EAST END MENTOR STARTS SEARCH FOR ACE THROWER

LARCHMONT SLOOP FIFTH IN REGATTA

Deacon's Armade, Representing Western Sound, Trails In Star Series

With two races in a series of five remaining in the Atlantic Coast championship for Star Class sloops, Arthur Deacon of Larchmont has his Armade, representing Western Long Island Sound, in fifth place with little chance of overtaking the leaders.

Armada, ranked fourth in the Y.R.A. standings behind Frank Campbell's Rascal, A. Feelin's Ace II, and Rowley Everett's Boat, has completed 23 points thus far in the series, but first-place honors are currently chased by Harold Haines's Chumbeek of the Atlantic Yacht Club and Eddie Ketchum's Draco II of Great South Bay. Haines has won two races, the first and the third, while Ketchum captured the second.

In third place is Bill Picken, defending champion, with 20 points. Right behind him comes Harry Mulvihill's Sunbeam II of Monticello Bay, in his Fo-Po, with 20 points.

RACING YACHTS JOIN SUBMARINE SPOTTING WORK

ON EAST COAST PORT (AP)—Once their sleek hulls cut the peaceful waters of Long Island Sound and Bermuda to fly for silver regatta cups, but now these ocean-going sloops are ever-ready after bigger game. Axis submarines are their quarry as they range the Atlantic coastal waters daily in the role of auxiliary "eyes" for the Coast Guard, and the ships of these one-time pleasure craft are finding it's no job for prima-donna yachtsmen.

Larchmont boats join the tough old oystermen, young college graduates and independent yachtsmen, members of the Coast Guard Reserve, making up the crews of the Larchmont, New York, Stamford and other yacht clubs and they provide of their coast guard ratings than of any old trophy.

"Some fellows came down here for a yachting cruise and folded up when they got out into the ocean," said one member of the coastal picket patrol, Fragar B. Wildt, Jr., 29-year-old son of the president of the Commercial Insurance Company, Hartford.

Take Up Stations Sailing out of the yachts take up stations mile out in the Atlantic and are well-shored out for a week or so, stretching while their crews await the sea for underway. They are signing a sub or unidentified plane, the weather, and radio-telephone to Coast Guard stations ashore and to headquarters of the Eastern sea frontier, which maintain defense forces.

Lt. Rufus G. Smith of the Coast Guard Reserve, commanding the picket patrol, said he had almost 100 men serving in the fleet but that he needed many more, as well as more sailing vessels, to help keep enemy submarines away from the coast.

RYE NECK FANS BEMOAN INJURY TO EDDIE DOLAN

Here and there on the local sports front the spirit and enthusiasm shown by the candidates for Mamaroneck High's grid team yesterday was genuine. These boys are out to make "Tues" force last year's poor season. Coach Clair Curtin was decked out in baseball pants and athletic shirt while Howard Smith, Bellows mentor, was content with his Summer clothes. At least, until he was, then get cooler. Panther backers are bemoaning the loss of Eddie Dolan, whose recent operation will dock him for the duration of the season, but there are plenty of other good backs to give Greenburgh, Mamaroneck, New Canaan, etc. lots of trouble. Among them are Gene Donelli, baseball and basketball ace, Tillo Santangelo, regular back in 1940 who was injured before last season and did not play, and John G. O'Brien, who was on the track team.

Another good benefit will be played Sunday when Mamaroneck Country Club puts on a colorful mixed foursome costume tournament, proceeds of which will go to the Red Cross Red Cross. On Saturday,

Smith Stresses Fundamentals As 25 Boys Answer Call At Daniel Warren

With the words, "Give no quarter and take no quarter, but play the game as a sportsman would," Coach Howard Smith opened his first session at the helm of the Bellows grid ship yesterday when 25 young hopefuls turned out in a huddle for their first practice session of the season at Daniel Warren Field.

The squad is expected to swell to more than 40 when school opens next week, the annual turnout yesterday being due to the fact that several of the candidates are still out of town and others are working in town.

Dolan out For Season Substantiated for the same team which took the field last season has returned this year, with an important exception. He is Eddie Dolan, the Panther's outstanding back, who recently suffered a ruptured ulcer and will not be permitted to play this year. He is reported to practice in strict bedclothes, however, and will probably be around to cheer his mates on.

Lost from last year's squad are Backs Tom Pote and John Gish, the latter being a member of the Eddie Bascom's Packies Mike Tull and Bill Beecher, the latter now in the Navy, and Guards Dick Bouch, who has moved to Chicago.

Looks For Passer Coach Smith lost little time in starting a search for an offensive passer as he put his charges into line for their first practice. He had only in shorts and football shoes, through their practice, the position is that passing is a necessary complement to a running game, and he intended to spread the defensive alignment of the team.

Those answering the pre-season call are the following: Backs Gene Russell, Norm Orman, Dick Orman, Jack Gedney, Bob Smith, John Garcia, Charlie Higley, Tillo Santangelo, and Terry Mitter; Guards Frank Sauer, Bob Marston, Dick Cole, Jim Murphy, Brother Brown, Dick Carpenter, Frank Burns and Ray Morris; Guards Frank Nask, Bill Corrigan, Al Herman, and Shory Geisler; and Centering Spotters Dave Russell.

Coaching practice sessions will be held until the opening of school, when they will be shifted to the afternoon. Only one game will be played before the opening contest with the 1942 Bellows High School football schedule.

Bellows 1942 Grid Season Schedule

Here is the complete 1942 Bellows High School football schedule:

Sept. 26—Greenburgh, away.
Oct. 2—Mamaroneck, home.
Oct. 10—New Canaan, away.
Oct. 17—New Rochelle, home.
Oct. 24—Rye, away.
Oct. 30—Yorkton, away.
Nov. 7—Harrison, home.

The 12th, Bonnie Blair Country Club will hold its 17th annual WWV which is a day affair along Scotch lines. Players will be dressed in kilts, a Scotch kiln band will be present, and there will be plenty of food and drinks to help the participants forget the war momentarily. This year's Westchester Kennel Club dog show at the Westchester Country Club, Chappaqua, N. Y., will be the benefit of the Navy Relief Society.

The Mamaroneck All-Stars, pressed to find an opponent for Sunday, will have to travel to get one. The Scarsdale Baseball Club, managed by Walt Crane, wants to play the All-Stars at Scarsdale, but doesn't think so much of the idea of playing at Harbor Island.

JUNIOR BEARS WIN MIDGET LOOP TITLE WITH 6-4 WIN

Breaking a 23 deadlock in the last of the fifth inning with a three-run surge, the Junior Bears yesterday won the championship of the Midget Softball League by taking the final playoff game, 6 to 4, at Forest Hills. The game was a close one, with the Junior Bears leading 3-2 in the fifth inning. The Junior Bears were led by catcher Ted, who drove out three hits, took a one-run lead in the first, only to have the Mamaroneck team tie the score in the third. The Bears came back with two in their half of the same frame to take a 4-1 lead, but Mamaroneck again tied it by scoring twice in the fifth. Then came the winners' big rally. One run was all the Mamaroneck could score thereafter.

POLICEMEN DOWN LAUNDRYMEN, 3-2

Mike Circo Drives Out Circuit Clout For Winning Team

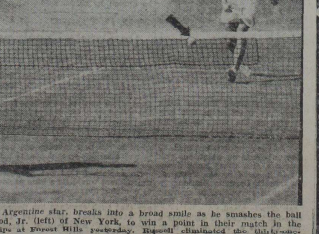

The Mamaroneck Police Department scored a victory over the Laundrymen in a tight pitcher's battle, 3 to 2, last night at the Carroll Avenue School field. With the losers enjoying a 2 to 0 lead in the fifth, Mike Circo stepped up to the plate with a teammate on base and hit a long home run to tie the score. The Police then pushed over another tally to win the game.

AKRON YOUNGSTER TENNIS FAVORITE

Little Shirley Fry Captures Fans' Fanc' With Win At Forest Hills

NEW YORK (AP)—There always is something immensely appealing about a youngster competing against veterans and little Shirley Fry of Akron, Ohio, already is the sentimental choice to win the Women's National Tennis Championship at Forest Hills.

Shirley is an appealing shing-faced kid of only 15 who already has won her way to the quarter-finals. It is doubtful that Shirley will get any further because her opponent will be Pauline Betz of Los Angeles, the tournament's second seeded woman player.

Shirley defeated Mrs. Madge Voltera of Lansdowne, Pa., yesterday, 6-3, 2-6, 6-3.

Betty Roushington of East Orange, N. J., and Lillian Leppas of New Rochelle, N. Y., defeated Betty Grims and Eleanor Stief of New York, 6-2, 6-1, in a second round women's doubles match.

Only two men's singles matches were scheduled today. Frankie Parker meeting William Vogt of Drexel Hill, Pa., and George Pichler of Montebello, Calif., taking Ladislav Hecht, the former Czech.

TALKING IT OVER

BY MASON GOULD

Below-Par Fielding Cost Halsey County Title

"It was just a case of a couple of the boys having off days."

That's the way Charlie Lanza, president of the Independent League, summed up the Halseys' failure to get their second county softball title in two weeks.

The final game Sunday was a painful affair for Halsey followers to watch. Six of the Community League's seven new players and Tripico's boys, usually opposite batters with runners on base, pitched miserably to score runs.

Sturdy was just one of those days. Every player, no matter how outstanding he may be, has one occasionally. Lanza's staff, however, were not so lucky.

Another L. S. O. Game set for Sunday. The Independent League champions will hang up their gloves for another week.

Joe Johnston, president of the Fremont's Softball League, who with Charlie Lanza of the Independent League staged two inter-league games several weeks ago, has received several letters of acknowledgment from local firms in the service to them.

Here are extracts from a few of the letters: Private George Wolf writes from Fort Jackson, S. C. "I received the package you sent me this morning. As you probably know, cigarettes are the best gift I can give."

Set. George writes from the same camp: "I make one test good to know the boys back home are thinking of them, and we really appreciate everything they do for us. I surely appreciate the package, and most of all the sentiment behind it."

NO MORE SCOUTING ALBUQUERQUE, N. M. (AP)—New Mexico University students today a mutual agreement against scouting of females this fall.

George White, director of athletics, said the move was made in the interest of economy and the national emergency, but added: "We think it would be a good idea and that football would be better if it were that way all around. Now it's a good time to."

AGED PAIR FOUND SLAIN IN CELLAR

Victims Of Farm Murder Reported Residents Of White Plains

CARDNER, N. Y.—Patrick Powers, 61, was to be arraigned today on charges of murdering his aged sister and her husband, Mr. and Mrs. Joseph Niff, reported to have been residents of White Plains or its vicinity.

The police were alerted after a five-hour siege of a farmhouse near the latter County village, listed the address of the victims as 336 Sherman Avenue, White Plains, and reported further Niff's son-in-law, Charles Chanchette, lives on Sherman Avenue.

An investigation today failed to locate either address or any information about the victims. Sherman Avenue, however, and a one-block street in the O'Grady section. There is no No. 336 on Sherman Avenue, Hawthorne, and persons who have lived on the street 25 years never had heard of the Niffs or Chanchette, they said.

Police found the bodies of the 70-year-old couple in the cellar of the farmhouse, where they had been spending the summer, covered with blankets and chunks of wood. They had been killed by shotgun blasts. Troopers buried them in a hole in the house and laid down a barrage of gunfire until Powers surrendered at 6 P. M. yesterday.

Police found notes they said were written by Powers and addressed to Chanchette, Mrs. Margaret Damigan, 23 Concord Street, Jersey City, and Mr. and Mrs. M. J. Dixon, 2429 Seymour Avenue, the Bronx. They were in an ice-box.

On top of the ice-box was a seven-inch knife, to which a garbled message was attached, indicating a quarrel over the knife led to the slaying. Powers is said to have told police his sister threatened him with the knife.

Powers was to be arraigned today before the county judge of Ulster County on a first degree murder charge.

NO NEED SEEN TO RATION MEAT

(Continued from Page One)

Decided on rationing as the best method of assuring an equitable distribution of what he termed the largest livestock production in history.

Meanwhile, a conservation campaign, speedily including "meatless days," will be instituted to limit civilian consumption of red meats to about the same average amount as has been eaten per capita during the last 10 years.

"It will give our civilian population 2 1/2 pounds of meat per person per week," Wickard said, "as compared with the six pounds to the British civilian, 12 ounces to the German, five ounces to the Belgian. It is an adequate meat supply when you add in the increased supply of poultry, fish, cheese, and dry beans we have, which provides a top-notch protein diet for us."

Two Sinkings Boost Sub Toll To 451

By The Associated Press

The sinking in June of a British and a Dutch merchant ship by enemy submarines off the northern coast of South America brought to 451 today the Associated Press tabulation of announced wartime allied and neutral merchant losses in the Western Atlantic area.

The Navy in announcing the June sinkings yesterday said the entire crew of 44 was rescued from the Dutch vessel but that six men were killed aboard the British ship and 14 captured taken prisoner by the attacking submarine. Thirty-one others were saved in the latter attack.

Better Babies

Nearly 40 per cent of the 2 1/2 million infants born last year were "fine babies." Their young mothers have a full time job giving them the good care physicians recommend for bringing up strong, healthy children. One way these mothers can help the nation maintain our good health record is to make sure their babies are properly fed and protected against smallpox, diphtheria and whooping cough. Every infant should be vaccinated and have the injections to prevent appendicitis and whooping cough before he is a year old.

Hitter now faces four major bottlenecks, according to Louis E. Brown, former head of the Associated Press Bureau in Berlin and now a Tarrytown resident. Mr. Loebner, speaking at a Yankee-Kiwanis luncheon, said that the bottlenecks are transportation, raw materials, labor and military manpower.

He advocated the bombing of railroad junctions, cars and locomotives, because Hitler's weakest point in transportation due to the lack of gasoline.

EAST END MENTOR STARTS SEARCH FOR ACE THROWER

LARCHMONT SLOOP FIFTH IN REGATTA

Deacon's Armade, Representing Western Sound, Trails In Star Series

With two races in a series of five remaining in the Atlantic Coast championship for Star Class sloops, Arthur Deacon of Larchmont has his Armade representing Western Long Island Sound, in fifth place with little chance of overtaking the leaders.

Armada, ranked fourth in the Y.R.A. standings behind Frank Campbell's Rascal, A. Ivelin's Ace II, and Rowson's Everette, both of which completed 23 points thus far in the series, but first place honors are currently chased by Harold Haines's Chantrelle, which carries Edie Ketchum's Draco II of Great South Bay. Haines had won two races, the first and the third, while Ketchum captured the second.

In third place is Bill Picken, defending champion, in his Po-Po, with 26 points. Right behind him comes Harry Melnikoff's Sunbeam II of Massachusetts Bay.

RACING YACHTS JOIN SUBMARINE SPOTTING WORK

ON EAST COAST PORT (AP)—Once their sleek hulls cut the foaming waters of Bermuda, Long Island Sound and Bermuda to give silver regatta cups, but now these racing yachts are being used—dull gray but just as fast as ever—after bigger work.

Axis submarines are their quarry as they range the Atlantic coastal waters daily in the role of auxiliary "eyes" for the Coast Guard, and the skipper of these one-ton pressure craft are finding it's no job for prima-donna yachtsmen.

Larchmont Boats Club Tough old oysterman, young whippersnappers and unadorned yachtsmen, members of the Coast Guard Reserve, make up the crews of the Larchmont, New York, Standard and other yacht clubs and they provide of their coast guard ratings than of any old trophy.

"Some fellows came down here for a yachting cruise and looked up when they got out into the ocean," said one member of the coastal picket patrol, Fraxar B. Wildt, Jr., 29-year-old son of the president of the Commercial Life Insurance Company, Hartford.

Take Up Stations Sailing out of stations mile out in the Atlantic and with shortened sail for a while and stretch while their crews await the news for underway, taking on sighting a sub or unidentified plane, the western coast of Long Island Sound to Coast Guard stations advance and fold out headquarters of the Eastern sea frontier, which maintain defense forces.

Lt. Rufus G. Smith of the Coast Guard Reserve, commanding the picket patrol, said he had almost 100 men serving in the area but that he needed many more, as well as more sailing yachts to help keep enemy submarines away from the coast.

RYE NECK FANS BEMOAN INJURY TO EDDIE DOLAN

Here and there on the local sports front the spirit and enthusiasm shown by the candidates for Mamaroneck High's grid team yesterday was genuine. These boys are out to make "Tues" their force; last year's poor season, Coach Clair Curtin was decked out in baseball pants and athletic shirt while Howard Smith, Bellows mentor, was content with his Summer clothes. At least, until the loss of Eddie Dolan, whose recent operation will dock him for the duration of the season; but there are plenty of other good backs to give Greenwich, Mamaroneck, New Canaan, etc. lots of trouble.

Among them are Gene Donelli, baseball and basketball ace, Tillo Santanogolo, regular back in 1940 who was injured before last season and did not play; John Smith, center on the track team; and John Giorgio, also on the track team.

Another good benefit will be that the club puts on a colorful mixed foursome costume tournament, proceeds of which will go to the Red Cross Red Cross. On Saturday, 8:30 to 11:30 p.m.

MISSOURI LINE

Smith Stresses Fundamentals As 25 Boys Answer Call At Daniel Warren

With the words, "Give no quarter and take no quarter, but play the game as a sportsman would," Coach Howard Smith opened his first session at the helm of the Bellows grid ship yesterday when 25 young hopefuls turned out in a huddle for their first practice session of the season at Daniel Warren Field.

The squad is expected to swell to more than 40 when school opens next week, the annual turnout yesterday being due to the fact that several of the candidates are still out of town and others are working in town.

Dean Out For Season Substantiated for the same team which took the field last season has returned this year, with some important exceptions. He is Eddie Dolan, the Panther's outstanding back, who recently suffered a fractured ankle and will not be permitted to play this year. He is Frankie Smith, who has moved to Chicago.

Lost from last year's squad are Backs Tom Pote and John Gish, the latter having been replaced by Eddie Basom; Pickets Mike Tull and Bill Beecher, the latter now in the Navy; and Guards Dick Boush, who has moved to Chicago.

Looks For Packer Coach Smith lost little time in starting a search for an offensive center as he put his charges into line for their first practice, led only in shorts and football shoes, through their paces. His position is that passing is a necessary complement to a running attack and that to spread the defensive attention of the enemy.

Those answering the pre-season call are the following: Backs Gene Basom, Norm Orman, Dick Orman, Jack Gedney, Bob Smith, John Garcia, Charlie Higbee, Tillo Santanogolo, and Terry Muttler; Guards Frank Neak, Bob Murphy, Dick Cole, Jim Murphy, Brother Brown, Dick Carpenter, Frank Burns and Ray Morris; Guards Frank Neak, Bill Corrigan, Al Herman, and Shory Geisler; Centering Coach Smith and Dave Russell.

Coaching practice sessions will be held until the opening of school, when they will be shifted to the afternoon. They will also be held before the opening contest with Greenwich.

Bellows 1942 Grid Season Schedule

Here is the complete 1942 Bellows High School football schedule:

- Sept. 25—Greenburgh, away.
- Oct. 2—Mamaroneck, home.
- Oct. 10—New Canaan, away.
- Oct. 17—West, home.
- Oct. 24—Rye, away.
- Oct. 30—Yorktown, away.
- Nov. 7—Harrison, home.

The 12th, Bonnie Blair Country Club will hold its 17th annual WWV which is a day affair along Scotch lines. Players will be dressed in kilts, a Scotch kilting band will be present, and there will be plenty of food and drinks to help the participants forget the war momentarily. This year's Westchester Kennel Club dog show at the Westchester Country Club, Chappaqua, N. Y., will be the benefit of the Navy Relief Society. The Mamaroneck All-Stars, pressed to find an opponent for Sunday, will have to travel to get one. The Scituate Baseball Club, managed by Walt Crane, wants to play the All-Stars at Scituate, but doesn't think so much of the idea of playing at Harbor Island.

JUNIOR BEARS WIN MIDGET LOOP TITLE WITH 6-4 WIN

Breaking a 3-3 deadlock in the last of the fifth inning with a three-run surge, the Junior Bears yesterday won the championship of the Midget Softball League by taking the final playoff game, 6 to 4.

It was a close contest, with the Junior Bears leading 3-1 in the fifth, but a three-run surge by the Junior Bears in the bottom of the fifth inning, took a one-run lead in the first.

AKRON YOUNGSTER TENNIS FAVORITE

Little Shirley Fry Captures Fans' Fancy With Win At Forest Hills

NEW YORK (AP)—There always is something immensely appealing about a youngster competing against veterans and little Shirley Fry of Akron, Ohio, already is the sentimental choice to win the Women's National Tennis Championship at Forest Hills.

Shirley is an appealing shing-faced kid of only 15 who already has won her way to the quarter-finals. It is doubtful that Shirley will get any farther because her opponent will be Pauline Betz of Los Angeles, the tournament's second seeded woman player.

Shirley defeated Mrs. Madge Voltera of Lansdowne, Pa., yesterday, 6-3, 2-6, 8-6.

Betty Housington of East Orange, N. J., and Lillian Leppan of New Rochelle, N. Y., defeated Betty Grims and Eleanor Bluff of New York, 6-2, 6-1, in a second round women's doubles match.

Only two men's singles matches were scheduled today, Frankie Parker meeting William Vogt of Drexel Hill, Pa., and George Pichler of Montebello, Calif., tackling Ladislav Hecht, the former Czech.

Care Should Be Taken In Use Of Firearms

With the approach of the hunting season, many things crop up in the mind of sportsmen who pursue fur and feather. First let me remind you that this year we should all put into effect the policy of conservation of our firearms and ammunition. The problem of replacing your present shotgun and rifle with new ones is not difficult to solve. There just aren't going to be new ones available for the duration. If you ammunition, some callipers may still be purchased and where the present supply runs out the answer is simple. We undoubtedly will have waiting on all ammunition next season. We are now engaged in an all-out effort with several enemies, but let's not war over ourselves when we take to the field and woods. As a sportsman, by this we mean the careless and improper handling of firearms while hunting game, together with the lack of caution in the use of them before pulling the trigger. We don't like old figures as a general rule but when they indicate a toll lives needlessly taken they do seem worth setting on a print for all hunters to see. The figure shows for the year 1941, New York State alone shot 968,000 birds and mammals. Breaking this total down we learn the following: 775,000 were killed instantly and 193,000 were wounded and died later. Out of the 628 persons, whose ages were from 200 were hunters, some of them wounded children. Three hundred and sixty-three hunters were killed.

Yes, we have a great evidence of civilization and humanity to handle a gun, since 700 persons are shot themselves.

 What can we do about this loss and maiming of human beings? There are many things that we can do which we feel can do a lot to reduce the loss of human lives, which we feel can do a lot to reduce the loss of human lives, which we feel can do a lot to reduce the loss of human lives.

Black Bass Fishing Is On Upswing
 For the angler who has had to stop the green song for the trout for this year, we might add a little of good news. The black bass fishing is on an upswing. Word comes that several large brown-backs have been netted over the weekend. Several went over the four pound class. One writer says a black bass fishing trip and we may have some more news shortly thereafter. As we have previously stated, black bass is one of the best for black bass fishing. Don't pass up any chance to get a black bass. There are more variations with the approach of Fall weather. But we are men from this point on should get lots of good fishing. This month, in addition to the present run of warblers, kinglets, waterfowl, snappers, blackbirds, thrashers, wild ducks, and tommy downs. These little birds come into our creeks and inlets by the thousands and are easily

U. S. Warplanes Aid Assault On Axis In Egypt

FOES RETREAT
By ROGER D. GREENE (Associated Press Wire Editor)

Field Marshal Erwin Rommel's armored columns, jolted by terrific allied fire-power, were reported to have fallen back in the Battle of Egypt today under another reorganizing assault by British and American warplanes.

A British communiqué said the main Axis force had retreated from the city of Stalingrad. On the Russian Front, Nazi Headquarters asserted that German troops fought their way to the western suburbs of Stalingrad, and that the Soviet front was "appreciable," acknowledged that fighting was in progress and that the city was being shelled by big V-2s and rockets.

Under the Red Star aid battles "without precedent in history" were being fought on the northern and southern approaches to the city as Gen. Fedor von Bock threw 25 divisions to a climactic assault on the city of Stalingrad.

PAY-AS-YOU-GO TAX PLAN FACES SENATE REVIVAL

Finance Committee Supporters Expected To Renew Move For Removal

SPENDING LEVY PUT OFF

Originator Of New Payment Program Expected To Confer On Plan

WASHINGTON, (AP).—Revival of the "pay-as-you-go" plan for collection of individual income taxes was predicted today by some of its supporters in the Senate Finance Committee.

Senator Byrd (D-Va.) said he believed that President Roosevelt would call him to serve as administrator of the program for current payment of taxes, which would be available for consultation with committee members next week when they approach discussion of individual rate schedules in the new bill.

Senator Clark (D-Mo.) added that he believed the committee might call Byrd for further explanation of the plan, in which Treasury officials have entered serious objections and which they desire to modify if it is to be adopted.

As tentatively outlined, the plan would cancel all 1941 income taxes for the normal and first bracket surtax earnings that were paid in 1942 and apply payments made this year to 1942 taxes. This measure would be payable under existing laws on a current basis rather than running a year behind.

Continuing this system thereafter, the taxpayer would compute his actual income at the end of the year and make adjustments, adding the necessary amount to satisfy his liability to the payment he already had made or receiving a rebate.

Treasury has suggested that only the 1941 taxes on the normal and first bracket surtax earnings be excused, and that persons in the higher brackets of income be given two or three years in which to pay their tax, with the making provision for the current year's income.

The Senate Committee, after six hours of discussion yesterday, put off until Tuesday any action on whether it would accept a Treasury proposal for spreading tax of counter suggestions for the imposition of retail sales taxes.

No Times Monday

Joining in the nationwide observance of Labor Day, The Daily Times will not be published on Monday. Full accounts of events over the last week-end holiday of the year will be carried in Tuesday's issue.

Delays Return

It was prematurely reported yesterday that Mrs. William Neely would again take over publicity work in relation to Larchmont defense beginning the day after Labor Day.

Mrs. Neely reported today, however, that she would not be available for another two weeks and Mrs. Herbert Rogers, 49 Prospect Avenue, Larchmont, will temporarily handle the work.

Barber Shop Looted

The barber shop of Benjamin Amoros, 100 Old White Plains Road, Village, was broken into during the night and \$70 in cash was stolen from two drawers. Village Police reported this morning.

Detective Samuel Bryant stated that a pin-beer of the establishment was forced open, a drawer in the rear wall machine was open and about \$40 taken. A drawer on the counter of the shop had also been forced open and about \$30 was stolen.

Engineer Speaks

H. A. Cowham, commercial engineer for the Columbia Broadcasting System, addressed the Rotary Club of Larchmont on "Radio Broadcasting Today" at the weekly meeting yesterday in the Larchmont Elks Club.

During the session it was announced that J. Woods Sweeney, 26 Maple Hill Drive, would be inducted Tuesday into the Navy as a lieutenant. Mr. Sweeney will be the second member of the Rotary Club to enter the service, joining Major David Stinson, who is in the Medical Corps.

The program for next Friday consists of a motion picture, "A Great Battle at Work," presented by the New Haven Railroad. Members have been invited to take a motor boat ride by Larsen S. Dodson, following the meeting.

Tax Sale Scheduled On Bear Mt. Bridge

NEW CITY, (AP).—Rockland County Treasurer Gilbert H. Crawford announced yesterday that a tax sale of that part of Bear Mountain Bridge located in Rockland County would be held Oct. 19 at the County Courthouse.

Crawford said the county auditor had the right to collect \$1,200,000 in unpaid 1940 taxes.

The section of the bridge in story point involving the county includes a tollhouse, the south anchorage and part of the toll bridge abutment.

The lot was purchased from the Bear Mountain-Hudson River Bridge Company, private operators, on Sept. 28, 1940, by The New York State Bridge Authority.

DRASTIC DECREE TO CLAMP LIMIT ON ALL WAGES

Presidential Order Also To Put Ceiling On Prices Of Farm Products

SALARIES CURB IN STORE

New Edict Aimed To Halt Runaway Rise In Cost Of Living

WASHINGTON—A drastic presidential order limiting all wages, salaries and farm prices was its order for the nation today in an unprecedented move, government officials revealed, to thwart a threat of a runaway price rise in the cost of living.

The responsible sources who can best be quoted by name, said the decree, issued by President Roosevelt for issuance on Labor Day, calls for creation of an economic administrator to carry out the order, which would limit wages to half rising wartime living costs.

In effect, the presidential edict is aimed to tighten the purse strings of every American in industry, unnecessary spending but open them wide to payments of farm products, and to prevent a great war bond purchase.

Even Mr. Roosevelt's advisers who are in preparing the message regarded it as almost revolutionary, because it would limit wages virtually will be set aside by authority of the order, which affects a provision for holding any price ceiling on farm products at less than 10 per cent a year.

The President will say his wartime powers and duties are sufficient authority for the order. Already mentioned as possibilities for the post-war economy, the President was Governor Herbert H. Hooper of New York, and William W. Wikke and Bernard M. Baruch.

General provisions of the decree will be open from 12 A. M. to 1 P. M. Monday, Labor Day, post office officials reported this morning. Banks, village and town offices and business houses, usually closed on Sunday, will observe the holiday.

The Manamontie postoffice will be open from 12 A. M. to 1 P. M. and from 4 P. M. to 6 P. M. The Larchmont lobby will be open from 8 A. M. to 6 P. M.

Police officials said they expect to believe this will be not much diminution in traffic, but they had no special indication that motorists will be expected to couple for special occasions.

While the order is not expected to be broken on this front, it is expected to be broken on the public good concessions, will close Monday at midnight.

MEETING SLATED ON PARKWAY PLAN

Gardens Ass'n. Committee To Discuss Action On Transfer Of Right-Gi-Way

The executive committee of the Larchmont Gardens Association will meet Wednesday night at the Weaver Street Firehouse, to discuss the action of the Westchester Park Commission, which approved on Thursday the conveyance to the State of the 12-mile Parkway-Charter right-of-way obtained in 1927 and 1928 for parkway purposes.

Anthony Russo, acting president of the organization, stated this morning.

The action of the Westchester Park Commission, which approved on Thursday the conveyance to the State of the 12-mile Parkway-Charter right-of-way obtained in 1927 and 1928 for parkway purposes, is being opposed by the State which proposes to construct a through highway for all types of vehicular traffic from New York City to Boston, as a motorway project.

Protests against the proposal have been made in the town of Mamaroneck, where a parade of thousands of people passed through a residential area.

The plan, which follows eligibility of the New Haven Railroad right-of-way from Pulham on arches out in a development of the New Haven Railroad Station near an apartment building.

The nominating of officers for the coming year will also take place at the meeting Wednesday night. The regular monthly meeting of the association will be held Sept. 24.

The executive committee, besides Mr. Russo, includes Walter F. Brady, and executive chairman, Robert Keck, and Robert Butler, Richard Dugan and Joseph Estlin.

Robbery Hears Plea For Chinese Relief

A round-table discussion was held Thursday by the Mamaroneck Rotary Club at the Oriana Beach Club.

Mrs. Helen E. Russell of Chappaqua, regional director of United China Relief for Westchester County, called a plea for relief for her organization.

An A. R. P. credit was presented, a one year perfect attendance badge.

The program for next week has been announced, but a speaker will be invited.

Camden Schools Get Winter Vacation

CAMDEN, N. J. (AP).—A six-day week for Camden's 1,000 school pupils with a vacation during January and February, was ordered by the Camden Board of Education today in a move to conserve fuel oil and coal.

Superintendent Leon N. Wenden said only 10 of the city's 40 schools will be open, but that the system will be a possible winter. The schools, which reopen Wednesday, will close on usual next summer.

British Force New Axis Retreat On Egypt Front

U. S. TANKS AID

By ROGER B. GREENE, Associated Press Staff Writer

Marshal Semeon Timoshenko's armies, rallying in the hour of deepest crisis, stopped the Germans on the bloody plains before Stalingrad today and even stormed into Nazi lines northwest of the Volga steel city to capture booty and prisoners.

A German broadcast, quoting Nazi military quarters, said the Russians were fighting bitterly to make Stalingrad a "Red Vienna" and declared the appalling industrial center had been converted into a vast fortress which would be difficult to take.

"There are many tanks and so much artillery that German troops, even after they have entered the city's environs, must capture house after house," a Nazi military spokesman said.

Besides heavy reinforced concrete bunkers, anti-aircraft batteries and anti-tank guns were reported as pounding the city while units of the Red Army, bolstered by factory workers, fought to hold the front.

Further good news for the United Nations came from the Egyptian front, where the British G.I.s captured a new Axis retreat on the Mediterranean coast and declared that British troops had captured several counterattacks against new Nazi positions on the center.

The British communiqué said the Axis forces "again moved slightly westward," but the third straight retreat—the third straight retreat—into the El Helwan sector on the Nile of the German gattara sat in the center.

142 Enemy Aliens Captured In Raids

NEW YORK, (AP).—The Federal Bureau of Investigation announced today the arrest of 142 enemy aliens in raids stretching from Kingston, N. Y. to New York City.

It was the second largest single haul of aliens for the New York area since Pearl Harbor. Those arrested were 116 Germans, including 22 women, 11 Italians and 15 Spaniards.

P. E. Foxworth, assistant FBI director, said 10 of the Germans were members of the German Slavic Society with headquarters in the Yonville section of Manhattan. All the Japanese had endeavored to have themselves re-arrested.

Foxworth said the arrests brought to 1,402 the total of enemy aliens seized in the eastern and southern United States since Dec. 8, 1941.

Wilkie Reveals Great Allied Triumph Over Rommel In Egypt

2nd FRONT TALK SOARS Red Armies Repulse Massed Nazi Frontal Attacks On Stalingrad

BULLETIN—A British army is rapidly being strengthened in Iran and Iraq "which may eventually give support" to Soviet Russia's expected offensive, Churchill disclosed today, indicating that the British will enter directly into the battle of Russia if necessary.

His statement comes in a detailed report to the House of Commons on the Allied situation in the Middle East, and in a sea and, specifically, on the vital western desert of Egypt.

More than a commando at the moment, the British force which was an "indispensable preliminary" to greater undertakings.

COMPLETES TRAINING—William A. Beecher, Jr. of 1211 Park Avenue, Mamaroneck, N. Y., Mr. and Mrs. William R. Beecher, Jr. having seven days leave after having recently completed his basic training at the U. S. Army Training Station at Newport, R. I. Upon his return he will be assigned to a Navy trade or technical school for special instruction, a shore team, or ship of the U. S. Fleet.

Beecher was graduated this year from P. E. Bellows High School, where he played football and basketball. He also has been a member of the Mamaroneck Boy Scouts.

BROTHER CLASS—Alfred and James Hanrahan, sons of Mr. and Mrs. James Hanrahan, 118 Palmer Avenue, Village, have been sworn in as flying cadets of the United States Army Air Corps and are awaiting appointment to training centers. They are well interested for duty.

Alfred graduated from Mamaroneck High School in 1938, while James, Jr. graduated in 1940. Both boys were members of basketball and baseball teams while in school, and are well known in softball circles in the Village.

SCHOOLS REOPEN HERE TOMORROW—Students Prepare to Return to Classes in Two Local Systems

Students in Larchmont and Mamaroneck will trek back to their classrooms tomorrow when the schools in Union Free School District No. 12 and in the Mamaroneck and Palisades Central School Districts will report to the auditorium at 8:30 A. M. in the first four sessions will report to their old classrooms for assignments and schedules.

The elementary schools in Mamaroneck will begin their morning sessions at 8:30 A. M. and the Junior and Senior High School students will be starting at 9:30 A. M. and will be starting at 9 P. M.

Students are expected to bring their lunches or come prepared to purchase lunch in the school cafeteria. Student transportation books at special rates may be obtained at the principal's office.

Classification tests were given this afternoon to students new to the school district at the office of the Junior High School, in Mamaroneck. This morning a meeting of the faculties of the three schools in the Rye Neck district was held with Dr. Alvin W. Hinkle, newly appointed superintendent of schools presiding. All new pupils of the district registered in the auditorium at Bellows High School, Barry Avenue School, and Central Warren School.

The principals of the Murray Avenue, Chateaufort Avenue, Mamaroneck, and Central Warren Schools in the Town of Mamaroneck, will be in their offices today for the purpose of registering new pupils and interviewing parents.

At Larchmont, the principal, as well as the principal of the Mamaroneck and Palisades Central School Districts, will be in their offices today for the purpose of registering new pupils and interviewing parents.

At the Mamaroneck High School in Larchmont will be the first to start sessions, opening tomorrow morning at 9 A. M. until 3 P. M. The registration of new pupils will be held from 9 A. M. until 3 P. M. at the Mamaroneck High School, Barry Avenue School, and Central Warren School.

Two other Catholic schools, Holy Trinity Academy in Mamaroneck and St. Augustine's Parochial School in Larchmont, will hold their initial classes next Monday. Registration of new pupils is going on at the three Catholic schools during the remainder of the week.

LABOR DAY HOLIDAY Death Toll Drops

By The Associated Press

Consistent with the first anniversary Labor Day in nearly a quarter of a century, but millions of workers—kept busy at their jobs to insure no interruption of the industrial flow.

The wartime observance of the holiday, in addition to maintaining the flow of production, produced a drop in the number of deaths in the nation. The traditional Labor Day parades and celebrations normally held throughout the nation.

The number of violent deaths in the 1941 Labor Day holiday period was 108, including 42 fatal automobile accidents. This year's survey disclosed a total of 238 violent deaths, including 179 traffic fatalities.

First Real Air Raid Alarm Reveals Flaw in County's System

TOWN AND VILLAGE SOUND RAID ALARM; LARCHMONT FAILS TO RECEIVE SIGNAL

Confusion, caused by lack of notification to many subdivisions, resulted in the Village of Larchmont and the Town of Mamaroneck during the first genuine alert in this area in the early hours of Monday morning.

No valid signal, the red light, was shown in the Village of Larchmont by Civilian Protection, Mayor Harry T. Goekler announced this morning. The yellow signal was received from sub-headquarters in Mamaroneck, but the red signal, the official warning from headquarters of the First Flight Command of the United States Army, at 2:32 A. M.

All of the personnel who had various agencies in Larchmont were alerted by the yellow signal, but the red signal, no red signal was sent out from the Mamaroneck Village office and therefore no red or air-raid alarm was shown in the Village of Larchmont.

The regular police auxiliary post, which was on duty at the time of the alarm, was alerted by the yellow signal, but the red signal, which is the official warning, was not received in the Village of Larchmont.

The yellow warning light came from the Mamaroneck Village office in White Plains to the Control Center at 2:31, Village Manager William H. Johnson advised this morning. The staff room was alerted by the yellow signal, but the red signal, which is the official warning, was not received in the Village of Larchmont.

GERLACH PLACES FULL BLAME ON PHONE COMPANY

Jammed Lines Caused Failure of Air Raid Alarm, He Declares

County Executive Herbert C. Gerlach, who is Westchester civilian protection director, today laid the entire blame for the failure of communications in yesterday's air raid alarm squarely in the lap of the telephone company.

He said the matter of the jammed lines is being taken up with company officials and is being investigated by the county executive's staff.

Gerlach said that the telephone company is being held responsible for the failure of communications in yesterday's air raid alarm. He said that the telephone company is being held responsible for the failure of communications in yesterday's air raid alarm.

CONGRESS SPEEDS ECONOMIC CURBS

Demands for Wage Control Follow Roosevelt's Stern Ultimatum

WASHINGTON, (AP)—Wide spread demands for statutory control of wages came today as an aroused Congress awaited introduction of a legislative blueprint for President Roosevelt's drastic new program to stem inflation.

Mr. Roosevelt's statement that he would invoke executive powers if Congress did not act by Oct. 1 to knock down present statutory wage ceilings and provide new law brought renewed calls for Congress to "point a club" and was setting out on "uncharted seas" of presidential authority.

But the alarm of criticism that arose over the language in which he conveyed his objectives to Congress in a message yesterday and to the people in a radio "broadside" last night, these trends were discernable among legislators.

Radical Democrats and Republicans appeared agreed that overall control of the nation's economy machinery was needed with many contending that wages as well as prices should be controlled and stabilized by legislation.

Party lines were recalled to mind as the price of wheat fell to a point that it was feared would result in a loss of income to the farmers by the government.

FIREMEN PARADE HERE TOMORROW

Only 17 Killed On Highways As Compared To Last Year's Toll Of 33

By THEODORE R. GOETZ

They may hear about moving gasoline but at least 16 persons are alive in Westchester today who wouldn't have been if it hadn't been for fuel rationing.

That is a deduction permissible from the first eight months of the year.

Figures don't lie, and here it is in figures. The toll this year up above the toll of last year was 33 deaths by motor cars in Westchester County, as compared with 17 in the same length of time in 1941.

Now for the second four months of the year, with that of May, all of June and July under temporary gasoline rationing and the balance of July and all of August under the new rationing program. There were 27 deaths in that period in the same length of time in 1941, and only 17 this year, that is, a 37 per cent drop.

That is the year stands at 40 killed, compared with 64 deaths in the first eight months of last year, and 68 in the 1941 period. There were 105 motor fatalities in each of 1940 and 1941. The records indicate that 1942 will be considerably better than figures because of gasoline rationing.

Why Street Lights Shined In Blackout

Here is why the street lights did not go out during the air raid alarm yesterday.

The signal now set up provides for a telephone call to the lighting company to turn out the lights on a red signal.

President Edward P. Pizzano of the Lighting Company says they got a yellow warning signal at 2:30 and an all-clear message at 2:33. They got no red signal and turned out all street lights.

Between those two calls the red signal had come at 2:32 but protection workers in the control room were unable to get a telephone company operator to answer and could not call the lighting company. By the time an operator answered the all-clear had been dialed.

In his message to Congress, the president said he was prepared to increase in an executive capacity to stabilize wages, but insisted that farm prices must also be controlled. He contended that the present law would permit the average of 1941 to be maintained.

10 P. C. Rise Asked In County Salaries

Request for a 10 per cent increase in salaries to be paid county employees on the basis of increased cost of living was before the supervisors and County Executive Herbert C. Gerlach today.

It came from the Westchester County Competitive Civil Service Association and was presented last month ago by a request for a 10 per cent raise from county employees not covered by civil service.

The civil service committee is now making up a blanket 10 per cent increase for all such employees not making over \$5,000 a year, and for "graded increases" on such fiscal basis the association suggested that the county set up an emergency increase fund, over a total of \$5,000,000 yearly of which \$1,000,000 would be regular budgetary.

Gerlach brought this suggestion before the committee as a substitute for a motion by Senator Charles D. P. to increase the 5 per cent retail sales tax, without commensurate calculated to raise revenue of \$2,000,000 yearly.

All of these proposals were in addition to present taxes and anticipated increase voted by the House of Representatives in the emergency spending bill, which was passed last Thursday by Secretary of the Treasury Morgenthau.

ANOTHER CRUCIAL SERIES COMES UP

Dodgers and Cardinals Prepare To Continue First Place Battle Tomorrow

By the Associated Press

There is no need to be in a hurry, but the New York Yankees apparently are ready to clinch their sixth pennant in seven years this weekend.

Any combination of five victories by New York, or five defeats by the Boston Red Sox will keep the Yankees on the verge of this title qualification could be as tenderly by Manager Joe Judge.

The Bombers blasted out an 8-3 triumph over the Sox last night, thus securing their fifth straight victory in 11th in this series. This put them 10 full games in front of the Red Sox who were idle.

Tanks Near Pennant

If the Yankees add five more victories in a row the clincher would come Sunday night in Cleveland, according to the schedule, even if the Sox also win all their games in the meantime. Every game, however, means one more step toward the Yankees must win.

The Champions didn't get like they usually need the help of any Boston defeats as they went about the business of winning the third place St. Louis club yesterday. In the first inning Joe Gordon hit a home run with the lead.

18th roundtripper and second grand slam of the season, his 10th home run in the game, helped New York completed all of its scoring in four frames before Big Ern Bombs allowed the Browns to score a hit or a run. Afterward he relaxed to the extent of going eight safeties, but was able to coast to his 10th win.

The only other major league game that escaped the weather was a 10-inning marathon which the Philadelphia Athletics wangled from the Chicago Indians, 6-4.

No. 11 For March

Phil Marchbanks, pitching five more innings in relief, gained credit for his 17th victory when the A's pushed across a run in the 13th on a walk, a single by Bob Johnson and a fly by Dick Schar.

The tide day in the National League permitted the senior circuit to turn its full attention to the long-pending series between the Brooklyn Dodgers and St. Louis Cardinals.

Today the Cards have a date with the New York Giants and the Dodgers must lose on the Chicago Cubs, but these ventures are merely warmups for the two games between the contenders at Brooklyn tomorrow and Saturday.

The standings now show Brooklyn three full games in front of the Cards with each team having 17 games left to play. This is usually possible for the Dodgers, with some help from the Cubs, to draw ahead of the Cardinals, at least three days, but it also would be possible for Brooklyn to gain an almost prohibitive lead over an almost prohibitive lead over an almost prohibitive lead from the West.

Both clubs are grid for the battle with their best pitchers ready for Mamaroneck.

DAILY TIMES LOOP STARTS SEPT. 22

Two Bowling Clubs Are Needed To Make An Eight-Team Loop At St. Thomas

Six teams have been entered in the Daily Times Bowling League. It has been announced by Leonard Grosso, manager of the St. Thomas' Alley, home of the circuit, but two more clubs are needed to make up the usual eight-team league.

Four, three clubs entered are the Equippers, loop champions, Happy Boys, Grillmen, Community Five, Higher Standards, and Rupples. The Suppies are composed mainly of former court bowlers.

Ann teams and sponsors interested in making an entry are requested to contact either Joe O'Brien, league president, Lou Finzer, secretary, or Leonard Grosso, treasurer. All team rosters must be in the hands of league officials not later than Wednesday, Sept. 16. The league is due to get under way the night of Tuesday, Sept. 22. It was announced by Grosso after a meeting last evening. Meetings will be held on alternate days thereafter and will conclude on Monday nights as was the case last year.

Teams will be composed of five men, with one substitute. Blind scores this year will be 100. The absent player's average is added to the total score. In the event of an absent player's average it is above 100. This new system avoids the problem of a player's average matches even when a team is short-handed.

It was also decided at last night's meeting to refund any money given to the league pool by a player called into the armed forces.

MYTH LEADS INTERNATIONAL CLASS; THREE RACES LEFT

With only three regattas remaining on the season schedule, George Eschbacher's Myth, piloted by Arthur Knapp, appears to have the Y.R.A. championship in the popular international class well in hand, although a sweep by any of three other top racing sloops could bring about a virtual tie for first place honors.

Myth equals 17-boat advantage over her nearest rival, Alcoa.

Bellows Club Has Only 14 Days In Which To Prepare For Greenburgh Opener

Rain interfered with the first formal football practice for both Mamaroneck and Bellows High Schools yesterday, but both squads will get under way in earnest this afternoon, weather permitting.

Clare Curtis and Howard Smith, team captains, respectively, have been drilling some of their candidates for the past week, but a new influx of players was expected to report today to assemble for regular drills.

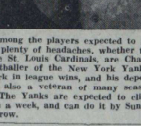

The Tigers, who open against Bellows on Oct. 3, spent yesterday afternoon practicing with their receiving playing equipment.

Smith, whose East Enders have only 14 days in which to get into condition for their opening game against Greenburgh High School at Greenburgh on Sept. 26, is particularly anxious to get his boys underway. He expressed fear that his club will lack anything but smooth for the opener with such short practice under its belt, but declared that the Bellows will be ready for Mamaroneck.

INTENT upon making the most of his re-entrance opportunities to gain practical business training and experience, as well as a sound scholastic education, your carrier-boy has wisely chosen to spend part of his spare time in serving a newspaper course.

By so doing, he has betted his chances of climbing the ladder of success quickly and surely. For, a newspaper route is the training school in which so many of America's leaders got their start—and which offers the same success-training to the youth of today.

It helps to bring out the best in a lad. Put him on his own. Teaches him business and responsibility. Fosters self-reliance, honesty and tact. Trains him to be alert, courteous, punctual. Encourages him to be neat, diligent, dependable. Enables him to earn his own money, and save it regularly. Promotes good health and good character.

So get to know your carrier-boy better. Besides rendering you a vital news service, he's doing his best to develop those qualities which make for high-type American manhood.

Mamaroneck All-Stars Close Season With Bronx Senators Tomorrow

VAN KIRK, ACE SOUTHPAW TO HURL FOR LOCAL CLUB

Marty Boats Three Victories In Four Attempts For Lanza's Team; Loaconi, Quercia, And Talgo Will Return For Contest; Club Has 10 Wins, 4 Losses

With a record of ten victories and only four defeats behind them, the Mamaroneck All-Stars will stage the finale of their baseball season tomorrow afternoon at Harbor Island when they battle the Bronx Senators.

Marty Van Kirk, who had his winning streak of three games broken two weeks ago by the Yankees Leaguers, will be on the mound for Manager Charlie Lanza's team. Van Kirk, a tall right-hander with lots of speed, boasts two shutouts among his three triumphs. He blanked the Yankees, Willie Knicker, 4-0, and whitewashed the Mount Kisco Maroons, 3-0, in his first two starts for the All-Stars. The former University of North Carolina pitcher then defeated the Yankees Leaguers, 7-4, but later dropped a 3-1 decision to the same club.

TALKING IT OVER

BY MASON GOULD

Prospects Look Better Over Hilltop

Things are beginning to perk up a bit over at Manchester Field. When Coach Clark Curtis stepped on his first season as head coach of Mamaroneck High School, it seems his call for candidates on Sept. 1, only 16 players put in an appearance. Curtis was admittedly disappointed.

But yesterday the squad was up to 33 and the Tiger coach said that more than 15 others have yet to complete their physical exams. So that when the first real scrimmage season gets under way tomorrow there should be about 50 young warriors on the field from which to fashion an aggregation to make Orange follow the dog's past lean seasons.

Several of the boys who went through the barrel 1941 season, in which Mamaroneck scored only 21 points as against 229 for the opponent, have returned to the varsity. But they're a great stake and more enthusiastic. They have a new coach and they're just as anxious to turn in a good record as he is.

Veteran followers of the Tigers tell us that this year's squad is more zealous and is working harder than any squad in recent years. This, of course, is a good thing, since which would mean that the state of victory will not remain merely a pipe dream for the Orange.

The Tigers cannot expect to finish up with the leaders, but they're due to improve upon their rank of last year. W. I. A. schools such as White Plains and Croton Heights reported 85 to 100 grid candidates this fall and Mamaroneck cannot hope to overcome such odds. However, while one party who believes that Curtis will get everything there is to be gotten out of what material he has at hand.

Second Line Is Problem For Tiger Coach

Curtis' back problem apparently is not the replacement, "I'll have a good line, but beyond that I'll have to say," he declares. "The backfield will be well-trodden with power and speed."

The Tiger coach has some good ball carriers in Clinton Palmer, tailback; Joe Peck, No. 2 back; Jim Rodriguez, clutch signals up close, and Andy Bob Parker, wingback. Tony Castiglia, Johnny Castiglione, and Skip O'Rourke are also in the picture for their first year.

At the end, Curtis can call on Joe Marzulli, Walter Anderson, George Manso, and "Tarnaz" Eber. Silvio Turco and John Rapoport are in line for the tackle positions, while Joe Siano, Nick Corio, and Harold Stone are in the pick of the guards. At center, Mamaroneck will have a first-year player in Walt Romano, whose trophies was a star lineman at West Point last year.

Other prospects include from Gibbons, a big solid fullback from California, his brother "Chuck" and Fred Manso, who was a halfback at Crosby High in Waterbury, Conn. These boys are expected to report this week.

YANKEES CLINCH AMERICAN LEAGUE FLAG BY DEFEATING INDIANS BEHIND BONHAM

By The Associated Press

The Yankees team that clinched another American League flag by beating Cleveland yesterday undoubtedly is not the best that has ever won a pennant. But it is the one which pulverized the Dodgers in last year's World Series.

But as Mares Joe points out with comfortable satisfaction, it is "pleasantly surprising" to win the flag. It is pleasant to win the flag, whether it is Brooklyn in the series in Brooklyn or the Yankees in the series in Cleveland.

Herold Lee, top club pitcher, who won his sixth pennant in 1939 years through yesterday's 3-2 victory over the Indians, took the victory as a matter of course. He is a good pitcher, but he is not a great pitcher. He is a good pitcher, but he is not a great pitcher.

Joe Judge, manager, who won his sixth pennant in 1939 years through yesterday's 3-2 victory over the Indians, took the victory as a matter of course. He is a good manager, but he is not a great manager. He is a good manager, but he is not a great manager.

Al And Frank Squitteri, Ace Linemen, Are Lost To Bellows Gridders

LEAVES SCHOOL; REPLACED BY HORNIDGE AND MURPHY

Coach Smith Sends Panther Squad Through Scrimmage With 8 Practice Days Remaining Refers Greenburgh Opener; Santangelo Shifted From Backfield To Line

Head news hit the Bellows gridders yesterday when it was revealed by Coach Howard Smith that two of his veteran linemen upon whom he was banking Al Squitteri, center, and his brother, Frank, an end, have left school.

The Squitteri brothers now live in New York City, but were brought back to the Bellows to attend the East End School, headed by the Board of Education, yesterday.

Stepping into the vacated positions will be Bill Hornidge, a big, bushy front man, and Tim Murphy, who can come a long way as a tackle.

Smith's line in the scrimmage consisted of Tom O'Connell at tackle, Neal at No. 2 back, Dickie at guard, and Norm Ottomann at wingback. It was Smith's plan to put Murphy at the guard, and Bill Hornidge at center.

The opposing team consisted of Coach O'Connell at tackle, Dick O'Connell at center, Dick O'Connell at guard, and Dick O'Connell at wingback.

Bonesi, a fast, shifty runner, broke over the left side of the line several times for long runs and appears to be in prime shape to have the greater part of the running burden.

Smith has particularly liked the way young Dan Marino has been playing. He was voted MVP of the team yesterday and stands a good chance of staying there.

The Panther coach plans to step up the pace today, with another stiff scrimmage on Sept. 17.

RED BIRDS SEEM WELL WORN OUT

Southworth's Team Appears Greasy After Two Tilt With White Plains

The dogfight in the National League became a two-ring circus again today as the Brooklyn Dodgers took over the chase of the St. Louis Cardinals after two days of absence during which the Redbirds had agreed to enter the game to first place by two full games.

The keyoff which the Redbirds handed the Dodgers at this critical juncture proved to be a very close game. The Cards however, gave them a working margin for their battle down the stretch. But there was a possibility that the Redbirds would have been able to pull out a victory if they had not been so tired.

The game was a very close one, with the Cardinals leading 2-1 in the eighth inning. The Redbirds were able to tie the game in the ninth, but the Cardinals won in the tenth.

Tommy Walker, pitcher for the Cardinals, was the star of the game, throwing a complete game and allowing only one run.

GREENBURGH HAS VETERAN LINE, UNTRIED BACKFIELD

By MASON GOULD
What does Greenburgh, Delaware's 1942 football team, have this year?

"Well," replied Coach Nat DiMastro yesterday when confronted with this inevitable question. "We'll have pretty much of a veteran line, but mostly green and untried backs. However, my backfield is short on talent, and I think we should do fairly well this year."

That's the Gopher prospect in a nutshell for the coming season. Greenburgh has already booked four games to play this year. Last year, under Coach Charles Schmidt, the Gophers won five games and lost two. Schmidt is now a lieutenant in the Army Air Corps. Ted Moore has taken over as head coach.

Former White Plains Ace
The new pilot was a star at White Plains High School in the early '30's and later played as a guard at the University of Missouri.

Originally scheduled to be played at Greenburgh, the Bellows game has been shifted to Daniel Warren Field, where the Panthers have home games.

When Del Moore leads his team on the field a week from Saturday, he'll have six veterans in the lineup they are: Al Spinelli, Edie Al Fulkner and Louis Dalmaro, tackles; Bill D'Amico and Dave Robinson, and Center Ray Lovagano.

Speed Lacking In Guards
Greenburgh is short on seasoned guards, but a nucleus from Phillips High School, Dick McDevitt, is being banked on to relieve the situation.

Among the backs who have the good chance to replace last year's absentees are: Tommie and Cleveland, who are missing from the squad.

WARREN PETERSON KNOCKS OUT McNUITT IN 6TH ROUND OF COUNTY CENTER BOUT

By JACK BONACCI
Warren Peterson sharpshooter from Jamaica, L. I., scored his 14th successive ring triumph last night by stopping Van McNutt, Baltimore's buster of fistie careers in the sixth round of the scheduled eight rounder in the White Plains County Center. This feature between the pair of strikers, who were the first to meet in the ring since the outbreak of the war, was a crowd-drawing event.

Peterson and McNutt fought each other in the first with the Jamaica man's sixty left jab knocking McNutt's head back. McNutt's right hand landed a good punch on Peterson's nose, but Peterson's left hand was the more powerful.

Feathers Fight Fiercely

A ferocious fight took place between featherweight Ozzie Ross, figure 121, of Brooklyn, and Sal Jenkins, 125, of New York, who was to be by far the most exciting scrap of the night. This pair of strikers was the center of attention as the start and walloped each other to the final bell. Midway in the second round Sal caught Ozzie with a wild looping left which knocked Ozzie off his feet. However, Ozzie got up and fought on, and in the third round Ross landed a good punch on Jenkins' nose, but Jenkins' left hand was the more powerful.

In the remaining four, all packed with action, the Brooklyn, 121, feebly outdistanced Ernest Barr, 151, also of Brooklyn, to score a technical knockout in 1 1/2 minutes of the final round. Abe Baltzer, 126, New York, won the crowd's applause by the clever manner in which he stopped Ernest Barr, 141, Brooklyn, in 2:30 of the second round, and Dick Hoel, 128, Corona, L. I., in the second round. Henderson, 120, of Brooklyn.

Larchmont Woman's Club Sets Friday As Day For Meetings

In an effort to simplify club work for the membership during the year, the Larchmont Woman's Club has set aside the first Friday of each month to be known as District Day. Two sessions will be held at the Larchmont Avenue Church with a luncheon being served between the morning and afternoon sessions.

The second Friday of each month will be given over to meetings of the executive board at 11 A. M. and the general events for the month at 2 P. M. also at the Larchmont Avenue Church.

The third Friday will remain the general club day when special programs will be given at 2 P. M. from September to April preceded by a business session at 11 A. M.

The club year opens this Friday with Paton Currier, novelist, playwright and political commentator talking on "A Tomorrow of Mind".

Successful events on the club calendar include the first current events talk on Oct. 9 when T. R. Ystra, author of "Young Man of Caracas," who has served as head of the Berlin and London bureaus of the New York Times, will speak on "Latin American Romance". Mr. Ystra has been a traveling correspondent in Latin America as well as a radio commentator.

The October general club meeting on the 16th will present Mrs. Suzanne Silverguy, daughter of the late Aaron Silverguy, president of the Supreme Court of Belgium, on "Art and Self-Expression." Mrs. Silverguy is an author, actor and sculptress. She is expected to make the portrait of a member of the audience as she lectures.

On Nov. 13, Mrs. P. A. Stilwell, an Antislavery in "Women in the War," a current events topic. The general meeting for next month on the 20th will be given by Harold J. Kennedy, on "The United States in the World," an actor, playwright and producer.

The Christmas program will be under the direction of the music department which will feature Alma Kitchell, Mrs. Charles W. Kitchell of Larchmont, and Mrs. W. Kitchell, a former club member and a well-known radio artist.

The daughter of German actor "Thomas Mann," who is currently presenting the Jan. 8 current events lecture and she will talk at the general meeting on the 16th on "Romance in Music." A well-known music critic, Mr. Lawrence will illustrate his talk on "Ties and Irons in the Piano."

Englishmen Want To Return U.S. Hospitality To Men In Service

The parents of a 16-year-old British wireless operator now in Asiatic waters, who spent a week with two other young British seamen as the guests of Mr. and Mrs. Arthur J. Michaels of Howell Park, Larchmont, tell of the earnest wish of these English people to entertain American men now in Britain as well as their own men who have been released here.

In a letter of appreciation to Mr. Michaels, thanking him for his hospitality to their son, Frank Johnson, Mr. and Mrs. M. and P. Michaels of Manchester, England, have described the young man's reaction to his first trip here. The letter, dated Aug. 6 from Manchester, England, reads:

"Dear Sir: We, I and my wife, understand the anxiety felt by my wife and I when our boy sailed on his first voyage, but we are glad to see that he has had a safe arrival."

"I am glad to hear that he has had the luck to visit the world's most beautiful city. We are glad to hear that he has had the luck to visit the world's most beautiful city. We are glad to hear that he has had the luck to visit the world's most beautiful city."

WAR WORK NOT NEW TO P.T.A., Mrs. Lefferts Tells Council

MRS. LOUIS I. BURKIN, president of the Mamaroneck Larchmont Parent-Teacher Council, who directed "The School of Instruction," presented yesterday at the general P.T.A. meeting sponsored by the Council at the Mamaroneck Junior High School.

She stated that war work is not new to the P.T.A. and that the school has been preparing for it for some time. She mentioned the various projects and activities that have been carried out by the P.T.A. in the past, including the collection of supplies for the war effort and the organization of the school's war work committee.

WAR WORK NOT NEW TO P.T.A., Mrs. Lefferts Tells Council

By KATHERINE S. KIRKMAN

The Parent-Teacher Association has been interested in war activities for 42 years, according to Mrs. William L. Lefferts, former Metropolitan District director, speaking yesterday at the Mamaroneck Junior High School before the general meeting sponsored by the Mamaroneck Parent-Teacher Council.

"We have always worked for better schools, for better education and for better recreation and our educational work has been continuous," she said. "We do not intend to change our program along the lines of the war. We merely plan to make our usual activities of even greater value to our community."

The Parent-Teacher Association is not looking for special recognition on any War Council," she said. "It does not intend to have to do with any War Council. We simply want to help protect our youth and we help to our local O.C.C. chairman, Mrs. Lefferts said that the standardized registration of all children was the aim of the Parent-Teacher Association and a job on which members are already working. She also discussed the book motion picture as sponsored by the P.T.A. which she emphasized was not to be confused with club case work. The book motion picture is indicated by a sticker in a front window and is to be used only in case of emergency when a child is unable to reach his own home.

JOTTINGS ABOUT JUNIORS

I thought that Summer was over, but by the looks of freshly tanned faces, I missed my guess.

Things are running along smoothly at school now even to the last minute dash for the eight o'clock bus every morning. Dwellers for a moment on school, you'll notice that plenty of swimming is going on. The number of tapers in the choir and glee club has jumped from three to at least six. Miss Paw is delighted with the summer term classes, which means less gossip in the locker room, and more quiet study in the whole school system. It is cafeteria lunch, which never seems to get smaller.
