

REBUILDING THE TOWN

Got Any Of These?

Jerome A. Barry, chief observer at the air raid observation post in Mamaroneck, today issued an appeal for the donation of three heavy-duty batteries, six Army-style batteries and a horn of the type formerly used on the old Vinton equipment for talking picture.

The equipment is to be used to set up a listening device for the observation post. The Federal Government is at present unable to provide listening device and Mamaroneck post wishes to be the first to have one in the war-time system, even though it should be a temporary apparatus.

The device will be put together by Joseph Paul of 29 Purdy Street, Harrison, who works in a telephone radio store, and who had volunteered his services. Plans may reach Mr. Barry at the Mamaroneck Village Municipal Building.

Tax Aid Offered

A deputy collector of Internal Revenue for the Larchmont office has given to residents on income tax returns, it was announced today by George E. Lynch, deputy collector and secretary of the Bank of Westchester, Larchmont office, 121 Chastworth Avenue.

The deputy collector will be in the Village hall today, on the 11th day of the month, from 10 A. M. to 2 P. M., and persons with questions which they wish answered may seek him out during those hours at the bank.

Marine Wins Honors

William Henry Carr, son of Mrs. Louise Carr of the Prospect Avenue Apartments, who joined the Marine Corps about two months ago, has won two medals on the rifle range, according to word reaching here today.

Carr, a graduate of P. E. Bellows High School, took one medal as a sharpshooter and one as a marksman expert in competition at his home at Fort Belknap, Md. As a further reward, he was given a choice of entering the several divisions of the Marine Corps, and chose the one he served.

Committee Called

Chairman Merrill Hodson of the Mamaroneck District Board of Education announced today that there will be a meeting of the executive committee of the district at 9 P. M. Thursday at the Bellows High School.

This committee is composed of the officers of the district, the chairman of all district operating committees and one representative from each troop committee in the district.

Plant Unionized

The Westchester Section of the International Laborers' and Craft Workers Union, with officers in Mount Vernon and Yonkers, yesterday reported unanimous approval of Mamaroneck Dress Company of Mamaroneck, 75 workers.

The union said the firm has accepted the general collective agreement now in force for the New York metropolitan area.

Meanwhile the union's publication, "The Worker," reported that in its drive to sell Defense Bonds and Stamps, the union is being aided by which members are converting part of their salary into bonds and stamps, was launched at a meeting at Mount Vernon City Hall last month.

Scouts Plan Week

The Larchmont District Committee of Boy Scouts of America today completed arrangements for observance of National Boy Scout Week which starts Friday.

The Father-Son dinner at the Mamaroneck Junior High School Tuesday night highlights the week of better activity.

A text mobilization of scouts in the Larchmont area will be held Feb. 11 under the direction of District Commissioner Donald K. Wright. One of the features of the mobilization will be the gathering of waste paper, funds from which will be turned over to the Red Cross in a special ceremony Wednesday.

The time and place of the mobilization will not be disclosed until next week.

New Rochelle Bans Peddlers, Handbills

Solicitation of business on private property without consent of the owner by peddlers who have not received or conducted business in the city for six months is prohibited in an ordinance adopted unanimously by the New Rochelle City Council.

The ordinance, which will become effective in 30 days, is particularly at the entrance of "outlets" and "trading" areas private property for the purpose of vending, peddling or soliciting orders for any merchandise, device, book, printed or printed matter whatsoever.

It also specifies solicitation of sums and charity, distribution of mandarin pamphlets, tracts and advertising matter, and the like.

Violation of the ordinance may bring a fine of \$50 or a jail sentence up to six months.

The ordinance was introduced by Councilman J. Lester Albertson, introduced after the Southampton Ordinance which two months ago was upheld in a decision of the Court of Appeals.

OPPOSITION TO the proposed increase in commutation rates on the New York, New Haven and Hartford Railroad was expressed at a meeting of these municipal officials, in New Rochelle last night, above shown as they were being addressed by Mayor Stanley W. Church, right, of New Rochelle. First three men in the front row are Mayor Harry E. Goetz, of Larchmont, Mayor Dominic Amato of North Palham and Mayor William H. Hossey of Mount Vernon. Corporation Counsel Anthony Sannone of the Village of Mamaroneck is second from left, rear row. Staff Photo.

FORESTS PLAYING VITAL WAR ROLE

So Prof. Carlson Informs Mamaroneck Lions At Luncheon Meeting

Forests of America, now playing a vital role in the nation's war effort, will furnish the means for rebuilding the world after the war, members of the Mamaroneck Lions Club were told at the luncheon held at the University of the State of New York at Binghamton, N. Y., last night.

In a talk entitled "Forestry for Freedom," Prof. Carlson told of how paper pulp contributes to essential freedom, the freedom of the press, and of how some 5,000 essential trees of wood are important to the other freedoms of democracy.

Prof. Carlson told how he could not believe the estimate that 1,000 board feet of lumber is required for each man in the Army until he went to Camp Pine, N. Y., and observed the many uses of wood in building barracks, recreation houses, mess halls, and even garages.

He also pointed out that the world is conducted on wood. In correspondence, in packing commodities, in providing chemicals for industrial purposes, and in many other fields were outlined by the speaker, who said that 25 percent of this nation's pulp tonnage came from the Scandinavian countries, a supply now shut off.

To make up for this loss, the raising of wastepaper has started, particularly in New York State, where the proximity of paper mills to industrial plants and weaving waste makes the salvaging worthwhile, Prof. Carlson said. At present, he continued, we are salvaging only 20 per cent, and the immediate goal is to salvage 60 per cent of used paper.

Efforts of the State to reforest rural sections where the chopping of trees is causing waste of farmland were described by Prof. Carlson, who said that the leaving of small "tree machines" in which air and water are being pumped, and the use of these machines to provide material for civilization, is one of the most important functions of this generation.

The speaker was introduced by Earl W. Quirk, program chairman.

Falls Down Stairs Fatal To Two Men

Two men died yesterday under almost identical circumstances when they slipped, tripped and fell down flights of stairs.

John Wash, 26, was almost instantly killed when he tumbled down a flight of stairs at 21 Myrtle Avenue, Yonkers, Monday afternoon, after he had received a compound fracture of the hip.

Stefan Joseph Etwick, 56, a gardener of 97 Cleveland Road, North Tarrytown, also succumbed to head injuries when he fell down a flight of stairs in his home.

Local Officials Join Fight To Block Move For 10% Commuter Fare Increase

ST. JOHN'S CHURCH CURATE RESIGNS

Rev. F. Graham Luckenbill To Become Pastor Of Pennsylvania Parish

Representatives of cities, towns and villages whose commuting facilities would be affected by the proposed 10 per cent increase in fares by the New York, New Haven and Hartford Railroad met last night in New Rochelle to request the Public Service Commission to turn down the rate boost.

The meeting took place shortly after the announcement announced that the railroad would be increasing its fares by 10 per cent effective Feb. 12. It was announced at Sunday service in the church, Rev. Mr. Luckenbill has accepted a call to St. Paul's Church, Long Haven, Pa., where he will be the pastor.

The curate, who has been at St. John's since June, has resigned effective Feb. 12. It was announced at Sunday service in the church, Rev. Mr. Luckenbill has accepted a call to St. Paul's Church, Long Haven, Pa., where he will be the pastor.

Sugar Rationing Stamps Prepared

WASHINGTON (AP) — Special "sugar stamps" to be issued by the government to registered consumers, will be required before purchases can be made under the pending sugar rationing program, it was learned today.

A spokesman for the Office of Price Administration disclosed that booklets containing enough stamps to last three months or more would be printed and that the time required for the printing would delay operation of the rationing machinery for at least another month.

FSC Asked To Turn Down Rate Boost; Public Hearings Start Monday

BATTLES RAGING NEAR SMOLENSK

Nazis Fall Back Under Heavy Assaults; Derna Abandoned By British Forces

By the Associated Press

Soviet front-line dispatches reported heavy battles were raging today near several key towns in the Smolensk Sector, 200 miles west of Moscow, with the Germans falling back under the assault of a powerful Russian counter-offensive.

Smolensk is the main anchor of Adolf Hitler's winter defense line on the central front.

While none of the "key towns" was specified, the Russians have been driving close upon Yelnya, only 35 miles southeast of Smolensk, in a thrust to cut off the escape of German armies retreating along the old Napoleonic Road from Moscow.

Pieces fighting also was reported on the Leningrad front, where a British broadcast said the Germans had been driven back 15 miles south on the one-time czarist capital by heavy Russian attacks.

A Red Army bulletin said Russian troops attacking in the Leningrad Sector had destroyed 800 German trucks, killed nearly 800 German soldiers and captured vast quantities of equipment.

On the North African front, the sweep of Field Marshal Gen. Erwin Rommel's Axis forces encroached upon Derna, only 40 miles west of Tobruk, after driving the British 100 miles northwest of Benghazi.

British military quarters in London acknowledged that Derna had been abandoned after Imperial Italian reinforcements completed their movement from their last covering positions and regained the main British garrisons.

London quarters, however, dejectedly said that the main British force had not yet reached with Gen. Rommel's Army and that only a few and shaggy soldiers had been left.

U.S. Ship Torpedoed; Fresh Allied Troops Rushed to Singapore

Reinforcements On Way, Wavell Reveals

SIEGE PRESSED

By ROGER D. GREENE Associated Press War Editor

Gen. Sir Archibald P. Wavell, allied generalissimo, announced today that the United States and Britain were sending "great reinforcements" to the Far Pacific battle theater, while in the five-day-old siege of Singapore, British gunners rained shells into Japanese troops massed across the mile-wide Johore Strait.

"Our part is to gain time for great reinforcements which we and our American allies are sending to the eastern theater," Gen. Wavell said in a special order of the day.

"We are in a similar position to the original 1941 British Expeditionary Force which stopped the Germans and saved Europe in the First Battle of Ypres."

Gen. Wavell's heartening message was the second official word in 24 hours that nighty counter-attacks against Japan are soon to be struck by the United Nations.

Australian Air Minister Frank M. Forde announced yesterday, without elaboration, that "a big allied movement" is underway.

Gen. Wavell, hero of the First British offensive into North Africa and one of the world's foremost military strategists, also declared that the Japanese "have not been constantly outflanked and where the enemy cannot exploit superior mobility."

Japanese bombers blasted New Guinea last night as the British defenders, inflicting some damage but few military casualties. British headquarters reported.

Emburs still muddled in the wreckage from yesterday's aerial assault, in which the toll was listed yesterday as 22 British and 50 Japanese killed.

Today's communique tersely reported that there was "no change" in the five-day-old siege at reinforced British, Australian and Indian troops were steadily being built and camouflaged new machine gun emplacements in the tangled mangrove swamps facing the enemy.

15th Victim Of Sub Reported Off Our Shores

ONLY ONE SAVED

WASHINGTON (AP) — The Navy announced today that the freighter San Gil, owned by United Fruit Company, had been torpedoed by an enemy submarine off the Atlantic Coast.

No other information on the torpedoing was given by the department. There have been 15 announced attacks prior to the San Gil torpedoing off the Atlantic Coast and 14 of them were reported in sinking of American or allied vessels. Only one vessel, the Tanker Malaya, had been attacked without sinking.

Meanwhile the Capital looked to take an increasingly heavy toll of Japanese expeditions now threatening Java, but any large scale plan to reinforce the southeast Pacific area was yet to become evident.

Although the destination of a 68-chinese Japanese convoy which the Chinese reported off Amoy was determined, there was little doubt here that it would be subjected to continued pounding of American ships and planes if it attempted to reach the Southwest Pacific battle zone.

From Amoy, the voyage to either the Macassar Strait district, from which the Japanese navy was reported to the Malay Peninsula above Singapore would take about a week.

The Navy's announcement that "a naval battalion composed of blue-jackets and Marines has been organized and is fighting on Bataan Peninsula" with Gen. MacArthur's "command" was taken to refer to forces which had been left behind when the Navy withdrew from the Philippines a month ago.

The Navy's announcement included 4000 men.

AUTO TAX STAMPS LOST AND FOUND

Some Disappear, Others Turn Up; Woman Throws Two Into Family Garage

Reports of two federal use tax stamps for automobiles being lost or stolen were reported to the Mamaroneck Village Police Department yesterday.

Charles Harrell of 647 North Broadway Avenue, Village, said he parked his truck over the Columbia Fire House at Jefferson Avenue and when he returned the stamp was missing. Mrs. Charles A. Roy of 212 Prospect Avenue, reported a stamp was taken from her car parked in front of her home.

Larchmont police meanwhile noted the theft of one stamp and filed the finding of two other stamps.

The theft was reported by James Miller of 6 West Avenue, Stamp, apparently disclosed by the wind machine. The stamp was found by Mrs. Edward L. Grant, wife of Village Clerk, and by Mrs. A. J. Grant, the Blas of the Bank of Westchester's Larchmont office.

The stamps were found by Mrs. Grant and Mrs. Grant were somewhat puzzled as to how someone could have taken the stamps out of their car. There were no marks on either. The stamps were found by the stamps out to anyone who could give some idea as to when and where the stamps were found.

Possibly the ultimate in the case, the stamps were found by Mrs. Grant, who said one of the women at the Larchmont station had received an anxious telephone call from a Larchmont woman who was certain she had mistakenly taken a new newly purchased stamps into the family garage.

The woman resident wanted the incriminating man to keep a sharp watch for the two stamps as he drove the automobile with truck loads of garbage.

A call to Mamaroneck 2083 will bring out if you can't deliver the goods.

At War School

Public Lect. Frank M. City of the Mamaroneck Village Police Department, has been assigned by Chief Arthur W. Martensen to attend the Federal Bureau of Investigation war traffic school for police being held all the week at the FBI field office in New York City. The course, approved by the Office of Civilian Defense, is conducted daily from 9 A. M. to 5 P. M. Subjects covered are numerous and include the operation of vehicles in blackout, the tracking out of traffic signals, traffic under an air raid, bomb damage to streets, control of crowds, control of pedestrian traffic in an air raid, and kindred topics.

Aviation Student

From experience gained as a sea scout, Frederick D. Colcord, 21, of Mamaroneck, found it easy to make a choice of military service.

Today he is among the leading students at the U. S. Navy's big Jacksonville, Fla. aviation training school. Already well along toward graduation, he has studied mathematics, aerodynamics, and how to use mechanical drawings.

At graduation he and other young Bluebirds, representing many states and possessions, will be awarded Navy department certificates indicating the Navy's confidence in their ability to serve as aviation mechanics either ashore or in the fleet.

One of Mrs. and Mrs. Frederick D. Colcord, of 404 Tonkolos Avenue, was an attended Colcord in the school year. He was attending the school when he won two letters in tennis, capturing the team high school title.

His father served in the Navy during the last war.

Martensen Asks Additional Men To Make Up For War-Time Shortage

Additional patrolmen for the Mamaroneck Village Police Department to make up for a wartime deficiency in personnel have been urged by Police Chief Arthur W. Martensen, and will be studied by the Board of Trustees at a conference Monday night. The request of Chief Martensen for more men originally made shortly after his appointment to the force here, was renewed by him at the Board's meeting last night. Chief Martensen called attention particularly to the fact that he is presently Officer John Quinn, a chief sergeant in the Army, has been called back into active duty and will be absent for the duration of the war. There are 28 men on the force, including the chief and Officer. Additional patrol work, however, is required by the fact that there are two detectives, two desk sergeants, three lieutenants and now, three supplementary desk men who answer the air raid warning telephones, conferring with headquarters with the Control Center at White Plains.

HOUSHOOB CLUB ELECTS KNOWLES

New Commodore Chosen At Annual Dinner; Outlook For 1942 Optimistic

John H. Knowles was selected Commodore for 1942 of Horseshoe Club, a social organization of the village, at the annual dinner held last night, by a unanimous vote of more than 100 members who gathered at the Larchmont Shore Club for Horseshoe's annual mid-Winter dinner. Commodore Knowles replaced Rodney M. Olinger as leader of the club which "enjoyed a particularly good season in 1941" according to an official report read by Vice-Commodore Knowles prior to the election. The Knowles summary of last year's activities and the report of Ernest W. Bishop, who was selected treasurer for the fourth time, indicated that Horseshoe was in an enviable position financially and in the morale of its sailing members faced with wartime uncertainties. "Retiring Commodore Olinger remarked that during the 1942 season, 'yachtsmen will owe it to themselves and the country at large to sail rather than feet they are so wonderfully engaged in pleasure pursuits in these times'."

PERSONNEL NOW COMPLETE

Mrs. C. E. Alford, chairman of the Defense Council, announced through the appeal made last Friday in this column, that the personnel for the defense council is now complete.

FITNESS COMMITTEE

The chairman of the physical fitness groups for all over the county met last night in the County Club, at 100 West Boston Post, to discuss plans for the physical fitness rally to be held Sunday, March 1, at 3 o'clock in the County Center.

SOCIAL SERVICE COURSE

A new course in Social Service will be started soon after the close of the winter vacation.

COMING TO THE TOWN

First to Join VFW

First member to be welcomed as a veteran of World War I was inducted at a special meeting of the David Potts, Jr., Post No. 1156, Veterans of Foreign Wars, at its headquarters on Manhattan Avenue last night.

He was Albert R. Canli, of 116 Harmon Drive, Town, who enlisted in the Navy on Feb. 1945 and has since served in foreign waters. He is now on leave, visiting his parents, Mr. and Mrs. Joseph Canli, Mr. Canli is a veteran of World War No. 1, and a member of the post.

An act of Congress has made veterans of the present conflict eligible for membership in the V.F.W., which consists only of those men who served on foreign soil or waters in war time. The new member, 19 years old, is the youngest man in the local post and is believed to be the first veteran of this war to join the V.F.W. in Westchester County.

Albert formerly lived on Jefferson Avenue and was a carrier for The Daily Times. At the induction ceremony last night, he was welcomed by Commander Nicholas Lenn and by Lt. Col. Joseph J. Harod, secretary of the Spanish-American War and oldest member of the Post. Mr. Strayer, now 70 years old, is captain of the Post. He served in China and said he would enlist again, he said, to fight the Japanese.

Wins Chevrons

Douglas R. MacFargat, son of Mr. and Mrs. T. J. MacFargat, 45 West Avenue, Larchmont, has recently been promoted from private, first class, to the rank of sergeant according to an announcement by the authority at the Camp Bowdoin Ground, Ipswich Field, Fla. Mr. MacFargat has been in the Army since Feb. 1, 1942.

G. O. P. To Dance

The fourth annual Lincoln's birthday dance sponsored by the Young Men's Republican Club of New York will be held Saturday night at Army Hall on Barry Avenue. The public is invited.

The committee in charge is composed of Victor Malinowski, chairman; Frank J. Martini, vice-chairman; Gerard Reda, Robert Montgomerie, William Harod Redefier, Eric Enell, Henry D. Hodgen and Jack Hoffman. Don Santomero is president of the club and will introduce visiting Village and Town officials. Gerard Reda is first vice-president; Andrew Malinowski, second vice-president; Edward Brewer, recording secretary; Edward Johnson, treasurer; and John Malinowski, treasurer.

Memorial Service

A memorial service, permissible 90 days after death, will be held at the Andrew Institute, 100 West Avenue at 2 P. M. Sunday for the late Nathan Schiff, local real estate broker and builder, who fatally injured in traffic on the Boston Post Road near Scarsdale last night.

Officiating will be Rabbi William Novick of the Institute, and Pastor Louis Auerberg. The public is invited.

WORK RESUMES AT FORD PLANT

Rouge River Factory Open After Shutdown, Making 10,000 Idle

DETROIT (AP)—Work was resumed this morning in several divisions of the great Rouge River Plant of the Ford Motor Company, which were shutdown last night, throwing an estimated 10,000 men out of work.

The shutdown followed a protest by tool and die workers against the presence in their department of an employe who allegedly had struck a fellow worker, UAW-CIO union spokesman said.

Work was resumed at 7 A. M. this morning after last night's shutdown, but at 7:45 A. M. the power was turned on and work started, union officials said.

Army Base Displays Hitler's Warning

MICHAEL FIELD (AP)—Signs two feet long and three inches high appeared in the buildings at the army air base, bearing the ominous words: "I shall strike Hitler."

The quotation from the Fuehrer's book "Mein Kampf" was reported to remind officers and men that a surprise attack on this area must be expected.

45 FRENCHMEN TO DIE

SINGAPORE BATTLE AS BATTLE OF BRITAIN

Dispatchers reaching London said one of the counterattacks was successful. The other three failed. An hour after the musical broadcast, it was indicated that the city had not yet fallen. The Singapore radio proclaimed defiance: "We are not only going to fight. We are going to win; we shall emerge from this struggle."

The broadcast said the Japanese radio was attempting "to obscure the real position on the island of Singapore behind extravagant claims" and apparent reference to Tokyo assertions that all but two tanks of the Singapore force had been wiped out.

Singapore lay under a black pall of the city had been shelled by a number of bombs fired from the heart of the city and Japanese dive-bombers shot in Singapore.

London military quarters said outmanned British defenders still held out from the north, a village on the south shore, west of Singapore.

An official communique, however, acknowledged that the Japanese drive from the west had had some success.

A Tokyo broadcast said Japanese troops in the northwest, outside of the city had been shelled.

The Tokyo report implied that there had been a halt in the offensive and that the Japanese demand for capitulation and that the battle for the city had not yet been won.

Expected Tokyo headquarters said Japanese troops had penetrated far into British positions in a drive from Bukit Timah, only 25 miles northwest of the heart of the city.

At dawn today, strong Japanese Army units assisted by the air force launched a powerful offensive to capture British rear.

A Singapore broadcast, reporting terrific losses inflicted on the enemy, declared: "Track Japanese divisions have taken and are taking a hammering which will have considerable influence on the future course of the war."

Singapore's defenders have no mountain fortresses to which they can retreat, no natural obstacles to the invaders such as the terrain which has helped Gen. Douglas MacArthur's gallant defense of the Bataan Peninsula. But Singapore's defenders have in common with MacArthur's men the same courage, the same fortitude, the same will to win every vital hour.

On other fronts in the critical Pacific, the Japanese have advanced their occupation of the islands, setting MacArthur's island near the center of the Philippine Archipelago.

The communications reported a halt in the fighting on Bataan Peninsula, with the Japanese now reorganizing and awaiting reinforcements.

TRUCKS KILL TWO IN WESTCHESTER WITHIN 3 HOURS

Yonkers Man Dies As Machine Slips Brakes And Rolls Down Incline

Port Chester Resident Meets Death While Crossing Village Street

Trucks were responsible for the deaths of two Westchester men within three hours last night, boosting the toll of traffic fatalities in Westchester this year to 15.

Salvatore Santa Maria, 26, of 73 Chestnut Street, Yonkers, was fatally injured at 9:30 o'clock when the truck he was operating slipped its brakes and rolled down an incline, smashing into an engineering office at about 10 near Arden.

There were two eye witnesses to the crash, but New York City Board of Water Supply police said it appeared that Santa Maria, operating a 10-ton truck owned by County Engineers of Yonkers and carrying gravel, backed the vehicle up a slight incline to a hopper. After setting the brake, Santa Maria left the car, but attempted to get back behind the wheel when the truck started to roll. He is believed to have stumbled and fallen against a wheel and then struck his head on the icy ground.

Dominic Martello, 37, of 23 East Broadway, Port Chester, was instantly killed at 11:50 P. M. when he was struck on South Main Street, Port Chester, by a 10-ton dump truck. Martello, police said, was crossing the street when he was struck by the truck.

John Koif, 37, of Roxbury, Mass., the truck driver, was held on a technical homicide charge pending his inquiry.

Medical Examiner Amos O. Spillie was to investigate both cases today.

"THANKS FOR THE RESCUE": James Kitching, left, nine-year-old Scarsdale boy, is shown above with Thomas J. Taylor, 26, of New Rochelle, who rescued the boy from the icy waters of Larchmont reservoir yesterday afternoon. The boy was skating on the pond when he fell in.

ARMY IMMUNIZED FOR TROPIC DUTY

All Officers And Men To Be Vaccinated Against Yellow Fever

WASHINGTON (AP)—All Army officers and men were ordered today to be immunized against yellow fever, making them quickly available for service in the Tropics.

Secretary of War Stimson announced the order, explaining that hitherto only troops assigned to such areas as Panama and Porto Rico were so vaccinated. Army men already are immunized against malaria, typhoid, dysentery and tetanus.

Stimson announced also that his new training corps summer camps for college students had been discontinued for the war's duration and for six months thereafter.

He ran about 500 feet from the road to the bank where the boy shodding his overcoat, hat and scarf as he ran. The boy was about 40 feet from the bank and Taylor seized a dead limb of a tree, about 10 feet long.

He started across the ice and it began cracking. He threw himself on his stomach and worked his way out until the end of the tree limb reached the boy.

"Hold on tight," Taylor called. (Continued on Page Two)

SCOUTING CALLED VITAL TO DEFENSE

Dads Speak At Father, Mother and Son Dinner of Mamaroneck Troop

Importance of Boy Scouts and their parents in national defense was stressed by Arnold P. Dana of Larchmont, president of Scout Council at its annual father, mother and son dinner of the Mamaroneck Junior High School.

Men who are interested in scouting through their sons should be hesitant about signing up for other defense work, Mr. Dana said, since the role they and their sons play in defense is as necessary as any other function.

Mr. Dana mentioned the collection of wastepaper by Scouts, and told how it was used directly in the war effort. Even incendiary bombs dropped by our planes are wrapped in cardboard cartons made from wastepaper, he said.

Another scout, congratulated the Scouts on their role in defense was made by Mayor James T. Corrigan. Mayor Corrigan also complimented the district for including mothers at the annual dinner for the first time this year.

Mr. Dana and Mayor Corrigan were among several speakers at the dinner, which was followed by the reading of scout pledges and other orations, the highest of an Eagle Scout insignia, went to Howard P. Nygaard, member of Troop 2.

Other speakers included Merrill Hodson, district chairman; Scout Kenneth Egan of Troop 8; Arthur W. Hatch, chairman of organization; and David E. Graham, Scout committee chairman from New Rochelle. The awards were presented by Scout Commissioner William Thorp, George R. Arves, chairman of advancement; Arthur Witt, Swayney Council executive; and Frank C. Cobb, Swayney executive.

McDaniel Sends Dispatch As Enemy Pounds Ship Waiting To Escape

(C. Yates McDaniel, in the Associated Press Staff, SINGAPORE, 12-15 P. M., 4:15 A.M., EWT)—The battle here moved steadily closer to the heart of Singapore today after bitter counterattacks last night by British infantry, supported by a powerful artillery barrage, drove the Japanese back at several points north of the city.

During the night Singapore's guns heavily bombarded Japanese positions across the straits of Johore northeast of the island, a direction whence no Japanese attack has developed.

British and Japanese artillery exchanged a "heaviest fire throughout today."

Shells from the enemy's 8.9 guns exploded steadily in the northern part of the city while Japanese shells from the island (Continued on Page Three)

Merola Elected Civic Club Head

Michael A. Merola, 204 Madison Street, Village, has been elected president of the Mamaroneck Civic Club, Inc., succeeding Charles G. Malinolo, and was installed with his staff on Tuesday of this week, it was announced today.

Due to the war, the installation was at an informal meeting, with Anthony LaManna, past president, in charge. The club decided to forego its usual installation dinner.

Other officers are Andrew Carlin, vice-president; Leo N. Oratio, recording secretary; Joseph Malinolo, financial secretary; Eugene T. Toliv, treasurer; Dimitrie Trifaniti, historian; Charles G. Malinolo, trustee for three years; Andrew Cazel and Vincent Macalino, trustees for one year each.

The club had previously written to President Roosevelt and to Mayor James T. Corrigan, offering the services of its members in the war effort.

From Wayne Coy, special assistant to the President, the club received a letter saying: "The President has asked me to express his appreciation of the action of the Mamaroneck Civic Club, Inc., in pending support of the war effort during the present emergency. Such assurance of cooperation are most gratifying."

A letter was also received from Mayor William H. Johnson, writing in behalf of the mayor, thanking the club for its offer and saying that the Village will call upon the club should its assistance be needed.

Scouting Called Vital to Defense

Dads Speak At Father, Mother and Son Dinner of Mamaroneck Troop

Importance of Boy Scouts and their parents in national defense was stressed by Arnold P. Dana of Larchmont, president of Scout Council at its annual father, mother and son dinner of the Mamaroneck Junior High School.

Men who are interested in scouting through their sons should be hesitant about signing up for other defense work, Mr. Dana said, since the role they and their sons play in defense is as necessary as any other function.

Mr. Dana mentioned the collection of wastepaper by Scouts, and told how it was used directly in the war effort. Even incendiary bombs dropped by our planes are wrapped in cardboard cartons made from wastepaper, he said.

Another scout, congratulated the Scouts on their role in defense was made by Mayor James T. Corrigan. Mayor Corrigan also complimented the district for including mothers at the annual dinner for the first time this year.

Mr. Dana and Mayor Corrigan were among several speakers at the dinner, which was followed by the reading of scout pledges and other orations, the highest of an Eagle Scout insignia, went to Howard P. Nygaard, member of Troop 2.

COMBING TOWN

War Garden Granted

An application to put a garden on vacant land owned by the Town of Mamaroneck—first application of its kind to come to the attention of Town officials—was granted by the Board last night. Mrs. Robert MacCallum of Lafayette Road and Madison Avenue, opposite her residence.

The Board asked John Dolan, town attorney, to draw up an agreement, specifications as to which the land could be put, and the "free lease" probably will be used for similar requests in the future, it was said.

The Board's meeting was arranged instead of a regular meeting last Wednesday, in order to free members who may wish to attend the conference of the Association of Towns in Albany last week.

A request from Fire Chief William C. Lindale to install a siren at Cooper Road and Holly Place, to be sounded, simultaneously, with the blowing of the fire whistle, was granted by the Board.

Constable Named

Louis Bielawski, of 225 Mamaroneck Avenue, former sports editor of the Daily Times, last night was appointed constable in the village of Mamaroneck, and will serve with William Tarny, who has been constable for some time.

Two constables for each township are allowed under the law, and Mr. Bielawski made application for the position which he has held for the last few years by the Town Board. His application was granted at a meeting of the Board last night.

The post carries no compensation, other than fees, and terminates at the pleasure of the Board.

Skating O. K.

Skating is permissible at the artificial rink on the Harbor Island, this morning. Village Manager Johnson, who is in charge of the rink, said that the rink will be good tomorrow, he said. Children may skate in complete safety on the artificial rink, and were advised by Manager Johnson to go to Harbor Island rather than skate on thin ice of ponds in the vicinity. No charge is made for the privilege and non-residents are welcome also, the manager said.

Church Honor Roll

The Holy Name Society of St. Vitor's Church last night voted to include the names of 100 members now serving with the armed forces of the nation in the honor roll of service men, which will be placed in the vestibule of the church.

This action was taken after an election of officers, in which James Morone was chosen president of the society for 1942. Joseph Biondo, secretary; Pacific Federico, treasurer and Vincent Marino and Victor Sposito, committee members. Mr. Morone's staff.

The group also voted to join with the more than 100,000 members of the Holy Name Society of the New York Archdiocese in receiving Holy Communion April 12 for the "spiritual" and physical welfare of the armed forces of the United States.

Granted 4 Tires

Dr. Arthur H. Blakemore of 11 Maple Avenue, Larchmont, has been granted permission by the Board to install four tires on his 1934 Packard sedan. The Board allows tires on four wheels on the town of Mamaroneck, Rye and Harrison.

Church Men To Dine

An annual turkey dinner and entertainment will be given by St. Augustine's Men's Club at 7:30 P. M. Monday, in the auditorium of the new school building on Larchmont Avenue.

Joe Downing of the New York Athletic Club will be master of ceremonies and will introduce such entertainers as Jack O'Hare, Harry M. Galagher, singer and comedian from the Star Club; Harry M. Hartwood, who will stage a novelty act; John Griffin, a musical comedy; and member of the Friendly Sons of St. Patrick's Old Club. Another surprise act is planned also.

Mal E. Tuck is president of the club, the Rev. Thomas J. Deegan, D. D., moderator. Harry Finn is chairman of entertainment and will introduce Master of Ceremonies Downing.

Republican Committee Fails To Make Designations For Party Slate

FOUR NOW IN CONTEST

Other Nominations Expected From Floor At Meeting On Thursday Night

An "open" caucus, with no designations from the Village Republican Committee, was decided upon at a meeting of the committee at 100 West Boston Post Road last night.

With 15 committeemen present, the committee voted eight to six against making designations, it was reported today. The chairman, John F. M. Schroeder, did not vote. The committee met with a quorum.

The names of incumbent Trustees Howard S. Magrath, S. J. Senatore and James Jackson have been submitted to the committee, but with the name of Louis Tolve, business agent for a local union. Other nominations possible will be made from the floor of the caucus next Thursday night, 7:30, at the Community House.

The vote on whether or not the committee should make designations found the Rye Neck districts voting in favor of the designations, the other Rye Neck districts voted in favor, while the two committeemen from the Seventh, the other Rye Neck district, were not present.

Various assignments were given the First, Second, Third and Ninth districts. The other district on the west side of the river, the Fourth, and was represented by the other Rye Neck district. He was also represented by the other Rye Neck district. There has been no word as to what the Democratic Party as to what it plans to do. The first caucus for the caucus is Feb. 24, which is the last day for the filing of party nomination.

Major Brooks, Ex-Soldier, Lawyer, Traveler, Dies At His Saugerties Home

Major Franklin Brooks, soldier and lawyer, whose career caused him to travel extensively in the Orient and Europe, but who found time to champion good government in this town, died yesterday afternoon of a heart ailment at his summer residence in Saugerties. Major Brooks, who maintained a home at 16 Roosevelt Avenue, Larchmont, died after a lengthy period. He underwent a eye operation last year and only ten days ago recovered an arm in three places after a fall. Major Brooks is survived by his wife, Mrs. Paula Brooks.

Services will be conducted in the Kenosia Cemetery Chapel, Valhalla, at 1:30 P. M. Monday. Members of the Larchmont Post, American Legion and Larchmont Masonic Lodge, to which Major Brooks belonged, will participate.

Major Brooks, who was born in his father's side were among the first settlers in Vermont, Massachusetts and Ohio, and on his mother's side in Virginia and Kentucky. He was educated in the public schools of New York and at the Westchester Military Academy and at Pennsylvania State University. He became a member of Co. D, Seventh Regiment, New York National Guard; Chief town of Larchmont, New York; and was first sergeant of the company. When his career days his mind was bent on government, economic and law.

Upon graduation from Westchester Military Academy, Mr. Brooks entered Stanford University at Palo Alto, Cal. While at the university, his major subjects were economics and law, and he was made assistant editor of the college paper, at the same time former President Herbert Hoover was business president of the college fraternity of Phi Gamma Delta.

After graduation Mr. Brooks read law in the law firm of Dehn and Stratridge in San Francisco. Mr. Stratridge being a recent U. S. Senator from California. He was admitted to the Bar of the State of California, and later the State of New York and United States Supreme Court. He had been engaged in active practice of law ever since, with the exceptions during the World War.

Mr. Brooks served with the American Army in the Spanish American War, Philippine Insurrection, the Chinese Boxer rebellion and the World War. While in Manila during the Spanish American War, Mr.

By special permission of the military Governor, Mr. Brooks presented the interior of the island of Luzon and was the first American to interview Aguinaldo, the native chieftain, at the Philippine Islands.

BATAVIA, (AP)—The Singaporean news said tonight that the reserves on Singapore Island are still in British hands, Singapore's communications on the peninsula of the battle have indicated that at least part of these central basins of fresh water were in Japanese control.

Japanese parachute troops struck into Southern Sumatra today in a menacing thrust toward Java, the heart of the rich Dutch East Indies, while in the siege of Singapore, Japanese troops reported they had captured the \$150,000,000 Selandar Naval Base on Singapore Island.

Simultaneously, an Australian radio broadcast reported that Australian and other British Imperial troops had landed at Bataavia and were taking up positions for the defense of Java.

Dispatches from Bataavia, the capital of Java, said Japanese paratroopers dropped from the skies near Palembang and swiftly launched a big-scale attack on that vital Sumatra oil center, only 250 miles from Java.

It was the first land invasion since the Dutch could destroy them, or the British could be made to defend the fields now that the Japanese have arrived in the Indies.

An X. I. communication said Dutch defense forces were putting up furious resistance and killing the invaders, all clear, two single tanks, repeated four times.

NEW DEFENSE COURSE
Mrs. Clara Briggs, chairman of home defense course for the Defense Council for this area, announced the addition of two new motion pictures to add to the list of the new Home Defense Course which begins Monday. The lectures, to be given by Miss Nellie Harrison at the Mamaroneck Senior High School, will start at 7:30 P. M. The other dates of the course will be Wednesday the 18th, and Tuesday, the 24th. The usual sequence of dates could not be followed because of the holiday in intervening.

On Feb. 13 the motion picture, "Fire Bombs" will be shown, and on Feb. 24 the picture "Health in War" will illustrate the lecture.

WOMEN'S ACTIVITIES
Mrs. John J. Golden, chairman of the Women's Participation Committee, made a report of the activities of her committee before the Defense Council, a few days ago, the major points of which follow:

Seven courses in home defense have already been given in public buildings and apartment houses with about 600 students. A new evening class, described above, will start next Monday at the Senior High School.

Four courses in nutrition, enrolling about 100 women, have been set up in various places in the city.

COMING TO THE TOWN

Happy Holiday!

The Daily Times will not be published Monday, in observance of Washington's Birthday, a legal holiday.

Banks, municipal offices, schools and similar public institutions will be closed for the day. There will be one delivery of mail Monday morning by the Larchmont and Larchmont postmen, all other deliveries at the two postoffices will be closed.

Despite the fact it is a holiday the nation over, Larchmont Village Clerk Edward J. Graff will remain on duty. With him it is a custom to have a party.

Lookout Dogs!

A lot of dogs seem to be finding as fast as they can run from that Man With A Not, unless their owners are on scanning. There will be one delivery of mail Monday morning by the Larchmont and Larchmont postmen, all other deliveries at the two postoffices will be closed.

Delinquent lists have been turned over to the police courts and same means can be expected soon. If amusements are leased, the duties of the officers will be able to pay court costs and other penalties.

The unincorporated section of the Town of Mamaroneck has 92 dogs, and Town Clerk Robert D. Payne has issued 426 licenses. Mamaroneck Village has 928 dogs and Treasurer-Clerk Frederick H. Hill, Jr. has issued 805 licenses; Larchmont Village has 545 dogs and Clerk Edward J. Graff has issued 862 licenses.

Mr. Graff incidentally commented that only this morning a young boy purchased a dog for his pet dog and gave him \$2 in pennies. He's still wondering if she was trying to "get even."

To Auto Dealers:

Automobile dealers in this area were warned today by Rationing Board No. 29-0, covering the Town of Harrison, Mamaroneck and Rye, to file inventory of their stocks.

Said the Board in a formal statement:

In connection with certificates for the release of new automobiles purchased between the dates of July 1, 1941, and Jan. 1, 1942, request is made of all dealers and users of automobiles to file with the Rationing Board inventories of stock on hand of automobiles as of Feb. 15, 1942.

Failure to file inventories will result in the denial of certificates for the release of cars having been inventoried.

Inventory forms may be had at the Rationing Board, 236 Harrison Avenue, Harrison, if not already on hand.

Wins Ensign Rating

Ensign Herbert George Schepke, U. S. N., of Mamaroneck, now in his second year at the United States Naval Academy, has been commissioned and assigned the duties of ensign and school, according to the United States Navy Department in Boston.

Ensign Schepke is a graduate of Middletown College, Md.

Rotary Sees Movie

A sound motion picture entitled "The Telephone Call" was exhibited at a meeting of the Larchmont Rotary Club in the Larchmont Shore Club yesterday.

Phil Tamm, president of Larchmont and well-known actor, was scheduled to talk at the club's meeting next Friday.

Thieves Loot Home

Burglars forced their way into the home of Mr. and Mrs. J. J. Vaughn, 13 of Rochelle Road, Town, during their absence last few days, and ransacked the place. The loss, if any, could not be determined by Weaver Street police until the return of the family.

The break was discovered when a gardener, Anthony Accorcia, of 35 Later Place, Town, went to the house yesterday. Sgt. Joseph Waterbury found that a pane of glass in the door leading to the sun porch had been broken in order to gain entry.

Rye Town's Welfare Costs Drop Sharply

Rye Town spent \$134,824 less on relief in 1941 than in 1940. It was reported at a Town Board meeting last night. The Town Board also petitioned the Board of Supervisors to authorize the prohibition of the Police-Pot Chamber Party, but on the condition that it be operated on a non-profit basis.

WARNING MOTORISTS

Motorists who disobey regulations during Greenway inspections will be subject to a fine of \$25 under the new traffic laws. It was announced by police today. Authorities said that all traffic must come to a standstill during the blackout and cars should be parked.

6 Men Plead Guilty of Still Operation

NEW YORK—Six men accused of defrauding the Government of taxes through operation of illicit stills in Eastchester, Astoria, Hastings, Greenvale, Mount Vernon and Mamaroneck in Westchester County, and at Nanuet and sites in Orange, yesterday in Federal District Court.

Those who admitted their guilt are Paul DiSantia, Joseph Nassette, Lawrence Albano, Abraham Berger, Victor Barozzi and William Longmire. Judge Alfred C. Coxham convicted them of illicit stills pending trial of six other defendants.

Enter four others, Richard Ward, Frank V. Negro, Joseph Hales and Richard Bloom, had pleaded guilty and are also awaiting sentence. Those on no trial on charges were indicted on charges that they operated stills at 101 Johnson Road, Eastchester, 60 Paramount Avenue, Hastings, 42 Robin Hill Road, Greenvale, 410 Garden Avenue, Mount Vernon, and 400 West Street, Mamaroneck, and that plans were made for operations in Ardsley.

'Mad-Dog' Slayers Face Saulty Tests

Goeckler, Loucks, Cullen Endorsed by Democrats; No Decision on Justice

Larchmont Minority Party Concludes Discussion on Constitution Post

The Larchmont Village Democratic Committee, at a meeting last night, designated Mayor Henry E. Goeckler and Trustee Arthur H. Loucks and Vincent Cullen for the nomination when the Democratic Party holds its annual Tuesday night in the Village Hall.

The announcement was made today by Victor Hopkins, Village chairman, who said the committee was in agreement on the "conservative" ticket as to mayor and trustees. Mr. Cullen is a Democrat, the other Republicans. They have been designated by the Village Republican Committee.

The Democrats, however, have not yet agreed as to the candidate for police justice. Discussions will be held and an announcement made possibly before the caucus Tuesday night. Mr. Hopkins said.

The Republican committee has designated Edward H. Tatum for the post of police justice. He, the incumbent, Judge John R. Cahill, has announced that he will run in the Republican caucus and primary. The designation of Mr. Tatum was made by a vote in the committee of six to four. Judge Cahill subsequently declared that some of the committee did not "vote" in accordance with the wishes of their constituents. He therefore had decided, he said, to have his name presented to the caucus.

The Democratic Committee has not yet had a lengthy discussion as to the position of police justice but arriving at its conclusion, Mr. Hopkins said.

Concentration Camps For U. S. Japs Urged

SAN FRANCISCO (AP)—Concentration camps for American-born Japanese should be established in California, County Supervisors today urged as a prerequisite for new authority to set up areas from which anyone may be ousted.

A resolution urging that "enemy aliens and their descendants who are not loyal, or may become disloyal, to the United States" be removed immediately from the state's coastal areas was adopted by directors of the supervisors' association, meeting at Sacramento today.

Lack of Vessels Holds Up Supplies

WASHINGTON (AP)—Clashed war materials were reported today to be getting up on American wharves awaiting a fleet of cargo ships to carry them to the Pacific front.

And lack of sufficient shipping, radio and inadequate supplies was described automatically in the military section news in the way of bolstering John W. Fisher, however, there was a conviction in the capital that shipping would be only a temporary bottleneck.

The Senate appropriations subcommittee was assured by Under-Secretary of War Robert P. Patterson that adequate supplies would be forwarded rapidly. From the Maritime Commission, members received a less encouraging description of the service of the Navy in turning out cargo vessels.

8000 Japanese Bombers

Japanese bombers were officially reported today as having destroyed 27 planes shot or grounded at Kailashan, and a communications center, and widespread destruction, as well as fires, was caused to other military objectives.

The Tokyo news agency said the Indies Army is ready for full-scale operations in the Philippines. Two members of the Communist Party escaped last night from a prison camp here and a search was under way today throughout Ontario.

United States and Dutch warships, aided by dive bombers and fighting planes, smashed back at Japan's invasion horde in a flaming sea battle off the Island of Bali today, and by latest accounts had already blown up a Japanese cruiser and inflicted damaging blows on two other cruisers, two destroyers and four transports.

As the battle raged into its second day in the shark-infested Java Sea, dispatches from Batavia said the Japanese were making the fight for Makassar Strait, the scene of Japan's worst naval disaster of the war.

United States cruisers and heavy bombers, and destroyers under the aggressive command of the Dutch Vice-Admiral C. P. L. Helfrich, were reported battling furiously at the invaders.

A War Department bulletin, issued in Washington, said at least 10 heavy American bombers attacked the Japanese fleet off Bali. It said the Japanese were making the fight for Makassar Strait, the scene of Japan's worst naval disaster of the war.

Lost At Sea

Thomas Hill, Jr., son of Mrs. Duncan Rankin of Chappaqua, widow of the late Thomas Hill of Larchmont, has been reported lost at sea off the Boston coast by the Navy Department. No other customers were given in accordance with governmental policy remaining available.

Young Hill graduated from Marhamont High School in 1935 and played on the school's hockey team in his senior year.

Only two weeks ago he visited his mother while on leave.

Thomas Hill, Jr. was killed six days ago in a fall from a horse. His widow lived in Larchmont until two years ago when she married Duncan Rankin of Chappaqua. She is a member of the Larchmont Sports Club.

Scouts Get Lost

Three Boy Scouts, former residents of England, became lost in Saxon Woods yesterday and a police teletype alarm was sent out for them. They made their way back, however, to their home in the Bronx.

At 2:30 P. M. yesterday, George Dohman of the Bronx, George Dohman of the Bronx, telephone Mamaroneck Village Police Headquarters and said the boys had become separated from their companions while on a hike near Gredney Road.

They were Peter Gifford, 16; Christopher Gifford, 12; and Hugo Ferguson, 13, all of the Mamaroneck Gold Foundation, 1751 Stillman Avenue, the Bronx.

Police and the scouts searched through the woods most of the afternoon, but at 5:45 P. M. Mr. Dohman telephoned the "Foundation's" home in the Bronx and informed that the boys had arrived a little while before and were safe. The police teletype alarm was cancelled and Mr. Dohman led the Scouts back to the Bronx.

Democrats Meet

Committee and party followers of the Democratic organization in the Village of Mamaroneck will meet in caucus at 8:30 P. M. today at 259 Mamaroneck Avenue to elect delegates to discuss the Village election on March 7.

John A. Haggerty, Village Democratic chairman, will preside.

The Republican Party had already nominated the three incumbent trustees, Howard C. Griffin, B. J. Santos and James Jackson.

The Democrats have until tonight to file their nominations. Independent nominations must be made before March 3. Registration day will be on Saturday, March 7.

Bike Tires Stolen

The thieves are getting pretty cheeky in the opinion of Richard Oehmken, 13 of 318 Carroll Avenue, Village.

Richard parked his bicycle in the garage of a friend on Carroll Avenue yesterday and they played all afternoon. When he returned to the garage he found someone had cut one of the rubber tires from his bike and had run off with it. He complained to police.

Fails To Appear

There is no encouraging news in a report to the boat owners from the one who traveled to the New Rochelle Naval Militia Armory yesterday to secure wartime identification cards only to find that the Coast Guard hadn't sent a representative up to issue them.

A planer, owned by the armory door, told applicants that their "next newspaper" would be informed when the Coast Guard unit would set up headquarters there.

Brush Fires Keep Companies Busy

The Mamaroneck Village Fire Department was kept busy with fires over the long weekend, although most of them were of a minor nature.

At 8:55 A. M. Sunday, the Volunteer Company had to return to a fire which destroyed a shed at the Mamaroneck Plumbing Supply Company on Waverly Avenue Saturday. The second blaze was extinguished without further damage to the property.

A false alarm was sounded at 9:31 A. M. Sunday by a box being pulled at Center Street and Frisco more Road. A brush fire at 12:05 P. M. yesterday in Frisco Street Park was extinguished by Husted Manor firemen.

At 12:40 P. M. yesterday, all companies went out to a brush fire at Alda Road and South Bay View Avenue. Another brush fire at 2:10 P. M. at P-mountain Road and Grand Street was extinguished by the Volunteer and Frisco Street companies.

Today, the Mamaroneck Engine and Hose went to 125 Frisco Street, Orestis, to investigate smoke in the house. There was no damage.

President Roosevelt's pledge that the United Nations would take the offensive "soon" arousing shifting new hope in the anti-Axis lands today as a defense of Asia grids for a climactic assault by Japan's sea-borne invaders.

In the first official disclosure that a steamer, A. E. P. Vanguard was already on the scene of action, Mr. Roosevelt declared that the United States force in the Far Pacific, but he predicted a final victory for the United Nations at it "might come unexpectedly."

Other world-wide developments: Burma—London military quarters said the Japanese drive into Burma against the British forces was being held up by the moment Japan holds superiority in the air as well as "waging command of the sea" in the Far Pacific, but he predicted a final victory for the United Nations at it "might come unexpectedly."

Democrats To Nominate Cahill For Police Judge At Party Caucus Tonight

The candidacy of Judge John R. Cahill for reelection as police judge in the Village of Larchmont whether he wins the nomination of the Republican Party at its caucus tonight or chooses to run afterwards as an independent, will be endorsed and supported by the Democratic organization in the village.

His announcement was made today by Victor J. Hopkins, Village Democratic chairman, who said the decision was reached at a meeting of the Village Democratic Committee yesterday. The recommendation will be made by the committee to the party's caucus, which also will be held tonight.

Mr. Hopkins said, "a handsome offer has been made to Cahill to resign his present position in the village and to accept the nomination of the Village Democratic Committee. The recommendation will be made by the committee to the party's caucus, which also will be held tonight."

Prisoner Also Confesses To Entering 5 Other Homes During Holiday

A self-confessed sneak thief who stole two cases of Scotch from a refrigerator in the home of Police Chief Paul A. Yerrick of the Town of Mamaroneck today was paying the penalty for the error of his ways.

He was John Louis Harris, 38, Negro of Brooklyn, who is serving 90 days for vagrancy imposed yesterday in Mamaroneck Village Police Court and who, after his release, will face another warrant from the Town of Mamaroneck police charging him with first degree burglary.

Harris admitted, police said, to entering at least six homes in the village during the Christmas and New Year's holiday. Yerrick had the most for him, confessing he had been looking eagerly for the thief.

Detective Sergt. William O'Neill spotted Harris entering a vacant building on Hoy Street last Tuesday and recognized him. He set a trap for the place and arrested Harris Saturday morning. Recovering clothing, suitcase, liquor bottles and other articles taken from the six homes.

Harris was living in the vacant building and making his forays at night, selecting houses he thought were unoccupied. O'Neill recognized him from having arrested him for entering a vacant building on Hoy Street in 1940. FORWARD MARCH
The preliminaries are over—the formation of the Town defense organization of many willing volunteers, assignment of their duties, and the first job which added together more than a big community task, according to the Town defense Council, which today issued the following statement:

OLD AND NEW heads of the Town of Mamaroneck Fire Department passed during the annual dinner at the Weaver Street Firehouse Saturday night to stake hands. Left to right, above, are William C. Griffin, Town Councilman; Edward C. Griffin, and George W. Burton, the new Weaver Street department.

WASHINGTON (AP)—A United States destroyer and a naval stores ship have been pounded to pieces off the rocky east coast of Newfoundland in a roaring gale, the Navy announced today, with a loss of at least 129 officers and men.

Among the dead was Lieutenant Commander Ralph Hechex, 38, of Washington, D. C., who commanded the destroyer, the Triton, an old four-stacker of World War vintage. The commander of the stores ship, the Polux, was not identified but the Navy reported him safe.

The heavy loss of life was attributed to the fact that the two ships, constituting a convoy, were torn to wreckage under the merciless battering of wind and waves very quickly after they ran aground.

The double disaster occurred in daylight but visibility was extremely low. The Triton's current set up by the dashing of the waters against rocks and reefs made the coastline indistinct and regular aids to navigation were obscured by low swirling eddies. The point at which the ships went aground was described as near the entrance to Lawrence Harbor on which is located the Town of Lawrence, Newfoundland.

Residents of that place were surprised by the Navy for their heroic efforts in pulling such men as survived through the 107-storm-tossed sea to safety.

The certain dead aboard the Triton were placed at seven officers and 50 men and there was a possibility that three more deaths would be confirmed later. The Navy said. Dead aboard the Polux were one officer and 81 men.

Disclosure of the loss of the Triton, following closely on the Navy's announcement yesterday that the Coast Guard cutter Alexander Hamilton had been torpedoed and later sunk off Iceland with a "moderate" loss of personnel, was made in a communique which tersely described efforts at rescue and how difficult they were on the rocky coast and in the oil spilled from the broken ships.

Retiring Chief Lindale And Three Retiring Captains Honored At Dinner

Retiring Chief William C. Lindale and three retiring captains of the Town of Mamaroneck Fire Department Saturday night in Waverly Street Fire Headquarters. The affair was attended by 80 members of the department and their guests, including town officials and visiting chiefs.

Chief Lindale, Capt. Augustus Quirk of Truck Company No. 1, Capt. Harvey Derby of Engine Company No. 2 and Capt. Herbert Lindale of Engine Company No. 1 were presented retiring officers' badges by J. Woods Sweeney, who served as hostmaster at the dinner. George W. Burton, the new chief and his staff, were hosts.

Former Chief Richard B. Levin, a member of the department, dispatched one of the boys to summon help, and he hastened about three-quarters of a mile out of the woods into the populated section near Bonnie Briar Country Club telephone phone.

Wm. Town of Mamaroneck with a "moderate" loss of personnel, was made in a communique which tersely described efforts at rescue and how difficult they were on the rocky coast and in the oil spilled from the broken ships.

RED CROSS GAINS LARCHMONT GOAL WITH CHEST AID

Community Group Donates \$2,264 To Complete Goal Of \$14,000

T. James Aher, president of the Larchmont Community Chest, announced today that the Larchmont Branch of the American Red Cross has collected \$13,735.06 of its current campaign quota of \$14,000, and that the chest has presented the Red Cross a check for \$12,354.42 to make up the balance.

This amount, it was pointed out by Mr. Aher, came from the Chest's contingency fund for emergencies, and was made possible by the generous response of Larchmont residents this year in Larchmont.

Mrs. Rufus K. Allison, chairman of the Red Cross in Larchmont, expressed the appreciation of her organization for the assistance given by the Larchmont Chest in soliciting contributions for the War Fund, and announced that while direct solicitation for the drive has ended, voluntary contributions are still being received at Red Cross Headquarters, 1808 Palmer Avenue.

"This is being done," Mrs. Allison said, "because the national fund of the Red Cross campaign has been increased beyond \$20,000,000 so that unforeseen emergencies can be met without delay."

Mr. Aher also announced that the annual meeting of members of the Larchmont Community Chest will be held this evening at 8 o'clock at the Larchmont Avenue Church House. At this time six new directors will be elected to fill vacancies created by the retirement of Mrs. H. W. McClintock, Edward E. Weston, Mrs. William J. Shea, Lester J. Loh, Mrs. F. M. E. Schaefer and David A. Embury. Each person who contributed in the Chest campaign last fall is a member of the Larchmont Community Chest, Inc.

Blood Bank Coming

The mobile blood bank of the American Red Cross, New York City Chapter, will return to Mamaroneck, N. Y., on Tuesday at 7 P. M., and will be located at the Woman's Club on Cortland Avenue, Village, it was announced today by Mrs. Harry E. Fosbury, chairman of the Mamaroneck branch of the Westchester Chapter.

Lost On Transport

Leah (13) Alexander Stewart of the Mamaroneck branch of the American Red Cross, New York City Chapter, was reported missing on the transport Polaris which was sunk in a gale off the coast of Newfoundland along with the destroyer, Tuxton. The girl was 189 lbs.

Mr. Stewart, a storekeeper aboard the Polaris, visited his brother here on New York City street to his brother, he is survived by his father, A. H. Stewart of Albany, G. and his mother, Mrs. Julia E. Stewart of Albany, N. Y.

Pay Rises Opposed

The Mamaroneck Village Board of Trustees has tonight rejected an attempt to amend the bill pending in the Legislature which would raise salaries of village officers to 15 per cent in the minimum wage paid policemen and firemen in July 1, 1941, the increase to become effective on Jan. 1, 1942.

The Conference of Mayors has already recorded its opposition to the bill. Corporation Counsel Anthony Sponoff reported.

FLOOD CONTROL CASE PREPARED

Village To Present Data At Hearing Set For March 19

The Village of Mamaroneck intends to show a "strong case" to the War Department, in connection with the flood control hearing which will be held in Albany on March 19, to secure an order to provide an avenue to the normal flood plain of Mamaroneck and Sheldahlke Rivers and subsequent damages caused by the overflow.

This was apparent in remarks made by Village Manager William H. Johnson at last night's session of the Village Board of Trustees, who said that Engineer Guy Vrehan had commenced compilation of a brief for presentation to the governmental body of inquiry.

Mr. Johnson indicated that close attention would be paid to business and residential properties which have suffered flood damage in an effort to present a strong argument for a control project.

It is the Village's plan, he pointed out, to mail notices of the meeting to all owners of property adjoining the river.

Town Law Revision Passed In Albany

Only seven of the State Legislature, according to word late yesterday, unanimously passed a bill amending the law to permit members of the Town of Mamaroneck Fire Department to serve as police officers. The bill was presented by Sen. Pitty Williams and Assemblyman Theodore Hill.

COMING TO THE TOWN

First Sign!

First sign of Spring to be noted by the department.

Four wild Canadian geese returned today to the Larchmont reservoir, after a winter sojourn in the South, according to Henry T. Hochstetler, supervising chemist of the Larchmont Water Works.

The geese, said to be the first to come to their usual feeding place, Mr. Hochstetler reported, with a cheery cry in his voice. They appear to be "here to stay," he said.

Mr. Hochstetler got near enough to the family to notice that one of the geese had a clipped body, and recalled a young member had that mark of identification last year.

He surmises, therefore, that it is the same family that has been known the reservoir for a Summer home for the last two years.

Anyway, it's Spring—or nearly so.

Bank Building Sold

The one-story building at Larchmont Avenue and the Boston Post Road, Larchmont, owned and formerly occupied by the now defunct Larchmont National Bank and Trust Company, was sold at public auction this morning for \$15,000 to Harry Javits of New York City.

Further identification of the bidder and his future plans for the building could not be ascertained immediately after the sale, conducted by J. Allen Browning, of Edward D. Loughman, receiver since 1937.

Other assets, such as mortgages and notes, were sold for \$2011 to G. Grauman and H. S. Galt, who Mr. Loughman said, he thought were from Louisiana.

The sale drew 120 bids and 65 persons attended personally. The bids are subject to approval by the Comptroller of Currency. The new owner, if the transaction is approved, will take title in 30 days.

Dog Owners Fined

Miss Margaret Payne of 23 Kane Avenue, Larchmont, paid a fine of \$1 in Larchmont police court last night on a charge of allowing her dog to roam at large.

Miss Payne a few weeks ago made a complaint to the Village Board of Trustees about the number of stray dogs in the Village. A police officer on strays resulted, and among them was a dog owned by Miss Payne whose mother, Mrs. W. A. Payne, had decided to let her dog roam, since nobody else was controlling it.

Six tickets in all have been handed out. Four owners of collared dogs, Miss Payne, appeared before Police Judge John E. Conlin last night. Raymond Smith of 1 Pound Street, paid a fine of \$1. E. Johnson, of 100 Willow Street, and Arthur E. Littman, of 5 Fayer Street, also appeared.

Brothers Leave

Phillip C. (Phil) Birch and his brother, William J. Birch, left for 117 Delaware Avenue, Village, last night on their way to New York where they joined the U. S. Coast Guard.

Phil, who is 25 years old, and Bill, 21, have received the ranking of boatswain's mates. They have long been associated with water activities on Long Beach Sound and on numerous occasions returning to shore with large catches of fish.

Both are graduates of Mamaroneck High School and are outstanding end on the high school football team, and Phil is also an athletic scholarship to George Washington University. He played football there last year.

Phil was a member of the Mamaroneck All-Star football team last season.

Off For Duty

Major C. H. Greenwald, 67 Hillcrest Avenue, Town of Mamaroneck, left for active duty yesterday with the Ordnance Department, U. S. Army at Fort Arnold, Philadelphia.

For the past year, Mr. Greenwald has served as consulting engineer to the Ordnance Department in the same capacity to the National Defense Research Commission.

The Bell Telephone Laboratories have granted him a leave of absence for the duration of the war.

Public Invited

The public is invited to attend the meeting at the Hebrew Institute on Hillside Avenue, Village, at 8:30 P. M. today when a talk on current events will be made by Harry Herzfeld, well-known economist, radio commentator and writer.

Preliminary to the talk, services will be conducted by Rabbi William Novick, assisted by Cantor Louis Altmann, The Hebrew Institute will open at 8:10 P. M. and the service will start at 8:30 P. M.

Advocate of War Measure, However, Claim Sufficient House Strength

REPUBLICANS TO DECIDE

Elimination of Payment For Overtime See As Main Accomplishment

WASHINGTON (AP)—Advocates of a wartime suspension of the ten-hour week and overtime provisions ran into the opposition of the Roosevelt administration leadership today, but claim to have sufficient support to prompt passage of the measure.

Administration leaders in Capitol Hill said the outcome depended on how the Republicans lined up on the proposal to make the suspension a part of a pending War Powers Bill.

Downstairs, advocates of Roosevelt's measure demanded a vote of 218 to 215 to bring the measure to a vote. The measure would suspend the ten-hour week and overtime provisions for the duration of the war, but claim to have sufficient support to prompt passage of the measure.

Administration leaders in Capitol Hill said the outcome depended on how the Republicans lined up on the proposal to make the suspension a part of a pending War Powers Bill.

Port Chester Woman Elected Acting Chairman To Succeed Mrs. Meyer

Mrs. Thomas J. Blain of Port Chester yesterday was elected acting chairman of the Westchester County Recreation Commission after Mrs. Eugene Meyer had submitted her resignation as a commission member to County Executive Herbert C. Getchell.

Mrs. Blain's resignation came as a surprise to her friends. She had been serving as acting chairman since the resignation of Mrs. Meyer. Mrs. Blain is a member of the Port Chester Woman's Club and has been active in many community organizations.

Two Properties Sold by Village

Depot Place Building and Cortland Ave. Residence Go To New Owners

Sale of two properties to which title was held by the Village of Mamaroneck through foreclosure on mortgages was announced today by Corporation Counsel Anthony Brock.

The two properties were the depot place building at Depot Place and a residence at Cortland Avenue. The depot place building was sold to a new owner and the residence at Cortland Avenue was sold to another new owner.

County Gets Fire Quotas For March

Leah V. Bateman, Westchester rationing administrator, today announced March quotas for three counties.

The county will get next month 400 tons of fuel oil, 400 tons of coal and 400 tons of gas. There will be 200 tons of fuel oil, 200 tons of coal and 200 tons of gas.

Two Win Permits To Buy New Cars

Delivery orders for new automobiles purchased before rationing was started by the government have been issued by Rationing Board No. 1 to Edward E. Bellinger, 1 Lyons Place, Larchmont, and Henry J. Putnam, 43 Leokott Circle, Larchmont.

DRAINAGE PLANS SPEED START OF COUNTY AIRPORT

La Guardia Now Expected To Withdraw Objections To Rye Lake Site

HELD VITAL AIR LINK

Public Works Commissioner Reports Progress As Supervisors Meeting

Definite optimism that federal agencies will proceed at an early date with the construction of the long-proposed county airport at Rye Lake, for military use during the war, was filed with the supervisors in White Plains late yesterday by James C. Harding, county public works commissioner, who conferred last week-end at LaGuardia Field with representatives of New York City, the Army and Civil Aeronautics Administration.

In his statement to the supervisors, Mr. Harding said there was an implied agreement among all present at the conference that drainage works for the airport would be satisfactory and would, under the withdrawal of objections filed last year with the War Department by Mayor F. W. LaGuardia, be completed by the Army.

The plans provide for "natural drainage" at Rye Lake, and as no buildings are to be erected at the present site, the drainage will be a simple matter of the runway and taxiway. The runway and taxiway will be 3,000 feet long and 100 feet wide. The runway will be 3,000 feet long and 100 feet wide. The taxiway will be 1,000 feet long and 100 feet wide.

PORT BLAIR HIT

By ROGER D. GREENE, Associated Press War Editor

Japanese warplanes today attacked Indian territory for the first time, twice bombing and machine-gunning the Andaman Islands in the Bay of Bengal, 500 miles southwest of Rangoon, Burma, on a vital United Nations supply route to China, Russia and the Far Pacific.

The raiders hit at Port Blair, chief port of one of the island group inhabited by frenzied warriors of pigmy descent.

Calcutta and other Indian cities have already taken precautionary measures against a possible Japanese attack.

In the Battle of the Dutch East Indies, Allied bombers smashed at Java, but the Japanese invasion armada off Bangka Island still indicates that the badly-manned enemy was awaiting reinforcements before risking an all-out assault on the island.

Three Japanese planes bombed and machine-gunned Port Blair on Tuesday and Thursday, extending Java's frontier toward the west since the war began. Two civilians were killed, five wounded.

The Andaman Islands are strategically important as a base for the British Indian Ocean Command.

BIG NAZI TROOP PLANES DOWNED

Reds Shot Down Transports Jammed With German Reinforcements

MOSCOW (AP)—The Russians reported today that they were shooting down big troop transport planes jammed with Nazi soldiers from training in Germany for a Spring offensive but who, instead, were rushed to the front in a desperate attempt to reinforce and save the trapped 16th German Army near Stalingrad.

Dispatches declared that Russian gunners and flyers were downing repeated Nazi efforts to get troops through and to drop supplies and ammunition to more than 90,000 Germans virtually doomed within the lightning Red Army line.

The German position was improved further by an outward thrust from the Red Army's position at Leningrad led by the activity of guerrillas there who were said to have killed 30,000 Germans including two generals in the last few months.

Realism Injected Into Test As Workers Display Efficiency

The first air raid drill of the Larchmont Village Citizens Defense Council was held last night and village officials, discussing the initial test, after its completion, agreed it was conducted with a minimum of flaws.

Village Engineer Arthur Richardson, who was in charge of the drill, said that only two water main breaks one fire and two car accidents were reported by various section wardens.

"The drill was fine," he said. "It was about the time that it would happen in an actual fire, that we were alerted. Every thing was accounted for at about 9:15 P. M. Mr. Richardson decried the few mistakes, which he said were to be expected in the first drill, and stated other drills will be held before long.

PRICE CEILING SET ON CANNED GOODS

Henderson Halts Rise In Cost Of 10 Foods, 15 Vegetables

WASHINGTON (AP)—Price Administrator Leon Henderson placed a price ceiling on 10 canned fruits and 15 canned vegetables under emergency price ceilings today, to halt price increases which he said would lead to profiteering and probably "incentive hysteria."

The temporary 60-day ceiling, effective Monday, will freeze prices of the products at highest levels prevailing between Feb. 23 and Feb. 27.

"Only canners and wholesalers are affected," Henderson declared. "Chained fruitfully covered by the order are apples, apple sauce, apricots, cherries, fruit cocktail, fruit salad, peaches, pears, pineapples and plums.

Canned vegetables involved are asparagus, all dry bean, lima bean, snap beans, beans, carrots, corn, peas, pumpkins, sweetwater spinach, sweet potatoes, tomatoes, tomato catsup and tomato juice.

At 7:40 P. M. the Police Department received the yellow signal and the Central Control staff and officials reported to the Village Hall. The Central Control staff then communicated with the fire and police departments reported for duty. HERSHFIELD CALLS FOR JEWISH UNITY

Hebrew Institute Spokes Upright As They Return To Their Synagogues

Unity among Jewish people and a reawakening of spiritual faith were urged by Harry Hershfield, wide-known cartoonist and radio entertainer, before an overflow audience at the Hebrew Institute on Haledale Avenue, Village, last night.

Mr. Hershfield, originator of many comic strips, writer, and after-dinner speaker, interspersed his talk with humorous stories which kept his audience laughing a good part of the time. In his more serious moments, he commented on Jewish life in America and the future of the Jews.

The real danger to Jews, he said lies within themselves, not in the political persecutions now going on in Europe and elsewhere in the world. "Unity and fraternal strife, the gradual elimination in America of the influence of the Jews and finally, are the greatest dangers to the Jew, he said.

"We need the strength that flows from our religions, we need to return to our temples and synagogues," Mr. Hershfield said. "The law will intervene after the present world conflict and will help to bring religion back into the world, he forecast.

Mr. Hershfield commented on the exaggerations of the anti-Semites, pointing out that out of 200,000,000 people on this earth, only 15,000,000 are Jews, who have been persecuted through the ages, have never before faced the worldwide persecution such as is now being by the Nazis. The danger is great, he admitted, but security and survival will be found by the Jew in his religion.

Mr. Hershfield was introduced by Arthur Levine, a member of the Institute and a personal friend of the cartoonist.

The religious services were conducted by Rabbi William Novick, assisted by Cantor Louis Alneberg. Mr. Hershfield was one of a series of lecturers being brought to the Institute during this season on Friday night.

Two More Tankers Sunk On East Coast

NEW YORK (AP)—The list of announced ship sinkings in the Atlantic coastal waters where Axis submarines prowled today totaled 41 with Navy disclosure that two more American tankers had been torpedoed.

Simultaneously came reports of the sinking of a huge British merchant ship by a submarine in the North Atlantic with the probable loss of 36 lives and the torpedoing of the 724-ton British freighter Scottish Star about 500 miles east of Barbados, a British freighter, the 1,000-ton tank ship, was missing from the English Sea.

SUCCESSOR NAMED TO OCKERSHAUSEN

Rye Neck School Board Selects Long Island Instructor For Post

The Rye Neck Board of Education last night selected Edward South, Bellport, L. I., instructor, to fill the vacancy in its Physical Education Department caused by the resignation of James Jackson, said to be expected to report here "within a week."

Neither Mr. Jackson nor Dr. Burr revealed how many applicants were considered for the post, at last night's conference.

Rye Neck sports admirers, especially those close to football, were disappointed to hear that Mr. Smith will take over the Ockershausen-coached squad which for four years tied one and lost two last year, one of its losses to the Westchester Country Club in Rye. He had previously reported the car had been stolen from his parking space at the work bound Larchmont railroad station between C. P. M. and P. M. Thursday.

Mr. Smith received his high school education in Trenton, N. J., and a Bachelor of Arts degree from New Jersey State Teachers College, Trenton.

His teaching experience started in Pennington, N. J.; after which, he served in Patuxent, L. I. From Patuxent, Mr. Smith went to Bellport, N. J., where he coached soccer. But he has had experience in football, basketball and baseball.

COUPE TAKEN FROM LARCHMONT PARKING PLACE, DISMANTLED AND ABANDONED

Mr. Perry R. Crane of 8 Stratford Road, Town, was walking with his father in the woods near the Bonnie Blair Country Club last yesterday when they came across a 1942 Chevrolet convertible coupe trailing on its wheel drums, with all four wheels and tires missing. Also missing was the spare tire and a spotlight. The car otherwise was not damaged.

Mr. Crane notified Town of Mamaroneck police, who discovered the car was owned by Bruce Mackenzie, who has a suite of rooms at the Westchester Country Club in Rye. He had previously reported the car had been stolen from his parking space at the work bound Larchmont railroad station between C. P. M. and P. M. Thursday.

Mackenzie had left the car at the parking station with the doors unlocked and the keys in the glove compartment, police said.

Mackenzie, usually weighing the cost of the tires against the cost of the car, hired a tow car to go to the wooded section, put on two old wheels and tires and towed the body to the country club.

New Auto Stamps On Sale Tomorrow

Post offices have received the new auto tax stamp, which go on sale Monday and are good until July 1. The new stamps have glue on the face whereas the old ones had the glue on the back of the stamp.

There also are lines on the back of the new stamps, where motorists may write the make of car, model, engine number and license plate number. This is to prevent the use of the stamp by other than the purchaser. The stamps will cost the motorist \$1.67, based on the rate of \$2 a year.

BRITISH INVADE FRANCE, DESTROY RADIO AND FLEE

Parachutists And Sea-Borne Infantry Stage Surprise Attack On Coast

LONDON (AP)—During British parachutists and sea-borne infantry combined today in a destructive attack on a German radio station in the first attack of the invasion of the Northern France coast since the fall of France.

Under cover of a protecting umbrella of Royal Air Force fighters the parachutists dropped out of the clouds in formation across the English Channel, landed on the beach, and in a matter of minutes the station was in flames.

They departed as quickly as they had come, leaving behind a ruined location post and a dispersed force of German guards.

"Early this afternoon a military spokesman in London said it was not yet known whether ships bringing the raiding parties back had yet landed in England.

"The spokesman said the possibility of a major air battle between German bombers dealing an aerial counter-attack and the RAF fighters' umbrellas 'can not be denied.'

"Apparently this meant that British German bombers might be attempting to destroy the ships carrying the invasion force, but the spokesman in the English Channel said he had no information from British fighter planes.

"Early this afternoon a military spokesman in London said it was not yet known whether ships bringing the raiding parties back had yet landed in England.

"The spokesman said the possibility of a major air battle between German bombers dealing an aerial counter-attack and the RAF fighters' umbrellas 'can not be denied.'

"Apparently this meant that British German bombers might be attempting to destroy the ships carrying the invasion force, but the spokesman in the English Channel said he had no information from British fighter planes.

Biggest Sea Battle Of Pacific War Still Raging

NO TROOPS LAND

A bulletin from Dutch East Indies headquarters said that the Japanese navy, possibly escorted by warships, "retreated to the south."

Last night afternoon, Indian time, the battle was reported still raging, with the enemy in full retreat northward under the fire of Allied ships.

As night fell over the embattled tropical dispatches from Bandung, the headquarters of Gen. Sir Archibald Wavell, United Nations Command, said it was believed that the shot-down enemy armada was reforming somewhere in the Java Sea for a second assault.

Imperial Navy Headquarters, in using its own claim of victory, announced in an English-language press release that the Japanese fleet had sunk four allied ships and was pursuing the enemy "westward."

The while the Dutch withdrawal from the first offensive on the island and night battle—on which was being the fate of Java and a whole new phase of the Pacific War—was being reported by the United Nations Command announced yesterday.

"At 1 P. M. today, no Japanese landings on Java had taken place," a Reuters dispatch said. "The Japanese battle was the biggest naval engagement of the war in the Pacific."

United States, Dutch and British warships and submarines, supported by American, Australian and Dutch planes, rushed out to meet the Japanese invasion armada on Java yesterday afternoon as it approached Dutch-occupied northern coast.

Other developments included:

Philippines—A bulletin from Gen. Douglas MacArthur's headquarters said fighting had dwindled to "relatively minor" patrol skirmishes after American and Filipino troops in the several counterattacks drove the invaders from Java as well as fire ships on Hataan peninsula.

Tokyo said—Imperial Tokyo Headquarters admitted casualties and damage had been inflicted when a naval squadron of two cruisers, six destroyers and an aircraft carrier, presumably American, attacked Japanese-held Wake Island without halting between Hawaii and the Philippines.

Tokyo said it had occurred at dawn, Feb. 24, and asserted that Japanese guns set fire to one of the cruisers, that a destroyer was bombed and five attacking planes were shot down. The loss of a Japanese patrol boat was acknowledged.

Darius—Japanese infantry suffered 2,000 casualties in a series of battles to capture a British-held bridgehead on the Sitang River, but the British acknowledged that the situation was "very serious."

Dutch Indies—N. E. I. Headquarters reported that Dutch troops inflicted serious losses on Japanese invaders or minor retreat at the extreme eastern tip of the Indies Archipelago.

India—Army Minister Pranab Kumar Das said that the British were to cover the whole northern territory of Assam as the battle for Java raged toward a climax.

Partial Blackouts Ordered In East

WASHINGTON (AP)—Preparations against Axis Spring raids by sea or air were tightened today here, with a call for all night, every-night partial blackouts in a defense zone reaching 300 miles inland from the United States coast.

In collaboration with military officials, the Office for Civilian Defense, added instructions on blackout of all lights in "critical" areas which were to be observed as such as being put out at a moment's notice in case of attack.

COMBING THE TOWN

Drive Nets \$1,823

The campaign to raise funds for the National Foundation for Infant Paralysis, Inc., resulted in the collection in the Larchmont postal area of \$1,823.90, or \$206.66 more than the \$1,617.24 collected last year.

This announcement was made today by Arthur Perkins, chairman of the drive for Larchmont. The books were closed for the campaign as of yesterday, he said.

Mr. Perkins said he wished to express his own appreciation and that of the committee to the many who aided by volunteering to work, and, of course, everyone who contributed to it.

Major Harry E. Gockler and Supervisor Bert C. McCulloch were honorary chairmen of the campaign. Assisting Mr. Perkins were Mrs. J. T. DeMott, co-chairman; Mrs. Anna E. Bial, secretary, and Edward C. Griffin, treasurer.

Fifty per cent of all funds raised remain in Westchester County to help fight the dread disease of infantile paralysis, and the other 50 per cent goes to the National Foundation for Infant Paralysis, a national and educational.

Back In Service

Major Lawrence C. Brower, 25 Echo Lane, Larchmont, a former resident of Mamaroneck, who resigned one and a half years ago after 15 years of service, from the 103rd Observation Squadron, New York National Guard, of which he was commander, was today recommissioned in the Army of the United States as major, and reported to the command of the First Air Force, Mitchell Field, Long Island.

Major Brower saw considerable service overseas in the World War, and has been actively engaged in military and civil aviation ever since, having piloted the air express service in this country.

On High Seas

Jerry Jenks Mamaroneck High School, 39, who used to give a pretty good account of himself as a wide on the Orange Hockey team during his school years, and on the high seas, a member of the U. S. Merchant Marine, bound for an unannounced port.

This information was disclosed this morning by his mother, Mrs. Ruth Jenks, Larchmont Acres, who said she has been receiving calls from many friends and relatives, inquiring of his well-being.

"He couldn't even tell his mother when he left, where he was going, what boat he was on or anything else," Mrs. Jenks said.

"All I know is that he'll be away about three months," she said.

U-Boat Park Sinks 4 Merchant Ships

AN EAST COAST Canadian Port (AP)—A tale of wholesale disaster striking suddenly in the Atlantic on a sea has been brought here by survivors of a convoy which was attacked at least four merchant ships by a pack of U-boats in mid-Atlantic.

Rescued seamen, 111 men from the four vessels, were taken to a port yesterday. Their accounts, indicating that the westward plugging convoy may have been aided by submarines for days, put as high as nine the number of merchantmen torpedoed.

Axis Tanker Torpedoed

LONDON (AP)—An Axis tanker was torpedoed in the English Channel last night, the Admiralty announced today.

Youngsters Caught In Act Of Setting Fires; Others Place Stones On Tracks

Parents of at least nine youngsters residing in the unincorporated Town section were warned yesterday that court action may be taken unless the small boys stop the practice of setting brush fires and putting large stones on the tracks of the New York, New Haven and Hartford Railroad.

Two different brush fires had just been set on Saturday, but before the youngsters could be taken to a juvenile court, Officers McAllister and George Bionias came upon the scene. They warned the children.

Yesterday, a brush fire on Bonaparte Lane and another on Brookland Avenue, resulted in six children being taken to headquarters and their parents notified. At 4:32 P. M., worried New Haven Railroad officials called and said boys were putting concrete blocks on the tracks.

Three boys were found at the scene of the railroad incident near the Town-Village line, and were taken to headquarters.

In Mamaroneck Village, a group of boys were found by a resident setting fire to brush near South Barry Avenue and Stuart Avenue at 5:45 P. M. yesterday. They refused his request to extinguish the fire and he called police headquarters.

Officer Jeremiah Geary went to the scene, made the boys put out the fire and warned them against repeating the "prank."

The Mamaroneck Village Fire Department was notified of two other brush fires yesterday, one at 12:15 P. M. on Urban Street in Harbor Heights, which was extinguished by the Volunteer Hose Company, the other at 7:00 P. M. on the Parkway, Shore Acres, which was extinguished by Columbia Hose Company.

Yesterday, the Village Fire Department extinguished a brush fire on Jolin Terrace at 4:45 P. M. yesterday.

Fire Chief George Burton of the Weaver Street Department last week announced an "educational campaign" in the fire department cooperation with the fire department of the two Villages and school teachers and parents. While some of the brush fires are accidental, the large majority are set by school children who want to (Continued on Page Five)

RED TROOPS NEAR VITAL NAZI BASE

90,000 Germans Believed In Trap; Soviets Also Push Toward Smolensk

MOSCOW (AP)—The Red Army was reported today within sight of the 90,000 Germans of the so-called "Army of the North" in the northwestern city of Staraya Russa, where 90,000 Germans are said to be trapped with dwindling food supplies, while farther south, the Russian pushed toward Smolensk and Disperpetovsk against fierce German resistance.

Dispatches from the Staraya Russa region said the Russian Army was drawing its steel nose tighter around the German 10th Army each day and quelled a German prisoner as saying morale in Staraya Russa had cracked within the last few days.

The Germans transferred Staraya Russa, once a Russian report they knew for the first time, into a base for communications on the northwestern front below Leningrad. The city near Lake Ilmen, 150 miles northwest of Moscow, and 160 miles due south of Leningrad.

The mid-day communique of the Soviet Information Bureau declared that Russian planes were true-trapping all the German attempts to supply the encircled Nazi forces in the Staraya Russa sector from the air.

Nazi Sentinel Dies In Paris Outbreak

VICHY (AP)—A German sentinel was killed today by a revolver shot in a new outbreak of attacks in German-occupied Paris.

A bomb thrown at the same time, the sentinel, was shot fatally by explosion.

The attack occurred in front of a German-occupied building in the 19th Arrondissement.

ISOLATED RAIDS ON U. S. SEEN BY GEN. MARSHALL

Chief of Staff Expects Action Aimed At Keeping Forces At Home

SENATE GETS WARNING \$32,762,737,900 Appropriations Bill Sent Back To House For Action

WASHINGTON (AP)—The Senate passed and sent back to the House a \$32,762,737,900 military appropriations bill today after being informed by Gen. George C. Marshall, chief of staff, that "we must proceed with the business of carrying on the war to the enemy."

A letter from the chief of staff read by Sen. Austin R. Vl. while the Senate was considering a \$32,762,737,900 military appropriations bill, said that demands for protection of points within the United States were "piling up in a formidable manner."

"The time has now come," the letter said, "when we must proceed with the business of carrying on the war to the enemy and not permitting the greater portion of our armed force and one valuable material to be immobilized within Continental United States."

The enemy, calculating on public reaction, is undoubtedly employing submarines close-in-shore for the purpose of maintaining our efforts to engage our planes and ground troops in the air, and offensively in distant theaters.

"Further, I feel that we must expect isolated air raids of a few planes directed against us for no other purpose than to create public reaction which will adversely affect the sound military purpose of defending America by engaging and defeating the enemy in the areas distant from our shores."

Dutch troops were hurried into action and Dutch tanks were reported to have obtained some results in a counter-attack.

It is highly significant that there have been little enemy air activity in support of the landing operation. As I moved up toward the coast and fighting stopped, our tanks and fighters flying toward the coast and returning to reload and refuel.

Along the road crowded with military traffic I saw Dutch Army trucks moving toward the front with fighting engines pointed on their sides.

"Give them hell" was a common slogan.

I passed through many native villages where life apparently was proceeding normally although they were less than 40 miles from the front.

At one place, two doubles tennis matches were in progress. Two European women strolled quietly along one village street, pushing baby carriages.

Frequently we were halted at carefully-banded posts. Dutch or active soldiers would rush into us, firing a gun or brandishing a knife—native sword—and order us to halt for inspection.

War Movie Allows Minute For Hissing

HOLLYWOOD (AP)—Hissing time, three minutes, for the movie, "Remember Pearl Harbor," will begin with the arrival of Saburo Kuroki in this country before the attack on Pearl Harbor.

Republic Studio said today that the minutes had been allotted for the hissing, but veteran blasters insisted 60 seconds was just time enough for a war movie.

Secretary Leaves Taxpayer Group

David B. Fison, White Plains, who has served as executive secretary of the Federation of Westchester Taxpayers Association since June of last year, has left Westchester to take a position in Albany with the Civil Service Department of New York State.

J. H. Mosley, Yonkers, chairman of the federation, said the federation sincerely regretted loss of the services of Fison. The taxpayers' organizations is now considering applications for a new secretary.

V. F. W. Acquires Famous Inn As Its New Clubhouse

The two-story frame building at 123 Eastost Post Road, Town, at one time well-known through the County as the Biedermeier Inn, has been purchased by the David Potts, Jr., Post No. 1196, Veterans of Foreign Wars, and will be used by the organization as a clubhouse, it was announced today.

The inn, erected in 1914, was at the height of its popularity during prohibition days, but in more recent years has been used for \$35,000 in 1927. It is now owned by the late Mrs. J. H. Potts, and was not announced by the Potts, but it was understood to have been purchased for \$25,000.

The grounds will be cleaned up and the building renovated by the Potts, and the location, architect, skilled carpenters and other workers—all of whom are expected to volunteer for the renovation project.

After a few weeks the Post plans to have a "closed opening" with a dinner-dance, it was announced today by Dr. L. Howard Katz, chairman of publicity. Plans for a dedication ceremony will be announced by the Potts.

The property was purchased by the building for occupancy later this month. Daily Times Photo

Deep Jap Spearhead Choked Off At Coast; Big Losses Inflicted

Journalist Gives Graphic Account Of Struggle

ROADS CROWDED

By J. E. BOUWER Netherlands East Indies Journalist

Near The Middle Java Front (Aneta to AP)—I visited a point very close to where fighting was in progress today, but I cannot disclose the name of the fiercely contested position.

Native soldiers said the Japanese started pushing north in two private cars. They traced up to when they were under a counter-attack.

When their fire was answered by the Japanese they were being ambushed and fled into the surrounding plantations. Many of the attackers were mowed up, but small groups were able to concentrate and finally forced the Netherlands Indian troops to retreat to new positions nearby where a stand was being made this morning.

Dutch troops were hurried into action and Dutch tanks were reported to have obtained some results in a counter-attack.

MacArthur Urged As New Commander

SYDNEY (AP)—The Sydney Telegraph proposed today that Gen. Douglas MacArthur, the hero of the Bataan Peninsula, be named commander of the Southwest Pacific Force.

Gen. MacArthur's ARMA Command has moved westward to Burma and a new Pacific commander is needed. The telegraph said in an editorial, "Most of his (the new commander's) forces will be American and he should be an American."

"There has been no word from other sources that Wavell had moved his headquarters from (Java)."

Dutch Planes Sink Lighters Landing Japs

TANKS FIRED

By CLYDE A. FAIRSWORTH Associated Press War Editor

The United Nations' counter-offensive against the Japanese invasion of Java has "developed satisfactorily," it was officially but cautiously announced at Bandung today and one unofficial report suggested that the deepest of the enemy's three spearheads had been sheared off at the coast.

Details of the counter-attack, however, remained an official secret.

The immediate goal of the defense was to shatter the invaders before they could be outfitted from the sea. The invading forces were reported to have suffered enormous losses already.

A special Dutch communique said that nearly all the Japanese fighters engaged in landing troops and tanks from 20 transports yesterday near Bembang, eastward of the three invasion points, were sunk in swooping attacks by Dutch fighting planes.

The Japanese were seen in the air, and the sea. The invading forces were reported to have suffered enormous losses already.
