# Combing The Town

Weeks Commissioned

**Ensign Alfred Weeks Jr., above, son of Mr. and Mrs. Conrad Weeks of 618 Stiles Avenue, Manamontick, received his commission Friday at graduation ceremonies held at the Officers Candidate School, Newport, R. I.**

A graduate of Manamontick High School, Ensign Weeks holds a bachelor of science degree in mechanical engineering from Rochester University and a bachelor of law degree from New York University. He passed his New York State Bar Examination last June. He is a member of Sigma Chi and of Phi Delta Psi. Ensign's last assignment was at the Signal School at Fort Detrick, Md., where he was second in command of the Signal School and won second place last Summer in the Signal School Race Week.

After a short leave, he will report to the Tusconoa Naval Air Station for flight training.

**Officials Talk Fare**  
George P. Forbes Jr., Larchmont village attorney, John L. Williams, Town Attorney, and James Hopkins, County Executive, with representatives of other committees today at the New Haven Railroad meeting in New Haven, Conn. They will discuss the proposed New York City and New Haven Railroad, which is being operated by the State Public Service Commission, to discuss the New Haven rate case.

**Explorer Club Planned**  
Explorers interested in joining a Manamontick Explorers Club are invited to attend a meeting tomorrow at 7:15 P. M. at the Borough office, 400 East Boston Post Road, Manamontick. Everett Houghton announced that at a recent meeting the group, an explorers' service to assist in local emergencies, was discussed. The explorers plan a unit to help in such emergencies as searching for missing persons and in the event of fires.

Also considered was a group trip to a professional basketball game. The group will be a unit to help in such emergencies as searching for missing persons and in the event of fires.

**Unhop Cat Dies Trap**  
A cat owned by Mrs. Ronald Wild of 733 Stuart Avenue, Manamontick, wandered too far from home Monday night and was trapped. Manamontick Village Police learned yesterday at 8:49 A. M. that the cat was found on the waterfront and stuck its paw into a milktrap. It was managed to drag itself back to Stuart Avenue with the trap clamped onto the paw. The cat was found on the porch of the home of Mr. and Mrs. William Smith, 719 Stuart Avenue, a neighbor at the White. Police were called and helped free the cat which was later treated by a veterinarian.

**Carlson Home**  
A young son of Carlsson, USNR, of 11 Addison Street, Larchmont, has returned home after two years active duty at the Yorktown Naval Base in Japan and the Kavalien Island Base in the Marshall Islands.

A 1944 graduate of Manamontick High School, Lt. Carlsson served in the Merchant Marine and was graduated from the U. S. Maritime Academy in 1946 and from the New York State Maritime College at Port Jervis in 1948. He enlisted with the Naval Reserve and was on inactive status until March, 1942, during which time he served with the Moore McCormack and Marsh-Matthewson Steamship Lines. He is married to the former Elizabeth Aniles of Larchmont and has a sixteen-month-old son, Richard.

# Molotov Denounces Germany As Partner In European Defense

**BERLIN (AP)—**Soviet Foreign Minister V. M. Molotov proposed today that 48 million Germans choose in a general plebiscite between alliance with Western Europe and an immediate peace treaty.

**BERLIN (AP)—**A new Soviet attack on the West's plans for a European army, unveiled the Big Four conference today in an explosion of words. Russia's V. M. Molotov, opening the Foreign Ministers' ninth meeting in Berlin, loosed a tirade at the West for espousing a German ally that would be a partner in a European Defense Community, R. I.

Mr. Molotov declared the United States and Britain are "the midwives of the European army"—an army Moscow appears to dread even though it would be purely defensive in character. This was Mr. Molotov's day to make another try at imposing the Soviet idea of a united Germany. He had continued a plan for "free elections" in Germany, laid it before the conference.

**False, Says Tallamy Of Thruway Censure**  
ALBANY (AP)—A Democratic attack on the work of the State Thruway Authority is a "false distortion of the facts for political purposes," the authority chairman says. Senator D. Tallamy replied last night to Democratic charges that the authority's fourth annual report revealed "lack of efficiency, carelessness and downright negligence."

Senator Francis J. Mahoney and Assemblyman Eugene P. Danigan, minority leaders, endorsed in a statement that the expressway was being developed largely through guesswork. Planning Work Cited

Mr. Tallamy replied that "each foot of the project was planned with painstaking care by the finest engineering talent, and any suggestion that guesswork entered into the design, planning or construction of the facility is sheer falsehood."

The authority, in its report to the Legislature and Governor Dewey, said Monday night that it would need more money to complete the superhighway. Mr. Tallamy, addressing the State Society of Newspaper Editors in Buffalo, said the \$50 million authority has been authorized to borrow would fall short of financing the 407-mile toll route from New York to Buffalo.

**Snow 'Blast' Stated Today**  
WHITE PLAINS—A storm lasting from 18 to 20 hours was predicted for the Westchester area today by a Boston weather service. It said that rain would begin about noon—its fall with the temperature dropping to 20 to 30 degrees around 4 P. M. A three to six inch fall of wet snow then is expected, he private forecasters said.

# Board Gets Five-Year Plan For Relighting Larchmont

A five-year plan for modernizing lighting on the most heavily traveled Larchmont Village streets has been submitted today to a complete Village lighting survey by Hugh Peters, lighting specialist, of 222 Palmer Avenue, Larchmont, to the Larchmont Village Board.

Mr. Peters had been requested to make the survey and submit a report by Engineer Francis Griffin and Trustee Vincent Monte-Sano. Mr. Peters' report states that the "ultimate goal" should be a complete renovation of the present obsolete, inefficient and dangerous system, and that the five-year plan would result in a "modern system requiring only routine maintenance for many years."

The Boston Post Road would be widened during the first year of the plan, it followed by the Village. Some 56 obsolete fixtures would be replaced by 32 new mercury luminaires at a cost estimated at \$44,100. The annual cost for additional energy is estimated at \$840 per year.

## DEWEY SUGGESTS PERMANENT RAISE

### Cost-Of-Living Increases Would Be Kept

ALBANY (AP)—Governor Dewey asked the Legislature today to make permanent the \$11 million in cost-of-living pay increases granted the state's 80,000 employees in 1951 and 1952.

In addition, the Governor indicated another boost was in the offing for several thousand state workers in low salary brackets, to correct inequities. It was believed unlikely that there would be any across-the-board raise.

Mr. Dewey's plan to freeze the temporary raises into the regular salary schedule, certain of approval, highlighted a special message to the Legislature in which he also proposed:

1. Broadening and strengthening the pension and social security protection of civil servants.
2. Retirement credit for Korea War veterans.
3. Amending the state salary law to permit the Civil Service Commission to adopt the findings and determinations of supervisory organizations made by other authorized state and federal agencies.

Mr. Dewey said his recommendations represented "an effort to enhance the dignity and security of public employees in this state."

President Raps Democratic Prophets Before GOP Crowd of 6,500

WASHINGTON (AP) — President Eisenhower has advised Americans to ignore "prophets of doom" and has promised them a "big brother partner in the federal government."

Addressing a cheering throng of more than 6,500 at a GOP luncheon last night, Mr. Eisenhower called into Democratic prophesies of doom and gloom.

"We don't have to listen to the prophets of doom who say we are going to have a 'big brother partner in the federal government,'" he declared as the crowd cheered.

There, without mentioning by name Senator Bricker whose Constitutional amendment on treaty powers he has opposed, Mr. Eisenhower said:

"We must make certain that the genius of our Constitution and our government shall not be lost to the world."

Mr. Eisenhower said there had been "no difference of opinion" between the two sides clear since there is no new law in the Republican Party.

Five Town of Mamaroneck volunteer firemen were injured, the interior of the residence of Dr. Julian Barish, 17 Poplar Road, yesterday by a fire which swept through the home about 4 P.M. The injured firemen, who were treated by Dr. Alan Van Seiver, all suffered cuts from steam and fire equipment as they fought the blaze which raged for more than an hour in dense smoke. They included Edward Leone, fire chief, who suffered a fractured leg and back and which required a cast; Joseph Schmitt, who cut the fourth finger on his right hand; William Frazier, who sustained a laceration of the left hand; and Leo Porembka, whose leg was lacerated.

The blaze was discovered by an accidental passerby who rushed to the next-door neighbor, Mrs. Burns, who called the fire department. The Barish family, headed by Chief Anthony Marano, found heavy smoke and flames pouring from the house upon their arrival, and the smoke and heat were so intense that they had to smash front and back door locks to gain access to the residence.

The flames apparently ignited from an unknown cause in the furnace room directly under the kitchen, living room and library. The fire spread to the kitchen, living room and library. The fire spread to the kitchen, living room and library.

## MOLTOV GIVES KOREA PEACE BID COOL RECEPTION Soviet Clings To Demand For Big Power Parley With China

BERLIN (AP) — A Western bid for Y. M. Molotov to prod Red China into an early Korean peace conference was reported today to have received a cool reception from the Soviet Foreign Minister.

As the Big Four shifted temporarily back to their dreary discussion of Germany, diplomats familiar with yesterday's secret session said the Foreign proposition then as a possible step toward ending the Indochina war.

Mr. Molotov, they said, made no promise, instead he pointed to have studied his demands for a big power conference with Communist China Secretary of State Dulles, Britain's Anthony Eden and France's Georges Bidault turned him down in secret as they previously had in public.

**Austria Coming Up**

The four-hour secret session, first of the two-week conference, produced a communique stating the four "agreed" to take up the long-stalled Austrian independence treaty by Friday at the latest. Reports were given that this was about the only thing that was accomplished.

The conference swung back to their discussion of German unity. Qualified informants gave this as the main reason why the United States would have nothing to do with his proposal for a five-power conference, including Red China for a general discussion of world peace. Mr. Molotov proposed that two weeks ago. Mr. Dulles called back weeks ago. Mr. Dulles called back at Panmunjom on a conference between the United States and the United Nations.

**Phone Rise Opposed**

The Mamaroneck Village Board last night authorized Village Attorney Anthony Sannino to communicate to the New York State Public Service Commission its opposition to a proposed New York Telephone Company rate increase.

"Every company is asking for increased rates," said Trustee Ralph Mann, who cited the New Haven Railroad and Mamaroneck taxicab operators as other businesses which have recently asked for increased rates.

"I'm opposed to this," he added. "The board did not ask and operators that the minimum price for services be raised from thirty-five cents to fifty. A public hearing will have to be called on the question before the trustees take action on the board."

**Club May Use Gym**

The Ryer Neck School Board last night granted permission for the Young Men's Basketball Club to use the Daniel Warren School gymnasium. Wednesday, beginning tonight, for basketball and exercise.

A charge of \$5 for a maximum period of three hours will be paid for the use of the gym. A reservation is required. If less is needed the cost will be \$15 for each three-hour period.

**Lions Plan For Blind**

Joseph Day, chairman of the executive committee of the Larchmont Lion's Club, yesterday urged all village residents who are blind to return their contributions early so that the work on raising the blind could be carried on. Mr. Day spoke at a meeting of the club held at the Larchmont Short Club.

"Last year," Mr. Day reported, "the necessary expenditures for the care of Larchmont blind persons was so great that it exhausted the resources of the club."

## Election Site Changed

There were some changes made last night by the Manamoreck Board of Education at its regular meeting in the Manamoreck Avenue School.

The place of the annual school meeting, the school elections and registration for the school election was changed to the Junior High School rather than the Senior High School where all such events have been held for many years.

The registration will be held April 24 between 1 and 8 P. M., and April 25 between 7 and 9 P. M. and 1 and 3 P. M.

The annual meeting is slated for May 4 at 8 P. M. and the election of two trustees will be held May 5 from 7 A. M. to 9 P. M.

So voters will have to remember that they must not go to the Senior High School on Palmer Avenue but to the Junior High School on the Boston Post Road.

## P. Os To Close Early

The Manamoreck and Larchmont post offices will be open as usual tomorrow.

Birthdays, according to Postmaster Jeddore Latham, at the Lane, Lobbes will be open all day as usual, and there will be no mail delivery in the morning.

## Will Publish Friday

The Daily Press will be published as usual on Friday, Lincoln's Birthday. All Manamoreck and Larchmont Village and town offices, however, and all Larchmont and Manamoreck schools and organizations will be closed in observance of the holiday.

## Scouts Study Village

Village Manager William H. Johnson has invited the Manamoreck Boy Scouts to the Municipal Building tomorrow at 2 P. M.

The Scouts will be excused from school for the educational experiments of working with their official or local business men and covering the daily activities of the village.

The Manamoreck Boy Scout Day program has been arranged by Fred Crisp, representing the Manamoreck Elks Club.

## Louitown Poole's Freed

The Westchester Shore Fishermen's monthly report was read, as usual, at the meeting Monday of the Manamoreck Village Board of Trustees, listing investigations of cast nets, and snatched animals, lost, straggled or missing.

Last night the report was accompanied with the notice: "Investigate immediately."

After the lightning had died down, Village Manager William H. Johnson explained that the alarm had been sounded because a snuff canister owned by the Johnsons was removed.

The animal was removed, Mr. Johnson reported. He did not know whether the effect was confined.

## Engel Wins Citation

Leonard Engel of 4 Daves Place, Larchmont, a free-lance reporter and newspaper editor, has been awarded a George Felt Memorial Award by the Island Division for his "outstanding contribution as a Metro-politan newspaper editor in 1934."

Mr. Engel is a contributor to Harper's Magazine, the New York Times Magazine and other publications and writes of developments in science and medicine. His award was presented to him in recognition of his devotion to "his craft and excellence in presentation resulting in a greater understanding of historic developments in the field of science."

He was born and raised in New York City and has lived in Larchmont for three years. He attended Columbia University and the University of Chicago and worked as a typewriter repairer during World War II. Since leaving the Army he has specialized in the writing of articles in the scientific and medicine fields. He has an article in the January Harper's Magazine entitled, "One of Our Scientists-Leaves His Own World."

Mr. Engel is married and has a child. For four years he has been a member of the Switchees Carolinas.

## Switchees Carolinas

Martha P. Alexander of 4 Glen, son, grandson, son of Mr. and Mrs. Alexander Glen of 63 Haledale Avenue, Manamoreck, is a new addition as Camp Le Jeanne, N. C. after completing a three-week training camp at Paris, France.

Mr. Glen attended Holy Trinity School and graduated from New Rochelle High School in 1932. He also attended Ohio College for one year until October when he was held to the Marine Corps. He was expected to be stationed at Paris, France, as an instructor shortly.

He is the brother of Army Pfc. John Glen, twenty-four, who was the first Manamoreck man ordered wounded in World War I when he was hit in the chest by a sniper's bullet Sept. 13, 1918 at the beginning of a drive toward the 9th marching camp, which was stationed at Trieste and expected to have three next October. Another brother, William, twenty, is an Air Force Private first class stationed on Okinawa.

## Bigger High School, Redistricting Urged To Ease Pupil Load

Board Weighs Proposal To Relieve Central And Chatsworth

A plan to redistrict the Manamoreck elementary school district which would ease the pupil load on Central and Chatsworth Avenue Schools and increase the load on Manamoreck and Murray Avenue Schools, was broached last night to the Manamoreck Board of Education at a meeting in the Manamoreck Avenue School in a report of the Elementary School Enrolment.

Reporting for the committee, Dr. Francis P. McIntyre, chairman, stated that the plan would relieve overcrowding at Central and Chatsworth Avenue Schools and would use the facilities of the Murray Avenue School to the maximum advantage for the pupils concerned.

One area chiefly concerned in the proposed redistricting is the section lying from Penmore Road just north of Grand Street, between Grand Street, Rockwood Avenue and the north-south line through Bonnie Brar Country Club to Penmore Road near Town of Scarsdale.

This area would be shifted from the Central School district to the Manamoreck Avenue School district.

The second area concerned in this portion of the present Chatsworth Avenue School district which lies north of the railroad, which would be shifted into the Murray Avenue School district, No. 10.

The committee report as presented by Dr. McIntyre said that the school system does not have the necessary physical plant capacity for the accommodation of the elementary school children. Even in what would appear to be the peak year, 1955, total enrollment is estimated at 2,289 or 83 per cent of capacity.

However, that estimate does not include the new school buildings, Palmer Terrace and the apartment building on the school site. With these buildings included, the approximate peak year becomes 1957 and 1958.

## 2 New Wings Proposed In Plans To Enlarge

M. H. S.

The construction of two new wings on Manamoreck High School, one to house a gymnasium and shops, the other for music, speech and dramatics in addition to extensive alterations to the present building were proposed last night to the Manamoreck School Board by the Citizens Advisory Committee on the Improvement of Manamoreck High School.

The report of the committee, headed by Dr. Edward J. Morrow, was the result of 150 months of study and investigation of the high school and its needs. It is an anticipated plan to add 1,000 students in attendance within the next five or 10 years.

The committee stated that if the new wings were constructed it would be necessary to vacate rooms by shops, library and music room in order to make academic classrooms, science laboratories and other administrative space, and provide for additional science classrooms and laboratories in the space vacated by the present High School and kitchen.

The committee also recommended that a new heating plant will probably be needed adequately for the expanded building and that additional parking spaces should be provided.

When questioned as to the possible cost of the entire project, Dr. Morrow stated that it was not the function of the committee to inquire into costs but merely to state that the costs could only be ascertained after extensive study by the Board.

## Paris Appeal Feared On Molotov's Plan

BERLIN (AP)—Y. M. Molotov's security pact bill, already sponsored by the Western Foreign Ministers, appeared today with considerable popular appeal for West Europeans—and particularly for the French. Some liberals may develop long views the Big Four Conference ends.

French observers deemed the Soviet proposal's clause calling for the neutralization of Germany a move toward a new security pact in Europe, already ratified by France's leading parliament.

The Soviet Foreign Minister's avowed aim is to do away with both that treaty, which would neutralize Germany, and the 1945-46 North Atlantic Treaty Organization.

The Soviet proposal for a Big Four meeting with Communist China and rival Soviet and French proposals for a world disarmament conference were up for renewed discussion today at the second secret session of the Big Four Ministers Conference.

Tonight the Westerners entertained Mr. Molotov's delegation at a cocktail reception. Tomorrow the ministers will discuss the long-delayed Austrian independence treaty.

In yesterday's regular meeting at West Berlin's old Allied Control Authority Building, Mr. Molotov offered Europe a 50-year preliminary security pact in return for expelling United States armed forces from the continent and shattering the Western Alliance.

He sought to promote a European security conference at some time in the future. This proposal French parliamentarians—peering their opposition to traditional French fears of a revival of German militarism to delay yet more on EDC. And in such an interval, a rising inflexion could be expected in the U. S. Congress, which votes the bills that have been the backbone of Western defense.

## Mother Ruled Sane In Death Of Infant

WHITE PLAINS—A finding of "sane" based on a preliminary psychiatric examination was given today in the case of Mrs. Ruth Depew, nineteen-year-old mother of two, accused of fatally beating her newborn child.

Dr. Fred V. Rockwell, chief of the psychiatric division of Gracie Hospital, told Assistant District Attorney John J. O'Brien today that Mrs. Depew is sane.

Dr. Rockwell made tests at the County Jail where Mrs. Depew is being held on a first-degree assault charge.

"As a result, Mr. O'Brien said, evidence will be presented to the jury in about two weeks. It will be up to the grand jury to decide whether a more serious charge of homicide will replace the assault charge."

Mr. O'Brien said that Mrs. Depew could not understand why she was being held at the jail as she said she wanted to get back to her husband, Mr. O'Brien quoted the young woman as saying she had an "uncontrollable temper."

John Ann Depew was found dead in her crib Tuesday morning and a Medical Examiner's report declared the child in a fractured skull.

The District Attorney's office questioned Mrs. Depew's aunt, Mrs. Esther Smith, 20 Packer Street, Ossining, yesterday. Mrs. Smith said she visited the Depew home on Walsh Hill Road Monday and said she saw black and blue marks near the baby's eyes.

Child Blamed

Mrs. Depew said she had seen the bruises were inflicted by an older child, Louis, thirteen months. Mrs. Depew admitted she struck the child in a "biting" Sunday and "spanked" her again early Tuesday because she could not stand the child's crying, police said.

## 10,000 INVADERS ON 9 MILES FROM LAOS SEAT

Capital Defenders Await Attack By Viet Minh; Gains Cited

SAIGON, Indochina (AP)—Ten thousand Viet Minh invaders of Laos advanced today to a point on the Hou River only 37 jungle miles northeast of Luang Prabang, the royal capital. The French and allied old King Savang Vong have vowed to defend.

A vanguard of 1,500 regional forces was within nine miles or less of the town, screening the advance of the main force of Viet Minh division No. 3, but so far had not opened an attack.

The main force of the division, diverted last week from the siege of Dien Bien Phu for the thrust into Laos from north Viet Nam, had advanced 11 miles in 24 hours. At that pace, it was only two days' march from Luang Prabang.

The garrison of Luang Prabang was reinforced in the last few days. Military observers speculated that a Viet Minh assault would not come before early next week.

In southeast Viet Nam, where French union troops made a landing last month to retain a strip of rich coastal rice country from the rebels, a consolidation of lines was reported. Army headquarters announced that 25,000 French soldiers had returned to their homes since the first day of action established the French beachhead at Tay Hoa.

The letter points out that in each case which wins approval of the fund a budgeted amount to close the financial gap for the first college year is granted.

"After the first year, they generally can get student employment and school help available to outstanding students," it is stated.

It was also pointed out that the average student has saved some money from Summer employment but that more needed to begin college.

Since 1949 the fund has awarded 39 scholarships, at that time it broadened its charter to permit the granting of scholarships as well as to continue its original function started in 1937 of extending loans to Massachusetts' High School graduates to further their education.

Judge Rowland chairman of the membership committee is in charge of the drive assisted by Mrs. Robert Castlock and Walter Ludwig, director.

Every resident, it is emphasized, who contributes to the fund becomes a member for the year.

The letter was accompanied by a pamphlet answering questions which residents might raise with regard to the fund.

## Workshop Set To Provide Career Data

To stimulate the interest of area children in vocational opportunities for young people the newly organized Mamaroneck Vocational Opportunity Committee will sponsor a career workshop on Thursday, March 18, it was announced.

Organizations participating in the program are the Urban League of Westchester, the Mamaroneck Branch of the NAACP, the Association for the Advancement of Colored People, and the Youth Council of the Mamaroneck Branch of the NAACP.

The committee plans to contact interested groups in the community. Persons prominent in vocational training, industrial and professional fields will be invited to speak at the workshop, whose purpose is to give specific, detailed information to young people and to their parents on vocational opportunities.

Members of the committee are Mrs. Ella McKiver, president of the Mamaroneck branch of NAACP, R. O. Lewis of the Urban League of Westchester, Joseph Green of the Youth Council of NAACP.

Also Mrs. Paul Horber, Emmet Romie, Miss Robert Allen, Miss Kay Francis Richards, Mrs. Oscar Israel, Mrs. William Schenfeld, Miss Alma Alexander, M. R. Neaman and Mrs. Andrew Orlinton.

## RYE NECK SCHOOL CRUSADE STARTED

Group Formed To Promote Favorable Vote On Expansion

A full scale crusade to probe the Rye Neck school building fund was launched last night by 75 residents who met at the Rye Neck High School to form a sub-committee under the Board of Education.

Rye Neck voters will go to the polls March 13 to vote on a \$2.1 million expansion program.

The 75 workers, organized by Henry Fox Jr. and Mrs. Joseph Kinsman, included the general director of School Trustees, Paul Felton, chairman of the Board of Education.

Mrs. Fox said she would canvass five homes by knock to answer the questions of voters and urge a "yes" ballot on the issue.

A booklet containing detailed information about the building program is being printed and will be distributed from house to house Feb. 18. It will include architect's drawings of the building, financial statement and a complete description of the building.

In anticipation of the question, the sub-committee has prepared a list of questions and answers sheets which are being used in the door-to-door campaign.

Public Meeting Set

Registration voters will take place March 5 and 6 at Below High School, the first day from 10 A. M. to 8 P. M. and the second from 10 A. M. to 8 P. M.

A public meeting will be held at 8 P. M. in the auditorium of Below High School to discuss the building program. Booklets will be available.

## Thieves Steal 200-lb. Safe From Ex-City M. D.'s Home

BRONXVILLE—Thieves carried off a 200-pound safe containing valuable worth "thousands of dollars" last night from the home of a physician who moved here 10 days ago from New Rochelle, police said.

Police would not divulge the actual value of the loot, which included stocks, bonds, cash, private papers, books, diamonds and jewelry, pending completion of their investigation.

Victimized was Dr. Alex Neshankin of 1 Champton Road, who formerly resided at 19 Drake Avenue, New Rochelle, he practices in New York City.

Dr. Neshankin was away from 9 P. M. yesterday to 1:30 A. M. today and Mrs. Neshankin left away on vacation, police said.

The safe, about two feet high, was equipped with windows. It bore the gold letters "Joseph" on the front. Police would not say whether the hoodlums attempted to burgle their way in.

## FUND PLEA MADE FOR STUDENT AID

Letters Launch Appeal For Membership In Local Scholarship Plan

A total of 7,500 letters was mailed yesterday to residents of Mamaroneck and Larchmont and to local organizations, urging them to join the Mamaroneck-Larchmont Student Aid Fund which provides scholarships of \$100 to \$300 to help needy students continue their education after high school.

"Last year, out of 49 applicants," Wendell A. Millman, president of the fund points out in the letter, "we were able to grant \$2,850 in scholarship help to 25 students graduating from Mamaroneck High School of all the applicants that came to you. We believe you will take the greatest pleasure in contributing toward the future of our outstanding young people right here in our community."

The letter points out that in each case which wins approval of the fund a budgeted amount to close the financial gap for the first college year is granted.

"After the first year, they generally can get student employment and school help available to outstanding students," it is stated.

It was also pointed out that the average student has saved some money from Summer employment but that more needed to begin college.

Since 1949 the fund has awarded 39 scholarships, at that time it broadened its charter to permit the granting of scholarships as well as to continue its original function started in 1937 of extending loans to Massachusetts' High School graduates to further their education.

Judge Rowland chairman of the membership committee is in charge of the drive assisted by Mrs. Robert Castlock and Walter Ludwig, director.

Every resident, it is emphasized, who contributes to the fund becomes a member for the year.

The letter was accompanied by a pamphlet answering questions which residents might raise with regard to the fund.

## Yoder Advanced

J. D. Yoder of Hawthorne Road, Larchmont, has been appointed to a newly created post of coordinator of field training for the International Business Machine at the company's research office at Montross and Poughkeepsie.

A graduate of the University of Pennsylvania, Mr. Yoder joined IBM in July, 1938, as assistant sales representative at Philadelphia. He was advanced to sales representative in York, Pa., and went to Trenton, N. J., in September, 1940. Called to active duty in April, 1942, he served as a naval officer and returned to Trenton in April, 1946.

He was promoted to instructor in the IBM department of education at Endicott in April, 1949, and taught classes in customer administrative and sales training. In June, 1950, he was promoted to systems special representative.

He and his family have lived in Larchmont since May, 1952. He is married and has three children, Joanne, Eve, Robert, four, and Richard, five months. He is the son of Mr. and Mrs. Joseph Yoder, 817 W. Concord Avenue, Larchmont.

## State Building Code Adoption By Town Proposed to Council

Councilman Peter P. Kane Jr. last night asked the Mamaroneck Town Council members to consider the adoption of the State Building Code as "as soon as possible" the feasibility of multiple dwellings.

"Four years ago," he said, "the building asked the Governor for a solution to the problem of uniformity in building materials. Two reports by a committee appointed by the Governor, one on purpose have been issued and the second one is being prepared. The first two reports are on single and multiple dwellings while the third report would have to do with industrial and commercial buildings."

This State building code, however, acting upon, said Kane, "is the best code that has been developed in the country since the multiple dwellings act of 1947. It is a code which will be a great help to the multiple dwellings as stated by law."

Kane said he would like to see the code adopted as soon as possible. He said he would like to see the code adopted as soon as possible.

**Marked By Mayorally Designation, Coffay Declines GOP Bid**

Because the Larchmont Republican Committee "has not seen fit to designate one of the present members of the Larchmont Village Board for the office of mayor in the forthcoming elections," Trustee John P. Coffay said last night that he would not be a candidate for reelection.

The Republican Village Committee, through its chairman, Mills Harris, announced yesterday the designation of John D. Coffey as its choice to succeed Mr. Coffay. Also designated by the committee were Joseph P. O'Connell for mayor to replace Mayor Walter B. C. Washburn and Trustee Crawford Kadic to succeed himself.

It was also reported that the Democrat Party would nominate the same ticket at its caucus on Thursday night.

The committee's Trustee Coffay said he would not be a candidate for reelection, but he was designated to run anyway because he had been a member of the committee for so long that he could not be removed.

## Big Four Plans Korean Peace Talk In Geneva

### Soviet Consults With Red China On Details Of Parley

BERLIN (AP)—British informants said today the Big Four plan to hold a Korean peace conference in Geneva about April 15. Soviet Foreign Minister Molotov is consulting with the Red Chinese regarding the details of the parley, they added.

These were the developments from the Foreign Ministers' Conference this afternoon as it neared its close.

Earlier American authorities said the Big Four had approached an agreement on the Geneva parley, involving only Mr. Molotov's concurrence in a clause spelling out that the meeting itself would be conducted in a neutral country, as the United States would use the United Nations to enforce the settlement.

The Geneva meeting would be the one major dividend from the otherwise fruitless Berlin conference.

The proposed Geneva conference would include about 20 nations — 16, including America, Britain and France, which fought the war, and the Soviet Union, North Korea, South Korea, Red China and North Vietnam.

Today—last of the Berlin talks—Mr. Dulles and Foreign Minister Molotov held their sixth secret session on the Korean peace conference. They met for an hour and 15 minutes. They broke up at 11:30.

Therefore, it will not permit my name to be presented. This seems to be the best course in following in the Friendly Village area. I trust my friends will approve of this decision.

## Judge Calls On Friends Not To Nominat Him At Caucus

The possibility of a Republican primary battle over the village court judgeship nomination vanished today with the announcement by Judge Henry T. Hornidge that he would not permit his name to be presented to the party caucus tonight in American Legion Hall.

As a result of Judge Hornidge's decision, the caucus will be held for the judgeship by the Republican Village Committee.

Judge Hornidge, who has the designation for reelection of the Democratic Village Committee, is expected to be that party's nominee at its caucus about 7:30 p. m. at Carpenter's Hall.

Mr. Hornidge and Mr. Andrus will then be the opposite candidates for village court judge in the election on April 27. Mr. Andrus first ran in 1948 Judge Hornidge, and then in 1952 for the office and two years later was the candidate of both parties. In his statement Judge Hornidge said he was not planning to run in 1954.

Mr. Andrus' friends have stated their intention to present my name in the Republican Party caucus tonight and support it in a primary election.

"While I am deeply appreciative of their interest and support, to do so would mean that my friends to become embroiled in a contest with their own party."

## 8 Scarsdale Pupils Hurt In Class Blast

Eight pupils and a teacher were injured yesterday afternoon when a beaker of alcohol and liquid oxygen exploded during a science experiment at Scarsdale High School, spraying the classroom with fragments of flying glass.

The accident occurred at 1:10 P. M. in Room 217, the general science laboratory. Twenty-seven members of the seventh grade were seated in front of a bench where John Sagarbaker, science teacher, was performing the experiment.

The experiment was described as a "heat reaction demonstration" in which alcohol is poured into liquid oxygen. Oliver Mitchell, principal, said it is not yet clear just what went wrong and school officials are waiting for a report which Mr. Sagarbaker is preparing.

Standard Demonstration Held

Mr. Mitchell said that the experiment had been performed successfully at the school many times and that it is considered a standard science class demonstration.

Mr. Sagarbaker, who was holding the beaker when the explosion occurred, had the most severe injuries, he underwent surgery here, he underwent surgery here, he underwent surgery here.

## \$700,000 Blaze Destroys Stores In Port Chester

### Block-Square Building In Ruins After 15-Hour Battle

PORT CHESTER—Firemen battled more than 15 hours yesterday to put out a blaze which cost an estimated \$700,000 in damages to a block-square building and its contents. Firemen from Port Chester and several nearby communities worked from 6 A. M. to 9:30 P. M. yesterday.

The Ledman Building on North Main Street between Mill and Highland Streets was reduced to a skeleton. The flames destroyed the contents of the building, including the Great Scott Food Market, the Yuko Fish Market and the Firestone Tire Co., and the contents of a block of furniture stores.

Fire authorities said the damage to the building was \$200,000 and unofficial estimates of the damage to contents were \$500,000.

The blaze started at 1:30 a. m. and was contained in the building for 15 hours. It was caused by a traffic congestion in the block-long Ledman Building.

## Larchmont G. P. Names Gagliardi Mayor Candidate

### With Coffinberry And Eadie

In a harmonious caucus, Larchmont Republicans last night accepted the recommendations of the party's village committee and placed in nomination for the March 16 election the names of Joseph F. Gagliardi for mayor and John B. Coffinberry and C. Crawford Eadie for aldermen.

The slate, which was unanimously adopted, is expected to be placed in nomination at the Democratic caucus, following the usual village election procedure followed by both parties.

## DOUBLE SESSIONS SEEN IN RYE NECK

### Gartunkel Says Alternative Is \$2.1 Million Plan Within 2 Years

The Rye Neck School system faces the probability of double sessions within the next two years if the proposed \$2.1 million building program is not approved by the voters March 11, according to the school board, president John Gartunkel, who presided last night at a meeting of the Shore Acres Property Association in the Shore Acres Club.

"We have a good system with a lean pocketbook," Mr. Gartunkel said, "and one that has reached a point where if the building program is not approved, double sessions are inevitable."

The increased population in the school district, particularly over the last seven years has made the present school facilities inadequate, he claimed.

Staff Photographer Jim Nevin took this picture of the fire from North Main Street.

## Larchmont Wins Court Battle To Restrict Parking At Station

WHITE PLAINS—A Larchmont Village ordinance reserving a 136-car parking lot at the village railroad station for the use of its residents, was upheld by the Town of Mamaroneck, flood 43 for parking in the lot in "October 1951."

The judge said he saw "no good reason why a municipality should not be permitted to set aside a parking area exclusively for the use of its residents."

The lot is one of three maintained by the village at the east-bound side of the station. The other two, for 14 and 43 cars, are unutilized. A fire permit from the village clerk is required to park in the 136-car lot.

Lots on the opposite side of the tracks are maintained by the village. The judge said that the constitutional requirements are not violated "so long as persons and things similarly situated are similarly treated."

He said any classification must not be arbitrary and "must have a substantial and reasonable relation to the accomplishment of a legitimate public object."

All village residents, he continued, are similarly treated in the attempt to control "the difficult problem of parking."

Village Attorney George Forbes argued for the ordinance.

Dr. Joseph C. McLean, principal of Mamaroneck High School, and Dr. Henry Heller Long, Mamaroneck Junior High School principal, left today for Milwaukee, Wis., to attend the 28th annual convention of the National Association of Secondary School Principals of which they are members.

The convention will open at 11:15 a. m. at the Auditorium and will continue through Wednesday. More than 400 principals will be in attendance as well as representatives from six foreign countries.

Other officers elected were Clayton L. Davis, first vice president; Mrs. Henry F. Truesdell, second vice president; John Bartholomew, twelve, of 11 Telsdale Avenue.

## McLeod, In Talk Here, Denies Sowing Fear In State Dept.

It is "a scoundrelous libel on the people of our State Department" that the security-integrity program carried on under the direction of the American diplomatic machinery is "a sowing of fear in the State Department," Mr. McLeod, administrator of the Bureau of Security, Confidential Affairs and Personnel for that agency, said today in a speech before an audience of more than 200 persons in the auditorium of the Larchmont Avenue Church.

The meeting was held under the auspices of the Larchmont Chapter of the Daughters of the American Revolution, of which Mrs. Charles L. Bowman is president.

Mr. McLeod stated "there has been a great deal of misunderstanding and I feel no little amount of misinformation floating around on the subject of the security-risk program. He has said that the security-risk program is a sowing of fear in the State Department."

AULETA PLEDGES CLEAN FIGHT AS GOP NAMES HIM

Holland, Dalton, Epstein Also Nominated; Times Editorial Announced

"A Republican Party for Republicans" was the theme of last night's Mamaroneck Village Republican caucus at which three incumbent trustees were nominated without opposition along with Francis A. Auletta for police court justice. More than 100 party members attended the meeting in the American Legion Hall.

Trustees nominated for reelection were John B. Holland, Joseph Dalton and Barney Epstein.

There was no opposition to the nomination of Acting Judge Auletta as supporter of Judge Horridge. Following his request that his name not be placed in nomination, Judge Horridge is expected to accept the Democratic nomination at that party's caucus to be held at the Carpenter's Hall.

In accepting his party's endorsement, Judge Auletta asked that the people "judge me by the record of my entire life."

"I make this plea - that we realize the importance of this hour and the dignity necessary to uphold it. I have treated the confidence you are bestowing on me."

Too Much Fuel In Pool

Fish don't get along too well in oil, unless they're anglers. So yesterday at 6:30 P. M. T. W. A. Freeman Earl Meller and P. J. Joseph Pannos made an investigation of a fish pool at the Carl Schilde residence, 4 Lafayette Road, Town, which Mr. Schilde reported as slowly filling with fuel oil.

Searching through the backyards along Norwichtown Drive, the men found that the leak was coming from the fuel line at the home of Philip Wyle, 4 Norwichtown Drive. Mr. Wyle had already reported the leak and had had the fuel service man repair it. He was told that the latest development and promised to have the leak again corrected.

Artists Hear Kent

Norman Kent of 41 Carroll Avenue, Mamaroneck, lectured last night on "prints" at the annual banquet of the National American Graphic Artists Club in New York City.

Mr. Kent's lecture was a well known woodcut and water color artist. Mr. Kent represented with one of his prints in the American show which is the next week in London. Last week he served on the selection jury for the forthcoming exhibition of the American Watercolor Society, opening next Friday at the National Academy, for which more than 100 entries were submitted from throughout the United States.

DEMOCRATS OKAY GAGLIARDI STATE Fusion Ticket Endorsed Without Opposition In Larchmont

In a smooth and speedy caucus last night, Larchmont Democrats endorsed the Fusion ticket with the majority and two trustees-ship as recommended by the village committees of both major parties and nominated Wednesday night by the Republicans.

As informal as the GOP meeting, the Democratic caucus unanimously passed a platform, proposed by James G. Clause Mayor, who quit post office on March 1, and Crawford Edzie and John W. Coffinetti.

Mr. Gagliardi is a prominent and a great deal of pleasure to represent on the Democratic ticket and it is an honor I shall cherish for a long long time. "The position of mayor is an important one, but no more important than that of trustee. We have four very fine trustees, who will continue to think and act consistently for the welfare of the Village. I think we can justly give our confidence."

Mr. Edzie called to the floor by Democratic Village Chairman E. P. Mehan, who was presented, pointed out that this was the village's first caucus.

Hicks, Rye Neck Principals State Case For Building Plan

Overcrowded conditions and inadequate equipment in the Rye Neck Schools, which they said, make a building program imperative, was the subject of a meeting of the principals and the principals of the district's three schools.

School trustees will go to the polls March 11 to decide on a \$2.1 million bond issue for the construction of a new junior-high school and additions to the existing buildings.

William C. McKeon, principal of the Rye Neck School, said the building program is essential for the district's future. He pointed out that the current facilities are inadequate and that the proposed plan would provide for a more modern and efficient school system. The meeting was held at the home of Mrs. Joseph Hicks, president of the Parent-Teacher Association of the district, and Mrs. Henry Zwickler, principal of the Rye Neck school, was also present. Paris Peace Talks French On EDC

PARIS (AP) - The Berlin conference's promise of Indo-China peace talks posed a new obstacle today to speedy French action on the hotly disputed European army treaty.

Following the Big Four agreement to meet again April 26 to discuss prospects for peace in Asia, even the supporters of the European Defense Community faced the dilemma of how to proceed.

The Indo-China problem is a prior condition to the ratification of EDC. This was one of the first times this argument has been advanced to stall final action on the EDC treaty, which was signed in May, 1953.

The final decision on when to put the treaty before the Assembly rests with Premier Joseph Laniel and his cabinet. Westerners Seen Convinced Russia's first reactions to Western proposals for Germany and Austria were believed to have convinced several French Deputies that there is nothing left to do but approve the EDC treaty.

Witness Howl, Not Probers, Kungis Tells Young GOPers

Certain witnesses before the House Un-American Activities Committee are guilty of unpardonable behavior and language, according to Robert L. Kungis, counsel to the committee, who spoke last night at the annual dinner meeting of the Young Republican Club of Larchmont-Mamaroneck.

Mr. Kungis said many witnesses "seem to have mimeographed conclusions in their pockets, whence some recite statements to the committee's activities are un-American." He said that in 1953 national committee had looked into the activities of many individuals and organizations throughout the nation, Kungis added.

Leaders Abandon Hope For Agreement On Europe

BERLIN (AP) - The Big Four Foreign Ministers headed home from their Berlin meetings today to prepare for another conference in two to three weeks this time to seek peace in Korea and Indo-China. They wrote off any chance of agreement on European problems for the present.

The decision to postpone any agreement was by-passed by the decision yesterday to accept the limited-broader Korean peace conference in Geneva April 25 with Red China among the nations to participate, not as a sponsor but as an inviter. The Ministers agreed the problem of ending the seven-year-old war in Indo-China "will also be discussed at the conference."

The top officials of the United States, Britain, France and Russia are expected to "hold an exchange of views" on world disarmament under a resolution adopted last night by the General Assembly last Nov. 28. This resolution proposed a two-stage peace talks to speed disarmament.

200,000 State Drivers Lack Policies: Bohlinger

NEW YORK (AP)—State Insurance Commissioner Alfred J. Bohlinger said yesterday more than 200,000 financially responsible motorists are operating on New York State license plates without compulsory insurance. The committee is conducting a study on compulsory insurance legislation now before the State Legislature.

Mr. Bohlinger urged enactment of compulsory automobile insurance legislation in an amendment before the Joint Legislative Committee on Unsettled Judgments and Compulsory Insurance.

The committee is conducting a study on compulsory insurance legislation now before the State Legislature. Mr. Bohlinger said that under present laws motorists are compelled to have insurance "only after they have killed, maimed or injured someone."

He said 95 per cent of New York State automobile owners already carry insurance, but he said that while the percentage of owners who have insurance is small, the numbers are large—200,000 in all.

The commissioner told Senate William S. Huls Jr., Nassau County Republican who is chairman of the committee, that opponents of the proposed legislation were using "intimidation arguments."

Much of the opposition, Mr. Bohlinger said, comes from stock companies. He said he could not share with these companies that compulsory insurance would lead "to politics in rate making."

An official of the New York Board of Trade, opposing compulsory automobile insurance legislation, says "it is not good public policy to let every man go out on the street and sell as many people as he can pay for."

M. D. Griffin, executive vice president of the New York Board of Trade, appeared at the hearing. The Westchester County Magistrate's Association was on record at the hearing in favor of compulsory insurance.

U. S. VICTORIOUS IN BIG-4 MEETING Secretary Out To Offer Appeasement Talk On Red China Issue

WASHINGTON (AP)—Secretary of State Dulles has indicated, taken to convince his critics, Congress and the country that the United States scored a diplomatic victory in arranging for a conference to discuss peace in Asia. Mr. Dulles returned last night from the Big Four Foreign Ministers meeting in Berlin, where he agreed to see Russia and Red China at the conference opening April 28 at Geneva, Switzerland.

Mr. Dulles, fatigued after nearly a month of meeting with the Big Four, faces three days of possibly stiff congressional criticism. The re-entry of the Non-Partisans in this year's Judicial campaign is designed to attract Republican and Independent voters, rolling up 1,600 votes from the 1952 election. The 2,561. The unprecedented election of that year brought up an all-time record of 4,467 votes or 80.26 per cent of the total registration.

Mr. Dulles was understood to be particularly stressed that his agreement in no way cleanses Russia of her past and will not permit her admission to the United Nations.

The Asian peace conference search for ways to bring final peace in Korea and end the seven-year-old Communist-U.S. war.

# Cost Becomes Issue As Rye Neck Voters Discuss School Plan

ESTABLISHED OCT. 1925

MEMBER OF ADVERTISING BOARD, BURLINGTON

The possible paucity of the price and the possible elimination of the Barry Avenue School, the district school building in the district, were the center of the discussion last night at a public meeting in the Barry Avenue School auditorium as more than 100 Rye Neck school voters weighed the proposed \$2.1 million building and improvement program recommended by the school board.

The price too high per pupil per year square foot. Is it possible, by adding to Daniel Wagner School to eliminate the need for using the Barry Avenue School? Would it be more feasible to raise the Barry Avenue building rather than to renovate it as an estimated cost of \$2,000,000? These were the questions that dominated the discussion at no points in the three-hour meeting, questioned the need for an expansion program in the school district but did question the method and cost of the program.

The question of the possible elimination of the Barry Avenue School was also discussed.

**Mrs. Palmer Pleased With School Plan**  
Plans for the building of a school site at a new location on the Rye Neck School District, Mrs. Palmer said, are a "dream of mine."

"I am so pleased that plans for financing a school are being made, and I am sure that the school district will be benefited by the expansion program."

### NEW TREMORS IN LOCAL REGION

Catacomb Earth Settle Further Behind Homes In Wilkes-Barre

WILKES-BARRE, Pa. (AP)—The second series of earth tremors in three days damaged hundreds of houses and broke up streets last night in a city area where surface mines had opened the earth.

The shock sent hundreds of tremor victims fleeing from their homes. The worst shock of the reported hearing underground caverns at the time of the disturbance. The worst shock of the Arthur Alden Coal Co. has had coal workings 400 feet under the surface of the earth.

The upheaval of the ground cracked foundations, walls, windows of homes and raised some sections of pavement a half a foot or more. Many were pushed over. One garage attached to a home was pushed away several inches.

There was no estimate of the total damage.

In addition, state mine inspectors, blamed Sunday tremors, which damaged 30 houses in the underground workings.

However, President Francis O. Davis of the coal company said they were not due to mining work under that area.

The State Civil and Coal Commission has authorized investigations of the tremors.
