President Seeks \$1.8 Billion More for War Effort

ESTABLISHED OCT. 1, 1925
TRUMAN CALLS ON CONGRESS FOR ADDITIONAL MILITARY AND ATOM FUNDS

WASHINGTON, AP.—President Truman advised Congress today that he wants \$1.8 billion more for the armed forces and \$1.2 billion more for the atomic energy program as a result of the tense international situation.

The President told Democratic and Republican leaders of the glaring needs that will be necessary to meet the challenge of the White House conference.

Money for U. S. Forces
All this money, the Congress members said, would be used for the atomic energy program and for the maintenance of the United States forces, and not for the forces of other nations.

Arthur's Korea War 'Critical But Not Hopeless'; Need for New A-Bomb

ALLIED LINE NOW BEING STABILIZED; NEW RED DRIVE EXPECTED

TOKYO, AP.—Gen. MacArthur's top intelligence officer said today that the United Nations situation in Korea is not desperate and that the atomic bomb need not be used to force the Chinese to the table.

The reported allied line in the critical northwest is being stabilized. The U. S. 8th Army reported that it has captured the island from the yellow after its severe setback by the Chinese in the past week.

Today's Day

Santa Claus is arriving in Mamaroneck this afternoon but because of the inclement weather the kindly saint has deserted his sleigh and is coming by fire truck, according to Arthur Dunn Jr., executive secretary of the Mamaroneck Chamber of Commerce who has arranged for his appearance here.

Arrangements for his reception remain the same, however, and Santa is meeting at the side who turn out to greet him at Mamaroneck Avenue School at 4 P.M. From there he is starting a tour of the village turning on the Christmas lights on Mamaroneck and Haledale Avenues and at Tompkins Square.

Santa was originally expected a week ago but his coming was postponed because of the rain which cut off all electric power.

Car Crashes in Fog

A car driven by Irving A. Weiner of 414 Cortland Avenue, Mamaroneck, sustained a damaged front end at 5:30 P.M. yesterday when it crashed into a damaged pole on Rockland Avenue near the railroad bridge.

The accident occurred during the heavy fog which blanketed the area for several hours last evening and Mr. Weiner told police he had swum to the right and into the pole when an approaching headlights.

Scout Benefit

Nearly 200 parents, Boy, Girl and Cub Scouts attended a benefit concert presented Friday night by Mamaroneck Scouts in the Belmont High School auditorium for the benefit of the Community Chest. The ticket price was more than \$150 to help the Chest realize its last \$1,900 toward the \$21,750 goal.

President Earl Quick congratulated the boys for their interest in the Chest and presented them with a letter from Mayor R. J. Santoro, Philip Wagner, City Council executive, spoke on Scouting and complimented the seven Mamaroneck Scoutmasters and their troop committees for the work they are doing to make better citizens of our boys.

False Start

The local basketball season got off to a premature and shortened start Saturday night as Mamaroneck Town police clabbed to the Murray Avenue School playground in response to a Mamaroneck resident's call that some boys were attempting to make off with the school's outdoor basketball.

The police found a car parked on the playground and the defendants trained on the school's black-topped basketball court while enthusiastic basketball spectators participated in a night basketball game.

Although the youths denied any attempt to take the baskets or backboards, police ordered the car off the school playground. Without sufficient lights, the game broke up.

At Washington Parley

Dr. William A. Schofield of 818 The Parkway, Mamaroneck, is attending the Mid-Century White House Conference on Children and Youth which opened yesterday in Washington, D.C., and will continue until Thursday.

The central objective of the conference is to consider how the mental, emotional and spiritual qualities essential to a child's happiness and reasonable citizenship can be developed in children. Dr. Schofield is a research associate in psychiatry at Columbia University and represented the university last May at the annual meeting of the American Pediatric Society in French Lick, Ind., Ky. In 1940 he served in charge of the Committee on the Study of Adolescence of the International Inform Commission on Mental Health.

Dr. and Mrs. Schofield have lived in Mamaroneck since November, 1947, when they moved here from 1121 York City. Their eight-year-old son, William, is a Grade 3 pupil at Daniel Warren School in New York. Dr. Schofield has offices at 62 Waller Avenue, White Plains.

Snyder Sees Tax Hike For Defense Outlays

WASHINGTON, (AP) — Secretary of the Treasury Snyder said today government outlays may jump 50 per cent to a \$87.3 billion total in the next fiscal year starting July 1.

He said this may be the result of "vast increases in defense costs" that will require "very substantial tax increases."

5 NATIONS ASK URGENT ACTION ON KOREA CRISIS

U. N. Assembly Requested To Take Action On Chinese Reds

NEW YORK, (AP)—The United States and five other countries today formally asked the United Nations Assembly to take up as an urgent matter the Chinese Communist intervention in Korea.

The request was made in a telegram to U. N. Secretary-General Trygve Lie. Diplomatic quarters said it might be taken up by the Assembly's 14-nation Steering Committee either today or tomorrow.

The telegram was signed by the chief delegates of the United States, Britain, France, Norway, India and Ecuador. They were the six countries which sponsored the Soviet-voiced Security Council resolution calling upon the Peking regime to withdraw its troops from Korea.

There was no indication whether the same resolution would be submitted to the Assembly or whether it would be revised in an effort to brand the Chinese Communists as aggressors. This may be decided after consultations in Washington tomorrow between Prime Minister Aneurin Bevan and President Truman.

Continuing Consultations—Consultations continued here throughout the day, but delegates were unusually reticent about what was going on behind the scenes.

The six-nation telegram to Mr. Bevan, London, was signed by the United Kingdom and the United States to the fifth regular session of the General Assembly of the United Nations present their committee.

Chinese Mass 15 Divisions Attack Pyongyang; Here For War

Truman Greets British Leader on Arrival in Washington

WASHINGTON, (AP)—British Prime Minister Attlee arrived here today for talks with President Truman aimed at finding a way to avert the danger of a global war.

Mr. Attlee's big four-engine British airliner Cathay rolled up on the national airport where President Truman, Secretary of State Acheson, Defense Secretary Marshall and other officials were waiting at about 9:45 A.M.

After the greetings, Mr. Attlee made a statement for the news.

He said his aim in talks with Mr. Truman—which are to go under way tomorrow—is to align our policies in the new and troubled situation in the world and to find the means for upholding what we both know to be the best interests of our people.

Places Blame on Red Bloc—He accused the Communist bloc of trying to "drive a wedge between our two peoples."

President Truman returned to his office in the Senate Democratic Floor where he had an arrangement to

Thousands Of Refugees Flee Doomed Red Korean Capital

PYONGYANG, (AP)—The great tragedy of Pyongyang—the stiff cold hands and roubles crossing the stream.

They craved periodically across the shattered debris of the city's vehicular bridge, one span of which the Reds threatened to demolish before they abandoned this city last October.

The people poured through a narrow, wind-whipped north bank of the Taedong River.

They climbed down the retaining wall in the shadow of a seething, reddish sun. They surged aboard the few craft still navigating the south bank of the river—and a few additional boats.

They were on their way to freedom.

The refugees—old men and women, young women with babies strapped to their backs, children whimpering with the cold—seemed to have no place to go other than away from this doomed city. A frigid and howling wind hurried clouds of dust in their faces.

Present in Spirit

The 1937 Mamaroneck High School football squad may not have compiled the greatest record in the annals of the school but the spirit of the team still lingers on.

Many members of the squad were present last night at the Fall Sports Banquet in the Junior High School cafeteria. Dr. John Pinchock, quarterback on the team 23 years ago couldn't make the party because he was down in Santiago, Chile teaching in an adult school.

He was at the party in spirit, though, as is evidenced by the telegram which his mistress sent to his old coach and which was read at the dinner. He said in part "Congratulations football squad and coach, Nelson."

Market Wins Honor

A citation for distinguished service through advertising was awarded today to Big Dollar Markets, Inc. whose newest recently opened shop is located at Larchmont Acres, Mamaroneck. The citation was made at the annual mid-year meeting in Houston, Texas, of the Super Market Institute, national organization of super markets.

The company's advertisements were selected in a nationwide competition to receive honorable mention in the second annual Merit Call Super Market Advertising Award from among 400 entries submitted by 116 companies operating 2,300 stores in all parts of the U. S. Canada and Mexico. The competition, second of its kind, is held each year under the auspices of the Super Market Institute, and is designed to aid super markets in making their newspaper advertising a more effective tool of public information.

Devine Move Here

Michael J. Devine, general sales manager of the Hudson Motor Car Company at 223 West 54 Street, Manhattan, has leased the address of Col. and Mrs. Rosswell K. Donaghy at 1901 Grove Street, Mamaroneck. He has been recalled to duty with the United States Army.

A native of Brooklyn, Mr. Devine is a graduate of Catholic University where he was one of the first players to emerge in night football in the 1930's. He recalls that in a game with Holy Trinity, the teams used white football balls made visible by two lights on poles.

Mr. and Mrs. Devine have two children, Michael Jr., eight, and Kathleen, five, students at Holy Trinity School.

Inspection Tour

Residents and taxpayers of the five Neck School District have been invited to take part in the annual tour of schools in the district and property which is scheduled Saturday and Sunday, Dr. Alvin Hicks, superintendent of schools, announced this morning.

This inspection of the physical equipment and condition of schools is intended to give taxpayers an opportunity to check on items which might be included in the annual school budget and to learn of equipment improvements.

The start of the inspection is scheduled at 10 A. M. Saturday at Dr. Hicks' office in P. F. Bellows High School. The tour of schools will have no time been announced.

To Be Feted

Larchmont American Legion Post 347 will hold its annual Saturday at 7:30 P. M. at the Flunk Park clubhouse in honor of Frank E. Webb, its new commander of the Post who is now vice-commander of the Westchester County American Legion organization.

R. Timothy Gibson will be master of ceremonies, according to George H. Stout, state commander who is chairman of the arrangements committee. Among the guests expected are Superintendent Owen A. Mandeville and the clergyman of Larchmont.

Wins Claim

John B. Griffin of 18 Monroe Avenue, Larchmont, was counsel for the United States Wallboard Machinery Company which was granted an award of \$158,791 by Supreme Court Justice Arthur S. Benson Friday from the Amortg Trading Corporation, a Russian firm. A companion claim for \$88,358 for losses through sub-contract cancellation was taken under advisement by the court.

Mr. Griffin stated that the wallboard firm entered into contracts with Amortg in May, 1947, for \$978,584 in equipment for Russian plants. Contending the contracts were "frustrated" by prohibitive export license refusals, the Amortg filed a counter-claim for \$500,000 which Justice Steiner dismissed.

Arbies Form Defense Line; Vishinsky Derides U.N. Plea For Halt At 38th Parallel

Allied Withdrawal Only Avenue to Peace, He Says

LAKE SUCCESS (AP)—Russia's Andrei Vishinsky today derided a 15-nation direct appeal to Communist China to halt its forces at the 38th Parallel in Korea.

He said in the U. N. General Assembly that Red China and its people were present in Korea but he added that it must come after the withdrawal of U. N. forces from the country.

The Soviet Foreign Minister led the emergency session of the Assembly that the 13 Asian and Middle East countries which appealed last night for the halt at the parallel were the same powers that supported Russia's plea for a halt at 38th Parallel when U. N. troops were advancing.

India which parried the new direct appeal to Communist China, abstained from voting for the northward crossing of the parallel. The Philippines, Egypt and the other Asian and Middle East countries joined India in the new appeal last night.

India, the Philippines and Pakistan started the move for the direct plea to Peking, transmitted through Communist China's chief representative here, Wu Han-chi.

The 38th Parallel is the boundary between North and South Korea across which the North Koreans attacked last June 25. Declared aggressors by the U. N., the North Koreans were pushed back by U. N. troops across the parallel and in some places to the sea-China border before hundreds of thousands of Chinese Communists poured into the field. They forced a general U. N. retreat southward.

Assembly in Emergency Session
The move by the Asian-Middle East bloc all but overwhelmed an emergency meeting of the General Assembly. It was to discuss the Korean situation before the Political Committee a six-power demand for Communist China to halt its forces at the 38th Parallel and Czechoslovak objections.

After a morning meeting of the two government heads, the White House issued this statement: "The discussion centered on the economic problems arising from the mutual defense efforts, with particular reference to raw material requirements."

"It was agreed that the problem of raw materials shortages was vitally urgent and that vigorous efforts should be made to increase production and to assure the most effective use of the limited supplies available."

"A wide area of agreement was apparent and a working party was established to explore the matter further."

The talks were broken off at midday so that Mr. Acheson could keep an engagement to address the National Press Club.

Another session was scheduled for 5:30 P. M. The afternoon meeting was the third convened between the President and the Prime Minister since the British leader's arrival here Monday.

Stephen Early, taking over as secretary of the British legation Sunday, said the talks were a "major war" and that the government will try to increase Australia's volunteer citizens' army to 30,000 men.

There were indications the new battle might be somewhere near the 38th Parallel, the old border between Red North and Republican South Korea. South Korean forces swept into hill country to clean out guerrillas near Silyon, a hamlet 70 miles southeast of Pusan.

Gen. MacArthur's headquarters secret the locations of the new line. The Americans, South Koreans, British and Dutch of the 8th Army with their better transport had outrun the Chinese and every hour was vital in outlasting their new positions.

A spokesman said only that the line ran from a point south of Pusan to positions south and east.

FORUM TO PROBE PROGRAM OF ECO

What the United States is getting in return for the billions of dollars spent by the Economic Cooperation Administration will be discussed Friday at 8:30 P. M. at the Larchmont Forum For Public Opinion at the Chateaufort Avenue School.

Enos Curtin, assistant administrator for operations of the ECO and Dr. Francis Melville of 1 Beverly Place, Larchmont, chief economist of the California Texas Oil Company who formerly served in the United States Government will share the platform.

A veteran of both world wars, Mr. Curtin was born in Bedford, N. H., in 1904. After attending schools in Switzerland, France and England, he studied chemical engineering at the Massachusetts Institute of Technology.

He left MIT to become an industrial engineer in the American Field Service there.

He entered the army and served in the Pacific during World War II.

Light Session
Judge Henry T. Hornig will preside at a light morning in Mamaroneck Police Court today as only two cases were decided and \$13 in fines were collected. Jesse Dolbin, Mont Vernon truck driver, paid \$10 for failure to reduce speed when turning from Pennington Road into Parsons Street and \$5 was exacted from Alex Mann of 37 Bonnie Briar Lane, Larchmont, for failing to observe a full stop sign.

Cars Collide
A car operated by R. M. Morrison of Hawthorn Gardens Apartments, Mamaroneck yesterday at 4:23 P. M. backed from the east curb of Larchmont Avenue near Palmer Avenue, Larchmont, and collided with a car driven north on Larchmont Avenue by Mrs. Carrie R. Cameron of 17 North Chateaufort Avenue, Larchmont. Mrs. Cameron reported to Larchmont police the right rear fender and right door of the Cameron car were damaged while the rear bumper of Morrison's car was scratched.

Accident on Post Road Damages Car and Truck
The front end of a sedan operated by Harold R. DeLoe thirty-five of 123 Bradford Avenue, Mamaroneck, was demolished and a trailer truck driven by James A. Gardner, twenty-five, of Jersey City was damaged in an accident at 5:20 A. M. today on the Post Road near Parsons Street. The two vehicles were headed toward Fort Christ Church.

Gardner told police he was preparing to turn right into Parsons Street for a detour when his trailer was struck by the DeLoe car. DeLoe said he did not realize there was a barrier ahead and diverted eastward. He collided with the truck as it slowed to make the turn. The barrier was knocked over as a result of the accident. The sedan was towed from the scene.

GAS CONSUMERS TO GET HEARING

Protests Against Higher Interim Rates to Be Heard Friday by PSC

NEW YORK (AP)—Westchester consumers will be given an opportunity Friday to present evidence in support of their protests against interim rates of the Westchester Lighting Co. at a Public Service Commission hearing.

Notice of the hearing was filed by Commissioner Francis T. Mylott at the PSC offices in the Woolworth Building at 9 P. M. Tuesday.

While the notice does not specifically mention the consumers' committee, it states the hearing will be limited to receipt of evidence concerning the interim rates from parties which have not heretofore presented proof in this proceeding.

When the PSC on Nov. 23 approved the utility's request that the interim rates be extended until Feb. 28, it acted on the basis of a report by Mr. Mylott. In a hearing before the PSC, but pointed out there was no time for a hearing before the Nov. 30 expiration date of the rates. He held there is no information before the PSC to warrant a return to the old rates and added:

"In the meanwhile, a date for a hearing can be set down to give the interested consumers an opportunity to present any pertinent evidence they may have on the question of gas rates, it need hardly be pointed out that if the facts presented or developed at the hearing should indicate that lower rates are justified this commission is empowered to take prompt action to place such rates in effect."

Revue Features Men's Club Fete
300 Attend Church Group Ladies Night Event

A musical review program entitled "Feh and Wazner" featured the fifth annual ladies' night celebration of the Larchmont Avenue Church Men's Association as more than 300 persons, members of the association and their wives and guests, attended.

In charge of the show were Program Chairman Walter Peine and Earl Brinkley. Edward Polley presided as master of ceremonies.

A high spot of the evening was the playlet "If Men Played Cards as Women Do," produced by special arrangement with Samuel French, in which a cast composed of Oscar Keebler, Franklin Finstwald, Donald Martin and Joseph Ford spoofed traditional musical comedy clichés.

Musical entertainment was provided by John Perinval, baritone, who sang three numbers with piano accompaniment by Mrs. Frank Brancy. Miss Sandra Rubin, who played a Brahms rhapsody skillfully, and Herbert Monemith, who accompanied the association quartet and played the overture.

The quartet, composed of James Marconi, William Arthur, Charles Towland and James Shaffer, sang "Some Enchanted Evening" and "Stay As Sweet as You Are" with encore.

The Rev. and Mrs. E. Vincent of the church presented a variety of musical numbers and Paul Stobbs, who played a "Primrose Polka" dedicated to eight simple chords.

Combing The Town

Contest Winner

Seash Joyce Pebe today won the American Legion oratorical contest sponsored at Mamaroneck High School by Larchmont, Post 347, American Legion. Miss Pebe spoke at a school assembly in competition with three other school orators on the theme, "It's Later Than You Think".

Second place was won by Terry Schabacker with a talk on "On a River Bank" and Miss Pebe took third place with a speech on "Prejudice: A Problem for Solution".

The three winners received medals presented by Dr. Herman O. Hoffman, Americanism chairman for Post 347 and Miss Pebe will compete Sunday at 4 P. M. at the Legion club house in Plint Park, Larchmont, in a more contest against winners from Port Chester, Rye, Harrison, New Rochelle, Pelham and Mount Vernon.

Sunday's two winners will vie Dec. 18 at Schraalen High School against victors in the other three towns in Westchester County.

Scout Show

Rehearsals for the Larchmont Boy Scout musical show to be given Feb. 9 will begin at 8 P. M. at the Murray Avenue school auditorium and members of scout troops, including those who can sing or play musical instruments, have been invited to try out for places. The entertainment will consist of a panorama of scouting activities in music and will emphasize the importance of scouting in character development and for citizenship.

On Saturday first and second class members of Troop 4 will participate in a hike led by John Forest, Larchmont Scout commissioner. The boys will meet at the Murray Avenue school at 10 A. M.

Aids 21 Vets

Barry T. Lelker, Mamaroneck Veterinary Service assistant, advised that 211 veterans were aided during November, as compared with 182 in October when he was in the office for three weeks on his annual vacation. The total last month included 116 personal interviews and phone calls.

The 17 former G. I.'s who were equipped with insurance topped last month's list, followed by 12 education queries and 10 with personal problems. There were 42 about legal aid and each asked for medical and tax extension advice followed by 12 queries each about on-job training and Federal Civil Service. Housing queries dropped to the lowest in many months. The rest also sought information about apprentice training, substance and bonus programs, pensions, appeals, NRI insurance and friends and address changes.

At Evacuation Post

LA. Col. Lyman Chandler Durvas, former Larchmont resident is now serving as head of an evacuation hospital receiving wounded from Korea. He lived for several months at 98 East Brookhaven Drive.

Col. Durvas, 49, was now twelve, left Larchmont in May 1944, when Col. Durvas appointed head of Plattsburgh Hospital in Denver, Colo. He has been with the Veterans Administration since 1944 and was graduated from the College of Medicine at the University of Vermont in 1931. He is fifty-two.

Magazine Day

Wednesday is collection day for books and magazines at the Red Cross booth in the vestibule of the Mamaroneck Free Library. Mrs. Paul Vashaw, chairman of the Red Cross library service, states that the Westchester County Chapter is the only chapter that regularly ships periodicals, and small books to the men on active service, especially in the Pacific zone, although some are to remote air bases.

All types of magazines, less than two years old, mystery stories, comic books, pocket-sized editions of classics, women's magazines and children's books are wanted. Contributors are asked to tie the magazines in bundles.

Manager Returns

Mamaroneck Village Manager William H. Johnson returned to his duties early this week after a motor trip to Houston, Texas, where he attended the International City Manager's Conference, which was held at the Shamrock Hotel.

The conference discussed problems of municipal managing officials and provided an opportunity for the interchange of ideas between municipal managers.

Town Budget Passes With \$15.51 Tax Rate

The proposed Town of Mamaroneck budget for 1951 calling for a gross outlay of \$19,738,320 and an anticipated 11.7 per cent increase in the tax rate for the unincorporated area was adopted last night by the Town Board without change after a public hearing in the Board Room of the Weaver Street Free House.

Only four residents attended the hearing and no revisions of the original budget proposed by Supervisor Owen A. Mandelbaum were suggested. The budget, a certified copy of which must be filed with county authorities, calls for purchases of capital equipment, highway widening and salary increases of \$180 for living costs.

A public hearing was set for Dec. 27 on an application of the Queen City Gas Company to create a bus route on Palmer Avenue from New Rochelle to Larchmont. A portion of the route runs through a town strip near New Rochelle.

The resolution was approved by the Village Board.

The request of 31 residents of the Cabot Road area for a new street light on Cabot Road, a drainage pipe to relieve the flooding of cellar in Cabot Road, and a portion of the route runs through a town strip near New Rochelle.

The resolution was approved by the Village Board.

Erica Morini, distinguished violinist, will appear Saturday at 8:30 P. M. at the Mamaroneck Junior High School in the second of the season's series of concerts sponsored by the Larchmont-Mamaroneck Community Concert Association.

Also referred to the superintendent of highways was a request made by eight residents of Cabot Road for an additional light on that street.

Also referred to the superintendent of highways was a request made by the county for road removal on Palmer Avenue and Murray Avenue county highways.

Alexander Finson, town accountant, Thomas Matney and Francis O'Brien, employees of Public Works Department, were authorized to accept the position of local Government Dec. 14 and 15 in Chancellor's Hall, Albany.

Since her return to the United States, after a seven year tour of Africa, Australia and the Middle East, Miss Morini has made more than 15 American tours, appearing with hundreds of orchestras.

Miss Morini appeared last season as guest soloist with the New York Philharmonic-Symphony under Bruno Walter, the Cleveland Orchestra under George Szell, the Pittsburgh Symphony, the National Symphony under Hans Knierim, the Detroit Symphony under Karl Krueger and the Dallas Symphony under Antal Dorati. One of her appearances with Bevo Waldner included a performance of the Beethoven Concerto for Violin and Piano.

Assessment on Bill Estate Reduced \$16,000 By Council

A \$16,000 reduction in the assessed valuation of a 35-acre estate owned by the late William H. Taylor, Jr., was granted by the Mamaroneck Town Council today.

The value was reduced from \$44,700 to \$28,700. The assessment had been a controversial one.

Nov. 15 Frank H. Twyer, town clerk, advised that the town attorney for Sales Management, appeared before the Council and asked that the assessed valuation be set at \$28,700.

The council approved the reduction in taxes on the property since 1912 and have received notice in return. The area is practically landlocked, he pointed out, and is used for building roads, sewers, and other public works.

The council also approved an addition to the Daniel Webster School.

Rye School Board To Study Consolidation With Rye Neck

The Rye City Board of Education, which met today at a joint meeting with the Rye Neck Board of Education, is studying the possibility of consolidating the two districts.

Edgar B. Churchill, Jr., president of the Rye district, pointed out that consolidation would save \$100,000 in operating expenses and would allow the two districts to share a common school building.

William C. Pills Jr. said the following three changes would probably have to be made: Rye Neck could contribute to the Rye district the cost of a new junior high school to be constructed under the higher education Trustee Act; the two districts were combined and one building erected for use

No Idea of Withdrawal of Troops, Defense Head Tells Commons

LONDON, (AP)—Defense Minister Emanuel Shinwell declared in the House of Commons today that "there is no thought in our minds or in that of the American authorities of withdrawal from Korea."

He said there may be "still danger hidden from critical front, however. 'No one knows what the outcome will be, but we must be prepared to undertake the size or determination of the Chinese Communist force."

He told the House U. N. forces already face 270,000 Red Chinese soldiers, with 600,000 more in reserve.

YANOOKY SEEKS \$39,535 IN SUIT

Resident Wins First Round in Court Action Over Sale of Stock

NEW YORK—Justice Denis O'Leary Cohen in New York County Supreme Court today upheld a suit for \$39,535 brought by Fred J. Yanooky of 128 Lawrence Avenue, Mamaroneck, who charges he was defrauded in the sale of stock in the Mamaroneck Wholesale Warehouse, Inc., of 319 7th Street, Manhasset.

Justice Cohen denied a dismissal motion made by attorney for John A. Heinrich of Trenton, N. J., defendant in the case. The suit is expected to go to trial later this month.

Yanooky's attorney, Robert O. Omsberg, of 11 Bishop Place, advised yesterday that Yanooky, former president of the Mamaroneck Wholesale Warehouse, was induced by Heinrich to sell 478 shares of stock in the corporation for \$11,100.

According to Omsberg, Heinrich represented to Yanooky that the stock was worth "slightly less than \$25 a share." Actually, it was assessed in Yanooky's complaint, the value of the stock was "at least" \$107.71 a share. The difference between the \$11,100 and the "actual value" of the stock is \$39,535.38.

Heinrich, whose attorneys are Schenckles, Kettner and Gage of 271 North Avenue, New Rochelle, is now president of the corporation and claims that Yanooky should have known as president, what the value of the corporation's stock was from the monthly financial reports and that he really is the Mamaroneck man had "placed no reliance" on Heinrich's representations concerning the stock's worth.

Yanooky is a former executive of the Mamaroneck Electric Co., a former Democratic candidate for village trustee and past Chamber of Commerce.

Allies Set Up New Defense 25 Miles From Red Capital; Marines Wage Grim Battle

Isolated Unit Escapes One Trap, Now Faces Another

LAKE SUCCESS, (AP)—Russia's 42nd Army today told the United Nations today that the American intervention in Korea is the crisis of the Third World War and it must be halted to avert it.

TOYO, (AP)—Allied troops braced for a new defense line 25 miles south of fallen Peking today for a stand against steadily advancing vanguards of a million Chinese Red expeditionary force.

The line stretched inland 70 miles in Northwest Korea from the Yellow Sea. It was a defense in depth on commanding heights and not a solid line.

IBRARIAN ENDS 21 YEARS SERVICE

Miss Merrow Resigns Post in Mamaroneck to Operate Hotel

Miss Eleanor Merrow, librarian at the Mamaroneck Free Library since 1929, has resigned her post of April 1. She notified the Board of Trustees yesterday.

The proposal was described by diplomatic informants as one of several ways considered for dealing with the Chinese Communist aggression, depending on what actually happens in the Korean fighting.

Miss Merrow who, in private life, is Mrs. Joseph Wynne, told the board that she and her husband have leased the Bevan Hotel in Larchmont and will take it over on January 1, 1951.

Miss Merrow joined the library in 1929, succeeding Mrs. N. H. Misse of New Hampton, N. H. Miss Merrow holds a B. S. degree in library science from the Simmons College Library School. She was appointed assistant librarian in Mamaroneck in June, 1929, and became chief librarian in August, 1930, succeeding Mrs. I. Will, the institution's first librarian.

When Miss Merrow joined the library in 1929, the book collection totaled 12,000. There are now 23,000 books on the shelves. The number of borrowers has increased from 3,234 in 1931 when the state three-year registry requirement went into effect, to 6,375 as reported for November, 1950. It was also pointed out yesterday that whereas only the main floor was in use twenty-one years ago, three floors are now being used to full capacity. Village support of the library budget has increased \$1,500 in twenty-one years from \$14,500 to \$16,000.

Miss Merrow also advised the board that Mrs. Diana Page, book clerk, has resigned and that Mrs. Natalie Bennett is continuing only on a month-to-month basis.

Circulation for November totaled 5,529, an increase of 265 over October. Miss Merrow reported, and 82 new borrowers were listed with 41 renewing their cards.

WILLSCHLEGER HEADS TOWN ZONING BOARD

The Town Board last night appointed Arthur E. Willschleger of Hommocks Road, Larchmont, chairman of the Town Zoning Board to succeed Cornelius Quinn who recently resigned to become police commissioner.

To Aid Brandeis

Benedict Ginsberg, above, of 11 Bishop Place, Larchmont, New York, attorney, has accepted the chairmanship of a committee to spur Westchester interest in Brandeis University. Acting as Brandeis' most vocal spokesman are Dr. David Anchin, of 4 Highland Way, and Charles Segal, of 21 Dante Street.

Sponsors of Brandeis, the first gift of the American Jewish community to the field of nonsectarian higher education in the United States, will meet in Temple Israel, New Rochelle, Jan. 17 at 8:30 P. M. to acquaint the community with the Brandeis story.

A resident of Larchmont since 1939, Mr. Ginsberg is married and has two children, Philip, eleven, a student at Chatsworth Avenue School, and Judith, four. He has been program chairman of the Larchmont Forum and is anti-defamation chairman of the Larchmont chapter of B'nai B'rith. He is a member of the sponsoring committee for a Westchester university and chairman of the Westchester Jewish Center's board of education. He is director of the Fordham Law School and served as a lieutenant in the Navy in World War II.

PBA Officers

Two local patriment were named last night to offices in the Patrons' Benevolent Association at an election held at the County Center, White Plains.

James Knox of the Mamaroneck Town Police was elected second vice president, while Harry Peier of Larchmont was elected annual secretary. Knox served as chairman of the district annual ball last month at the County Center while Peier headed one of the dance committees.

Others elected were Patroness Thomas Pinnan of Port Chester, president; Patricia C. H. Marz of Tuckahoe, first vice president; Patrimonia William C. Glad of Eastchester and Sgt. John Granducio of North Tarrytown, directors; Patroness Wilma C. Greedy of White Plains, secretary, and Patroness Henry Martinez of Mount Kisco, treasurer.

11 Persons Escape As Fire Interrupts Party at Mullens'

Several women and four children escaped unharmed last yesterday afternoon when fire of undetermined origin swept the upper stories of the home of Mr. and Mrs. James Mullens at 1514 Park Avenue, Mamaroneck, destroying the roof and attic and badly damaging the second floor.

Mrs. Mullens was entertaining five neighbors in honor of Mrs. Claude Moore of Ogdensburg, N. Y., a former resident of Jensen Avenue, when Judith Mullens, nine, Edward LeMar of 1514 Park Avenue saw the fire from her window about the same time and telephoned alarm at 4:32 P. M.

Flames were whipping from the kitchen when the firemen arrived after the occupants had fled. Mrs. Mullens, who had radioed a general alarm from his patrol car, reported the occupants had fled.

In addition to Mrs. Mullens and Mrs. Moore, the party included Mrs. Althea Heath, Mrs. James Knox, Jr. Robert Whitton, Mrs. Douglas Heath, Mrs. James Carrell, Mrs. Judith's seven-year-old Elizabeth Heath, seven; Patricia Carrell, three; and Dawn Carrell, three.

Hopped up fast to the nearest hydrant and returned with two fire trucks, the pumps were throwing water on the flames from three angles in 90 seconds. Led by Chief John J. Lombard and Deputies S. A. Ferrelle and Thomas Farrell, the smokers smothered the windblast flames with foam and straight streams from three lines in 14 minutes.

The fire gained such headway that it was not until 14:15 p.m. that the flames were extinguished.

She was released today.

12 Operators Pay \$50 In Town Court

Judge Munn Brewer last night collected a total of \$50 in fines and forfeited bonds from 12 persons in Mamaroneck Town Court. A charge of driving without a license brought against Olga J. Humphrey of New Rochelle was withdrawn when Mr. Humphrey exhibited the license in court.

Daniel J. Rosenbaum of Brookline charged with accident at 50 miles an hour on the Boston Post Road, forfeited \$15 and Pasquale Fraoli of Mount Vernon \$10 on the same charge when they failed to appear. Henry E. Jones of New Rochelle pleaded guilty to speeding at 40 miles per hour on Myrtle Street and was fined \$25.

The following Larchmont residents were fined for parking in violation: Miriam Baker, 21 of 11 North Chatsworth Avenue, parking more than six inches from the Myrtle Boulevard curb, \$2; John Greider of 90 Lockout Circle, parking near a fire hydrant on Richard Road, \$3; Donald Curran of 17 North Chatsworth Avenue, blocking a crosswalk on North Chatsworth Avenue, \$2; Drive, overtime parking, \$2; Joseph L. Greene of 70 North Chatsworth Avenue, blocking a crosswalk of 160 East Garden Road and John McDermott, overtime parking \$1 each.

Other parking fines were exacted from Charles R. Ludwig of Tuckahoe parking near a fire hydrant, \$2; and Hilda L. Stearns of New Rochelle, blocking a crosswalk, \$2.

Chest Is Within \$254 Of Mamaroneck Goal

The Mamaroneck Community Chest campaign is within \$254 of its \$31,974 goal and a volunteer group of directors of the Chest is making a final intensified effort this week to collect the funds which will assure the quotas allotted the nine beneficiaries.

The total collected to date is \$21,720, including the \$100 raised last week by Mamaroneck Boy Scouts who presented a concert at Melville High School for the benefit of the Chest, it was announced today.

The major part of the total received to date was donated by residents of the Village who save through district workers. However, the advance gifts committee, under the leadership of Bliss Woodward, reported \$4,836; the Lions Club through a solicitation of the business and industry in Mamaroneck, produced \$3,747; and the Kiwanis Club made a solicitation of Mamaroneck's organizations which, with an appeal made by Village Manager William H. Johnson to out-of-town boat owners, brought in a total of about \$1,000.

Directors working on the final appeal to raise the needed \$254 are Mr. Johnson, H. W. Doekler, Paul Adler and B. F. Michion.

TRUMAN, ATTLEE WIND UP TALKS

Barkey, Cabinet Called In As Two Leaders Review Proposals

WASHINGTON (AP)—President Truman and Prime Minister Attlee began the wind-up sessions of their conferences on the world crisis today, and asked Vice President Barkey and members of Mr. Truman's cabinet to meet with them.

This was taken to mean the meetings was chiefly for a review of what has been accomplished rather than being aimed at reaching further decisions.

Gen. J. Lawton Collins, Army Chief of Staff, was called in to discuss the joint Russian-U.S. plan to Korea. Gen. Collins, who returned only this morning, told reporters that he believed "there will be able to take care of themselves without further serious losses."

The President and Prime Minister were reported to have reached wide agreement on European defense measures but to have had differences in reaching a common front on Far Eastern policy.

The two are understood to have decided that the precise next steps to be taken on Korea and Communist China, as proposed by the U. N., must await evidence (a) as to whether the Chinese are ready to give up their claims and (b) whether there is any chance of negotiating an acceptable settlement with the Chinese Communists.

The British are understood to have opposed various American suggestions for possible new steps in the Far East. Mr. Redd, if the military situation continues to grow worse on the peninsula, they would consider it a wasteful and indecisive "limited war."

American ideas for action, which might be taken through the United Nations, were reported to include a blockade of the Chinese coast.

The President and Prime Minister discussed their different approaches to the Korean crisis at length in yesterday's meeting. They hoped to conclude their talks in one session today. A summary of the meeting was announced by Mr. Attlee tentatively planned to go to New York City tomorrow for an overnight stop with Britain's U. N. delegation, then to go on to Ottawa for talks with Canadian officials. If this schedule holds, he may leave Ottawa for London Sunday.

Mr. Attlee called the top diplomatic representatives of the seven British Commonwealth countries to the British Embassy this morning to give them a "briefing" on the results of his conversations with Mr. Truman up to that time.

STABILIZER SEES NO NEED NOW FOR PRICE-PAY CURBS

No Controls Likely For 60 to 90 Days DiSalle Says

WASHINGTON (AP)—Price Stabilizer Michael V. DiSalle said today the government definitely is making plans for a ceiling on prices but does not expect to freeze them now.

Such a ceiling would necessarily be coupled with a lid on any price increases, but DiSalle said any freeze would not be necessary. In any case, the former Toledo mayor said his price stabilization plan would be unable to impose a general ceiling for 60 to 90 days of a conference held jointly with Economic Stabilization Administrator Alan Valentine and Wage Stabilization Board chairman Curtis S. O'Neil.

It would clear that a wage-price freeze, widely rumored in the last few days, is not imminent.

But Mr. Valentine implied that "selective" controls may be employed on basic defense materials by any general action is taken.

The ESEA Administrator indicated also the agency might take action to freeze prices of certain plain wearing to businessmen that attempts to "beat" a freeze (Turn to Page 14, please)

Veteran TV Actress Defies Tradition By Joining Army

In a drama one minute and put just as much passion and feeling as the next minute into opening an iron box door or stroking the pile of a rug in a commercial.

The actress, who has been in the business since she was 16, joined the Army because she felt she was being treated as a "female" in the entertainment industry.

In private life Miss Crowe is a wife and mother of three children. She lives at 1960 Grove Street, Mamaroneck. Last July she and Mr. Westerman, manager of the Mamaroneck, moved to the suburbs in defiance of the tradition of their own careers, that one must never live more than 20 minutes by taxi from Radio City. They moved to Westchester because their five-year-old daughter, Cindy, wanted to have a baby, even if she had to be a "mommy" in a suburban town, Miss Crowe explained.

While big stars are still pondering television, with such stars as Helen Hayes and Jimmy Durante, Miss Crowe has already made her mark.

PSC to Carry Fare Fight To U.S. Court

NEW YORK—The Public Service Commission will move in Federal court to review yesterday's ruling by the Interstate Commerce Commission directing the New Haven Railroad to increase Westchester commutation rates by 70 percent.

The ICC overruled the PSC's refusal to allow the railroad high rates comparable with those in effect for commuters from Connecticut and other points outside the state. The state body said that Westchester commuters are not given service comparable with that provided for the out-of-state riders.

Joseph Doran, an assistant counsel of the PSC, said the agency would start a suit to review the ICC ruling and ask that the prospective fare increase be barred. Mr. Doran contended that the federal agency had exceeded its powers.

The ICC ruling came under a section of law which it holds allows it to overrule a local regulatory body if it refuses to allow a rate increase and such refusal constitutes a burden on a carrier's operations and thus impairs interstate commerce.

The new rates, if allowed to become effective will add an average 8 per cent to the fares now paid by Westchester commuters on the New Haven.

The present rates are higher than comparable rates for commuters on the New York Central.

The proposed rates at Mount Vernon, a commuter stop, will be \$12.50 for a 60-trip ticket and \$11.25 for a 30-trip ticket.

Rye Neck Gets No Director For Adult Courses
Trustees Rule
The Rye Neck School Board last night refused to hire a director for the adult education program until next fall when the State Department of Education Superintendent Alvin W. Hick may have a strong plea for the appointment of Norman Davis, a director of the adult program for the coming semester at a salary of \$200 per month.

Burchell Jr. insisted that no appropriation should be made until a budget is presented.

In reply to a query from Trustee William C. Pritikin, Dr. Hick pointed out that the program is being set up for the coming year for money spent in the preceding year. The registration fees paid by students are applied to the program.

Dr. Hick stated that Mr. Burchell reminded the board that the program is being set up for the coming year for money spent in the preceding year. The registration fees paid by students are applied to the program.

Secretary of State Dean Acheson is due here to attend a meeting of the North Atlantic Pact Council beginning Monday.

Casualties Rise 1,436 In A Week
WASHINGTON (AP)— Announced American casualties in the Korean War rose to 33,878 today, an increase of 1,436 in a week.

Today's weekly summary, issued by the Defense Department, reported 5,870 deaths, of which 5,289 were killed in action, 607 died of wounds, and five are now known to be dead after previously being reported missing in action.

Listed the wounded at 23,477 (including the 607 who later died) and missing in action, 2,143.

The new totals are based on notifications to next - of a kin through Dec. 8, but probably reflect few of the losses suffered when United Nations forces were hit by the huge Chinese Communist offensive, because of the time lag in receipt of the notification procedure.

Harrison Parents Vote 33-4 To Leave Rye Neck District
A survey of opinion in the Harrison School District, which lies in the Rye Neck School District, showed the residents overwhelmingly in favor of shifting to the Harrison School District.

The study was launched several months ago as the result of a petition signed by 400 parents which lies in the Rye Neck School District.

The results of the questionnaire will be submitted to the Harrison School Board, which has agreed with the Rye Neck Board that the boundary shift is advisable and the request will be submitted to the superintendent of the state district.

... J. Approves Treaty, 52-5
Assembly Action Not to End Fighting, Soviet Block Warns
NEW YORK (AP)— The United Nations Assembly today approved an Asian-Arab plan for a Korean cease fire despite Soviet block warnings that this would not end the fighting.

The vote was 52 to 5 with 13 abstentions.

The Soviet bloc countries cast the negative votes.

The proposal created a three-man committee, headed by Assembly President Nazimullah Entezam of Iran, and directed it to seek a basis for a cease fire. The committee deferred naming the members.

Russia's Jacob A. Malik vigorously opposed it as an agreement which would give the United States and Britain a chance to prepare an armistice.

Polish delegate Stefan Wierzbicki said the committee would not stop the Korean fighting. This had been approved by most delegates as a result of the Soviet bloc opposition, but some had clung to a slender hope that the Chinese Communists still might agree to a cease fire.

The 60-nation U. N. Political Committee adopted the measure yesterday 33 to 5 after a flood of gloomy predictions that another world war threatens unless the Chinese Communist bloc agrees to a cease fire.

Malik fought desperately to defeat the measure, sponsored by India and 12 other Asian and Middle East countries.

He even half-promised that Truman authorized aid to Korea if all foreign troops—the United States and British—were in accord with a Soviet proposal still awaiting committee action.

Truman Told To Rush Wage-Price Controls
WASHINGTON (AP)— President Truman today was urged by several of the Congressional leaders to rush wage-price controls. Senator Tobey, R., N. H., told reporters he had advised "all-out" controls.

"This is one of the darkest hours in the history of this nation and the world," Mr. Tobey said.

Mr. Maybank is chairman of the Senate Banking Committee which handles the controls legislation. Mr. Tobey is the top Republican on the committee.

Attendees today's White House Conference were the leaders of the Senate Banking Committee, the Senate - House Economic Committee, and the Atomic Energy Committee. Key administration officials concerned with economic matters also were present.

Democratic and Republican Congressional leaders met with Mr. Truman yesterday.

After yesterday's meeting there appeared to be unanimous agreement among the conferees that a national wage-price control bill should be built up with the utmost speed.

The Republicans present backed up that statement, but Senator Taft said on their behalf some members of the GOP group had doubts about the need for declaring a national emergency.

Mr. Truman is considering such a step and may announce his decision in a nationwide radio broadcast at 10:30 P. M. tomorrow. The speech also will be carried by some television stations.

Truman Seen Ready to Order Controls Over Materials Needed For Program
WASHINGTON (AP)— Top White House aides today announced that President Truman may order controls over the critical materials needed for the nation's rapidly expanding A-bomb program.

The speculation arose when it was learned that three atomic scientists were called to the White House today and an announcement that President Truman may order controls over the critical materials needed for the nation's rapidly expanding A-bomb program.

School Light Is Questioned By Garfunkel
Truise George Garfunkel told the Rye Neck School Board last night that a survey he made recently with a light meter revealed sub-standard lighting in several rooms in the school and suggested that the school board should investigate the matter.

The Daniel Warren School seems to be the best lit school in the district, Mr. Garfunkel said, but in one room at Bellevue High School, the meter varied from a measurement of 20 nits to the window to five shrods, the standard set for schools is 30.

President Edgar B. Burchell Jr. said he thought residents should not be needlessly alarmed by the fear that their children's eyes are being harmed and declared that just as much harm can be done with the glow from too bright a light as with too little.

Mr. Garfunkel replied, "with that I agree. But I am not ready to do too much. I think we should see to it that there is enough."

The trustees discussed various standards set by lighting experts and mentioned the fact that there is disagreement not only between the advocates of fluorescent and incandescent lighting but also about the types of bulbs and fixtures to use in intramural lighting.

Mr. Burchell agreed to investigate the possibility of having the lighting reviewed by an expert.

Swerves to Avoid Truck, Car Hits Passing Auto
Cars driven by Leonard Milwiski of 301 Jensen Avenue and Thomas C. Duffy of 322 Main Street, Mamaroneck, were involved in a crash on the East Boston Post Road near Greenwade Road.

Milwiski told police that he was driving south on the road and had slowed down prior to turning out to pass a parked truck. Duffy, driving immediately behind, reported he could not see the truck because of having the truck in his blind spot.

All the other passengers were unharmed.

Milwiski's car sustained a damaged right fender and rear bumper and the left rear fender, left bumper and body of Milwiski's vehicle were damaged.

Puerto Rican troops attacked to the 24 Division, dramatic three spans of a 500-foot concrete bridge over the Songchon River. After Oro was destroyed a railroad bridge and two other spans on the outer defense perimeter also were blasted.

These were the first reported heavy detonations on the outskirts of the beachhead. Oro was in flames from pre-dawn fighting. This was believed to be the scene of a light Chinese probing attack reported earlier but not pinpointed. Enemy reconnaissance planes scouted the beachhead Wednesday night.

The tense beachhead was quiet Thursday. Rocket and machine-gun fire on the outskirts of the dock area, caused one flurry of excitement.

Reports of 100 trucks was reported moving south from the Manchurian border toward the Yalu River. Reports were that thousands of Allied troops now at the beachhead. They still smashed through Red traps.

A briefing officer said the control situation was as follows:

US Planes Duel 24 Enemy Jets; Hit Red Fighter
U. S. 5TH AIR FORCE HQ, KOREA (AP)— Four American jet fighters today attacked 24 Russian-made MIG-15 jet fighters near Sinju, in North Korea.

Major Gen. Earle E. Partridge said it was the biggest aerial battle of the war.

None of the American planes was reported damaged. Plans said one American plane was hit.

The American F-86s were escorting an unarmed reconnaissance plane when they sighted the MIGs sailing off from the Anju airstrip in Manchuria. It lies between the Yalu River boundary from Sinju.

15-Minute Blaze
Fire in a paint spraying booth at the Mechtro Corporation, 325 Center Avenue, Mamaroneck, was extinguished by Mamaroneck firemen yesterday at 1:30 P. M. All companies responded to a general alarm and the blaze was out at 1:49 P. M. Fire Chief John Lombard was in charge and no damage was reported.

Promoted in Berlin

Lt. John J. Pisanich of 367 Palmer Avenue, Mamaroneck, was promoted to the rank of second lieutenant.

A veteran of World War II, Pisanich was discharged from the air force in 1948 as a sergeant and promoted to a second lieutenant Jan. 15, 1949. He was stationed at Camp Lee, Va., and at Fort Totten, La., before he was sent to Berlin, four months ago.

During the war, Lt. Pisanich was a staff sergeant with the U. S. Air Force in the China-Burma Theater and won the Soldiers Medal for valor in distinguishing a ground fire in China. He served as a radar navigator and mechanic from Dec. 19, 1944, to May 7, 1946.

A 1942 graduate of Mamaroneck high school, he attended Iona College, New Rochelle, between his two tours of Army duty and participated in intra-mural football, basketball and baseball. The son of Mrs. Katherine Pisanich of Mamaroneck, Lt. Pisanich is engaged to be married to Miss Katherine Kitzinger of Pelham.

County Timber Tested
An increase in the use of pressure-treated timber products in Westchester County during the past 20 years is noted in an article written by Ralph H. Mann of 231 South Barry Avenue, Mamaroneck, in the current issue of "Wood Preserving News."

Writing on the subject of "Wealthy Westchester County Proves Economy of Treated Timber," Mr. Mann points out that the numbers and variety of engineering structures which employed treated timber have markedly increased and include such structures as the Cross County Parkway which viaduct over the Bronx River or Parkway at Pleasantwood and many other bridges and structures at the pier at Pleasantwood whose substructure was treated with creosoted kyanite and other wood preservatives.

Mr. Mann, a trustee of the Village of Mamaroneck, is an engineer with the Service Bureau of the American Wood-Preserver's Association.

November Fines—\$383
A total of \$480 in fines was collected and \$105 in bonds forfeited in Mamaroneck during November, according to a statistical report submitted recently by Acting Police Chief Louis Schuster.

Thirty-one auto accidents occurred in Mamaroneck during the holiday period and injuries were inflicted on two car passengers and one pedestrian. The police aided 19 injured or ill persons and 15 were arrested.

Five men were detained in the police lockup in the course of the month and two cars were reported stolen and recovered. Largely because of the hurricane, 84 complaints were received that lights were out during the fire calls totaled 17 and 127 closed houses were regularly inspected.

Runaway Truck
A driverless truck owned by the West Steeling Parallels Company Inc. of 583 Main Street at Rochelle, yesterday about 12:30 P. M., crashed into a light pole in the north side of the Boston Post Road 800 feet west of Beach Avenue, Larchmont, snapping off the pole six feet above the ground. Charles Quinn of 333 Ward Avenue, Mamaroneck, operator of the truck, was uninjured.

Quinn stated he parked his truck on the south side of the Boston Post Road facing east, and when he got out to talk to one of the company's men, the truck rolled across the road and struck the pole. There was no damage reported to the truck.

Dinner for Millbury
John M. Millbury of Mount Vernon, retiring Westchester County Youths commander of the Forty and Eight will be honored tonight at a dinner meeting of the county Youths at Bonnie Bair Country Club, Larchmont.

Speakers will include Grand Chief Walter J. Miller of Kingston, of the New York State Youths and Albert Myers of White Plains, who will succeed Mr. Millbury at chief of the County Youths.

Yale Student Editor
David Wilkinson of Larchmont, member of the Class of 1953 at Yale University, has been elected associate editor of The Yale Daily News, following an eight-week competition.

A graduate of Mamaroneck High School, Wilkinson is the son of Mr. and Mrs. W. R. Wilkinson of a Window View.

Biography of White
A biography of Frank K. White of 8 Oxford Road, Larchmont, appears in the December issue of "Current Biographies," a publication which presents articles on the life and work of people in the news.

Mr. White began his business career in 1921 after serving in World War I in the Naval Air Force and attending George Washington University in his native Washington, D. C.

He was associated with Columbia Broadcasting System Inc. for 12 years and served as a vice president and a director of the corporation for a number of years. He has been vice president and director of Mutual Broadcasting System Inc. since May 1, 1949.

A resident of Larchmont for 18 years, he is a past president of the Larchmont University Club, a member of the Larchmont Yacht Club and the Larchmont Avenue Church. Mr. White is married and has two sons, Richard and David.

New Records
A Christmas gift of \$10 from the Woman's Club of Mamaroneck presented to the Mamaroneck Free Library has been used to start a collection of long-playing records, according to an announcement today by Miss Elizabeth A. Kennerly, librarian.

Records purchased include "From the New World," Symphony No. 3 in E Minor, Opus 95, by Beethoven, played by the Philadelphia Orchestra; Beethoven's Symphony No. 3 in E Flat Major, Opus 68, and Tchaikovsky's "Pathétique" Symphony No. 6 in B Minor, both recorded by the New York Philharmonic Symphony Orchestra.

In addition, the library has purchased from its record fund a recording of songs by Debussy sung by Lily Pons with accompaniment by Frank La Roche. "Sphère" from Schumann's Symphony No. 3, played by the Cleveland Orchestra; and a record of American folk songs sung by Richard Dyer-Bennett.

Community Sing
The annual Larchmont Community Sing will take place on Christmas Eve from 7:30 to 8 P. M. at the Larchmont Community Center, 100 Larchmont Avenue near the Larchmont Avenue Station. Mrs. Mary C. Seitz, co-chairman in charge of arrangements, announced this morning.

The community sing has been a part of Larchmont's annual celebration for more than 20 years and in past years as many as 700 persons have attended. Although the traditional tree was taken down in the past year, in this case, the Park Commission has erected another tree at approximately the same site which is decorated with colored lights.

A group of high school students under the direction of Mrs. Pinner will accompany the carolers. F. Caldwell Conklin is chairman of arrangements with Mrs. Seitz.

Beaver Heads Lodge
Annon Beaver of Hillside Road, Larchmont, is the new master of Larchmont Lodge 1030. F. and A. M. succeeding Robert H. Hines. Election was held Tuesday at St. John's Parish House, Larchmont.

Other officers named in the reports were Frederick H. Youmans, senior warden, and James E. Green, junior warden. Installation of officers will take place Jan. 9.

A certified public accountant with office in New York City, Mr. Beaver has resided in Larchmont and Mamaroneck since he served last year as senior warden of the lodge.

Mr. Beaver and Richard E. Crow Jr., new master of Mamaroneck's Annon Beaver Lodge, were installed in a mass Westchester County ceremony Dec. 27 at 8:30 P. M. at the White Plains Mackay Temple.

PBA Officials
Two local police departments this week elected delegates to the Westchester Policemen's Benevolent Association of Westchester County.

Named last night by the Mamaroneck Town Police were Patrolmen James Staropoli, senior delegate; James Mancini and Louis Turco, Patrolman James Knox of the local department is a vice president of the association and Sgt. Francis Waterbury is on the Board of Trustees.

The Larchmont police Thursday elected Patrolman Harry Purr senior delegate and named Sgt. Thomas Manning and Sgt. James Greer in the other delegate posts.

EMERGENCY DECLARED; ALL FREE PORT CITY

CHINESE HORDES SEIZE HANGHUNG

Defenders Withdraw Into TIGHT RING AROUND BEACHHEAD

TOKYO (AP)—Allied beachheads were abandoned in Hanghung today as the Chinese Reds pounded against them in swarms of "sea waves" attacking the shore.

The defenders withdrew from the wrecked industrial city into a tight ring around Huzanzen port on the Sea of Japan six miles to the southeast.

Demolition charges blasted the heart of Hanghung before the pullout.

Terr-stricken North Korean refugees swarmed by tens of thousands across frozen fields and down roads toward the allied beachhead.

The Chinese swarmed into the last American soldier left Hanghung at 12:30 P. M. a Red Korean flag flapped out over one house.

Withdrawal According to Plan. The Chinese pressed ahead with withdrawal as well as defense in depth to the shore.

The city lay open to Chinese Communists who watched from outlying ridges as demolition cascaded toward the sky.

The Chinese swarmed into the Hanghung suburbs.

The Chinese pressed allied defenders into their shrinking beachhead with attacks that overran forward positions by sheer weight of manpower.

They are throwing great stones at the beachhead.

PRESIDENT CALLS FOR MOBILIZATION

Truman Puts U. S. on War Footing to Speed Up Rearmament

WASHINGTON (AP)—President Truman today proclaimed a state of national emergency, aiming to speed up the nation's rearmament program to meet the threat of "Communist world conquest."

Mr. Truman signed the proclamation at 10:20 A. M. His action was announced by Stephen Early, acting press secretary, five minutes later.

The proclamation called all Americans to a united effort to build up the nation's armed forces and throw the full moral and material strength of the country into the protection of its freedom.

The White House released a long list of laws, carrying extraordinary powers, which it said automatically became effective upon signing of the declaration.

But many of them were merely reiterations of powers already held by Mr. Truman under the Defense Production Act and other postwar legislation.

Mr. Truman's effort to get production of arms and munitions machinery in motion behind the scenes is part of his program aimed at forcing Russia to make peace instead of war.

CAR, TRUCK CRASH IN BLINDING SNOW

Two Drivers Escape Injury In Early Morning Accident Here

A truck and a passenger car were badly damaged at 5:40 A. M. today on the Boston Post Road near Rockland Avenue, Mamaroneck, in a crash reportedly caused by blinding lights and the snow.

The car, driven by Herbert W. Poole of Larchmont Acres, was traveling east in the Post Road when it struck the truck.

The truck, driven by James E. Kennington of Charlotte, N. C. The truck suffered a severe damaged front end and the entire left front side of Poole's car was smashed. Neither driver was reported injured.

At 12:30 A. M., a car parked on the East Post Road near Dubois Avenue was damaged when it was struck by a backing auto operated by James V. Smith of Byram Conn. The parked vehicle, owned by Anthony Martin of Greenwich, Conn., sustained a crumpled left front fender, broken headlight and smashed grill.

UNIVERSITY MEN SET SPEECH BY HORNIDGE

Mamaroneck Village Police Justice Henry T. Hornidge will be the speaker Tuesday at 7:15 P. M. at a meeting of the University Club of Mamaroneck at the Greenhaven Inn.

A former mayor of Mamaroneck and formerly a member of the Village Zoning Board and the Board of Trustees, Judge Hornidge also served World War II as a member of the local draft board.

He is expected to address the University Club on matters pertaining to this community and its problems.

A base ensemble from the Delton High school orchestra will play Christmas carols at the meeting and will lead in group singing.

'Peace Everywhere On Earth' Tops Adult Christmas Wish

This is the 15th in a Saturday series of short interviews with residents on issues of the day, local and national. This week's question: "WHAT DO YOU WANT FOR CHRISTMAS?"

Charles Reidy Jr., 7 Addition Street, Larchmont, (aged seven): "I want an Erector set with electric motor. Then I can make a merry wheel that works, or a merry-go-round. I could have a truck, too, or a bus. It has wheels, you know, and you can make things that really run."

Miss Gertrude Jennings, 225 Mamaroneck Road, Mamaroneck: "I want the war to stop in Korea so my boy friend can come back. He says in his letters the cold is just as bad as the actual war."

Arthur Simonsen, 104 Boston Post Road, Larchmont (teenager): "I like the music and I would like a nice violin that I could play."

Dr. Arvin W. Hicks, 604 Tompkins Avenue, Mamaroneck: "I welcome the opportunity to slow down the busy pace we live in."

Stick-Up Man Loots Liquor Shop Of \$100

An armed stick-up man last night held up the Lovelace Liquor Store, 615 East Duxton Post Road, Mamaroneck, fleeing with about \$100 which he took from the cash drawer and a wallet containing person papers belonging to Fred Ganselin, owner of the store.

Mr. Ganselin was alone in the store about 11 P. M. when a young man walked in and asked for a bottle of whiskey. When the owner turned back after getting the whiskey from a shelf he found himself looking into the barrel of a long barreled revolver and was told, "You know what this means? I want the money and I don't want to shoot you to get the money."

The bandit emptied the cash drawer of bills and small change amounting to almost \$100, according to the police, and then forced Mr. Ganselin into the back room where he took his wallet and tried to lock him into a wash room.

At that moment, Mrs. Emily Ganselin, the owner's wife, returned to the store after making a delivery and, seeing the store empty called her husband. The thief then forced Ganselin back into the store and when Mrs. Ganselin saw the revolver she turned and fled down the street crying "stick-up!" She darted into a nearby bar and called police.

Meanwhile the thief left the store and ran down the Post Road toward Bay Avenue. Police suspect that he may have had a car parked in the vicinity since no search of his car yielded no trace of him.

Mr. Ganselin described the bandit as a young man about twenty-two or twenty-three years old, five feet six or seven inches tall, with dark hair, wearing a hat and a light-colored jacket and dark trousers.

Police, who immediately broadcast an alarm for the gunman, believe from the description that he may be the same man who Thursday night robbed the Tullie House, a route Plains last night.

20,000 British Troops Will Shift to Germany

LONDON, (AP)—Britain today ordered the transfer of at least 20,000 trained British troops to Western Germany. She now has some 50,000 men posted there.

The British War Office said the troops were to be moved from posts in Austria, Tyrol and Tyrol. They will include armored, infantry and anti-aircraft units.

Embargo Lifted

WASHINGTON (AP)—The Post Office Department today cancelled its embargo restrictions on Christmas parcel post — with the crippling rail strike apparently ended.

RETIRED CHIEF OF GARE

of Westchester County, 837 of the Society of 40 and 8, the American Legion's affiliate, John M. Milroy of Mount Vernon, left, was honored last night at a dinner at the Bonnie Bear Club in Larchmont.

Timothy Gibbon of Larchmont, dinner chairman, presented Mr. Milroy with a diamond studded cold past chef's button.

Others pictured are David L. Hagan of Mount Vernon, second from left, toastmaster, and Alfred Byers of White Plains, extreme right, new chef de cuisine.

Rail Strike Nears End As Switchmen Return

CHICAGO (AP)—Striking railroad switchmen in Chicago and other cities returned to work today and the end of a three-day crippling walkout appeared near at hand.

However, there was some question whether the strike issues themselves had been settled. Some persons who were in on talks at Washington said no actual agreement had been reached on issues. They said union leaders were told the strikers would have to return to work before further negotiations.

The struck railroads in Chicago —hardly hit by the walkout—reported nearly normal service returning to work on the first day shift. Earlier, crews returned to work in Washington, Seattle, Creek, Mich., and Alexandria, Va.

Others prepare to Return. Strikers also returned to work in Nashville, Pittsburgh, St. Louis and Dallas, Texas and reportedly were prepared to end their walkouts in other cities.

The back-to-work moves came hours after President Truman's appeal to the striking union official in Washington, said the strike, which has disrupted the nation's transportation system for the last three days, had been settled.

There was no immediate confirmation of the reported settlement from either top union or rail officials.

Truman's Program For Mobilization Shown in Outline

WASHINGTON (AP)—Here at a glance is the program President Truman outlined in his mobilization address last night.

1. A national emergency proclamation today.

2. A quick military manpower build-up from 2,500,000 men to 3,500,000. Call-up of two more National Guard divisions. Expanded draft.

3. A "very rapid speedup" of defense production.

4. Immediate price and wage controls, plus defense and cost-of-living items. Voluntary controls in other fields.

5. Sweeping mobilization and control powers for Charles E. Wilson of Scarsdale, N. Y., as home-front mobilizer.

6. Higher taxes, longer work hours and fewer civilian goods to buy.

7. Continued efforts to negotiate peace but "we cannot yield to aggression."

WILSON DIRECTS WAR PRODUCTION

Far-Reaching Powers Granted General Electric Company Former President

WASHINGTON (AP)—President Truman today created a new office of Defense Mobilization, directed by Charles E. Wilson of Scarsdale, president of General Electric Co.

Mr. Truman gave the new mobilization chief authority over all such activities directed by the Defense Production Act of 1950.

Mr. Truman's executive order said activities directed by the new agency will include but not be limited to production, procurement, manpower, stabilization and transport activities.

Duties in these fields will be performed by the various agencies and officials to whom they were previously assigned. Mr. Truman specified, but they now are "subject to the direction and control of the director."

Johnson Issues Urgent Appeal For Civil Defense Volunteers

An urgent call for volunteers to aid Mamaroneck in its Civil Defense plans was issued this morning by Village Manager William H. Johnson, local deputy director of Civil Defense, upon his return from a conference on local government in Albany.

Lawrence A. Withington, State Civil Director under Louis C. Stroh, stressed the need for quick action in the counties, cities and villages of New York State. Mr. Johnson reports. The director told the deputy officials that it is up to each community to be ingenious in its plans and use whatever facilities and personnel are available to speed an immediate defense program.

Typists, nurses' aides, stretcher bearers, car owners willing to help with emergency transportation and operators for the "Blue Flame" fire trucks were urged to enroll at once with Mrs. E. B. Ingraham at the Civil Defense office in the basement of the Municipal Building. The office will be open for enrollment Monday, Tuesday, Thursday and Friday from 10 A. M. until noon and again Friday from 7 to 9 P. M.

Promoted to Captain

Miss Margaret E. Peters, above of the Army Nurse Corps, former captain under the new reorganization program, the Army Medical Center in Washington announced recently.

A resident of Larchmont since 1948, Capt. Peters served in the Nurse Corps during World War II from 1941 to 1945 and was in charge of the nursing office at New Rochelle hospital until her recent return to the service. She is a graduate of Wilson College in Chambersburg, Pa.

She is now assigned to the Army Medical Center in the Biophysics Department of the Army Medical Service Graduate School in Washington, D. C. in her new post. Capt. Peters works with medical officers engaged in research and clinical testing with radioactive isotopes as part of the Army Surgeon General's pioneer program aimed at giving nurses an opportunity to participate in new medical techniques still in the experimental stage.

Warnings Help

A total of 10 warnings have been issued by the Larchmont police to all night parkers since the new all-year-round parking ban went into effect Friday at midnight.

Residents have been hearing the warnings. Chief Paul Yerick said this morning and are gradually getting their cars off the streets. Police will give car owners about another week to comply with the new regulations which prohibit all-night parking on public streets before issuing summonses.

Friday night 30 warnings were handed out by police on Saturday night and another 20 last night.

Back from Cruise

Seaman Alfred Thomas Jr., son of Mr. and Mrs. Alfred Thomas of 611 North Broadway Avenue, Mamaroneck, is home on leave from his duties aboard the light cruiser, U. S. Worcester which is now stationed in Boston, Mass. After a round the world cruise.

During the cruise the Worcester saw some duty in Korean waters and is said to be the first battleship to return to the East Coast from Korea where it participated in support of the United Nations forces.

Twenty ports of call are listed on the ship's log for the cruise including Hong Kong, Manila, Greece, Okinawa, Formosa, Japan and Pearl Harbor.

Seaman Thomas, a native of Mamaroneck, attended Belmont High School before he enlisted in the Navy on Nov. 4, 1948. After boot training at the Great Lakes Naval Training Station he was assigned to the Worcester.

Alumni Appointed

Karl H. Gorham, of 129 North Chateaufort Avenue, Larchmont, and Edward L. Taylor of 24 Mount Pleasant Avenue, Mamaroneck, were recently elected to the executive committee of the Union College Alumni Association of New York City at a meeting of the association held in the Wood McAlpine, New York City.

Mr. Taylor is a member of the class of 1934 and is associated with the International General Electric Company while Mr. Gorham, a 1919 graduate, is with the Mann Publishing Corp.

The New York City association is the largest alumni group of Union College.

Direct Peiping Peace Panel Sought By

Cease Fire Committee Asks Talks With Red Leader

LAKE SUCCESS, (AP) — The U. N. Cease-Fire Committee announced today it had offered to go to Peiping for direct Korean peace talks with Chou En-lai, Foreign Minister of Communist China.

The disclosure was made in the General Assembly's 60-nation Political Committee by Lester B. Pearson, Canadian member of the three-man true body.

Mr. Pearson read a cable, which he found at the committee last Saturday. The Cease-Fire Committee offered to meet with Mr. Chou either in Peiping or at any other place designated by him.

Mr. Pearson said he had consulted unofficially with Red China's envoy here, Gen. Wu Hsiang-shan, and discovered that he had no authority to negotiate peace.

Mr. Pearson said he had received from Peiping, two weeks ago, a letter in which he was asked to discuss the cease-fire arrangements, either here or elsewhere.

Mr. Pearson said the Political Committee to bear with the cease-fire group a little longer to name their report and hear Sir Bernard Hall detail his conversation Saturday night with Mr. Chou.

China Reds Denounce Plan

Sir Bernard, accompanied by the Hon. Sir Malcolm MacDonald, of Newcastle, died with Mr. Wu last night after the Chinese Communist had denounced the U. N.'s plan for a cease-fire in Korea, an American trap to get a breathing spell for a military build-up.

'Mighty Mo' Joins Assault As Reds Fail to Crack Line

WASHINGTON, (AP) — President Truman told his Congressional colleagues today he needs additional powers in the fields of foreign commerce and transportation to deal with the world crisis. House Speaker Rayburn said after a 90-minute House conference that Mr. Truman indicated he would send a specific request to the Capitol as soon as the necessary papers could be drafted.

SETTLEMENT HOPE IN RAILS STRIKE

Pace of Negotiations Stepped Up; Reports

WASHINGTON, (AP) — Hope rose today for an early settlement of the long wage and hour dispute between the nation's railroads and four operating unions.

The White House pressed them to come to terms.

"The pace of negotiations was stepped up even as the effects of a strike by one group involved faded," said a White House spokesman.

He said, "Some progress" was made by the intense firestorm hurled at the masses of Chicago railway passengers on Sunday.

Mr. White House spokesman said, "Things are going just the way we planned them to," he said.

Plan Bars Wage-Price Rises; Voluntary Action Requested

WASHINGTON, (AP) — A request that business and workers voluntarily freeze all prices and wages was issued today by the Economic Stabilization Authority.

As they outlined it, the request would be that business, unions and the public adhere voluntarily to the price and wage ceilings established on Dec. 1 or some other recent date.

Further Controls Likely

The request for voluntary action was issued as the authority prepared to issue new controls on new price increases which Mr. Valentine entered over the weekend.

Most industry officials were called in today to discuss prices,

TEACHERS ASK SALARY RISE IN TOWN DISTRICT

Lay Committee Appointed to Study Retirement System

An immediate upward adjustment in teachers' salaries in the Mamaroneck School District was requested Saturday at a meeting of the Teachers' Welfare Committee and the Board of Education's Committee on Education and Personnel.

The teachers based their request to the board on the continuing rising cost of living and presented the appeal through Dr. Edwin Flory, past president of the association; Mrs. Beatrice G. Adler of Central School; Miss Katharine Haegerty of Mamaroneck Avenue School; Miss Xenia Miller of the Chateaufort Avenue School; Mrs. Vivian von Bernuth of Murray Avenue School.

Wilcox Heads County Group; Mobilization Support Pledged

CHAPPAQUA — The full force of the newly formed Westchester County Mobilization Support Pledge Committee, representing several hundred million dollars in payroll investments in Westchester, was pledged to all-out wartime preparations throughout the county.

Edward P. Prezanno of Mount Pleasant, chairman of the Mobilization Support Pledge Committee, was elected chairman of the board of directors and president of the group, which was held in the guest house of the Board of Directors. During the meeting the directors were welcomed by Mr. and Mrs. Devitt Wilcox, past president of the group. It was Mr. Wilcox who pointed out that while the association has been in existence since it was first initiated a year ago as a peace-time organization for the planning and development of Westchester, the serious international situation requires immediate action.

GENERAL MOTORS FREEZES SALE OF THREE CAR LINES

DETROIT, (AP) — General Motors today froze the sale of 1951 model Chevrolet, Pontiac and Cadillac passenger cars—all affected by the government's price rollback order of last Saturday.

G. M. told dealers any Pontiac, Chevrolet or Cadillac received on or after today will remain the property of G. M. on a consent basis, not to be sold until released by the corporation.

The G. M. order said the action was taken "pending an examination of the discriminatory order of the Economic Stabilization Agency affecting passenger car prices, including the possible effect of this action on resale."

Car makers and labor are making strong protests to Washington to the rollback of prices on government order.

Both factions in the big auto industry have labeled "unfair" the economic stabilization Agency's Saturday order to push back car prices to the Dec. 1 level.

Nevertheless, General Motors Corp., the Ford Motor Co. and Nash Motors, three of the firms that boosted prices this month said yesterday they would comply.

G. M.'s Cadillac division withdrew a scheduled price increase announcement.

"There was no immediate word from Chrysler Corp., the other producer involved."

Chrysler companies had announced their increases on 1951 models before Dec. 1.

ATLANTIC ALLIES WARNED ON REDS

Army Secretary Says They Are 'Far From Ready' To Withstand Attack

BRUSSELS, Belgium, (AP) — U. S. Army Secretary Paul Pace warned the North Atlantic allies today they are "far from ready" to withstand a Communist assault on Western Europe.

Opening a two-day meeting of Atlantic, Pacific and Far Eastern Ministers gathered to complete plans for a new Communist offensive, Mr. Pace told the defense chiefs of the U. S. will aid its purpose.

Secretary Pace is representing U. S. Defense Secretary George C. Marshall at the meetings. He said:

"The American people already have stepped up their preparedness and plan for even greater efforts in the next year. It is the U. S. all our efforts are being geared to expedite the organizing of our military forces and the production of munitions."

"I know you share with us the urgency of the situation and the need for the speed in your own efforts," he told the ministers.

Mr. Pace said after 14 months of strengthening the Atlantic Alliance can show some real progress in strengthening its military and economic position to withstand a Communist assault on Western Europe. "But we are far from ready even now."

Santa Visits Kathy Early

Santa Claus paid an early visit yesterday afternoon to Kathy Dryer, four-year-old leukemia victim, whose condition has improved steadily during the last few weeks.

Because of their concern over Kathy's decline, Mr. and Mrs. Irving V. Kessler decided on an early Christmas celebration for their daughter. Members of the family gathered yesterday at the Kessler apartment, 1431 Mamaroneck Avenue, to share with Kathy her joy over the Christmas dinner, tree and presents.

Santa paid his surprise visit in mid-afternoon when he arrived from the Columbia Rose Company's Christmas party on a waking doll for Kathy. He held the strikers child on his lap and together they sang "White Christmas."

Kathy returns to the hospital tomorrow for another blood transfusion.

WYOVA to Meet

Hugh Pomery, director of planning for Westchester County, will be the speaker at a meeting tomorrow, 8:15 P. M. of the Westchester County Village Officials Association. It has been announced by Larchmont Mayor Walter B. C. Washburn, chairman of the program committee.

The meeting will be held in the Municipal Building at Buchanan near Peekskill and Mr. Pomery is expected to discuss zoning and zoning trends.

Originally scheduled last Thursday, the session was postponed because of a state-wide conference of municipal officials in Albany. Anthony Sansone, Mamaroneck Village attorney, is secretary of the association.

Taxi in Collision

A taxi driven by Frank Carpio of 152 Chatsworth Avenue, Larchmont, was struck yesterday at 2:30 P. M. at Murray and North Chatsworth Avenues by a car driven by Mrs. Lillemore Odqvist of 49 Hillcrest Avenue, Larchmont, heading east from the North Chatsworth Avenue bridge, had slowed to make a left turn around a police booth.

Mrs. Odqvist told police she was driving directly behind the taxi and failed to see him slow down when the taxi temporarily stopped.

The rear bumper, license plate bracket and trunk door of the taxi were damaged when the left front fender and headlight bracket of the Odqvist car were damaged.

Did You Get a Ticket?

The first of almost 1,000 cards printed by Mamaroneck Town Police in the form of a summons were tied yesterday to all parked cars in the unincorporated section.

Each card is a summons from the police department to respond to a summons and safe Christmas in the Town of Mamaroneck and a happy and safe New Year.

Each recipient of the summons is advised to be on the alert and exercise safety in driving and walking.

"If you drink don't drive. If you drive, don't drink," police recommended. "Your cooperation in preventing accidents is most earnestly requested. By doing so you may save a life. The life you save may be your own."

AUTO MEN AWAIT MORE ON PRICES

DETROIT, (AP)—The auto industry awaited today a clarification of the government's policy on wage controls after its biggest producer yielded to an edict rolling back prices of new cars.

General Motors capitulated yesterday to an order cutting prices on new models to the level of 1949. It was the only producer to fight the order. It agreed to put its 1951 Chevrolet, Pontiac and Cadillac back on the market at 1950 prices and asked dealers to give rebates to customers who bought cars at the higher prices.

The auto industry's price situation seemed pretty well settled at least until March 1. But the wage picture was left somewhat of a question mark by an announcement made in Washington last night by the Wage Stabilization Board.

The board said it had reached a unanimous agreement on the question of wage controls for one million auto workers. It did not say what the agreement was.

N. J. AUTO INVOLVED IN HARTSDALE CRASH

WHITE PLAINS—It was a New Jersey car which struck three other cars in an accident last Saturday on the Bronx River Parkway near Hartsdale, it was established today.

A report stated in error Monday that a car operated by Charles P. Windisch, sixteen, of 49 Butler Road, Scarsdale, out of control, crossed into another lane and hit two cars.

The facts are that Mr. Windisch was driving south when a car, operated by George H. Allen of Hackensack, N. J., also headed south, passed him on the right and sidestepped the Scarsdale car. The New Jersey car then swung in front of Mr. Windisch, over to the opposite lane and struck two northbound cars.

Mr. Windisch did not lose control of his car. He brought it to a stop at the curb and gave what help he could to the injured.

The incorrect facts were printed in a story and in a picture caption.

Explosion Injures 3 Street Repairmen

NEW YORK, (AP)—An explosion injured three men working in a street excavation in Upper Manhattan last night. Buildings on the block were reported still without electricity, water and gas today.

The blast, believed to have come from the igniting of an underground gas pocket, left a hole three feet deep in the pavement.

Four workmen were looking for a trouble spot in a water line serving a sprinkler system in a building at 634 West 158th Street.

Iona Historian Tells Of Flight From Reds

By EUGENE McLOUGHLIN

The story of his narrow escape from the terrors of a Communist concentration camp in Czechoslovakia, where some of the 5,000 of his colleagues interned two years ago have died, was released publicly for the first time today by Dr. Bohdan Chudoba, professor of European history at Iona College.

Dr. Chudoba, who lives at 110 Beach Avenue, Larchmont, has taught at Iona since he came to this country in September, 1949. He kept the story of his escape quiet until the testimony of Anastas Opatsek was released by the Communist regime last month.

In the testimony, Opatsek is reported to have stated that Dr. Chudoba left the country with a French passport, "and that was practically denied this in a story written for 'America' dated for release tomorrow.

DR. BOHDAN CHUDOBA, former member of the Czechoslovakian Parliament, is shown above at his desk at Iona College where he is professor of European history. Hunted by both Nazis and Communists

"I left the country on skis," he said in a personal interview. "When the Communists began arresting 30 or 40 of my friends, members of the Czech Parliament as I was, I knew my turn was next."

First Sign of Coup
Dr. Chudoba recalled that the Socialist Party Minister resigned on Nov. 25, 1948, "and that was the first sign we had the coup d'etat was about to begin."

"On the 25th," he related, "the Communists began arresting my colleagues. When I went into Prague the following day, I was warned that my arrest was imminent. I didn't return to my rooms but hid in various places in the city until the following Sunday.

"Sunday, Feb. 28, and I don't remember, I took skis, muffled my face well in a scarf, and took the train to the Bohemian Mountains, the border between western Bohemia and the American Zone of Germany, and the American Zone of Germany.

At the border he was arrested by German police and handed over to the American authorities. After three months of questioning and checking, he was allowed to go to Paris where he lived for a year and a half before coming to the United States.

Tried to Study
"I tried to do some studying in France," he added, "but my nerves were so far gone from my experiences during the previous years that I was too weak to study."

This statement may be taken with a grain of salt because Dr. Chudoba also said that he has done "practically nothing" since coming to this country. On further questioning it was revealed that in little more than a year he has contributed articles to at least four publications, lectured extensively, written two books and worked on a third, besides teaching at Iona College.

Dr. Chudoba was born in Czechoslovakia in 1909. He graduated from college in Brno and later obtained his Ph. D. in history from Thomas Masaryk University in Prague and a Ph. D. in letters from Madrid University in Spain.

In 1937 he began teaching at Thayer University in Brno but with the outbreak of World War II he was ousted by the Nazis and ordered to work in a munitions factory in Germany.

A friend obtained permission for him to work in the state archives where he stayed until the Winter of 1944-45. At that time he learned that, in spite of his connections, he would be forced to work in the German munitions plant.

Had Out In Woods
Rather than do this he chose

to go into hiding and lived in the woods of western Moravia. Making contacts with both the Russian and English undergrounds, which were at that time working to free Czechoslovakia from the Nazis, he ultimately joined the Czechoslovak army as an interpreter. He speaks six languages besides his native tongue.

In February, 1946, he was arrested because of his participation in the Student Festival in which the Czech Pax Romana, of which he was a member, invited their own foreign guests.

"I was not alarmed at this because 30 or 40 of us were taken also custody, but the funny thing about it," he said, "was the fact that they didn't let us know what we were being held for but tried to link us up to other anti-Communist groups."

In the elections of 1946, Dr. Chudoba ran successfully for a seat in the Parliament on the People's Party ticket.

"The elections were controlled by the Communists," he said, "and only the Socialist parties were permitted to organize. However, the People's Party, which was at least nominally a Christian democratic organization, was allowed because it was infiltrated with Communists."

A seat in Parliament gave Dr. Chudoba immunity for two years until the Communists pulled their coup d'etat in February, 1948, and threw the rule book aside. The 1948 elections were held with a single slate.

President of 'Orel'
Dr. Chudoba is also president in exile of 'Orel', a Catholic educational association that had over 300,000 members at one time in Czechoslovakia. He said that at least 5,000 of them are now in concentration camps and many of them have died.

Commenting on the attitude of those under Communist domination regarding the Western world, he said the opinion of the people changes from day to day. He has received no word as yet on the

effect of General Eisenhower's appointment.

"Sometimes they are discouraged by Western methods," he said, "as when General Patton stepped short of Prague and allowed the Nazis to do anything they wanted for 10 days before the Russians arrived."

He added that intellectual opposition to the government has been practically broken down.

"They have broken resistance by their inhuman methods in dealing with the clergy and educators alike and forcing false confessions."

As an example he pointed out Anastas Opatsek's confession mentioned above. "It was a complete untruth," he said. "It was forced out of him to make it appear that my work against the Communists was because I was being paid by a foreign power rather than because of my convictions."

'TRADE' WEIGHED BY WEST GERMANY

BRONN, Germany, (AP)—West Germany's defeated people weighed today a home-trading deal with the West: Would they swap the use of German soldiers in a defense of Europe for an end to most of the irksome occupation controls and near independence?

The three Allied high commissioners got ready for long negotiations, beginning after Christmas. These eventually may bring German soldiers shoulder-to-shoulder with Americans and West Europeans, in the status of virtual allies, to face up to Moscow.

Chancellor Konrad Adenauer has not yet given any direct answer on the invitation to him by the Brussels North Atlantic alliance conference to raise German military units. In fact, he has not yet been asked directly to do this. There is some hard preparatory work to do first.

But the Western Allies have been given some encouragement by Herr Adenauer, who has expressed willingness to listen to the German claim to negotiate as an equal.

Many months of talking before West German government and the Big Three loomed before German troops could fight alongside their former enemies against Soviet communism, or West Germany would become almost a free nation.

NEW YORK, (AP)—Adam Hat Stores said today it would not renew radio commentator Drew Pearson's contract when it expires Feb. 15.

A statement issued by Charles V. Moleworth, Adam Hat president, said sponsorship of Pearson's weekly program was being dropped because of "a planned change in advertising meant for 1951." The company said the decision was not a result of the controversy between Mr. Pearson and Senator McCarthy, R., Wis.

Lands Village on Air
Mamaroneck's beach and harbor and its waterfront facilities were featured yesterday by Mayor S. J. Santoro on a broadcast about the village's fire and police departments, stressing the fact that the firm are volunteers.

The program, one of a series honoring committees in the New York City area, also included a discussion of Mamaroneck's history, schools and industry. After the broadcast, Mayor Santoro was a guest for dinner at Cavanaugh's.

Interviewed by Pat Barnes from Cavanaugh's restaurant in New York City, Mayor Santoro said he lauded the village's fire and police departments, stressing the fact that the firm are volunteers.

Kids Can Ride Free
If you're puzzled about what to do with the children during Christmas vacation, the Protram Transit Company is ready to help solve your problem.

The company is offering free transportation in Protram to all children under fourteen accompanied by a paying parent, Tuesday, Wednesday, Thursday, and Friday next week. The bus stops in Mamaroneck at Larchmont at Sterling Avenue, Barry Avenue, Mamaroneck Road, Delaware Avenue, Richfield Road, Weaver Street, Nassau Road, Larchmont Avenue, Kane Avenue and Deane Place.

Keep the Ice Clean
Don't throw snow, branches or pieces of wood on Larchmont Gardens Lake as it freezes—if you want to get the maximum amount of skating pleasure this year and a minimum of falls and bumps.

Mamaroneck town crews are asking parents to instruct their children. In past years, the first firm has appeared on the lake, various objects have been thrown apparently to test the thickness. The stones and wood were on the surface and become unpleasant and sometimes hazardous.

Home for Christmas
Pvt. George Francis Scanlon Jr. son of Mr. and Mrs. George F. Scanlon of 7 Robinson street, Mamaroneck, will be home for Christmas on his first leave since his induction into the army.

A graduate of Iona High School and Pennsylvania University, Pvt. Scanlon is now stationed at Fort Monmouth, N. J.

Firemen Play Santa
The Mamaroneck Fire Department will play Santa to crippled children of the community Wednesday morning at 10:30 a. m. at a Christmas party at the Playhouse. Transportation for the children will be provided by phoning Mamaroneck 9-2400.

No Paper Monday
The Daily Times will not be published Monday—Christmas Day.

The doors will also be closed at the school, municipal building, post offices and other places of business in observance of the day.

CRASHES IN STATE
FATAL WINE
Two Accidents Claim 3 Lives Each as Cars Crowd N. Y. Roads

ALBANY (AP)—Nine persons were killed in highway accidents last night and early today as Christmas-holiday travelers crowded New York State's roads.

Arthur J. Donnelly, thirty-one, of 630 East Lincoln Avenue, Mount Vernon, was killed when his car collided with a tax in the Bronx.

Three members of one family met death last night when a southbound New York Central passenger train struck their automobile on a grade crossing at Crayville, Columbia County. The victims, who had set out for Hudson for last-minute Christmas shopping, were Mrs. Malinda Minster, sixty-one, her son, Clyde, thirty, and his wife, Evelyn, twenty-one, all of Crayville.

At Amenia, Dutchess County, three persons were killed and five others injured in a two-car crash on an icy road. The dead were identified as Maurice Gehrke, thirty-eight, and his wife, Jean, thirty-six, of Amsterdam, and Arthur Lavozy, thirty-four, of Norwalk, Conn.

Yule Mail Sets Record Here
But Parcel Post Slows Down

The volume of Christmas mail handled in Mamaroneck and the new record this year, officials estimated this morning by officials of the post office.

In Larchmont, the amount of first class mail being handled is estimated as slightly higher than last year and Mamaroneck postmaster Laddie Linahan estimated that letter mail is running about 50 per cent more than in 1949.

Brewery coolers, however, evidently did not keep up with the increase in letter mail. Postmaster Linahan figures the package mail is not quite so heavy as last Christmas season, the package mailmont Mrs. F. Warren Owen, acting postmaster, said it is no heavier than last year.

Both post offices are making extra deliveries to residents with Mamaroneck scheduling three deliveries and Larchmont two, through today and there will be no deliveries on Tuesday.

Windows at both post offices closed at 1 P. M. today and will not reopen until Tuesday morning.

According to the postmaster, mail is being handled as rapidly as possible, one primary to complete cooperation and hard work on the part of the regular staff of employees and special assistants employed during the rush period.

In Mamaroneck 35 extra men are on duty serving at windows and postmaster Laddie Linahan said he has 200 employees.

STATE FILES SUIT TO BLOCK BOOST FOR COMMUTERS

PSC Seeks Injunction To Halt ICC Order For Fare Increase

UTICA, (AP)—New York State seeks an injunction to block an 8 per cent intrastate commuter fare increase authorized by the new Staten Railroad by the Interstate Commerce Commission.

Application for an injunction was filed yesterday in U. S. Judge Stephen W. Brennan by Attorney General Nathaniel L. Goldenstein and Benjamin F. Peinador, chairman of the State Public Service Commission.

The ICC authorized the New Staten to increase intrastate commuter fares by 17 per cent in 1950.

The PSC rejected the railroad's petition for a similar increase in intrastate fares.

In 1949, however, the State agency authorized a 9 per cent increase.

The railroad appealed to the ICC on Page 5, please.

Fine Weather For Weekend Is Forecast

Glare Ice Made Many Wretches

State troopers last night and this morning but the Weather Bureau promised sunny temperatures and mostly sunny skies to end that condition and make the weekend a happy one.

Numerous automobile skidding collisions were reported and locked bumpers tied up many roads while spinning trucks blocked hills.

Running crews were hastily called out after traffic melted the light snow and falling temperatures over the surface, but not before household workers and last-minute shoppers were caught without their chains.

This morning there were many icy stretches to slow early motorists.

The Weather Bureau said it would be mostly fair today with a high temperature near 40, partly cloudy tonight with a low near 20, and fair and milder tomorrow with the mercury up in the mid-40s.

One of the more serious accidents, reported by Parkway 3, occurred at 10:45 a. m. on Tuesday morning.

CONKS MATE ON HEAD, GIRL FACES CHARGE

A Mamaroneck man required five stitches for a deep crack in his forehead when he was struck by a water hammer while working on his seventeen-year-old wife.

The accident occurred at 318 North Street, where a water hammer was being used to install a new water heater in the home at 12:30 A. M. after administering first aid they summoned Dr. J. J. Gerber, who ordered blood to be drawn.

His wife, Dorothy, was arrested on charges of second degree assault and later this morning was awaiting a hearing before Judge H. W. Hoffman.

A Christmas For Prayer

— An editorial —

ORDINARILY, in peacetime, this is the season when we have cause for rejoicing and for a count of our blessings. It is usually the time for noting upon our balance-sheet the favors which a Divine Providence has granted during the year. It is normally the period for hearty salutations and cheerful greetings among loved ones and friends.

But Christmas 1950 is different. While we have cause for blessings in that the times might be worse, at the same time we have the practical realization that not in our national lifetime have we faced graver danger. The cruel fingers of a bitter foe seem to reach for the throat of America. We are confused, frustrated, fearful of the future.

That is, admittedly, not the spirit in which Christmas should be celebrated. And yet it is difficult to grasp any brighter sentiments. It seems ironical that we should commemorate the birth of the Prince of Peace under circumstances which appear to presage a world-shaking war.

There is, of course, recourse to our program for defense. We are not yet prepared to advocate any counsel of despair. We are convinced that in the end we shall win, as we deplore at the same time the terrible cost that victory will bring.

But on this Christmas of 1950 we suggest that there is even other recourse. If ever there was a time in our history when we should fall upon our knees and pray to God for guidance and deliver, this is the time.

As we assemble our material might we must also marshal our spiritual resources and strength. For as man does not live by bread alone, neither does he fight by arms alone.

Prayers to God Almighty, earnest, faithful, humble prayers—that is what we spirit offer if we are to see the light in troubled skies. Let us pray tomorrow, preferably in the church of our choice, in the spirit of Abraham Lincoln when he said:

"I have been driven many times to my knees by the overwhelming conviction that I had nowhere else to go. My own wisdom, and that of all about me, seemed insufficient for the day."

That is the situation in which America finds itself this Christmas of 1950. And we may find our answer as did Abraham Lincoln upon our knees before our God.

And, beyond Christmas, too, let us live as we pray, confident that the greatest prayer is patience, and that there is looking over us and our fortunes a merciful, all-wise Divine Being who will not see atheism and infidelity supplant upon this globe the civilization which has been built for centuries upon faith and charity and religion.

With God on our side we shall not fail.

Gen. Walker Dies In Crash As Troops Face New Red Drive

Allies Braced to Meet Bloody Christmas Onslaught

TOKYO, (AP)—The battered U. S. 8th Army, with its fighting commander dead, faced today against the growing probability of a bloody Red Christmas in battle.

The first staggering blow of the war was the loss of Lt. Gen. Walton H. Walker, who was killed in the forenoon in a jeep smash-up while driving to the front lines.

The crash is expected to be a massive onslaught by Red Chinese who may already have fought their way in force across the bleak Parallels 38 boundary into South Korea.

Gen. Ridgway in Command Gen. MacArthur's headquarters quickly announced the appointment of Lt. Gen. Matthew B. Ryan to succeed Gen. Walker as 8th Army chief.

The new commanding general of the United Nations forces in the northwest comprising American, British, Philippine, Turkish and South Korean troops is a much decorated U. S. Air Force general officer of World War II.

"There was virtually no news from the front since the Chinese breakthrough in Northeast Korea where U. S. 10th Corps elements last week reported holding a tiny pocket of the Sea of Japan.

A gall siphon said Communist artillery shells fell on the crowded beachhead Saturday for the first time since the Chinese searched for the enemy beachhead.

Gen. MacArthur's headquarters said U. N. forces there repelled Communist attempts to crash the Hungnam perimeter Saturday. Weapons, naval and artillery units continued to disperse and destroy enemy groups.

But in Western Central Korea, the Chinese forces massed along Parallels 38 mounted by the hour.

Gen. MacArthur's headquarters said 8th Army patrols had run into Chinese forces somewhere near Chongju, a village two miles south of the border.

A captured Red Korean message while we have comparative losses in that the times might be worse, at the same time we have the practical realization that not in our national lifetime have we faced graver danger. The cruel fingers of a bitter foe seem to reach for the throat of America. We are confused, frustrated, fearful of the future.

TRUMAN HOPEFUL OF SAFE WORLD

American People Seen In 'Excellent Shape' To Meet Red Crisis

By ED CREAGH

INDEPENDENCE, Mo. (AP)—President Truman, home for Christmas, holds out hope of a world that is safe for you and myself, and everybody else to live in.

He says the American people are in "excellent shape" to meet the challenge of world communism as the nation has met every crisis since Washington's time.

"All we need now is time and that is what we are fighting for," the President told a nonpartisan audience of Masons, mostly old friends and lodge brothers, last night here.

He unexpectedly broke out on a Christmas Eve when he was virtually instantly killed at 11 this morning when his jeep collided head-on with a truck.

Associates said Gen. Walker had been on the jeep and was killed. Gen. Walker, a fighting colleague of the late George S. Patton Jr., died while en route to the Western Korea front where his forces were braced against a threatening new Chinese Red offensive.

There were some conflicting versions of the fatal jeep smash-up at the moment of Gen. Walker's death.

The first official American version was given out by his named staff officers who were called into what some thought would be a routine briefing or hearing of the general's Christmas message to his troops.

Planned to Decorate Son

The staff was called to order by Maj. Gen. Alvin W. Gault who told the officers:

"I have a shocking statement to make. General Walker was virtually instantly killed at 11 this morning when his jeep collided head-on with a truck."

U. S. BEARS DOWN ON PAY CONTROLS

Clamp On Car Industry First Step; Others Seen In Offing

WASHINGTON, (AP)—Having broken the ice with an automobile industry wage freeze, the government bears down today in its study of a voluntary pay-control standard for all other workers.

The Economic Stabilization Administration is studying the wages of one million passenger car builders and the salaries of their bosses last night. It was the first mandatory wage action since World War II.

The firm's lawyer had prevented the firm from more than 100,000 men being trapped and wiped out by the Chinese invasion.

His immediate destination was said to have been the British Third Army.

SKIDDING CARS CAUSE DOZENS OF MISAPPS

Only One Injured Reported

Light snow which glazed pavements with a slippery coating of ice last night was the cause of nine ten auto mishaps which occurred in Mamaroneck, Larchmont and the unincorporated areas. All of the mishaps occurred within two hours after 7 P. M. before Public Works Department crews had an opportunity to sand the streets. One woman reported a wrenched neck.

In Mamaroneck, three of the crashes happened on Halsted Avenue. The worst of the crashes damaged the front ends of two cars which met head on at 7:10 P. M. on Halsted near Wagner Avenue. Richard Morris of 62 Thatcher Avenue, Harrison, was driving east when his auto was struck from behind by a car driven by Ernest Lasky of 213 Center Avenue, Mamaroneck.

The same section of street had been the scene of a crash two minutes earlier when an auto driven by Eleanor Amy Bear of 40 York Avenue, Rye, stopped because a car ahead had halted and was struck by a skidding car driven by Joseph J. Frates of 21 Webster Avenue, Harrison. Both vehicles were proceeding east.

The left rear fender and bumper of the Frates car were damaged while the passenger's front end of Mrs. Bear's vehicle was smashed.

A car owned by Augustus E. Ireland of 21 Travers Avenue sustained damage to its entire left side at 7:35 P. M. when it crashed with a car driven by Mrs. M. J. Frates.

Santa's Mail Stacks Up High As The Big Night Approaches

The Post Office employees in Larchmont and Mamaroneck may think they are busy—but they should see the stack of mail piled up at Santa Claus's door this time of year. Santa's helpers are so busy with their regular chores that they can hardly find a minute to tackle the letters, so Mrs. Santa has had to call in a few friends and go to work on the mail.

With the cowboy cars still running full tilt, the boys—and even a few of the girls—are busy with their regular work and their guns and holsters, spurs, boots and the rest of the Western Trappings.

Santa likes to take a second look at the letters which take a few personal interest in him—for

planned the one from Joan and Peter who were sick. A happy Christmas to you. We will say a little for you. Or the one from Teddy which starts. "How is it up North?" Or the one from Tommy, Mary Kay, Tracy, Tommy, Barbara, Elizabeth, and Greg which starts, "We want to thank you for what you sent us last year."

Another stack of letters which Satan singles out for appreciation are the ones that give him a little leeway in the choice of presents. "I want a new sled and a new sled and a new sled."

"And anything else I get?" "Reason: I like the toy, he wants and then adds, "Most likely a few of the letters which take a few personal interest in him—for

Reports To Newport

Thomas J. Walsh, of Mr. and Mrs. Christopher T. Walsh of 513 Linden Street, left Wednesday for the Newport, R. I., Naval Base where he was assigned for boat training following his enlistment in the service.

A native of the Bronx, Walsh is twenty years old and was born in Mamaroneck for the last two years.

He attended Rye Neck Schools and in 1949 was graduated from Bellows Falls School. He was active in sports, particularly basketball. In his senior year he was chosen a member of the SWIAC All Star basketball team.

Church Picture

A picture of the Mamaroneck Methodist Church, an outstanding example of New England church architecture, is featured on the first page of the Christmas issue of Protestant Church Life, official publication of the Protestant Church Council of the City of New York.

The paper has a circulation of more than 11,000 and a short statement accompanying the picture tells that it was built in 1825 and that it is situated on U. S. Coastal main and serves as a shrine to liberty and democracy.

Also on the first page of the issue is a Christmas message from the Rev. Charles K. Gilbert, president of the Protestant Council.

Skating Unsafe

Despite the cold wave of the last few days, skating is still unsafe at the Larchmont Ice Skating rink, according to Lt. C. Lawton, town park commissioner, who today warned that it is dangerous to skate on the ice.

For safe skating a minimum over-all freeze of three inches is required, whereas at the present the ice ranges in depth from three to five inches, Lt. Lawton said.

As soon as the ice becomes safe for skating the red flag will be displayed, he added.

CHEST EXCEEDS QUOTA BY \$132 IN MAMARONECK

Persistent Work of Leaders Spells Final Success Of Drive

Timeless plugging by directors, workers and district leaders has finally seen the Mamaroneck Community Chest \$132 over its quota of \$17,916 in the 1949 campaign.

It was announced today by President Earl Quirk and Jonathan T. Weisk, executive campaign director, that the drive had exceeded its goal.

The total assured is \$22,106.74 and \$25 in excess of the goal represents cash in the bank. Mr. Quirk and Mr. Weisk attributed the success of the drive to the diligence of the district workers and directors and today publicly thanked all residents who participated in the campaign.

The success of the drive is under the leadership of Bill Woodward, the solicitation of business, industry and out-of-town bank owners by Leonard Chase, Leo Rempel and William H. Johnson accounted for a third of the total, the director states.

Mr. Quirk and Mr. Johnson were solicited to the effort were the Lion's Club, the Kiwanis Club, the American Legion, the Boy Scouts in addition to the employees of the County Trust Company and the National Bank who aided in the collection and compilation of records.

The Village Board granted the application in spite of a petition signed by 19 residents of the Ward Avenue area who opposed the change on the ground that "the street is very congested and this would add a further hazard."

Arthur Dunn, Jr., spoke in favor of the change.

Trustee Jack Holland suggested that the matter be referred to the Traffic Commission for a recommendation but Trustee Alfred Weeks pointed out that two members of the Traffic Commission, Village Manager William Johnson and Acting Police Chief Louis Giannola, had expressed approval of the application. He moved that the request be granted and the board supported him unanimously.

On its return trip to the station, the bus will now turn east on Spruce Road and then turn on Ward Avenue to Halsted.

MEDICS UNDER 50 CALLED BY DRAFT

Hershey Estimates 210,000 Must Register on Jan. 15; Vets Included

WASHINGTON, (AP)—Virtually all of the nation's physicians, dentists and veterinarians less than fifty years old will be called within the next six months. They are men who received military training at government expense in the World War II training program, and who are deferred from the draft until they complete their education.

They are among 210,000 doctors registered in the first medical draft last Oct. 16.

Dr. Melville said the second priority group embraces doctors with the same qualifications as the first group, but who served in the military and 31 months. He predicted that there will be 100,000 more.

The third group contains doctors who did not serve in World War II, or since.

In the fourth group are veterans.

ESA Moves To Clamp Stricter Price and Wage Controls

WASHINGTON, (AP)—The government cut down sharply today on money available for private loans and forced strong new links for harnessing the national economy more firmly to the defensive drive.

A Federal Reserve board called for its 9,880 member banks called for \$2 billion out of the loan market.

The board said the action would cut a potential further increase of \$12 billion in the already large, high volume of bank loans. This is because banks could have lent the \$2 billion over and over again.

The Economic Stabilization Agency interpreted the move as a step apparently away from the way for stricter controls expected later.

The National Production Authority decreed that the U. S. will take over immediately all sole importer and distributor of natural rubber. Since it already controls strategic production, it can move more fully the government in virtually all of the nation's natural resources.

NPA announced this new move was to take effect in 15 days after it had forbidden, including steel, lumber and paper. An NPA spokesman said the move would apply to sawmills.
