### 386 Here; County Sets New Record

#### Soldier Ba 11 to 1

#### Send Total Over 1940 Figures

With 1940 soldier ballots received in the Town of Mamaroneck, the total registration for the 16 districts soared to 386 before the close of Saturday night, an increase of 286 over the 10,000 voters who registered for the last presidential election in 1940.

A survey of the figures by district shows how heavily the Town leaned on the soldier ballots for the 16 districts, because all but three, the Chateaufort and the 14th, fell behind the resident figures, ranging between 11 and 117 more than the 1940 registration.

In the districts where the registration fell off, according to election board officials, the figures indicate that persons have moved away since the last election, or as a war industry, and new registrants have not been able to qualify either for reasons of residence on the state, or for some other reason.

The four-day registration by districts was as follows, with the 1940 figures in parentheses: District 1, 452 (984); District 2, 395 (735); District 3, 788 (979); District 4, 999 (1101); District 5, 444 (808); District 6, 506 (979); District 7, 337 (982); District 8, 341 (881); District 9, 341 (965); District 10, 793 (703); District 11, 785 (848); District 12, 935 (850); District 13, 811 (983); District 14, 1,240 (1,221); District 15, 1,135 (1,764); District 16, 632.

The number of voters who organized during the last four years and the figures for both 15 and 16 are not comparable in this respect.

Last year when there was no national contest, the registration in the Town of Mamaroneck totaled 6,625.

About 1,900 ballots have been mailed to men in the service and received replies. The Republican Town Committee is now in the process of making the registration, according to a statement made to the press by Burton C. Washburn, chairman.

Washburn said that the committee is "gratified" and feels that the G. O. P. has a very strong showing in the registration, which was "very successful."

In the Town of Rye the four-day total registration for this year was 16,658, with 10,082 registered voters in 1940.

In the four Rye Neck districts, which recorded a total of 2,632 this year as compared to 2,338 in 1940, there was a decline of 188 but these figures do not include registration.

The totals for the two years by districts with 1940 figures in parentheses are: District 1—414, (291); District 2—632, (770); District 3—632, (770); District 4—632, (770).

Watchtower set a new all-time high record of voters registered in the election, including soldiers in town ballots have been mailed. The net gain over registration for the presidential election four years ago is slight, but to have Republic Watchtower exceed of 1940 has encouraged leaders of the party in New York State where the aggregate is lower.

The six cities showed a net drop of 2 per cent after the soldier ballots had been added. The city's total is 163,200, compared with 172,000 in 1940.

The towns which usually go Republican registered greater percentage increases than Mount Vernon and Rye, the only cities which were over 1940. Cortlandt, Harrison and Mamaroneck scored gains this year.

The net increase over 1940 in the cities is less than 1 per cent. Soldiers ballots already out of total registration in Westchester was between the record made in 1940 years ago. The soldiers may be considered registered, even if they do not vote, just as citizens on the Board of Elections pointed out.

Pics from a chimney spark at the high residence at 10 Winthrop Avenue, Larchmont, brook the chimney of the two-story frame house built by the late George Buntin on Sept. 14, 1907. The chimney was unestimated, was confined to the side and top. Members of the department worked for an hour and a half before the blaze was extinguished.

**16 ABOVE ZERO**  
BIRKBECK VILLAGE—The temperature fell to 16 above zero here on Saturday. Police Frank Hall reported.

**Home From Broken**  
James A. Steen, Navy V-12 apprentice seaman at Brews, California, is spending a leave unit Nov. 1 with his parents, Mr. and Mrs. James A. Steen of Larchmont, N. Y.

An engineering student at the University of St. Mary's, following his graduation from Mamaroneck High School.

**Window Smashed; \$300 Loot Taken**  
A solid silver champagne cooler was reported missing from the Opportunity Shop at 1114 West Boston Post Road, Mamaroneck, Sunday night, after the show case window was broken. Fred Best, owner of the shop, said the missing piece was worth about \$300.

**Passenger Injured In Jump From Train**  
Apparently thinking the train had arrived in Stamford, Joseph A. Simmons, a resident of that city, jumped off the 6:10 northbound train as it was pulling out of the Mamaroneck station. Simmons sprained and suffered a fractured right leg. He was taken to United Hospital by Lieut. Louis Giancola and Policeman E. Charles Hanna.

## Throws Pay Miss Lindsey Final Tribute

### Paying their final homage to "Larchmont's First Lady," friends and neighbors, officials and dignitaries, men and women from all walks of life filed the Larchmont Avenue Church Saturday afternoon, to pay their final tribute to Miss Lindsey.

Her funeral services were conducted for Emily Elice Lindsey, who died Wednesday evening at her home, 1212 and 1/2, Larchmont Avenue, after an illness of several months. The Rev. Floyd E. McGuire, D. D., who officiated, was assisted by the Rev. John H. Strong.

When the flag was at half mast in Larchmont, theasket bearing her body, covered with a blanket of white chrysanthemums, was given a police escort by Larchmont and New Rochelle police from George F. Davis funeral home in New Rochelle, where the body had been resting, to the church, and thence to the service.

### East Prussia

#### Goldap, 18 Mi. Inside German, Won; Enemy Admits Penetrations

#### GAIN IN SOUTH TOO

LONDON, (AP)—Russian troops have captured the East Prussian highway center of Goldap, 18 miles inside Germany, and have broadened their offensive along the entire eastern boundary of the province, the German commandant said today.

"Deep penetrations" in East Prussia were reported by the commandant. He said that the front now was 150 airline miles long from besieged Memel, northernmost German seaport, to the town of Insterburg in the Svaldavi sector at the southeast corner of East Prussia.

At the entrance of the eastern front, the Russians on the Arcton, pushed up to the border of the Marmaronek and Belleroy in the Svaldavi sector at the southeast corner of East Prussia.

Single there is no non-personal registration in the Rye Neck district, the literacy tests are over at the Bellow High School. In Mamaroneck, however, new voters have their more opposition to take the test, Oct. 21 and Nov. 2 from 7 P. M. to 8:30 P. M., and Nov. 7 from 7 P. M. to 8:30 P. M.

They will be given at the Weaver Street Police Station.

# Our Men In Service

## Wins Navy Promotion

Joseph William Mendes, son of Mr. and Mrs. Henry Mendes of 34 Glen Eagle Drive, Larchmont, has been promoted from ensign to lieutenant junior grade in the United States Naval Reserve in France where he is serving as post director in a seaport town.

## Marine Graduate

Richard V. Brown of Brown, Thorne Gardens, Mamaroneck, has completed the Marine Corps aviation supply course at Camp Lejeune, N. C., and upon graduation was advanced to sergeant and assigned to a photographic squad in the Marine Corps Air Station at Cherry Point, N. C., where he will assume new duties connected with the procurement of supplies.

## Aviation Mechanic

Gastone F. Marsella, son of Mr. and Mrs. Dominic Marsella of 111 Grand Street, Mamaroneck, has completed a course of study in an aviation mechanic at the Amherst Army Air Field Technical Training School in Texas and now qualified for airplane maintenance work.

## Home From Wesleyan

James K. Ahern, son of Mr. and Mrs. T. James Ahern of 7 Nassau Road, Larchmont, is at home from Wesleyan University where he completed two semesters as an apprentice seaman. He has been reassigned to the USS "Albatross" in the fleet at the Naval Air Station in Beres, Ohio, where he will continue work in a V-12 unit.

## Engineering Student

Barton A. Proctor, son of Mr. and Mrs. Barton A. Proctor of 42 Hillside Road, Larchmont, will arrive Thursday from Wesleyan University, where he is an engineering student in the Navy V-12 unit. On his return to home he will be a member of the Junior Reserve Officers Training Corps at the Mamaroneck High School.

## Schools Pay Navy Tribute At Assemblies

Since all Mamaroneck and Eye Neck schools will be closed Friday, Navy Day, for a teachers' conference, a tribute to the country's Naval forces will be paid at assemblies tomorrow. The observance of the day in most of the schools of the community.

Proclamations have been issued by Mayor Frank S. Washburn of Mamaroneck and by E. J. Shannon and E. J. Shannon of Eye Neck. Mamaroneck calling the attention of all residents of the community to Navy Day and asking the citizens "display the flag of our country and take such other means as may be available to honor the Navy upon whose continued power our continued freedom depends."

An special observance of the Navy's 16th year, the schools have planned activities as follows: At Bellows High School, part of the 2:30 P. M. assembly program tomorrow will feature Navy music by the school band, seniors will speak on various aspects of the Navy and Miss Barlow, a member of the Navy V-12 unit at Brown University, will address the students.

## Churchill Gives Report Friday

LONDON, (AP)—Prime Minister Winston Churchill told the House of Commons today that he would make a "shortish statement" Friday concerning his meetings with Premier Stalin in Moscow last week.

Polish Premier Stanislaw Mikolajczyk summoned his cabinet to discuss the report of the status of Polish-Soviet relations after his trip to Moscow.

It appeared unlikely that there would be any change in the Polish government on its position until after Churchill speaks.

## War Loan Goal Set At \$1,000,000

### Plans Mapped For 6th Mamaroneck Drive To Start On Nov. 20

#### Now In Two Parts

Mamaroneck's quota in the Sixth War Loan drive beginning Nov. 20 and ending Dec. 15 is \$1,000,000, according to an announcement by Gabriel Wendel, chairman of the Mamaroneck War Finance Committee, following a meeting of the committee last night. Also discussed were plans for the Blue Star Brigade, rallies and other activities which might be deemed necessary in order to carry out the drive as well as in previous drives.

The quota is divided into two parts. Mr. Wendel pointed out that the quota for individual participation is \$450,000, an increase of \$100,000 over the Fifth War Loan drive. The quota for corporations is \$550,000, a decrease of \$100,000.

"Everybody buy an extra \$100 bond for this drive is \$100,000 less than last June," Mr. Wendel said. "We will not stop at \$1,000,000. Last June and July we raised approximately \$1,200,000 for the War Loan drive. We expect to make at least as good a showing this time."

"The slogan for this drive is 'Everybody buy an extra \$100 bond during the drive.' This is more than on all former drives. It is more than necessary now with the war on. It is necessary to supply the money necessary to provide them with all of the necessities they need."

"Deposits in savings accounts continue to swell, but the sale of War Bonds, for it is the War Bonds which keep the war machine moving forward for all of us and which will win the war for us. Each individual should make up his mind to buy at least \$100 worth of War Bonds. We expect to make at least as good a showing this time."

"The Blue Star Brigade, Mr. Wendel pointed out, comprises all those who are selling War Savings Bonds. The chairman of the committee said that he had bought now and kept to maturity. It was an important safeguard of his money which members of the armed forces are willing to give their lives for. The Blue Star Brigade has been formed in the community and full details will be announced at a later date, he said.

## Nominee Rice Spurns G. O. P. Fund Appeal

When Thomas B. Sutton, treasurer of the Mamaroneck Town Republic, declined to accept a nomination for the G. O. P. fund appeal, he was reported to have said that he was not interested in the fund appeal.

## Two Sentenced For Violation Of Health Law

Two Mamaroneck residents were convicted in Village Police Court this morning of violations of the New York State Public Health Law and received sentences of 90 days in the County Jail and a fine of \$100 each.

The defendants, Miss Leah Smith, 15, of 517 Center Street, and Harold Robinson, 21, of 316 Northway Avenue, were arrested on complaint of County Commissioner William A. Holla for failing to report for clinical treatment for an infectious disease.

Judge Patrick J. Hughes said that the men had violated the law by failing to report for clinical treatment for an infectious disease.

## U. S. Liberators Free 11 Towns Of Jap Control

GEN. MACARTHUR'S HQS., PHILIPPINES, (AP)—American liberators of 11 towns in the Central Philippines drove ahead on Leyte Island today through almost impassable muck and bitterly resisting Japanese.

(Press dispatches from the front to the Melbourne Herald in Australia reported an American tank column had established a bridgehead on Samar Island, the link between Leyte and Luzon Islands.

The Herald's correspondent, Blaine Fielder, reported the tank column ferried across narrow San Juanico Strait Monday from a highway point above Tacloban, Province of Leyte, and a provisional seat of the Constitutional Philippine Government.

Fielder's dispatches from Tacloban, cleared by military censors, said Gen. Douglas MacArthur capitalized on the rapid advance on northern Leyte to send his troops to the fifth island to be in the south than the Japanese, and sometimes left the advancing tanks without the support of their infantry.

General Road was the coastal road south from Tacloban. It was centrally in American hands. Palo and Dulag and the westbound area of a potential trap reaching out to encircle Nipponese 16th Division elements—the fortress at Bataan—140 square miles bounded on the east by the coast and on the west by a narrow strip from Bataan to Bante Fe.

Marked progress was reported today in a communication to the War Department. After bypassing Nipponese positions in the Cotonon hills and Dulag, Sherman tanks pushed seven miles into the outskirts of Palo. The two divisions of great bulk are added to call the advance was over muddy road.

## Mamaroneck Board Orders Check-Up On Taxi Service After Hearing Complaints

A general "checking up" of taxi services may result from a discussion at the Village board meeting last night when, after complaints were voiced by two trustees, Village Manager William H. Johnson and Police Chief Arthur W. Martens were asked to check on the service being given local residents.

After Trustee Edwin B. Dooley complained of the "confusing manner" in which the drivers swing to the left side of Halsted Avenue, the board ordered the parking space at the tracks, Trustee Edward J. Kuhn said that he had been bothered by two girls recently that a taxi driver had refused to take them to the station. The girls were given local residents.

After Trustee Edwin B. Dooley complained of the "confusing manner" in which the drivers swing to the left side of Halsted Avenue, the board ordered the parking space at the tracks, Trustee Edward J. Kuhn said that he had been bothered by two girls recently that a taxi driver had refused to take them to the station. The girls were given local residents.

Mayor E. J. Santoro asked him to determine the identity of the driver, if possible, adding, "Either the girls provide service for the residents of Mamaroneck, or they do not. If they do, we want to know about it."

The mayor also stated that complaints have been received about drivers who are called to a residential area, but do not stop at the door, sit in the cab and blow the horn to summon the person who is called the cab.

Treasurer Clerk Frederick H. Hill, Jr., reported that of the 27 bills sent out for special assessment tax arrears, 35 have been paid, representing a total of \$2,310.75. The entire amount outstanding on the accounts is \$34,380.75.

Mr. Hill reported that, of the 35 paid accounts, all but one have been on property where the regular taxes have been paid through 1943. In such cases, the interest and penalties on the special assessment taxes have been waived.

Upon motion of Police Chief Arthur W. Martens, who also advised he received no reply from the tax collector, which hold title to the property, to a communication asking what they intend to do with the 100 properties in the Corporation Counsel Anthony San.

Some was authorized to proceed with forcible proceedings. Trustee Kuhn urged that the action be started first on improved properties where rent is being collected but no taxes paid.

Mr. Martens was also authorized to proceed with the taking of title to the 100 properties on the basis of the special assessment.

Permission was given to the Mamaroneck and Rose Companies to hold a bazaar Nov. 10, 17 and 18 at company headquarters. (Continued on Page Three)

## Two Rubbish Blazes Call Out Firemen

Two rubbish fires were extinguished by the Larchmont Fire Department, 245 P. M. at the rear of the Larchmont Post Office, and another at 1013 P. M. at the back of Thomas Deville's residence at 325 Boston Dea Road.

## On The Home Front

MAMARONECK VILLAGE LARCHMONT POSTAL AREA

GET YOUR BOOKS Headquarters for USO Reports is now the Consumer Information Bureau, 100 West 42nd Street, New York 18, N. Y., opposite the postoffice. The project is in charge of Mrs. Bernice Hoover, while Mrs. Korman is away. Mrs. Fred Burkhardt, 100 West 42nd Street, is in charge of the project. Write to Mrs. Hoover on hand with advice and suggestions. (Continued on Page Three)

## LETTERS PUSH ON IN BATTLE TO RID ANTWERP OF NAZIS; SLOWS LEYTE ADVANCE

U. S. Liberators Free 11 Towns Of Jap Control

GEN. MACARTHUR'S HQS., PHILIPPINES, (AP)—American liberators of 11 towns in the Central Philippines drove ahead on Leyte Island today through almost impassable muck and bitterly resisting Japanese.

(Press dispatches from the front to the Melbourne Herald in Australia reported an American tank column had established a bridgehead on Samar Island, the link between Leyte and Luzon Islands.

The Herald's correspondent, Blaine Fielder, reported the tank column ferried across narrow San Juanico Strait Monday from a highway point above Tacloban, Province of Leyte, and a provisional seat of the Constitutional Philippine Government.

Fielder's dispatches from Tacloban, cleared by military censors, said Gen. Douglas MacArthur capitalized on the rapid advance on northern Leyte to send his troops to the fifth island to be in the south than the Japanese, and sometimes left the advancing tanks without the support of their infantry.

General Road was the coastal road south from Tacloban. It was centrally in American hands. Palo and Dulag and the westbound area of a potential trap reaching out to encircle Nipponese 16th Division elements—the fortress at Bataan—140 square miles bounded on the east by the coast and on the west by a narrow strip from Bataan to Bante Fe.

Marked progress was reported today in a communication to the War Department. After bypassing Nipponese positions in the Cotonon hills and Dulag, Sherman tanks pushed seven miles into the outskirts of Palo. The two divisions of great bulk are added to call the advance was over muddy road.

## Elementary Schools Issue New Gasoline Ration Books Two Afternoons Next Week

Simpson Takes New Post In St. Petersburg

Train A. Simpson, president of The St. Petersburg Chamber of Commerce and Industry, will be in Mamaroneck today to discuss the new gasoline ration books which will be issued next week.

Mr. Simpson, who has been president of the Chamber since 1938, said that the company will continue under the direction of the Chamber of Commerce and Industry, and that he will be continuing with the Chamber of Commerce and Industry.

## Two Days Set For Larchmont Paper Pick-Up

Wednesday and Thursday of next week, Nov. 1 and 2, are the days scheduled for the next paper pick-up in Larchmont and the Town of Mamaroneck, according to an announcement by Mrs. Herbert Rogers, village chairman, and Mrs. Fred Burkhardt, village chairman.

Salvation Army trucks will make the rounds, collecting tin cans, rags and metal, as well as paper, machinery or other articles of great bulk are added to call the advance was over muddy road.

"Put out every available scrap of paper from attic to cellar," urges Mrs. Rogers, who remains residents that paper must be properly wrapped and securely tied. The material should be placed and processed before being put out.

In cases where the Salvation Army fails to call, Larchmont residents should notify the Consumer Council.

## FDR Will Talk In Windy City

WASHINGTON, (AP)—President Roosevelt will deliver a major campaign speech in Chicago sometime after his Friday appearance here yesterday.

President Secretary Stephen Early announced the Chicago speech today but told reporters he did not have the date. However, Mayor Edward J. Kelly of Chicago announced that Democratic rally for top city men Saturday night at the Waldorf Astoria.

## Canadian Gain In Fight To Seal Schelde Estuary

LONDON, (AP)—British troops stormed into the outskirts of the Dutch communications center of St. Hertrigenbosch today and Canadian forces to the west plunged closer to Roosendaal in the blazing battle to clear the Germans from the vicinity of the Belgian port of Antwerp.

A dispatch from Supreme Allied Headquarters in Paris said today that Canadian units fighting to break the south bank of the Schelde Estuary held the ferry port of Breskens Army today and were along or across a road all the way to Roosendaal, three miles south of Breskens. The Germans have been squeezed into a pocket in this area.

An earlier dispatch had reported that the Canadians were still at Breskens Sunday had withdrawn from the town and that a confused situation still existed. There, demolition patrols which moved about half-mile beyond Breskens to Port Frederik Hendrik withdrew, presumably leaving that beachhead coastal batteries out of action. Neither side was occupying the fort, the Paris dispatch said.

North of Antwerp Canadian troops cut the causeway leading to the islands in the Schelde Estuary. Their artillery previously had been firing at the islands. Along the main 47-mile front the Allied pressure forced the German forces to the west and the winter's campaign was sharp.

Reports indicated that the German forces in the Schelde Estuary were suffering from lack of artillery support.

## The Weather

Occasional light showers and continued cool tonight. Partly cloudy and continued rather cool tomorrow. High today at 4:31 P. M.; tomorrow at 5:33 A. M. and 9:37 P. M.

## 400 Towns Fall In New Soviet Drive In East

MOSCOW, (AP)—Russian penetration of German territory to a depth of at least 10 miles in East Prussia was proclaimed today in the first major announcement of a powerful Red Army offensive that already has captured 400 East Prussian towns and villages.

Soviet bulletins announced that the Red Army had occupied all of Memel territory except the port of Memel itself, where the German garrison was cut off, and had massed along the Niemen River, a German frontier town on the Baltic to Jurbarke in Lithuania.

Cherniakovsky's offensive, which has the Russians a footing on German soil for the first time, drove directly westward on each side of the main highway and rail routes from Memel, Latvia, to Insterburg and Koenigsberg. Insterburg, a hub of railroads 47 miles from the front, appeared the immediate strategic point.

Late dispatches said the Russians were approaching Gumbinnen, on the main westward route only 15 miles east of Insterburg and 10 miles from Koenigsberg, East Prussian capital.

There are a lot of gaps between the Red Army's front last night, and the Germans have not reached the Anzperg River, it miles east of Insterburg. For a total penetration of 35 miles inside East Prussia.

Front dispatches said elements of Hitler's new Home Guard, mobilized in East Prussia, were manning 16 to 20, had been killed and wounded in a big breakthrough in East Prussia.

## Air Patrol To Hold Class On Parachutes

The New Rochelle Squadron, Civil Air Patrol, a Washburner New York group, will meet at the Naval Air Station in New Rochelle tomorrow at 7:45 P. M. when Warrant Officer Edward F. DeLima will hold a class on parachutes. It was reported today that applicants have been received for the course interested in joining the group.

## Dewey Turns Attention To Foreign Policy

ENROUTE WITH DEWEY TO MINNEAPOLIS, (AP)—Foreign policy emerged as one of the paramount issues of the Presidential campaign today as Gov. Thomas E. Dewey leveled his guns on the subject of international relations.

President Roosevelt's pre-Presidential diplomatic record for a major speech in Minneapolis tonight.

Chasing aside a prepared talk on farm problems, the Republican Presidential nominee picked up the gage of battle Mr. Roosevelt issued Saturday night in an attack on GOP Congress members the President called "isolationists," and announced he would "fill in the context that Mr. Roosevelt will fight."

"It is afraid Mr. Roosevelt took his history out of context on that speech last Saturday night," Dewey told reporters gathered about him in the work car of his special train yesterday.

"His memory of the attack on farm areas of recent history, so, I will fill in the blanks in my speech in Minneapolis."

Asked later to specify the portions of the Democratic attack which he was aiming, Dewey remarked: "There are a lot of gaps between 1933 and 1941." There were indications he considered pre-war isolationism had been a factor in the failure to join the group.

By THE SPORTS EDITOR

## Lars

When we were in school we learned there were two kinds of three plain line and statistics. The statistical end of it was proved Saturday when a Georgia Tech seven lost a total of seven yards on its ground attack while Navy was piling up well over 200 yards net gain. Georgia Tech won the game.

It was, however, a different story at Rye High School as the Bellows Panthers engaged the Garnet. These figures won't look good to Edus and Black fans, but they tell the story of the 29-0 defeat of the East Enders.

Rye gained 216 yards in the course of the fray to the Panthers' 64. The Garnet smashed the East End line and turned the Blue and Black's ends for exactly 206 yards, gaining the additional 94 through the air. Coach Hasley's charges didn't complete a pass and had one of their three attempts intercepted. In addition the local boys fumbled twice. Only in the average distance of yards did the Mamaronck show any advantage as they out-gained Team Walsh's kickers 37-83. Which didn't make a lot of difference.

There's no figures and again reveal what has been evident in almost every game this year: a weakness in the Panther ground attack. Even in the Mamaronck game the East Enders did not much on the ground and when the pass attack stalled, as it did on Saturday's rain, the Blue and Black got exactly nowhere.

When we pull a bowler we don't up the rubber on the pins we harder to placate than we mean. Well, we did it this time. Gave Mrs. Jaye Radcliffe credit for high game and high series in last week's writing on the Larch. Mrs. Radcliffe was only almost high not quite. However, we did give Elise Rignano's 47, which was high trip, and also her 179, which was high trip.

We hope the ladies are long on forgiveness because this time we need it. Mrs. Rignano showed us all the honors in the loop last week.

# Palmers And Disbrows Deadlocked At Top Of Acres Loop

## Sterlings Advance To Third; Messersmith Hits 233, 590

**Team Standings**

Team	Won	Lost	Pct.
Palmer	8	4	.667
Disbrow	7	4	.633
Sterling	6	6	.500
McMillan	6	6	.500
Templeman	4	8	.333
Bassette	3	9	.250

They scrambled up the stand in the Larchmont Acres bowling league last night as the Sterlings, down in fifth place, advanced to third and the Motie, who were tied for the league leadership, tumbled all the way down into a deadlock for fourth place when they finished their night's bowling. The Palmer and Disbrow House quintets, however, severely sailed along at the top of the circuit as both squads won their matches 2-1 to maintain a tie for the leadership.

The Palmers' win was based largely on Wesley Messersmith who rolled league high triple for the night when he hit 580 for his three games. Not content with high series, Messersmith smashed the winners for a 283 in his last effort to tie high single honors. His squad took the final two games after dropping the first by a matter of 31 pins, a loss directly attributable to the 17-pin handicap imposed by the Messerites.

Bob Pollock of the Disbrows wasn't far behind Messersmith's total as he racked up a 276 to tie the Disbrows to a 2-1 win over the Tompkins. Pollock's total was tied 138-138 with the team as they bowled as well as they bowled. The Disbrows' 146, was high for the losers.

The Motie, who were tied for the league leadership, came a cropper and took a 3-0 to the Rickhills. Messersmith's 233 and 590 were the only high series in the league. Rickhills' Messersmith came up with three straight wins to knock the Rickhills leaders down into a three-way tie for fourth. Harland Winney was the villain of the piece, rolling 123 and including a 215 game in his series. None of the games was close as the Motie evidently didn't have it on the ball last night.

Second and about was registered by the Disbrows who moved up into third place in the standings as a result of their 4-0 triumph over the Penrose's. Swango and Gosweller, 165-165, 162-162, were the stars of the evening as the former registered 130 in his second game and the latter added a 225 for his last string, ending up with a 587 series high for the night.

Once again the league teams were:

introduced several new bowlers as the night squads used a total of 45 bowlers during the course of the evening. The practice may not make for good scores but it certainly makes for fellowship and good competition. Only three of the right teams continued through to five bowlers each with four squads using seven leagues apiece.

**The scores:**

Palmer (1)	161	120	128	458

NAVY FTBACK CLYDE SCOTT picks up eight yards through their own right tackle in the third quarter of the Navy-Georgia Tech game Saturday at Atlanta, Ga. Scott is stopped by proxies at Georgia Tech. The Tech eleven won the game by a score of 11 to 10.

## Rainy Saturday Cuts Golf Play

WHITE PLAINS—A rainy Saturday cut down appreciably the number of players on the course during the weekend, with only 827 patronizing the courses, as compared to 1,026 for the same weekend of last year.

The courses, Mohanic in Yorktown, Nelson Woods in Scarsdale, Mapleton in White Plains and Spring Lake in Yonkers, will remain open for play, said George S. Haight, general park superintendent, as long as the weather permits and entrance facilities are available.

## Tigers Plan For Roosevelt Fight Results

Coming out of the tough Navy Prep trials to good physical shape, the Mamaronck Tigers yesterday began preparations for Roosevelt High whose team will be met Saturday at Manchester Field.

Mooney, taking into account the going over his squad got against Iowa, sent the outfit through a light drill but concentrated his efforts on the development of new plays designed to advance as well as power to the Tiger attack.

Football Grounds, slippery quarter, which was added to Saturday's Iowa game because of a knee injury was still not able to take part in the practice. Whether he'll be ready to start against Roosevelt Saturday is still problematical.

The Roosevelt squad will come to town credited with one of the big high school upsets of the year as the team trounced the powerful New Rochelle Purple Wave two weeks ago. Last Saturday, Roosevelt out dumped Isaac Young by 13-0.

Diligent voice and music ability were important factors in Govetta's career. He entered McMillan University in St. Paul, Minn., received his diploma in 1931. He immediately returned to the West Coast and after a few seasons with Grand Opera companies, finally succeeded in cranking the gates of Hollywood.

## Featherweights Head Card In Bouts At County Center

WHITE PLAINS—Freddie Russo, undefeated young featherweight, will meet Dan Wilcox, Jr., in his initial appearance at County Center here tonight against Johnny Juliano, of Paterson, N. J., in the top light round bout.

Russo is being groomed to fight Sal Barotto, National Boxing Association featherweight champion, but before taking on the titleholder, Freddie must wipe out the last of the Jersey competition.

Tonight's match at least will be the New Jersey featherweight title and since no place was big enough on the other side of the Hudson. Promoter Leo McCreese was unable to bring the scrappers to the County Center.

Russo, unbeaten in 50 contests, 12 as a semi-pro and 38 as a pro, will climb into the ring tonight at 6 to 5 favorite to defeat Juliano. In his last New York bout Russo whipped George Cooper. Not to be outdone by his opponent tonight, Juliano sought a Cooper match and won more decisively than Freddie did against Cooper.

Though Russo is a new face to the Westchester area, Juliano is remembered here for his two thrilling victories over Carlos "No No" Cuebas at the Center two seasons back.

Jerry Darby, Jamaica lightweight, collides with Pat Scanlon, Orono Park, L. I. Ironman, in the semi-final contest scheduled for six rounds.

At Pine of Elmford clubs with Willey Gray, Halton Melville, and Vic Costa. The Bronx outfit, meets Charley Walker, of Youngstown, Ohio, in the other bracket.

## Panther J. V. Loses To Rye By 16-7 Count

Taking a leaf from the book of their big brothers, the Rye varsity outfit, the Garnet Junior varsity yesterday hung a 16-7 lopsided win over the Bellows Panthers in the first quarter as the visitors annihilated the field to score on the double reverse which proved as successful against the Bellows as it was against the Garnet.

The Garnet started off in the first quarter as the visitors annihilated the field to score on the double reverse which proved as successful against the Bellows as it was against the Garnet.

A. S. David Charles Flagg, son of Mr. and Mrs. Samuel Flagg of 1 Overlook Terrace, Larchmont, who attended Principia College, is spending his furlough days at Principia College, Wash. Ill., where he was a member of the freshman class last year.

## Russians Drive Across Vistula Above Warsaw

By DANIEL DE LUCE

MOSCOW (AP)—Russian and Polish troops, suddenly reversing the offensive in the Warsaw area, have driven a bridgehead at least 10 miles deep across the Vistula River just north of the beleaguered Polish capital, outflanking the city and posing still another threat to East Prussia, Moscow revealed today.

While other Red Army forces sweeping into Norway captured the entire Arctic port of Hammerfest, completed the conquest of Transylvania in the south, Marshal Konstantin Rokossovsky's Russian Army, along with units of the First Polish Army, reacted the Warsaw suburb towns of Lesna and Dobrowa and closely approached the main railway leading westward into Germany.

The sudden breakthrough of the Warsaw-Vistula, the German case as a surprise and the German garrisons inside the sheltered built-up area, once great Polish capital was threatened with imminent encirclement.

While the capture of Warsaw itself would have only psychological value, now a major breakthrough in the area would represent the double threat of a German thrust straight at Berlin as well as northward to East Prussia.

## Five Held For Theft Of \$70,575

Union Officials, Including Bove, Named In Indictment; 129 Counts

## INQUIRY CONTINUING

By JOSEPH W. SHANNON Staff Correspondent

WHITE PLAINS—Thefts totaling \$70,575 from the treasury of Tomson Local 60 of the International Hodcarriers, Building and Construction Laborers Union was charged in an indictment, accusing five officials of the union who were arrested yesterday by the Grand Jury and revealed today with the names of the defendants.

Accused in the indictment, which carries 129 counts and is said to be one of the largest ever found in Westchester, are James Bove, age 48, the occupation as president of the International Union, and secretary-treasurer of the local, both of 100 Westchester Avenue, president Thomas Tringali, 33, of 121 Hudson Street, Peckskill, a member of the executive board.

Bove was arrested last night by State Troopers outside the Dutch Kills Club, Queens, of which he is said to be the operator. He was taken to the office of the District Attorney, James E. Harte, and then to County Jail. On being booked there, he was held in the Tomson local, which is an organizer, and his home address as 34-32 28th Street, Long Island City.

## Dewey Charges FDR Sale Of 'Special Rights'

By JACK BELL Associated Press Staff

ALBANY—Gov. Thomas E. Dewey today charged that President Roosevelt had sponsored an idea to "sell special privileges" to \$100 contributors to the Democratic Party for fourth term, called today for a new national administration founded on "rudimentary honesty."

The Republican presidential nominee told a yelling, whistling crowd of thousands at the station today that it was time for Americans to "resolve here and now to get an act of government by the cynical theory of 'who gets what, when and why.'"

Declaring that men and women on WPA had been "shaken down for political contributions to the new deal," Dewey asserted that Mr. Roosevelt himself had counseled a plan by which he said thousands of men and women were invited to participate in the formulation of administration policy for one thousand dollars on the barter.

Andy Fain, chief writer, estimated that 30,000 names were packed into the hall and there were 10,000 outside who failed to get in.

Dewey took the text of his 15th major speech since his nomination a letter he said had been dictated to the stationery of the National Democratic Campaign Headquarters in Little Rock, Ark., and signed by H. C. McCallister and Sam J. Watkins, Arkansas finance directors for the Democratic campaign.

Mr. Tiano's recommendations to these problems of teen age delinquency, recreation centers, supervised recreation centers, and religious education. "In getting the boys off the street and into a constructive, clean, healthy and properly supervised recreation center, we are not only doing a good deed, but we are also doing a good deed to the State," Dewey said.

# War News

MAMARONECK, N. Y., THURSDAY, OCTOBER 26, 1944

## 8 JAP WARSHIPS BLASTED IN SOUTHWEST PACIFIC; 11 SPEN AWAY WITH

### Allies Land On South Shore Of Bewland Island

LONDON (AP)—The German High Command announced today that Allied forces, striking the last Nazi gun blocking Allied convoys from Antwerp, had landed on the south shore of Bewland Island.

Communications are in progress, the communique said, indicating the amphibious forces already made a beachhead on the north side of the Schelde Estuary.

Berlin broadcasts that Walcheren, another island north of the Estuary, had been invaded by Allied land and sea forces were not borne out by the communique.

The landing apparently was made under the protection of a dense morning fog which covered the North Sea and caused an Allied force, fighting through hip-deep water, to land on the beach.

Parish Marshal Sir Bernard L. Montgomery's planes lighted the water-logged deltas and islands of southwest Holland, with the enemy giving ground all the way from Bergen Op Zoom to Breda.

Explosives in the east on 11,000 Germans trapped on Walcheren, the Canadian fought through the water-logged deltas and islands of southwest Holland, with the enemy giving ground all the way from Bergen Op Zoom to Breda.

South of the estuary the Canadians were fighting in the streets of Oostende, the port town of the delta. The enemy's last stand was made in the village of Zuid. They also recaptured the village of Hendrik and reached the sea at the village of Oostende.

Members of the 1st Canadian Army, 2nd Canadian Army, and 3rd Canadian Army, were fighting in the streets of Oostende, the port town of the delta. The enemy's last stand was made in the village of Zuid.

### War Shortened By Crippling Of Enemy Fleet

By CHARLES H. MURPHY Associated Press Staff

U. S. PACIFIC FLEET HQS., PEARL HARBOR—At least 18 of the Japanese warships were lost or damaged in a decisive defeat of the Japanese fleet in Philippine waters that may have shortened the war by months, Navy Chief of Staff, Nimitz reported today.

Combined reports of Nimitz and Gen. Douglas MacArthur on three major engagements involving the bulk of the Japanese fleet listed a total of 26 major enemy ships plus several destroyers sunk or damaged.

The overall total was: six destroyers sunk, including two definitely sunk, including five probably sunk, including 17 other ships.

Seventeen others plus "several destroyers" damaged. The crushing three-fold defeat apparently left the enemy's navy stripped of the carrier, battleship and cruiser power necessary to again engage the U. S. fleet in a major action, successfully opening the China coast, or Japan itself from attack.

MacArthur's invasion of the Philippines touched off the triple battle, among the greatest in naval history.

The report today was limited to two engagements—an overwhelmingly one-sided victory over the largest Japanese task force, caught south of Formosa by U.S. carrier, battleship, cruiser and submarine, and a crucial air-sea engagement in the Sibuyan Sea of the Philippines on which the fate of Japanese forces on Leyte hung in the balance.

These two battles brought these results: Sunk—six destroyers, one light carrier, four cruisers, three heavy cruisers and several destroyers.

Probably sunk—one large carrier, two battleships, several destroyers, three heavy cruisers and several destroyers.

Japanese naval communications admitted the loss of one battleship, one heavy cruiser, one destroyer and substantial damage to another.

Most of the destruction was inflicted on a Japanese task force which included the battleship Yamato, the largest ship ever built.

Definitely Nimitz had reported the loss of the light carrier Princeton and General MacArthur announced the capture of an enemy carrier from the Seventh Fleet covering his amphibious landing.

The Imperial Task Force caught near Formosa in the Philippines Sea. It was attacked by a concentration of aircraft, surface ships and submarines for a day and night. Enemy aircraft flew out from the Philippines in a futile attempt to rescue the trapped Japanese task force. The Japanese finally escaped under cover of a thick mist.

Nimitz' communique amplified his 13th A. M. report Wednesday that much of the damage duplicated his earlier figures.

However, he said this report still is incomplete and will be amplified as further details become available. Thus there is the possibility that even greater destruction may have been wrought on the Imperial fleet which dashed its long last effort to break through to defend or retreat. It is declared.

These state senatorial candidates were asked whether they favored a New York State public works program to relieve post-war unemployment, and if so, how. It will be discussed in a future issue of the Bulletin.

## The Weather

This afternoon, partly cloudy, with moderate temperatures. Tomorrow, mostly clear, with moderate temperatures. High tides today at 7:09 P. M.; low tides at 8:00 A. M. and 8:08 P. M.

PRICE FIVE CENTS

## Loneliness Pervades Farr Household As Fritz Leaves For Service In U. S. Army

Legion Offers Vets Aid On Return Home

There's an empty dish, an empty chair and an unoccupied room in the home of Mrs. M. J. Farr, 41 Prospect Avenue, in Mamaroneck today. Fritz has gone to war.

The family grove the big 15-month-old colts to White Plains yesterday and put him on the train for Fort Robinson, Neb., which the army has designated as a guard and patrol side for the United States Army.

Fritz came to Betty and David Farr when he was two months old from Fritz Hartman of Rockland County and has grown up to resemble the dog in the popular picture, "Lassie Come Home."

The son of David, who knows half the length of the two-mile road, has been long used to the connecting island of South Beveland. They captured Rilland on the island.

South of the estuary the Canadians were fighting in the streets of Oostende, the port town of the delta. The enemy's last stand was made in the village of Zuid.

Members of the 1st Canadian Army, 2nd Canadian Army, and 3rd Canadian Army, were fighting in the streets of Oostende, the port town of the delta. The enemy's last stand was made in the village of Zuid.

## Murray Gives Dewey Lead Of Only 40,000

By HUGH W. ROBERTSON

WHITE PLAINS—A difference of 40,000 votes separates the spread between estimates by Republican and Democratic county chairmen of Westchester as to the majority which Dewey will give in this county on Nov. 7.

Republican County Chairman Edward J. Murray of Yonkers today said that with a pre-arranged margin of 40,000 votes, he believed that Dewey could be held down to 40,000.

But both party leaders admit that their predictions may be too conservative on the Roosevelt side. Mr. Platt is hopeful of a majority which will top 50,000.

A figure which would constitute an advance record for any candidate on any ticket in the County's history. Mr. Murray admits that the Dewey majority may rise as high as 50,000.

Mr. Dewey has over 40,000, or even 50,000, it will be the lowest majority he has ever received in Westchester—although it must be borne in mind that this is the first time he has ever run against Dewey.

Mr. Dewey has over 40,000, or even 50,000, it will be the lowest majority he has ever received in Westchester—although it must be borne in mind that this is the first time he has ever run against Dewey.

## 11 Nominees Of 3 Parties Air Views As They Reply To Women Voters' Queries

By EDITH BARBER MATHIE Staff Correspondent

WHITE PLAINS—Asked by the League of Women Voters whether the President should be given power to employ the armed forces in an international emergency without specific action by Congress, John H. Schaeffer of Scarsdale, Democratic and American Labor Party candidate to the House of Representatives, gave an unequivocal "yes," while his Republican opponent, Rep. Ralph H. Gamble, of Scarsdale, reserved judgment.

The two men were among 11 Democratic and county chairmen of the three political parties who submitted answers to the League at its annual luncheon at the Roger Smith Hotel.

Remembering that the question of presidential power was "purely hypothetical" in view of the fact that the League's annual conference plans had not yet been put into effect, Rep. Gamble pointed out that if the President were to exercise such power it could only be through constitutional authority.

Mr. Schaeffer said that he would prefer to see the question of presidential power referred to the voters.

Mr. Schaeffer said that he would prefer to see the question of presidential power referred to the voters.

# The Sports Spotter

By the Sports Editor

All Stars  
It's good to get the All Stars begin to get the local support the boys deserve. With old All Star glories only a matter of memory with most sport fans, Joe Tolva has had a tough time getting a new spangled aggregation going. Last season was really a difficult one with the team operating on a slim string and hoping against hope that the local fans would give them some backing.

This year seems to be a different story. If last Sunday's turnout in any indication of future success and if the culture of last Sunday's game is any indication of future games the stars will deserve the support of any and all football lovers.

Anyway their first game encouraged the outfit enough to schedule three more games for the next three Sundays. They'll meet a tough Wilkes outfit this week and will engage a team from New Rochelle on the 6th of November with a Stamford aggregation coming to Hamford Island on the twelfth.

## Diners, Soundviews, A.B.C. Roll 2-1 Community League Wins

With Cammarella leading the pin parade the Diners of the Mamaroneck Community League hung on to their one-game lead last night as they overcame the Soundviews by a 2-1 score. In the other two matches the A.B.C. calendar pulled a minor upset, while the Soundviews quieted down when they dropped the Recs by 2-1 while the Soundviews quieted down when they dropped the Recs by 2-1 victory over the Blueprinters.

Bowling in the circuit was somewhat on the poor side last night as only Cammarella was able to tumble the lumber for better than average scores. His 573 triple was easily the highest of the night as he was 720 single, rolled in the third game.

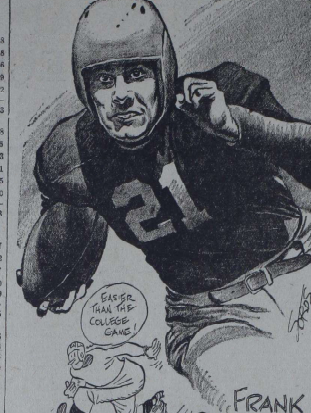

The Blueprinters and Soundviews put on a show across as the teams had started the evening tied for second place. After two games they were still deadlocked for the runner-up spot with the Patriots taking the first string by only ten pins and the Soundviews coming back to win the second by a mere seven marks. The third game wasn't nearly as close since the Soundview aggregation won it by 48 pins. The Soundviews attacked both high team game and high team score for the night, although neither of them scored a triple until the final game, totaling 853 and the series only took.

The Recs managed to salvage something in their match against the A.B.C. when they took the third game from the fallers, although dropping the first two by close scores. The A.B.C. did a huge of only 30 pins after taking the initial two strikes and then, probably because of excitement at winning two, proceeded to fall apart and dropped the third game by over 200 marks.

Last night's results lightened up the standings at the bottom of the league enjoying a race which is just about as close as possible.

## Tumbos Nipped Trojans Seen By Watermen A Cinch For Rose Bowl Bid

In as close a match as will be seen in many a day the Tumbos of the Mamaroneck team in the Trojans major League dropped its second straight set last night as the watermen took the contest by 2-1.

Leading the first game by 34 pins the Tumbos quieted down and second by five and then came back to win the third by five. Johnny Smirze was the sparkling of the night, single victory for him as he smashed the mallet for 211 in his final effort. Smirze was also high scorer for the match with 506 although high game went to Burke of the winners who had 222 in his first try.

The score:  
Tumbos 5 (1) 344 145 166 438  
Trojans 189 176 211 576  
Goette 185 148 179 512  
Wolfe 194 170 180 544  
Glasgow 148 159 170 477

Watermen (1) 550 811 901 2062  
Smirze 189 176 211 576  
Goette 185 148 179 512  
Wolfe 194 170 180 544  
Glasgow 148 159 170 477

## Tiger And Panther Coaches Experiment With Backfields

Both George Mooney and Jack Bellows, Mamaroneck Tiger and Bellows Panther grid mentors, sent their squads through stiff workouts yesterday in preparation for the coming Saturday's tough games against Roosevelt and Tuckahoe.

Mooney is trying to bring his squad back to the form it showed two weeks ago in the second half of the Albert Leonard game when the team drove to the only score made against Leonard thus far this season and pulled a 7-0 victory out of him.

Yesterday the Orange outfit went through a tough scrimmage with several backfield changes made in the first quarter. Missing Poole Gironda, who appears to be sidelined indefinitely with a bad knee, Mooney had Carl Beck calling the signals and was working Roy Robinson in the half back spot usually held by Joe Parks. Jim McDermott was in line along back position while Dick Doyle, who appeared to count in his own in the final quarter of last Saturday's loss game, was

## Robins Lick Orioles, Wrens Lose To Larks

The East Enders switched to a new attack during yesterday's heavily scrimmage and the team may bounce back from the last two defeats and return to the top of the league.

Winning their third consecutive match the Robins of the Acres League added another game to their rapidly growing lead as they took the Orioles into camp last night by 2-1 in a match rolled at Larchmont. Rec. The last place Oriole outfit, surprised by coming out on top by eight pins in the first game but after that it was no contest as Mrs. Robinson's was chosen to be the final two contests.

Leading all the bowlers was Mrs. Crisman of the Larks who started the game with a 2-1 triumph over the Wrens in the night's second match with a 299 strike. Mrs. Crisman's 161 strike was also high as the Wrens were dropped into a second place tie with the Larks. The losers managed to take only the second game and that by a mere three frames, Robinson of the Larks, 272 252 342 866 Oriole 494 401 430 1323

Wrens 427 450 397 1304

# C.P.T. Quintet Trounces Jesters To Add to Community League Lead

## Lions Turn Back Misfits; Finger Rolls High String

The C. P. T. quintet of the Larchmont Community League threatened to run away with the top prize last night as it added still another game to its ever growing lead by walloping the Jesters by 20. The winners were in danger in only one game as they won the first and third by substantial margins but were hampered to take the middle string and finally won it by only eight pins. Bill Verity, with a 541 series, took honors for the high game.

High game honors for the loop last night went to Norm Finger who rolled a 277 in his second effort even though his Recreation outfit dropped a 30 decision to the Derby A. C. The victory enables the Derbys to move up into third place in the circuit right back of the Clippers.

Clippers Win game Clippers, on their part, turned in a 2-1 triumph over the Postman as Bob Johnson, keeping consistently was able to hit the staples for a '300 series to lead the league for high games.

The winning Clippers easily won the first set, scored out the second by a mere five multiples, and then proceeded to drop the third. Jimmy O'Neill of the Postman.

instrumental in taking the final game for the Postman as he hit 222.

In the final match the Lions, with Herb Neelage doing the best bowling, finally won a match after dropping in straight games. The Lions took on the Misfits who succumbed after winning the first game. The last string went to the Lions by only one pin as leather team was able to break 700.

The scores:

C. P. T. (5) 86 95 181

 Lanza 190 191 181 562

790 824 854 2468

## Tiger Harriers Triumph Over New Rochelle

The Mamaroneck High School Harriers, sponsored by their stellar newscaster, set stunner, ran to their third victory in four starts yesterday, as they crushed New Rochelle's runners by track. Again running without the services of their captain and pacemaker Bob Gurrer, the Tigers nevertheless took six of the first ten places, including the first four.

Ed Bialler showed continued superb form as he led the pack to the tape in the excellent time of 14:01 over the two and a half mile course. He was followed by Gabe Carino, Jim Newman, and Jim Russo of the Orange and Black. Russo appeared to be up to his old form for the first time this year, and the team's general steadiness, created optimism for next week's triangular meet, and the county race soon after.

Among the first five New Rochelle runners was Ed Reilly, who earned his letter at Mamaroneck last year as a member of the team. Scarano was the fifth Tiger point scorer, in seventh place, and the newscaster, John Hartz followed right on his heels.

The other Mamaroneck runners who performed creditably were Roger Cheekerson, Steve, Lewis, Millman, and signinal, Ed Wynner (NR), Scarano (M), Johnson (NR), Russo (M), Cohen (NR), Wynner (NR), Scarano (M), Johnson (NR), Russo (M), Cohen (NR), and Iden (NR). Time, 14:01.

## Probable Starting Gridiron Lineups

**MARONEC VS TUCKAHOE**  
 At Mamaroneck Field, 2:30 P.M.

Mamaroneck: Back Riganon, End Broome, LT Sansone, Terner, RG Bucklin, Napoleon, McKeenan, Van Bremer, RT Reall, Hiller, QB Crenia, Anderson, LE Stabley, Simons, MR McDermott, Swartzel, RB Sington or Thompson, FB Gironda, Wessmer, Doyle.

**F. E. BELLOWS VS TUCKAHOE**  
 At Tuckahoe, 2 P. M.

Tuckahoe: Back Murphy, Volpe, LG Costard, Mascoli, LT Lawrence, Walters, C Cleary, Yancy, RT Hernandez, Rogiano, RB Hill, Halberg, RE Twigg or Florello, RB Lanza, Lancel, QB Lyons, Moca, MR McDermott, Swartzel, FB Gallotti, Ractawho.

## Tigers Entertain Roosevelt, Panthers Trek To Tuckahoe

Tomorrow may be the turning point in the grid season for both the Mamaroneck Tigers and the Bellows Panthers. With both squads showing decidedly poor results the teams appear somewhat for a splurge and although both will be the underdogs in their games against Roosevelt and Tuckahoe the latest news in either team may suddenly burst out and hand the opposition a surprise.

The Tigers, with only one close 7-0 victory in four starts, will face a Roosevelt eleven which turned in the upset of the season two weeks ago when it outplayed a heavily favored New Rochelle eleven. Coach George Money has been working on new plays and experimenting with both line and backfield in an effort to snap his Orange squad out of its slump. Money is still in a quandary as to his starting backfield since he's not sure whether Fostals Gironda or Dick Doyle will be on hand for the game. Both are scheduled to start if injuries are kept to a minimum.

The Panthers are expected to start if injuries are kept to a minimum. The center of the team is expected to be replaced by the Orange center and the backfield is expected to be replaced by the Orange backfield. The Orange backfield is expected to be replaced by the Orange backfield.

## Stripes Whip Whites By 2-1

The Stripes of the Community League hung on to their third game lead in the circuit last night as they handed the Whites a 2-1 shellacking while the second place Eagles were taking a similar victory from the Stars. In the third match the Blues pulled the Reds down into the tie for fourth place by losing their match 2-1.

Members of losing teams did not best keeping since Mrs. Loretta Saunders of the defeated Stars, rolled 374 and 455 to take both single game and series honors and second high series went to Mrs. Dorothy Mathison of the losing Whites who rolled six.

The tightest game of the night turned up in the Eagle-Star match as the teams finished the third string tied at 291. The Eagles won the roll-off and with it the match.

## 3 Gridders Join All Star Squad

Three new players, all of whom are expected to add strength to the squad, have joined the All Stars for Sunday's game, according to a announcement yesterday by Joe Toive, coach of the Stars.

Leading the trio is Di Leonard, a 180-pound guard, formerly with the Dan Bosson of Port Chester, L.I. Aside from Morris, leader, Di Leonard will be the heaviest lineman on the spangled squad. He is expected to start in Don's place at left guard.

The other two new gridders are both Harrison boys. Frank Bisceglia and Mike La Media, both Harrison, will not start Sunday's game but will certainly see plenty of action.

Only one other change has been made by Toive in his tentative lineup plans. Cal Palmer is expected to start the game in place of Jim Rodriguez in the spangled line.

The Stars will take the field Sunday at 2:30 P.M. against the Whites, an outfit from Connecticut.

## Why Be Apologetic?

WE DO NOT believe any reader-familiar with the views expressed in this column in past months can be by any stretch of his imagination characterized as isolationist. We have been firm and consistent in our opinion that the United States must enter wholeheartedly into the postwar economic structure proposed for the United Nations. We insist that position with the view that whatever military arms must be supplied by this nation, under Constitutional methods, to insure peace through force, will be justified by the goal we seek.

With that preliminary explanation, we now desire to set why it is that so many who agree with us on the principles stated above find it necessary to be apologetic about this country's relationships with other members of the United Nations. Why is there prevalent a sentiment that the success or failure of the United Nations peace plan is to hinge upon what America alone does? For our part, we are convinced that the United States is today far ahead of the other great democracies in acceptance of this doctrine and in general agreement for participation. Where, for example, will one find among Russian leaders a more forthright agreement upon the peace program than publicly voiced during the last few days by Thomas E. Dewey and Franklin D. Roosevelt?

Let us be reminded at all times that Stalin is taking good care of Russia and that Churchill is doing the same for Great Britain. Why should we not take a similar anxiety and a similar pride in doing a similar job for the United States?

Long before we entered this war openly we were aiding the United Nations tremendously through lend lease and the destroyer agreement with England. Since we entered we have been up to our ears in the job, and history probably will reveal that the greater part of the task of knocking down Hitler's front of the Fort Europe was carried out by American initiative and troops.

Let us, then, instead of adopting an apologetic tone in our relationships with the other great democracies, stand upon our pride and our consciousness of rectitude.

We have nothing to apologize for to any nation. Certainly we need not apologize for a proper concern for the future of our own country, upon the independent strength the welfare of all civilized nations long had depended.

## Col. Joe Bush Says—

WE DON'T know for sure, of course, that the New Deal is run by Communists. All we do know is that the Communists (per Dewey and cheer Roosevelt). That may mean something.

Not being very high up in mathematics—our arithmetic was always the kind that is slow but not sure—we assume that the folks talking about "astronomical figures" are referring to movie stars like Betty Grable and Dotty Lamour.

Without much else to worry about, we can't sleep at night some times, wondering what there'll be in store on the radio after the football season is ended, the political campaign closed, and the war has been won? Won't some be nice and quiet then?

"Judge parties and candidates . . . by the kind of people they travel with, by the kind of people who finance and promote their campaigns. By their promoters you shall know them." (Famous forgotten words of a gent whose initials are F.D.R.—before the Alcatraz was formed.)

Since a lady accused the other day in Burgoate Griffith's "cham, here was a trial was on, the other judges are callin' him Burgoate Griffith. Hey want Uncle Charlie to be frank.

We hear from upstate that Conyevue Herb Gerlach, on a huntin' trip, after mistakenly taking a census of the guides in the neighborhood and findin' all safe, announced that when he next have shot a deer.

**"Aren't His Eyes Lovely?"**

YES, MOTHER...Baby's eyes are bright and beautiful. They're active, too. And as he grows, he will use them more and more for seeing tasks. He'll spend many hours each day reading, writing, studying, . . . indoors . . . under artificial light. That's why it's important to give your young eyes the protection that good lighting provides.

Make sure that your youngster's eyes get adequate light, in the right place, without shadows or harmful glare.

Help conserve the eyesight of every one in your home by the use of proper lighting.

Remember, light is cheap—sight is precious. For good lighting, do these things:

1. Be sure that lamps and their reflectors are clean. Dust and film can withhold as much as 50% of the light from bulbs.
2. Fill empty sockets with bulbs of correct size. Use shades and bowls which will eliminate glare.
3. Place lamps at point of use . . . where studying, reading and sewing are done.
4. Use lamp shades that are light-colored or have white linings . . . and are high enough to give widespread light.

**WESTCHESTER LIGHTING COMPANY**

## News Behind The News

By Paul Mallon

**CAMPAIGN VAGARIES**—Governor Dewey is confident, Mr. Roosevelt is assured. This may not mean much. The President always gets scared just before the election.

Two weeks before the vote on the third term he grossly underestimated his own victory. This time he has been victorious. This time he has been victorious. This time he has been victorious.

The touring may be doing him some good, but each word he adds to the debate is proving to be fast on Dewey's fire. There is not much in the record of the last few years to make sensational Democratic success material, and no grand promises could sound plausible in the context of the world. Roosevelt worked his way better than his late public utterances.

I would not vouch for any story about Mr. R's health in campaign time unless the United States is today ahead of the other great democracies in acceptance of this doctrine and in general agreement for participation. Where, for example, will one find among Russian leaders a more forthright agreement upon the peace program than publicly voiced during the last few days by Thomas E. Dewey and Franklin D. Roosevelt.

The man the president's blood is not high enough to warrant rant and raving and his physical advice informed him that they would be responsible for his physical advice in taking his current restricted campaign tour. He supposed to be in a hospital in Germany, they are not reported until they are well, or if they fall over Berlin that is in a deep in Germany it is hard for them to get word out through the German Government.

Also, to get any harm in a person putting the idea from the ice-boat—was electric in the water and drinking it. My friend says there is a chemical in the ice that is harmful.

MRS. C. C.

You would have to put your opinion on delay in reporting prisoners, Mrs. C. C., to the German Government. It is just possible, of course, that the whole day does not originate there, there may be a hundred reasons why some reports reach this country quickly and others come along later. All reports from the enemy regarding our boys taken prisoner are reaching in Washington by the Prisoner-of-War Information Bureau from the International Red Cross in Switzerland. The German Government reports to the International Red Cross, who relays the information to this country. We assume you are referring to the European Theater of operations, though of course, the Japanese Government also makes its reports through the same channels. It is our understanding that all governments are supposed to make these reports as war prisoners as soon as possible. We can't answer you on the Berlin angle or on the hospital angle, since there two rumors sound like rumors to us, and we think the best thing to do is to discount them. A prisoner of war has that status, whether he is sick or well, in Berlin or elsewhere.

Electric iceboxes are comparatively new. As few years ago everybody patronized the ice-man and used the ice he sold for every cold drink made.

Many eating and drinking places still use the ice-man sell, grade of politicians deceive themselves and their people in their frantic search for any kind of argument to win an election contest is less noticeable this year than usual—but, not entirely absent, both sides have behaved rather well as a whole.

Worst fabrication on either side to date has been the left wing Democratic claim that Dewey was trying to keep the soldiers from voting. For the balancing truth look at the following incident, of which I have personal knowledge.

Two soldier citizens of South Carolina wrote for absentee ballot in that Democratic state. One was overseas, one in the country. Both received from South Carolina election officials a "Democratic ballot" which prevents them from voting for anyone except Roosevelt and the Democratic ticket.

It appears from evidence I have that any soldier or citizen asking for a ballot in South Carolina receives a Democratic ballot and cannot vote Republican. To cast a Republican vote, a citizen there must appear at a Republican ballot and thus publicly disclose his vote.

This is not a violation of the Constitution as each State may fix its own election laws, but it is a scandalous violation of the free-voting secret ballot system of every other State that honors its voters.

**PRISONERS OF WAR**  
Will you please let me say why some boys are reported as prisoners of war inside of three months and others are not reported for six or eight months? Is it true that, if they are in a hospital in Germany, they are not reported until they are well, or if they fall over Berlin that is in a deep in Germany it is hard for them to get word out through the German Government.

Also, to get any harm in a person putting the idea from the ice-boat—was electric in the water and drinking it. My friend says there is a chemical in the ice that is harmful.

MRS. C. C.

You would have to put your opinion on delay in reporting prisoners, Mrs. C. C., to the German Government. RESIDING IN NEW ROCHELLE Dr. and Mrs. Henry Johnson, longtime residents of Larchmont, have moved from Stuyvesant Avenue to 56 Halcyon Terrace, New Rochelle.

NEW YORK FOR WINTER Mr. and Mrs. M. K. Karpov of 155 Beach Avenue, Larchmont, will spend the winter months in New York City.

GUEST AT ROGERS' Ralph Carrio of Indianapolis, Ind., is a guest at the home of Mr. and Mrs. J. E. Rogers of 15 Myrtle Boulevard, Larchmont.

LEAVING SATURDAY Mr. and Mrs. Clyde O. Arren of F. Leavelle, Minn., and Hendersonville, N. C., who have been visiting Mr. and Mrs. Robert W. of 42 Maplewood Street, Larchmont, will leave tomorrow.

RETURNS TO CAPE COD Mrs. Ernest Crocker has returned to her home in Centerville, Cape Cod, Mass., after a week's visit with Mrs. Henry S. Loomis of Pinebrook Drive, Larchmont.

FAREWELL PARTY L. and Mrs. Tom Bassett of Ontario Apartments, Mamaroneck, who are leaving shortly for California, were guests of honor last night at a party given by Philip K. Saunders and his sister, Mrs. Flora Wardoff of 125 Spencer Place, Mamaroneck.

Mrs. Wardoff, known on the concert stage as Fiona McGeary, entertained at the piano.

Guests were Mr. and Mrs. Henry Boteler, Geoffrey Brown, Commander Arthur DeFrate, R.N.R., Miss Jean Hutchinson, Mr. and Mrs. Percy Everett, Mr. and Mrs. George Landy, Mrs. Mildredman, Miss Mr. and Mrs. Frank Munoz, Mrs. Elsie Hines, Benjamin Grosshagen, and Miss Antoinette-Cross.

Mrs. Brush Tells Red Cross Group Of Norway's Plight

At the meeting of the Production Corps, Thursday, at the Larchmont Avenue Church house, Mrs. C. Benjamin Brush, chairman of Volunteer Special Services, told of a recent production meeting at Norway which showed the plight of Norway was told by two representatives of "Friends of Norway."

She also told of the lack of food. One third of Norway lies north of the Arctic Circle making the special request for food supplies on its merchant marine which cannot operate during German operation, she said.

Clothes are being made in this country as no supplies, needles, thread or yarn are available in Norway, she said, adding that the garments are sent to England and stored in order to be ready when liberation comes.

Following the "minute of silence," luncheon was served by the Production Corps under direction of Mrs. David A. Embury, chairman. War Stamps and Bonds were offered for sale by Mrs. M. N. DeWolfe.

Local Federation To Give Luncheon At Quaker Ridge

The Larchmont Section of the Westchester Chapter, Women's Division of the Federation of Jewish Philanthropies, will join the New Rochelle Chapter in a luncheon Tuesday, at 12 noon in the Quaker Ridge Country Club. Mrs. Leo Fish is luncheon chairman for Larchmont. Guest speaker will be Mrs. Moses P. Epstein, national president of Hadsah and honorary chairman of the Women's Division of Federation.

Brides and maid will follow. Campaign chairman in Larchmont for 1944 are Mrs. Norman G. Porter and Mrs. Stephen J. Grob.

Halloween Dance Slated Tomorrow For Shore Club

The Larchmont Shore Club will hold its annual Halloween dance-dinner tomorrow, at 6:30 P. M. Canapes and cocktails will be served in the Blue Room, followed by dinner at 7:30.

Dancing will start at 8 o'clock with music by Billy Elmore and his Melody Boys and continue until 11 o'clock. Paul Jones, Square and other old-time dances will be featured during the evening.

Reservations indicate a capacity crowd, the club reports, and members planning to attend are urged to telephone the Club as soon as possible.

Robert H. Goffe, chairman of the entertainment committee, in charge, announced a novelty dance team.

American Home Unit To Feature Coiffure Styles

"A Smart Head On Your Shoulders" will be the topic of a talk by Miss Bernice Stebbins of Ogilvie Sisters Wednesday for the American Home Section at the Mamaroneck Woman's Clubhouse. The program will also feature paintings by Mrs. Melville Reid of Mamaroneck.

Luncheon will be served at 1 P. M. by a committee including Mrs. Oscar Kaehler, Mrs. Joseph C. McLean, Mrs. Martin T. Underwood and Mrs. Luman G. Hubbell.

Donaldson Speaks At Central School To Mark Navy Day

Brig. Gen. William Donaldson, U. S. Army, of Larchmont, was guest speaker at a special Navy Day assembly yesterday at Central School.

Anthony Linara, president of student council, presided. Edwin E. Dooley, Jr., gave a brief talk on famous men of the Navy from John Paul Jones to Admiral Nimitz.

David Watt and Audrey Dickinson of the sixth grade led the student council, presided. Edwin E. Dooley, Jr., gave a brief talk on famous men of the Navy from John Paul Jones to Admiral Nimitz.

Navy Day songs, led by F. Colwell Conklin, closed the program.

Girl Scouts Name Group In Charge Of Opening Tea

The committee in charge of the Mamaroneck Girl Scout tea Sunday between 3 and 5 P. M. in St. Thomas's Community House, was announced today. The tea will mark the opening day in Girl Scout Week.

Mrs. Harold Kurtz, chairman, and Mrs. Aylmer Hatch, co-chairman, will be assisted by Mrs. V. J. Boyle, in charge of decorations, and information and Mrs. William Haggerty, cookies. All members of the council and leaders will also assist.

Plans are in progress for the installation of a radio at the Community House so that guests may listen in on a special broadcast at 4:30 by Andre Kotalnietz, dedicated to Girl Scout Week.

Lodge Installs Annie Westfall As Noble Grand

Mrs. Annie Westfall was installed noble grand of the Alert Rensselaer Lodge last night at ceremony in Legion Hall, Mamaroneck.

Other officers taking part were Mrs. Katherine Scofield, vice-grand; Mrs. Edith Giordano, recording secretary; Mrs. Gertrude Palenka, financial secretary; Mrs. Annie Potts, treasurer.

Mrs. Irene Westwood, warden; Mrs. Lillian Brundage, conductor; Mrs. Emma Goddard, right support to the noble grand; Mrs. Jeanne Cuts, left support to the noble grand.

Mamaroneck Avenue School Gives Navy Day Assembly

Mamaroneck Avenue School observed Navy Day with a program yesterday in the assembly.

Special selections, in addition to the general assembly songs, were given by the following: Frank Combio, reciter; Louis Giancola, leader of the flag salute; Alan Roman, history of Navy Day; David Smith, story of John Paul Jones.

Harold O'Callaghan, Gloria DeLuca, Robert Migliacine, Luke DiRocco, Philip Trophabla and Herbert Birch, "Flag Is Passing By"; Richard Kuris, Adele DiVito; Jess Purcell, Lawrence Clark, Leonard Nolletti and Shirley Tomassetti, famous Navy quotations.

Richard Cimaglia, trumpet solo, "America the Beautiful"; Richard Herman, Sherwood McKelvey, Annette Merolle, Robert Horton, Barbara Ann Holland, Theresa Kiley, June Ann Spano and Marvin Williams, recitations on the naval training program.

Jack Peralta, Joseph Peralta, Edward Percalis, George McKelvey, Fredrick Fleming, history of the Navy; William Duarte, Dolores Robinson sang "Malcolm Cummer, poem, "Oh Navy."

David Johnson, Freddie Storms, Ronald Panchico, Dorothy Pope, Peter Herman, Sherwood McKelvey, Annette Merolle, Robert Horton, Barbara Ann Holland, Theresa Kiley, June Ann Spano and Marvin Williams, recitations on the naval training program.

Jack Peralta, Joseph Peralta, Edward Percalis, George McKelvey, Fredrick Fleming, history of the Navy; William Duarte, Dolores Robinson sang "Malcolm Cummer, poem, "Oh Navy."

West led the F of his partner's spades, the 10 being played promptly by South from the dummy and East sagely using his Q instead of the A. South avidly scored with his K and led toward dummy's clubs. West came in with the A and led back his spade 5, so that East ran two tricks in the suit, setting South two tricks.

Simple thinking should have shown South the advisability of playing low on the first trick, blanking his spade K, letting East win with the Q. Now see what would happen if East continued the suit South could win the second or third round, having the J in dummy. Then he could have led a club, hoping West had the A. That proving the case, he could have walked home with either 10 or 11 tricks, depending on whether East had his spade A on the second trick.

Tomorrow's Problem

West North East South Pass 1 4 3 NT Pass 3 NT

South was one of those chaps with a hair-trigger brain which acts almost the moment his turn comes. He did this in the bidding when he saw he had a stopper of East's spades, good stuff in the two red suits, and three cards in his partner's clubs. The only reason he didn't bid 3 No Trumps at once was that it flashed through his cerebrum that North might have four hearts; if so he would bid them and South would take it to a heart game. But North went.

Barclay on Bridge

Avoid too rapid play. Every once in a while a quick-minded player, who is proud of his reputation for speed, thinks he comes to grief because he overdoes it. One danger of straining to be faster than the other fellow is the tendency it causes toward acting before thinking, especially in situations which seem to be controllable by habit. Such a habit is that of winning a trick with a once-guarded king whenever you get a chance to do it.

Deal: West North East South Pass 1 4 3 NT Pass 3 NT

South was one of those chaps with a hair-trigger brain which acts almost the moment his turn comes. He did this in the bidding when he saw he had a stopper of East's spades, good stuff in the two red suits, and three cards in his partner's clubs. The only reason he didn't bid 3 No Trumps at once was that it flashed through his cerebrum that North might have four hearts; if so he would bid them and South would take it to a heart game. But North went.

Collegians Make The Headlines

Mrs. Jean Dickinson has returned to Wellesley College, where she is a freshman, after spending a long weekend with her parents, Mr. and Mrs. William E. Dickinson of 22 Mayflower Avenue, Larchmont.

Awarded the Wellesley Club of Westchester's scholarship, she serves co-chairman of the honor crew of these zones, college dormitory.

Mrs. Dickinson was graduated in June from Mamaroneck High School, where she was a member of the Honor Society and on the staff of The Mahonian. She was also a member of the Glee Club and Latin Club, and assisted in coaching the senior play.

ARRIVING HOME Marcia Gurwitz, daughter of Mr. and Mrs. Robert Gurwitz of 12 Roosevelt Road, Larchmont, arrives home this evening from Frederick, Md., where she is a freshman at Hood College. She will return Sunday to Hood.

ON WREATHON NEWS Barbara Lynn, daughter of Mr. and Mrs. David E. Lynn of 46 Glenn Road, Larchmont, has been selected as a reporter on the Wreathon News at Wheaton College, Norton, Mass., where she is a member of the sophomore class.

Miss Lynn, who is majoring in history and political science, also sings with the college choir.

VISITS PARENTS Miss Diane Wormser of Larchmont, representative for Barnswallow, college dramatic association, of which she is an active member. Miss Wormser was graduated from New Rochelle High School in June.

LEAVES TUESDAY Miss Janet Kennedy, daughter of Mr. and Mrs. A. D. Kennedy of 103 Murray Avenue, Larchmont, leaves Tuesday for Liberia, for her sophomore year at Cornell University, where she is majoring in psychology. She is a member of the college's Service Committee and Page Club. Miss Kennedy was graduated in 1943 from Mamaroneck High School, where she was a member of Phi Beta Kappa, the Glee Club and a Cappella Choir.

Nickelsens Announce Birth Of Second Son

Benjamin 1st of, and Mrs. A. E. Nickelsen of 210 Fulton Road, Mamaroneck, announce the birth of their second son, George Albert, Oct. 23 at United Hospital, Port Chester. They are also the parents of a son, Edward.

Mrs. Nickelsen is the daughter of Mr. and Mrs. Gottlieb Miller of the same address. Her husband is a buyer in the U. S. Navy.

**The Allies are Flying to Victory on the Wings of Petroleum**

The earth is shaken with a colossal power as the vast Allied fleets of the air, the land, and the sea thunder victoriously ahead.

One American industry alone has had the grave responsibility of providing the fuel that carries them into battle—the Petroleum Industry. And never has it heard the accusation: "too little—and too late!"

This miracle of supply had many contributors. Part of it unfolded in our own refineries. And Tide Water Associated, no doubt, is typical of America's oil companies.

Six months before Pearl Harbor, Tide Water Associated had a catalytic cracking unit working day and night, ready to produce the 100-octane gasoline stock on which Victory so largely would depend. Then we managed—somehow—to double that production. And this year will see our new construction increasing this flood of war fuel by half again.

Tide Water Associated will be as well prepared for peace, and for the new days of advancement we will enter at war's end.

For the Victory bells will still be clanging joyously when our catalytic cracking units swing from making the potent gasoline, that helped give us mastery on the battle fronts, to making its counterpart that will give us mastery of the highways.

Post-war Tydol Flying A gasoline, bringing you vastly stepped-up car performance, will be one of your first gifts of the great new era. And that's a promise!

# Roosevelt Rips Tigers; Tuckahoe Plasters Panthers; All Stars Win

## Orangemen Defeated By 25-7, Carter Hurls Scoring Pass

By HANNO FUCHS (Special Correspondent)

Mamaroneck High School's gridiron Tigers lost their second straight and their fourth in five attempts Saturday as they suffered a 25-7 set back at hands of a powerful Clinton club eleven from Roosevelt High. The Hilltoppers scored their only touchdown midway in the third quarter as Willie Carter, an end by trade, came into the Orange backfield and tossed the end just about 50 yards to the arms of Charlie Rigano who was racing toward the end zone and leaped high into the air to nab the pass just before it passed out of the field of play.

Except for that one quick stab, however, the tigers were completely stymied as the Red and White eleven ran up fifteen first downs to the Tigers' four, and gained a total of 227 yards on the ground while the Orangemen were able to net a mere forty on the field.

Roosevelt gave quick notice that it was out for blood as the Yorkers team began its first drive immediately after the opening kick-off. Four plays, with a different back carrying the ball each time, brought the ball to the Mamaroneck 24 and then, with Focals Girone leading the defenders, the Orange stopped the McDermidmen just short of a first down on the Tiger 15. Santone's punt only traveled to the thirty and from there Swentzel managed to kick on the one yard line with Simon driving over on a quarterback sneak on the very first play.

It wasn't until the next quarter that the Roosevelt aggression was able to tally again although a Benji pass intercepted by Wagner gave the Yorkers team a chance. On the next play, however, Roosevelt fumbled and the Orange recovered.

Another short punt gave the visitors the ball on the Tiger 41. A pass from Swentzel and a plunge by Potter netted 25 yards and then Stroppoli intercepted an aerial.

After still another Mamaroneck kick Roosevelt began to match. They took the ball on their own 44 and it was exactly the same play later that Lou Napoleone carried the oval most of the distance on end plays, went over the line standing up. Cremin blocked the kick for the extra point.

Tiger's Score:  
Led by Charlie Rigano and Gus Sansone, the Tiger line stiffened for the rest of the second period and the Red and White got no where. The third quarter, however, was another story. Swentzel began it by running back a punt for a matter of 40 yards before Wagner fumbled and Abern recovered. After an exchange of

ticks the Orangemen suddenly took to the air.  
McDermott tossed a 15 yard aerial to Gironda. Gironda fired one to Stabler, which was good for five yards and put the ball on the Roosevelt forty. After three short attempts to get anywhere through the Red and White line, big Willie Carter came galloping into the game.

Carter proceeded to take a direct pass from center, face back to midfield, and tossed the end right down into the Roosevelt end zone. Charlie Rigano was there and catapulted himself high into the air to grab the ball just before he himself went out of the field. Rigano added the extra point with a perfect place kick.

That made the score 12-7 to Roosevelt. Roosevelt carried over the game and took the Tiger's chance. The Roosevelt aggression, however, seemed inspired by the play and from there on it was no contest. Roosevelt carried over the game and took the Tiger's chance. The Roosevelt aggression, however, seemed inspired by the play and from there on it was no contest.

It was the same Wagner who scored the fourth Red and White touchdown later in the period. A Gironda pass was intercepted and run to the Roosevelt forty. From there Wagner carried over seven out of eight plays and finally drove from the five yard line on a lateral.

The game ended soon after with Roosevelt again threatening from the Tiger 20 yard line.  
The lineup:  
Roosevelt: LT—Santone, RT—Kirk, QB—Stroppoli, RB—Napoleone, LB—Gironda, FB—Doyle, P—McDermott, W—Wagner.

Mamaroneck: 0 0 7 0—7  
Roosevelt: 7 0 0 0—7  
Substitutes: Mamaroneck—Abern, Parks, Robinson, Perciasepe, Buehling, Mouchard, Buller, Fish, Schmitt, Frush, Carter, Houshan, Merritt, Roosevelt, Doyle, G. Martin, Wilson, Anderson, Caruso, Hogan.

HELPING THE WOUNDED  
VAN VYNS, CHAM, (AP)—Helen White Roark, former U. S. amateur tennis champion, is helping the wounded veterans. Two days each week she coaches and plays tennis with patients in their final phase of conditioning at the Army's Birmingham General Hospital.

## Sixteen Teams Begin Doubles Loop Kegling

Nineteen squads competed last night as the Larchmont Mixed Doubles Bowling League had its first real night of bowling at the Larchmont Y. M. C. A. When the eight matches had been completed only two of them had been won by shots and one of those two was taken by forfeit as the visitors won three when the opposition didn't show up.

Charlie Lanza led his Standards to the only other blinding as he put together strokes of 191, 172 and 202 to total 565 for his night's work and led his outfit to an easy victory over the Seacaldes. All other matches went by 3-1 with Dan Coetzee turning in high marks for the night as he rolled 213 in his final effort. The losers from the defeat side were led by Mrs. Jaye Radcliffe and Mrs. Elsie Rigano who both had 148 triples. Mrs. Rigano also had high single for the women with 163.

## Bellows Loses 3rd In Row, Succumbing By 12-0 Count

The Bellows Panthers dropped their third game in a row Saturday as they traveled to Tuckahoe and were defeated 12-0 by the home team. The Panthers spent most of the afternoon on their own territory and the Panthers' attack never got going. Tuckahoe on the other hand, kept looking at the touchdown down. Mosca and Luceri sparked drive after drive. The Tigers managed to get across the last white line twice as Luceri scored in the second period, and Mosca bubbled through the line for another six-pointer in the third canto.

The East Riders were in a hole when they were defeated 12-0 by the Bellows Panthers. Lanza kicked the Panthers who returned the pigskin to the home team's 50 yards line. Luceri made six yards for the first Tuckahoe touchdown. Luceri was marked by the Panthers' attempt to keep the Tigers from scoring. Joyce, after one poor kick, threw the pigskin back to midfield and the threat was averted. Luceri took the pigskin with the ball again on the 16.

Marty Gallotti intercepted a Tuckahoe pass near the beginning of the second period. Luceri took the ball to the 46 where he was forced to punt. Lanza and Luceri combined on two rushes at the Tuckahoe line to make it a first down but a poor pass from Luceri threw the Panthers a first down and made it necessary to kick. Getting the ball back on the 46, Luceri threw the pigskin to the Panthers' 10 yard line. Luceri was forced to punt the Panthers' 10 yard line. Luceri was forced to punt the Panthers' 10 yard line.

Two first downs right after the beginning of the third quarter again put the Blue and Black in danger. The line, however, stiffened and the Panthers were able to win on downs. An exchange of kicks put the ball on the East End line and against the Bellows' backfield bubbled the ball into the Tuckahoe territory. Four plays later a stiffened Bellows line forced the Tigers to yield the ball to the Panthers.

Another kick sent the ball back to the Panthers' 40 yard line. On however, Mosca went for the noble distance to score standing up and to bring the count up to 12-0.

That score put the game out of reach of the Panthers and the rest of the quarter turned out to be one more Tuckahoe trifle after another. Two fifteen yard penalties plus a poor pass from center made the score from scoring but the whole Panther 20.

**Dinghy Races Off Because Of Wind**  
The 15th annual winter dinghy racing season was set for Saturday at Larchmont Yacht Club when Larchmont and Mahaness craft were to hold the opening race. But the high northerly wind and the choppy sea caused cancellation of the regatta since the Mahaness fleet wasn't able to get across the rough Sound. The performance as reported yesterday when even high winds forced the races to be called off.

## Wildcats Walloped By 13-6 As D'Imperio, Solitto Score

The Mamaroneck All Stars made it two in a row yesterday afternoon as they turned back the Westside Wildcats by 13-6 in a game at Harbor Island.  
"Hailing one on a sustained 50 yard march and a second time on a pass to Solitto who scattered a further thirty yards into play, the Stars completely outplayed the visitors and could have run up a much larger score had it not been for a total of 75 yards in penalties handed out the spangled outfit by the officials.

Only seven minutes of the first half had passed when the Stars tallied the first of their two touchdowns. With Palmer, Madras and Ottman doing most of the rushing and the Star line opening up big holes in the Wildcat's defense, the Stars completely outplayed the visitors and could have run up a much larger score had it not been for a total of 75 yards in penalties handed out the spangled outfit by the officials.

Again in the second period the Stars drove into pay dirt, but this time they took the aerial route. The ball was on the Cat forty when La Medica tossed one to Solitto who whirled all the way from the thirty yard line into the end zone to run the score to 13-0.

The Wildcat came back strong, took advantage of a break, and managed to get into the scoring column before the half came on. It was a 13-6 score at the end of the first half.

The second half was a truck meet as the teams paraded up and down the field with neither one of them making any serious threats. In the course of the afternoon, the Stars originated the Cats by 175 yards to 42, but a great deal of that margin was earned as the home team boys lost 75 yards in penalties while the Stars were being kicked for only five.

For the Stars Dick Ottman, Palmer, Madras and D'Imperio did the best work while the Cats were led by Palastro and Mariani. The V.P.W. hand provided music before the game and between the halves.

### Dewey Offers Plan Tonight Post-War Job

ALBANY (AP)—A post-war job program he hopes will be more inviting to the voters than the proposals made by President Roosevelt in his Chicago speech Saturday night was outlined today by Gov. Thomas E. Dewey for a major campaign address in Buffalo tonight.  
The Republican Presidential nominee planned to leave Albany shortly after noon for western New York State. In a stop scheduled at Rochester at 5:15 P. M., he will begin an intensive phase of his campaign which will take him through Massachusetts tomorrow to Boston, outward to Baltimore Thursday and into Pennsylvania that afternoon before returning to Albany Friday morning.  
Paul Lockwood, the Governor's secretary, announced that in his Buffalo speech, to be broadcast from 9 to 9:30 P. M., (WEAF) Dewey would "state his specific constructive program for the future of America, with special emphasis on small business and jobs."  
"The Governor will talk in Buffalo about unskilled government jobs not better for a fourth term than for a first term," Lockwood said.  
This outline indicated the New York Governor planned specific proposals for post-war employment, a problem with which he has contended the Democratic administration is not equipped to cope.  
In his Chicago address, President Roosevelt laid out a program he said should provide jobs for 60,000,000 persons at decent wages after the war ends, observing that he was paving the way for his Republican opponent to say "me too."  
Lockwood's announcement seemed to prompt a discussion of the President's pledges in 1932 to balance the national budget and reduce the number of federal employees.  
SPEAKS THURSDAY  
WASHINGTON (AP)—President Roosevelt will deliver a campaign speech by radio from the White House Thursday night and make two New England appearances before his closing speech in Boston Saturday night.  
QUITTING NORWAY  
STOCKHOLM (AP)—The German army is evacuating some troops from Norway, intelligence here said last night, but are leaving behind partisan forces strong enough to make any Allied invasion as costly as possible.  
Obituary  
MRS. NICHOLAS ROMANO  
Mrs. Giovanna Romano of 417 Center Street, Mamaroneck, died this morning at the United Hospital, Port Chester, at the age of 48, after a brief illness.  
Born in Italy, she was a resident of Mamaroneck for 21 years. She is survived by a husband, Nicholas; four daughters, two sons, two sisters and a brother. She was a member of St. Vito's Church.  
Three daughters residing in Mamaroneck are the Misses Jenny and Nicholas Romano of the same address and Mrs. Christina Vaccaro. Another daughter, Mrs. Mary Jo Kira, resides in Waterford, Conn.  
Two sons surviving are Tony Romano and Frank, in the U. S. Navy, stationed in California.  
Her brother, Domenick Manocchio, lives in Stratford, Pa., and two sisters, Mrs. Mario Leone and Mrs. Christina Perilli reside in Mamaroneck. Two other sisters, Phionema and Donata Manocchio, are in Italy.  
Interment at Holy Sepulchre, New Rochelle, will take place from J. A. Papp's funeral home, Harrison and High. Requiem Mass will be said Saturday at 10 A. M. at St. Vito's Church.

### Col. Joe Bush Says—

The headline says Dewey is going to Maryland and Pennsylvania. Who's the one to know it whether Maryland and Pennsylvania are going to vote?  
This is the last week of the presidential campaign and most of us will be talking out of turn. Neighbors will argue over the best fence and down the dumplings. Friends will say harsh things to each other. What a fine thing it would be if we could make this, for all except the candidates themselves, a national "hold-your-tongue" week.  
If it's true, as they say, that Washington is the only madhouse in the country that is run by its own inmates, maybe that way residents of the District of Columbia ain't allowed to vote.  
There's a high executive of the Westchester Light's Company, just back from a state convention, who's still patting the scars on his face. No, he don't drink and it wasn't a fight. He's just so near-sighted that he picked up his room-mate's eyeglasses when he started to shave, and the result was worse'n a Westchester light on his face.  
A Westchester wag who don't like New Dealers and thinks FDR is a damn good-talk calls him "Dr. Jekyll of Hyde Park."

### Leyte, Samar Have Cost 24,000 Men

GEN. MACARTHUR'S HDQS.  
PHILIPPINES (AP)—American industry, battling a typhoon and desperate Japanese delaying tactics, drove ahead through Leyte today toward the island's northwest coast and a possible showdown with concerted but stable Japanese forces.  
The 24th Division was ten miles from a juncture with the First Cavalry on Carigera Bay, after capturing Iaro, last important inland road juncture, in fierce battling Sunday.  
Gen. Douglas MacArthur announced Japanese casualties on Leyte and Samar total 24,000, against a total of 2,121 for the Americans—700 killed, 270 missing and 2,943 wounded.  
RETIRED  
HARMON—Charles J. Chase, 90, of 118 Benedict Boulevard, will retire today after 43 years' service with the New York Central Railroad. He will take the Empire State Express from Harmon to Albany and return with the Niagara.
