**The Weather**

Partly cloudy today, highest in mid 70s. Tonight clear and cooler, lowest in low 50s. Tomorrow sunny and cool, highest in mid 60s. High tides today at 10:54 P. M.; tomorrow at 11:10 A. M. and 11:33 P. M.

**Combing The Town**

*New Post*

William W. White, above, of Cooper Avenue, Mamaroneck, has been appointed assistant sales manager of the Eagle Rule Manufacturing Corporation, New York City, it was announced today.

In addition to the usual duties of his new position, he will have charge of scheduling and allocations while the current critical shortage of wood folding rules continues.

Mr. White was associated with the Eagle Rule Manufacturing Corporation before the war. During the war, he was a captain with the Army Air Forces. He was formerly associated with the Gould Division of General Aniline in New York City, and with the Perm Aseptic Corporation in Mamaroneck.

**Scout Work Launched**

Members of the troop committee of Larchmont Troop 2, Boy Scouts of America, were given specific assignments for the coming year at an organization meeting held last night at the home of the chairman, Alan D. Stackpole, 14 Rockland Avenue.

Assignments were made as follows: Advancement, Winfield H. Holmes; Outdoor Activities, Irving; Programs, Merrill Bunnell; Publicity, Frank A. O'Donnell Jr., who will also serve again as treasurer of the committee.

Each member of the committee will attend the Monday meetings of the troop at Chatsworth Avenue School to assist Scoutmaster Jerry Corson in training the boys.

**Teachers' Day**

The annual Religious Education Sunday will be held tomorrow at the A. M. at the Mamaroneck Methodist Church, at which teachers and officers of the church school will sit in a body at the morning service.

The Rev. Asbury O. E. Stromberg will speak on the work and purposes of the school.

At 8 P. M., the church will observe the World-Wide Communion with all other Protestant churches.

**Final Night**

Tonight is the final night of the town of Mamaroneck Fire Department's first annual bazaar being held at Depot Plaza, Larchmont.

Town Fire Chief George W. Burdo today urged all residents who hasn't already done so to visit the bazaar before it closes. Proceeds from the carnival will be used for charitable and other purposes.

# COUNTER ASSAULT CHARGES FILED

## Greenwich Man In Tussle With Port Chester Woman Here

Counter charges of third-degree assault were lodged by a Port Chester woman and a Greenwich man in Mamaroneck Police Headquarters following a fight last night on Jefferson Avenue in which both persons were injured.

Mamaroneck police broke up the tussle at 9:40 P. M. and took the participants to the office of Dr. Francis R. Hunter, where their wounds were treated. They were then taken to headquarters to file charges.

Miss Eunice Robinson, twenty-four, of 141 south Main Street, Port Chester, charged that Harold Fisher, forty, of Greenwich, struck her with his fists and bit her. She was treated for bruises on the right side of her face and an injured middle finger on the left hand.

Fisher claimed Miss Robinson struck him with her fists. He was treated for bruises on the right forehead and the right cheek.

Fisher was released in $50 cash bail and Miss Robinson in $25 cash bail until Monday morning, when they are to appear in Mamaroneck Police Court before Judge Henry T. Hornidge.

**I WANT . . .**

# Registration Below 1944 As Voters Get Final Chance Today

## WOMAN ATTACKED BY LOCAL YOUTH

### 16-Year-Old Boy Charged With Assault, Held At Police Headquarters

A 16-year-old Mamaroneck boy was arrested yesterday morning by Mamaroneck police after he attempted to criminally assault a 32-year-old Harrison woman, mother of five children, and threatened to kill her.

He was charged with third degree assault and held overnight at police headquarters, where he admitted the attempted attack, according to police. He was scheduled to appear in court later this morning before Judge Henry T. Hornidge.

Police were called to investigate the case at 8:30 A. M. yesterday by Leonard Chase, proprietor of the Betty Lee Food Products on Waverly Avenue, Mamaroneck where the woman is employed.

The Harrison woman told Det. Sgt. William O'Neil and Det. Sam Bryant that while she was crossing vacant lots at Rockland and Waverly Avenues shortly after 8 A. M. on her way to work at the Betty Lee plant, she was attacked by a boy wearing a white shirt and blue pants.

The woman, small of build, was able to fight off her attacker, and then ran to the plant. She said the boy told her to meet him in the lot this morning or he would kill her.

Police took her to Mamaroneck High School, where she gave a description of her attacker to Superintendent of School T. James Ahern. Mr. Ahern brought the boy to his office, where the women identified him.

## SCARSDALE HEARS TALK BY HANLEY

### Efficiency For Washington Is Promised 'When' Dewey Is President

SCARSDALE — "One of the greatest financial catastrophes that this nation has ever experienced was the failure of a certain haberdashery store in Missouri," Lt. Gov. Joe R. Hanley told a Scarsdale Republican rally last night at Dyckman Hall. About 150 persons attended.

In his address which was broadcast by station WFAS, Mr. Hanley noted that "This is an hour of great need, namely that of leadership."

"We should be aware by this time," he said, "that you cannot make a great President out of a mediocre man." He lauded the Republican candidate for the Presidency, New York's Governor Thomas E. Dewey, as an efficient leader, "efficient because he is a team-worker," and added that "efficiency is needed in Washington."

Governor Dewey, he said, has laid down "certain rules" to overcome future financial danger, and among these are "reduction in taxes," "reduction of needless expenditures" "a thorough overhauling of the entire government-al system," and "economy of government."

He pointed out that the Republican standard — bearer "has no sympathy with the defeatist idea that this system of government is outmoded" and stated that the New York Governor believes government should "give people security and happiness" and infringe "as little as possible on freedom and private enterprise." Further he added that Mr Dewey "believes in giving people the facts, letting them understand what is happening, and has faith in their reactions."

## PLANE DROPS BOMB IN GERMAN GARDEN

BREMEN, Germany, (AP) — German police said today an unidentified plane dropped a bomb probably accidentally, over suburban Shoeneberk Thursday. The bomb exploded in a garden and nobody was hurt.

Police said their investigators found part of a bomb near a hole eight feet deep blasted by the explosion. U. S. Army authorities at Wiesbaden declined comment.

### Big Turnout Expected As Five-Day Total Shows Drop

With today the last chance to register in the personal districts, only 6,719 persons had registered up to last night in the 10 personal districts of the Town of Mamaroneck and the four Rye Neck districts which is 2,887 below the number of voters registered in those districts during the last presidential election in 1944.

Yesterday a total of 1,881 voters registered, boosting the five-day total to 6,719 which is approximately 69 per cent of the 1944 registration.

The number of persons registering yesterday was the largest of any day thus far but it is expected that a record number will turn out today, the last day during which the registration places are open from 7 o'clock this morning until 10:30 tonight.

Yesterday 1,470 voters were registered in the Town of Mamaroneck, more than double the number of the previous day, making the five-day total 4,206 of 74 per cent of the 6,694 registered in 1944. Of the 1,478 registered yesterday, 681 were men, 789 were women.

In the four Rye Neck districts 411 voters registered yesterday, 129 more than on the previous day, making a five-day total of 1,760 or approximately 60 per cent of the 1944 registration.

Yesterday's registration by districts in the Town, with the number of men and women registering in each district, was as follows:

District 1—58M, 52F, 110T
District 2—89M, 68F, 157T
District 3—86M, 112F, 198T
District 4—103M, 109F, 212T
District 5—77M, 89F, 166T
District 6—55M, 68F, 123T
District 7—M—M, 67F, 115T
District 8—62M, 86F, 148T
District 9—62M, 78F, 140T
District 10—41M, 69F, 101T

"M" designates male, "F" female, and "T" total.

In 1946, a gubernatorial election year and the first year of six-day consecutive registration 824 voters registered in the Town of Mamaroneck on the fifth day, 646 fewer than the number registered her yesterday. The five-day total in 1946 was 3,556, 1,402 below this year's five-day total.

The five-day total for the 10 personal districts of Mamaroneck compared with the five-day total in 1946 is (parentheses follows: District 1, 304 (196); District 2, 435 (260); District 3, 579 (407); District 4, 719 (443); District 5, 501 (284); District 6, 445 (264); District 7, 429 (313); District 8, 607 (429); District 9, 614 (508); District 10, 454 (384).

Registration by districts in the four Rye Neck personal districts yesterday, followed by the five-day total in parentheses, was as follows: District 1, 79 (359); District 2, 117 (538); District 3, 67 (489); District 4, 128 (614).

Today is your last chance to register if you are a resident of the Village of Mamaroneck or Larchmont.

The polls in all personal registration districts will be open until 10:30 tonight and if your name isn't on the books by that time you can't vote in the Presidential election on Nov. 2.

Today is also the first day of registration in the non-personal

A GALA ANNIVERSARY cake is cut by the Rev. and Mrs. Francis J. H. Coffin, pictured above at last night's reception in St. John's Episcopal Church of Larchmont in celebration of Mr. Coffin's 25 years as rector of the church. About 600 members and friends of St. John's attended the reception, with Mrs. Philip O. Moynahan as general chairman. The anniversary cake was the gift of the Woman's Association, co - host the wardens and vestry, for the event. The Coffins were presented a new car as a gift of the parish. —Staff Photo

## Larchmont Fire Fighters Set Annual Parade Tuesday Night

The annual inspection and parade of the Larchmont Fire Department will be held Tuesday night, Chief P. M. Taylor announced today.

The parade will start at 7 P. M. from the Larchmont Fire Department headquarters and will proceed down the Post Road to Chatsworth Avenue, left onto Palmer Avenue, left onto Larchmont Avenue, and will be halted in front of the department headquarters for inspection.

Troop Eight of the Larchmont Boy Scouts, which is sponsored by the Larchmont Fire Department, will be stationed along the line of march with flares and will carry and form a color guard for the American flag.

St. Casimir's Band from Yonkers and the American Legion Band of Larchmont Post 347, will provide music for the march.

Chief Taylor listed the following guests who will be among the 220 invited to the dinner which will be served on the main floor of headquarters:

Harrison Fire Department: Chief Daniel Riccio, First Deputy

## Residents Favor Adoption Of Permanent Registration

*(Editor's Note — This is the 47th in a Saturday series of interviews with citizens on important topics. Suggested topics from readers are invited. Today's question is: "Do you favor permanent personal registration instead of the present system of registering for each election?")*

**Mrs. Julius Silver**, Greenhaven: "Yes, I most emphatically do. I think New York State, while it has good basic election laws, lags behind other states because it makes it somewhat difficult for the voter to vote with many registration requirements. I also feel that money which is now spent writing voters' names in books at personal registration time would be far better spent under a permanent personal registration in checking the voter's qualifications. There would be more of a safeguard under the permanent personal registration."

**Mrs. John F. Fox**, 421 Meibourne Avenue, Mamaroneck: "I certainly do. It is far more efficient and in the end will no doubt save us money instead of having to have clerks to register people at every election. I think that we probably would get a larger number of voters out under permanent personal registration than we do under the present system."

**Mrs. Ralph H. Mann**, 231 south Barry Avenue, Mamaroneck: "I am very much in favor of the permanent registration. I believe it would bring more people out to vote."

**Barney Epstein**, 514 Stanley Avenue, Mamaroneck: "I believe in personal registration. I feel that it is a privilege that everybody should keep alive each year when the time arises rather than have it lay dormant. I also think there could be a lot of dead-wood carried over under permanent personal registration."

**Martin E. King**, 527 Munroe Avenue, Mamaroneck: "It ought to be the same for the Town as for the Villages. It ought to be uniform. It certainly is ridiculous to have one type of registration for those in the unincorporated

# Russia Calls On U.N. To Ban Atom Bomb And Set Up Control

## 600 Honor Rector And Wife On 25th Anniversary With St. John's Episcopal Church

More than 600 members and friends of St. John's Episcopal Church of Larchmont met last night in the parish house to honor the Rev. and Mrs. Francis J. H. Coffin, at a reception given by the wardens, vestry and Woman's Association of the church.

In recognition of Mr. Coffin's 25th anniversary as rector of St. John's, the Coffins received gifts to their service to the church and to Mr. Coffin's "warm friendliness and sympathetic understanding," and were presented a car as a gift from the parish.

Charles M. Walton Jr., making the presentation speech as senior warden in behalf of the membership, paid homage and affectionate tribute to Mr. and Mrs. Coffin and their parish and community achievements. The gift committee was composed of Harry Hampton, Philip O. Moynahan and Oliver Maggard.

The honored guests received against a background of greens and tall vases filled with chrysanthemums. Mrs. Moynahan served as general chairman in charge of arrangements for the 25th anniversary reception.

Guests attending included the Right Rev. Horace Donegan, Bishop suffragan of New York, the Rev. and Mrs. Floyd E. McGuire, the Rev. and Mrs. Herbert Landes, the Right Rev. Monsignor Thomas J. Deegan, the Rev. Joseph Blake, Supervisor Owen D. Mandeville and Mrs. Mandeville, Acting Mayor Arthur Combes and Mrs. Combes, and Mr. and Mrs. Irving S. Taub.

The decorations committee was headed by Mrs. William Reinhardt and Mrs. David Lynn, assisted by Mrs. Ralph Lucas and Mrs. Charles Traendly. Mrs. Harry Hampton presided over the anniversary cake, gift of the Woman's Association of St. John's Church.

Presiding at the coffee table were Mrs. Walton, Mrs. William Ten Eick, Mrs. Constant Southworth and Mrs. H. George Donsgan.

At the punch bowls, officers of the women's groups presided, including Mrs. Richard Hatzel, president of the Woman's Auxiliary; Mrs. Harry Landwehr, president of the Guild; Mrs. George Valentine, president of the choir; Mrs. Ralph Chilcott, Doubles Club president; Mrs. Warre Kipp Jr., president of the Altar Guild; Mrs. Arthur Perkins, vice president of the Mothers Club; Mrs. Harry Jackson, Evening Guild president, and Mrs. Lynn.

Mrs. Roy Moore and Mrs. Mahlon Beakes were co-chairmen of arrangements and serving, assisted by the following: Mrs. Arch Kassander, Mrs. John Worden, Mrs. Edward Rossi, Mrs. Thomas Hepworth, Mrs. H. G. Weelock, Mrs. William Jorgenson, Mrs. Anton Gray, Mrs. Philip Porterfield, Mrs. G. W. Holliday, Mrs. Paul Cearns, Mrs. D. B. Fullansbee, Miss Nancy Williams.

Mrs. Walter Westcott, Mrs. Stanley Rose, Miss Eleanor G. Bennett, Mrs. Edmund Morey, Mrs. Roland Tree, Mrs. Robert Fowler, Mrs. Clement Fuller Jr., Miss Alida Reinhardt, Miss Anne Miller, Mrs. Harold Uhlich, Mrs. Malcolm Tuttle, Mrs. William Schmitt, Mrs. Arthur Nilson and Mrs. Hubert Mandeville.

Heading the hostess committee was Mrs. Theodore Riegel. Hostesses were Mrs. Anson Beaver, Mrs. Richard Hindle, Mrs. John Coffinberry, Mrs. Robert Hallock, Mrs. W. S. H. Hamilton, Mrs. Oliver Maggard, Mrs. Harry Shaw, Mrs. Combes and Mrs. Spencer Field.

## ROTARY, LIONS BEGIN CANVASS

### Larchmont Service Clubs Join For Drive In Business District

Members of the Larchmont Rotary Club, headed by Robert Ingham, began a canvass of the Larchmont business district today in cooperation with the Larchmont Lions Club in a drive to raise funds for the annual Community Chest.

The Rotarians have been conducting a drive annually among merchants in the business district, but this is the first year the two service clubs have joined in the district project. The business district is one of the most lucrative areas in the community for a drive of this kind and Mr. Ingham expressed the hope today that the funds derived from the canvassing will go a long way toward putting the annual campaign over the top this year.

Clayton L. Davis, executive chairman of the Chest, and Platt K. Wiggins, Chest president, appeared at yesterday's meeting of the Rotary Club and urged the members to expend every effort to help make this year's drive a success.

Rotary solicitors appointed to canvass the business district are as follows:

John Odabashian, Robert S. McCoy, Henry Deitz, Jack Vanderveiden, William G. Horn, William H. Dolan, Milton Weintraub, Victor Marraro, Charles De Mayo, Maurice Mills, Jr., Meyer Stein, Joseph Smedick and Harry Bogart.

The canvassing will continue through Oct. 12.

## Sheep Shot After Mauling By Two Dogs

A cordon of police chased two canine sheep killers this morning through upper New Rochelle into Scarsdale where they lost one of the dogs and located the owner of the other. The dogs had disemboweled five sheep that were grazing on fields of Rosemont Farms, Wilmont Road.

Mrs. Gertrude Rosenberg, owner of Rosemont Farms authorized police to shoot the disabled sheep. Shortly after 7 A. M. five policemen in three patrol cars were dispatched to the farm.

Randolph Compton, 53 Brookby Road, Scarsdale, owner of one of the dogs, was given a summons by Patrolman Edward Mimnaugh on a charge of violating Section 116 of the Agriculture and Markets Law, which prohibits dogs from running at large. His dog was described as a large black sheep dog. The other canine is a large white Spits mixed breed.

### Flying Boat Capsizes, Kills Six In Norway

OSLO, Norway, (AP)—A Norwegian airlines flying boat capsized near Trondheim today, killing six and injuring a number of others. The British philosopher Bertrand Russell was among the passengers saved

One American citizen, Mrs. Lisbeth Stroem, was reported to be among the victims. Her husband, Sverre Stroem, and 31 other passengers survived, first reports said.

### Soviet Changes Stand In Concession To West Powers

PARIS, (AP)—Russia formally proposed today a simultaneous ban on the atom bomb and formation of an international atomic energy control organization.

In a concession to the Western powers, Soviet Deputy Foreign Minister Andrei Y. Vishinsky proposed that the U. N. Atomic Energy Commission and the security Council draft two conventions prohibiting atomic weapons and setting up control over atomic energy, to be signed and put into force at the same time.

The Russians previously had demanded that the atomic bomb be banned before the control body was formed.

Warren R. Austin, United States delegate, told reporters a short time later the Russian resolution was an "oriental maneuver of the type with which we are familiar." He said he doubted the sincerity of the Soviet move.

He said the United States wants to know what is wrong with the plan of the majority of the commission—which calls for international control of the atom first and then prohibition of atomic weapons.

Gen. A. G. L. McNaughton, the Canadian delegate, told reporters the Russian proposal was a surrender to the obvious logic of the situation. He said he would continue to back his own resolution.

(Turn to Page 3, Please)

## TRUMAN SPEEDING BACK TO CAPITAL

### 'GOP Victory Would Mean Dash to Depression,' His Campaign Message

ABOARD TRUMAN TRAIN, (AP) — President Truman sped back to Washington today after winding up a strenuous 19-state campaign tour with the claim that a GOP victory would mean "a headlong dash toward another depression."

A heavy schedule awaited Mr. Truman on his arrival in the capital city. Besides consultations on the gloomy international situation, he faced a fresh speech-writing chore in preparation for his second campaign tour next week into Pennsylvania, New Jersey and upstate New York.

Some 10,000 Washington Democrats were set to welcome their Presidential candidate when the campaign train pulled into Union Station. He was to parade to the White House in a 250-car motorcade.

In the 138th speech of his long westward swing, Mr. Truman brought to a vigorous climax his dawn-to-dusk, 16 - day attack on his Republican opponent last night before a cheering overflow audience in the Charleston, W. Va., Municipal Stadium.

Without mentioning Gov. Thomas E. Dewey by name, he countered the GOP call for "unity" by declaring:

"I will tell you how you can achieve unity in a headlong dash toward another depression. Just elect a Republican President to go along with a Republican Congress.

"Just elect a man who has said—and I quote: 'I am proud of the record of my party and the 80th Congress.'

"Just elect a man who has said: 'The 80th Congress delivered as no other Congress ever did for the future of our country.'"

## Bullet Kills Prize Horse

A champion brood mare of a stock of $200,000 worth of prize horses at Ward's Acres Farm, Quaker Ridge Road, died yesterday as the result of a bullet wound in the left breast, according to an autopsy performed on the animal, Bob McCray, manager of the farm, said today.

The horse, Gay Georgette valued at $7,500 was a champion in the three-gaited division, Mr. McCray said.

A complaint was filed by Mr McCray with police this morning as a result of the loss, charging promiscous discharging of fire-arms in the area. Police said such firing was a violation of city ordinances.

### Hull 77 Today

WASHINGTON, (AP) — Cordell Hull observed his 77th birthday today. The former Secretary of State was reported progressing so well at Bethesda, Md., Naval Hospital that he may leave there soon.

## New York Enacts Sound Truck Law

NEW YORK (AP) — The New York City Police Department now has the power to regulate the use of sound trucks and other sound apparatus.

Mayor William O'Dwyer yesterday signed a City law requiring applicants to apply to the Police Commissioner for a permit five days in advance of the day when the sound device is to be used. It fixes the fee at $5.

The law also provides a penalty of 30 days in jail or a $20 fine, or both, for violations.

The use of sound trucks and apparatus is forbidden under the new law between 10 P. M. and 9 A. M. Their use for commercial purposes is wholly forbidden.

The Mayor signed the measure after a public hearing at which ten speakers, including *representatives of the American* Labor Party, opposed it on the ground it would restrict free speech.

## Combing The Town

***Connor Improving***

Jack Connor, star center of the Bellows High School football team, who suffered a concussion of the brain in Friday's game with the Horace Greeley High School in Chappaqua, was reported in satisfactory condition today by Principal William C. McAloon.

The son of Mr. and Mrs. Mervyn Connor of 812 The Parkway, Mamaroneck, Connor was injured in the third quarter of the game and taken by ambulance to the Mt. Kisco Hospital, where X-rays indicated the concussion. His condition was not reported serious and he regained consciousness Friday night. He was expected home today.

***Advice Pays Off***

The unerring toe of Joe Condon who booted a field goal in the last six seconds of the Brown-Princeton game Saturday to win for Brown by a score of 23-20 for one of the major upsets of the season, was the result of coaching by Mamaroneck's "punting parson," the Rev. Arnold A. Fenton, rector of St. Thomas's Episcopal Church.

Although Rev. Mr. Fenton was not with him Saturday, he had given him last minute pointers the week before when he accompanied the Brown team to New Haven where they played Yale in the Yale Bowl.

***Fast Work***

The members of Mamaroneck Boy Scout Troop 2 worked a fast one on their adult leaders Saturday.

Scoutmaster Herbert B. Livezey, Jr., Robert Primrose, assistant, and District Camping Chairman Al Scherwatsky planned a map - reading hike which was scheduled to last all day.

The Scouts had to interpret an engineers' topographical map with cryptic readings before they could complete the route and locate the "treasure". They covered the seven miles in two hours averaging better than three and a half miles an hour.

***Bike Rider Injured***

Nine-year-old Raymond Recchia of 353 Center Avenue, Mamaroneck, suffered an abrasion of the right arm yesterday at 6:15 P. M. when he collided with a car while riding his bicycle on Center Avenue.

He was taken to the office of Dr. Francis R. Hunter for treatment by Russell Piscitelli of New Rochelle, driver of the car. Patrolman Piscitelli told police he was driving West on Center Avenue in front of the Loew house when the boy, riding the bike in an easterly direction rode into the left rear wheel of his car.

***Concession Looted***

Five dollars in change, four cartons of cigarets and some candy were stolen early yesterday from the refreshment stand at Harbor Island, Mario Liscio, owner of the stand, reported to Mamaroneck police.

Mr. Liscio, who appeared at headquarters at 3 P. M. yesterday, stated that the door of the stand had been forced open. The case was referred to the Detective Bureau for investigation.

### Woman Dies in Hospital After Attack on Train

A Mamaroneck woman, stricken last night on a New York-bound train, died about 11:15 P. M. in the Mount Vernon Hospital of what hospital authorities diagnosed as pulmonary edema. She was Mrs. Maggie Bailey of 318 Northrup Avenue.

Mrs. Bailey alighted from the train at the Mount Vernon station and took a taxicab to the hospital where she died soon after being admitted to the emergency room.

### New Rochelle, Yonkers List New Polio Cases

Two new cases of infantile paralysis reported by health authorities today bring the Westchester total to 74 this year.

The new cases affect a seven-year-old Yonkers girl, who is being treated at Babies Hospital in New York, and an eighteen-month old New Rochelle boy, who is in Grasslands Hospital. The cases are the 14th in Yonkers and ninth in New Rochelle this year.

# New Record Set As Registration Reaches 10,604

### Final-Day Rush Tops Totals For 1940 And 1944

In a last minute rush, 3,698 voters registered Saturday in the personal districts of the Town of Mamaroneck and Rye Neck for the presidential election Nov. 2, and set an all-time record registration of 10,604, exceeding the 1944 registration by 998.

On Saturday, the last day of personal registration, 2,555 voters were registered in the Town of Mamaroneck, boosting the total for the week to 7,315, or 821 more than the number registered in 1944, but only 12 more than the number registered in the presidential election year of 1940.

Saturday also marked the first day of registration in the non-personal districts comprising the unincorporated section of the town which showed a total registration 4,253, with most of the names being carried over from last year.

Consequently the total registration for the 16 election districts of the Town now stands at 11,168 with next Saturday left for registration in the six non-personal districts when it is expected the number registering will send the complete figure well above the 1944 total of 13,600. The total registration in 1940 was 13,344.

Saturday's personal registration in the Town exceeded the previous day by 814. Of the 2,555, 1,345 were men and 1,210 were women.

Registration in Rye Neck which is personal, ended Saturday with 1,143 voters registering, making a total of 3,089, or 438 more than in 1944 and 250 more than in 1940.

District 4 of the Town lead all the other personal districts with 1,120 voters with District 3 in second place with 1,004. District 7 was the lowest with 601. The fourth district of Rye Neck was also highest with a total of 843 registered while District 3 was the lowest with 235.

Saturday's registration by per-

# PSC WARNS FIRM ON BUS SERVICE

### Surface Transportation Co. Gets Notice to 'Improve' After Riders Complain

ALBANY, (AP) — The Public Service Commission said today it had warned the Surface Transportation Corp. to "improve its service" in the metropolitan area.

The commission said it would institute proceedings to "compel compliance" with the law and PSC orders if certain improvements were not made.

Many complaints have been received in recent months about the company's operations, the commission declared. The company is the city's largest privately operated bus firm.

Inspectors reported they found that "insufficient buses" were operated on some routes, that some buses carried excessive loads and that others had failed to stop to take on waiting passengers because the vehicles already were overloaded, the PSC said.

The company told the commission it has been unable to put improved operating schedules into effect because its drivers "under provisions of their labor contract have refused to pick certain runs."

In New York, the Third Avenue Transit Corp., parent of the Surface Transportation System, said it was "puzzled" over the commission's warning.

# 50th Anniversary Festivities Planned By Columbia Firemen

Columbia Hose Company No. 2 of the Village of Mamaroneck Fire Department is making plans for the celebration of its 50th anniversary Oct. 15 and 16.

An open house will be held Oct. 15 at the firehouse on Barry Avenue for members of the department and residents of the village.

Buffet supper will be served. The following night a dinner dance will be held for the active members of the company at the firehouse.

Company headquarters will be restoned inside and out with Golden Jubilee decorations during the festivities and interesting facts from the 50 year history of the company will be highlighted.

Ex-chief Richard Grainger is anniversary chairman, assisted by James Holton, secretary, and George D. Perachke, treasurer. Committee members are Charles Harriott, Alvin Manning, Ex-Chief George Carpenter, Harry Sullivan, Capt. J. Winston Grainger, 1st Lt. Matthew Healey and 2nd Lt. William O'Connell.

# CYCLE POLICEMAN KILLED IN CRASH

### Parkway Patrolman Chabala Dies After Losing Control —Another Injured

BRONXVILLE—One Parkway motorcycle patrolman was killed and another seriously injured yesterday in separate accidents on two different Westchester parkways.

Patrolman John Chabala, twenty-five, of Station Road, Oscawana, died in Lawrence Hospital from head injuries received at 8:20 A. M. yesterday on Bronx River Parkway when he was thrown from his motorcycle.

Patrolman Edward Colville, also twenty-five, 55 Seminary Road, Yonkers, is in Dobbs Ferry Hospital in serious condition. His motorcycle struck the rear of a car on Saw Mill River Parkway in Dobbs Ferry at 6 P. M. yesterday.

Both men are veterans, on the force less than a year and each had volunteered for motorcycle duty last May.

Patrolman Chanala was on his way to report for duty in company with Patrolmen Roger Cierico and Frank Harte when his machine struck a bump in Bronx River Parkway just north of the Cross County Parkway Bridge. According to his companions he apparently lost control of the motorcycle and was thrown to the pavement. Herbert Levenson of Hartsdale whose car was commandeered to take Chabala to the hospital was a witness to the accident and confirmed the report of the circumstances.

Chabala died at 2:15 P. M. of a fractured skull and other head injuries. He was attended by Dr.

# *Envoys Meet To Consider Red Talk Bid*

PARIS, (AP) — United States, British and French Foreign Ministers met today to discuss Russia's call for resumption of Big Four talks on Berlin and Germany. They met while the United Nations Security Council was opening debate on the Berlin crisis.

U. S. Secretary of State Marshall, Britain's Ernest Bevin and their top advisers on German affairs met with French Foreign Minister Robert Schuman in Schuman's office, a French spokesman reported.

They had before them fully translated texts of a Russian note received early today which replied to their notice to the Kremlin last week that they considered direct East-West negotiations for a Berlin settlement a failure.

### Fatal Heart Attack Strikes Rye Policeman

RYE — Charles Cavanaugh, *fifty-one*, Rye city patrolman, died on his beat yesterday from a heart attack.

A passerby found Cavanaugh dead at 6:05 A. M. on Purchase Street near Boston Post Road. His last telephone report was at 5:30 A. M.

A resident of 13 School Street, Rye, he had been a member of the force for 21 years.

# U. S. CHALLENGES RED GOVERNMENT ON ATOM CONTROL

### Austin Defies Russia to Say If She Is Ready to Agree to Plan

PARIS, (AP)—Warren R. Austin of the United States challenged Russia today to say if she is ready to agree to effective international control of atomic energy.

He opened, in the political committee of the United Nations Assembly, the Western Powers' drive to answer Russia's latest switch in tactics in the atomic energy debate.

Austin said he hoped the time for throwing "old tomato cans and dead cats" is over. He added he hoped the delegates could get down to real work.

His answer to violent attacks by Russia's Andrei Vishinsky and Dimitri Z. Manuilsky of the Soviet Ukraine was that he would try to do nothing to make the committee's job harder.

Vishinsky, Russia's Deputy Foreign Minister, startled the committee Saturday with a resolution calling for the U. N. Atomic Energy Commission to continue work. He proposed that the assembly call for a treaty banning atomic weapons and a second treaty establishing effective control, both to take effect at the same time. He hinted Russia might have the atomic bomb.

Sweden, now working on an atomic energy project of its own, said today it is willing to limit its national sovereignty to make atomic control possible.

Richard Sandler, former Swedish Foreign Minister, told the committee the majority report of the U. N. Atomic Energy Commission should be used as a working basis for atom control. The majority plan is based on the United States proposal of 1946.

# TRUMAN SLATES TALK WITH ICKES

### New Deal Veteran Asks Appointment; Purpose Not Disclosed

WASHINGTON, (AP) — President Truman set aside time today to talk with former Secretary of Interior Harold L. Ickes, who quit the cabinet in a huff two and a half years ago.

There was no advance word on the purpose of the mid-day meeting. Ickes requested the appointment.

The veteran New Dealer broke with Mr. Truman in February, 1946, after a fuss over the President's selection of Edwin W. Pauley to be Undersecretary of Navy.

Ickes testified against Pauley, a California oil man and former official of the Democratic National Committee. Mr. Truman told a news conference later that Ickes could have been wrong.

Ickes promptly resigned. Mr. Truman accepted the resignation without any of the usual words of praise for a retiring cabinet officer. Ickes retorted he didn't want to hold any job in the Truman Administration.

### Fire at 238 Huguenot

Firemen responded at 1 this afternoon to an alarm turned in from the building at 238 Huguenot Street, housing the Empire Coil Company on upper floors. A heating unit had backfired, firemen said. Smoke filled the structure.

# Russia Seeks To Transfer Berlin Issue From UN To Foreign Minister Council

**WILLIE TURNESA** entrusts this 54-year-old cup, emblematic of the U. S. Amateur championship won by the Knollwood Country Club member at Memphis, Tenn., last week to the club's president Fred McKenna. Shown left to right are the former British Amateur champion and twice national titlist, Lou Nettune of White Plains, Val Valarius of Tarrytown, chairman of the Turness Celebration and dinner at the club Saturday, and Mr. McKenna. The cup will remain at Willie's home club until put up again for next year's National Tourney.

### Soviet Urges Big Four To Resume Talks On Germany

PARIS, (AP) — Russia told the United Nations Security Council today it has no right to consider Western charges that the Soviet blockade of Berlin is a menace to world peace.

Soviet Deputy Foreign Minister Andrei Y. Vishinsky led off his fight to keep the Russian blockade of the council's hands. He declared the Western demand for U. N. consideration of the dispute was "devoid of any ground, as it does not fall within the scope of the Security Council."

The issue, he said, should be sent to the Big Four Council of Foreign Ministers, a reference to a note from Moscow proposed earlier today.

Vishinsky declared the U. N. charter forbids the council to discuss anything concerning Germany until the four occupying powers have written a peace treaty for the beaten country.

**Argues for Ministers**

Taking the argument to the Foreign Ministers' Council, he said, offers the only legal way to settle the problems of German, including Berlin which has been under a Soviet land blockade since last June 23.

He said the Berlin problem is closely linked to the whole German problem. He charged that the currency reform in Western Germany last June was an "act

# *Actor Neil Hamilton Returns To Mamaroneck 26 Years After Starting Career Here*

BY MASON GOULD

Twenty-six years is a long time, but not too long to bring back fond memories for Neil Hamilton. Mr. Hamilton, a veteran of 30 years of acting, got his start here in Mamaroneck in 1922 under the late Producer D. W. Griffith, whom he describes as "the only authentic genius who ever set foot in Hollywood".

* * *

Last week, with 400 movies and many legitimate stage shows behind him, Mr. Hamilton came back to Mamaroneck to live and to start out on a "new and thrilling venture"—television.

NEIL HAMILTON

Now a resident of 415 Cortlandt Avenue with his wife and 18-year-old daughter Patricia, Mr. Hamilton has yielded to the challenge of video. He has been signed as director and master-of-ceremonies of "Hollywood Screen Test", heard and seen every Sunday night on Channel 7 from 7:30 to 8 over WJZ, but he still holds a contract with David O. Selznick under which he is subject to recall to Hollywood whenever Mr. Selznick has a part for him.

Still as handsome as the day he made his first test on Oriental Point for Mr. Griffith in 1922, he can readily recall the circumstances under which he got the test.

He was doing the lead in a play in Brooklyn which Mr. Griffith was scouting and when the producer asked him if he could come up to Mamaroneck the next day for a test, Neil answered that he could not, since he was meeting his finances from Ohio at Grand Central and was to be married the following day. Could he come the day after that? "Oh, no, sir," answered Neil, "I must rehearse next week's bill.

"Well, when can you come?" asked Mr. Griffith, and so they set a date. But on the train from New York, Neil fell asleep and didn't wake up until he had reached Stamford. He took a trolley back and rushed out to the studio on the Point. Fortunately, Mr. Griffith hadn't arrived and

### Grill of Car Damaged In Crash at Crossing

T front grill and hood of a car operated by Mrs. Margarita E. Tartarilla of 27 West Brookside Drive, Larchmont, were dented Saturday at 3 P. M. when it collided with another car on Halstead Avenue at Mamaroneck Avenue, Mamaroneck.

Mrs. Tartarilla and Ernest P. Sisca of Harrison, operator of the other car, told Mamaroneck police that Sisca was about to make a left turn into Mamaroneck Avenue when he s ped to let other cars go by and was hit by the Tartarilla car. There was no damage to Sisca's vehicle, police said.

# DEWEY STICKING TO MAPPED DRIVE

### Confident of Victory, He Refuses to Alter Plans — Meets Dulles Tomorow

ALBANY, (AP) — Gov. Thomas E. Dewey—awaiting a detailed report on the international situation—was described today as confident of victory he will not alter the measured pace of his Presidential campaign.

Back at the New York Capitol after a 60-speech Western campaign tour, the GOP Presidential nominee expects to meet tomorrow with John Foster Dulles, his foreign affairs adviser.

Flying from the Paris meeting of the United Nations Dulles will give Dewey an intimate view of developments in the Berlin blockade crisis.

Senator Arthur Vandenberg will touch on other aspects of Republican foreign policy in a radio broadcast tonight (6 to 6:30, WCBS). While Dewey had no advance look at Vandenberg's text,

(Turn to Page 3, Please)

# *MHS Students To Broadcast From WGNR*

A delegation of Mamaroneck High School students and an English exchange teacher will be on the air for an hour this afternoon at four o'clock from the new New Rochelle FM Station WGNR, to describe what goes on at Mamaroneck High School to a new student and to a group of foreign students.

Theme of the broadcast, with a script written by Miss Wanda B. Mitchell, teacher of speech and English, is "MHS as a Crossroads."

Warner Herlyn and Ann Urban are master and mistress of ceremonies, respectively with the following MHS students representing their countries: Don Wheatley and Kay Catsell, England, Nino Cuciari, Italy, Hassan Behrami and Kari Kreugholian, Iran, Hannie Heesplink, Holland, Marjolyn Vanderhorst, Dutch East Indies, and Gaby Chirinian, Lebanon.

Other participants are Frederic Chesfield, faculty exchange member from England, and the following students who spoke of the extra-curricular opportunities available at the school: Robert Kiely, publications, Priscilla Richtmyer, music, Dave Replogle sports, Carol Goulding, assemblies, Don Simon, Speech Arts and Stokes Nelson, clubs. Ed Brauner is serving as technical advisor.

The broadcast will be recorded on the school's wire recorder through the new Public Address system for future educational work.

**COLUMBUS DAY** plans for a parade and ceremonies in Columbus Park on Oct. 12 were completed at a recent meeting of the celebration committee shown above. Seated, left to right are Mrs. Norman Buchanan, Mrs. Frank Stamp, Mrs. Harry Silver, Mrs. Paul Bowdell, Mrs. Vito Sinopoli, Mrs. Anthony Constantino, and Stephen J. Luisi, chairman. Standing, left to right, are Tony Poccia, Paul Bono, Joe Quadrini, John A. Gary, Jack Strickland, Lt. Louis H. Giancola of the Mamaroneck Police Department, Robert Primrose, Albert Scherwatzky, and Jack Lombard.

### Russia Bans Travel

WASHINGTON, (AP) — Russia has issued new travel restrictions which in effect confine foreign diplomats to the Moscow city limits, the State Department said today.

# *Fashion Shows To Highlight Trade Exhibit*

Highlighting the second annual exposition of the Larchmont Fall Trade Association will be nightly fashion shows displaying the latest creations in Fall and Winter designs.

The three-day exposition opens Wednesday at 8 P. M. in the auditorium and gymnasium of St. Augustine's School on Larchmont Avenue when 43 exhibitors representing civic and social organizations as well as members of the association, will display the merchandise and activities in the 58 *gaily decorated booths* to be erected.

Another highlight of the exposition will be a nightly entertainment program featuring "Dunworth", well-known magician and mind reader. In addition, there will be music by Nat Baum and his orchestra.

Following the official opening Wednesday night, Dunworth will perform from 6:30 P. M. to 9 P. M., at which time Sylvia Cluxton will present a fashion show. At 10 P. M. a similar program will be staged by the Lorna Londos School of Ballet.

Buchsjes Furs will hold a fashion show Thursday at 9 P. M. followed by another fashion show to be staged by the Sally Kya and Bea Cooper Accessory Shop at 10 P. M. The magic show by Dunworth will be given at 8:30 P. M.

On Friday, the final night, Van's Sportchester will hold a fashion show at 9 P. M. At 10 P. M., a men's fashion show will

# JUDGE COMMITS BOY ACCUSED OF ASSAULT

The 16 - year - old Mamaroneck boy who admitted attempting to assault a 32 - year - old Harrison woman Friday morning, was committed Saturday to Grasslands Hospital by Judge Henry T. Hornidge for observation.

The youth was arrested Friday morning after he was identified at Mamaroneck High School by the woman, mother of five children. At neaquarters where he was charged with third degree assault, police said he admitted molesting the woman shortly after 8 A. M. as she was crossing vacant lots at Waverly and Rockland Avenues on her way to work at the Betty Lee Food Products plant.

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS — MAMARONECK, N. Y., TUESDAY, OCTOBER 5, 1948 — BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**

Tonight cloudy with rain, low in middle 50s. Tomorrow cloudy with rain followed by partial clearing, high in upper 50s. High tides today at 12:35 P. M.; tomorrow at 1:00 A. M. and 1:39 P. M.

## Combing The Town

### *Discharged*

Alfred F. Dodenhoff, son of Mr. and Mrs. Fred N. Dodenhoff of 23 Weaver Street, Larchmont, was honorably discharged last week after 36 months of service with the United States Coast Guard.

A pharmacist's mate, second class, Dodenhoff received his basic training at Curtis Bay, Md., and transferred to the U.S.C.G. station at Jacksonville, Fla.

Assigned to sea duty, he served on various Coast Guard Cutters, among which was the CGC Bibb which rescued passengers of the Bermuda "Sky Queen" last June. He served at Argentia, Nfld., and was later flown to Cape Bonovista, N. F., where he was assigned to a Loran transmitting station on isolated duty for 13 months. He returned to the United States last July and was stationed at the Floyd Bennett Air Station prior to his discharge.

A graduate of Mamaroneck High School, where he was active in all sports and a member of the glee club, orchestra and band, Dodenhoff plans to go to college to study industrial pharmacy.

### *Wanderlust*

Three children were reported missing in Mamaroneck yesterday.

Mrs. Irving Taylor notified police at 9:40 A. M. that her two children, John, one and a half, and Marcia, two and a half, were missing from home. Police said the children had been left out in the yard to play and had wandered away. They were found walking along Beach Avenue.

Harold Schapiro of 125 South Barry Avenue, Mamaroneck, reported to police at 11:30 A. M. that his five-year-old son, Stewart, had accompanied him to the Mamaroneck Hebrew Institute for religious services. After the services he was unable to locate his son. Police searched the area and found the Schapiro boy was still at the Institute with a friend.

### *Scout Outing*

Thirty members of Troop Three and four members of Troop Two, Larchmont, participated in a boat and canoe trip at Lake Waccabuc, South Salem, Sunday under the leadership of Scoutmasters Thomas Flint and Gerry Corson and Troop Three Committeeman Harold Pope.

The boys used four boats and nine canoes in touring three connecting lakes, Lake Waccabuc, Lake Oscalata, and Lake Mimanita. They also made camp, cooked, played games and hiked.

Among the fathers present were William Barnouw, Richard Whittington, John Finneran, James Hart and Frederick Kellogg.

### *Hook Member Honored*

William Buckout of Mamaroneck was honored at a party last night given by Hook and Ladder Company No. 1 of the Mamaroneck Fire Department in recognition of his services as financial secretary of the company for the last 42 years.

He was presented with a combination gold clock and barometer.

Ex-Chiefs John William Anthes and Charles Valentine served as a special committee to arrange the party. They were assisted by Vincent LaBruciano, Philip Kurisky and William Gray, members of the entertainment committee.

### *Returns With Deweys*

Mrs. John C. Ross of 910 Grove Street, Mamaroneck, who is serving as press secretary to Mrs. Thomas E. Dewey during her husband's presidential campaign, returned Sunday night from a 8,900 - mile trip with the Dewey "victory train." Mrs. Ross, who writes under the name Maureen McKernan for The Daily Times and other Westchester newspapers, is handling press relations for Mrs. Dewey throughout the campaign. She will leave Sunday night for another week's tour with the Governor and Mrs. Dewey.

### *Just One Stroke*

Chauncey A. Shook of the Stonecrest Apartments, Larchmont, experienced the thrill of a lifetime Sunday at the Westchester Hills Country Club in White Plains.

Using a No. 5 iron on the 155-yard 16th hole, Mr. Shook dropped his tee shot into the hole to accomplish what every golfer dreams of. He was playing in a foursome.

### *Five Fined Total of $7 For Traffic Violations*

Fines totalling $7 were collected yesterday morning by Judge Henry T. Hornidge in Mamaroneck Police Court from five parking and traffic violators.

Fined $2 each for turning in the middle of the block were Paul Vaughan of 606 Rockland Avenue, Mamaroneck, and Peter DeCosmo of New Rochelle. Fred Johnson of 420 South Barry Avenue, Mamaroneck. Theodore McDermott of Yonkers, and Mrs. A. A. Evans of Mount Vernon were fined $1 each for overtime parking.

**QUICKER THAN THE EYE . . .** is an expression associated with magic. But you don't need any slight of hand tricks to make a tidy profit when you use our low cost Want Ads. To sell your car or carriage, shotgun or roller skates—a Want Ad placed today will be seen tonight by many potential buyers. So it's no magic just good profit sense when you phone Mamaroneck 9-2100 to place your Want Ad.

CUTTING THE TAPE at the official opening ceremonies yesterday of the new County Trust Company offices at Post Road and Larchmont Avenue, Larchmont, is Mayor Walter R. C. Washburn, as Town Supervisor Owen A. Mandeville holds the tape. Watching the ceremonies, are left to right, Andrew Wilson, Jr., chairman of the board of the County Trust Company; Charles E. Fenno, attorney for the County Trust Company; Harold T. Hughes, Larchmont village trustee; Dr. Joseph E. Hughes, president of the County Trust Company; and Lloyd R. Harris, assistant vice president in charge of the Larchmont offices.

## NARCOTIC EXPERT TALKS ON DRUGS

### Addiction A Social Cancer, Lt. Boylan Tells St. Thomas's Club

Drug addiction is practically a social cancer because addicts have to go through such severe suffering to be cured that the average addict fears taking the cure, Lt. Bernard Boylan, head of the Narcotics Bureau of the New York City Police Department told 40 members of the St. Thomas's Church Men's Club, Mamaroneck, last night in the Parish House.

Lt. Boylan, appearing through the courtesy of New York City Police Commissioner Arthur M. Wallander, has been a member of the New York City Police Department 42 years and has spent the last 31 years with the Narcotics Squad. In his address on "Narcotics and Crime," he related his experiences in smashing dope smuggling rings and cleaning out opium dens and displayed some of the paraphernalia used by criminal drug addicts.

The addict seldom tells police

## *Temple Marks Rosh Hashana In Larchmont*

Services marking the opening of Rosh Hashana, the Jewish New Year, were held Sunday evening and yesterday by the newly organized Larchmont Temple, attended by 285 members at the American Legion Clubhouse of Larchmont Post 347 in Flint Park.

Rabbi Leonard Schoffer officiated, assisted in Bible and Torah readings by William Hartley, Leonard Vassen, Jerome Kaufman, Arnold Belchetz and Charles Schafer, father of the Rabbi. Herbert Levin of Larchmont, Harvard freshman home for the holidays, performed the traditional blowing of the ram's horn.

A volunteer choir, directed by Cantor Robert Spiro, was composed of Mrs. Harland Brodley, Mrs. William L. Gelcerd, Mrs. Robert White, Mrs. Emil Menlo, Mrs. Arnold Berchetz and Bernard Kovner, with Mrs. Harry Rachtman at the organ and solos by Cantor Spiro.

Flowers contributed by Mrs. M. L. Goldstone were arranged by Mrs. White, assisted by Mrs. Jerry Shapiro, Mrs. Robert Crane and Mrs. Jerome Kaufman. Mrs. George Lambert was in charge of music arrangements, with Mrs. Paul Halstead as secretarial chairman. The ritual committee, providing sacred articles of worship and assisting with the service, included Jerome Siegel, Sol Levin and Berry Golden.

The services, with the rabbi speaking on the theme of the

EXAMINING the large vault of the new County Trust Company office at Post Road and Larchmont Avenue, Larchmont, which opened for business yesterday, are Trustee Harold T. Hughes of the Larchmont Village Board, center, and Supervisor Owen A. Mandeville of the Town of Mamaroneck, right. Looking on at left is Dr. Joseph E. Hughes, president, of the County Trust Company. Each of the nearly 1,000 persons who visited the bank yesterday was presented a rose. The first account in the new office was opened by Mrs. Evelyn Clark of Eryilla Drive, Larchmont. Throughout the day a number of new accounts were opened and several safe deposit boxes rented.—Staff Photo

## *Nager Assails Rep. Gamble For 'Hush Hush' Campaign*

Rep. Ralph A. Gamble's failure to come to the defense of his 12-year record in Congress was assailed last night by Charles J. Nager of Larchmont, Democratic candidate for Congress from the 28th District, at a rally in Carpenter's Hall, Mamaroneck, sponsored by the Mamaroneck Democratic Club.

"My opponent has not had even a word to say as yet," said Mr. Nager. "He has been the incumbent for 12 years now, and most of his constituents don't even know his name. Prior to his designation by the Republican machine in 1936, our people had other Republican representatives from this district for years back. Many of us have never experienced any other brand of representation. It would be entirely novel for Westchester to have an independent, progressive representative in Congress."

In his 12 years in office, Rep. Gamble has rarely introduced a bill, made a motion, or even taken the floor, according to Mr. Nager.

"On practically every record vote he has opposed the essential development of our natural resources, including measures for forest research, construction of fertilizer plants, reclamation, power, fisheries and rural electrification.

"On veteran's legislation, he voted against funds for the veteran's placement service and to remove the investigatory powers of the Housing Expeditor to prevent the cheating of veterans by poor housing construction. He also opposed and helped prevent passage of the Taft - Ellender-Wagner Housing bill after it had twice passed the Senate.

"On matters of social legislation, his record has been as reactionary as that of the 80th Congress. Notably, he opposed the school lunch program, and he voted to subject injured railway passengers to the inconvenience and expense of bringing their suits at the place where the accident occurred.

"He also voted repeatedly against the use of government facilities to provide overall information to industry, labor and agriculture.

"Notwithstanding the Republican Party's perennial promise to streamline the executive branch, we find that my opponent supported a measure calculated to kill any government reorganization plan, and that he even voted against adequate funds for ex-President Hoover's Commission to reorganize the executive department which has been functioning for over a year as a non-partisan project.

"He voted to have the government renounce its essential ownership of tidewater lands and their vital oil deposits and turn them over to the states for private exploitation. Despite the tense foreign situation which may continue indefinitely and the growing shortage of oil reserves, this particular action of your representative is another instance of traditional Republican shortsightedness even where national defense is involved.

"Notwithstanding our alleged bipartisan policy, my opponent has voted consistently against one of its necessary adjuncts, the reciprocal trade agreement program.

"He voted for the recent tax

## Resident Faces Charge Of Assaulting Wife

William Peterson, forty-four, of 586 Van Ranst Place, Mamaroneck, a chef, was arrested for third degree assault early this morning for allegedly assaulting his wife.

He was arrested on the complaint of James O'Neill of the same address and was released on $50 cash bail to appear before Judge Henry T. Hornidge in Mamaroneck Police Court tomorrow morning.

## ASKWITH APPEALS TO TRUSTEES FOR STREET CLEAN-UP

### Board Acts As Resident Shows Photos of "Disgraceful Condition'

Armed with eight photographs Herbert Askwith of 3 Concord Avenue, Larchmont, graphically showed the Larchmont Board of Trustees last night what he called the "disgraceful condition" of Larchmont's littered streets, and urged the Board to take drastic and effective action to see that Larchmont presents a cleaner appearance.

He also strongly recommended that the Village purchase or rent one or more tractor plows to remove snow from Larchmont sidewalks immediately after a snowfall as a real service to the taxpayers.

To keep Larchmont's streets, sidewalks and vacant lots free of litter and refuse, Mr. Askwith recommended that the Board adopt methods now used in Scarsdale or Pelham Manor.

The Street Cleaning Department of Scarsdale, he explained cleans up all vacant lots and littered sidewalks once a month. In Pelham Manor, he said the Village does this once a year during the annual "Clean-Up Week" but during the rest of the year sends notices to owners of vacant lots which need attention, offering to clean the lot for a moderate fee if the owner is unable to take care of it himself.

"Invariably," he added, "the reply is 'Go Ahead', and the charge, which rarely exceeds $10 is put on the tax-bill, and is always paid."

Mr. Askwith reminded the trustees that he had first called attention to the "disgraceful condition" of the streets over a year and a half ago in a letter to the Board in March, 1947.

"Yet conditions have grown worse instead of better," he said. The eight photographs he sub-

## DENIES GOVERNOR IS DICTATORIAL

### Senator McGovern Declares Legislation Is Result Of Conferences

State Senator J. Raymond McGovern last night refuted charges that Gov. Thomas E. Dewey is a dictator at a joint meeting of the Young Men's Republican Clubs of Rye Neck and Larchmont-Mamaroneck in the V.F.W. Clubhouse, Mamaroneck, attended by 50 members and guests.

From his own experience in the legislature, Sen. McGovern said, legislation is the result of many conferences between Dewey's "unofficial cabinet" and legislative leaders. "But when the program is finally decided upon," he added, "then it is pushed through the Legislature."

He predicted that the Governor would have no difficulty with Congress, using the same methods, if elected.

Sen. McGovern also spoke of the youthful outlook of the Dewey program and attributed it to the fact that Dewey has so many younger men as his advisers. He also talked about the state educational program, which he said, is leading the nation, and concluded with a discussion of state aid to municipalities.

Hunter Meighan, president of the Young Mens Republican Clubs of Westchester, announced plans for a county-wide rally of Young Men's Republican Clubs, of which he is chairman, to be held in White Plains at 8:30 P. M. Oct. 15. The guest speaker will be Sen. Irving M. Ives.

Members of the local clubs decided to send a delegation to the rally. The meeting was adjourned out of respect to the memory of Joel Mencher of Tuckahoe, past president of the Westchester County and New York State Young Republican Clubs, who died last week.

Among the guests present were Rep. Ralph A. Gamble of Larchmont, Mayor B. J. Santoro of Mamaroneck, Corporation Counsel Anthony Sansone of Mamaroneck, and Councilman Thomas J. McKeever of the Mamaroneck Town Council.

## 92 U. S. Marines Land At Haifa to Aid U. N.

HAIFA, Israel, (AP)—The U.S. destroyer Purvis arrived here today with 92 U.S. Marines who will be on duty with the United Nations' Palestine Truce Commission.

Their arrival came on a day when an unidentified plane flew over the city, resulting in an anti-aircraft barrage.

# U. N. Votes To Hear Berlin Case; Soviet Irked, Quits Debate

### Violation of Charter Laid to Council By Vishinsky

PARIS, (AP)—The United Nations Security Council voted 9 to 2 today to admit the Western powers case against the Soviet blockade of Berlin and Russia immediately announced she would not take part in the debate.

Deputy Foreign Minister Andrei Y. Vishinsky demanded the floor and declared:

"The Soviet Union considers that the Security Council, by agreeing to put the Berlin question on its agenda, has violated the charter of the United Nations."

Only Russia and the Soviet Ukraine voted against discussing the Berlin crisis. A majority of seven affirmative votes was required.

**Charge Violation**

Vishinsky declared that the adoption of the agenda was a violation of the United Nations charter, specifically of Article 107.

Dmitri Manuilsky of the Ukraine than announced that he also would refuse to participate in the debate on Berlin, "for the reasons outlined by the Soviet delegate."

Council President Juan Atilio Bramuglia of Argentina then adjourned the council at 5:30 P. M. with the announcement there would be two meetings tomorrow.

Dr. Philip C. Jessup of the United States announced that he would speak at the session tomorrow morning.

**Makes Quick Exit**

Vishinsky, followed by his aides and a crowd of newsmen, stalked out of the great hall of the Palais de Chaillot immediately after the adjournment.

"We shall see," he said, when

*(Turn to Page 3, Please)*

LARCHMONT EYESORE — This photo taken by Herbert Askwith was one of eight presented by him to the Larchmont Village Board last night as graphic evidence of the "disgraceful condition" of the community's streets. Photo above shows trash littering the approach to the A. & P. Super Market on Palmer Avenue. Mr. Askwith's appeal brought immediate action by the trustees to clean up Larchmont's streets.

## *Big Trade Exposition To Open Tomorrow*

Tomorrow night at 7 o'clock heralds the opening of the gala second annual exposition of the Larchmont Fair Trade Association in the St. Augustine's School auditorium and gymnasium on Larchmont Avenue, Larchmont.

FERDINAND SCHUE, whose election as president of the St. Thomas Men's Club was announced last night at the first meeting of the Fall season. Other officers are Howard LaPeure, first vice president; Richard Farrell, second vice president; James McBrien, treasurer, and Edgar W. Dodge, secretary. Retiring president Aubrey W. Crawford presented gifts to sexton Herbert Poshay and Frank Rollins for their services to the church.

Large crowds are expected to attend the affair which will run for three days, tomorrow night, Thursday and Friday nights. The nightly program will combine attractive displays of merchandise offered by members of the association, fashion shows, music and entertainment.

In connection with the exposition, Mayor Walter B. C. Washburn last night at a meeting of the Board of Trustees proclaimed Oct. 6, 7 and 8 as Larchmont Fair Trade Association Days and urged all residents of the Village to attend the exposition.

Highlights of the nightly programs will be exhibitions by Dunworth, outstanding magician and mind reader; an exhibition of baton twirling by Cy "Tufty" Vaughn, senior champion twirler of New York State; music by Nat Baum and his orchestra and the Lamplighters orchestra.

The opening night program will start with music by the Lamplighters in the gymnasium at 7:30 followed by Dunworth's magic show at 8:30.

At 9 P. M. in the auditorium, Sylvia Cluxton will present a fashion show of her latest gowns while at 10 P. M. the Lorna London School of Ballet will give a dance recital. Musical accompaniment will be provided by Nat Baum's orchestra.

On Thursday, following music by the Lamplighters and the magical show, "Fashions in Furs" will be presented on the stage of the auditorium at 9 P. M. by Buchspies Furs. A surprise show of unusual entertainment will fol-

## Kitchen Cabinet Burns In Brown Residence

Slight damage was caused by a fire which broke out in the kitchen at the Malcolm Brown residence, 111 Florence Street, Mamaroneck, at 4:12 P. M. yesterday.

The Halstead Manor Fire Company responded to the alarm under the direction of Fire Chief William Lemon, who reported that the fire started due to an overheated fireplace. The bricks in the wall became hot and set fire to a kitchen cabinet.

At 11:28 P. M., Al Daniels of 620 Lorraine Street, Mamaroneck, reported that the cellar of his house was full of smoke but that he was unable to locate any fire. Chief Lemon investigated and found a short circuit in the oil burner motor.

## 'New Look' for Soviets

LONDON, (AP) — The "new look" has reached Moscow. A Tass report said today that dresses shown at the Moscow fashion show are "definitely long-er."

## Train Passenger Faints Near Larchmont Station

A Hartford, Conn., man suffered injuries when he apparently suffered a fainting spell and fell on the floor of a car on an eastbound train near the Larchmont railroad station yesterday, Larchmont police reported.

Chick Conte, a Yellow Cab Company taxi driver, told police that the conductor of the train need assistance. Police found that William Cavanaugh of Hartford had received severe cuts on the forehead above the left eye. On the request of the conductor, he was taken to New Rochelle Hospital, where four stitches were taken above his eye.

## TRUSTEES DEFER GAS RATE STAND

### Larchmont Board Rejects Tarrytown's Request For Action

The Larchmont Board of Trustees last night turned down a request from the Tarrytown Village Board that it go on record as opposed to the increased gas rates of the Westchester Lighting Company, on the grounds that it does not have any facts or figures to go by.

"I don't see how we can take such a step without any facts to go by," Trustee Arthur Coombs said, to which other members of the board agreed.

Trustee Gail Golliday added, "I'm pro-corporation myself."

Village Engineer Arthur Richards reported the installation of sewer and water lines in the Palmer Avenue District improvement will be furnished this week and the entire job completed by Nov. 1.

He and Village Attorney William J. McWilliams were instructed to proceed with the settlement of easements granted by residents so that the exact figure will be available when it is time to issue bonds for the improvement.

Mr. Richards reported a violation of the sign ordinance exists at 364 Post Road, the real estate office of Owen A. Mandeville. He stated that a new sign had been erected on top of the building and another on the side of the building without a permit. He added that no application has been made for a permit and if it had he would have denied it. In executive session, the board instructed Mr. Richards and the Village Attorney to have the violation removed.

The Larchmont Public Library submitted an estimated budget to the board to request that the town include in its 1949 budget the sum of $10,431 as its share for the maintenance and up-keep of the library.

Mr. Richards brought to the board's attention a public notice filed by Mr. and Mrs. Edward P. Ramsey of Cedar Island, Larchmont, that they are applying to the commissioners of the Land Office of New York State for a grant of land under water. Mr. Richards said it is the Ramseys' intention to fill in part of the East Creek, otherwise known as Little Harbor Sound, for road purposes. The board instructed Trustee Coombs to confer with them and report his findings at the next meeting.

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS MAMARONECK, N. Y., WEDNESDAY, OCTOBER 6, 1948 BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**

Considerable cloudiness. Tonight partly cloudy, low in upper 40s. Tomorrow, partly cloudy, high in low 60s. High tides today at 1:30 P. M.; tomorrow at 1:56 A. M. and 2:06 P. M.

## Combing The Town

### *Man in Need*

Last June, a downhearted German accidentally read of "The Friendly Village" of Mamaroneck, and believing that its friendly citizens would help him, wrote to Mayor B. J. Santoro asking for clothing.

The mayor read the letter to the trustees, urging any residents who have extra clothes to send them, and gave a copy to The Daily Times, which published it. Last week, the Mayor received the following letter from the German, Walter Tschierschi of 216 Hoxter-Sunnweg, Lerchohn Hoxterstrasse 15, Provinz Westfalen, British Zone.

"I received your letter of June 20, 1948. My wife and myself were very glad that you will help us. We thank you very much for your good sentiment. I possess few clothes. I have no warm things and I am afraid of Winter. Were your efforts successful? I would be very happy if I would get something. I am content with the least.

"The name of your village I read accidentally in the newspaper, but I do not know in which connection. It was before a long time. Your village was named, 'The Friendly Village'. I thought friendly people are also living in a friendly village and I wrote to you.

"I do not speak English very much but I hope you will understand my words."

### *Moves Offices*

William S. Brill, local attorney, has moved his offices from 100 Mamaroneck Avenue, Mamaroneck, where he has been practicing for the last three years, to 175 Boston Post Road, Larchmont.

Prior to opening his own offices, Mr. Brill was connected with the Mamaroneck law firm of Meighan and Necarsulmer. Except for a brief period when he practiced law by himself in White Plains, he was associated with the Strang and Taylor law firm and the legal department of the Title Guaranty and Trust Company, both of White Plains. He began his law career in Jamestown, N. Y., as a partner in the firm of Leonard and Brill.

Mr. Brill is a graduate of Jamestown High School and Albany Law School of Union University.

### *Rope Talk*

Comm. Aylmer R. Hatch, USN retired, will speak on ropes at a meeting of the Sheldrake Point Club at 9:30 P. M. today in the clubhouse on Mamaroneck Avenue. He delivered the same address at Annapolis three weeks ago.

The club will officially close its season Sunday with appropriate ceremonies, followed by a trip to Great Captain's Island by the club fleet. Members and guests will go ashore for refreshments and games.

### *In Mock War*

Capt. Walter J. Spuehler of 118 Palmer Avenue, Mamaroneck, was one of 180 officers and enlisted men who recently took part in the third phase of the "War on Maps" conducted by the 22nd Corps Artillery of the First Army Organized Reserves at Camp Wood, Fort Monmouth, N. J.

The "problem", staged against a hypothetical enemy, was under the direction of Brig. Gen. John W. Morgan.

### *First Book Session*

The opening session of the Great Books Discussion Group will be held at 8 P. M. tomorrow in the children's room in the basement of the Mamaroneck Free Library.

Featured will be Homer's "Odyssey", a discussion of which will be led by George Garfunkel. All those interested in joining the group are urged to contact Miss Eleanor Merrow, librarian.

### *Take Heed*

Sailors beware!

For the second straight day, the northeast storm waning flag has been flown on the Harbor Island flagpole.

The signal is a red pennant flown over a square red flag with a black square in the center. The warning service is provided by the local U. S. Coast Guard Auxiliary Flotilla.

### *Completes Course*

Pvt. William Gilliam of 238 Center Avenue, Mamaroneck, has completed a course in automotive mechanics with the 47th Special Training Regiment of the Ninth Infantry Division at Fort Dix, N. J.

Pvt. Gilliam, who attended Mamaroneck High School, enlisted last June. He is 18 years of age.

**CHEST MEETS TONIGHT**

Directors of the Mamaroneck Community Chest will meet at 8 P. M. today in the board of the Mamaroneck Municipal Building.

**EVERY FAMILY . . . turns to the Want Ads when it's in the market for a home. Housing shortage or no, the purchase of a home is one of the most vital decisions any family ever has to make. They read the Want Ads for days and weeks. And every bit of information you can give: section, rooms, heating, price, etc. sways their decision. Want help in writing your homes-for-sale ad? Call Mamaroneck 8-2100.**

PART OF MAMARONECK'S Community Chest goes to support the work of the local Girl Scouts, ten of whom, above, won half-campership last Summer to Rockhill Camp. The Chest money pays half the expense of a two-week camp vacation for girls who are eligible on the basis of their Scouting record for the year. In the front row, left to right, are Nancy Becker, Patricia Stanton, Robinette Allen, Beatrice Griffin and Mary Savage; rear row, Oran Helming, Diane Gunn, Phebe Haggerty, Patty Gillette and Trudy Erickson.

## *Gideonse, Fraenkel To Speak On Communism At 1st Forum*

The first meeting of the sixth season of the Larchmont Forum for Public Opinion will be held at 8:30 P. M. Friday in the auditorium of the Chatsworth Avenue School, Larchmont.

Two outstanding speakers, one of which is well known to the Larchmont Forum audience, will discuss the topic, "Democracy Tackles the American Communist — How?". They are Osmond K. Fraenkel, lawyer and a member of the board of directors of the American Civil Liberties Union, and Dr. Harry D. Gideonse, president of Brooklyn College who has appeared at previous Forum meetings. Superintendent of Schools T. James Ahern will act as moderator.

OSMOND K. FRAENKEL

A graduate of Harvard College and the Columbia Law School, where he was a member of the board of the Columbia Law Review, Mr. Fraenkel has been practicing law for nearly 40 years during which time he has worked intensively in fields as diverse as stock exchange law, arbitration and civil liberties.

For many years, Mr. Fraenkel has been a member of the American Civil Liberties board of directors in addition to being counsel to its New York City committee. He has also served for many years as chairman of the Hearst Board of the New York City Department of Welfare which reviews all dismissals of employes.

During his law career, he has argued a number of cases before the United States Supreme Court, including the Bridges contempt case, the Hawaiian martial law case, and a number of cases involving the validity of ordinances restricting the distribution of leaflets on public streets. He was also associated in the Scottsboro case and took part in arguments in the Alabama courts.

Mr. Fraenkel has also written two books. One is an analysis of the Sacco-Vanzetti case in 1931 and the other a summary of the state of the law relating to civil liberties entitled "Our Civil Liberties," published in 1944. He also edited selected essays of the late Justice Louis D. Brandeis of the U. S. Supreme Court which appeared under the title of "The Curse of Bigness." Mr. Fraenkel is also a frequent contributor to legal periodicals.

A resident of Manhattan, he lived for several years in the suburbs. The father of three children, two of them married, he now has five grandchildren. One of his daughters is Nancy Wechsler, wife of James A. Wechsler of The New York Post, who is also a lawyer and has had various governmental positions, including acting as counsel to President Harry S. Truman's Civil Rights Commission.

Mr. Fraenkel spends his summers at Westport, Conn., sailing, bicycling and swimming.

## V.F.W. POST 1156 TO SPONSOR PLAY

### Touring Players Present 'Therese' Nov. 27 At Junior H. S.

David Potts Post 1156 of the Veterans of Foreign Wars of Mamaroneck will sponsor a production of the mystery - drama, "Therese," adapted from Emile Zola's novel by Thomas Job and performed by the Touring Players, Inc., of Larchmont at the Mamaroneck Junior High School Saturday, Nov. 27.

The Touring Players company, now in its third season, will return from a New England tour where it has been performing "Therese" in a repertoire which includes "Pygmalion", and "The Importance of Being Earnest."

The company will play here before going into rehearsal on a fourth production to be presented in the South beginning in January.

The managers of the company, Peg Murray of the Larchmont Acres Apartments, Larchmont, and Lisabeth Schwieger of Los Angles, will take part in the production here. The director of the company is Henry W. Butler, regional director of the American National Theater and Academy, who with the two managers, produced a touring theater at the Wiesbaden Opera House in Germany for several months while stationed there with Soldier Shows.

Other members of the company include Dan O'Hagan, also a Larchmont resident; Paul Menard, who toured Europe with Richard Whorf's production of "Richard III", and Charles Caron, who appeared on Broadway with Gene Lockhart in "Happily Ever After" and with the Old Vic Productions of "Henry IV," "Oedipus," and "The Critic." Also Timothy Gordon, Michael Meads, Jenelle Gregg, Jeannette Miller, and Virginia Johnson.

## 20 SCOUT TROOPS SHARE IN CHEST

### $1,124 Fund to Help Girls Carry On In Ten Fields Of Endeavor

Twenty Girl Scout troops, including 212 girls and 97 adults in Mamaroneck, will receive a helping hand next year from the Community Chest to the extent of $1,124. The amount represents about 5 per cent of the $22,357 the Village will seek to raise during its annual one-day drive on Oct. 24.

The Girl Scout program which, according to its leaders, "seeks to supplement school and church as a character building, instructive and recreational outlet for youthful shyness and enthusiasm," trains girls in ten fields: arts and crafts,

(Turn to Page 3, Please)

## CONSTRUCTION UP IN LARCHMONT

### September Costs Placed At $43,386; 12 Permits Issued

Building activities increased in the Village of Larchmont in September when 12 permits were issued by the building inspector to cover an estimated cost of construction of $43,386, or $27,126 more than reported for the preceding month.

Included among the permits was one issued to Jacob Ernst to erect an $8,500 home at 16 Palmer Road, Larchmont. A $25,000 repair permit was issued for the repair of the Addison Apartment building which was swept by fire last August. Other permits included three for alterations, three for additions, one for a private garage and three for roofing.

The estimated cost of construction also represented an increase of $23,101 over the amount reported a year ago when seven permits were issued, including one for a new home.

## NEXT PAPER DRIVE SLATED FOR NOV. 7

The next paper drive to be conducted in the Village of Mamaroneck by Mamaroneck Post 90, American Legion, will be held Sunday, Nov. 7. It was decided last night at a meeting of the executive committee. Commander William Kuritsky presided.

Three new members were recommended by the executive committee for acceptance. They are Dr. Francis Hunter, a Navy veteran; Michael Vitetta, an Army veteran, and Mrs. Dorothea D. Harner, wife of vice Commander Roger Harper, who served in the Waves as a lieutenant, junior grade.

The revised by-laws and constitution of the post, made to conform with the recommendations of the New York State Department, will be presented at the Oct. 26 meeting for approval by the membership.

Michael McCrystal has been hired as the post steward. It was also announced that the 1949 membership dues will become payable Oct. 20.

## BRITAIN DEMANDS YES-NO FROM REDS ON ATOM STYMIE

### 'Gets Answers Seen Either 'Evasive' or 'Incomplete' In USSR Answer

PARIS, (AP)—Britain demanded today that Russia give a "yes or no" answer to whether she agrees to the control of atomic energy before destruction of the atomic bomb.

In a blistering attack on Russian "threats to peace," British Minister of State Hector McNeil said the United States and Britain "will not hand over information" on the bomb "semi-unconditionally." Addressing the United Nations Political Committee, he asked the Russians:

1. Will you agree that a "fully effective control system" should take effect before a U. N. convention banning the bomb?

2. Will you accept majority-backed proposals for atomic control as a "general basis" for establishing a world control system?

3. Will you agree to abandon the veto in operation of a proposed international control agency?

Jakob A. Malik, Soviet Vice Minister of Foreign Affairs, quickly took the floor to reply to McNeil.

Western delegates termed his answers either "negative, evasive or incomplete."

Malik reiterated the Russian proposal for simultaneous treaties banning the bomb and setting up control. He did not explain further.

Committee chairman Paul-Henri Spaak of Belgium announced general debate would end this afternoon and voting would begin on the various proposals.

## 450 JEWS ATTEND HOLIDAY SERVICES

### Hebrew Institute Filled To Capacity For New Year Observance

High holiday services for the new year, Rosh Hashana, were conducted by Rabbi Irving Koslowe at the Hebrew Institute of Mamaroneck Sunday night. Monday morning and night, yesterday morning and last night before a capacity congregation of more than 450 worshippers.

Chanting of traditional music and leading of congregational singing were performed by Cantor Abraham Denburg and Cantor Mandel Fish, who also read the Torah and blew the Ram's Horn.

Rabbi Koslowe's sermon on the first day dealt with the "fear" element in religion. The function of religion is not to frighten or scare but to help us overcome our fears, help us live with ourselves and face the world, the rabbi declared. On the second day, he discussed Israel and the fact that this is the first year in more than 2,000 years that Jews are ushering in the New Year on Jewish soil.

Z. O. A. members honored by being called to the scroll were Bernard Prakin, Morris Stern, Hyman Federman, Fred Rubin, Edward Margolius, Meyer Kronish, George Neufeld, Abe Adler, Murray Kirsch, Harry Rosenthal, Edward Block, Jack Brill, Jack Block, Alfred Schaffer, Sidney

(Turn to Page 3, Please)

AMONG THE community leaders who witnessed the annual inspection and parade of the Larchmont Fire Department last night were, left to right, above, Town Supervisor Owen A. Mandeville, Fire Commissioner George N. Gibbs, Fire Chief F. M. Taylor, Rep. Ralph A. Gamble and Mayor Walter B. C. Washburn of Larchmont.

# 3 Western Powers Draft Plea For End Of Berlin Blockade

OLD FRIENDS MEET—Jack S. Connolly of 17 Forest Park Avenue, Larchmont, third from left, is shown in the above picture being welcomed to Mexico by President Miguel Aleman in President's office at the Capitol building in Mexico City. Others in the picture are Francis Alstock, American oil consultant, at right, and Senator Antonio Bermudas, head of the Mexican petroleum industry. Mr. Connolly returned last week from Mexico where he was the guest of President Aleman, whom he had met several years ago when Aleman was Minister of the Interior.

## *Larchmont Firemen Parade In Drizzle As 700 Watch*

More than 700 spectators watched the annual inspection and parade of the Larchmont Fire Department in a drizzle that last night had little deterrent effect on the enthusiasm of the onlookers or the spirit and precision of the firemen.

The colorful parade started rolling at 8 P. M., led by Chief William Kersey and officers of the Larchmont Police Department. The brilliantly polished fire engines, gleaming in the light of numerous red flares held by Boy Scouts of Larchmont Troop Eight, rolled slowly down the Post Road to Chatsworth Avenue, left onto Palmer Avenue, left onto Larchmont Avenue, and halted in front of fire headquarters where the apparatus and firemen were inspected.

Following the Police Department in order of march were: Mayor Walter B. C. Washburn and the Board of Trustees, the American flag and the Village flag escorted by a Troop Eight color guard, ex-chiefs of the Larchmont Fire Department, American Legion Fife and Drum Corps of Larchmont Post 347, Engine Company, Hose Company, St. Casimir's Band of Yonkers, Hook and Ladder, Patrol Company, and the Ambulance Corps.

After the inspection of the men and apparatus, Second Deputy Chief Joseph B. Ford, in charge of the inspection and parade, signalled the bands, which played on a platform near the headquarters.

At the dinner following the inspection, at which 220 guests were present, Master of Ceremonies Rem Winant, ex-captain of the Engine Company, presented Chief F. M. Taylor, who awarded the annual softball trophy for the championship of the Larchmont Fire Department to the Hook and Ladder Company.

Among the many dignitaries present at the dinner were Rep. Ralph A. Gamble of Larchmont, Town Supervisor Owen A. Mandeville, Fire Commissioner George B. Gibbs, Mayor B. J. Santoro of Mamaroneck, Mayor Walter B. C. Washburn of Larchmont, Town Councilmen, trustees of the Village of Larchmont, Larchmont Police Chief William J. Kersey and chiefs and deputy chiefs from the following fire departments: Harrison, Port Chester, Rye, and Mamaroneck Village and Town. Several ex-chiefs of the Larchmont Fire Department also attended.

The "Lamplighters" orchestra entertained while the guests enjoyed a roast beef dinner. Following the dinner, 10 short addresses were given by various officials commending the work of the Larchmont Fire Department during the past year.

## BUILDING HERE TOTALS $110,785

### September Permits Include 3 For Pre-Fabricated Dwellings

Fifteen permits for new construction and one for an alteration, at a total cost of $110,785, were issued in September in the Village of Mamaroneck, Building Inspector George D. Persehke announced today.

Included in the construction permits, totalling $109,825, were eight permits for one - family homes, including three pre-fabricated houses to be built by Thomas Vidlie at Mamaroneck and Villa Avenues at a cost of $7,500 each. These dwellings will have five rooms and an expansion attic.

Building here in September, since March, 1948, the start of the fiscal year, has totaled, $768,-935.

## NEWSMAN TO SPEAK TO UNIVERSITY CLUB

Allan Jackson, Columbia Broadcasting System newsman who has just returned after two years in Europe covering London and Paris for his network, will speak on "Berlin" at the dinner meeting of the University Club of Larchmont Wednesday night, Oct. 13. The dinner will be held at the Larchmont Yacht Club.

Mr. Jackson will review the political steps that led up to the Russian blockade of the city resulting in the American airlift. He will also describe the mode of life of G.I.'s and occupation personnel in the German capital.

## *Larchmonter Turns Human Fly To Escape From Akron Fire*

AKRON, Ohio, (AP) — Three guests and two firemen suffered minor injuries early today when fire swept the eighth floor residence rooms of the Akron City Club in the downtown district.

Twenty-three guests were routed from their beds when the fire broke out shortly after 2 A. M. today and were led to safety by firemen.

R. Glen Keyes, twenty-five, of Larchmont, N. Y., fashioned a rope from sheets and blankets and lowered himself from the eighth to the seventh story and then reached ground level by clinging to the rungs of ventilating pipe.

Mr. Keyes, 25-year-old son of Mr. and Mrs. T. Hall Keyes of 40 Vanderburgh Avenue, had lived in the Akron City Club for the past year. He is production manager at Briggs Boiler Company.

An alumnus of Columbia University, he served in the war as a captain in a meteorology unit of the Army Air Corps. Prior to accepting his present position, he was working toward the master's degree at New York University.

## Vishinsky Attends UN Hearing But Holds His Silence

PARIS, (AP) — American, British and French U. N. Security Council leaders met late today to hammer out a resolution calling on Russia to end the Berlin blockade, a British official reported.

PARIS, (AP)—Russia's Andrei Y. Vishinsky, first showing interest then boredom, sat in silently today on the United Nations Security Council's opening debate on the Berlin crisis.

He returned to the council chamber again for the second session of the debate this afternoon without indicating whether he would break his silence and join in the argument.

The Soviet Deputy Foreign Minister announced in the council yesterday he would not participate in the debate on American, French and British charges that Russia is menacing world peace by blockading Berlin.

Deputy U. S. Delegate Philip C. Jessup led off the debate with a long statement on the United States views on the Berlin blockade, which is now more than 100 days old.

**Russian Reads Newspaper**

Visinsky at first took copious notes and made several flourishes, indicating he was interested. Later he threw down his pencil and earphones, whipped out a French Socialist newspaper and began to read.

He was taking notes, however, when Jessup, a Columbia University professor, declared at the outset of his speech:

We have not made a restricted or qualified submission to the Security Council."

The United States, Jessup said, is determined to take such measures as may be necessary to insure the safety and subsistence of our forces in Berlin and of the population committed to their

## MOTORIST SEIZED IN 'HIT-RUN' DEATH

### New Yorker Arrested 18 Hours After Yonkers DPW Aide Dies In Hospital

YONKERS — Less than 18 hours after a hit and run victim was fatally injured on Yonkers Avenue near the Empire City Racing Track, acting Police Commander Capt. James Hollis arrested suspect Harry Goldson, thirty-five, of 3901 Delafield Avenue, Riverdale, on charges of automobile homicide and leaving the scene of an accident.

In statement issued shortly before noon today, Capt. Hollis said that Goldson, who operates a mail order business in School Street, Yonkers, definitely was the driver of the car that struck and killed John Sherwood, sixty-five, of 65 Winfred Avenue, Yonkers, an employe of the City Department of Public Works.

Investigation of Wednesday followed reports by witnesses that after swerving to pass another eastbound car and striking Sherwood, who was crossing Yonkers Avenue on foot, the Riverdale man stopped and pretended to be an innocent bystander.

Captain Hollis said today that the suspect car had a dented front fender, and that strands of human hair and flesh were caught on the vehicle.

Sherwood was admitted to Yonkers General Hospital about 6:45 P. M. yesterday, and died four hours later of a fractured skull

# The Daily Times

## Combing The Town

### *Ambushed*

For the past few Wednesday evenings when Boy Scouts of Troop 1, Mamaroneck, arrive at 7:30 P. M. for meetings at the St. Thomas's Parish House on Mt. Pleasant Avenue, Mamaroneck, they have been ambushed by a gang of young boys who grab them and knock them to the ground, Scoutmaster Oscar Birch of 525 Halstead Avenue, Mamaroneck, reported to police last night.

He reports that during last night's attack, the eyeglasses of one of the Scouts were broken. There are about eight boys in the gang, Mr. Birch told police.

### *Short of Goal*

A report meeting of district chairmen and supervisors of the Larchmont Community Chest was held at the Girl Scout House, Harmon Drive, last evening.

"At this focal point meeting in the mid-campaign, we are showing progress but are still short of our goal," Clayton L. Davis, executive campaign chairman, said today.

"We are urging the workers to get in the returns at the earliest possible moment as with so many pledge cards outstanding the success of the campaign can not be ascertained."

### *Cancer Booth*

Answering queries about and accepting contributions to Memorial Hospital for Cancer Research in New York City at last night's exposition of the Larchmont Fair Trade Association were Mrs. Marion Bishop and Mrs. Evelyn Rafter of New York, members of the Women's Society of the hospital.

On duty tonight at the hospital's booth in the gymnasium will be Mrs. Priscilla Endicott of Greenwich and Mrs. Esther Carbenas of Pelham.

### *Named to Board*

New members of the board of governors of Iona School in New Rochelle are Rev. T. Byrne of 17 Dante Street, Larchmont, and Edward P. Duffy of 5 Woody Lane, Larchmont. They were elected at the fifth annual meeting of the Father's Council of the school Tuesday night, and will serve one year.

Mr. Byrne is a tax consultant with the firm of Harris Upham, 14 Wall Street, New York City. Mr. Duffy is New York manager of Pictorial Review.

### *Grid Movie Night*

More than 100 members of the Holy Name Society of Holy Trinity Church, Mamaroneck, are expected to attend a meeting of the group at 8:00 P. M. today in the school hall.

Two movies, entitled "Football Highlights of 1947" and "Hail Notre Dame" will be shown following the business meeting. They were obtained by Edwin B. Dooley, president of the group. Mr. Dooley is a radio football commentator.

The Rev. Thomas B. Kelly is moderator of the society.

### *Shades of Winter*

Two "Lightning Glider" sleds which she last saw in March were reported missing yesterday by Mrs. Janet Howard of the Larchmont Acres Apartments, Mamaroneck Town Police said today.

Also missing were a baby-walker and a red four-foot step ladder she believes were taken from the basement within the last three weeks. The sleds were large and had the names of her sons, Warren and Jeffrey, burned in the wood.

### *Prompt*

More than 93 per cent of the school tax levy of $1,242,836 was paid during September, Town Tax Collector Henry R. Dillon reported today.

The collection, he said is the largest ever made during the penalty-free period in all the years that he has served as tax collector.

## MISSING BOY FOUND BY POLICE IN RYE

Rye police early today picked up an 11-year-old boy from Mamaroneck, reported missing from the home of his foster parents since 7 P. M. yesterday, after he threw a stone through a window at the Rye Country Day School in Rye.

His foster father reported to Mamaroneck police at 12:15 A. M. today that his ward, a student at the Daniel Warren School, was missing.

He told police that the boy had relatives living in Port Chester, but inquiries made through the Port Chester police revealed the boy had not gone there.

At 7:15 A. M. today, Rye police reported they had the boy at headquarters, where he was taken after throwing the stone through the window. He was turned over to the Westchester County Welfare agency in the care of Miss Dorothy Tosley.

SPECIAL GIFTS drive of the Mamaroneck Community Chest campaign was launched last night when Henry Ziskin of 710 Fairway Avenue presented a check for $250 at the meeting of the Board of Directors. Mrs. E. B. Ingraham, vice chairman of the special gifts committee, is shown accepting the gift while George Garfunkel and Mrs. Ziskin look on. —Staff Photo

## CHEST LAUNCHES ADVANCE DRIVE

### Special Gifts Campaign Under Way; Directors Map Final Plans

The special gifts campaign of the Mamaroneck Community Chest, whose overall drive of Oct. 24 seeks a 30 per cent increase over last year, was launched officially last night by the presentation of a check for $250 by Henry Ziskin of 718 Fairway Avenue, Mamaroneck, in the absence of Leo Heithaus, chairman of Special Gifts, Mrr. E. B. Ingraham, vice - chairman received the check from Mr. Ziskin prior to the regular meeting of the board of directors held in the board room of the Municipal Building.

Mr. Ziskin, recently moved here from New York, said he was glad to be able to make the contribution since he realized "the large part the Chest plays in the life of a small community."

After a brief business session conducted by the president, George Garfunkel, the meeting was turned over to Everett Houghton, campaign director, who reported that quotas have been assigned all district captains by the quota chairman, Gabriel Wendell. Mr. Houghton stressed the need for a 30 per cent increase in all donations to meet the $22,357 budget. Consideration of the same request had been emphasized to solicitors of the business section, James Pastagi, Jr., chairman of the Rotary Club in charge of business districts, said, stating further that envelopes were in the hands of all solicitors and he hoped for all returns by the day of the drive.

Additional reports were heard from Mrs. Ingraham, Mrs. George Brown, public relations chairman; Mrs. R. B. Savage, chairman of captains' dinner slated for Oct. 13 at Seven Pines Restaurant and George Matayeo, co-chairman with John McDonald on personnel, who pointed out the addition of new names to the captains' lists.

## KIWANIANS HEAR TIPS ON FIRE PREVENTION

Fire kills nearly 1,000 people a month, Arthur P. Checkett of the Suburban New York Field Club, a division of the National Board of Fire Underwriters, told members of the Mamaroneck Kiwanis Club last night at a meeting in the Elks Clubhouse, Mamaroneck.

Speaking in connection with Fire Prevention Week, Mr. Checkett was also heard by Mamaroneck insurance brokers and Chief William Lemon of the Mamaroneck Fire Department, who were guests of the Kiwanians.

"Three out of four fires," Mr. Checkett said, "are caused by: (1) matches and careless smoking habits; (2) faulty electrical wiring and apparatus; (3) heating and cooking stoves, etc.; and (4) kerosene and carelessness.

"Faulty furnaces, stoves and chimneys alone cause more than 120,000 fires every year, while improper cleaning with gasoline and benzine causes more than 50,000 fires a year."

He outlined several precautions to be taken to safeguard the home and business against fire, Mr. Checkett was introduced by Walter Picke, a member of the program committee. President Linden F. Morehouse presided.

### Satira Quits Prison

HAVANA, Cuba (AP)—Patricia (Satira) Schmidt, the American dancer who killed her married lover in Havana Harbor last year, was released from prison today. She was pardoned after serving less than 18 months of a 15-year sentence.

## *Deweys Win Loyalty, Devotion Of Aides On Tour, Writer Says*

*(Editor's Note: Maureen McKernan, County News Bureau staff correspondent of this newspaper, writes of her personal impressions upon her return this week from the Western trip of the Dewey Campaign Special, before starting out Sunday for another tour, to serve again as press secretary to Mrs. Dewey.)*

By MAUREEN McKERNAN

The next administration will be no one - man show but a real example of team work by people best fitted for their particular jobs of running the government if Thomas E. Dewey and his wife, Frances, are residents of the White House after Jan. 20.

This is the conclusion of one who worked behind the scenes on the first Dewey Victory Special campaign train which last Sunday night returned from a two weeks tour of the Southwest, the Pacific Coast and the Northwest.

As press secretary to Mrs. Dewey, your correspondent was able to discover, through personal experience, just why there are no jealousies and squabbles among the Dewey staff, why everything from Mr. Dewey's speeches to baths for the correspondents, train schedules and the

## SUMMER READING AT 5-YEAR PEAK

### 20,000 Volumes Borrowed, Librarian Reports To Board of Trustees

A Summer circulation of more than 20,000 books, magazines and records was reported to the board of trustees of the Mamaroneck Free Library yesterday by Librarian Eleanor L. Merrow.

It was the busiest Summer in five years, according to Miss Merrow. Adult readers borrowed nearly 1,200 more books than last Summer, she said, and the children, encouraged by the activities of the Vacation Reading Club, read about 500 more books than in 1947.

Nearly 1,000 records were borrowed for home use during the four months covered by her report, Miss Merrow said. Residents spent more than 54 hours listening to records in the library, she reported.

A total of 217 new readers joined the library and 75 readers

## VARIANCE DENIED BY ZONING BOARD

### Application to Use Land On Post Road to Display Boats Turned Down

The Larchmont Zoning Board of Appeals last night denied the application of Michael Jennings of New Rochelle for a variance of the zoning law to permit use of a vacant lot on the Boston Post Road near Beach Avenue, Larchmont, for the display of new Chris Craft motor boats.

Appearing on behalf of Mr. Jenning was Thomas B. Sutton, Larchmont Realtor whose offices are located adjacent to the property in question.

He told the board that there would be no structures on the property. Only two boats would be on display at one time, he said, and they would be set on cradles *that come from the factory which* stand 18 inches off the ground.

Mr. Sutton maintained that Mr. Jennings suffered a hardship in that he has owned the property for the last 25 years on which he has paid the taxes, and said that it would be better to put it to the use proposed in the application than to permit a multiple dwelling for which the property is now zoned.

Also appearing in favor of the application was Joseph F. Curren of 29 Circle Avenue, Larchmont, attorney for Theodore Dunham, the proposed lessee of the property. Mr. Curren explained that his client is the owner of the Dunham Ship Yard at City Island and is the Eastern representative for the Chris Craft Corporation.

Seven residents of the surrounding neighborhood appeared in opposition to the application alonp with Village Attorney William J.

## OFFICES SET UP BY REALTY BOARD

### Dunn Elected Secretary As Group Establishes Permanent Quarters

The Mamaroneck Realty Board meeting yesterday in the office of the Mamaroneck Federal Savings and Loan Association, decided to establish a permanent Board office and an executive secretary. Unanimously elected to fill the post was Arthur Dunn, Jr., who is also secretary of the Mamaroneck Chamber of Commerce.

The reason behind the choice, President Morris Stern pointed out, is to provide greater service for home owners. Until now, he said, a home owner, wishing to list his house with the members of the Board, called any one office and it was then up to that office to notify the broker responsible for issuing the multiple listing sheet that month. Now it will only be necessary to call the office of the Board, Mamaroneck 9-0646, or stop in Room 4, 211 Mamaroneck Avenue, and the

Leavitt, president of the New York State Association of Real Estate Boards who delivered an address during the afternoon session. —Staff Photo

## 3,000 AT OPENING OF FAIR TRADE'S GALA EXPOSITION

### Crowds Inspect 58 Booths And See Entertainment; Washburn Speaks

A bigger and better second annual three-day Larchmont Fair Trade Association exposition got to an auspicious start last night as 3,000 persons jammed the auditorium and gymnasium of St. Augustine's School in Larchmont to view the 58 booths presented by merchants and civic organizations and enjoy music, a fashion show, dancing exhibition and a magician's sleight-of-hand.

The exposition will continue tonight and tomorrow, opening each night at 7:30.

Speaking on behalf of the Larchmont Board of Trustees, Mayor Walter B. C. Washburn welcomed the huge throng and congratulated the association for the work it has accomplished "to insure fair business and sound values" to Larchmont residents.

He said that the board is proud of the record of the association in helping to keep Larchmont the finest place in which to live and shop. "Long may the association prosper," he declared.

Harold R. Eisner, president of the Fair Trade Association, also welcomed the guests. His statement follows:

"May I again take this opportunity to welcome you to the second annual exposition of the Larchmont Fair Trade Association. The civic groups do much to make Larchmont the beautiful community it is. Many of these civic groups are exhibiting here so that you may know and be aware of the fine work they do. We, the Larchmont Fair Trade Association, are indeed honored to welcome them to this exposition.

"The merchants, who are also an integral part of Larchmont, have gone to great lengths to stock, service and sell the type of merchandise which you would ex-

# Reds Demand Big 4 Reduce Armies By Third Within Year

### Russia Accuses West Of Blocking World Disarmament

PARIS, (AP)—Russia accused the Western powers today of blocking world disarmament for the past 20 years, and demanded that the Big Four immediately cut their armies by a third.

Soviet delegate Andrei Y. Vishinsky led off debate in the United Nations Political Committee on a Russian resolution calling for a ban on atom bombs and a one-third cut in armed forces and armaments within a year.

A few minutes before the Political Committee had shunted to an 11 - nation subcommittee the east-west dispute over atomic energy controls. The Russians had urged in the political committee that the atomic energy commission scrap its work of two and a half years, and "let in a breath of fresh air."

Soviet Delegate Jacob A. Malik told the U. N. Assembly's political Committee that the Atomic Commission, composed of members of the 11 - nation Security Council, should again "begin from the beginning."

He did not, however, make a formal proposal to that effect.

Dr. Vlado Clementis of Czechoslovakia and representatives of Poland and the Soviet Ukraine supported his suggestions.

Debate centered on an Ecuadorean resolution.

The first paragraph of the resolution said a subcommittee should study means of reaching "general agreement" on control of the atom. U. S. Delegate Warren Austin objected to this, and France's Paul Ramadier proposed its deletion.

DESCRIBING the intricate workings of an astro-compass at the Larchmont Air Scouts' exhibit at the exposition of the Larchmont Fair Trade Association last night is Air Scout Richard Land. Looking on, left to right, are Kitty Kavanagh, Donald Dickerman, Adrian A. Henigson of the Larchmont Rotary Club, sponsor of the exhibit, and Barbara Rudell. —Staff Photo

## *U. S. Suffers 'Economic Rash', County Realtors Are Told Here*

America is suffering from an "economic rash" caused by "a fallacious philosophy that you can get something for nothing", according to Ray Hofford, executive vice president of the Boston Real Estate Board.

Speaking at the 12th annual Fall conference and dinner meeting of the Westchester County Realty Board held yesterday at the Orienta Beach Club, Mamaroneck Mr. Hofford said "thousands of well-meaning but gullible people are falling for the political shellgame that low rents, plentiful housing and economic security can be obtained through legislative action."

The most serious problem which faces realtors, Mr. Hofford declared "is the lack of knowledge on the part of the general public. Housing is high on the hit parade of public discussion."

"Something for nothing is the theme song of public housing and rent control," he added. "You can't hate Santa Claus, and yet so many think he will bring them benefits without having to pay for them.

"The philosophy of something for nothing prevails at all levels of government in that citizens want extensive added services but object strenuously to paying the additional taxes necessary to support such activities."

**Visions Bankruptcy**

He predicted that unless the present trend is stopped many cities and towns are going to face bankruptcy in the next 10 years."

Building is at an all-time record Mr. Hofford said as he maintained that the government could not do any more than private enterprise is doing because of lack of materials.

In Boston, he said the whole issue of State housing is so confused that they are ready to give it up. Comparing housing space with other countries, Mrs. Hofford said that Communist Russia claims 40 square feet of housing space per person while England claims 105 square feet per per-

(Turn to Page 15, Please)

## AIRLINES' ROLE TOLD TO LIONS

### Major Stegemann Addresses Larchmont Club; Color Movie Shown

The role of commercial airlines was outlined yesterday by Major Edward C. Stegemann of Larchmont, an American Airlines official, at a meeting of the Larchmont Lions Club at the Pal-Mar Restaurant.

Major Stegemann was accompanied by Carlos Caranza, head of the Mexican division of American Airlines, who presented a color film of Mexico taken by the company.

District Governor Kenneth Schwartz of Mount Vernon was an honored guest. He outlined plans of District 20-L comprising New York City, Staten Island, Westchester and Putnam Counties, and Bermuda, and stressed the continued need for Lions' support of the U.N.

Eugene Riviere was made the second honorary member of the club, the Rev. Francis J. H. Coffin being the other.

Lion Frank Farrell was congratulated for his 25 years' service with the New Rochelle Trust Company, which recently presented him with a gold watch.

The work of the Lions' Community Chest canvassing committee is soliciting funds in the business district was discussed by Dr. Daniel Karrel, vice chairman. Serving on this committee are Carnig Aslanian, Herman Barash, Anthony Camerella, Dr. Joseph Carrucci, T. Kirby Davidson, Harold Eisner, Fred Love, George Mills, Jr., Herbert Neslage, Joseph Torre, President David Dran and Dr. Joseph M. Roth.

The club will meet hereafter at the Larchmont Shore Club.

Guests included James Mancusi, who sang several songs, Town Police Chief Paul A. Yerick, Dr. Horace Lurcott, William Welch, Saul Dempsey and Capt. William Butler, all of Larchmont, and Edward Schwartz of Mount Vernon. Capt. Butler is a T W A. pilot who recently moved here.

## FIRE PREVENTION WEEK CARDS DISPLAYED HERE

Fire prevention posters supplied by the National Board of Fire Underwriters were distributed throughout the village during the past week in cooperation with the Suburban New York Field Club, it was reported at a meeting of the Mamaroneck Association of Insurance Agents last night at the Elks Clubhouse. President Earl W Quick presided.

The association has written to the Village of Mamaroneck stating that it hopes that the national building code sent to the Village by the association will help officials to form a basis for an up-to-date local code, it was reported by Secretary Everett F. Houghton.

Mr. Quick will act as chairman of a meeting of the County Association of Insurance Agents today at the Tamarack Country Club. Included on the program are golf, horseshoes and other games.

Members of the association were guests of the Mamaroneck Kiwanis Club following their business meeting, and heard an address by Arthur F. Checkett of the Suburban New York Field Club.

## SUICIDE PHONE CALL TOO LATE

### Larchmont Woman Ends Life As Husband Rushes To Save Her

A phone call relayed from Larchmont through Paterson, N. J., to New Rochelle brought Philip F. O'Neil to his home in Larchmont too late to save the life of his wife yesterday.

Mr. O'Neil, proprietor of the O'Neil Rug and Carpet Company at 436 North Avenue in New Rochelle, got a call from his mother-in-law in Paterson early yesterday afternoon. The Paterson woman said Mrs. O'Neil had just phoned her from Larchmont to say she was going to end her own life.

O'Neil rushed to his home at 11 South Drive and found his wife seated on a stool in the kitchen with all jets of the gas stove open. He was too late. Despite artificial respriation and use of an inhalator she was pronounced dead from gas poisoning within the hour.

Police said that Mrs. O'Neil, who was forty-eight years of age, had threatened to take her life before. Medical Examiner Edwin

## LIONS HEAR APPEAL FOR FIRE ORDINANCE

Every community, regardless of its size, should have a special fire ordinance, and a model ordinance can be obtained from the National Board of Fire Underwriters, Norman S. Newhoff, special agent for the Insurance Company of North America, told the Mamaroneck Lions Club at its meeting Tuesday at Blue Haven Inn. Mr. Newhoff explained that such items as the right kinds of fire extinguishers, properly placed, special attention to smoke pipes to see that they are safely installed, careful attention by all business men and manufacturers to regulations laid down by the fire underwriters all contribute not only to lower insurance rates, but fewer fires.

The fire extinguishers of different types that Mr. Newhoff used to illustrate his points were provided by the Mamaroneck Fire Department through the courtesy of Chief Lemon. Charles Gas, program chairman for the month, told the members in introducing the speaker.

After a short discussion on the matter of small buildings on the Post Road, the subject was left until the next meeting for further consideration.

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS MAMARONECK, N. Y., FRIDAY, OCTOBER 8, 1948 BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**

Tonight cloudy with occasional rain, low in upper 50s. Tomorrow rain ending in morning, followed by partial clearing and a little warmer. High tides today at 2:58 P. M.; tomorrow at 3:33 A. M. and 4:05 P. M.

## Combing The Town

### *Legion to Install*

Installation of newly elected officers of Larchmont Post 347, American Legion, followed by a buffet supper and dancing, will be held at 8:30 P. M. tomorrow at the Flint Park Clubhouse, Larchmont.

Officers to be installed are Jack DeGaetani, commander; Lawrence Ley Jr., Frank Webb and G. Rem Winant, vice commanders; John McGuinness, adjutant; John Hogan, finance officer; Samuel Sekerka, chaplain; John L. Delius, judge advocate; Edward Parker, historian; William Blumgold, B. P. McGrath, R. T. Gibson, George H. Stott and Joseph Strauss, executive committee members, and Frank E. Mott, building fund trustee.

### *Agents Frolic*

Mamaroneck and Larchmont insurance men took part in the annual field day of the Westchester County Association of Insurance Agents yesterday at the Tamarack Country Club, Greenwich.

Attending the event, along with 200 other agents from Westchester, Rockland and Suffolk counties were H. Edward Block and Earl Quick of Mamaroneck and Julius Levin of Larchmont. Mr. Levin is president of the association, while Mr. Quick was general chairman of the arrangements committee.

Golf and horseshoe competition highlighted the get-together prior to the dinner.

### *Red Problem*

A capacity crowd is expected to turn out tonight at the Chatsworth Avenue School to participate in the opening session of the Larchmont Forum for Public Opinion. The meeting will start at 8:30 P. M.

Speaking on "Democracy Tackles the American Communist — How?" will be Dr. Harry D. Gideonse, president of Brooklyn College, and Osmond K. Fraenkel, director of the Civil Liberties Union.

George D. Burchell is chairman of the forum, while T. James Ahern, superintendent of schools will act as moderator.

### *Takes Medic Course*

Pvt. Donald L. Arthur of Mamaroneck is a student in the Medical Field Service School at Fort Sam Houston, Texas. He was assigned to the Texas camp four weeks ago after completing his basic training at Fort Dix, N. J.

A former Mamaroneck High School student, he enlisted in the Army June 28. He is the son of Mr. and Mrs. Alfred L. Arthur of 304 Stanley Avenue.

## *Bellows Wins First Award For Yearbook*

NEW YORK — "Scraps," the yearbook published by students of F. E. Bellows High School in Mamaroneck, was awarded first place honors by the Columbia Scholastic Press Association today in conjunction with the annual yearbook competition of the association at Columbia University.

"Scraps" won its award in competition with other publications of schools having an enrollment of from 300 or less. Judging was based chiefly on ideas, layout, editorial coverage, photography, engraving, printing and typography.

More than 350 high school and preparatory school yearbook editors are participating in the attendant conference, representing communities as far west as Minnesota and as far south as New Orleans. Dr. Joseph M. Murphy, director of the CSPA, will keynote the conference at a session today in McMillan Theatre. Also scheduled to speak is Tony Palazzo, art director of Collier's Magazine.

## COURT FREES CARMODY IN SANITY LITIGATION

George E. Carmody, Mount Vernon attorney and former Assistant State Attorney General, today won his release from the Grasslands Hospital Psychiatric Institute, when Supreme Court Justice Lee Parsons Davis overruled the opinions of two doctors there and declined to sign an order committing him to a State mental hospital.

Justice Davis acted after hearing the opinion of Dr. Joseph Epstein, owner and operator of Pinewood, a private mental hospital at Katonah, whom he had appointed to examine Mr. Carmody; and after a lengthy questioning of Mr. Carmody in which the latter gave assurances that he has no thoughts of violence toward any of the persons he considers responsible for his commitment.

## MILLION-DOLLAR DEVELOPMENT SET FOR WATER FRONT

### 40 Plots on Former Forhan Estate Placed On Market

A million dollar development of homes on the former Forhan estate bounded by East Boston Post Road and South Barry Avenue, Mamaroneck, is contemplated by the new owners of the property, a syndicate operating through the office of J. Stanley Hare, it was announced today. The area is to be known as "East Harbor."

Approximately 40 plots, each with a minimum of one-quarter acre, are available, according to the new owners. The property has all the necessary improvements, including water, gas and sewer lines.

It is expected that moderate priced homes in the $20,000-$30,000 range will be erected on this waterfront property. The Hare Construction Company, Inc. expects to begin construction of two homes within the next few weeks. Other builders have shown considerable interest in the property.

All lots in the development have a Southern exposure and an excellent view of "Mamaroneck Harbor."

The present owners have planned to reserve an area directly on the waterfront for bathing and boating facilities which will be made available to all residents in the tract. Property owners will have bus service to the railroad station and will be only a few minutes from shops and schools. When further dredging of the West Basin is accomplished, the plan having already been proposed and passed by authorities, the new home owners will be able to moor their boats there.

The new owners have spent many months securing clear title to the property. The property was sold through the office of J. Stanley Hare.

In the early 1900's, the Forhan property was used for the exclusive Trinity School. Later, it became the home of the well known Dr. Forhan, who erected a modern home with extensive formal gardens, greenhouses, a swimming pool, and concrete roads. Still later, it became the Westchester home of the El Morocco Club of New York City.

## TRADE EXHIBIT ATTRACTS 3,600

### 3-Day Exposition to Close At St. Augustine's School Tonight

A crowd of more than 3,600 persons jammed into the auditorium and gymnasium of St. Augustine's School last night to visit the second annual exposition of the Larchmont Fair Trade Association.

The second night turnout was larger by 600 than on the opening night and it is expected that there will be an even larger turnout at tonight's gala closing of the three-day exposition.

Highlighting last night's activities were three stage presentations in the auditorium, starting with a luxurious display of furs by Buchsbies. A surprise show sponsored by Embassy Cleaners followed. The final presentation was a fashion show of the latest fashions in sportswear by The Accessory Shop.

Earlier in the evening in the gymnasium, Dunworth, the magician, entertained, followed by an exhibition of baton twirling by Cy "Tufty" Vaughn of Harrison, New York State champion. Music was played by the Lamplighters in the gym, while Nat Baum and his orchestra played in the auditorium.

Harold Eisner, president of the Larchmont Fair Trade Association, said today that tonight's closing will be an outstanding show and urged all residents to attend.

On exhibition are 58 gaily decorated booths presenting the activities and merchandise of Larchmont merchants and social and civic organizations.

Highlights of tonight's program will be two fashion shows. The first will be presented at 9 P. M. by Van's Sportchester, which will show Fall fashions. At 10 P. M., a men's fashion show will be presented by David's, the Men's Shop of Larchmont. A performance will again be given by Dunworth, the magician, at 8:30, with music by the Lamplighters and Nat Baum's orchestra.

'EAST HARBOR,' a new development of 40 plots of one-quarter acre minimum bounded by East Boston Post Road and South Barry Avenue, Mamaroneck. The land is improved with all necessary utilities and is being offered by a syndicate operating through the office of J. Stanley Hare.

—Weltner Aerophoto Service

## *Mrs. Dewey Is Quiet, Serene, Not Self-Seeking; Governor Likes Her At His Side, Writer Notes*

*Editor's Note: Maureen McKernan, County News Bureau staff writer for this newspaper, writes between tours of the Dewey Victory Special campaign train of her personal impressions of Mrs. Dewey. Miss McKernan accompanies Mrs. Dewey on the tours as her press secretary.*

By MAUREEN McKERNAN

If Frances Dewey becomes the First Lady of the United States on next Jan. 20, two outstanding characteristics must be kept in mind by those who seek to understand her.

One is that wherever Frances Dewey is there is quiet, serenity and peace — be it the farm at Pawling, the drawing-room of a hotel suite with political leaders and press pushing to gain her presence, or the private car of the Dewey Victory Special which by Nov. 1 will have covered almost all the States.

The other characteristic is that she is non-self-seeking.

How she brings about the serenity and peace that always surround her, this writer does not quite understand, despite two weeks of crowded and exciting living on the Dewey campaign train during its western tour which ended last Sunday night. Part of the answer lies in the tones of her lovely singer's voice. And in the fact that she is never hurried or harried, nor does she waste herself upon inconsequential trifles. Perhaps it is because she is more interested in other people than in herself.

Whatever the secret, the serenity and peace which go with her doubtless is one of the reasons Governor Dewey wants her always by his side — on the speaker's dais, the observation platform of a campaign train, at a political reception.

She enjoys crowds because, she says, she likes people. Particularly does she enjoy the speeches from the end of the train for here she is closest to the people, can study their faces, feel that she comes closer to the individuals.

Mrs. Dewey sits in on most of the Governor's speech conferences and one of the Governor's closest advisers told your correspondent that her "human perceptiveness" is so deep and so true that the Dewey advisers always listen to her with close attention. One reason the Dewey campaign speeches are on a high level of educational leadership and avoid name-calling is because that is what people asked for in the hundreds of letters that poured in upon Frances Dewey both before and after the Philadelphia convention.

An incident in Arizona illustrates her non-self-seeking quality. During a speech from the end of the train a detective came to me and said:

"Get her to smile more and make a play to the crowds. I hear women say she hugs the wall too much, acts shy and that her smile seems timid. Get her to do something showy."

Her reply to a suggestion later that she stand farther forward and "make a play to the crowd" was:

"I'm not running for President. And if I did anything it would detract from the attention paid to the Governor. Besides, I like to listen to what he has to say and watch him."

On the other hand, we heard women say over and over again:

"You can tell by the way she

## STORM BATTERS ALL OF BERMUDA

### Heavy Damage, No Casualties Reported As Hurricane Passes Over Island

HAMILTON, Bermuda, (AP)— A tropical hurricane battered Bermuda from end to end for three hours last night, causing extensive damage.

A survey showed today the storm caused destruction heavier than the total damage of two previous hurricanes this Fall. No casualties were reported however.

As power lines fell before winds reaching more than 100 miles an hour, the island was in total darkness and there were virtually no communications. Thousands of trees were uprooted.

The hurricane was the same one that lashed Southern Florida and Havana earlier this week.

Residents of the island had been warned of the storm and battened down before it struck.

## PLACED ON PROBATION FOR ASSAULTING WIFE

William Peterson, forty-four, of 586 Van Ranst Place, Mamaroneck, a chef, was placed on six months probation by Judge Henry T. Hornidge in Mamaroneck Police Court this morning for assaulting his wife early Tuesday morning.

Peterson was arrested on a charge of third degree assault on the complaint of James O'Neill of the same address.

Counter charges of third degree assault between Miss Eunice Robinson of Port Chester and Harold Fisher of Greenwich were withdraw this morning. Miss Robinson and Fisher became involved in a fight last Friday morning and were arrested on Jefferson Avenue. It was determined by Judge Hornidge, however, that the fight took place in Greenwich and consequently was out of the jurisdiction of the Mamaroneck Court.

A disorderly conduct charge against Bert Podell of 910 Stuart Avenue, Mamaroneck, was dismissed by Judge Hornidge, but he fined Van $15 on a charge of speeding through a school zone.

Hyman Wasserman of New York City was fined $1 for improper parking, while Mrs. Barbara Bulwinkel of Rye and Mrs. Yolanda VanReesema of the Orienta Apartments, Mamaroneck, were fined the same amount for overtime parking.

On Wednesday, Francis Huzina of South Norwalk, Conn., was fined $10 for speeding. Fined $3 for his second offense of the overtime parking regulation was Joseph Dinolfo of 333 Mamaroneck Avenue, Mamaroneck, while Andrew Gozzi of 326 Palmer Avenue, Mamaroneck, and Sidney Conron of Long Island, were fined $1 each for their first offense.

## *Veterans Fete 1,000 Children On Hallowe'en*

Final plans for a Hallowe'en party for 1,000 children of the Village of Mamaroneck Sunday afternoon, Oct. 31 at Columbus Park were made by the Mamaroneck G. I. Civic Association at a meeting Tuesday night at the real estate office of Joseph S. Faillace, 614 Mamaroneck Avenue, Mamaroneck.

Joseph Dalfonso, general chairman of the affair, announced that permission has been granted by Village Manager William H. Johnson and Park Commissioner Gabriel Wendel for the use of the park.

The Mamaroneck Lions Club and the Woman's Club of Mamaroneck will have sponsored similar parties in previous years, have also given their enthusiastic approval to the project.

Games, other forms of entertainment, and refreshments are promised to insure a gala affair, Mr. Dalfonso said.

It was decided to postpone the election of permanent officers until a future meeting in order that members may spend all available time in making the Hallowe'en party a success.

ONE OF the most attractive booths at the Larchmont Fair Trade Association exposition which opened Wednesday night at St. Augustine's School was that of the Larchmont Lions Club, above. Joseph Sugrue, known to Larchmonters as Blind Joe, is shown at right with Joseph Torre, representing the club at the exposition. Blind Joe is one of many blind persons who are aided each year by the work of the Lions. The exposition closes tonight.

# Move To End Berlin Stalemate Launched By 'Neutral' Nations

## *Housewives, Butchers Elated As Meat Prices Take Drop*

Housewives are finding themselves in a position where they can have meat on their dinner tables more often due to drops in meat prices during the last two weeks ranging from a few cents to as much as 20 cents a pound.

Mamaroneck butchers are optimistic about the drop in prices and look for continued decreases next week but meat industry spokesmen in Chicago and New York today held a pessimistic view and warned housewives that meat prices probably will return to their recent highs within two weeks.

Although there has been no big rush to buy meat, Mamaroneck butchers generally were as elated over the drop in prices as the housewives. They all reported increases in meat sales.

Hyman Magalnick of the Popular Market, 265 Mamaroneck Avenue, reported this morning that pot roast, eye and bottom round, is selling for 69 cents a pound, 20 cents below what it was selling for last week.

All chops, he added, are selling at 10 to 15 cents a pound less at 69 cents a pound. Sirloin and porterhouse steaks, he said, dropped from 79 to 65 cents a pound, while fresh-killed chickens dropped 10 cents a pound to 59 cents.

Joseph LaRocco of the Prospect Market, 143 Mamaroneck Avenue, reported his meat prices had dropped "just a few cents" per pound. He expected to feel the real drop in prices next week, but

(Turn to Page 9, Please)

## *Burton Urges Safe Habits To Halt Fires*

Town Fire Chief George W. Burton today urged all residents to practice fire prevention every day of the year instead of only during Fire Prevention Week.

"Although a strenuous campaign for Fire Prevention Week during the year is helpful in curtailing the staggering loss of life and property by fire," he said, "reduction of such losses cannot achieve the desired minimum by part-time participation in such a campaign."

"To receive the full benefits of a fire prevention program, the entire populace of the community must cooperate with the Fire Department every day throughout the year."

He pointed out that strict adherence to a few simple rules will accomplish a great deal in substantially curtailing the rapid increase in losses and deaths throughout the nation from fire.

Chief Burton said that daily consideration should be given to the elimination of the following hazards which are the cause of most fires:

"1. Careless smoking and disposal of matches.

"2. Careless use of volatiles such as cleaning fluids, gasoline, and paint removers, etc.

"3. Defective furnaces, oil burners, chimney flues, etc. Covering the chimney of homes with one-quarter inch wire mesh, where fireplaces are frequently used, prevents many fires by keeping sparks and sizeable embers from landing on dry roofs.

"4. Defective homemade wiring to floor lamps, radios, heaters, etc.

"5. Cellars and attics littered

(Turn to Page 9, Please)

NEW PRESIDENT of the Westchester Realty Board is Albert S. Swanson of Scarsdale, who was elected at the board's 12th annual Fall conference and dinner meeting held Wednesday at the Orienta Beach Club in Mamaroneck.

## LUTHERANS HONOR RETIRING PASTOR

### Rev. and Mrs. T. O. Posselt Honor Guests at Farewell Reception

The Rev. and Mrs. Theodore O. last night at a farewell reception Posselt, Jr., were guests of honor given by the congregation of St. John's Lutheran Church, Mamaroneck, of which Mr. Posselt has been pastor for 16 years.

High tribute was paid Mr. Posselt for his service to the church and for his cooperation with other churches in the community by the Rev. Asbury G. E. Stromberg, pastor of the Mamaroneck Methodist Church.

"A minister can do nothing without a congregation and a congregation can do more with a good pastor such as Mr. Posselt has been to this church," Mr. Stromberg said. "We have enjoyed our fellowship with Mr. Posselt. One of the things that makes a minister feel at home in the community in which he serves is the fellowship he can have with the other ministers. Those outside the church with whom he has been associated will miss him as you will and I know you join with me and his many other friends in wishing him God's blessings. On behalf of the congregations of the other Mamaroneck churches, I express the hope that Mr. and Mrs. Posselt will have just as happy and fruitful days ahead as those he has spent in your midst."

On behalf of the Lutheran congregation, a purse was presented

## LARCHMONT AVENUE CHURCH ADMITS 17

Seventeen new members were received into the fellowship of the Larchmont Avenue Church at the Communion Service Sunday. They were: Miss Lorna Barnes, Mrs. Robert L. Boyd, Mrs. George D. Burchell, Capt. and Mrs. George C. Currier, George O. Cross, Mr. and Mrs. Nelson M. Harvender, Miss Jeanette Kroetz, Mr. and Mrs. Robert W. Pollion, Mrs. Albert Reutlier, Lewis P. Stanton, Mr. and Mrs. Kenneth L. Stelle, Mr. and Mrs. Walter E. Warner, Jr.

Children who received the Sacrament of Baptism Sunday were: Barbara Jill Blair, daughter of Mr. and Mrs. George N. Blair; Sylvia Jane Lewis, daughter and Thomas Leroy Lewis and David Garber Lewis, sons of Mr. and Mrs. Leroy Lewis; Herbert Rodney Landes and John Brougher Landes, sons of the Rev. and Mrs. Herbert P. Landes.

## U. N. President Confers With Vishinsky to Seek Compromise

PARIS, (AP)—Argentine Foreign Minister Juan A. Bramuglia conferred with Russia's Andrei Y. Vishinsky today in a bid to end the East-West stalemate over Berlin, authoritative sources said.

The sources said it was the second time in 24 hours Bramuglia, president of the United Nations Security Council, talked with leaders of Russia's U. N. delegation.

The Argentine saw another Soviet leader yesterday, the sources said. They did not identify him.

There were reports here of an unofficial approach by H. V. Evatt of Australia, the assembly president, and Secretary-General Trygve Lie to the four big powers, with an appeal for a three-month truce in Berlin. This could permit the four-power council of foreign ministers to discuss a lasting settlement. Officials would not comment on the reports.

However, both American and British spokesmen said their governments would not accept such a proposal. They said if they agreed to temporary removal of the Berlin blockade it would imply acceptance of Russia's right to reimpose it.

Earlier Bramuglia had talked with Philip C. Jessup, Deputy U. S. delegate on the council. Sir Alexander Cadogan of Britain and Alexandre Parodi of France.

The object of the talks was said to be to work out a plan which might meet both Russian and Western power demands of their dispute over Berlin.

Bramuglia is known to have received an unofficial mandate from the five other "neutral" governments on the security council to seek an East-West compromise.

The Security Council adjourned Wednesday after the three Western governments had submitted their indictments of the Russian actions. It is not likely to meet again until Monday.

## GOVERNOR STRESSES SERVICE OF ROTARY

The prime purpose of Rotary is service and betterment of the world, according to Austin Lescarboura of Peekskill, governor of the 174th Rotary International District.

Mr. Lescarboura was the guest speaker at the luncheon-meeting of the Mamaroneck Rotary Club yesterday at the Blue Haven Inn. He discussed the blending of faiths, nationalities and ideas which make up Rotary in Mamaroneck as well as all over the world.

"Through our meetings," he said, "we become more broad-minded and better men. In this way, we prepare ourselves to help our fellow men."

Mr. Lescarboura also inducted David Geller, the first son of a member to be inducted into the Mamaroneck Rotary Club.

Guests included Tom Cole of White Plains, aide to the district governor, and A. Normag Klein of Larchmont Rotary. Mamaroneck High School guests present were Jim Petruzzo, Jim Bilotta, David Replogle and Jolly Woodbridge. President Mortimer Margolis presided.

### Fordham Transit Asks Stop Permit in Rye

PORT CHESTER — The Fordham Transit Company last night made overtures to the Rye City Council to gain a permit for extending its bus service from the Bronx to Rye.

Offering 45-minute service for 69 cents a ride, the company explained it would stop only to discharge passengers northbound along the Post Road and to receive them southbound. The company's service now extends to Mamaroneck from its terminal in Fordham. The Council asked for a formal application.

### Motorship Feared Lost In Storm in Pacific

SAN DIEGO, Calif., (AP) — The motorship Malibu Inez with 14 persons aboard is feared lost in the wake of a tropical storm off the tip of Cape San Lucas 800 miles south of here.

After the vessel sent out an SOS last night, the commercial vessel, Empire State, covered the distress area and reported it was unable to sight any sign of the Malibu Inez, the Coast Guard reported.

## Combing The Town

### *Setting The Pace*

The Mamaroneck Realty Board and the Mamaroneck Chamber of Commerce are setting the pace in the drive of the Community Chest to go over the top.

Both organizations have increased their donations 30 per cent over last year, it was announced today by Chest officers.

The Chest has urged all organizations and individuals to increase their donations by 30 per cent this year due to the increased budget. The Lions Club, under the direction of Village Manager William H. Johnson, is soliciting all local organizations in the Chest drive.

### *Win College Awards*

Jeffrey A. Greene and Albert Hartung, both of Larchmont, seniors at Colgate University have been named winners of Austen Colgate Scholarships for academic leadership.

The awards, made annually to the scholastic leaders in each of the three upper classes, cover the cost of tuition, a maximum of $600. Veterans whose tuition costs are paid by the government receive a cash honorarium. Twenty-nine students received the awards.

### *Masons Honor Totton*

More than 400 guests are expected at the reception to be given to Frank M. Totton of Larchmont, grand master of Masons of the State of New York, at 8 P. M. Monday, at Masonic Hall, 71 West 23rd Street, New York. The event is sponsored by Bunting Lodge, of which Mr. Totton is a member and past master. Mr. Totton is vice-president of Chase National Bank in New York.

### *Season's End*

Official closing ceremonies of the Sheldrake Yacht Club of Mamaroneck, marking the end of the 1948 season, will be held at 10:30 A. M. tomorrow at the club.

Directly following the exercises, Fleet Captain Mel Mitchell will lead a flotilla to Great Captains' Island, where members and guests will disembark for lunch and games. Members are requested to take their own lunch.

### *Long Weekend*

School children in both the Mamaroneck and Rye Neck School Districts began a long weekend today.

There will be no school Monday or Tuesday in observance of Columbus Day, Oct. 12, schools officials announced.

## COMMUNIST TIEUP STAGGERS FRANCE

### Rail Strike Threatens As Coal Walkout Goes Into Its Sixth Day

PARIS, (AP) — France staggered today under the impact of a Communist strike wave that has cost one life, injured scores and seriously hurt the nation's recovery.

The nationwide coal strike entered its sixth day and there was a grave threat that the rail lines would be tied up.

Nearly a million tons of coal have been lost by the strike. Government sources said the stoppage was costing the state about 92 million daily in loss of receipts from 160,000 tons normally mined each day.

One worker was killed near Metz yesterday — trampled by a crowd of workers attacking police and soldiers. Four were hurt in the melee.

Earlier soldiers and strikers were hurt in a skirmish in a steel mill in Eastern France.

Meanwhile throughout the country the Communist-led General Labor Confederation was organizing strike votes among rail workers.

### *Bandit Gets $3,000 At La Guardia Airport*

NEW YORK, (AP)—A gunman held up a cashier in the Pan American World Airways office at LaGuardia Field today and escaped with approximately $3,000, police reported.

Passengers at the International Terminal, about 50 yards away, were unaware of the holdup which occurred on the second floor of the nearby hangar building. The man escaped after binding and gagging the cashier.

Carl F. Nelson, the cashier, said the robber overlooked several thousand dollars in a safe compartment. The holdup was the first reported at the airport since it opened in 1939.

## FORUM SPEAKER URGES PUBLICITY IN WAR ON REDS

### Gideonse and Fraenkel Talk On Communism At Opening Session

The best technique for fighting Communism is to spotlight its activities and subject it to "pitiless publicity", Dr. Harry D. Gideonse president of Brooklyn College, declared before a capacity crowd last night in the Chatsworth Avenue School at the opening session of the Larchmont Forum for Public Opinion.

Dr. Gideonse spoke with Osmond K. Fraenkel, a director of the American Civil Liberties Union, on the subject, "Democracy Tackles the American Communist—How?"

Vigorously attacking the Thomas investigating committee in Washington as a "hit and miss" body, Dr. Gideonse said the committee is serving the ends of the force it is trying to fight because of the scarcity of evidence that is used.

He would not abolish the committee, however, but would strengthen it by requiring sworn testimony from "respectable" persons and adding liberal and progressive elements to the committee which today is loaded with the "lunatic fringe of the right".

He also recommended that state legislatures as well as Congress conduct their own investigations.

The Communists want confusion in the public mind, the Brooklyn College head declared. They love to have the word 'Communist' used, he said, so that some day it may become meaningless to the public, at which time people won't be able to tell the real thing when it comes along.

"We're a little panicky now," Dr. Gideonse said, "but not hysterical."

We should not legally forbid the Communist Party, he declared. By doing that, he said, we would force the Communists further underground and there would be that much more subterfuge. Neither would he deny the Communists the right to say what they believe. Communists should be forced to say what they believe, he said, so that we can "spotlight their camouflage".

Asked what should be done about Communist teachers, he said that he would protect the legal tenure of a teacher irrespective of whether he is a Communist or not, because that is his duty under the present state law.

(Turn to Page 3, Please)

## BERLIN REDS HALT POWER LIFT PLANS

### Communists Rule Out British Zone Link to Ease Shortage—Fog Stymies Lift

BERLIN, (AP) — Efforts to pierce the Russian blockade by supplying Western Berlin with power from plants in the British zone have been blocked by the Communists, the City Government said today.

The government had proposed that power to relieve the blockade strain be piped in from Harbke, on the British - Soviet zone borders about 120 miles west of Berlin. It would have to come over lines traversing the Soviet zone, which surrounds Berlin.

Heavy ground fog stopped the Anglo-American air lift supplying Western Berlin for four hours this morning but it was resumed before noon.

The fog also apparently put a stop to the big-scale air maneuvers the Russians have been conducting over their occupation zone and in the Allied corridors linking Berlin to West Germany. This morning they had posted no advance notices of such activity.

### Mt. Vernon Rejects Bid On Housing Project

MOUNT VERNON — All bids were rejected on the authorized 386 family state housing project in Mount Vernon last night by the City's Housing Authority because they were too far above the estimated cost.

Low bid was $3,655,169 or 12,960 per apartment unit which would establish rentals at $10.60 per room. State housing director Herman T. Stichman had previously stated the state would not approve a rate per room above $9.95 per month without additional subsidy from the city. Common council refused to consider voting the additional subsidy.

GUEST SPEAKERS and leaders of the Larchmont Forum for Public Opionion get together prior to last night's opening session at the Chatsworth Avenue School. Left to right are George D. Burchell, forum chairman; William J. McWilliams, moderator; Dr. Harry D. Gideonse, president of Brooklyn College, and Osmond K. Fraenkel, a director of the American Civil Liberties Union. —Staff Photo

## MARSHALL MEETS PRESIDENT TODAY

### President's Plan to Send Vinson to Red Talks Seen On Calendar

WASHINGTON, (AP) — President Truman and Secretary of State Marshall got together here today to talk over the critical international situation.

The Secretary of State flew from the Paris meeting of the United Nations, arriving at 10:10 A. M. in Mr. Truman's Plane, "The Independence."

Mr. Truman was at the airport to meet Marshall on his arrival.

Just 20 minutes earlier, the President had reached Washington after an overnight train trip from Buffalo, N. Y., where he made a campaign address last night.

The talks of the two top foreign policy framers began while Washington seethed with rumors that Mr. Truman had entertained a plan to send Chief Justice Vinson to Moscow to talk with Premier Stalin on how the peace of the world can be preserved.

In no quarter was there any official confirmation that such a plan had been considered. But neither was it denied.

There were reports in any event that this idea was no longer getting consideration — that it had been abandoned if it ever was given serious consideration.

Both the White House and State Department clamped an absolute ban on any official information about Mr. Truman's reported plan to send Vinson to the Russian capital.

The Columbia Broadcasting System, however, said in a New York newscast last night that Tuesday morning the White House asked the radio networks for free radio time to announce the Vinson mission, but cancelled plans for the broadcast a half hour later.

While there was no official explanation, there were reports that the State Department had vigorously opposed the President's plan as soon as it learned about the White House project.

The State Department was particularly close-mouthed about any part Marshall or Undersecretary of State Lovett might have played in persuading the President to abandon the project.

In the absence of official information it was not immediately clear whether the President intends to go through with his reported plan to send Vinson as his personal emissary to Moscow.

There was considerable speculation, that the whole idea had been discarded in advance of the Secretary's arrival here.

Two points which Marshall seemed certain to emphasize in any case were (1) his belief that the United States must continue to act jointly with Britain and France in all major issues with Russia and (2) his known position that the development of this nation's foreign policies must be pressed forward on a bipartisan basis.

Mr. Truman asked about the Vinson story in Buffalo, had no comment.

### Truman, Dewey Receive Wallace Issue Demand

SEATTLE, (AP)—Henry Wallace demanded today that President Truman and Gov. Thomas E. Dewey issue "clear and unequivocal" statements of their positions on Spain, Israel and Germany.

## *Should Communists Be Denied U.S. Rights? Residents Disagree*

*(Editor's Note—This is the 49th in a Saturday series of interviews with citizens on important issues. Suggested topics from readers are invited. Today's question is: "Should Communists in the U. S. be denied certain rights which other citizens have?")*

**Richard B. Savage,** 749 Soundview Drive, Mamaroneck: "Well, our government is based on being a free country so I don't see how you can deny them any rights, but it kind of gets your goat. Nevertheless, they haven't broken any laws that I know of."

**Walter F. Ficke,** 1613 Urban Street, Mamaroneck: "I should certainly say that every so-called Communist or every one found to be a Communist should be denied every right that the American citizen enjoys. There is nothing more damaging to the American way of life than those persons who belong to the parties that go about knocking down the ideals and principles of the American way which all good American citizens have inherited."

**Mrs. George B. Brown,** 800 Grove Avenue, Mamaroneck: "Well, you won't have the United States if you don't treat everybody alike."

**John J. McDonald,** 1302 Park Avenue, Mamaroneck: "I believe that people who enjoy the freedom of our country should live up to the laws of the country and if their actions are in any way against the laws of the country then they should be restricted in the rights they are privileged to benefit by."

**James R. McBrien,** 625 Wood Street, Mamaroneck: "Well, if they're going to be Communists and are professed Communists how can they enjoy citizenship rights? Therefore, as true Communists they should be denied all the privileges of a democracy."

**Arthur T. Jacobs,** 9 Stafford Place, Larchmont: "They should not be, as citizens of the United States. If we start to differentiate —and I don't see how we can legally—between citizens we'll run into the trouble of trying to draw the line. Any citizen of the United States should be entitled to the rights that the other citizens possess."

**Mrs. Hugh B. Kirkman,** 21 Summit Avenue, Larchmont: "No. I don't think they should be. They should be denied the right to hold office if they advocate the overthrow of government by force and they should be denied the right to hold office in any government department. But they should not be denied the right of free speech, free assembly or any of the other rights guaranteed a citizen of the United States by the Constitution."

**Dr. Martin Klein,** 10 Lafayette Road, Larchmont: "They should be given the rights in the Constitution like any other citizen. That is an ambiguous question, but as far as the right of free speech, or free assembly and of freedom of the press is concerned, they should not be denied these rights."

**Mrs. John N. McClean** of 3 East Avenue, Larchmont: "I don't know quite how to answer that question, but I think so. If they are working against the government, and I understand they are, naturally they shouldn't have the right to vote or to have any say in the government."

**Mrs. Michael Saporito,** 12 Chatsworth Avenue, Larchmont: "Are you kidding? I don't think Communists deserve anything in this country."

**Mrs. Jerry D. Ryan,** 1 Vanderburg Avenue, Larchmont: "Yes, I think they should be shut up and gotten rid of quick."

**Mrs. Helen Laughlin,** 22 Revere Road, Larchmont: "I feel they should, absolutely."

**William H. Fernschild,** 193 Rockingstone Avenue, Larchmont: "As long as a Communist or any other person works to form a more perfect union he should be permitted the right of free speech and all the other privileges given by the Constitution. But any citizen, whether Communist or otherwise, who refuses to take the oath to support that Constitution or who secretly conspires to destroy the union should be denied the rights and privileges of citizenship or should have them limited.

"Marxian Communism, which emerged in 1848, eight years after the Emersonian experiments in Communism in the United States, is an entirely different type aimed at destroying all the institutions which the American Constitution guarantees and is not assimilable. However nobody found fault with some 40 communities established in the United States along Communists lines in 1840 because none of them had as their object the attempt to destroy the union."

EXPOSITION THRONG—This crowd is typical of the ones which packed the three-day second annual exposition of the Larchmont Fair Trade Association which closed last night in St. Augustine's auditorium. The photo was taken during one of the varied stage presentations which featured the 58-booth exposition. —Commonwealth Studio

# Churchill Tells U.S. To Keep A-Bomb Or Face Russian War

## *Parade, Ceremonies Feature Columbus Day Here Tuesday*

Final preparations have been made for the Columbus Day celebration Tuesday night, it was announced today by Stephen J. Luisi, general chairman.

The celebration will begin with a Columbus Day parade through the village starting at 7 P. M. at the Municipal Building and ending in Columbus Park, where ceremonies will be held commencing at 8:15 P. M. Highlight of the ceremonies will be an address by State Senator Paul A. Fino of the 27th Congressional District.

Mayor B. J. Santoro has been named honorary chairman of the celebration committee, while Village Manager William H. Johnson will act as grand marshall of the parade.

Miss Josephine Rigano, outstanding soprano soloist, will open the ceremonies with the singing of the National Anthem, accompanied by the Mamaroneck High School band.

The Rev. Bartholomew J. Singleton, assistant pastor of Holy Trinity Church, will deliver the invocation, followed by the playing of "America" by the Bellows School band. Various organizations will then place wreaths at the foot of the Columbus Monument.

The ceremonies will be brought to a close with the benediction delivered by the Rev. Biago Deliano, pastor of St. Vito's Church.

Festivities will continue, however, with dancing on Van Ranst Place. Music will be played by Joseph Quadrini and his Rhythm Kings.

The parade will start promptly at 7 P. M. from the Municipal Building and will proceed down Elm Street to the Post Road, left on the Post Road to Mamaroneck Avenue, up Mamaroneck Avenue to the Jefferson Avenue extension, and right on Van Ranst Place into Columbus Park to the Columbus monument.

Village Manager Johnson will lead the parade followed by the police color guard and village officials. The first division will be headed by the Fife and Drum Corps of Larchmont Post 347, American Legion, and will include members of the David Potts Post 1156, V.F.W., Knights of Columbus, and the Vittorio III Society.

The Bellows High School band will lead the second division, followed by members of the Betsy

## BRITISH ASSAIL TRUMAN'S PLAN

### Reported Direct Contact With Reds On Berlin Comes Under Fire

By ARTHUR GAVSHON
*By The Associated Press*

PARIS — Sources close to the British delegation said today President Truman's reported plan to initiate direct contact with Russia over Berlin "would have rocked and could have wrecked the United Nations."

These informants said they have received no official details of the reported White House move which would have taken Chief Justice Fred Vinson to the Kremlin.

But, they said, if such a move had taken place it would have meant "a flouting of the Security Council and a sign that its status as an agency for settling international disputes is disrespected completely."

They said they doubted whether the British and French governments would have agreed to such a move had they been consulted in advance.

A get-together between Vinson and Stalin on Berlin would imply a breaking of the Western Power pledge not to negotiate with Russia under duress, it was pointed out.

One Western diplomat who has been in close touch with the American and French experts handling the Berlin case said:

"There would have been no reason for the Generalissimo to take the case to the U. N. if such a direct approach to the Kremlin had been agreed. The fact that we took it to the Security Council means we accepted it as the best course open to us. It suggests to the world we have a belief in the authority of the U. N. Suddenly for one government to bypass the world body after approaching it would have been a slap in its face from which it might never have recovered."

"Diplomats of some "neutral" delegations here did not altogether share these views.

## THIRD AVE. ASKS 3C FARE BOOST

### Bus, Trolley Riders Would Pay 8 or 13 Cents, PSC Told

The Third Avenue Transit System today applied to the Public Service Commission at Albany for a three cent fare increase for its Westchester bus and trolley lines.

While asking a permanent rise to an eight cent fare, the bus company requests it be allowed an immediate jump to a seven cent rate pending determination of its application.

The increase would apply to all operations except the Hastings-Elmsford - White Plains route which presently has two 10 - cent zones. The company asks that where five cent fares are in effect, such as on its trolley operations in Yonkers, Mount Vernon, New Rochelle and Pelham, the unit be upped to eight cents, and that present 10-cent fares, principally on bus lines, be increased to 13 cents.

The company said the proposed increased fare would apply to the first zone on multiple zone routes in Westchester. Passengers would be required to pay five cents for the second zone.

In asking the increases the company cites its application in New York, where it has been allowed a temporary rise to six cents, and contends more revenue is necessary because of continuing operating losses, recent 24-cent-an-hour wage increases for employes, and rising costs of equipment and supplies.

The system and its affiliates operate nine trolley and bus lines in Yonkers, trolley lines from New Rochelle, Pelham and Mount Vernon to the Bronx, and bus routes from Mount Vernon, New Rochelle, Mamaroneck, Yonkers, Hastings, Tarrytown and other points into White Plains, as well as separate routes in some of those communities.

### Two Autos Damaged In Larchmont Crash

An auto operated by Thomas J. Sheridan, Jr., of Yonkers, while pulling away from the curb on Murray Avenue, Larchmont, collided at 12:30 P. M. yesterday with a car operated by Ellen Stern of 93 Edgewood Avenue, Larchmont, Mamaroneck town police reported today.

The Sheridan auto, parked in front of 27 Murray Avenue facing north, sustained damage to the left front fender. The right rear fender of the Stern car was damaged, police reported. No charges or arrests were made.

### Secret Alone Deters Soviet, He Says In Grave Warning

LLANDUDNO, Wales, (AP) — Winston Churchill warned today World War III may burst upon humanity at any time because of the Berlin crisis.

Only the United States' possession of atom bombs stops a Communist juggernaut from engulfing all Western Europe, the wartime Prime Minister declared in an address prepared for the Conservative Party annual conference.

Americans would be "guilty of murdering human freedom and committing suicide themselves" if they agreed to destroy their stock of atom bombs, Churchill said. Russia is demanding in the United Nations that the atom bombs be scrapped, and the weapon outlawed at once.

"At the present time our only foundation of peace and the prevention of actual war rests upon strength," Churchill said. "The Western nations will be far more likely to reach a lasting settlement without bloodshed if they formulate their just demands while they have the atomic power and before the Russian Communists have got it, too."

Churchill urged the West to "bring matters to a head and make a final settlement" before Russia gets the bomb. The Russians anoud release their grip on satellite states, free German and Japanese prisoners they "now hold as slaves," cease to "oppress, torment and exploit" the parts of Austria and Germany they hold and cease disruptive operations elsewhere in the world before a settlement is reached, Churchill said.

But the war leader of Britain declared he could "not encourage you with false hopes of a friendly settlement with Soviet Russia."

"Bolshevik Russia is already heavily armed and her forces in Europe far exceed all those of the Western countries put together," Churchill said. "At the present time the only sure foundation of peace and of the prevention of actual war rests upon strength.

"If it were not for the stocks of atomic bombs now in the trusteeship of the United States, there would be no means of stopping the subjugation of Western Europe by Communist machinations, backed by Russian armies and enforced by political parties."

The Berlin blockade, which he called Russian blackmail, "may at any time" precipitate war, Churchill said. He said it should have been met promptly "by countermeasures against Russian shipping and imports of all kinds which might be useful for war purposes."

Turning to Japan, Churchill highly praised the administration of U. S. Gen. Douglas MacArthur.

"When I see the great fortune in which Europe is plunged I admire the wisdom and statecraft which General MacArthur has displayed in his dealing with Japan," Churchill said.

"He is making it possible for all decent Japanese to say 'the

## DRIVER HURT AS CAR SKIDS, STRIKES TREE

Pvt. William J. McNamara, nineteen, son of Patrolman and Mrs. Joseph McNamara of 437 Orienta Avenue, Mamaroneck, suffered multiple injuries at 1:50 A.M. today when the car he was driving skidded on wet pavement and struck a tree on Orient Avenue, Mamaroneck.

He was taken in a police car by Patrolman Norman VanTassel to the offices of Dr. William A. Barrett, where he was treated for lacerations of the chin, lower lip, tongue and right leg, skinned forehead and left knee.

Police reported McNamara was driving south on Orienta Avenue where the road curves slightly to the right when the car when into a skid. The entire front end of the car was damaged.

### Wife Charges Husband With Assaulting Her

Charles Johns, twenty-eight, of 713 North Barry Avenue, Mamaroneck, was arrested at 1:50 A. M. today on charges of third degree assault and disorderly conduct, and was held overnight in jail pending arraignment.

Johns was arrested on the complaint of his wife, Mrs. Frances Johns, who alleged she was assaulted at 12:30 A. M. at 349 Mount Pleasant Avenue. The arresting officer, Patrolman Norman Van Tassel, also charged him with disorderly conduct.

## Combing The Town

### *Dash of Humor*

Milton Bacon, public relations director of the Columbia Broadcasting System, held members and guests of the Larchmont Rotary Club spellbound Friday as he spun yarns in his inimitable style in a talk entitled "Watch Yourself Go By" at the Larchmont Shore Club.

Mr. Bacon related anecdotes he has collected from coast to coast. An outstanding humorist, he has spoken before many civic, educational and business groups.

Visitors included Rotarians Joseph Rizzano, Sylvan Schwartzreich and Damon Policini of Mamaroneck, Freeman Tibbetts of Stamford, Thomas Swift of Mount Vernon, and Samuel Toft of Yonkers. Donald Dumont, Charles Greenall and Capt. George Barnes were also guests.

Walter Seely, past district governor and past president of the Port Chester Rotary Club, will speak on "Why A Service Club" at this week's meeting.

### *Target Practice*

Larchmont Boy Scouts inaugurated a course in rifle marksmanship Saturday at the Grand Street shooting range in Mamaroneck under the direction of Constant Southworth. The course will continue each Saturday morning, during which the Scouts will try for an "expert" rating in the National Rifle Association.

Scouts participating in Saturday's session were Jay Schabacker, Jerry Vincent, Bill Kaufmann, Don Woodward, Bob Yeoman, Jim Phillips and Allan Howe of Troop Six, and Ben Iglauer, Roger Buck, Ted Vaughn, Tony Leonard and Barry Hart of Troop Three.

Mr. Southworth was assisted by the following fathers: Thomas Flint, Austin S. Phillips, Caldwell Buck, Kasson Howe, Henry Schaefer, Vincent Smalley, and Henry Rabe, president of the Mamaroneck Auxiliary Police Pistol Club.

### *Extended Service*

A 10 per cent increase in service between Fordham Road, Bronx and points in the Town of Mamaroneck, Larchmont and New Rochelle was announced today by the Fordham Transit Company, Inc.

Five additional trips will be added each weekday and nine additional trips each Sunday, effective today.

The company has received the approval of the Village of Mamaroneck to extend its service through that municipality and is awaiting final approval from the Public Service Commission.

### *V.F.W. Feaste*

One hundred and fifty members and guests of David Polin Jr. Post 1156, Veterans of Foreign Wars, enjoyed a beefsteak dinner yesterday afternoon in the post rooms on the Boston Post Road.

The dinner was served by Raymond Beetsteak Smith, who has cooked at the V. F. W. event for the last 15 years.

Dinner chairman was George E. Mills, Jr., assisted by Nicholas Leon, Jack Soriano, Patsy Croce, Carl Buer, Louis Savone, Jack Strickland, Herman Knief and Dr. L. Howard Katz.

### *At Chiefs' Parley*

Police Chiefs Arthur W. Martensen of the Village of Mamaroneck, Paul A. Yerick of the Town of Mamaroneck and William J. Keresey of the Village of Larchmont are attending the International Association of Police Chiefs conference being held at the Hotel Pennsylvania, New York City, today through Thursday.

Chiefs from all over the world, including Honolulu, China, and several South American countries are attending the convention.

### *Patience Pays Off*

Peter B. Nold of 7 Harmon Drive, Larchmont, had played a lot of golf up until Saturday, but had never been able to "hit" that elusive cup in one stroke.

Saturday, however, he stepped to the tee on the second hole at the Hasty Brook County Club in Harrison and lofted a shot that rolled into the cup 120 yards away for a "hole in one". He was playing in a threesome.

### *Auto's Fender Damaged By Hit-and-Run Vehicle*

Richard N. Kull, Jr., of 27 Woodland Avenue, Larchmont, reported to Mamaroneck Police at 12:25 yesterday that the left rear fender of his car was damaged when struck by another car.

Kull told police his car was proceeding east on the Post Road near Delancey Avenue when the hit-and-run car, in passing his car, struck the fender. Kull was unable to give police the registration number of the hit-and-run vehicle, but police sent out an alarm using a description of the car.

## ALL-TIME RECORD SET AS 13,662 REGISTER HERE

### Total Exceeds 1944 Mark By 62; 1,707 Qualify Saturday

An all-time record registration has been set in the Town of Mamaroneck with a total of 13,662 voters qualifying in 16 election districts for the presidential election Nov. 2.

The total number registered tops the 1944 total, the last presidential election year by 62 and exceeds the 1940 registration by 448.

Saturday marked the last day of registration in the six non-personal districts, comprising the unincorporated section of the Town, when 1,707 persons had their names enrolled in the books, of which 808 were men, and 899 women.

The number of persons registered or carried over from last year in the non-personal districts, with the number of men and women registering in each district, follows:

District 11, 84M, 88 F, 172T
District 12, 235M, 268F, 503T
District 13, 213M, 246F, 459T
District 14, 42M, 39F, 101T
District 15, 229M, 236F, 465T
District 16, 5M, 2F, 7T

"M" designates male, "F" female, and "T" total.

District 15, a non-personal district, led all the other districts of the Town with 1,132 voters registered, while District 4, a personal district, was second with 1,120. Smallest number registered was 524 in District 1.

The total registration by districts follows: District 1, 524; District 2, 886; District 3, 1004; District 4, 1120; District 5, 375; District 6, 627; District 7, 601; District 8, 831; District 9, 883; District 10, 702; District 11, 842; District 12, 1036; District 13, 1112; District 14, 1112; District 15, 1132; District 16, 913.

## JEWS TO OBSERVE ATONEMENT DAY

### Hebrew Institute to Hold Two-Day Services Starting Tomorrow

Religious services for the eve of the Day of Atonement will be conducted at the Hebrew Institute of Mamaroneck tomorrow at 5:10 P. M., when Rabbi Irving Koslow will deliver a Kol Nidre prayer and Cantor Abraham Denburg will chant the traditional Kol Nidre verse.

Services will continued Wednesday, beginning at 8 A. M. and ending at sundown. At 11 A. M., a special children's service will be held in the vestry, to be conducted by Cantor Fish. At 11:30 A. M., Yiskor Memorial Services will be held and Rabbi Koslow will preach on the topic, "Floors for the Living." Concluding Neilah services are scheduled to start at 4 P. M.

"The Jewish Day of Atonement, or Yom Kippur, is for Jews throughout the world a day of fasting and prayer to stress the value of directing their daily conduct into finer and more spiritual channels," according to Rabbi Koslow. "It is the conclusion of the 10 Penitential Days during which people may find forgiveness for their sins of omission

## PASSENGER SUFFERS CONCUSSION IN CRASH

Robert Manning, seventeen, of 679 North Barry Avenue, Mamaroneck, suffered a mild cerebral concussion at 7:20 P. M. yesterday when the car in which he was riding collided with another on North Barry Avenue near Grove Street, Mamaroneck.

Manning was taken by Mamaroneck police to the offices of Dr. Milton Drexler, where he was treated and released.

Police reported that Manning was a passenger in a car driven by Anthony Kammerer, Jr., nineteen, of 124 Spruce Street, Mamaroneck.

The left side of the Kammerer car was demolished, police said, when it was sideswiped by another car coming in the opposite direction. Driver of the other car, which was proceeding south on Barry Avenue, was Angelo Miscola, forty, of 831 Underhill Avenue, Mamaroneck. Police reported that Miscola's car was on the left side of the road when the crash occurred on a curve near Grove Street. The left front fender of the Miscola car was badly damaged.

COLORFUL CEREMONIES were held Saturday night at the Larchmont Post 347 American Legion clubhouse in Flint Park as newly elected officers of the post were installed. Shown above is Commander-elect Jack DeGaetani of Larchmont, right, being handed the gavel by William Blumpold of New Rochelle out-going commander. Looking on is County Commander Frank LaRocco of Yonkers, who conducted the installation. Nearly 200 members and guests witnessed the ceremonies, which were followed by a buffet supper and dancing.—Staff Photo.

## FINO TO SPEAK AT CEREMONIES

### State Senators Address To Follow Columbus Day Parade

State Senator Paul A. Fino of the 27th Congressional District, part of Bronx county, will be the guest speaker tomorrow night at Columbus Day ceremonies to be held in Columbus Park, Mamaroneck.

Senator Fino will deliver his address following a parade through the village which is scheduled to start at 7 P. M. at the Municipal Building.

Nearly 20 units comprising four divisions, headed by Village Manager William R. Johnson as grand marshall, will parade down Elm Street to the Post Road and left onto Mamaroneck Avenue. The parade will move up Mamaroneck Avenue to the Jefferson Avenue extension, turning right on Van Ranst Place into Columbus Park to the Columbus Monument, where the ceremonies will be held. Following the ceremonies, dancing will be held on Van Ranst Place.

Senator Fino, a Republican, is chairman of the Senate Committee on Affairs of the City of New York. He is also a member of the Senate committees on banks, codes, corporations, general laws and public health. In 1946, he was re-elected to the Senate by a plurality of almost 25,000 votes. His vote was more than the combined votes of his three opponents.

Senator Fino was born in the Bronx, Dec. 15, 1913. A graduate of P. S. 73 and James Monroe High School in the Bronx, he attended St. John's University, and after two years studied law at St. John's School of Law from which he was graduated with the degree of L. L. B. He was admitted to the bar of the State of New York in 1938.

He practiced law with Morris S. Schector, from State Assemblyman, and from March, 1943, to December, 1944, was an assistant attorney general of New York State attached to the Labor Bureau and later in charge of the Criminal Division of the Education Bureau.

Senator Fino maintains law offices at 391 East 149th Street, Bronx, and is a member of the Bronx County Bar Association, Royal Arcanum, Columbus Alliance, Bronx Lodge of Elks, Central Chester Taxpayers Association, National Republican Club, 10th Assembly District Republican Club, Catholic Men's Club and other civic and fraternal organizations.

He is married to the former Esther C. Liquori, the daughter of a former New York City police sergeant. They have two children, Lucille and Paul, Jr., and reside at 1518 Lowell Street, Bronx, N.Y.

### Stand Forced Open, But Nothing is Taken

For the second time in recent weeks, a burglar broke into the refreshment stand at Harbor Island sometime Saturday night, Mamaroneck police reported.

This time, however, the intruder was wasting his time since everything of value had been removed, police said. When the stand was first broken into, approximately $5 in change and some cartons of cigarets were stolen.

The entry was discovered at 10:45 A. M. yesterday by Patrolman Dominick Pinto. He found the door forced open.

## *Coyle Girl's Murder Remains Mystery On 10th Anniversary*

It was a sunny Oct. 11 morning 10 years ago that the murdered body of Mary Imelda Coyle, pretty 17-year-old New Rochelle girl, was found in a vacant lot behind a row of stores on Palmer Avenue, Larchmont.

Leads and clues on the unsolved murder have been few and far between, but the case is still technically under investigation, Larchmont Police Chief William J. Keresey said today. He added that his latest investigation was only about eight months ago he went to New York City to question a man arrested in another case.

More than 400 persons have been questioned and nearly twice as many clues investigated during the last 10 years, but they have not brought the police any closer to a solution than when the body was found Oct. 11, 1938.

It has never been proved where the murder took place. Investigation showed that the girl left her household home off East Main Street, New Rochelle, about 8 o'clock the night of Oct. 10 to attend church services.

She was not seen again until her ravished body was found the following morning at 8:30 when a beauty shop operator let his small dog out for an early morning run. The dog began barking frantically from the end of a balcony at the rear of the store building.

Investigation also showed that the girl's body had been taken from a car, dragged 16 to 18 feet and deposited in the vacant lot at the end of North Street, a spot so obscure that few Larchmonters were aware of its existence before the murder.

## *Tax Payments Reach 96 P.C. in Rye Town*

Taxpayers in the Town of Rye including Port Chester and Rye Neck have already paid 96 per cent or their 1948 state, county and town taxes, while 97 per cent of their schools taxes have been paid.

Between April 1 and Oct. 1, $588,566 was paid out for state, county and town taxes, against a budget of $607,380.

## 17 Die in Wreck

BOGOTA, Colombia, (AP) — Seventeen persons were killed and 21 injured in a train wreck yesterday near Anapoima, railway officials said today. The wreck, caused by a derailment on the Bogota - Girardot line, occurred about 35 miles from Girardot.

## PASSENGER HURT AS CARS COLLIDE

### Greenwich Driver Charged With Intoxication Following Crash

A Greenwich man was arrested last night for driving while intoxicated after his auto collided at 4:20 P. M. with a car driven by Jack Singer, 19, of Lakewood, N. J. at Dillon Road and Boston Post Road, Larchmont, town police reported today.

Held at police headquarters this morning pending posting of a $100 bail bond was John F. Palmatier, 52, of Greenwich, on a charge filed by Singer. Robert Bryce of 5 Edgewater Place, New Rochelle, is a witness for Singer.

Mrs. Rose Singer, 50, a passenger in the car, was treated at headquarters for an injured left arm by Dr. Seymour Pine of 68 Chatsworth Avenue, Larchmont.

The crash occurred as the Palmatier car was proceeding east and the Singer vehicle west on the Post Road. Both autos were badly damaged.

## TWO HURT AS CAR HITS LIGHT POLE

### Resident Suffers Fracture Of Skull, Husband 2 Broken Ribs

Mrs. Ralph S. Davidson of Taylor's Lane, Mamaroneck, suffered multiple fractures including a fractured skull and her husband received two fractured ribs at 5:30 A. M. yesterday when Mr. Davidson lost control of his car which crashed into a light pole on Palmer Avenue opposite the Colony Apartments, Larchmont.

The victims were treated by Dr. Seymour Pine of 68 Chatsworth Avenue, Larchmont, until an ambulance arrived and took them to New Rochelle Hospital. Mrs. Davidson was treated in the emergency ward by Dr. John Zellinger, surgical resident at the hospital, for lacerations of her left knee and a broken upper tooth. Seven stitches were taken in her chin, according to Larchmont police. X-rays taken of Mr. Davidson showed a possible rib fracture, but he was released with his wife.

At 11 A. M. yesterday morning the Mamaroneck police ambulance was called to take the Davidsons to United Hospital, Port Chester, after their children found Mrs. Davidson bleeding at their home.

Mrs. Davidson was found to have a fractured skull by Dr. William A. Barrett of 414 Beach Avenue, Mamaroneck. He described her condition as "fair" this morning. Mr. Davidson was treated by Dr. Barrett for two broken ribs and released.

Light power on the Mamaroneck circuit in Larchmont was cut off by the impact of the crash, which snapped the pole off at the base. The Westchester Lighting Company was notified.

Larchmont police reported that the front end of the Davidson car was completely smashed in.

SELECTING SPONSORS for the testimonial dinner to be given Oct. 26 at the Winged Foot Golf Club for Rep. Ralph A. Gamble of Larchmont are the members of the committee in charge shown above. The dinner in Rep. Gamble's honor is being sponsored by the Town Republican Committee. Left to right seated are Mrs. Owen A. Mandeville, Mrs. Henry R. Dilson and Mrs. George Stott while looking on is Town Chairman Burton Meighan.

# West Favors Big 4 Meeting Plan When Blockade Is Lifted

## *Congregation Fills St. John's For Pastor's Farewell Sermon*

Preaching Christ means "a lot of joy, a variety of problems and many sadnesses," according to the Rev. Theodore O. Fossett, Jr., who yesterday morning delivered his farewell sermon before a congregation which filled St. John's Lutheran Church, where Mr. Fossett has served as pastor for 16 years. The text of his sermon was "We Preach Christ Crucified."

Preaching the Christ means so many things to both a pastor and a congregation," he declared. "For it is not only a minister who does the preaching in any church. It is not merely a matter of standing in a pulpit and saying some words.

"For a minister preaching the Christ means a lot of joy, a variety of problems, and many sadnesses. It means working in a community, it means the privilege of visiting the sick, it means standing at a death-bed. It means many unthought of things like trying to preach brotherhood by umpiring a softball game in which a rabbi is pitching for one team and a priest playing third base for the other.

"It means doing the business of the church, for the church while not of the world still is in the world. It means raising money and sometimes doing in the hard way.

"It means caring for the biggest of all the assets of the church, the children and the joy of seeing them grow up to be consecrated Christian people.

"No, preaching Christ doesn't only mean sermonizing, baptizing, distributing the Holy Sacrament, or officiatine at a funeral. The unthought of items are vitally important, too.

"But preaching Christ means something for a congregation, too. It means service for Christ, it means missionary activity, it means teaching Sunday School or singing in a choir or addressing envelopes, or aiding in a Junior Choir. It means working as a missionary. It means witnessing for the Christ, even though that witnessing is merely coming to church for worship.

"The congregation preaches, too, and work is only effective when pastor and congregation together, preach to the best of their ability in the many varied ways in which Christ can be preached.

"And at the end of every day, the end of every week, the end of every year, the end of every pastorate, it means that we come on our knees and thank God for the privilege of having served Him, it means that we utter a prayer of repentance, acknowledging with St. Paul that we have fallen short of the glory which should be ours; it means a prayer of certainty that the work of Christ can never be stopped by even the gates of hell, and it means a confession that what has been done is not our work but it is God who has given us the power to preach the Christ and if He has seen fit to use us the glory is His and not ours.

"God bless you and may you leave this House of God this day dedicated to that preaching of the Christ both now and through your lives."

## HIT-RUN CAR STRIKES, DAMAGES OTHER AUTO

A hit-and-run driver was reported at 6:40 P. M. Saturday by Percy Bibas of 124 Palmer Avenue, Larchmont.

Mr. Bibas told Larchmont police that his auto was struck on Larchmont Avenue by a car that failed to stop. He said that while his car was proceeding south on Larchmont Avenue, the traffic light at Post Road turned red and he stopped his auto. While waiting for the signal to change, he said, an auto passed his car on the right side and struck the left front fender, denting it and the front bumper. At the same moment, he added, the light turned green and the hit-and-run car continued on Larchmont Avenue toward the Sound.

Police traced the registration of the auto and found the owner to be Terminix Insulation Company of New York City. Det. Sgt. Thomas J. Boyle contacted Mrs. Edwin C. Waldvogel of 167 Weaver Street, Scarsdale, who said that her daughter, Helen, might have been operating the auto at the time of the accident.

Miss Waldvogel has been requested to report to police headquarters this evening.

## Deputy Grand Master To Visit Lodge Here

Harold W. Gibbs of White Plains, district deputy grand master for the Second Westchester-Putnam Masonic District, will pay an official visit to Apawamis Lodge 800 in Mamaroneck Thursday.

Mr. Gibbs will preside at the Mamaroneck Lodge meeting and inspect the records of the organization. He will also outline the Masonic program for the coming year.

### Three Powers Willing To Accept Proposal For Settlement

PARIS, (AP) — The United States, Britain and France said today they are "not unwilling" to accept a Berlin settlement calling for combined lifting of the blockade and meeting of the Big Four Foreign Ministers Council on the whole German question.

A British-American spokesman told reporters this was the sense of a note delivered by the Western Powers to Argentine Foreign Minister Juan Atilio Bramuglia, who has been heading a six-nation effort to mediate the East-West deadlock in the United Nations Security Council over Berlin.

The spokesman said the note primarily was a restatement of the basic principles the Western Powers would like to see embodied in a security council settlement of the Berlin stalemate. This indicated strongly the Western Powers are not prepared to enter any direct negotiations with Russia over Berlin, which is what the Kremlin wants.

There was, however, no immediate indication of Russia's attitude on this idea. This, it is assumed, is because Deputy Foreign Minister Andrei Y. Vishinsky is waiting for instructions from the Kremlin. He transmitted to Moscow Friday a set of questions put to him by Bramuglia, informants said.

Bramuglia saw Dr. Philip C.

## CHILDREN'S HOME DAMAGED BY FIRE

### Origin Mystery of $57,000 Blaze at Leake and Watts In Yonkers

YONKERS — Damage to a three - story, fifty-seven-year-old building at the Leake and Watts Children's Home on Saturday has been estimated at $57,000 by Yonkers fire chief William C. Garvin but so far investigation has not disclosed the cause of the blaze.

Chief Garvin reported today that 13 firemen and one civilian were hurt fighting the fire but that only two of the firemen were on sick leave as a result of their injuries. He added that the three-alarm fire made it necessary to muster seven standby crews in the city while 13 fire companies battled the flames.

Firemen on vacation joined in the firefighting and many civilians helped haul hose while hundreds watched activities. The fire broke out about noontime.

The 150 youngsters living in the building made an orderly exit taking with them as many of their possessions as they could carry. As tons of water poured into the attic older boys of the home armed with hoses, kept the resultant flood moving down

## 23 BOY SCOUTS VISIT CAMP IN BERKSHIRES

Twenty-one members of Troop Two of the Methodist Church, with guests from Troop One and five adult drivers journeyed to Camp Waubeeka of the Bronx Valley Council, Boy Scouts of America, at Copake, N. Y., in the foothills of the Berkshires Saturday morning.

The boys made camp, hiked, cooked meals and sang songs around the campfire and visited the fire tower on Mount Washburn. They returned to Mamaroneck late last night.

The five cars were provided by Jack Auer, Clarence Litchfield, Alvah Small, Pat Hurley and George Fischer, and driven by Al Scherwatsky, district camping chairman, Mr. Litchfield of the troop committee, Alvah Small, district chairman of the Court of Honor, Mrs. Livesey, and Scoutmaster H. B. Livesey.

Boys attending were Ticky Litchfield, Gery Wellman, Charles O'Keefe, Vaughn Abbott, John Niles, John Allen, Paul Gillespie, Billy Merz, Randy Small, Bruce Barlow, Roger Schumacher, Bailey Livesey, Jimmy Hurley, Frank Yans, Peter Iacovelli, Donnie Scherwatsky, Buddy McMillan, Robert Knopf, Peter Diamond, Nick Cochia, Harry Waltner, Tag Quinn, and Walter Schoonmaker.

## Combing The Town

### *Air Lift Duty*

Participating in the "Berlin Air Lift" is Pfc. Gordon W. Welsh of the United States Army Air Force, son of Mr. and Mrs. William O. Welsh, 1921 - A Palmer Avenue, Larchmont.

His parents reported they received his first letter yesterday since he sailed for Germany Aug. 13.

Pvt. Gordon wrote his parents that "when you read of the Air Lift, think of me because we're right in the middle of it." He is stationed at an Army Air Base near Wiesbaden, where he is attached to a base service squadron training department. He was formerly assigned to a maintenance engineers squadron, "a glorified grease monkey outfit," he puts it, servicing planes of the Air Lift. He now attends school most of the day and the remaining time does maintenance work. The squadron he is now attached to is also being used as a stand-by honor squadron.

### *Jeep Patrol*

A new jeep equipped with a two-way radio will soon be placed in service on the Boston Post Road as a highway patrol car by the Mamaroneck Police Department, Village Manager William H. Johnson informed the Village Board last night.

The jeep will patrol the Post Road within the village to see that no further disturbances occur such as on the occasions when bus passengers alighted and used private property as a public lavatory. Presence of the jeep on the highway is expected to cut down the speed of trailer trucks.

"Highway Patrol — Village of Mamaroneck" will be painted on the side of the jeep, as will "police" on the hood.

### *No Enforcement*

Failure to enforce the local dog ordinance was scored last night by Trustee John Withers at the Village Board meeting.

"We have the worst dog ordinance I've ever seen," said Mr. Withers, adding that it is seldom if ever enforced. Trustee James Jackson agreed that the enforcement has been lacking.

Mr. Withers suggested that Mamaroneck fashion its dog ordinance enforcement after that of Tenafly, N. J., where no dog can go about without a leash.

### *Real Hazard*

Mayor B. J. Santoro last night commended the "very apropos" editorial appearing in yesterday's *Daily Times on the subject of* post - football game speeding by youngsters.

He said that he would ask Police Chief Arthur W. Martensen *to take up the matter* with heads of the local schools. He agreed that not only the speeding but the poor condition of many of the cars constitute a real traffic hazard.

### *Last Installment*

The Town of Mamaroneck has paid the County of Westchester a final installment of $250,000 due on this year's State and County tax bill.

The total amount of 1948 State and County taxes paid by the Town was $746,411.69. The final payment, approved at the last Town Council meeting, was made Sept. 30.

### *Classes for Mothers*

A new series of Mother's Classes will begin October 21 at the Mamaroneck Health Center, 234 Stanley Avenue. Registration may be made by phoning Mamaroneck 9-0163 or by calling at the Health Center office. All expectant mothers and any one else interested in the course are invited to attend these classes. Further detailed information will be released later.

### *New Name?*

Trustee Ralph Mann last night suggested to the Village Board that the name of Harbor Island Park be changed to a name such as Veterans' Memorial Park as a living tribute to those who gave their lives.

He also said that he would like to see a bronze honor roll placed somewhere in the park.

### *At ASCE Parley*

Shortridge Hardesty, of 12 Cambridge Court, Larchmont, national director of the American Society of Civil Engineers, is attending the Fall meeting of the society in Boston.

He left Larchmont Saturday night and will return tomorrow.

### Robert Wharry Wins Award for Debating

Robert Arthur Wharry, of Larchmont, was among the prizewinners announced at Lehigh University's 70th Founders' Day exercises at Bethlehem, Pa., yesterday.

Wharry divided the first prize totaling $120 in the Williams intramural debating contest with Edwin A. Wallace of Bethlehem.

**OPPORTUNITY UNLIMITED**

## KNOLLS BUILDING PROJECT OPPOSED

### Residents Object to Sale By Village of One - Foot Reserve Strip

Approximately 30 residents of Mamaroneck Knolls went on record last night before the Village Board as opposed to the application of Joseph F. Di Mario to purchase a portion of the one-foot reserve strip which surrounds the Knolls in order to build homes and a road in that section.

Arthur H. Carleton of Knollwood Avenue, spokesman for the group, said that if the board intends to offer the reserve strip for sale, his group is prepared to buy it and convey it to a corporation so that no individual can profit from it.

Mr. Carleton said that he appeared before the board two years ago when Knolls residents also opposed sale of the reserve strip. He said that these residents purchased their property with the understanding that it was safeguarded by the reserve strip so that no further road - building would be undertaken.

He said that he has no objection to a man making money by building homes, except when it interferes with the rights of the people who have invested money in the area.

Mr. Di Mario wants a portion of the reserve strip now owned by the village in order to construct a road to be known as Theresa Street in the area where he plans to construct several homes. The road would extend from Mamaroneck Avenue to the west side of Crown Court.

The reserve strip in question was foreclosed by the village for non-payment of taxes by the original developer.

Mr. Carleton contended that Mr. Di Mario would have no right to construct a road, because in so doing he would be changing the original filed map, which would be illegal.

Several of the residents of Crown Court present objected to the fact that the rear of Mr. Di Mario's proposed homes would face their street. They said they want protection from the sight of trash and garbage cans.

The board will study the matter further before taking action.

## FOUR AUTOS COLLIDE, OCCUPANTS UNINJURED

Four cars collided at 7:50 P. M. yesterday on West Post Road in front of the Mamaroneck Junior High School, but no one was injured.

According to the Mamaroneck police report, a car driven by Dante Boccarosa of Bridgeport, traveling east, cut across the road to the left, striking the rear of another car traveling in the opposite direction and driven by C. G. Javellana of the Bronx.

The Javellana car spun around on the westbound and struck a third car traveling east behind the Boccarosa car. The third car, operated by Paul Hauser, Jr., of New Rochelle, was sent across the road by the impact and collided with a fourth car traveling in a westerly direction behind the Javellana car. The fourth car was driven by Wallace N. Watson, Jr., of Harrison.

All four cars were damaged. Three had to be towed away.

## *Europe On Road To Recovery, Vandercook Tells Men's Club*

Western Europe has progressed far along the road to recovery thanks to the Marshall Plan, according to John W. Vandercook, news analyst, explorer and author, who last night addressed the season's opening dinner meeting of the Larchmont Men's Club at the Larchmont Shore Club.

In an optimistic talk on the future of Western Europe, Mr. Vandercook said, "Not all the news today is bad, and 95 percent of the good news comes from the countries closest to us where there is a tremendous sense of recovery and hopefulness due in a large part to the Marshall Plan.

The speaker outlined conditions as he found them on his recent visit to Europe's "three critical areas" — England, France and Germany.

English life has undergone "an extraordinary change," he declared. In 12 visits to England, he said, he had not been given any impression of what he found on his most recent trip.

"The war effected one good thing in England," Mr. Vandercook states. *"It has ended unemployment.* The poor have disappeared. England is hard at work but the most extraordinary thing is its new attitude.

"Almost the whole of England is now a working class. With one-third of the wealth they had piled up now vanished, they cannot spend.

"To a surprising degree, the great mass of English people look well fed. They are even probably more healthy than we are. The only evidence of the war are the holes in the ground left by the bombings. Most of their buildings *have been repaired.*

"England's overall industrial production is 25 percent better than in 1938. Exports are at 136 percent of pre-war. The dire reason they are not prosperous is because they have to replace capital. It's as simple as that. Although they are not yet out of the woods, they are certainly *heading out.*

"The pro-American feeling in England today is one of the most moving, most extraordinary things I have ever seen. A recent poll showed 66 percent of the people pro-American."

Turning to France which he said is the No. 2 recipient in dollars under the Economic Recovery Plan, Mr. Vandercook said he thought "we could afford to be a little more sympathetic."

Comparing French losses with America's war dead of 300,000 on all fronts in the last war, the

## RAIDERS SMASH THROUGH 5 DOORS

### Mt. Vernon Police Nab 2 On Gambling Charges; Cellar Entered

MOUNT VERNON — Police broke bolts on four doors and pried open a fifth door with a crowbar yesterday as they raided a cellar at 6 Charles Place in search of bookmaking evidence.

They arrested Ralph Porro, forty-two, nurse convicted bookmaker and John Bevacqua, thirty-five, of 256 Jessamine Avenue, Yonkers, a second offender. The pair were released in bail for appearance in City Court tomorrow.

The two were arrested in quarters which included coffee lounge bar and kitchen. As police entered they found the cellar apartment filled with smoke from papers burning in a metal waste basket. Three phones, one hidden in the oven of a gas stove, were confiscated as well as the charred remains of the papers in the waste basket.

The raid followed surveillance of the premises for some time and telephone tapping for the previous three days. Both Porro and Bevacqua were arrested in the same building earlier this year, found guilty of bookmaking and fined. This time Porro is charged with maintaining a gambling place and his companion with bookmaking.

### Sight Sub in Cheju

SEOUL (AP)—Korean Pacific press said today its correspondent on the Cheju Island reported a submarine flying the ensign of the North Korean Communist regime was sighted five miles off the island last Friday.

## YACHT DESIGNER DIES SUDDENLY

### Donald B. Abbott Passes At 62; Creator of Wood Pussies

Donald B. Abbott, well-known yacht designer and yacht broker, died suddenly yesterday afternoon at his home in the Orienta Apartments, Mamaroneck. He was 62 years old.

A racing skipper since his youth, Mr. Abbott developed his hobby into a business of producing famous yachts, among which are the Weekender, the Overnighter, the Visitor, the Caller, the Dater and the Wood Pussy.

A resident of Mamaroneck for the last five years, Mr. Abbott maintained offices at 510 West Boston Post Road, Mamaroneck, overlooking Mamaroneck Harbor.

Born in Brooklyn Dec. 1, 1885, he was the son of the late Phillips Abbott, well - known New York patent attorney, and the late Mrs. Jeannie Beardsley Abbott. Graduating from Adelphi Academy in Brooklyn, he went to Amherst College, where he received his B. A. degree in 1908. He then attended New York Law School and was admitted to the New York State Bar Association in 1910.

He became associated as a partner in the law firm of Ehlermann, Smyth and Abbott in New York City. In 1924, he gave up his practice and went to Yarmouth, Maine, where he entered the business of manufacturing shoes with the Melville Shoe Company. His firm manufactured all the footwear for Admiral Richard E. Byrd's first South Pole expedition.

Still associated with the Melville Shoe Company, he returned to New York in 1932 and subsequently developed his life - long hobby of boating into a business.

Mr. Abbott was a member of the Lions Club of Mamaroneck, a director of the Mamaroneck Chamber of Commerce, and a member of the American Yacht Club, the Orienta Yacht Club and The Corinthians, a yachting association.

Sole survivor is his wife, the former Nancy P. Griffiths.

Funeral services will be held at the Silleck and Keech Funeral Homes, 767 East Boston Post Road, Mamaroneck, at 1 P. M. Thursday, with the Rev. Arnold A. Fenton, rector of St. Thomas's Episcopal Church, officiating.

## FIVE LOTS SOLD FOR ERECTION OF CLOTHING PLANT

### Village Trustees Accept $4,000 Property Bid For New Industry

The Mamaroneck Village Board last night approved the sale of five lots on Mamaroneck Avenue to Gordon V. Lyons, who plans to erect a clothing manufacturing plant on the property, Mr. Lyons' bid was $4,000.

The property, known as Section 8, Block 97, Lots 2, 3, 4, 5, and 6, is now zoned for business, which would require a variance in order to carry on manufacturing.

Village Manager William H. Johnson, in recommending the sale, said the village should get this property and other property it owns back on the tax rolls as soon as possible. The site of the proposed plant, on Mamaroneck Avenue near Hillside Avenue, is same one on which a curtain factory, plans for which were abandoned about a year ago, was to have been located.

The new owner promises his plant will benefit the village not only in taxes but in providing employment for residents.

Also accepted was the $1,000 bid of Bernardo Fraioli for Section 8, Block 46, Lot 4, on Mamaroneck Avenue, and the $240 bid of Joseph and Ersilla Ricci for Section 8, Block 97, Lot 35, on Center Avenue. All three sales are subject to the approval of the Town of Mamaroneck.

Bids of $560 by Dismantino Peralta for Section 8, Block 94, Lot 1A5J, and $190 by Rocco Rosito on Section 8, Block 79, Lot 19A, were opened by the village clerk and will be tabulated and reported on by the village manager at the next meeting, Thursday, Oct. 28.

Corporation Counsel Anthony Sansone reported that the Public Service Commission has informed him it has no jurisdiction over an incident such as that in which

## SCOUT TROOP 6 GIVEN CHARTER

### Presentation Ceremonies Conducted By Siwanoy Council Executive

The first formal charter presentation ceremonies of Siwanoy Council were conducted last night when Troop Six of the Larchmont Boy Scouts was presented its 1948 charter under the direction of Philip Wagner, Siwanoy Council executive, at the Murray Avenue School auditorium.

Mr. Wagner explained the council organization to the Scouts and their parents and then introduced Horace Nichol, chairman of the Larchmont District Committee, who made the presentation of the charter.

Robert Watt, chairman of the Larchmont University Club scout committee, accepted the charter on behalf of the sponsoring organization and the troop. Mr. Watt thanked John Coughlin, scoutmaster, and John Latham, assistant scoutmaster of Troop Six, for their splendid work during the past year and wished them success for the 1948-49 Scout season.

Nearly 30 scouts of Troop Six led by Patrol Leaders Gordon Nichols, Thomas Keller, Gordon Nichol and Charles Trefsger, participated in the ceremonies.

Other Scouters present and introduced were Kenneth Nunes, Siwanoy Council commissioner; Roy Keller, vice-chairman of the Larchmont District; Howard Nichols, Felix Freeman, and Howard Wheelock, members of the Troop Six committee; and John B. Forrest, district commissioner.

Following the ceremonies, colored motion pictures of the Summer activities at Camp Siwanoy were shown. The film was produced by Mr. Freeman.

The meeting ended with the sounding of "Taps" by John Latham and the scoutmaster's benediction.

## INTOXICATION COSTS MOTORIST $100 FINE

John F. Palmatier of 33 William Street, Greenwich, was fined $100 and given a 60 days' suspended sentence yesterday by Judge Wesley M. Messersmith after pleading guilty to a charge of driving while intoxicated.

Palmatier was arrested Sunday night by Town police after his auto collided with a car driven by Jack Singer of Lakewood, N. J., in which Mrs. Rose Singer, a passenger in the latter car, was injured. The charge was filed by the Singer youth.

# 3 Western Powers Join Move To Speed U. N. Berlin Action

**HOPELESS AND FORGOTTEN,** this old couple turns to the Salvation Army for aid and guidance. They are part of a legion of needy persons helped each year by the Salvation Army with funds provided by the Community Chests of seven county communities. Of the $22,357 Mamaroneck will raise in its one-day Community Chest drive Oct. 20, $1,000 will go to aid the work of this humanitarian organization.

## *Salvation Army Carries On Varied Work With Chest Aid*

A red truck stops in the street. A man rings the doorbell and asks if you have anything to give The Salvation Army. You say, "No, not this time", or "You tell him to take the pile of newspapers and junior's broken down bicycle out of the garage. And that's all the average citizen knows about an organization that will receive $1,000 this year from Mamaroneck's Community Chest or about four and a half percent of the $22,357 the village will be asked to give Oct. 24.

What *else is there to know?* Is there any way that the Salvation Army actually touches the lives of Community Chest givers?

A glance at Page 3 of the *organization's* 1947 report provides a quick answer to the first question. What the Salvation Army calls its "Program of Activities" includes the following 12 services: shelter for homeless men, family visitation and care, emergency aid, seasonal relief, an employment agency outfitting the needy, a health camp, hospital and prison visitation, a missing relative bureau, care for unmarried mothers, guidance and character building, aid and assistance to *the needy irrespective* of race, religion or nationality.

It's a program which in Westchester County calls for an annual budget of $123,299.54 of which Mamaroneck, through Community Chest gifts, is asked to provide $1,000. The Chests in Pelham, Harrison, Hartsdale, Larchmont, Purchase and Scarsdale make up the remainder of a total of $8,943.25 and the rest of the $114,000 odd dollars comes from the seven neighborhood centers (New Rochelle is the one nearest Mamaroneck) a sum which last year totalled more than $91,000; from non-corps centers through county headquarters ($16,250) and $1,519 from the Fresh Air Camp at Ashford Hills.

The Salvation Army, since its founding in 1865 by William Booth has built a tradition of help for the forgotten and needy men and women of the world. It welcomes through its doors each year thousands of hopeless persons who know no other source of help.

They are drawn by a tradition which tries to bolster a man's self respect and turn him toward the future with hope and assurance. When you hand your Community Chest gift to the solicitor this afternoon of Oct. 20, less than one-twentieth of it will go toward the support of the work of the Salvation Army in Westchester County.

## CLEVELAND HAILS SERIES CHAMPIONS

### 150,000 In Crowd Welcoming Indians Back Home From Baseball Battles

CLEVELAND, (AP) — Baseball Clevelanders staged the biggest and loudest demonstration in the city's history today as the world champion Indians were welcomed back from Boston.

The entire city let go with a bombardment of music, flowers, cheers and applause as the Indians were driven up historic Euclid Avenue from the terminal to Public Square to University Circle, a 10-mile route.

The avenue was strewn with roses and confetti, early morning traffic was tied in a happy, howling knot of humanity.

*Traffic Commissioner* John R. Sammon said it was the biggest celebration he could remember. He estimated the crowd that jammed into public square at 100,000 and said at least another 50,000 lined the street as the motorcade moved out the avenue.

Mayor Thomas A. Burke, Tribe manager Lou Boudreau and his wife, Della, and club president Bill Veeck were seated in the first open car and drew the loudest cheers.

Sport - shirted Veeck gave his flashiest, widest grin as he ducked confetti, candy kisses and flowers.

"It was never like this in Milwaukee," Veeck laughed. "This is terrific."

The handsome, dark - haired Boudreau drew the attention of women and bobby soxers. Shouts of "there's Lou!" sprang up all along the line and everybody strained their vocal chords to the limit.

## CHEST BENEFICIARIES GUESTS AT DINNER

Representatives of the nine beneficiary agencies of the Mamaroneck Community Chest will again be the honored guests at the third annual captains' dinner at Seven Pines Restaurant tomorrow evening at 7 o'clock.

Mrs. R. B. Savage is dinner chairman, Mrs. E. B. Ingraham and Mrs. George W. Brown are in charge of reservations. Place cards will be made by the Camp Fire Girls of Mamaroneck and table decorations by members of the Mamaroneck Girl Scouts under the supervision of Mrs. Granville Perkins of the Girl Scout program committee.

The dinner, whose purpose is to acquaint district captains with the local aims and achievements of Chest beneficiaries, will feature a three-minute talk from the representative of each beneficiary, with Luther Nelson acting as master of ceremonies. Since its inauguration three years ago by H. W. Doolittle, then campaign director, dinner reservations have swelled in numbers and enthusiasm.

"A highly gratifying circumstance indicating the real value of the dinner when you consider the directors and district captains pay their own way." it was stated this morning by a Chest official.

### Mediation Held Futile As Resolution Calls For Haste

PARIS, (AP) — The United States, Britain and France joined today in a move to speed up Security Council action on the Berlin crisis.

This coincided with Secretary of State Marshall's return by air from Washington talks with President Truman.

The three big Western powers, despairing of mediation efforts by the so-called "Little Six" on the United Nations Security Council, are drafting a resolution for firm action to lift the Berlin blockade, Western sources said.

Marshall did not appear at the U. N. Assembly headquarters immediately on his arrival in Paris, but he took over again as behind-the-scenes director of American policy in the Berlin dispute.

U. S. delegate Warren R. Austin, meanwhile, told the U. N. Assembly's political committee that "wreck and destroy" has become the Soviet battle cry in the world today. He cited a number of quotations which he said indicated the Soviet Union is guilty of duplicity.

Western sources said the "Little Six" attempts to patch up the East-West differences over Berlin remained fruitless after almost a week of go-between work.

There was still no reply from the Kremlin to questions put forward Saturday by Juan Atilio Bramuglia of Argentina, spokesman for the "Little Six" and president protempore of the council.

These informants said Britain, France and the United States would prefer that a resolution on the Berlin blockade come from the mediating powers. But if nothing turns up in the next 24 hours, they are ready to take the initiative themselves.

The Western powers, according to the informants, remain pretty certain that Soviet delegate Andrei Y. Vishinsky will veto any positive Security Council resolution which suggests either that Russia is in the wrong or that a blockade in fact exists around Berlin.

A British spokesman told reporters today the Western powers feel certain the course they are following in the end will make Russia "reorientate her policies" in Germany.

## SANTO, TWV AIDE, TO BE DEPORTED

### Romanian Loses Appeal As Immigration Chief Holds He Violated Laws

WASHINGTON, (AP) — The Immigration Service today announced John Santo, international organizer for the CIO Transport Workers Union, has been ordered deported.

Santo, a native of Romania, lost an appeal to the Immigration Commissioner. However, he now can appeal to Attorney General Tom Clark and, failing there, to the Federal Courts.

The Immigration Service said it had found that Santo violated the immigration laws in three respects: (1) Failed to maintain exempt alien status as a student; (2) became a member of the Communist Party after entering the United States, and (3) became affiliated with an organization, the Communist Party, which preached overthrow of the U. S. Government.

### Boy Struck on Head By Shot From BB Gun

Bruce Roberts, eight, of 24 Villa Road, Larchmont, was struck on the forehead by a BB yesterday afternoon, Mamaroneck town police reported today.

His mother, who reported the accident at 3:45 P. M. yesterday, said that he had been playing with two other boys about his age. One of the boys, who admitted shooting Roberts, told police that they had been shooting BB's at each other when the accident occurred. Police took two BB rifles from the boy and one rifle from the other youth, who said that his rifle was inoperative.

The father of the boy who admitted the shooting will be questioned about the rifles, police said.

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS MAMARONECK, N. Y., WEDNESDAY, OCTOBER 13, 1948 BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**
Mostly sunny, high near 65. Tonight clear and cool, low in upper 40s. Tomorrow mostly sunny and somewhat warmer, high near 70. High tides today at 8:37 P. M.; tomorrow at 9:02 A. M. and 9:16 P. M.

## Combing The Town

### *Heads Show Committee*

Nicholas Leon has been appointed chairman of the committee in charge of the presentation of "Theresa" to be sponsored by David Potts Jr. Post 1156, Veterans of Foreign Wars, Saturday, Nov. 27, in the Junior High School auditorium.

Herman Knief will be souvenir program chairman, George E. Mills, Jr., ticket chairman, and Philip Rigano, publicity chairman. Also serving on the committee will be Dr. L. Howard Katz, Harry J. Knowels, Carl Ruer, Donald MacLeay, Walter Needham, William Perry, Walter Spuehler, Henry Tezzi, Serverio Amahle, Frank Anderson, Vincent Ciardullo, Louis Savone and Anthony Chiarella.

Tickets may be obtained from any member of the committee.

### *Small Turnout*

Republican and Democratic committeemen apparently fell down on one of their jobs this year in getting out the vote.

Superintendent of Schools T. James Ahern reported to the Board of Education last night that only 369 certificates of literacy were issued during the period of registration. He said that inasmuch as this is a presidential election year, between 800 and 900 persons were expected to take the test.

The tests were administered under the direction of Roy Krimer. A total of 334 persons took them, while 35 others presented school or college diplomas. Taking the test were 153 men and 181 women, while 24 men and 11 women presented diplomas. No one failed the test.

### *WCVOA to Meet*

Mayor B. J. Santoro, past president, and Corporation Counsel Anthony Sansone, secretary of the Westchester County Village Officials Association, will attend a meeting of the association tomorrow night at the Municipal Building in Pleasantville.

Major topic of discussion will be state aid to the villages. The association recently released a 20-page booklet in which it claims that the villages are being discriminated against in the distribution of such aid.

Mayor Santoro is a member of the Moore Plan committee of the association.

Village Manager William H. Johnson, trustees and other village officials are also expected to attend.

### *In Naval Hospital*

Robert Manning, son of Mr. and Mrs. Alwynn Manning of 629 North Barry Avenue, Mamaroneck, is in St. Albans Naval Hospital, L. I., following an accident in which he was involved Sunday while home on leave.

He recently returned to Norfolk, Va., aboard the U. S. S. Gibbsney, a light aircraft carrier, following a cruise in the Mediterranean Sea and Persian Gulf. The ship is now in Boston for overhauling. He enlisted in October, 1947.

### *At Pensacola*

Yeoman Third Class Joseph Fraioli of Mamaroneck is now stationed at Pensacola, Fla., awaiting further assignment.

The son of Mr. and Mrs. Peter Fraioli of 131 Elliott Avenue, he was recently stationed at Key West, Fla. He saw considerable actvice aboard the U. S. S. Goldtinch, an auxiliary minesweeper. He re-enlisted in the Navy on March 26 for two years following a year and a half of service.

### *Night Out*

Families of school board members will have to get along without them at supper Tuesday, Nov 2.

That night, members of the Mamaroneck Board of Education will be the dinner guests of the Senior High School. The girls will display their culinary arts under the direction of Miss Margaret P. Shannahan.

### *Leads Discussion*

Moderator of a discussion group meeting this afternoon at the Princeton University School of Architecture was Clarence B. Litchfield of 65 Grove Avenue, Mamaroneck.

Mr. Litchfield, who is a partner of the New York architectural firm of Alfred Hopkins and Associates, led the discussion of "Contracts and Fees."

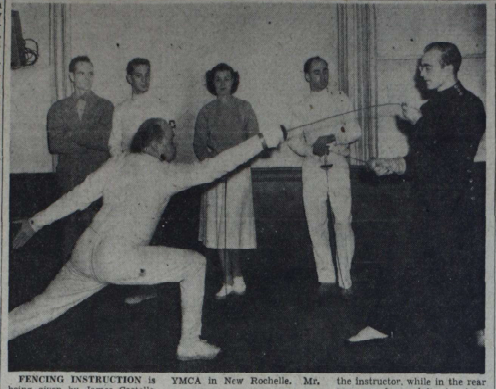
## 6,000-Ton Daily Lift Possible, Fliers Say

BERLIN (AP)—American officials are confident United States and British efforts can fly an average of 6,000 tons of supplies a day into Berlin throughout the Winter if the Soviet blockade persists.

The U. S. Air Corps said several hundred reserve pilots and engineers who volunteered will be assigned to the Berlin air lift after receiving special training at Great Falls, Mont.

**PROFIT . . .**

**No matter how you look at it that's the main reason people place want ads in the paper. They want to sell merchandise, a home, employ a good salesman or fill any one of a thousand needs. And because our want ads have been doing a low cost, high profit selling job for over a generation almost everyone knows that the want ad phone number is Mamaroneck 9-2100.**



FENCING INSTRUCTION is being given by James Castello of Yonkers who is shown teaching a class of the newly formed Salle Rochelle Fencing Club last night at the Huguenot YMCA in New Rochelle. Mr. Castello is club and fencing coach at New York University. James Turley of New Rochelle is at the left, lunging toward the instructor, while in the rear row are, from left to right, Delay Shiner of Larchmont, and George Reed, Miss Ann Pasek and Sam Hunter, all of New Rochelle. —Staff Photo

# *Daughter Must Divorce Husband To Win Share In Ex-Resident's Will*

The question of whether the aversion of a former Mamaroneck millionaire to his son-in-law could deprive his daughter of a share in his $2,500,000 estate is being decided today by the Dade County Circuit Court in Miami, Fla.

The will now being contested by executors of the estate was left by Daniel K. Weiskopf, who lived for many years on the Hageman waterfront estate at the end of Orienta Avenue on Orienta Point, a property he purchased in 1931 and which is still a part of his real estate holdings together with a half interest in the adjoining Reed estate. Mr. Weiskopf, who owned a string of race horses known as the Orienta Stables, left Mamaroneck sometime after the death of his wife in 1936.

His will provides that his daughter, Denise, be cut off with only $2,500 a year unless she divorces her husband, Robert H. Reid and marries someone else. If she does she would receive about $30,000 a year from a trust fund.

Mr. Weiskopf died March 29, shortly after he signed a codicil to his will bequeathing $100,000 to Mrs. Grace Grier Vignes, Miami Beach, who was Miss Miami and Miss Florida in 1929. The original will left only $25,000 to "my friend, Mrs. Grace Evelyn Vignes."

County Judge Frank W. Blanton ruled that Mrs. Vignes was entitled only to the $25,000 because the codicil increasing the amount was signed by Mr. Weiskopf while he was under an opiate.

Mr. Weiskopf, formerly vice president of the National Distillers Products Corp., died at the age of 74.

The will did not disclose why Weiskopf objected to his son-in-law.

The estate was divided into three principal parts to be shared by Mrs. Reid and her two brothers, James L. and Robert B. Weiskopf. But Mrs. Reid would receive full income from her share only "so long as she shall be married to someone other than Harris Robert (H.) Reid."

In New York Mrs. Reid referred all questions of her father's

## REDS 'SUGGEST' END OF MISSIONS

### Moscow Would Close Berlin To Military Units of Other Powers

BERLIN (AP)—The Russians have suggested that nations maintaining military missions here close them and withdraw from Berlin.

There are at least 15 such missions accredited to the four-power Allied Control Council. They look after the interests of their governments here.

The Soviet official press said the subject of missions had been broached by Marshal Vassily D. Sokolovsky, Soviet Commander in Germany, to the American, British and French Commanders.

The Control Council has not met since March 20 when the Russians stalked out, declaring the "council has ceased to exist." The Western Powers have never recognized this unilateral attempt at dissolving the four-power body.

## Six Draw $14 in Fines For Traffic Violations

Frank A. Ruscio of Scarsdale was fined a total of $3 in fines for overtime parking. He paid $1 for his first offense and $2 on a second ticket for overtime parking. Francis Distillator of Rye paid a $1 fine for his first offense of the overtime parking regulation and Russell White of New Berlin, N. Y., paid $2 for parking in a restricted area.

## Last Relic of Hitler Will be Blasted Down

BERLIN (AP) — Berlin's last major relic of Adolf Hitler, the gutted ruin of the massive Reichschancellery he built for himself in the late 1930s, is going to be torn and blasted down. The building department in the Russian sector of the city made the announcement.

The Russians have already ripped out the buildings Italian and Bavarian marbles and rich wood work. The marble has gone into construction of Berlin memorials to the Red Army.

## Edison for Dewey

WEST ORANGE, N. J. (AP)—Charles Edison, former Democratic Governor of New Jersey and Secretary of the Navy in the Roosevelt administration, will make a radio speech Oct. 20 in behalf of Thomas E. Dewey, Republican Presidential candidate.

# PANEL MEETING SLATED BY UWF

### Three Prominant Speakers To Discuss World Peace Oct. 20

Three outstanding speakers will participate in a panel discussion on "World Peace" Wednesday, Oct. 20, at 8:30 P. M. in the Weaver Street Firehouse, sponsored by the Larchmont chapter of United World Federalists. The public is invited.

Col. Alexander Standish, former chief of the Intelligence Branch on Gen. Omar Bradley's staff in the European Theater of Operations, will be one of the speakers. He is now a partner in the brokerage firm of Jay H. Whitney and Company.

The second speaker will be Madame Hilda Yatsing Ven, who represented China at the League of Nations, was technical consultant to the Chinese delegation at Dumbarton Oaks, and was until recently a member of the Chinese Secretariat of the United Nations.

Herbert Maza, instructor in American Government, American Foreign Policy and International Politics at the College of the City of New York, will be the third speaker. He is a noted lecturer on world government.

## Car, Truck Damaged In Center Ave. Crash

A car and a truck were damaged yesterday at 5:05 P. M. when the truck struck the car as it was pulling out from the curb on Center Avenue between Plaza Avenue and Penimore Road, Mamaroneck.

Mamaroneck police reported that the truck, whose bumper was torn loose from the left front end, was driven by Charles Puller, twenty-six, of New Rochelle. The car was proceeding north on Center Avenue when the crash occurred by Mrs. Clarice H. Wiener, thirty, of 2 Dundee Road, Larchmont, pulled out from the curb. The right front fender, door and hood of the Wiener car were damaged.

# *Move On To Beautify Village As Treacy Promotes Own Idea*

From words to deeds is but a short step for Cyril Treacy. That fact was established at yesterday's meeting of the Mamaroneck Lions Club when a report showed that a movement suggested only last week by Mr. Treacy had already been translated into action by him.

During a discussion at the last meeting on the subject of improving Mamaroneck's appearance, Mr. Treacy said that we should think more about beautifying the village.

At yesterday's meeting Peter C. Doerr, Jr., president, stated that Mr. Treacy is initiating a movement among stores, factories and business firms to carry out his own suggestion. He called about 20 individuals. Mr. Doerr said, and has gotten them to agree to plant flowers in front of their places of business. Every one on the list, Mr. Doerr said, agreed to do it. In fact, he added, many of them are already taking specific action toward that end.

If you really want to do something for Mamaroneck, Mr. Treacy said, and do it in a big way, you can make Mamaroneck known from one end of the country to the other.

"The people of Mamaroneck can be imbued with pride in their Village," he said, "and with a desire to beautify the Village. Practically every one I talked to was enthusiastic about the idea."

Charles Gaa, Playhouse, manager, was reminded of a visit made by two top officials of his movie house a year or so ago. He told of a walk that one of them took past the lot on Mamaroneck Avenue adjoining the Mamaroneck Federal Savings and Loan Association and of how he came back with praise of the village that will take a vacant lot and make it a thing of beauty. At that time, Mr. Gaa reminded the members, the Garden Club was taking care of the lot.

Charles Silleck said that dogwood, lilac or other flowering shrubs should be planted around the West Basin. Mr. Doerr called attention to the vast improvement made in the West Basin in the last 10 years. Dr. H. K. Miller offered "100 or 500 lilac bushes from my place if the committee will come and dig them up".

The matter was left finally in the hands of the Civic Committee headed by Mervin Connor for further study and recommendations.

# 20 UNITS PARADE IN OBSERVANCE OF COLUMBUS DAY

### Fino and Gamble Eulogize Discoverer of Country At Exercises Here

More than 2,000 spectators cheered 20 units last night in the Columbus Day Parade as Village Manager William H. Johnson led local bands and organizations through the business section of Mamaroneck to Columbus Park. There, a large crowd listened attentively to addresses delivered by State Senator Paul P. Fino of the 27th Congressional District (part of the Bronx), and Rep. Ralph A. Gamble of Larchmont.

From a flag draped rostrum near the bronze bas relief of the landing of Columbus, Senator Fino eulogized Christopher Columbus as "the original path-finder of liberty," from whom we inherited our "fighting spirit for freedom from evil forces."

Today, this same protective spirit is found in the European Recovery Program which has been instituted to help a threatened and oppressed people—"poor souls of humanity who are engaged in a life and death struggle with the sinister forces of Communism," he declared.

"Until all of these forces are wiped out of this world which Columbus physically united," the Senator continued, "the peace and security of its people will be in constant danger."

"We pause today to pay tribute to a great hero and benefactor, Christopher Columbus. A well known columnist said, 'History books say Christopher Columbus discovered America. But we who are fortunate enough to live in it know that he really discovered heaven.'"

Rep. Ralph A Gamble of Larchmont, whose address preceded Senator Fino's, told his audience that "while Americans of Italian origin and descent probably claim Columbus as a fellow Italian, it

*(Turn to Page 3, Please)*

## RED THREATENS REVOLT IN ITALY

### Communist Boss Demands New Government In Threat to Chamber

ROME, (AP) — Italy's Communist boss, Palmiro Togliatti, has given the nation a thinly veiled threat that revolt can break out at any time.

He demanded "a new minister of the interior and a new government based on the laboring mass."

Togliatti told the Chamber of Deputies yesterday another July 14 may come at any moment. July 14 was the day he was wounded by a would-be assassin, at act which touched off a general strike the government described as revolutionary in character.

Togliatti repeated Communist charges that Premier Alcide De Gasperi is "enslaved to domestic and foreign conservative forces" and seeks to continue his "regime of privilege in favor of small groups."

Italy's railways will halt tomorrow from 1 A. M. to noon in support of a nine-hour strike by state employes demanding higher pay.

The employes' demands were rejected last week by Parliament as "inflationary."

## IMMIGRATION PLOT HOLDS MT. VERNONITE

MIAMI, (AP)—Immigration officials said today a recheck showed 38 aliens who were brought into this country on fraudulent birth certificates were now in custody. Thirty are being held in New York and eight in Miami.

The 38 are besides Edward Emanuel Stewart, fifty-two, real estate salesman of Mount Vernon, N. Y., who was described by Francis J. Dever of the Immigration Service of the "kingpin" of a scheme to bring the Jamaicans into the United States.

Earlier, Immigrations said 42 persons had been taken into custody.

Dever said the birth certificates were purchased in South Carolina and Jamaicans were charged from $50 to $350 each for them.

Dever said Stewart acknowledged that he "worked alone" in providing the certificates for from 60 to 100 Jamaicans.

Stewart's case is to be presented the Federal Grand Jury now in session here.

# Russia's 5th Column Sabotaging World Recovery, U.N. Told

Britain Warns Soviet Not to Look for Appeasement

## Bulletin!

PARIS (AP) — Russia has asked the western powers to drop the Berlin dispute from the Security Council and go back to the Moscow agreement of Aug. 30, a usually reliable source said tonight.

PARIS, (AP)—Britain charged today Russia's fifth column is sabotaging world reconstruction through Communist Parties in every country in the world.

Sir Hartley Shawcross, addressing the 58-nation political committee of the United Nations, declared Russia's offer to lay her cards on the table if a Soviet armaments proposal was adopted "won't do."

Resuming the debate on Russia's proposal for a one-third reduction in armaments within a year, Sir Hartley said Russia's Andrei Y. Vishinsky was trying to do away with the Iron Curtain by denying it existed.

The committee later adopted an Australian proposal to shift the whole disarmament question to a subcommittee. The subcommittee was directed to coordinate numerous proposals and amendments.

"What a tremendous contribution it would be to confidence in Europe if the Soviet countries would open the doors, lift the curtains, and let travelers from other countries get to know and make friends with the warm-hearted and generous people of Russia and to understand the great problems they have to face," Sir Hartley said.

"One word from Russia: One little word 'stop' would enable these troubled countries to put their own houses in order and to build themselves up in democratic peace and security—one little word—and it does not come."

This word, he said, would halt Communist sabotage of reconstruction and Communist attempts to create instability and chaos.

He said Russia is trying to win

# *Educational Workshop Set To Discuss District Problems*

The Mamaroneck Board of Education last night gave its approval to an Educational Workshop, sponsored by the League of Women Voters of Larchmont, whereby various civic groups and individuals of Mamaroneck and Larchmont will meet with members of the Board of Education to discuss and study the operation, functions and needs of the Mamaroneck School District.

Trustee Luther Nelson, who with Mrs. Raworth H. James and Trustee Hugh B. Kirkman, attended a meeting with members of the League of Women Voters last Sept. 21 as a committee on the proposed Education Workshop, submitted a report of the committee meeting last night prepared by Mrs. Edward P. Helwig of the League of Women Voters.

The purpose of such a workshop, Mrs. Helwig reported, is:

"1. To develop a group of citizens who are well informed about educational matters, and who will support necessary expenditures for educational purposes.

"2. To promote recognition of the fact that education is the biggest and most important business in our community.

"3. To spread interest in educational matters among all civic organizations.

"4. To demonstrate the willingness of the Board of Education to meet and discuss with the public questions that have arisen in the public mind."

The Education Workshop meetings, to be held Nov. 22, Nov. 29 and Dec. 6 at the Senior High School, are open to any interested citizens, Mrs. Helwig added that to derive the maximum value, one group should attend all sessions.

The three general meetings comprise the Workshop, while smaller groups that might want to study particular problems more fully could continue to meet with individuals or committees of the board after the general meetings are over.

Although a definite program has not yet been drawn up, Mrs. Helwig reported that the committee discussed the subject matter to be covered by the Education Workshop and found there are two main approaches to this problem.

The first calls for the presentation of particular issues, such as State and Federal aid, the merit salary plan, the County sales tax as a way of broadening the tax base for education, etc.

The second approach would be the presentation of general information at the first meeting, such as "What the Public Should Know about the Board of Education." Then the groups attending could identify the problems which they would like to discuss in detail, either through the use of a check list or discussion of specific problems that might be studied further. This procedure, the committee felt, Mrs. Helwig reported, would enable the group to do some of the planning, and encourage participation of the group in identifying local problems.

Mrs. Helwig reported that all the civic groups she had contacted

## LIONS INCREASE CHEST DONATION

### Gift Raised 30 Percent To Help Meet Larger Village Budget

The donation of the Mamaroneck Lions Club will be 30 per cent larger than last year, the members voted at the luncheon meeting yesterday at Blue Haven Inn. Village Manager William H. Johnson appealed for harder and more active effort to meet the quota set for organizations being solicited by the Lions.

Howard Smith revived the suggestion he had advanced last June that a barber shop quartette contest be held among local organizations. After prizes were awarded to the winning entries, the balance could be turned over to the Community Chest, he said.

Fred Full proposed the awarding prizes to the homes with best Christmas lighting as was done one year. A special committee will be appointed by Mr. Doern and asked to work with the Christmas Lights Committee of the Mamaroneck Chamber of Commerce.

Howard Smith, chairman of the entertainment committee, and Erwin Mayer, a committee member, will bring in plans for the proper observance in December of the 25th anniversary of the organization of the Mamaroneck Lions Club.

James Hewson, past president of the club, was present as the guest of Edward Margolulis, also a past president. During the meeting, Mr. Doern presented Mr. Hewson a Past President's pin. Other guests were Rev. Joseph W. Zneimer, introduced by Mr. Connor, and Ernst Borreard guest of Jack Egemeier.

Members stood for one minute in silent tribute to their departed fellow member, Donald B. Abbott, who died suddenly at his home Monday.

## Violations Cost Seven Fines Totalling $23

Fines totaling $23 were collected this morning by Judge Wesley W. Messersmith in Town Police Court.

Fined $5 each for speeding were Augustine Casilonva of 610 Center Avenue, Mamaroneck, 42 miles per hour, Henry Kammens of Terryville, Conn., 45 miles per hour and Robert Wechsler of New Rochelle, 47 miles per hour. Manuel J. Galvao of 170 Rockland Avenue, Mamaroneck was also fined $5 for driving at more than 25 miles per hour through an intersection. He was given a suspended sentence for driving without an operator's license when he produced it in court.

Fined $1 each for parking violations were Anne Busheim of the Bronx, Ruth Zimells of the Larchmont Gables Apartments, and Egbert Schuhl of the Larchmont Acres Apartments.

With the consent of both parties, Nicholas Battista of 115 Hillcrest Avenue, Larchmont, was allowed to withdraw a charge of third-degree assault against Frank DeSantis of 30 Hartung Street, Larchmont.

# *Mamaroneck Tops State List In Diphtheria Immunization*

The Village of Mamaroneck is one of only 20 New York State communities of 10,000 or more population which had achieved 70 percent immunization of children under five years of age against diphtheria up to June 30, according to a report covering 70 state municipalities made public today by Dr. Herman E. Hilleboe, State health commissioner.

Other communities on the honor roll are Batavia, Binghamton, Cornwall, Hudson, Irondequoit, Little Falls, Johnson City, Middletown, Newburgh, Ogdensburg, Oneida, Ossining, Oswego, Peekskill, Port Chester, Scarsdale, Syracuse, Watertown and White Plains.

The number was the same a year ago but Hornell, Oneida and Peekskill have replaced Corning, Niagara Falls and Rochester on this year's list.

Westchester, Columbia and Genesee are the only counties in the State where 70 percent of the children under five, living outside of communities over 10,000 population, have been immunized.

In disclosing these figures Dr. Hilleboe calling attention to the fact that only 28 percent of the larger communities and only five percent of the counties are reaching the 70 percent immunization level established by the State Department of Health as advisable to keep diphtheria at the desired low prevalence.

He re - emphasized the importance of immunization of a higher proportion of preschool children. This immunization on culminance into school if adequate protection is to be maintained.

"It is important," he said, "that the initial immunization be given at six months of age and that a booster dose be given when the child enters school for the first time. In areas of increased diphtheria prevalence, inoculation or reinoculation of all children through high school age who have not been so treated within the three years immediately preceding is recommended.

## DEWEY IGNORES TOMATO TOSSING

### Incident at Mount Vernon, Ill., Laid to Boys—Nominee Pledges Firm Policy

*Associated Press Staff*

EN ROUTE WITH DEWEY, —Beset by the first incidents of his campaign, Gov. Thomas E. Dewey stuck to his theme today that only the Republicans can convince the world the United States is not "faltering" in its search for peace.

The Republican Presidential nominee crossed Oklahoma with 13 speeches on his schedule after running into some of the troubles that have tagged at least one candidate—Henry A. Wallace—in his travels.

In Southern Illinois — generally regarded as friendly territory—the GOP Presidential nominee was the target of two flying tomatoes at Mount Vernon.

Dewey's security patrol said youngsters lobbed the tomatoes from a nearby roof and promptly ran.

A few minutes later, at Beaucoup, Ill., the Dewey special train backed up, into a crowd of about 1,000 persons who had turned out to hear the nominee in an after dark speech.

This brought the facetious comment from Dewey that "that's the best lunatic I've had for an engineer."

"He probably should be shot at sunrise," Dewey added, "but we'll let him off this time since nobody was hurt."

Dewey took no notice of the tomato-throwing incident. He went on to urge—as he continued to do today—that the American people "cast off the shackles of confusion and defeatism and despair" by electing a Republican administration in November.

In his address prepared for delivery at Oklahoma City, the New York Governor said the American people realize the aim of Communism is "to destroy freedom wherever it exists."

R. L. Biles, porter on the seventh car away from Dewey's reported that the train also was pelted with eggs at Beaucoup.

## Combing The Town

***Drivers Needed***

Drivers are urrently needed by the American Women's Voluntary Services, Leona N. Kurzrok, of Mamaroneck, public relations chairman of the Manhattan Motor Transport Service, announced today.

Manhattan Motor Transport, a unit of the A.W.V.S., needs women, with or without their own cars, to drive disabled veterans a day each week or more to and from the veterans' rehabilitation clinic.

Many amputees, blind and paraplegics, Mrs. Kurzrok said, are unable to travel in public conveyances, nor can they afford private transportation to the clinic at 252 Seventh Avenue, New York City. Manhattan Motor Transport runs a daily shuttle of 12 cars from the disabled men's homes to the clinic and back.

There are many other needs which Manhattan Motor Transport fills, she said, such as driving hospitalized vets to recreational outings. Those who wish to help out can apply for membersnip at headquarters, 99 Park Avenue, New York City, or call Murray Hill 3-6125.

***Looking Back***

As far back as 1902, Mamaroneck appeared in the records of the Society for the Prevention of Cruelty to Children.

Mrs. Herbert Brown, speaking last night for her organization at the Community Chest captain's dinner at the Seven Pines Restaurant, said that one of the first cases on record was that of three children abandoned in Ohio who somehow found their way to New York, where an agent of the society took charge of them.

They were searching for their father, who was eventually located in Mamaroneck. He was told. Mrs. Brown stated, that he would have to take his children back to Ohio or else provide for their support in Mamaroneck. He consented to follow the society's orders—but whether in Ohio or Mamaroneck the record does not state.

The society is one of the beneficiaries of the Mamaroneck Community Chest which will seek to raise $22,357 in a one-day drive Oct. 24.

***Medical Trainee***

Pvt. James J. O'Connor, son of Mr. and Mrs. Joseph J. O'Connor of 630 Stiles Avenue, Mamaroneck, will complete a medical laboratory technician's course next week at the Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas, and be assigned to further duties. He is also taking a course in the French language.

His brother, Joseph F. O'Connor, a freshman at Niagara University, is a member of the Reserve Officers Training Corps student there, having had previous military training at the Mamaroneck High School in New York City.

***With Cavalry Group***

Pvt. Byron J. Clark, son of Mrs. Gertrude Clark of 12 Huguenot Drive, Larchmont, recently completed eight weeks of basic training with the Third Cavalry Training Battalion at Fort Meade, Md., and has been assigned to the Third Cavalry Group at that post.

Pvt. Clark entered the Army last July. He is a graduate of Phillips Academy at Andover, Mass., and had completed his freshman year at Colby College before entering the service.

***84 Years Young***

"Happy Birthday To You" rang out through the Union Savings Bank yesterday afternoon as the board of trustees feted one of its members, Dr. H. K. Miller, on his 84th birthday.

Dr. Miller, a retired veterinarian, was presented a birthday cake by the trustees, who wished him continued health and happiness.

### Car Passes Stop Sign, Strikes Another Auto

The left side of a car driven by Miss Nancy Dodson, of 29 Mohegan Road, Larchmont, was damaged when struck by another car which failed to make a full stop at Fenimore Road and Center Avenue, Tuesday morning, Mamaroneck police reported today.

Miss Dodsonis car was proceeding south on Fenimore Road at 10:45 A. M. at a moderate speed, police reported, when a car operated by Robert Quamlly of Greenwich, Conn., proceeding west on Center Avenue, passed through the full stop sign. No charges or arrests were made.

### Paper for Dewey

MANCHESTER, N. H. (AP)—The Manchester Union Leader, whose publisher, Leonard V. Finder, was a leader in the Eisenhower - for - President movement, said editorially today it supports Gov. Thomas E. Dewey for the Presidency.

## 30 PERCENT GOAL BOOST STRESSED AT CHEST DINNER

### Agents of Beneficiaries Outline Work to Leaders In One-Day Drive

The 30 percent boost in Mamaroneck's Community Chest quota for 1948 was reflected last night by sharp increases in the district and sectional goals announced by Gabriel Wendel at the annual dinner for captains and beneficiary representatives at the Seven Pines Restaurant.

Introduced by Executive Director Everett Houghton, Mr. Wendel announced the individual quotas and stressed the rise in the goal. "The district captains are carrying 11 bails," he concluded, "and if you all really carry them as I know you will, then we can put this drive over on Oct. 24.

The increase plus various adjustments have resulted in the following quotas: District 1, $300; district 2, $550; district 2A, $450; district 3, $850; district 4, $1,200; district 5, $1,500; district 6 $900; district 7, $4,225; district 8, $1,100; district 8A $400; district 9, $1,400; district 10, $3,000; and district 11, $225.

Industrial plants will be asked to give $3,000; specisl individuals, $2,500; boat owners, $350; business establishments, $1,500; organizations, $900; and apartment houses, $2,300.

Representatives of nine of the Chest's ten beneficiaries were introduced by Luther Nelson for a

## COFFIN HONORED BY LIONS CLUB

### St. John's Church Rector Praises Community Spirit Here

The Larchmont Lions Club held a meeting yesterday at the Larchmont Shore Club in honor of the Rev. Francis J. H. Coffin, in recognition of his 25 years as rector of St. John's Episcopal Church, Larchmont.

In reviewing his years in Larchmont, the Rev. Mr. Coffin spoke of the community's great ability and intelligence. He believes that Larchmont people give unprecedented time to civic affairs, the Board of Education, the Fire Department, Community Chest and other worthwhile organizations.

"The longer you stay here," he said, "the more you love it. There is less jealousy here, less criticism and more cooperation. To prove his statement, he said that St. John's was built by the community.

He added that the first religious services were held in what is now the Horseshoe Harbor Yacht Club, which was used at one time or another by all religious denominations for services.

The people of Larchmont, regardless of their affiliation, all helped to build each other's edifices of worship, he said.

The Rev. Mr. Coffin said he was

### Two Trucks Collide, One Badly Damaged

A pick-up truck operated by Felix Peconess of 119 Villa Avenue, Mamaroneck, collided at 8:20 A. M. yesterday with a gravel truck owned by the Mamaroneck Stone Corporation and operated by John Palmer of Port Chester.

The pick-up truck, proceeding east on a private road off Fenimore Road in the Scarsdale district, struck the other truck traveling in the opposite direction, according to Mamaroneck town police.

The front end, front wheels and left front and rear fenders of the pick-up truck were damaged. Police reported no damage to the gravel truck. No charges or arrests were made.

CHEST LEADERS MAP DRIVE — District captains talked over plans for Mamaroneck's one-day Community Chest campaign at the annual dinner last night in the Seven Pines Inn. Above, left to right, are Richard McLaren, captain of District 10, Orienta point; Santo Quadrini, Village Manager William H. Johnson, chairman of organizations, and Joseph Quadrini, who with his brother, Santo, is co-chairman of District 1 in the Washingtonville Section where the drive is conducted under the auspices of the Vittorio Emanuel Society. —Staff Photo

## INSTITUTE MARKS HIGH HOLY DAYS

### Koslowe Leads Observance Of Jewish Day of Atonement

Yom Kippur services for the Day of Atonement were held Tuesday night through yesterday at sundown before capacity congregations at the Hebrew Institute of Mamaroneck. Rabbi Irving Koslowe and Cantor Abraham Denburg were assisted by Cantor Mandel Fish.

Tuesday night, a successful appeal for maintenance of the Institute for the coming year was made by Benedict Ginsberg at the Kol Nidre services.

Services yesterday began at 8 A. M. followed by a service at 11 A. M. for the children. At 11:15 A. M., a United Jewish Appeal was conducted by Barney Epstein and Lewis Ginsburg. At 1:30, during the Yiskor Memorial services in commemoration of departed souls, Rabbi Koslowe preached on "Flowers for the Living."

Members honored by being called to the scroll to make the traditional pledge were Dr. L. H. Katz, Ben Platt, Barney Balaban, Dave Rosenthal, Louis Neufeld, Reuben Sirlin, Nathan Schapiro, Israel Boxer, Haroid Schapiro and Max Platt. Those honored to take out the Holy Scrolls were Max Prakin, Jed Telcher, Sam Quitman, Irving Schaffer, Jack Bluestone, Sam Broschow, Harry Frost, Martin Klein and Sam Marshak. In addition, many members and friends were privileged to open the ark at the more important prayers. Ushers were Israel Boxer, Sam Appell, Jack Block, Harry Preides, Barnet Prakin, Nathan Schapiro, Dan Zodikoff and Mortimer Marcolius.

Flowers donated by the Sisterhood decorated the dais and the ark.

Including Rosh Hashanah, more than 1800 worshippers were present at services for the High Holy Days.

The rabbi ended Yom Kippur day with the following prayer:

"As the sun sets in the western skies and the day dissolves itself into twilight, we pray Thee, O our Father, uplift our depressed hearts and strengthen us with the comforting solace of Thy Presence.

"From Thy house, O God of love, and shal soon return to our homes and bless them with the spirit of Thy loving kindness. May no word or act of ours dishonor them nor shatter the faith

*(Turn to Page 16, Please)*

### *Returns to Duty*

Sgt. Louis Bolvin of the Mamaroneck Town Police Department, returned to active duty yesterday morning. He had been on sick leave since the latter part of July as a result of an arthritic ailment.

## *Prefers Husband To Wealth, Weiskopf's Daughter Declares*

NEW YORK (AP) — Pretty blonde Mrs. Danise Weiskopf Reid would rather lose her third share of her father's $2,500,000 estate than divorce her husband, her attorney said today.

The attorney, Samson Selig, said that "under no circumstances" would Mrs. Reid meet the provision of her father's will that she divorce Robert H. Reid to be eligible for an annual income estimated at $30,000.

The will of Weiskopf, a distillery executive, formerly of Mamaroneck, who died last March 22 at the age of seventy-four, directed that she be cut off with only $2,500 a year unless she divorces her husband.

"She'd rather lose everything than divorce him," Selis said.

The will was probated in Miami, Fla. Executors of the estate have asked the Dade County Court there to rule on the legality of the provision.

Selig said Mrs. Reid is "a shy, sweet young woman" who has been greatly upset by the incident. She has refused to talk with reporters about it. He characterized the Reids as a "fine, upstanding couple" devoted to one another.

Reid, a television executive, has a "fairish amount of money," but nothing compared to the amount his wife would receive if she divorced him under provisions of her father's will, Selig added.

Weiskopf's dislike of his son-in-law was "just one of those personal dislikes," Selig said, adding that he had tried to change the older man's opinion but failed.

The Reids were married July 18, 1944, in New York while Reid, then an Army Air Forces captain, was home on leave from the Aleutians. Weiskopf attended the ceremony in the Waldorf-Astoria Hotel.

## 315 CELEBRATE ATONEMENT DAY

### Rabbi Schofer Leads 3-Day Services at Temple In Larchmont

Three hundred and fifteen persons participated in the observance of the Day of Atonement Monday night through yesterday, conducted by the Larchmont Temple at the American Legion Clubhouse, Flint Park.

The Monday night services were ushered in by the traditional Kol Nidre chant. George Lambert played the Bruch Nidre for celio, accompanied by Mrs. Harry Rachtman at the organ. Mrs. Rachtman also accompanied the volunteer choir throughout the services. Members of the congregation participated in each phase of the services, from arrangement of chairs to reading from the Bible.

Rabbi Leonard Schofer spoke on the laws of the Day of Atonement, their origin and significance today.

Services yesterday began at 10 A. M., with Rabbi Schofer discussing the Iliad and the Bible, emphasizing the responsibility of each individual for creation of destruction.

More than 100 children took part in a special service from 1:30 to 2:15 P. M. Twenty children sang under the direction of Mrs. Hallan Brodley. Maurice Vanderveiden, a member of the senior Sunday School group, accompanied the choir at the piano. Senior Sunday School pupils conducted most of the service, which concluded with an explanation by Rabbi Schofer of the custom of asking forgiveness for wrongs committed during the year. He said that each congregant was expected to say to every other member of the community, "If I have done anything to hurt you during the past year, please forgive me," and each was expected to forgive, because "the heart of Israel must be prepared to forgive."

Afternoon services were resumed at three o'clock, consisting of reading from the Bible and the Prophets by members of the congregation.

A memorial service began at 4:30 P. M. and concluded at sundown. The ram's horn (shofar) was blown signalling the end of the day of fasting and atonement.

Jerome Kaufman, president of the temple, thanked Larchmont American Legion Post 547 for the use of its clubhouse for these first High Holy Day services. The temple organized three months ago, now has a membership of more than 100 families.

Mrs. Abram W. Stockman headed the committee in charge of flower arrangements for the services.

## TOWN FIREMEN SET INSPECTION

### Dinner Will Follow Annual Parade of Department On Oct. 26

The annual inspection and parade of the Town of Mamaroneck Fire Department will be held Tuesday night, Oct. 26, it was announced last night at the October meeting of the department at the Weaver Street Firehouse.

The annual dinner following the parade will be held at the Bonnie Briar Country Club. Guest speaker will be a high official of the New York City Fire Department. All members of the department are requested to assemble at fire headquarters promptly at 7 P. M.

Plans for the Christmas party given annually by the department for the children of the fire district are well under way, it was reported.

The department voted to send a contribution to the Larchmont Community Chest.

Fred Zulch, department treasurer and chairman of the first annual bazaar held recently at Station Plaza, reported the bazaar was both a financial and social success.

The department expressed its appreciation to the public for their cooperation and patronage at the bazaar.

Frank Valle, chairman of the softball club, reported the department had a successful season.

### Boy's Bike Damaged In Alden Road Crash

A bicycle operated by David Petersen, ten, of the Larchmont Gables Apartments, Larchmont, collided at 5:37 P. M. yesterday with an auto operated by William W. Curtis of 5 Harmony Drive, Larchmont, Mamaroneck town police reported today.

Curtis told police he was driving north on Alden Road and that when his car was about 50 feet from the Post Road he saw a boy riding across the lawn of the Gables Apartments and into the street. Curtis said he halted his auto and the boy's bike struck his car.

## County Lists 321,000 Voters, Sets All-Time Record Mark

Westchester voters are registered nearly 321,000 strong — an all-time high — for the Nov. 2 election.

The Board of Elections today reported an official total of 320,907 registered in the county.

That figure includes non - personal registration completed last Saturday upcounty where many previous voters are carried on the books after they have moved away. Thus the registration in the towns totals 181,811, a new high mark, compared with 149,187 registered in 1944 and 145,898 in 1940.

However, election officials point out the likelihood that population has increased in some of the large townships such as Eastchester, Greenburgh and Mount Pleasant.

The corrected city registration total is 169,836 which as previously reported is ahead of the 168,373 of 1944 but under the 1940 total of 172,093.

Four years ago of 317,560 registered 285,736e went to vote for President and in 1940 a record 296,447 voted of the 317,931 registered.

# West Drafts Demand For U. N. To 'Order' Lifting Of Blockade

## *Keep Our Troops In Berlin At Any Price, Newsman Urges*

The evacuation of Berlin now will not avert another war, it will only postpone it, Allan Jackson, Columbia Broadcasting System newsman last night told more than 70 members of the University Club of Larchmont at a dinner meeting at the Larchmont Yacht Club. At whatever price, he declared, we must remain in Berlin.

Just returned after two years in Europe covering London, Paris and Berlin for his network, Mr. Jackson reviewed the political steps that resulted in the Russian blockade of Berlin and the consequent Allied airlift.

If the Allies were to evacuate Berlin, Mr. Jackson emphasized, everyone in Western Germany would ask, "How long will it be before the Western Powers compromise with us, too?" They would feel that Western Germany and eventually Western Europe would fall to the Russians as the result of our giving up Berlin, he said.

"Operations Vittles," as the airlift is called by the Americans, has been the first concrete proof to the Europeans that America intends to stay in Europe for some time," Mr. Jackson explained. "Ever since the war, Europeans have wondered when America will give up Europe as a bad job and go back home as it did after the first world war. Despite grants, loans and the Marshall Plan, western Europeans have asked, "How do we know you'll stay? The airlift proved it."

Describing the airlift as "the most outstanding example of serv-ice-function of its kind in history," Mr. Jackson said that it gave the Russians "proof that we don't intend to be bulldozed. The airlift makes an impression on anybody, particularly the Russians who are not the most efficient people in the world."

Stating that he does not think we are going to have war, he said, "I'm positive we won't have war this Winter, almost positive we won't have it next Spring. But the Russians are very unpredictable people. All our intelligence reports indicate that the Russians are not prepared for war and don't want war."

Regarding the constant Russian charges of spy knowledge of arrests following Allied complaints of these arrests, Mr. Jackson said he believed the Russian Headquarters is often quite sincere. They are so snarled up in their own red tape, he explained, that news of these arrests take a long time to pass from the MP's up the chain of command to the higher authorities, who deny any knowledge of them.

Up to a month ago, Mr. Jackson left Berlin, he said he knew of no deliberate Russian interference with the aircraft corridors. The Rusians are merely

F. M. TAYLOR, chief of the Larchmont Fire Department, which will present its annual musical revue next month in the Junior High School auditorium.

## *Firemen Slate Musical Revue For November*

The annual musical revue of the Larchmont Fire Department will be held during the third week in November at the Mamaroneck Junior High School, it was decided at a special meeting of the show committee this week.

Chief F. M. Taylor, who heads the show committee, announced that arrangements are being made with the John B. Rogers Producing Company of Fostoria, Ohio, to produce this year's revue. The last three successful productions were produced under the same company.

Another meeting of the show committee is scheduled for Monday night, when a representative of the Rogers Company will present several scripts from which a show will be selected, and plans will get underway for the casting.

As in former years, proceeds from the production will be used toward the department's welfare and athletic activities, the annual Christmas party for the children, and many other activities of the department.

For more than 59 years, the Larchmont Fire Department, comprised of five companies and 200 volunteer members, has established an enviable record in 24-hour-a-day protection of property in the Village of Larchmont.

First Deputy Chief Hugh J. Collins has been named co-chairman of the show committee, which also includes W. Edward Bracken, ex-captain of the Patrol Company as treasurer, and A. J. Hutcheon, secretary of the Larchmont Fire Council, as secretary.

Other committee appointments

## *Arrested 68th Time, 'Chuckie' Gets 60 Days*

George "Chuckie" Webber, former Mamaroneckite, now recently of White Plains, has still a newer address—the Westchester County Jail—for the next 60 days at least.

"Chuckie" has set some sort of a record. Saturday, he was arrested for the 68th time. His offenses have included nearly every type of misdemeanor in the book. His latest and most common offense was for public intoxication.

Judge Henry T. Hornidge on Monday morning decided to send "Chuckie" to jail for 60 days in the hope that when he gets out, he won't try to set a new record.

## *50 See Cerebral Palsy Victims Show Gains Under Treatment*

BEDFORD — While about 50 children looked on, several little children walked, spoke and tossed a bean bag in St. Matthew's Church parish house yesterday. Yet these supposedly simple operations were overwhelming tasks to the youngsters, all afflicted with cerebral palsy. Their spasmodic efforts were sometimes grotesque, constantly pitiful.

The demonstration was arranged for volunteer workers and the press by the Westchester Cerebral Palsy Association Inc., to present the work of the comparatively new organization to the public.

Willard S. Simpkins, the association's board chairman, opened the session by explaining cerebral palsy and its causes and outlining the association's work to relieve and treat these children during the past two years.

Cerebral palsy, he said, is a crippling condition resulting from an injury, malformation or lack of development in parts of the brain which control the use and directional response of the muscles. It may be limited to certain muscles or it may be severe, affecting the arms, legs, tongue, speech mechanism, eyes and hearing.

**Gives Some of the Causes**

Causes of the condition, Mr. Simpkins went on, are birth injuries, congenital malformations of the brain during the prenatal period or injuries to it at any time during life, and illnesses which produce high temperatures. In some cases, he added, incompatability of the RH blood factor in the parents is thought to be the cause.

These are today's forgotten children, Mr Simpkins stated. Although their need for attention is great, they are the most neglected of all afflicted children and the least understood. Only about 25 per cent are mentally affected, yet they are often hidden from the world by their own families.

Yesterday's program began with a film produced by Mrs. James Sachs, volunteer clinic

## Security Council Will Take Up Berlin Crisis Again Tomorrow

PARIS. (AP) — Western-Power delegates met today on the Berlin crisis and authoritative sources said they were framing a joint demand for Security Council action to lift the Soviet blockade.

The council takes up the Berlin issue again tomorrow. Hope vanished for mediation outside the council with Russia's reported rejection of conciliation efforts by the so-called neutral states.

American, British and French delegates studied the Kremlin's answer to the neutral states' mediation efforts. The content of the Soviet note still was not made public, but Western sources said it set back the Berlin dispute to where it was six weeks ago.

The six "neutrals" of the council abandoned their efforts to mediate. Argentine Foreign Minister Juan A. Bramuglia, acting chairman of the council for the Berlin discussions, called the council meeting after receiving Russia's reply to the neutrals' question on what terms would be acceptable to Moscow.

**Mediation Rejected**

Authoritative sources said it rejected mediation, insisted the Berlin issue was outside the authority of the Security Council, and asked that negotiations revert to the Aug. 30 four - power Moscow agreement. Under this the Russians would raise the blockade. And the Western Powers would withdraw their currency from Berlin, leaving only Soviet zone currency under four-power supervision.

Western-Power spokesmen did not comment on whether this might represent a retreat from additional Soviet demands made at the Berlin level of the discussions, on which the talks broke down. The Russians in Berlin demanded the right to control air traffic to Berlin as part of the currency control.

The neutrals had proposed lifting of the blockade simultaneously with the calling of a four-power Foreign Ministers Council meeting on Germany.

The six "neutrals" in the Security Council also met this morning to discuss a resolution they may introduce during the debate, Argentine sources said.

**Hope for Texts**

When the council meets tomorrow Bramuglia is expected to detail his six-power mediation efforts of the past week. Western sources expressed hope Bramuglia would make public at that time both the Russian and the joint Western answers to the mediation efforts. Western informants said the delegates of the United States, Britain and France had not received a written copy of the Soviet reply and so were dependednon an oral fill-in by Bramuglia.

Argentine sources said Bramuglia believed the dispute had reached the stage of "face-saving" and that the Russians could still be persuaded to lift the blockade, but could not be forced to do so.

Bramuglia confirmed that the Berlin dispute was back where it started in the Security Council, but said a solution still may be found.

### Yonkers City Manager Refuses O.K. on Buses

YONKERS — City manager Thomas V. Kennedy has refused to recommend approval of common council of an application by the Yonkers Railway Company to substitute buses for trolley cars in the city. Mr. Kennedy declared the application's proposals were "too vague" with respect to removal of tracks and other details.

### ANOTHER MAN BITTEN

Anthony Judge of 153 Larchmont Avenue, Larchmont, was bitten by a dog at 11:05 A. M. yesterday, Larchmont police reported today. Judge told police that as he was walking along Guilder Street a dog owned by Mrs. Ruth Whitely of 2 Guilder Street, Larchmont, bit him on the right calf. Dr. G. C. Lyons of 17 Sunnyesant Avenue, Larchmont, treated him.

### BRUSH FIRES QUELLED

Two brush fires were extinguishes yesterday by the Mamaroneck Town Fire Department without any damage. Engine No. 3 responded to a fire at 5:02 P. M. in the swamp area behind Dean Place and was recalled at 5:26 P. M. The same engine responded to another fire at Harrison Drive at 6:20 P. M. and was recalled at 6:46 P. M.

Tonight low in upper 40s. Tomorrow mostly sunny in morning increasing cloudiness in afternoon, high in middle 60s. High tides today at 9:55 P. M.; tomorrow at 10:05 A. M. and 10:20 P. M.

## Combing The Town

***Campaign Analysis***

J. Harvey Turnure, chairman of the White Plains Republican City Committee, will speak on "Analysing the Major Issues in the Presidential Election" at a meeting of the University Club of Mamaroneck Tuesday at 7:15 P. M. in the Elks Clubhouse, Mamaroneck.

Mr. Turnure is a graduate of Syracuse University Class of 1916, and is a partner in the White Plains law firm of Turnure and Saile. He has been active in politics since 1931 and is currently a member of the Westchester and New York State Republican Party executive committees.

***New Cantor***

The Hebrew Institute of Mamaroneck has engaged Cantor Abraham Denburg for the coming year, Rabbi Irving Koslowe announced today.

Cantor Denburg will be in charge of the chanting at all services of the Institute. He will also teach Sunday School classes.

He has officiated at the Leading Temple in Montreal, Canada, and at synagogues in New York City and Brooklyn. He is a graduate of Yeshiva University in New York City and holds a music degree from New York University. At present, he is a graduate student at the Juilliard School of Music.

***Promoted***

Joseph P. Paonessa of 536 Third Street, Mamaroneck, has been promoted to hospital assistant, first class, at the St. Albans, L. I., Naval Hospital. He is now working in the admission room there.

Before being assigned to the hospital, he completed a course at the Hospital School, Great Lakes, Ill.

The son of Mr. and Mrs. Joseph P. Paonessa, he attended Bellows High School before entering the Navy Nov. 6, 1947. He comes home on leave every other weekend.

***New Look***

The Village of Mamaroneck this week completed the resurfacing of Mamaroneck Avenue between the Boston Post Road and Prospect Avenue. The job, which required 182 tons of Colprovia, was done by the Daniel P. McNamee Corporation at a cost of about $1,800.

## BOARD HONORS RETIRING REALTOR

### Eugene Riviere Presented With Scroll and Watch By Colleagues

The Real Estate Board of Larchmont yesterday held a special luncheon meeting at the Larchmont Yacht Club in honor of Eugene Riviere, well-known Larchmont realtor, who after many years in the real estate field is retiring and leaving Larchmont.

More than 20 of the active broker members of the board attended the luncheon and presented Mr. Riviere with an engrossed resolution commending him for his distinguished service to the board and community, making him an honorary life member, and an engraved gold wrist watch.

The presentation was made by Percy M. Bibas, acting president in the absence of Manfred Goldschmidt. Mr. Bibas recalled how the guest of honor had served as an officer of the board and greatly contributed to the board during his long years of service.

Supervisor Oren A. Mandeville praised Mr. Riviere for his great contributions to the civic life of the community, particularly to the Boy Scouts, and the promi-

## BLAST DAMAGES AUTOS ON ORIENTA AVENUE

Two parked cars were dented yesterday morning when rocks and debris were strewn over them following a blast set off by employes of the Westchester Joint Water Works on Orienta Avenue, Mamaroneck, according to Mamaroneck police.

Paul Hermann of 604 Tompkins Avenue, Mamaroneck, owner of one of the cars, reported the incident at 10:38 A. M. In addition to dents, his car sustained a broken rear view mirror and broken tail light. Owner of the other car was William Casse of Pelham Manor. Both cars were parked about 250 feet from the point of the blasting, police said.

Debris was strewn 500 feet along Orienta Avenue by the blast. Owners of the cars were notified to contact William Thrasher, superintendent of the water works.

**GOOD HUNTING!**

**Dad's not the only hunter in the family these days. Among your store o' old treasures' you'll find numerous household surpluses; items that have been replaced with something new. Countless readers of our want ad pages are hunting for that end table or refrigerator you've "stored away." A want ad will bring quick, profitable, results. To place your ad call Mamaroneck 9-2100.**

**FIRE LADDIES OF YESTERYEAR**—Members of Columbia Hose Company No. 3 of the Mamaroneck Fire Department as they appeared 27 years ago when the village furnished the company with the horse-drawn wagon shown above in June, 1911. ## *County Faces Beer Drought As Strike Halts Distribution*

**R. Jay Schaefer, executive of the Schaefer Brewery, asked Larchmont police to guard his home because he "fears violence," Schaefer requested that police keep an eye on his home at 25 Ocean Avenue and on the residences of his brother, Fred M. E. Schaefer at 1 Bay Avenue, and their son-in-law, William H. Combs, Jr., 35 Kane Avenue.**

Westchester faced a drought in beer as well as in water today as every major distributing plant in the county closed down, the result of the wildcat strike of members of the United Brewery Union in New York City.

The main distributing plants of Ruppert, Trommer and Ballantine closed down this morning. The Schaefer distributing office in Mamaroneck reported its 40 men still working with but one day's supply of beer in the storehouse. The office manager, Kenneth Jones, said ordinarily he receives five or six trailer-truck deliveries a day from Brooklyn. This morning shipments were delayed and he said he had been informed pickets were stopping beer trucks in New Rochelle.

Police were called twice today when the dispute between workers and strikers threatened to erupt into more than name calling.

Ballantine drivers walked out at the Westmoreland Avenue plant, but drivers were working at Liebmann Breweries at Brockman Place, the Bambace plant at 30 Hamilton Avenue and the Charles Snyder distributing plant at 560 Tarrytown Road.

The incidents involved Liebmann drivers. Police were called to the plant at 8 A. M. when strikers, said to be from New York, attempted to persuade Liebmann men to walk out. Later

## TRUMAN TO SPEAK IN NEW ROCHELLE

### Address Set For Oct. 29; Will Also Speak In 3 Other Cities

President Harry S. Truman, on a tour of Westchester County on Oct. 29, will make a brief address at some central point in the downtown area of New Rochelle, City Democratic Chairman Monroe Simon announced this morning. President Truman will also make addresses, according to an announced tentative schedule, in Peekskill, Mount Vernon and Yonkers.

A definite site for the Democratic candidate's appearance has not yet been established, Mr. Simon said and announced a special committee would be appointed to handle arrangements for the President's appearance here. It was understood three sites are under consideration, in front of the Postoffice at Huguenot Street and North Avenue; adjacent to Arnold Constable's on North Avenue south of Main Street, and the Station Plaza.

Present plans are for President Truman to arrive here at approximately 12:15 P. M., and to be here about 25 minutes. Mr. Truman will travel in a motorcade between the various scheduled speaking points.

County Democratic Chairman Harold T. Garvity of Yonkers met last night with Mr. Simon, Edward J. Murray, Yonkers Democratic Chairman; Charles McEntee, Mount Vernon chairman; and Councilman John J. Hayes, Peekskill chairman, to correlate arrangements for the President's visit, believed to be the first visit by a major presidential candidate ever made here.

Mr. Truman is scheduled to make a major appearance on Oct 28 in his tour of New York State when he addresses the Liberal Party rally at Madison Square Garden. His first speech in Westchester will be at Peekskill where his appearance is scheduled for 10 A. M. He will go to the T

after leaving Mount Vernon, his final scheduled speech in the county.

**PRESENT DAY OFFICERS** of Columbia Hose Company No. 2 who are serving on the committee in connection with the 50th anniversary, are shown above. They are, left to right, 2nd Lt. William O'Connell, Capt. J. Winton Grainger, and 1st Lt. Matthew Healey. An open house and buffet supper, to which the public is invited, will be held tonight at the Columbia Firehouse. Tomorrow night, the company will hold a dinner dance for active members of Columbia Company, their wives and guests.

## New Rochellean Cleared Of Exposure Charge

A jury in Mamaroneck Town Police Court last night found Ralph DeMase of 30 Fourth Street, New Rochelle not guilty on a charge of indecent exposure. Judge Wesley M. Messersmith tried DeMase on a charge made by Eloise Oldham of Hommocks Road, Larchmont. She alleged the incident occurred on Hommocks Road Aug. 19. DeMase was arrested on her complaint Aug. 26.

Earl Bell of 151 Fenimore Road, Mamaroneck was fined $5 by Judge Messersmith for speeding at 52 m. p. h.

## VIOLATIONS COST 7 FINES TOTALING $58

Fines totalling $59 were collected this morning by Judge Henry T. Hornidge in Mamaroneck Police Court from seven violators of parking and traffic regulations.

James F. Mulvey of Astoria, L. I., was fined a total of $25 on three charges: $15 for leaving the scene of an accident, $5 for driving without a certificate of registration, and $5 for driving without lights.

Fined $15 for speeding was William J. Parker of New York City. He also paid a fine of $3 for driving without a license. Andrew Sabato, also of New York City, forfeited $10 bail for reckless driving.

Fined $2 each for their second offense of the overtime parking regulations were Fred T. Wilson of 420 South Barry Avenue, Mamaroneck, and Mrs. Calla Owen of 151 Fenimore Road, Mamaroneck. Fined $1 each for their first offense were Mrs. Henrietta Burghardt of New Rochelle and Mrs. Norah Twitchell of 910 Stuart Avenue, Mamaroneck.

# U. N. Silence Broken By Soviet In Blast At Western Powers

## *Columbia Firemen To Open Gala Two-Day Celebration Of 50th Anniversary Tonight*

Fifty years ago this Saturday, a group of residents living in the southwest park of the village, known then as Harris Park and Cottage Park, informally organized a fire company which later became known as Columbia Hose Company No. 2.

In honor of the golden anniversary of its founding, members of the Columbia Company will hold celebrations tonight and tomorrow night at the firehouse at Barry and Jefferson Avenues.

Tonight, Columbia Company will hold an open house and buffet supper to which the public is invited.

Tomorrow night, the company will hold a dinner dance for active members of the Hose Company, their wives and guests.

Chairman of the anniversary committee is ex - Chief Richard Grainger, one of the first members of Columbia Company, assisted by James Holton, secretary; George D. Perschke, treasurer; Charles Harriott, Alvin Manning, ex - Chief George Carpenter, Harry Sullivan, and the company officers.

Although the founding of the company occurred Oct. 16, 1898, a year later the company disbanded when it was found it had been organized "illegally", and reorganized on a legal status Nov. 17, 1899.

The first company record book starts with the reorganization of the company, when it adopted the following constitution:

"Preamble—Whereas the strict observance of order constitutes the basis of all improvement and is the only guarantee of the pros-

## NAGER OUTLINES HIS 'PLATFORM'

### Bi - Partisan Foreign Policy Backed By Democratic Candidate

Continuance of our bi-partisan foreign policy, building up our military power and strengthening the U. N. are vitally necessary to preserve the peace, Charles J. Nager of Larchmont, Democratic candidate for Congress from the 28th District, declared last night at a meeting of the Mount Vernon Democratic Club.

Mr. Nager, who will oppose Rep. Ralph A. Gamble of Larchmont, Republican, in the November elections, spoke in answer to an editorial which appeared last week in The Port Chester Daily Item asking him to outline his program.

On the domestic scene, Mr. Nager said something must be done to combat inflation, provide more housing, insure civil rights and establish a sound fiscal policy. He called for support of the President's anti-inflation program "in the price spiral continues", passage of the Taft-Ellender-Wagner housing bill, support of the President's civil rights program, increasing the minimum wage rate to 75 cents an hour, balancing of the budget and amortizing of the public debt.

Following is Mr. Nager's address in full:

"An editorial last week in the Port Chester Item, one of the leading papers in the Macy chain, asked what I expected to do in Congress, if elected. It pointed out that the voters might be more interested in that than in hearing what my opponent has not done in the past twelve years.

"That's fair enough. I recognize

## MANY TO BENEFIT FROM CHEST DRIVE

### Garfunkel Tells Rotarians Scout Program Needs More Backing

The Mamaroneck Rotary Club held a special Community Chest program at its luncheon-meeting yesterday at the Blue Haven Inn with George Garfunkel, president of the Community Chest, as the principal speaker.

Mr. Garfunkel spoke of the beneficiaries of the Chest, particularly the Boy Scout program which is one of the reasons the Community Chest is seeking a 30 per cent boost in its 1948 quota.

He pointed out that there are two different portions of the drive covering the Boy Scouts. The first, he said, is to cover the actual operating costs and expenses, while the second is for a delayed maintenance program to put Camp Siwanoy back in good condition. During the war years, he explained, it was necessary to forego repairs and upkeep of the buildings at the camp.

Mr. Garfunkel said that there was a choice of including in the

The Rotary Club donation was one-third higher than its contribution last year, which more than meets the 30 per cent increase requested by the Community Chest. —Staff Photo

## 'BARRETTS' NEXT PLAY IN EPISCOPAL SERIES

The third coast - to - coast program in the radio series "Great Scenes From Great Plays," sponsored by the Episcopal families of Mamaroneck and Larchmont this evening from 8 to 8:30 Eastern Standard Time, will be "The Barretts of Wimpole Street."

Not miracle healing but medicine for the soul is the underlying theme of "The Barretts of Wimpole Street." This is why this religious message stresses the fact that through the help of God and the Church, by seeking the advice of an experienced clergyman, many have found their way to better physical health through better health of the mind.

Like the other plays in the weekly series, the "Barretts of Wimpole Street" is produced by the National Council of the Protestant Episcopal Church with the cooperation of the 800 members of the Episcopal Actors' Guild. While the entire series provides a high level in radio entertainment, it shows also the living, working practical helpfulness of the Church in dealing with human troubles in our disturbed modern age.

## Estate Under $10,000 Left by Larchmonter

A personal estate of less than $10,000 has been bequeathed to Mrs. Molly C. Deklyn, wife of Charles C. Deklyn of 1815 Palmer Avenue, Larchmont, who died last Sept. 7, according to the terms of his will filed for probate yesterday in White Plains Surrogate Court.

## Vishinsky Charges Big Three Broke Pact With Russia

PARIS, (AP)—Andrei Y. Vishinsky broke his silence on the Berlin crisis in the Security Council today but only to say he would not debate the issue.

The Russian Deputy Foreign Minister spoke up in response to direct questions from Foreign Minister Juan A. Bramuglia of Argentina, acting council president.

Bramuglia asked for more information, on the Berlin blockade at the next council session and got promises from the United States, Britain and France that they would supply it.

Then Vishinsky arose. He said it was a "very skilled" manguver, but that it was "naive to believe the Soviet Union will swallow this bait."

Six lesser powers on the council had appealed to the Big Four to settle the blockade by direct negotiation.

Foreign Minister Juan A. Bramuglia of Argentina, acting council chairman, asked the four big powers today for details on the Aug. 30 agreement between Prime Minister Stalin and Western diplomats and for the instructions given the four military governors. Russia was to lift the blockade errors of Germany to implement the accord. Under the agreement, and the Western Powers were to recognize the Soviet mark as the sole currency for Berlin.

The American, British and French delegates said they were willing to answer Bramuglia's questions at the next council meeting on Berlin.

Vishinsky then rose and declared the Argentine's questions were a "very skilled" maneuver to drag the Soviet delegation into the Berlin debate.

Vishinsky, who made doodles during the first part of the meeting, went on:

"It is naive to believe the Soviet Union will swallow this bait. No gentlemen, we will not. We see no reason why the Security Council should burden itself with new details and material."

## CAMP FIRE GIRLS BENEFIT VILLAGE

### Organization Contributes To Community Welfare In 10 Ways

Assistance is not a one - way street to the organizations which benefit from Mamaroneck's Community Chest appeal Oct. 24 for $22,357.

Take the Camp Fire Girls, for instance.

When asked for a report of their 1947 activities to explain their organization to Community Chest givers, Mrs. Helen P. Sherff, council secretary, listed 10 endeavors in which the girls rendered direct aid to this community. Here they are:

The girls contributed two garments each to the Needlework Guild, they worked in shifts in stores collecting for the March of Dimes, they delivered posters to stores during the Red Cross drive, they perform the same service for the Community Chest drive, they handled the mailing pieces for Overseas Aid, they made tray covers and favors for United Hospital at Christmas time, they labeled books sent overseas by the Mamaroneck Free Library, they served the annual dinner for Girl Scouts and their fathers, the Horizon Club has established a baby - sitting agency for service to the community, they are prepared to help too in case of an emergency.

All these are extra-curricular

*(Turn to Page 3, Please)*

## Larchmonter Ordered To Dispose of Dog

A dog owner was fined $10 and ordered by Judge John R. Cahill in Larchmont Police Court last night to dispose of the dog within 48 hours.

George Whitely of 2 Guilder Street, Larchmont, was found guilty of permitting his dog to run at large with the result that there are four cases on record of his dog biting persons and two or three complaints of his nipping persons.

Fined $2 each were Margaret Hradil of 19 Forest Park Avenue, Larchmont, for permitting a dog to run at large; and Irving Bloomberg of 18 Bonnet Avenue, Larchmont, Eleanor Duffy of 6 Woody Lane, Larchmont, Lily Kingstone of 11 Ingrwood Way, Larchmont, and Alice Urrico of Scarsdale for parking violations.

Fined $10 each for speeding were Michael C. Horan of Bridgeport, 447 m.p.h., and John H. Van Durme of White Plains, 45 m.p.h.

Fined $10 each for speeding were Lawrence E. Stock of Ridgewood, N. Y., 50 m.p.h., and Anthony S. Bai of Flushing, 49 m.p.h.

Charges of parking violations were withdrawn against Mary Franzoni of 79 Pinebrook Drive, Larchmont, and Emily E. Barker of 10 East Brookside Drive, Larchmont, because the autos involved were disabled.

## HEBREW SCHOOL ASKS EXEMPTION FROM TAXES

Charging that the Town of Mamaroneck is improperly assessing its property at 356 Orienta Avenue, the Westchester Religious Institute, has asked the Supreme Court in White Plains to have the property declared tax exempt.

The three parcels at which the Institute operates a Hebrew school are assessed at a total of $275,-000, made up of $195,000 as value of land and $80,000 for improvements.

The Institute contends that its property should be exempt under the law and that the action against town officials charges its application for exemption was refused. In addition to protesting the refusal of exemption, the Institute asserts it purchased the property on last Feb. 27 for $125,000.

In opposing the application, the Town Attorney John L. Delitus, contends the assessment is legal and correct and denies that the property is used exclusively for religious and/or educational purposes as required by law.

Justice J. Gordon Flannery reserved decision after papers in the case were submitted without argument today.

## Shop Cellar Entered; Nothing is Missing

The cellar of the Larchmont Sport Shop at 39 Concord Avenue was broken into last night, but nothing was reported missing, Larchmont police said today.

James McGuire of 8 Chatsworth Avenue, Larchmont, told police that he went into the cellar to do some work at about 10:10 P. M. and found that the hasp had been torn off one side of the cellar door and the door opened. He called the owner of the store, who reported the break to the police. McGuire said that he saw three youngsters in the alley behind the store at 9:30 P. M.

Police said the cellar door was nailed for the night. Inventory was to be taken this morning.

## Yonkers' 17th Polio Case

Cases of infantile paralysis in Westchester this year reached a total of 87 today, with the report of the illness of a six-year-old Yonkers boy. The boy was stricken on Oct. 11 and is being treated at home. His case is the 17th in Yonkers this year.

# The Daily Times

Tonight increasing cloudiness followed by scattered showers after midnight. Tomorrow mostly cloudy and turning cooler. High tides today at 10:20 P. M.; tomorrow at 10:34 A. M. and 10:41 P. M.

## Combing The Town

*Sea Safety*

H. A. Murray of White Plains, a veteran yachtsman, will speak on "Safety at Sea" at the Tuesday night session of the Westchester Power Squadron course in piloting. The meeting is scheduled for 8 P. M. at Bellows High School, Mamaroneck.

It is not too late to enroll in the course, Chairman K. F. Hainge emphasized today. Instruction is free to any person interested, whether the owner of a boat or not.

The great number of flash fires, gas explosions and other boat mishaps this year indicate the importance of Tuesday's topic, Mr. Hainge said. Mr. Murray is the author of an oil company booklet, "Cruising With Safety," and a member of the Yacht Safety Bureau.

A technicolor motion picture in sound, "Safety Ahoy," will be shown, featuring common hazards of rowboats, sailboats and power boats.

Dr. David Mason of Scarsdale will give a brief lecture on "First Aid Afloat."

*Elks Honor Yankocy*

Sixty members of the Mamaroneck Elks Club last night held a testimonial dinner in honor of Fred Yankocy, immediate past exalted ruler of the Mamaroneck Lodge, at the Elks Clubhouse on Boston Post Road.

Mayor R. J. Santoro, a past exalted ruler of the Lodge, acted as master of ceremonies and paid high tribute to Mr. Yankocy's community spirit.

Others who praised Mr. Yankocy's long service as an Elk and as a community leader were Past District Deputies William Kuhn and James A. Gunn, and Exalted Ruler Lee Heithaus, who succeeded Mr. Yankocy.

*First Sukkot*

The Larchmont Temple will hold its first traditional Sukkot celebration tomorrow afternoon in the garden at the home of Mr. and Mrs. Max Jellinek, 36 Monroe Avenue, Larchmont. The Sukkot is an eight-day Feast of the Harvest.

Children of the Religious School aided by a committee headed by Mrs. Robert Mareus, have built and decorated a large outdoor arbor with seasonal flowers and fruits. Special services will be held in the Sukkot at 11:45 A. M. Children in the community are also invited to come in the afternoon and join in the festivities.

*At Camp Hood*

Pvt. Philip Wanderman, son of Mr. and Mrs. M. P. Wanderman of 67 Fenwood Road, Larchmont, is training with the 82nd Airborned Division at Camp Hood, Texas.

A 1947 graduate of Mamaroneck High School where he was a member of the swimming team and played intramural basketball, he enlisted in the Army last August. He is a former student at Bridgeport University.

*Flies To Convention*

Comdr. William Kuritzky of Mamaroneck Post 90, American Legion, left today by plane to attend the 30th national convention of the American Legion in Miami, Fla., Oct. 18-21.

Comdr. Kuritzky is attending the convention as alternate delegate of the New York State Department.

## PROJECTING GIRDERS ON TRUCK DAMAGE CAR

Steel girders projecting from the rear of a truck yesterday caused extensive damage to an auto operated by Mrs. Jessie M. Mullen of 24 Maple Avenue, Larchmont, Larchmont police reported today.

Mrs. Mullen told police that she did not observe the truck halted at 5:20 P. M. yesterday on the Post Road near Larchmont Avenue until it was too late. As she swerved her auto to avoid striking the steel girders, which police said projected 12 feet from the rear of the truck and bore two red warning flags the auto collided with the girders. The right rear door of the auto was damaged, the glass in it shattered, the right front door badly scratched, the rear center pillar post damaged, the rear right side panel dented and the right front door bent, according to police.

Edward J. Donahue Jr., of Stamford, operator of the truck, told police that he halted the truck on the Post Road about 15 minutes before the accident because of a snapped rear axle and that he left the truck to make a phone call to report the truck disabled.

### 3 New Cases of Polio, County List Hits 90

Three new cases of infantile paralysis reported by health authorities today raised the total in Westchester this year to 90, highest number since 1945, when there were 93.

The new cases involve a thirteen-year-old Yonkers girl, who became ill Oct. 8, the 18th case in that city; a six-year-old Rye boy, stricken Oct. 11, and a four-year-old North Tarrytown boy, who became ill on Oct. 10, the first case in each community.

## PALESTINE TRUCE THREATENED BY FRESH VIOLENCE

### Casualties Are Reported Heavy In Land and Air Attacks

**HAIFA, Israel (AP) United Nations officials announced tonight that Israel has rejected a cease fire order issued to Israeli and Egyptian forces fighting in the Negreb, Palestine's southern desert.**

**The order was issued by the Chief of Staff of the United Nations Truce Commission.**

TEL AVIV, Israel, (AP) — Jews and Egyptians hammered each other in Southern Palestine today with land and air attacks that threatened to shatter the Holy Land truce.

Casualties from yesterday's fighting are reported to be heavy. The clashes came as the United Nations met in Paris to ponder means of bringing lasting peace to Palestine.

Whether the new violence—gravest in three months—constitutes a mere truce fracture or resumption of full scale war, may be decided on the outcome of military action in the next 12 hours.

Fighting broke out in the Negev where Jews and Egyptians have been scowling at each other since the truce began.

The trouble apparently started when the Jews chose the opening of the U. N. Palestine debate to try and push a daylight convoy to 23 Jewish settlements in the southern desert.

The Egyptians who overlook the road along the entire route pounced on the convoy and turned it back. Two trucks in the 16-vehicle group were burned and several persons killed.

Anonymous U. N. observers said the Jews apparently sent a "sitting duck" convoy under Egyptian guns as a provocative gesture to pave the way for last night's Israeli airforce strike-back.

The terse Israeli announcement of Jewish bombing of Egyptian bases in the south said "following today's Egyptian land and air attacks in the Negev, the Israeli airforce took action against Egyptian bases. Ground clashes also flared up in various parts of the area."

## VFW Presents Top Talent In 'Therese'

Plans for the forthcoming play, "Therese," to be presented by the Touring Players, Inc., of Larchmont at the Mamaroneck Junior High School Nov. 27 under the sponsorship of the David Potts Jr. Post 1150, Veterans of Foreign Wars, were discussed Thursday night at a committee meeting held in the Post Road clubhouse.

Proceeds from the play will be used for the building and welfare fund of the post.

"Since we have no paper pick-up, bazaar, or other direct method of receiving the support and help of the community," Commander Jack Strickland said, "we have decided upon this method of raising money for our building and welfare funds. We would sincerely appreciate the support of the community."

General Chairman Nick Leon announced that tickets for the production have already been printed. Councilman George R. Mills Jr. has been named chairman of the ticket committee. Tickets may be obtained from any member of the V.F.W. Post.

A souvenir booklet is being planned with Herman Knieff in charge. Mr. Leon said. He urged local businessmen to take space in the attractive booklet, which will be given to each person attending the show.

"Therese", a mystery-drama, was adapted from Emil Zola's novel by Thomas Job. Among the principal players is Miss Jennette Gregg, who plays the part of "Suzanne Michaud." Miss Gregg has

## MAN FOUND DEAD FROM SHOT IN MANOR

A gunshot split the stillness in front of 500 Pelhamdale Avenue, Pelham Manor, last night at about 6:30. A minute late, hurrified residents found William DeFeo, thirty-three, dead near the home he was having built for himself his wife, Roberta, and young daughter, Dianne.

The victim, who lived at 1002 Colgate Avenue, Bronx, left a note in which police said he indicated financial difficulties led him to end his life. A 12-gauge shotgun was found near his body.

Police said one of DeFeo's last acts was to inspect his new home,

1898-1948—Fifty years of fire protection to the community was celebrated last night by Columbia Hose Company No. 2 of the Mamaroneck Fire Department with an "open house" on the anniversary of its founding. Among those attending the celebration were village officials shown above with members of the anniversary committee. Left to right, they are: Trustee John Withers; ex-Chief Richard Grainger, chairman of the anniversary committee; William O'Connell, second lieutenant of Columbia Company; Mayor B. J. Santoro; John Grainger, captain of Columbia Company; Village Manager William H. Johnson, Trustee James Jackson and Trustee Ralph H. Mann. The anniversary celebration will be brought to a close tonight with a dinner dance for the active members of Columbia Company, their wives and guests.—Staff Photo

## WARNER OUTLINES AIMS OF U.W.F.

### International Government Needed, Says Larchmont Chapter Head

Among the primary aims of the United World Federalists is that they believe the world sooner or later will need an international government based on the three divisions of government in the United States, according to Dr. Nathaniel Warner, president of the Larchmont Chapter of the U. W. F., who was guest speaker at a meeting of the Larchmont Masonic Club last night at the Larchmont Municipal Building.

Dr. Warner was division psychiatrist of the Fifth Marine Division during World War II and now practices in New York City.

"The U. W. F." he said, "believes in a world court and a bill of rights. We believe in the power of the government to levy and collect taxes. We believe in enforced decisions upon the individual citizens. We believe in limiting the military necessary for policing power."

He said the concept of the spread of democracy is the only hope for peace in the world today. "We hope that someday all countries can be brought into this concept of democracy — a world wide union."

Dr. Warner was introduced by John W. Henshin, who presided over the meeting.

During the business meeting, six new members were installed into the club. They are Joseph B Ford, A. Henry Litt, Jack Bonardi, Harold Alexander Smith, George A. Stretton, all of Larchmont; and Clarence C. Hake of Riverdale.

### C. G. Plane Hunts Barge Sinking Off Alaska

SEATTLE, (AP)—Coast Guard headquarters reported early today that a 105-foot self-propelled barge with five crewmen aboard had sent an SOS it was sinking in heavy seas 85 miles east of Cape St. Elias, Alaska.

Contact with the barge, the Starstone, was lost within minutes of the time its distress call was received at 11:00 P. M.

A Coast Guard PBY patrol plane was to take off from Kodiak at dawn.

## Larchmont Residents Suggest Ways To Keep Streets Clean

*Editor's Note—This is the 50th in a Saturday series of interviews with citizens on important topics. Suggested topics, from readers are invited. Today's question is: "How can we keep the streets of Larchmont clean?"*

**Mrs. Ogg Fitzgerald,** 7 Boston Post Road, Larchmont: "By having the proper equipment and number of men. I don't know much about the problem because I'm living in an apartment but, outside of that, by people not throwing things away where they will litter the streets."

**Mrs. Herbert B. Fischzrund,** 10 Locust Avenue, Larchmont: "I'd like to know the answer to that myself. I think that having more wastebaskets around would help."

**Mrs. Rudolph M. Ashner,** 165 Brookside Drive, Larchmont: "By sweeping the sidewalks in front of your house, by cleaning up all rubbish and putting it out on the days requested, and by sweeping up leaves."

**Mrs. George A. Steers,** 29 Briarcliff Road, Larchmont: "I don't even notice that they're dirty. I haven't been offended at any time by the unsightliness or any of the streets."

**Miss Alma Stanwyck,** 17 Hall Avenue, Larchmont: "If each individual keeps his own property clean and respects others' the problem will be pretty well solved."

**Mrs. Emily L. Strawn,** 64 Chatsworth Avenue, Larchmont: "I don't think the streets are untidy. At least our street is pretty orderly."

**W. D. Van Buskirk,** 17 Maple Hill Avenue, Larchmont: "It seems that the cleaning facilities—the street cleaners and the trucks—don't come around often enough for the amount of taxes we pay."

**Mrs. Grace P. Rapoport,** 72 Briarcliff Road, Larchmont: "First by having everyone take proper care of his rubbish and garbage and by curbing his dog. I think the children are mainly responsible for an awful lot of debris that gets into the streets and that their playthings present quite a

## VETS, TOO, SHARE YOUR CHEST GIFT

### $100 Contribution Goes To Service In Hospitals and Camps

Because of $100 given last year by the Mamaroneck Community Chest, the Committee for Community Service to Veterans in Camps and Hospitals was able to take cheer and encouragement to afflicted war veterans at the Castle Point Hospital in Beacon, N. Y., and entertainment to the men stationed at Fort Slocum.

The committee took a display of handmade silver articles to Castle Point where several patients have since learned the craft. It will serve them not only as occupational therapy in their treatment but will also provide them with an occupation when they are discharged.

Many best selling books were purchased for the men who are confined to their beds and, in June, a group of ambulatory patients were brought to Mamaroneck for a boatride and an outdoor turkey dinner.

The committee also assists with monthly birthday parties at Castle Point.

At Fort Slocum, where many men have been stationed because they could not find jobs or rent houses or compete with the high cost of living, the committee has assisted in providing professional plays and other entertainment.

When the Mamaroneck Community Chest collects its $22,357 on the afternoon of Oct. 24, contributors may remember that $100 of the total will establish tangible, helpful contact with afflicted war veterans within our reach.

## TROOP 2 TO HOLD BIRTHDAY PARTY

### Mamaroneck Scouts Plan Anniversary Dinner At Methodist Church

Troop 2 of the Mamaroneck Boy Scouts will celebrate its 33rd birthday Oct. 25 with an anniversary dinner at the Mamaroneck Methodist Church.

Two hours of "fun, frolic, singing, good food and no speeches" are promised by Scoutmaster Herbert B. Livesey, Jr., who appealed today to all former members of the troop, sponsored by the Methodist Church, to attend the dinner with the present active members.

George Fischer, troop committee chairman, will preside and the program will include a 15-minute review of the history of the troop compiled by Assistant Scoutmaster Robert Primrose from troop records. It is believed that the alumni of Troop 2 in and around Mamaroneck number more than 200 and Eddy Houghton, Eagle Scout and former Scoutmaster, is in charge of locating them and providing them with tickets to the dinner. Alumni with infomation to contribute for the troop history are asked to communicate with Mr. Primrose at 521 Orchard Street and those who wish to purchase tickets for the dinner may reach Mr. Houghton at 603 East Boston Post Road, Mamaroneck.

Troop leaders are planning a parchment scroll for the signature of every tenderfoot upon investiture and the signatures of all alumni will also be sought. If the former members of the troop wish to organize as Scout alumni do in England, National Headquarters will help set up the organization, according to Mr. Livesey.

*The Woman's Society of Christian Service* will serve the dinner which will include a birthday cake containing 33 candles.

### Plunges To Death

MOUNT VERNON—Mrs. Ethel Eaton, mother of the well known cartoonist Mal Eaton, plunged to her death at 8 A. M. today from the sixth story of the apartment house in which she lived at 2 Park Lane. She was the widow of Harry Eaton, real estate broker who died in 1942.

THE TOWN'S FINEST—This photo taken recently shows the Town of Mamaroneck Police Department. Left to right, front row, Sgt. Eugene De Veau, Sgt. Francis Watsbury, Chief Paul A. Yerick, Lt. Paul Euller, and Sgt. Louis Boivin; second row, Det. Joseph Palmesa, Patrolmen Edward Bakker, James Knox, Philip Millheleer, James Mancusi, James Staropoli, John Welsh and William Cunningham, and Det. Chauncey Smith; rear row, Patrolmen Lawrence McAllister, Louis Turco, John Caputo, John Grenan, Christopher Loveley, George Blenniss and George Mulcahy.

## Winged Foot Concludes Women's Golf Season

Concolation day for players who have not won at weekly tournaments held during the year at Winged Foot Golf Club, Mamaroneck, was held yesterday at the club to wind up women's golf activities for the season. Winners were Mrs. Fred Doolittle of Rye, first; Mrs. Udell Young of Rye, second; Mrs. Walter Kolb of Larchmont, third; Miss Louise Struckmann of Larchmont, fourth, and Mrs. James Bitler of Bronxville, fifth.

In the Friday tournament for nine blind holes, Mrs. Karl Ulrich of New York City was winner in Class A, and Mrs. Peter Morell of New Rochelle won Class B. Mrs. Donald O'Brien of Mamaroneck was low gross winner for the day.

# Truman Directs Organization Of Reserve Units

### Calls For Action As Required For U. S. Security

CLARKSBURG, W. Va.—(AP) President Truman announced today he has directed the Defense Department to "organize all military reserve units required for the national security."

The Presidential orders, requiring action "without delay," called for establishment of "vigorous and progressive reserve training programs."

It was directed to Defense Secretary Forrestal and the heads of the Armed Service Departments under him.

The President told Forrestal to assign "an active, capable, high-ranking officer" to head the reserve program in each department of the National Defense establishment.

Mr. Truman signed an executive order aboard his Washington-bound campaign train, shortly before midnight, to carry out the program.

It says the national security requires that "reserve components of appropriate strength and maximum effectiveness exist throughout the nation."

In a statement, Mr. Truman said the Organized Reserve Corps of the Army and Air Force have not made as rapid progress as other branches of the service in building up their postwar strength.

Forrestal was directed to report within 60 days on progress under the order.

The President said his order was intended to "give the balance necessary to our national defense in its broadest aspects."

## SUKKOT TO CLOSE JEWISH HOLIDAYS

### Feast Of the Tabernacles Opens Tomorrow Night, Closes Oct. 26

Sukkot, the Feast of the Tabernacles, and the last of this season's Jewish holidays, begins tomorrow night and will be completed at sundown Tuesday, Oct. 26. Services will be held at the Hebrew Institute of Mamaroneck at 5 P. M. tomorrow, at 9 A. M. and 6 P. M. Monday and at 9 A.M. Tuesday.

On the last two days of the Festival services will be held at 5 P. M. Sunday, Oct. 24 at 9 A. M. Monday, followed by a Yiskor Memorial Srvice at 10:15 A. M.; the final service being scheduled for 10 A. M. Tuesday, Oct. 26. Children's - adult Simchat Torah consecration services will be held at 7:15 P. M. Monday, Oct. 25. Services will be conducted by Rabbi Irving Koslowe and Cantur Abraham Denburg will officiate.

"Sukkot, which is also known as the 'Season of our rejoicing,' is the last of the three pilgrimage feasts, on which Jews from all parts of Palestine used to make pilgrimages to the Holy Temple in Jerusalem," according to Rabbi Kosiowe.

"This festival was originally pastoral in nature and occurred during the time of the fruit harvest. It was generally observed as thanksgiving at the completion of the entire harvest, for the bounties of nature during the previous year."

Historically, Sukkot commemorates the wanderings of the children of Israel in the wilderness after their deliverance from Egyptian bondage. When they were compelled to dwell in huts or booths, or Sukkot.

"Among the ceremonies involved in the celebration are the building of Sukkot and the waving of a Lulab. The Lulab, or festive palm branch, which is carried with the Etrog and waved, consists of the following four elements (Arbaah Minim): a palm branch, three myrtle twigs (Had-

## BREWERY BOSSES FLAY WILDCATS

NEW YORK, (AP) — A Joint statement of brewery employers and union officers released early today said that the negotiations with striking truck drivers would be made only through the workers' unions and not "with any wildcat committees."

The statement followed an all-day conference between the Brewers Board of Trade Labor Committee and officials of the CIO United Brewery, Flour, Cereal, Soft Drink and Distillery Union.

The two-day strike of the drivers has caused large numbers of inside brewery workers to be laid off.

A spokesman for the drivers said that Staten Island and New Jersey breweries were shipping record amounts of beer into the city and that there was no present plan to stop their deliveries.

More than 2,800 workers have been idled by the walkout of several hundred drivers. The union previously has called the work stoppage "irresponsible" and "wildcat."

Breweries involved in the walkout are Ruppert, Piels, Schaefer, Liebmann, Trommer, Anheuser-Busch, Burke and Ebret.

Union and employer representatives said conferences would be continued, but did not say when the next session was planned.

### Phone Co. Wage Offer Given Tentative OK

NEW YORK, (AP) — A wage offer giving 25,000 long lines telephone operators a 9.3 cent average hourly wage raise was accepted tentatively yesterday by union negotiators.

John J. Moran, head of the CIO American Union of Telephone Workers said the offer was subject to approval by the union's executive board which will meet on Monday.

The offer gives average hourly wage hikes of 12 cents to plant workers, nine cents to traffic operators and eight cents to clerical employes, according to a spokesman for the American Telephone and Telegraph Company.

### Truman Called 'Prisoner Of Military Clique' to UN

PARIS, (AP)—Poland charged today President Truman is a prisoner of a military clique, and that when he wanted to send an envoy to Moscow he was stopped."

The assertion was made by Julius Katz-Suchy of Poland in the disarmaments subcommittee of the United Nations Assembly.

## PRESIDENT, DEWEY HOMEWARD BOUND

### To Rest Before New Drives; Truman Has Traveled 15,000 Miles

*By The Associated Press*

President Truman and Gov. Thomas E. Dewey were homeward bound today for brief rests before launching new vote drives in their White House contests.

Mr. Truman was due in Washington late this afternoon after a Midwest tour that boosts his campaign log to over 15,000 miles. About 7,000 miles more lie ahead, starting Monday with a plane trip to the American Legion convention in Miami.

Dewey planned to park his Republican Presidential caravan in his mother's yard in Owosso, Mich., for a week-end visit. He will return to Albany Monday.

Both candidates continued political-counter-punching yesterday.

The President said the "Republican firemen" were too busy "playing political checkers" to put out the inflationary blaze. Dewey charged that the Democrats made "trades with the forces of aggression."

The New York Governor also took issue with former Secretary of State Cordell Hull, who said Dewey was "incorrect" in claiming to have originated this nation's bipartisan foreign policy.

## WHITE PLAINS BANDIT GETS $1,700 PAYROLL

WHITE PLAINS—A $1,700 payroll for 25 workmen was stolen in a daytime hold-up of the E. O. Osman Company, 114 Westmoreland Avenue, about 1:30 P. M. yesterday, police report.

John Horton, twenty, firm bookkeeper, alone in the roofing firm's office, was attacked by an unarmed bandit, and beaten until he disclosed the location of the key to a metal cabinet where the payroll was kept and was then thrown into a washroom. The bandits pushed a heavy desk against the door and fled. The bookkeeper managed to push the door open and ran next door to telephone the police.

## Combing The Town

**Addresses Rotary**

The reasons for the existence of service clubs were outlined by Walter G. Seely, past district governor and past president of the Port Chester Rotary Club, at a meeting of the Larchmont Rotary Club Friday at the Larchmont Shore Club.

Visitors included Rotarians Howard Thomas of Croton, John Pullen and Paul Kay of Port Chester, Roy Angell of Scarsdale, Charles Jones of Yonkers, Ernest O'Brien of Ogdensburg, Theodore Trimmer of Mount Vernon, Walter Scranto and Fred Bentley of White Plains, William Barnhardt of Honolulu and John Jeppson of New Rochelle. William Wagstad was the guest of Dr. Maurice Serling.

Charles H. Greenall of 67 Hillcrest Avenue, Larchmont, was welcomed as a new member.

Austin Lescarboura, district governor, will address the club at this week's meeting.

**Memorial Gift**

An anonymous donation in memory of the late 2nd Lt. John Schroeder, the first of its kind ever presented to the Mamaroneck Community Chest, has been announced by Leo Heithaus, chairman of the special gifts committee of the Chest.

Lt. Schroeder, son of Mr. and Mrs. John F. M. Schroeder of Delancey Avenue, Mamaroneck, was killed in action Dec. 20, 1944, during the invasion of Leyte. His body was returned here last month.

**On Supply Ship**

EMSA George R. Engelhardt, son of Mr. and Mrs. George Engelhardt of 119 Florence Street, Mamaroneck, is now stationed in San Francisco aboard the U.S.S. Hemincola, a supply ship, awaiting shipment to Alaska.

He recently received training at the machinist's school at Great Lakes, Ill. Eighteen years of age, he formerly attended Mamaroneck and Bellows High School.

**Osteopaths Meet**

Dr. Travis D. Lockwood of the Larchmont Hills Apartments, Larchmont, attended the 50th annual convention of the New York State Osteopathic Society Friday and Saturday at the Hotel New Yorker in New York City.

Nelson D. Rockefeller was the banquet speaker. Noted osteopathic physicians, specialists and surgeons were also on the program.

**Stray Rabbit**

A tame white rabbit was picked up on Bonnett Avenue, Larchmont, by Officer Walter Verdick, Jr., at 5:40 A. M. today, Larchmont police reported.

The owner of the animal is asked to contact Officer Verdick at police headquarters, where the rabbit was taken.

# Chest Campaign Goes Over Top For Larchmont

### Contributions Exceed Quota of $30,052 By Over $3,000

The Larchmont Community Chest has gone over the top in its 15th annual campaign, it was announced this morning by Clayton L. Davis, executive campaign chairman.

With contributions totaling $33,444, Larchmonters had today contributed $3,000 more than the goal of $30,052 needed to maintain the work of its 10 beneficiaries, Mr. Davis reported.

"This is not a final figure," he said, "There is a considerable number of pledge cards outstanding and it may be several days before we have a complete report."

Mr. Davis called on all workers, supervisors and district chairmen to complete their work and turn in their reports as soon as possible."

"At the conclusion of this successful campaign, I want to thank the many men and women who made it possible," Mr. Davis said.

"First, I want to thank all residents of the Larchmont postal district for their generosity and I particularly want to thank the 450 workers who cooperated so willingly. I am most grateful to Morgan J. Burke, Jr., executive vice-chairman; Paul Ryan, chairman of special gifts; Robert Ingham, chairman of the business district and Dr. Daniel Karrell, vice-chairman; Herbert Baum, neighborhood chairman; Philip H. Holden, publicity chairman and David Butler, vice-chairman; Mrs. Malcolm G. Drane, chairman of public relations and Mrs. Theodore V. Bennett, chairman of press relations, all district chairmen and supervisors as well as the office workers headed by Mrs. Harold H. Rhoades, executive campaign secretary.

"I also wish to thank the local papers for their cooperation and the generous amount of space allotted us for publicizing our campaign. It is all these people working together who are responsible for the success of Larchmont's 15th Community Chest campaign.

# LARCHMONT AVE. CHURCH ADOPTS RECORD BUDGET

### Every - Member Canvass To Raise Fund of $68,000 Set Nov. 7-16

At a congregational meeting yesterday following the regular Sunday morning service, the membership of the Larchmont Avenue Church adopted a 1949 budget in excess of $68,000, a new record high, exceeding by almost $4,000 the current year's budget figure. The every - member canvass to implement this new budget is set for Nov. 7-16, it is stated, under the direction of John W. Sharbough, chairman of the church's promotion committee, with some 150 men of the Church already enrolled as volunteers to secure the budget needs.

The congregational meeting was preceded by a sermon on "The Business of the Church" by Dr. Floyd E. McGuire.

"There is a legend," said Dr. McGuire, "that when Jesus ascended up into Heaven, an angel of the Lord said to Him: 'How do you expect your work to be carried on now that you have left the earth?' Jesus replied, 'I have left my work in the hands of 11 men, and they are to build the Church on earth.'

"But,' said the angel, 'Can you entrust such an important task to 11 ordinary human beings?'

"And Jesus replied, 'I have no other plan.'

"So it is," said the minister, "that the business of the Church has been left in the hands of the members of the Church."

He then outlined the many phases of what makes up the responsibility of Church membership in carrying on the work the business of the Church. "It is not," he said, "just the ministry of preaching and public worship. That is but one facet. One of the greatest of all is to prepare the children of the Church and of the community for Christian faith, said life; otherwise, we shall have a pagan, materialistic secularism within a few years."

Still another phase of the business of the Church, he pointed out, is the pastoral care given to members of the congregation and the community; and, beyond that, "to take the gospel and ministry of Christ unto the uttermost parts of the earth, outside our own borders; and, equally important, the Church is at work in underprivileged parts of America."

He gave moving word pictures of how these activities are being administered by representatives of the congregation, whose unselfish service is made possible through local support. He referred also, in glowing terms, to the activities of the many groups within the Church organization for the building of Christian fellowship. All these things are possible only, he emphasized, because the men and women of the Church, and its friends outside the membership, have the vision to see the meaning and effect of the business of the Church and endow it with their gifts and support. He commended to his hearers the program represented in the annual budget as an opportunity and a privilege to strengthen and extend the business of the Church for even greater accomplishment in creation of a better world."

YOUTHS GROUPS AID CHEST DRIVE — Members of three beneficiary organizations lent their aid Saturday in folding literature to go out in promoting the Mamaroneck Community Chest drive next Sunday. The work was done in the windows of several Mamaroneck Avenue shops. In the photo above seated at a table in the Chatsworth Auction window are (left to right) Janet Hoffa of the Camp Fire Girls, Herbert Birch of the Boy Scouts and Judy Price of the Brownies, Girl Scouts, with Barbara Pape of the Horizon Club standing. Looking on from outside the window are Ardis Ann Stein and Janet Burchell of Camp Fire.—Staff Photo

COL. ALEXANDER STANDISH

# PEACE DISCUSSION SLATED BY UWF

### Three Prominent Speakers To Appear at Meeting Here Wednesday

Three outstanding speakers will be brought together Wednesday night at the Weaver Street Fire House under the auspices of the Larchmont Chapter of the United World Federalists for a panel discussion on the topic of "World Peace".

Col. Alexander Standish, former chief of the Intelligence Branch on Gen. Omar Bradley's staff in the European Theater of Operations, will be one of the speakers. Col. Standish is a general partner in the brokerage firm of J. H. Whitney and Company.

An active member of the UWF, Col. Standish is a member of its national executive council; national finance committee, treasurer of the N. Y. State branch of the UWF, and a member of the executive council of the New York Branch.

From 1921 to 1931, he did investment research before becoming president of the firm of Standish, Ayer and McKay, Inc., investment counsellors in Boston. He left that post in February, 1947, to join with the Whitney firm.

A veteran of both world wars, he served as a second lieutenant in the U. S. Army infantry during World War I.

In World War II, he served with the Intelligence Section of the Army Air Forces Anti-Submarine Command in New York from July, 1942, to August, 1943, when he went abroad and was assigned to the Intelligence Section of the ETO headquarters in London, England. In February, 1944, he

### Resident Collapses On Tompkins Avenue

George Vlachos, forty-four, of 133 Warner Avenue, Mamaroneck, father of the famed Vlachos-Wei Trio, suffered a heart attack at 7:07 P. M. Saturday and was found lying on the pavement on Tompkins Avenue near Mamaroneck Avenue by a local cab driver who notified Mamaroneck police.

Dr. Emil Verrilli responded with the police and administered first aid. Mr. Vlachos was removed to his home in the Mamaroneck police ambulance. Police notified Dr. F. B. Hunter, the family physician, and also contacted Mrs. Vlachos, who is with her three children who are attending school in Massachusetts.

# Firemen Set Parade For Tomorrow Night

The Mamaroneck Fire Department will hold its annual inspection and parade tomorrow night. Chief Robert J. H. Lemon, grand marshal.

Parade officials will be ex-Chief Robert J. H. Lemon, grand marshal; ex-Chief Edward J. Donnelly and ex-Chief Walter S. Webber, assistant marshals.

Village officials and fire chiefs of neighboring communities are expected to participate in the parade, which will consist of three divisions made up of the five fire companies, members of the Mamaroneck Police Department, two bands and the department apparatus.

The parade will start from the Halstead Manor Fire House at 6 P. M. and proceed west on Halstead Avenue to Barry Avenue, turning left on Barry Avenue to Brook Street, where it will turn right on to Melbourne Avenue, the procession will then turn left on Halstead Avenue to the Jefferson Avenue Extension and then another left on to Mamaroneck Avenue.

Moving up Mamaroneck Avenue, the parade will halt in front of the site of the Old Post Office building on Mamaroneck Avenue between Spencer Place and Palmer Avenue and the department will line up for inspection.

Following inspection, the units will continue up Mamaroneck Avenue to Palmer, turning right up to Mt. Pleasant Avenue, where they will make a left turn and proceed to the St. Thomas' Church Community House, where a dinner will be served.

The Police Department will clear the inspection area along Mamaroneck Avenue of all parked cars starting at 5 P. M. Chief Arthur W. Martensen said today, requesting that persons living in the area park their cars elsewhere until after the parade.

Heading the parade will be the Police Department color guard with Grand Marshal Lemon, members of the Police Department, village officials and visiting guests. They will be followed by the A. H. Gale Fife and Drum Corps of Port Chester and the Fire Department color guard.

The second division will be led by Assistant Marshal Donnelly, followed by Chief William Leuton and his staff, Assistant Chiefs Harry T. Primrose and John Lombard. Following will be members of the Halstead Manor Hose Company No. 4, Hook and Ladder Company No. 1, Mamaro Engine and Hose Company No. 1 and the Harrison American Legion Band.

Assistant Marshal Webber will lead the third division, composed of members of Columbia Hose Company No. 2 and Volunteer Hose Company No. 3 and the department apparatus.

# CLUBS TO HEAR U.N. WEEK TALK

### Dr. Harold Korn to Speak Before Rotary, Lions, Kiwanis Wednesday

Dr. Harold Korn, chairman of the drafting committee of the American Association for the United Nations, will be the guest speaker at the combined meeting of Mamaroneck Rotary Lions and Kiwanis clubs in recognition of United Nations Week to be held at 6:30 P. M. Wednesday in the Blue Haven Inn.

The Rotary Club, which is the host club, has also invited members of the local clergy to hear Dr. Korn, whose topic will be "The Role of the U. S. in the U. N."

Dr. Korn, who is also a member of the Speakers' Bureau of the American Association for the United Nations and the Speakers Research Committee of the United Nations, was graduated from Columbia University in 1901 with several and final honors in comparative literature.

In 1908, he received his Master of Arts degree from the Columbia School of Political Science and was awarded the Brunner Medal in American History. He received his doctrine in Philosophy from New York University and was awarded a faculty graduate scholarship.

A past president of the New York University Graduates' Club and immediate past president of the Kiwanis Club of New York City, Dr. Korn is a member of the National Council of the Boy Scouts of America, New York State Historical Society, and New York State Chamber of Commerce.

Dr. Korn has also been a guest lecturer at several universities, including Chicago University, Catholic University of America and the University of Brazil in Rio de Janeiro.

### Youth Slightly Hurt As Vehicles Collide

Paul H. Becker, seven-year-old son of Mr. and Mrs. Howard G. Becker of 405 Melbourne Avenue, Mamaroneck, suffered a slight bump on the head when he was thrown against the rear window of his father's car when it was struck by another car at Brook Street and Beach Avenue, Mamaroneck. The window broke when the boy's head struck it.

According to the police report, the car operated by Mr. Becker was struck on the right side while crossing Brook Street on Beach Avenue. Driver of the other car was James M. Cella of 1400 Shelbourne Avenue, Mamaroneck. Both cars were badly damaged, police said. The Becker boy was taken to the offices of Dr. M. E. Marsland, where he was treated and released.

# EX-RYE NECK TEACHER INJURED IN TENNESSEE

Miss Frances Henderson, a retired first grade teacher of the Daniel Warren School, is recuperating in a Tennessee hospital from injuries received in an automobile accident last Wednesday in which her sister, Mrs. William W. Graves of Stamford, Conn., was killed.

Miss Henderson, who resides at the Evelyn Court Apartments, Mamaroneck, had accompanied her sister and brother-in-law on a trip to Alabama to attend a wedding. On their return trip, their car was struck on the main highway near Newport, Tenn., by a truck driven by an allegedly drunken driver. Miss Henderson and Mr. Graves were injured and removed to a hospital. Mrs. Graves, who was killed instantly, was buried Saturday in Stamford.

Miss Henderson is reported to have suffered a broken ankle and cuts about the body. She retired about five years ago after nearly 40 years of teaching in the Rye Neck schools.

# Truman Speaks To Legion On Vinson Incident

# ISRAELIS SEIZE KEY HEIGHTS IN NEGEB CONFLICT

### Jews, In Defiance of U. N. Order Continue Push; Casualties Heavy

TEL AVIV, Israel, (AP)—Israel accepted tonight a United Nations offer to arrange peace talks with Egypt on the fighting in the Negeb. However, she rejected a cease-fire proposal.

The Foreign Office said no cease fire proposal would be accepted until Israel is assured the Egyptians will behave.

TEL AVIV, Israel, (AP)—Jewish troops in night actions stormed and captured heights dominating the road through the Negeb in defiance of United Nations cease-fire orders.

An Israeli communique said "large scale air activity also continued."

Israel has thrown a top commander into the battle for control of the Negeb desert area where reports indicate heavy casualites as Jews and Egyptians struggled fiercely.

The noon communique said bombing targets for the third consecutive night were the El Arish air base, the City of Gaza, which is both the seat of the new Arab Government for Palestine and Egyptian headquarters, and Egyptian troop centers at Majdal, Faluja and Beersheba.

There were reports here, which could not be confirmed, that Arab forces were evacuating Gaza.

(34 words deleted by censor).

### Observers Leave Gaza

U. N. observers stationed at Gaza apparently had pulled out for Dakes farther south. Those in Tel Aviv speculated that they might be withdrawn completely because of Israel's defiance of the cease fire order, and her refusals to let the observers go to the front.

Unofficial informants said that unless the Egyptians strike back in force, the present phase of the fighting appears to be near an end. That would indicate, if it is true, that the Israeli forces feel they now are strong enough to hold the Negeb.

The Negeb was placed under Jewish control by last year's U. N. partition decision, but Count Folke Bernadotte, the assassinated Palestine mediator, recommended that it go to the Arabs instead. The Jews object to this strenuously.

Thus far, the unofficial sources here said, there has been no real

# 75 LARCHMONT SCOUTS VISIT CAMP SIWANOY

Seventy - five Larchmont Boy Scouts enjoyed the weekend at Camp Siwanoy, featured by hiking, games and campfire song fests.

The group was led by Willard Brown, assistant commissioner of camping activities for the Larchmont District, and Scoutmasters Richard Pond of Troop 8, Jack Coughlin of Troop 6, Thomas Flint of Troop 3, and Jerry Corson of Troop 2.

The boys left Larchmont at 9:30 A. M. Saturday in buses and cars provided by the Troop 3 committee.

A "gold rush" Saturday afternoon was won by a team composed of Russell Manney, Jack Csenge, John Mathus, William Kaufman, Robert Yeomans and Jay Wilson of Troop 6, and Donald Burkhardt of Troop 2. The Kite flying contest was won by Jay Wilson and William Kaufman of Troop 6.

Saturday night, a song fest and an individual challenge contest were held around the campfire built by Gus Carlson and William Hessler.

Scoutmaster Thomas Flint defeated Comm. John B. Forest at Indian stick wrestling.

Yesterday, the boys attended church services at the outdoor chapel at Siwanoy and in Pawling. They also hiked to Black Eagle Mountain and played touch football.

The cooking was done by Felix Freeman, Edward Vaughn, Jack Funeran, Richard Whittington, Willard Brown, Halford Pond, Caldwell Buck, Jerry Corson, Gordon Nichols and William Hessler, assisted by Mrs. John B. Forrest.

The boys left Siwanoy for Larchmont at 3 P. M.

### Says He Sought Only To Dispel Air of Distrust

MIAMI, (AP)—President Truman said today he considered sending Chief Justice Vinson to Moscow to ask Premier Stalin to help dispel "the poisonous atmosphere of distrust" surrounding negotiations between "the Western Powers and the Soviet Union."

The President, in a speech prepared for the annual American Legion convention, described as "a wicked falsehood" what he called "loose and irresponsible talk to the effect that the United States is deliberately following a course that leads to war."

"So long as I am President of the United States, there will be no chip on the shoulder of America," Mr. Truman declared.

He flew here from Washington in an avowed "non-political" role, and in his address described himself as "a delegate from Missouri, a comrade-in-arms, and Commander-in-Chief of our armed forces."

Mr. Truman previously had said he called off the proposed Vinson mission after talking with Secretary of State Marshall. He explained Marshall thought single-handed action by the U. S. might cause misunderstanding at the United Nations Assembly meeting in Paris.

Referring to the discarded plan

# U.S. ASKS DEBATE ON 'A' DEADLOCK

### Demands Big 5, Canada Receive Energy Problem For Negotiation

PARIS, (AP) — The United States demanded today that the United Nations turn the deadlocked atomic energy problem over to the five great powers and Canada for direct negotiations.

Chief U. S. Delegate Warren R. Austin told the 58-nation political committee the United Nations could go no further in its efforts to control the atom until the Soviet Union agreed to "participate in the world community on a cooperative basis."

The Berlin dispute comes up tomorrow in the Security Council, A new compromise plan which would take the issue out of the U. N. is reported under consideration by the six neutrals of the council.

Russia and the three Western Powers, the United States, France and Britain, are said to be interested. Thus far, no commitments have been made.

# APARTMENT HUNTER CHASED OFF GROUNDS

A prospective tenant of the new apartments being erected on Idlewild Road was chased off the grounds at gun-point yesterday when he attempted to inspect one of the apartments.

Richard Corrigan of 101 Elwood Avenue, Mount Vernon, reported to Mamaroneck police last night that he had gone to Brooklyn earlier in the day and had received a letter from the J. Harris Building Corporation, owners of the new apartment site, granting him permission to inspect one of the apartments with his wife.

He told police he came to Mamaroneck about 5 P. M. to inspect the apartment and showed the letter to the night watchman. The night watchman, he said, refused to look at the letter and put his hand in his pocket, where he held a gun. He told Mr. Corrigan and his wife to get off the property.

Mr. Corrigan requested police to find out whether the watchman had a permit to carry the gun. Police found that the watchman, Salvatore Mondella, does hold a gun permit.

# DEWEY RETURNING TO ALBANY TODAY

### 'Deliberate Slow - Down Phase' of Drive Entered —Senate Races Up

EN ROUTE WITH DEWEY, (AP) —Gov. Thomas E. Dewey winds up his second campaign tour today with followers expressing new fear Republicans may lose control of the Senate.

Traveling across Canada early in the day, the Republican Presidential nominee was heading for his home base at Albany. He had brain speeches scheduled at Buffalo, Rochester, Syracuse and Schnectady.

Crossing into Ontario Province, Canada, from Detroit involved use of the shortest rail route from Owosso, Mich.—where the nominee was the guest at a rousing homecoming Saturday night — to the Western New York area.

The New York Governor was represented as so confident of his election Nov. 2 that his campaign was entering a deliberate slow-down phase. He spoke in New York City Wednesday night at the

# CHEST WORKERS NAMED FOR ANNUAL CAMPAIGN

Lieutenants for Districts One, Two and 10 have been appointed for the one-day drive of the Mamaroneck Community Chest, Sunday, it was announced today.

They are, District One—Angelo Stotino, Joseph Calvino, Ralph Vitro, Janette Alfano, Betsy Ercole, Alfredo Poccia and James Capioli; District Two—Frank Rigano, John Vallarelli, August Pendetta, Joseph Carduccio, Stephen Sestito, Louis Coccoli, John Moretti, Vincent Vitro, John Di Stasia and Vincent Dellavalle; District 10—Paul F. Adler, Richmund S. Barton, Herbert Bijur, Theodore Dibble, Richard A. Ehling, Edward J. Gelse, James L. Lewis, Daniel V. Mahoney, Irving J. Mishkin, Thomas P. McManus, and E. W. Otto.

Santo and Joseph Quadrini are co-captains of District One. Vincent C. Marcellino is captain of District Two, and Richard McLaren is captain of District 10.

Other district appointments will be announced shortly.

# County Sees First Snow

It snowed early today in Westchester, and freezing weather may come tonight.

A newspaper delivery driver observed the snow near Croton Falls just before dawn. The rest of the county was drenched by a heavy rain that lasted throughout most of the morning.

Upstate, in the vicinity of Adams Glens Falls and Tro, snow was also reported. Western Pennsylvania and West Virginia had similar light snowfalls as a premature wintry blast moved eastward from the mid-West.

Minimum temperatures in New York City tomorrow morning will be 35, but the suburbs are expected to have readings as low as 18 in the farther outskirts

### Millar Named Trustee Of Brown University

PROVIDENCE, R. I. (AP) — Arthur W. Packard of New York executive assistant to John D. Rockefeller Jr., was elected Saturday to the Brown University Board of Fellows.

Packard fills the vacancy left by the death of former Chief Justice Charles Evans Hughes.

Elected to the board of trustees were Donald G. Millar of Larchmont, N. Y., and Thomas J. Watson Jr., New York. All three are members of the Brown University Housing Board currently conducting a $6,000,000 fund-raising campaign for additional housing at Brown.

Millar is president of the Greenfield, Mass., Tap and Die Corporation and member of the board of directors of the New York Brown Club.

### Truck, Auto Damaged In Larchmont Crash

A truck operated by Frank Malinowski of 89 North Chatsworth Avenue, Larchmont, collided with an auto at 2 P. M. Saturday, Larchmont police reported today.

Malinowski told police that as he was stopping his truck for a traffic light at Beach Avenue on the Post Road, it was struck in the rear by the auto and sustained damage to the rear tail-light, ladder rack and bumper. The auto, operated by Donald E. Holtt, whose address was not reported by police, sustained damage to the right front of the body and the front windshield was shattered, according to police.

### Three Blazes Quelled By Town Fire Fighters

The Mamaroneck Fire Department answered three over the week-end with no damage reported.

Engine No. 2, Aerial No. 3, and the patrol truck responded to a blaze at the Oak Haven Apartments on Myrtle Avenue, Larchmont, at 4:30 P. M. Saturday, where firemen extinguished newspapers afire in the cellar. Recall was at 4:45 P. M.

Engine No. 3 extinguished a brush fire on the Palmer estate on Rockland Avenue, Larchmont, a few moments later.

Another brush fire at Winged Foot Country Club on Fenimore Road, Larchmont, was reported at 4:28 P.M. Saturday. The fire —out the club grounds near Old White Plains Road—was extinguished by a crew from Engine No. 3 using brooms and Indian tanks. Recall was at 5 P. M.

## Combing The Town

***Versatile***

Not only is he mayor of the Village of Larchmont and a vice president of a large advertising concern but Walter B. C. Washburn is also quite a fisherman. Over the c Isonhau

Over the Columbus Day week end while at his Summer place at Basin Harbor on Lake Champlain, Mayor Washburn reeled in a large northern pike weighing nine and a half pounds, measuring 34 inches.

Unlike others of the loquacious piscatorial clan, the mayor claims his catch was "nothing remarkable."

The fish, it is reported, is now reposing in his brother's deep freeze in Bronxville for a family feast!

***Heads Acolytes***

Herbert Guthrie last night was elected president of the St. Thomas's Acolytes at a supper meeting attended by 19 members.

Other officers elected were Robert McGrien, vice president; Kenneth Dellner, secretary, and Merrill Compton, treasurer.

Plans were discussed for the parish fair Dec. 1 and 2, and for the annual Corporate Communion for the men and boys of the parish Dec. 5. Edwin Anthes was admitted to membership.

***Ready for Winter***

Larchmont can expect better snow removal this year than last year, the Board of Trustees were told last night.

Assistant Engineer Ralph Chilcoat said that the Village has received two new Brockway trucks which are being broken in so that will be ready for service. He added that another Dodge truck is expected to be delivered shortly and that all the plows have been fixed so that they can be readily attached to the trucks when needed.

***Movie Night***

Two colored sports films on salmon and bass fishing, as well as several sport shorts, will highlight tonight's meeting of Larchmont Post 347, American Legion, at the Flint Park Clubhouse.

The films are being shown through the courtesy of the Larchmont Sports Shop. The meeting is scheduled to begin at 8:15 P. M.

***U. N. Talk***

"What Do You Know About the United Nations" will be the subjec of a talk by Mrs. Robert Donaldson, U. N. worshop chairman of the League of Women Voters of Mamaroneck, for a group of Camp Fire Girls at the Murray Avenue School at 3:30 P. M. tomorrow.

## L.W.V. OBSERVES U.N. WEEK HERE

### Literature Distributed At Library Table And Decorated Booth

United Nations Week observed throughout the country from Oct. 17 to 24, is being brought to public attention locally by varied activities of the League of Women Voters of Mamaroneck.

The purpose of U. N. Week, according to an announcement by Mrs. Robert Donaldson, League chairman of the U. N. Workshop, is "to help citizens think about the United Nations; to tell them what it is and what it is not, what it has done and what it has not done, how it can be strengthened, and how its future depends on each individual citizen."

Free literature on the United Nations will be available throughout the week at a League table in the Mamaroneck Free Library on Prospect Avenue. Additional notations posters are on display in the County Trust Company, Mamaroneck Playhouse, and Belknap Hardware. Working with Mrs. Donaldson on the United Nations committee are Mrs. Harvey Conover, Mrs. Clement Cook, and Mrs. Alvin W. Hicks.

Mrs. John J. Mann and Mrs. Walter A. Lurie will speak at Bellows High School Assembly Thursday at 11 A. M. on the subject, "United Nations Week."

A decorated booth at the First National Store in Mamaroneck Avenue Friday and Saturday from 9:30 to 12:30 will feature a Department of State pamphlet, "Three Years of Achievement," and "Headliners Speak for U.N.," by the American Association for the United Nations. Lapel buttons will be distributed along with the literature, and questions will be answered.

League members who will share in this work are Mrs. Robert Zergen, Mrs. William Homer, Mrs. Harry Atkins, Mrs. Kenneth Hinchman, Mrs. Richard Gagney, Mrs. Charles Kingsley, Mrs. Lurie, and Mrs. James Brown.

**OLD MAN WINTER . . .**
**is right around the corner now with all his icy blasts and cold snow. Make certain now that your house is tight; furnace is tight; furnace is set, and roof ready to take pressure of snow drifts. Our business directory contains the name of a number of reliable tradesmen who know their jobs. Whenever you need work done check our business directory first. That's always a good tip.**

**SMILE WITHIN HORSESHOE** is contribution of Mrs. Anne B. Masterson of White Plains, president of the Westchester Young Women's Republican Clubs, at the opening of the County GOP information center, 8 Church Street, White Plains. Mrs. Masterson has donned a horseshoe wreath of Autumn leaves, sprigs and Dewey-Warren campaign buttons originated by Joseph P. Gogerty of Mount Vernon.

## *Gamble Replies To President In Defending 80th Congress*

The first public answer in Westchester to President Harry Truman's oft-repeated characterization of the 80th Congress as a "bad Congress" was filed in New Rochelle last night by Congressman Ralph A. Gamble, of Larchmont, who is seeking return to office under the GOP emblem. In an address begun with the humorous reference, "I never ran against a President before, but it's all right with me," Mr. Gamble told an audience of Republican workers assembled at GOP headquarters.

"The 80th Congress, the first one truly representative of the people, accomplished much in the face of a stubborn and rebellious New Deal Democrat bureaucracy, a hostile President and a non-cooperative Department of Justice."

**Cites Tax Reduction**

He declared that the 80th Congress had reduced taxes $4,800,000,000 "despite three Presidential vetoes, with 71 per cent of the tax relief going to those with incomes under $5,000; 7,400,000 wage earners in the lowest brackets were removed from the tax roll; married couples were allowed to divide their income for tax purposes and special relief was allowed for persons over 65 and for the blind."

He said it had cut President Truman's "padded budgets by

## DETOUR ROUTES SET FOR PARADE TONIGHT

To facilitate the flow of traffic during tonight's annual parade and inspection of the Mamaroneck Fire Department, detour routes have been posted by Police Chief Arthur W. Martensen.

Starting at 6 P. M., no cars will be allowed to park on Mamaroneck Avenue between Palmer Avenue and Halstead Avenue, in which area the department will line up for inspection.

At 7:15 P. M., all east-bound traffic along Halstead Avenue will be detoured via English Place and Park Avenue to Hunter Street or West Street. All west bound traffic will be re-routed north on Hunter Street or West Street. All west-bound traffic will be re-routed north on Hunter Street to Franklin Avenue, English Place and back to Halstead Avenue.

At the start of the parade, scheduled for 8 P. M., all east-bound traffic on Halstead Avenue will be detoured at Barry Avenue. All west-bound traffic will be detoured at that point after the parade has passed. When the parade has progress to Station Plaza, all west-bound traffic on Halstead Avenue will be detoured over Ward Avenue. Normal traffic will be resumed on Halstead after the parade passes Halstead and Mamaroneck Avenues.

No traffic will be allowed to pass under the railroad bridge from Jefferson Avenue to Halstead Avenue after the parade has started, until the parade has reached Mamaroneck Avenue.

## STREET CLEANING DRIVE LAUNCHED BY LARCHMONT

### Store and Office Owners Warned to Keep Their Premises Clean

Larchmont Police Chief William J. Kersey informed the Board of Trustees last night that all owners and managers of stores and offices "have been drastically warned" about keeping their premises clean in an attempt to keep Larchmont streets free of litter.

The board, following its meeting two weeks ago when Herbert Askwith of 3 Concord Avenue, Larchmont, showed the trustees eight photographs of the "disgraceful condition" of Larchmont streets, instructed the chief to check store owners and ordered the village engineer to send out crews to clean up the debris.

In his report, Chief Kersey stated he had instructed all personnel of the police department to conduct a thorough and complete inspection of vacant properties as well as the front and rear of business establishments.

A list of the premises and streets which warrant immediate attention has been turned over to the village engineer, he said.

"The owners and managers of stores and offices, who in the past have been neglectful in taking proper precautions to keep the front and rear of said places clean and orderly," Chief Kersey reported, "have been drastically warned that a repetition will result in a summons being issued for their appearance in court."

As a further step to insure a

## CAMP FIRE HEADS OFFER CHEST AID

### Leaders Will Aid Captains Of Districts During Canvassing

A group of Camp Fire leaders headed by Mrs. James Weatherly has offered to aid any captain of the 14 districts which will be canvassed for contributions to the annual Community Chest drive Oct. 24. It was announced at a Camp Fire meeting yesterday in the Union Savings Bank.

The Camp Fire Organization is one of the beneficiaries of the Community Chest.

Assisting in the folding of Camp Fire circulars with Boy and Girl Scouts, and in the distribution of Community Chest posters throughout the Village last Saturday were Janet Hoffa, Betty Brady, Martha Phelps, Ardis-Ann Stein, Mary McAllister, Janet Burchell, Betty Koch, Patty Sullivan, Dorothy Flynn, Patty Walsh, Patty Warren and Barbara McCourty of the Ehawee Group under Mrs. Ralph Phelps; Bonnie McBrian, Ruth Olsen and Janet McKinley of the Blue Bird Group, and Barbara Pape, Helen Scherff and Alolse Doern under the leadership of Mrs. Harold Barlow and Mrs. William Netherwood of the Horizon Girls.

Eight girls, under the leadership of Mrs. Kenneth Black and Mrs. Robert Primrose, ushered at the Claire Tree Major reproduction Saturday. They were Betty Morehouse, Helen Lorys, Judy Burchell, Patty Clark, Audrie Hayes, Janet Black, Florence Weatherly and Dorothy Primrose.

Volunteer leaders who have recently joined the Guardians Association Group are Mrs. William Netherwood, assisting Mrs. Warold Barlow of the Horizon Group; Mrs. Frank Johnson, assisting Mrs. Charles Wicker of the Camp Fire Group; Mrs. Josephine Mig-

## STATE SETS POLL CLOSING AT 9 P.M.

### Two-Hour Extension Ordered As Registration Tops 7 Million Total

ALBANY, (AP)—Voting hours in New York State in the Nov. 2 general election will be from 6 A. M. until 9 P. M.

Secretary of State Thomas J. Curran announced yesterday that the polls would remain open two hours beyond the normal 7 P. M. closing.

A law passed by the 1948 Legislature empowers the Secretary of State to extend voting time by two hours if registration exceeds six millions.

Figures compiled from county Boards of Elections show a statewide registration total of more than seven millions.

In the 1940 and 1944 Presidential elections the time was extended by two hours by special acts of th. Legislature.

Registration fell short of the 1944 Presidential year total by 160,874.

An Associated Press compilation showed a 1948 total of 7,052,122. The 1944 registration was 7,212,996.

The unofficial compilation, based on figures from county election boards, showed registration in 57 upstate and Long Island counties this year was 73,721 above the 1944 total. However, in each of New York City's five counties this year's total was below that of four years ago, an aggregate of 23,595.

The totals:

| | 1948 | 1944 |
|---|---|---|
| Outside | 3,666,619 | 3,716,340 |
| New York City | 3,385,377 | 3,321,782 |

### Woman Golf Acer

WHITE PLAINS—It was learned today a woman golfer scored a hole-in-one on the Knollwood Country Club course on Sunday, Mrs. Robert E. Graham of Larchmont Acres, Larchmont, playing in the club's husband-wife scotch foursome, got the ace on the 130-yard third hole. She used a No. 6 iron.

# U. N. Order Calls On Jews And Arabs To Halt Conflict In Palestine Immediately

## FIREMEN SLATE MUSICAL REVUE

### 'Facts and Fancies' Set Nov. 17, 18, 20 At Junior H. S.

A lavish musical revue entitled "Facts and Fancies" has been selected by the Larchmont Fire Department as its annual show to be presented at the Mamaroneck Junior High School Nov. 17, 18 and 20, it was announced last night at a meeting of the show committee held in the Engine Company room of Fire Headquarters.

Chief F. M. Taylor, general chairman of the show committee, announced that the revue will be produced by the John B. Rogers Company of Fostoria, Ohio, and that Larry Knowles, chief director for the organization, will arrive in Larchmont Oct. 29 to make the necessary plans for the presentation.

Auditions for the show will start Monday evening, Nov. 1, at the Chatsworth Avenue School, Harry Seery of the talent committee announced.

The script calls for 200 participants, Mr. Seery said that due to the size of the production, which also calls for 20 large

*(Turn to Page 3, Please)*

## *'Americanism' Contest Set By Post 347*

The 1948 American Legion Oratorical contest, sponsored by Larchmont Post 347, will be held Dec. 10 at the Mamaroneck Senior High School, Dr. Herman G. Hofmann, chairman of the Post's Americanism committee, announced today.

This year's winner of the local contest will receive, in addition to a medal, a week-end trip to colonial Williamsburg, Va., one of the most historic towns in the country, with all expenses paid.

Each year the American Legion sponsors a national oratorical contest concerned with some phase of the constitution of the United States and its application to today's national problems. The contests are held in local high schools and winners advance through county, state and national contests.

The local contest at the Mamaroneck Senior High School has been sponsored yearly by Larchmont Post 347, which in the past has awarded medals to the three best contestants.

"Because of the unsettled international conditions," Dr. Hofmann said, "as well as the desire of the American Legion to instill Americanism in the youth of high school age, particularly those who may soon be inducted into the armed forces after graduation, and the desire for more spirited competition in the local contest, the contest this year will be greater event than in any previous year."

Dr. Hofmann said the week-end trip is the result of the combined efforts of Past Comdr. William Blumgold, Comdr. Jack DeGaetani and Joseph C. McLain, principal of the High School.

Among some of the sights the winner of the local contest will see will be the House of Burgesses where Patrick Henry made

*(Turn to Page 3, Please)*

## *No Atom Bomb Attack Likely For 20 Years, Clubmen Told*

We need not fear an attack by atomic bombs for 20 years, Dr. Gerald Wendt told 125 members of the Men's Association of the Larchmont Avenue Church last night in the church house.

Editorial director of Science Illustrated magazine, Dr. Wendt is unique among top-ranking American scientists in that he devotes his entire time to presenting news of vital scientific developments to the public.

No country would risk attacking the United States if it were in possession of one atom bomb or a dozen or a hundred, Dr. Wendt said. The aggressor nation would have to have twice as many atom bombs as we possess and it would have to be sure it had twice as many as we have, he declared. He said the nation we fear most has not twice as many, it won't have, and if it thought it might have it could not be sure. "I have no fear of a war and I don't want to talk about war," Dr. Wendt emphasized in preface his topic, "Atomic Energy Can Help Mankind."

"Recently there has been a great change in the public attitude toward science," he asserted. "People who used to stay away from scientific lectures in droves are now really afraid that science is doing something evil to us. Every intelligent person wants to know what science is doing to us and what we are going to do about it. Most scientists are not competent to speak before an audience because their language and

*(Turn to Page 3, Please)*

**MAMARONECK RESIDENTS** share the services offered by the United Hospital in Port Chester, benefiting from such up-to-the-minute equipment as that shown above. Mamaroneck residents also share in the support of the hospital and will give $11,000 of th $22,357 to be raised Sunday afternoon by the Community Chest. Of an annual budget of $1,104,000, the hospital must receive $84,000, or seven per cent, from the Community Chests of the five communities it serves to make ends meet.

## *United Hospital Needs Chest Aid To Carry On Services*

One of the reasons why Mamaroneck residents will be asked Sunday to give the Community Chest 30 per cent more than they gave last year is the boost in the amount to be given the United Hospital.

Last year's allotment of $9,000 has been increased to $11,000, about half the $22,357 the Chest will seek to raise.

Anybody who has been confined recently to a hospital bed is apt to say, "Don't the patients pay their way? I certainly paid mine!"

The answer came from Eugene H. B. Watson, president, at the Chest dinner for beneficiaries last week. With semi-private patients barely paying their way, private patients paying a little more than their way and ward patients paying considerably less than their way, the average payment per patient is $14.55 per day. The actual cost of room, board and 24-hour nursing service per patient is $17 per day.

There is a limit to what patients can be asked to pay and at the present rate, the hospital cannot meet its budget from that source alone.

What the patients pay amounts to 85 per cent of the budget. Of the remaining 15 per cent, the hospital expects seven per cent from income from endowments, private donations and miscellaneous revenue, and eight per cent (or $84,000 for 1949) from the Community Chests of Port Chester, Rye Harrison, Purchase and Mamaroneck.

So much for why the hospital needs Chest aid. The next question is, "Why has the hospital allotment from the Mamaroneck Chest been boosted from $9,000 to $11,000?"

The answer to that one is in the progressively enlarged budget of the last few years. Like everybody's household, running expenses have mounted; and, as must be the case in every first rate

**GUEST SPEAKER** at the combined meeting of the Mamaroneck Rotary, Lions and Kiwanis Clubs tomorrow night in the Blue Haven Inn will be Dr. Harold Korn, above. Chairman of the drafting committee of the American Association for the United Nations, Dr. Korn will speak on "The Role of the U. S. in the U. N."

## TWO GET SOAKING AS PLANE UPSETS

### Pilot and His Larchmont Passenger Thrown Into Eastchester Bay

A New Rochelle pilot and his Larchmont passenger escaped with a wetting Sunday in the choppy waters of Eastchester Bay, a quarter mile off Layton Avenue, Bronx, when their rented two-place Luscombe seaplane turned over.

The pilot Joel Lewis, 231 Lincoln Avenue, New Rochelle, and his passenger, Harry Elias, 15 Lookout Circle, Larchmont, found themselves prisoners in their safety belts momentarily. Hurriedly, they unfastened their belts and opened the plane's windows while they were upside down. On reaching the surface of the water, they sat on a pontoon until another plane picked them up.

The plane according to an Associated Press report had been rented from Surburban Air Service, Inc. Its seaplane base is about a half mile from Layton Avenue, in the Throgg's Neck section. The plane, damaged slightly, was towed ashore.

Lewis and Elias, friends, had done some local flying for almost an hour. After descending to the bay, the plane was being taxied toward its base when its windward wing was caught by a gust, according to reports, and the plane turned over on its left side.

Lewis, connected with a publishing house, and Elias, dealer in wholesale paper, both reported for work yesterday. Elias is well known in Larchmont as a polo player, having aided in the organization of the Saxon Woods Hunt Club.

## MORE WORKERS NAMED AS CHEST CANVASSERS

Lieutenants for four more districts were announced today by Mamaroneck Community Chest officials for the one - day drive Sunday.

They are: District 5 — Mrs. Peter Doern, Mrs. Ralston Miller, Robert Zimmerman, Mrs. Gene Gillette, Miss Dora Chiodo, Arthur De Fosses,Miss Zita Cullenan, Miss Eleanor Moneuse, Mrs. Ian MacDonald, Mrs. William Cutler, Mrs. Henry Holden, James Carty, captain.

District 8A — Miss Florence Haviland, Herbert Kivlin, Don Woodworth, Mrs. Jack David, Mr. and Mrs. John Sedwick, Mrs. Walter Miller, Mrs. William B. Sullivan, William B. Sullivan, captain.

District 8B — John F. Higgins, Mrs. Andrew Munier, Mrs. Franklin M. Biebel, Reinhold S. Olson, Paul W. Mack, Robert Tschampion, Miss Vivien LaRoza, Mrs. John H. Dallinger, David F. Britts Jr., Stuart Park captain.

District 11 — Mrs. Charles Goliah, Mrs. Arthur Carter and Mrs. Benjamin Morrell, assisted by a junior group including Gladys Hackney, chairman, Lillian Wallace, Pauline Gammon, Audry Hill, Vermell Rozmi and Elaine Wallace, Benjamin Morrell is captain.

## Security Council Acts Swiftly in Issuing 'Cease Fire'

PARIS, (AP)—The United Nations Security Council today unanimously ordered an immediate and effective cease fire by Jews and Arabs in the Southern Palestine desert fighting.

The council acted swiftly on the report of its interim mediator, Dr. Ralph J. Bunche, on the battle between Israeli troops and Egyptians for the Negeb desert.

Egypt had announced previously she would accept Bunche's request for a three-day cease fire. Israel rejected it. Israeli planes today bombed Gaza, Egyptian troop base and east of the recently formed Arab Palestine government, for the fourth straight day. The Egyptian Air Force, hitting back for the first time, was reported to have bombed the Jewish settlements of Nir Am and Dorot.

The 11-nation council first vote 9 to 0, with Russia and the Soviet Ukraine abstaining, to adopt a resolution calling for a cease fire and instructing Bunche to negotiate a settlement of the Negeb dispute. Syria proposed this resolution.

Russia objected to combining the cease fire with the negotiations and asked for reconsideration of the resolution by sections. Russia and the Ukraine then voted for the cease fire but abstained on the other section of the resolution.

The council also adopted unanimously a British-Chinese resolution calling upon Israel to report soon on any progress in the inquiry into the assassination of the mediator, Count Folke Bernadotte. The same resolution asked more cooperation from both Jews and Arabs with the truce supervisors.

The Israeli representative in Paris and Dr. Bunche clashed during the council hearing over the causes of the fighting. Israel charged the Security Council was "not completely and accurately informed" by Bunche on the Jewish-Egyptian fighting in the Negeb.

Bunche retorted that Israel had made the work of the truce observers increasingly difficult.

*(Turn to Page 3, Please)*

## SOVIET TIGHTENS BERLIN BLOCKADE

### All Highway Traffic Entering City Must Do So Via Russian Zone

BERLIN (AP — The Russians, in another move tightening move, announced today all highway traffic entering Berlin from any point must pass through the Soviet sector of the city.

There the Russians are subjecting all vehicles to search for confiscation of foodstuffs and other "contraband" articles destined for the sealed-off western sectors.

This meant that henceforth no German motor traffic coming from Potsdam or the southwest could enter the city directly, via the American sector. It now must go around the city and enter from the east.

Train traffic still came direct—but under close police observation. Communist-controlled police of the surrounding state of Brandenburg have closed off 10 major railroad stations on Berlin's western outskirts. Here police had orders to confiscate all foods carried by passengers over an allowed maximum of 11 pounds.

These measures were decreed at a meeting of Berlin and Brandenburg police officials at Potsdam.

Police officials said the orders were necessary to stop an "illicit" flow of produce from soviet zone farms into Western Berlin. They declared fuel, machine parts and manufactured products also were being brought through in this manner.

One Communist police spokesman asserted that if these "smuggled" supplies were shut off, Western Berlin could not survive with the Allied airlift.

"The Communists even had police patrolling Berlin's suburban lakes to search passengers on lake steamers en route to the American sectors of the city from the opposite shores in the Soviet zone.

## Combing The Town

### *Farewell Dinner*

About 90 guests are expected to attend a farewell dinner for Rae Ritchie of 1 East Avenue, Larchmont, at 7:30 P. M. today at the Pal-Mar Restaurant in Larchmont.

The former owner of the Rae Ritchie Gown Shop at 1953 Palmer Avenue, Larchmont, she will leave October 28 for Bradford, Mass., where she will live.

Sylvia Cluxton is chairman of a dinner committee which includes Sally Ryan, Harold Flinn, Gustav Klein and Joseph Smedick. Anyone wishing to attend the dinner may purchase tickets at the Pal-Mar tonight.

Rae Ritchie, who sold her shop to *Anthonette Combs of 15 Rocky Road, Larchmont, Sept. 1,* has lived in Larchmont 22 years. She purchased a home at 110 Carleon Avenue when she came here and two years later opened a private gown shop which was in business for 10 years. She then opened a shop at 1940 Palmer Avenue and has been in business there 10 years.

### *Appeal to Housewife*

A "Housewives for Truman" trailer caravan stopped in Mamaroneck yesterday on a two-day county tour.

The truck, equipped with a loud speaker, came to a halt at 1 P. M. on Mamaroneck Avenue near Palmer Avenue, where Mrs. Agnes McGrath, a member of the Democratic National Committee, urged housewives to help elect President Truman "to help bring prices down".

Mrs. McGrath was assisted by Mrs. Floyd H. Crews, vice chairman of the Democratic County Committee, and by the following Mamaroneck and Larchmont women: Mrs. P. Warren Green, Mrs. Henry Zeiger, Mrs. David Chisholm, Mrs. Mabel C. Howe, Mrs. Emily G. Murray, Mrs. Frank McGeough, Miss Eleanor Moneuse, Mrs. Walter Chudson and Mrs. William Eigert.

### *U. N. Week Display*

The League of Women Voters of Larchmont, in recognition of United Nations Week and in line with the interest in promoting the educational phases of the United Nations, have decorated a window at the Westchester Book Store on Palmer Avenue, Larchmont, with a U. N. theme.

Members participating in the window decoration were Mrs. Robert White, Mrs. F. P. Meehan, Mrs. W. B. Ketcham and Mrs. Isidor Greenwald.

Larchmont Camp Fire Girls have decorated a U. N. window at the Larchmont Center Tailors, under the supervision of Mrs. William J. Kohl and Mrs. Edward P. Polley.

### *Money Magic*

If anyone has been wondering how Village Treasurer Fred Bull manages to balance the village budget, it now can be told. Whenever he's short of funds, he just pulls them out of the air.

The secret was revealed last night during the annual dinner of the Mamaroneck Fire Department at St. Thomas's Community House when one of the entertainers, a magician, called unknowingly on Mr. Bull to assist him.

All the treasurer had to do was reach into the air and every time he opened his hand over a pail, a half-dollar dropped in.

### *Literacy Tests Drop*

The number of literacy tests given this year in the Rye Neck School District to prospective voters showed 40 per cent drop from the number in 1944 Superintendent Alvin W. Hicks reported last night to the School Board, bearing out the trend reported by the Mamaroneck district.

During the Fall registration period, 77 applications were approved, 45 women and 32 men. Of that number, 59 passed the literacy test and 18 presented day school credentials. Mrs. Norman Davis was in charge of the tests.

### *Party Time Nears*

Final plans for the Hallowe'en Party for the children of Mamaroneck, sponsored by the Mamaroneck G. I. Civic Association, were made last night at a special meeting of the association.

The party will begin at 1:30 P. M. Sunday, Oct. 31, in Columbus Park. Announcements of the forthcoming event, made in all the schools have been received with much enthusiasm. As the event of rain, the party will be held in the Mamaroneck Avenue School gymnasium.

### *Multi-Seasoned*

Spring is Spring and Fall is Fall—but the brain are meeting this week in a forsythia bush near South Barry Avenue and Oakhurst Road in Shore Acres, Mamaroneck.

The leaves of the bush have turned a dark shade of russet in keeping with the season. Strung along the branches like popcorn on a Christmas tree are bright yellow forsythia blossoms as fresh and abundant as an April morning.

---

**SPARE CASH . . .**

**Is always welcome, especially around this time of the year, with Christmas coming on. So if you decide to sell the old car, or the furniture, refrigerator, or old family jewelry . . . get in touch with the girl who can help you do it pronto—and at low cost. Call Mamaroneck 9-2100 and ask for one of our helpful ad takers.**

# IMMEDIATE PLAN URGED TO RELIEVE SCHOOL CROWDING

## More Classrooms Necessary In Rye Neck Schools Trustee Brown Says

A strong plea for immediate planning to relieve crowded conditions in the Rye Neck School District was made last night by Trustee Malcolm D. Brown to the other members of the Rye Neck School Board.

After hearing a preliminary report from Trustee Edgar B. Burchell on the work so far accomplished by a layman's committee surveying the school curriculum and the expected population growth in the school district, Trustee Brown launched what he termed "a criticism of this board and of the board's own planning committee of which I am a member."

He charged that the board was delegating to a citizens' committee duties that rightly belong to the board itself and contended that there is an immediate problem to be faced which is solely the responsibility of the board.

"We know, for instance," he declared, "that at the Daniel Warren School, a room intended for a shop is being used as a classroom and that shop classes are held in what was intended as a coal bin." He mentioned also the crowded conditions in the Barry Avenue and Bellows High School buildings and cited the fact that the kindergarten enrollment is the highest in the history of the school district, pointing to

# O'REILLY NAMED SCHOOL DOCTOR

## Appointed to Succeed Dr. Ingram In Rye Neck District

Dr. Philip J. O'Reilly of 701 Hall Street, Mamaroneck, was appointed last night by the Rye Neck School Board to serve as school physician for the coming year, succeeding Dr. A. Starr Ingram, who has resigned the post.

Superintendent Alvin W. Hicks explained that Dr. O'Reilly is not a resident of the school district but added that at the time Rye Neck physicians were given the opportunity and Dr. Ingram was the only one who replied.

Trustee William Pitts stated that he thought every effort should be made to secure a physician within the district although he thought no one "should be forced to take the job." Trustee John P. Fox said he saw no reason not to go out of the district to employ a doctor since the board observed no such limitations in going after the best possible teachers. He added, however, that he thought the board should continue to give all Rye Neck physicians the opportunity to apply when the position of school doctor is open.

Dr. O'Reilly was graduated from Fordham University in 1941 and from the Long Island College of Medicine in 1944. He served a year's rotating internship at St. Mary's Hospital in Brooklyn

# MAJOR PARTY PLANKS OUTLINED BEFORE CLUB

Analyses of the current political campaigns being waged by the Republican and Democratic Parties were presented last night at a meeting of the University Club of Mamaroneck in Blue Haven Inn by J. Harvey Turnure, chairman of the White Plains Republican City Committee, and Henry B. Zeiger, chairman of the Town of Mamaroneck Democratic Committee. Forty-seven members and guests attended.

Mr. Turnure, a lawyer who is a member of the Westchester County Republican Executive Committee and Republican State Committee, discussed the major issues between the parties, and outlined the principles for which the Republican Party stands. Mr. Zeiger presented the Democratic point of view.

New members introduced were Gabriel Wendel and Daniel Noonan. Guests included Fred Davis, W. O. Elliott, H. G. Twitchell and Harry Ramsay.

Richard Lawrence, recipient of the University Club scholarship, has entered Niagara University, it was announced.

**LEADING THE PARADE** of the Mamaroneck Fire Department last night was this new highway patrol jeep recently placed in operation on Boston Post Road by the Mamaroneck Police Department. The jeep is equipped with a two-way radio. The car is expected to cut down the speed of trailer trucks on the Post Road and discourage the recurrence of public nuisances. Inspecting the jeep are Patrolman John Pendergast, left, and Village Manager William H. Johnson. —Staff Photo

# CHEST PROVIDES HOSPITAL EXTRAS

## Grasslands Social Service Committee Shares In Mamaroneck Fund

The "little extras" that taxes cannot pay for are provided patients at Grasslands Hospital by a group of Westchester County women known as the Grasslands Social Service Committee. They will receive $100 from the $22,357 the Mamaroneck Community Chest will raise Sunday afternoon.

Every Westchester taxpayer knows that Grasslands is a division of the County Department of Public Welfare and that, in addition to the care it gives the needy sick residents of the county, it also trains nurses, internes, dietitians and other personnel and cares for such special cases as polio victims, patients with contagious diseases, psychiatric and tuberculur patients.

Last year the hospital served 5,086 bed patients, 8,000 clinic patients, treated 4,600 emergency patients and made 9,300 clinic visits to residents of the County Home, inmates of the jail or penitentiary and dependent children of the County Department of Family and Child Welfare.

All that service is paid for by your taxes.

The "extras" that the Social Service Committee provides with the help of Community Chest money include musical instruments and diversional equipment to buoy the minds and spirits of the patients, tobacco for the psychiatric division and the men's chronic ward. Child patients and children or ill parents are sent to camp. Papers, books and magazines necessary to mental health are provided. The committee also plans entertainment and instruction and gives parties for the patients in the psychiatric and T.B. divisions.

# 7 TRAFFIC VIOLATORS FINED TOTAL OF $41

A total of $41 in fines was collected from seven violators of traffic rules by Judge John R. Cahill in Larchmont Police Court last night.

Fined $2 for parking violations were Stanley J. Whitman of 7 Parkway, Jenny Benhaim of 75 Echo Avenue, and Patricia Pugh of 220 Palmer Avenue, all of Larchmont, and Samuel Weinzemmer of Scarsdale.

S. C. Santoro of 529 Stanley Avenue, Mamaroneck, paid $3 for operating an auto without an operator's license in his possession.

James K. Polk of Pelham was fined $10 for speeding at 45 m.p.h. and Hezikiah Erwin of Kings Mountain, N. C., was fined $20 for speeding at 50 m.p.h.

### State Charter Granted To Larchmont Garage

The following Larchmont corporations has been chartered by the Secretary of State:

Larchmont Garage Inc., Larchmont, with capital of 200 shares no par value stock, three shares subscribed, to deal in automobiles, motor trucks, motor boats, etc.

Michael J. Cantor, Elizabeth Cantoro, Chatsworth Garden Apartments, Monroe Linter, 137 Post Road, Larchmont, are directors and subscribers.

Jerome N. Wanshel, 400 Madison Avenue, New York, N. Y., is attorney for the incorporators.

# *300 Fire Fighters Parade At Annual Inspection Here*

The sound of booming drums, wailing sirens and hundreds of marching feet reverberated in the clear, crisp air last night as the Village of Mamaroneck Fire Department held its annual inspection and parade.

Many residents who braved the chill night air gathered along the line of march to watch the more than 300 firemen of the department's five fire companies and their gleaming apparatus pass in review.

Starting shortly after 8 P. M. the firemen, resplendent in their blue coats with brass buttons, paraded from the Halstead Manor Fire House to Mamaroneck Avenue, where they lined up for inspection.

Following the inspection, the parade proceeded to the St. Thomas's Community House on Mount Pleasant Avenue, where a roast beef dinner was served.

Among the village and town officials who attended the dinner and were introduced by William Kuhn, master of ceremonies, were Mayor B. J. Santoro, Village Manager William H. Johnson, and Trustees James J. Jackson and John Withers. Mr. Kuhn read messages of greetings from Trustee Ralph H. Mann, who had paraded with the firemen but was unable to attend the dinner, and from Trustee Alfred Weeks, who is ill.

Also introduced were Supervisors Owen A. Mandeville of the Town of Mamaroneck and Arthur G. Sammaro of the Town of Rye, who was accompanied by Richard Connolly and Edward Kuhn of the Rye Town Council; Village Clerk Fred Bull and Village Attorney Anthony Sansone of Mamaroneck, and Town Clerk Charles J. Gronberg.

Ex-Mayor William E. Lyon was also present. Ex - Mayor Adrian Bedell, honorary chief of the department, made an appearance earlier in the evening but had to leave before the dinner started.

The Rev. Arnold A. Fenton, rector of St. Thomas's Church, delivered the invocation, followed by the Rev. Blaise Del Negro, pastor of St. Vito's Church, who offered a prayer in memory of the departed members of the department.

Mayor Santoro thanked the members of the department on behalf of the residents "for the splendid fire protection you have given us during the year." He also complimented the department for the fine manner in which it conducted the annual bazaar at Harbor Island.

He paid special tribute to Chief William Lemon. "He's quiet, and doesn't say much," the mayor stated, "but he has done a splendid job in leading the department." He concluded by wishing the department every success for the coming year.

Words of praise for the department were also heard from Village Manager Johnson and Supervisors Mandeville and Sammarco.

A highlight of the dinner was

(Turn to Page 3, Please)

# HOME BUILDING UP IN RYE NECK

## Many More Children Seen Crowding Schools In Near Future

In the Rye Neck School District, 37 homes are under construction and 171 additional structures loom in the near future, many of which are to pour a stream of children into the already overcrowded schools of the district.

These figures were revealed in a preliminary report presented last night to the school board by L. C. Meskimen of 325 Frank Avenue, chairman of a sub-committee on population projection, a unit of the citizens' committee surveying the needs of the Rye Neck District.

The report states that the estimate is based on a study of building lots in the area. The prediction of 171 future structures discounts several large Greenhaven areas, the report states, and the figure "would be upset if some such project as a garden type apartment building were to be permitted."

With the help of statistical material provided by Trustee Malcolm D. Brown with the assistance of Trustee John P. Fox, the committee is now endeavoring to compile figures on the future pupil population.

Assisting Mr. Meskimen on the committee are F. W. Begrisch of 10 Sound Road, Greenhaven, Lewis H Donaldson of 319 South Barry Avenue, general chairman of the survey; O. G. Hanson of 203 Carroll Avenue; J. P. Higgins of 325 Florence Street; Alvah R. Small, Jr., of 1503 Rose Avenue; and William D. Sullivan of 1501 Pine Knoll Lane.

Mr. Donaldson and Davis Schwarz, chairman of the sub committee studying curriculum, attended the board meeting.

### Parked Auto Damaged On Chatsworth Avenue

A parked auto owned by Mrs. Samuel S. Golden of 11 Glen Eagles Drive, Larchmont, was damaged at 9:10 P. M. last night when it was struck by an auto operated by John A. Cassino, twenty-one, of New Rochelle, Larchmont police reported today.

Police stated that the Golden auto was parked at a 45-degree angle to the curb in front of 2 Chatsworth Avenue, Larchmont. Caruso told police that as he was lighting a cigaret he lost control of his auto while making a left turn off the Post Road into Chatsworth Avenue, striking the left front of the Golden car.

Police said damage to the Golden auto included the front wheels and steering gear, radiator, left front fender and panel, and front bumper and fenders. No damage was reported to the Caruso auto. No charges or arrests were made, according to police.

# WOMAN PEDESTRIAN KNOCKED DOWN BY CAR

A 65-year-old Mamaroneck woman suffered a bruised elbow and a sprained knee yesterday afternoon when she was knocked down by a car backing out in front of the Mamaroneck Free Library on Prospect Avenue.

Mamaroneck police reported that the car operated by Robert Smith, 437 Center Avenue, Mamaroneck, backed into Mrs. Angelina Celestino of 149 Elm Street Mamaroneck.

Mrs. Celestino was treated for shock as well as her injuries by Dr. Peter Fauci of Larchmont.

### NAACP Branch Slates Cake Sale Saturday

Final plans for a cake sale, proceeds of which will be used to finance the new branch newspaper, were made last night at the regular meeting of the Mamaroneck Branch, National Association for Advancement of Colored People.

The sale will be held at 354 Mamaroneck Avenue Saturday at 9 P. M.

# Red Korean Rebels Seize Towns, March To Battle Troops

# *Rep. Gamble Calls For Return Of Government To The People*

NEW YORK—The chief issues before this nation are (1) The return of labor union control to its members; (2) Return of control of business to its owners and (3) Return of control of government to the people of the United States.

Such was the declaration made last evening by Representative Ralph A. Gamble of Larchmont, speaking before the Republican Business Women, Inc., at the National Woman's Republican Club. *His topic was "National Issues."*

"Our opponents would pin upon us responsibility for inflation and for all the other disastrous effects of their inaccurate or evil thinking," Mr. Gamble said in his address. "Whereas, the truth is that many of the ills confronting the United States and the world, and they are root causes for high prices, stem first from experimentation in socialization and communization from 1933 until the opening of World War II, and since then from the betrayals at Quebec, Yalta, Teheran and Potsdam, and also from the adherence to these betrayals since then, through one act after another of political expediency by our opponents.

"These years which the locust hath eaten have left us now with an impoverished world looking to us for temporary material aid and ultimate spiritual leadership. In proof of these ghastly errors did the Republican Party have any part. Our leaders in Congress were not consulted when the tottering structure for peace was being built."

"As we have seen in the last week or so the so-called bi-partisan policy in foreign affairs has been a myth not only insofar as the Republican Party is concerned, but also as involving hidden actions and political maneuvering within the leadership of the Democratic Party itself. I refer, of course, to the contemplated betrayal by President Truman of

# ALCOHOLIC AID URGED BY CAHILL

## New York Far Behind Other States In Treatment, Judge Says

More than 400 persons attended a regional meeting of Alcoholics Anonymous last night at the Weaver Street Firehouse, Larchmont, where they heard a talk by Judge John R. Cahill of the Larchmont Police Court on the alcoholic problems that come before his desk. A. A. members from Westchester and lower Connecticut attended.

Judge Cahill said that he hesitates to send a man to the county penitentiary when he knows the man is sick and should be hospitalized.

He urged provision of more beds for alcoholics in the country. If a man is sick, he should be treated as such, Judge Cahill said. He said that New York State is far behind other states which have provided clinics and screening and processing departments in the treatment of alcoholism.

Grasslands Hospital, he said, is the only place alcoholics can be sent to in Westchester, but it is usually filled and will take only psychotics. When an alcoholic is committed there, the judge said, he is soon released and then goes out and begins drinking again.

Parents are largely to blame for the delinquency found in youth, Judge Cahill declared. They should realize more fully their responsibility in bringing up their children, he said.

The Rev. Floyd E. McGuire of the Larchmont Avenue Presbyterian Church, led a prayer at the close of the meeting.

William Wilson of Bedford Hills, co-founder of A. A., outlined the past work of the organization and discussed plans for the future.

### McCullough to Speak At C.O.P. Meeting

State Assemblyman Frank S. McCullough of Rye will be the principal speaker tomorrow night at a meeting of the Rye Neck Young Men's Republican Club, Joseph Humphreys, president, announced today.

The meeting, scheduled to start at 8:30 P. M., will be held at the Mamaroneck Fire Clubhouse on East Post Road. Republican officials of the Town of Rye will also be present.

### Prague Court Sentences Mrs. Heydrich in Absentia

PRAGUE (AP) — Margreta Heydrich, thirty-seven, widow of "hangman" Reinhard Heydrich, was sentenced in absentia yesterday to life imprisonment for torturing Jews.

The widow of Hitler's assassinated protector of Bohemia and Moravia, is reported by the Soviet sponsored news agency and to be living in the British Zone of Germany.

# *Kidnap Baby Found Alive*

BALTIMORE, (AP)—Ten-week-old Jo Ann Mercantotte was reported found alive in surburban Baltimore County today, 21 hours after she was snatched from her carriage.

No details were available immediately, but the report was given by the driver of a police car which rushed the baby's parents to headquarters from their home. Other police were converging at the same time at Myers Ridge, a community in the county, east of Baltimore.

There was no immediate indication of any arrests.

Baby clothing was found earlier in a cemetery about two miles from the street corner where Jo Ann disappeared.

Residents of the neighborhood told police they saw a woman get out of a car and toss something over the cemetery fence. Police found a pink baby jacket, bunting, and a white carriage pad.

The cemetery is almost two miles from the street corner where Jo Ann was snatched yesterday afternoon from her carriage. Her 26-year-old mother, Mrs. Michael Mezzanotte, was in a drug store.

The sleepless and grief-stricken parents asked the abductor to negotiate through their church.

Meanwhile police conducted a search for a woman whom passersby saw near the scene carrying a "bundle" in a pink-and-white blanket.

They said that Mezzanotte, a railroad worker, was "not wealthy." The pair asked the abductor to contact St. Katherine's Church here.

### Americans Not Involved In Flareup in South —Rhee Home

SEOUL, (AP)—A pitched battle between loyal and insurgent Korean soldiers was expected in the extreme southern part of Korea tonight after a rebel band of soldiers killed or captured 100 policemen at two towns.

Martial law was declared in South Korea—the American zone —by Home Minister T. Y. Yoon shortly after President Syngman Rhee returned here from Japan.

The uprising began at Yosu on the south coast and spread quickly to Sunchon, 12 miles away. Yoon said the rebels were led by Communist soldiers.

Sunchon is 135 miles south of Seoul on the south central coast, and Yosu is south of there on a tiny peninsula. The two cities are about 180 miles south of the 38th parallel which divides the American and Russian zones of Korea.

Police stations of both towns were burned. Loyal soldiers at Yosu were evacuated by the Korean Coast Guard after the uprising.

Troops and Korean police were sent to meet them. Government authorities expected a battle during the night but because of the remoteness of the area reports from there were not expected until later.

Yoon said the rebel force may number 4,000 men. He said a Communist cell among 2,500 Korean soldiers based at Yosu was to blame for the uprising, which started after the arrest of the cell leader.

After subduing the police at Yosu, the rebels, then 600 to 800 strong, commandeered a train and advanced on Sunchon, Yoon said. By midafternoon, the Home Minister said, the Sunchon police were overcome, and the growing band of insurgents headed for Kwangju by train and truck.

Maj. Gen. Orlando Ward, commander of the U. S. Eighth Division with headquarters at Pusan, told the Associated Press by telephone he was "reasonably sure" no Americans were involved in the fighting.

# BELLOWS HOCKEY PROGRAM SHELVED

## Expense, Injuries, Lack Of Interest Cited In Report

The Rye Neck School Board last night turned thumbs down on ice hockey as part of the sports program for the coming year after hearing what the trustees termed "a negative report" from Superintendent Alvin W. Hicks and T. C. Hasley, director of athletics.

The report states that the probable expense of such a program would be about $976 and that only 26 boys have expressed a desire to participate. In 1945, 30 boys indicated an interest in hockey but only 18 tried out for the team and at the end of the season, only nine boys were available for the final game. Injuries that year included a concussion, a kidney injury, a groin injury and a fractured hand.

"It is necessary to have three full teams available to carry on a hockey team successfully and safely," the report continues. "Based on our experience in 1945-46 we would need at least 60 boys interested in ice sport if 18 players are to be available throughout the season."

The statement also cites the difficulties and expense involved in practicing and playing at the Rye rink and adds that the late hours of the final game often kept players home from school the following day. The superintendent, principal and coaches who prepared the report also agreed that the game was too highly commercialized for a high school sport and that the high school boys were exploited for private gain".

# RYE BOARD CALLS FOR IN REM BIDS

## 250 Parcels to Go On Sale; Council Accepts Offers On Nov. 12

The Rye Town Council at its meeting last night at the Town Rooms, 125 North Main Street, Port Chester, with Supervisor Arthur G. Sammaro presiding, approved Friday Night, Nov. 12 as the date on which to receive bids on approximately 250 parcels of properties included in the Town's in rem proceedings involving parcels against which there are unpaid taxes for more than three years.

A list of the properties will be advertised in The Daily Item, Rye Chronicle and The Daily Times within the next two weeks, Supervisor Sammarco announced. Bid forms, however, are now available at the town rooms. All bids are subject to approval of the Rye Town Board, the Board of Trustees of the Village of Port Chester, the City of Rye Council and the Board of Trustees of the Village of Mamaroneck.

The sale of the properties involved in the in rem proceedings on Nov. 12 will be held at the new Town of Rye Offices Building, 10 Pearl Street, Port Chester.

The Board on recommendation of Supervisor Sammarco approved the offer of the Chevrolet motor Sales Inc. of Port Chester to replace the Chevrolet police car damaged Oct. 4 when Patrolman Edward Hall struck a tree on Hawthorne Avenue, Town of Rye, for $928.

Approval was also given Supervisor Sammarco's motion that the board issue an $18,910.57 tax anticipation note to the County Trust Company at the interest rate of .99 per cent. It will run from Oct. 23 until July 1.

### Carter For Dewey

GREENVILLE, Miss., (AP)—Hodding Carter, editor of the Greenville Delta Democrat Times, published in traditionally Democratic Mississippi, announced today his support of Governor Thomas E. Dewey, Republican candidate for President.

# The Daily Times

## Combing The Town

### *Rescue Recognition*

The Mamaroneck Town Council last night unanimously adopted a resolution commending Donn Bernard Duffy, fifteen-year-old son of Mr. and Mrs. Edward P. Duffy of 5 Woody Lane, Larchmont, for rescuing a drowning waiter from the Bonnie Briar Country Club pool last Aug. 28.

Duffy, who is the junior diving champion of Westchester County was sitting on the club veranda the night of Aug. 28 after the pool had been closed when he heard a cry for help. He raced down to the pool, flicked on the lights and dove in with all his clothes on to bring up the submerged John C. Davitt, three or four minutes after he had gone under. Because of Duffy's quick thinking and action, it was possible to revive Davitt by means of artificial respiration and later with the aid of a resuscitator.

### *Leads Blood Donors*

Frank M. Totton of 139 Rockland Avenue, Larchmont, grand master of the New York State Masons, led a delegation of 100 Masons from Greater New York who yesterday gave blood for the new bank at the Manhattan Blood Center, 4 East 37th Street, New York City.

Mr. Totton said the donations constitute the greatest post-war project of the Masons in New York City. He said about 5,000 of the 140,000 Masons in the city would participate in a year-round rotation program with 1,000 pints of blood as the goal this Fall.

He was officially congratulated yesterday by Mayor William O'Dwyer, who said that the blood reserve will help New York meet any crisis.

### *Completes Basic*

Pvt. Fyron J. Clark, son of Mrs. Byron Clark, Jr., of 12 Huguenot Drive, Larchmont, has completed basic training at Fort Meade, Md. He was home on furlough two weeks ago and is now taking advanced training with the Third Cavalry Group.

Pvt. Clark entered the Army July 26. He is a graduate of Phillips Academy at Andover, Mass., and completed his freshman year at Colby College before entering the service.

### *Aid to Children*

The second annual card party and bridge of the Mamaroneck Kiwanis Club will be held tomorrow at 8 P. M. in St. Thomas Community House.

Proceeds from the affair will be used by the Kiwanis Club for its boys' and girls' work through aid and guidance to the youth of the community.

### *Vacation for Judge*

Judge Wesley M. Messersmith of Larchmont Acres, Larchmont, left Saturday for a two-week vacation. It is believed that the Town of Mamaroneck Police Court justice will spend most of his time in Ohio.

# 10 COAL MINES FLOODED, FIRED, PARIS REPORTS

## Ministry Charges Neglect Is Cause; Coal-Damp Explosions Feared

PARIS, (AP)—A force of 1,000 striking miners beat back police and were reported to have wounded 30 of them in a 15-minute battle today for the Ricard mine near La Grand-combe, in South Central France. Ten of the injured police were in a serious condition, the semi-official French News Agency said. One miner was wounded. All were taken to the mine hospital.

PARIS, (AP) Ten French coal mines have been flooded and one set afire by the neglect of strikers the Interior Ministry charged today.

There were reports of new clashes between police and pickets as the police used tear gas in clearing the way to pitheads. Violence was said to have erupted again at the Combefort mine near St. Etienne and at La Grandcombe in South Central France. More troops rushed to trouble spots in that section.

The strike began Oct. 4. Violence flared this week when Communist union leaders ordered maintenance crews to abandon mine pumps and ventilators.

The flooded mines are in Central and South Central France. In the North, where two-thirds of the country's coal is found, the mines are dry. But there is the neglect of mine security services has created the danger of coal-damp explosions.

SIXTY to 80 truckloads of soldiers have been dispatched to the St. Etienne sector, where 50 persons were injured yesterday in a clash between strikers, troops and police.

# AIR CRASH KILLS 37 IN SCOTLAND

## Only 3 Survive Airliner Plunge With Nine Americans Aboard

PRESTWICK, Scotland, (AP)—A flaming Royal Dutch Airlines Constellation crashed in a bog of pasture near here today, killing 36 of the 40 persons aboard. Nine of the dead were Americans.

Two persons, both Dutch, survived the crash. They are Willem Hendrik Philippo of 1270 Broadway, New York City, and Flight Engineer Jacob Reenkencamp. Both were reported gravely injured.

Six persons were taken from the wreckage alive, but four died in hospitals later. Identification of the burned victims has not been completed.

Among the dead was Prince Alfred Hohenlohe, fifty-nine, of Austria, an international society figure. He was enroute to visit his son, Alexander, who lives at 927 Fifth Avenue, New York City.

The huge four-engined plane, enroute from Amsterdam, burst into flames after it struck a high tension wire while groping for fog-shrouded Prestwick Airport.

The pilot radioed the control tower at the field:

"I have hit something. I am going on fire. Attempting to climb——"

Nothing more was heard from the plane.

Identification of the victims, some burned beyond recognition, had not been completed by mid-morning. Only six persons got out of the flaming wreck alive, all seriously injured, and three of them died later of burns and other injuries.

# ILLNESS IS FATAL TO ELISSA LANDI

## Motion Picture, Stage Star Dies at Hospital In Kingston at 43

KINGSTON, (AP)—Elissa Landi, Italian-born actress and novelist, died of cancer today at the age of forty-three.

Miss Landi, reportedly the granddaughter of Empress Elizabeth of Austria, died in Kingston Hospital, where she had been a patient for the past 10 days.

Dr. Kenneth Lefever, who announced the cause of death, said the actress "never knew she had cancer."

Miss Landi was an artist of multiple facets, equally successful as motion picture and stage star, as a novelist, as a linguist as a pianist and as a singer.

Her varied talents, combined with a subtle blonde beauty, won her praise from both dramatic and literary critics of a half dozen nations.

Miss Landi came to the United States in 1931 and made her Broadway stage debut in the leading feminine role in Rouben Mamoulian's production of "A Farewell to Arms."

She retired from the stage and screen four years ago and had spent her time writing on her 123-acre farm, "Bright Acres," near Kingston.

**BOOKS GROUP TO MEET**

The second meeting of the Great Books Discussion Group will be held at the Mamaroneck Free Library, this evening at 8 o'clock. Under the leadership of Miss Marguerite V. Moody the group will discuss, Herodotus, The Persian Wars.

# Big Five Back Plan Of Security Council To End Differences

## *Most Difficult Years Behind U. N., Three Civic Clubs Told*

(PHOTO ON PAGE 15)

That the United Nations has survived in spite of the open antagonism between the two great powers and that it has removed many conflicts between these nations and has many times avoided the outbreak of a shooting war is adequate proof of the necessity for its continuation, Dr. Harold Korn told more than 65 members of the Mamaroneck Lions, Rotary and Kiwanis clubs at a combined meeting at the Blue Haven Inn last night.

"The United Nations has survived its most difficult years," said Dr. Korn, chairman of the drafting committee of the American Association for the United Nations.

"Its record offers no basis for complacency, but, on the other hand, it offers no basis for pessimism. I cannot stress this point too often: The constructive achievements of the United Nations do not rate the newspaper scareheads that its failures receive, and are easily forgotten. Had I the time, I could recite 30 major political achievements of the UN since its inception."

There has been much nasty name-calling in the UN, admitted Dr. Korn, speaking in observance of United Nations Week, but "rough waves do not break bones or shed blood" and they are far better than a shooting war. He said work of the Social and Economic Council of the UN might well transcend that of the Security Council and cited many examples, including the inauguration of a "fair and effective trustee system to replace the outmoded mandate system."

Speaking of the Palestine problem, he said that the partition plan as passed by a two-thirds vote in the General Assembly on Nov. 29, 1947, was one of the rare instances when the United States and Russia agreed on a major political issue. The solution of the issue, he continued, has been made most difficult by the promises of Great Britain during and after the first World War.

British and United States oil interests in that part of the Middle East date back to the founding of the Anglo-Iranian Oil Company in 1921, he said. Oil is badly needed, he declared. The fact that the United States policy toward Palestine as announced last November could not be carried through is very disappointing, he said. It holds us up to scorn because it reflects the weak and vacillating policy of the State Department, according to Dr. Korn.

The Bermudaite plan was not

# FIREMEN'S PARADE SET FOR TUESDAY

## Three Speakers Scheduled For Dinner Following At Bonnie Briar

Final plans have been made for the second anfnual inspection and parade of the Town of Mamaroneck Fire Department Tuesday night, William K. Fordyce, inspection committee chairman, announced today.

All members of the department, town officials and guests, and members of the Police Department will participate in the parade, which is scheduled to begin at 7:30 P. M.

The parade will be from the Weaver Street Fire Headquarters to Myrtle Boulevard, and along Myrtle Boulevard to Murray Avenue. On arrival at Murray Avenue, the department personnel will line up on the easterly side of Murray Avenue, while the apparatus will line up on the westerly side of the street.

Officials and guests will comprise the inspection party and will pass through the ranks. Following the inspection, the parade will proceed along Murray Avenue to Emerson Place, turning right to Maple Hill Drive, along Maple Hill Drive to Weaver Street, and back to fire headquarters, where the parade will disband.

Following the parade, guests and members will go to the Bonnie Briar Country Club for the annual dinner.

Three distinguished speakers are expected to address the firemen. They are Eddie Dooley of Mamaroneck, football forecaster and sportswriter; ex-Chief Harold Burke of the New York City Fire Department, and Jimmy Powers, sports editor of the New York Daily News.

Mr. Dooley is heard every Friday night over WNBC predicting the outcome of the following day's games. The former All - American Dartmouth quarterback is also writing a syndicated series of sports articles which is being distributed to 800 newspapers through Newspaper enterprise Associates.

In addition to his radio and writing work, Mr. Dooley is director of public relations of the State Division of the American Cancer Society.

### Democratic Club Sets Card Party Oct. 29

Plans for a card party to be held Friday, Oct. 29, at Carpenter's Hall on Ward Avenue, Mamaroneck, were discussed last night at a meeting of the party committee of the Mamaroneck Democratic Club at the residence of Miss Josephine Biando.

Chairman of the committee is Mrs. Anthony Federico. Other members are Mr. and Mrs. Nicholas Leon, Mrs. Jacob Lois, Miss Eleanor Monesse, Mrs. Benedict A. Hoffa, Miss Biando, and Joseph Hunter, president of the club.

### Dr. Menninger Named To Medical Draft Unit

Appointment of five physicians to a medical advisory board for Local Draft Board 11 was announced today by D. J. Pastorelle, local board chairman. Mr. Pastorelle said the five have been approved by State Selective Service Headquarters.

Doctors named are Dr. David A. Lubarsky and Dr. Clement H. Davidson of White Plains; Dr. George C. Menninger of Mamaroneck, Dr. George J. Hogben of Rye, and Dr. Bernard J. Gioffre of Port Chester.

Medical advisory board members will examine draft registrants who claim disqualifying physical defects, Mr. Pastorelle explained. The examination will screen out known 4Fs before pre-induction physical examinations.

### Dulles Pledges Effort Anew to Reach Agreement

PARIS, (AP) — The five big powers declared themselves today in favor of settling their differences peacefully.

While the Security Council's six neutrals polished their new formula for settling the Berlin crisis, the "Big Five" announced support of a Mexican resolution appealing to them to settle their differences.

Russia and France supported the idea unconditionally; the U. S., Britain and China made no reservations at the beginning of the debate in the 58-nation political committee.

John Foster Dulles of the United States, in his first speech at this U. N. session, pledged "renewed efforts" to reach agreement with the other big powers.

Dulles agreed with the Mexican proposal that the great powers had a special responsibility to the world as a result of their strength and importance.

**Vishinsky Not Satisfied**

Soviet Deputy Foreign Minister Andrei Y. Vyshinsky and France's Maurice Couve De Murville approved the principles of the resolution but said it should be amended.

Vishinsky said the Mexican "wording is not quite satisfactory."

Britain's Sir Hartley Sawcross said the big powers should give more than just "lip service" to the Mexican proposal. He pledged his country to show "good will, tolerance and patience" in efforts to reach a solution of "all the problems now before the world."

The political committee wound up debate on the Mexican proposal in a rare atmosphere of friendship and conciliation.

Shawcross said Vishinsky had been "so kind." Vishinsky said committee chairman Paul-Henri Spaak of Belgium had "been so good." Everybody agreed on the Mexican resolution and it was

# GUIDANCE CENTER FUND INCREASED

## Psychiatric Clinic to Get $500 As Mamaroneck Chest Allotment

The organization receiving the largest percentage of increase from the Mamaroneck Community Chest this year is the Child Guidance Center in New Rochelle, a psychiatric clinic for children of this area who have behavior problems.

With an allotment increased from $30 to $300, the Child Guidance Center is one of 26 out of 10 beneficiaries which will receive more money this year from the $22,357 the Mamaroneck Chest will raise Sunday afternoon. Those increases, plus the $885 to be given for the first time to the USO, account for the 30 per cent increase in the overall budget.

Although the Child Guidance Center is located in New Rochelle, it also serves surrounding communities and of the 326 cases handled since its inception in 1942, 25 are from Mamaroneck. Last year, 12 children from this village were treated and, of the 30 cases handled by the newly organized Veterans' Division, five were from Mamaroneck.

The fees are based on the parents' ability to pay and the remainder of the Center's support comes from the Community Chests of New Rochelle, Mamaroneck and Pelham; the Eastern Westchester and Pelham Junior Leagues, the Woman's Conference of the Westchester Society for Ethical Culture, the Karet League and individual contributions.

The purpose of the Center is to meet "the urgent need for a Guidance Clinic to which children representing behavior problems may be referred for help . . . through its contact with the parents, school and the child himself to determine the cause of the difficulty and to bring about a healthier development."

It is manned by a staff of psychiatrists, psychotherapists, psychiatric social workers and secretaries functioning on a daily basis under the direction of Dr. Mark Kanner. The Veterans' Division is headed by Dr. Henry Schneer and its facilities are available to any veteran without charge through the V. A.

# COUNCIL TO STUDY '49 TOWN BUDGET

## Supervisor Will Present Document At Next Council Meeting

The proposed 1949 town budget will be submitted by Supervisor Owen A. Mandeville at the next Town Council meeting Nov. 15 for preliminary adoption, it was announced at last night's meeting of the council.

Following the preliminary adoption, the council will set a date for a public hearing on the proposed budget which must be held not later than Dec. 10 and after notice by publication at least 10 days prior to the public hearing. After the preliminary adoption, the budget, in general, may not be increased, but it may be decreased.

Formal adoption of the budget must take place anytime within five days after the public hearing. In the last few years, the budget has been formally adopted the night of the public hearing.

At the next meeting, the council will hold a public hearing on the proposed rezoning of Class A residential property northeast of Old White Plains Road, known as the Hall, Prince Willows and Seymour properties, to Class AA. The change in classification was re-

(Turn to Page 15, Please)

# HEALTH DEPARTMENT PLANS VILLAGE CENSUS

A census of the Village of Mamaroneck will be taken, beginning Monday. It was announced yesterday by Dr. William A. Holla, county commissioner of health.

The last census was the Federal enumeration in 1940, but estimates of changes since that time made by the State Department of Health and other organizations have varied so widely that it has been deemed wise to make an actual count, Dr. Hoffa said.

Tabulations will be made by certain age groups and by race, not only for the village as a whole, but for the three Federal census tracts and for smaller divisions.

The health Department will be assisted by the Eastern Unit of the Westchester Junior League and other local women who have volunteered to make the house-to-house canvass.

# *U. N. Branded 'Weak League' As Speakers Urge World Rule*

More than 100 persons in the Weaver Street Firehouse auditorium last night heard three speakers paint a bleak picture if World War III should ever come and urge the establishment of a federated world government to avert anarchy and chaos, at a meeting sponsored by the Larchmont Chapter of United World Federalists.

Any one and any nation in war-torn Asia and Europe is for world government," Madame Hilda Yatsing Yen, a member of the United Nations Speakers' Research Committee, declared, maintaining that "true peace means federation on a world scale." Peace is uppermost in the minds of her own people, she said, describing some of the horrors they have experienced.

Madame Yen, former member of the U. N. international Secretariat and technical consultant on the Chinese Delegation to the Dumbarton Oaks Conference, said that no league of sovereign nations has ever succeeded and will ever succeed. She cited specifically the League of Nations, in which she represented China from 1935 to 1937 on the question of the status of women.

"Only world federation has enough power to insure peace," Madame Yen declared.

She scored the U. N. as a weak organ in which each of the 58 nations "is pulling in its own direction."

It was heartening, she said, to see the U. S. and U. S. S. R. agreeing on the Palestine issue, but very discouraging when the U. N. tried to deal with the issue. The U. N. has no force whatsoever, she said, but can only recommend.

Great Britain, France, India and China are ready to join a real world government, Madame Yen declared, and the other war-torn nations are merely waiting for the U. S., the real world leader, to lead the way.

She emphasized that people do not give up anything in a world government, but merely "re-divide their sovereignty."

"A world federal government would implement the brotherhood of man and would dispel so much of the mutual fear and suspicion which has arisen between the U. S. and the U.S.S.R.," she stated.

She said that the small nations of the world are "prostituting" themselves in the U. N. because they need aid, but that in a world government they would have an equal voice with the larger nations.

As Confucius said: "The world is for all," Madame Yen declared. The world is ready for and needs world government, she concluded.

Herbert Maza, instructor in American Government, American Foreign Policy and World Politics at the College of the City of New York, said that the need for security is the most important need of individuals, groups and nations, and that world security can only be achieved through a world federation.

"No one nation can maintain itself on its own efforts for a long period," said Mr. Maza. History has shown that and is showing it now with the disintegration of the British Empire, he said.

Declaring that the United States is "on top of the pile now," Mr. Maza asked whether we are going to rely on our own efforts

### Mandeville Re-Elected Realty Group Head

Owen A. Mandeville, head of the Mandeville real estate office in Larchmont, was re-elected chairman of the property management division of the Westchester County Realty Board at a meeting Tuesday at the Winged Foot Golf Club, Mamaroneck.

Other officers elected were Raymond R. Beatty of Scarsdale, president of Raymond R. Beatty Inc., vice chairman; Robert C. Colwell of New Rochelle, a member of the firm of H. E. Colwell and Sons Inc., treasurer; and Everett T. Houghton of Mamaroneck, president of Houghton Associates Inc., secretary.

GUEST OF HONOR at a farewell dinner at the Pal-Mar Restaurant, Larchmont, last night, was Rae Ritchie, second from left, shown with Sally Ryan of The Accessory Shop, left, Sylvia Cluxton of the Cluxton gown shop, and Gus Klein, dry goods store proprietor. Mrs. Ritchie, who has been in the gown business here for more than 20 years, is moving to Massachusetts. The dinner was sponsored by the Larchmont Fair Trade Association.

—Staff Photo

# *Seventy At Farewell Dinner Pay Tribute To Rae Ritchie*

Seventy persons last night paid tribute to Rae Ritchie, former owner of the Rae Ritchie Gown Shop at 1953 Palmer Avenue, Larchmont, at a farewell dinner in the Pal-Mar Restaurant sponsored by the Larchmont Fair Trade Association.

Mrs. Ritchie, who recently sold her shop to Antionette Combs of Larchmont, will leave Oct. 28 for Bradford, Mass., where she will make her home. She has been in the gown business here for more than 20 years.

Harold Eisner, president of the Fair Trade Association, led a toast to Mrs. Ritchie, describing her as "a noble and faithful comrade" in the association. He said she was always ready to lend a helping hand to the cause of the association.

Sally Ryan, owner of The Accessory Shop, said that she regrets the loss of Mrs. Ritchie, "a wonderful pal and a faithful friend to live and work with."

Miss Ryan presented Mrs. Ritchie a leather overnight case in behalf of the association.

Sylvia Cluxton, owner of Cluxton's gown shop, praised Mrs. Ritchie as "one of the grandest competitors I have ever known." She said she and Mrs. Ritchie pioneered in the gown business in Larchmont.

Mrs. Ritchie introduced Mrs. Combs, the new owner, and thanked the association and all those who took part in the dinner.

An ornamented cake with a horseshoe and the inscription, "Good Luck, Rae", was presented by the association, after which Mr. Eisner led in group singing. Dancing followed the dinner.

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS — MAMARONECK, N. Y., FRIDAY, OCTOBER 22, 1948 — BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**

Tonight increasing cloudiness, low in middle 40s. Tomorrow cloudy and milder, followed by rain at night, high near 60. High tides today at 1:15 P. M., tomorrow at 1:47 A. M. and 2:04 P. M.

## Combing The Town

### To Honor Judge

Dr. Russell D. Niles of 841 Taylors' Lane, Mamaroneck, dean of the New York University School of Law, and Mrs. James Picker of The Hommocks, Larchmont, are members of the committee which will honor Miss Florence E. Allen, U. S. Sixth Circuit Court Judge, at a testimonial dinner Monday, Nov. 8, at the Waldorf Astoria Hotel in New York City.

The dinner will be sponsored by the New York University School of Law and will be attended by more than 1,000 of the nation's leading legal and business figures.

"It is particularly appropriate," said Dr. Niles, "that recognition of Judge Allen's achievements will be perpetuated in the Law Center by her fellow alumni and friends, since the School of Law was the first to open its doors to women in 1891 and now is proud to number among its graduates 800 women."

Judge Allen is the only graduate of the New York University School of Law to have been appointed to the Federal Circuit Courts of Appeals bench.

### Lanny Aids Chest

Lanny Ross will be singing in the streets tomorrow to remind all residents of the Village of Mamaroneck that Sunday is Community Chest Day.

Lanny, himself, won't be visible — but Harry Leikert and James Hewson of Mamaroneck Post 90, The American Legion—will be and they will lend Lanny's voice out through the loud speaker of a sound truck to announce the approach of the one-day Chest drive.

Between vocal recordings in which the singer will stress the importance of supporting the Chest campaign, Mr. Leikert and Mr. Hewson will appeal for increased donations this year to meet the 30 per cent increase in Mamaroneck's Chest quota.

The sound truck will pass through the streets from 10 A. M. until 1 P. M. decorated with posters made by Miss Mary Palmer's art class at Bellows High school.

Exactly 24 hours later, the workers will start out on their crusade to collect $22,357.

### Top Student

Andrew M. Maggard, son of Mr. and Mrs. Oliver Maggard of 20 Hillside Road, Larchmont, is one of six men of the Air Force Unit of the Class of 49-C at the Virginia Military Institute designated as "distinguished military students" this week by Major Gen. Richard J. Marshall, superintendent of the school.

Maggard, a first classman, or senior, will receive a commission in the regular Army upon graduation next June if he so desires.

The "distinguished military student" designation is given only to those seniors in ROTC college who are all-around men, possessing qualities of military leadership, high moral character, and a definite aptitude for military service, and standing in the top third of their ROTC classes.

### Pre-Flight Film

The showing of Navy pre-flight training films and model plane flying in the Junior High School gymnasium featured this week's meeting of the Larchmont Air Scouts.

Any boys 15 or over who would like to attend an Air Scout meeting may do so next Wednesday. The meetings are held from 8 to 9 P. M. in the aviation room of the Junior High School.

The adult pre-flight class held each Monday night has been changed from the Junior High School to Room 218A in the Senior High School. Principal Hoyt Smith announced today.

### 'Stop War' Caravan

A Progressive Party caravan of cars, sound trucks and jeeps, dramatizing the party platform of "Stop World War III Now," will visit Mamaroneck tomorrow during its tour of Westchester County. The "Peace Caravan" is being sponsored by the Westchester Citizens for Wallace.

Starting at 10 A. M. in Peekskill, the caravan will proceed through Croton, Ossining, North Tarrytown, Tarrytown, Dobbs Ferry, Hastings, Yonkers, Mount Vernon, New Rochelle, Mamaroneck, Rye, Port Chester and White Plains.

### Wins Yale Prize

James Harvey Lang, 3rd, of 35 Beach Avenue, Larchmont, was among the ten students at Yale University who were awarded New York Yale Club prizes for excellence in studies in their freshman year yesterday at a meeting of the faculty of the freshman year at Yale.

Lane, an alumnus of Phillips Exeter Academy, is a candidate for the Bachelor of Arts Degree and is a non-resident member of Berkeley College.

**BOTTLED GAS TO BOTTLE CIDER**

Want ads, have—and are—selling them both. Whether you advertise apples or others, want ads sing the cash register. Want ads are simple to insert. Our girls will be glad to help you advertise—at the lowest possible cost. To place your ad call Mamaroneck 9-2100.

A MAMARONECK SAILOR is being entertained, above, in the United States Naval Hospital at Great Lakes, Ill., by the USO which has reported back to duty to serve the country's peacetime armed forces. Antony Fasolo, son of Mr. and Mrs. Frank Fasolo of 632 North Barray Avenue, recuperating after a five weeks' illness, is listening to a tune sung by Miss Dolores Howell accompanied by Miss Joan Beckendorf, both of Waukegan, Ill. Of the $22,357 that the Mamaroneck Community Chest will raise Sunday afternoon, $885 will go to support the work of the USO in training camps and hospitals. Fasolo, a Bellows High School football and basketball star, joined the Navy last August.

Official U. S. Navy Photograph

## USO Shares In Chest Again As It Reports Back To Duty

Mamaroneck's Community Chest drive Sunday afternoon will help the USO answer an urgent call to report back to duty.

The only new beneficiary added to the Chest this year, USO will receive $885 from Mamaroneck to help meet its national budget of $6,650,000. It is estimated that 2,005,000 men will be in uniform by the end of 1949 and the USO is now being reactivated for service at 50 Army and Air Force camps and at expanded Naval facilities.

The addition of the $885 for the USO plus increases in the allotments for six other beneficiaries account for the 30 percent increase in Mamaroneck's Chest quota this year. An army of workers will canvass the community for the $22,357 in a traditional one-day drive Sunday.

Although the USO was liquidated Dec. 31, 1947, the corporation continued to exist at the request of the President to be on call for future emergencies. When Secretary Forrestal foresaw an expansion of the country's armed forces, he appointed a civilian advisory committee to study the agencies which contributed to the welfare and morale of servicemen and women in World War II and the six agencies which made up the United Service Organizations agreed to serve again on a peacetime scale. The committee recommended the reactivation of the USO and Secretary Forrestal approved the plan.

A fund of $4,465,000 resulting largely from the liquidation sale has made it possible to carry on activities during 1948 at 99 stations at the request of the Army and Navy. Of the 1949 budget, about $2,000,000 will come from the liquidation fund and the rest from 1,000 Chest campaigns in the country and a special campaign in New York City.

## NAGER ASSAILS G.O.P. PLATFORM

### Democratic Candidate Says Economic Program Is Meaningless

The economic platform of the Republican Party is "Meaningless," Charles J. Nager of Larchmont, Democratic candidate for Congress from the 26th District, charged last night in an address delivered at the Polish - United Hall, Port Chester. The meeting was sponsored by the Town of Rye Democratic Committee.

The Republican program on inflation, Mr. Nager declared, is "to do nothing and hope that the storm blows over without another 'bust' or disastrous deflation, as the economists term it."

They pledge reduction of government spending, reduction of the public debt and stimulation of production. Actually, with the fixed appropriations for debt service, defense, and E. C. A., the savings that can be made through reduction of government spending are slight; and ye can't reduce the public debt when taxes are low."

(Turn to Page 3, Please)

## TWO CARS DAMAGED IN LARCHMONT CRASH

An auto operated by Edith Dunn of 9 Fryer Lane, Larchmont collided with a car driven by Anna M. Fraser of 45 Woodbine Avenue, Larchmont, at 8:40 A. M. yesterday, Larchmont police reported today.

Mrs. Dunn told police she was proceeding south on Prospect Avenue approaching the intersection at Woodbine Avenue when an auto came out of Woodbine Avenue and suddenly crossed in front of her auto. She said she applied the brakes but was too close to the other auto to avoid a collision. Mrs. Dunn stated that the other car didn't come to a full stop. Police said the stop sign on the northeast corner is missing but that the one on the southwest corner is in full view.

Damage to the Fraser auto included a dented right door and rear fender and the molding under the running board torn away. The front bumper of the Dunn car was torn and broken, the radiator punctured, the front grill broken and both headlights smashed, according to police. No charges or arrests were made.

### Three Property Sales Bring $95,000 Total

Thomas B. Sutton Corp. of Larchmont, report the recent sales of the following three homes for a total of $95,000.

18 Fryer Lane, Larchmont, containing 14 rooms, five baths, four-car garage on over one acre of land for Annalee Whitmore, Jacoby to Dr. Walter Modell.

No. 6 Beverly Crest, Larchmont, containing six rooms, two baths, garage, for Pher Construction Corp. to Frank J. Foley.

1 Mountain Avenue, Larchmont, containing eight rooms, four baths, two - car garage, for gen. presential to James Birkenstock an official of the International Business Machine.

## ISRAEL ORDERS TROOPS TO HALT FIGHTING TODAY

### Egypt Also Complies With U.N. Demand For Palestine Truce

TEL AVIV, Israel, (AP)—Israel ordered her troops to cease fighting in the Negeb desert at 3 P. M. today, the government announced.

(The Egyptian Government announced in Cairo it has informed the U. N. mediator, Dr. Ralph Bunche, that it has ordered Egyptian troops to stop fighting in Palestine in accordance with the U. N. order.)

The announcement came almost simultaneously with the wail of air raid sirens in Tel Aviv, the capital's first daylight alert in three months. Anti-aircraft fire could be heard, but no planes were visible.

The cease-fire order met the deadline set by Dr. Bunche.

Egyptian artillery pounded Israeli-held roads in Southern Palestine this morning apparently in a last - minute blow before the cease fire was to take effect, the Jewish Army said.

Gunfire anaried traffic and halted a convoy of civilian cars which had been scheduled to take a party of newsmen to Beersheba, capture of which was reported by the Israeli Army yesterday.

The battle of the Negeb desert is a week old.

The cease-fire order was handed the government of Israel at 1 A M 14 hours before the deadline, U. N. officials said. Israel had asked a 12-hour margin after receipt of the message, to allow time for issuance of orders to advance positions to stop shooting.

The Syrian National Defense Ministry announced in Damascus last night that enemy patrols crossed no man's land into the northern sector of the Syrian front early Wednesday and attacked Mukhayla. The communique said "our posts at the Samakh area suffered some enemy shelling with mortars but the attacks were repelled."

Despite reports that the Egyptians were shelling roads leading to the Negeb, 12 U. N. observers were to be dispatched shortly after midday to watch the cease-fire go into effect. They will be distributed at six points throughout the southern desert area, it was learned.

Prime Minister David Ben-Gurion sent a telegram to the Israeli commander on the Negeb desert front, congratulating him.

In his capacity as Minister of War, Ben-Gurion asked the commander to "convey the thanks of the Jewish people and the Israeli Government to the soldiers who liberated the Negeb by capturing Beersheba."

"With your blood a link with our forefather Abraham has been reestablished."

### Tarrytown Demolishes Rockefeller's 'Peeve'

TARRYTOWN — A 103 - foot brick chimney, a landmark on the Hudson since 1922 and which caused the late John D. Rockefeller no end of anguish was being demolished today.

The chimney was erected as a flue for the pumping plant of the Tarrytown water station at a cost of $6,000. Because the chimney intruded into the prospect from the Rockefeller Estate on the hills behind, the late John D. arranged to have it camouflaged at his expense.

During the past five years the chimney has been obsolete.

CELEBRATING the festival of Sukkot this week are these Larchmont Jews in front of a festive arbor erected in the garden of Mr. and Mrs. Max Jellinek of 36 Monroe Avenue, Larchmont. Standing in front of the six-pointed Star of David is Rabbi Leonard Shofer of the Larchmont Temple, who conducted the services.

WILLIAM F. BLEAKLEY

## 300 AT BANQUET TO HONOR GAMBLE

### Bleakley To Pay Tribute At Testimonial Dinner Monday Night

More than 300 friends and guests are expected to attend a testimonial dinner Monday night at 7 at the Winged Foot Golf Club for the 'Grand Old Man of the Grand Old Party,' Rep. Ralph A. Gamble of Larchmont.

Principal speaker of the evening will be Judge William F. Bleakley of Yonkers, former Westchester county executive. Rep. Gamble will also make an address.

Among the dignitaries who will pay tribute to the congressman will be Livingston Platt, chairman of the Westchester County Republican Committee; State Assemblyman Frank S. McCullough, State Senator J. Raymond McGovern, John F. O'Connell, chairman of the Alcoholic Beverage Control Board; Walter Westall, secretary of the County Republican Committee, and Mrs. Marion Mack, chairman of the Women's Republican Committee.

Also Mayor Walter B. C. Washburn of Larchmont and Mayor E. J. Santoro of Mamaroneck, the Rev. Francis J. H. Coffin of St. John's Episcopal Church and the Rt. Rev. Thomas J. Deegan of St. Augustine's Church.

Supervisor Owen A. Mandeville of the Town of Mamaroneck will introduce Burton C. Meighan of Larchmont, Republican Town Chairman, who will act as toastmaster.

Chairman of the testimonial dinner committee which planned the affair is Mrs. Henry R. Dillon.

Members of the committee assisting her are Mayor Santoro, Mayor Washburn, Supervisor and Mrs. Mandeville, Mr. and Mrs. Arthur Wullschleiger, Mr. and

### Traffic Violators Pay Fines in Larchmont

A total of $29 in fines for traffic violations was collected by Judge John R. Cahill last night in Larchmont Police Court.

Fined $2 each for parking violations were Joseph Brilleman of 34 Vanderburgh Avenue, Larchmont, and Shirley B. Suesholtz of Mount Vernon.

Three Larchmonters fined $5 each were: Robert S. Loeb of 20 Crescent Road for speeding at 46 m.p.h. and Elizabeth Simon of 45 Iselin Terrace and Arthur B. Swallow of 14 Virginia Place, both for not complying with full stop signs.

Helen B. Kastor of 70 Aviemore Road, New Rochelle, was fined $10 for turning without signaling.

# Six Neutral Powers Call On Russians To Lift Blockade Now

## West Virginia Senatorial Race Flares As Scott Aids Revercomb

*By The Associated Press*

West Virginia's hot senatorial battle drew fresh attention today as the Presidential candidates sparred between their final campaign rounds.

Gov. Thomas E. Dewey omitted that state from his windup tour which opens next Tuesday in Chicago. President Truman has made two campaign visits to West Virginia, putting in a special vote plea for Matthew M. Neely who seeks to unseat GOP Sen. Chapman Revercomb.

Holding Senate control by only a six-vote margin now, the Republicans may need to win the West Virginia race to retain the upper hand.

Dewey and Revercomb have not seen eye to eye on the displaced persons issue, but the GOP high command sent national party chairman Hugh D. Scott Jr. to Huntington last night with a special plea for the Senator.

**Wants Revercomb Back**

"From top to bottom," Scott said, the Republican Party and the national ticket want Revercomb re-elected. "And I do mean from top to bottom," he added. He wasn't "sufficient time" on Dewey's schedule to permit him to come there in person.

"That's why I'm here," Scott added. After he spoke, Revercomb told the party rally:

"I am here to say that win or lose I shall continue to represent the people of West Virginia as a man who will not bow to outside dictation."

He did not amplify the remark. During the special session of Congress, Revercomb refused Dewey's request to amend the displaced persons bill, to remove sections which critics say are discriminatory. The West Virginian was then chairman of a Senate judiciary sub - committee which

COLBY B. KALLOCH

## KALLOCH HEADS PHONE DIVISION

### Larchmonter Becomes New County Manager to Succeed Wilson

Appointment of Colby B. Kalloch of 3 Brook Place, Larchmont, as division manager of the New York Telephone Company for Westchester was announced today. He succeeds Harold R. Wilson of Larchmont, division manager for the last 21 years who is on leave of absence because of illness.

Mr. Kalloch formerly was general commercial supervisor of the company's Manhattan - Bronx-Westchester area and has served in that position since January.

A graduate of Colby College in 1920, he entered the telephone business as an employe of the American Telephone and Telegraph Company in 1921 and six years later moved to the New York Telephone Company as an agent in its commercial department.

In 1941 he became the company's service manager for the Manhattan - Bronx - Westchester area and in 1942 was civilian defense coordinator for the company in this county. In September 1942, he was appointed commercial supervisor of the Westchester Division and later was appointed general commercial supervisor for Manhattan, the Bronx and Westchester.

Mr. Wilson began his telephone career in 1902 at the age of 14 as a clerk in the company's commercial department in New York City. He rose through various positions in the department to that of special agent on the staff of the general commercial engineer in March, 1918. In World War I, he served in the U. S. Army Signal Corps.

Rejoining the company in 1919, Mr. Wilson became an assistant supervisor of methods at the company headquarters in New York City and later held several posts of increasing responsibility until 1927 when he was appointed Westchester division manager.

Mr. Wilson is a former president of the Bronx-Westchester Chapter, Telephone Pioneers of America, and last year received a diamond-studded pin, emblematic of 45 years' service with the telephone company.

Company officials said they were looking forward to his return to his duties as soon as his health permits.

## BUILDING DROPS IN SEPTEMBER

### Only One Permit Is Issued For New Construction In Town

Four building permits were issued by the Town of Mamaroneck during September, covering an estimated cost of $21,850 for new construction.

The figure is about half of the $32,823 reported for the previous month and $35,150 below the amount reported during the corresponding month a year ago.

Included in the four permits was one for the construction of a $16,000 house. Two residence permits were granted in August and four last September.

A permit to construct a new home at 34 Byron Lane, Larchmont, was issued to Gaetano Gianetti. Other permits issued were for a $3,000 addition to the home of David A. Embury on Murray Avenue, a $1,000 addition to the home of Mrs. Mary Weber of Colonial Avenue and a $150 alteration to the home of Mrs. Marion A. Rothein of 6 Vine Road, Larchmont.

## 8-Day Sukkot Observed By Larchmonters

Larchmont Jews are observing the eight-day festival of Sukkot this week in the garden of Mr. and Mrs. Max Jellinek of 36 Monroe Avenue, where a festive arbor has been erected.

More than 120 children of the Larchmont Temple's Religious School participated in the traditional singing and dancing each day to open the event, led by Rabbi Leonard Shofer. Services followed, including the lighting of the candles and a prayer by Mrs. Jellinek and Mrs. Robert Marcus, blessing of the wine by Rabbi Shofer, and blessing of the bread by Miss Sarah Belchetz. Following the services and an explanation of the full meaning of the celebration, the children were served the bread, fruit, cookies and grape juice.

Susan Altman, Deborah Belchetz, Joan Louise Benach, Mary Ann Frank and Susan Wertheimer helped to string the cranberries and make the colorful paper chain which decorated the Sukkot arbor, under the direction of Mrs. Jerome Adler, Religious School principal and Mrs. Henry Jennon.

Singing was led by Rabbi Shofer.

### Floor Blaze Quelled In Apartment House

A fire in the flooring and studs around a fireplace in the second floor apartment of Leonard Gentile at 229 Union Avenue, Mamaroneck, was extinguished by members of the Mamaroneck Fire Department at 4:50 P. M. yesterday.

Five companies responded to the general alarm. Firemen confined the blaze to the immediate area. Cause of the fire was not determined and no estimate of damage was reported. Silvio LaBrusciano, who lives in the apartment below, reported the fire.

### Soviet Delays Answer As Western Powers Accept Plan

PARIS, (AP) — The six "neutral" powers on the United Nations Security Council called on Russia today to lift the Berlin blockade at once.

The meeting was delayed nearly an hour by last minute conferences among the Big Four delegations directly concerned in the issue. The United States, Britain and France have accused Russia of endangering peace by blockading Berlin.

Russia has asserted no blockade exists and that the council has no jurisdiction. The neutral powers—Argentina, Belgium, Canada, China, Colombia and Syria —drafted a compromise solution which the Western Powers accepted.

The neutrals put before the council a joint resolution which said the four military governors of Germany should adopt the soviet mark as Berlin's sole currency before Nov. 20 in exchange for lifting the blockade.

**Ministers to Meet**

The resolution also provided that the Foreign Ministers Council of the U. S., Russia, Britain and France meet to seek a solution of all questions at issue over Germany.

Foreign Minister Juan A. Bramuglia of Argentina, acting council president, presented the resolution and then addressed the delegates.

"We have reached the hour of decisions, harmonious decisions of

## REPUBLICAN RALLY ATTENDED BY 50

### Election of Dewey, Gamble Urged By Assemblyman McCullough

A Republican rally was held last night by the Rye Neck Young Men's Republican Club in the Elks Clubhouse, East Post Road, Mamaroneck, attended by about 50 members and guests.

Principal speaker was State Assemblyman Frank S. McCullough who is seeking reelection, who spoke of Governor Thomas E. Dewey and his ability as a great administrator. Mr. McCullough also urged the reelection of Rep. Ralph A. Gamble of Larchmont and his associate, State Senator J. Raymond McGovern of New Rochelle.

Supervisor Arthur G. Sammarco of the Town of Rye and Mayor E. J. Santoro of Mamaroneck both commended Mr. McCullough for his fine record as a member of the State legislature and for his unstinting cooperation in keeping village and town officials closely informed of matters coming before the legislature.

One of the highlights of the

## TRUCK STRUCK BY CAR CATCHES OFFENDER

A trailer - truck driver whose vehicle was struck at 2:55 A. M. today by an auto operated by an alleged hit-and-run driver gave chase and brought the car to a stop, Larchmont Police reported today.

Morris A. Bradley of Elmhurst, N. Y., operator of the trailer truck, reported to Larchmont police that an auto driven by George Heintz of 17 Addison Street, Larchmont, struck his trailer a glancing blow on the left rear side while it was stopped at the traffic light at the Post Road and Stephenson Boulevard, New Rochelle, and continued on its way without stopping. He said that he chased the auto and stopped it on Larchmont Avenue at Addison Street where he told the operator to accompany him to Larchmont police headquarters to make an accident report.

Police said that Heintz stated he was not sure his auto had struck the trailer. police instructed both operators to report the accident to New Rochelle police. The trailer sustained paint scratches and the Heintz auto sustained slight damage to the right side of the body, the right front fender and the right doors, according to police. no charges or arrests were made.

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS MAMARONECK, N. Y., SATURDAY, OCTOBER 23, 1948 BUREAU OF CIRCULATIONS MEMBER OF AUDIT ★ PRICE FIVE CENTS

**The Weather**

## Combing The Town

### *Sukkot Services*

Services for the eve of the eighth say of Sukkot will be held in the chapel of the Hebrew Institute of Mamaroneck tomorrow at 5 P. M.

At 9 A. M. Monday, services for Shemini Atzereth will be held, while Yiskor Memorial Services will be held at 10:15 A. M., when Rabbi Irving Koslow will preach on "Our Religion".

The children's - adult Simchat Torah consecration services will be held Monday at 7:15 P. M. in the chapel. Each child will receive a flag, psalms in scroll form, and refreshments.

The last service of this holiday season will be held Tuesday, Simchat Torah, at 9 A. M. The Sisterhood religious committee, whose chairman is Mrs. Charles Seelenfreund, assisted by Mrs. Sam Apsell and Mrs. Michael Kiss, will be in charge of refreshments and gifts for the children.

### *Object Lesson*

The speeches delivered at last night's session of the National Citizens Council on Civil Rights, of which George Field of 15 Hillside Road, Larchmont, is a director, were inspiring indeed, but took a back seat when an unpremeditated object lesson in civil rights suddenly presented itself in the Town Hall Club in New York City.

Mrs. Arthur Lesser of Hoboken, N. J., a visitor to the council session, suddenly felt ill toward the close of the program. She went to the powder room and gave birth to a baby girl.

When the call went out, "Is there a doctor in the house", there was only one answer. It came from James E. White of Mount Vernon, a Negro physician and a member of the staff of Kings County Hospital, who attended the mother and child.

### *Adding Color*

Residents of Myrtle Boulevard, Murray Avenue, Emerson Place and Maple Hill Drive, which are along the line of march of the second annual parade and inspection of the Town Fire Department, are requested to put lights in their windows and turn on their porch lights Tuesday night the night of the parade, to help light up the line of march.

The parade, under the direction of ex-Deputy Chief Leonard Erickson, is scheduled to start at the Weaver Street Fire Headquarters at 7:30 P. M. Colorful flares will be used to light up the line of march.

### *Draft Board Doctor*

Dr. G. C. Tyrrell of 17 Stuyvesant Avenue, Larchmont, was recently appointed to the board of medical advisors for local Draft Board No. 10 whose headquarters are in Mount Vernon.

Dr. Lyons also acts as physician for the Village of Larchmont Police Department.

# Army Of 500 Awaits Signal For Start Of Sunday Chest Drive

### Door-To-Door Visits To Get Under Way At 1 P. M.

At 1 P. M. tomorrow the whistles will blow in the Village of Mamaroneck to herald the opening of the annual Community Chest Campaign to raise funds for 10 beneficiary organizations.

An army of 500 workers will leave their homes when the whistle sounds to make door-to-door calls on their neighbors in an effort to raise $23,397 before the afternoon is over. Contributors will be asked to boost last year's gift by 20 percent so that Mamaroneck can meet its enlarged quota without delay.

A "flying squad" headed by Earl Nelson will be on duty all afternoon to assist captains who need help and Boy Scouts and Camp Fire leaders have also volunteered to serve where emergency aid is needed.

The Union Savings Bank will be staffed during the afternoon and evening for the totalling of receipts in each district. Chest officers and directors are confident that the goal will be reached by nightfall, Executive Director Everett T. Houghton said today.

An appeal to Mamaroneck residents to think of the drive as a community project was issued today by George Leonhardt, Chest president. The meaning, the objectives and the operation of the Chest are described by Mr. Garfunkel and he closes with a strong plea for full support of the 30 percent increase in the quota. His letter, addressed to neighbors and friends, reads as follows:

"Tomorrow, Oct. 24, is Community Chest Day in Mamaroneck. On that day neighbors will call on neighbor for support in making a success of this community project. For that is exactly what it is—a community project.

"During the past few weeks The Daily Times has published a series of articles telling of the beneficiaries of the Chest, their work and their needs. The conclusion must surely have been drawn upon you that through unified and intelligently directed effort, and only in this way, can we hope to maintain a proper balance between our desire to help and our capacity to do so. We therefore gladly bring our message to you, for a well informed public is our greatest assurance of success.

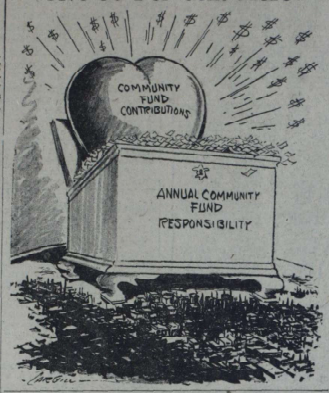
"What is the Community Chest? It is a non - profit organization; membership is open to every village resident who contributes. Who chooses the officers and directors? The members select them. Who are the workers? Your neighbors and mine. Who pays them? Nobody. Officers, directors and workers give their services freely, knowing how important Chest work is for everybody.

"Where does the Chest obtain its support? From us, the people of Mamaroneck. What does the Chest do with the money it collects? It allocates and distributes it to deserving social agencies and organizations which serve our village.

"What do Mamaroneck resi-

(Turn to Page 3, Please)

### Give 30 Per Cent More!



## *Stay At Home On Chest Day, Mayor Urges*

Issuing a village-wide appeal to all Mamaroneck residents to support the 1948 Community Chest drive, Mayor B. J. Santoro today proclaimed Sunday as Community Chest Day and urged householders to stay at home until the solicitor has called.

Mayor Santoro also pays tribute to the workers and Chest officers who have labored "so diligently to raise the sum of $22,347". His proclamation reads in full as follows:

"Annually one-day drive' is conducted by our Mamaroneck Community Chest.

"This year the Board of Directors, after carefully scrutinizing the requests made by the various agencies supported by the Chest, have found it necessary to increase substantially the allotments to some of the participants.

"Once again many of our citi-

## Larchmont Firemen Extinguish 2 Blazes

Burning leaves caused two fire alarms in Larchmont yesterday.

At 6 P. M., the crew of the emergency truck from the Larchmont Fire Department extinguished a pile of burning leaves at 45 Larchmont Avenue, using 100 gallons of water. Recall was at 6:15 P. M.

Ten minutes later, the same engine responded to an alarm at Harrison Drive and Iselin Terrace, where 50 gallons of water were used to extinguish a blazing telephone pole. The pole caught fire from burning leaves near its base. Recall was at 6:40 P. M.

## BROWN DENIES 'OVERCROWDING'

### Rye Neck School Trustee Objects To Use Of Word In News Account

Amplifying his remarks before last Thursday's meeting of the Rye Neck Board of Education, Trustee Malcolm D. Brown in a letter to The Daily Times takes exception to the use of the word "overcrowding," in this newspaper's account of the meeting. His letter follows:

"The Daily Times of Oct. 20 referred to 'over-crowding' in the Rye Neck Schools. That is a misleading and damaging term, but I may be largely responsible for its use. Evidently my remarks at the Oct. 18 School Board meeting, urging study of Rye Neck's building requirements, were open to the interpretation implied by 'over-crowding.'

"While all available space in the school buildings is being used, the class groups are not too large. This year, as of September 8th, the average teacher in Grades 1 through 6 was instructing 23 children, and the largest class group in those grades was 31. These are favorable figures, but the increasing sizes of classes entering the kindergarten in recent years has presented a problem which threatens to enlarge the class groups. Thus far this has been met by some improvisation.

"The shop room in the Daniel Warren basement is being used for a Sixth Grade section, shop is being taught in that school in a space originally designed for

## TRUMAN CANCELS TOUR ON FRIDAY OF WESTCHESTER

### President Calls Off Trip Because Of Too Heavy A Schedule

President Truman has cancelled his tour of Westchester next Friday on orders of the Secret Service because of too heavy a schedule, and will make only one speech in Yonkers, Democratic County Chairman Harold T. Garrity announced today.

Mr. Garrity said that the Secret Service agents charged with protecting the President had vetoed most of the elaborate program which had been arranged to include speeches in Peekskill, New Rochelle and Mount Vernon, in addition to the one which will be given in Larkin Plaza, Yonkers, at noon Oct. 29 during what was to have been a motor tour of a large part of Westchester.

A proposed visit to Nassau County that day has also been cancelled.

Mr. Garrity last night sent telegrams to Democratic leaders informing them of the changed plans. He said the Secret Service had pointed out the projected program made security measures difficult, and had held that the numerous planned appearances would impose an undue physical strain upon the President at the end of the campaign and only a few hours before he is scheduled to make a nation-wide radio broadcast.

Under the revised schedule, President Truman is expected to arrive in Yonkers from New York at 11:30 A. M. and drive to Larkin Plaza, where he will speak at noon. He will then drive to the Alexander Smith and Sons Carpet Company plant, where he will make an appearance at another meeting. He will not leave his car there, however.

The party will then drive to the Bronx, where Mr. Truman is to be a guest at a luncheon in the Concourse Plaza Hotel.

Mr. Garrity said the Secret Service had informed him the schedule must be arranged so as to allow at least two or three hours of rest for the President before his radio speech.

## HEART ATTACK FATAL TO CHEF

### Diamond Diamandidis Dies While Working At the Village Lunch

Diamond Diamandidis, chef at the Village Lunch, 118 Mamaroneck Avenue, Mamaroneck, died of a heart attack this morning while working. He was forty-eight.

The attack occurred at 9:30 A. M. Mr. Diamandidis was declared dead a few moments later by Dr. D. J. Gabriele of 257 Mamaroneck Avenue.

Mr. Diamandidis was born in Greece and had lived in Mamaroneck since 1926. He resided at 215 Union Avenue. He had been employed by the Village Lunch since 1941.

He had no immediate survivors.

The body was taken to the O'Neill Funeral Home, 422 East Boston Post Road, Mamaroneck. Funeral plans are incomplete.

## REP. THOMAS' PAYROLL UNDER U. S. INQUIRY

WASHINGTON, (AP) — The handling of payrolls in the office of Rep. J. Parnell Thomas, R. N. J., was reported under Grand Jury scrutiny today.

Justice Department officials said last night that was one of the cases presented to the regular District of Columbia Grand Jury when it convened yesterday for its October session.

The New Jersey Congressman, chairman of the House Committee on Un-American Activities, has been severely critical of the Justice Department.

He has fruitlessly urged Attorney General Clark to seek indictments against persons involved in the committee's probe of alleged espionage.

The department received a petition a few weeks ago from 17 lawyers in Thomas' home district, asking an investigation into charges by columnist Drew Pearson that there had been irregularities in Thomas' Capitol Hill payroll.

### Storm Warnings Up

NEW YORK (AP)—The weather bureau today said small craft warnings had been ordered hoisted from Block Island, south to the Virginia Capes. Fresh northeast winds will prevail along the Atlantic coast today, the bureau said.

## FRENCH REDS CALL NATIONAL STRIKE

### General Walkout Monday Set As Troops Are Ordered Out For Mines

PARIS, (AP)—Communist union leaders called for a general strike Monday throughout the highly industrial St. Etienne area as France moved closer to martial law in the struck coal fields.

The union order was given after the government called up an estimated 50,000 troops and state police to reinforce units trying to maintain order in the strife-torn coal fields. At least two miners were killed and scores of police and strikers wounded yesterday. Casualties in three days of fighting neared 200.

More violence was possible today at Monteau-les-mines where pickets at the Les Alouettes mine released 120 police they took prisoner in clashes yesterday. The seven largest mines in the area 55 miles southwest of Dijon still are in the hands of the strikers.

In the Gard Department of South Central France a 24-hour general strike was due to end today. The coal strike there continued unabated however. Police quit mines in that area Thursday after clashes. The Interior Ministry said pickets had seized explosives in shafts and threatened to touch them off if the police reappeared.

The call up of more troops and police, including the 1948 class of soldiers which already had been discharged, was decided upon at an emergency cabinet session last night.

An official cabinet statement said the strike was political and aimed at "ruining national production."

It has been estimated that monetary losses from the strike just about equal contributions under the European Recovery Program.

# U.S. To Join Canada In Pledging Aid To Five-Nation Alliance

## *Dewey, Gamble Win Support In Junior H. S. 'Election'*

Thomas E. Dewey will be our next President and Rep. Ralph A. Gamble of Larchmont will be re-elected congressman from the 28th District, if the results of a vote taken by Mamaroneck Junior High School students Thursday and yesterday are borne out on Election Day.

Using voting booths provided by Town Clerk Charles J. Gronberg, 695 students of the social studies classes, under the direction of Miss Edna Stephens, chairman of the Social Studies Department, and Charles Pinnell, instructor, cast their ballots.

For President, Gov. Dewey polled 439 votes, President Truman (D), 165, Henry Wallace (ALP) 22, Norman Thomas (Socialist) 4, Farrell Dobbs (Socialist Worker) 2, and Edward E. Teichert (Industrial Government) 1. Fourteen of President Truman's votes were cast for him under the Liberal Party.

For Congressman from the 28th District, Gamble (Rep.) received 393 votes, Charles J. Nager (Dem.) 181, and Pasquale Barile (ALP) 31. Mr. Nager received 148 Democratic votes and 33 Liberal Party votes.

For state senator from the 30th District, J. Raymond McGovern (Rep.) received 378 votes and Richard J. Connolly (Dem.) 160.

For assemblyman from the Fourth District, Frank S. McCullough (Rep.) received 368 votes, Samuel D. Landow (Liberal) 137, and S. Theodore Brewer (ALP) 58. Mr. Landow received 121 votes under the Liberal Party.

Town Clerk Gronberg instructed members of the Ninth Grade in the use of the voting machines after the students had prepared for the "mock" election with discussions of the candidates and major issues in their social studies classes.

## *Continuation Of U. N. Held Vital By Local Residents*

*Editor's Note — This is the 52nd in a Saturday series of interviews with citizens on important topics. Suggested topics from readers are invited. Today's question is: "Do you think world conditions would be better with out the United Nations?"*

**Mrs. William Ferry,** 853 Mamaroneck Avenue, Mamaroneck: "I think they would be better with the United Nations due to the fact that there would be a better understanding throughout the world. I am for the United Nations which make up the United Nations."

**Mrs. Thomas A. Quinn,** 329 Frank Avenue, Mamaroneck: "I have always approved of the United Nations and certainly wish them the best of luck. We need some sort of world council now that we are so closely drawn together with the airplanes."

**Mrs. Alfred Heath,** 1489 Pine Knoll Lane, Mamaroneck: "I think world conditions would be worse without the United Nations. The fact that the nations know there is a United Nations keeps them more in line than if there was no body or group, such as the U. N., to whom they could go with their troubles."

**Mrs. James F. Carty,** 211 Melbourne Ave., Mamaroneck: "Without a doubt, they would be worse without the United Nations. I believe that the United Nations is the only hope we have for a lasting peace."

**Mrs. James J. Duggan,** 428 Beach Avenue, Mamaroneck: "I think world conditions would be much worse without the United Nations. I feel that the United Nations is the one basis upon which we can base our hopes for world peace. I am strongly in favor of the United Nations, but I also feel they will have to have some sort of world force behind them to back that peace.

wood Avenue, Larchmont: "On the whole I think they would be

## HEIGHT CAPTURED BY ARAB FORCES

### Jewish Defenders Ousted By Offensive; 'Syrian' Unit Reported

TEL AVIV, Israel (AP)—Arab forces believed to be Syrians, attacked Jewish positions north of Lake Hula and captured a height at Sheikh Abbad, the Israeli command announced today.

The height is in the region of Manaran, between Syria and Lebanon.

The spokesman said the Arab offensive was launched during the night and "severe fighting continues this morning."

(An communique from Beirut, Lebanon, last night said Jewish concentrations near Manarah for the last three days showed the Jews were preparing to attack.

(The Lebanese communique said Jewish forces with tank support attacked El Houle where they were repulsed after a day's fighting by Lebanese artillery. The report said 200 Jews were killed.

Earlier U. N. truce observers had reported all quiet in Southern Palestine.

The U. N. is trying to arrange a meeting between Jewish and Egyptian authorities to discuss Negeb positions and possibly take preliminary steps in the final peace settlement, it was learned today.

(U. N. truce headquarters in Haifa received a number of complaints from Egyptian authorities on alleged Israeli truce violations after the cease-fire deadline in the Negeb yesterday.

## GAS IS SHUT OFF FROM RED BERLIN

### Western Powers' Embargo Blocks Supply to Soviet Plants

BERLIN, (AP)—Large areas of the Russian sector of Berlin were without gas today after the Western powers shut the mains at sector borders to prevent seepage eastward of supplies produced by works in blockade Western Berlin.

American spokesman said the embargo against Eastern Berlin was imposed for two reasons:

1. Gas pressure in Soviet mains was so low because of plant repairs undertaken there that supplies from hard-pressed Western Berlin were being drained off.

2. Reprisal for firing of German non-Communist employes at head offices of the city's gas works, which are located in the Soviet sector. The repairs in Soviet sector mains were understood to be necessary because of equipment damaged by the substitution of Silesian coal in the place of Ruhr coal, for which the plants had been adapted.

## Mrs. Roosevelt Warns In Germany On 'Isms

STUGGART, Germany, (AP)—Mrs. Franklin D. Roosevelt today told a meeting of German women that Socialism must not be allowed to fill the vacuum left by Nazism.

In a speech prepared for delivery in German to a meeting sponsored by the League of Women Physicians, the widow of America's wartime President declared Socialism must not be allowed to "carry on any of the same methods which created the fear and hatred of the other systems." She was referring to Nazism and Fascism.

## Military Treaty To Be Drafted Following Elections

By ARTHUR GAYSHON
*Associated Press Staff*

PARIS—High American sources predicted today the United States and Canada in the next few weeks will begin to draft a military treaty pledging full aid to the five-nation Brussels Alliance.

The sources said the process of drafting a treaty will begin soon after the U. S. elections, although their result is not expected to affect the plan as both major parties have committed themselves in principle to backing the Brussels Alliance.

The informants said the alliance would link the U. S. and Canada in formal treaty relationships with Britain, France and the Benelux countries (Belgium, the Netherlands and Luxembourg).

The whole concept of the projected North Atlantic pact will be the main subject of discussion by the foreign ministers of the Brussels pact signatories when they meet here Monday for a three-day conference, responsible British sources said.

There remains, however, at least one major consideration—how such a treaty would fare with the United States Congress.

**Reports of Secret Talks**

British informants said the foreign ministers' meeting as the consultive council of the Brussels union, have reports from their Washington representatives of secret talks involving American State and War Department officials.

They said the reports recommended that each government concerned should begin drafting a treaty.

The foreign ministers will discuss also the expressed American desire that the framework of the alliance be extended to include other Western European anti-Communist powers.

A list of countries, drawn up by the British, which they would like included if the union is extended shows them in this order of priority—Eire, Iceland, Portugal, Denmark, Norway, Sweden, Greece, Turkey and Italy.

The American informants indicated the broad outlines of a North Atlantic alliance already are in existence. They expect the treaty will be ready for ratification and signature by the middle of 1949, barring any extraordinary developments which might call for a new approach to the whole project.

**Others Underwrite Union**

British sources said British Foreign Secretary Ernest Bevin

## BUS STRIKE SET FOR TUESDAY A. M.

### 8,500 On 7 Lines Notified; Schedule Here May Be Disrupted

NEW YORK, (AP) — Strike notices ordering them to quit work at 9 A. M. Tuesday have been issued to 8,500 drivers and maintenance men of seven privately-owned bus lines here.

The lines handle an estimated 3,500,000 passengers daily.

Westchester is affected through threat to the Third Avenue Transit lines which runs into the county. Indications were today that some service will be provided during the rush hour Tuesday morning. The drivers have been ordered to leave their buses at 9 A. M. but presumably the union would continue service up to that hour. However, schedules might be disrupted if some drivers did not report for their runs Tuesday morning.

The strike threat evolved from a tri-cornered snarl involving the Public Service Commission, the seven carriers and Local 100 of the CIO Transport Workers Union.

TWU president Michael J. Quill said the impending walkout is directed at the Public Service Commission rather than the operators. The union has urged the PSC to grant permanent fare increases immediately to the lines so that unionists can collect an estimated $5 million in retroactive back raises which the companies say they are unable to pay.

PSC chairman Milo R. Maltbie indicated that no commission action on the increase would be taken before the strike deadline, if

## Two Autos Damaged In Larchmont Crash

An auto operated by Mrs. Cecile Nicklaus of 110 Hickory Grove Drive, Larchmont, collided at 10:20 A. M. Thursday with a car driven by Rose S. Gerard of 75 Hickory Grove Drive, Larchmont, Mamaroneck town police reported today.

Mrs. Nicklaus told police her auto was proceeding south on West Brookside Drive at about 15 m.p.h. when it collided with the auto driven by Mrs. Gerard, who said she was driving north at between 15 and 20 m.p.h.

Police reported damage to the left front fender, grill, fog-light, and front bumper of the Nicklaus auto and to the left front fender and left side door of the Gerard car. No charges or arrests were made.

## Combing The Town

### *Profitable Hobby*

How he turned a war - time hobby into a profitable business was described on the "Hobby Lobby" radio show last night over WOR by Irving L. Straus, owner of the Westchester Acquarium at 5 Calvert Street, Harrison. Mr. Straus lives at 27 Vernon Road, Scarsdale.

During the war, when he served as a Navy carrier plane fighter pilot in the Pacific, Mr. Straus spent his shore leaves scouting the area for tropical fish and learned a great deal about the many varieties that exist in that part of the world. He now imports tropical fish from North Africa by plane, having set up business relations with fish dealers there and in other parts of the world.

Mr. Straus is a member of the sales staff of Radio Station WMCA.

### *Rotary Head Speaks*

The purposes and work of Rotary were outlined to members and guests of the Larchmont Rotary Club Friday by District Governor Austin Lescarboura at the Larchmont Shore Club.

Visitors included Rotarians Freeman Tibbetts of Stamford, James Bennett of Mount Vernon, Norman Perry of New Rochelle, Gus Schwenk of Scarsdale, Thomas Cole of White Plains, and Porter West of Rochester. Daniel Harris was the guest of Gilbert Merrell. K. T. Marvin guest of George Mills, Jr., Harry Marron guest of Gus Schwenk, and T. M. Dougherty guest of Jack Roche.

The Larchmont Air Scouts will present a program at this week's meeting.

### *Award Winner*

Joseph C. Harkins, Jr., of 29 Mayhew Avenue, Larchmont, a junior in the Department of Chemical Engineering at the University of Notre Dame, was honored Wednesday at a meeting of the Notre Dame Chapter of the American Institute of Chemical Engineers held on the campus.

Harkins received the annual Student Chapter Award made by the Institute. The award, consisting of a certificate and membership pin for the Institute, is made to the member of each chapter who has attained the highest academic average during his freshman and sophomore years.

### *Inspect Camp Site*

Members of the Green Bar Patrol of Mamaroneck Boy Scout Troop 2 hiked to the Allen Reservation Saturday and spent the day tracking and inspecting the camp site to determine necessary improvements.

The Patrol consists of officers of the troop whose special training helps them plan a Scouting program for the younger members, Oscar Birch is scoutmaster and St. Thomas's Church the sponsor.

### *Heavy Rainfall*

Almost an inch of rain fell during the 24-hour period ending at 8:45 A. M. today, according to officials of the Westchester Joint Water Works pumping station in Mamaroneck.

The measurement from 7:40 A. M. yesterday, when rain began to fall, to this morning was .82 inches. The last heavy rainfall here occurred Oct. 17, when snow was reported in upper Westchester County.

### *Floral Tribute*

On display saturday and yesterday at the annual chrysanthemum show of the New York Chrysanthemum Society at the New York Botanical Garden, was a chrysanthemum newly christened in honor of James Stewart of Mamaroneck. The chrysanthemum, a yellow-bronze garden variety, was christened Friday at the opening of the show by the National Chrysanthemum Society, as the feature event of the day.

### Gas Rate Objections Will be Heard Nov. 5

The Public Service Commission today scheduled a hearing Nov. 5 to receive evidence from Westchester communities objecting to the new gas rates now in effect.

Corporations counsel of Yonkers, Mount Vernon, New Rochelle and Tarrytown joined in a memorandum to the commission asking a reopening of the case which ran for 15 months in 1947-8.

The commission today set 10:30 A. M. NOV. 9 to hear the Westchester communities.

### Knoechlein Sentenced

HAMBURG, Germany (AP)—A British military court today sentenced Fritz Knoechlein, thirty-seven, to death for ordering the machinegun massacre of more than 90 British soldiers captured at Dunkerque in 1940.

# One-Day Drive Falls Far Short Of Chest Goal

### $14,673 Collected As $22,357 Quota Is $7,685 Away

Mamaroneck Community Chest leaders closed their books last night with $14,673.83 collected toward a goal of $22,357 or about 65 per cent of the 1948 campaign quota.

With returns far from complete in most districts and with the special collections in apartments, organizations and business houses still to come in, Executive Director Everett T. Houghton predicted that Mamaroneck will reach its goal within "a very few weeks."

The 500 workers battled an afternoon of wind and rain to make their calls and although bad weather is usually considered a good day for a drive, dozens of residents were not at home and the workers will be busy within the next few days returning to make their follow-up calls.

Actual cash on hand at the Union Savings Bank last night where more than a dozen workers were tabulating figures amounted to $11,481.33. The amount which had previously been collected from special gifts and other sources plus pledges totalling $468 brought the total up to $14,673.83.

No district had exceeded its goal at 10 P.M. although District 11 was within $66 of its goal of $225. District 1 was 79 per cent toward its goal as was District 3. District 8 yielded 75 per cent.

District 1, captained by Joseph and Santo Quadrini, was the first to report soon after 7 P.M., followed closely by Capt. Benjamin Morrell of District 11. Mr. Morrell was assisted by Shirley Hackney, Audrey Hill and Pauline Gammon, junior members of the district's Chest Committee.

Last year the workers had collected $13,443 by 10 P.M. the first day or about 60 per cent of the goal of $17,025. The quota was finally reached Dec. 2 with a surplus of $615.

On duty at the bank last night as the districts reported was President George Garfunkel, who appealed to workers to complete their calls within the next few days. With incomplete reports from the special committees working in the apartment houses and in the business district, last night's total did not represent the complete returns to date. There was no report at all from District 2 when the bank closed its vaults at 11:30 P.M.

So far, the apartment house committee has reported $1,035 of a quota of $2,300; boat builders have contributed $215.50 of their quota of $350; and only $489 has been turned in toward a goal of $1,300 in the business district. Yesterday only $70 was turned in for organizations whose quota is $800 but other funds have previously been collected by that committee and Village Manager William H. Johnson, chairman of the organization collection for the Lions Club reported that the campaign was progressing "very well".

"Hearty thanks" were extended by Mr. Houghton to the army of workers "who braved the elements to make the initial returns in our 1948 campaign."

### Storm Warnings Up

NEW YORK, (AP) — Storm warnings were raised along the Atlantic Coast from Block Island to Delaware at 5 A. M. today by the U. S. Weather Bureau as winds of 40 to 50 miles per hour were reported in the area.

### Jury Picking Resumed

The task of selecting a jury for the first degree murder trial of three New York bandits accused of slaying a fireman during a holdup in a Yonkers athletic club last Dec. 1, was resumed today before County Judge Elbert T. Gallagher.

## FINAL 'STRETCH' DRIVES STARTED

### President to Speak Today In Chicago, Dewey Tomorrow

By The Associated Press

The Presidential campaign hit the stretch drive today with President Truman and his Republican opposition accusing each other of playing politics with Palestine.

Shortly before he set out for Chicago and the first of a final series of big city speeches, Mr. Truman last night declared his support of the original United Nations plan to partition the Holy Land, subject only to changes approved by the new Jewish state of Israel.

In a statement which White House press secretary Charles G Ross said had been "cleared with the State Department," the President also asserted that he has ordered swift study of Israel's application for an American loan.

Mr. Truman said he had been forced to "reiterate my own position" because Gov. Thomas E Dewey had "seen fit" to speak out on the subject last week.

**No Dewey Rejoinder**

The GOP Presidential nominee who also takes to the road tonight for his campaign windup offered no immediate rejoinder.

But campaign manager Herbert Brownell Jr., said Dewey simply had complied with a request that he restate his support of the Republican platform plank in favor of partition. Brownell added:

"It is regrettable that the President is making politics of an issue so important to the peace of the world."

Ross' announcement that Mr. Truman's statement had been cleared by the State Department followed a period of some uncer-

## FIGHT RESUMED BY ARABS, JEWS

### North Front Clash 'Severe' As Israeli Forces Claim Arabs in Flight

HAIFA, Israel, (AP)—A United Nations spokesman said last night severe fighting had broken out again along the entire Northern frontier between Israel and Lebanon.

The spokesman said neither side gained substantially. Israeli forces counter - attacked after claiming the Arabs had broken the truce by attacking. The Jews claimed they took two heights and drove Arab fighters across the Lebanese border.

The Arab forces were said to consist of some Lebanese troops and remnants of the "liberation Army" of Fawzi Pasha El Kaukji.

The U. N. spokesman said "Jewish planes bombed Bibla, Meiss El Jebel and House, inside Lebanon." He said the Jews also shelled some points in Lebanon

The U. N. report, based on word from observers at the front, said "severe fighting" continued yesterday. The Arabs appeared to have cut the Jewish supply route to northern settlements, with capture of the heights of Sheikh Arab which the Jews have not been able to recapture.

(A dispatch from Beirut, Lebanon, said Jewish attacks "in spite of continued reinforcements were repulsed by Lebanese and liberation armies." The report said the Jews withdrew, leaving 160 killed and many wounded).

## *3 Die, 19 Hurt As Barracks Cushion Transport In Crash*

CHANUTE AIRBASE, Ill., (AP) — Three men were killed last night in a crash here of a C47 air forces plane carrying 22 persons.

Nineteen injured taken to the base hospital "probably owe their lives to the fact that the plane first hit two empty barracks," Brig. Gen. P. R. Upthegrove, commanding general, said.

The twin-engined plane, approaching the base in a heavy ground fog, chopped a corner off one barracks and then plowed through a second barracks before smashing to the ground.

He believed the wooden two-story structures cushioned the crash, saving the 19 passengers in the corner of plane's fuselage. Those killed, he said, were the pilot, copilot and crew chief, all in the plane's crumpled cockpit.

The injured, Gen. Upthegrove said, suffered "mostly head injuries and broken bones. The majority are in good shape."

The plane was cleared from Albuquerque, N. M., enroute to Scott Airbase, Ill. It was sent on to Chanute Airbase because of adverse weather at Scott.

## NEIGHBORS WATCH AS THIEF LOOTS HOME OF JEWELS

### Burglar Makes Getaway After Greeting Victims On Return From Wake

A burglar who ransacked a Mamaroneck home as neighbors gaped through windows, then nonchalantly greeted the owners when they returned, walked out with a pocketful of jewels and drove away as a policeman arrived early Saturday evening.

The thief entered the home of Mr. and Mrs. George Lenon of 630 Wood Street while they were attending a wake for Mrs. Lenon's father, Maurice De Vres of New Rochelle, a diamond merchant. When the Lenons returned and found the intruder on the second floor he boldly replied to Mr. Lenon's challenge by saying he was looking for "Freddy," then walked past the homeowner and out the front door.

Neighbors who noted the presence of the stranger and watched him pile valuables on a bed called police just before the Lenons returned. A radio car patrolman drove up just as a car believed to contain the thief drew away from the curb in front of the house.

Arriving home from the wake, Mr. and Mrs. Lenon drove their car into the garage, which is beneath their house. While mounting the basement steps, they heard someone walking around on the second floor, they told police.

Mr. Lenon said he called out: "Who's there?"

A voice answered: "Freddie." At that moment a man describ-

## DEMOCRATS READY TO GREET TRUMAN

### Complete Plans For President's Visit to Yonkers Friday, Garrity Says

Further details for the reception in Yonkers to President Harry S. Truman next Friday noon were announced today by Harold T. Garrity of that city, Democratic County Chairman. Mr. Garrity announced Saturday that previously scheduled appearances of the Chief Executive in Peekskill, New Rochelle and Mount Vernon had been cancelled on recommendation of the Secret Service because of security measures and the heavy strain upon Mr. Truman between two important night rallies in the metropolis.

The Presidential caravan, said Mr. Garrity today, is scheduled to leave the Baltimore in New York City at 11:20 A. M. on Friday and will travel up the West Side Highway. At the Yonkers City line a delegation of leading Democrats of the County will meet the caravan to escort the party up South Broadway to Getty Square, then by Manor House Square into Larkin Plaza, in front of the Herald Statesman Building.

**Children Will See President**

There a platform will be erected and President Truman will leave his car to speak from the platform over a loud-speaker to a crowd which is expected to exceed 5,000. Many more thousands are expected to line the streets along which the Presidential party will pass. Schools will be let out, said Mr. Garrity, in order that the children may join those upon the streets to see the President of the United States.

Mr. Garrity will lead the delegation which meets the President at the Yonkers City line and may ride with him in the car to the Larkin Plaza rally. There the President will be introduced by Edward J. Murray, Yonkers Democratic chairman and former Democratic county chairman.

The President is expected to

### Europe on Feet by '52 Aim of ECA—Hoffman

BERLIN, (AP) — The United States has a goal of putting Western Europe on its feet economically by the Summer of 1952 and then withdrawing, Paul G. Hoffman, Recovery Administrator said here yesterday.

He told a news conference the rise of Western German steel production to a rate of seven million tons annually has given confidence to the whole of Western Europe's recovery plans.

Hoffman, in Berlin to confer with Gen. Lucius D. Clay, U. S. Military Governor, leaves today for Frankfurt. He will spend Tuesday in London and leave for Washington Wednesday.

# Soviet Vetoes Compromise To End Berlin Deadlock; Big 3 Rejects Red Proposal

FRANCIS CARDINAL SPELLMAN, Archbishop of New York, right, is greeted by Lewis P. Wells, president of the New Rochelle Hospital Board of Governors left, and Alex E. Norton, hospital superintendent, center, yesterday noon at the hospital following the Pontifical Mass of Thanksgiving at 10 A. M. in Blessed Sacrament Church in celebration of the 100th anniversary of the church. Cardinal Spellman presided at the Mass and was principal speaker at the centenary dinner following.

## *Town Firemen And Apparatus To Pass In Review Tomorrow*

More than 150 firemen, officials and guests will participate in the second annual inspection and parade of the Town of Mamaroneck Fire Department tomorrow night.

The parade, scheduled to begin at the Weaver Street Firehouse at 7:30 P. M., will be led by a color guard of American and Fire Department flags, followed by members of the Town Police Department under the direction of Chief Paul A. Yerick.

Fire Chief George W. Burton, followed by the deputy chiefs of the department, will be next in the line-up, followed by town officials, guests and visiting fire chiefs, and ex-chiefs of the department.

Next in line will be the officers and members of the department led by the St. Casimir's School band of Yonkers. Following the firemen will be the department apparatus which will include the chief's car, Engines 3, 2 and 1, the patrol truck city service truck and aerial truck.

The parade will proceed along Myrtle Boulevard to Murray Avenue, where the members of the department and the apparatus will line up for inspection. After the inspection, the parade will return to Weaver Street Headquarters via Emerson Place and Maple Hill Drive.

Residents along the line of march are requested to light up their homes and turn on porch lights. In addition, colorful flares will be placed along the route to light up the line of march.

Following the parade, members of the department and their guests will go to the Bonnie Briar Country Club for their annual dinner.

Eddie Dooley of Mamaroneck, football forecaster and sports-writer, ex-Chief Harold Burke of the New York City Fire Department; and Jimmy Powers, sports editor of the New York Daily News, will be the guest speakers.

As sports editor of the nation's largest newspaper, Mr. Powers has a daily following of more than 2,000,000 readers and more than 4,500,000 readers on Sunday in the New York area alone. He has been with the Daily News nearly 20 years. In addition, he writes for leading magazines and appears on several sports and television programs.

Born in Ohio, he spent his childhood in Oklahoma and Texas. He is 45 years old, and a graduate of Marquette University, where he was a varsity letter man in football, track and baseball. He also won the New York Snorts Writers Golf Club championship seven years in succession.

During the last war Mr. Powers served four and half years in the Navy as an instructor in the Navy's physical training program, stationed at Kings Point, L. I. He was released from active duty with the rank of commander, USNR.

Mr. Powers is married and the father of three children.

## FRENCH POLICE OCCUPYING MINES

### Only 15 Arrests Made As Strikers Give Way In Northern Coal Fields

PARIS, (AP) — Interior Minister Jules Moch announced today police have occupied about half the key Northern French minefields, struck for three weeks.

He said that, within seven hours after beginning their drive, the police took over some 280 square miles. They made about 15 arrests in the process. The areas occupied lie between the Belgian border and the Douai-Lille Road, Moch said, and include the whole Valenciennes group of mines and part of the Douai group.

"We do not come to fight against the strike," Moch said in a radio speech. "We come to prevent the destruction of hundreds of billions of francs of national wealth, endangered by the criminal decision to abandon safety machinery."

The Communist-called strike has already cost the country the loss of three million tons of coal.

## SUNDAY SCHOOL PUPIL KILLED BY CAR ON WALK

TARRYTOWN — Four-year-old Norman Hasselrin of 23 Dixon Street, was killed yesterday morning by an automobile as he was returning home from Sunday school at the Asbury Methodist Church.

One of three children of Mr. and Mrs. Norman E. Hasselrin, the youngster was struck by a car driven by John H. Bjornberg, forty, of 6 Archer Place. Bjornberg's automobile struck the boy as it came out of a driveway at 19 South Washington Street, which is a short distance from the church.

The boy was taken to Tarrytown Hospital by Wallace Odell, vice president of Westchester County Publishers, a member of the church, but was dead on arrival there.

Bjornberg was booked on a second-degree manslaughter charge. This makes Westchester's 38th automobile fatality this year compared with 39 at this time last year. It is Tarrytown's first automobile death since April 24, 1947.

## COUNCIL TO HEAR EGYPT'S PLAINT

### U. N. Security Unit Sets Hearing On Truce Charges For Tomorrow Morning

PARIS, (AP) — The Security Council was ordered today to meet at 10:30 A. M. tomorrow to hear Egypt's complaint that Israel broke the U. N. cease fire in the Negeb Desert.

Heavy fighting also was reported in Northern Palestine. U. N. observers said the Jews bombed and shelled Lebanese towns. Acting mediator Ralph Bunche talked with Lebanese Premier Riad El Solh about the fighting in the North.

Israel declared through a spokesman that statements of both President Truman and Gov. Thomas E. Dewey demonstrate that U. S. policy is against cutting the size of the new Jewish state.

"Statements by both reaffirming their parties' platform declarations on Israel show clearly that American people are opposed to any plans which prejudice the political and territorial integrity of the State of Israel," the spokesman said.

The spokesman said the Democratic Party platform, "which President Truman now has emphatically affirmed," cannot be reconciled with some recommendations of Count Folke Bernadotte, the U. N. mediator who was assassinated in Jerusalem by Jews of the Stern gang.

### U. S.-Canadian Pact Scanned by Ministers

PARIS, (AP) — The foreign ministers of the five-nation Western European Union met today with a possible military alliance with the U. S. and Canada reported foremost on their agenda.

Authoritative American and British sources said linking of the Brussels union with the American powers in a North Atlantic pact will be the central theme of the sessions which began this morning.

Official British sources said the ministers decided soon after today's meeting began that future sessions will be completely restricted, because of the nature of the talks, these sources said, official spokesmen of the various delegations will not hold briefing meetings with newsmen.

### *Supreme Court Affirms NY Ban on 'Hecate' Book*

WASHINGTON, (AP)—By a 4-4 vote, the Supreme Court today upheld a New York State ban on publication and distribution of the novel, "Memoirs of Hecate County."

The book was banned by New York State Courts on the ground that parts of it are obscene.

### Yonkers' 20th Polio Case

The 20th case of infantile paralysis in Yonkers and the 99th in Westchester this year is reported today. The latest case involves a, one-year-old Yonkers boy, who became ill on Oct. 9. He is being treated at Babies' Hospital in New York City.

### 6-Nation Plan Under Fire As Unfair To Russia

PARIS, (AP) — Russia vetoed tonight the small power proposal for a compromise ending of the Berlin deadlock.

PARIS, (AP)—Russia's Andrei Y. Vishinsky told the Security Council today he is prepared to veto a small power compromise resolution on the Berlin crisis if it is brought to a vote.

With both arms flailing the air, Vishinsky denounced a six-nation resolution aimed at settling the crisis arising from the Soviet blockade of Berlin. He said it was unfair to Russia.

Vishinsky said the Berlin question should never have been brought before the Security Council in the first place. Earlier, an authoritative source said the three Western powers had rejected a Russian counterproposal for ending the blockade.

The Soviet Deputy Foreign Minister said his main objection to the six-nation proposal was that, while the blockade was to be raised at once, "only talks will be organized" immediately on the currency reform demanded by the Russians.

"We cannot accept that," he declared.

United States, British, French and neutral delegates considered the Russian plan for an hour at a meeting in the apartment of Juan Bitis Bramuglia, Argentine Foreign Minister and acting president of the Security Council.

After the decision was reached against the Russian plan, Bramuglia went to tell Andrei Y. Vishinsky Soviet Deputy Foreign Minister, the Western answer.

The delegates, more serious than usual, went immediately to the Palais de Chaillot for a meeting of the Security Council, which was delayed two hours for their conference.

Bramuglia was reported to have tired to convince the neutrals and the Western group they should accept a set of draft he prepared after he saw Vishinsky twice last night.

**Refused to Accept**

It was said the Western powers would not accept it at all and insisted on standing on the resolution of the six small powers now before the council.

Dr. Philip C. Jessup, U. S. deputy delegate, said "no comment" to all questions. He said he was bound not to say a word.

The other delegates likewise refused to talk, saying they had to hurry to the council meeting.

Bramuglia went to the Russian

## BUS STRIKE PLAN PUSHED BY QUILL

### New York City Mediator Seeks to Avert Walkout Set For 9 A.M. Tomorow

NEW YORK, (AP) — A city mediator has stepped into a dispute threatening a tieup of seven privately-owned bus and trolley lines carrying 3,500,000 passengers a day.

Theodore W. Kheel, director of the City Labor Relations Division, received orders from Mayor William O'Dwyer yesterday to seek settlement of the transit walkout threat.

Michael J. Quill, international president of the CIO Transport Workers Union, called yesterday a strike on the lines in Manhattan, Queens, the Bronx and Westchester is "a sure bet" to begin at 9 A. M. tomorrow. Only Third Avenue lines in Westchester will be affected.

Quill said the 8,000 TWU men on the private lines were "in no mood" to go back—once a strike started.

### Bullitt for Dewey, Raps Administration

WASHINGTON, (AP)—William C. Bullitt, former ambassador to Russia and France, has come out in support of Gov. Thomas E. Dewey for the Presidency.

Bullitt said in a statement yesterday he considers the Truman administration "incompetent." On the other hand, he said, he has confidence in Dewey's ability.

His statement was distributed by the Republican National Committee. Bullitt described himself as a life-long Democrat.

# The Daily Times

**The Weather**

Partly cloudy and mild, high in low 60s. Tonight fair, low in middle 40s. Tomorrow mostly sunny and warmer, high in upper 60s. High tides today at 5:15 P. M.; tomorrow at 6:05 A. M. and 6:45 P. M.

## Combing The Town

### *Good Old Days*

Ed Clark, the first scoutmaster of Troop 2, Mamaroneck Boy Scouts, who was guest of honor at the troop's 33rd birthday party last night, told one story about "the good old days" that caused considerable merriment among the 1948 scouters.

The 1915 Scouts started on a weekend trip, he said, on bicycles. He accompanied them in an early edition of an automobile rigged up like a covered wagon. It had a truck body and a canvas top which protected the canteens and other camping supplies.

"The first day or two, I had to stop that car several times to wait for the bicyclists to catch up," he recalled. "But by the time the third day rolled around, the bicyclists were stopping to wait for me to catch up in that old bus!"

### *Job Office Head*

Charles Stabler, son of Mr. and Mrs. Norman Stabler of 24 Homer Avenue, Larchmont, is director of the new Swarthmore Student Employment Office at Swarthmore College, Pa. This office finds part-time jobs for students on and off the campus.

Stabler is a second semester junior, majoring in economics. He is a dormitory proctor, member of the Student Council, and president of Delta Upsilon Fraternity. He attended Mamaroneck High School and was graduated from George School.

### *What's the Secret?*

Patsy Scelia of 27 Post Place, Harrison, has the formula for growing huge sweet potatoes, if some of those in his present crop are any criterion.

Mr. Scelia, who is eighty-three, grows vegetables as a hobby. He recently grew a potato measuring 12 inches long and eight inches around, weighing almost two pounds. His potato crop originated from the shoots of a sweet potato placed in a bowl of water last Spring.

### *Nothing to It*

Judge William F. Bleakley, principal speaker last night at the testimonial dinner in honor of Rep. Ralph A. Gamble at the Winged Foot Golf Club, revealed how to be a success in politics in Westchester County.

"It's perfectly easy," he said. "All you have to do is to be a Republican and marry the prettiest girl in town who happens to be the daughter of the county Democratic leader. That's how I did it!"

### *Wrong Victim*

A dog was slightly injured when he was caught in a muskrat trap set near the Sheldrake River. The dog's owner, Alexander N. Martin of 34 Revere Road, Larchmont, reported at Town police yesterday afternoon.

He expressed fear that children in the neighborhood might also be injured by the trap, which was brought to police headquarters.

### *Orthodontic Talk*

An explanation of the popular misconceptions about treatment featured a talk on orthodontics by Dr. Morton Heide of Larchmont last night before the Washington School P. T. A. in New Rochelle.

Dr. Heide illustrated his talk with colored slides and answered questions from the audience.

### *Simchat Services*

One hundred and fifty children and more than 100 adults participated in the Simchat Torah services last night at the Hebrew Institute of Mamaroneck, conducted by Rabbi Irving Rosslow.

The children were given flags, apples, candy and miniature scrolls with psalms.

### Two Autos Collide On Chatsworth Ave.

An auto operated by Miss Helen T. Ryan of 1 Cherry Avenue, Larchmont, collided at 11:45 A. M. yesterday with an auto operated by J. Warren O'Mealy of the Alden House Apartments, Larchmont, Larchmont police reported today.

Mrs. Ryan told police she was backing her auto from 112 Chatsworth Avenue when it struck the left front door of the O'Mealy car, which was proceeding north on Chatsworth Avenue. Police reported the rear bumper of her car, which was not damaged, dented the door of the O'Mealy auto.

O'Mealy told police that his auto was halted on Chatsworth Avenue waiting for the traffic light to change when it was struck by the Ryan auto which damaged the left rear door of his car. No charges or arrests were made.

# DULLES ASSAILS SOVIET GRAB FOR WORLD POWER

## Communism Working For World Revolution, He Tells U. N.

PARIS, (AP) — John Foster Dulles told the U. N. Political Committee today that Russian action before the world peace agency was part of "a general effort to extend the power of Soviet Communism throughout the world."

The American delegate spoke as small powers of the Security Council renewed their efforts to mediate the Berlin blockade crisis after Russia's veto of a compromise offered by six smaller powers.

Dulles, foreign affairs advisor to Gov. Thomas E. Dewey, Republican Presidential candidate, said international Communism is working for a world revolution through "force, coercion and terrorism."

He linked the Greek question, which is before the General Assembly, and the Berlin deadlock, before the Security Council, as parts of the Russian plan to dominate the world through Communism's spread.

Dulles said he was presenting a resolution to send the U. N. Special Commission on the Balkans (UNSCOB) back to work for another year investigating the Greek civil war and appealing to Greece's northern neighbors to cease aiding efforts to overthrow the Greek government.

The resolution was presented by the United States, Britain, France and China. It said "the continued aid given by Albania, Bulgaria and Yugoslavia to the Greek guerrillas endangers peace in the Balkans and is inconsistent with the purposes and principle of the charter of the United Nations."

The resolution would order those three northern neighbors of Greece to cease all aid at once and cooperate with UNSCOB in a continued inquiry into the civil war.

# Fire Fighters Set Big Revue Nov. 17, 18, 20

Mayor and Mrs. Walter B. C. Washburn of Larchmont head the honorary committee of patrons and patronesses for "Facts and Fancies," the musical revue to be presented by the Larchmont Fire Department at the Junior High School Nov. 17, 18 and 20, it was announced by ex-Chief Frank N. Tierney at a meeting of the show committee last night in the Hose Company room of the Municipal Building.

Others on the committee include Trustee and Mrs. George N. Gibbs, Trustee and Mrs. Gail Golliday, Trustee and Mrs. Arthur W. Coombs, Trustee and Mrs. Harold T. Hughes, Mr. and Mrs. Tierney, Mr. and Mrs. Edwin C. Humphrey, Mr. and Mrs. Lester S. Simon, Mr. and Mrs. Spencer Field, Mr. and Mrs. E. S. Hartley, Mr. and Mrs. Clarence Stein, Mr. and Mrs. James T. Naughton and Thompson J. Flint.

Tickets for the production will be received from the printer Thursday, Captain Paul Tamagno of the Patrol Company, chairman of the ticket committee reported, and will be distributed among the members of the five companies comprising the department.

Arrangements will be made to have the entire department canvass the village to sell tickets for the show. Notices will also be mailed to every resident of the Larchmont Postal District, calling their attention to the show and advising them that tickets may be purchased from any member of the department at Fire Headquarters on Larchmont Avenue.

Ex-Chief John T. Breunich, re-

### Wiring Catches Fire In Town Police Car

Wiring in a Mamaroneck town police car caught fire at 11:40 P.M. yesterday.

Detective Joseph Paonessa stated that as he was patrolling in Rouken Glen, Larchmont, the headlights of the auto suddenly went out and the motor stopped. Seeing smoke coming out of the hood, he halted Nick Battista of 15 Hillcrest Avenue, Larchmont, who was passing in his taxi. Battista took the officer to a police call box, where Paonessa sent for an extinguisher from headquarters. He then returned to the car, lifted the hood and saw several wires smoldering, one of which he pulled out.

Officers arriving with the extinguisher found several wires with burned insulation and a melted battery terminal. The car was pushed back to headquarters by the radio car.

**CONGRESSMAN FETED** — About 350 Republican leaders of town and county paid tribute last night to Rep. Ralph A. Gamble of Larchmont at a testimonial dinner in the Winged Foot Golf Club, Mamaroneck. Seated at the speakers' table in the above photo are (left to right) Mrs. Henry R. Dillon, vice-chairman of the Town of Mamaroneck Republican Committee; former County Executive William F. Bleakley of Yonkers, Rep. Gamble and Livingston Platt, county Republican leader; standing (left to right) Supervisor Owen A. Mandeville and Burton C. Meighan, chairman of the Town of Mamaroneck Republican Committee.

# PEDESTRIAN HURT WHEN HIT BY CAR

## Resident of New Rochelle Struck As He Crosses Chatsworth Avenue

A pedestrian was struck and injured at 7:40 P. M. yesterday by an auto operated by Richard Greenbaum of 139 Chatsworth Avenue, Larchmont, in front of the Larchmont post office on Chatsworth Avenue, Larchmont police reported this morning.

John N. McMath, sixty-one, of 28 Springdale Road, New Rochelle, was taken to New Rochelle Hospital where several sutures were taken in a ragged laceration in the back of his scalp. He was treated for multiple contusions, shock and a possible skull fracture. Hospital authorities said Mr. McMath was "doing nicely" this morning but would be confined to the hospital for another week to ten days.

Mr. Greenbaum, twenty - one, told police that he had been driving east on the Post Road and had made a left turn into Chatsworth Avenue. As he was driving north on Chatsworth Avenue, he said his car struck Mr. McMath as he was crossing from the Kwantung Lotus Restaurant at 6 Chatsworth Avenue to the post office.

Mr. Greenbaum said he saw Mr. McMath walking across the street and when his auto approached him Mr. McMath began to run, but was struck before he was out of the path of the oncoming vehicle. Police said that after the impact the Greenbaum auto traveled its own length from where McMath lay.

Police reported the following witnesses of the accident: Horst Kluger of Fifth Avenue, New Rochelle; Kenneth Mattson of the same address; Donald Ubriaco of 76 Wendt Avenue, Larchmont, and George Allen of the Colony Apartments, Larchmont.

No charges or arrests were made.

### Port Chester's Chest Tops $125,351 Goal

PORT CHESTER — The Community Chest passed its 1948-49 goal here by collecting $125,419 it was announced last night by executive secretary G. Clifford Jones.

A goal of $125,351 was sought for the benefit 15 agencies including a USO appropriation of $1,860.

# *Rep. Gamble Honored By Republicans At Testimonial Dinner*

Extolled as a humble, loyal man, Rep. Ralph A. Gamble of Larchmont last night was accorded a rousing, standing ovation by more than 300 friends and guests as their "vote of confidence" in the "Grand Old Man of the Grand Old Party."

The occasion was a testimonial dinner in honor of the congressman, in the main dining room of the Winged Foot Golf Club, Mamaroneck.

"Loyalty," said William F. Bleakley, former county executive and principal speaker of the evening, "is one of his outstanding abilities. No one is more loyal than the guest of honor and we want to send him back to Washington with the largest majority vote he has ever received."

Livingston Platt, chairman of the Westchester County Republican Committee, reviewed his association with Mr. Gamble, whom he has known for 40 years, and his work as a New York State assemblyman and later as a Congressional representative.

"It is a great privilege to know Ralph Gamble as I have known him," Mr. Platt said, "and to be here tonight to do him honor. It is a great tribute when his own home town turns out as it has tonight in his honor."

Speaking of Governor Thomas E. Dewey, Mr. Platt said that a year ago he prophesied that Dewey would be the next president. He renewed his prophesy and predicted that "Tom Dewey will have the largest vote in the history of Westchester County."

Judge Bleakley recalled his association with Governor Dewey since November 1927 when he and other Republican leaders met him in his District Attorney's office in New York City to ask him to run for governor. "I agreed then," he said "that I would back Governor Dewey. I have never regretted any support I have given him."

The Governor, Judge Bleakley added is "exceedingly reserved,"

### Rabbit Breeders Meet Nov. 28 at Rohrig's Home

The next meeting of the Westchester County Rabbit and Cavy Breeders Association will be held Sunday, Nov. 28 at 3:30 P. M. at the home of the president, Frank Rohrig of 625 First Street, Mamaroneck. Mr. Rohrig will discuss "New Zealand Whites."

Plans for this meeting were discussed Sunday at a meeting at the home of Mrs. Julia Chase of Tarrytown, where Pete Gasparini of Mamaroneck spoke on the uses of chimpanzee rabbits.

# *Troop 2 Boys Feted On 33rd Anniversary*

The 44 members of Troop 2, Mamaroneck Boy Scouts, were joined last night by more than 100 guests including old-timers, Scout leaders and parents as they celebrated the 33rd anniversary of the founding of their troop.

The dinner was served by the Woman's Society of Christian Service at the Mamaroneck Methodist Church, sponsor of the troop. After the main course was served, Girl Scout leaders marched into the room with a five-tiered birthday cake surrounded by 33 candles. They were followed by a procession of Scouts with smaller cakes, also decorated with birthday candles.

Troop honors were listed by Scoutmaster Herbert B. Livesey, Jr.; the Scouts were treated to an account of activities of 33 years ago by Ed Clark, the first scoutmaster; and they witnessed the investiture of the Rev. Asbury G. E. Stromberg as chaplain of the troop.

George Fischer, chairman of the troop committee, served as master of ceremonies, calling upon all former members to rise and give their names and the dates of their membership. Twelve "old timers" responded with dates ranging from 1915 to the early 1940's.

Mr. Clark, who made the trip from his home in New Hampshire to attend the dinner, recalled the hikes, the wall-scaling contests and other local activities of the first troop and then played two numbers on his famous "bones" accompanied by Mrs. Arthur Allen. His talk was greeted by thunderous applause from the 1948 members of the troop.

Mr. Livesey paid tribute to the

# AUSTIN ANGRILY HALTS ZION TALK

## Tells Egyptian Security Council Needs Time On Truce Charges

PARIS, (AP) — The American president of the United Nations Security Council angrily adjourned debate on Palestine today. He closed the session with a statement that the council could not be lashed into action by Arab charges of bias.

Warren Austin, the U. S. delegate and October president of the council, spoke up sharply to close the debate until Thursday at 10:30 A. M. after Mahmoud Bey Fawzi of Egypt pressed for immediate council action.

The council was called into the emergency session to hear an Egyptian charge that Israel is violating a cease fire order on the Negev front in Southern Palestine.

Fawzi said Egypt had accepted the Security Council's week - old cease fire order in the Negev but that fighting there was continuing.

"What is the Security Council going to do about this continued fighting?" he demanded impatiently.

# THIRD AVE. REVAMPING ASKED IN U. S. COURT

NEW YORK—A reorganization through possible merger with one or more of the major bus operating companies in New York City, is sought for the Third Avenue Transit System, in two petitions filed by bondholders in Federal Court yesterday.

Filing of the petitions was precipitated by the strike today of employes seeking payment of retroactive wage increases. Each of the petitions contends the corporation is insolvent to the extent of $45 million.

While the petitioners state "no fare increase in reasonable prospect can restore the debtor to financial health," they add termination of the corporation's services through a bankruptcy liquidation would be contrary to public interest. As a possible solution of the problem, the petitions suggest a merger would be "desirable and perhaps necessary."

**SCOUT LEADERS** participating in the 33rd anniversary dinner of Troop 2 last night at the Mamaroneck Methodist Church are shown above. They are, left to right, Jack Strayer, assistant scoutmaster; George Fisher, troop committee chairman; the Rev. Asbury G. E. Stromberg, troop chairman; Herbert B. Livesey, Jr., scoutmaster; Reno Zuccaro, Siwanoy Council field executive; Earl Annis, assistant scoutmaster, and Ticky Litchfield, junior assistant scoutmaster.

# New York Bus Strike Averted As Quill Acts

## GRIFFIN ELECTED HEAD OF HOSPITAL

### Rovensky, Snyder, McClure Named Officers at Board's Annual Meeting

Charles H. Griffin, vice president of the Westchester Newspapers, Inc., and general manager of The Standard-Star, was elected president of the New Rochelle Hospital Association and Earl C. Sams was reelected chairman of the hospital board of governors at a meeting of the board last night in the hospital.

Mr. Griffin, who has been a member of the board since April, 1945, and who served this last term as a vice president of the board and association, replaces Lewis P. Wells, who tendered his resignation after serving in that capacity since 1946. Mr. Wells will remain as a member of the board.

Also elected to office were Joseph C. Rovensky, first vice president, formerly a vice president; William Frank Snyder, second vice president, formerly secretary; Carl H. McClure III, secretary; Ernest H. Watson, treasurer, and William W. Sheppard, assistant superintendent of the Hospital, assistant treasurer.

Mayor Stanley W. Church, who was present at the meeting, lauded Mr. Wells on his administration and extended congratulations to Mr. Griffin on his election. Mayor Church also promised the cooperation of the City in the progress of the hospital.

In his acceptance speech, Mr. Griffin outlined problems which the hospital faces stating "the board of governors is composed of men and women of excellent stature and with your help our problems will be solved this year."

**Wright Presents Slate**

Harry D. Wright, chairman of the nominating committee, presented the slate of officers.

Mr. Snyder reported on the annual meeting of the association on Oct. 14, when 12 members of the Board of Governors were elected and six persons were named honorary members of the board. At that meeting a resolution was passed adopting officially all annual reports of hospital officials and all acts, elections and proceedings of the board since the preceding annual meeting.

The business was transacted at the organization meeting of the board, which under the by-laws of the group is held within two

## CHEST PUSHES DRIVE TO REALIZE GOAL

Everett T. Houghton, executive director of Mamaroneck's 1948 Community Chest drive, issued an appeal today to all workers to complete their calls and report to the captains of their districts as soon as possible.

With only 65 per cent collected so far of a quota of $22,357, every effort will be made to hurry the campaign to a successful conclusion, Mr. Houghton states.

As soon as the workers have reported, captains are urged to turn in all contributions to E. J. O'Neill, treasurer, at the County Trust Company.

The districts are headed by the following captains: Santo and Joseph Quadrini, District 1; Joseph Lanza of the Manzoni Lodge and the Betsy Ross Lodge, District 2; James Rabe, District 2A; Richard McClure, District 3; Albert E. Tuttle, District 4; James Carty, District 5; Charles L. Warren, District 6; Dominick R. Santomenna, District 7; William Sullivan and Stewart Park, District 8; Mrs. Donald Rabbott, District 9; Richard McLaren, District 10; and Benjamin Morrell, District 11.

### Nager Speaks Tonight At Democratic Rally

Charles J. Nager, of Larchmont, Democratic candidate for Congress from the 28th District, will be one of the speakers at a rally tonight at Thompson's Restaurant, 667 Forest Avenue, Rye, sponsored by the City of Rye Democratic Committee.

Other speakers will include Samuel Landow, candidate for state assemblyman from the Fourth District; Richard J. Connolly, candidate for state senator from the 30th District; and Harold T. Garrity, county Democratic chairman.

### Drivers Ordered Back To Work 4 Hours After Striking

NEW YORK (AP)—Bus drivers were ordered back to work today four hours after they struck in the city's biggest surface transportation tie-up which affected 3,500,000 New Yorkers.

Michael J. Quill, international president of the CIO Transport Workers Union, ordered the 8,500 union members back to work on seven privately-operated bus lines.

Quill issued the order to a mass demonstration of workers outside State Public Service Commission headquarters in the Woolworth Building.

He spoke a moment after Mayor William O'Dwyer made a sudden, dramatic appearance at the demonstration and urged the men to return to their jobs.

NEW YORK, (AP)—The largest surface transportation strike efter to hit New York City left about 3,500,000 New Yorkers without normal bus and trolley service today.

Promptly at 9 A. M. CIO drivers of 4,000 buses and hundreds of trolleys discharged passengers and headed back to their garages.

The walkout by 8,500 members of the CIO Transport Workers Union over retroactive wages averaging about $300 a man hit the city and parts of suburban Westchester County at the morning rush hour. The seven companies affected are privately operated.

The words and actions of a Lexington Avenue bus driver typified scenes throughout the city.

"It's 9 o'clock," he announced to passengers, stopping his northbound bus at 79th Street. "Everybody out. This is our way of getting even."

He restored toward a corner drugstore. "Buy some footpads and start walking."

Strangers crowded together in taxis bound for the same general destinations.

The city's well-known thoroughfares — Fifth and Madison Avenues — and many other streets were emptied of buses.

The Third Avenue Transit Corporation, one of those affected, operates trolley and bus lines in Westchester. It has street car lines running between New Rochelle and Mount Vernon to the New York City subway, and eight lines in Yonkers, including routes to the subway, Mount Vernon and Hastings.

It has bus routes from White Plains to Tarrytown, Mamaroneck, Mount Vernon, Harrison, Yonkers, Silver Lake, Hastings, Grasslands and New Rochelle; and other lines operating in Mount Vernon and New Rochelle, Pelham, North Pelham, Pelham Manor, Bronxville and Tuckahoe.

All facilities of the city-operated subway and elevated lines in Manhattan, Queens and the Bronx were geared to rush-hour service for the duration of the strike.

Extra buses rolled on city-owned lines in Manhattan and Queens to relieve the press.

Target of the walkout is the State Public Service Commission. Employes demand that it grant permanent fare increases which would enable payment of about $5 million in retroactive wage hikes.

The commission, accused by the union of undue delay, refused yesterday to be forced into speeding up decisions on pending application for fare hikes.

An appeal by Mayor William O'Dwyer for postponement of strike action was rejected by Michael J. Quill, international president of the CIO Transport Workers Union.

Quill summoned the 8,500 drivers, mechanics and other workers on the seven lines to gather this morning outside the Woolworth Building, which houses the Public Service Commission, to demonstrate for fare increases.

**Demonstration at Albany**

Informed that commission chairman Milo R. Maltbie had decided to have the board meet in Albany instead of New York City today, Quill said the 8,500 transport workers might follow the commission to the capital city for a demonstration.

### MHS Students Confer With College Official

Students of Mamaroneck High School conferred this afternoon with Richard L. Balch, assistant director of admissions at Union College, on college admissions problems.

Mr. Balch explained the educational program at the Schenectady institution. He will visit other schools in this area before visiting schools in Western New York State next month.

## Combing The Town

***Bagged—One Doe***

A five-day hunting trip to Maine taken by William Scelia, owner of the Larchmont Print on Addison Street, Joseph Stout of the Barbara Apartments, Larchmont, and LeRoy Keck of Harrison last week not only provided the trio with some much needed relaxation, but it was fruitful as well.

LeRoy bagged a doe which tipped the scales at 25 pounds dressed. Each man reported that he saw three deer while tramping through the woods, but the thick foliage (the leaves were still on the trees at the time) prevented them from drawing a bead on the animals.

Their hunting was in the area of Rowe Pond Camp, Bingham, Me., about 50 miles northeast of Skowhegan. The trio returned Sunday.

***Paper Drive Nov. 7***

The next waste paper drive to be conducted by Mamaroneck Post 90 of the American Legion will be held unday Nov. 7, it was announced last night at a meeting of the post.

A check for $287.79 has been received from the sale of paper collected during the last paper drive, when 47 tons of paper were collected.

Three new members were accepted by the post last night. They are Mrs. Dorothea B. Harper, Dr. Francis Hunter and Michael Vitetta.

Revisions of the by-laws to make them conform with the New York State Department by-laws were adopted. Comd. William Kuritzky presided.

***Dual Education***

Harold J. Burke, ex-chief of the New York City Fire Department, who was one of the guest speakers at the annual dinner of the Town Fire Department last night, revealed that when he went to school the Rt. Rev. Msgr. Thomas J. Deegan, pastor of St. Augustine's Church, was one of his teachers.

Town Fire Chief George W. Burton, who acted as master of ceremonies, said he had been asked to ask the monsignor "If his pupils turned out to be fire chiefs, where would his proteges go when they died?"

The monsignor replied: "We educate them for both—Heaven or Hell!"

***Rally Speaker***

Democrat Charles J. Nager of Larchmont, who is opposing Rep. Ralph A. Gamble, Republican, also of Larchmont, for a seat in the House of Representatives, will speak at a rally tomorrow at 8 P. M. at the V. F. W. Hall, New Broad Street, Port Chester, jointly sponsored by the Democratic Committees of the Town of Rye and the Village of Port Chester Democratic Club.

Also slated to speak are State Committeeman William F. Luddy of Harrison, County Chairman Harold T. Garrity, Town of Rye Council nominee James V. Wells, and Town of Rye Committee Chairman Frank E. McGrath.

***Winds Up Training***

Pvt. Albert Chiodo of Mamaroneck was recently home on a short furlough from Fort Devens, Mass., where he is in his final week of training with the Seventh Infantry Regimental Combat Team. He expects to receive another furlough after completing the course, and will probably be stationed at Fort Devens for the rest of the year.

Pvt. Chiodo, son of Mr. and Mrs. Vincent J. Chiodo of 308 Tompkins Avenue, enlisted in the Army last August. He received basic training at San Antonio, Texas.

***Sub Talk***

John H. Hilding, an official of the Electric Boat Company of New London, Conn., will speak on submarines at the November meeting of the Men's Club or St. Thomas's Church, Mamaroneck, Monday at 8 P. M. Title of his talk will be "The Ships of the Silent Service".

During World War II, Mr. Hilding had charge of all electrical installations on submarines built by his firm. He has been associated with the company nearly 25 years.

### Westchester PBA Ball Scheduled for Saturday

WHITE PLAINS — A musical-comedy review, staged by Jimmy Daley of Scarsdale, will be featured at the annual entertainment and dance of the Policeman's Benevolent Association of Westchester County Inc., to be held Saturday night at the County Center.

Sgt. Fenton F. Magerle of the Tarrytown police is chairman with William T. Grady of White Plains, secretary of the Association.

# FOOD SALES HERE TOTAL $4,081,000, NEW HIGH RECORD

### $361 Per Capita Spending Rates Mamaroneck As Quality Market

NEW YORK — Mamaroneck is shown to be a quality market, with a higher standard of living than most communities in the United States, on the basis of food consumption and other indexes. The data is contained in Sales Management's latest copyrighted survey of income and expenditures.

Food purchases in Mamaroneck last year—in meat markets, groceries, delicatessens and the like—came to $4,081,000. This was at the rate of $361 for each man, woman and child in the village. The rest of the country, in the period, spent only $218 per capita. In the Middle Atlantic states, food consumption totaled $251 per capita and in New York, $252.

Mamaroneck residents, because of their better earnings, were able to spend a larger part of each dollar for food than were people in most cities. Locally, 36.4 precent of all retail expenditures were for food as against 26.8 percent nationally, 30.6 percent in the Middle Atlantic States and 29.0 percent in New York State.

Food sales in Mamaroneck represent an increase of 8.8 percent over the previous year.

In the other retail categories investigated, general merchandise and drugs, Mamaroneck is also a standout village. Purchases of general merchandise reached a peak in 1947 of $597,000; drug store buying was at the high level of $367,000.

# NAGER ATTACKS G. O. P. RECORD

### Legislation Does Not Bear Out Platform, Declares Larchmont Democrat

The record of the Republican-dominated 80th Congress does not bear out the G.O.P. platform promises, Charles J. Nager of Larchmont, Democratic candidate for Congress from the 28th District, charged last night at a rally at Thomson's Restaurant, Rye, sponsored by the City of Rye Democratic Committee.

Mr. Nager, who is opposing Republican Rep. Ralph A. Gamble, also of Larchmont, for a seat in the House of Representatives, supported the non-partisan team of statesmen which he said was created by President Truman, declaring that our foreign and military policies are being well carried out.

He scored Congress for its failure to do something about inflation, the housing shortage and civil rights.

Following is Mr. Nager's address in full:

"There is more than the usual significance to the election this year. This is a critical period for our people, such as we fortunately seldom experience in our history. The foreign crisis continues to be acute, and we are all aware from the prolonged meetings and the provocative policy of the Kremlin that an explosion may occur at any instant to shatter the peace of the world. Fortunately, our foreign and military policies, which are now virtually blended into a single program, are being carefully and skillfully shaped and carried out. We have

# HALLOWEEN PARTY SET SUNDAY FOR CHILDREN

Final plans for the children's Hallowe'en party sponsored by the Mamaroneck (I. C.) Civic Association, to be held at 1 P. M. Sunday at Columbus Park, were completed by members of the association which met last night in the real estate office of Joseph Wallace, 614 Mamaroneck Avenue.

Sub-committees turned in various reports on games, entertainment and food. In the event of rain, the party will be held in the gymnasium of the Mamaroneck Avenue School.

The remainder of the meeting was devoted to a discussion of a reporters the Moore Plan as prepared by the Westchester County Village Officials Association, which charges discrimination against villages in the distribution of state aid. The G. I. Civic Association intends to continue its study of the problem and make a report of its findings to Mayor B. J. Santoro of Mamaroneck.

GUESTS OF HONOR last night at the annual dinner of the Town of Mamaroneck Fire Department following the inspection and parade are shown above with Chief George W. Burton, seated at left, in the main dining room of the Bonnie Briar Country Club. Seated, left to right, are Chief Burton, the Rt. Rev. Msgr. Thomas J. Deegan, pastor of St. Augustine's Church; Rep. Ralph A. Gamble of Larchmont, and Eddie Dooley of Mamaroneck. Standing, left to right, are Owen A. Mandeville, supervisor of the Town of Mamaroneck; Harold J. Burke, ex-chief of the New York City Fire Department; George E. Mills Jr., Town Councilman, and Rol B. Wooley of Larchmont. —Staff Photo.

# LIONS HEAR PLEA FOR WORLD UNITY

### Only World Government Can Bring Peace, U.W.F. Officer Declares

Nothing less than government has ever been able to bring about peace, and nothing less than world government will bring peace to the world, John Holt of the New York State Branch of United World Federalists, told the Mamaroneck Lions Club meeting yesterday at the Blue Haven Inn.

History has proved again and again that military supremacy, alliances, leagues, treaties and other such forms have failed miserably, he stated.

Mr. Holt spoke on basic world government, which he described as the only practical plan for peace. "Practical" he defined as "based on action practiced as opposed to theory, or an inclination to do things rather than talk about them."

When nations join together under a common government, peace can result, he said. As an illustration, he pointed to the continuous war between England and Scotland until they came together under a government.

"There was no revolution in human nature," Mr. Holt stated. "It was government that brought about peace. True, civil wars have occasionally occurred, primarily because government has not done its job and has failed to maintain the peace. But civil wars have always been the smallest fraction of all our wars."

"Why so on trying to bring about peace by policies proved impractical? Why not take practical steps and realize that world government is the only institution with a reasonable chance of bringing about world peace?"

"World government is not Utopia," Mr. Holt continued. "It will have all of the problems and all of the drawbacks of all governments. But a world federal government will make it possible for all peoples to live at home as they wish. In a government of delegated powers, nationals run their home affairs as they see fit. Only matters affecting the world, its peace and security, will come under the jurisdiction of world federal government."

We were once a non - united country. But we are united now. Canada faced the problem of

*(Turn to Page 3, Please)*

# Swift U. S. Action Predicted On West Europe Alliance Pact

By JOHN M. HIGHTOWER

WASHINGTON, (AP) — Swift American action appears assured today once the five-nation Western European Union makes its formal request for a military alliance with the United States.

Conviction of Dave Cvaniga of 425 Boston Post Road, Larchmont, on a charge of bookmaking, is reversed in a decision by Acting County Judge John P. Donohoe in White Plains, and the information against him dismissed.

Cvaniga was fined $200 on last Dec. 30 by Justice of Peace Wesley M. Messersmith, after he was convicted by a jury in Mamaroneck Town Court. The appeal was taken by Joseph P. Gagliardi, attorney for the defendant, who was arrested on Oct. 15, 1947. He was found guilty at a second trial, after the first had ended in a disagreement.

Judge Donohoe holds the information on which Cvaniga was tried was defective in form and that as a result the court had no jurisdiction of the case. He also rules that portions of the charge to the jury were not properly given, particularly a part which Judge Donohoe holds could have given the jury the belief that Cvaniga should have taken the witness stand.

### Grand Jury Indicts Miami Man as Burglar

John Lighthourne, twenty-nine, of Miami, Fla., was indicted by the Grand Jury in White Plains yesterday on charges of burglary third degree and possession of burglary tools. He was arrested early on the morning of Oct. 11 in the Port Chester YMCA by Patrolman Lester Fehrs. The burglar tool charge is based upon the fact that Lighbourne had a pinch bar in his possession.

In fact, the rough draft of just such a North Atlantic security treaty already has been written, after secret and informal talks with the European countries. Barring some unexpected hitch, the final version is expected to go to the Senate within three months.

The aim of the projected alliance is to provide American and Canadian military guarantees for non-Communist Europe, with the Western European Union as a nucleus. The "union" countries are Britain, France, Belgium, The Netherlands and Luxembourg.

As part of this broad undertaking, defense department officials already are working with European military experts on plans for a program of mutual military help. However, work on this program—which would cost the United States several billion dollars over the next few years—is less well advanced than that on the treaty.

The council of the Western European Union, composed of the

# CVANIGA CLEARED OF BOOKMAKING

### Court Reverses Decision On Basis of Defective Information

### 16 Traffic Violators Fined Total of $36

A total of $36 in fines was collected from 16 traffic law violators by Judge Charles M. Baxter Jr., in Mamaroneck Town Police Court this morning.

Fined $5 each were Joseph J. Russo of New Britain, Conn., for driving across a double white line; Domiane LaGrotteia of New Rochelle for driving through a red light; and Sumner Willis of White Plains and John Villanova of the Bronx, both for speeding.

Fined $2 each were Richard P. Ackerman of New Rochelle, Mitchell Lasus of 129 Du Bois Avenue, Mamaroneck, and Mrs. Elsa Shapiro of the Larchmont Acres Apartments, all for parking violations, and John T. Reynold of Wollaston, Mass., for passing not consistent with safety.

Fined $1 each for parking violations were Jean De Paisse of Rye; Jeanne E. Stakr of 65 Briarcliff Road, Larchmont; Mark Soroko of 263 Murray Avenue, Larchmont; Joseph W. Mendes of Hicksville, L. I.; Walter Dockerill of 14 Judson Street, Larchmont; Pauline B. Wright of the Larchmont Acres Apartments; Rose Smith of 118 Post Road, Larchmont; and Hunter Meighan of 151 Penimore Road, Mamaroneck.

# Bus Strike Renewal Threatened By Split Within Union Ranks

## *Ex-N. Y. Fire Chief Urges Disaster Relief Plan Here*

An ominous note was sounded last night at the annual dinner of the Town of Mamaroneck Fire Department by Harold J. Burke, ex-chief of the New York City Fire Department, who recommended that the town draw up a disaster relief plan.

Although he did not specifically predict a war, Chief Burke, who was the war-time head of the U. S. Navy's fire damage control program, said "it is possible you may need a disaster relief plan in the next couple of years and I suggest if you do not have one that one be worked out."

The former Navy captain addressed more than 150 firemen and guests at the Bonnie Briar Country Club where the dinner was held following the annual inspection and parade of the department.

Chief Burke, chief engineer of the C. O. Two Company of Newark, N. J., told the firemen. "I have a very warm affection for a volunteer fire department which has to make the best of it with what it has and through improvisions."

Referring to the inspection he said: "I was greatly impressed with the fine condition of your apparatus and the esprit de corps of your organization, which is invaluable to a fire department.

"While parading with you tonight, I could not help but get the sense that after all this is America and that people with foreign ideologies could not be here with us tonight because a fire department is a democracy.

"As long as we have organizations such as this, America hasn't too much to fear, and by our example we should spread our idea of a democracy."

Chief Burke said that many persons do not realize the value of money spent for fire fighting equipment. "A dollar spent for apparatus or equipment," he added, "is a dollar well spent."

He said that the efficiency of the mutual aid fire plan in Westchester amazed him, making up for the limited reserve and depth found in the larger paid fire departments.

Speaking briefly of his war time experience, Chief Burke said that the Navy had considerable success, mostly due to the fact that it had unlimited resources and the pick of the crop of firemen.

"As a tribute to those who served," he added, "they did a grand job. The fire service of America is typified by those who served in fire damage control and I am certainly proud to have been their leader."

The chief urged the firemen to keep up their good work and

CLARENCE B. LITCHFIELD

# LITCHFIELD NAMED TRUSTEE OF BANK

### Elected to Fill Vacancy Created By Death of Earl A. Fisher

Clarence B. Litchfield of 835 Grove Street, Mamaroneck has been elected a trustee of the Union Savings Bank of Mamaroneck to fill the vacancy created by the death of Earl A. Fisher, it was announced today.

A resident of Mamaroneck 16 years, Mr. Litchfield is a native of Mitchell, S. D. He attended Dakota Wesleyan University and was graduated from the University of Pennsylvania School of Architecture.

He has been associated with the architectural firm of Alfred Hopkins and Associates, 410 Lexington Avenue, New York City, 22 years, and has been a partner since 1930.

Mr. Litchfield is a member of the Mamaroneck Methodist Church, Mamaroneck University Club, Board of Trustees of the Mamaroneck Free Library, Commerce and Industry Association of New York Apawamis Lodge of Masons, New York Building Congress, Inc., American Prison Association, and American Hospital Association. He is chairman of the committee on fees of the American Institute of Architects and chairman of the fees and York Chapter of the American contracts committee of the New Institute of Architects. He is also a committeeman of Mamaroneck Boy Scout Troop 2.

Mr. Litchfield is married and has five sons, Lawrence and Tickner, students at Bellows High School; John and Clarence, Jr., pupils at Barry Avenue School and Richard.

# RYE TOWN OFFICE BUILDING READY

### Departments Expected To Begin Operations In New Quarters Monday

Construction of the new $100,000 Town of Rye Office Building at 10 Pearl Street, Port Chester, has been practically completed and it expected that all Town departments will begin operating at the new headquarters on Monday, Supervisor Arthur G. Sammarco announced today.

The Town Rooms, including the office of the supervisor, the town clerk, tax assessor and tax receiver have been located in the Mezzulio Building at 125 North Main Street, Port Chester, since 1930 during which time the rental was approximately $10,000 a year.

Removal of all town records from the North Main Street building has already begun.

The Doria Construction Co. of Valhalla, was the general contractor, Samuel Greenberg Co. plumbing and heating concern of Port Chester, installed the heating system, and the Karnes Heating and Plumbing Company, also of Port Chester, did the plumbing work. J. E. S. Barker, electrician of White Plains, installed all the electrical equipment.

The two-story building was designed by John M. Liptak, architect, and president Chairman Avenue, Town of Rye, and maintains his offices in New York.

### Medical Society Names Nyack Doctor Leader

NEWBURGH, (AP) — Dr. Stephen R. Montaith of Nyack, has been elected president of the first district branch of the Medical Society of the State of New York. He succeeds Dr. Harold F. Morrison of Tuxedo Park. The first district includes Westchester.

Other new officers elected yesterday at the group's annual meeting include Dr. Reid R. Heffner of New Rochelle, treasurer.

### Drivers Call Meeting For Decisive Vote On Walkout

## Bulletin!

NEW YORK, (AP) — Leftwing leaders of a CIO union surrendered today and advised all workers to return to their jobs after the biggest bus strike in the city's history.

Threat of a renewal of the Third Avenue bus and trolley strike in Westchester late today came with a call to a union meeting in New York tonight and appearance of squads of strikers trying to persuade working operators to return their vehicles to terminals.

Yonkers trolleys will return to the barns at 4 P. M., it was announced.

How many bus drivers will respond to the meeting call was not known.

The meeting in New York City was announced for the purpose of taking a vote sometime between 5 and 9 P. M. to continue work or resume the strike.

In the face of threatened renewals of the strike, William Hall, superintendent of the Third Avenue's operations in the Mount Vernon-New Rochelle area, declared shortly before 1 o'clock that there had been no word received at the Mount Vernon barns calling men off the job.

"On the contrary," he said, "I have found a strong determination among the men to stay at work unless something drastic happens."

The White Plains division of the Third Aveinue said its buses would begin going to the garage at 3:20.

After yesterday's 4-hour strike demonstration and the union's return-to-work order at noon, complete service was resumed at 2 P. M. on the Pelham Manor line and the Webster Avenue route, and partial service on the "A" trolley line to the New York City subway system, all operated by the Westchester Electric Railroad Company, subsidiary of the Third Avenue. With the outbreak of trouble in New York City, Mr. Hall called all service off the streets at 4 P. M. yesterday and it was not resumed until 11:25 P. M. to "avoid trouble" here.

# APARTMENT FIRE DAMAGE REPAIRED

### Addison Building to Be Ready For Return of Tenants Soon

Tenants will probably be able to move back into the apratment building at 1 Addison Street, Larchmont, by the end of the week, Joseph Ginsburg, owner of the apartments, revealed yesterday afternoon.

Damage to the Addison Apartments and three stores in the same building gutted by fire Aug. 19 was placed at between $75,000 and $100,000 by an unidentified claims adjustor.

Mr. Ginsburg stated yesterday that many of the rooms of the building have been repainted, their floors scraped and shellacked, and general repairs made where necessary. He also said that electric, gas and plumbing facilities have been restored and that the oil burners probably will have been installed by the end of the week. Lack of heat is now the only deterrent to living in the apartments, he added.

# DUSTING OF TENANT UPHELD BY COURT

A ruling in Rye Town Court ordering the ousting of a tenant in the Orienta Apartments, Mamaroneck, was affirmed yesterday in a decision by County Judge Elbert T. Gallagher, dismissing an appeal from the order of Justice of Peace Henry D. Holden.

Raymond R. Beatty Inc., as agent for Ralod Realty Inc., owners of the apartment, brought the action against Walter Baer, tenant of Apartment 4-H. Anthony Sansone represented the landlord, while George P. Forbes Jr., appeared for the tenant.

Judge Holden made an order July 19 giving the landlord possession after a trial in which employes of the corporation and tenants in the building testified concerning "conduct" of the tenant and his wife, and of a fire said to have occurred in the suite.

# MOTORIST FINED $50 FOR CARELESS DRIVING

Warren A. Jordan of 331 Third Street, Mamaroneck, was fined $50 and his operator's license was suspended for an indefinite period for imprudent driving by Judge John R. Cahill in Larchmont Police Court last night. Jordan paid the mandatory penalty following two other arrests for speeding within the past 18 months.

Willie Moore of Hartford, Conn., forfeited a $30 bail bond for speeding at 50 m. p. h. and Frank M. Ray of Winston-Salem, N. C., paid $10 for driving through a red traffic light.

Frank C. Dillon III of New Rochelle was fined $2 for parking in front of a fire hydrant.

## Combing The Town

### *New Look*

The latest "Know Your Schools" bulletin, published cooperatively by the Mamaroneck-Larchmont Parent-Teacher Council and the Mamaroneck Teachers' Association, has a streamlined design.

The new look, reports Mrs. Phillip D. Morrison, who prepared the current issue, is a result of the expert advice of Sanford Hirschberg of 35 Stuyvesant Avenue, Larchmont, who is associated with the advertising firm of Hicks and Greist, Inc. of New York City. Mr. Hirschberg has volunteered to assist the Parent-Teacher Council in preparing their "Know Your Schools" bulletins by advising them on layouts designed to catch the eye and hold the reader's attention.

Today's issue is the first of four to be published during the school year. The remaining three issues will be prepared by Mrs. Erik Andersen, Herbert Morenroth and Mrs. John G. H. Muehlke.

### *Band Fund Swelled*

A contribution of $50 toward the Mamaroneck High School band uniform fund has been made by the Columbus Day Committee in appreciation for the performance of the band in the annual parade Oct. 12.

Following is a letter to John Cary, chairman of the Columbus Day Committee, from Harland L. Pinney, director of the band:

"We are in receipt of your very kind letter, and the check for $50 for our part in the Columbus Day parade.

"On behalf of the Mamaroneck High School band, I wish to thank you for your generosity in making this contribution to our band uniform fund. We are also pleased to know that you feel satisfied with our performance in your celebration."

### *Wins Officer Rating*

Andrew M. Maggard of Larchmont has been appointed a cadet second lieutenant in the Corps of Cadets at the Virginia Military Institute, Lexington, Va.

Earlier this month, Cadet Maggard was designated a "distinguished military student" in the Air Force ROTC unit by the commandant. A member of the V. M. I. swimming team, he will be graduated next June and offered a commission in the Regular Army. He is the son of Mr. and Mrs. Oliver Maggard of 20 Hillside Road.

### *Joins McGrath*

Mrs. Ethel B. Hoag of Larchmont, licensed real estate saleswoman who for many years was associated with the Eugene Riviere office, has joined the real estate office of B. F. McGrath, 135 Larchmont Avenue, Larchmont.

Mrs. Hoag has been active in civic and social affairs and was recently elected second vice president of the Pine Brook District Property Owners Association, having previously served as a director for three years.

### *Short Visit*

Harry Truman's "Presidential Special" train passed through Mamaroneck and Larchmont shortly after 3 P. M. today on the way to New York City.

Town and Village of Mamaroneck police were assigned to cover all bridges in the area as a precautionary measure against any possible acts of sabotage.

Police of the New York, New Haven and Hartford Railroad police cleared the station platforms until the train passed through.

### *Long Weekend*

Another long weekend is in store for the children in the Mamaroneck and Rye Neck School Districts.

There will be no school tomorrow, when teachers will attend the annual meeting of the Southeastern District of the New York State Teachers' Association in New York City. The general session will be held at the St. Nicholas auditorium, 63 West 66th Street.

### *Completes Biography*

John Dickson Carr, Mamaroneck author who resides at 118 Beach Avenue, recently completed a portrayal of the creator of Sherlock Holmes entitled "The Life of Sir Arthur Conan Doyle." Harper & Brothers will bring out Mr. Carr's biography early next year.

Mr. Carr is a well known English mystery writer. He came here from England last Spring.

### *Set for Sea Duty*

Seaman 1-c Thomas Hill, son of Mr. and Mrs. Aksent Hill of 626 Third Street, Mamaroneck, is expected to leave San Diego, Calif., shortly for Pacific duty aboard the U. S. S. Chopper, a submarine.

A former Bellows High School student, Seaman Hill has one more year to serve of a four-year enlistment.

# U. S. Foreign Policy 'Unleashing' Another War, Stalin Warns

### Britain Also Accused With Neutrals of Aggression

MOSCOW, (AP)—Prime Minister Stalin accused the United States, Britain and the so-called neutral states of the United Nations Security Council today of supporting a policy which can lead to the "unleashing of a new war."

The Soviet leader added, however, that the present international crisis "can only end in an ignominious failure on the part of the instigators of a new war."

Stalin answered a series of questions put to him by a reporter of Pravda, the Communist Party newspaper, on the Berlin controversy.

The Prime Minister criticized China, Canada, Colombia, Syria, Belgium and Argentina for their actions in the Security Council at Paris during the Berlin discussions. "These six nations attempted to mediate the big power quarrel over Berlin, but Russia vetoed their proposed compromise Monday."

**'New War Policy'**

Those gentlemen are obviously sending their support to a policy of aggression—to a policy of unleashing a new war," Stalin asserted.

"The point is," Stalin went on, "that the inspirers of the aggressive policy of the United States of America and Britain do not consider themselves interested in the USSR.

"They want no agreement and cooperation but talk about agreement and cooperation, in order to thwart agreement, to throw the blame on the USSR and, by so doing, prove the impossibility of cooperation with the USSR.

"The instigators of war, who

## THUG BINDS MAID, ROBS MAN, FLEES

### Harrison Home Invaded For Stickup-Burglary; Car Chased By Police

HARRISON — An armed burglar broke into the home of Alfred Jacobs on Stratford Road shortly before 7 o'clock last night, bound and gagged a maid and robbed Jacobs of $70 and personal papers, when he returned home several minutes later. The bandit escaped in Jacobs' automobile which he had just parked in the driveway. The car was found abandoned in White Plains after police had chased it through the streets.

According to police, the maid, Miss Viola McNeil, opened the kitchen door to let in her dog and was ordered by the gunman to Jacobs' bedroom. Her hands were bound with an apron while the gunman tried to open one of three closets containing valuables.

When he was unable to open the closet with a knife, he apparently went downstairs to get additional tools and saw Jacobs returning by way of the kitchen door. With a handkerchief over his face, the bandit hid and then pressed a gun into Jacobs' side as he entered the house. Meanwhile, Mrs. Jacobs' saw the robber and ran to the home of a neighbor on Archer Road, who summoned police.

While Mrs. Jacobs was gone, Jacobs and the bandit scuffled. According to police, Jacobs struck the man in the face at the same time that he had a gun pressed into his side. The man fell to the floor, according to police, and the bullet missed Jacobs and embedded itself in the wall. Jacobs tried to hit the bandit again, but fell down. The gunman fled.

### Rubbish Charge Costs Larchmonter $10 Fine

NEW YORK—Rubbish accumulated in the cellar of a building at 2 East 12th Street, New York, led to a $10 fine being imposed yesterday in Municipal Term Court here on Josephine F. McDermott, forth, of 7 Willow Avenue, Larchmont.

The Larchmont woman, listed as owner of the premises, pleaded guilty to a charge of violating a provision of the city's multiple dwelling code. She was served with a summons on Oct. 4, according to Joseph Tierney of the Department of Housing and Buildings.

COMES OUT FOR DEWEY—Alvanley Johnston (left), head of the Brotherhood of Locomotive Engineers, shakes hands with Gov. Thomas E. Dewey, GOP Presidential nominee, in Detroit after throwing his support to Dewey.

## *Villages Asking $106,000 In 'Short Changed' Refunds*

Villages in Westchester which claim they were "short-changed" by their towns in distribution of State mortgage tax refunds want $106,000 instead of the $38,000 which the Towns had tentatively suggested might be due as a result of an arithmetical formula used in the distribution.

This is revealed in a report to the Westchester County Village Officials Association by the special mortgage tax committee and signed by Trustee Edgar J. Bitz of Port Chester and Corporation Counsel Anthony Sansone of Mamaroneck. The report follows lengthy conferences on the issue with County and State officials.

Use of the improper arithmetical formula was discovered last December by some officials of the Villages, who immediately brought the error to the attention of the association. The State Tax Commission, investigating, found that the amount held by the towns for their own use but properly belonging to the villages in such towns amounted to $38,553 for the 1941-1947 period. County Attorney Harry Herman, was quoted as holding the opinion the investigation need not be extended back beyond 1941.

But the Village officials thought otherwise and now by its own research claims approximately $106,000 is due them instead of the smaller amount. The Villages' study dates back to 1918, at about which time it is believed the original error in the formula was first made.

Appeal to State Comptroller Frank C. Moore as to the period which should be considered brought from him the opinion that the State Tax Commission is not bound by any six-year statute of limitations. He added that he felt no interest should be paid by the Towns on any adjustments made to the Villages.

County officials now take the attitude that the problem is one between Towns and Villages since the County merely receives the mortgage tax refunds as a distributing agency, keeping none of the funds itself. County Attorney Herman last month asked the State Comptroller and the State Tax Commission to expedite a settlement. The Villages are now waiting to see what the Towns will do.

## WOMAN INJURED FATALLY BY CAR

### New Rochelle Man Unable to Avoid Hitting Pedestrian On White Plains Road

SCARSDALE — Mrs. Andrea Hobeck, seventy-three, of 65 Robertson Avenue, White Plains, died at 2 P. M. yesterday in White Plains Hospital three hours after she was struck by a car in Scarsdale.

The car, a 1937 sedan, was driven by James Rastuccia, forty-eight of 193 Webster Avenue, New Rochelle.

According to Scarsdale Patrolman John P. Nagle, Mr. Rastuccia was driving south in the first lane of Post Road between Kingston and Fairview Roads. As he moved into the second lane to pass a parked truck, Mrs. Hobeck walked from in front of the truck.

The officer said Mr. Rastuccia sounded his horn and swerved into the third lane. The right front of the car struck Mrs. Hobeck, knocking her down.

White Plains Hospital said Mrs. Hobeck suffered a possible skull fracture. Her death was the second auto fatality in Westchester in two days, the second this year in Scarsdale and the 30th in the county in 1948 compared with 39 at the same time last year.

No charge was made against Mr. Rastuccia, and he was paroled in his own custody. Sgt. John Donovan, who tested the car brakes and horn, said they were in good condition.

SHOW COMMITTEE of the Larchmont Fire Department is shown above at a recent meeting discussing plans for its annual revue "Facts and Fancies" to be presented at the Mamaroneck Junior High School Nov. 17, 18 and 20. Reading from left to right around the table are: ex-Captain G. R. Winant of the Engine Company, co-chairman of the talent committee; ex-Chief John T. Breunich of the Hose Company, advertising committee chairman; Harry Seery of the Engine Company, co-chairman of the talent committee; Deputy Chief William F. Collins of the Engine Company, Deputy Chief Hugh J. Collins of the Engine Company, Chief F. M. Taylor of the Hook and Ladder Company, Deputy Chief Joseph B. Ford of the Hose Company, Fire Commissioner George N. Gibbs, ex-Chief Frank N. Tierney of the Hose Company, William Carey of the Engine Company, stage committee chairman, and Capt Paul Tamagno of the Patrol Company, ticket committee chairman.—Photo by Steiner.

## SANCTIONS URGED IN PALESTINE WAR BY BRITAIN, CHINA

### Security Debate Move Gets Support; Forced Peace Plan Adjourned

PARIS, (AP) — Britain and China proposed today that the United Nations use economic sanctions to force peace in Palestine.

France, Belgium and Canada announced support and a reliable source said the United States also would vote for the resolution. Russia and the Soviet Ukraine did not make known their positions.

The debate will be resumed tomorrow in the Security Council. Russia asked for a two-day postponement, but Warren Austin, the American council president, ruled at adjournment today there would be no delay. The council meets again tomorrow.

**Rejects Withdrawal Order**

Israel has rejected orders of the U. N. Mediator of Palestine, Ralph Bunche, that her troops withdraw from positions won in the Negeb desert in a week of battle with Egypt. Egypt's complaint that Israel is violating the U. N. cease fire order brought up the issue.

The British-Chinese proposal was advanced under Article 41, Chapter 7 of the U. N. Charter which sets forth actions "not involving the use of armed force" by which the council may enforce its decisions.

## GAMBLE'S RECORD POOR, SAYS RIVAL

### Most of His Constituents Don't Know His Name Nager Claims

Rep. Ralph A. Gamble of Larchmont has been a Congressman 12 years, yet most of his constituents don't know his name, according to Charles J. Nager, also of Larchmont, one of the speakers at a Democratic rally last night at the Scarsdale Woman's Club sponsored by the Scarsdale Democratic Committee. Mr. Nager is running against Mr. Gamble for a seat in the House of Representatives.

The Democratic candidate charged that Mr. Gamble, in his 12 years in office, has rarely introduced a bill, made a motion or even taken the floor. "He follows the straight party line 95 per cent of the time," Mr. Nager declared.

"It would be entirely novel for Westchester to have an independent, progressive representative in Congress," he said.

Mr. Nager charged that his opponent has repeatedly voted against progressive legislation, citing particularly Mr. Gamble's "signal failure" as chairman of the Joint Congressional Committee on Housing.

Other speakers were Harold T. Garrity, of Yonkers, County Democratic Committee chairman; Mrs. Sarah L. Bach of Scarsdale, Democratic candidate in the Fifth Assembly District; Mrs. Floyd Crews of Scarsdale, vice chairman of the County Democratic Committee and Henry Hofheimer Jr. of Scarsdale, Mrs. Bach's campaign manager and ex-Democratic candidate for the Scarsdale Town Council.

Robert E. L. Howe Jr., chairman of the Scarsdale Democratic Committee, presided.

## Man Stabbed in Chest During Tavern Melee

Frank Henderson, twenty-one, of 39 East Broadway, Port Chester, was treated in United Hospital last night for a slab wound in the left chest which he told hospital authorities occurred at about 1:30 A. M. Tuesday in an unidentified Mamaroneck tavern.

The stabbing was reported to Mamaroneck police by hospital authorities, who stated that Henderson said he was stabbed with a knife by an unidentified person when he entered the tavern and found a fight in progress among several men.

# Home Building Here Soars To New Peak Despite Sales Slump

GUEST OF HONOR, Robert L. Donovan of Larchmont, at right, is greeted by William McPall, acting High Priest of Westchester Chapter No. 327 Royal Arch Masons, at a reception held in Mr. Donovan's honor last night at Masonic Temple, New Rochelle. Mr. Donovan, recently elected Grand Scribe of the Grand Chapter of the Royal Arch Masons of New York State, was an organizer of both New Rochelle Lodge, F. & A. M., and the Westchester Chapter, Royal Arch Masons.

### Hundred New Dwellings Either Finished or Being Built

By JAMES C. FORBES

Building throughout the Town of Mamaroneck is at an all-time peak despite the fact that there is a current slump in the buyers' market, particularly in the lower priced new houses.

Not since the boom days of the 1920's has there been so much building activity going on in the town as there is today. A recent survey showed that there are almost 100 new homes, either completed or under construction, none of which are priced at less than $17,000.

The day of low priced houses ranging from $5,000 to $10,000 has passed from the local scene. It may still be possible to pick up a new home for $15,000, but they are few and far between.

The only exceptions are two houses in the Village of Mamaroneck recently sold for between $10,000 and $13,000.

The otherwise "low priced" houses of today are becoming a dirge on the market, and builders and developers are forsaking them to build houses which will sell more readily in the $30,000 to $60,000 price range.

These conditions in the real estate field here were brought to light as a result of the survey and in interviews with builders, developers and realtors.

**3 Million In Permits**

An indication of the tremendous amount of building going on is revealed in the town assessor's roll which shows that for the fiscal year June 1, 1947 to June 1, 1948, building permits were issued covering an estimated cost of construction of more than $3 million, the highest since 1936, which is as far back as Town records go covering new construction.

Of this amount, $956,450 of new construction had been completed by last June 1, while an additional $525,000 represented partly built new construction. As of that date, $872,461 of the new construction had not been started but a large amount of it was started during the Summer months.

This is partly due to the fact, that although it is not openly admitted, it is common practice for many builders to delay the start or completion of new homes until after June 1, when the town tax roll is made up, thereby avoiding taxes on improvements or that portion of the homes not completed for that year, as an inducement to prospective purchasers.

Of the permits issued between

## *Higher Education To Cost 1948 Class $800,000 Total*

Parents of the Mamaroneck High School graduating class of 1948 will spend $800,000 for the further education of their children, according to the "Know Your Schools" bulletin being sent home today through the schools.

The estimate is based, on the cost of college tuition, board, clothes, allowances and travelling expenses for these students.

Of the $800,000, $17,210 will be paid through scholarships, prizes and awards won by the 1948 graduating class.

This "Know Your School" bulletin is the first of four to be published during the 1948-49 school year. It outlines information about loans and schlorships available to the youth of the community.

In the last six years, awards have amounted, to $73,679.30, according to the bulletin. Sixty-three per cent of the students of the classes of 1947 and 1948 have continued their education after graduation from high school, compared with a national average of only 17 per cent.

Scholarships range from $100 to $1000 toward college expenses for one or more years and are awarded on the basis of good marks, active participation in activities, financial need, qualities of leadership, possibilities of success and endorsement by the high school principal.

To prepare children for scholarships, their patterns of curiosity and study are developed in the elementary schools and habits of concentration and study are fostered in junior high school, while at the senior high school the records of sophomore, junior and senior work are translated into credits for college, the bulletin states.

Scholarships are offered by colleges, universities and local clubs. Parents desiring further information about scholarships may consult with the high school principal or with the deans of boys and girls.

In addition to the scholarships, the bulletin points out, there is a Mamaroneck-Larchmont Student Aid Fund established in 1937 to help worthy and enterprising boys and girls of any age and in any grade to continue their education or specialized training which they could not do otherwise.

## LITTLEFIELD OUTLINES KIWANIS PRINCIPLES

The objects of Kiwanis International were outlined at the meeting of the Mamaroneck Kiwanis Club last night at the Elks Clubhouse on Post Road, Mamaroneck, by Past President Walter Littlefield.

Mr. Littlefield said the objects are (1) to give primacy to the human and spiritual rather than to the material values of life; (2) to encourage the daily living of the Golden Rule in all human relationships; (3) to promote the adoption and the application of higher social, business and professional standards; (4) to develop by precept and example a more intelligent, aggressive and serviceable citizenship; (5) to provide through Kiwanis clubs a practical means to form enduring friendships; (6) to render altruistic service and to build better communities; (7) to cooperate in creating and maintaining that sound public opinion and high ideal on which makes possible the increase of righteousness, justice, patriotism and good will.

Mr. Littlefield was introduced by Domenick Santomenna, who presided.

Plans are being made for a 10th anniversary celebration and a "Ladies Night" meeting before the close of the year. The committee is headed by Past President John J. McDonald.

## LIONS PRESS PLANS TO 'ADOPT' VILLAGE

Progress with plans to "adopt" a French village was reported by a Larchmont Lions Club committee at the weekly meeting yesterday in the Pal-Mar Restaurant.

The committee reported that the village of LaMadeleine appears to be a likely municipality with which to carry on cultural relations. The Lions are working with Action Democracy, an agency which "clears" French villages to avoid duplication.

The Lions, through such a program, hope to be a "friend by mail." The club anticipates being able to act as a "middle man" between Larchmont residents and residents of the French village who wish to exchange ideas on their vocations or on any other subject.

Hallowe'en was celebrated by the club when Fred Grandi of New Rochelle appeared incognito and delivered a travel talk while members attempted to identify him. No one was successful.

Joseph Day of the Chatsworth Oil Company was initiated into the club.

Plans were discussed for Thanksgiving and Christmas parties to which children of the members will be invited.

The Lions Club exceeded its quota in the annual Community Chest drive, it was reported.

### Instruction Offered In Voting Machine Use

Personal instruction in the use of voting machines will be given by Town Clerk Charles J. Gronberg this afternoon from 2 to 4 and tonight from 7 to 9 at the Maquaro Fire House on Palmer Avenue, Mamaroneck.

Instructions will be repeated tomorrow afternoon and evening at the same time at the Weaver Street Fire House.

## Combing The Town

### *Not Really!*

Mrs. Eva Harrison, kindergarten teacher at the Daniel Warren School, received a mild shock yesterday when she discovered Principal George Ayres apparently stowing a woman into the closet of his office.

The woman turned out to be half of a life-like looking mannequin, one of the props for the play which the Daniel Warren Parent Teacher Association will present Monday night, entitled "The New Look," with a dress shop setting.

When Principal Ayres had stopped blushing, he explained to the startled teacher that after Nov. 1 his office would no longer be cosulted with evening gowns, hat boxes and mannequins, and would revert to its original academic appearance.

### *Now It's Official!*

Newspaper offices are frequent repositories of strange requests and odd bits of information, so we were only slightly surprised yesterday when a youthful female voice called announcing its owner as "representing the children of Larchmont."

The children of Larchmont, it seems, are going to be out "begging," traditional Halloween pastime, tomorrow night instead of Sunday night, "because our mothers won't let us stay up late Sunday night on account of school Monday."

The "representative" wanted us to let everybody know their change in plans, "so they'll be ready for us Saturday night when we come begging."

### *Ernst Wins Promotion*

Arthur Ernst of 515 Oakhurst Road, Mamaroneck, was recently promoted to general manager of Textron drapery fabrics, in charge of both merchandising and sales of Textron, Inc.

A native of Larchmont, Mr. Ernst lived there for a number of years before moving to the mid-West and has been a resident of Mamaroneck for the last two years. He is a graduate of the Philadelphia Textile Institute and New York University.

Prior to joining Textron, Inc., two and a half years ago, he was associated with Montgomery Ward for five years and B. Altman and Company for 15 years.

### *Completes Med Course*

Pvt. James J. O'Connor, son of Mr. and Mrs. Joseph J. O'Connor of 630 Stiles Avenue, Mamaroneck, has been graduated from the medical laboratory technician's course at the Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas. The course started last July and he is now awaiting further assignment.

The Medical Field Service School trains both officers and enlisted men for medical service in the Army. The courses are highly concentrated, preparing Army personnel for technical jobs of importance in the Medical Service.

### *Halloween Preview*

Hallowe'en pranksters got off to an early start.

Mrs. Catherine Lemonmeyer of 1418 Arlington Street, Mamaroneck, reported to Mamaroneck police yesterday morning that upon returning home with her husband from the movies at about 9:15 P. M. Wednesday they found the clothesline, cut, bird house pulled out of the ground, cover of refuse receptacles torn off its hinges and the garbage can taken from the rear of the house and put on the front lawn. Police are looking for the vandals.

### *'All Saints' Day*

The Festival of All Saints' will be observed at St. Thomas's Church beginning Sunday, when at 11 A. M. there will be the annual Service of Commemoration, with appropriate hymns and prayers.

The names of all those of the parish who have died since last All Saints' Day will be remembered at the altar, and the rector's sermon will be suitable for this season.

On Monday, All Saints' Day, there will be the Celebration of the Holy Communion at 10 A. M.

### Two Alarms Call Out Weaver St. Firemen

The Mamaroneck Town Fire Department responded to two fire alarms yesterday. Mrs. Allan B. Shore of 145 Griffen Avenue, Mamaroneck, complained of smoke in her cellar at 11 A. M. Engine No. 2 and the hook and ladder truck were dispatched to the scene where a washing machine motor was smoking. The switch was turned off and the motor found damaged. Recall was at 11:18 A. M.

At 11:15 A. M. Engine No. 3 responded to a brush fire at 5th street and Valley Place, Larchmont. Recall was at 11:37 A. M.

**CAR OWNER . . .**

use the want ads constantly . . . for buying and selling. Chances are you bought your first car and have sold many others through the want ads. With Winter coming on you may not want to carry your car through the chilly season. Sell it now . . . at a profit. Place your ad by calling Mamaroneck 8-2100. The cost is low.

## LATIMER SLATED FOR RETURN TO ENGINEER'S POST

### Colonel to Replace Vroman In Village Post After 8-Year Absence

Lt. Col. Claude A. Latimer, Mamaroneck Village engineer who has been on leave of absence while serving in the Army since December, 1940, will return to his job here sometime between Nov. 1 and 15, it was announced last night at a meeting of the Village Board .

Col. Latimer will replace Guy Vroman, who has served as village engineer in his absence. Mr. Vroman will continue his private practice as a civil engineer and surveyor.

High tribute to Mr. Vroman for his services was paid by Mayor B. J. Santoro, Village Manager Johnson and the trustees.

The mayor thanked Mr. Vroman for his work for the village "at a time when it was needed very badly." He said that the village has been enriched by his service. He also thanked Mr. Vroman for an eight-page report of flood control conditions in the village, which Mr. Vroman submitted last night.

Mr. Johnson said Mr. Vroman has served the village well for many years, adding that it was his "great satisfaction" to have known and worked with the departing engineer.

Col. Latimer is now stationed at Post Headquarters, Fort Belvoir, Va., with the Army Engineers. He has served as chief of the planning section, engaged in post-war planning of the layout and utility design for that post. During the war, he served with the Engineers' Corps in Italy. His family resides at 628 Wood Street, Mamaroneck.

COLOR GUARD of the Ninth District of the American Legion is this all-girl foursome from Larchmont, Mount Vernon and New Rochelle. The girls, members of posts in those three communities, will compete Nov. 6 against six male color guards for honors at a Legion military ball in New Rochelle. Left to right they are Marion Chadwick and Grace MacWhinney of the Larchmont Legion Post 347, Dora Hanks of Mount Vernon and Edith O'Connor of New Rochelle.—Staff Photo.

## HARBOR ISLAND REVENUE DROPS

### Season's Receipts Decline $1,779 Below Total For Previous Year

Receipts from the operation of Harbor Island in 1948 were $1,779.30 below the 1947 receipts, Village Manager William H. Johnson reported to the Mamaroneck Village Board last night.

Receipts in 1947 totaled $18,622.90, while this year's receipts were $16,843.60. Attendance in 1947 was 82,018; this year it was 69,871.

Following is a break-down of receipts, with the 1948 figure listed first, followed by the 1947 figure:

Season beach tickets for residents—$2,088.50, $2,241.70; season beach tickets for non-residents—$2,025.00, $2,160.50; pavilion receipts—$1,286, $1,250; parking receipts — $1,664.20, $1,493.95; daily tickets for beach, pavilion and parking—$4,131.40, 65,000.75; tennis receipts—$653.50, $738; dinghy float permits—$3,425, $3,400; refreshment concession—$1,300, $1,100; Sheldrake Yacht Club—$350, $350.

Mr. Johnson said that the drop in receipts was due to the drop in attendance, which in turn was due to the elimination of the sale of daily tickets to non-residents Saturdays, Sundays and holidays.

"There is no doubt that the new regulation worked very well," Mr. Johnson said. "Although it was a little difficult to effect, it was certainly worth while because scores and scores of our residents called by phone or wrote letters commending our action.

"There are certain improvements in the plan which I will recommend to the Park Commission and which I am sure will make the plan soon workable and at the same time give added

## RESIDENT IS GUILTY OF LARCENY CHARGE

NEW YORK—Arthur Walters, thirty, of 608 Tompkins Avenue, Mamaroneck, pleaded guilty to a larceny charge in General Sessions Court here yesterday morning, arising from two arrests last year for passing bad checks. He will be sentenced Nov. 19 by Judge Jacob Gould Schurman.

Complainants against Walters are Bernard Solomon of 1464 55th Street, Brooklyn, and Sam Jacobs of 200 West 51st Street, New York. Solomon said a check for $179 to buy marine paint was returned by the bank marked "account closed." Jacobs asserted that Walters gave him a check for $110 knowing that he did not have funds in the bank to cover the draft.

## *Village Studies Proposal To Control Dog Population*

How to control Mamaroneck's dog population of 1,100 was discussed for nearly a half hour last night by the Mamaroneck Village Board, but no action was taken.

The trustees read a three-page report on the Tenafly, N. J., dog ordinance, prepared by Corporation Counsel Anthony Sannone in an effort to come up with a plan to control the behavior of dogs locally, but deferred the matter until budget time, when the problem will be placed before the people.

Trustee John Withers, at the last meeting, brought the problem to the attention of the board. He said that dogs are running around loose and that the local ordinance which requires dogs to be leashed or muzzled, is not being enforced. He suggested at that time that the Tenafly ordinance be studied.

Mayor B. J. Santoro said that it is impossible at the present time to enforce the local ordinance. "How can we enforce it," he asked, "unless the police can get information from the people affected?"

He said that the village has a contract with the Humane Society whereby that organization picks up stray dogs, but he emphasized that the society's one employe, who also covers several neighboring communities, cannot possibly do a complete job of covering the Village of Mamaroneck.

"When budget time comes," the mayor declared, "we'll consider the problem very seriously and find out from the taxpayers if they are willing to pay for a village dog warden or whatever personnel is necessary."

Police Chief Arthur W. Martensen said that if the police were made to act as dog catchers, it would be "an additional burden" and "would hurt the morale of the force."

Trustee Withers reported that

## ROTARIANS HEAR BRITISH TEACHER

### Exchange Instructor Talks On War-Time Problems In Education

War-time teaching experiences in England during the blitz were related yesterday by Frederick V. Cheeksfield, exchange teacher from England at Mamaroneck High School, who was guest speaker at a meeting of Mamaroneck Rotary Club in the Blue Haven Inn.

It was necessary to arrange for makeshift classes while the Germans were bombing the country, Mr. Cheeksfield said, placing the full care and charge of the children in the hands of the teachers. The children, he said, had to be fed, taught, washed and generally cared for as they had to move about from shifting homes of places used as classrooms.

He pointed out that among the problems they faced was the fact that 1,100 London schools had been damaged, many of them being completely destroyed. Whatever buildings remained in good shape, he added, were shared with members of the armed forces, while many other buildings were taken over by the government for improvised hospitals.

Through all this, however, he said, education was maintained both in the city and country and the teachers were constantly on duty.

He said children were taught to

(Turn to Page 12; Please)

### Dr. Kazan to Discuss Emotional Problems

Dr. Avram T. Kazan, division director of mental hygiene for Westchester County, will discuss the emotional problems that arise in handling handicapped children at an educational meeting sponsored by the Westchester Cerebral Palsy Association. The meeting, open to everyone interested in cerebral palsy, will be held at the Westchester County Center, Monday, at 8:30 P. M. Arrangements are being completed by Mrs. Herbert L. Morgenroth, of Larchmont, program chairman for the association.

## LIBRARY HONORS HORTICULTURIST

### Chrysanthemum Named For James Stuart Placed On Display

The Mamaroneck Free Library this week is paying tribute to a Mamaroneck resident who has just received a nation-wide honor from the National Chrysanthemum Society.

James Stuart of Orienta Point, one of the country's best known horticulturists, has had a chrysanthemum named for him by the society and several of the blossoms are now on display at the Library.

The chrysanthemum was introduced last week at the New York Botanical Gardens chrysanthemum show in New York by Vincent De Petris of Greece Point, Mich., and was christened the "James Stuart Chrysanthemum" by the national society.

Mr. Stuart holds the highest award ever presented by the New York Horticultural Society and there is also a lilac and an orchid named for him.

Also on display at the Library are chrysanthemums exhibited by Mrs. John Roberts of the Mamaroneck Garden Club who won the coveted first prize at the Botanical Garden national show.

Each week the Garden Club provides floral decorations for the Library and during the next three weeks, Mrs. Henry E. Kincaid, Mrs. Thomas E. Heatley and Mrs. Charles A. Haynes will be the exhibitors.

This month the displays have been arranged by Mrs. Robert J. Bohmert, Mrs. F. J. Steinhardt, Mrs. Gage P. Wright and Mrs. Roberts; and in September, Mrs. Jacques Cipoth, Mrs. Haynes, Mrs. Walter Littlefield and Mrs. H. R. De Mott were in charge.

### Blaze in Parked Car Causes Slight Damage

The Larchmont Fire Department extinguished a fire in an auto owned by James M. Spitzer of 10 Elm Avenue, Larchmont, which was parked on Larchmont Avenue at the Post Road. The emergency truck responded to a still alarm at 4:25 P. M. yesterday and several wires in the auto were pulled when it was learned that there was a short in the cigaret lighter. Damage was estimated at $10. Recall was at 4:35 P. M.

Another still alarm sounded at 7:23 P. M. The emergency truck went to a brush fire near 5 Parkway, Larchmont, which was out upon its arrival. Recall was at 7:40 P. M.

## CHILDREN TO FROLIC AT THREE PARTIES

Three special Hallowe'en events have been planned for the children of the community.

Tonight marks the opening of the Mamaroneck Junior High School Friday night "Open House" for teenagers and will be highlighted by a costume party.

For the younger children a costume party will be held at the Mamaroneck Avenue School beginning at 7:30 P. M. Movies will be shown and the evening's events will be climaxed with a gigantic closely supervised bon fire.

On Sunday the G. I. Civic Association will hold an outdoor party at Columbus Park from 1 P.M. to 4 P.M. for the children. There will be games, entertainment and refreshments.

# Truman Hits G.O.P. For Home Shortage In Yonkers Speech

### Huge Crowd Hears Him Attack 'Real Estate Lobbyists'

President Harry S. Truman, speaking before a large and enthusiastic audience in Larkin Plaza at Yonkers shortly after noon today, declared:

"The people know that I am trying to give them the truth. You want to know exactly what are the issues of this campaign. I have traveled from coast to coast telling the American people where I stand on critical issues. And telling them, too, because they can't find it out anywhere else, where the Republican Party stands, too."

It was the President's only appearance in Westchester during this campaign and, in the memory of oldtimers, the first time a President had spoken in Yonkers, fifth largest city of the State, since the campaign of William Howard Taft. President Franklin D. Roosevelt had spoken briefly on one occasion in White Plains several years ago but not in a campaign, and he also spoke in Yonkers when he was Governor.

The Presidential caravan arrived at the Yonkers City line at 12:09, coming up the West Side Highway from the Hotel Biltmore in New York City where the President is stopping, and whence he returns later this afternoon, his last major address in the metropolitan comes this evening in Brooklyn.

The Presidential party left New York City more than 10 minutes late and further delay was occasioned when the caravan halted at the Yonkers line to permit the President to greet the Westchester Democratic leaders there to welcome him. A delegation of letter carriers presented Mrs. Truman and Margaret with orchids.

Meanwhile the crowd in Larkin Plaza was entertained by band music. Color guards were on

## FREE GOVERNMENT PLEDGED BY GOP

### Turnure, Gamble, McGovern Are Among Speakers at Port Chester Rally

The election of Thomas E. Dewey as President and Earl Warren as Vice-President along with all other Republican candidates at next month's general election means the difference between the American style of free government and the regimented form of government as practiced by the New Deal Democrats under the Truman regime," J. Harvey Turnure, mayor of the City of White Plains Republican Committee, declared before 300 persons at the Elks Club, Port Chester, last night.

The rally was sponsored jointly by the Town of Rye, Village of Port Chester and City of Rye Republican Committees, with Supervisor Arthur G. Sammarco presiding. Other speakers included Livingston Platt of Rye, chairman of the Westchester County Republican Committee, State Senator J. Raymond McGovern, Assemblyman Frank S. McCullough and Congressman Ralph A. Gamble of Larchmont, all up for reelection; Town Councilman Herman A. Schupp, up for election for a three-year term; Rye City Councilman Robert Hughes, Village of Port Chester Trustee Edgar J. Bitz and Harry A. Leigh, chairman of the Village of Port Chester Republican Committee.

Mr. Gamble declared that "while I have been in Congress I have worked along with the other Republican members to cut the nation's budget as much as possible. We have had a tough job with Truman and his predecessor but now it looks like we will have a 100 per cent team for the first time in 16 years and I want to be a member of that team."

State Senator McGovern warned against over-confidence on the part of members of the party. "Don't get the idea that the election is 'in the bag', so to speak, and therefore you don't have to go to the polls on Nov. 2. Realize, all of you that your vote is not only important as a member of the party but that by voting for our candidates you will insure the American way of living instead of a planned government as practiced by the New Deal under Truman," he asserted.

Assemblyman McCullough, after

(Turn to Page 12, Please)

## *Parking Ban At Holy Trinity Approved By Village Board*

The Mamaroneck Village Board last night passed an amendment to the parking ordinance prohibiting parking on the north side of Boston Road between Sprout Street and Dubois Avenue, property owned by Holy Trinity Church, except for church or school purposes.

The board voted for the amendment following a public hearing, with only Trustee James Jackson opposing the adoption.

Mr. Jackson said that he agreed with William G. Pulcher, who appeared in opposition to the amendment, in that "we're creating a problem for other areas along the Post Road."

Mr. Fulcher said that he did not believe the matter had been thought through thoroughly by the board.

"Shutting off that block places heavier pressure on the rest of the Post Road," Mr. Fulcher declared. "You're not solving your problem, but only creating more of a problem for other people."

He said that the diner across from Holy Trinity Church, which caused church authorities to request action against the inconveniences arising from its erection, is a public service and represents an investment of $50,000, feeding an average of 300 persons a day.

"I resent the encroachment of public highways being taken away from the people," Mr. Fulcher said.

He said he did not understand why Holy Trinity Church officials objected to the diner at "such a late date". The area, he said, has always been a business area. "I don't see what legitimate argument Holy Trinity has," said Mr. Fulcher.

Mayor Santoro thanked Mr.

## MERCHANTS PLAN FOR YULE LIGHTS

### Larchmont Trade Group Discusses Decorations For Holidays

Plans for decorating the Larchmont business areas with Christmas lights were discussed yesterday at the meeting of the Larchmont Fair Trade Association held at the Pal-Mar Restaurant.

The cost of the decorations was estimated at between $2,500 and $3,000 or approximately $25 per merchant. Every member was urged to contact four or five of his neighbor merchants to collect money of the Christmas lights fund.

President Harold Eisner who presided over the meeting attended by about 15 members, warned that the community is "getting on hard times" and asked for suggestions to promote sales. Among the suggestions recommended were increased advertising campaigns, special "benefit" weeks and special sales days.

President Eisner also appealed for better attendance by the members at the monthly meetings and in an effort to increase the attendance said it was decided to hold the director's meetings on the Tuesday of the week previous to the regular meeting instead of the same week.

A price control motion passed by the association advocating commercial rent control was vetoed at a recent meeting of the Westchester County Chambers of Commerce led by the merchants of Mount Vernon, New Rochelle and White Plains who maintained that such control was not necessary.

The association voted to donate prizes to be distributed at the "ragamuffin" party to be held tomorrow at the Larchmont Theater.

## 'ON BORROWED TIME' NEXT EPISCOPAL PLAY

A complete surprise is in store for the radio audience this evening when the Broadway hit "On Borrowed Time" is broadcast with Boris Karloff in the stellar role. Instead of a terrifying monster, Mr. Karloff plays the role of Mr. Brink with quiet sympathy and deep human understanding. This is the fifth broadcast in the series "Great Scenes from Great Plays" sponsored by the Episcopal Church..

"On Borrowed Time," by Paul Osborne, is a tender story of age and youth that ran for several seasons on the legitimate stage. It is the amusing and touching story of a very old grandfather and his very young grandson and their struggle to retain the forces that threatened their happiness. Mr. Brink is a mysterious gentleman who has more than a passing interest in the affairs of this couple.

David Anderson, the little boy "Pud," is typical of all small boys who are terribly inquisitive. His gay outlook on life is contrasted with that of "Gramps" who tries to solve all problems humanly, without recourse to divine guidance.

Mr. Brink, (death)—the great common denominator, is portrayed by Mr. Karloff as an essentially human sympathetic character whose magic touch solves all human problems and alleviates all human pain.

## GAMBLE DEFENDS G. O. P. CONGRESS

### Candidate Says U. S. Must Set House In Order In Mineola Talk

Speaking in the absence of Rep. Leonard W. Hall, candidate for reelection from the Second Congressional District, Rep. Ralph A. Gamble of Larchmont last night defended the record of the Republican-controlled 80th Congress in an address at a Republican rally held in the American Legion Hall at Mineola, L. I.

"While the detractors of the record of the 80th Congress are making themselves vocal in many places," Rep. Gamble said, "this record quietly but surely speaks for itself everywhere. By so doing it exalts loyalty to our constitutional freedom and promotes unity and harmony among all the people, regardless of class," which he said to him were the principal issues confronting our country today.

"Regardless of how tremend-

(Turn to Page 9, Please)

## DEMOCRATS FLAY DEWEY'S RECORD

### Nager Leads Candidates In Party's Attack at Port Chester Rally

While President Truman was making his first campaign appearance in New York City last night many loyal Democrats of Port Chester rallied around their party's cause and heard several rousing speeches by high Democratic officials at the Veterans of Foreign Wars Club on Broad Street, Port Chester.

Led by Charles J. Nager of Larchmont, candidate for Congress from the 28th Congressional District, the speakers assailed the fight to the Republicans, hitting hard at Dewey's campaign vagaries and platitudes, decrying the lack of accomplishment in New York State and blasting the extravagance and waste of the Republican regime in Port Chester.

Mr. Nager accused Dewey of "campaigning behind a smoke screen of catch words," but praised Truman "for taking his political life in his hands," when he pressed the cause of civil liberties.

Samuel Landow, Democratic candidate for assemblyman from the Fourth Assembly District, levelled his charges mainly against "the lack of improvement in New York State since Dewey's regime." He severely criticized the State Republicans for building up a big money surplus "which is not put to work for the benefit of the citizens."

Making his first appearance in politics, Mr. Landow related with pride that he had been a Democrat ever since he had been able to vote.

James V. Wells, candidate for

# The Daily Times

ESTABLISHED OCT. 1, 1925 ★ MEMBER OF THE ASSOCIATED PRESS — MAMARONECK, N. Y., SATURDAY, OCTOBER 30, 1948 — MEMBER OF AUDIT BUREAU OF CIRCULATIONS ★ PRICE FIVE CENTS

**The Weather**

Mostly sunny and mild. Tonight clear, lowest near 40. Tomorrow mostly sunny and continued mild, highest in the mid-60s. High tides today at 9:50 P. M.; tomorrow at 10:04 A. M. and 10:37 P. M.

## Combing The Town

### *Reduced Rate*

Mamaroneck and Larchmont residents who like to go to the city for an evening's relaxation will be able to do so for 25 per cent less beginning Monday, the New York, New Haven and Hartford Railroad announced yesterday.

The cut-rate tickets will be good on all trains except the Yankee Clipper, which stop at any of the 39 communities served by the railroad, providing the train does not arrive in New York City before 5 P. M. The return trip must be started not later than one-half hour after midnight. These new rates will be effective every day except Sunday. Children from 5 through 11 may ride for half the adult excursion fare.

### *To Teach Inductees*

Col. Shelby A. McMillian of 7 East Drive, Larchmont, has completed the command and staff course conducted at Camp Kilmer, N. J., for 100 Reserve and 20 National Guard officers.

Col. McMillian, business manager of the McGraw-Hill Digest in New York City, was on active duty more than five years during the last war. He served in the European Theater of Operations 18 months. He wears the Bronze Star Medal and other decorations and is commanding officer of the 157th Engineer Group, New York City.

### *Gifts For Institute*

A Webster wire recorder has been presented to the Religious School of the Hebrew Institute of Mamaroneck by Mrs. Harold Schapiro and Mrs. Jason J. Jacobson in the names of their children, Stuart and Gerald Schapiro and Gordon and Steven Jacobson.

The Institute has also received a loud speaker system donated by Burt Balaban, son of Mr. and Mrs. Barney Balaban, for use in the chapel and elsewhere in the building.

### *Finishes Course*

John Glennon, son of Mr. and Mrs. Alexander Glennon of 638 Halstead Avenue, Mamaroneck, has completed a leaders' training course with the Ninth Infantry Division at Fort Dix, N. J.

Glennon will teach Army methods and procedures to new inductees.

### *Come One, Come All!*

Don't forget tomorrow's Halloween party at Columbus Park, children.

The party, sponsored by the Mamaroneck G.I. Civic Association, will get under way at 1 P. M. There will be plenty of food, entertainment and games. In the event of rain, the party will be held in the gymnasium of Mamaroneck Avenue School.

## *Auditions Set Monday For Musical Revue*

First auditions for parts in the Larchmont Fire Department annual show, "Facts and Fancies," will be held Monday night starting at 8 o'clock in the Chatsworth Avenue School, Larchmont.

The spectacular musical revue which contains 20 scenes and calls for a cast of nearly 200, will be presented at Mamaroneck Junior High School, Nov. 17, 18 and 20.

No selections have yet been made for the many roles, although hundreds of phone calls have been received at Fire Headquarters from young men and women asking that they be considered for parts, ex-Captain G. R. Winant and Harry Seery, co-chairmen of the talent committee reported.

Both Messrs. Winant and Seery extended an invitation to all young men and women with talent to be present at the school Monday, when they will be given every opportunity to display their talents.

Larry Knowles, director-in-chief for the John B. Rogers Company of Fostoria, Ohio, producers of the show, arrived in Larchmont yesterday and conferred with members of the show committee to make plans for the auditions and subsequent rehearsals.

Mr. Knowles has directed hundreds of shows and pageants throughout the United States and was last here nine years ago when he directed the successful revue, "Rollin' Rhythm" for the fire department.

As soon as the casting is completed, the show will go into rehearsal with the talent being divided into groups rehearsing at separate times. For those members of the cast who are working, rehearsals will be held in the evening, while others will hold rehearsals during the day.

Harry Alpiar, chairman of the publicity committee, reported that a large banner advertising the revue was hung across Palmer Avenue Wednesday by members of the department and has been the subject of much favorable comment.

**MOST WOMEN . . . use our Merchandise For Sale columns as a check list before they buy any furniture . . . or utilities such as a refrigerator or washing machine. THE PRESIDENT of the United States arrives in Yonkers. President Truman waves to crowds lining South Broadway a few minutes after coming to Yonkers from New York City. Pictured with him are County Democratic Chairman Harold T. Cassity of Yonkers (next to president), and Hugh Grant Straus of Mamaroneck, a Westchester presidential elector.

(Full Page of Truman Pictures on Page 6)

## VIDILE ARRESTED IN 'BOOKIE' RAID

### Mamaroneck Man Held In $1,000 Bail; Equipment Seized

Thomas Vidile, forty-two, of 744 Old White Plains Road, Mamaroneck was arrested yesterday afternoon in a raid by Mamaroneck police and a member of the Westchester County Sheriff's Office and charged with bookmaking and keeping a room for gambling purposes.

Vidile, who gave his occupation as a real estate dealer, was caught at 1:05 P. M. at 815 Carpenter Place, Mamaroneck, the home of his brother, Salvatore Vidile, where it is alleged he operated.

He was released late yesterday afternoon on a $1,000 property bond and is expected to be arraigned before Judge Henry T. Birmingham in Mamaroneck Police Court later this morning.

Conducting yesterday's raid, after a week of waiting and watching, were Police Chief Arthur W. Martensen, Det. Sgt. William O'Neill, Detective Jerry Geary and a member of the Sheriff's office.

Chief Martensen reported that Vidile was apparently aware that police were closing in on him as instructions were given out over the phone to get bets in early because the "heat is on."

The Chief said that hours of business were first cut down on Thursday and that all bets yesterday were to be placed by 1:15 P. M. Vidile is alleged to have accepted $435 worth of bets between 12:30 P. M. yesterday and 1:05 P. M., the time of the raid.

In the raid police seized two telephones, a radio, racing forms and pads on which bets were allegedly recorded. Also taken from his possession were a number of tabs representing bets placed from Monday to Thursday of this week.

## 301 ARE WOUNDED IN STRIKE RIOTS

### French List Total Police, Soldiers Injured In Mine Violence

PARIS, (AP) — The Interior Ministry today said 301 French police and soldiers have been wounded to date battling Communist-led strikers in the struck coal fields, where violence appeared to be subsiding.

French miners were reported returning to work in increasing numbers under police and military protection as government forces drove pickets from 20 more strike-bound pits.

The Interior Ministry report said three strikers have been killed during the disorders and "many more" demonstrators hurt.

There were no further reports of clashes when government forces went into the Communist stronghold of Bruay this morning to take over two more pits.

## 13 On Board Plane Killed n N. Z. Crash

AUCKLAND, N. Z. (AP) — A search party reported today that all 13 persons aboard a New Zealand National Airways plane which crashed last Saturday were killed instantly.

The expedition reaching the scene of the crash on Mount Ruapehu found 12 bodies. The 13th has not yet been recovered. The plane appeared to have flown straight into the rock face of the mountain, the party reported.

## *Yonkers Woman Is Robbed As Truman Guard Police Mass*

YONKERS—Most of Yonkers' 270 policemen were on duty awaiting the arrival of President Truman yesterday when thieves entered a residence at 161 Knieland Avenue, tied up the wife of a New York City jewelry merchant and ran amok as they helped themselves to $6,000 worth of gems.

The robbery was accomplished by three men, one of whom was armed with a pistol. They forced Mrs. Shirley Schneider to surrender her jewels, then ripped out a telephone and used the wire to bind her and a maid, Miss Anna Barisk, seventeen, to chairs. The two women heeded a warning not to cry out until Mrs. Schneider's son, Theodore, seven, entered the house about 10 minutes later. Then Mrs. Schneider freed herself and the maid.

Apparently the robbers timed their crime to coincide with the mustering of the city's police force to guard the lanes of President Truman's approach to the city. They rang the Schneider doorbell at 10:15 A. M.

The thieves showed some consideration for Mrs. Schneider after tying her up. They returned a watch they had included in their loot, placing it where she could time herself to the half hour they allowed for her to remain quiet after they left. After helping themselves to $18 in Mrs. Schneider's pocketbook they also returned $8 when she told them she needed that much to pay a bill.

Mrs. Schneider is the wife of a member of the jewelry firm of Rothman and Schneider Inc. of New York City.

## U.N. ON HOLIDAY PENDING ELECTION

### Circumstance Gives Delegates Monday Off; Halls Nearly Empty

PARIS, (AP) — The tumult of the American election reverberated in the nearly - empty meeting halls of the United Nations today as the world body prepared for an extra-long weekend holiday.

Discussion of nearly all major issues came to a halt as the delegates, including Americans, waited to see who will be the next President of the United States and what kind of Congress the U. S. will have.

The Security Council voted with two abstentions to shunt the touchy Palestine question into a subcommittee until sometime after next Tuesday, The Soviet Union and the Soviet Ukraine abstained from the voting.

By a fortunate circumstance the U. N. virtually was forced to call a holiday for Monday just at a time when discretion called for one. Monday, All Saints Day, is a national holiday in France and the U. N. is taking the day off too. The following day is Election Day in the United States.

The Security Council's decision yesterday to shelve at least temporarily the question of economic and political sanctions in Palestine came on the heels of reliable reports that President Truman had sent a message to the American delegation.

An informant is in position to know said the President had not sent a direct order but had asked for an explanation of the American position on the British-Chinese resolution.

Previously, authoritative sources had indicated the U. S. would support the resolution.

The resolution authorizes sanctions against either side if they refuse to obey truce orders in the Negeb. Since one of the mediator's orders was withdrawal of troops to positions held when the recent fighting began, the Jews feel this would deprive them of their gains in that sector.

## PATROLMAN FACES LARCENY CHARGE

### Terrace Lounge Proprietor Says Officer Hughes Stole $50

A charge of petit larceny was filed last night against Patrolman James Hughes of the Village of Mamaroneck Police Department at Mamaroneck town police headquarters by Kai Hanson, proprietor of the Terrace Lounge at 15 Boston Post Road, Larchmont.

Mamaroneck town police were called to the Terrace Lounge at 8:05 P. M. yesterday, where they found Mr. Hanson accusing Officer Hughes of 825 Grove Street, Mamaroneck, of the theft of $50 from the cash register behind the bar. Officer Hughes, who was in the washroom at the time of the arrival of police, denied the theft. Witnesses were Doris L. Chase, a waitress in the lounge, Herbert Morse, piano player employed there, and Miss Alice Jones of 48 North Avenue, New Rochelle.

After he had checked his cash register, Mr. Hanson told police he was $43 short. The case will be tried Wednesday at Mamaroneck Town Police Court.

Officer Hughes has been temporarily suspended by Mamaroneck Police Chief Arthur W. Martensen, pending the outcome of the trial.

## U.N. AGAIN ORDERS PALESTINE TRUCE

### New 'Cease Fire' Direction Issued for Noon Today By Brig. Gen. Riley

PARIS, (AP) — The United Nations today ordered Israeli and Arab troops to cease firing in the northern front of the Holy Land where fighting blazed up yesterday.

U. N. spokesmen in Haifa reported an attack by Israeli forces in the North, preceded by aerial bombardment. The U. N. staff said Jewish planes dropped leaflets proclaiming this to be an attack "to liberate all Palestine."

Brig. Gen. William Riley, head of the U. N. truce observers, set the truce time for noon, GMT today. But the U. N. here said both Israelis and Arabs demanded guarantees that the other side would observe such an order, before either would accept.

The truce was communicated to Tel Aviv and Beirut, Lebanon. There was no immediate word here whether it had been accepted.

Dispatches from Palestine said heavy fighting continued in the area.

This added a new complication to the already tangled Holy Land situation. The U. N. has made a cease-fire order effective in the disputed Negeb desert area of the South. The Israelis, however, have

## WOMAN CAMERA FAN SNAPS TRUMAN PHOTO

YONKERS — Target of hundreds of cameras during his visit to Yonkers yesterday, President Truman made a special hit with one woman who braved the police and Secret Service agents about his car.

Ignoring the guards, who quickly surrounded her as she broke through the line clutching an old-fashioned camera, the woman who said she was Mrs. Minnie Horowitz, twenty-four, of 125 Landscape Avenue, made her way to the car.

"Oh, Mr. President," she cried. "May I take your picture?"

Mr. Truman grinned broadly as he answered: "Why, certainly."

He took off his hat and waved it at her as he smilingly posed. Police then escorted the happy woman back to the curb.

## Yonkers GOP Leaders Back Repeal of 'P. R.'

YONKERS — The Republican City Committee voted 140 to 26 last night in favor of repeal of the Proportional Representation form of voting for city councilmen, at a meeting in headquarters.

# Truman And Dewey Wind Up Campaigns With Talks Tonight

## *Measures To Control Dogs Urged By Local Residents*

*(Editor's Note — This is the 53rd in a Saturday series of interviews with citizens on important topics. Suggested topics from readers are invited. Today's question is: "Should Mamaroneck employ full-time dog catchers to enforce the local dog ordinance?"*

**Mrs. Don Albert French**, 910 Stuart Avenue, Mamaroneck: "I think they should if that is the only means of enforcing the dog ordinance. There has been quite a deal of disturbance in this section by dogs and I think the residents here would appreciate such enforcement."

**Mrs. J. S. Gallagher**, 713 Munroe Avenue, Mamaroneck: "Well, I don't feel qualified to answer the question since I don't own a dog, but I do believe that dog owners should look after their own dogs to prevent them from causing any damage."

**Mrs. John Fulco**, 418 Jefferson Avenue, Mamaroneck: "I don't see so many stray dogs running around Mamaroneck as you see in New York, but I do think it would be a good idea to employ dog catchers."

**Mrs. Edith Holland**, 111 Madison Street, Mamaroneck: "I don't think they should but I do believe that dog owners should only let their dogs out on leashes to prevent them from biting people and also to prevent the dogs from being killed by cars."

**Mrs. Helen Marshall**, 714 Stuart Avenue, Mamaroneck: "I frankly do not know how to answer the question because I don't know what the present dog ordinance entails. It might be too strict, but on the other hand I do think dogs are presently allowed to run too loose and I believe the situation could be improved. I definitely think there should be a dog catcher for the Village of Mamaroneck as there are certainly enough dogs here to warrant one."

**Mrs. Charles C. Daly**, 1408 Henry Avenue, Mamaroneck: "No, I don't think it's necessary. I haven't noticed any trouble with dogs in my neighborhood and none of my neighbors have, as far as I know."

**Mrs. Gilda Lancia**, 829 Halstead Avenue, Mamaroneck: "Oh my, yes. It would certainly be worth while to employ dog catchers. There are some very vicious dogs in this neighborhood. I'm afraid to walk through Hill Street because there are so many loose dogs."

**Mrs. Alice Platt**, 117 Mamaroneck Avenue, Mamaroneck: "I think it would be a good plan to have a small force, even one full-time man, to look after stray dogs and prevent dogs from destroying property. A village of this size should have someone to take care of this sort of thing. I've had a dog 10 years and always keep it on a leash, but there are many dogs running around loose."

**Mrs. Lillian Purcell**, 115 Andrews Street, Mamaroneck: "I think it would be a good idea to have a dog catcher. There are a lot of stray dogs running around loose. I have a dog, but I don't let it out alone."

## POLICE TO KEEP HALLOWEEN VIGIL

### Chief Martensen Pledges Efforts To Uphold 'Enviable Record'

More than a good start has been made in past years toward the elimination of costly damage and personal injuries to children of others as a result of Halloween pranks, Police Chief Arthur W. Martensen of Mamaroneck said today.

"The old outlook on the night of revelry and riot is passing," the Chief said, "while the 'new look' envisages cooperation by adults in lieu of repression."

Leading in popularity of malicious mischief of the past, he said were the removal of fences and gates and the parking of store and car windows wit soap and wax. Furniture moved from porches came next, he added, followed by the deflation of tires, strewing of refuse, uprooting shrubbery, burning leaves and cutting clothes lines.

"Most of these and other malicious acts have been eliminated through adult cooperation," Chief Martensen said, "by sponsoring house parties, school programs in the gyms and athletic fields, supervised bon fires and outings."

The word "Hallow", he explained is an Anglo-Saxon word and means Holy and "Halloween" actually means Holy Evening, the night preceeding All Hallows Day or better known as All Saints Day.

"From the traditions of pagan times and subsequent Christian practices has come this night of delight to children," the Chief continued. "Properly celebrated there is pleasurable excitement for old and young, but we as adults and parents of children must insure against vandalism and malicious acts of uncontrolled youngsters.

"Our police force will carry on strict vigilance during the Halloween period to deal with mischief makers who are out to spoil our enviable record of the past years."

## Marshall, Atlee, Bevins Join In London Lunch

LONDON, (AP)—Secretary of State George C. Marshall lunched today with Prime Minister Atlee, Foreign Secretary Ernest Bevin and U. S. Ambassador Lewis Douglas.

It was a social occasion with Douglas and Mrs. Douglas hosts and the wives of the three high officials also guests.

Business, perhaps developments connected with the explosive Berlin and Palestine situations, are expected to be discussed informally by Marshall and the British during Marshall's week - end stay with Douglas.

## Fighting Continuing Along North Zion Front

HAIFA, Israel, (AP) — Heavy fighting continues along the northern front where the Arab "Liberation Army" is dug in, United Nations observers reported today.

No word has been received at truce headquarters from central front observers, but Arab and Jewish official broadcasts report heaviest fighting in that sector since yesterday.

## REDS GET MUKDEN, ENDANGER CHIANG

### Largest City In Manchuria Falls —Government Force Fights to Evacuation Port

By HAROLD K. MILKS
*Associated Press Staff*

NANKING — Communist troops fell upon Mukden, Manchuria's greatest city, and wrested it from the armies of Chiang Kai-shek today, usually reliable source said. The development, if borne out, might affect the fortunes of Chiang himself.

Reports from the battlefront said the Reds were in complete control of the city, which is the site of China's largest arsenal.

Whereabouts of the garrison commander, Gen. Wei Li-Huang, was unknown here.

His troops last were reported trying to fight their way southward from the city. Their objective was not clear in Nanking but it was believed they were trying to reach one of two evacuation ports in Manchuria — Yingkow and Hulutao, both on the gulf of Chihli and about 100 miles south of Mukden.

## Two Autos Damaged In Post Road Crash

An auto operated by Ralph D. Turper of 6 Clark Court, Larchmont, collided with a car driven by Peter M. Brogyana of Long Island City at 5:08 P. M. yesterday, Larchmont police reported today.

Mr. Brogyana told police that he was following the Turper auto on Boston Post Road when the operator signalled a left turn into Beach Avenue, Larchmont. As his car was passing the Turper auto on the right side the latter swerved to the right and ran into the left rear fender of his auto, he said, tearing and denting it.

Police reported the front license plate of the Turper auto was torn loose and the right fender was slightly dented.

Mr. Turper told police that he sailed a right turn, not a left turn.

## 4 DIE IN VERMONT AS TRAINS CRASH

### Several Passengers Injured As B. & M. and C.P. Flyers Collide

NEWBURY, Vt., (AP) — Two engineers and a fireman were killed and several other persons, including some passengers, were injured when Boston and Maine and Canadian Pacific trains collided head-on early today.

A Canadian Pacific fireman and the railway mail clerks were taken to hospitals — apparently seriously injured.

A Boston and Maine spokesman said none of the passengers required hospitalization. They were treated on the scene by doctors.

The dead engineers were identified as Boston and Maine and Canadian Pacific employes and the fatally injured fireman was a member of the crew of the Boston and Maine train.

The crash derailed both engine and mail, baggage and milk cars of one train.

The Boston and Maine train was bound from Boston to Montreal and the Canadian Pacific from Montreal to Boston. The crash occurred in an isolated district about a mile south of Newbury Station.

## Auto Strikes Sign, Snaps Off at Base

A street sign at Fenimore Road and Munro Avenue, Mamaroneck, was snapped off at its base Thursday afternoon when struck by a car operated by a person learning to drive.

Mamaroneck police reported that Mrs. Urania D. Fuller, thirty-seven, of 27 Revere Road, Larchmont, the learner, was attempting to make a right turn from Fenimore Road into Munro Avenue when she misjudged the distance and the car hit the street sign.

She was accompanied by Mrs. Evelyn F. Gray, twenty-seven, owner of the car, who was instructing Mrs. Fuller. Police said the right front side of the bumper was bent.

## Both Nominees Speak Before Home-State Audiences

*By The Associated Press*

President Truman and Gov. Thomas E. Dewey ring down the curtain on their Presidential campaigns tonight with addresses before home-state audiences.

But before the final balloting, they plan to return to the national stage with curtain call pleas for vote support in next Tuesday's election.

Mr. Truman's special train was Missouri-bound, with St. Louis the last stop on a cross-country talking tour that included every section of the nation.

After his speech there tonight, the President will stay at his home in Independence until after the Nov. 2 balloting. Regardless of the outcome, he plans to go to Key West, Fla., later in the week for an extended vacation.

**Talks at Garden Tonight**

Dewey winds up his second effort to win the Presidency for the Republicans with a speech tonight in Madison Square Garden.

Arriving in New York yesterday aboard his "Victory Special" train, the GOP candidate expressed confidence his party will get not only the White House prize, but Congressional control as well.

Dewey rode into Manhattan

## POLLS INDICATE DEWEY VICTORY

### Democrat Chiefs Dispute Election Surveys On Adjustment Basis

*By The Associated Press*

Presidential polls were leaning heavily in Gov. Thomas E. Dewey's favor as the campaign neared its close, but significance of the surveys is discounted by Democratic spokesmen.

President Truman said in a New York City speech Friday that the voters are "going to throw the Gallup polls right into the ashcan."

Earlier, Sen. J. Howard McGrath, Democratic national chairman, had urged pollster Dr. George Gallup to "properly adjust" his election surveys "so that the voters may know the truth."

He said an advantage for Mr. Truman instead of for Dewey would be shown if Gallup polls were adjusted in line with error percentages shown in the past two Presidential elections.

McGrath made a similar request to Archibald Crossley, director of the Crossley poll, saying that an adjustment allowing for error percentages would show Mr. Truman needed only a slight gains in New York, Oregon and Maryland to win.

There was no immediate comment from Crossley, but Gallup said "the only answer to Mr. McGrath will come on Tuesday."

He released his semifinal roundup of the nation Friday, showing Dewey ahead in 31 states with substantial leads in 19, and Mr. Truman out in front in 10 states, and slightly ahead in four others.

Fortune Magazine last Sept. 29 said Dewey was leading President Truman by the "almost unbeatable margin of 44 per cent to 31 per cent" as shown by a poll conducted by Elmo Roper.

## 2 Student Fliers Hurt In Plane Crash In River

NORTH TARRYTOWN — Two student pilots narrowly escaped death yesterday afternoon when their plane stalled during a climbing turn and crashed in the Hudson River off Phillipse Manor.

Jonel Jorgulesco, who will be sixteen Monday, is in Tarrytown hospital, suffering with spinal fractures, while Charles D. Elms, twenty-one, who is piloting at the time, is recovering at home from a sprained ankle.

Rescuers, who sped to the assistance of the two when were clinging to the wreckage of the plane, were guided by the engineer who stopped his New York Central work train opposite the scene of the crash and sounded his whistle.

The plane, said to be a total loss, is owned by Tappan Airways, where Elms and Jorgulesco are students.
