Y., from 9 A. M. to 5 P. M. each day, except on Wednesdays and Saturdays. The first day of collection is September 1, 1944, at 9 A. M. The last day of collection is September 30, 1944, at 5 P. M.

MEAT POINT Values To Stay Same 4 Weeks

WASHINGTON, (AP) Point values on national markets will remain unchanged in the four-week period beginning Sunday and ending Sept. 10, according to a report from the Department of Agriculture. The point value of group A beef, such as brisket, Italian milder, hamburger, cornbeef, hickory-smoked, dried-salted beef, is increased from 8 to 10 points a pound, or 20 percent.

ERROR LOS ANGELES (AP)—

Man made huge mistake from health standpoint, by heeding to stand on his own feet, Dr. D. J. Metzinger. He told the 23rd annual national chiropractic convention: "In his original position man is forever trying to keep his balance, which throws the vertebral axis out of alignment and crowds vital organs of the body into the viscera."

After Moralities, Teach Girls To Be Independent

By DOROTHY DIX A mother says: "I have a thirteen-year-old daughter who can't teach her that it is her life in a world that is different from that in which I was brought up."

What the women of the future are going to need are not drawing room tricks, but the ability to be independent.

To her who practically never leaves home, the woman is going to have to support herself and perhaps even to care for her children.

U. S. Troops Have Had Enough Time To Reach Saarbrücken; British 2nd Advances Through Netherlands

LONDON, (AP)—Strong forces of the U. S. Third Army established themselves firmly across the Moselle River today in preparation for an assault on Hitler's West Wall after their armored patrols, reconnoitering the path of the advance, had crossed the German border and then returned to their own lines.

German Defeat Will Release Few Army Men

WASHINGTON (AP)—Navy Secretary Forrestal said today there will be no demobilization of the Navy when Germany is defeated. "On the contrary," he stated, "the Navy is expanding and will continue to expand."

WASHINGTON (AP)—Plans for

a limited attack on demobilizing Germany's huge army soon after Germany's defeat—based in part on the solicited suggestions of Fighting Officer—were announced today by the War Department.

FOR 'MERTHOUTIOUS SERVICE' In direct support of combat operations from November, 1942 to January, 1944," Col. Walter F. Burns, right, Chemical Warfare Service, retired, was awarded the Bronze Star Medal, recently at outdoor ceremonies in Fort Slocum.

Information regarding that still-veiled German plan was being sent in the preliminaries to the actual battle for the border.

The Sports Spotter

By THE SPORTS EDITOR

Sidelights
The institute outfit is improving. In the first ball the team took one game, in the second half two games, 100 per cent improvement. Although Warren Bascom made an error in the sixth on the right side of the Hobo infield put on quite an exhibition. Bascom and Sherman Downer had a total of eleven assists and one put-out between the two, some of their plays coming on particularly tough chances. They had a hand in eleven of the 18 putouts made by the Hobos. While Kuritsky came through in the clutch, Kuritsky needed a hit in his last time at bat to win himself, of all things, a banana split. Kuritsky attacked the ball down first base way and Jack Rose, although he swung himself on the ground, couldn't quite reach on the pill as it went past for a safety. Bates Rainaldi had a tough time umpiring this one as the boys were constantly angling. Before Kuritsky got his second hit he was wiped a long foul and legged it around the bases thinking the ball was fair. He

Institute Wins To Take 6th Place In Twilight League

Hoboes Routed By 9-1 Count As Koslowe Hurls 5-Hitter

Team Standings

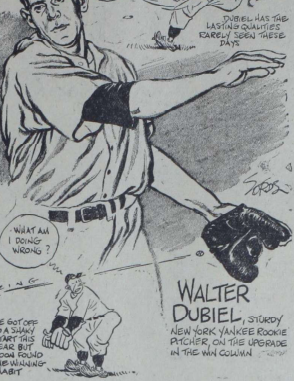

Derby A. C.	3	1	334
Rye Neck A. C.	3	1	334
Bears	4	0	387
Highlanders	4	0	387
Institute	4	5	389
Foodmen	1	6	143
Hoboes	0	7	990

With Rabbi Irving Koslowe hurling eleven strikes of ball and his mates backing up his pitching with a 12-hit, seven error, five-inning, railed down sixth place in the Twilight League last night as the squad routed the Hoboes by 9-1. It was the second win for the institute and sent them higher in the standings than they've been in the year.

The game was the last for both squads and put the winners in sixth place with the Hoboes without a victory to their credit, are the league's cellar-dwellers. Only two more games remain on the league schedule and the top four outfits are concerned in them. Tonight's set pits the Bears and Rye Neck A. C. against one another, with the winner tabling at least temporary possession of first place, while tomorrow's contest sends the Postmen against the Derby in another game which will have to do with the final standings of the first four outfits.

DURABLE DUBIEL

By Jack Sords

Twilight Loop Playoff Slate Still In Air

The "14" have it in the Twilight football league. The managers of the circuit met last night at the Daily Times offices and tried to set up a schedule for the playoff series. They got as far as "if the Postmen and Highlanders tie for fourth the deadlock will be played off at 7:30 on Sunday." Further arrangements for playoff games among the top four teams were impossible because tonight's game and tomorrow's contest might throw all plans out the window. The possibilities include a tie for first place and a three-way tie for second place. The last eventually will certainly come to pass if the Postmen and Highlanders tomorrow night. Whatever happens the managers will meet immediately after tomorrow's game to arrange the playoff card for a league which is even lighter than the current American League race.

Other matters taken up by the managers last night included the tentative arrangement for a league party on Sept. 18 at which prizes will be awarded, and the resolution that team managers be asked to make recommendations of candidates for the trophy which will be awarded to the player who, in the opinion of the judges, has exhibited the best combination of sportsmanship and ability through the season. The trophy, donated anonymously, will be awarded at the league party.

Tigers Start Grid Season September 30

Mamaroneck's 1944 gridiron squad will open its season September 30 with a nonleague game against R. Davis, according to an announcement made yesterday by Charles Warren of the High School staff. The game, added after a seven game card had been previously announced, will be played at Mount Vernon. It will provide the traditional battle with Baltoe, which is scheduled for October.

Coch George Mooney yesterday sent the Orange and Black squad through a drill in Kusanamans with candidates for the team still registering the Hilltop center now has about 75 players trying to make the team. The squad yesterday was split into two parts, and the first practice was held at Roosevelt Raceway. Monday's practice was held at the same place, with Mooney supervising a selection scrimmage. The final scrimmage will be held this year. Rye's backer has his chance at ball-carrying and all the interest in his first teaching.

6-Team Loop Organized By Victory Club

The Victory Club has organized a six-team bowling circuit of feminine players, similar to the league operated by the same group last year. The Reds won the title last season in a runaway race, but have been outgraded according to past averages to give all outfits in the circuit a squad of feminine players, similar to the league operated by the same group last year. The Reds won the title last season in a runaway race, but have been outgraded according to past averages to give all outfits in the circuit a squad of feminine players, similar to the league operated by the same group last year.

Tigers Climb Game And Half From Yankees

By The Associated Press
 The Detroit Tigers climbed a game and a half from the Yankees in the American League, but the veteran Roger "Doc" Cramer took the play with his 257 nine-day batting slugging.

The Detroit club could be composed of two fellows named Hal Newhouse and Dizzy Dean for the average fan, but the all important matter of base hits was being taken care of by the skyward Clammy.

Known best for his days of stardom with the Philadelphia A's, Cramer has set the pace for the Tigers with 22 hits in his last 41 at bats, boosting his average from a sub par .196 on June 15 to a soaring .340.

Playful Higgins, Dick Wakefield, Jimmy Collins and Harry Task were helping the cause but Cramer was the most sensational in the club's recent surge. The New Jersey veteran was covering center field like a blanket, using his knowledge of the hitters to best advantage, cutting off Rockies base runners with his rifle arm and performing that important task of catching his own and other's foul balls.

Clayton continued his surge with a triple and single, scoring two runs in last night's 3-2 edge over Chicago. Gretry scattered eight White Sox singles in his second complete game since June 22, up the season series between the two clubs with Detroit holding a 1-0 margin.

All other big league clubs were idle yesterday but the St. Louis Browns got back into action to night against Chicago and the Tigers move home to face Cleveland in the first of an eight game home stand on Friday.

A full night game schedule for the National includes a 12th meeting between the St. Louis Cardinals and Chicago for their first decision.

Rye Neck A. C. Takes First Place In Twilight Race

Bears Whitewashed By 7-0 As Heithaus Yields 3 Hits

Nothing to the stitches and getting almost airtight pitching from big Leo Heithaus as the Rye Neck A. C. yesterday planked the Bears by 7-0 and, for 24 hours at least, took over sole possession of first place in the Twilight Softball League race. As a result, they win the Rye Neck squad boasts a single game lead over the Bears and a half-game edge on the Derbys. Should the Derbys win their game against the Potomac, they would lead the league.

47 Now Aspire To East End Gridiron Team

Slowly growing, the F. E. Bellows High School gridiron squad which started out with 35 candidates, now numbers 47 as stragglers continue to report to work under Coach Jack Hasley. East End grid member, the 47 aspirants make up one of the largest groups of candidates ever to report at Bellows.

Sports Clubs Divided On Pheasant Curb

ALBANY, (AP)—The State Conservation Department is considering sportsmen's arguments for and against the advisability of granting additional protection to pheasants this fall. Views of 24 sportsmen's clubs in the eastern part of the State were about evenly divided at a public hearing conducted Wednesday by the Conservation Department.

Brownies Win Tie Yankees For Loop Lead

By The Associated Press
St. Louis was back on top of the American League today, tied with the New York Yankees, after three days in second place, but behind hitters and the onslaught of Derbys gave Manager Luke Sewell no peace of mind. Joe McCarthy's clan was due to leave out tonight with the fourth place Boston Red Sox at Fenway Park today while St. Louis hoped to continue paving the "concrete" from Chicago where they have been out of 14 starts.

The Weather: Today cloudy with rain; much change in temperature. Tomorrow, cloudy with intermittent rain...

The Sports Spotter

Sports Editor by THE SPORTS EDITOR

It's been a while coming to Westchester but it finally is here. We mean night football. The game is scheduled for Sept. 13 at Rye. If the initial test proves successful the Rye team plans further games under the lights.

Advantages of night football are self-evident. Larger crowds will always inspire a grid outfit to greater efforts, weather is better fitted for the strenuous sort of effort demanded by the game, and adult rooters for a team find it easier to get to games.

Night football frankly is nothing new. It's been played all over the country and the only thing that surprises us is that it hasn't been tried in Westchester before this. Of course, it may be the expense of a lighting system which stands in the way, or it may be a long-standing tradition that the grid game should be played in the afternoon. But we think we know many a daddy who would like to see his pride and joy play and who has been denied the pleasure because the office demands his presence when games are called.

We also know that there are those in our midst who have heard about who would just love to play night ball. To turn frank commercial for a moment, there's no reason why secondary school football should be done on a paying basis. Night play would make it so, even considering the initial expenditure for lights. That fact has been demonstrated in schools where high schools have installed areas.

High schools play basketball at night and it seems that only the matter of proper equipment should prevent them from playing football and, perchance, baseball under artificial lighting. It can be done with no harm to the players and with no deterioration in the quality of play. Furthermore, it will attract a great many more fans.

The Garnet of Rye has started something which we think will spread to other schools. We look for success in Rye's venture and, if equipment problems can be overcome, we look for other schools to go into the matter next year. It's too late, of course, for this season.

Times Bowling League Reorganized With Eight Entries

Lions, Acres Join Circuit; Kegling To Start Sept. 26

Eight teams, two more than were entered last year, will comprise the Daily Times Bowling League, according to arrangements completed at a meeting of the league's last night at Larchmont Rec.

Mooney Cuts Orange Squad

Faced with over a hundred grid aspirants and with a coaching staff consisting of only two men, Coach George Mooney yesterday slashed deeply into his Orange and Black grid squad and sent about 30 of his pick-up aspirants home. Even with the cut about 70 aspirants remain on the squad which will begin its season against A. B. Davis on Sept. 20. Mooney expects to make a further cut on Saturday and plans to carry about 40 players on the varsity squad which faces one of the toughest seasons a Mamaroneck High outfit has ever faced.

R.H. Goette Wins At Winged Foot

R. H. Goette, Jr. of Larchmont, carried off top honors in the week-end tournament at Winged Foot as he netted a 42 for his prize ball and took the Class A twelve for the club tourney. Goette's score down to 42. In Class B it was H. J. Timmerman of Mamaroneck who walked off with the award as his card read 54, less a ten-stroke handicap, yielding a net of 44.

The Calcutta tournament for the benefit of Haloran Hospital will begin at the club next week when drawings for teams are held. A large entry is expected from the membership of the club and the tournament is expected to yield sizeable returns for the hospital.

BETTE DAVIS MR. SKEFFINGTON "GILDERSTEEVE'S GHOST" BY LES PORGVAVE

Possibility Of American League Tie Appearing Less Fantastic

Possibility of a two or three way tie for the American League pennant appeared less fantastic today as the four leaders loafed through an early week rest period before moving into the final stretch drive.

With an average of 17 games to play, Detroit had 18, the first place Yankees were only three length in front of fourth-place Boston, one game ahead of St. Louis and a half game on top of Detroit.

Derbys To Battle Rye Neck Outfit

The second half of the Twilight Southall league is scheduled to begin Saturday but the boys aren't satisfied yet. The regular card finished with the Derbys and Rye Neck A. C. deadlocked at six wins and a single loss apiece. The Derbys who didn't get a chance to meet the Rye Neck Squad in the playoffs, won the championship when they beat the Bears who had previously taken the Rye Neck team in a playoff game.

Fight Results

NEW YORK - Don Amoroso, 134, Jersey City, and Ro Harris, 132, New York, drew, 6. Johnny Juliano, 124, Paterson, N. J., outpointed George Cooper, 126, New York, 6.
