Pony Takes A Nip

A dog may be entitled to one bite—but a pony? One did take a bite yesterday out of Richard Weathers, five and a half, on the grounds of the Westchester Day School, Orienta Point, according to a report made to Mamaroneck Village police at 5:24 P. M. by the boy's mother, Mrs. Irving Weathers, of 41 Calvert Drive, New Rochelle.

Prayer For Comrade

At 11 A. M. yesterday, just before the Memorial Day parade left the front of the Larchmont Municipal Building, the members of the Larchmont Fire Department held a brief service of prayer for the recovery of their comrade who was struck and critically injured early Sunday morning while manning a fire line on Palmer Avenue.

The doors of the apparatus floor were closed and the firemen gathered in a group around the Rev. Floyd E. McGuire, minister of the Larchmont Fire Department, who prayed for the recovery of their comrade who was struck and critically injured early Sunday morning while manning a fire line on Palmer Avenue.

Late Chief Lauded

A scroll extolling the late former Chief John A. Peterson of the Larchmont Fire Department was presented to his widow at 1:30 P. M. yesterday by ex-chiefs and former chiefs of the department.

The scroll said in part that "his many virtues, his devotion to his family, his loyalty and patriotism, his sincere and earnest work on behalf of his department, will long live in our memories."

The resolution passed at a meeting of the Fire Council last Wednesday. A suitably inscribed scroll was ordered presented to Mrs. Peterson. It is signed by Chief William F. Collins and Deputy Chief Duncan MacPhail, council secretary.

Tradition Cracks

For the first time in the memory of oldtimers in the Larchmont Fire Department, a member of the opposite sex rode in the fire chief's car during the Memorial Day parade.

Mrs. Mary Carey, president of the Auxiliary of Larchmont Post 247, American Legion, was escorted that honor yesterday on orders of Fire Chief William F. Collins.

So, yesterday, in deference to her, another long standing fire department tradition was broken.

Girls' Band Shines
There were several good bands in yesterday's parade in Larchmont, most of them led by drum majors of elegance preceded by comely baton twirlers.

But the band that got the most applause along the line of march was the Larchmont Girl Scout's, one band with a drum major.

As the procession of young musicians marched along the parade route, they received a large and long ovation.

While lacking the volume of the larger musical groups, they made up for it in harmony and earnestness.

Shell Game
John Paul, vice commander of Post 30, American Legion, organized a shell game yesterday morning immediately after the Memorial Day exercises were closed at the Mamaroneck Honor Roll on Prospect Avenue.

Mr. Paul—just to be sure that no live ammunition was left about—had picked up the shells left by the firing range at Harbor Island Park, Kenosha Memorial Park and the Honor Roll.

He had 27 shells, nine from each spot, in his possession when some Cub Scouts and Brownies spotted him.

Surrounded by youthful scout hunters, Mr. Paul took the easiest way out.

He tossed all 27 empty shells into a jar and called out: "You kids, may the best boys and girls get 'em."

And he got out of there fast.

With A Bang
Honor Island Beach opened with a bang over the weekend, despite slightly dubious weather. 681 persons were checked in at the beach.

Yesterday 1,081 residents ran the danger of evil-weather sunburn as they baked in the warm weather on the strand.

The total for the first two days of 1932.

Village Manager William H. Johnson today announced that he suggested that on weekends and holidays season tickets—holders can bring guests to the beach.

The capacity of the beach is limited, he said, and it is imperative in bringing guests to the beach on weekends or holidays, the beach will be reserved as those there for persons who wish to stay.

Commander Party Held
By Larchmont Legion
The Larchmont Legion's annual commander's punch bowl party was held in the clubhouse last night, with the election of a 6 P. M. Debuting until 10 followed the party.

Commander John Derwin was honored. He will retain the post and William Carey, elected last month, will assume the office.

At least 125 persons and a quartet attended the party. Music was supplied by Jack Larkin and his orchestra.

Car Flings Fireman 48 Feet From Post

Charles Damman, forty-eight, of 18 Roosevelt Avenue, Larchmont, was critically injured about 11:30 A. M. Sunday when a car reported to have been traveling at a speed of 40 miles an hour crashed through a fire line on Palmer Avenue opposite Pinebrook Drive and hurled the volunteer fireman

more than 48 feet, Joseph Geraghty Sr. of 1 Edgeview Place, New Rochelle, another member of the Patrol Company of the Larchmont Fire Department, narrowly escaped injury when he was hurled through a fire line on Palmer Avenue after the department was called at 11:40 P. M. to a fire in a tool shed in the New Haven Railroad yard near the office of Chas. W. Cole and Oil Co. They had put red lights on the street, were wearing reflectorized harness and were standing under a street light with flashlights.

Driver from Bronx
The car was struck by a car driven by William F. Carlson, 333 East 116th Street, Bronx, who told police he was driving west on Palmer Avenue and did not see the red lights or the men in the street directing traffic. He was taken to Larchmont police headquarters and charged with driving on a wrong way.

Cohn Denies He Ever Threatened To Wreck Army

WASHINGTON (AP)—Senator McCarthy refused to surrender to the McCarthy-Army league committee today the complete files on which Pvt. G. David Schine was convicted.

Mr. McCarthy said he would not because they contained the names of confidential informants.

WASHINGTON (AP)—Roy M. Cohn denied today he ever threatened to "wreck the Army" and bring about the dismissal of Secretary Robert T. Stevens if Pvt. G. David Schine was sent overseas.

"Ridiculous and untrue," Mr. Cohn said of this earlier testimony by John G. Adams, Army Counselor.

Mr. Cohn, twenty-seven-year-old chief counsel to the McCarthy subcommittee, denied too that he ever asked that Pvt. Schine be assigned to the New York area—disputing testimony of Mr. Adams and Mr. Stevens.

In the course of hammering cross-examination from special counsel Ray H. Cohn, Mr. Cohn disclosed he had referred the name of Pvt. Schine's regimental commander to the McCarthy staff for investigation.

Schine Not Involved
He never acted as a 11. Col. Earl L. Ringler was not recalled, however, to any concern over Pvt. Schine's treatment at Dix.

He said he took the action because he had been told Col. Ringler was not in sympathy with the McCarthy subcommittee's work and had referred to it as "a witch hunt" and a "bad thing."

Adams' Testimony Recalled
Mr. M. Jenkins, special hearing counsel, recalled Mr. Adams' testimony that from Nov. 13 to Dec. 8, Mr. Cohn repeatedly tried to get Pvt. Schine assigned to New York area.

Pvt. Schine had been a McCarthy subcommittee consultant before he was drafted into the Army Nov. 3.

Mr. Jenkins wanted to know if Mr. Adams' testimony about the Nov. 18-Dec. 8 period was "true or false."

Mr. Cohn declined to use either the word "true" or "false."

BOYS' BIKE CRASH STUNS POLICEMAN
Pre-Parade Accident In Larchmont Injures Patrolman

A policeman was flung to the ground and temporarily stunned just before the start of the Larchmont Memorial Day parade at 11 A. M. when two boys on a bicycle crashed into another bicycle and the two crashed into the officer.

POL. Michael Weiss, 40, in front of the firehouse, had been herding bicycling youth out of the street when the accident occurred. He fell on the back of his head and was stunned for several minutes, police said.

The middle finger of his left hand was injured, and he was taken to United Hospital in Westchester.

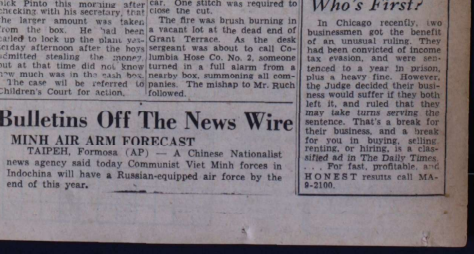

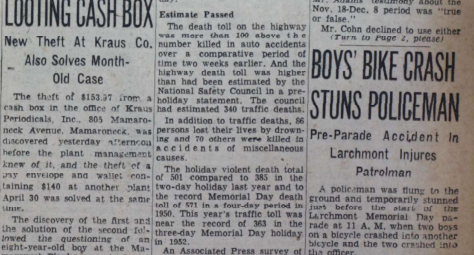

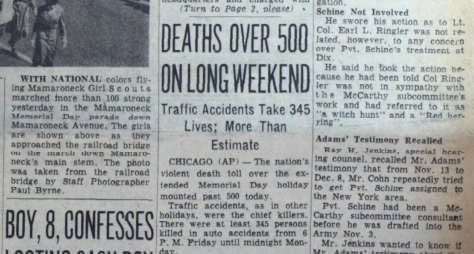

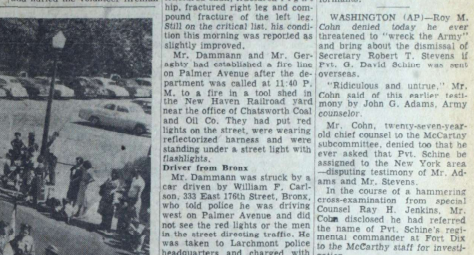

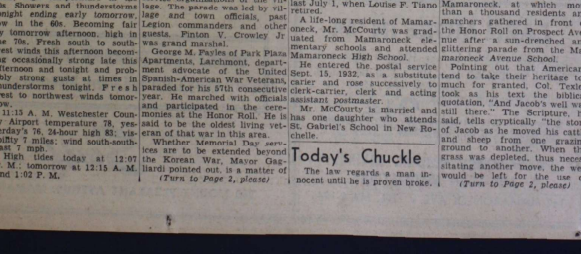

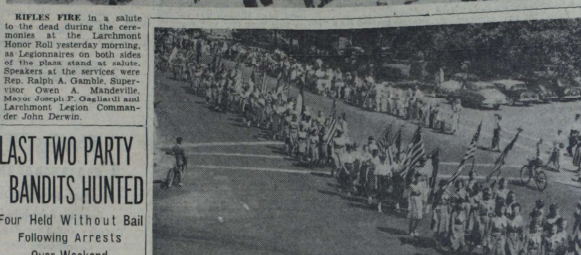

John Warner, fifteen, 132 Post Road, Larchmont, told police that a bicycle ridden by Michael Corrie, nine, 608 Murney Place, New Rochelle, fell in front of his bike, on which James Wagner was also riding. Both boys plowed into the officer. Young Wagner fell off and suffered a slight abrasion over his left eye, police said.

The accident was treated by Dr. Alan Van Siver and later sent to United Hospital in Westchester for further treatment.

Scored reliance on "a garish outpouring of platitudes," Col. Alfred O. Foster, assistant chief of staff, G-4, U. S. Col. Foster's address climaxed Memorial Day observations in Mamaroneck, at which more than a thousand residents and marchers gathered in front of the Honor Roll on Prospect Avenue after a sun-drenched and glittering parade from the Mamaroneck High School.

AEC SCANS PLEA BY OPPENHEIMER FOR QUICK PLEA

Scientist Appeals From Decision Barring Him From Atom Secrets

WASHINGTON (AP) — The Atomic Energy Commission had before it today Dr. J. Robert Oppenheimer's plea for quick action on a special board's split recommendation to bar him from the atomic secrets he helped unfold.

The three-member security board set up by the commission found, after six weeks of secret hearings and deliberation, that the fifty-year-old Dr. Oppenheimer is a "loyal citizen" but a majority held he is too much of a security risk to get back the cleared-for-secrets status he lost in 1954.

As disclosed yesterday by Dr. Oppenheimer's attorneys, the special board ruled 2-1 that the noted physicist and atomic pioneer was absolutely nothing in the "concerned" start on hydrogen bomb development and was not associated with Communists for years.

In a minority opinion, Dr. Ward W. Evans, chemistry professor at Loyola University in Chicago, said of Dr. Oppenheimer's belief, that the customary review by the commission's personnel security review board was waived. Instead, they asked the commission board to take the case under immediate consideration.

"He did not hinder development of the H bomb and there was absolutely nothing in the testimony to show that he did," the commission board members, headed by Lloyd K. Garrison, said in a letter to Maj. Gen. K. Nichols, AEC's general manager, who is in charge of the review.

The board also charged which the commission had thrown out seven years ago. They asked, on Dr. Oppenheimer's behalf, that the customary review by the commission's personnel security review board was waived. Instead, they asked the commission board to take the case under immediate consideration.

The pickup hours are from 7 to 9 P. M. and an effort will be made to cover every street in the Larchmont Police District.

Those volunteering cars, driving vehicles, or both, are urged to go to town with the Larchmont Police Chief, Larchmont 29433, Larchmont Police Chief William Keresey, or Town Police Chief Paul Yirlik.

The written commission proceeding the Larchmont-Mamaroneck Road-Ed will be held tomorrow afternoon at the Mamaroneck High School, 100 Main Street, Mamaroneck.

At the close of entries Saturday, 31 boys and girls 13 years old and under will be in the first, four-wheel drive, 1954 Buick Wildcat, Larchmont 29433, Larchmont Police Chief William Keresey, or Town Police Chief Paul Yirlik.

Three prizes await the winners who score the largest number of points. The first prize is a \$50 defense bond donated by the Mamaroneck High School. Second and third prizes are \$25 bonds, one donated by William P. Carr, 100 Briar Lane, and the other contributed by the Mamaroneck Lions Club.

Eisenhower Points Out Keyless S. S. as Subversives

Army Monitor Calls Missing, Cohn Says

WASHINGTON (AP) — President Eisenhower said today his administration has an impressive list of accomplishments in fighting Communism and subversion.

The President made the statement at his news conference after virtually barring questions on the subject of McCarthy, because members of his administration and Senator McCarthy, nevertheless, asked the President whether he feels that Mr. McCarthy is hurting the Administration's legislative program.

A look of sharp annoyance came over the President's face when he asked whether he was being asked to answer questions that he was not ready for the next question.

In ruling out questions about the McCarthy-Administration controversy, the President said that he was just one objective—to get his legislative program enacted.

And, in declaring the Administration—through the Justice Department and the Federal Bureau of Investigation—is doing a job of investigation in the area of subversion, Mr. Eisenhower made public a report from the department last week that he called the accomplishments of the Administration during his first 16 months in office.

In a prepared statement, Mr. Eisenhower said that the "constant surveillance of Communists in this country is a 24-hour, seven-days-a-week, 365-days-a-year job. It is carried out by the appropriate federal agencies in conformance with due process of law. It is being done quietly and unobtrusively and those who have been effective are the Communists themselves."

Then Mr. Eisenhower alluded to a statement which Attorney General Brown issued last Friday and the President said he was put out at (Eisenhower's) direction.

He also named spokesman described the situation elsewhere in the Red River Delta of Vietnam.

52 PERSONS HURT IN EXPLOSIONS AT CHEMICAL PLANT

Dangerous Fire Rages For Five Hours Following Series Of Blasts

CHARLESTON, W. Va. (AP)—Tons of water pumped from the Kanawha River held at bay today a dangerous chemical plant fire after a series of five "atom-bomb" explosions shot from the plant.

Company officials said as far as they could tell all personnel were accounted for. About 100 men were working in the insulating plant of the Carbide and Carbon Chemicals Corp. about 11 miles west of here, when a tank of liquid ammonia exploded and set off a chain of four other blasts.

It was more than five hours before firemen got the upper hand. The blaze first in the styrene plant. Until electric power could be restored, water pumped from the nearby river, the firemen said there was a "possibility" some might have been caught in the blast area. He would not elaborate other than to say there had been no "roll call" of employees.

Capalbo Trial Off To June 23

Panel Of Jurors Exhausted In Hearing Before Judge Hornidge

The jury trial of Charles Capalbo, 414 Fayette Avenue, Mamaroneck, for alleged violations of Village gambling laws in having in his possession police slips during the May 3 police raiding, was deferred until 7:45 P. M. June 23, when a panel of 21 jurors called for duty before Judge Henry T. Hornidge last night was exhausted.

Challenging the panel not under way at Municipal Hall at 8 P. M. Mr. Capalbo's attorney, Anthony Santone, representing the prosecution, had eliminated ten residents and Capalbo's attorney, Horace Leone of White Plains, had accused five. One resident, Louis Tolve, called to put in an appearance, and there were only five jurors sitting at the completion of the attorney's examination.

Mr. Santone excused the 10 because several of the prospective jurors said they knew either the defendant or his immediate family. Mr. Leone based his waivers on the possibility of prejudice against gambling. His questions to the jurors reflected he was not concerned with the defendant's family.

The appeal before the Albany Court marks the fourth time on the part of Mr. Gilbert to appeal against the summons to appear in court. The latest appeal was on a question of the legal right of the village to enter the premises of the defendant's business.

Heithaus Backed For ELKS DEPUTY

Local Lodge Endorses Past Ruler; Flag Day Observances Set

LEE HEITHAUS, past exalted ruler of Mamaroneck Lodge 1407, B.P.O. Elks, was unanimously endorsed as a candidate for the office of district deputy of the New York State Elks District at a meeting of the lodge last night. He was presented to the membership by Albert A. Quinn, past president of the lodge.

Mr. Heithaus, a native of Mamaroneck, has taken an active part for years in community affairs and served on numerous committees, including civilian defense during World War II. He is the head of Mamaroneck Laundry Service, Inc., on Waverly Avenue.

Plans for Flag Day observance June 14 were announced by Mr. Quinn. The Elks will observe the Flag Day ritual at Belmont High School before the junior high school group at 2:30 P. M. of the same year, 1949 and 1950, the years 1951 and 1952.

Crime Figures Listed Of 35,277 young men and women in the sixteen-to-eighteen age bracket in 1949, only 465 or 1.3 per cent were charged with crimes. Of a lowered population of 1,000,000, only 46,500 or 4.65 per cent were charged with crimes.

Along with the "youth crime" survey, comparative information on juvenile delinquency was given by Westchester County's Youth Council.

In 1949, a total of 384 out of 1,000 children were delinquent. In 1950, 434 of 85,285 were delinquent.

Mr. Hopkins said the low number of youth offenses was undoubtedly due in part to the "highly organized" efforts of adults who "pushed at the drop of a hat" and found a group to help their country's youth.

More and more organizations have become interested in youth activities and have even gone so far as to hire paid workers to conduct them, he declared.

On a small scale, Mr. Hopkins expressed surprise at the fact that a youth was arrested on a police blotter did not at all mean he was a lawbreaker. It would have taken much longer to make since 1950 and none for the year 1951. There was 14 for 11 last year. There were 14 for 11 last year.

ACCORD REACHED FORDHAM BUS 3 WEEK STRIKE Service Expected To Be Resumed Tomorrow Or Thursday

NEW YORK (AP)—Negotiating groups reached an agreement last night in the strike of 30 drivers and mechanics against the Fordham Transit and Reservoir Transit Co., which operates buses in the Bronx and Westchester. The lines have been struck since May 15.

Bernard J. O'Connell, Deputy City Commissioner of Labor, announcing the agreement, said that members are expected to rally it and service was expected to be resumed tomorrow or Thursday.

Mr. O'Connell said the formula was reached at City Hall in a meeting of the position with Mayor Robert F. Wagner, Mayor Stanley Isaacs, Deputy Mayor Joseph P. L. R. and Mr. O'Connell.

He said Morris Casarotti, delegate for the strikers, members of Local 101 of the CIO Transport Workers Union, had "very confidence" the strikers would vote to accept the formula. It calls for a gradual resumption of the strike work week to 40 hours, in steps of two-hour drops per week in weekly take-home pay.

Air Commission

Peter Guinan, son of Mr. and Mrs. Theodore Guinan of 43 Magnolia Avenue, Larchmont, will be commissioned tomorrow as a second lieutenant in the U. S. Air Force, in ROTC ceremonies at New York University. He will report for flying duty in the fall.

A 1949 graduate of Mamaroneck High School, Lt. Guinan was graduated from NYU in 1953, and has been with the firm of Macvic & Mott, New York City, during the last year. He has continued his studies at the University Graduate School of Arts and Sciences, Division of Economics, in pursuance of his master's degree.

He was also recently presented the Currier Award, given for outstanding interest in the field of aviation by the American Aviation Corporation.

Volunteer Architects
David L. Eggers, 83 Bayview Avenue, Larchmont, is participating in the architectural firm of Eggers and Higgins, New York City, will participate in the annual convention of the New Jersey Chapter, American Institute of Architects, in Asbury Park.

Among the topics he will cover are architectural fees, the advantages and disadvantages of a small office over a large, public relations and relation of fee to reputation and size.

Mr. and Mrs. Eggers are natives of Larchmont. His father was architect for the Larchmont Avenue Church. Buildings for which Mr. Eggers has designed include the Larchmont High School and the Larchmont Junior High School and the Larchmont Community Center.

Mr. Eggers is a member of St. John's Episcopal Church and the Larchmont Branch of the Y. M. C. A. He has four children, Pamela, John, seven; Peter, six; and David, three.

Grills, Music Needed
There will be difficulties in conducting a picnic Thursday for about 50 disabled veterans from Franklin Delano Roosevelt Hospital, Montrose, unless some persons will loan hand grills for cooking food and a portable radio for entertainment.

It was made known this morning by Mrs. Maria Circo of 630 Larchmont Road, Mamaroneck, chairman of an American Legion Auxiliary committee which is planning the picnic.

The event will be held in Pleasantville State Park at the Taconic Parkway, Mrs. Circo said and will be sponsored by auxiliary units of seven county Legion posts.

The units include Larchmont Post Chester, Rye, Harrison and three from Mount Vernon.

Anyone willing to loan hand grills or a radio are asked to call Mrs. Circo at MA 9-2017.

Enters Army
John H. Randall of 115 Avenue Street, Mamaroneck, was one of nine volunteers who today entered the U. S. Army through the Plains Draft Board 11 which also sent 11 draftees into service.

Weather Outlook
Fair and warm this afternoon, high temperature in the low 80s. Fair tonight, low about 65 and 55 to 60 in northern Westchester. Mostly fair tomorrow, with a chance of rain in the north. High temperature in the low 80s. High tide about 6:30 P. M. tomorrow at 7:03 A. M. and 7:33 P. M.

Command Claims Destruction Of 2 Foe Bases
In Delta

GENEVA (AP)—The French claimed "100 per cent destruction" today in a combined air and ground attack on two Viet Minh attack bases for 1,000 of the Communist rebels only seven miles east of this war capital.

The French high command said its pilots, in American-supplied B-26s, Corsairs and Privateers, ripped apart the two star-shaped, concrete villages near Sotchi, just north of the vital Mao-Haiphong railway and highway.

French tanks and infantrymen drove into both centers after the heavy bombing, routing the rebels from hiding places deep underground and killing 110.

A high command spokesman said victory forces now are trying to smash all Viet Minh bases close to Hanoi. Having cleaned up those just south and east, they now are hitting the rebels north and west of the city.

In another Viet River delta action, the French reported Viet forces killed 250 North Vietnamese and captured 100. The French reported Viet forces killed 250 North Vietnamese and captured 100.

Dams Threatened To Stay Closing, John Tens Hearing Legion Revokes Bid For Roosevelt Talk

An invitation to Rep. Franklin Delano Roosevelt of New York to be the major speaker July 1 at Mamaroneck of the Westchester County American Legion convention was withdrawn last night by the Mamaroneck convention committee because of Mr. Roosevelt's possible candidacy for the Democratic gubernatorial nomination this fall.

Mr. Roosevelt had already accepted the invitation to speak but public announcement of his talk had been withheld until it could be first announced to the full County Legion executive committee.

Before that could occur, however, a letter to the chairman of Mr. Roosevelt for governor election campaign committee announced that he would be available.

The Mamaroneck committee's action to withdraw the invitation was based on the possible political implications of the talk taken at a special meeting last night in Legion Hall after a split vote, it was announced by William K. Fick, chairman of the committee.

The action was taken after consultation with James P. Port Chester, Frank La Rocca of New York, past county executive, and James White of New York, past county executive, who were members of the committee.

In view of your statements appearing in the press relative to your possible candidacy for Governor of the State of New York, the committee has decided to withdraw the invitation.

Public Hearing Set June 24 On Nonresident Volunteers
The Larchmont Village Board last night set a public hearing for June 24 on Local Law 2, pertaining to membership of nonresidents in the Larchmont Volunteer Fire Department.

Edward Conrad, Westchester County Representative of the Board, said that the law last night set on the Board and Chief William Colman.

The biggest question, and one seemingly left unanswered last night, concerns the legal status of nonresidents who could come under the security provisions of the law as those who can hear the fire alarm from their homes.

Redistricting Put Off To September 1955

Redistricting of Mamaroneck elementary schools will not become effective until Sept. 1, 1955, but the changes in school boundaries to take effect at that time will be set on or before Oct. 15 of this year, it was decided last night by the Mamaroneck Board of Education at a meeting in the Mamaroneck Avenue School.

Before new boundaries are set, an impartial study of safety hazards with particular reference to Central and Mamaroneck Avenue schools will be made by the American Automobile Association in cooperation with the police department and village officials, it was announced.

The decision, in effect, postpones for one year the redistricting of the schools which originally was to become effective this September. The board action, according to a prepared statement, was on the basis that "the citizens of the area affected, particularly in the switch from Central to Mamaroneck Avenue School, immediately before the school year 1954-55, but in the opinion of the Board such enrollment will exceed the capacity of two of the schools in 1955-56."

Redistricting of the schools, particularly proposed changes in boundaries with reference to Central and Mamaroneck Avenue Schools, has been an explosive issue in the district since it was first broached in March.

At that time a citizens committee report recommended that anticipated congestion at Central School be relieved by moving the boundary between the two schools from Mamaroneck Avenue to Penrose Road. This was later changed by the Board to Maple Avenue instead of Mamaroneck Avenue.

At the same time the boundaries between Murray Avenue and Chatsworth Avenue Schools were to be altered in order to relieve overcrowding in the latter school. Residents of the area affected, particularly in the switch from Central to Mamaroneck Avenue School, immediately before the school year 1954-55, but in the opinion of the Board such enrollment will exceed the capacity of two of the schools in 1955-56."

MOLOTOV TERMS STRIKE BLOW AT INDO PEACE HOPE

Western Diplomats See Chances Doomed By Hostile Policy

GENEVA (AP) — Western diplomats asserted today that Soviet Foreign Minister V. M. Molotov had all but killed chances of peace in war-torn Indochina by his latest policy statement.

Outlining his "peace terms" late yesterday in the nine-party Indochina conference, Mr. Molotov not only raised new issues but leveled charges which amounted to Western rearmament.

Speech Called Destructive

A U. S. spokesman called the Molotov speech "purely destructive." A British spokesman said it contained nothing helpful.

The French called it "extremely aggressive" and said it contained "provocative terms."

Western delegates were as much disturbed by the hostile remarks in Mr. Molotov's speech as by his actual proposals.

An American United Nations spokesman said a plan to use the Geneva Conference and extend the Indochina war, which is now facing a second year in the French National Assembly, French Foreign Minister Georges Bidault hastened to Paris immediately after Mr. Molotov's speech to take part in the Assembly debate.

Symington Offers To Take Stand If M'Carthy Agrees To Senate Financial Probe

Challenge Accepted As Senator Denounces 'Vicious Smear'

WASHINGTON (AP) — Senator Symington offered today to testify in the McCarthy-Armstrong hearings, starting Saturday when Roy M. Cohn goes to Camp Kilmer, N. J., for a psychiatric examination, Mr. McCarthy told today to a newsmen during today's hearing.

Denouncing Mr. Symington's challenge as a "vicious smear," Mr. McCarthy said it was "disgraceful for him to find ways to show how low an alleged man can sink."

At another point, Mr. McCarthy said Mr. Symington had taken the issue of the Daily Workers, which Mr. McCarthy said had been before him for years about old charges of malfeasance in office.

Adding confusion, Mr. McCarthy said he was "disgraceful for him to find ways to show how low an alleged man can sink."

Chairman Mundt, R., 5, broke in to criticize both Mr. Symington and Mr. McCarthy for what he called a "waste of time" in the current proceeding.

Senator Symington said it was difficult for him to find ways to show how low an alleged man can sink."

Mr. McCarthy didn't sign it but said "it is necessary to have a special committee to investigate these smears. I will now make a formal commitment to do before that committee to answer the smears."

The possibility that any such hearings will be held is remote. The Senate staff would have to vote such a procedure, irrespective of any agreement Mr. Symington and Mr. McCarthy might make.

Specifically, Mr. Symington, Missouri Democrat, mentioned Mr. McCarthy's charge that he had converted to personal use any funds from the McCarthy fight against communism.

Mr. McCarthy read into the record near the end of today's McCarthy-Armstrong hearing that he had converted to personal use any funds from the McCarthy fight against communism.

Mr. McCarthy termed the Symington letter "a very vicious smear" and said he would "take the people looking in on television to show how low a man can sink."

'Disgrace' Held Punishment

Van Dorn Granted Suspended Sentence

WHITE PLAINS — William H. Van Dorn, 51-year-old former Greenwich Town Clerk, who pleaded guilty to a violation of the public officer section of the Penal Law, was given a one-year suspended sentence today in County Court.

Judge George M. Panelli said the "disgrace, the dishonor and the stigma of a felony conviction" was the punishment for the defendant.

The judge said that "physical incarceration will not be for the best interest of this defendant or for the best interest of the community."

Van Dorn was indicted by the grand jury on a charge of falsifying a check for \$100,000, the value of a real estate property on a sale of a piece of land.

Van Dorn, who lives at 21 South Washington Avenue, Hartsdale, was arrested last November. He had been Town Clerk since 1942.

District Attorney Samuel Paley has said the piece of property involved in the charge was not taken into the charge.

John P. O'Connor, Republican Club president, has reported the meeting to be a serious question, and the public is cordially invited to attend. It was announced last night that the meeting would be held in the Mamaroneck Avenue School.

Board Engages Three Teachers

Mrs. Betz's Resignation Received With Regret

Three new teachers were engaged last night by the Mamaroneck Board of Education at its meeting at the Mamaroneck Avenue School, and the resignation of Mrs. Betz was accepted with regret.

In addition, a secretary for the Junior High School was accepted, the resignation of a secretary for the Senior High School was accepted, and two teachers were engaged in the absence of Mrs. Betz.

Mrs. Leone Rose, currently teaching in the Rye Country School, was engaged to teach Latin and Spanish teacher for the Junior High School.

Mr. Serrano was given first aid by police officers Dr. Alan Van Dorn, who was in the ambulance.

NEW YORK (AP)—Demand for aircraft and steel in early trading today encouraged a rise in the stock market, with the Dow Jones industrial average rising two days of severe losses.

Combing The Town

New Assignment

Mr. James Franco, above, son of Mr. and Mrs. Anthony Franco of 243 Palmer Avenue, Larchmont, has been assigned to Co. B, 36th Regt. of the 9th Infantry Division at Fort Dix, N. J.

He attended Mamaronck public schools and left Mamaronck High School in 1933 to go to work with Louis Franco, painter, of 25 Murray Avenue, Larchmont. Mr. Franco will receive instruction in general military subjects, infantry weapons and tactics as well as character guidance programs at Fort Dix.

New Headgear for Cops

Mamaronck police officers will soon appear with white sun helmets in place of the usual uniform caps. Chief Louis Gioia said this morning.

The helmets are light, the head plates are adjustable, and they are all ventilated so that there can be a free flow of air around the officers' head. The Chief pointed out as he displayed one of them: "They are similar to those worn by traffic officers in other municipalities," he added.

Tests Given

State tests for Junior Army licenses were given yesterday at Mamaronck High School to 30 students in the drive education classes conducted by Edward Purita and Robert Sampson, and the 34 should know within a few days whether or not they will be licensed.

William Stewart of the White Plains office of the Motor Vehicle Bureau conducted the tests at the school in the school-owned drive control building. This course, saving the young drivers, candidates a trip to White Plains, is extended over three days. Since January, Mr. Purita said, at least 45 students from Mamaronck have obtained licenses.

Hit Over Head

Retiree Roy Heck School Board President Edgar B. Decker hit his head on the head of his own pail at last night's final meeting of the school board.

Board member George Garfunkel asked for a 15-minute recess during the meeting and gave a speech about the school. As Mr. Decker was speaking, the board then presented a gift package. As Mr. Decker was opening it, he remarked that as he entered the building for the meeting he was told that leaving school board service was like "hitting yourself on the head with a hammer. It feels so good when you stop."

When he opened the package, he found it contained a gift with an inscribed silver band. Amid laughter he proceeded to cut his own head with it. Then he ripped off the band and continued the meeting.

Named Counsel

Thomas P. Moore Jr. of 334 West 10th Street, Larchmont, has recently retained as first deputy industrial commissioner of the State Labor Department to accept appointment as general counsel to the State Power Authority, will be tendered tomorrow a testimonial dinner at the Hotel Astor, New York City. Industrial Commissioner Edward Cret will be toastmaster.

Mr. Moore, a native of Amsterdam, N. Y., was graduated from Hamilton College in 1930. Following three years' work on highway construction in New York State, he became associated with Fleet, Clark, Burdick and Ballantine in New York City until 1937. Mr. Moore was assistant district attorney of New York County on Jan. 1, 1938, by then District Attorney Thomas E. Dewey.

He joined the Navy in 1943, serving as radar officer aboard a carrier until 1945 when he was released with the rank of lieutenant. He served as counsel of the State Department of Public Works from 1945 until he joined the Labor Department in 1947.

He is married to the former Dorothy O'Connell and the couple have three daughters, Valerie Anne, Ursula Joan, and Elaine Judith, and a son, Thomas P. Jr.

Westchester On The March

ATTENTION of our readers is called to the 60-page special supplement issued today with the regular edition of this newspaper. It is, we confidently believe, the most accurately drawn and the most thoroughly representative picture of the commerce and industry of Westchester prepared in many years.

This special supplement, compiled by the news staffs of the Westchester Group of Newspapers, reveals in detail the tremendous extent and recent steady growth which have made Westchester a center of industrial production the third largest county of the entire State of New York outside New York City.

By word and in picture the story of this achievement is interestingly told, together with direct messages in advertising form from those who have contributed to this saga of success in the business world of Westchester. It is a story of those who had confidence in our country, who backed that trust with hard cash, and whose vision now promises even greater accomplishments and profitable progress in the immediate future.

This is the account of Westchester on the march toward continued prosperity and economic well being, it is highly recommended reading for all who have the best interests of our county at heart.

\$4.75 Million Payroll

75 Local Industries Give Jobs To 1,350

Industry and non-retail commercial operations play a large part in the economy of Mamaronck and Larchmont, a recent survey of 75 such enterprises disclosed, with about 1,350 employees receiving an approximate \$4.75 million as represented by the payroll.

By far the greater number of these businesses are in Mamaronck, with several in Larchmont. But the thing that the survey reveals is the great diversity of the various business enterprises. With no one dominant industry, the picture of the area is one of a wide variety of enterprises, the nature of any of them is remote.

The number of employees ranges from two to 160, the payroll from \$10,000 to \$500,000. Number of employees in the area is not known, but there is no indication of the probable size of the payroll. The area's industries offer such a range of skills required that in many cases smaller firms had higher payrolls than those with more employees, engaged in more complex work.

One of the more interesting findings was that many of the firms were engaged in more than one type of business. For example, one firm was engaged in both manufacturing and retailing.

When the survey was completed, it was found that the area's industries were engaged in a wide variety of businesses, from manufacturing to retailing, from service to industry.

The survey also revealed that the area's industries were engaged in a wide variety of businesses, from manufacturing to retailing, from service to industry.

Garfunkel Presents Gavel To District's Retiring President

Serving on the Board of Education consumes a lot of time and nervous energy, George Garfunkel, Westchester County Board of Education Trustee, told retiring Board President Edgar B. Decker, Jr., at last night's Board meeting, and we have been happy to serve you, and to have your friendship and knowledge.

Mr. Garfunkel had called on Decker for a recess of 10 minutes, saying he was tired of the agenda. He then disclosed the reason for his request.

"We, the Board members, would like to have you know our sentiments," Mr. Garfunkel continued. "We know you are not going to lose interest in the schools. Upon your retirement you will be asked to return to your family and to serve as a trustee."

He then presented, on behalf of the Board members and staff, a seal with a silver band inscribed with the words: "With affection and esteem—Edgar B. Decker, Jr.—Members and staff—June 1964."

Mr. Burchell replied that he did not need the gift to "remember the hours we've spent together here. I will miss the association with all of you, and it has been a privilege to serve alongside of you."

25 Injured As Fire Stirs Subway Panic

NEW YORK (AP)—Panic developed today when fire broke out in an RRT subway train near the 86th Street station of the Lexington Avenue line.

Acrid smoke, apparently from a short circuit, poured over the cars, and early reports said about 25 persons were injured or made ill by the smoke.

A group of about 20 persons pushed through the doors and climbed up to an emergency car, only to find themselves momentarily trapped by a sidewalk grating. The group, including many high school pupils, screamed and shouted.

The shouts attracted a man in a nearby church. He obtained a crowbar and pried open the grating, releasing the trapped passengers.

The fire broke out at 8:30 A.M. in a service subway tunnel at the 86th Street station, a concrete bridge about 150 yards north of the third, last, because of the smoke poured through the first two cars.

Passengers became panicky when the smoke spread to other cars. Car windows were broken as riders sought to escape.

Firemen broke windows and used fire extinguishers to fight the fire. The fire was extinguished by 9:00 A.M.

Twenty-five persons were injured or made ill by the smoke. The injured persons were taken to nearby hospitals.

British Statesmen To Discuss 'Many Things' With President

WASHINGTON (AP)—Prime Minister Churchill and Foreign Secretary Anthony Eden of Britain are coming to Washington on the weekend of June 25 for talks with President Eisenhower.

The President extended the invitation several weeks ago. Presidential press secretary James C. Hagerty told newsmen about their visit today, said it will be an informal meeting between the President and his two friends "without any formal agenda."

Mr. Hagerty said "many things, a lot of things," will be discussed.

At the meeting, the two statesmen will be taking different approaches, particularly at the Geneva conference.

The United States has stressed the importance of a free Eastern alliance to see first whether some settlement on Indonesia could be negotiated at Geneva.

The Geneva talks, which this country has considered all along as lacking any real promise, apparently ended the point of final collapse today.

FEUD MAY DELAY HEARING WINDUP

Mundt Claims McCarthy Misunderstands Query By Symington

WASHINGTON (AP)—Senator Francis P. McClellan said today that a feud between McCarthy and Symington might delay the hearing on McCarthy's nomination.

Mr. McClellan said that McCarthy and Symington had a "hypothetical" session yesterday, and that it was a misunderstanding of McCarthy's statement.

25 Injured As Fire Stirs Subway Panic

NEW YORK (AP)—Panic developed today when fire broke out in an RRT subway train near the 86th Street station of the Lexington Avenue line.

Acrid smoke, apparently from a short circuit, poured over the cars, and early reports said about 25 persons were injured or made ill by the smoke.

A group of about 20 persons pushed through the doors and climbed up to an emergency car, only to find themselves momentarily trapped by a sidewalk grating. The group, including many high school pupils, screamed and shouted.

The shouts attracted a man in a nearby church. He obtained a crowbar and pried open the grating, releasing the trapped passengers.

The fire broke out at 8:30 A.M. in a service subway tunnel at the 86th Street station, a concrete bridge about 150 yards north of the third, last, because of the smoke poured through the first two cars.

Passengers became panicky when the smoke spread to other cars. Car windows were broken as riders sought to escape.

Firemen broke windows and used fire extinguishers to fight the fire. The fire was extinguished by 9:00 A.M.

Twenty-five persons were injured or made ill by the smoke. The injured persons were taken to nearby hospitals.

Cut In Excise Tax Loosens Purse Strings For Handbags

NEW YORK — Well, we won't have it all, anyway, when the excise taxes were cut this Spring, and half a loaf is better than none.

Funny how everything is relative, as the psychology prof used to point out. Because when the taxes were slugged on, we all howled like wounded stags. Now that the 30 per cent levy has been halved, cheers go up all over the land.

The same 10 per cent is now mentally modified with the adjective "only," and seems very small indeed. It is, too, in comparison with today's over-all price level.

This happy state of affairs is making two or more handbags grow where only one thrived before. Not only are women more disposed to having different bags suitable to different occasions, but the handbags themselves are bigger, gay and more beautiful for your hostess.

In continuation of last Summer, and the Winter resort season, the bags are made of just practically any lacy or unlikely material you could name, only more so. They are crocheted of straw or of plastic yarn. They have even introduced textured white call leather in basket weave, brooding, raina embroidery and colorful straw flower appliques are among the less obtrusive accessories.

For sheer conversation pieces there are straw boxes with lids beaded with corkle shells, a realistic jockey frims and berries. Or giant tote bags of clear see-through plastic. Better as the approval of the man-to-your life on the latter before you splurge, because it's something he's likely to feel strongly about one way or the other.

Boxes, buckets and pouches are all popular currently, but the tote bag is still cock of the walk. It can be a moderately sized pinny size-waist with call button cinchers and sweet closure, or a giant, oversized and ovalize "picnic" bag with top zipper which Josef turns out in Italia marocaine straw, light as a feather, but strong enough to tote a 20-lb. weekend paraphernalia strong enough, too, if you don't wish it down with iron travel for your hostess.

MIND TO PRESS FOR ANSWERS ON SECURITY CASES

Indicates He Will Go Along With Democratic Demand On Clearances

WASHINGTON (AP) — Senator Mundt, R., S. D., indicated today he would go along with a Democratic demand that the Pentagon speed answers to requests for security clearances on two Senate investigations subcommittee appointments of Senator McCarthy.

Senator McClellan of Arkansas, senior subcommittee Democrat speaking for the three minority party members, demanded yesterday that the subcommittee move fast to find out why, as he said, it has been "red-taped" to take up these cases and say "yes" or "no" on the applications.

Aside from Mr. Mundt's comment, there was little sign of harmony between the Republican and Democratic members in the wake of the group's first closed-door meeting yesterday following the hearings and Thursday. The group plans to meet again tomorrow to discuss the job of whether the two subcommittee staff members, the Republican and Democrat, have not specifically been denied clearances despite a delay of 14 months in one case and "indefinite" in the other.

But he said it is manifestly unfair to the individual to take so long.

Mr. McCarthy told a news conference yesterday he knows of no staff member who is "red-taped" by the military, and knows nothing about the cases which could raise doubts about their loyalty.

The issue cropped up late in the day following a letter to Mr. Mundt reportedly listing a number of staff members of all applicants but two.

A 1954 graduate of Iona Preparatory School, New Rochelle, where he played basketball and baseball and was active in the debating team, Danilo is now a private in the 3rd Cavalry Division, Panama Canal Zone.

Summer Activities
A new "Know Your Schools" pamphlet, containing a brief description of recreational facilities available to Larchmont and Mamaroneck children has been distributed to parents of pupils this week by the Mamaroneck-Larchmont Parent-Teachers Association.

Nothing out of the ordinary is expected at the annual picnic of the Mamaroneck-Larchmont Parent-Teachers Association, which will be held at the Larchmont Country Club on Sunday, June 27.

Sum Back From Asia
John Gack, son of Mr. and Mrs. John Gack, 44 Myrtle Avenue, Larchmont, arrived home last week from the East where he had been attending the United Press following his discharge in November, 1953, from the U. S. Army.

Presently engaged in tree-planting in Korea, Japan and the Asiatic interior, Mr. Gack was the author of an article in the New York Times in April, 1953, of the same about an Army 1st Marine Division unit which was repatriated prisoners of war from China to the United States.

Mr. Gack was graduated in 1947 from Mamaroneck High School and in 1951 from Harvard College. He entered the Army in February, 1951, and was trained at the Information School at Fort Sill, Oklahoma.

He is the author of "The Butcher," a book published in 1953, based on his experience with a mountain-division expedition in Peru which was covered by the United Press. Former Pfc. Gack was the correspondent for the Boston Globe while at college and was named last in October, 1953, to the editorial staff of that and other newspapers.

Mr. and Mrs. Joseph Danilo Jr. and their children, standing in front of their home in Mamaroneck.

Mr. T. T. Bartlett of 43 Briarcliff Road, Arden Mountain, son of Mr. and Mrs. Joseph Danilo, and Miss Ann King, daughter of Mr. and Mrs. William A. King at 15 Briarcliff Road, Larchmont, are the students, left to right, for the European stay under the exchange student program.

LEAVE-TAKING by the three Mamaroneck Senior High School students slated for a summer's stay in the households of three European families was held yesterday morning at the home of Mr. and Mrs. William A. King at 15 Briarcliff Road, Larchmont.

The students, left to right, are T. T. Bartlett, son of Mr. and Mrs. Joseph Danilo, and Miss Ann King, daughter of Mr. and Mrs. William A. King.

Beaches Found Safe Along Sound, Hudson

Roosevelt Predicts Gov. Dewey Will Run
By FRANCES MCKUSICK
WASHINGTON Correspondent
Representative Franklin D. Roosevelt Jr. today predicted that Governor Thomas E. Dewey would be his opponent for the top state job.

The congressman just doesn't believe everything he reads in the papers, particularly when the papers say Mr. Dewey is going to retire to private life.

Mr. Roosevelt is using his own old tactics in getting himself drafted for governor as he did in 1940. Mr. Roosevelt said, "He'll run again, and I hope he wins."

McCarthy - Army Probers Huddle Again In Report

Jenkins Included As Munt
Makes Second Try
For Harmony

WASHINGTON (AP) - Senator McCarthy, R. S. D., summoned fellow investigating senators of the investigation subcommittee during its 36-day probe, who may get more work to do if it turns out that the group's four Republican and three Democratic members are eyeing to write a report.

Also called to the closed-door session was Tennessee lawyer Ray M. Jenkins, special counsel for the investigation subcommittee during its 36-day probe, who may get more work to do if it turns out that the group's four Republican and three Democratic members are eyeing to write a report.

Harmony About
McCarthy was noticeably absent following the first executive session Friday at which Mr. Munt announced the subcommittee agreed informally "to try to get" on at least some findings.

Right after Senator McCarthy, who is a member of the Senate Committee on Government Operations and the American Institute of Accountants and a trustee of the American Institute of Accountants, was also a member of the Senate Committee on Government Operations and the American Institute of Accountants.

He and his wife, Florence, have been residents of Larchmont for seven years and have two children, David, 10, and Susan, 8.

Mayor Louis Giancola
Praise for a job well done and note of good luck for the future were presented to Mayor Louis Giancola by the Larchmont Village Police Chief Louis Giancola.

It was with real regret I noted your letter of July 19, 1954, and in the Board your decision to retire," the Mayor wrote.

"Your service to the Village has been long and constant and your loyalty and interest in the community, and I would personally like to say that you have been a great asset to the Village."

"Under your supervision the Department has been able to take into a splendid working unit with which I believe is a high degree of morale and esprit de corps. The Auxiliary Police, which you encouraged in its early formation and guided through its existence, has made a splendid contribution to the well-being of the Village."

Herbert E. Herman, past president of the Westchester Jewish Center, Larchmont, presented a scroll for his services of the last year, at an installation dinner last night.

'Cease-fire' Sought
At Indo Conference

GENEVA, (AP) - Indochina conference delegates worked in private meetings today to arrange military negotiations for a cease-fire in Laos and Cambodia. The formal nine-party sessions were recessed until tomorrow.

Red China's Foreign Minister Chou En-lai was the chief conference figure in Geneva. U. S. Undersecretary of State Walter Bedell Smith, British Foreign Secretary Anthony Eden and Soviet Foreign Minister V. M. Molotov all flew home over the weekend.

Chou was reported ready to follow this example later this week.

French Minister Delors
French Premier-Foreign Minister Pierre Mendès-France delayed his arrival at the conference to actively push his campaign for peace in Indochina. He predicted the French National Assembly would resign unless he got an audience by July 20.

French delegation sessions expected their chief here sometime later this week.

Before their departure, Mr. Eden, Mr. Molotov and Mr. Smith agreed that the other conference delegates that separate direct military negotiations would be held on Laos and Cambodia. They already are under way for Viet Nam.

Cambodian Foreign Minister Phan opened discussions with Chou yesterday. He was not expected to return to Phnom Penh until tomorrow.

County Phone Users Vote For Single Book

MAHARONCK, N. Y., MONDAY, JUNE 21, 1954

White Plains -

A majority of Westchester telephone subscribers favor return to a single directory for the county, according to a poll taken today.

While confirmation of the report could not be obtained, it was learned that at 10 A. M. Friday in New York Telephone Co. poll results showed that a large majority of those asked to be supplied with both books were "undecided."

Because of this development it is expected that much of the testimony which had been planned for Friday's session will be postponed until next week.

A new edition of the "upper" directory will be distributed starting next week. The closing date for material for the planned "lower" directory is Sept. 29.

The action came after the Board of Directors of the Westchester Telephone Co. met last night to discuss the proposed change.

Mr. Dewey said that the conference would take place next week about noon and indicated that the participants might meet at the County Office.

The Governor, who has neither confirmed nor denied the reports, told seven in New York City last Friday that he was "weighing" his future political career. He said he did not want to "weigh" his future political career.

Previously, Mr. Dewey had promised to reveal his political intentions this morning. He said he did not want to "weigh" his future political career.

Tribute To Fisher

At a special presentation ceremony yesterday in the office of T. James Ahern, superintendent of schools, the administrative staff of the Mamaroneck Public Schools paid honor to John C. Fisher, attendance supervisor, who is retiring at the close of this school year. The principal joined with the superintendent in thanking Mr. Fisher for his skillful and devoted services. On behalf of the group Mr. Ahern presented Mr. Fisher with a gold wrist watch.

Mr. Fisher, who resides in Larchmont at 71 Myrtle Boulevard, was appointed attendance supervisor in June, 1932, and has served the district since that time. He attended River-Chambers Seminary in Denmark where he received his teaching certificate. After teaching in "Denmark," he came to the United States where he studied at Columbia University and Cornell University.

Watt At Camp

Cadet David N. Watt, son of Mr. and Mrs. George W. Watt, of Larchmont, is attending a summer camp at Camp Larchmont, near Port Meade, Md. He is participating in a variety of field exercises designed to develop leadership skills and to increase technical knowledge.

Cadet Watt was graduated from Mamaroneck High School, where he was a football player, in 1931. At Larchmont, he is a member of Chi Phi fraternity and the ROTC honor society. He is also a member of the National Honor Society and the National Rifle Association.

He will be eligible for a commission as second lieutenant in the Army Reserve upon graduation next June.

Fremmen Aid Damman

A check for \$1,000 was presented to Mrs. Charles Damman, 13 Roosevelt Avenue, Larchmont, by the Board of Chiefs of the Larchmont Fire Department on behalf of the membership of the department following a special meeting of the department last night. The check was presented to Mrs. Damman by the Chief of the Larchmont Fire Department, Chief William Collins presiding.

People vs. Raccoons

Town residents may arm themselves against the depredations of marauding raccoons, according to a recent amendment to the State Conservation Law. This was brought before the town board at 10:10 A.M. when Town Board Chairman, Mr. W. D. Hedges, of 18 Norwood Lane, reported raccoons causing a disturbance around the Hedges' home during the night. Police obtained the facts from the Conservation Department in New York City.

Wullschlaeger Honored

Formal presentation of a medal to Arthur E. Wullschlaeger, Town Zoning Board chairman, and the awarding of gold commissioner's badges to each of the four junior members of the Board took place last night at the Redwood Avenue Police Station. Town Supervisor Owen A. Mandeville, made the presentation.

DECISION ON CAPALBO

RESERVED BY FANELLO

Judge George Fanello yesterday reserved decision on an affidavit of Rocco Leone of White Plains, attorney for Capalbo, of 414 Park Avenue, Manhattan, stating that because of prejudice and bias in the Mamaroneck case, Mr. Capalbo's trial for alleged violations of Village gambling laws should be held in the County Court, White Plains.

Combing The Town

Story Of Bottles

William A. Buck, freelance writer, of 75 Murray, Larchmont, is the author of an article entitled "The Strange Story of Bottles," featured in the July issue of American Mercury. Mr. Buck traces the history of all types and shapes of bottles throughout the centuries. Con- tains in value of this most com- mon container are made by com- parisons with a glass bottle in King Solomon's time, said to be worth many times, and a glass made by a New Jersey manufac- turer at a cost of a half a cent according to the article.

A resident of Larchmont for nine years, Mr. Buck has con- tributed to many magazines in- cluding Readers Digest, Think, Steady, and has also written previously for the American Mercury. He worked for the Bulletin-Index in Pittsburgh and was editor of the Post-Bachman magazine in New York City be- fore beginning his free-lance work.

Signal School Alumnus

Pvt. Walter H. Herlyn, son of Mr. and Mrs. Theodore P. Herlyn, of 45 Chestnut Avenue, Larchmont, has been awarded the radio operators course, one of the courses offered at the Southeastern Signal School, Camp Crockett, Okla.

Pvt. Herlyn, twenty-one, is a 1953 graduate of Syracuse Uni- versity where he received his Bachelor of Science degree in radio. While at college, he was a member of Sigma Alpha Psi and Sigma Phi fraternities.

He is a 1954 graduate of Ma- maroneck High School where he was active in football and hockey and was a member of the Glee, German and Variety M. Clubs as well as the orchestra. He entered the Army in October, 1953.

Birch At Bragg

Herbert W. Birch, son of Mr. and Mrs. O. L. Birch, 333 Half- moon Avenue, Mamaroneck, is one of 1,400 ROTC students from all colleges and universities who have started their six-week summer training at Fort Bragg, N. C. He will be home at the end of the year at the University of Maine in September.

Born in New Rochelle, Cde. Birch, a member of Code Cadet A, has lived in Mamaroneck for 10 years. He was graduated from Bellows Falls High School, N.H. Long active in Boy Scout work, he is assistant scoutmaster of Troop 1, St. Thomas Episcopal Church. He is a member of the Methodist Church and is active in its work.

Birch, an agricultural student specializing in poultry husbandry, was recently elected vice president of the Maine chapter of Sigma Phi Epsilon Fraternity and is a member of the Interfraternity Council. He lost the campus majority cam- paign by only 13 votes. A football player on the campus handball team, he received the U. G. D. Brawl award given a member of his fraternity showing the most scholastic improvement.

Hoeltzel On Duty

Cadet Frederick E. Hoeltzel, son of Mr. and Mrs. Howard Hoeltzel, of Palmyra Drive, Ma- maroneck, has arrived at the Ordnance Research Center, Training Corps Summer Camp at Aberdeen Proving Ground, Md.

Cadet Hoeltzel, twenty, a graduate of the Sacred Heart School, Scarsdale, and is a member of Theta Xi Fraternity, M.I.T., Cambridge, Mass.

What the dogs were doing during the peace of Shrove Tuesday, at 1:47 A. M. yester- day may have had to do with it is no means apparent, but that complaint is all that ap- pears on the Mamaroneck police blotter up to 9 A. M. today.

In any event, for a period of more than 30 hours there were no reports of fire, fire, acci- dent or civil commission. The police are happy and Chief Joseph Grady is keeping his fingers crossed.

Teachers' Guide

The subscription of "Public Relations Handbook for Mamaroneck Junior High School" was an- nounced today by Dr. Helen Traiter Lewis, principal. Manu- script and illustrations, illus- trated with moderate art de- signs such as a "Jack in the Box" opening the section on "Discipline." It is designed for the orientation of new teachers and as a compact reference aid for the entire faculty. The book is being issued in loose-leaf form in order that current bulletins and additions may be added.

The handbook presents in the work of two teacher committees. One group issued a tentative ed- ition, but later the present com- mittee revised and added to the original edition.

The Handbook Committee con- sisted of Miss Mary Jean Black, Mrs. Martin Hott, Mrs. Barbara Menza, Mrs. Helen Murray, Mrs. Andrew Manchester, Mrs. Doreen D. Bob Owen, Joseph Skovvick, Herbert Kruger, John Greany, Frank Marshall, Robert Peckridge, and Raymond Simon, chairman. The art work was done by Donald Wyckoff.

President, Churchill Commerce Talks On East-Asian Problem

Guatemalan Rebels Set Up Provisional Regime In Country

Try To Reach Accord On Anti-Red Line Of Action

WASHINGTON (AP)—President Eisenhower and Prime Minister Churchill come to grips today with the hard core of present British-American difficulties, what to do about halting Com- munist conquest in southeast Asia.

Diplomatic observers said it seemed possible that by the end of the Washington talks—slated to go through this weekend and perhaps longer—the two heads of state might agree on some line of action. There was no indication of what that line was, but it was getting hot.

The U. S. position up to now has been that urgent measures are needed to form an anti-Com- munist alliance which would in- clude Britain, the United States and other countries with direct security interests in southeast Asia. Mr. Eisenhower presu- mably was prepared to urge Churchill to join in such an undertaking.

The British position, most re- cently stated by Foreign Secre- tary Eden, is that a defensive alliance could be effective in the long run but that it should be paralleled by a sys- tem of nonaggression guarantee, which would include Communist nations as well as others.

American officials have re- quired the nonaggression pact idea as involving Communist prom- ises which could not be trusted and as a potential obstacle to real security system.

There was agreement in Brit- ish and American thinking, it was understood, on the point that the neutral position as between the two camps is a good one, and that should have maximum ap- plication to all countries.

U. S. Secretary of State Dulles and Mr. Eden planned talks today at the State Department. Today's schedule included Mr. Dulles and Mr. Eden, a luncheon at which the president arrange to bring together the British vi- sitors and leaders from the U. S., Seattle and Moscow.

DEMOCRATS LAY ELECTION PLANS

Gilbert Predicts 50,000 Votes Can Swing State In Fall

Phil E. Gilbert Jr. told the Mamaroneck village Democratic Committee last night that 50,000 votes may swing the New York State election next fall. Every Democratic worker and candidate he said, should make him- self responsible for some of that margin.

Mr. Gilbert, recently design- ated Democratic candidate for Assembly from the 4th District, spoke at a special meeting of the committee to discuss the elec- tion campaign. He was pre- sided over by the chairman of the committee, Mr. Louis Chisholm, acting chairman of the Democratic Party in the State.

Mr. Gilbert said that the many new Democratic work- ers in each county and state in- spectors preliminary instructions for next fall's election. He in- troduced Martin B. Paul, a County Judge, to the com- mittee.

U.N. Delays Action On War In Guatemala

UNITED NATIONS (AP)—Up- oning Russian demands, the U. N. Security Council decided today to delay action on the Guatemalan war until the Organization of American States makes its own investi- gation.

The 11-nation council declined to adopt an agenda listing Guate- mala's complaint that Rondon- es and Nicaragua were still con- ducting aggression in defiance of the council's cease-fire call of last Sunday.

The motion for his adoption needed seven votes to pass. It got only four, while five votes were cast against it and two were abstained.

This postponed debate inde- finitely. The council's agenda in- stead of the Guatemala case, was to investigate the Guate- malan charges through its five- member inter-American commit- tee.

Brazil and Colombia—with U. S. support—had proposed this. But the Soviet Union, backed by Communist-controlled Guatemala, had demanded measures to put an end to aggression in Central America.

Mr. Gilbert, recently design- ated Democratic candidate for Assembly from the 4th District, spoke at a special meeting of the committee to discuss the elec- tion campaign.

Mr. Gilbert said that the many new Democratic work- ers in each county and state in- spectors preliminary instructions for next fall's election. He in- troduced Martin B. Paul, a County Judge, to the com- mittee.

Turn On Green Only

Mamaroneck police are now enforcing a "no right turn on the red light" ordinance from Mamaroneck Avenue to the Boston Post Road because of the hazards to pedestrians passing to and from Harbor Island. Acting Chief Jeremiah Geary said this morning.

Formerly, a flashing green arrow sign was in operation, giving drivers the right to make turns after coming to a full stop. Acting Chief Geary said many drivers failed to stop at the intersection and that complaints from motorists have forced Village Manager William H. Johnson to take out the green arrow.

Drivers will have to wait for the green light for Mamaroneck Avenue, the acting chief said. A patrolman will be stationed at the corner throughout the summer to enforce the law.

Sergeant In Korea

Sgt. Roger Schackinsky, son of Mr. and Mrs. Edward Schackinsky, 239 Broadway Avenue, Mamaroneck, was promoted to his present rank following his successful completion of two weeks schooling in Korea, where he is stationed with the 27th Infantry Regiment of the 43rd Division.

Sgt. Schackinsky is a graduate of Mamaroneck High School where he was active in sports. He was employed by the Con Edison Co. in Astoria, O., before entering the service in November 1953.

He received basic training at Fort Dix and was given eight weeks leadership training at Fort Lewis Wash., before being transferred to Korea in July 1953.

N.Y. BUS CRASHES, 11 ARE HURT

Two Seriously Hurt As Vehicle Rams Wall In East Bronx

NEW YORK (AP)—A crowded bus crashed into a concrete abutment in the East Bronx early today, injuring 11 persons, two seriously.

The driver said he swerved at 17th Street near Havermeer Avenue to avoid hitting an automobile which had cut him off.

The bus struck the abutment at 2:45 A. M.

The driver, James Wilson, 742 E. Nicholas Avenue, was trapped behind the wheel.

Passenger, Alexander Frazier, 47-year-old, of 379 University Road, the Bronx, was also pinned by the impact.

Another bus was forced by police. Mr. Wilson and Mr. Frazier were taken to Fordham Hospital, where their conditions were reported as serious.

Mr. Frazier's right foot was amputated. The hospital said the driver had suffered a compound fracture of the right leg.

The Transit Authority was notified. The bus was on its way to West Farms from Queens.

U. S. Girls Win At Wimbledon

WIMBLEDON, England (AP)—Defending champion Maureen Connolly won her second title today, and second-seeded Doris Hart of the United States won the quarter-finals of the Wimbledon tennis championships today with a pair of quick four-rounder victories.

Miss Connolly needed only 30 minutes to dispose of Britain's Angela Buxton, 62, 6-0, and took Miss Hart just one minute longer to defeat Nicole Pietrangeli of Italy, 61, 6-1.

Louise Brough of Beverly Hills, Calif., seeded fourth, won just as easily from Barbara Bradbury of Reno, Nev., 61, 6-0, in another half-hour match.

Tracy Trabert of Cincinnati, the American champion and top-seeded player in the All England tennis championships, rounded Australia's Mervyn Rose, 62, 6-0, 7-5, to enter the semifinals of the men's singles today.

Gwinn Urges Control Of Union Funds

WASHINGTON—A bill designed to place union welfare funds under federal and state control and make all transactions involving such funds open to public inspection was introduced today by Representative Ralph W. Gwinn of Brooklyn.

The bill, which would require the House Committee on Education and Labor to report to the Senate the results of its investigation of union welfare funds and in keeping with the proposal by President Eisenhower in his message on labor last January.

Mr. Gwinn asserted that the bill "will correct glaring deficiencies in these matters." He said that the bill would require the House Committee on Education and Labor to report to the Senate the results of its investigation of union welfare funds and in keeping with the proposal by President Eisenhower in his message on labor last January.

Combing The Town

Pool Quiz Deadline

Midnight tomorrow is the deadline for mailing back the cards covering the proposed Town of Mamaroneck swimming pool. Walter E. Wagner Jr., chairman of the Survey Committee, announced today. So far, he said, only 170 of the 930 cards mailed have been returned.

The questions on the return card should be fully answered, Mr. Wagner said. Because only through these answers can the committee come to a decision as to the recommendation it should make to the Town Board.

Those who have misplaced their post cards are urged to inquire at the Mamaroneck Town Office, 118 West Post Road. To count they must be post marked and before midnight tomorrow.

Local "Whodunit"

A mystery story entitled "Thin Air" with Larchmont as the locale has been published in book form.

The author is Harold Bruner, better known to the mystery reading public as John Erskine, who lives at 35 Old Colony Drive, Larchmont. The novel, however, was written under his own name. The story first ran in Cosmopolitan magazine last October in serialized form, and is now a full-length "whodunit."

At NEA Parley

Walter Ludwig, retiring president of the Mamaroneck Teachers Association, and Edna Stephens, vice president of the same group, are delegates to the 92nd annual convention of the National Education Association this week in New York. Mr. Ludwig is representing the local association and Mrs. Stephens the Westchester County Teachers Association. The convention will be held at the Madison Square Garden, several sessions will be held at the National General Assembly Hall on the subject of "Education and the United Nations." Nationally known speakers will address the 20,000 teachers and educators who are attending the session.

Gift From Class

David Donald Ross, as president of last night's graduating class at Bellows High School, presented a silver tea service and tray to the school. It was a token of appreciation, he said, from each member of the class.

In accepting the gift, William C. McLaughlin, school principal, expressed his thanks and issued an invitation to the class that they returned often as alumni to be served from it.

Turning to the class, he said that the seniors deserve the honors "you are receiving here to night. School is a preparation for life in the child's most formative years. It teaches the democratic process of cooperative living."

Review Board Set Up

The Mamaroneck Board of Trustees will act as a Review Board for hardship cases coming under the State Multiple Dwelling Law, effective July 1, for all such residents in the village. The Review Board, requested by Claude Lattimer, village engineer, was unanimously set up last night at the meeting at Municipal Hall.

Mr. Lattimer has been empowered to file orders of summary ejectment for any of a number of violations set under the new law. The owners have been notified. Mr. Lattimer stated that he will have a 30-day grace period following the Thursday deadline. During the Thursday deadline, the Trustees, acting in Review Board capacity, will review all cases violations after the owners have made their appeal.

Squirrel Has Whirl

An injured squirrel was found yesterday afternoon by a boy along Myrtle Boulevard and was found the animal was through, it had bitten a boy, escaped and followed him, forced a policeman and a Mamaroneck Society representative to smoke him out, and made friends of both of them.

Mr. Lattimer, of 22 Myrtle Boulevard, reported at 1:10 P. M. that the squirrel had bitten John Brason, thirteen, of 81 Myrtle Boulevard on the left index finger. John was treated by Dr. Charles Weiler, and released.

Then P.D. James Knox investigated and found the animal in a hole in the wall of 20 Myrtle Boulevard. He and the Society representative proceeded to smoke the squirrel out, but set the squirrel on the loose.

They captured the squirrel and put out the blaze with a garden hose. The squirrel was carried off to Society headquarters.

SENTENCE SUSPENDED FOR PETTY LARCENY

Two employees of the Port Chester Electrical Construction Company, one of whom is Mamaroneck man, were given 25-day suspended sentences, this morning by Assistant Judge Peter Herbert Ritz, for their part in selling a junk goods store.

The men, Theodore Dineen, 318 Northrup Avenue, Mamaroneck, and William Henderson, twenty-one, of 32 Horton Avenue, Port Chester, pleaded guilty of the charge of petty larceny.

According to police they were breaking into the yard of the retail company and seized public articles in violation of the rules; then sold the whole lot to him. Investigating the matter they found a number of electrical articles, cables and tools in a Port Chester junkyard.
