PRIORITY FIVE CENTS

THE DIAMOND HILL MACHINE SHOP at Cos Cob is the second smallest company to be awarded the coveted Army-Navy "E" award. It was once an automobile repair shop but after the attack of Pearl Harbor, Harold C. Powers, who was running out 25 years as an auto mechanic converted the small building into a defense factory. At the present the business is operating 18 hours a day, seven days a week. Photo left shows the exterior of the building, right, Mr. Powers operates a machine which turns out vital parts for our fighting planes.

Tentative Budget For 1943 Gives Larchmont Seventh Consecutive Tax Rate Cut

New Rate Of \$13.57 Brings Eight - Cent Reduction; Budget Cut \$4,020

For the seventh consecutive year the tentative budget for 1943 shows a reduction in the tax rate. Mayor Harry E. Goekeler's recommendations for the year 1943-44, which will be brought to the Board of Trustees Monday night, will save the taxpayers eight cents per \$100 of assessed valuation. The rate last year was \$13.65 and according to the Mayor's program for the coming year, the new rate will be \$13.57. The budget will be subject to possible revision when it is submitted to the Board after which a public hearing will be held.

ANDERSON'S MEN PRESS ADVANCE TOWARD MATEUR

First Army Troops Pursue Fleeing Enemy Near 'Escape Port' AMERICAN FRONT QUIET

Rommel Reported Flying In Fresh Troops For Battle To The Finish

By HOOVER GREENE (Associated Press War Editor) British First Army troops have smashed deep into the North African defense zone in Northern Tunisia, an Algerian broadcast said today, and are storming toward Mateur only 18 miles south of the enemy's potential "Dunkergue Escape" Port at Bizerte.

The radio said Gen. K. A. N. Anderson's forces were now "pressing on the retreating Germans in the vicinity of Mateur" after a thrust from Sedjenane, 25 miles west.

A bulletin from Allied Headquarters gave no details of the 1st Army's advance, but declared "The forces were now pushing northwards and eastwards beyond Sedjenane."

Edward Kennedy, Associated Press correspondent at Allied Headquarters, said British and French troops pushing from Sedjenane toward Mateur had "made good" in the last of the losses in the fighting a month ago.

Since that time, Col. Gen. Jürgen von Arnim's forces on the British beach 30 to 40 miles.

British newspapers, appearing in Algiers on the night of the French Morocco, were reported to have "flashed" news that the British had "made good" in the last of the losses in the fighting a month ago.

U. S. WARPLANES POUND JAP BASE ON KISKA ISLAND

Allied Air Force Scatters 20 Enemy Ships Above Australia 16 ZEROS SHOT DOWN Signs Indicate Enemy May Be Thrusting Anew Toward Guadalcanal

WASHINGTON (AP)—American bombers continuing their heavy pounding of the Japanese base on Kiska Island in the Aleutians raised the enemy's morale considerably Thursday, the Navy reported today, scoring several kills.

By The Associated Press Allied warplanes have scattered another concentration of nearly 20 Japanese ships in the waters northwest of Guadalcanal, Australia, Gen. Douglas MacArthur's Headquarters announced today, amid signs that their enemy warships may be thrusting anew toward American-held Guadalcanal in the Solomon.

Two actions suggested the new enemy thrust to Guadalcanal: 1. A Japanese communiqué, broadcast by the Berlin radio, asserted that Japanese fleet planes had shot down 17 Allied aircraft off the Russell Islands, 60 miles northwest of Guadalcanal.

The Tokyo claim followed issuance of a U. S. Navy announcement yesterday that American forces included a force of five Japanese destroyers on the night of March 21-April 1 near Kolombangara Island, 100 miles northwest of Guadalcanal.

Simultaneously, the Navy said, American fighters drove a force of 30 to 50 Japanese zeros in a violent air battle northwest of Guadalcanal.

There was no information, however, whether the forces included the five Japanese destroyers attacked by U. S. Flyers three nights ago at Kolombangara.

Concurrently, the Navy said, American fighters drove a force of 30 to 50 Japanese zeros in a violent air battle northwest of Guadalcanal.

Reds Press Within 36 Miles Of Smolensk

By The Associated Press An official Soviet war map disclosed that the Red Army was still clinging to the evacuation gate of Novorossiisk, Black Sea naval base, and had advanced within 36 miles of the German keystone base at Smolensk on the central front.

The map also showed that the Russians had driven almost deep into the old Napoleonic highway toward Smolensk, were said to have reached a point just northeast of Yartovo, one of the last major outposts guarding Smolensk on the highway.

Soviet columns slugging through the passes of the Tsimar Peninsula, 70 miles northwest of Novorossiisk and within 15 miles of White Russia, and the evacuation gate of Novorossiisk, Black Sea naval base, and had advanced within 36 miles of the German keystone base at Smolensk on the central front.

A Japanese merchantman burns in the Blinnock Sea during the Allied attack on a convoy last month in which the Japs lost 22 vessels. This picture was taken by a cameraman in a Royal Australian Air Force Bomber plane.

By ROGER GREENE Associated Press War Editor Allied troops, tanks and guns were reported battering the enemy along the entire 250-mile front in Tunisia today, and Gen. Dwight D. Eisenhower's Headquarters announced that the British First Army scored new gains in its drive toward the German naval base at Bizerte.

Consistently, Gen. Eisenhower declared that fresh Allied forces were "continuing to make satisfactory progress."

Gen. Eisenhower, who inspected the March Front, said every American unit that fresh Allied forces were "continuing to make satisfactory progress."

"Further progress was made in the North African front," our press secretary said, "and our tanks successfully engaged and inflicted casualties on the enemy."

Our Troops Batter Axis Along 250 Mile Front

BRITISH ADVANCE

By ROGER GREENE Associated Press War Editor Allied troops, tanks and guns were reported battering the enemy along the entire 250-mile front in Tunisia today, and Gen. Dwight D. Village Library's Appeal For Greater Membership Yields Popular Response

JUDGE SOUTHWARD Dies After Fall

Keen Interest Revealed As Plus Adds 32 Residents To Association Rolls

Albert Willet Southard, justice of the peace of the Town of Mount Pleasant for 28 years, died yesterday afternoon in St. Agnes Hospital, White Plains, of injuries sustained Sunday when he fell in the bath room of his home at 11 West 60th St., Yonkers.

Subsequent to the annual meeting of the Mamaroneck Free Library Association, President Charles M. Baxter, Jr., addressed a letter, mainly to a selected list of persons who use the library, asking them to join the association.

President Baxter stated the general idea of the association was to have the selection of trustees and a library and the use of the collection of rental books free of charge. He also pointed out that membership in the association is an opportunity for service, an honorable association and a distinction in the community.

Resulting from that letter, of which 101 were sent 34 members have been added to the rolls of the association for the year ending June 30, 1943.

The trustees feel this high percentage of response shows a keen interest in the library on the part of those whose families use it. Criticism of the library has been freely invited from the members of the association since the trustees are desirous of giving the utmost of attention to the needs of the public.

Response to this invitation commended the library as "a splendid institution and an honor to Mamaroneck," a distinction in our community and should be supported. Others particularly commended the staff.

CORP. SMITH PAYS TRIBUTE TO PHYSICAL EDUCATION TRAINING IN SCHOOLS HERE

System of Teaching Sports Credited With Saving Lives of Flyers

A tribute to the physical education training in Mamaroneck and Larchmont schools has come from Corp. Robert S. Smith, formerly of Larchmont, who is now a physical training instructor of the Blue Nose Squadron at Napier Field, Ala.

"Weather has a fine system of teaching sports," he writes, "and excellent coaches, all of which have helped many men in the armed forces today. Some have saved their lives with the physical shifts they now have which were formed while in the Army. County schools—especially the flyers who are now training here at Napier Field."

A full page in the "Booster," a magazine published weekly at the Advanced Flying School at Napier Field, was recently devoted to a tribute to Corp. Smith with a thumbnail sketch of his exploits before joining the Army.

Matthew J. Murphy, above, son of Mrs. F. Cunningham of 218 Center Avenue, Village, is in training at a Marine Training Base. The 18-year-old recruit was a student at Mamaroneck High School when he entered the service Feb. 20.

Pelham Manor Raps Parkway Residents Protest Proposal To Transferring Right-of-Way To State

Residents of Pelham Manor last night protested against the State favored plan for construction of the proposed Pelham-Parkway Chertock Highway, at a meeting in Town Hall here at which the plan for post war construction of the project was explained and discussed.

Lightning Strikes Mount Vernon Home

The chimney and roof of the house at 45 South Tenth Avenue, Mount Vernon, were damaged yesterday when struck by lightning during an early April shower.

The chimney was knocked down and several stoves were torn loose, but no fire resulted.

CLARE LUKE TO SPEAK Congressman Clare Boothe Luce will speak at the launching of the new Victory Bond drive in Greenburgh, at the Greenwich High School on Friday evening, April 3.

20 RESIDENTS IN TRAINING FOR WORK IN AIRCRAFT PLANTS The increased interest in the production of airplanes as a result of the Government's call for 20 residents of Larchmont and Mamaroneck have been enrolled at the Aviation Training School sponsored by the Board of Education in Harrison.

Learning The Essentials of sheet metal work at the Aviation Training School in Harrison is Mrs. Beatrice Kroyer of the Hillside Apartments, Village, above, and August Koehler of Harrison. The instructor is Julius Roeder of 223 Ward Avenue, Village.

Washington Tops Nation In Insanity

WASHINGTON (AP)—Insanity, as measured by the number of hospitalizations, was more prevalent in Washington than in any other city in the Nation as a whole.

A study of the annual average of 458 insane persons each year for 1942 in Washington has shown that the rate was 4.56 per 1,000 population, compared with 3.25 in New York City.

Washington's rate was higher than that of any other city in the Nation, except New York City, which has a rate of 3.25.

Washington's rate was 41 per cent higher than that of New York City, and 100 per cent higher than that of Chicago, which has a rate of 2.25.

Washington's rate was 100 per cent higher than that of Chicago, which has a rate of 2.25.

Washington's rate was 100 per cent higher than that of Chicago, which has a rate of 2.25.

STIMSON FINDS NO JOB IN ARMY FOR LA GUARDIA

Mayor Too Valuable In Present Post, Secretary Of War Declares

HIS OFFER LEFT OPEN

New York Executive Always Available If Needed, Press Informed

WASHINGTON (AP)—Secretary of War Stimson said today that Mayor La Guardia of New York had offered his services to the armed forces, but that it would be very difficult to find any place in the Army where he could be as helpful as in his present job.

After talking it over we decided to leave it open and the mayor assured me he would always be available if needed," Stimson told a press conference.

The secretary said that he feels that La Guardia is "in his present office rendering directly to New York and indirectly to the nation," services of great value.

There had been some talk of Mayor La Guardia's going to a major and flyer in the last war, a brigadier general, perhaps with an assignment especially affecting Italy, since he is of Italian ancestry.

However, President Roosevelt said he had no plans to nominate him for a commission. Mr. Roosevelt's statement was published by Presidential Secretary Stephen Early on March 27 that "all indications point to service in the army" for La Guardia.

Early said then he did not have enough information to be definite, but that "it might be possible that he had been decided to that he will wear a uniform and apparently that will be the army."

REDISTRICTING BILL APPROVED

Dewey Signs Measure Boosting Senate From 51 To 56 Members

ALBANY (AP)—The first reapportionment bill for New York legislative districts since 1917 was signed today by Governor Dewey amid expectations of a court fight over its constitutionality.

The measure, which increases Senate membership from 51 to 56 by adding five districts, was approved by the Legislature today.

It is a brief memorandum noting the State Constitution requires legislative reapportionment every 10 years, Dewey said.

"For 26 years there has been no reapportionment in our state. During those years there have been fundamental population changes in many districts, with the result that some areas have been unfairly denied representation in our legislative body."

"Americans are fighting on battle fronts all over the world to preserve free government. By the enactment of this bill, New York State has demonstrated that it is a free people," Dewey said.

"In view of the fact that this bill was originally planned as a measure car highway only, the members of this club feel that it would be detrimental to the best interests of the Town of Mamaroneck and the other sections of Westchester County through which the truck highway would pass."

"The members, therefore, through whom any record approval of the use of this highway for trucking purposes and ask your good offices in vetoing the Wick's Bill which would legislate this transaction."

Bus Lines Approved To Amusement Parks

WASHINGTON (AP)—It's all right for transit companies to provide bus and street car service to amusement parks if it does not interfere with transportation needs of workers, the Office of Defense Transportation said today.

The agency said, however, that rubber-tired vehicles should not be furnished to amusement parks and other recreational centers if any service is available, and should not duplicate rail service for any substantial part of the trip.

8th Army Rolls Gains In Pursuit Of Rommel's Men

Axis Fails To Halt Montgomery's Swift Push

TROOPS UNITED

BULLETIN LONDON (AP)—American gunners today took 70 German aircraft in Sunday's daylight bombing of the Rommel forces near Paris and Monday's raid on the Erfa Aero Engine Works at Antwerp. It was announced officially today.

By ROGER GREENE Associated War Editor

Lieut.-Gen. K. A. N. Anderson's British 1st Airborne has stormed within 27 airfield miles of Tunis in a sharp new offensive in North Tunisia, dispatches said today, while the south of the British 8th Army rolled up gains in pursuit of Field Marshal Erwin Rommel's battered Africa Corps.

Striking across battlefields of the ancient Carthaginian empire, the Air Force was reported to have advanced four or five miles by a surprise strike in the sector of Medjes-El-Bah, 37 miles southwest of Tunis, the dispatches said.

The German-controlled Paris radio said Anderson was attacking with a "fresh superiority in men and materiel."

Meanwhile, Gen. Dwight D. Eisenhower sent a message of congratulation to his field commander, Lieut. Gen. Harold Alexander, detailing the Army, the Navy and the Air Force are now in a position to assist the fall price on the economy confronting us in Africa. Good luck.

An Allied communique indicated that Sir Bernard L. Montgomery's British 8th Army, newly equipped with the American Army Corps, had been unchecked for the past 24 hours in driving Rommel northward along the coast.

A bulletin from Gen. Eisenhower said the British 8th Army developed a successful attack in the area between Medjes-Bah and Mouchir, taking prisoners and gaining much ground.

The communique said Gen. Montgomery's troops had cut off a series of Axis counterattacks after the Allied breakthrough at the West End Akabi, inflicting heavy losses on the enemy.

"Only a mobile force started to pursue northwards early on April 7," Allied Headquarters said.

The pursuit of the enemy continues relentlessly and many more prisoners taken with much abandoned material have been taken."

A Berlin broadcast asserted that Axis lines had been checked and that Allied attempts at encirclement had been frustrated.

"Axis troops have taken up fresh positions," the broadcast said.

Italian headquarters also reported that the battle was flanking the junction of U. S. troops with British 8th Army forces occurred on the rocky ridge of Djebel Chenoua, 15 miles east of El Guestar, on the road from Gafsa to the northeast. Headquarters announced.

Only a few hours before the junction, elite German troops were battling fiercely against heavy American armor, but later disengaged and retreated to the east from the sector of the West End Akabi, 20 miles north of Gafsa.

U. S. FLYERS BAG 37 JAP PLANES

Enemy Aircraft Destroyed In Sky Battle Over Solomon Islands

WASHINGTON (AP)—American fighter planes destroyed 37 Japanese aircraft in a sky battle over the southwestern Solomon Islands Wednesday, the Navy announced today, when the enemy struck at American shipping off Guadalcanal.

Seven American fighters were shot but one pilot was rescued. The battle, one of the greatest ever fought in the air of that area, was climaxed Tuesday night at Guadalcanal when the enemy struck at American shipping throughout the Solomon Archipelago.

The battle, one of the greatest ever fought in the air of that area, was climaxed Tuesday night at Guadalcanal when the enemy struck at American shipping throughout the Solomon Archipelago.

This afternoon, moderately warm with moderate winds and occasional showers. Tonight, showers with freshening winds and rapidly falling temperatures from about that of last night. Shade light at 8:02.

THREAT TO LIMIT ARMY SIZE HEARD ON CAPITOL HILL

McNitt's Announcement Leads To Speedy Action In Congress

PROOF OF NEED SOUGHT Mapower Head Says Fathers Under 38 Will Be In Service This Year

WASHINGTON (AP)—Announcement by War Mapower Chairman Paul V. McNitt that the end of 1942 will mark able-bodied fathers under 38 in the armed forces would throw a capstone on Hill today of legislation to limit the size of the armed forces.

Chairman McNitt said he would urge Congress to pass the bill by the House to give deferment priorities to men with children and added that he would demand a congressional review of mapower figures if they don't stop foisting around down at the House.

McNitt added that when whole-sale drafting of fathers under 38 some changes are indicated in the law.

LARCHMONT BOARD GETS NEW BUDGET

Public Hearing Set For April 22; Village Staff Members Reappointed

The budget committee last night presented the Larchmont Village Board a new budget for 1942. It was recommended by Mayor J. E. Eckert and Edward E. Hagan, assistant village engineer.

The following re-appointments were made by the Board: Miss Shirley Stead as deputy village clerk, William J. McWilliams, village engineer and superintendent of the park and recreation department.

OPA POSTPONES DATE FOR NEW MEAT CEILINGS

Standard Prices On Beef, Veal, Lamb, Mutton, P. Off. For Month

MAY 17 SCHEDULE SET

Some Prices May Be Reduced Before Being Reinstated, Agency Hints

WASHINGTON, (AP)—The Office of Price Administration today postponed for a month the effective date of its newly announced retail price on beef, veal, lamb, mutton and hinds some of the prices may be cut down before the new ceiling will be effective.

The new prices, standardized by government officials of a week ago, have gone into effect tomorrow morning. The new effective date is May 17, according to OPA said and the postponement was "a definite indication" that the agency will be "holding the line" in the present order.

Meanwhile, OPA regional and district offices have been instructed to make an immediate check of the new retail ceiling against retail prices in effect at the time of the President's order.

On the basis of these surveys, together with trade meetings, OPA said it "will determine whether revisions are needed."

No immediate indication was available from official sources as to OPA's intent concerning revisions, but some officials acknowledged that protests have arisen against the large number of cases the proposed beef-lamb-veal price appeared to permit large chain stores to profit by substantial percentages.

Some chain stores, including today by the War Department, he said in a pilot one of the most important cases already won in action in a campaign against "baiting."

Lieut. Hamilton, who attended Jones School, in New Rochelle and Williams College, in the summer, and Mrs. Thomas A. Hammer, of 1315 Avenue Larchmont, he entered the service last June.

Wins Air Medal

Second Lieut. Arthur J. Hammer, who recently graduated from the Army Air Corps Anti-Submarine Command Training School at Lackey Field, Va., has been awarded the Air Medal, by the command today by the War Department. He is a pilot on one of the most important cases already won in action in a campaign against "baiting."

Lieut. Hamilton, who attended Jones School, in New Rochelle and Williams College, in the summer, and Mrs. Thomas A. Hammer, of 1315 Avenue Larchmont, he entered the service last June.

COMING THE TOWN

Navy Gunner

Joseph Montagna, above, son of Mrs. Rosa Montagna of 118 Palmer Avenue, Village, is serving as a gunner aboard the aircraft carrier USS Yorktown. He has been an Atlantic patrol and is expected to be in the short voyage home in May. He is a graduate of Mamaroneck High School and for the past year has been an instructor at the naval base in Jacksonville, Fla.

Bank's War Record

A summary of the war activities at the Bank of Westchester is given in the annual report which has just been published. The bank has received 17 medals and 10 citations for its war service since Pearl Harbor. The bank has now \$1,800,000 in war bonds and 274 ration bank accounts have been opened.

Leads His Class

Grego J. Lancia, son of Mrs. Kay Lancia of 335 Mt. Pleasant Avenue, Village, is a member of the first class in training at Knox College, Galesburg, Ill. He received an average of 900 credits for his work last year. He is a graduate of Mamaroneck High School and was employed by the Smith Engineering Company in New York before he was inducted into the Army last January. He took his basic training for the Air Corps in Miami, Fla.

Wins Corporalcy

Ozro R. Foran, son of Mr. and Mrs. John C. Foran, of 105 Woodland Avenue, has recently been promoted to the rank of corporal. He is a mechanical engineer and is in San Diego, Calif., with the Consolidated Vultee Aircraft Corp. He is a graduate of Mamaroneck High School and before he was inducted into the Army last November, was employed by Arnold Constable and Co. He took his basic training for the Air Corps in Miami, Fla. and Annapolis, Tex. He is married to the former Frances Ellis of New Rochelle.

Repairs Airplanes

First class James W. Lancia, son of Mr. and Mrs. Douglas Lancia of 105 Hillside Avenue, Village, graduated this week from the Army Air Force Technical Training Command School at Seymour Johnson Field, N. C. The aviation mechanic course which Mr. Lancia has completed qualifies graduates to keep airplanes in proper repair.

At Officers School

Corp. Russell Carson Howell, son of Mr. and Mrs. Robert H. Howell, 254 Lawrence Avenue, Highland Park, N. J., is completing the advanced training at Camp Crowder, Mo. and gone to Fort Monmouth, N. J., to attend Signal Corps Officer Candidate School. Before enlisting in the Army last May, Corp. Howell was employed by Kohn, Taylor and Company, Wall Street, New York. His wife lives at 308 South Barry Avenue, Mamaroneck.

Returns to Duty

Pvt. J. E. Eddie Yarn, who has been visiting his family at 339 Mount Pleasant Avenue, returns to the Army Air Corps at Syracuse today after a three-day furlough. An former popular employee of Kohn, Taylor and Company, Mr. Yarn has two brothers in the Army.

1st Blackout Baby Born at Hospital

The distinction of being the first blackout baby to be born at the United Hospital during a blackout belongs to Ann Gregory, daughter of Mr. and Mrs. Milton Gregory, of 181 Pleasant Street, Village, who was born on Saturday, April 12, last night.

The Daily Times

MAMARONECK, N. Y., THURSDAY, APRIL 15, 1943

RESIDENTS SHOW SLIM KNOWLEDGE OF RAID SIGNALS

House And Store Lights Turned On Too Soon All Over Westchester

FIRST TEST A FAILURE

Army Reported Worried Over Confusion And Lack Of Information

Millions of house and store lights were switched back on too soon last night and violated Westchester's first test of the Army's new air raid warning signals.

Army authorities reported frankly worried over the confusion of lack of information and education exhibited by the public. Westchester and Nassau Counties, were alerted by the Army to instruct civilians that lights should be kept off until the all-clear is given by radio.

Mamaroneck, excepting to the widespread failure throughout the County to keep lights blacked out during the blue signal following the red signal last night, according to a statement received this morning by William H. Johnson, deputy county director.

He advised that the county headquarters that there were no lights blacked out in the blue signal as claimed at the White Plains Control Center. He reported via the wire emergency line in the Control Center that "everybody" switched their lights back on for the blue period, however there were "plenty of violators" of house lights throughout the Village.

House lights were turned on when the street lights came on. Mr. Richards said, since people apparently did not understand that the drill was a whole was very short, he pointed out and allowed time for only 15 minutes to be started out in the Village.

"The public response was very feeble," said the officer of Harry B. Jennings, of the Village, and directed the County to "do its best to get the public into the habit of keeping its lights off during the blue signal, the results were very poor."

He also pointed out that the use of street lights "does not give all parts of the County an opportunity to receive the All Clear signal because of the many 'dead spots' in this area."

The State and the Army also pointed out that the use of street lights "does not give all parts of the County an opportunity to receive the All Clear signal because of the many 'dead spots' in this area."

U. S. Army Photographs Sgt. Worden F. Lovell (above)

Sgt. Worden F. Lovell (above) is probably the most unobscured man in the Army today. While hurrying along in a jeep to catch up with an advance unit of the British Eighth Army he asked a group of British soldiers for directions. When, instead of answering one of the men asked him why he wanted to know, Lovell told him in rather "plain language" that he was in no mood to carry on conversation. He was later discovered by the British "soldier" was Gen. Montgomery.

BRITISH PUSH DRIVE ALONG TUNISIAN FRONT

PRISONERS SOAR

By ROGER GREENE
Special to The Times

Allied Headquarters disclosed today that Gen. Sir Bernard L. Montgomery's British 8th Army had begun to storm the main Axis defense line at Enfidaville, 60 miles below Tunis, and that German and Italian prisoners captured since March 20 had risen to 30,000.

"Our troops continued their advance on most sectors of the Tunisian front," a communique from Gen. Dwight D. Eisenhower's Headquarters announced.

The war bulletin said Luftwaffe planes were shot down and others destroyed on the ground. The British 1st Army pressed its offensive North of Medja-Ez-Bab, 34 miles southwest of Tunis, and seized "an important feature over 400 feet above the line of the race of opportunity."

Along with the British 1st Army's advance in the North, Allied Headquarters announced that Gen. Montgomery's 8th Army troops "are in contact with the enemy deep in the Enfidaville line."

COULD THE TOWN

War Pilot Home

Lieut. Robert G. Edwards, pilot of the New York Coastal medium bomber training by employees of the railroad which recently crashed in Toms River on leave visiting his father, Harry D. Edwards, 75 Pine Brook Drive, Larchmont.

Fighter-Writer

An article by Sgt. Solomon Elsh, 4505 110th St., W. Astoria, Ore., appeared in a recent issue of the "Air Mail" magazine. Elsh is a combat correspondent with the United States Army Air Corps.

Off For Training

Ensign Edwin R. Heizer, Jr., U. S. N. R., son of Mr. and Mrs. E. B. Heizer, of Chamberlain Garden Apartments, Town left on Sunday for Boston, Mass. He will be transferred to the United States Army Air Corps in the near future.

At Missouri Port

Mr. John C. Thiel, son of Mr. and Mrs. Wm. Thiel of "The Blue Lotus," Westfield, N. J., arrived at the New York Agricultural Institute at Fort Leonard Wood, Mo., and will have intensive training in preparation for combat engineering.

Beginns Air Training

Mrs. J. P. Schmitt, son of Mr. and Mrs. Milton Schmitt, Jr., 11 Maple Hill Drive, Town, has arrived at the Army Air Corps school for a course of instruction prior to his appointment as a cadet in the Army Air Corps. He joined the Army in January and took the basic training at Atlantic City, N. J.

Beginns Training

Alton Wood Evans, son of Mrs. Helen C. Evans of Stratford, Conn., formerly of Manamorcq, is now attending the Navy's basic flight training class at Pensacola, Fla. He is a graduate of Manamorcq High School where he was active in athletics and a member of the band.

Railroad Absolved In Three Deaths

The N. Y. N. H. & Hartford RR Co. was absolved of any negligence in connection with the recent fatal collision with the "Camden" train of the Camden & Atlantic RR. The verdict was rendered by a jury in the Federal District Court at Newark.

MARKET FINDER

NEW YORK (AP)—Stocks moderate the general run of industries and coal leaders and reactions to around a point.

AMERICANS PUSH AHEAD SIX MILES IN NORTH TUNISIA

British Capture Nazi Stronghold And Advance Along 22-Mile Front

FOE BATTLES BITTERLY

Hiller's Spring Drive Sags In Caucasus; Jap Ship Sinks To Bottom

By ROGER GREENE

Associated Press War Editor

American troops returned to battle advanced six miles and seized 100 prisoners in North Tunisia, it was officially announced today, while the British 1st Army captured the German "Wildin" stronghold at Long Stop Hill and secured deep new gains along a 22-mile front.

Long Stop Hill lies only six miles from Tunis, the capital, and is the key to the coastal plain. It guards the pass leading to Medjerda.

Sir Harold Alexander's ground troops, transferred from the southern to the northern sector for the final drive against the Axis, were driving along the road to Matier, 18 miles southwest of Bizerte.

Another U. S. column smashed seven miles through Axis hill defenses, under heavy fire, in the region northeast of Beja and to the north of the Helwan-Sidi el Bahi road.

A Reuters (British News Agency) dispatch said the British 1st Army captured 100 prisoners and 22 tanks and eight miles southwest of Medjerda.

American troops returning to the front from the desert and seized more than 100 prisoners in North Tunisia, the Allied Command said today.

The communiqué's announcement of the capture of 100 prisoners and 22 tanks and eight miles southwest of Medjerda, the British 1st Army captured 100 prisoners and 22 tanks and eight miles southwest of Medjerda.

Complete announcements of the capture of 100 prisoners and 22 tanks and eight miles southwest of Medjerda.

POLITICAL PRESSURE USED IN RYE NECK SCHOOL RACE, TWO CANDIDATES CHARGE

CAPTAIN WHITING DIES IN CAPITAL

Life-Long Larchmont Resident Had Long And Distinguished Naval Career

Capt. Kenneth Whiting of 98 Paris Avenue, Larchmont, died suddenly last night of pneumonia at the Naval Hospital in Washington, D. C.

On the famous Tunisian battlefield, the former Field Marshal Sir Erwin Rommel's beleaguered army was broken and it is reported that the British 1st Army was on the verge of sweeping down on the mountainous troops at the foot of the hills.

For the moment, the 1st Army's progress is checked by German forces.

The Nakh Command also stressed the fact that the "enemy," as they called it, was a "powerful and experienced" force.

It is reported that the British 1st Army was on the verge of sweeping down on the mountainous troops at the foot of the hills.

Parkway Transfer For Sale Thruway

Town Officials And Organizations Led Fight MOVE BLOCKED

Local officials and organizations are today sharing credit for the vets last night by Governor Dewey of the bill which would have transferred the Pelham-Port Chester Parkway right-of-way to the State for construction of a post-war thruway from the Bronx through Westchester to New England.

Formed Supervisor Bert C. McInch took today the fight against the legislation claiming it would cut a severe blow to property values along the proposed highway which would have been open to traffic.

Supervisor Over A. Mandeville followed him in opposing the measure in the Board of Supervisors.

Another transfer star was today added to the long list of Broadway and Hollywood artists who will contain a large audience Wednesday night at the Mamaroneck Playhouse for the benefit of the Red Cross War Fund.
