

UN BLAMES REDS FOR BREAKDOWN OF POW PROGRESS

All Anti-Red Prisoners To Be Set Free On Jan. 22

MUNSAN, Korea (AP) — The U. N. commander Gen. The H. Hill today blamed the Communists for the breakdown of prisoner explanations and said without qualification that all anti-Red prisoners will be freed at midnight Jan. 22.

To drive home the UNC demand that the captives be released "as of 22:01 A. M. Jan. 22," U. S. Marines and engineers began striking miles of barbed wire fences to enable prisoners from neutral zone compounds to roll back.

South Korea's Foreign Minister Pyun Yung Tak hailed Gen. Hill's stand as "just light."

Reds Were Obsolete Gen. Hill reiterated the U. N. Command's position in a strong-worded letter to Lt. Gen. K. S. Chinmaya, Indian chairman of the Neutral Nations Repatriation Commission.

He said the Communist High Command caused the collapse of the explanation phase by: 1. Unreasonable and changing attitudes for the explanation facilities.

2. Refusal to accept reasonable numbers of willing prisoners for explanation each day.

3. The Reds' rejection of available explanation time unless the NNRC and a Indian custodial force were present.

4. Inclusion of the use of force to make POWs listen to explanation.

5. A 1949 graduation of Marmaroneck High School, Marmaroneck, N. Y., in June, 1953.

Associated with Hillman in a d school, New Rochelle, since graduating from St. Michael's University of Toronto, in June, 1953.

McDermott attended St. Augustin's Parochial School, Marmaroneck, N. Y., in 1949.

After a news conference and a doozey-guarded, six-hour parley with the "Red" Minister of the Interior, Mr. Lemaire, the Canadian Ambassador, Mr. Lemaire, said he had been talking to the Canadian government's demand that he should have control over what is published about the meeting.

President Uncovers 'Dynamic' Program For Republican Leaders

Tax Experts Tackle Touchy 1954 Issue

WASHINGTON (AP) — Secretary of the Treasury Humphrey and Representative Daniel A. Hooper, R. N. Y., have opened a series of conferences to try to fashion a tax program on which Republicans can unite for 1954.

The two leaders conferred privately yesterday, then again at the White House today, and reportedly scheduled further talks on the touchy tax issue.

Mr. Reed chairman of the tax questions pending the all important conference with the Administration has been willing to accept so far.

Just how far the two men get in trying to reconcile their positions, will largely determine whether tax issues will become a major battle round within the GOP in this Congressional campaign year.

Disagree on Cut Corporation taxes— Mr. Reed already has urged that corporation income taxes be lowered to 52 percent by 1954.

Mr. Hooper said the Administration has agreed on a minimum 50 percent revision proposal, which would rewrite almost all revenue laws.

That message will lay down the general outline of his legislative program.

In a series of larger messages, Mr. Eisenhower will deal with specific subjects.

White House Press Secretary James C. Hasty announced the President will submit his 1954-1955 budget to Congress Jan. 21 and will follow it with the annual economic message on Jan. 29.

Mr. Hasty said Mr. Eisenhower will submit Congress special messages recommending farm and labor law changes Jan. 11.

STUDENT, FRIEND HELD ON STICKUP

Alleged Iona College Boy, Others Enter Auto With Fake Gun

NEW YORK (AP) — A college student and another eighth-year-old youth faced violent assault charges yesterday after they were alleged to enter an automobile and one of the trio pushed an imitation gun against the back of the driver.

Raymond Romano, 172 East 127th Street, described by police as a student at Iona College, New Rochelle, and his friend, Donald Nathanson, a clerical worker, 1840 Morris avenue, the Bronx, were held in \$1,000 each by officers.

Riddick in felony court for hearing today in youth term of that court.

According to police, who seized the pair at 72d Street and Central Park West at 1 A. M. yesterday—after taking them to a police station where they were held for a hearing today.

The group, it was alleged, pushed an imitation .45 caliber gun against Mr. Gonzalez's back and at the latter fled to call police, the trio ran off.

Police said the youths entered the car and were seized their own auto, when the accident occurred.

Frederick DeVito, twenty-five, of 24 Sussex Avenue, driver of the car, was eastbound when the accident occurred. No charges were made against him, police said.

The victim's injuries included a fractured skull and jaw, fractures of both legs and internal injuries.

Weather Outlook Fair this afternoon, highest temperature near 40. Fair to night, low about 25 to about 15. Mostly fair tomorrow, high around 40. Fresh northwest winds diminishing tonight and becoming moderate southerly tomorrow afternoon.

11:15 A. M. Westchester County Airport temperature 39. Windy, tomorrow at 10:45 A. M. and 11:15 P. M.

The new Westchester Jewish Center at Rockland and Paline Avenues, Mamaroneck, is expected to be completed this summer in time for High Holy Days.

Commuter Fare Rise Asked By New Haven

WASHINGTON (AP) — The New York, New Haven and Hartford Railroad today requested a 33.3 percent increase in its passenger commutation fares.

In a petition to the Interstate Commerce Commission, the railroad asked that the ICC authorize the one-third rise on interstate commutation fares and on fares within the State of New York.

The New Haven said it plans to file the petition with the Connecticut, Rhode Island, and Massachusetts Public Service Commissions for similar rises on interstate commutations in those states.

In asking the ICC to make the fare for travel within New York State, the petition said the ICC had stepped in 1951 to fix the present level of New Haven's fares within the State of New York.

The Western powers are planning to confront Russia with a three-point German peace program at the Berlin conference, it appears that the Soviets show up with some serious intention to negotiate.

One effect of the program worked out by the United States, British and French governments in a series of meetings recently concluded at Paris would be, in the view of Western officials, to wipe out the Communist East.

It therefore appears in advance to the whole Minister Molotov in a series of meetings recently concluded at Paris would be, in the view of Western officials, to wipe out the Communist East.

There was some speculation that Mr. Gouzenko had been brought to the hotel for the interview, but the party's later departure seemed to indicate they were headed for a secret rendezvous.

HOPKINS INDUCTED AS COUNTY CHIEF

150 Friends, Officials Observe 50-Minute Ceremony

WHITE PLAINS— James D. Hopkins was inducted today as County Executive of White Plains, N. Y., in a 50-minute ceremony.

Justice Schmidt said Mr. Hopkins' election was a wise choice. "He is a man of high character and high ability," he said.

Among the many telegrams received congratulating Westchester County Executive James D. Hopkins.

Bulletins Off The News Wire

15 Killed in India Rail Crash NEW DELHI (AP)—At least 15 persons were killed and more than 40 injured in the derailment at dawn today of a speeding passenger train near Bhandina, 150 miles northwest of New Delhi.

West German Sets Home Record BONN, Germany (AP)—Prosperous West Germany set a new postwar record in home-building during 1953. The government said today that 475,000 new dwellings were built during the year.

Blast Wrecks Two Penn. Stores POTTSTOWN, Pa. (AP)—An explosion and fire in the downtown section of Pottstown today wrecked the F. W. Woolworth Co. and the Royal Jewelers Co. stores. Fire Chief Richard E. Lindauer estimated damages in excess of \$200,000.

Reds Build Up India Force MADURA, India (AP)—Government intelligence officers say India's Communist Party has drawn up secret plans to build a Red guerrilla force along the nation's northern borders while publicly pleading itself to seek parliamentary power without bloodshed.

FIRST AUTO DEATH OF '54 RECORDED

Yonkers Pedestrian Killed While Crossing Road Late Saturday

Westchester's first auto Saturday night when a pedestrian was fatally injured while crossing Yonkers Avenue.

Michael Powers, fifty, of 40th Street, employed in the warehouse of Alexander Smith Inc., died in the emergency room of St. John's Riverside Hospital.

Police said the youths entered the car and were seized their own auto, when the accident occurred.

Writing Causes Blaze In Bedroom Fixture The Halstead Manor Home Co. extinguished a minor blaze at 70 A. M. today in a living room of the bedroom ceiling fixture in the home of Mrs. Elizabeth Gough, 308 Fourth Street, Mamaroneck.

The fire was caused by a short circuit in the wiring and the alarm was telephoned to police headquarters by Mrs. Gough. Chief Lawrence Cetrona was in charge and recall came at 7:30 A. M.

New Jewish Center Ready For Services In September Funds and staff with a concrete roof.

Funds to help complete the center will be raised at an annual dinner dance Sunday, May 23 at the Hotel Commodore, New York City. Max Pines will be general chairman of the event.

5 Children Die In Fire

OLD ORCHARD BEACH, Maine (AP) — Five young children perished early today in their flaming two-story home in this ocean resort town. Their bodies lay on a second-floor window after a huge attempt to save them.

The youngsters, children of Mr. and Mrs. Norman Whitcomb, apparently all were trapped in upstairs bedrooms. However, a physician who treated the distraught mother, she told him.

Three bodies were recovered after firemen extinguished the blaze which destroyed most of the dwelling's interior. The fire broke out shortly after Mr. Whitcomb, a carpenter, departed for work on a Friday school building project.

A-Talks Probable WASHINGTON (AP) — The State Department said today Secretary Acheson and Russian Foreign Minister Molotov probably will meet and discuss President Eisenhower's proposal for a peace-time pool of atomic energy when they are in Berlin for the four-power conference opening Jan. 25.

No Mystery A man driving in Milwaukee near to worry when he noticed a car following him—a car without a driver.

There was no mystery after the car pulled over, as when he specified, so did the other auto. Finally, the police pointed out of Rockland Avenue, where the car had been spotted.

## VA. POLICE FIND BUNCH OF STOLEN TREASURY BILLS

U.S. Engraving Bureau Funds Located In Box On Farm

WASHINGTON (AP) — Virginia State Police today reported they have recovered "the bulk" of the \$100,000 stolen from the government's Bureau of Engraving in Washington. They said it was located in a metal box on a farm near Charlottesville, Va.

The troopers said the "bulk" of the money was recovered there was a report here that only about half of it had been located.

Virginia officers said a Treasury employee was suspected of the unprecedented theft from the highly guarded engraving building.

The Bureau of Printing and Engraving comes under the jurisdiction of the Treasury Department.

The officers said an associate of the suspect who knew of the theft, gave information to a State Police officer which led to recovery of the bills.

The bills, in stacks of \$500, were found on a farm in Loudoun County and was seized by Secret Service agents.

Unanimously selected was Mrs. Florence A. Bause as clerk of the board.

Assembled for the first time, the new board made up of 35 Republicans and 12 Democrats, approved the following appointments of county officials.

## Governor Demands Drastic Curbs on Greedy Politicians

### PHONE INCREASE UNDER ATTACK AT HEARING OF PSC

#### Westchester Represented As Company Appeals For Rate Boost

By JOSEPH W. SHANNON ALBANY — Westchester County and four of its communities were represented yesterday as the Public Service Commission opened its hearings on the application of the New York Telephone Co. for rate increases.

Commissioner Spencer B. Eddy set the next session for Jan. 15, Assistant Corporation Counsel Joseph E. Boland of Yonkers appeared as the company's representative, as presided by Ralph W. Brown, vice president and general counsel, in a contradictory case. He asserted that while on one hand predicted a continuation of good times and on the other forewarned a recession in some degree.

### MISSING AIR HERO PRESUMED DEAD

#### Bunn, Veteran Of World War Two, Killed In Korean Action

Staff Sgt. George William Bunn Jr., missing in Korean action since Jan. 9, 1951, is now presumed dead, according to an Air Force communication received by his wife, Mrs. Gloria B. Bunn of 331 Wagner Avenue, Mamaroneck.

Dated Dec. 31, 1953, and signed by Maj. Gen. John H. McCook, Air Force director of military personnel, the letter stated: "No further report from Communist or government war crime tribunals or reports from any other source indicate that no reasonable possibility exists for his continued survival."

### Dewey Indicates Budget Balance Without Tax Increase

By HENRY LEADER Associated Press Staff ALBANY — Governor Dewey, whose administration has been struck by scandal, today demanded drastic legislation to prevent public officials and party officers from using their positions for personal gain.

The Governor in his annual message opening the 1954 Legislature called also for a broad social program running into hundreds of millions of dollars and indicated he would balance the budget without increasing taxes.

In pressing for early imposition of curbs on greedy politicians, the Governor indicated that "the public is entitled to expect from its servants the highest standards far above the morals of the market place."

"The people," he said, expect only "personal honesty but the absence of any reasonable suspicion of dishonesty or even immorality." He also referred to an issue that transcended partisan politics.

### Middle-of-the-Road Program

In an outline of a "middle-of-the-road" program that could be used in the gubernatorial campaign next fall, Mr. Dewey proposed:

- A \$350 million bond issue for expanding mental hospitals.
- A widening of health care to prevent public housing for more than 100,000 families.
- Leavey figure 1953 million.

A broadening of health care to prevent public housing for more than 100,000 families.

### SEARCH PRESSED FOR KILLER CAR

#### Police Ask Citizenry Be On Lookout For Suspicious Dents

Basic Training

Pvt. Donald R. Garverich, above, of 610 Genoa Ave., Mamaroneck, has arrived at Ft. J. B. J. for eight weeks of basic training and will be assigned to Company C, 39th Infantry of the 1st Infantry Division.

He is the son of Mr. and Mrs. R. M. Garverich of the home address and his family has lived in Mamaroneck for three years. Prior to coming to Mamaroneck Pvt. Garverich attended Lehigh Valley High School, Lehigh Valley, Pa., and was graduated in 1953 from Lehigh Valley College in Lehigh Valley, Pa. He is employed by the Lehigh Valley Company in Lehigh Valley, Pa., before he entered service.

Following basic training and a two-week leave of absence, he will receive eight more weeks of advanced infantry training in either light or heavy weapons, will be enrolled in one of 11 specialist courses conducted by his division. Army Post for further training.

**23 Hours Respite**  
No entries appeared on the roster of Mamaroneck's 23-hour respite center for the week ending at 11:59 A. M. today when the police received a report of a fire at Barry Avenue School, and a final entry at 6:30 A. M. that the front door at Barry Avenue School was found unburned by St. Joseph's Police.

**Pershing Rifles**  
Edward Burkler, eighteen son of Mr. and Mrs. E. H. Burkler of 1833 Broadway, Mamaroneck, has been initiated into the Pershing Rifles of the National Honor Military Society of Pershing Rifles. Burkler is a 1953 graduate of Mamaroneck High School, where he was a member of the school's chess club and Phi Kappa Psi fraternity.

**Odd Blazes**  
A pair of odd blazes pestered Mamaroneck firemen yesterday and today. At 10:15 A. M. Engines One and Three responded to a call for fire reported by carpenter William V. Purry of 19 Calhoun Lane, where the lower section of a late model Cadillac identified odd blazes and caused damage to the front seat. The blaze was extinguished by use of an Indian hose. Road was at 10:35.

**March Chairman**  
Mrs. Lee E. Bloom, 22 Myrtle Boulevard, Larchmont, will head the Larchmont Mothers March on Feb. 21. Mrs. David Fieldman, chairman of the Women's Activities Committee of the Westchester Chapter of the National Foundation for Infantile Paralysis, announced today.

**Postal Receipts Soar**  
In Mamaroneck Office  
Receipts for 1953 of the Mamaroneck Post Office soared 54.83 per cent over 1952. Receipts for 1953 were \$22,754.43 as compared to \$17,970.09 in 1952.

**Weather Outlook**  
Mostly fair and windy this afternoon, with a high in the middle 50s and a low tonight near 30 and 10 to 15 in northern Westchester, high tomorrow in the 50s and 60s, with a fresh to strong northwest wind.

**Visits Arranged**  
The Council for International Progress in Management (U.S.A.), formerly the National Management Council, directed by Dr. Lawrence C. Brown, has arranged a program and itineraries for a visit of French businessmen to the United States.

**Travelers Arrived**  
The travelers arrived yesterday at the International Airport and will remain in this country until Feb. 26.

## Thruway Toll Fair, Fasso Tells Dewey

Enthusiastic support of a 25-cent toll charge for the New England Thruway was reported in a letter mailed yesterday by Governor Dewey to the Citizens Committee for the Thruway and the primary problem is the toll which the committee calls fair to finance the job.

The letter said "The people of Westchester believe the charge of 25 cents is reasonable." It is "reasonable in view of the cost of the improvement, estimated at \$100 million, the annual tolls which would avoid business sections of communities along the way; the charge being about the same as tolls on the Hudson River Parkway (10 cents at the Westchester line and 10 cents on section New York City (upper) tolls).

The letter said "The people of Westchester believe the charge of 25 cents is reasonable." It is "reasonable in view of the cost of the improvement, estimated at \$100 million, the annual tolls which would avoid business sections of communities along the way; the charge being about the same as tolls on the Hudson River Parkway (10 cents at the Westchester line and 10 cents on section New York City (upper) tolls).

**ATOM TALK AT STILL UP IN AIR**  
U. S.-Reds Agree To Meet But Timing Is Vague; Dulles Presses Point

WASHINGTON (AP) — The United States and Russia agreed today on starting preliminary atom talks in Washington, but the important question of timing was still up in the air.

The Soviets announced the agreement last night in Moscow and the State Department quickly confirmed it.

**REMODELING SLATED FOR POST 347 HALL**  
Remodeling of the clubhouse of Larchmont Post 347, American Legion, in Park Street, is being reported by carpenter William V. Purry of 19 Calhoun Lane, where the lower section of a late model Cadillac identified odd blazes and caused damage to the front seat.

**Bulletins Off The News Wire**  
Seek To Stem Layoffs  
DETROIT (AP) — Dodge Local 3 of the CIO United Auto Workers asked President Eisenhower today for "positive action" to prevent more industry layoffs.

**1st Cavalry Withdrawn**  
SAN FRANCISCO (AP) — Unofficial reports in Army circles here said the 1st Cavalry Division — veterans of two Korean War tours — will be transferred soon from Japan to the United States, the Chronicle reported today.

## GUIDANCE CENTER RETAINS WATSON DESPITE PROTEST

Unanimous Vote Supports Him; Legion Charges Held Erroneous

Dr. Goodwin Watson of Rye, education consultant and director of research for the New Rochelle Guidance Center and target of criticism by the American Legion, will be retained by the center on a month-to-month basis.

The center's board of directors, meeting last night, voted unanimously to continue the services of the Columbia Teachers College professor despite Westchester Legion demands he be dismissed because of alleged "erroneous activities."

The action followed a report by a special committee declared that the Legion's charges, contained in a booklet prepared by Busch, included numerous errors and misrepresentations.

## President Pledges Tax Cuts; Defense Geared To Atomic Weapons, He Tells Congress

Reds Oppose Release Of Korean Prisoners

Message Outlines Plan To Build Nation's Military Might

WASHINGTON (AP) — President Eisenhower said today tax cuts "can and will be made" as spending "can and will be held" as Congress's America's defense plans are geared to use of atomic weapons.

The President, in his state of the Union message, outlined a program he said would build the military might of the United States, bolster other free nations against communism, and maintain a healthy economic growth.

**UNIVERSITY MEN SET JOINT DINNER**  
Mamaroneck, Larchmont Clubs Meet Tuesday At Bonnie Briar

A joint dinner meeting of the University Club of Mamaroneck and the Larchmont University Club will be held Wednesday at 7:45 P. M. at the Bonnie Briar Country Club, Larchmont.

**3RD AVENUE ASKS HIGHER BUS FARES**  
Company Prepares Petition With No Set Amount of Increase

Increased fares on lines of the WGTG five lines in Westchester and 10 cents on two lines operated by the Westchester Electric Co. will be asked, it was indicated.

**Democrats To Meet**  
The Larchmont Democratic Club will discuss "Violations by Town of Mamaroneck Officials" Chapter 7, at a meeting at 8:30 P. M. today in the YW club house, 125 Post Road, Larchmont.

**Son To Unveil Baxter Portrait At Library Trustee Reception**  
A portrait of Judge Charles M. Baxter, Jr. will be unveiled Sunday in the main reading room of the Mamaroneck Free Library.

# Combing The Town

Quinson Gets 'Chute'

Army Pvt. Francis L. Quinson, above, twenty-one, son of Mr. and Mrs. Louis J. Quinson of 17 Vandover Avenue, Larchmont, is now training with the School Branch, a member of the Airborne Infantry at Fort Benning, Ga.

A native of Norwich, Conn., Pvt. Quinson in a 1953 graduate of Williams College where he was a member of Alpha Delta Phi fraternity. He has been in the service for six months and arrived at Benning in November.

The Airborne course in which he is studying is designed to train volunteer officers and enlisted personnel from all branches of the service as qualified paratroopers. Students are required to make jumps from an airplane, and one of the five required jumps is made with full equipment.

## Sanders On Drill Team

Michael A. Sanders, eighteen, son of Mr. and Mrs. Alex O. P. Sanders of 19 Geriatric Place, Larchmont, has been initiated into the Cornell Community of the National Honorary Military Society of 1953 graduates.

A 1953 graduate of Mamaroneck High School where he was active in the Glee Club and with the track team, Sanders is a freshman at Cornell University in agronomy in the College of Agriculture. He is a member of Phi Kappa Sigma.

His new society, the Rifles, is now in preparation for the intercollegiate drill competitions to be held this Spring.

## Fence Sunk—Post, Too

The whole thing is a mystery and police have no evidence as to why it was done or by whom or how, but yesterday someone knocked down part of a fence in front of the home of Mrs. Margaret A. Selinger, 109 Oriflora Avenue, Town. Mrs. Selinger told police at 3:10 P. M. that somebody had also removed the mailbox as well as damaging the fence.

Phil Eugene Bakker investigated the site at 4 P. M. and found both fence and mailbox in a stream which runs nearby. Police say the damage may have been caused by a motorist who had nothing to base this theory on.

## Firemen Cross Line

Town of Mamaroneck firemen hesitated about enforcing upon the Village of Arden Hills a ruling yesterday at 4:10 P. M. when Mrs. Leta E. Jones of 322 Richfield Road, Mamaroneck, called to report that she was locked out of her apartment. When they heard that Mrs. Raymond's three-month-old daughter, Valerie, was locked in the apartment they immediately sent out Firemen Nicholas Schiano and Nicholas Giacomo with a 16-foot ladder to effect a rescue.

The whole affair was settled by 4:28 P. M. with, so far, no repercussions from the Village fire department.

Earlier, at 11:15 A. M., a rubble fire at Morris Boulevard and Washington Street, Town, was extinguished by the use of the Engine 3 booster. Recall came at 11:30.

## Back To The Ship

Richard Charles E. Ivers, son of Mr. and Mrs. Charles E. Ivers of 21 North Chateaufort Avenue, Larchmont, will leave tonight for Norfolk, Va., where he will join his ship, the USS Tidewater, a destroyer tender, after spending a 13-day Christmas leave at his home.

Ives, who holds an international communication rate, recently returned from a four-week cruise to the Caribbean and will leave in February for a cruise in Mediterranean waters.

A 1950 graduate of Mamaroneck High School, he is entering the service in January, 1951, training at the Great Lakes Naval Training Station in Illinois.

## \$25 Million for Schools

ALBANY (AP) — Governor Dewey today ordered an immediate \$25 million increase in state aid to schools, to be financed largely by an increase in the State's "lot" from part-mutual betting at racing tracks.

## Weather Outlook

Snow and cold this afternoon, high temperatures near 30. Fair tonight, low 20 to near 30. State aid to schools, to be financed largely by an increase in the State's "lot" from part-mutual betting at racing tracks.

# Controversies Flare On Major Issues In President's Program

## NEW YORK OPERS ROUND THE CLOCK PATROL OF DOCKS

WASHINGTON (AP) — Democratic leader Lyndon B. Johnson of Texas said today Senate Democrats—who outnumber Republicans by one—will exercise a " veto" power on individual items of President Eisenhower's over all legislative program.

"The Democrats will give his program careful study, item by item," Mr. Johnson said after listening to the lengthy State of the Union Message. He did not, however, spell out any plan of action he may have in mind.

But Senator Byrd, D., Va., who has indicated support to the President in the 1952 political campaign, said he will not stampede the first Congressional vote on the Eisenhower program.

Democrats were gathered here for an increase in the \$275 billion debt limit. The President renewed it when he outlined his program yesterday to Congress.

## 550-Man Force Massed To Handle Explosive Pier Situation

NEW YORK (AP)—A 550-man around-the-clock police patrol was ordered to New York City piers today in the explosive waterfront situation.

Chief Inspector James R. Kennedy issued orders for the increased police force after a closed-door meeting of Mayor Robert F. Wagner with County Commissioner Francis W. H. Adams and two other top aides.

Charles T. Dodd, NLRB regional director, said his report on the disputed piers will not be ready for submission to Washington until next week.

## 4,397 Ballots Challenged

The police order came during a winter strike at the pier to represent International Longshoremen's Association, instituted by the American Federation of Labor, and the new AFL-ILA union.

The conference followed a meeting of the superhighway which the State will again be held today.

## BURCHELL QUIT COUNTY D. A. POST

NEW ROCHELLE — County executive and assessor of Mamaroneck announced his resignation from the New England Thruway project. He is being recalled to his post as chief of the New Rochelle police department.

## Enter Private Law Practice

# Board Unheld in State on Unpaid Dividends

## Supervisor's Failure To Vote Held Illegal

Supervisor Owen A. Mandeville's failure to vote at meetings of the Town Board was held illegal today by the State Department of Audit and Control. The ruling was based on a decision by the local Republican Club turning some of their attention to our editorial problem.

"It is regrettable that the Supervisor's failure to vote at meetings of the Town Board when they learn that the law requires him to vote is a failure to comply with State Law, I am sure," Mr. Sprague said.

Commenting upon the recent letter to the Forum by The Daily Times of Dec. 29, Mr. Gilbert speaking at a Democratic Club meeting in the Larchmont YFV Club.

John F. Conroy, a president of the Larchmont Mamaroneck Republican Club, has recently published a spirited defense of the Supervisor's failure to vote.

## COURTS PICTURED AS SPOILS REFUGE BY SEN DESMOND

### GOP Leader Offers Bill To End Patronage Abuse; Demos Challenged

ALBANY (AP)—Senator Thomas C. Desmond struck at the courts today as "the last remaining refuge of the political spoilsman" and disclosed he was sponsoring a bill that would "rip the lid off patronage abuses" in the State government.

Meanwhile, Governor Dewey's administration issued a put-up-or-shut-up challenge to Democratic leaders to produce evidence to support their charges of corruption in the State government.

Mr. Desmond, an independent Republican who spends far more than his \$2,000 annual legislative salary to advance the cause of good government, will introduce a measure Monday that would:

- Require clerks of all courts of record in the state to file annually with the Secretary of State a statement of judicial appointees such as referees, referees in law, referees in probate and others, together with fees granted.
- This bill he said, "will rip the lid off these patronage abuses by calling for annual exposure to public scrutiny of the spoilsman who lives in Newburgh."
- Mr. Desmond, a retired lawyer who lives in Newburgh, directed his fire principally at the State Supreme Court justices and surrogates.

## 2ND LOCAL HERO 'PRESUMED DEAD' IN KOREA ACTION

### August Citrone, Missing Since 1950, Now Reported Killed

CPL AUGUST B. CITRONE

The Department of Defense today announced that Cpl. August D. Citrone, son of Mark Anthony Citrone of 1110 Franklin Avenue, Mamaroneck, is now "presumed dead" in Korean action after being listed as deceased.

The Department of Defense today announced that Cpl. August D. Citrone, son of Mark Anthony Citrone of 1110 Franklin Avenue, Mamaroneck, is now "presumed dead" in Korean action after being listed as deceased.

## Major Overhaul of Military Is Seen In Backing Of Report

### WASHINGTON (AP)—President Eisenhower today ruled out any Administration request for Universal Military Training legislation pending a new study—and perhaps a new overhaul—of the nation's military reserve system.

His decision seemed to eliminate the chance that Congress would get an Administration UMT bill this session, despite last month's recommendation by a Presidential commission that the "broken training" of 100,000 men be started next fall, or earlier.

Mr. Eisenhower disclosed his stand in a letter to Arthur S. Flemming, director of the Office of Defense Mobilization. He said he agreed "in general" with the recommendations made by Mr. Flemming's commission.

Mr. Eisenhower's decision was based on a Defense Department reorganization of the reserves. The ODM report was based on a Defense Department reorganization of the reserves. The ODM report was based on a Defense Department reorganization of the reserves.

## Elks Sponsor Civic Week For Scouts

### Mamaroneck Lodge No. 1457, BPO Elks, Will Once Again Sponsor Civic Activities Week For Boy Scouts Starting Nov. 9, the Lodge Stated

Mamaroneck Lodge No. 1457, BPO Elks, will once again sponsor civic activities week for Boy Scouts starting Nov. 9, the lodge stated at a meeting held last night at the clubhouse on the East Post Road. Fred Crisp was appointed to head a special committee by Exalted Ruler Joseph J. Castiglione.

The appeal for sponsorship came from Everett T. Houghton, public relations chairman for the local scout organization. He said that while detail plans for the week are not complete, it is expected that the scouts will work with village officials to learn just how the village operates. In addition, he hopes that the committee will make it possible for the scouts to gain additional experience through two to three times as many participating by working in business organizations, banks, stores, professional

## LAB MUM, HIT-RUN CASE CAR FREED

### Police Chief Hits Lack of Facilities in County

No word has come from the Brooklyn laboratory to which was sent hair and presumed bits of bone taken from a car that was suspected of being involved in the hit-and-run death of Mrs. Mary Russell last Monday night on Halsted Avenue. Police Chief Louis G. Molloy said this morning.

In the meantime the department has had to release the car to which the evidence was taken, the chief said, but added that it was thoroughly photographed before its release.

"It is a shame," the chief stated, "that a county as big as ours does not have its own crime laboratory. If we send the cars to the FBI in Washington, it will be two weeks before we hear from them. We send it to Tuesday before we have any word, although I will call them Monday to try to hurry them up."

## Residents, Two to One, Favor Two-Bit Toll, Quick Thruway

### ENTIRE NOTE—This is the third in a series of short interviews with Mamaroneck and Larchmont residents on issues of the day—local and national. This week's question: "WOULD YOU FAVOR A 25-CENT TOLL TO SPEED UP THE IMMEDIATE CONSTRUCTION OF THE NEW ENGLAND THRUWAY?"

Result: Yes, 22; no, 6.

**MAMARONECK**  
Paul Marcus, 109 West Post Road—"No, I definitely think that it is a toll and I think it should be based on the distance traveled. However, I believe that the State is going to find that the revenue won't carry the load and that the taxpayer will have to pay the bulk of the costs."  
"I think this can be shown by an analysis of the New Jersey Turnpike which is 115 miles long and is considered a truck highway. I have observed that few trucks use this roadway. The New England Thruway is considered a truck route and the toll distance is much shorter than the turnpike. If truckers don't use the longer route why should they pay to use a shorter one? I believe they will continue to use the Boston Post Road."  
"In addition, if it is possible that automobiles will use the parkways now no trucks are allowed and when the tolls are only a dime for the same route for which it is proposed that we pay a quarter."  
Vernon Caproni, 10 Boston Post Road—"Yes, I would agree to this because it is worth while. So far there has just been a lot of talk about the thruway, and I

## Dewey Asks Bigger Track Take To Revitalize School Finances

### ALBANY (AP)—The Dewey Republican, and Assemblyman Lewis Oltrop, Brooklyn Republican, would introduce the school finance study commission measure, it calls for setting up a commission of nine members to be appointed by the governor.

The group would be instructed to examine operations of the state aid formula, the present and future financial needs of public schools, the effects of constitutional tax and debt limits on school systems, possible revision of the formula, and to report to the governor.

## Major H-Blast May Be On Tap In Pacific Test

### WASHINGTON (AP)—The United States may be about to rock the powerful mid-Pacific with the most thunderous man-made explosion in world history.

An atomic energy commission announcement last night caused speculation that government scientists may be planning to detonate a hydrogen bomb in a blast power much greater than the combined force of all the conventional bombs dropped by U. S. war planes in World War II.

## Pier Union Fight May Close Port

### New Dock Unit Threatens Action Until Crime-Run ILA Is Driven Out

NEW YORK (AP)—Threats by rival unions today contrasted the huge port of New York with the possibility of a complete shutdown until one or the other union is driven from the waterfront. Police details along the docks were strengthened to be ready for trouble.

The seething harbor situation was brought a degree nearer to the boiling point yesterday with the announcement by the AFL International Longshoremen's Association (ILA) that it would close the port if its rival, the old ILA, now independent, strikes.

Posing the threat, AFL-ILA executive director Ace M. Kenney indicated the union was ready to send the port in such an event, until the ILA is forever driven from the docks.

## Three Alternate Routes For Expressway Being Studied

### ALBANY (AP)—Three alternate routes for the proposed Cross-Westchester Expressway to connect the New York State and New England Thruways in Westchester County are outlined in a long-awaited report issued today by the State Department of Public Works.

No official decision has been reached on which route will be constructed. Opportunity will be given, said Bertrand D. Talany, State Superintendent of Public Works, for county and local officials to study the alternatives and make recommendations.

However, a combination of portions of two of the three routes is definitely recommended by Charles H. Sella, former Westchester and New York State Public Works head, who was retained by the State as a consulting engineer to prepare the report.

"I have directed the chief engineer of the Department of Public Works, Mr. J. J. McMoran, to review the report and to submit his recommendations," said Mr. Talany today.

"The final decision will be based on the data contained in Mr. Sella's report, and on the information submitted by the local and county officials."

The three routes are designed in the report as C. E. or central, N. O. or northern, and S. O. or southern. Each begins at the New York State Thruway near "Tarter Road" in Greenburgh, west of Elmsford, and each terminates at the connection with the New England Thruway east of the Boston Post Road at a point between Hillside Road and High Street in Yve.

Cost of the three routes, including right-of-ways, is put by the report at \$37,724,042 for the C. E. route, \$38,117,021 for the N. O. route, \$39,899,823 for the S. O. route, \$37,724,042 for the Alternate Crossover route recommended by Mr. Sella, and \$30,358,938 for an alternate S. O. route.

Distance of the three routes varies from slightly more than 10 miles to more than 13 miles. The highway will require an estimated 130-foot width right-of-way. There will be six lanes of pavement, three in each direction, separated by a central 20-foot width with except on viaducts where it is reduced to four feet. Total width of pavement will be 74 feet.

**Sleeping Grade 3 Per Cent**  
Maximum grade on the Expressway will be 3 per cent.

## Weather Outlook

### Now change to rain this afternoon. Occasional rain locally ending tomorrow morning becoming mostly dry by afternoon. High today mid to upper 30's. Not as cold tonight as last night, low 32 to 35 degrees. High tonight in the 40's.

219 A. M. Westchester County Airport temperature 20, yesterday 20, below low 14, yesterday 12 miles with light snow showers and light wind east at 4 mph.

High today today at 1:45 P. M. tomorrow at 2:15 A. M. and 2:43 P. M.

## APARTMENT MAIL BOX FOUND BROKEN IN TOWN

### Evidence found by Lt. Thomas J. Boyle of Larchmont police yesterday at 5:45 P. M. showed that somebody had been tampering with the mailbox at the Patricia Gardens Apartments at 122A Palmer Avenue but there was no report that anything had been taken.

The box said by Mr. and Mrs. Richard Carner of Apartment 10-C was definitely broken into. Lt. Boyle reported, but Edward F. Farrell, superintendent, had taken the Carner mail out and showed it under their apartment door at 11:30 A. M. The box had been prised open as evidenced by a long scratch extending from the lock to the edge of the box.

A box held by Martin A. Goldberger of Apartment 10-B was also tampered with, according to the report. Investigation is being continued.

Romani On Leave

WASHINGTON (AP) — President Eisenhower today asked Congress to adopt 14 amendments to the Taft-Hartley Labor law, including a provision that workers must have approval of their union before they can go into effect.

On the strike proposal the president recommended that before a union could be authorized to offer its jobs the workers be required to approve the action in a secret, government-held election.

Mr. Eisenhower's proposals contained some changes suggested by management and some asked by labor.

Among the presidential proposals was one that would give states the power to settle labor disputes. Others would require employers to submit non-Communist affidavits as well as union leaders, and would remove from Congress members that took action against union boycotts and strikes.

Mr. Eisenhower called on Congress to make a "thorough study" of the Taft-Hartley laws "with a view of enacting such legislation as will conserve and conserve these funds for the millions of working men and women who depend on the stability of the law."

There have been numerous suggestions from management and labor alike for changes in the law. The president's proposals are expected to be basic objectives.

The installation ceremony will be conducted by Past Masters James A. Stearns and Frederick H. Young. The address will be delivered by Past Master Arnold P. Dine.

Mrs. Frank Trapp, 515 Wagner Avenue, Manamorcck, was invited by Dr. William A. Barrett for her left ankle caused by a cat. Manamorcck police were notified yesterday.

Mrs. Trapp went to the rear of her house to empty a garbage can as owned by Mrs. Robert Martin, 515 Wagner Avenue, attached her, she told Dr. Barrett, Mr. William A. Barrett was in the Martin's home to notify her that the must keep her cat in the house from now on.

## 6 Inches of Snow; Heavy Tomorrow; Arteries Open

Plows Battle To Keep Roads Clear; Schools Remain Open

Manamorcck and Larchmont were tackling the season's largest snowfall today as the blizzard that started this morning as snow plows were clearing the streets clear, residents were leaving their cars in garages and walking to trains and to work, and cars which did brave the streets were sliding and skidding on the thin ice coating under the snow.

The snowfall totaled seven and a half inches up to 10 A. M. according to the Weather Bureau. Heavy winds from the weather bureau said it would continue to midnight.

Traffic in the three communities was cut to a minimum with only a few cars on the streets. The snowplows were kept moving through the streets of town and village DPW crews were out on the streets clearing the snow.

## GOV. DEWEY BIDS LEGISLATIVE HELP AID TO WORKERS

### Sees Employers' Costs Upped \$20 Million; Hits Dems' Claims

ALBANY (AP)—Governor Dewey today recommended increased workmen's compensation and sickness disability benefits, in a special message attacking Democratic claims of extraordinary unemployment.

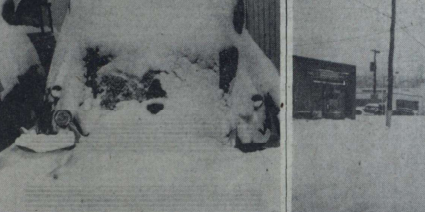

The Governor urged the legislature to increase the maximum weekly benefits for workmen's compensation from \$32 to \$38 in benefit cases and from \$15 to \$18 in death cases.

The Governor urged that such increases would add \$20 million to employers' costs for workmen's compensation, but said he was hopeful the increase would be absorbed in a net reduction in costs achieved, as a result of the Marshall Act investigation now under way to determine the

LADY WITH A PROBLEM—A snow and a novel, Barbara Ford starts to dig her car out of a parking lot in Mamaroneck. Heavy snowfall marooned hundreds of autos at curbs and in parking lots — Staff Photo by Paul Byrne.

THE KIDN just love it when the snow comes, as is evidenced by these Larchmont youngsters who had a good time frolicking yesterday near Larchmont Oakes Lake. There's nothing like a good face washing with snow, young Gil Perry, left, seems to be thinking as he attempts to shove Ovington Peterson with the white stuff while Jimmy Perry, right, tries to get into the act. Staff Photo by Paul Byrne.

A COUPLE of hardy souls trekked down Pinehurst Road early yesterday when a snow turned the area into a winter fairland. The two unidentified men above were caught by Staff Photographer Paul Byrne as they walked in the road down the trafficless thoroughfare near Waverly Avenue, Mamaroneck.

## Five Neck Sets Vote Of \$2.1 Million To Expand Schools

### Snowstorm At End But Winter Lingers

A 49-hour snowstorm discharged its last flakes a 12-inch fall on Westchester today but King Winter lingered, with half-freeze temperatures.

The storm claimed its fourth victim in the county last night when a fifty-eight-year-old White Plains woman died of heart failure after shoveling snow. A Yorkers school custodian died similarly yesterday. Two persons died in the snow yesterday.

ROAD DOWN THE TRAFFICLESS thoroughfare near Waverly Avenue, Mamaroneck.

## RYE NECK PROBES TEACHERS' VISITS

### Substitutes' Fees Draw Criticism At School Board Meeting

"Visiting Days" for Rye Neck School teachers in other schools got a going over last night at a meeting of the Rye Neck Board of Education in the Barry Avenue School.

Last month four members of the Rye Neck staff were granted a total of 11 half-days off to observe the New York State study meeting at Great Neck, N. Y. The State Study Visitation was held at the Rye Neck Visual Conference at Teachers College, N. Y.

The child was taken to the New Rochelle Hospital by police at 10:20 A. M., and four stitches were required to close the inch-long wound. Police returned her to her home at 11:20 A. M.

## Daily Visit To Church Steps Relaxes Local Philosopher

BY WORTH JUDGE  
YESTERDAY noon, after a light heartily lunch, I sat on the uncovered steps of Grace Episcopal Church on the business corner in downtown White Plains, and chatted with a shoe salesman who spends part of his lunch hour every day in silent meditation.

Maurice Goodman of Alden House, Larchmont, finds relaxation of mind and body in his daily noontime visits to the church steps. He doesn't mind the curious stares of passersby, the hurrying, always hurrying people with set, unsmiling faces, and the occasional "bump" on the nose.

"I like to get away from all the bustle and bustle in the middle of the day and just relax, and what better place could I find than the steps of a church? I get there during the recent storm, but he came. 'Why not?' he said. 'What's a little snow?'" —Staff Photo

## County Enters Fight To Block Fare Rise

### WHITE PLAINS—County Executive James D. Hopkins has gone to bat on behalf of Westchester commuters who are protesting a proposed fare increase for the railroad's passenger service, the New Haven.

Mr. Hopkins yesterday informed the Board of Supervisors of the New Haven's application "sets off" the petition for the residents of this county who are intramural commuters.

Should they be granted, Westchester would receive the New Haven fare monthly boost ranging from \$4.08 in Mount Vernon to \$6.35 in Port Chester.

## VITO FRAIOLI NAMED AS POLICE SERGEANT

Pt. Vito T. Fraioli of 128 Prospect Avenue, Mamaroneck, was appointed sergeant on the Mamaroneck Police Department by the Board of Trustees meeting last night.

A five-year veteran of the Village force, Sgt. Fraioli was born on June 16, 1918, a native of Mamaroneck and was educated in Mamaroneck schools. He is married and has a daughter and was formerly employed as a spinner's helper.

His appointment is the result of the competitive examination held in White Plains on Nov. 10, 1953. He came out with the top score over three other applicants.

William McKelton, principal of

## Referendum Scheduled Tentatively For Feb. 24

A referendum is planned next month in the Rye Neck School district to authorize borrowing to finance the \$2,100,000 building program presented to the Board of Education last week by G. Pelton, chairman of the planning committee of the board, it was revealed by a note at a board meeting in the Barry Avenue School.

Mr. Pelton, reporting to the board, suggested a tentative date of Feb. 24 for the referendum, with registration of voters tentatively set for Feb. 20, and so on.

The project, according to Mr. Pelton, will require a 60 per cent affirmative ballot in order to place, in their occurrence, the amount will cause the Rye Neck system to exceed the 5 per cent debt limit set by law.

The Larchmont property was acquired recently by the school system for \$8,000 following a referendum Dec. 2, 1953, in Rye Neck School voters.

Mr. Pelton reported that committee plans call for the formation of a

## DEMS ASK PROBE OF RAGE SCANDAL

### Resolution Proposed In Legislature; Moreland Group Hit

ALBANY (AP)—Legislative investigation of the harness racing scandals was reported today in a resolution introduced in by two Democrats.

One of the sponsors, Senator Joseph Zaretski of Manhattan, charged in a statement that Governor Dewey's Moreland Act Commission probing the track mess was "inadequate" and that the legislature should probe the alleged raceway stock deals with more vigor.

Mr. Zaretski and Assemblyman William Kappelman of the Bronx, called in their concurrent resolution for establishment of a bipartisan committee of six legislators to make an "impartial, objective and unprejudiced" inquiry into what they termed "sensational and repulsive disclosures" about the sport.

Mr. Zaretski contended that members of the Moreland Act Commission were "indebted to the Governor for political or other favors or owe him a special and personal allegiance."

He deplored the J. Russell Sprague, former GOP national committeeman, had "joined in" on the organization of Yorkers Raceway and had obtained stock in the harness track at no cost to himself.

The resolution also provides for a probe of all phases of harness racing.

Mr. Zaretski also indicated he thought political influence had been brought to bear on issuance of a permit to sell horse racing for Vernon Towner, a harness track opened this year at Vernon.

The committee, made up of an even number of Democrats and Republicans, would be authorized to spend up to \$25,000 and would be ordered to report by March 1. It would have to report by March 1.

Mr. Zaretski declared the people of the state "have been shocked by the scandalous revelation of the raceway scandal. We'll, it's never too late to remember to advertise through a classified ad in The Daily Times. If you're considering buying, call MA 8-1100 to place your ad—the rest will be done for you!

## 17 COMMUNITIES FIGHT BATTLE ON FARE BOOST

### 27 Officials Map Plans To Block Commuter Increase

**NEW ROCHELLE**—A pop rally that wound up in two separate but coordinated actions to defeat the New Haven Railroad's request for a one-third commutation fare increase was staged by 27 officials representing 17 communities of Westchester and Connecticut last night in Council Chambers.

Mayor Stanley W. Church presided over the meeting, called for a fight before either the railroad or the Public Service Commission protesting the requested increase.

The representatives formed executive committees to carry out the program in each state and to exchange information and find ways to work a coordinating committee.

**May Go to Court**

The Westchester group, with Mayor Church as chairman, proposes to petition Attorney General and Connecticut to determine whether the hearing before the ICC invades state rights and, if so, to have the state sue an injunction against such hearings in order to place it before the PSC.

A proposed Westchester program also includes petitions to the ICC for any hearings to be held in Westchester, reference in New Rochelle, organization of committee members to aid the battle, assessment of the cost of hiring legal and rate experts and the number of communities to be included in the fight.

**School Chief To Teach**

Mamaroneck Superintendent of Schools T. James Ahern was named a successively to the Mamaroneck School Board last night in order to permit him to teach in the summer graduation school at the University of Denver.

Mr. Ahern will conduct a course on "Public School Administration" and students will be professional educators, including teachers, principals and superintendents of schools.

**Seeds Depend on Sitters**

Two delegates from the Mamaroneck Branch of the National Association for the Advancement of Colored People will be sent to a national conference to be held at Washington—provided money can be raised for the trip.

To augment the conference fund, a baby-sitting school was set up by the local NAACP Youth Center. Residents in need of sitters call Miss M. Whelan at MA 9-4665 for further information.

**Siren Trouble**

Confusion runs rampant among fire sirens when it becomes necessary to call off school because of weather or for any other reason. It was revealed last night at the meeting of the Mamaroneck School Board.

The subject arose during a discussion of whether it would have been advisable to call off school because of the snow during the last two days.

T. James Ahern, superintendent, pointed out that it means a lot of trouble, particularly with fire whistles blown to summon "red school" today.

**Graduation Day Shifted To Thursday**

Graduation at Mamaroneck High School will be Thursday, June 24 and not Saturday, June 26, as previously decided. Mamaroneck School Board members, secretary, and the Mamaroneck Avenue School Board, secretary, met last night at a meeting to discuss a plan by students that graduation be held on a Saturday. The students felt that it would be Monday, June 28, but the board felt that it was unnecessary to hold teachers' examinations for the few students whose status might be in doubt could be completed by Wednesday, June 23.

**Fire in Liner Extinguished**

L. H. HAVES, Evans (AP)—Firemen dashed to the waterfront of this Channel port today after a blaze broke out aboard the 49,850-ton French liner *Liberte*. The blaze, described as "inconsequential," was extinguished quickly.

**Early POW Shift Is Seen by Delhi**

L. H. HAVES, Evans (AP)—Firmly held Indian sources reported today that India forces in Korea will start transferring unrepatriated prisoners back to the commands which captured them at least three days before midnight, Jan. 22.

**Dulles Backs Pact For Korea**

WASHINGTON (AP)—Secretary of State Dulles said today the mutual security treaty with South Korea should be one step in disarming "the Communists of any ideas of launching another aggression in Korea." Mr. Dulles went before the Senate Foreign Relations Committee to urge ratification of the pact.

**Weather Outlook**

Sunny but cold this afternoon. High temperature around 35. Fair tonight, low near 19 and near zero in northern Westchester. Some cloudiness tomorrow, high in the upper 20s. Fresh west to northwest winds becoming moderate to fresh this afternoon, with the variable tonight and moderate to southerly tomorrow.

11:15 A. M. Westchester County Airport temperature 16, yesterday's 29. Dew-point 19, visibility 15 miles, wind west-northwest 13 mph, gusts 20 mph.

High tides today at 6:19 P. M.; tomorrow at 6:48 A. M. and 7:46 P. M.

## Yonkers Track Held Illegally Operated

**By JOSEPH W. SHANNON**

Yonkers was ratted through on the last day of the 1949 session making it illegal to transfer a harness racing franchise. He contended that this measure was pushed through by Mr. Sprague for the benefit of Roosevelt Raceway owners to prevent competition from the track at Yonkers.

Senator Joseph Zaretzki in a speech in which he asserted that the Yonkers harness racing track was born of a "war between Republican giants," he identified William F. Bleakley of Westchester and J. Russell Sprague of Mamaroneck.

Mr. Zaretzki charged that what Mr. Sprague did "is absolutely heinous because he must in in true gangland fashion on a racket, he saw was going to pull off."

## HOUSE LEADERS TACKLE TAX CUT

**Democrats Seek Boost In Personal Income Exemption**

WASHINGTON (AP)—The House Ways and Means committee bogged down today in the mammoth task of revising most of the nation's tax laws amid growing talk of new income tax cuts for everybody.

Representative Boggs, D., La., predicted that some Democrats would try to work a \$100 boost in personal income tax exemptions into the tax revision program.

The present law allows each taxpayer a \$500 exemption for himself and each of his dependents before his remaining income is taxed.

Large Saver

If enacted, the liberalized exemption would save taxpayers about \$25 million annually. Low-income groups and large families would profit most from it and several million low-bracket taxpayers would have to pay any income tax.

Mr. Boggs, a committee member, declined to discuss the proposal—yet to be possible strategy. Democrats could open a drive within the Ways and Means Committee. Failing there, they could try again the House.

Republicans were talking more vaguely—of a possible new income tax cut in addition to the 10 per cent average rate reduction which took effect Jan. 1.

## Fall While Chopping Ice

Howard Clark, forty-seven, of 747 The Parkway, Mamaroneck, suffered a compound fracture of the right ankle yesterday about 4:30 P. M. when he fell from a ladder while chopping ice from the gutter of the house, Mamaroneck police report.

Mr. Clark fell about 10 feet and was taken to the United Hospital in the Mamaroneck police ambulance.

## Preliminary Atomic Talks Encouraging, President Remits Congress To Decide When Strikers Vote

WASHINGTON (AP)—President Eisenhower said today he is leaving up to Congress whether a workers' strike vote should be taken before or after a walk-out.

The President declined at his news conference to say whether he regards his proposal for a strike vote as "mutual legislation." Such a vote was among his recommendations he sent to Congress Monday in outlining a 14-point program for reviving the Taft-Hartley Labor Relations Act.

His choice by secret ballot held under government auspices.

This left it unclear whether the President had in mind a poll taken before a walk-out or after the workers were on strike.

Mr. Eisenhower met with them.

First off, the president was asked to clarify whether the strike ballot system he proposed was intended to apply before a strike or after.

Evades Answer

Mr. Eisenhower declined to give a direct answer.

He said in making the recommendation he was trying to establish a principle—that he carefully avoided spelling out exact details because that is the province of Congress.

The President added he would accept anything along this line that looked to be the most practical and feasible under the circumstances.

Mr. Eisenhower declined, also, to say whether he would support his Taft-Hartley proposals as "mutual legislation."

He declared he is going to fight the entire legislative program but he said he is not going to decide at this time which parts of it are the most and the least important.

A well-informed Administration source said the strike poll is:

1. Said Secretary of State Dulles was only stating a fundamental truth when he declared in a speech last night that the United States has made a "basic decision to meet any future Communist aggression by relying primarily on its own resources."

2. Laughed off an effort to find (Turn to Page 2, please)

## MEAL TAB DROPS AT JUNIOR HIGH

**Three-Cent Reduction Set By Board To Reduce Surplus**

Plate lunches at the Mamaroneck Junior High School will drop three cents in price, according to action taken by the school board last night.

The price reduction from 30 to 27 cents, for a three-month trial period was ordered to prevent a balance from building up in the junior high cafeteria fund as well as to follow the board policy of having students pay only the rock-bottom cost for services and food, according to Superintendent T. James Ahern.

New Order

The school board also ordered the purchase of a new oven for less than \$100, a new electric stove of \$425.16. The oven will be purchased from monies in the cafeteria fund, although the board emphasized that the expenditure should not be construed as a precedent since there is no intention of accumulating a surplus in the fund.

The old oven which will be replaced is 25 years of age. Mr. Ahern said, and according to his information its doors constantly fall off and its operation is unsatisfactory.

Public Relations

Cecil Borton, chairman of the board of trustees, suggested that forums and panel discussions be arranged so that parents, the general public and the school authorities might learn what to expect of one another.

"We need to have something to keep the community informed," Mr. Borton said.

Custodian Robert E. White suggested that the Larchmont Forum for Public Opinion might provide a platform for the discussion of school problems, and Mrs. Edward Helwig, trustee, remarked that the Parent-Teacher Associations already so inaugurated.

Mr. Borton also introduced Marie E. Planned.

Mr. Borton also introduced (Turn to Page 2, please)

## RESIDENT BREAKS PHONE CALL, DIES

**Mrs. Cumming Found Dead At Home As Her Husband Returns**

Mrs. Lizzie Cumming, seventy-one, of 18 Dean Place, Larchmont, collapsed and died yesterday at about 11 A. M. at her home just after a telephone conversation with her sister-in-law, Mrs. Frederick Cumming of 25 Prospect Avenue, New Rochelle.

Her husband, John, left on business at 8:30 and when he returned just before noon he found his wife dead on the living room floor. Her sister-in-law stated that she had been holding a telephone conversation with her at 11 o'clock when she abruptly ended the talk saying she could call back.

Dr. Lawrence E. Marshall of the Larchmont police responded to Mr. Cumming's call for assistance at 11:30 and in turn called the New Rochelle Hospital.

Dr. Francesco Napoleone pronounced her dead upon arrival. The medical examiner's office ruled the had died of a natural cause.

Mrs. Cumming was born on Jan. 6, 1883, in Scotland, N. B., was a member of the First Presbyterian Church of New Rochelle, and a member of Eastern Star and the Daughters of Scotia.

Funeral services will be held at 3 P. M. Friday at the George T. Davis Chapel, 115 COURT ST., Place, New Rochelle, with the Rev. Thomas Geer of the First Presbyterian Church officiating.

## LIASON OFFICERS MEET TOMORROW

**Allies, Reds Hope To Get Peace Talks Going Once More**

PANMUNJOM (AP)—U. S. Envoy Kenneth Young said today allied and Red liaison officers will meet tomorrow in lines set up toward resuming talks to end the Korean war.

The Communists asked Monday for the board to be resumed, but only to discuss a date for reopening negotiations, not to meet on Dec. 12 by the United States.

The Allies replied Tuesday with a note asking that the staff officers discuss both date and conditions for resuming the talks. The Reds answered with a new note Wednesday.

When he first announced that the officers would meet Mr. Young said they would discuss the conditions.

He did not release the text of the Red note, but paraphrased it this way: "The Reds agree to a meeting... to agree on the date for political discussions regarding a political truce or ceasefire."

## Judge Cahill Imposes \$13 In Traffic Fines

Only five traffic cases were tried last night. Judge John Cahill collected \$13 in traffic fines at the Larchmont Police Court.

Driving through a red light cost Raymond E. Campbell of the Alden House Apartments, Larchmont, \$5. Restricted parking lines of 22 cases were assessed against William F. Kohn, and Mrs. Lillian B. Duncan, both of New Rochelle, and Herbert Cohen of a Magnolia Avenue and Dorothy Hutcheon, 7 East Avenue, both Larchmont.

## Outsmarted

When a couple burglarized broke into a drive-in theater, they found a note in the coinbox instead of money. It read: "Note to be returned to the office every night. Tell your friends, too—The Mainland Theater. Those burglars were outsmarted. But none will ever outsmart you if you advertise to buy, sell, rent or hire. Write for our classified advertising. The Daily Times. It's easy to do—just call MA 9-2100 — it's profitable, too."

**Mothers March**  
Plans for the Larchmont Mothers March on Polo, slated Jan. 27, were made last night at a meeting of 25 volunteers in the home of Mrs. L. H. Bloom, 22 Myrtle Boulevard, march chairman.

Particular emphasis was made at the meeting on the need for funds to provide the new serum against polo which, if a plan is made available for mass inoculation.

If the enthusiasm of the public matches the enthusiasm of the marchers, then there will be no question that we will exceed the totals collected at our former Mothers March.

**Talk's Not Cheap**  
The number of telephones in use in Mamaroneck and Larchmont reached an all-time peak in 1935 according to J. H. Bloom, local manager for the New York Telephone Company.

In Larchmont there totaled 105 while in the Mamaroneck-Harrison area 104 telephones had been installed.

The telephone company received its maximum telephone orders during the year and also received the waiting list nearly as high as last year, Mr. Bloom said.

There were 148 men on the list on the Mamaroneck-Harrison telephone company payroll at the end of the year and the total installed 481,289 while 147 were on the Larchmont payroll with total wages of \$514,779, Mr. Bloom reported.

In the company's state-wide territory 280,000 telephones were added bringing the total to 6,000,000.

**Poet Wins Honor**  
"Fall Night" by Peter Kane Duda of 239 Oakhurst Road, Mamaroneck, originally published in the Atlantic Monthly, appears in "Dorchester Mountain Poets Awards 1935" published by the University of Pennsylvania Press with Robert Thomas Moore as editor-in-chief.

A former member of the editorial staff of The Daily Times, Mr. Duda has written several plays, the most recent of which will be produced next month by the Penrose Players Inc. The author is a graduate of Harvard and served in the Air Force during the last war.

Also represented in the poetry awards book, fifth volume of an annual anthology compiled from original poetry published in magazines, is the English-speaking prize winning poem: "Robert I. Fisher, Leonard Barr, P. Tristram Coffin and Peter Viersch."

**Back Home Again**  
Lieut. Walter J. Dockerill of Mr. and Mrs. W. J. Dockerill of 14 Judson Street, Larchmont, was aboard the military transport Gen. William Mitchell which docked yesterday in San Francisco from the Far East.

Lieut. Dockerill was commissioned in the Air Reserve in 1931 upon his graduation from Cornell University and completion of the ROTC program at Cornell.

He was on the tennis team at Iona High School where he was re-elected in 1927 captain of the tennis team.

He has served in Korea where he was assigned to the 48th Central Postal Directory, Quartermaster Corps, and the 48th Central Postal Directory, Quartermaster Corps.

Also aboard the Gen. William Mitchell was Corp. Joseph J. Baker of 129 Center Avenue, Mamaroneck.

**Pastor Author**  
Forces are at work in present day society to exact results without moral responsibility, Rev. Edger N. Jackson, pastor of the Mamaroneck Methodist Church, maintains in an article on the Stewardship of Property appearing in the January issue of The Christian Advocate, official national organ of the Methodist Church.

From a Christian point of view, Mr. Jackson claims, "Productive property, whether farm, factory or service, should be administered with a concern for all related human values."

The basic problem of property, he maintains, is whether it is used for purposes worthy of God's kingdom.

Property must be administered, Mr. Jackson concludes, with a concern for God's purposes, or we suffer the consequences.

In the article Mr. Jackson points out that not only Communism and Fascism but also certain forces within democracy are at work that would tend to limit moral responsibility.

## Big Gem Theft Believed Work Of Top Hands

**DETROIT (AP)** — Police said today a professional diamond thief, who may have stolen the \$500,000 gem holdup here reported last week, is believed to have been among the top hands in the diamond business.

"It seems obvious that two men knew exactly what the gem was carrying and how he would have the jewelry in his room," said Theodore Carl Park of the Holding Bureau.

Arthur Gallatin, president of the American Gem Society and a jewelry salesman, reported the holdup and said he "had a feeling" he had been followed since leaving New York City for his diamond pieces belonging to Harry Winston, a New York collector.

**PRESIDENT CALLS PARLEY AN ATOM WITH AIDS TODAY**  
Dulles, Strauss, Wilson, Jackson, Meet At White House

WASHINGTON (AP) — President Eisenhower called advisers today to discuss negotiations with Russia for the creation of an international pool of atomic resources for peaceful use.

Summoned to meet at the White House were Secretary of State Dean Acheson, Secretary of the Atomic Energy Commission, Secretary of Defense, and White House Chief of Staff. Also present were the Atomic Energy Commission's Secretary of Defense, and White House Chief of Staff.

Mr. Dulles is expected to have a second conference early next week with Soviet Ambassador George Zarubin on arrangements for the creation of an international pool of atomic resources for peaceful use.

Informed officials say private talks with the Soviet government are being held by the President, Mr. Dulles, and other policymakers in an effort to resolve the atomic dispute.

The Soviet government's proposal is to determine whether the Soviet government really is serious about entering into the proposed pool.

## Seven Inches Snow Mingled With Rain Forecast For Area

**Predictions All Point To Bad Weather, More Cold**  
Snow — and more snow — were the immediate and the long-range forecasts today for Westchester. Two more inches of snow are expected in the Mamaroneck and Port Chester area.

The present snow, which started at 10:30 p.m. and was steady at 1 a.m. and was a steady fall by 2 a.m. may be mixed with rain and sleet after 6 p.m. before turning back to fairly heavy snow.

A private Boston advisory service winter forecast of 4 to 7 inches of snow in an 18-hour storm.

The official New York weather bureau forecast at 6:15 a.m. said: "Show above the coast (Sound shore and lower Hudson) chances to rain this morning and back to rain this afternoon. Mostly snow in the interior (northern Westchester)."

Heavy Snow Bulletin  
Then at 7:30 the bureau issued this special bulletin to explain the storm and account for the changes.

"The boundary line between snow and rain lies just over the metropolitan area and is expected to fluctuate back and forth during the day. Snowfall amounts will vary accordingly but will be especially heavy in inland sections. Driving conditions will be hazardous over the whole area."

The New York weatherman said the snow would end early tonight and that tomorrow would be a cold day.

The U. S. Weather Bureau was called into the act with a special bulletin at 2:30 a.m. forecasting a 1 to 6 inches of snow in the triangle from Harrison, N. Y., to New York City to Albany. The snow was caused by warm air moving up the Atlantic coast and coming in over a cold air mass which had pushed down from the Arctic.

Washington said that snow would be more snow from the West.

**POSTING OF SNOW**  
PLANS announced that about 18 Beechmont Drive, New Rochelle, into what appears as a real snow-blow first. This morning, more snow piled up on the tree.

Staff Photo by Paul Byrne

## U.N. Will Accept Anti-Red POWs But Not On India's Conditions

**PANJONUNG (AP)** — The U. N. Command said tonight it will accept from the Indians 22,000 unrepatriated anti-Communist prisoners, but not on India's condition that they be repatriated.

Gen. John E. Hull, U. N. commander, wrote the Indian command that as of Jan. 23 the U. N. will consider the prisoners "returned to their freedom as civilians."

The Air Force announced today to oppose the Indian decision to keep in neutral custody until they are repatriated, which would be a violation of either side's status of the POWs.

The Communists were expected to oppose the Indian decision to keep in neutral custody until they are repatriated, which would be a violation of either side's status of the POWs.

The Allies contend that under terms of the armistice all unrepatriated POWs must be liberated as civilians at midnight next Friday.

"For the United Nations command now to agree to further and indefinitely prolonged captivity of these prisoners would be a violation of the principle of human rights for which so many men of this command have fought and died," Gen. Hull said.

Indian troops, meanwhile, completed plans for turning back the 22,000 unrepatriated prisoners to the Communist side in India. Indian village near here took on a holiday air.

There was no further word from the Communist Peiping radio which Friday night told Chinese troops in Korea that the Allies would threaten the troops by accepting the anti-Red Korea.

## Man Collapses, Dies After Digging Snow

**FATHER AND SON** — William H. Johnson, Mamaroneck, died after collapsing while digging snow from his car. He was 60 years old.

His son, George C. Johnson, was with him when he collapsed. The cause of death was a heart attack.

Mr. Johnson was a member of the Mamaroneck Golf and Country Club. He had been digging snow from his car for several hours.

He was found by a neighbor who called the police. He was taken to the hospital but died shortly thereafter.

His wife, Mrs. Johnson, is at home with three children.

## WALLACH SCORES STATE BINGO BAR

**North Pelham Mayor Labels Policy As Un-American**  
In Its Method

**NEW ROCHELLE** — In a letter today to State Senator Philip W. Williamson, North Pelham Mayor Irvine Wallach scored the State Legislature's policy on a bingo referendum held last year as "contrary to the spirit and intent of the fair play act."

Mayor Wallach, who also is president of the State Teachers' Association and executive director of the North Pelham Education Association, was referring to a bill which would permit the State to refer to voters whether or not they wish to legalize bingo.

Two Factors Outlined  
The four-page letter principally outlined two factors — moral and economic — which would justify a referendum on the issue.

First, he said, the State should not be a party to a referendum on an issue which is so clearly a local matter.

Second, he said, the State should not be a party to a referendum on an issue which is so clearly a local matter.

## Butlins Off The News Wire FRANCE INSTALLS COTY

**PARIS (AP)** — French voters today elected Paul Butlins as president of the French Republic. The outgoing President, Vincent Auriol, today was taking over at a time when the country's independence and its efficiency are threatened.

Butlins, 67, was elected in a landslide victory over the incumbent, Paul Auriol.

Butlins was a member of the French Resistance during World War II.

He was elected president of the French Republic in 1954.

## Man Collapses, Dies After Digging Snow

**FATHER AND SON** — William H. Johnson, Mamaroneck, died after collapsing while digging snow from his car. He was 60 years old.

His son, George C. Johnson, was with him when he collapsed. The cause of death was a heart attack.

Mr. Johnson was a member of the Mamaroneck Golf and Country Club. He had been digging snow from his car for several hours.

He was found by a neighbor who called the police. He was taken to the hospital but died shortly thereafter.

His wife, Mrs. Johnson, is at home with three children.

# TWO MEET DEATH ON COUNTY ROADS SKID CRASHES

**Boston Salesman Killed On Hutchison; Buchanan Accident Fatal**

Two men were killed over the weekend in separate automobile accidents in Westchester.

A Boston salesman on route to Florida was crushed to death on the Hutchison River Park way in Harrison Saturday and a Buchanan man became the first auto fatality in Buchanan in nine years early yesterday when a car skidded into a hole.

Westchester traffic fatalities for 1954 now stand at four compared with two at the same time last year.

# Car Skids Into Pole, Autoist In Rear Dies

**BUCHANAN**—A car was killed and three others were hospitalized Saturday in a crash on the Albany Road skid and slammed into a pole in front of the State Police station.

The car was a 1952 Buick Wildcat, owned by David V. O'Connor, twenty-seven, of Westchester Avenue, employed by the O'Connor Co. in Cold Spring. Troopers said Mr. O'Connor, together with Edward Newman, was seated in the back seat of the car.

# Orton Now Editor

Dr. Wayne Orton, 42, Knollwood Drive, Larchmont, was appointed chief of the magazine, "Think," published by the International Business Machines Corporation, which he was formerly director of education. He will continue to assist the department of education as a consultant.

Dr. Orton replaced Edmund P. Thickett, editor of the magazine since its inception in 1935, who is retaining Gordon P. Lovell as director of education.

# WHEEL TO SPEAK BEFORE BAR HERE

**Other Organizations Get Invitation To Hear State Dept. Aide**

Invitations have been sent to various individuals and organizations in Larchmont and Mamaroneck by the Larchmont Chapter, Daughters of the American Revolution, to attend a hearing Wednesday, Jan. 17, at the Larchmont Avenue Church to hear a talk by Dr. Orton on the "Wheel to Speak Before Bar Here."

# LARCHMONT POW DEAD IN KOREA

**MacDonnell Succumbed To Malnutrition, Army Says**

Army Master Sgt. Francis J. MacDonnell, who made his home with his sister, Mrs. Marygrove Broderick of Alban Court, Larchmont, has been officially declared dead of malnutrition at Camp 5, Pyongyang, North Korea, according to a U. S. Army notice received by Mrs. Broderick.

# Slater To Head Parkway Cops

**WHITE PLAINS**—Appointments of Westchester Police Director William J. Slater to the newly created position of director of the 118-man Westchester Parkway Police Patrol was announced today.

The appointment was made by Albany Park Commission Chairman R. Kelly, in charge of police, to succeed Chief Slater, who is leaving the county to join the Albany Park Commission. It is a part-time job and Slater will continue at head of the county C. D.

**BAYER TO ASK U. S. AID**  
ISTANBUL, Turkey (AP)—Turkey's President Celal Bayar left by plane today on the first leg of an official visit to the United States. In Washington he is expected to ask America to continue its economic and military aid to its country, and for a short term loan to ease a current foreign exchange shortage.

# TENSION MOUNTS IN IRELAND

**BELFAST, Northern Ireland** (AP)—New tension gripped Northern Ireland today over Irish nationalist demands that the British territory be incorporated into the Irish Republic. The Irish government has rejected the extreme Nationalists' demand that a British soldier in a Belfast street Saturday. They stripped off his uniform and burned it, forcing him to watch.

# Navy Unit Visits Lisbon

**LISBON, Portugal** (AP)—Thirty-three warships of the U. S. 8th Fleet sailed into Lisbon harbor today to start a seven-day visit. Thundering gun salutes and waving crowds lining the harbor walls greeted the fleet.

# Leah Plan, Foreign Aid Proposed By President

# Eisenhower Would Use Surplus To Bolster Economy Abroad

**WASHINGTON (AP)**—President Eisenhower soon will ask Congress for authority to use up to \$1 billion worth of surplus farm products to strengthen the economies of foreign countries.

This plan was disclosed today by Secretary of Agriculture Benson in a statement before the Senate Agriculture Committee, hundreds of Westchester visitors will announce the new farm program.

The proposed use of government surplus—which Mr. Benson said today now exceed \$2.5 billion—will be in addition to \$2.5 billion worth of surplus that regular commercial supplies for special use. Such uses would be for disaster relief, the school lunch program and for stockpiling for national emergencies.

President's idea

The "insulating" idea was advanced by the President a week ago in a special message to Congress outlining his farm program.

Mr. Benson told the senate committee that the President's plan is to use surplus farm products to strengthen the economies of foreign countries.

The surplus program would be used for three years to provide food and technical aid to underdeveloped areas.

Senator Ellender D. La. said in advance of Mr. Benson's statement that he wanted to know "just what alleged President Eisenhower's plan was, and whether it was a real program or a mere slogan."

Mr. Benson said that the surplus program would be used for three years to provide food and technical aid to underdeveloped areas.

The President said the program would be used for three years to provide food and technical aid to underdeveloped areas.

# Fire Delays Trains Into Grand Central

**NEW YORK (AP)**—Train traffic into Grand Central Terminal was delayed up to 30 minutes late last night and early today by a small fire which broke out on the 126th Street station. The fire, which started in a car, burned for about 10 minutes before being extinguished.

The fire, which started in a car, burned for about 10 minutes before being extinguished.

# INDIA WARNS U. N. OF POW RELEASE

**ALLIES Set To Ignore Point That Their Planning Violates Truce**

**PANMUNJON (AP)**—Indian Gen. N. S. Thimayya told the U. N. command again today that it will violate the Korean armistice if it frees and commutes prisoners before their fate is decided by Allied-Red agreement or by a peace conference.

The Allies, however, went ahead with plans to free more than 22,000 Korean and Chinese captives, including 10,000 captured by the U. N. forces. The UN forces in Korea are required by the armistice to release prisoners.

# 5 COURSES ADDED BY ADULT SCHOOL

**2nd Term Registrations Open Tonight For Three Days**

Courses in public speaking, typing, shorthand, photography and military will be added by the Adult Education Center at Mamaroneck High School if enrollment in any of the courses is sufficient to warrant the courses, it was announced today by John H. Corfield, director.

# Bank Open—No One There

MAMARONECK, N. Y., TUESDAY, JANUARY 19, 1954

## Larchmont Trustees Cold To Fare Fight

A proposal to investigate the New Haven Railroad demand for a 25% fare increase met with stiff resistance from Larchmont Village trustees at a meeting of the board last night in the Municipal Building.

The question of retaining "competent persons" to determine the justification of the requested fare increase was broached by Village Attorney George P. Forbes Jr., who was elected secretary of the board last night.

Mr. Forbes pointed out that the railroad takes a million dollars more out of Westchester and makes a 30 per cent profit from its operations.

Trustee Coffey said that it was "more of a town problem" and that the trustees should not feel protesting just because "it's an increase."

**DULLES-MOLOTOV TALKS ON A-PLAN SET FOR BERLIN**  
Top Officials To Arrange Full-Scale Meeting On Atomic Pool

WASHINGTON (AP)—Secretary of State Dulles was preparing today to break out with Soviet Foreign Minister Molotov how to talk over the U. S. proposal to pool atomic energy resources for peaceful purposes.

Mr. Dulles met a second time yesterday with Russian Ambassador George N. Zarubin. Afterward, the State Department announced the next talks would be between Mr. Dulles and Mr. Molotov.

It seemed clear that Mr. Dulles, who flies to Berlin tomorrow, was preparing for early agreement on when, how and where the talks should be held.

Mr. Zarubin, on Jan. 11 and yesterday, appeared to be the curtain puller for a more precise conversation with Mr. Molotov.

**TEACHER DEATH CALLED PROBLEM**  
Brown Calls on Citizens To Help In Drive To Arouse Interest

The major problem facing the schools in New York State today is the shortage of teachers, said George Brown, principal of Mamaroneck Central School, told his fellow parents at a meeting of the Mamaroneck Lions Club at their meeting yesterday at Green Haven Inn.

Because of this shortage, the teachers of the state have prepared and issued two a series of six pamphlets explaining the problem and urging that better education be given to young people into the teaching.

**Zeiger In Trainer**  
Pvt. Henry A. Zeiger, twenty-three, son of Mr. and Mrs. H. Zeiger of 1114 West 15th street, Larchmont, recently began eight weeks of basic training at the Anti-Aircraft Artillery Reserve Training Center at Fort Bliss, Texas.

**Today's Chuckle**

**Mammoth Police Force Tops U.S. Average In Size**

NEW YORK—Mamaroneck has the largest police force in proportion to its population, than have any other communities in the United States. This is brought out in a study made by the International City Managers Association, based on data gathered from 1,200 cities.

Comparisons are also made in the study of the relative cost of police protection. In Mamaroneck it is somewhat higher than in most other cities. The expenditure locally in 1933 was \$122,000, amounting to \$4.1 for each resident. This was above the national median figure of \$3.97 per capita.

## GERMANY FIRST, ALIENS INSIST AT BIG FOUR PARLEY

Western Powers United In Stand Against Sealing Off Red China

By JOHN M. HIGHCHOR  
Associated Press Staff

BERLIN — France and Britain, opening the Big Four Foreign Ministers conference, pleaded with the Russians today to join the West in uniting Germany as a member of a "safe community" of peaceful nations.

BERLIN (AP)—Foreign Minister Georges Bidault presiding at the Big Four today that German and Austrian problems be settled as a whole, not piecemeal.

Mr. Bidault's statement was made at the opening session of the Big Four conference in Berlin, which is under way since the Big Five meeting in London five years ago. Mr. Bidault said: "Clearly our meeting today is devoted to European problems. I do not believe that agreements reached here should be made available or even effective, were they to be made available."

Article on Pastor  
The story of how Rev. Thomas Fletcher, assistant pastor at St. John's Episcopal Church, Larchmont, turned away from a successful New York City business career to become a minister serving the area of thirty-five is told in the current issue of McCall's magazine.

The feature article was written by Ernest Jacobs, a friend and tells of how Mr. Fletcher's religious fervor grew during and after a year of service in the army. It was not lost when he returned completely from the service but rather was intensified until one night when he, in discussion with his wife, made the decision to study for the ministry.

Marchers Get Briefing For Polio Effort  
Contributions to the National Foundation for Infantile Paralysis are being collected by many sufferers from polio will have the opportunity to help in the fight against the disease.

Dog Sought  
The owner of a short-haired, tan-colored dog which is known to run about the West End Golf course is urged to report to contact Town police to give a twelve-year-old boy the necessary help in locating his pet.

Advisory Committee  
Memorandum Village parking problems and the advisability of parking meters will be discussed Thursday at 8:15 P. M. at a meeting of the Memorandum Advisory Committee in the Village Municipal Building.

No News—Good News  
If you wanted excitement, police excitement, that is, between 9:15 P. M. on Saturday and 8 A. M. today, Manamaronck was not very town.

Weather Outlook  
Clouds this afternoon temperature close to 40. Chance of some drizzle or very light rain tonight, low near 33. Wind light with chance of light rain again tomorrow, high about 45. Gentle to moderate southeasterly wind.

## Hemingways Unhurt After Two Crackups In East Africa Wilds

KAMPALA, Uganda (AP)—

Novelist Ernest Hemingway and his fourth wife were safe and unharmed today after two plane crackups here in the big game lands of central East Africa.

The couple's chartered light plane was damaged Saturday when they landed along the upper Nile to take pictures. Later a rescue plane cracked up as it tried to land with them. Both times nobody was hurt.

Today the Hemingways were headed by road to Entebbe, at the head of Uganda's Lake Victoria.

600-Mile Trip  
The American couple with pilot Roy Marsh left Nairobi, capital of the British colony of Kenya, Saturday for a 600-mile flight to the 400-foot Murchison Falls of Uganda.

As Mr. Marsh landed the small plane near the falls, the engine decelerated and was damaged and the party could not take off. The plane had no radio. When it failed to return, East African Airways launched a search.

The plane was spotted yesterday by Capt. R. C. Judd, piloting a British Overseas Airways airplane. He said it was about 300 yards from the Victoria Nile River, three miles below the falls, in the middle of scrub trees and thick bush. He said that he saw no signs of the plane, but the aircraft didn't appear badly damaged.

Best Halted  
The Hemingways and Mr. Marsh meanwhile had halted a passing launch taking tourists to the falls, at present open to only 40 miles south on Lake Albert. There is no road to take them to Entebbe.

The rescue plane was damaged taking off and failed to become airborne. One report—unconfirmed—said it bursted. Again nobody was hurt.

The author and his wife then took the road for the 165-mile trip south to Entebbe.

Sense of Stories  
Mr. Hemingway and his present wife were married in 1946. She was Mary Welsh, magazine correspondent. His first three correspondents. His first three correspondents. His first three correspondents.

## PRESIDENT SEEKS GOOD HOUSING FOR EVERY AMERICAN

Stem-To-Stern Overhaul of President Program Urged By Congress

WASHINGTON (AP)—President Eisenhower today gave Congress a eight-point program for revising Federal Housing Laws with the declared aim of providing "good housing in good neighborhoods" for every American.

The President urged authorization of four more years of public housing, with 140,000 new units to be started. The rate, 25,000 a year, is the one now authorized.

But this program, the President said in a special message to Congress, should be coupled with "a new and experimental" plan to encourage private enterprise to meet the needs of low income families. The Government should underwrite longer-term mortgages with lower down payments for families left homeless by slum clearance, he said.

Competitive Economy Stressed  
The proposed program, he said, should provide aggressive and positive leadership. At the same time, he said, the Government should be avoided that would make our citizens increasingly dependent upon the Federal Government to supply their housing needs.

Col. Suggestions Cited  
The President outlined in his message most of the recommendations submitted Dec. 15 by his Cabinet headed by Albert M. Cole, Administrator of the Housing and Home Finance Agency.

Noting that one million of the nation's housing units are more than 30 years old, Mr. Eisenhower emphasized the need for preventing "slums and blight."

"The national interest," he said, "demands the elimination of slum conditions and the rehabilitation of declining neighborhoods."

"Many of our local communities have made good progress in this work and are eager to make further substantial improvements but are hard put to find the needed resources."

President Eisenhower said his Federal loan-and-grant program for slum prevention and neighborhood salvage might need more funds later. As a progress, he said, he will ask for more Federal money.

Calling for slum eradication and a new-home building level high enough to insure "the economic and social well being of our country," Mr. Eisenhower said: "I am convinced that every American family can have decent housing." (Turn to Page 2, please)

## TUTTIL TO HEAD RED CROSS DRIVE

Larchmont Effort Keyed To 'Give Where You Live' Theme

Larchmont's Red Cross Fund drive this year will be headed by Dr. L. D. Tuttil, it was announced today by Robert S. MacCallum, chairman of the board of directors of the Larchmont Branch.

Dr. Tuttil, a resident of Larchmont since 1929, is vice president of the New York public relations firm, John Price Jones Co. He is a member of the Larchmont Yacht Club, having served for several years as a member of the regatta committee and, more recently, as secretary. He is a graduate of the Columbia College and the Columbia School of Business, and is a member of the Columbia University Club.

Dr. MacCallum said that this year's Larchmont Red Cross Fund Drive would be keyed to the theme, "Give Where You Live."

As he took office, Mr. Tuttil said that his first chore would be the establishment of the volunteer corps which will make the drive a success. He is expected to leave for his home in New York City tomorrow.

One of the motorists was arrested in answering summons. He said he wanted to find out if the summons had been answered.

One of the motorists was arrested in answering summons. He said he wanted to find out if the summons had been answered.

White Larchmonters have established a wonderful record for their whole-hearted financial support of the Red Cross, the record does not stop there every year there is a corps of volunteer workers who give up certain of their time to make certain that every business establishment and every resident in the town is ready to help.

Mr. Tuttil said that the Red Cross is dependent upon the individual support of every citizen and it is his hope that the Larchmont Branch of the Red Cross that Larchmont will give generously to support every operation of the Red Cross.

To facilitate the collection of 1954 contributions, Larchmont this year will be divided into smaller fund units, each under the leadership of an outstanding citizen who, in turn, will subsidize his territory into smaller, compact units so that no one solicitor will handle more than a dozen calls.

"This means that in 1954 we will need a larger volunteer corps than before. It is my hope, I believe, that Larchmont will reach a new post war peak in contributions to this worthy cause," Mr. Tuttil concluded.

## Larchmont Trustees To Keep 'Green'; On R. R. Fare Boost

Board To Seek Facts, Claims Action Was 'Misunderstood'

"Violent protests from within the Republican Party Board's refusal to take immediate action in opposition to the New Haven fare increase has caused a 33 1/3 per cent commuter fare increase to be made in effect, according to a statement issued yesterday by Mayor Walter B. Collins, summed up their position in these words:

"Following the discussion of the problem, the Board concluded that evening that it would keep an open mind on the matter of opposing the proposed increase. And that if the fare increase might be justified, the Board members felt that they could not make a decision until more facts were presented."

## OFFICIALS PRESS ALBANY DRIVE TO SPEED THRUWAY

Firm, Vigorous And United Stand Urged Of County Legislators

"A firm, vigorous and united effort" by all Westchester legislators will be sought to obtain prompt construction of the New England Thruway, it was declared by 36 officials meeting last night.

Judge Thomas N. Faso, chairman of the Westchester Citizens Committee for New England Thruway, was authorized to contact Westchester GOP Chairman Herbert C. Gerlach to promote construction of the thruway.

A conference has been called with Mr. Gerlach, County Executive James D. Hopkins and Judge Faso for tomorrow afternoon at Mr. Hopkins' office in White Plains.

Judge Faso will also use "every means" to have the Westchester County Thruway Committee back promptly building and construction of the thruway.

Mr. Hopkins said the County owns about \$8 million in property that will be turned over to the State as soon as construction begins.

Judge Faso called for all citizens, regardless of political affiliation, to help and urge the Democratic organization of Westchester to contact Senate and Assembly Democratic leaders to support the thruway drive.

## Siren Gets A Workout

The Manamorneck fire sirens sounded slightly confusing signals yesterday at 5:10 P. M. but the confusion was caused because the fire was out even before fire trucks had a chance to roll.

The siren sounded a company call for the Volunteer Engine and How Co. after police had received a call from red siren of 350 Railroad Avenue that its car was stuck at No. 10 Street and Manamorneck Avenue.

Then the siren sounded on the location of the fire and got out just one blast when Bremer called back and said that the trouble had been caused by a short circuit and he had pulled out himself.

So, after the one blast for location, the siren sounded three times to signify that the fire was out.

The volunteers didn't even have a chance to get their truck out of the firehouse until the "out" signal was sounded.

## College Exams Set Here

Manamorneck High school students who want to take college entrance examinations were here to travel this year, according to action taken by the Manamorneck Board of Education last night at a meeting in the Manamorneck Avenue School.

The board granted permission to the Educational Year Association of Princeton to give the college entrance exams March 13 and May 22 at the Senior High School. Both days are Saturdays and will not interfere with school sessions.

The action of the board indicates the necessity of students traveling to various colleges to take the exams since not many colleges have accepted the tests given by the Princeton group.

## Sullivan On Leave

Mr. Ronald Sullivan, son of Mr. and Mrs. Alfred Sullivan of 133 Manamorneck Avenue, Manamorneck, is home on a leave of absence prior to reporting to Camp Kilmer, N. J., for assignment to overseas duty.

F. C. Sullivan, who is twenty-two years old, is a native of Manamorneck and a graduate of Manamorneck High School. He worked as a welder with Grace and Mills of Manamorneck before entering the service in February, 1952.

He received basic training at Camp Gordon, Ga., where he has been stationed since his induction.

His current leave expires Feb. 15.

## We're On Record

"Opening the Spiritual Road," an editorial appearing in T. B. Daily Times of Oct. 20, has been introduced into the Congressional Record of Jan. 7 by Rep. Ralph A. Gamble of Larchmont.

The editorial, urging a return to churching and individual prayer, states in part:

"We would add our effort of encouragement to any churching that is making a special effort to reach more people with the message about sustaining the spiritual values of life. The greater the problems of our age, the greater the needs for spiritual strength."

## Weather Outlook

Rain this afternoon and this evening, high temperature close to 50. Partly cloudy and clearing tonight, low near 40 and near 15 in northern Westchester. Mostly fair tomorrow, high 55 to 60. Fresh to occasionally strong westerly winds.

11:15 A. M. Westchester County Airport temperature 47. Yesterday's 45, 24-hour low 36. Visibility zero, wind southwest 3 mph.

High tides today at 4:29 P. M. tomorrow at 4:28 A. M. and 5:25 P. M.

## REUTHER HITS 'BROKE'S H PLAN'

Says 14-Point Program Reveals Anti-Labor Prejudices

WASHINGTON (AP)—CIO President Walter Reuther said yesterday that Eisenhower's 14-point program for revisions to the Taft-Hartley Labor Relations Act is "a deeply anti-labor program."

Mr. Reuther bitterly criticized the program in a speech before the House of Representatives last night. He said the program reveals "anti-labor prejudices."

The CIO leader said he thinks the program will be "a disaster to the country."

Reuther said the program is "a 14-point program for revisions to the Taft-Hartley Labor Relations Act. It is a program that reveals anti-labor prejudices."

## Chamber Cooks Ideas For Village Commerce

The new advisory committee of the Retail Division of the Manamorneck Chamber of Commerce met last night in the Chamber office to discuss ideas to be presented to a decision meeting next Monday at 8:15 P. M. at seven Pine Street.

The committee of five, appointed by Albert J. Lombino, division chairman, will meet from time to time, Mr. Lombino said, "to consider ways and means to stimulate business."

Meeting with Mr. Lombino were George D'Arco, William Stuppan, Irving Miller, Albert Scherwatsky and Jack Robinson.

## Thief Steals A Wheel, Leaves A Jack Behind

The left front wheel and tire of a 1953 Ford station wagon owned by William Rich of 37 Murray Road, New Rochelle, was stolen yesterday while the vehicle was parked on Cabot Road, Town, from 9:20 A. M. to 10:15 P. M.

Town police reports state that the thief left behind a green screw jack which he departed with the light green and chrome trimmed wheel.

## Today's Chuckle

When a woman reports to tell her weight, you can be sure she weighs a hundred and plenty.

## LEFT-SIDE SPEEDER PAYS \$25 IN COURT

Ten persons paid \$48 in traffic fines and forfeitures last night before Acting Judge John Edwards in Larchmont police Court.

Miss Gladys Younsger of South Drive, Larchmont, paid over half of the total when she was assessed \$25 for speeding plus \$5 for traveling left of center of the highway. In addition, she was assessed \$10 for speeding, \$10 for obstructing a fire hydrant.

For restricted parking, \$5 was paid by Michael J. Sweeney of 100 Westchester Avenue, who was assessed \$25 for speeding.

Miss Kathleen J. Sweeney of 100 Westchester Avenue, who was assessed \$25 for speeding, \$10 for obstructing a fire hydrant, and \$10 for restricted parking, was assessed \$50 for speeding.

Miss Kathleen J. Sweeney of 100 Westchester Avenue, who was assessed \$25 for speeding, \$10 for obstructing a fire hydrant, and \$10 for restricted parking, was assessed \$50 for speeding.

## Bulletins Off The News Wire

FRENCH LOSE SECOND FORT SAIGON, Indochina (AP)—The French today admitted the loss of a second post east of Seno, in Central Laos, to the Communist-led Viet Minh. The French high command announced the rebels had taken Muong Phia, 90 miles east of Seno. It previously received the loss of Muong Phia, 100 miles east of Seno, the main French fortress in Laos.

## REALISTIC PLAN FOR ROADS URGED

'Traffic Corridor' Role Of County Factor, Pomeroy Says

WESTCHESTER'S fastest role as a "traffic corridor" for vehicles entering and leaving New York City must be considered in any of the county's major highway improvement plans, High Commissioner declared yesterday.

The Westchester Planning Department director said planning of adequate roadway facilities for county traffic is still the prime aim. But he added the county, by its geographic position as one of the world's largest cities, must realistically consider that fact in such plans.

Mr. Pomeroy addressed a monthly meeting of the County Executive's Planning Committee, which was held at the County Office Building at 100 Westchester Avenue.

James D. Hopkins two weeks ago gave department heads a detailed view of what other departments are planning and doing.

"We generally discussed the various highways and parkways being planned by the State for improvement in Westchester," Mr. Hopkins said.

It was estimated the State's fiscal plan for 1954 would have a road program for \$20 million and \$30 million on the State Thruway section, \$20 million and \$10 million on the New England Thruway spur.

Mr. Pomeroy said that seven localities of the International Brotherhood of Teamsters, A.F.L., have been chosen by wage margin to act as joint bargaining representatives for employees of 18 brewery plants in New York City, Westchester and Long Island, including the P. M. Schaefer Brewing Company plant at 101 Manamorneck Avenue, Manamorneck.

Mr. Pomeroy said that at the various plants under NLRB supervision, Local 1, 124, 323, 1059, 1096 and 1345 of the I.B.T. received a total of 4,286 votes, with only 182 employees voting against representation. There were 560 employees eligible to participate in the balloting, including workers in the brewing and inside bottling departments and apprentices.

Miss Boothfield, a senior at the High School, presented the protest to the board, explaining that it would give Miss Schaefer a center which for endorsement and encouragement in a coming campaign for funds which the ten committees plan to conduct for the erection of a building.

William Locke, vice president of the I.B.T., said that the insurance in the school district is being handled by 10 companies with which the insurance is placed.

A general discussion on substitute leaves for teachers and the standing of the members on leave was held with the presence of Mrs. Zina Schaefer, the Manamorneck Teachers Association president.

No action was requested by the committee which, according to T. James Ahern, Superintendent of Schools, appeared to not be more enthusiastic about the plan than the association than Mrs. Reilly and she exemplifies the results of its work.

The foundation office is the difference between a patient's walking again or not getting well at all. It is the patient's own strength that is the necessary treatment and it is the patient's own strength that is the necessary treatment and it is the patient's own strength that is the necessary treatment.

Mr. Pomeroy said that the foundation office is the difference between a patient's walking again or not getting well at all. It is the patient's own strength that is the necessary treatment and it is the patient's own strength that is the necessary treatment.

## Nurse Seriously Hurt By Car Near Bridge

A sixty-six-year-old woman, Mrs. Helen Schiederman of King Avenue, City Island, suffered serious multiple injuries yesterday at 8:50 P. M. when she was struck by a car while walking near the bridge across White Creek, South Barry Avenue, Manamorneck.

Mrs. Schiederman, who was walking to the home of John E. Rodstrom, 801 Soundview Drive, where she is employed as a nurse for the Rodstrom children, sustained possible fractures of the left lower rib, the left hip, left hand and both legs as well as head bruises. She was rushed to the United Hospital, Fort Gunter, in the Manamorneck public ambulance.

William P. May, seventy-eight, of 721 The Parkway, driver of the car, told police he did not see the woman and was aware of the accident only when he struck her with his car at one and got out and saw a lady lying on the west side of Barry Avenue on the bridge.

"I did not see the lady in the car before she struck her with my car and the driver of one of the cars said that he would call the police," Mr. May said.

Police were called by Louis Nak of 1081 Manamorneck Avenue, Manamorneck.

Mrs. Schiederman was taken to the hospital on the order of Dr. Francis R. Hunter, police surgeon.

Mr. May was released in his own custody on orders of Acting Police Chief Henry T. Hornaday after consultation with Judge Henry T. Hornaday.

## TOWN PLAN GROUP PROPOSED BY L.V.W.

Larchmont Unit Calls For Bipartisan Body On Future Problems

The Larchmont League of Women Voters has called for the creation of a bipartisan Town of Manamorneck Planning Commission to contribute to the solution of future town problems as a coordinating body with such groups as the Zoning Board of Appeals and the Park Commission.

The L.V.W.'s plan was made public in a letter to Owen A. Manser, supervisor, last night. Town Council, Larchmont, will meet in cooperation with many of the Larchmont home owners' associations, sponsored a public meeting on the subject of the town's future problems.

Mr. Manser, Larchmont supervisor, said he would support the plan. He said he would support the plan. He said he would support the plan.

## Union Scores Victory In Brewery Election

NEW YORK—The National Labor Relations Board announced today that seven locals of the International Brotherhood of Teamsters, A.F.L., have been chosen by wage margin to act as joint bargaining representatives for employees of 18 brewery plants in New York City, Westchester and Long Island, including the P. M. Schaefer Brewing Company plant at 101 Manamorneck Avenue, Manamorneck.

Mr. Pomeroy said that at the various plants under NLRB supervision, Local 1, 124, 323, 1059, 1096 and 1345 of the I.B.T. received a total of 4,286 votes, with only 182 employees voting against representation. There were 560 employees eligible to participate in the balloting, including workers in the brewing and inside bottling departments and apprentices.

## Domestic Altercation Brings Assault Court

A hearing was set for Tuesday afternoon at 2 o'clock at the Municipal Court in Larchmont to hear the case of a domestic assault preferred by Mrs. Genesee Payerweather, domestic employee of 23 Henna Avenue, Manamorneck.

Mrs. Payerweather told police that her husband had struck her in the face causing her right cheek to swell during an argument earlier yesterday.

## Resident Who Really Knows Tells What Dimes Can Do

It's been nine years since Mrs. William Reilly of 3 Beverly Place, Larchmont, has been confined to a wheelchair, and one of the reasons for her renewed strength has been the National Foundation for Infantile Paralysis.

Mrs. Reilly has now progressed so far as to take an extremely active part in both social and civic affairs as well as raising her three children and managing her large home during the years residence in the village.

Typical of her work and proof of her progress, she is head of publicity for the National Mothers' March on Polio which begins at 7 P. M. today. There will be no more enthusiastic about the plan than the association than Mrs. Reilly and she exemplifies the results of its work.

## Taxi Clerk Injured In Fall Down Stairs

Harry Nolan, fifty-four, of 117 Hoyt Avenue, Manamorneck, suffered a severely lacerated right eye early today when he fell down the stairs at the McClellan Hotel. He was taken to the hospital where he was treated and his condition was reported as serious.

Mrs. Nolan was called to the office at 12:35 A. M. by Frank Rapp, and found Nolan lying on the floor of the steps bleeding profusely from the eye.

He was taken to United Hospital in New York where he was treated and his condition was reported as serious.

## Economy

Two young men were hauled into court for illegal parking after they had placed their small, four-wheeled cars in a one parking-meter spot. However, the cars were distinguished when the judge could find no rule in the books requiring two cars in one space to pay double. So the two friends will continue to park their cars together in "economical" fashion.

The judge was told that the two young men had placed their cars in a one parking-meter spot. However, the cars were distinguished when the judge could find no rule in the books requiring two cars in one space to pay double. So the two friends will continue to park their cars together in "economical" fashion.

PRICE SEVEN CENTS

# Coffee Price Drove to Sated By President

WASHINGTON (AP)—President Eisenhower today ordered the Federal Trade Commission to make a full scale investigation of rising coffee prices.

The President told his news conference the commission launched a preliminary inquiry Jan. 13 and already has discovered enough to warrant a full investigation.

Such an inquiry, he added, is going to take place.

Retail prices for coffee have lately jumped above 21¢ a pound and wholesalers have predicted a further rise.

The Trade Commission investigation will be aimed at determining whether any laws have been violated.

The President said the FTC would look specifically into charges that domestic leading in coffee had been limited to certain types.

At his news conference, the President also:

1. Declared he is backing up the position of Secretary of State Dulles at the Berlin Big Four Conference. That was in reply to a request for comment on Soviet Foreign Minister M. Molotov's demand for a Big Five parity, including Viet China, on all problems.

2. Discussed the distinction, as he sees it, between the policies of his administration and the "New Deal" of the preceding Democratic administrations. He said his administration is politically liberal in dealing with individuals and conservative in dealing with economic and monetary matters.

3. Discussed a major difference can be added, he added, simply by taking the "New Deal" to its logical conclusion. (Turns to Page 2, please)

## FTC To Launch Full Scale Inquiry Into Rising Cost

## WHITE PLAINS—

Westchester's fastest role as a "traffic corridor" for vehicles entering and leaving New York City must be considered in any of the county's major highway improvement plans, High Commissioner declared yesterday.

The Westchester Planning Department director said planning of adequate roadway facilities for county traffic is still the prime aim. But he added the county, by its geographic position as one of the world's largest cities, must realistically consider that fact in such plans.

Mr. Pomeroy addressed a monthly meeting of the County Executive's Planning Committee, which was held at the County Office Building at 100 Westchester Avenue.

James D. Hopkins two weeks ago gave department heads a detailed view of what other departments are planning and doing.

"We generally discussed the various highways and parkways being planned by the State for improvement in Westchester," Mr. Hopkins said.

It was estimated the State's fiscal plan for 1954 would have a road program for \$20 million and \$30 million on the State Thruway section, \$20 million and \$10 million on the New England Thruway spur.

Mr. Pomeroy said that seven localities of the International Brotherhood of Teamsters, A.F.L., have been chosen by wage margin to act as joint bargaining representatives for employees of 18 brewery plants in New York City, Westchester and Long Island, including the P. M. Schaefer Brewing Company plant at 101 Manamorneck Avenue, Manamorneck.

Mr. Pomeroy said that at the various plants under NLRB supervision, Local 1, 124, 323, 1059, 1096 and 1345 of the I.B.T. received a total of 4,286 votes, with only 182 employees voting against representation. There were 560 employees eligible to participate in the balloting, including workers in the brewing and inside bottling departments and apprentices.

## Russian Agenda Accredited

Soviet Foreign Minister Molotov submitted yesterday a formal resolution to call a five-power meeting in May or June. The United States had already rejected the proposal. But it also had accepted, along with Britain and France, a Russian suggestion that the five powers should meet to discuss the situation in the Middle East.

Mr. Dulles declared the Soviet demand for a five-power conference including the Peking government "is primarily a device to attempt to secure for that regime a position in the council of the world which it has not earned or had accorded to it by the international community generally."

Mr. Dulles declared the Soviet demand for a five-power conference including the Peking government "is primarily a device to attempt to secure for that regime a position in the council of the world which it has not earned or had accorded to it by the international community generally."

## THE GAINING ON BRICKER

WASHINGTON (AP)—President Eisenhower appeared today to have the upper hand in his battle with Senator Bricker, R-Ohio, over a proposed change in treaty-making powers.

The controversy heads toward the Senate.

Mr. Bricker could block the treaty-making power by abandoning the heart of his proposed constitutional amendment which says that "a treaty shall become effective as internal law in the United States only through legislation which would be valid in the United States if it were a law."

2. The Senate could vote for the amendment.

3. Mr. Bricker could still follow his original plan to accept the amendment but to vote against the revised version on passage. That evidently would mean the amendment would not muster the needed two-thirds majority. It would thus be dead, and present Constitution would remain in effect.

(Turns to Page 2, please)

## Union Scores Victory In Brewery Election

NEW YORK—The National Labor Relations Board announced today that seven locals of the International Brotherhood of Teamsters, A.F.L., have been chosen by wage margin to act as joint bargaining representatives for employees of 18 brewery plants in New York City, Westchester and Long Island, including the P. M. Schaefer Brewing Company plant at 101 Manamorneck Avenue, Manamorneck.

Mr. Pomeroy said that at the various plants under NLRB supervision, Local 1, 124, 323, 1059, 1096 and 1345 of the I.B.T. received a total of 4,286 votes, with only 182 employees voting against representation. There were 560 employees eligible to participate in the balloting, including workers in the brewing and inside bottling departments and apprentices.

## Domestic Altercation Brings Assault Court

A hearing was set for Tuesday afternoon at 2 o'clock at the Municipal Court in Larchmont to hear the case of a domestic assault preferred by Mrs. Genesee Payerweather, domestic employee of 23 Henna Avenue, Manamorneck.

Mrs. Payerweather told police that her husband had struck her in the face causing her right cheek to swell during an argument earlier yesterday.

## Resident Who Really Knows Tells What Dimes Can Do

It's been nine years since Mrs. William Reilly of 3 Beverly Place, Larchmont, has been confined to a wheelchair, and one of the reasons for her renewed strength has been the National Foundation for Infantile Paralysis.

Mrs. Reilly has now progressed so far as to take an extremely active part in both social and civic affairs as well as raising her three children and managing her large home during the years residence in the village.

Typical of her work and proof of her progress, she is head of publicity for the National Mothers' March on Polio which begins at 7 P. M. today. There will be no more enthusiastic about the plan than the association than Mrs. Reilly and she exemplifies the results of its work.

## Taxi Clerk Injured In Fall Down Stairs

Harry Nolan, fifty-four, of 117 Hoyt Avenue, Manamorneck, suffered a severely lacerated right eye early today when he fell down the stairs at the McClellan Hotel. He was taken to the hospital where he was treated and his condition was reported as serious.

Mrs. Nolan was called to the office at 12:35 A. M. by Frank Rapp, and found Nolan lying on the floor of the steps bleeding profusely from the eye.

He was taken to United Hospital in New York where he was treated and his condition was reported as serious.

## Economy

Two young men were hauled into court for illegal parking after they had placed their small, four-wheeled cars in a one parking-meter spot. However, the cars were distinguished when the judge could find no rule in the books requiring two cars in one space to pay double. So the two friends will continue to park their cars together in "economical" fashion.

The judge was told that the two young men had placed their cars in a one parking-meter spot. However, the cars were distinguished when the judge could find no rule in the books requiring two cars in one space to pay double. So the two friends will continue to park their cars together in "economical" fashion.

## Parking Meters Win Approval In 3-1 Vote Of Advisory Council

The report of the parking committee, favoring the installation of parking meters and the enforcement of off-street parking, was approved unanimously by the members and guests of the Manamorneck Advisory Council at a meeting held last night in Village Hall.

Two amendments to the original motion, one qualifying, were approved unanimously before the group voted adoption 20 to six, proposed by Everett T. Houshoun, modified the motion by assuring that diagonal parking would still be permitted after the installation of meters.

This followed a warning by David Chahoun that diagonal parking would not be approved by New York State if meters are installed. This information, he said, came from a salesman of meters after an hour discussion of parking meters before a meeting of the Manamorneck Heights Association, Little over a year ago.

Mr. Chahoun said that the meter salesman had told them that, with the exception of parking at the installation of meters, but not in villages.

Found Okay In Town

If this is true, he pointed out, Manamorneck Avenue would lose a large number of parking spaces which would lead inevitably to the installation of parking meters in off-street areas, which would be overloading. Others said they thought this should be explained before the Council took action on the motion, but the motion was carried with the qualifying amendment.

It was determined this morning that parallel-to-the-curb parking is required for metering on State highways, and that meters would be permissible with diagonal parking as well.

## Good Skating

There's good skating on the parking lot at Harbor Island, Manamorneck village, where William H. Johnson announced this morning, and if the cold snap continues there will be fine skating over the weekend.

Taking advantage of the sudden drop in temperature, Village Park Department crews worked a good part of last night to get the Harbor Island parking lot and make it available for skating.

"It's never been in better shape," Mr. Johnson said this morning, "and what makes it so good is that nobody can fall through."

## School Plan For Rye Neck 'On The Fire'

A new school building program for Rye Neck village is being planned, according to the Rye Neck school board, which met last night in Village Hall.

The board has been working for some time trying to figure out just what to do. Mr. Pelton said after considering numerous ideas which would enlarge present buildings with numerous new, he stated, such plans were approved by the school board before the voters the construction of a new high school on the Palmer property and other present buildings resulted.

He described in detail the present buildings that would result in their use for kindergarten to third grade, and from fourth to sixth grade, adding that they would be ready in two years to come. The new high school, he said, can be enlarged at small expense, and the need ever arise.

The proposed bond issue will be put before the voters shortly. Mr. Pelton said that the board could have the feeling when they held the meeting that the Advisory Council was at least favorably disposed toward the plans of the school board, even if they would not exactly endorse them.

## Nothing's Sure, But—

Mrs. William H. Jefferson, treasurer of the Larchmont Chapter, Daughters of the American Revolution, couldn't imagine why her financial report, given yesterday at the Chapter's January meeting at the American Legion clubhouse, caused such hostility among the membership.

She wasn't told until after the meeting that when her report mentioned the amount paid for taxes on the school bus, she had omitted a bridge to benefit DAD philanthropy, which caused such hostility among the membership.

## Kindness Costly

An act of kindness which backfired was the unfortunate experience recently of H. M. Dicson of 312 Walton Avenue, Manamorneck.

Leaving the home of friends at 50 Rockland Place, New Rochelle, Mr. Dicson had become mixed in snow. He offered assistance in pushing the car out of its barrier, and in making the snow off his hands, instead of his diamond ring was missing.

The driver returned to help in the search and police arrived with searchlights. During the search, the driver of the car, disoriented, New York Highway north, the police had given him his identification.

## DRUNK DRIVING COUNT FOLLOWS CRASH HERE

Mrs. Margaret P. Stone, fifty-two, of 19 Hall Avenue, Larchmont, was charged with drunk driving while intoxicated yesterday after her car struck a parked car owned by Olive A. Dicson of 14 Chabworth Avenue.

Pt. Benjamin Heights of Larchmont police reported that Mrs. Stone had been driving north at 12:55 A. M. when the crash occurred in front of 137 Chabworth Avenue. Her car sustained damage to the right front end while the left rear end of Dicson's car was badly damaged.

Francis Capron of 17 Chabworth Avenue, a witness, drove her car to headquarters where an intoxication test was given by Dr. Alan Van Scher.

### Bricker Substitute Wins Democratic Aid

WASHINGTON (AP) — Senator Knowland of California, the Republican floor leader, announced today that a substitute for the Bricker treaty-power amendment will be introduced by Senator Bricker, R. Ohio, whose amendment has won the support of the Democratic majority.

Mr. Knowland declined to say whether he would support the Bricker amendment, but he said he would support the Bricker amendment if it were introduced.

Other senators said this seemed unlikely.

"It is now my belief that an amendment will be offered to day with substantial bipartisan support. It will be introduced by Senator Bricker," Mr. Knowland said.

He declined to say, however, whether Senator George D. Clooney had proposed an amendment of his own which Mr. Bricker would support.

Senator Bricker, R. Ohio, said yesterday the difference with the Administration on the proposed "grow out of a fundamentally different philosophy of government."

### Aid Of New Haven R.R. Is To Be Sought; New Talks Fall

PORT CHESTER — The first section of Senator George D. Clooney's proposed international agreement in conflict with the Constitution shall not have any effect. The second section would provide that the agreement be made effective as internal law only by act of Congress.

The first section of Senator George D. Clooney's proposed international agreement in conflict with the Constitution shall not have any effect. The second section would provide that the agreement be made effective as internal law only by act of Congress.

## Coffee Hatt Threatened In Pier Walkout

NEW YORK (AP) — Some 300 warehouse men at across the harbor are expected to strike today at P. M. against members of the American Whigamasters Association. The move, a union leader said, would probably halt the movement of coffee from ships, as well as cocoa, rubber, tin and other "weatherable" cargoes.

James J. Kirk, business agent of Whigamasters 947 of the old International Longshoremen's Association, said sugar might also be tied up on ships, although the appeal he made to New Haven officials and that the meeting consider other possible means of restoring service.

## AULETA-BECOMES CIVIC CLUB HEAD

Francis A. Auleta was last night installed president of the Manamorneck Civic Club at the annual dinner of the organization at Green Haven Inn. He succeeds Frank J. Macri.

Other officers installed by the club were: President, Francis A. Auleta; Vice President, Dominick R. Santomenna; Secretary, Vincent C. Marcellino; Treasurer, George A. Rocco; Recording Secretary and Leo N. Orano; Historian, the trustees are Mr. Macri, Paul Rignano, Stephen Mandracchia, Rocco Dellaporta and Victor R. DeGuerio.

## Woman Criminologist, Mate Rotor Mud Motorist Kidnaped

NEW YORK (AP) — A woman criminologist and her sociologist mate were kidnaped by a man and a motorist early today—then gained freedom by yielding a bottle after psychology.

Police accused an off-duty patrolman, James Stanley, twenty-seven, of drunkenly forcing him into the couple's automobile, driving them about Brooklyn and narrowly missing them with four pistol shots.

He was hooked on charges of kidnaping and assault.

"I am doing some research in crime and now I have some first hand material," Mrs. Sylvia Rosenberg, twenty-nine, a post-graduate criminologist at Brooklyn College, commented after her experience.

Her husband, Clarence, thirty-three, a slightly built, mild-mannered sociology professor at Brooklyn University, effected the escape by grabbing the kidnapers' wrists and hitting him on the head.

Police gave this story.

Mrs. Rosenberg had worked late at the college because of mid-year examinations. Her husband drove her up in his automobile, which she had just bought and then drove to her home.

Wanda Being Kidnaped

Stanley, who had been drinking, was being held by the club.

## Enforcement Urged

The other amendment, by Clarence Litchfield, also approved, calls for firmer enforcement of parking regulations. It had previously been pointed out by speakers both for and against the motion that enforcement is the key to the situation, with or without meters.

The parking committee report which the bill is based fell to the committee, James Paul and Mrs. John G. Murillo. Mr. Chase prefaced his report by stating that the bill had been accepted by the report Saturday night with the understanding that it be presented to the membership.

Reference

## Dewey Seeks Firmer Drunk Driving Law

ALBANY (AP) — Governor Dewey called upon the Legislature today to close a loophole in the law against drunken drivers, when he vetoed a bill, enacted last night, which would have imposed a fine on any driver who is found to be under the influence of alcohol.

In a special message he asked the lawmakers to amend a 1953 statute so as to give a suspected driver who refuses to submit to a chemical test the opportunity for a hearing before the Motor Vehicle Commissioner.

Under the 1953 law, the license of a motorist suspected of drunken driving was revoked if he refused to submit to such a test.

The Governor said his recommended legislation was intended "to remove any doubt" as to the Constitutionality of the law requiring drivers to take chemical tests if police so direct.

A recent lower court case, now being appealed, cast doubt on the legality of the license revocation procedure authorized by the essential test law, enacted last night.

## Court Clerk Admits Bribery In Yonkers 'Ticket' Scandal

WHITE PLAINS — A judge's clerk in Yonkers City Court was arrested yesterday in the widening probe into an alleged "fixing racket" involving traffic summonses issued in the city.

Thomas J. Strahan, fifty-four, was picked up at his home, 53 Fairview Street, Yonkers, and held overnight at the County Jail under a felony bribery charge.

District Attorney Samuel Pall said Strahan made a statement admitting he had destroyed records of traffic summonses cases and had accepted bribes to do so.

Mr. Pall said the incident covers two years.

Court Adjudgment Granted

Strahan, arraigned today before Judge George M. Panelli in County Court, received a postponement until Tuesday to get an attorney. He is today being returned to the County Jail.

Mr. Pall said he probably will request that bail be set at \$5,000. The District Attorney said a "considerable number" of discrepancies were involved in the case.

## Stop Aggression First Bidault Says In Counter Move

BERLIN (AP) — French Foreign Minister Georges Bidault called today for a United Nations disarmament conference provided all hostilities such as the Lorraine war are first ended and aggression outlawed.

The French Minister introduced a resolution to that effect in the fifth session of the Big Four Conference. His proposal contained a disarmament conference proposition made yesterday by Soviet Foreign Minister V. Molotov.

Mr. Molotov asked the Big Four to sponsor a world-wide disarmament meeting which would include Red China and other states that are not now members of the United Nations.

Only Plan Delayed

Raising the disarmament question apparently stirred the nerves of the German delegation. Mr. Bidault said he intended to call for an end of hostilities and for condemnation any encouragements or support of aggression. It is presumably aimed at putting new pressure on the Communists to end the war in Indochina.

Mr. Bidault was expected to be in London today. He is expected to be in London today. He is expected to be in London today.
