

Our Men In Service

Wins Second Area

The award of the Bronze Star Medal has been made to Capt. Walter A. Spuehler of the 11th Central Postal Directory, 11th Air Force, Mamaroneck, for meritorious service from the 10th of February, 1944, to the 6th of May, 1945, in Italy, France, and Germany.

Capt. Spuehler has received a similar award for the campaign at Cassino. He has been overseas since December, 1943, serving as motor officer with the field artillery of Lt. Gen. Mark W. Clark's Fifth Army in Italy.

The citation reads as follows: "During this period, Capt. Spuehler was battalion motor officer for a battalion of 240 mm howitzers. Although new types of equipment, which was the heaviest equipment used by the United States Field Artillery, he studied and supervised the maintenance problems in such a superior manner that at no time during operations was there any equipment failure. His studies and knowledge of such special equipment have greatly contributed to the future use of the equipment issued to the 240 mm howitzer units."

Capt. Spuehler's devotion to duty and untiring efforts have earned him a great credit upon himself and the Armed Forces of the United States.

En Route Back Home

Sgt. Raymond Hanson, son of Mr. and Mrs. George W. Hanson, 70 Lookout Circle, Larchmont, is stationed with the 45th "Thunderbolt" Infantry Division, 11th Air Force, at an air base in Austria, Germany and France.

Before he was called for service, Sgt. Hanson was employed by the American Telephone and Telegraph Company, Stamford, Conn. He received training at Camp Stewart, Ga., Camp Maxey, Texas, and Quantico, R. I. His brother, Nils Hanson, also a sergeant, is serving with the Marine Corps.

Under command of Major-General Robert T. Frederick, and previously led by Major-General W. W. Eagles and Troy H. Middleton, the Thunderbolt Division has fought through 11 of the most savage days of the European war, making powerful German defenses in positions in four invasions over more than 1,000 miles of the most difficult combat country in the world.

Men of the 43rd charged across the beach, they created grimly held on D-Day in Sicily and at Salerno, and finally broke out of the Anzio beachhead, and chased the German Nazi troops out of Rome.

They hit the coast of southern France, drove the Germans to the Rhone, and finally fought into the heart of the Nazi "fortress," the "Colmar Pocket," overrunning Nuremberg and Munich and, in the capture of the Dachen concentration camp, receiving a direct combat lesson in the reason for their fight.

They won numerous Army and Congressional Medals of Honor and more than 4,500 other individual and unit decorations for valor.

Philippine Reunion

Two Larchmont men met unexpectedly at an airbase in the Philippines.

"We started at each other for a moment as if we were looking at a stranger," she shook hands. We talked for quite a while took some pictures and talked some more before the way Bob Richardson dealt with the meeting in a letter home.

He was on his way to another island when he had to wait overnight for his plane. Richardson, who is a member of the Philippine Air Force, is in position to drop at least 100 tons of bombs on Japan if necessary.

Throughout the Pacific, the Japanese are busy with the task of arranging to surrender vast forces peacefully. The only untoward incident reported was the attempted escape of three Japanese soldiers from Hong Kong, where British Rear Admiral Sir Robert Brooke-Pedraza, who is in command of the British garrison, is being held for trial.

Surrender of Hong Kong was to be effected today at conference between the Japanese and the British garrison, C. M. J. Harcourt and the Japanese commander.

In the Philippines, the one-time "Tiger of Malaya," Lt. Gen. Tomoyoshi Yamashita agreed to go to Baguio tomorrow and sign surrender articles Monday for the remainder of his Philippine Army.

At Singapore, which Yamashita commanded, he acknowledged Admiral Lord Louis Mountbatten's order to have the government house ready for occupancy by Sept. 5.

The surrender of 86,000 Japanese troops in the Philippines was received by Australian Lt. Gen. V. Sturdee aboard the aircraft carrier *Glory* at Rabaul.

The 50,000-man garrison of the Bonin Islands was under pledge to surrender Monday after a conference between the Japanese and Americans aboard the destroyer *Spencer*. The matter of the Bonin Islands was under pledge to surrender Monday after a conference between the Japanese and Americans aboard the destroyer *Spencer*.

The island fortress of Truk was held after the Japanese papers are signed in Tokyo Bay. Marcus Island had surrendered its 2,000 men to the U. S. destroyer *Bayley*.

PRICE FIVE CENTS

Rationing Board Fund Held Legal

Local Appropriations To Finance Work Ruled Unauthorized RECORDS PASS TEST

For the first time in more than 10 years, the State Department of Audit and Control has examined the financial records of the three local municipalities and the report shows that the books have a clean bill of health.

Notably among the comments and recommendations made by the state auditor, however, is the opinion that the auditor's report for the rationing board is not authorized by statute and should be discontinued.

Since the inception of the OPA office here, the expense in connection with its operation has been shared on a pro rata basis by the Towns of Mamaroneck, Larchmont, Mamaroneck Village and Harrison. The town's share last year was \$27,920, the village \$304 and Larchmont \$483.50.

In objection to the report, the board in the reports of Larchmont and the town but, apparently through an oversight, the same entry was on the books, was omitted from the Mamaroneck Village report.

The comment is entered in the town report as follows: "The opinion is expressed in the rationing board in the township for the year 1944, that no provision was made without proper authority and such payments should be discontinued. The statement then cites the opinion of the Attorney General rendered July 13, 1943, which states that 'such a board is a federal project to which payments could be made without violating the provisions of the state constitution.'"

The opinion bears out the opinion of former Councilman Munn and Attorney John DeLia, who have contended each time the town budget is up for consideration that the rationing board is not a legal expenditure. It was included, in the words of the other councilmen, "because somebody had to pay for it."

Edmund Pendleton, chairman of the rationing board, said yesterday that the expenditure was illegal, the municipalities should be forced to pay for it and he explained that if the support of the rationing board will have to go to the OPA in Washington for advice and help.

He stated that such a move might lead to consolidation of community offices, meaning that the town would have to go to another section to do their rationing business.

The rationing expense has cost the taxpayers about 10 cents per month, or anything less, the budget is even smaller for next year. "I hope the municipalities will do anything less," he stated. "We will all just have to pay for it ourselves and everything will work itself out."

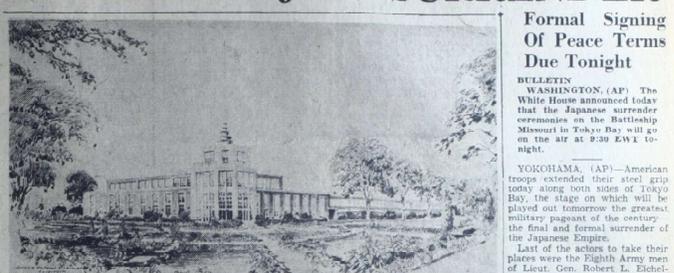

Another objection of the state auditors is the payment to patriotic organizations for expenses incurred during the Memorial Day parades. The money was paid directly to the vendors, the report states, rather than to the organizations upon presentation of receipts. Criticism is also offered of the expense of the Fire Department for the annual drill and council dinner.

In the Village of Mamaroneck report the auditors state, "There is no statutory provision for the expense of \$870 for the annual fire inspection dinner."

The Larchmont report reads: "Section 99-22 of the Village Law provides for the public inspection and parade of the fire department and payment of the reasonable expenses thereof. Any other expenses such as refreshments, dinner etc. are not authorized and should not be allowed by the Board of Trustees."

The Larchmont report reads: "The Larchmont report applying to the internal control of receipts at Harrison is in violation of the provisions of the State Constitution (Continued on Page Three)

YANKS EXTEND STEEL GRIP ON TOKYO BAY; STAGE SET FOR FINAL JAP SURRENDER

A MODERN BUSINESS AND PRODUCTION PLANT will be erected on Palmer Avenue near Rockland Avenue by the Taylor-Reed Corporation if the property is rezoned for that type of business. The architect's sketch, shown above, represents a two-story structure surrounded by gardens and landscaping. The corner tower is composed of three floors to include general office and a directors' room. A residence will be located on the same site. The property is now used for the disposal of the residue from the incinerator.

Taylor-Reed Corp. Planning New \$200,000 Plant Here If Rezoning Wins Approval

U.S. To Collect On Lend-Lease, Byrnes Says

WASHINGTON, (AP)—Lend-Lease officials here today said they will not be required to pay for the goods they have received under the program. "But they are on notice that they will be expected to make some kind of settlement," it was pointed out.

It seems probable they would be required to pay for the goods in the form of lowered trade restrictions, particularly the Japanese economic officials will arrive next week to discuss possible substitutes for lend-lease.

Byrnes made it clear in a formal statement issued yesterday that Congress saying the \$42,000,000 of lend-lease goods will be written off did not mean there would be no settlements of the kind now being made.

The State Department issued a press release today as a part of Byrnes' remarks this question.

"In light of the recent lend-lease reports, we are to assume that all lend-lease debts are to be cancelled and the only lend-lease settlements required are settlements for shipments unissued or undelivered at the close of the war."

To this Byrnes replied "there is no justification for that assumption."

He went on to say "we are not seeking paper contracts to pay dollars which will not be available to our debtors. But that does not mean that there are no lend-lease settlements to be paid."

Japs Relieved By Lack Of Disturbances

NEW YORK, (AP)—The Tokyo newspaper *Yomiuri Hochi* said today, according to a Domei broadcast received by the Associated Press, that the Japanese people are "breathing a sigh of relief, because misgivings entertained as to possible serious disturbances with the entry of the occupation forces have thus far not materialized."

The paper warned, however, that "where any difficulties ahead with the Japanese people in the terms and more reflection on past mistakes and more allegiance to allied terms will not help the situation."

Stating that the "basic form of our society is democracy," *Yomiuri Hochi* said the Japanese people as a whole had not been "fully trained democratically for self government on modern social lines."

The paper said the length of the occupation forces in Japan will depend on the question of how soon democratic government is established in Japan.

Mrs. McKeiver Named Head Of Youth Council

The executive board of the new branch, N.A.A.C.P. approved Mrs. J. M. McKeiver, 213 Waverly Avenue, Mamaroneck, as director of the Youth Council, last night at the season's opening meeting of the organization.

Other appointments were as follows: Marvin Mitchell, temporary chairman; Mrs. Mildred Kirtin, secretary; Violet Hodge, assistant secretary; and Robert Gude, chairman of the membership committee.

Discussing the organization's membership drive, the Rev. C. F. A. Kirtin, pastor of the Barry Avenue A.M.E. Zion Church, told Youth Council members they "need to have a sincere interest in the organization, which will involve the intellectual and political outlook of the community and its citizens."

Children of all races, colors and creeds should be encouraged to join, he said, and to become active members. Rev. Kirtin emphasized the "good credit" due Mr. Ludwig, Mamaroneck High School teacher, for his "invaluable" service to the Youth Council and his desire to see in helping establish the program for the coming year.

The next meeting of the N.A.A.C.P. is scheduled for Sept. 14.

Japs Were Urged To Continue Fight

TOKYO, (AP)—The Japanese today urged that for two days after Emperor Hirohito told his people the war was over, several planes evidently flown by fanatical suicide pilots—dropped pamphlets on major Japanese cities asking the people to disregard the Emperor's order and continue the fight.

A Tokyo resident, describing their action, said that the great majority of the people were shocked by the more thorough of the suicide pilots' message. The war was over, he said, but the war did not end quickly, he said, for lack of proper support.

3 Local Men Return Abroad Queen Mary

Three local men returned home yesterday from the European Theatre of Operations, arriving on the Queen Mary in New York. They are Staff Sgt. Robert Sterling and Pfc. Henry Shapira of Larchmont, and Sgt. William E. Paley of Mamaroneck.

Son of Mr. and Mrs. B. B. Sterling, 213 Waverly Avenue, returned overseas in February, 1943, and served with the Signal Corps in Iceland for 18 months. He is a graduate of Mamaroneck High School, Brookline, and enlisted in the service in April, 1942, after attending Colby College. Sgt. Sterling trained at Camp Crowder, Mo., for a year, married Dorothy Wale of Bayonne, N. J., in Chicago, was graduated from Mamaroneck High School, and entered the service in February, 1943. He is the son of Mr. and Mrs. Louis Shapira of 167 Waverly Avenue, Mamaroneck, employed at the Republic Aviation Corporation in Farmingdale, L. I. He went overseas two years ago and served at an Air Service Depot in England.

Sgt. Paley resides at 214 Waverly Avenue. He entered the service three years ago and was stationed in England. He was married in England, and lives in Aberdeen, Scotland, with a wife and three children, created with being 130 years old, died today.

Yeoman Buckett Among 315 Survivors Of Indianapolis, Saved After 5 Days Adrift

After weathering two attacks by Kamikaze planes and participating in more than a dozen major engagements of the Pacific war, the U. S. S. Indianapolis was sunk July 30 taking with her 883 of her killant men.

Among the 315 survivors was Yeoman 2d Victor R. Buckett, 120-K, son of Mr. and Mrs. Victor Buckett of 525 Haledale Avenue, Mamaroneck, who was rescued after five days in the water. He was taken first to a hospital in Palau Island where he was treated for exposure and abrasions of the legs and was later taken to Guam where he wrote his mother recently that he was feeling better and hoping to be home in a few days. He has received the Purple Heart for injuries he received in the attack. The Kamikaze attack was made March 31, the day before the Indianapolis was hit by a Japanese aerial torpedo plane and when the Indianapolis put in for repairs. Yeoman Buckett is a graduate of the University of Pennsylvania and was returning to San Francisco, before meeting disaster at the heart of the enemy. The Indianapolis downed nine enemy planes and sank one transport. The heart of the enemy was destroyed at Bellows High School and in the attack on the Japanese ship, the *Great Lakes* Naval Station, the 1942, receiving training at the Naval Academy in Annapolis, Md.

Nash Aboard Cruiser Hit By Aerial Torpedo

Aboard the U. S. S. Canbera when she was damaged off Eniwetok by a Japanese aerial torpedo last June was Pfc. Frank Nask of 306 Jefferson Avenue, Mamaroneck, it has been disclosed by headquarters of the First Naval District in Boston.

It was shortly before sunset Oct. 13, 1944, while the Canbera was in the protecting screen of ships around the aircraft carrier, which was recovering the planes following a raid on Formosa, that the big cruiser had held the task force. Three of the planes were shot down, and the other four began a run on the Canbera, which was making an emergency turn to cope with them. The big cruiser had held fire up to this point to avoid hitting other vessels. But now her anti-aircraft gunners found into action and quickly downed three of the attackers. The fourth succeeded in launching its torpedo before joining the others in a flaming crash into the water.

A huge ball of flame shot into the air 100 feet skyward when the missile exploded. One of the starboard side, killing one officer and 22 enlisted men, and injuring about 40 others, as boiler rooms were destroyed and engine rooms temporarily flooded. No other casualties were suffered by the U. S. S. Canbera during her eight months' action in the Pacific.

Pfc. Nask, who has been serving with the United States Marine Corps since Dec. 8, 1942, has received the Purple Heart for injuries to his ankle and back sustained when the heavy cruiser was hit.

He is the son of Mr. and Mrs. Frank Nask of the Jefferson Avenue address and a graduate of Bellows High School. He received Marine Corps training at Parris Island, S. C., New River, N.C., and Portsmouth, Va.

FHA Reports Home-Building Spurts Already

WASHINGTON, (AP)—Here are home-front highlights as the nation enters another week of peace. It is wonderful!

Private home-building is already well under way. The Federal Housing Administration said so. Bigspurt coming soon.

You may want to pay more for your clothes, shoes, pillow cases, etc. The big price rise will be in the number of people who applied for unemployment benefits in the week ending last Saturday.

Detroit 87,537, Chicago 59,401, Los Angeles 50,739, New York 48,229, Newark 37,883, Buffalo 25,117, Paterson, N. J., 22,870.

The figures were announced by the Social Security Board.

The Board also reported nearly 600,000 claims for unemployment compensation were filed in the week ended Aug. 26, bringing the total of claims then on file to 969,913.

Matumoto Talks On Radio Tuesday

The Rev. Taro Matumoto of Larchmont will speak Tuesday at 8:30 A. M. on the U. S. Craig Hour over Station WJZ, on the subject "Obstacles to Democracy in Japan."

Rev. Mr. Matumoto, who resides at the Lamson-Gable Apartments, is a member of the staff of the International YMCA and director of the retirement of Japanese American for the War Relocation Authority.

He was ordained a minister last year at the Dutch Reformed Church, Dr. Norman Vincent Peale in New York City.

To Pay School Tax

Judge Charles M. Baxter, Jr., of the Supreme Court of the State of New York, has ruled that the town of Mamaroneck is not liable for the payment of the school tax. The bill was mailed yesterday.

That just goes to show," Mr. Dixon commented, "that he's a good judge of school teachers."

YANKS IMPRESSED

YANKS IMPRESSED—Both American Army and Navy men are "impressed" by the extent of Japanese war installations in the Tokyo Bay area, Lieut. Gen. Robert L. Eichelberger, commander of the Eighth Army said today in a broadcast from Tokyo.

The Weather

Tonight increasing cloudiness, humid, with thunderstorms. Tomorrow fair and cooler with light to heavy showers. High tides today at 8:42 P. M.; tomorrow at 9:15 A. M. and 9:46 P. M.

Formal Signing Of Peace Terms Due Tonight

WASHINGTON, (AP)—The White House announced today that the formal signing ceremonies on the Battleship Missouri in Tokyo Bay will go on tonight at 8:20 A. M. and 9:15 P. M.

YOKOHAMA, (AP)—American troops extended their steel grip today over the cities of Tokyo Bay, the stage on which will be played tomorrow the greatest military pageant of the century—the final and formal surrender of the Japanese Empire.

Last of the actors to take their places were the Eighth Army men of Lieut. Gen. Robert L. Eichelberger, scheduled to begin their mass landings in the bay sector by nightfall tonight. A radio report said the landings already had begun.

At a backdrop there was the black horror endured by prisoners of war who had been held in their stockades of death and degradation with blood-freezing accounts of the war's cruelties inflicted upon them in the years when Japan was riding the crest of conquest.

Now, as the gaudy *Emperor*, the high official, surrendered, "the shoe was on the other foot." He and his staff who survived the forced surrender of the Philippines and the evil years behind enemy wires arrived to witness the Japanese surrender signatures tomorrow (tonight, U. S. Time) aboard the battleship Missouri.

Time had been made for the exact time of the ceremony was "discussed." But President Truman had decided to have the signing and states between 10 and 11 P. M. (U. S. Time).

The Sports Spotter

By ED NORTON

After just one look at the 1945 Mamaroneck Tigers in a non-scrimmage practice session, we are very much impressed with the way that Howard Smith is running things down on the Hill.

On paper right now, we are tempted to rate the Bellows Panthers a shade better than the Bengals but what do the books mean when the Tigers and Panthers clash again?

Smith had a good sized squad of about 35 players decked out in moulting the day before school opened and is exposing additions to the team as soon as the students are back in the halls of learning. On hand was a fine nucleus of veterans for the general ex-Bellows mentor to work with Chubby Pete Alera is back for his third season at the pivot post and should be all set to collect some All-County laurels this fall. Flanking the veteran center will be Bob Duller and Pete Bucklin, as fine a pair of guards as can be located in this area. Both boys have played varsity ball for the past two years and are big, smart and aggressive.

So far the tactics seem to be Smith's big headache. The two outstanding candidates for the tackle posts have yet to report. Coach Huber and Dick Bowers, both of whom have seen plenty of action at the tackle slots, are conspicuous by their absence.

The backs and ends are just so-so but nothing to rave about. Bob Green saw plenty of action last fall at the flank but still needs seasoning while Wally Frank, who has had limited experience, will need plenty of practice. Reserves in all these departments are another worry for Smith.

The backs? Well, they're big, a little green, but they are smart boys and might learn their way around before the Bellows game. Dick Doyle and Rocky Simpson seem to be the leading backfield prospects. Along with these two talented juniors, Smith can count on Jim McDermott, Joe Staropoli and a promising sophomore signal caller, a kid named Lightfoot, who might open a lot of eyes this

season or next. It will be a week or so before any sort of a line will be available on any additional talent that happens to find its way to Mamaroneck but it is rumored that Johnny Whitton, a talented prospect athlete at Salisbury School up in Connecticut, and Black School, may not do football but he will surely look good in an Orange basket ball outfit.

Some of Smith's old Bellows players have got Snitty's number. Some was discovered that the Bengals had employed 7 coaches in the last 3 years and have dubbed Smith as for 10 Smith. Come, boys Snitty may like Mamaroneck.

BODDS TO COACH
CHICAGO, (AP)—Giff Dodd, famous ruler and winner of the James E. Sullivan Memorial Trophy country team at suburban Wheaton on College this fall, Athletic Director Edward A. Corey said today.

With the playing of the finals of the women's doubles championship on Esther Day morning which was won by Mrs. Eunice Eaton and Miss Lavinia Edwards over the team of Joan Sharr-

ington and Don Dackertliff by a 6-3, 6-2 score.

Don Dackertliff won a hard-fought tilt from Robert Riegel by a 6-3, 6-2 score.

Don Dackertliff, a new-comer to the field of tennis produced some fine play in the finals of the girls' singles, to triumph over Jane Hughes, 6-0, 6-1.

The combination of Bud and Don Dackertliff won over the team of Joan Taylor and Fred Feuerbach by the score of 6-1, 6-4, in the Junior doubles championship, and in the boys' doubles final, Robert Riegel and Don Dackertliff scored a win over the Pete DeVinne-George McOwen combination, 6-1, 6-2.

Some of Smith's old Bellows players have got Snitty's number. Some was discovered that the Bengals had employed 7 coaches in the last 3 years and have dubbed Smith as for 10 Smith. Come, boys Snitty may like Mamaroneck.

Aileen Takes Manhasset Bay Yachting Race

Cornelius Shields, veteran Larchmont Yacht Club skipper, piloted his International Class slooper Aileen to a close win yesterday in the second regatta of the Race Week series sponsored by the Manhasset Bay Yacht Club.

In second place in the class was Bumble Bee sailed by Arthur Knapp while John T. Morris' Jacqueline finished in third place.

A fleet of 113 yachts, a banner turnout for the Long Island Club, went to the starting line and was favored by a fair southwest wind, not quite as strong as on Wednesday, the first day of the Manhasset Bay regatta.

In the S class J. M. Halstead's Fidget was the winner while the group as he sailed his father's Heron to a two-minute victory over H. G. Seymour's Victory.

Other victors in the 11 classes which raced included the Star Windward, Lighted Eye, Aye-Aye, the Rev. H. C. Benjamin's Handicap boat Pegasus, and the Snipe King.

The order of the finishes: International class—Aileen, Bumble Bee, Jacqueline, Frodo, Shephard, Alberta, Mischief, Aida, Belle, Alice, Maid of Honor, Jick.

Class S—Fidget, Felicity, Gale, Neptune, Woodcock, Kandahar, Victory class—Black Jack, Three Belles, Blue Streak, Salted Whisker, Ararat.

Other victors in the 11 classes which raced included the Star Windward, Lighted Eye, Aye-Aye, the Rev. H. C. Benjamin's Handicap boat Pegasus, and the Snipe King.

Lightning class—Aye-Aye, Victory, Star, Pegasus, Lighted Eye, 1983, Pequot, Lolo, Bonne Anne, Bellows, Care Free, Mary Ann, 2d, Bellows, Eileen, Sassy Lady, Helen W. Too.

New Bedford class—Night Hawk, Night Hawk 2d, Chalmar, Handicap (Division 6)—Pegasus, Kim.

110 class—Wasp, Stanley Bell, Comet class—Manhasset Bay, No. 206, No. 638, No. 638, No. 630.

Manhasset Bay One-Design class—Boston, Peelo, Hi Ho, Harry Cain, Solitaire, Zim, Penguin, Maybe, Carl, Foxy, Two, Bubbles, Typhoon, Hee, Sector class—Whitaker, Ace, Yankee, Nintuck, Wahoon, Easton, Fred, Don, Bottoms, Jip, Duchess, Salt Sack, No. 10.

Snipe class—Jinx, No. 3, D.N.F., No. 392.

TENNIS TEACHER, Mrs. Helen Willis Roark, costume net receives instruction in tennis at Birmingham General Hospital, Van Nuys, Cal. Left to right pupils are T. P. J. Pauley of New York; Pvt. Frank Connett of Texas, Ariz.; Dic. Theodore Carter of Glendale, Cal.; Capt. Edward Standler of San Francisco; and Dr. Chester J. Takawaki of Green Day, Wis.

Most Favorites Are Winners As Shore Club Net Season Ends

Favored entries came through in first class style in their respective division in the final rounds of the club tennis championships held recently at Larchmont Shore Club. One upset, however, was scored by Theodore and Robert Riegel in the men's doubles competition as the duo took over Walter "Bud" Dackertliff, Jr. and Fred Feuerbach in straight sets by a 6-4, 7-5 score.

The match was tight throughout and the issue was in doubt right to the final game with both competing pairs putting on rallies. The Riegel women, however, displayed the better headship and came through to take the set and match, although Dackertliff and Feuerbach managed to reach the final set.

In the men's singles championship, Dackertliff, Jr. once again repeated his victory of last season in defeating Fred Feuerbach by the tune of 6-2, 6-2. Bud's sound stroking from the back court proved a little too much for Feuerbach as time and again he was forced into errors.

Don Dackertliff won a hard-fought tilt from Robert Riegel by a 6-3, 6-2 score.

Don Dackertliff, a new-comer to the field of tennis produced some fine play in the finals of the girls' singles, to triumph over Jane Hughes, 6-0, 6-1.

The combination of Bud and Don Dackertliff won over the team of Joan Taylor and Fred Feuerbach by the score of 6-1, 6-4, in the Junior doubles championship, and in the boys' doubles final, Robert Riegel and Don Dackertliff scored a win over the Pete DeVinne-George McOwen combination, 6-1, 6-2.

ABC To Mark 50th Birthday This Sunday

NEW YORK (AP)—The American Bowling Congress will be 50 years old on Sunday and will stage a formal celebration that day at Beethoven Hall here, where on Sept. 3, 1895, a handful of New York and Brooklyn bowlers formed an organization which they named the American Bowling Congress.

The ABC has asked its 1150 city associations to stage 50th anniversary celebrations on any date they choose. Many have been held this summer, while 300 more are scheduled during the coming season.

The ABC boasts a million members in 45,000 clubs in at least 16,000 sports organizations in America, the largest in point of membership.

More than 95 per cent of the membership came from the east during the first four years, at which time western bowlers began joining at an ever-increasing rate, until in 1901 they assumed leadership. Today, the Congress is well represented throughout the nation except in New England and the Atlantic seaboard States south of Maryland.

The ABC's program at the Congress' birthday, Beethoven Hall, will start at 3 P. M. The ABC's organization meeting will be re-enacted as one program feature, enacted at the Congress' birthday of 1901, and Elmer H. Baumgartner, national secretary, will be among the many officers taking part in the anniversary celebration.

League Leaders Win By 14-2 As Heithaus Twirls 2-Hitter

The Elks and the Institute brought their schedules to a close last night in the Twilight Softball League and the former, leading circuit, won just about as they pleased. Fifteen hits and 14 runs bunched off Elk bats in the five innings in which the victors came to the platter.

Darkness put a merciful end to the massacre after the Institute got their links in the sixth.

The parade of Elks started in the first frame and came to a climax in the fifth when a total of 11 batters came to the plate and seven of them scored.

Three runs crossed the dish in the third and fourth frames, O'Neill tripled, Tallevi was hit on an error and then Bob Joyce, a free ticket added up to a total of 14 runs.

While the Elks were parading around the sacks the Institute took two hits in the first and second frames.

The fifth, however, was the payoff. Four singles, a triple and double added to three errors and a free ticket added up to a total of seven runs. Dick Joyce came to bat twice in the inning, hitting double the first time and providing the third out in his second appearance at bat.

While the Elks were parading around the sacks the Institute took two hits in the first and second frames.

The fifth, however, was the payoff. Four singles, a triple and double added to three errors and a free ticket added up to a total of seven runs.

Huntlers Slate Sunday Contest

The Larchmont Huntlers, champions of the Mamaroneck Kiwanis Baseball League, have scheduled a post-season game against the Red Oak nine of Greenwich, according to an announcement made yesterday by Bill Brady, chairman of the Kiwanis circuit.

The contest will take place at 3 P. M. Sunday and will be played on the Harbor Island diamond. It will probably mark the end of the local baseball season.

The Huntlers, under the leadership of Charlie Spore, will present practically the same team which won the local Kiwanis season with a record of 13 and one Seroo may strengthen the squad somewhat by the inclusion of Harold Deitz, former Bellows diamond star, but the remainder of the team will be the same.

The contest will take place at 3 P. M. Sunday and will be played on the Harbor Island diamond. It will probably mark the end of the local baseball season.

The contest will take place at 3 P. M. Sunday and will be played on the Harbor Island diamond. It will probably mark the end of the local baseball season.

(Continued from Page One)

her most prized possessions is a letter her father wrote to a friend in London, dated June 3, 1868, in which he stated that he had just purchased one and a half acres from the Tompkins estate as a site for his home. The letter was returned to the Moores from England several months ago.

The next marker was placed on lawn of the Barry Avenue School by Manager Johnson and Mayor Santoro. The committee was met by Miss Marie Haggerty, principal of the school since 1932. Miss Haggerty stated that the building was first used in the Fall of 1893 and consisted of four class rooms, an assembly room, a teacher's room and a store room. It had provisions for two hundred and fifty children. F. E. Bellows was the first principal. Mr. John was transferred to the Post Road school in 1913.

The next star was placed over the doorway of Central School where the committee was met by Superintendent of Schools T.

James Ahern and the principal Mrs. Arthur Eley. Mr. Ahern said that the school was built in 1888 as an elementary and high school and served Union Free School District No. one in that capacity until when the High School was built in 1912 when the school was completed. A further division was necessary in 1932 when the junior high school moved to its present building.

It is typical of the growth of the district," Mr. Ahern said, "that we now have three schools serving the purposes of one building in 1888."

Mrs. Arthur Eley stated that the first principal of the school was Samuel J. Preston, followed by Edward Shafer and that she had served principal since 1939. Arnold R. Manchester was a teacher for many years here and F. Colwell Conklin began his teaching in Mamaroneck in this building in the English Department. Albert E. Tuttle was the principal at the time the High School moved into its present quarters.

Mrs. Marie Constant met the party at the gates of the estate in Orienta which she said had been built by her grandfather, James Constant. His first wife was burned down while the family was in Europe in 1891. Miss Constant related that the present house was started in 1893 and finished and occupied in the Fall of 1898.

The last stop on the tour was made at the Delancy mansion on the Post Road at Penrose Road. This building is now occupied by the Cragton Tavern and a filling station. Albert Schroeter, the proprietor, showed the committee a signed document that the house was built in 1792. In the room where James Penrose Cooper and Susan Agnes Delancy were married on New Year's Day, 1811, now hang 35 steel engravings illustrating the words of Mr. Cooper in a class case were two first editions of Mr. Cooper's works "Home is Found and The Bravo," printed in 1836. While refreshments were served Mr. Fulcher told the group that this house had been built by John Peter Delancy on the site of his grandfather's house in 1792. Caleb Heathcote built his house on the crest of the hill in front of where the Woman's Club now stands. The Delancy house was built with money brought from England from the award granted to the Misses Constant by the King's Court of Claims in restitution for losses suffered by them at the hands of the patriots.

The Delancy claims were the largest filed by any one of the patriots. They amounted to the equivalent of ten million dollars today. Their award was the first granted to any American and it was the equal in value today of two million dollars.

Mr. Heathcote was host at a luncheon to the Historical Committee at the Capitol Restaurant at one conclusion of the marking ceremonies.

The Historical Committee has 200 markers which may be required free of charge by owners of buildings which were standing in the village in 1805. Application blanks may be secured at the Savings Bank, The Playhouse, and at the Village Hall. All persons owning buildings which qualify are urged to apply for a celebration marker and display it on their property. The marker is a white star 12 inches in diameter with the figure "50" painted on the face. Those to be used on a lawn are fastened to a stake and are to be attached to a building will be fastened with small nails. Delivery of the markers will be made immediately upon receipt of application blanks at the Village Hall.

TO FETE MONTGOMERY
BRUSSELS (AP)—Baroness St. Bernard L. Montgomery was to arrive in Brussels Wednesday to receive the keys of the Belgian capital and the Grand Cordon of the Order of Leopold, the British Army Public Relations Service announced today.

Our village history, rich in glamorous stories of the baronial splendors of the Richbelle, Heathcotes, returning home after the fact that the Delancy who was lord of the manor during the Revolutionary War found it safe to return to the village only because Mamaroneckers on their side of the river would not accept the Van Amringe gift if the heavy blood in Rye Neck on the Post Road, as the donor originally intended.

STARS AND STRIPES RISE OVER TOKYO—While Old Glory rises to the top of the staff over the U. S. Embassy in Tokyo...

and those other doughty Puritans as it is woven into the larger history of Rye, Mamaroneck and the Colony of New York.

It was important enough to stand as the subject of Beard's American classical historical study of communal living on the shores of a border town, Rye Neck should be studied to show the founding and growth of a community wherein what we call some American traditions were tested and tried.

That study must begin with the story of John Budd and what he found where he settled the West Neck, or Bud's Neck or Rye Neck—to give it all the names it has held in history.

It is of John Budd that we shall write tomorrow.

Aussies Report Jap Cannibals Ate Prisoners
The Australian Government in an official statement declared today that Japanese soldiers ate the flesh of American prisoners of war after they had been used for medical practice.

In other parts of the Far East stories of other brutal Japanese treatment came to light as hundreds of American prisoners reached safety and told of their existence in Japanese captivity. In an official document, Australian authorities disclosed that the Japanese had "resorted to cannibalism" against Allied prisoners.

The atrocity report said that Japanese soldiers used live American and Australian soldiers for bayonet practice and then while they were still alive sliced off their flesh for food. The report was prepared for submission to the United Nations War Crimes Commission.

RATIONING END IN DOBET WASHINGTON (AP)—Government food officials said today no date has been set yet for termination of meat rationing. There has been speculation that rationing would be ended Oct. 1.

will function under Gen. Clark as an army of occupation in the American Section of Austria, exercising military control over governmental agencies during the rehabilitation period.

The USA headquarters was formed from American personnel of the former 13th Army Group, an organization which, during the Mediterranean campaign, was composed of the American Fifth and the British Eighth Armies. Under the command of Gen. Clark, they fought their way through Italy and forced the unconditional surrender of the German Army in the Mediterranean Theater several days before the complete collapse of the enemy in Europe.

Navy Grants Overseas Duty Discharge Pts.

WASHINGTON (AP)—The Navy is lowering the gauntlet for 423,000 more prospective civilians.

Effective Saturday, it is adding credit for overseas service to its point discharge system: one quarter of a point for every month of service outside the continental United States since Sept. 3, 1950.

No change was made in the point totals necessary to qualify. Overseas credit is given not only for any duty outside this country but for assignment to any ship in commission.

Simultaneously with the Navy's announcement last night, the Army disclosed that it has set next February as the date for completing the return of some 2,000,000 unneeded troops from Europe. It added that more than 1,750,000 men would be back from the Pacific by June.

Other point requirements are 44 for male enlisted men, 49 for male commissioned aviators and officers, 29 for enlisted WAVES and 33 for WAVES officers, nurses and women doctors. Aviators previously were given a reduced score of 44.

In addition to the new overseas credit, discharge points are computed on the basis of one-half point for each year of age to the nearest birthday, one-half point for each month of active service since Sept. 1, 1950, and ten points for dependency regardless of the number of dependents.

USS New York Back In States

LOS ANGELES (AP)—The battleship USS New York, noted throughout the Fleet for its pluck and luck, has arrived at Los Angeles Harbor after lengthy Pacific action and the Navy says the fighting ship—veteran of two wars—is scheduled for decommissioning soon.

Aboard when it docked yesterday were 428 Navy men home from active firing in the Okinawa campaign, and earned her reputation by emerging from Pacific action with only slight damage from one kamikaze attack.

Unless quelling is held for purposes of giving evidence in other court cases, it is likely the execution will be carried out within three weeks.

Obituary

ANNA B. MATHIS
Mrs. Anna B. Mathis of the Alden House Apartments, died last night at the New Rochelle Hospital. She was 78 years old. She is survived by a daughter, Mrs. Helen Merritt, of Larchmont.

DEATH NOTICE

TREBAGLIANOVICH—Ruth, late an assistant in the office of the late N. Y. Belmont, wife of Ernest Trebagliovich, died at the St. Elizabeth's Hospital, 141 St. Nicholas Place, New Rochelle, on Tuesday, September 2, 1945. Interment, Woodlawn Cemetery.

Form School Band And You Will Find Children's Spirits

By ANGELO PATRI

Children need music to help them grow in health and intelligence. Rhythm is basic in life, and children respond to it instinctively. It makes all movements easier. It releases tensions that cramp the child's body and mind. It lifts the spirit and brings joy to the spirit. Music is essential to the good life of any school and the kind is one of the strongest supports any school can have.

No school that really wants an orchestra and a band need be without them. There is always a way. The goal being threads to a web begun. If there is a piano, a melodeon, an accordion, a juke box, any instrument that will make a joyful noise it will do for the beginnings of the orchestra and the banding.

Help Forwarding There is always a teacher eager to help. There is always somebody else by who has an instrument to give. Once the start has been made, help comes from all sides for everybody loves the band. The Board of Education may be the last to come to the aid of the music teacher but in times when they see that this means business, they will help.

Accept any child who volunteers and enthusiasm over his instrument though it is a drum that needs restraining of a harmonious that it mimics a few notes. Turn to the teacher-leader. Keep his part and let him feel he counts. He does it in the spirit of music you are summoning and that is a matter of the spirit, not the mechanics of the orchestra. The spirit comes first and when it is welcomed and set in honor, the rest follows.

Release Tension Find a place for the noisy boys who are a nuisance in the quiet class room. They are the ones who blow the bugles and play the trumpets and the cornets. They beat the drums and play the fife. Gather them in. Remember it is not for musicians that you create this orchestra and its band. It is for the release of tensions, the expression of a longing for something lovely that is being socked down in these eager children.

The musicians will gather about the teacher-leader. Keep them in the solid core of the group, and a salute to the sorely tried soul of the teacher-leader. Keep trying, keep working until you create this orchestra and its band. It is for the release of tensions, the expression of a longing for something lovely that is being socked down in these eager children.

New Orchestra At Glen Island Casino

A new orchestra moves into Glen Island Casino tomorrow night to remain indefinitely as the dining and dancing place of the Rochelle stays open and his wife.

Lloyd La Brie and his band formerly of the S. S. Normandie and the Hotel Tilt in New Haven, will follow Sherry Storck into the Casino. Mary Mack, a vocalist formerly of the Normandie, will be with La Brie's orchestra.

Short History Of Rye Neck And Its People

(Continued from Page One)

Necklers met once but many times stood alone for issues that today are taken for granted as fundamental threads in the warp and woof of the American pattern of life.

Rye Necklers for a time were alone on this coast in their determination that each man should own his own land, not be the tenant of a manorial baron on one hand or subject to the regimented way of communal living on the other.

Rye Necklers were the first men with the courage to build their settlements, bringing justice not from the Bronx to Greenwich was an Indian interest, howling wilderness. Rye Neck men's defiance against the graft of colonial governors finally broke up the political racket of patent payments in a rebellion which involved not only the colonies of New York and Connecticut, but went right up to the throne of England for settlement, bringing justice not from the Bronx to Greenwich was an Indian interest, howling wilderness. Rye Neck men's defiance against the graft of colonial governors finally broke up the political racket of patent payments in a rebellion which involved not only the colonies of New York and Connecticut, but went right up to the throne of England for settlement, bringing justice not from the Bronx to Greenwich was an Indian interest, howling wilderness. Our Men In Service

Promoted In Italy

74 Ernest Smith of Larchmont, recently promoted to present rank, is serving as a clerk in the plans and training section in the Naples office of the Fifth Army Base Section in Italy where tons of material are being reloaded.

He recently returned from the Army rest center in Nice, France, and expects to take a G. I. tour of Switzerland soon. He wears the Mediterranean theater ribbon with two battle stars, the Meritorious Conduct ribbon and the Good Conduct Medal.

A graduate of Westchester High School, he attended Tappan Service School in Boston and was employed as a department head by the Sears Roebuck Company, Cambridge, Mass., before he entered the service in March, 1942. After training at Camp Aberdeen, Md., he went overseas the following September and has been in Naples ever since.

The Peninsula Base Section is the main Army service Force in the Mediterranean Theater and was formerly supplied by the Fifth Army during its days of combat.

74 Smith's wife, the former Martha Chubb, resides with her father at 33 Concord Avenue, Larchmont.

Wins Higher Rank

Coxswain John W. Westcott, son of Mr. and Mrs. John Westcott, 501 S. Shore Acres Drive, Mamaroneck, has been promoted to his present rank while serving in the Pacific area.

A graduate of Admiral Billard Naval Academy, New York, Coxswain Westcott entered the service in February, 1942, and received his commission at Sampson Naval Station. He later received amphibious training at Norfolk, Va., before being assigned duty aboard an ARL. His sister, Marjorie Estaline, is a corporal in the Marines.

Long Way From Home

Nominated as the New York sailor farthest from home is Anthony J. Citrone of Mamaroneck, serving in equatorial waters aboard a Seventh Fleet Service Force unit.

Citrone is 28 years old, a ship-fitter first class and has been in the service 3 1/2 years. His home is at 122 Knickerbocker Avenue, Mamaroneck, where his wife, the former Eleanor Soriano resides. His arrival in Hawaii in 1942, with the invasion of Balikpapan, big Dutch oil center which the Japanese have operated since 1942. He reached there in a convoy supporting the Seventh Division of Australian Infantry and remained with personnel attached to an advance naval base.

VOL. XX—NO. 291

New Plant Wins Favor Of Chamber

Mamaroneck Body Asks Change In Zoning For Taylor-Reed Building

RESOLUTION PASSED

The Mamaroneck Chamber of Commerce yesterday went on record as favoring proposed zoning changes to permit the erection and use of a new plant by the Taylor-Reed Corp. at Rockland and Palmer Avenues in Mamaroneck. In a formal resolution, the Chamber called upon the Board of Trustees of the village to make the necessary changes to accomplish this improvement.

In the discussion of the subject the following points were brought out:

Mamaroneck might have been the home of Life Savers had they not been discouraged.

It was reported that before Readers Digest selected their present site they had been discouraged by another committee, which it is believed now regrets its action.

The approach to the City of Stamford has obviously been enhanced by the attractive Conde train, Coxswain Westcott entered the service in February, 1942, and received his commission at Sampson Naval Station. He later received amphibious training at Norfolk, Va., before being assigned duty aboard an ARL. His sister, Marjorie Estaline, is a corporal in the Marines.

It was further pointed out that according to a recent survey by the Chamber of Commerce, giving more the appearance of a school rather than a factory, will be well set back and attractively landscaped and will greatly enhance the approach to Mamaroneck, present and future, and it would still be subject to stringent regulations by municipal authorities. A study of the sketch of the proposed building indicates that the general appearance is giving more the appearance of a school rather than a factory, will be well set back and attractively landscaped and will greatly enhance the approach to Mamaroneck, present and future, and it would still be subject to stringent regulations by municipal authorities.

After hearing comments the following resolution was unanimously passed by those present:

"That the Chamber of Commerce, being mindful of the good and welfare of the Village of Mamaroneck, present and future, and feeling that only good will come of the development of the property at Rockland and Palmer Avenues, hereby goes on record as favoring the zoning changes of the Village to accomplish this improvement."

Members of the Chamber expressed their confidence that the village fathers may be depended upon to handle this matter for the good of the community as a whole, not forgetting the odds it was necessary to surmount to get the zoning change.

Cards asking for help have been sent to the men's organizations. Mr. Sillescu said today and added, "We should certainly collect enough paper to fill the three trucks that since future salvagers will be for the benefit of activities in the factories, salvage will no longer be a War Council project."

She appealed for individual organizations to do their best to help collect salvage after their offices, and no further directives are forthcoming. The State committee terminates Sept. 30 and the County organization will close on Oct. 1.

Home From Italy

Lieut. Robert C. Neely of Larchmont, who is serving since last October with the 13th Air Force in Foggia, Italy, is home on a 30-day leave. The son of Mr. and Mrs. Neely of 5 Soundview Drive, Larchmont, wears the Distinguished Flying Cross, the Air Medal, and the Presidential Unit Citation ribbon.

A graduate of Mamaroneck High School, the 21-year-old Flying Fortress pilot was attached to the 99th Bomb Group. He will report to Greeneston, N. C., on Sept. 25.

He was formerly associated with the Chase National Bank, New York, before he was discharged in February, 1943. After training at Miami, Fla., James was assigned to the 99th Bomb Group, where he was shot down in Italy in 1944. He received further training at Maxwell Field, Tex., before he went overseas.

Rye Neck Families Of Today Trace Ancestry To Settlers Who Took Over Indian Land

Waste Paper Still Wanted In Larchmont

In response to many requests from residents of Larchmont and the Town of Mamaroneck, the Larchmont Information Center of the Chamber of Commerce has called a meeting of the collection of tin cans has ceased but there is still a great need for salvaged paper and fat.

The Salvation Army will continue to pick up paper the first Wednesday of each month, with the next collection scheduled Oct. 3 and 10.

Herbert M. Rogers, chairman of the Board of Education, said that the Board of Education is planning to hold a meeting of the Consumer Staff for Thursday, Sept. 29, at 10:30 A. M. at headquarters on 141 Larchmont Avenue.

Dr. E. H. Tamm, a great-grandfather of John Budd, the founder of our community, was indicted for her cooking that George Washington's diaries reveal that more than once he had to go to the jail.

Charles Warren, director, and Miss Frances Rentcher, assistant in arts and crafts, were named last night by Superintendent T. James Abern, who presented the report to the school board.

The Village of Mamaroneck is "very green" with the loan of their tractors. He added, "I hope he served in a Quartermaster's position of the Ninth Air Force."

Registration by schools was last year. Central 22, Mamaroneck 19, and 184 and 100 respectively.

Bad News Of Tax Refund And Boiler Repairs Mar 1st School Board Session

The good news contained in the registration figures, the Summer recreation report, the "evolution" of the school buildings and Dr. R. E. Machan's report on the new Board of Education at the completion of examinations and X-rays of school personnel, were offset by a few items of bad news in the way of tax refunds and unexpected expenditures.

As President Charles W. Pease evoked the second session of the new Board of Education last night at the Senior High School.

About \$13,000 representing taxes from 1935 to 1943 will have to be refunded to the Larchmont Manor Park Society as a result of the recent decision of the Court of Appeals that the property is tax-exempt. The revenue from the bath house, Superintendent T. James Abern pointed out.

Following a minute check of the current bills, Luther Nelson, chairman of the Finance Committee, authorized their payment amounting to \$25,568.64, after assurance from Albert MacArthur and Mr. Abern that they had been previously checked for "quantity, quality and accuracy" of merchandise requisitioned.

Mr. MacArthur was commended for his "very fine" job of examining and X-raying all teachers, food handlers and school employees in the six schools, before the opening day of school.

Two Larchmonters arrived home today about the John Excision from the ETO. They are Sgt. Robert B. MacArthur, son of Mr. and Mrs. Chester W. MacArthur of 1 East Avenue, and Pfc. Duran A. Conroy, son of Mr. and Mrs. John H. Conroy of 30 Marcellus Avenue.

Sgt. MacArthur, who took part in four invasions during his 20 months service with a Signal Company in France and England, was married last March to Miss Rita Raines of Bradford, England, following his graduation from Mamaroneck High School, the 21-year-old sergeant received training at Fort Monmouth, N. J., and in South Dakota before going overseas in December, 1943.

He recently served with the 87th Air Engineering Squadron. His wife, formerly a radar operator with the Leading Aircraftman, followed him soon to this country.

Pfc. Conroy entered the service in 1942 and was assigned to the following September, after training at Camp Lee, Va. A graduate of the Edgewood School, New York City, in 1934, he is a member of the National Rifle Association. He was formerly associated with the Singer Sewing Machine Company, White Plains, N. Y.

MIAMI, Fla. (AP)—Fourteen Navy mines today were in the crash of a big four-engine Privateer which, with one engine afire, was blown overboard in a heavy rain by radio. One man was captured by the plane's parachute.

The man who jumped was W. J. De Roche, a 26-year-old radio man, who attempted to rescue his comrades but was driven away by a force and explosion.

The Weather

Tonight, partly cloudy and cool, lowest temperature near 50. Tomorrow, partly cloudy, moderate temperatures, low humidity. High 62, low 47. (Forecast for tomorrow, 5:36 A.M.; 4:14 P.M.)

PRICE FIVE CENTS

Nazi Ambassador Caught As Bag Of Prisoners Grows

TOYO, (AP)—American occupation authorities tonight pressed a list of wanted men to include seven of the notorious Black Dragon Society's top terrorists, ordered released by being named in a secret organization, which the Japanese claimed had disbanded more than a month ago.

While the roundup has increased the number of wanted men, Lieut. Gen. Masanaru Homma, who sanctioned the murderous death march at Bataan, fled to his last home off the northwest coast.

Stalmer Caught

One of those caught, however, was Friedrich Georg Stalmer, German Ambassador held captive responsible for bringing Japan into the war, according to the Pearl Harbor assault.

Stalmer came to Tokyo in 1943 as a special envoy on the Axis side, who visited him at his apartment in the city. He was a personal assistant to Nazi Foreign Minister Joachim von Ribbentrop.

Tojo, who attempted suicide yesterday, admittedly to escape trial as the main Japanese war criminal, but who missed his bid to flee to Japan on a plane taken from a downed American fighter, rallied strongly tonight against the American forces.

Doctors, who had said he had a "brain-oven" disease, have declared his condition "very satisfactory." Tojo himself is strong enough to thank those who care for him.

The blood donation came from Sgt. Robert B. MacArthur, son of Mr. and Mrs. Chester W. MacArthur of 1 East Avenue, and Pfc. Duran A. Conroy, son of Mr. and Mrs. John H. Conroy of 30 Marcellus Avenue.

Jr. High P.T.A. To Stress Safety In Year's Program

The Mamaroneck Junior High School Parent-Teacher Association will emphasize safety and discipline this year...

Stress on safety is desired by the Parent-Teacher Council, Mrs. Land stated, announcing also that the P. T. A. theme this year will be "Community Cooperation."

Concern about safety was also voiced by Hoyt Smith, Junior High principal, who urged that prompt action be taken by the P.T.A. to cooperate with the school in its bicycle safety program.

Two new class representative chairman introduced were Mrs. Harry Bruckner of 405 Grant Terrace for Mamaroneck, and Mrs. William C. Doscher of 94 Ely Avenue for Larchmont.

Arrangements were completed for the year's calendar of events. The calendar will be published and ready for distribution to members of the Junior Section of the P.T.A. on Wednesday, Sept. 26 at 8:15 P.M. at the first general meeting.

Three officers of the Student Council will discuss their organization at the first general meeting, Wednesday, Sept. 26 at 8:15 P.M. at the first general meeting.

Guest speaker will be Mrs. Irene Schiller, who talked on "Beauty in the Making," stressing the importance of bodily health, wardrobe, accessories, proper makeup and posture.

Our Men In Service

At Lake Placid.

Set. Jorgen O. Pedersen, son of Mr. and Mrs. James Pedersen of 201, Jensen Avenue, Manamorneck, has reported to the Army Ground & Service Forces Reorganization Station at Lake Placid, N.Y. His wife, Mrs. Alice Pedersen, and two children, Joseph, 6 months, and James, 2 years old, also reside at the Manamorneck address.

Set. Pedersen entered the service in November, 1942, and served overseas for 10 months, 5% of which were in a German prisoner of war camp. He went overseas in August, 1944, with the 104th (Timberwolf) Division and participated in the campaigns in Holland, Belgium, and Germany. He has been awarded the Good Conduct ribbon, the Bronze Star Medal, the Purple Heart and the European Theatre ribbon and the Combat Infantry badge.

O'Donnell At Hospital
Sgt. Robert E. O'Donnell, husband of Mrs. Mary S. O'Donnell of 200 Stuart street, Manamorneck, has arrived at the Army Air Forces Convalescent Hospital at Ft. Belvoir, Mo., where men from all theatres of operation are reconditioned for return to military duty.

O'Donnell served in the Pacific theatre of operations for more than 20 months. Before he left for the service he attended Rutgers University, at the Convalescent Hospital, he will be given an opportunity to engage in physical fitness activities and to follow a fully planned course of instruction in both academic and technical fields.

Hydri In California
Seaman 2nd Class Frank Hydri, son of Mr. and Mrs. Stephen Hydri, 159 Forest Park, Lake Placid, N.Y., left recently for Shoshone, Calif., after a week leave at home to await further orders.

A graduate last June from Manamorneck High School, he was promoted on the library staff to be the service clerk before the graduation exercises. His family received his diploma for him. He received training at the Naval Training Center at Sampson, N.Y.

Ensign Loh In Norfolk
Ensign George Loh, 20 who was graduated last month from the Columbia Middle School in Norfolk, Va., reported Aug. 28 to the Naval Training Station, Norfolk, Va., where he will undergo instruction for duties aboard a destroyer at the Atlantic Fleet Training Center.

The son of Mr. and Mrs. Lester Lay Loh of 18 Bridge Street, Lake Placid, N.Y., was graduated from the St. Ann's School and entered the service in June, 1942. He was called the following November. Before he went to Columbia he was training at Yale University and Princeton University under the Navy V-12 program.

His three brothers are also members of the Armed Forces. Lester, Jr., 24, is a quartermaster third class, and Richard, 17, is a seaman second class in the Navy. Robert Daniel, 22, is a private first class in the Army.

Promoted To Corporal
Corp. Dudley D. Goulden, Jr., son of Mr. and Mrs. Dudley D. Goulden, Sr., of 115 West Avenue, Manamorneck, has been promoted to his present rank at Harrington Army Air Field, Arlington, Tex. Corp. Goulden is now opening a 15-day furlough at home before returning to Texas.

Entered the service in March, 1944, and has received previous training at Biloxi, Miss., at Columbus, Miss., and at the University of Belknap, N.H., Class of 1938. Corp. Goulden was employed by the Hemlock Corp. in Port Chester, before entering the service.

Sgt. Winkler Discharged
Sgt. Alexander W. Winkler, son of Mr. and Mrs. Michael Winkler of 815 Carpenter Place, Manamorneck, has been discharged from the Army Air Corps at Fort Dix, N. J., after over 18 months of service in the European Theatre of Operations.

A graduate of Manamorneck High School and former student at New York University, he was employed by the Standard Oil Company of New York before enlisting in February, 1940.

Salvage Committee To Disband Soon
The New York State Salvage Committee will be dissolved Sept. 15, and the Westchester County Salvage Committee will follow suit on Oct. 1, according to a statement announced by James H. Jones, county salvage chairman.

Contrary to the announcement in yesterday's Daily Times, the War Council will continue to operate until the government act which created it has been rescinded.

VOL. XX—NO. 292

Chest Campaign Sets Single Day Drive To Raise \$23,500

Budget Remains Same; Campaign Slated Oct. 14

A one day fund raising campaign for the Community Chest to be held Sunday, Oct. 14, was decided upon by the board of the Manamorneck Chest at a meeting last night at the Elks Club. Following last year's successful campaign of a one-day drive it was decided to repeat the program this year with preliminary work by campaign workers throughout the five days preceding Oct. 14.

A budget of \$23,500, similar to last year's goal, was adopted by the board. The expense of the National fund for this year, the War Fund, last year, will go to local agencies and \$13,500 to the National War Fund. The decision to repeat the drive for the National War Fund's request for the full \$23,500 was arrived at after repeated discussions with the War Fund executives by Leo Helms, president of the campaign, and Samuel Stearn, campaign director.

"Judge George Smyth, county War Fund executive, explained the need to carry the war chest, that as soon as the Japanese War was ended Fund executives requested national budget figures and decided to make no reductions because this will be the last campaign by the War Fund.

"Always we raise this year will be used to carry the war chest through liquidation to Jan. 1. The war fund we raise this year will be spread over 18 months. The National War Fund requested the liquidation of this year's campaign its final one to raise sufficient funds to support the war chest for the period beyond a year from now so that none of them might face the possibility of having to raise independent campaigns later on to raise funds to conclude their liquidation of the war chest. The agencies will be possible again this year, after this year's fund raising, after this year we meet their full needs for this year.

"In accepting our full quota at part of Westchester's full quota of \$786,000, the same as last year, the Manamorneck Chest, in the amount, as is the case in some communities where the goal is set high and the liquidation of the amount actually needed. In other words we are not asked to raise more than our share to carry some other area that falls down on its quota.

"The Manamorneck Chest will accept a quota of \$800 for campaign expenses and \$100 for a contingency fund. It was stressed last night that all contributors should be assured again, as insurance is necessary, that all collectors are volunteer and that expenses are only those for printing, postage and the like, with a nominal cost for office management.

In reference to the strong desire of the board to grant more support to the local agencies, Mr. Stearn last night cited the fact that the Manamorneck Community Chest, if it exceeds this year's quota in collections, has the right to allocate some of its own money to Manamorneck's own local agencies where the need is proved.

Board members last night agreed, for example, that in the case of United Hospital, board members would have to allocate \$6,000 this year and that in case Manamorneck's collections exceed \$23,500, an extra allocation could be made to the hospital. Mr. Helms stated that the benefit of other agencies was also discussed.

In the motion of William Y. MacDonald, chairman of the budget committee, the board of the 1944 Chest books by the firm of Bergen & Co., a Shore Acres resident, was accepted. The financial statements for last year are open for inspection by any member of the Chest. Mr. Stearn stated that both Mr. Sherman and Mr. Helms have stated last night that they are now ready to disband the Chest. He stated that district leaders are to attend meetings of campaign workers as rapidly as possible for district campaign meetings are decided upon.

MEMBER OF THE ASSOCIATION OF NEWSPAPERS

Lt. Greene Lost In Air Over China

Flyer Reported Missing Transporting Troops On 24th Birthday

IN INDIA ONE YEAR
Lt. Bradlock Greene, Army Air Corps pilot with more than 1,000 hours in the air, has been reported missing over China since Aug. 31, his 24th birthday anniversary. He is the son of Mr. and Mrs. Stanley R. Greene of 50 Kane Avenue, Larchmont.

Stationed in the CBI theater since September, 1943, at the India Air Base, Lt. Bradlock was transporting troops over China's mountains.

Lt. Greene, who was awarded the Merit in March, 1943, was listed in the Air Corps in January, 1943, and was commissioned in February of the following year. (Continued on Page Three)

Village Repairs Over 2 Miles Of Roadways

More than 11,500 feet, or nearly a quarter mile, of roadway in the Village of Manamorneck have been resurfaced during the summer, according to Ralph M. Robinson, superintendent of highways.

Each year, the village repairs some of its roads, but if funds were available, Mr. Robinson pointed out, the complete job could be done every three years. This work has been done in Harbor Heights and Bay Neck. At the present time, the Westchester County Department of Public Works is replacing curb stones on Palmer Avenue near the Post Road.

On Barry Avenue, just south of the Post Road, the Westchester Highway Company is replacing gas mains that have worn out.

For part of the right-of-way to complete the task of resurfacing the village streets, 3,000 cubic yards were used with 120 yards of crushed stone. To repair the roads, 25,000 feet of tar were used, according to Mr. Robinson.

Streets Improved were Urban Street, Gerard Street, Warren Avenue, Tanager Avenue, West Street, Arlington Street, Grant Terrace, parts of Knickerbocker Avenue, parts of Florence Street, Lawrence Street, Arthur Street, parts of Lincoln Avenue, parts of White Plains Road, Beach Avenue, White and Hill Street.

3 Larchmont Men Depart For Induction

Three Larchmont men left yesterday at 8 A. M. at the Westchester Post Exchange and boarded the 8:45 A. M. train for New York. They were Arthur F. Brandon of 1800 Palmer Avenue; Paul A. Frey of 173 Rockingstone Avenue; and Peter D. Dibble of 61 Cooper Lane.

Eugene Riviere presented the men's utility kits to half of the American Red Cross. Mrs. Emil Tretzler, vice chairman of the Larchmont Branch, ARC, and Mrs. Conrad B. White of the Home Service Corps, were present.

Rye Neck Citizens Carry On Old Tradition By Combining Farming With Regular Trade
(EDITOR'S NOTE—This is the fourth article in a series on "A Short History of Rye Neck" written by Maurice McKernan, Daily Times Staff writer. The fifth and concluding article will be published tomorrow.)

NEW YORK MILITARY GREET NEW LIGHT; JAPS SPUR ROLL UP

Tokyo To Tackle Task Of Bagging Own Nationals

YOKOHAMA, (AP)—Japan has given the authority to round up her own nationals named on Gen. MacArthur's "wanted" list. Eighth Army headquarters said today the Japanese Government had asked permission to do this and to turn them over to the U.S. To do it, the Japanese Government will use American arresting officers posted on duty.

Eighth Army officers were rounding up a few others on the list, however, and made it clear that unless the Japanese acted promptly to pick up the men sought and turn them over to the Allies, Americans would proceed to arrest all named on the list.

TOKYO, (AP)—Gen. Hideki Tojo, like the Japan he embarked upon a disastrous war, looked hopefully today toward recovery from a grievous wound.

As Tojo, raised to a semi-sitting position, ate his first food since he attempted suicide Tuesday last, he was surrounded by others who had played major roles in the Japanese attack on Pearl Harbor either being rounded up or being doing a more effective job of self-elimination.

The Navy Minister in Tojo's infamous "Pearl Harbor cabinet" was Shigetaro Shimada, surrendered to the Allies and became an American officer.

Harbert Willets of 18 West Drive, Larchmont, has been appointed general manager of the Eastern Marketing Division of the Socony-Vacuum Oil Company.

Mr. Willets has been with Socony-Vacuum since he was graduated from Union College in 1923. He was formerly assistant division manager in Buffalo, later in Philadelphia, and from 1936 to last March, was general manager of the New York City office.

Mr. and Mrs. Willets, former Philadelphia, moved to Larchmont in 1934. They have three children, Herbert, Jr., and their daughter, Constance, who is a member of the Freshman class at Skidmore College.

Disease Incidence In Comity Lower
WHITE PLAINS.—Only a few cases of contagious diseases were noted last week according to the report of the communicable diseases division of the Westchester Health Department.

For the first time this year no cases of streptococcal sore throat, which includes scarlet fever, were reported. There were seven cases of whooping cough, six cases of pneumonia, two of measles and one of chickenpox.

Col. Wilson is married to the former Louise Geddy of Manamorneck and they have one daughter, Mrs. Willetts. Her daughter is now residing in Brooklyn.

Sedan Charred During Dump Fire In Larchmont
A fire in a burning dump in the back of the garage at the Larchmont Post Exchange, 815 West Boulevard, Larchmont, called out the Town of Manamorneck Fire Department at 8:10 last night. A sedan, owned by Raymond Richardson of 150 East Garrison Street, Larchmont, was slightly charred. The blaze was extinguished within ten minutes.

TOP NAZI DIES
LONDON, (AP)—Field Marshal Ernest Blich, tall, bald commander of all Nazi forces in northern France, died at the age of 68 in a hospital in Paris at the end of the war in Europe, died in a British military hospital. He was killed by a British plane on July 17, the War Office announced today. War Hero Given Noisy Welcome In Manhattan

NEW YORK, (AP)—A 17-year-old hero of the war was given a noisy welcome from New York's cheering millions today for Gen. Tojo's capture. The hero, Gen. Tojo, was taken to the Waldorf-Astoria Hotel where he will be greeted by Mrs. Wainwright at his side, and greeted by Mayor F. H. LaGuardia, Col. Eugene S. Gillespie, head of the ATC installation at the Waldorf-Astoria Hotel, and other members of the city's official reception committee.

With more than 30,000 spectators jamming the airport's quarter-mile observation deck and gathered there for hours along the blocked streets to city hall, then to the Waldorf-Astoria Hotel where he will be greeted by Mrs. Wainwright at his side, and greeted by Mayor F. H. LaGuardia, Col. Eugene S. Gillespie, head of the ATC installation at the Waldorf-Astoria Hotel, and other members of the city's official reception committee.

Culbertson To Open Year For Peace Council

The impact of the atomic bomb upon the United Nations Charter will be discussed tomorrow evening by the man whose plan for an international police force and quota system became the basic concept of the Security Council Military Committee as written into the Charter at San Francisco. He is Ely Culbertson who will appear on the forum platform for the opening year of the Larchmont Council for Peace Planning's third season, at 8:30 P. M. at the Chatsworth Avenue School.

Mr. Culbertson, author of "Total Peace", a volume devoted to the discussion of "what makes war and how to organize peace," will also appear on the platform with Grayson Kirk, executive officer of the committee which set up the Security Council and predecessor of government at Columbia University. The two experts will lead a discussion on "The Charter and the Bomb."

Mr. Culbertson, who turned a bridge hobby into a profession in order to devote his life to the field of social sciences and mass psychology has been described by Reader's Digest as "one of the world's great geniuses and international background."

One of an American mining engineer father who founded the Russell Oil Fields of Grady in the Oklahoma and later the daughter of a Cossack general, Mr. Culbertson, like Dr. Kirk, a former student of the Ecole Libre Des Sciences Politiques of Paris, and a Graduate of the University of Paris.

His book on "Total Peace" was favorably reviewed by outstanding writers including Dorothy Thompson, the Eastman writer, Burton Rascoe. He has appeared on the leading lecture platforms since 1941 promoting the welfare of the United States, as well as many college and educators' conventions in Manamorneck. President of the Peace Council, and executive secretary of the Manamorneck Federal Savings and Loan Association, he was active in many local civic organizations.

Mr. Culbertson served with the American Expeditionary Force in France in the last war. Col. Wilson, then a captain with the 16th Infantry, First Division, was awarded the Distinguished Service Cross, the French Croix de Guerre, the Purple Heart and the Silver Star with an oak leaf cluster.

On June 24, 1942, he was commissioned a major in the AEC and went to the New York Fort of Embankment as assistant town manager officer. In December of that year Col. Wilson became chief of staff and in January, 1943, was promoted to lieutenant colonel. He received a promotion to the rank of full colonel in December, 1944, while stationed at the New York Fort of Embankment.

Col. Wilson is married to the former Louise Geddy of Manamorneck and they have one daughter, Mrs. Willetts. Her daughter is now residing in Brooklyn.

FOUR TIES KILLED
AYER, MASS. (AP)—Four ties were killed in a crash today in the air-manning company in the pre-war struggle with the engineers who walked out yesterday remained away from their jobs.

Engineering executives and their union announced that the strike would be called off today. The engineers walked out at 8 P. M. yesterday, saying they were on strike because of a "union-wide" service and causing cancellation of some programs.
