Week's Wages for Month's Rent Found Over Average for U. S.

WASHINGTON (AP)—If you've been paying the traditional week's wages for one month's rent, then it's evident you were the average rent-payer's outlay, a government report shows.

Some 17 million Americans were paying out an average of 12 per cent of their monthly income for rent at the start of the year, the Federal Reserve Board said. The median rent was \$30 — which means half the nation's renters paid more than that, the other half less.

The Reserve Board also disclosed that the number of home owners has risen to a record 14.1 million total. And it indicated that many of those who they were renters instead.

The acute shortage of rental units has no doubt forced many families to buy homes, often at inflated prices and somewhat beyond their means, simply in order to obtain shelter," the report said. The survey, which did not cover people who own or rent farms, also showed:

1. Some two million families were sharing other families' quarters rent-free.
2. Families with low income paid out a larger slice for rent, with a top of 21 per cent for those with incomes under \$2,000. Families earning \$3,000 or more, averaged only nine per cent for rental payments.
3. "Two-person families with no children seemed to have paid somewhat higher rents as a percentage of those with children." And families with one child "usually paid more rent than did those with two or more children."
4. Two out of three families with incomes under \$2,000 owned their own homes—at least, they had the title plus a mortgage on them. Among families with over \$2,500 three out of four were home owners.
5. Ownership rose in pace with age. It also was much more frequent in smaller communities than in metropolitan centers.

Officers Announced By Hebrew Home Unit

MOUNT VERNON — Officers and new committee heads were named at the first regular meeting of the Westchester Chapter of the Hebrew Home and Hospital for Chronic Sick, held at the home of Mrs. William Rabinowitz, 223 Hawthorne Terrace, president. Mrs. Irwin Press was named recording secretary, and Mrs. Mortimer Shaff, corresponding secretary.

The ways and means committee will include Mrs. Saul Sulock, chairman, Mrs. Milo Levine, treasurer, Mrs. Sarah Davidson and Mrs. David Goldman, theater; Mrs. Milo Levine and Mrs. Press, Dutch supper. Other committee chairmen include Mrs. J. B. Cohen, Journal chairman, Mrs. Morris Stone, Mrs. Mollie Stone, special projects; Mrs. Samuel Lerner, children's names, and Mrs. Meyer Selman, memorial.

Also, Mrs. Irving Katz, Mrs. Harry Seals, sewing, and Mrs. Harold Frenchman, Mrs. Sidney Frenchman and Mrs. George Frenchman, luncheon chairmen.

HOLDUP MEN LOSE

FAIRFIELD, Ill. (AP)—Two men attempted to hold up a stationer at his nearby filling station, but fled minus their gun and a shoe. The pair drove up and pulled a gun on him, related Wayne. He grabbed the gun and it was fired in the scuffle. One man jumped in the car, leaving a shoe behind. While fired after the car but the gun jammed.

In this can you'll find only the tender, better flavored meat of the small tuna.

Spotlight On Sports

By DICK CARPENTER

With both local sportsmen holding their annual dinners of the same night, this writer is fairly exhausted that evening after attending both events during the course of last evening.

We found time for the Larchmont and Mamaroneck celebrations and the friendliness between players who were so long estranged was touching us so much.

Up at the Mamaroneck Lodge the Mamaroneck League held its gathering and things were held under informal circumstances. Members of participating teams, league officials, and others who were connected with play this season, all sat before President Lanza and several speakers to hear a final report of league business and, of course, the presentation of trophies for outstanding achievements during the season.

We saw members of every team present and, despite the absence of two players who were to receive trophies, things went according to schedule.

Joe Lanza, who seldom is able to gather all members of the league together at one time, used the opportunity to complete business which had hung in the balance for several weeks.

On the whole, though, it was a very successful affair and it was good to hear President Lanza give the tribute he has deserved this season. Joe, incidentally, was elected president for another year and started his new term of office by giving improvement before the league.

We're not intending to devote a column to the Mamaroneck report for some time but this is unnecessary now after last night's affair.

Secretary-treasurer Joe Pooley was also re-elected for another year and it has been apparent all during the season that Pooley was doing an outstanding job of handling business matters.

Down at the American Legion Hall in Plant Park, Larchmont, we waited in during the presentation of awards and were impressed in end by the pomp and ceremony of the affair.

By arriving late, we witnessed a dinner which was enough of a letdown, but upon seeing the table piled high with awards, this writer's eyes turned green with envy.

When the manager of the award program came forth the week presented with a trophy big enough to satisfy the world series champion. This was only the beginning, however, as a seemingly unending line of gifts followed.

Mamaroneck Softball League Celebrates Successful Year

By DICK CARPENTER

The Mamaroneck Softball League held its annual dinner at the Mamaroneck Lodge last night in honor of the season's champions of 1948. The meeting was conducted by President Joe Lanza and featured a presentation speech by Peter Dorn, M. Dorn, representing a grant trophy to Charlie Lanza, manager of the team.

The league presented Bill O'Neill with a gift in appreciation for his efforts during the year. Though not a league official, Mr. O'Neill donated his services to all events. His handling of the recent field day was a fine example of Bill's efforts.

William Gunn, manager of the Oliers, presented the "kick" trophy to participants in action this year. Mr. Gunn stated that he believed the play of the league was faster this season and that the spirit shown by the athletes themselves was credit to the organization. This fact merited the trophy.

The league members with Joe Pooley as speaker, the before-mentioned Alpiar, were presented trophies by the players in appreciation of their services rendered. Mr. Lanza received a portable radio which was given as a pen and pencil set.

Tommy Perry, who handled all the untimed dates for the 1948 season, was commended for his outstanding work. Joe and Artie O'Neill, Jim Pooley, and Post were included in President Lanza's address, which he extended his heartfelt thanks.

The meeting ended with a discussion on the possibility of forming a baseball league. The Mamaroneck Softball League, which was organized in 1947, was presented the Lanza Club Trophy, winner of the year's supremacy in the local league. The food-completion business, which for the past three seasons in succession.

The selection of Sherman Lower as the "Most Valuable Player" was accepted. Sherman's father, who was the award for his son who is away at school. Lower was a member of the Oliers and handled his club's pitching chores during the second half of the season. In an agreement with the decision for manager's presence on the mound for the Oliers seemed to make the difference between winning and losing ball games for the Oliers. Sherman was never known to conduct himself in anything but a sportsmanlike manner and this

successful years and that next Sunday's so far scheduled, but unconfirmed game should be the winner of each loop between a contest and all contests. Keating Notes.

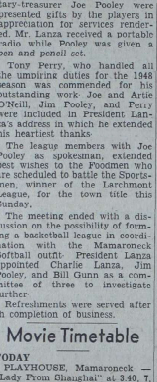

Just the thought of bowling brings perspiration to our brow, but the rest remains that the season is upon us. All local leagues have either started or will start play this week and our readers have no doubt seen bowling copy here and there on this page during the week.

We wish all leagues the very best and hope that with the probably unwanted thought that all scores must be submitted to this office before midnight in order to appear in the following day's paper.

Sportsmen, Alpiar Honored At Larchmont Loop Dinner

Highlighted by a speech from League President Harry Alpiar, the Larchmont Softball Loop last night held its annual dinner at the American Legion Post in Plant Park, Larchmont. The affair was held, primarily, to fetter the 1948 champion sportsman who won both halves of this year.

Master of ceremonies for the affair was Harry Pooley and prize speakers, besides the before-mentioned Alpiar, were Roy Munn, Supervisor of the Department of Mamaroneck Ovens, Manhattan, and Joseph Castellani, Director of the New York State Athletic Commission, and Joseph Castellani of Larchmont.

Alpiar stated in his speech that the many merchants who donated to the league this year were primarily responsible for the success of season play. Harry said, "I like very much to see the officials of the Village of Larchmont find some method whereby they could save the league financial assistance, possibly by including in the town budget, an amount to be used for softball activities." President Alpiar also expressed his desire to see the first park, Little Enterprise, renovated in time for the opening game next season.

Mr. Alpiar's closing words were: "In conclusion, I wish to thank each and every one of you for what you have done throughout the season, in making such a success of our league. Thanks also to our board of directors, Mr. Humphrey, Mr. Ford, and Mr. Grube who have given their time unselfishly and have worked diligently on each and every problem that came along."

The third annual event saw the Sportsmen take home the Borsari Trophy for at least a year. This award is made to the winning club each season but trust of Kumsom" at 2.25, 6.07 and 9.11. "Superman" at 8.45.

COMMUNITY LOOP ANNOUNCES PLAY

The Mamaroneck Community Bowling League will start off another season tomorrow night at the Mamaroneck Recreation Center with seven teams represented. The Organized team will be on hand to try to defend their 1947 championship against four veteran clubs and two newcomers. The white teams competing for the first time include the Mamaroneck and 1107 F.

Chief Russell, secretary of the league, stated that the roster of players is substantially the same as last year and that sponsors have been secured for all teams. The Community Loop will operate each Friday night with a definite schedule to be released soon.

Cleveland Flag Outlook Bright But Tigers Can Blast It Away

By RALPH BODEN

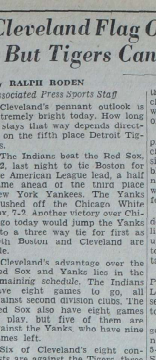

Cleveland's season outlook is extremely bright today. How long it stays that way depends directly on the fifth place Detroit Tigers.

The Indians beat the Red Sox 5-2, last night to tie the Boston for the American League lead, a half game ahead of the third place New York Yankees. The Yankees beat the Chicago White Sox 7-5. Another victory over Chicago today would jump the Indians into a three way tie for first as both Boston and Cleveland are idle.

Cleveland's advantage over the Red Sox and Yankees lies in the remaining schedule. The Indians have eight games to go, all against the Yankees, who have nine. The Red Sox also have eight games to play, but five of them are against the Yankees, who have nine games left.

Size of Cleveland's eight contests are against the Tigers, three in Detroit and three in Cleveland. Feller The Hero.

Bob Feller, who has had his ups and downs during the season, was selected by Manager Lou Pomeroy to pitch the "must" game against the Red Sox last night, and the big boy came through brilliantly.

Some Working Wives Find Mates Make Them 'Slaves'

By DOROTHY DIX

Whether those husbands are getting to be lightweights or whether wives are more conscientious at being unpaid slaves than they used to be, dependent sayeth not, but certain it is that the money question is becoming a burning issue in many homes and is paying a hot road to the divorce court.

have found out that the working wife is all that the team implies. The optimistic bride has discovered that a job isn't the bride that would carry her over from the bedroom to the altar, as she expected. It is a treadmill from which she rarely escapes, and instead of her being able to give up her job when she married she has had to add to her work a lot of additional chores, such as doing the marketing, the laundering, the cooking, etc. to say nothing of baby-tending.

Trade Talk

An illustrated article by Jack Waldman, co-author of "Swing Into It," Inc., Mamaroneck dry cleaners, appeared in a recent issue of "Dyeing and Finishing," a trade magazine.

In the article, entitled "What the Class Market Means to You," Mr. Waldman points out why the customer who looks for a quality first and price second makes a market worth while to you.

He and his partner, Sol Gartin, who have owned the plant since 1934 have concentrated on developing a "quality market." Mr. Waldman said by establishing four prices which would average about 80 per cent of their total business. The quality market, he says, is a stable and expanding one at least in an area where the income level is steadily high.

Mr. Waldman outlines the method in which their business is carried out. The article is accompanied by five photographs showing employees at work in the Mamaroneck plant. The magazine cover carries a photograph of the exterior of the building.

Manual Author

H. John Ross of Mamaroneck is the author of "The Technique of Systems and Procedures," the first such training manual to be published.

The book is based on original lectures delivered by Mr. Ross at the Syracuse Institute of New York University, also under the sponsorship of the Office Research Institute.

Mr. Ross is manager of the systems and procedures department of Continental Can Company, Inc. A past president of the Systems and Procedures Association of America, New York City chapter, and author of numerous articles on office management and organization.

He has been a resident of Mamaroneck since January, 1946, residing at 418 Warren Avenue with his wife and two daughters.

He Knows!

The times last winter were recalled Wednesday during a telling hour for Murray Avenue First Grade pupils.

Miss Blue was reading "Many Moons" by Thurber, she came to the word "kiaz" vice president of any of the children knew its meaning.

"I do," piped one little boy. "I was a big one last winter and my daddy couldn't get me out of his car out of the garage."

Mr. Litchfield, who is a partner of Alfred Hopkins and Associates, New York architectural firm, is national chairman of the fees committee of the American Institute of Architects.

SUPPORT OF UN

WELFARE IMPERATIVE

War is inevitable unless U. S. Takes Lead, Dr. Nash Says

Another war is inevitable unless the people of the United States demand a move toward world strength, according to Dr. Willard Nash of Pearl River, professor of physical education at New York University, guest speaker at the luncheon meeting of the Mamaroneck Rotary Club yesterday at the Blue Haven Inn.

Speaking on basic world principles, Dr. Nash said the U. S. can start and lead such a move. The main point is that each nation must be willing to relinquish some sovereignty to the United Nations in order to make it stronger and able to knit local unity, he stated.

It is essential to apply local government principles to the world organization, he added. As an example, he cited the necessity for a police force. We need to accept these principles and then do something about them, Dr. Nash concluded.

Guests included Rotarians John Merritt of Fort Chester and Howard Parish of Miami. Also Philip Rignano of Mamaroneck, David Celler and Bosco Tarsia of Lake Whalen. Peter Conroy, James John Palmeri, all of John Conroy and Vincent Costello of Bellows High School were also guests.

ESTABLISHED OCT. 1, 1925 MAMARONECK, N. Y., FRIDAY, SEPTEMBER 24, 1948

Only a half inch of rain has fallen in Westchester during the last 30 days, making this the driest September in the county since records have been kept.

Last year 214 inches of rain fell on the county during the same period, preceding a severe drought which lasted from Sept. 26 to Oct. 20.

The normal rainfall for Westchester in September is about four inches according to recording devices of the Westchester Department of Public Works measuring rain in two places since 1944.

According to James White, assistant civil engineer keeping track of rainfall for Westchester, the drought of last year which lowered water levels at the district levels only three one-hundredths of an inch of rain fell during that dry season.

SEVERE DROUGHT HOLDS THREAT OF WATER SHORTAGE

Local Reservoirs Lowest On Record For This Time Of Year

Progress Noted By Principals Of Local Elementary Schools

This is the third in a series of articles based on the sixth annual report of Superintendent of Schools T. James Ahern, presented to the Mamaroneck Board of Education.

In this article excerpt from the reports and recommendations of the principals of the Mamaroneck Avenue, Chatsworth Avenue and Murray Avenue Schools contained in Mr. Ahern's report.

Principal Charles L. Warren of the Mamaroneck Avenue School evaluated the work of the school in terms of methods content and child growth development.

Professional activities of the staff, he reported, resulted in the children achieving appreciation of the beautiful and good, sympathetic understanding of the good williness to share with others, cooperation in a whole school program, pride in doing well, and training in public speaking.

The activities also proved that creative activities are more wholesome than "cannon" plays, etc.

Equipment needs include repair of the school radio, corner display for books in three classrooms, bulletin boards in three classrooms, a new mimeograph machine, additional heating facilities for the gymnasium, and acoustical treatment of the auditorium.

In the field of visual and audio-visual education, Mr. Warren reported more use of the method has been employed. To expand the program, a small radio for classroom work is needed, as are records of dancing and rhythms, etc., a large stereograph for classroom work, speaking records and textbooks.

Mr. Warren said that "primarily the schools are supported for the education of the young. In this school we believe three agencies are chiefly responsible for the systematic continuous education of the children: home, church and school. We cooperate with both the home and church in a variety of ways."

CHASE BECOMES CHAMBER HEAD

Leonard Chase of Betty Lee Food Products, Inc., was elected president of the Mamaroneck Chamber of Commerce at the organization meeting of the newly elected directors yesterday afternoon in the directors' room of the Commercial Bank. Mr. Chase served the Chamber last year as the "kiaz" vice president.

Mr. Chase also continued executive secretary.

At the meeting, which was held with detail work of organization. Committees to follow for the coming year are:

Finance Committee—Mortimer Markovitch, chairman; Samuel S. James, chairman; Membership Committee—Mrs. Edward H. Bruno, chairman; Don Abbott, Ernest Pulcher, chairman; Joseph De Maria, Barney Epstein, Ethel and Mediation Walter Fiske, chairman; Fred Rubin, chairman.

Harbor Committee—Don Abbott, chairman; Bruno Konenbach, Samuel Girin, Ferdinand Transit.

Mates Honor 25-Year Vet Of Engine Co.

More than 75 members and guests of Larchmont Engine Company No. 2 celebrated the 25th anniversary of the engine company at a luncheon Wednesday night in honor of Edward R. Graf, former Larchmont village clerk, on his 25th anniversary of active service with the company.

Five Chief P. M. Taylor and his family, Hugh and William Collins and Joseph Ford, were among the guests present. Sam Robbins, captain of the Engine Company, was chairman of the dinner and acted as toastmaster.

Mr. Graf was presented with a 25-year gold badge and scroll by the company in appreciation of his continuous active service. A 25-year gold badge was also presented to Clarence Stein, who also celebrated his 25th anniversary as a member of the Engine Company.

Capt. Robbins reviewing Mr. Graf's service, cited a record held by him, that of chairman of the Larchmont Engine Company committee for 17 years, which has never been approached by any other committee chairman. Mr. Graf is also one of the few men with 25 years of service still active in the department.

Mr. Graf, who was captain of the Engine Company in 1926, 1927 and 1928, recalled he had spent about 14 months with Hook and Ladder Company 18 of New York City, under Battalion Chief Levy, during which he was promoted on duty at 4 P. M. after work, he would respond with the company whenever called for a fire until he was relieved at 8 A. M. Whenever on duty he was treated as a captain and was assigned a position on the hook and ladder whenever it rained in answer to an alarm. Mr. Graf said he attended the fire mainly as an observer and was often consulted by the chief on the method of fighting the blaz-

Cars Badly Smashed In Collision Here

Two cars were badly damaged when they collided at Jefferson and Hillside Avenues, Mamaroneck, at 1:05 P. M. yesterday. No one was injured.

According to the Mamaroneck police report, a car driven by Mrs. Elsa E. Murray, twenty-eight, of 100 North Barry Avenue, Mamaroneck, was traveling west on Hillside Avenue and passed Jefferson Avenue, where she was making a full stop. Another car, driven by Mrs. Julia A. Latimer, sixty-eight, of 613 Harold Street, Mamaroneck, was proceeding north on Jefferson Avenue and struck the Murray car on the left side. Mrs. Latimer said she was unable to stop her car in time.

The entire left side of the Murray car was smashed, while the radiator, front spring and right fender of the Latimer auto were damaged.

General Strike in Paris Prepares For Worst

PARIS (AP)—French industry and commerce ground to a halt today in a two-hour general strike of both Communist and non-Communist unions.

Paris prepared for the worst as seven million workers protested high living costs and low wages. The demonstration began at 4 P. M.

The two-hour shutdown of electricity was not expected to affect the United Nations Assembly, in session here.

Officials said the workers seemed not to put emphasis on power lines feeding the Palais de Chaillot, U. N. meeting place.

The capital-area's four million residents were stranded without public transportation by a 24-hour subway and bus strike that began at 4 A. M. The subway and bus strike was called independent of the earlier general strike and will cripple the city's activity until 4 A. M. tomorrow.

By mid-afternoon 6,000 visitors to Paris attracted to the United Nations Assembly, in session here, were stranded without public transportation by a 24-hour subway and bus strike that began at 4 A. M. The subway and bus strike was called independent of the earlier general strike and will cripple the city's activity until 4 A. M. tomorrow.

Leaders Of Community Honor Pulliam, New Police Officer

Religious, civic and political leaders joined with more than 100 members of the Mamaroneck Branch, National Association for the Advancement of Colored People last night to honor Patrolman Alvin Pulliam, first Negro officer of the Mamaroneck Police Department, at a testimonial dinner at the Barry Avenue A. M. E. Zion Church.

The dinner in the church dining room was followed by a program of songs and prayers.

Major Santoro paid high tribute to Patrolman Pulliam's personality and ability, stressing his fine Civil Service marks. It was his first year on duty. He was paid my respects to a fine, upstanding American gentleman, one of Mamaroneck's finest. Alvin Pulliam, said the mayor.

Others who added their congratulations were Sinclair Corbin, chairman of the executive committee of the local NAACP Branch; Peter C. Doern, Mr. O. H. Hagen, and William J. McWilliams, corporation counsel of Larchmont and former chairman of the Larchmont Forum for Public Opinion.

Miss and Messrs. presented by Patrolman Pulliam by Benjamin Morrell, president of the NAACP Branch.

The meeting opened with the singing of "The Star Spangled Banner," led by Mrs. Virginia Frances Catoe, accompanied by Irvin Reid. Mrs. Catoe also sang "A Brown Bird Singing" and "Hard Trials," a Negro spiritual. William Maloney of Pelham recited "Freedom Train" by Langston Hughes and "For My People" by Margaret Walker. Miss Lillian Sledge of Mamaroneck sang "My Lady Walks in Love's Paradise." "Oh Love, When I Part" and "Through the Years" were also sung.

Mrs. Ella McKelvey was chairman of the banquet committee, assisted by Mrs. P. L. Lunford, Mrs. Mildred Hillon, Mrs. Ward Mitchell, Mrs. Chauncey Rogers, Mrs. Benjamin Catoe, Mrs. Elaine Carrington, Mrs. Sinclair Corbin, Mr. and Mrs. Joseph Robinson, Mrs. Benjamin Morrell, Mrs. McKelvey, Leonard Landin, Samuel Landin and Leonard Landin.

BLAZE RUINS COUGH IN LARCHMONT HOME

Sparks from wood burning in the fireplace are believed to have been the cause of a fire that ruined a cough early this morning in the home of Mrs. Oliver Maskard of 20 Hillside Road, Larchmont.

Engin. No. 2 and Truck No. 2 of the Town Fire Department responded to the alarm at 1:03 A. M. and arrived at the home of Mrs. Maskard at 1:20 A. M.

The cough sustained the only damage, according to Mrs. Maskard, who explained that Larchmont had the "most marvelous fire department."

"The men were very prompt and extremely courteous. We were very lucky," she said.

MARSLAND GIVEN PREACHING PERMIT

Dr. Irvin A. Marsland of 133 Bench Avenue, Mamaroneck, was granted a local preacher's license yesterday by the Licensing Board of the New York District of the Methodist Episcopal Church, South.

The license, entitled Dr. Marsland to preach and direct religious services in the office of the duties of a Methodist minister with the exception of administering the sacraments and performing the marriage ceremony.

Dr. Marsland is one of 22 laymen in the New York District who passed the committee's examination and met the qualifications for the license.

The license was awarded yesterday morning in an office of the Rev. Dr. E. A. Poindexter, district superintendent, in Stamford in the presence of the committee and the Rev. Aubrey O. E. Stromberg of the Official Board of the Methodist Church. The Rev. Stromberg is the official board secretary of his church recommended that the license be granted.

The Weather

Tonight mostly clear and continued cool to low in the 50s. Tomorrow mostly sunny and continued cool, high in the low 70s. High today at 7:27 P. M.; tomorrow at 3:57 A. M. and 4:50 P. M.

Successes Stern As Leader Of Larchmont Tenants' Association

J. W. Florenz was elected president of the Larchmont Acres Tenants' Association at a general meeting last night at the Junior High School. He succeeds James H. Sullivan.

Other officers elected for the coming year were R. P. Williams, vice-president; E. B. Preney, treasurer; and Mrs. J. W. Florenz, secretary.

Mr. Florenz, chairman of the building and grounds committee, reported he had received positive assurances from the Acres management that the new tenants' parking lot, the new Dobbins House and the Post Road will be ready for use by Oct. 15.

William Brels, chairman of the legal committee, reported on the legal status of the Dobbins House and the Post Road will be ready for use by Oct. 15.

Hoover May Not Be Retained As FBI Director Under Dewey

By RAY TUCKER
WASHINGTON—J. Edgar Hoover's friends are passing out the private word that he may not be retained as Director of the Federal Bureau of Investigation in the event of Gov. Thomas E. Dewey's election as President.

Among the reasons listed for his possible demotion or displace-ment from the Federal service are the FBI's alleged political handling of the investigation into the Pendergast machine's vote frauds in Missouri and his failure to dig up enough evidence to warrant indictments of notorious Communists by the blue ribbon Grand Jury sitting in New York.

Moreover, Mr. Hoover, now 61, with bronchial pneumonia, has been closely scrutinized with the Roosevelt-Truman administration. Although he got his big start up the ladder under Calvin Coolidge, he was virtually an unknown until his authority and jurisdiction were broadened and strengthened by anti-vice laws enacted during the New Deal's first years.

As an experienced criminal attorney, prosecutor and lecturer, Governor Dewey might want one of his New York or Albany associates to take over the post now filled by Mr. Hoover, according to the suspicions of the latter's cronies.

WASHED—However, Mr. Hoover will not be fired by Mr. Dewey, although his wings may be clipped under an administration headed by such old police hands as Governor Dewey and Gov. Earl Warren of California and he may find it expedient to resign.

As heads of two of the nation's great test commonwealths, they have seen at first hand how the Federal sleuth's yen for headlines has damaged morale among their state and local enforcement officers.

The GOP does not blame Mr. Hoover for lack of Federal action against Missouri politicians or the "Commies" who paraded before the New York jury. They have charged that he was under orders from Attorney General Tom Clark to jail his punches and, as a loyal public official, and as a loyal superior. And, insofar as he could, he has obeyed his superiors. The Parnell Thomas investigators on Capitol Hill.

The FBI head will not be discharged by an incoming Republican administration for the reason that he has made his management of publicity have made him a headline fact in themselves. He would be nationwide resentment if he were let go for what seems to be political considerations. But he will be warned not to grab credit for arrests made, tips provided and cases broken by the local police.

AIMS — Oscar R. Ewing will continue to make political speeches for the Truman-Barkey ticket.

es for the Truman-Barkey ticket. address has been generally assailed as "shameful" because of its blatant bias and for its attacks on the Republican column.

He told the non-political Negro Urban League that the Negro people would be "betraying their race" if they did not cast their ballot for the President. Together with other racial incidents, the Federal Security Administrator is naturally hoping for reelection of the Chief Executive who appointed him to his present office. But the real reason for his excessive political activity is that since the expiration of Mayor O'Dwyer's term's provided the latter did not run again. There has been talk that Mr. O'Dwyer might seek the Governorship or a seat in the U. S. Senate.

WORRY—Army-Navy-Air bigwigs are having a battle with the White House and Budget Director Webb over the size of national defense appropriations for the fiscal year ending June 30, 1950, which are now in the making. They have lost the first round but they are dragging out detailed discussions until the end of the current congressional session.

Should this get-together and the seemingly futile power play at Moscow and with no definite or basic agreement with the Kremlin, the big brass may win reversal of the recent decision, under which they are restricted to a maximum of 18 billions instead of the 18 which they wanted.

Although they cannot submit this argument in their meetings with President Truman and Director Webb, they point out

CHURCH SCHOOL SETS RALLY DAY

Sunday will be Rally Day in the Larchmont Avenue Church School Classes in the Junior, Intermediate and Senior departments will begin at 9 A. M. Those in the Nursery, Kindergarten and Primary departments at 11 o'clock. Those wishing to enroll for the first time will register in the Church School office.

Eighty officers and teachers will conduct the program of the Church School. The executive committee of the school has announced that the materials of the new curriculum will be used throughout all the departments. These materials have been in preparation for seven years in the offices of the Board of Christian Education of the Presbyterian Church, U.S.A. and are ready for use for the first time. The new curriculum constitutes a distinctly new approach to Christian education. It features in the attempt to integrate the teaching of the home and the Church School by means of a parent-teacher magazine which will be published every three months. These magazines will keep the parent informed of the Church School's program and offer valuable Christian training in the home.

Also featured in the curriculum are annual pupils' reading books which will provide supplementary and illustrative reading material on his own age level.

The officers of the Church School for the new year are: The Rev. Herbert P. Landes, general superintendent; Donald M. Martin, assistant superintendent; Bennett Davidson, secretary; Mr. John C. Foran, assistant secretary; Lewis F. Bassett, treasurer; John Slane, senior department superintendent; A. Robert M. Mannis, intermediate department superintendent; Mrs. Charles S. Martin, junior department and Nursery superintendent; Miss Alma Culler, Primary department superintendent; Mrs. Audrey S. Cornwell, Kindergarten superintendent; Mrs. S. H. Williams, Missions superintendent; Mrs. William Burroughs, Cradle Rock superintendent; and Mrs. John C. Foran, pin secretary.

Chamber

Committee — H. Edward Block chairman; William Pulcher, Frank Wagner, Charles J. McManis, William Singler, Mrs. Dorothy Chase.

The Chamber is a decoration committee was set up along the lines of the three main divisions. The executive committee was headed by a general chairman with Joseph DeMarina and Mortimer Margolis, last year's chairman, serving as his assistants.

It was pointed out that the plan of solicitation this year involves breaking each business into small segments with a Chamber member calling on only three or four merchants. The same plan will apply to the industrial area, Mr. Chase said, but on a slightly larger scale.

Mr. Pulcher's appointment to the Chamber committee was reaffirmed prior to Christmas was abandoned because it was thought that there is not enough time to organize. Proposal for a future exhibition was referred to the Chamber's retail and industry divisions. Meetings of the retail, industry and service divisions will be called shortly so that they may be properly organized and plan the year's work, Mr. Chase stated.

FIRM ANNOUNCES PHONE PAY BOOST

The New York Telephone Company announced today that its proposed increase of \$3 to \$5 a week was accepted by officials of the United Telephone Organization.

The increase will apply to department employees in the company's downtown territory. The increase will be the largest amount given to the more skilled and experienced employees, is retrospective to January when the offer was first extended by the company.

A statement issued by the company said:

An agreement was reached with the United Telephone Organization, an independent union, representing some 14,000 plant and department employees in New York City and vicinity on a new contract which will be effective on April 1, 1949.

The settlement in a general increase ranging from \$3 to \$5 per week depending upon rate of pay with an increase of 10 cents per cent bringing the total increase in some instances up to \$8 per week.

The proposed increase in wages is in addition to the scheduled raises received regularly by these employees until they reach the top rate.

The company's offer to increase basic wage rates is in line with its policy of paying wages in each community that compares favorably with the wages paid by others working requiring similar skills and training.

"We know of no fairer policy for both the employees who do the work and the telephone company who pay the bill. To make sure it is carried out, the company makes surveys comparing wages with other wages.

"These surveys show that it always was in line with the industry wage standards in the community. We are not justified and we have no intention of going back on our word."

The new contract is subject to ratification by the union's membership.

Mr. Maxwell of New York City was adjourned until Monday. Caswell was arrested last night on a rear seat Road by Patrolman Robert Caswell. He was released in \$100 cash bail.

Fined \$5 for his fifth offense of the overtime parking regulation on Mamaroneck Avenue was George Lipsky of 151 Mamaroneck Avenue. He was fined \$10 for the second offense of the same regulation on the same street by Patrolman Robert Caswell. He was released in \$100 cash bail.

School Report

(Continued from Page 1)

Just one question—"What has it done for the children?" If these children have found one year mentally over last year we can feel that our teaching has been good. If the children continue to school; they are happy in their daily tasks; if their whole mental outlook is healthy—then that our teaching has been good. If these figures are answered in the affirmative. Our best teaching is that there has been excellent teaching.

"We are in this school away from departmentalization as much as possible. The feeling is that a shift will have more in a correlated program of work with one teacher than with several.

"One great fault of elementary school children is carelessness about our English language. We feel that here is one advance to a class taught for the most part by one teacher.

Dr. Helen H. Long, principal of the Chatsworth Avenue School, stated that no school can be better than its staff. "If the faculty is cooperative, willing to work together for the best interest of the children, there lies the fundamental basis for a good school," she said. "Without reservation it can be said that the Chatsworth staff is cooperative.

The condition of the equipment is excellent, she said. She was happy to note that plans include a new public address system for the school.

Plans also include adding in the kindergarten and more art and science laboratories, as soon as funds allow.

The audio-visual program has been expanded. A portable projector is needed in the future so that it can be used in the classroom, which will strengthen the visual education program. At least one phonograph is needed on every classroom floor, eventually one primary grade classroom, she said.

"By any objective measure, the public relations program in our school is outstanding," Dr. Long reported. "Our parents are interested in the school and anxious to help in every way.

"The new first grade report form which emphasizes teacher-parent conferences has proved far superior to the old report to the parents. Informing about their children's progress," she continued.

During the past year, curriculum improvements have been made in developing science, more effective teaching in the area of written work, better social studies units and increasing the rhythm experiences of the pupils, Dr. Long reported. "We are proud of the fact that we have achieved

build a substantial one for the entire school system. Victrolas are so much in demand that there is a need for at least two more in the school. Student activities and interests have functioned very well while results in reading and arithmetic were likewise expected.

Miss Hirschbeck noted with pleasure plans for a study of the playground conditions. As Murray, she recommended a check of the drainage system and reurfacing. She also recommended the addition of a full-time nurse, industrial and physical education teacher to the staff.

Two or three groups of informal chairs would improve the library departmentalization program, she added. She recommended an active committee of interested teachers and men and women from the community to study and make known the needs in the visual education program and plans ways for meeting them.

One of the strongest forces for bringing about a union of effort for educational growth, she said, is the active, cooperative P.T.A. of Murray Avenue School.

No words can adequately evaluate what the Murray Avenue Association means to Murray, she said. "This report would not be complete without words of praise for the fine work done by the Police Department in serving our schools," Miss Hirschbeck added.

"The parents, faculty and children are very grateful for the protection and guidance the officers and patrolmen extend.

"They are faithfully on duty at their assigned posts in rain or shine, heat or cold; to teach the children ways of safety and highway courtesy," she said.

"We are grateful to Chief Paul J. York, 171 East Ely Street; Sgt. Francis Waterbury, Sgt. Eugene DeVan, and Patrolmen John Cayton, Lawrence McAllister, John Green, Philip Millner, Christopher Lovley, James Keen, James Masual and James Starapol."

RECKLESSNESS COSTS MOTORIST \$50 FINE

Edward A. O'Dell, twenty-seven, of 29 West Street, was fined \$50 this morning by Judge Henry T. Morridge in Mamaroneck Police Court for reckless driving.

O'Dell was charged with reckless driving on Aug. 21, on the complaint of Harvey A. Bettorf, one of 530 Halsted Avenue, Mamaroneck, following a crash at East Post Road and Elm Street in which a pickup truck was overturned and a car driven by Deby.

Another hearing on reckless driving charges involving the same driver was adjourned until Monday. Caswell was arrested last night on a rear seat Road by Patrolman Robert Caswell. He was released in \$100 cash bail.

Fined \$5 for his fifth offense of the overtime parking regulation on Mamaroneck Avenue was George Lipsky of 151 Mamaroneck Avenue. He was fined \$10 for the second offense of the same regulation on the same street by Patrolman Robert Caswell. He was released in \$100 cash bail.

400 CROWD EXPECTED AT G.O.P. BARBECUE

July's filet mignon and tasty Virginia ham top the menu of the barbecue to be served tomorrow afternoon at Baldwin Acres, Rockland and Grand Avenue, Mamaroneck, under the sponsorship of Republican Club of Mamaroneck and Larchmont.

Chairman of the barbecue committee, Charles M. Mearns, announced the menu would also include clam broth and chowder, cherry-stone clams, corn on the cob with butter, watermelon and soda. The food will be prepared by an experienced chef who specializes in barbecues.

Approximately 400 persons are expected to include the Westernchester County officials and many prominent Republicans.

Harry Seymour, program committee chairman, announced that there will be no speaking match, but there will be softball, soccer, horseshoe pitching contests, egg and wicketon races, and music and games. Tickets for the affair will be purchased from Leo Orsino, committee treasurer.

Day School Principal To Talk at Beth El

"Jews Yesterday, Today and Tomorrow" will be the subject of a talk by S. Maurice Plotnick, principal of Westernchester Day School, Mamaroneck, at the opening meeting of the Beth El P.T.A. Tuesday night at 8:30 P. M. in the vestry room of the New Rochelle synagogue.

Mr. Plotnick, educated in Cambridge University, England, and in Paris and Berlin, has spent 20 years in the Maimonides Educational Institute, Boston, spent two years in the Near East, has traveled and has traveled around the world. The public is invited.

Dry Spell

(Continued from Page 1)

Eye and New Rochelle come from Kenico. The district normally fills a large amount of water from the river.

Supply Adequate in Yonkers
The Yonkers water supply is adequate and should not cause alarm but people ought to be a little careful, Superintendent James M. Pico Gibson said today. He pointed out that the water in Grassy Sprain Reservoir is 15 feet below the spillway as compared to 22 feet at this time last year.

On Wednesday Yonkers used 12,000,000 gallons of water—12 million gallons being pumped from the New Mill River. A 2 million from Grassy Sprain and the balance from the New York City aqueduct.

The Perkill water system which feeds two large reservoirs with plenty of flow, officials will take care of all that city's needs without pumping any. It was reported at the city's pumping station today. As is the case at this time, the water in the reservoir is 15 feet below the spillway as compared to 22 feet at this time last year.

The Larchmont Reservoir fed by the waters of the Sheikade River is two feet below normal for this time of year representing a deficiency of 40 million gallons of water.

Last year on Nov. 4 after a two months absence drought, the reservoir was down 10.3 feet representing a deficiency of 90 million gallons. The capacity of the reservoir is 144 million gallons, more than enough to offset the worst dry spell that could be expected.

Yonkers Engineer Richard F. O'Leary pointed out that the New York City engineers report the reservoirs at levels as low as during last year's low mark in November. They pointed out, however, that without rain, the lakes will be filling slowly as the weather cools, lessening demand for water by consumers in New York City.

BITTEN BY OWN DOG

Mrs. Levida Peterson of the Stonecreek Apartments, Larchmont, was treated Wednesday for a bite on her left hand administered by her own dog, an English bull, town police reported yesterday. She was treated by Dr. Fred P. Pransky of the same apartments. The Health Department was notified.

OBITUARY NOTES

VINCENT TRIMARCHI
Vincent Trimarchi, twenty-one, son of Mr. and Mrs. Charles Trimarchi of 114 Rockland Avenue, Mamaroneck, died Wednesday after a lengthy illness at the Veterans Hospital, Kingsbridge Road, The Bronx, where he had been a patient for the last three months.

Born Jan. 20, 1927 in Mamaroneck, he attended Mamaroneck schools, leaving high school to enter the Navy in July, 1945. Serving two years, as a fireman, second class, he was stationed at various Navy bases along the Eastern seaboard and saw sea duty aboard the U. S. S. LST 693, which was discharged in August, 1946.

Surviving, in addition to his parents, are a sister, Miss Constance Trimarchi, and a brother, Charles Trimarchi, Jr., both of the Mamaroneck address.

The body will repose at Pope's Funeral Home, 453 Halsted Avenue, Mamaroneck. A High Requiem Mass will be held Monday at 10 A. M. at Holy Sepulchre Church, Mamaroneck. Interment will follow in Holy Sepulchre Cemetery, New Rochelle.

WOMAN INJURED IN FALL ON PROSPECT AVENUE

Thomas Aloisi of 139 East Prospect Avenue, Mamaroneck, appeared at police headquarters at 6:30 P. M. yesterday in front of the 125th Precinct, where which caused his wife to fall at 8 P. M. Mrs. Aloisi suffered bruises on both knees and her right hand. Patrolman John DiGiacomo was detailed to go with Mr. Aloisi to examine the sidewalk and reported that it was in very poor condition and dangerous. The matter was reported to the village manager.

SHORT MEMORY IN MOSCOW

THE American public has been inclined to dismiss with a shrug the boast so widely published in Great Britain, that the boundaries to the effect that it was Russia entrance into the Pacific War that brought the surrender of Japan. For Americans know that Stalin was in that very much a Johnny-Come-Lately, barely getting in under the wire with his declaration of war a scant 46 hours before Japan capitulated.

That Americans and British and Australians had pushed back the Japanese from island to island, that the main land was next on the invasion schedule, that the atomic bombs at Hiroshima and Nagasaki had wrought terrible devastation, that the economic power of Japan had crumbled—these are facts known to every American schoolboy. In the face of these facts, for Russia to claim that its declaration of war had brought such terror that Japan immediately surrendered had in it such a humorous touch that the average American found it laughable and, therefore, not even worthy of serious debate.

But now comes the official doctrine from Moscow of how the Soviet also won, practically single-handed, the war against Nazi Germany. It is a book by Nikolai Voznesensky, member of the all-powerful Soviet Politburo, representing the official view of the Stalin administration. And in the document is the flat assertion that American lend-lease aid played only a minor role in Russia alone inflicting the defeat which ended the war with Germany. To those in America who strove mightily in furtherance of lend-lease, even to the average American family which suffered privations in order to hasten lend-lease, the book should be interesting reading.

Here are some of the things Voznesensky forgot to mention: Our lend-lease to Russia totaled more than \$11 billions; that of England with her loss back to the economic wall, more than one billion.

We sent Russia during the war more than 17 billion tons of goods, 2,600 airplanes, 23,000 trucks, 2,000 tanks, 52,000 jeeps and 375,000 trucks. We sent Russia more than 400,000 telephones and hundreds of thousands of tons of metals and chemicals. To enable Russia to move her armament factories back into the interior to escape invading German armies we sent \$500 millions worth of machine tools and generators and kindred machinery. In this respect alone our lend-lease amounted to \$320 millions worth of machinery, 1,000,000 tons of metal-cutting tools, \$43 million worth of petroleum refining equipment and \$171 millions worth of generators.

All of this is forgotten in Official Moscow. Voznesensky credits lend-lease from America and Great Britain with representing only four per cent of the war economy of Russia!

And leaving the misleading impression that such supplies were paid for by Russia, the author of the Soviet's official version of their war economy also makes the tremendous aid, the greatest ever given an ally in all the history of the world, with the slightest reference that this tremendous aid played "some role" in the balance of Russian wartime economy.

If ever an ally were damned with faint praise, America finds itself in that situation with regard to this Official Soviet report to its people.

Voznesensky, in fact, reminds us of the cab reporter who, attending his first political convention was impressed with the color and atmosphere and trappings of the occasion that when he had completed his account there was room at the end for only one line: "The President also spoke."

FOR EUROPE'S HUNGER

Question: We have no relatives or friends in Europe but we would like to send help over there. How can we do this? How did we best do so?

Answer: Through the organization CARE, whose letters stand for Cooperative for American Remittances to Europe. For \$10 each, food and clothing textile packages are sent to Europe. CARE headquarters are at 50 Broad Street, New York City. We know that, in the past, people here who wanted to help and yet didn't know anyone in Europe, would send their checks or money orders to CARE and mark them in some such way as, "For a needy family in France." Later a "thank-you" letter would come from a French housewife or a German father, perhaps. Now CARE is making a special drive to "needy persons without connections here." The campaign, begun this week (CARE Friendship Week) will urge the sending of CARE packages to "a widow in Poland" or "an orphan in France" or "a needy family." Orphanages, hospitals and other institutions will be included in the broadened plan. Besides the \$10 packages CARE is offering a 10-pound food package for \$5.50 for guaranteed delivery in Europe. In Berlin the charge is \$6.50 to cover the cost of air transport during the blackout. In addition to 12 European countries now receiving CARE packages, Japan, Korea and Okinawa recently were opened to a special CARE original food package.

PR-SIDENT'S SECRETARIES

Question: Please publish in your column the duties of the four secretaries of the President of the United States. Are these secretaries men or women? What hours do they work? Do they accompany the President on his trips outside the country? They have to know a foreign language?

Interested Reader Answer: There are only three Presidential secretaries—not four. We might take up the wrong question first, since you wrote to one of the three secretaries of Roosevelt. I have your information, and have a letter back from the White House saying Mr. Ross is now with the President on a trip to the West Coast. Our letter is from Ethel A. Ayers, assistant to Mr. Ross, who says the secretaries "may or may not accompany the President on the trips he makes, depending upon the occasion."

The three secretaries are men. "Who perform such duties as the President may assign to them," according to Mr. Ayers. "In general," he says, "one acts as appointment secretary, another as the appointments on the President's daily schedule, another as press secretary, dealing with members of the press and other media, and the third is conversely largely with the vast volume of correspondence that comes to the President. Their duties, however, are much broader than this, and the duties are not necessarily impossible to attempt to detail all the duties they perform. Their hours are determined by the work to be done, but are generally long and arduous. They do not necessarily have to know a language other than English. Their salaries are \$10,000 a year."

1937 FIGHT WAS 'LIMED'

Question: When did gentleman Jim Corbett fight Bob Fitzgibbon for the heavyweight boxing championship? When did Abe Attell fight the featherweight or lightweight championship? Were motion pictures shown of both bouts? Please tell us to decide an argument. We depend on your paper.

J. D. Answer: James J. Corbett, called "Gentleman Jim" for his dandy dressing and gentlemanly bearing—lost the world heavyweight boxing championship to Robert Fitzgibbon (now Fitzsimmons) in the 14th round on March 7, 1897. Johnny Kilbane took away the world featherweight championship from Abe Attell in 1911. Motion pictures were made of the Corbett-Fitzsimmons bout in 1897, according to the Film Li-

brary of the Museum of Modern Art in New York City. There is no record of the filming of a Kilbane-Attell fight. The Film Library's spokesman tells us, adding "in the opinion of our (Film Library's) Mr. Jamison, who was working in motion pictures at that time, it is doubtful" that a Kilbane-Attell fight was "recorded on film."

"WHAT'S YOUR PRIORITY?"

By William Pitt Central Press Writer

YOU'RE TELLING ME!

PROFS. AUGUSTE PICARD and Max Couvrs plan to descend New York and a half miles into the ocean in a special diving ball. Looks like Davy Jones and Neptune are going to get some unexpected and unwanted company.

An Air Force pilot has been dropping lollipops on Berlin. German children are taking them where else—are suckers for candy.

The Democratic party spent more money campaigning than did any other political organization during the first three quarters of this year. Looks like the "ins" are out—to the tune of \$38,000.

Sixty-two varieties of birds have been found in New York's Wall Street area—including, no doubt, the bullfinch.

Pieces of antique furniture are now reported joining the parade of soaring costs. Why so late? Look at the head of the staff!

28 TROPHIES WON

BUCHANAN—Buchanan's Entertainment Company summed up its activities this week and found that in two years it had won 28 trophies in 23 firm's records. The fire company averaged 55 men that in each of the parades, all uniformed in maroon outfits with gold stripes.

Manstone the Wallaces spent \$177,000 and Hoyt King now wonders if that puts them in the red.

A Glance Backward—

A DECADE AGO (From The Daily Times)

Political activities and the State Republican convention at Saratoga were the topics discussed by the Young Men's Republican Clubs of Mamaroneck and Larchmont as they met in the club headquarters, Redner Post Road and Lehigh Avenue, Larchmont, at Town Republic Chairman Burton C. Mason Jr. and William Bayly, president of the county Young Republics' organization, were among the speakers. A quota of \$400 was set for the Village of Mamaroneck for the raising of Red Cross funds to be used for disaster relief in the New England area struck by flood and hurricanes the previous week. Mrs. Harry E. Pease, chairman of the Mamaroneck Branch, announced the Mamaroneck quota. Mrs. Rufus T. Allerton, chairman of the Larchmont Branch, stated that \$800 had been set as its quota. The entire county was expected to raise \$20,000. The all-stars and Dodgers finally played off their baseball tussle with the Stars taking a 7-2 win behind the effective pitching of Joe Santora. Town Assessor James M. Smith announced that a decrease of \$50,736 in the total tax assessment roll in the Town of Mamaroneck was attained with the completion of the roll...

Miss Lorraine Degina, daughter of Mr. and Mrs. Fred Degina of 298 Watervly Avenue, Mamaroneck, will leave early in November for a dance tour. A graduate of Mamaroneck High School in 1947, and former dance pupil at the steps of Mamaroneck, Miss Degina has appeared on the vaudeville circuit and at Post Lodge, Larchmont.

AJC To Honor New Members At Luncheon

A paid-up membership luncheon sponsored by the American Jewish Congress, to which prospective members are invited, will be held Wednesday at 12:30 P. M. in the home of Mrs. Sidney G. Cohen, 28 Hickory Grove Drive, Larchmont.

Mrs. Arthur Herks, national membership chairman, will address the group.

Part of the afternoon will be an "around the clock" fashion show for which members will model. Mrs. Edward Handelman of New Rochelle is program chairman and Mrs. Theodore Zeller of Larchmont is in charge of membership. Mrs. Solomon P. Frenkel will give the invocation.

Fourth Grade Problems Discussed At Murray

Characteristics of the "typical nine-year-old" were described by Miss Bessie Witaly, teacher, representative and third vice president of the Murray Avenue School Parent-Teacher Association, for about 65 fourth grade mothers at the school. This followed the informal talk and general discussion of fourth grade problems with Mrs. Erich Schulz and Mrs. Arthur Sherman, chairman of hospital, assisted by Mrs. Sidney Blue.

Spotlight On Sports

By DICK CARPENTER

The possibility of deciding a town champion this year appeared unlikely today as negotiations between the Larchmont winning Sportsmen and Mamaroneck's victors Footmen have fallen through. The difficulty appears to be in the setting of a starting time. The Footmen prefer a morning game tomorrow as Mamaroneck and its fans wish to decide in a one game affair. Outside officials present the Sportsmen from accepting this bid and, since the Mamaroneck entry is also unable to promise, it is assumed by this writer that the contest has been canceled.

Harry Altair, president of the Larchmont loop, revealed these facts to us last night, while Charlie Lucas, manager of the Footmen, stated his views the previous evening.

Perhaps it's for the best as several key members of each club have declined to participate. If the event did come off, it would probably be a battle between two clubs with patched up lineups and if such happened the contest would decide the town champion.

Cold weather seems to have set in also and this complicates the matter further. At any rate, we assume that we've written our last football story for the year and take some form of action.

Looking back over the records of Larchmont and Mamaroneck last season, we notice several items that local fans may have forgotten in the last ten months.

We must confess we've completely overlooked the fact that Mamaroneck High's Tigers won the W.A.A. title in 1947 for the second time in three years. It looks as if the Orange and Black are going to be right up there among the leaders in the Westchester loop for some seasons to come if the fine material they've been receiving continues to flow.

Last year, Hugh Harrison, warrior captain the season with 8.5 loss, then 1.1 in 1947 and won the final seven contests on his schedule. Fullerton, whose chips were only one against the Pelham Panthers, and on that occasion only briefly.

True, the Orange and Black have lost many of the boys who formed the nucleus of last year's attack, but most of the athletes on this year's club saw plenty of action last season and should suffer the usual untidiness shown by the youngsters when sees his first inter-hostile encounter.

Harrison's aids have one more week of practice before them and then, off to Albert Leonard for the opening tussle.

Looking over the schedule we see the Pelham game listed as a night affair on October 13. To our knowledge, this is the

Grabarz takes Honors In Mam'k Community Loop Tests

Opening Night's High Single Goes To Community Five Ace

Wally Grabarz of the Community Five took triple crown honors as the night's honoree at the Mamaroneck Community Bowling League opened the 1948 season at the Mamaroneck Recreation Center last night.

While pacing his club to victory, Grabarz rolled the night's high single in his last turn. The total pins were an even 200 and his game helped him annex high series in this department. Wally just did manage to beat out Chet Russell of the Gasagen who was one pin behind at 630.

In other contests, the Odd Fellows bowed to the Gasagen, while the Community whipped the Pioneers and the Mamaroneck Club defeated the Rock.

All games during the night were decided by identical 2-1 scores with the Community club having the closest shave of all. In the final and deciding game of the match, the Drivers bowed before the Community outfit by a single pin. Fullerton rolled a 100 and the losing honors in this match.

Despite the fact that he failed to score over 100, Wally Grabarz's series mark was the differentiating factor between the

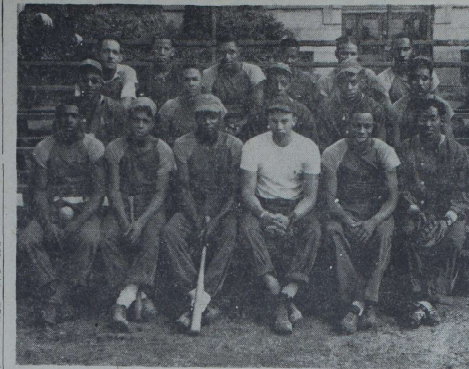

Community Five and the Pioneers. Russell's single came in the 11th and 12th ends of the contest.

Double banded a triple of 520 as the Automotives pushed back the Pioneers. Scored the night's high single in his last turn. Coach Harrison Continues Contact Drills For Tigers

By JOHN TAUB

AN HOUR and a half schlinged with Harrison last Thursday night, as the Larchmont Tigers practiced at Mamaroneck High School, as the 1948 Tigers continue to get in trim for their opening tilt with Albert Leonard next Saturday. This game is scheduled to be played at the New Rochelle High School field, and according to Coach Harry Harrison will be one of the toughest of the Mamaroneck schedule.

With a large group of "green" boys, Harrison will probably continue to shift his starting lineup right up until game time or until he finds the right combination of

blockers, tacklers and running backs. The lineup which started the scrimmage Thursday was made up of Red Kumon and Mouse Bruno at ends, Jim Pascal and Don Baker at tackles, Ed Timman and Tony Dalton at guards, with Lou Rigano handling the ball from center. Injures have claimed two potential starters in the persons of Dave Reppig, out with a broken nose, and Jimmy Dillio, a sore shoulder case.

Buddy Berkley, George Pezlar, Joe Petrucci and Julio Woodbridge made up the starting backline, and the lineup was changed frequently, giving Harrison and Assistant Coach Chico a chance to see almost all their replacements in the course of the season. Inception in both practice scrimmages, while Berkley did a good job in the fullback slot.

Harrison made use of many replacements and seems to have settled on his lineups. Ed Smith and Johnny Staropoli, although light, may develop into backfield talent on the offense, but Harrison has looked for four more practice sessions before deciding just who will hold down the starting positions.

With just a week left, the team will concentrate on more fundamentals. Blocking, tackling and downed blocking are all things which need to be polished up, while work on the pass desk will continue all week. Coach Harrison, "Our spirit is high and the fellows have shown a willingness to work. We're looking to look like a football team."

The Jayve squad, faced with the same problem as the varsity, that of having few experienced boys, has also been practicing daily practices under Mr. John L. Sullivan and William Howell. The team has been fortunate in several plays that the varsity uses and should provide some good varsity material in a year or two. The Jayve schedule:

Oct. 18, Jayve, home Oct. 25, Greenwich, away Oct. 29, Team X, away Nov. 5, White Plains, away Nov. 16, Team X, home

BLIND BROOK PLAYS PITTSFIELD POLOISTS

PURCHASE - Pittsfield, New England polo league leader and 1947 champion, makes its first appearance in this department. Blind Brook will meet the Purchase club this evening.

An added feature in match between the two teams will be the 1947 championship game between the two clubs. Blind Brook will meet the Purchase club this evening.

The first meeting between the two teams was very tight in Chicago and will use the same lineup that has won eight straight games in the Westchester N. E. loop. On the other hand, Blind Brook, which missed several key players, has divided with only one loss. Has now a 10-game winning streak to think about.

True, the Orange and Black have lost many of the boys who formed the nucleus of last year's attack, but most of the athletes on this year's club saw plenty of action last season and should suffer the usual untidiness shown by the youngsters when sees his first inter-hostile encounter.

Indians, Sox, Yanks Crowd Tie, May Get Elbow Room Tonight

By RALPH RODEN

Two's company and three's a crowd, the old saying goes and neither, that's exactly how the Boston Red Sox, Cleveland Indians and New York Yankees feel today.

The American League team are in a flustered tie for the circuit leadership but by mischance, they're exactly how the Boston Red Sox, Cleveland Indians and New York Yankees feel today.

The Red Sox and Yanks go at each other again today while the Indians take on the fifth place Tigers in Detroit. This will be the first of three games played today.

NAC PAIR TOPS AT WINGED FOOT

Frank VanNess and Jimmie Cullen qualified today for the final round of the New York Athletic Club Golf Championship which is being held at the Winged Foot Course in Mamaroneck, VanNess, who won in 1945, defeated K. H. Goffe Jr. 2 and 1 in the first round and then defeated Zepher by the same score in the second round.

Cullen, who had won the right to play in today's semifinals by defeating John C. Rowland on Thursday, continued his fine play and defeated Trumbull Richard 3 and 2 in the first round and finished up the afternoon session with a victory over Dr. A. J. Meek, 1 up.

VanNess also captured the 36-hole veterans championship, an event for members 50 years of age or more, with a 62-63-165, defeating Goffe by two strokes. In the U.S.S. Finals, A. J. Wiley beat Roy Keller 3 and 2, and Joe Jacob beat P. W. Kastner, 1947 class D winner, 2 up. Jacob and Wiley will play for the B championship in tomorrow's final round.

Harry Tashell, who was out of the year, had to drop out of this year's play because of business pressure.

LEONE ANNEXES BOWLING SINGLE

Leone's Children, the Jewells, Towns, and Pat Marquet all gained 2-1 victories at the Larchmont Ladies League opened play last night.

Highlighting the first night of competition was Milie Leone's performance in another manly sport. Leone's 2-1 victory was only led by her quarters. Miss Leone rolled a 100 and a high single, a 170 effort, and high series of 457 pins.

The Reds were beaten by the Jewells with Donato scoring 114 pins in her leading game. Finer rolled well for the losers.

The Towns stopped Team 8 with Foster carrying her club to victory. Her series of 474 was high for this particular contest. Team 7's four put up a good ball before bowing to the Pal Marquet. Saunders was the big gun in the 2-1 attack while Pegine led the losing force.

Gladney Wins Again

Spent Gladney, top model plane flyer of the Mamaroneck Airbushers' Club, captured his skill yesterday by walking off with first prize in the Junior division at an air meet held at Manchester Field by the club. John Sarna was second.

In the senior division, Edmond Thorn, with a handicap for motor disassembly, won first place with 230 points, followed by Loreto Poccia with 215 and Edward Focia with 212.

Mrs. Virginia M'Gee, first woman to enter local meets, won a flight over Westchester County donated by William Yale of White Plains, president of the Mamaroneck Airbushers' Club. Edmond Thorn also won a flight for doing the best stunt.

Durkams halted the next events. They will be held next Sunday at the same time.

Model plane enthusiasts over 16 who wish to be members of the Division of the club are asked to contact Charles Mace at Mace's Hobby Shop on North Barry Avenue.

Weathered the Storm

Ensign John W. Vile and his wife, the former Pauline of Larchmont, escaped injury when the hurricane struck the Key West, Fla., and Mrs. Walter Vile of 48 Rockland Avenue, Larchmont.

Ensign and Mrs. Vile weathered the blow in a concrete home of friends. He has been stationed in Key West since April aboard the U. S. S. Cubers, submarine.

Short Furlough

Sgt. Pasquale Nolletti of Mamaroneck, spent a short furlough last week at the home of his parents, Mr. and Mrs. Domenico Nolletti of 525 Lester Avenue. He is stationed at the Army Hill Air Base, Salina, Kan., as a radar technician with the 301st Very Heavy Bomb Group.

Sgt. Nolletti has made three trips to Germany, where he was stationed in August, 1946, for three years.

Stubborn Problem

A racoon which had been on the property of John E. Haigney on 40 Lein Terrace, Larchmont, Friday night, stubbornly refused to leave. That is, until the town police arrived on the scene and took over.

Mr. Haigney reported his predicament at 7:28 P. M. A few moments later, the animal appeared and chased the animal away.

Off Gulf Coast

Cpl. Robert Hester of Mamaroneck has been taking part in maneuvers off the Florida Gulf coast and was last seen at a base near Mobile, Ala.

The son of Mr. and Mrs. Russell Beebe of 445 Beach Avenue, he has one more year of a four-year hitch to serve with the Marine Corps. He was formerly stationed in Hawaii.

CAR JUMPS CURB DRIVER INJURED

Auto Catches Fire After Being Forced Off Weaver Street

An auto caught fire and its operator was injured when the car left Weaver Street near the Yoo street Saturday night and crashed into several cement posts. Mamaroneck town police reported today.

Teste DeMarino, 40, of New York City, told police that his car was proceeding south on Weaver Street when it was forced off the road by a car traveling in the same direction. He said his car struck the guard posts and caught fire.

DeMarino was taken to New Rochelle Hospital where he is treated for concussion of the head, contusions around both eyes and an injured back and left leg. Police reported, he is being held in the hospital for further examination of his injuries.

Engine No. 3 of the Mamaroneck Town Fire Department responded to the alarm at 10:15 P. M. The fire in the car was extinguished at 11:30 P. M.

Police said the car was badly damaged and reported damage to the guard rails and wires. No charges or arrests were made.

It was the seventh time in the last year that a car has left the road at the same location.

PEEKSKILL TAILS PAIR FOR HOMICIDE

Man and Woman Accused of Drowning Fisherman in River After Beating

PEEKSKILL — A man and a woman are looked up in county jail today awaiting action of the Grand Jury charged with homicide in beating a Peekskill man and throwing his unconscious body into the Hudson River 70 and 80 miles from Peekskill.

The arrests of Anthony J. Carelli, thirty, and Miss Florence M. Williams, twenty-four, both of Peekskill followed the discovery of the body of Nelson Kinsley, fifty-seven, floating in the river Saturday morning. Kinsley, a clerk, fisherman, also a Peekskiller, had been beaten about the face and had a broken nose. A dock in the East Bay near the place the body was found was stained with blood.

Police found a gun on the body and decided robbery was not the motive.

On Saturday afternoon detective Anthony M. Anastasi arrested Carelli and Miss Williams. The woman said she and Kinsley had argued the night before and Carelli had punched the man.

Police Assistant District Attorney Frederick Weeks said that the woman said she and Kinsley had argued the night before and Carelli had punched the man.

He added that this "drowning" he would see first degree murder indictments for the Peekskill man and woman.

BEVIN ALARMED SEES WAR PERIL

British Foreign Secretary Visions 'Wedge' Splitting United Nations

PARIS, (AP)—The Western Powers sent the Berlin crisis to the Security Council today and British Foreign Secretary Ernest Bevin immediately expressed fear it might wreck the United Nations.

In Berlin, a Russian-controlled newspaper echoed his words, saying that if the Western Powers sent a U. N. debate on Berlin "a wedge will be driven into the U. N. which may split the entire world organization."

If anything should come to pass and if the "black fury" of Moscow was should follow, Bevin told the United Nations Assembly, the fault would be Russia's and Russia's alone.

But, he added: "It is better to have our difficulties now to live in a fool's paradise."

A Big Four delegate said the Western Powers—Britain, France and the United States—expect to open their attack on Russia's three-month-old blockade of Berlin Thursday in the Security Council.

Riaks Soviet Veto

Alexandre Parodi, France's Security Council delegate, said Russia would veto any proposal to lift the blockade.

Boy Scouts Lend Their Aid To Put Chest Drive Over Top

For the last eight years the Mamaroneck Community Chest has been helping the Boy Scouts but this year it's a case of turn-about because the Boy Scouts, who will receive an extra stipend for the improvement of Camp Sivanoy, have offered to help the Community Chest put over its one-day drive Oct. 24.

The Mamaroneck Community Chest has been asked by Sivanoy Council to contribute \$1,700 toward the capital investment in Camp Sivanoy and it was a case of asking the community to help the Scouts raise the money through a special benefit or including it in the Community Chest.

The Chest directors voted to include it and was the first community in the Council to do so. Since then, several other Community Chests have voted the extra amount for the Scouts.

Commissioner Russell Pelton announced today that in return for the added Chest help, the Scouts are ready to assist the drive in every way possible. They will help with the folding and mailing on circulars, the distribution of promotion materials and workers' supplies and will be available at the drive Oct. 24.

Scouting is experiencing a spirited revival in Mamaroneck this year with Troop 1 in the process of reorganization and Troops 3 and 7 making plans for reactivation. The five troops in Mamaroneck are all church-sponsored. Troop 1 by St. Thomas Church, Troop 2 by the Methodist Church, Troop 3 by Holy Trinity, Troop 4

ARCHITECT WINS STATE LICENSE

Conrad Henne, Jr., Passes Four-Day Examination Given in June

Conrad C. Henne, Jr., of Mamaroneck has been licensed as an architect by the State of New York. It was announced today by the four-day state examination last June.

Mr. Henne, associated with the firm of H. C. Frost, New York City architects, is an architectural designer. He formerly was in charge of the Department of Architecture of Columbia University.

A graduate of Belongs High School in 1937, he studied pre-engineering for two years at Rensselaer Polytechnic Institute, Troy, N. Y., followed by four years in the Columbia University School of Architecture. He was graduated from Columbia in 1941 with a degree of bachelor of architecture and was awarded the American Institute of Architects Medal for all-around excellence in all subjects and the New York Society of Architects' medal for excellence in construction and engineering. While at Columbia, Mr. Henne was president of the student body of the architectural school.

He enlisted in the Army prior to his graduation and was called to active duty in the Summer of 1943 with the Army Engineering Corps. He served in Alaska for more than a year as post engineer at a small air base. He was discharged in October, 1946, as a first lieutenant.

Mr. Henne is the son of Mr. and Mrs. Conrad C. Henne of 245 Melbourne Avenue, Mamaroneck. He is a member of the Church Council of St. John's Lutheran Church and a member of the Mamaroneck Village Zoning Board of Appeals.

DEWEY BACKS PLEA TO N. N. IN BERLIN

Governor's Statement Issued In West Before Decision Is Announced

EN ROUTE WITH DEWEY, (AP)—Gov. Thomas E. Dewey supported today the Allied decision to let the Soviet Berlin blockade question to the United Nations Security Council.

Dewey's statement was issued after communication with John Foster Dulles, his foreign affairs adviser, who has been sitting in on the Paris U. N. and Foreign Ministers' meetings.

It was handed to reporters before the announcement of the Paris decision of the United States, Britain and France to take the Berlin issue to the Security Council, indicating the candidate's advance knowledge of the decision.

Noting that the war had ended three years ago yesterday, Dewey said that the time since had been "a period of disappointment and frustration." He said millions of people in the world are joining in "a fervent prayer for peace."

MAN, WOMAN ARRESTED ON CONDUCT CHARGE

A Mamaroneck woman and a Tucker's man were arrested by Mamaroneck police yesterday afternoon on charges of disorderly conduct.

George Burgess, forty-four, of Tucker's, was arrested on a charge with driving a car without a certificate of registration and failure to comply with a reasonable order of a police officer.

Arrested at the same time was Mrs. Ethel Page, thirty-six, of 103 Madison Street, Mamaroneck.

Patrolman Hugh Downey arrested both Miss Page and Burgess at 4:30 P. M. on Center Avenue and they were both using disorderly threatening and abusive language and by actions caused a crowd to collect.

Booked at Mamaroneck police headquarters, both were released in the custody of Fred Yankovsky of 218 Lawrence Avenue, Mamaroneck, until Wednesday morning when they are to appear before Judge Saltery in court in Mamaroneck Police Court.

THE WEATHER

Tonight clear and cool, low in morning. Slight rain tomorrow, mostly sunny and mild, high in upper 70s. High tides today at 5:30 P. M. and tomorrow at 6:16 A. M. and 6:45 P. M.

COLD WAR MOVES TO DANGER STAGE

U. S., Britain and France Take Blockade Issue To Public Arena

By JOHN M. HIGHTOWER Associated Press Staff

WASHINGTON, (AP)—The complete collapse of secret talks with Russia over the Berlin crisis advanced the cold war to a new and highly explosive stage today.

Authorities are frankly uncertain what may happen next.

Both President Truman and Republican Presidential nominee Thomas E. Dewey are being kept abreast of the German capital into the public arena of the United Nations Security Council.

As he swung his campaign into the West, Dewey has announced that he will reach a settlement with the Kremlin was revealed by the Soviet newspaper Pravda last night. At that hour the department made public a 3,000-word note accusing Russia of bad faith in the Berlin negotiations and of creating "a threat to international peace."

Secret Record Released

Publications in the same time was a barefaced secret record of 24,000 words which top diplomats in Moscow and Washington are being upon using the "illegal" blockade to force the Western Powers out of Berlin.

This it appears that instead of Premier Stalin agreed on Aug. 23, the world now is for a further, protracted East-West struggle over the city.

The difference is that from here on the issue will be before the Security Council meeting in Paris with the world public opinion as a stake.

Russia's continued membership in the United Nations makes Soviet Russia's continued membership in the United Nations.

WOMAN'S DEATH FOLLOWS CRASH

Saturday Accident Victim Told Police Broken On Her Car Crashes

SCARSDALE—Mrs. Newcomb Cleveland, sixty-one, died at 1:40 Saturday afternoon in the hospital after injuries received in an accident, caused she told police, when her car was broken into.

Scarsdale police told Mrs. Cleveland, whose home was at 34 Greenacre Street, to be hospitalized after the crash Saturday afternoon at Greenacres and Wallworth Avenues.

She was treated for shock, a compound fracture of her right leg, two broken ribs, cuts on her left neck and bruises. St. Vincent's Hospital reported.

Sergeant Jural said Mrs. Cleveland's 1941 sedan went out of control as she drove down the Greenacres Avenue hill, jumped the curb, ploughed through a hedge and hit a tree on the property of Philip Newman, 21 Wallworth Avenue.

The sergeant, who talked with the injured woman before she was taken to the hospital, said she told him the foot brake failed as she drove down the hill. The car, pushed the engine back and bent the steering post almost to the windshield.

Mrs. Cleveland's death was the first auto death in Scarsdale since June 24, 1946, and the 20th in the county this year compared with 35 at the same time in 1947.

ROSSSETT RESIGNS LUTHERAN PULPIT AFTER 16 YEARS

Pastor Forced by Illness To End Service At St. John's Church

The resignation of St. John's Lutheran Church, Mamaroneck, last night accepted "with regret" the resignation of the Rev. Theodore O. Rosssett, Jr., who has served as pastor of the church for the last 16 years.

His resignation, effective Oct. 11, was formally accepted at a meeting at a congregational meeting called by the Rev. Mr. Rosssett, Sept. 19 when his resignation was first presented.

Mr. Rosssett was forced by ill health to relinquish the pastorate in his last week of May, 1932. His present plans are indefinite, except that he expects to spend the next four months in travel. He will, however, maintain his home at 540 Palmer Avenue, Mamaroneck, for the time being.

The Rev. president of the New York Conference of the United Lutheran Synod of New York presided at last night's congregational meeting, at which the following were appointed to a pulpit committee to interview and recommend a new pastor: Rev. Mr. Rosssett, Edward Lindfield, chairman; Mrs. Robert Utter, Mrs. George W. McClure, District 2A; Richard McClure, District 2B; Albert E. Tuttle, District 2C; James Lewis H. Donaldson, District 1; Warren, District 2; Dominick N. Santomenna, District 7; William Sullivan, District 8A; Stewart Park, District 8B; Mrs. Donald Rabott, District 9; Richard McLeven, District 10; Benjamin Morrell, District 11.

SOVIET UNION SPEECH HITS RED STAND

Soviet Surprise Promised When Council Takes Up Western Plan

PARIS (AP)—France appealed to the United Nations today to end the Soviet blockade of Berlin because the three Western Powers have "annulled every possibility of direct agreement" with the Russians.

Foreign Minister Robert Schuman, in a policy speech to the General Assembly, said the United States, Britain and France had not found even "a minimum of good will" in their talks with the Russian position.

Schuman, spoke as the three Western nations prepared their appeals to the Security Council, formally ending the blockade as a threat to international peace and security.

U. S. Secretary of State George C. Marshall and British Foreign Secretary Ernest Bevin conferred with the members of the strategy of the Western ministers will follow in the Security Council. Officially the blockade is a threat to international peace and security.

At the same time, British and American sources said, experts of the three Western countries considered French proposals to be sent to U. N. Secretary General Trygve Lie either late today or tomorrow.

The Russian source said the powers would deliver identical notes in the early afternoon, but this was believed to be too optimistic.

Russian source at U. N. headquarters, meanwhile, listed a Soviet surprise when the Big Four meet in the Security Council possibly Thursday.

This usually reliable informant said the Russians will be present in the council chamber when Berlin is discussed and you will see what happens then."

Schuman, who spoke as the three Western nations prepared their appeals to the Security Council, formally ending the blockade as a threat to international peace and security.

renewed Germany must take her place in democratic Europe," he said. "Deprived of self-reliance, Germany must first achieve her own internal re-education and then take her place with her own special qualities among the European nations."

6 BILLION DOLLARS GIVEN TO CZECHS

World Monetary Fund Lends First Cash to Nation In Soviet Bloc

WASHINGTON (AP)—A \$6 million loan to Czechoslovakia was announced today by Camille Goff, Belgian managing director of the fund, in a report to the board of governors of the fund and its twin, the World Bank. It is the first aid given by the fund or bank to any nation in the Soviet bloc.

The Czechs need the money, Goff said, because a bad harvest last year had forced them to buy food from Russia.

Goff said no more aid to the Czechs is planned until the fund gets more information on their economic situation and prospects from a special mission it is sending to Prague.

The world fund said today it would keep a list of 47 member nations must cut government spending and many other "highly" budget-recovery plans may be necessary to bring them back to a world-recovery stage.

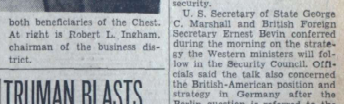

World-recovery plans may be necessary to bring them back to a world-recovery stage. The committee said its first report on a month-long inquiry tells "only a small part" of the whole story of economic activity. Chairman J. Parnell Thomas, announced that locked-out hearings will continue indefinitely. While stressing that so far it has been able to amplify the remarks, the committee said it declared the evidence it has turned up has been known to governments since for more than five years. Any further aid in proceeding. (Turn to Page 3, Please)

U. S. Secretary of State George C. Marshall and British Foreign Secretary Ernest Bevin conferred with the members of the strategy of the Western ministers will follow in the Security Council. Officially the blockade is a threat to international peace and security.

PARIS (AP)—France appealed to the United Nations today to end the Soviet blockade of Berlin because the three Western Powers have "annulled every possibility of direct agreement" with the Russians.

TAKE 'EM OUT AND HANG 'EM

EARLS ago there was a judge in Westchester whose fierce min on the bench during murder trials caused observers to remark that the Judge looked as if he were saying of the defendants: "Take 'em out and hang 'em." Yet he was one of the fairest and the ablest judges ever to sit on the bench in this district. Of course, the observers meant that the common light.

By Milians Timmons 'Garner Of Texas' Offers No Help To Democrats

WASHINGTON—Although written by a Democrat about one of the most prominent Democrats of modern times, Bascom Timmons' Garner of Texas, which Harper publishes today, should be another nail in the Truman coffin, and an effective political tract for the Thurmond-Whitaker States Rights Party.

It may be all the more effective in the Presidential campaign because it was not written with any such malice intent. Save for biographical outline of Mr. Garner's early days, the book contains the political, economic and philosophic expressions of the former Speaker and Vice President as recorded by his closest newspaper friend at Washington, Mr. Timmons, over a period of 30 years.

BLESSING

Since Mr. Garner, as the author explains, has destroyed all the papers and records of his more than 40 years in public life at Austin and at Washington, the Timmons manuscript will be accepted as the famous Texas's last will and political testament.

In a note to the author, whom he refused to help in preparation of the book, Mr. Garner gives it his blessing.

SERVITUDE

Written by a Democrat, it is a Thurmound-Whitaker Party tract against the Truman Civil Rights Program.
