member of the board of trustees, has contacted the Board of the Free Library Association, urging them to buy books at the library.

To date, the library has purchased \$6,000 in bonds through the Van American fund. One \$100 bond, one \$25 bond and also eleven \$5 bonds were also sold.

The prospective bridegroom was graduated from Bellows High School and associated with the Department of Public Works of the Village of Mamaroneck prior to his entry into the Army in 1942. He served in Panama for a year and received an honorable discharge. He was recently discharged from the enlisted reserve.

Pi Beta Phi Club To Attend Meeting At Mrs. Bonnet's

The quarterly meeting of the Westchester Pi Beta Phi Alumnae Club will precede a tea tomorrow at the home of Mrs. Edwin S. Bonnet, 37 Sturgis Road, Bronxville.

Clothes, suitable for sale at the White Plains Thrift Shop, will be brought by members. Proceeds will be used to provide physiotherapy scholarships for graduate nurses. Mrs. John Stahr of Larchmont, in charge of the collection for this district, requests that the members bring with them as many articles as possible.

'Jungle Cavalcade' Slated Saturday 'For Children Only'

Frank Buck's "Jungle Cavalcade" will be the feature Saturday at the Larchmont Playhouse. "For children only" is the motto. The film is composed of the best animal pictures of Buck's wide "pure Buck and a mile wide" movies, the council stated, and sound effects are realistic, the adventure absorbing.

The one show will begin promptly at 4:30 P. M. Children have not purchased a block of tickets will purchase admission at the door. They are requested to come early.

GREENS RETURN

Mr. and Mrs. Stanley R. Greene have returned to their home at 30 West Avenue, Larchmont, after spending several days in Washington, D. C.

Mr. and Mrs. J. R. Byrre of 16 Gerlach Place, Larchmont, returned to a "roast pig" party Tuesday night, following Mr. Byrre's return from a hunting trip in the Catskills.

Guests included Mr. and Mrs. Harold Branch, Mrs. George Ballanchine's Company, Mrs. Paul Jones and Miss Patty Brown. Mr. Byrre, a radio performer in New York, is accompanied by his wife, Mrs. Margaret Byrre, and his daughter, Miss Byrre, who spent the Thanksgiving holidays with Mrs. Garlock's parents.

Mothers Discuss Lunch Facilities At Chatsworth Ave.

The wartime problem of children's lunches at school was discussed Tuesday afternoon, when mothers of first grade children met with Dr. Helen Long, principal of the Chatsworth Avenue School; Mrs. Rudolph Welch, president of the Parent-Teacher Association; Mrs. Garlock, former president of P. T. A.; and Mrs. E. E. Dettner, co-chairman of the newly organized first grade lunchroom.

With the weather, it was decided to change the arrangements for caring for the smaller children during the lunch hour, some to stay in their own classrooms, others to join the second and third grades, after lunch, under the supervision of Miss Lucia Grant, director of physical education.

Following the meeting, the mothers were discussing and plans for developing the room were outlined.

V. F. W. Auxiliary Changes Date For Visit To Veterans

Due to transportation problems, the V. F. W. Auxiliary, 1116 Veterans of Foreign Wars, will visit the Veterans Hospital at Castle Point, N. Y., on Sunday, Dec. 10, instead of Sunday, Dec. 3.

This was announced last night at a meeting at post headquarters on the Boston Post Road. Mrs. Augusta H. Lambertson, president, presided. The committee interested in making the Castle Point trip contact her or Mrs. George Rollins for additional information.

Gift packages for these veterans and for men and women in the service were wrapped last night for final shipment.

The next meeting, Monday, Dec. 11, scheduled for 8 P. M. instead of 8:30, will feature a Christmas party. Each member is asked to take a small gift for the job bag.

Larchmont Youth Council Plans Mass Meeting Monday

Plans for a general mass meeting at Mamaroneck High School Monday at 3 P. M., were completed last night at a meeting of the executive committee of the Larchmont Youth Council, at the home of Mrs. John E. Woodruff on Rockingstone Avenue, Larchmont.

The Council's purpose, as stated in the preamble to a constitution tentatively drawn up last night, is to "organize and control youth center in the Village of Larchmont, and to encourage youth to participate in clean fun and entertainment." By laws and house rules were also tentatively made, as plans are pending completion of occupancy of a centrally located meeting place in Larchmont.

Invitations to attend the meeting have been sent to representatives of neighboring schools, including Ina, Ursuline, and St. Augustine's.

Present last night were J. Dettner, president, who conducted the meeting; Betty Rigel, treasurer; Ann Woodruff, correspondent;

Hospital Benefit Dec. 9 To Feature Fred Waring Band

Fred Waring and 60 of his musical group will be this year's presentation at the New Rochelle League for Service for the benefit of the New Rochelle Hospital. The concert will be given Saturday evening, Dec. 9, at New Rochelle High School. Bill Rivers of Larchmont is Waring's announcer.

Waring will bring to New Rochelle High School his full contingent of The Pennsylvania's, including the famous Glee Club, supporting their featured singers Doreen Tise, ballad specialist, and Jane Wilson, soprano soloist. The male soloists will be Jimmy Anthony and Gordon Goodman, Honey and the Bees and Poley McClintock, the Waring drummer, will also be present.

Mrs. William T. Maddox, Jr., is general chairman, with Mrs. Hugh Kilmer honorary chairman. Mrs. Robert C. Colwell, president, is also chairman.

Tickets are on sale at the Palace Shoe Store, Main Street, New Rochelle, with Mrs. Ralph O. Slesker in charge.

A supper dance will follow the concert at Wyckoff Country Club, with Mrs. Richard Marvin as chairman.

Wethermers Become Parents Of 3rd Child

Mr. and Mrs. Philip M. Wethermer of 58 Chatsworth Avenue, Larchmont, have announced the birth of their third child, a son, Eric Dessau Wethermer, Nov. 18 at the New Rochelle Hospital in New York. Mrs. Wethermer is the former Jeanne Dessau, daughter of Mr. and Mrs. Harold Dessau of 3 Roosevelt Avenue, Larchmont. Eric is the brother of Susan, six and a half, and Alan, age two.

Six is Uncle Sam's lucky number. And you can help make it so by buying that bond in the Sixth War Loan drive.

Ladies Guild To Sell Bonds At Playhouse

Members of the Ladies' Guild of Holy Trinity Church have volunteered to sell War Bonds and Stamps each Thursday at the Playhouse during the Sixth War Loan drive. It was announced Tuesday by Mrs. George H. Crawford, president.

Entire County Lagging Behind In Sale Of Sixth Loan Bonds

WHITE PLAINS — Sales of Sixth War Loan Bonds in the individual and "E" bond quotas are lagging badly throughout Westchester as a whole, with comparative bright spots in only a few communities, according to a survey made today at war finance committees girded themselves for the latter half of the campaign. The drive began officially on Monday, Nov. 20 and is to continue through Saturday, Dec. 16, so that it is now near the half-way mark.

No announcements have been made yet by the Federal Reserve Bank for the district of the sales to banks and corporations.

The overall County quota in the Sixth War Loan is \$38,000,000, of

which the "E" bond quota is \$9,800,000 and the individual sales quota is \$28,000,000.

The latest countywide reports from the Federal Reserve Bank, announced Edward Hansen, deputy director of the County War Finance Committee, show total sales throughout Westchester as of Monday, Nov. 27, of \$1,459,000 of the "E" bonds, representing 14.9 per cent of the quota, and \$9,948,000 of the individual purchases, or 35.5 per cent.

Behind City, State

By comparison the New York State sales as of the same date show 19.1 per cent of "E" bond quota met and 24.1 per cent of individual purchases. Westchester quota reached. In New York City the sales show 22 per cent on "E" bonds quota and 29.4 per cent on individual purchases. Westchester is behind both State and New York City by substantially lower percentages, the Federal Reserve Bank statement shows.

Official calculations conducted throughout the county in the larger communities show the following situation on the bond sales:

White Plains has sold approximately \$2,500,000, or around one-third of its quota.

Mount Vernon has sold \$701,930 bonds on the latter count representing 12 per cent of its \$6,000,000 quota.

Yonkers sales for the first week amounted to \$2,879,850, against a quota of \$12,600,000.

New Rochelle reported that cooperative sales amount to \$3,689,100 against a quota of \$2,000,000, but individual purchases are only \$830,650 against a quota of \$2,500,000. The total New Rochelle sales are \$4,519,750 against a combined quota of \$5,000,000, a brighter picture than in other large points of the County.

Ossining's sales are \$1,743,943 or about 16 per cent of a \$9,000,000 quota.

In the Tarrytown and Pocantico Hills sales of "E" bonds total \$642,151, representing 53 per cent of a \$1,200,000 quota.

Prockmill reports "E" bond sales of \$132,425 against a quota in that category of \$300,000.

Crane Lake has been advanced by War Finance Committee executives today as the greatest competitor in bond purchases. And these were other reports, unofficial, that many covared honors are cashing them in faster than they are buying new bonds in order to have cash on hand for the jubilee celebration.

These executives were today admittedly dependent on the poor showing of the County as a whole.

Dewey Got 56% Of GI Vote In County

Thomas E. Dewey carried the armed service vote in Westchester in the recent election, but by a smaller percentage than that given him by the civilian voters, according to the tabulation of the soldier absentee ballots made public today by the County Board of Elections.

The presidential vote in Westchester by those in the armed forces using the absentee ballots was: Dewey, 11,517; Roosevelt, 8,885, a majority for Dewey of 2,632, or 36 per cent of the soldier vote.

In the Town of Rye, the result of the soldier absentee balloting was 437 for Roosevelt against 424 for Dewey, instead of 450 for Roosevelt and 427 for the unsuccessful Republican candidate as shown in the earlier count.

The soldier vote in the City of Rye was Dewey, 290; Roosevelt, 139, and in the Town of Harrison official figures showed the result at 424 Dewey; Roosevelt, 182.

In the civilian voting, however, where the county was Dewey 50,118 and Roosevelt, 50,636, the Dewey percentage was nearly 63 per cent.

3 Votes For Tiebert
Of the Roosevelt vote for President by those in armed service from the County, 8,611 was on the Democratic row, 308 on the A. A. N. Labor Party line, and 35 on the Liberal ballot. Tiebert, candidate of the Industrial Government Party, got three votes, and Thomas, Socialist, 33.

Soldier votes from mother points in the County: Yonkers, Dewey, 2,542; Roosevelt, 2,561; White Plains, Dewey, 698; Roosevelt, 694; Freeville, Dewey, 209; Roosevelt, 209; City of Rye, Dewey, Roosevelt, 139; New Rochelle, Dewey, 1,118; Roosevelt, 1,008; Mount Vernon, Dewey, 1,215; Roosevelt, 1,215; Scarsdale, Dewey, 403; Roosevelt, 131.

Bleakley Wouldn't Take GOP Post
WHITE PLAINS—In answer to a question, former Supreme Court Justice William F. Bleakley said today he would not accept chairmanship of the Republican State Committee if the post should be proffered.

Because he was the Republican candidate for Governor before Dewey, Mr. Bleakley's name has been suggested as a successor to Edwin Jaescke, who resigned the State chairmanship.

Mr. Bleakley said the position was not open to him and he would not accept it.

The State committee will not be called to pick a chairman until after the return of Governor Dewey from Georgia. Outgoing Assemblywoman Jane Todd of Tarrytown, Vice Chairman of the State Committee, is acting as chairman.

plained the effect of the Board's announcement that upon request it will re-allocate the amount of old-age and survivors insurance benefits available to one-eyed workers to include credit for wages received since the benefits were claimed.

"This action," Miss Weintroub said, "is intended to take into account the fact that many workers at the age of 65, who have received and drawn benefits, have gone back to work since the country started its preparation for war. Originally, these workers, by filing a claim, set their benefits so that they could not be moved up or down. But they returned to work unexpectedly, and generally have received higher wages than before. The Board has therefore announced that, in order to meet the intent of the law, their benefits may be re-computed in order to credit towards monthly retirement benefits the wages they received after they had once filed a claim."

Miss Weintroub believed that a substantial number of workers, 65 or older, who have received some benefits under social security and have had their payments suspended due to their return to work, will benefit from the Board's decision in the Westchester area.

To prevent confusion or misunderstanding, Miss Weintroub issued the following cautions:

(1) Increased benefits will be available only to workers 65 or older, who have received some benefits under social security and have had their payments suspended due to their return to work, will benefit from the Board's decision in the Westchester area.

(2) Benefits will be re-allocated upon request of beneficiary.

(3) The announcement does not mean that any person may receive benefits while working in jobs covered by the law. This law provides that benefits may be suspended for any month in which the beneficiary makes more than \$14.00 on a covered job.

(4) There is no need for anybody who has been working in covered employment after he filed a claim to ask for a re-computation of his benefits as long as his pay stays as high as his average monthly wage between Jan. 1, 1937, and the date he filed his claim. On the other hand, if his pay starts going down—as a result of illness, reduced hours, loss of his job or for any other reason—the worker who is 65 or older should consult the nearest office of the Social Security Board at once.

The New Rochelle office is located at 200 North Avenue, corner of Main Street.

In time, Miss Weintroub pointed out, the new ruling will prove beneficial to many workers who attain age 65 and face the possibility that reduced pay, no matter

What the cause may result in reduced benefits. In the past, she said, some of these workers have "freed" their benefits by filing a claim, even though they intended to keep on working. That protected them against any drop in the benefit, but it also prevented any increase. The net effect is that a worker, upon reaching 65, may "pay" his benefit so that it will not be reduced but can be increased on the basis of his future work record.

CARRY RECORDS WASHINGTON (AP)—Discharged veterans now carry a record of their service training on their separation papers. This is being done to give potential employers a better idea of the man's abilities, War Manpower Commissioner Paul V. McNutt said today.

News Around Camp Fire

The Larchmont Camp Fire Girls are planning to make joint Christmas gifts to the boys at Bunslander Cottage, Children's Village, Waditaka, under the direction of Mrs. John R. Chey, met at the home of Nancy Johnson on Mohagen Drive to cut out and sew the big red stockings. The Luta Camp Fire met with their guardian, Mrs. Henry Hotchkiss, make the stuffing for some cloth animals. Other groups will make sandy and contribute small gifts for the stockings, which will be filled by Honorary Club members.

Three girls of the Luta group are working for Tombarth craftsmen: Ethel Ginsberg and Marion James in music; Barbara Todd in literature. The Kunkun, Eshawee and Tahla groups are working toward the rank of Woodgatherer and Firemaker. At their last meeting the Tahla group made 300 disposal bags for the New Rochelle Hospital.

The Matigashskoye Camp Fire has cut and mounted paper dolls for gifts to children in hospital, and is making Christmas gifts for parents. The girls met with their guardian, Mrs. L. W. Felds Land, at the homes of Beth Poland and June Lang. The Sunshine and Firefly Bluebird groups have been making Thanksgiving and Christmas favors. The Busy Bees, under Mrs. Daniel Kerrel are making gifts for their mothers. They have collected Anne Drexler as treasurer and Gail Finkler has been given charge of the group scrapbook. In this book they will keep all their group records, clippings, etc.
