ness"; center-Mr. and Mrs. A. Donald Brier of Scarsdale standing down a spar for their costwive cruiser "Borneo," and right-Horst Orbanowski of Greenwich freshening up the hull of his boat—Staff Photos by Warren Ingles

Combing The Town

First Aid Course

A nine-week first aid course was completed last night by all members of the Mamaroneck Police Department, Ptl. John Vaccaro, in charge of the instruction, announced today.

Three new members of the department were required to take all nine lessons which constitute the standard course. They are Ptl. Louis Liferi, Ptl. Thomas Debon, and Ptl. Curtis Hill. The other members attended only four of the sessions, constituting the refresher course required every three years.

Ptl. Vaccaro was assisted by William Celestino, instructor at Mamaroneck Avenue School.

Serves In Morocco

John M. Frauli, draftsman 361, USN, son of Mr. and Mrs. Thomas Frauli of 1424 James Street, Mamaroneck, is serving at the Eastern Atlantic and Mediterranean Fleet Intelligence Center, 41 Lincolnton, French Morocco.

Draftsman Frauli entered the navy in October, 1932, and did active recruit training at Bainbridge, Md. A 1932 graduate of Archbishop Stepinac High School, he was associated with Cecil and Freesby, a New York City advertising agency, prior to entering the Navy.

Studies At Penn

Dr. Daniel G. Karrel of 89 Chatsworth Avenue, Larchmont, has just completed a two-week postgraduate course at the Dental School of the University of Pennsylvania. The course was given by Dr. Louis Grossman, in charge of the School of Oral Medicine.

Dr. Karrel has practiced dentistry in Larchmont for 14 years. He recently returned from two years in service, stationed at Walter Reed Hospital in Washington, D. C.

He takes an active part in the Larchmont Boy Scout organization.

Dr. Karrel is married and the couple has three children, Donna, nine, Douglas, six, and Dennis, nine months.

To Lead Battalion

Cadet Lt. Col. Robert C. Santoni, son of Mr. and Mrs. Dominick R. Santonema of 337 Wagner Avenue, Mamaroneck, will appear May 15 as battalion commander in the annual review of the Middlebury College ROTC unit at Porter Field on the Middlebury campus.

Santonema is a 1933 graduate of Bellows High School where he was president of his class and a member of the honor society and football team. A senior at Middlebury, he is a member of Kappa Delta, Phi Kappa Phi, and the Men's Assembly. He was chosen last year as one of the ROTC officers who distinguished themselves in military service at the college.

Starts Basic

Jack Yarnuzzi, seventeen, son of Mrs. Edna Yarnuzzi of 231 Valley Place, Mamaroneck, left yesterday to begin one year of basic training with the U. S. Navy at the Recruit Training Center, Bainbridge, Md. He has qualified for two years active duty.

Recruit Yarnuzzi attended Mamaroneck High School where he played football. Before he joined the Navy he was employed by the M. H. Fishman Co., and at the Betty Lee Food Products Co. in Mamaroneck.

THE WEATHER

Fairly bright this afternoon, with temperature in the upper 70's. Fair tonight, low 35 to 40. Mostly fair tomorrow, high near 70. Northeast winds 10 to 15 mph becoming northerly tonight and variable tomorrow.

Extended Outlook: Mostly cloudy and warmer with chance of showers Thursday. Fair with moderate temperature, Friday. High tides today at 4:06 P. M. tomorrow at 4:10 A. M. and 4:50 P. M.

MAMARONECK, N. Y., TUESDAY, MAY 1, 1936

'Swim or Drown' Ordered Sergeant Held Tippy On March Fatal To 6

WASHINGTON (AP)—The Marine Corps said today that Sgt. Matthew McKoon, under the influence of liquor, told his platoon of recruits that "those who could swim would be allowed to go ashore, but those who could not would be left to drown."

He led them in a night march into a South Carolina swamp. Six men died.

Recommending court martial for the thirty-one-year-old sergeant from Worcester, Mass., the Corps said Sgt. McKoon admitted that "those who could swim would be allowed to go ashore, but those who could not would be left to drown."

In addition to announcing that trial for Sgt. McKoon on charges ranging up to manslaughter had been recommended to the secretary of the Navy, Gen. Randolph McCall Hale, Corps commandant, told the House Armed Services Committee today.

1. He has ordered transfer for Maj. Gen. J. C. Burger from the command of Camp Lejeune, N. C., where there is no recruit training.

Julia Crews, Dooley File For Primary

Organization petitions designated candidates for the June 2 Primary were filed today with the Board of Elections.

The petitions cover State Assembly and Senate races, party positions and designs for Representatives of the 28th Congressional District.

Fund Nears \$6,000

Men, Materials, Money Bring Hall House Transformation

The transformation of the Hall House at 2905 Westchester Avenue, Larchmont, from an abandoned shack to comfortable and highly respectable quarters for a family of 11 persons, entered the last stages this week.

For more than a month, carpenters, electricians, plumbers, painters, masons, furnace installers and other basic workers have donated time and material to recreate a serviceable home for Mrs. Dorothy Hall and her 10 children of school age.

John McCarthy, carpenter, led by Louis Tolve, business agent for the Mamaroneck Carpenters Union, who not only supplied men for the labor but also furnished the materials from local firms, the carpenters have completed most of their work.

Anthony Aiello, business agent for the New Rochelle Painters Union, has led his men in painting both the inside and outside of the house.

Paint donated through the efforts of Morris Towson, agent

Egan Lists 8 Issues In Pledge To Voters

EDWIN J. EGAN of Larchmont today pledged himself to an eight-point program if he wins the three-way race for the Republican nomination for Congress in the 28th District, and is elected in November.

Mr. Egan promised to:

1. Vigorously support the ideals and aims of President Eisenhower.
2. Work conscientiously for the reduction of federal income taxes, in belief that as taxes increase, individual initiative decreases.
3. Support foreign aid, with the two-fold purpose of assisting our allies while relieving the burden of the American taxpayer.
4. Back federal aid to education, but without interference upon the principle that education is the responsibility of states and local communities.
5. Support public housing where it is vitally needed, with the government and private industry working in concert.
6. Urge moderate and responsible leadership in the desegregation of race ordered by the Supreme Court.
7. Continue the Eisenhower policy, insofar as one individual is able, to prevent infiltration of subversives within our federal government.
8. Vote for every measure aimed at getting government out of business property left to private enterprise.

White Plains—

Organization petitions designated candidates for the June 2 Primary were filed today with the Board of Elections.

The petitions cover State Assembly and Senate races, party positions and designs for Representatives of the 28th Congressional District.

In the Congressional race, petitions for Mayor Edwin B. Dooley, Republican, and P. J. Santoni, Democrat, were filed. The Republican ticket contained 1,947 signatures.

The counterpart Democrat petitions, designating Julia L. Crews of Scarsdale and party position candidates, contained 2,066 signatures.

Today is the last day for filing Primary petitions.

Reds Limit Parade; Pope Calls For Peace

By The Associated Press

Moscow limited its May Day parade to 42 minutes today.

Pope Pius XII urged "the whole world of labor" to turn to Christ.

A half million Japanese jammed Tokyo's Meiji Plaza to hear speakers for peace and democracy and better pay.

There were celebrations and speeches elsewhere around the globe.

To most of the world it was an international labor holiday—

Noels Cleared Of Insurance Fraud By D.A.

White Plains—

Olden C. Noel, resigned county consultant on insurance, and his son, Norbert, resigned Assistant County Attorney, were cleared today of "any violation of the criminal statutes."

District Attorney Joseph P. Casilari said an investigation has shown no evidence of any such violation by the Noels or by the son's firm, Noel Super-Ins Co.

The prosecutor said the investigation covered the entire field on county insurance matters concerning the Noels and the son's firm, formerly owned by the father.

Nothing for Jury

The prosecutor said he felt there is "nothing" to present to a grand jury.

Among statutes considered in the case were:

Beach, Like Bus, Uncrowded In Rear, Village Board Told

Bathing conditions are not as acute at Harbor Island Beach as they were last year, the Mamaroneck Village Board was told yesterday during a conference with the Board's guests on Saturday.

The board is to be urged by all members of both bodies.

When Mayor Edwin B. Dooley presided over the Board's session, he said that the beach is in the Town of Mamaroneck and that 288 of the 287 guest tickets issued last year went to town residents. He added that such ticket holders are more inclined to respect the privileges given those ticket holders than those who are not.

Justice Josephine O'Connell suggested that guest privileges be given to a "BRANCH

Heart Attack Ends Career Of Ex-'Veep'

LEXINGTON, Va. (AP)—Funeral services for Senator Albert W. Barkley of Kentucky will be held tomorrow morning in Washington, where he served his state and nation for so long.

In accord with the former Vice President's wishes, the services will be held in Foundry Methodist Church, Washington, conducted by the Rev. Dr. Frederick Brown Harris, Chaplain of the Senate.

Burial will be Friday in Mr. Barkley's home town of Paducah, Ky.

Barkley collapsed and died yesterday on a political platform which had known his tread for 31 years.

Mr. Barkley, seventy-eight, changed to the floor after a keynote address to Washington and Lee University students assembled in a mock Democratic national convention. Dr. Robert Munster, who arrived seven minutes later as ambulance attendants were attempting to administer oxygen, said he died of a heart attack.

Today the storied "Veep" of the Truman administration made his final journey to Washington. Four students from Washington and Lee and four from nearby Virginia Military Institute accompanied the body to the capital.

"An Old Firehorse"

Mr. Barkley, who described himself as "an old firehorse who has heard the bell," told the W&L students he had arrived here uncertain about going to the Democratic National Convention in Chicago in August—but had made up his mind to attend. He said he wouldn't be a candidate for nomination for the presidency.

There were cries of "No, No," and when he was quieted the tumult he said only with a smile: "I have been in years gone by but I fire fireball is still burning and I'm not burned."

Recently, he recalled he'd been a delegate at large to every National Democratic Convention since 1900.

Mr. Barkley was a junior Senator, a senior Senator, Majority Leader, and Vice President.

STOP sign at Manor Place.

Larchmont Gets Clear Sign STOP Means What It Says

THE CONFUSION of stop signs throughout the village of Larchmont is gradually coming to an end through standardization. In the lower left panel, one of the new stop signs, white letters on a black background, is shown at Cherry and Monroe Avenues. The same intersection is shown above left from the opposite corner, with a school sign behind the stop sign. To the right the one-way sign used in the village, and to the right the Church traffic slowing. This is one of the busiest streets in Larchmont. At upper right is one of the painted stop signs, which rarely do more than slow drivers down. This sign is at Manor Place.

leading out to the busy Boston Post Road. Two of the old-style stop signs can be seen in the lower right picture. The one in the foreground is diamond-shaped while the smaller one across the street is octagonal. When the stop-sign replacement program is complete, all such signs will be the same. Larchmont police warn drivers that while a state law prohibits the use of a stop sign, they ask full driver cooperation until the stop-sign program is complete.—Staff Photos, by Warren Ingle.

Courting The Town

Turco Elected

Phil Louis Turco of the Town of Mamaroneck Police Department last night was elected vice president of the New Rochelle Rifle Club at a meeting at the New Rochelle Armory.

John Daniels was elected president to succeed James McNamee, a past president of the National Rifle Association. Mr. McNamee was elected secretary and treasurer.

The eight-man team is also the team of New Rochelle Post 8, American Legion. It recently placed third in a national shoot at Traneek, N. J.

Bank Advisor

George E. Mills of 11 Kenmar Road, Larchmont, has been elected to the Larchmont Advisory Committee of the Larchmont Trust Company, it was announced today by Carl Miller, regional vice president.

Mr. Mills, son of a former County Trust officer, operates his own insurance and real estate business. He is a graduate of New York University and president of the Larchmont Rotary Club.

Alarm But No Harm

It was alarming, but that is as far as it went.

At 9:21 P.M. yesterday, Mamaroneck police rushed to the County Trust Co. at 342 Mamaroneck Avenue when the burglar alarm sounded at headquarters. Nothing appeared wrong, except the alarm couldn't be traced.

John Carney, custodian, and Harold Hagbenbeck, an employee, were called, but they were unsuccessful as the police in spotting the trouble.

Finally, one hour later, Mr. Hagbenbeck told police he had reached E. J. O'Neill, vice president in charge of the bank, who ordered the alarm disconnected until it could be repaired today.

To B'nai B'rith Parley

Mr. and Mrs. Samuel Markie of Scarsdale, former Larchmont residents, leave tomorrow for Washington, D. C., where they will attend the biennial convention of the Supreme Lodge of B'nai B'rith. The five-day convention will hold its sessions at the Statler Hotel.

Mr. Markie, a delegate from District Grand Lodge 1074, which he is a past president, is convention chairman of the special service committee for the armed forces.

Convention speakers include Secretary of State John A. Dulles who will address Tuesday nights banquet which will be attended by Cabinet members, members of the Supreme Court, congressmen, ambassadors, and other notable Secretary Herbert Lehman will speak Sunday at the dedication of the new Henry Monsky Building.

Mr. and Mrs. Markie will return Wednesday, Monday and delegates from throughout the world, will attend.

Houghton Takes Note

Bach, Schumann, and Mozart night will be blowing along the Post Road in Mamaroneck if the inquisitive eye of Rushmore Houghton had not been on his chest of 200 pages in front of his office at 200 West Post Road.

He picked up the book and found he was looking for musical notes, pages bearing the headings of Bach, Schumann, La Traviata, Faust, Don Pasquale, Schumann, piano Vol. 1, and Mozart.

Mr. Houghton has put the book in a safe place pending claim by the owner.

Camp-O-Rally

Plans for the Mamaroneck District Boy Scout Camp-O-Rally on Harbor Island May 29 and 30 were formulated last night at a meeting of junior leaders at the Mamaroneck Methodist Church.

All Boy Scout units in the Mamaroneck District will participate in this camp-out event, the first held in Mamaroneck in many years. The District expects to make this one of the largest Scouting events in many years.

All the projects planned will center around Scouting, camping, and scoutcraft. Scouts ranging from 11 to 17 are expected to participate.

Mamaroneck Scouts Set Goal Of \$6,500 For Sivanoy Dam

A \$6,500 goal was set last night for the Mamaroneck contribution toward the reconstruction of the Camp Sivanoy Dam, wrecked last August by flood.

THE WEATHER

Some cloudiness with a chance showers late this afternoon and early tonight, high temperature in the 60s. Clearing here tomorrow in the upper 40s. Generally fair tomorrow, high in the 60s. Moderate westerly wind in this afternoon and early tonight becoming moderate, occasional showers west to northerly later tonight and tomorrow.

Extended Outlook: Sun and a mostly fair with little change in temperature, increasing cloudiness late in the day with a chance of showers Monday mostly fair with reasonable temperature in the high 40s to 60s. High tide today at 6:52 P.M., tomorrow at 7:12 A.M. and 7:47 P.M.

MAMARONECK, N. Y., FRIDAY, MAY 4, 1956

Fumes Also Kill Dog, 60 Birds

Hastings Wife Takes 2 To Death With Her

MAMARONECK-ON-HUDSON-

When a cancer-stricken woman took her own life, her care to protect her loved ones went awry and she killed her husband and mother.

That was the police theory today after officers last night broke into a house of death which had served as a stridor for about 10 days for three persons, a dog and 60 tropical birds.

Neighbors had been friendly but not intimate with Mrs. and Mrs. Frank Kaufman and her mother, Mrs. Anna Retzler, who resided with them in a fashionable Georgian colonial home at 37 Bliedon Vista Drive in exclusive Riverview Manor.

When newspapers, magazines and small books piled up at the front, neighbors became suspicious. It finally called police last night.

Purses Still Heavy

So air-tight was the home and garage that carbon monoxide fumes were still heavy after 10 days.

A garage rigged for suicide, police found the body of Mrs. Anna Kaufman, forty-seven, who was found in a bedroom in his bed on the second floor rear and Mrs. Retzler, seventy-two, in her bed in an upper floor room.

Police Chief Joseph Trojak said he was not sure of the cause of the two accidental deaths. The medical examiner's office is conducting examinations today to determine whether carbon monoxide actually caused the deaths.

Dr. Saul Gutsher of Dobbs Ferry, who had operated on Mrs. Kaufman a month ago at Presbyterian Medical Center in New York, pronounced all three persons dead. Mrs. Kaufman had undergone surgery for cancer and apparently had been depressed.

On the night of April 22 or possibly April 23 Mrs. Kaufman, wearing a nightgown and robe, went into the basement garage after everyone had gone to bed. She had arranged the pillows in her own bed to make it appear that someone was asleep there.

Mrs. Kaufman, according to police theories, taped up the garage door and then the fumes from the engine killed her.

Chief Trojak said he believes Mrs. Kaufman made every effort to prevent killing her husband and mother but the fumes filled the house and killed every living thing. The family dog, a cocker spaniel, was found lifeless in his master's room. The expensive collection of tropical birds, Mrs. Kaufman's hobby, was wiped out in cages in the basement.

5-Hour Conference Held

Child Needs Studied By County Teachers

By ELEANOR NEY

THE "meager competence" of 20-year-olds is no longer enough to meet the increasing complexities of teaching children headed toward a wild-man's speeding world in which they are expected to function competently, the 78th annual conference of the Westchester Teachers Association was informed last night.

That his members were already acquainted with this view, expressed by Mrs. Charlotte P. Wilson, member of the evening panel, was obvious. More than 1,500 of them attended at night or evening sessions, and both, given over almost wholly to professional improvement through an informal exchange of ideas.

The highly concentrated five-hour program in White Plains High School culminated in the election of officers and the panel discussion of emotional needs of children.

Recited were: president Charles W. Teitelman of White Plains, mathematics teacher in Horace Greeley High School, Chappaqua; and first vice president, Mrs. Evelyn B. Brody, music teacher in Mount Vernon public schools; Miss Margaret E. Barrett, history teacher in Yonkers High School, second vice president, Mrs. Julia Puchalski, Westchester Elementary School; Port Chester, secretary, Alex. Dickins, White Plains, social studies; Valhalla Junior High School, treasurer.

Executive committee members were Frances C. Buoro, Assistant Superintendent of Schools, White Plains; John Sullivan of Larchmont, dean of boys, Mamaroneck High School; and Norman P. Taylor, science; Albert Leonard Junior High School, New Rochelle; Ira G. Newlin of Scarsdale was nominating committee chairman.

From the Bank Street College of New York were the panel members, Mrs. Elizabeth C. Gilkeson, Mrs. Winson, also chairman of workshops of the New York City public schools, and Herbert Goldsmith, also reading specialist, 2nd Supervisory District, Suffolk County.

3d Request in 3 Years

Phone Firm Seeks Rate Rise From PSC

By AILRANY (AP)—The New York Telephone Co. today asked the Public Service Commission for a \$15,750,000 increase in rates the company said was needed to cover the cost of employe pay increases and other expenses.

This was the third attempt in three years the company has sought in the last three years. The only increase that has been granted was a stoppage one.

The company requested the PSC to reopen the commission's "stoppage" order of last December, which held the stoppage case could be reopened if the company showed "substantial increases in company items of cost."

Last December, the commission granted an \$8 million rate boost and held that the stoppage case could be reopened if the company showed "substantial increases in company items of cost."

The company said that, under its plan, "corresponding small adjustments would be made in certain other charges" but explained there would be no increase in rates for pay telephone, extension phones, or long distance calls.

The request has no connection with the company's bid for a larger increase based on the value of company property.

The company asked last year for a "stoppage" rate increase of \$34 million pending court action on its request for a permanent \$26,000,000 rate increase.

Consequently, said T. D. Gilkeson, the school has to re-examine it is very important for the child to feel he is competent, with his social group. The teacher, therefore, must plan activities involving the skills of those children who are "left out" and to do this, she explained, the teacher must first determine the way the child feels about himself and "what he needs."

"You never looked at me like that."

Ready For Family In Week

Hall Fund Calls For \$1,000 For Final Touches On Home

Approximately \$1,000 more to handle the final phases of rehabilitation of the Hall Fund home at 202 Palmer Avenue, Larchmont, will complete the fund drive, it was decided last night by members of the Hall Family Committee meeting at the home of Roscoe Breyer, chairman, of Cedar Island, Larchmont.

Funds are still needed for the completion of the home and for landscaping and incidental fees. The home for the Hall's has come about as the result of the efforts of Larchmont civic and religious leaders to a series of Daily Times stories on the plight of the family in tenement slums from a house at 2028 Palmer Avenue. The house was condemned as uninhabitable and the family has been unable to find other place to stay.

Home Purchased

All winter long they have stayed on at the condemned home while the fund drive was underway and while repairs have been made to the home next door, purchased through donations of cash from Larchmont residents.

Rehabilitation work on the purchased home should be finished by next week.

Eisenhower Sees No Need For Alarm On Nation's Air Power

No Violation Of Ethics

The Defends Aides In Chotiner Inquiry

WASHINGTON (AP)—President Eisenhower said today there is no reason to believe the activities of Murray M. Chotiner, who was laid down by Mr. Eisenhower for his administration.

Mr. Eisenhower told his new conference that in no case did he ever contact the California law-politician had with the White House staff disclose any indiscretion by members of that staff.

Mr. Chotiner, Los Angeles attorney and former campaign manager for Vice President Nixon, told the Senate investigations subcommittee yesterday that no White House staff members made telephone calls for him in any legal cases he was handling.

Mr. Chotiner denied he ever had traded on his association with Mr. Nixon or used any influence on behalf of clients.

Had Reports

Mr. Eisenhower said that while he had not reviewed Mr. Chotiner's testimony he had had reports on it.

Then, by way of background, Mr. Eisenhower said he had given two orders which he often was repeated to the executive staff.

The first of these, he said, was that any individual who appeared before the staff for help should receive courteous treatment. He said he would not stand for attacks on anyone.

Mr. Eisenhower said that the second rule was that no one should be permitted to introduce into a government office on the basis that the person who requested the introduction was part of his family, friends, or associates.

The President said anybody who violated those rules would be thrown out.

He said there was no reason to believe that Mr. Chotiner had done so.

NATO Sees Peril In Soviet Policy

West Moves To Offset Kremlin's New Look

PARIS (AP)—NATO's Foreign Ministers agreed today the Western world is facing a new and dangerously agile Soviet foreign policy based on economic and cultural penetration.

Reliable sources disclosed the ministerial council of the North Atlantic Treaty Organization today that NATO officials were full, serious discussion of Russian plans and intentions under the new Moscow regime. The ministers conferred more than two hours in NATO headquarters in the Chaillois Palace annex, then recessed to 3:30 P. M.

The informants said U. S. Secretary of State Dulles referred to what he called the danger of Soviet domination of newly independent countries. They said: "The Soviet Union has a tendency to look at more than one part of the whole picture, but it is not clear."

Referring to Gen. LaMoyn's testimony, Mr. Eisenhower said it is disappointing that some B52 Intercontinental bombers have had to be rejected temporarily because of defects which he said will be corrected.

"But there still is much testimony to the fact that the B52's are the most advanced missile in the world," he said.

A-BOMBERS SET FOR BLAST

South Pacific Test Slated At 1 P.M. Today

OFF NEWBETH (AP)—Nuclear weapons have set the trigger for firing a junior size bomb about dawn Saturday (about 1 P. M. today, EDT) which scientists predict will produce a comparatively small radiation fallout.

This was to be the certain rain for Operation Redwing, the series of tests which will include big bangs by massive hydrogen weapons.

New proposals for Civil Defense officials aboard the veteran ship of atomic tests, USS Monks, are scheduled to see the first shot of the relatively small weapon as well as the detonation of the first hydrogen clear bomb dropped by an American bomber.

The scheduled small starting shot will be at Eniwetok. The later big explosion of the above dropped weapon will be at Bikini atoll.

Whole Story Not Yet Told, He Declares

WASHINGTON (AP)—President Eisenhower said today the United States will feel a lot better about its air power position when the full story has been presented.

Mr. Eisenhower told a news conference the United States has a very powerful Navy with a powerful air arm. He said that in comparing this country's relative strength to that of the Soviet Union.

Mr. Eisenhower said this country does not try to match Russia in ground power. He indicated it does not necessarily try to match the Soviet Union in the rate of output of such things as intercontinental bombers.

LeMay Sees Lag

The President's remarks came against a background of statements earlier this week by Gen. Curtis LeMay, chief of the Strategic Air Command and Defense Secretary Wilson, that correct U. S. production of intercontinental bombers capable of carrying hydrogen bombs is lagging behind Russian output.

Gen. LeMay predicted that Russia is likely to surpass this country in the intercontinental bomb field by 1959.

The Gen. said he testified before a Senate Armed Services subcommittee which is looking into relative positions of the United States and Russia as to air power.

Mr. Eisenhower was asked whether he is concerned about that situation. He replied that he believes we ought to broaden our vision to look at more than one part of the whole picture, but it is not clear."

Referring to Gen. LaMoyn's testimony, Mr. Eisenhower said it is disappointing that some B52 Intercontinental bombers have had to be rejected temporarily because of defects which he said will be corrected.

"But there still is much testimony to the fact that the B52's are the most advanced missile in the world," he said.

Egan Places First On List For Primary

WASHINGTON (AP)—Edward J. Egan of Larchmont was the winner today in a drawing of the names of the order in which the names of the candidates for the Republican primary in the 28th District will be listed on the June 5 primary ballot.

Mr. Egan's name was drawn in the office of the Board of Elections, Mayor Edward J. Dooley of Yonkers was drawn in the second place listing and Benjamin Nields of Riverdale was drawn in the third place listing.

In another drawing Democratic State Committeeman Edward P. O'Neill of Yonkers was placed on the ballot for his contest with City Councilman Eugene M. McGowan, also of Yonkers, for membership on the State Committee for the 1st Assembly District.

Combing The Town

Call To Hong Kong

Through the cooperation of Town Pl. Louis Turco, a member of the United States was cleared up last night for those who King Chin, owner of a laundry at 146 Myrtle Boulevard.

It happened this way: Mr. and Mrs. Chin have a nineteen-year-old daughter living in Hong Kong, and they would like her to join them in the United States.

Pl. Turco, while on duty yesterday morning, learned that King Chin had a telegram requesting the Chinese to contact Hong Kong via telephone. Pl. Turco put in a call, only to find out that the overseas lines from California, to Hong Kong do not open up until 8 P. M.

He stopped back at 8 P. M. when off duty and completed the call. The Chinese were apprised of the fact that an important paper having to do with their daughter's entrance into this country had to be filed as part of the legal proceedings.

The whole matter, including a long wait while the overseas operators were contacted from Hong Kong, took 27 minutes, according to Pl. Turco.

On Ace Drill Team

Cadet Charles Decker, son of M. F. Decker of 604 Oakhurst Avenue, Mamaroneck, was a member of the Dartmouth College AFROTC Honor Flight Drill Team which recently won the New England drill competition at Hartford, Conn.

Cadet Decker, a freshman at Dartmouth, is a 1945 graduate of Bellows High School. He was active in basketball and track.

Fort Knox Graduate

Second Lt. William V. Johnson, son of Mr. and Mrs. R. V. Johnson of 1217 East 11th St., Larchmont, was recently graduated from the officer basic course at the Armed School, Fort Knox, Ky.

The course provides newly commissioned officers with a working knowledge of communications, weapons, and instructor techniques.

Lt. Johnson is a 1955 graduate of Texas A. and M. College of College Station, Texas.

Home For Fortnight

Carl Colasacco, seaman apprentice, USN, nineteen years old, is home from the USS Hancock (CAG-40) for a fortnight. He is a member of the Mamaroneck High School. He was a member of the football and basketball teams. He worked as a carpenter with Joseph L. Larchmont before enlisting in the Navy in February. He will leave for the ship on May 15, for further training at the Naval Air Station, Norfolk, Va., for further training.

Teaches Dentistry

Dr. Anthony Francis Costello, a 1947 Forest Avenue, Larchmont, was appointed assistant professor of dentistry at the University of the Pacific, San Francisco, Calif., where he will teach dentistry in the summer of 1955.

Dr. Costello is a member of the American Dental Association, the New York Academy of Dentistry, and the Academy of Dental Medicine.

He is married to the former Lucie Paganelli of 400 East 11th St., Larchmont. They have three sons, Anthony, Jr., Robert, nine, and a son, David, three.

Army Raises Draft Call

WASHINGTON (AP)—The Army yesterday increased its draft call for 13,000 men in July, 1,000 more than the previously announced quotas for May and June.

Oklahoma Ready To Greet Winners of Science Fairs

WHITE PLAINS—Oklahoma City is getting ready to greet Westchester's Robert Jennings and Diane Sather next Thursday, Friday and Saturday in the biggest get-together of teenage scientists ever held in the Westchester Science Fair.

The two finalists in the first Westchester Science Fair April 29 in the County Center will be among the 200 boys and girls from 109 fairs held coast to coast who will have exhibits in the seventh National Science Fair in Oklahoma City municipal auditorium.

Robert and Diane are being sent to the fair, together with their two science teachers, by the Macy-Westchester newspapers which presented the Westchester Science Fair in cooperation with New York University.

It attracted more than 2,500 students and adult viewers. The sponsors are now planning a second Westchester Science Fair as a three-day event next April 4, 5 and 6.

Robert Jennings, fifteen-year-old son of Mr. and Mrs. Harold E. Jennings of 8 Million Grade student in Roosevelt High School, Yonkers, chose to travel to the National Science Fair by train. He will depart Monday with his adviser, Thomas J. Martin, who lives in North Tarrytown. Robert has been asked to dismantle the model planetarium which brought him first prize,

LOUISVILLE, Ky. (AP)—The Calumet Farm entry of Fastrut and Pinto, Lea. The red devil's ducks were sure to be heavily backed by many because of their past successes. They have been up on five derby winners.

Development Planning Entrusted To 'Three Wise Men'

PARIS (AP)—The NATO Foreign Ministers agreed today to entrust their next moves in the battle of peaceful coexistence to "three wise men," as suggested by the United States.

British sources said the ministers of the North Atlantic Treaty Organization Council endorsed the proposal at a secret session.

A U. S. Secretary of State Dulles made the proposal yesterday in a survey of NATO's future in the political and economic domains, saying the organization should be strengthened in those fields.

British Foreign Secretary Selwyn Lloyd supported the proposal today.

Mr. Lloyd urged the appointment of Canada's Lester B. Pearson, Italy's Gaetano Martino and Norway's Harald Bredemose as the "three wise men" to map out a plan for NATO's development.

The three members of the NATO Council.

The three Foreign Ministers would be asked to work as individuals instead of as representatives of their governments in carrying out the joint plan for bulwarking NATO in the political and economic fields.

Earlier, a five-man ministerial committee met to draft a manifesto estimating NATO's ideas and objectives for the new era of Soviet smiles and economic handshakes aimed at capturing uncommitted millions in Asia, Africa and the Middle East.

The ministers acted on the basis of an appeal from Mr. Dulles to move toward closer political and economic coordination.

The manifesto was expected to be confirmed as an expression of NATO's new line. It was expected to be a Communist challenge on political and economic fronts.

U. S. Proposal Is Endorsed By Ministers

Graham to Get Gas Chamber In Air Killings

DENVER (AP)—Death in Colorado's gas chamber was ordered last night for John B. Graham, twenty-four, who confessed to the slaying of a woman and her three children.

Graham's well-to-do mother, Mrs. Daisie E. King, fifty-five, is expected to appeal the conviction.

Seven men and five women jury deliberated 72 minutes before returning a conviction of first-degree murder in the death of Graham's well-to-do mother, Mrs. Daisie E. King, fifty-five, who was slain with her three children in a gas chamber.

Dist. Judge Joseph M. McDonald had advised they must be executed. Graham's attorney, J. B. Graham, told the jury to deny their verdict. He said he gave them under threats of the FBI. He complained they threatened to arrest his wife for lying and that he gave the statements to protect her.

Graham, father of two, bit his tongue but otherwise showed no emotion as Judge McDonald read the death verdict. He told the jury "I'm innocent."

Three magazines banned.

SHREVEPORT, La. (AP)—Three magazines—Time, Life and Look—were banned today from school libraries of adjoining Bossier Parish because the school board said it objected to the publications' treatment of racial segregation.

Question Of The Week

2 of 3 Express Skepticism On Russia's Bid For Peace

EDITOR'S NOTE—This is the 45th in a Saturday series of short interviews with Mamaroneck and Larchmont residents on issues of the day—local and national. This week's question: "ARE YOU OPTIMISTIC ABOUT RUSSIA'S CURRENT BID FOR PEACE AND FRIENDSHIP?"

NAME ADDRESS

Mrs. Charles McCarthy, 532 Rushmore Avenue—"Not at all." Benjamin Scherer, 805 Stuart Avenue—"I don't think they are in earnest. I wouldn't trust them."

Mrs. Frank A. Wagner, 201 Florence Avenue—"No, I'm not optimistic."

Mrs. Max Heith, 548 North 11th Street—"Yes, I am."

Gerald Greig, 623 Hall Avenue—"It's all very uncertain, but I do believe this is a genuine bid for peace."

James Horton Jr., 129 N. W. Street—"I don't believe it. They have something up their sleeve they're hiding in Korea where they supplied planes and ammunition."

James Kuew, 204 West Avenue—"My feeling toward Russia is not so favorable as it used to be."

Mrs. Irving C. Ludwig Jr., 614 Sylvan Avenue—"Not particularly. I still don't think they can be completely trusted."

Mrs. Daniel E. Mallett, 277 Larchmont Avenue—"I'm inclined to be skeptical about it but would have to wait Wednesday morning to see how it works out."

What a lot of folks want now—less to do, more time to do it in, and more pay for not getting it done.

Derby Favorite's Odds Firm

Most Still Pin Hopes And Cash On Needles

LOUISVILLE, Ky. (AP)—The Kentucky Derby, annually the nation's three-year-old colts and fillies, some time in use.

In the outcome of studies in the atomic energy field which we began in 1952.

Con Ed will build the plant with its own funds—free from government subsidies. It will be located on a 350-acre tract in Buchanan.

Mr. Searing said: "Since March 22, 1955, when we applied to the AEC, we have completed reports to the commission on geology, hydrology and seismology of the site.

"We expect to start work on the foundations of the station this fall and expect to generate electricity some time in 1956."

The plant's ultimate capacity is estimated to be more than 1,000,000 kilowatts, or more than four times the present total of electric demand of all the utility Westchester customers.

"An electric generating station is not built overnight," Mr. Searing said. "Even with conventional fuels it takes years to translate the decision to go ahead into a structure that produces electricity.

"In our approach to atomic energy as a new fuel... we feel we have had considerable experience in adapting new ideas safely and economically for the benefit of the people we serve."

Con Ed will now place orders for the turbine and electrical equipment used in the reactor. Already the AEC has been contacted for an amount of Uranium-235 and thorium sufficient to construct a full-scale reactor core. The elements will be used for zero power tests to verify the calculations and the performance characteristics of the reactor.

This work will be done by Babcock & Wilcox Co., at its Lynchburg, Va., test facility.

The Indian Point plant will be 24 miles north of New York City and 40 miles from Times Square.

Outside the AEC five-year research program which is exploring several reactor designs, there are other utilities which are interested in licenses to build and generate electricity with no government assistance.

It has been estimated that there are more than 150 pending reactor concepts in the planning stages by the Bit Rite Construction Co.

Death Of Shinicky Sparks Seoul Riots

SEOUL (AP)—P. N. Shinicky, sixty-one, died today of a cerebral hemorrhage during a campaign trip to unseat President Syngman Rhee in the May 15 elections. Supporters of the dead candidate later marched on Mr. Rhee's mansion and police fired on the screaming mob. First reports said at least five persons had been wounded.

A crowd of 20,000 supporters waited through a downpour at the Seoul station for the train bringing Mr. Shinicky's body back to the capital. As the train chugged in, they smashed windows of the station and crowded past guards onto the platform.

They joined in singing the Korean national Anthem, then surged out into the streets in a march on the Rhee mansion. The shouting crowd broke through a roadblock about 200 yards in front of Mr. Rhee's home. Then gunfire erupted.

Police said they fired into the air. Eyewitnesses said the police fired directly into the demonstrators. A police spokesman said the

Mobs Storm Rhee Mansion

WASHINGTON (AP)—President Eisenhower yesterday signed legislation authorizing \$10 million for test facilities for atomic-powered airplanes.

The sums are included in a \$295,450,000 Atomic Energy Commission authorization measure. The money must be provided through separate legislation.

The signing of the bill, the President asked Congress for a supplemental appropriation of \$14,200,000 for projects authorized in the measure. There is also available \$138,300,000 from prior appropriations to help finance the projects.

READY TO DEPART FOR THE SEVENTH NATIONAL SCIENCE FAIR

Robert Jennings of 8 Million Grade student in Roosevelt High School, Yonkers, chose to travel to the National Science Fair by train. He will depart Monday with his adviser, Thomas J. Martin, who lives in North Tarrytown. Robert has been asked to dismantle the model planetarium which brought him first prize,

Firemen To Call

Uniformed members of Volunteer Engine and Hose Co. No. 3 will make house-to-house visits in their section tonight and Thursday to solicit support for the annual department fund drive. The fund drive is scheduled from June 29 to July 7 at Harbor Island, it was announced today by Chief John W. Granger.

Every home in the village will be solicited during the next four weeks by members of the various companies.

The careful is the only motivating project of the Mamaroneck department.

Joins Fraternity

William J. O'Connell, son of Mrs. Sophie O'Connell of 437 North Barry Avenue, Mamaroneck, has been inducted into Phi Kappa Phi National Fraternity at Niagara University where he is a member of the ROTC.

A junior at the university, O'Connell was graduated in 1952 from St. Ignace High School, White Plains, where he was active in the golf team.

Sheahan Wins Wings

Second Lt. Donald Patrick Sheahan, son of Mr. and Mrs. Michael Sheahan of 100 Westchester Avenue, Mamaroneck, won his wings at recent graduation ceremonies at Edinboro Air Force Base, Edinboro, Pa.

At Sheahan, a 1949 graduate of Holy Trinity School, Mamaroneck and graduated in 1950 from Blessed Sacrament High School, New Rochelle, attended Niagara University for one year before transferring to the Wharton School of Business, University of Pennsylvania, where he won his diploma in 1954.

He was a member of Sigma Nu Fraternity and the Air Force ROTC at the university and received his commission in aviation.

Carrier Pilot

Marine 2nd Lt. Peter F. Sheehan, son of Mr. and Mrs. J. Sheehan of 340 Frank Avenue, Mamaroneck, qualified as a carrier pilot by completing six landings aboard the light aircraft carrier USS Santee, USS Santee, at the Naval Air Station, San Diego, Calif.

Li Sheehan is a 1950 graduate of Bellows High School where he played on the football team and was graduated in 1954 from Holy Cross College.

He is now undergoing instruction in instrument flying at the Navy's Naval Air Station at Pensacola, Fla.

Safety Patrol

Quentin MacManus, a sixth grade student at St. Ignace School, and Paul Schuchman, son of Mr. and Mrs. Armand MacManus of 14 Hickory Grove, Mamaroneck, have been awarded the distinguished Service Medal of the Automobile Club of New York, Edward J. Rieger, club safety director, announced today.

The medal, which will be presented at a special school ceremony, is being awarded in recognition of the youth's "exceptional alertness and attention to duty" while serving as a safety patrol member at St. Ignace School.

Quentin is a member of the Mamaroneck Boy Scouts and an altar boy at St. John and Paul Church.

Plan For CP Drive

Plans were formulated last night for the Mamaroneck Communist Party drive, at a meeting of committee members held at the home of Mrs. Robert Finkelshtein of Nautilus Lane, Mamaroneck, co-chairman of the Mamaroneck campaign.

Attending were Charles Warren, principal of the Mamaroneck Avenue School and chairman of the campaign, Richard McKelvey, field representative for cerebral palsy, White Plains, Jules Weil, program chairman of the Woman's League of the United Cerebral Palsy Association, Westchester County, and Mrs. Samuel E. Masid, president of Cerebral Palsy, Mamaroneck Chapter.

Also Mrs. Milton Dreyler, Mrs. David Pagan, Mrs. Ellen Berry, Mrs. George W. Brown and Mrs. Barney Heiman.

More Women Needed

More women should serve on the Traffic and Parking Committee "because we are the ones who have to struggle with the traffic problem," Mrs. Richard Finkelshtein said last night at the meeting of the Mamaroneck Village Board.

Her statement followed a report on the reasons for the increase in diagonal parking on various Mamaroneck streets, Committee Chairman Vincent Monte-Sano had presented the move.

Harold V. Bozell, committee chairman, pointed out that there is now one woman on the committee, and urged that "we know up at public hearings."

"That's because you do such a good job it's not necessary," Mrs. Finkelshtein stated.

TODAY'S CHUCKLE

MAMARONECK, N. Y., TUESDAY, MAY 8, 1956

SERVING MAMARONECK AND LARCHMONT SINCE 1925

SEVEN CENTS

Ex-Boy Times

PARIS (AP)—President Tito of Yugoslavia today called for closer links between France and his country "to demonstrate our common will to consolidate peace in the world."

Tito, on a state visit to France spoke at a reception in the gaily decorated Hotel de Ville (Town Hall) of Paris.

"I would like to express our gratitude to your city," he told the audience of the municipal council, "because it has contributed so much to the education of our doctors and our other scientific workers."

"This city is an inspiration for all those who wish to consolidate peace in the world and create an atmosphere of understanding between peoples."

Strict security precautions prevailed as the communist chief of state, Josip Broz Tito, moved between double lines of police. Firemen perched on rooftops along the route closely watching all windows.

French officials said the security measures were taken at the request of the Yugoslavian embassy.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

Nearly complete, unofficial returns gave him a split-rail edge over George F. Mahoney 133,168 to 130,000 votes, Mahoney, Democrat, indicated he might win, but he had a close call.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

G.O.P. Rivals Split On McCarthy

The Eisenhower-Benton farm rates to put the Post Office department on a solid financial basis were favored last night as the three aspirants for the GOP nomination for Congress debated at Midland School in Rye.

The candidates, Mayor Edwin B. Dooley of Mamaroneck, Edward Egan of Larchmont, and Benjamin Neils of Rye, however, expressed some differences of opinion on the censure of Senator McCarthy by the Senate.

The meeting was sponsored by the Republican Club of Rye.

Neils backs McCarthy. He said that it was unjust to set a standard in the McCarthy case "never before applied" and that a "bad precedent" which "curtailed freedom of speech" resulted in Republican leaders backing away from the polls in protest "with the result that a Democratic New York State governor was elected."

Mr. Dooley called Senator McCarthy "heroic and courageous," but felt he would have to "re-view the record before saying if he deserved censure."

Mr. Egan remarked that "it would be the height of effrontery to question the right of the Senate to censure Senator McCarthy." He stated that he thought Senator McCarthy was "guided by emotion and that he did a good job in alerting the public to the danger of communism."

Mr. Dooley reminded his audience that the censure would appear at the meeting, and that petitions were being circulated. However, no one appeared and no petitions were presented.

Diagonal parking in that area, he declared, had created a traffic problem for police and resulted in a number of accidents over the past year. When the committee began its study, the report states, the parking curb had been removed in the area as appeared the action until offset parking lots were established. This has now been done, he reported.

The report further states that the merchants themselves add to the parking troubles by parking their own cars, and urged that all loading and unloading, wherever possible, be done in the rear. The merchants are also urged to devote further parking spaces to their stores wherever this is possible.

It is also pointed out that diagonal parking has been instituted on Park Avenue, adding many of the spaces that parallel parking took away from the main street.

Certainly, if we lived within a few hundred feet of a couple of thousands of feet of where we are, we would not have the report points out, "but we seem to rebel at the thought of parking a car a few hundred feet away."

TYDINGS GAINS MARYLAND NOD

BALTIMORE (AP)—Millard E. Tydings apparently has won a chance to regain his old seat in the Senate from the man who took it from him six years ago. But he had a close call.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

Nearly complete, unofficial returns gave him a split-rail edge over George F. Mahoney 133,168 to 130,000 votes, Mahoney, Democrat, indicated he might win, but he had a close call.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

PAIR INDICTED IN CITY HOLD UP

Ragsdale, Aginar Face Further Counts

WHITE PLAINS—A series of charges were voted by the grand jury yesterday against a pair accused in an alleged New Rochelle home hold-up on April 27.

Vincent T. Ragsdale, twenty-eight, and Antonio F. Aginar, twenty-five, both of New York, were charged with first-degree robbery and burglary and second-degree assault.

Fredrick E. Weeks Jr., Chief Assistant District Attorney, said the pair face additional charges of illegal possession of a weapon if any past records are found for the two, he said, those charges will be included rather than misdemeanors.

The two were charged with taking \$11,000 from a six person hold captive for an hour and a half by two masked gunmen at the home of Mr. and Mrs. Louis Salsbury, 3372 Webster Avenue, New Rochelle.

Mr. Weeks says Ragsdale, also called Carlo Genn, claimed Salsbury owed him some money and that Aginar came along to help collect it.

Salsbury, a Harlem insurance salesman, has a past police record, Mr. Weeks said.

The gunmen slipped out of Salsbury's telephone booth, Salsbury, suspicious when unable to reach his home by telephone from New York City, arrived at the home and saw the gunmen peering in a window. He called police, Mr. Weeks said the gunman surrendered without a struggle to FBI, Anthony J. Capparella.

Youthful Spree Expensive

Vandals To Pay Off In Cash And Sweat

Cash and sweat are the payments extracted by Larchmont, Mamaroneck and the Town of Mamaroneck residents from the six young men who went on a halting spree early Sunday morning and vandalized homes in the three communities before they were waylaid by Town of Mamaroneck police.

Only one mail box was painted with red paint, and that with water paint which the boys have now washed off. He will not press further charges.

However, he warned, it is a serious offense to tamper with mail boxes and fines up to \$1,000 can be assessed. He declared that those who think it funny to drop lighted matches, sticks of dynamite or other things that will better ponder over the fine, which can be augmented by a jail term.

Damage to Signs

Diagonal parking in that area, he declared, had created a traffic problem for police and resulted in a number of accidents over the past year. When the committee began its study, the report states, the parking curb had been removed in the area as appeared the action until offset parking lots were established. This has now been done, he reported.

The report further states that the merchants themselves add to the parking troubles by parking their own cars, and urged that all loading and unloading, wherever possible, be done in the rear. The merchants are also urged to devote further parking spaces to their stores wherever this is possible.

It is also pointed out that diagonal parking has been instituted on Park Avenue, adding many of the spaces that parallel parking took away from the main street.

Certainly, if we lived within a few hundred feet of a couple of thousands of feet of where we are, we would not have the report points out, "but we seem to rebel at the thought of parking a car a few hundred feet away."

Arrangement Called 'Wonderful'

Chatsworth Parking Change Outlined To Village Board

The parking change from diagonal to parallel on Chatsworth Avenue between Palmer and Vanderburgh Avenues "is the most wonderful thing that's been done," Larchmont Village Board Chairman Vincent Monte-Sano declared last night at a meeting of the Village Board after a five-hour session on the subject.

The change had been submitted by Harold V. Bozell, chairman of the Traffic and Parking Committee.

Merchants affected are not so heavy, Mayor John E. Conroy told the Board. He said that he understood a delegation would appear at the meeting, and that petitions were being circulated. However, no one appeared and no petitions were presented.

Diagonal parking in that area, he declared, had created a traffic problem for police and resulted in a number of accidents over the past year. When the committee began its study, the report states, the parking curb had been removed in the area as appeared the action until offset parking lots were established. This has now been done, he reported.

The report further states that the merchants themselves add to the parking troubles by parking their own cars, and urged that all loading and unloading, wherever possible, be done in the rear. The merchants are also urged to devote further parking spaces to their stores wherever this is possible.

It is also pointed out that diagonal parking has been instituted on Park Avenue, adding many of the spaces that parallel parking took away from the main street.

Certainly, if we lived within a few hundred feet of a couple of thousands of feet of where we are, we would not have the report points out, "but we seem to rebel at the thought of parking a car a few hundred feet away."

THE WEATHER

Sunny and cool this afternoon, high temperature about 55. Clear, very cool tonight, low in the 40's. Mostly fair tomorrow, high about 60. Moderate, occasionally fresh, northerly winds this afternoon becoming steady to moderate north to northeasterly tonight and northeast to westerly tomorrow.

Extended Outlook: Increasing cloudiness and warmer Thursday. Mostly fair and cooler Friday.

11:15 A. M. Westchester County Airport temperature 45, yesterday 46, 24-hour high 50; visibility 3/4. Mostly fair tomorrow, high 60, gusts 26 mph. High tide today at 10:11 P. M.; low tide at 10:42 A. M. and 10:26 P. M.

County Hires Staff Of Experts To Fight N. H. Fare Increase

Tito In Paris, Asks Closer Peace Ties

PARIS (AP)—President Tito of Yugoslavia today called for closer links between France and his country "to demonstrate our common will to consolidate peace in the world."

Tito, on a state visit to France spoke at a reception in the gaily decorated Hotel de Ville (Town Hall) of Paris.

"I would like to express our gratitude to your city," he told the audience of the municipal council, "because it has contributed so much to the education of our doctors and our other scientific workers."

"This city is an inspiration for all those who wish to consolidate peace in the world and create an atmosphere of understanding between peoples."

Strict security precautions prevailed as the communist chief of state, Josip Broz Tito, moved between double lines of police. Firemen perched on rooftops along the route closely watching all windows.

French officials said the security measures were taken at the request of the Yugoslavian embassy.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

Nearly complete, unofficial returns gave him a split-rail edge over George F. Mahoney 133,168 to 130,000 votes, Mahoney, Democrat, indicated he might win, but he had a close call.

"I'm a tired boy," the sixty-six-year-old politician veteran confessed early today after satisfying himself he had won yesterday's primary election.

Supervisors Vote Fund To Upset Move

WHITE PLAINS—Westchester was authorized yesterday to hire a special consultant and a rate consultant to assist in the fight to keep a New Haven Railroad from getting a 35 per cent increase in commuter fares.

The action taken by the Board of Supervisors appropriated up to \$12,500 from the present budget for the expert services. County Attorney Harry G. Hermon, who is in the fight to keep a New Haven Railroad from getting a 35 per cent increase in commuter fares.

Boyle To Retire As Police Officer

Lt. Thomas Boyle Lieutenant in Larchmont Served For 26 Years

Lt. Thomas Boyle will retire from the Larchmont Police Department on June 2 after 26 years service, the Larchmont Board last night.

Trustee Vincent Monte-Sano stated that Lt. Boyle should be commended highly for his excellent service and added that "we will certainly miss him."

Trustee Edward White said that he regretted the loss of the lieutenant, adding that "we are losing an excellent man."

Lt. Boyle was born in New York City and was graduated from Mamaroneck High School. While there he was a member of the football team and was one of the charter members of the original Mamaroneck All-Star team.

Upon graduation he went to work for the New Haven Railroad and later worked in the building industry. He joined the police department in March, 1930. On Jan. 20, 1947, he was assigned to the detective bureau. He became a sergeant Feb. 1, 1951, and was promoted to lieutenant April 12, 1951.

He has received two citations for exceptional merit, one for successful gambling investigation in 1946 and the other for an efficient investigation of circumstances surrounding serious damage to Chatsworth Avenue.

On Nov. 15, 1948, the Board awarded him an exceptional merit citation for apprehending a house burglar.

On March 20, 1950, he was given a National Certificate of Merit by the American Red Cross for saving the life of a nine-month-old baby who was choking to death.

The distinction of receiving the first emergency call on the Larchmont police radio system when he answered a call to a person with a severe artery.

He is married to the former Dorothy Henry of New York, and the couple have a daughter, Virginia Laurel, six and a half. The family resides at Chatsworth Gardens Apartments, Larchmont.

Cold Weather Lingers; Record Set

In 1915 they called it the year without a summer. In 1947 they were wondering if this would be a Spring. In 1956 they are calling it the year without a summer.

Peekskill had a low of 31, Pleasantville 32, and the Westchester County Airport at Eye Lake reported a low of 34. By 11 A. M. at the airport, the temperature was 39. Despite a bright sun, winds whipped along at more than 20 mph.

The Weather Bureau indicated there would be about as cold tonight. Fresh, a gale from the northwest, started, shifted at 22 degrees early today. It was 22 in Mamaroneck and 20 in New York City, the mercury dropped to 25.3.

\$2,000 Goal Far Off

Camp Fund Drive Lagging As Gifts Total Only \$449

A slow trickle of contributions is coming into the Camp Fund of the Mamaroneck Health Center with only \$449 received toward the \$2,000 goal, it was announced today by Mrs. D. B. Neuman, chairman of the fund.

The chairman of the fund for 50 boys and girls have been the school nurses on the basis of their physical need. They are residents of the Village of Mamaroneck.

Donations to date include: Mamaroneck Kiwanis Club \$72; Junior League of Larchmont \$72; Mamaroneck Woman's Club \$72; Mrs. Thomas Swamy \$30; Alice Mamaroneck \$20; Mrs. Harold E. Meyers \$18; Ladies Auxiliary David Pitts Jr. Ladies

Combing The Town

293 Takes Qualifier

P. J. John Leonard of the Town of Mamaroneck Police Department yesterday won the annual Qualification Shoot with a 293 score. He and other members of the team won first place today at the Town range in the basement of the Edgewater Avenue Police Station for the Wulfeberg Trophy, won last year by P. Leonard.

Rather Cool For May

Mamaroneck-Larchmont residents may not have been aware of it, but the temperature fell below freezing early this morning. The Westchester Joint Waterworks No. 1 had a 31 degree reading for 8 A. M. The temperature had fallen steadily since midnight when a 36-degree reading was recorded.

County C. P. Kickoff

A talk on an actor's experiences with cerebral palsy given by Neil Hamilton of the Mamaroneck and selected reading by Jeffrey Lynn of stage screen and television, last night featured the kickoff for the 1936 campaign of the United Cerebral Palsy Association of Westchester County at the Harrison Country Club.

Test Run For Trustee

A guest at the Board table last night at the meeting of the Mamaroneck Board of Education was Carl E. Nagel, elected last week to the Board to succeed Vito Lacro, Mr. Nagel's term does not begin until July 1 and he was on hand to get the board's attention to the multifarious duties of a school trustee.

Afternoon Off

Good news for Mamaroneck School District pupils. The Board of Education last night agreed that schools should close at noon on July 7, 1936, as at the end of the usual school day.

They Show Missouriian

A week's report was unfolded last night during a three-way telephone conversation with Mamaroneck resident, a Clinton, Conn. resident, and the head of the Joplin High School music department at Joplin, Mo., who was celebrating his 40th anniversary as department head.

It happened when Mrs. Eliza Woodard of 714 Stuart Avenue, Mamaroneck, arranged with John Beal of Clinton, movie and stage actor, to make the call to Joplin in order to congratulate T. Frank Coulter on his anniversary and to make a speech of tribute, and present a gift to the music teacher, both Mrs. Woodard and Mr. Beal are graduates of the high school and former students of Mr. Coulter's. Engaged in celebrating the 36th anniversary of the Joplin Kiwanis Club, Mr. Coulter was contacted by Mrs. Woodard and Mr. Beal both of whom read tributes from other former students and arranged for the presentation of a silver service from the students.

Marine Leads County Attack In New Haven Rate Fight

WHITE PLAINS—The man who commanded the famed "Mel's Raiders" on two Jims has been hired by the County to assist in the fight against the New Haven Road's proposal to up communication rates by 25 per cent.

Mr. Kluewisch, brigadier general in the U. S. Marine Corps Reserve, is holder of 18 decorations and commendations for military service. He served at Del Norte Wood in 1916 and two Jims in 1915.

GREEKS ATTACK AMERICAN OFFICE IN ATHENS RIOTS

2 Killed, 120 Injured, British Flag Burned In Cypriot Protest

ATHENS, Greece (AP)—Greek mob influence by rioting was following the hanging of two Greek Cypriots attacked the U. S. Information Service office and demonstrated against Britain today in riots which left two killed and 120 injured.

They had burned a British flag in Athens' main square in protest against the execution of the two, convicted of political crimes. Windows of the Information Center were smashed, but police stood off attempts of the rioters to break into the building. Fanned by the wind, the police fired into the air to break up the raid. A first aid station reported 20 policemen attacked, with more pouring in, one unaccounted for, report said, two suffered bullet wounds.

A solid line of police surrounded the U. S. Information Service office in Athens.

Sen. George Won't Ask Re-election

WASHINGTON (AP)—Senator George D. Gair, announced today he would not seek re-election. He said President Eisenhower offered him an appointment as personal representative of the United States to the North Atlantic Treaty Organization.

Mr. Gair, in making his announcement, said he would not resign at the end of his term, but would continue to serve as a member of the Senate.

Livingston Elected By Industry Unit

Richard M. Livingston, president of Mears Radio-Recording Corp., of 287 Mamaroneck Avenue last night was elected chairman of the Industrial Division of the Mamaroneck Chamber of Commerce at a dinner meeting in the Orietta Beach Club.

He succeeds Robert C. Blackwood, who recently resigned and who received high tribute for his leadership from E. A. Mason of the Technical Material Corp. Mr. Blackwood was tendered a rousing vote of thanks.

The Livingston, the new chairman, has been a member of Mamaroneck for five years, coming here from Highland Park, Ill.

Market Higher

NEW YORK (AP)—The stock market was quietly higher today in early dealings with most areas of the market participating in the modest rise.

THE WEATHER

Mostly sunny, high increasing to the 80s. Mostly fair to night, low in the 40s. Increasing cloudiness tomorrow followed by showers, and a few thunderstorms, high around 70. Moderate to fresh southerly winds this afternoon becoming south to southeasterly and increasing to fresh tonight. Fresh to strong southeasterly tomorrow.

Highs today at 10:36 P.M. tomorrow at 11:28 A.M. and 11:42 P.M.

Governor Harriman, seated next to T. Garrity, standing left, and Miss Maryann Garrity, standing right, at a dinner given by the Democratic County Committee at Glen Island Casino, New Rochelle, last night.

Parley On Schools

The public is invited to attend a meeting at 8:30 p. m. Monday at the Rye Neck Citizens Advisory Committee in the library at Bellows Falls School. Mrs. Violet J. Fink, secretary, announced today.

The committee, headed by William C. Fritz Jr., has been asked by the Rye Neck School Board to discuss a supplementary school-building program which the Board has worked out.

The citizens committee was appointed by the Board a year and a half ago to study the needs of the school system and recommend new construction to solve the problem of the growing district. After an ungodly number of meetings, the committee recommended a \$1.8 million bond issue which was subsequently approved by voters of the district. Twice before, they had turned down a \$2.1 million issue.

\$7,500 Report Prepared

Airport Of Tomorrow Planned For County

WHITE PLAINS—A proposed "master plan" for long-range development of Westchester County Airport, including erection of a modern, 30,000-square-foot terminal building on the south end of the field, is being studied by county officials. Aerial raising of the existing terminal and its replacement with an administration building having access to the Cross Westchester Expressway are among the major improvements recommended, according to County Executive James D. Hopkins.

The \$7,500 master plan report was prepared by James C. Buckley in a report to the County Board of Supervisors. The report also includes a study of the airport's location, its expansion and transportation facilities.

Mr. Hopkins said the consultants' findings and recommendations will be reviewed by the Board of Supervisors. The County Board of Supervisors will then decide whether to accept the report.

Combing The Town

Town Council Agenda

The dice along Homestead Road, widening and paving of Maxwell Street, two applications for zoning changes at Larchmont Acres Apartments are among the matters to be brought tomorrow before the Mamaroneck Town Council.

Also on the agenda are the closing of the town offices on Saturdays, appointment of a Board of Assessment Review, and the subject of police sergeants' examinations. Chief Paul Yercik will ask permission to sell an extra motorcycle.

The balance of the agenda is made up of the usual reports of the supervisor, councilmen, clerk and attorney.

Firemen To Visit

Volunteer firemen of the Halstead Manor Fire Co. will visit homes in the city tonight and Thursday seeking support for the annual departmental carnival to be held on August 7 at Harbor Island. It was announced today by Chief John W. Crabb.

The solicitation will continue in other sections over the next two weeks.

Proceeds from the carnival go toward welfare projects sponsored by the department and for expenses of the various companies. It is the only non-raising venture of the volunteer company.

To Go To Elmira

Bob B. Woolley of 49 Mayhew Avenue, Larchmont, Westchester County Fire Coordinator will be among the 49 County Fire Coordinators attending the May 24-25 conference at Elmira, it was announced today by Michael H. Prendergast, director of the New York State Division of Safety.

Mr. Woolley is responsible for training mutual aid and civil defense activities which pertain to fire protection.

Ted Off At Town

The Town of Mamaroneck was challenged last night at the Mamaroneck Village Board meeting by a Rye Neck resident who scored the Town's assumption that the champion golfer in the area is determined at the Town Golf Tournament.

"What about Rye Neck golfers?" spoke up Eugene McCann of 443 Halstead Avenue. "We live in the Village of Mamaroneck and yet we can't compete in the tournament."

"We ought," he said, "to form a city and cut out of the Town."

"What grates me," he concluded, "is that the winner of the tournament is called the champion of the Town of Mamaroneck and the Village too."

Summer Schedule

The Mamaroneck Village Board last night resolved to hold once monthly summer meetings on June 23, July 23, Aug. 27, and Sept. 24.

Bimonthly meetings will again go into effect in October, the Board decreed.

Eden Is Firm On Frogman, Sature Rises

LONDON (AP)—Prime Minister Sir Anthony Eden's firm refusal to let Parliament all the facts about British relations with the Kremlin might be damaged, a spokesman today appeared to have increased his stature as Britain's leader.

A full-scale House of Commons debate on the case ended last night with the Labor opposition defeated 316-229 in a technical move to ensure the debate.

The Prime Minister indicated clearly Britain's relations with the Kremlin might be damaged if he told more about the disappearance of retired Naval Cmdr. Lionel Crabb.

Mr. Crabb was last seen skimming in Portsmouth harbor, near the Soviet cruiser which brought Premier Bulganin and Nikita Khrushchev to Britain. The British press and public and the Russians generally believe he was on a spying mission that went wrong.

The 87-vote majority with which the Conservatives beat back the Labor censure motion was one indication that Sir Anthony's stock had risen. Normally Conservatives command only about a 60-vote majority in the House.

The Conservatives scored a similar victory earlier last night, defeating by a 76-vote margin another Labor motion attacking the government's conduct of the campaign in Cyprus against rebels seeking union of that British island colony with Greece.

THE WEATHER

Cloudiness increasing later this afternoon, working into some rain tonight, ending early tomorrow and then clearing by tomorrow afternoon. Comfortable temperatures, mostly in the 60's to 70's tonight, 60's to 70's tomorrow, 50's to 60's tomorrow in the 60's.

Extended Outlook: Thursday, fair with seasonal temperatures. Friday, fair and slightly warmer.

11:15 A. M. Westchester County Airport temperature 64, yesterday's 63, 24-hour high 66, today's 65, mid-afternoon low 59, high tomorrow in the 60's.

High tide today at 3:56 P.M., tomorrow at 4:19 A.M. and 5:13 P.M.

MAMARONECK, N. Y., TUESDAY, MAY 15, 1956

Johnson Reports:

Parking Dominated By Out-Of-Towners

Proof that more out-of-town motorists are parking on the Mamaroneck Village Board's recommendations for other meter or decal policies of the lots were offered last night to the Mamaroneck Village Board presented by Village Manager William H. Johnson.

The March 12-16 report indicates that a total of 1,139 non-residents use the six railroad parking lots as against 822 Mamaroneck residents.

Mr. Johnson also presented a report for an additional railroad parking lot on the southern side of the tracks between Mamaroneck Avenue and Freeman Road which would hold 180 cars.

Business Area Lots
Also contained in the report was a survey of potential business area parking in which was proposed additional lands, a series of lots in the Mamaroneck Avenue-East Prospect Avenue area which would hold a total of 162 cars.

Also contained in the report was a survey of potential business area parking in which was proposed additional lands, a series of lots in the Mamaroneck Avenue-East Prospect Avenue area which would hold a total of 162 cars.

The report breaks down the proposed uses of each lot in the following manner:

The Playhouse parking area behind the theater with an exit to the street is restricted now to theater patrons only. It has a 45-car capacity.

Decals are recommended for the Ward Avenue-Halstead Avenue 57-car capacity lot, and for the Ward Avenue-Spencer Place area with a capacity for 52 cars.

Decals are recommended for the 150-car Jefferson Avenue parking area at Station Plaza and for the non-residents meters are recommended also for the 23-car Van Ranss Place lot.

No restrictions apply to the Prospect Avenue spaces in front of the Hall of Commerce, Elm Street parking area which, with Johnson Avenue, handles 58 cars.

Decals At Station
Decals are recommended for the 36-car Van Ranss Place lot.

EXAMINING WRECKAGE
The wreckage of a plane crashed in a field near the railroad station was being examined today by police and other officials.

The plane, a twin-engine propeller-driven aircraft, was found in a field near the railroad station. The wreckage was scattered over a large area, and the cause of the crash is still under investigation.

The plane was seen in the sky on Monday afternoon and crashed in a field near the railroad station. The pilot was not seen at the scene.

25 Of 70 Killed Drank Alcohol, Death Ride In County

Alcohol was found last night in the blood stream of at least 25 of 70 persons who died in traffic accidents in Westchester County.

The figures were contained in a report of 1955 made by Dr. Edward J. Egan of Larchmont, county medical examiner.

The report shows that 25 of the 70 persons who died in traffic accidents last year had alcohol in their blood stream. The average amount of alcohol found in the blood stream was .08 per cent.

'Friendly Bet' Offered Motley Lacks A Vote, Bradshaw Charges

One of the leading backers of loyal men and women are now being criticized by a man who failed to register and vote in the 26th District.

Mr. Bradshaw charged that Mr. Motley had a "friendly bet" offered to him by the 26th District.

Mr. Bradshaw said that Mr. Motley had a "friendly bet" offered to him by the 26th District. He said that Mr. Motley had a "friendly bet" offered to him by the 26th District.

Nields Presents Aims In 10-Point Program

Economy in government and lower income taxes will be his object, Benjamin Nields of Five Minn., senatorial candidate for the Republican Party, pledged yesterday in a speech at the opening of his campaign headquarters.

Mr. Nields promised full support for the Administration of President Eisenhower and announced that he would support the state's share of the cost of the expressway.

White Plains Section Plan On Expressway Confirmed As Near

ALBANY—Design plans for the \$12 million White Plains section of the Cross-Westchester Expressway will be ready July 1, it was announced today by State Superintendent of Public Works, announced today.

Mr. Johnson confirmed reports that Charles H. Seals of Pleasantville, design consultant for the project to link the New York and New Jersey Turnpike, has informed him the plans will be ready at that time.

Kids, Don't Miss The Fun Of A Free Want Ad

Boys and girls, if you haven't experienced the wonderful fun of writing a Free Want Ad, don't miss the fun of writing one today. Write your ad on our special form and send it to the office of the newspaper. You'll get a free copy of our newspaper.

The office job is estimated to cost from \$400 to \$500 million. There is some question as to how and when funds will become available for the whole job or even for the White Plains section.

Lt. Stone Meets Death
After Training Flight
In Mediterranean

LA. (AP) Albert James Stone, 3d of 19 Hall Avenue, Larchmont, was fatally injured in an air crash in the Mediterranean Saturday, according to a report received today by the Associated Press from the Navy Department.

DULLES SEES NO APPRECIABLE CUT IN RUSSIAN ARMY

Soviet Action No Basis
For Reduction In U. S.
Strength, He says

WASHINGTON (AP)—Secretary of State Dulles said today Russia's proposed armed forces cut would not appreciably affect the military power. But he said the United States welcomes it insofar as it indicates a policy of abstaining from the use of violence in international relations.

OUR CUT 9 MILLION

Anyways, Mr. Dulles reminded, this country has cut its forces by more than nine million men since World War II—from a level of 12,300,000 to less than 3,900,000.

"The United States," Mr. Dulles said in a comment volunteered at the outset of his weekly meeting with reporters, "welcomes the Soviet announcement of its intention to reduce its armed forces by 1,200,000 men within the next year. If this proves to be evidence of an intent to forego the use of force in international affairs."

ARMY CUT GAINED EASIEST

The easiest place they could cut, he said, was in the manpower of their armed forces.

Mr. Dulles said that in fact he would rather have the Russians standing around doing guard duty than making atomic bombs.

INDIANA CRASH KILLS SEVERAL

JEFFERSONVILLE, Ind. (AP)—State Police said a transport plane crashed four miles east of here this morning, killing several persons. No other details were available immediately.

Wins Scholarship

Miss Elizabeth Phillips, daughter of Mr. and Mrs. Everett Phillips of the University Club of Mamaroneck, has been awarded a \$400 scholarship by the University Club of Mamaroneck. It was announced today.

Miss Phillips, a Bellows High School senior, was granted the award "in recognition of a splendid record as well as the high personal regard in which we all hold you," according to a letter from D. Volz, secretary of the University Club scholarship committee.

A member of the National Honor Society at Bellows, Miss Phillips is also on the staff of the student observer and the yearbook. A member of the Liberty Squad, and Typing Club, Red Cross representative, she was captain of the senior play, and has been active in intramural sports.

She expects to matriculate at either Syracuse or Duke University.

Miss Phillips has been asked to meet on June 12 with the board of governors of the University Club at the home of David Chisholm, at which time she will be asked to give the address of the senior play, and to have a record of her comments and observations will be made.

Harbor Island Tabs

Sale of resident and nonresident tickets to Harbor Island Beach, Mamaroneck, opened yesterday at the Municipal Building. Village Manager William H. Johnson said today.

Mr. Johnson pointed out that only 300 tickets are available for nonresidents, with preference given to the Town and Larchmont. He stated that these 300 rapidly and urged those who wish to go promptly to the Municipal Building, or write.

"When these are gone," he added, "there are no more."

Miss Wicker Sailed

Charlotte Wicker, daughter of the Village of Mamaroneck, yesterday completed 25 years of service to the Village as a volunteer flower girl at a ceremony attended by all Village Hall employees.

The employees also said goodbye to Henry Fusillo of the engineer's office who lives at the village for private employment.

Miss Wicker, who lives at Carvery Court Apartments, was one of the first employees appointed by Mamaroneck's first village manager, Arthur E. Richards, who later became Larchmont Village engineer. She also served as secretary to the late village manager, Raymond J. White.

The flowers were presented by Village Manager William H. Johnson on behalf of the employees.

Promoted in Germany

First Lt. Gerald T. Roberts, son of Mr. and Mrs. John A. Roberts of 48 Kane Avenue, Larchmont, was promoted to second lieutenant while stationed with the 370th Army Infantry Battalion attached to the 11th Airborne Division in Germany.

A 1930 graduate of Blessed Sacrament High School, Lt. Roberts was graduated in 1934 from Niagara University where he was commissioned a second lieutenant. He trained at Fort Meade, Md., and Fort Benning, Ga., before going to Germany in March, 1955.

THE WEATHER

Some sunshine this afternoon with temperature rising to 70. Fair tonight and tomorrow; low in the 40s, high tomorrow in the 60s. Fresh west to northwest winds this afternoon and tonight, becoming moderate west to southwest tomorrow.

Extended Forecast: Partly cloudy and warmer Friday with slight chance of a few showers. Mostly fair and warm Saturday.

11:15 A. M. Westchester County Airport temperature 58; yesterday's 64, 24-hour high 71; visibility 4 miles; winds west south west at 10 mph. High tide today at 5:13 P. M. tomorrow at 5:19 A. M. and 6:31 P. M.

15 Die As Jet Plane Rockets Into Catholic Nuns Rest Home

OTTAWA (AP) — A Canadian jet fighter, ordered aloft on an interception mission that proved a false alarm, rocketed from a six-mile altitude into a Roman Catholic nuns' rest home last night and left 15 persons dead or missing.

Paid from the broken lines of the 17-ton CP-107 twin jet craft swept across the three-story brick structure the instant it hit, much like a guided missile, and fed a deadly inferno.

Most of the victims were aged and bedridden nuns. Others were the fighter's two-man crew, a priest and a woman cook employed at the home, operated by the Grey Nuns of the Cross along the Ottawa River, seven miles east of Ottawa.

Alcohol Found In Blood Of Death Driver

THE driver of the car in which two persons were killed early Sunday on Westchester Avenue, White Plains, had 21 percent alcohol in his blood just after the accident, the County Laboratory report, considered sufficient to cause intoxication is .15 percent.

Immediately after the accident Raymond Anthony Burke Jr., 25, was given a breathalyzer test. Eleven nuns, ranging in age from twenty-one to seventy-seven, were given up as dead.

Death Penalty Possible Holdup, Kidnap Trial On For John, Tateo

NEW YORK (AP) — Opening statements by prosecution and defense start today's session of the federal court trial of two men charged with bank robbery and kidnaping in Port Chester.

The defendants are Angelo P. John, thirty-three, of 121 North Broadway, White Plains, and Rocco Frank Tateo, thirty-two, of 190 East 42nd Street, the Bronx.

A jury of eight men and four women, along with three alternates, was chosen yesterday before Judge Gregory F. Noonan.

The foreman is Murray B. Telford, 1561 Longfellow Avenue, the Bronx, a telephone company switchman.

John and Tateo are charged with the \$18,785 robbery of the Port Chester drive-in bank March 27.

The state charges that a bank teller, Mrs. Mary Kostolik, fifty-two, of 291 Irving Avenue, Port Chester, was kidnaped and forced to open the bank door.

Addressing the panel of prospective jurors, the judge said the government did not ask a death penalty on the kidnaping count, but he added: "Nevertheless, if the jury finds these men guilty on the kidnaping count, it may direct the death penalty."

A third man, Arthur L. Paisner, thirty-three, of 2010 Montrose Avenue, the Bronx, pleaded guilty to the robbery charge on May 4 and was to have been sentenced yesterday. But sentencing was postponed and Paisner was granted a separate trial on the kidnaping charge.

John, Tateo, and Paisner are charged also with robbing the Mount Vernon branch of the County Trust Co. of \$7,363 in September, 1954. They have not yet been tried on that indictment.

Junior High School Wing Wins Approval Of Rye Neck Panel

President Outscores Kefauver By 2 To 1

OMAHA (AP) — President Eisenhower outscored Senator Kefauver, D. Tenn., nearly two to one yesterday on the basis of such incomplete returns from Nebraska presidential preference primary election.

It was about par for Nebraska's political course, and Democrats looking for signs of a rural revolt against Administration farm policies got little cause for encouragement here.

Neither the Republican Chief Executive nor the Tennessee Democrat was opposed on his party's ballot. Write-ins were permitted, but their numbers proved inconsequential.

Unofficial returns from 1,508 of 2,127 precincts gave Mr. Eisenhower 67.26, Mr. Kefauver 39.77, in percentages, that's about 6 to 3.

In the 1952 Nebraska primary, Republican balloters outnumbered Democrats about 60 to 40. Two years ago the GOP margin swelled to 67 to 33.

Write-ins for Adlai Stevenson and Averell Harriman siphoned some votes from Mr. Kefauver but only a sprinkling of write-ins showed up on the Republican ticket.

Most observers figured that farmer discontent, if strong enough in the state, might show in a switch from Republican to Democratic ballots.

The Rye Neck Citizens Advisory Committee last night by a vote of 12 to 0 approved a Board of Education suggestion that a junior high school wing be immediately constructed at a cost of \$340,300, on the senior high school planned for the Palmer track.

The new construction would be in addition to the \$1.55 million senior high school now in its final planning stages and would entail a new bond issue of \$340,300.

The proposal has not yet been officially acted upon by the Board of Education, but since the suggestion was unanimously made to the committee by the Board it is a practical certainty that at next Monday's meeting of the Board it will be passed and dates set for a public meeting, restriction, and a referendum. George Garfunkel, Board president, indicated that these dates will be set as quickly as possible and that meeting, restriction and referendum would probably all be held next month.

RHEE REELECTED IN SOUTH KOREA

Margin Far Below 1952 Lead In Poll

SEOUL (AP) — Doughty old Syngman Rhee won his expected third term as South Korea's president today but strong opposition cut his vote to only about 55 per cent of the total ballots cast.

The eighty-one-year-old conservative, South Korea's only president since the republic was established in 1948, polled 73 per cent of the total vote in the 1952 election.

In the separate vice presidential ballots Mr. Rhee's running mate, Lee Ki Poong, was trailing Democratic Party candidate Chang Myun, a former ambassador to the United States. However, Mr. Lee was still given a good chance to pull ahead in the rural counties.

Because of Mr. Rhee's age many politicians think the next vice president may turn out to be the old man's presidential heir.

Mr. Rhee piled up a big lead in the country districts. In the big cities of Seoul and Taegu he trailed the combined total of his opponents—a dead man and former Communist—and ran a poor second in the capital.

With nearly 85 per cent of the ballots from yesterday's election counted, unofficial returns gave Mr. Rhee 4,824,725. His living opponent on the three-man ballot, reformer Comptrol Cho Bong Am, polled 1,949,013.

Patrick Henry Shinkley, Democratic Party candidate who died of a cerebral hemorrhage May 5, was the choice of most of the 1,242,656 ballots declared invalid because of sliver production for the industry this year.

ADRIAN ROLLINI DIES IN FLORIDA

Mystery Veils Death Of Ex-Larchmonter

Adrian Rollini, fifty-one, of 17 Kent Street, New York, and Driftwood Lake, Tavernier, Fla., former resident of 16 Summit Avenue, Larchmont, died yesterday of complications following mysterious injuries sustained about two weeks ago. He had been unconscious for 10 days at James Archer Smith Hospital in Homestead, Fla.

A medical examiner said that he heard of pneumonia and complications that included liver trouble.

He is famed to maestro and well-known radio and night club figure. Mr. Rollini had owned a radio for many years and had spent much of his time there when not filling professional engagements. On April 25 he was found there in a parked automobile with his right foot almost severed and suffering other injuries. His car was reported unsevered and police have advanced no explanation.

Mr. Rollini was well known for his radio work. See Page 2—ROLLINI

U. N. Uses Moral Force Only, Bunche Tells MHS Assembly

The United Nations is not a world government, makes no pretense to be, nor has it aspirations to become a supernational government, Dr. Ralph Johnson Bunche, principal director of the Department of Trusteeship of the United Nations and Under Secretary of the U. N., this morning, in answer to questions at an overflow assembly audience of students at the Mamaroneck Senior High School.

The UN, he said, "works through the sanction of public opinion and makes use of moral force only."

Dr. Bunche, who was the recipient of the 1950 Nobel Peace Prize for his work in effecting peace between the Arabs and Israelis in 1949, answered questions put forth by a panel of five students following a brief talk.

Stresses High School

He emphasized the importance of high school training for participation in both community and national affairs, pointing particularly to his own high school studies as being among the most important in his career as a scholar, and in his work in international relations.

Members of the student panel were Sandra Germond, Michael Butts, Sarah Belchick, Kirk Bunnell, Peter Levin, Mark Bloom, and Martin Carver.

On the Israel-Arab question, Dr. Bunche replied in answer to questions, that the situation in the Near East had been allowed to develop. See Page 2—BUNCHE

ceremony have tended to halt. Side by side, the Barker and the Quaker Cemetery, right, have been the scene of much vandalism and respect through the years. In the Barker Cemetery picture can be seen some of the tombstones which have been desecrated. In the far corner of the Quaker Cemetery, resting for such diverse materials as last year's Christmas trees and the mattress which somebody maddishly placed next to a grave. According to Mr. William Harvey Smith of 53 Edgewood Avenue, Larchmont, the Quaker Cemetery property was once owned by Samuel Palmer who, in 1752, left the land to his sons. Mr. Smith owns the deed by which the property was turned over both "for a meeting place of a people called Quakers," and "for the use of a burying ground for them."

which are unmarked. The Barker family were also early settlers in this area, having been housed at an intersection of Hommocks Road and the Boston Post Road in international relations. Members of the student panel

Combing The Town

List For Beach Tabs

If it is a case of fair play, first served for tickets to Harbor Island Beach in Mamaroneck, but those coming for the first time must wait a bit for their tickets, Village Manager William H. Johnson explained today.

The question arose yesterday when a Town resident reported that she had gone to the beach office in the Municipal Building, but was told that, since the weather was so hot, she would have to wait for the first time, she would have to wait for the first time.

Mr. Johnson explained that a preference is given those who have previously held beach tickets, then the remaining tabs are issued to those on the list until the number of tickets available runs out. The chances are excellent, he added, that the person who called will get a ticket to the beach because there is a large turnover every year.

It is necessary, however, Mr. Johnson added, that the applicants submit a letter requesting tickets. The list of new applicants is made up of a firm of re-served basins from last list.

So Billy Makes News

Billy Buxton, twelve, of 189 Maple Avenue, Mamaroneck, is a newspaper boy for The Daily Times.

Billy is also a very honest young man.

Yesterday afternoon while delivering he found a wallet containing a sum of money, but no identification. He turned it in promptly to the Mamaroneck police, who are holding it until the owner shows up.

Billy was complimented for his honesty by the police, and it is hoped that the owner of the wallet will take time to go out on his way to do so.

Hound Upstages Wolf

Nothing can upset a real actor, not even the unexpected appearance of a wolfhound when the actor, playing the part of The Wolf in a Freeway play, is preparing to get into bed.

This happened last night during the presentation of the play at the Mamaroneck Avenue School of a three-act musical play written entirely in French and titled "The Wolf and the Lamb" (Little Red Riding Hood, to most of us).

At young Tony Curtis' last as The Wolf, was hopping into bed during the third act, the finest wolfhound walked the stage. The audience roared with laughter, but young Tony, unperturbed, went on with his show as though the animal's presence were a serious matter. He admitted afterwards, though, that he was annoyed that the beast was trying to steal the show.

Air Pilot Top

Air Force Capt. Frank L. Strickland, son of Mr. and Mrs. Jack I. Strickland, 1505 Westchester Avenue, Mamaroneck, of the 8th Air Force, was promoted to Pilot-of-the-Month for April by the 1st Strategic Reconnaissance Wing.

Capt. Strickland was recently involved at the Larson Air Force Base, Wash., in a situation that could easily have resulted in a major accident. The air-speed indicator of his airplane was inoperative when he was airborne, but he was able to land the plane safely without having another airplane in his wing and inform him continuously of his airspeed.

A 1942 graduate of White Plains High School, Capt. Strickland entered the Air Force in February, 1943, and was overseas with the 8th Air Force as a B-24 pilot. He had 35 missions over Germany, and was associated with the A & P Stores, New Rochelle, for a few years after discharge in 1945. He entered the service in 1951.

He will be visiting with his parents within the next two weeks while on leave from Larson AFB.

MIS Rates High

Twenty-five Mamaroneck High School seniors will have been bearing from ear to ear today, for that number received acceptances for Fall admission to Yassar, Mount Holyoke, Smith and Wellesley Colleges and Yale University.

The announcements were made this morning by Dr. Joseph C. McLean, principal.

All nine Yassar applicants received acceptances; six out of seven Mount Holyoke applicants were accepted; four out of seven applicants on the waiting list; two out of five Wellesley applicants were accepted; and five out of five Yale applicants were notified affirmatively.

A mighty nine batting average!

Formosa Raps Egypt

TAIPEI, Formosa (AP) — A nationalist spokesman said today Egypt's recognition of Red China violates the spirit of the United Nations charter.

He said that Egypt's recognition of Red China is a "betrayal of the principles of the United Nations charter."

The spokesman said that Egypt's recognition of Red China is a "betrayal of the principles of the United Nations charter."

THE WEATHER

Clouds breaking with some sunshine and increasing temperature in the middle 60s. Mostly fair tonight, low ranging from the upper 50s to the lower 60s. Some cloudiness with a slight chance of light rain tomorrow afternoon, high in the 60s.

Extended Outlook: Fair Sunday, mostly fair Monday, and a very little change in temperature.

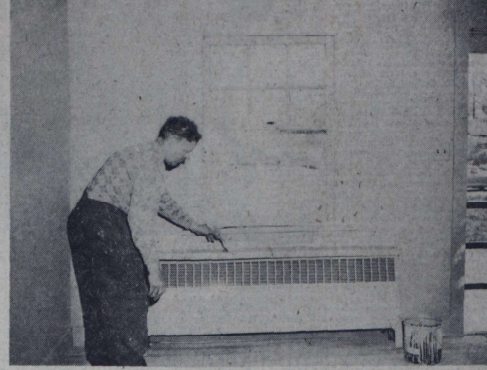

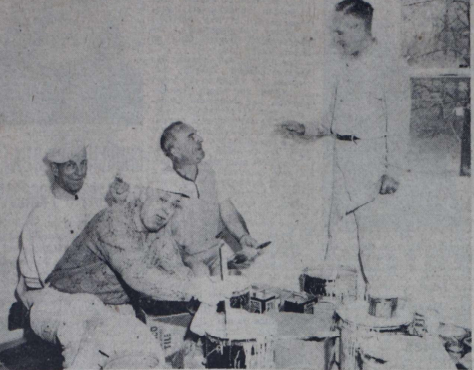

11:35 A. M. Westchester County Airport temperature 47; yesterday's 48, 24-hour high 52; visibility 7 miles, wind southeast at 4 mph.

High tides today at 7:45 P. M. and 8:15 A. M. and 8:45 P. M.

AGREEMENT ENDS STRIKE AT SIERRA

Workers at Mamaroneck Firm Win 15-Cent Raise

Settlement of a three-week-old strike at the Albert E. Sierra Co., 320 Mamaroneck Avenue, Mamaroneck, came yesterday with an agreement between the International Brotherhood of Electrical Workers, Local 1753, White Plains, and the company. The agreement, which was signed in the offices of J. Raymond Govern, union general counsel.

The strike which began April 15, was called over union demands for a 15-cent hourly raise for each employee, plus fringe benefits and the right of the union to represent the employees.

Maintenance Outbacks Blamed; Patience Urged By Commuters

Maintenance Funds Cut

NEW YORK (AP)—The New York Public Service Commission says the New Haven Railroad is trying to overcome criticisms of its passenger service and "should be given reasonable opportunity and time to accomplish its objectives."

The PSC investigated the railroad's operations in response to complaints from passengers.

In an interim report, the commission blamed a heavy cutback in maintenance and expenditures for service failures that aroused the complaints.

The report said, however, the difficulties "evidently induced the railroad to try to correct the New Haven to launch a series of major policy changes designed to improve service."

The number of maintenance workers "dropped from an average of 7,915 in 1953 to 6,705 in 1954."

The commission said the rolling stock was "maintained in safe operating condition."

But the cutbacks since the end of 1953 contributed to delays in service.

Patrick B. McGinnis won control of the railroad from Frederick D. McKim, Jr. in the Spring of 1954 and, in turn, was succeeded by George Albert last Jan. 20.

Expand Supervisors' Powers, Moore Asks In WCA Address

By JAMES A. WOODWORTH HARRISON

Expanding the legislative powers of county Boards of Supervisors was advocated last night by Frank E. Moore, former State Lieutenant Governor and Commissioner of the State Education Department.

Mr. Moore, speaking at the annual meeting of the Westchester County Association at the Westchester County Club, said that the county Board of Supervisors is "the most important body in the county and that it should be given more power to deal with the problems of the county."

He said that the county Board of Supervisors should be given the power to levy taxes, to issue bonds, and to make contracts. He also said that the county Board of Supervisors should be given the power to appoint and remove county officers.

2 Lost Nerve But Not Loot, Says Paisner

Pistol Called Toy

NEW YORK (AP) — An admitted bank robber was acquitted yesterday of charges that he had stolen a pistol and a briefcase from a woman in the Bronx. The woman, who was identified as Mrs. Mary Kostolos, 115-17th Street, East River, said she had been robbed by the man, who was identified as Arthur L. Paisner, thirty-three, of 121 North Broadway, White Plains.

The man was charged with kidnaping during the crime. Paisner was granted a separate trial on the kidnaping charge and sentenced to three years in prison. The robbery charge was postponed on his guilty plea to the robbery charge.

Mrs. Mary Kostolos, fifty-two, a teacher at the bank, was kidnaped near her home at 381 Irving Avenue, River Crest, on the night of March 1 and was forced to open the bank door early on March 2.

Paisner testified that he and Kate followed Mrs. Kostolos' car as it entered her garage and forced themselves into the vehicle on each side of her with Paisner taking the driver's seat and brandishing a toy pistol. "I looked like an auto mechanic," he said.

He said that after he drove the car to the bank, he saw Mrs. Kostolos in the car. She said she had mistakenly thought Mrs. Kostolos was an officer of the bank, but they knew she was not.

Paisner said that at about 8:45 P. M., when they were about three blocks from the bank, John's car came up from the rear and Paisner saw Mrs. Kostolos' car and walked over to John.

It told him that he got the key, but she wasn't a bank manager, and John said he was going home and I believe he went home," Paisner said.

Paisner testified that he returned to the Kostolos car and had the teller said she wasn't feeling well.

Woman Let Out of Car

Paisner continued: "I went to a nice gas station and had a rest room, and I let her go to the rest room. After that she came back and we got in the car. Then I told her I was crazy, that I shouldn't stop it."

Even With Bigger Surplus Tax Slash Possible, Doubtful To Rayburn

WASHINGTON (AP) — House Speaker Rayburn, D. Texas, said today he regards a 1956 tax cut as "a possibility but not a probability" even though the prospective mid-year surplus has been boosted by more than \$1.5 billion.

That seemed the consensus among other congressional leaders in the wake of Treasury Secretary Humphrey's announcement last night that the 30 federal surplus is now estimated at \$1.8 billion. The last previous record was \$230 million in January, when \$230 million.

Key members of both parties on the House Ways and Means Committee, which initiates tax legislation, for the most part supported Humphrey's announcement for applying any surplus to paying off the national debt.

Democratic leaders, however, were keeping a sharp eye on the fiscal savings of the Eisenhower Administration.

Red Baptists Open Flow of Clergy to U.S.

NEW YORK (AP) — Religious leaders from Russia and the United States became a two-way street, starting today.

The Baptist leaders arrived here in the first such mission to this country since 1924.

They'll be repaying a call. Baptist leaders from the United States were guests in Russia last August.

The Baptist delegation is the curtain-raiser for a more widely representative Russian religious party coming next month.

This second nine-member group, led by Metropolitan Nicolai of the Russian orthodox church, will include high-ranking leaders of all major bodies of religion in Russia.

They'll arrive June 2 at the invitation of the National Council of Churches.

Stevenson, Kefauver Clash In Oregon Vote

PORTLAND, Ore. (AP)—Adlai Stevenson and Senator Estes Kefauver placed their Presidential hopes before Oregon Democrats today in the far west's first primary election.

The big question for Republicans was whether they wanted former Interior Secretary McKay or Hunting Bill Hitchcock for their nominee to take on Democratic Senator Wayne Morse in the Fall.

Four Dozen Young Drivers Sign Up For Town Road-E-O

An entry list of 48 high schoolers on hand indicates the third straight year, P. I. James Mancusi of the Town of Mamaroneck, Police Department general chairman, reported today. This is already two years ago, he pointed out.

The event, in which inexperienced drivers test their driving skills over an obstacle course in cars provided by local dealers, is sponsored by the Mamaroneck High School P.T.S.A., Represented by Mrs. Arthur D. Greenstein, 24 Rock Ridge Road, The Road-E-O has no element of speed in

ZONERS APPROVE APARTMENT PLAN

Three Buildings To Go Up On East Post Road

Three apartment buildings, one with ground-floor professional suites, will rise on the former Maurice property on the East Post Road near the Mamaroneck Methodist Church as the result of conditional approval announced last week by the Mamaroneck Zoning Board.

An application was presented several months ago by Samuel Quimman of Seven Oaks Lane, Mamaroneck, to replace the present house, unoccupied for many years, with modern buildings with substantial setbacks and ample room for parking of tenants' and patients' automobiles.

Two two-story apartment buildings on the Tompkins Avenue frontage will contain a total of 16 families, and a contemplated maximum of 15 families of professional suites will occupy the building on the East Post Road frontage.

The conditions announced in a resolution unanimously approved by the four members present in the zoning board were: no professional suites in the two buildings; no changes to be made in the general layout of buildings or site plans; no basement apartments; no throughfare for automobiles from the East Post Road to Tompkins Avenue; all driveways and parking areas to be black topped and have six-inch concrete curbs on sides and shoulders from the East Post Road to Tompkins Avenue; all parking areas must be kept neat and clean at all times and properly drained. Grass and landscaped areas must be attractively landscaped in harmony with the residential character of the neighborhood and existing trees shown on the plot plan retained.

A certificate of occupancy will be withheld until the entire project is completed.

Snow Takes Liberty

LIBERTY (AP) — An inch of snow fell today in this Catskill Mountain town, latest snow storm in memory here.

Long May It Wave

Mamaroneck Junior High School now has a flag that flew over the Capitol in Washington, thanks to Albert Swanke, fourteen, of 21 Helena Avenue, Larchmont, son of Mr. and Mrs. Albert Swanke. Sandy, whose father is an architect doing some work of remodeling in Washington, was presented the flag by another architect, George Stewart, and figured that the best place for it would be at his school where he is in the eighth grade. So this week he turned the flag over to George W. Brown, principal, and it is now one of the school's prized possessions. Sandy is a native Larchmonter, and is interested in sailing and baseball. Yesterday he could not be reached by phone because he was painting his boat, his mother said. **Glow**

It looked like sulphur candles burning at the home of Michael McCarthy of 84 Locust Circle last night, so Town Fire Chief Edward Leone and another fireman broke through a window wearing gas masks after a neighbor had called in the alarm. It was real rubber hoses, not real sulphur candles, but the McCarthy had left the radio on. It was real rubber hoses, not real sulphur candles, but the McCarthy had left the radio on. It was real rubber hoses, not real sulphur candles, but the McCarthy had left the radio on. It was real rubber hoses, not real sulphur candles, but the McCarthy had left the radio on.

Eye Neck Plans

The possibility of constructing a junior high school wing on the new senior high school planned for the Palmer site in Olive Neck will be discussed at a meeting of the Eye Neck Board of Education Monday at 8:15 P. M. in Bellows High School. The Board is expected to weigh a bond issue of \$340,000 for the junior high wing in addition to the \$1.25 million already appropriated for a senior high school and may set dates for a public hearing, registration and voting on the new issue. Also on the agenda is the proposal that tuition rates be raised for children not residing in the district who attend Olive Neck schools, appointments of school physicians, dentists, and the setting up of a coaching staff for the next school year.

Larchmont Agenda

The Larchmont Village Board will meet Monday at 8 P. M. to discuss the following: The adoption of a local law and ordinance to create a Park and Recreation Commission. Approval toward the closing of village offices on Saturdays from June 2 to Oct. 27, 1956. Reappointment of the harbor master. The case of James F. Reville of 90 Larchmont Avenue on an alleged zoning violation. Reports by the mayor, village engineer, assessor, treasurer and attorney. **New Academy Fellow** Dr. Joseph M. Roth, optometrist, of 1839 Palmer Avenue, Larchmont, this week was inducted as a fellow of the New York Academy of Optometry. The ceremony, held at the Midtown House in New York City, was conducted by Dr. Sanford A. Treisman, chairman of the Columbia University College of Optometry, assisted by Dr. Sam W. Frank, president of the college. Dr. Roth, who is a fellow of the American Academy of Optometry and an examiner for the New York State Optometric Board, is a graduate of Ohio State University and past president of the Westchester County Optometric Society. He is a member of the Larchmont Lions Club and vice chairman of Mamaroneck District, Boy Scouts of America. **Hazard Eliminated** A promise made a year ago by Patrick McGinnis, then president of the New Haven Railroad, has been performed. The high wall at Mamaroneck and Hoyt Avenues has been lowered, as requested by Village Manager William H. Johnson, and, to quote Mr. Johnson, "it makes a big difference." The corner has always been considered dangerous, even through traffic converging from Hoyt Avenue is supposed to make a full stop before proceeding. But the height of the wall made vision bad, and accidents have resulted over the years. Now the job is finished, except for planting which will be done by the village, and another bad spot in Mamaroneck history thanks to Mr. Johnson's request and Mr. McGinnis's promise.

We Have Free Hand, Say Red Churchmen

NEW YORK (AP)—Russian Baptist leaders visiting the U. S. say their church is converting thousands of Communists to Christianity every year. "We have full freedom of religion and we are using it," said Dr. Jakob Zhitov, pastor of the Baptist Church in New York City. "We have the freedom to do missionary activity. Every year 12,000 to 15,000 new converts are brought into the Baptist church."

THE WEATHER

Cloudiness this afternoon with a few showers likely late this afternoon or early this evening. High temperature in the mid 60s. Clearing tonight, low in the mid 40s. Fair tomorrow, high in the mid 60s. High tides today at 9:43 P. M. tomorrow at 9:10 A. M. and 9:16 P. M.; Monday at 10:09 A. M. and 10:28 P. M.

ORIGINAL members of the Mamaroneck Club Inc. met last night at the club's new dining room to celebrate its 25th anniversary at a dinner dance in Green Haven Inn, E. J. Santoro was elected first president of the club at its initial meeting held in Canlis' plumbing shop with a membership of 50. The organization, which financed the Columbus Memorial on Lower Mamaroneck Avenue, annually sponsors nurses' scholarships.

'Operation Saturation'

Flying-Squad Roadblock Urged To Safety-Check County Traffic

By N. EVERETT MACY
"Operation Saturation" is a drastic proposal which has been suggested as an aid to the safety-first program. It envisages the use of roadblocks to save Westchester residents' lives and property on the highways throughout the summer. It would entail the use of auxiliary police to help man roadblocks at check-points on a predetermined schedule throughout the county. "Why has it been proposed?" To date, traffic deaths in Westchester have totaled twice what they were at this time last year, and early this week medical reports were released which show that "alcohol was found last year in the blood streams of at least 25 of 70 persons who died in traffic accidents in Westchester. Last Mile for Many Taken together, these facts paint a grim picture of death and misery for the rest of the county. Two localities close to Westchester have already made drastic moves to slow down this march of death.

NHRR Gets Hearing Date

ALBANY (AP)—The Public Service Commission yesterday scheduled a public hearing May 31 in New York City on the New York, New Haven & Hartford Railroad's proposed raise computer and school fares in New York City. The railroad seeks to increase the fares on July 1. It also has sought permission from Connecticut, Massachusetts and Rhode Island for similar fare increases in those states on the same day. Harry Herman, Westchester County Attorney, said he would be ready to present the county's case against the fare increase on the appointed day. He must also appear a week later, June 6, for the hearing of the same case before the Interstate Commerce Commission in Washington.

Question Of The Week

Good Teacher Imparts Will To Learn, Residents Report

EDITOR'S NOTE—This is the 417th in a Saturday series of short interviews with Mamaroneck and Larchmont residents on the county—local and national. This week's question: "IN WHAT WAYS HAVE YOU SEEN A CHILD IMPROVED?"
MAMARONECK
Mrs. Harry Coren, 911 Grove Street, said her son, Harry, was fortunate in having good teachers at the Barry Avenue School who have given him the enjoyment of learning and the incentive to learn more.
James J. Hoeh, 413 Soundview Avenue—"I have a boy graduating from the Mamaroneck High School in June and twin girls in the fifth grade, and their teachers have provided an atmosphere conducive to good learning."
Mrs. Thomas G. Goldman, 1211 Arlington Avenue—"Mainly in the attention given to individual needs of the children that their interest in the subject is maintained."
Mrs. Joseph J. Hoeh, 411 Delaney Avenue—"By teaching the needs of the children, and their interest in the subject is maintained."
Mrs. Will Loria, 630 Forster Street—

Member of the White Plains High School, standing in front of the school building.

Charter members at last night's dinner were left to right, Leo Orsino, who served as secretary for 23 years; Vincent C. Marcellino, financial secretary for 12 years; Eligio Del Guercio, president; Anthony Sansone, William L. Lagani, past president, and Joseph Mandrachia, also a former president. A major professional entertainment featured the program which was devoted to formal speeches—Staff Photo by Paul Byrne

FARM LAW NEAR IF HOUSE OKAYS

Senate Leaders Expect Signing Next Week

WASHINGTON (AP)—Senate leaders expressed hope today a new farm bill will become law next week without further controversy. Senator Aiken, R., Va., said he would recommend that President Eisenhower sign the measure which the Senate passed by a voice vote last night. If the House accepts a series of changes the Senate made. Whether the House would pass the measure was not immediately apparent, but Mr. Aiken and Senator Anderson, D., N.M., forecast such action, and Senator E. Jenner, D., La., spoke of getting the measure to the White House Tuesday or Wednesday. "I think we now have a good bill as it is possible to get at this session," said Mr. Aiken, who frequently sneaks for the Eisenhower Administration on farm matters. "I will recommend that the President sign it unless there is some feature I do not understand or know about."

One Winner Is 16 NYU Scholarships Go To 2 In Science Fair

WHITE PLAINS—Carol Russell of Mount Vernon and E. Jon de Revere of White Plains won the New York University four-year scholarships of education and intend to become a chemistry teacher. Carol's exhibit in the fair was titled "Exploration of Color." Her father, a science instructor at A. B. Davis, was her science adviser. E. Jon de Revere is the son of Mr. and Mrs. Edward J. de Revere of 155 Harding Avenue, White Plains. The seventeen-year-old White Plains High School senior has been accepted by the university's College of Arts and Science at University Heights as a pre-medical student.

Daughter of Mr. and Mrs. C. W. Russell of 45 Alta Drive, Mount Vernon, Carol is sixteen and a student at A. B. Davis High School. She has been accepted by the NYU School of Education and intend to become a chemistry teacher. Carol's exhibit in the fair was titled 'Exploration of Color.' Her father, a science instructor at A. B. Davis, was her science adviser.

Stevenson Boosted Toward Nomination In Oregon Primary

PORTLAND, Ore. (AP)—Democrats gave Adlai Stevenson a boost toward the Presidential nomination and Republicans put up a lusty cheer for the Eisenhower-Nixon ticket in returns today from Oregon's Primary election.

Arms Reduction Soviet's Pressures Get Mixed Reaction

LONDON (AP)—Soviet pressure on Britain and the United States to match the cuts Russia says is making in her armed forces drew mixed reaction today in London and Washington. Fifty-five opposition Labor Members of Parliament hailed the Soviet announcement and called for an early end to Britain's spending and swift action to fair's draft, sharp cuts in defense. The Laborites signed a declaration expressing hope today a new farm bill will become law next week without further controversy.

Cue From Russians U. S. Shows Might As Power For Peace

WASHINGTON (AP)—The situation has improved to the point where we can importantly modify our policy of strength for the long pull. Today's observations varied from place to place, but wherever there is a military post, base or station the welcome sign has come to mean that the fighting has ended and the peace is growing. U. S. military might is the key to peace and to give them even better equipment and more powerful tanks and planes. "There is no clear indication," Mr. Wilson said. "That the world is heading toward a new era of peace."

Most Gave Up On Ride Painer Admits He, Too, Got Cold Feet

NEW YORK (AP)—An admitted bank robber testified yesterday he got cold feet after kidnapping a woman teller in a prelude to the robbery, and would have called it off if she'd agreed to go home. "It would have been a good idea for me," said Arthur L. Painer, thirty-three-year-old Bronx man. He said he was just "a paltry" amount for the other two men who allegedly helped stage the \$188,785 holdup of the County Trust Co. drive-in branch at Port Chester last March 2. Painer has admitted taking part in the holdup, and now is testifying for the prosecution in the Federal Court trial of the others, Rocco Frank Tateo, thirty-two, of the Bronx, and Angelo J. John, thirty-three, of White Plains.

7 White Plains Boys Seized As Car Theft, Terrorist Ring

By WORTH A. JUDGE
WHITE PLAINS—Investigation of car thefts charged to seven junior and senior high school students has disclosed a well-organized gang of thieves and terrorists, police report. Police have linked 11 youths to the gang described as students at White Plains High School and Post Road Junior High School. They were brought to Police Headquarters today, with their parents, for showdown sessions with police, school authorities and City Judge Seymour Rowanowitz. The average age is fifteen. The gang would a boy walking home from a house party at night, and the other youngsters in most of his clothing and beat him, while the girl watched helplessly, according to detectives. In another case, a boy who wanted to quit the gang was

Popularity Vote Given Eisenhower

PORTLAND, Ore. (AP)—Democrats gave Adlai Stevenson a boost toward the Presidential nomination and Republicans put up a lusty cheer for the Eisenhower-Nixon ticket in returns today from Oregon's Primary election. Mr. Stevenson, pointing toward her own gains in Florida and California, stayed a consistent pace in front of Senator Estes Kefauver. He led the written contest for 16 Democratic delegates in yesterday's balloting. The 1952 Democratic candidate polled 61 per cent of the vote in Oregon. Mr. Kefauver's 39 per cent on the basis of returns from 40 per cent of the vote. More than half of the party's voters perched in their Presidential choice. But Oregon Democrats appeared laxy compared with Republicans who showed unopposed President Eisenhower with a high popularity vote. He received a second term blessing from 70 per cent of those who cast laboring ballots.

Israel Bows To U. S., Halts Its Arms Items

WASHINGTON (AP)—U. S. Customs officers have blocked shipment of 21 military vehicles to Israel on grounds they were not covered by an export license issued for spare parts. But a State Department press officer, disclosed yesterday the half trucks were taken off an Israeli freighter in New York harbor a week ago Thursday. He said the ship sailed the next day. According to Mr. White, Customs officials found there was no valid export license covering the 21 vehicles. He said Israel purloined the vehicles and had an export license for half truck spare parts, but not for whole vehicles. The Israeli Embassy last night said that "on May 11 shippers requisitioned by the Israeli government loaded certain surplus vehicles destined to be used in Israel at their ports. The Embassy said the shipment was made against a license from the State Department's military Control Division "for spare parts in the amount of \$150,000." The Israeli statement said that the half trucks "intentionally were immediately issued to the shippers to comply with the ruling and to unblock the stores in question."

Combing The Town

To Wait At High Noon

Mamaroneck's air raid siren will be sounded Saturday at noon when the fire whistle blows. John Grainger, chief of the Mamaroneck Fire Department, announced today.

He stressed that the sirens are being tested, and should not be confused with an air raid warning.

So, remember, when the air raid sirens go off at noon Saturday, at the same time as the fire whistle, it's a test, not a raid!

Police Place Cop Cup

The Town of Mamaroneck Police Pistol Team on Tuesday received a second-place trophy in Class B at a dinner meeting of the Westchester County Revolver Association held at Deven Place Restaurant, Mamaroneck. Sing Sing officers placed first.

Most of the Town team was present to receive the cup. On the team are Edward Baker, George Mulcahy, John Leonard, John Welch, Louis Turco, a and Christopher Lovell.

Aid Welsh In Japan

Prominent women leaders from eight communities in Westchester County, including Mamaroneck, Larchmont and one from Greenwich are helping to build world peace and understanding between nations through development of the International Christian University in Japan.

All are members or sponsors of the National Women's Planning Committee of the International Christian University Foundation Inc. in New York.

Larchmont women are Mrs. Hugh Kennerly of 12 West Drive, whose husband is director of Technical Assistance Organization of the United Nations, and formerly a member of the Canadian diplomatic missions in Japan, and Mrs. Coventry Smith of 187 Hickory Grove Drive, wife of the associate general secretary of the Board of Foreign Missions, Presbyterian Church in the United States of America, and vice president and chairman of the planning committee of the Foundation.

The third woman is Mrs. Ruth Taggart of Sunset Lane, Greenwich, vice president of the American Female Guardian Society and Home for the Friendless, now known as Woodcrest; president of the Rye Garden Club and vice president of the Rye Foundation. Her husband is an attorney.

Speak Up, Teacher

Construction notes will go on at Mamaroneck High School, even during Regents Week. Dr. J. James Ahern, superintendent of schools, said last night.

In response to a question from Miss Edith Cirica, superintendent of schools and former hockey coach, Dr. Ahern said that despite the fact that some of the teachers must be verbally transferred to the students, there will be no suspension of building work at the Senior High School wing.

"If they can't bear you, he said, 'put it on the loud speaker.'

Attend Legion Dinner

Four Mamaroneck and four Larchmont Legionnaires and four Auxiliary members last night attended a dinner honoring Mrs. Bowen D. Ward of West Virginia, national president of the American Legion Auxiliary, at Patricia Murphy's Restaurant, Yonkers.

Present from Mamaroneck were Commander Mrs. Vito Ciraco, Mrs. Anna Murray, Auxiliary president, and Miss Pauline Shannon.

Present from Larchmont were Commander and Mrs. William Carey and Mr. and Mrs. Charles V. Cochran. Mrs. Cochran is Auxiliary president. Mrs. Carey was one of the hostesses.

Kitchell Window Fund

A stained-glass window in memory of the late Charles W. Kitchell for many years musical director at the Larchmont Avenue Church is planned by a committee headed by Mrs. A. B. Richtmyer of 37 Lookout Circle, Larchmont.

The colored window, costing about \$1,800, will be installed in the east side of the church above and to the left of the choir. The committee feels Mrs. Richtmyer said that it will be a fitting memorial to the man who brought so much beauty and light to musically minded residents.

Mr. Kitchell touched and enriched many lives in his voice studio, Mrs. Richtmyer said. She pointed to the success achieved by the Gilbert and Sullivan Society, and the joy brought to many by the beautiful Christmas candlelight service at the church attended by Larchmont and Mamaroneck residents.

Contributions may be sent to the Charles W. Kitchell Memorial Fund, Larchmont Avenue Church, or to Mrs. Richtmyer. Others on the committee are Mrs. Richard Hill, Mrs. Harold Rhoades, and Richard I. Land.

THE WEATHER

Sunny and cool this afternoon, high temperature near 60. Clear and cool tonight with scattered light frost, low in the 30s. Mostly sunny, not quite so cool with an afternoon temperature in the 60s.

11:15 A. M. Westchester County Airport temperature 60, visibility 15 miles; wind, north, 5 mph. High tide today at 12:30 P. M. Low tide at 12:18 A. M. and 12:32 P. M.

JOINT CHIEFS MAY PAY VISIT TO SOVIET UNION

House Spokesman Says No Invitation Has Been Issued

WASHINGTON (AP)—A White House spokesman said today he "wouldn't be surprised" if the Joint Chiefs of Staff should pay a visit to the Soviet Union if the Russians invited them.

Mr. Snyder said, however, no invitation has been received.

President Eisenhower would expect a similar invitation from the United States for their own military leaders.

Discussions Revealed

After making some checks with the government officials, Mr. Snyder said that since the Geneva conference "there have been informal discussions about high officials of our government visiting Russia."

Mr. Snyder declined to say which officials are involved in the talks. But when asked if the Joint Chiefs would accept an invitation to visit the Soviet Union he replied:

"Mr. Snyder said he did not know whether such a visit now is under consideration."

An inquiry at the Russian Embassy brought a response that Marshal Sokolovsky, Soviet Army chief of staff, has invited Gen. Nathan F. Twining, U. S. Air Force chief of staff, to send a high-level delegation of two or three officers to the celebration of Aviation Day in Russia on June 24.

Wilson Now Accused Of Thought Control; Senate Probe Urged

THIS MEETING OF MIL. GENIEVRE DE GALARD-TERRAUBOIS, French paratrooper captain, and French paratrooper Capt. Jean de Heaulme de Beusocq at Beach Mat Airport in Indianapolis in 1954 has culminated in a romance. Defense Head Under Attack For Warning

WASHINGTON (AP)—Senator Jackson, D., Wash., proposed today that a Senate subcommittee find out if Defense Secretary Wilson is attempting "thought control" over feeding military information to the press.

Mr. Jackson, a frequent critic of Administration defense policies, alluded to a statement by Mr. Wilson about the row between Army, Air Force and Navy officials over rival missile programs and defense missions.

Asked by newsmen Tuesday what steps he planned to take, Mr. Wilson told newsmen: "We'll see who sticks their heads down next. I think it might be a little dangerous."

Mr. Jackson termed this "a terrible thing to say," and added:

"Thought control, that's what it is. Our committee should look into what he means by that statement."

He referred to an Armed Services subcommittee, headed by Senator Symington, D., Mo., which has been inquiring into the relative air strength of the United States and Russia. Mr. Symington has said he intends to broaden it to look into the inter-service disarmament.

PRESIDENT ASKS 20 'HIGH POINTS'

Congress Urged To Act Before Adjournment

WASHINGTON (AP)—The White House said today President Eisenhower has nearly 30 items of legislation he would prefer to act on before Congress adjourns before it adjourns in July.

Murray Snyder, assistant White House press secretary, said in response to inquiries that the President has a list of pending legislation in the international, national security, government, economic, welfare and related Congress bills.

Mr. Snyder supplied the list to newsmen without giving it a "must" designation, but said Mr. Eisenhower regards these items as "high points" of his legislative program and has "great interest" in their being enacted before Congress quits.

Mr. Snyder said he hasn't heard of any plan to call Congress back into session in the Fall if some of the legislation gets piecemealed.

The "high points" include two civil rights measures proposed by Attorney General Brownell; establishment of a commission to see if new special legislation is needed, and the sending of a special delegation headed by an assistant attorney general in charge of civil rights matters.

39 Rebels Killed

ALGIERS, Algeria (AP)—French troops sweeping the Algerian Riviera today in counter-attacks against rebels reported 39 of them, army headquarters reported.

Conclave Honors Faculty Teachers' Suggestions Range From Psychiatry To Picnics

Suggestions flew fast, furiously, and sometimes facetiously, at 191 Mamaroneck School System teachers, administrators, and board members last night engaged in a seminar discussion of major problems facing the school system.

The teachers delivered a trio of major items in 15 separate group meetings which followed a dinner at the Larchmont Shore Club. The third such meeting held in Larchmont Shore Club marking Teacher Recognition Week.

Teacher recommendations ranged all the way from the need of more psychological help for pupils down to a suggestion that staff relations could be furthered by a teacher-board administrator picnic toward the end of the school year.

Three Main Items

The three items which caused the most discussion were:

1. The need for more psychological help in dealing with the emotionally disturbed or maladjusted pupil.

2. Study of foreign languages in the elementary schools and in the proposed program which will permit eighth-graders to study French.

3. Science study in the elementary schools.

In connection with the main items, the teachers discussed:

• See Page 2—TEACHERS

"THERE'S JUST ISN'T ANY OTHER MEDIUM"

For more proof of results gained immediately see the testimonial below... a word-for-word quote from the Mount Vernon advertiser who placed this combination advertisement in The Daily Times and the other Westchester County Newspapers.

Teacher recommendations ranged all the way from the need of more psychological help for pupils down to a suggestion that staff relations could be furthered by a teacher-board administrator picnic toward the end of the school year.

RUETH Kohn, 15, is a new student at Mount Vernon High School. She is the daughter of a Hebrew tutor in the city.

Children Turn Talent Into Cash

Free Want Ad Gets Israel Girl In Mount Vernon Job As Tutor

Ruth Kohn is only fifteen and she lives in a strange but wonderful new land where she has difficulty with the language. But already she's in business, the business of teaching, and she's doing it well.

Ruth, a native of Israel, was one of 5,000 school children in Westchester County who were sent this ad: "Gift from Israel, 15 years. Nichols Junior High. Wishes to give Hebrew lessons. Ruth Kohn, 12 Archer Avenue."

Hundreds Offer Service

Hundreds of boys advertised services as errand-boys, handymen and lawn mowers. Typing was Jeffrey Heide, thirteen, of 37 Clove Road, New Rochelle. He was discovered by Madeline Meyers of 242 Lee Avenue. Under the age of \$2 per 100 feet of hedge.

G.I. Loan Extension Urged By Lehman

WASHINGTON (AP)—A three-year extension of the G. I. home loan program was proposed to the Senate today as an amendment to the multi-billion dollar omnibus housing bill.

Senator Lehman, D., N. Y., said he planned to sponsor the extension along with Senators Hill, D. Ill., and Sparkman, D. Ala. He made the surprise announcement as the Senate prepared to take up the housing bill, which would increase Federal Housing Administration loan insurance authority, continue public housing development and provide special low-cost housing for elderly persons.

The G. I. loan program now scheduled to expire for most veterans on July 25, 1957, but its extension has been urged by home builders and real estate groups and by veterans' organizations. They have contended action must be taken this year to prevent a slow-down in home building.

Mr. Lehman said his proposed amendment would apply to both the low-cost guarantee and direct loan programs operated by the Veterans Administration.

As covers, their supervisors, foremen can do to prevent accidents, the group was told, it to recognize and correct the unsafe acts and unsafe conditions on the job.

TODAY'S CHUCKLE

Psychiatrist: "Can you actually tell by your husband's face whether he's going or leaving?"

Wife: "Always. If his lips are moving, he is."

MR. SNYDER said today he "wouldn't be surprised" if the Joint Chiefs of Staff should pay a visit to the Soviet Union if the Russians invited them.

WASHINGTON (AP)—A White House spokesman said today he "wouldn't be surprised" if the Joint Chiefs of Staff should pay a visit to the Soviet Union if the Russians invited them.

Mr. Snyder said, however, no invitation has been received.

President Eisenhower would expect a similar invitation from the United States for their own military leaders.

Van Slyck Becomes New Chairman Of Board

At a meeting of the Board of Directors immediately following the annual meeting, Van Slyck was named chairman of the board, succeeding Mr. Hyatt.

Leroy Peters, director of safety services of the Westchester County Chapter, in a talk following a lunch at the Italian-American Social Club, said that Edward Salvato of Mount Kisco, club president, had canceled an invitation for the "40-loses everything" in 1955 floods to the film showing Red Cross in action followed floods at Yuba City.

On Gerlach's 'Order'

Dooley Told To Shun Debate, Niels Says

WASHINGTON (AP)—The White House said today President Eisenhower has nearly 30 items of legislation he would prefer to act on before Congress adjourns before it adjourns in July.

UNION TO SUPPORT WORK WEEK CUT WITH FULL PAY

Substantial Reduction In Job Time Pushed As Layoffs Mount

DETROIT (AP)—With unemployment and layoffs continuing to mount in the auto industry, the 500-man General Motors Council of the United Auto Workers Union today threw its support behind a drive for a shorter work week.

The Council voted unanimously in Detroit yesterday for a "substantial reduction in the work week with full 40 hours pay" to end what it described as the "unbearable short work weeks."

On the layoff front, there were developments. Studebaker-Packard Corp. announced yesterday it was shutting down its Studebaker assembly operations at South Bend, Ind. It said "several thousand" would be laid off.

Chrysler Corp. said 13,500 employees would work only Monday and Tuesday next week. The shutdown will affect all Plymouth plants and most of the latter are in Detroit area.

Only yesterday, the Michigan Employment Security Commission reported the state's unemployed stood at 220,000, with 125,000 of them in automobiles in Detroit, and predicted the idle would average 200,000 for the remainder of the year.

Navy Ensign Richard J. Koon Jr., above, son of Mr. and Mrs. E. J. Koon of 409 Delaney avenue, Mamaroneck, recently qualified as a carrier pilot following completion of six landings aboard the light aircraft carrier USS Saipan in the Gulf of Mexico.

He is undergoing instruction in instrument flying at the Corey Field Naval Auxiliary Air Station at Pensacola, Fla.

A graduate of Harvard University, he played three years on the varsity football team and was heavyweight boxing champion during his junior year.

He was graduated in 1951 from Mamaroneck High School where he made the all-city football team during his senior year.

Post 90 To Decorate

Mamaroneck Post 90, American Legion, tomorrow will decorate graves of veterans in local cemeteries, and will travel to Greenwood Union Cemetery in Erie and St. Mary's Cemetery in Port Chester, Vito Ciraco, commander, announced today.

Rangers To Exhibit

An exhibition of wildlife and posters and other materials on conservation will be a highlight of the Mamaroneck Boy Scout Camp-O-Rally at the center, which starts at 2 P. M. Tuesday.

Another Good Sign

There is a P. M. to yesterday's story about the Angus Taunton whose car broke down in Mamaroneck Thursday and who spent the night as a guest in the Mamaroneck Police Department.

Dodger Cleans Up

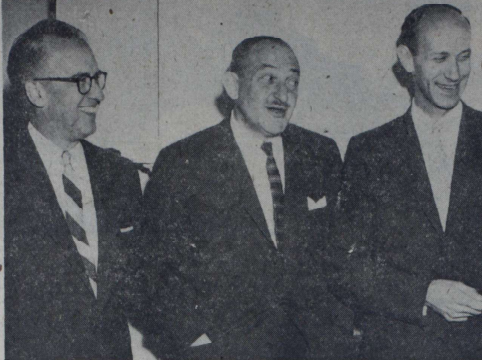

A Coca-Cola truck driver yesterday afternoon was forced to sweep up nine cases of quart bottles of his company's drink after an unidentified car had caused him to swerve and drop the cases in front of the Larchmont Plumbing and Heating Co. on the Post Road, Town Police report.

Town Vets Memorial

A communion breakfast will be held by the Town of Mamaroneck Fire Department at the Weaver Street Headquarters Sunday, May 27 at 9:30 A. M.

THE WEATHER

Mostly fair today, high temperature 65 to 70. Increasing cloudiness tonight with showers tomorrow, low tonight near 50, high tomorrow 65 to 70.

ORIENTA POINT ASSOCIATION

at its Spring dinner-dance attended by 350 persons at the Beach Point Club last night saw William Arthur, right, re-elected president.

Marka were elected trustees. Guests included Town Supervisor George D. Burchell, Mayor and Mrs. Edwin B. Dooley, Village Manager and Mrs. William H. Johnson, and School Superintendent and Mrs. T. James Aborn.

Chairmen of the dance committee were Mr. and Mrs. Paul Adger, and music was provided by George Hoffman and his orchestra. Staff Photo by John Martone.

'Regulars' Given Victory Edge

By JOSEPH W. SHANNON More than 220,000 Westchester voters are eligible to cast ballots in the Republican and Democratic primary elections on June 5, but barely 20 per cent do so, according to experience. Some 153,000 of the eligible are Republicans and almost 68,000 Democrats.

Al Simmons Dies At 54

MILWAUKEE (AP)—Al Simmons, a member of the National Baseball Hall of Fame, died this morning of a heart attack. He was 54 years old.

Body Found In Closet

Police hunted from New York City and had left Thursday in a green 1953 station wagon, saying he was going to New York for a bartending job there.

Strangler Of Heiress Hunted Across U.S.

CARSON CITY, Nev. (AP)—Police hunted from New York City and had left Thursday in a green 1953 station wagon, saying he was going to New York for a bartending job there.

Question Of The Week

Driving Here Held O.K., But -Oh, Those Post Rd. Bumps! EDITOR'S NOTE—This is the 48th in a Saturday series of short interviews with Mamaroneck and Larchmont residents on issues of the day—local and national. This week's question: "HOW DO YOU VIEW THE DEGRADATION IN THE LOCAL STREETS?"

MAMARONECK Mrs. A. B. Adler, 215 Carroll Avenue—"On the whole here in the village the roads are good. The Post Road has some bumps in it and they could do a better repair job there."

LARCHMONT Mrs. Edgar D. Davis, 21 Stuyvesant Avenue—"Not in Larchmont, but the Post Road toward New Rochelle is in bad condition."

Miss Judy Dibble, 19 Pinebrook Drive—"No, not around Larchmont so much, except for the Post Road going toward New Rochelle where there is repair work going all the time."

Edwin S. Hartley, 34 Vanderbilt Avenue—"Yes, the way the Post Road is ripping up the highway and leaving openings on the Boston Post Road is in bad shape."

Mrs. Guy R. Goldsmith, 497 Beach Avenue—"I avoid the Boston Post Road and travel Harvard and Palmer Avenues because of the condition of the main road and because of the traffic on it."

Mrs. William H. Lindsay, 213 Kismet Avenue—"No, I don't think it is a necessary and that's creating some bad conditions between here and Larchmont is awfully bumpy and needs better repair."

Political Roundup

Democracy Ball Rigged? Republicans will receive a pink ballot approximately 11 inches square. Democrats will get a green one about 11 inches square. The Democratic ballot is larger because the party is holding a State Convention this year.

Ban on Debate Party Rule, Says Dooley

Mayor Edwin B. Dooley of Mamaroneck asserted that Benjamin Nields of Rye had not quoted him correctly in remarks Mr. Nields made in a speech Wednesday night.

Wine Bubbles, So Does Duke High On Roof

LONDON (AP)—Out of the cold gray sky over Mayfair came a downpour of champagne.

Italy's Voting To Test Reds

ROME (AP)—Some 30 million Italians are expected to vote tomorrow in local elections that will test whether the country's majority center bloc can halt the political tides to the far left and far right.

What's Fluoridation? Red Plot? A Boon?

Is fluoridation a Communist plot? Is it a waste of money to health? Or is it the greatest dental health advance in centuries?

Like Education Plan In Force, Say Ford, Carnegie Groups

WASHINGTON (AP)—President Eisenhower looked to the nation's foundations and wealthy private foundations today to take up his challenge to establish educational centers in lands which lack adequate school facilities.

HABIT FORMING

Advertisers know from experience that it is a family habit in this country to read the newspaper at home every evening. Therefore, the following opinion, expressed by a White Plains ad-user, is shared by all who use combination classified advertising papers.

TODAY'S CHUCKLE

The Devil, looking over new arrivals, saw one strutting around like a peacock. "You act as if you owned the place," he said. "I don't," said the new resident. "My wife gave it to me."

U.S. BLINDFOLED BY RED PROBLEM, STEVENSON SAYS

Country 'Deliberately Misinformed,' He Claims At Fort Lauderdale

By The Associated Press ADDI, Stevenson says the Eisenhower Administration has a "deliberately, intentionally and continually misinformed" the country on how it is facing in the world battle against communism.
