BURGULARS TAKE \$285 AND SODA IN 2 NEW BREAKS

July's 16th, 17th Cases Reported In Town And Mamaroneck

The 16th and 17th burglaries in this area during July were reported over the weekend to Village and Town of Mamaroneck police. The loot in the last two breaks consisted of four cases of soda pop and nearly \$300 in valuables.

Mr. Rich told police at 9:30 A. M. Sunday that he and his wife had returned home at 2 A. M. to find the windows shattered in the living room and a television set missing.

Police officers searched the area and found a broken window pane in the yard. A pay envelope containing \$75, a man's watch, two lady's watches and a jewelry box containing a diamond ring were missing from the living room.

Extended Session Feared

Housing, Pay Snarl Congress

WASHINGTON (AP)—Congress adjournment plans were snarled today by disputes over public housing and pay raises for its own employees as the session moved into overtime with other major legislation also pending.

Leaders in both houses focused tonight as their new goal for the session was to pass the housing bill and the pay raise bill by the end of the week.

Some lawmakers said private bills would be taken up next week. The housing bill, which would provide for the construction of 100,000 new public housing units, is expected to be passed by the end of the week.

Other lawmakers expressed the view that it might be hard to pass the pay raise bill by the end of the week. The bill would provide for a 3 percent pay raise for all federal employees.

The pay raise bill is expected to be passed by the end of the week. The bill would provide for a 3 percent pay raise for all federal employees.

The pay raise bill is expected to be passed by the end of the week. The bill would provide for a 3 percent pay raise for all federal employees.

Capture American Flyers Released As Geneva Talks Open

No Comment In Geneva U. S. Seeks Release Of 40 More Citizens

GENEVA (AP)—The United States and Red China today agreed to concentrate their private negotiations first on the problem of releasing American flyers captured in the Korean War.

Mr. Johnson had little to say on arrival other than that his mission was outlined fully in the state department's July 26 statement announcing arrangements for the negotiations.

This statement stressed that the most American aim in the talks would be to secure release of the 40 civilians either in prison, under house arrest or denied exit permits. It added, however, that the U. S. government hoped to reach an agreement on the problem which would facilitate discussion and settlement of other practical matters now in issue.

The U. S. official believe that talks might last two weeks. Both sides have indicated that, if the negotiations between the two governments achieve positive results, they may be followed by a meeting between Secretary of State Dulles and Red China's Premier-Foreign Minister Chou En-lai.

NEW ROCHELLEAN BURGULARS TAKE

Emil Budetti, 64, Found In Uncanny Water

A man bathing in a lake in Blue Mountain Reservation was found dead in the water yesterday, the Medical Examiner's office ruled today that Emil Budetti, 64-year-old, of 111 Weaver Street, New Rochelle, was the victim of accidental drowning.

A swimmer says the body floated face down in five feet of water at 11 A. M. Life guards and a Peckskill Police Department emergency squad attempted to revive him but he was pronounced dead at 11:30 A. M.

Mr. Budetti, a widower, had come here with his daughters, Evelyn Budetti and Mrs. Olga Aulio and the latter's husband, Frank, a New Rochelle policeman.

Born May 28, 1889 in Italy he was the husband of the late Anna Pellegrino Budetti. He was a communicant of St. Gabriel's Church and a member of the Master Builders Association.

Peckskill Man's Child Drowns In Canal OTTAWA (AP)—Mary Anne Cahill, nine-year-old daughter of a U. S. Embassy attaché here, drowned yesterday in a tidal Canal Lock at Long Island, N. Y., 15 miles south of here.

August Plays July's Game; Aims For 100

August took a cue from July and set a goal for himself of winning 100 games in the month, according to the record-breaking month left-off hitting Westchesterers.

By 11 A. M. the mercury had risen to 87, seven degrees below the normal for the date. Yesterday's high temperature was 80.

The weather bureau said the temperature would climb into the 90s today in all parts of the state and might hit 100 in some sections.

Scattered thunderstorms will bring some relief tomorrow, forecasters said, with temperatures ranging from the low 80s to the low 90s.

The 11 A. M. humidity at Westchester County Airport at 75° was a new unrecorded high for the date.

Watermain Leaks Several persons attempted to repair the leaking Royal Canadian Air Force main, Bernard Lecomte, formerly from Ottawa, was the water expert through a flume. He turned out to be a plumber.

MILK STRIKE OFF THREAT REMAINS

Employers Charge Union With 'Cat-Mouse' Game

FOODMARKETERS (AP)—A strike of milk tank truck drivers that threatened to cut off supplies to customers in the New York City metropolitan area has been postponed.

Several hours before the strike deadline last midnight, Samuel Geiman, chairman of the Joint Negotiating Committee for the AFL Teamsters Union, announced.

The union's announcement came after it suspended negotiations for a new contract covering 1,000 drivers who deliver milk from the New York City milked to dealers in New York City, New Jersey and Connecticut.

Both union said it remained ready to resume negotiations but rejected terms offered by management as "entirely inadequate as a basis for settlement."

Robert H. Jones, counsel for the employers, said three alternative offers were made.

The union's offer included a 10 percent wage increase, a 5 percent cost-of-living allowance, and a 5 percent increase in vacation pay.

The employers' offer included a 10 percent wage increase, a 5 percent cost-of-living allowance, and a 5 percent increase in vacation pay.

Peiping Tells Of Liberation Over Radio

TOKYO (AP)—Peiping Radio said tonight Red China had ordered the release of 11 American airmen who have been sentenced on charges of "spying."

The airmen were captured in the Korean War. Peiping's announcement, however, came as the United States and Red China opened talks at Geneva on the ambassadorial level.

The 11 are Col. John Knox Arnold Jr. of River Springs, Minn.; William H. Baime of Lewisburg, Pa.; Capt. Eugene John Yessell of Clayton, N.Y.; Capt. Eugene F. Llewellyn of Missoula, Mont.; Lt. Wallace L. Brown of Newark, N.J.; Lt. John W. Ruck of Philadelphia, Pa.; Lt. Paul M. Hume of Stevens E. King, N.Y.; Lt. Robert H. Johnson of New York; Lt. William W. Thompson of Orange, Va.; and Airman 1st Class Daniel C. Schmidt of Redding, Calif.

The 11 were in a B29 which was shot down Jan. 12, 1951, on what the Far East Air Force called "a routine leaflet dropping mission over North Korea."

Red China charged they flew over Manchuria on a mission for the U. S. Secret Intelligence Service. The airmen were held in U. S. custody since November 1950 for terms of from 4 to 10 years on espionage charges.

The Red Radio commented: "During the period the sentences they observed discipline and behaved themselves fairly well. The authorities in Manchuria reported to send them over to North Korea."

The tribunal decided on July 31 according to law to release these 11 criminals before the completion of their terms and to carry out immediately the release procedure and to send them out of China.

At the time of announcing the sentences, Peiping Radio said: "The 11 were in a B29 which was shot down Jan. 12, 1951, on what the Far East Air Force called 'a routine leaflet dropping mission over North Korea.'"

The United States has reported that the airmen were spying or were in a secret mission. The Chinese said they were in a B29 which was shot down Jan. 12, 1951, on what the Far East Air Force called "a routine leaflet dropping mission over North Korea."

Mr. Johnson said today that as far as the United States is concerned, there is no information given to press on the talks. The American also told photographers that he would not permit pictures of himself and Wang to be taken.

Wang returned in his statement to Chou's proposal of top-level negotiations between Red China and the United States to ease tension in the Far East area.

How To Get Others To Do More It's not necessary to be a born leader. There's a very simple way of getting others to respond. A leader who wants to use a combination of "do as you would be done by" will bring more action than you anticipated.

Combing The Town

Dependence Marked

The 6th anniversary of the independence of Switzerland and a gift to the Town of Mamaroneck Planning Board's secretary became intertwined following a 1 1/2 hour meeting of the Board at the Town police station.

A. Mulbacher, Board chairman and a native of Switzerland, called the members' attention to the fact that on Aug. 1, 1815, the people of Switzerland declared themselves free and independent, and have remained so ever since.

He then declared that without the services of Mrs. Margaret Birtles, the work of the Board as well as the zoning Board of Appeals, of which she is also chairman and his secretary, would grind to a halt. He revised her work and said she keeps the members on the right track.

He then presented her a bottle of "Frasne" perfume made by Marcel Rochas of Paris, which he acquired last winter on a trip to Europe and his native Switzerland.

The water-pressure meter in the Board Room at Municipal Hall, Larchmont, yesterday was read sharply at 7 P.M. and by 8 P.M. had taken a sudden, immediate.

Water engineer Francis Griffin, who kept one eye cocked on the meter during the Board meeting, is aware that the meter is likely being tampered with. He is likely being tampered with.

He then presented her a bottle of "Frasne" perfume made by Marcel Rochas of Paris, which he acquired last winter on a trip to Europe and his native Switzerland.

County Broils Again

No Rain In Sight

Fever heat smothered westchester for the second straight day today, threatening to reach the upper 90s again.

The high temperature yesterday at Westchester County Airport, Nye Lake, was 95 at 4:30 P. M. This morning's temperature was running about 10 degrees higher than at the same time yesterday.

The outlook for tomorrow is partly cloudy with a high near 90. The normal maximum temperature in New York City for August is 82 degrees and the normal minimum 67.

The record high for the date in New York was set in 1947, when it reached 95 degrees. There was no rain in sight for the metropolitan area.

Update: New York's heat yesterday was sandwiched between two thunderstorms which dumped power at Dumkirk and George's opposite ends of the state. In between, the temperature at high as 100 degrees at Elmira.

200 LARCHMONT FAMILIES PARISH AS MAIN BREAKS

Area Without Water for 12 Hours After Key Supply Line Ruptures

A break in Larchmont's main water line yesterday, the year's hottest day to date, completely cut off the supply to some 200 sweetening families for 12 hours and interrupted service to virtually the entire village for half an hour.

Announcement of completion of repairs at 10 P. M. was coupled with a plea to all consumers to intensify conservation efforts.

Supply Shut Off

On discovery at 10:30 A. M. of the break, the Larchmont Waterworks, Larchmont Avenue, Village officials shut off the Larchmont supply and sought assistance from the Westchester Joint Water Board.

All Larchmonters went without water while the supply was switched into the Westchester Waterworks plant on Nassau Road.

The break completely cut off the supply to the 12-hour apartment and homes in the block section bounded by Larchmont Avenue, Palmer Avenue, Chateaufort Avenue and Rockwell Terrace, while repairs were being made.

The break completely cut off the supply to the 12-hour apartment and homes in the block section bounded by Larchmont Avenue, Palmer Avenue, Chateaufort Avenue and Rockwell Terrace, while repairs were being made.

An estimated 200 families in the section were without water throughout the 12-hour repair period, and pressure throughout the village was reduced because of the difference in pumping equipment between the two local water supply agencies.

Village Engineer Frank Griffin reported that Larchmont Water officials had noticed a reduction in pressure at 4:30 A. M. yesterday.

Water in Basement

A 10-man police reported a call from the residents at 218 Larchmont Avenue, stating that water was accumulating in the basement of the home.

The break completely cut off the supply to the 12-hour apartment and homes in the block section bounded by Larchmont Avenue, Palmer Avenue, Chateaufort Avenue and Rockwell Terrace, while repairs were being made.

Mr. Straub said that the waterworks had cooperated with Larchmont Village during a 12-hour emergency period while a main line near Chateaufort Avenue and Rockwell Terrace was repaired.

Geneva Talks Ease Tension In Far East

LOCAL MAN DIES 3 WEEKS AFTER TWO-CAR CRASH

William Hall 2nd Victim Of Auto Plunge Into Mt. Vernon Excavation

MOUNT VERNON — Mount Vernon automobile accident three weeks ago that resulted in the death of a sixty-five-year-old woman yesterday claimed the life of the forty-year-old driver who died in Mount Vernon Hospital. The Medical Examiner made the ruling.

William Glen Hall of 618 Third Street, Mamaroneck, former resident of New Rochelle, died yesterday at Mount Vernon Hospital of injuries sustained in an automobile accident July 7. Mr. Hall, forty-five, was injured in the crash which killed Lillian Neal, sixty, of 108 Plain Street, New Rochelle.

A second passenger, Harvey Rickard, forty-five, also of the Mamaroneck address, was seriously hurt.

The accident occurred Saturday night, July 2, on Union Avenue and Sanford Boulevard, Mount Vernon, when a car driven by Mr. Hall and Ernest Therrell, forty-seven, of 439 Third Avenue, Mr. Hall's car, police reported, went out of control, struck a tree and plunged over an embankment into a 20-foot deep excavation.

Mr. Hall was admitted to Mount Vernon Hospital with hip, arm and chest injuries.

Mr. Hall had lived in Mamaroneck for 10 years and prior to that in New Rochelle. He was a graduate of Jefferson High School in York and had been employed as a day worker with Mrs. E. L. Norman, 1 Norman Drive, Larchmont.

Surviving are his parents, Mr. and Mrs. John Hall of York, Pa., and Mrs. Theresa L. Hall of New Rochelle. Mrs. Mary E. Hill of High Point, N. C., and Mrs. Hazel Hamer, Concord, N. C., and three brothers, Edmund Hill of Philadelphia, Emanuel Hill of Philadelphia, and Rev. James Hill of York, minister since of the A.M.E. Zion Methodist Church in York.

Previously the Bulgarians had said Red anti-aircraft guns downed the airliner and promised special payment for the \$1 million plane. But the Israeli Foreign Ministry said Monday that Israeli investigators who inspected the wreckage saw "numerous bullet holes" and gained "the definite impression" that they came from machine-gun fire.

Announcement of completion of repairs at 10 P. M. was coupled with a plea to all consumers to intensify conservation efforts.

'55 CHEST GOAL SET AT \$31,500

Mamaroneck Reserves Depleted, Auletta Says

WASHINGTON (AP) — Budget wrangles of the last few days turned to mutual compliments and rolling good humor as President Eisenhower relayed the message to the House of Representatives that the Democratic-controlled Congress which had strongly supported him in foreign policy matters and given him the money bill he asked in the domestic field.

A half-dozen major bills and scores of lesser ones had been rushed to his desk in the final long day and night of this first session of the 84th Congress.

These included bills on housing, polio vaccine, the Washington transit strike, defense production, loans to small business and a money bill to finance Congress.

House Speaker Carl Albert, chairman of the eight congressional committees, reported that there will be a picnic for the ill Monday, but four or five blind people will have to be transported to White Plains where a bus will take them to the picnic grounds. The club voted to hire a taxi to get them to White Plains.

He also reported that a blind person would be a guest in the club to purchase one. A request from the David McDaniel Lodge Druce and Bugle fee from those who have made reservations.

Leo Hollans was asked to take board committee and placed in charge of collecting the outing fee from those who have made reservations.

Rival-Led Congress Ends Work; Pleased Ike Sends His Regards

Bulgars Alter Version Of Plane Crash

LONDON (AP) — Communist Bulgaria admitted today that two of her fighter planes shot down an Israeli airliner last Wednesday.

The Sofia government said it would discover and punish those responsible for the catastrophe.

All 58 persons aboard the airliner, including 12 Americans, were killed in the crash. The plane, which had gotten off course, went down just north of the Bulgarian-Greek border.

Previously the Bulgarians had said Red anti-aircraft guns downed the airliner and promised special payment for the \$1 million plane. But the Israeli Foreign Ministry said Monday that Israeli investigators who inspected the wreckage saw "numerous bullet holes" and gained "the definite impression" that they came from machine-gun fire.

The Bulgarian announcement also conceded that the "organs" of the anti-aircraft defense were "not in the best state of readiness."

Far East Peace Seen As U.S. China Confer

WASHINGTON — The Eisenhower Administration is meeting with unexpected speed to make Red China a series of settlements which may eventually reduce far more peaceful conditions in the Far East.

In relations between Red China and the United States, diplomacy and public dealings appear to be displacing loud talk and threats. This parallels the move for the Chinese Reds to discard permanently their military endgame and to participate in negotiations with the United States.

He told his news conference that this parallels the move for the Chinese Reds to discard permanently their military endgame and to participate in negotiations with the United States.

He said he does not know whether a new peace is opening but he left no doubt that it is intended to make the most of it.

11 Freed U. S. Airmen Reach Manila In Fairly Good Shape

MANILA (AP)—The 11 American airmen freed by Red China last week reached a Clark Air Force Base from Hong Kong where they earlier had crossed the border to the border to freedom.

They were met by Brig. Gen. William L. Lee, commander of the U. S. 13th Air Force, and by U. S. Ambassador Homer Ferguson.

The airmen, who were held for 11 days, were previously held at Clark before they went to Korea on rotation in 1952. They will fly tomorrow to Tokyo, and then to the U. S. and will be met by their families.

At Hong Kong, Col. John K. Arnold, forty-one, of Maryland, unit leader, bitterly told a press conference "I'm not at all satisfied to a red damn thing" in his captivity during the 11 day period.

By good condition, three doctors reported.

Mr. William H. Deamer, thirty-two of Lewisburg, Pa., was on crutches. He said his left leg was wounded when the plane was shot down. He later suffered frostbite.

Col. Arnold declared his 3229 border while on 35 to 40 miles north of the Yalu River, China border while on a leaflet dropping mission over North Korea. All crewmen bailed out and were captured in North Korea, he said in his first chance directly to

Medical checks after they crossed the border bridge to freedom today showed all to be "in good condition," three doctors reported.

Four Rescued At Sea

Larchmont Yacht Explodes And Burns

NATHON ISLAND, Mass. (AP)—The 38-foot yacht *Oasis* exploded and burned in Vineyard Sound near here yesterday. Four persons leaped into the sea and were rescued by a nearby boat.

The yacht was owned by R. J. MacDonald, a resident of Larchmont, N. Y., a past captain of the Larchmont Yacht Club, 100 Larchmont Avenue, Larchmont, N. Y.

Mr. MacDonald was reported severely burned on one arm, but he was taken to the nearest hospital for treatment. He was identified as Mr. and Mrs. Robert W. MacDonald.

Three guardsmen extinguished the fire within an hour of the explosion which occurred at 1:30 P. M. but the yacht was a charred hulk by that time. Mr. MacDonald was taken to the hospital for treatment.

Mr. MacDonald was reported severely burned on one arm, but he was taken to the nearest hospital for treatment. He was identified as Mr. and Mrs. Robert W. MacDonald.

24-Hour Respite

For more than 24 hours, beginning at 10:38 P. M. Tuesday, a single injury was recorded on the Mamaroneck police book.

Right before last a slight auto accident was reported in front of 23 Mamaroneck Avenue. The first report was recorded at 11:20 P. M. yesterday when a boat was reported found.

It must have been just too late for trouble.

To Legion Conclude

Mr. and Mrs. Milo Ciraco of 23 Mamaroneck Avenue, Mamaroneck, N. Y., will be the guests of honor at the annual dinner of the Mamaroneck Legion on Friday.

Mr. Ciraco, commander of Mamaroneck Post 90, American Legion, is a delegate to the National Convention of the Legion, which will be held in New York City.

They expect to return Sunday.

On the Ball, Kids!

Kids, do you want to see the exciting action of the Mamaroneck Boys' Club in Brooklyn for the week of August 1-7?

If you are between 10 and 16 and get on the phone for the week of August 1-7, you can see the exciting action of the Mamaroneck Boys' Club in Brooklyn for the week of August 1-7.

Mr. Ciraco, commander of Mamaroneck Post 90, American Legion, is a delegate to the National Convention of the Legion, which will be held in New York City.

They expect to return Sunday.

On Their Toes

No more sitting down at meetings by members of Mamaroneck Council 2847, Knights of Columbus, for the rest of August.

Mr. Ciraco, commander of Mamaroneck Post 90, American Legion, is a delegate to the National Convention of the Legion, which will be held in New York City.

They expect to return Sunday.

Brink's Job Bungled

2 Held, 3d Hunted As Big Holdup Flops

BUFFALO, N. Y.—Three men snuff out a guard and fled with about \$100,000 from a Brink's armored car carrying nearly a million dollars last night.

Two of the bandits were captured and recovered the money. They were taken to the Buffalo police station.

The third man was identified by police as James Sheridan, 11 City Blocks.

No charges were placed against the two captured bandits in connection with the holdup.

Three Brink's guards joined by police exchanged shots with the holdup bandits in a twisting and turning chase through more than 11 city blocks.

Two of the bandits were captured and recovered the money. They were taken to the Buffalo police station.

Hope Despite Humidity

Ah! Heat Letup Near

A strong sun burned through early morning clouds through today and the heat index rose to temperatures back to the 90s after a one-day reprieve in the 80s.

The weatherman said the clouds could expect to dissipate until Saturday from the southeast. "Somehow clouds" was a phrase he could be expected for the week-end because of breezes from the south.

The drought that many consider the worst to hit the state in a generation continued unabated.

The 11:15 A. M. Westchester County Airport temperature was 81 compared with 81 at the same time yesterday. Yesterday's high temperature was 89. The temperature remained at 79 degrees most of the night, bringing some pleasant sleep to many. The mercury rose at about two degrees an hour this morning.

A westerly breeze of 10 mph offered a little relief this morning. It was counteracted by a rising humidity—71 percent at 11:15 A. M.

Temperature ranges in the 80s across the state again today. A moderate 81-82 at the County Airport from the 8:00-9:00 A. M. period.

Mr. Walter said his group's hearing is going to show that the cause celebre has been the price of propoganda and real money.

This hearing was brought on yesterday by two witnesses who spent years as Communist Party members at FBI request.

Mr. Thomas of Allentown, Pa. and Mrs. A. Charnow of Chicago, Ill.

Mr. Charnow, a Polish immigrant from 1944 to last year, said Communist predominated in organizing a local committee to help the Russians. He said the party always kept a certain percentage of the money.

Storm Connie Whirls Over Atlantic Ocean

MIAMI, Fla. (AP)—Tropical storm Connie, third of the year, whirled its winds over open Atlantic waters today 2,000 miles southeast of the mainland.

The Weather Bureau at Miami said the storm may already have reached hurricane force and steamships were warned out of the sea.

An Air Force hurricane hunter plane was to fly toward it from Bermuda during the day to gather additional information. It is moving westward from the mid-Atlantic.

SIXTEENTH STORE HIT BY BURGLARS

\$200 To \$400 Missing; Police See Pattern In String Of Breaks

Between \$200 and \$400 was stolen last night from a cash register at Quality Market, 213 Mamaronck Ave., Mamaronck, police report, bringing to 16 the number of recent burglaries in Mamaronck believed by police to be related.

The break was discovered by Ed Gehr, proprietor, when he opened for business police found the register had been broken into and the money was missing.

The burglar went to the sixteenth store and immediately removed the cash register to a police station and immediately removed. Police were unable to find any fingerprints of value.

Mr. Gehr was unable to tell police much had been taken but expected that later he can give them a more definite amount, again after the break.

At 1:05 A.M. today police received a report of a burglary in the rear of the store. The burglar broke glass bottles in the rear of the store in an attempt to get into the store.

A check of the area failed to reveal any signs of a break. It was explained by police that the burglar had been hiding in thick brush in the rear of the store.

Other burglaries in Mamaronck, the town of Mamaronck, revealed over the weekend. Larchmonter would make the burglaries total 19.

Fly In The Eye

The arrest came even in the harbor island refreshment stand during a baseball game, Michael Polchinski, sixty three, of New Rochelle, concessionaire, discovered at 5:30 P.M. yesterday.

A game was in progress between the Mamaronck Cardinals and the Pleasantville Tigers when Don Blaine, nineteen, of 625 Second Street, Mamaronck, a Cardinal, stepped to the plate.

As aung a mighty swing, and Polchinski was in the right eye by the baseball.

He refused medical attention and presumably went home well refreshed.

The police doctor doesn't say so, but it's a fair presumption that after that he kept his eye on the ball instead of vice versa.

A Pigeon And A Lass
A crippled pigeon found a friend Friday in Mamaronck and apparently decided that if the Friendly Village is for the birds, this bird is for the Friendly Village.

Merry Meyers, eight, daughter of the Harold Meyers of 812 The Parkway, found the bird, a white-eyed vulture, on the family roof and named it Red.

None of these police reported followed the bird. In all cases in Mamaronck burglars have gained access through rear doors or windows of business places.

At 1:05 A.M. today police received a report of a burglary in the rear of the store. The burglar broke glass bottles in the rear of the store in an attempt to get into the store.

U. S., RED CHINA TALKS BOG DOWN

No Progress Made On Prisoner Exchange

GENEVA (AP)—The United States and Red China were reported bogged down today over procedure on the proposed repatriation of civilian nationals of the two countries.

After a meeting of almost two and one-half hours, Ambassadors Alexis Johnson and Wang Ping-nan called another 45-hour session without announcing any progress.

The discussions will take more time, a Chinese communique source said.

The United States was understood to be insisting that no Chinese were being detained against their will and to be demanding that the Chinese Communist furnish a list of any they contained are being held.

Summer Slimming Slants

It's not just the perfect time to see in what direction you want your body to change, but it's also the time when you're likely to get other people's advice.

Bedroom Burglar Nets Trousers, Coins, Tooth

Frank Nielsen of 219 Hathorn Avenue, Mamaronck, yesterday told Mamaronck police he was awakened by a burglar who had entered his bedroom.

Mr. Nielsen dressed hurriedly, he said, but by the time he reached the street the man had disappeared. The trousers contained an empty pocketbook, his pipe, tooth and about \$3 in change, he said.

Mr. Nielsen showed police a letter the burglar from the neighborhood but found no one there.

FUTURE POWER FOR PEACE SEEN BY A SCIENTIST

Prediction Made At Atomic Conference By Indian Aide

GENEVA (AP)—Indian scientist Homi J. Bhabha opened the first International Atomic Energy Conference today with the prediction that the way may be found to harness the atomic energy of the hydrogen bomb for peaceful uses.

Mr. Bhabha, president of the 79-nation scientific party, said that a solution may be found within the next 20 years.

"The energy problems of the world will truly have been solved forever for fuel will be as plentiful as heavy hydrogen in the air," he said.

Mr. Bhabha spoke as the hundreds of delegates gathered at the opening, twenty-second of the conference 10 years after the first atom bomb leveled Hiroshima.

The conference in the Palace of Nations in Geneva is the first atomic energy in its role as a program in the field, said Bhabha, to articulate and mediate. It will continue until Aug. 20.

At their sessions the scientists will hear hundreds of papers and discuss the peaceful utilization of atomic energy. Hundreds of other papers will be published for study later.

The United States and Britain are the two major powers in the field. U. N. Secretary General Dag Hammarskjöld said they have long urged atomic energy to be used for peaceful purposes.

"This is the process used in atomic power plants and United States and Britain are building and in the 5,000-kilowatt station the Soviet Union says it has been operating for more than a year."

HARRIMAN FEARS STATE TAX RAISE

'Earnest Effort' Cited To Avert New Hike

NEW YORK (AP)—Governor Averell Harriman says New York State taxes may have to be increased to meet the needs of the state.

He adds that he is making an "earnest effort" to avert any tax hike, but he says he may be forced to raise taxes if the state's financial situation does not improve.

Mr. Harriman viewed the view yesterday on a television program. He said the state's financial situation is "not good" and that he is "not proud" of it.

His statement he signed he said, was one that his six unit men said they signed statements in counties in danger of being over-run by the mob.

At the trial in Peiping, other statements were added to this which made it sound as if he had conducted a spy ring.

It is reported that statement he signed was one that his six unit men said they signed statements in counties in danger of being over-run by the mob.

Vicious Storm Hits Vicinity; Snaps Heat, Little Damage Here

Rains Bring Some Relief To State's Crops

Weathermen blamed cool, refreshing air for the first time in eight days today after it took a somewhat cool, calm spell to break a heat wave that lasted almost a month.

The storm late yesterday afternoon disrupted electrical power to 5,807 Westchester customers, and to all customers in Greenwich, Conn. It also cut power to limbs, smashed windows and caused injuries.

Three quarters of an inch was recorded on the weather gauge at the airport, including a rain of the soaking variety early this morning.

The airport said winds reached a velocity of 15 mph but 1 1/2 winds were noticeably stronger in White Plains, Thornwood, and the Hudson River communities from Hartwood north to Peekskill where most of the power failures occurred.

Water Parler Inc. The rainfall in Mamaronck was "very disappointing," George Kraus, superintendent of the Westchester Joint Waterworks, reported. Only .33 of an inch was recorded on the weather gauge.

Crossing Guards

Women between the ages of 23 and 26 who wish employment as Village of Larchmont school-crossing guards are requested to contact Police Chief William Keresey at Police Headquarters in the Municipal Building or by calling LA 3-2000.

Four women are needed to guard the crossings at the Chatsworth Avenue School and at St. Augustine's School beginning when school opens in September. They will work during the 192 school days from September 10 to June. The crossings are guarded one hour in the morning, one hour and a half during the noon lunch hour and from 7:30 to 8:15 P.M. There is no Sunday, Saturday or holiday work. Uniforms are furnished by the Village. Chief Keresey.

Naval Scholarship

Alan Morrison, son of Mr. and Mrs. Joshua Morrison of 400 Westchester Road, Larchmont, has been awarded a competitive four-year Naval ROTC scholarship and will enter Yale University in September.

A June graduate of Mamaroneck High School, Morrison is active in athletics, participating in basketball, football and tennis. Member of the National Honor Society and chairman of the honor committee, he was also elected a member of the Traffic Safety Council. He spent last summer in Europe under the auspices of the American Field Service, living for two months with a family in Osnabrück, Germany and touring for a month in Holland and France.

Specialist At Fort Jay

Specialist Sgt. Peter Tishman, twenty-three, son of Mr. and Mrs. Norman Tishman of 1000 O. D. White Plains Road, Mamaroneck, has been assigned to the 1st Marine Battalion at Fort Jay.

Specialist Tishman, a veteran of service on Guam, has been in the Army since September, 1953, and wears the United States and Korean Service ribbons. He took basic training at Fort Dix, N. J.

Aids Korean Army

Pfc. Henry A. Selzer, son of Mr. and Mrs. Henry Selzer of Hawthorne Road, Larchmont, is a member of the Korean Advisory Group, which recently returned to the states after a tour of duty in Korea.

Man Jailed

30 Days On License Court

Thomas Hefflin, fifty-three, of 2 Orchard Street, Town, today chose an alternative of 30 days in the Westchester County Jail over a \$100 fine imposed by Judge Mano Biewer in the Town of Mamaroneck Police Court on a charge of driving with a revoked license.

Combing The Web

Slumber Course Over
Midshipman Stuart B. Sprague of Mr. and Mrs. Patrick B. Sprague at 417 Wagner Avenue, Mamaroneck, recently completed a summer training course at the Naval Amphibious Base, Norfolk, Va.

Mr. Sprague attended Rye Neck schools and was graduated in 1933 from Bellows Falls High School, where he was a member of the Protection Club, the Yacht Club and the Chess and Club. He played football for three years and was a member of his graduating class, and was a member of the Honor Society.

He is an ROTC cadet at Brown University where this fall he will enter his junior year.

Boatride Slated
Reservations for the Mamaroneck Lions Club boat ride August 24 are growing. Mervyn Conner, reservations chairman, said yesterday at a luncheon meeting in Green Haven Inn.

J. T. Walsh, secretary, was welcomed back from a six-week vacation and immediately appointed editor of a monthly bulletin by Stanley H. Young, president.

The resignation of William Bourdage was accepted with regret. He has been moved from this area, he advised the club.

Dates Not Set
No date has yet been set for the caucuses of the Republican and Democratic Town Committees, Charles J. Greenberg, Town Clerk, advised today.

The primaries at which caucuses will be held in Algonquin County will be held Sept. 13, he said, and election day is Nov. 4.

The caucuses will probably be held during the week beginning Sept. 10, he stated. He is now circulating petitions of candidates to be filed before 3 P. M. Sept. 26.

Things will probably be quiet for a while now, Mr. Greenberg said, "but you can look for plenty of activity after the primaries Sept. 13."

Like Tests Sentiment Governors Queried On Arms Blueprints
CHICAGO (AP)—MAYOR William Blount announced support among the nation's governors today for President Eisenhower's proposal for an exchange of military blueprints between the United States and Russia.

Mr. Blount, former Minnesota state executive, circulated widely among his fellow governors as the 47th annual Governors' Conference prepared to meet in a discussion on arms and highway safety, sponsored by a discussion group.

Mr. Eisenhower's bond-financed building program.

The fact that Mr. Eisenhower has sent his plan for reciprocal military installations was regarded as in some quarters as indicating the plan will be refuted or postponed even as the forthcoming meeting of the United Nations disarmament subcommittee.

New Viewpoint Needed Dieting 'Rough' Mostly Mental
By IDA JEAN KAIN
On this Summer slimming quest, get out of the rough and on to the railway by tossing out all your previous notions about dieting. The rough is mostly mental.

The common error is to regard diet as a restriction—depriving you of favorite foods. This very attitude sets up an inner resistance which makes resisting an ordeal.

Now the mental gymnastics you do in this summer slimming quest are to get a new point of view. You really want to lose. Think of dieting as enabling you to achieve your goal—normal weight. Concentrate on the rewards and you can be enthusiastic about calorie curbing.

When the two of you set out to lose weight, one of the other must agree down on the amount of power score. Analyzed, this power is mental attitude in normal weight is wholehearted. You are not dieting; you are losing weight. You are not dieting; you are losing weight. You are not dieting; you are losing weight.

MAMARONECK, N. Y., WEDNESDAY, AUGUST 10, 1955

BURGLARS OOT EMPLOYEES LOCKERS IN BATH BREAK
County Workers Report \$360 Outdoor Stolen; Take Undetermined

An undetermined number of outdoor lockers were stolen last night from the locker room at Barry's 2001 East Post Road, Mamaroneck post office. This was the first burglary of a Mamaroneck building in six weeks.

The theft was discovered by two employees of the Westchester County Health Department's Division of Sewers, when they went to their lockers to get a 125-watt jobpower motor to start the day's work. The motor is valued at \$300.

They called Henry Rita, in charge of the crew, who called police when he discovered the padlocks on 30 to 55 lockers had been broken.

A count of all of the forced lockers by police revealed that nine older and smaller lockers had been taken, police reported. Mr. Rita said he would be unable to state the number taken until the stolen motors could be identified.

Mr. Robert Stoddard he had locked up about 12 P.M. The door to the locker room was not locked, he said. The padlocks on 30 to 55 lockers had been broken.

When alerted by police, he turned off three spotlights on a pole along the edge of the concrete platform that lights the platform and docks. The locker room is left open, he said, for the convenience of early-morning fishermen.

At 5:15 A. M. Anthony Harris, of 309 Baited Avenue, Stamford, called to go fishing. He took police, but did not enter the locker room. However, he saw the six-aluminum auxiliary tank for outdoor lockers.

When called by police, he turned off three spotlights on a pole along the edge of the concrete platform that lights the platform and docks. The locker room is left open, he said, for the convenience of early-morning fishermen.

RESORT residents are shown
boardwalk late yesterday at Atlantic City, N. J., prepared for gale winds and a threatened visit from hurricane Connie.

Telephone and power executives worked late yesterday and today. Yesterday, the resort was coping with almost any emergency.

Even if Connie does not strike this area, full force, the service of her wires will be left.

The highest tides ever recorded in the County said, a combination of the tropical storm and low-pressure area over land will push water into the shore.

At normal high tide, the sea level will be greater, and may cause water in the shore streets of New Rochelle and Mamaroneck.

Carol produced slides up to several feet of the water yesterday and last night. She said she had seen the water in the shore streets of New Rochelle and Mamaroneck.

Mr. Robert Stoddard he had locked up about 12 P.M. The door to the locker room was not locked, he said. The padlocks on 30 to 55 lockers had been broken.

Port Chester Youth Fined On Knife Count
For possession of a dangerous weapon, James E. Williams of 18 Shortland Street, Port Chester, last night was fined \$10 in lieu of 30 days in the Westchester County Jail in Larchmont Police Court, Acting Judge John Edwards presiding.

Williams was arrested by Larchmont police early Saturday morning at 10 Bronson Avenue. He was charged with carrying a knife on his person. Police reports state the nineteen-year-old was carrying a "butter" knife and a "great boddy" knife.

Winds Rise; East Rushes Storm Guards
NEW YORK (AP)—The popular East coast, far north as Cape Cod, based down today and leaves in the 3d District of New Jersey and parts of Pennsylvania were flying here.

New York City's Weather Bureau forecast wind of 20 to 30 mph by tonight, reaching a gale force tomorrow. The bureau said that by gale force it meant 30 to 40 miles an hour.

The Coast Guard canceled all leaves in the 3d District of New Jersey and parts of Pennsylvania and Connecticut.

Many ships out to sea to escape or ride out the storm rather than risk being battered by their docks. At military airfields, planes were run into hangars or flown to safety inland.

County Will Negotiate With G.M. Over Park
The Westchester Park Commission practices no decision yesterday on General Motors' request that it be allowed to use Kingsland Point Park in North York, adjoining GM's Chevrolet and Fisher Body plants.

Instead, the commission after lengthy discussion, voted to refer the G.M. request to a commission for further study.

Mr. Haight said he would be unable to state the amount of the offer. He said he would be unable to state the amount of the offer.

SEVEN CENTS

Connie Swirls Off Coast; Northward Move Expected

All Seaboard Prepares For 135 mph Wind
HATLERMAN, N. C. (AP)—Hurricane Connie whirled off the Carolina coast today, her 135-mile wind threatening another mighty blow at the area still locking the wounds of last year's disastrous Hazel.

The big storm was almost stationary this morning some 225 miles southeast of Wilmington, N. C. But the weather bureau reported the dangerous hurricane northwest or north late today as gusty winds abated, tipped tonight compliance between that port city and Atlantic outpost on North Carolina's outer banks.

The entire Eastern Seaboard remembering three 154 hurricanes in 1933, said the storm was 250 persons and caused upward of \$10 million damage, killed 700 eventually and, tipped a watchful eye on Connie's progress.

May Sweep All East
Indications today were that Connie would hit not far from the point Hatteras populated East near to Currituck. Most hurricanes blow themselves out shortly after they reach the Atlantic coast.

See Page 2—CONNIE

Crews Here Batten Down For Connie
All precautions against the fury of Hurricane "Connie" if she strikes this morning, officials reported today.

The giant storm, off the Carolina coast this morning, could swing into this area early tomorrow or later in the day.

It could bring not only big waves and water disturbances but also heavy rain, gusty hurricanes Carol and Edna swung north.

It could do this area in a matter of hours.

In any case, officials of the Town of Mamaroneck and the Village of Larchmont are batten down for emergency. Public utility services have also made preparations.

Officials state in the three communities here, including Larchmont, the crews of the long-line sewer running stations have been notified to stand by.

See Page 2—CREWS

Dulles Asks South Korea For 'Patience'
WASHINGTON (AP)—Secretary of State Dulles appealed to South Korea today to exercise patience and avoid any steps in efforts to force armed surveillance of the Korean peninsula.

Mr. Dulles asserted emphatically that the United States is in line up to its obligation to protect the free people of the peninsula from Communist attacks and plots.

South Koreans have staged violent demonstrations against the truce terms, in which a number of American soldiers have been killed, more seriously, charged President Syngman Rhee has demanded that they get out of his country.

Mr. Dulles agreed with South Korea charges that these Rhee are little more than spies, but he said he does not think information they pick up can imperil the Republic of Korea.

Mr. Dulles also reacted in response to questions, the whole day, by the Korean press, about the devastation of atomic war because of the United States' refusal to accept no for people.

Accept No Substitute
We're crying wolf, actually because nobody's going to do a damned thing, inasmuch as the kind of action that followed the announcement of this message in The Daily Times was not only for insects and not for people.

Combing The Town

Key Goods Chief

MAMARONECK, N. Y., THURSDAY, AUGUST 11, 1955

SERVING MAMARONECK AND LARCHMONT SINCE 1925

SEVEN CENTS

COUNCIL LIMITS APARTMENTS TO 3 FLOORS, 40 FT.

65 Palmer Rezoning Falls; Hommocks Area Upped To AA

Theodore Riegel, above, of 25 Anna Avenue, Larchmont, was elected a vice president of the Board of Directors of the Town Council. He will be in charge of all town key goods purchasing as well as inventory and production of key goods.

Mr. Riegel has been associated with the corporation and its predecessor companies since his admission from Massachusetts Institute of Technology in 1922, except for five years when he was with the Hunter Manufacturing and Commission Co.

He has been secretary of Riegelville Corp. since 1941 and assistant to the executive vice president since 1951. He was elected director in 1953.

He is a member of the Metropolitan Club in New York and of the Larchmont Shore Club. He is a member of the Board of Education of the Mamaroneck school district.

Apartment houses in the Town of Mamaroneck are not limited to three stories or 40 feet, high, the Town Council decided last night by a 3-2 vote. The action followed a public hearing.

Also approved, by unanimous vote, was upping of a part of the Hommocks area from rezoning A to AA. It was explained that the part rezoned does not include that portion where a youth center and a town swimming pool are under construction.

A split vote stemmed action after a public hearing on a third matter, to rezone 63 Palmer Avenue from residence D-2 to residential C. Councilmen Jeremiah Waterman and C. Benjamin Brush Jr. voted in favor of the rezoning, but Supervisor O. W. E. A. Mandeville and Councilman Philip P. Kane Jr. rejected "no vote."

Unanimity Required

It would require a unanimous vote of the four Council members to approve this zoning code amendment. A Councilman Jeremiah Waterman and C. Benjamin Brush Jr. voted in favor of the rezoning, but Supervisor O. W. E. A. Mandeville and Councilman Philip P. Kane Jr. rejected "no vote."

Use of Alternative

The annual board meeting of the Home Co. of the Larchmont Fire Department may have postponed because of Hurricane Connie, but the party will be held anyway. Albert Beeman, publicity director for the fire, said the hurricane makes cancellations necessary, the party will be held at the fire house, where the members can buy themselves and still be available for emergency weather permitting, however, the party will start at 8 P. M. at the Home Co. on Long Island St. at 8 P. M. and proceed to the Band Hole on Long Island St. for a day of sports, food, swimming and dancing, the committee announced.

In line with an old Home Co. custom, members who bring a fish on the day will be presented with the Band Hole on Long Island St. for a day of sports, food, swimming and dancing, the committee announced.

Harbor Island Okay

Harbor Island Beach in Mamaroneck has been declared fit for swimming by the Westchester County Department of Health following tests taken 30 feet from the beach. Village Manager William E. Johnson announced today.

The results of the recent tests, Mr. Johnson was advised, meet the health department standard of bacterial quality for bathing in the water sampling a 100 feet.

Pryer Bridge Bid

The last chapter of the year-old story of the closed Pryer bridge was written Wednesday night's meeting of the Mamaroneck Town Council when it voted to repair and improve the bridge by New Rochelle as a contractor.

A bid of relief could be heard in the Weaver Street Pier Department auditorium when the approval was announced.

The contract was won by McCall Construction Co. of New Rochelle, N. Y., with a bid of \$240,000, to which must be added, it was explained, \$100 for supervision and contingencies.

"Now I want to ask you people to do one thing," Mr. Mandeville stated after the vote, "Please keep your kids off the bridge as they don't tear it apart again. Please by please!"

Advanced in Japan

Pat. Alan W. Campbell, son of Mr. and Mrs. John Campbell, recently received his acceptance in Japan where he is a member of the 25th Army Band, Camp Muro. He is a policeman in the 1st Army Military Police Center. He is a 1948 graduate of Mamaroneck High School, where he played basketball. Campbell graduated in the Navy following graduation, part of it aboard the USS Philippine Sea.

He enlisted in the Army in 1950 and took basic training at Fort Dix, N. J. He served one year in 1952, where he received the rank of sergeant. He was assigned to the 1st Army Military Police Center for three months and then sent back to Camp Muro, Japan, in February, 1954.

THE WEATHER

Occasional rain and a little change in temperature today. High 70, low 50. Light breeze from the west. Moderate to heavy showers with this afternoon will increase by Friday.

11:15 A. M. Westchester County Air Force Base, Westchester County, N. Y., reported 73, relative humidity 98 per cent, wind 5 mph.

High 70s; today at 1:30 P. M. 70; tomorrow at 4:30 A. M. 68; P. M. 70.

Cleaners Cleaned Of \$176

Business Burglars Pull 18th Local Job

The 18th burglary of a Mamaroneck business place in six weeks was uncovered at A. A. T. yesterday by a bookkeeper. A Fleet Factory Cleaners, 328 West 4th Avenue, according to Mamaroneck police, who reported two metal boxes containing \$176 missing.

Marguerite Robertson, who she opened the office, discovered the \$176 cabinet had been jimmied and the two 3 x 5-inch boxes containing the money in small change and bills were gone. It is believed that the intruder entered the office from the back through an open window.

A telephone alarm was sent out yesterday that a 1955 Johnson outboard motor belonging to Mrs.

Arrested in New Rochelle

Ex-Con Resident Faces Deportation

NEW ROCHELLE—Enilio Punicello, fifty-two-year-old former convict who gained parole by cooperating with police and has since led an exemplary life of a typical suburbanite at 38 Beechwood Avenue, faces almost immediate deportation to his native Italy. Punicello was yesterday morning by two agents from the Immigration and Naturalization Service. Punicello was taken to New York City to await deportation with a week.

His wife, Mrs. Anna Punicello, interviewed today said she always had thought her husband "free from any strings."

In 1932, Punicello was sentenced to prison for five years on conviction of a \$150 holdup. He already had a record of three felonies and a subterfuge. A four-time offender can get a life sentence in New York State.

Big Four Sets Date For Talk By Ministers

PARIS (AP)—The French Foreign Ministry announced today the Big Four Foreign Ministers will meet at Geneva Oct. 27.

The Big Four leaders, the British, the American, the Soviet and the French, are expected to meet in October to continue the work begun by the Foreign Ministers' meeting in London last year that would prevent the reestablishment of German-Russian relations.

The announcement also said that the four powers have agreed to set up a joint secretariat for the talks, which will be handled by housekeeping details.

Summer Slimming Slants

By DR. ABRAHAM RABIN

Grab hold of this refreshable new idea. You can reduce without being "rubbed round" on a diet. As soon as you are alert and energetic, you can start the reducing menu as planned for the week by which all fat foods, you are free to plan your diet within your reducing calorie limit.

This diet has been tested by a monotonous fare, have done out of the diet. Such diets do nothing to change your regular pattern of eating, but help you to regulate your daily meals so as to control weight when the diet is over. The diet is a series of progressive meals, the backbone of progressive dieting, regardless of calories, is

Westchester Red Cross is ready for an emergency.

'55 POLIO CLAIMS 1ST COUNTY LIFE

John Franklin, MHS Honor Student, Dies

John Franklin, sixteen-year-old son of Mr. and Mrs. Bart Franklin of 1011 Orienta Avenue, Mamaroneck, died last night of poliomyelitis in Mount Sinai Hospital, New York City, a week after he was stricken. He was the first Westchester person to die of the disease this year.

In addition to his parents, he is survived by a brother, Thomas, and his grandfather, Sidney Sloman of New York.

A member of the senior class at Mamaroneck High School and one of the school's top honor students, he was elected to the 1955-56 year's class.

He was active on the tennis team, president of the Chess Club, a General Association representative and a member of the Engineers Club.

He was born June 28, 1938 in New York. The family moved soon after to Mamaroneck.

Funeral services will be held tomorrow at noon at the Campbell Funeral Parlor, 1076 Madison Avenue, New York.

Boston Polio Now Epidemic

BOSTON (AP)—An annual for nurses today as Massachusetts' polio emergency is an epidemic, a "mild epidemic," the description of Dr. Joseph P. Riordan, State Epidemiologist. The Massachusetts State Nurse Association said it hoped to reduce the number of polio cases to a minimum.

Police Chief Walter Kirchoff said, "We were not aware Punicello was going to be picked up until we read it in the New York papers this morning."

Market Advances

NEW YORK (AP)—The stock market made a quiet advance today, following along the lines of yesterday's modest rise.

9 Officers, 21 Others Face Morals Charge

NEW YORK (AP)—Nine Brooklyn policemen assigned to the 100th Precinct station face felony court action on charges of impeding the morals of a fifteen-year-old girl.

Also up for arraignment were 21 civilians, including one woman, who the four police officers charged with morals charges on the basis of a letter they had written to the girl's mother.

Twenty-five dollars additional—this was the amount that came to a Bronx homemaker after she told her sales store that she was a homemaker after she told her sales store that she was a homemaker after she told her sales store that she was a homemaker.

Thoughts Drift To Diane

Connie Proving Late, County Still Nervous

While hurricane Connie used her normally prerogative of taking her time, Westchester used the extra hours today to pull the final count down on the hurricane preparedness program—and on the county's tropical storm fund.

Diane of Puerto Rico, Westchester County's hurricane preparedness officer, said that all 35 branches in the county had been alerted. He said 13,000 volunteers are equipped to handle any emergency.

Shelters for evacuation of families left homeless by high tides and flooding have already been designated. Each branch is supplied with blankets, cots and medical supplies, he said.

On the Sound and Hudson river boat and yacht club crews worked last night, checking and testing motors. The boats were arranged in patterns last night. Shows from reports today were that the storm does not appear to be moving north, the less chance we have of its coming here," he said.

He said that the storm's movement, the less chance we have of its coming here," he said.

Made Board Chairman

ROSEY REEVES, above, of Carolina Island, Larchmont, has been elected chairman of the board of directors of the American Overseas Chinese Foundation Inc. He was elected at a meeting of the board of directors held at the Ritz-Carlton Hotel in New York, N. Y., on the 10th largest advertising agency in the world with billings in excess of 60 million a year.

Mr. Reeves joined the board in 1950 when it was formed as an outgrowth of the original group of directors.

Recently Mr. Reeves made news headlines around the world while on a trip to Moscow as manager of the United States team, which engaged the Russians in a four-round chess match under the auspices of the American Chess Foundation Inc. He was perhaps the first American to represent the United States in the 10,000 year chess match in which no greater than chess. His speech was enthusiastically received by the Soviet and West world press.

Mr. Reeves was accompanied on the trip to Moscow by his wife, Betty Joy Reeves, who charmed the Russian chess honor as a July party at the American Embassy in Moscow.

The Reeves have two completed and a daughter.

Cadet Tour Completed
Caded H. H. Jordan, Jr. of Col. and Mrs. Howell H. Jordan Jr. of 228 The Parkway, Mamaroneck, recently completed a Summer tour of Army, Navy and Air Force installations.

Cadet Jordan was graduated in 1953 from high school at College Park, Ga., entered West Point, and is in his junior year at the Academy. He is active in football, baseball, and basketball.

A noted Sunday school teacher and a member of the Honor Committee and the French Club, Cadet Jordan received his appointment to West Point in the fall of 1953.

During the tour, he spent a week on board several types of naval line ships and was sent to Fort Lee, Va., Fort Rucker, Fort Benning, Ga., the Ft. in Air Force Base, Fla., and Maxwell Field, Ala.

Sent To Fort Lee
Pvt. Bruce Jay Strong, son of Mr. and Mrs. A. K. Strong, 100 W. Madison Avenue, Larchmont, has completed basic training at Fort Lee, N. J., and was transferred to Fort Lee, Va.

Pvt. Strong attended Manhattan High School and the Westchester Preparatory School. He attended the Westchester Commercial School and the Westchester College for one year.

He was employed by the Barry Avenue Grand Union Store in Mamaroneck for two years before entering the Army.

Serves In Cuba
John W. James G. Whitton, Supply Corps, USN, son of Mr. and Mrs. John W. James G. Whitton, Larchmont, was transferred to Guantanamo Bay, Cuba, for a tour of duty.

Mr. Whitton attended Rye Country Day School and was a graduate of the Mount Hermon School, Mount Hermon, Mass. He was graduated in 1951 from the University of North Carolina at Chapel Hill, N. C.

He received his commission from the Naval Officers' Training Corps at Newport, R. I., in December, 1954, when he married the former Miss Christine Peller of Salisbury, N. C.

Milk Drivers Tottering On Brink Of Strike
NEW YORK (AP)—Milk hauls are affecting 17 million people in three states as a "day-of-action" proposition. A union spokesman said today as further negotiations were set in efforts to avert a milk truck drivers' strike.

The spokesman, Samuel Galt, declined to answer directly newsmen's questions about the prospect of a strike involving 1,000 members of the AFL-CIO International Brotherhood of Teamsters.

At least one reporter, a new photographer and two civilian members of the Pentagon staff were at Mr. Wilson's side when he was being escorted to the Pentagon.

Mr. Wilson had not defended him in the controversy which led to his resignation.

Mr. Wilson has spent more than 30 years in the comparative section of the laboratory and for the last five years has worked without fanfare at the Pentagon on the technical problems of the hydrogen bomb.

Car-Truck Accident Peurifoy, Son Killed In Thailand Crapup

BANGKOK, Thailand (AP)—U.S. Ambassador John E. Peurifoy, a man who likes fast sports cars, and his nine-year-old son, were killed today in a head-on collision with a truck on a narrow bridge 125 miles south of Bangkok.

The ambassador's other son, Clinton Peurifoy, fourteen, was injured critically in the crash, which came near the beach resort of Hua Hin, on the Gulf of Siam.

The tall, handsome ambassador, who celebrated his forty-eighth birthday on Tuesday, came to Thailand last November after brilliant service in U.S. Army.

Talks With Rebels Criticized

France Calls Reserve Troops, Africa Revolt Dead Now 2,000

PARIS (AP)—Callup notices went out today to French reserve units to reinforce the battle line in Morocco and Algeria. The Nationalist rebels in France's strife-torn North African territories.

Premier Edgar Faure announced the callup last night at the top of Aix les Bains, where he has been conducting talks with Moroccan leaders.

Mr. Faure refused to say how many reserves were involved. Most of France's first-line troops, once stationed in Germany, are ready when they are sent to North Africa, where fighting since Saturday has cost 5,000 lives.

Mr. Faure hurried to Paris to meet with cabinet members and government in the wake of a rebel victory in Algeria.

Estimates of the weekend death toll in Morocco and Algeria rose to 2,000. Official reports early today from Algiers put the number of rebels killed in Algeria at 1,000 and said another 1,500 were taken prisoner.

Fresh rebel attacks and continued French cleanup operations in Algeria brought new death tolls yesterday. Nineteen rebels were killed when they tried to enter Casablanca, a town of 8,000 being considered.

between Constantine and Philippeville. Another dozen deaths were reported in isolated clashes.

In New York, the 17-nation African-Asian bloc in the United Nations—jointly champions of independence for French North Africa—appealed yesterday to Secretary Dag Hammarskjöld to intervene in an effort to stop the bloodshed in North Africa.

Edward Ried of Lebanon said Hammarskjöld declined to make any comment on the appeal. Mr. Ried said a request for quick Security Council action was sent Casablanca, a town of 8,000 being considered.

Opening Dates Vary Local Schools Set To Greet Students

Schools in the Maramoneck and Rye Neck systems have announced their annual opening dates in preparation for the crowds of students who will arrive in the district on Sept. 7, 1955.

The regular work during the Summer in both school systems has been held to a minimum since a huge expansion program is under way at Maramoneck High School and in the Rye Neck area the uncertainty as to what program for expansion will be adopted has held down the normal Summer work on the buildings.

WILDCAT strike of longshoremen left passengers with the problem of moving their own luggage at New York City.

Yesterday, Mrs. Luis Whipple, wife of a Brooklyn, N. Y., jet-setter who had luggage from Lenny Peterson after arriving aboard the Queen Mary, Lenny and his mother, Mrs. Ida Peterson, left of Armond, N. Y., were on hand to greet Mrs. Whipple. Relief Funds Organized For Flood States

4,000 LAWYERS FETE PRESIDENT AT TENT LUNCH

U. S. Hopes To Provide \$80 Million Without Calling Congress

WASHINGTON (AP)—The Administration checked its available resources and conferred with Congressional leaders today as it sought to provide \$80 to \$100 million for flood relief without a special session of Congress.

That figure on the needs of the water-ravaged Northeast was given yesterday by Val Peterson, Civil Defense Administrator, after a White House conference put eight agencies to work surveying what they can do immediately.

President Eisenhower said yesterday he will call a special session of Congress if it is needed to make enough relief funds available. Most lawmakers expressed hope the money can be obtained out of appropriations already made.

Session Possible — James H. Dugan, U. S. House Press Secretary, said after the agency conference, however, that a special session is always in the picture and is still a possibility until we get further along with our discussions.

Gen. S. D. Sturgis Jr., chief of Army Engineers, announced early today he has ordered in medical mobilization of military and civilian engineering and construction personnel to remove debris, health and safety hazards and to restore public facilities temporarily.

Party-eight engineering officers were sent northward from Fort Belvoir, Va., and others were called from eastern, central and southern states to supplement field parties at work in the New England area.

In addition to the engineers, the White House conference included representatives of the Civil Defense, the Budget Bureau, the Commerce Department, the Federal Reserve Board, the Department of the Interior, the Office of Defense Mobilization and the Small Business Administration.

Mr. Peterson said that aside from the engineers, more time will be required to determine what help other agencies can give.

Mr. Peterson said that Mr. Eisenhower talked yesterday with some leaders of Congress to get their opinions and let them know what was being planned. Others, not immediately available, were to be reached today.

There is a general feeling that the agencies might be able to use funds already appropriated, with the understanding Congress might replace them as needed with supplemental appropriations next year.

Mr. Peterson said \$11 million is available and \$10 million Hayden, D. Aziz, of the Senate Appropriations Committee, said another \$10 million could be obtained immediately by President Eisenhower.

California Desert Hit By Sudden Cloudburst

SAN BERNARDINO, Calif. — Sudden Summer cloudburst deluged Southern California desert and mountain areas in three counties.

Accompanied by thunder and lightning, storm squalls inundated some communities with as much as 1 1/2 inches of rain in a few hours.

Flood Relief Program Needs Cash, Not Clothing, Supplies

Cash contributions are needed by the Red Cross for relief of flood victims in the ravaged Northeast states but at the present time all emergency clothing and supplies have been met by William Chester, acting chairman of the Maramoneck Branch, said yesterday.

The kindness and interest of residents here has been over-whelming," he stated. "We've received as many as 500 packages of clothing and supplies, but we don't want to swamp those people up there where they are displaced."

Red Cross branches will be notified, he continued. If necessary, the Red Cross will collect clothing and supplies for flood victims. George E. Mills said this morning that contributions to the Red Cross are being solicited by the Carpet Fair, 1879 Broadway.

Today's Chuckle

You're not driving your car after you pass 60 miles an hour, you're aiming it.

Legion Aids Flood Victims in the East

A sum of \$25 for the relief of flood victims in the East was voted to the American Red Cross last night by members of Maramoneck Post 10, American Legion, Paul Dowdell, post commander, at a meeting held at the Chateaufort Hotel, New York.

Members also formulated plans for the annual picnic to be held Sept. 11 at the T. W. Yard, Maramoneck.

Cause David S. O'Dwyer, son of Mr. and Mrs. D. W. O'Dwyer of 128 Hickory Grove Drive, Maramoneck, has successfully completed the recent Reserve Officers Training Corps Summer Camp at Fort Bragg, N. C.

A senior at the University of Vermont, Burlington, Vt., where he is working towards a mechanical engineering degree, O'Dwyer was made a member of the American Legion at a meeting held at the camp for a three-day period. He is president of Phi Delta Theta, the engineering fraternity at the university.

He is a 1952 graduate of Maramoneck High School where he was captain of the hockey team.

U. S. FLIER KILLS THREE IN BRITAIN

MANSTON, England (AP)—An American airplane went down with a gun in each hand at this point in the English Channel today, killing three British coast guards.

The gunman himself was shot down by a British coast guard. The dead were an American sergeant, another U. S. sergeant, and a Royal Air Force pilot.

Three other American military personnel and three British sailors employed at the base—two in a woman—were wounded.

The Air Force said it expected to announce the identity of the gunman later today but that the names of the other Americans shot would be withheld until their next of kin were notified.

The British police announced the gunman was Napoleon Chirac, but did not have his rank, age or hometown.

British police said two of the six sergeants and the pilot were killed in the crash and the third victim died later in a hospital. A confirmation from U. S. sources.

Local Leaders To Consider Community Chest Problems

A group of representative Maramoneck business leaders and residents met Monday at the home of Alexander D. Cole, 712 Core Road East, to discuss the problems and needs of the community chest and to plan for the 1955 campaign.

Doekers Quit; Only Luxury Liners Move

NEW YORK (AP)—Disruption of the Maramoneck Senior High School, besides the regular Summer clean-up and maintenance work, has been held in two of the rooms.

Patrick J. Conolly, executive vice president of the International Longshoremen's Association (ILA), had ordered all U. S. liner ships to work last night.

At that time, however, he said the men were angry and he didn't know whether they would stand orders.

The trouble started Monday when the Westcoast Company, a union organizing agency, had the waterfront, took away the work permit of a longshoreman.

Resentment quickly mounted and by last night some 500 union members had quit their jobs. They included the handling on 14 ships, including the Queen Mary, which was unloading.

When the S. A. M. work call was a strike of some longshoremen went back to work on pier where three liners, the American Explorer, vessel Independence, the Greek liner New York and the liner New York, were tied up.

Assassins Hit Syria Official

DAMASCUS, Syria (AP)—Urantian train in the freight train jumped the track on Six Arch Bridge shortly before the freight train was knocked into the river.

Seven crewmen were injured, one seriously. None of the passenger train's occupants require treatment, a spokesman for the Boston & Maine Railroad said.

All the passengers on the Montreal train continued their journey in a relief train.

A railroad spokesman said a freight car in the freight train jumped the track on Six Arch Bridge shortly before the freight train was knocked into the river.

The authorities said the assassin, Hamid Saleh, Syrian military commander, was killed by the police.

Mr. Saleh was taken to a hospital. Police launched a wide hunt for the assassins.

The authorities said the assassin, Hamid Saleh, Syrian military commander, was killed by the police.

Trains Crash Above River

LOWELL, Mass. (AP)—Ten cars of a 35-car Boston-to-Montreal train crashed today from a freight train were derailed in wild disorder after a collision on a bridge over the Concord River shortly before midnight last night.

One car in the freight train was knocked into the river.

Seven crewmen were injured, one seriously. None of the passenger train's occupants require treatment, a spokesman for the Boston & Maine Railroad said.

Confusion Clearing Up In Flood Areas

NEW YORK (AP)—The worst confusion was clearing up today in flood-ravaged sections of the northeastern states.

Even in the most severely affected communities, there was no loss of life or injury, the return of their children brought relief to many a worried parent's eye.

One eight-year-old girl, clutching the belongings she had saved from her mother in Allentown, Pa., calling out excitedly: "Mommy, we had a flood."

The death toll came in for a record, revising the number of deaths from 180 down to 176.

Bill by further repairs were made. Here and there another increase in the number of deaths was reported.

The first estimates from the Pennsylvania Summer camps brought news of worse damage than had previously been reported.

Car Insurance Rates Rise, Decrease In South

Motolists in southern Westchester will receive a small decrease and those in the north a slight increase in new liability insurance rates effective today.

In the classification for \$10,000 personal injury and \$5,000 property damage for adult owners using cars for pleasure, rates in the lower part of the county will drop from \$82.20 to \$61.60.

In the new classification northern Westchester premiums will increase from \$54.20 to \$56.00.

Dividing line is south of Peekskill, through Kensico Reservoir to the tip of Connecticut.

The new rates apply to motorists with policies in the 200 counties affiliated with the National Bureau of Casualty Underwriters and the Mutual Insurance Rating Bureau. Separate schedules apply to independent companies.

Police Hits 4; County Toll 51

WHITE PLAINS—The unrelenting surge in the police continued today as four new cases were reported by the Westchester County Sheriff's Office.

The first case was a 14-year-old boy, a 13-year-old girl, a 12-year-old girl, a 11-year-old girl, a 10-year-old girl, a 9-year-old girl, a 8-year-old girl, a 7-year-old girl, a 6-year-old girl, a 5-year-old girl, a 4-year-old girl, a 3-year-old girl, a 2-year-old girl, a 1-year-old girl, a 0-year-old girl.

Combing The Town

Closed Again

Larchmont's Wash & Waxes was closed again today by the County Department of Health when it became necessary to both pump and pump out a break in a force main at the Willow Avenue pumping station near the bridge in Larchmont, Paasch, village engineer, reported this morning.

Because of the break in the force main, Mr. Griffin explained, pumping operations in all of the stations were stopped and raw sewage is dumping directly into the Sound. This will stop here the break is discovered an exact spot, he said.

"The sad part about this," Mr. Griffin said, "is that in about a month this station will be abandoned. By that time the interceptor and new pumping station in the new New Rochelle sewerage will be completed. It had to happen sooner."

Where To Aid

Greatly needed cash contributions for the relief of flood victims in the New England area may be made either to the Westchester County Chapter of the Red Cross, 106 North Broadway, White Plains, or to Paul F. Breen, 200 Westchester Avenue, at the Mamaroneck branch.

Passenger Car of the Boat

When Maine Montpelier-bound Red Wing express boat was submerged between a submerged freight car and a bridge abutment, the train collided with a derailed freight in Lowell, Mass., yesterday, 21 killed and 100 injured, the accident today.

President Named To Head School

Dr. Albert R. Brinkman of 103 Murray Avenue, Larchmont, has been appointed principal of the new \$1,000,000 Larchmont High School, which is being built on the site of the old Larchmont High School, by that system's Board of Education.

Flood Aid Planned

Supervisor Owen A. Mandeville today called a meeting of Mamaroneck, Larchmont and Westchester County officials to organize a local committee for the purpose of collecting funds, food and supplies for the flood sufferers in the hurricane-ravaged areas of the north-east.

Home On Leave

Alman 1st Alfred L. Roche, son of Mr. and Mrs. Danforth H. Roche, 29 Valley Road, Larchmont, is spending a month's leave from his family before reassignment to the Army Air Corps Base, Fort Worth, Tex., as a personnel specialist. He returned last month from Casablanca, French Morocco, and Italy.

Course Completed

Mid. Samuel Gordon, son of Mr. and Mrs. David Gordon, 82 Victory Grove Drive, Larchmont, has completed a three-week aviation indoctrination course at the Naval Air Station at Corpus Christi, Tex.

Ahern At Conference

Dr. T. James Ahern, superintendent of the Mamaroneck School system, is currently attending a Conference of School Administrators at the University of Connecticut, Storrs, Conn. Mr. Ahern is taking part in discussion of school administrative problems and of how they may be solved.

Police Cases Gain

WASHINGTON (AP)—New police cases listed by the Justice Department last week totaled 2,138, an increase of 282 over the previous week. The week ending Aug. 13, the Public Health Service reported today.

The Weather

Fair this afternoon, tonight and tomorrow with some variable cloudiness throughout. High temperature this afternoon near 80, low tonight 69 to 65, high tomorrow in the upper 80s. Visibility moderate to excellent. Partly cloudy and warmer today. Increase in cloudiness, wind and more humid today. High 81 to 85, low 68 to 72. Windy, with some rain or drizzle. High 81 to 85, low 68 to 72. Windy, with some rain or drizzle. High 81 to 85, low 68 to 72. Windy, with some rain or drizzle.

SEVEN CENTS

SULTAN REFUSES TO STEP DOWN IN MOROCCAN CRISIS

Ruler Drops Bombshell in French Efforts to Settle Conflict

AIX-LES-BAINS, France (AP)—Sultan Mohammed ben Moulay Arafa dropped a bombshell into the French Moroccan conference here today with a statement that he does not intend to quit his throne.

The statement was released by the Sultan's chief of protocol, Si Abdelrahman el Hauli, generally regarded as the power behind the Moroccan throne in Rabat, 84 Hauli conferred with French Ministers this morning immediately on his arrival here from Rabat.

The Sultan refused to leave the throne, even though French efforts of French Premier Edgar Faure to settle the Moroccan crisis in a deal with Moroccan exiles, Vincent et Marcellin, secretary, stated today.

The Larchmont check amount was delivered to P. A. Larchmont, local branch chairman, Mamaroneck, Federal Savings and Loan Association this morning.

Thomas Casella is venerable of the Lodge.

Two "Ging accusers" were spotted by two Larchmont youths while they were in Flint Park about 10 P.M. yesterday, one of the kids told The Daily Times.

Robert Jay of 2 Douglas Lane said his flying saucer was the horizon much too far for a star, then disappeared.

His companion, Kit Meakin of 41 Brville Drive, had a similar experience the other one which, he declared, disappeared in the air.

Young Jay said that the saucers could not have been wings of a plane because they were seen through space diagonally.

Both were traveling much too fast to be returned to the base, he stated.

Mrs. Maria Circo of 633 Locust street, president of the Mamaroneck Branch of the Newark Guild of America Inc., announced today that she had received donations of new clothing and bedding from the Newark Guild.

All such merchandise will be used for relief in flood-stricken areas.

National headquarters of the Guild in Philadelphia suggested, Mrs. Circo said, that money contributions be sent to headquarters so that the needed articles may be purchased at wholesale.

Upon receipt of the articles, upon request, she said, a cash contribution is expected to be sent from the local branch.

WESTCHESTER SUMMER CAMPERS from New England who arrived yesterday at the Westchester County Airport, Rye Lake. The boys had been chartered an airliner for the home-bound trip of 400 boys from White Plains, Scarsdale, Greenburgh, New Rochelle and Mamaroneck. The boys left Westville at 7:30 A.M. and arrived at the County Airport at 8:15 A.M. They were accompanied by Mr. DuPont's son, Ena, George DuPont of the Naval Air Corps—Staff Photo by Warren Ineise.

'I'll Hit Full Stride in Fall

All-Out Polio Attack Must Wait

WASHINGTON (AP)—It will be Fall before the nationwide polio vaccine program resumes full stride and an evaluation can be made of its results so far.

This was indicated today by comments from federal officials and a survey of state capitals on plans for implementing a new program of federal aid to provide free vaccines for many children.

State officials reported yesterday steps toward taking advantage of a new law providing \$30 million in federal funds for state administered free vaccine programs.

Under the law, states will decide which children get the free vaccine. Some states are planning to supplement federal funds to provide free injections for all children, or at least for more children than could be supplied through federal appropriations.

The National Foundation for Infantile Paralysis is furnishing free shots to first and second-grade school children.

In another program which has handled relatively small amounts so far, vaccine is distributed to states from commercial manufacturers under quotas set up by the federal government.

Indian, 1,000 Miles from Larchmont, Gains Size And Force

U.S. Eyes Balanced Budget For 1956

WASHINGTON (AP)—Treasury Secretary Humphrey, using words he has cherished ever since he took office two and one-half years ago, now says the government "should and can" balance the budget this fiscal year.

But he added at a news conference yesterday that it is "entirely possible" to balance the budget in 1956, but he is recommending tax cuts when Congress returns in January.

The official summer budget revision by the Treasury Department topped \$17 billion short of Mr. Humphrey's optimistic goal of the budget outlook. The Treasury still predicted a deficit of about \$1.5 billion for 1956.

That was \$700 million more than the figure President Eisenhower forecast in his budget message to Congress last January. The set was based on the following revised estimates:

1. Spending will total \$24.8 billion in the fiscal year—\$1.1 billion more than the January estimate, but \$700 million less than spending of \$4.6 billion in fiscal 1955.

2. But the government's income will be swelled enough by the rapid economic expansion now in progress to more than offset the rise in the total fiscal year. Receipts for the current fiscal year are now estimated at \$21.1 billion—\$2.1 billion above the estimate made last January.

That is \$1 billion more than the fiscal 1955 tax yield of \$20.3 billion.

3. The budget deficit is now estimated at \$3.7 billion for 1956, instead of the \$2.4 billion forecast in January. The deficit for fiscal 1955 was \$4.3 billion.

The new deficit would be the lowest in five years, and was only a half cent of total spending.

Mr. Medwick, a chemical engineer, president of Advanced Products Corporation, and Ruppel Inc., with manufacturing plants located in the Bronx. He is a graduate of Pratt Institute and Columbia University, and is a member of the American Chemical Society.

Resident 11 Years A resident of Larchmont for 11 years, Mr. Medwick is a member of the Larchmont Camp Fire Club Council, trustee of Larchmont Temple, and was chairman of the building committee of the new Larchmont Temple, dedicated in 1954.

Mr. Medwick is married to the former Lucille Markov and has three children, Paul, thirteen, Susan, ten, and Cathy, six.

In accepting the Adoption Service chairmanship, Mr. Medwick stated, "The agency is in active service, has children under care, and is a professional staff, and its own headquarters at 11 Longwood Avenue, White Plains, N. Y."

"Larchmont helped the Adoption Service get its start. It is now in a position for a continuing fund to enable it to carry forward its purpose," he said.

Attorneys in Portland said the marriage to Mr. Fine "never existed legally" because she was married to the late.

At Sacramento the divorce attorney, Howard Wolke, said he was mailing the divorce papers to Mr. Fine.

And he added, "If people are really interested in the future happiness of the pair, they will leave them alone."

Germany Offers Aid to West German Red Cross Today

WEST GERMANY (AP)—The West German Red Cross today offered help to the victims of America's flood-stricken areas.

In a telegram to the American Red Cross, the German organization asked to be advised when it could provide.

Where To Leave Your Flood Gifts Where to send flood relief gifts, check and cannot post in Larchmont and Mamaroneck.

Cash contributions may be left at Red Cross Headquarters at 121 Larchmont Avenue, Larchmont, and with Paul Stark, Mamaroneck, or with the treasurer, at Mamaroneck Federal Savings and Loan Association.

Unneeded goods and clothing, 11 Edgewood Avenue, will be picked up by Mamaroneck in Mamaroneck, may be left at the Mamaroneck branch, 160 Mount Pleasant Avenue.

Cash contributions may be left at Red Cross Headquarters at 121 Larchmont Avenue, Larchmont, and with Paul Stark, Mamaroneck, or with the treasurer, at Mamaroneck Federal Savings and Loan Association.

Winds Range 70 Miles To Northeast

MIAMI Fla. (AP)—Hurricane Edith, fifth of the year and third in a month, struck today off the Atlantic today and weathermen predicted it would grow in size and intensity.

Still small as hurricanes go, Edith's winds of 50 miles an hour or more over a 24-hour period centered after two days of whirling in the northeast.

Hurricane winds extended outward 70 miles to the northeast. Gale winds extended 150 miles to the north and 100 miles to the south and west of the center.

At 4 A.M. the storm was centered about 1,000 miles due east of Miami and the same distance southeast of Cape Hatteras, N. C.

It was moving along a northwesterly course at 15 mph and was expected to continue in that same general direction and at the same pace throughout most of today.

Bill weather forecasters in the Miami office said it was too early to predict what course Edith might take once she reached maturity.

Ships in its path were advised to use caution. A weather forecast predicted the storm would have winds of about 125 miles an hour by tomorrow.

Edith's center was within 100 miles of the area where Hurricane Diane was plotted on Aug. 12. Diane swept northward five days behind Hurricane Connie.

An easterly wave in the Gulf of Mexico was still described as "broad and flat," with some circulation but no definite center.

A Navy hurricane hunting plane probed the area yesterday and found winds up to 35 mph, equal to some ships reported to be even higher.

Forecasters believed this wave had weather moving from east to west would pass inland along the coast of Florida today to Puerto Rico and develop into a tropical storm. A U.S. hurricane hunter was to have another look at it today.

First Relief Car Off To Flood Area

The first carload of electrical appliances, a listing of every description including children's wear, towels, wash cloths, linens, and soap collected by the Larchmont Merchants Association Inc. on its way today to Puerto Rico, secretary announced today.

Mr. Emil Schaefer of 1100 Avenue Larchmont, said he had called to the roof and set off this morning's relief car.

Articles are still being left at Camp Fair Inc., 1879 Palmer Avenue.

Additional stationery "lofts" will leave tomorrow to deliver some of the articles to hard-hit Connecticut communities, Mr. Mills stated.

Articles are still being made or left at Camp Fair. The phone number is TROJAN 4200.

Mr. Mills also thanked on behalf of the Merchants Association all those who have contributed.

Mr. Griffin says his hands helplessly over in commutation Mrs. Paul has been reading the house "a public nuisance."

Combing The Town

On Training Cruise

Midshipman John H. MacLaren, above, son of Major and Mrs. Horace E. MacLaren of 176 Hickory Grove Drive, is participating in the second summer midshipman training cruise aboard with battleship, USS Wisconsin.

The training squadron has scheduled stops at Edinburgh, Scotland; Copenhagen, Denmark; Oslo, and Bergen, Norway; and Stockholm, Sweden.

1933 graduate of Mamaroneck high school, Mr. MacLaren is a senior at the Moore School of Electrical Engineering at the University of Pennsylvania.

Top Relief Needs

Infants' clothing, hot plates, wrapped soap and canned goods, are especially needed for the relief of flood victims of last week's disaster areas.

Home On Leave

Navy Lt. (ig) Henry L. Malloy, son of Mr. and Mrs. H. M. Malloy of 1 Edgewood Avenue, Larchmont, is home on leave after a European cruise aboard the destroyer USS McCrover.

More Than \$500

More than \$500 in cash has thus far been collected by the Mamaroneck Red Cross for aid to flood victims in New England.

Ike, Mitchell To Hold Talk

DENVER (AP)—President Eisenhower looked a conference with Labor Secretary Mitchell today for what the Cabinet official called a "discussion of Labor Department problems."

THE WEATHER

Partly cloudy and warm today with scattered showers or thundershowers this afternoon or evening.

HURRICANE EDITH CAUSES WRECKED ATLANTIC COURSE

Storm 'A Weak Sister,' With Winds At 75 MPH South Of Bermuda

MIAMI, Fla. (AP)—Hurricane Edith, dubbed a "weak sister" by storm forecasters, dalled in the Atlantic today with no indication when, where or if she will strike the mainland.

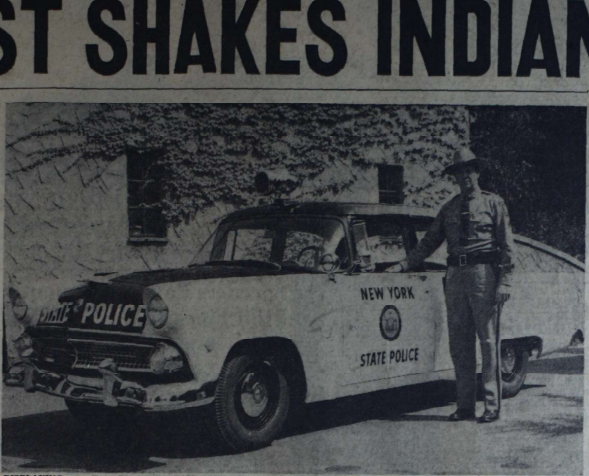

The fifth tropical storm of the year and third this month was moving very slowly toward the north northwest with winds of bare hurricane force (75 mph) in her forward speed was only 10 or 15 miles an hour and her course was erratic.

Late last night the storm center was 300 miles southeast of Cape Hatteras, N. C., 100 miles east of Miami and 450 miles east of Bermuda.

Gales extend outward 150 miles from the center and 75 miles to the southwest.

This morning the disturbance was centered near latitude 23.5 north and 75 degrees west, about 900 miles east of Palm Beach, Fla.

There was a possibility of some intensification. It was not a significant intensification yesterday and Gordon Dunn, chief storm forecaster at Miami, said "that means she is a pretty weak sister."

DISPLAYING new State Police patrol car at the Hawthorne Barracks is Col. W. F. Perrin of Hawthorne Motor. The car, painted black and white, went into operation in the Troop K division this week, replacing some old gray patrol cars.

4 PERSONS HURT AS AUTO CRASH

Driver Faces 3 Charges After Crapack Here

FOUR persons were injured Saturday night in a serious automobile crash on the Crapack here.

The driver, a 35-year-old man, was charged with driving without a license, driving without proper insurance and driving with suspended license.

The crash occurred at the intersection of the Crapack and the main road. The car was traveling east on the Crapack.

The injured persons were taken to the hospital. The driver was taken to the hospital in a private ambulance.

Eisenhower Pins High Hopes On Israeli-Arab Peace Offer

WASHINGTON (AP)—The Eisenhower Administration today pinned high hopes on a dramatic American offer to guarantee the boundaries of Israel and rival Arab States if they can work out a permanent peace settlement.

The offer was made by Secretary of State Dulles yesterday in a speech before the Council on Foreign Relations in New York.

The timing of the announcement apparently was influenced by reports over several months that Russia is trying to extend its influence in the "strategic" oil-rich Middle East with offers of economic assistance and military equipment.

The Soviet policy appears to be aimed at ways to develop a neutral bloc in the region. The aim of the United States, Dulles said, was to help which could run into many millions of dollars.

The proposal, it was learned, was worked out in the State Department, passed on by the National Security Council, and perfected in conferences with Mr. Eisenhower when the President was in Washington briefly this week.

Students In Off-Hours County's Parkway Men Keep Up With Latest In Police Techniques

HAWTHORNE—Westchester Parkway Police, who have been known on occasion to give a little talk with their summonses, actually do quite a bit of training—especially in their off-duty hours.

The trend in the department—just as in many other police units in the county—is to encourage officers to increase their knowledge in modern police technique at all times.

According to police, Mr. Santangelo was traveling east on Halsted Avenue and making a left turn into his driveway when struck by Jordan's car traveling west.

The right rear side of Mr. Santangelo's car and the right front corner of Jordan's car were damaged.

Interest ranges from attendance at police training schools to playing instruments to other pastimes or lecturing before children's groups and outside organizations.

Explosion Rips Oil Tanks At Huge Refinery

MOROCCAN TALKS HIT SNAG OVER SULTAN'S RETURN

French Spurn Demand For Restoration Of Deposed Ruler

PARIS (AP)—A new idea developed by the French-Moroccan political talks today when the National Independence Party demanded the return to France of deposed Sultan Mohammed Ben Youssef before it would join a proposed coalition government.

Pierre July Minister, Tunisian and Moroccan Affairs, told reporters this could not be accepted.

The French position, Mr. July said, is that the government should be formed before Ben Youssef is allowed to return from his two-year Madagascar exile.

Explosion Rips Oil Tanks At Huge Refinery

Emergency Declared; Flames Spread In Chicago Suburb

WHITING, Ind. (AP)—A terrific blast at the Standard Oil Co. plant, one of the nation's biggest refineries, shook this northern Indiana town today.

At least two men were killed from the blast and five others followed. An undetermined number of persons were reported injured but details were lacking.

A company spokesman said the explosion occurred at 6:15 A. M. in a fluid hydrorefiner, where the quality of gasoline goes through an improving process.

The terrific blast tossed huge sheets of metal into the air and up to more than 15 feet in length more than a block away from the plant. An automobile parked in front of a home a block from the plant was hurled into the house.

One of the dead was Walter Blum, 61, a foreman at the plant, who reportedly died of a heart attack following the blast.

A young boy, Richard Plewinski, was reported killed by flying debris that struck him near his home in adjacent East Chicago. His brother, whose first name was not determined immediately, was reported injured.

Mutiny SOS Reported by Swedish Ship

STOCKHOLM, Sweden (AP)—The 1,870-ton Swedish freighter Dorota landed a distress call from mid-Atlantic today that she had "crew trouble" aboard and the captain was being kept prisoner in his cabin.

The report came from the radio operator of the Dorota—she was en route from South Africa—was picked up by a CapeTown coastal radio station. An unidentified vessel near the Dorota also intercepted the call and relayed it to the CapeTown radio station on Sweden's west coast.

Lieut. of London also reported the call. Erik Hogberg, managing director of the Dorota's owners, Report A. S. Malmstrom, said he could not comment until he received further word about the reported mutiny.

The captain aboard the Dorota was identified as J.A. Borelius.

Other Campaigns Eliminated Chest Is 11 Drives In One, Leaders Urged To Emphasize

The need for constant emphasis on the fact that 11 bar-factories participate in the Mamaroneck Community Chest thus eliminating 11 separate drives was stressed last night at a meeting of the group of 18 representative residents in the home of Alexander D. Cox, 722 Cedar Road, Mamaroneck.
