

COMING TO THE TOWN

10 Tons of Paper

Boy Scouts of Mamaronck have collected 10 tons of newspaper since they began their operations in September. Scoutmaster Charles William Thorp announced today that the collection is being made for Troops 3 and 6, though William Scheiff Troop 1 has carried on a one-man campaign. Scouts who wish to donate scrap paper may telephone Mr. Thorp at Mamaronck 3170 or William Dankert at Mamaronck 191.

Arrangements may be made up for the first collection for regular calls at three convenient times for the citizens. Mr. Thorp said most collections are made on Saturdays, but calls can be made at night.

The project by the Boy Scouts does not interfere with the Salvation Army Mr. Thorp said.

Some have questioned the project in the light of the fact that the Boy Scouts are beneficiaries of the Community Chest, but Mr. Thorp explained that the Community Chest funds do not go to individual Scouts or troops but to the district as a whole.

Tax Note Offered

Larchmont will sell a tax note in the amount of \$20,000 against uncollected taxes on the Village of Trustees convene Jan. 11 P. M. at 11 P. M. at the Village Treasurer's office. Mr. Thorp wrote for bids today. The note will be payable June 30.

Approximately \$2,000 or seven per cent of the total tax levy is being outstanding, Mr. Thorp said this morning. Last night he told the board that the letter to the village taxpayers was mailed Dec. 15, had resulted in payments of \$15,000 and numerous notes executed.

First Tire Thief

Local police last night heard of their first tire thief since the first tire was stolen from a car in form of larceny because popular with returning.

George Herbert of 352 Mount Pleasant Avenue called at 11 P. M. and told headquarters that he had heard someone trying to take the tires of the automobile parked in the rear yard.

Lt. Louis Glendon and Pa. trooper Jeremiah Smith were sent to the scene, but found no evidence of the would-be thief or of the tires having been tampered with.

Idea Abandoned

Trustee Frank S. Washburn, who previously committed his objections before the Larchmont Village Board, has abandoned his idea of having a "walking blood bank" in the Municipal Building last night. Trustee Washburn said he had had a "change of heart" and had decided to drop the idea.

Trustee Washburn arrived at the meeting punctually but departed after taking three seconds to inform his colleagues that rough show banks had been set up in front of the village hall.

Back in the hall five minutes later, he said he noticed the white "blood" signs affixed to the departmental car which, he said, he took to the curb.

"Why don't we take those things off and have the Village seal put on 'color cars'?" he asked.

Mayor Harry E. Goschler assured Trustee Washburn that the idea was not new, had been abandoned for various economic reasons.

Last night, Trustee Washburn abandoned it, very gently.

Officials To Meet

Uniform blackout regulations and air raid signals plus other defense matters will be discussed at a meeting of the Westchester Village Officials Association at the Mamaronck Municipal Building at 8 P. M. Thursday. It was announced today by Village Attorney Anthony Sansone, secretary of the association.

Mayor August Boltz of Ardsley will preside. The mayors and other Village officials also will discuss civil service extension, amendments to the Village laws on tax liens and other matters.

Wright Is Elected Scout Commissioner

Donald K. Wright, 18 Wildwood Road, Town of Mamaronck, was elected Lewis Foster as Larchmont District Commissioner of the Boy Scouts of America last night.

Mr. Wright's election by the Larchmont District Committee at the Daytown Terrace Scout House in that Village, followed the announcement that Mr. Foster had reported for military duty at Fort Totten, S. I.

Frank Cobb, Swaney County's executive officer, reported that the Larchmont committee also discussed participation in the emergency service work in conjunction with Larchmont defense officials and the Red Cross.

John T. Law, chairman of the committee's group to develop a national Boy Scout week next month, also reported.

BALTIMO TYPING REPORTED

SWITZERLAND (AP)—The Swiss Through Agency reported from Bern, Latvia, today that Russia had been broken by desire as a result of numerous cases of typhoid in the Baltic area.

DEFENSE BULLETIN BOARD

U. S. FORCES TO FIGHT OVER THE WATER, THE AIR AND THE SEA

THIS HALL OF EXPENSIVE CAMERAS, firecams and short-wave radio receiving sets turned in by airmen just before the deadline yesterday is examined by a New York politician. The formation positions were ordered surrendered by Attorney General Biddle.

Jap Troops Stalled In Attack On Batan

AIR AID ARRIVES

By the Associated Press

Imperial Tokyo headquarters let slip what seemed an admission today that Japanese troops have made little progress in attempting to drive Gen. Douglas MacArthur's forces back into Batan Peninsula, and more good news came with the reported arrival of American aerial reinforcements in the Philippine conflict.

U. S. aircraft gunners were officially reported to have hit at least seven Japanese planes during a four-hour aerial assault yesterday upon Corregidor Island fortress and Mariveles.

Mariveles lies on the southern tip of Batan Peninsula, near Corregidor Island at the entrance to Manila Bay.

A War Department communique said 50 Japanese planes took part in the attack but that "material damage and casualties were light."

The War Department added: "While ground activity was considerably less than on the previous day, enemy pressure is continuing on both American and Philippine outposts."

Tokyo itself claimed no fresh Japanese military aircraft operating in the Philippines since they were bombed by the U. S. Navy at Manila, Balanga, and Subic. A Tokyo communique said:

"The day to the Japanese acknowledgment in the reference to Manila, which lies in Gamabara Province, six miles north of the Batan Province border, at the head of Subic Bay."

With Gen. MacArthur's troops holding Subic, it appeared to follow that the Japanese had failed to achieve any deep thrust into the Philippine Islands since they withdrew southward into Batan.

On the other hand, the British new releases marked the British success against Japanese invasion of Malaya, driving toward Singapore, British Far East Headquarters acknowledged yesterday that British troops had yielded further ground at both ends of the front under Japanese attacks by land and air.

Final Months Of Year Found Most Dangerous In Town's Safety Record

LARCHMONT HOLDS RECORD FOR 5 DEATHS; UNINCORPORATED AREA ONE; BLACKOUT POWER

Village Records 5 Deaths; Unincorporated Area One; Larchmont None

The year 1941 closed without a single traffic fatality in the Village of Larchmont, but with five in the Village of Mamaronck and one in the unincorporated Town of Mamaronck section.

Larchmont's five and one-half year record for safety was broken, however, at the beginning of 1941, when a young housewife was struck and killed by an automobile on Palmer Avenue.

Police Chief William J. Kersey is looking forward to receiving from the National Safety Council at Chicago his first consecutive certificate, commending the Village for having passed the year without an automobile fatality.

The Village of Mamaronck, which had five fatalities in 1939 and four in 1940 again led with five for the year just ended. As in 1940, the Village had gone most of the year without a fatality when the tragedies began to accumulate in the last few months of the year. In 1940, all of the fatalities occurred in the last two months of the year. In 1941, the fatalities occurred in the last four months of the year.

The next victim was a real estate man, killed on Palmer Avenue on Sept. 14. The third was a young man, one of the Negro passengers in an automobile which collided with a truck on the highway on the Boston Post Road.

The fourth was a small boy, struck down on Mamaronck Avenue by a hit-run motorist who was later apprehended. The accident occurred on Dec. 18. The fifth fatality was a man struck near the railroad station. He died several days later in the hospital.

Of the five fatalities in the Village of Mamaronck, Police Chief Kersey said, "The first was a young man, killed on Palmer Avenue. The second was a young man, killed on the highway on the Boston Post Road. The third was a young man, killed on the highway on the Boston Post Road. The fourth was a small boy, struck down on Mamaronck Avenue by a hit-run motorist who was later apprehended. The accident occurred on Dec. 18. The fifth fatality was a man struck near the railroad station. He died several days later in the hospital."

County Board Picks Officers

Carretta Renamed Chairman; Mrs. Busa Re-elected Clerk At Session

By a vote of 21 to seven, elected by a long party line with the two candidates refraining from voting.

Raphael Carretta, Mayor Vernon M. Busa, and William J. Kersey, Republican, were re-elected chairman of the Board of Supervisors yesterday afternoon in White Plains. His opponent, William J. Winn, First Ward of Yonkers, moved to make the vote unadvised.

"I hope that the confidence you have placed in me will not prove to have been misplaced," Carretta said.

Mr. Busa was re-elected chairman of the Board of Supervisors. He was also re-elected clerk and sergeant-at-law.

Mr. Kersey was re-elected clerk and sergeant-at-law.

Mr. Kersey was re-elected clerk and sergeant-at-law.

Stolen Automobile Found In Tarrytown

An auto, reported stolen by its owner, Albert DiRusso of 62 Madison Street, was found yesterday in Tarrytown, N. Y.

The car was found on the highway near the intersection of the road and the Tarrytown Turnpike. The car had been stolen from a White Plains street on Dec. 22.

Local Youth Hurt In New York Crash

A Mamaronck youth was injured in an automobile crash in New York City early this morning. The youth was taken to Roosevelt Hospital with a lacerated head.

The crash occurred on the corner of 14th Street and Avenue C. The car was driven by a passenger in a car owned by George G. Murphy, 66 Mount Vernon. The car was damaged and the driver was injured.

NAVY GIVES TP SECRETARY

WASHINGTON (AP)—Secretary of the Navy Francis Pickens today told that the Navy is planning to start a new program of public works. The program will be to build a new shipyard in the city of New York.

RECREATION COURSE

A course in recreation is being planned by the Civilian Defense Council to start in the middle of the month. Details of the course will be available in this column in the near future.

BLAST KILLS 38 MINERS

LONDON (AP)—38 coal miners today in an explosion in a colliery at Leigh, Lancashire.

FRANCE DOCKS BOMBED

INCENDE (AP)—British air raiders heavily bombed docks at Brest and Cherbourg in German-occupied France last night.

THE WEATHER

Mostly cloudy this afternoon. Partly cloudy and continued cold tonight; lowest temperature zero. High about 75.00; tomorrow at 2:31 A. M. and 2:30 P. M.

PRICE FIVE CENTS

COMBING THE TOWN

Zero Weather Due

The Weather Bureau today forecast even colder temperatures for this area tonight. The mercury is expected to drop five degrees below last night's mark.

The forecast is for zero to five below throughout the area.

The predicted zero temperature for the suburbs last night did not strike here, according to the recording thermometer at the Larchmont reservoir, which registered a lowest temperature nine above zero at 3 P. M.

The temperature climbed to 22 by 7:30 A. M. today and rose to around 20 during the early morning hours, according to Henry T. Hoch, chief supervising chemist at the Larchmont water works.

32 To Buy Bonds

Thirty-two employees of the Village of Larchmont, representing approximately 65 percent of the total number on the municipal payroll, have indicated they will purchase United States Defense Bonds under a salary deduction plan which was approved by the Village Board of works last month.

Most of the other employees, said Mayor Harry E. Goekeler, this morning had purchased bonds in accordance with the salary deduction plan.

First deduction will be made by Village Treasurer Austin J. Tierney, Jan. 15. When lists are paid for they will be turned over to respective installment purchasers.

Several purchase plans, depending on each employee's income, were set up.

Mayor Goekeler indicated he was "very much pleased" by the enthusiastic compliance with the request for employees to buy bonds.

In Navy Now

Kenneth F. Peir, son of Mr. and Mrs. Henry O. Peir of 17 Jochum Avenue, Larchmont, was assigned Dec. 10 in the U. S. Navy, but has failed to duty at the naval training station in Rhode Island.

Col. Robbe Called

Col. Louis E. Robbe of 830 Hickory Grove Drive, a division engineer on New York city's unified transit system, has been called to active military duty and assigned to the New York navy yard.

It was announced yesterday, Col. Robbe was given a two-week leave to attend to his family, who have him traveling here.

Col. Robbe's son, Corp. Fred Robbe, who is also in the service, recently was transferred from Camp Pendleton, California, to a station in North Carolina.

Lions Plan Class

The Mamaroneck Lions Club yesterday met Jan. 20 at the date on which Dr. C. N. Jeffrey will commence a series of first aid lectures and demonstrations.

Thereafter, the Lions will meet at 12 o'clock noon on Tuesdays, or at 12:15. They will lunch until 1:30 and study first aid for one hour.

Leonard Gross heads the committee in charge of the first aid course. Its other members are William MacDonell and Dr. Jeffrey.

Bank Meeting Set

The Bank of Westchester will hold a meeting Jan. 14 at 3 P. M. at 28 South Street, Larchmont, when stockholders will be asked to approve reduction of the bank's capital from \$500,000 to \$350,000 and the liquidation of directors.

Thomas V. Kennedy, vice-president and treasurer said no change was expected in the board elected last month when merger of the Yonkers National Bank & Trust Company with the Trust Company of Larchmont took place.

RE-REGISTRATION OF ALIENS LIKELY

WASHINGTON (AP)—Attorney General Biddle said today that the government is considering a re-registration of the 1,100,000 alien residents in this country to provide "lighter control" along the lines followed during the First World War.

Talking at a press conference, Biddle said that the idea would be to provide an identification card which every German, Italian and Japanese national in this country would be required to carry.

Under the new program being considered such cards would be carried at all times and would identify the holder. Biddle said the process for approving travel checks and residence by alien.

Martensen Notified Of Car Sale Ban

Police Chief Arthur W. Martensen of Mamaroneck today notified automobile dealers he has received a teletype message from Sheriff Edward J. Ginter, calling attention to the fact that the Office of Transportation Management has stopped the sale of all new cars, trucks and light and heavy trucks until Jan. 15. Sheriff Ginter said he had been asked by Governor Herbert H. Lehman to publish the order.

JAPANESE MASS FOR ATTACK ON DUTCH E. INDIES

Powerful Striking Force Assembled At Davao Ray, U. S. Reports

BIG NAVY BASE RAIDED

MacArthur's Heroic Defenders Hold Foes At Bay On Bataan Peninsula

By The Associated Press

Japan's next goal is the Dutch East Indies.

This appeared evident today from a U. S. War Department communique reporting that the Japanese in the Philippines announced a powerful striking force on Davao, only 400 miles from Dutch Borneo and 400 miles from Manila.

A Rome radio report heard from Manila indicated that the thrust may already have started, declaring that strong forces of Japanese carrier troops landed on the east coast of Dutch Borneo.

Simultaneously Dutch East Indies Headquarters at Batavia reported that a formation of eight Japanese bombers attacked military objectives during the night on the island of Ambon, a major site of a major Dutch naval base.

Tokyo Imperial Headquarters said Japanese troops who landed several days ago at Davao in British North Borneo, adjoining Dutch Borneo, were "cutting their field of operations."

In a message to Manila, the Japanese were seeking to knock out one of the Indies base from which U. S. Army bombers have been flying to attack Japanese warships in the Philippines.

For Japan, the Indies with their treasure-trove of such vital war materials as rubber, tin and oil would be one of the richest prizes in the East.

A U. S. War Department communique disclosed that Japanese naval units named in Davao Bay included a battleship, five cruisers, six destroyers, 12 submarines and 12 transports—obviously a greater force than would be needed merely to support sea landing operations in the Philippines.

Davao, at the southern tip of the Philippine, is 600 miles below the Manila landing sector where Gen. Douglas MacArthur's heroic defenders were reported still holding the Japanese at bay on the Bataan Peninsula.

The department bulletin said Gen. MacArthur's troops were withstanding continuous bombing and machine-gunning attacks on their tight front northeast of Manila, with the Japanese increasing their pressure amid heavy fighting.

The bulletin said at least 45 Japanese bombers snarled explosives on their tight front northeast of Manila, with the Japanese increasing their pressure amid heavy fighting.

Washington military observers said Monday's assault by U. S. army bombers on Japanese warships at Davao probably signaled the opening of a systematic allied bombing campaign to prevent Japan from using Davao as a base for an attack on the Indies.

With a tiny but highly active fighting force, the Indies Dutch have already destroyed the two Japanese cruisers, two destroyers, nine transports, two merchant ships and 25 planes in the southwest Pacific conflict. It was officially announced.

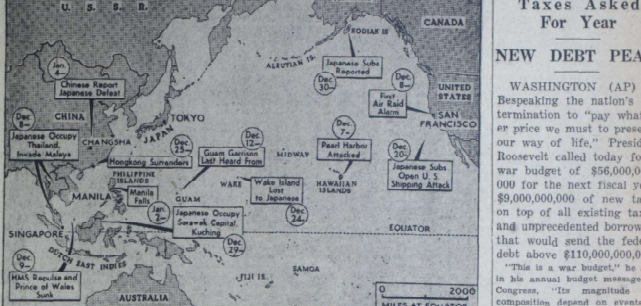

Imperial Tokyo Headquarters' admitted today that another Japanese submarine has been sunk in the Pacific and a cruiser damaged in an attack by allied aircraft on Jan. 4.

The Malaya situation continued bad for the British, and 7,000 British air power in Malaya had been driven to refuge in Singapore, while that of the United States in the Philippines had become "meaningless militarily."

Mostly clear and colder this afternoon and tonight. Local frost expected tonight. Light snow to five below. High sides today at 2:30 tomorrow at 5:31 A. M. and 3:20 P. M.

Nine Billion in New Taxes Asked For Year

NEW DEBT PEAK

WASHINGTON (AP)—Bespeaking the nation's determination to "pay whatever price we must to preserve our way of life," President Roosevelt called today for a war budget of \$56,000,000,000 for the next fiscal year, \$9,000,000,000 of new taxes on top of all existing taxes, and unprecedented borrowing that would send the federal debt above \$110,000,000,000.

"This is a war budget," he said in his annual budget message to Congress. "Its magnitude and complexity are based on events at the battlefronts of the world, x x x Nothing short of a maximum will suffice. I cannot predict ultimate costs because I cannot predict the changing fortunes of war. I can say only that we are determined to pay whatever price we must to preserve our way of life."

He added at a press conference that the budget would be the largest in the history of the world. Government estimates indicated it was \$10 billion more than the annual war expenditures. It called the President's war budget "the most important message of the year."

To the United States armed forces, he said, the President promised that the budget meant "a greater superiority of equipment."

To the public he said that it was "a fair distribution of the war burden." However, he estimated only money to be paid out of the Treasury. He estimated that the \$56,000,000,000 would be spent out of the purse of the Treasury. He estimated that the \$56,000,000,000 would be spent out of the purse of the Treasury.

COMING TO TOWN

Cold Wave Ends

The cold wave that has been sweeping the Weather Bureau today forecast a temperature of 15 degrees above zero for tonight, with light snow.

This afternoon, though, will be about as cold as yesterday. Nowhere, said the weather bureau, will the mercury fall above 20 today.

But the snowfalling will be light, it began to let up last night. Although evening temperatures were lower than Wednesday, by this morning the mercury was up about eight degrees above yesterday's readings.

For the Marines

Daniel Kennedy, editor in Manhattan's New York Herald Tribune, had just accepted a donation from John Young, who was a member of the Marine Corps, when he was told that the young man was a member of the Marine Corps. "Is that money for the Marine at Pearl Harbor?" he asked.

Mr. Kennedy, a lieutenant in the District 4, told the younger man it was for just that purpose.

"That was enough for Johnny. He jumped up, ran to his room and in a few seconds had returned with 16 cents.

"Here," he said, thrusting the change into Mr. Kennedy's hand. "I've broken open my tin of buttons for the Marines at Pearl Harbor."

Mr. Kennedy stopped long enough to tell the young man to recall that his solicitations were successful everywhere.

"Rich and poor alike," he said, "are giving money for the Marines. But Young Johnny's donation made me see the real spirit helping the drive for more machine instructions under J. William Meyers.

Map Making Course

Residents, particularly those engaged in business, are invited to take up the study of map making course at the Municipal Building, Room 130, from 8:30 to 10:30 P. M. every Tuesday.

The course is for the making of the Senior High School on Palmer Avenue.

An explanation of the course and its usefulness will be given on registration night, the first meeting, which will be held on Tuesday, December 10, at 8:30 P. M. at the Municipal Building, Room 130.

Only registration will be held on Tuesday. The dates for the course have been decided as follows: Tuesday, December 10, 17, 24, 31, 1940; Wednesday, December 11, 18, 25, 1940; Thursday, December 12, 19, 26, 1940; Friday, December 13, 20, 27, 1940; Saturday, December 14, 21, 28, 1940; Sunday, December 15, 22, 29, 1940.

Becomes Corporal

Private William C. Williams, of Mamaroneck, attached to the Headquarters Company, Second Battalion, Camp Davis, has been promoted to the rank of corporal according to the public relations office of Camp Davis.

Gives To War Fund

The Columbia Republican League, meeting at its headquarters at 100 West 11th Street, New York City, today donated \$10 to the war fund of the American Red Cross.

The donation was made by Frank T. Lewis, secretary of the league, and was sent to the headquarters of the Red Cross.

2 Sons In Service

Alexander Edward Thomas, son of Police Lieut. and Mrs. Maurice Thomas of 360 Stanley Avenue, Mamaroneck, has joined the U. S. Navy and is now training at Newport, Va.

Lieut. and Mrs. Thomas have another son in the service. He is Corp. Albert Joseph Thomas, who volunteered for the Army and is stationed at Camp Blending.

A third son, Thomas Jr., has his eye on the Marine Corps, but is only 16 in complete.

WILSON TO HEAD U. S. BOND DRIVE

Mamaroneck Man Chairman For Area Of Group Stimulating Sales

Fred T. Wilson of Mamaroneck has been appointed chairman of the drive for this area in a volunteer group to promote and stimulate the sale of defense stamps and bonds.

Mr. Wilson, Jr., of 40 West 11th Street, New York City, is president of the County Trust Company, who is chairman of the movement in Westchester.

Similar committees have been organized in communities throughout Westchester. Mr. Wilson will serve for the Mamaroneck-Larchmont County Finance Commission.

Frederick O. Schmidt of Port Chester will be chairman of a special group which will include Federal, State, county and city employees. He will represent Westchester on a committee for the entire part of the state headed by Harry M. Durand, collector of the Port of New York.

Cupid's Business Shows Small December Sales; October Leads In 1941

Town Clerk Credits War For Increased Trade During Last Year

Dan Cupid's business shows a steady rise over the last three years and a small boom was experienced in December, if marriage licenses issued by Town Clerk Robert D. Payne of Mamaroneck is taken as a gauge for love.

Mr. Payne issued 178 licenses in 1941, a gain of 12 over the total of 166 for 1940 and 31 greater than the total of 147 for 1939.

The best month for the year just ended was October, when 21 licenses were issued, and the 21 issued in December was only one less than the total of 22 issued in February, 1940, only two, and in 1941.

Mr. Payne believes the war had much to do with the rise in licenses for December. Many of the couples applying to his office were in the service, home on furlough, and many nights Mr. Payne went down to his office to see the couples together.

Now, Mr. Payne is waiting for February, to see what will follow the precedent of the last three years and be the poorest month of the year for Dan Cupid. In 1940, four licenses were issued in February, 1940, only two, and in 1941.

The number for 1941, month by month, included: January, 20; February, 6; March, 9; April, 15; May, 17; June, 22; July, 12; August, 13; September, 14; October, 21; November, 21; December, 21.

It will be noted that no month exceeded the all-time high of 30 issued by the Town of Mamaroneck clerk, a month and a figure that still bewilders Mr. Payne. Walter R. Marvin, was town clerk, then and what happened in June, 1939, Mr. Payne said.

Mr. Payne said that "most of the marriages licenses in June, 1939, issued by the Town of Mamaroneck clerk, a month and a figure that still bewilders Mr. Payne. Walter R. Marvin, was town clerk, then and what happened in June, 1939, Mr. Payne said.

RUSSIANS BREAK TWO NAZI SIEGES

Invaders Thrown Back From Leningrad And Sevastopol; Nazis Escape British

By the Associated Press

Russian armies were declared today to have virtually broken the long Nazi sieges of Leningrad and Sevastopol, and Soviet planes were reported to "cut off" the German lines from the sea.

The German High Command asserted that Leningrad was "completely isolated" from the South and that the only route was the "precarious" sea route across Lake Ladoga.

Advice reaching London reported that Red Army troops were now battering the German lines in waves after waves in a series of four-day battles at Sevastopol, at the mouth of the Black Sea.

The Crimea, Red Army troops were said to be landing at many points and the Sevastopol port itself drove the Germans back from the coast.

Sea-borne Russian troops were reported to have landed at Sevastopol and north of Sevastopol, while the Sevastopol port itself drove the Germans back from the coast.

The weather, disastrous for the Germans in Russia, gave them a great deal of trouble. British planes were reported to have been shot down by the Luftwaffe, following the evacuation of the Crimea. The bulk of his trapped Axis forces were reported to have been evacuated from the Crimea.

British troops were reported to have landed at Sevastopol and north of Sevastopol, while the Sevastopol port itself drove the Germans back from the coast.

DEFENSE BULLETIN BOARD

MAMARONECK VILLAGE

Defense Council Headquarters, Municipal Building, Prospect Avenue and Elm Street; telephone for any information, Mamaroneck 2100 during day, Mamaroneck 2400 at night.

LARCHMONT VILLAGE

Defense Council Headquarters, Village Hall, Larchmont Avenue and the Boston Post Road; telephone for any information, Larchmont 2039 during day, Larchmont 2100 at night.

UNINCORPORATED TOWN SECTION

Defense Council Headquarters, Weaver Street police station; phone for any information, Mamaroneck 1800, day or night.

M-MAKING COURSE

The M-1 making course arranged by this Defense Office has been through open to those from the other two areas who are interested. See the Combining the Town Councils under this heading.

CASUALTY STATIONS FORMED

Mrs. Richard Frowd and Mrs. R. T. Langdon have been appointed to organize the two town sections which will be organized in the town. There will be few requests for the course, but it is open to all who are interested. The course will be held at the home of the college campus.

ROFNEY LEADER DIES

LONDON (AP)—The Free Belgian news agency reported today that the death of Albert Hofacker, 60, founder of the Belgian Rotary movement and assistant chairman of the board of Rotary International.

Ship Sunk Within 100 Miles Of Tokyo

New Drive Near

By the Associated Press

Japan got a preview today of the thing she dreaded most—a possible blockade of her densely populated island empire—as an imperial headquarters acknowledged an allied submarine raid within 100 miles of Tokyo in which the 2,225-ton freighter Unai-ha Maru No. 1 was torpedoed and damaged.

The nationality of the attacking craft was not given.

Previously, a U. S. Navy bulletin reported that submarines of the American Atlantic Fleet had sunk a 10,000-ton Japanese transport and three 10,000-ton Japanese supply ships.

In the Philippine campaign, the Navy Department reported that "combat operations continued to minor skirmishes" as the Japanese moved to troops for a climactic drive against Gen. Douglas MacArthur's forces on Bataan peninsula.

The Navy's communication was the first report in many days from the visible undersea force operating in the Far East waters at the start of the war, a month ago, but naval officials emphasized that the Navy's operations are proceeding.

Imperial Tokyo Headquarters said the report in many days from the visible undersea force operating in the Far East waters at the start of the war, a month ago, but naval officials emphasized that the Navy's operations are proceeding.

Sharp Rise In Welfare Rolls Shown For Town In Final Month Of Year

AUXILIARY POLICE CHANGE STUDIED

December Costs Increase But Are Still Below Same Month In 1940

Cases and expenditures of the Town of Mamaroneck Welfare Department rose sharply during December, as compared with the preceding month, according to the monthly report of Charles D. DeWitt, town welfare officer.

The number of cases increased by 12, from 191 in November to 203 in December, and expenditures rose by \$1,500 from \$7,500 in November to \$9,000 in December.

The figures were still far below the comparable month a year ago, however. In December, 1940, the welfare office reported a case load of 271 and total expenditures of \$14,000.

The average cost per individual for the month was \$42.80, as compared with \$40 in November, and the average cost per case for the month was \$44.80, as compared with \$39.60 in November.

A year ago, the average cost per individual per day was \$1.20, as compared with \$1.10 in November, and the average cost per case for the month was \$40.80, as compared with \$39.60 in November.

The town of Mamaroneck welfare office reported a case load of 271 and total expenditures of \$14,000.

Mostly clear this afternoon; high temperature about 24 degrees. Clear tonight; lowest about zero to 5 above. High tide today at 5:22 P. M.; low tide at 6:00 A. M. and 2:20 P. M.

New Cold Wave

Temperatures will go back down to zero in the vicinity tonight, the weather bureau predicts. The cold wave will be in force in the 20's this afternoon, but the cold will settle down again. Last night was 10 degrees milder than Thursday night.

Skating Excellent

"Excellent" skating is in prospect for this weekend, if the freezing temperatures hold. Skating is available at either Larchmont Gardens Lake or at Harbor Island.

Safe In Pacific

Albert Fraioni, son of Mr. and Mrs. Gaetano Fraioni of 165 Center Street Village, is safe aboard a U. S. Navy aircraft carrier in the Pacific, his parents learned today. They received a letter from him today saying he was having a fine Christmas. His ship was in Hawaii at the time of the Japanese surprise attack last December.

Donors Needed

An appeal was made today for blood donors of the universal donor type by David Green, secretary of Mamaroneck, who has been ill for some time at United Hospital. Friends and relatives have given a number of transfusions, and it is felt that a fresh supply of donors might be very helpful to the patient, who is now able to get along on one transfusion per week.

Messages To Axis

The American Red Cross is authorized by the U. S. Government to send messages to Italy, and its limited work in Germany. It has announced today that Mrs. Harry E. Fosbury, chairman of the Mamaroneck Branch of the Red Cross. Anyone wishing to send a message to Italy or Germany, should write to the Red Cross, 115 West 42nd Street, New York City.

Head Local Drive

Mayor James T. Corrigan of the Village of Mamaroneck today named Ed J. Diforo, of 115 West 42nd Street, as co-chairman of the drive for funds to be made here by the Foundation for Infantile Paralysis beginning Jan. 15 and lasting through Jan. 30.

Defense Measures To Cost 500 Million

WASHINGTON (AP)—Ultimate passage of the civilian defense bill will set in motion an equipment procurement program which eventually may cost the Federal Government \$500,000,000 or more, in addition to large outlays by states and cities in potential air raid zones.

Daylight Saving Bill Splits Legislators

WASHINGTON (AP)—The House and Senate were split today on a daylight saving time bill to conserve electricity for war production.

PAMPHLETS GO OUT

Fifty Boy Scouts reported to the Mamaroneck Village Municipal Building early today to begin the distribution of 5,000 pamphlets prepared by the Defense Council on "What To Do in an Air Raid."

WARDENS GET BULLETIN

Frank Loozy, chief warden, has issued a bulletin of instructions to the post wardens in the nine sections of Larchmont under his supervision. In outlining their duties, he reminds them that it is necessary to make themselves known to the police whom they are to serve and in turn to gain their confidence.

1941 LICENSE PLATES

Please bring all old license plates to Police Headquarters, 11 Edgewood Avenue, Larchmont.

CLASSROOM CHANGED

An unexpectedly large number of registrants—900 and only five out of 42 areas heard from—of the Westchester Defense Council wardens' course has necessitated a change of meeting place from the Westchester Municipal Building to the auditorium of White Plains High School, it was announced today.

MOTORIST HELD IN FATAL CRASH

New York Man To Face Grand Jury; Second Accident Case Dismissed. Matthew Lee Gaines, 23, of New York City, driver of an automobile which collided head-on with another car at the Boston Post Road and Fenimore Road on Nov. 30, and resulted in the death of one person and injuries to seven others, was held for trial at the Grand Jury yesterday after an inquiry by County Medical Examiner Amos O. Squire.

DECONTAMINATION COURSE

T. S. Sitterley, chairman of the Decontamination Corps for the Town of Mamaroneck Defense Council, has announced the formation of his committee. The committee will be headed by Sitterley, with P. E. Kite, R. P. Leese, and H. McClinton.

ELKS REVEAL PLAN TO MOVE CHILDREN

Children of Elks Club members removed from danger zones for the duration of the war, Grand Exalted Ruler John S. McCallahan of Atlanta, Ga., center, and Frank X. Briante, exalted ruler of the White Plains Lodge No. 1877, made a reception marking the homecoming after the Christmas Eve.

COUNTRY CRASHES TAKE TWO LIVES

Fatalities Boost Westchester's Deaths To Four For The New Year. Two persons were killed in Westchester automobile crashes yesterday, bringing the 1942 total of lives to four. A Redford, Conn., driver was driving southbound on a road when his car plowed into a truck and a New York City man died when his car plowed into a car of a halted bus.

RAIOTING TIRES GO TO FIREMEN

Town Department First To Get Certificate Under New Defense Set-Up. The Rationing Board, serving the Town of Mamaroneck, Harrison and Rye, met yesterday in Harrison and granted its first certificate of necessity to the Town of Mamaroneck Fire Department for the purchase of four fire trucks for each of two fire trucks.

Germans Advised Of 'Critical Phase' Of War

REDS SWEEP ON. By the Associated Press. Adolf Hitler's own press chief prepared the German nation for a jolt today, solemnly acknowledging that Nazi military operations "have reached an extremely serious and indeed critical phase" as the Russians swept on to new triumphs.

LOSS. The 5,220-ton British Cruiser Galatea (above) was yesterday announced by the Admiralty in London to have been sunk after being torpedoed by a U-boat.

Foe Now Within 10 Miles Of Kuala Lumpur

LOSSES HEAVY. Japanese troops led by monster tanks, advancing almost 50 miles in 24 hours through the Malayan "Green Hell" Jungles, were reported today in an official Tokyo broadcast to have driven within 10 miles of Kuala Lumpur, the world's crude rubber capital, 240 miles north of Singapore.

Germans Advised Of 'Critical Phase' Of War

At the same time, advices from "somewhere on the German frontier" said persistent reports indicated revolution in Germany coinciding with the debacle on the Russian war front had impelled the German Foreign Office to issue a mid-of-the-night denial. These advices said the Wilhelmstrasse called foreign correspondents on bed one night this week and told them of the reports and the official denial. The Foreign Office asserted that the reports were spread by British and American sources.

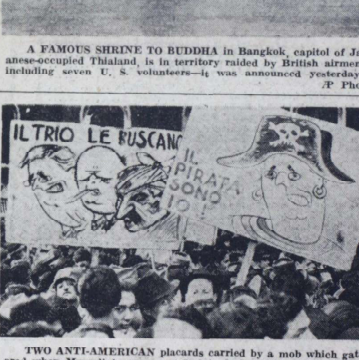

A FAMOUS SHRINE TO BUDDHA in Bangkok, capital of Japan-occupied Thailand, is in territory raided by British airmen including seven U. S. volunteers—it was announced yesterday.

Foe Now Within 10 Miles Of Kuala Lumpur

The Japanese subsequently reported that their troops had taken positions in a field two and one-half miles southwest of Kuala Lumpur and had opened a general assault on the eastern part of the city this morning. British Far East Headquarters tersely acknowledged that battle-worn British Imperial troops had withdrawn "farther to the south" from the latest of a series of offensives 50 miles north of Kuala Lumpur. No details were given.

Germans Advised Of 'Critical Phase' Of War

Some of the correspondents expressed surprise that the stories created so much concern in the Wilhelmstrasse that it was felt necessary to make an immediate denial. Soviet front-line dispatches declared the Red Army troops advancing over the Wintry battlefields at a pace of more than four miles a day in an encirclement move which might cut off the Nazi siege armies before Leningrad itself. In the Crimea, the Germans faced a similar encirclement by Russian troops now pouring into the Black Sea Peninsula in great numbers. On the North African war front, British headquarters reported that the Axis retreat from Acredaba, 320 miles west of the Egyptian frontier, had now become so rapid that advanced British columns were unable to "bring the enemy to action."

TWO ANTI-AMERICAN placards carried by a mob which gathered to Mussolini announced Italy's declaration of war against the United States are carried above the crowd, according to Rome sources. The placard on the left says "The Three To Beat." The one on the right says "I'm a Pirate."

Foe Now Within 10 Miles Of Kuala Lumpur

Heavy-type Japanese tanks were leading the assault, dispatches said. London quarters had struck that a critical hour had graven in the defense of Singapore, Britain's No. 1 stronghold in the Far East, fortified at a cost of \$400,000, 000, and declared that the need for reinforcements of troops and planes was urgent. Far north of the battle sector, British bombers were reported as slashing at three Japanese bases in an attempt to relieve the pressure. In the Philippines, Japanese held Iloilo in Malayan Perak State, 12 miles above Kuala Lumpur. The Malayan drive, linked with sea and air assaults upon the Netherlands East Indies and a slackening of activity in the Philippines, indicated to Washington observers that the Japanese were pointing for an attempt to invade the rich Dutch islands.

Germans Advised Of 'Critical Phase' Of War

Eleven Mamaroneck organizations have this week contributed to the American Red Cross through its Mamaroneck Branch or promised their intention of doing so before the war fund campaign ends. This brings to 23 the total of organizations thus aiding the Red Cross.

23 Local Organizations Contribute To Red Cross Drive For \$8,000 Here

When the drive opened in Mamaroneck, the Red Cross received \$8,000, Henry T. Hornidge, chairman, appealed to all local organizations to make group donations and to urge their members to give individually to the Red Cross in the amount of \$1.00. The fire sound. Yesterday the Daniel Warren P. T. A. sent the following note to the parents of children in the Daniel Warren School: "You will receive this letter just as one of the few tangible ways in which we speak to every P. T. A. member individually to make as large a contribution as possible. It is one of the few tangible ways in which each individual can exert positive power in the national emergency."

Volunteers Needed For Control Room

Urgent need for men at the Westchester County control room in White Plains for the middle of A. M. and 4 to 8 A. M. shifts was revealed today. Defense officials pointed out that it is of vital importance to have the control room in responsible hands during the night shift, because air raid sirens would most likely come during the night. At the present time WPA workers are manning the midnight to 4 A. M. shifts, but will be withdrawn from the middle of A. M. to about 1 a. m. Defense officials said that a total of 126 men are needed for the job if broken into assignments which would make one man report for night duty twice monthly. Service clubs were asked to volunteer their services for the job of working in control room which may be required on a 24-hour a day schedule.

Germans Advised Of 'Critical Phase' Of War

Mrs. Harry E. Fosbury, branch chairman, and Mrs. W. H. Cantle, treasurer, announced the list of organizations which have responded this week to the appeal of the Red Cross as follows: Alessandro Manzoni Lodge, Sons of Italy 325; Victor III Mutual Aid Society, 325; Volunteer Hose Company No. 3; Coe-American National Alliance; Roadside Circle King's Daughters; Columbia Republican League; Fenimore Players; Daniel Warren P. T. A. \$10 each; Oakhurst Circle 411; Companions of the Forest; Court Holy Trinity Catholic Daughters of Rye Neck; Rye Neck, 85 each. Last week's contributors among the organizations were: Betty Ross Lodge Daughters of the Hebrew In-stitute, Mamaroneck Avenue School P. T. A. \$25 each; Elks, Mamaroneck; Sons of Italy 325; Larchmont Star Club, American Legion Auxiliary, David Potts, Jr., Auxiliary V. F. W., \$5 each.

Germans Advised Of 'Critical Phase' Of War

Use of a blow torch to thaw frozen water pipes yesterday resulted in a fire which gutted a grocery flat and damaged it to the extent of \$1,000. The fire sound. The fifth general alarm in Port Chester in as many days. The flames broke out at 8 P. M. the agent of the house owner used the powerful torch to start water flowing in the pipe. The fire was quickly under control within a short time.

COMING THE TOWN

Called to Duty

Lieut. Lloyd C. Harriott, above, son of Mr. and Mrs. L. C. Harriott, Jr., of 535 Fourth Street, Village, was called into active service today and will be stationed with the 44th Division, 10th Army Corps, at Camp Dix, N. J. Lieut. Harriott is a graduate of Bowdoin College, Class of '41. Since July he has been with the General Electric Company at Schenectady, N. Y., as an electrical engineer.

Drive Extended

Because of the difficulty of making house-to-house calls in the snow and cold weather of the last week, Henry T. Houghton, chairman, has extended the war fund campaign for the American Red Cross here until Friday of this week.

Captains are asked to make their reports to Mr. Houghton on Friday. Workers are asked to report to their captains before that time. The chairman has asked all residents of Mamaroneck Village to take in the emergency to raise \$40,000 here, this community's contribution to the national fund of \$50,000,000.

Masons Install

Thomas H. Hartley was installed master, succeeding George H. Broderick, of Avenue L, on Thursday, 8:30 P. M., at the Lodge-room on Prospect Avenue last night.

Henry E. Kincaid served as the installing officer, assisted by Marshall H. Hartley, secretary. Other officers installed included: Ralph E. Jennings, senior wardens; Marshall F. Smith, junior wardens; Frederick A. Billig, treasurer; John F. M. Schroeder, assistants; J. J. L. Brown, officers; Dr. Frank Dean Clifford, chaplain; Dr. James H. Smith, Jr., pastor; Thomas Leonard of the Ralph Avenue Station, Brooklyn, happened into the place of his round of inspection. The detective immediately picked up the two questionnaires.

Mr. Brown admitted giving the jewelry to her son, O'Neill said that a story of having received it from an unidentified white woman "dressed in a brown coat" she could remember.

Cornell Renamed

Charles E. Cornell, president of the United Savings Bank in Westchester, Mamaroneck, has been re-elected to that position, it was announced today. The bank's annual meeting was held Thursday.

Also elected were William E. Hare, first vice-president; George V. Bates, second vice-president; Gabriel Wendt, secretary; Miss S. Bacon, treasurer; and Charles Baxter, Jr., cashier.

The bank is now in its 65th year, having been organized in 1867.

5 Needed For Class

Five men are needed to complete the enrollment for a Red Cross first aid class which starts tomorrow night at 8 o'clock at the Mamaroneck Health Center. Dr. R. E. Machan will be the instructor. Mrs. L. D. Dewhurst of 535 Main Avenue, first aid chairman for the Mamaroneck Red Cross Branch, hopes to be able to keep the class for men only to facilitate the teaching of teaching young men.

Those who wish to join the class should notify her today.

There is a large waiting list of women for evening first aid classes. Unless there are enough men enrolled for Dr. Machan's class, some of the women will be assigned to it.

The classes now being conducted at the health center and police station in first aid have absorbed most of the male enrollment.

Cellar Flooded BY BROKEN MAIN

Considerable Damage Done To Material In Recreation Building Basement

A broken water main in the intersection of Palmer and East Avenues, Larchmont, yesterday flooded the basement of the block long Recreation Building and caused considerable damage to materials which had been stored away in shops occupying the building.

Village Engineer Arthur Richards estimated that the break cost property holders here a couple of hundred dollars. What waterless firemen and village workers discovered the break at 11:30 P. M. yesterday here was a couple of feet of water in the cellar. Mr. Richards said that the Village of East Avenues, an employee of the city, was scrutinizing the character of the break. The Recreation Building, which extends along Larchmont and East Avenues, was closed for a day yesterday and the Mamaroneck Fire Department had extensive water from the cellar. The break was finally discovered in an inspection showed that the water service lead line connecting to the Recreation Building had been broken by the water which was directed by Chief Albert C. O'Brien, under the pumping truck to remove water from the cellar. Work was concluded at 4 P. M.

No estimate could be obtained of the amount of damage. The Recreation Building, which extends along Palmer Avenue from East Avenue to West Avenue, houses a store.

Lodge To Install

Larchmont Lodge No. 1000, P. A. M., will hold its installation ceremonies for the officers who have been elected to office for the year tomorrow at 8 o'clock in the Parish House, 1000 East Episcopal Church, Fountain Square, Larchmont.

Percy B. Hiley, master-elect, will be installed as master by Arnold D. Thore, who will act as installing officer, assisted by Richard A. Hightman, acting grand marshal. The principal address of the evening will be delivered by Hamilton Macdonald.

Masons here are invited to all.

MICKY ROONEY WEBS

HOLLYWOOD (AP)—The movie office here is busy preparing to do Monte on the beach. Mickey Rooney, No. 1 attraction, will arrive Thursday for his first performance in a feature with the former Army G.I. Willie Nelson, N. C. to whom he married in a ritual, near Barbara, last night.

ATLANTIC BATTLE STILL HELD MOST VITAL BY KNOX

Navy's No. 1 Job Is To Keep Sea Lanes To Britain Open, He Declares

WASHINGTON, (AP)—Secretary of the Navy Knox said today that while the Atlantic Fleet is not the most easily conclusive showdown, it is keeping the sea lanes open between America and Britain, bringing about the defeat of Hitler's Germany, "our great enemy."

"I would not be frank with you if I let you to believe that you could expect favorable, dramatic developments of triumph. America, following naval engagements in the Pacific in the near future," Knox said.

"The elements of distance, of time and the necessarily wide distribution of our naval forces preclude what I know you all wish me to say: that the Pacific Fleet is the most vital to our nation."

"It is outside and you will hear from it again and again when and where careful strategic considerations dictate."

TANGLED SKIS AND A SPILL

ANNEXED SKIS and a spill in the snow are all part of the fun as shown by the happy faces of Anne McGovern and Dorothy Rogers, both of Scarsdale. They are pictured in the upper photo on the left and the lower photo on the right. Rogers, who is the one in the lower photo, is the one who was skied down the hill. McGovern, who is the one in the upper photo, is the one who was skied down the hill.

SKATER INJURED IN FALL ON ICE

Youth Taken To Hospital; Two Others Hurt On Ice Streets

Joseph J. Richenstein, 13, of 414 Park Avenue, was injured in a possible fracture of the skull when he slipped and fell while skating on ice at Silver Lake, West Plains, at 3:50 P. M. yesterday.

He was taken to St. Agnes Hospital, where he is recovering from injuries due to falls on the ice in the street.

Larchmont police reported two injuries due to falls on the ice in the street.

William D. Dwyer, 12, of 1212 Avenue C, fell at midnight last night on his home and sprained his right ankle. He was taken to St. Agnes Hospital, where he is recovering from injuries due to falls on the ice in the street.

DEFENSE CLASS TONIGHT

Tonight the Home Defense class meets at 8:15 in the auditorium of the Chateaufort Avenue School with Police Chief William Keresey, Dr. Martin Williams and Albert B. Westman as speakers.

Classes scheduled to meet tomorrow are: Tuesday, 9:30 A. M. first aid at the Chateaufort Avenue School; 2 P. M. nutrition at the Village Hall; and first aid, 8:15 P. M. at St. Augustine School, Larchmont Avenue. Attention is called to the change in the meeting place of the night first aid class which formerly met at the Village Hall.

CLASSES TOMORROW

Classes scheduled to meet tomorrow are: Tuesday, 9:30 A. M. first aid at the Chateaufort Avenue School; 2 P. M. nutrition at the Village Hall; and first aid, 8:15 P. M. at St. Augustine School, Larchmont Avenue. Attention is called to the change in the meeting place of the night first aid class which formerly met at the Village Hall.

REGISTRATION TOMORROW

Registration for a course in applied mechanics will be held tomorrow from 7:30 until 9:30 in the main room of the Mamaroneck Senior High School, at the same time that the registration for a map making course is being conducted. William H. Meyer is instructor of the auto mechanics class. Both of these courses are for residents of the unincorporated sections of Mamaroneck and are offered by the County Defense Council.

CHURCH NAMES AIDE

Major Stanley W. Church of New Rochelle announced today the appointment of James H. Anderson as his personal aide. Anderson is a former member of the acting executive officer of the Defense Council.

THE WEATHER

Partly cloudy this afternoon and tonight. Highest temperature today about 55 degrees, lowest tonight about 35 degrees. High tide today at 1:58 P. M.; tomorrow at 7:55 A. M. and 8:18 P. M.

U.S. AND BRITAIN SEEK WAR BASES IN NEUTRAL ZONE

Russians Closing Pincers On 150,000 Nazis After Piercing Their Lines

By The Associated Press

Reports of a renewed American-British diplomatic effort to win war bases in neutral Europe shared importance today with advice that Russian armies had breached a new German Winter defense line on the central front, putting them in good position to close their pincers on perhaps 150,000 Germans in the Moshak sector.

The renewed effort to close their pincers on perhaps 150,000 Germans in the Moshak sector, it was reported, was being carried out by the British and American forces in the Mediterranean, presumably only damaged.

The Hitter counter-attack, it was reported, was being carried out by the British and American forces in the Mediterranean, presumably only damaged.

COMBING THE TOWN

Bed Catches Fire

William Arnold, 23, of 3 Oak Bluff Avenue, Larchmont, escaped injury when his bed caught fire early this morning and caused damage estimated at \$400 to the home and furnishings.

Mr. Arnold, the son of Mr. and Mrs. Edward A. Arnold of the same address, was sleeping soundly at 6:05 A. M. when his bed, which covered the fire in the ground floor bedroom, the awakened his son and then called the Larchmont Fire Department.

The fireman, directed by Chief Alvin B. Cullen, responded in 35 minutes. At headquarters the Municipal Building, at headquarters today, it was estimated that household furnishings, including the bed, had been damaged to the extent of \$500 with an additional \$100 damage to the building, which is located near the Larchmont Shore Club.

Cause of the fire, which started in the mattress, could not be determined. "All I know is that when I got up the room was filled with smoke," Mrs. Arnold said.

Shore Club Elects

J. Henry Neale of Larchmont was unanimously elected president of the Larchmont Shore Club for a third term last evening at the annual board meeting.

Frank H. White was re-elected vice president for a second term and will also act as assistant treasurer. John Oliver is the new treasurer, and John March, secretary.

Other committee chairmen are: admissions, Frank H. Ridgeway, Dockerill; house, Charles Traynidy; bowling, John W. Oliver; finance, Edward F. Quinn; entertainment, Ralph L. Lucas; and refreshments, J. Johnston; insurance, Alexander Field.

The executive and finance committee will include Mr. Neale, J. Marshall Peck, F. C. White, J. H. Ridgeway and John W. Oliver.

Lions Hold Class

The Mamaroneck Lions Club, which will devote one hour each week for the next 12 weeks, held its first class, received an introductory authorization of the course yesterday at its luncheon meeting at the Ontario Dutch Church.

Blizzard of Mamaroneck, Red Cross official, outlined the work ahead.

Instead of meeting at 12:15 P. M. the Lions will meet at 1:30 P. M. on all Saturdays.

The committee in charge is headed by Leonard Gross and includes William McDonald and Dr. N. J. Jeffrey.

BOOK DRIVE GETS UNDER WAY HERE

200 Volumes Contributed First Day of Mamaroneck Campaign

The Victory Book Campaign to collect books for soldiers, sailors and marines is now two days old and Mamaroneck residents are passing their gifts to the Mamaroneck Free Library, collection center.

Nine individuals have answered the first call for books with a total of nearly 200 volumes which are assembled in the main reading room of the library.

The book donors include Mrs. William E. Shogkness, Miss Gertrude Dale, Miss Rose Epstein, the Rev. Frank De Clifford, Mrs. Arthur H. Hancock, Fred L. Jennings, the Boy Scouts of Mamaroneck, Mrs. Merion T. Akers and Mrs. L. S. Heller.

The majority of the gifts have been volumes of fiction. The quality of the books is unusually high. Good non-fiction titles are also urgently needed. Good technical books (published since 1935) on almost any subject are needed. Books on American countries, mathematics, poetry, psychology and many other topics are all wanted.

Every organization and club in the village is solicited. One John J. Brower distributed posters throughout the village. The girls cooperating in this work were Madeline Perskobe and Ethel Schroeder.

The local chairman, Elizabeth Eleanor L. Morrow reminds all donors that the Boy Scouts have volunteered to bring their own books to the library. Arrangements for collection may be made by calling Miss Morrow at the Library, Mamaroneck 1220.

The problem of distribution to the many centers will be a big one. Anyone having strong cardboard cartons suitable for packing 50 or more books is urged to donate them to the Library for shipping purposes.

THE ALARM SOUNDS

A general fire alarm was sounded at the Pure Food factory on Mamaroneck Avenue, Wednesday, Jan. 11, 1942, at 11:42 A. M. yesterday when a water leak in the plant's own sprinkler system became too serious to ignore.

The alarm, consisting of the plant, to go off. All employees were responded, but there was no damage.

PRICE FIVE CENTS

SCHOOLS ABANDON PLAN TO EVACUATE PUPILS IN AIR RAID

Students to Remain Inside Buildings During Alarm

Public and parochial schools here have abandoned the "walk home" system for children during an air raid and all pupils will instead be kept in school, it was announced today.

The decision was made by the Mamaroneck Board of Education last night after considerable discussion of a bulletin received from the U. S. Office of Civilian Defense, which gave specific instructions for schools.

1. Do not permit any pupils to leave the building.
2. Do not send pupils home.
3. Do not allow any pupils to return to classrooms until the all clear signal is given.

Superintendent of Schools Arthur Z. Boothby was so advising parents by a mimeographed form today.

The same advice will be given to parents in the Rye Neck public school system, Dr. Samuel Engle, superintendent, said today after consultation with members of the Mamaroneck Village Defense Council.

Children in parochial schools also will be kept in the school buildings during an air raid, it was learned from inquiry at Holy Trinity Parochial School in Mamaroneck and St. Ann's Parochial School in Larchmont.

CHAMBER INVESTS IN DEFENSE BOND

Local Trade Group Also Aids Red Cross And Paralysis Campaigns

Funds in the treasury of the Mamaroneck Chamber of Commerce will be invested in a \$700 United States Defense Savings Bond, worth \$1,000 at maturity in 10 years, it was decided at a meeting of the Chamber's executive committee yesterday afternoon.

The committee also voted to donate \$75 to the emergency war fund of the American Red Cross; \$25 to the National Foundation for Infantile Paralysis; and \$20 to the U. S. Army air raid education post in Mamaroneck.

The committee in charge of Christmas decorations in the business district reported that a sufficient amount of money had been collected to defray the expenses of the decorations, and the committee was that Christmas business was good.

The A. W. Barnhart Company and R. M. K. Leeds were elected to membership.

Richard B. Mann, president, reported at the meeting. Earl W. Quirk, secretary, reported that he had received a listing of major War Department supply contracts from the Westchester County Defense Council.

The Office of Civilian Defense in Washington has issued definite instructions that children are not to be dispersed from school buildings during an air raid. It is necessary, therefore, for your committee to make further suggestions. We assumed at the time of preparation of Bulletin No. 1 that there would be sufficient warning so that we might deliver children to their homes before an actual raid began. We have been further informed that there may not be time between an alarm and the alarm to get the children home.

VONKERS COUNCIL SHELVES CHARGES AGAINST WHITNEY

23 Accusations Brought By City Manager's League Pigeon-Holed

VOTE STANDS AT 3 TO 2 Mayor Sidings With Executive In Opposing Public Hearing

Mayor Benjamin F. Barnes, re-elected Vonkers City Manager League candidate, joined with the two Democratic members of the Vonkers Common Council, Vice-Mayor James A. Sullivan and Councilman Al P. Richter, last night in opposing the resolution of the City Manager's League to schedule a public hearing next Tuesday on charges brought against City Manager Raymond J. Whitney by the Vonkers after serving as Village Manager of Mamaroneck.

By a vote of three to two, Councilmen Wiley and Curtis E. Frank, League members, will be joined with Dr. Barnes in the 1941 election, favoring the resolution for a public hearing. The measure was sent to committee of the whole.

In presenting his resolution, Mr. Whitney explained that he felt that inasmuch as the "charges" were put forward in the newspaper, they should be answered.

The Manager League resolution related that charges were filed yesterday with the Common Council against Mr. Whitney and that a request was made that the "Common Council" inquire into the conduct of the said city manager and make an investigation in relation to the said charges at a public meeting of the Common Council at which meeting the public is allowed to be heard in relation to the said charges.

The Manager League yesterday filed at City Hall a resolution it had adopted yesterday, listing 23 charges against Mr. Whitney, enumerated with a view to obtaining his removal from office by the Common Council.

Mr. Whitney is accused of permitting a contractor to erect a street car shed in violation of the zoning ordinance and of purchasing material other than that provided in a contract, "at a substantial loss to the city."

Other subjects include Mr. Whitney's purchase of parking meters without competitive bidding; local orders removed by the Council purchase of a Public Works truck which department heads refuse to accept as fit for use; overlooking of city laborers in violation of the state law; various acts and omissions in budget-making; purchase of service jobs and failure to make salary and wage readjustments and reclassifications.

In the Civil Service complaint, the case of Councilman James A. Sullivan's brother-in-law, John McVey—specifically mentioned.

When the City Manager League believed it had won a majority, it had presented its proposition to remove Mr. Whitney and replace him with former Mayor William A. Sullivan. Mr. Barnes, Councilman Curtis E. Frank and Councilman Benjamin F. Barnes were publicly pledged for such a change.

After the hearing now famous "ultimatum"—demanding certain patronage controls and the Mayor's threatening otherwise to make a deal with the Democrat to obtain those—the Manager League for Dr. Barnes, who did side up with the Democrats and the plans for Judge Walsh's appointment collapsed.

The decision to file the charges against Mr. Whitney anyhow—compelling Dr. Barnes to take a position—was still being argued.

ITCH TROOPS OPEN CHECK-UP ADVANCE

Gen. Wavell Arrives To Take Charge Of Campaign

FOES BEATEN OFF

By the Associated Press

Gen. Sir Archibald P. Wavell, commander in chief of the new allied Far East Command, has arrived in the Dutch East Indies and already launched a series of attacks in a counter-attack against Japanese invasion forces, military dispatches said today.

Dutch troops were reported moving into action on the border of the "White Rajah" Kingdom of Sarawak, where Japanese troops had seized the capital, Kuching, at most of the northern territory.

Gen. Wavell's second in command, Lieut.-Gen. George M. Brett, former chief of the U. S. Army Air Corps, arrived at the same time, but direct strategy for the Indies' fighting defense.

Dutch Indies soldiers were also reported battling hand-to-hand with Japanese invaders near Lake Tondok, on the northeast tip of Celebes Island.

Dutch warplanes bombed Japanese-occupied Tarakan Island, off the coast of Dutch East Borneo, and a Japanese base in the South Sea Philippines.

A U. S. Navy bulletin said three American bombers, fighting with the Dutch Indies forces, attacked Japanese shipping near Tarakan and destroyed at least two enemy lighters.

On the Philippines battlefield, Gen. MacArthur's American and Philippine defense forces were reported to have beaten off two Japanese attacks with the invaders suffering heavy losses.

Across the South China Sea, British jungle fighters in a new unit were reported to have destroyed from only 80 miles north of Singapore an enemy air base, the Malay Peninsula.

With the ill-fated Singapore campaign, a reshuffle of the British command structure is forecast in London parliamentary circles.

MAN OF THE MOMENT in the South Pacific today is regarded as being "Red" Fox Pearson, commander of the armed forces of the National Youth Endowment, Report of the capture of Tarakan, off center in Dutch Borneo, and a Navy air attack on Colson, to quiz all of the stout Dutch resistance for signals in the Pacific.

TONIGHT'S MEETING

8 P. M.—Municipal Building, Board meeting for the second auxiliary-police group.

8 P. M.—Block and Leader Firehouse—First aid class—Mr. Robert Primrose, instructor.

8 P. M.—Columbia Firehouse—First aid class—Eugene Wessels, instructor.

DECISION AWAITED

The outcome of a protest against the air raid signal relay system, made by the unincorporated Town area Defense Council, is being awaited by the Village of Larchmont.

The problem of how the Larchmont control center will meet conditions created by the present relay system is being studied by Trustee Harold V. Bozell and Village Engineer Arthur Richards.

No definite conclusion was expected, however, until the Westchester Defense Council responds to the protest.

The Town's Defense Council objected to air raid signals being relayed through the Village of Mamaroneck to the unincorporated areas, complaining that there was danger of serious loss of time in the possibility of the signal not getting through to the incorporated section's control center.

Four telephones have been installed for the inter-club relay system, which will be operated by the unincorporated area's organization, Mr. Richards said. For its various warning signals, from yellow to red, the defense committee will continue, at least temporarily, to depend on messages relayed from Mamaroneck, Mr. Richards said.

FILED OF LONDON FIRE

In the home defense course now running, including the one held in the Chateaufort Gardens Apartments, beginning Tuesday, Jan. 20, from 3:30 to 5:30 P. M. It will consist of six Tuesday lectures. Mrs. Robert L. Hallock will conduct the class.

On Wednesday morning, Jan. 21, from 10 to 11:30 A. M. the second nutrition course will begin, in the Larchmont Arceles Recreation Room. Mrs. William Jefferson will be the instructor.

Both these teachers are former home economics teachers who have recently taken refresher courses under the Westchester County Children's courses.

These courses are not in preparation for women in particular, but many are of particular value.

NEW NUTRITION COURSE

Mrs. Robert Seisher, course chairman of nutrition under the women's participation committee of the Defense Council, announced two new nutrition courses which will begin next week. One will be held in the Chateaufort Gardens Apartments, beginning Tuesday, Jan. 20, from 3:30 to 5:30 P. M. It will consist of six Tuesday lectures. Mrs. Robert L. Hallock will conduct the class.

On Wednesday morning, Jan. 21, from 10 to 11:30 A. M. the second nutrition course will begin, in the Larchmont Arceles Recreation Room. Mrs. William Jefferson will be the instructor.

Both these teachers are former home economics teachers who have recently taken refresher courses under the Westchester County Children's Association.

These courses are not in preparation for women in particular, but many are of particular value.

CHILD CARE COURSE

Anyone interested in taking the child care course is asked to get in touch with Mrs. E. B. Ingraham at the Defense Council office, Mamaroneck 3140, as there are more vacancies.

RADIO AMATEURS BANNED

On Dec. 8 the Federal Communications Commission ordered the immediate suspension of all amateur radio operation except those authorized by the commission through application of a duly subordinated official made to the Defense Communications Board.

On Jan. 9, the following night letter received by Mayor James T. Corrigan from the Federal Communications Commission, reading in part:

"I am writing you regarding authorization granted amateur stations accordance your request hereby cancelled. Advice individual amateur involved in case updating immediately.

The was found necessary because of events since Dec. 8, and based upon military security requirements.

TRAVEL SYSTEM SET UP

A transportation system for the medical posts here during time of emergency is being set up under direction of Dr. William L. LeFevre, chief of the medical service, assisted by Dr. W. H. LeFevre, head of the transportation unit, and Mrs. LeFevre.

These three officials are making arrangements so that in each of the nine sections of the village, as well as 20 private passenger cars, to be used for evacuation or transport of patients.

Each vehicle will have a regular driver and a volunteer who will be detailed to the car by the Defense Council. Interviews reserved volunteers who sign they would act as drivers.

600,000 New Cars To Be Rationed

WASHINGTON (AP)—Price Administrator Leon Henderson told the House small business committee today plans have been made for the rationing of between 600,000 and 700,000 new automobiles, and that new cars produced the last of this month would be held for at least one year to meet future needs.

Henderson refused to say whether government rationing of new cars would be a rationing of new cars and flatly denied the government has any intention of taking over private automobiles.

RAIL FIRE CAUSES 90-MINUTE TIUP

Commuters Delayed As Blaze Hurls All Traffic On New Haven Line

Hundreds of husbands were late to dinner last night when New York, New Haven and Hartford Railroad were held up for 90 minutes because of the explosion of a transformer near the North Avenue bridge in New Rochelle.

While waves paced station platforms in Mamaroneck and Larchmont or telephoned the railroad to find out what was holding up the commuters, the piousness grew hangrier by the minute in the eastbound trains.

At least ten homework bound trains piled up between New Rochelle and Pelham, awaiting the clear signal to proceed to their destinations. As many trains bound for New York City stood in line on the east side of New Rochelle.

Railroads officials said the explosion was caused by a six-foot transformer on an electric train with motor trouble in the North Avenue area. The train passed between 6:00 P. M. and was out at 6:58 P. M. but the train was not until 7:30 P. M.

Officials have not estimated the amount of damage.

DESTROYER COMMISSIONED

BOSTON, (AP)—Named for a naval hero of the War of 1812, the Destroyer USS Forrest was commissioned at the Boston Navy Yard yesterday.

GAZ MASKS DISTRIBUTED

RONOLLI, (AP)—The Army has begun distribution of gas masks to every resident in the Hawaiian Islands.

MANSONS TO SEE MOVIES

Motion pictures of two Asiatic expeditions will be presented at the next meeting of the Masons of Larchmont Friday night at the Larchmont Municipal Building. Refreshments will be served under the direction of Jack Gebert.

Nazi Unrest Rumors Branded Spurious

WASHINGTON (AP)—Secretary of the Navy Knox today said he believed reports of Nazi unrest in Germany were spurious and did not intend to spread the false idea of America's spread to take the edge off.

Almost every one of the stories about the recent outbreak of events since Dec. 8, and based upon military security requirements.

Nazi Unrest Rumors Branded Spurious

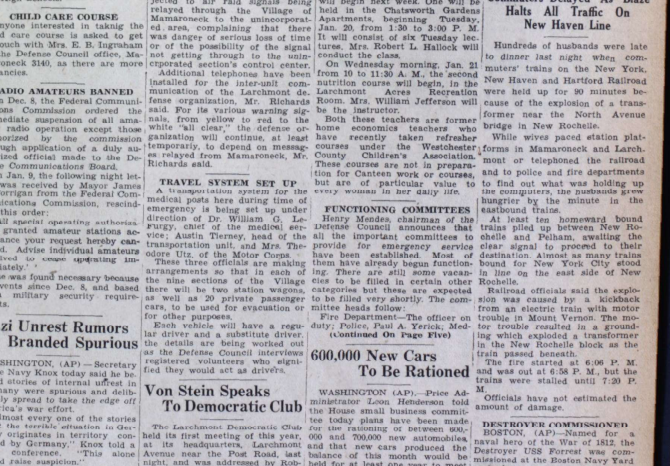

WASHINGTON (AP)—Secretary of the Navy Knox today said he believed reports of Nazi unrest in Germany were spurious and did not intend to spread the false idea of America's spread to take the edge off.

Almost every one of the stories about the recent outbreak of events since Dec. 8, and based upon military security requirements.

Von Stein Speaks To Democratic Club

The Larchmont Democratic Club held its first meeting of this year, at its headquarters, Larchmont Avenue near the Post Road, last night. Von Stein, head of the club, presided.

Mr. Von Stein, recently returned from Canada, told of the war effort of the government and people of Canada. Henry C. Cooper, president of the club, presided.

Gen. Wavell Arrives To Take Charge Of Campaign

ENTERTAINED by master of Larchmont Lodge No. 1039, F. & A. M., Perry B. Haley, right, receives the gavel from Earl A. Simon, left, retiring master, while Arnold P. Dana, installing officer, looks on. Installation by Richard A. Higginson, grand marshal, Hamilton Machine, installed the principal address of the evening. Mr. Haley's staff of officers for the coming year was also installed.

COOL THE TOWN

Skating Returns

Last night's drop in temperature and today's chilling winds put skating back on the sports calendar at Harbor Island water park. Skating returned today to the outdoor rink at Harbor Island, near the old garden lake, as well as at other spots here and throughout the county.

Freezing temperatures lifted the ban placed by the County Park Commission only yesterday on skating at park outdoor ponds. Skating areas reopened today included the Bronx River Park, the old garden lake at Harbor Island, and the new outdoor rink at Harbor Island, near the old garden lake, as well as at other spots here and throughout the county.

Realty Board Meets

The Larchmont Real Estate Board held its first meeting of 1942 yesterday at its office, 235 Larchmont Avenue, with B. W. McLaughlin, president, and other real estate officers in charge.

The staff includes Mrs. Mildred Sanford, vice-president; Eugene Riviere, treasurer; Mr. Helen L. Jones, secretary; Perry M. Ebbas, Corning, Van Buren and Paul Zetlin, directors.

Men's Club Elects

John M. Peterson was elected president of the Men's Club of St. John's Evangelical at St. John's Church, Larchmont, last evening during a meeting of the organization.

Birds Get Care

The members of Mamaroneck's Garden Club are taking care of Mamaroneck birds during the cold months by establishing a feeding station in the garden, back of the Free Library. This has already been put out and food and water is being supplied to the birds.

Enlists in Navy

Kenneth Van Allen, manager of the Reynolds Farm Apple Store, 2133 Mamaroneck Avenue, has resigned his position to enlist in the United States Navy.

VETERANS SOUGHT FOR DEFENSE AID

Those With Special Qualifications Asked To Volunteer Services

World War veterans with special qualifications are being sought by the Office of Civilian Control. It was announced today by M. A. Trammell, commander of Larchmont Post No. 347, American Legion.

1)—Graduates of the Staff School at Langres, France.
2)—Who have served as Staff Officers, (O 1, O 2, O 3) at Camp or Division Headquarters.
3)—As Operations Officers of brigades or regiments.
4)—As assistants to any of the foregoing, either as officers or non-commissioned officers.

In each instance the foregoing should be supplemented by information as to the name or designation of the particular headquarters, where the experience included battle experience.

The purpose of the foregoing is to have available names of those who are qualified and their residences throughout the State in order that they may be utilized as members of staffs shortly.

3 transports Sunk; Malaya Drive Halted

Navy Confirms Loss Of 2nd Ship Off Long Island

By ROGER D. GREENE, Associated Press War Editor

A spectacular American naval triumph was reported by the Navy today with the announcement that the U. S. Atlantic Fleet has sunk three enemy transports and two large Japanese cargo ships in Western Pacific waters, and further good news came in reports that the Japanese onslaught in Malaya has apparently been halted.

The Navy announcement—the biggest American success at sea in the five-week-old conflict—boosted the total number of Japanese warships and non-combatant vessels sunk to the 17, 9, Navy and Marine Forces.

Only yesterday, the Navy announced the sinking of a fast 17,000-ton Japanese liner of the Yamato class, which could be converted into an aircraft carrier.

The Navy acknowledged that the three U. S. submarines hoisting off the Atlantic coast "remain unaccounted for." It confirmed the torpedo-sinking of a foreign vessel, the *USS Johnston*, 20 miles off Long Island—the second victim in New York waters—50 hours.

Long Island, reported yesterday, the *USS Johnston* was sunk by a Japanese submarine. The *USS Johnston* was the first of the *USS Johnston* class of destroyers to be sunk in action.

The first attack occurred in the post-midnight darkness of Wednesday morning, when the *USS Johnston* was sunk by a Japanese submarine. The *USS Johnston* was the first of the *USS Johnston* class of destroyers to be sunk in action.

Official dispatches said Australian troops, whooping into battle with a song, were officially credited with the capture of a column of Japanese tanks and infantry in their first engagement with the Japanese invasion forces.

British headquarters said they hope that the Malayan retreat finally was ended.

The Japanese-controlled Saigon troops had advanced within 40 miles of Singapore. The claim, unconfirmed at all, however, may be a typical example of Axis propaganda.

Official dispatches said Australian reinforcements, using the invaders own jungle-fighting techniques, were giving the Japanese the hardest blow they've had in this war to date.

Major Sam Gordon Bennett, commander of the Australians, was quoted as saying: "There's no more coming to them. Every more they make from now on will be countered by Australians who can outmatch, outfight and outwit them."

British headquarters said the Australians, getting their baptism of fire at the Malay campaign, inflicted heavy casualties on the Japanese and destroyed 11 and 13 armored cars out of action.

The general situation remains unchanged. Singapore, communications announced, indicating the Japanese advance had been at least momentarily checked.

In the Philippine war theater, a general broadcast reported that the Japanese Fleet was in action off the Bataan Peninsula, where Gen. Douglas MacArthur's forces are making a heroic stand.

The enemy broadcast said a night landing was carried out with success. The broadcast also reported that the Japanese had landed on the Bataan Coast in the rear of the American forces. The main battle line, 20 miles long, was reported to have been broken.

War Department bulletin reported that Japanese shock troops (Continued On Page Three)

COMING THE TOWN

'Wishing Well' Stolen

The "meanest thief" to come to the notice of Mamaroneck Village police in months was being sought by detective today.

He stole a "wishing well" collection box for the infanty parishes fund—and from the St. Vito's Church in Mamaroneck. The Rev. Julius Staniewicz reported to police he put the box in the lobby of the church at about 7:30 P. M. Saturday and when he returned at 8 P. M. it was gone. The tin box was displayed each about three police said they did not believe it contained much money.

Victim Identified

The man found wandering in Orange Point today night was identified today as Robert Anderson 45, of South Blue Hill, Mount Vernon.

At first the man was unable to give his name, apparently having suffered a stroke. He was taken to United Hospital in Port Chester, where, after several attempts were made to give him his correct name and address.

Police notified a sister, Izee Ozuna, at the Mount Vernon address. Anderson was removed to the Mount Vernon Hospital for observation.

He's Marine Now

Charles Capino, son of Mr. and Mrs. Anthony Capino of Cedar Brook, Mamaroneck, is enlisting in the U. S. Marine Corps and departing this morning for Camp Pendleton, Calif., to begin his training. He has a brother, Frank, who is in the Army.

Capino attended Mamaroneck Senior High School.

Off To Trinidad

Patrick Lynn, 28-year-old son of Mrs. Margaret Lynn of 277 Broadway Avenue, Village, is on a boat bound for Port of Spain, Trinidad, Lynn, who only recently returned from a broken leg suffered in a motorcycle mishap, is employed by a company doing construction work for definite purposes. He will join a brother, James, who has been working in Trinidad for several months.

Publisher To Speak

Thomas H. Beck, magazine publisher and aviation enthusiast, will address the Larchmont Men's Club at St. John's Danish House at 414 P. M. today. He will discuss current events and the future, under the topic "Where Are We Now and Where Are We Headed?" George Y. Patton, president, will preside.

Defense Meeting

All residents of the Howell Park section are invited to attend a meeting at 8:15 P. M. today, in the Old Scout House on Hartman Drive, to discuss defense plans for the district No. 14 under the war plan post system of the Town of Mamaroneck.

Two Youths Face Burglary Charge

Warrants charging burglary were issued today by Chief Paul H. Wootley of the Westchester Fire Control Emergency Squad, who will talk on fire protection and equipment needed by householders to fight fire. The meeting, sponsored by the Howell Park Association, is open to all residents of the section, including men and women.

Incident Dramatized

An incident in which a private plane, flying without authority over this vicinity, was spotted from the observation tower in the Municipal Building here and was forced down by two Army pursuit planes will be dramatized over "We, the People" program, WABC at 8 P. M. tomorrow. It was held today.

Recto Collapses At Church Service

The Rev. William T. Capers Jr. was resting at his home today following his collapse yesterday morning while conducting the service in St. Bartholomew's Episcopal Church, White Plains.

The Rev. Mr. Capers had finished reading the service of prayer and was about to read a collection of money when he collapsed. A number of the congregation were before the congregation and members of the congregation helped him from the chancel.

Clocks Stop
Many commuters and other workers in Harrison and a part of Mamaroneck looked at their pocket watches again—at their electric clocks this morning and then glancing at other timepieces went dashing off to work.

The reason: electrical service failed for about an hour, from 4:25 to 5:25 A. M. today, due to trouble in an underground cable somewhere between Wagner, Orange and the Westchester Lighting Company's substation in Mamaroneck.

Lighting officials switched the area into another line and began a search for the trouble spot.

War Fund Raised
Fifty members of an automobile mechanics class conducted by J. Williams Meyers for the District Council of Mamaroneck, Larchmont and Harrison have sent a donation to the nation's war fund as an expression of appreciation to Mr. Meyers.

Spare Tire Stolen
A thief stole a spare wheel and tire from the automobile of W. E. Hill of Orange, N. Y., on Jan. 19. Hill, he reported to Village police this morning. Mr. Hill said he had just missed the tire, and last saw it Jan. 1. Since that time he has driven in New York City and elsewhere in Westchester, and could not guess when or where the tire was taken.

Pick Check Slate
A nominating committee to present a slate of officers at the annual meeting of the Mamaroneck Community Club, Inc., on Wednesday, has been appointed by Dr. Samuel Englehart, president.

Woolley Speaks
The residents of District 14 of the Town of Mamaroneck Defense Council convened in the Gilt House, Harmon Drive Monday night, to elect officers for the year.

Two In One Family
First Class Pvt. George A. Spuehler of Camp Hanning, Fla., has recently been elevated to the non-commissioned rank of corporal.

Another Corporal
Corp. Albert S. Tomlinson, 25 Oak Hill Avenue, Larchmont, N. Y., has been promoted from the rank of private, according to word received here from the Army Information Center in New York City.

Huxley Addresses Big County Audience
Dr. Julian Huxley, eminent British biologist and son of a great family of scientists and writers, held an address before 250 members and their guests last night at Temple Hotel, New Rochelle, N. Y. It is only a symptom of social transformation that will continue in the post-war period.

Chapman Eliminated
CORAL TABLES.—Dick Chapman of Greenwich, Conn., 1940 national amateur champion, was eliminated today from the Miami-Biltmore Men's Amateur Golf Tournament. He fell victim, one down, to Steve Riegel of Glendale, Calif.

Double Cross

MEMBER OF THE AUDIT BUREAU OF CIRCULATION MAMARONECK, N. Y., WEDNESDAY, JANUARY 21, 1942

\$4,000 COLLECTED IN MAMARONECK'S RED CROSS DRIVE

Campaign Raises Only Half Of War Fund Goal Set For Village
RETURNS NOT COMPLETE
Local Chapter To Welcome Benefits; House To House Drive Ends

Approximately \$4,000 has been collected for the emergency war fund of the American Red Cross in the Village of Mamaroneck, it was announced today by Henry T. Morrison, chairman of the war fund campaign. This amount is half the goal of \$8,000 set for the Village.

Returns are not complete, with reports yet to come from Shore Acres, a part of Orienta Point, the business district, Harbor Heights, the Hallett Manor section and a portion of the Third District. These returns are expected to swell the total considerably this week.

While the house-to-house solicitation has been completed, the Mamaroneck Branch of the Westchester Chapter of the Red Cross will welcome further activity by supporting organizations, such as benefit bridge parties and other public events to contribute towards the quota of \$8,000 set here, Mr. Morrison said.

Individuals may also contribute. If they have not reached during the campaign, by mailing checks to Mrs. William H. Cante, 610 Cortlandt Avenue, Village, or sooner, or by communicating with Mrs. Harry E. Foshay, chairman, or Mrs. Malcolm D. Brown, vice-chairman.

In addition to contributions by 23 organizations, as previously published in the Orange and Larchmont editions of the Double Cross, 23 organizations, as previously published in the Orange and Larchmont editions of the Double Cross, have received donations from other local sources not mentioned heretofore. Leo Strauss matched the gift from the Mamaroneck Branch of the Red Cross, with the result that \$125 went to the Red Cross.

Larry F. superintendent of the Village incinerator, saved newspaper at the incinerator, baled it and sold it for \$200, which he gave to the Red Cross. Each of the five companies in the Village Department contributed to the fund.

Children at the Hilltop-School on Highway Street, instead of exchanging gifts at a party, brought 25 cents each and made up a fund of \$6 which was given to the Red Cross. Proceeds from the Health-Cook Dance, sponsored by St. Thomas's Church, brought \$21.50 to the fund.

Other organizations not previously mentioned who have given to the fund include the Ladies Aid Society, the John Jay Club, the Women's Sodality of St. Vitus's Church, the Girl Scouts, the Young Women's Club, the Mamaroneck Chapter of the Westchester County Realty Board.

THE WEATHER
Temperature changes tonight approximately the same as during the last 24 hours. Moderate until high Friday at 55; low 45; tomorrow at 3:25 A. M. and 3:42 P. M.

AEF Vanguards Rush To Far-Flung Fronts, Roosevelt Announces

13 Raiders Downed By Singapore's Defenders
FIERCE FIGHT ON

By ROGER D. GREENE
Associated Press War Editor
Allied warships were reported shelling Japan's invasion armies swarming down the Malay Jungle coast 60 miles north of Singapore today, and the United Nations were further heartened by President Roosevelt's disclosure that "The Yanks Are Coming!" with A. E. F. vanguards already in action en route to far-flung battle zones.

Singapore's defenders shot down 13 Japanese raiders over the Singapore Island citadel today, and RAF bombers were officially reported to have launched "heavy and successful attacks" against Japanese-held airbases in Malaya during the night.

An official Tokyo broadcast claimed without confirmation elsewhere—that Japanese spearheads had thrust within six miles of Johore Strait, mile-wide water barrier to Singapore, and asserted that large Japanese forces were moving up for a direct assault on the island stronghold.

British headquarters, however, declared that the main battle sector was still many miles away, with heavy fighting raging in North-West Johore State, in the Bakri and Bukit Payong areas where "British artillery inflicted bloody losses on the invaders in close-range fire."

Dumet, off-Japan news agency, elaborated that British and Australian defense fighters battling along a 30-mile coastal strip, were being thrown back with heavy losses and that Singapore itself was being bombarded aerially.

The British admitted a rising casualty toll in Singapore, with 64 persons killed and 154 wounded in an attack yesterday by 90 Japanese bombers.

The Philippine War Department bulletin gained "some initial successes" by "interruptions and frontal attacks" near the center of the line before counter-attacking U. S. Army forces hurried them back and recaptured all lost ground.

"Enemy losses were very heavy," the communique said. "Our casualties were relatively moderate." Far north of the main battle sector, in Upper Luzon Island, the War Department said a guerrilla band of Gen. MacArthur's forces had a "partial success" in the center of the line before counter-attacking U. S. Army forces hurried them back and recaptured all lost ground.

SAND TO QUENCH BOMBS PLACED AT 10 LOCAL POINTS

Residents Invited To Make Use Of Piles 'For Defense Purposes Only'
BIG SUPPLY AVAILABLE
Property Foreclosed By Village Provides Pit Containing Ample Quantity

Free sand for Mamaroneck Village residents to be used in extinguishing fire bombs will be made available at 10 convenient points throughout the Village, it was announced today by Village Manager William H. Johnson.

Distribution of the sand was started today by workmen of the Department of Public Works. It is being taken at no cost to the Village, except labor, from a sand pit at Waverly Avenue and Fenimore Road owned by the Village.

The sand pit was found on property foreclosed some time ago by the Village, but not used by the former owner, the Billmyre Corporation, manufacturer of industrial vacuum systems. While the factory was sold, the Village retained the sand pit.

The pit is large enough not only to provide householders here with all the sand they need to combat incendiary bombs, but to fill a low portion on the east side of Harbor Island bathing beach. Some 25 yards have already been placed at the beach by employees of the DPW.

The sand piles, with signs notifying the public it is "For Defense Use Only," will be located at the following points:
Sec. 1. Near the entrance to Mamaroneck Junction on Mamaroneck Avenue.
Sec. 2. On Jefferson Avenue extension in Columbus Park.

Sec. 3. Corner of Fayette and Fenimore Roads.
Sec. 4. In rear of Columbia Fire House.
Sec. 5. In rear of Municipal Building on Elm Street.
Sec. 6. Corner of Rockland and Fenimore Avenues, opposite Gas Station.
Sec. 7. Junction of Rushmore and Fenimore, adjacent to Orienta Park.
Sec. 8. On South Barry Avenue, east of drawbridge.
Sec. 9. Corner Brook Street and Barry Avenue.
Sec. 10. Florence Street Park, adjacent to Tennis Courts.

In announcing the locations of the "sand banks" through the Village, Mr. Johnson said:
"In the Defense Bulletin recently issued by the Mamaroneck Defense Council it was recommended that sand be used for extinguishing fire bombs. It is intended that one resident will save themselves this opportunity to supply themselves with sand, and it is suggested that they do so at once."
It was remembered that a bomb can be confined to a limited area with sand, and a fire prevented from spreading by dumping sand on it.

The Village of Mamaroneck was given permission to purchase three tons and tubes for the Department of Public Works, full sets of tires and tubes for two police patrol cars, and two tires and tubes for a dump truck.
One passenger car used by the Harrison DPW will get a new tire and tube under the permits granted. The physicians who were allowed to purchase two tires and tubes for their cars were Dr. Emil A. Pascal of Harrison and Dr. Russell J. Hoffering of Purchase. Applications were granted to the Village of Mamaroneck, the Town of Harrison and to two physicians.

Songwriter Cools Author Of First War Tune Now Sweeping To Popularity

'Good Bye Mamma' Composed Hour After Japs Attacked Pearl Harbor
By BOB RICHMOND

It was on the morning of Dec. 7 that the Japanese delivered their famous low blow—an attack which war news of the raid reached this country in all walks of life. J. Fred Coats was not an exception.

J. Fred Coats, as most people know, is the composer of many popular songs. He resides at 85 Mountain Avenue, which is technically in the City of New Rochelle, although that neighborhood is generally regarded as part of the Woods of Larchmont.

But on the story, Mr. Coats was seated near the radio in his home when reports of the unexpected attack first poured over the ether waves. Angered, like every one else, when he heard the news, Songwriter Coats decided to do something and in less than an hour he composed a number that may prove to be a real morn'builder of everyones' spaced long blades; famous by George M. Cohan during World War I.

Coats used the keys of his piano. Mr. Coats would over several possible titles for his latest composition. First he toyed with "It's Time To Take A Poke At Tokyo," then it was "Let's Sing the Jap Off The Map." Neither of these titles pleased the composer and he boomed up with a third, "Goodbye Mamma, I'm Off to Yokohama." Still not satisfied, Mr. Coats paused during the keys of his piano. Mr. Coats would over several possible titles for his latest composition.

PHOTO SMILES light the faces of Lt. John D. Bulkeley's family in New York when they hear "Daddy" had raced inside Subic Bay on Luzon Island in a tiny "mosquito boat" and torpedoed a 3,000-ton Japanese vessel, braving a hail of machine-gun bullets and heavy shells. Above are the Lieutenant's wife holding their daughter Joan Isabel, and his mother, Mrs. Elizabeth Bulkeley. Above them is a drawing of an insignia on a torpedo boat which the Lieutenant formerly commanded.

Wife Of New Navy Hero Expected Her Husband 'To Do A Thing Like That'

TIRES RATIONED BY LOCAL BOARD
Further Allocations Made To Village, Harrison And Two Physicians

Further allocations of automobile tires and tubes have been made by the Rationing Board No. 1, covering the Towns of Mamaroneck, Harrison and Hyde, it was announced today.

Applications were granted to the Village of Mamaroneck, the Town of Harrison and to two physicians.
The Village of Mamaroneck was given permission to purchase three tons and tubes for the Department of Public Works, full sets of tires and tubes for two police patrol cars, and two tires and tubes for a dump truck.

DEFENSE BULLETIN BOARD

MAMARONECK VILLAGE
Defense Headquarters, Municipal Building, Mamaroneck 3:00 P. M. AIR RAID ALARM, series of four single blasts of fire whistle, repeated four times; all clear, series of two single blasts of fire whistle, repeated four times; local emergency, except air raid, 1-4 blasts.

LARCHMONT VILLAGE
Defense Headquarters, Waverly Street police station; Mamaroneck 675, or, Women's paragon, 2000; AIR RAID ALARM, four single blasts of fire whistle, repeated four times; all clear, series of two single blasts, repeated four times.

UNINCORPORATED TOWN SECTION
Defense Headquarters, Waverly Street police station; Mamaroneck 675, or, Women's paragon, 2000; AIR RAID ALARM, four single blasts of fire whistle, repeated four times; all clear, series of two single blasts, repeated four times.

TOWN'S MEETINGS
7:30 P. M.—Auto Mechanics—Mamaroneck—Senior High School, William Meyer, instructor.
8 P. M.—second Auxiliary Police group—Municipal Building—sixth lecture.
8 P. M.—Hook and Ladder Firehouse—First Aid Class—Robert Primrose, instructor.
8 P. M.—Columbia Firehouse—First Aid Class—Eugene Wasena, instructor.
8 P. M.—Mamaroneck Health Center—Home Nursing—Mrs. M. F. Cromwell, instructor.

MEETINGS TOMORROW
Auxiliary Fires—8:30 P. M., Village Hall.
CLASS HEARS TALK
A total of 125 men registered in an auxiliary firemen course which started last night at the Village Hall, heard a talk by Bernard R. Scully, special agent of the National Board of Fire Underwriters. Mr. Scully spoke on arson in general and the fighting of incendiary bombs in particular. Motion pictures were shown depicting the proper methods of handling incendiary bombs.
The village is divided into four sections of auxiliary posts. The particular duty of the auxiliary firemen is to take care of smaller fires in these posts. Each auxiliary unit will work from its own headquarters and with its own fire fighting equipment. At times they will work in close cooperation with the Larchmont Fire Department which will in turn assist them if fires get beyond control.

DECONTAMINATION SERVICE
Volunteers are now being enrolled for decontamination service. This service will be fully equipped to deal with the problem of containing the persistent types of poison gases, the removal of individuals from areas contaminated by these gases and the subsequent cleaning of such areas. This work is an important division of civil defense and requires able-bodied men who will be given special training as prescribed by the Chemical Warfare Service. Those interested who have not been definitely assigned to other duties, should phone E. P. Kite, LA-2956, or R. P. Reese, LA-2484, for further information.

TOMORROW'S MEETINGS
9:30 A. M.—Mamaroneck Health Center—Home Nursing—Mrs. M. F. Cromwell, instructor.
1:30 P. M.—Municipal Building—First Aid Course—First Police Auxiliary Class—George Elizabeth, instructor.
3 P. M.—Holy Trinity School—(Continued On Page Three)

SOCIAL SERVICE
A representative of the County Defense Council will be at the Defense Headquarters in this area on Jan. 23 for the purpose of informing residents of the county of new automobile regulations rationing the sale of new automobiles.

New Spike Added To Car Rationing
State Commissioner of Motor Vehicles Carroll E. Mealey today announced that he has directed the County Clerk, Harold Mercer, that no license plates will be issued to 1942 model vehicles which have had been on previous car registration.
Mr. Mercer said that the move was to put another "spike" in the regulations rationing the sale of new automobiles.

Sewage Treatment Plants May Close

Closing the county sewage treatment plants along the Long Island Sound side of Westchester during the winter is being considered, as a conservation measure, it was learned today.
County Executive Herbert C. Gerlach revealed that he and Public Works Commissioner C. C. Harding, while in Albany yesterday had discussed with state health officials the possibility of such a step. The sewage treatment plants, explained Mr. Gerlach, are now 12 years old and the life of such plants is generally set at 15 years. It is considered doubtful if the winter can be obtained during the war for their reconstruction. Further, repair parts are becoming increasingly difficult to obtain.

Rosenzweig Changes His Name To Ross
County Judge Frank H. Coyne today gave Joseph Rosenzweig of 40 Mamaroneck Road, Saratoga, permission legally to change his name to Joseph Ross.
Mr. Rosenzweig said that he is president and chairman of the board of the Elm Coal and Oil Company of Mount Vernon, that his name is difficult to pronounce and spell and that great confusion resulted.

COMBING THE TOWN

Trip Here Costly

Two New York City taxicab drivers, each enough for man in their business, appear in court today. Village Police Court this morning and paid fines of \$25 each for speeding 63 miles an hour on the Boston Post Road at 3:45 A. M. today.

One, William Anthony, 38, told Judge Patrick J. Ryan, who said from the city and he was arrested by Patrolman Jack Quinn, who said they maintained the 60-mile-an-hour limit speed from Delany Avenue to Old Boston Post Road.

They had made repairs and were proceeding back to the city when they were arrested. The other, Gerald Allen, 47, came out on the city to bring Milroy a spare tire.

Judge Hughes warned them and proceeded back to the city when they were arrested. The other, Gerald Allen, 47, came out on the city to bring Milroy a spare tire.

Named Air Cadet

Eugene Joseph Healey, Jr., 22, of 422 East Park Road, Mamaroneck, has been further advanced in training to become a naval aviator by his appointment as a cadet at the Naval Air Station at Jacksonville, Fla.

Training in the air arm of the navy at Jacksonville will last approximately seven months. Healey, upon successful completion of his course, will be commissioned an ensign in the Naval Reserve and will take over the flying line with other pilots privileged to wear the "Golden Wings" of the navy.

Healey is one of the many thousands of patriotic Americans who have volunteered to serve in the navy. He is the son of Dr. and Mrs. Eugene J. Healey of Mamaroneck, the newly-organized cadets were transferred to Jacksonville after taking his preliminary training at the Naval Reserve Air Base located at Floyd Bennett Field in Brooklyn.

Previous to enlisting with the rapidly expanding Naval force, Healey attended the Mamaroneck Military Academy, P. E. Bellows High School and St. Lawrence University.

Collins Re-elected

J. Ross Collins, president of the Larchmont, Florida, Yacht and Boat Association for 1941 and one-half year was re-elected at the annual meeting of the association.

Other officers re-elected were Orson A. Baynor, vice-president and treasurer; Agnes H. Baynor, secretary; and Burton C. Meligan, alternate.

Directors re-elected in addition to Mr. Baynor, included William M. Gillette, Ernest Klein, and Donald McDevitt. Gilbert H. Merrill and Lyons Waleman are also directors.

The association's annual statement shows total resources of \$97,718. It was founded in 1917, 1924 with resources of \$300.

Freund Renamed

Henry F. Freund was re-elected president and William P. Hockley chairman of the Bank of Westchester in the Tonawanda branch meeting.

Other re-elected were Thomas V. Kennedy, vice president and treasurer; George E. Mills, president and secretary; and Edward C. Griffin, John Howard, Frederick A. Freund and Harry T. Hackett, vice presidents.

Natural assistant secretaries and assistant treasurers were Elliott Hight, William Rathgeb, Claude K. Richter, Edmund Dime, A. Chas. J. Bial, William C. Lindsay, Daniel W. Eger, Margaret M. Murphy and Milton B. Blimie.

All will hold office for one year.

We're Sorry!

Due to one of those unpropitious mixups which persist in cropping up now and then in even the best of well-regulated newspapers, the Daily Times carried yesterday under its serial, "No Refuge From Love" an installment entirely unrelated to the story.

Those readers who phoned us last evening and to the many others who found confusion in the error, we express our regrets. Chapter 13 of the serial appears today taking up where the story closed on Tuesday.

Fire Damages Home

Fire damaged the living room of the home of Aurelio Lombardo at 117 New Street, Village, at 6:29 P. M. yesterday. Its origin is unknown to police.

Vicent Lombardo told police he was sitting in the living room reading when he noticed a light coming from the ceiling. Curtains of two windows were damaged and the furniture was slightly damaged by water. All companies responded with Fire Chief George Carpentier in charge.

Lions Club Hears Committee Reports

Committee reports were made at yesterday's meeting of the Larchmont Lions Club in the Bronx.

The Lions heard a report on scouting activities by Frank Loyola and then listened to Thomas E. Sutton's report on defense work. The meeting was presided over by President Herbert W. Neagle.

PAN AMERICAN PACT DELAYED BY ARGENTINA

11th Hour Objection to Axis Break Casts Shadow on Unanimity

FINAL WORD AWAITED

Proposal to Change Wording of Key Article Expected to Produce Fight

RIO DE JANEIRO, Brazil, (AP)—A number of Argentinean delegates raised an 11th hour objection today to the terms of important phrase in the draft agreement for unanimous American break of relations with the Axis—a point which cast a shadow over previously indicated unanimity.

The Argentine foreign minister and head of that country's delegation, Enciso, said he approved the idea of breaking relations "in principle" but added that the decision was awaiting final word from Buenos Aires.

A member of the delegation said his group would seek two modifications and "advise" other conferees are expected to agree to them.

But the other objection, a proposal to change the wording of Article 1, was expected to produce a fight.

Article 1 stands it would have the American republics declare that they "cannot continue their relations with Japan, Germany and Italy."

But the other objection, a proposal to change the wording of Article 1, was expected to produce a fight.

But the other objection, a proposal to change the wording of Article 1, was expected to produce a fight.

BRITISH JUNGLE WAR

11th Hour Objection to Axis Break Casts Shadow on Unanimity

RIO DE JANEIRO, Brazil, (AP)—A number of Argentinean delegates raised an 11th hour objection today to the terms of important phrase in the draft agreement for unanimous American break of relations with the Axis—a point which cast a shadow over previously indicated unanimity.

The Argentine foreign minister and head of that country's delegation, Enciso, said he approved the idea of breaking relations "in principle" but added that the decision was awaiting final word from Buenos Aires.

A member of the delegation said his group would seek two modifications and "advise" other conferees are expected to agree to them.

But the other objection, a proposal to change the wording of Article 1, was expected to produce a fight.

Article 1 stands it would have the American republics declare that they "cannot continue their relations with Japan, Germany and Italy."

COMBING THE TOWN

Going To Annapolis

William E. Thayer, Jr., of Mamaroneck, and John Wallace, of the town, have been nominated by Tom, Edgo, A. Giambo to compete in the Naval Academy entrance examinations at Annapolis, it was learned today.

Ellis Armstrong, Jr., of Port Chester, and James L. Axelson of Rye will also compete with Vice and Thayer for the appointment. Rep. Giambo nominated four other Westchester boys for another appointment to Annapolis, and four for an appointment to the Military Academy at West Point. Thayer and Vele were among ten applicants who took tests in October. They will take qualifying physical and mental examinations in April, and will receive the high grades in the mental examinations will compete on the entrance examination.

Vele is the son of Mr. and Mrs. Walter Vele of 416 Rockwood Avenue, Town. Thayer, a graduate of Bellows High School, is the son of Mr. and Mrs. William K. Thayer of 113 Carroll Road, and is now attending Cochrane-Bryan preparatory school at Annapolis. He received a commendation for his part in Long Island Sound sailing having won a championship in the Shamrock class at the Larchmont Race Week in 1933.

Home On Furlough

Pvt. George P. Forbes, Jr., is at his home, 40 Mohagan Road, Town, on a 14-day furlough from the Port Bragg, N. C. Pvt. Forbes, an attorney, is a member of the 33rd Field Artillery Observation Battalion in the radio unit. He volunteered for service last April 10, and before that was connected with the late firm of Clark, Gagliardi and Cunningham, White Plains.

Wins Patent

Frederick Hymans of 30 Stuyvesant Avenue, Larchmont, was awarded a patent on a new safety device for use in elevators in at least nine particulars, according to a despatch from Washington received here today.

Mr. Hymans registered his claims Oct. 8, 1940, with the Patent Office in Washington. The inventor as signed rights to the use of the invention to the Otis Elevator Company of New York City.

Sure Of Goal

That the Mamaroneck will reach its "March of Dimes" quota of \$1,500 was the optimistic prediction made today by E. J. Lafferty, local chairman.

Plans for raising the quota of this country in war, Chairman Lafferty said, "whatever the reason, the spirit of cooperation is certainly here."

The individual workers, the businessmen of the community and the various organizations have bent their backs with a will, and have accounted for the enthusiastic response to date. If this support continues our goal of \$1,500 for the National Foundation for Infantile Paralysis will be reached and surpassed.

The number of local business houses contributing one cent to the "March of Dimes" for each purchase made in their establishments now stands at 5,000. The She She Store is the latest to contribute to the fund, 5 percent of its total receipts from Jan. 15 until the end of the first week in February.

Club Sees Skaters

Nineteen members of the Larchmont Rotary Club skated to Pleasant for the club's meeting yesterday, and after lunch witnessed an exhibition of ice skating by a group of professional figure skaters.

At the meeting next Friday at the Larchmont Snow Club, the Rotarians will hear a talk by Philip Turpin of Larchmont, golf professional.

Two Drown As Car Plunges Into River

NEW YORK (AP)—Two men were trapped and drowned in an automobile which plunged into the North River at 80th Street at 2 A. M. today. The driver was rescued.

Police recovered the bodies and tentatively identified one of the victims as Charles Bohm, 38, of New Haven, Conn. The other man was described as about 40.

New War Blogs

NEW LONDON, Conn. (AP)—In need of a slogan to spur competition in a New College basketball contest, the girls at Connecticut College came up with this one: "Remember pearl bathers."

NEW YORK PRIEST NAMED AS PASTOR OF HOLY TRINITY

Rev. Thomas B. Kelly To Take Charge Of Mamaroneck Parish On Feb. 1

RETURNING TO COUNTY

Served Eight Years At St. Gabriel's Church In New Rochelle

Archbishop Francis J. Spellman has appointed the Rev. Thomas B. Kelly, for many years pastor of the Church of St. Thomas the Apostle, West 124th Street and St. Nicholas Avenue, New York City, as pastor of Holy Trinity Church, Mamaroneck.

Father Kelly succeeds the late Rev. Francis J. Heany and in his new post will be associated with the Rev. Bartholomew Singleton, assistant pastor. He will speak to members of the parish for the first time at all the masses on Sunday, Feb. 1.

Born on April 27, 1865, Father Kelly was ordained June 8, 1890, his first assignment was to the Church of St. James, Milton, N. Y. He was transferred to St. Michael's, New York City, in 1897, where he was transferred to St. Mary's, New Rochelle, in 1904. He was then transferred to the Church of the Annunciation, New York City. Father Kelly was named pastor of the Church of St. Francis of Assisi at Mount Kisco in August, 1911, and served there until July 1, 1924, when he assumed the pastorate of the Church of St. Thomas the Apostle in New York.

On April 26, 1898, he went to St. Gabriel's Church, New Rochelle, and remained there until June 22, 1906. He was then transferred to the Church of the Annunciation, New York City. Father Kelly was named pastor of the Church of St. Francis of Assisi at Mount Kisco in August, 1911, and served there until July 1, 1924, when he assumed the pastorate of the Church of St. Thomas the Apostle in New York.

REDS ENCIRCLING HITLER'S SMOLENSK HEADQUARTERS; LIBYAN TANK RAVAGES

Soviet Troops Advance Within 120 Miles Of Latvian Frontier

By The Associated Press
Moscow's head-line writers were reported today to have "almost enclosed" Adolf Hitler's field headquarters at Smolensk, 200 miles west of Moscow, bottled up German-held Rostov and advanced within 120 miles of the Latvian frontier in a 48-hour sweep through the Valdai Hills.

Whether Hitler still remained at Smolensk was unknown. The Red Army, 125 miles southwest of Moscow, was a main German defense line. The Soviet army was reported to have a "very large" battlefield force along the Gulf of Riga, south of Asiatic-occupied Agredina.

A bulletin from British headquarters said Gen. Neil Ritchie's main British forces had engaged the counter-attacking German army on a "very large" battlefield but that the result of the fighting was not yet known.

Dispatches said Gen. Edwin Rommel had approximately three times more than half of his remaining tanks, with miles to the east, and to Annapolis, 30 miles southeast of Agredina.

Soviet front-line dispatches reported that the Red Army thrust in the Valdai Hills, gravely injured the German armor south of Leningrad.

The Russian onslaught, in little more than a month, carried them beyond the headquarters of the Div. in River toward the Latvian frontier, recaptured 2,000 tanks, and cost the Germans 17,000 in dead, wounded, and captured.

Dispatches to Leningrad, Soviet Government newspapers said, Soviet troops were reported to have captured an excess profit in general.

SUPER WAR LEVY LOANS

WASHINGTON (AP)—Congressmen are considering a special tax on industry to drain off most war production profits. Rep. George D. G. chairman of the Senate Finance Committee, today introduced a "super levy" on war profits, over and above any taxes that now are imposed or might be voted on excess profits in general.

5 REPUBLICS PLAN BREAK WITH AXIS

Uruguay, Brazil, Bolivia, Peru And Paraguay Expected To Sever Relations

RIO DE JANEIRO, (AP)—Five South American nations were expected today to sever diplomatic relations with Japan, Germany and Italy on the basis of a compromise anti-Axis resolution approved by the United Nations conference of the third conference of Pan-American foreign ministers.

Noting only the formal approval of the full conference, the resolution represents a major triumph for Axis opponents, which marked a previous resolution requiring a rupture of relations with the Axis. As the delegation chiefs, one by one, signed the resolution, foreign ministers stood by upon receiving their country's word. Asia probably today, and authorized today, the conference said Brazil, Bolivia, Paraguay and Peru would follow suit within a few days.

LARCHMONT DEFENSE

(Continued From Page One) quarters Larchmont 2-622 of mail and speaking time preferred for an interview. Each applicant will cover about 30 minutes and prompt response in requesting appointments will be appreciated.

SOCIAL SERVICE COURSE Mrs. Freddie Barnett, of the Defense Council, reminds those who are interested in being enrolled in the social service course which is being formed, that the interview will be at the Village Hall Wednesday from 9:30 to 12 and from 1 until 4. If you have not phoned for your appointment do so promptly.

COLUMBIA OFFERS COURSES Several Columbia University civilian defense courses are now open to residents of this community. It was stated in a letter Mayor Harry Goelicks received from N. M. Mc Knight, director of the university civilian defense programs. An invitation was extended to the Defense Council to select and send representatives to that they could bring back material given in the classes. Arthur Richards, at the Defense Council headquarters, solicits the names of anyone desiring to attend any of the courses.

OBITUARY

WILLIAM C. NICHOLS William C. Nichols, a life-long resident of Mamaroneck, died suddenly Sunday morning at his late residence, 550 Lincoln Street, Hillside, was seventy.

Mr. Nichols was born June 14, 1872 at the location of the present Parish House of St. Thomas's Church. For a long period he was associated with his father, a Civil War veteran, in the management of a fish market on Mamaroneck Avenue. He was one of the first police officers in this Village and later served as a town constable for 12 years. Because of his service in this post he was called "SHRIMP" by many old friends.

Mr. Nichols was affiliated with the Royal Arcanum, Alet Lodge I. O. O. F. and was the oldest active member of the Hook and Ladder Company No. 1 at the time of his death. He was also a member of the Firemen's Benevolent Association.

Survivors include his widow, the former Florence Balcan; a son, George W. Nichols and a sister, Mrs. Florence Drexel, all residents of Mamaroneck.

Services will be conducted tonight at 7:30 o'clock in Mr. Nichols' late residence by members of Alet Lodge and at 8 o'clock by the Hook and Ladder Company. Rev. Frank Dean Gifford will officiate at final services, also at the home, at 3 o'clock tomorrow afternoon.

MRS. ARTHUR S. VINCENT CLINTON, N. Y.—Mrs. Arthur S. Vincent of New Rochelle, N. Y., died here yesterday at the home of her sister, Miss Susie Zibbetta. Mrs. Vincent was 84 years of age. She is also survived by a daughter, Mrs. L. L. Van Schoonhoven, 3 Woody Lane, Yonkers.

Mrs. Vincent was a native of New Hartford, N. Y., and attended Cottage Seminary, Clinton. In 1893 she married Arthur S. Vincent of Brooklyn. She was a member of the Daughters of the American Revolution. Arrangements for services had not been completed today.

JAPAN LOSES 30 SHIPS IN BATTLE

(Continued From Page One) The American and Dutch forces previously had exacted a tremendous toll of the enemy in the narrow straits where a huge Japanese expeditionary force apparently was ambushed and trapped between the Dutch Islands of Moroe and Celebes.

Engaged with the Battle of Makassar Strait was fighting to the East between Japanese invasion forces and Australians defending the outposts of their territory in New Britain and New Ireland. The Japanese also have landed in the Solomon Islands and landings are threatened in New Guinea.

Australian militiamen were holding a back-guard line in the hills south of Rabaul, at the northern end of New Britain, where 10,000 Japanese troops are believed to have landed. In two other important sectors of the battle of the Western Pacific, the Philippines and British-Malaya, developments were mixed.

Washington reported that Gen. Douglas MacArthur's Filipino-American forces, having smashed the Japanese on the left, were in retreat. Pan Peninsula, now were controlled only by minor skirmishing action of the enemy. The British communiqué from Singapore said that Kota Bharu, western anchor of the defense line, 60 miles from the Singapore base, had been abandoned, with British imperial

At the bottom, there is a logo for "GENUING'S" and the address "MOUNT VERNON • YONKERS • WHITE PLAINS • TARRYTOWN • DANBURY • MERIDEN • NORWALK • NEW LONDON".

COMING THE TOWN

GOP Calls Session

A meeting of the Mamaroneck Village Republican Committee will be held at 8 P. M. tomorrow at 100 West Boston Road to discuss the Village election on March 14, it was announced today by Charles J. Gronberg, acting secretary.

There are 18 members of the committee, and the meeting tomorrow will welcome three new additions, Edward H. O'Mara in the Seventh, Mrs. Jennie Rogers, in the Fourth and Mrs. M. Schreiber, in the Fourth District in chairman.

The Village this year holds the trustees. Terms now held by Trustee Edward S. McLean, R. J. Sanora and James Jackson expire this Spring.

Draft Registration

Selective Service Local Board No. 143, through its chairman, William H. Thompson, announced today that the registration of Larchmont residents will be held at the Warrenton street fire house and the Chatsworth Avenue school Saturday, Sunday and Monday, Feb. 15, 16 and 17.

Every male resident over 18 who is not specifically exempted by the Selective Training and Service Act, including non-citizens, is required to register on one of the above dates. It has been announced that the registration of those born on or before Dec. 31, 1941 and has not had the 16th anniversary of his birth on or before Feb. 16, 1942 and has not heretofore been registered under the Selective Training and Service Act of 1940.

The above mentioned registration places will be open for the purpose of such registration from 9 A. M. to 3 P. M. on the three days mentioned.

Mercury To Drop

The second warning of the weather bureau predicted the fall would be moderately heavy. Colder temperatures dropping into the 20s by midweek. There is a forecast to add to discomfort. Small wet flakes starting in the morning turned to larger flakes before noon, but that time it was snowing harder, and the sky was dark with prospects of a long-continuing fall.

As the storm continued, the weather bureau said, winds increased. From the near-blast might come a couple of inches of snow and cold, and the day would make it last tomorrow, it was predicted.

Honor Roll Compiled

An honor roll of graduates of the former students of the R. E. Bellows High School is being compiled and will be posted at the school. It was announced today by Dr. Samuel Eagle Burr, principal. There are 52 names already on the roll and many of friends were asked to examine it and correct omissions.

The honor roll will be published for the first time in the "Student Observer," publication of the high school, next Thursday.

Chest To Meet

The annual meeting of the Mamaroneck Community Chest, Inc., election of officers will be held at 8 P. M. today in St. Thomas's Community Church, it was announced by Dr. Samuel Eagle Burr, president. All who contributed to the Chest are invited to attend.

A nominating committee will announce a slate of officers for the campaign next Fall, and officers will make reports.

Scout Dinner Set

One of the outstanding events of Boy Scout Week, Feb. 8 to 14, will be the fathers, mothers and scout dinner to be held Feb. 11 at the Mamaroneck Junior High School, sponsored by Mamaroneck Scouts.

This year a cordial invitation is extended to the mothers as well as the fathers of all Mamaroneck Scouts.

A Court of Honor will be held in conjunction with the dinner and awards for advancement will be given.

Tickets are in the hands of the scoutmasters. Tickets or information regarding the dinner may also be obtained from Commissioner William Cherry.

Peru-Ecuador Rift Still Unsettled

RIO DE JANEIRO (AP)—The 20-year-old boundary dispute between Peru and Ecuador, which was believed last night to have been settled, stumbled on 11th-hour obstacles once again today, threatening hopes for a harmonious adjournment of the 15-day war conference of American foreign ministers.

Announcement of a settlement, made yesterday by Brazilian Foreign Minister Oswaldo Aranha, and Ecuadorian break with Chile had been foreseen for a festive windup today.

Delegates of the mediator nations still tried to keep the agreement, achieved in complete parity with the disputing nations, from falling apart.

Keats In Sister's Death

HANDED CITY (AP)—George W. Keats, 28, was arrested today on a warrant issued by a County Grand Jury investigating the multiple slaying last week of his 16-year-old sister, Lela Adie Weisk.

LARCHMONT GOP PICKS GOECKLER FOR THIRD TERM

Tatum Designated For Police Justice; Cahill To Oppose Him In Caucus

CULLEN TO QUIT BOARD

Loncks Issues Statement, Relinquishing Aspiration To Mayor's Post

Designations by the Larchmont Village Republican Committee for the Village election on March 17 were voted at the organization meeting of the committee last night at the home of Mrs. John T. DuMont, a Nassau Road secretary. They were:

Harry E. Goeckler for mayor; Arthur H. Loncks and Vincent Cullen, for trustee; Edward H. Tatum, for police justice; and John J. Cullen, for trustee.

At the same time, it was learned that Mr. Cullen, a Democrat who had twice received nomination from the Republican Party, would not accept a third term because of the pressure of business. Another candidate, therefore, will have to be found.

Judge John H. Cahill incumbent Democrat on the Board, in that position of the committee today, said he intended to enter the Strabick caucus in opposition to Mr. Tatum.

Trustee Loncks, generally considered as in line for elevation to mayor, was not successful in that regard, who has served two terms in that office. He is expected to resign relinquishing any aspiration to the post.

Trustee Loncks, generally considered as in line for elevation to mayor, was not successful in that regard, who has served two terms in that office. He is expected to resign relinquishing any aspiration to the post.

U-Boat Sighted By Navy In Gulf Of Mexico

ANOTHER NEARBY

BULLETIN

CORPUS CHRISTI, Texas, (AP)—Capt. Alva Bernhard, commander of the Naval Air Station here, said today that a submarine, "doubtless German," had been sighted about 15 miles from Port Aransas (Port Aransas) today, a submarine, said there was a probability of another sighting nearby.

SAN JUAN, PUERTO RICO (AP)—The torpedoing of an allied steamer was reported today by a ship captain who announced on his arrival here that he had rescued 71 of the crew and passengers but indicated that more than 350 persons were missing.

The rescue ship officers, Capt. Holgreen of the New York to Puerto Rico Steamer Co., said he picked up the survivors last Friday night, five days after the steamer had been struck twice by torpedoes and sunk.

The position of the U-boat was not given.

The allied steamer was reported to have had about 450 persons aboard, a crew of 100 and some 350 passengers.

Capt. Holgreen said all the survivors were taken aboard a submarine intended to accommodate 63 persons. In all, 78 had crowded into the boat but five died during their five days afloat.

The steamer was said to have been attacked without warning, the first torpedo striking No. 2 hatch on the port side just forward of the bridge. The second wrecked the engine room, putting out all lights.

The steamer was said to have gone down so quickly there was no time to send out a SOS.

The fate of the other survivors was not known here. Those Capt. Holgreen said today were taken aboard a submarine off the coast of Puerto Aransas, Texas, at 9 A. M.

"It was not determined whether it was an enemy submarine but it is presumed it is," said the reporter. He said the submarine commander R. R. Ferguson, Navy port director for Port Aransas, Texas, was aboard.

The exact site was latitude 27 degrees and 46 minutes north and longitude 96 degrees and 48 minutes west.

The vessel was under command of Commander Ferguson reported there were no other details.

(Port Aransas is a small village on Mustang Island approximately 25 miles east of Corpus Christi, Texas, site of the Navy's newest and largest air training station.

It is a famous sport fishing spot, an outlet to the Gulf of Mexico, Texas Bay maritime traffic from the oil-producing Texas Gulf Coast. It is one of six principal entries from the gulf to bays along the Texas coast.

Port Aransas is approximately 300 miles southeast of Port Arthur.)

"CORBY" KELLY, 30-month-old son of Capt. Colin P. Kelly, Jr., who died in a hero's death bombing a Japanese battleship, met the U. S. Army at Camp Blanning, Fla. Top: Corby rides in a scout car with Capt. H. H. McKinnon. Pyle, Frank Towers (driving) and his aunt, Miss Emma May Kelly. Bottom: Corby smiles at Lt. Col. Harry Collins, quartermaster. BUTTON DAY SET TO AID CAMPAIGN

Mayor Corrigan Proclaims Saturday For Special Paralysis Drive Effort

Mayor James T. Corrigan today set aside next Saturday as "March of Dimes" Button Day and urged residents of this community to join in pushing the local drive for \$1,500 for the National Foundation for Infantile Paralysis past its final goal.

In his proclamation, Mayor Corrigan exhorted the national campaign as a "great humanitarian work" and asked the community to contribute generously.

Mr. J. J. Dierks, local "March of Dimes" chairman, announced simultaneously that a large group of citizens and girls will be assigned to the main business areas of the village Saturday to sell buttons.

"At the outset of the drive," Chairman Dierks stated, "our goal of \$1,500 appeared far from the possibility of attainment. However, we were able to foresee at that time the tremendous response that followed. If success attaches to our Button Day efforts and the subsequent closing week's drive, we will be able to turn over to our Westchester County Chapter our full quota and a generous amount in excess."

The mayor's proclamation follows: "Wherefore, the National Foundation for Infantile Paralysis, Inc., (Continued On Page Five)

BURCHELL WINS LEGAL OFFICE

Joint Water Works Board Names Him Attorney To Succeed Brewer

George Burchell, resident of the unincorporated Town area, has been appointed attorney for the Water Board, which was reported today by the Westchester County Board of Water Works. He is succeeding Munn Brewer, who was reported today by the Board.

The appointment takes effect on Feb. 1, as a member of the Town of Mamaroneck Board. He was elected councilman in November for a four-year term, at \$1,200 per year.

An annual salary of \$1,500 is paid the attorney for the Water Board, plus any fees for trials during the year of office, although ordinarily there are few if any trials in a year's time.

The appointment was made unanimously by the Board, which is composed of Mayor James T. Corrigan of Mamaroneck Village, president; Supervisor James C. McCollough of the Town of Mamaroneck, and Supervisor Benjamin I. Taylor of the Town of Harrison.

Mr. Burchell is past president of the Young Men's Republican Club of Westchester at its annual convention this Saturday.

He practices law in White Plains, with the firm of Clark and Woodworth. It is counsel to a mining machine parts corporation and a director in a Washington Heights and land Association. He attended Amherst and New York University.

Mr. Burchell resides with his parents, Dr. and Mrs. Edgar B. Burchell at 125 Valley Stream Road.

NEW RELAY SET UP FOR RAID SIGNALS

Second Troop Ship Set As Battle Ropes In Macassar Strait

Larchmont And Town To Get Air Raid Warnings Through Mount Vernon

Air raid warning signals will be transmitted to the Village of Larchmont and the Incorporated Town of Mamaroneck through Mount Vernon instead of through the Village of Mamaroneck, as heretofore, it was learned today.

Details of the new system and its possible improvement over the one which answers the objections of the Defense Council of the Incorporated Town Section, could not be ascertained by inquiry made today at the Westchester County Defense Council headquarters in White Plains. McIntyre Corp., executive secretary, advised that the new plan had been evolved, but declined to comment pending its perfection.

Mount Vernon's control center, it was understood, also relay warnings to the Pelham.

Henry E. Mandel, chairman of the Town Defense Council, had asked for a direct connection of his Council's control center with the District Warning Center at White Plains. Larchmont, too, joined informally in the protest against the relay of air raid signals through the Village of Mamaroneck.

The new system of relay is scheduled to go into effect today, pending the change over warning signals.

An N. Y. J. communicate acknowledged that the Japanese had apparently occupied the barracks and oil cistern of Bulk Papan, East Borneo, near Macassar, S. B. I. It was apparent, however, that the barracks had been burned into a ready trap set by the Dutch more than a week ago when they announced that Bulk Papan's great oil cistern had been destroyed and implied that land defenses had been withdrawn.

In accepting the "invitation" of the Japanese armada, twenty allied planes were said to have been in connection with a burglary at the Villa Restaurant on Westchester Airport at Rye Lake.

UNINCORPORATED TOWN SECTION

Defense Headquarters, Westchester County Police Station; Mamaroneck 675 or Women's participation committee, White Plains 2-0225. AIR RAID ALARM, series of short blasts for about three minutes; all clear, series of evenly spaced long blasts; local emergency, except air raid, 1-1-4 blasts.

MEETINGS TONIGHT

Home Defense Chatsworth Avenue School Auditorium, 515 P. M.

MEETINGS TOMORROW

Red Cross Home Nursing, 9-30 P. M. at Columbia Fire House, Mrs. James Haralambi, instructor.

FINAL DEFENSE LECTURE

The last series of lectures on Home Defense takes tonight at 8:15 in the auditorium of the Chatsworth Avenue School. Eugene Ryan is chairman of the meeting and Arthur Richards, Village Engineer, will speak on the proper preparation for home defense as well as explain the operation of civilian defense. A motion picture entitled "Women in Uniform" will be shown at three meetings: tonight at 8 P. M. and 10 P. M. (Continued On Page Five)

SAVED FROM FANKER

NORFOLK, Va. (AP)—Twelve survivors and the body of a least one crew member of the torpedoed tanker Francis E. Powell here today were brought to Norfolk this district.

The POWELL, a 1,700-ton vessel, was reported to have been hit by a U-boat on the night of Jan. 27. The vessel was carrying a cargo of oil and was bound for the Gulf of Mexico.

Although loss of the 7,000-ton Powell brought to light the number of ships sent to the bottom by the Axis submarines off the Eastern Seaboard, the lengthening list of ships reported to have been hit by U-boats in the Gulf of Mexico has been reported that nothing had been heard from the Pan (Continued On Page Three)

THE WEATHER

Moderately heavy snow continuing tonight with increasing winds and temperatures falling to below freezing by midnight. High tides today at 9:07 P. M.; tomorrow at 9:25 A. M. and 9:32 P. M.
