Wins Commission

Cadet-Midshipman Frank E. Maguire, 20, above, son of Mr. and Mrs. Stephen A. Maguire of 314 Melvaine Avenue, Mamaroneck, has just graduated from the United States Merchant Marine Academy at Kings Point, N. Y. He has qualified for his license as third assistant engineer and will soon be shipping out in that capacity aboard a vessel of the U. S. Merchant Marine. In addition to receiving his license, he received a commission as ensign in the U. S. Naval Reserve.

Ensign Maguire, who is a graduate of Bellows High School, also attended Georgetown University. During his school terms he was active in football and sailing. He was appointed to the United States Merchant Marine Cadet Corps about 18 months ago, reporting to the Academy at Kings Point. After three months' studies he was assigned as an engine cadet-midshipman to a merchant ship carrying war supplies to the far-flung battlefronts. After serving about six and one-half months at sea, he returned to Kings Point on Aug. 1, 1944, to complete his academic studies.

Ensign Maguire has two brothers serving in the armed forces. Lt. Stephen A. Maguire, USA, and Ensign Raymond B. Maguire, USN. A third brother, Lieut. (j. g.) Gerard C. Maguire, was killed in action in France last November.

New Tail Gunner

John S. Breckenridge, Jr., 19-year-old son of Mr. and Mrs. John S. Breckenridge of 7 Concord Avenue, Larchmont, is receiving his final phase of training as tail gunner on a B-24 Liberator bomber at Walla Walla Army Air Field, a base of the Fourth Air Force in the State of Washington.

It is at Walla Walla Army Air Field that combat crew members of the mighty Liberator bombers are formed for final training. Before arriving at Walla Walla Army Air Field, the crew members have finished a specialist school in preparation for their individual jobs. When they become members of a combat crew those individual talents are coordinated and they become a unified fighting team.

With Flying Engineers

Pet. Justin C. Fraloni of Mamaroneck is serving as a utility repairman with an airborne Engineer Aviation Battalion at a central air depot in France.

Training In Infantry

Russ E. Cornwall, Jr., of Larchmont is receiving basic training in the Infantry at Camp Croft, S. C.

Communications Chief

T. Sgt. Arthur C. Hawkins, formerly of 157 Larchmont Avenue, Larchmont, has arrived at Parkdale Field, La. from Fort Monmouth, N. J., and will serve as communications chief at that Third Air Force B-24 Superfortress base.

Holy Name To Honor

Mrs. Warren Tonight

Members of the Holy Name Society of Holy Trinity Church will meet in a body tonight at 8:30 o'clock to pay tribute to Mrs. Rose E. Warren, who died Monday at her late home, 318 Prospect Avenue, Mamaroneck. It was announced this morning by Edward F. O'Reilly, president of the society.

Salary Increase For Teachers In Rye Neck Voted

\$14,975 Addition For Budget Wins 27-16 Approval

A 1945-46 budget allowing for a teachers' salary schedule which, in the words of one taxpayer, "makes it possible for the first time for Rye Neck to compete with other school districts for good teachers" was adopted last night by residents of the district at the annual school meeting at the Ballows High School. The slender vote of 27 to 16 marked the addition of \$14,975 to the budget for instructional services for the coming year, bringing the total appropriation under that item up to \$145,110.34.

No outright objection to the new salary schedule was expressed except for a criticism of the comparatively low rises for the principals advanced by Mrs. John J. Curtis of Hiram Place who stated that she thought it was not fair for the teachers and superintendents to receive substantial raises while the principals' salaries will be raised only \$50 for the year.

Superintendent Alvin W. Hicks explained the \$50 bonus the principals to their maximum salaries and stressed that the maximum salary for the principals is \$10,000. Mr. Smith explained that, although the maximums of some of the teachers and principals appear to be the same, in reality only one teacher is "anywhere near" the new maximum and the principals are therefore serving substantially more.

Mrs. Patrick J. Hughes asked for an explanation of the new salary schedule and Dr. Hicks explained that it applies in three sections according to the number of years' training the teacher has. Teachers who have had three years' training will have a minimum of \$1,500 and a maximum of \$2,800; those with four years' training will have a minimum of \$1,800 and a maximum of \$3,400; and those with five years' training will have a minimum of \$2,100 and a maximum of \$4,000.

Dr. Hicks further explained that the \$14,975 increase in the budget for salaries, \$7,075 in 1944 and \$7,900 in 1945, is an allowance for three new teachers and \$2,175 would be added (Continued on Page Three)

Schools Win Complete Collapse of All German Hostilities By Land, Sea And Air

Announced By President Truman

Increase Of \$22,484 Over Last Year's Costs Voted Unanimously

In a brief session, marked by complete accord, the 1945-1946 budget of Union Free School District No. 1 of Mamaroneck, amounting to \$332,865 and representing an increase of \$22,484 over last year's budget, was unanimously adopted Tuesday night at the annual meeting, attended by about 75 residents.

Philip O. Moynahan, retiring president of the Board of Education, received a tribute for his "unfiring work" and an embossed resolution will be presented him. Mrs. F. Warren Green also spoke in tribute to him, praising his tireless and accomplished work as president.

The increase in the budget, together with the decrease in the total assessed valuation of the property included in the district, results in an increase of 52 cents per thousand in the tax rate, making the rate for the year approximately \$123.31 per \$1,000 of assessed valuation.

Accordingly, top salaries in each of the various progressive salary schedules for teachers, clerks and custodians have been increased. The RESO temporary scale of living adjustment for all employees is retained for another year.

The resolution honoring Mr. Moynahan, offered by Richard Staelen, reads as follows: "Whereas Philip O. Moynahan has been president of the school district for the last six years serving as president for the last five years, and who has been an unsparing and energetic in the welfare of his students, and whereas his conscientious and capable leadership has been of great benefit to the school district, be it resolved that this annual meeting of the school district express to Mr. Moynahan its deep appreciation and gratitude for his long and faithful service on its behalf and further be it resolved that a complimentary check of \$1,000 be properly composed and presented to Mr. Moynahan."

Mr. L. J. Lyle presided as chairman, and introduced Mrs. Harold Hughes and Walter F. Brackley who will be elected today to serve on the school board for three-year terms.

The report of the trustees, the (Continued on Page Three)

Fund Approved For School Recreation

The \$15,000 appropriation for a Summer recreation program was voted into the Rye Neck school last night but not until after it suffered a severe blow by two or three taxpayers who claimed that, if the schools "entertain" the children all Winter, it is up to the mothers to take over during the Summer months.

Chief Arthur W. Martensen, Dr. Edward J. Storey and Mike Adelman went back to the program the chief claiming that it helped solve the juvenile delinquency problem during the Summer. Dr. Storey backing it as a reasonable phase in the full-time job of educating children to be good citizens, and Mr. Adelman upholding it as the best method of keeping youngsters off the streets in the summer months.

Mrs. John J. Curtis of Hiram Place, chief spokesman against the plan, claimed that few children went last year to the school playground and contended sharply that "the same people who wanted it and paid for it last year" could pay for it again this year.

President James Jackson explained that the Kiwanis Club made a substantial contribution last year and the board voted to consider it.

The argument became so heated at one point that President Jackson reminded one irate supporter of the appropriation that there was no need to raise his voice.

The little red flowers will pay tribute to those men who have died in their country in the present war and to those who are serving in the Armed Forces. Proceeds from the sale of the flowers will be used to aid the afflicted veterans of both wars and their families.

Extensive preparations for the observance of Poppy Day are being made by the Mamaroneck Auxiliary of the American Legion. The leadership of Mrs. Kammerer and Mrs. Martin Pipoloff, poppy chairman, Volunteer workers of the Auxiliary will be on the streets throughout the day.

The flowers are made of crepe paper and are being distributed to the veterans occupy their minds and fingers, causing the otherwise slow movement to pass quickly and at the same time furnishing the men with a means of relief, Kammerer says.

Allied Armies Racing Into Last Pockets

PARIS (AP)—With Field Marshal Von Rundstedt captured and Hitler reported dead, Allied armies raced south and north today into the last German pockets in the closing campaigns for victory.

Gen. Patton's Third Army drove down the last 30 miles toward Salzburg and the last 44 toward Vienna. The British by Seventh Army advanced northward in the Elbe and advanced to within nine miles of the stock market. They would split the north German pocket and formed made up of Rye and Rye Neck taxpayers to study the problem of Rye Neck with respect to the consolidation of the City of Rye school system.

When the local legislative representative of the district from being partitioned in March when the Rye consolidation plan was submitted to the legislature, it was thought that capture would be a joint commission would be formed made up of Rye and Rye Neck taxpayers to study the problem and how it could best be solved without crippling the school district.

"These golden days that could be used for study are passing right by," Ivan Anderson said, "I'd like to know when we can expect some work to be done on this."

President James Jackson said the board had needed a "breathing spell" after the fight to have the Rye Neck clause deleted from the bill and that the trustees had been particularly busy with the preparation of the budget lately. He further pointed out that there had been a possibility that the bill would die and that Gov. Dewey had signed it only last week.

It will now have to be submitted to the people of Rye for a referendum he said and added that the appointment of the commission should wait for the actual adoption of the consolidation plan by the City of Rye. He also noted that the audience that would be held at the school for the City of Rye (Continued on Page Three)

Labor Violation Brings Two Fines

Brought into Larchmont Police Court last night on the third charge in recent weeks of violating a minimum wage law, Joseph S. Sidney, J. Albert of 100 Maywood Road, New Rochelle, 32 for improper parking at the railroad station; Abraham Weinberger of the Bronx, \$10 for speeding and Horace Cokinos of 776 Francis Street, \$10 for speeding and parking on Palmer Avenue, Francis J. Hendrick of Philadelphia, fined \$10 for speeding and Louis Papkin of the Bronx, fined \$3 for parking without a license.

Surrender Opens Southern Gates Of Nazi Redoubt

LONDON (AP)—The Luxembourg radio said tonight that a German capitulation in Holland was imminent. The radio, which reports from the Canadian front indicated armistice negotiations had been in progress more than 24 hours.

WASHINGTON (AP)—President Truman today announced the unconditional surrender of German forces in Italy and said: "Only folly and chaos can now delay the general capitulation of the everywhere defeated German armies."

In a statement announcing he had sent congratulatory messages to the Allied commanders, the President added: "Let Japan as well as Germany understand the meaning of these events."

ROME (AP)—Col. Gen. Heinrich von Vietinghoff today unconditionally surrendered all German land, sea, and air forces in the southern part of Italy to the Allies. The surrender was effective at 12:01 P.M. Rome time (8 A. M. Eastern war standard time).

The surrender opened the southern part of the Nazi redoubt in the Bay and the Adriatic panhandle. A junction of the German forces and the three of Gen. Eisenhower's armies in South Germany and in Austria was expected soon, signed Sunday.

Field Marshal Sir Harold L. Alexander announced the surrender was signed at Allied force headquarters in Caserta Sunday afternoon.

Gen. von Vietinghoff's command included the German Sixth Army, the 14th Army in the northeast, and the 17th Army in the south. The surrender also included the German forces in the Balkans and the 17th Army in the south. The surrender also included the German forces in the Balkans and the 17th Army in the south.

Awarded Air Medal

For "meritorious achievement in aerial flight" Second Lieutenant Dayton B. Herrick of Larchmont has been awarded the Air Medal in France, where he is stationed at a Ninth Air Force Bomber Base.

The son of Mr. and Mrs. Dayton B. Herrick of 21 Seton Road, Larchmont is pilot of a B-26 Superfortress bomber, "Sack Quota."

Veteran of more than 40 weeks of missions, he took part in the Ninth Air Force offensive against tactical targets in Germany in cooperation with Allied ground forces fighting east of the Rhine River.

LT. Herrick was graduated in April, 1944, from the two-year aviation flying school of the AAF Training Command at Fort Rucker, Ala. He received his silver pilot's wings and officer's bar. He is stationed at primary training at Tulsa, Okla., following basic training at Coffeyville, Kan. He is a graduate of the Mamaronock High School and Lehigh University, and was appointed to flight training in August, 1943.

Reports For Duty

LT. Lewis L. Jacobs of Larchmont has arrived at the Fort-Lewis, Wash., Army Service Forces Training Center for duty, according to an announcement by Major Gen. Joseph D. Pugh, commanding Fort Lewis. He is the son of Mr. and Mrs. M. L. Jacobs of 19 Knollwood Road, Larchmont, and married to the former Zoe Feldman of Westport, Conn.

LT. Jacobs served with a combat medical unit in the Pacific area for almost a year, and on return was graduated from Officer Candidate School at Carlisle Barracks, Pa. He volunteered in the Enlisted Reserve Corps in July, 1942, and was promoted to sergeant in New York University, receiving basic training at Camp Grant, Ill.

Two brothers are serving with the Navy. Robert, executive officer on an LCI and Earl, who was graduated in March from Bowdoin College.

Arrives In England

Flight Officer Edward S. Wilson, Jr., son of Mr. and Mrs. Edward S. Wilson of 262 West Street, Larchmont, arrived recently at a U. S. Strategic Air Force station in England for duty. He is on a permanent station with the 8th Air Force and was employed with Pratt and Whitney Aircraft Company in Hartford, Conn.

Prior to entering the Army, he was employed with Pratt and Whitney Aircraft Company in Hartford, Conn.

Mr. Wilson received his wings as a glider pilot in the Army at Larchmont, after previous training at Westport, Conn., and Sheppard Field, Tex. He attended Mamaronock High School, Indian Mountain School, Larchmont, and the Hackley School in Tarrytown. His brother, James, also serves with the Army.

201 Give Blood As Larchmont Meets Quota

Larchmont has again fulfilled its obligation by giving 201 pints of blood yesterday when the mobile unit under direction of Lt. Joseph Noonan, M.C. U.S.N.R. visited the Larchmont Blood Club for the eleventh time.

The small number of persons who failed to qualify for the place of the usual 40 to 50—made it necessary to refuse donors scheduled for the latest appointment. "This is unfortunate," said Mrs. C. Stewart Conover, chairman of the Blood Donor Service of the Larchmont branch, "but it is impossible to guarantee eleven donors and I feel that it is better to have a few disappointments rather than fail in our objective. We will be sure to have a few more donors next time."

Eight-time donors who received the red ribbon from Mrs. Rufus K. Allison, branch chairman, signifying membership in the "Gallon Club" included Sidney Allen, Mrs. C. C. Beall, William Fuchs, Mrs. David Hills, Raymond Marshall, Mrs. Paul Richardson, William C. Thompson, George Von Bernhart, Mrs. Harry Wooten, and Allen Rosenblatt, who made his first Larchmont donation.

There were 21 first-time donors while six persons gave for the ninth time, five made their third contribution, four their second time, and one twelfth time donor. Doctors giving their services were William M. Fuchs, F. F. Tremaine, Albert A. Strickland, Ellsworth J. Smith, all of Larchmont, and Samuel A. Hand of New Rochelle.

Mr. and Mrs. W. J. Shea, vice-chairman of Blood Donor Service, Mrs. Jay E. Mason, Westchester County Chapter Chairman, and Mrs. Doris Donor Service, represented the chapter. Red Cross workers assisting at the Blood Bank under direction of Mrs. C. E. Brennan, branch chairman of Volunteer Special Services, were members of the Larchmont Corps. Mrs. David A. Embury, chairman; Nurses Aid, Mrs. Leicester Sherman, chairman of the Motor Corps; and Mr. May Smith; Mrs. George L. Locke, of motor assistance was in charge.

Army Acts To Release 1,300,000

Point Score System Set Up For Discharge Of Armed Forces

DRAFT TO CONTINUE

WASHINGTON, (AP)—The War Department announced today that a point score of 85 has been decided on as the minimum required for discharge of ground, air and service forces enlisted men at this time.

Men with this total will be considered eligible for release and will start moving next week for separation centers. Separate critical scores for each of the services will be established in the next 12 months to be used in the next 12 months.

The points for each of four factors are: (1) length of service; (2) length of military service; (3) length of military service; (4) length of military service.

Overseas credit—One point for each month served overseas since Sept. 16, 1942.

Combat credit—Five points for each award of combat decorations and one point for each award of a parent hood credit—12 points for each child under 18 years of age up to a limit of three children.

Those who attain the required score will be discharged without necessity details their requirements. Special replacements can be obtained.

44 For Wacs—A company, made of 44 points has been set for members of the Women's Army Corps.

The combat credit are based on awards of the Distinguished Service Cross, Legion of Merit, Silver Star, Distinguished Flying Cross, Soldiers' Medal, Purple Heart and Bronze Service Stars (battle participation stars).

Credit also will be given for the following naval decorations to be given for the benefit of the Mamaronock Police Benevolent Association at the Playhouse.

The Department said the method of releasing officers will be simpler than the plan for enlisted personnel primarily because officers have received additional training, have heavier responsibilities and have developed special skills and leadership qualities.

Therefore, the department said, "although officers will have an adjusted service ratings score based on the same military service as enlisted personnel, this factor will be secondary to the prime requirement of military necessity."

Approximately 1,300,000 men are being discharged under the point system, including 600,000 now in Europe, about 450,000 in the United States and 250,000 in the United States under the relation system.

Measurably, an Army disclosed that it will take almost a year to move out of Europe the 3,000,000 troops destined to be shifted to the Pacific or brought back to this country for discharge. Six months more will be required before all the equipment loaded for Europe has been shipped from Europe.

Older 1-A and potentially 1-A men remained in doubt as to their draft status. War Mobilizer Vinton said yesterday Selective Service calls will continue to be large.

He gave no figures but said "deferrals for men under 30 will continue to be relatively few and will become fewer as more veterans return to industry and the farms."

The ship will be on exhibit next week.

Army Acts To Release 1,300,000

Point Score System Set Up For Discharge Of Armed Forces

DRAFT TO CONTINUE

WASHINGTON, (AP)—The War Department announced today that a point score of 85 has been decided on as the minimum required for discharge of ground, air and service forces enlisted men at this time.

Men with this total will be considered eligible for release and will start moving next week for separation centers. Separate critical scores for each of the services will be established in the next 12 months to be used in the next 12 months.

The points for each of four factors are: (1) length of service; (2) length of military service; (3) length of military service; (4) length of military service.

Overseas credit—One point for each month served overseas since Sept. 16, 1942.

Combat credit—Five points for each award of combat decorations and one point for each award of a parent hood credit—12 points for each child under 18 years of age up to a limit of three children.

Those who attain the required score will be discharged without necessity details their requirements. Special replacements can be obtained.

44 For Wacs—A company, made of 44 points has been set for members of the Women's Army Corps.

NAZI POCKETS GIVE UP A FIGHTING COMES TO END; HEIN AND FRANK SEIZED

Russians Parade Through Prague As Czechs Cheer

By HAI ROVSE, Associated Press Staff Writer. PRAGUE, (Delayed)—Kornad Heinlein, the traitorous garter of the Sudetenland, and Karl Franz, Reichsfuhrer of the military governor of Czechoslovakia, were taken into custody by American troops today as German soldiers fled westward from this shattered capital toward the interior.

The refugees crowded city—last Heintzen, the Sudeten organizer who paved the way for Hitler's march into Czechoslovakia, was caged by the First Division. Victorious Russian troops paraded through the city amid the wild acclaim of the populace, which lost 5,000 casualties by Czech account, in the last ditch bitter three-day battle with the Nazis.

"The dead and wounded are so many they still are uncounted," declared Vacek Capek, spokesman for the Czech National Committee in describing the last major battle of the European war, which ended at 9 A. M. yesterday when the Czech flag was hoisted over the last German stronghold. The refugees crowded city—last European capital to be liberated—erupted in a mad outburst of respect and joy after the first reconnaissance elements of the Soviet Army had reached Prague from the northwest at 5 A. M. after a 35-mile overnight march.

Victors from Germany to the American lines at Pilsen stretched a 45-mile column of broken German troops fleeing from the Russians.

STANDING IN SILENT MEDITATION, a wounded veteran of World War II and his wife and child view the dome of the nation's Capitol in Washington, looked in powerful flood lights for the first time since Pearl Harbor. The dimout was ended with the coming of peace in Europe. This is a Washington Times Herald photo.—International Soundphoto.

Human Nature And The Peace, Forum Topic

Lt. Col. Knapp Tells Story Of Inhuman Brutality From Nazi Concentration Camp

Gardner Murphy, C.M.N., psychology professor, will share the forum platform Friday with William A. Lygate, Gallup Poll director, at the Larchmont Council Planning at the Chatsworth Avenue School, was co-edited by Gordon W. Allport of Harvard University, a 10 point statement signed by more than 2,000 psychologists on "Human Nature and the Peace."

Dr. Gardner, who is the author of many books in his field and co-author of "Public Opinion and the Psychology of the Society for the Psychological Study of Social Issues," will discuss the statement signed by more than 2,000 psychologists on "Human Nature and the Peace."

Dr. Gardner, a member of Phi Beta Kappa and Sigma Xi, has served as presiding officer for numerous psychological professional groups. His past in the discussion will include consideration of the following questions, which he will discuss from the point of view of public opinion polls: "Are wars inevitable because of human nature?" Are the root-causes of the present peace the safest guide in framing the peace?" And a clear-cut definition of war-guilt essential to reconstruction."

China Relief Leader Guest Of Red Cross

Mary Tui Chu, member of the China Department of the United China Relief, will be the guest speaker at the annual meeting of the Larchmont Branch, American Red Cross at the Larchmont Avenue Church House Wednesday at 8:15 P. M. Mrs. Chu's subject will be "The Spirit of Red Cross in China—Harry F. Flowers, chairman of the Board of Directors, will preside.

Born and educated in Nanjing, Mrs. Chu came to this country to enter Barnard College to study art. Here she met and married the late Chinese-American physician, Dr. Fari Y. Chu, a graduate of the Yale medical school and Boy Scout leader in Chatsworth.

Dr. and Mrs. Chu were among the group organizing the Bureau of Medical Relief to China which later merged with other related groups to form the United China Relief.

Mrs. Chu has extensive knowledge of Chinese and American Red Cross work in a country where organized relief is an innovation, according to William J. McWilliams, member of the Board of Directors of the Larchmont Branch. Following her husband's death, she joined her husband's department of the United China Relief, chosen for the post of her non-profit work at both East and West as well as her command of the English language.

Proceeding Mrs. Chu's talk, names of the four new directors will be announced by Mrs. Harry F. Flowers, chairman of the (Continued on Page Three).

The Weather

Tonight, rain and cool, lowest temperature 45 to 50. Tomorrow, partly cloudy and mild, highest temperature to 65. High tides today at 11:11 P. M.; tomorrow at 11:49 P. M.

War Fades Out In Dunkirk And Czechoslovakia

LONDON, (AP)—The Prague radio said German planes again were bombing the big concrete airfield camp at Terziva (Theresienstadt), 53 miles northeast of Prague, where thousands of Jews still were held. The camp was attacked by German bombers yesterday, Czech broadcasts reported.

LONDON (AP)—The European war—most devastating in all history—bowed out last night to the death rattle of 50 shells from 1,000 Moscow guns, and all that was left of it today was a series of sporadic outbursts of fighting and the monotonous processing of captured German prisoners.

Nazi humiliation was complete. The High Command had bullied Europe into the scouring conflict, still was missing—perhaps the No. 2, Adolf Reichsmarschal Hermann Goering, was an American captive. The supreme German commander in the west, Field Marshal Albert Kesselring, was in American hands. The Luxembourg radio said Dunkirk had been captured by the Red Army. Streams of dejected German soldiers trickled freely from by-passed pockets in the Reich.

In a blunt, six-minute victory broadcast from his study in the Kremlin, Marshal Stalin said the German army would not "destroy Germany or its people."

Earlier the Soviet premier said his 800th—and probably his last—order of the day on the European war. It announced the document of peace, accepted by the Nazis since March 14, 1939.

Stalin said the Prague Nazis had retreated to the east and had been captured by the Russians, and the radio said based on German news was saving the countryside.

The German 16th and 18th Armies, sealed off in the Lorraine region, were being corralled by the Lorraine command, which had proceeded 400 miles by nightfall Wednesday. Some 21,000 from the 16th Army were held near Danzig were processed by White Russian Armies by late Wednesday.

In Yugoslavia, a communique of Marshal Tito's forces said the partition of Europe, occupied by Austria against disconnected German troops still reading Germans.

The German High Command in its last communication said all German arms had ceased firing under Admiral Karl Doenitz' order. An additional announcer read the communique of the German High Command, which had achieved great victories, but also had suffered heavy losses. We succumbed with honor."

German troops were sent to Czechoslovakia on Wednesday 20 Nazi fanatics were holding out.

Nazi troops yesterday fled out of the city of Prague, which was held by the Czechs. The German 16th and 18th Armies, sealed off in the Lorraine region, were being corralled by the Lorraine command, which had proceeded 400 miles by nightfall Wednesday. Some 21,000 from the 16th Army were held near Danzig were processed by White Russian Armies by late Wednesday.

Peace Forum Slated May 17 By Democrats

A public discussion forum dealing with the work of the San Francisco Conference will be held May 17 at 8:45 P. M. at the Weaver Street Fire House under the sponsorship of the Larchmont Branch, American Red Cross.

Dr. Harold Kora, Columbia University lecturer in the field of political science, guest of honor, will lead the discussion on the significance of what is taking place in San Francisco. He holds the master of arts degree from the Columbia School of Political Science and a doctor of philosophy degree from New York University for his study of the period of the formation of the constitution of the United States.

The meeting will mark the first of a series planned by the Democratic Club to stimulate discussion of political questions. Frank McConaugh is president of the organization.

Dr. Kora will be entertained here by the section by Mr. and Mrs. L. L. Seitz and Mr. and Mrs. W. J. ...

3-Hour Police Show Features Famed Artists

Plans for the three-hour all-star show to be given Wednesday night at the stage show to be given for the benefit of the Mamaronock Police Benevolent Association at the Playhouse.

The men are still so bewildered from their war experiences and the swift plane trip home, that they are actually in America, a legitimate remark. "The psychology of the soldier," Anne Barrett, the "Queen of V-J Singers," and Sammy Walsh, composer of the hit "I'll Be Home Again," will be featured.

The annual benefit, presented to raise funds for the maintenance of the death and Christmas fund available to all families of men in the association, will feature Vincent Lopez and his orchestra; Rose Marie, will knock out of the stage and radio; and John Sebastian, harmonic player who has just completed a nation-wide tour followed by an engagement at the Waldorf-Astoria.

Patrolman William Poonessa, president of the association, is general chairman of the affair with all members serving on the committee. Tickets are available from all patrons and are also on sale at the Playhouse, and are exchangeable after May 9 for reserved seats at the box office.

5 More Leave Tuesday For Armed Forces

Five new residents and former residents of Larchmont, N.Y. Day had a strange significance, because it came close upon the heels of the families leave from Uncle Sam stating that they are to report for induction into the armed forces next Tuesday.

Part of a group of eight men who are to fill the May induction quota from the Larchmont-Scarsdale Draft Board, they will meet at 7:45 A. M. at the Weaver Street Fire House where they will receive utility kits from the Lions Club and Red Cross representatives and be greeted by Pigeon Riviere, chairman of the Lions Club.

They will then go to the Scarsdale High School where they will join in their induction ceremony for roll call and final instructions. The men will board the 8:45 A. M. train at Scarsdale for New York.

Larchmont men are Thomas N. Biglin, Jr. of Pleasantville, formerly of 12 Myrtle Boulevard; William G. Hamill of New Rochelle, formerly of 71 Forest Hill; and George E. McGowan of 26 Pocomo Street, and George B. Skinta of Larchmont Acres.

WEGAND HELED (AP)—Gen. Maxime Wergand, last commander in chief of France's Army before the fall of the Republic in 1940, was discharged in the night, charges still are unspecified. Jean Brotons, one-time tennis champion, also was taken into custody.

Sedan Disappears From Parking Space

The Village of Mamaronock Detective Bureau is investigating the disappearance of a car sometime Tuesday afternoon from a public parking space at the western end of the New Haven railroad tracks. Owned by Mrs. A. W. Antoville of 554 Claffin Avenue, the car was reported missing in 1941 when it disappeared. She told the police sometime between 7:45 A. M. and 11 A. M.

YONKERS—Eric Michael Halasyk, 42, of this city, died in Panama on May 5. His wife, Mrs. Halasyk, notified his sister, E. Halasyk, of 250 Spring Road, Private Hudson, who contacted the car attorney, James J. ...

Dr. and Mrs. Chu were among the group organizing the Bureau of Medical Relief to China which later merged with other related groups to form the United China Relief.

Mrs. Chu has extensive knowledge of Chinese and American Red Cross work in a country where organized relief is an innovation, according to William J. Our Men In Service

Lt. Col. Phye Honored

Lt. Col. Herbert L. Phye of Larchmont was one of the officers and enlisted men recently awarded the Bronze Star Medal by Major Gen. Frank B. Rowley, chief of transportation in the European Theater of Operations, who personally pinned the medals on each, citing them for their "exceptional accomplishments" and commending their initiative.

Lt. Col. Phye, overseas since July 1942, received the award "for meritorious service in military operations as a member of the Packing and Marking Branch, OCOF, from August, 1942 to June, 1943."

His accompanying citation reads as follows:

"He materially assisted in the improvement of specifications and types of packing supplies received from the zone of the Interior. He created and trained a mobile training squad which traveled through the United Kingdom giving demonstrations on proper packing and marking procedure to Service of Supply and ground units. Through this instruction a marked effect was had on the efficiency of packing in subsequent operations."

The lieutenant colonel's wife and children, Edwin and Martha, reside at 8 Woody Lane, which is associated in civilian life with the Association of American Engineers, and was stationed in Washington, D. C., and at Philadelphia before going overseas. He was promoted to his present rank.

Lt. Cutter Wounded

Lt. Albert V. Cutter, Jr., son of Mrs. William A. Cutter of 229-A Ward Avenue, Larchmont, is receiving treatment in a hospital in Germany for shrapnel wounds in the hand received April 11 in combat.

He entered the service August 7, 1941, and went overseas last October after receiving infantry training at Camp Croft, S. C., Camp Shelby, Miss., and Fort Benning, Ga., where he graduated from Officers' Candidate School. He served as an instructor at Camp Putnam, N. C., and was promoted to first lieutenant shortly before going overseas.

Lt. Cutter graduated in 1933 from Bellows High School where he won his letters in baseball, basketball and football, and was employed by the Fawcett Publishing Company in Greenwich, Conn. before going overseas.

His wife, the former Virginia Dunton of Ridge, Tenn., and their four-month old son, reside at the Ward Avenue address.

Brothers Reunited

Two Mamaroneck brothers who have been serving nearly two years in the South Atlantic States were reunited recently at home where they both spent brief leaves. They are Sergeant William V. Gagliardi and MM3d John Gagliardi, sons of Mrs. John Gagliardi of 315 Center Avenue, Mamaroneck.

Seaman Gagliardi, who has been serving in the Naval armory, is 24 years old and a former student at Mamaroneck High School. He entered the service in September, 1943, and has now returned to active duty.

His brother, John, 21, also a former Mamaroneck High School student, is still at home. He entered the service in August, 1943, after graduating from a general trade school in Yonkers where he took airplane training. He has been serving in the Philippines.

WMC Controls Over Workers To Be Eased Up

WASHINGTON, (AP)—The War Manpower Commission today said it expects to ease controls over workers "gradually as circumstances permit."

At Atlantic City

7/5 Roy Frank Talgo, 27-year old son of Mr. and Mrs. Harry Talgo of 225 Mamaroneck Avenue, Mamaroneck, is now stationed at the Army Ground and Service Forces Reindustrialization Center at Atlantic City, N. J., where he will take a series of tests to determine his fitness for future assignments. He recently returned to this country after serving for 38 months in an ammunition theater in the Asiatic-Pacific Theater of Operations.

One of the seven draftees who left Mamaroneck to the first group from the local Draft Board, 7/5 Talgo wears the Asiatic-Pacific Campaign Ribbon, the Good Conduct Medal, the Philippine Liberation Ribbon, the Presidential Unit Citation and the American Campaign Medal.

Goes To Camp Crocker

Pvt. James A. Jackson, of Mamaroneck, who recently spent a furlough at home on his way from Scott Field, Ill., to Stuttgart Army Airfield, has been transferred to Camp Crocker, Mo., for Signal Corps training.

The son of Mr. and Mrs. James Jackson of 327 Wagner Avenue, he has been in the service 14 months. When he completes the Signal Corps course, he expects to continue with Air Corps training.

Carlsen Returns

Second Mate Lauritz Carlsen has returned to Larchmont after being repatriated from the seas area by the War Shipping Administration and is expected to leave with his wife at 132 Boston Post Road while on call with the U. S. Merchant Marine. His voyage, of two months duration, took him to Belgium.

Carlsen entered the Maritime Service two years ago, while serving as captain at the Larchmont Yacht Club. He received training at Fort Trumbull, New London, Conn.

PRESENTATION OF THE FIRST ROYAL POPPY TO MAYOR B. J. SANTORO was made by Mrs. Anthony Lopez of the American Legion Auxiliary, Mamaroneck Unit 50, which is sponsoring of Poppy Day there. Standing with the David Potts, Jr., Auxiliary, 1156, Veterans of Foreign Wars. — Staff Photo.

Service Today Launches Sale On Poppy Day

Veterans of World War I and World War II are expected to be among the first to buy a poppy on Poppy Day tomorrow, according to Commander Hewson said, commander of the American Legion, Mamaroneck Post No. 50.

Commander Hewson said, "Today as in 1917 and 1918 our men are again fighting overseas, giving their lives that we may be safe. These boys are our relatives, our neighbors, our friends. It is grievous to us that they must suffer, and who better appreciates the enormity of suffering they endure than the veterans of this war and the last?"

"Those on the home front wish to show that they remember and revere those who died in both wars, and to do this, they wear the poppy. This little red flower expresses their feelings that are too deep to put into words. It is one way of telling the heroic deed that we will all do our best to keep up the good fight."

The women of the American Legion Auxiliary will be on the streets all day Saturday offering the poppies made by disabled veterans to the public. I am sure they will be eager to wear the little red symbol of sacrifice.

The American Legion Auxiliary is sponsoring a poppy sale at the American Legion Auxiliary and Veterans of Foreign Wars Auxiliary at 236 Mamaroneck Avenue. A good attendance is anticipated.

Junior High Students Cheer At 'Funeral Ceremonies' For 'Ill-Fated Schickelgruber'

Dead or alive, Hitler was buried yesterday at Mamaroneck Junior High School, with Hoyt D. Smith, principal, officiating at the ceremonies in the auditorium, and a funeral oration delivered by William Hance of the Latin Department.

Referring to the ball he burs in imagination as "that unwanted skunk, the ill-fated Schickelgruber," Mr. Hance opened his oration with a parody on the familiar "Friends, Romans and countrymen" oration, and at its conclusion was decorated with a Hitler mustache by Mr. Smith whose solemn funeral garb included one brown and one black shoe.

Cheers greeted the orations and the closing festivities, a song with words by Herb Morgenstern of the Junior High Faculty, written to lift the spirits of the students. It was entitled "Let's Face Him In." It was sung by the students with junior high school zest.

Plans for the program were announced at 9:30 A.M. over the public address system by the principal who told the students that Hitler had hoped to make this whole building a huge coffin for his own use, but that the students kept his bombs too busy on the other side, Goering and Hitler's and the Luftwaffe has been destroyed so this is one rendezvous with death which the Nazis cannot keep.

WILLIAM A. LYDGADE, editor of the Gallin Pool and former member of the American Legion and Fortune magazines, will share the platform with Dr. Gardner Murphy on the subject, "Happiness, Nature and Education." Joseph C. McLaughlin, principal of Mamaroneck Senior High School, will act as moderator. The psychological aspects of war guilt and reeducation will be emphasized.

Fish Scarcity Due To Unions, Internal Row

Fish supplies in A. & P. stores in Mamaroneck and other Westchester communities and in the Bronx were limited today because of 42 fish handlers, members of Local 1659, American Seafood Workers' Union, A.F.L., walked out yesterday at the A. & P. fish warehouse, 122 Locust Avenue, the Bronx, where fresh fish is prepared for delivery to Westchester and Bronx stores.

Action of the fish handlers was reported to have followed a jurisdictional fight between Locals 807 and 202, International Brotherhood of Teamsters, A.F.L., which occurred yesterday. Some 50,000 pounds of fresh fish, valued at \$10,000, will be spoiled unless the difficulties are ironed out today.

The dispute developed when the two teamsters' unions claimed jurisdiction over drivers for the Hertz Trucking Company, which delivers fish for the A. & P. throughout the Bronx and Westchester. The employees decided yesterday to take a vote and Local 807 lost by two votes.

Representatives of Local 807 immediately claimed all its members had been unable to vote and subsequently threw a picnic line around the A. & P. warehouse. When the fish handlers reported the vote today, they refused to cross the picket line. Result: No fish today.

2 Larchmont Men Meet On Pacific Island

An old home week was celebrated recently in the Pacific by two Larchmont Navy men, both residents of Addison Street.

When the USS Greer pulled into her base at a Pacific Island, Edward K. Parker, quartermaster 3-c, discovered after reading his mail that MAM 31, John Hogan was in the vicinity. The two lost no time in getting together and spent a joyous reunion which included "chow" on Parker's ship.

MAM Hogan is a former employee of the Larchmont Postoffice, and his wife has taken his place there. She resides at 1 Addison Street with their two daughters, Arline and Judy. Her husband entered the Navy last June and trained at Great Lakes before being stationed in New York. He was overseas on duty on New Year's Day. A graduate of Mamaroneck High School, he is the son of Mrs. Patrick Hogan of New Rochelle, and the late Mr. Hogan, former owner of Larchmont.

Quartermaster Parker's son of Mr. and Mrs. Edward G. Walsh of 17 Addison Street, entered the Navy in November, 1942, and was called for active service in July, 1943. He is a graduate of Iona and received training at Sampson, N. Y., and Bainbridge, Md., before going overseas in March. Highlight of the reunion was sharing the men's letters developed during the war. Parker's mother and Hogan's wife are still enjoying the men's letters describing their visit, as they observe their own reunions on Addison Street.

TRUCK DRIVER INJURED

Theodore A. Pappas of Springfield, Mass., suffered a cut over his eye today when he was run over by a roller from the truck he was driving slipped and struck him as he was adjusting the tie at the rear of the vehicle. He entered St. Anthony's hospital at 100 Mamaroneck Avenue and is expected to be discharged in a few days.

Representatives Vote Selves Expense Accounts

WASHINGTON, (AP)—A shouting House majority vote yesterday gave each member \$2,500 a year, tax free, expense to top off his \$10,000 salary.

The House wrote the expense allowance and some employes pay have been into a \$50,000,000 appropriation to pay the costs of Congress. The bill goes to the Senate where members are expected to knock out the House increases or vote themselves some expense money.

2 PLANE RAIDS TO CRIP JAP DOOLITTLE PRECOCTS; U.S. HEATER FOR PACIFIC

American Units Already On Way To French Ports

HQS. AEF, Paris, (AP)—Some American troops units already are on their way to French ports and headed for the Pacific war under the combined program. It is disclosed here today.

The first combat troops from Europe, however, are not likely to reach the Pacific theater in much under six months.

The first to go are service troops for they are needed to prepare for the flow of the main force which helped defeat Germany.

Beside the service units already on their way to French ports, the first to go are service troops for they are needed to prepare for the flow of the main force which helped defeat Germany.

U. S. Air Forces To Be Shifted To War On Japs

LONDON, (AP)—Lieut. Gen. James H. Doolittle, commander of the U. S. Eighth Air Force, who headed the raid on Tokyo predicted today that 2,000-plane raids would be made upon Japan.

The size of the American Air Force operating against Japan will continue to be increased as airfields become available and supplies and communications bases are established," Doolittle said at a press conference.

He disclosed that the personnel of the Eighth Air Force in England now numbered approximately 300,000 men and women, and that another 100,000 had served on a rotating basis.

Doolittle said part of the Eighth Air Force's manpower and equipment would be moved directly to the Pacific. It was the real would be sent back to the United States to be kept here indefinitely as part of the occupation air force.

He indicated that large numbers of Flying Fortresses and Liberator bombers, which Germany would be shifted to the Pacific, where they would be used in the role of "medium bombers," augmenting operations of the ever-increasing fleet of Superfortresses.

Over 2,400 planes

Doolittle advised that the present bomber strength of the Eighth Air Force exceeded 2,400 Liberators and Fortresses.

"That number of operational planes will be increased to include a large number of others in repair depots, and new planes in repair pools," he said.

The largest number of heavies Doolittle ever dispatched in one mission was approximately 2,000 last Christmas Eve.

He reviewed the history of the air war in Europe, stating that at one time "losses approaching a prohibitive amount in the deep penetration raids see the heart of Germany." It was the result of operations so much as to bring into question the ability of the air force to make its 13-day deep strike.

"The situation was saved," he said, by the introduction of long-range American Mustang fighters.

Describes Battle For Oil

He described the fighting in the history of the Eighth Air Force as its campaign against German oil production, which Doolittle described as "a continuing contest between bombardiers and German anti-aircraft batteries."

"Unless the Germans were willing to risk all resistance, they could not stop repairing and rebuilding plants which made resistance possible," the commander said.

"At Leuna, west of Leipzig, the enemy's largest synthetic oil plant had been attacked 18 times by the Eighth and three times by the Twelfth Air Force. The most heavily defended single industrial plant in Germany is a synthetic oil plant on my leg from a piece of shrapnel from enemy artillery. I am now in an Army hospital waiting for my wound to heal after which I will return to my old command. Yesterday afternoon I got wounded and last night they operated and removed the steel. I was on the last ridge looking down on the Po Valley when I got hit. It won't be long now that we'll have the Po Valley occupied."

The Jerries can hold out when they have a hill to hide behind but when they're out in the open they're no match for us. I took quite a few 15 and 16-year-old Jerry boys or I should say our juveniles to break arms."

The Army has a good bunch of doctors and the nurses are like mothers. The Red Cross was just around passing out stationery and writing letters for the ones who are unable to write due to broken arms."

"The food here is about the same as in the states. This morning I had a good egg corn flakes, milk, toast and fruit. It's really making the way they operate. They give me a shot and I wake up later and it's all right. I'll be back in the area. I got a Purple Heart pin, so I get it."

HEADS FOR THE FIRST BRAKE CHECK IN THE DEMONSTRATION held last Saturday in front of the Mamaroneck Avenue School by the heads of the Larchmont, Town of Mamaroneck and Village of Mamaroneck police departments. From left to right: Herman Pauls hands Town Chief Paul Verick the check book to be inserted under the brake pedal of the car operated by Lt. Paul Euler. Standing at the left are Village Chief Arthur W. Masterson and Larchmont Chief William J. Kersey.

Pfc. Poccia's Main Concern: To Be First To Tell Mother Of Shrapnel Wound On Leg

Getting wounded is just something that's apt to happen to you as you mount the last ridge looking down the Po Valley in Italy and your main concern is to get a letter off to your mother in a hurry before she gets the War Department telegram in its crisp, foreboding envelope.

"That's how it was with Pfc. Alfred J. Poccia of Mamaroneck, who has been overseas since January with the mountain troops. A piece of shrapnel hit his mother's leg and the letter his mother got the Purple Heart. Everybody who gets wounded is sure to get a letter assuring messages a boy could write. Fresh eggs, corn flakes and toast for breakfast; a neat operation to remove the steel; Red Cross letters passing out stationery; a good bunch of doctors and nurses like mothers; that's how it is in the hospital."

The final words of the letter contain the poignant statement about the receipt of the Purple Heart. "Everybody who gets wounded" gets it," he concludes, "so I get it."

The son of Mr. and Mrs. Antonio Poccia of 129 Elliott Avenue, he entered the service August 1942, and was trained at Camp Lejeune, Colo. His brother, Sgt. Albert Poccia, is serving with an engineer battalion in Germany.

Pfc. Poccia's letter describing his experience follows:

"I'm trying to get this letter to you as fast as I can before the War Department notifies you that I have been wounded in action. It's not being serious for I've only a cut on my leg from a piece of shrapnel from enemy artillery. I am now in an Army hospital waiting for my wound to heal after which I will return to my old command. Yesterday afternoon I got wounded and last night they operated and removed the steel. I was on the last ridge looking down on the Po Valley when I got hit. It won't be long now that we'll have the Po Valley occupied."

The Consumer Center is open every day except Saturday, from 10 A. M. to 4 P. M., and is closed on Saturdays.

Mamaroneck Acclaimed For Dimes Drive

The Village of Mamaroneck has been commended by Peter W. Quinn, Westchester chapter chairman for the National Foundation for Infantile Paralysis, for the "excellent results obtained" during the March of Dimes drive under the leadership of Peter C. Doern, Jr.

In a letter to Mayor B. J. Santoro, Mr. Quinn states that, of the \$22,000 expended from June 1, 1944, to April 1, 1945, by the Westchester chapter, in assisting handicapped and county authorities in the care of the 180,000 victims in the county, \$84,500 was provided by the county chapter, and \$17,800 by the national organization.

On the list of total returns in the 1945 campaign, Mamaroneck placed tenth out of the 35 communities represented and held the same place on the collection of the Village of Mamaroneck, \$2,836.24 or \$1.14 per 100 population. The amount collected last year.

Larchmont stands in first place with a collection of \$3,786 or \$1.00 per 100 population. Larchmont is in fourth place behind Scarborough, New Rochelle and White Plains for the \$2,813.50 collected by direct solicitation.

Reporting on last year's 188 polo cases, Mr. Quinn's letter to Mayor Santoro continues: "We are pleased to report that best four persons died, and of the balance not more than six or seven will have any noticeable disability. There are still 13 patients under treatment at the special polo unit at Grasslands Hospital. May I express the thanks of the chapter for your cooperation."

Clothing Drive In Larchmont Nearing Close

Larchmont's United National Clothing Collection will close Wednesday, and residents are urged by Mrs. Herbert Rogers, chairman, to hurry with the last minute donations of clothing.

The collection was assisted by L. M. Seaman, Bernard Kover, Noel Andrews, Mr. Rogers and Bertil R. Guistrin. Sorting was done by Mrs. Kover, assisted by Miss Sheila Douglas and her sister, Nancy, now awaiting orders from the WAVES.

The Consumer Center is open every day except Saturday, from 10 A. M. to 4 P. M., and is closed on Saturdays.

Jap Homeland Hit 3 Times By Superfortresses

GUAM, (AP)—Superfortresses bombed Japan's homeland three times today, striking at three industrial centers and three airfields on Kyushu and Honshu Islands in a swift follow-up to yesterday's 400 plane B-29 raid.

In the heaviest attack 100 to 150 Superfortresses attacked the six Kawasaki seaplane plants on Hanshu, between Kobe and Osaka as a smaller fleet blasted the Oita and Saito air fields in Kyushu.

The latest attack was aimed at the important cities of Miyakawa and Nittipahara, both in Kyushu and at the Miyakawa air field.

Describing the strike on oil targets yesterday, Capt. Philip M. Greene, 50 Kansas Avenue, Larchmont, N. Y., a B-29 commander and veteran of 23 missions over Japan, reported "We could see a huge field of oil storage tanks popping wide open and bursting into smoke."

3 Bands To Play For VFW Parade

The bands from three VFW posts, Ossining, Mount Vernon and Guttsville in the Bronx, will participate in the parade on Sunday afternoon. The parade to be held in Mamaroneck under the sponsorship of the David Potts, Jr., Post 1156.

The marchers, including representatives of all county posts, will assemble at the Honor Roll at 17 Addison Street, and will march to the post headquarters on the Post Road where services will be held at 11:30 A. M. The march will be led by the VFW band.

The station at the intersection of Mamaroneck and Halstead Avenues, Mamaroneck, was damaged last night about 8:30 P. M. when a car operated by Robert Berlowitz, 312 Main Street, White Plains, struck it, and broke the lanterns. The car was making a left turn into Halstead Avenue from Mamaroneck Street.

READY FOR THE FIRST BRAKE CHECK IN THE DEMONSTRATION held last Saturday in front of the Mamaroneck Avenue School by the heads of the Larchmont, Town of Mamaroneck and Village of Mamaroneck police departments. From left to right: Herman Pauls hands Town Chief Paul Verick the check book to be inserted under the brake pedal of the car operated by Lt. Paul Euler. I was on the last ridge looking down on the Po Valley when I got hit. It won't be long now that we'll have the Po Valley occupied."

The Jerries can hold out when they have a hill to hide behind but when they're out in the open they're no match for us. I took quite a few 15 and 16-year-old Jerry boys or I should say our juveniles to break arms."

The Army has a good bunch of doctors and the nurses are like mothers. The Red Cross was just around passing out stationery and writing letters for the ones who are unable to write due to broken arms."

"The food here is about the same as in the states. This morning I had a good egg corn flakes, milk, toast and fruit. It's really making the way they operate. They give me a shot and I wake up later and it's all right. I'll be back in the area. I got a Purple Heart pin, so I get it."

Mamaroneck Acclaimed For Dimes Drive

Bond Drive To Cover A Homes

Firemen To Visit Every Residence Tomorrow In Big Loan Campaign

AUXILIARY ALSO AIDS

Arrangements have been completed for the intensive one-day solicitation for bond subscriptions and purchases for the Mighty 7th War Bond Drive by members of the Mamaroneck Fire Department tomorrow, according to an announcement yesterday by Gabriel Wendel, chairman of the Women's Auxiliary of the Fire Department.

"It is more than appropriate," Mr. Wendel says, "that our one-day solicitation should occur tomorrow, for tomorrow is a most important day to every American."

"In his speech announcing the sale of the bond, the firemen will travel more than 1,000 miles to catch up with his outfit which had traveled 'some considerable distance' while he was away.

Mr. Santoro, who holds the Purple Heart for wounds received in action, has fought across France, Luxembourg, Belgium and Germany. He entered the service Feb. 26, 1942, and received training at Camp Blending, Fla., and went overseas last August.

Returns From Russia

John Reid Eibenstein of Larchmont, able bodied seaman with the United States Marine Corps, who left last September bound for Russia, has returned to his home at 47 West Broadway drive, Larchmont.

"His ship was dismembered and wrecked by submarines on the coast of the Mediterranean Sea. When he was rescued, he was the only survivor of his ship."

"Last Christmas he visited Manhattan where that city was subjected to an air raid by the Germans. He has experienced the 'error of buzz bombs and torpedoes, but he says his greatest 'inconvenience' was suffered when the captain of the ship, including himself, over the side to paint the ship when the ship was in the water."

"It was a senior in the Larchmont High School when he enlisted in the merchant service and received training at Sheepshead Bay, N. Y., and then for several months he was an instructor in sailing. He shipped on a tanker in the Caribbean and participated in the evacuation of Normandy June 7. His parents are Mr. and Mrs. Julian Eibenstein of the Larchmont address.

Dr. Baxter Promoted

Dr. Richard R. Baxter of Mamaroneck has been promoted to his present rank of second lieutenant at his last assignment in Manila where he is doing personnel administrative work.

He volunteered May 21, 1942, received training at Miami, Fla., and Fort Logan, Colo., and was commissioned in Manila. He spent November and December at the Adjutant General School in San Antonio, Tex., graduating with honors Dec. 21 and was then sent to Leyte where he was stationed until he was flown to Manila last month.

Back From Overseas

Pfc. Arnold A. Punnett of 610 Center Avenue, Mamaroneck, who has recently returned from overseas duty, has reported to the Army Ground and Service Forces Redirection Station at the Lake Placid Club, N. Y.

He entered the service Jan. 10, 1943, and was overseas for 20 months with a Quartermaster unit in the European theater of operations.

At Lake Placid, he is receiving thorough medical and dental examinations, is being interviewed by classification experts and participates in orientation discussions.

Naval Graduate

Among those who graduated recently from an intensive course of signalman training at Great Lakes, Ill., service school was Mrs. D. A. DeLong of 209 Center Avenue, Mamaroneck. He was selected for his special rating on the basis of his excellent training aptitude test scores.

He entered the service last Summer and received his initial indoctrination at Great Lakes.

War Council Carries On In 5th Year

Mamaroneck Defense Unit Reviews Activity On 4th Anniversary

DUTIES DIMINISHING

The Village of Mamaroneck War Council is celebrating its fourth birthday today and finds itself, a week after V-E Day, with diminishing duties but still called upon by law to function for another year.

During the months of the council's activity, the members have been a budget shrink from \$9,842.08 to \$1,549.15; they have saved freight loads of salvaged metal, paper and fat to leave the community for conversion to war uses; they have handled the training of scores of citizens in auxiliary police work, ward duties, rescue service and nursing care to answer any possible need, should disaster have fallen on the community; and they have maintained a corps of sky observers and control room volunteers to detect the approach of enemy bombers.

They have seen the streets of the village fade from full lighting to a security blackout, as they come back through an extended power outage to normal lighting; they have gone through numerous air raid tests and have organized a corps of civil defense agencies set up for the safety of the residents.

Now they look ahead to a year of continued effort in any duty assigned to them for the fullest possible service in the war against Japan.

The organization was set up May 12, 1941, with the appointment of Loring Pratt as chairman of the War Finance Division, and the Village Defense Council with the fire and police chiefs and the town welfare committee.

Today the members of the council number 125 as follows: Mr. Pratt, chairman; Mayor B. J. Santoro; Village Manager William J. Kuhn; Fire Chief Edward W. Martensen; Fire Chief Thurston Livingston; William J. Kuhn, vice chairman of the Larchmont War Finance Committee; Marland, chief of emergency medical service; William J. Kuhn, technical advisor; Henry T. Honigfeld, legal advisor; Dr. Rudolph E. Machan, chief of rescue service; Leo D'Alton, chief of transportation; the Rev. Frank Dean Gifford, chairman of salvage; Mary Jurabaska, chairman of the War Finance Division; and Milton F. Decker, chairman of public relations.

The volunteer office, under the direction of Mrs. Ingraham, will remain open as a center for volunteer workers, the office, in addition to its war council duties, assists various war projects such as salvage drives, the collection of clothing, War Bonds and stamps.

ARMY STARTS SHIFT OF MEN IN EUROPE TO PACIFIC THEATER

Vets Of African And Europe War Not To Be Called

WASHINGTON, (AP)—The Army handed dispatch papers today to approximately 2,400 veterans troops—the first batch of men released to go home under the new point rating plan. They were all mustered out of active combat in this country after the new point rating plan. They were all mustered out of active combat in this country after the new point rating plan.

Paris, (AP)—The U. S. Army's vast redeployment plan to shift fighting men from Europe to the Pacific began operation today, following an announcement by Gen. Eisenhower that combat troops who served both in North Africa and Europe would not have to fight in the Japanese theater.

"We must be sure," Gen. Eisenhower wrote to generals of his command, "that no soldier is sent to the Pacific who has fought in both North Africa and Europe."

"It may be that some soldiers in this category will not have sufficient points to be eligible for discharge. However, these men should be retained in the European theater for occupation, as they should not be required to fight another campaign."

Uppermost in the operation of the redeployment plan, said Lt. Gen. Lucius D. Clay, deputy military governor of the U. S. Group Control Council, was the problem of applying overwhelming force to bring the war against Japan to a quick end.

Troops which have amassed sufficient points based on service, dependents and decorations, will be discharged.

Among the foremost factors involved are the immediate training of troops now in Germany and France in Japanese tactics, and the matter of leave and assignment for troops awaiting reassignment or discharge.

American service troops already were moving toward French ports, for shipment to the Pacific. Combat troops will begin moving in about six months.

It will be 45 days before the Army knows the names of the men who will be sent home under the point system.

He added that "we must not follow blueprint designs rigidly, but must apply established policies with human understanding."

Clt. Clay said American troops who will go to the Pacific will be trained in Japanese tactics while still in France and Germany, under a senior experienced battle general who is already in the Pacific theater but whose name cannot be revealed. Japanese troops will be brought to the theater for the eight-week training period.

Describing the world today as a "neuro-psychiatric casualty," Dr. Gardner Murphy told an audience at the May Forum of the Larchmont Council for the Promotion of Peace Planning last night at the Chatsworth Avenue School that if the psychological fundamentals of human nature were left out of the peace conference, "the indications are that we will make even more catastrophic mistakes than we did in 1918."

No amount of rationalization at conference tables can make up for a "sound and solid humanity," he declared, urging Americans to "face the problems overlaid or minimized by press and radio" and to try to "understand the common attributes of universal human nature."

Introduced by William J. McWilliams, executive chairman, Dr. Gardner Murphy, a leading social psychologist of the United States, Dr. Murphy, stating that "people are people" in whatever corner of the world they live, made a strong plea for an international educational system, based on an understanding of the mechanism of human nature, free of nationalistic bias. Washington is under heavy pressure now, he said, for the provision of such educational materials.

Four ways in which psychology should be used in facing the problem of "Human Nature and an Enduring Peace" subject of the forum discussion, were its use, with the world and its people, as regarded as "sick" rather than "well"; the application of psychology to the application of law, especially to "moralizing" words like a hard or a soft peace; helping the work of international peace by an international plan of public opinion studies with emphasis on the "infectious" nature of public opinion and its close relation to "the" application of law.

Dr. Gardner Murphy, who has been backing northward, trying to get away from the Yank 31st Division, coming at them from the rear. The operation, heading in the rear, MacArthur said, left the enemy "incapable of serious operations."

Japanese at Davao continued used fierce resistance. Nevertheless the Yank 24th Division gained ground.

Beleaguered Japanese on Tarakan, north of the island, fought with tigerish fury and used machine guns and Dutch assault units from captured Djassat field.

Larchmont Post To Sell Poppies

Larchmont Post 347 of The American Legion will open its first fund-raising drive under the leadership of Mrs. Henry E. Zeiger.

Volunteers will be on duty at the Larchmont station and will collect poppies in an effort to raise funds for the welfare work of the post which benefits veterans and their families.

All money collected from the drive is used directly for veteran's aid and the post receives no funds, it was pointed out.

C. C. BEALL OF LARCHMONT, ARTIST, presents the second copy of his Seventh War Loan poster to the Larchmont War Council members to inaugurate the drive, opening Monday.

Artist Beall Presents Copy Of His 7th War Loan Poster To Spur Larchmont Drive

The second copy of the new Larchmont War Loan poster, inspired by the Pulitzer Prize-winning photograph by Joe Rosenthal, showing the Marines raising the flag on Iwo Jima, has been presented by the artist, C. C. Beall, to the War Council.

The poster, which was made the presentation to Richard Bevier, chairman; Mrs. James E. Curtis, vice chairman of the Larchmont War Finance Committee; and committee members in his studio, lined with maps and reproductions of his numerous magazine covers which have gained him national fame.

Larchmont's quota for the Seventh War Loan is \$300,000, and will include the sponsoring of an ambulance service costing \$125,000 each.

The artist was asked by the Treasury Department to copy the original of the Rosenthal photograph, to "warm it with color." Its title is "Now... All Together," and observers believe the picture will come to be as important historically as the Spirit of '76 and Washington Crossing the Delaware.

Mr. Beall's uncle and his son, Charles, of the Army Air Forces, serve as models for hood and head detail. The job was completed in five days, and more than two million copies have already been distributed through field offices of the War Finance Division.

According to Collier's magazine, "Beall was the logical man to do the painting since many of his Collier covers have been posterized and then sold at auction for as high as a million dollars each in war bonds."

At the conclusion of the service, the pastor will administer the Sacrament of Baptism to Barton Reynolds and to John Charles Henigan.

MONTGOMERY IN DENMARK COPENHAGEN, (AP)—Field Marshal Sir Bernard L. Montgomery came to Copenhagen by plane today for a few hours visit in the Danish capital and a reception by King Christian X.

REOPEN FORD FACTORY COLOGNE, GERMANY (AP)—The explosive-scarred Ford plant here has started assembly of motor trucks for occupation forces under an American-organized industrial revival.

Three stained glass windows, depicting four events in the life of Christ, will be dedicated at 10 A.M. tomorrow at a special service at St. John's Evangelical Lutheran Church, Mamaroneck.

The windows, first to be placed in the church and the initial ones in the congregation's program to picture the major events of the life of Christ in the windows of the nave and chancel, were all presented as memorial gifts. Two in the chancel, showing the Crucifixion and the Resurrection, were given by Mr. and Mrs. James Yaple in memory of Henry Bosch and Mrs. Meta Bosch, parents of Mrs. Yaple.

In the nave of the church a larger double window showing the Nativity and the Shepherds on the Fields of Bethlehem was given by Mrs. Olga Retz in memory of T. V. Edward L. Retz, the first member of the congregation to give his life in World War II, being killed in France on D-Day in 1944. He was a member of the Church Council and was on leave of absence from the Council during the period of his Army service.

The service of dedication will be in charge of the pastor, the Rev. Theodore O. Poeschl, Jr., who will also preach the sermon on the subject "The Light of the World." Special music will include the choir anthem "King All Glorious" by J. Barnby, Miss Dorothy Lay will sing the incidental solo.

At the conclusion of the service the pastor will administer the Sacrament of Baptism to Barton Reynolds and to John Charles Henigan.

World A Neuro-Psychiatric Casualty, Dr. Murphy Tells Larchmont Peace Council

Describing the world today as a "neuro-psychiatric casualty," Dr. Gardner Murphy told an audience at the May Forum of the Larchmont Council for the Promotion of Peace Planning last night at the Chatsworth Avenue School that if the psychological fundamentals of human nature were left out of the peace conference, "the indications are that we will make even more catastrophic mistakes than we did in 1918."

No amount of rationalization at conference tables can make up for a "sound and solid humanity," he declared, urging Americans to "face the problems overlaid or minimized by press and radio" and to try to "understand the common attributes of universal human nature."

Introduced by William J. McWilliams, executive chairman, Dr. Gardner Murphy, a leading social psychologist of the United States, Dr. Murphy, stating that "people are people" in whatever corner of the world they live, made a strong plea for an international educational system, based on an understanding of the mechanism of human nature, free of nationalistic bias. Washington is under heavy pressure now, he said, for the provision of such educational materials.

Four ways in which psychology should be used in facing the problem of "Human Nature and an Enduring Peace" subject of the forum discussion, were its use, with the world and its people, as regarded as "sick" rather than "well"; the application of psychology to the application of law, especially to "moralizing" words like a hard or a soft peace; helping the work of international peace by an international plan of public opinion studies with emphasis on the "infectious" nature of public opinion and its close relation to "the" application of law.

Dr. Gardner Murphy, who has been backing northward, trying to get away from the Yank 31st Division, coming at them from the rear. The operation, heading in the rear, MacArthur said, left the enemy "incapable of serious operations."

Japanese at Davao continued used fierce resistance. Nevertheless the Yank 24th Division gained ground.

Beleaguered Japanese on Tarakan, north of the island, fought with tigerish fury and used machine guns and Dutch assault units from captured Djassat field.

Larchmont Post To Sell Poppies

Larchmont Post 347 of The American Legion will open its first fund-raising drive under the leadership of Mrs. Henry E. Zeiger.

Volunteers will be on duty at the Larchmont station and will collect poppies in an effort to raise funds for the welfare work of the post which benefits veterans and their families.

All money collected from the drive is used directly for veteran's aid and the post receives no funds, it was pointed out.

Single-Day Drive Gives War Loan Start Of \$216,071

Firemen Collect \$21,532 In Cash, Rest In Pledges

Mamaroneck got off to a head start in the Mighty 7th War Loan drive yesterday, thanks to hard work by the members of the Mamaroneck Fire Department. The total amount of bonds sold for cash or pledged was \$216,071.50. In the sum of \$21,532, 20 hands and nine others were paid for and delivered yesterday, representing an average total of \$2,153.75. Pledges were taken for 209 bonds.

The solicitation started promptly at 1 P. M. upon the sounding of the fire whistle. At that time, 85 volunteers covered the districts they might be expected to cover in case of a still earlier start. These five districts were Walter Webber, in charge of Mamaroneck; George J. Cunniff, in charge of the Village; James G. Samsone, in charge of the Hill; and James Dugan, in charge of the Hill and Ladder. These men were at their respective fire houses all afternoon until the 11:30 P. M. hour.

The drive was made by the officers, worked with the biggest territory, worked until 8:30. The officers worked through about 7 of his branches of the service.

When a wounded officer was lying between our lines and the enemy, he was twice found himself to be the wounded man's aid. Under direct enemy observation and in the face of heavy fire, he crawled to within a short distance of the enemy lines, only to find the officer had died of his wounds.

He was promoted from corporal to sergeant last December at Camp Swift, Tex., where he served as ice and mountain guide for the 610th Field Artillery Battalion of the 10th Mountain Infantry Division.

A professional skier in civilian life, S/Sgt. Furth entered the Army in 1942, after serving with the 3rd Army at second lieutenant since 1938. He attended school in Vienna before coming to the United States four years ago, and qualified as an instructor in the State of Washington after being stationed at Camp Hale, Colo., as supervisor of ski instruction.

The 36-year-old mountain expert wrote his wife he had returned to the States for an Easter present, giving her no details of his action.

The service, which was held by candlelight, was opened with a prayer prepared for the occasion by the Rev. Ashbury G. E. Stromberg, pastor of the Mamaroneck Methodist Church, followed by the Mother's Day ritual of the Elizabeths.

Mrs. Howard J. Lutz of Larchmont sang two soprano solos, "Our Father," by Gordon V. Watson, and "These Songs My Mother Used to Sing" by W. Wakefield Smith. She was accompanied by Mr. Lutz.

Miss Judith Loewy of Mamaroneck played two violin solos, "The Old Refrain" by Fritz Kreisler. She also was accompanied by Mr. Lutz.

The program closed with the singing of the Star Spangled Banner by a prayer by the chaplain. Refreshments were served.

OP Office Here Curb Activities

New Schedule Adopted For Three-Day Week, Mornings Only

WORK TO CONTINUE

With the closing of the federal Office of Civilian Protection, a program of limited service has been announced by the Volunteer Office of the Villages of Mamaroneck.

The program will continue until the end of the month. Beginning today, the office will be open Monday, Wednesday and Friday of each week from 9 A. M. until noon.

In a statement issued from the office this morning, it was pointed out that the office functions will continue since the New York State Civilian Control Act under the War Emergency Act under the chairmanship of Governor Dewey.

Word has been received from Albany, the statement discloses, that civilian mobilization and civilian war services should continue without relaxation in the important work which they are doing in their communities.

The work of the office has been directed in recent months toward "responsibilities which fall under the jurisdiction of the Government and there will therefore be no change in personnel. Mrs. E. B. Sherman and Mrs. J. C. Howard will continue in charge assisted by Mrs. Charles G. Thayer, Mrs. Robert C. Thayer, Mrs. John Sparger, Summer leaves of absence have been granted by Mrs. Milton Cast, Mrs. Douglas McIntosh and Mrs. Samuel Starke.

In spite of the cut in hours and days of work, the office will continue to function as a co-ordinating medium for civic work and other activities," Mrs. Loggins stated today.

150 Gather For Elks Club Day Of Prayer

Nearly 150 persons gathered at the Mamaroneck Elks Club last night to participate in a joint observance of Mother's Day and the Day of Prayer.

Past Exalted Ruler Arthur C. Travis of the White Plains Lodge presided at the audience urging a dedication of all people to the ideals exemplified by a mother.

"Mother's Day should be a time when we stress the word appreciation and loyalty," he said, "and we owe all three to the institutions of family, church and State from the bases for all human relationship. Let us not take things for granted. We should be loyal, appreciative and courteous not merely on Mother's Day but throughout the year as well."

The speaker was introduced by the Elks Club, and was followed by the Rev. Walter Fricke who presided with the assistance of Knights of the Elks, including the Rev. John A. Steen and Chaplain George R. B. B. B.

The 36-year-old mountain expert wrote his wife he had returned to the States for an Easter present, giving her no details of his action.

The service, which was held by candlelight, was opened with a prayer prepared for the occasion by the Rev. Ashbury G. E. Stromberg, pastor of the Mamaroneck Methodist Church, followed by the Mother's Day ritual of the Elizabeths.

The Weather

Cloudy, cooler tonight, lowest temperature 43 to 50. Mostly cloudy with occasional rain tomorrow. High 50 to 55. Wind near 60. High tides today at 2:10 P. M.; tomorrow at 2:31 A. M. and 3:10 P. M.

Japan's 3rd City Undergoes Huge Incendiary Raid

By JAMES LINDSEY
Associated Press Staff
OSAKA, India, May 13.—Japan's third largest city, was plastered with 3,500 tons of fire bombs today and was 30 minutes on fire. Superfortresses and returning bombers reported "sweeping devastation" of the metropolis.

Capt. Tervola Asks Municipal Jobs For Vets

The employment of disabled veterans in the various departments of town and village government has been suggested by Capt. Victor U. Tervola of Mamaroneck in a letter to the local municipalities from the Italian front in Italy.

Fat Rationing Points Boosted To Aid Europe

WASHINGTON, (AP)—The feeding of liberated Europe because of increased fat rationing points today with a four-point increase in the ration value of lard, shortening and cooking and salad oils. These now require 13 points a pound.

Churchill Says Defeat Of Japs Is Job Ahead

LONDON, (AP)—The efforts of the British Empire were pledged by Prime Minister Churchill to the twin tasks of perfecting the peace organization of the United Nations and in joining with the United States in inflicting total defeat upon Japan.

Charge Of Assault Denied By Woman

Miss Mary Hopps of 415 Fifth Street, Mamaroneck, pleaded not guilty this morning in Village of Mamaroneck Police Court to a charge of third degree assault filed by Miss Anna Seckler, owner of the Elks Club.

Learning To Drive, Man Hurt In Crash

While taking a driving lesson at 8:45 P. M. Saturday, John J. Bergmann, 200 of 1421 Mamaroneck Avenue, lost control of his car and struck a pole on Halstead Avenue near Barry Avenue, Mamaroneck.

He was taken by Patrolmen Joseph McNamara and James Hughes to United Hospital, where he was treated for fractures of the left hand, left knee and leg.

Our Men In Service

Hero Honored

Mrs. Helen Anthony Zimmerman of the Brighton Apartments, Larchmont, whose husband, Capt. Robert S. Zimmerman was killed in action in Germany on Feb. 27, 1945, was awarded the Bronze Star and Purple Heart awarded him posthumously.

The Bronze Star was awarded for heroic achievement on Feb. 27 in connection with military operations against the enemy. Capt. Zimmerman served with the 1st Army Field Artillery and had been overseas three months at the time of his death.

Wears Purple Heart

Sgt. Charles D. Tridwell, 22-year-old son of Mr. and Mrs. Dominic Tridwell of 381 Winfield Avenue, Mamaroneck, has been awarded the Purple Heart for wounds received in action April 3 in Germany.

His service has been with the 42nd "Rainbow" Division of the 7th Army and he has been overseas since November.

Tested For Weir

1st Sgt. Herbert Westfall, 27-year-old son of Mr. and Mrs. Adolph Westfall of 205 Fulton Road, Mamaroneck, is temporarily stationed at the Army Ground and Service Forces Redistribution Station at Atlantic City, N. J., where he is taking a series of tests to determine his fitness for overseas assignments.

He recently returned to the United States after 30 months as a chief clerk in the Asiatic-Pacific theater of operations. He holds the Asiatic-Pacific campaign ribbon, the Good Conduct Medal, the Presidential Defense Medal, the American Legion Medal, the Philippine Liberation Medal.

During his stay in Atlantic City, he will be given thorough medical and dental examinations and in such locations that the village would not normally "get around" to including it for five or six years.

Joins Radio School

Sgt. Renato A. Pennucci of Mamaroneck has arrived at Scott Field, Ill., where he will be assigned to duty as one of the permanent personnel at that radio school of the AAF Training Command.

The son of Mrs. Marianna Pennucci of 121 Washington Street, he was employed as a ship helper at the end of his service.

Pfc. Lindner Home

Pfc. Charles Benjamin Lindner is spending a 15-day leave with his parents, Mr. and Mrs. Benjamin Lindner of 1350 Lane, Larchmont. A former aviation cadet, Pfc. Lindner is now stationed at Lockhart Army Airfield, Columbus, Ohio, where he is training as a B-17 engineer.

An honor student graduate of New Hampton Academy, N. H., Pfc. Lindner entered the service at the end of his freshman year at Lehigh University, where he was a member of Theta Chi Fraternity.

He received basic training at Koenig Field, Miss., and further training at Freeman Field, Seymour, Ind.

Back From Front

Pfc. Tony Giaccone of Mamaroneck has returned on the United States Hospital Ship Acadia from the Mediterranean and European areas where he has been serving for 24 months. He is being treated at Stark General Hospital in Charleston, S. C., before being transferred to army hospital at Fort Belvoir, Ill.

He is the son of Mr. A. Giaccone of 105 Hillside Avenue and has been serving with an engineer combat battalion.

Mine Strike

End Is Pledged By President

WASHINGTON, (AP)—President Truman said today the Government would take whatever steps were necessary to end the anthracite coal stoppage, now in its third week.

The coal must and will be gotten out, he told his news conference.

Dwindling stocks of anthracite coal prompted new delivery controls today as striking miners persisted in their refusal to return to the Government-owned plants without a contract. Some 72,000 men have been idle since May 1.

The Government took over the Westchester County Penitentiary, on a charge of disorderly conduct. He was arrested Sunday on Palmer Avenue.

GETS 90-DAY TERM

John W. Hellmuth of 240 East 125th Street, New York City, was sentenced last night by Judge John R. Cahill in Larchmont Police Court to 90 days in the Westchester County Penitentiary, on a charge of disorderly conduct. He was arrested Sunday on Palmer Avenue.

PLAYLAND OPENS MAY 26

The beach, swimming pool, and other facilities of Playland will be open to the public today beginning Saturday, May 26. It was inaugurated today by George R. Currier, director.

New Policy Studied On Back Taxes

Village Board Offered Method Of Salvaging Unimproved Property PLAN TO SAVE TIME

A new method of salvaging unimproved property which is considered "abandoned" with tax arrears having accumulated over a ten-year period or longer was suggested today at a meeting of the Mamaroneck Village Board by Village Manager William H. Johnson in an effort to make up as large a portion as possible of the \$662,000 of outstanding taxes owed by the village.

The manager suggested that, in accordance with the plan, the village to sell unimproved property at 50 percent of the combined town and village assessments. The tax liens which have been placed on such property for 10 years or more is to be decided by the assessed valuation.

Such a policy, he pointed out, would save the village the time and trouble of foreclosure and sale of the property. The plan would also save the village the time and trouble of foreclosure and sale of the property.

The trustees agreed that the policy is a sound one and referred the matter to Corporation Counsel Anthony Strano, who will consider the matter further with the manager and have a referendum on it for a vote at the next meeting.

The board voted to accept of the purchase of tax liens by assignment including the face amounts of \$100 and including 1940 and including interest and penalties from 1941 to 1944.

The offer was from E. W. Hammond of Edgewater Point who wanted the liens on the dock and dock building at 1500, from 1939 to 1943, the amount of \$14,300. The offer was also for the following two years with interest and penalties bringing the total to \$200, from Henry J. Horgan on behalf of a client amounting to \$14,300. The offer was also for the following two years with interest and penalties bringing the total to \$200, from Henry J. Horgan on behalf of a client amounting to \$14,300.

The manager pointed out that the village would not normally "get around" to including it for five or six years.

TRUMAN TO MEET CHURCHILL AND STALIN SOON, HE SAYS; CENTS HELD IMPOSSIBLE

President Sees No Reductions Until After War

WASHINGTON, (AP)—President Truman declared today that he is opposed to any reduction in taxes until after Japan has been defeated.

The president said his news conference that there can be no reduction in taxes until after the war. He said \$5,000,000 bond reductions had to be protected and that the only way to get the gradual reduction of taxes.

He said \$5,000,000 bond reductions had to be protected and that the only way to get the gradual reduction of taxes.

The president was asked if he had seen a statement by Chairman George D. G. of the Senate Finance Committee suggesting a plan for the gradual reduction of taxes.

He replied that there can be no reduction in taxes until after the war is over.

There is no possible way to reduce taxes until the war with Japan has been ended, he added, and that the only way to get the gradual reduction of taxes.

Miss Manney, M.H.S. Senior Dies Suddenly

Sudden death, caused by a cerebral hemorrhage, came last night to Beverly Manney, 17-year-old high school senior, daughter of Mr. and Mrs. Russell F. Manney of 3 Birchfield Road, Larchmont.

Complaining of a headache at 6 P. M., she became unconscious at 7 P. M. and died at 8 o'clock. Her father, Mr. Russell F. Manney, was notified at 8:30 P. M. and arrived at the home at 9 P. M.

PRIME MINISTER ALSO PLANS FOR Big Three Talks

WASHINGTON, (AP)—President Truman said today he hoped to meet soon with Prime Minister Churchill and Joseph Stalin to discuss the future peace program.

The president told reporters he had discussed such a meeting with British foreign minister Anthony Eden yesterday, but that no definite decision had been made.

He expressed the hope that they could get around to a date soon, but he did not believe it would be immediately.

The matter came up after the president said he favored repeal of the Lend-Lease Act, restrictions on loans to nations in default on World War I obligations.

He was asked if he planned to meet with Churchill and Stalin. He replied he hoped that they could get around to a date soon, but he did not believe it would be immediately.

He was asked if he planned to meet with Churchill and Stalin. He replied he hoped that they could get around to a date soon, but he did not believe it would be immediately.

2 More Women Appointed To Committee Planning For Village's 50th Anniversary

The executive committee which will assist Leo Heitman in the village's 50th anniversary celebration next fall has been boosted from nine to 11 members, Mayor E. J. Santoro announced last night.

The committee now consists of three women, including Mrs. E. B. Bode, Henry T. Honig, William R. J. Diorio, Assunta Cori, William Kuhn and William Fulch-

VOL XX—NO. 192

Slight Rise In Building Disclosed

Construction Permits Increase in Larchmont and Mamaroneck

149 ISSUED IN 1944

Building construction in Larchmont and Mamaroneck has started on the long climb back to normal, according to the annual reports for the fiscal year ending March 31 submitted to the village boards by the building inspectors, but activity both in construction and repairs still has a long way to go before it can compare with the boom of 1936 and 1937.

A total of 115 permits was issued last year in Larchmont as compared with 66 the year before. The 1944-45 permits included two for new buildings, 38 for alterations and repairs, 27 for new roofing, 22 for plumbing, 10 for painting, five for electrical work, 17 for signs, 21 for signs. The year before, 23 was issued for new building, 23 for alterations, 41 for roofs, 10 for plumbing, five for electrical work, 17 for signs, 21 for signs. The fees last year amounted to \$588.50 whereas they were \$480 the year before.

Wins Oak Cluster

Major William R. Harrison of Larchmont, commanding officer of the 601st 7D Battalion of the Third Infantry Division, was recently awarded an Oak Cluster to the Bronze Star in Nurnberg, Germany, at a ceremony honoring five members of the division who received the Congressional Medal of Honor.

The ceremony was held in a once famous parade ground, where two days before, on the birthday, in previous years, a solemn funeral service was viewed the Nazi extravaganzas and spoke to thousands of milling people who filled the stadium. The stadium is now packed-marched with both craters and a "self hell" frenzied mob attending the ceremony: only a group of military men and a doughnut from each of the Third Division's Regiments, were present. High on a wall surrounding the stadium, a large "Old Glory" proudly waved a banner that told the command location of the Regippen Station of Nurnberg, Germany.

Major Harrison is married to the former Betty Gorman, who resides at 19 Lyons Place. He is the son of Mrs. John R. Harrison of Nantux, Conn., and was overseas since Aug. 1, 1942.

A graduate of Cornell University where he was a member of the ROTC and Sigma Epsilon Fraternity, Major Harrison entered the service in 1941 as a second lieutenant, and attended Battery Officers Course at Fort Sill, Okla. He was promoted to his present rank in May, 1943.

Joins Editorial Staff

As the result of a widely read story he wrote from experiences on a patrol during the attack on the island of Iwo Jima, Pfc. Joseph O'Reilly, 22, of Mamaroneck, has been transferred to the editorial staff of the Coast Courier, XXIV Corps headquarters newspaper on Okinawa Island.

The transfer came after he had spent 60 days as an automatic rifleman on the island of Iwo Jima, and six days on the front lines with the 96th Infantry Division on Okinawa.

Pfc. O'Reilly is one of seven men who formed the patrol which scouted the vicinity of Crater on Leyte for six hectic, blood-drenched days. His account of the mission, entitled, "The Goat Hunt," was first published in his unit newspaper, and later reprinted in various other Army publications in the Pacific.

At the time he entered the Army in February, 1943, he was a sophomore at the University of Notre Dame where he was a member of the varsity baseball team as a pitcher. He attended Iona Prep School in New Rochelle, where he became prominent in football, basketball and baseball circles.

A brother, Edward F. O'Reilly, and a sister, Miss Mary C. O'Reilly, live at 304 Prospect Avenue, Mamaroneck.

Waits Further Duty

Ensign George F. Armstrong of Larchmont has reported to his communications office at the Norfolk, Va., Naval Air Station for further duty with the Navy. He is the son of Mr. and Mrs. Frank C. Armstrong of 60 Howell Avenue.

Following his graduation in December from the Columbus Midshipman's School, Ensign Armstrong was stationed at the Harvard Communications School at Cambridge, Mass. He entered the Navy in July, 1943, while attending Penn State University and was a 219 aviator in the Cavalry before attending Pre-Midshipman School at Annapolis, Md. Two brothers, Robert and Jack, are also serving with the armed forces.

SHAEFFS Says Doenitz Rule Temporary

Germans to Administer Nation, Under Our Control, Churchill Asserts

STERN RULE FLEDGED

LONDON, (AP)—An international conference on German war crimes will start in London May 21. It was announced today by the United Nations War Crimes Commission.

LT. JOHN KENT CARDWELL

HQS. AEF, (AP)—Supreme Headquarters announced today that Grand Adm. Karl Doenitz and other selected German officers are being used temporarily to carry out duties in connection with the feeding, disarmament and medical care of German forces, and are not recognized as a constitutional German government.

LONDON, (AP)—Maj. Gen. Lucius D. Clay, Gen. Eisenhower's deputy for the military occupation of Germany, declared today that the German government in Germany is going to be a "Stash all vestiges of a government for a long time," Gen. Clay said.

He explained carefully that Supreme Headquarters Allied Expeditionary Force still is operative and that he speaks in the name of the U. S. Group Council which will take over after SHAEF finishes.

Clay said these would be the initial aims of the American occupation.

1. Smash all that is left of German industry to make war.

2. Smash all vestiges of a government.

3. See that all war criminals are caught and punished.

LONDON, (AP)—Prime Minister Churchill declared today that he "inferred" that the Allied High Commissioner for Germany would administer their counterpart objectives.

"The Allies have no intention of undertaking the burden of administering Germany ourselves," he said.

He stressed before Commons against a background of demands voiced in many quarters for the highly secret office of Sir Karl Doenitz, 2d Prime Minister of Germany.

Churchill said he wanted to cast the form of his reply before answering one member's question as to what was the authority which purported to be cast from Flensburg in the name of the Government, alleged to be by Adolf Hitler.

"I am not sure whether any machinery of government, whether central or regional, can be said to exist at present in Germany in any case," he said.

He preferred in replying to this question to speak of administration rather than government, Churchill said.

"In general, it is our aim that the Germans should administer their own affairs," he said.

"We have no intention of undertaking the burden of administering Germany ourselves."

Just before going to Commons, Churchill conferred with Gen. Eisenhower, Field Marshal Montgomery and Gen. Omar Bradley.

Some of the British press wrote of a meeting at which Doenitz, dealing with war criminals, and handling displaced persons.

On Bus Extension

NEW YORK (AP)—Hearing on the petition of the Seacoast Bus Company for Public Service Commission approval to extend to New Rochelle its Larchmont-White Plains route ended this morning before Hearing Examiner H. M. M. M.

Attorneys for two other companies, in the operation mentioned, gave 20 days to file briefs.

The route petitioned for would, according to the operation mentioned, provide through bus service from White Plains.

T. Brown Jewell, counsel for the County Transportation Company, an opposing company, said that although the operation mentioned, the service proposed was necessary, it would be "willing" to meet the operation mentioned through route if the commission should find that it was needed through service not requiring changing buses, as at present.

CHURCH TO BAPTISE

Services will be held at 8:30 P. M. tomorrow at the First Baptist Church with Elder M. Conroy officiating. It was announced today by the Rev. Thomas Garland, pastor.

Stewart Sees No Early End Of Pacific War

It is quite an experience to be back among civilians, according to Lt. Comm. Alex Stewart of Mamaroneck, who has returned after 33 months of service in the Atlantic and Pacific. He spoke last night at his home in the luncheon meeting of the Lions Club yesterday at the Elks Club.

"And it is rather confusing," he continued. "In spite of our overseas papers and magazines, we seem to have gotten the wrong impression when we were led to believe that civilians are always being about gasoline or butter or other things. As a matter of fact, I haven't seen any beef since I left."

Lt. Comm. Stewart said that he started out in Coast Guard cutter on the Atlantic coast, then found himself doing radio and car work because of his advertising agency experience. But he finally got overseas, he said, to the Lewis and Clark Camp, California.

He saw service in the Coast Guard cutter on the Atlantic coast, then found himself doing radio and car work because of his advertising agency experience. But he finally got overseas, he said, to the Lewis and Clark Camp, California.

After the Normandy invasion, he was transferred to the Pacific where he described that war as "quite different."

"I felt that I had left one kind of war for another that was very different. Distances in the Pacific are so vast as to be embarrassing. One day you are in the Philippines, then, after you have a bunch of Japs killed, they make a mess of the islands before they give up."

"I thought that the vast armada that made the Normandy invasion possible was something that as the Pacific I've seen landings on atolls which with some of the many ships of all sizes, kinds and descriptions, many especially constructed for that kind of landing."

"I'm very pessimistic about the time it will take to take in the Japs. Lt. Comm. Stewart said "because of the great distances involved in the Pacific, it is my belief that it will take a long time to take in the Japs who will be killed or who will kill themselves. So I don't see the end of the war in the near future."

"Okinawa is a grim affair because of the Japs who are well known. We burn them with hot dozers or burn them out with fire. But it is doubtful if we can take it."

Associated Press Staff

MANILA—Trapped Japanese troops fought a savage hand-to-hand battle today with Americans of the 24th Infantry west of Davao City on Mindanao.

Maj. Gen. Roscoe B. Woodruff's battle-seasoned veterans attacked with knives, bayonets and even falling fists as the struggle unfolded in savage fury through the Talomo and Davao Rivers.

Yanks and Japanese fought with bayonets and knives, slugged with helmets and grappled like wrestlers. Some combats rolled in to a river, where at least two tanks held the heads of advancing Japanese under water until they were drowned.

One Japanese ran beneath a cable plane in the center of an American position and blew up himself and the plane. Another, wearing a girdle of dynamite, was detonated by carbine and pistol fire.

Boy Runs Into Car, Escapes Injury

A six-year old boy escaped injury in New Rochelle this morning when he ran into a car operated by Mrs. Bert C. McCulloch of 104 North Chatsworth Avenue.

The car, on Huguenot Street, struck the boy, who was running across the street.

Mrs. McCulloch, who is the wife of a radio personality and movie newsman, was proceeding west, according to the New Rochelle police, when she struck the boy.

"And it is rather confusing," he continued. "In spite of our overseas papers and magazines, we seem to have gotten the wrong impression when we were led to believe that civilians are always being about gasoline or butter or other things. As a matter of fact, I haven't seen any beef since I left."

Lt. Comm. Stewart said that he started out in Coast Guard cutter on the Atlantic coast, then found himself doing radio and car work because of his advertising agency experience. But he finally got overseas, he said, to the Lewis and Clark Camp, California.

He saw service in the Coast Guard cutter on the Atlantic coast, then found himself doing radio and car work because of his advertising agency experience. But he finally got overseas, he said, to the Lewis and Clark Camp, California.

After the Normandy invasion, he was transferred to the Pacific where he described that war as "quite different."

"I felt that I had left one kind of war for another that was very different. Distances in the Pacific are so vast as to be embarrassing. One day you are in the Philippines, then, after you have a bunch of Japs killed, they make a mess of the islands before they give up."

"I thought that the vast armada that made the Normandy invasion possible was something that as the Pacific I've seen landings on atolls which with some of the many ships of all sizes, kinds and descriptions, many especially constructed for that kind of landing."

"I'm very pessimistic about the time it will take to take in the Japs. Lt. Comm. Stewart said "because of the great distances involved in the Pacific, it is my belief that it will take a long time to take in the Japs who will be killed or who will kill themselves. So I don't see the end of the war in the near future."

"Okinawa is a grim affair because of the Japs who are well known. We burn them with hot dozers or burn them out with fire. But it is doubtful if we can take it."

Associated Press Staff

MANILA—Trapped Japanese troops fought a savage hand-to-hand battle today with Americans of the 24th Infantry west of Davao City on Mindanao.

Maj. Gen. Roscoe B. Woodruff's battle-seasoned veterans attacked with knives, bayonets and even falling fists as the struggle unfolded in savage fury through the Talomo and Davao Rivers.

Yanks and Japanese fought with bayonets and knives, slugged with helmets and grappled like wrestlers. Some combats rolled in to a river, where at least two tanks held the heads of advancing Japanese under water until they were drowned.

One Japanese ran beneath a cable plane in the center of an American position and blew up himself and the plane. Another, wearing a girdle of dynamite, was detonated by carbine and pistol fire.

Boy Runs Into Car, Escapes Injury

A six-year old boy escaped injury in New Rochelle this morning when he ran into a car operated by Mrs. Bert C. McCulloch of 104 North Chatsworth Avenue.

The car, on Huguenot Street, struck the boy, who was running across the street.

Mrs. McCulloch, who is the wife of a radio personality and movie newsman, was proceeding west, according to the New Rochelle police, when she struck the boy.

Stewart Sees No Early End Of Pacific War

It is quite an experience to be back among civilians, according to Lt. Comm. Alex Stewart of Mamaroneck, who has returned after 33 months of service in the Atlantic and Pacific. He spoke last night at his home in the luncheon meeting of the Lions Club yesterday at the Elks Club.

"And it is rather confusing," he continued. "In spite of our overseas papers and magazines, we seem to have gotten the wrong impression when we were led to believe that civilians are always being about gasoline or butter or other things. As a matter of fact, I haven't seen any beef since I left."

Lt. Comm. Stewart said that he started out in Coast Guard cutter on the Atlantic coast, then found himself doing radio and car work because of his advertising agency experience. But he finally got overseas, he said, to the Lewis and Clark Camp, California.

Our Men In Service

Brothers In Pacific

Two sons of Mrs. Erik Erikson of 18 Clover Street, Mamaroneck, are serving overseas in the forces of the United States.

Major Erik H. Erikson is on the air force staff at a support air base in the Mariana Islands. A graduate of New Rochelle High School and former student at Lafayette College, he has been in the Regular Army for 10 years having been stationed at various air fields in Nebraska and California. Major Erikson has been overseas since January.

His brother, Lt. G. Edward M. Erikson is stationed at Pearl Harbor with the United States Navy. He was there Dec. 7, 1941, then went to Midway Island where he participated in the battle of Midway, then to New Guinea and back to Newport, R. I., before returning to Mamaroneck. He commanded a fleet of PT boats.

Promoted In Germany

Flight Officer William Aulepp, Jr. has been promoted to first lieutenant in Germany. A former Larchmont, he was assigned to 85 Willow Avenue with his parents, Mr. and Mrs. William Aulepp, who are now living in North Hollywood, Calif.

Mr. Aulepp was graduated in 1942 from Mamaroneck High School, serving as make-up editor of The Record and as member of the dramatics club. He entered the service in December, 1942, and received basic training at Atlantic City, N. J., before further training at Jefferson Barracks, Mo., and Dickinson College, Carlisle, Pa. He was promoted to second lieutenant in the 48th Central Postal Directory, and in September, 1944 from the Pan American University in Miami, Coral Gables, Fla.

Wins Bronze Star

Robert Egan, son of Mr. and Mrs. Thomas Egan of Mamaroneck, has been awarded the Bronze Star Medal for outstanding service in the Pacific. It was learned today.

With this citation also came a promotion from second lieutenant to second lieutenant. He is serving with the Army Amphibious Engineers and has been in the Pacific area 25 months. A native of Fort Chester, he was graduated from Port Chester High School and before entering service 37 months ago, was employed by Blackett-Sample Hummert, Inc., Greenwich.

Goes To Fort Bragg

First Lt. Frank A. Ruscini of Mamaroneck, has been assigned to the Fort Bragg, N. C. base of the First Troop Carrier Command at Pope Field for duty with the 7th Provisional TC squadron, prior to duty in the South Pacific.

The son of Mr. and Mrs. C. Ruscini, of 7 East Avenue, Lt. Ruscini served with the 1st Cavalry Division before enlisting in the Army in June, 1942. He trained at Santa Ana, Calif., and was graduated as a pilot at Phoenix, Ariz., in June, 1943, and served as instructor at Tucson, Ariz. He reported to the Air Transport Command, Lt. Ruscini is now a graduate in Maplewood, N. J. He is a graduate of Mamaroneck High School.

His brother, Sgt. Thomas B. Ruscini is stationed in England with the Eighth Air Force.

Joins B-29 Crew

Second Lt. Michael Delecco was assigned to a B-29 crew, following a leave at his home at 1001 Avenue, Larchmont. He is the son of Mr. and Mrs. Oliver Delecco, a graduate of Mamaroneck High School. Lt. Delecco entered the Air Corps in October, 1942, while a freshman at Lehigh University, and was graduated from Seton Hall L. S. in December at Greensboro, N. C., and Montgomery, Ala.

His brother, Alfred, who has received a medical discharge from the U. S. Merchant Marine, will enter Syracuse University in September.

Art Work Adds New Beauty To Teen Canteen

The Teen Canteen in Mamaroneck will be open for regular canteen activities tonight and tomorrow night. Earl Quick, adult president, announced yesterday. It had been expected, he said, that Life Magazine would photograph the activities of the Canteen this Saturday, but circumstances have made it necessary to postpone this until a later date, possibly in a week or two, he said.

In the meantime, those who take in the usual Friday and Saturday night activities will be amazed at the progress made during the last two weeks. Most of the painting has been completed and other changes made. The canteen will not only make its operation simpler.

Artie Bell, director of the Canteen, said that the new tables and chairs in the Daily Times six cushion chairs, a regular chair, a wicker chair, was donated, and an oak table had been donated. On behalf of the members of the Canteen, he urged that more residents search attic and other likely places for tables and chairs as they are urgently needed.

Telephone calls to Mr. Quick, Mamaroneck 370, will result in a quick pickup of articles donated. Mr. Bell added.

Franklin Loses Third Of Crew In Tragic Saga

LONDON, (AP)—British ships and aircraft sank a Japanese cruiser of the 10,000-ton class May 16 fifty miles west-southwest of Okinawa on the Malay Peninsula, the admiral announced today.

NEW YORK (AP)—Grievously wounded, the aircraft carrier Franklin was berthed in the New York Navy Yard today after a pallid 18,000-mile voyage from Pacific waters.

By POPE HALLEY Associated Press Staff

WASHINGTON, (AP)—The aircraft carrier Franklin, which miraculously survived one of the severest ordeals of this or any war at home.

She came home, sadly crippled but under her own power, her charred and battered hull marked by a skeleton crew of survivors undergoing repairs at the Brooklyn Navy Yard, she will resume her place in the war against Japan.

Until now Japanese radio propaganda never knew how close they came to being right when they boasted that the 27,000-ton vessel of the Essex class had been sunk. Without the incredible stamina and strength built into her, it was the carrier's officers' courage of her personnel, their claim might easily have been true.

As it was, the carrier suffered 832 men killed and missing and 1,021 wounded—more than one-third of her total complement—in a blazing, agonizing hours.

The plane jockeyed into the hands of the carrier's crew, which streaked suddenly out of the clouds in 60 miles of the Japanese coast on the morning of March 19 and dropped two 500-pound bombs.

44 Missions Win Sgt. Testa Many Honors

2nd Sgt. Stefano Testa, 25-year-old son of Mr. and Mrs. Celestino Testa of 1916 Palmer Avenue, Larchmont, is at home on a 30-day furlough from the Pacific where he completed 44 missions from June until the end of March as an engineer gunner with the 13th Air Force.

Testa has completed 48 flight hours and has the air medal with five bronze stars and the Purple Heart and the Distinguished Flying Cross. He is a former Mamaroneck High School student and entered the service in February, 1941. He received training at Nevada and California before being overseas.

Testa has been commended for "meritorious achievement while participating in sustained operational flight missions in the Southwest Pacific area from Jan. 11, 1945 to Feb. 17, 1945 during which hostile contact was probable and expected. These operations consisted of bombing missions against the enemy air drome and installations and against enemy naval vessels and shipping. The courage and devotion to duty displayed by Sgt. Testa during these flights was worthy of commendation."

Paper Salvage 6,000 Pounds Short Of Goal

The Village of Mamaroneck made within 6,000 pounds of making its monthly quota of waste paper in April even without a one-day pick-up, the monthly figures compiled by Chairman Charles J. Sussick reveal.

The regular collection from the industries, stores and apartment houses yielded 9,350 pounds to ward the 90,000 quota.

Ordinarily, the Sunday one-day collections are relied upon to bring up the average for the month when no collection is held so that at the end of the year the average will stand at more than 90,000 pounds per month. The April figures, however, nearly maintained the quota without a pickup.

Following the collection, 5,000 pounds of First National 4,600 pounds of Green's 5,000 pounds.

The figures for the pickup held May 6 have not yet been reported from the paper mill, Mr. Sussick said yesterday.

The paper drive is carried on under the general direction of the Village War Council Salvage Committee of which the Rev. Frank Dean Gifford is chairman.

Powerful Allied Fleet On Prowl, Japs Report

SAN FRANCISCO, (AP)—The Japanese homeland was alerted today about a "powerful Allied fleet" steaming out of the Marianas which "requires rigid watch."

A Tokyo radio broadcast, directed to home audiences, said the fleet had left the Marianas last Sunday for four more parties, already under way, underwritten by individual Larchmonters.

It can't believe it's happening, can't believe it's true," was the remark most often heard from the boys at the service area on the evening, Simon V. Hirschman, chairman of the party, said.

Following exhortations by Japanese war ministers to produce more planes and to be prepared to defend the homeland against consularly telegram received, the possibility of such an attack.

RED PAPER IN BERLIN

LONDON, (AP)—Publication of a Soviet-sponsored newspaper in Berlin was announced last night by the Red radio. The paper, first appeared May 15, publishing congratulatory telegrams received by the Soviet government and Marshal Stalin from leaders of the United Nations. It also published regulations for the Germans.

Post-War Plan Here Includes Parking Meters

Parking meters on Mamaroneck Avenue are on the list of post-war improvements which the Board of Trustees has in mind for the village. Manager Johnson told the Rotary Club yesterday at the first club meeting held at the Elks clubhouse.

The board has decided to install the meters as soon as they are available, he said.

Sharing the program with Mayor E. J. Santoro, the manager spoke of the additional parking facilities at the station and pointed out that the improvement had been among the first objectives of the village.

Mayor Santoro, who was introduced to the club by President Chairman A. Finelli, told the Rotarians that Mamaroneck is one of two villages in the country to receive federal aid for harbor dredging. That improvement has been made in the West Basin, he said, and the entire harbor may be usable.

The Mamaroneck Sand and Gravel Company equipment will make a similar improvement possible in the East Basin. The Sheldrake Club will vacate its property at the end of the year.

The remaining section of the park, which is under construction, will be completed by the Barry Avenue bridge to the Lawrence Inn and the entire harbor may be usable. He added that he hoped the taxpayers will make that improvement possible.

Mayor Santoro told the club that the present administration makes public facts and information which the taxpayers should know and said that all residents will benefit from the efforts being made to improve the harbor.

James Levin of Larchmont was a visitor and President William J. Kuhn presided.

G. I. Laughter And Song Fill Clubhouse As Legion Fetes Vets Home From War Front

By RUTH R. TAUB

G. I. Joe—36 strong—came home from the wars to America last night, from pre-V-E Day Europe and German prison camps, and America was Larchmont. More specifically, the Flint Park Clubhouse of Larchmont Post 347, American Legion, where the men, who left Paris the day before, were gathered at the Field last night.

The first of a series of "welcome home to America" parties.

The Chantilly James who have been filling column after column of precious newspaper in magazines and newspapers with four-month advice to wives, mothers and sweethearts of returning servicemen, were now being welcomed home to America.

A special appeal has been made by Chairman Charles M. D. Reed to all apartment houses in the village in an effort to increase the collection from that the salvage company considers the best source of tin cans and one which has not been fully encouraged.

The following notice has been posted in the Orienta Point Apartment House:

"You Can Keep a Wounded Man from Dying."

"One of the great live saving developments of this war has been the aptly-named 'tin can' of the present administration makes public facts and information which the taxpayers should know and said that all residents will benefit from the efforts being made to improve the harbor."

James Levin of Larchmont was a visitor and President William J. Kuhn presided.

American Day Service Slated By Elks Lodge

In accordance with the proclamation issued yesterday by Mayor E. J. Santoro designating Sunday as "I Am An American Day" in the Village of Mamaroneck, the Elks will hold a special service at 8 P. M. at the clubhouse on the Boston Post Road to celebrate the occasion.

WASHINGTON, (AP)—

Former German-American leader Fritz Kuhn has been ordered deported to Germany as an undesirable alien, the Justice Department announced today.

WASHINGTON, (AP)—President Truman told the French Foreign Minister today the United States is willing to participate in a Franco-American zone of occupation in Germany.

BONDS BEST BOOST

WASHINGTON, (AP)—This was bond statement was issued today by Gen. Omar N. Bradley, commander of the 12th Army Group, Belgium.

The victory volunteers who came upon you at your home or place of work speaks for every soldier when he asks you to buy extra War Bonds. News of your personal participation in the War Loan is the best kind of news from our front.

DAVENPORT NAMED

WASHINGTON, (AP)—Donald H. Davenport of Snyder, business center, state chairman and World War veteran today was appointed Deputy State Commerce Commissioner at \$2,000 a year in charge of the newly created Division of Economic Development.

Dr. Korn Holds High Hope For Peace Charter

The San Francisco Conference is developing a practical working plan, in the opinion of Dr. Harold Korn, as expressed in his talk at the last night. Dr. Korn said that the charter being developed at the conference "does not and should not attempt to solve the problems which confront the world, but rather to provide the framework for international co-operation in the search and working out of these problems."

Dr. Korn said that these deliberations are adding greatly to the value of the Dumbarton Oaks proposal.

"We have no need to fear Russia, because Russia's only concern is the rebuilding of Russia. The Chantilly James who have been filling column after column of precious newspaper in magazines and newspapers with four-month advice to wives, mothers and sweethearts of returning servicemen, were now being welcomed home to America."

A few danced—the few whose leg and arm injuries permitted dancing—more clowning and joked as they sat with the junior hostesses at small tables ranged around the large room. But they all sang and they all ate, and it was a bang-up "welcome home to America" party, beyond a doubt.

The fellows who couldn't be bothered wrestling with their unaccustomed crutches, hopped on one foot across the room, entered and from the bar, where cologne and beer were popular, as their buddies cheered their progress. And one youngster, with his arm in a cast, immobilized at an angle above shoulder level, and in the favorite songs all soldiers like to sing, standing at the microphone set up by Adjutant Commander H. B. Zeiger presided as master of ceremonies, introducing the Junior hostesses and the boys' host for the evening, Simon V. Hirschman. Plans for four more parties, already under way, underwritten by individual Larchmonters.

It can't believe it's happening, can't believe it's true," was the remark most often heard from the boys at the service area on the evening, Simon V. Hirschman, chairman of the party, said.

Following exhortations by Japanese war ministers to produce more planes and to be prepared to defend the homeland against consularly telegram received, the possibility of such an attack.

Without the incredible stamina and strength built into her, it was the carrier's officers' courage of her personnel, their claim might easily have been true.

As it was, the carrier suffered 832 men killed and missing and 1,021 wounded—more than one-third of her total complement—in a blazing, agonizing hours.

The plane jockeyed into the hands of the carrier's crew, which streaked suddenly out of the clouds in 60 miles of the Japanese coast on the morning of March 19 and dropped two 500-pound bombs.

44 Missions Win Sgt. Testa Many Honors

2nd Sgt. Stefano Testa, 25-year-old son of Mr. and Mrs. Celestino Testa of 1916 Palmer Avenue, Larchmont, is at home on a 30-day furlough from the Pacific where he completed 44 missions from June until the end of March as an engineer gunner with the 13th Air Force.

Testa has completed 48 flight hours and has the air medal with five bronze stars and the Purple Heart and the Distinguished Flying Cross. He is a former Mamaroneck High School student and entered the service in February, 1941. He received training at Nevada and California before being overseas.

Testa has been commended for "meritorious achievement while participating in sustained operational flight missions in the Southwest Pacific area from Jan. 11, 1945 to Feb. 17, 1945 during which hostile contact was probable and expected. These operations consisted of bombing missions against the enemy air drome and installations and against enemy naval vessels and shipping. The courage and devotion to duty displayed by Sgt. Testa during these flights was worthy of commendation."

Paper Salvage 6,000 Pounds Short Of Goal

The Village of Mamaroneck made within 6,000 pounds of making its monthly quota of waste paper in April even without a one-day pick-up, the monthly figures compiled by Chairman Charles J. Sussick reveal.

The regular collection from the industries, stores and apartment houses yielded 9,350 pounds to ward the 90,000 quota.

Ordinarily, the Sunday one-day collections are relied upon to bring up the average for the month when no collection is held so that at the end of the year the average will stand at more than 90,000 pounds per month. The April figures, however, nearly maintained the quota without a pickup.

Following the collection, 5,000 pounds of First National 4,600 pounds of Green's 5,000 pounds.

The figures for the pickup held May 6 have not yet been reported from the paper mill, Mr. Sussick said yesterday.

The paper drive is carried on under the general direction of the Village War Council Salvage Committee of which the Rev. Frank Dean Gifford is chairman.

Powerful Allied Fleet On Prowl, Japs Report

SAN FRANCISCO, (AP)—The Japanese homeland was alerted today about a "powerful Allied fleet" steaming out of the Marianas which "requires rigid watch."

A Tokyo radio broadcast, directed to home audiences, said the fleet had left the Marianas last Sunday for four more parties, already under way, underwritten by individual Larchmonters.

It can't believe it's happening, can't believe it's true," was the remark most often heard from the boys at the service area on the evening, Simon V. Hirschman, chairman of the party, said.

Following exhortations by Japanese war ministers to produce more planes and to be prepared to defend the homeland against consularly telegram received, the possibility of such an attack.

RED PAPER IN BERLIN

LONDON, (AP)—Publication of a Soviet-sponsored newspaper in Berlin was announced last night by the Red radio. The paper, first appeared May 15, publishing congratulatory telegrams received by the Soviet government and Marshal Stalin from leaders of the United Nations. It also published regulations for the Germans.

5 Ships Collide In Gotham Bay

NEW YORK, (AP)—Four Liberty ships and a 6,000-ton tanker were involved in a ground collision in Lower New York Bay last night when one of the heaviest tugs ever used in the city lost life or serious damage was expected.

The exact nature of the collision, which occurred five miles from the Battery, was not announced immediately.

The tug, Guard, was standing by to render any assistance.

The five ships were the tanker Santa Paula, and Liberty Ships William W. Lively, William W. Lively, William W. Lively, and William W. Lively.

Pfc. Frye 3rd To Die On Okinawa

Tragic News Received As Son Celebrates His Sixth Birthday

WITH MARINE CORPS

Saturday was Tommy Frye's sixth birthday and as long as he lives, he will never forget it because just as he is about to turn six, his father, Pfc. Robert E. Frye, died on Okinawa. He was a member of the 1st Marine Division which landed on the island Easter Day and his father was killed in action on Saturday, May 10, when Lt. Duncan Crane and Lt. Kenneth Foster gave their lives.

The son of Mr. and Mrs. J. C. Frye of 35 Maple Hill Drive, Pfc. Frye was born in the Marine Corps on May 23, 1939, in Canton, Ohio, and had lived in Larchmont for 14 years having attended Mamaroneck High School and graduating from Staunton Military Academy in Virginia. Before entering the service, he was manager of a credit store in Harrisburg, Pa. He received Marine training at Parris Island, S. C. where he served as an instructor for three months and at Camp Lejeune, New River, N. C.

He was married 10 years ago to the former Sonia Scott of Larchmont, who resides at the Glen Road address with their two sons, Tommy and Robert who is eight years old. Pfc. Frye is survived also by a sister, Mrs. Thomas Lewis of Larchmont, Pa.

Parade Aides To Seek Blood Bank Donors

Mamaroneck will have an opportunity to remember the living as well as the dead on Memorial Day. Registrations for the Red Cross Blood Bank on June 9 at the Daniel Warren School will be taken at the stopping place of the parade and also during the afternoon's band concert.

Uniformed Red Cross staff assistants will be stationed on the Municipal Building grounds in the honor of Red and Company, and the members of Harbor Island near the Memorial Grove to make appointments for volunteer donors.

Magazine Films

June Box Crowd

One of the most popular after-school gathering places for Larchmont and Palmyra Avenue, took on the aspect of a Hollywood stage set yesterday as King films, camera men and directors filmed the "June box crowd" for a March of Time series, "Youth of Today."

The movie people returned to get additional shots of the lobby-sitters who are intermingled with the "June box crowd" and "little and big bear" sundays, original concoctions of George and Elin, presiding over the "theater."

MAMARONECK VILLAGE LARCHMONT POSTAL AREA

WARNING

Souvenir hunters, your attention please! Did you know that taking souvenirs from the Government, even as a souvenir, subjects the taker and any receiver of the stolen items to the usual penalties for theft or government property? In other words, you are breaking the law if you sell, give, or otherwise dispose of any property of the Government to stop transportation of these items.

YOKOHAMA'S FACTORY AREA ABLAZE AS 3,200 TONS OF FIRE BOMBS FALL ON CITY

MEMORIAL DAY (Inspired by Corp. Edwin Grantham who died of wounds at Ardennes)

How shall we honor the dead this year— With a wreath or a flag or a quiet tear? You know what I'd do for a man who died. (His throat may be stopped with Ardennes clay. He may not reply—but wait, do you hear The voice which is whispering fire and steel.)

"Thank! None of that here stuff for me. I want happy at home as a guy could be. With a pretty wife and a job I liked And a party sometimes where the drinks were spiked. Fighting was not what I was born for— But then come along this blasted war."

"They called me, I went. I fought and died. My wife was brave, but I know she cried. All right, then, if you are asking me, Here is what I would like to see: "Remember the parents and kids and wives Of all the fellows who gave their lives. Take care of our folks as we'd have done. But count battles lost that we have won. Live with your parents and kids and wives. Let another war come in a thousand years!"

Corporal Grantham has had his say. God help us to honor him just that way. —Ken Woodman.

GUAM (AP)—Superfort crews returning today from their heaviest and fiercest aerial battle against Japan reported they had lighted giant fires in the industrial section of Yokohama. The first strike against Tokyo's port city. More than 350 B-29s dropped 3,200 tons of bombs in their third strike in six days within a 20-mile radius of the Imperial Palace.

Airmen reported smoke billowed for four miles above the city and predicted destruction would rank with that of previous high altitude B-29 raids against other major Japanese industrial cities. Even the enemy's high command conceded "considerable damage" was inflicted.

Clouds of black smoke, such as comes from burning oil, was reported pouring up from Kokotohama's busy industrial commercial center in the southern end of the city, with largest in Nippon.

A strong wind appeared to be spreading the fires through superforts, spreading the fires through superforts, spreading the fires through superforts, spreading the fires through superforts.

The Japanese command reported that the city was hit by 3,200 tons of bombs, including 1,500 incendiary bombs, which caused a fire in the industrial town of Kawasaki which lies between the capital and the port city.

Yank Pincers Now Closing Around Shuri

GUAM (AP)—Eighteen hospital planes returned 676 wounded soldiers from Shuri to the Marianas today in the largest single evacuation mission of the Pacific war.

GUAM (AP)—In the wake of a Japanese air attack which sank one light United States fleet unit and damaged 12 others in Okinawa waters, American fighters slammed down both sides of the muddy island today to begin closing a pincers around stubbornly defended fortress Shuri.

Admiral Chester W. Nimitz, commanding the fleet, said at least 17 raiders were shot down as they attacked Shuri night and Monday. He gave no details beyond saying damage was "light to moderate."

The air raids were the second in less than a week and have cost the Japanese more than 240 planes. Last Thursday they lost 166 planes, damaged 23 American fighters, and destroyed 100 Japanese fighters.

Driving rains which for a week have turned the island's roads into ribbons of mud, blocked off permitting Tenth Army ground forces to resume their drive.

A swift stab by Sixth Division Marines under Maj. Gen. Lemuel C. Shepherd, Jr., who for a week patiently expanded their Naha (Guam) base, was followed by a western two-thirds of the island capital yesterday.

Fire caused by a short circuit was extinguished yesterday. Woods of Larchmont, with the town of Mamaroneck Fire Department responding at 11:45 P. M. No damage reported.

Times To Observe Memorial Holiday
