Gombree Joins Police

The appointment of Louis Gombree of 147 East Street, Larchmont, by the Town of Mamaroneck Board of Police Commissioners to serve as policeman was approved Wednesday night by the Town Board.

Other officers, who is married and has two children, was recently done Government work in Trinidad. He will undertake his duties Oct. 16 at a salary rate of \$2,100 for the remainder of the year, plus the five per cent salary bonus.

He will fill the vacancy left by the resignation of Temporary Patrolman George Flynn of 800 West Street, Mamaroneck, who has resigned from the Police Department after serving one year.

Is He On Honor Roll?

Anyone knowing the name of a service man or woman whose name is not on the Village Honor Roll? Urged to contact Dr. Albert Finelli at Mamaroneck 2485.

Chairman of the Honor Roll committee of the Mamaroneck Rotary Club, which sponsored and maintains the board, Dr. Finelli stated that the club is desirous of keeping the roll up to date, especially in recording the death of service men and women who are given gold stars to their names as soon as the death has been officially confirmed by the War Department.

Joins Air Forces

Aviation Cadet Jack Barkdale, son of Mrs. James Barkdale, formerly of Larchmont, who is now in Tennessee, has reported to Sheppard Field, Tex. for basic training in the Army Air Forces. He was graduated in June from Mamaroneck High School.

Home From Shelby

Pvt. Warren Uminger is spending a short furlough with his parents, Mr. and Mrs. Rudolph Uminger of 1 Chatsworth Avenue, Larchmont.

Pvt. Uminger was previously in training at Fort Meade, Md., following basic training at Fort McClellan, Ala., with the United States Infantry. He attended Mamaroneck High School.

On Guard At Morotoi

One of two United States Army privates working and standing guard on the southern tip of Morotoi Island where the first American landings were made on the Philippines, is Pvt. Philip P. Wagner, of 511 Hall Street, Mamaroneck, who is in command of the privates.

These picked Americans are privates who are nearing the Philippines for the first time since Gen. MacArthur started the long road back. They have taken over new and well-planned Japanese pillboxes and trench systems which the Japanese apparently decided not to use, according to an Associated Press dispatch.

There are veterans among the American-overseas in the New Guinea and Buna and other engagements fought the length of New Guinea.

Rice Invites GOP Rival To Debate Issues

NEW ROCHELLE—Willis B. Rice of Larchmont, Democratic candidate for state representative from the 80th District, last night challenged his Republican opponent, J. Raymond McGovern, to public debate on the "races," national, state or municipal.

"We know little of what Mr. McGovern has to say on the questions involved in the office he seeks," the Democratic candidate said. "Evidently he does not feel the campaign of sufficient importance to meet the issues. I should welcome gladly the opportunity to meet with him on any public platform for a discussion of the issues whether they are of local, state or national interest."

Mr. Rice made his challenge at a meeting of the Democratic City Committee at the Y club, 115 West Monroe Street, city chairman, had spoken on the advisability of a large mass meeting in one of the city's high schools.

Previously Mr. Rice had covered the policies of the Republican Party and belated Governor Thomas C. Dewey's presidential speeches as "one of the greatest contributions to the history of the country in the election of our candidate, President Roosevelt."

Judge Cables Hears Doubles Assault Case

A charge and countercharge of assault in the third degree were heard last night by Judge John C. Hill in Larchmont Police Court. Involving residents of Larchmont and New York, the first was dismissed and on the second, he granted a suspended sentence.

The charge which was dismissed was made against George Zerk of 83 Grand Avenue, New York, by Al Katz of 51 West Avenue, Larchmont. Mr. Katz's sentence was suspended on the counter charge.

Larchmont Man Killed In Germany

Sgt. John Thomson Dies In Action After Discharge From Hospital IN SERVICE 4 YEARS

Recently wounded by a sniper in France, Sgt. John Thomson, of 132 Chatsworth Avenue, Larchmont, was killed in action in Germany Sept. 25, shortly after being dismissed from the hospital and returning to his post at the front lines, according to a War Department telegram received by his family.

His last letter from him was dated Aug. 2 in which he said he had been transferred to the front lines in England and expected to be back in action soon.

A member of an infantry division, Sgt. Thomson, who was 32 years old, had been in the service since October, 1940, when he enlisted at Plattsburgh, N. Y. He is a graduate of Mamaroneck High School and was a member of the Larchmont Fire Department. He was employed as a painter in Larchmont and Mamaroneck before entering the service.

Overseas for two years, he was veteran of the campaign in North Africa, Tunisia, Sicily, Italy and Germany.

In addition to his parents, he is survived by two brothers, Walter Thomson, who is in training with the air corps at Tuscon, Ariz., and Peter Thomson of 1511 Main Street, Larchmont.

His father, who is also a veteran, the former Fireman Squig, who he married nine months ago in England.

Card Wizard To Open Men's Club Season

Michael MacDougall, internationally famous "card detective," will open the Larchmont Men's Club 1944-1945 season Monday night at 8 o'clock at the home of Mrs. MacDougall at the Orient Beach Club, according to W. Freeman, chairman of the committee.

Mr. MacDougall, a wizard with a deck of cards, plans to show members of the club that "gamblers don't gamble by exposing their methods, but by manipulating the cards to suit their own ends."

For 15 years he has devoted much of his time bringing to court 300 professional card cheats and has uncovered a number of gambling rackets blossoming in Newark, New Jersey, and Philadelphia, Pennsylvania.

Transatlantic steamship companies, in times of peace, engage him to check professional card sharks who make it a practice of traveling between the continents solely for their "pickings."

Mr. MacDougall has been in the United States for the first time in a number of years, but he is expected to be back in his native Scotland in a few days.

8th District Team Believes Goal Certain

Enthusiasm for the one day drive to raise Mamaroneck's Community Chest budget was expressed by the members of the District 8 team, who are leaving tonight at the home of the district captain, Mrs. Walter Miller, at 115 West Monroe Avenue.

Most of them experienced fund raisers, and the district committee unanimously expressed their belief that their goal of \$1,000 will be met by the end of the five hours solicitation Sunday afternoon, Oct. 15.

ROME, (AP)—British invasion troops in Greece, striking along the north shore of the Peloponnese from captured Patras, have overwhelmed the fortified port of Rion guarding the narrow entrance to the Gulf of Corinth. Allied Headquarters announced today.

Immediately after seizing Rion, seven miles up the coast from Patras, the British turned enemy coastal guns into their own against large numbers of small craft in the harbor.

The fall of Patras, which had been the main enemy supply port of Greece's west coast, came after German security troops surrendered near the town, making the position of the garrison untenable. The Germans fled to the east.

In southern Albania other British units have landed. The army continued to harass German communications leading to the port of Korinth and the Corfu Island garrison. The enemy retreated artillery positions along the Saranda-Delvine Road.

The town of Mamaroneck Welfare Office served 72 cases during the month of September at a cost of \$1,412.75, a decrease of two since August, when the total cost was \$1,517.98.

First Army Runs Into Storm Of Counter-Attacks

BULLETIN WITH AMERICAN INFANTRY AT THE SIEGE FRIED LINE, (AP)—American troops which entered Beggendorf east of Ubach yesterday had to pull back today under heavy enemy pressure.

LONDON, (AP)—The Germans, acknowledging a breakthrough, threw their heaviest counter-attack into the Ubach breach today in an effort to seal off the hole in the Siegfried Line, and U. S. Army tanks and infantry surged forward in the day of fierce battle.

Flight upon flight of Allied planes operating up to 10,000 feet, rushed into the battle, eager to take advantage of the first good weather since the start of the drive to rear at enemy armor.

In the first storming assault, the Americans were rushed from the top of a commanding height mile east of Herbach, which they had seized yesterday in a drive to seal off the breach. The doughboys held on to the side of the ridge and then the planes came over and drove upon the enemy armor.

Supported by the heaviest artillery they have been able to concentrate against the Americans since the war began along the Siegfried Line, the Germans made the going slow to the north, east and a half south of the ridge. But the doughboys held on to the side of the ridge and then the planes came over and drove upon the enemy armor.

Freedom Of Press Essential To Peace

NEW YORK (AP)—If there had been a free press all over the world, Wallace Oates, editor of The Tarzington News, vice president of the Westchester Publishers' Association, and former president of the New York State Publishers' Association, believes "it is very probable that there would have been no war."

Mr. Oates, addressing the Fall meeting of the New York Press Association, attended by 200 members representing state weekly newspapers yesterday, advocated the inclusion of freedom of the press as a subject at the peace table.

"To keep the freedom of the press will require eternal vigilance," the Westchester man asserted.

Pic. Browne Killed On French Soil

First Reported Missing In Action, Army Man Dies In Action

ABROAD SINCE JUNE

Joseph M. Pic. Browne, 28, son of Mrs. Celia Brown, 20 Buckley avenue, Fort Chester, and the late Edward Browne, was killed in action in France on July 30, his wife, the former Sylvia Pico, 305 Prospect Avenue, Mamaroneck, learned Thursday night in a telegram from the War Department.

He previously had been listed as "missing in action" on June 16, but had held hopes that he might have been rescued by advancing Allied forces or the underground in France. These hopes were shattered, however, by the receipt of the telegram reporting his death on July 30. The "missing in action" report had been received Aug. 30, but had resided in this area most of his life. He attended St. Mary's School, Fort Chester, and Harrison High School and was employed by the New York, New Haven and Hartford Railroad before he went into the Army on March 16, 1942. He was serving with the infantry unit and had been wounded only once since June. The telegram reporting his death was signed by Adjutant General Willard and said that a letter would follow with details were given.

Pic. Browne was a member of Holy Lady of Mercy Church in Westchester. Besides his mother and wife, he is survived by a daughter, Valerie, 21 months; three sisters, Mrs. Mary Gavin and Miss Patricia, Browne, both of Fort Chester, and Miss Helen Mabury, Fort Jay. His wife has been residing with her parents at the Mamaroneck address.

Reconversion To Have Place In Dewey Talk

ONE OF FOUR CAPTAINS from Westchester County serving with the same 10th AAF B-24 Liberator group in Italy is William H. Larchmont, shown at left above, who is serving as a squadron flight surgeon with his organization. The other three, at right, are Capt. Victor Heiser of Mount Vernon, Capt. Harry B. Chapman and Capt. Joseph W. Barclay, both of New Rochelle.

As the Republican Presidential nominee's special train rolled toward Charleston, an assistant to the chief of the train, Mr. Dewey, tonight would deal in part with the question of reconversion of industry to civilian production.

Mr. Dewey said he was busy digging into the records for what the New York Governor announced would be a "quite open" discussion of the groups which are backing a fourth term for President Roosevelt with new criticism of what he called the Administration's lack of preparation for post-war reconversion of industry to civilian production.

Throng Attend Smith Funeral

NEW YORK (AP)—New Yorkers by the thousands bade farewell today to Alfred E. Smith, arriving at St. Patrick's Cathedral by limousine, bus and on foot, friends and admirers of the four-time Governor of New York State and 1928 Democratic Presidential candidate crowded the Gothic edifice for the Pontifical Mass of Requiem and lined the surrounding streets.

An hour before the service huge crowds stood along 49th Avenue and adjoining thoroughfares.

They added to the 20,000 estimated by police to have filed in solemnly by the Pontifical Mass of Requiem and lined the surrounding streets.

Smith's body lay in state in the cathedral from 10:30 to 11:30 A. M. It was viewed only once before by a layman, according to J. Padewski, Polish priest, in 1941.

BOBBY BOBBS ROAR AGAIN

LONDON (AP)—Flying bombs smashed at southern England and London last night from a southern coast, an indication the enemy may be seeking a weak spot in the vigilance of the RAF. A sheet of fire on the open heath in Essex saw several missiles land and the terrified civilians and two were destroyed in flight.

AMERICANS HURL FOE BACK THIRD OF WAY TO COLGHE

Allies Also Open New Push Inside Fort Driant

BULLETIN WITH AMERICAN INFANTRY, (AP)—American infantry, the better part of a division, jumped off to a new attack at 10 a. m. through the forest south of Monschau, 16 miles south of Aachen.

LONDON, (AP)—The U. S. First Army plugged away with both fists above Aachen today, jabbing German stop-gap tanks and infantry back half a mile north of Beggenдорf and a mile and a half southeast of Ubach.

The doughboys also pounded nearly a mile through the Hurtgen Forest, ten miles into Germany, a third of the way to Cologne.

On the middle Moselle front American troops launched another attack inside Fort Driant before Metz today and by noon were reported to have advanced 100 yards into one of the bastion's underground tunnels.

The assault started after artillery covered a supporting diverging attack upon Belg Fort. Earlier a Third Army officer said the doughboys had won "a solid hold" on the northeast and southeast corners of the fort after a week of hard and bloody fighting.

On the south flank French and American soldiers of the Seventh Army beat their way eastward five to seven miles to positions on three sides of the copper mine town of Le Thillot, 18 miles north of Belfort and only six miles from the 2,300-foot Busenberg bastion of the heart of the Vosges.

In lower Holland, Allied forces doctored with a new command of the stronghold of Tilburg, Canadian engineers a bridgehead across the Waal River west of Antwerp, meeting exceptional resistance. Other troops fought to the east of the river above Antwerp, and only three miles from cutting the German escape road from the flooded Dutch lowlands at the mouth of the Scheldt.

It was another good weather day for Allied air power which yesterday out-pace with more than 4,000 sorties all the way from tank-busting battles over the head of the Ruhr.

Lieut. Gen. Courtney H. Hodges systematically breaking up the German line along a 30-mile front north and south of besieged Aachen. He without his Dutch troops to seven miles at the bridgehead and a good part of the wreckage the Nazis were in counter-attack yesterday, and hampered out new gains.

His troops pushed as far as the outskirts of Gellenkirchen, three miles north of Ubach, Friday night or yesterday, two miles east of Ubach, they lashed out anew late yesterday and bypassed the town about a half mile to the north.

5th Gains 2 Miles In Bologna Drive

ROME, (AP)—U. S. Fifth Army troops have shoved ahead another two miles to within 12 miles of the Po Valley communications center of the Italian front. The troops were reported working intently to evacuate strategic war materials from northern Italy to the Reich.

Mamaroneck Souvenir Finds Its Way To Capt. Flood On Far Off Guam Battlefield

30 Prospect Avenue, lieutenant in the Apartment House team: Hunter Maghan, 181 Pomfret Road, lieutenant in the Apartment House team. Photo by Romeo La Brusca.

A taste of mamaroneck, and a sweet one at that, turned up recently on the island of Guam right under the nose of Capt. Ivan S. Flood of 218 Beach Avenue, Mamaroneck, N. Y., in the artillery section of the 7th Infantry Division.

He was sitting next to one of his buddies during the Krivonozhko hand-out and when his companion opened his box of food under that his South Pacific sky 7,000 miles away from home, he picked up the paper-wrapped sweet cube and handed them to Capt. Flood. Printed on the wrapper were the words, "Westchester Club Bath, Mamaroneck, N. Y."

That is one souvenir he will treasure, he later wrote his wife, "dot of Guam, but of home."

He has written many graphic descriptions of the terrain and weather conditions on the island, one of which concerns a tour made through one of the devastated towns.

The fall of Peanghing, by Hama City, 12,000 and there isn't a house that hasn't been blown up at least in part. Many are fat, gruesome sort of way. The ruins and ash-of-palm trees were silhouetted against the sky and in the distance was the water of the Great Peninsula. It could have been a very romantic setting, but not last night.

The island is infested with "lice all day and most of the night," he says, and comments on the fact that it hasn't rained for two days, "which is some kind of record."

The weather, at least during the Summer months, he termed a greater enemy than the Japs. "The men were lying on the ground or 'under the ground' for a time and the mud was so deep that trucks were stuck 'up to their axles' and in one place, a bull dicker was bogged down in the mire.

In the middle of what was called a "road" it took about three hours to complete a half-ton truck to go three miles.

Our Men In Service

Joins Mustang Group

Fighter pilot with the 10th Army Air Force in Italy, Lt. Robert W. Fitzgerald, 22-year-old son of Mr. and Mrs. William Fitzgerald, 41 East Boston Post Road, Larchmont, has been assigned to fly combat against the enemy with a veteran P-51 Mustang fighter group.

Lt. Fitzgerald, who entered the AAF in August, 1942, won his pilot wings on Dec. 1, 1943, after completing advanced training at Science Field, Moultrie, Ga. He is a graduate of Mamaroneck High School, and was formerly employed by the Door Engineering Company, Inc., in New York City.

Lt. Fitzgerald will fly with a group which has been assigned to every major aerial operation of the Mediterranean theatre, and which has the outstanding record of having destroyed 45 enemy planes in aerial combat and 138 missions. They have been awarded two distinguished unit citations for outstanding achievement in aerial combat, and are credited with the greatest aerial victory of the Italian campaign, the destruction of 37 enemy planes north of Cassino, Venetia on Jan. 30. This group, the first to fly the historic Italy to Russia shuttle mission, is commanded by Lt. Colonel Ernest H. Bevery of Larchmont, N. Y.

On Leave From Navy

Arthur M. Brown, storekeeper I/C, U.S.N., captain and secretary of the Town of Mamaroneck Fire Department, is spending a week's leave in Larchmont with his wife, the former Miss Rogers of 18 Myrtle Boulevard. At the end of his leave he will report to a West Coast base for further assignment.

Returned to Navy

RIC I/C Brown entered the Navy in February, 1942, and is stationed at the Armed Guard Center in Brooklyn after training at Newport, R. I. He was later assigned to Camp Allen, Norfolk, Va., and received advanced training at the A.S.T.V. at Lido Beach, L. I.

A Graduate of New Rochelle High School

He was recently transferred from Italy to an air field in Egypt. Capt. Kane is a graduate of Mamaroneck High School and Fordham University.

'Good To Get Back'

After more than two years of service overseas with the Army Ordnance, Sgt. Steven B. Kelly says, "It's good to get back—in fact, it's nothing like it." The son of Mr. and Mrs. William J. Billante of Coxsack Avenue, Larchmont, he was last stationed in Italy.

Sgt. Billante will report to a rest camp at Lake Placid on Oct. 21, and will receive further assignment there.

A Graduate of Pleasantville High School

He attended the University, before entering the service, and is married to the former Miss Bobae of Larchmont. He is now residing in Los Angeles, Calif.

He received training at Haritan Arsenal, N. J., and was stationed on the West Coast before going overseas.

Special Rent Survey Starts In Westchester

WASHINGTON, (AP)—A special survey of rents in Westchester County, N. Y., will be made this week to determine whether the County should be brought under rent control, Price Administrator Chester Bowles announced yesterday.

Bowles said the survey would show the extent to which rents in the county, reported to be in prospect for Oct. 1, have actually taken place. Any decision to impose control, the OPA chief said, will be made "only if it is shown that rent increases have materialized for a substantial number of dwelling units."

Bowles expressed his appreciation "for the cooperation that the people of Westchester have given to these surveys."

The new study is to be conducted by the Bureau of Labor Statistics.

AMERICANS CIRCLE AACHEN, CALL FOR CITY'S SURRENDER; SOVIET GUNS BLAST MEMEL

Reds On East Prussia Fortress City

MOSCOW, (AP)—A storm of Russian artillery fire broke today on besieged Memel, German-held port on the Baltic, while to the south two Soviet armies wheeled and hurried their full weight into a drive on the East Prussian fortress city of Tilsit.

(A report to London said Russian vanguards have reached the Baltic Sea south of Memel, severing all landward escape routes for some 150,000 Germans in Latvia and Lithuania.

This would constitute an invasion of East Prussia into the Memel territory—a long, narrow strip of land along the sea—was incorporated into the Reich in March, 1939. Hitler seized the area from Lithuania.

The Berlin Radio declared today the Russians have launched a new offensive in the Vistula River bend south of Warsaw. The exact locale of the reported offensive was not specified, but the Russians have held a bridgehead across the river for some time east of Kielce.

The great Baltic offensive of General Guderian and Ivan Cherniakhov, ripping apart the German coastal flank protecting the heart of East Prussia, matched in spectacular success the sweep of General Rodion Malinovsky's forces into northern Hungary.

There, after cutting the railway transit routes behind the German and Hungarian forces in the north, the Russian army, the 1st Guards, of the Magyar Military Training Center of Dabrowa, General Guderian's headquarters, pushed the Russian forces within 50 miles of Budapest.

Village Delays Acquisition Of Grass Plots

The acquiring by the Village of Mamaroneck of the grass plots in Shore Acres for use as a project pending for more than a year, pending for the table for at least a year, was delayed last night when Attorney Anthony Sanzone reported that two small plots owned by the late Mrs. M. J. Shore Acres Yacht Club property are about to be involved in litigation. The late Mrs. Shore Acres owned the club property and the property owners of the neighborhood.

The title search has been completed, he reported to the Village Board, and the Down Town Realty Company is ready to turn over to the Village the title to all the plots except for two to be litigated.

Following the motion to postpone the matter until the litigation is settled, Mayor B. J. Santoro suggested that, after three months, if nothing has been done, the trustees again discuss the question.

Trustee Edwin B. Dealey reported that the acquisition of the grass plots in the Orietta Point section is at a standstill since all residents of that area have not signed their consent to the Village's maintenance.

During a brief discussion of the changing of the name of the Memorial Trustee Dealey suggested that the name of the trust be changed to "World Organization For Peace-Part or Peace" will be used as the name.

If the beach is to be an asset which will draw people here, there should certainly be known by the name of the Village. Other people will draw people here, there should certainly be known by the name of the Village. Other people will draw people here, there should certainly be known by the name of the Village.

Ultimatum Gives German Garrison 24 Hours To Quit

BULLETIN (AP)—Numerous Allied air formations flew against the German at sunrise today, in defiance of the unprecedented daylight aerial offensive after the RAF executed heavy night attacks on the Ruhr steel capital of Bochum.

By DON WHITEHEAD Associated Press Staff

The 17th American Troops Outside Aachen, (10:05 a. m.)—The American commander of forces outside Aachen issued an ultimatum today to the Nazi garrison to surrender the city unconditionally within 24 hours or "American troops will be ordered to proceed ruthlessly by air and artillery bombardment to reduce it to submission."

There was no middle course for the Nazi commander, whose troops were dug into the rubble of the ancient capital of Charlemagne on the edge of Hitler to stand and die in its defense.

He either must surrender unconditionally or Aachen will be attacked with all the power that Lieke Geis. Courtney H. Hodges' First Army can bring to center on the industrial city of 168,000 soldiers trapped.

After the ultimatum was delivered to the commander and he completely refused to give up the city by shelling declaring the city to be a "fortified city," the message urged civilians to persuade those responsible for the deaths bloodshed and destruction.

"The city of Aachen is now completely surrounded by American forces who are sufficiently powerful to destroy the city if necessary. We shall take the city either by a strategy of immediate unconditional surrender or by attacking and destroying it."

When the city of St. Malo in France was liberated in August, it meant 50,000 French civilians who were freed from the hands of the Germans and the morning the postman brought her an official letter from the "Supreme Headquarters, Allied Expeditionary Force" to the "Supreme Commander" thanking her for her note.

"I am signed by the general himself and reads as follows: 'Thank you so much for your note congratulating me and all my command. I truly appreciate it. Sincerely, Dwight D. Eisenhower.'"

Mrs. Bassett, who has lived in this country for 54 years, has been in St. Malo, she said this morning. She has a husband and a young son, she has a grand nephew, T. Galt, John C. Murphy who enlisted in the Army in September, 1943, and is now on his way overseas.

Woman Loses Arm After Fall Against Train

In the condition of Mrs. Margaret Hague of Larchmont, whose arm was amputated yesterday following an accident Sunday night in the Pennsylvania station in New York, was still critical today in St. Vincent's Hospital, according to members of her family.

A resident of the Larchmont Area Apartments, she was taken to the hospital after she was struck by a train while walking with relatives.

According to the story the family has been able to reconstruct when she regained consciousness at intervals she was in the care of a crowd of sailors and apparently passed falling between the platform and the train. She was traveling alone.

The doctor reported today that "it is a miracle she is still alive" and said she undoubtedly would be in the hospital for a long time.

Restaurant Owner Injured In Crash

Nick Kliman, owner of the Pal Mar Restaurant in Larchmont, is recuperating in New Rochelle Hospital from lacerations of the chin, mouth and eye. He was struck shortly after 2 P. M. today when his car, traveling east on Palmer Avenue near the Duxbury, ran into a truck coming from the south on the north side of the street.

A bystander reported that Kliman said after the accident, that he was apparently falling asleep at the wheel. The front of the car was demolished.

The Weather

County Officials Join 300 Other Guests In Tribute To 2 Retiring Police Officers

Westchester County officials joined 300 other guests last night in a tribute to Sgt. Richard E. Gruba upon his retirement from the Larchmont Police Department at a testimonial dinner in Webster's Post Lodge.

The dinner was sponsored by the Policemen's Benevolent Association of Westchester County, of which Sgt. Gruba is the only member to have served four consecutive years as president.

Two weeks ago a Shore Acres resident asked in a path or route which was to be constructed on Harrison Avenue between the Post Road and the Danial Warner School so that children could walk up the hill out of the path of automobiles. Last night, Village Administrator William H. Johnson submitted a plan to the board showing that a wider path could be made on the side of the road near Jensen's greenhouse, he said, from the Post Road to the top of the hill. The board voted to begin the work soon.

The other project suggested by Mayor B. J. Santoro, involves the improvement of Spruce Street to a single parking area near the Holy Trinity School. Management provided the trustees with copies of a map showing the proposed lot on that street, of which are held by Westchester County and are tax exempt.

He was authorized by the board to contact the County to see if the deed can be conveyed to the Village, and the property owners to see if permission can be granted to change the zoning to improve the street for parking purposes.

The highlight of the season's first Court of Honor to be held by the Mamaroneck Boy Scouts Wednesday at 7:30 P. M. in the gymnasium of the Bellows High School will be the awarding of Scouting's highest honor, the Eagle badge, to Robert Fastigi of 700 E. 1.

Because of the many advancements at Camp Sweeney, the Fall Court is comprising for the number of awards made and all participants of awards are invited to attend. Merrill Holden will preside as chairman of advancement.

That's wonderful news," Mr. Gilbert said. "I was sure we had broken the August record, but I didn't realize we had done it."

The total weight was submitted by J. Bradford Hackett, county president, at 6:30 P. M. when conservation chairman, was 35 and a quarter ton or 75,000 pounds. The total the previous month was 30 tons or 60,000 pounds.

The next one-day drive will take place toward the end of November. Mr. Gilbert said, when an effort will be made to surpass even the 35 tons.

Wife Of New Pastor To Address Society

Members and friends of the Mamaroneck Chapter of the Christian Society tonight at 8:30 P. M. when Mrs. Julia Brown, wife of the pastor, will address the members. She will be introduced by Catherine Reilly, president of the society, who will preside at the meeting.

The board expects to have 100 percent representation at the Westchester County Realtors' Spring conference Oct. 18 at the Detrick, Basking Ridge, N. J. Houghton, president of the Mamaroneck board, presided.

Trustees Plan Improvements To 2 Streets

As the result of action taken last night by the Village Board, improvements will be planned for two streets used by the Larchmont Police Department.

The dinner was sponsored by the Policemen's Benevolent Association of Westchester County, of which Sgt. Gruba is the only member to have served four consecutive years as president.

The board voted to begin the work soon.

The other project suggested by Mayor B. J. Santoro, involves the improvement of Spruce Street to a single parking area near the Holy Trinity School. Management provided the trustees with copies of a map showing the proposed lot on that street, of which are held by Westchester County and are tax exempt.

He was authorized by the board to contact the County to see if the deed can be conveyed to the Village, and the property owners to see if permission can be granted to change the zoning to improve the street for parking purposes.

The highlight of the season's first Court of Honor to be held by the Mamaroneck Boy Scouts Wednesday at 7:30 P. M. in the gymnasium of the Bellows High School will be the awarding of Scouting's highest honor, the Eagle badge, to Robert Fastigi of 700 E. 1.

Because of the many advancements at Camp Sweeney, the Fall Court is comprising for the number of awards made and all participants of awards are invited to attend. Merrill Holden will preside as chairman of advancement.

That's wonderful news," Mr. Gilbert said. "I was sure we had broken the August record, but I didn't realize we had done it."

The total weight was submitted by J. Bradford Hackett, county president, at 6:30 P. M. when conservation chairman, was 35 and a quarter ton or 75,000 pounds. The total the previous month was 30 tons or 60,000 pounds.

The next one-day drive will take place toward the end of November. Mr. Gilbert said, when an effort will be made to surpass even the 35 tons.

Wife Of New Pastor To Address Society

Members and friends of the Mamaroneck Chapter of the Christian Society tonight at 8:30 P. M. when Mrs. Julia Brown, wife of the pastor, will address the members. She will be introduced by Catherine Reilly, president of the society, who will preside at the meeting.

The board expects to have 100 percent representation at the Westchester County Realtors' Spring conference Oct. 18 at the Detrick, Basking Ridge, N. J. Houghton, president of the Mamaroneck board, presided.

In 35 Air Missions

Holder of the Distinguished Flying Cross and Air Medal with three oak leaf clusters, First Lieut. Harry Bielweiss, son of Mr. and Mrs. Bielweiss, 50 Fountain Place, New Rochelle, formerly of Mamaroneck, is home on leave after completing 35 missions over enemy-held European territory.

First Lieut. Bielweiss served as a bombardier-navigator with the Eighth Air Force in England.

A graduate of Mamaroneck High School, Class of 1936, he enlisted in the Army Air Corps early in 1941 and received his silver wings and commission as second lieutenant in December, 1942, at the San Angelo Army Air Field, Texas.

First Lieut. Bielweiss was promoted to first lieutenant Aug. 20.

He will report Monday to Atlantic City, N. J., for reassignment.

Completing Navy V-12

Quarterback on the Yale University football team, Apprentice Seaman George Leh, son of Mr. and Mrs. Lester Jay Leh of 18 Bonnie Buxton Lane, Larchmont, will be completing his last term of the accelerated Navy V-12 program at the university.

AS LH, who played in last week's game against Cornell with a broken finger, is a graduate of the Storum King School where he captained the football team and participated in many other activities. Inducted into the Navy in June, 1942, he was called the following November.

He has two brothers serving in the armed forces: Pvt. Robert Leh, who has been in the Pacific area for nearly a year; and Quartermaster Lester J. Leh, who is serving as an instructor for the training of midshipmen.

Wins Combat Citation

A member of an infantry battalion headquarters company that has received a Presidential Citation for combat action against Japanese forces on Hill 22, Bougainville Island, at 776, John J. Egan, 27-year-old son of Mrs. Anne Egan of Taylor Lane, Mamaroneck.

He is in a pioneer platoon and is authorized to wear the Distinguished Unit Badge of a blue ribbon behind a gold-colored metal frame of laurel leaves. He has also been awarded the Combat Infantryman's Badge.

The collective display of courage, combat efficiency, and devotion to duty of the company will be a vital factor in preventing a enemy breakthrough which would have seriously threatened the airfields and other vital American installations," the citation concludes in describing the unit's part in repelling four major enemy assaults.

The citation has been received 10 months, having also served in New Caledonia and Guadalcanal.

Air Squadron Conducts Drive For Members

A drive for new members is being conducted by Air Squad Squadron No. 1 of Larchmont, according to an announcement made last night at the weekly meeting held at the Larchmont Aeronautics Apartments. Boys between the ages of 12 and 18 are invited to join by attending two successive meetings.

Among the projects planned for the future by this junior aviation group are trips to plane factories, airshows, stunts and air races.

The squadron is being instructed in communications by Lt. Donald W. Gray of the Naval Reserve in meteorology by Ensign Gerald Oakley.

Ensign Oakley is also serving as temporary scoutmaster until a permanent scoutmaster can be secured. Any civilian adult interested in volunteering for the post is asked to communicate with Ensign Oakley. There is also a need for eight to ten German flyers to teach navigation on Friday night each month.

Loxam Speaks To University Club Tuesday

Brian Loxam, well known sports broadcaster, will address the Mamaroneck University Club Tuesday night at the organization's annual dinner of the season at the Elks Club.

President of the Sports Broadcaster's Association, Loxam has headed three times weekly over the radio WGR with a roundup of the day's sports news.

He was born in Pittsburgh in 1907. He has 1,500 columns of sports news to his credit so far in his career, in addition to the fact that he has been a member of the WGR staff since 1935.

He went to Hobart and Cornell University where he starred as a football, basketball and baseball player and, about 15 years ago, when the sports department of the Journal began to produce a sports news program on the air.

His subject at the University Club meeting will be "Sports in the War."

Earl Nelson, president of the club, will preside and Edwin Doolley, of Mamaroneck, will deliver the invocation. Those who wish to introduce a speaker, should do so at the meeting at 7:30 P. M.

ERKED TO TRAVEL ON NAZIS

NEW YORK, (AP)—British Royal Air Force pilots are being urged to broadcast a message today through the International Union of Mine Workers urging German miners to demonstrate their solidarity with foreign workers and join their fight against Nazi tyranny.

The broadcast, recorded in Germany by the OWI, asked the German workers to prevent the flooding of mines and destruction of equipment.

18 Siren Basts Open One-Day Chest Campaign

400 Workers To Visit All Homes Tomorrow, 3-8

Tomorrow afternoon at 3 o'clock the siren will sound 18 blasts—one long blast followed by nine blasts, then four blasts and another four blasts.

This, counting off in sound the number 184, the siren will signal the opening of the 1944 Community Chest and National War Fund drive in Mamaroneck for \$23,500.

"The signal will mark the beginning of Mamaroneck's greatest experiment in civic giving," according to Arthur Dunn, Jr., Chest president, "for never before have we attempted to raise so much money in one day."

The drive will be conducted house to house by 400 campaign workers who will endeavor to meet their quotas by 8 P. M.

Revised district quotas announced today by Mr. Dunn and Earl Nelson, campaign executive director, are as follows:

Districts 1 and 2, conducted by the A. Mannoni Lodge, the Henry Rose Lodge and the Village Elks Lodge, 1,500; District 3, Albert Wilson, chairman, 1,400; District 4, Mrs. Annie Bush, chairman, 1,500; District 5, James Pastigi, chairman, 1,600; District 6, Peter C. Dorey, Jr., chairman, 1,700; District 7, Harry W. Bell, chairman, 1,500; District 8, Mrs. R. B. Savage, chairman, 1,600; District 9, Mrs. Walter Miller, chairman, 1,600; District 10, P. M. Dreisinger, chairman, 1,800; District 11, H. W. Dockert, chairman, 1,500; District 12, Mrs. J. O. Hart, chairman, 1,500.

Apartment house district, Everett Houghton, chairman, 2,000; District 13, 1,500.

Business district conducted by the Lions Club, 13,200.

Nearly 4,000 envelopes for contributions to the appeal will be distributed to campaign workers and most of these envelopes, it is hoped, will be returned to the headquarters during tomorrow afternoon and evening. From 3 P. M. to 8 P. M. the headquarters will be stationed in the Community Chest headquarters in the Village Hall to tabulate returns. Campaign workers contact all Larchmont workers at all Larchmont workers who have not yet been reached. All must be given the opportunity to contribute.

Larchmont's Chest Reaches \$27,723 Total

As the Larchmont Community Chest goes into the final days of its drive toward a goal of \$33,000, a total of \$27,723 in collections was announced last night by Caldwell Back, executive campaign chairman, at a report meeting at Chest headquarters.

"The results are encouraging," he said. "A real job remains to be done in order to put Larchmont over the top."

Over \$2,000 must be Wednesday before the drive ends Wednesday night, and it is important that workers contact all Larchmont workers who have not yet been reached. All must be given the opportunity to contribute.

"The response of the people of Larchmont to this appeal demonstrates once again their generous spirit in supporting the social and character building agencies in the Chest, as well as the National War Fund."

Urging workers to get their reports in "as soon as possible," Mr. Back stressed the importance of the supervisors providing complete returns for the final meeting on Wednesday, Oct. 15.

"We've made a splendid start," he said. "Now for a strong finish."

Deadline Extended On Army Uly Gifs

The deadline for mailing Christmas packages to servicemen overseas has been extended another day. Postmasters Lidoche Linahan and Frank L. Eggers announced this morning.

They may be mailed at the Larchmont and Mamaroneck Post-offices up to P. M. Monday.

Cummead Lead, Fire Exhibit At Stadium

Port Sloon's "Fire Department" composed of enlisted personnel and civilian firemen yesterday gave a demonstration of the use of different incendiaries on oil fire, new methods of extinguishing fire, use of life-belt and roping in conjunction with the National Fire Prevention Week program.

Addressing an audience that overflowed onto the steps and steps of the Chestnut Avenue School, Mr. Padman expressed the opinion that "any peace plan whatsoever falls to the ground" unless 70 million German human beings are first solved.

"In my opinion, Germany has no right to have a union, one of the most important of our time, and impossible, as a practical business corporation and not as a day-worship argument, these sovereign rights must be relinquished to a superbody representing all nations within the world organization."

Alternative peace plans discussed included the one proposed by Walter Lippman in "U. S. War Aims," a regional balance of power, or which Mr. Padman stated "would last no longer than perhaps a year or so." Mr. Lippman, he said, "knows too much past history and hasn't enough faith in the future."

He also rejected a peace plan based on a British-American entente, as well as the four-power pact.

"Safekeeping, checks and balances are out enough," he concluded. "If there are enough Germans in the United States to fill this audience here tonight, a monolithic structure of peace will be erected, and perhaps even in our time."

Dr. Commager concluded that world peace comes into the feeling and the thinking of the people of the world, and there is no blueprint for world organization which will guarantee it.

"There is no blueprint for peace," he declared. "There is no blueprint for war. If you ask 'What is the Constitution of the United States?' it does not tell as a nation and conduct ourselves as a nation, the constitution would not make us or keep us a nation, but it would be the spirit of the people."

PLAQUES AND GUNS TOWARD NAZI ATTEMPT TO REINFORCE BESEGED AACHEN GARRISON

25 P.M. Drop Recorded Below Total For 1940 At Town Polls

WEATHER IS BLAMED

Old man weather apparently got in the way of the heavy registration which expected for the Town of Mamaroneck yesterday. In the 10 districts in the Village where personal registration took place, only 1,854 voters turned out, only a 20 per cent decrease below the presidential year of 1940 when the first day's figures amounted to 2,341.

Last year when there was no major national contest, the first day's registration figures totaled 524.

Most of the districts recorded a steady appearance of registrants throughout the day except in District 2, 119, 210; District 3, 241, 286; District 4, 241, 286; District 5, 172, 181; District 6, 191, 219; District 7, 138, 185; District 8, 243, 283; District 9, 270, 280; District 10, 125, 182.

Registration, both in-person in the Village and non-personal in the unincorporated area continues the same at this point throughout the county. Nine communities showed a drop of 18 per cent from 1940. In the Town of York, 2,989 registered as compared with 3,694 four years ago.

Registration in Tonawanda, New Rochelle, White Plains and Rye fell off sharply. Mount Vernon showed a slight increase over 1940 and Peekskill where it was about one-tenth below a great gain.

In the Rye Neck Section of the Village of Mamaroneck yesterday's registration as compared with 1940 figures follows:

District 1, 160 (200); Dist. 2, 165 (200); Dist. 3, 205 (284); Dist. 4, 244 (285).

The registration in the four Rye Neck Districts yesterday totaled 774 as compared with 905 in 1940.

Declaring that there is no mid-air deal road between preparations for total war or total peace such as the Dumbarton Oaks proposals, Clifton Padman, radio lobbyist and member of the War Relocation Authority, said that the program of the War Relocation Authority, "Pledge for Peace" Committee, "is a second ceasefire last night at the meeting of the Larchmont Council for the Promotion of Peace."

Planning that the seeds of the future depend largely on faith in Russia and on an international organization in which the sovereign rights to declare war and to concede are relinquished by each nation to a "superbody."

Setting a new high in agreement between Peace Council forum speakers, Prof. Henry Steele Commager of Columbia University, who shared the platform on the discussion of "World Organization for Peace," was in almost complete accord with Mr. Padman's pronouncements, differing chiefly on the solution of the German problem.

"To start making peace," he said, "is to start making peace." Dr. Commager said, "Let's not insist on perfection, on an absolutely ideal organization. Every day of our lives we have to make compromise in order to live with our fellow men."

Addressing an audience that overflowed onto the steps and steps of the Chestnut Avenue School, Mr. Padman expressed the opinion that "any peace plan whatsoever falls to the ground" unless 70 million German human beings are first solved.

"In my opinion, Germany has no right to have a union, one of the most important of our time, and impossible, as a practical business corporation and not as a day-worship argument, these sovereign rights must be relinquished to a superbody representing all nations within the world organization."

He also rejected a peace plan based on a British-American entente, as well as the four-power pact.

"Safekeeping, checks and balances are out enough," he concluded. "If there are enough Germans in the United States to fill this audience here tonight, a monolithic structure of peace will be erected, and perhaps even in our time."

Dr. Commager concluded that world peace comes into the feeling and the thinking of the people of the world, and there is no blueprint for world organization which will guarantee it.

"There is no blueprint for peace," he declared. "There is no blueprint for war. If you ask 'What is the Constitution of the United States?' it does not tell as a nation and conduct ourselves as a nation, the constitution would not make us or keep us a nation, but it would be the spirit of the people."

Faith In Russia First Step To Peace, Commager And Fadiman Agree At Forum

Declaring that there is no mid-air deal road between preparations for total war or total peace such as the Dumbarton Oaks proposals, Clifton Padman, radio lobbyist and member of the War Relocation Authority, said that the program of the War Relocation Authority, "Pledge for Peace" Committee, "is a second ceasefire last night at the meeting of the Larchmont Council for the Promotion of Peace."

Planning that the seeds of the future depend largely on faith in Russia and on an international organization in which the sovereign rights to declare war and to concede are relinquished by each nation to a "superbody."

Setting a new high in agreement between Peace Council forum speakers, Prof. Henry Steele Commager of Columbia University, who shared the platform on the discussion of "World Organization for Peace," was in almost complete accord with Mr. Padman's pronouncements, differing chiefly on the solution of the German problem.

"To start making peace," he said, "is to start making peace." Dr. Commager said, "Let's not insist on perfection, on an absolutely ideal organization. Every day of our lives we have to make compromise in order to live with our fellow men."

Addressing an audience that overflowed onto the steps and steps of the Chestnut Avenue School, Mr. Padman expressed the opinion that "any peace plan whatsoever falls to the ground" unless 70 million German human beings are first solved.

"In my opinion, Germany has no right to have a union, one of the most important of our time, and impossible, as a practical business corporation and not as a day-worship argument, these sovereign rights must be relinquished to a superbody representing all nations within the world organization."

Alternative peace plans discussed included the one proposed by Walter Lippman in "U. S. War Aims," a regional balance of power, or which Mr. Padman stated "would last no longer than perhaps a year or so." Mr. Lippman, he said, "knows too much past history and hasn't enough faith in the future."

He also rejected a peace plan based on a British-American entente, as well as the four-power pact.

"Safekeeping, checks and balances are out enough," he concluded. "If there are enough Germans in the United States to fill this audience here tonight, a monolithic structure of peace will be erected, and perhaps even in our time."

Formosa Raids Cut Off Japs In Philippines

U. S. PACIFIC FLEET HQS. "PEARL HARBOR, (AP)—Japan's Army of 150,000 in the Philippines, severely harassed by guerrillas ever since the American invasion, was believed cut off from its main source of reinforcements at a bomb-ravaged Formosa which B-24s blasted today, after two days of carrier plane attack.

U. S. Japanese Imperial Headquarters communique reported that carrier planes hit the island today for the third day, in two morning attacks by 400 aircraft which preceded the B-29 assault.

Vern Haugland, Associated Press war correspondent, said that view was taken here of official reports showing upwards of 4,000 U. S. carrier aircraft pumpeled damaged ships, wiped out 200 planes and ripped Formosa's railway system to shreds. The carrier planes swooped within 100 miles of the China coast.

Tokyo Radio, while telling Japan of the raids, claimed six carriers and four warships were sunk by the Japanese navy. It also said that the Japanese navy had night the Japanese navy sank the carrier ship, the Japanese navy said, "The Japanese navy torpedo and bombing attack."

Four miles north of Aachen, tank-led German forces threw in strength yesterday, but several counterattacks were dispersed by Allied planes and artillery. Douglases including mobile guns and tanks.

East of Aachen, the Allied communication reported, German forces, 13 miles from the city of Aachen, had captured Hergen town, to regain ground lost earlier to a strong enemy counter-attack.

With Riga Won Soviets Turn On E. Prussia

MOSCOW, (AP)—Two powerful Red Armies were released today for a thrust southwest against East Prussia by all of the Late War city of Riga, had capital held by the Germans in the Baltic region.

Capture of the Baltic port was announced last night by Marshal Stalin. A city of 200,000, 1,500 to the troops of Gen. Andrei Yeremenko's second Baltic army and those of Gen. Ivan Malininko's Third Baltic Army. The city's fall was announced with the victory over 24 planes from 22 of the capital's guns.

Although the Russian command said nothing of a direct attack on German soil in East Prussia, Berlin reported massed Soviet troops in the East Prussia region at the port of Memel, a strategic Red Army attack across the New River in northern Poland on the lower side of East Prussia.

While the Riga battle was in progress, the Germans attempted an assault on the East Prussia at Palanga, on the Baltic coast in an attempt to break through the Red Army's line. The assault was repulsed and the Red Army planes shot down four of 24 planes in which the enemy approached. The communique said hundreds of Germans were killed or drowned.

Meanwhile the other Red Army forces in the south had steady progress through Hungary and Yugoslavia.

Bulk Of Smith Estate Goes To Children

Mrs. Catherine S. Quillman, 109 Highland Road, Rye, one of the five children of the late former Governor Alfred E. Smith, shares equally with three brothers and a sister all of \$5,000 of the estate of the late Gov. Smith, Oct. 5. The will was filed for probate in New York yesterday by Dr. Robert F. Warren, one of his personal action could be at the time of the late Governor's long-standing friendship with the "Happy Warrior" dating back to the days both were members of the State Legislature.

Mrs. Quillman's three brothers are Capt. Alfred E. Smith, Jr., now somewhere in the Southwest Pacific; Walter and Arthur Smith, and Mrs. Emily F. Warren, one of New York City. A bequest of \$5,000 was provided when the will was drawn Aug. 1 for his children, Mrs. Mary A. Olyn, Brooklyn, and Francis J. Quillman, of Rye, successives, as executor.

PLAQUES AND GUNS TOWARD NAZI ATTEMPT TO REINFORCE BESEGED AACHEN GARRISON

25 P.M. Drop Recorded Below Total For 1940 At Town Polls

WEATHER IS BLAMED

Old man weather apparently got in the way of the heavy registration which expected for the Town of Mamaroneck yesterday. In the 10 districts in the Village where personal registration took place, only 1,854 voters turned out, only a 20 per cent decrease below the presidential year of 1940 when the first day's figures amounted to 2,341.

Last year when there was no major national contest, the first day's registration figures totaled 524.

Most of the districts recorded a steady appearance of registrants throughout the day except in District 2, 119, 210; District 3, 241, 286; District 4, 241, 286; District 5, 172, 181; District 6, 191, 219; District 7, 138, 185; District 8, 243, 283; District 9, 270, 280; District 10, 125, 182.

Registration, both in-person in the Village and non-personal in the unincorporated area continues the same at this point throughout the county. Nine communities showed a drop of 18 per cent from 1940. In the Town of York, 2,989 registered as compared with 3,694 four years ago.

Registration in Tonawanda, New Rochelle, White Plains and Rye fell off sharply. Mount Vernon showed a slight increase over 1940 and Peekskill where it was about one-tenth below a great gain.

In the Rye Neck Section of the Village of Mamaroneck yesterday's registration as compared with 1940 figures follows:

District 1, 160 (200); Dist. 2, 165 (200); Dist. 3, 205 (284); Dist. 4, 244 (285).

The registration in the four Rye Neck Districts yesterday totaled 774 as compared with 905 in 1940.

Declaring that there is no mid-air deal road between preparations for total war or total peace such as the Dumbarton Oaks proposals, Clifton Padman, radio lobbyist and member of the War Relocation Authority, said that the program of the War Relocation Authority, "Pledge for Peace" Committee, "is a second ceasefire last night at the meeting of the Larchmont Council for the Promotion of Peace."

Mamaroneck Chest Goal In Sight As Day's Drive Yields Total of \$17,365

Additional Gifts Expected To Put Campaign Over

Incomplete returns today indicate that the Mamaroneck Community Chest reached its goal of \$23,500 in yesterday's one-day campaign.

At midnight last night cash and signed pledges totaled in the district campaign \$17,365.53. Credits from National Red Cross from gifts made outside the village which will be transferred to help local fund estimated at \$2,500. Other large assured gifts come to \$2,900.

The balance is represented by reserved estimates of district captains of donations still to be received from residents who could not be reached yesterday, but can be depended upon for contributions.

"An assurance that under certain conditions, the Mamaroneck Community Chest has reached its goal of \$23,500," Arthur Dunn, Jr., president of the Chest, said today. "I am visiting a well established principal of money raising. This is that you should never admit that you have succeeded until you have every cent in hand and only then after you have received contributions have been exhausted."

"I make this announcement advisedly and assume full responsibility for it. I am willing to go on to a limit to make this announcement because I have unlimited faith in the goodness, generosity and civic-mindedness of the people of Mamaroneck."

"My statement is made on the firm belief that those on whom we depend to contribute, who have not yet done so, will do so and generously. I believe that they will normally donate more than we have conservatively estimated. They will not let the Chest down after we have worked so hard in letting themselves down."

"With to call particularly attention to the splendid and noble spirit shown by you in your support of the Chest and National War Drive."

"Proper thanks to all who have helped in this campaign will be made in a formal manner later but today we want to draw attention to the splendid job so far performed by Earl Nelson, the executive director of the campaign, and his enthusiastic team of captains, lieutenants and solicitors who are working so hard to win up the campaign in record time."

"As an example of the fine work done throughout the entire campaign Mr. Nelson cited the Evelyn Court Apartments in Mamaroneck, which was the first group organized, composed of many well-known Mamaroneckers. It was the first district not only to meet but to exceed its quota. Pledged to raise \$500, Mrs. Hagan's district turned in \$631.70 at 8 o'clock last night."

"The same 10 songs in that district were received at the Union Savings Bank last night. Through the last week Mr. John Spader, Coast secretary, and Gabriel Wendel, treasurer, will receive these."

Mission Being Held All Week At St. Vito's

A parish mission is being held this week at the Church of St. Vito's, 111 West 11th St., New York. The Rev. Fr. Paul Army of the Society of Jesus, assistant director of the Youth Mission Bureau.

The services begin each evening at 7:45 P. M. and consist of the Rosary of the Blessed Virgin Mary, an instruction and a sermon followed by most instruction on the commandments of God. The instruction is not followed by a sermon.

Formerly active in the field of foreign missions, Father Army had worked in the Philippines and has been preaching Parish missions for the last three years. He also spent a year in special studies at Rome.

All members and friends of the parish, including non-Catholics, have been invited to attend.

RYE RECORDS DROP

Town of Mamaroneck voters turned out to the polls in large numbers Saturday night on a two-day total for registration that exceeds by about 800 the second day's figure for the last presidential year. Before the polls closed at 10 P. M., the two-day total had reached 8,505 as against 7,655 four years ago.

Saturday marked the first day of the non-personal registration in the six districts in the unincorporated area where last year's registrations are carried over except in cases of changes of address or new voters moving into the district.

The 10 districts which fell below the 1940 figures were the first, second, third, eighth, tenth and thirteenth. All the others showed an increase the largest recorded in the 17th where the total was higher than the second day in 1940.

The 10th and 16th districts in the unincorporated area are not comparable with the four-year ago record because the 10th has been reorganized since that time.

A new all-time record high registration for October—without adding the soldier vote—is in prospect for Mamaroneck.

After two days of listing eligible voters and with two more days available this Friday and Saturday, the net increase in six cities was 111,403 or two percent. The first day had shown a net decline of 10 per cent.

Both of both parties were cheered by the results and in New York City, where the polls were held on Saturday, the vote was behind 1940 they made plans to get more voters registered this year.

The increased registration in Westchester County, according to the publishers, judging by an examination of the gains by wards in Yorkville and the newly Republican town.

The total for the Town of Mamaroneck follows by district with the 1940 figures in parentheses.

District 1, 289 (284); District 2, 378 (398); District 3, 528 (540); District 4, 430 (460); District 5, 388 (387); District 6, 445 (470); District 7, 471 (460); District 8, 347 (342); District 9, 631 (623); District 10, 409 (460); District 11, 429 (429); District 12, 607 (583); District 13, 495 (513); District 14, 393 (364); District 15, 967 (647); District 16, 1,000 (947).

The Town of Rye figures show a slight drop. Whereas in 1940, a total of 4,849 voters were registered yesterday, the total was compared to 4,771 four years ago.

The two-day registration follows: District 1—348; 2—300; 3—433; 4—355.

German Radio Says Rommel's Wounds Fatal

LONDON, (AP)—Doubt over the fate of Field Marshal Erwin Rommel famed commander of the Afrika Korps and one of the ablest leaders in the German Army, was dispelled yesterday when the Berlin radio announced that he had died of wounds.

Rommel's death had been reported in the past by German officials and it was reported that he had been wounded in the stomach when his car was strafed by Allied fighters on Oct. 14. He was subsequently denied his death but his condition had suffered a brain concussion in a car accident during a strafing attack July 17.

14-Year Old Girl Missing From Home

The Joseph Castellucci of 223 Manhattan St., Mamaroneck, reported to the police last night that his 14-year old daughter, Arline May Coste, had been missing from home since 3:20 P. M. yesterday.

She weighs 120 pounds, is five feet tall, two inches tall and has brown hair. She is wearing a blue and white striped dress and a blue jacket.

Americans Edge Ahead By Blocks Inside Aachen

LONDON, (AP)—Allied forces cut into the German-occupied Rhine in Holland, clamped a two-edged grip on the sea entrances to Antwerp and fought to within 32 miles of the Rhine in the Vosges foothills today.

But along the Moselle the bitter battle inside Fort Princt ended successfully after ten days of close-quarter combat. American forces withdrew there before dawn Friday, it was announced today.

The fort, with its maze of underground passages, machine gun pillboxes and steel doors, had everything big American guns and planes could give it. Installations the Americans had captured were wrecked before the withdrawal from this heavily guarded French city of Metz.

At Aachen, in the tactic of the Western Front, the British and American troops fought off the third ferocious German counterattacks in 24 hours, the British and Americans were proceeding slowly with a steady advance intended to save American lives.

The Americans threw a German charge of Grenadier Guards and today east of Aachen, and in cold and bloody fighting turned back a counterattack from the city by Nazis crazily screaming "Heil Hitler" as they rushed the American lines.

Nazis Cut Off In No. Finland By Port's Fall

LONDON, (AP)—The German sea escape route from northern Finland has been cut by the capture of the Arctic port of Petsamo, and advancing Red Army tanks were reported today to have won an important road junction close to the Norwegian border.

The Soviet high command described the Petsamo victory as the first step toward the capture of the Murmansk area, and said it had been "captured after Russian forces had a supply route before Winter" and the drive in the Vosges, on the south of the long Allied front, aimed at clearing the snow range before Winter. Supreme Headquarters said the Sixth Army Group, comprising the First French Army and the Seventh American Army, had "gained momentum in its advance north of the Belport Gap."

Bid For Peace Puts Hungary Into A Chaos

LONDON, (AP)—Hungary has topped the list of nations to be included in the "Big Four" peace talks, according to a statement by Regent Nicholas Horthy's dramatic bid for peace.

Horthy's quick eclipse—at least in the Budapest Radio—by Count Ferenc Salaszy's last-ditch offer of a new German-Nazi ally, emphasized that Hungary was fighting for itself instead of against the invading Red Army.

Reports by Stockholm today said that in some places they were fighting the Germans too.

This all added up to a melting of the barrier between the Red Army and a great drive east Budapest to Vienna and a possible final decision in the east.

The Germans took quick measures to stave off the debacle but hurriedly building and common carrier, Hungary, pleaded for a "taboo" line, pleaded for a "taboo" line in County Court when arraigned on a 34-count indictment charging him with theft of \$3,000 in union funds on the pretense of bank salary.

Lozzi Denies Fraud Charge

WHITE PLAINS—Felix Lozzi, 39, recording secretary of Yonkers Local 60 of the International Brotherhood of Building and Common Laborers Union, pleaded innocent today in County Court when arraigned on a 34-count indictment charging him with theft of \$3,000 in union funds on the pretense of bank salary.

Lozzi was remanded to County Jail by Judge Frederick G. Schmidt pending trial. He made application to be released in bail.

Burning Steak Calls Larchmont Firemen

An undetermined number of red ponies were up in smoke yesterday, when a gas leak on a gas range at the home of Leroy Amy, 10 Linden Avenue, Larchmont, caught fire. The Larchmont Fire Department extinguished the fire at 1:10 P. M., with a few cups of water. Monday night, the fire department was called to a fire at the home of Leroy Amy, 10 Linden Avenue, Larchmont, which was extinguished by the fire department.

Japanese Throw Imperial Fleet Into Battle

U. S. PACIFIC FLEET COMMANDERS, PEARL HARBOR, (AP)—The Japanese announced yesterday that they had begun a new offensive against the Formosa campaign, followed new American raids on that island and Luzon.

The admiral issued a second communiqué in the evening but made no mention of the Formosa engagement, in recounting routine aerial strikes from the Kuriles to the Marianas. This indicated that radio silence prevented the Third Fleet from making further reports.

Cut in Tax Rate Seen For Town

Supervisor Forecasts Slash As Department Heads File Estimates

PAY BOOSTS SOUGHT

A tax rate of between 25 and 30 cents per thousand of assessed valuation is expected as a result of an anticipated reduction in the budget of the Town of Mamaroneck for the coming year unless "some unforeseen circumstances arise," Supervisor Owen A. Mandelville disclosed this morning.

The expected reduction will be effected within the assessed valuation of approximately \$1,000,000 in the assessed valuation of the town. The town's budget for 1944 is \$1,125,000 whereas the valuation upon which next year's tax rate will be based totals \$1,125,000.

Department recommendations are now being considered and must be filed with the town clerk before the end of the month in order to be filed with the Town Board before Nov. 10.

Slight increases in salary have been recommended by the assessment department, the highway department, the fire department, the police department, the supervisor said. The only other increase has been requested by the fire department, he continued. "It is a little short, but it is the only department causing any concern."

Changes in administration costs will be either cut out or the welfare department will be merged with the fire department, he said. "I think it is better to have a comfortable rather than a tight budget, as possible, looking toward a surplus. The supervisor pointed out that the contingent fund of \$5,000 which was placed in the budget last year over the protest of several taxpayers who said if it was there it would be spent, has not been touched.

The Town Board will prepare and file the preliminary budget before Nov. 10 and 15 and a public hearing will be held by the board after that date. The board adopts it within five days after the hearing.

Pct. Klein Sees Pope

Pvt. A. Norman Klein, son of Mr. and Mrs. Gustav C. Klein of West Avenue, Larchmont, recently spent a five-day trip in Rome. He visited the Colosseum, Vatican City and had an audience with the Pope.

"Rome is certainly a sharp contrast to Naples, Bari, Palermo and other beautiful cities I have seen," he said.

Pvt. Klein is an MP on duty with the 8th Army in Italy. He has been overseas 20 months and has been awarded two bronze battle participation stars, the Medal of Honor and the Purple Heart.

Home From Virginia

Pvt. Fred J. Saffron, son of Mr. and Mrs. Carmelo Saffron, of 715 Bradley Street, and brother of Mamaroneck mayor, returned from Virginia, where he is stationed with the United States Army Engineers Corps.

A former Bellows High School student, he was employed at the Rye office of the Westchester Building Company before returning to the service about six months ago. He will, the former Collette Franklin and their two children, reside at the Bradley Street address.

New Deal Hit By Dewey As 'Noisy Chaos'

SEN RICHARD L. ALBANY WITH DEWEY, (AP)—Gov. Thomas E. Dewey changed his campaign pace today in preparation for a forthcoming discussion of foreign policy issues after an applause-prompted declaration in St. Louis last night that the new deal offers only "deliberately planned, noisy chaos and meddling" the days ahead.

Albany said the New York Governor plans a "passionate" discussion of the question of maintaining future peace at the New York Herald Tribune Forum tomorrow night, an "independence from the full stride attitude" of President Roosevelt and the New Deal which he reviewed in St. Louis.

Dewey told a cheering crowd which overflowed the 1,000-seat Kiel Auditorium the New Deal has failed not only at home but abroad and demanded to know: "Can an administration which is filled with quarreling and backbiting where we can see it so very better abroad where we cannot see it? The crowd roared 'No'." (Continued on Page Three)

AP FLEET FLEES FOR SA BAHAE; NAZIS HURLED BACK AS AMERICANS RING AACHEN

British Advance Into Dutch Town Of Venray

BLAST COLOGNE AGAIN LONDON, (AP)—More than 1,300 American Flying Fortress and Liberator bombers pounded the western front communication and industrial center of Cologne today for the sixth time in six days.

LONDON, (AP)—U. S. troops in a night-long battle threw back the heaviest German counter-assault yet mounted east of Aachen, and at dawn today still held their lines completely ringing the dying city.

Fifty miles to the north, British forces fought into the Dutch town of Venray, eight miles from the German frontier, on a gateway to the Rhine-Ruhr region. Fall of the stronghold appeared imminent.

The Nazi counter-blow near Aachen struck forward late yesterday, and reached a peak near midnight, with fierce fighting north of Cruick Hill and Verlautenheide.

Revlin Radio declared the American forces were preparing an offensive, and the enemy command stepped up tempo of counter-blow along the front. German artillery was rained up in the attempt to hold U. S. forces in the sector near and above Aachen. American-British pressure increased along a 60-mile front from Venray to Aachen. An Allied tactical authority likened the situation to that which preceded August's Normandy breakthrough.

Tommy troops today to house for Venray, a few miles from the Mease (Moselle) River, and other columns approached from the north and east.

American tanks continued slow digging German out of successive advances of advanced German counter-blow east and northeast of the Siegfried Line city.

German broadcasts told of strong resistance at the average distance of a coming "Battle of Gelsenkirchen." This town is 10 miles above Aachen in Germany.

Canadian Army troops advanced more than a half-mile above Leopold Canal in the push to clear the German pocket south of the Scheldt Estuary, and open the approaches to Antwerp. The German defense line, running three miles below Breakers.

British Second Army, backed by 1,500 tanks, is "at the ready" in the Netherlands, waiting until it can be sure of a supply port.

Nov. 19 Slated As Next Paper Salvage Day

Mamaroneck's next newspaper salvage drive is scheduled to take place Sunday afternoon, Nov. 19, Charles P. Sillock, chairman of the drive, announced this morning.

All residents are urged to begin now to save and file their papers to avoid a rush and possible waste during the last two weeks. Mr. Sillock also appeals to all local organizations to keep the date free so that all possible help can be obtained from the members.

Assistance will be asked this time only from boys who are of Boy Scout age. Boys under 12 are a responsibility at the freight yards, Mr. Sillock said, and will be taken care of by the station during the November pickup.

An effort will be made to arrange the September record of 38 tons for New York.

The drive is conducted under the general direction of the War Council Salvage Committee of which the Rev. Frank Dean Gifford is chairman.

Company they will be 11 men who will take pre-industrial physical examinations in preparation for future industrial work.

The men who will enter the service tomorrow, all of whom are residents of Mamaroneck, 22 Madison Street, Angelo V. Franchi of 766 Alling Street and Mettine R. Levy, Jr., of 304 Travers Avenue.

Because of the size of the group there will be no formal ceremony or address made.

Members of the Draft Board are now meeting at the Barry Avenue School Monday night each week instead of Tuesday.

Ghosts Of Prohibition Days Revived As Many Dealers 'Bootleg' Gas To Keep Trade

BY MAUREN MCKERNAN In a low, careful voice the woman told him:

"The boss said you could fix me up for an extra gallon or so."

"Joe? Sure, How much?" the man answered.

"It's a little short, I'll have to be six."

"Anything you say," the woman replied.

Later, as she fumbled in her purse she said:

"A little more tomorrow, please."

Well, the Federals have been snapping around the last day or two. Not here but down the road. Six next week. Six gallons—that will be \$3. I take a chance, you know."

And so two law-breakers parted amicably to meet again, not over another point of bootleg liquor but over a prohibition line, sporadically, as their way of doing business might indicate, but over another five or ten gallons of black market gasoline sold without coupons and at more than twice the market price.

The first station was located in a village. (Continued on Page Eight)

Parents Pay For Damages To Windows

Damages amounting to \$38 for broken windows at the average disposal plant in Flint Park have been paid by the parents of four children who were apprehended Sunday in the act of breaking windows, according to Village Engineer Arthur Richards, who reported last night to the Village Trustees.

Trustee Harold V. Dossel presided in the absence of Mayor Frank J. Walker.

Damages have been repeatedly done to various buildings in Flint Park by the children. Mr. Richards said, adding they are destructive and have broken windows, doors and screens including those in the playhouse which was built especially for their pleasure and use. Parents would do well to caution their children of the proper use of the buildings.

Plans and specifications for the proposed addition to the Legion Club House in Flint Park in preparation for retiring servicemen will be considered at the next meeting of the Board.

The new art preserve plan which provides pressure for the fire alarm whistle on the Municipal Building will be installed upon the Board's approval.

A resolution was passed prohibiting the use of the trustees' meeting room for any purpose other than business except with permission of the Village clerk.

Wins Army Honors

Staff Sgt. Herbert M. Miller of 121 Prospect Avenue, Mamaroneck who is recuperating in a hospital in England from wounds received last July in the European campaign, has received the Infantry Combat Badge in addition to the Presidential Distinguished Service Cross.

Home On Sick Leave

Lieut. Raymond Scott of the United States Coast Guard has returned to his home in the 20-day sick leave following his recuperation at the Coast Guard base in Galveston, Tex., where he has been stationed for about 18 months.

He entered the service in 1942 and was stationed at Coast Guard headquarters in New York before going to the middle west to board his ship for New Orleans. When his present leave is over he will report to Tulsa, Okla.

Sgt. Dimando Promoted

Anthony E. Dimando, 1413 Arlington street, Mamaroneck, has been promoted to the grade of master sergeant. Son of Mrs. Maria Dimando, he landed in North Africa in December, 1942.

Sgt. Dimando is now serving as a first sergeant with the Mediterranean Air Transport Service in Italy.

A graduate of Mamaroneck schools and former employe of the Schaefer Brewing Company, he entered the service in the Spring of 1942.

Takes Bomber Course

Pvt. William Scott, Jr., son of William Scott, of 740 Orient Avenue, Mamaroneck, is completing his work in the AAF Training Command's B-24 Liberator bomber mechanics course at Keiser School, Biola, Minn. A former resident of Hawthick High School, the course will extend over a 12-week period, during which he will learn aircraft maintenance and emergency light procedures.

The training he will receive at Keiser's technical school represents the first half of the Army Air Force's education program which will prepare him for his duties with an air combat unit.

Arrives In England

Dr. Bruce M. Cameron, son of Mr. and Mrs. A. D. Cameron of the Chateaufort Apartments in Larchmont, arrived in England several weeks ago, according to news received by his parents. He is with an infantry replacement division in the United States Army.

A Mamaroneck High School graduate and former student at Yale University, he enlisted in the service in July, 1942, and received training at Fort Benning, Ga., and Livingston, La.

3-Day Period To Distribute New A Books

NEW YORK, (AP)—New basic A gasoline ration books will be issued two weeks into the public schools of Westchester, Orange, Suffolk, Rockland, Nassau, Dutchess and Putnam Counties. Regional OPA Administrator David P. Woolley announced today.

The date for registration in Westchester and Putnam will be Tuesday, Wednesday and Thursday, Oct. 21, Nov. 1 and 2, it was announced at the office of Leslie V. Bateman, district OPA administrator.

In the case of Nassau and Suffolk, basic, post offices and police stations will have a supply of application forms ready for distribution on Oct. 23. In Westchester and the other four counties, applications will be distributed through the public schools on Oct. 23.

Woolley said motorists must present a completely filled application form, the back cover of the A book signed by the applicant and the 1944 car owner's certificate. The speedometer reading of the vehicle must be indicated on the application, he said, or the A book will not be issued and the motorist will be referred to his local rationing board for clearance.

Renewals will not be handled by mail, Woolley emphasized, and applicants failing to apply during the issuance period must wait until after Dec. 1 before applying to local rationing boards.

Show Of U. S. Aerial Might In Holland Attack 'Simply Terrific,' Lt. Hanford Says

The display of "sheer aerial might" witnessed with awe by hundreds of thousands of Europeans in the theater of operations as the invasion of Holland began, is described by Lt. Robert B. Hanford, Jr., of Larchmont, Air Corps instructor officer serving in England, in a letter to his parents, Mr. and Mrs. Robert B. Hanford of 5 Summit Avenue, whose comment on the night of the "hardened veterans of EU" wonders.

Dated Sept. 19, Lt. Hanford's letter reads:

"... about the big kick I got out of watching the show of the past three days from our vantage point here. It was a way it was even more thrilling than D-Day — for I had not only witnessed the glimmers of the operations that took place. This time we had front row center."

"... about the night, at first a 10-15 mile front in the North Sea, then a million men were facing each other in the Netherlands ready for anything that may flare up at any moment."

U. S. Landing On West Carolines Atoll Revealed

WASHINGTON, (AP)—Destruction of 32 Japanese vessels, including seven warships, by American submarines, was reported today by Navy Secretary Forrestal.

The secretary also announced that 905 enemy ships have been sunk or damaged by the Third and Fifth U. S. Fleets in the last four and one-half months.

Plans and anti-aircraft guns of the Third and Fifth Fleets since last June have destroyed 5,000 Japanese planes, including 1,377 shot out of the air and 3,263 destroyed on the ground, he told a press conference.

The latest bog of the American submarines, he said, included three destroyers, three escort vessels, and a minesweeper, in addition to 25 merchant vessels of various types.

Zeiger Takes Oath As Head Of Post 347

Commander Henry B. Zeiger headed the slate of officers installed last night by County Commander Walter G. DeWey to lead Legion Post 347 of the American Legion for the coming year.

The largest audience of the year attended the installation ceremony and heard a proposed program for the coming year.

The new commander said he is designed to increase the services rendered by the post to returning servicemen, to increase the participation of the post in community affairs, and to increase Legion membership participation in the affairs of the post.

British Take Another Isle In Dodecanese

ROME (AP)—Two British destroyers landed forces which took the island of Serravalle at dawn yesterday after the Greek population on the island had "evacuated" the enemy garrison there, Allied headquarters announced today.

Located in the Dodecanese group, the mountainous island of Serravalle is between Crete and Rhodes. The island is 30 miles long and has a population of 8,000 people. Approximately 5,000 people live there.

The operation was carried out without opposition. The Allied command said Serravalle was taken "in the name of the United Nations" and that the landing was not opposed.

Denies Urging Aid To FDR

WHITE PLAINS—Earl C. Engel, 371 St. Paul, County and Municipal Workers of America, a CIO Union representing 400 county employes, and Albert A. Verri, counsel to Engel, today denied reports published yesterday that he had urged his fellow workers to adopt a resolution endorsing Roosevelt and Truman and pledging financial aid to the PAC and American Labor Party.

Mr. Engel asserted that, because he was presiding at the local's meeting Monday night, he had taken no part in the discussion and had not cast a vote on another resolution which put the issue on record against endorsement of any political candidate.

Mr. Verri said he was opposed to the resolution. He said that Maurice Casavetti, president of the Westchester CIO Council, and Michael DeLoe, president of the district representative of the State, County and Municipal Workers, urged adoption of the resolution endorsing the Democratic national candidate but it was tabled without a vote.

The endorsement committee announced a dance and County PAC program to be held American night. Jack Connolly reported on the program for future meetings.

OPA Rolls Rents Back To Aug. 1st

All County Residential Rentals Fixed At Level Of 3 Months Ago

MOVE HELD ILLEGAL

Regional OPA Administrator Daniel P. Woolley announced in New York on 9:10 yesterday that all Westchester residential rentals were frozen at levels in effect three months ago in the extension of rent control to the area on Nov. 1. The Real Estate Owners Association called the freeze "illegal."

Woolley said that landlords would be required to roll back any rents increased after the Aug. 1, 1944 freeze date.

A "defective factor" leading to the OPA decision on rent control to Westchester was "the overall picture of a substantial and sudden increase in rents" shown by a U. S. Bureau Statistics survey of six county communities.

Woolley said a survey in August and a check in September caused OPA to rule control was not justified.

The new survey centered in White Plains, Yonkers, New Rochelle, Mount Vernon, Scarsdale and Port Chester.

Woolley said the move was made after Essex Administrator Chester Bowles informed him of survey findings which he said "show that rents in the county have increased by 10 per cent or more since the freeze."

Earlier, on September 29, Bowles said that on the basis of rent surveys for the period from March, 1942, to August, 1944, no move to freeze Westchester under rent control was made unless a substantial number of rent increases materialized.

A graduate of Rye schools, Pvt. Dacey entered training last April going first to Keefer Field, Miss.

Trained primarily as a technical sergeant, he also studied in connection with chemical warfare, aircraft identification, and related subjects designed to fit him for combat duty.

Returned From Front: Signalman 2nd Lt. Louis Johnson, 18-year-old son of Mrs. Louis Johnson of the Chatsworth Gardens apartment in Lavender Hill, was transferred from the Mediterranean area where he participated in the invasions of Sicily, Salerno, Anzio and Southern France.

A former Manhattan High School student, he entered the service in May, 1942, and received naval training at Newport, R. I., Miami, Fla., and at Butler University before going overseas 18 months ago. He will be discharged 30 days on a rehabilitation leave.

Wins Conductor Medal: Cpl. John C. Mathison, son of Mrs. Catherine Mathison of 200 1/2 Madison Avenue, Mamaroneck, was recently awarded the Good Conductor Medal for his superior behavior and superior devotion to and performance of duty.

Cpl. Mathison is a crew with an aviation engineer unit building bases for Allied bombers in Italy. He received his military training at Fort Belvoir, Va., and then joined his present unit which has served in French Morocco, Algeria, Tunisia and Italy. Holder of the Mediterranean Theater ribbon with three campaign stars, he will shortly celebrate his second anniversary overseas. His wife, Mrs. Dorothy Mathison, lives at 481 Mamaroneck Avenue.

Phil Home From Front: Following seven months of service on the Burma, Italian and Russian fronts, as pilot in the Air Transport Command, Capt. Lee Ackerman has returned to the United States and is in Wilmington, Del., awaiting orders for a 20-day leave. His wife, the former Leslie Rogers, daughter of Mr. and Mrs. Herbert Rogers of Prospect Avenue, Larchmont, is a student at Vassar College and has joined him there, and will be expected to return to Larchmont.

Capt. Ackerman's first marriage took place last December and was previously overseas for a year and a half, leading to several places over from Florida, and to 299 of the 20th Bomber Squadron.

He enlisted shortly after Pearl Harbor, while a student at Harvard University, and received training at St. Joseph Mo.

REICH CITY FALLS On 12th Day Of American Battle

LONDON, (AP)—Front line broadcasts announced today the capture of Aachen by the U. S. First Army on the 12th day of the American battle for the German city of 165,000.

The city is 60 miles from the Rhine, and had a peacetime population of 165,000.

The doughboys had been attacking since Sept. 15, and for two weeks they had engaged in street fighting with bazookas, bayonets and hand-to-hand combat.

Aachen was hit by a mass of wreckage by fanatical German resistance.

German officers, many of them not long back from the Russian front, threw away their lives to gain another last chance for their iron crossing warfare for vanity.

The last convulsive gasp of resistance in the center of the city was at a large stone building in which 100 SS men had barricaded themselves in defiance of artillery which had pressed the defenders back to the main crossing square.

Troops under the command of Lt. Col. Merrill Daniel of Geneva, N. Y., knocked out the last Nazi stronghold at 2:30 P. M. with 4.2-inch fire from a 155mm. gun. The gun literally knocked down the building, thus allowing the capture of the city.

LONDON, (AP)—Canadian infantry and armor struck out in a new offensive through the mud and marshland south of Antwerp yesterday, after the British and American salient being built by the Allies.

At the same time French infantry fought along the ridges of the Vosges at the southern end of the Allied line, outflanking the village of Vesoul.

Reich City Falls On 12th Day Of American Battle

LONDON, (AP)—Front line broadcasts announced today the capture of Aachen by the U. S. First Army on the 12th day of the American battle for the German city of 165,000.

The city is 60 miles from the Rhine, and had a peacetime population of 165,000.

The doughboys had been attacking since Sept. 15, and for two weeks they had engaged in street fighting with bazookas, bayonets and hand-to-hand combat.

Aachen was hit by a mass of wreckage by fanatical German resistance.

German officers, many of them not long back from the Russian front, threw away their lives to gain another last chance for their iron crossing warfare for vanity.

The last convulsive gasp of resistance in the center of the city was at a large stone building in which 100 SS men had barricaded themselves in defiance of artillery which had pressed the defenders back to the main crossing square.

Troops under the command of Lt. Col. Merrill Daniel of Geneva, N. Y., knocked out the last Nazi stronghold at 2:30 P. M. with 4.2-inch fire from a 155mm. gun. The gun literally knocked down the building, thus allowing the capture of the city.

LONDON, (AP)—Canadian infantry and armor struck out in a new offensive through the mud and marshland south of Antwerp yesterday, after the British and American salient being built by the Allies.

At the same time French infantry fought along the ridges of the Vosges at the southern end of the Allied line, outflanking the village of Vesoul.

The British Second Army, fighting from the German west coast, captured the town of Brest, 130 miles east of Brest, in a further step at two o'clock yesterday.

War Loan Goal Set At \$1,000,000

Plans Mapped For 6th Mamaroneck Drive To Start On Nov. 20

Now In Two Parts

Mamaroneck's quota in the Sixth War Loan drive beginning Nov. 20 and ending Dec. 15 is \$1,000,000, according to an announcement by Gabriel Wendel, chairman of the Mamaroneck War Finance Committee, following a meeting of the committee last night. Also discussed were plans for the Blue Star Brigade, rallies and other activities which might be deemed necessary in order to carry out the drive as well as in previous drives.

The quota is divided into two parts. Mr. Wendel pointed out that the quota for individual participation is \$450,000, an increase of \$100,000 over the Fifth War Loan drive. The quota for corporations is \$550,000, a decrease of \$100,000.

"Everybody buy an extra \$100 bond for this drive is \$100,000 less than last June," Mr. Wendel said. "We will not stop at \$1,000,000. Last June and July we raised approximately \$1,200,000 for the War Loan drive."

"The slogan for this drive is 'Everybody buy an extra \$100 bond during the drive.' This is more than on all former drives. It is more than necessary now with the war on and the need for more supplies beyond imagination. Our armies are moving ahead. We at home must move along with them and supply the money necessary to provide them with all of the necessities they need."

"Deposits in savings accounts continue to swell, but the sale of War Bonds, for it is the War Bonds which keep the war machine moving forward for all of us and which will win the war for us."

The Blue Star Brigade, Mr. Wendel pointed out, comprises all the members of the community who are selling War Savings Bonds. The chairman of the committee said that he had bought now and kept to maturity. It was an important safeguard of the money which members of the armed forces are willing to give their lives for. The Blue Star Brigade has been formed in the community and full details will be announced at a later date, he said.

Mr. Wendel told the committee, merchants will be asked to cooperate to the limit in the form of window displays and in donating a portion of their own stocks of bonds. He told the group that he expects to announce the names of a committee to work with the merchants toward this end.

"That committee should have as chairman, Mr. McDonald, Union Savings Bank; Charles G. Gorman, manager of the Playhouse; E. J. W. Houghton, Leo Heitman, Mrs. Mary Ingraham and Arthur Dunn, Jr."

In addition, the following are also members of the war finance committee: Mayor B. J. Sanborn, Albert Wilson, treasurer of the Mamaroneck Federal Savings and Loan Association; Postmaster Leader Leitch; Mrs. Margaret Donaldson; Mrs. Leonard Le Vene; Donaldson; Taylor, James Ginn; Edward Martoglio, Dr. Sol Shapiro, and Joseph C. McLean, principal of the Mamaroneck Senior High School.

Mamaroneck Board Orders Check-Up On Taxi Service After Hearing Complaints

Two Sentenced For Violation Of Health Law

A general "checking up" of taxi cabs in the Village of Mamaroneck may result from a discussion at the Village board meeting last night when, after complaints were voiced by two trustees, Village Manager William H. Johnson and Police Chief Arthur W. Martens were asked to check on the service being given local residents.

After Trustee Edwin B. Dooley complained of the "confusing manner" in which the drivers swing to the left side of Halsted Avenue, the board ordered the parking space at the tracks, Trustee Edward J. Kuhn said that he had been informed by two girls recently that a taxi driver had refused to take them to the station and arranged a rainstorm later in the evening.

Mayor B. J. Sanborn asked him to determine the identity of the driver, if possible, adding, "Either the taxi driver or the girls who do not want to pay for the ride."

The mayor also stated that complaints have been received about drivers who are called to a residential area, parked in front of a door, sit in the cab and blow the horn to summon the person who is called the cab.

Treasurer Frederick H. Hill, Jr., reported that of the 271 bills sent out for special assessment tax arrears, 35 have been paid, representing a total of \$2,317.85. The entire amount outstanding on the accounts is \$34,380.77.

Mr. Hill reported that, of the 35 paid accounts, all but one have been on property where the regular taxes have been paid through 1943. In such cases, the interest and penalties on the special assessment taxes have been waived.

Upon motion of Police Chief Arthur W. Martens, Mr. Hill reported that he had received a communication asking what they intend to do with the 100 properties on the Corporation Counsel Anthony Sanborn's list.

U. S. Liberators Free 11 Towns Of Jap Control

GEN. MACARTHUR'S HQS, PHILIPPINES, (AP)—American liberators of 11 towns in the Central Philippines drove ahead on Leyte Island today through almost impassable muck and bitterly resisting Japanese.

(Press dispatches from the front to the Melbourne Herald in Australia reported an American tank column had established a bridgehead on Samar Island, the link between Leyte and Luzon Islands.

The Herald's correspondent, Blaine Fielder, reported the tank column ferried across across the Juanico Strait Monday from a highway point above Tacloban, but was held up by a Japanese provisional staff of the Constitutional Philippine Government.

Fielder's report came from Tacloban, cleared by military engineers, said Gen. Douglas MacArthur, who is in the Philippines, and on northern Leyte to send his troops to the fifth island to be in the south than the Japanese, and sometimes led the advancing tanks without the support of their own tanks.

Marked progress was reported today in a communication from the U. S. Army, which also reported that the advance was more muddy road.

Two Days Set For Larchmont Paper Pick-Up

Wednesday and Thursday of next week, Nov. 1 and 2, are the days scheduled for the next paper garbage collection in Larchmont and the Town of Mamaroneck, according to an announcement by Mrs. Herbert Rogers, village chairman, and Mr. Fred Buxbaum, town chairman.

Salvation Army trucks will make the rounds, collecting tin cans, rags and metal, as well as paper, machinery or other articles of great bulk are asked to call the Consumer Center, Larchmont 5-1095, for assistance in solving their problems.

"Put out every available scrap of paper from attic to cellar," urges Mrs. Rogers, who reminds residents that paper must be properly wrapped and securely tied. The material should be cleaned and processed before being put out.

In cases where the Salvation Army fails to call, Larchmont residents should notify the Consumer Center.

Simpson Takes New Post In St. Petersburg

Train A. Simpson, president of The St. Petersburg Chamber of Commerce and Industry, Inc., and a resident of Larchmont for 15 years, will become advertising manager of the Poynter publishing and radio interests in St. Petersburg, Fla., Nov. 1.

The interests include the St. Petersburg Times, radio station WTSP and a weekly state paper the Floridian.

In announcing his plans for the future, Mr. Simpson, who has been associated with Times and Simpson for 20 years and has been president and general manager since 1938, said that the company will continue under the direction of the late Mr. Poynter, but that both will be continued without change of name and these will be no major changes in personnel, except some additions to the sales staff.

Mr. Simpson started his advertising career with N. W. Ayer and Sons of Philadelphia in 1920 and was later employed by the Richard Polley Company of Philadelphia. He came to New York in 1924 to become associated with S. C. Thiel and became part owner and vice president four years later when the company became Times and Simpson. He was elected president in 1936 and later acquired Mr. Thiel's interest in the company.

The Simpsons have resided for seven years at 49 Iloilo Terrace, Larchmont. Mr. Simpson has been active in civic affairs, Red Cross work and the Parent-Teacher Association. They have one daughter, Barbara, who is at Syracuse University, and a son, Dick, a sophomore at Mamaroneck High School.

Canadians Gain In Fight To Seal Schelde Estuary

LONDON, (AP)—British troops stormed into the outskirts of the Dutch communications center of St. Herikogenbosch today and Canadian forces to the west plunged closer to Roosendaal in the blazing battle to clear the Germans from the vicinity of the Belgian port of Antwerp.

A dispatch from Supreme Allied Headquarters in Paris said today that Canadian units fighting to break the south bank of the Schelde Estuary held the ferry port of Brekin Army today and were along or across a road all the way to Roosendaal, three miles south of Brekin. The Germans have been squeezed into a pocket in this area.

An earlier dispatch had reported that the Canadians and British broke Sunday had withdrawn from the town and that a confused situation still existed. There, demolition patrols which moved about half-mile beyond Brekin to Port Frederik Hendrik withdrew, presumably leaving that beachhead coastal batteries out of action. Neither side was occupying the fort, the Paris dispatch said.

North of Antwerp Canadian troops cut the causeway leading to the islands in the Schelde Estuary. Their artillery previously had been firing at the causeway. Along the main 47-mile front the British and Canadians pressed the Allied pressure against the German armor and the winter's sharpness of the weather which has hampered the Allied armor forces.

Reports indicated that the British and Canadian troops were suffering from lack of artillery support.

400 Towns Fall In New Soviet Drive In East

MOSCOW, (AP)—Russian penetration of German territory to a depth of at least 10 miles in East Prussia was proclaimed today in the first major announcement of a powerful Red Army offensive that already has captured 400 East Prussian towns and villages.

Soviet bulletins announced that the Red Army had occupied all of Memel territory except the port of Memel itself, where the German garrison was cut off, and had massed along the Niemen River, a German frontier town on the Baltic to Jurbarke in Lithuania.

Cherniakovsky's offensive, which he was leading, had occupied only 15 miles east of Insterburg, East Prussian capital.

The Red Army's last night had reached the Anzperg River, it miles east of Insterburg, for a total penetration of 35 miles inside East Prussia.

Front dispatches said elements of Hitler's new Home Guard, mobilized in East Prussia, were manning 16 to 20, had been killed and wounded in a hub of breakthrough in East Prussia.

C., for basic training in the United States sophomore at Cornell University at the time of his induction, he was majoring in chemistry, and was a member of the swimming and rifle teams. He is a graduate of Mamaroneck High School, where he was captain of the swimming team.

Yanks Advance Near Bologna

ROME, (AP)—Fifth Army troops found out important gains along the mountainous southern approaches to the Italian campaign.

Actions hub of Bologna while the Eighth Army rolled through nearby German resistance in the Adriatic end of the Po Valley.

After a week of bloody fighting in the mid-borough Apennines, American doughboys overcame the Germans from Monte Belvedere, a mountain key to the enemy's defenses of Bologna. The Americans said it against concerted attacks.

At the eastern end of the Po Valley all German resistance now has ceased in the triangle formed by the Savio River as it turns northward from Cesena to the Adriatic.

U. S. TAKES OVER

WASHINGTON, (AP)—The Government today took over the Lord Manufacturing Company, Larchmont, Pa., through an executive order which said the company bowed prices on a government contract and "willfully refused and failed" to supply war material under a previously agreed-to price.

KILLED IN ACTION

VALIALLA, (AP)—Sgt. Daniel Sullivan, 30, son of Mr. and Mrs. Daniel Sullivan, of 9 Wall Avenue, was killed in action in France on Aug. 27, the War Department informed his parents in a telegram.

Platt Sets Dewey Lead At 80,000

GOP Nominee To Break County Record Held By Wilkie, He Predicts

HICHER MARGIN SEEN

Thomas E. Dewey will carry Westchester County on Nov. 7 by a majority of at least 80,000 votes, it was predicted this morning by Republican County Chairman Livingston Platt, of Rye.

"We couldn't believe the figures if we were to base a prediction on this year's registration as applied to majorities given Hanley for lieutenant governor last year and Dewey for governor in 1942," said Chairman Platt. "If we did so, we would arrive at a majority figure which would be 100,000."

The record majority ever given any Presidential candidate at any election by Westchester was the 72,769 given Wilkie in 1940 over Roosevelt. That was on a registration of 317,000, while present registration figures, not yet officially tabulated, indicate a 1944 registration of 316,000.

Chairman Platt, considering these comparisons of 1940, 1942 and 1944, was apparently sure that he was conservative in his 80,000 figure today. Other Republican leaders have indicated a belief that the Dewey majority in Westchester would go as high as 90,000. The previous all-time high GOP majority in Westchester was that of former County Judge Harold Mercer, of White Plains, whose re-election in 1940 by 60,000.

"We promised Mr. Hanley last year a majority of 60,000," added Chairman Platt in his statement today. "I told him we would try to reach 80,000, and that might even reach 90,000. As a matter of fact, it exceeded even that figure."

Can This Be October With Lilacs Bloom?

When you smell the musky incense burning late this time of year—or the pungent scent of an apple or the spicy fragrance of pumpkin pie, you know it's the end of October and holiday time is beckoning. And that all the traditional trappings of autumn are in the air. That's what you expect on Oct. 25.

But down in a secluded corner of Larchmont, autumn has been brought back to us by the month on the calendar has no meaning at all—because the delicate fragrance of lilacs fills the air. In being brought through the window of the Albany Hotel, a residence at 10 North Lane as though the earth were opening for the soft month of May.

Double white lilacs, planted at the house seven years ago, are in full bloom today. The lilacs are in full bloom today. The bushes are still barren of leaves but small green buds are beginning to swell along the stems.

So the old familiar scent of smoldering leaves, Fall apples and pumpkin pie can ride with the wilches on the October air—both 80 or so far.

The lilacs are blooming in Larchmont.

That's Gold To Be Found Loose On Purchase St.

FOR CHASING, 10, or 25 worth street, Rye, reported by Rye police yesterday afternoon that a small amount of gold was found lying in the vicinity of the Rye Playhouse and the Baltimore Pharmacy.

Two hours later, Joseph Kirby, Rye's police sergeant, reported the loss of three \$1 bills on Purchase Street, Rye, in the vicinity of the Westcott's store.

2 Mamaroneck Men Share In Army Award

Performances on the firing line by two Mamaroneck men recently contributed toward the capture by their anti-aircraft batteries of the Japanese aircraft carrier, the result of a month-long competition among automatic weapons crews in the Pacific approaches to the Panama Canal.

They were Pfc. Newberry E. Haviland of 812 Grove Street and Pfc. Alfred Larsen of Old Post Lane.

The son of Mr. and Mrs. Clements Haviland, Pfc. Haviland who is 20 years old, is a member of a range section in Capt. Doyle's battery, which achieved the highest score. He is a former Bellevue High School student and has been in the service since Oct. 1942. He spent 14 months in the Galapagos Islands before returning to the States.

Pfc. Larsen, who has been in the service since Oct. 7, 1942, is a member of the same range section. He is a former Mamaroneck High School student and has been in the service since Oct. 1942. He spent 14 months in the Galapagos Islands before returning to the States.

Lions Learn Of Holland's Plight In War

Holland, her position in the pre-war world, her suffering during the war and to what she may look forward in the post-war world was discussed by Dr. Bartholomeus Landheer of the Netherlands Information Bureau for the Lions Club following the luncheon meeting at the Elks' Club yesterday.

Dr. Landheer said, in his presentation, that the standard of living was high and it would compete with the United States on an equal basis. He stated that during the war, Holland has suffered considerably, he pointed out, that several hundred thousand engaged in underground activities, and that many have been killed and 25,000 are in prison or concentration camps. More than 400,000 have been transferred to Germany under forced labor, 150,000 have been killed, 2,000 had been executed up to the end of 1943 and 700 had been killed in 1944. He said that large areas have been destroyed, and that many people have been moved to other areas because of military reasons, the speaker stated.

Probably about 40% of Holland has been inundated by the sea, he said. Large areas have been destroyed, and that many people have been moved to other areas because of military reasons, the speaker stated.

British Push Through Dutch Road Junction

LONDON (AP)—British troops, turning flamehoes against German bunkers, struck through the big Dutch road junction of 'S' Hertenbosch in mop-up operations today, and the Germans fell back in retreat on a line far above and behind that key city.

'S' Hertenbosch was captured except for isolated enemy pockets in a foot dispatch, and supply roads leading north and south were snipped.

Even as the British pressed in the eastern end of the German line, Canadian troops in the western end made progress in two drives to clear the water approaches to Berghout, Rosendael and Antwerp.

The enemy was reported making local withdrawals toward Breda and Tilburg, middle strongholds of their line across southwestern Holland from the coast west of Hertenbosch.

Another Canadian column, striking westward, advanced slightly farther into the tip of South Beveland Island, German guns there and on adjacent Walcheren Island command the Schelde Estuary Lake to Antwerp.

One Canadian column advanced in the diminishing Brekens pocket of the southern shore of the island opposite Walcheren Island. Pfc. Fredrick Hendrick north of captured Brekens port was injured, said a front report. Below the Dutch coast, the enemy threatened the whole German land below the Maas River.

Holla Cites Local Penalty As Warning

WHITE PLAINS—According to the complaint yesterday in Mamaroneck of two persons for violation of the state health law, Health Commissioner William A. Holla warned today that prosecutions will be instituted in every case of refusal by sufferers from social diseases to attend clinics for treatment as ordered.

Dr. Holla said there has been considerable trouble recently with clinic patients who refuse to carry out instructions for treatment and that there have been several instances in which it has been found that the disregard of instructions has resulted in the transmission of the disease to others.

In Mamaroneck yesterday, Police Judge Patrick J. Hughes convicted a man and a woman on Dr. Holla's complaint and sentenced each to serve 90 days in Westchester Reformatory and a fine of \$100, plus provision for an additional day in custody for each \$1 of the fine not paid.

SEDAN DAMAGED IN CRASH

NEW YORK, (AP)—A sedan was damaged today in a crash on the Westchester Turnpike near the intersection of the road and the New York State Thruway. The car, a 1942 Ford sedan, was driven by a driver who was not injured. The car was damaged beyond repair and was towed to a nearby garage.

ICE MONOPOLY Is Denied By P. A. Buehrman

NEW YORK—Peter A. Buehrman, of Rye, a director and secretary of the American Ice Company, Inc., of Hoboken, N. J., and a vice president and a director of the American Ice Company, Inc., of Hoboken, N. J., today denied the charge that the company had a monopoly on ice in the New York City area.

Buehrman said that the company's business is not a monopoly, but a competitive industry. He said that the company's sales are distributed among a number of different companies, and that the company's prices are determined by the market.

Miss Ferris Dies At 97

Miss Mary Elizabeth Ferris, born in Greenwich in 1847, died yesterday at her home, 245 Mill Road, Rye. Miss Ferris, who spent all but two years of her life in Greenwich, was the widow of the late Samuel and Francis Louis Zerkowich Ferris, and was born in the Ferris home, now a Boston Post Road landmark.

Two years ago she moved to Rye to reside with friends. Mrs. John O. Mastine, surviving son, who is 84 years old, and Miss Helen, who is 80, are also in Rye. She is survived by a son, Mr. John O. Mastine, and a daughter, Mrs. Helen Mastine.

Captured Medical Corpsman Cares For Wounded Nazis Before Making His Escape

WITH THE AMERICAN RED CROSS IN ENGLAND—When an American airborne medical corpsman is captured by the enemy, he keeps right on being a medical corpsman.

Corporal James Terman of Mamaroneck, jumped into Normandy six weeks before D-Day, and like a lot of other paratroopers, couldn't get back to his division.

When unarmored, they hid in a hedgerow, but the Germans kept shooting at them all night, so they had to make a dash for it. When they came out to get them in the morning, they were looking for a man who was not there. They were looking for a man who was not there.

Shank Remains As Head Of Scout Council

Edwin A. Shank of New Rochelle, was unanimously re-elected president of the Scout Council of Westchester County, N. Y., at a dinner meeting last night at the Wykagay Country Club, New Rochelle. Approximately 200 were present.

Captain George Michael Gama, head of the American Red Cross, spoke on the Boy Scouts of Great Britain and how they were developing close friendships with scouts of other countries, which will help make good soldiers when the war is over. The Scouts in England have done as much good for the war as any other organization has done in Germany, he said.

Carrier Sunk As 3-Pronged Naval Battle Rages

U. S. PACIFIC FLEET HQRS, PEARL HARBOR—Carrier planes of the U. S. Third Fleet have sunk a large Japanese carrier, damaged two other large carriers, five or six battle ships, one cruiser and several other unidentified warships in a great three-pronged naval battle which is still continuing near the Philippines.

The U. S. S. Princeton, a light carrier in Adm. William F. Halsey's force, was lost when, already badly crippled, her magazines exploded and she had to be sunk by American ships.

No mention was made in the 1:30 A. M. communique issued by Adm. Chester W. Nimitz of any great sea battle between American fleet units and the Japanese fleet, as claimed by the Japanese since late yesterday.

The Tokyo Radio has admitted the loss of two cruisers and a destroyer in the action which claims to have sunk 11 ships and damaged five others.

The Princeton's captain and 1-1/2 of her officers and men were rescued. The completion of the carrier is not listed but is probably around 1,500.

Reds Driving OverThreshold Of Slovakia

MOSCOW, (AP)— Russian mountain troops were driving across the threshold of Slovakia today after virtually completing the conquest of Hungary's Carpathian Mountains by way of the Tsk Pass on an accelerated effort to reach the isolated Czechoslovak patriot resistance forces at Banska Bystrica, 140 miles west, now linked with the Allies only by plane.

Twenty-five miles north of Umgava other units of Petrov's army penetrated six miles into Slovakia, capturing the town of Starina, in the Cirok Valley, 110 miles northeast of the city, taken along with 48 other localities in Western Slovakia.

Official Count OnRegistration Set At 316,853

WHITE PLAINS—Official registration of 1944 voters in Westchester county, including the soldier war veterans and differing only slightly from the unofficial figures compiled by this newspaper last week, is 316,853, it was announced today by the County Board of Elections. The unofficial tabulation of last week was 316,723. The 1940 registration, for comparison, was 311,261.

The 1944 total, it was admitted, may contain some duplication. This would lie in the portions of the county not included in personal registration in Westchester, small villages and unincorporated areas of towns, where the 1943 registration was automatically carried over. Where such names carried over include those of soldiers who receive absentee ballots, there is possible duplication, although the names will be checked when the names will be checked on the 1944 list.

The official registration figures show 148,673 registered in the 16 towns and 150,175 from the six cities of the county. The registration by cities and towns individually follows: Cities: Mount Vernon, 32,737; New Rochelle, 27,592; Peekskill, 7,615; City of Yonkers, 117,174; White Plains, 20,661; Yonkers, 32,258. Towns: Bedford, 8,523; Cortlandt, 9,400; Eastchester, 11,720; Greenburgh, 28,830; Harrison, 4,600; Lewisboro, 1,375; Mamaroneck, 10,394; Mount Pleasant, 14,411; New Castle, 5,337; North Castle, 2,578; North Salem, 903; Ossining, 2,660; Putnam, 7,433; Pound Ridge, 785; Rye, 10,410; Scarsdale, 7,541; Somers, 2,614; Yorktown, 2,919.

Voters Get Invitation To Try Out Machines

All voters, regardless of party affiliations have been invited by the Mamaroneck Village Democratic Club to try out the voting machines which have been installed in the headquarters, 214 Mamaroneck Avenue, and also at the Larchmont office of the Roosevelt Committee, Westchester, at 1363 Palmer Avenue, Larchmont.

Nation Needs F. D. R., Rally Audience Told

A concise Roosevelt administration program for winning the war, meeting demobilization and monetary problems, for a constructive peace program, was given last night by John Thomas, Jr., Fortune magazine writer, as the prime reason for the support of the present administration.

Mr. Davoport spoke before an audience of 40 residents primarily of Freshman's Hill, at the Shore Acres, Mamaroneck, at the home of A. M. Karl, 135 Norman Avenue, on Wednesday night. Mr. Davoport, who is a member of the Rye Committee for Roosevelt, criticized the Republican international policy plan as a "no-ho-ho-ho" growing out of them by the campaign.

The question of trust enterprises and its role, he said, is not valid at the moment. "Free enterprise and democracy will not survive under the present Government. But the war is not over, and the winning of the war is the question now. It is the operation of a system which will win the war, he said.

Mr. Davoport, brother of Russell W. Davoport, who was campaign manager in 1940 for the late Wendell Wilkie, criticized the Republican international policy plan as a "no-ho-ho-ho" growing out of them by the campaign. He said that the great issue of the war is the winning of the war, and the winning of the war is the question now. He said that the great issue of the war is the winning of the war, and the winning of the war is the question now.

Commenting upon the Berlin World conference which he covered for Fortune magazine, Mr. Davoport noted that the American Bankers Association and the New York Business Association named committees to study its results and to report to their respective organizations, although the Republicans derided and ignored the report on there.

"Touching upon the tariff question, Mr. Davoport declared 'in the past our tariff has been one of extreme importation trade which has been said or done by Dewey in the past, international peace cannot be maintained unless there is an interesting trade.

The Republican record and promises on the tariff question are destructive of that goal, he said, asserting that so far nothing has been said or done by Dewey to indicate that he would do anything but keep the tariff question into the lap of Congress where special interests would take hold and the result would be 'another Smoot-Hawley tariff policy.'

Canadians Fight At Last Barrier To Antwerp
LONDON, (AP)—British troops chasing the Germans from Southwestern Holland reached the Maas River a half a mile from the Gettruidenberg Bridge, one of the main spans of the enemy's fog-shrouded escape over the river.

The British wing struck the Maas at Dutch Tilburg, while Canadian forces waded nearer the coast. Contact with the Germans being in the river and Gettruidenberg. Fog saved them from a landing by Allied planes.

Highway across the river was black with German transports, and motor columns six to 12 miles long, and formed up at the Meerswijk and Willemstad bridge and ferry crossings 10 and 18 miles from the Maas. The British saved them from a landing by Allied planes.

Gas Books Ready For 'A' Drivers
A To M Motorists To Apply Tomorrow; Others On Thursday

SCHOOLS TACKLE JOB

Gasoline in Larchmont and Mamaroneck will remain the very gasoline "A" ration books tomorrow and Thursday at the elementary schools in the Town of Mamaroneck and Rye Neck districts, and to avoid overcrowding at any one time, those whose names begin with the letters A through M are to apply tomorrow and those from N through on Thursday.

Dr. Helen Long, principal of the Chatsworth Avenue School, will be in charge there, Miss Katherine Haggerty will take the place of Miss Helen McLoughlin, principal of the Mamaroneck Avenue School who is ill; Mrs. Muriel Kelly, principal, will be in charge at the Central School, and Mrs. M. J. Hirschbein, principal of the Murray Avenue School, will organize the work there.

In Rye Neck, Principal George R. Ayres will head the distribution of the Daniel Warren School and Miss Mabel Haggerty at the Barry Avenue School. A Norman Davis is in charge of rationing for the district.

No books will be given out at the Bellows High School, but the teachers from there will assist with the work in the other two schools. The hours in Rye Neck will be from 8 to 6:30 P. M.

Residents of Greenhaven will apply at the nearest school in Rye, instead of Daniel Warren, since they reside in the Rye National School area.

Applicants must have with them the owner's registration, the back of the old A book and must fill in the questionnaire reading on the application as of the date of the issue.

The tickets remaining in the old A book marked "12" are of value for three 12's are worth four from the old book cover. The new book will contain some 12's which will be removed by the applicant after he receives his book.

Churchill Sees War Lasting Into Summer

LONDON, (AP)—Prime Minister Churchill cautioned Commons today that the war against Germany would last into next summer and that against Japan until the end of 1946.

He made these predictions, emphasizing they were subject to the conditions in calling for the retention of Britain's war effort in the next year, without an election.

The coalition of parties ought not to be broken before Nazism is broken," he said.

Blue Star Brigade Recruits Volunteer Army For Service In 6th War Loan Campaign

AP Photo from Army Signal Corps

SUPPLIED WITH WINTER CLOTHING, Army men from Rye, leaves a quartermaster depot in a recently liberated French city.

Recruiting will begin at once for members of the Blue Star Brigade, an army of men and women in Mamaroneck who will play an active part in the sale of War Loans during the Sixth War Loan drive beginning Nov. 30, Gabriel Wendel, chairman of the War Finance Committee in Mamaroneck, announced today. Recruiting will be in charge of the brigade, Mr. Wendel said.

"It gives me great pleasure," Mr. Wendel said, "to announce that Mrs. Mary Ingraham will take charge of the activities of the brigade and direct their efforts. She will act as the clearing house for all reports of sales individuals made by themselves through this reports to the county office and to the district office."

"One of the chief objectives of the Blue Star Brigade is to persuade the Sixth War Loan drive, each brigade will sell War Bonds to back his or her man or woman in uniform. The chief value of the brigade lies in the fact that the individual who reports for his sales accomplished. In it we see and feel the good old American spirit of competition. But most of all in using that great symbol of our fighting democracy, the Blue Star, hung in the windows of the homes of the lowliest to the highest in our land, the true spirit of our boys and girls in fighting forces who are winning the war, it centers upon the brigade."

"The first civilian product in new blue star uniforms, which will be produced in the near future are side-walk ice cream, aluminum frying pans and dust pans. The company is also making a line of stainless steel ware."

"The prospect for the future looks very, very good," Joseph Stevens, owner of the company, stressed yesterday. "The market is tremendous and we can't begin to supply the jobs with house-ware."

The employees at the present time number 25, only four of whom live outside of Mamaroneck, but, according to Mr. Stevens, "the market is tremendous and we can't begin to supply the jobs with house-ware."

Meeting Advanced By Engine Company

Kelley of 18 Linden Avenue. They will return Sunday. Both were graduates from Mamaroneck High School in 1943 and Kelley formerly attended the University of Georgia.

Corpsman Medical

Edward F. Curtis, medical corpsman stationed at Fort Dix, N. J., spent the weekend in Larchmont with Mrs. Curtis and their children, Bobby and Carol, of the Adams Apartments.

He is the son of Mr. and Mrs. Edward F. Curtis of Montclair, formerly of Larchmont.

Returns To Virginia

Army Road of Larchmont returned today to the University of Virginia where he is a member of the Navy ROTC after a short vacation with his parents, Mr. and Mrs. Peter K. Roost of Larchmont Acres.

Entering the Navy following his graduation from Mamaroneck High School in 1943, he is today at the University of Rochester before going to Virginia.

Goes To Columbia

Burt Covatt of 11 Lyons Place, Larchmont, who completed his sophomore year at Columbia University last week, has been transferred to Columbia University for further medical training.

Russians Enter Budapest Drive

LONDON, (AP)—Russian troops have broken into Kerekmet, fourth largest Hungarian city 20 miles southeast of Budapest, in their offensive aimed at the capital, the Berlin Radio said today.

However, the troops were defeated driven out.

"The battle between Danube and lower Tisza rivers is nearing a climax," the official German News Agency DPA said. "Although we prefer enemy forces back succeeded in squeezing back Hungarian lines, they were nowhere able to tear up the front."

The Germans asserted that nine Russian and three Romanian infantry divisions, a motorized corps and several tank brigades were attacking perhaps upwards of 235,000 men.

The enemy said Budapest, which broke into Kerekmet, was besieged in a counterattack in which 25 tanks were disabled and 200 strong German tank forces struck the Russian right flank. Kerekmet is a strategic city of 60,000 in the center of a great agricultural region. It lies virtually in the center of Hungary and 20 miles west of the Tisza River, last water barrier before Budapest.

1,000 Planes Give Cologne New Beating

LONDON, (AP)—More than 1,000 British and Canadian planes dropped 6,000 tons of bombs last night on Cologne. "This most heavily bombed of German cities" and 200,000 people were killed or injured.

A Canadian communiqué said the attack was the most intense of the last six weeks of the war.

Air fields over a wide area of Germany were attacked.

An earlier RAF communiqué said 1,000 heavy bombers had hit Cologne. The Canadian statement said that although bombs occurred part of the target boys flew and much smoke rose from the city after the attack.

BUZZ BOMB HITS HOTEL

LONDON, (AP)—A buzz bomb was demolished by a flying bomb in southern England early today, burning in the ruins a number of guests, some believed to be children.

War Not Over, Capt. Terola Says In Appeal To Folks At Home 'Not To Let Us Down'

People who think the war is over would "change their minds in a hurry" if they could see the war zone, according to a "Vogel" message sent to the Daily Times by Capt. Victor U. Terola, who is serving in Italy with the United States Army Signal Corps.

He sums the war up as "a living hell" on the front lines and concludes, "So, my friends, it is not over by any means. Keep plugging. We won't let you down, and you let us down."

"This is directed to the people who think this war is over. If only there were some means of taking you people and letting you get a glimpse of what the front looks like, I am sure you would change your minds as to what a living hell this war is."

"When you dug with your bare hands, a hole to save your life, when you pray that a bullet would not fall by you, when you have so much noise that your mind wants to give up, when you realize this is living hell, when you are in the middle of a sleep, sleep wherever you can get it, and think you hear 'bombs bursting in air' and realize it is a dream, you begin to wonder if this will ever end."

Capt. Terola, who resides at 123 South Barry Avenue, has been overseas for two years and is a veteran of the North African and Tunisian campaigns.

Draft Board Advisory Unit Reorganizes

The Advisory Board of the Mamaroneck-Rye Draft Board, No. 750, was reorganized last night at a meeting held at board headquarters in the Barry Avenue School, and will be known hereafter as the Reorganization Committee. Colville Hines of Rye will serve as chairman.

Reorganization of the committee will be George R. Ayres, James A. Donnelly, Jr., William J. Kelly and John W. Stevens of Mamaroneck, and Harold E. Hollister and Herbert B. Irvine of Rye.

The committee will meet for consultation every two weeks, the next meeting being scheduled for Nov. 13.

Members will be on duty at draft board headquarters during the day to provide information for service men who are returning to civilian employment.
