

COVING TOWN

New Army Officer

Second Lieut. Harry C. Gifford, 23, son of Rev. and Mrs. Frank Dean Gifford of 371 Prospect Avenue, Village, is home on 10-day leave following graduation Saturday from the 13th Officer Candidate Class, Medical School, at Carlisle Barracks, Pa. Dr. Gifford, rector of St. Thomas's Episcopal Church, Mrs. Gifford and their daughter, Eleanor, attended the graduation exercises over the weekend.

Lieut. Gifford entered the service as a private last June, following graduation from Yale University, where he majored in history and political science. He was admitted to officer training in medical administration of the Army Medical Corps three months ago. At the end of his leave here he will report for active duty to Camp Pickett, Va.

Lieut. Gifford attended Mamaroneck Junior High School and the Westchester Normal School in Connecticut.

Late Registration

All those still without No. 2 War Ration Books can register for the new point system starting at Mamaroneck - Harrison-Rahoningh Road headquarters, 621 Westchester Avenue, Village, Wednesday, Thursday and Friday, 9 a. m. to 5 p. m. Chairman John V. Baum announced today. Hours of registration are from 9 a. m. to 5 p. m.

Ready For Duty

Norman O'Connell, son of Mr. and Mrs. Raymond T. O'Connell, 765 Madison Avenue, Village, now junior at the University of the South, is due to report for duty in the Army, 101st Cavalry, at Fort MacArthur, Calif. March 15. It was learned that O'Connell follows High School graduates in enrollment in the university's school of business and public administration.

Supervisor Returns

Town supervisor Edward A. Mandel was back at his desk in Town Hall this morning after a 10-day personal business trip to New York and Washington. The new supervisor will preside for the first time at the next Board meeting, at the Westover Street Fire station Wednesday night at 8 o'clock.

Wins Promotion

Capt. Garnet T. Trainor of Greenhaven, now on active duty in the 2nd Infantry, has been promoted to Major in the Corps of Intelligence, has received his major's commission, according to Mrs. Trainor who is presently home at the Shelton Street, New York City.

Major Trainor wrote his wife of the impressive ceremony held by the Marines on Guadalcanal when the Army took over, saying that the lieutenant's all stood by attention and sang their "Marine Corps Hymn." The new decorations around the soldier, now he said, are a few last-strapped, frightened Jap bands.

Daily Tabulation

Beginning tomorrow, The Daily Times will carry a daily tabulation of the percentage of contributions collected in each district in Mamaroneck's Red Cross campaign to raise \$15,000. Lawrence Quinnivan, War Fund chairman, announced today that such tabulations will show the percentage of possible contributors in each district who have been contacted and have given their support to the drive.

African Souvenirs

Prof. Ed C. Pransky, 21, son of Mr. and Mrs. Lewis Pransky, 100 Mount Pleasant Avenue, Village, has sent home from North Africa, where he has been with the Army's Engineering Division since last October, a number of native-made articles which his uncle here has put on display. Slippers, shopping bags, hand purses, bookends and a crocheted dish, may be seen in the window of the Playhouse Book Shop on Mamaroneck Avenue. Uncle Sam Dranschick said today. The Mamaroneck High School graduates spent \$194.75 American money for these articles.

Two Policemen Hurt At Riot In Grill

Two White Plains policemen were injured attempting to arrest two Negro soldiers at Drury's and Grill, Madison Avenue, that city, and extra were called out to handle a crowd estimated at 1,000 persons shortly after 9 o'clock last night.

Detective John Donnelly reported accusations of both sides were caused either by a knife, fragments or teeth of one soldier, and Sgt. Stephen B. Kelly, who was kicked in the groin but not seriously injured.

In City Court today the cases were adjourned until March 10, when military authorities requested that the soldiers be turned over to them.

Viereck Convicted Reversed By Court

WASHINGTON, (AP)—Asserting that a government prosecutor "may arrive hard headed but not 'fool' ones," the Supreme Court reversed today the conviction of George Viereck.

Charges of failing to give the State Department full information concerning his alleged activities as a Nazi agent in this country.

EIGHT MENTIONED FOR 2 VACANCIES ON TOWN COUNCIL

One From Village, Another From Unincorporated Area To Be Named CHOICE EXPECTED SOON

Town Republican Committee Slated To Present Men For Vacant Posts

With two councilman posts to be filled, the Republican Town Board is casting about for prospective candidates for the vacancies created by the entry of a supervisor and councilman into the army service and the death of a third councilman.

The vacancies call for representation from the unincorporated section and the Village of Mamaroneck. Among those being mentioned as possible candidates are: Walter C. Burbank for the unincorporated section. As a Mamaroneck Village representative, those reported under consideration are: William H. Johnson, Charles L. Embury, Victor H. Stempel, John J. McLaughlin, and Walter C. Burbank for the unincorporated section. As a Mamaroneck Village representative, those reported under consideration are: William H. Johnson, Charles L. Embury, Victor H. Stempel, John J. McLaughlin, and Walter C. Burbank for the unincorporated section.

Colorful Program Presented To Capacity Audience At Playhouse

Mamaroneck Playhouse featured a colorful Red Cross pageant last night during the regular show. A capacity audience burst into spontaneous applause as their "friends and neighbors" who had been introduced by Manager Charles Goss, illustrated for them the many ways in which the Red Cross is helping the nation and the world.

George W. Blizard, Jr., Mamaroneck's only Red Cross field director, explained the story by quoting the motto of the field directors: "When an emergency comes, meet it."

There is an emergency now, you meet it," Mr. Blizard concluded in a reminder that March is Red Cross month and that an active volunteer is needed to raise \$15,000 stated yesterday in Mamaroneck.

Marion Crawford Adams, of Mamaroneck, executive secretary of the Westchester County chapter of the American Red Cross, explained that 65 percent of all the money raised locally and throughout the nation will go into uniforms and the armory forces. These services are: blood plasma collection, original dressings and knitted garments, home service, Red Cross nursing service, 100 centers here, and the field directors who so wisely direct the troops are sent.

The pageant opened with the presentation of checks by members of the Junior Red Cross, Mrs. Charles Hanna, in uniform as the American Red Cross, Mrs. Hanna explained that every dollar contributed to the War Fund campaign here was working to help the nation.

In speaking of the local committee, Mrs. Hanna said that they are the whole picture of the Red Cross at work. "The strength of the American Red Cross is in the line, energy, and talent of its volunteers. Mrs. Hanna stated: "And in Mamaroneck all of our work of this committee was explained in a few words as the stage with a final blessing of white, green, yellow, gray and red uniforms and insignia made a background for the entrance of two Red Cross nurses in the traditional army dress.

Those who took part in the tableau included: Colleen Kearns, Daniel Warren Brown and Roland Baskin, Mrs. Helen and Emily Howard; Mrs. Marion Crawford Adams, Administrators, Mrs. Harry E. Fosby and Mrs. William H. Cantler; Production, Mrs. John W. Roberts; First Aid, Miss Lillian Butler; for Mrs. E. D. Deverich and Harry Polinsky; Director, Frank Mrs. R. P. Brewer; Home Nurse.

NEW VANDALISM WAVE BREAKS

Two Westchester County union leaders are charged with an attempt to extort \$100,000 from the builders of part of the huge Deane Avenue Aqueduct project, in an indictment returned by the New York County Grand Jury.

The defendants are William J. McGreevy, president of the Westchester Building and Construction Trades Council representing 20,000 members of 35 American Federation of Labor locals, and Maxine J. Parkinson, business agent of Westchester Local 137, International Union of Operating Engineers, an A. F. of U. union, with some 100 local members.

Both are residents of Yonkers and were released in a bond of \$50,000 each, on Saturday. McGreevy is chairman of Local 137, while Parkinson is president of the local.

In addition to their union activities, both are draft officials in Yonkers. McGreevy is president of the Yonkers Draft Board, while Parkinson is president of the Yonkers Draft Board.

Nazis Make 3-Mile Gain In Push To Beja

OUR LINES HOLD

By The Associated Press

Axis attacks toward Beja, in Northern Tunisia, were disclosed today to have progressed three miles beyond Sidi Nsir, which is 18 miles northeast of Beja and 40 miles of Tunis, despite great losses inflicted by Allied ground and air forces.

This disclosure came shortly after an Allied Headquarters communique announced that enemy attacks in the north generally were on a reduced scale but that northward raids on the campaign on Cagliari, Axis support port, where four ships were reported hit.

Bad weather restricted operations in the north. Flying Fortress carried out one of the heaviest raids on the campaign on Cagliari, Axis support port, where four ships were reported hit.

The Germans reported their full weight into the Beja thrust after repeated scores of hits on the town, it was stated, and Allied forward units fought to the last man, taking a heavy toll, before ground was given.

Air support by RAF Spitfires and Hurricane fighter-bombers was described as "magnificent" and pilots reported scores of hits on the town, it was stated, and Allied forward units fought to the last man, taking a heavy toll, before ground was given.

French resistance at Medjez-Bel-Abad, Axis thrust in tanks and infantry all day in an effort to pierce Allied positions.

COMING TOWN

Not a Candidate

Village Manager William H. Johnson, who has been mentioned as a possible candidate to fill one of two vacancies on the Town Council, is not interested in the position, he stated today.

Mr. Johnson said he is unable to attend to any additional responsibilities at this time as he is occupied with his duties as village manager and as an officer in the local volunteer fire department.

Blackbirds Arrive

A flock of blackbirds was noted here today upon arrival from Southern Water, quarters by Thomas Skinner of the Friendly Bites Greenhouse, Manamontick. Mr. Skinner says that the "grackles" usually precede the blackbirds, the latter, the robin, by a week or 10 days. All of which means that Spring will be on its way, and not ahead of time, according to Mr. Skinner.

Dog Census Drops

Because some dogs have gone to other parts of the town, the dog census for the year closed at 1,000, down from 1,100 in 1943. The dog census for the year closed at 1,000, down from 1,100 in 1943. The dog census for the year closed at 1,000, down from 1,100 in 1943.

Returns To Base

Thomas Alan Smith, now returning to his home in the U. S. Coast Guard has returned to his home in Philadelphia at 10 days sick leave with his wife, the former Jane Ellen Smith of Edgewood Avenue, Manamontick. The guardian was taken from his ship to a Philadelphia hospital where he underwent an operation for appendicitis.

Still Time—

Charles M. D. Reed, in charge of the village fund, reported today that February's tax collection in the village was substantially better than January's and said that all who missed the February quota will still get the village quota by delivery of their checks to the village dump at Rock and Pine Avenues before Wednesday when the next payment goes out in the March delinquency plan.

COMING TO THE TOWN

On African Front

Seeing the names of former hometown builders in the columns of the Daily Times is "like a letter from home" to James J. Mank, former resident of 18 Woodbine Avenue, Larchmont, now a corporal with the Army Medical Corps "somewhere in North Africa." Corp. Mank, a graduate of Mamaroneck High School in 1921, wrote The Times as follows:

"Receiving The Times is like a letter from home here where the shells are falling in North Africa. I noticed the names of many of my friends on the Honor Roll published recently and I run across men from home occasionally but none I hope that when this business is over, I'll be able to meet them again. Good bye to now and good luck."

Poor Robin!

The robin, reported slain yesterday afternoon by Ed Jobb of 215 Mamaroneck Avenue, was in a rock chink this morning when Winter staged a comeback.

The robin, harbinger of Spring, is the first reported to have been seen yesterday by Thomas, who is reported to The Daily Times.

Returns To Base

Pvt. William P. Peterson, 26, of the U. S. Marines, son of Mrs. Margaret Peterson, 3 Addison Street, Larchmont, returned yesterday to the Marine Base at New River, N. C. after a three-day tour of duty. He has just completed the field telephone operator's course and is slated for advanced training communications.

Pvt. Peterson, a graduate of Mamaroneck High School, was employed in the Larchmont office prior to his induction last October. He was married to the former Edna Marie Prohn of Larchmont, who is now residing with her mother-in-law.

Reports For Duty

John Walter, 29, son of Mr. and Mrs. D. H. Walter, 127 Kensington Avenue, Village, was reported for duty at an Atlantic City Army Air Base, his mother announced today.

William C. DeLoach, 18 Stamford Avenue, Larchmont, was reported for duty at the Naval Reserve Midshipman School at Annapolis, Md., where he is a graduate of Mamaroneck High School.

At Naval School

Midshipman Daniel J. Crimmins, 21, son of Mrs. Elizabeth Crimmins, late Michael Crimmins, 18 Stamford Avenue, Larchmont, was reported for duty at the Naval Reserve Midshipman School at Annapolis, Md., where he is a graduate of Mamaroneck High School.

For a four-month training period leading to a commission as an ensign in the Navy, he was formerly employed as an accountant for the New York office of Great Lakes Corporation. He graduated from New York University in 1939.

Cadet In Training

Aviation Cadet Roger R. Rice, 23, son of Mrs. Clara S. Rice, and of the Mrs. E. H. Rice, for many years the editor of The Daily Times, has entered the final phase of cadet training at the Army Air Force Advanced Flying School, Maxwell Field, Ala. He is slated to receive his commission and silver pilot wings in mid-April.

The F. E. Bellows High School graduate entered the Army Air Corps last August, following his return from 10 months' training at Panama for the Texas Oil Company.

Home On Furlough

Leut. Henry (Hank) Blosny, 29, son of Mr. and Mrs. Henry Blosny, 40 Kane Avenue, Larchmont, is due home for a brief furlough after 10 months at the U. S. Marine Base at Quantico, Va. After a visit here, he will go to Guantanamo Bay, Cuba, for service with the Army. Leut. Blosny graduated from Mamaroneck High School and from Fordham College.

Naval Graduate

John H. Paul, 29, son of Mr. and Mrs. Joseph Paul, 115 Palmer Avenue, Village, was graduated last week from the Hospital Corps School at the Great Lakes Naval Hospital, at Great Lakes, Ill. Paul was in the rating of hospital apprentice, second class. He will be transferred to the Naval hospital for further training and operations before being assigned to duty at sea or at shore stations.

FALL INJURES WOMAN

Mrs. Corrie Miller, 14 Prospect Avenue, Village, was treated by Dr. F. B. Hunter, Mamaroneck police surgeon for bruises and lacerations when she fell from Prospect Avenue yesterday afternoon. She fell while walking down the hill toward Mamaroneck Avenue.

PRICE: FIVE CENTS

STANBINE CELEBRATES

Madame Chiang Kai-Shek addressed a banquet at Madison Square Garden last night in New York. She asked that hatred be done from the post-war world and cooperation among nations.

VALUE INCREASED

TWO GALLONS FOR FUEL OIL COUPONS

OPA Also Advances Date For No. 5 Stubs Five Days To March 8

DRIVING BAN MAY END

Washington Considers Lifting Of Pleasure Motoring Edict March 22

WASHINGTON (AP)—The office of Price Administration today increased the value of No. 5 householder fuel oil ration coupon two gallons over present value in Westchester and Fairfield counties.

No. 5 coupons will have a value of 10 gallons in all 17 eastern states and District of Columbia.

OPA also advanced by five days the date when No. 5 coupons may be used in Westchester and Fairfield counties. These coupons may be used on and after March 15 in Zone 5.

Class 2 coupons, generally used by apartment houses, office buildings and other large consumers, were advanced to March 15 as a householder large coupon. They will be valued at 100 gallons in the eastern area.

Paul M. O'Leary, deputy OPA administrator in charge of rationing, said the increasing value of coupons in the East is not to be interpreted as meaning the fuel oil supply there is used to any appreciable extent.

"We believe," he said, "the increase is desirable in that it will encourage the use of the rationing system and will help to stabilize the price of oil."

County GOP Chief Likely

To Seek Surrogate Post; Platt May Succeed Him

DISTRICT 3A TOPS

RED CROSS DRIVE

Team Captained By Dwight

Hatch Goes Into Lead With 44 Percent

Whispers and murmurs along the Dutchess County political high ways and by-ways, as the 1943 session opens, seem to indicate that a change in the County GOP leadership is likely to occur.

It is reported that the County GOP Executive Committee, which meets today, will select a new chairman and a new secretary.

It is believed that the County GOP will have a new chairman in the person of Dwight E. Hatch, who has been active in the County GOP for many years.

It is also believed that the County GOP will have a new secretary in the person of William J. Kuder, who has been active in the County GOP for many years.

The County GOP Executive Committee will also select a new surrogate for the County GOP in the person of James E. Heaton, who has been active in the County GOP for many years.

Nazis Forced Back

By Allies In Tunisia

TUNISIA

GERMANY RAIDED

By CARL C. GRANMER

Associated Press War Editor

Marshal Semyon Timoshenko's new offensive finally has forced the Germans to withdraw from the Lencidolus, which held hedgeway fortress of Rabev, 130 miles northwest of Moscow, the Nazis acknowledged today.

In Berlin, where fierce still raged from the R.A.F.'s greatest raid of the war, the German capital was a comparatively modest scene.

In Northern Tunisia crack German armored and infantry units of Gen. Jürgen Von Arnim yesterday broke and ran under the stout resistance and terrific artillery barrage of the British First Army.

Central Tunisia, too, British, American and French forces were slowly but surely making their way toward Marshal Erwin Rommel in his recent retreat.

The fall of Rabev was not claimed by the Russians, who in fact did not see the German capital.

The German High Command, however, said the fortress had been captured by the German forces according to plan.

The British Air Force struck at Western Germany for the seventh time in a week, though it was a comparatively modest success.

Knox Blames Absenteeism

For More Lost Time Than Strikes In War Factories

MEATS, CHEESE, BUTTER NEXT ON RATIONING LIST

Cooking Fats And Oils Also Expected To Be Added By OPA Order

Naval Secretary Reports Loss In Production Increasing For Past Year

WASHINGTON (AP)—Secretary of Navy Knox testified today he had received reports that time lost in war production was "many times greater than the time lost due to strikes or shut-downs," and that such loss of time and production had been "increasing during the past year, rather than decreasing."

Knox appeared before the House Naval Committee during consideration of a bill to curb absenteeism by requiring war contractors to report work absences to district boards with the view

TOMBERS

Long Hours of Duty

Joseph A. Barry, chairman of the Mamaroneck Observation Post, U. S. Aircraft Warning Service, today announced the names of volunteers who, during the month of February, completed 200, 300 and 400 hours of duty.

The following have given 200 hours of their time: James E. Hewson, M. O. Lander, Michael Marriano, and Harry Victor, Mamaroneck; Edward Graff, Edward Nimmo, Larchmont; Joseph M. W. Berg, Rye; and R. H. Meyer, Haverhill.

Those who have completed 300 hours are: Miss Maxine Oppenheimer, William R. Feltus, Larchmont; Miss Louise D. Apley, and Lawrence Marx, Scarsdale.

Victory Gardeners

Larchmont's Board of Trustees today sent out a call to rally all residents wishing to start a Victory Garden, individually or in groups, to register with the Village Clerk at the town hall, beginning prior to March 20 so that plans may be completed for securing the desirable land before the planting time.

It is enough interest is shown, the Board will try to secure vacant lots within the Village, and to provide for persons or groups who wish to plant vegetables and garden produce.

The plots of various sizes would be in different locations throughout the Village, and relatively close to each other, so that the use of a car would not be necessary.

Wins Sergeancy

Promotion of Corp. Joseph George, 29, son of Mr. and Mrs. Nicholas George, 129 Madison Street, Village, to the rank of sergeant was announced today by the Adjutant, Sgt. George, Mamaroneck High School graduate, at the barracks with the Coast Artillery, Camp Davis, N. C. Prior to entering the service he was a member of the Mamaroneck High School, where he was employed by the Robinson-Wagner Company, Inc., Waverly Avenue, Village.

At Naval School

Jack Kerey, 23-year-old son of Police Chief and Mrs. William J. Kerey of Larchmont, was transferred from the U. S. Naval Training Station at Great Lakes, Mich., for further training, to the Naval Reserve School at Hampton, Va., for further training as a yeoman on the basis of competitive examination and aptitude tests. He is a graduate of Mamaroneck High School, and his graduation from the yeoman school will qualify for a petty officer's rating.

Johnson An Author

The February issue of Public Management contains an article by Vilnius J. Johnson, editor of the Johnson explanation in mileage-gasoline service of village-owned vehicles, chiefly through a schedule of wage-collection schedule—three trucks now pick up garbage once a week, where formerly six trucks used to make three pickups a week.

Navy Radioman

William P. Berger, 20, son of Mr. and Mrs. K. Berger, 24 Hillcrest Avenue, Town, was home on Monday leave following graduation recently from the U. S. Naval Reserve Radio Training School at Annapolis, Md. He has reported back to the Naval Base at Norfolk, Va., to begin duties as a radioman, first class, Seaman Berger, a former carrier for The Daily News, was graduated from Mamaroneck High School. He was employed by Aetna Life Insurance Company in New York prior to his induction into the Navy last September.

Aerial Navigator

Auctioneers Coast Guard, Lt. Pradol, 22, son of Mr. and Mrs. Michael Pradol, 120 Fayette Avenue, Village, has begun the final phase of training as an aerial navigator at the Sea March, Tex., Army Air Corps Navigation School.

Cadet Pradol, a graduate of Mamaroneck High School and musician in civilian life, enlisted in the Air Corps a year ago February while attending the Potomac State Teachers College, majoring in music.

He is slated to win his silver wings and commission as a second lieutenant in the Army Air Forces in about 18 weeks.

Motorists Placed On Their Honor

WASHINGTON (AP)—From now on the Dept. of Motor Vehicle's policy enforcement of the driver's license is out of order of Police Administration, Fred Brown.

Brown, announcing the honor system arrangements yesterday, said also there is "no fair probability that the pleasure driving ban in the East may be lifted quickly by March 22. It depends on the gasoline supply situation, he said.

Stalling In Movies

MORSEVILLE (AP)—Theaters here have a preview today of the State's newest dramatic play entitled "Ballad" and telling the story of the siege of the Village of River city. The film will appear in Moscow theaters and copy will be shipped to other available places to the United States and England.

CHILDREN FINN SHETTER

Home in the unincorporated town section now displays the red and white flag of the Block Mother Plan, as in the photo above, will throw open their doors to welcome children away from home in case of emergency. Here Mr. Donald Friedman is shown at the door of his home, 20 North Chateaufort Avenue, greeting Judy Botler, Nell MacFarlan, and Clair MacFarlan. —Daily Times Photo.

50 Town Section Homes Fly Flags To Welcome Children In Emergency

Block Mother Plan Provides Haven For Youngsters During Air Raid

About 50 homes in the unincorporated town section now display the red and white flag of the Block Mother Plan. This flag signifies that there will be somebody grown-up to children during an air raid, and if an alert did that some mother or other neighborhood will always be there to welcome them.

It was determined last night that the Murrays Avenue School should be cradled during the emergency. The plan called for the Block Mother Plan, and Mrs. Donald Friedman was appointed to head the organization. The plan called for open houses throughout the community where children might be sheltered in case there were no adults in their own homes.

The first step was the parents and teachers that the children should have the emotional security of knowing that there will be somebody grown-up to them in case of an emergency. Mrs. Friedman was appointed to head the organization. The plan called for open houses throughout the community where children might be sheltered in case there were no adults in their own homes.

BELLOWS PUPILS RAISE FUNDS FOR WAR SCHOLARSHIP

Block Mother Plan Provides Haven For Youngsters During Air Raid

Students of P. E. Bellows High School, who have been raising money through their own efforts and without parental assistance, are organizing a fund aimed at providing a valuable wartime and post-war scholarship.

The money being raised will be used in the form of a scholarship to a student who is a member of the Bellows High School and who is a member of the Bellows High School and who is a member of the Bellows High School.

CHILD UNINJURED IN ODD ACCIDENT

Girl Suffers 'Mild Shock' As Truck Passes Over Her

Twenty-year-old Susannah Taylor came out of a hair-raising coasting adventure with nothing worse than a "mild shock" after her car was struck by a truck as it passed over her on the road at the intersection of the Town of Scarsdale and the Town of Mamaroneck, and which was reported to the police by Mr. and Mrs. Douglas L. Taylor, 33 Kinross Lane, Larchmont.

According to police, Edward Vier, 18 Hudson Place, Town, was driving his car along Broadway Avenue when he saw the young girl crossing at the intersection. He applied his brakes and tried to avoid hitting her, but the road was slippery and the truck passed over her and slid against a tree on Beach Avenue.

DEFENSE BULLETIN BOARD

MAMARONECK WAR COUNCIL, headquarters, Municipal Building; Mamaroneck 1890, Larchmont 3-8929. Unincorporated town section, Mamaroneck 275, Larchmont 3-8929. Short bluffs or warning sound by radio. Tin can collection—Wednesday and Thursday of third week each month. Information Center.

MAMARONECK VILLAGE POLICE CORRECTION

Through an error in the Village Clerk's office, cards were mailed to all auxiliary police advising them of a class in fire defense to be held on Tuesday, March 9. This class is for those who have not yet completed this course. All other cards directed to Mr. J. H. Brown.

WRITTEN ORDER NEEDED

No mail, supplies of printed forms and pamphlets, or moving picture time will be released from the Office of Civilian Protection in New York until a written order is received from this office. (Continued on Page Four)

MEAT AND BUTTER RATIONING DUE TO START IN APRIL

WASHINGTON, (AP)—The Government plans to ration meat, butter, margarine, cheese, lard and other cooking fats and oils under a single set of coupons in Ration Book No. 2.

This was learned today from informed authorities who withheld their names and comments, but with the raising of the question of what has happened to the nation's supplies in view of underground reports that civilians will get an average only about 10 pounds of meat weekly under rationing.

Each of the meat, butter, cheese and fat products is to be assigned point values as in the case of canned and processed fruits and vegetables.

The points will be interchangeable, that is, a consumer could use all his points for the purchase of any one of these rationed commodities or for any combination.

For example, a consumer could use all his points for the purchase of meat, butter, and the cooking fats and oils under separate sets of coupons. However, Ration Book No. 2 was held out for such a plan, and officials decided that it would take too long to prepare and distribute new ones, particularly where supplies of these items are being consumed at a greater rate than in the past.

Rationing of these foods has been scheduled to start April 1, but food and officials decided that it would be delayed until after the war.

NEW YORK POLICE EXAMINE ALL TRUCKS ENTERING CITY; 6,000 FOUNDS SEIZED

WASHINGTON, (AP)—The Government plans to ration meat, butter, margarine, cheese, lard and other cooking fats and oils under a single set of coupons in Ration Book No. 2.

This was learned today from informed authorities who withheld their names and comments, but with the raising of the question of what has happened to the nation's supplies in view of underground reports that civilians will get an average only about 10 pounds of meat weekly under rationing.

WAR HERO CABLES \$100 DONATION TO RED CROSS DRIVE

War Hero Cables Contributed \$100 to Red Cross Drive

An added incentive in the form of a \$100 donation from a soldier here has entered the Mamaroneck Red Cross campaign to raise \$10,000. This donation will be credited to the request of its donor, at the Red Cross office in New York City.

The donor is Capt. C. E. Quinn, a member of the Red Cross, who has been in the service since the outbreak of the war. He is a member of the Red Cross, who has been in the service since the outbreak of the war.

BOUNDARY CHANGE SOUGHT BY TOWN

Trustees Reverse Previous Stand: Spring Program To Begin Next Monday

Beginning next Monday the town of Scarsdale and the town of Mamaroneck will be united under a single municipal government. The town of Scarsdale and the town of Mamaroneck will be united under a single municipal government.

CHILDRAN UNINJURED IN ODD ACCIDENT

Girl Suffers 'Mild Shock' As Truck Passes Over Her

Twenty-year-old Susannah Taylor came out of a hair-raising coasting adventure with nothing worse than a "mild shock" after her car was struck by a truck as it passed over her on the road at the intersection of the Town of Scarsdale and the Town of Mamaroneck, and which was reported to the police by Mr. and Mrs. Douglas L. Taylor, 33 Kinross Lane, Larchmont.

NEW SUB-KILLER SPURS HOPES TO END SEA PERIL

Fleet of Destroyer Escorts Sliding Down Ways in Mass Production

WORRY CLOUDS CAPITAL

Food Shortage Threats, Meat Black Markets, Income Taxes Stir Alarm

By The Associated Press

WASHINGTON—The cheering news that the Navy's new sub-killer might provide the extra punch needed to knock out the Nazi U-boats menace this Summer was the silver lining today in a capital clouded with worries over food shortages, meat black markets and income taxes.

And the optimistic came in for their share of criticism as congressmen protested with near-vehement any immediate talk of a fourth year for the President and any further criticism of the military service records of his four-year term.

Naval authorities expressed fresh hope that Allied sea forces will be able to crack Germany's U-boat production program. Appeals were heard on Capitol Hill for quick decisions on bills to keep agriculture and other farm production from being hampered by a shortage of labor.

Simultaneously an unofficial farm labor organization composed of one representative from each of the 48 States is expected to be organized today in the White House.

Also heard in Congress were proposals for a new tax on income from the national manpower limit of 11,000,000 this year.

Meanwhile in the wake of announcements of price increases for maximums on other necessities, new controls over the slaughter of livestock and sale of meat.

Also eyed by the average American is the new tax on income from the national manpower limit of 11,000,000 this year.

Also heard in Congress were proposals for a new tax on income from the national manpower limit of 11,000,000 this year.

Soviets Take 144 Towns In Two Days; RAF Raids War Foundries Of Essen

U. S. N. R. hands his Red Cross contribution to Owen A. Mandeville, who recently succeeded him as town supervisor. Mrs. H. J. Millard, secretary, West Astoria Corps, Larchmont Branch, looks on. Commander McCulloch called on all residents to contribute to the War Fund drive. "This year," he said, "the American Red Cross faces a mighty task. Give as much as you possibly can. Don't let this worthy organization, or our boys in the service, down."

Male or female with book-keeping experience, in established business.

COMBING THE TOWN To Fly For Army

VOL. XVIII—No. 133

The Daily Times

MAMARONCK, N. Y., TUESDAY, MARCH 9, 1943

THE WEATHER

This afternoon, rapidly rising temperature, then falling slowly. Not so cold tonight as last night, with increasing gradually and becoming fresh by morning. Shade lights at 7:25.

PRICE FIVE CENTS

Aviation Cadet Frank Percy B... 25 son of Mr. and Mrs. Percy M. B... of 124 Palmer Avenue, Larchmont, has started on his final phase of pilot training at the Greenville Army Flying School, Greenville, Miss.

The former Mamaroneck High School student is a graduate of Winnsboro Preparatory School, Long Island, and a former student of Brown and Columbia Universities. Prior to entering the Army Air Corps, he was employed by National Screen Accessories, New York City. He had already received his CAA civilian pilot's license at N. Y. U. at the time of induction last September.

At present he is practicing cross country and night flying in a Cessna, a Larchmont resident, said today. He is slated to complete his wings and commission as a second lieutenant in about six weeks.

At Air Center Former Iona Prep School athlete, Cadet James M. Purcell, 21, son of Mr. and Mrs. James C. Purcell, of 13 Monroe Avenue, Larchmont, has entered the Classification Center at the Naval Air Center, Dayton, Ohio.

Enlists in Navy Thomas E. Parker, 19, son of Mr. and Mrs. Thomas E. Parker, of 305 Royal Park, Mamaroneck, left Friday for the Great Lakes Naval Training Station, Ill., following his enlistment in the U. S. Navy. He was a Junior at Mamaroneck High School, participating in football, basketball, baseball and hockey. He is a graduate of Joseph J. Parker, former village trustee.

Staff Corps Busy Uniform members of the Red Cross Staff Assistance Corps are on duty today at the County Trust Company and the Village Bank where collection boxes have been placed for contributions to the Mamaroneck War Fund Drive. It was announced today by Laurence A. Quinlan, chairman.

Fire in Garage Five of eleven gallons of gasoline in Eddie's Garage, 325 Boston Post Road, Larchmont, at 4 o'clock yesterday afternoon, causing slight damage to tools and equipment. Larchmont Fire Department reported today. Firemen upon arrival found a quantity of gasoline burning on the floor and hoses, and were forced to move west out of danger. All companies responded to the full alarm with Deputy Chief James Bernan in charge.

LIEUT. SCHERFF KILLED IN INDIA Lieut. Raymond Scherff, 25, only son of Mr. and Mrs. George Scherff, former Mamaroneck residents, had been killed in an airplane accident in India. It was learned here today. He was the pilot of a Flying Fortress which had recently participated in bombing runs on Japanese-held Bangkok, Burma.

Hit-Run Motorist Hunted After Crash Mamaroneck police were attempting today to trace the identity of a hit-and-run driver who struck a barbed wire fence owned by the Village Trust Company in Larchmont, Tuesday, March 3, 1943.

HELP WANTED! Male or female, with bookkeeping experience, in established local business.

GOOD SALARY Write Box No. 152 THE DAILY TIMES

FLOOD CONTROL PLAN APPROVED BY SUPERVISORS

Measure Passed in Time For Necessary Legislation At Albany

LENCHY DEBATE HELD

Parliamentary Motion a Voting Fails To Prevent Adoption Of Proposal

The Board of Supervisors yesterday in White Plains passed the proposed flood control plan after lengthy debate and parliamentary moves designed to prevent adoption of the measure—in time for presentation of necessary legislation at Albany.

As soon as the measure was referred by Supervisor William J. Armstrong, supervisors from Yonkers and Mount Vernon broke party lines to endorse the measure and in vain attempts to have those cities excluded from the plan.

At present he is practicing cross country and night flying in a Cessna, a Larchmont resident, said today. He is slated to complete his wings and commission as a second lieutenant in about six weeks.

Enlists in Navy Thomas E. Parker, 19, son of Mr. and Mrs. Thomas E. Parker, of 305 Royal Park, Mamaroneck, left Friday for the Great Lakes Naval Training Station, Ill., following his enlistment in the U. S. Navy. HOUSE DEADLOCK ON PAY-GO TAX STILL UNBROKEN

Two Compromise Proposals On Ruml Plan Rejected By Committee

FLOOR BATTLE CERTAIN

Action Leaves Future Of Pay-As-You-Earn Taxation In Doubt

WASHINGTON (AP)—Two compromise proposals to the Ruml income tax plan that would have less than 50 percent of the tax liability were rejected today by the House Ways and Means Committee, thus failing to break the deadlock on pay-as-you-earn taxation.

The plans rejected today were: 1. By Rep. Robertson, D., Va., to abate the 6 per cent normal and surtax bracket 13 per cent surtax on the first \$2,000 of 1942 income for all taxpayers. The normal rate, completely the 1942 federal income tax liability through a withholding tax to be deducted from pay. The 13 per cent in the higher income brackets would continue paying their taxes as usual.

2. By Chairman Douglas to apply the much stiffer 1941 rates and exemptions for 1942 income and for the taxpayers remaining in the remaining 1942 obligation over a relatively short period of time while the normal rate is in effect for the current year. This would have been a compromise for a large number of persons and reduced the 1942 tax liability.

The committee's action left in doubt the future of pay-as-you-earn taxation. It was certain that the House would pass the Robertson and Douglas proposals. The committee's action left in doubt the future of pay-as-you-earn taxation.

At the Capitol, Chairman Bloom, D. N. Y., of the House Foreign Affairs Committee said in a statement that "it is very unfortunate that Ambassador Standley said it the way he is reported to have said it."

"In looking up the Russian newspapers we find they carry every full report of American military assistance to Moscow. 'Blood for blood' they carry every statement of Lend Lease Administration officials. It is a disgrace that we have not received this publicity in the Soviet Union."

"I am of the opinion that reports of our aid to Russia, which have been given out fully in the Soviet Union, are a disgrace to our country. The undersigned says that the United States in the great enterprises in which we have been joined for the purpose of defeating the Axis tyrannies and securing the security and welfare of the people of the United States, we have not been able to do so in a way that is understood and understood among all of them."

In his opinion, Standley said he was not understanding and true. Standley's remarks could not have been in "blood for blood" but he was in doubt on that just as understanding among all of them.

Concluding, Standley said he was not understanding and true. Standley's remarks could not have been in "blood for blood" but he was in doubt on that just as understanding among all of them.

Rep. Eaton, R. N. J., a member of the House Foreign Affairs Committee, said today that Ambassador Standley "has performed a public service in making his statement in Moscow."

Turning Standley's assertion a revelation of "an unfortunate and serious situation. Eaton added that the matter should receive the "very serious attention of our State Department."

His comment to reporters came as the House prepared to resume debate on extension of the Lend Lease Act, under which quantities of war supplies have been furnished Russia along with other United Nations.

San. George, D. Ga., of the Senate Foreign Relations Committee, said he did not understand why Standley is "talking this way unless it's for consumption here at home."

WILKIE AROUSED NEW YORK (AP)—Wendell L. Wilkie today characterized as "drastic and ill-considered" recent statements by government officials concerning United States relations with Russia.

"One government representative has said that the Russians are the Russians after the war is over," Wilkie said in a statement. "Another government official has said that the Government today is playing us two ways. One way is to give us the fact that we are helping her with materials and by her fight on other fronts."

The danger point brought out during yesterday's victory garden tour was the danger of digging up old grudges. It was pointed out that the Japanese have been treated with leniency in the past. The danger point brought out during yesterday's victory garden tour was the danger of digging up old grudges.

50 Nazi Tanks Lost In Battle; Russian Envoy Stirs Rift

Nazi Marshal Erwin Rommel was declared officially to have lost 50 tanks and fallen back into the hills along the Mareth Line in Southern Tunisia today after six violent but unsuccessful thrusts against the British 8th Army and Axis tankbacks were reported in two other sectors of the Tunisian battle theater.

In the North, an Allied communiqué said, the Germans were forced to withdraw after launching an attack on the Mareth line west of Sidi Barrani and 42 miles west of the Mareth line.

Allied troops captured about 200 prisoners before the Germans retreated, it was announced. To Lower Central Tunisia, French troops operating near the Chott Djerid (salt lake) region 100 miles northwest of the Mareth Line occupied the Town of Touer, 50 miles west of the Mareth line.

Allied troops were reported to have captured 50 Italian 20 mm anti-aircraft guns. The British 8th Army and Axis tankbacks were reported in two other sectors of the Tunisian battle theater.

Allied troops were reported to have captured 50 Italian 20 mm anti-aircraft guns. The British 8th Army and Axis tankbacks were reported in two other sectors of the Tunisian battle theater.

In the North, an Allied communiqué said, the Germans were forced to withdraw after launching an attack on the Mareth line west of Sidi Barrani and 42 miles west of the Mareth line.

Allied troops captured about 200 prisoners before the Germans retreated, it was announced. To Lower Central Tunisia, French troops operating near the Chott Djerid (salt lake) region 100 miles northwest of the Mareth Line occupied the Town of Touer, 50 miles west of the Mareth line.

Nazi Forced Back In Two Other Sectors

Nazi Marshal Erwin Rommel was declared officially to have lost 50 tanks and fallen back into the hills along the Mareth Line in Southern Tunisia today after six violent but unsuccessful thrusts against the British 8th Army and Axis tankbacks were reported in two other sectors of the Tunisian battle theater.

In the North, an Allied communiqué said, the Germans were forced to withdraw after launching an attack on the Mareth line west of Sidi Barrani and 42 miles west of the Mareth line.

MOTHER KILLED; GARDENER HELD

Yonkers Man Admits Slabbing Woman To Death In Her Apartment

Yonkers police today held a 46-year-old gardener for killing his 34-year-old paramour, mother of five children, with 30 stab wounds. Detective Frank Clibbett said the man confessed when he arrested him dancing with another woman at a nearby tavern.

The body of Mrs. Rose Mary Powers was found by two of her children in their apartment at 222 Riverside Avenue, Yonkers at 7:30 last night.

Police obtained information which led them to Patsy D'Errico, Nureyeva, who had been seen with Mrs. Powers for the last 15 months since her husband left to take a war plant job.

D'Errico said he became angry when he learned that an unidentified man who took them home from a tavern Sunday night, and dropped him out first but purchased a bottle of whiskey for Mrs. Powers.

His comment to reporters came as the House prepared to resume debate on extension of the Lend Lease Act, under which quantities of war supplies have been furnished Russia along with other United Nations.

San. George, D. Ga., of the Senate Foreign Relations Committee, said he did not understand why Standley is "talking this way unless it's for consumption here at home."

WILKIE AROUSED NEW YORK (AP)—Wendell L. Wilkie today characterized as "drastic and ill-considered" recent statements by government officials concerning United States relations with Russia.

"One government representative has said that the Russians are the Russians after the war is over," Wilkie said in a statement. "Another government official has said that the Government today is playing us two ways. One way is to give us the fact that we are helping her with materials and by her fight on other fronts."

The danger point brought out during yesterday's victory garden tour was the danger of digging up old grudges. It was pointed out that the Japanese have been treated with leniency in the past. The danger point brought out during yesterday's victory garden tour was the danger of digging up old grudges.

In Larchmont the first of a series of union Lenten services will be inaugurated by St. John's Episcopal Church and the Larchmont Avenue Church. The Rev. Robert W. Scarle, D.D., general secretary of the Greater New York Federation of Churches, will deliver the sermon at the Larchmont Avenue Church, where the initial program will start at 8 P. M. with a service of music, under the direction of Charles W. Kitchell.

St. John's will also hold a Lenten service at 8 P. M. on Wednesday.

Special Ash Wednesday Services To Be Held In All Local Parishes Ash Wednesday tomorrow will mark the advent of another Lenten season as churches of Mamaroneck and Larchmont hold special services.

OMBRING THE TOWN

Survives 'Accident'

Seaman Charles Frobner, 22, son of the late Mr. A. W. and Mrs. Frobner, former Larchmont resident, was on the destroyer U.S.S. Blue, which sank in an action in the Solomon Islands in 1942. Frobner, 21, was assigned to the ship as a deck officer. He was the only survivor of the ship, which was destroyed by a Japanese submarine. Frobner was rescued by the U.S.S. Blue after being adrift for several days. He is now in the hospital at the Naval Medical Center in New York City.

In Sea Battle

Among those who participated in the recent Battle of the Coral Sea, off New Guinea, which resulted in a destruction of the Japanese fleet, was a young man, William J. Pavich, of Larchmont. Pavich, 22, was assigned to the ship as a deck officer. He was the only survivor of the ship, which was destroyed by a Japanese submarine. Pavich was rescued by the U.S.S. Blue after being adrift for several days. He is now in the hospital at the Naval Medical Center in New York City.

Red Cross Meets

The meeting committee of the Larchmont Red Cross War Fund campaign will meet at 8 o'clock tonight at the Larchmont High School. The meeting will be held in the gymnasium. The committee will report on the progress of the campaign and will discuss the plans for the future.

COAL CONVERSION BEING CONSIDERED BY SCHOOL BOARD

The Larchmont School Board is considering the possibility of converting the school's heating system from coal to oil. The board will meet tonight to discuss the proposal. The board is concerned about the cost of coal and the availability of oil as a substitute fuel.

Study Of Costs To Be Made; Substitute Taxes Proposed

The Larchmont School Board is studying the costs of the school's operations. The board is considering the possibility of substituting other taxes for the current property taxes. The board will meet tonight to discuss the proposal.

Wins Promotion

Private William J. Pavich, of Larchmont, has been promoted to the rank of sergeant in the Army Air Corps. Pavich was assigned to the 8th Army and has been serving in Europe. He was promoted for his excellent service and leadership.

Becomes Corporal

Private William J. Pavich, of Larchmont, has been promoted to the rank of corporal in the Army Air Corps. Pavich was assigned to the 8th Army and has been serving in Europe. He was promoted for his excellent service and leadership.

Home On Furlough

Private William J. Pavich, of Larchmont, is home on furlough from his assignment to the 8th Army in Europe. Pavich is currently in Larchmont and is enjoying his time with his family.

COMING TO TOWN

Returns To Duty

VOL. VIII.—No. 185

MEMBER OF THE AUDIT BUREAU OF CIRCULATION

MAMARONECK, N. Y., THURSDAY, MARCH 11, 1943

MEMBER OF THE ASSOCIATED PRESS

PRICE FIVE CENTS

10 P. C. OF MHS PUPILS QUIT TO ENTER SERVICE

22 Former Students Now in Army, Navy, Marines And Merchant Marine

NAVY IS MOST POPULAR

The upper class students have left school since September to join the armed forces at Panama Canal headquarters, was announced by the school board. The percentage of faculty members who are in the service is 16 per cent. Mr. Abram said that 22 former students are now in the service. Six of the 22 are in the Army, Navy, Merchant Marine or Marine. Six of the 22 male instructors are in the service. Schools have been indicated to date. The total number of instructors, exclusive of women teachers, at both schools is 82.

Now A Corporal

Archdeacon A. Beecham, stationed with the armed forces at Panama Canal headquarters, was promoted from private first class to the grade of corporal, it was announced by Army officials. Corp. Beecham entered the Army in October, 1942. After serving a short tour of duty in the States, he was assigned to the Canal Zone arriving on the 15th of the following month. He is the son of Mr. and Mrs. Libro Beecham of 334 Centre Street, Mamaroneck.

Dog Owners Warned

Two hundred and fourteen village dog owners were warned of delinquent notices issued by Mamaroneck Public Judge Patrick Hughes today that it may cost them \$150 in fines and court costs if they do not obtain licenses for their pets by March 17. The 1943 license tags should have been obtained Jan. 1, according to law. After March 17, the notices against delinquents will be served with a summons to appear in court. Once served they may still escape a fine by purchasing the 1943 license, but they will still have to pay the \$25 court costs.

Institute Reopens

After a six-week closing because of the war, the Mamaroneck Institute will once more be resumed at the Hebrew Institute, 273 Highland Avenue, Village, it was announced today. The institute will open its doors tomorrow night at 8:30, at which time Rabbi William Novick will presch.

Promoted By Army

Pvt. Arthur H. Haviland, 19 son of Mr. and Mrs. Lawrence J. Haviland, 277 Florence Street, Village, has been promoted to private first class, serving as an airplane mechanic at Rapid City Army Air Base, Rapid City, S. D. The former member of the Mamaroneck High School was employed by Pure Food Company, Mamaroneck, Avenue, prior to enlisting in the Army Air Corps last July.

Navy Promotes Him

Joseph Cahill, U. S. N., son of Judge John R. Cahill of Larchmont, has been promoted to the rank of lieutenant, senior grade, and was promoted today. He is somewhere at sea serving in the U. S. Navy's battleship.

COINING THE TOWN

Two Army Graduates

Two Mamaroneck youths graduated last week from the Department of Education at the Aviation Institute of Technology, Long Beach, Calif. M. J. O'Connell, a resident of this town, was graduated with the honor of first in the class. He is currently employed in the New York area, has flown with the U. S. Army Air Corps, and has received advanced instruction in repair and maintenance of aircraft, ground school and maintenance of the Army's engine and propellers.

Pvt. O'Connell, a graduate of the F. P. Blevins High School, was traffic clerk at the Buckley Dumont camp company before his induction into the army last October. He is currently in his course at the Army's technical school. His training has been the most intensive of any U. S. Army aviator.

Pvt. Levey, who operated a gas station for the Atlantic Refining Company before his induction into the army, was in the United States Army in New York in October, thought training was strenuous, but was conducive to physical and mental alertness.

His brother, Harold, is a sergeant serving overseas. Pvt. Levey is a graduate of the F. P. Blevins High School.

Completes Course

Sgt. Morris Gumpel, 19-year-old, was appointed an Aviation Cadet in the Army Air Corps. He was graduated last week from the Army Air Corps Pre-Flight School for Pilots at Maxwell Field, Montgomery, Ala.

Sgt. Gumpel is a graduate of the F. P. Blevins High School, New London, Conn. He graduated from the Army Air Corps Pre-Flight School in July.

Joins Air Cadets

Jackman William Begon, 16, has been enrolled in an aviation cadet in the Army Air Corps Pre-Flight School for Pilots at Maxwell Field, Montgomery, Ala. After nine weeks training he will be permitted to take actual flight instruction.

Jackman is a graduate of the F. P. Blevins High School, New London, Conn. He also is a former student at Wesleyan University, Middletown, Conn., where he was a member of the Beta Theta Pi Fraternity. He was appointed a cadet last July.

Pins Promotion

Promotion of Pte. Ernest Scilla, 24, son of Mr. and Mrs. Joseph Scilla, 1424 Halsey Street, was announced by the rank of corporal has been announced by the Army Air Corps. He is currently an instructor at the Army Air Corps Pre-Flight School for Pilots at Maxwell Field, Montgomery, Ala.

Meetings Changed

Because of the scheduled blackout this week, members of Selective Service Local No. 790 will meet tonight and Wednesday evenings at the Barry Avenue School district headquarters instead of the usual time, Tuesday and Friday evenings. It was announced today by Chairman James A. Gillies. The hour will be the same, 8 o'clock.

Milk Employes Get \$4.50 Pay Increase

MacArthur Reports New Threat To Australia

KISKA RAIDED

WASHINGTON (AP)—American planes strafing the Japanese base at Kiska in the Aleutians today destroyed several enemy planes while in the South Pacific.

The Japanese are massing ships, men and planes in a new thrust to Australia, this time at their bases to the northwest of the South Pacific continent, Gen. Douglas MacArthur warned today.

At the same time the Japanese were disclosed in a New Delhi communique to have recovered some of the military equipment lost in Burma early this year when Marshal Sir Archibald P. Wavell's Indian forces smashed their invasion toward Akyab. The communique said the Japanese, in a sharp of fierce ground fighting, had captured the town of Akyab, 25 miles north of Akyab, and forced a withdrawal of the British forces.

In the wide theaters of the Pacific, however, American and Allied flyers continued to deliver devastating blows at a Japanese camp in the area of Ambona and Dobo, 600 and 800 miles northwest of the British positions near Rabaul, 25 miles north of Akyab, and forced a withdrawal of the British forces.

The Match contingent of candidates for the physical examination at the Grand Central Palace reception center in New York City on the 9th A. M. train today from Newark. Draft Board No. 743 announced.

A group of approximately 60 candidates for military service will leave from Mamaroneck and join the 87th A. M. train from Newark.

In both groups are newly-arrived immigrants, married men without dependents, as well as volunteer from the Navy and Marine Corps. Those who pass their physical examination will be assigned to various branches of the armed forces.

The Mamaroneck and Byale will leave the month from Mamaroneck following senior citizenship. The Barry Avenue School, Larchmont tent ceremony at the Barry Avenue School, Larchmont tent ceremony at the Barry Avenue School.

VICTORY GARDEN DRIVE SRAIDS
24 File Applications For Victory Plots With Village Committee

At least two dozen village "farmers" have started the hot rolling toward the Victory Garden Committee, Chairman Guy Vroman of the Mamaroneck Victory Garden Committee reported today.

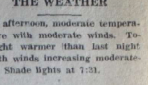

That many applicants have obtained out forms prepared by the committee which is the first step in obtaining permission to use vacant land which the applicant supplied a blank petition to the property owner with number and location of plot designated, and follow-up by himself.

The plan as prepared here, with its illustrated example garden plot, has received commendation from the State Conference in Westchester, E. D. Greeman, assistant director of the State Conference in Westchester, Manager William H. Johnson.

Aviation Mechanics

Two young men who have begun an intensive course of study in aviation mechanics at the Army Air Field, the Army Technical Training Command, at Fort Belvoir, Mo., are Mr. Robert E. Barry, Jr., son of Mr. and Mrs. E. B. Barry, 145 Broadway Drive, W. 11th St., and Mr. and Mrs. W. K. Barry, 522 Shore Avenue Drive, Village Park. Barry is an 'E' Pilot, High School graduate and former employee of Southview Chevrolet Company, Larchmont. Mr. Barry is a graduate of Pennington Preparatory School, New Jersey and a former pilot instructor. They are both graduates of the Army Air Field, and are being trained to become aviation mechanics.

An Early Member

J. Preston Morgan, the 75-year-old member of the Larchmont Yacht Club, according to Dr. H. H. Larchmont, is the oldest member of the club. Morgan was elected to membership in 1908, number 21 in the club's history. Although in recent years Mr. Morgan was not active in Larchmont races, he seldom misses a race week in his younger days. Among the boats which Morgan has owned are a 50-foot yacht "Grayling" and a 30-foot yacht "Thru".

With Ski Troops

Thos. (Doc) C. Merrill, son of Mr. and Mrs. C. C. Merrill, of Howell Park Town, who is serving in the Army from the University of Pennsylvania, is training with the ski troops at Camp Hale, Colorado. He is a graduate of the University of Pennsylvania, where he was president of the student body and captain of the football team. He is in the Junior Class at the U. of P., a member of Psi Upsilon fraternity and rowed on the varsity crew. His brother, John C. Merrill, is with the Signal Corps in Europe.

Home On Leave

Second Lieut. Richard E. Barry, 21 son of Mr. and Mrs. E. B. Barry, 145 Valley Road, Town, is home on leave from his assignment as a 2nd lieutenant in the 1st Cavalry Division, Fort Belvoir, Mo. Barry is a graduate of the University of Pennsylvania, where he was president of the student body and captain of the football team. He is in the Junior Class at the U. of P., a member of Psi Upsilon fraternity and rowed on the varsity crew. His brother, John C. Merrill, is with the Signal Corps in Europe.

67 Dog Delinquents

Sixty-seven town dog owners who were given notices to appear in court to answer a 1942 license fee on delinquent dogs, were fined a total of \$100 plus costs. Town Clerk Robert D. Payne said today.

SALARY CUT BAN WINS APPROVAL

Senate Bill Would Prevent Reduction Below Jan. 1—Sept. 15 High Level

COMBING THE TOWN

Navy Hero Home

Edward Everett (Ted) Knickerbocker, seventh machinist's mate second class, 21-year-old son of Mr. and Mrs. C. E. Knickerbocker, 45 1/2 Hill Road, Town, home on a 15-day "delayed transfer" leave before getting a new ship assignment in California.

Since leaving the Junior Class at Mamaroneck High School a year ago October, he has been in seven naval engagements, among them the historic battles of Midway, the Coral Sea and Guadalcanal, and is a survivor of the Aircraft Carrier "Hornet" which went down in a sea-air action against the Japanese off the Santa Cruz Islands in the Pacific last Fall.

One of Seaman Knickerbocker's seven battle stars on his chest is a battle action last year aboard the Aircraft Carrier "The Wasop" which was later sunk—but he was not on it.

Brothers Reunited
Brothers clasped hands for the first time in more than a year last week at the parental residence, when Lieut. (jg) Robert C. Faurot's leave coincided with that of his brother, Richard L. Faurot's. The reunion was the result of a letter from Mrs. Lester C. Faurot, 236 Boston Post Road, Rye, N. Y., which was later sunk—but he was not on it.

Returns To Camp
Pvt. James Combe, 21, son of Mr. and Mrs. Joseph Combe, 703 Mamaroneck Avenue, New Rochelle, N. Y., following a seven-day furlough here, The Mamaroneck Company of Mamaroneck, prior to his induction last November. He is a former member of Volunteer Home Company No. 3, P. V. Combe is attached to an infantry regiment.

Luceno Overseas
Word has been received here by the family of Vito F. Luceno, that the former town controller has arrived safely overseas. Luceno was on his duties with the Field Service of the American Red Cross. Mr. Luceno was stationed temporarily in Washington, D. C. since last December. His wife and two children are still residents of Mamaroneck.

War Fund Benefits
The War Fund of the Mamaroneck Branch, American Red Cross will benefit from the proceeds of an entertainment on Thursday evening, March 25, at the P. F. Bellows High School.

Winters Air School
Aviation Cadet John Paul Hoetter, son of Mrs. H. W. Hoetter, formerly of Greenhaven, has entered the Army Air Forces Technical School at Yale University for training as a technical officer in advanced armament. After completion of intensive special operations, Cadet Hoetter will be commissioned a second lieutenant and have command of a technical crew charged with maintaining guns and bombing equipment of bombers and fighter planes.

Wins Corporalcy
Pvt. Frank A. Loffredo has been promoted to corporal in the Army Medical Corps. He was announced today at Camp Campbell, Kentucky, where he is stationed. Corporal Loffredo was inducted on Aug. 15, 1942 and received his basic training at Camp Fisher, N. Y.

Income Tax Yield Less Than In 1942
WASHINGTON, (AP).—The Treasury reported today that the income tax receipts received in March 1943 were \$14,628,247 less than the amount reported on the same day of the first quarter in 1942.

NEWS

VOL. XVIII—No. 140 MEMBER OF THE AUDIT BUREAU OF CIRCULATION MAMARONECK, N. Y., WEDNESDAY, MARCH 17, 1943

Town Trims Tax Rate by 64 Cents

Equalization Boost, And Refunding Credited

RELIEF CUT AID
Modest decreases in the Town of Mamaroneck's tax rates for 1943 were announced today by Supervisor Owen A. Mandeville as the Town prepared to begin collections on April 1.

The Town's rate to the Village of Mamaroneck was decreased by 41 cents per \$1,000 of assessed valuation, for a new rate of \$2.49 per \$1,000 of assessed valuation.

In the unincorporated section of the Town, the decrease was cents per \$1,000 of assessed valuation, or a new rate of \$2.64.

The decrease was accomplished this year despite a 600 dollar decline in the assessment roll, Supervisor Mandeville pointed out. Three items were responsible for the lower rates. These were credited to the Town's income tax, a \$1,000,000 drop in assessed valuations and the refunding of \$2,000,000 in the equalization rate over last year.

Brothers clasped hands for the first time in more than a year last week at the parental residence, when Lieut. (jg) Robert C. Faurot's leave coincided with that of his brother, Richard L. Faurot's.

Word has been received here by the family of Vito F. Luceno, that the former town controller has arrived safely overseas. Luceno was on his duties with the Field Service of the American Red Cross.

The War Fund of the Mamaroneck Branch, American Red Cross will benefit from the proceeds of an entertainment on Thursday evening, March 25, at the P. F. Bellows High School.

2 County Blackouts Set For This Week Canceled Off By Army

No Reason Revealed For Cancellation Of Tests

ALERT LIKELY

Practice blackouts scheduled for Westchester and other metropolitan New York counties tomorrow and Friday nights were suddenly called off last night by the Second Service Command of the Army.

The Service Command gave no reason for the cancellation and it could not be learned whether the Army had changed its policy of giving advance notice of test blackouts.

In answer to a query, the Second Service Command reported it can't say why the blackout authorizations were cancelled.

There was no indication today whether the Army might change its policy of giving advance notice of test blackouts during March.

Spring News

Three minutes after eight tomorrow morning—that's the exact time for the official arrival of Spring.

The weather bureau this morning forecast increasing clouds.

Tenants Lose Bus

Temporary bus permit granted the Leitchmont Ave. Apartments was canceled yesterday, effective Monday by the New York State Office of the Office of Defense Transportation. It was announced today. The bus service which has been transporting tenants since the opening of the apartments was discontinued tonight pending an appeal to the Washington Office, O.D.T.

Air Cadet Injured

Aviation Cadet Jerome Barry, Jr., 23-year-old son of Jerome A. Barry, chief of Mamaronck Aircraft Warning Service, was injured on a routine training flight at the Naval Air Base, Squantum, Mass. He and Mrs. Barry, 47, returned to their home in the White Plains, where he was left to be with their son, who is recovering in the Naval Hospital, Chelsea, Mass.

The parents also received a letter from Cadet Barry stating "they were lucky to get out of it alive."

Home On Furlough

Frank Nash, 36-year-old leatherneck protégé of Police Sgt. Herman Paul, boxing member of the Rye Beach Boys Club, is home on furlough for a visit with friends and family. He is at the home of Mrs. and Mr. J. J. Harrison, 300 Jefferson Avenue, Mamaronck.

Scouts Aid Fund

Mamaronck Scout troops have contributed \$22 to the Red Cross War fund campaign. It was announced today by Major Edward J. DeWitt, chairman of the Mamaronck District.

Students Also Aid

The students of Bellows High School through their student government organization, the G. O. C., has contributed the American Red Cross. The money was raised by the sale of several basketball games this season. What started out to be merely a social affair at the end of a game, has proved a worthwhile project because this year's expenses which were estimated at \$100,000, were met by the sale of the games. The largest amount was realized at the close of the season when the Harrison game left Bellows victorious. All felt that they must dance to the recordings of Harry James and other leaders, and were more than happy to contribute ten cents for the privilege.

Begin Training

Two of the boys in blue who are preparing for Army training at the U. S. Naval Training Station at Great Lakes, Ill., this week are Thomas Edward Parker, 18-year-old son of Mr. and Mrs. Thomas E. Parker, 205 Royal Village, and Richard Parker, 17-year-old son of Mrs. Donna Parker, 720 Palmer Avenue.

Joins Air Force

John Francis Murray, 20-year-old son of Mr. and Mrs. Francis J. Murray, 245 Broadway, Town of Watkinsville, has arrived at Carroll College, Watkinsville, Wis. He is to receive his basic instruction prior to his appointment as a second lieutenant. Upon completion of five months' preliminary training he will be sent to one of Uncle Sam's numerous air bases to become a pilot, navigator or bombardier.

Police Arrest 3 in Battery Raid

ORSINO FAMILY BOASTS THREE SERVICE STARS

One Town resident and two White Plains men were arrested by Judge Wesley M. Messersmith in Town Police Court at 11 o'clock last night on felony charges of "contriving, drawing and assisting in a lottery," following their arrest yesterday afternoon at 72 Myrtle Boulevard, Town, where police charge they have been operating a numbers lottery for a couple of months.

The raid by four sheriff's deputies and seven Town police, was of several stages simultaneously. The arrests were made at 72 Myrtle Boulevard, Town, where the Orsino family is believed to have been conducting a lottery ring that did \$4,000 business a week.

Evlyn Farrell, 34, in whose home the arrests were made, was arrested along with her husband, Albert Orsino, 36, and Alfonso Tomasselli, 26, baker and Italian grocery clerk, of the same address. Tomasselli was released the trio in \$500, \$1,000 and \$2,000 bail, respectively. They will be defended by Mortimer T. O'Brien, White Plains attorney.

At the 72 Myrtle Boulevard address police say they confiscated 200 numbered tickets and two hundred paper bags filled with numbers. Higher wages than \$100 a week, they were charged with paying to the lottery ring, which had been operating for about six months in White Plains, and then had suddenly disappeared about two months ago, Chief Verick said.

The sheriff's office says that one bank headquarters had moved to the address. The White Plains police also seized a number of tickets and a field street and took Joseph Penzo to the District Attorney's Office for questioning. Penzo was released late last night when his name was not on the list of names found on the floor of his store where the Harrison game left Bellows victorious. All felt that they must dance to the recordings of Harry James and other leaders, and were more than happy to contribute ten cents for the privilege.

OPA Will Permit NO EXTRA GAS FOR TRIPS TO BEACHES

Additional Ration Coupons Not To Be Issued Even For Sake of Health

RICHARDS GIVES RULING

Consumption of Fuel Expected To Rise Sharply With Advent of Spring

No extra gasoline ration coupons will be issued this summer to take families to beaches, even for the sake of their health, according to official advice received by this newspaper today.

The question was put to the Office of Price Administration in Washington by Hugh W. Robertson, White Plains staff writer for The Daily Times, in order to ascertain effect of automobile restrictions on county operation of such parks as Tibbetts Brook in Yorkburgh, Glen Island at New Rochelle, Kingsland Park at Westchester, and the Park between Oosting and Peekskill and the swimming pools at Tibbetts Brook in Yorkburgh and Willson's Woods in Mount Vernon.

Just what the petroleum situation will be several months from now, it is, of course, impossible to predict. With the advent of warmer weather, the consumption of gasoline for essential, civilian and agricultural purposes will rise very sharply. At present the gasoline shortage in the eastern shore areas is most serious. The March quotas allocated by the Office of Price Administration is even less than the previous month's quota.

It is a very serious situation, considered by the New York State Department of Education in conjunction with the Farm Placement Division of the United States Employment Service, W. Jack Weaver, supervisor of the Bureau of Vocational Education, declared at a meeting yesterday at County Center, White Plains. The session was sponsored by the Child Labor Committee of the Westchester Children's Association, the Child Labor Council, and Westchester Guidance and Vocational Association and the Westchester League of Women Voters.

The meeting was held to consider wartime employment of children in agriculture. In outlining the state's plan, Mr. Weaver declared that the most serious shortage will be done through the War Relocation Authority. The War Relocation Authority is a federal agency which is to be set up to receive and train Japanese children who are being evacuated from the West Coast.

There are not enough volunteer workers to supply ample supervision, declared Mr. Weaver. Therefore, volunteer workers may expect some pay for expenses. There are not enough volunteer workers to supply ample supervision, declared Mr. Weaver. Therefore, volunteer workers may expect some pay for expenses.

BRITISH WARSHIPS BRIMBARD BURMA

Fire Barrage Laid Down On Japanese Positions; Aerial Attacks Continued

By the Associated Press

British warships and planes today laid down a heavy barrage on Japanese positions yesterday in the Donabai area in Burma, a communiqué said today, and vanguards of Field Marshal Sir Archibald W. Wavell's forces were driving down the coast "made good" toward the town of Donabai.

Donabai lies near the tip of the Malay Peninsula, just north of the Japanese base at Akyab on the Bay of Bengal.

British Headquarters said numerous fires were started in the naval bombardment and declared that Japanese armor batteries are "attempting to break up the assault."

Mrs. Peake Resigns As Holbrook's Aide

The accident occurred at the intersection of Mount Pleasant Avenue and Westchester Avenue, where a patrolman's car was damaged by a patrolman's car.

British Win New Ground In Desert Line As Troops Advance In Rain

Soviets Sweep foe Back From Bank Of Dnieper NAZI TOLL SOARS

By ROGER GREEN Associated Press Wire Editor

Bayonet-charging troops of Gen. Sir Bernard L. Montgomery's British 8th Army were reported today to have won new ground in the March Desert line, while on the Central Tunisia front the Americans slogged ahead through torrential rains and mud from their bloodless capture of El Guettar.

Italian Headquarters asserted that Col. Gen. Jürgen von Arnim's Axis forces had captured "an important position" in Northern Tunisia and that the British 1st Army had suffered "serious losses" in several days of bitter fighting.

Allied Headquarters announced yesterday that the British 8th Army had withdrawn from the Village of Tamara, 45 miles southwest of Bizerte, and repulsed two Axis attacks on the 1st Army's new line.

The Fascist communiqué said Allied losses included 1,600 prisoners, 20 tanks, 30 guns and 70 vehicles.

Meanwhile, a Moroccan radio broadcast quoted Gen. Henri Girard, the French commander in chief, as saying:

"The British and Gafsa marks the beginning of an offensive which will be a decisive blow against the Axis."

Gen. Girard said he was present when Gen. Montgomery captured the town of Medenine after a 30-mile advance.

Axis forces have consolidated their positions after winning the town of Medenine after a 30-mile advance.

The Allied-controlled Algiers radio reported that the British 8th Army had captured the town of Medenine after a 30-mile advance.

HERE'S ONE WAR INDUSTRY WOMEN HAVEN'T INVADED; IT'S AN ALL-MALE PLANT

CHILDREN SOUGHT FOR FARM JOBS

Military Demands Expand Mamaronck Mill Work Establishment

State Faces Four Problems in Placement Program, Meeting Advised

EDITH'S NOTE—This is another in the series of feature articles being carried by The Daily Times on Mamaronck plants engaged in war industry.

The spotlight on women in war work has been trained on the aircraft industry so much of late that other industries such as lumber have been overlooked generally by the feminine job seekers.

At least that's the way it would seem at a local millwork establishment, the Barnhart Company, 316 Waverly Avenue, Village, one of 15 in this area engaged in war production.

Here the force of carpenters, mill men and machinists has been expanded from 20 to 60 since the county's entry into the war, but there's not a single woman among them wielding a claw hammer.

The women can fit in mill work very well. The reason is that this firm specializes in the manufacture of big lumber stock, too heavy for female hands.

Warships built to consider wartime employment of children in agriculture. In outlining the state's plan, Mr. Weaver declared that the most serious shortage will be done through the War Relocation Authority.

SCHMIDT MAY GET GOP NOMINATION FOR COURT POST

Rye Town Leader Mentioned As Likely Candidate For County Bench

By HUGH W. ROBERTSON

It may be only idle gossip on the part of some, merely wishful thinking, nevertheless, for what it is worth, here is a Republican Party ticket which was being talked up this week wherever political big game was hunted.

Surrogate Charles H. Griffith of New Rochelle, Republican county chairman.

Supreme Court Justice Frank H. Coyne of Yonkers, now County Court Justice.

County Court Judge; Frederick J. Redford, for a second term; County Finance Commissioner; County Clerk; Robert H. Griffith of the Division of Land Records; District Attorney; Edward I. Gagliardi, Redford, for a second term; County Finance Commissioner; John Loran Republican leader and comptroller of Mount Vernon;

Deputy County Clerk, Land Division Records; Mayor Fred Graber of Tarrytown, to succeed Mr. Field; to be appointed.

But to take this ticket seriously put it would undoubtedly offend the Republican Party executive committee, representing Mr. Bedford and Greenburgh.

This ticket would solve two problems before the GOP Executive Committee. One it would throw the nomination of Mr. Schmidt for County Court Judge, give the towns representation on the bench with the retention this year of Surrogate Charles D. Millard of Tarrytown, only cities are represented in trial courts, with Supreme Court Justice Nolan from Yonkers and Davis from New Rochelle. Judge Coyne from Yonkers. Mr. Smith from White Plains, and the potential surrogate, Mr. Griffith, from the Rye.

Second, Mr. Schmidt's nomination for the bench would open the door to appointment as finance commissioner in his stead of Mr. JOHN of Mount Vernon, whose friends have been urging him to oppose Mr. Field for the county clerk nomination. This, however, is a perilous feat, they may escape controversy through this ticket.

On the other hand, it is admitted that it does not recognize the claims of quite a few others who are desirous of places on the Fall ticket. There are, for example, the possible candidates of Children's Justice, Mr. Griffith, from White Plains for the Supreme Court; County Court Judge; Robert H. Griffith of the Division of Land Records; District Attorney; Edward I. Gagliardi, Redford, for a second term; County Finance Commissioner; John Loran Republican leader and comptroller of Mount Vernon;

Deputy County Clerk, Land Division Records; Mayor Fred Graber of Tarrytown, to succeed Mr. Field; to be appointed.

But to take this ticket seriously put it would undoubtedly offend the Republican Party executive committee, representing Mr. Bedford and Greenburgh.

8 MILLION ADDED TO STATE BUDGET; RELIEF FUND CUT

Additional Appropriations Would Offset \$5,200,000 In Welfare Costs. REVISIONS PROPOSED. New Proposal Boosts Dewey's Estimates By \$3,000,000. Approval Expected.

ALBANY (AP)—Additional appropriations of more than \$8,000,000 for the 1943 operation of New York's Government, largely offset by a \$5,200,000 reduction of the home relief item proposed by Governor Dewey, were projected in the Legislature today.

The net effect of the expected approval would be an approximate \$3,000,000 increase of the \$369,800,000 actually recommended in the Governor's budget, with the total to date still more than \$4,000,000 under the ceiling he said appropriate for the State.

Proposed additional appropriations include over \$5,600,000 in a supplement to the main state budget introduced last night by the Assembly Rules Committee; \$2,500,000 in a separate bill for the State's fiscal year 1943, in another measure to increase salaries of state police.

The proposed supplemental budget, however, cuts \$5,200,000 from Dewey's home relief appropriation and trims \$29,380 from the recommendation for State Department expenditures.

Revisions of the state's fiscal program proposed by legislative leaders prepared to confer here with Mayor La Guardia on measures assuring the City a balanced budget for its fiscal year, beginning July 1.

After discussion last week of the city's request for authority to double its present one-cent sales tax, Mayor La Guardia proposed a one-and-one-half to two per cent tax on gross receipts of business in excess of \$100,000 annually.

After cutting the home relief appropriation to \$13,000, the supplemental budget also calls for a vote just before the Legislature on the city's request for a \$2 million aid for the city's blind and aged by \$2,000,000.

Bingo Bill Passes Assembly 101-33

ALBANY (AP)—A bill permitting local governing bodies to operate bingo on petition of five per cent of the residents passed the Assembly 101 to 33 today and went to the Senate.

County Board Approves Land Transfer To State For Post-War Parkway

Manville Joins Leonard In Casting Only Votes Against Project. Westchester's supervisors last night approved the transfer to the State of New York of the land for the post-war parkway.

The vote was, indirectly, approved by the board's action on the bill pending at Albany from Governor Arthur W. Wicks of Kingston which would authorize the State to accept such land for the parkway.

Manville and Leonard, who were introduced by the board's committee on legislation and approved, these changed the bill to authorize the State to accept such land for the parkway.

Corrigan Sings His Swan Song

Mamaroneck Mayor Thanks His Aides As He Presides At Final Meeting. Appreciation for the cooperation and help of village trustees introduced last night by Mayor Harry Corrigan who presided at the final meeting of the board.

Most of you have served with me during my entire term," he said. "We have had a good many pleasant times together but retiring and having some free time to myself."

Mayor-elect R. J. Santoro will take office at the annual meeting April 5. A section of business property on Mamaroneck Avenue has been allocated to each member of the Realty Board in the Spring clearing campaign now under way.

DEFENSE BULLETIN BOARD

MAMARONECK WAR COUNCIL, headquarters, Municipal Building, Mamaroneck 1960, Larchmont headquarters, Village Hall, Larchmont 2-0992. Incorporated headquarters, Mamaroneck 675; war office Mamaroneck 2006. AIR RAID ALARM all three sections. Blue Signal—long blast; warning of short blasts or warning sound but may return; All clear—short blast.

MAMARONECK VILLAGE VICTORY GARDEN

In order to give our Victory gardeners every opportunity for advice and information, the committee is dividing the Village into 13 sections. A supervisor will be selected for each section who will be ready to answer questions as to the preparation of soil, and the proper time to put in seeds and plants for the various vegetables.

VICTORY GARDEN MEETING

The regular meeting of the Victory gardeners will be held on Tuesday, March 23, at 8:00 P. M. at the Mamaroneck Village Hall.

U. S. Troops In New Guinea

ALLIES CLEAR ENEMY FROM WAMBARE RIVER VALLEY. KISKA BOMBED. WASHINGTON (AP)—The Navy announced today that Allied bombers raided the Japanese base at Kiska in the Aleutians twice Sunday starting a large fire.

By the Associated Press. American and Australian jungle fighters were officially credited today with killing at least 700 Japanese troops, capturing more than 100 prisoners and clearing the enemy from the entire Mambare River Valley on the northeast coast of New Guinea.

A communiqué from Gen. Douglas MacArthur's Headquarters said many other Japanese were believed to have died of starvation and disease in the swamps where they hid after a disastrous landing attempt on Dec. 12, 1942.

The Mambare Valley lies 40 miles north of Buna, scene of the Allies' triumphant Papua Peninsula campaign, and 100 miles below the Japanese base at Salamaua which is now the target of a United Nations offensive.

In the skies, Allied Airman continued to pound Japan's vast ring of bases above Australia, dropping 2,000-pound bombs on Salamaua at Gasmata, New Britain, and bombing and machine-gunning the enemy-held towns of Lae, Finchahefen and Madang in New Guinea.

Gen. MacArthur's Headquarters said that the Japanese were being driven from the area by the bombing of the Japanese base at Salamaua which is now the target of a United Nations offensive.

On the China war front, Imperial Tokyo Headquarters made an announcement that Japan's invasion armies had lost only 192 killed and 1,000 wounded in the north of Lake Tungting and north of the Yangtze, and asserted that the bases of the 88th Chungking Army and the "New Four" Communist Army were wiped out in Northern Kiangsu.

6 Suspects Queried In Lottery Roundup

SIX suspects were questioned in a lottery roundup by Weaver Street Police today. The investigation into operations of \$4,000 a week numbers lottery ring continued.

Volunteers Report Total Of \$30,343 From 5,544 Contributors

Larchmont has gone over the top in the Red Cross War Fund Drive by more than \$2,000 it was announced at a meeting of the village workers last night.

DEFENSE AIDS UPSTATE

Deputy Protection Director, Roscoe Holbrook, Budget Director, William B. Folger, today are traveling up-state to visit civilian defense offices. The two officials will inspect the protection and the volunteer offices in Buffalo and Erie County.

U. S. Troops In New Guinea

ALLIES APPROACH SEA; ALLIES PUSH 100 MILES. NAZI BASES HIT. Americans Approach Sea; Allies Push 100 Miles. NAZI BASES HIT.

By ROGER GREENE. Associated Press War Editor. Allied headquarters announced today that swift-moving American tank troops had captured the Town of Maknassy in Central Tunisia, only 34 miles from the sea, and an Algerian broadcast said British forces had dashed 100 miles around the Mareth Line to a point 10 miles south of the Axis airfield at El Hamma.

The Algiers report indicated that British 8th Army troops were now only 50 miles from a junction with American forces and suggested that Rommel's "escape corridor" to the north had been narrowed to a score of miles.

A bulletin from Allied Headquarters said U. S. troops under Lieutenant General Patton, after capturing Maknassy and then swept on eastward toward the sea.

An Algerian broadcast said the Americans occupied a ridge three miles beyond Maknassy, which would place them only 31 air-line miles from the gulf.

In the south, Gen. Sir Bernard L. Montgomery's British 8th Army was reported continuing its successful assault into Mareth Line defenses, after cutting a breach in the outerworks and the Germanic said heavy fighting was in progress.

Allied headquarters said Gen. Montgomery's forces had captured 700 prisoners so far, with the Nazis losing ground despite strong counterattacks.

A Moroccan broadcast reported that the 8th Army had driven a wedge into "the best defended part" of the Mareth fortifications at Mareth, where it would 24 miles from the gulf.

The capture of Maknassy, representing a 20-mile advance since Sunday, ended a grave threat to Field Marshal Erwin Rommel's vital "escape corridor" to the north and opened the big Axis supply port at Sfax.

COMING TO TOWN

Call The Police!

A method of communicating with the Rye Neck elementary school was suggested by J. R. Holland at last night's meeting of a group of residents of the district at the Barry Avenue School. Several suggestions were made, but one was on duty in the school office to answer the telephone and that in addition to being an inconvenience, it might prove to be a serious matter if a parent wished to reach a child in case of emergency.

All you have to do is telephone the police station, Mr. Holland said, and tell them to send a police car to the school to deliver your message. You are paying for police service, you might as well get it.

Fire Damages Van

A fire started by a six-year-old child on Prospect Avenue last night spread to the garage owned by Leo Jobb at 182 Prospect Avenue causing considerable damage to the structure and to the top of the moving van inside the garage. Some second hand furniture stored in the garage was also damaged. The fire did not reach the Jobb Warehouse, located 50 feet away.

Detective Sgt. William O'Neill was assigned to investigate the origin of the fire and discovered that the child who lives nearby had ignited a pile of rubbish near the garage.

Mr. Jobb estimates that the damage in the moving van is approximately \$200.

At Air School

Robert C. Neely Jr., son of Mr. and Mrs. Robert C. Neely of 58 East Brookside Drive, Town, is now attending Army Air Force school at Jameson College in North Dakota. He enlisted in the service last October and was stationed in Miami, Fla. from Jan. 30 until he transferred to Jameson.

Upon completion of his present course he will be assigned to a pilot, navigator or bombardier and will go on to a Flying Training Command School for schooling in one of these specialties.

Army Graduate

Robert J. Arnold, former president of Larchmont High School, Town, graduated this week from the Dept. of Civil Engineering at the Aviation Institute of Technology in Long Island City. He has received advanced training in the repair and maintenance of aircraft engines and is now to become a member of a combat crew. He was recently promoted to the rank of private first class in recognition of his combined abilities as a soldier and mechanic.

Pvt. Arnold is the son of Mr. William C. Arnold of New Rochelle where he lived for 12 years. At the time of his induction into the Army, Nov. 4, 1942, he was assigned to the Chatsworth Oil & Heating Company in Larchmont. His wife, Mrs. Margaret Arnold, is at present making her home in Forest Hills, L. I.

Masons To Meet

How chemists take gas and convert it into synthetic rubber will be revealed to the Masonic Club of Larchmont Friday at 8 p. m. at the Municipal Building, according to an announcement by James E. Hewson, president.

The program will consist of a motion picture on the subject, accompanied by a running explanation by a commentator. The picture, known as "Bouncing Molecules," will show how atoms of carbon, hydrogen and oxygen in different combinations go together to form such widely divergent products as coal, petroleum, starch, rubber and sugar. It will show how this chain of molecules is converted first into a liquid latex, then into a rubberlike mass, and ultimately into rubber sheets.

The picture explains the technique of animal on to reveal how the chemist has built up chains of "molecules" to produce synthetically many of the things we need to live.

"According to the president's announcement, refreshments will be served."

VOL. XVIII—No. 146

Reveals Meat Market Part Values

Disclosures today of coupon values of meat showed that Americans will be allowed, starting Monday, to buy a maximum of two pounds of steak or 3-1/4 pounds of ham or 3-1/4 pounds of hamburger per person per week under rationing.

Actually, most people will buy less because they will want to use some of the same coupons for butter, lard, cheese or canned fish. They will have 16 points to spend per week at an average coupon cost of eight points per pound for beef.

A typical budget probably will be, per person, two pounds of steak or 3-1/4 pounds of ham or 3-1/4 pounds of hamburger per person per week under rationing.

COMBING THE TOWN

Flyer Graduates

Leut. John M. Palmer, Jr., above, son of Mr. and Mrs. John M. Palmer of 105 N. Chatham Avenue, Town, graduated Saturday from the Army Air Force Advanced Flying School at Lubbock, Texas.

Leut. Palmer enlisted in the Army immediately after Pearl Harbor and was assigned to Keesler Field, Miss. He began his radio training at Keesler Field, Miss., and was then transferred to San Antonio, Tex., for flight training. He took his basic training at Columbus Field, Tex., before beginning his advanced course at Lubbock, Texas.

Mr. and Mrs. Palmer left Larchmont March 14 to attend the graduation of their son and returned yesterday. Leut. Palmer is a graduate of Mamaroneck High School.

Refugee Joins Navy

Henry James Mallard, 25-year-old son of Mr. and Mrs. David Mallard of 5 Vandenberg Avenue, Larchmont, began this week six years of service with the Regular U. S. Navy.

Born and raised in Paris, France, young Mallard was scheduled to report for service with the French Army on June 1, 1940, the day the Nazis marched into the French capital.

The Mallard family arrived in Larchmont in October, 1941 and the son secured employment as an expert lens grinder with the United States Camera Company.

His father, who was born in France in Mamaroneck before leaving for France in 1904, The family, which also included daughter Agnes and son David, Jr., left Paris on Feb. 4, 1940, and were among the first of the refugees after living for six months in Paris under German occupation.

The father, who is a member of the Paris Post of the American Legion, saw service in the last World War with both the British and American armies.

Join Coast Reserve

Five businessmen from Mamaroneck and Larchmont, who have been conducting men's summer training in Coast Guard Auxiliary Flotilla 605, mamaroneck, have been sworn in as honorary members of the U. S. Coast Guard Reserve.

As seaman first class, they will help relieve the regular Coast Guard by performing part time patrol duty in local waters.

The men are Benjamin A. Maguire and Norman D. Waters of Mamaroneck, and James P. Egan, K. R. Smith, and Charles E. Wright of Larchmont. Flotilla 605 is now accepting qualified volunteers to train for spring and summer service on the water. Boat owners or men with boating experience, in a deferred draft classification, may get further information by writing Flotilla 605 headquarters, Office Apartments, Mamaroneck.

Leon Heads VFW

Nicholas Leon was elected commander of the 18495 Post, P. O. 1159 of the Veterans of Foreign Wars at the annual meeting last night. Other officers elected were:

Frank Anderson, senior vice commander; Frank Gironda, junior vice commander; Severio Annabile, quartermaster; Lester Strayer, chaplain; Dr. L. Howard King, treasurer; James Amoroso, judge; Joseph Lanza, Aviano, Lewis and two small coastal vessels were damaged or the sea last night.

TWO OFFICIALS RESIGN

NEW YORK (AP)—Resignations of Dr. John B. Laurelli, medical director of the State Insurance Fund, and Laurelli P. Wolfe, head of the fund's Division of Audit and Review, were announced today as public hearings on the Federal Act inquiry, in which both were mentioned, were resumed.

FLOOD CONTROL BILL APPROVED IN LEGISLATURE

Wetcheater Measure Awaits Final Action By New York Governor

DEWEY CALLS FOR DATA

Bill authorizes creation of storm water districts to eliminate hazards

The wetcheater Flood Control Bill has passed both houses of the State Legislature at Albany. Co-sponsors of the bill, which was introduced by Assemblyman Dewey, are Assemblymen Wetcheater and Larchmont. The bill would authorize Wetcheater to create storm water districts, somewhat similar to the county trunk line sewer districts, for engineering studies of the flood which have in recent years, been a major problem in the town. The bill would also authorize the creation of storm water districts, with costs charged back against the district property owners.

In a double of passage, however, Leut. Fairchild learned this morning that the bill would authorize Wetcheater to create a storm water district in the town of Larchmont, which would be a part of the county trunk line sewer district. For engineering studies of the flood which have in recent years, been a major problem in the town. The bill would also authorize the creation of storm water districts, with costs charged back against the district property owners.

12 BRUSH FIRES IN DAY CREATE SERIOUS HAZARD

Town Reports Seven: Village, Three and Larchmont Two Within 24 Hours

CHIEF ISSUES WARNING

Mischievous Children And Carelessness Blamed For Sudden 'Epidemic'

An urgent plea has been made by Town Fire Chief George W. Burton to local residents asking that every possible effort be made to prevent brush fires. Seven were reported in the Town yesterday, two in the Village of Larchmont and three in Mamaroneck. At least 90 percent were attributable to carelessness and to the mischief of children on vacation from school, Chief Burton believes.

The mamaroneck situation in the fire department is serious, Chief Burton pointed out. The fire department alone has lost 45 men to the armed services, and is largely dependent upon the help of conscripts who are not "available during the day."

In a double of passage, however, Leut. Fairchild learned this morning that the bill would authorize Wetcheater to create a storm water district in the town of Larchmont, which would be a part of the county trunk line sewer district. For engineering studies of the flood which have in recent years, been a major problem in the town. The bill would also authorize the creation of storm water districts, with costs charged back against the district property owners.

BRITISH PLANES AS U. S. GUNSHIP MEZZANINE AIRPORT

Artillery Duelling Marks Mareth Line Battle

REDS PUSH ON

By ROGER GREENE, Associated Press War Editor

Gen. Sir Bernard L. Montgomery's British Eighth Army troops were reported warding off fierce Axis counterattacks in a "Devil's Cauldron" salient at the upper end of the Mareth Line in Southern Tunisia today, while farther up the front U. S. long-range 155 mm. guns shelled Mezzouna Airfield, only 22 miles from the sea.

A bulletin from Gen. Dwight D. Eisenhower's Headquarters said this morning that the Mareth Line continued to advance, marked by heavy artillery duelling.

To the north, the communiqué said, American patrol squadrons local Gen. Sir Bernard L. Montgomery's British Eighth Army troops were reported warding off fierce Axis counterattacks in a "Devil's Cauldron" salient at the upper end of the Mareth Line in Southern Tunisia today, while farther up the front U. S. long-range 155 mm. guns shelled Mezzouna Airfield, only 22 miles from the sea.

GOVERNOR ASKS PAY BOOSTS FOR STATE WORKERS

Devey Calls For Increases Of 7 1/2 To 10 P. C. For 45,000 Employees

NO ADDED TAX BURDEN
Lapse Appropriations And Economies To Finance Cost Of Raises

BULLETIN
ALBANY (AP)—Pay increases ranging from 7 1/2 to 10 per cent for approximately 45,000 State employees were approved unanimously by the Senate today within an hour after the program was recommended by Governor Devey.

The State employees deserve special consideration in this emergency period," the Governor said in a special message to the Legislature. "Many have left the state service for more attractive job elsewhere. I appreciate the cooperation which our present staff is continuing to give the state in these trying times. They have been ably assisted by the rise in living costs."

Devey proposed a 10 percent pay increase for all employees of the State receiving more than \$10,000 a year. The Governor made no estimate of the cost of the State of the increase but asserted no additional appropriations will be necessary and added "I do not feel that the State will contribute to the inflationary spiral."

The Governor said no estimate of the cost of the State of the increase but asserted no additional appropriations will be necessary and added "I do not feel that the State will contribute to the inflationary spiral."

THE WEATHER

This afternoon, warm with increasing winds, becoming fresh off shore. Tonight, about as warm as last night with fresh winds. Shade night at 7:45.

PRICE FIVE CENTS

NEW FOOD CZAR PLANS TO FORM BIG LAND ARMY

High School Girls, Boys And Women To Be Recruited, President Says

WASHINGTON (AP)—President Roosevelt said today that his new food administrator, Chester C. Davis, operating virtually an autonomous agency, would take up immediately the question of forming a land army to farm out the nation's food supply.

At the same time, the chief executive told pressmen today that 500,000 farm workers already had been deferred from military service and that selective service director Lewis B. Hershey estimated that 3,000,000 additional people on the farms would be desired this year.

In lengthy discussion of farm problems, Mr. Roosevelt also said that the War Production Board has taken steps to insure a greater supply of farm machinery to those who need it.

Not only will some of the larger manufacturers be allowed to make their equipment, he said, but an effort will be made to obtain more of the smaller plants. Previously, he said, manufacturers had been converted to military production and had stopped making farm machinery.

The President stressed today the executive order setting up the new Office of Food Production and Distribution, of which Davis will take charge on Monday. Davis will cooperate with Agriculture Secretary Wickard, Mr. Roosevelt said, but final decisions, Davis would make.

This is the first time since the outbreak of the war that the bureau of the Agriculture Department.

To make clear another point, the President said Davis also would have authority over farm prices. This authority, he said, will be exercised through the Office of Price Administration.

At the conference, the President expressed a thought that we are not going to starve in this country. He said he had heard all sorts of speeches and rumors from their jobs to assist the war effort.

But, he said, he has noted instances where, he said, on the estimated acreage being planted for food crops this year, the increase is an increase.

On the question of a land army, the chief executive asserted that the Government is not going to take up upon its arrival in Washington. The chief executive asserted that the Government is not going to take up upon its arrival in Washington.

The President did not say whether he would call for a land army. He indicated that it would have to be recruited from among high school boys and girls and women.

Mr. Roosevelt said that the Government is not going to take up upon its arrival in Washington. The chief executive asserted that the Government is not going to take up upon its arrival in Washington.

BRITISH RAIDS IN MARETTA

Allies Also Capture Key Hilltop Near El Hamma

AMERICANS HOLD

By ROGER GREENE (Associated Press War Editor)

British Eighth Army assault troops, rallying from their initial setback, were reported lunging deeper into the Maretha Line in Southern Tunisia today, while other British forces were credited by the Algiers radio with seizing a key hilltop "near El Hamma," 20 miles west of Gabes.

An Algiers broadcast said the British had completed occupation of a height "overlooking the whole of the Gabes Plain" after beating off a German counter-attack.

Other reports said Field Marshal Sir Bernard Montgomery's First Army had advanced from the El Guetar Oasis on the road to Gabes from Gafsa, Tunisia, dispatches said the A. E. F. contingent repulsed a German infantry attack and now commanded the Djebel Berda Heights.

Lifting Of Pleasure Ban Boosts Parkway Traffic To Highest Peak of Year

Car Travel Certain To Pass 4,000 Mark Next Week, Height Says

Traffic on Westchester parkways has with the lifting of the ban on pleasure driving, found to be no less than it was before that ban was new here than at any time in 1943, according to traffic counts for the first week in 1944.

The daily average toll for the last week prior to the pleasure driving ban enforced on Jan. 7 was 3,512, the bridge records show. In the midst of the ban enforcement the tolls dropped to an average of 1,221. But for last week the toll was back to 3,924 and for this week a staggering amount of 500. For next week, said George S. Haight, general park superintendent, it is almost certain to pass the 4,000 mark.

Although the traffic has increased with the lifting of the pleasure driving ban, highway traffic is still far below normal. For this season two years back before there were restrictions on pleasure driving, the tolls were 4,000 a day.

Various reasons are given for the increase in traffic. One is the lifting of the pleasure driving ban. Another is the fact that motorists are now registering their cars for the first time in 1944.

Another reason is the fact that motorists are now registering their cars for the first time in 1944. A third reason advanced is the fact that motorists are now registering their cars for the first time in 1944.

Village Manager Appeals To Patriotism Of Public For Curb On Brush Fires

Growing Epidemic Causes Widespread Alarm

Equipment, He Says

An appeal to the patriotism of the village residents to curb brush fires was made by Village Manager William H. Johnson today.

Johnson said that the epidemic of brush fires was spreading rapidly and that it was necessary to take prompt action to prevent further damage.

Johnson said that the epidemic of brush fires was spreading rapidly and that it was necessary to take prompt action to prevent further damage.

16 BRUSH FIRES REPORTED IN DAY

Town Firemen Battle 11, Village Four; Larchmont One As Number Increases

A total of 16 brush fires were reported yesterday in the Town and Villages of Larchmont and Mamaroneck, an increase of four over the preceding 24 hours.

The Village of Larchmont reported one at 3 P. M. Mamaroneck reported two at 10:30 A. M. and eleven were reported in the incorporated section before 8 P. M.

Municipal officials have issued a plea to residents to avoid carelessness. The origin of most of the fires is thought to be due to the mischief of children who are on vacation from school this week.

Mamaroneck Village Attorney Anthony Sannone said this morning that according to the New York State Penal law anyone causing a fire which endangers surrounding property can be arrested and charged with a misdemeanor.

PARMUTEL HEAD DAME ALBANY (AP)—William Dake, Parnmutel head dame, was reported to have died yesterday in Albany. She was 80 years old.

LECTURES Monday night a series of lectures will be held at the village hall. The lectures will be on the history of the village.

GREENBURGH HOLDS ALERT 400 civilian protection workers man their posts in area this morning in a surprise drill. The drill was held in the Town of Greenburgh.

COMING TO TOWN

The Daily Times

THE WEATHER
This afternoon, intermittent light rain, freshening winds and slowly falling temperatures. Tonight, light to moderate rain and fresh winds, considerable clearing after midnight. Showers at 7:45.

MAMARONECK, N. Y., SATURDAY, MARCH 27, 1943

PRICE FIVE CENTS

DEADLINE NEARS FOR RATIONING OF MEATS AND FATS

Million Pounds of Beef Being Rushed To New York To Meet Shortage

OTHER SUPPLIES RUSHED As Substitutes for Ration Book No. 2 To Be Required Starting Monday

WASHINGTON, (AP)—For most Americans, today marks the deadline for the purchase of meat and cheese—except with ration coupons.

And, beginning next week, red stamps from Ration Book No. 2 also will be required for the purchase of canned fish, butter and other fats and oils, in case of which are presently frozen.

Aimed to equalize distribution throughout the country, the government's ambitious new rationing program for these products is scheduled to start Monday.

Headquartered in New York City, Mayor F. H. La Guardia and the Federal Office of Price Administration jointly announced that an emergency shipment of 1,600,000 pounds of beef for home consumption was being rushed to the city.

A portion is expected to arrive by Monday, the mayor said.

Throughout the country, hundreds of thousands of ration tickets, which include all beef, pork, lamb and mutton, as well as cheese, canned fish, butter, margarine and lard, when sales of these goods is resumed Monday, each person will be allowed to spend 16 cents weekly. Most steaks, butter and cheese call for eight points a pound.

Price Administration President M. Brown, declining to be interviewed, said the coupons would be honored when the program is started, the cooperation of packers and retailers in speeding the flow of the rationed supplies to stores.

Brown said OPA was disturbed over reports of heavy pre-rationing purchases.

"Slaughter quotas for the April-June period," he said, "are slightly smaller percentages of total meat deliveries than in previous years, except pork, but at present."

Secretary of Agriculture Wickard issued an order limiting meat deliveries to civilians to these percentages of their deliveries in the corresponding quarter of 1941: 75 percent for beef and veal, 70 percent for lamb and mutton, and 70 percent for pork, but at present.

President Roosevelt, however, remained extremely optimistic over the food outlook—he said he thought no one would starve—and told a press conference yesterday that farm machinery output was being expanded and that he hoped needed labor could be supplied to farms.

He said one of the first questions asked by Charles Davis, the new food administrator who will take over the duties Monday, would be whether or to form a land army of boys and girls and women to help produce food.

The president also said 3,500,000 acres of land would be planted in military service this year, and that thousands of farmers would be recruited from the Army.

FBI MEN STAGE COUNTY ROUND-UP FOR NAZI AIDS

Apartment Superintendent and Wife Taken Into Custody As Suspects

RADIO, WEAPONS SEIZED

Agents and Police Conduct Spot Raids in 11 Communities

An apartment superintendent and his wife, regarded as dangerous, were arrested by the New York area, announced the raids in which agents and local authorities made a series of spot raids in 11 Westchester communities.

Assistant FBI Director E. W. Casper, in charge of the New York area, announced the raids in which agents were assisted by Sheriff Edward J. Galtzer's Bureau of In-vestigation, local state police. Starting at 10:30 A. M., the investigators, who were armed with 20-caliber pistols, made the raids bringing suspects into the county office at White Plains, which was headquarters, and White Plains Police Headquarters, for questioning. Army intelligence officers cooperated in the check-ups.

The raids which covered White Plains, New Rochelle, Yonkers, Elmsford, Scarsdale, Greenvale, Harrison, Purchase, Elmont, and White Plains, completed their investigation of the suspects. The couple, whose identity was not revealed, was taken to Ellis Island pending further orientation.

EIGHTH ARMY PASSES MARETH LINE GAS

AMERICANS DRIVE ON

REDS RUT Foe

By ROGER GREENE
Associated Press War Editor

Allied Headquarters announced today that Gen. Sir Bernard L. Montgomery's British Eighth Army delivered a successful attack on the Mareth Line in Tunisia yesterday and said operations were proceeding according to plan in spite of stiff resistance.

"The announcement came shortly after an Algerian broadcast—perhaps referring to mid-week developments—said the Eighth Army had overtopped the Mareth line and was attacking the 'Little Maginot' fortifications."

The official war bulletin indicated that the Algerian broadcast—perhaps referring to mid-week developments—said the Eighth Army had overtopped the Mareth line and was attacking the 'Little Maginot' fortifications.

In Northern Tunisia, the command was given by Gen. Sir Bernard L. Montgomery's First Army, which had been in a series of "reconnaissance" operations against Axis lines before the Tunisian breakthrough.

Gen. Montgomery's advance in the assault on the Mareth Line was the second announced by Allied Headquarters in two days, and a communicative said "many prisoners were taken."

The German High Command said it resisted more than 24 hours a heavy scale, both in the Mareth area and in the area of the Gharbia, but the thrusts were beaten off by heavy fighting.

Fires Unabated

There was no decrease in the number of brush fires in the Larchmont and Mamaroneck areas yesterday in spite of the appeal made by municipal officials and local fire chiefs.

There were eight in the Village of Mamaroneck, seven in the unincorporated section, and one in the Village of Larchmont. While the origin of most of them is unknown, it is reported that several were the result of persons attempting to burn off property and then being unable to control the blaze.

The shortage of manpower to fight these fires and the associated expense will soon present a major problem, local officials point out yesterday. They laid the cause of these fires to "carelessness and negligence."

Home On Furlough

Private First Class Robert W. Lloyd is spending a ten-day furlough with his parents, Dr. and Mrs. Henry W. Lloyd of New Rochelle, Greenvale, in Berkeley, Calif., with the Coast Artillery Antiaircraft.

Pvt. Lloyd is a graduate of the New York Military Academy at Cornwall, N. Y. He enlisted in the service June 15, 1942.

With Air Force

John J. Stoddard, 22-year-old son of Mrs. Georgia B. Stoddard, of the Larchmont Hill Apartments, Town of Mamaroneck, is taking a course of Army Air Force instruction at Oklahoma Baptist University in Shawnee, Okla. His course includes a wide range of studies as well as elementary flight training.

Pvt. Stoddard graduated from Mamaroneck High School in 1939. He was associated with the Radio Constable & Company and later with the Larchmont Constable Company in Texas and Louisiana. He enlisted in the Army last September.

His younger brother, Sherman Stoddard, also a Mamaroneck High School graduate, is stationed at Camp Hood, Tex., with the tank destroyer. He attended Fordham last month.

The program will emanate from Washington, D. C., and will be carried by short wave to America's armed forces in service abroad.

VFW To Install

A nationwide chain of new recruits will become members of the Veterans of Foreign Wars by radio at 11:15 tonight when Commodore-in-Chief Robert T. Merrill will conduct the induction over the air.

The David Post Jr. Post No. 1156 of Mamaroneck, will hold a dinner in the Post Rooms on the Hudson Post Road before the radio program.

Commander-in-Chief Nicholas and his newly elected staff will be installed.

The program will emanate from Washington, D. C., and will be carried by short wave to America's armed forces in service abroad.

Public Invited

Because of the importance of victory gardening to the Home Front, the Mamaroneck Garden Club is throwing its annual meeting Monday night open to the public. At this time Patrick J. McKenna, of the New York State Division, will speak on "Soil," and will present slides showing preparation for Victory Gardens.

The talk is scheduled for 8 p. m. in the auditorium of the Barry Avenue School.

Services for our late brother, William L. Geddes, at his late residence, 211 Melbourne Avenue, tonight at 8 o'clock.

Walter Warrington,
Mable Drury.

LIEUT. KANE WINS NAVY PRAISE FOR BRAVERY AT SEA

Larchmont Officer Rescues Master of Vessels Hit by Torpedo

Lieut. (j) Peter F. Kane, Jr., son of Mr. and Mrs. Peter F. Kane of 21 Oak Avenue, Larchmont, has been commended by Secretary of the Navy Frank Knox for his bravery and lifesaving feat after the torpedoing of an American merchant ship, according to an announcement today from the Third Naval District Headquarters.

When the ship was struck, Lieut. Kane, office-in-charge of the armed guard, located the master of the vessel who had been knocked down and dazed by the explosion. He aided him overboard to a life raft, thereby saving his life.

Later when men from the raft were swimming to a rescue vessel, a shark was seen nearby and the men were ordered back to the raft. When the 60-year-old first assistant engineer became disoriented, Lieut. Kane, fully clothed, leaped into the water and dragged him back to the raft.

Lieut. Kane, who is 31 years old, has been in the Navy for eight months. He was born in Larchmont, attended the Catholic University in Washington, D. C. He attended primary school in Boston and at Little Creek, Va., where he received his commission. Before entering the Navy he was a sales engineer in New York City. He is home at present on 15-day leave.

Lieut. Kane has five brothers all in the service or about to enter. Lieut. Joseph (j) Kane is a naval aviator at Annapolis, Annapolis, Md. Pvt. John is at Port Hovoe, Tex., and Pvt. Paul is at Fort Hove, Tex. Another brother, Charles, is in the enlisted reserve and will report for active duty next month, and the fifth brother, Vincent, leaves with the next draft contingent in April.

Rotarians Hear Speech On Africa

Speeches and photographs of his experience in Africa during the last year were the talk given yesterday by Charles Jones of the Yonkers Rotary Club before Larchmont Rotarians.

Mr. Jones spent many months in the West End at that time and his description of the events which took place there were of special interest.

Yesterday's visitors were John A. DeLoe, president of the club, Fred Kramer of New Rochelle and Joe Secretary, son of J. Woods Bagley, estate superintendent, and their respective wives.

The speaker at next Friday's meeting will be Rotarian Richard Holman, founder of Holman's mayonnaise who will tell of some of his commercial experiences.

Blaze Devastates Woods At Armonk

Fanned by a stiff breeze, fire of undetermined origin devastated woods and fields of the Robert Bagley estate in Whipplow Road, Armonk, yesterday. Robert Bagley, estate superintendent, suffered minor burns.

Armonk Fire Department volunteers responded to an alarm at about 2 P.M., but were unable to cope with the blaze. They summoned help from the North White Plains Department.

It was introduced by State Senator Philip W. Williamson of Scarsdale and not only failed of county executive approval but was unique also in that they were introduced by Sen. Williamson prior to approval by the supervisors on March 8 by a vote of 26 to 11. Ordinary procedure is for the supervisors to approve all county bills before they are introduced at Albany.

"I don't like to have 'fast ones' put on me," wrote Mr. Gerlach in the opening of his letter to the Board of Supervisors, "but I am not averse to giving the people the same constitutional rights with respect to the right of the people to give their money to the State as they have in Maryland Avenue, a bill of a Maryland Avenue."

Whether or not the bill is introduced will be honored by the Board of Supervisors.

The bill was introduced by Sen. Williamson on the floor of the State Senate on March 8 by a vote of 26 to 11. Ordinary procedure is for the supervisors to approve all county bills before they are introduced at Albany.

2 LOCAL RESIDENTS SHARE HONORS IN CONSTRUCTION OF JEFFERSON MEMORIAL

Architect And Engineer Both From Larchmont Post District

Two local residents will be among those sharing the honors for the construction of the Jefferson Memorial when that structure is dedicated in the nation's capital April 25. They are Otto R. Eggers, 15 South Drive, Town, and Henry C. Gerlach, 12 West Avenue, Larchmont. Mr. Eggers is one of the architects and Mr. Gerlach is the engineer in charge of the construction and the sinking of the piles for the foundation.

Eggers, 15 South Drive, Town, and Henry C. Gerlach, 12 West Avenue, Larchmont. Mr. Eggers is one of the architects and Mr. Gerlach is the engineer in charge of the construction and the sinking of the piles for the foundation.

GERLACH DOGS COUNTY DOG BILLS

County Executive Says Passage Of Two Measures Is Unconstitutional

Holder that passage by the State Senate and Assembly of the "welfare dog bills" is unconstitutional in that it violates the home rule provisions of the County Charter, requiring approval by the county executive of special county legislation. County Executive Herbert C. Gerlach yesterday wrote Charles D. Bretel, counsel to Governor Dewey, asking that the Governor veto the two measures.

It was introduced by State Senator Philip W. Williamson of Scarsdale and not only failed of county executive approval but was unique also in that they were introduced by Sen. Williamson prior to approval by the supervisors on March 8 by a vote of 26 to 11. Ordinary procedure is for the supervisors to approve all county bills before they are introduced at Albany.

"I don't like to have 'fast ones' put on me," wrote Mr. Gerlach in the opening of his letter to the Board of Supervisors, "but I am not averse to giving the people the same constitutional rights with respect to the right of the people to give their money to the State as they have in Maryland Avenue, a bill of a Maryland Avenue."

Whether or not the bill is introduced will be honored by the Board of Supervisors.

BIG THROG BIDS ADIEU TO 52 MEN AT STATION HERE

Ceremonies Precede Departure Of March Contingent For Military Training

Municipal officials of Tye and Mamaroneck were among the men and women gathered at the Barry Avenue School yesterday morning and later at the Mamaroneck railway station to bid farewell to the 52 graduates who left to begin training with the armed forces.

James A. Gillian, chairman of the local draft board, conducted the ceremonies at the school, introducing the Rev. Aubrey G. Strömberg, pastor of the Mamaroneck Methodist Church, who addressed the contingent.

The men were transported by automobile to the corner of Mamaroneck Avenue and the Hudson Post Road where they were met by the Barry Avenue High School band. The band marched to the station platform along the men's heads. The train for New York left at 11:15 A. M.

Mamaroneck American Legion representative, distributed a Legion pamphlet "Farewell to the Men and a booklet called "Four Army and You" issued by the Secretary Service Headquarters was distributed to them. Each man also received a copy of the American Red Cross booklet from Mrs. Robert Klink, representing the Mamaroneck Branch of the American Red Cross.

Among the Tye and Mamaroneck officials who attended the ceremonies were: Mayor Irving Gerlach, Commander of the Mamaroneck American Legion Post No. 60, Police Chief Arthur W. Martensen of Mamaroneck and Howard B. Shields of Tye, and Judge William Edwards of Tye.

In his address, Rev. Strömberg mentioned three values in life: faith, freedom, and peace. "Largely because of Christian influence we are opposed to war," he said, "but when a greedy, inhuman, cruel aggressor takes advantage of this reluctance to fight, then we must bend every effort to the struggle."

The evil which faces us in this world today can only be eliminated by the fire of war, he said.

"Americans do not go about boasting that they are the highest form of civilization. It may be so, but there are no others who do otherwise."

Americans are a people who try to work out the highest type of civilization possible—aided by God's spirit.

"We want to be free to achieve our own destiny. We want to be free to develop their national lives. We love peace. We love it enough to fight for it."

"We love peace. We love it enough to fight for it."

"We love peace. We love it enough to fight for it."

AMERICANS LAUNCH SURPRISE DRIVE ON FONDUK

The official war bulletin indicated that the Algerian broadcast—perhaps referring to mid-week developments—said the Eighth Army had overtopped the Mareth line and was attacking the 'Little Maginot' fortifications.
