On Way to Rome

Edward Doherty, formerly of Nassau Road, Larchmont, went tomorrow for LAQUAZIA Field, New York, to Rome Italy, where he will be received by Pope Pius XII.

A prominent Roman Catholic layman, Mr. Doherty has written several books on the saints and is traveling to Europe to collect material for a forthcoming volume on Don Bosco. His first part of call will be in Portugal and he will continue to Rome and then to southern Italy.

Mr. Doherty, who lived in Larchmont until eight years ago when he moved to Canada, has been visiting at the home of Mr. and Mrs. Robert H. von Stein, 29 Forest Park Avenue, Larchmont.

Home Is Dangerous

Annual check-up of a member for Edmund Van Hook, Larchmont, yesterday afternoon when he fell from a roof while cleaning leaves from the gutters of his home at 180 Weaver Street, Larchmont.

Mr. Van Hook landed on his feet after the fall, breaking his ankle, and was carried into the hospital by Town of Mamaroneck policemen. The injured man was taken to the New Rochelle hospital on the recommendation of Dr. Albert Sticker.

Also injured in a household accident was Mrs. Marie Butcher, a guest of Mrs. Deane B. Burt, of 72 Byron Place, Larchmont. Mrs. Butcher fell down a flight of stairs at 4 A. M. yesterday.

It was taken to the New Rochelle hospital by Town of Mamaroneck Police. X-rays proved inconclusive and Mrs. Butcher was advised to return for further examination.

Alarm Test

At 11 A. M. today Mamaroneck and Larchmont in a special test ordered by the County Office of Civilian Defense.

All the clear will sound 10 minutes later in the called to determine how well the sirens can be heard at all points. The test defense organization will make to make sure there are no "dead spots" where the alarm cannot be heard.

Since this is not a normal test, the time, all residents of Mamaroneck and Larchmont in a special test ordered by the County Office of Civilian Defense.

The test will be held at 10 minutes later in the called to determine how well the sirens can be heard at all points. The test defense organization will make to make sure there are no "dead spots" where the alarm cannot be heard.

Behind the Scenes

Larchmont Rotary took a brief rest Friday behind the scenes of the red hot National League pennant race when Ernie Harwell, radio-television announcer, New York Giants spoke at the Larchmont Rotary Club.

Mr. Harwell refused to climb on an announcer's limb when the Rotary club honored him with a luncheon but told many intimate details of the national game that don't show up on the TV screen.

Capt. Joseph Ford of the Larchmont Fire Department spoke at Friday's meeting and will discuss technique for preventing fires. Fire Prevention Week starts Oct. 8.

Visiting Rotarians were T. James Albert, Dr. Joseph O. McLain and Mel Goldman of Mamaroneck, Dr. Lewis J. Cook of White Plains, Clarence Kline of New Rochelle and C. M. DeLong of New York City.

Guests of the meeting were Thomas Stochy, Richard Adams and Peter Albert, David Meadows and Fred DeGraham.

Thanks A Lot

A mighty chorus of praise is being sung by the State Highway Department for its act of the passage through our town. One antiquarian, who claims undying affection for his ancient buggy, was even prevailed to return a word of approval for the new order of things. It seems the new turnpike is about the only stretch of road in these parts that doesn't make his old hill-topper seem as if it were a relic.

Attlee Says Labor Rule Deters War

SCARBOROUGH, England, (AP)—Prime Minister Attlee declared today that Britain under his Labor Government has been a main bulwark of peace since 1945.

He was given a tremendous ovation by 1,500 delegates and party leaders as he rose to speak, and another when he sat down at the Labor Party conference in the Spee grand hall in this seaside resort town.

The Prime Minister struck out on what appears to be the Labor Party's main election theme—the threat of a third world war.

"It is right that in our manifesto we should give first place to peace," he said.

He set his biggest record of applause when he said that the "people who are clamoring for what they call a strong foreign policy, the people who use that phrase, generally live in the past."

SOVIET INVASION IS RULED OUT IF WE CONTROL SEA

Allies Could Invade Russia, However, in Case of War, Fechteler Says

WASHINGTON (AP)—The chief of the United States Navy today said it is "impossible" to rule out a Soviet invasion of this country as long as America retains control of the seas.

On the other hand, Adm. W. M. Fechteler, Chief of Naval Operations, said he believes Allied forces could invade and occupy strategic and important areas of Russia in event of war.

Adm. Fechteler also said in a confidential address to the U. S. Navy and Marine Corps that "it is possible" to invade the Soviet Union by sea.

Also injured in a household accident was Mrs. Marie Butcher, a guest of Mrs. Deane B. Burt, of 72 Byron Place, Larchmont. Mrs. Butcher fell down a flight of stairs at 4 A. M. yesterday.

New Building Drive Scheduled By Temple

Plans for a new religious building to be erected by the Larchmont Temple at soon as funds are available were announced last night at a meeting of the building committee at the Weaver Street Fire House by Dr. Arthur G. Temple, president of the congregation.

The new building is necessary, Dr. Temple declared, because of the rapid growth of the Temple as a religious, social and cultural center for the local Jewish community.

Maury P. Medwick will head the building program and plans for a fund raising campaign have already been approved by the Temple board of directors and the congregation.

Plans for the first Temple were launched at the home of Dr. Arnold Dekhete in June 1948, and the first membership meeting was held that August at the Larchmont Public Library. For the first two years the Temple met at the home of Mr. and Mrs. Louis W. Dreyfus, and in October, 1949, most Temple activities have since been held there.

Tax Collection Up

School tax collections in the Rye Neck District during the fiscal year period that ended yesterday amounted to \$299,282.50, as compared with the collection of \$286,294.48 during the same period last year. It was disclosed today by James Jackson, Rye Town tax collector.

WFOA to Meet Here

The new signing order contracts for municipalities will be explained by a representative of the Consolidated Edison Co. on Oct. 25, at the next meeting of the Westchester Village Officers Association in the Municipal Building here.

Firm in Exchange

Herbert E. Herman of 10 Soundview Drive, Larchmont, is president of H. E. Herman & Co., Inc., 200 Wall Street, Brooklyn, who were yesterday accepted as members of the New York Exchange. The firm is also a member of the New York Club Exchange and a member of the New York Club Exchange.

Registration Proceeds

Registration for veterans' election day, Nov. 6, will get under way again tomorrow in all the personal districts in the Town of Mamaroneck and Rye Neck. The polls will open at 9 P. M. and will close at 10:30 P. M.

Sirens Well-Timed

Larchmont Trustee John P. Coffey Jr. was initiated into village affairs in great style last night as he was being welcomed to office by Acting Mayor C. Crawford Edie. It was only a minor alarm that called forth the fire apparatus.

New Switchboard

A new and larger monitor switchboard is being installed at Larchmont police headquarters to replace the 15-year-old equipment which was no longer adequate to handle the calls. The outside lines will be increased from two to four and several police boxes now bridged will have individual connections. The actual changeover is slated to be made in three days, but New York Telephone Company employees have been working two days to install new cables.

New Publication

The first issue of a new Quarterly Bulletin has been published by the Old Town of Mamaroneck Historical Society. It has been distributed to the members and copies may be purchased by other interested persons. William O. Fisher, president, stated yesterday. Mrs. William Harry Smith is the editor.

HARE IS WOUNDED ON KOREAN FRONT

Former Larchmont Resident Has Been In Far East Since Aug. 20

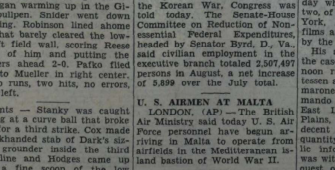

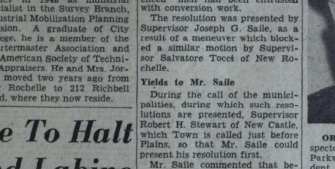

Mr. Donald J. Hare, nineteen, a former resident of Larchmont, was wounded recently by an exploding grenade on the Korean front. According to his father, Austin J. Hare of Scarsdale, Mr. Hare suffered injuries to his head. The extent of the wounds is not known.

Mr. Hare and the late Mary E. Hare, the Marine attended St. Augustine's School here and was a student at the Mickleville, L. I. High School when he enlisted in the Marine Corps in March, 1945.

Heads Fund Drive

Harry A. Lowenheim, above, of 19 South Drive, Larchmont, has been named again by the Federation of Jewish Philanthropies to head the Larchmont division of the annual Federation fund campaign.

With a quota of \$20,000.00 for the 1951-52 year, the Federation supports 115 hospitals and social services that aid 480,000 persons annually. All Federation supported philanthropies serve the community on a non-sectarian basis.

Larchmont's participation in the campaign will be planned tonight at a campaign committee meeting at Mr. Lowenheim's home.

Mr. Lowenheim has been associated with the Home Life Insurance Company in New York for many years and has been a branch manager since 1949. He served last year as a trustee of the Larchmont Temple and has been active in Larchmont Community Club drives. He is also on the board of directors of the Westchester Jewish Community Services in White Plains.

A Larchmont resident since 1937, Mr. Lowenheim has three children.

Advances at Academy

Midshipman John A. Haren, USN, of 35 Woodlawn, Larchmont, has been selected to serve as a Midshipman Training Petty Officer at the U. S. Naval Academy, Annapolis, Md. This fall.

He entered the Naval Academy in July, 1948, after being graduated from Iona School in New Rochelle.

CD Stresses Safety

Emergency information for Civil Defense, listing safety measures in case of enemy attack are now being distributed to public buildings, stores, apartment houses and restaurants in the Larchmont and Larchmont local Boy Scouts.

The orange and black posters describe the measures to be taken in case of actual attack and during air raid signals. Instructions are given for alarms which sound at home, at work, at school, while driving and for parents at school children.

Tomorrow at 11 A. M. a trial alarm will sound on the audibility of alarms can be checked in Larchmont, Mamaroneck and surrounding areas. Civil Defense units are instructed to disregard the alarm as it will be for testing only.

The Costs Stay

Mamaroneck's rustic appearance will be maintained to some degree as a result of last night's Town Council meeting.

Town Attorney John Della Rosa reported from the County Board of Health that Michael Carpinone's herd of some 20 head of Washington Street near Myrtle Boulevard is not in violation of sanitary conditions. Despite what the scale's more sophisticated neighbors may think, the cow will stay and their milk will continue to be used at local hospitals and for doctors' prescriptions.

Supervisor Owen A. Mandeville observed that a rustic touch here and there might be a good thing for any town—and educational to boot. He recalled a city weed man who came up here some years ago and saw turkeys fighting their keeper in a rocky den. The city feller has since referred to it as a "duck farm" and the Supervisor thought it good to have goats about so children can grow up knowing what animals look like.

West Point Sergeant

Cadet Charles E. Watkins, son of Mrs. Charles Watkins of Larchmont Area, Larchmont, has recently been appointed to the grade of sergeant at the United States Military Academy at West Point. Cadet Watkins, a first classman or senior, was distinguished supply sergeant a result of his "superior administrative ability and capability which has been demonstrated."

He Is Responsible for the proper allocation and maintenance of cadet equipment and supplies.

Cadet Watkins attended Mamaroneck High School for three years in swimming. He was graduated in 1947. Prior to his appointment to the United States Military Academy at West Point, he served two years in the United States Marine Corps. At West Point Cadet Watkins is president of the Water Polo Club and has lettered every year in the breast stroke. He is also a member of the German club and business manager of the "Blue Note." Upon his graduation in June, Cadet Watkins hopes to be assigned to the Anti-Aircraft Artillery.

YANKEE STADIUM, New York. (AP)—The New York Giants rushed home two runs after two were out in the first inning today to take a 2-0 lead over the New York Yankees' Allan Reynolds in the first game of the World Series opening before 45,000 fans on a grey field.

GIANTS' REYNOLDS' first pitch to Stanky was a fast ball that cut the heart of the plate for a strike. Stanky took a called ball, then sent an easy roller to Berra, who threw him out. Davey Johnson, who had a soft fly to Mantle in short right, Thompson walked on a strike. With two strikes and no balls, Irvin lined a single over Coleman's head. Lockman smashed a round-rule double that bounced into the left field seats scoring Thompson, who had come to bat on Irvin's single, while Irvin stopped at third base.

McDougal continued home on Thompson error for the Yankees' first run. It was not a run but a double play. Coleman, Collins rounded to Thompson who threw Irvin out at first. (Turn to Page 14, please)

Frank Appointed CAP Coordinator

Larchmont Wins CD Post With State; To Combine Defense Plans

LI. COL. LOUIS S. FRANK of 49 Ellsworth Road, Larchmont, has been appointed Civil Air Patrol's coordinator of Civil Defense of the State of New York, according to an announcement by Col. COLEMAN, Commander of New York Wing, Civil Air Patrol, official spokesman of the United States Air Force.

Mr. Frank will work with the National Civil Defense Council and coordinate and arrange for the proper coordination and mutual assistance between the Civil Air Patrol and the state civil defense units at county, city and town levels.

The plan and the necessary arranging for the mutual assistance of the defense units in the neighboring states to avoid delay and confusion should emergency arise. It will be his function to assign unit commanders of CAP to kind the defense mechanism of their air, ground-support and radio communication units.

Mr. Frank retired after this year's term of office of the New York's financial institutions and expects to devote a large part of his time to Civil Defense and other civic work until the retiring age.

Although the President's announcement of the new order of succession was not involved, the order has been widely attacked by editors, publishers and many members of Congress as establishing censorship at the source of information to which the public is entitled.

Truman Says He Has No Desire To Suppress Freedom of Speech

WASHINGTON, (AP)—President Truman said today that he has no desire to suppress freedom of speech.

Various reporters at the news conference then expressed surprise over just what the President's exact words were.

Over and over again, the President said 95 per cent of all this country's secret information is available to the press.

At one point he gave permission for direct quotation when he said it had been published in the slick magazines and the newspapers.

He did not give the newsmen any specific guidance, however. He suggested that patriotism should govern what they publish regardless of what they receive from government sources.

In a formal statement which preceded the debate with the reporters, the President declared there has been "considerable misunderstanding" of his executive order requiring civilian agencies of government to classify security information.

He called the order a reasonable approach to a difficult problem, but said he will be glad to change it if experience indicates it should be changed.

Club Celebrates Newspaper Week

Editor Lauds Kiwanis For Active Interest in Press Freedom

The Mamaroneck Kiwanis Club last night held its annual observance of National Newspaper Week at a dinner meeting in the Elk Clubhouse at which Mr. Richmond Campbell, editor and general manager of the Daily Times paid tribute to the club for being the first national organization to call for weekly observance of the week's days ago.

Mr. Campbell said, "Kiwanis Clubs throughout the United States, Canada, Alaska and Hawaii have been observing it with special programs. The Elk Clubhouse is into the community service to insure freedom of the press in this country and together these two great organizations have sponsored annual observances."

"I tribute to the press of the nation, Claude B. Hellman, president of Kiwanis International, has again called on your 3,000 clubs to observe Newspaper Week."

Supervisor Owen A. Mandeville stated his opinion that additional construction of new homes in the town are responsible for the drainage difficulties that no further such construction should be allowed.

The Supervisor pointed out that Washingtonville has suffered from flooding for many years after dredging rains and denied that new homes in recent years are responsible for the drainage condition.

Various schemes have been advanced for solution of the engineer problem, the least expensive estimated to cost about \$20,000. The most elaborate proposal calls for construction of a sewage treatment system on the Doxton Post Road near Harbor Island.

Home from Honolulu
Semmar del Carrizo Scher, Jr., son of Mr. and Mrs. Carl Scher, of 254 Mamaroneck Avenue, Mamaroneck, has arrived home from Honolulu for 30 days leave before going to Korea. He attended Mamaroneck High School and was one of the first four men to leave Mamaroneck after the outbreak of the Korean conflict. He joined the Navy July 27, 1950, and received training in San Diego, Calif.

Print Exhibit Stated
Salon prints by members of the Mamaroneck Camera Club will be shown for a month beginning Oct. 15 in the lobby of the Playhouse in Mamaroneck. The exhibit will include portraits, scenic and still life photographs and miscellaneous prints. Among the members of the club whose work will be shown are William Popp, president; Herbert Ireland, vice president; and Bud Bremer, secretary-treasurer. The exhibition is expected to acquaint residents with the work done by the Camera Club and encourage persons interested in photography to join the club.

New Honors For Joe
Rep. Ralph A. Casper of Larchmont has published in the Congressional Record "The Daily Times editorial, 'Gold Veasie,' which appeared in the issue of Sept. 19.

The editorial was a tribute to Joe Caspard of the Winged Foot Club, first Westerner to win the Willie Purness of Elmford to reach the final hole in the amateur golf championship.

The editorial concluded by stating that despite Mr. Caspard's defeat, "Westchester has full reason to be extremely proud of its representative at the national amateur tournament."

Benefit Heads Named
Deputy Chief Frank Casper was named chairman of the Larchmont Fire Department's benefit committee for the annual executive committee meeting held at Larchmont fire headquarters. Moss Hart's three-act comedy, "Light Up The Sky," will be staged by the "Prism" Players, Dec. 6, 7 and 8 at Mamaroneck High School for the benefit of the Larchmont Fire Department.

Former Chief John T. Brunich was named program chairman and will be assisted by Edward Thwaitz, former captain of the Rose Company, William P. Carey, Jr., advertising chairman, Thomas Flint heads the ticket committee and Harold Alpar is in charge of publicity.

Hit by Bottle Case
A milk truck driver was slightly hurt yesterday when he was struck by a bottle on the highway. The driver, Joseph Giordano, 31-year-old, of 111 Van Avenue, Mamaroneck, was driving west on Halsted Avenue when a passing car out in front of the truck overturned to the right and as he hit the pole an empty milk bottle fell in the truck's back seat. The bottle struck the back of his head. Giordano was treated by Dr. R. E. Machuga at the Larchmont hospital.

The panel truck sustained damage to the bumper, radiator, right front fender and headlight.

Double Trouble
John B. Eichenlaub, 20 Archer Drive, Greenhaven, a former Larchmont resident, returned to that village yesterday when his car was struck by a truck and ran smack into trouble.

First a white short circuit cut off power to the motor at 5:55 P. M. at Palmer and West Avenues. This was rectified before the arrival of the Larchmont firemen.

About 6:30 Eichenlaub was proceeding westward on Palmer Avenue and bumped into the car ahead of him when it stopped suddenly. The latter was operated by Mrs. Karl T. Condon of Greenfield, Mass., who informed police that she was unused to driving her daughter's car and found that the brakes' action was quicker than she anticipated.

Only the left rear fender was damaged, but the right front of Eichenlaub's 1941 sedan was crumpled.

Town Booklet
Four thousand copies of a 24-page booklet describing the services of the Town of Mamaroneck are being distributed to all residents of the unincorporated area. The booklet, profusely illustrated, covers all phases of the activity of the Town Council and the Board of Trustees. It also includes a large listing local religious institutions.

A feature is a map delineating the boundaries of the Villages of Larchmont and Mamaroneck and of the unincorporated area.

The declining debt of the Town is noted in a financial statement which indicates that by the end of the 1972 fiscal year all present bond issues will be amortized. The bonds as of Jan. 1, 1951, totaled \$1,215,500.

The booklet was prepared by Mrs. Lewis H. Donahue and photos were taken by Detective Sgt. Clarence Smith of the Town Police Department.

REPUBLICAN NOMINEES ACCEPT FORUM PROPOSAL

Party Welcomes Meeting Of Rival Candidates, Wiedemann Says

The Town Republican Party was quick today to accept its proposal made editorially yesterday by The Daily Times calling for a joint forum by candidates of both parties to discuss the issues of the November election.

In a letter to this newspaper, Carl J. Wiedemann, G.O.P. campaign chairman, said, "We welcome the opportunity of presenting our candidates and are ready and anxious to present all of the nominees of our party whether or not opposed."

The Daily Times editorial suggested that leaders of both parties arrange for an old-fashioned "meat and potatoes" meeting which would afford voters the opportunity of becoming better acquainted with the candidates of both parties and of learning the issues first hand. A similar forum in the town election of two years ago attracted a capacity audience at the Chatsworth Avenue School, Title of Acceptance.

Wiedemann's letter to The Daily Times follows: "In behalf of the Republican Party I am happy to accept your suggestion that all local candidates participate in a meeting where issues may be presented and questions answered. If the Republican Party proposes the continuation of the same administration which is now serving the Town, it is obvious that each of us has a duty to discuss the issues of the November election."

The Girl Scouts and the Camp Fire Girls, budgeted for \$1,500 and \$400 respectively, are receiving relatively low amounts, Mrs. Savage said and the money used largely for earned campships.

Larchmont Park Pack 2 will not participate in the first-fishing exhibit to be presented tonight by the Larchmont Fire Department at Flint Park since a meeting had been previously planned at the Chatsworth Avenue School. Club members will hold a game session in the gymnasium at 7:30 P. M. and parents are invited. Members of Pack 1 will witness the Flint Park exhibition.

Do Meters Solve The Problem? Parking Study Group Inquires
The citizens' committee probing the parking problem in Mamaroneck has communicated with five Westchester County municipalities where parking meters are used to find out what revenues they yield, the cost of installation and maintenance and the extent to which meters solve the parking problem. A letter has also gone to the City of New York, where there are no meters, asking whether a survey has been made of parking meters in any community that has not installed meters.

Leo Heithaus, chairman of the committee appointed by Mayor Edwin B. Dowley to study the situation said yesterday that the committee is studying the parking problem of parking in Mamaroneck Avenue and that a study of the situation at the station and in other business areas is in progress.

Letters have gone to Bronxville, Truckee, New Rochelle, White Plains, Mount Vernon and Elmsford. The answers are being compiled and will be made available to the committee. A public hearing will be planned at the end of October.

Party Welcomes Meeting Of Rival Candidates, Wiedemann Says

The Town Republican Party was quick today to accept its proposal made editorially yesterday by The Daily Times calling for a joint forum by candidates of both parties to discuss the issues of the November election.

In a letter to this newspaper, Carl J. Wiedemann, G.O.P. campaign chairman, said, "We welcome the opportunity of presenting our candidates and are ready and anxious to present all of the nominees of our party whether or not opposed."

The Daily Times editorial suggested that leaders of both parties arrange for an old-fashioned "meat and potatoes" meeting which would afford voters the opportunity of becoming better acquainted with the candidates of both parties and of learning the issues first hand. A similar forum in the town election of two years ago attracted a capacity audience at the Chatsworth Avenue School, Title of Acceptance.

Wiedemann's letter to The Daily Times follows: "In behalf of the Republican Party I am happy to accept your suggestion that all local candidates participate in a meeting where issues may be presented and questions answered. If the Republican Party proposes the continuation of the same administration which is now serving the Town, it is obvious that each of us has a duty to discuss the issues of the November election."

The Girl Scouts and the Camp Fire Girls, budgeted for \$1,500 and \$400 respectively, are receiving relatively low amounts, Mrs. Savage said and the money used largely for earned campships.

Game Session
Larchmont Park Pack 2 will not participate in the first-fishing exhibit to be presented tonight by the Larchmont Fire Department at Flint Park since a meeting had been previously planned at the Chatsworth Avenue School. Club members will hold a game session in the gymnasium at 7:30 P. M. and parents are invited. Members of Pack 1 will witness the Flint Park exhibition.

Do Meters Solve The Problem? Parking Study Group Inquires
The citizens' committee probing the parking problem in Mamaroneck has communicated with five Westchester County municipalities where parking meters are used to find out what revenues they yield, the cost of installation and maintenance and the extent to which meters solve the parking problem. A letter has also gone to the City of New York, where there are no meters, asking whether a survey has been made of parking meters in any community that has not installed meters.

Leo Heithaus, chairman of the committee appointed by Mayor Edwin B. Dowley to study the situation said yesterday that the committee is studying the parking problem of parking in Mamaroneck Avenue and that a study of the situation at the station and in other business areas is in progress.

Letters have gone to Bronxville, Truckee, New Rochelle, White Plains, Mount Vernon and Elmsford. The answers are being compiled and will be made available to the committee. A public hearing will be planned at the end of October.

DEMOCRATS AGREE TO ARGUE ISSUES WITH OPPOSITION Party Would Limit Debate To Opposing Council Candidates

Quick acceptance came last night from the Town Democratic Party to the suggestion advanced editorially by The Daily Times for a debate of campaign issues by opposing candidates in the November election.

Following acceptance of the challenge yesterday morning by the Republican Party, Frank X. O'Donnell Jr., Democratic campaign chairman, informed this newspaper that his party "is as eager for the fray as it was in 1947" when a similar meeting of candidates drew a capacity audience to the Chatsworth Avenue school auditorium.

In agreeing to the debate, Carl J. Wiedeman, Republican campaign chairman, had suggested that all GOP nominees, whether they accept or not, appear on the platform.

Democrat Accept To this proposal, Mr. O'Donnell, however, is in disagreement since his party opposing only candidates for two councilmanic posts and a school director. His committee chairman, Mr. N. Appen, said: "The Democratic Party is as eager for the fray as it was in 1949, when we were the first to accept the proposal of a joint meeting of the opposing candidates in an old-fashioned town hall get-together."

"Indeed, we were surprised by the opposition's ready acceptance—especially in view of their perennial reluctance when we challenged them year after year in any and every election from Village level to national."

"On more careful reading, however, the letter of the O.P.E. campaign manager reveals the reasons for his party's well-founded courage. The Democratic Party is repeatedly conditioned on the inclusion in the program of 'all' candidates, whether or not opposed. With five candidates to oppose, J. Zedler.

Two classes in military are also being offered, the first on Monday and Tuesday, the second also 9 to 12 noon on Wednesday; both being given in the Chatsworth Avenue School.

Men's Club Sets 30th Anniversary Larchmont Firemen To Parade Tuesday

The annual parade, inspection and dinner of the Larchmont Fire Department will take place Tuesday night, Chief Joseph J. All members of the department are expected to participate and past in review before Village officials, visiting chiefs and the public.

The volunteers will be called to the firehouse at 7 P. M. and the parade will get under way Tuesday night, Chief Joseph J. All members of the department are expected to participate and past in review before Village officials, visiting chiefs and the public.

The 30th anniversary of the organization of the Larchmont Men's Club will be celebrated Wednesday with a dinner and an entertainment program at the Larchmont shore club. The dinner is slated for 7:45 P. M. with a cocktail hour scheduled a half-hour earlier and a 9:30 dinner for 225 will follow at the Motel Newark.

The residents living along the line of march of the parade are urged to turn on their house and porch lights to augment the street lighting and the fares which will be placed along the way by Boy Scouts. The firemen will parade along the Post Road, turn left into Chatsworth Avenue, left into Palmer Avenue, left into Larchmont Avenue and back to the Municipal Building.

Scouts to March A feature of this year's parade will be members of Boy Scout Troop 8, sponsored by the Fire Department, who will parade in uniform.

Participating in the review and inspection, in addition to village officials, will be visiting chiefs from Port Chester, Rye, Harrison, Purchase, and both Village and Town of Manamorneck. Representatives of the Westchester County Fire Chief's Emergency Plan will also be present. Chief Ford said.

Former Deputy Chief Roi B. Woolley of Larchmont, coordinator of the Fire Chiefs Emergency Plan, and P. Richter Townsend, director of the Division of Safety, Fire Control, New York State, will also be present.

At the dinner following the inspection, the Patrol Company will be awarded the Chief's trophy for winning the round robin softball contest, making them the department champions, displacing the Engine Co. last year's champions.

Wholesale Prices Rise 0.3 Per Cent

The Bureau of Labor Statistics says wholesale prices rose 0.3 per cent again during the week ended Oct. 1.

Advances in farm and food prices were the major factors in a rise of 0.3 per cent during the week, the bureau said.

Rotarians Hear Talk ON HOME FIRE HAZARDS

A great majority of fires are caused by carelessness, Chief Joseph J. of the Larchmont Fire Department yesterday told the Rotarian Club at a meeting in the Shore Club. Every resident, he said, should take particular care to avoid unnecessary fire hazards in his home.

Chief Ford discussed the work of the Larchmont department in detail and pointed out that as the fire fighting duties have been increased during the past year, in addition to speaking at the meeting Dr. Kaessler will meet with officers and committee chairman to hear reports and to discuss the work of the local organization.

Visitors at yesterday's meeting were Rotarians Edward Bergquist of Westfield, N. Y., David Cochran of Port Chester, and Fred Van Pelt of Union, N. J.

Town Registration Slumps As Rye Neck Records Gain

A total of 69 persons signed the voting registry in the 11 personal districts of the Town of Manamorneck during the week for the registration of 2,909, fewer by 629 than the 3,229 persons who were processed during a similar period in 1949, the last comparable year. On the first registration two years ago 911 voters were registered.

The slump in registration is explainable only by the fact that in 1949 a hot battle for the supervisorship was in progress between Owen A. Mandeville and George E. Mills Jr. This year Mr. Mandeville is unopposed and the only ballot in circulation are two seats on the Town Council and one for the non-personal regional representative will continue next Saturday from 1 P. M. to 10 P. M. when the book will be finally closed.

Yesterday's figures by districts were: District 1, 6; District 2, 1; District 3, 2; District 4, 3; District 5, 1; District 6, 2; District 7, 1; District 8, 1; District 9, 1; District 10, 1; District 11, 1.

The Rye Neck figures yesterday were: District 1, 58; District 2, 48; District 3, 47; District 4, 49.

No objection was made on the matter of the station's location, however, has been announced.

Mr. Ten Hara's letter was in response to a communication from Mr. Johnson in which the village manager pointed out that at the site, 24 Board members, 78 road man concrete and just reasons were advanced by the citizens present as to why this proposed location is not a proper place to

Flame Throwers Clear Way For Bloody Assault

U. S. 8TH ARMY HQ. Korea, (AP)—American and French infantrymen chafing with fixed bayonets behind flame throwers sensed victory all at once today.

The fighting flared up suddenly in the eastern Korea mountains as the Allied offensive in the west ground to a halt—with most objectives secured.

The air U. S. jets took on the Reds at three-to-one odds. The Americans lost two planes but probably destroyed one Red fighter and damaged two.

Tab by Sea Land

On the east coast of the U. S. Alies jabbed twice at the Reds yesterday—by sea and land. The battleship New Jersey led a small task force on a bombing raid into Hwangsan harbor, 125 miles north of the 38th Parallel. And an infantry patrol penetrated Korea, 40 miles north of the parallel.

There was no new move toward reopening truce talks today.

The western offensive along a 40-mile front by 100,000 men from nine United Nations gained up to five miles in four days. It was the biggest Allied drive in three months.

The Allies moved into the best position in front of the hills in the west in a year and sent patrols reaching out as far as three miles in front of their newly-won hills.

The new line formed a parapeit of defense north of the winding Trimin River.

Storm Off Cape Cod May Hit Nova Scotia

HALIFAX, N. C. (AP)—The Weather Bureau warned today that the hurricane now centered off Cape Cod could bring strong gales to Nova Scotia. The storm is expected to hit about noon.

Hundreds of small Canadian and American ships sought shelter with the approach of the storm. Larger vessels bound for the United States, will remain in port here until the storm passes.

Panel on East TO OPEN FORUM

McDonald to Head Parley At First Session Oct. 17

The Larchmont Forum for Public Opinion will open its ninth year on Oct. 17 with a panel discussion on "The Middle East and World War III" featuring Ambassador James G. McDonald.

One of the first speakers to participate in Larchmont Forums in 1943, Ambassador McDonald is United States envoy to the State of Israel and has just published a book, "My Mission to Israel."

Also slated to speak are three local experts on Middle East affairs. They are Dr. Ali A. Akhavi of Iran, Dr. A. A. Feroze of Pakistan and Dr. Arnold Belsetz who lived for many years in the Middle East.

Question of the Week Rye Neck Opinion Poll Favors Election To Fill Board Post

This is the 108th in a Saturday series of short interviews with residents on issues of the day—local and national. This week's question asked of Rye Neck residents was: "DO YOU THINK THE VACANCY ON THE RYE NECK SCHOOL BOARD SHOULD BE FILLED BY ELECTION OR APPOINTMENT?"

Results: by election—11; by appointment—four.

Alfred Ortman, 606 Tompkins Avenue, said his opinion is in order.

Conrad C. Henne, 249 Melbourne Avenue: "In my opinion there should be an election in this instance. If the vacancy was only for a brief period—say three months or so—I think it would be all right to fill it by an appointment. Elections involve quite a bit of expense, of course."

Mrs. William S. Miller, 413 North Avenue: "If you want my honest opinion, I think the Board members should make the appointment. I think they would pick the right person for the position."

Mrs. T. H. Schwab, 1110 Jenon Avenue: "Since the vacancy is for almost a full term, I think that an election should be held. If the

On the Grid Front

The Rev. Arnold A. Penton, rector of St. Thomas Church and popular known as the "punting parson" is active again on the football front.

He assisted Harvard University coaches with their kickers at the Saturday game with Columbia in New York City and a week ago addressed the student body and assisted the kickers at the Dickinson Prep School at Pennsylvania.

An article, "How Football Stars Become Great Kickers," written by Rev. Mr. Penton also appears in the current issue of the national magazine, The Open Road, devoted to boyhood interests. In it, Mr. Penton mentions many noted football players he has trained, including the All-American Charlie Justice of North Carolina.

Home on Liberty

Alfred F. Thomas Jr., twenty-one, son of Mr. and Mrs. Alfred F. Thomas of 621 North Barry Avenue, Mamaroneck, returned at 13 days' liberty from the States as seaman aboard the light cruiser USS Worcester.

The Worcester recently returned to Boston, Mass., from a cruise in the Mediterranean Sea after seeing action in Korean waters.

Seaman Thomas is a native of Mamaroneck and attended Bellows High School before enlisting in the Navy Nov. 4, 1948. He received his last assignment at the Great Lakes Naval Training Station on Illinois and has been assigned to the Worcester since Feb. 16, 1949.

A former supervisor of the Town of Mamaroneck, Mr. McCulloch was a full commander during World War II and was in charge of the Hunter College school. He had previously served two Navy hitchses, first enlisting in 1900 when he was sixteen years old. During World War I he was a lieutenant in the service.

Mr. McCulloch is a member of the faculty at Long Island University and is moving from Larchmont.

Named to UWF Council

Oscar Israel of 997 Grasses Point Road, Mamaroneck, was elected Saturday to the National Executive Council of the United World Federalists Inc., at the fourth General Assembly at the Hotel New Yorker in New York City.

Mr. Israel is president of the Mamaroneck - Rye - Larchmont chapter and has served on the UWF State Executive Council for a year.

Among the new members of the national council are Cass Canfield, chairman of the Board; Harpe and Brothers, Norman Cousins, Editor of the Saturday Review of Literature, and the Rev. Donald Harrington, pastor of the Community Church of New York.

To Be Re-elected

Louis H. Tolve was elected for a fourth term as president of the building Association of Carpenters and Joiners of Mamaroneck at a meeting Saturday in Carpenter Hall, Mamaroneck.

Elected with Mr. Tolve were John C. Sen, secretary; Ernest Tolve, treasurer; and the Rev. Bernabe Hall, pastor of the Baptist Church, Joseph Deane, Jess P. Griffin, Anthony Hart and Fred Kahn, trustees.

Reports of officers and committees were presented and meetings including a report on repairs made to Carpenter Hall and the installation of a new air conditioner.

Machinist Training

Rolf Q. Weckman, airman apprentice, USN, of 23 Colonial Avenue, Larchmont, is attending the Aviation Machinist's Mate School at the U. S. Naval Air Technical Training Center, Memphis, Tenn.

Weckman, who entered the Navy service Feb. 6, 1951, received his recruit training at the U. S. Naval Training Center, Great Lakes, Ill.

Before entering the Navy, he attended Dickinson College in Carlisle, Penna.

CAIRO MOBS RAID FOREIGN FIRMS AS RIOTS BREAK OUT

Western Business Houses Stunned In Move to Drive Out British

CAIRO, Egypt, (AP)—A wild crowd armed with stones and clubs surged through the downtown streets of Cairo today attacking Western business houses in a frenzy of anti-foreign rioting.

The outbreak sprang from Prime Minister Mustafa el-Nahhas' denunciation of the Anglo-Egyptian treaty and his bid to chase all British troops out of Egypt.

The test of the Arab world meant the British and French firm in Cairo, the Anglo-Egyptian Canal Company, was the first target for attack by shouting mobs.

Buildings Stunned
They also stoned and attempted to storm the big immovable building, the heart of Cairo.

Police reinforcements rushed to quell the riot and to keep the crowd from dispersing the crowd.

Steel-helmeted police, wielding clubs, were used to clear the streets.

C., where he was awarded the silver badge of the Marine Corps.

Mr. Henderson entered Ohio Wesleyan following his graduation from Mamaroneck High School, and then majored in forestry at the University of Massachusetts prior to enlisting in the Marines on June 30 of this year. He is now awaiting assignment at Parris Island.

Paper Out Tomorrow
Tomorrow, Columbus Day, will be a school holiday but newspaper carriers of The Daily Times will be on the job in the late afternoon. The paper will be published as usual.

Banks and all municipal offices, however, will be closed in addition to the schools.
Windows at both the Larchmont and Mamaroneck Post Offices will be open until noon and there will be one delivery of mail to the masters of the Green and Larchmont branches.

Club Slates Exhibit
Final plans for a print exhibit in the Mamaroneck Post Office lobby were made last night at a meeting of the Mamaroneck Camera Club in the home of Bud Bremer, 350 Halsted Avenue.

The exhibit will open today and club members will be present each evening to answer questions concerning photography and the club.

A club motion picture department was also organized at the meeting with Michael Gallo Jr. and David Tracy as its initial members.

Guests were Howard Vincent and Mark Poles.
The next meeting of the club will be held Nov. 15.

Trip to Europe
Charles A. Martin of 58 Mulberry Road, Woods of Larchmont, owner of the Martin Travel Bureau of New York City, will fly to Stockholm Saturday and will also visit Copenhagen, Amsterdam and Paris for conferences with his foreign representatives.

He will be joined in Paris by Mrs. Martin who will fly Saturday aboard the SS Liberté of the French Line and will attend the 21st annual convention of the American Society of Travel Agents which is scheduled for that city.

Mr. Martin is a founder and preparer president of the society and it is expected that 1,500 travel agents from all parts of the world will attend the convention.

Mr. and Mrs. Martin will visit Brussels and London after the convention and will return aboard the Queen Mary, due in New York Nov. 5.

Facts and Figures
Several sets of statistics were offered last night to the Rye Neck School board by kindergarten parents who made a strong plea for the addition of a fourth teacher but the ones which appeared of greatest interest to the board accompanied the slack of petitions turned in by Mrs. Baldwin Miller. A total of 210 parents signed the lengthy document, representing 130 families out of the 40 with children in the kindergarten.

The figures represent 91 per cent of the kindergarten families in the district.

Trustee Ralph Cronquist threw another interesting figure into the mix toward the close of the special session when he pointed out that the kindergarten committee had been authorized by the board's action in reducing the eligibility age for kindergarten to one month. The change was made by a group of parents. Trustee Cronquist pointed out that 20 additional children were admitted to kindergarten as a result of the reduction.

Parents Lose Appeal For Another Teacher In Rye Neck School

The Barry Avenue School auditorium, scene of several meetings during the last year, was rocked last night by nearly 400 Rye Neck parents who demanded that a fourth kindergarten teacher be employed to relieve what was termed "an intolerable and disgraceful situation" in the beginning rooms in the elementary school.

Trustees George Garfunkel and Ralph Cronquist were on the petitioners side from the beginning but a firm picture of overcrowded rooms and harassed teachers failed to move District Edgar B. NEW FEE INVOKED FOR SCHOOL USE
Rye Neck Board Names Teacher Secretary, Sets Visiting Day

Three requests for the use of Rye Neck school buildings were approved last night by the Board of Education under the new schedule of fees recommended by the trustees.

The Rye Neck Young Men's Religious Club was granted permission to use the Daniel Wagner gymnasium for basketball at a fee of \$5 when held in an assembly and \$15 if held in a regular session.

The Mamaroneck Glebe Club was authorized to use the school auditorium for rehearsals with the fee of \$35 when the building is used for a regular session. If the club is the sole user of the building, the fee is \$25.

Permission was also granted the Westchester Power Squadron to use the school buildings for a fee of \$5 and \$15 rate. The first fee in each case is for a maximum of two hours while the "day" fee applies for an evening.

Teacher Appointed
The Board appointed M. A. Yonnie Smith as assistant kindergarten teacher for the elementaries of the school. Mr. Smith, 33, is a bachelor degree holder from Notre Dame College in Baltimore.

Paul Anderson Is Victim Of Heart Attack In Mamaroneck

Paul G. Anderson, forty-five, of 211 Carroll Avenue, Mamaroneck, collapsed and died about 7:30 A. M. today while waiting for a train on the westbound platform of the Mamaroneck railroad station. Mr. Anderson, who had been under a doctor's care for a heart ailment, apparently succumbed to a heart attack. He was on his way to New York City where he was employed as a corporation lawyer by the former Constanzo-Masopoli firm.

Mr. Anderson was born in Montclair, N. J., March 15, 1906, the son of Carl and Rhoda Chulmstead Anderson. He was graduate of Stevens Institute of Technology of Hoboken, N. J., and of the Rutgers Law School, New Brunswick, N. J. He had lived in Mamaroneck for the last five years.

Mr. Anderson was a member of the Orange Beach Club and of the M. S. Club as well as the U. S. Power Squadron.

He is survived by his parents, who reside in Verona, N. J.; his wife, Mrs. E. Anderson, of Mamaroneck; and a son, Paul G. Anderson Jr., who is a medical student at the Silbeck and Keesh Public School, Mamaroneck, where funeral services will be held at 2 P. M. Saturday. The Rev. Edgar N. ZONING BD. DEFERS GAS STATION PLEA
Shell Oil Variance Request Postponed Pending Revised Plans

The Mamaroneck Zoning Board of Appeals last night deferred decision on the variance application of the Shell Oil Company to erect a gas station on the corner of the Boston Post Road at Sterling Avenue to replace the present facilities which were installed prior to 1928.

Action of the board came after Howard Johnson, representing the company agreed to submit revised plans that would conform to regulations providing larger safety areas than originally planned at the Sterling Avenue and Post Road corner. The board is expected to render its decision on the revised plans at a meeting Oct. 30.

Mr. Johnson stated that the company has acquired an option on a plot that will add 100 feet to the present Post Road frontage of 60 feet. He disclosed that the new plan eliminated the old building which he termed a "disgrace" and of which the Shell company had replaced it with a modern structure.

Safety Features
He disclosed plans for three 20-foot curb cuts on the Post Road to provide adequate entrance and exits and increase pedestrian safety, as well as continued use of the present Sterling Avenue entrance that he said "is a disgrace."

Planning Commission
"Our indelible tonight," Mr. Johnson declared, "against the present Town administration is that they, as a team, have not provided a plan for the future development of the Town of Mamaroneck."

"There are 16 Towns in Westchester County. All but one have planning commissions. The exception is the Town of Mamaroneck."

He defined a planning commission as a group of public-minded citizens that studies the town with a view to its future development. (Turn to Page 7, please)

Reds See Progress Toward Peace Talks After Two Sessions

Third Meeting Slated On Neutrality for Panmunjom Site

MUNSAN, Korea, (AP) — United Nations and Communist liaison officers met twice today, and Reds reported they made headway toward reopening truce talks.

They scheduled another session for 10 A. M. tomorrow (8 P. M. today).

The fact that another meeting was scheduled was interpreted as meaning the liaison officers failed to reach final agreement on resumption of negotiations which the Reds broke off Aug. 23.

Both United Nations Command and Red sources announced the third session.

Reds claim progress in the report of progress came from Communist negotiators near Panmunjom. Communist checkpoints where liaison officers are holding their talks.

Communist newsmen said the Red liaison staff reported the two teams agreed on most "technical arrangements" for a meeting of armistice negotiators near Panmunjom.

Communist officials apparently still had to settle on a neutrally agreed location for the Panmunjom meeting.

Men's Club Marks 30th Year At Past Presidents' Dinner

Following a cocktail hour, Scout Butler Donald Schiller sounded the "mace call" in the lobby and the dinner opened with an invocation by Past President Frank E. Boodi. Special anniversary cakes with lighted candles were served to guests.

After dinner, Boy Scouts marched into the dining room, their leaders carrying trays of silver loving cups which were presented to the guests at the past president's table.

President Alan M. Welby, who presided, introduced the past presidents and spoke briefly of their contribution of time and effort toward the success of the club.

Among those at the table and the years in which they served as president were William E. Webb Jr., 1920-1924; Frank E. Boodi, 1924-1928; Charles E. Babcock, 1928-1932; David A. Embury, 1932-1936; Julian Gargill, 1936-1940; Philip K. Moran, 1940-1944; George Y. Penton, 1944-1948; T. James Arch, 1948-1950; James J. Neely, 1950-1954; Morgan J. Burke Jr., 1954-1958; Paul W. Alwood, 1958-1962; George E. Suddell, 1962-1966; and H. Raymond Campbell, honorary member since 1966.

DEMOCRATS SCORE 'NEGLECT' BY GOP
Candidates In Town Decried Lack of Planning Commission

Neglect of "unwritten responsibilities" that has cost taxpayers hundreds of thousands of dollars was charged by the Republican administration of the Town of Mamaroneck last night by Robert M. Jensen, Democratic candidate for the Town Council.

Mr. Jensen pointed to lack of a Planning Commission as the reason for haphazard growth of the Town. Leadership in other waste in building sewers, providing drainage and other problems of municipal management.

Mr. Jensen and other Democratic candidates for Town office, including Dr. Arnold Belchick, candidate for Town Council, Mrs. Alina Greenwald candidate for school director, spoke at a meeting of the Larchmont Democratic Club in the Veterans For Foreign Wars clubhouse. More than 70 persons attended.

"Our indelible tonight," Mr. Jensen declared, "against the present Town administration is that they, as a team, have not provided a plan for the future development of the Town of Mamaroneck."

He defined a planning commission as a group of public-minded citizens that studies the town with a view to its future development. (Turn to Page 7, please)

Home On Furlough
 The. Wilmer R. Wright Jr. of Larchmont, assigned to the 2nd Marine Division, is home on a 10-day furlough after a four-month cruise in the Mediterranean aboard the cruiser, USS Columbus. Wright is the son of the late Mr. and Mrs. Wilmer R. Wright of 1 Larchmont Drive. He was a reservist in the Marine Corps before he was called to active duty in August, 1950.

He was first sent to Camp Lejeune, N. C. and then spent two weeks in intensive training at Parris Island, S. C. He will return to Camp Lejeune after his leave expires.

Wright is a 1950 graduate of Mamaroneck high school and had been accepted at Champlain College before he was called to active duty.

87th Birthday
 Dr. H. C. Miller, Mamaroneck veterinarian who has resided here for more than 30 years, will celebrate his 87th birthday anniversary tomorrow at his home, 1033 Harrison Avenue.

Dr. Miller, his three brothers and two sisters were the subject of an article this morning in the Intelligence Journal of Lancaster, Pa., which points out that the combined age of the six surviving children of the late Mr. and Mrs. H. C. Miller totals 499 years or an average age of 83 years each. It is considered a record for longevity among the children of Lancaster County.

Dr. Miller is a graduate of Millville State Normal School in Pennsylvania and the University of New York. He is a son and daughter in Mamaroneck, Dr. Walter R. Miller and Mrs. Patrick J. Hurley.

Missing Fat Mystery
 The fat on the fire for some time today with the Police Bureau of the Mamaroneck Police Department investigating yesterday a 200-pound fat man who was cooking fat on behind the New England Sea Food Restaurant at 112 East Boston Post Road.

Mystery writers say the first step in solving a crime is to find a motive and this is a pretty good chance for amateurs to do their best. The fat man was cooking fat for a party, looking for fat's worth too much. The Daily Times knows of no greater contest in the oiling and swimming waters are just too cold these days for a party with a lubricated woman. A hasty check with Con Ed reveals some of their lightning fixtures to be used for a slippery pole climb.

Hobby On Display
 An exhibit of children's photographs in color, taken by Colby Dorfman was mounted yesterday in the window of the Parkers Book Salon at 1297 Park Avenue, Larchmont.

Mr. Dorfman, who has lived at 34 Elgwood Avenue, Larchmont, for the last seven years, is a lecturer and writer. Many of his speeches have appeared in the "Daily Times" and "Vital Speeches" and he has been seen in the presentation of many of his talks.

Color photography of child activities is his hobby. Some of his subjects, not all included in the Larchmont exhibit, have been Helen Kryster, daughter of Mr. and Mrs. George Kryster, Mamaroneck; Hedge Jot, daughter of Mr. and Mrs. Hans Jot, Larchmont; and Paul Trompeter, 50 Oak Street, Larchmont.

Talk On Wonder Drugs

SECURITY PROBE WILL SWING BACK TO WALLACE TRIP

Open Hearing is Slated For Wednesday; Ex-Vep and Columnist to Talk

WASHINGTON (AP)—The Senate Internal Security subcommittee's probe for any subversive influences on U. S. policies in the Far East will swing back next week to Henry A. Wallace's 1943 mission to China.

Chairman McCarran, D. Nev., told reporters today the subcommittee has scheduled an open hearing for Wednesday to take testimony from the former vice president and from Joseph Alsop, a newspaper columnist.

Both Mr. Wallace and Mr. Alsop have asked to be heard in answer to the sworn charge of ex-Communist Louis Budenz that Mr. Wallace's rabid recommendations from China were in accord with the Communist line of the time.

Wallace Denies Charge
 Mr. Wallace, denying this, said the proposal he made to Dr. President Roosevelt were "the opposite of pro-Communist" and sprung from desire to help Chiang Kai-shek, the Chinese Nationalist leader.

Mr. Alsop, who was on the staff of Mr. Gen. Claire L. Chennault says a copy of his book, "The Far East" is on page 3, please.

5,000 County Episcopalians Expected To View Procession Of Clergy, Choirs At Bishops' Rally

WHITE PLAINS—An estimated 5,000 Episcopalians from the 58 parishes and missions in Westchester are expected to be present at the Bishop's Rally tomorrow at 4 P. M. at the County Center.

The rally is under auspices of the Westchester Convocation of the Diocese of New York, of which the Rev. Paul M. E. Cooper, rector of Trinity Church, Mount Vernon, is dean.

Plans to be honored include the Rt. Rev. Horace W. B. Donegan, bishop of the Diocese of New York; the Rt. Rev. John P. Boynton, suffragan bishop of the New York Diocese; the Rt. Rev. William Fisher Lewis, missionary bishop of Nevada, who will be the principal guest; and Rev. Charles Kendall Gilbert, retired bishop of New York.

Procession Planned
 A feature of the occasion will be a procession of vested choirs and chorale members, approximately 1,000, which will enter the Center auditorium at 4 P. M. and proceed to a raised and graduated platform installed over the main floor. Participating choirs will be accompanied by acolytes carrying flags and church banners.

Junior and adult choirs will be organized and directed and accompanying a choir, have been asked to meet at the Center at 3:30 P. M. Provisions for vesting will be provided in the lower hall of the Center.

A committee of three members of the clergy and 17 laymen has been appointed to greet the bishops upon their arrival. The clergy include Dean Cooper, the Ven. George F. West, archdeacon of the Diocese, and the Rev. Dr. Edward M. West, archdeacon of the Cathedral of St. John the Divine.

Dr. Knobel, who will speak tomorrow, has been president of the Diocese since 1944. At that time he was elected for a five-year term and was re-elected in 1949.

He is a native of New York City and was educated at Mamaroneck College, Oyster Bay, Pa., and at the Lutheran Seminary at Mount Airy, Philadelphia. Organized in 1921, he first served as pastor of St. Peter's Church.

Alies Drive Ahead Along Two Fronts As Savage Fight Rages

Two-Mile Gain Scored On 22-Mile Front In Center

U. S. 8TH ARMY HQ, Korea. (AP)—United Nations infantry supported by tanks and artillery sought out new gains on the Western front and Central Korean fronts today, as fighting flared with renewed savagery across Korea.

The U. S. 24th Division and two South Korean divisions gained up to nearly two miles along a 22-mile front in the center.

Although there pounded a day-long rain of high explosives on Yellow Front in the west, U. S. 1st Infantry troops moved out, opposed onto a hill forming the eastern flank of a vital ridge line scattered by four days of fighting.

U. S. 8th Army HQ
 One battalion of the cavalry was sent out yesterday.

A captured Red officer on the eastern front said the North Korean Army—the one that started the war 21 months ago—now was "practically nonexistent."

American and French troops of the 2nd Infantry Division in Eastern Korea scored the last Red out of their suicide bunkers on the eastern ridge line's northernmost peak.

Republicans For Eisenhower, Democrats Favor Douglas In Daily Times Opinion Survey

This is the 116th in a Saturday series of short opinion polls with residents on issues of the day—local and national. This week's question: "Do you think you will vote for Eisenhower or Douglas in the 1952 Presidential election?"

William C. Fitts Jr., 304 South Barry Avenue, Mamaroneck: "Paul Douglas, the Senator from Illinois. I think he's the ablest Democrat in public life. He is a liberal on economic questions, correct on international affairs and believes economic government is not inconsistent with a Democratic administration—as do I."

Mrs. Lank Wackaba, 1260 Preston Point Road, Mamaroneck: "Michael Straight—that brilliant young writer."

Peter Dufault, 539 Oakhurst Road, Mamaroneck: "Truman appears the only logical choice. He's committed a few social blunders but a reputation of Truman which the Democrats would amount to a reputation of the Marshall-Trumanism on the one hand and so-called preventive war on the other."

Robert M. Jensen, 580 Old Post Road, Mamaroneck: "The choice now seems to be between President

Wholesale Prices Show Week's Hike

WASHINGTON (AP)—The government's Bureau of Labor Statistics says wholesale prices rose another 0.1 per cent during the week ended Tuesday.

The report by the bureau yesterday said that on Oct. 9, the index of wholesale prices reached 173.7 per cent of the 1950 average. That was 5.3 per cent over a year ago and 13 per cent higher than just before the outbreak of inflation in Korea.

MAN IN HOSPITAL WITH WRIST CUT

Larchmont Resident Found In Basement, Now On Critical List

A Larchmont man is on the critical list at the New Rochelle Hospital today after he was discovered in a chair in his basement by a neighbor. He was surrounded by a puddle of blood in the basement of his home.

George M. Lashette, 644-4, of 5 Gerlach Place, was found by Patrolman Philip Hart at 1:50 A. M. sitting in a chair in his basement with severe lacerations of the left wrist. Lashette was not believed to have been inflicted by a razor blade that was lying on the chair seat.

Police Surgeon Alan Van Buren injected adrenalin and Mr. Lashette was pushed to the hospital by ambulance for blood transfusions. A great quantity of blood was on his clothing, the chair and on the floor but Mr. Lashette was not bleeding when they entered the hospital.

Frost Tonight, First Of Fall, Bureau Says

Scattered frost in Northern Westchester and even perhaps along Long Sound was forecast today for tonight by the U. S. Weather Bureau at New York.

The lowest temperature recorded overnight at the Westchester County Airport, Rye Lake, was 35 degrees at 5:40 A. M. The weather bureau said it might get down to 32 tonight in some exposed sections.

No killing frost is forecast, and plants and late vegetables are expected to be unaffected by the nip tonight.

Parade Marks Columbus Day Fete Here; Fireworks Tonight

A colorful parade down Mamaroneck Avenue and in Hudson Square will mark Columbus Day on Christopher Columbus by Town Historian William Fyfe last night. The parade will be followed by Columbus Day festivities which will be climaxed by a fireworks display at Columbus Park at 10:30 o'clock tonight.

Assembling on Prospect Avenue in front of the Municipal Building, the parade will proceed down Mamaroneck Avenue before a sizable crowd, swung left along Mamaroneck Avenue through the business section and veered left on Old White Plains Road beyond the railroad station underpass turned right on Columbus Park bandstand via Jefferson Avenue after a diagonal detour of Mamaroneck Avenue.

The 21 units participating included the Mamaroneck police corps band that followed the marching band. The parade was headed by Village Manager William H. Johnson, the Larchmont Association, Legion's colorful Post 247 Band led by its smart drum major, and a band of brass instruments. Mayor Edwin B. Dooley, Supervisor Owen A. Barbed Remarks

Mayor Edwin B. Dooley aimed a barbed thrust at newspaper publishers yesterday afternoon during a talk urging support of the Community Chest drive at a workers' tea at the Woman's Club.

"I don't think much of newspapers," he said in the group, "because, having once been a newspaperman myself, I don't know whether newspapermen are interested with genius—or just genius interested. I don't pay much attention to the editorial because I think whoever writes them is a victim of delirium tremens—or delirium tremens."

Mayor Dooley went on to cite however, a Daily Times editorial appealing for village-wide support of the Community Chest and urged the public to do everything possible to put the Mamaroneck drive over the top.

Typical Gas Installation

EDITORIAL NOTE

Best interest of the utility company is that the statement should be true, not only for Con Edison but for the entire gas industry. Every motive, human or financial, comes to make its contribution to the No. 1 objective, Con Edison does not want to destroy lives or damage property, nor does it want to pay damage claims arising from accidents which have been avoided.

WORTH JUDGE

All known safety devices and practices are employed by Con Edison to guard against explosions and fires in its gas distribution system in Westchester.

Money Talk

Mamaroneck High School students in office practice and business law classes got an idea of counterfeiting money and of good banking practice today as Dr. O'Neill, manager of the Mamaroneck branch of the County Trust Company addressed four office practice classes and one in business law.

He demonstrated the difference between counterfeit bills and actual money and showed samples of counterfeits.

Repeat Performance

It was a repeat performance for former Ambassador James G. McDonald when he appeared as principal speaker last night on the Larchmont Forum for Public Opinion.

Mr. McDonald rang up the curtain on the Forum nine years ago at its first session.

Last night, his presence helped draw a capacity audience to the Chestnut Avenue School auditorium, including standees in the balcony. It was the largest Forum audience since Mrs. Franklin D. Roosevelt spoke in 1949.

Juniors' Big Night

The big night for participants in last summer's Grasshopper and Junior League baseball games will be Oct. 24 when prizes and trophies will be awarded at a banquet sponsored by the Mamaroneck Kiwanis club. More than 50 Junior Ty Cobbs and Lou Gehrigs will be present.

At their meeting last night at the Vets Club on the Boston Post road, the Kiwanis presented an invitation to attend the 25th anniversary dinner of the Mount Vernon Club to be held Nov. 5.

James Williams, a prominent national Kiwanian is expected to be present and the Mamaroneck club will set on the invitation at a future meeting.

Busy Man

The job was done but the chairman was too busy to be present to see the results at last night's meeting of the Larchmont Forum.

Dr. Wayne Orin, chairman of the Forum, is in Toronto, Canada, as assistant commissioner in charge of Public Education and Civil Defense for the United States and could not be present to address the forum's first meeting.

In addition to serving in the Civil Defense post, Dr. Orin is also director of education for the International Business Machines Company.

Dr. Orin sent a telegram to William J. McWilliams, founder of the Forum, in which he congratulated McWilliams' Obituary "for his leadership in carrying the load of planning and arranging a successful program."

Tree Fund

Two white dogwood trees will be planted in front of the Murray Avenue School, Larchmont, in memory of the late Mrs. J. W. Harrison, with contributions from pupils, parents and other teachers to whom Mrs. Harrison endeavored herself during 27 years' service at the school.

Former pupils started a memorial fund for the teacher before the summer recess. The fund, through the Murray Avenue Parent-Teacher Association joined the drive for funds and Mrs. J. W. Harrison, land of 9 Maple Hill Drive was appointed chairman of the fund committee.

The school's Student Council is cooperating by soliciting contributions for memorial plaques to Miss Harrison, which will be placed on the trees, as well as two plaques to be placed at the younger children's playground. The memorial fund is now \$100 and Mrs. Harrison today dedicated the fund to more than \$50.

The added that cost figures are being obtained from nurseries and that the nurseries advise planting the trees either this month or in November. With the cooperation of Miss Loreta M. Hirsch, the Murray Avenue School faculty and the Student Council, the PTA plans an outdoor memorial service when the trees are planted.

Advanced by ROTC

Edward L. Marvin, 27 Orchard Road, Larchmont, has just been appointed color bearing staff sergeant in the ROTC unit at Bowling Green State University in Ohio where he is a third-year student.

Son of Mrs. Richard L. Marvin and the late Mr. Marvin, the cadet was graduated from Mamaroneck High School in 1949 and is now studying business administration. He attended the American School in Rio de Janeiro, Brazil, and in New Orleans, La.

In his second year of ROTC, Marvin won a medal as outstanding cadet in the Outstanding Green Cadet award. He is a member of Sigma Nu Fraternity.

Marvin's brother, Pvt. Richard L. Marvin, is now a squad leader in infantry training at Camp Mather, N. J. The oldest attended Tusculum University in Louisiana and Syracuse University before entering the Army Sept. 15.

TRUMAN TO KEEP '52 PLANS DARK UNTIL JANUARY

Announcement Will Follow Three Major Messages To Congress

WASHINGTON, (AP)—President Truman said today he will not disclose whether he will run for reelection until after he completes the three major messages he will submit to Congress in January.

"This was about the only definite thing the President said regarding his political future during a bantering exchange with reporters at a news conference," the reporter asked.

"Will you accommodate Senator 'Will'?" the reporter asked. "The President said he couldn't answer that question now. He said he had to give his mind what he is going to do but he proposed to pick the time of his announcement."

Reps Study U. N. Plan For New Truce Zone; Chinese Offer Free Hills

Foe Stiffens, However, Against Allied Move Toward Kumsong

U. S. 8th Army HQ, Korea, (AP)—Chinese suddenly abandoned a series of key hills in Western Korea to attacking Americans today. But they stiffened against Allies cranking forward toward their Kumsong stronghold in the center.

Troops of the U. N. 1st Cavalry Division overran four hills northwest of Yonchun, almost unopposed.

The Americans had been fighting for the hills for two weeks in one of the bloodiest and most costly of the entire United Nations Army offensive. Chinese deserted the western hills during the night after hearing a series of flame-throwing attacks yesterday.

The supposed advance placed the cavalry in front of their position. Oct. 3 when the U. N. western front advanced to the hills.

From the center of the Korean front AP correspondent Sam Sumner reported, after Chinese troops were ordered to retreat over the area.

It was poked marked with bomb craters. Allied planes had knocked out the spans from both the road and railway bridges across the river.

Observers said the Chinese apparently had pulled most of their troops to the west side.

Violence Hinted Here and On West Coast; Wildcat Tieup Spreads

NEW YORK, (AP)—Wildcat strike workers thickened their grip on New York City piers today, as rumblings of possible violence spread along the waterfronts here and on the West Coast.

Apparently beyond control of AP, longshore leaders, the strike leapfrogged to more docks in Brooklyn, and virtually numbered the entire Hudson River waterfront on Manhattan's West Side.

Violent defense and commercial shipping alike were severely crippled. At Brooklyn's big port of embarkation, the dock's master for shipping centers for nearly 1,000 stevedores is at the docks.

It was the fourth straight day of the union-opposed strike, sparked by news of a newly ratified contract.

Combing The Town

At Teachers' Purley

John Mader, principal of Chateaufort Avenue School, and Paul Ansel and Herbert Meyer, members of the Junior High School faculty, represented the Mamaroneck Teachers' Association Saturday at an all-day session of the Eastern Zone of the New York State Teachers' Association held in the Hotel McAlpin, New York City.

More than 125 delegates from the zone were at the conference which met to plan business to be presented at a statewide meeting of 70 delegates Nov. 18, 19 and 20 in Rochester.

En Route

E. R. Southworth of Chateaufort Gardens Apartments, Larchmont, vice president of the Central National Corp. and of the Central National Commission, on his way to New York, left by plane Saturday on a business trip to Australia.

A native of Australia, Mr. Southworth will travel to London and then by BOAC to Cairo, Calcutta, Singapore and finally Sydney, Australia.

He will also visit New Zealand before returning to this country by the Pacific route. He expects to land in San Francisco in about four weeks.

To Open Headquarters

The Town of Mamaroneck Democratic Committee will officially open campaign headquarters at 8:30 P. M. today at 1899 Palmtree Avenue, Larchmont.

Robert M. Jensen, candidate for Town Council, will speak as will Mrs. Idora Greenwald, candidate for school director. A third brief talk will be made by Mrs. Arnold Roberts on behalf of her husband, Dr. Reichert, who is candidate for Town Council but is out of town on business. The public is being invited to the meeting.

Headquarters will be open daily until Election Day, Nov. 6, it was announced today.

Richards Honored

Arthur Richards, Larchmont Village engineer, will be honored tomorrow at a banquet at the Hotel Statler in Boston marking the 50th annual meeting of the National Council of State Societies of Engineering.

All past presidents of the American Association of Engineers, Mr. Richards will represent the association in Council discussions of matters pertaining to the registration of professional engineers in the United States.

Cushions Doused

The Larchmont Fire Department responded to a call yesterday at 2:40 P. M. to douse the wooden interior seats and some upholstered chairs of an abandoned 18-foot steel stevedore at the foot of Bay Street in Larchmont. The firemen used 100 gallons of water to subside the blaze and reported that the cushions and seats were burned.

The firemen were called out again by a full alarm at 3:10 P. M. after L. G. Rummel tried to burn a nest of squirrels out of the chimney of his house at Pinebrook Drive. Two fuses were used to smother the blaze and the chimney and debris from the squirrels' nest. No damage was reported and no report was made on the fate of the squirrels.

Expensive Dog

Egar Ruiz of 1153 West Post Road, Mamaroneck, has filed a false proposition on his hands with his dog which he claims is a large white bull terrier. Today in Mamaroneck police court he paid \$9 because of the dog's wandering, \$4 on one summons and \$5 on another summons previously paid \$5 on the same count starting out with \$1 for the first offense and working up one buck at a time with each succeeding violation.

Also fined on dog charges today were Floyd Wiley of 133 Center Street who paid \$3 for a third offense and William Desaine of 422 Center Street whose dog cost him \$3 for a second offense.

Boat Towed In

A 40-foot cruiser which had lost its propeller was towed into Mamaroneck Harbor late yesterday afternoon by the U. S. Coast Guard.

The boat was towed in the water about 100 yards off the considerable estate when found by the Coast Guard. The craft had also been spotted by Spencer Owen A. Mandeville who called Mamaroneck Town Police.

Blood Donors Wanted

Mamaroneck residents are urged to register this week for the blood collection which Red Cross will conduct for the Armed Forces at the High School Nov. 19, 20, 21 and 22. The next day Mamaroneck headquarters every day through Friday, when 10 to 11:30 P. M. all Red Cross donors or to answer questions. The telephone number is MA 8167.

AMERICAN TANKS ENTER CHINA

AS CHINESE FLEE

Red Stronghold Abandoned In Second Assault Within Three Days

U. S. 8th Army HQ, Korea, (AP)—American tanks rumbled into Namungho today for the second time in three days, as Chinese retreated before advancing Allied infantrymen.

For four hours the M4 Patton tanks stuck up the former Red stronghold on the central front. Then they tumbled back through the hills and over a river to their own lines.

Allied infantrymen, striking out of the fog, overran two hill masses including the highest well taken on the 15-mile Kimnong front.

The Reds put up a hot fight on the high ground in the little village of Namungho, and the United Nations infantrymen advanced to a hard-fought position.

Atomic Blast Set Off

IN THIRD NUCLEAR TEST

At the Nevada Test Site, Las Vegas, the Atomic Energy Commission announced today that it set off a nuclear explosion in its third test site shortly after 6 A. M. today.

The explosion came just as a bright sun was rising over the mountains to the east, and this may have had something to do with the inability of observers to see a flash to the northwest.

It was the sixth atomic blast in Nevada since the start of the AEC's program of nuclear tests in 1952. The tests are being conducted to determine the effects of nuclear weapons on man and the environment.

The explosion came just as a bright sun was rising over the mountains to the east, and this may have had something to do with the inability of observers to see a flash to the northwest.

To Talk on Drugs

DAVID URBAN, proprietor of the Larchmont Pharmacy, will give a 20-minute talk on drug products to the Larchmont Lions Club tomorrow at the Shore Club. Mr. Urban is a member of the club following Mr. Urban's departure. William Russ will show motion pictures of the club boat ride and last November's Club ball games.

Two Plots Auctioned

Two plots of Town of Mamaroneck land were tentatively sold at auction last night at the Weaver Street Fire House. The plots are the site available approval of the Town Council.

Sold without bidding was a plot 212 by 228 feet at Route 214, Lane and Weaver Street to Anthony Garofalo, 24 Weaver Street, Larchmont, at the price of \$1,335. The land is assessed for \$4,000.

George A. Gotti of New Rochelle bid \$507 for a lot on Harrison Drive measuring 132 by 128 feet. The assessed valuation is \$1,700. There was no contest.

Rescued by Auxiliary

Two Mamaroneck members of the Coast Guard Auxiliary went on a Sunday afternoon patrol in the 40-foot cruiser which has its proprietor of the Coast Guard.

Ellen Woodward of 714 Stuart Avenue, Westchester County, was captain of the Auxiliary was called when the boat was seen to be in trouble. He immediately called William Glaser, commander of Mamaroneck Auxiliary.

The two sets out in Mr. Glaser's motor cruiser, Captain II, got a flat on the larger of the two tires and towed her in Muddy's Yard on Clinton Avenue.

Diabetes at Grenier

Joseph P. DiBetta, 621 Terrace Street, Mamaroneck, has been promoted to sergeant in the 152nd Aircraft Control and Liaison Group stationed at Grenier Air Force Base in Mamaroneck, N. Y. DiBetta is a senior vehicle operator.

A native of New Rochelle, he is twenty-three years old and is the son of Mr. and Mrs. Dominick DiBetta of that city.

He was graduated from Mamaroneck High School and entered the Army in 1944. After basic training he was assigned to the Army of Occupation in Japan, and was demobilized in 1945 after his return from overseas.

As a reservist he was recalled to duty last August and assigned to the New Hampshire State Troop. DiBetta is married to the former Mary Ann DiBetta.

Leads Air Strike

Major Roland S. Mangel, husband of the former Margaret Embury of 162 Murray Avenue, Larchmont, recently led an air strike against Communist air installations in Korea as operations officer of Marine Fighter Squadron 312 of the First Marine Air Wing.

It was his last in an ammunition dump," the Major reported later. "Stranded by plane from all sides," twenty-two holes were fired in the craft when he returned to his base.

A Marine Corps pilot in the South Pacific during World War II, Major Mangel was discharged from the service in the Spring of 1946 and recalled to active duty in 1951. He arrived in Korea July 1.

An engineering graduate of Pennsylvania State College, Major Mangel enlisted for military service in July, 1941, and won his wings at Miami, Fla., in March, 1942.

Prior to his recall to duty, he was associated with the electrical manufacturing firm in Philadelphia. He lives in Larchmont, Pa.

Page Under Treatment

Donald Page, twenty-four-year-old son of Mr. and Mrs. Leonard A. Page of Woodbine Avenue, Larchmont, is now at the New York State Rehabilitation Hospital at Havestraw undergoing treatment for polyomyelitis that paralyzed both his legs from the waist.

Page was stricken Sept. 20 at the Larchmont home. Football training camp of Columbia University with another team member, Bernard Johnson of New York City. The two young players were examined at the Columbia Presbyterian Medical Center in New York City and moved to Havestraw last week.

Doctors have given no prognosis in either case and the prognosis is possible recovery for at least six months. It is believed Page may have a permanent treatment for as long as three years.

A student of business administration at Columbia, Page played on the football football team and was on the varsity squad during his sophomore and junior years. He was graduated from Long Preparatory School in 1944 where he has played varsity football.

13 Mr. Vernon Firemen Are Burned by Fumes

MOUNT VERNON—Thirteen volunteer aid patients of the city fire department suffered burns from poisonous fumes following escape of a gas cylinder from a station of the New York State Laboratory of Hygiene in Washington Heights last night.

The gas cylinder, which was 10 1/2 feet high, burst after treatment at Mount Vernon Hospital all had been returned to the city. No fire resulted from the explosion which blew out a window, but firemen who donned gas masks suffered burns from their exposed hands and necks.

Court Puts Ban on Collecting of New Truck Tax

Writ Restains State Until Decision on Constitutionality

ALBANY, (AP)—A State Supreme Court Justice ruled today that New York could not collect a new weight-distance tax on its trucks until a constitutionality was determined.

In granting a temporary injunction sought by trucking interests, Justice Harry G. Schrick said, however, the state could enforce any other provision of the constitution to collect the tax.

The tax law, which includes a \$5 permit requirement for trucks subject to the tax.

Justice Schrick's order requires the truckers, who are challenging validity of the law, to post \$30,000 security to cover any loss to the state as a result of the injunction in case the constitutionality of the law is upheld.

The effect of his ruling today is that the state can administer and enforce any provision of the law except collection of the tax.

The weight-distance tax, enacted by the 1951 Legislature, ranges from 0.6 to 24 cents a mile on the loaded or unloaded weight of trucks weighing more than 10,000 pounds.

The law was adopted by the Democratic administration with the approval of numerous large labor unions to pay a larger proportion of the cost of constructing and maintaining state highways.

DEMOCRATS CLAIM LET TO WIN BY GOP

Jensen Calls For Master Plan For Development of Town

Republican administration of the Town of Mamaroneck "let us down," Robert M. Jensen, Democratic candidate for the town council, declared last night at the party's campaign headquarters, 1889 Palmer Avenue.

Mr. Jensen's charge was chiefly directed at "do-nothing failings in the disposal of milk debris, utility rate increases and failure to make plans for the future."

"The town will benefit by the direct effects of two new Democratic councilmen," Mr. Jensen asserted, "and although two men cannot control the board, the shock of their presence will make the three remaining members take stock."

Also running under the Democratic banner are Dr. Arnold Berman for the second council seat and Mrs. Alma Greenwald for the post of school director.

"The present Republican administration is doing everything the easy way," Mr. Jensen said. "They attend Public Service Commission hearings on utility rate increases, but they don't protest, they let they deliver it to the United Nations."

The union is seeking a wage increase and other benefits in a new contract, but union negotiators said last night that negotiations were deadlocked.

The program will also include an analysis of the draft amendments to the State Constitution which will be voted upon Election Day, Nov. 6.

Candidates who are expected to be present include Supervisor Owen A. Mandeville, the Republican nominee for a fifth term who is unopposed and the Democratic Party's John T. McKewen, Robert M. Jensen, Democrat.

Exit System To Facilitate School Drill

A new and improved exit system suggested by Principal John J. Moxley for the Mamaroneck School, Larchmont, was approved last night by Chief Joseph B. Ford at the monthly drill of the Larchmont Fire Department.

The new exit system, which was approved by the fire department, will be used in the event of an alarm.

Approximately 120 volunteers of the Larchmont Fire Department used the new exit system and two pumps last night at the drill held at the new Chatsworth school building.

The meeting is a part of the League of Women Voters' program to promote "political responsibility" through informed and active participation of citizens in government.

The traffic cuts will remain in force until dark laborers, boosting the unloading of British supply ships at the military port of Adabia, about 10 miles south of Suez, go back to work, a British military spokesman said.

The British ended the harbor and railway station at Port Suez last night.

Bus, Truck Crash, Air Pump 10 Killed

Halstead Avenue Accident Damages Gas Station Equipment

A cake delivery truck was knocked against an air pump at the gas station at 656 Halstead Avenue, Manamorneck, at 7:36 A. M. today when it collided with a County Transportation bus.

The truck, driven by Harold Levenshal of New York City, was attempting to make a left turn into the station when it collided with the bus operated by Robert Parke of Port Chester.

The pump was damaged and cake racks on the truck were smashed. The roof and side were also dented. The bus sustained damage to the right front and one head lamp was broken.

Manamorneck police also reported that cars driven by Mrs. Rose Mecca of Rye and Mrs. Lottie C. Quinn of New Rochelle sustained fender damage yesterday at 240 P. M. when Mrs. Kulick attempted to back out of a parking place on Manamorneck Avenue between Palmer and Prospect Avenues.

The cars were parked side by side when Mrs. Kulick backed out and struck the Mecca car.

Donald Albert, thirteen, of 418 West on Avenue, Manamorneck, suffered a torn cornea on his eye Sunday when he was thrown from his bicycle while attempting to squeeze between a parked car and a moving truck on the Post Road near Mount Pleasant Avenue.

According to police, George Banks of 925 Old Post Road had opened the door of his parked car and was leaning for the truck to pass before the car was under the direction of the sense until Monday.

Members of the post also planned to pick up paper magazines and newspapers for the village devoted to replacing a fascimile of the Legion seal on the front of the club house and several other items.

There was a reply from the Post Road Association of Manamorneck New York, representing

CHINESE OFFERED ON COMPROMISE ON BUFFER ZONE
Allies Would Yield 200 Miles in Exchange For Similar Area

MUNSAN, Korea, (AP) — The United Nations today proposed a five-mile-wide compromise to set up a buffer zone across the war-torn Korean peninsula.
The U. N. proposal called for the Allies to yield about 200 square miles of North Korea in the east and for the Reds to give up a similar area in the west.
The buffer zone would be about 2 1/2 miles wide and follow a carefully present battle line.
The proposal was introduced at a seven-nation meeting in Panmunjom shortly after cease-fire negotiations were resumed by the Reds and Allied forces on Feb. 19, after a 64-day breakdown in the Paris talks.

There was no immediate indication of Communist reaction. The Reds previously demanded a buffer zone along parallel 38, old parity line boundary between North and South.
Gen. Henry H. Hodes, subcommittee chairman, said he did not expect the Reds to accept it or face a less favorable offer.

End Of Milk Strike Seen By Tomorrow
NEW YORK (AP)—Union and industry spokesmen said today there are prospects for an end to tomorrow morning of a strike that has cut off milk deliveries to the entire three-state metropolitan area.
The milkmen's strike has cut off supplies to about 13 million consumers.
The prediction of a possible settlement came as negotiators met for the second day, and as housewives and children rushed to queue up in grocery stores and processing plants in the scramble to get milk.
Representatives of both sides would not say whether the strike could be reached in time to resume deliveries tomorrow morning.

25 Consumers Walk Out After Shouting For Reduction Now
BY JOSEPH W. BRANNON
NEW YORK (AP)—Westchester gas consumers today interrupted a Public Service Commission hearing on the demand for an immediate reduction of gas rates by shouting "Reduction Now" and "Cut it!"
Consumers shouted from the back of the packed hearing room that they were unwilling to go into another heating season at present rates while the P.S.C. takes evidence and deliberates on a new rate schedule in its room.
When Hearing Examiner Ernest A. Bannan ruled that the Commission would proceed with introduction of evidence on costs and revenues, 25 consumers got up and walked out of the hearing room.
"What's the use of our staying here?" one of them called. "We can't accomplish anything here."
When the second session of the hearing began, the P.S.C. proposed to get the evidence as rapidly as possible.

MAYBE YOU'VE HEARD, FOLKS! — THERE'S AN ELECTION COMING UP
BY BERNI CLARKE
The people of the Town of Manamaronck are evidently not very interested in who runs their local government. In a telephone poll of 115 persons taken last week by the Young Republics Club, only one out of every four called their town government to be improved. 78-Minute Edition

The 78-minute edition issue of the Mamaroneck High School Record, published May 25 after the school polls closed, is the subject of a feature article in the October issue of "The School Press Review", journal of the Columbia Scholastic Press Association.

The article describes the rush of Editor Richard Motley and his staff to the printers as soon as the election results were known at 1:20 P. M. The story was written, set, proof-read, the heads written and set and the copy was at the press at 2:30 P. M. The students had their copies before 3 P. M.

TV Haard

Mrs. Ernest Abrams and her mother, Mrs. Joseph J. Milose of 288 Weaver Avenue, Mamaroneck, were upstairs watching a television show Thursday night when Mrs. Milose smelt a pan of grease she had left to heat on the kitchen stove before frying some fish. She hurried downstairs and found the kitchen filled with smoke from the blazer grease.

She smothered the blaze with a small rug but not before a hole was burned in the rug. Mrs. Abrams reported the mishap the following morning to Fire Department U. 175, which inspected the house yesterday and found the kitchen walls and ceiling had been considerably smoked.

Insurance Men Meet

The advantage to municipalities and individuals by having local agents handle their insurance problems was emphasized yesterday in an informal dinner held by the Mamaroneck Association of Insurance Agents in the Seven Pines restaurant on the East-Town Post Road, Mamaroneck.

Earl Koch, president of the association, conducted the luncheon meeting, during which other insurance problems and various types of coverage for them were discussed. Among those present were Edward C. Houghton, secretary; Joseph Dinolfo, Philip Riccio, Morris Stern, Edward Block, R. Dewey Brewer and Peter C. Doern Jr.

Avalis Assignment

Major Howard A. Praeger of 69 Rockland Avenue, Larchmont, is at home for a brief visit before leaving on a European assignment with the Army.

Formerly stationed with the 391st Mobile Radio and Broadcasting and Liaison Group, Fort Rucker, Kan., Major Praeger recently received a commendation from the Chief of Psychological Warfare for his work on a special psychological warfare assignment.

Major Praeger saw four years' service in counterintelligence and public relations work during World War II and was recalled to active duty in June, 1951. He was associated with the Brooklyn Union Gas Company as manager of the advertising department. His wife and daughter, Pamela, a student at the Murray Avenue School, and son, Geoffrey, will continue to reside in Larchmont.

Boat Season Over

The work of removing the thirty dorys maintained on the Mamaroneck Village in the harbor will begin later next week. The owners are asked to take their craft from the boats before Nov. 15, William H. Johnson, village manager, announced today.

"The village," Johnson said, "is desirous of giving boat owners every possible opportunity to enjoy themselves and their families as long as the good weather lasts, but the work of removing the thirty dorys from the harbor must begin soon."

If boat owners wish to haul their craft from the East Basin waters find the gate locked, they are advised by Mr. Johnson that a key may be secured at the police station in the Municipal Building. The key must be returned as soon as possible after the boat is hauled for the convenience of others who wish to use it.

Off To San Diego

Leighton A. Price, son of Mr. and Mrs. E. R. Price, of 1193 Park Avenue, Mamaroneck, is now en route to San Diego, Calif., where he will be assigned to an LZP in his new rank of full lieutenant in the Navy.

Price just completed a 30-day leave in Mamaroneck after serving an eight-month tour of duty in Korean waters in command of an LZP. He volunteered for active duty in August, 1951, and was commissioned in the Navy in February, 1951.

Price was graduated from F. E. Bellows High School in 1943 and served during World War II in overseas assignments in Japan and Pacific waters after earning his commission in the Navy program. He studied at Harvard University following his discharge and taught English and science at a Boston high school.

He was married to the former Jane Humphrey of Mamaroneck in May 1947 and a son was born to the couple Aug. 11, 1951. Mr. Price's wife and child accompanied him to his California post.

Churchill Names Anthony Eden As Foreign Minister

New British Leader Sees Chief Lieutenants On Cabinet Makeup

LONDON, (AP)—Winston Churchill announced today that Anthony Eden would become his Foreign Minister and Leader of the House of Commons.

Mr. Churchill also announced that in addition to being Prime Minister he would keep for himself the vital Defense Ministry.

LONDON, (AP)—Aging Winston Churchill, Prime Minister of a sharply divided nation, conferred from his bed today with the chief lieutenants he is fitting into a new cabinet.

He was expected to announce the first six or eight key ministers later today.

They must begin at once to size up the serious problems which the new administration will face because of the present failure of the nation to put a bid in the world trade pact which it has been threatened, and the taunts of defeatism from the Communist empire.

Mr. Churchill returned to office last night with a thin majority in the 65-seat House of Commons even though the narrowly-defeated Party won more of the popular vote.

Eight Red Planes Damaged In Fight

Foe Fails to Halt Bomb Strike, Also Suffers Setback On Ground

U. S. 8th Army HQ, HONOLULU, (AP)—Eight Russian-made MiG-15s were damaged today in a three-day aerial dogfight over North-west Korea as they failed to stop an Allied bomb strike on bridge and rail lines.

It was the seventh straight day the Communist jets whizzed out to challenge the air might of the United States Air Force.

On the ground, Communist night assaults in the east and west were common in fierce fighting. The center of the battle line Allied in-fortnight secured a key hill massed in a "peculiar situation" in Communist air strikes.

In the latest air battle Allied pilots for the first time in months had an edge in numbers. The 12 MiG jets and eight Okinawa based F-84s were shot down by 100 F-84s over Sinanju.

The 5th Air Force said all jet pilots returned to their bases without damage to their planes.

Broken Homes Blamed For Juvenile Crime

Broken homes were seen as responsible for most cases of juvenile delinquency by a New York City committee on juvenile crime today at a meeting of the Larchmont Rotary Club at the Larchmont Shore Club.

John P. Stanislas, chief probation officer, explained the need for painstaking investigation of juvenile crime to courts may be guided by facts in each case in order to make proper disposition for each offender.

The speaker also explained the difference between probation and parole and stated that an overwhelming proportion of crimes are committed by offenders in their first year.

The statistics are Robert Schmitt, B. O. Cook, Michael Brennan, John Cox, John Campbell and Robert Goodwin of the County Department of Probation and Parole.

Mr. Stanislas said that the statistics show that a house assessed for \$8,000 in the village of Mamaroneck is assessed for \$10,000 in the Town of Rye.

"The fact is that the Republican administration of the Town of Mamaroneck, the forgotten end of the town, is assessed for \$10,000 in the Town of Rye."

"The taxes," he continued, "are too high to permit some of our property owners to have a house assessed for \$8,000 in the village of Mamaroneck and \$10,000 in the Town of Rye."

Steel Curbs Delay Work On Thruway For Another Year

New England Express Highway Hits New Construction Snag

NEW ROCHELLE—The delay in obtaining federal construction restrictions hindering progress on the building of the New England Thruway will not begin for at least another year, it was learned today from very reliable sources.

The thruway and express highway from the Pelham to New Rochelle into Mamaroneck has been planned for the past 28 years. A \$4-million crew, under the direction of Robert Wesley Briggs, consulting engineer, has been preparing construction plans for the past two years here.

Grading and demolition work, which will require use of vital and restricted materials, is expected to proceed, but it was definitely indicated that actual work on the necessary bridges and underpasses will not begin for at least another year, possibly longer. State officials in the past have indicated a desire to get the thruway started as soon as possible, and it has been frequently promised that construction would be under way in a matter of days since the plans were first filed two years ago.

A special class of 27 candidates was initiated into Mamaroneck Lodge 1457 of the Elks last night at the Holy Trinity School as more than 300 Elks heard an induction address by Past Grand Exalted Ruler George I. Hall of Larchmont.

The ceremonies were conducted by officers of Lodge 1457 under Exalted Ruler Philip Kiriakos following a banquet at the Elks Club on the Boston Post Road, and a certificate of appreciation was later presented to Mr. Hall by R. I. Knapp, a past exalted ruler of the local lodge. Mayor Edwin B. Dooley, a member of the new class, extended a welcome to Mr. Hall.

The three members of the Bronx Lodge of Elks assisted at the rite, and officers participating in the rite included: Past Exalted Ruler, Eugene Warrington; Exalted Ruler, Thomas Egan; Exalted Ruler, Joseph J. Muller; secretary, Max Schepfer; treasurer, and William Adams Jr., treasurer.

Larchmont Over Top In Chest Campaign

Contributions Received To Date Total \$55,776.54

The Larchmont Community Chest campaign has scored almost \$2,000 over its 1951 quota, it was announced yesterday by Jesse M. Van Vorst, executive chairman of the drive.

The Chest budget this year is approximately 40 per cent higher than in 1950, it is pointed out, and only increased gifts and more gifts will cover the needs. The budgetary increase was necessitated by the addition of three beneficiaries and by the added needs of the 11 organizations who were supported by the Chest last year.

Contributions received to date total \$55,776.54.

The campaign, however, has not been concluded as solicitors are still making returns and completing calls in order to attain the full Chest budget of \$47,741.55 for 14 beneficiaries. If the full budget is indicated it will enable the Chest to maintain a \$10,000 surplus for emergencies. Final figures on the solicitation are expected to be available early next week.
