nds With Dinner
Pennsylvania

Golden Anniversary dinner in Joseph C. McLean, Mamaroneck high school principal and editor of the New York State Association of Secondary School Principals among those at the table, concluded last night at a three-day convention of the Y. State Congress of Parents and Teachers at the Hotel Pennsylvania.

Improvement of public education, health, world understanding and parent and family life featured yesterday's sessions which included a youth panel led by Dr. Gordon of The New York State, election of officers, an address on "Faith in the Future" by Howard C. Schartz of Pittsfield and one on "The You In Education" by Dr. Kenneth McLean of Opeka, Kans.

Robert B. Rowe, York, Pa., was elected president for a year-term. Other officers elected were Mrs. Phyllis DeWitt, second vice president; Mrs. Charles M. Eddy of Trenton, third vice president; and Henry H. Abbott of Yonkers, secretary.

Feature of the anniversary dinner, attended by 600 persons, with a P.T.A. personnel present, was the first award of the Joseph C. McLean Scholarship of \$1,500 each to 10 girls including a Westchester student, Miss Grace Bruckheimer, daughter of Mrs. L. W. White, national president, who will receive a \$1,500 scholarship to attend a "big business" school in England, who stressed the importance of skills and personality, application of the Golden Rule to the human elements in education and personal growth, and to the three R's, as a means of understanding life.

The young people participating in the youth panel noted that their fathers had been working for peace, a spoke in wheel-hearted favor of an enlarged student program and a basic program of liberal education. Dr. Schartz said a rebuilding of personal and spiritual values in the face of the new world is one goal.

Kiwanis Raps Leos In Frat League; Pioneers Cop Trio From Jewels

Odd Fellows Top Rotarians As Legion Triumphs By 3-0

They broke no records last night in the Mamaroneck Frat League but six teams had plenty of competition and a seventh just rolled off a forfeit.

Those perennial rivals, the Lions and Leos teams collided again and the Kiwanians won again, blanking an undermanned team of Leos.

The Odd Fellows managed to split two matches with the first team winning, Ronny by 2-1 while the B outfit lost to the Legion by a like score.

The luckiest team was the Mamaroneck outfit which had no competition as the Mamaroneck Lodge didn't produce a quorum. So the match went to the Mamaroneck by a 3-0 score.

Richie Tiltz of the Mamaroneck, a 500, garnered high series while Bob Tschamund of the Odd Fellows had a 201. Neither of the leaders managed to match the

Officers Elected By Acres Ladies

The Larchmont Acres Ladies League got together last night for two reasons: to get some practice and to elect officers. The practice was for the purpose of determining averages for handicaps in the four-team circuit which gets under way next Wednesday, and the ladies were extremely cozy about releasing the scores.

The elections resulted in the choice of Mrs. June Gossard as president of the circuit with Mrs. Betty Shields handling the secretary's job and Mrs. Pat Oullette the treasurer.

Notre Dame's Opener Heads Stellar Weekend Grid Card

BY HAROLD CLAASSEN
AD Staff

NEW YORK (AP)—Notre Dame, awarded the 1947 college football crown a month ago in all state except Michigan and North Carolina, plays its first game Saturday to highlight a gridiron card that will compete with the world series for interest.

The Irish, manned by veteran stars at virtually every post, open against Pittsburgh, a team that held Illinois weekless for three quarters last year before losing by a 14 to 0 count. The stubbornness of the Panthers in their fray with the defending Big Nine titleholder was one of the features of last Saturday's schedule.

Michigan and North Carolina will try to strengthen their claims to the mythical national title in a pair of intercollegiate games with the Wolverines, who bumped Michigan State, 25 to 0, in their first year—tangling with Stanford, 28 to 16 upset victim of Dixie Howell's Idaho Vandals.

North Carolina, which knocked Georgia, 14 to 7, visits Texas in a fray that should raise temperatures in both Austin and Chapel Hill. The Longhorns, performing out of the T this year, favored Oregon last weekend and defeated the coast eleven, 38 to 13.

The new West Coast Rice Nine also goes on display at Evanston, Ill., where Northwestern, 3 to 0 victim of Vanderbilt in its opener, takes on UCLA, defending coast champion and already a 22 to 7 victor over Illinois.

The South also offers an attraction. Navy, polished off by California, 14 to 7, is host to a Columbia team that scored four touchdowns and then sat back and watched Rutgers get four before winning, 40 to 28. Other eastern attractions are Brown at Princeton, Lafayette at Pennsylvania, Cornell at Yale and Bucknell at Penn State.

12 Teams Open Competition In Bowl-Ette Alley Circuit

The Bowl-ettes got under way last night at Larchmont Bowl as twelve feminine teams began their seasons assault on the maples in the most ambitious ladies alley league on local drives.

When the clatter of falling pins had ceased the Pioneers were on top of the circuit, the only team to take three games in the initial matches. They licked the Jewels and also turned up with the night's top keeper as Mrs. Maxton rolled a 211 in her final game and finished the evening with a 521 series.

Other matches were closer with Stephen's Quartet coping high team single game with a 514. The Peter Pan's were licked by 2-1 in that squabble.

A Pick's Pair took the tightest match of them all, trouncing the Curlews by just one pin in the first game. Mrs. C. J. Gossard, the night's top keeper, was the only one to roll over 200 in the initial match and the ladies had only one complaint and that was that the express company. The league will be fully unrolled with every legereite attired in a black skirt, white blouse and red kerchief. The uniforms, however, will be worn in the initial match and the ladies were disappointed—but plenty, they hope that they'll be wearing their sponsor's name on the back of the blouse next week, if and when the full uniform arrives.

Mrs. Tada Keresey is president of the new circuit for Mrs. L. J. Radcliffe, vice-president, Mrs. Jean Strassler, secretary, Mrs. Jane Falgout, treasurer, and Mrs. Tully Finger, sergeant at arms.

Freedom Tableaux With Music Given By Jr. High Pupils

The development of American freedom and liberty from Anglo-Saxon to the present was dramatized yesterday at an assembly program at Mamaroneck Junior High School, in a series of four tableaux, by a group of English and Social Studies students.

Choral singing and background music accompanied the narrative, entitled "All Aboard the Freedom Train" by Ethel Duncan. A girl voice part was directed by Miss Evelyn Walls, with Douglas Tucker at the drums.

Speaking parts were under the direction of Herbert Morgenroth, and tableaux were staged by Miss Edna Stephens. The stage crew included Kenneth Stanton, Marvelli Crompton, Elizabeth Hill, Amy McVilly, June Purcell and Patricia Rogers.

Students appearing in the tableaux were Donald Woodward, Dick Stefano, Bill Wilson, Margaret, Tony O'Callaghan, David Sully, Fred Williams, Dick Meadows, Alan Welty, John Peatman, Adair Warren, Judy Stahr, Patricia Rogers, Douglas Tucker, Keane, Norma Yankey, Judy Waterman, Fletcher Rogers and Charles Henington.

The girls' vocal group included DeDe De Vito, Gloria Bruno, Carol Anzuso, Virginia Nevelson and Sheryl Penn. Members of the chorus included Charles Gearing, Donald Volmer, Peter Last, Patricia Hughes, Martin Offenberger, Barton, Maria Hill, Albert Midler, Elizabeth Berger, Eleanor Kneif, Ward McReiff, Elizabeth Connor, Tommy Morrison, Suzanne Williams and Bob Lyons.

Mr. and Mrs. L. J. Ince To Ind. In Mrs. Lory

Mr. and Mrs. H. L. Lory, Jr. of the Brompton Apartments, announced the arrival of a daughter, Linda Joyce, born Sept. 28 at the New Rochelle Hospital. The couple also have a son, Bruce, 10 months old. Mrs. Ince is the former Joyce Christie, daughter of Mr. and Mrs. R. E. Christie of New Rochelle.

MacMannis-Blake Nuptials Held In Scarsdale Church

At a four-thirty o'clock ceremony this afternoon at the Hitchcock Memorial Church, Scarsdale, Miss Sally Blake, daughter of Mr. and Mrs. Bertram Ivory Blake of Scarsdale, becomes the bride of Bertram Roberts MacMannis of Scarsdale, formerly of Larchmont, son of Mr. and Mrs. A. Robert MacMannis of 3 Stamford Place, Larchmont.

The Rev. Dr. George Hugh Smythe is performing the ceremony and a family reception follows at the home of the bride's parents.

Decorated by her father, the bride is wearing a pink crepe afternoon dress with a brown velvet hat trimmed with pink veil, brown accessories and a corsage of brown orchids.

Bridesmaids, are Mrs. Donald MacMannis of Larchmont, sister-in-law of the bridegroom, Miss Alyce Luckstone of Scarsdale, and Mrs. Donald S. Scott of New York City.

Her husband, an alumnus of Phillips Exeter Academy, was graduated with the class of 1939 from Dartmouth College, where he was a member of Sigma Alpha Epsilon and the Dragon Society.

Mr. MacMannis, who served three and one-half years with the Navy, stationed as a lieutenant aboard the U. S. S. Randolph, is associated with the Curtis Publishing Company in New York.

From their return from a motor trip through Nova Scotia, New Brunswick and Canada, the couple will reside at 100 Canada Road, Scarsdale.

Mr. MacMannis attended Rogers Hall and was graduated from Scarsdale High School.

Trouble
The Mamaroneck Stars have played two games under the lights at Mamaroneck High School Field and putting it mildly, the Stars haven't done too well financially according to unofficial reports. Crowds have been good but not good enough to cover the Stars "nut" which includes so many things not appreciated by the average fan.

Officials, uniforms, insurance, lights and visiting teams' expenses all have to be financed and in the piecemeal game that means more than a little bit of dough.

The Stars can cut down their expenses and perhaps attract a larger crowd if they play daylight ball on Sunday afternoons, that would take approximately twenty per cent off their cost for every game and attendance might be larger because even though it's only early fall the evenings are cold, too cool for many a fan.

Then there's also the possibility of playing out of town. A team of the calibre of the Stars won't lack fans but the team's management would rather provide local fans with gridiron entertainment than send the team to other towns.

It seems to be a matter which only grid enthusiasts can decide. If they want to see games they've got to turn out for them otherwise the best will win in the world won't provide Mamaroneck with a team.

SHU Growing
We hope that everybody who reads the sports page likes howling because there's plenty of it this year. It seemed we had the judgment last season with 12 leagues but so far 13 leagues are underway in the new campaign and more are in come.

The Bowl-Ette League (and how a reporter just worries that a name like that one will come out right in print) is the one new circuit organization that has that promise to come up with top light ladies legging and will certainly be the most handsome loop in town since all the girls are uniformed. We're told (and a poor male sports editor must take these things on trust) that they'll wear white blouses with sponsors names emblazoned on the back, dark skirts and red beret hats.

Other circuits about to get under way include the King and Queen League tomorrow night, the Lions Club circuit, the Larchmont Mixed Doubles and the Alley Owners League. By the time we get finished there should

Sportsmen Cop Two in Community Loop; Top Halters Win

Diners Tie For League Lead; Roberto Smacks 607 Series

The Mamaroneck Community League will start all over next week as for a third time the season is concerned. The trio, Spornes, Garagamen and Diners, are all limited up in a doublet for the league lead as a result of last night's matches with the Mamaroneck outift just a game back. The three leaders sport seven wins and two losses and the Mamaros, who have a fine chance to get into the league lead, have a six and three record.

The Garagamen were evenly riding about the circuit, before Charlie Spier and his left handed outift went to work last night. The soupnaws sort of disconcerted the Garagamen and rolled away with the first two games as Vito Roberto came through with a 230 in the initial string and added a 210 in the second to finish up the night with a 607 series, tops for all the leggers. The Garagamen outift managed to salvage the third game and avert a complete rout.

Led by Pete Jones, who had high 394 game in his second effort, the Diners handled the Mamaros a 2-1 setback and got themselves involved in the tie-up on the loop's top spot. Losing the first game, the Diner outift came back to take the next two and thoroughly defeated the Mamaros.

The Recs stayed within striking distance of the leaders as they triumphed in the Community Five by 3-0 while the Painters brushed off the Automotives by 4-0.

SEE NO HIT RECORD... AND THEN?—Two World Series records had been set by Floyd "Big" Deves, Yankee pitcher, before that simple last inning hit which gave the Dodgers the fourth game on their own Ebbets Field. For eight innings he pitched a no-hit game, but also he walked ten men. Score was three to one.

Championship Status Restored In W.I.A.A. Court Competition

Following up action taken late last spring to restore championship status to Westchester Inter-scholastic Athletic Association sports, the W.I.A.A., through Edward J. Storch, Mamaroneck, today announced that a basketball championship will be determined this year on a percentage basis.

Speaking for the executive committee of the W.I.A.A., Storch said that it was realized that a percentage system is not completely fair inasmuch as some of the 10 member teams play more games against league rivals than others. However, he said, schedules for this winter already are set before the percentage basis was the only one possible for use this year. The group felt it better to determine a championship on this basis than postpone title deciding for another year.

The schedule committee, under Chairman Frank McGovern of White Plains was authorized to set up a schedule for the 1947-48 season whereby the circuits 10 member teams will be split into five-team divisions. Each club will play two games with other members of its division, giving teams eight regular season league games.

At the end of the season, a system of playoffs between teams will determine the best entry in the two divisions will be staged. Exact details of the play-offs and alignment of members of the two divisions will be arranged by the schedule committee.

Tiger Harriers Rap Purple In Practice Meet

Mamaroneck High School's hill-and-dale team established itself as a leading contender for county laurels when it took over the New Rochelle harriers yesterday afternoon by a 21-34 score in a pre-season practice event.

The match between the Harriers and the Tigers won't go into any record books but Coach Ed Purist was more than a little pleased with the showing of his comparatively inexperienced squad.

Led by Dick Hiltrey, captain of the team, the Orange county outfit took seven of the first ten places and Hiltrey finished in 12:40, good time for an early season meet.

Geary Vio followed Hiltrey, crossing the line just behind the Mamaroneck captain and came Herdman of the New Rochelle outfit. Fred Moore, newcomer to the Mamaroneck squad, finished fourth with Rose of the Purple in the fifth slot.

The Tigers next team to take them to Tibbets Brook Park next Friday when they will engage Yonkers.

The first ten finishers included Hiltrey (41), Vio (31), Herdman (NR), Moore (NR), Rose (NR), Stegnowald (M), Greene (NR), Dolan (M), Robe (M), De Stefano and Rapp (M).

Franklins Nip Don's Quartet Stationers, Taverners Score

The Top Halters came along with three hits last night to put into a deadlock with the Franklins for the lead in the Larchmont Ladies League as they whipped Walter's Gals while the Franklins were dropping one to Don's Four.

The Franklins held their place at the league's top by taking the third game of their match after giving the first two and just about winning the initial string.

The match produced the top individual game of the night as Mrs. Betty Elmore of Don's Four pitched a 185 in her second effort. The only game taken by the defending champions.

High series were earned by Mrs. Claire Giannola of the Recs whose 511 triple wasn't enough to keep her Rec outift from straggling a 2-1 defeat at the hands of the Stationers.

Playing it close the Taverners managed to take a pair from the Myrtles in the fourth match. The Tavern outift won the first by three timers and the third by 30-20.

In between they suffered a non-pitch and five of those nine were handicap pit pins.

Unusual Pet Adds Interest To First Grade Classroom

The dictionary defines hamster (nothing to do with huckster) as a small rodent with formal name "cricetidae croticetus," and the first grader at the Murray Avenue School call their four-inch long pet hamster "Susie" and it has taken them very long to get why the word hamster is derived from one meaning harbor.

Susie, brought to school this year by Miss Kathryn Palmer, 13 class teacher, from her farm in northern New York State, a native of the Holy Land, has an amazing amount of food and nesting material in her cheek pouches, very much like those of a chipmunk. Her full pouches at bed time are quite a sight, and she hides from light to 18 baby hamsters in the same fashion, should anything frighten her.

The unusual schoolroom pet looks like a red squirrel without tail brought to the United States in 1939, hamsters are reported in numbers of 100 million and white mice in laboratory experiments and are being used increasingly in scientific experiments for psychological tests.

No finkety enter, Susie eats practically anything. Whole grains, cereals, fruits, vegetables, cooked corn, plain leaves, bread and milk are delicacies to her, and she is cooked in any form of luxury.

Members of class 1B have found their new pet a fine inspiration for learning to read and are even writing a book about it.

Humorist Slated For Family Night Of Woman's Club

William Stanley Sims, extemporaneous humorist, will be guest speaker Oct. 29 at the family night program of the Woman's Club of Mamaroneck, at 7:30 P. M. at the Orient Inn, Mamaroneck, where the program will also include a group of song selections by Mrs. George Meninger of Mamaroneck.

Mr. Sims, born in New York City in the late nineties, was educated in private schools, New York University and Europe, where he studied arts and higher mathematics. From his own experiences here and abroad, Mr. Sims will present a humorous discourse on manners and moths and will conclude with a discussion on the meaning of Americanism.

Mrs. S. Charles Hanna, program chairman, will introduce the guest artists, and Mrs. William Layton, flower chairman, will be in charge of flower arrangements. Reservations should be made by Oct. 22 with Mrs. O. Stanley Koehler, hospitality chairman.

Miss Bratstrom Becomes Fiancee Of Ross H. Kellan

Announcement has been made by Mr. and Mrs. C. A. Bratstrom of Elmhurst, Ill. formerly of 12 Vandenberg Avenue, Larchmont, of the engagement of their daughter, Dorcas Kathryn, to Ross Hartley Kellan, of Chicago, Ill.

Miss Bratstrom attended Washington University at St. Louis, where she was a member of Delta Delta Delta Sorority, and where she was a member of Delta Delta Delta Sorority. Her fiance, an Army Air Forces veteran of three years service as a pilot, attended Northwestern University in Evanston, Ill. where he was a member of Phi Kappa Phi, national honorary music fraternity. He is now associated with the National Broadcasting Station in Chicago.

The wedding will take place this fall.

Husband And Wife May Give Bridge And Just Look On

A young hostess writes that, "You have a belief, written that non-bridge-playing hostess may still give a bridge party for her bridge-playing friends. I wonder whether this also would be permissible if her husband and she gave a party together and neither played."

Although this is not usual because it might be too dull for the hostess and her husband, it will be willing to see the evening merely looking on, this is quite all right. In fact, it is done constantly when one plays and other does not. One situation which makes the giving of this type of party an excellent idea is when neither plays and it is eager to learn. They will be much wiser to sit and watch in order to learn much at possible rather than to attempt to play with others whose game far outstrains their own.

Decorations of Plates
Dear Mrs. Post: Never before have I owned service plates! I am planning to have a party and I would like to have some lovely ones. Do you place plates in any of your tables of service? I have heard of people who have expert service or could they be used in my house without making my normally nice maid?

Answer: Service plates are used on all formally set tables. It is not the pattern of the service plates that gives it this name, but the mere fact that each plate at table is set with it. If your first course is soup, this is put down on top of the plate. If your first course is a cold, you can eat it on the service plate. You even can have the service plate heated and eat a hot first course on it. In formal houses, the service plate always is exchanged for another, but in simpler houses it is sensible to put a useless plate on the table only to take it off again.

Orange And Black Eleven Buries Panthers Under 45-0 Avalanche

Petruzzo And Pete Abbate Each Tally Two Touchdowns In Easy Victory For Tigers

The Mamaroneck Tigers made it two in a row over Bellows Saturday when they swamped the East Enders by 45-0 on the Daniel Warren Field gridiron. Scoring in every quarter and racking up a tremendous 418 yards gained, the Tigers toyed with their lighter, less experienced East End team as Joe Petruzzo and Pete Abbate divided four touchdowns while Walt Fenger and Roy Biaggi each crossed the Blue and Black goal lines once.

Bellows garnered a total of only 113 yards on the ground as the Orange defense kept the home outfit far away from the goal line. Jack Fenger's boys never penetrated deeply into Mamaroneck territory and spent all the afternoon trying to defend their own goal line.

Penalties marked the game and the Tigers were on the wrong end of most of them. The Orange drew a total of 133 yards of penalties which went all the way from simple offside to clipping. The Bellows, on the other hand, were set back only once and that was for five yards.

Petruzzo Scores
The game wasn't two minutes old before the Tigers hit pay dirt. Bellows' kick off went out of bounds on the Mamaroneck 30 and Joe Petruzzo immediately went to town. He got five on the second and then the 31 Mamaroneck powerbacks, aided by some beautiful blocking, scampered 62 yards for the touchdown and the score was 6-0 before the fans had really got themselves settled.

The string of Mamaroneck penalties started immediately after the next kickoff which was taken by Lou Borzi on the goal line and run back to the ten. Five plays later 35 yards for holding, but the East Enders couldn't do anything with the gift yardage and lost seven yards on three plays. Feldt's kick was run back to the Panther 33 and in two plays the Tigers had a first down. Four plays later they were across the goal line with Petruzzo flipping the ball to Frank Pannessa for the touchdown. The play

Alley Owner's Loop To Open Competition

At least 14 and possibly 16 teams will begin competition Saturday night in the Westchester-Fairfield Alley Owner's bowling circuit, according to an announcement yesterday by Len Grozio of Larchmont Rec. pres.

New Rochelle will have four teams in the league as will Greenwich with Larchmont and the Lincoln Park alleys of Yonkers coming in with two teams apiece while Dobbs Ferry and Tarrytown are also certain entries. North Tarrytown and Port Chester are also entered.

Most of the squads will play on their home alleys for their initial matches, with New Rochelle Rec. two teams having the home advantage while the two squads from Rogers will roll with the two Greenwich Alley squads squabbling and the pair from Greenwich Rec. meeting both teams from Lincoln Park of Yonkers.

Tarrytown will travel to Dobbs Ferry for the season opener and the eighth match will pit North Tarrytown against Port Chester at Port Chester.

AS THE DOGGERS TOOK THE YANNS BY 8-6 to even the series at three games apiece, Ed Stanky is shown (above) scoring from second on Reese's single in the sixth inning. Bankhead, who also scored from third on the hit in the left foreground. Stanky is below is the catch that saved the game for the Dodgers as Al Gionfriddo raced to the 415-foot marker to make a one-handed catch of a drive by Joe DiMaggio. Two men wore on base at the time and ordinarily the drive would have been good for a minimum of three bases.

Peg's Pride Tops At Hutchinson Farms Horse Show
NEW ROCHELLE—Peg's Pride, 8-year-old veteran of area shows, easily headed the field yesterday in acquiring the jumper championship at conclusion of the one-day annual Hutchinson Farms Fall horse show here in accumulating 20 points for blues in four straight events, the big gray gelding doubled the total collected by the reserve winner, Mrs. T. F. Gussenjohn's Wolf.

Peggy Johnson of New Rochelle turned in an unusual riding performance, being up on Peg's Pride and the Wolf during the competition. In addition, Miss Johnson also rode her own Birch Bark to a blue in the lightweight working hunter class. For her work she earned the ASA medal and open horsemanship award.

Blues taken by Peg's Pride were in the open, amateur, professional horsemanship association event and touch-and-go. The champion failed to place in the final state which went to Barbara Wahl's Catch-A-Lot.

Pink Clover, chestnut gelding owned by Mrs. and Mrs. Donald Appleton and ridden by Mrs. Appleton, topped Hans Patcha's Stove Polish in the final state to break a deadlock and earn the working hunter championship.

Stars Desert Night Football; Slate Condors

The Mamaroneck Stars, disappointed because of the comparatively poor turnout for night football, have abandoned their effort to play the after-dark game and will meet the Yankees Condors next Sunday afternoon on the Mamaroneck High School gridiron.

The local gridder has been a plenty of fans out for the two evening affairs played to date but players weren't quite enough to cover the financial outlay required for night play so they've turned to Sunday afternoons for their games. Play will begin at 2:30 and if Mamaroneck football enthusiasts fail to turn out in sufficient numbers to cover the cost of the games the Stars will probably take to the road for the remainder of the season.

The aggregation boasts a better record for its first two games than last year's team which lost its first two games. This season's edition has split the initial encounters in the Mamaroneck area. The Catholic War Vets from Port Chester and dropping a 14-2 decision to the Mount Kisco Maroons.

They've driven the squad hard for Sunday's fray and expect to have Joe Pesce back in the lineup for the first time since an in-season hernia repair last fall. After cranking a couple of ribs in the Mount Kisco game.

A league will be formed including the local semi-pro team in Westchester. The Star booking manager, Al Teta, is planning to meet with the other managers looking forward to the formation of such a circuit.

French Champ Features Card On Center Mat

WHITE PLAINS—Wrestling at the County Center tonight has an international flavor with France's Miquet, champion of France, making his United States debut by encountering Frank Sexton, the midwestern ace who stands as kingpin of the mat game on these shores.

It is Sexton's initial showing at the Center this season as well as his rival's first appearance here. Sexton originally was scheduled to head the center grappling session last month but a death in his family prevented him from appearing. Promoter Jim Soughlin immediately signed the towering Ohlean for the first date was to be available. Sexton and Miquet will meet in a one-fall, 10-minute scrap.

Three bouts form the supporting cast for the program, starting at 8:45 P. M. in the 45-minute semi-final, Marvin Mercer, the newest Center mat favorite, meets Tiger Joe Marsh.

In half-hour duels, Johnny Melas, the Golden Greek, makes his initial center appearance of the season against Joe Kammoff and Leo Garibaldi, youngest of the celebrated Garibaldi wrestling clan, returns to encounter Ed Parakelet, St. Lawrence University.

Casey And Yankees Ending Wildest World Series Today

NEW YORK—It's Hugh Casey and nine other Dodger hurlers against Bill (One-Hit) Bevens of the Yankees today in the seventh game of the wildest World Series in many years.

What started out to be another steamroller job by the mighty New York Club has turned into a down-to-the-last-out tangle that has half the nation babbling incoherently about the characters named Lavagetto and Gionfriddo.

Down and apparently out after two agonizing innings, hounded with no hits for 8-23 innings in the fourth game, the Dodgers have stumbled up the road from 8 to 1 but still are only 2 to 5 by methods that are almost incredible.

No Dodger pitcher has been able to last as long as five innings while New York has three complete jobs in six games. But the won and lost totals show three each way for both clubs. Somehow or other, as National League managers have laughed, Bart Shotton manages to piece together a winning ball club from Casey and nine other guys.

Even for the seventh and final game Shotton has no semblance of a starting pitcher. Hal Gregg, who was miserably ineffective two outings despite his grim 4-5 record for the season, probably is his best bet. Yet Shotton selected Ben Burney, a wild man who hasn't started a regular season game over a wobbly split since July 4, and set away with it.

As long as good old Casey is around Shotton doesn't have to worry about the late innings. Why not draw Casey as the man of the hour in Brooklyn?

After yesterday's bed win that squared the series, Casey had to share the pedestal with Little Al Gionfriddo. It's the fellow the Pirates "tossed in" when Kirby Hulse and four other athletes were sold to Pittsburgh for about \$80,000. At the time they laughed and said he had been sent along.

By Ma star. The youthful Garibaldi made a hit at his first Center showing two weeks ago and in answer to fan requests that he make an early return appearance, Gionfriddo signed him for tonight's card.

Sexton Averts Double KO In Center Match

WHITE PLAINS—The wrestling fans at the County Center last night nearly had one of those rare double KOs which come along every once in a while on the scrapping arena but Frank Sexton, the former Ohio State football line star who has since developed into the most widely figured, un-spragged himself in time to climb aboard Pecos Mike and avenge the French ace's American debut.

Yank Pitching And Power Far Outclassed Dodgers In Series

By JACK HAND Associated Press Sports Staff NEW YORK—The New York Yankees won their 11th World Series just as they figured to do on a solid pitching edge over the shabby Brooklyn Dodger staff and the extra base power in their bats.

Came to the last out of the seventh game, the Brooks made it close all the way on speed and hustle. But in the final innings of yesterday's 5-0 Yankee clincher, there was Flanagan Joe Page coming from the bullpen to stop the Dodgers' best.

Shore pitched games by Frank Shea, Alie Reynolds, and Bill Devereaux whose 8-2-3 innings of no-hit pitching before losing was the best job of the series—showed the Yankees' strength.

No Brooklyn starting pitcher lasted through the fifth inning as the final game followed the same familiar pattern. The Dodger starter, Hal Gregg, didn't last through the fourth.

When it was all over, Redifer Page, who had been thumped soundly in Duane's thriller, received credit for the win that promoted Larry MacPhail to dash into the clubhouse, wearing tears of joy and hoarse.

White Plains—Patsy Brandino, experienced Hamilton, Ontario, lightweight, will make his initial County Center boxing appearance tonight, facing young Frankie Palermo in the featured eight rounder, which stages one of the most important tests yet met.

Two sixes and three fours make up the rest of the card. The semifinal of six chapters, like the main event, matches lightweights—Charley Donovan of New York, meeting Dick Jones, Harlem.

Midweight Fairist Norman of Mount Vernon, one of the county's newest fist products, handled by Frank Bashman of White Plains, makes his County debut in one of three bouts, encountering Jay Verr of New York's east side.

Merrett gaining a post-bout victory over Chicago Tiger Joe Jones, Harlem.

In the opener, Young Leo Garibaldi scored a fall over Ed Paribald at 1:00. In the other, Johnny Meas checked Joe Kaniroff at 21:30.

The card was the last Mat program until Oct. 27.

Motts Blank Disbrow Five; McMillan Rolls Top Series

The Motts took the honors last night as the Larchmont Acres League began its season activity at Larchmont Rec. Taking all three games, the Motts outfit was the only shutout victor as the Redwells, Tompkins and Bassett all took 2-1 matches.

It was a close squeak for the Motts representatives as they won the second game by a single pin in the lowest scoring string of the night. The other two games, however, were easy victories as the Motts led the winners with a 5-28 series.

At McMillan of the Tompkins' team in what was his last out last season as he ledged high league trips for the night with a 5-57 to lead his team to its 2-1 win.

McMillan had three consistent games but didn't manage to win any. The Tompkins lost to the Bassetts by 2-1 but Greenbaum of the losers managed to sandwich a 2-61 game in between two mediocre strings and rolled away with high scores for the evening.

The Bassetts, however, aided by a substantial handicap had no trouble in leading two days. In the final match the Redwells quieted the stringing, losing the second string despite a 5-10-in handicap.

School Board Remains Firm On Transfers

(Continued from Page One)

A letter from Lloyd F. Wile asking that his daughter be allowed to continue at Daniel Warren "until I can get my tenant out of my own house in Rye Neck" went on to find the board's intermediate area a serious hardship on the grounds only that he wanted the child at Daniel Warren. After the letter found other faults with board policy, Trustee Malcolm Brown called it "definitely insulting" and recommended that the board refuse to acknowledge it. The communication was referred to Trustee John P. Fox, chairman of the intermediate area plan.

Careful consideration was accorded the letter from Robert Bryan asking that Barbara be allowed to continue at Daniel Warren in order that she can travel to and from school in the company of her sister, Diane, a first grade student there. A written protest from Walter Allkiss sought continuation of his child at Daniel Warren because of its proximity to his home. The board, however, was unanimous in denying all three requests.

Raymond T. O'Connell, board president, expressed dismay "for the reflection against Barry Avenue School implicit in these requests." He said some of the community's leading citizens had received their education there and that he considered any seeming degradation from its "splendid record." Both Dr. Fox and Trustee Edgar Burchell were emphatic in stating that the board could afford to permit no exceptions to the transfer ruling.

Passed unanimously was Trustee Brown's motion that in the case of teachers with 15 or more years service the board waive its policy of deducting pay after a maximum of 20 days absence or more. Pending formation of a new policy, the trustees agreed to make no such deduction. Money worries as a deterrent to recovery were Mr. Brown's main objection to the former policy.

James Luggan, science teacher at Bellows High School, and Miss Minnie Healy, nurse at the Rye Neck elementary schools, were automatically placed on tenure on completion of their three-year probationary period.

The by-laws committee under chairmanship of Trustee Russell D. Niles has been working intermittently during the summer drafting a comprehensive administrative code for the district. Mr. Niles reported, The complete draft, which is to be keyed to the state educational law, will be ready for presentation and passage at the December "state meeting" of the board. Meantime, at an informal meeting of the board, Mr. Niles will discuss the proposed code with a view of "smoothing out a few rough spots." Copies of the committee's recommendations will

Trustee Fox, reporting on the meeting of the county's Central Planning Committee Sept. 30 in Harrison to protest inequity of state aid disbursements under the 1945 Dewey Law, stated that about \$100 would be carried by the Rye Neck delegates to carry on their work at future county meetings and perhaps in Albany as the protest gains momentum. The question of appropriating the necessary money was referred to School Counselor Henry T. Horn.

Dr. Fox said a committee from the County Board of Supervisors has been studying the state aid question and will meet in the near future with the Central Planning Committee. He added that each school district in the county have already appropriated money to cover expenses of their delegates. No action was taken on his recommendation, relayed from the central group, that a letter protesting the 1945 Dewey Law be written by the board to Governor Dewey.

On recommendation of Mrs. Herbert B. Livesey, Jr., Barry Avenue PTA president, the board will consult Clarence B. Litchfield of 383 Grand Street, Mamaroneck, on the matter of fireproofing specifications for the basement stairway in the Harry Avenue School, a New York architect. Mr. Litchfield will be contacted by Trustee Edgar Burchell, chairman of the board's maintenance committee. Plans will be presented at a later board meeting.

A letter to the board from Counselor Hornidge expressed the belief that the school board in Rye Neck could not issue bonds chargeable to the City of Rye, without a two-thirds vote of the Rye City Board followed by a public hearing. The matter, still in the advanced stage, concerns probable policies of the Rye Neck School Board in future building programs. At present, the Rye Neck School District includes parts of the Town of Rye, City of Rye, Town of Harrison and Village of Mamaroneck with school taxes being paid on the basis of assessed valuation.

Gov't Housing Plan
NEW YORK (AP)—Gov. Thomas E. Dewey has approved "with the greatest enthusiasm," he said, a program in which veterans would invest in cooperative housing projects to provide homes for themselves or other veterans.

The Governor expressed his approval of the plan after meeting yesterday with special committee of 27 other officials of veterans' groups, religious organizations and others which he had appointed to advise on the plan.

Chief Taylor presented to the Department, visiting chiefs and members proceeded to the American Legion Club House at Flint Park for dinner. More than 300 attended the dinner crowding the club house to its capacity.

The Rt. Rev. Mgr. Thomas J. Deegan, one of the department chaplains delivered the invocation. Chief Taylor opened the dinner thanking the members of the department for their splendid cooperation. He also expressed his thanks to the Mayor and Board of Trustees for their help in purchasing the much needed apparatus for Engine Co. No. 1, which is expected to be delivered early next Spring.

Chief Taylor returned the department trophy to the company's softball team in attaining the department championship and the department Round Robin. Assistant Capt. William Peterson reported on behalf of the company saying that they had won the second championship and they hope to make it three in a row.

Chief Taylor turned the gavel over to Capt. G. B. Wiant of the Engine Company who acted as Master of Ceremonies. Among those introduced during the course of the evening were Rep. George, Mayor Gleason, Trustees Arthur Combs and An-

Resumes Practice

Dr. L. F. Von Pritzelwitz Van der Horst has recently resumed practice by opening an office at 375 Larchmont Avenue, Larchmont.

A Hollander by birth, Dr. Van der Horst was graduated from the Medical School at the University of Utrecht. After four years' residence in surgery and gynecology, he went to the Netherlands East Indies. There he served as chief of surgery on the staff of a large hospital, Petronella Hospital at Jogocarta and Plantation Hospital at Langkang Kraam. He then had a private practice for 11 years, nine of which were spent at Batavia, capital of the East Indies.

At the outbreak of the war, Dr. Van der Horst served with the Dutch Navy, seeing action in the South Pacific. Later he became chief of the Medical Service with the Netherlands Forces training in Canada, and then he accepted an appointment as chief surgeon for the Royal Netherlands Marine training at Camp Lejeune, N. C.

In order to orient himself in the county, Dr. Van der Horst took the house staff of United Hospital, Port Chester.

Dr. Van der Horst is married to the former Mimi Zennow, artist in her own right, and the daughter of the well-known Larchmont family. The Van der Horsts are the parents of two boys, Brian and Jan-Piet, both born in this county.

Work Study

Albert F. Collins, son of Mr. and Mrs. Albert Collins, 13 Murray Ave., is working for three months with Sak's 34th Street, New York City, on a work-study plan of the Retail Business Management course at the New York State Institute of Applied Arts and Sciences, Utica.

He graduated from the High School and graduated in June 1947. In July 1947, he enrolled in the Retail Business Management course in the Utica Institute. The program has taken in part of the pre-credited laboratory program.

The State administration of the free course is so designed to allow for two three-month periods during which the student is paid. This part of the program affords the opportunity to observe classroom principles applied in actual situations.

The Mayor Tracts

Corporation Counsel Anthony Sannone of the Village of Larchmont, chief cooking expert at a recent Elks clambake, last night officiated at the opening of Virginia Hans served to more than 50 Westchester County officials in the local Elks Club Building. The ham was prepared by Mayor B. J. Santoro, who said Dr. Van der Horst, the mayor's salary "which is non-existent," Mayor Sannone recently elected president of the Westchester Village Officials' Association, financial secretary and treasurer which were served following the association's first Fall meeting.

Aboard Steamer

Frank J. DiBunno, former first class son of Mr. and Mrs. Joseph DiBunno of 907 Lester Avenue, Larchmont, is serving aboard the destroyer tender USS Yellowstone. On his cruise of the Mediterranean he has visited the ports of Naples, Italy and Izmir, Turkey.

DiBunno entered the Navy in June, 1946, at the Naval Recruiting station New York, and received his recruit training at the Naval Training Center, Bainbridge, Md.

83 Snappers—No Bit

Marshall Grimm, 14 son of the caretaker at Robert L. Ripley's estate in the Village of Larchmont, yesterday was featured in Mr. Ripley's "Believe It Or Not" column. The boy was said to have caught 83 snappers in two hours without using bait. It happened, Mr. Ripley wrote, at Dion Island in Larchmont where the columnist makes his home. The island derives its name from the first letters of Mr. Ripley's syndicated cartoon.

Four Motorists Fined

For driving without a license, Charles T. Egan of Roy paid a \$5 fine in Larchmont Village Traffic Court this morning. Judge Patrick J. Hughes presided. Others fined were Carmen Santangelo, 181 Grand Street, Larchmont, \$2, improper license plates; Mrs. Thomas W. Johnson, 617 Seney Avenue, Larchmont; \$5, improper parking; and George Johnston, 215 Maple Avenue, Larchmont, \$3, overtime parking.

HELPS

There are two good ways to get help... to help others. First, look through the "situations wanted." See if you can help someone who has an ad in that day. If he hasn't, see if you can get the appropriate help wanted classification. It's the simple, inexpensive way to help someone who is in need. A courteous "efficiency" want of takes a minute to help you write your ad and can be reached by calling Larchmont 9-2100.

Registration Still Lags On 4th Day

2,072 Now Qualified To Vote, A Decline Of 700 Below Last Year

BIG RUSH EXPECTED

For the fourth consecutive day personal registration of voters in the Villages of Mamaroneck and Larchmont continued to fall behind last year's registration with 680 registering yesterday to make the four-day total in the 10 personal registration election districts 2,072 as compared to 2,732 last year.

Each day, however, there has been an increase in registration over the previous day and political leaders have predicted the Municipal Building tomorrow, the last day of registration. Polls will be open today from 5 P. M. to 10 P. M. Tomorrow will be the last chance for new residents or voters to register in the last general election of the non-partisan districts to register. Polls for non-partisan registration will be open from 1 P. M. to 10 P. M.

With the exception of Mount Vernon and Port Jervis, registration throughout Westchester continued to lag.

District 7 totals for the 10 districts compared with last year's figures in parenthesis follows:

District 1, 128 (141); District 2, 259 (174); District 3, 245 (316); District 4, 230 (345); District 5, 206 (218); District 6, 183 (187); District 7, 154 (246); District 8, 177 (338); District 9, 219 (412); District 10, 302 (282).

District 10 set the first time shot ahead of last year's figure as 103 persons registered in that district yesterday, while District 2 continued with its lead over last year's registration.

Man's Desire Fixes Span Of Life, Club Told

Scientific records show that a man will live only as long as the desire for life burns within him. Dr. George Wood, former editor of "The Dental Digest," recently told the Mamaroneck Rotary Club at a luncheon meeting in the Blue Haven Inn.

The speaker, illustrating his remarks with factual instances, went on to say that longevity is entirely a matter of mind with a person's general physical condition normally determined by his look on life. He said people can be conditioned for a long life by the medical profession through dietary regimens and sound hygienic moderation in personal habits.

Dr. Clapp, who has introduced many new phases of dental technique, among them a course on "The Psychology of the Patient," was editor of "The Dental Digest" for 21 years and is the author of books, more than 300, many of which have been printed in 10 languages. He stressed that dental diseases remove the body's normal defenses and declared that proper dental care for children can provide them with a longer life expectancy.

Program Chairman Harry C. Bruklin introduced the guest speaker and Rotary President Stanley E. Warner presided. Dr. Hjalmar E. Knell, health committee chairman, and Francis C. O'Connell, of the Ladies' Progressive Society, each submitted progress reports. Guests included Henry F. Smith, Jr., who were E. Tibbett Brooks and Harry T. Finn of Larchmont. St. Augustine's Men Plan For Special Events

Preliminary plans for the coming year were discussed at a meeting of the Board of Directors of the St. Augustine's Club, Tuesday night, with the Rt. Rev. Magr. Thomas J. Deegan, moderator.

President Stephen Sullivan outlined the Fall activities of the club.

The first event will be "Vaudeville Night" next Wednesday at 8:30 P. M. in the auditorium of the Larchmont Free Library. The program will feature the talents of the club members and will include a variety of acts.

On Sunday, Nov. 9, the bi-monthly Communion Breakfast will be held at the club. At the breakfast, the nominating committee will present proposals for officers of the club for 1948. Members of the nominating committee are Owen A. Mandeville, Judge John R. Cahill and Claude Selas.

The following night, Nov. 10, at 8 P. M. the annual boxing bouts sponsored by the Catholic Youth Organization will be held in the gymnasium of the school. Tickets for the bouts are being distributed by Chairman Frank Riggway, who stated a special prize will be awarded to the best fighter of the evening. He also stated that the C. Y. O. has all ways sent its most aggressive scrappers to Larchmont.

The directors also discussed a program for December which will be announced later.

President Sullivan stressed the fact that all men of St. Augustine's Parish are welcome at the club functions and are eligible for membership. Increased attendance in the club's activities is the desired goal. He stated Directors are: William A. Frey, Jr., Harry T. Finn, William J. Gerety, John J. McGowan, George W. McKee, Frank T. Morley, Frank T. Morley, Claude Selas, Theodore S. Zegans.

Red Cross Seeks Christmas Gifts For Service Men

Mrs. J. J. Fredrickson, chairman of the Mamaroneck branch of the Westchester Chapter of Community Services to Camp Hospital, has announced that the American Red Cross will continue its policy of furnishing Christmas gifts to servicemen overseas and in neighboring camps and hospitals.

The announcement was made following a meeting of the board of directors yesterday morning at Westchester County headquarters in White Plains. This year's aim of the Red Cross is to remember every serviceman and veteran, with the Westchester Chapter accepting 2,000 gifts for servicemen overseas and 2,475 gifts for men at Castle Point, Fort Stoom and the U. S. S. Pleasantry Barracks at Green Haven. It was announced, Branch chairman volunteered to have their communities supply Christmas tree lights, ornaments, decoration and wreaths.

Mrs. Fredrickson has requested donations of hand instruments and cameras (not movie types) for men at Fort Stoom. Also attending the meeting were Mrs. Arthur L. Lowe and Mrs. Alfred Wecker, of the Mamaroneck Branch of the Red Cross.

The Sports Spotter

It is probable that introductions are necessary for some of the 1947 Star gridiron aggregation which goes into action again Sunday afternoon at Mamaroneck High School field against a slugging Yonkers Condor outfit. Joe Tolve has plenty of local gridiron on his squat but some of 'em aren't too well known.

There's lineman Gene McLoughlin, for instance. A Larchmont resident, McLoughlin got most of his grid experience at Iona Prep. Since he had three years of varsity experience and was out on the baseball outfit. McLoughlin is a Navy vet and was stationed at Pensacola and Floyd Bennett Fields during his hitch as an aviation trainman. He'll be seeing plenty of service in the Star line, probably at center.

Then Tolve has acquired Dave Hanson, another Larchmont resident who was in the Army Air Force for two years as a physical instructor and had most of his service experience at Lowry Field in Colorado. Hanson played football at St. Theresa's in Coral Gables, Fla. and is figured as a blocking back in Star play for the season.

Bill Cassanelli number of the staple backfield squad, comes from Rye. He's another veteran with three years in the service, two of which were spent overseas as a sergeant on a B-25. Cass had 70 missions and was the Distinguished Flying Cross with two oak leaf clusters. He got his football experience at Rye High School and at the University of Alabama. He was mentioned on aluminum teams for two years and was on the Crimson Tide varsity squad for one season. All three promise to be valuable additions to the Star squads as the team, after a slow start, expects to get moving with Sunday's game. The outfit has dropped night football for the season and will confine itself to Sunday afternoon play.

As Tolve and his coaching staff add players we hope to keep you informed as to their former gridiron records as well as in other pertinent items concerning them.

Form prevailed last night in Larchmont Community League activity as the Taverns, Colony and Clippers, the three top teams in the circuit all took shutouts. Victories and tie games to make a three-team race of the league.

The Taverns had plenty of trouble taking their shutout as the Jews proved obstinacious in the second game and almost handed the league leaders their second licking of the season. When the scorers got through figuring the Taverns outfit had a one-run game and that was due entirely to Joe

Happy Girls Dump Derbyettes As M.L.L. Blanks Flyer Trio

The Happy girls with an easy triumph over the Flyer girls yesterday night scores with a 1-0 victory. In the third match the last place Derbyettes rose up and whipped the Flyers by 2-1 tallying a close second game to clinch the honor.

Rolling their fifth match of the season the girls in the Mamaroneck Ice American League began to get down to business last night and two definite leaders emerged from the competition which was hot bar didn't turn up any really high scorers.

The Happy Girls, who have been enjoying an early season spurge, kept right on and took two from the Derbyettes to hold their place at the league's top. The glen girls almost had their smiles wiped off, however, as the Derby squad came within one point of taking the lead after winning the second game by just two fingers.

Twenty Craft Set For Season's Last Distance Cruise

NEW ROCHELLE — New Rochelle Yacht Club will play host to the final distance sailing cruise of the Long Island Sound season tonight, when 20 or more boats set sail from Ricks' Ledge, Echo Bay, for Stratford Shoal.

One of the 20 craft entered is the Shavana, captained by Earl Mitchell of NRYC, former Bermuda winner. Two other past performers in Bermuda races going on the run are Robert De Cenzo's Sultivan from Larchmont C.C. and Gusture, sailed by Howard Fuller of Hartford. Doc Star, 1947 Block Island winner, owned by D. T. Gamble, also is an entry.

Al Bocca Is Met PGA Top For 3rd Time

COLD SPRING HARBOR, L. I. — Al Bocca, of Cold Spring Harbor, the last non-Westchester winner in 1941, broke that county's four-time grasp on the Metropolitan PGA championship by sewing up the 1947 event, the 23rd annual, with a 278 at Cold Spring CC yesterday.

Bocca added a one-under-par 71 yesterday morning and a closing round of 69 to the 139 he'd compiled in the first half of the 72-hole event Tuesday and Wednesday. He finished eight strokes under another Long Islander, Pat Caci of Nassau County Park who had 73, 69 yesterday for 142.

Bocca, who has now won the title in '41, before Craig Wood of Winged Foot brought it to Westchester. There was no competition in '43, but in '44 Century's White Gages and in the Met PGA title did not leave Westchester by winning a playoff.

Meet Albert Leonard Eleven Tomorrow In W.I.A. Squabble

Mamaroneck High School's Tigers will go to the wire again tomorrow afternoon at MacBee Field, seeking their second victory in three starts and their first in W. I. A. play. Arm-chair quarterbacks will have a real idea of the strength of the 1947 Orange outfit after tomorrow's game since the team's first battle was against the A. B. Davis powerhouse and turned into a 20-0 loss and the second was last week's easy 40-0 victory over a Pellone team which still has to find itself.

The Davis outfit and the New Rochelle Purple each won two wins in W. I. A. play to date while Port Chester has one Davis conquest both Mamaroneck and Roosevelt. New Rochelle dominated Leonard and Yonkers while the Gavitiers smacked Isaac Young in early season games. So comparative scores may begin to mean something tomorrow when Roosevelt and New Rochelle will play Mamaroneck tackling the Blue Devils.

Albert Leonard has been far from impressive in his early season games. New Rochelle came out on top by a 31-0 score over the Davis and Blessed Sacrament, with Bill Dunningham, former of Bellows School, at a bang up job, whipping the Leonard outfit by 20-0.

Bellows' Panthers Drop 3rd Straight; Stars Collide With Condors

Scarsdale Roms To 49-0 Win As Corelli, Jacobson Run Wild

The quality of mercy was not evident in Scarsdale's Raiders' yesterday afternoon even though Coach Dave Buchanan poured in the substitutes. His boys will not get rolling up the score on an undermanned and inexperienced Bellows gridiron outfit which dropped its third straight game. The final score of the mauling was 49-0 in the Panthers on the Scarsdale grid was 24-0 in the home team scoring two touchdowns in each of the four quarters and adding an extra point in the second period.

Tiger Harriers Cop By 20-35 Over Yonkers

Coach Ed Purter's Mamaroneck High School harriers showed their teeth to a relatively weak Yonkers Central squad yesterday afternoon at Tibbets Brook Park in Yonkers and walked away with a 20-35 victory as Captain Dick Hillley led the way for the Tiger Hill and daley. The Orange and runners topped eight of the first ten places, losing only the third and fourth to Yonkers and the fifth to Rochester of the same squad.

Hillley and Gerard Vier came across the finish in their usual order, one-two as Vier broke the tape just 21 seconds after the Tiger captain. Minch was third in 1:54 and Stogrow was of the Orange took fourth with Schaefer at Yonkers three seconds back of him.

Franklins Nip Top Hat Four By 2-1 Count

The deadlock between the Franklins and the Top Hatters for the top spot in the Larchmont Ladies' League was busted last night as the Franklins, led by Mrs. Crawford, turned back the Hatters by 2-1. Mrs. Crawford's 200 swing in the third game was the deciding factor in the match and her 488 series was far and away the best of the night.

In other matches the Stationers trounced the Taverners by 2-1, while the Nyctes hit a shutout on the Reds and Don's Four eked out a victory over Walter's Gals in a match which turned tight in the third string.

Sportsmen Lead In League; Dan Goetze Sets Season Mark

The Sportsmen and the Reserwon team honors last night in the Mamaroneck Community League and Dan Goetze of the Mamaros 200 swing in the third game was the deciding factor in the match and her 488 series was far and away the best of the night.

The southpaw Sportsmen took a pair from the Diners, busted a tie for first place in the league, and now reign on top of the league, at least for the time being.

Cross And Hanson Starters In Remapped Star Backfield

The Mamaroneck Stars, inaugurating a new Sunday afternoon schedule, will be looking for their second win in three games tomorrow afternoon when they engage the Yonkers Condors on the Mamaroneck High School gridiron with a lineup which has again been changed as Joe Torre continues his search for the best possible eleven from his large squad.

The local backfield has been thoroughly renovated and two former high school rivals will be playing almost side by side as Gene Bonelli, a Bellows standout in his school days will team up with Bill Cross from Rye in the halfback and full back positions. Dave Hanson of Larchmont and Al Turner of Yonkers will be in the other half back position. The Star backfield will be rounded out with Ed Muller in the signal-calling spot.

My New York

By MEL HEIMER

NEW YORK—It was just a week ago I remember, I wrote something about it. I was sitting in Ann Lano's dance studio up on Madison Avenue, remembering Ann—the one who yelled out the window, danced, sang, cracked jokes and otherwise lived up to the sad autumn afterlife for us.

You never quite know what to do with the first few days of autumn; the men suddenly are wearing topcoats and the windows are closed on the buses, and you figure well, now that cold weather is here, you might as well start in on the job in real earnest and make something of it.

However, for a few days you aren't quite sure where to begin, so you drift along. You sit around easy, in places like Ann Lano's and

come in the door hand in hand, the way Ann teased over Jerry. She explained proudly that he was her prize pupil and that he could tango right out of this world, as she would show us, but she wanted him to tell about the time the cop on Long Island gave him a ticket for speeding.

The big guy wanted to stir the whole thing off, but Annie kept after him and finally he sat there, on a thin little chair in the studio, and told the story, and it was real funny, the way he placed it out.

Fiorella had a good sense of timing, and while his talk was the rough language of the prize ring, you laughed while he told the story. He had what you call a nice personality; after a few minutes talking with the big guy, you felt you liked him. He didn't seem to be mad at anybody.

After a while, Ann went over to the tie and put on a tango record, and she got Jerry up out of the chair and they tangoed. I can take tangoes out of them as they put it on Broadway.

"So he's a tango, so that's good?" But there was something about that lay day that made that particular tango appealing. The sun came into the room at one corner and as they tangoed, they were in his patch through this little patch of sunlight.

ANN IS ABOUT AS BIG as a medium-sized button, but she and the big guy moved around beautifully, easily. I don't think I've seen three dozen really good ballroom dancers in my life, but these two were right in there.

Outside in midtown Manhattan, cars poked along and feet shuffled on the sidewalk; noises came up to the studio room faintly, and made a sort of counterpoint to the big guy's singing. Everybody was having a fine time. Jerry was singing and Ann was dancing, and I was sitting there swinging my legs over a chair and loafing. It was a good day, you know?

That afternoon was all I could think of this morning when I picked up the paper and saw the little item that began "Jerry Fiorella, 32, a middleweight boxer, and Mrs. Minnie Horowitz, 33, mother of two children, were found dead last night on the kitchen floor of the former's apartment at 200 Sackett Street, Brooklyn. Police said four gas jets were open. The two were found by . . ."

THE GRAVE OF WASHINGTON IRVING
By Evelyn Popp
Soft and the rustle of leaves
Are heard in Hudson Valley's Sleepy Hollow:
Where stand the mournful stones,
Silent sentinels of the centuries.
Beneath the oak tree,
Beneath the beech,
Beside a weathered marble stone—
A gray face in the cemetery,
Guarding the dust of an immortal story-teller.
Oh pensive mortal,
Slay your footsteps here,
And shed o'er this grave a gentle tear.
A fond memory on him bestow,
Whose genius remains a gem of life we know.
Protect this sacred stone,
And let the dust be ever sacred,
As symbols of solitude
Forever hail the whimsical dreamer
In Deceitful Sleepy Hollow.

Junior Red Cross H. S. Council Will Help Pack Overseas Christmas Gifts

WHITE PLAINS—A long-range program for sending food parcels and Christmas gifts to servicemen overseas and to underprivileged students abroad was outlined on here at a meeting of the Junior Red Cross High School Council, attended by 70 students from high schools throughout Westchester.

The members voted to join an international art project, developed in cooperation with the International Education Reconstruction Commission, whereby 23 original paintings or drawings depicting American life will be ex-

changed with a foreign school. An art contest will be held at the next meeting in February when the best pictures will be selected and sent to France.

Presiding over the meeting was Roland Santomenna, Bellows High School, White Plains, who has moved from that city.

Etta Schumann, vice president, Bronxville High School, reported on the Red Cross National Convention held in Cleveland last June which she attended as a delegate and gave a "pep" talk on the JRC enrollment drive to begin on Nov. 1.

Joseph Graham, area assistant JRC director, guest speaker, told of training centers now being held throughout various chapters for the purpose of giving JRC members greater latitude in the thinking and planning of the organiza-

tion. Patricia Kravine, Isaac Young High School, New Rochelle, was appointed corresponding secretary replacing Brenda Handforth who has moved from that city.

Irma Twiter, Pleasantville, read the minutes of the council's executive committee, held Sept. 8.

Patricia Kravine, Isaac Young High School, New Rochelle, was appointed corresponding secretary replacing Brenda Handforth who has moved from that city.

THE GRAVE OF WASHINGTON IRVING
By Evelyn Popp
Soft and the rustle of leaves
Are heard in Hudson Valley's Sleepy Hollow:
Where stand the mournful stones,
Silent sentinels of the centuries.
Beneath the oak tree,
Beneath the beech,
Beside a weathered marble stone—
A gray face in the cemetery,
Guarding the dust of an immortal story-teller.
Oh pensive mortal,
Slay your footsteps here,
And shed o'er this grave a gentle tear.
A fond memory on him bestow,
Whose genius remains a gem of life we know.
Protect this sacred stone,
And let the dust be ever sacred,
As symbols of solitude
Forever hail the whimsical dreamer
In Deceitful Sleepy Hollow.

The Sports Spotter

By THE SPORT EDITOR
Know the Stars
Mamaroneck and Larchmont grid fans know the names but sometimes not the records of the boys playing with the Mamaroneck Stars. Most of the grid operatives have impressive histories not only in high school ball but also in the service during the war years.

Take Jim Rodriguez, for instance. Known as "Boogy" to everyone around town, he played football, baseball and basketball at Mamaroneck High School and then operated with the All Stars for one season before the war. Rodriguez spent a year and a half overseas with the 102nd Division and played baseball with the division team in Vienna. He's back with the Stars again and operates at fullback, specializing in kicking while doing plenty of passing and running.

Tom Foster, a chap who is a bit better slow but has incurred plenty of injuries, is a former Mamaroneck High football and hockey player. He was a co-captain in the Navy for over three years, serving with an amphibious force and playing football in Manila. Last season he sustained a brain concussion in the game against the Haldane Alumni. He's back at a halfback spot this season, however, and is constant through the line or around the ends.

Bellows fans of course, remember Wilton Lanza, who did about everything at the East End including four years of varsity football, four of baseball, basketball and one of hockey plus a pair of seasons on the golf team. Baseball captain in '45 and among the football captains in '46, Lanza was all-conference mention at half back in both '45 and '46. He's with the Stars as a defensive back and fills in at end of the offense and as is one of the youngest members of the Star aggregation.

Softball Loop Awards, Elects At Conclave

Plans have been completed for tomorrow night's season closing festivities of the Mamaroneck Softball League which will be held at the Legion Hall on Prospect Avenue.

The affair will include a league meeting at which officers for the 1948 season will be elected and reports on the campaign which closed a month ago will be presented. Edh president Walt Eicke and secretary-treasurer the Rev. Theo. G. Woodard, Jr. announced that they will not be available for positions as officers for the next season and a wide open election is expected as no one has been mentioned for either of the two posts.

Trophies will be presented to the Foodmen, league champions and winners of the first, first and in the Girls who topped the loop in the second half but lost in the playoffs against the Food outfit. Individual awards will be made to members at both the Gael and Foodman teams.

All players, managers and umpires are invited to the meeting which will begin at 8:15 P. M.

Listen tonight at 6:45 P. M.

Tigers Ready For Pelicans; Legion Quintet Rips Lions

Orange Guns For Season's 3rd Grid Win

By ROY STEIN
Coach Harry Harrison's Tigers will be gunning for their third straight victory tomorrow afternoon when the Orange will travel to Pelham to engage the Pelicans in Memorial Stadium.

Mamaroneck with two wins and a single loss, holds the better record of the two teams as the Pelicans have yet to get into the win column, dropping two and coming up with one tie. The Orange squad, set back by A. B. Davis in the season opener has been forced to massacre Bellows and then Matt Albert Leonard while the Pelham outfit has absorbed lockings from Beensville and Isaac Young and settled for a 6-6 tie against Seaside.

With the reappearance of the elusive Frank Paonessa, the Orange will, barring any further accidents, be at full strength for the opening game against the Pelicans, one of last year's semi-regulars in the half back slot, has been forced to move over to the wing position with a broken foot, while Senberg, regular punter, has been incapacitated with a twisting ankle. Paonessa, once again recovering from a leg injury, made his appearance only last week in the game against the Pelicans which was probably the start to a conversion.

That was the usual eleven with Joe John Lightfoot cutting the signals, Jolly Woodbridge in the blocking back position and Ed Smith, Pete Abbate, or Frank Paonessa at the other end. For the line the Tiger mentor will probably call upon Leonard and Al Schrock. To cover the flanks, Frank Smith and Howie Bradshaw have the tackle positions, with Bill Paonessa and Steve Champion at guards, and Jim Fowler in the pivot slot. Among others to see line duty during the game are probably Jim Billotta, Don Meckler, Stan Mustal, Gary Thomas, and Leo Orsino, in the center of the forward wall, with Bob Riegel, John Roy, Bob Reeves and Dave O'Connell probable to see action at the end posts.

The tentative lineup: Pos. Mamaroneck Pelham
LT—R. Smith Phillips
LP—L. Smith Molinari
C—W. Paonessa Casanova
RG—Champion Johnson
RE—Schrock Johnson
RT—Bradshaw Cumberbatch
RB—Woodbridge Griffin

Many Baseball Stars Undergo Major Repairs

NEW YORK, (AP)—Major repairs on many of the baseball's high-priced players, recently completed or scheduled for the near future, probably will have more influence on the 1948 pennant race than any trades that will be made all winter.

Stan Mustal, bothered by an inflamed appendix, was below par during the early months of the 1947 season, seriously hampering the St. Louis Cardinals' chances of repeating.

George (Red) Mungar, strong armed right-hander, was handicapped by the same trouble, although he was a key winner in the National League.

Both Mustal and Mungar underwent appendectomies yesterday, and were reported "doing fine" by Dr. Robert F. Ryland, club surgeon in St. Louis.

John Childs of New Rochelle is leading the movement to form the new organization and has secured Raymond Ruge of Pleasanton, N. Y., Eastern U.S. champion in class C, as speaker for the organization meeting.

The facilities of the Huguenot Yacht Club were made available by S. Darling, chairman of the yacht committee and about 150 ice boat fans are expected at the initial meeting.

Competition during the winter months will be held at Greenwood Lake, N. J., just 54 miles from New Rochelle, and possibly at Peach Lake and Lake Mahopac in Westchester.

Fenimore Nip Richbells In Ladies League

The Fenimore and the Motts took over the Bassett last night in Acres Ladies League bowling at Larchmont.

The ladies did nothing spectacular in the way of tumbling timber as Mrs. June Gosswiler, with a 176 string and Mrs. Pat Gulle with a 428 series, led the loop. Most of the girls were looped in the 400s but the matches still proved fairly close.

Star Gridders Working Out Pass Defense

A long scrimmage last night by the Mamaroneck Stars resulted in a lot of backfield uncertainty as the line position as the Stars prepared for their game against the Mitchell Field team Sunday afternoon on the Manchester Field gridiron.

Streaming pass defense, Joe Tolve had Art Friedgen, Gene Bonelli, Cal Palmeri and young Billy Polity working out in the halfback posts while Bill Cross and Bob Rodriguez were alternating in the full back position.

Defense against aerials has been the Star's weak point in the season's first three games.

He is the son of Mr. and Mrs. E. A. deLima of Quaker Square, Scarsdale. He was a member of the team that defeated Trinity College, Hartford, Conn. 28 to 27 in the track meet held at Hartford last Saturday.

AAU Marathon On At Yonkers

YONKERS—The 75th revival of the annual marathon championship will carry added significance for contesting athletes when the event is held here one week from Sunday, for the race this year is to travel to London next summer to represent this country in the 1948 Olympics.

Scheduled to get underway promptly at noon, Oct. 26, the five events as in other years will start and finish at the Empire City stadium, the last mile being run on the oval.

Met PGA Stages Scotch Foursomes

SCARSDALE—A field of 52 golfers, a record for the event will tee off starting at 8:45 tomorrow morning at Sunnyside Golf Club here in the Metropolitan PGA's scotch foursomes championship tournament, a 36-hole medal-play event. This loop is the first to be held according to John Inglis of Fairview, MCCA president.

A new championship duo will be crowned inasmuch as Bill Goldberg of Mount Kisco, who teamed with Jim Turnesa of Montpelier, last year, is on a hunting trip.

The partnership has been won by Westchester clubmen, each including a Turnesa, the past three seasons. In 1945, Willie Goggin of Century and Frank Turley of Morrisville were titlists and in '44 Goldberg won with Phil Turnesa of Elmwood.

Odd Fellows 'B' Squad Takes League Lead With 3-0 Win

They probably ought to revise the alphabet in the Fraternal League.

The Odd Fellows A and B teams were tied for the top of the circuit before last night's matches but then the B squad came through with a 3-0 win over the Marooni League while the A outfit took a 2-1 licking from the Marooni. The B team must have done it with mirrors galore as it kept with a couple of blinds and a ball took all its games by substantial margins. Bob Tschampion of the Odd Fellow B outfit rolled away with top score for the night when he legged a 599 series and a 198 string.

In other matches the Legion thoroughly subdued the Lions as a couple of Leo leggers didn't show up. Rotary trimmed B's which also was hampered by a blind score. Both matches were by 2-1 margins.
