Machine Insurance

Accidental death insurance protection with a maximum of \$25,000 became available today to Larchmont passengers of the New Haven Railroad as a vending machine was installed at the Larchmont station.

At the Mamaroneck station, ticket agents began the immediate sale of the same insurance protection.

In Larchmont the passenger drops 25 cents in a slot machine and receives an insurance policy which gives him protection for the next 24 hours. The maximum benefit of the new policy is five times the amount in the policy which the road previously sold over the counter. Conducted by the Coal Inland Machinery Inc., the new policy is underwritten by the Continental Casualty Company.

Insurance vending machines have also been installed in 20 other stations and the policies will be sold manually at 23 stations, including Mamaroneck.

A-Bomb Movies
"The Medical Aspects of the Atomic Bomb" a movie of especially timely interest, will be shown at Tuesday's luncheon meeting of the Mamaroneck Shore Club. It was announced by Earl W. Quirk, program chairman, and by George Houghton, chairman of the Red Cross Disaster Committee which is jointly sponsoring the showing of the film.

The program was arranged by Major Augustus Girardo, who will present the movie before an assemblage of about 200 Mamaroneck and Larchmont residents. The movie starts at 12:15 P. M. at the Greenhaven Inn.

Biggest Catch
Egt. Joseph Palmer of the Mamaroneck Village Police Department has returned from Brielle, N. J., with honors for the biggest catch during a fishing trip aboard the Dolphin II.

He caught a three-pound porgy about 18 miles off the coast in addition to several sea bass and some fluke. The fishermen and their sharks snapping so small surface fish but they didn't bother the big ones. Sgt. Palmer says the distance is four miles from shore.

Teachers' Friend
Louis Zingesser of 1435 James Street, today earned the title of "teacher's friend" by receiving the Tax Collector Henry R. Dillon, who reported that the Mamaroneck attorney was the first to plunk down his school tax payment at an early hour this morning.

Mr. Zingesser, in fact was ahead of time for the school tax bills are just being mailed out today. For the record this year's school levy amounts to \$1,929.37 on an assessed valuation of \$92,972.32 with a tax rate of \$19.993 per \$1,000.

Mr. Zingesser will not have to worry about the penalties for late payment which amount to 2 percent in October, 3 percent in November and so on up to 12 percent after March.

Owned Home Here
Conrad Lipson, thirty-seven, New York attorney who was killed in the TWA airplane crash yesterday in the Nile Valley, owned the home at 7 Leaty Lane, Larchmont, in which he and his wife, Mrs. Lillian Lipson, lived.

Mr. Lipson purchased the house in 1946 but never lived in it, according to neighbors. His New York residence was at 200 East 24th Street, Manhattan.

A native New Yorker, Mr. Lipson was a graduate of Columbia University Law School. He had been in Cairo on business, according to a spokesman in his office, and had originally intended to return last Sunday. He was killed Monday from Alexandria that he would stop in Paris for a business conference before starting for home.

He is survived by his wife, Mrs. Lillian Lipson, and a ten-year-old son, Peter Barton Lipson, of Manhattan.

Coffin at Conference
Robert H. Gotte Jr. of 19 Lyons Place, Larchmont, a representative of the Business Agency of the Mutual Life Insurance Company of New York is attending a business and educational conference of the outstanding field underwriters of the company at the Waldorf Astoria Hotel in New York. Mr. Gotte is a member of the company's Top Club and qualified for the honor award, receiving certain standards of production and service over a long period.

He is a former chairman of the Larchmont Zoning Board of Appeals. He has also been active in deals having served on the board of directors of the Larchmont Community Center.

To Open Concert Drive
Mamaroneck directors and their captains will attend a rally opening the Mamaroneck campaign for the Larchmont-Mamaroneck Community Concerts meeting on Sept. 13 at 8:30 P. M. at the Women's Club of Mamaroneck on Cortland Avenue.

Dr. Lauretta M. Curtis, president and Mrs. S. Charles Hagan, vice president in charge of the Mamaroneck membership drive will be in charge of the program. A representative of the Columbia Artists Bureau will present and sound films of artists will be shown.

Expanses will receive instructions and literature and a social hour will follow.

TRUMAN REPORTS ON WAR TONIGHT IN RADIO SPEECH

President Expected to Report There Was No Alternative: On Air Tonight

WASHINGTON (AP)—President Truman tonight will cover all the major radio networks and television.

His address is described by the White House as "a report to the people."

Those familiar with the text say that it is just as much a report to the peoples of Western Europe, Asia, and elsewhere where Mr. Truman hopes American foreign policy will be heard and understood.

Associates told a reporter Mr. Truman will say he has to move quickly when the North Korean Reds invaded South Korea, to draw a line somewhere across the steady advance of communism against peaceful countries.

Something had to be done, Mr. Truman is expected to say, but communism abated off other nations one by one.

Lynne Corby, 14, Swims Sound To Shore Club In Three Hours

Lynne Corby, fourteen, swam across Long Island Sound yesterday afternoon from Sands Point, L. I., to the Larchmont Shore Club in three hours and 16 minutes.

She was accompanied by her mother, Mrs. Philip G. Corby of 98 Vine Road, Larchmont, and a friend, Mrs. Edith Linton.

"I'm starved," Lynne exclaimed, proving it by devouring three juicy hamburger sandwiches and two tall glasses of milk.

"I haven't eaten since I had poached eggs and toast for breakfast at 8:30. Was I thirsty! All the water in the Sound and nothing at all at Sands Point."

John Moorhead, 39 Beach Avenue, and Tom Keller, who lives at 29 Drake Avenue, Larchmont, were also present.

JAPAN PEACE PACT URGED IN SENATE
GOP Attack On Truman Formosa Plans Brings Demand For Settlement

WASHINGTON (AP)—Demands for an early peace treaty with Japan arose in Congress today after Republicans attacked as "confusing" President Truman's plan to withdraw a naval protection from Formosa when the Korean fighting ends.

Mr. Truman held his news conference yesterday it will not be necessary to keep the 7th Fleet in Formosa when peace has been returned to Korea.

He said also the incident caused by his cancellation of Gen. Douglas MacArthur's message on Formosa was closed.

Gen. MacArthur contended that the United States ought to see to it that Formosa never falls into hostile hands. He asked a commitment that President Truman made in ordering the fleet to neutralize the island temporarily.

In this connection, Mr. Truman said settlement of the Formosa question is one to be worked out in a peace treaty between Japan and the allied nations which sought her.

This prompted Senators Magnuson, D. Wash. Chapman, D. Ky., and Gurney, R. S. D., all members of the Senate Armed Services Committee, to urge that the United States get busy at once on the job of drafting a treaty.

WOMAN OVERCOME BY FUMES FROM CAR
A New Rochelle woman was overcome yesterday at 7:38 P. M. by fumes from her car as she stopped at the Pre Parking Service Station on Myrtle Boulevard, Larchmont.

Dr. Fred P. Prausnitz of Larchmont attended Mrs. Florence July of 376 Fifth Avenue, New Rochelle, at the scene and pronounced her dead. Her husband, Earl Melior and Nicholas Soriano, Mamaroneck, were with her when she was taken by ambulance to New Rochelle Hospital where she was treated and released.

HOSPITAL COSTS SET NEW RECORD

July Expenses at United Soar To All-Time High, Conly Says

The cost of operating United Hospital for the month of July was \$106,894, an all-time high, which "clearly indicates that the hospital is again caught in its inflationary spiral of increasing costs," according to a report made to the trustees by Samuel N. Conly, treasurer.

The previous month, June, the cost was \$101,260, while July a year ago, it was \$85,738, or \$20,556 less than July this year.

Mr. Conly points out that for years United Hospital has been operating on a safe and sane financial basis for patients are figured and adjusted to bring in 85 per cent of the hospital's cost (the national average of all hospitals is 83 per cent). The remaining 15 per cent of costs is expected to come 75 per cent from Community Chest and 75 per cent from endowment income.

Private donations and miscellaneous income "through the hospital's fund-raising program" have been successful. However, there have been inflationary periods when the hospital has been thrown off balance because of inability to adjust rates and charges quickly.

Mr. Conly said that the hospital is now in a position to meet its obligations and to continue its program of expansion.

U. S. TANKS BLIND AND ANCHOR ASSAULT

AMERICAN COUNTER-ATTACK ROLLS INTO HUMAN AND REGAINS RIDGES

TOKYO, Saturday (AP)—North Korean forces renewed their drive on the southern end of a flanking western front Friday night after punching an 8 1/2-mile hole in American lines.

But swiftly-moving U. S. tanks and infantrymen retook the 15th Nevers Assault.

But the U. S. 25th Infantry Division retook its position, blunted the Reds' massive assault on the southern anchor of the United Nations beachhead in Korea.

CONGRESS READY TO GIVE CONTROLS

Board Authority Stated For Truman to Put U. S. On War Base

WASHINGTON (AP)—Congress was ready to rush to President Truman broad authority to put the nation's economy on a virtual war footing.

A direct result of the Korean fighting, the home-front mobilization program would give the president and his cabinet the power to control production, prices and consumer credit.

To spur defense production, it also provides for allocation of scarce industrial materials, priorities for defense orders, government loans and loan-guarantees and the requisitioning of plants and equipment.

A compromise between separate bills passed by the Senate and the House, it was whittled into final shape late yesterday by a conference committee of the two branches.

The bill would give the president the power to control production, prices and consumer credit.

Holiday Monday

Municipal offices, district stores and most places of business will be closed Monday for the Labor Day holiday.

With Advisory Group

Roy Cheney of Orienta Point Apartments, Mamaroneck, has been named one of 12 executives from leading men's wear manufacturers, trade publications, and trade associations who will serve as members of the Advisory Committee for the Men's Wear Training Program which opens Oct. 9 for the Fall term at City College.

Mr. Cheney will speak Monday at a Seminar at Syracuse University before 60 home economics professors from the United States and Hawaii, on "Standardization and How it Affects the Consumer."

Tries To Sell Pistol

A nine-year-old Mamaroneck boy tried to sell an .22 caliber revolver, which he claimed he thought was a real one, to a policeman at the New York State Armory at 503 Madison Avenue yesterday at about 10 A. M.

Detective Sgt. Jeremiah Geary, advised of the attempted sale by the company, investigated and was told that it had been found in August in the waters of the Mamaroneck river near the Tompkins Avenue bridge and that the boy had cleaned it up with the help of other boys before trying to make the sale.

Charges Follows Escort's Battle

Two youths accused of disorderly conduct after fist fight. Two separate fist fights over a girl led Mamaroneck police on the jump early today.

Two youths were charged with disorderly conduct by Lt. Herman Pauls after a fight that started over the attention of one youth to the other's girl at a Lehighmere Shore Club dance and was renewed when they met at 1.30 P. M. in the auto of Robert's Drive-In at Ribbell and West Post roads.

Legion officials expressed appreciation this morning to residents and workers for their cooperation in past drives. Plans are being made to repeat the maintenance of Legion Hall.

Aids Chief's Mother

Chief John J. Lombard of the Mamaroneck Village Police Department proved more helpful to Mr. G. W. Burton of 34 Edgewood Avenue, Larchmont, who is Town Department Chief George Burton yesterday. Mr. Lombard, who operates a delivery service, was making a call on Edgewood Avenue at 2:40 P. M. when he noticed the motor of a car on fire.

He quickly extinguished the blaze and then discovered that the car was owned by Mrs. Burton who was standing beside it. Two firemen, who had been called, arrived just after the fire had been put out.

As one good chief to another! Harold T. Garvey, chairman of the Westchester Democratic County Committee, today announced the appointment of Martin Stern, president of the Larchmont Democratic Club, as chairman of the arrangement committee for the countywide political rally to be held at the Mother Center in White Plains on Wednesday evening, Nov. 1.

The candidates Governor, U. S. Senate, Judiciary, Congress, State Senate and Assembly are all expected to attend, according to Mr. Garvey.

Mr. Stern managed the 1944 countywide Roosevelt rally which attracted some 4,400 persons. Mr. Garvey recalled.

The membership of the rally committee will be announced by Mr. Stern immediately after the Democratic state convention at Rochester next week.

LACK CONGRESS SUPPORT FOLLOWS TRUMAN APPEAL

Defense Plea Points to Higher Taxes, Larger Draft Calls

WASHINGTON, (AP) — President Truman's call for a three-million-man American fighting force to block the path of Communist aggression pointed today toward greater spending, higher taxes and larger draft calls.

The promises piled in from Republicans, from Democrats who back the administration and from Democrats who back it. Some, like Senator Lodge, R.-Mass., saw the appeal as helpful in avoiding a world war, some were simply shocked that Senator McClellan, D.-Ark., said he agrees "we need three million men and probably more."

Mr. Truman himself, said "further increases may be required" and to "arm ourselves more extensively" and to "expand sharply production of guns, tanks, planes and other military equipment."

\$3,500 Gone: Police Hunt Larchmont

A nationwide teletype alarm for a \$3,500 safe that had been seen here by Jack Berger, owner of the Seven Pines, 1205 Boston Post Road, Larchmont, was broadcast by Mamaroneck Village Police at 12:18 P. M. yesterday by authority of Detective Sgt. Jeremiah Geary on a warrant charging grand larceny.

Members, who is accused of the misappropriation of \$3,500 by Jack Berger, owner of the Seven Pines, 1205 Boston Post Road, Larchmont, was last seen in Larchmont Aug. 7. Geary said that he had been in the vicinity of the safe when it was reported missing.

Although Mrs. Chambers told Geary she had not seen her husband since he left her and their four children at their Larchmont home Aug. 7, she admitted she had not deemed it necessary to report him missing.

Two Blazes Started By 3-Year-Old

An eight-year-old Franklin Avenue boy admitted to setting fire to a house yesterday afternoon that he succeeded in starting a fire earlier that damaged five rolls of "fire proof" insulation in the basement of a house hearing completion at 106 Franklin Avenue.

The Haled Manor Fire Company, under the direction of Deputy Chief Thomas Pauline, extinguished the blaze, which was discovered by a neighbor, Mrs. Mary Lapolla, at 9:43 P. M. Following the fire, Geary was summoned to the boy's home by Deputy Chief G. D. Perche, Deputy Chief Fallace and Antonio Puccio.

He discovered that another blaze had been started with "flammable" material in a first floor closet but had burned itself out. His suspicion was directed to the boy who had been noticed in the vicinity. Under Sgt. Geary's questioning, Pauline admitted that he started both fires with matches he had hidden.

He was reprimanded and turned over to his parents who promised to compensate Puccio, who is being sued for \$100. The boy, 3, is the son of Mrs. Mary Lapolla, 943 P. M. Following the fire, Geary was summoned to the boy's home by Deputy Chief G. D. Perche, Deputy Chief Fallace and Antonio Puccio.

AMERICANS DRIVE REDS BACK ON 120-MILE FRONT

ENEMY RETREATS OVER YAM RIVER

Doughboys Smash Prong Of foe's Major Three-Day Offensive

WASHINGTON, (AP) — Reinforced American doughboys smashed the shattered remnants of two Communist divisions back across the Yalu River late Saturday night, smashing one prong of the Reds' mid-Thursday offensive.

The victorious U. S. 25th Division counted a toll of 10,000 Red casualties on the southern front. American Navy planes, strafing and rocketing the Reds as they fled across the river, added to the toll.

All along the blazing 120-mile front United Nations forces seized the initiative from the 120,000 Communist invaders.

The U. S. 9th Division, on the northern flank of the 25th, drove back into North Korea, blunting the deepest penetration of the North Korean offensive. It fought nearly 100 miles west of the town of Wonsan.

The U. S. 1st Cavalry attacked to knock Reds off three key hills near Wonsan in the north. The South Koreans reported they were pursuing Reds retreating above the east coast port of Pusan.

South Koreans were pushing Communists back on highways from the north leading to Seoul, vital communications center.

All elements of the U. S. Air Force, including B29 Superfortresses, hammered at Red lines Saturday night, forcing the Communists to retreat.

George E. Stratemeyer, Superfortresses plucked 200 tons of bombs from three Red concentration points—Kuncho, Chinha and Koshan—from which the North Koreans were firing.

But the Communists still posed at least one ominous threat to the South Korean front. They were reported massing tanks to exploit the dent of nearly eight days' pursuit of the 2d Division's southern flank.

The Reds scored their biggest gains in the Chongryong region of the National River line. The Communists were capturing Gen. MacArthur's headquarters.

CONWAY DECLINES TO HEAD TICKET

Judge Withdraws As Candidate For Democratic Governorship; Race Open

NEW YORK, (AP)—The Democratic race for Governor of New York State was wide open again today after Judge Albert Conway of Brooklyn counted himself out in a surprise announcement.

Judge Conway, an Associate Justice on the State Court of Appeals, was picked only last Wednesday by the five Democratic county leaders of New York City for their choice for the nomination.

His decision not to run came yesterday only a few hours after Louis H. Howe, state CIO president, made a bitter attack on Judge Conway's record—calling him "reactionary anti-labor and anti-Negro."

Judge Conway telephoned his refusal to the county leaders from his vacation home in Boothbay Harbor, Maine.

"I have just learned of the action of the five county leaders in agreeing to recommend to the convention that I be nominated for Governor of New York," he said.

"I am not a candidate for the Governorship or for any other office and I have so advised Mr. Francis J. Slinott (Kings County Democratic leader) today."

RYE DRIVER INJURED AT WARD AVE. LIGHT

Donald T. Powell, thirty-six, of 55 Boston Post Road, Rye, suffered shock and abrasions of the head and neck yesterday at 5:22 P. M. when his car was involved in a collision at Halsted and Ward Avenues with a vehicle driven by Robert D. Ventura, nineteen, of 1632 Mamaroneck Avenue.

Powell told Mamaroneck police that he was traveling West on Halsted Avenue, had crossed for the traffic light at Ward Avenue and had just started as the light turned green when the vehicle was struck from the rear.

The car, owned by Miss Jane Leo of Brooklyns, suffered damage to the rear deck and door. The front end of the auto driven by Ventura and owned by Peter Fialoli Jr., of 1632 Mamaroneck Avenue, was also considerably damaged.

Powell was treated by Dr. J. J. Harrison, 627 Prospect Avenue, Mamaroneck, and permitted to go home for further treatment by his own physician.

Gen. Anderson's Suspension Makes Clear Anti-Talk Rule

WASHINGTON, (AP) — Firing of a top Air Force general offered to attack Communists made it abundantly clear today the administration intends to squelch all official talk of waging preventive war.

The Air Force moved fast yesterday in suspending Maj. Gen. Orvil A. Anderson as commander of the Air War College at Montgomery, Ala. Gen. Anderson had just been accused as having led welcome an offer to smother Russia's atomic bomb stocks.

The Anderson incident followed the disclosure earlier this week from President Truman and the State Department of Secretary of the War Matthew's. The Secretary had given a speech saying this country should be willing to start preventive war to compel cooperation for peace.

And to make sure everyone understands now the administration feels about the matter, President Truman included these words in his nationwide broadcast last night on the Korean War.

We do not believe in aggressive or preventive war. Such war is the domain of dictators not of free democratic countries like the United States. We are aiming only at defense against aggression.

NEW ROCHELLE BOY, 5, STRICKEN WITH POLIO

A five-year-old New Rochelle boy and an eight-year-old girl in Yonkers are the latest victims of polio, it was reported today by the Westchester Chapter, National Foundation for Infantile Paralysis.

Powell was treated by Dr. J. J. Harrison, 627 Prospect Avenue, Mamaroneck, and permitted to go home for further treatment by his own physician.

Giancola Takes Over Duties As Acting Chief Of Police; Reroutes Traffic For Parade

At 9 A. M. yesterday, a new routine began in the chief office of the Mamaroneck Village Police Department.

Former Lt. Louis Giancola, a member of the force since 1929, became acting chief succeeding Arthur W. Martensen whose retirement took effect at midnight. He will serve pending an appointment from a Civil Service list if he is appointed following an examination to be given this Fall.

The acting chief's first official duty was to plan traffic control during Wednesday night's parade on 100th Street from the Village Fire Department. It is expected that 1,500 men will participate in the parade and it will be necessary to erect barricades and reroute traffic around Mamaroneck Avenue.

Chief Giancola joined the force July 15, 1929, began acting sergeant in January, 1939, and lieutenant May 1, 1941. He has received two citations and served four years as platoon commander and two years as sergeant.

In 1939 he became director and Training School of Westchester County and in 1943 was awarded an instructor certificate by the Bureau of Public Service Training of the New York State Education Department.

He has taken courses offered by the following schools and agencies: Municipal Police School for the Westchester County; Consolidated Police Training School of Westchester County; FBI National Police Academy; New York State Police Academy; Training School of the New York State National Guard; Westchester County Police Training School; Police Training School sponsored by the New York State Association of Chiefs of Police and the New York State Sheriff's Association.

In Service Training Course conducted by the Westchester County Police Training School; Advanced First Aid Red Cross. He took three re-training courses with the FBI in Washington.

Two youths were charged with disorderly conduct by Lt. Herman Pauls after a fight that started over the attention of one youth to the other's girl at a Lehighmere Shore Club dance and was renewed when they met at 1.30 P. M. in the auto of Robert's Drive-In at Ribbell and West Post roads.

Legion officials expressed appreciation this morning to residents and workers for their cooperation in past drives. Plans are being made to repeat the maintenance of Legion Hall.

Aids Chief's Mother. Chief John J. Lombard of the Mamaroneck Village Police Department proved more helpful to Mr. G. W. Burton of 34 Edgewood Avenue, Larchmont, who is Town Department Chief George Burton yesterday.

As one good chief to another! Harold T. Garvey, chairman of the Westchester Democratic County Committee, today announced the appointment of Martin Stern, president of the Larchmont Democratic Club, as chairman of the arrangement committee for the countywide political rally to be held at the Mother Center in White Plains on Wednesday evening, Nov. 1.

The candidates Governor, U. S. Senate, Judiciary, Congress, State Senate and Assembly are all expected to attend, according to Mr. Garvey.

Mr. Stern managed the 1944 countywide Roosevelt rally which attracted some 4,400 persons. Mr. Garvey recalled.

The membership of the rally committee will be announced by Mr. Stern immediately after the Democratic state convention at Rochester next week.

Help The Calendar!

The Community Calendar is nearing completion of the calendar for this year but has been delayed this year because approximately half of the organizations in Larchmont and Mamaroneck have not answered the letter from Mrs. Audrey G. Corwell asking for meeting dates and times.

Mrs. Corwell, who compiles the calendar annually under the sponsorship of the Larchmont-Mamaroneck Parent-Teacher Association, appealed this morning to all organization heads to supply information at once concerning the places, dates and times of meetings, also the length of the season for regular meetings. The calendar will be at the Daily Times office for reference to avoid duplication of effort. Special events are planned.

Information may be sent to Mrs. Corwell at the Larchmont Gables Apartments.

Anybody Seen Petie?

If anybody walking local streets suddenly sees the missing dog, "Give me a kiss, baby!" he is earnestly requested to make a quick grab for the speaker and return her to Mrs. T. P. MacTegart of 23 Manor Lane, Larchmont.

Chances are it will probably be Mrs. MacTegart's pet parakeet, Petie, who escaped yesterday through the cellar door of the MacTegart home on Manor Lane.

Clam Bake Saturday

The 28th annual clam bake of Larchmont Post 347, American Legion, will be held Saturday at 1 P. M. in Flint Park, rain or shine. It was announced last night by Vice Commander Edward R. Parker, chairman.

Featured at the outing will be clam, fish, chicken, turkey, corn, and other delicacies. The Village and Town officials, officers of the County Legion and Postmen from all over Westchester County are expected to attend.

To Attend Workshop

John J. Mader of Larchmont Area, Larchmont, will represent the Mamaroneck Teachers' Association at the association workshop for local associations, sponsored by the New York State Teachers' Association, Saturday at Lake George from Thursday to Sunday.

An instructor of science and mathematics in Mamaroneck Junior High School, Mr. Mader served as an officer in the Air Corps during the war. He was an instructor of flying cadets after attending the Air Force Technical Training Command at Westchester County.

Find Safety Route

A safety pamphlet entitled "Best Route to School" will be distributed by teachers at Larchmont and Mamaroneck schools to all children going to school for the first time. Children are instructed to take the pamphlet home to their parents.

The pamphlet points out that there is one route to school which is the safest for the child. To protect their children from accidents, parents are urged to study the street crossing, the home and school to determine the safest route. They are also advised to go over this route with the youngsters until it is thoroughly learned.

Flying Papers

Pedestrian traffic on the Post Road near Mamaroneck Avenue came to a virtual standstill for a few minutes around 10:30 A. M. today as walkers scanned the skies for what one of them claimed were a squadron of flying saucers. The objects in the heavens were described by some as flashing aerial phenomena, pointing what appeared to be a minute house.

Less gullible watchers, however, identified them as pieces of paper, probably advertising material, being blown aimlessly in the ozone until they fell to earth.

3-Year-Old Explorers

Three-year-old Madeline Dunne, daughter of Mr. and Mrs. William Dunne of 570 Fifth Avenue, New Rochelle, was out walking yesterday about 6:35 with her grandfather on Palmer Avenue in Larchmont, when she decided to explore the other side of the street. She failed to see the grandfather who was leaving him and entered the Palmetto Larchmont at 1911 Palmer Avenue.

She asked John Pavo, the manager, for some hot chocolate and a glass of milk. Seeing that she was alone, Pavo obliged the little miss and manuevered to find her parents in the immediate vicinity. When he failed to do so, he telephoned Larchmont police who drove her to her mother's where she was picked her up about 7:30 P. M.

Apartment Limits To Three Stories

Measure Is Adopted As Stop-Gap Pending Survey

The Mamaroneck Village Board made a decision last night which will affect not only the physical landscape of the future but will also strengthen the residential nature of the community.

After a two-hour give and take between spectators who favor tall apartment buildings and those who wish to discourage conventional apartment house development, the board unanimously passed an amendment to the zoning ordinance which limits future buildings to three stories, requires 100 per cent off-street parking cars and calls for 1,500 square feet area per family. It also states which may not occupy more than 25 per cent of a given piece of property.

The ordinance also provides in Article 23 that a building may not be erected within six feet of a sidewalk line. In buildings which are not more than two stories high, the square feet of area is the minimum requirement per family.

Leading the group against the ordinance was Nicholas J. Finnegan, New Rochelle, who representing Herman Mayer, who had planned to erect a four-story apartment house at the intersection of the Post Road, Mr. Finnegan claimed that the owners of the property would not accept the proposed amendment were passed. He also stated that a similar amendment could be built in such a way as to enhance the landscape of the community.

Other amendments to the ordinance were proposed by the village engineer, Mr. J. J. Finnegan, who had planned to erect a four-story apartment house at the intersection of the Post Road, Mr. Finnegan claimed that the owners of the property would not accept the proposed amendment were passed. He also stated that a similar amendment could be built in such a way as to enhance the landscape of the community.

Picket Line Continues At Winged Foot

Pickets from two unions continue their 24-hour vigil at the three entrances to Winged Foot Golf Club as no decision on the outcome of the strike is in sight in the immediate future.

After a week of the strike called by the Hotel Restaurant and Beverage Dispensers Local 178 and the Building Service Employees Local 272 for union recognition, the situation remains unchanged today.

Although four Town of Mamaroneck policemen have been doing extra duty since the strike more or less quiet, since last Wednesday when eight employees of the town failed to show up for work.

Last night police received a complaint from a Buick union delegate for Local 178 that John C. Rowland, a member of the town, "tearfully ran down" one of his pickets at the entrance to the Buick lot. It was the third time such an incident had occurred.

Colorful Garb

One of the most colorful units in the firm's parade scheduled for 7:30 P. M. today is Mamaroneck Fire Company No. 2. Members will be dressed in the traditional garb which was originated by the founders in 1889.

The historic uniform consists of a fireman's red double-breasted blouse with flowing Windsor tie, white trousers, spatter belt, white gloves and a firefighter's helmet topped by a flaming torch.

60 County Fire Departments List 9,142 Men, Wolley Finds

Firemen, most of whom would be available for military service, are in the last survey there were 7,430 volunteer and paid firemen. The total, according to the results of the first complete survey to be conducted in the county, according to Chief Roy Wolley of Larchmont, is 9,142 men.

The data compiled by the Firemen's Emergency Plan, has been forwarded to County Defense Director Guthrie Shaw and to the Bureau of Fire Administration of the State Civil Defense program, and Westchester County is expected to be one of the first counties in any single detail to be surveyed.

At the present time there are 814 active fire fighters in Westchester, including 84 paid firemen. In addition there are an estimated 1,000 active in "reserve" status, including 100 inactive and nonactive.

HURT AS BUS RAMS INTO TRUCK AT NEW ROCHELLE

Local Residents Injured When Vehicle Stops Short In Traffic

NEW ROCHELLE—The driver and 10 passengers on a bus were injured this morning when it crashed into the rear of a truck which had stopped suddenly in traffic in front of 741 Main Street.

All but two of the injured, none seriously hurt, were taken to New Rochelle Hospital in two ambulances. The driver, Harold Balls, thirty-two, of 6 Cedar Place, New Rochelle, was taken to a hospital.

Mr. Balls was pinned in his seat when the front of the bus was collapsed in the crash, but was saved from serious injury by the metal framework protecting the front of the bus. He was treated for bruising of the right palm and hip.

The injured passengers treated at the hospital were Mary Adams, 27, of 125 Westchester, Larchmont, lip lacerations; Leonard Chiarillo, twenty, of 20 Park Road, Larchmont, bruising of the right leg; and Paul Sullivan, twenty-three, of 125 Westchester, Larchmont, bruising of the right leg.

G.O.P. Reshuffles Dewey's Team; Democrats To Nominate Lynch

Bronx Lawyer Expected To Head Ticket On Westchester

By HENRY LEADER Associated Press Staff

ROCHESTER—All opposition to the nomination of Representative Walter A. Lynch as the Democratic candidate for Governor apparently collapsed shortly after the state convention opened here today.

State Chairman Paul E. Fitzpatrick predicted an overwhelming victory for the Bronx Congressman in the roll call tomorrow.

Meeting in informal caucus late last night with County Chairman Harold D. Garrity of Yonkers, following the latter's session with other state leaders, a majority of the delegates agreed to support the chairman's contention that the Lynch candidacy is a real boost for Westchester's Democrats.

A formal caucus was scheduled today at which time a final vote would be taken on the nomination of the delegate and a subsequent unit rule procedure would be adopted. Lynch was given a full vote of confidence on the matter of supporting Mr. Lynch.

There was no question as to the Westchester group support for Senator Herbert H. Lehman for re-nomination to the U. S. Senate.

Mr. Garrity met with the delegates at county headquarters in the Hotel Seneca after the long, drawn-out dinner session with other state leaders. He took the gathering that he believed Mr. Lynch's candidacy was a natural and provided the rest of the ticket and the New York City situation would be properly balanced.

TWIN FORCES PUSH RED TROOPS BACK ON TAEGU FRONT

Twin-Pincer Movement Aims At Key City Along 120-Mile Lane

TOKYO, Friday, (AP)—Twins pincers aimed at Taegu by 50,000 Red Koreans were beaten back Thursday by allied troops.

Severe fighting raged all along the 120-mile Korean battlefield. Some of it was fought by Marines and South Koreans in hand-to-hand combat with bayonets and clubbed rifles.

Both sides lost heavily. Communist casualties in the Larchmont southwestern sector alone were put at 20,000 men for the week of their estimated 200,000 men, 150,000 on the whole front.

A new North Korean drive on the U. S. 25th Infantry Division started with a terrific artillery barrage at dawn Wednesday. The Americans there are defending the southwestern approach to Pusan, main allied supply base 100 miles east of the coasting battle.

U. S. warplanes pounded Red tanks damaged or destroyed 65 in two days. Forty-eight were knocked out Thursday. The Reds moved 84 new tanks into the line.

A bitter and indecisive day long in the last southern ridge before Taegu raged Wednesday.

APPEALS BOARD GRANTS VARIANCE

Painting Booth to Be Built On Luby Chevrolet Property

A variance was granted last night by the Town of Mamaroneck Zoning Board of Appeals to Luby Chevrolet Co. Inc. to erect a 100-foot building on a 100-foot lot from the Post Road on property owned by Weaver Street and the Post Road. The zoning ordinance prohibits business buildings more than 100 feet from the street.

The rear of the building will be 20 feet from the road, 20 feet over the zoning line, and will not be beyond the rear nor the side line of the lot.

Although nine residents were spectators at the hearing, there were no objections after the building plans were explained by Robert McCoy, architect, and John Burkhalter, manager of Luby's.

CHAPMAN'S DENIAL HITS RED CHARGES

Secretary of Interior Backed By Truman In Answer To Committee

WASHINGTON, (AP)—Secretary of the Interior Chapman, warmly backed by President Truman, denied in bitter words today the charges by Senate subcommittee that he had close ties to communists.

Mr. Chapman went before the Senate Interior Committee in a public hearing to fire his reply to charges by Sen. Joseph P. Kamp, R-Kan.

Who he was testifying Mr. Truman confidently told his White House news conference last night.

Mr. Scheppegal had said in a Senate speech Tuesday that there was a "close and close relationship between the Russian Soviet cause and the present Secretary of the Interior."

Tipster Driver Avoids Trial, Admits Guilt

NEW ROCHELLE—The first man in the county to be charged with drunken driving, a few days ago decided to plead guilty to a misdemeanor charge of driving while intoxicated.

Thomas Long, forty-four, of 11 First Street, a car policeman, had his license revoked by Acting City Judge Sol Rubin this morning. Final sentencing was set for Sept. 15.

The defendant was originally arrested on a felony drunk driving charge but it was reduced to a misdemeanor by Judge Rubin today. The felony charge was filed because Long was previously convicted of driving while intoxicated in 1947.

Long, who was represented by Morris Block, also pleaded guilty to traffic charges of speeding and driving to the right of another vehicle. He was fined \$5 on each charge.

Long was arrested July 22 by Fairmount Constabulary.

Dewey is Nominated For 3rd Term; Lynch Named By Democrats

Bronx Representative Wins on First Ballot

By HENRY LEADER

Associated Press Staff

NEW YORK (AP)—Representative Walter A. Lynch of the Bronx, a Democrat, won the nomination today as the Democratic candidate for Governor.

The fifty-six-year-old Irish Catholic lawyer won the nomination on the first ballot, defeating Oscar J. Evans, Federal Security administrator, who was advanced by Daniel F. O'Connell's Albany County delegation.

Mr. Lynch defeated Mr. Evans, 74 to 67 votes. J. Biles of Schenectady, a former State Supreme Court Justice, received six votes.

Before the balloting began, Mr. O'Connell released other delegates who had promised to support him in his fight to stop Mr. Lynch.

Nevertheless, in addition to Albany County's entire 30 votes for Mr. Evans, the advocate of national compulsory health insurance received a smattering of votes from small upstate counties.

At the same time leaders of county, town and cities have declared in most part they are prepared to recommend to the delegates to the judicial convention on Saturday that Judge George W. Smith of the Children's Court, a Republican, be one of the three principal nominees for endorsement.

The other two are Judge Edward Kennedy of New Rochelle, former acting City Judge, and attorney Max Edelean of White Plains, former city chairman.

Judge Kennedy's name was also announced.

Stable Leonard S. Schofer reviewed the program of religious services for the coming year. Plans were also presented by committee chairmen and a financial statement and budget were adopted.

Members of the congregation were invited to an open house at the Temple on the evening of Oct. 15, 1950, by Robert J. Marcus, chairman of special activities. Officers and trustees will be installed.

New members introduced by Jerome Siegel, membership chairman, were Mr. and Mrs. Herbert M. Adler, Mr. and Mrs. Irving D. Brodwin, Mr. and Mrs. Arnold Goode, Mr. and Mrs. Howard B. Grant, Mr. and Mrs. Harry Harary, Mr. and Mrs. Carl Heller, Dr. and Mrs. David Mass, Mr. and Mrs. Joe D. Meisinger, Mr. and Mrs. Irving Mintz, Mr. and Mrs. Simon H. Nemlich, Mr. and Mrs. Alexander D. Crowds Line Mamaroneck Ave. To View 4th Firemen's Parade; Two Companies Win 3 Awards

More than 1,000 volunteer firemen with 35 pieces of fire apparatus lined up on the 23rd street fire departments and 13 bands taking part in the Fourth Annual Firemen's Parade are shown above passing under the Mamaroneck Avenue railroad bridge last night. It was an hour and 10 minutes before the last of the more than 1,000 marchers and 35 pieces of apparatus had passed the spectators crowded around Depot Plaza at this point. The parade was a feature of Mamaroneck Volunteer Fire Department's benefit bazaar at Harbor Island Park.

Rotary to Hear Talk on Israel

Clergymen to Explain Veterans' Stake in New Nation

The Rev. John Irving Daniel, Minister of the Congregational Church in Saratoga Springs, New York, will speak tomorrow at the Larchmont Rotary Club at the subject, "An American Veteran's Stake in Israel."

A youngist leader, a skilled pianist and song leader in his college days, Rev. Daniel became a reporter and edited several publications before he decided religion was his life's work.

He was graduated from Union Theological Seminary and occupied posts as chaplain in the Army Air Force. He currently holds a commission in the Air Force Reserve.

In addition to serving his church, Rev. Daniel teaches psychology at Skidmore College and is faculty advisor to the Interfaith Club at the school. As a writer he has contributed articles to "The Christian Century," "Tribune," "The Christian," "American Legion Monthly" and "The Public Digest."

Truman Visits Marine League As Follow-Up To His Apology

WASHINGTON, (AP)—President Truman made an unheralded visit to the Marine Corps today and expressed hope there will never be another misunderstanding between him and the Marines.

It was a personal and emphatic statement of his apology for yesterday for his earlier "understanding" words about the fighting Corps.

The leader gave him a standing ovation and applauded furiously when he said, with a grim variety of services. Here are a few:

With his mind obviously on the furor over his description of the Marines as a "police force" with "a propaganda machine that is almost equal to Stalin's," Mr. Truman said:

SARATOGA SPRINGS—Thomas E. Dewey today was renominated for a third term as Governor of New York.

Mr. Dewey, who only last Monday reversed his decision to retire, was renominated by acclamation by striking delegates to the Republican State Convention in Saratoga Springs.

In a dramatic personal appearance Mr. Dewey first nominated himself for the office.

Mr. Hanley was nominated by acclamation. A few minutes later he renominated Mr. Dewey.

Last week the forty-year-old, youthful appearing Dewey was honored for self-imposed political retirement. He had announced last June that he would not be a candidate for reelection.

In three days, Mr. Dewey: 1. Shattered the long gubernatorial record of Mr. Eliot Spitzer. 2. Prevailed upon Mr. Hanley to run for the United States Senate.

M'Govern Named For Comptroller

GOP Picks State Senator As Successor To Moore

NEW ROCHELLE—State Senator J. Raymond McGovern of New Rochelle was nominated by the Republican State Convention at Saratoga Springs today to run for comptroller.

The Associated Press reports.

State Senator J. Raymond McGovern, a resident of New Rochelle achieved success in the legislative upper house virtually from the day he first took his seat there six years ago. His first important assignment was as chairman of the Committee on Corporations where he served as well as on other important committees.

He was elected to the first year of his tenure.

Mr. McGovern was secondly honored shortly after his second election to office when he was appointed chairman of a joint legislative committee.

SARATOGA SPRINGS—Westchester County today came to the Republican state convention with no candidates and no results for a GOP executive committee.

Under some last-minute switch made, State Senator J. Raymond McGovern of New Rochelle was nominated today for Comptroller, the only vacant position on the renominated Dewey team.

Word came yesterday from party leaders that the GOP needed a well-rounded, capable man with experience in Albany, one who knew financial affairs, and a good "pitch" with the Legislature.

Those who passed on it last night included Mr. McGovern's name, Governor Dewey and Mrs. McGovern in New Rochelle.

The program is sponsored by the Westchester County Council, Veterans of Foreign Wars.

Truck Pats Missing

Parts valued at \$400 were stolen sometime during the last month from two dump trucks owned by Charles D. Giannone of 6 Fifth Avenue, Larchmont, the owner reported yesterday at 12:45 P. M. to Mamaroneck Town police.

The trucks had been parked for several months in the rear of the lot on Fifth Avenue. The last time he checked the trucks was about a month ago, when the town policeman, David McClintock at which time everything appeared to be in order.

He listed the following items as missing from a five-ton dump truck: a generator, two pumps, a tire regulator, two tires, power takeoff and a headlight, total value \$300. Gone from the three-ton dumper were a right rear wheel and tire and two axle, value \$100.

Back Home

Ginger Scola of Mahopac, a nanny through Jane German Shepherd, returned yesterday to his master and mistress Mrs. George Karabinos of 945 Mamaroneck Avenue, Mamaroneck, following several days treatment by Dr. H. K. Miller, veterinarian of 1643 Harrison Avenue, for a severe feverish condition.

Ginger was leaving playfully on an adjacent vacant lot last Saturday morning when he headed on a large glass splinter which penetrated his lower lip and nostril. He will be lame for a long time, according to Dr. Miller.

Rebuffed

Despite the efforts of Mrs. Fred J. Bradette of Larchmont and Mrs. William J. Kelley of Scarsdale, the Republican State platform adopted by the convention at Saratoga Springs contains no mention of Permanent Personal Registration of Voters.

Mrs. Bradette and Mrs. Kelley who represented the State League of Women Voters, were rebuffed in their aim that the platform include approval of permanent personal registration.

Rookies Recover Car

A 1947 sedan stolen between 6:30 A. M. and 6:50 P. M. yesterday from the Mamaroneck railroad station parking place was recovered about 6 A. M. today by two of Mamaroneck's rookie policemen, Charles Valone and John Woodruff, who spotted the missing vehicle from their radio patrol car.

The sedan had been left in front of 342 Richfield Road, one of the Knott Knolls Apartments. Although it was locked and keys, less the automobile, were taken to its headquarters. The owner, Michael Kiss of 119 Travers Avenue, Mamaroneck, who claims the car today, told police that he left the car locked at the station.

Adornment

By Monday morning all street department trucks, police cars and other official cars of Larchmont, Mamaroneck and the town will carry bumper banners notifying the public that school is open and to drive slowly, in cooperation with the Automobile Association of New York.

LOCAL MAN HELD IN LARCENY CASE

Horace Bassert Arrested At His Home In Larchmont

NEW YORK (AP)—A Westchester accountant was arrested Friday today on a grand larceny charge brought by a man who claimed he was hooked into a fraudulent operation by a Manhattan personal agency. Mr. Wieland charged that he was induced to turn over the money to Bassert by the latter's claim that the money was needed to "win and clear" high Navy officials preparatory to obtaining a government contract.

Mr. Wieland said that Bassert agreed to make him a partner in a company formed to use the same government contracts. Mr. Wieland said the accountant told him he could obtain Navy contracts for electronic parts and needed funds to form a company. He declared that he turned \$800 over to Bassert between July 14 and Aug. 10.

Police said Bassert asserted he was identified with a number of "high Navy officials" who must be "wined and dined" before the contract could be obtained. Mr. Wieland asserted he became suspicious when his prospective business partner failed to produce results. Police said that Bassert had a record of two previous grand larceny arrests in 1946.

Services For Jewish New Year Slated At Mamaroneck Center

Five services commemorating Rosh Hashanah, the Jewish New Year, which begins at sundown Monday and ends after sundown Wednesday, will be held at the Westchester Jewish Center, Evening services have been scheduled at 8 o'clock Monday, Tuesday and Wednesday, and morning services will be held at 9:30 A. M. Tuesday and Wednesday.

The services will be conducted by Rabbi Irving Koslowe and Cantor Abraham Denburg and the adult school, directed by Joseph J. De Vito, assisted by Sydney Sherman, will participate.

The most dramatic moment of the Rosh Hashanah services comes at the sounding of the shofar, the ram's horn. The historic rite serves as a religious revivification to the revelation of Torah. Observations for seats at the Jewish Center services may be made by calling the Center office. Leah Epstein is chairman of the ticket committee and is assisted by Gerrard Lachman.

President To Tell Controls U.S. In Message To Nation Tonight

WASHINGTON (AP)—President Truman will broadcast to the nation at 10:30 tonight a report on how he plans to use the broad economic control powers passed by a United States Congress.

COINTEL LEADERS Teachers' Loyalty Is Demanded By Aherm At Faculty Meeting

PLANNING CAMPAIGNS Marking Opening Of School

Absolute loyalty to the American government on the part of all members of the Town of Mamaroneck school staff was demanded yesterday by T. J. Aherm, superintendent of schools, as he addressed more than 100 teachers in a pre-school meeting at the Mamaroneck Senior High School.

"We have no place in our school system for anyone who openly or surreptitiously undermines the authority of our government," Mr. Aherm said and added that "we must realize that we are only doing our part to win this war for the capture of right-thinking and for the dignity of man."

Mr. Aherm pointed out that one of the most important individuals in the community is the teacher in the classroom. "We have no room for a teacher who is not a patriot," he said.

He explained that the coming year is not so much a year of problems and responsibilities, and their solutions are concerned. He urged the teachers to be alert for any signs of disloyalty.

Professional And Lay People Favor Fluorine Use In Water

This is the 15th in a series of short interviews with residents on issues of the day—1000 and national, this week's question: "DO YOU THINK OUR WATER SUPPLY SHOULD BE TREATED WITH FLUORINE TO REDUCE TOOTH DECAY?"

Frank Comble, Westchester County Health Department, said: "I think it is a good idea to fluoridate the water supply. It is a simple and effective way to reduce tooth decay."

Dr. Seymour B. Hordell, 122 Larchmont Avenue, Larchmont, said: "I think it is a very good idea because there's nothing to lose and a great deal to be gained."

Sparrow Blamed In Woman's Death

BUFFALO (AP)—A sparrow was blamed for Mrs. Cordelia's death—and its own last night.

The body of the thirty-year-old woman was found submerged in her bathtub. Medical Examiner John P. Moran said she apparently drowned from lack of oxygen after lighting a cigarette in her bath.

The bird was attached to the heater. She was blocked by a sparrow's nest. The bird was seen after it knocked out by waitress after.

Allies Are Supported By Planes As Skies Clear

TOKYO (AP)—Allied troops snatched such a dangerous Red gap in the northeastern end of the Korean warfront today but lost a foothold at the other end of the 120-mile battlefield.

American and South Korean troops linked forces east of Taegu to take the Korean city. Battle Mountain, most bitterly contested hill in the Korean battle zone, fell again to an attack of North Koreans on the summit of the mountain. It was the 12th time in 16 days the mountain had changed hands.

The fighting was severe at Palsu Mountain, two miles from the front. The North Koreans in one area again captured the Battle Mountain. But their greatest losses of the day occurred in the fighting near Battle Mountain.

The U. S. 24th Infantry Division killed 100 Red soldiers. That boosted Communist losses on the southern front for the week to well above 1000 men—a division and a half and raised official estimates of Red losses on all fronts to 27,000 troops in eight days—about 16 per cent of their strength.

Three thousand counterattacking North Koreans recaptured the Battle Mountain. The Communist approach to Masan port on the extreme southern Korea coast. A P. C. Communist fleet sent to sea the Red drove out.

DRIVER IS HELD ON TIPS CHARGE

New Rochelle Man Arrested After Mamaroneck Ave. Accident

John J. Tippet, fifty-four, of 170 Grand Street, New Rochelle, was pronounced guilty to be driven by Dr. Francis R. Hunter, M. D., of Mamaroneck, on a charge of operating a 1938 auto south on Mamaroneck Avenue, Tippet, who is the service manager of a White Plains auto agency, is slated to appear before Judge Henry T. Horvick on a charge of tip-driving in Mamaroneck police court Sunday at 9:30 A. M.

Operating a 1938 auto south on Mamaroneck Avenue, Tippet apparently lost control of the vehicle near Warren Street, where the car suddenly veered to the left and crashed through a neighborhood station operated by Martin A. Sakulski, forty-one, a service station attendant living at 170 Grand Street, White Plains. Police said Tippet's car was eight feet left of the center line on Mamaroneck Avenue when he crashed over.

Despite the completely demolished front ends of both cars, neither operator was reported injured by Mamaroneck police who were summoned to the scene.

Deadly Gas Is Bar To Freedom For 18 Trapped In Mine Prison

NEW CUMOCK, Scotland, (AP)—The first of 18 men trapped in the Knockmuckin coal mine since Thursday was brought through a gas-filled escape tunnel to safety shortly after noon today.

The National Coal Board announced that it had been decided despite the risk to bring out the trapped men wearing breathing apparatus because of the slow progress of clearing the gas-choked tunnel through which they must pass to safety.

This procedure will inevitably be prolonged over many hours and may involve some risk, a coal boss said. This was a realistic plan, a coal board official had.

Bank Director

BRADY ELECTED AS PRINCIPAL AT CHATSWORTH AVE.

Junior High School Teacher Will Succeed Dr. Long

John J. Mader, mathematics and science teacher at Mamaroneck Junior High School since 1941 last night was appointed as principal of Chatsworth Avenue School, Larchmont, at a special meeting of the Mamaroneck Board of Education, Mr. Mader succeeds Dr. Helen H. Long who has named principal of the Junior High School last week to fill the vacancy left by Principal J. H. D. Smith's death Aug. 17 in a plane crash.

Mr. Mader, 37, was born in the South and Central America and has been associated with the company for more than 20 years having served as New Zealand manager from 1923 to 1927. He has traveled extensively in South and Central America and last year handled all negotiations for the installation of mammoth vaults for the Banco de Nacional in Havana, Cuba.

Last year he also spent six weeks in Hongkong at the invitation of the Bank of China to assist with the installation of a modern vault and five sub-vaults in a new bank and office building.

Mr. Nelson is a past president of the Rotary Club of New York and belongs to the New York Athletic Club and the Winedale Golf Club.

A resident of St. Paul, Minn., he attended St. Paul schools and the St. Paul College of Law. He is a veteran of World War I. Mr. Nelson is married and has one son, Benjamin.

Expect the Unexpected

Many accidents can be avoided if a driver will be constantly on the alert for changing conditions.

As an example, he cited children playing on the sidewalks and explained that a motorist should expect an automatic warning that one of the children might dash suddenly by into his path.

New York State has what is known as a "good license law" but he added that only a conscientious driver can avoid close calls that certain persons will never be good drivers.

Asked why so many drunken driving cases are tried on reduced charges, he replied that there are 42 reasons why a motorist acts as he does and only an immediate test on such a machine as the drinkometer will produce the evidence necessary for a conviction.

Pamphlets Out

The distribution of the pamphlet "Do You Know Your Schools?" will be completed this week through various stores in Larchmont and Mamaroneck.

After reading a number of statistics intended to prove that death and injuries on the nation's highways are on the increase, Mr. Allen said that the important thing is how to bring about a decrease in the slaughter which is already in progress.

"Highway engineering alone is not the answer," he stated. "We have already built better highways for high speed traffic and are beginning to realize that motorists will observe reasonable speed limits, some on certain states have been already in progress.

Registration will extend to both drivers and pedestrians, he continued, and must be carried on continuously. He praised the Westchester County newspapers for the drive now in progress against drunken driving and the placing of most of such stories on page one.

At present, Mr. Allen said, enforcement is the most effective remedy, and most necessary of all. Due to lack of sufficient enforcement officers and the lack of a resolution passed by the Board last night.

The first students to register will be assigned to morning classes in their respective schools until the classes are filled. Later registrants will be assigned to afternoon classes.

WASHINGTON, (AP)—A bill aimed at stifling Communist activities along the home front passed today for a Senate-House conference as the first step toward a probable veto by President Truman.

It received an overwhelming 70-to-0 vote of approval in the Senate yesterday.

The bill provides for: 1. The interdiction of dangerous material out of war, invasion or insurrection.

2. Registration of Communist and Communist front organizations.

3. Barring Reds from government jobs.

4. New legal curbs on sabotage and espionage.

5. New weapons to be used to exclude and deport aliens considered to be subversive.

6. Outlawing conspiracies to get up Communist fronts.

7. The United States, D. W. Hooper, has introduced the amendment as a substitute for the sweeping catch-all bill sponsored by Sen. McClellan.

Combing The Town

Here it is, Mr. Ahern. You've heard of singing telegrams. Ever hear of a singing telegram?

Town Collector of Taxes Henry R. Dillon can vouch for the fact that there is such a thing. It happened in his office yesterday afternoon when T. J. Meredith of 133 East Garden road, Larchmont, appeared to settle his school tax bill. Having endorsed his check, Mr. Meredith broke into his latest composition, "Happy Subway Man."

The town office staff listened in amazement after which Mr. Dillon phoned School Superintendent T. James Ahern, to tell him of the rare phenomenon Mr. Ahern, jubilant at having learned of a happy school taxpayer, said he would notify the School Board and asked Mr. Dillon to give the story to the Daily Times.

Mr. Meredith, incidentally, is composed of more than 5,000 church musical selections, mostly their numbers and is a founder of the Tuller-Meredith Publishing Company, a church publications concern.

Census Report

The number of children residing in the Mamaroneck School District shows an increase of 133 over last year's census. Of the 4,487 reported by John C. Fisher, assistant superintendent in the 1930 school census.

The figures reflect the trend in recent years. Mr. Fisher has reported to the board of education, which indicates a decrease in the number of children of high school age and an increase in the number of children of elementary school and pre-school ages. The tapering off of births in some sections, however, has resulted in a smaller increase in the number of pre-school children than in former years.

Although Larchmont Area shows a decrease of children, it has risen up to a total of 264. Krotty Knolls Apartments, across the street, has increased a crease of 22 over last year with 187.

Electing to Institute

Joseph P. Cummings, Jr., of 20 Rockland Avenue and Milton H. Hoffman of 30 Glen Road, Larchmont, have been elected to membership in the American Institute of Accountants, national professional society of certified public accountants.

A native of Norwich, Conn., and a graduate of the University of Notre Dame, Mr. Cummings is associated with Robert W. Wade Guthrie and Company, New York City.

Mr. Hoffman was born in New York City and is a graduate of the City College of New York. He conducted his own public accounting business in New York City.

Both men hold City of New York and State of New York and are members of the New York State Society of Certified Public Accountants.

Visitor on the Way

One of Mamaroneck High school's prospective students has not yet registered and will not do so until next week when he arrives from Germany.

He is Albert Jamar, seventeen, who is on his way from Bavaria to attend school here for a year. He will reside with Mr. and Mrs. C. W. Hilbert of 931 Greenway Road.

He is one of 60 German students whose trip to the United States are being sponsored by the American Field Service to acquaint them with the American way of life.

At the completion of the course which includes instruction in both the Standard and the Advanced Courses as set up by the American Red Cross, each fireman will be issued a Red Cross certificate.

3 Traffic Violators

Assessed in Court Acting Judge Joseph P. Osgaard last night collected 200 dollar bonds from two traffic violators and fined another for passing a red traffic light.

Falling to appear in court charges were Floyd O. Summers of Lehigh County Pa., charged with speeding at 44 miles per hour on the Boardman Road, \$15; and Luther C. Collins of Delmar, Md., charged with failing to keep to the right on the Post Road #19.

Harold P. Denting of New York City was fined \$5 for passing a red traffic signal on the Boston Post Road.

Yanks Advance Into Inchon After MacArthur Directs Landing Behind Red Lines

NEW LEGISLATION ON GEN. MARSHALL APPROVED 18 TO 7

Seven GOP Representatives Cast Negative Votes in House Committee

WASHINGTON, AP—The House Armed Services Committee today approved legislation to permit Gen. George C. Marshall to serve as Secretary of Defense. The vote was 18 to 7.

Chairman Vinson, D. Ga., announced the Senate Armed Services Committee had previously approved the legislation.

The opposing votes in the House committee were created by Republicans.

Representative Short of Missouri, Amden of Illinois, Shafer of Michigan, Elton of Ohio, Tom of New Jersey, Gavyn of Pennsylvania and Myer of Kansas, were the dissenters.

The Senate and House are expected to act quickly on the Marshall legislation.

He is barred from the office now by the law that created the job in 1947. One provision says the Secretary may not be a man who has been active duty as a commissioned officer in the armed forces in the past year. Gen. Marshall, wartime Army Chief of Staff, has.

President Truman chose Gen. Marshall for the job after accepting the resignation of Secretary Louis Johnson, who quit Tuesday amid accusations by political enemies that he had sacrificed national security in the name of economy. The President asked (Turn to Page 2, Please)

GEN. MACARTHUR personally led an amphibious landing that put U. S. Marines and infantry ashore on Korea's west coast today. The landings were made at the harbor for Seoul, the Red-held South Korean capital 22 miles inland.

Covered by bombardments from British and American warships, the landings landed first at 9:30 A. M.

Hours later, the U. S. 10th Army Corps went ashore. Led by tanks, they drove two miles into Inchon on their first day.

Gen. Douglas MacArthur, who planned the bold operation, said the landings were made at the harbor for Seoul, the Red-held South Korean capital 22 miles inland.

The Navy and Marine have been ordered to make the job of the long-awaited United Nations offensive.

Later he said the deep amphibious penetration might break the Red line of the Korean Red Army.

South Korean Marines landed at the same time on Korea's east coast.

"These coordinated thrusts deep into Red territory were the key of the long-awaited United Nations offensive."

Gen. MacArthur is remaining indefinitely in Korea to run what may be the war's climactic campaign.

He told seven accompanying correspondents that his main objectives were to sever the vital Red communications to the Inchon area, to break the Red line, to crush the Communists between the advancing American forces and the American 8th Army.

WITH U. S. 24 DIVISION Korea—At least three American soldiers were thrown into a roaring fire by their North Korean captors on the western front recently.

The grisly tale of this latest in a series of Red atrocities against American prisoners came to light during a U. S. 24 Division investigation today.

The Americans were captured when the Reds overran an advance command post the night of Aug. 31. The American position fell during the first Communist drive that rocked United Nations defenses back on their heels.

A number of witnesses told the Army inquiry board they saw their fellow soldiers, some of them wounded, thrown into a roaring fire which apparently had been built for that purpose.

UN Offensive Launched As S. Koreans Landed

On East Coast

TOKYO, AP—American Marines and infantry stormed ashore on Korea's west coast today. The landings were made at the harbor for Seoul, the Red-held South Korean capital 22 miles inland.

Covered by bombardments from British and American warships, the landings landed first at 9:30 A. M.

Hours later, the U. S. 10th Army Corps went ashore. Led by tanks, they drove two miles into Inchon on their first day.

Gen. Douglas MacArthur, who planned the bold operation, said the landings were made at the harbor for Seoul, the Red-held South Korean capital 22 miles inland.

The Navy and Marine have been ordered to make the job of the long-awaited United Nations offensive.

Later he said the deep amphibious penetration might break the Red line of the Korean Red Army.

South Korean Marines landed at the same time on Korea's east coast.

"These coordinated thrusts deep into Red territory were the key of the long-awaited United Nations offensive."

Gen. MacArthur is remaining indefinitely in Korea to run what may be the war's climactic campaign.

He told seven accompanying correspondents that his main objectives were to sever the vital Red communications to the Inchon area, to break the Red line, to crush the Communists between the advancing American forces and the American 8th Army.

OCT. 1 TAX RAISE FACES 50 MILLION

Senate Gives Up Excess Profits Levy Now to Vote Income Rate Boost

WASHINGTON, AP—An Oct. 1 boost in income taxes for more than 50 million Americans was practically assured today, because Congress decided not to do away with the tax bill for an excess profits tax at this time.

Both the House and Senate have declared in favor of passing the excess profits tax later, and making it apply retroactively to 1949. The House also passed a one-fourth increase in income tax rates.

Sen. Robert Taft, R-Ohio, said the bill would be a "big profit" and that it will apply to part of 1950 income.

The Senate last night, after a hot debate, refused to join the House in a resolution that called for the writing of the excess profits bill as "early as practicable" during the present session of Congress. The present Congress expires out of existence Jan. 3. The Senate instead stuck to its action taken previously, when it wrote into the general tax bill a provision (Turn to Page 2, Please)

New Haven Commuter Hurts in Train Fall

PORT CHESTER, N.Y.—Mrs. Robert Roberts, seventy-nine, North Street, N.Y., was reported in critical condition following a fall yesterday afternoon from an inbound New Haven commuter train at the N.Y. station.

Mrs. Roberts suffered a skull fracture and several fractured ribs.

Democrats Forecast Victory At First Rally In Larchmont

Mrs. Flora Chudson of 11 Pryer Lane, Larchmont, last night launched her campaign for election to the Assembly from the Fourth District at the First Democratic rally for the Fall drive in the Larchmont Democratic Club's headquarters, 94 Boston Post Road.

More than 45 club members attended the meeting featuring the initial election bid by Mrs. Chudson, an attorney and wife of Walter A. Chudson, a member of the United Nations Secretariat for the last four years.

Her opponent will be Mr. Mabel Stern, "capable and competent Mamaroneck Town Democratic vice-chairman."

Her running mate and candidate for the State Senate, Dominick Caputo of Fort Chester, outlined a number of issues which he stated his intention to develop in later campaign talks. He said that he had come to meet the Larchmont and Mamaroneck Democrats rather than to make a campaign speech.

Henry Zieger, Mamaroneck Town Democratic chairman, declared that the "New York City Democratic majority this Fall will be more than a million and will be more than sufficient to carry New York State. A Democratic victory is inevitable."

New Rochelle Mayor Stanley Church, Judge Edward K. Kennedy of the New Rochelle City Court, Mayor Lester of White Plains, Frank N. O'Donnell of Larchmont and Benjamin Olinberg, who was an alternate delegate from Larchmont at the Democratic State Convention, all expressed confidence in the election of the entire Democratic ticket. MACHINE-TESTED MOTORIST FINED First Tippy Driver in County to Get Drunkometer Exam Pays \$200 Levy

NEW ROCHELLE—Thomas Long, forty-four, the first motorist in the county to be tested by the drunkometer, received a stiff sentence for drunken driving yesterday on a charge reduced from a felony to a misdemeanor by Acting City Judge Sol Rubin.

Long was sentenced to a fine of \$200 or the alternative of 90 days in jail. He was allowed to pay the fine. He was placed on probation for three years. His license was revoked, and he received a suspended jail term of one year.

The motorist, a car polisher living at 41 First Street, was first arrested on a felony drunken driving charge, and it was expected that his trial in County Court would be a test case of the drunkometer. The charge was reduced, however, and Long is pleased guilty in City Court, forestalling the test case. The drunkometer evidence was not presented in court. He had previously been convicted of drunken driving in New Rochelle in 1947.

His latest arrest came on July 22 when Pil. Frank Civiano spotted his car weaving on Mechanic Street. A four-block chase ensued during which Long tried to escape by swerving into Hudson Street. His car jumped the curb and stopped, ending the chase.

Reorganized Scout Troop Starts Year

The newly reorganized Mamaroneck Boy Scout Troop Seven made plans for the season's activities at its first meeting last night in the Mamaroneck Avenue School.

Charles Golish, chairman of the troop committee, introduced the new scoutmaster, P. Arthur Newlin, to the 11 boys who attended the initial meeting and it was announced that the remaining September programs would be devoted to preparation for a Court of Honor to be held at the Daniel Warren School in October.

Commissioner William Glaser said the troop to assist in the distribution of Community Chest speakers throughout the village.

A motion picture, "Speeding Speech" also a film demonstrating scouting a tivity were shown by Merrill Hodson.

Also in attendance at the meeting were the Rev. Thomas Garman of the First Baptist Church, former Scoutmaster Benjamin Morrell who is now active on the troop committee, and Lieutenant John Campbell who has two sons in the troop.

1ST RESTRICTION EFFECTIVE MONDAY

Order Designed by NPA to Curb Hoarding of Scarce War Goods by Business

WASHINGTON, AP—An "inventory control" order designed to curb hoarding of scarce war materials by business firms, was due to come out of the National Production Authority this week.

Officials said the order was ready for signature today, but because it must still be published in the Federal Register, it will be issued Sunday to become effective on Monday.

The action will be the first in a series of measures to be taken by the NPA.

This agency, headed by William H. Harrison, was created last Sunday to channel materials into the armament effort.

Officials said the order would contain:

1. A "scarcity list" of materials which are, or threaten to be, bottlenecks in the expanding production drive.
2. A broadly worded prohibition against amassing more than a normal operating supply of the scarce items.
3. Penalties of a year in prison for violation of the order. (Turn to Page 2, Please)

ROTARY CLUB HEARS TALK ON MEXICO CITY

Mexico City was the subject of a talk yesterday at the Mamaroneck Rotary Club by James Adamson of the Queensboro, N.Y., who also showed a colored slide of the city.

He told the Rotarians that the very old and the very new are side by side in Mexico City and advised them to visit the Palace of Fine Arts and explore the National Museum and the Cathedral built on the site of Montezuma's Tzucul Temple. He also advised tourists to visit the Shrine of Guadalupe just outside the city, the floating gardens Xochimilco, the Pyramids of the Sun and Moon, and the bull-fighting at the Plaza de Toros.

Visitors were A. Norman Klein, Harry Flinn, John Cabanahan, A. E. Tuttle and Manuel Salatin of Queensboro and New York. Key note speaker was Vernon Phillip Riano of Queens. Southern Avellan, President James Pastorek, conducted the meeting.

Adamson will address the club next Thursday on railroad dining car service.

Officers Recalled

Three Maranock Army Reserve officers have been recalled to active duty. Col. James W. Gaynor of 490 Bleecker Avenue, 1,000 Grove Street and Lt. Col. Olevio G. Hanson of 361 Carroll Avenue were with a score of Westchester County officers of the 301st Logistical Command who reported yesterday at Fort Totten, N. Y., for assignment in the southern part of the United States.

Major Gen. Thomas F. Parrill, New York City Housing Authority chairman, is commander of the 10th, which was converted July 1 from its former assignment as training regiment. Col. Gaynor, who was Gen. Parrill's executive engineer and executive officer during the China - Burma India campaign, continued as its executive officer with the Housing Authority. They are both RPI graduates. Col. and Mrs. Gaynor have a son, James William Gaynor Jr.

Lt. Col. Douglas, public relations editor of the General Motors Acceptance Corporation in New York City, will be assigned to Boston University and Suffolk Law School. He took part in seven infantry battalions during 31 months overseas service in North Africa, Italy, Southern France, Normandy, Germany and Austria. Col. and Mrs. Douglas have three children, nine, nine, eight and one-half.

In Rotation

Maranock engineers and service stations equipped with wreckers or tow-trucks will share the privilege of removing automobiles damaged in accidents. Effective this week the police started using a new method of wrecking truck operators in rotation, according to instructions issued by Chief Louis G. Scully. Instead of automatically calling an garage as in the past.

The instructions were issued to give garages the business without partiality. Whenever it is necessary to remove a car from a village street, the dispatcher will summon a wrecker from service stations in turn, except in cases requiring special equipment for handling trucks, buses, or heavy vehicles or when the operator of a damaged vehicle specifies a certain garage.

When special equipment is required jobs will be called but his card will not be disturbed and will be available in rotation for ordinary jobs.

Back To Duty

Regis H. Harper of the Hawthorne Ordnance Apartments, Maranock, a member of the executive Naval Reserve, will discharge from the Navy in 1946 after four years of service in World War II. He was assigned to active service as a lieutenant commander. He will report at San Francisco Naval Headquarters early next month for assignment to duty in the Pacific area.

Lt. Cmdr. Harper is the immediate past commander of Torconex Post 90, American Legion. He participated in D-Day Invasions of North Africa, Sicily, and Southern France, serving on the battleship Texas. Now, New York and Arkansas, he has served three years as a WAVE lieutenant.

Boat Training

Joseph Reyes, son of Mrs. Adele Reyes of 159 Elm Street, Maranock, and first mate of Maranock Sea Scout Ship No. 1, began boat training at the Newport, R. I., Navy base yesterday. He is currently passing his final physical examination for Navy service.

Reyes, who recently completed a three-year hitch reported in New York City Wednesday where he was given preliminary examinations and inducted before being sent to Newport. He is a graduate of Maranock High School and until his enlistment was an employee of The Daily Times.

At Take Place

H. Richmond Campbell, editor and general manager of The Daily Times, left this morning with Mrs. Campbell for Lake Placid where he will attend the three-day Fall convention of the New York State Publishers Association. Operating tomorrow at Whiteface Inn, the meeting will attract about 200 publishers and editors of New York daily newspapers. Among the guest speakers will be Byron Price, assistant secretary general of the United Nations.

U. S. Marines To Open Recruiting Drive Here

The U. S. Marines will open a recruiting station here for youths at this vicinity at the White Plains Post Office building. It was announced today by Major Sgt. J. Huron, who will be in charge.

Recruits will be accepted from 10 A. M. to 2 P. M. on Monday through Saturday and on Sunday from 10 A. M. to 2 P. M. Three enlistment forms will be offered each day and three and four years and for an indefinite period in the Marine Corps Reserve in excess of 30.

Sgt. Huron, who later plans to devote one day a week to recruiting in Maranock, has seen 13 years service in the Marine Corps. He served with the First Marine Division in Guadalcanal, Cape Gloucester, New Britain and in the Palau Island engagement during World War II.

'Mike' Mourned

Members of the Larchmont Fire Department today are mourning the death of Mike, a 10-year-old Dalmatian mascot of the department. Mike, who was a faithful attendant at all fires for the last nine years, was reported missing Saturday and yesterday was found dead at the corner of the Boston Post Road and Beach Avenue.

When the fire whistle sounded, Mike would jump to his favorite spot, a steel plate on top of the emergency truck, and ride to the fire. At the scene he would join the fire fighters and at night would follow the flashlight, until the fire was located and extinguished.

He was seven weeks, two days old when he was taken to live in the fire house, June 29, 1939. He was the son of a fire fighter, dog, a Dalmatian also called Mike.

When he began to call Mike, two years ago, he was an active duty fireman by Fire Captain James J. Quinney at his home at 132 Boston Post Road, Larchmont.

Mike was buried at 9 A. M. today in a plot at the rear of fire headquarters.

Inspection Tour

An all-day inspection tour of golf clubs, athletic fields and sections in Westchester County will be held Thursday by 15 invited guests of the American Cyanamid Company, Frank O. McGraw of 128 Fishkill Road, Manassas, N. Y., president of Eastern New York for the Agricultural Chemical Division of the company.

Between tours of the golf courses, the group will enjoy luncheon at the Herford House, Hotel Gramatan, Bronx.

The purpose of the trip is to observe the results of soiled tests of cyanamid products and to discover the most effective means of combating the growth of crab grass and other weeds.

The guests include officials from both New York State and United States Departments of Agriculture and garden editors of New York newspapers. Westchester County will be covered in the morning and Nassau County in the afternoon.

Israel Elected

Oscar Israel of 937 Green Point Road, Manassas, was unanimously elected Saturday to the United World Federation of the Hotel Roosevelt, New York.

Chairman of the Manassas Chapter of the United World Federation, he is a graduate of Dartmouth College and served as a major in the Signal Corps during World War II. He is managing director of David's Specialty Shop.

Steele Committee

The steering committee of the Manassas chapter will meet Wednesday at 8 P. M. at the home of Mr. and Mrs. Israel and will first view a film on the subject of the program "On Trial" which will feature a debate on "Should the United States Do a Living Room with a Rear Window All Open." The committee will discuss the affirmative will be Eric Green, Telford Taylor, chief prosecutor at the Nuremberg trials, and one of Irving Taylor of 437 Melrose Avenue, Manassas, and Cord Meyer Jr. They will be opposed by Omar Kechem of the Veterans of Foreign Wars, who will present an rebuttal on WJZ Sept. 27 at 11 P. M.

Pickets Arrested

Two pickets attempted to drive through Winged Foot Golf Club grounds Saturday about 4:30 P. M. and were arrested by the Westchester Town Police for trespassing on the complaint of the club management.

Anthony M. Fusaro of Mount Vernon and Victor M. Brown of the Bronx told police they were union men driving through the club's private road from the main entrance at Penrose Road to another back entrance where they were being arrested to picket.

They were booked at headquarters and released on \$25 bond each. Their case will be heard in Town Court Thursday night.

Excursion on Trip

A bicycle trip to famous landmarks in Westchester was taken yesterday by members of the Excursionists of Troop A, Manassas, under the supervision of Herbert H. Dibben, expedition advisor.

The scouts visited Washington headquarters at White Plains, the old Dutch Church at Sleepy Hollow, and the graves of Washington Irving and Phillip Manor. A few other members of Washington headquarters showed the four scouts a collection of antique daggers from the Revolutionary War period which included hand forged iron tools and cooking utensils. At the old Dutch Church, the scouts inspected graves dating far back into the 17th Century.

Making the trip were Carmine DeLowe, Anthony M. Brown, Gabriel Stinson and Edward M. Keiver.

Appointed Director

Esper M. Rowland of Maple Hill Drive, Larchmont, has been appointed director of industry relations for the American of Better Business Bureau, Inc., New York City, according to an announcement by Victor H. Myberg, president.

Mr. Rowland has been director of public relations for Jacob Rupprecht for the last three years and formerly was associated with American Airlines and Economy Vacuum Oil Company.

Marines Advance On Seoul As Allies Cross 2 Rivers In Steady Southeast Drive

U. S. Infantry Battalion Battles Across The Nakdong

By WILLIAM JORDEN Associated Press Staff

U. S. 8TH ARMY HQ. Korea.—Allied forces made red river crossings today into Red territory on the old southern Korean beachhead perimeter.

A U. S. 94th Infantry Division battalion (about 1,000 men) crossed the Nakdong River south of Pusan on the east coast. Three small U. S. patrols tried to cross the Nakdong at a second point but were driven back by enemy fire.

The Communists waited until a boat carrying 12 Americans reached midstream and then let loose with mortar and machine-gun fire.

Elsewhere in southeast Korea, American and South Korean forces made steady progress across several positions where the Reds still faced determined North Korean resistance.

On the vital northwest corner, the U. S. 1st Cavalry troops in that sector captured two important positions directly northwest of Seoul.

Progress directly northwest of Seoul was painfully slow. American forces still faced determined North Korean resistance.

Kimpo Airfield Reported In Good Condition

By ALMOND

By RUSSELL BRINES Associated Press Staff

KIMPO AIRFIELD, Korea.—U. S. Marines advanced today to within three miles of Seoul and pushed forward toward the Han River.

The airfield here is in excellent condition and immediately operational. The 19th Corps command said.

The Marines held the field firm after repulsing Red counterattacks last night and kill hundreds of Red soldiers.

Gen. Almond said the Red resistance was light on the northern flank and "stubborn but disorganized" in the south flank. Elements of the 7th Infantry Division which landed at Inchon this morning pushed immediately toward the front.

A Communist communique tonight said Marines were probing for crossings along the Han River line on the outskirts of Seoul.

The communique said allied casualties have been light and enemy casualties were heavy.

"The enemy has not yet recovered from the initial tactical surprise" of the Inchon beach landing, the communique said. It added:

"Factual entry into action of various enemy formations has led to their complete destruction."

The number of enemy prisoners captured from the front area is approaching 2,000, the communique said.

"The 19th Corps units in the airfield area, launched inter-

Government Unwraps Master Plan For CB

WASHINGTON (AP)—The government unwrapped today a master Civil Defense plan telling states and cities that house-front casualties can be cut in half with leased explosives and millions of volunteers.

President Truman approved the plan, which lacked any price tag or timetable. Along with a bill to create a new, separate Federal Civil Defense Administration, Mr. Truman sent it to Congress which probably will act on the program before next year.

The plan has an outline for:

1. Cooperation on a big scale between federal, state and local governments, with each sharing some of the responsibility and expense.
- 2. Providing preattack precautions and postattack help mainly for some 140 "critical-target areas" cities and installations an enemy almost certainly would hit first and hardest. Yet "all communities should anticipate every level."

BURGLARS ENTER LOCAL RESIDENCE Jewelry Missing At Coffin Home; 2 Other Thefts Reported

A burglary and two additional thefts of home furniture were reported to Manassas police during the weekend as the number of arsons under investigation by Manassas police continued to rise.

Saturday at 10 A. M. Mrs. George H. Coffin reported that her home on 724 Roundview Avenue had been entered and that a 14-carat gold watch and three gold rings with an aggregate estimated value of \$100 was missing as was a collection of Indian head pennies.

No one was in the house at the time and when Mrs. Coffin returned Saturday morning she found the United States flag in a living room window and a rear window all open. The contents of the living room were strewn over the floor.

Credit Controls On Consumers, Over-Eager Buying In Effect

WASHINGTON (AP)—The government put "stop" orders into effect today against over-eager buying by consumers.

Maxing the first actual use of the new home-front control powers, the orders had two aims: to curb hoarding and to conserve scarce and essential materials for defense purposes.

The Commerce Department forced businessmen to accumulate inventory reserves of steel, copper, aluminum, tin, rubber, nylon yarn, certain chemicals and certain other materials beyond a "practical minimum working inventory."

Enforceable by penalties as stiff as a year in prison and a \$10,000 fine, the order applies not only to the firm but buys up also to the credit card.

The ban on over-eager and installment sales of these articles.

Installment plans on all other articles—not listed—also required to pay off within 18 months.

The order does not affect charge accounts or loans repayable in a lump sum.

PASTOR OUTLINES EUROPE'S BATTLE

Spiritual Factor Vital In East-West Struggle, Says McGuire

The spiritual factor is the key to the struggle for Europe now being waged between the western democracies and the Soviets, the Rev. Floyd E. McGuire, pastor of the Larchmont Avenue Church, said at its 10th annual breakfast yesterday in the Larchmont Shore Club.

"Unless we have something to fight for and can capture the minds of men and women, arms are meaningless," Dr. McGuire said. "Religion is really the center of the present conflict and the struggle will be resolved by intangible ideals rather than by tangible defense."

The Soviets appear to realize this and that is the reason why the march on Berlin by East German youths this Spring was so terrifying. It showed that the Soviets are attempting to capture the minds of the youth."

Dr. McGuire, who recently returned from a tour of Europe said "the present struggle there is a struggle between democracy with freedom and tranquility with bondage, and let none of us be fooled. Russia means to take over."

"Everywhere in Europe there is a troop to take over."

INDO-CHINA NIPS COMMUNIST PLOT

Terrorists Seized By French And Viet-Nam Police In Saigon Outbreak

SAIGON, Indo-China, (AP)—More than 100 terrorists were unceremoniously arrested today by French and Viet-Nam police snatched what they called a Communist plot to make a general attack within the city.

The outbreak was timed to start last night, authorities said. Informed of the plan, they blocked it at yesterday.

Eighteen young polio patients at Grasslands hospital were given an outing on Long Island Sound yesterday afternoon by six Manassas skippers who are members of the Manassas Coast Guard Auxiliary, a member of the Polo Family Club.

Democrats, Republicans Honor McGovern Candidacy At Picnic

NEW ROCHELLE.—Republicans liberally leaved with Democrats, turned out more than 100 persons for a picnic last night for two good reasons, one to pay tribute to State Senator J. Raymond McGovern, the city's first son and candidate for State Comptroller, and the other to honor everything was on the house. More than 6,000 free hot dogs were served and his handshakes had counter was busy without a minute's pause throughout the afternoon.

Equally busy was Senator McGovern. Eager to end the words he exchanged with enthusiastic supporters would have filled several books and his handshakes had counter would have filled several books.

The already worn Senator left at 6 A. M. today to attend a strategy meeting in Albany with Governor Dewey, State Comptroller and members of the State Senate and Assembly as the Republican Party prepared to throw its entire weight behind this year's campaign.

Symposium Speaker
Dr. Paul Rosenberg of 33 Parkwood Road, Larchmont, a consulting physicist and president of the Institute of Navigation, spoke today in New York as chairman at the opening session of a series of day joint meetings on Navigation and Electronics, sponsored by the Institute and two agencies of the National Science Foundation.

The symposium consists of the general topic of "Navigation and Electronics." Dr. Rosenberg spoke on navigation in general, and its place among the sciences, and stressed the need for "integration of navigation and electronics and methods into a single unified science."

The Rosenberg has lived in Larchmont since 1946 and has a daughter, Gale, six, Dr. Rosen is the author of about two dozen published technical reports and scientific papers and his field of research includes electronics and electronics, ultrasonics, optics and precision mechanics.

Named to Board
Three local men were appointed yesterday by the County Board of Supervisors to an 11-man Fire Advisory Board for the town of Larchmont.

The appointments resulted from a change in the law giving the appointive power to the board instead of to the County Executive as formerly.

The 11 appointees, named in a resolution by Supervisor Francis M. Mariani, are those who were appointed a year ago under the old law. The board also named Chief Paul W. Woodley of Larchmont, as Fire Commissioner of the post he had held since the board was created.

The board members are: Edward Schnecklinck and Harold C. Thomas of Monticello; Richard L. Richter of Larchmont; Charles Johnson of Pleasantville; Frank Riley of Yonkers; Frank Fallon of White Plains; Mr. Woodley, John S. McAuliffe of Croton; Edward Carter of Chappaqua and County Public Works Commissioner James C. Harding.

At Camp Lejeune
Pvt. Robert S. Olsson, husband of the former Martha Wall, 42 Knollwood Drive, Larchmont, and son of Mr. and Mrs. George M. Olsson of Port Chester, is now serving with the Second Marine Division at Camp Lejeune, N. C.

He is a graduate of Rhodes High School, New York City, and attended the University of Newport and New York University.

To Inspect Industries
Mannareck Village Manager William H. Johnson has arranged a tour of 10 industrial plants of the village tomorrow by Mayor D. J. Sanoia, the Village Board of Trustees, Village Engineer Claude A. Letimer and Building Inspector and Deputy Fire Chief G. D. Perelch. The junket will start from the Mannareck Municipal Building at 9:15 A. M.

Three more days, the dates of which have not yet been set, will be required to complete the survey of all Mannareck industrial plants. Noting that a similar factory tour was last made about five years ago, Mr. Johnson remarked today that the inspection series will give village officials first-hand information about Mannareck's industrial development since the war.

Big Three End State of War With Germany

Attack On Western State Would Involve Major Powers

FRANKFURT, Germany.—The United States, joined Britain and France today in a warning to Soviet Russia to end its state of war with Germany and to strengthen her industrially and defensively, but announced that there is no call for reconstituting a national army in the Western zone.

An attack upon Berlin or upon Western Germany will be regarded as an attack upon the occupying nations themselves.

This was made clear in a common statement by representatives of the United States, Britain and France at the New York conference. The Ministers in their New York session, also decided to:

1. "Permit the establishment of a public police force in Germany on a (land) state basis but with provisions which would ensure that the force would be under the control of the occupying powers."
2. "Prohibit all prohibitions and limitations on German industries."

Remedy immediately all restrictions on the size, speed and location of German travel.

Reds Reported Fleeing South to Reinforce Seoul

U. S. 8TH ARMY HQ, Korea.—(AP)—The U. S. 8th Cavalry Division led the Reds on the run today from Waejeon.

The Americans struck the highway today without a fight and went on chasing after the fleeing Communists.

A P. Correspondent Jack MacBeth reported the Americans advanced a distance of 14 miles beyond Waejeon, it is 14 air miles north of the central sector of the expanding old allied southeast beachhead.

Allied forces fought into the hilltop walled city of Kasan after putting at least 200 men across the Nakdong and a bridge over the river.

To the east the South Korean 3rd Division entered Pohang port after the battleship Missouri's big guns pounded the Reds in the bitterly-fought east coast port.

A spokesman of the U. S. 8th Army said the 1st Cavalry is the chief part, told Mr. MacBeth the troopers walked through Waejeon and toward Kasan.

He said the Reds were streaming northwest toward Kumchon, 18 miles from Waejeon. Kumchon is an one of South Korea's main highways, leading to Tongson, Taeyon and northward to Seoul.—Red-head South Korean (Turn to Page 2, Please)

Quick House and Senate approval are expected to send the bill to President Truman before the end of the week.

INDO-CHINESE RESISTING DONGKHE FOR CHINA BASES

French Report Aerial Observers Find General Withdrawal of Guerrillas

SAGON, Indo-China, (AP)—French military sources said tonight aerial observers reported a general withdrawal of Communist Viet-Minh troops out of the Dongkhe region and toward bases across Chinese Communist frontier.

The informants said the rebels pulled out of Dongkhe, which was reported captured yesterday. French columns are driving into the direction of the frontier and post. French military spokesmen said the Viet-Minh attack on Dongkhe had been launched from Chinese bases.

The French said the Viet-Minh had inflicted heavy casualties on French troops in other sections of the frontier, despite earlier reports of American planes attacking Viet-Minh bases in the West.

The French were making determined effort to reoccupy Dongkhe. Parachute troops were dropped on the post, where 200 French Legionnaires were said to have guerrillas "foot by foot" to be reoccupied took their citadel.

Other paratroopers had been dropped earlier on the frontier where the Viet-Minh are reported attacking.

The French said the rebels were using American machine guns, field artillery and heavy mortar. The measure which may have been used originally to the Chinese Nationalists.

Taft Accuses Truman As Appeaser Of Reds

WASHINGTON, (AP)—Senator Taft, R., Ohio, today accused the President of appeasing the Communists and of helping to build Russia's military might.

The Ohio lawmaker, chairman of the Senate Republican Policy Committee, also suggested that the administration of the President was the sure way to bring about World War III.

And he asserted that the Chinese Communists have been assisted "even more by the friendly cooperation of the Far Eastern Division of our State Department" than they have been by Russia.

Mr. Taft's statements came after he was called upon by the House to support the nomination of the President's pick for Secretary of State, Mr. Acheson.

Mr. Taft had no comment on Mr. Acheson's speech to the American Legion assembly in Houston, Texas, yesterday — a speech which Senator Ferguson, (Turn to Page 10, please)

Transport Enroute To Korea Explodes In Takeoff At Pearl Harbor

PEARL HARBOR, (AP)—Twenty-six Navy men were killed yesterday in the crash of a four-engine transport plane bound for the Korean air base.

The Navy R5D transport, carrying 19 passengers and seven crewmen, was en route from Hawaii to join the aerial supply operation for the new allied beachhead near Seoul.

It plunged into the water and exploded a few moments after leaving the pier. The R5D is the Navy version of the C54.

Seven Navy men killed as Privateer Spyn Crashes
SEATTLE, (AP)—A four-engine Navy Privateer bomber spun dizzyly downward from a 3,000-foot altitude and plunged into the waters of Puget Sound yesterday, killing all seven men aboard.

Identify of the seven was withheld pending notification of next of kin.

Portions of the plane ripped off at 1,000 feet on its death dive. Rescue planes and crash boats sped to the scene, in mid-chance of Saratoga Passages near Whidbey Island. Only a debris-littered oil slick was found. The waters are 250-feet deep at that point.

There were three pilots and four enlisted men aboard.

ARMY OF EUROPE MAY FORM SOON

U. S. Officials In N. Y. See Prediction Bolstered By Ministers' Arrival

NEW YORK, (AP)—An early start on the actual organization of a military force to defend Western Europe against Russia is foreseen by American officials here.

Their prediction is bolstered by the expected arrival tomorrow of the British and French Defense Ministers.

At the same time American authorities believe that decisions reached by the Atlantic Council will produce a final agreement among the 12 member nations on creating this unprecedented peacetime force.

It is also hoped that it will move France toward acceptance of the principle that German troops can be used along with American, British, French and

Combing The Town

Acquires New Plant

The Ohio River and Lake Erie Canal, which Samuel E. Maize of 935 Southview Drive, Mamaroneck is chairman, has secured a new plant at Toronto, Ohio, formerly owned by the Pullman Steel Corp. The Ohio River Corporation was recently formed to purchase, rehabilitate and modernize steel plants. The purchase of the Toronto works was arranged by Hill, Thompson and Co., New York City investment banker.

Mr. Maize, who is also chairman of Penn-Ohio Steel Corp., said that steel is expected to be poured at the Toronto plant within 60 days. The plant has an annual capacity of 180,000 net tons and a bar mill capacity of 125,000 tons.

Mr. Maize, an investment banker, has lived in Mamaroneck since 1944, moving here from Larchmont, N. Y. He is a native of Virginia and a graduate of the University of Virginia. He has taken post graduate work at Columbia and New York Universities.

He is a member of the National Republican Club, the Bankers Club and the Economic Club of New York City. He is married and has one daughter.

Safety Drive On

The village of Mamaroneck is stepping up its drive against pedestrian safety in four ways. Lt. Herman Paulk, safety coordinator for the Police Department, said today.

Signs are being attached to lightning poles throughout the village to warn pedestrians at crossings. Sixteen signs have already been placed at crosswalks, patrolmen are being assigned to busy intersections and six motor vehicles are being shown from time to time at the Mamaroneck school.

"Way-walking does not save time and you may lose your life," Lt. Paulk said today. "It is usually getting stranded in the middle of the street by a back traffic and are in constant danger of being struck by a vehicle. To avoid death or injury, walk on a corner for a green light or for the 'walk' signal from a patrolman. This is the safest and surest way to cross the street."

The village participates annually in the safety contest conducted by the American Automobile Association.

Released Time

Notice was sent today to parents of children in the Ryecreek school system that, upon signed request, children would be released one hour a week for religious education as provided by their churches.

Parents who want their children to receive week-day religious training were asked to sign the form and indicate which church school would be attended.

Junior and Senior High School students will be excused 15 P. M. Mondays, beginning Oct. 2, and elementary school students at 2:15 P. M. Wednesdays, beginning Oct. 4.

The arrangements for releasing students are made under a state law which permits absence for religious education under rules established by the Commissioner. The permission is granted only on written request of the parent or guardian and for not more than one hour each week, unless requested by the school authorities.

Columbus Day Fete

Reverend Ross Lodge, first auxiliary of the Alessandro Mamaroneck Lodge, will sponsor Columbus Day celebration in Mamaroneck with band concerts, fireworks and fireworks on Oct. 13 and 14.

Mrs. Adeline Stinopi, president of the Lodge, announced today that a concert will be held at Harbor Island from 7 to 9 P. M. Oct. 13 and again at 4 P. M. Oct. 14. A band of 15 will follow the second concert and services will then be held at Columbus Park with fireworks following at Harbor Island. Mayor is J. Stanton is serving as honorary chairman for the observance and cooperating organizations include Mamaroneck Lodge, Vitorio Society, the Knights of Columbus, the Elks Club, the Mamaroneck Civic League and the Columbus Republic Civic League.

Explorer Found

Thomas Ryan, two years old, set out to see the world yesterday morning with his honey-cooked cooker puppy and saw quite a lot of it in 21 minutes.

When Mrs. T. N. Ryan of 227 Rockwood Avenue, Larchmont, telephoned Town Police at 11:04 A. M. that her son was missing, Sgt. Eugene De Vries and Patrolman John E. Rowan scoured a search of the area and vicinity without success. Widening their circle, they finally found young Thomas in a chicken cooker at his heels, crossing a road on Mulberry Street in New Rochelle, a half-mile from his home.

The police gave the boy a ride in a patrol car back to his mother.

Family Picnic

Plans have been completed for the family picnic to be held Sunday at Flint Park by the Larchmont Fair Trade Association, it was announced today by Sally Warren, chairman of the event.

The picnic is scheduled to get under way at 1 P. M. Lunch will be served outdoors and the program will include games and sports with prizes at all events.

Also on the committee in charge are Elizabeth Salatin, Howard Rappaport and Judy Lewis.

Dogs In Trouble

Two persons were bitten by dogs and two dogs were killed yesterday, according to reports to Mamaroneck village.

Mrs. Theresa Casalinova of 322 Sterling Avenue was treated by Dr. Emil Verzell for six arm bites inflicted about 7 P. M. in a restaurant by a dog owned by Frank Romanova of Third Street.

A 12-year-old boy found lying in front of 237 Mamaroneck Avenue at 10:30 A. M. by a police patrol was identified as owned by Mrs. V. Brown of 239 Union Avenue, Mamaroneck.

A dachshund pup owned by Charles Howard of 428 Chestnut Avenue was killed about 10:45 P. M. by a car operated east on Chestnut by Peter Caradadi of Pleasantville.

A 190-year-old horse found lying in front of 237 Mamaroneck Avenue at 10:30 A. M. by a police patrol was identified as owned by Mrs. V. Brown of 239 Union Avenue, Mamaroneck.

With \$11 collected by Judge Henry T. Horvick from six traffic violators in Mamaroneck police court yesterday, the town since police began their attempt to reduce reckless driving, speeding and other violations first along the Boston Post Road was boosted to a \$3,399 total.

The dispositions were: John Beninger, Greenwich, speeding, \$20 fine; Harry Beninger, Greenwich, speeding, \$15 fine; Jack Hawkins, Greenboro, N. C. and Clarence Seagle, Charlotte, speeding, \$10 fine; truck drivers operating left of center \$10 bonds forfeited; William Eiland, 614 Highland, Mamaroneck, improper lights, \$20 fine; and Richard J. Beninger, Mamaroneck, driver, all-night parking \$5.

Placing guilty to a charge of allowing his dog to roam without a muzzle, Irving Shepard of 527 Prospect Avenue was fined \$12.

Shark Hooked
Charles Ebert, veteran boatman and fisherman who lives at Sound View Gardens, Mamaroneck, has landed an angling story that may end up being fish off. He told Mickey Talbot, who resides on Penmore Road, when the latter hooked a seven pound fish on a pound baby shark, using ordinary tackle for lures. The fish was not the size of the shark, but a genuine infant man-eater that measured exactly 36 inches and was ready to eat.

Spero reports that his luck was all but broken by a shark that bit his leg. On a flounder expedition, he hooked three rock crabs, two sea roach, a chargin' bass, a blue rock and one beargill. When the shark arrived, the boys called it a day.

Tribute to Mike
Two Larchmont youngsters paid a touching tribute recently to the memory of Mike, a Dalmatian mascot of the Larchmont Fire Department, who passed in a cosmic upheaval on the 10th week.

When a neighbor delivered a house to Mrs. Philip Warner of the Albee Court Apartments, her daughter, Lynn, nine, and Lynn's friend, Mary Dillon, eleven, of 11 Locust Avenue, regarded the flowers thoughtfully and then, thinking of Mike living beneath a mound at the Larchmont Fire House, they exchanged 10-year-old bouquets which will again be sponsored by the Legion.

Succeeds McGrath
C. Fred Ritter of Middletown, N. Y. yesterday was elected president of the New York State Association of Real Estate Boards, Inc., to succeed Benedict F. McGrath of Larchmont, whose term will expire Dec. 1.

A member of the Orange County Realty Board, Mr. Ritter served the association as a vice president during the past year.

Other officers named by the association are Herbert E. Bode of Long Island and William A. Wells of Buffalo, vice presidents; Frank Maschetti of the Bronx, treasurer; Richard C. Blase of Schenectady, secretary; and John C. Fisher of Albany, executive vice president.

Cleanup Campaign
A cleanup of trash and junk which has been cluttering the Mamaroneck River where it runs through Columbus Park, was conducted this morning by members of Mamaroneck Scout Explorer Troop 2 under the direction of Marcus Moore, assistant scoutmaster.

The Scouts started at 8 A. M. and piled all the trash along the banks of the river and it was hauled off by a truck owned by the Mitchell Oil Co. and taken to the Village dump.

The project was part of the local Scouts' community cleanup campaign.

Honesty Pays
Sam Barnhart of 263 Mamaroneck Avenue, Mamaroneck, twenty-five-year-old janitor of the Mamaroneck Playhouse, was found with a wallet containing about \$70 on the floor while he was cleaning the theater Thursday.

He turned his find over to police and his honesty paid off. The owner of the wallet, identified yesterday by the police, gave \$50 for returning the property, which included some indispensable documents.

MINUS BOND AID

Defense Fund Awaits Signature After Senate Passage Amid Skinship

WASHINGTON (AP)—A \$17 billion emergency money bill to help meet costs of rearming this nation and its friends was on President Truman's desk today in practically the same form he had favored. It was one of the last enactments of the vacation-bound Congress.

Stripped of a tight ban on economic aid to foreign countries, limited in military goods with the amount running to about \$5 billion a year, voted since the 81st Congress in January, 1949.

And it raises to more than \$100 million the amount of bond authority, including national debt interest payments and other fixed charges running to about \$1 billion a year, voted since the 81st Congress in January, 1949.

Cleared After Brief Fight
The emergency defense bill was cleared yesterday by a brief but hot Senate fight over an amendment that would have raised U. S. economic aid to nations whose trade with Russia, arms and satellites includes armaments and military equipment.

Mr. Truman personally had attacked the amendment as one which he said would hurt free Europe more than it would Russia.

The House refused to approve the amendment and he was arrested by its disapproval in the matter of the National Security Council, headed by Mr. Truman.

Why Unsuccessful?
The House committee, headed by the original amendment, was unsuccessful in reviving the House compromise by substituting for it a modified version of his own plan.

The Senate turned him down by a vote of 39 and sent the bill to the President by voice vote.

LEGION OFFICIALS

MAP YEAR'S PLANS

All phases of American Legion activity were discussed by members at a meeting of officers of Westchester Zone 2 held in the club house of Mamaroneck Post 90 on Prospect Avenue.

The meeting, the first of four planned for the area, was attended by representatives of 14 posts in this area and headed by James White of Yorkers County membership chairman, call for a total of 14,000 members in the county by 1951. The present membership in Westchester is just under 10,000.

Louis Turner of Post Chester discussed the plans for a contest for high school students which will again be sponsored by the Legion.

Matters discussed included the preparation of resolutions for local posts for forwarding to county and national headquarters, the Legion constitution and by-laws, the Junior Legion program, the Boy Scout program, and the Tupper Lake Mountain Camp program for veterans.

County Vice Commander Frank Webb of Larchmont presided and refreshments were served by members of Post 90 Auxiliary.

On Street Kills Man

YONKERS—One man was killed and another injured when a private plane crashed and burned in Kings Highway near Kings Avenue at 10:30 o'clock this morning.

Witnesses said the plane had circled around the vicinity several times before it veered to the pavement and was smashed to pieces.

There was a small explosion followed by a fire. Persons nearby hauled the two men from the wreckage. Firemen extinguished the flames. The plane was a Cessna 441.

There were here 200 Indians today, when a rugged frontiersman named John Ricketts foresaw some possibilities for the future of the area and the development of water-front real estate.

As well as the valuable country, Ricketts had a vision of a place known as Mahatan and Wappaquawam.

MAN CUTS WIFE, GETS TEN DAYS

Larchmont Butler Arrested After Wife Is Taken to Hospital

Marcella Troutman, fifty-three, a barber, of 69 Byron Place, Larchmont, was sentenced yesterday to ten days in Westchester County Penitentiary by Judge Charles M. Baker Jr. after he pleaded guilty to a charge of third degree assault brought by his wife, Ruth Troutman, who accused him of striking her with a heavy glass ashtray early yesterday morning.

The woman was treated in New Rochelle Hospital for lacerations of the forehead which required six stitches and laceration of the upper lip which required two stitches.

A warrant was issued for Troutman by Judge Baker but he was arrested by Officer James Manual, Judge Baker gave Troutman the choice of paying \$500 fine or the jail sentence.

Small Group Of Senators Fight To Uphold Anti-Red Bill Veto

WASHINGTON (AP)—A small group of Senators carried on their uphill battle today to uphold President Truman's veto of a controversial Communist control bill, understood by the collapse of one of their number on the Senate floor.

Senator Lester R. N. D. passed to the floor, gasping for breath, and was taken to the Naval Hospital at nearby Bethesda. Mrs. Roosevelt brought a dramatic interruption to the all-night talk-then he and a handful of his colleagues were waging against the bill.

They had little or no hope of success in the Senate. The sponsor of Mr. Truman's veto he called "hasty and ill-considered" and had said the measure would make "a mockery of the bill of rights."

Mr. Truman's own Senate lieutenant, Field Leader Lucas of Illinois, told his colleagues he would vote to override the veto. Mr. Lucas had voted for the bill in the House but was otherwise understood by the collapse of one of their number on the Senate floor.

Marines Closing In On Seoul As Enemy Gains Fresh Troops

Allies Score Greater Gains of War on Southern Front

TOKYO (AP)—Allied Marines tightened the clamps on Seoul today after two days of fresh Red reinforcements for the Korean capital already had arrived from the southern front. The pinch on Seoul came as allied forces forged their greater gains of the war on the southern front.

A U. S. Marine intelligence officer said elements of the Korean Communist 9th Division, previously fighting the U. S. 25th Division on the old Outpost Nakdong, had beached near Hamae yesterday.

Reds Move North
The Reds evidently swept northward up the main Taegon-Suwon route before tanking the U. S. 7th Division infantrymen and their airfield in the Suwon area. Seoul is 30 miles south of Seoul.

A P. Correspondent Helma North with the Marines at Seoul reported two leatherneck columns were driving on the ancient capital from the north and southwest. The northern group, including the 2nd Marine Division, was Seoul's outskirts within two miles of the heart of the sprawling city.

The southern group took the shell-battered industrial suburb of Yongsu, on the south bank of the Han River, and moved toward ruined railroad bridges.

Marine intelligence reported that the southern group took the southern joint three individual regiments and "rehabilitation hospital" in defense of Seoul. (Turn to Page 3, Please)

TAX BOOST BILL GIVEN TO TRUMAN

But House Committee Is Already Talking Of New Increases in New Session

WASHINGTON (AP)—Even before the ink was dry on a tax bill most estimated to bring in \$47 billion a year, the House Ways and Means Committee today began to chart procedures for a second measure. It will include a multi-billion dollar excess profits tax.

By overwhelming vote, Congress yesterday passed and sent to President Truman the first bill that calls on almost every American to pay part for the rearmament program.

President Truman has told friends he is pleased with the bill and is expected to sign it quickly.

It means that just a week from tomorrow the government will begin taking one-fifth more taxes, after personal exemptions cut of all working people's pay. The more than 30 million individual taxpayers will contribute almost \$3 billion additional a year, beginning Oct. 1.

Taxes on individuals are increased 12 to 20 per cent. Corporations will pay an estimated \$1.5 billion a year more. The bill gathers more millions by plugging loopholes and other tax changes.

The Senate late yesterday shouted final approval of the measure. Not one dissent was heard on the voice vote. The House earlier in the day passed the measure by a vote of 701 roll call.

Just before the final votes were cast, the House passed a bill of Means Committee called a meeting for today to plan its action on the second bill. It hopes to have it ready in time for Congress to act after the November elections.

U. N. TO CONTINUE POLICY DEBATES
Netherlands, Chile, Belgium on Speakers List—China Delays to Monday

NEW YORK (AP)—The General Assembly resumes its 15th sessions today with continuing debates critical of Soviet policy. The Netherlands, Chile and Belgium are on the speakers list for a single Saturday session. All of them have spoken bitterly in the past of one or more phases of Soviet policy.

China's Tingfu P. Tsiang, fighting to keep the Nationalist Chinese delegation seated in the U. N. against Russian-supported attempts to displace them, was also originally listed to speak today but a delegation spokesman said last night Mr. Tsiang has decided to postpone his statement until Monday.

The assembly resumes its policy debates after a one-day holiday. President Truman at 8:30 P. M. today observed a religious festival.

The Netherlands and Chile both have said hitting times in past assembly sessions about human rights and their observance in countries under Soviet control. The Netherlands Foreign Minister, U. S. Suliker was first on today's speaking list.

Mr. Tsiang's accusations that Soviet Russia has sabotaged progress next week of anti-Russia efforts to oust the Communists, was also originally listed to speak today but a delegation spokesman said last night Mr. Tsiang has decided to postpone his statement until Monday.

Injured Men Improving
Albert Burnham and Benjamin L. I. and John Querrier of Hicksville, L. I., well known for their work as demolition men, were severely injured in an explosion at the Westchester Plastic Company, 226 Waverly Avenue, Mamaroneck, Sunday morning, according to a report this morning from Dr. Hiram R. Leskin, of Chester, attending physician.

The men were trying to extract a broken rubber seal from a 135-foot wall near the plastic company when an accumulation of gas or gas fumes ignited at the foot of the pit and blew up in their faces. They were employed by C. W. Asman and Company of 50 Church Street, New York.

Scrimmage Victim
Oliver W. Clow III, fourteen-year-old son of Mr. and Mrs. Oliver W. Clow Jr., of 60 Tomkins Avenue, Mamaroneck, sustained a broken shoulder joint Saturday about 11:30 A. M. when he was tackled in a pick-up football game at Harbor House. He also suffered badly from shoulder muscles.

Taken to United Hospital, Port Chester, Clow was attended by Dr. William A. Barrett of Mamaroneck and an operation was performed yesterday by Dr. Barrett and a specialist from the Presbyterian Hospital in New York City.

Clow is a ninth grade student at Bellows High School.

Legion Paper Drive
Legionnaires of Mamaroneck Post 90 American Legion will comb the village Sunday for clean rags, old newspapers, cardboards and magazines. Other of the wastepaper pickups which provide maintenance funds for the club house.

The decision to add rags to the waste papers that have been collected and sold for the benefit of the Legion's quarters was made at a recent meeting. With higher prices prevailing for rags and wastepaper, the Post hopes to add enough to the fund to make up for the loss of revenue when the rain hampered two recent collections.

Readers are urged to save their papers and rags between pickups. Chairman James Seely emphasized to help make the collection profitable. The bundles should be on one side of the curb by 10 A. M. Trucks will be provided as usual Sunday by village merchants to facilitate the collection.

Cut With Wooden Fork
David Petersen, twelve, of the Larchmont Cabbie's, was treated for lacerations to the nose and under the left eye after he told Larchmont police he was stabbed by an unidentified boy with a wooden fork at the fourth floor basketball tournament sponsored by the Larchmont Fire Department at Flint Park.

Larchmont police drove him to a doctor's office for treatment and later to his home.

Target Practice
Instruction in the use of firearms will be the subject of the second session of the Mamaroneck Police Department's training program scheduled tomorrow at the Harrison post range off Mamaroneck Avenue.

Acting Police Chief Louis Giacola will be in charge of the instruction which will run from 9 A. M. and continue throughout the day. The use and care of all weapons employed by the Mamaroneck department will be taught including the rifle, gun, machine gun, rifle and shotgun in addition to a practical course in the use of the police baton, tear gas and shotgunning as well as target shooting.

Chief Giacola said the new officers will also be required to take the regular firearms course for the whole department which will be given next Spring.

Catches Up With Him
A warrant issued more than a year ago finally caught up with a Port Chester man Saturday when he was arrested by Detective Sgt. Jeremiah Casey of the Mamaroneck Village Police.

Leiland Doud of 559 Locust Place, Port Chester, was wanted by the Children's Court on a complaint filed by his wife, Mrs. Esther Doud of Sherman Avenue, White Plains, that Casey identified him as the operator of a used car lot on West Boston Post Road near Delancy Avenue and took him to the county jail at Eatonsville.

Wallet Found
All ended well for Mrs. Katie Pope of Glendale Road, Harrison, Saturday, but she experienced some anxious moments when she discovered her wallet missing while shopping at a stationery store at 351 Mamaroneck Avenue, Mamaroneck.

The loss was reported to police who investigated a possible thief of the wallet which contained \$7 in cash and personal papers of sentimental importance to Mrs. Pope. Officers could not find the wallet and the tearful owner went home after announcing that if any person had taken it he could keep the money but return the papers.

A couple of hours later Eugene Butler, owner of the store, called police that the wallet had been found under some papers. He delivered it to the police who then turned it over to Mrs. Pope.

Four Allied Columns Drive Deep Into Seoul; Americans Push 7 Miles From South

TERRITORY TO NAME BOARD FOR ROLE IN RED CONTROL

Justice Dept. Can Take No Action Until Groups Are Found Subversive

WASHINGTON (AP) — President Truman faces today the ticklish problem of naming a five-man board to fill a key role in enforcement of the new Communist control act he recently denounced.

Congressional enactment of the law over Mr. Truman's veto brewed today, pledges to force it "vigorously" from Attorney General McGrath, into the President had opposed it.

But Mr. McGrath's Justice Department can take no action under one of the bill's major provisions—that calling for registration of Communist organizations and their fronts—until establishment of a Subversive Activities Control Board.

Will Act On J.D. Complaints
That board of five men—not more than three of whom can be from the same political party—must decide after hearings whether or not an organization is required to register under the law. It will act upon complaints by the Justice Department.

Government attorneys likely to be concerned with the enforcement problem said no consideration was given so far to the possible personnel.

The law was not put on the statute books until late Saturday when the Senate voted 57 to 10 to override Mr. Truman's strong veto, in which he used such words as "unworkable" and "irritating."

The House had voted to override by a 286-148 vote. Both votes were well over the required two-thirds majority.

Paratroopers Mass In Korea For Blow To K.O. Communists

WASHINGTON (AP) — The Army is beginning to draw on the core of its quick-moving mobile reserve airborne force in massing strength for the all-out offensive to annihilate the North Korean Communist enemy.

How long that would take was still 150 plane loads of paratroopers, while liking the look of the Korean picture, say it is too early to make predictions.

American paratroopers showed up yesterday at Kimp'o Airfield on the Seoul battlefield, and a number of them were committed to action.

On the basis of news reports that said 150 plane loads of paratroopers to 17 men each arrived at Kimp'o, an airborne regiment, slightly under full strength, appeared to have been sent in initially.

These infantrymen - with wings came into battle in sedate fashion, riding in transport planes which landed on a friendly airstrip. There was no spectacular "airdrop" of men into enemy territory in a cloud of parachutes.

But also there is no reason why the paratroopers, used for the moment as regular foot soldiers, may not show up in the days ahead for the role for which they are trained—stabs behind the enemy line to establish a bridgehead.

Actually, in World War II airborne troops did about as much routine in a ground force infantry role as they did by parachute or glider drops to the enemy's rear. One of the most famous actions by an American airborne force was the holding of Bastogne, Belgium, in which the 101st Airborne Division rolled into action on trucks and on foot.

Yanks Make Swift Gains With Fall of City Expected Hourly

TOKYO (AP) — Four allied columns fought deep into Seoul tonight on a grinding drive for Duk Soe Palace and the nearby government buildings.

One U. S. Marine column that crossed the Han River Sunday first made the advance and stripes by nightfall on a southwest-district height less than two miles from the palace.

Then a 7th Division doughboy column stormed over the Man in dawn light. More and more troops knocked the Korean defenders off the commanding heights of South Mountain, a city park.

The other columns of American and South Korean Marines stabbed into the capital from the west and north.

As these broadside attacks were confident the allied force would win Seoul within hours.

16-Year-Old Yonkers Driver Faces Charge After Larchmont Crash
Robert N. Kasimir, sixteen, of 133 Webster Avenue, Yonkers, was charged yesterday by Larchmont police with leaving the scene of an accident which occurred about 9:30 A. M. on Park Avenue. He was released in the custody of his brother, Martin A. Kasimir, of Yonkers, a passenger in the car. After a search was made, the car was found at the intersection of Circle, Larchmont, and Park Avenue and struck the retaining wall of property of Irving Baum at 64 Park Avenue. Larchmont police, according to a witness, who reported the accident to police.

Patrolman Philip Hart and Albert Lowman found Kasimir in the driver's seat of the car at the end of Prior Lane about a half-mile away. The right rear fender and sheet of the car were damaged while the retaining wall was cracked.

Kasimir has a junior operator's license. The car is owned by Daniel Moran of 144 Orchard Street, Yonkers.

The case will be heard in Larchmont Village Court Thursday night.

Crippled Vets Entertained By David Potts Post Here

Acknowledging the needs of crippled veterans, patients of Base Hospital 81, Kingsbridge Road, the Bronx, look over the facilities of David Potts Jr Post 1156 VFW Clubhouse Saturday afternoon and for more than three hours enjoyed entertainment, dancing and refreshments provided by the hospital Women's Auxiliary and members of the post.

The veterans, some of whom were entirely crippled, were taken to the clubhouse in Red Cross ambulances or drove themselves in specially equipped cars. They were accompanied by members of the hospital canteen who provided refreshments for the patients while beverages were supplied by members of the post.

Entertainment included an exhibition of the post's new radio, a raffle by Jules Spiegel and George Stanton of Mamaroneck and also numbers by Alouva.

Police Add Traffic Aids Near School

Mamaroneck police acted today to safeguard school children of the village and Mamaroneck Knolls who cross the North Barry Avenue-Mamaroneck Avenue intersection on their way to and from school.

With the Street Department's cooperation, white crosswalks will be painted today across Barry Avenue. A traffic circle was laid out to compel southbound traffic to right and slow down to make a left turn into Barry Avenue.

A survey by Acting Chief Louis Giacola Friday and Saturday showed that nearly every southbound automobile making a left turn into Barry Avenue cut the corner at the left at speed to the left for safety although within legal limits.

Police will work on the northbound traffic (Turn to Page 11, Please)

LEGION POST 90 TO HONOR HARPER

Prominent Entertainers To Appear On Testimonial Program Tomorrow

Roger H. Harper, first post commander of Mamaroneck Post 90 to be called back into active military service, will be honored tomorrow night at a post meeting featuring two prominent entertainers.

The post commander's pin will be presented to Mr. Harper, who leaves next week for Naval duty in the Pacific, following a program by Eugene J. Healey, who has devoted more than 20 years to studying and expounding crooked gambling, games and rackets. Co-starring on the program will be Joe Pore, humorist and imitator, who is now appearing regularly in a prominent night club.

Mr. Healey, son of Dr. Eugene J. Healey of Mamaroneck, will present his half hour program, "Exposé" now a regular television feature on crooked gambling.

Mr. Healey has worked closely with the U. S. Navy and law enforcement agencies. He is expert at manipulating cards, dice and marbles and knows the ins and outs of his business, in which the public is fleeced by crooked gamblers and criminals.

Attlee's 'No' Meets Pleas For Election

LONDON (AP) — Prime Minister Clement Attlee has replied with a firm "no" to demands raised in some sections of the Labor Party for another general election this year.

A source close to No. 1 Downing Street said nothing short of a parliamentary defeat for Mr. Attlee would bring elections in Britain before 1951.

This informant said the final decision rests with the Prime Minister and Mr. Attlee prefers to hang on with his paper majority of seven in the House of Commons, particularly in view of the unsettled international situation.

Party leaders said today they expected no disciplinary action against Labor Member of Commons R. W. G. Mackay, who publicly accused the British government of sabotaging European cooperation by refusing to join in the Schuman coal-steel plan.

Yugos Urfge Reestablishment Of 38th Parallel As 'Line'

NEW YORK (AP) — Yugoslav Vice Premier Edvard Kardelj called today for the temporary reestablishment of the 38th parallel as the demarcation line in Korea. He attacked those supporters of the Korean peninsula of a permanent mediation commission made up of small powers. The other requires a nation involved in armed conflict to withdraw its armed forces from disputed territory. Kardelj said the demarcation line would brand the country as an aggressor.

The 50-nation assembly began the second week of its current session.

Car on Rocks

Mamaroneck police, and in particular Detective Sgt. George Geary are wondering today exactly how an used jalopy managed to get on the rocks at 842 Underhill Avenue last night without injuring the occupants or children. Headquarters received a call at 7:30 A. M. today from the Williams Spiano of that address that the car had been on the lawn since 12:15 last night. Sgt. Geary investigated and deduced that the car must have rolled down the hill from Underhill the Westfield Avenue, driving down an embankment then onto the lawn.

Main Breaks

Residents of Hawthorne Gardens Apartments, Mamaroneck, were without water for more than six hours, early today after a six-inch main broke on Hudson Avenue causing the water to drain down the street into East Ford and down the Lawrence In driveway. Police were notified at 10:34 A. M. this morning by the Hance of the Hawthorne Gardens Apartments that the main was leaking. Marco Citrone of the Westchester Water Works was notified to investigate.

13-YEAR-OLD BOY ADMITS BURGLARY

A second call came at 1:45 A. M. from Walter Lawrence who said that water was coming out of the driveway. Police called James Peterson at the fire station and were notified that men were working on the break. Water service was restored about 9 A. M. according to the management at Hawthorne Gardens.

Fast Recovery

Mamaroneck police set a mark for themselves last week in that they impounded a lost bicycle three days before it was reported missing by the owner. Last Friday night a dark green bike was found by police outside the Junior High School and taken to headquarters where it was stored in the basement. Yesterday at 5:12 P. M. John C. Grottoff of 307 Rockland Avenue, reported to the desk that his bike was missing from the job where it had been left. Friday, Desk Officer Charles Hannan knew nothing of the find and sent out a telephone alarm only to cancel it when he learned from a fellow officer that the two-wheeler had been in the basement at headquarters all the while.

Combing The Town

In Philippines

Corp. Joseph Paterno, husband of Mrs. Antonia M. Paterno, of Madison Street, Mamaroneck, has arrived at an overseas station in the Philippines to take up his new duty with the United States Air Force.

Corp. Paterno left in August and is performing the duties of an air policeman with the 1st Police Squadron of Philippines Command (Air Force) and Third Air Force in Central Luzon.

He served in the Panama Canal Zone from 1940 to 1941 and in the European-African-Middle East theater from 1942 through 1943.

Corp. Paterno attended Harrison High School before he began his military career in 1940. He served with the 1st Cavalry Division during the last war and holds the Purple Heart Medal, Combat Infantry Badge and the European Campaign Medal, with four battle stars.

No Luck

Everything seemed to go wrong when Miss Emma Lee, a student at Stanford University, attempted last month to become the mayor of Abbeville, Larchmont's adopted village in France on behalf of the Larchmont Lions Club.

First, all transportation difficulties put her seven days behind schedule when she reached Paris, then, when she was to meet with the French Broadcasting Company in Paris which had offered to make arrangements for her Abbeville trip and to broadcast her meeting with the mayor, she found that they were expected with the project had been fired from the station and she was the caretaker. Next, she called Abbeville and found that the mayor was on vacation.

Miss Lee's trip to Abbeville failed to materialize. However, she did make other connections for the trip home to the United States, but to no effect to France without seeing Larchmont's adopted village.

Board Manages to Save

\$375 On Leveling Of Field

The Mamaroneck Board of Education last night saved local taxpayers \$375 when it agreed to let Nunti Flor contractor, use fill from the field between Central School and the Junior High School. Flor has already used 2,500 yards of fill obtained from the school premises which cost the Board \$1 per yard. With 1,500 yards more needed to level the job, he suggested yesterday to Superintendent of Schools T. James Albert that he would remove fill from the bank located north end of the field at 75 cents per yard. This represented a saving of 25 cents a foot.

Absences Excused

Thirteen teachers in Mamaroneck and Larchmont schools were excused by the Mamaroneck School Board last night for being absent one day or more during the first 10 days of the school year.

Benefit Announced

The Larchmont Fire Department distributed yesterday and today a letter to Larchmont residents asking for their support as patrons and patronesses of the department's benefit show.

"Good - By My Place" which was produced by the performers Nov. 28, 29 and Dec. 2.

The profits from the show will go into the company Welfare Fund. Chief Hugh J. Collins explained in the letter, and the money is used to acquire uniforms, first aid kits, and other school training, sports activities and recreation for the volunteer members of the department.

Garbage is Going Up

It costs money to buy food these days—but it also costs money to throw it away.

Residents of the Town of Mamaroneck paid \$168,220 for garbage last month to have their refuse carried away and burned.

The 284 tons topped the collection in August, 1949, by about six tons indicating that the town is eating more—or maybe less. The collection costs the town an average of 80¢ per ton.

CHAMBER ELECTS GAA PRESIDENT; KENYON AS V.P.

Playhouse Manager Succeeds Chase As Organization Head

Charles A. Gaa, manager of the Mamaroneck Playhouse, last night was elected president of the Mamaroneck Chamber of Commerce at the annual meeting of the directors in the Chamber meeting room.

He served as president 18 years ago and has been active in Chamber affairs since then. Gaa succeeded Leonard P. Chase, of Betty Lee Food Products Inc., who became the first president under the new By-Laws adopted in 1948. At that time the Chamber was divided into two groups; the board of directors and the three divisions which meet on a regular basis.

The Retail, Industrial and General Divisions will meet soon to discuss the new By-Laws. The Industrial Division will be held at the home of Mrs. J. J. Kenyon, 141 Main Street, on Oct. 1. The Retail Division will be held at the home of Mrs. J. J. Kenyon, 141 Main Street, on Oct. 2. The General Division will be held at the home of Mrs. J. J. Kenyon, 141 Main Street, on Oct. 3.

Kathy Appeal Brings \$232 For Treatment Of Leukemia Victim

Immediate financial response came this morning to yesterday's appeal for Kathy Kryder, four-year-old leukemia victim.

With the ink scarcely dry on yesterday's edition of The Daily Times which carried the appeal, checks and cash began arriving at the newspaper office and at the home of Sterling V. Kryder, of 1421 Mamaroneck Avenue, father of Kathy.

Up to noon a total of \$232 had been contributed by Mamaroneck and Larchmont residents touched by the plight of Kathy's parents, who have exhausted their funds over the last six months for the treatment of their stricken daughter.

Toping the list of contributors were tenants of the Hillside Apartments, where the Kryder family lives. Their donations totaled \$125. Checks and cash ranging from one to ten dollars were delivered in person and by mail at the Daily Times office and at the home of Sterling V. Kryder, 1421 Mamaroneck Avenue, father of Kathy.

The plight of Kathy and her parents first came to the attention of the newspaper this morning from New York Friday plans to stay in London a month, then to go to his home in Arizona.

Mr. Gifford, who did government work and was production work in both world wars, is sixty-five, almost 70 years older than Mr. Douglas. An active Republican, he may add strength to shipyard cooperation on foreign policy.

NEW AMBASSADOR TO BRITAIN NAMED

Gift Selected to Take Place of Douglas In London

WASHINGTON (AP)—The White House announced today President Truman's selection of Walter S. Gifford of North Carolina, as Ambassador to London.

Mr. Gifford, former chairman of the board of the American Telephone & Telegraph Co. and a Republican, will succeed Lewis W. Douglas in the post.

The formal announcement was made immediately after receipt of military aid to friendly nations for "personal considerations, including those of health."

The change will be made effective Nov. 1, after Mr. Douglas returns to London to conclude his work there.

Mr. Douglas, who sails from New York Friday, plans to stay in London a month, then to go to his home in Arizona.

Merger Of 2 Allied Fronts Around Red Horde In South

Invaders Staggering to Final Defeat as Trap Closes

By DON HUTCH
Associated Press Staff

The master strategic stroke raised the stars and stripes over the national capitol in Seoul today while other forces whipped down a 215-mile allied nose around many thousands of Reds in the south.

All indications, including a broad appraisal by Gen. MacArthur, were that the North Korean invaders were staggering and stumbling to final defeat in South Korea.

They still resisted in places with fatalistic fury, however.

The master strategic stroke arising from the 12-day-old Inchon beachhead operation and the offensive from the north was the merging of the two allied fronts by forces meeting from north and south.

The allied advance for victory came within a mile or two of the peninsula from Pusan on the extreme southern coast, through the mop-up battles in Seoul, to the Inchon second front beachhead on the Yellow Sea. The Reds were within 30-mile miles of Pusan port.

Get Your Paper Out!

The thirty-third paper drive of 1940 will begin tomorrow at 10 A. M. as members of the post will canvass the village for paper and rags to be sold for the benefit of the club house.

Trucks for the collection will be supplied by local merchant James Kerry, chairman of the campaign, said today, and paper will be taken to Donohoe's warehouse where it will be baled and weighed. Mr. Kerry pointed out that rags will also be picked up since there is a market for them at the present time.

Volunteer workers of the Legion will be supplied with refreshments at the collection point, by a committee composed of Charles Harms and John Moran.

A second truck with James Hewson at the microphone will traverse the village this afternoon collecting the campaign.

Veterans' Service

Information about insurance matters sought by 16 veterans led to the service given to 240 former servicemen by Veterans' Service Office Harry E. Lohr during September. Enquiries about education and loans each accounted for 11 interviews.

The total was only two less than August, when 19 insurance enquiries topped the interviews, and 240 personal interviews in September were less than August, but the 114 telephone calls nearly balanced the loss. Education information was also sought by more than 100 interviews with 15, but loan queries increased by three in September.

The other classifications of service in September were fairly evenly divided.

At Maryland Game

A contingent of football fans including Mamaroneck Town Clerk Charles Grumbine, Ed Carpenter, sports editor of The Daily Times, led early today to College Park, Md. to attend the football game between Navy and Maryland University.

The attraction for the local fans is more than a mere interest in a good game since they hope that Joe Petruzzo of Mamaroneck, a sophomore at Maryland and most valuable player in Westchester three years ago, will see plenty of action. Petruzzo is attending the university on a Westchester scholarship.

Miss Robin Donaldson, of 319 South Barry Avenue, a sophomore at Georgetown College, is also attending the game.

The Right House

He may be only a pup but he shows a doctor's house when he sees one.

Injured in the right ear two years ago, a Beagle pup found his way to the porch of the residence of Dr. C. S. Green, 25 Davis Avenue, Larchmont, Dr. Green called the pup, who he originally drove the dog to Dr. M. E. Sittler, local veterinarian, where he was treated for his injured leg.

A black, brown and white dog, he had no license, but wore a green leather collar with an unmarked metal plate. He resembles Dr. Sittler's temporarily until someone claims him. If no one does, the pup's benefactor, Dr. Green, may take him home.

Mysterious Bullet

It looked like a bullet hole yesterday in the upper right pane of the kitchen window of Mrs. Robert Hoffman of Larchmont, but she said it was not a bullet hole in the window pane until yesterday.

On investigation, Sgt. Eugene De Veau and Patrolman John Rowan found the hole to be one-quarter inch in diameter and that the bullet had apparently come from the direction of Hanson Drive.

The police tried to find the bullet in the Hoffman apartment but were unsuccessful. The mystery was turned over to the department's detective bureau for further investigation.

THIEVES ATTACK CASH BOX WITH GREAT CLEAVERS

Undetermined Sum Taken From Shopwell Market Register

Thereafter operated in full view of passers-by on Mamaroneck Avenue last night as they returned from the Showwell Market, 343 Mamaroneck Avenue, took it behind a counter and hacked it open with meat cleavers and knives making off with an undetermined amount of cash. The thieves reached the store for cash which might have been considered almost hopeless.

The burglary occurred sometime between closing at 6:30 last night and 7:15 A. M. today when Samuel Jortner, of 105 East 17th Street, New York City, manager of the store, opened for the day.

According to Detective Sgt. Jerome Greer, the Mamaroneck Village Police, the thieves must have spent some time in the store after entering through a back door. The cash register was found to be empty and other merchandise on display near the register was strewn over the floor. A friendly smile was seen at the rear of the store had been entered, evidently in a hurry, into the store's register. It was a security matter as the thieves first tried a heavy screen.

Kathy Fund Soars Above \$1,000 As Child Shows 'Miraculous' Gain

As the Kathy Fund soared today to \$1,027.41, the four-year-old leukemia victim, who has captured the hearts of thousands, showed "miraculous" improvement at the New England Baptist Hospital in Boston, where but a few short days ago her case was considered almost hopeless.

"Kathy, the only child patient at the hospital, was walking about yesterday with a friendly smile and cheerful word for the many friends who had been during her long confinement. Two days ago she was a bed patient."

Mrs. Arthur V. Kroyder, who has been at her daughter's bedside almost constantly for the last six months, reported last night that Dr. Norcross of the Leaky said her "He had never seen anything like the improvement Kathy has made in the last few days."

Kathy talked by phone last night with her father in his apartment at 1421 Mamaroneck Avenue. "Daddy, I feel fine," she told him, "and I'm coming home just as soon as they let me."

Kathy also had some cheerful words for her two-and-a-half year old sister, Helen, and her fiancée, Mr. Milton Zellford. Mr. Kroyder last night was more optimistic than he has been at any time since she was hospitalized six months ago.

"I do believe that Kathy can be cured," he said. "I have faith that there is still a first time for everything and I believe that Kathy will be the first person to

be treated successfully. There are especially the prayers of other children, are helping to restore Kathy's health."

"Through the generosity of the people of this community who contributed to the Westchester Cancer campaign, that committee today arranged to pay off the outstanding amount due for Kathy's treatment at St. Agnes Hospital, White Plains, where she was originally a patient."

Another \$10 check in the amount of \$20.41 continued to flow into The Daily Times office yesterday for the fund, which is headed by Kathy's 83rd-pressed parents. Among them were \$25 in contributions from the employees of the Westchester Jewish Center and \$12.15 in cash from the M. & M. Club of Mamaroneck sent a contribution of \$16.

Another \$10 check was contributed by three Larchmont children and \$10 from the Mamaroneck Club. Kathy's centennial contribution of \$12.15 came from 200-year-old Richard Stone.

Contributions from Bobby and Sharon Heller of 29 Maplewood Street, Larchmont, was accompanied by a note which read, "Please add this small contribution to the fund for Kathy Kroyder from two little tots."

ROTARY HEARS TALK ON INVESTING MONEY

George Shaskan, a member of the New York Stock Exchange, yesterday told 100 members of the Larchmont Rotary Club how to make the most of their money. He outlined several investment plans and stressed the importance of diversifying funds to follow when making investments. He told how to choose the right investments and how to choose the right investments for each individual purpose. He described the benefits of a long-range plan and warned investors not to expect to make a million from speculation.

Rotary District Governor W. Halley Wood will pay an official visit to the Larchmont Rotary Club next Friday.

Visitors yesterday included Rotarians Max Clayton of Wilton Plains, David Miller of East Haver, Conn., Melvin Goldman and Sylvia Schwartz of Mamaroneck, Wain Carah was the guest of Harry Pinner.

It was also announced that the District Conference is to be held at 10 A. M. at M. M. District 285 and 297 at Bear Mountain. The registration committee is planned for boys had cut off the boys.

The quiet spell was broken this morning, however, when the day started with the report of a burglary at the Shopwell Market.

West Germany Sets For Wave Of Riots By 30,000 Agitators

COLOGNE, Germany, (AP) — Police officers were warned today that they have been Communist plans for 10,000 young Reds to crash through police barriers into Cologne tomorrow.

The Communist youth groups are expected in nearly a dozen cities throughout West Germany's big industrial Ruhr area.

It appears to be the climax of a series of Communist demonstrations—part of the announced Communist position of "national resistance against the Western Allies and the West German Government."

German officials estimate that 30,000 trained Communist agitators from Eastern Germany have poured across the zone border into West Germany to lead the weekend attack.

MacArthur To Call For Recurrence, Paralel Rooms At Paralel

Dewey Wins Acclaim For Blast At Russia

This is the 15th in a Saturday series of short interviews with residents on issues of the local and national. This week's question: "DO YOU APPROVE OF GOV. DEWEY'S BLAST AT RUSSIA DURING THE UN DINNER LAST WEEK?"

Yes—11; no—5.

Charles E. Page, 423 Florence Street, Mamaroneck: "Well, he didn't tell any lies or make any false statements. Anybody who makes a truthful statement is all right as far as I'm concerned."

Mrs. Augustine F. Sansone, 60 Chaworth Avenue, Larchmont: "I think Governor Dewey was absolutely right—I would have done the same thing myself if I had been in his place."

Yes—11; no—5.

So, Koreans Wait Out To Cross Border As Fighting Ceases

TOKYO, (AP) — Artillery planes carried the light today's estimated 100,000 Red soldiers for the first time since Communist North Korean troops awaited the UN forces in the 38th Parallel on the Korean peninsula.

One republic division after was at the 38th Parallel on the east coast and three other South Korean divisions were within quick march of it. Plans had been completed for a drive against the Red capital of Pyongyang, a South Korean AP spokesman said.

Authoritative sources said Communist forces will call upon North Korean government to surrender in a broadcast statement today.

The Pusan report reported the South Korean Assembly immediately approved a message to the United Nations, requesting the UN to order North Korean Nationalist troops to unite with the Republic of Korea.

The UN Staff gives the word, the war is carried into Red-held territory. The UN Staff says since Communist aggressors invaded South Korea, UN forces have not and doubt helped to alienate a number of countries which are basically friendly to the UN.

Mrs. Arthur Belanger, 128 East Street, Mamaroneck: "Somebody should be at some time that these views are not only held by U. N. delegates. Gov. Dewey had the courage to express the views of most of the American people."

William G. Dixon, 21 Copley Street, Larchmont: "I think that Governor Dewey was right in what he said, but not where he said it. The danger was in honor of the United Nations president and I don't think Dewey was very tactful to give the speech on such an occasion."

James M. Lynch, 60 Briarcliff Street, Larchmont: "Frankly, I was a bit out of touch with events up here. I don't know how to feel about the Russians will be much as they deserve. Being away there, I don't know how diplomatic Dewey was, but I certainly think the Russians were due for a real blasting. Maybe it will help to give the speech on such an occasion."

Mr. Henry E. Nams, 123 Spencer Place, Mamaroneck: "Yes, he should have made them at the UN. There are different situations so everybody should say what I think he should have said what (Turn to Page 3, Please)

BROADENED LAW ON DRAFT SEEN

Vinson Expects Congress To Revise Present Law In November

WASHINGTON, (AP) — A broadened draft law to raise and maintain a three-million man armed force "to generations" as in effect before the end of the year.

Chairman Vinson D. Ga. of the House Armed Services Committee expects Congress to revise the present law when it returns in November.

His committee already is holding hearings on suggested changes.

Mr. Vinson declined to say at the moment if he favors three months' deferment for six months' basic training and two years' active service.

2. Modify deferment for men with dependents—also dependent relatives such as aunts, uncles and cousins wouldn't count for deferment. Gen. Hersey said there was a possibility that draft law might be made eligible for draft.

3. Remove restrictions in ten-day of veterans under twenty-six years of age.

4. Reduce present physical and mental draft standards.

Gen. Hersey hinted broadly that some potential draftees flunk the Army's mental tests in particular.

MAC ARTHUR LAUDED ON KOREAN SUCCESS

TOKYO, (AP) — Gen. MacArthur today acknowledged consultations with the President, Truman and the U. S. Joint Chiefs of Staff for the success of United Nations forces in Korea.

President Truman, speaking in behalf of the American people, praised the "brilliant leadership" and the splendid cooperation of all services.

"I am most grateful for your general message which I will transmit to the elements of this command," Gen. MacArthur replied.

"It will be a source of inspiration and strength to all concerned."

The Joint Chiefs of Staff had lauded the "brilliant leadership" and the splendid cooperation of all services.

RED 'SIT' DEATH 'NEWS' TO CHURCH

Report FBI Has Refused On Local Ordinance Is Unconfirmed

NEW ROCHELLE — The Federal Bureau of Investigation has refused to provide New Rochelle with a list of suspected Communists living in the city or cooperate with the enforcement of the local Communist ordinance.

The Mayor has appointed Thursday with U. S. Atty. Gen. Howard McGrath in Washington to discuss possible cooperation with Federal officials.

Chief Walter L. Kirsch and Chief James J. Lyden had head of the Communist registration of names, today both denied knowing anything about the rumor.

All arrest action on the ordinance has been suspended pending the conference in Washington, which has been suspended for the present he will confine police effort to the telephone search until it is more certain a more extensive search is necessary.

Judge Lyden was reported missing by his wife this morning. He was last seen at the Knollwood Country Club Tuesday afternoon.

Bitter Red Opposition Waited To Crossing Of 38th Parallel

LAKE SUCCESS, (AP) — Bitter Red opposition to United Nations forces going north to the 38th Parallel in a Korean unification move was expected to intensify after the 38th Parallel Committee to Delegation heads normally all on the 90th anniversary. They looked to Russia's Foreign Minister Andrei Vishinsky to try to persuade the Communists from putting the Korean question first on the order of business.

Falling back, he was expected to demand that the U. N. issue the 38th Parallel order on its own, rather than issue a decision from Gen. Douglas MacArthur on a more northern front.

Yugoslavia and India may side with the Soviet bloc on such a move.

There was speculation the Security Council would be attempted in the Security Council. The committee has before it an
